- S. Consider and act upon a resolution of the City of Celina, Texas, determining the costs of certain authorized improvements to be financed within Phase #1 of the Mustang Lakes (Annex) Public Improvement District; approving a preliminary service plan and assessment plan, including the proposed Phase #1 Assessment Roll – Phase #1 Initial Projects and the proposed Phase #1 Assessment Roll – Phase #1 Additional Major Improvements; directing the filing of the proposed assessment rolls with the City Secretary; and providing for noticing and calling two public hearings on March 14, 2023, to consider ordinances levying assessments on property located within Phase #1 of the Mustang Lakes (Annex) Public Improvement District. (Mustang Annex PID – Pre-SAP) (Pollard)
- T. Consider and act upon a resolution of the City of Celina, Texas, determining the costs of certain Phases #2-3 Direct Improvements to be financed within Phases #2-3 of the Chalk Hill Public Improvement District; approving a preliminary service plan and assessment plan, including the proposed assessment roll; directing the filing of the proposed assessment roll with the City Secretary; and providing for noticing and calling a public hearing on March 14, 2023, to consider an ordinance levying assessments on property located within Phases #2-3 of the Chalk Hill Public Improvement District. (Chalk Hill PID – Pre-SAP) (Pollard)

- U. Consider and act upon a resolution of the City of Celina, Texas, determining the costs of certain authorized improvements to be financed within Improvement Area #1 and the Major Improvement Area of the Ten Mile Creek Public Improvement District; approving a preliminary service plan and assessment plan, including the proposed assessment rolls; directing the filing of the proposed assessment rolls with the City Secretary; and providing for noticing and calling two public hearings on March 14, 2023, to consider two ordinances levying assessments on property located within Improvement Area #1 and the Major Improvement Area of the Ten Mile Creek Public Improvement District (Ten Mile Creek PID – Pre-SAP) (Pollard)
- V. Consider and act upon a resolution of the City of Celina, Texas renaming the previously established Tuscany Estates Public Improvement District to the Cross Creek Meadows Public Improvement District pursuant to a request from the owner of the property within the district and providing an effective date. (Cross Creek Meadows - PID Name Change – Pre-SAP) (Pollard)
- W. Consider and act upon a Resolution of the City Council of the City of Celina, Texas, ordering and calling a General Election for the purpose of electing a Mayor, a Councilmember for Place 4 and a Councilmember for Place 5 for three (3) year terms each; authorizing a joint election with the Collin County Elections Administrator, Denton County Elections Administrator and the political subdivisions located entirely or partially inside the boundaries of each county to be held on May 6, 2023. (Vaughns)
- X. Consider and act upon an ordinance of the City of Celina, Texas, amending Ordinance 2022-113 which adopted and approved the budget for fiscal year beginning October 1, 2022, and ending September 30, 2023, and make appropriations for each department, project, and account, by adopting an amended 2022-2023 budget for the City of Celina, Texas, reallocating funds between accounts, attached hereto and incorporated into this ordinance. (Bromiley)
- Y. Consider and act upon a Service Agreement for C-3 annexed property between the City of Celina and the owner of approximately 12 acres within the Extraterritorial Jurisdiction, generally located at the northwest corner of Kristina Court and Mark Alexander Court. (Preston 450 – C-3 Annexation Service Agreement) (Mohan)
- Z. Consider and act upon a Service Agreement for C-3 annexed property between the City of Celina and the owner of approximately 149 acres within the Extraterritorial Jurisdiction, generally located at the northwest corner of Louisiana Drive and future G. A. Moore Parkway. (Ariana – C-3 Annexation Service Agreement) (McAfee)
- AA. Accept the resignation of Drew Smith and declare a vacancy on the Downtown Commission. (Vaughns)
- AB. Accept the resignation of Daniel Gall and declare a vacancy on the Economic Development Corporation Board of Directors. (Vaughns)

VIII. PUBLIC HEARING/ACTION:

- A. Conduct a public hearing to consider and act upon an ordinance amending the Comprehensive Zoning Ordinance, by rezoning approximately 7 acres to Commercial, Office, & Retail District (C) with the Preston Road Overlay (PRO), generally located at the northwest corner of Preston Road and future Oklahoma Drive. (Celina Marketplace - Rezoning) (Mohan)
- B. Conduct a public hearing to consider and act upon an ordinance on the voluntary annexation of approximately 149 acres, generally located at the northwest corner of Louisiana Drive and future G.A. Moore Parkway, within the Extraterritorial Jurisdiction (ETJ). (Ariana – C-3 Expedited Annexation) (McAfee)
- C. Conduct a public hearing to consider and act upon an ordinance amending the Comprehensive Zoning Ordinance, by zoning approximately 149 acres to a Planned Development (PD) with Single-Family, Detached District (SF-R), Single-Family, Attached District (SF-A), Multi-Family, Horizontal District (MF-0), and Commercial, Office, & Retail (C) base zoning, generally located at the northwest corner of Louisiana Drive and future G.A. Moore Parkway. (Ariana – Zoning) (McAfee)
- D. Conduct a public hearing to consider and act upon an ordinance on the voluntary annexation of approximately 12 acres, generally located at the northeast corner of Kristina Court and Mark Alexander Court, within the Extraterritorial Jurisdiction (ETJ). (Preston 450 – C-3 Expedited Annexation) (Mohan)
- E. Conduct a public hearing to consider and act upon an ordinance amending the Comprehensive Zoning Ordinance, by zoning approximately 12 acres to a Planned Development (PD) with Single-Family Residential Estate District (SF-E) base zoning, generally located at the northeast corner of Kristina Court and Mark Alexander Court. (Preston 450 – Zoning) (Mohan)
- F. Conduct a public hearing to consider and act upon an ordinance amending the Comprehensive Zoning Ordinance, by rezoning approximately 22 acres to Single-Family Residential Attached District (SF-A), generally located south of Sunset Boulevard and approximately 735 feet east of KC Robinson Lane. (Glory Villas (Sunset 22) - Rezoning) (McAfee)

- G. The Celina City Council will conduct a public hearing, in accordance with Section 43.0751(d) of the Texas Local Government Code, to provide members of the public the opportunity to present testimony or evidence and act upon a proposed Strategic Partnership Agreement between the City and the Collin County Municipal Utility District, No. 1 (the “District”), which agreement provides for the City’s limited purpose annexation of all non-residential (i.e. commercial and retail) land along W. Frontier Parkway within the District, with such annexation to commence immediately after the effective date of the Strategic Partnership Agreement. Pursuant to Section 43.0751(f)(1) of the Texas Local Government Code, upon the date a limited-purpose annexation ordinance is adopted, the non-residential (i.e. commercial and retail) land along W. Frontier Parkway included within the boundaries of the district shall be deemed to be within the limited purpose boundary limits of the City without the need for further action by the City Council of the City, including issuing notice or conducting public hearings or an election within the district on the question of annexation. (Light Farms – Limited Purpose Annexation First Public Hearing) (McAfee)
- H. The Celina City Council will conduct a public hearing to consider testimony and act upon an ordinance accepting and approving a final Cambridge Crossing Public Improvement District Service and Assessment Plan, including the Phase #3 Assessment Roll – Phase #3 Additional Projects; making a finding of special benefit to property within Phase #3 of the Cambridge Crossing Public Improvement District; levying special assessments against such property and establishing a lien on such property; providing for the method of assessment and the payment of the assessments levied against the Phase #3 assessed property, in accordance with Chapter 372 of the Texas Local Government Code, as amended (Cambridge Crossing Phase 3 PID – Additional Levy Ordinance) (Pollard)
- I. The Celina City Council will conduct a public hearing to consider testimony and act upon an ordinance accepting and approving a final Cambridge Crossing Public Improvement District Service and Assessment Plan, including the Phase #3 Assessment Roll – Phase #3 Improvements; making a finding of special benefit to property within Phase #3 of the Cambridge Crossing Public Improvement District; levying special assessments against such property and establishing a lien on such property; providing for the method of assessment and the payment of the assessments levied against the Phase #3 assessed property, in accordance with Chapter 372 of the Texas Local Government Code, as amended. (Cambridge Crossing Phase 3 PID – Improvement Levy Ordinance) (Pollard)
- J. The Celina City Council will conduct a public hearing to consider testimony and act upon an ordinance accepting and approving a final Harper Estates Public Improvement District Service and Assessment Plan, including the Assessment Roll; making a finding of special benefit to property within the Harper Estates Public Improvement District; levying special assessments against such property and establishing a lien on such property; providing for the method of assessment and the payment of the assessments levied against the assessed property, in accordance with Chapter 372 of the Texas Local Government Code, as amended. (Harper Estates PID – Levy Ordinance) (Pollard)

- K. The Celina City Council will conduct a public hearing to consider testimony and act upon an ordinance accepting and approving a final amended and restated The Lakes at Mustang Ranch Public Improvement District Service and Assessment Plan, including the Phase #7 Assessment Roll; making a finding of special benefit to property within Phase #7 of The Lakes at Mustang Ranch Public Improvement District; levying special assessments against such property and establishing a lien on such property; providing for the method of assessment and the payment of the assessments levied against the Phase #7 assessed property, in accordance with Chapter 372 of the Texas Local Government Code, as amended. (Mustang Lakes Phase 7 PID – Improvement Levy Ordinance) (Pollard)
- L. The Celina City Council will conduct a public hearing to consider testimony and act upon an ordinance accepting and approving a final North Sky Public Improvement District Service and Assessment Plan, including the Improvement Area #1 Assessment Roll; making a finding of special benefit to property within Improvement Area #1 of the North Sky Public Improvement District; levying special assessments against such property and establishing a lien on such property; providing for the method of assessment and the payment of the assessments levied against the assessed property, in accordance with Chapter 372 of the Texas Local Government Code, as amended (North Sky IA Phase 1 PID – Levy Ordinance) (Pollard)
- M. The Celina City Council will conduct a public hearing to consider testimony and act upon an ordinance accepting and approving a final North Sky Public Improvement District Service and Assessment Plan, including the Major Improvement Area Assessment Roll; making a finding of special benefit to property within the Major Improvement Area of the North Sky Public Improvement District; levying special assessments against such property and establishing a lien on such property; providing for the method of assessment and the payment of the assessments levied against the assessed property, in accordance with Chapter 372 of the Texas Local Government Code, as amended (North Sky MIA PID – Levy Ordinance) (Pollard)

IX. ACTION ITEM:

- A. Consider and act to authorize an agreement for residential irrigation evaluation services from M & M Irrigation and Illumination (MMII) in an annual amount not to exceed \$50,000.00. (Quigley)
- B. Consider and act upon a Resolution of the City Council of the City of Celina Texas, adopting the city's certificate of convenience and necessity transfer policy; repealing all conflicting policies; providing a severability clause; and providing for an effective date. (Brawner)
- C. Consider and act to authorize an agreement for engineering services with TRC Engineers for the Mustang Water CCN Application in an amount not to exceed \$21,930.00. (Brawner)

- D. Consider and act upon an ordinance of the City of Celina, Texas, approving and authorizing the issuance and sale of the City of Celina, Texas, Special Assessment Revenue Bonds, Series 2023 (North Sky Public Improvement District Major Improvement Area Project); approving and authorizing related agreements; and providing an effective date. (North Sky MIA PID – Bond Ordinance) (Pollard)
- E. Consider and act upon an ordinance of the City of Celina, Texas, approving and authorizing the issuance and sale of the City of Celina, Texas, Special Assessment Revenue Bonds, Series 2023 (Harper Estates Public Improvement District Project); approving and authorizing related agreements; and providing an effective date. (Harper Estates PID – Bond Ordinance) (Pollard)
- F. Consider and act upon an ordinance of the City of Celina, Texas, approving and authorizing the issuance and sale of the City of Celina, Texas, Special Assessment Revenue Bonds, Series 2023 (North Sky Public Improvement District Improvement Area #1 Project); approving and authorizing related agreements; and providing an effective date. (North Sky IA Phase 1 PID – Bond Ordinance) (Pollard)
- G. Consider and act upon appointments to fill term on the Audit Committee. (Bromiley)

X. ADJOURNMENT:

City Council Chambers is wheelchair accessible. Persons with disabilities who plan to attend this meeting and who may need auxiliary aids or services such as interpreters for persons who are deaf, or hearing impaired, or readers of large print, are requested to contact the City Secretary's Office at 972-382-2682, or fax 972-382-3736 at least two (2) working days prior to the meeting so that appropriate arrangements can be made.

The City Council reserves the right to adjourn into executive session at any time during the course of this meeting to discuss any of the matters listed above, as authorized by the Texas Government Code, Chapter 551. “I, the undersigned authority do hereby certify that the Notice of Meeting was posted on the bulletin board at City Hall of the City of Celina, Texas, a place convenient and readily accessible to the general public at all times and said Notice was posted on the following date and time: Thursday, February 9, 2023 at 5:00 p.m. and remained so posted continuously for at least 72 hours prior to the scheduled time of said meeting.”

Lauren Vaughns, TRMC
City Secretary

Re: Ousley Park Master Plan Presentation

Action Requested:

Discussion of the Ousley Park Planning and Design (Brawner)

Background Information:

The City is taking the Trail Design and Stream Restoration contract to council today, and the Park Master Plan will be coming before the council for approval in the next 2 months. The stream restoration and installation of park and trail facilities at Ousley Park in Downtown will bring more options for the downtown community to enjoy the outdoors and stay physically active.

General Fund Notes & Comments

The first quarter of fiscal year 2023 ended December 31, 2022. Through the first quarter, the City of Celina has received 51.18% of its budgeted revenue at \$16.71 million. The current FY2023 revenue budget stands at \$32.64 million. Revenues in total for the 1st quarter equaled \$16.71 million.

Gross tax collections received for the 1st Quarter totaled \$10.78 million for all taxes collected. Sales tax receipts totaled \$604,161 for the quarter. The remaining \$14,727,372 balance of revenues collected comes from all other taxes with property tax receipts totaling \$10,479,951.

The City of Celina had the top spot for permitting in the 1st quarter and with 343 permits. Permit revenues totaled \$9.93 million for the quarter.

The General Fund expenditures for the 1st Quarter are \$6.73 million. This is 17.82% of the total budget and is normal for the first quarter. The General Fund expenditure budget will be closely monitored as we finish the budget year in the event for any necessary amendments.

Water/Wastewater Fund Total:	\$ 29,784,521	\$ 2,804,795	\$ 26,979,726	9.42%

Water/Wastewater Fund Notes & Comments

The Water/Wastewater Fund ended the 1st Quarter with revenues received totaling \$6.36 million or 22.59% of the overall \$28.17 million Water/Wastewater revenue budget through the first three months.

Overall, water sales received year to date total \$2.96 million or 21.79% of the total current budget. Wastewater sales received total \$1.91 million or 23.66% of its total current revenue budget. Winter averaging was instituted for utility customers on the wastewater portion of their bill in FY 2022.

All other revenues received to date total \$1.48 million which represents 22.94% of the overall budget of \$6.47 million for all other revenues.

Water/Wastewater Fund expenditures through three months of fiscal year 2022 totals \$2.8 million of a \$29.78 million adopted budget. Current encumbrances in the Water/Wastewater Fund total \$19.52 million. They include \$1,202,860 to Upper Trinity Regional Water District for water/wastewater debt service, \$6,015,360 in Upper Trinity Water/Wastewater payments, \$10,916,604 for one-time capital equipment, construction, and vehicle purchases, and the remaining \$1,386,967 is for various operating activities across the fund such as water meters and electricity.

Water/Wastewater Fund operating expenditures are \$2.8 million or 9.42% of the overall \$29.78 million adopted budget for the first quarter of FY 23. The expenditures are on target for the year. More expenses occur in the later months when water sales increase and debt service payments and transfers are expensed.

We are so grateful for the incredible support we received from the community this past year! Fire Prevention week was a great success, and Fire Santa and Christmas on the Square were wonderful ways to bring the community together and celebrate the holidays. We hope to continue this tradition in the years to come. Thank you to everyone for the support in 2022.

- I. Consider and act to authorize the City Attorney to file all necessary lawsuits or other documents in court and complete all necessary actions to obtain right of entry for the purpose of performing surveying, geotechnical investigations, environmental studies, conducting an appraisal, and any other actions related to preparing for eminent domain proceedings on the property located at 1510 Vest Lane, Prosper, TX (Property Tax ID 2137874)

Upon a motion by Councilmember Hopkins and a second by Mayor Pro Tem Pierce, the Council voted six (6) for and none (0) opposed to authorize the acquisition including right of way and easements on a tract of land known as 1510 Vest Lane, Prosper, TX. The motion carried.

RESULT:	ADOPTED [UNANIMOUS]
MOVER:	Andy Hopkins, Place 3
SECONDER:	Jay Pierce, Place 2
AYES:	Griggs, Ferguson, Pierce, Wigginton, Hopkins, Koehne

- J. Consider and act upon a resolution of the City Council of the City of Celina, Texas finding that a public necessity exists and authorizing condemnation to acquire four easements on one tract for municipal purposes to install public utilities, including but not limited to, water and wastewater transmission lines, drainage facilities, grading, such appurtenant facilities as may be necessary, and other public uses, which tract is generally described being 82.25-acres located in the John Davis Survey, Abstract No. 254, and 17.25-acres located in the Jonathan Howard Survey, Abstract No. 442, totaling 100-acres, Property ID 984947 and 995098, generally located east of North Dallas Parkway, Celina, Texas, and south of County Road 60 aka "Marilee Rd.", Celina, Texas, and being more particularly described herein; providing notice of an official determination to acquire real property for a 20' water line easement of 0.670-acres, a 40' temporary construction easement of 1.340-acres, a 20' wastewater easement of 0.679-acres, and a 40' temporary construction easement of 1.359-acres for municipal purposes to install public utilities, including but not limited to, water and wastewater transmission lines, drainage facilities, grading, such appurtenant facilities as may be necessary, and other public uses; authorizing the City Manager to obtain the necessary appraisal report(s) and the making of bona fide offers of just compensation for the property; ratifying prior documents made for acquisition of the property; authorizing legal counsel to institute eminent domain proceedings on behalf of the City for the acquisition of the property if negotiations are unsuccessful; appropriating funds from a lawful source; providing a cumulative repealer clause; providing a severability clause; and providing for an effective date.

Upon a motion by Councilmember Wigginton and a second by Councilmember Hopkins, the Council voted six (6) for and none(0) opposed to adopt Resolution No. 2022-62R and authorize the use of the power of eminent domain to acquire a 20 foot water line easement of 0.670 acres, a 40 foot temporary construction easement of 1.340 acres, a 20 foot wastewater easement of 0.679 acres, and a 40 foot temporary construction easement of 1.359 acres in the John Davis Survey, Abstract No. 254 and in the Jonathan Howard Survey, Abs. No. 442, generally located east of North Dallas Parkway, Celina, Texas and South of County Road 60 AKA "Marilee Rd", Celina, Collin County, Texas, (as more fully described and depicted in Exhibits "A", "B", "C", and "D" of the proposed resolution for this item) for a public purpose and use to install and maintain public utilities, including but not limited to, the municipal purpose of water and wastewater transmission lines, drainage facilities, grading, such appurtenant facilities as may be necessary, and other public uses. The motion carried.

RESULT:	ADOPTED [UNANIMOUS]
MOVER:	Wendie Wigginton, Place 4
SECONDER:	Andy Hopkins, Place 3
AYES:	Griggs, Ferguson, Pierce, Wigginton, Hopkins, Koehne

- K. Consider and act upon a resolution of the City Council of the City of Celina, Texas finding that a public necessity exists and authorizing condemnation to acquire right-of-way and temporary construction easement on one tract for municipal purposes to install a public project, including but not limited to, public roadway, water and wastewater transmission lines, drainage facilities, grading, such appurtenant facilities as may be necessary, and other public uses, which tract is generally described being located in Collin County School Land Survey #14, Abstract No. 167, 77.694 deeded acres, Property ID 962612, generally located on the southeast corner of East Glendenning Parkway and Preston Road, Collin County, Texas, and being more particularly described herein; providing notice of an official determination to acquire real property for a 0.440-acre right-of-way and a 0.054-acre temporary construction easement for municipal purposes to install public utilities, including but not limited to, public roadway, water and wastewater transmission lines, drainage facilities, grading, such appurtenant facilities as may be necessary, and other public uses; authorizing the City Manager to obtain the necessary appraisal report(s) and the making of bona fide offers of just compensation for the property; ratifying prior documents made for acquisition of the property; authorizing legal counsel to institute eminent domain proceedings on behalf of the city for the acquisition of the property if negotiations are unsuccessful; appropriating funds from a lawful source; providing a cumulative repealer clause; providing a severability clause; and providing for an effective date.

Upon a motion by Mayor Pro Tem Pierce and a second by Councilmember Wigginton, the Council voted six (6) for and none (0) opposed to adopt Resolution No. 2022-61R and authorize the use of the power of eminent domain to acquire 0.440 acre right-of-way and 0.054 acre temporary construction easement in the Collin County School Land Survey #14, Abstract No. 167, generally located on the southeast corner of East Glendenning Parkway and Preston Road, Collin County, Texas, (as more fully described and depicted in Exhibits "A" and "B" of the proposed resolution for this item) for a public purpose and use to install and maintain public utilities, including but not limited to, the municipal purpose of public roadway, water and wastewater transmission lines, drainage facilities, grading, such appurtenant facilities as may be necessary, and other public uses. The motion carried.

RESULT:	ADOPTED [UNANIMOUS]
MOVER:	Jay Pierce, Place 2
SECONDER:	Wendie Wigginton, Place 4
AYES:	Griggs, Ferguson, Pierce, Wigginton, Hopkins, Koehne

VII. CONSENT AGENDA:

Mayor Terry removed item O for individual consideration and tabled item U for consideration at a later date.

Upon a motion by Councilmember Wigginton and a second by Mayor Pro Tem Pierce, the Council voted six (6) for and none (0) opposed to adopt the Consent Agenda removing items O and U. The motion carried.

RESULT: ADOPTED [UNANIMOUS]
MOVER: Wendie Wigginton, Place 4
SECONDER: Jay Pierce, Place 2
AYES: Griggs, Ferguson, Pierce, Wigginton, Hopkins, Koehne

- A. Consider and act to authorize an agreement for testing services with D&S Engineering Labs for the Legacy Hills WRF in an amount not to exceed \$168,441.00. (Berry)
- B. Authorize the City Manager of the City of Celina, Texas to enter into an agreement by and between City of Celina, Mustang Special Utility District, and G Bar 7, Ltd in Relation to Utility Service Provisions for an approximately 99-acre tract commonly known as the “Walker Tract” and Old Celina Ltd in relation to utility service provisions for an approximately 4.859-acre tract commonly known as the “Folsom Tract” (Brawner)

- C. Consider and act to authorize an agreement for engineering services with TRC Engineers for the Mustang Water CCN Application in an amount not to exceed \$21,930.00. (Berry)

Mayor Pro Tem Pierce made motion to table Consent Agenda item C.

- D. Consider and act upon an ordinance of the City of Celina, Texas, amending Ordinance 2022-113 which adopted and approved the budget for fiscal year beginning October 1, 2022 and ending September 30, 2023, and make appropriations for each department, project, and account, by adopting an amended 2022-2023 budget for the City of Celina, Texas, reallocating funds between accounts, attached hereto and incorporated into this ordinance. (Bromiley)
- E. Consider and act upon a resolution of the City of Celina, Texas, determining the costs of certain Authorized Improvements to be financed within Phase #3 of the Cambridge Crossing Public Improvement District; approving a preliminary service plan and assessment plan updated for Phase #3, including a proposed Phase #3 Assessment Roll – Phase #3 Improvements and proposed Phase #3 Assessment Roll – Phase #3 Additional Projects; directing the filing of the proposed Assessment Rolls with the City Secretary; and providing for noticing and calling two public hearings on February 14, 2023, to consider two ordinance levying assessments on property located within Phase #3 of the Cambridge Crossing Public Improvement District. (Cambridge Crossing Phase #3 PID – Pre-SAP) (Pollard)
- F. Consider and act upon a resolution of the City of Celina, Texas, determining the costs of certain Authorized Improvements to be financed within Phase #7 of the Lakes at Mustang Ranch Public Improvement District; approving a preliminary amended and restated service plan and assessment plan updated for Phase #7, including a proposed Phase #7 Assessment Roll; directing the filing of the proposed Phase #7 Assessment Roll with the City Secretary; and providing for noticing and calling a public hearing on February 14, 2022, to consider an ordinance levying assessments on property located within Phase #7 of the Lakes at Mustang Ranch Public Improvement District. (Mustang Lakes Phase #7 PID – Pre-SAP) (Pollard)
- G. Consider and act upon a resolution of the City of Celina, Texas, determining the costs of certain Authorized Improvements to be financed within Improvement Area #1 and the Major Improvement Area of the North Sky Public Improvement District; approving a preliminary service plan and assessment plan, including a proposed Improvement Area #1 Assessment Roll and proposed Major Improvement Area Assessment Roll; directing the filing of the proposed Assessment Rolls with the City Secretary; and providing for noticing and calling two public hearings on February 14, 2023, to consider two ordinance levying assessments on property located within Improvement Area #1 and the Major Improvement Area, respectively, of the North Sky Public Improvement District. (North Sky PID – Pre-SAP) (Pollard)

- H. Consider and act upon a resolution of the City of Celina, Texas, determining the costs of certain Authorized Improvements to be financed within the Harper Estates Public Improvement District; approving a preliminary plan and assessment plan, including a proposed Assessment Roll; directing the filing of the proposed Assessment Roll with the City Secretary; and providing for noticing and calling a public hearing on February 14, 2022, to consider an ordinance levying assessments on property located within the Harper Estates Public Improvement District. (Harper Estates PID – Pre-SAP) (Pollard)
- I. Consider and act upon a Development Agreement between the City of Celina and 3G Investments, LLC, for approximately 3 acres, generally located at the southwest corner of Louisiana Drive and future J. Fred Smith Parkway, within the City Limits. (3G10 Facilities Agreement) (McAfee)

VIII. ACTION ITEM:

- A. Consider and act upon all matters incident and related to approving and authorizing publication of notice of intention to issue certificates of obligation, including the adoption of a resolution pertaining thereto. (Stovall)

Upon a motion by Councilmember Wigginton and a second by Councilmember Koehne, the Council voted six (6) for and none (0) opposed to approve Resolution No. 2023-07R. The motion carried.

RESULT: APPROVED [UNANIMOUS]
MOVER: Wendie Wigginton, Place 4
SECONDER: Mindy Koehne, Place 5
AYES: Griggs, Ferguson, Pierce, Wigginton, Hopkins, Koehne

- B. Consider and act upon of all matters incident and related to declaring expectation to reimburse expenditures with proceeds of future debt, including the adoption of a resolution pertaining thereto. (Stovall)

Upon a motion by Councilmember Hopkins and a second by Councilmember Koehne, the Council voted six (6) for and none (0) opposed to approve Resolution No. 2023-08R. The motion carried.

RESULT: APPROVED [UNANIMOUS]
MOVER: Andy Hopkins, Place 3
SECONDER: Mindy Koehne, Place 5
AYES: Griggs, Ferguson, Pierce, Wigginton, Hopkins, Koehne

- C. Consider and act to purchase a modular building from Palomar Modular Buildings through a cooperative contract with BuyBoard in an amount not to exceed \$518,312.00. (Brawner)

Upon a motion by Councilmember Wigginton and a second by Mayor Pro Tem Pierce, the Council voted six (6) for and none (0) opposed to approve the purchase of a modular building from Palomar Modular Buildings. The motion carried.

RESULT: **APPROVED [UNANIMOUS]**
MOVER: Wendie Wigginton, Place 4
SECONDER: Jay Pierce, Place 2
AYES: Griggs, Ferguson, Pierce, Wigginton, Hopkins, Koehne

IX. ADJOURNMENT:

Mayor Terry adjourned the Regular Meeting of the Celina City Council at 7:39 p.m. on Tuesday, January 10, 2023.

Quarterly Investment Report

Staff Recommendation:

Staff recommends approval

Preparing for Recovery

If 2022 was all about inflation, then 2023 may be all about recovering and preparing for recovery. With the monthly irregularities in data, and the uncertainty in the economic outlook and legislative policy, we are left with unanswered questions for the new year. Investors and consumers alike continue to wonder is the U.S. in recession? How deep and prolonged might a downturn be? Has inflation peaked, and if so, will price pressures continue to retreat from here?

For the consumer, high borrowing costs and prices, a surprisingly low level of labor participation and depleted savings should increasingly lower spending activity. And, as shoppers reduce or shift spending, businesses may continue a growing trend of investment, particularly in technology to replace high-cost labor and grow productivity; a missing component of activity for over a decade. Excessive post-Covid consumer demand led to inflated retail inventories which now weigh down on prices and business.

Consumer activity peaked in the 3rd quarter, but the lingering pain of inflation increasingly took its toll by year-end. The reality of a reduced wealth cushion, is causing a shift or reduction in spending habits. For some, this means curtailing purchases. For others, this means downgrading the quality or brand of their purchases. And for others –notably the younger generation – this has resulted in binge spending (where consumers pull back as much as possible one month to purchase more expensive items the next). Regardless of the form, it is increasingly evident that consumers are dramatically shifting the goods and services in their basket - a reflection of growing unease for household financials.

As the consumer modifies her spending, the Fed has also modified the plan for fighting inflation. With inflation pressures easing the Fed has reduced its march to higher rates with its limited 0.50% increase in overnight rates in December.

A Painful Progress

In 2023 the continuing near-term pain to the consumer and to business will undoubtedly forestall a much larger and longer-term struggle if inflation were to remain unchecked domestically and globally. Global uncertainty caused by political tensions, outright threats and war, along with lingering supply chain snags will continue to exacerbate markets unease causing substantial volatility and even threatening economic dysfunction.

Throughout 2022 central banks have recognized and coordinated rate increases to fight inflation. Even the historically conservative Bank of Japan has allowed its ten-year bond rate to rise from 0.00% to 0.50%! The US leads the inflation battle at an inflation rate of 5.5% year-over-year versus a rate still near 10% in Europe.

The easing of inflation has given the central banks some breathing space. If slowing demand and discounting prices because of elevated inventories along with declining house prices extends globally, we may see all central banks pausing to wait for an anticipated turn. That interplay of inflation and central bank intervention will ultimately shape 2023.

GDP has unexpectedly risen at year-end after two quarters of decline. The factors continue to vary perhaps too greatly to make predictions: personal consumption especially on services was up whereas goods consumption was down and business investment remains sluggish.

All that said, the painfully slow pace of retreat continues to underscore the fact that there is still work to be done, as Chairman Powell said at the December FOMC meeting.

Big item orders drop

Source: Census Bureau/Haver Analytics

Fastest Rate Hiking Cycle

Expectations Drive Rates

The Fed has moderated from the 0.75% hike paces and gave us only a 0.50% hike in December.

The Fed fully concedes that higher rates will slow growth but is willing to take these actions to tame inflation through lessening demand.

The expected increase in GDP has changed the recession discussion somewhat with the market even beginning to think a soft landing may be possible.

There are signs of slightly slowing inflation such as lower rents and a reduced need for workers. The continuously changing environment has even the Fed debating how much more tightening is needed.

City of Celina, Texas

Memorandum

To: **Honorable Mayor Terry and the Celina City Council**
 From: Dawn Berry, Purchasing Director
 CC: Andy Glasgow, Director of Engineering
 Date: February 14, 2023
 Re: FY 2023 Downtown Water & Sewer Improvements

Action Requested:

Consider and act to authorize an agreement for engineering services with TRC Engineers for the design of the downtown water and sewer improvements in an amount not to exceed \$94,290.00. (Berry)

Background Information:

Services include design improvements (surveying, civil engineering, and construction administration) for the following locations.

1. Farm to Market Road 455 (Walnut St)
2. Walnut Street from Arizona Drive to Kentucky Street
3. Ash Street from Alabama Drive to Arizona Drive
4. Oak Street from Ohio Street to Louisiana Street and along Ohio, Elm, and Louisiana Streets
5. Walnut Street from Oklahoma Drive to Arkansas Street

The agreement including the fee schedule and timeline are attached.

The City maintains an executed Master Services Agreement (MSA) with the engineering firm for on-call engineering services.

Alternatives:

Council may reject the authorization and direct staff.

Financial Considerations:

Funding is available through bond funds. Expenditures will not exceed funds appropriated and funds will be committed at the issuance of a purchase order.

Legal Review:

Contract has been previously reviewed and approved.

Re: 2023 Downtown Water and Sewer Improvements
Engineering Services Proposal

Dear Mr. Glasgow:

The City of Celina (City) has requested that TRC Engineers, Inc. (TRC) provide this engineering proposal for design services related to the above referenced project. The overall project consists of reconstructing various roadways as identified by City staff shown on the attached exhibit. A preliminary construction cost estimate is attached for the City's use.

This work would be provided as a task order under the Master Service Agreement (MSA) executed between the City and TRC.

The opportunity to provide this proposal is greatly appreciated. If you have any questions regarding this information, please feel free to contact this office.

Sincerely,

A handwritten signature in black ink that reads "Justin Thomas". The signature is written in a cursive, flowing style.

Justin Thomas, P.E.

CITY OF CELINA, TEXAS
2023 DOWNTOWN WATER AND SEWER IMPROVEMENTS
TRC SCOPE OF WORK
JANUARY 19, 2023

PROJECT DESCRIPTION

The project will consist of replacing existing water and sanitary sewer mains as identified by the City. The proposed utility mains will adhere to current City standards and specifications as well as adopted codes/regulations. The specific areas as shown on the attached 2023 Maintenance Project exhibit with approximate utility lengths including:

1. Farm to Market Road 455 (Walnut St)
 - A. 10-inch Sanitary Sewer Main by Dry Bore – 53 LF
2. Walnut Street from Arizona Drive to Kentucky Street
 - A. 8-inch Water Main – 689 LF
3. Ash Street from Alabama Drive to Arizona Drive
 - A. Full depth street reclamation
 - B. 8-inch Water Main – 1,254 LF
4. Oak Street from Ohio Street to Louisiana Street and along Ohio, Elm, and Louisiana Streets
 - A. Full depth street reclamation
 - B. 8-inch Water Main from Ohio Street to Louisiana Street - 372 LF
 - C. 8-inch Sanitary Sewer Main along Ohio, Elm, and Louisiana Streets – 753 LF
5. Walnut Street from Oklahoma Drive to Arkansas Street
 - A. 8-inch Water Main – 700 LF

TASK 1 – SURVEYING

Topographic Survey - TRC will provide topographical data as required to complete the engineering design. Survey data will be provided in AutoCAD format and include an existing basemap showing locations of street Right-of-Way (ROW), property lines, easements, fences, culverts and other pertinent existing features within the project area. Surveyor will contact utility locating service prior to fieldwork for marking of underground utility lines and provide deed research of adjacent property ownership within the proposed project area. The survey will provide control points for use during construction. The survey will encompass the width of the ROW for each utility/street section.

TASK 2 – CIVIL ENGINEERING

TRC will prepare detailed plans and specifications for use in the various utility installations as well as the single street reconstruction. Plan sheets will include plan sheets for the water main replacement, plan and profiles of the sanitary sewer main replacement, and plan and profile of the Oak Street reconstruction, including standard notes and details.

TxDOT coordination will be needed for all improvements within TxDOT ROW, which includes the 10-inch sewer main crossing Walnut Street and the 8-inch water main along Walnut Street. TRC will provide

necessary documentation and assist the City in coordination with TxDOT for approval of utility installation within TxDOT ROW.

It is anticipated that TRC will submit a 60%, 90% and 100% set of construction plans for the City to review. TRC will attend design progress meetings and provide updated engineer's opinion of probable construction costs with each submittal.

TASK 3 - CONSTRUCTION ADMINISTRATION

Bidding and Construction Administration - TRC will assist the City in the bid process including preparation of bid advertisement document, attendance at a pre-bid meeting if necessary, respond to contractor questions, preparation of addenda, assist the City in the opening and tabulation of bids, prepare award recommendation letter and prepare construction contract documents. After the bidding is completed, TRC will provide updated construction plans and specifications to include the bid addenda for use during construction.

Throughout construction, TRC will assist the City with contractor correspondence, materials submittal review, respond to contractor requests for information (RFI), contractor pay request reviews, attendance at one preconstruction meeting, attendance at monthly progress meetings (maximum of seven) with the contractor, periodic site visits (maximum of two), final inspection with the contractor and City staff, preparation of punch list and record drawing preparation based on the contractor's as-built plans.

ASSUMPTIONS

The following assumptions apply to the basis of costs for this project:

- Plan and bid documents will be per TRC's and the City's standards.
- City will be responsible for arranging ROW, easement, and/or property access prior to commencement of fieldwork.
- No new properties will be acquired.
- Paving and utility improvements will be similar as shown in the attached exhibits.
- All projects will be bid together as one contract and awarded to one contractor.
- The City will coordinate directly with TxDOT for utility permits.

EXCLUSIONS

The following items are excluded from the Scope of Work:

- Construction staking
- Drainage design.
- Analysis of the City's existing water and sanitary sewer system.
- Landscape and irrigation design.
- Continuous construction inspection or services other than those listed above.
- Franchise utility coordination.
- Detailed title search or title policy.
- Preparation of final plats, Right-of-Way or easement documents, other than those listed herein.
- Environmental or permitting services.

COMPENSATION FOR SERVICES

The cost to provide the design engineering services will be invoiced as a lump sum project. This lump sum fee includes labor and material costs associated with the Scope of Work identified above. A breakdown of the costs for the City's review is shown below.

1. Surveying	\$ 18,950
2. Civil Engineering	\$ 59,570
3. <u>Bidding and Construction Administration</u>	<u>\$ 15,770</u>
TOTAL CONTRACT AMOUNT:	\$ 94,290

TRC's fees above are based on a continuous flow of work. Any delays or restrictions, caused by customer or customer's sub consultants, which result in idle-time or inefficiencies, could be cause for additional compensation. The payment schedule will be via progress billing (percent complete for each task).

Memorandum

To: **Honorable Mayor Terry and the Celina City Council**
 From: Dawn Berry, Purchasing Director
 CC: Andy Figueroa, Director of Public Works
 Date: February 14, 2023
 Re: Lead and Copper Rule Revisions 2023

Action Requested:

Consider and act to authorize an Work Authorization 23W05095 with Garver for updates to the Lead and Copper Rule Revisions (LCRR) in an amount not to exceed \$94,511.50. (Berry)

Background Information:

Service includes preparation of a project management plan and quality control/assurance plan for use by staff with mandatory compliance date of October 16, 2024. Garver will provide technical guidance to the City as follows:

- Developing a service line inventory
- Assessing water quality
- Updating sampling plans and protocols
- Developing a new lead service line replacement plan
- Budgeting for LCRR and LCRI costs
- Identifying funding opportunities and preparing funding applications
- Communications materials

The agreement including the fee schedule and timeline are attached.

The City maintains an executed Master Services Agreement (MSA) with the engineering firm for on-call engineering services.

Alternatives:

Council may reject the authorization and direct staff.

Financial Considerations:

Funding is available in the current budget. Expenditures will not exceed funds appropriated and funds will be committed at the issuance of a purchase order.

SCOPE OF SERVICES

City of Celina Lead and Copper Rule Assistance

I. Background

The City of Celina ("City") selected Garver to assist with preparations for compliance with the Lead and Copper Rule Revisions (LCRR). These services will be phased based on the regulatory timeframe, i.e., the LCRR compliance date of October 16, 2024, and will be responsive to regulatory changes introduced by the Lead and Copper Rule Improvements (LCRI), which is currently in development.

Generally, Garver will provide technical guidance to the City related to:

- Developing a service line inventory
- Assessing water quality
- Updating sampling plans and protocols
- Developing a new lead service line replacement plan
- Budgeting for LCRR and LCRI costs
- Identifying funding opportunities and preparing funding applications
- Communications materials

II. Scope of Basic Services

The following scope of work describes the services to be provided to meet the LCRR compliance date of October 16, 2024. Garver will prepare an overall project management plan (PM) and quality control/assurance plan (QCP) to be used for all tasks. Garver will prepare and provide monthly progress/status reports, sufficient to support monthly billings. Monthly status reports will be submitted with monthly invoices and project updates.

A. Task I – Service Line Inventory Assistance

1. Garver will attend one (1) kick-off meeting to discuss project objectives, internal and external team, lines of communication, and schedule.
2. Garver will assist the City in developing a strategy for identifying service line materials using existing records, routine and emergency maintenance activities, and targeted materials inspections. The strategy and a proposed schedule will be documented in a technical memorandum (TM).
3. Garver will develop a template for the City's service line inventory, either in Microsoft Excel or as a GIS shapefile.
4. Garver will review data collected by the City using the template up to two (2) times and provide recommendations for enhancing the accuracy and completeness of the data.
5. Garver will facilitate one (1) virtual workshop to provide updates on Garver-led tasks and any regulatory developments and receive status updates on City-led tasks.

Deliverables: Draft and Final service line inventory development TM, service line data collection template, and review comments on data collected by the City.

Exhibit A

B. Task II – Water Quality Assessment

1. Garver will prepare a data request document and submit to the City including:
 - a. Historical water quality data from the City's entry points and distribution system, including Nitrification Action Plan (NAP) data and disinfectant residual data.
 - b. Historical monthly mineral analysis reports from Upper Trinity Regional Water District (UTRWD)
 - c. Historical customer complaint records.
 - d. Locations of existing lead and copper sampling sites.
 - e. Locations of existing schools and licensed child-care facilities.
 - f. Any updates to the City's distribution system map, GIS format if available.
2. Garver will review the historical water quality information received to identify the need for additional testing or potential improvements to minimize lead and copper solubility. Garver will document these results in a TM.
3. Garver will facilitate one (1) virtual workshop to provide updates on Garver-led tasks and any regulatory developments and receive status updates on City-led tasks.

Deliverables: Data Request, Draft and Final Water Quality Assessment TM.

C. Task III – Sampling Plans and Protocols

1. Garver will recommend updates the City's existing list of tap sampling sites and tap sampling protocols. Updates will be based on the City's service line inventory, requirements of the LCRR, and proposed or final LCRI, if available.
2. Garver will review the City's planned approach for developing and maintaining a list of schools and licensed child-care facilities and provide comments.
3. Garver will develop sampling protocols for implementation at schools and licensed child-care facilities in accordance with the requirements of the LCRR, and proposed or final LCRI, if available. Sampling protocols will include the number of samples required per facility, flow charts for selecting sampling points within each facility.
4. Garver will facilitate one (1) virtual workshop to provide updates on Garver-led tasks and any regulatory developments and receive status updates on City-led tasks.
5. Garver will provide City staff training for implementation of the new plans and protocols.

Deliverables: Review comments, Draft and Final tap sampling protocols, comments on the City's approach to developing and maintaining a list of schools and licensed child-care facilities, Draft and Final sampling protocol for schools and licensed child-care facilities.

D. Task IV – Lead Service Line Replacement Plan Development

1. Garver will review and provide comments on the City's existing lead service line replacement plan, if available. The review will focus on the plan's compliance with the LCRR or, if available, the LCRI.
2. Garver will recommend updates to the City's existing lead service line replacement plan, if available, for compliance with the LCRR or, if available, the LCRI.

Exhibit A

3. Garver will facilitate one (1) virtual workshop to provide updates on Garver-led tasks and any regulatory developments and receive status updates on City-led tasks.

Deliverables: Review comments.

III. Scope of Additional Services

The following scope of work describes additional services that Garver can be provided if requested depending on the results of the lead service line replacement plan.

A. Task V – Budgeting for LCRR and LCRI Costs (Optional depending on need)

1. Garver will assist the City in identifying items related to LCRR, and, if available, LCRI compliance that should be included in the City's operating budget.
2. Garver will review the City's proposed LCRR/LCRI budget and provide comments.
3. Garver will facilitate one (1) virtual workshop to provide updates on Garver-led tasks and any regulatory developments and receive status updates on City-led tasks.

Deliverables: List of proposed budget items, review comments on proposed budget.

B. Task VI – Funding Assistance (Optional depending on need)

1. Garver will assist the City in identifying grants and loans available for projects associated with the LCRR, such as lead service line replacement projects or addressing lead in schools and licensed child-care facilities.
2. Garver will prepare a data request document for information needed to complete project information forms (PIFs) and submit to the City, including:
 - a. System maps
 - b. Reports
 - c. Data
 - d. Budget-level cost estimates
 - e. Project information
3. Garver will coordinate with the City and the funding agency (e.g., the Texas Water Development Board, TWDB) as necessary. Garver will send the draft PIF to the City for review before submitting to the funding agency.
4. Garver will facilitate one (1) virtual workshop to provide updates on Garver-led tasks and any regulatory developments and receive status updates on City-led tasks.

Deliverables: Data Request, Draft and Final PIF.

C. Task VII – Review of Communications Materials (Optional depending on need)

1. Garver will review the City's existing communications materials related to LCR compliance and identify updates or additional materials needed for LCRR, and, if available, LCRI compliance.
2. Garver will review communications materials developed by the City or the City's outside communications firm for LCRR, and, if available, LCRI, compliance.
3. Garver will facilitate one (1) virtual workshop to provide updates on Garver-led tasks and any

Exhibit A

regulatory developments and receive status updates on City-led tasks.

4. Garver will facilitate one (1) virtual staff training session on communications materials and delivery schedules.

Deliverables: Review comments on existing LCR materials, review comments on newly developed communications materials.

D. Task VIII – Subsurface Utility Engineering (Optional depending on need)

1. Garver will provide field work supervision of the City's utility location field crew and Subsurface Utility Engineering (SUE) Quality Level (QL) B markings to identify horizontal locations for the test holes.
2. Garver will perform one (1) QL A SUE test hole on the city side of the meter box and one (1) QL A SUE test hole on the customer side of the meter box to determine the location and material type of the service lines.
3. Garver will survey each test hole using the established project control point data. Any necessary Right-of Entry (ROE) permits, including railroad ROE, will be provided by the City prior to starting the field work.
4. Test holes will be prioritized outside of paved areas wherever possible. However, some test holes may need to be placed in paved areas that may require traffic control measures. Garver will establish routine/ordinary traffic control whenever required. If non-routine traffic control measures are required, Garver will utilize a traffic control provider at the unit rate provided in the Appendix B.
5. Garver will utilize non-destructive vacuum excavation equipment to excavate test holes at the required locations. Test hole excavations will be backfilled with appropriate material and the original surface will be restored. The backfill will be compacted in lifts by mechanical means to mitigate future settlement.

Deliverables: Summary of test hole coordinate data and a CADD file containing QL A SUE data.

IV. Extra Work

The following items are not included under this agreement but will be considered as extra work:

1. Populating the service line inventory.
2. Sampling or water quality analyses.
3. Development of a list of schools and licensed child-care facilities.
4. Estimation of labor costs for City staff.
5. Design services of any kind.
6. Submittals or deliverables in addition to those listed herein.

V. Schedule

Garver shall begin work under this Agreement within ten (10) calendar days of the Notice to Proceed for each task and shall complete the work in accordance with the schedule below. It is assumed that the Notice to Proceed for each task will be accompanied by City-developed documents that Garver is to review.

Exhibit A

Task Description	Calendar Days
Basic Services	
Task I – Service Line Inventory Assistance	35 days from Notice to Proceed
Task II – Water Quality Assessment	35 days from Notice to Proceed
Task III – Sampling Plans and Protocols	35 days from Notice to Proceed
Task IV – Lead Service Line Replacement Plan Development	35 days from Notice to Proceed
Additional Services	
Task V – Budgeting for LCRR and LCRI Costs (Optional)	21 days from task authorization
Task VI – Funding Assistance (Optional)	42 days from task authorization
Task VII – Review of Communications Materials (Optional)	21 days from task authorization
Task VIII – Subsurface Utility Engineering (Optional)	N/A

*Note: for planning purposes, 14 calendar days are assumed for a complete City response to a data request or comments related to a Draft submittal.

Exhibit B

City of Celina Lead and Copper Rule Revisions Assistance

FEE SUMMARY

Basic Services Section	Estimated Fees
TASK I - Service Line Inventory Assistance	\$ 10,956.00
TASK II - Water Quality Assessment	\$ 12,584.00
TASK III - Sampling Plans and Protocols	\$ 15,348.00
TASK IV - Lead Service Line Replacement Plan	\$ 8,624.00
Subtotal for Basic Services Section	\$ 47,512.00
Additional Services Section¹	Estimated Fees
TASK V - Budgeting for LCRR and LCRI Costs (Optional)	\$ 8,364.00
TASK VI - Funding Assistance (Optional)	\$ 25,584.00
TASK VII - Review of Communications Materials (Optional)	\$ 8,364.00
TASK VIII - Subsurface Utility Engineering (Optional) ²	\$ 4,687.50
Subtotal for Additional Services Section	\$ 46,999.50
Total All Services	\$ 94,511.50

¹ Includes services that Garver can provide, if requested by the Owner, depending on the results of the lead service line replacement plan.

² Refer to the detailed fee summary for a breakdown of the individual subtasks.

Mobilization is \$1,745/each mobilization

SUE QL A is \$363/hr

SUE QL B is \$275/hr

Survey is \$215/hr

Non-routine traffic control is \$2,090/day

Purchasing
City of Celina, Texas

Memorandum

To: **Honorable Mayor Terry and the Celina City Council**
 From: Dawn Berry, Purchasing Director
 CC: Amy Alexander, Director of Information Technology
 Date: February 14, 2023
 Re: IT Hardware for Beech Street Modulares

Action Requested:

Consider and act to purchase Networking Hardware for the Beech Street Modulares Project from Freeit Data Solutions through a cooperative contract with the State of Texas Department of Information Resources (DIR) in an amount not to exceed \$54,159.59. (Berry)

Background Information:

Staff requests authorization to purchase networking hardware from Freeit Data Solutions for the Beech Street Modulares. This purchase will enable network connections to phones, computers, and printers, within both new and relocated modular buildings. This equipment is required to support day-to-day operations of the City.

All items will be purchased through the following cooperative agreements.

- Cooperative Agency: State of Texas Department of Information Resources
- Cooperative Contract #: DIR-CPO-4696

The City maintains an executed Interlocal Agreement with the above cooperative agency. Chapter 271 of the Local Government Code authorizes cooperative purchases. Use of the contracts satisfies the competitive bidding requirement while saving time and funding in the development of specifications and duplication of work during the process.

Alternatives:

Council may reject the purchase and direct staff.

Financial Considerations:

Funding is available through bond funds. Expenditures will not exceed funds appropriated and funds will be committed at the issuance of a purchase order.

Supporting Documents:

Quote

Staff Recommendation:

Authorize the purchase as recommended.

 Re: 2023-013 Shuttle Services for Events

Action Requested:

Consider and act to award bid 2023-013 for Shuttle Services for Events at an annual amount of \$19,720.00 for a contract term of five years not to exceed \$98,600.00. (Quigley)

Background Information:

On January 24th, 2023, the City received responses to bid 2023-013 for Shuttle Services for Events. The bid invitation was advertised in the local paper and posted on the City's eProcurement system in which one hundred and twenty six vendors were notified. Two responses were received.

Initial review was done by Purchasing and forwarded to staff for further evaluation. One vendor no bid line item 4. Staff recommends the following award:

Line 1 , 2 and 3 - First Student
 Line 4 - No Award

It was determined to be in the best interest of the City to not award Line 4 as the pricing received was not guaranteed. Staff will obtain three quotes for this event in the future.

The contract period is for one year with four optional one year renewals.

Alternatives:

Council may reject the award and direct staff.

Financial Considerations:

Funding is available in the current budget. Expenditures will not exceed funds appropriated and funds will be committed at the issuance of a purchase order.

 Re: Ousley Park Master Plan

Action Requested:

Consider and act to authorize an agreement for engineering services with Freese and Nichols for master planning services of Ousley Park in an amount not to exceed \$74,508.00. (Berry)

Background Information:

Staff is requesting authorization to contract with Freese and Nichols to prepare a master Plan for Ousley Park. Services include project management, data gathering, mapping and program development, public engagement, master plan concept development, and the final master plan report. The agreement including the fee schedule and timeline are attached.

The timeline is five months.

The City maintains an executed Master Services Agreement (MSA) with the engineering firm for on-call engineering services.

Alternatives:

Council may reject the authorization and direct staff.

EXHIBIT A – SCOPE OF WORK
OUSLEY PARK MASTER PLAN
 Celina, TX
 January 26, 2022

I. PROJECT DESCRIPTION

OVERVIEW

Consultant will perform professional design services for the City of Celina (“City”) for preparing a Master Plan for Ousley Park for the area shown on “Exhibit C Project Limits Map” The intent of the Master Plan will be to prepare a conceptual plan addressing potential improvement for the park. It will be a tool that City officials can use to plan and guide the future development of recreational amenities and infrastructure of the site.

The master planning scope of work and program for the park improvements will be based on the initial meeting with the City. This scope of services does not address schematic design, design development, or construction documents related to the development of any new park improvements.

WORK TO BE PERFORMED

- Task 1. Project Management
- Task 2. Data Gathering, Base Mapping and Program Development
- Task 3. Public Engagement
- Task 4. Master Plan Concept Development
- Task 5. Final Master Plan Report

II. SCOPE OF SERVICES

TASK 1. PROJECT MANAGEMENT

FNI will manage the work outlined in this scope for efficient and effective use of FNI and the City’s time and resources. FNI will manage change, communication, coordinate internally and externally as needed, and address issues with the City’s Project Manager and others as necessary to make progress on the work.

- A. FNI will conduct a project kickoff meeting with the City to confirm and clarify scope, understand City objectives, set communication protocol, establish frequency of status meetings, and review various administrative requirements.
- B. FNI will coordinate internally, track the progress of the project, and submit monthly status updates via e-mail. Items in the monthly updates may include project updates, upcoming activities, project schedule, upcoming deliverables, and outstanding issues or information requirements.
- C. Prepare a Project schedule and provide monthly updates including necessary revisions to bring the Project back on schedule if needed. The project schedule will not be resource loaded.

- D. Conceptual Design Meeting – Meeting to discuss general design concepts. FNI to provide figure outlining improvement extents, design details for City review and agreeance of design approach. FNI to provide agenda and minutes.
- E. Conduct bi-weekly (Up to 8) virtual coordination meetings with the City during the duration of the project.

TASK 2. DATA GATHERING, BASE MAPPING AND PROGRAM DEVELOPMENT

- A. FNI will conduct a walk-through of the site and general area with the City to visually evaluate the existing site features, both on-site and off-site.
- B. The City will provide FNI a digital base map in Autocad including all readily available information required to perform this Scope of Services for on-site and off-site conditions including, but not limited to: necessary CAD files, GIS files, etc.; existing boundaries; site contours/topography; above and below ground utilities; easements; property lines; right-of-ways, subdivision layouts, roadways, vegetation, soils/geotechnical information and drainage/hydrology information for the project site. Should any additional site survey information be necessary, the City will be provide this to FNI.
- C. Based upon the information provided by the City, FNI will summarize and prepare an existing condition base map(s) for use in the development of a Conceptual Master Plan.
- D. Based upon the site review documentation, FNI will prepare a Site Analysis exhibit that identifies the potential opportunities and constraints of the existing park site.
- E. FNI will attend one (1) meeting with the City staff to review the site analysis exhibit and to discuss the park development program and specifically define the City's goals for the master plan development.

Task 2 Deliverables:

- Existing Conditions Base Maps
- Preliminary Park Development Program Memo
- Site Analysis/Opportunities Constraints Exhibit

TASK 3. PUBLIC ENGAGEMENT

Effective public involvement is the centerpiece of a successful planning process. It is equally important for City leadership to be engaged and informed during the planning process. FNI will work with the City to develop a series of public meetings so the voice of the community and City leadership can drive recommendations and outcomes of the proposed project.

- A. Public Input Meetings
 - Conduct a series of public input meetings. These meetings will be geared towards the general public and it will have a maximum duration of two (2) hours. It is

assumed that these meetings will be held in person at a location provided by the City. The City will be responsible for advertising and meeting logistics, including room set-up, registration table, and audio/video system requirements.

- FNI will facilitate a public input meeting (Public Mtg #1) to obtain comments from citizens regarding community preferences, needs and desires. During this meeting, FNI team members will confirm the project development goals, program, for incorporation into the plan.
- FNI will facilitate a second (Public Mtg #2) public meeting to present the Preliminary Design Concept Plan and obtain any final comments from citizens regarding the plan and incorporate these into a final consensus plan.
- FNI will prepare meeting materials, including a Powerpoint presentations and handouts. FNI will submit a draft of the Powerpoint presentations for City review one (1) week prior to meeting date. Final presentations, with all City comments addressed, will be submitted to the City one (1) day prior to meeting date. FNI personnel will lead the project presentation and the Questions & Answers session.
- FNI will prepare a summary of public input no later than two (2) weeks after the meeting.

B. Parks Board Meeting

- Conduct one (1) Parks Board meeting. This meeting will have a maximum duration of one (1) hour. It is assumed that this meeting will be held in person at a City facility. The City will be responsible for advertising and meeting logistics.
- FNI will present a final Illustrative Plan which will represent a consensus plan and obtain approval by the Park Board.
- FNI will prepare meeting materials, including a PowerPoint presentation and handouts. FNI will submit a draft PowerPoint presentation for City review one (1) week prior to meeting date. Final presentation, with all City comments addressed, will be submitted to the City one (1) day prior to meeting date. FNI personnel will lead the project presentation and the Questions & Answers session.
- FNI will provide meeting minutes no later than one (1) week after the meeting.

C. City Council Meeting

- Conduct one (1) City Council meeting. It is assumed that this meeting will be held in person at a City facility. The City will be responsible for advertising and meeting logistics.
- FNI will review and present the Conceptual Design Package to obtain approval of the concept plans. Any minor revisions required as a result of this meeting will be incorporated into one (1) final plan. Any major revisions to the plan will be evaluated with City staff and provided as an additional service.

- FNI will prepare meeting materials, including a 15-minute PowerPoint presentation and handouts. FNI will submit a draft PowerPoint presentation for City review one (1) week prior to meeting date. Final presentation, with all City comments addressed, will be submitted to the City one (1) day prior to meeting date. FNI personnel will lead the project presentation and the Questions & Answers session.
- FNI will provide meeting minutes no later than one (1) week after the meeting.

TASK 4. MASTER PLAN CONCEPT DEVELOPMENT

- A. Based on the City approved vision, goals and program, and public input, FNI will prepare one (1) Preliminary Design Concept Plan for the proposed park improvements, and Three (3) Artist Renderings at selected locations. This concept plan will be prepared and provided to the City full size and to a measurable scale.
- B. FNI will prepare a Preliminary Opinion of Probable Construction cost to accompany the Preliminary Design Concept Plan.
- C. FNI will attend one (1) meeting with City representatives to review and discuss the preliminary design concept plan. During this meeting, a consensus for the master plan will be agreed upon which satisfies the program goals of the City.

Task 4 Deliverables:

- Preliminary Design Concept Plan
- Final Park Development Program Memo
- Park Themes and Materials Board
- Three (3) 3d Artist Renderings

TASK 5. FINAL MASTER PLAN REPORT

- A. FNI will make any necessary changes to the Preliminary Design Concept Plan resulting from the public meeting and as directed by the City.
- B. Based upon the approved Preliminary Design Concept Plan, FNI will prepare a Preliminary Opinion of Probable Costs for the proposed improvements.
- C. FNI will prepare a draft Master Plan Design Report (10 pages max) which will include a design summary, related images and phasing plan section. Previous task deliverables will be included in the report along with a final color illustrative plan for the City to use in public presentations and as a guide for the future development of the project.
- D. FNI will attend one (1) meeting with City representatives to review and discuss the draft master plan. During this meeting, a consensus for the master plan will be agreed upon which satisfies the program goals of the City.
- E. FNI will prepare a final Master Plan Design Report to reflect revisions requested and discussed in the previous design coordination meeting.

Task 5 Deliverables:

- Draft Master Plan Report
- Final Master Plan Report
- Preliminary Opinion of Probable Costs

III. ASSUMPTIONS

1. The City will provide, as expeditiously as possible, all existing data and base information currently in its possession and as necessary to complete the scope of services described herein. This scope of services does not include any site topographic survey work or boundary work for the project area. The City will provide any additional information that is necessary. All information provided by the City is assumed to be accurate and complete, unless otherwise indicated by the City. Any information required to complete this scope of services that cannot be readily provided by the City will remain the responsibility of the City.
2. This scope of services does not include any hydraulic or hydrology engineering modeling or design services including detailed hydrologic or hydraulic calculations, alternatives analysis to improve drainage conditions, design of stormwater improvements or FEMA map revisions including LOMR or CLOMR.
3. This scope of services does not include any environmental engineering services including delineation of waters of the U.S., mapping of waters of the U.S., Section 404 permitting evaluation memorandum, Section 404 permit application, or consultation with the USACE or any water agency permitting or regulatory coordination with such agencies as the U.S. Army Corps of Engineers, FEMA, TCEQ, or others.
4. This scope of services does not include any services for traffic studies or transportation engineering/planning services.
5. This scope of services does not include any mass grading plans or studies.
6. FNI will attend the meetings and/or presentations as described within this scope of services. Any additional meetings and revisions required with project stakeholders, can be can provided as additional services. Additional meetings, workshops, public hearings, stakeholder meetings, focus groups, or presentations requested by the City will be considered as additional services as authorized by the City.
7. This scope of services does not include any schematic design, design development, construction documents, specifications or bid documents.

IV. ADDITIONAL SERVICES

- A. Additional services not included in this Scope of Services will be negotiated with the City as necessary. Compensation will be based upon either a mutually agreed lump sum fee or an hourly basis. Items which would be considered Additional Services include those listed in the Assumptions, as noted above, plus any other items beyond this scope of services. Additional Services must receive written authorization from the City before being performed.

V. BASIS OF COMPENSATION

The cost for performing these services set forth herein will be as follows:

Planning/Design Services

Task 1 – Project Management (Lump Sum)	\$9,132.00
Task 2 – Data gathering, base mapping and program development (Lump Sum)	\$9,064.00
Task 3 – Public Engagement (Lump Sum)	\$14,624.00
Task 4 – Master Plan Concept Development (Lump Sum)	\$22,266.00
Task 5 – Final Masterplan Report (Lump Sum)	\$18,372.00
Total – Design Services.....	\$73,458.00
 Reimbursable Expenses (Not-to-Exceed)	 \$1,050.00
GRAND TOTAL – Planning/Design Services, and	
Reimbursable Fee (Lump Sum, Not-to-Exceed).....	\$74,508.00

VI. PROJECT SCHEDULE

All work described above will be performed over a duration of a **(5) Five Month** period. All work will commence after notice to proceed is provided by the city.

Life Connected.

Memorandum

To: **Honorable Mayor Terry and the Celina City Council**
From: Dawn Berry, Purchasing Director
CC: Andy Glasgow, Director of Engineering
Date: February 14, 2023
Re: Ousley Park Design Services

Action Requested:

Consider and act to authorize an agreement for engineering services with Freese and Nichols for the design of Ousley Park stream restoration and trail design in an amount not to exceed \$1,156,871.00. (Berry)

Background Information:

Service includes the design of the Ousley Park. The park extends from Preston Road to Oklahoma Drive along the Doe Branch Creek. The park will be completed in phases with the first phase to include stabilization of the creek and the design of a twelve-foot trail along the creek. The work authorization includes the fee schedule and timeline.

The City maintains an executed Master Services Agreement (MSA) with the engineering firm for on-call engineering services.

Alternatives:

Council may reject the authorization and direct staff.

Financial Considerations:

Funding is available through bonds funds. Expenditures will not exceed funds appropriated and funds will be committed at the issuance of a purchase order.

Attachment: Work Authorization (Ousley Park Master Plan Design Services P16)

Exhibit “A”

Scope of Services for Ousley Park Stream and Trail Final Design Plans and Specifications

The scope set forth herein defines the work to be performed by the Engineer, Freese and Nichols, Inc. (FNI), in completing the project. Both the CLIENT and FNI have attempted to clearly define the work to be performed and address the needs of the Project. Under this scope, “FNI” is expanded to include any sub-consultant, including surveyor, employed or contracted by Freese and Nichols, Inc.

GENERAL OVERVIEW

Freese and Nichols, Inc., (FNI) has been requested by the City of Celina (City) to produce construction documents for restoration of Doe Branch from the upstream limits at Preston Road (Hwy. 289) to the downstream limits at Oklahoma Drive, approximately 2,700 linear feet of stream. Park improvements will be limited to area within the trail corridor (and tennis courts). Design and permitting will be based on Traditions Trail preliminary conceptual work performed by FNI and previous discussion with the USACE on 7/12/2022. In addition to construction documents for the stream, design of the linear trail system adjacent to the stream, retaining wall design, bridge design, and park elements within the trail limits will be provided as part of this scope.

The City will be responsible for providing a Construction Manager at Risk (CMAR) for the project design and construction phase services. The Final Design Engineer will coordinate and cooperate with the City and CMAR to deliver a complete project.

Below is a description of the scope requirements including construction documents, topographic survey services, hydraulic modeling, environmental permitting, and construction phase services development.

WORK TO BE PERFORMED

- Task 1. Data Collection/Site Visit/Design Report
- Task 2. Preliminary Design – 60%
- Task 3. Final Design – 90% / Construction Documents – 100%
- Task 4. Procurement and Bid Phase Services
- Task 5. Construction Phase Services
- Task 6. Trail Detailing
- Task 7. Drainage Analysis
- Task 8. Survey Services
- Task 9. Section 404 Permitting
- Task 10. Bridge Design and Detailing
- Task 11. Geotechnical Design
- Task 12. Staff Training
- Task 13. Additional Coordination
- Task 14. Trail Lighting Plan

DESIGN MANAGEMENT AND MEETINGS

FNI will manage the work outlined in this scope to ensure efficient and effective use of FNI and the City's time and resources. FNI will manage change, communicate effectively, coordinate internally and externally as needed, and proactively address issues with the City's Project Manager and others as necessary to make progress on the work.

Managing the Team

- Lead, manage, and direct the design team activities.
- Ensure quality control is practiced in performance of the work.

- Communicate internally among team members.
- Task and allocate team resources.

Communications and Reporting

- FNI will coordinate internally, track the progress of the project, and submit monthly status updates via e-mail. Items in the monthly updates may include project updates, upcoming activities, project schedule, upcoming deliverables, and outstanding issues or information requirements.
- FNI will conduct a project kickoff meeting with the City to confirm and clarify scope, understand City objectives, set communication protocol, establish frequency of status meetings, and review various administrative requirements.
- FNI will attend one (1) scheduling workshop with the City and CMAR.
- CMAR Pre-Construction Phase Meetings – It is anticipated that the selected CMAR will hold meetings with the FNI designers. FNI will attend up to six (6) meetings with the CMAR to coordinate efforts.
- FNI will conduct half hour monthly update meetings virtually with the City.
- Interval Design Meetings – Meetings to review and clarify design approach. FNI to provide agenda, correspondence, figures, design details, or other meeting materials as needed to effectively achieve meeting goals. It is assumed the CMAR will be present at all meetings. Anticipated meetings are listed below:
 - Preliminary Design Meeting – Interim meeting intended to show survey, utilities, design extents and direction prior to first submittal.
 - 60% Preliminary Design Meeting
 - 90% Final Design Meeting
 - As needed two (2) additional meetings to discuss various aspects of the project.
- Up to five (5) design milestone follow-up meetings will take place after interval design meetings and will include the City and CMAR to discuss resulting cost, schedule, and construction management plan changes
- Provide and maintain project schedule with updates as needed and ensure scope is on task (send in monthly status updates). Overall FNI will be required to coordinate and communicate with the City and CMAR staffs to deliver a successful project. To support program controls and reporting FNI will be required to develop a detailed design schedule for the project and submit this schedule to the City. This schedule will be provided in Microsoft Project format. Resource loading is not necessary. This schedule will be updated monthly. Once the CMAR constructs the overall project delivery schedule, FNI will be required to participate in that process so there is a single delivery schedule provided to the City. In addition, monthly status reporting will be required.
- Bi-weekly virtual 1 hour design meetings with full project team (includes CMAR and City). FNI to provide meeting minutes at the conclusion of each meeting.
- FNI will also attend one (1) Final Guaranteed Maximum Price review meeting with the City and CMAR.

ASSUMPTIONS

- FNI assumes project duration of fourteen (14) months from notice to proceed.
- Monthly 30-minutes progress meetings with the client are anticipated.

- Bi-weekly design meetings with full project team.
- A total of thirteen (13) meetings are assumed with the City and eighteen (18) CMAR meetings are anticipated, excluding monthly update and bi-weekly design meetings. For meetings with the City minutes to be provided by FNI with one round of comments from the City.

DELIVERABLES

- A. FNI will submit meeting summaries with action items.
- B. FNI to provide monthly progress reports.
- C. FNI will provide a baseline project design schedule and updates as needed.

TASK 1. DATA COLLECTION/SITE VISIT/DESIGN REPORT

- 1.1 Data Collection - FNI to review site information and coordinate with the City to obtain the most current and appropriate data for the site as needed. FNI to review all available existing data provided including:
 - Any available utility as-built data.
 - Any current or proposed design projects adjacent to the project area including roadways, residential, and commercial developments.
- 1.2 Site Visit - FNI project team will perform a site visit to familiarize the design team with the site, observe and measure the existing conditions of the stream, and note improvement locations. Site visit will also be used to verify topographic survey.

CMAR Site Visit – Up to six (6) site visits with the full design team are anticipated to review site and construction risks during the design phase of the project.

- 1.3 Design Report – FNI will create a design report to supplement design assumptions not specifically addressed in the plan and specification documents. Report to include:
 - Geomorphological design parameters used to inform design
 - Sediment transport discussion
 - Geotechnical design data

Design Report will be utilized in supporting project approval by the USACE as a part of Task 8.

TASK 2. PRELIMINARY DESIGN (60 PERCENT)

FNI will develop the 60% Design Documents, including a draft construction plan set, technical specifications outline, and an opinion of probable cost. Draft construction plans and specifications shall be submitted to the City per the approved Project Schedule.

- 2.1 FNI will prepare final design plans that include the following sheets:
 - Cover Sheet
 - General Notes
 - Overall Project Layout
 - Horizontal Control
 - Existing Tree Inventory
 - Hydraulic Calculations
 - Doe Branch Plan and Profiles with Rough Grading
 - Stream Details
 - Project Cross Sections

- Planting Plan
- Retaining Wall Plan and Profile
- Trail System Plan and Profile
- Utility Line Crossing Plan and Profile
- Bridge Layout for each pedestrian bridge and low water crossing
- General Details (as needed)

ASSUMPTIONS

- Draft plan sheet will be formatted for 22" x 34" sheets. FNI will also provide a half-scaled 11" x 17" pdf.
- Plan set will be setup using FNI CAD standards with FNI title block.
- Review of proposed development adjacent to the project, or re-design as a result of proposed development is not included in this scope and will be considered an additional service.
- Assumed utility relocation of water and sewer line near the intersection of E Oak St and S Arkansas St are required. Franchise utility coordination to move overhead electrical near Oak Street is anticipated.
- Bridge detail sheets including abutment details, foundation details, quantities, and specifications for the pedestrian bridges and span details, rail details, abutment details, foundation details, quantities, and specifications for the low water crossings.
- Retaining wall design to be approximately 300 LF located along the right and left bank of Doe Branch adjacent to the existing football stadium.
- Design one (1) utility crossing approximately 400 LF downstream of Preston Road.
- When applicable, proposed work items will refer to City of Celina, NCTCOG, or TxDOT Standard Specifications. FNI will provide an outline of additional Special Technical Specifications and/or notes to address other work items not covered.
- Assumes two (2) week review period for the City.
- Assumes two (2) week review period for CMAR to review constructability and biddability.
- This scope includes addressing one (1) round of comments (from City and CMAR) to the 60% Design Documents and such comments, if any, will be incorporated into the 90% Design Documents.
- FNI to provide responses to comments for City review. Additional and/or later revisions to the 60% Design Documents may require additional effort and are not covered by this scope.
- CAD files will not be submitted as part of the 60% Design.
- No franchise utility improvements are required for this project.

DELIVERABLES

- A. Preliminary Design (60%) containing: plan set, opinion of probable construction cost (OPCC), and technical specifications outline will be provided digitally.

TASK 3. FINAL DESIGN (90 PERCENT) / CONSTRUCTION DOCUMENTS (100 PERCENT).

FNI will incorporate comments from Task 3 to develop the 90% Final Documents, including a final construction plan set, technical specifications, and an opinion of probable cost for review by the City and CMAR. Final construction plans and specifications shall be submitted to the City per the approved Project Schedule.

Comments received from the City on the Final Design 90% submittal will be incorporated into a Construction Document (100%) submittal used for bidding and construction. Each plan sheet shall be stamped, dated, and signed by the ENGINEER registered in the State of Texas.

ASSUMPTIONS

- All assumptions from Task 3 apply to Task 4.
- Assumes two (2) week review time for the City.
- Assumes two (2) week review period for CMAR to review constructability.
- This scope includes addressing one (1) round of comments (from City and CMAR) to the 90% Design Documents and such comments, if any, will be incorporated into the 100% Construction Design Documents. Additional rounds of comments or significant design changes due to City preference will be considered additional services.
- No meeting is assumed after submittal of the 100% Construction Documents.

DELIVERABLES

- A. Final Design (90%) containing: plan set, opinion of probable construction cost (OPCC), and technical specifications will be provided digitally.
- B. 100% construction plans and specifications containing: four (4) copies of full size (22"x34") plans, four (4) copies of the construction estimate of probable construction cost, four (4) copies of technical specifications, and a PDF copy of each of the above items. .DWG CAD files will be provided for all sheets.

TASK 4. PROCUREMENT AND BID PHASE SERVICES

CMAR Selection

Assist City in selection of CMAR. FNI will assist the procurement team in an advisory capacity during the solicitation and procurement phase of the CMAR selection. Anticipated assistance includes review of CMAR submittals and provide input, attend one meeting with Owner and advise selection committee, and contractor outreach as needed.

Procurement Packages

The CMAR will develop several work and material procurement packages to execute the project. It is anticipated there will be a maximum of eight packages. The final design consultant will be required to provide plans and specifications as well as general input for the development of these packages. These packages are anticipated to be:

- Trail System/Park Features Procurement Package
- Light System Procurement Package
- Rock Material Procurement Package
- Pedestrian Bridge Procurement Package
- Retaining Wall Procurement Package

Vegetation Procurement Package

Earthwork Procurement Package

Art Procurement Package

Bid Phase Support

1. Attend one pre-bid meeting
2. Assist the City and CMAR on selection of subcontractors. FNI will assist by reviewing proposals, qualifications, etc. provided by the CMAR and will provide feedback on most qualified or best value subconsultant to be selected.
3. Provide a copy of the notice to bidders for Owner to use in notifying construction news publications and publishing appropriate legal notice. The cost for publications shall be paid by Owner.
4. Submit electronic copies of plans, specifications and bidding documents for City's web-based procurement system.
5. Assist Owner by responding to questions and interpreting bid documents. Prepare and issue addenda to the bid documents if necessary.

TASK 5. CONSTRUCTION PHASE SERVICES

Upon completion of the bid or negotiation phase services, FNI will proceed with the performance of construction phase services as described below. FNI will endeavor to protect Owner in providing these services however, it is understood that FNI does not guarantee the Contractor's performance, nor is FNI responsible for supervision of the Contractor's operation and employees. FNI shall not be responsible for the means, methods, techniques, sequences, or procedures of construction selected by the Contractor, or any safety precautions and programs relating in any way to the condition of the premises, the work of the Contractor or any Subcontractor. FNI shall not be responsible for the acts or omissions of any person (except its own employees or agents) at the Project site or otherwise performing any of the work of the Project.

These services are based on the use of FNI standard General Conditions for construction projects. Modifications to these services required by use of other general conditions or contract administration procedures are an additional service. If General Conditions other than FNI's standards are used, the Owner agrees to include provisions in the Construction Contract Documents that require the CMAR to include FNI: (1) as an additional insured and in any waiver of subrogation rights with respect to such liability insurance purchased and maintained by CMAR for the Project (except workers' compensation and professional liability policies); and (2) as an indemnified party in the indemnification provisions where the Owner is named as an indemnified party.

1. Bi-weekly virtual construction meetings with full project team (includes CMAR and Owner). FNI to provide meeting minutes at completion of each meeting.
2. Assist Owner in conducting pre-construction workshop with the Contractor(s), review construction schedules prepared by the Contractor(s) pursuant to the requirements of the construction contract and prepare a proposed estimate of monthly cash requirements of the Project from information provided by the Construction Contractor. Workshop is anticipated to be half day with contractor(s) and representatives to discuss proper placement of stream structures and construction techniques used in successful restoration projects. FNI to provide presentation and meeting materials.

3. Establish and maintain a project documentation system consistent with the requirements of the construction contract documents. Monitor the processing of contractor's submittals and provide for filing and retrieval of project documentation. Produce monthly reports indicating the status of all submittals in the review process. Review contractor's submittals, including, requests for information, modification requests, shop drawings, schedules, and other submittals in accordance with the requirements of the construction contract documents for the projects. Monitor the progress of the contractor in sending and processing submittals to see that documentation is being processed in accordance with schedules.
4. Make visits bi-weekly (up to a total of 40) appropriate to the stage of construction to the site (as distinguished from the continuous services of a Resident Project Representative) to observe the progress and the quality of work and to attempt to determine in general if the work is proceeding in accordance with the Construction Contract Documents. In this effort FNI will endeavor to protect the Owner against defects and deficiencies in the work of Contractors and will report any observed deficiencies to Owner. Site visits are with the contractor, City, and engineer to review stream structure function, planting progress, and structure. Site visits are anticipated to verify if the project is being constructed in general conformity with the design and is functioning properly. Visits to the site in excess of the specified number are an additional service. Documentation of observations from each site visit will be provided.
5. Notify the contractor of non-conforming work observed on site visits. Review quality related documents provided by the contractor such as test reports, equipment installation reports or other documentation required by the Construction contract documents.
6. Interpret the drawings and specifications for Owner and Contractor(s). Investigations, analyses, and studies requested by the Contractor(s) and approved by Owner, for substitutions of equipment and/or materials or deviations from the drawings and specifications is an additional service.
7. Establish procedures for administering constructive changes to the construction contracts. Process contract modifications and negotiate with the contractor on behalf of the Owner to determine the cost and time impacts of these changes. Prepare change order documentation for approved changes for execution by the Owner. Documentation of field orders, where cost to Owner is not impacted, will also be prepared. Investigations, analyses, studies or design for substitutions of equipment or materials, corrections of defective or deficient work of the contractor or other deviations from the construction contract documents requested by the contractor and approved by the Owner are an additional service. Substitutions of materials or equipment or design modifications requested by the Owner are an additional service.
8. Conduct, in company with Owner's representative, a final review of the Project for conformance with the design concept of the Project and general compliance with the Construction Contract Documents. Prepare a list of deficiencies to be corrected by the contractor before recommendation of final payment. Assist the Owner in obtaining legal releases, permits, warranties, spare parts, and keys from the contractor. Review and comment on the certificate of completion and the recommendation for final payment to the Contractor(s). Visiting the site to review completed work in excess of two trips are an additional service.
9. Revise the construction drawings in accordance with the information furnished by construction Contractor(s) reflecting changes in the Project made during construction. Two (2) sets of 11"x17" prints and one pdf set of "Record Drawings" shall be provided by FNI to Owner.

ASSUMPTIONS

- Assumed construction duration of 18 months.
- City shall provide full time construction representation.

DELIVERABLES

- A. Documentation, correspondence, meeting minutes, project management, or changes to construction documents as needed based on requested task.

TASK 6. TRAIL DETAILING

FNI Landscape Architects will provide project coordination with the stream improvements to align the trail to ensure project cohesiveness with the adjacent Ousley Park Planning and Development visioning.

During the 60% design phase, the landscape architecture design team will provide layout and detailing of:

- Site furnishings directly related to the trail development, two (2) park signage monuments, benches, and trash receptacles. Park design features not listed will be considered additional services.
- Decorative pavement finishes associated with the trail.
- Decorative masonry monuments and architectural finishes associated with the proposed pedestrian bridge abutments and approaches.
- Pavilion design including structural foundation and electrical drawings. Project coordination with pavilion vendors.

FNI will coordinate with the Public Arts and Cultural Resources Masterplan design team and the City's Art Council to incorporate public arts elements into the stream and trail projects. Coordination is expected to consist of up to two (2) meetings with Public Art team. FNI will not provide drawings or solicit artists for public art. During subsequent phases of design, technical specifications and detail drawing refinements will be provided for the items listed above for inclusion into the construction documents.

TASK 7. DRAINAGE ANALYSIS

FNI will update the existing and proposed HEC-RAS 2D model and report titled Traditions Trail Hydrologic and Hydraulic Study dated February 15, 2022. The existing conditions model will be updated with survey collected in Task 8, the extension of Sunset Blvd, and any other planned development inside the Doe Branch Trail Limits. The proposed conditions model will be updated with final design geometries. No hydrologic modeling is anticipated. Water surface profiles will be determined for storm events present in current hydrologic model. Comparison will be based on 2- and 100-year storm events for the existing and proposed condition.

- FNI will create an updated post-project conditions models. Roughness values for post-project models will be appropriate for the anticipated channel lining material per the design.
- FNI will provide a table summarizing the pre-project (existing condition) and post-project 2-, and 100-year water surface elevations and velocities shown in separate figures.
- FNI will develop maps that show the extent of the 100-year floodplain for comparison to existing conditions.

ASSUMPTIONS

- Stream restoration improvements will result in a no-rise condition as preliminary modeling has shown.
- Floodway modeling not included in this scope.
- The scope does not include revisions to the hydrology model. Flows from Effective model will be used in the post-project conditions.
- No CLOMR or LOMR development or submissions are included in this proposal.
- Two (2) rounds of review by the City floodplain staff are anticipated. Draft Drainage Analysis will be provided during Preliminary Design (60%) Submittal and Final Design (90%) Submittal.
- No additional meetings anticipated with City floodplain staff.
- Final Drainage Analysis will be provided during the Construction Phase (100%) Submittal.

DELIVERABLES

- Submit Draft and Final Drainage Analysis Technical Memorandum and floodplain permit documenting a no-rise condition digitally. HEC-RAS model to be provided with each submittal. Final submittal to include a geodatabase of data used in the analysis.

TASK 8. SURVEY SERVICES

ENGINEER will provide survey support as follows.

8.1 Design Survey

- ENGINEER will perform field surveys to collect horizontal and vertical elevations and other information needed by ENGINEER in design and preparation of plans for the project. Information gathered during the survey shall include topographic data, utilities based on CITY records and observable surface features (it is assumed that SUE B will be necessary), boundary survey, structures, trees 6" and larger (DBH), and other features relevant to the final plan sheets.
- The minimum survey information to be provided on the plans shall include the following:
 - A Project Control Sheet, showing **ALL** Control Points, used or set while gathering data. In general, on a scale of no less than 1:400:
 - The following information about each Control Point shall be included;
 - Identified (Existing. CITY Monument #8901, PK Nail, 5/8" Iron Rod)
 - X, Y and Z Coordinates, in an identified coordinate system, and a referred bearing base. Z coordinate on CITY Datum only.
 - Descriptive Location (Ex. Set in the centerline of the inlet in the South curb line of North Side Drive at the East end of radius at the Southeast corner of North Side Drive and North Main Street).

8.2 Subsurface Utility Engineering

Provide a Subsurface Utility Engineering (SUE) Quality Level B as described below. The SUE shall be performed in accordance with CI/ASCE 38-02.

Quality Level D

- Conduct appropriate investigations (e.g., owner records, County/CITY records, personal interviews, visual inspections, etc.), to help identify utility owners that may have facilities within the project limits or that may be affected by the project.
- Collect applicable records (e.g., utility owner base maps, “as built” or record drawings, permit records, field notes, geographic information system data, oral histories, etc.) on the existence and approximate location of existing involved utilities.
- Review records for: evidence or indication of additional available records; duplicate or conflicting information; need for clarification.
- Develop SUE plan sheets and transfer information on all involved utilities to appropriate design plan sheets, electronic files, and/or other documents as required. Exercise professional judgment to resolve conflicting information. For information depicted, indicate: utility type and ownership; date of depiction; quality level(s); end points of any utility data; line status (e.g., active, abandoned, out of service); line size and condition; number of jointly buried cables; and encasement.

Quality Level C (includes tasks as described for Quality Level D)

- Identify surface features, from project topographic data and from field observations, that are surface appurtenances of subsurface utilities.
- Include survey and correlation of aerial or ground-mounted utility facilities in Quality Level C tasks.
- Survey surface features of subsurface utility facilities or systems.
- The survey shall also include (in addition to subsurface utility features visible at the ground surface): determination of invert elevations of any manholes and vaults; sketches showing interior dimensions and line connections of such manholes and vaults; any surface markings denoting subsurface utilities, furnished by utility owners for design purposes.
- Exercise professional judgment to correlate data from different sources, and to resolve conflicting information.
- Update (or prepare) plan sheets, electronic files, and/or other documents to reflect the integration of Quality Level D and Quality Level C information.
- Recommend follow-up investigations (e.g., additional surveys, consultation with utility owners, etc.) as may be needed to further resolve discrepancies.
- Provide Quality Level C to identify overhead utilities on the project and provide the overhead utility information on the SUE plan sheets.

Level B (includes tasks as described for Quality Level C)

- Select and apply appropriate surface geophysical method(s) to search for and detect subsurface utilities within the project limits, and/or to trace a particular utility line or system.
- Based on an interpretation of data, mark the indications of utilities on the ground surface for subsequent survey. Utilize paint or other method acceptable for marking of lines.
- Unless otherwise directed, mark centerline of single-conduit lines, and outside edges of multi-conduit systems.
- Resolve differences between designated utilities and utility records and surveyed appurtenances.
- Recommend additional measures to resolve differences if they still exist. Recommendations may include additional or different surface geophysical methods, exploratory excavation, or upgrade to Quality Level A data.
- As an alternative to the physical marking of lines, the ENGINEER may, with CITY’s approval, utilize other means of data collection, storage, retrieval, and reduction, that enables the correlation of surface geophysical data to the project’s survey control.

Level A (includes tasks as described for Quality Level B)

- Expose and locate utilities at specific locations.

- Tie horizontal and vertical location of utility to survey control.
- Provide utility size and configuration.
- Provide paving thickness and type, where applicable.
- Provide general soil type and site conditions and such other pertinent information as is reasonably ascertainable from each test hole site.

8.3 Temporary Right of Entry Preparation and Submittal

- City to Provide ROE to the property.

ASSUMPTIONS

- One (1) Level A SUE will be provided for the project. Any additional utility potholing for the project will be an additional cost.
- No ROW or Easement acquisition services are included.

TASK 9. Section 404 Permitting

Based on our site visit with the USACE on July 12, 2022, NWP 27 would be the preferred permitting approach; therefore, FNI assumes that the proposed Doe Branch stream restoration activities can be designed to meet the terms and conditions of NWP 27, Aquatic Habitat Restoration, Enhancement, and Establishment Activities, and that all other improvements would be located outside of waters of the U.S.

1. Gather and Review Existing Information

FNI will review existing project information such as the Bobcat Trail Feasibility Study, Geomorphology Report, OHWM delineation, and upload the design files to the GPS unit in preparation for the Texas Rapid Assessment Method (TXRAM) conditional assessment.

2. Conduct TXRAM Conditional Assessment

FNI environmental scientists will conduct a conditional assessment of Doe Branch within the project area following the USACE's TXRAM methodology. FNI will process the TXRAM field data and complete the required TXRAM data sheets to obtain the pre and post construction TXRAM scores for inclusion in the TXRAM tech memo.

3. Prepare TXRAM Tech Memo

FNI will prepare a technical memorandum which summarizes the results of the TXRAM assessment, which will include the data sheets, scoring sheets, and TXRAM 2.0 spreadsheet.

4. Delineation Report

FNI will prepare a Delineation Report in accordance with USACE guidance to document the delineated features for USACE concurrence. The Delineation Report will include the required data forms and maps.

5. Prepare Pre-Construction Notification (PCN)

FNI will prepare the Pre-Construction Notification (PCN) in accordance with requirements of NWP General Condition 32. Based on the July 12, 2022, site visit with the USACE, the proposed stream restoration activities will likely be authorized by NWP 27.

The draft PCN will be prepared for the City's review and comment and will include the Delineation Report, NWP 27 PCN form, TXRAM technical memo, 90% design plans, and the required supporting documentation and engineering drawings depicting the proposed stream restoration activities. The final

PCN will be prepared by incorporating the City's comments and will then be submitted to the USACE Fort Worth District. This task will be completed after the 90% design is approved by the City.

FNI will address up to two rounds of USACE comments/requests for additional information or clarification. Additional requests by the USACE for site visits, preparation of a compensatory mitigation plan, consultation with other resource agencies, or excessive requests for additional information resulting in expenditures beyond FNI's project budget will be considered additional services.

6. Cultural Resources Coordination

Projects sponsored by public entities that affect a cumulative area greater than five acres or that disturbs an area more than 5,000 cubic yards require advance consultation with the Texas Historical Commission (THC) according to Section 191.0525 (d) of the Antiquities Code of Texas. Also, all Section 404 permits require compliance with Section 106 of the National Historic Preservation Act (NHPA). As such, FNI will conduct a desktop review of the project area and prepare a draft coordination letter including maps and a project description for the City's review and then submit the revised letter to the THC requesting their review. FNI will also coordinate with the USACE's archeologist regarding Section 106 of the NHPA and incorporate THC and USACE's response into the PCN. If the THC or USACE request a cultural resources survey, then this would be an additional service.

7. Project Team Coordination

FNI environmental scientists will coordinate with the project team (design team and City) on the findings of the TXRAM conditional assessment, assist with permit drawings, and provide environmental permitting input into the design. FNI will also coordinate the 60% and 90% design submittals and design review meetings with the USACE.

DELIVERABLES

- A. Delineation Report
- B. TXRAM Tech Memo
- C. NWP 27 PCN

TASK 10. Bridge Design and Detailing

Two (2) pedestrian bridges and two (2) low water crossings will be designed in the upper section of the project. The pedestrian bridges are to be prefabricated steel trusses of approximately 100 ft single spans with detailed design and plan production of the superstructure by the fabricator's engineer. Images of bridge three options will be provided to the City. The pedestrian bridges will be supported on reinforced concrete abutments on foundations with type per the geotechnical engineer's recommendations. Detailed design and plan production of all substructure elements will be by FNI. The low water crossings will be concrete single-span units of maximum 50 ft span length with standard pedestrian handrails on reinforced concrete abutments on foundations with type per the geotechnical engineer's recommendations. Detailed design and plan production of all structural elements of the low water crossings will be by FNI.

TASK 11. Geotechnical Design

This document provides details for the recommended geotechnical scope of work for the proposed Traditions Trail Channel Stabilization for the City of Celina.

The geotechnical scope includes geotechnical exploration activities and associated design services for approximately 3,000 linear feet of proposed channel improvements along Doe Branch in the City of Celina. Specific channel improvements will include a modular block wall along the south side of the high

school football field just west of Preston Road and an additional wall on the opposite bank, about 500 feet of channel realignment near the intersection of Oak Street and S. Arkansas Drive and bridge/culvert replacements. The geotechnical exploration will include geotechnical drilling and sampling, laboratory testing, geotechnical engineering analysis, and reporting. The purpose of the exploration will be to provide anticipated subsurface conditions and geotechnical design parameters for the channel stabilization.

FIELD EXPLORATION

1. Exploration activities will include geotechnical drilling and sampling with a truck mounted drilling rig at the following locations:
 - a. Six 30-foot deep borings along the channel improvements, including at the channel bank just south of the football field and the opposing bank, along the channel realignment and at various bridge/culvert crossings. No trees will be removed during drilling.
2. Select and mark 6 boring locations located as stated above. Notify Texas 811 and City personnel to request location and marking of existing underground utilities and traffic control prior to the field exploration. Acquire Right of Way Permits from the City.
3. Samples will be collected intermittently using hollow-stem augers and either split-spoon or tube samplers. Rock and rock-like materials will be cored and/or tested in situ using the TxDOT Cone Penetration (TCP) Test or the SPT, as appropriate for the material. At completion, the boreholes will be backfilled with cuttings.
4. Groundwater observations within the borings will be recorded at the time of drilling and at the completion of drilling and sampling.
5. Provide an Engineer or Geologist experienced in logging borings to direct the drilling, log the borings, and handle and transport the samples. Visual classification of the subsurface stratigraphy shall be provided per the Unified Soil Classification System (USCS). Engineer or Geologist will Observe outcroppings along the creek, creek bank materials, etc. to assist with the exploration.

LABORATORY TESTING

1. Testing shall be performed by a geotechnical testing subcontractor on samples obtained from the borings to determine soil classification of the subsurface materials.
2. The Engineer will select samples for laboratory testing, assign tests, and review the test results.
3. Laboratory tests will be appropriately assigned for the specific subsurface materials encountered during exploration, but are expected to include:
 - a. Atterberg Limits (liquid and plastic)
 - b. Moisture Content
 - c. Percent Passing the No. 200 Sieve
 - d. Sieve Analysis
 - e. Unconfined Compression Testing
 - f. UU Triaxial Testing

GEOTECHNICAL ENGINEERING ANALYSIS AND REPORTING

1. Prepare a Geotechnical Memorandum of the geotechnical exploration to include:
 - a. Appendix with the sample locations, sample/boring logs, laboratory test results, and a key to the symbols used.
 - b. Develop shear strength characterizations and geotechnical design parameters based on the boring and laboratory test data.
 - c. Evaluate and analyze representative channel cross section for the proposed bank stabilization design for the stretch of channel at the football field. The analyses will include slope stability, bearing capacity, expansive soil movement potential, and external stability checks.

- d. Summarize the analyses and conceptual design. The memorandum will include a summary of the subgrade conditions, soil properties and shear strength parameters, geotechnical design parameters, results and summaries of the analyses performed, and other general recommendations related to the design and analysis of the modular block wall and the bridges/culverts.
2. Develop up to three (3) detail sheets, including section views, details, and general notes for the bank stabilization for the 60%, 90%, and 100% design submittals.
3. Prepare technical specifications, as necessary, for the bank stabilization design for the 60%, 90%, and 100% design submittals.

TASK 12. Staff Training

FNI will conduct an erosion and maintenance workshop outlining best practices to monitor, maintain, and care for restoration project as they grow to maturity. Workshop is anticipated to be half day with city staff. City to provide facility location for training. Training shall be in accordance with project schedule. FNI to provide presentation and workshop materials.

FNI will create a standard operating procedure (SOP) specific to the restoration site outlining best practices to care for the vegetation and stream structures within the stream limits.

TASK 13. Additional Coordination

Additional meetings, at the request of the City, to meet with developers or City staff to discuss the proposed design, schedule, and other pertinent information.

TASK 14. Trail Lighting Plan

FNI will provide design services to perform design and layout for lighting along the trail system and pedestrian bridges. Lighting shall be designed according to IESNA recommended lighting level of approximately 1.0 FC average based on ANSI/IES RP-43-22, Table A-3. Design will include pole footing design.

Provisions to serve future expansion to Ousley Park such as master planning, conduit stub-outs, spare capacity, etc. will be considered with lighting design.

Layout plans, details, and technical specifications will be provided in each construction document milestone deliverable.

OWNER RESPONSIBILITIES

Scope outlined above assumes the City of Celina (Owner) will be responsible for the following:

- Monitoring – Owner shall be responsible for the monitoring of the project. Monitoring effort and duration will be directed by the USACE according to NWP 27, Aquatic Habitat Restoration, Enhancement, and Establishment Activities. Monitoring activities shall commence as directed by the USACE, typically after construction is complete.
- Construction Contract Administration – Construction inspection shall be the responsibility of the Owner including conducting meetings, managing RFIs, issuing Change Orders, recording Daily Reports, etc. Limited construction phase general representation services will be provided by Engineer as described in Task 5.
- Stream Restoration Establishment Period – Owner understands that stream restoration depends on vegetation which takes time following construction to be fully established. Limited spot erosion is normal for stream restoration projects and should be expected while vegetation becomes established. The City should budget for maintenance allowance to correct erosion areas and other maintenance items to meet USACE permitting requirements and provide stabilization.

- Contractor's Maintenance Period – The contractor shall be responsible to hold a maintenance bond consistent with the terms of the general conditions. The maintenance bond is to ensure vegetation establishment and stream stability is achieved. Maintenance bond is intended to restore the project to the contract documents. Upon completion of the contractor maintenance period, the Owner will be responsible for maintaining the site in accordance with the USACE permitting requirements until the monitoring period has been completed. USACE monitoring is expected to extend beyond the contractor maintenance period.

ADDITIONAL SERVICES NOT INCLUDED IN THE EXISTING SCOPE OF SERVICES

City of Celina and FNI agree that the following services are beyond the Scope of Services described in the tasks above. However, FNI can provide these services, if needed, upon the City's written request. Any additional amounts paid to FNI as a result of any material change to the Scope of the Project shall be agreed upon in writing by both parties before the services are performed. These additional services include the following:

- Post project monitoring based on USACE permitting requirements.
- Construction materials testing during the construction phase of this project is the responsibility of the CMAR.
- Negotiation of easements or property acquisition or revisions to existing easements.
- Environmental permitting and applications not explicitly stated in the environmental task of this scope are not included.
- Cultural Resources/Archaeological Survey.
- Preparation of a Clean Water Act Section 404 Individual Permit (IP) application.
- Federally Listed Threatened and Endangered Species Presence/Absence Survey.
- U.S. Fish and Wildlife Service Section 7 Consultation.
- Performance of materials testing or specialty testing services.
- Services to support, prepare, document, bring, defend, or assist in litigation undertaken or defended by the CITY.
- Performance of miscellaneous and supplemental services related to the project as requested by the CITY what are not explicitly stated in the scope.
- Stormwater Pollution Prevention Plan (SWPPP) permitting
- Evaluation of stability for existing walls or other infrastructure.
- Geotechnical exploration activities for additional structures outside the proposed scope.
- Additional geotechnical drilling and associated laboratory testing due to unexpected subsurface conditions found during the site exploration.
- Mobilization of a track mounted drill rig, related equipment, clearing, or exploration activities for additional structures.
- Landowner coordination or right-of-entry permission.
- FEMA coordination including CLOMR or LOMR

EXHIBIT B

ENGINEERING FEE SUMMARY:

FNI proposes to furnish services as described herein for a total fee of One Million One Hundred Fifty-Six Thousand Eight Hundred Seventy-One Dollars (\$1,156,871.00). If FNI sees the Scope of Services changing so that additional services are needed, FNI will notify the OWNER before proceeding.

Purchasing
City of Celina, Texas

Memorandum

To: **Honorable Mayor Terry and the Celina City Council**
 From: Dawn Berry, Purchasing Director
 CC: Kim Brawner, Assistant City Manager
 Date: February 14, 2023
 Re: RFQ 2023-005 CMAR Services for Beech Street Modular Buildings

Action Requested:

Consider and act to award RFQ 2023-005 for Construction Management services (CMAR) to AUI Partners for the Beech Street Modular Buildings . (Berry)

Background Information:

On November 30, 2022, the City received responses to bid 2023-005 for a Construction Manager at Risk for the Beech Street Modular buildings. The CMAR service includes preparing the site, connecting utilities, installing the new building and moving the existing building located behind the Annex and installing it on the Beech Street lot.

The bid invitation was advertised in the local paper and posted to the City's eProcurement system in which four hundred twenty-four vendors were notified. Two No-Bids and three responses were received.

The submittal's were reviewed by a committee. Procurement evaluated the financial aspects of the solicitation. The committee reviewed each firms experience and qualifications of the proposed team. Upon completion of the evaluation, staff unanimously recommended AUI Partners.

Staff is requesting authorization to contract with AUI Partners for pre-construction services. AUI will work with staff to manage and oversee the construction process for this project. Once the design is complete, staff will present the guaranteed maximum price (GMP) for Council consideration.

Alternatives:

Council may reject the award and direct staff.

Financial Considerations:

Funding is available in the current budget. Expenditures will not exceed funds appropriated and funds will be committed at the issuance of a purchase order.

CITY OF CELINA
CONSTRUCTION MANAGER AT RISK AGREEMENT

This Agreement is made by and between the **City of Celina, Texas**, a home rule municipality (Owner) and **AUI Partners, LLC** ("Contractor" or "Construction Manager"), to provide construction services to the City of Celina, Texas. This Agreement is effective on **February 14, 2023**, and unless earlier terminated pursuant to the provisions hereof, shall continue through the completion of performance of the Work specified hereunder.

WHEREAS, Owner desires to obtain professional construction and construction manager services from Contractor for RFQ 2023-005 CMAR Services for Beach Street Modular Buildings project ("Project"); and

WHEREAS, Contractor is a construction firm selected to provide such services, based upon Contractor's municipal experience, references, and qualifications, and is willing to undertake the performance of such services for Owner in exchange for payment and fees as hereinafter specified.

NOW, THEREFORE, in consideration of the covenants and agreements contained herein and in the Contract Documents, and subject to the terms and conditions hereinafter stated, Owner and Contractor do mutually agree as follows:

ARTICLE 1. CONTRACT DOCUMENTS AND ORDER OF PRECEDENCE

The term "Contract Documents" shall include and consist of the following documents:

1. This Agreement;
2. The Standard General Conditions of the Construction Contract, EJCDC C-700, 2018 ed.;
3. Supplementary Conditions to EJCDC C-700, Standard General Conditions of the Construction Contract;
4. Any Addenda adopted and agreed to by Owner and Contractor applicable to the Project;
5. The Specifications contained in the Project Manual adopted and agreed to by Owner and Contractor applicable to the Project;
6. The Drawings adopted and agreed to by Owner and Contractor applicable to the Project;
7. Other documents that form part of the Contract Documents:
 - a. Contractor's Qualification Statement;
 - b. Legal Advertisement;
 - c. Instruction to Bidders; and
 - d. Contractor's Response to solicitation 2023-005
8. Other amendments and/or modifications to the above documents as are agreed upon by Contractor and Owner.

These Contract Documents are incorporated by reference into this Agreement as if set out herein in their entirety. The Contract Documents are intended to be complementary; what is called for by one document shall be as binding as if called for by all Contract Documents. It is specifically provided, however, that in the event of any inconsistency in the Contract Documents, the inconsistency shall be resolved by giving precedence to the Contract Documents in the order in which they are listed above. In the case of inconsistency between the documents that is not resolved by the order in which they are listed above, the better quality or greater quantity of Work shall be provided in accordance with the Owner's interpretation. Should Drawings disagree in themselves or with Specifications and are not clarified by addendum, the better quality or greater amount of Work or materials shall be estimated upon and, unless otherwise

ordered by Architect in writing, shall be performed and furnished. Figures given on Drawings govern scale measurements, and large-scale details govern small scale drawings.

ARTICLE 2. EMPLOYMENT OF CONTRACTOR

A. Contractor will perform as an independent contractor all services under this Agreement to the prevailing professional standards consistent with the level of care and skill ordinarily exercised by members of the contractor/construction manager profession, both public and private, currently practicing in the North Texas area under similar conditions including, but not limited to, the exercise of reasonable, informed judgments and prompt, timely action. If Contractor is representing that it has special expertise in one or more areas to be utilized in this Agreement, then Contractor agrees to perform those special expertise services to the appropriate local, regional and national professional standards.

B. The Contractor's and Owner's representatives on the Project(s) are listed as follows:

Contact Name & Address

1. Contractor's Representative:

Contact:
Address:
Phone #:
Email:

2. Owner's Representative:

Kimberly Brawner
142 N. Ohio | Celina, TX 75009
972-382-2686 x 1081
Contracts@celina-tx.gov

Neither the Owner's nor the Contractor's representative shall be changed without ten (10) days' prior written notice to the other party. Additionally, the roles and responsibilities of the following individuals shall not be materially changed during the project duration, provided that their employment with the Contractor continues, and any such proposed change in the following personnel must have prior written approval by the Owner:

_____ Project Executive providing a minimum of ____ % time commitment to the Project(s).

_____ Project Manager providing a minimum of ____ % time commitment to the Project(s).

_____ Project Superintendent providing a minimum of ____ % time commitment to the Project(s).

ARTICLE 3. SCOPE OF SERVICES

Contractor shall perform such services as necessary for the Project including but not limited to the tasks enumerated in the Contract Documents.

ARTICLE 4. CONTRACTOR'S LIABILITY

A. Acceptance of the Work by Owner shall not constitute nor be deemed a release of the responsibility and liability of Contractor, its employees, associates, agents or subcontractors for the accuracy and competency of their performance of the Work; nor shall such acceptance be deemed an assumption of responsibility by Owner for any defect in the performance of the Work by said Contractor, its employees, associates, agents or subcontractors.

B. If at any time during the term of this Agreement, Contractor shall fail to perform the Work in accordance with the provisions of this Agreement, or fail to diligently provide construction manager at risk construction services as specified in the Contract Documents, in an efficient, timely and careful manner and in strict accordance with the provisions of this Agreement or fail to use an adequate number of quality or quality of personnel to complete the Work or fail to perform any of its obligations under this Agreement, then Owner shall have the right, if Contractor shall not cure any such default after thirty (30) days' written notice thereof, to terminate this Agreement. Any such act by Owner shall not be deemed a waiver of any other right or remedy of Owner. If, after exercising any such remedy due to Contractor's non-performance under this Agreement, the cost to Owner to complete the Work to be performed under this Agreement is in excess of that part of the Agreement sum which has not theretofore been paid to Contractor hereunder, Contractor shall be liable for and shall reimburse Owner for such excess.

C. Owner may deduct from any amounts due or to become due to Contractor any sum or sums owing by Contractor to Owner. In the event of any breach by Contractor of any provision of this Agreement or in the event of any claim against Owner arising out of Contractor's performance under this Agreement, Owner shall have the right to retain out of any payment due or to become due to Contractor an amount determined by Owner to be sufficient to protect Owner from any and all loss, damage or expense therefrom, until the breach or claim has been satisfactorily remedied or adjusted by Contractor. Owner may use these funds to pay replacement or substitute contractors to complete unfinished or defective Work. Owner may withhold payment of some or all of any progress or final payment that would otherwise be due if the Owner determines, in its discretion, that it is necessary and proper to provide an additional source of funds to pay claims for which the Owner is entitled to indemnification from Contractor under this Agreement. Amounts withheld under this Article shall be in addition to any retainage.

D. If the Contractor defaults or neglects to carry out the Work in accordance with the Contract Documents and fails within a ten (10) day period after receipt of written notice from the Owner to commence and continue correction of such default or neglect with diligence and promptness, the Owner may, without prejudice to other remedies the Owner may have, correct such deficiencies. In such case, an appropriate Change Order shall be issued deducting from payments then or thereafter due the Contractor the reasonable cost of correcting such deficiencies, including Owner's expenses and compensation for the Architect's additional services, if any, made necessary by such default, neglect or failure. If payments then or thereafter due the Contractor are not sufficient to cover such amounts, the Contractor shall pay the difference to the Owner.

ARTICLE 5. CONFIDENTIAL INFORMATION

Contractor hereby acknowledges and agrees that its representatives may have access to or otherwise receive information during the furtherance of its obligations in accordance with this Agreement, which is of a confidential, non-public or proprietary nature. Contractor shall treat any such information received in full confidence and will not disclose or appropriate such confidential information for its own use or the use of any third party at any time during or subsequent to this Agreement. As used herein, "confidential information" means all oral and written information concerning Owner, its affiliates and subsidiaries, and all oral and written information concerning Owner, or its activities, that is of a non-public, proprietary or confidential nature including, without limitation, information pertaining to customer lists, services, methods, processes and operating procedures, together with all analyses, compilation, studies, or other documents, whether prepared by Contractor or others, which contain or otherwise reflect such information. The term "confidential information" shall not include such materials that are or become generally available to the public other than as a result of disclosure by Contractor, or are required to be disclosed by a governmental authority under applicable law.

ARTICLE 6. INDEMNITY

NOTWITHSTANDING ANY OTHER PROVISION IN THE CONTRACT DOCUMENTS TO THE CONTRARY:

A. **CONTRACTOR SHALL DEFEND, INDEMNIFY AND HOLD HARMLESS OWNER, ITS CITY COUNCIL, OFFICERS, EMPLOYEES AND AGENTS FROM AND AGAINST ALL CITATIONS, CLAIMS, COSTS, DAMAGES, DEMANDS, EXPENSES, FINES, JUDGMENTS, LOSSES, PENALTIES**

OR SUITS, WHICH IN ANY WAY ARISE OUT OF, RELATE TO, OR RESULT FROM THE PERFORMANCE OF THE WORK OR WHICH ARE CAUSED BY THE INTENTIONAL ACTS OR NEGLIGENT ACTS OR OMISSIONS OF CONTRACTOR OR ITS SUBCONTRACTORS, AND ANY OTHER THIRD PARTIES FOR WHOM OR WHICH CONTRACTOR IS LEGALLY RESPONSIBLE (THE "INDEMNIFIED ITEMS"). BY WAY OF EXAMPLE, THE INDEMNIFIED ITEMS MAY INCLUDE PERSONAL INJURY AND DEATH CLAIMS AND PROPERTY DAMAGE CLAIMS, INCLUDING THOSE FOR LOSS OF USE OF PROPERTY. INDEMNIFIED ITEMS SHALL INCLUDE ATTORNEY'S FEES AND COSTS OF COURT, COURT COSTS, AND SETTLEMENT COSTS. INDEMNIFIED ITEMS SHALL ALSO INCLUDE ANY EXPENSES, INCLUDING ATTORNEY'S FEES AND EXPENSES, INCURRED BY AN INDEMNIFIED INDIVIDUAL OR ENTITY IN ATTEMPTING TO ENFORCE THIS INDEMNITY.

B. IN ITS SOLE DISCRETION, THE CITY SHALL HAVE THE RIGHT TO APPROVE COUNSEL TO BE RETAINED BY CONTRACTOR IN FULFILLING ITS OBLIGATION TO DEFEND AND INDEMNIFY THE CITY. CONTRACTOR SHALL RETAIN APPROVED COUNSEL FOR THE CITY WITHIN SEVEN (7) BUSINESS DAYS AFTER RECEIVING WRITTEN NOTICE FROM THE CITY THAT IT IS INVOKING ITS RIGHT TO INDEMNIFICATION UNDER THIS AGREEMENT. IF CONTRACTOR DOES NOT RETAIN COUNSEL FOR THE CITY WITHIN THE REQUIRED TIME, THEN THE TOWN SHALL HAVE THE RIGHT TO RETAIN COUNSEL AND THE CONTRACTOR SHALL PAY THESE ATTORNEY'S FEES AND EXPENSES. THE CITY RETAINS THE RIGHT TO PROVIDE AND PAY FOR ANY AND ALL COSTS OF DEFENDING INDEMNIFIED ITEMS, BUT IT SHALL NOT BE REQUIRED TO DO SO.

C. THE OBLIGATIONS SET FORTH IN THIS ARTICLE SHALL SURVIVE THE EXPIRATION OR TERMINATION OF THIS AGREEMENT.

D. Contractor shall cause all contracts for subcontracted services to include a like indemnity that shall cover both the Owner and Contractor. Nothing herein shall limit the insurance requirements or applicability of same set forth in this Agreement and the Contract Documents.

E. The above indemnity is a business understanding between the parties and applies to all different theories of recovery, including breach of contract or warranty, tort including negligence, statutory liability or any other cause of action.

ARTICLE 7. TERMINATION OR SUSPENSION

A. If the Owner fails to make payments to the Contractor in accordance with this Agreement, such failure shall be considered substantial nonperformance and cause for termination or, at the Contractor's option, cause for suspension of performance of Work under this Agreement. If the Contractor elects to suspend performance of the Work, the Contractor shall give ten (10) days' prior written notice to the Owner before suspending performance of the Work. In the event of a suspension of performance of the Work, the Contractor shall have no liability to the Owner for delay or damage caused the Owner because of such suspension of performance of the Work. Before resuming Work, the Contractor shall be paid all sums due prior to suspension and any reasonable expenses incurred in the interruption and resumption of the Contractor's Work.

B. If the Owner suspends the Project, the Contractor shall be compensated for Work performed satisfactorily prior to notice of such suspension. When the Project is resumed, the Contractor may be compensated for expenses incurred in the interruption and resumption of the Contractor's performance of the Work. The Contractor's fee for the remaining Work and the time schedules may be equitably adjusted. If the Owner suspends the Project for more than ninety (90) cumulative days for reasons other than the fault of the Contractor, the Contractor may terminate this Agreement by giving not less than thirty (30) days' prior written notice.

C. Either party may terminate this Agreement upon not less than thirty (30) days' prior written notice should the other party fail substantially to perform in accordance with the terms of this Agreement through no fault of the party initiating the termination.

D. The Owner may terminate this Agreement upon not less than thirty (30) days' prior written notice to the Contractor for the Owner's convenience and without cause. In the event of termination not the fault of the Contractor, the Contractor shall be compensated for services performed prior to termination.

E. Notwithstanding any other provision in the Contract Documents to the contrary, it is agreed by the parties that: (1) if an order for relief is entered on behalf of Contractor pursuant to Title 11 of the United States Code, (2) if any other similar order is entered under any other debtor relief laws, (3) if Contractor makes a general assignment for the benefit of its creditors, (4) if a receiver is appointed for the benefit of Contractor's creditors, or (5) if a receiver is appointed on account of Contractor's insolvency, any such event could impair or frustrate Contractor's performance of the Contract Documents. Accordingly, it is agreed that upon occurrence of any of the above-listed events, Owner shall be entitled to request of Contractor or its successor in interest adequate assurance of future performance in accordance with the terms and conditions of the Contract Documents. Failure to comply with such request within ten (10) days of delivery of the request shall entitle Owner to terminate this Agreement. In all events pending receipt of adequate assurance of performance and actual performance in accordance therewith, Owner shall be entitled to proceed with the Work with its own forces or with other contractors on a time and material or other appropriate basis, the cost of which will be back-charged against the Contract Price.

ARTICLE 8. CLAIMS AND DISPUTES

A. The Owner and Contractor shall commence all claims and causes of action, whether in contract, tort, or otherwise, against the other party arising out of or related to this Agreement in accordance with the requirements of the method of binding dispute resolution set forth in this Agreement within the period specified by applicable law. The Owner and Architect waive all claims and causes of action not commenced in accordance with this Article. To the extent damages are covered by property insurance, the Owner and Contractor waive all rights against each other and against the contractors, employees, agents, and subcontractors of the other party for damages, except such rights as they may have to the proceeds of such insurance as set forth in the Contract Documents. The Owner or the Contractor, as appropriate, shall require of the contractors, employees, agents, and subcontractors of any of them similar waivers in favor of the other parties enumerated herein.

B. Any claim, dispute, or other matter in question arising out of or related to this Agreement shall be subject to mediation as a condition precedent to binding dispute resolution. The Owner and Contractor shall endeavor to resolve claims, disputes, and other matters in question between them first, informally and, second, by mediation. A request for mediation shall be made in writing, delivered to the other party to this Agreement, and filed with the person or entity administering the mediation. The request may be made concurrently with the filing of a complaint or other appropriate demand for binding dispute resolution but, in such event, mediation shall proceed in advance of binding dispute resolution proceedings, which shall be stayed pending mediation for a period of sixty (60) days from the date of filing, unless stayed for a longer period by agreement of the parties or court order. The parties shall have fifteen (15) days after receipt of a request for mediation to agree on a mediator. If the parties are unable to agree on a mediator within fifteen (15) days, each party shall have an additional five (5) days to designate a mediator. The two mediators so designated shall then designate a third unbiased mediator who shall be the mediator to conduct the mediation. The decision of the mediator shall be nonbinding. The parties shall share the mediator's fee and any filing fees equally. The mediation shall be held in the place where the Project is located, unless another location is mutually agreed upon by the parties. Agreements reached in mediation shall be enforceable as settlement agreements in any court having jurisdiction thereof.

C. If the parties do not resolve a claim, dispute or other matter in question through mediation pursuant to this Article, the method of binding dispute resolution shall be litigation in a court of competent jurisdiction.

ARTICLE 9. INSURANCE AND BONDS

A. The Contractor shall, at its own expense, procure, pay for, and maintain during the term of this Agreement insurance as listed in Exhibit 1. The Contractor shall furnish to the Owner certificates of insurance executed by the insurer or its authorized agent stating coverages, limits, and expiration dates in compliance with all applicable requirements as listed in Exhibit 1.

ARTICLE 10. MISCELLANEOUS

A. Choice of Law

This Agreement shall be governed by the law of the State of Texas, and venue for any dispute shall be in any court of competent jurisdiction in Collin County, Texas.

B. Severability

If any of the provisions contained in this Agreement are held for any reason to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein; and it is the intention of the parties that in lieu of each provision that is found to be illegal, invalid, or unenforceable, the parties seek to reasonably negotiate a new provision to this Agreement which is legal, valid, and enforceable and is as similar in terms as possible to the provision found to be illegal, invalid, or unenforceable.

C. Notice

Except as otherwise provided in this Agreement or the Contract Documents, all notices and other communications required or permitted to be given under this Agreement, shall be in writing, addressed to the parties at their respective addresses as provided below, and may be delivered in person, sent by overnight express mail or courier service, or by certified mail, postage prepaid, return receipt requested. The addresses of each party are as follows:

If to the Owner: City of Celina
Attn: Contracts
142 N. Ohio
Celina, TX 75009

If to Contractor: _____

Each party may from time to time change its address for receipt of notices by sending notice thereof in the manner provided herein to the other party. Each notice given by certified mail shall be deemed delivered on the date of delivery as shown on the return receipt, or if delivery is attempted, at the last address specified and the notice is returned, notice shall be deemed delivered on the date the notice was originally sent. Each notice delivered in any other manner shall be deemed delivered as of the time of actual receipt thereof. The parties acknowledge and agree to provide to the other party within seventy-two (72) hours of transmission such notice documents bearing the original signatures.

D. Unsatisfactory Work

Nothing contained in this Agreement shall require Owner to pay for any work that is unsatisfactory as determined by Owner or which is not submitted in compliance with the terms of this Agreement, nor shall such failure to withhold payment pursuant to the provisions of this Section constitute a waiver of any right, at law or in equity, which Owner may have if Contractor is in default, including the right to bring legal action for damages or for a specific performance of this Agreement.

E. Retainage

As is set forth in the Contract Documents, retainage shall be withheld and may be paid to: (a) ensure proper completion of the Work, and the Owner may use retained funds to pay replacement or substitute contractors to complete unfinished or defective Work; (b) ensure timely completion of the Work, and the Owner may use retained funds to pay liquidated damages; and (c) provide an additional source of funds to pay claims for which the Owner is entitled to indemnification from Contractor under the Contract Documents. Retained funds shall be held by the Owner in accounts that shall not bear interest. Retainage not otherwise withheld in accordance with the Contract Documents shall be returned to the Contractor as

part of the final payment. This Subsection E shall comply with and shall be construed in accordance with S.B. 692 enacted by the 87th Texas Legislature in 2021.

F. No Respondeat Superior

Contractor will have exclusive control of and the exclusive right to control the details of the Work performed hereunder, and shall be liable for the acts and omissions of its officers, agents, employees, contractors, and subcontractors, and the doctrine of *respondeat superior* shall not apply as between Owner and Contractor, its officers, agents, employees, contractors, and subcontractors, and nothing herein shall be construed as creating a partnership or joint enterprise between Owner and Contractor.

G. Conflict of Interest

Contractor covenants and agrees that Contractor and its associates and employees will have no interest, and will acquire no interest, either direct or indirect, which will conflict in any manner with the performance of the services called for under this Agreement. All activities, investigations and other efforts made by Contractor pursuant to this Agreement will be conducted by employees, associates or subcontractors of Contractor.

H. Non-Waiver

The failure of either party to insist upon or enforce strict performance by the other party of any provision of this Agreement, or to exercise any right under this Agreement, shall not be construed as a waiver or relinquishment to any extent of any such party's right to assert or rely upon any such provision or right in that or any other instance, rather, the same shall be and remain in full force and effect.

I. Assignment

The Owner and Contractor, respectively, bind themselves, their agents, successors, assigns and legal representatives to this Agreement. Neither the Owner nor the Contractor shall assign this Agreement without the prior written consent of the other party.

J. No Third-Party Beneficiary Created

Nothing contained in this Agreement shall create a contractual relationship with or a cause of action in favor of a third party against either the Owner or Contractor.

K. Signatures

The undersigned officers and/or agents of the parties hereto are the properly authorized persons and have the necessary authority to execute this Agreement on behalf of the parties hereto, and each party hereby certifies to the other that any necessary motions, resolutions or other act extending such authority have been duly passed and are now in full force and effect.

IN WITNESS WHEREOF, the parties execute this Agreement below:

Memorandum

To: Honorable Mayor Terry and the Celina City Council
From: Anthony Satarino, Strategic Services Director
CC: Jason Laumer, City Manager
Date: February 14, 2023
Re: Performance Agreement - Legacy Bagels, LLC

Action Requested:

Consider and act to authorize the City Manager to execute an agreement by and between the City of Celina and Legacy Bagels, LLC, for economic incentive funding under Chapter 380 of the Texas Local Government Code. (Satarino)

Background Information:

Legacy Bagels, LLC, (Developer) has applied to Celina Economic Development Corporation (CEDC) for financial assistance necessary to operate a family-run bagel shop to be located at 2750 S. Preston Road, City of Celina, Texas. The Performance Agreement was approved by the EDC Board.

The Developer covenants and agrees to submit to the CEDC invoices, receipts, or other documentation in a form acceptable to the CEDC for the Qualified Expenditures made to the Property in a minimum amount of \$70,000.00 by June 30, 2023.

The Developer covenants and agrees by August 1, 2023, and during the Term of this Agreement to employ and maintain a minimum of six Full-Time Equivalent Employment Positions working at the Property. The Developer covenants and agrees by August 1, 2023, the Developer shall deliver to CEDC an annual compliance verification signed by a duly authorized representative of the Developer that shall certify the number of Full-Time Equivalent Employment Positions, and shall disclose and certify the average wage for all Full-Time Equivalent Employment Positions.

Financial Considerations:

CEDC covenants and agrees to submit reimbursement to the Developer for the Qualified Expenditures made to the Property in an amount not to exceed \$25,000 as follows:

- (1) \$12,500 within thirty days of receipt of a certificate of occupancy
- (2) \$12,500 on the one year anniversary date of the financial assistance provided

Legal Review:

The Agreement has been reviewed by the City Attorney.

Performance Agreement - Legacy Bagels, LLC

Staff Recommendation:

Staff recommends approval.

PERFORMANCE AGREEMENT

This **PERFORMANCE AGREEMENT** by and between the **CELINA ECONOMIC DEVELOPMENT CORPORATION**, a Texas non-profit corporation (hereinafter referred to as the “CEDC”), and **LEGACY BAGELS, LLC**, a Texas limited liability company (hereinafter referred to as “Developer”), is made and executed on the following recitals, terms and conditions.

WHEREAS, the Celina Economic Development Corporation (hereinafter referred to as the “CEDC”) is a Type A economic development corporation, created pursuant to Chapter 504 of the Texas Local Government Code, as amended; and

WHEREAS, Section 501.103 of the Texas Local Government Code, in pertinent part, defines the term “project” to mean “expenditures that are found by the board of directors to be required or suitable for infrastructure necessary to promote or develop new or expanded business enterprises, limited to: (1) streets and roads, rail spurs, water and sewer utilities, electric utilities, or gas utilities, drainage, site improvements, and related improvements; (2) telecommunications and Internet improvements . . .”; and

WHEREAS, Section 501.158 of the Texas Local Government Code prohibits the provision of a direct incentive unless CEDC enters into an Agreement with Developer providing at a minimum a schedule of additional payroll or jobs to be created or retained by CEDC’s investment; a schedule of capital investments to be made as consideration for any direct incentives provided by CEDC to Developer; and a provision specifying the terms and conditions upon which repayment must be made should Developer fail to meet the agreed to performance requirements specified in this Agreement; and

WHEREAS, Developer has applied to CEDC for financial assistance necessary to operate a family-run bagel shop to be located at 2750 S. Preston Road, City of Celina, Texas; and

WHEREAS, the CEDC’s Board of Directors have determined the financial assistance to be provided to Developer pursuant to this Agreement is consistent and meets the definition of “project” as that term is defined in Section 501.103 of the Texas Local Government Code; and the definition of “cost” as that term is defined by Section 501.152 of the Texas Local Government Code; and

WHEREAS, Developer agrees and understands that Section 501.073(a) of the Texas Local Government Code requires the City Council of the City of Celina, Texas, to approve all programs and expenditures of the CEDC, and accordingly this Agreement is not effective until City Council has approved this project at a City Council meeting called and held for that purpose.

NOW, THEREFORE, for and in consideration of the agreements contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the CEDC and Developer agree as follows:

SECTION 1. FINDINGS INCORPORATED.

The foregoing recitals are hereby incorporated into the body of this Agreement and shall be considered part of the mutual covenants, consideration and promises that bind the parties.

SECTION 2. TERM.

This Agreement shall be effective as of the Effective Date, as defined herein, and shall continue thereafter until **February 3, 2025**, unless terminated sooner under the provisions hereof.

SECTION 3. DEFINITIONS.

The following words shall have the following meanings when used in this Agreement.

- (a) **Act.** The word “Act” means Chapters 501 to 505 of the Texas Local Government Code, as amended.
- (b) **Agreement.** The word “Agreement” means this Performance Agreement, together with all exhibits and schedules attached to this Agreement from time to time, if any.
- (c) **CEDC.** The term “CEDC” means the Celina Economic Development Corporation, a Texas non-profit corporation, its successors and assigns, whose corporate address for the purposes of this Agreement is 302 W. Walnut Street, Celina Texas 75009.
- (d) **Developer.** The word “Developer” means Legacy Bagels, LLC, a Texas limited liability company, its successors and assigns, whose address for the purposes of this Agreement is 2381 E. University Drive, Suite 10, Prosper, Texas 75078-2390.
- (e) **Effective Date.** The words “Effective Date” mean the date of the latter to execute this Agreement by and between the Developer and the CEDC.
- (f) **Event of Default.** The words “Event of Default” mean and include any of the Events of Default set forth below in the section entitled “Events of Default.”
- (g) **Full-Time Equivalent Employment Position.** The words “Full-Time Equivalent Employment Position” or “Full-Time Equivalent Employment Positions” mean and include a job requiring a minimum of Two Thousand (2,000) hours of work averaged over a twelve (12) month period.
- (h) **Property.** The word “Property” means the property generally located at 2750 S. Preston Road, Celina, Texas 75009.
- (i) **Qualified Expenditures.** The words “Qualified Expenditures” mean those costs associated with the construction and/or improvements made to the Property consisting of

installation of a grease trap, plumbing and electrical work, and site improvement work made to the building located on the Property, and which meet the definition of “project” as that term is defined in Section 501.103 of the Act, and meet the definition of “cost” as that term is defined in Section 501.152 of the Act.

- (j) **Term.** The word “Term” means the term of this Agreement as specified in Section 2 of this Agreement.

SECTION 4. AFFIRMATIVE COVENANTS OF DEVELOPER.

Developer covenants and agrees with CEDC that, while this Agreement is in effect, it shall comply with the following terms and conditions:

- (a) **Qualified Expenditures.** Developer covenants and agrees to submit to the CEDC invoices, receipts, or other documentation in a form acceptable to the CEDC for the Qualified Expenditures made to the Property in a minimum amount of **Seventy Thousand and No/100 Dollars (\$70,000.00)** by **June 30, 2023**.
- (b) **Certificate of Occupancy.** Developer covenants and agrees to obtain or cause to be obtained by **June 30, 2023**, a certificate of occupancy from the City of Celina, Texas, for the Legacy Bagels retail store located on the Property.
- (c) **Operate Retail Facility.** Developer covenants and agrees to maintain and operate the Legacy Bagels retail store located on the Property during the Term of this Agreement.
- (d) **Job Creation and Retention.** Developer covenants and agrees by **August 1, 2023**, and during the Term of this Agreement to employ and maintain a minimum of **six (6)** Full-Time Equivalent Employment Positions working at the Property. Developer covenants and agrees by **August 1, 2023**, Developer shall deliver to CEDC an annual compliance verification signed by a duly authorized representative of Developer that shall certify the number of Full-Time Equivalent Employment Positions, and shall disclose and certify the average wage for all Full-Time Equivalent Employment Positions (the “Annual Compliance Verification”). The Developer covenants and agrees there will be a total of **one (1)** Annual Compliance Verifications due and submitted to the CEDC covering the Full-Time Equivalent Employment Positions created and maintained during the Term of this Agreement. All Annual Compliance Verifications shall include quarterly IRS 941 returns, or Texas Workforce Commission Employer Quarterly Reports.
- (e) **Performance Conditions.** Developer agrees to make, execute and deliver to CEDC such other promissory notes, instruments, documents and other agreements as CEDC or its attorneys may reasonably request to evidence this Agreement.
- (f) **Performance.** Developer agrees to perform and comply with all terms, conditions, and provisions set forth in this Agreement and in all other instruments and agreements between

Developer and CEDC.

SECTION 5. AFFIRMATIVE COVENANTS OF CEDC.

CEDC covenants and agrees with Developer that, while this Agreement is in effect, it shall comply with the following terms and conditions:

- (a) **Financial Assistance for Qualified Expenditures.** CEDC covenants and agrees to submit reimbursement to Developer for the Qualified Expenditures made to the Property pursuant to Section 4(a) of this Agreement, in an amount not to exceed **Twenty-Five Thousand and No/100 Dollars (\$25,000.00)** as follows:
 - (1) **Twelve Thousand Five Hundred and No/100 Dollars (\$12,500.00)** within thirty (30) days of receipt of a certificate of occupancy consistent with Section 4(b) of this Agreement; and
 - (2) **Twelve Thousand Five Hundred and No/100 Dollars (\$12,500.00)** on the one (1) year anniversary date of the financial assistance provided in Section 5(a)(1) of this Agreement.
- (b) **Performance.** CEDC agrees to perform and comply with all terms, conditions, and provisions set forth in this Agreement and in all other instruments and agreements by and between the Developer and CEDC.

SECTION 6. CESSATION OF ADVANCES.

If the CEDC has made any commitment to provide any financial assistance to Developer, whether under this Agreement or under any other agreement, the CEDC shall have no obligation to advance or disburse the financial assistance if: (i) Developer becomes insolvent, files a petition in bankruptcy or similar proceedings, or is adjudged bankrupt; or (ii) an Event of Default occurs.

SECTION 7. EVENTS OF DEFAULT.

Each of the following shall constitute an Event of Default under this Agreement:

- (a) **General Event of Default.** Failure of Developer or CEDC to comply with or to perform any other term, obligation, covenant or condition contained in this Agreement, or failure of Developer or CEDC to comply with or to perform any other term, obligation, covenant or condition contained in any other agreement by and between Developer and CEDC is an Event of Default.
- (b) **False Statements.** Any warranty, representation, or statement made or furnished to CEDC by or on behalf of Developer under this Agreement that is false or misleading in any material respect, either now or at the time made or furnished is an Event of Default.

- (c) **Insolvency.** Developer's insolvency, appointment of receiver for any part of Developer's property, any assignment for the benefit of creditors of Developer, any type of creditor workout for Developer, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Developer is an Event of Default.
- (d) **Ad Valorem Taxes.** Developer allows its ad valorem taxes owed to the City of Celina, Texas, to become delinquent and fails to timely and properly follow the legal procedures for protest and/or contest of such taxes and to cure such failure within thirty (30) days after written notice thereof from CEDC and/or Collin County Central Appraisal District is an Event of Default.

SECTION 8. EFFECT OF AN EVENT OF DEFAULT.

In the event of default under Section 7 of this Agreement, the non-defaulting party shall give written notice to the other party of any default, and the defaulting party shall have thirty (30) days to cure said default. Should said default remain uncured as of the last day of the applicable cure period, and the non-defaulting party is not otherwise in default, the non-defaulting party shall have the right to immediately terminate this Agreement, enforce specific performance as appropriate or maintain a cause of action for damages caused by the event(s) of default. In the event, Developer defaults and is unable or unwilling to cure said default within the prescribed time period, the amounts provided by the CEDC to Developer pursuant to Section 5(a) of this Agreement shall become immediately due and payable by Developer to the CEDC.

SECTION 9. INDEMNIFICATION.

TO THE EXTENT ALLOWED BY LAW, EACH PARTY AGREES TO RELEASE, DEFEND, INDEMNIFY, AND HOLD HARMLESS THE OTHER (AND ITS OFFICERS, AGENTS, AND EMPLOYEES) FROM AND AGAINST ALL CLAIMS OR CAUSES OF ACTION FOR INJURIES (INCLUDING DEATH), PROPERTY DAMAGES (INCLUDING LOSS OF USE), AND ANY OTHER LOSSES, DEMAND, SUITS, JUDGMENTS AND COSTS, INCLUDING REASONABLE ATTORNEYS' FEES AND EXPENSES, IN ANY WAY ARISING OUT OF, RELATED TO OR RESULTING FROM ITS PERFORMANCE UNDER THIS AGREEMENT, OR CAUSED BY ITS NEGLIGENT ACTS OR OMISSIONS (OR THOSE OF ITS RESPECTIVE OFFICERS, AGENTS, EMPLOYEES, OR ANY OTHER THIRD PARTIES FOR WHOM IT IS LEGALLY RESPONSIBLE) IN CONNECTION WITH PERFORMING THIS AGREEMENT.

SECTION 10. MISCELLANEOUS PROVISIONS.

The following miscellaneous provisions are a part of this Agreement:

- (a) **Amendments.** This Agreement constitutes the entire understanding and agreement of the parties as to the matters set forth in this Agreement. No alteration of or amendment to this Agreement shall be effective unless given in writing and signed by the party or parties

sought to be charged or bound by the alteration or amendment.

- (b) **Applicable Law and Venue.** This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, and all obligations of the parties created hereunder are performable in Collin County, Texas. Venue for any action arising under this Agreement shall lie in the state district courts of Collin County, Texas.
- (c) **Assignment.** This Agreement may not be assigned without the express written consent of the other party.
- (d) **Binding Obligation.** This Agreement shall become a binding obligation on the signatories upon execution by all signatories hereto. Developer warrants and represents that the individual or individuals executing this Agreement on behalf of Developer has full authority to execute this Agreement and bind Developer to the same. CEDC warrants and represents that the individual executing this Agreement on its behalf has full authority to execute this Agreement and bind it to the same.
- (e) **Caption Headings.** Caption headings in this Agreement are for convenience purposes only and are not to be used to interpret or define the provisions of the Agreement.
- (f) **Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which shall constitute one and the same document.
- (g) **Notices.** Any notice or other communication required or permitted by this Agreement (hereinafter referred to as the "Notice") is effective when in writing and (i) personally delivered either by facsimile (with electronic information and a mailed copy to follow) or by hand or (ii) three (3) days after notice is deposited with the U.S. Postal Service, postage prepaid, certified with return receipt requested, and addressed as follows:

if to CEDC: Celina Economic Development Corporation
302 W. Walnut Street
Celina Texas 75009
Attn: Alexis Jackson, Executive Director
Telephone: (972) 382-3455

if to Developer: Legacy Bagels, LLC
2381 E. University Drive, Suite 10
Prosper, Texas 75078-2390
Attn: Brian Dunn
Telephone: _____

- (h) **Severability.** If a court of competent jurisdiction finds any provision of this Agreement to be invalid or unenforceable as to any person or circumstance, such finding shall not render

that provision invalid or unenforceable as to any other persons or circumstances. If feasible, any such offending provision shall be deemed to be modified to be within the limits of enforceability or validity; however, if the offending provision cannot be so modified, it shall be stricken and all other provisions of this Agreement in all other respects shall remain valid and enforceable.

- (i) **Time is of the Essence.** Time is of the essence in the performance of this Agreement.
- (j) **Undocumented Workers.** Developer certifies that the Developer does not and will not knowingly employ an undocumented worker in accordance with Chapter 2264 of the Texas Government Code, as amended. If during the Term of this Agreement, Developer is convicted of a violation under 8 U.S.C. § 1324a(f), Developer shall repay the amount of the public subsidy provided under this Agreement plus interest, at the rate of six percent (6%), not later than the 120th day after the date the CEDC notifies Developer of the violation.

[The Remainder of this Page Intentionally Left Blank]

DEVELOPER ACKNOWLEDGES HAVING READ ALL THE PROVISIONS OF THIS PERFORMANCE AGREEMENT, AND DEVELOPER AGREES TO ITS TERMS. THIS AGREEMENT IS EFFECTIVE AS OF THE EFFECTIVE DATE AS IS PROVIDED HEREIN.

City of Celina, Texas

Memorandum

To: **Honorable Mayor Terry and the Celina City Council**
 From: Anthony Satarino, Strategic Services Director
 CC: Jason Laumer, City Manager
 Date: February 14, 2023
 Re: 2nd Amendment to DIP Agreement- Gran Sweet, LLC (Granny's Sweeties)

Action Requested:

Consider and act to authorize the City Manager to execute a Second Amendment to the Economic Development Incentive Agreement and Promissory Note by and between the City of Celina, Celina Economic Development Corporation, and Gran Sweet, LLC, for economic incentive funding under Chapter 380 of the Texas Local Government Code. (Satarino)

Background Information:

On September 30, 2021 the City and the Developer (Gran Sweet, LLC) entered into a economic development incentive agreement in conjunction with the Celina Economic Development Corporation (CEDC). On May 10, 2022, City Council approved the First Amendment extending the commencement of construction to July 15, 2022, and the completion of construction of the Facility improvements to occur no later than March 15, 2023. No other changes were proposed with the First Amendment.

Below are the contribution details stated in the agreement.

- The Developer has represented that it will be spending a minimum of \$400,000 on facility improvements.
- The City will contribute an amount not to exceed \$25,000 towards the cost of the facility improvements.
- CEDC will contribute an amount not to exceed \$100,000 towards the cost of the facility improvements.
- The economic development incentive grants will be paid to the Developer according to the following installments:

First installment: payment of \$12,500 of the City Grant and the payment of \$25,000 of the CEDC Grant.

Second installment: payment of \$12,500 of the City Grant (final) and payment of \$25,000 of the CEDC Grant.

Third installment: payment of \$25,000 of the CEDC Grant.

Fourth installment: payment of \$25,000 of the CEDC Grant (final).

The second amendment desires to amend the Agreement by providing for the City's further provision of grant and loan funds to offset unforeseen economic impacts and costs on Developer's development of the Facility (as described and defined in the Agreement), due in part to Developer's assertion that construction being completed on the streets adjacent to the Facility is affecting development of the Facility.

Over the next several years, as the City improves infrastructure in the downtown area, other businesses could be similarly effected. For this reason, Staff will draft a policy framework that establishes guidelines , recommendations, and best practices when these situations arise. This policy will be presented to Council for review later this year.

Gran Sweet, LLC filed Form 1295 - Certificate of Interested Parties with the Texas Ethics Commission as well as filed a conflict of interest form with the City Secretary. Upon review of Form 1295, Staff identified an employee conflict of interest per the Ethics section (Section 5) of the Procurement Policy. Per the Policy, after a concurrence of Human Resources and the City Attorney, The City Manager as the authority to waive the requirement and grant an exception. The City Manager has approved this exception.

Financial Considerations:

In addition to the grants described in the Agreement, the City would agree to contribute an additional grant and loan totaling \$50,000. \$25,000 in grant funds, not to be repaid by the Developer. \$25,000 in loan funds to be repaid by the Developer in annual increments of \$5,000 over the course of five years.

Legal Review:

The City Attorney has reviewed and approved the amended Agreement.

Supporting Documents:

2nd Amendment to DIP Agreement- Gran Sweet, LLC (Granny's Sweeties)

Staff Recommendation:

Staff recommends approval.

SECOND AMENDMENT TO THE ECONOMIC DEVELOPMENT INCENTIVE AGREEMENT

THIS SECOND AMENDMENT TO THE ECONOMIC DEVELOPMENT INCENTIVE AGREEMENT (“**Second Amendment**”) is made and entered into this ____ day of _____, 2023 (the “**Effective Date**”), by and between the City of Celina, Texas (the “**City**”), the Celina Economic Development Corporation (the “**CEDC**”), and Gran Sweet, LLC (the “**Developer**”) (each a “**Party**” and collectively the “**Parties**”), acting by and through their respective authorized representatives.

WITNESSETH:

WHEREAS, on September 30, 2021, the Parties entered into that certain Economic Development Incentive Agreement (“**Original Agreement**”), which addressed the City and CEDC’s economic development grant contributions to the costs of the Developer’s remodel of a 2,100-foot structure on property described in the Agreement for a multi-service bakery (the “**Facility**”); and

WHEREAS, on May 10, 2022, the Parties entered into that certain First Amendment to the Economic Development Incentive Agreement (“**First Amendment**”), which amended the Original Agreement (Original Agreement and First Amendment are hereinafter called the “**Agreement**”); and

WHEREAS, the Parties desire to amend the Agreement by providing for the City’s further provision of grant and loan funds to offset unforeseen economic impacts and costs on Developer’s development of the Facility (as described and defined in the Agreement), due in part to Developer’s assertion that construction being completed on the streets adjacent to the Facility is affecting development of the Facility; and

WHEREAS, the City’s findings for making the Texas Local Government Code Chapter 380 grants described in the Agreement are incorporated into this Second Amendment for the additional grant and loan described herein.

NOW, THEREFORE, in consideration of the foregoing premises and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Parties, covenant and agree as follows:

1. Agreement Remains in Full Force and Effect. The Parties acknowledge and agree that, except to the extent amended herein, all provisions and terms contained in the Agreement remain in full force and effect, including any terms, conditions, contingencies, deadlines, or other obligations of Developer to receive the Grants stated and defined therein. In the event of a conflict between this Second Amendment and the Agreement, the terms of this Second Amendment shall control.

2. Amendment. In addition to the Grants described in the Agreement, the City agrees to contribute an additional grant and loan, each authorized by Texas Local Government Code

Chapter 380, in the total amount of FIFTY THOUSAND DOLLARS (\$50,000.00) for Developer's development of the Facility to offset unforeseen economic impacts and costs on Developer's development of the Facility, due in part to Developer's assertion that construction being completed on the streets adjacent to the Facility is affecting development of the Facility ("Additional Incentives"). The Additional Incentives shall be comprised of (i) \$25,000.00 in grant funds, not to be repaid by Developer (the "Additional Grant"), and (ii) \$25,000.00 in loan funds, to be repaid by Developer in annual increments of \$5,000.00 over the course of five (5) years, with each annual installment payment due on February 1st of each year (the first installment payment for repayment of the Loan shall be due on February 1, 2024), and subject to the Promissory Note, attached hereto as **Exhibit A** and incorporated herein for all purposes (the "Loan"). The City shall pay the Additional Incentives within thirty (30) days of the last to occur of (a) the Effective Date of this Second Amendment, or (b) the Effective Date of the Promissory Note.

3. Binding Obligation. This Second Amendment shall become a binding obligation of the signatories upon execution by all signatories hereto. The City and the CEDC warrant and represent that the individuals executing this Second Amendment on behalf of the City and the CEDC have full authority to execute this Second Amendment and bind the City and the CEDC to the same. Developer warrants and represents that the individual executing this Second Amendment on its behalf has full authority to execute this Second Amendment and bind it to the same.

4. Severability. In the event any provision of this Second Amendment shall be determined by a court of competent jurisdiction to be invalid or unenforceable for any reason, then: (a) such unenforceable provision shall be deleted from this Second Amendment; (b) the unenforceable provision shall, to the extent possible and upon mutual agreement of the Parties, be rewritten to be enforceable and to give effect to the intent of the Parties; and (c) the remainder of this Second Amendment shall, to the extent reasonably possible, remain in force as to the balance of its provisions and be interpreted to give effect to the intent of the Parties.

5. Notices. Any notices required or permitted to be delivered hereunder shall be delivered in accordance with the terms provided by Section 6.5 of the Agreement.

6. Reporting Agreement to Comptroller's Office. City covenants and agrees to report this Second Amendment to the State Comptroller's office within fourteen (14) days of the Effective Date in accordance with Section 380.004 of the Texas Government Code.

(signature pages on the next page)

IN WITNESS WHEREOF, the Parties hereto have caused this document to be executed as of the date first above written.

Exhibit A**PROMISSORY NOTE**

\$25,000.00

Effective Date: February 14, 2023

Maturity Date: February 1, 2028

Definitions. As used in this Promissory Note, the following terms have the meanings indicated below. Any capitalized term not defined herein shall have the same meaning as in the Incentive Agreement.

“Base Rate” means from the Effective Date until maturity of this Note the rate of three percent (3.0 %) per annum.

“Borrower” means Gran Sweet, LLC, a Texas limited liability company.

“City” means the City of Celina, a Texas home-rule municipal corporation.

“Effective Date” means the date signed by Borrower.

“Event of Default” is defined in Section 4 herein.

“Incentive Agreement” means that certain Economic Development Incentive Agreement, as amended, between City, Celina Economic Development Corporation, and Gran Sweet, LLC with effective date of September 30, 2021.

“Lender” means the City.

“Loan” means the Loan described in the Incentive Agreement, which shall be fully due and payable on the Maturity Date.

“Maturity Date” is defined above.

“Note” means this Promissory Note and all modifications, increases, replacements, renewals, and extensions of this Promissory Note.

“Repayment Schedule” is defined in Section 2 herein.

1. **Promise to Pay.** For value received, Borrower unconditionally hereby promises to pay to the order of Lender, at its place of business located at Celina City Hall, 142 N. Ohio St., Celina, Texas 75009, or at such other place as the holder of this Note may hereafter designate in writing to Lender and to Borrower, the principal sum, to be disbursed and used by Borrower only as allowed in the Incentive Agreement, of TWENTY FIVE THOUSAND AND NO/100 DOLLARS (\$25,000.00) by the Maturity Date.

2. Payment. Borrower shall repay the Loan without penalty before final maturity in accordance with the payment schedule set forth in the Incentive Agreement and included here as follows: Borrower shall pay annual increments of \$5,000.00 over the course of five (5) years, with each annual installment payment due on February 1st of each year, the first installment payment being due on February 1, 2024 (the "Repayment Schedule"). If Lender has not received the full amount of any scheduled installment payment by the end of fifteen (15) business days after written notice by Lender to Borrower of the amount due, Lender may charge Borrower a late fee in the amount of one and one-half percent (1.5%) of the delinquent amount. Borrower is liable for this late charge only once for each delinquent payment. Repayment in full shall consist of payment of the remaining unpaid principal balance and all other amounts, costs, and expenses for which Borrower is responsible under this Note or any other agreement with Lender pertaining to this Loan, and in no event will Borrower ever be required to pay any unearned interest.

The outstanding principal balance of this Note, shall be due and payable in full on the Maturity Date. If Borrower has repaid the entire principal balance in accordance with the Repayment Schedule by the Maturity Date, then no interest shall be due, and this Note shall terminate. If, however, Borrower has not repaid the entire principal balance in accordance with the Repayment Schedule by the Maturity Date, then interest shall be due on the remaining unpaid principal balance as follows: interest shall be computed from the Effective Date hereof until maturity at a per annum rate which shall be, except as otherwise provided in this Note, the Base Rate. Interest on this Note is computed on a 365/360 simple interest basis; that is by applying the ratio of the annual interest rate over a year of 360 days times the outstanding principal balance times the actual number of days the principal balance is outstanding, unless such calculation would result in a usurious rate, in which case interest shall be calculated on a per diem basis of a year of 365 or 366 days as the case may be. This Note does not have a revolving credit feature.

All non-regularly scheduled payments and payments made after an Event of Default has occurred and is continuing shall be applied to the indebtedness (including collection costs) in such order and manner as the holder of this Note may from time to time determine in its sole discretion. Borrower agrees that all payments of any obligation due hereunder shall be final, and if any such payment is recovered in any bankruptcy, insolvency or similar proceedings instituted by or against Borrower, all obligations due hereunder shall be automatically reinstated in respect of the obligation as to which payment is so recovered.

3. Waiver. Except as otherwise provided herein, Borrower hereby waives all notices of nonpayment, demands for payment, presentments for payment, notices of intention to accelerate maturity, notices of actual acceleration of maturity, grace, protests, notices of protest, and any other demands or notices of any kind as to this Note, diligence in collection hereof and in bringing suit hereon, and any notice of, or defense on account of, the extension of time of payments or change in the method of payments, and without further notice hereby consents to any and all renewals and extensions in the time of payment hereof either before or after maturity and the release of any party primarily or secondarily liable hereon. Borrower agrees that Lender's acceptance of partial or delinquent payments, or failure of Lender to exercise any right or remedy contained herein or in any instrument given as security for the payment of this Note shall not be a waiver of any obligation of Borrower to Lender or constitute waiver of any similar default subsequently occurring. The holder of this Note is entitled to the benefits and security provided in the Incentive Agreement.

4. Events of Default and Remedies. At the option of Lender, the entire unpaid principal balance and accrued interest owing hereon shall at once become due and payable without notice or demand upon the occurrence at any time of any of the following “Events of Default” (herein so called):

(a) The failure of Borrower to pay (or cause to be paid) any installment of principal of this Note in accordance with its terms and the terms of the Incentive Agreement, through acceleration, or otherwise, or to perform any other obligation to be performed by Borrower hereunder, and such failure continues for more than fifteen (15) days after written notice thereof shall have been given by Lender to Borrower;

(b) An Event of Default occurs under the Incentive Agreement; or

(c) The bankruptcy or insolvency of, the assignment for the benefit of creditors by, or the appointment of a receiver for any of the property of, or the liquidation, termination, dissolution or death or legal incapacity of, any party liable for the payment of this Note, whether as maker, endorser, guarantor, surety or otherwise.

It is understood and agreed by Borrower that the foregoing “Events of Default” are cumulative and are in addition to any “Defaults” or “Events of Default” contained in the Incentive Agreement, or other documents modifying, renewing, extending, evidencing, securing or pertaining to this Note or the loan evidenced hereby. Upon the occurrence of any of the Events of Default, and if such has not been cured within the designated period of time, if any, then the holder hereof may, at its option, do any one or more of the following: (a) declare the entire unpaid balance of principal of and accrued, unpaid interest upon this Note to be immediately due and payable, (b) reduce any claim to judgment, (c) foreclose all liens and security interests securing payment thereof or any part thereof, and/or (d) without notice of default or demand, pursue and enforce any of Lender’s other rights and remedies provided under or pursuant to any applicable laws or agreement. All rights and remedies of Lender shall be cumulative and concurrent and may be pursued singularly, successively, or together, at the sole discretion of Lender, and may be exercised as often as the occasion therefor shall arise. Failure by Lender to exercise any right or remedy upon the occurrence of an Event of Default shall not constitute a waiver of the right to exercise such right or remedy upon the occurrence of any subsequent Event of Default. In the event that Lender, after the occurrence of an Event of Default hereunder, consults an attorney regarding the enforcement of any of its rights under this Note or if this Note is placed in the hands of an attorney for collection or if suit be brought to enforce this Note, Borrower promises to pay all costs thereof, including reasonable attorneys’ fees, if Lender shall be the prevailing party. Such costs and attorneys’ fees shall include, without limitation, costs and reasonable attorneys’ fees incurred by Lender in any appellate proceedings or in any proceedings under any present or future federal bankruptcy act, state receivership law or probate.

5. Usury. This Note and the Incentive Agreement are intended to be performed in accordance with, and only to the extent permitted by, all applicable usury laws. If any provision hereof or of the Incentive Agreement or the application thereof to any person or circumstance shall, for any reason and to any extent, be invalid or unenforceable, neither the application of such provision to any other person or circumstance nor the remainder of the instrument in which such provision is contained shall be affected thereby and shall be enforced to the greatest extent

permitted by law. It is expressly stipulated and agreed to be the intent of the holder hereof to at all times comply with the usury and other applicable laws now or hereafter governing the interest payable on the indebtedness evidenced by this Note. If the applicable law is ever revised, repealed or judicially interpreted so as to render usurious any amount called for under this Note or under the Incentive Agreement, or contracted for, charged, taken, reserved or received with respect to the indebtedness evidenced by this Note, or if Lender's exercise of the option to accelerate the maturity of this Note, or if any prepayment by Borrower results in Borrower having paid any interest in excess of that permitted by law, then it is the express intent of Borrower and Lender that all excess amounts theretofore collected by Lender be credited on the principal balance of this Note (or, if this Note and all other indebtedness arising under or pursuant to the Incentive Agreement have been paid in full, refunded to Borrower), and the provisions of this Note and the Incentive Agreement immediately be deemed reformed and the amounts thereafter collectable hereunder and thereunder reduced, without the necessity of the execution of any new document, so as to comply with the then applicable law, but so as to permit the recovery of the fullest amount otherwise called for hereunder or thereunder. All sums paid, or agreed to be paid, by Borrower for the use, forbearance, detention, taking, charging, receiving or reserving of the indebtedness of Borrower to Lender under this Note or arising under or pursuant to the Incentive Agreement shall, to the maximum extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full term of such indebtedness until payment in full so that the rate or amount of interest on account of such indebtedness does not exceed the usury ceiling from time to time in effect and applicable to such indebtedness for so long as such indebtedness is outstanding. Notwithstanding anything to the contrary contained herein or in the Incentive Agreement, it is not the intention of Lender to accelerate the maturity of any interest that has not accrued at the time of such acceleration or to collect unearned interest at the time of such acceleration. In no event shall Chapter 346 of the Texas Finance Code (which regulates certain revolving loan accounts and revolving tri-party accounts) apply to this Note. To the extent that Chapter 303 of the Texas Finance Code, is applicable to this Note, the "weekly ceiling" specified in such Chapter 303 is the applicable ceiling; provided that, if any applicable law permits greater interest, the law permitting the greatest interest shall apply.

6. GOVERNING LAW AND VENUE. THIS NOTE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF TEXAS AND THE UNITED STATES OF AMERICA. BORROWER AGREES THAT THIS NOTE IS PERFORMABLE IN COLLIN OR DENTON COUNTY, TEXAS AND THAT SUCH COUNTIES ARE PROPER VENUE FOR ANY ACTION OR PROCEEDING INVOLVING THIS NOTE TO THE EXCLUSION OF ALL OTHER VENUES.

7. Miscellaneous.

- (a) Notices or communications to be given under this Note shall be given to the respective parties in writing as set forth in the Incentive Agreement.
- (b) Time is of the essence of this Note.
- (c) This Note may not be changed or terminated orally, but only by written agreement.

(d) This Note is secured, in part, by a security interest of the first priority in the Incentive Agreement.

(e) This Note and all the covenants, promises and agreements contained herein shall be binding upon Borrower's successors, assigns, heirs and personal representatives and inure to the benefit of Lender's successors and assigns.

Effective as of the Effective Date.

 CC: Jason Laumer, City Manager
 Date: February 14, 2023
 Re: Revised G Bar & CCN Objection Withdrawal

Action Requested:

Authorize the City Manager of the City of Celina, Texas to enter into an agreement by and between City of Celina, Mustang Special Utility District, and G Bar 7, Ltd in Relation to Utility Service Provisions for an approximately 99-acre tract commonly known as the “Walker Tract” and Old Celina Ltd in relation to utility service provisions for an approximately 4.859-acre tract commonly known as the “Folsom Tract” (Brawner)

Background Information:

In November 2020, the City of Celina entered into an agreement with Mustang Special Utility District (MSUD) to de-certify all areas for water Certificate of Convenience and Necessity (CCN) that are outside the City's ultimate boundary. The majority of the area in question is within a dually certified area and the proposed de-annexation area is 100% outside Celina's ultimate boundary. In exchange, Mustang agreed to de-certify approximately 407 acres of water CCN and approximately 644 acres of sewer CCN that are within the City's ultimate boundary. In February 2021, the City of Celina entered into an agreement with Aqua Texas to acquire CCN for property immediately adjacent to Legacy Drive. The City of Celina contracted with TRC Solutions to start the Public Utility Commission (PUC) process to transfer the CCN. The PUC docket numbers are 53614 for the Mustang CCN transfer and 53574 for the Aqua Texas CCN transfer.

In response to the PUC filing, G Bar 7, Ltd filed an opposition to the PUC Docket No. 53614 seeking to remove certain property, including the Walker Tract, from the Mustang SUD water CCN service area agreement. Old Celina, Ltd. filed an opposition to PUC Docket No. 53574 seeking to remove the Folsom Tract from the Aqua Texas, Inc.'s CCN service area agreement.

In January 2023, an initial agreement was placed on council. The Agreement should have been removed from council due to deal points. The attached agreement is the corrected version. This agreement removes the impact fee credit obligation from the previous agreement. The corrected deal points are as follows:

1. Within 10 days, G Bar 7, Ltd and Old Celina, Ltd agreed to withdraw their objections to the PUC filing for PUC docket numbers are 53614 and 53574. G Bar 7, LTD further agrees to not submit any further opposition to the Transfers.

2. Mustang SUD agrees that it shall provide both the Walker and the Folsom Tracts water and sanitary sewer service temporarily until such time as Celina completes the water line adjacent to the tracts.
3. Owners shall install any necessary meters and construct connections to Celina's system at no cost to City. G Bar 7 will not be requested to connect to Celina's system until it applies for its first building permit after completion of the required improvements.
4. Celina agrees that prior to March 1, 2023, it shall submit to the PUC an application for approval of a service-area contract between Mustang SUD and Celina, transferring CCN's for both water and sewer for the Folsom Tract, permitting it to be served by Celina, in accordance with an executed service agreement.

Alternatives: City council could not approve the agreement and provide alternative direction to city staff.

Legal Review: Celina legal council has reviewed and approved the proposed agreement.

**Agreement Regarding Water and Wastewater Service;
Withdrawal of Objections to CCN Transfer**

This agreement (“**Agreement**”) shall set forth the terms between (i) the **CITY OF CELINA, TEXAS** (“**Celina**”), **MUSTANG SPECIAL UTILITY DISTRICT** (“**Mustang SUD**”), and **G BAR 7, LTD.** in relation to utility service provisions for an approximately 99-acre tract commonly known as the “**Walker Tract**” and as more particularly described in **Exhibit A** attached hereto; and (ii) between Celina, Mustang SUD, and **OLD CELINA, LTD.** in relation to utility service provisions for an approximately 4.859-acre tract commonly known as the “**Folsom Tract**” and as more particularly described in **Exhibit B** attached hereto. This Agreement is dated effective as of _____, 2022 (the “**Effective Date**”). Celina, Mustang SUD, G Bar 7, LTD., and Old Celina, LTD. are each a “**Party**” and collectively, the “**Parties**”. G Bar 7, LTD. and Old Celina, LTD are collectively the “**Owners**.”

RECITALS

WHEREAS, Celina and Mustang SUD are currently in the process of transferring Certificate of Convenience and Necessity (“**CCN**”) areas under Public Utility Commission (“**PUC**”) docket numbers 53614 and 53574 (“**Transfers**”); and

WHEREAS, G Bar 7, LTD. owns the Walker Tract, for which Celina will obtain the CCN for water and sewer service;

WHEREAS, Old Celina, LTD owns the Folsom Tract; and

WHEREAS, G Bar 7, LTD. has objected to the Transfers and will withdraw its objections so long as Mustang SUD agrees to provide water and sewer service to the Walker and Folsom Tracts until Celina has finished, or caused to be finished, the construction of: a) the 24” water line along Legacy Drive; b) a 12” water line to the eastern property line of the Walker Tract and a 12” water line to the eastern property line of the Folsom Tract; and c) a 15” sanitary sewer line to the southeast corner of the Walker Tract (collectively, the “**Required Improvements**”), and transfer water and sewer service in the future to Celina for the Folsom Tract. It is agreed and understood that both the water and sanitary sewer lines to said properties are and will be sufficient for the development of the Walker and Folsom Tracts.

AGREEMENT

1. **Agreements.** The Parties hereby agrees as follows:
 - A. Within ten (10) days of the Effective Date, G Bar 7, LTD agrees to withdraw, by filing any documents required by the PUC, its opposition to PUC Docket No. 53614 seeking to remove certain property, including the Walker Tract, from the Mustang SUD water CCN service area and annex same into Celina’s service area. G Bar 7, LTD shall also

withdraw its opposition to PUC Docket No. 53574 seeking to remove the Walker Tract from the Aqua Texas, Inc.'s sewer CCN service area and annex same into Celina's service area. G Bar 7, LTD further agrees to not submit any further opposition to the Transfers.

- B. Mustang SUD agrees that it shall provide both the Walker and the Folsom Tracts water and sanitary sewer service temporarily until such time as Celina completes the Required Improvements, depicted on **Exhibit C**, attached hereto and incorporated herein for all purposes. Upon the completion of the Required Improvements (defined as City's construction of and rendering operational the infrastruacted described in the recitals hereof and depicted in **Exhibit C**) and the execution of a water and sewer service agreement with G Bar 7, LTD, Celina shall exclusively provide water and sewer service to the Walker Tract, and Mustang SUD shall have no further additional rights or responsibilities with respect to the Walker or Folsom tracts.

Upon City's construction of the Required Improvements, Owners shall install any necessary meters and construct connections to Celina's water and wastewater systems at no cost to City. However, it is expressly understood and acknowledged that such connection shall not be required until such time as G Bar 7, LTD or Old Celina, LTD apply for the first building permit on the Walker or Folsom tracts, respectively, subsequent to the completion of the Required Improvements. G Bar 7, LTD shall not be required to connect the Walker Tract to Celina's systems until it applies for its first building permit after completion of the Required Improvements. Similarly, Old Celina, LTD shall not be required to connect the Folsom Tract to Celina's systems until it applies for its first building permit after completion of the Required Improvements.

- D. Celina agrees that prior to March 1, 2023, it shall submit to the PUC an application for approval of a service-area contract between Mustang SUD and Celina, transferring CCN's for both water and sewer for the Folsom Tract, permitting it to be served by Celina, in accordance with an executed service agreement. Subsequent to the initial submittal, Celina agrees to take all commercially reasonable actions to successfully prosecute the CCN transfer.
2. **Term**. This Agreement shall be effective against all Parties from the Effective Date and until the City, or others as appropriate, have completed the Required Improvements at its reasonable determination.
3. **Applicable Law; Venue**. This Agreement shall be governed by, construed, and enforced in accordance with the laws of the State of Texas, and all obligations of the Parties are performable in Denton County. Exclusive venue for any action to enforce or construe this Agreement shall be in Denton County.

4. **Amendments.** Any amendments to this Agreement may be agreed to by all Parties in writing.
5. **Events of Default.** No Party shall be in default under this Agreement until notice of the alleged failure of such Party to perform has been given in writing (which notice shall set forth in reasonable detail the nature of the alleged failure) and until such Party has been given a reasonable time to cure the alleged failure (such reasonable time to be determined based on the nature of the alleged failure, but in no event more than thirty (30) days after written notice of the alleged failure has been given). Notwithstanding the foregoing, no Party shall be in default under this Agreement if, within the applicable cure period, the Party to whom the notice was given begins performance and thereafter diligently and continuously pursues performance until the alleged failure has been cured and within such 30-day period gives written notice to the non-defaulting Party of the details of why the cure will take longer than thirty (30) days with a statement of how many days are needed to cure.
6. **Remedies.** If a Party is in default, the aggrieved Party may, at its option and without prejudice to any other right or remedy under this Agreement, seek any relief available at law or in equity, including, but not limited to, an action under the Uniform Declaratory Judgment Act, or actions for specific performance, mandamus, or injunctive relief. NOTWITHSTANDING THE FOREGOING, HOWEVER, NO DEFAULT UNDER THIS AGREEMENT SHALL ENTITLE THE AGGRIEVED PARTY TO TERMINATE THIS AGREEMENT OR LIMIT THE TERM OF THIS AGREEMENT.
7. **Successors and Assigns.** This Agreement shall be binding upon the Parties hereto and upon any of the Parties' respective successors and assigns.
8. **No Third Party Beneficiaries.** This Agreement does not create any third party benefits to any person or entity other than the named Parties hereto, and is solely for the consideration and purposes herein expressed.
9. **Authority; Governmental Immunity.** The undersigned representatives covenant that they are fully authorized to sign this Agreement on behalf of their respective Party. This Agreement is executed by the Parties hereto without coercion or duress and for substantial consideration, the sufficiency of which is hereby acknowledged. By its execution of this Agreement, Celina does not waive or surrender any of its respective governmental powers, immunities, or rights.
10. **Severability.** If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable for any reason, then: (a) such unenforceable provision shall be deleted from this Agreement; (b) the unenforceable provision shall, to the extent possible and upon mutual agreement of the Parties, be rewritten to be enforceable and to

give effect to the intent of the Parties; and (c) the remainder of this Agreement shall remain in full force and effect and shall be interpreted to give effect to the intent of the Parties.

11. **Form 1295 Certificate.** G Bar 7, LTD and Old Celina, LTD represent that they have complied with Texas Government Code, Section 2252.908 and in connection therewith, have completed a Texas Ethics Commission Form 1295 Certificate generated by the Texas Ethics Commission's electronic filing system in accordance with the rules promulgated by the Texas Ethics Commission. G Bar 7, LTD and Old Celina, LTD further agree to print the completed certificate and execute the completed certificate in such form as is required by Texas Government Code, Section 2252.908 and the rules of the Texas Ethics Commission and provide to Celina at the time of delivery of an executed counterpart of this Agreement, a duly executed completed Form 1295 Certificate. The Parties agree that, except for the information identifying Celina and the contract identification number, Celina is not responsible for the information contained in the Form 1295 completed by the G Bar 7, LTD and Old Celina, LTD. The information contained in the Form 1295 completed by G Bar 7, LTD and Old Celina, LTD has been provided solely by G Bar 7, LTD and Old Celina, LTD and Celina has not verified such information.

CITY OF CELINA, TEXAS

RESOLUTION 2023-

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CELINA TEXAS, ESTABLISHING AN ADOPT A STREET PROGRAM, PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City wishes to promote continued community pride and involvement through the reduction of litter found along City Streets; and

WHEREAS, the City Adopt-a-Street program can benefit the environment by creating awareness for litter prevention, promote community building, preventing stormwater pollution, and keeping the City Streets cleaner and safer; and

WHEREAS, the City encourages participants to consider adopting a street and keeping it clean.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

Section 1. Program Adoption

The City Council hereby establishes an "Adopt-A-Street" Program.

Section 2. Effective Date.

This Resolution shall become effective immediately upon its adoption.

PASSED AND APPROVED by the City Council of the City of Celina, Texas, this the 14th day of February 2023.

Sean Terry, Mayor

ATTEST:

Lauren Field, City Secretary

APPROVED AS TO FORM:

Julie Fort, City Attorney

Attachment: Adopt- Street Program Resolution 25-01-2023 (Adopt-A- Street)

Adopt-A-Street Application

Build community pride and involvement by getting your group together to adopt a City of Celina Street! Volunteering to clean litter provides a visible impact to the environment by preventing pollution and does wonders for the overall beautification of our city and its roadways. This opportunity is open to teams of all kinds: families, clubs, co-workers, and civic organizations. Volunteer and become an active participant involved in keeping Celina a beautiful *Life Connected* community.

Program Requirements

- ♻️ Teams agree to maintain a one mile stretch of both sides of the roadway, including any attached sidewalks and curbs, for one year. Contracts are automatically renewed for those in good standing.
- ♻️ Teams will need to complete one cleanup before their Adopt-A-Street sign can be installed.
- ♻️ Teams will provide prior notification, by a designated Team Leader, for cleanup activities and request supplies through the Program Coordinator. *Note: supply bags will be for 15 people, recommended group size. *
- ♻️ Teams will need to conduct a minimum of four quarterly cleanups per year. One per quarter listed:
 - January 1st – March 31st
 - April 1st – June 30th
 - July 1st – September 30th
 - October 1st – December 31st
- ♻️ Public Works will collect trash bags after the event. Please collect all trash bags and leave them by the Adopt-A-Street sign.
- ♻️ As part of the contract, teams will submit Reporting Forms following their cleanup activities and return all supplies and equipment to Celina Public Works during working hours, team leaders will coordinate the return with the Program Coordinator.

Program Support

- ♻️ Installation of "Adopt-A-Street" sign with the adopting team's name.
- ♻️ Supplies needed to conduct cleanup activities (15 people max).
 - Gloves, trash pickers, trash bags, hand sanitizer, and safety vests.
- ♻️ Recognition of service to the community through team photos in the City's newsletter/social media outlets.

Adopt-A-Street Program Terms and Adoption Agreement

It is agreed by all parties that if the maintenance of the contracted area is not being performed according to the terms agreed upon, the City can end the contract. When a team is behind in their cleanups, they will receive a 30-day notice to conduct a cleanup. If the team has not conducted their cleanup within those 30 days, the contract will be terminated, and the signage removed allowing that street segment to be eligible for adoption by another team.

Contracts are automatically renewed on good standing. If a team wishes to be removed from the program after one year, they will need to contact the Program Coordinator.

Before the Cleanup

- ♻️ Plan with your team and decide on which dates to conduct your cleanups.
- ♻️ Schedule your cleanup by filling out the online form.
- ♻️ Pick up your supplies and equipment at Public Works once your request has been submitted and you have received notification that your supplies are ready.
- ♻️ Plan a meetup location and time with your team.
- ♻️ Plan for the weather! Sunscreen, protective clothing, water, etc.

During and After the Cleanup

- ♻️ Have ALL volunteers on your team sign the waiver BEFORE beginning the cleanup. *Pro tip: exchange vests/gloves for signing the waiver. (Those under 18 will need a parent/guardian to sign waiver)
- ♻️ Take pictures and submit them with your Reporting Form so that they can be featured on our website, newsletters, and other City publications.
- ♻️ If any large items are found during the cleanup, please report to Public Works 972-382-9886, do not attempt to lift and move large or unsafe items.
- ♻️ Dispose of the trash appropriately. Celina Public Works will collect gathered trash bags at the Adopt-A-Street sign following event completion.
- ♻️ Submit Reporting Form and return unused supplies and equipment no later than one week after your completed cleanup event.

Safety First

You can keep Celina beautiful and litter free without putting yourself or others at risk. Please review and follow the safety guidelines below:

DO:

- ✓ Wear the right shoes: thick-soled, closed-toe, and comfortable.
- ✓ Dress accordingly for the weather. Use sunscreen and bug repellent.
- ✓ Wear the gloves and use the litter grabbers provided in your supply bag.
- ✓ After your cleanup, use the hand sanitizer provided in your supply bag.
- ✓ Wash hands thoroughly when you can after the event.
- ✓ Wear the safety vests provided and only conduct cleanups during daylight hours and optimal weather.
- ✓ Have all volunteers sign waiver forms before participating in the cleanup (parents or guardians must sign for minors).
- ✓ Use the "buddy system"; work in teams to maximize safety.
- ✓ Be aware of your surroundings and potential hazards (broken glass, passing cars, branches, poison ivy, snakes, etc.)
- ✓ Provide adequate supervision for all volunteers (adult supervision is required for minors).
- ✓ Stay hydrated! Bring water bottles with you to the cleanup event.
- ✓ Report any illegal dumping or hazardous materials left on the roadways to the Public Works Department. 972-382-9886

DON'T:

- ✗ Pick up anything with your bare hands.
- ✗ Pick up hazardous materials such as hypodermic needles, sharp objects, old car batteries, animal carcasses, or any other questionable objects.
- ✗ Attempt to move large objects.
- ✗ Allow small children to participate in cleanup without adult supervision.
- ✗ Perform any activities outside of your physical capabilities.
- ✗ Schedule cleanups during peak pedestrian or traffic hours.
- ✗ Conduct cleanups during inclement/ unsafe weather.

If you are interested in serving your community through this program, please contact Public Works Department at 469-813-4096

	Public Works Department Adopt-A-Street Program	Policy #	
		Revision #	
		Implementation Date	
Page #	1 of 2	Last Reviewed/Update Date	
Policy Owner	Public Works	Approval	

1. Purpose

The responsibility of Adopt-A-Street Program falls under the Public Works Department. The Program Coordinator (PC) will be a designee within the Public Works Department. All duties and responsibilities are further explained in this policy.

2. Scope

This policy details responsibilities designated to the Program Coordinator, GIS Department, Traffic and Signs Crew, Streets Crew, and the Operations Superintendent.

3. Program Coordination and Responsibilities

- A. Eligible Street Segments:
 - a. All road segments existing or new to the program must be a roadway maintained by the city and be roughly one mile long.
- B. Website:
 - a. The Adopt-A-Street webpage must be kept current with up-to-date forms, policies, and contact information, responsibility of the PC.
 - b. Application Submission Form will be sent to the PC.
 - i. The PC will, after an application has been accepted, change the designation of the street segment on the dashboard to "Adopted."
 - c. Any additional street segments needing to be added to the dashboard will be done so by the GIS Department.
- C. Application and Approval Process:
 - a. Once an organization has applied via submission form on the webpage the following will be managed by the PC:
 - i. Review of the organization's name, as it will appear on the sign, must be appropriate, it must not contain any profanity, slang, or terms that others might find offensive.
 - 1. If found to be inappropriate, the PC will notify the organization and state the corrections that must be made, or the application will be rejected.
 - ii. PC will contact the Organization's Team Leader listed on the application within 3-5 business days to notify them their application has been accepted.
 - iii. Only after the first cleanup has been performed will the sign be installed.
- D. Adopt-A-Street Sign Creation and Installation:
 - a. All signs will be uniformed, follow the standard format, and be order by the PC from the designated vendor paid for by the City.
 - b. PC will submit requests to install a new sign through Cityworks directed to the Traffic and Signs crew.

	Public Works Department Adopt-A-Street Program	Policy #	
		Revision #	
		Implementation Date	
Page #	2 of 2	Last Reviewed/Update Date	
Policy Owner	Public Works	Approval	

- i. Sign locations will be designated by the Operations Superintendent or designee.

E. Organization Support and Management:

- a. The PC will process requests for supplies by notifying the organization's Team Leader that their event day has been accepted and confirming time and date for supplies to be collected.
- b. PC will ensure all supplies are returned along with the Reporting Form no later than one week after the event has taken place.
- c. PC will keep record of the signed waivers. Any changes to the waivers must be approved by Human Resources.
- d. PC will track all adopted streets and clean up events for all organizations by ensuring the quarterly requirements are met.
 - i. At the end of each quarter, the PC will issue a 30-day notice to all organizations that haven't fulfilled their quarterly cleanup obligation. Any organizations that have failed to conduct the required cleanup within the given notice will be notified, their signage removed, and the street segment labeled as adoptable.
- e. The Street Crew will collect trash that has been left behind after an event if during regular business hours. Trash from any after-hours events will be collected by Streets On-Call.

4. Appendix

- A. Adopt-A-Street Exhibit
- B. Adopt-A-Street Segment List
- C. Application Agreement and Safety Information
- D. Hold Harmless Liability Waiver

Parks and Recreation
City of Celina, Texas

Memorandum

To: **Honorable Mayor Terry and the Celina City Council**
From: Cody Webb, Director of Parks and Recreation
CC: Kim Brawner, Assistant City Manager
Date: February 14, 2023
Re: Texas Parks and Wildlife Grant Support

Action Requested:

Consider and act upon a resolution of the City Council of the City of Celina approving the proposed Ousley Park Trail project for submittal to the Texas Parks and Wildlife Department's 2023 Recreational Trails Grant Program. (Webb)

Background Information:

The City has applied for grant funding for the development of the Ousley Park Trail that will serve as a recreation amenity in Downtown. The future Ousley Park trail will go along the Doe Branch Creek from the North upstream limits at Preston Road (Hwy. 289) to the South downstream limits at Oklahoma Drive, approximately 2,700 linear feet of stream.

Re: Texas State Library and Archives Commission Grant Support

Action Requested:

Consider and act upon a resolution of the City Council of the City of Celina approving the proposed bookmobile project for submittal to the Texas State Library and Archives Commission's FY24 Special Projects 75 Grant Program. (Shaw)

Background Information:

The Texas State Library and Archives Commission has released the FY24 Special Projects 75 Grant Program. The Celina Public Library is striving to keep up with the growth. A bookmobile program will enable the City to better serve all residents within the City limits and extraterritorial jurisdiction.

If awarded grant funds it is the City's intent to use funds to provide limited mobile library services at varying areas throughout the City.

**RESOLUTION OF THE CITY COUNCIL OF THE CITY
OF CELINA APPROVING THE PROPOSED
BOOKMOBILE PROJECT FOR SUBMITTAL TO THE
TEXAS STATE LIBRARY AND ARCHIVES
COMMISSION'S FY24 SPECIAL PROJECTS 75
GRANT PROGRAM.**

WHEREAS, the Texas State Library and Archives Commission has released the FY24 Special Projects 75 Grant Program; and

WHEREAS, the City of Celina (the "City") submitted an application for grant funds from said program on February 1, 2023 to serve the Bookmobile Project of the City; and

WHEREAS, the Bookmobile Project will enable the City to better serve all residents within City limits and extraterritorial jurisdiction with a mobile library branch; and

WHEREAS, the City may enter into a grant agreement with the Texas State Library and Archives Commission to complete the project if awarded grant funds; and

WHEREAS, the City will be eligible to apply for up to two additional years of funding for the Bookmobile Project continuation and/or expansion, if awarded.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Celina, Texas:

1. The City Council of the City of Celina has reviewed and supports the proposed project; and
2. The City Council of the City of Celina approves the request for grant funds, effective immediately.

PASSED AND APPROVED by the City Council of the City of Celina, Texas this 14th day of February, 2023.

CITY OF CELINA, TEXAS
RESOLUTION NO. 2023-__R

A RESOLUTION OF THE CITY OF CELINA, TEXAS DETERMINING THE COSTS OF CERTAIN AUTHORIZED IMPROVEMENTS TO BE FINANCED WITHIN THE MUSTANG LAKES (ANNEX) PUBLIC IMPROVEMENT DISTRICT; APPROVING A PRELIMINARY SERVICE AND ASSESSMENT PLAN, INCLUDING THE PROPOSED PHASE #1 ASSESSMENT ROLL – PHASE #1 INITIAL PROJECTS AND THE PROPOSED PHASE #1 ASSESSMENT ROLL – PHASE #1 ADDITIONAL MAJOR IMPROVEMENTS; DIRECTING THE FILING OF THE PROPOSED PHASE #1 ASSESSMENT ROLL – PHASE #1 INITIAL PROJECTS AND THE PROPOSED PHASE #1 ASSESSMENT ROLL – PHASE #1 ADDITIONAL MAJOR IMPROVEMENTS WITH THE CITY SECRETARY TO MAKE AVAILABLE FOR PUBLIC INSPECTION; CALLING TWO PUBLIC HEARINGS FOR MARCH 14, 2023 TO CONSIDER TWO ORDINANCES LEVYING ASSESSMENTS ON PROPERTY LOCATED WITHIN THE MUSTANG LAKES (ANNEX) PUBLIC IMPROVEMENT DISTRICT; DIRECTING CITY STAFF TO PUBLISH AND MAIL NOTICE OF SAID PUBLIC HEARINGS; AND RESOLVING OTHER MATTERS INCIDENT AND RELATED THERETO.

WHEREAS, the Public Improvement District Assessment Act, Texas Local Government Code, Chapter 372, as amended (the "PID Act") authorizes the City of Celina, Texas (the "City") to create a public improvement district within the corporate boundaries and the extraterritorial jurisdiction of the City; and

WHEREAS, on August 13, 2019, the City Council of the City (the "City Council") conducted a public hearing to consider a petition received by the City requesting the creation of a public improvement district within the corporate boundaries of the City; and

WHEREAS, on August 13, 2019 , the City Council adopted Resolution No. 2019-45R (the "Authorization Resolution"), authorizing, establishing, and creating the "Mustang Lakes (Annex) Public Improvement District" (the "District"); and

WHEREAS, the City authorized the creation of the District and the issuance of up to \$66,000,000.00 in bonds for the District to finance certain public improvements authorized by the PID Act for the benefit of the property within the District (the "Authorized Improvements"); and

WHEREAS, the City Council and the City staff have been presented a "Mustang Lakes (Annex) Public Improvement District Preliminary Service and Assessment Plan", including the Proposed Assessment Rolls (as defined herein) attached thereto (collectively, the "Preliminary SAP"), relating to certain assessments proposed to be levied against property within the District that benefit from the Authorized Improvements. A copy of the Preliminary SAP is (i) attached hereto as **Exhibit A**, (ii) is incorporated herein for all purposes, (iii) identifies the area constituting

“Phase #1” of the District and the area constituting the “Major Improvement Area” of the District, (iv) identifies the costs of the Authorized Improvements expected to be constructed at this time for the benefit of Phase #1 (collectively, the “Phase #1 Initial Projects”), (v) identifies the costs of the Authorized Improvements expected to be constructed for the benefit of the Phase #1 in the future (the “Phase #1 Additional Major Improvements”), and (vi) sets forth the proposed assessment roll for Phase #1 of the District related to the Phase #1 Initial Projects (the “Proposed Phase #1 Assessment Roll – Phase #1 Initial Projects”) and the proposed assessment roll for Phase #1 of the District related to the Phase #1 Additional Major Improvements (the “Proposed Phase #1 Assessment Roll – Phase #1 Additional Major Improvements” and, together with the Proposed Phase #1 Assessment Roll – Phase #1 Initial Projects, the “Proposed Assessment Rolls”); and

WHEREAS, the Preliminary SAP sets forth the estimated total costs of Phase #1 Initial Projects and the Phase #1 Additional Major Improvements to be financed by the District at this time and the Proposed Assessment Rolls state the assessments proposed to be levied against each benefitted parcel of land in Phase #1 of the District, as determined by the method of assessment chosen by the City and set forth in the Preliminary SAP; and

WHEREAS, the PID Act requires that the Proposed Assessment Rolls each be filed with the municipal secretary of the City (the “City Secretary”) and be subject to public inspection; and

WHEREAS, the PID Act requires that a public hearing (the “Phase #1 Initial Projects Assessment Hearing”) be called to consider proposed assessments against the benefitted property within Phase #1 of the District and related to the Phase #1 Initial Projects and requires the City Council to hear and pass on any objections to the proposed assessments at, or on the adjournment of, the Phase #1 Initial Projects Assessment Hearing; and

WHEREAS, the PID Act requires that a public hearing (the “Phase #1 Additional Major Improvements Assessment Hearing”, and, together with the Phase #1 Initial Projects Assessment Hearing, the “Assessment Hearings”) be called to consider proposed assessments against the benefitted property within Phase #1 of the District and related to the Phase #1 Additional Major Improvements and requires the City Council to hear and pass on any objections to the proposed assessments at, or on the adjournment of, the Phase #1 Additional Major Improvements Assessment Hearing; and

WHEREAS, the PID Act requires that notice of the Assessment Hearings be mailed to property owners liable for assessments and published in a newspaper of general circulation in the City before the tenth (10th) day before the date of the Assessment Hearings.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS AS FOLLOWS:

SECTION 1. The recitals set forth above in this Resolution are true and correct and are hereby adopted as findings of the City Council and are incorporated into the body of this Resolution as if fully set forth herein.

SECTION 2. The City Council does hereby accept the Preliminary SAP for the District, including the Proposed Assessment Rolls, in a form substantially similar to the attached **Exhibit A** and which is incorporated herein for all purposes. All capitalized terms not otherwise defined herein shall have the meanings given to such terms in the Preliminary SAP.

SECTION 3. The City Council hereby determines that the total costs of the Phase #1 Initial Projects to be financed by the District are as set forth in Table IV-A of the Preliminary SAP.

SECTION 4. The City Council's final determination and approval of the costs of the Phase #1 Initial Projects, or any portion thereof, shall be subject to and contingent upon City Council's approval of a final, updated Service and Assessment Plan which will include a final Phase #1 Assessment Roll – Phase #1 Initial Projects, after the properly noticed and held Phase #1 Initial Projects Assessment Hearing.

SECTION 5. The City Council hereby determines that the total costs of the Phase #1 Additional Major Improvements to be financed by the District are as set forth in Table IV-A of the Preliminary SAP.

SECTION 6. The City Council's final determination and approval of the costs of the Phase #1 Additional Major Improvements, or any portion thereof, shall be subject to and contingent upon City Council's approval of a final, updated Service and Assessment Plan which will include a final Phase #1 Assessment Roll – Phase #1 Additional Major Improvements, after the properly noticed and held Phase #1 Additional Major Improvements Assessment Hearing.

SECTION 7. The Proposed Assessment Rolls state the assessments and the projected annual installments proposed to be levied against each respective assessable parcel of land in

Phase #1 of the District that benefits from Authorized Improvements to be financed at this time, as determined by the method of assessment chosen by the City in the Authorization Resolution and as more fully described in the Preliminary SAP.

SECTION 8. The City Council hereby authorizes and directs the filing of the Proposed Assessment Rolls with the City Secretary and directs the City Secretary to make the same available for public inspection.

SECTION 9. The City Council hereby authorizes and calls two public hearings (collectively, the Assessment Hearings, as defined above) to be held on **March 14, 2023, at or after 5:00 p.m.** in the Celina City Council Chambers, 112 N. Colorado Street, Celina, Texas 75009, at which, the City Council shall, among other actions, hear and pass on any objections to the proposed assessments, and, upon the adjournment of each of the Assessment Hearings, the City Council will consider two ordinances levying two separate assessments as special assessments on property located within Phase #1 of the District for the applicable portion of the Authorized Improvements and which ordinance shall specify the method of payment of the assessments.

SECTION 10. The City Council hereby authorizes and directs the City Secretary to publish notice of the Assessment Hearings to be held on **March 14, 2023**, in substantially the form attached hereto as **Exhibit B** and incorporated herein for all purposes, in the *Celina Record*, a newspaper of general circulation in the City, on or before **March 2, 2023**, as required by Section 372.016(b) of the PID Act.

SECTION 11. When the Proposed Assessment Rolls are filed with the City Secretary, the City Council hereby authorizes and directs the City Secretary, on or before **March 2, 2023**, to mail to owners of property liable for the respective proposed assessments notice of the Assessment Hearings to be held on **March 14, 2023**, as required by Section 372.016(c) of the PID Act.

SECTION 12. City staff is authorized and directed to take such other actions as are required (including, but not limited to, providing notice of the public hearings as required by the Texas Open Meetings Act) to place the public hearings on the agenda for the **March 14, 2023** meeting of the City Council.

SECTION 13. This Resolution shall become effective from and after its date of passage in accordance with law.

ADOPTED, PASSED, AND APPROVED on this the 14th day of February, 2023.

I. PLAN DESCRIPTION AND DEFINED TERMS

A. INTRODUCTION

On August 13, 2019, the City Council of the City of Celina, Texas passed and approved Resolution No. 2019-45R (filed in the real property records of Collin County, Texas as Document No. _____ on _____, 2023) approving and authorizing the creation of the Mustang Lakes (Annex) Public Improvement District (the “PID”) to finance the costs of certain public improvements for the benefit of property in the PID (the “Authorized Improvements”), all of which is located within the City of Celina.

The property in the PID is proposed to be developed in multiple phases, and the PID will finance public improvements as the property within the PID is developed. Assessments will be imposed on the property for the public improvements to be constructed or to be acquired.

Chapter 372 of the Texas Local Government Code, the “Public Improvement District Assessment Act” (as amended, the “PID Act”), governs the creation and operation of public improvement districts within the State of Texas. The Mustang Lakes (Annex) Public Improvement District Service and Assessment Plan (the “Service and Assessment Plan”) has been prepared in accordance with the PID Act and specifically Sections 372.013, 372.014, 372.015 and 372.016, which address the requirements of a service and assessment plan and the assessment roll. According to Section 372.013 of the PID Act, a service plan must: (1) cover a period of at least five years; (2) define the annual indebtedness and the projected costs for improvements, and (3) include a copy of the notice form required by Section 5.014 of the Texas Property Code, as amended. The plan shall be reviewed and updated annually for the purpose of determining the annual budget for improvements.” The service plan is described in Section IV of this Service and Assessment Plan. The copy of the notice form required by Section 5.014 of the Texas Property Code, as amended, is attached hereto as Appendix E.

Section 372.014 of the PID Act requires that “an assessment plan must be included in the annual service plan.” The assessment plan is described in Section V of this Service and Assessment Plan.

Section 372.015 of the PID Act requires that “the governing body of the municipality or county shall apportion the cost of an improvement to be assessed against property in an improvement district.” The method of assessing the costs of the Authorized Improvements and apportionment of such costs to the property in the PID is included in Section V of this Service and Assessment Plan.

Section 372.016 of the PID Act requires that “after the total cost of an improvement is determined, the governing body of the municipality or county shall prepare a proposed Assessment Roll. The roll must state the assessment against each parcel of land in the district, as determined by the method of assessment chosen by the municipality or county under this subchapter.” The current Assessment Rolls for the PID are included as Appendix G and Appendix H in this Service and Assessment Plan. The Assessments as shown on each Assessment Roll are based on the method of assessment and apportionment of costs described in Section V of this Service and Assessment Plan.

B. DEFINITIONS

Capitalized terms used herein shall have the meanings ascribed to them as follows:

“Actual Cost(s)” means, with respect to an Authorized Improvement, the demonstrated, reasonable, allocable, and allowable costs of constructing such Authorized Improvement, as specified in a Certification for Payment that has been reviewed and approved by the City. Actual Cost may include (a) the costs for the design, planning, financing, administration, management, acquisition, installation, construction and/or implementation of such Authorized Improvement, including general contractor construction management fees, if any, (b) the costs of preparing the construction plans for such Authorized Improvement, (c) the fees paid for obtaining permits, licenses or other governmental approvals for such Authorized Improvement, (d) the costs for external professional costs associated with such Authorized Improvement, such as engineering, geotechnical, surveying, land planning, architectural landscapers, advertising, marketing and research studies, appraisals, legal, accounting and similar professional services, and property taxes (e) the costs of all labor, bonds and materials, including equipment and fixtures, incurred by contractors, builders and material men in connection with the acquisition, construction or implementation of the Authorized Improvements, (f) all related permitting, zoning and public approval expenses, architectural, engineering, legal, and consulting fees, financing charges, taxes, governmental fees and charges (including inspection fees, City and/or County permit fees, development fees), insurance premiums, and miscellaneous expenses.

Actual Costs include general contractor’s fees in an amount up to a percentage equal to the percentage of work completed and accepted by the City or construction management fees in an amount up to five percent of the eligible Actual Costs described in a Certification for Payment. The amounts expended on legal costs, taxes, governmental fees, insurance premiums, permits, financing costs, and appraisals shall be excluded from the base upon which the general contractor and construction management fees are calculated.

“Additional Interest” means the 0.50% additional interest rate charged on Assessments (if applicable) pursuant to Section 372.018 of the PID Act. If and when Bonds are issued, the Additional Interest shall be charged as described in Section V.G.

“Additional Interest Component” means the amount collected by application of the Additional Interest.

“Additional Interest Reserve” has the meaning set forth in Section V.G of this Service and Assessment Plan.

“Additional Major Improvements” mean the Authorized Improvements described in Section III.C that benefit all Assessed Property within the PID and that are constructed after the Initial Major Improvements, including the Phase #1 Additional Major Improvements. Although subject to change, current plans anticipate that the Additional Major Improvements will be constructed in Phases as shown in Appendix B.

“Administrative Expenses” mean the administrative, organization, maintenance and operation costs associated with, or incidental to, the administration, organization, maintenance and operation of the PID, including, but not limited to, the costs of: (i) creating and organizing the PID, including conducting hearings, preparing notices and petitions, and all costs incident thereto, including engineering fees, legal fees and consultant fees, (ii) the annual administrative, organization, maintenance, and operation costs and expenses associated with, or incident and allocable to, the administration, organization, and operation of the PID, (iii) computing, levying, billing and collecting Assessments or the Annual Installments thereof, (iv) maintaining the record of installments of the Assessments and the system of registration and transfer of the Bonds, (v) issuing, paying and redeeming the Bonds, (vi) investing or depositing of monies, (vii) complying with the PID Act and other laws applicable to the Bonds, (viii) the Trustee’s reasonable fees and expenses relating to the Bonds, (ix) legal counsel, engineers, accountants, financial advisors, investment bankers or other consultants and advisors, and (x) administering the construction of the Authorized Improvements. Administrative Expenses do not include payment of the actual principal of, redemption premium, if any, and interest on the Bonds. Administrative Expenses collected and not expended for actual Administrative Expenses shall be carried forward and applied to reduce Administrative Expenses in subsequent years to avoid the over-collection of amounts to pay Administrative Expenses.

“Administrator” means the employee or designee of the City, identified in any indenture of trust relating to the Bonds or in any other agreement approved by the City Council, who shall have the responsibilities provided for herein.

“Annual Installment” means, with respect to each Parcel, each annual payment of: (i) the Assessments including both principal and interest, as shown on the Assessment Rolls attached hereto as Appendix G and Appendix H, as applicable, or in an Annual Service Plan Update, and calculated as provided in Section VI of this Service and Assessment Plan, (ii) when applicable, the Additional Interest Component designated for the Additional Interest Reserve described in Section V of this Service and Assessment Plan, and (iii) the Administrative Expenses.

“Annual Service Plan Update” has the meaning set forth in the second paragraph of Section IV of this Service and Assessment Plan.

“Assessed Property” means the property that benefits from the Authorized Improvements to be provided by the PID on which Assessments have been imposed as shown in each Assessment Roll, as each Assessment Roll is updated each year by the Annual Service Plan Update. Assessed Property includes all Parcels within the PID other than Non-Benefited Property.

“Assessment” means an assessment levied against a Parcel imposed pursuant to an Assessment Ordinance and the provisions herein, as shown on any Assessment Roll, subject to reallocation upon the subdivision of such Parcel or reduction according to the provisions herein and the PID Act.

“Assessment Ordinance” means each Assessment Ordinance adopted by the City Council approving the Service and Assessment Plan (including amendments or supplements to the Service and Assessment Plan) and levying Assessments against the Assessed Property.

“Assessment Revenues” mean the revenues actually received by or on behalf of the City from the collection of Assessments.

“Assessment Roll” means, as applicable, the Phase #1 Assessment Roll - Phase #1 Initial Projects, the Phase #1 Assessment Roll - Phase #1 Additional Major Improvements, or any other Assessment Roll in an amendment or supplement to this Service and Assessment Plan or in an Annual Service Plan Update.

“Authorized Improvements” mean those public improvements described in Section III of this Service and Assessment Plan and authorized under Section 372.003 of the PID Act, constructed and installed in accordance with this Service and Assessment Plan, and any future updates and/or amendments.

“Bonds” mean any bonds issued by the City in one or more series and secured in whole or in part by the Assessment Revenues.

“Budgeted Cost(s)” means the amounts budgeted to construct the Authorized Improvements as used in the preparation of this Service and Assessment Plan.

“Certification for Payment” means the certificate to be provided by the Developer, or his designee, to substantiate the Actual Cost of one or more Authorized Improvements.

“City” means the City of Celina, Texas.

“City Council” means the duly elected governing body of the City.

“County” means Collin County, Texas.

“Delinquent Collection Costs” mean interest, penalties and expenses incurred or imposed with respect to any delinquent installment of an Assessment in accordance with the PID Act and the costs related to pursuing collection of a delinquent Assessment and foreclosing the lien against the Assessed Property, including attorney’s fees.

“Developer” means Celina 577 Partners, L.P., a Texas limited partnership, and any successor owner of the Property or any portion thereof with obligation to construct all or a portion of the Authorized Improvements.

“Development Agreement” means that certain Mustang Lakes Brinkmann Addition Development Agreement, effective as of January 22, 2019 and recorded as Document No. 20190111000143810 on February 11, 2019 in the real property records of Collin County, Texas, between the Issuer and the Developer, as the same may be amended from time to time.

“Equivalent Units” mean, as to any Parcel the number of dwelling units by lot type expected to be built on the Parcel multiplied by the factors calculated and shown in Appendix F attached hereto.

“Future Major Improvements” mean Authorized Improvements that benefit all Assessed Property within the PID and that are anticipated to be constructed after the Additional Major Improvements. Although subject to change, current plans anticipate that any Future Major Improvements will be constructed with the development of Phases #5 and #6. Future Major Improvements allocated to Phases developed prior to construction of such Future Major Improvements will be paid for by the Developer without reimbursement.

“Future Phases” mean Phases to be developed after Phase #1, as such areas are generally depicted and described in Appendix A. The Future Phases are subject to adjustment and are shown for example only.

“Homeowner Association” means a homeowner’s association or property owners’ association established for the benefit of property owners within the boundaries of the PID.

“Homeowner Association Property” means property within the boundaries of the PID that is owned by or irrevocably offered for dedication to, whether in fee simple or through an exclusive use easement, a Homeowner’s Association.

“Initial Major Improvements” mean the Authorized Improvements described in Section III.B that benefit all Assessed Property within the PID and that are constructed concurrently with Phase #1.

“Lot” means a tract of land described as a “lot” in a subdivision plat recorded in the official public records of the County.

“Lot Type” means a classification of final building lots with similar characteristics (e.g. commercial, light industrial, multifamily residential, single family residential, etc.), as determined by the Administrator and confirmed by the City Council as shown in Appendix F. In the case of single family residential lots, the Lot Type shall be further defined by classifying the residential lots by the estimated average home value for each home at the time of assessment levy, considering factors such as density, lot size, proximity to amenities, view premiums, location, and any other factors that may impact the average home value on the lot, as determined by the Administrator and confirmed by the City Council.

“Major Improvement Area” or “MIA” means the property within the PID excluding Phase #1 and excluding the Mixed-Use Parcels which are to be developed subsequent to Phase #1 and generally depicted in Appendix A of this Service and Assessment Plan or any Annual Service Plan Update.

“Major Improvement Area Projects” mean (i) the Initial Major Improvements allocable to Major Improvement Area, and (ii) the Additional Major Improvements allocable to the Major Improvement Area, and (iii) Future Major Improvements, if any, allocable to the Major Improvement Area.

"Mixed-Use Parcels" mean collectively the two tracts totaling approximately 60.481 acres more particularly described in Appendix C-3 and depicted as "MU-2" in Appendix A. The costs of the Authorized Improvements allocated to the Mixed-Use Parcels will be paid by the Developer in lieu of assessments being levied against this property for the benefit it receives, without reimbursement from the City and no Assessment will be levied against the Mixed-Use Parcels.

"Non-Benefited Property" means Parcels that accrue no special benefit from the Authorized Improvements, including Homeowner Association Property, Public Property and easements that create an exclusive use for a public utility provider to the extent they accrue no special benefit. Property identified as Non-Benefited Property at the time the Assessments (i) are imposed or (ii) are reallocated pursuant to a subdivision of a Parcel, is not assessed. Assessed Property converted to Non-Benefited Property, if the Assessments may not be reallocated pursuant to the provisions herein, remains subject to the Assessments and requires the Assessments to be prepaid as provided for in Section VI.D.

"Parcel" or **"Parcels"** means a parcel or parcels within the PID identified by either a tax map identification number assigned by the Collin Central Appraisal District for real property tax purposes or by lot and block number in a final subdivision plat recorded in the real property records of Collin County.

"Phase" means one or more Parcels within the PID that will be developed in the same general time period. The Parcels within a Phase will be assessed in connection with the issuance of Phased PID Bonds and/or the creation of an obligation under the Reimbursement Agreement for Authorized Improvements (or the portion thereof) designated herein or in an update to this Service and Assessment Plan that specially benefit the Parcels within the Phase.

"Phase #1" means the initial Phase to be developed and generally shown in Appendix A, as specifically described in Appendix C-2 and consisting of the Parcels shown in Appendix G and Appendix H.

"Phase #1 Additional Major Improvements" mean the pro rata portion the Additional Major Improvements allocable to Phase #1.

"Phase #1 Assessed Property" means all Parcels within Phase #1 other than Non-Benefited Property and shown in the Phase #1 Assessment Roll - Phase #1 Initial Projects and the Phase #1 Assessment Roll – Additional Major Improvements against which an Assessment relating to the Phase #1 Projects is levied.

"Phase #1 Assessments - Phase #1 Initial Projects" mean an assessment levied against a Parcel in Phase #1 imposed pursuant to an Assessment Ordinance and the provisions herein, as shown on the Phase #1 Assessment Roll - Phase #1 Initial Projects as Appendix G, subject to reallocation upon the subdivision of such Parcel or reduction according to the provisions herein and the PID Act.

"Phase #1 Assessments - Phase #1 Additional Major Improvements" mean an assessment levied against a Parcel in Phase #1 imposed pursuant to an Assessment Ordinance and the provisions herein, as shown on the Phase #1 Assessment Roll - Phase #1 Additional Major

Improvements as Appendix H, subject to reallocation upon the subdivision of such Parcel or reduction according to the provisions herein and the PID Act.

“Phases #1 Assessment Revenues” mean the actual revenues received by or on behalf of the City from the collection of Assessments levied against Phase #1 Assessed Property, or the Annual Installments thereof, for the Phase #1 Projects.

“Phase #1 Assessment Roll - Phase #1 Initial Projects” mean the document included in this Service and Assessment Plan as Appendix G, as updated, modified or amended from time to time in accordance with the procedures set forth herein and in the PID Act, including updates prepared in connection with the issuance of Bonds or in connection with any Annual Service Plan Update.

“Phase #1 Assessment Roll - Phase #1 Additional Major Improvements” mean the document included in this Service and Assessment Plan as Appendix H, as updated, modified or amended from time to time in accordance with the procedures set forth herein and in the PID Act, including updates prepared in connection with the issuance of Bonds or in connection with any Annual Service Plan Update.

“Phase #1 Improvements” mean the Authorized Improvements which only benefit Phase #1 Assessed Property, which are described in Section III.D.

“Phase #1 Initial Projects” mean collectively, the Phase #1 Improvements and the pro rata portion of the Initial Major Improvements allocable to Phase #1.

“Phase #1 Maximum Assessment Per Unit” means for Phase #1, an Assessment per unit for Phase #1 Projects for each applicable Lot Type as follows:

Lot Type 1 (86 Ft) - \$67,963.27
 Lot Type 2 (74 Ft) - \$66,604.01
 Lot Type 3 (60 Ft) - \$55,050.25
 Lot Type 4 (50 Ft) - \$39,418.70
 Lot Type 5 (40 Ft) - \$35,340.90

“Phase #1 Projects” mean (i) the Phase #1 Improvements, (ii) the pro rata portion of the Initial Major Improvements allocable to Phase #1, (iii) the pro rata portion of the Additional Major Improvements allocable to Phase #1, and (iv) the pro rata portion of the Future Major Improvements, if any, allocable to Phase #1.

“Phase #1 Reimbursement Agreement Obligation (Phase #1 Initial Projects)” mean the reimbursement obligation related to the Actual Costs of the Phase #1 Initial Projects to be paid from the Phase #1 Assessment Revenues collected by application of the Phase #1 Assessments – Phase #1 Initial Projects under the terms of the Reimbursement Agreement.

“Phase #1 Reimbursement Agreement Obligation (Phase #1 Additional Major Improvements)” mean the reimbursement obligation related to the Actual Costs of Phase #1 Additional Major Improvements to be paid from the Phase #1 Assessment Revenues collected by

application of the Phase #1 Assessments – Phase #1 Additional Major Improvements under the terms of the Reimbursement Agreement.

“Phased PID Bonds” mean bonds issued to fund Authorized Improvements (or a portion thereof) in a Phase. In connection with the issuance of Phased PID Bonds, if Assessments have not previously been levied, Assessments will be levied only on Parcels located within the Phase in question.

“PID” has the meaning set forth in Section I.A of this Service and Assessment Plan.

“PID Act” means Texas Local Government Code Chapter 372, Public Improvement District Assessment Act, Subchapter A, Public Improvement Districts, as amended.

“Prepayment Costs” mean interest and expenses to the date of prepayment, plus any additional expenses related to the prepayment, reasonably expected to be incurred by or imposed upon the City as a result of any prepayment of an Assessment.

“Public Property” means property within the boundaries of the PID that is owned by or irrevocably offered for dedication to the federal government, the State of Texas, the County, the City, a school district or any other public agency, whether in fee simple or through an exclusive use easement.

“Reimbursement Agreement” means that certain PID Reimbursement Agreement - Mustang Lakes (Annex), dated [March 14], 2023, by and between the City and the Developer in which the Developer agrees to fund the Actual Costs of the Authorized Improvements and the City agrees to reimburse the Developer with interest as permitted by the PID Act solely from Assessment Revenues and/or the net proceeds of Bonds for a portion of such Actual Costs of the Authorized Improvements funded by the Developer for Authorized Improvements constructed and accepted by the City for the benefit of the Assessed Property.

“Service and Assessment Plan” means this Service and Assessment Plan prepared for the PID pursuant to the PID Act, as the same may be amended from time to time.

“Trustee” means the fiscal agent or trustee as specified in the Trust Indenture, including a substitute fiscal agent or trustee.

“Trust Indenture” means an indenture of trust, ordinance or similar document setting forth the terms and other provisions relating to the Bonds, as modified, amended, and/or supplemented from time to time.

“Zoning Ordinance” means Ordinance No. [REDACTED] adopted by the City Council on [REDACTED], 20__, which ordinances establish the permitted uses of, and standards for the development of the property within the District, as amended from time to time.

II. PROPERTY INCLUDED IN THE PID

A. PROPERTY INCLUDED IN THE PID

The PID is presently located within the City and contains approximately 556.836 acres of land. A map of the property within the PID is shown in Appendix A and described in Appendix C-1 to this Service and Assessment Plan.

At completion, the PID is expected to consist of approximately 1,436 single family residential units, landscaping, and infrastructure necessary to provide roadways, drainage, and utilities to the PID.

The residential property within the PID is proposed to be developed as shown in Table II-A.

Table II-A
Proposed Development – PID

Proposed Development	Quantity	Measurement
Single-family - 86 Ft	148	Units
Single-family - 74 Ft	245	Units
Single-family - 60 Ft	452	Units
Single-family - 50 Ft	560	Units
Single-family - 40 Ft	31	Units
Total	1,436	Units

Additionally, the Mixed-Use Parcels consisting of two tracts totaling approximately 60.481 acres generally depicted on Exhibit A and described in Appendix C-2 to this Service and Assessment Plan will be developed as a mix of residential, multi-family, retail, office and other uses in accordance with the development standards attached as Exhibit D to the Development Agreement. The costs of the Authorized Improvements allocated to the Mixed-Use Parcels will be paid by the Developer in lieu of assessments being levied against this property for the benefit it receives, without reimbursement from the City and no Assessment will be levied on the Mixed-Use Parcels.

B. PROPERTY INCLUDED IN THE MAJOR IMPROVEMENT AREA

The Major Improvement Area consists of approximately 461.376 acres and is projected to consist of approximately 1,284 residential units. A map of the property within the Major Improvement Area is shown in Appendix A and more fully described in Appendix C.

The property within the Major Improvement Area is proposed to be developed as shown in Table II-B.

(remainder of this page is intentionally left blank)

Table II-B
Proposed Development – Major Improvement Area

Proposed Development	Quantity	Measurement
Single-family - 86 Ft	148	Units
Single-family - 74 Ft	245	Units
Single-family - 60 Ft	390	Units
Single-family - 50 Ft	470	Units
Single-family - 40 Ft	31	Units
Total	1,284	Units

C. PROPERTY INCLUDED IN PHASE #1

The property within Phase #1 is proposed to be developed as shown in Table II-C.

Phase #1 consists of approximately 34.979 acres and is projected to consist of 152 single family residential units, to be developed as Phase #1, as further described in Section III.D. A map of the property within Phase #1 is shown in Appendix A and more fully described in Appendix C-2.

Table II-C
Proposed Development - Phase #1

Proposed Development	Quantity	Measurement
Single-family - 86 Ft	0	Units
Single-family - 74 Ft	0	Units
Single-family - 60 Ft	62	Units
Single-family - 50 Ft	90	Units
Single-family - 40 Ft	0	Units
Total	152	Units

D. PROPERTY INCLUDED IN FUTURE PHASES

As Future Phases are developed, Bonds, including Phased PID Bonds, may be issued or assessments may be levied in connection with an obligation under the Reimbursement Agreement. In connection with the levy of additional assessments or the issuance of Bonds, this Service and Assessment Plan will be updated to add additional details of each new Phase(s) as shown for Phase #1 in Section II.C. A map of the projected property within each Future Phase is shown in Appendix A. The Future Phases are shown for illustrative purposes only and are subject to adjustment. The current Parcels in the PID are shown on the Assessment Rolls included as Appendix G and Appendix H.

The estimated number of units at the build-out of the PID is based on the land use approvals for the property, the anticipated subdivision of property in the PID, and the Developer's estimate of the highest and best use of the property within the PID.

III. DESCRIPTION OF THE AUTHORIZED IMPROVEMENTS

A. AUTHORIZED IMPROVEMENT OVERVIEW

372.003. Authorized Improvements

(a) If the governing body of a municipality or county finds that it promotes the interests of the municipality or county, the governing body may undertake an improvement project that confers a special benefit on a definable part of the municipality or county or the municipality's extraterritorial jurisdiction. A project may be undertaken in the municipality or county or the municipality's extraterritorial jurisdiction.

(b) A public improvement may include:

- (i) landscaping;
- (ii) erection of fountains, distinctive lighting, and signs;
- (iii) acquiring, constructing, improving, widening, narrowing, closing, or rerouting of sidewalks or of streets, any other roadways, or their rights-of way;
- (iv) construction or improvement of pedestrian malls;
- (v) acquisition and installation of pieces of art;
- (vi) acquisition, construction, or improvement of libraries;
- (vii) acquisition, construction, or improvement of off-street parking facilities;
- (viii) acquisition, construction, improvement, or rerouting of mass transportation facilities;
- (ix) acquisition, construction, or improvement of water, wastewater, or drainage facilities or improvements;
- (x) the establishment or improvement of parks;
- (xi) projects similar to those listed in Subdivisions (i)-(x);
- (xii) acquisition, by purchase or otherwise, of real property in connection with an authorized improvement;
- (xiii) special supplemental services for improvement and promotion of the district, including services relating to advertising, promotion, health and sanitation, water and wastewater, public safety, security, business recruitment, development, recreation, and cultural enhancement;
- (xiv) payment of expenses incurred in the establishment, administration and operation of the district; and
- (xv) the development, rehabilitation, or expansion of affordable housing

After analyzing the public improvement projects authorized by the PID Act, the City has determined at this time to undertake only Authorized Improvements listed in Section III.B, Section III.C, and III.D below and shown in the opinion of probable costs shown in Appendix B and on the diagrams included as Appendix D for the benefit of the Assessed Property. Any change to the list of Authorized Improvements will require the approval of the City and an update to this Service and Assessment Plan. Tables included in this Section may be rounded to the nearest whole dollar.

B. DESCRIPTIONS AND COSTS OF INITIAL MAJOR IMPROVEMENTS

The construction of the Initial Major Improvements, which are expected to be constructed concurrently with the development of Phase #1, and that benefit all of the Assessed Property within the PID commenced in May 2022 and is anticipated to be completed by the end of April 2023. The Budgeted Costs of the Initial Major Improvements are allocated proportionally throughout the entire PID, excluding Non-Benefited Property, in a manner that anticipates planned development of the PID based on the anticipated number of Equivalent Units. Each of Phase #1, the Major Improvement Area, and the Mixed-Use Parcels will be proportionally allocated the Budgeted Costs of the Initial Major Improvements, as shown in Table III-A. The Developer will pay the pro-rata portion of the Budgeted Costs of the Initial Major Improvements allocated to the Mixed-Use Parcels without reimbursement.

The Initial Major Improvements descriptions are presented below as provided by the project engineer. The Budgeted Costs of the Initial Major Improvements are shown in Table III-A and may be revised in Annual Service Plan Updates, including such other improvements as deemed necessary to further improve the properties within the PID.

A description of the Initial Major Improvements follows:

Roadway Improvements

The roadway portion of the Initial Major Improvements includes clearing, grubbing, excavation of streets and right of ways, construction of lime treated subgrade and reinforced concrete street pavements, deceleration lanes, turn lanes, sidewalks and retaining walls. The roadway improvements include an allocable share of perimeter road improvements. The roadway improvements have been constructed according to City standards.

Water Improvements

The water distribution system portion of the Initial Major Improvements includes water mains of various diameters, generally 8-12 inches, that are generally polyvinyl chloride (PVC) pipe, matching gate valves and boxes, fire hydrants, tapping sleeves, service lines, and other water line appurtenances. The water distribution system improvements have been constructed according to City standards.

Sanitary Sewer Improvements

The sanitary sewer collection system portion of the Initial Major Improvements includes sanitary sewer mains of various diameters, which are PVC pipe, manholes, service lines, clean-outs, and other sewer main appurtenances. The sanitary sewer collection system improvements have been constructed according to City standards.

Soft and Miscellaneous Costs

Soft and miscellaneous costs include costs related to designing, constructing, and installing the Initial Major Improvements including land planning and design, City fees, legal fees, engineering,

soil testing, survey and construction management, contingency and expenses incurred in the establishment, administration and operation of the PID.

Table III-A
Budgeted Costs – Initial Major Improvements

Authorized Improvements	Total Initial Major Improvement Costs	Initial Major Improvements Allocated to the Mixed-Use Parcels ¹	Initial Major Improvements Cost Allocated to Assessed Property	Initial Major Improvements Allocated to Phase #1 ²	Initial Major Improvement Allocated to MIA ²
Roadway improvements	\$506,000	\$7,135	\$498,865	\$46,655	\$452,210
Water improvements	\$131,000	\$0	\$131,000	\$12,251	\$118,749
Sanitary sewer improvements	\$395,000	\$0	\$395,000	\$36,941	\$358,059
Soft and miscellaneous costs	\$447,566	\$0	\$447,566	\$41,857	\$405,709
Total	\$1,479,566	\$7,135	\$1,472,431	\$137,705	\$1,334,726

Note: Costs provided by Dowdey, Anderson & Associates, Inc. The figures shown in Table III-A may be revised in Annual Service Plan Updates and may be reallocated between line items so long as the total Initial Major Improvement amount does not change.

1 – Allocation of the Initial Major Improvements to the Mixed-Use Parcels is based on an engineer's allocation as described in Section V.C and shown in Table V-A. The engineer's allocation is further described in Appendix B. The costs of the Initial Major Improvements allocated to the Mixed-Use Parcels will be paid by the Developer without reimbursement.

2 - Allocation of Initial Major Improvements to Phase #1 and the Major Improvement Area is based on the methodologies described in Section V.C and shown in Table V-C.

C. DESCRIPTIONS AND COSTS OF ADDITIONAL MAJOR IMPROVEMENTS

Construction of the Additional Major Improvements that benefit all of the Assessed Property within the PID is currently planned to occur as Future Phases are developed; and such construction is anticipated to commence in 2023 and is expected to be completed within 60 months after commencement. Although subject to change, current plans anticipate that the Additional Major Improvements will be constructed in Phases as shown in Appendix B and depicted in Appendix D. The Budgeted Costs of the Additional Major Improvements are allocated proportionally throughout the entire PID, excluding Non-Benefited Property, in a manner that anticipates planned development of the PID based on the anticipated number of Equivalent Units. Each of Phase #1, the Major Improvement Area, and the Mixed-Use Parcels will be proportionally allocated the Budgeted Costs of the Additional Major Improvements, as shown in Table III-B. The Developer will pay the pro-rata portion of the Budgeted Costs of the Additional Major Improvements allocated to the Mixed-Use Parcels without reimbursement.

The Additional Major Improvements descriptions are presented below as provided by the project engineer. The Budgeted Costs of the Additional Major Improvements are shown in Table III-B and may be revised in Annual Service Plan Updates, including such other improvements as deemed necessary to further improve the properties within the PID.

A description of the Additional Major Improvements follows:

(remainder of this page is intentionally left blank)

Roadway Improvements

The roadway portion of the Additional Major Improvements includes clearing, grubbing, excavation of streets and right of ways, construction of lime treated subgrade and reinforced concrete street pavements, deceleration lanes, turn lanes, sidewalks, street lights and appurtenances thereto. The roadway improvements include an allocable share of perimeter road improvements. The roadway improvements will be constructed according to City standards.

Water Improvements

The water distribution system portion of the Additional Major Improvements includes water mains of various diameters, generally 8-12 inches, that are generally polyvinyl chloride (PVC) pipe, matching gate valves and boxes, fire hydrants, tapping sleeves, service lines, and other water line appurtenances. The water distribution system improvements will be constructed according to City standards.

Sanitary Sewer Improvements

The sanitary sewer collection system portion of the Additional Major Improvements includes sanitary sewer mains of various diameters, which are PVC pipe, manholes, service lines, clean-outs, and other sewer main appurtenances. The sanitary sewer collection system improvements will be constructed according to City standards.

Storm Drainage Improvements

The storm drainage collection system portion of the Additional Major Improvements includes pre-development erosion control, excavation of detention facilities, retaining walls, silt fences, rock check dams, sedimentation basins and drainage structures, various size reinforced concrete pipes, curb inlets, pre-cast headwalls, detention structures, and trench safety. The storm drainage collection system improvements will be constructed according to City standards.

Soft and Miscellaneous Costs

Soft and miscellaneous costs include costs related to designing, constructing, and installing the Additional Major Improvements including land planning and design, City fees, legal fees, engineering, soil testing, survey and construction management, contingency and expenses incurred in the establishment, administration and operation of the PID.

(remainder of this page is intentionally left blank)

Table III-B
Budgeted Costs – Additional Major Improvements

Authorized Improvements	Total Additional Major Improvement Costs	Additional Major Improvements Allocated to the Mixed-Use Parcels¹	Initial Major Improvements Cost Allocated to Assessed Property	Initial Major Improvements Cost Allocated to Assessed Property²	Additional Major Improvements Allocated MIA²
Road improvements	\$6,555,000	\$92,426	\$6,462,575	\$604,395	\$5,858
Water improvements	\$2,045,000	\$0	\$2,045,000	\$191,253	\$1,853
Sanitary sewer improvements	\$1,425,000	\$0	\$1,425,000	\$133,269	\$1,291
Storm drainage improvements	\$8,614,300	\$0	\$8,614,300	\$805,629	\$7,808
Soft and miscellaneous costs	\$6,540,236	\$0	\$6,540,236	\$611,658	\$5,928
Total	\$25,179,536	\$92,426	\$25,087,111	\$2,346,204	\$22,740

Note: Costs provided by Dowdey, Anderson & Associates, Inc. The figures shown in Table III-B may be revised in Annual Service Plan Updates and may be reallocated between line items so long as the total Additional Major Improvements amount does not change.

1 – Allocation of the Additional Major Improvements to the Mixed-Use Parcels is based on an engineer's allocation as described in Section V.C and shown in Table V-B. The engineer's allocation is further described in Appendix B. The costs of the Initial Major Improvements allocated to the Mixed-Use Parcels will be paid by the Developer without reimbursement.

2 - Allocation of Additional Major Improvements to Phase #1 and the Major Improvement Area is based on the methodologies described in Section V.C and shown in Table V-C.

D. DESCRIPTIONS AND COSTS OF PHASE #1 IMPROVEMENTS

The construction of the Phase #1 Improvements that benefit the Phase #1 Assessed Property commenced in May 2022 and is anticipated to be completed by the end of April 2023. The Phase #1 Improvements descriptions are presented below as provided by the project engineer. The Phase #1 Projects include Phase #1's proportionate share of the Budgeted Costs of the Initial Major Improvements, the proportionate share of the Budgeted Costs of the Additional Major Improvements, and the Budgeted Costs of the Phases #1 Improvements. The Budgeted Costs of the Phase #1 Projects are shown in Table III-C and may be revised in Annual Service Plan Updates, including such other improvements as deemed necessary to further improve the properties within the PID.

A description of the Phase #1 Improvements are as follows, and a description of the Initial Major Improvements and the Additional Major Improvements that are a portion of the Phase #1 Projects can be found in Section III.B and Section III.C, respectively.

Roadway Improvements

The roadway portion of the Phase #1 Improvements includes clearing, grubbing, excavation of streets and right of ways, construction entrance, lime treated subgrade and reinforced concrete street pavements, removal of existing curb, sidewalks, retaining walls, signage and traffic control devices. The Phase #1 roadway improvements include an allocable share of perimeter road improvements. The Phase #1 roadway improvements have been constructed according to City standards.

Water Improvements

The water distribution system portion of the Phase #1 Improvements include PVC waterlines, various gate valves and boxes, fire hydrants, and tapping sleeves. The Phase #1 water distribution system improvements have been constructed according to City standards.

Sanitary Sewer Improvements

The sanitary sewer collection system portion of the Phase #1 Improvements includes PVC pipes, manholes, service lines, PSI concrete encasements, and trench safety. The Phase #1 sanitary sewer collection system improvements have been constructed according to City standards.

Storm Drainage Improvements

The storm drainage collection system portion of the Phase #1 Improvements includes pre and post development erosion control, silt fences, rock check dams, sedimentation basins and drainage structures, various size R.C.B.s, curb inlets, pre-cast headwalls, detention structures, and trench safety. The Phase #1 storm drainage collection system improvements have been constructed according to City standards.

Soft and Miscellaneous Costs

Soft and miscellaneous costs include costs related to designing, constructing, and installing the Phase #1 Improvements including land planning and design, City fees, legal fees, engineering, soil testing, survey and construction management, and contingency.

Table III-C
Budgeted Costs – Phase #1 Projects

Authorized Improvements	Phase #1 Improvements¹	Proportional Share of Initial Major Improvements^{1,2}	Proportional Share of Additional Major Improvements²	Total Phase #1 Projects
Road improvements	\$1,561,000	\$46,655	\$604,395	\$2,212,050
Water improvements	\$658,000	\$12,251	\$191,253	\$861,505
Sanitary sewer improvements	\$593,000	\$36,941	\$133,269	\$763,211
Storm drainage improvements	\$741,000	\$0	\$805,629	\$1,546,629
Soft and miscellaneous costs	\$1,220,093	\$41,857	\$611,658	\$1,873,608
Total	\$4,773,093	\$137,705	\$2,346,204	\$7,257,002

Note: Costs provided by Dowdey, Anderson & Associates, Inc. The figures shown in Table III-C may be revised in Annual Service Plan Updates and may be reallocated between line items so long as the total Phase #1 Projects amount does not change.

¹The Phase #1 Improvements and the proportional share of the Initial Major Improvements are referred to collectively as the Phase #1 Initial Projects.

²See Table III-A and Table III-B. The Initial Major Improvements allocated to Phase #1 are reimbursable as a portion of the Phase #1 Reimbursement Agreement Obligation (Phase #1 Initial Projects). The Additional Major Improvements allocated to Phase #1 are reimbursable as the Phase #1 Reimbursement Agreement Obligation (Phase #1 Additional Major Improvements).

E. FUTURE PHASES AND FUTURE MAJOR IMPROVEMENTS

As Future Phases are developed, additional Bonds may be issued and/or obligations may be incurred under the Reimbursement Agreement to finance Authorized Improvements, which may include Authorized Improvements that confer a special benefit to the property inside each new Phase and/or additional Future Major Improvements that benefit all of the Assessed Property within the PID and that will be constructed with the development of Phases #5 and #6 (e.g. a Table III-D will be added to show the costs for the specific Authorized Improvements financed within the specific Phase being developed or the tables above will be updated to reflect the allocation of the costs of the Future Major Improvements, as applicable.) for each Future Phase. As Bonds are issued and/or obligations are incurred under the Reimbursement Agreement for each Future Phase, this Service and Assessment Plan will be updated to identify the specific Authorized Improvements financed by such Bonds or the Reimbursement Agreement that benefit each Future Phase.

(remainder of this page is intentionally left blank)

IV. SERVICE PLAN

A. PROJECTED SOURCES AND USES OF FUNDS

The PID Act requires the service plan to cover a period of at least five years. The service plan is required to define the annual projected costs and indebtedness for the Authorized Improvements undertaken within the PID during the five year period. Construction of the Phase #1 Improvements and the Initial Major Improvements commenced in May 2022, and it is anticipated that construction of the Phase #1 Improvements and the Initial Major Improvements will be complete by the end of April 2023. Construction of the Additional Major Improvements is anticipated to commence in 2nd quarter of 2023 and is expected to be completed within 60 months after commencement.

The Budgeted Costs for the Phase #1 Initial Projects (consisting of Phase #1 Improvements and Phase #1's pro rata portion of Initial Major Improvements) and Phase #1 Additional Major Improvements (consisting of Phase #1's pro rata portion of Additional Major Improvements), and payment of its allocated portion of the expenses incurred in the establishment, administration and operation of the PID is \$7,302,002 as shown in Table IV-A. The service plan shall be reviewed and updated at least annually for the purpose of determining the annual budget for Administrative Expenses, updating the estimated Authorized Improvement costs, and updating the Assessment Rolls. Any update to this Service and Assessment Plan is herein referred to as an "Annual Service Plan Update."

The total Budgeted Costs for the Initial Major Improvements and Additional Major Improvements allocated to the Mixed-Use Parcels is \$99,560 as shown in Section V.C. This amount will be paid by the Developer in lieu of assessments being levied against this property for the benefit it receives, without reimbursement, and the Mixed-Use Parcels will not be assessed. The property within Phase #1 and the Major Improvement Area is not assessed for any portion of costs allocated to the Mixed-Use Parcels based on the benefit to the Mixed-Use Parcels from the Initial Major Improvements and Additional Major Improvements.

As Future Phases are developed and/or the Future Major Improvements are constructed, this Service and Assessment Plan will be amended to provide updated information on the Authorized Improvements, which may include Authorized Improvements that confer a special benefit to the property inside each new Phase and/or additional Future Major Improvements that benefit all of the Property within the PID (e.g. a table will be added for Phase #2, etc.).

Phase #1

Table IV-A shows the projected sources and uses of: (i) the Phase #1 Initial Projects (consisting of the Phase #1 Improvements and Phase #1's pro-rata share of the costs of the Initial Major Improvements), and (ii) the Phase #1 Additional Major Improvements (consisting of Phase #1's pro-rata share of the costs of the Additional Major Improvements), as well as other costs related to the levy of assessments against property within Phase #1. Tables included in this Section may be rounded to the nearest whole dollar.

Table IV-A
Projected Sources and Uses – Phase #1

Sources of Funds	Phase #1 Reimbursement Agreement Obligation (Phase #1 Initial Projects)	Phase #1 Reimbursement Agreement Obligation (Phase #1 Additional Major Improvements)	Total
Assessment amount	\$4,945,798	\$2,015,000	\$6,960,798
Other funding sources	\$0	\$341,204	\$341,204
Total Sources	\$4,945,798	\$2,356,204	\$7,302,002
Uses of Funds			
<u>Initial Major Improvements¹:</u>			
Roadway improvements	\$46,655	\$0	\$46,655
Water improvements	\$12,251	\$0	\$12,251
Sanitary sewer improvements	\$36,941	\$0	\$36,941
Soft and miscellaneous costs	\$41,857	\$0	\$41,857
<i>Subtotal</i>	<i>\$137,705</i>	<i>\$0</i>	<i>\$137,705</i>
<u>Additional Major Improvements¹:</u>			
Roadway improvements	\$0	\$604,395	\$604,395
Water improvements	\$0	\$191,253	\$191,253
Sanitary sewer improvements	\$0	\$133,269	\$133,269
Storm drainage improvements	\$0	\$805,629	\$805,629
Soft and miscellaneous costs	\$0	\$611,658	\$611,658
<i>Subtotal</i>	<i>\$0</i>	<i>\$2,346,204</i>	<i>\$2,346,204</i>
<u>Phase #1 Improvements¹:</u>			
		\$0	\$0
Roadway improvements	\$1,561,000	\$0	\$1,561,000
Water improvements	\$658,000	\$0	\$658,000
Sanitary sewer improvements	\$593,000	\$0	\$593,000
Storm drainage improvements	\$741,000	\$0	\$741,000
Soft and miscellaneous costs	\$1,220,093	\$0	\$1,220,093
<i>Subtotal</i>	<i>\$4,773,093</i>	<i>\$0</i>	<i>\$4,773,093</i>
<u>Other Assessment Levy Costs:</u>			
First year Administrative Expenses	\$35,000	\$10,000	\$45,000
<i>Subtotal</i>	<i>\$35,000</i>	<i>\$10,000</i>	<i>\$45,000</i>
Total Uses	\$4,945,798	\$2,356,204	\$7,302,002

¹See Table III-C for details.

The Reimbursement Agreement is anticipated to be executed [March 14], 2023 and will create the Phase #1 Reimbursement Agreement Obligation (Phase #1 Initial Projects) to finance the Phase #1 Initial Projects. The Reimbursement Agreement will also create the Phase #1 Reimbursement Agreement Obligation (Phase #1 Additional Major Improvements) to finance a portion of the Phase #1 Additional Major Improvements.

Attachment: Draft Resolution (Mustang Annex PID – Pre-SAP)

B. PROJECTED FIVE YEAR SERVICE PLAN

Phase #1

The annual projected costs and annual projected indebtedness for Phase #1 is shown by Table IV-B. The annual projected costs and indebtedness is subject to revision, and each shall be updated in the Annual Service Plan Update to reflect any changes in the costs or indebtedness expected for each year.

Table IV-B
Annual Projected Costs and Annual Projected Indebtedness – Phase #1

Year	Annual Projected Cost	Annual Projected Indebtedness	Other Funding Sources	Projected Phase #1 Annual Installments
1	\$3,709,349	\$0	\$0	\$0
2	\$1,236,450	\$6,960,798	\$0	\$0
3	\$471,241	\$0	\$68,241	\$649,109
4	\$471,241	\$0	\$68,241	\$649,836
5	\$471,241	\$0	\$68,241	\$650,581
6	\$471,241	\$0	\$68,241	\$651,344
7	\$471,241	\$0	\$68,241	\$652,126
8	\$0	\$0	\$0	\$587,110
Total	\$7,302,002	\$6,960,798	\$341,204	\$3,840,107

¹Annual projected indebtedness represents the total assessment levied on the property.

²Annual projected costs represent 75% of the Budgeted Costs of the Phase #1 Initial Projects in year 1, 25% of the Budgeted Costs of the Phase #1 Initial Projects in year 2, and 20% of the Budgeted Costs of the Phase #1 Additional Major Improvements in each of years 3 through 7.

The annual projected costs shown in Table IV-B are the annual expenditures relating to the Phase #1 Projects shown in Table III-C and the costs associated with setting up the PID shown in Table IV-A. The difference between the total projected cost and the total projected indebtedness, if any, is the amount contributed by the Developer.

Future Phases

As Future Phases are developed Table IV-C will be added to identify the Authorized Improvements to be financed by each new series of Bonds and/or under the Reimbursement Agreement and the projected indebtedness resulting from each additional series of Bonds and/or obligations under the Reimbursement Agreement.

C. PID ASSESSMENT NOTICE

The PID Act requires that this Service and Assessment Plan and each Annual Service Plan Update include a copy of the notice form required by Section 5.014 of the Texas Property Code (the “PID Assessment Notice”). The PID Assessment Notice is attached hereto as Appendix E and may be updated in an Annual Service Plan Update.

V. ASSESSMENT PLAN

A. INTRODUCTION

The PID Act requires the City Council to apportion the costs of the Authorized Improvements on the basis of special benefits conferred upon the property because of the Authorized Improvements. The PID Act provides that the costs of the Authorized Improvements may be assessed: (i) equally per front foot or square foot; (ii) according to the value of the property as determined by the governing body, with or without regard to improvements on the property; or (iii) in any other manner that results in imposing equal shares of the cost on property similarly benefited. The PID Act further provides that the governing body may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the municipality and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

The proposed bond issuance program entails a series of bond financings and/or obligations under the Reimbursement Agreement that are intended to finance and/or reimburse the costs of the public infrastructure required for the development of property within the PID. This financing will necessarily be undertaken in phases to coincide with the private investment and development of the Authorized Improvements. Following the execution of the Reimbursement Agreement creating the Phase #1 Reimbursement Agreement Obligation (Phase #1 Initial Projects) and the Phase #1 Reimbursement Agreement Obligation (Phase #1 Additional Major Improvements), currently anticipated to be created on [March 14], 2023, subsequent obligations under the Reimbursement Agreement and/or bond financings may be incurred or issued in the future as the subsequent Future Phases are gradually constructed.

The purpose of this gradual issuance of Bonds in phases is to mirror the actual private development of the Authorized Improvements. The Bonds to be issued are most prudently and efficiently utilized when directly coinciding with construction of public infrastructure needed for private development that is to occur once the infrastructure is completed; it is most effective to issue the Bonds when the infrastructure is needed, not before. Furthermore, there is no economic advantage, and several disadvantages, to issuing debt and encumbering property within the PID prior to the need for the Authorized Improvements.

For purposes of this Service and Assessment Plan, the City Council has determined that the costs of the Major Improvement Area Projects and Phase #1 Projects shall be allocated as described below:

1. The costs of the Phase #1 Projects that only benefit Phase #1 shall be allocated to Phase #1 Assessed Property on the basis of Equivalent Units calculated using the average home price of each Lot Type once such property is developed, and that such method of allocation will result in the imposition of equal shares of the costs of the Authorized Improvements to Parcels similarly benefited.

2. The Initial Major Improvements and Additional Major Improvements are first proportionally allocated to the Mixed-Use Parcels based on an engineer's allocation as allocation as described in Section V.C and shown in Table V-A and Table V-B, and further described in Appendix B. The Actual Costs of the Initial Major Improvements and Additional Major Improvements allocated to the Mixed-Use Parcels will be paid entirely by the Developer in lieu of assessments being levied against this property for the benefit it receives, without reimbursement and will not be levied against the Mixed-Use Parcels. The remaining costs of the Initial Major Improvements and Additional Major Improvements will be allocated to the Phase #1 Assessed Property, and the Major Improvement Area based on estimated Equivalent Units calculated using the average home price for the Phase #1 Assessed Property and the Major Improvement Area. Assessments relating to the pro-rata share of the Initial Major Improvements and Additional Major Improvements allocated to Future Phases are anticipated to be levied with the development of such Future Phase.

Table V-A, Table V-B and Table-V-C provides the estimated allocation of costs of the Authorized Improvements constituting Initial Major Improvements and the estimated allocation of costs of the Authorized Improvements constituting Additional Major Improvements.

At this time, it is impossible to determine with absolute certainty the amount of special benefit each Parcel within the Future Phases will receive from the Authorized Improvements that will benefit each individual Phase or from Future Major Improvements, if any, and that are to be financed with Bonds and/or future obligations under the Reimbursement Agreement. Therefore, Parcels will only be assessed for the special benefits conferred upon the Parcel at this time because of the Initial Major Improvements, the Additional Major Improvements, and the Phase #1 Improvements, as applicable.

In connection with the issuance of future Bonds and/or future obligations under the Reimbursement Agreement, this Service and Assessment Plan will be updated to reflect the special benefit each Parcel of Assessed Property within the Future Phases receives from the specific Authorized Improvements funded with the issuance such Bonds and/or future obligations under the Reimbursement Agreements. Prior to assessing Parcels located within Future Phases in connection with issuance of Phased PID Bonds, each owner of the Parcels to be assessed must acknowledge that the Authorized Improvements to be financed confer a special benefit on their Parcel and must consent to the imposition of the Assessments to pay for the Actual Costs of such Authorized Improvements.

This section of this Service and Assessment Plan currently (i) describes the special benefit received by each Parcel within the PID as a result of the Initial Major Improvements, Additional Major Improvements, and Phase #1 Improvements, as applicable, (ii) provides the basis and justification for the determination that the portion of this special benefit allocated to Phase #1 exceeds the amount of the Assessments to be levied on the Phase #1 Assessed Property, and (iii) establishes the methodologies by which the City Council allocates and reallocates the special benefit of the Initial Major Improvements, the Additional Major Improvements, and Phase #1 Improvements, as applicable, to Parcels in a manner that results in equal shares of the Actual Costs of such improvements being apportioned to Parcels similarly benefited. The determination by the City Council of the assessment methodologies set forth below is the result of the discretionary

exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Developer and all future owners and developers of the Assessed Property.

As Future Phases are developed or Future Major Improvements are constructed, in connection with the issuance of Bonds and/or future obligations under the Reimbursement Agreement, this Service and Assessment Plan will be updated based on the City's determination of the assessment methodology for each Future Phases.

B. SPECIAL BENEFIT

Assessed Property must receive a direct and special benefit from the Authorized Improvements, and this benefit must be equal to or greater than the amount of the Assessments. The Authorized Improvements are provided specifically for the benefit of the Assessed Property. The Authorized Improvements (more particularly described in line-item format in Appendix B to this Service and Assessment Plan) and the costs of issuance and payment of costs incurred in the establishment of the PID shown in Table IV-A are authorized by the PID Act. These Authorized Improvements are provided specifically for the benefit of the Assessed Property.

Each owner of the Assessed Property has acknowledged that the Authorized Improvements confer a special benefit on the Assessed Property and has consented to the imposition of the Assessments to pay for the Actual Costs associated therewith. Each of the owners is acting in its interest in consenting to this apportionment and levying of the Assessments because the special benefit conferred upon the Assessed Property by the Authorized Improvements exceeds the amount of the Assessments.

The Authorized Improvements provide a special benefit to the Assessed Property as a result of the close proximity of these improvements to the Assessed Property and the specific purpose of these improvements of providing infrastructure for the Assessed Property. In other words, the Assessed Property could not be used in the manner proposed without the construction of the Authorized Improvements. The Authorized Improvements are being provided specifically to meet the needs of the Assessed Property as required for the proposed use of the property.

The Assessments are being levied to provide the Authorized Improvements that are required for the highest and best use of the Assessed Property (i.e., the use of the property that is most valuable, including any costs associated with that use). Highest and best use can be defined as "the reasonably probable and legal use of property, which is physically possible, appropriately supported, financially feasible, and that results in the highest value." (*Dictionary of Real Estate Appraisal, Third Edition.*) The Authorized Improvements are expected to be required for the proposed use of the Assessed Property to be physically possible, appropriately supported, financially feasible, and maximally productive.

The Developer has evaluated the potential use of the property and has determined that the highest and best use of the property is the use intended and the legal use for the property as described in Section II of this Service and Assessment Plan. The use of the Assessed Property as described herein will require the construction of the Authorized Improvements.

The Assessments will repay financing that is on advantageous terms, as the Bonds which may be issued to finance the Authorized Improvements will pay interest that is exempt from federal income tax. As a result, all other terms being equal (e.g., maturity, fixed vs. variable rate, credit quality), the tax- exempt bonds will have a lower interest rate than debt that is not tax-exempt. The Bonds also have a longer term than other available financings and may either be repaid or assumed by a buyer at the buyer's option. As a result of these advantageous terms, the financing provided by the PID is the most beneficial means of financing the Authorized Improvements.

Each owner of the Assessed Property will ratify, confirm, accept, agree to and approve: (i) the determinations and finding by the City Council as to the special benefits described in this Service and Assessment Plan and the Assessment Ordinance; (ii) the Service and Assessment Plan and the Assessment Ordinance, and (iii) the levying of Assessments on the Assessed Property. Use of the Assessed Property as described in this Service and Assessment Plan and as authorized by the PID Act requires that Authorized Improvements be acquired, constructed, installed, and/or improved. Funding the Actual Costs of the Authorized Improvements through the PID has been determined by the City Council to be the most beneficial means of doing so. As a result, the Authorized Improvements result in a special benefit to the Assessed Property, and this special benefit exceeds the amount of the Assessment. This conclusion is based on and supported by the evidence, information, and testimony provided to the City Council.

In summary, the Authorized Improvements result in a special benefit to the Assessed Property for the following reasons:

1. The Authorized Improvements are being provided specifically for the use of the Assessed Property, are necessary for the proposed best use of the property and provide a special benefit to the Assessed Property as a result;
2. The Developer has consented to the imposition of the Assessments for the purpose of providing the Authorized Improvements and the Developer is acting in its interest by consenting to this imposition;
3. The Authorized Improvements are required for the highest and best use of the property;
4. The highest and best use of the Assessed Property is the use of the Assessed Property that is most valuable (including any costs associated with the use of the Assessed Property);
5. Financing of the costs of the Authorized Improvement through the PID is determined to be the most beneficial means of providing for the Authorized Improvements; and,
6. As a result, the special benefits to the Assessed Property from the Authorized Improvements will be equal to or greater than the Assessments.

C. ALLOCATION OF INITIAL MAJOR IMPROVEMENT COSTS AND ADDITIONAL MAJOR IMPROVEMENT COSTS TO MIXED-USE PARCELS AND ASSESSED PROPERTY

The Initial Major Improvements and Additional Major Improvements will provide a special benefit to all property in the PID except for the Non-Benefitted Property. Accordingly, the Actual Costs

of the Initial Major Improvements and Additional Major Improvements must be allocated to all benefitted property within the PID. As described in Appendix B, the Mixed-Use Parcels receive approximately 1.41 percent of the special benefit from the roadway improvements included as part of the Initial Major Improvements and the Additional Major Improvements. As a result, the roadway improvements portion of Initial Major Improvements and Additional Major Improvements are first proportionally allocated to the Mixed-Use Parcels based on an engineer's allocation described in Appendix B. As shown in Table V-A and Table V-B herein, the proportional share of the roadway improvements portion of the Initial Major Improvements allocated to the Mixed-Use Parcels is \$7,135 and the proportional share of the roadway improvements portion of the Additional Major Improvements allocated to the Mixed-Use Parcels is \$92,426. According to the project engineer, Dowdey, Anderson & Associates, Inc., the water improvements, sanitary sewer improvements, storm drainage improvements, and other soft and miscellaneous costs portion of the Initial Major Improvements and Additional Major Improvements, as applicable, do not provide a special benefit to the Mixed-Use Parcels and are, therefore, not allocable to the Mixed-Use Parcels. As shown in Appendix B, the total proportional share of the Budgeted Costs of the Initial Major Improvements and Additional Major Improvements allocated to the Mixed-Use Parcel is \$99,560 (i.e. \$7,135 + \$92,426 = \$99,560). The Actual Costs of the Initial Major Improvements and Additional Major Improvements allocated to the Mixed-Use Parcels will be paid entirely by the Developer without reimbursement in lieu of assessments being levied against this property for the benefit it receives and will not be levied against the Mixed-Use Parcels. The remaining costs of the Initial Major Improvements (\$1,472,431) and Additional Major Improvements (\$25,087,111) will be allocated to the Phase #1 Assessed Property and the Major Improvement Area based on estimated Equivalent Units calculated using the average home price for the Phase #1 Assessed Property and the Major Improvement Area.

Table V-A summarizes the allocation of Budgeted Costs of the Initial Major Improvements allocable to the Mixed-use Parcels and Assessed Property. The Budgeted Costs shown in Table V-A are estimates and may be revised in Annual Service Plan Updates, but the related Assessment may not be increased.

Table V-A
Allocation of Initial Major Improvements to the Mixed-Use Parcel and Assessed Property

Authorized Improvement	Total Costs	Mixed-Use Parcels		Assessed Property	
		% Allocation ¹	Share of Costs ²	% Allocation	Share of Cost
Roadway improvements	\$506,000	1.41%	\$7,135	98.59%	\$498,865
Water improvements	\$131,000	0.00%	\$0	100.00%	\$131,000
Sanitary sewer improvements	\$395,000	0.00%	\$0	100.00%	\$395,000
Storm drainage improvements	\$447,566	0.00%	\$0	100.00%	\$447,566
Total	\$1,479,566		\$7,135		\$1,472,431

¹Based on the engineer's allocation described in Appendix B.

²The Actual Costs of the Initial Major Improvements allocated to the Mixed-Use Parcels will be paid entirely by the Developer without reimbursement.

Table V-B summarizes the allocation of Budgeted Costs of the Additional Major allocable to the Mixed-Use Parcels and Assessed Property. The Budgeted Costs shown in Table V-B are estimates

and may be revised in Annual Service Plan Updates, but the related Assessment may not be increased.

Table V-B
Allocation of Additional Major Improvements to the Mixed-Use Parcel and Assessed Property

Authorized Improvement	Total Costs	Mixed-Use Parcel		Assessed Property	
		% Allocation ¹	Share of Costs ²	% Allocation	Share of Cost
Roadway improvements	\$6,555,000	1.41%	\$92,426	98.59%	\$6,462,574
Water improvements	\$2,045,000	0.00%	\$0	100.00%	\$2,045,000
Sanitary sewer improvements	\$1,425,000	0.00%	\$0	100.00%	\$1,425,000
Storm drainage improvements	\$8,614,300	0.00%	\$0	100.00%	\$8,614,300
Other soft and miscellaneous costs	\$6,540,236	0.00%	\$0	100.00%	\$6,540,236
Total	\$25,179,536		\$92,426		\$25,087,110

¹Based on the engineer's allocation described in Appendix B.

²The Actual Costs of the Additional Major Improvements allocated to the Mixed-Use Parcels will be paid entirely by the Developer without reimbursement.

Table V-C summarizes the allocation of Budgeted Costs of the remaining Initial Major Improvements and Additional Major Improvements, net of any allocation to the Mixed-Use Parcels, allocable to the Phase #1 Assessed Property and the Major Improvement Area. The Budgeted Costs shown in Table V-C are estimates and may be revised in Annual Service Plan Updates, but the related Assessment may not be increased.

Phase #1 is projected to contain 152 residential units. As shown in Appendix F, the total Equivalent Units for Phase #1 is calculated as 102.42. The Major Improvement Area is projected to contain 1,284 residential units resulting in a total of 992.72 Equivalent Units as shown in Appendix F. The total projected Equivalent Units in the PID is, therefore, calculated to be 1,095.14 (i.e., $102.42 + 992.72 = 1,095.14$). As a result, 9.35 percent of the Budgeted Costs of the net Initial Major Improvements and Additional Major Improvements (i.e. $102.42 \div 1,095.14 = 9.35\%$) are allocated to the Phase #1 Assessed Property and 90.65 percent of the Budgeted Costs off the net Initial Major Improvements and Additional Major Improvements (i.e., $102.42 \div 1,095.14 = 90.65\%$) are allocated to the Future Phases. The Phase #1 Reimbursement Agreement Obligation (Phase #1 Initial Projects) represents Phase #1's proportionate share of the Budgeted Costs of the Initial Major Improvements and the Phase #1 Improvements. The Phase #1 Reimbursement Agreement Obligation (Phase #1 Additional Major Improvements) represents Phase #1's proportionate share of the Budgeted Costs of the Additional Major Improvements.

(remainder of this page is intentionally left blank)

Table V-C
Allocation of Initial Major Improvements and Additional Major Improvements to Phase #1 and Future Phases

Authorized Improvement	Initial Major Improvements allocated to Assessed Property¹	Additional Major Improvements allocated to Assessed Property²
Roadway improvements	\$498,865	\$6,462,575
Water improvements	\$131,000	\$2,045,000
Sanitary sewer improvements	\$395,000	\$1,425,000
Storm drainage improvements	\$447,566	\$8,614,300
Other soft and miscellaneous costs	\$0	\$6,540,236
Total Major Improvement Projects	\$1,472,431	\$25,087,111
Phase #1		
Projected Equivalent Units	102.42	102.42
% of total units	9.35%	9.35%
Proportionate Share of Costs	\$137,705	\$2,346,204
Future Phases (Major Improvement Area)		
Projected Equivalent Units	992.72	992.72
% of total units	90.65%	90.65%
Proportionate Share of Costs	\$1,334,726	\$22,740,906

¹See Table V-A for allocation of Initial Major Improvements to the Mixed-Use Parcel and Assessed Property.

²See Table V-B for allocation of Additional Major Improvements to the Mixed-Use Parcel and Assessed Property.

D. ASSESSMENT METHODOLOGY

The costs of the Authorized Improvements may be assessed by the City Council against the Assessed Property so long as the special benefit conferred upon the Assessed Property by the Authorized Improvements equals or exceeds the Assessments. The costs of the Authorized Improvements may be assessed using any methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited.

1. Assessment Methodology for Phase #1

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phase #1 Projects to be financed under the Reimbursement Agreement and represented by the Phase #1 Reimbursement Agreement Obligation (Phase #1 Initial Projects) and the Phase #1 Reimbursement Agreement Obligation (Phase #1 Additional Major Improvements) shall be allocated to the Phase #1 Assessed Property by spreading the entire respective Assessment across the Parcels of Phase #1 Assessed Property based on the estimated number of Equivalent Units anticipated to be developed on each Parcel.

Based on the costs of the Phase #1 Initial Projects and the Phase #1 Additional Major Improvements, as set forth in Table III-C, the City Council has determined that: (i) the benefit to

Phase #1 Assessed Property from the Phase #1 Initial Projects is at least equal to the total of the Phase #1 Assessments – Phase #1 Initial Projects; and (ii) the benefit to the Phase #1 Assessed Property from the Phase #1 Additional Major Improvements is at least equal to the total of the Phase #1 Assessments – Phase #1 Additional Major Improvements.

Upon subsequent divisions of any Parcel, the Assessment applicable to it will then be apportioned pro rata based on the estimated Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Parcel based on the ratio of the estimated Equivalent Units at the time residential Lots are platted to the total estimated Equivalent Units for Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council.

The Assessment and Annual Installments for each Parcel or Lot of Phase #1 Assessed Property related to the Phase #1 Initial Projects is shown on the Phase #1 Assessment Roll - Phase #1 Initial Projects attached as Appendix G, and the Assessment and Annual Installments for each Parcel or Lot located within Phase #1 related to the Phase #1 Additional Major Improvements is shown on the Phase #1 Assessment Roll - Phase #1 Additional Major Improvements attached as Appendix H, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

3. *Assessment Methodology for Future Phases*

When any given Future Phase is developed, this Service and Assessment Plan will be amended to determine the assessment methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited within that Phase.

E. ASSESSMENTS

The Assessments for Phase #1 will be levied on each Parcel or Lot of Phase #1 Assessed Property according to the Phase #1 Assessment Roll - Phase #1 Initial Projects and the Phase #1 Assessment Roll - Phase #1 Additional Major Improvements, attached as Appendix G and Appendix H, respectively. The Annual Installments of the Assessments will be collected at the time and in the amounts shown on the Assessment Rolls, subject to any revisions made during an Annual Service Plan Update. Non-Benefitted Property will not be subject to any Assessments.

See Appendix F for Assessment per unit, leverage, and estimated tax rate equivalent calculation details.

F. ADMINISTRATIVE EXPENSES

The cost of administering the PID and collecting the Annual Installments shall be paid for on a pro rata basis by each Parcel based on the amount of Assessment levied against the Parcel. The Administrative Expenses shall be collected as part of and in the same manner as Annual Installments in the amounts shown on each Assessment Roll, which may be revised based on actual costs incurred in Annual Service Plan Updates.

G. ADDITIONAL INTEREST RESERVE

Pursuant to the PID Act, the interest rate for Assessments may exceed the actual interest rate per annum paid on the related Bonds, if and when Bonds are issued, by no more than one half of one percent (0.50%) (the “Additional Interest”). The interest rate used to determine the Assessments securing any such Bonds is one half of one percent (0.50%) per annum higher than the actual rate paid on the Bonds, with the Additional Interest Component of the Annual Installments allocated to fund a reserve to be used for paying interest associated with a prepayment and to offset any possible delinquency related costs (the “Additional Interest Reserve”). If applicable, the Additional Interest Reserve shall be funded until it reaches 5.50% of the outstanding Bonds unless otherwise stipulated in the Bond documents. Once the Additional Interest Reserve is funded in full, the City may allocate the Additional Interest Component of the Annual Installments as provided in the applicable Trust Indenture. No Additional Interest will be collected from Assessments that do not secure a series of Bonds.

(remainder of this page is intentionally left blank)

VI. TERMS OF THE ASSESSMENTS

A. AMOUNT OF ASSESSMENTS AND ANNUAL INSTALLMENTS FOR PARCELS LOCATED WITHIN PHASE #1

The Annual Installments shall be collected from Phase #1 Assessed Property in an amount sufficient to (i) pay principal and interest on the Phase #1 Reimbursement Agreement Obligation (Phase #1 Initial Projects) for the Phase #1 Initial Projects, (ii) pay principal and interest on the Phase #1 Reimbursement Agreement Obligation (Phase #1 Additional Major Improvements) for the Phase #1 Additional Major Improvements (iii) if and when Bonds are issued, to fund the Additional Interest Reserve(s) the Bonds as described in Section V, and (iv) to pay Administrative Expenses related to Phase #1. The Annual Installment for each Parcel shall be calculated by taking into consideration any available capitalized interest applicable to the Parcel.

B. AMOUNT OF ASSESSMENTS AND ANNUAL INSTALLMENTS FOR PARCELS LOCATED WITHIN FUTURE PHASES

As Future Phases are developed, this Service and Assessment Plan will be amended to determine the Assessment and Annual Installments for each Assessed Property located within the Future Phases (e.g., an Appendix will be added as the Assessment Roll for Phase #2, etc.). The Assessments shall not exceed the benefit received by the Assessed Property.

C. REALLOCATION OF ASSESSMENTS

1. Subdivision

Upon the subdivision of any Parcel, the Assessment for the Parcel prior to the subdivision shall be reallocated among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

- A = the Assessment for each new subdivided Parcel
- B = the Assessment for the Parcel prior to subdivision
- C = the estimated number of Equivalent Units to be built on each new subdivided Parcel
- D = the sum of the estimated number of Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of Equivalent Units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of Equivalent Units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

The sum of the Assessments for all newly subdivided Parcels shall equal the Assessment for the Parcel prior to subdivision. The calculation shall be made separately for each newly subdivided Parcel. The reallocation of an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the subdivision of the Parcels. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

2. Consolidation

Upon the consolidation of two or more Parcels, the Assessment for the consolidated Parcel shall be the sum of the Assessments for the Parcels prior to consolidation. The reallocation of an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the consolidation of the Parcels. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

D. MANDATORY PREPAYMENT OF ASSESSMENTS

1. If a Parcel subject to Assessments is transferred to a party that is exempt from the payment of the Assessment under applicable law, or if an owner causes a Parcel subject to Assessments to become Non-Benefited Property, the owner of such Parcel shall pay to the City the full amount of the principal portion of the Assessment on such Parcel, plus all Prepayment Costs, prior to any such transfer or act.
2. If at any time the Assessment per Unit on a Parcel of the Phase #1 Assessed Property exceeds the applicable Phase #1 Maximum Assessment Per Unit calculated in this Service and Assessment Plan as a result of any changes in land use, subdivision, consolidation or reallocation of the Assessment authorized by this Service and Assessment Plan and initiated by the owner of the Parcel, then such owner shall pay to the City prior to the recordation of the document subdividing the Parcel the amount calculated by the Administrator by which the Assessment per Unit for the Parcel exceeds the applicable Phase #1 Maximum Assessment Per Unit calculated in this Service and Assessment Plan.
3. The payments required above shall be treated the same as any Assessment that is due and owing under the PID Act, the Assessment Ordinance, and this Service and Assessment Plan, including the same lien priority, penalties, procedures, and foreclosure specified by the PID Act.

E. REDUCTION OF ASSESSMENTS

1. If after all Authorized Improvements to be funded with a series of Bonds and/or and obligation created under the Reimbursement Agreement have been completed and Actual Costs for such Authorized Improvements are less than the Actual Costs or Budgeted Costs of the Authorized Improvements used to calculate the Assessments securing such series of Bonds and/or related obligation under the Reimbursement Agreement, resulting in excess Bond proceeds being

available to redeem Bonds and/or a need to reduce the obligations under the Reimbursement Agreement, as the case may be, and such excess proceeds shall be applied to redeem Bonds and/or obligations under the Reimbursement Agreement may be reduced as provided in the Indenture or the terms of the Reimbursement Agreement, then the Assessment securing such series of Bonds and/or obligations under the Reimbursement Agreement for each Parcel of Assessed Property shall be reduced by the City Council pro rata such that the sum of the resulting reduced Assessments for all Assessed Properties equals the reduced Actual Costs. The Assessments shall not be reduced to an amount less than the related outstanding series of Bonds and/or amounts due under a related reimbursement agreement. If all of the Authorized Improvements are not completed, the City may reduce the Assessments in another method if it determines such method would better reflect the benefit received by the Parcels from the Authorized Improvements completed and in accordance with the applicable Trust Indenture and/or Reimbursement Agreement.

2. If all the Authorized Improvements are not undertaken, resulting in excess Bonds proceeds being available to redeem Bonds and/or a need to reduce the obligations under the Reimbursement Agreement, and such excess proceeds shall be applied to redeem Bonds and/or reduce obligations under the Reimbursement Agreement, as the case may be, as provided in the Indenture or the terms of the Reimbursement Agreement, then the Assessments and Annual Installments for each Parcel shall be appropriately reduced by the City Council to reflect only the amounts required to repay the Bonds and/or repay obligations under the Reimbursement Agreement, including interest on the Bonds (including Additional Interest) and/or interest due under the Reimbursement Agreement and Administrative Expenses. The City Council may reduce the Assessments and the Annual Installments for each Parcel (i) in an amount that represents the Authorized Improvements provided for each Parcel or (ii) by an equal percentage calculated based on number of Equivalent Units, if determined by the City Council to be the most fair and practical means of reducing the Assessments for each Parcel, such that the sum of the resulting reduced Assessments equals the amount required to repay the Bonds and/or repay the obligations under the Reimbursement Agreement, including interest thereon and Administrative Expenses. The principal portion of the Assessment for each Parcel shall be reduced pro rata to the reduction in the Assessments for each Parcel such that the sum of the resulting reduced principal portion of the Bonds and/or obligations under the Reimbursement Agreement is equal to the outstanding principal amount of the Bonds and/or reimbursement agreement.

F. PAYMENT OF ASSESSMENTS

1. Payment in Full

- (a) The Assessment for any Parcel may be paid in full at any time. Such payment shall include all Prepayment Costs. If prepayment in full will result in redemption of Bonds, the payment amount shall be reduced by the amount, if any, of interest through the date of redemption of Bonds and reserve funds applied to the redemption under the Trust Indenture, net of any other costs applicable to the redemption of Bonds.

(b) If an Annual Installment has been billed prior to payment in full of an Assessment, the Annual Installment shall be due and payable and shall be credited against the payment-in-full amount.

(c) Upon payment in full of the Assessment and all Prepayment Costs, the City shall deposit the payment in accordance with the Trust Indenture and/or Reimbursement Agreement, as applicable; whereupon, the Assessment shall be reduced to zero, and the owner's obligation to pay the Assessment and Annual Installments thereof shall automatically terminate.

(d) At the option of the owner, the Assessment on any Parcel plus Prepayment Costs may be paid in part in an amount sufficient to allow for a convenient redemption of Bonds as determined by the Administrator. Upon the payment of such amounts for a Parcel, the Assessment for the Parcel shall be reduced, the Assessment Roll shall be updated to reflect such partial payment, and the obligation to pay the Annual Installment for such Parcel shall be reduced to the extent the partial payment is made.

2. Payment in Annual Installments

Phase #1

Each Assessment for the Phase #1 Assessed Property shall be paid with interest based on the actual interest rate paid on either (i) the Phase #1 Reimbursement Agreement Obligation (Phase #1 Initial Projects) or (ii) the Phase #1 Reimbursement Agreement Obligation (Phase #1 Additional Major Improvements) as shown on the Phase #1 Assessment Roll - Phase #1 Initial Projects and the Phase #1 Assessment Roll - Phase #1 Additional Major Improvements, respectively. Interest on Phase #1 Reimbursement Agreement Obligation (Phase #1 Initial Projects) shall be paid based on an estimated interest rate of 8.65% per annum for years 1 through 5 and 5.65% per annum following the fifth Annual Installment. Interest on Phase #1 Reimbursement Agreement Obligation (Phase #1 Additional Major Improvements) shall be paid based on an estimated interest rate of 8.65% per annum for years 1 through 5 and 5.65% per annum following the fifth Annual Installment. Each Assessment shall be paid at a rate not to exceed five hundred basis points above the highest average index rate for tax-exempt bond reported in a daily or weekly bond index approved by the City and reported in the month prior to the establishment of the Assessments and continuing for a period of five years from such date. Such rate shall then adjust and shall not exceed two hundred basis points above the bond index rate described above and shall continue until the Assessments are paid in full. The index approved by the City is the Bond Buyer Index for which the highest average rate during 30 days prior to the levy of Assessments was 3.65%. Furthermore, the Annual Installments may not exceed the amounts shown on the Phase #1 Assessment Roll - Phase #1 Initial Projects and the Phase #1 Assessment Roll - Phase #1 Additional Major Improvements, respectively.

The Annual Installments shall be reduced to equal the Actual Costs of repaying the Bonds and/or obligations under the Reimbursement Agreement and actual Administrative Expenses (as provided for in the definition of such term), taking into consideration any other available funds for these costs, such as interest income on account balances.

The City reserves and shall have the right and option to refund future Bonds and/or issue Bonds to refund obligations created under the Reimbursement Agreement in accordance with Section 372.027 of the PID Act. In the event of such refunding, the Administrator shall recalculate the

Annual Installments, and if necessary, may adjust, or decrease, the amount of the Annual Installments so that total Annual Installments of Assessments will be produced in annual amounts that are required to pay the refunding bonds when due and payable as required by and established in the ordinance and/or the indenture authorizing and securing the refunding bonds, and such refunding bonds shall constitute Bonds for purposes of this Service and Assessment Plan.

G. COLLECTION OF ANNUAL INSTALLMENTS

No less frequently than annually, the Administrator shall prepare, and the City Council shall consider, an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include updated Assessment Rolls and a calculation of the Annual Installment for each Parcel. Administrative Expenses shall be allocated among Parcels in proportion to the amount of the Annual Installments for the Parcels. Each Annual Installment shall be reduced by any credits applied under the applicable Trust Indenture, such as capitalized interest, interest earnings on any account balances, and any other funds available to the Trustee for such purpose, including any existing deposits to a prepayment reserve. Annual Installments shall be collected by the City in the same manner and at the same time as ad valorem taxes and shall be subject to the same penalties, procedures, and foreclosure sale in case of delinquencies as are provided for ad valorem taxes of the City. The City Council may provide for other means of collecting the Annual Installments to the extent permitted under the PID Act. The Assessments shall have lien priority as specified in the PID Act.

Any sale of property for nonpayment of the Annual Installments shall be subject to the lien established for the remaining unpaid Annual Installments against such property and such property may again be sold at a judicial foreclosure sale if the purchaser thereof fails to make timely payment of the non-delinquent Annual Installments against such property as they become due and payable.

Each Annual Installment, including the interest on the unpaid amount of an Assessment, shall be calculated as of September 1 and updated annually. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of the following year.

Phase #1

The collection of the first Annual Installment from any Lot or Parcel for the Phase #1 Assessments - Phase #1 Initial Projects shall commence upon the earlier of: (i) September 1, 2024, (ii) with tax bills sent the first October after the issuance of one or more series of Bonds for Phase #1 Initial Projects and such that upon the issuance of such Bonds, all Assessments levied for the Phase #1 Initial Projects shall begin collection, or (iii) with tax bills sent the first October occurring after the expiration of two years from the date of the levy of Assessments related to the Phase #1 Initial Projects on the Phase #1 Assessed Property. Such first Annual Installment for a Phase #1 Lot or Parcel for which collection has begun shall be due by January 31st of the following calendar year.

The collection of the first Annual Installment from any Lot or Parcel for the Phase #1 Assessments - Phase #1 Additional Major Improvements shall commence upon the earlier of: (i) September 1, 2024, (ii) with tax bills sent the first October after the issuance of one or more series of Bonds for

the Phase #1 Additional Major Improvements and such that upon the issuance of such Bonds, all Assessments levied for the Phase #1 Additional Major Improvements shall begin collection, or (iii) with tax bills sent the first October occurring after the expiration of two years from the date of the levy of Assessments related to the Phase #1 Additional Major Improvements on the Phase #1 Assessed Property. Such first Annual Installment for a Phase #1 Lot or Parcel for which collection has begun shall be due by January 31st of the following calendar year.

VII. THE ASSESSMENT ROLL

A. PHASE #1 ASSESSMENT ROLL – PHASE #1 INITIAL PROJECTS AND PHASE #1 ASSESSMENT ROLL – ADDITIONAL MAJOR IMPROVEMENTS

The City Council has evaluated each Parcel in Phase #1 (based on numerous factors such as the applicable zoning for developable area, the use of proposed Homeowner Association Property, the Public Property, the types of public improvements, and other development factors deemed relevant by the City Council) to determine the amount of Assessed Property within Phase #1.

The Phase #1 Assessed Property has been assessed separately for the special benefits conferred upon the property resulting from (i) the Phase #1 Initial Projects being constructed at this time and (ii) the Phase #1 Additional Major Improvements. Table VII-A summarizes the \$7,302,002 in special benefit received by the Phase #1 Assessed Property from the Phase #1 Projects, the Administrative Expenses related to Phase #1, and a portion of the costs of the PID formation. The Assessment to be levied in connection with the Phase #1 Reimbursement Agreement Obligation (Phase #1 Initial Projects) is \$4,945,798 and the Assessment to be levied in connection with the Phase #1 Reimbursement Agreement Obligation (Phase #1 Additional Major Improvements) is \$2,015,000. The total of these two assessments to be levied against the Phase #1 Assessed Property is \$6,960,798 which is less than or equal to the benefit received by the Phase #1 Assessed Property from the Phase #1 Projects. Accordingly, the total, collective Assessment to be applied to all the Phase #1 Assessed Property is \$6,960,798 plus, interest, Additional Interest if and when Bonds are issued, and annual Administrative Expenses. The Assessment for each Phase #1 Assessed Property is calculated based on the allocation methodologies described in Section V.D. The Phase #1 Assessment Roll - Phase #1 Initial Projects and the Phase #1 Assessment Roll - Phase #1 Additional Major Improvements are attached hereto as Appendix G and Appendix H, respectively. As Phases are developed, this SAP will be amended to identify the specific Authorized Improvements, which may include Authorized Improvements that confer a special benefit to the property inside each new Phase and/or additional Future Major Improvements that benefit all of the Property within the PID; and, the SAP will be amended to update the summary of the special benefits received by the Major Improvement Area Projects to include any Future Major Improvements being undertaken.

(remainder of this page is intentionally left blank)

Table VII-A
Phase #1
Special Benefit Summary

Special Benefit	Phase #1 Reimbursement Agreement Obligation (Phase #1 Initial Projects)	Phase #1 Reimbursement Agreement Obligation (Phase #1 Additional Major Improvements)	Total
Phase #1 Improvements ¹	\$4,773,093	\$0	\$4,773,09
Pro- rata share of Initial Major Improvements ¹	\$137,705	\$0	\$137,70
Pro- rata share of Additional Major Improvements ¹	\$0	\$2,346,204	\$2,346,20
<i>Total Phase #1 Projects</i>	<i>\$4,910,798</i>	<i>\$2,346,204</i>	<i>\$7,257,00</i>
Other Assessment Levy Costs			
First year Administrative Expenses	\$35,000	\$10,000	\$45,00
<i>Subtotal</i>	<i>\$35,000</i>	<i>\$10,000</i>	<i>\$45,00</i>
Total Special Benefit	\$4,945,798	\$2,356,204	\$7,302,00
Special Benefit:			
Total Special Benefit	\$4,945,798	\$2,356,204	\$7,302,00
Assessment	\$4,945,798	\$2,015,000	\$6,960,79
Excess Benefit	\$0	\$341,204	\$341,20

¹See Table III-C for details.

B. FUTURE PHASES ASSESSMENT ROLL

As Future Phases are developed, this SAP will be amended to determine the Assessment for each Parcel or Lot located within such Future Phases (e.g. an appendix will be added as the Assessment Roll for Phases).

C. ANNUAL ASSESSMENT ROLL UPDATES

The Administrator shall prepare, and shall submit to the City Council for approval, annual updates to the Phase #1 Assessment Roll - Phase #1 Initial Projects and the Phase #1 Assessment Roll - Phase #1 Additional Major Improvements in conjunction with the Annual Service Plan Update to reflect the following matters, together with any other changes helpful to the Administrator or the City and permitted by the PID Act: (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.F of this Service and Assessment Plan.

Once Bonds are issued, the Assessment Rolls shall be updated, which update may be done in the next Annual Service Plan Update, to reflect any changes resulting from the issuance of the Bonds. This update shall reflect the actual interest on the Bonds on which the Annual Installments shall be paid, any reduction in the Assessments, and any revisions in the Actual Costs to be funded by the Bonds and Developer funds.

VIII. MISCELLANEOUS PROVISIONS

A. ADMINISTRATIVE REVIEW

The City may elect to designate a third party to serve as Administrator. The City shall notify Developer in writing at least thirty (30) days in advance before appointing a third party Administrator.

To the extent consistent with the PID Act, an owner of an Assessed Parcel claiming that a calculation error has been made in the Assessment Rolls, including the calculation of the Annual Installment, shall send a written notice describing the error to the City not later than thirty (30) days after the date any amount which is alleged to be incorrect is due prior to seeking any other remedy. The Administrator shall promptly review the notice, and if necessary, meet with the Assessed Parcel owner, consider written and oral evidence regarding the alleged error and decide whether, in fact, such a calculation error occurred.

If the Administrator determines that a calculation error has been made and the Assessment Roll should be modified or changed in favor of the Assessed Parcel owner, such change or modification shall be presented to the City Council for approval to the extent permitted by the PID Act. A cash refund may not be made for any amount previously paid by the Assessed Parcel owner (except for the final year during which the Annual Installment shall be collected or if it is determined there are sufficient funds to meet the expenses of the PID for the current year), but an adjustment may be made in the amount of the Annual Installment to be paid in the following year. The decision of the Administrator regarding a calculation error relating to the Assessment Roll may be appealed to the City Council. Any amendments made to the Assessment Rolls pursuant to calculation errors shall be made pursuant to the PID Act.

The decision of the Administrator, or if such decision is appealed to the City Council, the decision of the City Council shall be conclusive as long as there is a reasonable basis for such determination. This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to any other appeal or legal action by such owner.

B. TERMINATION OF ASSESSMENTS

Each Assessment shall be extinguished on the date the Assessment is paid in full, including unpaid Annual Installments and Delinquent Collection Costs, if any. After the extinguishment of an Assessment and the collection of any delinquent Annual Installments and Delinquent Collection Costs, the City shall provide the owner of the affected Parcel a recordable "Notice of the PID Assessment Termination".

C. AMENDMENTS

Amendments to the Service and Assessment Plan can be made as permitted or required by the PID Act and under Texas law.

The City Council reserves the right to the extent permitted by the PID Act to amend this Service and Assessment Plan without notice under the PID Act and without notice to property owners of Parcels: (i) to correct mistakes and clerical errors; (ii) to clarify ambiguities; and (iii) to provide procedures for the collection and enforcement of Assessments, Prepayment Costs, collection costs, and other charges imposed by the Service and Assessment Plan.

D. ADMINISTRATION AND INTERPRETATION OF PROVISIONS

The City Council shall administer the PID, this Service and Assessment Plan, and all Annual Service Plan Updates consistent with the PID Act and shall make all interpretations and determinations related to the application of this Service and Assessment Plan unless stated otherwise herein or in the Trust Indenture, such determination shall be conclusive.

E. SEVERABILITY

If any provision, section, subsection, sentence, clause or phrase of this Service and Assessment Plan or the application of same to an assessed Parcel or any person or set of circumstances is for any reason held to be unconstitutional, void or invalid, the validity of the remaining portions of this Service and Assessment Plan or the application to other persons or sets of circumstances shall not be affected thereby, it being the intent of the City Council in adopting this Service and Assessment Plan that no part hereof or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness or invalidity of any other part hereof, and all provisions of this Service and Assessment Plan are declared to be severable for that purpose.

If any provision of this Service and Assessment Plan is determined by a court to be unenforceable, the unenforceable provision shall be deleted from this Service and Assessment Plan and the unenforceable provision shall, to the extent possible, be rewritten to be enforceable and to give effect to the intent of the City.

- PREPARED WITHOUT THE BENEFIT OF A FLOOD STUDY
- DOES NOT INCLUDE COST FOR OFF-SITE EASEMENT

1) IT IS IMPORTANT TO NOTE THAT THIS REPORT IS LIMITED IN ACCURACY BECAUSE IT WAS PREPARED WITHOUT THE BENEFIT OF PERMITTED CONSTRUCTION DOCUMENTS AND/OR ENGINEERING REPORTS, THAT MAY BE REQUIRED FOR PERMITTING AND THAT MAY YIELD NEW INFORMATION WHICH COULD AFFECT THE FINAL DEVELOPMENT COST.

2) ALL INFRASTRUCTURE COST IDENTIFIED ABOVE ARE PREDICATED ON THE ASSUMPTIONS AND EXCLUSIONS IDENTIFIED IN THE DETAILED COST "BREAK-DOWN" OF PROBABLE COST BY TRACT.

3) THE COST ILLUSTRATED ABOVE FOR EACH TRACT ARE ONLY FOR THOSE CATEGORIES SPECIFICALLY OUTLINED BY THE DETAILED COST BREAK-DOWN AND DO NOT NECESSARILY REPRESENT THE TOTAL DEVELOPMENT COST FOR THE PROJECT. IN ADDITION, IN SOME INSTANCES, THE FUTURE DEVELOPMENT OF ONE TRACT MAY NECESSITATE THE EXPENDITURE OF MONIES ALLOCATED WITHIN ANOTHER.

4) THIS OPINION OF PROBABLE COST IS ASSOCIATED WITH THE SPECIFIC LAND PLAN SHOWN AT THE TOP OF THIS PAGE. THE SCOPE OF ANY FUTURE LAND PLAN REVISIONS WILL HAVE A DIRECT BEARING ON THE DEVELOPMENT COST.

Opinion of Probable Cost Summary

CATEGORY	By Category	By Lot	By Acre
ROADWAY IMPROVEMENTS	\$815,000	0	\$7,168
WATER IMPROVEMENTS	\$468,000	0	\$4,116
SEWER IMPROVEMENTS	\$0	0	\$0
STORM DRAIN IMPROVEMENTS	\$1,601,000	0	\$14,081
SOFT & MISCELLANEOUS COSTS	\$623,720	0	\$5,486
SUB-TOTALS	\$3,507,720	\$0	\$30,851
OVERALL CONTINGENCY 10%	\$350,772	0	\$3,085
CATEGORY TOTALS	\$3,858,492	\$0	\$33,936

EXCLUDES:

- COST FOR AMENITY CENTER, TRAILS, LANDSCAPE / IRRIGATION, PERIMETER SITE IMPROVEMENTS, TELEPHONE OR CABLE FEES, CONSTRUCTION
- PREPARED WITHOUT THE BENEFIT OF A BOUNDARY SURVEY, TOPOGRAPHIC SURVEY, CITY REVIEW OF ENGINEERING DOCUMENTS
- PREPARED WITHOUT THE BENEFIT OF A FLOOD STUDY
- DOES NOT INCLUDE COST FOR OFF-SITE EASEMENT

1) IT IS IMPORTANT TO NOTE THAT THIS REPORT IS LIMITED IN ACCURACY BECAUSE IT WAS PREPARED WITHOUT THE BENEFIT OF PERMITTED CONSTRUCTION DOCUMENTS AND/OR ENGINEERING REPORTS, THAT MAY BE REQUIRED FOR PERMITTING AND THAT MAY YIELD NEW INFORMATION WHICH COULD AFFECT THE FINAL DEVELOPMENT COST.

2) ALL INFRASTRUCTURE COST IDENTIFIED ABOVE ARE PREDICATED ON THE ASSUMPTIONS AND EXCLUSIONS IDENTIFIED IN THE DETAILED COST "BREAK-DOWN" OF PROBABLE COST BY TRACT.

3) THE COST ILLUSTRATED ABOVE FOR EACH TRACT ARE ONLY FOR THOSE CATEGORIES SPECIFICALLY OUTLINED BY THE DETAILED COST BREAK-DOWN AND DO NOT NECESSARILY REPRESENT THE TOTAL DEVELOPMENT COST FOR THE PROJECT. IN ADDITION, IN SOME INSTANCES, THE FUTURE DEVELOPMENT OF ONE TRACT MAY NECESSITATE THE EXPENDITURE OF MONIES ALLOCATED WITHIN ANOTHER.

4) THIS OPINION OF PROBABLE COST IS ASSOCIATED WITH THE SPECIFIC LAND PLAN SHOWN AT THE TOP OF THIS PAGE. THE SCOPE OF ANY FUTURE LAND PLAN REVISIONS WILL HAVE A DIRECT BEARING ON THE DEVELOPMENT COST.

OVERALL CONTINGENCY 10%	\$780,841	0	\$7,170
CATEGORY TOTALS	\$8,589,248	\$0	\$78,873

EXCLUDES:

- COST FOR AMENITY CENTER, TRAILS, LANDSCAPE / IRRIGATION, PERIMETER SITE IMPROVEMENTS, TELEPHONE OR CABLE FEES, CONSTRUCTION
- PREPARED WITHOUT THE BENEFIT OF A BOUNDARY SURVEY, TOPOGRAPHIC SURVEY, CITY REVIEW OF ENGINEERING DOCUMENTS
- PREPARED WITHOUT THE BENEFIT OF A FLOOD STUDY
- DOES NOT INCLUDE COST FOR OFF-SITE EASEMENT

1) IT IS IMPORTANT TO NOTE THAT THIS REPORT IS LIMITED IN ACCURACY BECAUSE IT WAS PREPARED WITHOUT THE BENEFIT OF PERMITTED CONSTRUCTION DOCUMENTS AND/OR ENGINEERING REPORTS, THAT MAY BE REQUIRED FOR PERMITTING AND THAT MAY YIELD NEW INFORMATION WHICH COULD AFFECT THE FINAL DEVELOPMENT COST.

2) ALL INFRASTRUCTURE COST IDENTIFIED ABOVE ARE PREDICATED ON THE ASSUMPTIONS AND EXCLUSIONS IDENTIFIED IN THE DETAILED COST "BREAK-DOWN" OF PROBABLE COST BY TRACT.

3) THE COST ILLUSTRATED ABOVE FOR EACH TRACT ARE ONLY FOR THOSE CATEGORIES SPECIFICALLY OUTLINED BY THE DETAILED COST BREAK-DOWN AND DO NOT NECESSARILY REPRESENT THE TOTAL DEVELOPMENT COST FOR THE PROJECT. IN ADDITION, IN SOME INSTANCES, THE FUTURE DEVELOPMENT OF ONE TRACT MAY NECESSITATE THE EXPENDITURE OF MONIES ALLOCATED WITHIN ANOTHER.

4) THIS OPINION OF PROBABLE COST IS ASSOCIATED WITH THE SPECIFIC LAND PLAN SHOWN AT THE TOP OF THIS PAGE. THE SCOPE OF ANY FUTURE LAND PLAN REVISIONS WILL HAVE A DIRECT BEARING ON THE DEVELOPMENT COST.

RE: Mustang Lakes Annex PID ~ MU-2 Engineer's Allocation

At the request of Celina 557 Partners, L.P., Dowdey, Anderson & Associates, Inc. (DAA) evaluated the proportionate share of costs associated with the Major Infrastructure to be constructed with Phases One through Four for the MU-2 area within the Mustang Lakes Annex PID. The MU-2 area is comprised of two tracts for a combined 60.737 acres of land located West of FM 2478 (Custer Road), South of Choate Parkway, and on both sides of Roseland Parkway.

In order to properly evaluate the MU-2 cost allocation the following assumptions were used:

1. A single lane of concrete along Choate Parkway and Roseland Parkway will be sufficient for access.
2. The MU-2 tracts will be developed as a variety of land uses designed to support one another, the neighboring residential, and the collective area as a whole.

Major Infrastructure Roadway Allocation

Choate Parkway and Roseland Parkway are both identified on the City's Master Thoroughfare Plan. Furthermore, the City is mandating the road section being constructed to serve all the anticipated land uses of the collective area and thus the required roadway would exceed the proportionate demand necessary to singularly serve the Mixed-Use area in the PID. Nevertheless, assumption number 1 was used to approximate a value of the Mixed Use's proportionate share on the roadway infrastructure. According to the opinion of probable cost for the Mustang Lakes Annex PID, prepared by DAA, there are 319,342 square yards of concrete within the PID. The allocated concrete for MU-2 tracts is 4,514 square yards. The allocated percent for roadway concrete adjacent to the MU-2 tracts is 1.41%.

Major Infrastructure Water and Sanitary Sewer Allocation

Similarly, the water main infrastructure in Choate Parkway, Custer Road and Roseland Parkway are required by the City of Celina Design Manual and are being built to serve a collective area and not a singular Mixed Use development. Likewise, the sanitary sewer mains are being built to serve a collective area and not a singular Mixed Use development. The size and location of the sanitary sewer mains are determined, in part, to gravity service as much of the PID area as possible and to account for the topography of the PID site. In conjunction with the previous statement and the above assumption number two it is our opinion the sanitary sewer mains fall within the pipe's redundancy already needed to serve the residential PID area. Therefore, it is our opinion the cost of Major Infrastructure Water and Sanitary Sewer allocated to the MU-2 tracts is negligible and does not require additional evaluation.

Attachment: Draft Resolution (Mustang Annex PID – Pre-SAP)

A Pape-Dawson Engineers Company

In conclusion, it is our recommendation to allocate 1.41% of the costs related to the portion of PID Major Roadway Infrastructure to be constructed with Phases One through Four to the MU-2 tracts and zero allocation of the Major Infrastructure Water and Sanitary Sewer cost. According to the opinion of probable cost, such PID Roadway costs are \$7,061,000. The allocated 1.41% for the MU-2 tracts equals \$99,560.

Please contact me with any further questions.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Colin Helffrich', is written over a light blue circular stamp.

Colin Helffrich, P.E.

LEGAL DESCRIPTION
MU-2 TRACT 5.042AC

BEING a tract of land situated in the COLEMAN WATSON SURVEY, ABSTRACT NO. 945, Collin County, Texas, and being a portion of that tract of land conveyed to Celina 557 Partnership, L.P., according to the deed recorded in Instrument Number 20190205000119420, Official Public Records, Collin County, Texas (O.P.R.C.C.T.), and being more particularly described by metes and bounds as follows;

BEGINNING at the northwest corner of hereon described tract, from which a found 1/2-inch iron rod in the approximate centerline of County Road 88 for the northwest corner of said Celina 557 Partnership, L.P. tract, bears N 87° 58' 01" W, a distance of 1,494.90 feet;

THENCE Over and across said Celina 557 Partnership, L.P. tract, the following eleven (11) courses and distances:

1. S 86°28'20" E, a distance of 101.23 feet;
2. N 89°42'50" E, a distance of 175.00 feet;
3. S 45°17'53" E, a distance of 35.36 feet;,, from which a found 1/2-inch iron rod with yellow plastic cp stamped "DAA" in the approximate centerline of County Road 88, same being the north line of said Celina 557 Partnership, L.P. tract, also being the southwest corner of that tract of land conveyed to G&N Estates, LLC, according to deed recorded in Instrument Number 20070315000355600, O.P.R.C.C.T., bears N 77° 06' 46" E, a distance of 433.16 feet;
4. S 00°18'35" E, a distance of 125.00 feet;
5. S 02°13'08" E, a distance of 150.09 feet;
6. S 00°18'35" E, a distance of 279.95 feet to the beginning of a tangent curve to the left having a radius of 1,237.50 feet, a central angle of 06°05'33", a chord bearing and distance of S 03°21'22" E - 131.53 feet;
7. With said tangent curve to the left, an arc length of 131.59 feet;
8. S 83°46'00" W, a distance of 97.23 feet to the beginning of a tangent curve to the right having a radius of 725.00 feet, a central angle of 16°34'45", a chord bearing and distance of N 87°56'38" W - 209.06 feet;
9. With said tangent curve to the right, an arc length of 209.79 feet to the beginning of a reverse curve to the left having a radius of 825.00 feet, a central angle of 00°31'21", a chord bearing and distance of N 79°54'56" W - 7.52 feet;
10. With said reverse curve to the right, an arc length of 7.52 feet;

11. N 00°18'35" W, a distance of 718.20 feet to the **POINT OF BEGINNING** and **CONTAINING** 5.042 Acres or 219,625 Square Feet of land more or less, and being prepared under job number 70202-04 by Pape Dawson Engineers, Inc.

This document was prepared under 22 Texas Administrative Code §138.95, does not reflect the results of an on the ground survey, and is not to be used to convey or establish TBPELS Acts and Rules Page 97 of 109 Updated April 1, 2021 interests in real property except those rights and interests implied or established by the creation or reconfiguration of the boundary of the political subdivision for which it was prepared.

Bearings are based on the Texas Coordinate System Established for the North Central Zone (4202) from North American Datum 1983 (NA2011) epoch 2010.00.

LEGAL DESCRIPTION

MU-2 TRACT 55.439AC

BEING a tract of land situated in the COLEMAN WATSON SURVEY, ABSTRACT NO. 945, Collin County, Texas, and being a portion of those tracts of land conveyed to Celina 557 Partnership, L.P., according to the deeds recorded in Instrument Numbers 20190205000119410 and 20190205000119420, Official Public Records, Collin County, Texas (O.P.R.C.C.T.), and being more particularly described by metes and bounds as follows;

BEGINNING at the northwest corner of hereon described tract, from which a found 1/2-inch iron rod with yellow plastic cp stamped "DAA" in the approximate centerline of County Road 88, same being the north line of said Celina 557 Partnership, L.P. tract (Instrument Number 20190205000119420), also being the southwest corner of that tract of land conveyed to G&N Estates, LLC, according to deed recorded in Instrument Number 20070315000355600, O.P.R.C.C.T., bears N 76° 08' 06" E, a distance of 296.01 feet;

THENCE Over and across said Celina 557 Partnership, L.P. tracts, the following seven (7) courses and distances:

1. N 89°42'50" E, a distance of 175.00 feet;
2. N 85°53'59" E, a distance of 150.33 feet;
3. N 89°42'50" E, a distance of 8.35 feet;
4. N 88°59'17" E, a distance of 618.12 feet;
5. N 89°12'54" E, a distance of 1158.34 feet;
6. S 86°58'15" E, a distance of 150.33 feet;
7. N 89°12'54" E, a distance of 96.58 feet to the northeasterly line of said Celina 557 Partnership, L.P. tract (Instrument Number 20190205000119410), same being the south line of that tract of land conveyed to Metallic Land Company, LLC, according to deed recorded in Instrument

Number 20150304000239620, O.P.R.C.C.T., from which a found 1/2-inch iron rod on the approximate center line of said County Road 88 for the most northerly northeast corner of said Celina 557 Partnership, L.P. tract (Instrument Number 20190205000119410), also being the northwest corner of said Metallic Land Company, LLC tract, bears N 73°41'33" W, a distance of 238.16 feet;

THENCE S 73°41'33" E, with the northeasterly line of said Celina 557 Partnership, L.P. tract (Instrument Number 20190205000119410), and the south line of said Metallic Land Company, LLC tract, a distance of 138.23, from which a found 1/2-inch iron rod on the west right-of-way of Farm-To-Market Road 2478 for the most easterly northeast corner of said Celina 557 Partnership, L.P. tract (Instrument Number 20190205000119410), also being the southeast corner of said Metallic Land Company, LLC tract, bears S 73° 41' 33" E, a distance of 22.28 feet;

THENCE Over and across said Celina 557 Partnership, L.P. tracts, the following twelve (12) courses and distances:

1. S 09°48'59" E, a distance of 580.49 feet to the beginning of a non-tangent curve to the right having a radius of 5,659.41 feet, a central angle of 02°48'44", a chord bearing and distance of S 08°29'27" E - 277.76 feet;
2. With said non-tangent curve to the right, an arc length of 277.78 feet;
3. S 89°05'55" W, a distance of 95.96 feet;
4. S 84°56'39" W, a distance of 60.16 feet;
5. S 62°49'36" W, a distance of 66.91 feet;
6. S 83°36'35" W, a distance of 60.28 feet;
7. S 89°05'46" W, a distance of 2,339.02 feet to the beginning of a non-tangent curve to the right having a radius of 1,162.50 feet, a central angle of 15°56'47", a chord bearing and distance of N 07°46'59" W – 302.40 feet;
8. With said non-tangent curve to the right, an arc length of 303.26 feet;
9. N 00°18'35" W, a distance of 334.92 feet;
10. N 01°35'58" E, a distance of 150.08 feet;
11. N 00°18'35" W, a distance of 125.00 feet;
12. N 44°42'07" E, a distance of 35.35 feet to the **POINT OF BEGINNING** and **CONTAINING** 55.439 Acres or 2,414,909 Square Feet of land more or less, and being prepared under job number 70202-04 by Pape Dawson Engineers, Inc.

This document was prepared under 22 Texas Administrative Code §138.95, does not reflect the results of an on the ground survey, and is not to be used to convey or establish TBPELS Acts and Rules Page 97 of 109 Updated April 1, 2021 interests in real property except those rights and interests implied or established by the creation or reconfiguration of the boundary of the political subdivision for which it was prepared.

Bearings are based on the Texas Coordinate System Established for the North Central Zone (4202) from North American Datum 1983 (NA2011) epoch 2010.00.

APPENDIX D
DIAGRAMS OF THE AUTHORIZED IMPROVEMENTS

Attachment: Draft Resolution (Mustang Annex PID – Pre-SAP)

APPENDIX E
PID ASSESSMENT NOTICE

Attachment: Draft Resolution (Mustang Annex PID – Pre-SAP)

AFTER RECORDING RETURN TO:

 _____]¹

NOTICE OF OBLIGATION TO PAY IMPROVEMENT DISTRICT ASSESSMENT TO
 CITY OF CELINA, TEXAS
 CONCERNING THE FOLLOWING PROPERTY

 STREET ADDRESS

LOT TYPE _____ PRINCIPAL ASSESSMENT: \$ _____

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the ***Mustang Lakes (Annex) Public Improvement District*** (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the annual service plan update for the district. More information about the assessments, including the amounts and due dates, may be obtained from the City.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

Attachment: Draft Resolution (Mustang Annex PID – Pre-SAP)

¹ To be included in separate copy of the notice required by Section 5.0143, Tex. Prop. Code, to be executed at the closing of the purchase and sale and to be recorded in the deed records of Collin County.

APPENDIX F
**ASSESSMENT PER UNIT, PROJECTED LEVERAGE AND PROJECTED TAX RATE
EQUIVALENTS**

Appendix F

For purposes of calculating and allocating the Assessments, the Assessed Property has been classified in one of five Lot Types.

“**Lot Type 1**” means lots identified as such on the Assessment Rolls, being lots typically with a Lot width of approximately 86 feet, as provided by the Zoning Ordinance.

“**Lot Type 2**” means lots identified as such on the Assessment Rolls, being lots typically with a Lot width of approximately 74 feet, as provided by the Zoning Ordinance.

“**Lot Type 3**” means lots identified as such on the Assessment Rolls, being lots typically with a Lot width of approximately 60 feet, as provided by the Zoning Ordinance.

“**Lot Type 4**” means lots identified as such on the Assessment Rolls, being lots typically with a Lot width of approximately 50 feet, as provided by the Zoning Ordinance.

“**Lot Type 5**” means lots identified as such on the Assessment Rolls, being lots typically with a Lot width of approximately 40 feet, as provided by the Zoning Ordinance.

A) Proposed Development

Table F-1 shows the proposed residential units to be developed within the PID.

Table F-1
Proposed Development within the PID

Description	Proposed Development	
Lot Type 1 (86 Ft Lot)	148	Units
Lot Type 2 (74 Ft Lot)	245	Units
Lot Type 3 (60 Ft Lot)	452	Units
Lot Type 4 (50 Ft Lot)	560	Units
Lot Type 5 (40 Ft Lot)	31	Units
Total	1,436	Units

Table F-2 shows the proposed residential units within Phase #1.

Table F-2
Proposed Development - Phase #1

Description	Proposed Development	
Lot Type 1 (86 Ft Lot)	0	Units
Lot Type 2 (74 Ft Lot)	0	Units
Lot Type 3 (60 Ft Lot)	62	Units
Lot Type 4 (50 Ft Lot)	90	Units
Lot Type 5 (40 Ft Lot)	0	Units
Total	152	Units

Table F-3 shows the proposed residential Lot Types within the Major Improvement Area.

Table F-3
Proposed Development - Major Improvement Area

Description	Proposed Development	
Lot Type 1 (86 Ft Lot)	148	Units
Lot Type 2 (74 Ft Lot)	245	Units
Lot Type 3 (60 Ft Lot)	390	Units
Lot Type 4 (50 Ft Lot)	470	Units
Lot Type 5 (40 Ft Lot)	31	Units
Total	1,284	Units

B) Calculation of Equivalent Units

As explained under Section V.D, for purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the (i) Phase #1 Initial Projects to be financed with the Phase #1 Reimbursement Agreement Obligation (Phase #1 Initial Projects) and (ii) the Phase #1 Additional Major Improvements to be financed with the Phase #1 Reimbursement Agreement Obligation (Phase #1 Additional Major Improvements) shall be allocated to the Phase #1 Assessed Property by spreading the entirety of each Assessment across the Parcels within Phase #1 based on the estimated Equivalent Units. Prior to allocating the Budgeted Costs of the Initial Major Improvements and the Additional Major Improvements to the Phase #1 Assessed Property, the pro-rata share of such costs allocable to the Mixed Use Parcels was subtracted first.

For purposes of this Service and Assessment Plan, the City Council has determined that the Assessments shall be allocated to Phase #1 Assessed Property on the basis of the average home value of each Lot Type, and that such method of allocation will result in the imposition of equal shares of the Assessments on Parcels similarly benefited. In determining the average home value of each Lot Type, the City Council has taken into consideration (i) the type of lots (i.e., 86 Ft, 74 Ft, etc.); (ii) current and projected home prices; (iii) the Budgeted Costs of the Authorized Improvements, and (iv) the ability of different property types to utilize and benefit from the Authorized Improvements.

Having taken into consideration the matters described above, the City Council has determined that allocating the Assessments among Parcels based on average home value is best accomplished by creating classifications of benefited Parcels based on the “Lot Types” defined above. These classifications (from Lot Type 1 (86 Ft Lots) representing the highest value to Lot Type 5 (40 Ft Lot) representing the lowest value for residential lots are set forth in Table F-4. Assessments are allocated to each Lot Type on the basis of the average home value for each class of lots. This is accomplished by giving each Lot Type an Equivalent Unit factor. Equivalent Units are the ratio of the average value of lots within each assessment class, setting the Equivalent Unit factor for Lot Type 1 (86 Ft Lots) to 1.0.

Table F-4
Equivalent Unit Factors

Lot Type	Estimated Average Unit Value	Equivalent Unit Factor
Lot Type 1 (86 Ft Lot)	\$1,100,000	1.00 per dwelling unit
Lot Type 2 (74 Ft Lot)	\$1,080,000	0.98 per dwelling unit
Lot Type 3 (60 Ft Lot)	\$890,000	0.81 per dwelling unit
Lot Type 4 (50 Ft Lot)	\$635,000	0.58 per dwelling unit
Lot Type 5 (40 Ft Lot)	\$570,000	0.52 per dwelling unit

The total estimated Equivalent Units for Phase #1 are shown in Table F-5 as calculated based on the Equivalent Unit factors shown above, estimated Lot Types and number of units estimated to be built within Phase #1.

Table F-5
Estimated Equivalent Units - Phase #1

Lot Type	Planned No. of units	Equivalent Unit Factor	Total Equivalent Units
Lot Type 1 (86 Ft Lot)	0	1.00	0.00
Lot Type 2 (74 Ft Lot)	0	0.98	0.00
Lot Type 3 (60 Ft Lot)	62	0.81	50.22
Lot Type 4 (50 Ft Lot)	90	0.58	52.20
Lot Type 5 (40 Ft Lot)	0	0.52	0.00
Total Equivalent Units	152		102.42

The total estimated Equivalent Units for the Major Improvement Area is shown in Table F-6 as calculated based on the Equivalent Unit factors shown in Table F-4, estimated Lot Types and number of units estimated to be built within the Major Improvement Area.

Table F-6
Estimated Equivalent Units -Major Improvement Area

Lot Type	Planned No. of units	Equivalent Unit Factor	Total Equivalent Units
Lot Type 1 (86 Ft Lot)	148	1.00	148.00
Lot Type 2 (74 Ft Lot)	245	0.98	240.10
Lot Type 3 (60 Ft Lot)	390	0.81	315.90
Lot Type 4 (50 Ft Lot)	470	0.58	272.60
Lot Type 5 (40 Ft Lot)	31	0.52	16.12
Total Equivalent Units	1,284		992.72

C) Allocation of Assessments to Lots within Phase #1 for the Phase #1 Initial Projects

As shown in Section IV of this Service and Assessment Plan, the total amount of the Phase #1 Reimbursement Agreement Obligation (Phase #1 Initial Projects) which represents the total Assessment to be allocated on all Parcels within Phase #1 for the Phase #1 Initial Projects, is \$4,945,798. As shown in Table F-5, there are a total of 102.42 estimated Equivalent Units in Phase #1, resulting in an Assessment per Equivalent Unit of \$48,289.38 for the Phase #1 Initial Projects.

The Assessment per dwelling unit or acre is calculated as the product of (i) \$48,289.38 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, The Assessment for a Lot Type 1 (86 Ft Lot) dwelling unit is \$48,289.38 (i.e. $\$48,289.38 \times 1.00$). The Assessment for a Lot Type 2 (74 Ft Lot) dwelling unit is \$47,323.59 (i.e. $\$48,289.38 \times 0.98$). The Assessment for a Lot Type 3 (60 Ft Lot) dwelling unit is \$39,114.40 (i.e. $\$48,289.38 \times 0.81$). The Assessment for a Lot Type 4 (50 Ft Lot) dwelling unit is \$28,007.84 (i.e. $\$48,289.38 \times 0.58$). The Assessment for a Lot Type 5 (40 Ft Lot) dwelling unit is \$25,110.48 (i.e. $\$48,289.38 \times 0.52$). Table F-7 sets forth the Assessment per dwelling unit for each Lot Type in Phase #1 for the Phase #1 Initial Projects.

Table F-7
Assessment Per Unit - Phase #1 Initial Projects

Lot Type	Planned No. of Units	Assessment per Equivalent Unit	Equivalent Unit Factor	Assessment per Unit	Total Assessments
Lot Type 1 (86 Ft Lot)	0	\$48,289.38	1.00	\$48,289.38 per dwelling unit	\$0
Lot Type 2 (74 Ft Lot)	0	\$48,289.38	0.98	\$47,323.59 per dwelling unit	\$0
Lot Type 3 (60 Ft Lot)	62	\$48,289.38	0.81	\$39,114.40 per dwelling unit	\$2,425,093
Lot Type 4 (50 Ft Lot)	90	\$48,289.38	0.58	\$28,007.84 per dwelling unit	\$2,520,706
Lot Type 5 (40 Ft Lot)	0	\$48,289.38	0.52	\$25,110.48 per dwelling unit	\$0
Total	152				\$4,945,798

The projected leverage calculated based on the estimated land values, finished lot values and home values for each unit is shown in Table F-8.

Table F-8
Projected Leverage - Phase #1 Initial Projects

Lot Type	Planned No. of Units	Estimated Finished Lot Value per unit	Projected Home Value per unit	Assessment per Unit	Leverage (Lot Value)	Leverage (Home Value)
Lot Type 1 (86 Ft Lot)	0	\$172,000	\$1,100,000	\$48,289.38	3.56	22.78
Lot Type 2 (74 Ft Lot)	0	\$148,000	\$1,080,000	\$47,323.59	3.13	22.82
Lot Type 3 (60 Ft Lot)	62	\$120,000	\$890,000	\$39,114.40	3.07	22.75
Lot Type 4 (50 Ft Lot)	90	\$100,000	\$635,000	\$28,007.84	3.57	22.67
Lot Type 5 (40 Ft Lot)	0	\$80,000	\$570,000	\$25,110.48	3.19	22.70

The projected tax rate equivalent per unit calculated based on the estimated finished lot values and home values for each unit is shown in Table F-9.

Table F-9
Estimated Tax Rate Equivalent per unit - Phase #1 Initial Projects

Lot Type	Planned No. of Units	Estimated Finished Lot Value per unit	Projected Home Value per unit	Projected Average Annual Installment per unit	Tax Rate Equivalent (per \$100 Lot Value)	Tax Rate Equivalent (per \$100 Home Value)
Lot Type 1 (86 Ft Lot)	0	\$172,000	\$1,100,000	\$4,178.71	\$2.43	\$0.38
Lot Type 2 (74 Ft Lot)	0	\$148,000	\$1,080,000	\$4,095.14	\$2.77	\$0.38
Lot Type 3 (60 Ft Lot)	62	\$120,000	\$890,000	\$3,384.76	\$2.82	\$0.38
Lot Type 4 (50 Ft Lot)	90	\$100,000	\$635,000	\$2,423.65	\$2.42	\$0.38
Lot Type 5 (40 Ft Lot)	0	\$80,000	\$570,000	\$2,172.93	\$2.72	\$0.38

The Assessment and Annual Installments for each Parcel or Lot located within Phase #1 for the Phase #1 Initial Projects is shown on the Phase #1 Assessment Roll - Phase #1 Initial Projects attached as Appendix G and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

D) Allocation of Assessments to Lots within Phase #1 for the Phase #1 Additional Major Improvements

As shown in Section IV of this Service and Assessment Plan, the total amount of the Phase #1 Reimbursement Agreement Obligation (Phase #1 Additional Major Improvements) which represents the total Assessment to be allocated on all Parcels within Phase #1 for the Phase #1 Additional Major Improvements, is \$2,015,000. As shown in Table F-5, there are a total of 102.42 estimated Equivalent Units in Phase #1, resulting in an Assessment per Equivalent Unit of \$19,673.89 for the Phase #1 Additional Major Improvements.

The Assessment per dwelling unit or acre is calculated as the product of (i) \$19,673.89 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, The Assessment for a Lot Type 1 (86 Ft Lot) dwelling unit is \$19,673.89 (i.e. \$19,673.89 × 1.00). The Assessment for a Lot Type 2 (74 Ft Lot) dwelling unit is \$19,280.41 (i.e. \$19,673.89 × 0.98). The Assessment for a Lot Type 3 (60 Ft Lot) dwelling unit is \$15,935.85 (i.e. \$19,673.89 × 0.81). The Assessment for a Lot Type 4 (50 Ft Lot) dwelling unit is \$11,410.86 (i.e. \$19,673.89 × 0.58). The Assessment for a Lot Type 5 (40 Ft Lot) dwelling unit is \$10,230.42 (i.e. \$19,673.89 × 0.52). Table F-10 sets forth the Assessment per dwelling unit for each Lot Type in Phase #1 for the Phase #1 Additional Major Improvements.

Table F-10
Assessment Per Unit - Phase #1 Additional Major Improvements

Lot Type	Planned No. of Units	Assessment per Equivalent Unit	Equivalent Unit Factor	Assessment per Unit	Total Assessments
Lot Type 1 (86 Ft Lot)	0	\$19,673.89	1.00	\$19,673.89 per dwelling unit	\$0
Lot Type 2 (74 Ft Lot)	0	\$19,673.89	0.98	\$19,280.41 per dwelling unit	\$0
Lot Type 3 (60 Ft Lot)	62	\$19,673.89	0.81	\$15,935.85 per dwelling unit	\$988,023
Lot Type 4 (50 Ft Lot)	90	\$19,673.89	0.58	\$11,410.86 per dwelling unit	\$1,026,977
Lot Type 5 (40 Ft Lot)	0	\$19,673.89	0.52	\$10,230.42 per dwelling unit	\$0
Total	152				\$2,015,000

The projected leverage calculated based on the estimated land values, finished lot values and home values for each unit is shown in Table F-11.

Table F-11
Projected Leverage - Phase #1 Additional Major Improvements

Lot Type	Planned No. of Units	Estimated Finished Lot Value per unit	Projected Home Value per unit	Assessment per Unit	Leverage (Lot Value)	Leverage (Home Value)
Lot Type 1 (86 Ft Lot)	0	\$172,000	\$1,100,000	\$19,673.89	8.74	55.91
Lot Type 2 (74 Ft Lot)	0	\$148,000	\$1,080,000	\$19,280.41	7.68	56.02
Lot Type 3 (60 Ft Lot)	62	\$120,000	\$890,000	\$15,935.85	7.53	55.85
Lot Type 4 (50 Ft Lot)	90	\$100,000	\$635,000	\$11,410.86	8.76	55.65
Lot Type 5 (40 Ft Lot)	0	\$80,000	\$570,000	\$10,230.42	7.82	55.72

The projected tax rate equivalent per unit calculated based on the estimated finished lot values and home values for each unit is shown in Table F-12.

Table F-12
Estimated Tax Rate Equivalent per unit - Phase #1 Additional Major Improvements

Lot Type	Planned No. of Units	Estimated Finished Lot Value per unit	Projected Home Value per unit	Projected Average Annual Installment per unit	Tax Rate Equivalent (per \$100 Lot Value)	Tax Rate Equivalent (per \$100 Home Value)
Lot Type 1 (86 Ft Lot)	0	\$172,000	\$1,100,000	\$1,647.79	\$0.96	\$0.15
Lot Type 2 (74 Ft Lot)	0	\$148,000	\$1,080,000	\$1,614.83	\$1.09	\$0.15
Lot Type 3 (60 Ft Lot)	62	\$120,000	\$890,000	\$1,334.71	\$1.11	\$0.15
Lot Type 4 (50 Ft Lot)	90	\$100,000	\$635,000	\$955.72	\$0.96	\$0.15
Lot Type 5 (40 Ft Lot)	0	\$80,000	\$570,000	\$856.85	\$1.07	\$0.15

The Assessment and Annual Installments for each Parcel or Lot located within Phase #1 for the Phase #1 Additional Major Improvements is shown on the Phase #1 Assessment Roll - Phase #1 Additional Major Improvements attached as Appendix H and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

E) Allocation of Assessments to Lots within Phase #1 for the Phase #1 Projects (Phase #1 Initial Projects and Phase #1 Additional Major Improvements Combined)

As shown in Section IV of this Service and Assessment Plan, the total amount of the Phase #1 Reimbursement Agreement Obligation (Phase #1 Initial Projects) and the Phase #1 Reimbursement Agreement Obligation (Phase #1 Additional Major Improvements) which represents the total Assessment to be allocated on all Parcels within Phase #1, is \$6,960,798. As shown in Table F-5, there are a total of 102.42 estimated Equivalent Units in Phase #1, resulting in an Assessment per Equivalent Unit of \$67,963.27.

The Assessment per dwelling unit or acre is calculated as the product of (i) \$67,963.27 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, The Assessment for a Lot Type 1 (86 Ft Lot) dwelling unit is \$67,963.27 (i.e. $\$67,963.27 \times 1.00$). The Assessment for a Lot Type 2 (74 Ft Lot) dwelling unit is \$66,604.01 (i.e. $\$67,963.27 \times 0.98$). The Assessment for a Lot Type 3 (60 Ft Lot) dwelling unit is \$55,050.25 (i.e. $\$67,963.27 \times 0.81$). The Assessment for a Lot Type 4 (50 Ft Lot) dwelling unit is \$39,418.70 (i.e. $\$67,963.27 \times 0.58$). The Assessment for a Lot Type 5 (40 Ft Lot) dwelling unit is \$35,340.90 (i.e. $\$67,963.27 \times 0.52$). Table F-13 sets forth the Assessment per dwelling unit for each Lot Type in Phase #1.

Table F-13
Assessment Per Unit - Phase #1 Projects
Combined Phase #1 Initial Projects and Phase #1 Additional Major Improvements

Lot Type	Planned No. of Units	Assessment per Equivalent Unit	Equivalent Unit Factor	Assessment per Unit	Total Assessments
Lot Type 1 (86 Ft Lot)	0	\$67,963.27	1.00	\$67,963.27 per dwelling unit	\$0
Lot Type 2 (74 Ft Lot)	0	\$67,963.27	0.98	\$66,604.01 per dwelling unit	\$0
Lot Type 3 (60 Ft Lot)	62	\$67,963.27	0.81	\$55,050.25 per dwelling unit	\$3,413,115
Lot Type 4 (50 Ft Lot)	90	\$67,963.27	0.58	\$39,418.70 per dwelling unit	\$3,547,683
Lot Type 5 (40 Ft Lot)	0	\$67,963.27	0.52	\$35,340.90 per dwelling unit	\$0
Total	152				\$6,960,798

The projected leverage calculated based on the estimated land values, finished lot values and home values for each unit is shown in Table F-14.

Table F-14
Projected Leverage - Phase #1 Projects
Combined Phase #1 Initial Projects and Phase #1 Additional Major Improvements

Lot Type	Planned No. of Units	Estimated Finished Lot Value per unit	Projected Home Value per unit	Assessment per Unit	Leverage (Lot Value)	Leverage (Home Value)
Lot Type 1 (86 Ft Lot)	0	\$172,000	\$1,100,000	\$67,963.27	2.53	16.19
Lot Type 2 (74 Ft Lot)	0	\$148,000	\$1,080,000	\$66,604.01	2.22	16.22
Lot Type 3 (60 Ft Lot)	62	\$120,000	\$890,000	\$55,050.25	2.18	16.17
Lot Type 4 (50 Ft Lot)	90	\$100,000	\$635,000	\$39,418.70	2.54	16.11
Lot Type 5 (40 Ft Lot)	0	\$80,000	\$570,000	\$35,340.90	2.26	16.13

The projected tax rate equivalent per unit calculated based on the estimated finished lot values and home values for each unit is shown in Table F-15.

Table F-15
Estimated Tax Rate Equivalent per unit - Phase #1 Projects
Combined Phase #1 Initial Projects and Phase #1 Additional Major Improvements

Lot Type	Planned No. of Units	Estimated Finished Lot Value per unit	Projected Home Value per unit	Projected Average Annual Installment per unit	Tax Rate Equivalent (per \$100 Lot Value)	Tax Rate Equivalent (per \$100 Home Value)
Lot Type 1 (86 Ft Lot)	0	\$172,000	\$1,100,000	\$5,826.50	\$3.39	\$0.53
Lot Type 2 (74 Ft Lot)	0	\$148,000	\$1,080,000	\$5,709.97	\$3.86	\$0.53
Lot Type 3 (60 Ft Lot)	62	\$120,000	\$890,000	\$4,719.47	\$3.93	\$0.53
Lot Type 4 (50 Ft Lot)	90	\$100,000	\$635,000	\$3,379.37	\$3.38	\$0.53
Lot Type 5 (40 Ft Lot)	0	\$80,000	\$570,000	\$3,029.78	\$3.79	\$0.53

The Assessment and Annual Installments for each Parcel or Lot located within Phase #1 is shown on the Phase #1 Assessment Roll - Phase #1 Initial Projects and the Phase #1 Assessment Roll - Phase #1 Additional Major Improvements attached as Appendix G and Appendix H, respectively, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

EXHIBIT B
CITY OF CELINA, TEXAS
NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN THAT two public hearings will be conducted by the City Council of Celina, Texas on March 14, 2023, at or after 5:00 p.m. at the Celina City Council Chambers, 112 N. Colorado Street, Celina, Texas 75009. The public hearings will be held to consider proposed assessments to be levied against the assessable property within the Mustang Lakes (Annex) Public Improvement District (the "District") pursuant to the provisions of Chapter 372 of the Texas Local Government Code, as amended.

The proposed improvements to be undertaken at this time for the benefit of Phase #1 of the District, including both the improvements which will only benefit Phase #1 and Phase #1's allocable portion of the improvements to be initially constructed for the benefit of the entire District (the "Phase #1 Initial Projects") include (i) roadway improvements; storm drainage improvements; water and wastewater system improvements; and, other similar improvement projects, (ii) payment of expenses incurred in the establishment, administration and operation of the District; and (iii) payment of expenses associated with financing such public improvement projects, which may include, but are not limited to, costs associated with issuance and sale of revenue bonds secured by assessments levied against property within Phase #1 of the District.

The total costs of the Phase #1 Initial Projects, including administrative costs and the costs of issuing bonds, is approximately \$4,945,798.

Phase #1's allocable portion of the proposed improvements to be financed at this time and undertaken in the future for the benefit of the entire District (the "Phase #1 Additional Major Improvements") include (i) roadway improvements; storm drainage improvements; water and wastewater system improvements; and other similar improvement projects, (ii) payment of expenses incurred in the establishment, administration and operation of the District; and (iii) payment of expenses associated with financing such public improvement projects, which may include, but are not limited to, costs associated with issuance and sale of revenue bonds secured by assessments levied against property within Phase #1 of the District.

The total costs of the Phase #1 Additional Major Improvements, including administrative costs and the costs of issuing bonds, is approximately \$2,356,204.

The boundaries of the District include approximately 556.836 acres of land generally located in the area encompassed directly south of Choate Parkway, north of FM 1461, east of Coit Road, and west of FM 2478, as more particularly described by a metes and bounds description available at Celina City Hall located at 142 N. Ohio Street, Celina, Texas 75009 and available for public inspection.

All written or oral objections on the proposed assessments within the District will be considered at the public hearings.

A copy of the proposed (i) Phase #1 Assessment Roll – Phase #1 Initial Projects, which includes the assessments proposed to be levied against each parcel of land within Phase #1 of the District that benefits from the Phase #1 Initial Projects and (ii) Phase #1 Assessment Roll – Phase #1 Additional Major Improvements, which includes the assessments proposed to be levied against each parcel of land within Phase #1 of the District that benefits from the Phase #1 Additional Major Improvements, is available for public inspection at the office of the City Secretary, 142 N. Ohio Street, Celina, Texas 75009.

CITY OF CELINA, TEXAS
RESOLUTION NO. 2023-__R

A RESOLUTION OF THE CITY OF CELINA, TEXAS DETERMINING THE COSTS OF CERTAIN PHASES #2-3 DIRECT IMPROVEMENTS TO BE FINANCED WITHIN THE CHALK HILL PUBLIC IMPROVEMENT DISTRICT NO. 2; APPROVING A PRELIMINARY SERVICE AND ASSESSMENT PLAN UPDATED FOR THE PHASES #2-3 DIRECT IMPROVEMENTS, INCLUDING A PROPOSED ASSESSMENT ROLL; DIRECTING THE FILING OF THE PROPOSED ASSESSMENT ROLL WITH THE CITY SECRETARY TO MAKE AVAILABLE FOR PUBLIC INSPECTION; NOTICING A PUBLIC HEARING FOR MARCH 14, 2023 TO CONSIDER AN ORDINANCE LEVYING ASSESSMENTS ON PROPERTY LOCATED WITHIN PHASES #2-3 OF THE CHALK HILL PUBLIC IMPROVEMENT DISTRICT NO. 2; DIRECTING CITY STAFF TO PUBLISH AND MAIL NOTICE OF SAID PUBLIC HEARING; AND RESOLVING OTHER MATTERS INCIDENT AND RELATED THERETO.

WHEREAS, the Public Improvement District Assessment Act, Texas Local Government Code, Chapter 372, as amended (the "PID Act") authorizes the City of Celina, Texas (the "City") to create a public improvement district within the corporate boundaries and the extraterritorial jurisdiction of the City; and

WHEREAS, on December 12, 2017, the City Council of the City (the "City Council") conducted a public hearing to consider a petition received by the City requesting the creation of a public improvement district within the corporate limits of the City; and

WHEREAS, on December 12, 2017, the City Council adopted Resolution No. 2017-212R (the "Authorization Resolution"), authorizing, establishing, and creating the "Chalk Hill Public Improvement District No. 2" (the "District"); and

WHEREAS, the City authorized the creation of the District and the issuance of bonds for the District to finance up to \$20,000,000.00 of certain public improvements authorized by the PID Act for the benefit of the property within the District (the "Authorized Improvements"); and

WHEREAS, pursuant to ordinances adopted by the City Council on March 23, 2018, the City Council approved the Chalk Hill Public Improvement District No. 2 Service and Assessment Plan, including the Phases #2-3 Major Improvement Assessment Roll and the Phase #1 Assessment Roll (the "Original SAP"), levied special assessments for the construction of the Major Improvements against property within the District, levied special assessments for the construction of the Phase #1 Improvements against property within Phase #1 of the District, and established a lien on such property; and

WHEREAS, the Original SAP has been updated annually since its adoption in accordance with the provisions of the PID Act; and

WHEREAS, the City Council and the City staff have been presented a “Chalk Hill Public Improvement District No. 2 Preliminary Service and Assessment Plan as updated for Phases #2-3 Direct Improvements”, including a proposed assessment roll attached thereto (the “Preliminary Updated SAP”), relating to certain assessments proposed to be levied against property within Phases #2-3 of the District that benefit from certain Authorized Improvements which only benefit the property within Phases #2-3 of the District (the “Phases #2-3 Direct Improvements”). A copy of the Preliminary Updated SAP is (i) attached hereto as **Exhibit A**, (ii) is incorporated herein for all purposes, (iii) identifies the area constituting the District, (iv) identifies the area constituting Phases #2-3 of the District, (v) identifies the costs of the Phases #2-3 Direct Improvements, and (vi) sets forth the proposed assessment roll for Phases #2-3 of the District related to the Phases #2-3 Direct Improvements (the “Proposed Assessment Roll”); and

WHEREAS, the Preliminary Updated SAP sets forth the estimated total costs of certain Phases #2-3 Direct Improvements to be financed by the District at this time and the Proposed Assessment Roll states the assessments proposed to be levied against each benefitted parcel of land in Phases #2-3 of the District, as determined by the method of assessment chosen by the City and set forth in the Preliminary Updated SAP; and

WHEREAS, the PID Act requires that the Proposed Assessment Roll be filed with the municipal secretary of the City (the “City Secretary”), and be subject to public inspection; and

WHEREAS, the PID Act requires that a public hearing (the “Assessment Hearing”) be called to consider proposed assessments against the benefitted property within Phases #2-3 of the District and requires City Council to hear and pass on any objections to the proposed assessments at, or on the adjournment of, the Assessment Hearing; and

WHEREAS, the PID Act requires that notice of the Assessment Hearing be mailed to property owners liable for assessment and published in a newspaper of general circulation in the City before the tenth (10th) day before the date of the Assessment Hearing.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS AS FOLLOWS:

SECTION 1. The recitals set forth above in this Resolution are true and correct and are hereby adopted as findings of the City Council and are incorporated into the body of this Resolution as if fully set forth herein.

SECTION 2. The City Council does hereby accept the Preliminary Updated SAP for the District, including the Proposed Assessment Roll, in a form substantially similar to the attached **Exhibit A** and which is incorporated herein for all purposes. All capitalized terms not otherwise defined herein shall have the meanings given to such terms in the Preliminary Updated SAP.

SECTION 3. The City Council hereby determines that the total costs of the Phases #2-3 Direct Improvements to be financed by the District are as set forth in Table IV-B of the Preliminary Updated SAP.

SECTION 4. The City Council's final determination and approval of the costs of the Phases #2-3 Direct Improvements, or any portion thereof, shall be subject to and contingent upon City Council's approval of a final, updated Service and Assessment Plan which will include a final Assessment Roll, after the properly noticed and held Assessment Hearing.

SECTION 5. The Proposed Assessment Roll states the assessments and the projected annual installments proposed to be levied against each parcel of land in Phases #2-3 of the District that benefits from the Phases #2-3 Direct Improvements, as determined by the method of assessment chosen by the City in the Authorization Resolution and as more fully described in the Preliminary Updated SAP.

SECTION 6. The City Council hereby authorizes and directs the filing of the Proposed Assessment Roll with the City Secretary and directs the City Secretary to make the same available for public inspection.

SECTION 7. The City Council hereby authorizes and calls a public hearing (the Assessment Hearing, as defined above) to be held on **March 14, 2023, at or after 5:00 p.m.** in the Celina City Council Chambers, 112 N. Colorado Street, Celina, Texas 75009, at which, the City Council shall, among other actions, hear and pass on any objections to the proposed assessments, and, upon the adjournment of the Assessment Hearing, the City Council will

consider an ordinance levying the assessments as special assessments on property located within Phases #2-3 of the District that benefits from the Phases #2-3 Direct Improvements and which ordinance shall specify the method of payment of the assessments.

SECTION 8. The City Council hereby authorizes and directs the City Secretary to publish notice of the Assessment Hearing to be held on **March 14, 2023**, in substantially the form attached hereto as **Exhibit B** and incorporated herein for all purposes, in the *Celina Record*, a newspaper of general circulation in the City, on or before **March 2, 2023**, as required by Section 372.016(b) of the PID Act.

SECTION 9. When the Proposed Assessment Roll is filed with the City Secretary, the City Council hereby authorizes and directs the City Secretary, on or before **March 2, 2023**, to mail to owners of property liable for the proposed assessments notice of the Assessment Hearing to be held on **March 14, 2023**, as required by Section 372.016(c) of the PID Act.

SECTION 10. City staff is authorized and directed to take such other actions as are required (including, but not limited to, providing notice of the public hearing as required by the Texas Open Meetings Act) to place the public hearing on the agenda for the **March 14, 2023** meeting of the City Council.

SECTION 11. This Resolution shall become effective from and after its date of passage in accordance with law.

I. PLAN DESCRIPTION AND DEFINED TERMS

A. INTRODUCTION

On December 12, 2017 (the “Creation Date”) the City Council of the City of Celina, Texas (the “City”) passed and approved Resolution No. 2017-212R approving and authorizing the creation of the Chalk Hill Improvement District No. 2 (the “PID”) to finance the costs of certain public improvements for the benefit of property in the PID (the “Authorized Improvements”), all of which is located within the City of Celina.

The property in the PID is proposed to be developed in approximately three phases, and the PID will finance public improvements for each phase as each phase is developed. Assessments will be imposed on all the property in the PID for the public improvements that benefit the entire PID and on the property in each phase for the public improvements to be provided for that phase.

Chapter 372 of the Texas Local Government Code, the “Public Improvement District Assessment Act” (as amended, the “PID Act”), governs the creation and operation of public improvement districts within the State of Texas. This Chalk Hill Public Improvement District No. 2 Service and Assessment Plan (the “Service and Assessment Plan”) has been prepared in accordance with the PID Act and specifically Sections 372.013, 372.014, 372.015 and 372.016, which address the requirements of a service and assessment plan and the assessment roll. According to Section 372.013 of the PID Act, a service plan “must (1) cover a period of at least five years; (2) define the annual indebtedness and the projected costs for improvements; and (3) include a copy of the notice form required by Section 5.014, Property Code.” Additionally, the PID Act requires that “the governing body of the municipality or county shall review and update the service plan annually for the purpose of determining the annual budget for improvements.” The service plan is described in Section IV of this Service and Assessment Plan. The copy of the notice form required by Section 5.014 of the Texas Property Code, as amended, is attached hereto as Appendix E.

Section 372.014 of the PID Act requires that “an assessment plan must be included in the annual service plan.” The assessment plan is described in Section V of this Service and Assessment Plan.

Section 372.015 of the PID Act requires that “the governing body of the municipality or county shall apportion the cost of an improvement to be assessed against property in an improvement district.” The method of assessing the costs of the Authorized Improvements and apportionment of such costs to the property in the PID is included in Section V of this Service and Assessment Plan.

Section 372.016 of the PID Act requires that “after the total cost of an improvement is determined, the governing body of the municipality or county shall prepare a proposed assessment roll. The roll must state the assessment against each parcel of land in the district, as determined by the method of assessment chosen by the municipality or county under this subchapter.” The Assessment Rolls for the PID are included as Appendix G, Appendix H and Appendix I, of this Service and Assessment Plan. The Assessments as shown on each Assessment Roll are based on

the method of assessment and apportionment of costs described in Section V of this Service and Assessment Plan.

B. DEFINITIONS

Capitalized terms used herein shall have the meanings ascribed to them as follows:

“Actual Cost(s)” means, with respect to an Authorized Improvement, the demonstrated, reasonable, allocable, and allowable costs of constructing such Authorized Improvement, as specified in a Certification for Payment that has been reviewed and approved by the City. Actual Cost may include (a) the costs for the design, planning, financing, administration, management, acquisition, installation, construction and/or implementation of such Authorized Improvement, including general contractor construction management fees, if any, (b) the costs of preparing the construction plans for such Authorized Improvement, (c) the fees paid for obtaining permits, licenses or other governmental approvals for such Authorized Improvement, (d) the costs for external professional costs associated with such Authorized Improvement, such as engineering, geotechnical, surveying, land planning, architectural landscapers, advertising, marketing and research studies, appraisals, legal, accounting and similar professional services, taxes (e) the costs of all labor, bonds and materials, including equipment and fixtures, incurred by contractors, builders and material men in connection with the acquisition, construction or implementation of the Authorized Improvements, (f) all related permitting, zoning and public approval expenses, architectural, engineering, legal, and consulting fees, financing charges, taxes, governmental fees and charges (including inspection fees, County permit fees, development fees), insurance premiums, and miscellaneous expenses.

Actual Costs include general contractor’s fees in an amount up to a percentage equal to the percentage of work completed and accepted by the City or construction management fees in an amount up to five percent of the eligible Actual Costs described in a Certification for Payment. The amounts expended on legal costs, taxes, governmental fees, insurance premiums, permits, financing costs, and appraisals shall be excluded from the base upon which the general contractor and construction management fees are calculated.

“Additional Interest” means the 0.50% additional interest rate charged on Assessments (if applicable) pursuant to Section 372.018 of the PID Act.

“Additional Interest Component” means the amount collected by application of the Additional Interest.

“Administrator” means the employee or designee of the City, identified in any indenture of trust relating to the Bonds or in any other agreement approved by the City Council, who shall have the responsibilities provided for herein.

“Administrative Expenses” mean the administrative, organization, maintenance and operation costs associated with, or incident to, the administration, organization, maintenance and operation of the PID, including, but not limited to, the costs of: (i) creating and organizing the PID, including conducting hearings, preparing notices and petitions, and all costs incident thereto,

including engineering fees, legal fees and consultant fees, (ii) the annual administrative, organization, maintenance, and operation costs and expenses associated with, or incident and allocable to, the administration, organization, and operation of the PID, (iii) computing, levying, billing and collecting Assessments or the Annual Installments thereof, (iv) maintaining the record of installments of the Assessments and the system of registration and transfer of the Bonds, (v) paying and redeeming the Bonds, (vi) investing or depositing of monies, (vii) complying with the PID Act and other laws applicable to the Bonds, (viii) the Trustee fees and expenses relating to the Bonds, including reasonable fees, (ix) legal counsel, engineers, accountants, financial advisors, investment bankers or other consultants and advisors, and (x) administering the construction of the Authorized Improvements. Administrative Expenses do not include payment of the actual principal of, redemption premium, if any, and interest on the Bonds. Administrative Expenses collected and not expended for actual Administrative Expenses shall be carried forward and applied to reduce Administrative Expenses in subsequent years to avoid the over-collection of amounts to pay Administrative Expenses.

“Annual Installment” means, with respect to each Parcel, each annual payment of: (i) the Assessments including interest, as shown on the Assessment Rolls attached hereto as Appendix G, Appendix H, and Appendix I, as applicable, or in an Annual Service Plan Update, and calculated as provided in Section VI of this Service and Assessment Plan, (ii) the Additional Interest collected for the Prepayment and Delinquency Reserve described in Section V of this Service and Assessment Plan, if applicable, and (iii) the Administrative Expenses.

“Annual Service Plan Update” has the meaning set forth in the fourth paragraph of Section IV of this Service and Assessment Plan.

“Assessed Property” means the property that benefits from the Authorized Improvements to be provided by the PID on which Assessments have been imposed as shown in each Assessment Roll, as each Assessment Roll is updated each year by the Annual Service Plan Update. Assessed Property includes Parcels within the PID other than Non-Benefited Property.

“Assessment” means an assessment levied against a Parcel imposed pursuant to an Assessment Ordinance and the provisions herein, as shown on any Assessment Roll, subject to reallocation upon the subdivision of such Parcel or reduction according to the provisions herein and the PID Act.

“Assessment Ordinance” means an Assessment Ordinance adopted by the City Council approving the Service and Assessment Plan (including amendments or supplements to the Service and Assessment Plan) and levying the Assessments.

“Assessment Revenues” mean the revenues actually received by or on behalf of the City from the collection of Assessments.

“Assessment Roll” means, as applicable, the Phases #2-3 Major Improvement Assessment Roll, the Phase #1 Assessment Roll, and/ or the Phases #2-3 Direct Improvement Assessment Roll for the development or any other Assessment Roll in an amendment or supplement to this Service and Assessment Plan or in an Annual Service Plan Update.

“Authorized Improvements” mean those public improvements described in Appendix B of this Service and Assessment Plan and Section 372.003 of the PID Act, constructed and installed in accordance with this Service and Assessment Plan, and any future updates and/or amendments.

“Bonds” mean any bonds issued by the City in one or more series and secured in whole or in part by the Assessment Revenues.

“Certification for Payment” means the certificate to be provided by the Developer, or his designee, to substantiate the Actual Cost of one or more Authorized Improvements. “

“City” means the City of Celina, Texas.

“City Council” means the duly elected governing body of the City.

“Delinquent Collection Costs” mean interest, penalties and expenses incurred or imposed with respect to any delinquent installment of an Assessment in accordance with the PID Act and the costs related to pursuing collection of a delinquent Assessment and foreclosing the lien against the Assessed Property, including attorney’s fees.

“Developer” means MM Chalk Hill, LLC, a Texas limited liability company.

“Homeowner Association” means a homeowner’s association or property owners’ association established for the benefit of property owners within the boundaries of the PID.

“Homeowner Association Property” means property within the boundaries of the PID that is owned by or irrevocably offered for dedication to, whether in fee simple or through an exclusive use easement, a homeowner’s association.

“Lot” means a tract of land described as a “lot” in a subdivision plat recorded in the official public records of Collin County, Texas.

“Lot Type” means a classification of final building lots with similar characteristics (e.g. commercial, light industrial, multifamily residential, single family residential, etc.), as determined by the Administrator and confirmed by the City Council. In the case of single family residential lots, the Lot Type shall be further defined by classifying the residential lots by the estimated final average home value for each lot as of the date of the recorded subdivision plat, considering factors such as density, lot size, proximity to amenities, view premiums, location, and any other factors that may impact the average home value on the lot, as determined by the Administrator and confirmed by the City Council.

“Maximum Assessment Per Unit” means the Assessment amount per Lot shown in Section V.E.

“Major Improvements” mean the Authorized Improvements which benefit all Assessed Property within the PID and are described in Section III.B.

“Non-Benefited Property” means Parcels that accrue no special benefit from the Authorized Improvements, including Homeowner Association Property, Public Property and easements that create an exclusive use for a public utility provider. Property identified as Non-Benefited Property at the time the Assessments (i) are imposed or (ii) are reallocated pursuant to a subdivision of a Parcel, is not assessed. Assessed Property converted to Non-Benefited Property, if the Assessments may not be reallocated pursuant to the provisions herein, remains subject to the Assessments and requires the Assessments to be prepaid as provided for in Section VI.E.

“Parcel” or “Parcels” means a parcel or parcels within the PID identified by either a tax map identification number assigned by the Collin Central Appraisal District for real property tax purposes or by lot and block number in a final subdivision plat recorded in the real property records of Collin County.

“Phase” means one or more Parcels within the PID that will be developed in the same general time period. The Parcels within a Phase will be assessed in connection with the issuance of Phased PID Bonds for Authorized Improvements (or the portion thereof) designated in an update to this Service and Assessment Plan that specially benefit the Parcels within the Phase.

“Phase #1” means the initial Phase to be developed, identified as “Phase #1” and generally shown in Appendix A, as specifically depicted and described as the sum of all Parcels shown in Appendix H.

“Phase #1 Assessed Property” means all Parcels within Phase #1 other than Non-Benefited Property and shown in the Phase #1 Assessment Roll against which an Assessment relating to the Phase #1 Improvements is levied.

“Phase #1 Assessment Revenues” mean the actual revenues received by or on behalf of the City from the collection of Assessments levied against Phase #1 Assessed Property, or the Annual Installments thereof, for the Phase #1 Improvements.

“Phase #1 Assessment Roll” means the document included in this Service and Assessment Plan as Appendix H, as updated, modified, or amended from time to time in accordance with the procedures set forth herein and in the PID Act, including updates prepared in connection with the issuance of Bonds or in connection with any Annual Service Plan Update. The Phase #1 Assessment Roll was previously included as Appendix E to the prior draft of this Service and Assessment Plan.

“Phase #1 Bonds” mean those certain "City of Celina, Texas, Special Assessment Revenue Bonds, Series 2018 (Chalk Hill Public Improvement District No. 2 Phase #1 Project)" that are secured primarily by Phase #1 Assessment Revenues.

“Phase #1 Direct Improvements” mean the Authorized Improvements which only benefit Phase #1 Assessed Property, which are described in Section III.C.

“Phase #1 Improvements” mean (i) the pro rata share of the Major Improvements allocable to Phase #1, and (ii) the Authorized Improvements which only benefit Phase #1 Assessed Property, which are described in Section III.C.

“Phased PID Bonds” mean bonds issued to fund Authorized Improvements (or a portion thereof) in a Phase. In connection with the Phased PID Bonds, Assessments will be levied only on Parcels located within the Phase in question.

“Phases #2-3” means the property within the PID excluding Phase #1 which is to be developed subsequent to Phase #1 and generally depicted in Appendix A of this Service and Assessment Plan or any Annual Service Plan Update.

“Phases #2-3 Assessed Property” means, for any year, all Parcels within the PID other than (i) Non-Benefited Property, and (ii) Parcels within Phase #1.

“Phases #2-3 Direct Improvements” mean the Authorized Improvements which only benefit Phases #2-3 Assessed Property, which are described in Section III.D.

“Phases #2-3 Direct Improvement Assessment Revenues” mean the revenues actually received by or on behalf of the City from the collection of Assessments levied against Phases #2-3 Assessed Property, or the Annual Installments thereof, for the Phases #2-3 Direct Improvements.

“Phases #2-3 Direct Improvement Assessment Roll” means the document included in this Service and Assessment Plan as Appendix I, as updated, modified or amended from time to time in accordance with the procedures set forth herein and in the PID Act, including updates prepared in connection with the issuance of Bonds or in connection with any Annual Service Plan Update.

“Phases #2-3 Direct Improvement Bonds” mean those certain "City of Celina, Texas, Special Assessment Revenue Bonds, Series 2023 (Chalk Hill Public Improvement District No. 2 Phases #2-3 Direct Improvement Project)" that are secured primarily by Phases #2-3 Direct Improvement Assessment Revenues.

“Phases #2-3 Direct Improvement Reimbursement Agreement” means that certain Chalk Hill Public Improvement District No. 2 Reimbursement Agreement dated as of [REDACTED], 2023 by and between the City and the Developer in which the Developer agrees to fund certain Actual Costs of the Phases #2-3 Direct Improvements and the City agrees to reimburse the Developer from a portion of the Phases #2-3 Direct Improvement Assessment Revenues for a portion of such Actual Costs funded by the Developer with interest as permitted by the PID Act. In the indenture related to the Phases #2-3 Direct Improvement Bonds, the City reserved the right to issue an additional series of Bonds secured by the Phases #2-3 Direct Improvement Assessment Revenues to satisfy the obligation under the Phases #2-3 Direct Improvement Reimbursement Agreement.

“Phases #2-3 Major Improvements” mean the pro rata portion of the Major Improvements allocable to Phases #2-3, which are described in Section III.B

“Phases #2-3 Major Improvement Assessment Revenues” mean the revenues actually received by or on behalf of the City from the collection of Assessments levied against Phases #2-3 Assessed Property, or the Annual Installments thereof, for the Phases #2-3 Major Improvements.

“Phases #2-3 Major Improvement Assessment Roll” means the document included in this Service and Assessment Plan as Appendix G, as updated, modified or amended from time to time in accordance with the procedures set forth herein and in the PID Act, including updates prepared in connection with the issuance of Bonds or in connection with any Annual Service Plan Update. The Phases #2-3 Major Improvement Area Assessment Roll was previously included as Appendix D to the prior draft of this Service and Assessment Plan.

“Phases #2-3 Major Improvement Bonds” mean those certain "City of Celina, Texas, Special Assessment Revenue Bonds, Series 2018 (Chalk Hill Public Improvement District No. 2 Phases #2-3 Major Improvement Projects)" that are secured primarily by Phases #2-3 Major Improvement Assessment Revenues.

“PID” has the meaning set forth in Section I.A of this Service and Assessment Plan.

“PID Act” means Texas Local Government Code Chapter 372, Public Improvement District Assessment Act, Subchapter A, Public Improvement Districts, as amended.

“PD #43” means Planned Development District, #43 passed and approved by the City pursuant to Ordinance No 2010-26 dated as of April 12, 2010.

“Prepayment and Delinquency Reserve” has the meaning set forth in Section V.G of this Service and Assessment Plan.

“Prepayment Costs” mean interest and expenses to the date of prepayment, plus any additional expenses related to the prepayment, reasonably expected to be incurred by or imposed upon the City as a result of any prepayment of an Assessment.

“Public Property” means property within the boundaries of the PID that is owned by or irrevocably offered for dedication to the federal government, the State of Texas, Collin County, the City, a school district or any other public agency, whether in fee simple or through an exclusive use easement.

“Service and Assessment Plan” means this Service and Assessment Plan prepared for the PID pursuant to the PID Act, as the same may be amended from time to time.

“TIRZ No. 10” means the Tax Increment Reinvestment Zone No. 10, City of Celina, Texas.

“TIRZ Credit” means, for each Parcel, the prorated amount of TIRZ Revenues calculated pursuant to Section VI of this Service and Assessment Plan.

“TIRZ Ordinance” means an ordinance adopted by the City Council authorizing the use of TIRZ Revenues for project costs under the Tax Increment Financing Act, Texas Tax Code, Chapter 311, as amended, relating to the Authorized Improvements as provided for in the Tax Increment Reinvestment Zone No. 10 Project Plan and Financing Plan (including amendments or supplements thereto).

“TIRZ Revenues” mean, for each year, the amounts paid by the City from the TIRZ No. 10 tax increment fund pursuant to the TIRZ Ordinance to reduce an Annual Installment, as calculated each year by the Administrator in collaboration with the City, in accordance with Section VI of this Service and Assessment Plan.

“Trust Indenture” means an indenture of trust, ordinance or similar document setting forth the terms and other provisions relating to the Bonds, as modified, amended, and/or supplemented from time to time.

“Trustee” means the fiscal agent or trustee as specified in the Trust Indenture, including a substitute fiscal agent or trustee.

II. PROPERTY INCLUDED IN THE PID

A. PROPERTY INCLUDED IN THE PID

The PID is presently located within the City and contains approximately 94.827 acres of land. A map of the property within the PID is shown on Appendix A to this Service and Assessment Plan.

At completion, the PID is expected to consist of approximately 441 single family residential units, landscaping, and infrastructure necessary to provide roadways, drainage, and utilities to the PID. The estimated number of lots (441) is based upon the proposed development plan.

The property within the PID is proposed to be developed as shown in Table II-A:

Table II-A
Proposed Development within the PID

Proposed Development	Units
50 Ft Lot	441
Total	441

B. PROPERTY INCLUDED IN PHASE #1

Phase #1 consists of approximately 38.866 acres and consists of 157 single family residential units, developed as Phase #1, as further described in Section III.C. A map of the property within Phase #1 that depicts the boundaries of each proposed Phase is shown in Appendix A.

The property within the Phase #1 is developed as shown in Table II-B:

Table II-B
Development – Phases #1

Development	Units
50 Ft Lot	157
Total	157

C. PROPERTY INCLUDED IN PHASES #2-3

Phases #2-3 consists of approximately 55.961 acres and is projected to consist of 284 single family residential units, to be developed as Phases #2-3, as further described in Section III.B. and Section III.D. A map of the property within Phases #2-3 that depicts the boundaries of the proposed Phases is shown in Appendix A and further described in Appendix D.

The property within Phases #2-3 is proposed to be developed as shown in Table II-C:

Table II-C
Proposed Development – Phases #2-3

Proposed Development	Units
50 Ft Lot	284
Total	284

The estimated number of units at the build-out of the PID is based on the land use approvals for the property, the anticipated subdivision of property in the PID, and the Developer's estimate of the highest and best use of the property within the PID.

(remainder of this page is intentionally left blank)

III. DESCRIPTION OF THE AUTHORIZED IMPROVEMENTS

A. AUTHORIZED IMPROVEMENT OVERVIEW

Section 372.003 of the PID Act defines the improvements that may be undertaken by a municipality or county through the establishment of a public improvement district, as follows:

372.003. Authorized Improvements

(a) If the governing body of a municipality or county finds that it promotes the interests of the municipality or county, the governing body may undertake an improvement project that confers a special benefit on a definable part of the municipality or county or the municipality's extraterritorial jurisdiction. A project may be undertaken in the municipality or county or the municipality's extraterritorial jurisdiction.

(b) A public improvement may include:

- (i) landscaping;
- (ii) erection of fountains, distinctive lighting, and signs;
- (iii) acquiring, constructing, improving, widening, narrowing, closing, or rerouting of sidewalks or of streets, any other roadways, or their rights-of way;
- (iv) construction or improvement of pedestrian malls;
- (v) acquisition and installation of pieces of art;
- (vi) acquisition, construction, or improvement of libraries;
- (vii) acquisition, construction, or improvement of off-street parking facilities;
- (viii) acquisition, construction, improvement, or rerouting of mass transportation facilities;
- (ix) acquisition, construction, or improvement of water, wastewater, or drainage facilities or improvements;
- (x) the establishment or improvement of parks;
- (xi) projects similar to those listed in Subdivisions (i)-(x);
- (xii) acquisition, by purchase or otherwise, of real property in connection with an authorized improvement;
- (xiii) special supplemental services for improvement and promotion of the district, including services relating to advertising, promotion, health and sanitation, water and wastewater, public safety, security, business recruitment, development, recreation, and cultural enhancement; and
- (xiv) payment of expenses incurred in the establishment, administration, and operation of the district.

After analyzing the public improvement projects authorized by the PID Act, the City has determined that the Authorized Improvements as described in Appendix B and shown on the

diagram included as Appendix C should be undertaken by the City for the benefit of the property within the PID.

B. DESCRIPTIONS AND COSTS OF MAJOR IMPROVEMENTS

The Major Improvements benefit the entire PID. The costs of the Major Improvements are allocated proportionally throughout the entire PID, excluding Non-Benefited Property, in a manner that anticipates planned development of the PID based on the anticipated number of lots.

The Major Improvements descriptions are presented below as provided by the project engineer. The Actual Costs of the Major Improvements are shown in Table III-A.

Road Improvements:

The major roadway improvements within the PID include construction of perimeter road and thoroughfare improvements, including related paving, drainage, curbs, gutters, sidewalks, retaining walls, signage, and traffic control devices. All roadway projects have been designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Water Distribution System Improvements:

The major water distribution system improvements within the PID consist of construction and installation of water lines, mains, pipes, valves and appurtenances necessary for the water distribution system, as well as related testing, trench safety and erosion protection, necessary to service the Assessed Property. The water distribution system improvements have been designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Sanitary Sewer Collection System Improvements:

The major sanitary sewer collection system improvements within consist of construction and installation of pipes, service lines, manholes, encasements and appurtenances necessary to provide sanitary sewer service to the Assessed Property. The sanitary sewer improvements have been designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Storm Drainage Collection System Improvements:

The major storm drainage collection system improvements consist of reinforced concrete pipes, reinforced concrete boxes, and multi-reinforced box culverts. The storm drainage collection system improvements have been designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Table III-A shows the Actual Costs of the Major Improvements.

Table III-A
Actual Costs – Major Improvements

Authorized Improvements	Phases #2-3 Proportional Share of Major Improvement Costs	Phase #1 Proportional Share of Major Improvement Costs	Total Major Improvement Costs¹
Roadway improvements	\$551,582	\$304,924	\$856,506
Water improvements	\$181,182	\$100,161	\$281,343
Sanitary sewer improvements	\$1,139,074	\$629,699	\$1,768,773
Storm drainage improvements	\$367,857	\$203,358	\$571,215
Soft costs and miscellaneous soft costs	\$400,788	\$221,562	\$622,350
Total Major Improvement Costs	\$2,640,483	\$1,459,704	\$4,100,187

¹See Section V.C and Table V-A for allocation of Actual Costs of the Major Improvements to Phase #1 and Phases #2-3.

C. DESCRIPTIONS AND COSTS OF PHASE #1 DIRECT IMPROVEMENTS

The Phase #1 Direct Improvements descriptions are presented below as provided by the project engineer. The Actual Costs of the Phase #1 Direct Improvements are shown in Table III-B.

Road Improvements:

The Phase #1 Direct Improvements roadway improvements within the PID include construction of perimeter road and thoroughfare improvements, including related paving, drainage, curbs, gutters, sidewalks, retaining walls, signage, and traffic control devices. All roadway projects have been designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Water Distribution System Improvements:

The Phase #1 Direct Improvements water distribution system improvements within the PID consist of construction and installation of water lines, mains, pipes, valves and appurtenances necessary for the water distribution system, as well as related testing, trench safety and erosion protection, necessary to service the Assessed Property. The water distribution system improvements have been designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Sanitary Sewer Collection System Improvements:

The Phase #1 Direct Improvements sanitary sewer collection system improvements within consist of construction and installation of pipes, service lines, manholes, encasements and appurtenances necessary to provide sanitary sewer service to the Assessed Property. The sanitary sewer improvements have been designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Storm Drainage Collection System Improvements:

The Phase #1 Direct Improvements storm drainage collection system improvements consist of reinforced concrete pipes, reinforced concrete boxes, and multi-reinforced box culverts. The storm drainage collection system improvements have been designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Table III-B shows the Actual Costs of the Phase #1 Direct Improvements.

Table III-B
Actual Costs – Phase #1 Direct Improvements

Authorized Improvements	Total Phase #1 Direct Improvement Costs
Roadway improvements	\$1,151,859
Water improvements	\$473,357
Sanitary sewer improvements	\$567,943
Storm drainage improvements	\$559,243
Soft costs and miscellaneous soft costs	\$216,291
Total Estimated Phase #1 Direct Improvement Costs	\$2,968,693

¹See Section V.C. and Table V-A for allocation of Major Improvement costs to Phase #1.

Additional details of the Phase #1 Direct Improvements, including the portion of the Major Improvements allocated to Phase #1 are shown in Appendix B attached to this Service and Assessment Plan. The method of cost allocation is explained in Section V.C.

The costs shown in Tables III-A and III-B are Actual Costs. The detailed costs of the Authorized Improvements are shown in Appendix B to this Service and Assessment Plan.

D. DESCRIPTIONS AND COSTS OF PHASES #2-3 DIRECT IMPROVEMENTS

The Phases #2-3 Direct Improvements descriptions are presented below as provided by the project engineer. The estimated costs of the Phases #2-3 Direct Improvements are shown in Table III-C. The costs shown in Table III-C are estimates and may be revised in Annual Service Plan Updates, including such other improvements as deemed necessary to further improve the properties within the PID.

Road Improvements:

Onsite

The onsite roadway portion of the Phases #2-3 Direct Improvements include construction of perimeter road and thoroughfare improvements, including related paving, drainage, curbs, gutters, sidewalks, retaining walls, signage, and traffic control devices. All onsite roadway projects will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Offsite

The offsite roadway portion of the Phases #2-3 Direct Improvements include construction of perimeter road and thoroughfare improvements, including related paving, drainage, curbs, gutters, sidewalks, retaining walls, signage, and traffic control devices. All onsite roadway projects will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Water Distribution System Improvements:Onsite

The onsite water distribution system portion of the Phases #2-3 Direct Improvements consist of construction and installation of water lines, mains, pipes, valves and appurtenances necessary for the water distribution system, as well as related testing, trench safety and erosion protection, necessary to service the Assessed Property. The onsite water distribution system improvements will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Offsite

The offsite water distribution system portion of the Phases #2-3 Direct Improvements consist of construction and installation of water lines, mains, pipes, valves and appurtenances necessary for the water distribution system, as well as related testing, trench safety and erosion protection, necessary to service the Assessed Property. The onsite water distribution system improvements will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Sanitary Sewer Collection System Improvements:

The sanitary sewer collection system portion of the Phases #2-3 Direct Improvements consist of construction and installation of pipes, service lines, manholes, encasements and appurtenances necessary to provide sanitary sewer service to the Assessed Property. The sanitary sewer improvements will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Storm Drainage Collection System Improvements:Onsite

The onsite storm drainage collection system portion of the Phases #2-3 Direct Improvements consist of reinforced concrete pipes, reinforced concrete boxes, and multi-reinforced box culverts. The onsite storm drainage collection system improvements will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Offsite

The offsite storm drainage collection system portion of the Phases #2-3 Direct Improvements consist of reinforced concrete pipes, reinforced concrete boxes, and multi-reinforced box culverts. The onsite storm drainage collection system improvements will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Other Soft and Miscellaneous CostsOnsite

The onsite soft and miscellaneous costs portion of the Phases #2-3 Direct Improvements consist of costs related to designing, constructing, and installing the Phases #2-3 Direct Improvements including land planning and design, city fees, legal fees, engineering, soil testing, survey, construction staking, construction management, contingency, and soft other costs associated with financing the Phases #2-3 Direct Improvements.

Offsite

The offsite soft and miscellaneous costs portion of the Phases #2-3 Direct Improvements consist of costs related to designing, constructing, and installing the Phases #2-3 Direct Improvements including land planning and design, city fees, legal fees, engineering, soil testing, survey, construction staking, construction management, contingency, and soft other costs associated with financing the Phases #2-3 Direct Improvements.

Table III-C
Estimated Phases #2-3 Direct Improvement Costs

Authorized Improvements	Estimated Onsite Phases #2-3 Direct Improvement Costs	Estimated Offsite Phases #2-3 Direct Improvement Costs	Total Estimated Phases #2-3 Direct Improvement Costs
Roadway improvements	\$2,171,891	\$1,046,339	\$3,218,230
Water improvements	\$1,230,309	\$284,421	\$1,514,730
Sanitary sewer improvements	\$939,214	\$0	\$939,214
Storm drainage improvements	\$851,113	\$104,656	\$955,769
Other soft and miscellaneous costs	\$1,822,376	\$503,776	\$2,326,152
Total Estimated Phases #2-3 Direct Improvement Costs	\$7,014,903	\$1,939,192	\$8,954,095

Note: Costs provided by Peloton Land Solutions.

¹ See Section V.C. and Table V-A for allocation of Major Improvement costs to Phases #2-3.

Additional details of the Phases #2-3 Direct Improvements are shown in Appendix B attached to this Service and Assessment Plan. The method of cost allocation is explained in Section V.C.

The costs shown in III-C are estimates and may be revised in Annual Service Plan Updates. The detailed costs of the Authorized Improvements are shown in Appendix B to this Service and Assessment Plan. Savings from one line item may be applied to a cost increase in another line item. These savings may be applied only to increases in costs of the Authorized Improvements paid for by the same Assessment (i.e., the improvements for the benefit of property within the PID).

(remainder of this page is intentionally left blank)

IV. SERVICE PLAN

A. PROJECTED SOURCES AND USES OF FUNDS

The PID Act requires the service plan to cover a period of at least five years. The service plan is required to define the annual projected costs and indebtedness for the Authorized Improvements undertaken within the PID during the five year period. The Major Improvements were completed and accepted by the City in the first quarter of 2021. The Phase #1 Improvements were completed and accepted by the City in the first quarter of 2021. The Phases #2-3 Direct Improvements are anticipated to be completed and accepted by the City in the second quarter of 2023.

The Actual Costs for the Phases #2-3 Major Improvements and Phase #1 Improvements plus costs related to the issuance of the Bonds, in one or more series, for the Phases #2-3 Major Improvements and Phase #1 Improvements and payment of expenses incurred in the establishment, administration and operation of the PID allocable to the Major Improvements and Phase #1 Improvements is \$9,407,606 as shown in Table IV-A.

The estimated costs for Phases #2-3 Direct Improvements plus costs related to the issuance of the Bonds, in one or more series, allocable to Phases #2-3 Direct Improvements is \$10,683,808 as shown in Table IV-B.

The sources and uses of funds shown in Table IV-A and Table IV-B shall be updated each year in the Annual Service Plan Update to reflect any budget revisions and Actual Costs. The service plan shall be reviewed and updated at least annually for the purpose of determining the annual budget for Administrative Expenses, updating the estimated Authorized Improvement costs, and updating the Assessment Roll(s). Any update to this Service and Assessment Plan is herein referred to as an “Annual Service Plan Update.”

Phases #2-3 Major Improvement Bonds and Phase #1 Bonds were issued in 2018 to finance the Phases #2-3 Major Improvements and Phase #1 Improvements, respectively. Table IV-A shows the sources and uses of the Phases #2-3 Major Improvement Bonds and Phase #1 Bonds. The Phase #1 Bonds were issued to finance a portion of the Phase #1 Improvements, including costs to issue the Phase #1 Bonds, as shown in Table IV-A. Proceeds of the Phase #1 Bonds were used to construct or acquire a portion of the Phase #1 Improvements. The Phases #2-3 Major Improvement Area Bonds were issued to finance a portion of the Phases #2-3 Major Improvements, including costs to issue the Phases #2-3 Major Improvement Area Bonds, as shown in Table IV-A. Proceeds of the Phases #2-3 Major Improvement Area Bonds were used to construct or acquire a portion of the Phase #2-3 Major Improvements.

(remainder of this page is intentionally left blank)

Table IV-A
Sources and Uses – Phases #2-3 Major Improvements and Phase #1 Improvements

Sources of Funds	Phases #2-3 Major Improvement Bonds	Phase # 1 Improvement Bonds	Total
Par amount	\$3,690,000	\$4,325,000	\$8,015,000
Other funding sources	\$179,859	\$1,212,747	\$1,392,606
Total Sources	\$3,869,859	\$5,537,747	\$9,407,606
Uses of Funds			
<i>Major Improvements</i>			
Road improvements	\$551,582	\$304,924	\$856,506

Sanitary sewer improvements	\$0	\$567,943	\$567,943
Storm drainage improvements	\$0	\$559,243	\$559,243
<i>Other soft and miscellaneous costs</i>	<i>\$0</i>	<i>\$216,291</i>	<i>\$216,291</i>
<i>Subtotal: Phase #1 Improvements</i>	<i>\$0</i>	<i>\$2,968,693</i>	<i>\$2,968,693</i>
<i>Bond Issuance Costs</i>			
Capitalized interest	\$583,315	\$374,683	\$957,998
Reserve fund	\$296,150	\$330,313	\$626,463
Administrative expense fund	\$25,000	\$30,000	\$55,000
Other costs of issuance including underwriter's discount	\$319,911	\$369,354	\$689,265
<i>Subtotal: Bond Issuance Costs</i>	<i>\$1,224,376</i>	<i>\$1,104,350</i>	<i>\$2,328,726</i>
<i>Agricultural exemption foreclosure reserve</i>	<i>\$5,000</i>	<i>\$5,000</i>	<i>\$10,000</i>
Total Uses	\$3,869,859	\$5,537,747	\$9,407,606

Note: Phase #1 Improvements include the Authorized Improvements listed under the Phase #1 Improvements heading plus the estimated \$1,459,704 pro rata share of the Major Improvements allocated to Phase #1.

¹See Section V.C and Table V-A for allocation of Actual Costs of the Major Improvements to Phase #1 and Phases #2-3.

The Phases #2-3 Direct Improvement Bonds and Phases #2-3 Direct Improvement Reimbursement Agreement are shown in Table IV-B. The Phases #2-3 Direct Improvement Bonds are anticipated to be issued in 2023 and Phases #2-3 Direct Improvement Reimbursement Agreement is expected to be entered into in 2023 and will collectively be used to pay and/or reimburse the Developer for a portion of the costs of the Phases #2-3 Direct Improvements.

Table IV-B
Estimated Sources and Uses of Funds – Phases #2-3 Direct Improvements

Sources of Funds	Phases #2-3 Direct Improvement Bonds	Phases #2-3 Direct Improvement Reimbursement Agreement	Total
Par amount	\$7,633,000	\$0	\$7,633,000
Assessment amount	\$0	\$1,592,000	\$1,592,000
Other funding sources	\$0	\$1,458,808	\$1,458,808
Total Sources	\$7,633,000	\$3,050,808	\$10,683,808
Uses of Funds			
<i>Phases #2-3 Direct Improvements</i>			
Road improvements	\$2,121,726	\$1,096,504	\$3,218,230

<i>Subtotal Phases #2-3 Direct Improvements</i>	<i>\$5,903,287</i>	<i>\$3,050,808</i>	<i>\$8,954,095</i>
<i>Bond Issuance Costs</i>			
Capitalized interest	\$248,073	\$0	\$248,073
Reserve fund	\$749,670	\$0	\$749,670
Administrative expense fund	\$45,000	\$0	\$45,000
Other costs of issuance including underwriter's discount	\$686,970	\$0	\$686,970
<i>Subtotal: Bond Issuance Costs</i>	<i>\$1,729,713</i>	<i>\$0</i>	<i>\$1,729,713</i>
Total Uses	\$7,633,000	\$3,050,808	\$10,683,808

B. PROJECTED FIVE -YEAR SERVICE AND ASSESSMENT PLAN

Phases #2-3 Major Improvements

The annual projected costs and annual projected indebtedness for the Phases #2-3 Major Improvement Bonds is shown by Table IV-C. The annual projected costs and indebtedness is subject to revision, and each shall be updated in the Annual Service Plan Update to reflect any changes in the costs or indebtedness expected for each year.

(remainder of this page is intentionally left blank)

Table IV-C
Annual Projected Costs and Annual Projected Indebtedness – Phases #2-3 Major Improvements

Assessment Year Ending	Annual Projected Costs	Annual Projected Indebtedness	Other Funding Sources	Projected Annual Installments – Phases #2-3 Major Improvement Bonds
2022 & Prior	\$3,869,859	\$3,690,000	\$179,859	\$774,637
2023	\$0	\$0	\$0	\$345,431
2024	\$0	\$0	\$0	\$339,667
2025	\$0	\$0	\$0	\$340,955
2026	\$0	\$0	\$0	\$341,898
2027	\$0	\$0	\$0	\$337,496
2028	\$0	\$0	\$0	\$338,106
Total	\$3,869,859	\$3,690,000	\$179,859	\$2,818,189

The annual projected costs shown in Table IV-C are the annual expenditures relating to the Phases #2-3 Major Improvements shown in Table III-A and the costs associated with setting up the PID and bond issuance costs including reserves shown in Table IV-A. The difference between the total projected cost and the total projected indebtedness, if any, is the amount contributed by the Developer.

Phase #1 Improvements

The annual projected costs and annual projected indebtedness for the Phase #1 Bonds is shown by Table IV-D. The annual projected costs and indebtedness is subject to revision, and each shall be updated in the Annual Service Plan Update to reflect any changes in the costs or indebtedness expected for each year.

Table IV-D
Annual Projected Costs and Annual Projected Indebtedness – Phase #1

Assessment Year Ending	Annual Projected Costs	Annual Projected Indebtedness	Other Funding Sources	Projected Annual Installments – Phase #1 Bonds
2022 & Prior	\$5,537,747	\$4,325,000	\$1,212,747	\$1,202,791
2023	\$0	\$0	\$0	\$383,642
2024	\$0	\$0	\$0	\$381,822
2025	\$0	\$0	\$0	\$382,436
2026	\$0	\$0	\$0	\$377,725
2027	\$0	\$0	\$0	\$378,028
2028	\$0	\$0	\$0	\$383,007
Total	\$5,537,747	\$4,325,000	\$1,212,747	\$3,489,451

The annual projected costs shown in Table IV-D are the annual expenditures relating to the Phase #1 Improvements shown in Table III-B, and the costs associated with setting up the PID and bond issuance costs including reserves shown in Table IV-A. The difference between the total projected cost and the total projected indebtedness, if any, is the amount contributed by the Developer.

Phases #2-3 Direct Improvements

The annual projected costs and annual projected indebtedness for the Phases #2-3 Direct Improvement Bonds is shown by Table IV-E. The annual projected costs and indebtedness is subject to revision, and each shall be updated in the Annual Service Plan Update to reflect any changes in the costs or indebtedness expected for each year.

Table IV-E
Annual Projected Costs and Annual Projected Indebtedness – Phases #2-3 Direct Improvements

Assessment Year Ending	Annual Projected Costs	Annual Projected Indebtedness ²	Other Funding Sources	Projected Annual Installments – Phases #2-3 Direct Improvement Bonds
2023 ¹	\$10,683,808	\$9,225,000	\$1,458,808	\$0
2024	\$0	\$0	\$0	\$811,008
2025	\$0	\$0	\$0	\$766,128
2026	\$0	\$0	\$0	\$766,806
2027	\$0	\$0	\$0	\$766,068
2028	\$0	\$0	\$0	\$766,882
Total	\$10,683,808	\$9,225,000	\$1,458,808	\$3,876,892

¹Administrative Expenses in year 2023 are being funded with bond proceeds, and interest on the Phases #2-3 Direct Improvement Bonds for year 2023 is being funded with capitalized interest. Interest on the Phases #2-3 Direct Improvement Reimbursement Agreement for year 2023 will be collected together with the first annual installment due by January 31, 2024.

²Includes amounts to be paid from assessments related to both the Phases #2-3 Direct Improvement Bonds and the Phases #2-3 Direct Improvement Reimbursement Agreement.

The annual projected costs shown in Table IV-E are the annual expenditures relating to the Phases #2-3 Direct Improvements shown in Table III-C, and the bond issuance costs including reserves shown in Table IV-B. The difference between the total projected cost and the total projected indebtedness, if any, is the amount contributed by the Developer.

C. PID ASSESSMENT NOTICE

The PID Act requires that this Service and Assessment Plan, and each Annual Service Plan Update, include a copy of the “PID Assessment Notice” form (required by Section 5.014 of the Texas Property Code). The PID Disclosure Notice is attached hereto as Appendix E and may be updated in an Annual Service Plan Update.

V. ASSESSMENT PLAN

A. INTRODUCTION

The PID Act requires the City Council to apportion the costs of the Authorized Improvements on the basis of special benefits conferred upon the property because of the Authorized Improvements. The PID Act provides that the costs of the Authorized Improvements may be assessed: (i) equally per front foot or square foot; (ii) according to the value of the property as determined by the governing body, with or without regard to improvements on the property; or (iii) in any other manner that results in imposing equal shares of the cost on property similarly benefited. The PID Act further provides that the governing body may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the municipality and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

The proposed development financing program entails a series of bond financings and/or obligations under a reimbursement agreement that are intended to finance the public infrastructure required for the development. This financing will necessarily be undertaken in phases to coincide with the private investment and development of the Authorized Improvements. Following the initial Phase #1 Bonds and the Phases #2-3 Major Improvement Bonds issued in 2018, the Phases #2-3 Direct Improvement Bonds and Phases #2-3 Direct Improvements Reimbursement Agreement are anticipated be issued and/or entered into in 2023 as the remaining development is gradually constructed.

The purpose of this gradual issuance of bonds in phases is to mirror the actual private development of the Authorized Improvements. The Bonds to be issued are most prudently and efficiently utilized when directly coinciding with construction of public infrastructure needed for private development that is to occur once the infrastructure is completed; it is most effective to issue the Bonds when the infrastructure is needed, not before. Furthermore, there is no economic advantage, and several disadvantages, to issuing debt and encumbering property within the PID prior to the need for the Authorized Improvements.

Additionally, phased issuance of debt will maintain a prudent value to lien ("VtL") within the financing program. In order to maintain a prudent VtL, the initial issuance of bonds for a specific set of Authorized Improvements may not fund the entire desired level of public infrastructure because the property value is not high enough to support the entire debt load at the VtL chosen for the development. In that case, the Developer will need to fund the additional infrastructure costs with cash at closing. This cash investment by the Developer for certain Authorized Improvements can be reimbursed by a subsequent parity lien bond financing, secured by the same special assessments, once the assessed property is partially or fully developed and the value has increased sufficiently to permit the issuance of the additional bonds in a prudent fashion.

For purposes of this Service and Assessment Plan, the City Council has determined that the costs of the Phases #2-3 Major Improvements, Phase #1 Improvements and Phases #2-3 Direct Improvements shall be allocated as described below:

1. The Phases #2-3 Major Improvement, the Phase #1 Improvement, and the Phases #2-3 Direct Improvement costs shall be allocated on the basis of the relative value of Parcels once such property is developed, and that such method of allocation will result in the imposition of equal shares of the costs of the Authorized Improvements to Parcels similarly benefited.
2. The Major Improvement costs are proportionally allocated to the Phases #2-3 Assessed Property and Phase #1 Assessed Property based on the ratio of total estimated number of units for the Phases #2-3 Assessed Property and the Phase #1 Assessed Property.
3. The Phases #2-3 Assessed Property's proportional share of the costs for the Major Improvements is allocated to each Parcel within the Phases #2-3 Assessed Property based on the total estimated number of units for each Parcel.
4. The Phase #1 Improvement costs (including Phase #1 Assessed Property's proportional share of the costs of the Major Improvements) are allocated to each Parcel within the Phase #1 Assessed Property based on the total estimated number of units for each Parcel.
5. The Phases #2-3 Direct Improvement costs are allocated to each Parcel within the Phases #2-3 Assessed Property based on the total estimated number of units for each Parcel.

Table V-A provides the estimated allocation of costs of the Authorized Improvements constituting Major Improvements to the Phase #1 Assessed Property and Phases #2-3 Assessed Property.

This section of this Service and Assessment Plan currently (i) describes the special benefit received by each Parcel within the PID as a result of the Phases #2-3 Major Improvements, Phase #1 Improvements, and Phases #2-3 Direct Improvements, (ii) provides the basis and justification for the determination that this special benefit exceeds the amount of the Assessments to be levied on the Phase #1 Assessed Property and Phases #2-3 Assessed Property for such improvements, and (iii) establishes the methodologies by which the City Council allocates and reallocates the special benefit of the Phases #2-3 Major Improvements, Phase #1 Improvements, and Phases #2-3 Direct Improvements to Parcels in a manner that results in equal shares of the Actual Costs of such improvements being apportioned to Parcels similarly benefited. The determination by the City Council of the assessment methodologies set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Developer and all future owners and developers of the Assessed Property.

B. SPECIAL BENEFIT

Assessed Property must receive a direct and special benefit from the Authorized Improvements, and this benefit must be equal to or greater than the amount of the Assessments. The Authorized Improvements are provided specifically for the benefit of the Assessed Property. The Authorized Improvements (more particularly described in line-item format in Appendix B to this Service and Assessment Plan) and the costs of issuance and payment of costs incurred in the establishment of the PID shown in Table IV-A and Table IV-B are authorized by the PID Act. These improvements are provided specifically for the benefit of the Assessed Property.

Each owner of the Assessed Property has acknowledged that the Authorized Improvements confer a special benefit on the Assessed Property and has consented to the imposition of the Assessments to pay for the Actual Costs associated therewith. Each of the owners is acting in its interest in consenting to this apportionment and levying of the Assessments because the special benefit conferred upon the Assessed Property by the Authorized Improvements exceeds the amount of the Assessments.

The Authorized Improvements provide a special benefit to the Assessed Property as a result of the close proximity of these improvements to the Assessed Property and the specific purpose of these improvements of providing infrastructure for the Assessed Property. In other words, the Assessed Property could not be used in the manner proposed without the construction of the Authorized Improvements. The Authorized Improvements are being provided specifically to meet the needs of the Assessed Property as required for the proposed use of the property.

The Assessments are being levied to provide the Authorized Improvements that are required for the highest and best use of the Assessed Property (i.e., the use of the property that is most valuable, including any costs associated with that use). Highest and best use can be defined as “the reasonably probable and legal use of property, which is physically possible, appropriately supported, financially feasible, and that results in the highest value.” (*Dictionary of Real Estate Appraisal, Third Edition.*) The Authorized Improvements are expected to be required for the proposed use of the Assessed Property to be physically possible, appropriately supported, financially feasible, and maximally productive.

The Developer has evaluated the potential use of the property and has determined that the highest and best use of the property is the use intended and the legal use for the property as described in Section II of this Service and Assessment Plan. The use of the Assessed Property as described herein will require the construction of the Authorized Improvements.

The special assessments will repay financing that is on advantageous terms, as the Bonds issued to finance the Authorized Improvements will pay interest that is exempt from federal income tax. As a result, all other terms being equal (e.g., maturity, fixed vs. variable rate, credit quality), the tax-exempt bonds will have a lower interest rate than debt that is not tax-exempt. The Bonds also have a longer term than other available financings and may either be repaid or assumed by a buyer at the buyer’s option. As a result of these advantageous terms, the financing provided by the PID is the most beneficial means of financing the Authorized Improvements.

Each owner of the Assessed Property will ratify, confirm, accept, agree to and approve: (i) the determinations and finding by the City Council as to the special benefits described in this Service and Assessment Plan and the Assessment Ordinance; (ii) the Service and Assessment Plan and the Assessment Ordinance, and (iii) the levying of Assessments on the Assessed Property. Use of the Assessed Property as described in this Service and Assessment Plan and as authorized by the PID Act requires that Authorized Improvements be acquired, constructed, installed, and/or improved. Funding the Actual Costs of the Authorized Improvements through the PID has been determined by the City Council to be the most beneficial means of doing so. As a result, the Assessments result in a special benefit to the Assessed Property, and this special benefit exceeds

the amount of the Assessment. This conclusion is based on and supported by the evidence, information, and testimony provided to the City Council.

In summary, the Assessments result in a special benefit to the Assessed Property for the following reasons:

1. The Authorized Improvements are being provided specifically for the use of the Assessed Property, are necessary for the proposed best use of the property and provide a special benefit to the Assessed Property as a result;
2. The Developer has consented to the imposition of the Assessments for the purpose of providing the Authorized Improvements and the Developer is acting in its interest by consenting to this imposition;
3. The Authorized Improvements are required for the highest and best use of the property;
4. The highest and best use of the Assessed Property is the use of the Assessed Property that is most valuable (including any costs associated with the use of the Assessed Property);
5. Financing of the costs of the Authorized Improvement through the PID is determined to be the most beneficial means of providing for the Authorized Improvements; and,
6. As a result, the special benefits to the Assessed Property from the Authorized Improvements will be equal to or greater than the Assessments.

C. ALLOCATION OF COSTS TO ASSESSED PROPERTY

The Major Improvements will provide a special benefit to all property in the PID. Accordingly, the estimated Major Improvement costs must be allocated throughout all Assessed Property in the District. Table V-A summarizes the allocation of estimated costs for each Major Improvement. The costs shown in Table V-A are estimates and may be revised in Annual Service Plan Updates, but the related Assessment may not be increased.

Phase #1 is projected to contain 157 residential units. Phases #2-3 are projected to contain 284 residential units, resulting in a total projected number of units in the PID of 441. As a result, 35.60 percent of the Actual Costs of the Major Improvements (i.e. $157 \div 441 = 35.60\%$) are allocated to the Phase #1 Assessed Property and 64.40 percent of the Actual Costs of the Major Improvements (i.e., $284 \div 441 = 64.40\%$) are allocated to the Phases #2-3 Assessed Property. The Phases #2-3 Major Improvement Bonds will fund the proportionate share of the Actual Costs of the Major Improvements allocated to Phases #2-3 and Phase #1 Bonds will fund Phase #1's proportionate share of the Actual Costs of the Major Improvements and the remaining Phase #1 Improvements. One hundred percent (100%) of the Phase #1 Improvements (including the portion of the Major Improvements allocated to Phase #1) are allocated to the Phase #1 Assessed Property. One hundred percent (100%) of the Phases #2-3 Direct Improvements are allocated to the Phases #2-3 Assessed Property.

Table V-A
Allocation of Major Improvement Costs

Description	Actual Costs
<i>Authorized Improvements</i>	
Road improvements	\$856,506
Water distribution system improvements	\$281,343
Sanitary sewer improvements	\$1,768,773
Storm drainage improvements	\$571,215
Other soft and miscellaneous costs	\$622,350
<i>Total Major Improvements</i>	<i>\$4,100,187</i>
<i>Phase #1</i>	
Projected total number of units	157.00
% of total units ¹	35.60%
Proportionate Share of Costs	\$1,459,704
<i>Phases #2-3</i>	
Projected total number of units	284.00
% of total units ¹	64.40%
Proportionate Share of Costs	\$2,640,483

D. ASSESSMENT METHODOLOGY

The costs of the Authorized Improvements may be assessed by the City Council against the Assessed Property so long as the special benefit conferred upon the Assessed Property by the Authorized Improvements equals or exceeds the Assessments. The costs of the Authorized Improvements may be assessed using any methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited.

1. Assessment Methodology for the Phases #2-3 Major Improvements

For purpose of this Service and Assessment Plan, the City Council determined that the portion of the Major Improvement costs to be allocated to Phases #2-3 shall be allocated to the Phases #2-3 Assessed Property by spreading the entire Assessment across the Parcels based on the estimated number of units anticipated to be developed on each Parcel.

Upon subsequent divisions of any Parcel, the Assessment applicable to it will then be apportioned pro rata based on the estimated number of units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Parcel based on the ratio of the estimated number of units at the time residential Lots are platted to the total estimated number of all Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council.

The Assessment and Annual Installments for the Phases #2-3 Major Improvements for each Parcel or Lot located within Phases #2-3 is shown on the Phases #2-3 Major Improvement Assessment Roll, attached as Appendix G, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

2. Assessment Methodology for Phase #1 Improvements

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phase #1 Improvements, including the portion of the Major Improvements to be financed with the Phase #1 Bonds, shall be allocated to the Phase #1 Assessed Property by spreading the entire Assessment across the Parcels based on the estimated number of units anticipated to be developed on each Parcel within Phase #1.

Based on the estimates of the costs of the Phase #1 Improvements, as set forth in Table III-B, the City Council has determined that the benefit to Phase #1 Assessed Property of the Phase #1 Improvements is at least equal to the Assessments levied on the Phase #1 Assessed Property.

Upon subsequent divisions of any Parcel, the Assessment applicable to it will then be apportioned pro rata based on the estimated number of units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Parcel based on the ratio of the estimated number of units at the time residential Lots are platted to the total estimated number of all Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council.

The Assessment and Annual Installments for each Parcel or Lot located within Phase #1 is shown on the Phase #1 Assessment Roll, attached as Appendix H, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

3. Assessment Methodology for Phases #2-3 Direct Improvements

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phases #2-3 Direct Improvements, shall be allocated to the Phases #2-3 Assessed Property by spreading the entire Assessment across the Parcels based on the estimated number of units anticipated to be developed on each Parcel within Phases #2-3.

Based on the estimates of the costs of the Phases #2-3 Direct Improvements, as set forth in Table III-C, the City Council has determined that the benefit to Phases #2-3 Assessed Property of the Phases #2-3 Direct Improvements is at least equal to the Assessments levied on the Phases #2-3 Assessed Property for the Phases #2-3 Direct Improvements.

Upon subsequent divisions of any Parcel, the Assessment applicable to it will then be apportioned pro rata based on the estimated number of units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Parcel based on the ratio of the estimated number of units at the time residential Lots are platted to the total estimated number of all Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council.

The Assessment and Annual Installments for Phases #2-3 Direct Improvements for each Parcel or Lot located within Phases #2-3 is shown on the Phases #2-3 Direct Improvement Assessment Roll, attached as Appendix I, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

E. ASSESSMENTS

The Assessments for the Phase #1 Bonds and the Phases #2-3 Major Improvement Bonds have been levied on each Parcel according to the Phases #2-3 Major Improvement Assessment Roll and the Phase #1 Assessment Roll, attached hereto as Appendix G and Appendix H, respectively. As shown in Table IV-A, the total amount of Phases #2-3 Major Improvement Bonds, which represents the total amount of Assessment levied on the Phases #2-3 Assessed Property for the Phases #2-3 Major Improvements, is \$3,690,000. The total estimated number of units to be constructed within Phases #2-3 is 284. As a result, the Phases #2-3 Major Improvements Assessment per unit is \$12,993 as shown below.

As shown in Table IV-A, the total amount of the Phase #1 Bonds, which represents the total Assessment levied on the Phase #1 Assessed Property, is \$4,325,000. The total estimated number of units to be constructed within Phase #1 is 157. As a result, the Phase #1 Assessment per unit, which is also the Maximum Assessment Per Unit, is \$27,548 as shown below.

As shown in Table IV-B, the total amount of the Phases #2-3 Direct Improvement Bonds and the obligation due under the Phases #2-3 Direct Improvement Reimbursement Agreement, which represents the total Assessment levied on the Phases #2-3 Assessed Property for the Phases #2-3 Direct Improvements, is \$9,225,000. The total estimated number of units to be constructed within Phases #2-3 is 284. As a result, the Phases #2-3 Direct Improvements Assessment per unit, which is also the Maximum Assessment Per Unit, is \$32,482 as shown below.

Table V-B
Assessment Per Unit
10,400

Description	Phases #2-3 Major Improvement Bonds ¹	Phase # 1 Bonds ¹	Phases #2-3 Direct Improvement Bonds and Phases #2-3 Direct Improvement Reimbursement Agreement
Total Assessment	\$3,690,000	\$4,325,000	\$9,225,000
Number of Units	284	157	284
Assessment Per Unit	\$12,993	\$27,548	\$32,482

¹ These values are based on the original home values.

The Annual Installments for the Phases #2-3 Major Improvement Bonds, the Phase #1 Bonds and the Phases #2-3 Direct Improvement Bonds will be collected at the time and in the amounts shown on the Phases #2-3 Major Improvement Assessment Roll, the Phase #1 Assessment Roll, and the

Phases #2-3 Direct Improvement Assessment Roll, as applicable, subject to any revisions made during an Annual Service Plan Update.

F. ADMINISTRATIVE EXPENSES

The cost of administering the PID and collecting the Annual Installments shall be paid for on a pro rata basis by each Parcel based on the amount of Assessment levied against the Parcel. The Administrative Expenses shall be collected as part of and in the same manner as Annual Installments in the amounts shown on each Assessment Roll, which may be revised based on actual costs incurred in Annual Service Plan Updates.

G. PREPAYMENT AND DELINQUENCY RESERVE

Pursuant to the PID Act, the interest rate for any portion of the Assessments which secures a series of Bonds may exceed the actual interest rate per annum paid on the related Bonds by no more than one half of one percent (0.50%) (the “Additional Interest”). The interest rate used to determine the Assessments is one half of one percent (0.50%) per annum higher than the actual rate paid on the Phases #2-3 Major Improvements Bonds, Phase #1 Bonds, and Phases #2-3 Direct Improvements Bonds, as applicable, with the Additional Interest component of the Annual Installments allocated to fund a reserve to be used for paying prepayment and delinquency related costs (the “Prepayment and Delinquency Reserve”). The Prepayment and Delinquency Reserve for the Phases #2-3 Major Improvement Bonds, Phase #1 Bonds, and Phases #2-3 Direct Improvement Bonds, as applicable, shall be funded until it reaches 5.50% of the outstanding Bonds as stipulated in the Bond documents. Once the Prepayment and Delinquency Reserve is funded in full, the City may allocate the Additional Interest Component of the Annual Installments as provided in the applicable Trust Indenture. No Additional Interest will be collected from any portion of an Assessment which secures a reimbursement obligation and not a series of Bonds.

H. TIRZ CREDIT

Pursuant to the TIRZ Ordinance, the City has agreed to use TIRZ Revenues generated from each Parcel to offset a portion of such Parcel’s Assessments (the “TIRZ Annual Credit Amount”). The Annual Installment for each Parcel shall be calculated by taking into consideration any TIRZ Annual Credit Amount applicable to the Parcel then on deposit in the TIRZ No. 10 tax increment fund. The TIRZ Annual Credit Amount applicable to each Parcel shall be calculated as described under Section VI of this Service and Assessment Plan.

(Remainder of this page left intentionally blank)

VI. TERMS OF THE ASSESSMENTS

A. AMOUNT OF ASSESSMENTS AND ANNUAL INSTALLMENTS FOR PARCELS LOCATED WITHIN PHASES #2-3 RELATED TO THE PHASES #2-3 MAJOR IMPROVEMENTS

The Assessment and Annual Installments for each Assessed Property located within Phases #2-3 related to the Phases #2-3 Major Improvements are shown on the Phases #2-3 Major Improvement Assessment Roll, attached as Appendix G, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Annual Installments collected from property within Phases #2-3 related to the Phases #2-3 Major Improvements shall be collected in an amount sufficient (i) to pay principal and interest on the Phases #2-3 Major Improvement Bonds, (ii) to fund the Prepayment and Delinquency Reserve described in Section V, and (iii) to pay Administrative Expenses related to the PID. The Annual Installment for each Parcel shall be calculated by taking into consideration any available capitalized interest and TIRZ Annual Credit Amount applicable to the Parcel. The TIRZ Annual Credit Amount shall be calculated separately for each Parcel and such TIRZ Annual Credit Amount shall be applied on a Parcel-by-Parcel basis. As described in Section V.H., the TIRZ Revenues attributable to each Parcel of Assessed Property collected in any given year shall be used to calculate each Parcel's TIRZ Annual Credit Amount for such Parcel in the following year (i.e., TIRZ Revenues collected in 2018 shall be used to calculate the TIRZ Annual Credit Amount applicable to Annual Installments to be collected in 2019). TIRZ Annual Credit Amounts shall be calculated for those Parcels that are subject to Assessments in the PID. The number of units to be used for the calculation of the TIRZ Annual Credit Amount, if applicable, shall be determined by the Administrator based on the information available to the Administrator at the time of such calculations.

B. AMOUNT OF ASSESSMENTS AND ANNUAL INSTALLMENTS FOR PARCELS LOCATED WITHIN PHASE #1

The Assessment and Annual Installments for each Assessed Property located within Phase #1 is shown on the Phase #1 Assessment Roll, attached as Appendix H, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Annual Installments collected from property within Phase #1 shall be collected in an amount sufficient (i) to pay principal and interest on the Phase #1 Bonds, (ii) to fund the Prepayment and Delinquency Reserve described in Section V, and (iii) to pay Administrative Expenses related to the PID. The Annual Installment for each Parcel shall be calculated by taking into consideration any available capitalized interest and TIRZ Annual Credit Amount applicable to the Parcel. The TIRZ Annual Credit Amount shall be calculated separately for each Parcel and such TIRZ Annual Credit Amount shall be applied on a Parcel-by-Parcel basis. As described in Section V.H., the TIRZ Revenues attributable to each Parcel of Assessed Property collected in any given year shall be used to calculate each Parcel's TIRZ Annual Credit Amount for such Parcel in the following year (i.e., TIRZ Revenues collected in 2018 shall be used to calculate the TIRZ Annual Credit Amount applicable to Annual Installments to be collected in 2019). TIRZ Annual Credit

Amounts shall be calculated for those Parcels that are subject to Assessments in the PID. The number of units to be used for the calculation of the TIRZ Annual Credit Amount, if applicable, shall be determined by the Administrator based on the information available to the Administrator at the time of such calculations.

C. AMOUNT OF ASSESSMENTS AND ANNUAL INSTALLMENTS FOR PARCELS LOCATED WITHIN PHASES #2-3 RELATED TO THE PHASES #2-3 DIRECT IMPROVEMENTS

The Assessment and Annual Installments for each Assessed Property located within Phases #2-3 related to the Phases #2-3 Direct Improvements is shown on the Phases #2-3 Direct Improvement Assessment Roll, attached as Appendix I, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Annual Installments collected from property within Phases #2-3 related to the Phases #2-3 Direct Improvements shall be collected in an amount sufficient (i) to pay principal and interest on the Phases #2-3 Direct Improvement Bonds, (ii) to pay principal and interest due on the obligation owed under the Phases #2-3 Direct Improvement Reimbursement Agreement, (iii) to fund the Prepayment and Delinquency Reserve described in Section V (with respect to only that portion of the Assessments which secures the Phases #2-3 Direct Improvement Bonds), and (iv) to pay Administrative Expenses related to the PID. The Annual Installment for each Parcel shall be calculated by taking into consideration any available capitalized interest and TIRZ Annual Credit Amount applicable to the Parcel. The TIRZ Annual Credit Amount shall be calculated separately for each Parcel and such TIRZ Annual Credit Amount shall be applied on a Parcel-by-Parcel basis. As described in Section V.H., the TIRZ Revenues attributable to each Parcel of Assessed Property collected in any given year shall be used to calculate each Parcel's TIRZ Annual Credit Amount for such Parcel in the following year (i.e., TIRZ Revenues collected in 2023 shall be used to calculate the TIRZ Annual Credit Amount applicable to Annual Installments to be collected in 2024. TIRZ Annual Credit Amounts shall be calculated for those Parcels that are subject to Assessments in the PID. The number of units to be used for the calculation of the TIRZ Annual Credit Amount, if applicable, shall be determined by the Administrator based on the information available to the Administrator at the time of such calculations.

D. REALLOCATION OF ASSESSMENTS

1. Subdivision

Upon the subdivision of any Parcel, the Assessment for the Parcel prior to the subdivision shall be reallocated among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

- A = the Assessment for each new subdivided Parcel
- B = the Assessment for the Parcel prior to subdivision

- C = the estimated total Equivalent Units to be built on each new subdivided Parcel
 D = the sum of the estimated total Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

The sum of the Assessments for all newly subdivided Parcels shall equal the Assessment for the Parcel prior to subdivision. The calculation shall be made separately for each newly subdivided Parcel. The reallocation of an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the subdivision of the Parcels. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

2. Consolidation

Upon the consolidation of two or more Parcels, the Assessment for the consolidated Parcel shall be the sum of the Assessments for the Parcels prior to consolidation. The reallocation of an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the consolidation of the Parcels. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

E. MANDATORY PREPAYMENT OF ASSESSMENTS

1. If a Parcel subject to Assessments is transferred to a party that is exempt from the payment of the Assessment under applicable law, or if an owner causes a Parcel subject to Assessments to become Non-Benefited Property, the owner of such Parcel shall pay to the City the full amount of the principal portion of the Assessment on such Parcel, plus all Prepayment Costs, prior to any such transfer or act.
2. If at any time the Assessment per Unit on a Parcel exceeds the Maximum Assessment Per Unit calculated in this Service and Assessment Plan as a result of any changes in land use, subdivision, consolidation or reallocation of the Assessment authorized by this Service and Assessment Plan and initiated by the owner of the Parcel, then such owner shall pay to the City prior to the recordation of the document subdividing the Parcel the amount calculated by the Administrator by which the Assessment per Unit for the Parcel exceeds the Maximum Assessment per Unit calculated in this Service and Assessment Plan.
3. The payments required above shall be treated the same as any Assessment that is due and owing under the PID Act, the Assessment Ordinance, and this Service and Assessment Plan, including the same lien priority, penalties, procedures, and foreclosure specified by the PID Act.

F. REDUCTION OF ASSESSMENTS

1. If after all Authorized Improvements to be funded with a series of Bonds and/or reimbursement agreement have been completed and Actual Costs for such Authorized Improvements are less than the estimated costs of the Authorized Improvements used to calculate the Assessments securing such series of Bonds and/or related reimbursement agreement, resulting in excess Bond proceeds being available to redeem Bonds of such series and/or reduce obligations under a reimbursement agreement, as the case may be, then the Assessment securing such series of Bonds and/or reimbursement obligation for each Parcel of Assessed Property shall be reduced by the City Council pro rata such that the sum of the resulting reduced Assessments for all Assessed Properties equals the actual reduced Actual Costs and such excess Bond proceeds shall applied to redeem Bonds of such series and/or such excess amount due under the reimbursement agreement shall be reduced. The Assessments shall not be reduced to an amount less than the related outstanding series of Bonds and/or outstanding reimbursement agreements. If all of the Authorized Improvements are not completed, the City may reduce the Assessments in another method if it determines such method would better reflect the benefit received by the Parcels from the Authorized Improvements completed.

2. If all the Authorized Improvements are not undertaken, resulting in excess Bond proceeds being available to redeem Bonds and/or a need to reduce the obligations under a reimbursement agreement, then the Assessments and Annual Installments for each Parcel shall be appropriately reduced by the City Council to reflect only the amounts required to repay the Bonds and/or the obligation under the reimbursement agreement, including interest on the Bonds and Administrative Expenses, and such excess Bond proceeds shall be applied to redeem Bonds and/or a need to reduce the obligations under a reimbursement agreement. The City Council may reduce the Assessments and the Annual Installments for each Parcel, (i) in an amount that represents the Authorized Improvements provided for each Parcel or (ii) by an equal percentage calculated based on number of units, if determined by the City Council to be the most fair and practical means of reducing the Assessments for each Parcel, such that the sum of the resulting reduced Assessments equals the amount required to repay the Bonds and/or the obligation under the reimbursement agreement, including interest on the Bonds and Administrative Expenses. The Assessment for each Parcel shall be reduced pro rata to the reduction in the Assessments for each Parcel such that the sum of the resulting reduced Assessment is equal to the outstanding principal amount of the Bonds and/or the obligation under the reimbursement agreement.

G. PAYMENT OF ASSESSMENTS

1. Payment in Full

(a) The Assessment for any Parcel may be paid in full at any time. Such payment shall include all Prepayment Costs. If prepayment in full will result in redemption of Bonds, the payment amount shall be reduced by the amount, if any, of interest through the date of redemption of Bonds and reserve funds applied to the redemption under the Trust Indenture, net of any other costs applicable to the redemption of Bonds.

(b) If an Annual Installment has been billed prior to payment in full of an Assessment, the Annual Installment shall be due and payable and shall be credited against the payment-in-full amount.

(c) Upon payment in full of the Assessment and all Prepayment Costs, the City shall deposit the payment in accordance with the Trust Indenture; whereupon, the Assessment shall be reduced to zero, and the owner's obligation to pay the Assessment and Annual Installments thereof shall automatically terminate.

(d) At the option of the owner, the Assessment on any Parcel plus Prepayment Costs may be paid in part in an amount sufficient to allow for a convenient redemption of Bonds as determined by the Administrator. Upon the payment of such amounts for a Parcel, the Assessment for the Parcel shall be reduced, the Assessment Roll shall be updated to reflect such partial payment, and the obligation to pay the Annual Installment for such Parcel shall be reduced to the extent the partial payment is made.

2. Payment in Annual Installments

The PID Act provides that an Assessment for a Parcel may be paid in full at any time. If not paid in full, the PID Act authorizes the Assessment to be paid in installments and additionally allows the City to collect interest, administrative expenses and other authorized charges in installments. An Assessment for a Parcel that is not paid in full will be collected in Annual Installments each year in the amounts shown on the Assessment Rolls, as updated as provided for herein, which include interest, Administrative Expenses, and payments required for the Prepayment Reserve and Delinquency Reserve. Payment of the Annual Installments shall commence with tax bills mailed after the initial issuance of Bonds.

Each Assessment shall be paid with interest of no more than the actual interest rate paid on the Phases #2-3 Major Improvement Bonds and Phase #1 Bonds, as applicable. The Phases #2-3 Major Improvement Assessment Roll sets forth for each year the Annual Installment for each Parcel based on an interest rate of 6.625% and Additional Interest at the rate of 0.5% for Administrative Expenses or the Prepayment and Delinquency Reserve. The Phase #1 Assessment Roll sets forth for each year the Annual Installment for each Parcel based on an interest rate of 6.25%, and an Additional Interest at the rate of 0.5% for Prepayment and Delinquency Reserve. Furthermore, the Annual Installments may not exceed the amounts shown on the Assessment Rolls. The Assessment Rolls, updated with the actual interest rates on the Bonds, are shown as Appendix G and Appendix H.

Each Assessment collected from property within Phases #2-3 related to the Phases #2-3 Direct Improvements shall be paid with interest of no more than the actual interest rate paid on the Phases #2-3 Direct Improvement Bonds and Phases #2-3 Direct Improvement Reimbursement Agreement, as applicable. The Phases #2-3 Major Improvement Assessment Roll sets forth for each year the Annual Installment for each Parcel based on an estimated interest rate of 6.50% for that portion of the assessments collected from property within Phases #2-3 related to the Phases #2-3 Direct Improvement Bonds and Additional Interest at the rate of 0.5% for Administrative Expenses or the Prepayment and Delinquency Reserve on the Phases #2-3 Major Improvement

Bonds. Interest on the portion of the assessments collected from property within Phases #2-3 related to Phases #2-3 Direct Improvement Reimbursement Agreement shall be paid based on an estimated interest rate of 5.65% per annum for years 1 through 30 (2023-2052). Each Assessment collected from property within Phases #2-3 related to the Phases #2-3 Direct Improvement Reimbursement Agreement shall be paid at a rate not to exceed five hundred basis points above the highest average index rate for tax-exempt bond reported in a daily or weekly bond index approved by the City and reported in the month prior to the date of the establishment of the Assessments securing the Phases #2-3 Direct Improvement Reimbursement Agreement and continuing for a period of five years from such date. Such rate shall then adjust and shall not exceed two hundred basis points above the bond index rate described above and shall continue until the Assessments securing the Phases #2-3 Direct Improvement Reimbursement Agreement are paid in full. The index approved by the City is the Bond Buyer Index for which the highest average rate during January 2023 was 3.65%. The City has determined that the portion of the Assessments that secure the City's obligation under the Phases #2-3 Direct Improvement Reimbursement Agreement shall bear interest at the estimated interest rate of 5.65% per annum for years 1 through 30 (2023-2052), which rates are equal to or less than the initial maximum allowable rate of interest of 5.65% for years 1 through 5 and equal to the maximum allowable rate of interest following the fifth Annual Installment, which would be 5.65%. Furthermore, the Annual Installments may not exceed the amounts shown on the Assessment Roll. The Assessment Roll, shown in Appendix I, will be updated with the actual interest rates on Phases #2-3 Direct Improvement Bonds and the applicable rate for the Phases #2-3 Direct Improvement Reimbursement Agreement.

The Annual Installments shall be reduced to equal the actual costs of repaying the Bonds and/ or reimbursement agreement and actual Administrative Expenses (as provided for in the definition of such term), taking into consideration any other available funds for these costs, such as interest income on account balances.

The City reserves and shall have the right and option to refund the Bonds in accordance with Section 372.027 of the PID Act. In the event of such refunding, the Administrator shall recalculate the Annual Installments, and if necessary, may adjust, or decrease, the amount of the Annual Installments so that total Annual Installments of Assessments will be produced in annual amounts that are required to pay the refunding bonds when due and payable as required by and established in the ordinance and/or the indenture authorizing and securing the refunding bonds, and such refunding bonds shall constitute Bonds for purposes of this Service and Assessment Plan.

H. COLLECTION OF ANNUAL INSTALLMENTS

No less frequently than annually, the Administrator shall prepare, and the City Council shall approve, an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include an updated Assessment Roll and a calculation of the Annual Installment for each Parcel. Administrative Expenses shall be allocated among Parcels in proportion to the amount of the Annual Installments for the Parcels. Each Annual Installment shall be reduced by any credits applied under the applicable Trust Indenture, such as capitalized interest, interest earnings on any account balances, and any other funds available to the Trustee for such purpose, including any existing deposits for a prepayment

reserve. Annual Installments shall be collected by the City in the same manner and at the same time as ad valorem taxes and shall be subject to the same penalties, procedures, and foreclosure sale in case of delinquencies as are provided for ad valorem taxes of the City. The City Council may provide for other means of collecting the Annual Installments to the extent permitted under the PID Act. The Assessments shall have lien priority as specified in the PID Act.

Any sale of property for nonpayment of the Annual Installments shall be subject to the lien established for the remaining unpaid Annual Installments against such property and such property may again be sold at a judicial foreclosure sale if the purchaser thereof fails to make timely payment of the non-delinquent Annual Installments against such property as they become due and payable.

Each Annual Installment, for the Phases #2-3 Major Improvement Bonds, including the interest on the unpaid amount of an Assessment, shall be calculated as of September 1 and updated annually. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of the following year. The initial Annual Installments relating to Phases #2-3 Major Improvement Bonds commenced with the issuance of Phases #2-3 Major Improvement Bonds.

Each Annual Installment, for the Phase #1 Bonds, including the interest on the unpaid amount of an Assessment, shall be calculated as of September 1 and updated annually. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of the following year. The initial Annual Installments relating to Phase #1 Bonds commenced with the issuance of the Phase #1 Bonds.

Each Annual Installment, for Phases #2-3 Direct Improvement Bonds and Phases #2-3 Direct Improvement Reimbursement Agreement, including the interest on the unpaid amount of an Assessment, shall be calculated as of September 1 and updated annually. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of the following year. The initial Annual Installments relating to Phases #2-3 Direct Improvement Bonds and Phases #2-3 Direct Improvement Reimbursement Agreement shall commence with the issuance of Phases #2-3 Direct Improvement Bonds and/or the execution of the Phases #2-3 Direct Improvement Reimbursement Agreement and will be due when billed and will be delinquent if not paid prior to February 1, 2024.

(Remainder of this page left intentionally blank)

VII. THE ASSESSMENT ROLL

A. PHASES #2-3 MAJOR IMPROVEMENT ASSESSMENT ROLL

Each Parcel within Phases #2-3 has been evaluated by the City Council (based on the concept plan, developable area, proposed Homeowner Association Property and Public Property, the Major Improvements, best and highest use of land, and other development factors deemed relevant by the City Council) to determine the Assessed Property within each Parcel.

Phases #2-3 Assessed Property has been assessed for the special benefits conferred upon the property as a result of the Phases #2-3 Major Improvements. Table IV-A summarizes the \$3,869,859 in special benefit received by Phases #2-3 from the Phases #2-3 Major Improvements, the pro rata costs of the PID formation, and bond issuance costs for the Phases #2-3 Major Improvement Bonds. The amount of Phases #2-3 Major Improvement Bonds is \$3,690,000, which is less than the benefit received by Phases #2-3 Assessed Property for the Phases #2-3 Major Improvements, and as such the total Assessment for all Assessed Property within Phases #2-3 related to the Phases #2-3 Major Improvements is \$3,690,000 plus annual Administrative Expenses and other authorized charges. The Assessment for each Parcel of Assessed Property within Phases #2-3 is calculated based on the allocation methodologies described in Section V.D of this Service and Assessment Plan. The Phases #2-3 Major Improvement Assessment Roll is attached hereto as Appendix G.

B. PHASE #1 ASSESSMENT ROLL

Phase #1 Assessed Property will be assessed for the special benefits conferred upon the property as a result of the Phase #1 Improvements that benefit Phase #1, which include a proportionate share of the Major Improvements allocable to Phase #1. Table IV-A summarizes the \$5,537,747 in special benefit received by Phase #1 Assessed Property from the Phase #1 Improvements that benefit Phase #1, including the proportionate share of the Major Improvements allocable to Phase #1, the pro rata costs of the PID formation, and bond issuance costs for the Phase #1 Bonds. The total amount of Phase #1 Bonds is \$4,325,000, which is less than the benefit received by Phase #1 Assessed Property, and as such the total Assessment for all Assessed Property within Phase #1 is \$4,325,000 plus annual Administrative Expenses and other authorized charges. The Assessment for each Parcel of Assessed Property within Phase #1 is calculated based on the allocation methodologies described in Section V.D of this Service and Assessment Plan. The Phase #1 Assessment Roll is attached hereto as Appendix H.

C. PHASES #2-3 DIRECT IMPROVEMENT ASSESSMENT ROLL

Phases #2-3 Assessed Property is being assessed for the special benefits conferred upon the property as a result of Phases #2-3 Direct Improvements that benefit Phases #2-3. Table IV-B summarizes the \$10,683,808 in special benefit received by Phases #2-3 Assessed Property from the Phases #2-3 Direct Improvements that benefit Phases #2-3, including bond issuance costs for the proposed Phases #2-3 Direct Improvement Bonds. The total amount of Phases #2-3 Direct Improvement Bonds and Phases #2-3 Direct Improvement Reimbursement Agreement is

\$9,225,000 which is less than the benefit received by Phases #2-3 Assessed Property for the Phases #2-3 Direct Improvements, and as such the total Assessment for all Assessed Property within Phases #2-3 related to the Phases #2-3 Direct Improvements is \$9,225,000 plus annual Administrative Expenses and other authorized charges. The Assessment for each Parcel of Assessed Property within Phases #2-3 Direct is calculated based on the allocation methodologies described in Section V.D of this Service and Assessment Plan. The Phases #2-3 Direct Improvement Assessment Roll is attached hereto as Appendix I.

D. ANNUAL ASSESSMENT ROLL UPDATES

The Administrator shall prepare, and shall submit to the City Council for approval, annual updates to the Phases #2-3 Major Improvement Assessment Roll, Phase #1 Assessment Roll and the Phases #2-3 Direct Improvement Assessment Roll in conjunction with the Annual Service Plan Update to reflect the following matters, together with any other changes helpful to the Administrator or the City and permitted by the PID Act: (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.G of this Service and Assessment Plan.

Once Bonds are issued, the Assessment Rolls shall be updated, which update may be done in the next Annual Service Plan Update, to reflect any changes resulting from the issuance of the Bonds. This update shall reflect the actual interest on the Bonds on which the Annual Installments shall be paid, any reduction in the Assessments, and any revisions in the Actual Costs to be funded by the Bonds and Developer funds. Tables in this Service and Assessment Plan may be rounded to the nearest whole number.

(Remainder of this page left intentionally blank)

VIII. MISCELLANEOUS PROVISIONS

A. ADMINISTRATIVE REVIEW

The City may elect to designate a third party to serve as Administrator. The City shall notify Developer in writing at least thirty (30) days in advance before appointing a third party Administrator.

To the extent consistent with the PID Act, an owner of an Assessed Property claiming that a calculation error has been made in the Assessment Roll(s), including the calculation of the Annual Installment, shall send a written notice describing the error to the City not later than thirty (30) days after the date any amount which is alleged to be incorrect is due prior to seeking any other remedy. The Administrator shall promptly review the notice, and if necessary, meet with the Assessed Property owner, consider written and oral evidence regarding the alleged error and decide whether, in fact, such a calculation error occurred.

If the Administrator determines that a calculation error has been made and the Assessment Roll should be modified or changed in favor of the Assessed Property owner, such change or modification shall be presented to the City Council for approval to the extent permitted by the PID Act. A cash refund may not be made for any amount previously paid by the Assessed Property owner (except for the final year during which the Annual Installment shall be collected or if it is determined there are sufficient funds to meet the expenses of the PID for the current year), but an adjustment may be made in the amount of the Annual Installment to be paid in the following year. The decision of the Administrator regarding a calculation error relating to the Assessment Roll may be appealed to the City Council. Any amendments made to the Assessment Roll(s) pursuant to calculation errors shall be made pursuant to the PID Act.

The decision of the Administrator, or if such decision is appealed to the City Council, the decision of the City Council shall be conclusive as long as there is a reasonable basis for such determination. This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to any other appeal or legal action by such owner.

B. TERMINATION OF ASSESSMENTS

Each Assessment shall be extinguished on the date the Assessment is paid in full, including unpaid Annual Installments and Delinquent Collection Costs, if any. After the extinguishment of an Assessment and the collection of any delinquent Annual Installments and Delinquent Collection Costs, the City shall provide the owner of the affected Parcel a recordable “Notice of the PID Assessment Termination”.

C. AMENDMENTS

Amendments to the Service and Assessment Plan can be made as permitted or required by the PID Act and under Texas law.

The City Council reserves the right to the extent permitted by the PID Act to amend this Service and Assessment Plan without notice under the PID Act and without notice to property owners of Parcels:

- (i) to correct mistakes and clerical errors; (ii) to clarify ambiguities; and (iii) to provide procedures for the collection and enforcement of Assessments, Prepayment Costs, Collection Costs, and other charges imposed by the Service and Assessment Plan.

D. ADMINISTRATION AND INTERPRETATION OF PROVISIONS

The City Council shall administer the PID, this Service and Assessment Plan, and all Annual Service Plan Updates consistent with the PID Act and shall make all interpretations and determinations related to the application of this Service and Assessment Plan unless stated otherwise herein or in the Trust Indenture, such determination shall be conclusive.

E. SEVERABILITY

If any provision, section, subsection, sentence, clause or phrase of this Service and Assessment Plan or the application of same to an Assessed Property or any person or set of circumstances is for any reason held to be unconstitutional, void or invalid, the validity of the remaining portions of this Service and Assessment Plan or the application to other persons or sets of circumstances shall not be affected thereby, it being the intent of the City Council in adopting this Service and Assessment Plan that no part hereof or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness or invalidity of any other part hereof, and all provisions of this Service and Assessment Plan are declared to be severable for that purpose.

If any provision of this Service and Assessment Plan is determined by a court to be unenforceable, the unenforceable provision shall be deleted from this Service and Assessment Plan and the unenforceable provision shall, to the extent possible, be rewritten to be enforceable and to give effect to the intent of the City.

APPENDIX A
PID MAP

PROPERTY DESCRIPTION:

Being a 94.827 acre tract of land situated in the George W. Eastes Survey, Abstract Number 299, the William W. Shawver Survey, Abstract Number 810, and the William B. Tucker Survey, Abstract Number 912, City of Celina, Collin County, Texas, and being a part of that certain tract of land described by deed to CADG CELINA 156, LLC, recorded under Document Number 20141015001128280, Official Public Records of Collin County, Texas, and being more particularly described by metes and bounds as follows:

COMMENCING at a 1/2 inch iron rod found for the most northwest corner of a tract of land described to A.P. Sommerhalder, LLC, by deed recorded in document number 20150625000764600, Deed Records, Collin County, Texas, and the southwest corner of that certain tract of land described by deed to Preston 51 CR 102, LP, recorded under Document Number 20071120001569950 of the Official Public Records of Collin County, Texas, and being in the east line of State Highway No. 289, also known as Preston Road, having a variable width right-of-way, and being within County Road 102;

THENCE South 89 degrees 43 minutes 35 seconds East, within said County Road 102 and with the north line of said A. P. Sommerhalder tract and the south line of said Preston 51 CR 102 tract, a distance of 737.08 feet to a point for corner, being the POINT OF BEGINNING;

THENCE South 89 degrees 43 minutes 35 seconds East, continuing within said County Road 102, a distance of 1803.23 feet to a point for the southeast corner of said Preston 51 CR 102, LP tract, same being an inner ell corner of said CADG Celina 156, LLC tract;

THENCE North 00 degrees 26 minutes 05 seconds West, with the east line of said Preston 51 CR 102, LP tract and the northernmost west line of said CADG Celina 156, LLC tract, a distance of 640.81 feet to a 1/2 inch iron rod found for the southwest corner of that same tract of land described to Mohammad Ali Dalaki, by deed recorded in Document Number 20141119001266880, Official Public Records, Collin County, Texas, same being the northernmost northwest corner of said CADG Celina 156, LLC tract;

THENCE North 89 degrees 49 minutes 17 Seconds East, with the south line of said Dalaki tract and the north line of said CADG Celina 156, LLC tract, a distance of 1391.00 feet to a point for the southeast corner of said Dalaki tract and the northeast corner of said CADG Celina 156, LLC tract, said point lying on the west line of that same tract of land described to Nanda Estates, LLC, by deed recorded in Document Number 20140709000706790, Official Public Records, Collin County, Texas;

THENCE South 00 degrees 30 minutes 42 seconds East, with the west line of said Nanda Estates, LLC tract and the easternmost line of said CADG Celina 156, LLC tract, a distance of 1391.70 feet to a 5/8 inch iron rod found for the easternmost southeast corner thereof, same being the southwest corner of said Nanda Estates, LLC tract, and lying on the north line of that same tract of land described to Four Winds Enterprises, Ltd., by deed recorded in Volume 5476, Page 8080, Official Public Records, Collin County, Texas;

THENCE South 88 degrees 45 minutes 36 seconds West, with the north line of said Four Winds Enterprises, Ltd. tract, and the easternmost south line of said CADG Celina 156, LLC tract, a distance of 551.59 feet to a point for corner;

THENCE South 89 degrees 08 minutes 14 seconds West, continuing with the north line of said Four Winds Enterprises, Ltd. tract, and the easternmost south line of said CADG Celina 156, LLC tract, a distance of 1442.68 feet to a 1/2 inch iron rod found for the northwest corner of said Four Winds Enterprises, Ltd. tract and an inner ell corner of said CADG Celina 156, LLC tract;

THENCE South 00 degrees 08 minutes 33 seconds West, with the west line of said Four Winds Enterprises, Ltd. tract, and the southernmost east line of said CADG Celina 156, LLC tract, a distance of 45.11 feet to point for corner in the west line of said Four Winds Enterprises, Ltd., and at the beginning of a curve to the left having a radius of 708.00 feet, with a delta angle of 36 degrees 15 minutes 41 seconds, whose chord bears South 72 degrees 00 minutes 02 seconds West, a distance of 440.64 feet;

THENCE, in a southwesterly direction, departing the southernmost east line of said CADG Celina 156 tract, over, across, and upon said CADG Celina 156 tract, and with said curve, an arc length of 448.08 feet to a point for corner;

THENCE South 53 degrees 52 minutes 12 seconds West, continuing within said CADG Celina 156 tract, a distance of 1001.46 feet to a point for corner lying on the west line thereof, same being the east line of that certain tract of land described in deed to Sutton Field Investments, LLC, recorded under Document Number 20150305000240910, Official Public Records of Collin County, Texas;

THENCE North 01 degrees 31 minutes 38 seconds West, with the west line of said CADG Celina 156 tract, the east line of said Sutton Field Investments, LLC, tract, and the east line of that certain tract of land described to Old Celina, LTD., by deed recorded under Document Number 20150305000240780 of the Official Public Records of Collin County, Texas, a distance of 403.65 feet to point for corner;

THENCE North 87 degrees 49 minutes 58 seconds West, with the westernmost south line of said CADG Celina 156 tract, and the north line of said Old Celina, LTD. tract, a distance of 793.07 feet to a 1/2 inch iron rod with a yellow cap stamped "ASC" set for corner in the east line of said Preston Road, lying in a curve to the left having a radius of 11546.01 feet, with a delta angle of 02 degrees 10 minutes 12 seconds, whose chord bears North 05 degrees 22 minutes 06 seconds East, a distance of 437.28 feet;

THENCE continuing with the east line of said Preston Road and with said curve, an arc length of 437.31 feet to a point for the westernmost northwest corner of said CADG Celina 156 tract and the southwest corner of said A.P. Sommerhalder, LLC tract;

THENCE South 85 degrees 39 minutes 30 seconds East, with the westernmost north line of said CADG Celina 156 tract and the south line of said A.P. Sommerhalder, LLC tract, a distance of 763.62 feet to point for the southeast corner of said A.P.Sommerhalder, LLC. tract and an interior corner of said CADG Celina 156 tract;

THENCE North 01 degrees 37 minutes 07 seconds East, with the northernmost west line of said CADG Celina 156 tract and the east line of said A.P. Sommerhalder, LLC. tract, a distance of 749.79 feet to the POINT OF BEGINNING, and containing 94.827 acres of land, more or less, and being subject to any and all easements that may affect.

MASTER PUBLIC	\$4,038,535			\$4,038,535
TOTAL				\$18,374,577

Notes:

- 1) This estimate is based on the attached concept plan.
- 2) Earthwork quantities do not include costs for rock excavation. A Geotech should be consulted regarding the treatment of cultivated soil and its use on the project.
- 3) Sidewalks adjacent to residential lots are excluded from above costs. Sidewalks are assumed to be constructed by the home builders, except where adjacent to park dedication, collectors, thoroughfare, or open space. ADA ramps are required to be built by the Developer.
- 4) All fees need to be verified by the City of Celina at the time of construction & permitting.
- 5) Turn lanes and deceleration lanes are not included in this cost estimate.
- 6) Construction timing of improvements are assumed to run concurrent with adjacent off-site master infrastructure improvements, Jurisdictional Water of the U.S. permitting is not included in this estimate.
- 8) It is assumed that no additional offsite easements will need to be acquired for the proposed utilities.
- 9) All earthwork numbers are contained to the limits of the ROW. Onsite earthwork numbers have been separated to the ROW and lots only.

PHASE COST SUMMARY

PRELIMINARY OPINION OF PROBABLE CONSTRUCTION COST - IMPORTANT NOTES APPLY
THE CHALK HILL PUBLIC IMPROVEMENT DISTRICT - CITY OF CELINA
FEBRUARY 7, 2018

PHASED TOTAL SUMMARY				
COST TYPE	PHASE 1	PHASE 2	PHASE 3	TOTAL
DIRECT PUBLIC	\$2,882,241	\$4,095,367	\$3,605,066	\$10,582,675
MASTER PUBLIC	\$4,038,535	\$0	\$0	\$4,038,535
PRIVATE	\$1,378,426	\$1,055,583	\$1,319,358	\$3,753,367
TOTAL	\$8,299,203	\$5,150,950	\$4,924,424	\$18,374,577
LOTS:	157	146	138	441
COST PER LOT:	\$52,861	\$35,280	\$35,684	\$41,666

- 1) This estimate is based on the attached concept plan.
- 2) Earthwork quantities do not include costs for rock excavation. A Geotech should be consulted regarding the treatment of cultivated soil and its use on the project.
- 3) Sidewalks adjacent to residential lots are excluded from above costs. Sidewalks are assumed to be constructed by the home builders, except where adjacent to park dedication, collectors, thoroughfare, or open space. ADA ramps are required to be built by the Developer.
- 4) All fees need to be verified by the City of Celina at the time of construction & permitting.
- 5) Turn lanes and deceleration lanes are not included in this cost estimate.
- 6) Construction timing of improvements are assumed to run concurrent with adjacent off-site master infrastructure improvements,.
- Jurisdictional Water of the U.S. permitting is not included in this estimate.
- 8) It is assumed that no additional offsite easements will need to be acquired for the proposed utilities.
- 9) All earthwork numbers are contained to the limits of the ROW. Onsite earthwork numbers have been seperated to the ROW and lots only.

APPENDIX D
LEGAL DESCRIPTION (PHASES #2-3)

Chalk Hill PID No. 2 (Phases #2-3)**Legal Description****TRACT 1 - 28.461 ACRES**

BEING THAT CERTAIN TRACT OF LAND SITUATED IN THE WILLIAM W. SHAWVER SURVEY, ABSTRACT NUMBER 810, THE GEORGE W. EASTES SURVEY, ABSTRACT NUMBER 299, AND THE WILLIAM B. TUCKER SURVEY, ABSTRACT NUMBER 912, IN COLLIN COUNTY, TEXAS. SAID TRACT OF LAND BEING A PORTION OF THE LAND DESCRIBED IN MM CHALK HILL, LLC RECORDED IN INSTRUMENT NUMBER 20180504000548780 HEREIN AFTER REFERRED TO AS (PHASE 2), OF THE OFFICIAL PUBLIC RECORDS OF COLLIN COUNTY, TEXAS, AND BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS AS FOLLOWS:

BEGINNING AT THE MOST SOUTHERLY SOUTHWEST CORNER OF SAID (PHASE 2) TRACT, BEING IN THE EAST LINE OF A TRACT OF LAND TO CHALK HILL, PHASE 1 RECORDED IN INSTRUMENT NUMBER 202015010003910 OF SAID COUNTY RECORDS AND IN THE NORTH RIGHT-OF-WAY LINE OF COUNTY ROAD 102 (A GRAVEL ROAD OF UNDETERMINED WIDTH);

THENCE FOLLOWING THE EAST LINE OF SAID PHASE 1 THE FOLLOWING BEARINGS AND DISTANCES:

N 00° 57' 18" W, 50.05 FEET;

S 89° 08' 40" W, 56.24 FEET TO THE BEGINNING OF A NON-TANGENT CURVE TO THE LEFT;

WITH SAID CURVE TO THE LEFT, AN ARC DISTANCE OF 98.29 FEET, THROUGH A CENTRAL ANGLE OF 06° 59' 24", HAVING A RADIUS OF 805.67 FEET, AND A LONG CHORD WHICH BEARS S 86° 33' 05" W, 98.23 FEET;

N 00° 00' 26" E, 132.45 FEET TO THE BEGINNING OF A NON-TANGENT CURVE TO THE LEFT;

WITH SAID NON-TANGENT CURVE TO THE LEFT, AN ARC DISTANCE OF 42.29 FEET, THROUGH A CENTRAL ANGLE OF 48° 27' 39", HAVING A RADIUS OF 50.00 FEET, AND A LONG CHORD WHICH BEARS N 85° 05' 12" E, 41.04 FEET TO THE BEGINNING OF A NON-TANGENT CURVE TO THE RIGHT;

WITH SAID NON-TANGENT CURVE TO THE RIGHT, AN ARC DISTANCE OF 12.72 FEET, THROUGH A CENTRAL ANGLE OF 29° 09' 06", HAVING A RADIUS OF 25.00 FEET, AND A LONG CHORD WHICH BEARS N 75° 25' 53" E, 12.58 FEET;

S 89° 59' 34" E, 63.85 FEET;

N 11° 19' 29" E, 46.47 FEET;

N 00° 00' 26" E, 385.27 FEET;

N 89° 59' 34" W, 100.00 FEET;

N 00° 00' 26" E, 169.26 FEET TO THE SOUTH LINE OF A TRACT OF LAND TO PRESTON 51 CR 102, LP RECORDED IN INSTRUMENT NUMBER 20071120001569950 OF SAID COUNTY RECORDS;

THENCE S 89° 43' 09" E, 667.82 FEET TO THE SOUTHEAST CORNER OF SAID PRESTON 51 TRACT;

Attachment: Draft Resolution (Chalk Hill PID – Pre-SAP)

THENCE N 00° 25' 39" W, 640.81 FEET ALONG THE EAST LINE OF SAID PRESTON 51 TRACT THE TO THE SOUTHWEST OF A TRACT OF LAND TO MOHAMMAD ALI DALAKI RECORDED IN INSTRUMENT NUMBER 20141119001266880 OF SAID COUNTY RECORDS;

THENCE N 89° 49' 43" E, 410.50 FEET ALONG THE SOUTH LINE OF SAID MOHAMMAD TRACT AND THE NORTH LINE OF SAID (PHASE 2) TRACT;

THENCE DEPARTING SAID MOHAMMAD TRACT OVER AND ACROSS SAID (PHASE 2) THE FOLLOWING BEARINGS AND DISTANCES

S 00° 10' 43" E, 110.16 FEET;
 N 89° 49' 17" E, 129.92 FEET;
 S 00° 26' 05" E, 1067.96 FEET;
 N 89° 08' 15" E, 76.68 FEET;
 S 00° 51' 45" E, 227.41 FEET;

THENCE S 89° 08' 40" W, 1163.14 FEET TO THE **POINT OF BEGINNING** AND CONTAINING 1,239,757 SQUARE FEET OR 28.461 ACRES MORE OR LESS.

TRACT 2 – 27.288 ACRES

BEING THAT CERTAIN TRACT OF LAND SITUATED IN THE WILLIAM W. SHAWVER SURVEY, ABSTRACT NUMBER 810, THE GEORGE W. EASTES SURVEY, ABSTRACT NUMBER 299, AND THE WILLIAM B. TUCKER SURVEY, ABSTRACT NUMBER 912, IN COLLIN COUNTY, TEXAS. SAID TRACT OF LAND BEING A PORTION OF THE LAND DESCRIBED IN MM CHALK HILL, LLC RECORDED IN INSTRUMENT NUMBER 20180504000548780 HEREIN AFTER REFERRED TO AS (PHASE 2), OF THE OFFICIAL PUBLIC RECORDS OF COLLIN COUNTY, TEXAS, AND BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS AS FOLLOWS:

BEGINNING AT THE SOUTHEASTERLY CORNER OF SAID (PHASE 2) TRACT AND BEING IN THE NORTH LINE OF COUNTY ROAD 102 (A GRAVEL ROAD OF UNDETERMINED WIDTH);

THENCE S 88° 46' 02" W, 551.59 FEET ALONG THE COMMON LINE OF SAID (PHASE 2) TRACT AND SAID COUNTY ROAD 102;

THENCE S 89° 08' 40" W, 222.84 FEET CONTINUING ALONG SAID COMMON LINE;

APPENDIX E
PID ASSESSMENT NOTICE

Attachment: Draft Resolution (Chalk Hill PID – Pre-SAP)

AFTER RECORDING RETURN TO:

 _____]¹

NOTICE OF OBLIGATION TO PAY IMPROVEMENT DISTRICT ASSESSMENT TO
 CITY OF CELINA, TEXAS
 CONCERNING THE FOLLOWING PROPERTY

 STREET ADDRESS

LOT TYPE _____ PRINCIPAL ASSESSMENT: \$ _____

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within ***Chalk Hill Public Improvement District No. 2*** (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the annual service plan update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

Attachment: Draft Resolution (Chalk Hill PID – Pre-SAP)

¹ To be included in separate copy of the notice required by Section 5.0143, Tex. Prop. Code, to be executed at the closing of the purchase and sale and to be recorded in the deed records of Collin County.

APPENDIX F
ASSESSMENT PER UNIT, PROJECTED LEVERAGE AND PROJECTED TAX RATE
EQUIVALENTS

Appendix F

For purposes of calculating and allocating the Assessments, the Assessed Property has been classified as one Lot Type.

“**Lot Type 1**” means lots identified as such on the Assessment Roll, being lots typically with a Lot width of approximately 50 feet.

A) Proposed Development

Table F-1 shows the proposed residential units to be developed within the PID.

Table F-1
Proposed Development within the PID

Description	Proposed Development	
Lot Type 1 (50 Ft)	441	Units
Total	441	Units

Table F-2 shows the residential units to be developed within Phase #1.

Table F-2
Development within the Phase #1

Description	Development	
Lot Type 1 (50 Ft)	157	Units
Total	157	Units

Table F-3 shows the proposed residential units to be developed within the Phases #2-3.

Table F-3
Proposed Development within the Phases #2-3

Description	Proposed Development	
Lot Type 1 (50 Ft)	284	Units
Total	284	Units

B) Allocation of Assessments to Lots within Phases #2-3 (Phases #2-3 Major Improvements)

As shown in Table F-4 the total amount of the Phases #2-3 Major Improvement Bonds, which represents the total Assessment to be allocated on all Parcels within Phases #2-3 related to Phases #2-3 Major Improvements, is \$3,690,000. As shown above, there are a total of 284 residential units, resulting in an Assessment per Lot of \$12,992.96 (i.e. $\$3,690,000 \div 284 = \$12,992.96$).

Table F-4 sets forth the Assessment per dwelling unit within the Phases #2-3 for the Phases #2-3 Major Improvements.

Table F-4
Assessment Per Unit – Phases #2-3 Major Improvements

Description	Planned No. of Lots	Assessment per Lot	Total Assessments
Lot Type 1 (50 Ft)	284	\$12,992.96 Per Lot	\$3,690,000
Total	284		\$3,690,000

The projected leverage calculated based on the estimated finished lot values and home values for each unit is shown in Table F-5.

Table F-5
Projected Leverage – Phases #2-3 Major Improvements

Description	Planned No. of Units	Estimated Finished Lot Value per Lot ¹	Projected Home Value per Lot ¹	Assessment per Lot	Leverage (Lot Value)	Leverage (Home Value)
Lot Type 1 - 50 Feet	284	\$70,000	\$400,000	\$12,992.96	5.39	30.79

The projected tax rate equivalent per unit calculated based on the estimated finished lot values and home values for each unit is shown in Table F-6.

Table F-6
Estimated Tax Rate Equivalent per Lot – Phases #2-3 Major Improvements

Description	Planned No. of Lots	Estimated Finished Lot Value per Lot ¹	Projected Home Value per Lot ¹	Projected Average Annual Installment per Lot	Tax Rate Equivalent (per \$100 Lot Value)	Tax Rate Equivalent (per \$100 Home Value)
Lot Type 1 - 50 Feet	284	\$70,000	\$400,000	\$1,195.97	\$1.71	\$0.30

C) Allocation of Assessments to Lots within Phase #1

As shown in Table F-7 the total amount of the Phase #1 Bonds, which represents the total Assessment to be allocated on all Parcels within Phase #1 is \$4,325,000. As shown above, there are a total of 157 residential units, resulting in an Assessment per Lot of \$27,547.77 (i.e. $\$4,325,000 \div 157 = \$27,547.77$).

Table F-7 sets forth the Assessment per dwelling unit within Phase #1.

Table F-7
Assessment Per Unit – Phase #1

Description	Planned No. of Lots	Assessment per Lot	Total Assessments
Lot Type 1 (50 Ft)	157	\$27,547.77 Per Lot	\$4,325,000
Total	157		\$4,325,000

The projected leverage calculated based on the estimated finished lot values and home values for each unit is shown in Table F-8.

Table F-8
Projected Leverage – Phase #1

Description	Planned No. of Units	Estimated Finished Lot Value per Lot ¹	Projected Home Value per Lot ¹	Assessment per Lot	Leverage (Lot Value)	Leverage (Home Value)
Lot Type 1 (50 Ft)	157	\$60,000	\$300,000	\$27,547.77	2.18	10.89

¹ Estimated lot values and projected home values found in official statement for Phases #2-3 Major Improvements and the limited offering memorandum for Phase #1.

The projected tax rate equivalent per unit calculated based on the estimated finished lot values and home values for each unit is shown in Table F-9.

Table F-9
Estimated Tax Rate Equivalent per Lot – Phase #1

Description	Planned No. of Lots	Estimated Finished Lot Value per Lot ¹	Projected Home Value per Lot ¹	Projected Average Annual Installment per Lot	Tax Rate Equivalent (per \$100 Lot Value)	Tax Rate Equivalent (per \$100 Home Value)
Lot Type 1 (50 Ft)	157	\$60,000	\$300,000	\$2,409.92	\$4.02	\$0.80

¹ Estimated lot values and projected home values found in official statement for Phases #2-3 Major Improvements and the limited offering memorandum for Phase #1.

D) Allocation of Assessments to Lots within Phases #2-3 (Phases #2-3 Direct Improvements)

As shown in Table F-10 the total amount of the Phases #2-3 Direct Improvement Bonds and Phases #2-3 Direct Improvement Reimbursement Agreement, which represents the total Assessment to be allocated on all Parcels within Phases #2-3 related to the Phases #2-3 Direct Improvements, is \$9,225,000. As shown above, there are a total of 284 residential units, resulting in an Assessment per Lot of \$32,482.39 (i.e. $\$9,225,000 \div 284 = \$32,482.39$).

Table F-10 sets forth the Assessment per dwelling unit within Phases #2-3 for the Phases #2-3 Direct Improvements.

Table F-10
Assessment Per Unit – Phases #2-3 Direct Improvements

Description	Planned No. of Lots	Assessment per Lot	Total Assessments
Lot Type 1 (50 Ft)	284	\$32,482.39 Per Lot	\$9,225,000
Total	284		\$9,225,000

The projected leverage calculated based on the estimated finished lot values and home values for each unit is shown in Table F-11.

Table F-11
Projected Leverage – Phases #2-3 Direct Improvements

Description	Planned No. of Units	Estimated Finished Lot Value per Lot¹	Projected Home Value per Lot¹	Assessment per Lot	Leverage (Lot Value)	Leverage (Home Value)
Lot Type 1 (50 Ft)	284	\$70,000	\$400,000	\$32,482.39	2.16	12.31

The projected tax rate equivalent per unit calculated based on the estimated finished lot values and home values for each unit is shown in Table F-12.

Table F-12
Estimated Tax Rate Equivalent per Lot – Phases #2-3 Direct Improvements

Description	Planned No. of Lots	Estimated Finished Lot Value per Lot¹	Projected Home Value per Lot¹	Projected Average Annual Installment per Lot	Tax Rate Equivalent (per \$100 Lot Value)	Tax Rate Equivalent (per \$100 Home Value)
Lot Type 1 (50 Ft)	284	\$70,000	\$400,000	\$2,860.94	\$4.09	\$0.72

E) Combined Allocation of Assessments to Lots within Phases #2-3 (Phases #2-3 Major Improvements and Phases #2-3 Direct Improvements)

As shown in Table F-13 the total amount of the Phases #2-3 Major Improvement Bonds, the Phases #2-3 Direct Improvement Bonds, and Phases #2-3 Direct Improvement Reimbursement Agreement, which represents the total Assessment to be allocated on all Parcels within Phases #2-3, is \$12,915,000. As shown above, there are a total of 284 residential units, resulting in an Assessment per Lot of \$45,475.36 (i.e. $\$12,915,000 \div 284 = \$45,475.35$).

Table F-13 sets forth the combined Assessment per dwelling unit within Phases #2-3.

Table F-13
Combined Assessment Per Unit – Phases #2-3

Description	Planned No. of Lots	Assessment per Lot	Total Assessments
Lot Type 1 - 50 Feet	284	\$45,475.35 Per Lot	\$12,915,000
Total	284		\$12,915,000

The projected leverage calculated based on the estimated finished lot values and home values for each unit is shown in Table F-14.

Table F-14
Combined Projected Leverage – Phases #2-3

Description	Planned No. of Units	Estimated Finished Lot Value per Lot¹	Projected Home Value per Lot¹	Assessment per Lot	Leverage (Lot Value)	Leverage (Home Value)
Lot Type 1 - 50 Feet	284	\$70,000	\$400,000	\$45,475.35	1.54	8.80

The projected tax rate equivalent per unit calculated based on the estimated finished lot values and home values for each unit is shown in Table F-15.

Table F-15
Combined Estimated Tax Rate Equivalent per Lot – Phases #2-3

Description	Planned No. of Lots	Estimated Finished Lot Value per Lot¹	Projected Home Value per Lot¹	Projected Average Annual Installment per Lot	Tax Rate Equivalent (per \$100 Lot Value)	Tax Rate Equivalent (per \$100 Home Value)
Lot Type 1 - 50 Feet	284	\$70,000	\$400,000	\$4,056.91	\$5.80	\$1.01

The Assessment and Annual Installments for each Parcel or Lot located within the PID is shown on the Assessment Roll, attached as Appendix G, Appendix H and Appendix I, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

EXHIBIT B
CITY OF CELINA, TEXAS
NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN THAT a public hearing will be conducted by the City Council of Celina, Texas on March 14, 2023, at or after 5:00 p.m. at the Celina City Council Chambers, 112 N. Colorado Street, Celina, Texas 75009. The public hearing will be held to consider proposed assessments to be levied against the assessable property within Phases #2-3 of the Chalk Hill Public Improvement District No. 2 (the "District") pursuant to the provisions of Chapter 372 of the Texas Local Government Code, as amended.

The proposed improvements to be undertaken at this time (the "Phases #2-3 Direct Improvements") include (i) onsite and offsite road improvements; onsite and offsite water distribution system improvements; sanitary sewer collection system improvements; onsite and offsite storm drainage collection system improvements; (ii) payments of allocable expenses incurred in the establishment, administration, and operation of the District; and (iii) payment of expenses associated with financing such public improvement projects which may include but are not limited to, costs associated with issuance and sale of revenue bonds secured by assessments levied against the property within the District.

The total costs of the Phases #2-3 Direct Improvements, including administrative costs and the costs of issuing bonds, is approximately \$10,800,000.

The boundaries of the District include approximately 94.83 acres of land generally located in the northeast corner of Preston Road and Legacy Drive, located within the City and as more particularly described by a metes and bounds description available at Celina City Hall located at 142 N. Ohio Street, Celina, Texas 75009 and available for public inspection.

All written or oral objections on the proposed assessments within the District will be considered at the public hearing.

A copy of the proposed Phases #2-3 Direct Improvements Assessment Roll, which includes the assessments proposed to be levied against each parcel of land within Phases #2-3 of the District that benefits from the Phases #2-3 Direct Improvements, is available for public inspection at the office of the City Secretary, 142 N. Ohio Street, Celina, Texas 75009.

Memorandum

To: **Honorable Mayor Terry and the Celina City Council**
From: Jonathan Pollard, Senior Planner
CC: Jason Laumer, City Manager
Date: February 14, 2023
Re: Ten Mile Creek PID - Pre-SAP

Action Requested:

Consider and act upon a resolution of the City of Celina, Texas, determining the costs of certain authorized improvements to be financed within Improvement Area #1 and the Major Improvement Area of the Ten Mile Creek Public Improvement District; approving a preliminary service plan and assessment plan, including the proposed assessment rolls; directing the filing of the proposed assessment rolls with the City Secretary; and providing for noticing and calling two public hearings on March 14, 2023, to consider two ordinances levying assessments on property located within Improvement Area #1 and the Major Improvement Area of the Ten Mile Creek Public Improvement District (Ten Mile Creek PID – Pre-SAP) (Pollard)

CITY OF CELINA, TEXAS

RESOLUTION NO. 2023-__R

A RESOLUTION OF THE CITY OF CELINA, TEXAS DETERMINING THE COSTS OF CERTAIN AUTHORIZED IMPROVEMENTS TO BE FINANCED WITHIN THE TEN MILE CREEK PUBLIC IMPROVEMENT DISTRICT; APPROVING A PRELIMINARY SERVICE AND ASSESSMENT PLAN, INCLUDING THE PROPOSED IMPROVEMENT AREA #1 ASSESSMENT ROLL AND THE PROPOSED MAJOR IMPROVEMENT AREA ASSESSMENT ROLL; DIRECTING THE FILING OF THE PROPOSED IMPROVEMENT AREA #1 ASSESSMENT ROLL AND THE PROPOSED MAJOR IMPROVEMENT AREA ASSESSMENT ROLL WITH THE CITY SECRETARY TO MAKE AVAILABLE FOR PUBLIC INSPECTION; CALLING TWO PUBLIC HEARINGS FOR MARCH 14, 2023 TO CONSIDER TWO ORDINANCES LEVYING ASSESSMENTS ON PROPERTY LOCATED WITHIN THE TEN MILE PUBLIC IMPROVEMENT DISTRICT; DIRECTING CITY STAFF TO PUBLISH AND MAIL NOTICE OF SAID PUBLIC HEARINGS; AND RESOLVING OTHER MATTERS INCIDENT AND RELATED THERETO.

WHEREAS, the Public Improvement District Assessment Act, Texas Local Government Code, Chapter 372, as amended (the "PID Act") authorizes the City of Celina, Texas (the "City") to create a public improvement district within the corporate boundaries and the extraterritorial jurisdiction of the City; and

WHEREAS, on February 8, 2022, the City Council of the City (the "City Council") conducted a public hearing to consider a petition received by the City requesting the creation of a public improvement district within the extraterritorial jurisdiction of the City; and

WHEREAS, on March 15, 2022, the City Council adopted Resolution No. 2022-14R (the "Authorization Resolution"), authorizing, establishing, and creating the "Ten Mile Creek Public Improvement District" (the "District"); and

WHEREAS, the City authorized the creation of the District and the issuance of up to \$40,000,000.00 in bonds for the District to finance certain public improvements authorized by the PID Act for the benefit of the property within the District (the "Authorized Improvements"); and

WHEREAS, the City Council and the City staff have been presented a "Ten Mile Creek Public Improvement District Preliminary Service and Assessment Plan", including the Proposed Assessment Rolls (as defined herein) attached thereto (collectively, the "Preliminary SAP"), relating to certain assessments proposed to be levied against property within the District that benefit from the Authorized Improvements. A copy of the Preliminary SAP is (i) attached hereto as **Exhibit A**, (ii) is incorporated herein for all purposes, (iii) identifies the area constituting

“Improvement Area #1” of the District and the area constituting the “Major Improvement Area” of the District, (iv) identifies the costs of the Authorized Improvements expected to be constructed for the benefit of Improvement Area #1 (the “Improvement Area #1 Projects”), (v) identifies the costs of the Authorized Improvements expected to be constructed for the benefit of the Major Improvement Area (the “Major Improvement Area Projects”), and (vi) sets forth the proposed assessment roll for Improvement Area #1 of the District (the “Proposed Improvement Area #1 Assessment Roll”) and the proposed assessment roll for the Major Improvement Area of the District (the “Proposed Major Improvement Area Assessment Roll” and, together with the Proposed Improvement Area #1 Assessment Roll, the “Proposed Assessment Rolls”); and

WHEREAS, the Preliminary SAP sets forth the estimated total costs of the Improvement Area #1 Projects and the Major Improvement Area Projects to be financed by the District at this time and the Proposed Assessment Rolls states the assessments proposed to be levied against each benefitted parcel of land in the District, as determined by the method of assessment chosen by the City and set forth in the Preliminary SAP; and

WHEREAS, the PID Act requires that the Proposed Assessment Rolls each be filed with the municipal secretary of the City (the “City Secretary”) and be subject to public inspection; and

WHEREAS, the PID Act requires that a public hearing (the “Improvement Area #1 Assessment Hearing”) be called to consider proposed assessments against the benefitted property within Improvement Area #1 of the District and related to the Improvement Area #1 Projects and requires City Council to hear and pass on any objections to the proposed assessments at, or on the adjournment of, the Improvement Area #1 Assessment Hearing; and

WHEREAS, the PID Act requires that a public hearing (the “Major Improvement Area Assessment Hearing”, and, together with the Improvement Area #1 Assessment Hearing, the “Assessment Hearings”) be called to consider proposed assessments against the benefitted property within the Major Improvement Area of the District and related to the Major Improvement Area Projects and requires City Council to hear and pass on any objections to the proposed assessments at, or on the adjournment of, the Major Improvement Area Assessment Hearing; and

WHEREAS, the PID Act requires that notice of the Assessment Hearings be mailed to property owners liable for assessment and published in a newspaper of general circulation in the City and in the part of the City’s extraterritorial jurisdiction in which the District is located or in

which the improvements are to be undertaken before the tenth (10th) day before the date of the Assessment Hearings.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS AS FOLLOWS:

SECTION 1. The recitals set forth above in this Resolution are true and correct and are hereby adopted as findings of the City Council and are incorporated into the body of this Resolution as if fully set forth herein.

SECTION 2. The City Council does hereby accept the Preliminary SAP for the District, including the Proposed Assessment Rolls, in a form substantially similar to the attached **Exhibit A** and which is incorporated herein for all purposes. All capitalized terms not otherwise defined herein shall have the meanings given to such terms in the Preliminary SAP.

SECTION 3. The City Council hereby determines that the total costs of the Improvement Area #1 Projects to be financed by the District are as set forth in Section III.C of the Preliminary SAP.

SECTION 4. The City Council's final determination and approval of the costs of the Improvement Area #1 Projects, or any portion thereof, shall be subject to and contingent upon City Council's approval of a final, updated Service and Assessment Plan which will include a final Improvement Area #1 Assessment Roll, after the properly noticed and held Improvement Area #1 Assessment Hearing.

SECTION 5. The City Council hereby determines that the total costs of the Major Improvement Area Projects to be financed by the District are as set forth in Section III.B of the Preliminary SAP.

SECTION 6. The City Council's final determination and approval of the costs of the Major Improvement Area Projects, or any portion thereof, shall be subject to and contingent upon City Council's approval of a final, updated Service and Assessment Plan which will include a final Major Improvement Area Assessment Roll, after the properly noticed and held Major Improvement Area Assessment Hearing.

SECTION 7. The Proposed Assessment Rolls state the assessments and the projected annual installments proposed to be levied against each respective assessable parcel of land in

the District that benefits from Authorized Improvements, as determined by the method of assessment chosen by the City in the Authorization Resolution and as more fully described in the Preliminary SAP.

SECTION 8. The City Council hereby authorizes and directs the filing of the Proposed Assessment Rolls with the City Secretary and directs the City Secretary to make the same available for public inspection.

SECTION 9. The City Council hereby authorizes and calls two public hearings (collectively, the Assessment Hearings, as defined above) to be held on **March 14, 2023, at or after 5:00 p.m.** in the Celina City Council Chambers, 112 N. Colorado Street, Celina, Texas 75009, at which, the City Council shall, among other actions, hear and pass on any objections to the proposed assessments, and, upon the adjournment of each of the Assessment Hearings, the City Council will consider two ordinances levying the assessments as special assessments on property located within the respective portion of the District that benefits from the applicable portion of the Authorized Improvements and which ordinance shall specify the method of payment of the assessments.

SECTION 10. The City Council hereby authorizes and directs the City Secretary to publish notice of the Assessment Hearings to be held on **March 14, 2023**, in substantially the form attached hereto as **Exhibit B** and incorporated herein for all purposes, in the *Celina Record*, a newspaper of general circulation in the City and in the part of the City's extraterritorial jurisdiction in which the District is located or in which the improvements are to be undertaken, on or before **March 2, 2023**, as required by Section 372.016(b) of the PID Act.

SECTION 11. When the Proposed Assessment Rolls are filed with the City Secretary, the City Council hereby authorizes and directs the City Secretary, on or before **March 2, 2023**, to mail to owners of property liable for the respective proposed assessments notice of the Assessment Hearings to be held on **March 14, 2023**, as required by Section 372.016(c) of the PID Act.

SECTION 12. City staff is authorized and directed to take such other actions as are required (including, but not limited to, providing notice of the public hearings as required by the Texas Open Meetings Act) to place the public hearings on the agenda for the **March 14, 2023** meeting of the City Council.

SECTION 13. This Resolution shall become effective from and after its date of passage in accordance with law.

I. PLAN DESCRIPTION AND DEFINED TERMS

A. INTRODUCTION

On March 15, 2022, the City Council of the City of Celina, Texas passed and approved Resolution No. 2022-14R approving and authorizing the creation of the Ten Mile Creek Public Improvement District (the “PID”) to finance the costs of certain public improvements for the benefit of property in such public improvement district, all of which was located within the extraterritorial jurisdiction of the City at the time the PID was created.

The property in the PID is proposed to be developed in multiple phases, and the PID will finance public improvements as the property is developed. Assessments will be imposed on the property that receives a special benefit from the Authorized Improvements for the public improvements to be constructed.

Chapter 372 of the Texas Local Government Code, the “Public Improvement District Assessment Act” (as amended, the “PID Act”), governs the creation and operation of public improvement districts within the State of Texas. This Ten Mile Creek Public Improvement District Service and Assessment Plan (the “Service and Assessment Plan”) has been prepared in accordance with the PID Act and specifically Sections 372.013, 372.014, 372.015 and 372.016, which address the requirements of a service and assessment plan and the assessment roll. According to Section 372.013 of the PID Act, a service plan “must (i) cover a period of at least five years; (ii) define the annual indebtedness and the projected costs for improvements; and (iii) include a copy of the notice form required by Section 5.014, Property Code.” The service plan is described in Section IV of this Service and Assessment Plan. The copy of the notice form required by Section 5.014 of the Texas Property Code, as amended, is attached hereto as Appendix E.

Section 372.014 of the PID Act requires that “an assessment plan must be included in the annual service plan.” The assessment plan is described in Section V of this Service and Assessment Plan.

Section 372.015 of the PID Act requires that “the governing body of the municipality or county shall apportion the cost of an improvement to be assessed against property in an improvement district.” The method of assessing the costs of the Authorized Improvements and apportionment of such costs to the property in the PID is included in Section V of this Service and Assessment Plan.

Section 372.016 of the PID Act requires that “after the total cost of an improvement is determined, the governing body of the municipality or county shall prepare a proposed assessment roll. The roll must state the assessment against each parcel of land in the district, as determined by the method of assessment chosen by the municipality or county under this subchapter.” The Assessment Rolls for the PID are currently included as Appendix G and Appendix H of this Service and Assessment Plan and additional Assessment Rolls may be added to this Service and Assessment Plan in the future. The Assessments as shown on each Assessment Roll are based on the method of assessment and apportionment of costs described in Section V of this Service and Assessment Plan.

B. DEFINITIONS

Capitalized terms used herein shall have the meanings ascribed to them as follows:

“Actual Cost(s)” means, with respect to an Authorized Improvement, the demonstrated, reasonable, allocable, and allowable costs of constructing such Authorized Improvement, as specified in a payment request in a form that has been reviewed and approved by the City. Actual Cost may include (a) the costs for the design, planning, financing, administration, management, acquisition, installation, construction and/or implementation of such Authorized Improvement, including general contractor construction management fees, if any, (b) the costs of preparing the construction plans for such Authorized Improvement, (c) the fees paid for obtaining permits, licenses or other governmental approvals for such Authorized Improvement, (d) the costs for external professional costs associated with such Authorized Improvement, such as engineering, geotechnical, surveying, land planning, architectural landscapers, advertising, marketing and research studies, appraisals, legal, accounting and similar professional services, taxes, (e) the costs of all labor, bonds and materials, including equipment and fixtures, incurred by contractors, builders and material men in connection with the acquisition, construction or implementation of the Authorized Improvements, (f) all related permitting, zoning and public approval expenses, architectural, engineering, legal, and consulting fees, financing charges, taxes, governmental fees and charges (including inspection fees, City permit fees, development fees), insurance premiums, and miscellaneous expenses.

Actual Costs include general contractor’s fees in an amount up to a percentage equal to the percentage of work completed and accepted by the City or construction management fees in an amount up to five percent of the eligible Actual Costs described in a payment request in a form that has been reviewed and approved by the City. The amounts expended on legal costs, taxes, governmental fees, insurance premiums, permits, financing costs, and appraisals shall be excluded from the base upon which the general contractor and construction management fees are calculated.

“Additional Interest” means the 0.50% additional interest rate charged on Assessments (if applicable) pursuant to Section 372.018 of the PID Act.

“Additional Interest Component” means the amount collected by application of the Additional Interest.

“Additional Interest Reserve” has the meaning set forth in Section V.G of this Service and Assessment Plan.

“Administrative Expenses” mean the administrative, organization, maintenance and operation costs associated with, or incident to, the administration, organization, maintenance and operation of the PID, including, but not limited to, the costs of: (i) creating and organizing the PID, including conducting hearings, preparing notices and petitions, and all costs incident thereto, including engineering fees, legal fees and consultant fees, (ii) the annual administrative, organization, maintenance, and operation costs and expenses associated with, or incident and allocable to, the administration, organization, and operation of the PID, (iii) computing, levying, billing and collecting Assessments or the Annual Installments thereof, (iv) maintaining the record of

installments of the Assessments and the system of registration and transfer of the Bonds, (v) paying and redeeming the Bonds, (vi) investing or depositing of monies, (vii) complying with the PID Act and other laws applicable to the Bonds, (viii) the Trustee fees and expenses relating to the Bonds, including reasonable fees, (ix) legal counsel, engineers, accountants, financial advisors, investment bankers or other consultants and advisors, and (x) administering the construction of the Authorized Improvements. Administrative Expenses do not include payment of the actual principal of, redemption premium, if any, and interest on the Bonds. Administrative Expenses collected and not expended for actual Administrative Expenses in one year shall be carried forward and applied to reduce Administrative Expenses in subsequent years to avoid the over-collection of amounts to pay Administrative Expenses.

“Administrator” means the employee or designee of the City, identified in any indenture of trust relating to the Bonds or in any other agreement approved by the City Council, who shall have the responsibilities provided for herein.

“Annual Installment” means, with respect to each Parcel, each annual payment of: (i) the Assessments including both principal and interest, as shown on the Assessment Rolls attached hereto as Appendix G and Appendix H, as applicable, or in an Annual Service Plan Update, and calculated as provided in Section VI of this Service and Assessment Plan, (ii) the Additional Interest Component designated for the Additional Interest Reserve described in Section V of this Service and Assessment Plan, if applicable, and (iii) the Administrative Expenses.

“Annual Service Plan Update” has the meaning set forth in the second paragraph of Section IV of this Service and Assessment Plan.

“Assessed Property” means the property that benefits from the Authorized Improvements to be provided by the PID on which Assessments have been imposed as shown in each Assessment Roll, as each Assessment Roll is updated each year by the Annual Service Plan Update. Assessed Property includes all Parcels within the PID other than Non-Benefited Property.

“Assessment” means an assessment levied against a Parcel imposed pursuant to an Assessment Ordinance and the provisions herein, as shown on any Assessment Roll, subject to reallocation upon the subdivision of such Parcel or reduction according to the provisions herein and the PID Act.

“Assessment Ordinance” means each Assessment Ordinance adopted by the City Council approving the Service and Assessment Plan (including amendments or supplements to the Service and Assessment Plan) and levying the Assessments against the respective Assessed Property.

“Assessment Revenues” mean the revenues actually received by or on behalf of the City from the collection of Assessments.

“Assessment Roll” means, as applicable, the Improvement Area #1 Assessment Roll, the Major Improvement Area Assessment Roll, or any other Assessment Roll in an amendment or supplement to this Service and Assessment Plan or in an Annual Service Plan Update, as each may be updated, modified, or amended from time to time in accordance with the procedures set forth in this Service and Assessment Plan and in the PID Act.

“Authorized Improvements” mean those public improvements described in Appendix B of this Service and Assessment Plan and Section 372.003 of the PID Act, constructed and installed in accordance with this Service and Assessment Plan, and any future updates and/or amendments.

“Bonds” mean any bonds issued by the City in one or more series and secured in whole or in part by the Assessment Revenues.

“Budgeted Cost(s)” means the amounts budgeted to construct the Authorized Improvements as used in the preparation of this Service and Assessment Plan.

“Certification for Payment” means the certificate to be provided by the Developer, or his designee, to substantiate the Actual Cost of one or more Authorized Improvements.

“City” means the City of Celina, Texas.

“City Council” means the duly elected governing body of the City.

“County” means Collin County, Texas.

“Delinquent Collection Costs” mean interest, penalties and expenses incurred or imposed with respect to any delinquent installment of an Assessment in accordance with the PID Act and the costs related to pursuing collection of a delinquent Assessment and foreclosing the lien against the Assessed Property, including attorney’s fees.

“Developer” means, together, the Single-Family Developer and the Multi-Family Developer.

“Development Agreement” means that certain Development Agreement (Belknap Tract) by and between the City and CCD – Coit Land, LLC, approved by the City on September 14, 2021, as partially assigned to CCD – Ten Mile Creek, LLC, as assigned, amended, or otherwise modified, and related to development of the property within the PID.

“Equivalent Units” mean, as to any Parcel the number of dwelling units by lot type expected to be built on the Parcel multiplied by the factors calculated and shown in Appendix F attached hereto.

“Future Improvement Area(s)” means Improvement Areas that are fully developed after Improvement Area #1, as such areas are generally depicted and described in Appendix A.

“Future Improvement Area Bonds” mean bonds issued to fund Authorized Improvements (or a portion thereof) in a Future Improvement Area. In connection with the Future Improvement Area Bonds, Assessments will be levied only on Parcels located within the Future Improvement Area in question.

“Future Improvement Area Improvements” mean those Authorized Improvements associated with any Future Improvement Area(s).

“Homeowner Association” means a homeowner’s association or property owners’ association established for the benefit of property owners within the boundaries of the PID.

“Homeowner Association Property” means property within the boundaries of the PID that is owned by or irrevocably offered for dedication to, whether in fee simple or through an exclusive use easement, a Homeowner’s Association.

“Improvement Area” means one or more Parcels within the PID that will be developed in the same general time period. The Parcels within an Improvement Area will be assessed in connection with the issuance of Bonds or upon the execution of a reimbursement agreement related to such Improvement Area for Authorized Improvements (or the portion thereof) designated in an update to this Service and Assessment Plan that specially benefit the Parcels within the Improvement Area.

“Improvement Area #1” means the initial improvement area to be developed and generally shown in Appendix A, as specifically depicted and described as the sum of all Parcels shown in Appendix H.

“Improvement Area #1 Assessed Property” means all Parcels within Improvement Area #1 other than Non-Benefited Property and shown in the Improvement Area #1 Assessment Roll against which an Assessment relating to the Improvement Area #1 Projects is levied.

“Improvement Area #1 Assessment Revenues” mean the actual revenues received by or on behalf of the City from the collection of Assessments levied against Improvement Area #1 Assessed Property, or the Annual Installments thereof, for the Improvement Area #1 Projects.

“Improvement Area #1 Assessment Roll” means the document included in this Service and Assessment Plan as Appendix H, as updated, modified or amended from time to time in accordance with the procedures set forth herein and in the PID Act, including updates prepared in connection with the issuance of Bonds or in connection with any Annual Service Plan Update.

“Improvement Area #1 Bonds” mean those certain City of Celina, Texas, Special Assessment Revenue Bonds, Series 2023 (Ten Mile Creek Public Improvement District Improvement Area #1 Project) that are secured primarily by Improvement Area #1 Assessment Revenues. The term Improvement Area #1 Bonds may also include any additional bonds issued in the future to construct or acquire the Improvement Area #1 Projects currently being constructed pursuant to the Improvement Area #1 Reimbursement Agreement and which, if issued, will also be secured by the Improvement Area #1 Assessment Revenues.

“Improvement Area #1 Improvements” mean the Authorized Improvements which only benefit Improvement Area #1 Assessed Property, which are described in Section III.C.

“Improvement Area #1 Maximum Assessment Per Unit” means for Improvement Area #1, an Assessment per unit related to the Improvement Area #1 Projects for each applicable Lot Type as follows:

Lot Type 1 (60 Ft) - \$62,920.88

Lot Type 2 (55 Ft) - \$56,628.79

Lot Type 3 (Townhomes) - \$37,752.53

“Improvement Area #1 Projects” mean (i) the pro rata portion of the Major Improvements allocable to Improvement Area #1, and (ii) the Improvement Area #1 Improvements.

“Improvement Area #1 Reimbursement Agreement” means that certain Ten Mile Creek Public Improvement District Improvement Area #1 Reimbursement Agreement dated March 14, 2023 by and between the City and the Single-Family Developer in which the Single-Family Developer agrees to fund certain Actual Costs of Improvement Area #1 Projects and the City agrees to reimburse the Single-Family Developer for a portion of such Actual Costs funded by the Single-Family Developer with interest as permitted by the PID Act.

“Lot” means a tract of land described as a “lot” in a subdivision plat recorded in the official public records of Collin County, Texas.

“Lot Type” means a classification of final building lots with similar characteristics (e.g. commercial, light industrial, multifamily residential, single family residential, etc.), as determined by the Administrator and confirmed by the City Council as shown in Appendix F. In the case of single family residential lots, the Lot Type shall be further defined by classifying the residential lots by the estimated average home value for each home at the time of assessment levy, considering factors such as density, lot size, proximity to amenities, view premiums, location, and any other factors that may impact the average home value on the lot, as determined by the Administrator and confirmed by the City Council.

“Major Improvement Area” means the property within the PID excluding Improvement Area #1 which is to be developed subsequent to Improvement Area #1 and generally depicted in Appendix A of this Service and Assessment Plan or any Annual Service Plan Update.

“Major Improvement Area Assessed Property” means, for any year, all Parcels within the PID other than (a) Non-Benefited Property, and (b) Parcels within Improvement Area #1.

“Major Improvement Area Assessment Revenues” mean the revenues actually received by or on behalf of the City from the collection of Assessments levied against the Major Improvement Area Assessed Property, or the Annual Installments thereof, for the Major Improvement Area Projects.

“Major Improvement Area Assessment Roll” means the document included in this Service and Assessment Plan as Appendix G, as updated, modified or amended from time to time in accordance with the procedures set forth herein and in the PID Act, including updates prepared in connection with the issuance of Bonds or in connection with any Annual Service Plan Update.

“Major Improvement Area Bonds” mean those certain City of Celina, Texas, Special Assessment Revenue Bonds, Series 2023 (Ten Mile Creek Public Improvement District Major Improvement Area Project) that are secured primarily by Major Improvement Area Assessment Revenues.

“Major Improvement Area Projects” mean the pro rata portion of the Major Improvements allocable to the Major Improvement Area, which are described in Section III.B.

“Major Improvements” mean the Authorized Improvements which benefit all Assessed Property within the PID and are described in Section III.B.

“Multi-Family Developer” means CCD – Coit Land, LLC, a Texas limited liability company.

“Non-Benefited Property” means Parcels that accrue no special benefit from the Authorized Improvements, including Homeowner Association Property, Public Property and easements that create an exclusive use for a public utility provider to the extent they accrue no special benefit. Property identified as Non-Benefited Property at the time the Assessments (i) are imposed or (ii) are reallocated pursuant to a subdivision of a Parcel, is not assessed. Assessed Property converted to Non-Benefited Property, if the Assessments may not be reallocated pursuant to the provisions herein, remains subject to the Assessments and requires the Assessments to be prepaid as provided for in Section VI.F. See Section II.C for additional details.

“Parcel” or “Parcels” means a parcel or parcels within the PID identified by either a tax map identification number assigned by the Collin Central Appraisal District for real property tax purposes or by lot and block number in a final subdivision plat recorded in the real property records of Collin County.

“PID” has the meaning set forth in Section I.A of this Service and Assessment Plan.

“PID Act” means Texas Local Government Code Chapter 372, Public Improvement District Assessment Act, Subchapter A, Public Improvement Districts, as amended.

“Prepayment Costs” mean interest and expenses to the date of prepayment, plus any additional expenses related to the prepayment, reasonably expected to be incurred by or imposed upon the City as a result of any prepayment of an Assessment.

“Public Property” means property within the boundaries of the PID that is owned by or irrevocably offered for dedication to the federal government, the State of Texas, Collin County, the City, a school district or any other public agency, whether in fee simple or through an exclusive use easement.

“Service and Assessment Plan” means this Service and Assessment Plan prepared for the PID pursuant to the PID Act, as the same may be amended from time to time.

“Single-Family Developer” means CCD – Ten Mile Creek, LLC, a Texas limited liability company.

“Trustee” means the fiscal agent or trustee as specified in the Trust Indenture, including a substitute fiscal agent or trustee.

“Trust Indenture” means an indenture of trust, ordinance or similar document setting forth the terms and other provisions relating to the Bonds, as modified, amended, and/or supplemented from time to time.

II. PROPERTY INCLUDED IN THE PID

A. PROPERTY INCLUDED IN THE PID

The PID is presently located within the extraterritorial jurisdiction of the City and contains approximately 209.27 acres of land. A map of the property within the PID is shown on Appendix A and further described in Appendix C to this Service and Assessment Plan.

At completion, the PID is expected to consist of approximately 490 residential units and townhomes, 861 multifamily units, landscaping, and infrastructure necessary to provide roadways, drainage, and utilities to the PID.

The property within the PID is proposed to be developed as follows:

Table II-A
Proposed Development – PID

Proposed Development	Quantity	Measurement
Single-Family - 60 Ft	110	Units
Single-Family - 55 Ft	266	Units
Townhomes	114	Units
Multifamily	861	Units
Total	1,351	Units

B. PROPERTY INCLUDED IN IMPROVEMENT AREA #1

Improvement Area #1 consists of approximately 82.83 acres and is projected to consist of 296 single family residential units and townhomes, as further described in Section III. A map of the property within Improvement Area #1 is shown in Appendix A and further described in Appendix C.

The property within Improvement Area #1 is proposed to be developed as follows:

Table II-B
Proposed Development – Improvement Area #1

Proposed Development	Quantity	Measurement
Single-Family – 60 Ft	54	Units
Single-Family - 55 Ft	128	Units
Townhomes	114	Units
Total	296	Units

C. PROPERTY INCLUDED IN THE MAJOR IMPROVEMENT AREA (FUTURE IMPROVEMENT AREAS)

The Major Improvement Area consists of (i) approximately 107.76 acres projected to consist of approximately 194 single family residential units and approximately 861 multifamily units, and (ii) approximately 18.68 acres of Non-Benefitted Property. A map of the property within the Major Improvement Area is shown in Appendix A and further described in Appendix C.

The property within the Major Improvement Area is proposed to be developed as follows:

Table II-C
Proposed Development – Major Improvement Area

Proposed Development	Quantity	Measurement
Single-Family - 60 Ft	56	Units
Single-Family - 55 Ft	138	Units
Multifamily	861	Units
Total	1,055	Units

As Future Improvement Areas are developed, Future Improvement Area Bonds may be issued and/or related reimbursement agreements may be executed for each new Improvement Area. In connection with the issuance of Future Improvement Area Bonds and/or each related reimbursement agreement, this Service and Assessment Plan will be updated to add additional details of each Future Improvement Area as shown for Improvement Area #1 in Section II.B. A map of the projected property within each Future Improvement Area is shown in Appendix A. The Future Improvement Areas are shown for illustrative purposes only and are subject to adjustment. The current Parcels in the PID are shown on the Assessment Rolls included as Appendix G and Appendix H and additional Assessment Rolls may be added to this Service and Assessment Plan as the Future Improvement Area(s) are developed.

The estimated number of units at the build-out of the PID is based on the land use approvals for the property, the anticipated subdivision of property in the PID, and the Developer's estimate of the highest and best use of the property within the PID.

(remainder of this page is intentionally left blank)

III. DESCRIPTION OF THE AUTHORIZED IMPROVEMENTS

A. AUTHORIZED IMPROVEMENT OVERVIEW

372.003. Authorized Improvements

(a) If the governing body of a municipality or county finds that it promotes the interests of the municipality or county, the governing body may undertake an improvement project that confers a special benefit on a definable part of the municipality or county or the municipality's extraterritorial jurisdiction. A project may be undertaken in the municipality or county or the municipality's extraterritorial jurisdiction.

(b) A public improvement may include:

- (i) landscaping;
- (ii) erection of fountains, distinctive lighting, and signs;
- (iii) acquiring, constructing, improving, widening, narrowing, closing, or rerouting of sidewalks or of streets, any other roadways, or their rights-of way;
- (iv) construction or improvement of pedestrian malls;
- (v) acquisition and installation of pieces of art;
- (vi) acquisition, construction, or improvement of libraries;
- (vii) acquisition, construction, or improvement of off-street parking facilities;
- (viii) acquisition, construction, improvement, or rerouting of mass transportation facilities;
- (ix) acquisition, construction, or improvement of water, wastewater, or drainage facilities or improvements;
- (x) the establishment or improvement of parks;
- (xi) projects similar to those listed in Subdivisions (i)-(x);
- (xii) acquisition, by purchase or otherwise, of real property in connection with an authorized improvement;
- (xiii) special supplemental services for improvement and promotion of the district, including services relating to advertising, promotion, health and sanitation, water and wastewater, public safety, security, business recruitment, development, recreation, and cultural enhancement;
- (xiv) payment of expenses incurred in the establishment, administration and operation of the district; and
- (xv) the development, rehabilitation, or expansion of affordable housing

After analyzing the public improvement projects authorized by the PID Act, the City has determined at this time to undertake only Authorized Improvements listed in Section III.B and III.C and shown in the opinion of probable costs shown in Appendix B and on the diagrams included as Appendix D for the benefit of the Assessed Property. Any change to the list of Authorized Improvements will require the approval of the City and an update to this Service and Assessment Plan.

B. DESCRIPTIONS AND COSTS OF MAJOR IMPROVEMENTS

The Major Improvements benefit the entire PID. The costs of the Major Improvements are allocated proportionally throughout the entire PID, excluding Non-Benefited Property, in a manner that anticipates planned development of the PID based on the anticipated number of Equivalent Units. Each of Improvement Area #1 and Major Improvement Area will be proportionally allocated the costs of the Major Improvements, as shown on Table III-A.

The Major Improvements descriptions are presented below as provided by the project engineer. The Budgeted Costs of the Major Improvements are shown in Table III-A and may be revised in Annual Service Plan Updates, including such other improvements as deemed necessary to further improve the properties within the PID.

A description of the Major Improvements are as follows:

Roadway Improvements

The roadway improvement portion of the Major Improvements consists of the construction of entrance road improvements, including related paving, drainage, curbs, gutters, sidewalks, retaining walls, signage, and traffic control devices, which benefit the Assessed Property. All roadway projects will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Water Improvements

The water improvement portion of the Major Improvements consists of construction and installation of waterlines, mains, pipes, valves, and appurtenances, necessary for the water distribution system that will service the Assessed Property. The water improvements will be designed and constructed according to City standards and specifications and will be owned and operated by the City.

Sanitary Sewer Improvements

The sanitary sewer improvement portion of the Major Improvements consists of construction and installation of pipes, service lines, manholes, encasements, and appurtenances necessary to provide sanitary sewer service to the Assessed Property. The sanitary sewer improvements will be designed and constructed according to City standards and specifications and will be owned and operated by the City.

Storm Drainage Improvements

The storm drainage improvement portion of the Major Improvements consist of reinforced concrete pipes, reinforced concrete boxes, multi-reinforced box culverts, and storm water detention facilities which benefit the Assessed Property. The storm drainage collection system improvements will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Other Soft and Miscellaneous Improvements

The other soft and miscellaneous portion of the Major Improvements consist of site preparation, signage, district formation costs, contingency, maintenance bonds, platting, permitting, engineering, staking and other soft costs.

Table III-A
Budgeted Costs – Major Improvements

Authorized Improvements	Total Major Improvement Costs	Improvement Area #1 Allocated Amount¹	Major Improvement Area Allocated Amount¹
Roadway improvements	\$3,006,452	\$1,228,664	\$1,777,788
Water improvements	\$958,692	\$391,794	\$566,898
Storm drainage improvements	\$886,074	\$362,117	\$523,957
Sanitary sewer improvements	\$1,829,761	\$747,779	\$1,081,982
Other soft and miscellaneous costs	\$2,003,027	\$818,588	\$1,184,438
Total Authorized Improvements	\$8,684,006	\$3,548,943	\$5,135,063

Note: Costs provided by KFM Engineering. The figures shown in Table III-A may be revised in Annual Service Plan Updates and may be reallocated between line items so long as the Total Major Improvements amount does not change.

¹Allocation of Major Improvements are based on the methodologies described in V.C and shown in Table V-A.

C. DESCRIPTIONS AND COSTS OF IMPROVEMENT AREA #1 IMPROVEMENTS

The Improvement Area #1 Improvements descriptions are presented below as provided by the project engineer. The Budgeted Costs of the Improvement Area #1 Improvements are shown in Table III-B and may be revised in Annual Service Plan Updates, including such other improvements as deemed necessary to further improve the properties within the PID.

Roadway Improvements

The road improvement portion of the Improvement Area #1 Improvements consists of the construction of road improvements, including related excavation, paving, drainage, curbs, gutters, sidewalks, retaining walls, signage, and traffic control devices, which benefit the Improvement Area #1 Assessed Property. All roadway projects will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Water Improvements

The water improvements portion of the Improvement Area #1 Improvements consists of construction and installation of a looped water main network, which includes waterlines, valves, fire hydrants, and appurtenances, necessary for the portion of the water distribution system that will service the Improvement Area #1 Assessed Property. The water improvements will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Sanitary Sewer Improvements

The sanitary sewer improvement portion of the Improvement Area #1 Improvements consists of construction and installation of various sized sanitary sewer pipes, service lines, manholes, encasements, and appurtenances necessary to provide sanitary sewer service to Improvement Area #1 Assessed Property. The sanitary sewer improvements will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Storm Drainage Improvements

The storm drainage improvement portion of the Improvement Area #1 Improvements consist of reinforced concrete pipes, reinforced concrete boxes, multi-reinforced box culverts, junction boxes, inlets, headwalls, and appurtenances necessary to provide adequate drainage to the Improvement Area #1 Assessed Property constructed within the boundaries of the PID. The storm drainage collection system improvements will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Other Soft and Miscellaneous Improvements

The other soft and miscellaneous portion of the Improvement Area #1 Improvements consist of site preparation, signage, district formation costs, contingency, maintenance bonds, platting, permitting, engineering, staking and other soft costs.

Table III-B
Budgeted Costs – Improvement Area #1 Projects

Authorized Improvements	Improvement Area #1's Proportional Share of Major Improvements¹	Improvement Area #1 Improvements	Total Improvement Area #1 Projects²
Roadway improvements	\$1,228,664	\$3,935,600	\$5,164,264
Water improvements	\$391,794	\$1,949,120	\$2,340,914
Sanitary sewer improvements	\$362,117	\$1,083,705	\$1,445,822
Storm drainage improvements	\$747,779	\$1,752,083	\$2,499,862
Other soft and miscellaneous costs	\$818,588	\$2,627,640	\$3,446,228
Total Authorized Improvements	\$3,548,943	\$11,348,148	\$14,897,091

¹ See Table III-A. Allocation of Major Improvements are based on the methodologies described in V.C and shown in Table V-A.

²Costs provided by KFM Engineering. The figures shown in Table III-B may be revised in Annual Service Plan Updates and may be reallocated between line items so long as the total Improvement Area #1 Improvements amount does not change.

D. FUTURE IMPROVEMENT AREAS

As Future Improvement Areas are developed and Future Improvement Area Bonds are issued and/or related reimbursement agreements are executed, this Service and Assessment Plan will be amended to identify the specific Future Improvement Area Improvements that confer a special benefit to the property inside each Future Improvement Area (e.g. a Table III-C will be added to show the costs

for the Future Improvement Area Improvements financed within the specific Future Improvement Area being developed.)

(remainder of this page is intentionally left blank)

IV. SERVICE PLAN

A. PROJECTED SOURCES AND USES OF FUNDS

The PID Act requires the service plan to cover a period of at least five years. The service plan is required to define the annual projected costs and indebtedness for the Authorized Improvements undertaken within the PID during the five-year period. It is anticipated that construction of the Major Improvement Area Projects will be completed in the fourth quarter of 2023. It is anticipated that construction of the Improvement Area #1 Projects will be completed in the fourth quarter of 2023. At some point after all or a portion of the Major Improvement Area Projects and Improvement Area #1 Projects are constructed, development in Future Improvement Areas will begin, with each Future Improvement Area to be subsequently developed corresponding to the Service and Assessment Plan to be updated with that development.

The Budgeted Costs for Major Improvements Area Projects plus costs related to the issuance of the Major Improvement Area Bonds and payment of expenses incurred in the establishment, administration and operation of the PID allocable to the Major Improvement Area is \$7,310,000 as shown in Table IV-A. The Budgeted Costs for the Improvement Area #1 Projects plus costs related to the issuance of the Improvement Area #1 Bonds and the expenses incurred in the establishment, administration, and operation of the PID allocable to Improvement Area #1 are \$18,159,596 as shown in Table IV-B. The service plan shall be reviewed and updated at least annually for the purpose of determining the annual budget for Administrative Expenses, updating the Budgeted Costs of the Authorized Improvements, and updating the Assessment Roll(s). Any update to this Service and Assessment Plan is herein referred to as an “Annual Service Plan Update.”

As Future Improvement Areas are developed in connection with the issuance of Future Improvement Area Bonds and/or execution of a related reimbursement agreement, this Service and Assessment Plan will be amended (e.g. Table IV-C will be amended to show the sources and uses for the Future Improvement Area Improvements financed within the specific Future Improvement Area being developed, etc.).

The Major Improvement Area Bonds shown in Table IV-A are anticipated to be issued in 2023 and will be used to finance the costs of Major Improvement Area Projects.

(remainder of this page is intentionally left blank)

Table IV-A
Projected Sources and Uses – Major Improvement Area

Sources of Funds	Major Improvement Area Bonds
Par amount	\$7,310,000
Total Sources	\$7,310,000
Uses of Funds	
<u>Major Improvement Area Projects¹:</u>	
Road improvements	\$1,777,788
Water improvements	\$566,898
Sanitary sewer improvements	\$523,957
Storm drainage improvements	\$1,081,982
Other soft and miscellaneous costs	\$1,184,438
<i>Subtotal</i>	<i>\$5,135,063</i>
<u>Estimated Bond Issuance Costs:</u>	
Cost of issuance	\$437,700
Capitalized interest	\$794,963
Reserve fund	\$622,975
Administrative Expenses	\$100,000
Underwriters discount	\$219,300
<i>Subtotal</i>	<i>\$2,174,937</i>
Total Uses	\$7,310,000

¹See Table III-A for details.

The Improvement Area #1 Bonds shown in Table IV-B are anticipated to be issued in 2023 and will be used to finance a portion of the costs of the Improvement Area #1 Projects. The City and the Developer anticipate entering into the Improvement Area #1 Reimbursement Agreement in 2023 to finance a portion of the costs of the Improvement Area #1 Projects, as shown in Table IV-B.

(remainder of this page is intentionally left blank)

Table IV-B
Projected Sources and Uses – Improvement Area #1

Sources of Funds	Improvement Area #1 Bonds	Improvement Area #1 Reimbursement Agreement	Total
Par amount	\$12,010,000	\$0	\$12,010,000

Administrative Expenses	\$50,000	\$0	\$50,000
Underwriters discount	\$360,300	\$0	\$360,300
<i>Subtotal</i>	<i>\$3,262,505</i>	<i>\$0</i>	<i>\$3,262,505</i>
Total Uses	\$12,010,000	\$6,149,596	\$18,159,596

¹The other funding sources, if any, represent projects costs of the Improvement Area #1 Projects to be paid by the Developer without reimbursement from the City.

² See Table III-B for details.

As Future Improvement Areas are developed, Future Improvement Area Bonds may be issued and/or a reimbursement agreement may be executed to finance the Authorized Improvements required for each new Future Improvement Area.

B. PROJECTED FIVE YEAR SERVICE PLAN

Major Improvement Area

The annual projected costs and annual projected indebtedness for the Major Improvement Area is shown in Table IV-C. The annual projected costs and indebtedness is subject to revision, and each shall be updated in the Annual Service Plan Update to reflect any changes in the costs or indebtedness expected for each year.

Table IV-C
Annual Projected Costs and Annual Projected Indebtedness
Major Improvement Area

Year	Annual Projected Cost	Annual Projected Indebtedness	Other Funding Sources	Projected Major Improvement Area Annual Installments
2023 ¹	\$7,310,000	\$7,310,000	\$0	\$0
2024 ¹	\$0	\$0	\$0	\$0
2025	\$0	\$0	\$0	\$711,545
2026	\$0	\$0	\$0	\$711,378
2027	\$0	\$0	\$0	\$710,767
2028	\$0	\$0	\$0	\$710,712
2029	\$0	\$0	\$0	\$710,136
Total	\$7,310,000	\$7,310,000	\$0	\$3,554,537

¹Administrative Expenses in year 2023 and 2024 are being funded with Bond proceeds, and interest on the Major Improvement Area Bonds for year 2023 and 2024 is being funded with capitalized interest.

The annual projected costs shown in Table IV-C are the annual expenditures relating to Major Improvement Area's proportional share of Major Improvements, referred to as the Major Improvement Area Projects, shown in Table III-A, and the costs associated with setting up the PID allocable to the Major Improvement Area and bond issuance costs including reserves shown in Table IV-A. The difference between the total projected cost and the total projected indebtedness, if any, is the amount contributed by the Developer.

Improvement Area #1

The annual projected costs and annual projected indebtedness for Improvement Area #1 is shown in Table IV-D. The annual projected costs and indebtedness is subject to revision, and each shall be updated in the Annual Service Plan Update to reflect any changes in the costs or indebtedness expected for each year.

(remainder of this page is intentionally left blank)

Table IV-D
Annual Projected Costs and Annual Projected Indebtedness
Improvement Area #1

Year	Annual Projected Cost	Annual Projected Indebtedness¹	Other Funding Sources²	Projected Improvement Area #1 Annual Installments
2023 ³	\$18,159,596	\$14,950,000	\$3,209,596	\$0
2024 ³	\$0	\$0	\$0	\$443,743
2025	\$0	\$0	\$0	\$1,262,457
2026	\$0	\$0	\$0	\$1,261,685
2027	\$0	\$0	\$0	\$1,261,121
2028	\$0	\$0	\$0	\$1,261,708
2029	\$0	\$0	\$0	\$1,261,308
Total	\$18,159,596	\$14,950,000	\$3,209,596	\$6,752,021

¹Includes amounts to be paid from assessments related to both the Improvement Area #1 Bonds and Improvement Area #1 Reimbursement Agreement.

²The other funding sources, if any, represent project costs of the Improvement Area #1 Projects to be paid by the Developer without reimbursement from the City.

³Administrative Expenses in year 2023 are being funded with Bond proceeds, and interest on the Improvement Area #1 Bonds for year 2023 and 2024 is being funded with capitalized interest. Interest on the Improvement Area #1 Reimbursement Agreement for year 2023 will be collected together with the first annual installment due by January 31, 2024.

The annual projected costs shown in Table IV-D are the annual expenditures relating to the Improvement Area #1 Projects shown in Table III-B, and the costs associated with setting up the PID allocable to Improvement Area #1 and bond issuance costs including reserves shown in Table IV-B. The difference between the total projected cost and the total projected indebtedness, if any, is the amount contributed by the Developer.

C. PID ASSESSMENT NOTICE

The PID Act requires that this Service and Assessment Plan and each Annual Service Plan update include a copy of the notice form required by Section 5.014 of the Texas Property Code (the “PID Assessment Notice”). The PID Assessment Notice is attached hereto as Appendix E and may be updated in an Annual Service Plan Update.

(remainder of this page is intentionally left blank)

V. ASSESSMENT PLAN

A. INTRODUCTION

The PID Act requires the City Council to apportion the costs of the Authorized Improvements on the basis of special benefits conferred upon the property because of the Authorized Improvements. The PID Act provides that the costs of the Authorized Improvements may be assessed: (i) equally per front foot or square foot; (ii) according to the value of the property as determined by the governing body, with or without regard to improvements on the property; or (iii) in any other manner that results in imposing equal shares of the cost on property similarly benefited. The PID Act further provides that the governing body may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the municipality and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

The proposed bond issuance program entails a series of bond financings that are intended to finance the public infrastructure required for the development. This financing will necessarily be undertaken in phases to coincide with the private investment and development of the Authorized Improvements. Following the issuance of the Improvement Area #1 Bonds and the Major Improvement Area Bonds anticipated to be issued in 2023, subsequent financings may be issued over the upcoming decade as the Future Improvement Areas of the development are gradually constructed.

The purpose of this gradual issuance of bonds in phases is to mirror the actual private development of the Authorized Improvements. The Bonds to be issued are most prudently and efficiently utilized when directly coinciding with construction of public infrastructure needed for private development that is to occur once the infrastructure is completed; it is most effective to issue the Bonds when the infrastructure is needed, not before. Furthermore, there is no economic advantage, and several disadvantages, to issuing debt and encumbering property within the PID prior to the need for the Authorized Improvements.

For purposes of this Service and Assessment Plan, the City Council has determined that the Budgeted Costs of the Authorized Improvements shall be allocated as described below:

1. The costs of the Major Improvement Area Projects and the Improvement Area #1 Projects shall be allocated on the basis of Equivalent Units once such property is developed, and that such method of allocation will result in the imposition of equal shares of the costs of the Authorized Improvements to Parcels similarly benefited.
2. The costs of the Major Improvements are proportionally allocated to the Major Improvement Area Assessed Property and the Improvement Area #1 Assessed Property based on the ratio of Equivalent Units for the Major Improvement Area Assessed Property and the Improvement Area #1 Assessed Property.
3. The Major Improvement Area Assessed Property's proportional share of the costs for the Major Improvements is allocated to each Parcel within the Major Improvement Area Assessed Property based on the total estimated Equivalent Units for each Parcel.

4. The Improvement Area #1 Projects costs are allocated to each Parcel within the Improvement Area #1 Assessed Property based on the total estimated Equivalent Units for each Parcel within Improvement Area #1.
5. The City Council has concluded that larger more expensive homes are likely to be built on the larger lots, and that larger more expensive homes are likely to make greater use of and receive greater benefit from the Authorized Improvements. In determining the relative values of Parcels, the City Council has taken into consideration (i) the type of development (i.e., residential, commercial, etc.), (ii) single-family lot sizes and the size of homes likely to be built on lots of different sizes, (iii) current and projected home prices provided by the Developer, (iv) the Authorized Improvements to be provided and the estimated costs, and (v) the ability of different property types to utilize and benefit from the Authorized Improvements.
6. The Assessed Property is classified into different Lot Types as described in Appendix F based on the type and size of proposed development on each Parcel.
7. Equivalent Units are calculated for each Lot Type based on the relative average home value of each Lot Type.

Table V-A provides the estimated allocation of costs of the Major Improvements between the Major Improvement Area and Improvement Area #1.

At this time, it is impossible to determine with absolute certainty the amount of special benefit each Parcel within Future Improvement Areas will receive from the direct Authorized Improvements that will benefit each individual Improvement Area and that are to be financed with Future Improvement Area Bonds. Therefore, Parcels will only be assessed for the special benefits conferred upon the Parcel at this time because of the Improvement Area #1 Projects and Major Improvement Area Projects.

In connection with the issuance of Future Improvement Area Bonds and/or execution of related reimbursement agreements, this Service and Assessment Plan will be updated to reflect the special benefit each Parcel of Assessed Property within a Future Improvement Area receives from the specific Future Improvement Area Improvements funded with those Future Improvement Area Bonds issued and/or reimbursement agreement executed with respect to that Future Improvement Areas. Prior to assessing Parcels located within Future Improvement Areas in connection with issuance of Future Improvement Area Bonds and/or execution of a reimbursement agreement, each owner of the Parcels to be assessed must acknowledge that the Future Improvement Area Improvements to be financed confer a special benefit on their Parcel and must consent to the imposition of the Assessments to pay for the Actual Costs of such Future Improvement Area Improvements.

This section of this Service and Assessment Plan currently (i) describes the special benefit received by each Parcel within the PID as a result of the Major Improvement Area Projects and the Improvement Area #1 Projects, as applicable, (ii) provides the basis and justification for the

determination that this special benefit exceeds the amount of the Assessments to be levied on the Improvement Area #1 Assessed Property and the Major Improvement Area Assessed Property for such improvements, and (iii) establishes the methodologies by which the City Council allocates and reallocates the special benefit of the Major Improvement Area Projects and the Improvement Area #1 Projects to Parcels in a manner that results in equal shares of the Actual Costs of such improvements being apportioned to Parcels similarly benefited. The determination by the City Council of the assessment methodologies set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Developer and all future owners and developers of the Assessed Property.

As Future Improvement Areas are developed, in connection with the issuance of Future Improvement Area Bonds and/or execution of a related reimbursement agreement this Service and Assessment Plan will be updated based on the City's determination of the assessment methodology for each Future Improvement Area.

B. SPECIAL BENEFIT

Assessed Property must receive a direct and special benefit from the Authorized Improvements, and this benefit must be equal to or greater than the amount of the Assessments. The Authorized Improvements are provided specifically for the benefit of the Assessed Property. The Authorized Improvements (more particularly described in line-item format in Appendix B to this Service and Assessment Plan) and the costs of issuance and payment of costs incurred in the establishment of the PID shown in Table IV-A and IV-B are authorized by the PID Act. These Authorized Improvements are provided specifically for the benefit of the Assessed Property.

Each owner of the Assessed Property has acknowledged that the Authorized Improvements confer a special benefit on the Assessed Property and has consented to the imposition of the Assessments to pay for the Actual Costs associated therewith. Each of the owners is acting in its interest in consenting to this apportionment and levying of the Assessments because the special benefit conferred upon the Assessed Property by the Authorized Improvements exceeds the amount of the Assessments.

The Authorized Improvements provide a special benefit to the Assessed Property as a result of the close proximity of these improvements to the Assessed Property and the specific purpose of these improvements of providing infrastructure for the Assessed Property. In other words, the Assessed Property could not be used in the manner proposed without the construction of the Authorized Improvements. The Authorized Improvements are being provided specifically to meet the needs of the Assessed Property as required for the proposed use of the property.

The Assessments are being levied to provide the Authorized Improvements that are required for the highest and best use of the Assessed Property (i.e., the use of the property that is most valuable, including any costs associated with that use). Highest and best use can be defined as "the reasonably probable and legal use of property, which is physically possible, appropriately supported, financially feasible, and that results in the highest value." (*Dictionary of Real Estate Appraisal, Third Edition.*) The Authorized Improvements are expected to be required for the proposed use of the Assessed

Property to be physically possible, appropriately supported, financially feasible, and maximally productive.

The Developer has evaluated the potential use of the property and has determined that the highest and best use of the property is the use intended and the legal use for the property as described in Section II of this Service and Assessment Plan. The use of the Assessed Property as described herein will require the construction of the Authorized Improvements.

The Assessments will repay financing that is on advantageous terms, as the Bonds issued to finance the Authorized Improvements will pay interest that is exempt from federal income tax. As a result, all other terms being equal (e.g., maturity, fixed vs. variable rate, credit quality), the tax- exempt bonds will have a lower interest rate than debt that is not tax-exempt. The Bonds also have a longer term than other available financings and may either be repaid or assumed by a buyer at the buyer's option. As a result of these advantageous terms, the financing provided by the PID is the most beneficial means of financing the Authorized Improvements.

Each owner of the Assessed Property will ratify, confirm, accept, agree to and approve: (i) the determinations and finding by the City Council as to the special benefits described in this Service and Assessment Plan and the Assessment Ordinance; (ii) the Service and Assessment Plan and the Assessment Ordinance, and (iii) the levying of Assessments on the Assessed Property. Use of the Assessed Property as described in this Service and Assessment Plan and as authorized by the PID Act requires that Authorized Improvements be acquired, constructed, installed, and/or improved. Funding the Actual Costs of the Authorized Improvements through the PID has been determined by the City Council to be the most beneficial means of doing so. As a result, the Authorized Improvements result in a special benefit to the Assessed Property, and this special benefit exceeds the amount of the Assessment. This conclusion is based on and supported by the evidence, information, and testimony provided to the City Council.

In summary, the Authorized Improvements result in a special benefit to the Assessed Property for the following reasons:

1. The Authorized Improvements are being provided specifically for the use of the Assessed Property, are necessary for the proposed best use of the property and provide a special benefit to the Assessed Property as a result;
2. The Developer has consented to the imposition of the Assessments for the purpose of providing the Authorized Improvements and the Developer is acting in its interest by consenting to this imposition;
3. The Authorized Improvements are required for the highest and best use of the property;
4. The highest and best use of the Assessed Property is the use of the Assessed Property that is most valuable (including any costs associated with the use of the Assessed Property);
5. Financing of the costs of the Authorized Improvement through the PID is determined to be the most beneficial means of providing for the Authorized Improvements; and,

6. As a result, the special benefits to the Assessed Property from the Authorized Improvements will be equal to or greater than the Assessments.

C. ALLOCATION OF COSTS TO ASSESSED PROPERTY

The Major Improvements will provide a special benefit to all property in the PID. Accordingly, the estimated Major Improvement costs must be allocated throughout all Assessed Property in the PID. Table V-A summarizes the allocation of Actual Costs for each type of Major Improvement. The costs shown in Table V-A are estimates and may be revised in Annual Service Plan Updates, but the related Assessment may not be increased.

Improvement Area #1 is projected to contain 296 residential units and the Major Improvement Area is projected to contain 1,055 residential units. As shown in Appendix F, the total projected Equivalent Units for Improvement Area #1 is calculated as 237.60 and the total projected Equivalent Units for the Major Improvement Area is calculated as 343.79. The total projected Equivalent Units in the PID is, therefore, calculated to be 581.39 (i.e., $237.60 + 343.79 = 581.39$). As a result, 40.87 percent of the Budgeted Costs of the Major Improvements (i.e., $237.60 \div 581.39 = 40.87\%$) are allocated to the Improvement Area #1 Assessed Property and 59.13 percent of the Budgeted Costs of the Major Improvements (i.e., $343.79 \div 581.39 = 59.13\%$) are allocated to the Major Improvement Area Assessed Property. The Major Improvement Area Bonds will fund the Budgeted Costs of the Major Improvement Area Projects. The Improvement Area #1 Bonds, obligations under the Improvement Area #1 Reimbursement Agreement, and developer contributions will fund the Budgeted Costs of the Improvement Area #1 Projects. One hundred percent (100%) of the Improvement Area #1 Improvements are allocated to the Improvement Area #1 Assessed Property.

Table V-A
Allocation of Major Improvement Costs

Authorized Improvement	Total
Road improvements	\$3,006,452
Water improvements	\$958,692
Offsite sanitary sewer improvements	\$886,074
Storm drainage improvements	\$1,829,761
Other soft and miscellaneous costs	\$2,003,027
Total Major Improvements¹	\$8,684,006
Improvement Area #1	
Projected total number of Equivalent Units	237.60
% of total Equivalent Units	40.87%
Proportionate Share of Costs	\$3,548,943
Major Improvement Area (Future Improvement Areas)	
Projected total number of Equivalent Units	343.79
% of total Equivalent Units	59.13%
Proportionate Share of Costs	\$5,135,063

¹See Table III-A for details.

D. ASSESSMENT METHODOLOGY

The costs of the Authorized Improvements may be assessed by the City Council against the Assessed Property so long as the special benefit conferred upon the Assessed Property by the Authorized Improvements equals or exceeds the Assessments. The costs of the Authorized Improvements may be assessed using any methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited.

1. *Assessment Methodology for the Major Improvement Area Projects*

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Major Improvement Area Projects to be financed with the Major Improvement Area Bonds shall be allocated to the Major Improvement Area Assessed Property by spreading the entire Assessment across the Parcels within the Major Improvement Area based on the estimated number of Equivalent Units anticipated to be developed on each Parcel.

Based on the Budgeted Costs of the Major Improvement Area Projects, as set forth in Table III-A, the City Council has determined that the benefit to the Major Improvement Area Assessed Property of the Major Improvement Area Projects is at least equal to the Assessments levied on the Major Improvement Area Assessed Property.

Upon subsequent divisions of any Parcel, the Assessment applicable to it will then be apportioned pro rata based on the estimated number of Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Parcel based on the ratio of the estimated number of Equivalent Units at the time residential Lots are platted to the total estimated number of all Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council.

The Assessment and Annual Installments for each Parcel or Lot located within the Major Improvement Area is shown on the Major Improvement Area Assessment Roll, attached as Appendix G, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

2. *Assessment Methodology for the Improvement Area #1 Projects*

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Improvement Area #1 Projects to be financed with the Improvement Area #1 Bonds and by the Developer under the Improvement Area #1 Reimbursement Agreement shall be allocated to the Improvement Area #1 Assessed Property by spreading the entire Assessment across the Parcels within Improvement Area #1 based on the estimated number of Equivalent Units anticipated to be developed on each Parcel.

Based on the Budgeted Costs of the Improvement Area #1 Projects, as set forth in Table III-B, the City Council has determined that the benefit to Improvement Area #1 Assessed Property of the Improvement Area #1 Projects is at least equal to the Assessments levied on the Improvement Area #1 Assessed Property.

Upon subsequent divisions of any Parcel within Improvement Area #1, the Assessment applicable to it will then be apportioned pro rata based on the estimated Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Parcel based on the ratio of the estimated Equivalent Units at the time residential Lots are platted to the total estimated Equivalent Units for Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council.

The Assessment and Annual Installments for each Parcel or Lot located within Improvement Area #1 is shown on the Improvement Area #1 Assessment Roll, attached as Appendix H, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

3. *Assessment Methodology for Future Improvement Areas*

When any given Future Improvement Areas are developed, and Future Improvement Area Bonds for that Future Improvement Area are to be issued and/or a related reimbursement agreement is executed, this Service and Assessment Plan will be amended to determine the assessment methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited within that Future Improvement Area.

E. ASSESSMENTS

The Assessments will be levied on each Parcel of Assessed Property within the Major Improvement Area and Improvement Area #1 according to the Assessment Rolls, attached hereto as Appendix G and Appendix H, respectively. The Annual Installments of the Assessments will be collected at the time and in the amounts shown on the Assessment Rolls, subject to any revisions made during an Annual Service Plan Update. Non-Benefitted Property will not be subject to any Assessments.

See Appendix F for Assessment per Equivalent Unit, leverage, and estimated tax rate equivalent calculation details.

F. ADMINISTRATIVE EXPENSES

The cost of administering the PID and collecting the Annual Installments shall be paid for on a pro rata basis by each Parcel based on the amount of Assessment levied against the Parcel. The Administrative Expenses shall be collected as part of and in the same manner as Annual Installments in the amounts shown on each Assessment Roll, which may be revised based on actual costs incurred in Annual Service Plan Updates.

G. ADDITIONAL INTEREST RESERVE

Pursuant to the PID Act, the interest rate for any portion of the Assessments which secure a series of Bonds may exceed the actual interest rate per annum paid on the related Bonds by no more than one half of one percent (0.50%). The interest rate used to determine the Assessments that secure the Bonds is one half of one percent (0.50%) per annum higher than the actual rate paid on the Bonds, with the Additional Interest Component of the Annual Installments allocated to fund a reserve to be used for paying interest associated with a prepayment and to offset any possible delinquency related

costs. The Additional Interest Reserve shall be funded until it reaches 5.50% of the outstanding Bonds unless otherwise stipulated in the applicable Trust Indenture. Once the Additional Interest Reserve is funded in full, the City may allocate the Additional Interest Component of the Annual Installments as provided in the applicable Trust Indenture. No Additional Interest will be collected on any portion of an Assessment which secures a reimbursement obligation and not a series of Bonds.

(remainder of this page is intentionally left blank)

VI. TERMS OF THE ASSESSMENTS

A. AMOUNT OF ASSESSMENTS AND ANNUAL INSTALLMENTS FOR PARCELS LOCATED WITHIN THE MAJOR IMPROVEMENT AREA

The Assessment and Annual Installments for each Assessed Property located within the Major Improvement Area are shown on the Major Improvement Area Assessment Roll, attached as Appendix G, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Annual Installments shall be collected from the Major Improvement Area Assessed Property in an amount sufficient to pay (i) principal of and interest on the Major Improvement Area Bonds, (ii) to fund the Additional Interest Reserve described in Section V, and (iii) to pay Administrative Expenses related to the PID. The Annual Installment for each Parcel in the Major Improvement Area shall be calculated by taking into consideration any available capitalized interest applicable to the Parcel.

B. AMOUNT OF ASSESSMENTS AND ANNUAL INSTALLMENTS FOR PARCELS LOCATED WITHIN IMPROVEMENT AREA #1

The Assessment and Annual Installments for each Improvement Area #1 Assessed Property located within Improvement Area #1 is shown on the Improvement Area #1 Assessment Roll, attached as Appendix H, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Annual Installments shall be collected from the Improvement Area #1 Assessed Property in an amount sufficient to pay (i) principal of and interest on the Improvement Area #1 Bonds, (ii) principal and interest on the Improvement Area #1 Reimbursement Agreement (iii) to fund the Additional Interest Reserve (with respect to the portion of the assessment securing the Improvement Area #1 Bonds) described in Section V, and (iv) to pay Administrative Expenses related to the PID. The Annual Installment for each Parcel in the Improvement Area #1 shall be calculated by taking into consideration any available capitalized interest applicable to the Parcel.

C. AMOUNT OF ASSESSMENTS AND ANNUAL INSTALLMENTS FOR PARCELS LOCATED WITHIN FUTURE IMPROVEMENT AREAS

As Future Improvement Areas are developed, this Service and Assessment Plan will be amended to determine the Assessment and Annual Installments for each Assessed Property located within Future Improvement Areas (e.g., an Appendix will be added as the Assessment Roll for Improvement Area #2, etc.). The Assessments shall not exceed the benefit received by the Assessed Property.

(remainder of this page is intentionally left blank)

D. REALLOCATION OF ASSESSMENTS

1. Subdivision

Upon the subdivision of any Parcel, the Assessment for the Parcel prior to the subdivision shall be reallocated among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

- A = the Assessment for each new subdivided Parcel
- B = the Assessment for the Parcel prior to subdivision
- C = the estimated number of Equivalent Units to be built on each new subdivided Parcel
- D = the sum of the estimated number of Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of Equivalent Units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of Equivalent Units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

The sum of the Assessments for all newly subdivided Parcels shall equal the Assessment for the Parcel prior to subdivision. The calculation shall be made separately for each newly subdivided Parcel. The reallocation of an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the subdivision of the Parcels. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

2. Consolidation

Upon the consolidation of two or more Parcels, the Assessment for the consolidated Parcel shall be the sum of the Assessments for the Parcels prior to consolidation. The reallocation of an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the consolidation of the Parcels. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

E. MANDATORY PREPAYMENT OF ASSESSMENTS

1. If a Parcel subject to Assessments is transferred to a party that is exempt from the payment of the Assessment under applicable law, or if an owner causes a Parcel subject to Assessments to become Non-Benefited Property, the owner of such Parcel shall pay to the City the full amount of the principal portion of the Assessment on such Parcel, plus all Prepayment Costs, prior to any such transfer or act.

2. If at any time the Assessment per Equivalent Unit on a Parcel exceeds the applicable Improvement Area #1 Maximum Assessment Per Equivalent Unit calculated in this Service and Assessment Plan as a result of any changes in land use, subdivision, consolidation or reallocation of the Assessment authorized by this Service and Assessment Plan and initiated by the owner of the Parcel, then such owner shall pay to the City prior to the recordation of the document subdividing the Parcel the amount calculated by the Administrator by which the Assessment per Unit for the Parcel exceeds the applicable Improvement Area #1 Maximum Assessment per Unit calculated in this Service and Assessment Plan.
3. The payments required above shall be treated the same as any Assessment that is due and owing under the PID Act, the Assessment Ordinance, and this Service and Assessment Plan, including the same lien priority, penalties, procedures, and foreclosure specified by the PID Act.

F. REDUCTION OF ASSESSMENTS

1. If after all Authorized Improvements to be funded with a series of Bonds and/or reimbursement agreement have been completed and Actual Costs for such Authorized Improvements are less than the Actual Costs or Budgeted Costs of the Authorized Improvements used to calculate the Assessments securing such series of Bonds and/or related reimbursement agreement, resulting in excess Bond proceeds being available to redeem Bonds and/or reduce obligations under a reimbursement agreement, as the case may be, and such excess proceeds shall be applied to redeem Bonds and/or the obligations under a reimbursement agreement may be reduced as provided in the Trust Indenture or the terms of the reimbursement agreement, then the Assessment securing such series of Bonds and/or related reimbursement agreement for each Parcel of Assessed Property shall be reduced by the City Council pro rata such that the sum of the resulting reduced Assessments for all Assessed Properties equals the reduced Actual Costs. The Assessments shall not be reduced to an amount less than the related outstanding series of Bonds and/or amounts due under a related reimbursement agreement. If all of the Authorized Improvements are not completed, the City may reduce the Assessments in another method if it determines such method would better reflect the benefit received by the Parcels from the Authorized Improvements completed.
2. If all the Authorized Improvements are not undertaken, resulting in excess Bonds proceeds being available to redeem Bonds and/or a need to reduce the obligations under a reimbursement agreement, and such excess proceeds shall be applied to redeem Bonds and/or reduce obligations under a reimbursement agreement, as the case may be, as provided in the Trust Indenture or the terms of the reimbursement agreement, then the Assessments and Annual Installments for each Parcel shall be appropriately reduced by the City Council to reflect only the amounts required to repay the Bonds and/or repay obligations under a reimbursement agreement, including interest on the Bonds (including Additional Interest) and/or interest due under a reimbursement agreement and Administrative Expenses. The City Council may reduce the Assessments and the Annual Installments for each Parcel (i) in an amount that represents the Authorized Improvements provided for each Parcel or (ii) by an equal percentage calculated based on number of Equivalent Units, if determined by the City Council to be the most fair and practical means of reducing the Assessments for each Parcel, such that the sum of the resulting reduced Assessments equals the amount required to repay the Bonds and/or repay the

obligations under a reimbursement agreement, including interest thereon and Administrative Expenses. The principal portion of the Assessment for each Parcel shall be reduced pro rata to the reduction in the Assessments for each Parcel such that the sum of the resulting reduced principal portion of the Bonds and/or obligations under a reimbursement agreement is equal to the outstanding principal amount of the Bonds and/or reimbursement agreement.

G. PAYMENT OF ASSESSMENTS

1. Payment in Full

- (a) The Assessment for any Parcel may be paid in full at any time. Such payment shall include all Prepayment Costs. If prepayment in full will result in redemption of Bonds, the payment amount shall be reduced by the amount, if any, of interest through the date of redemption of Bonds and reserve funds applied to the redemption under the Trust Indenture, net of any other costs applicable to the redemption of Bonds.
- (b) If an Annual Installment has been billed prior to payment in full of an Assessment, the Annual Installment shall be due and payable and shall be credited against the payment-in-full amount.
- (c) Upon payment in full of the Assessment and all Prepayment Costs, the City shall deposit the payment in accordance with the Trust Indenture; whereupon, the Assessment shall be reduced to zero, and the owner's obligation to pay the Assessment and Annual Installments thereof shall automatically terminate.
- (d) At the option of the owner, the Assessment on any Parcel plus Prepayment Costs may be paid in part in an amount sufficient to allow for a convenient redemption of Bonds as determined by the Administrator. Upon the payment of such amounts for a Parcel, the Assessment for the Parcel shall be reduced, the Assessment Roll shall be updated to reflect such partial payment, and the obligation to pay the Annual Installment for such Parcel shall be reduced to the extent the partial payment is made.

2. Payment in Annual Installments

The PID Act provides that an Assessment for a Parcel may be paid in full at any time. If not paid in full, the PID Act authorizes the Assessment to be paid in installments and additionally allows the City to collect interest, administrative expenses and other authorized charges in installments. An Assessment for a Parcel that is not paid in full will be collected in Annual Installments each year in the amounts shown on the Assessment Roll, as updated as provided for herein, which include interest, Administrative Expenses, and payments required for the Additional Interest Reserve (if applicable). Payment of the Annual Installments shall commence with tax bills mailed after the initial issuance of Bonds.

Each Assessment for the Major Improvement Area Assessed Property shall be paid with an interest rate not more than the actual interest rate paid on the Major Improvement Area Bonds. The Major Improvement Area Assessment Roll sets forth for each year the Annual Installment for each Parcel within the Major Improvement Area based on an estimated interest rate of 7.25% and Additional Interest at the rate of 0.5% for the Additional Interest Reserve. Furthermore, the Annual Installments

related to the Major Improvement Area Bonds may not exceed the amounts shown on the Major Improvement Area Assessment Roll. The Major Improvement Area Assessment Roll is shown as Appendix G.

Each Assessment for the Improvement Area #1 Assessed Property shall be paid with an interest rate of not more than the actual interest rates paid on the Improvement Area #1 Bonds and the Improvement Area #1 Reimbursement Agreement, respectively. Interest on the Improvement Area #1 Bonds is based on an estimated interest rate of 6.50% and Additional Interest at the rate of 0.5% for the Additional Interest Reserve. Interest on the Improvement Area #1 Reimbursement Agreement shall be paid based on an estimated interest rate of 5.65% per annum for years 1 through 5 and 5.65% per annum following the fifth Annual Installment. The interest on the Improvement Area #1 Reimbursement Agreement shall be paid at a rate not to exceed five hundred basis points (5.00%) above the highest average index rate for tax-exempt bond reported in a daily or weekly bond index approved by the City and reported in the month prior to the establishment of the Assessments and continuing for a period of five years from such date. Such rate shall then adjust and shall not exceed two hundred basis points (2.00%) above the bond index rate described above and shall continue until the Assessments are paid in full. The index approved by the City is the *Bond Buyer Index* for which the highest average rate during the previous thirty days prior to the levy of Assessments was 3.65%. The City has determined that the Improvement Area #1 Reimbursement Agreement shall bear interest at the interest rate of 5.65% per annum for years 1 through 5 and 5.65% per annum following the fifth Annual Installment, which rates are equal to or less than the initial maximum allowable rate of interest of 8.65% for years 1 through 5 and equal to the maximum allowable rate of interest following the fifth Annual Installment, which would be 5.65%. Furthermore, the Annual Installments related to the Improvement Area #1 Bonds and the Improvement Area #1 Reimbursement Agreement may not exceed the amounts shown on the Improvement Area #1 Assessment Roll. The Improvement Area #1 Assessment Roll is shown as Appendix H.

The Annual Installments shall be reduced to equal the actual costs of repaying the Improvement Area #1 Bonds, Major Improvement Area Bonds, and/or Improvement Area #1 Reimbursement Agreement and actual Administrative Expenses (as provided for in the definition of such term), taking into consideration any other available funds for these costs, such as interest income on account balances.

The City reserves and shall have the right and option to refund the Bonds and/or issue additional Bonds in accordance with Section 372.027 of the PID Act. In the event of such refunding, the Administrator shall recalculate the Annual Installments, and if necessary, may adjust, or decrease, the amount of the Annual Installments so that total Annual Installments of Assessments will be produced in annual amounts that are required to pay the refunding bonds when due and payable as required by and established in the Trust Indenture authorizing and securing the refunding bonds, and such refunding bonds shall constitute Bonds for purposes of this Service and Assessment Plan.

H. COLLECTION OF ANNUAL INSTALLMENTS

No less frequently than annually, the Administrator shall prepare, and the City Council shall consider, an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include updated Assessment Rolls and a

calculation of the Annual Installment for each Parcel. Administrative Expenses shall be allocated among Parcels in proportion to the amount of the Annual Installments for the Parcels. Each Annual Installment shall be reduced by any credits applied under the applicable Trust Indenture, such as capitalized interest, interest earnings on any account balances, and any other funds available to the Trustee for such purpose, including any existing deposits for a prepayment reserve. Annual Installments shall be collected by the City in the same manner and at the same time as ad valorem taxes and shall be subject to the same penalties, procedures, and foreclosure sale in case of delinquencies as are provided for ad valorem taxes of the City. The City Council may provide for other means of collecting the Annual Installments to the extent permitted under the PID Act. The Assessments shall have lien priority as specified in the PID Act.

Any sale of property for nonpayment of the Annual Installments shall be subject to the lien established for the remaining unpaid Annual Installments against such property and such property may again be sold at a judicial foreclosure sale if the purchaser thereof fails to make timely payment of the non-delinquent Annual Installments against such property as they become due and payable.

Each Annual Installment, including the interest on the unpaid amount of an Assessment, shall be calculated as of September 1 and updated annually. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of the following year. The initial Annual Installments relating to the Improvement Area #1 Bonds, Improvement Area #1 Reimbursement Agreement, and Major Improvement Area Bonds will be due when billed and will be delinquent if not paid prior to February 1, 2024 (subject to any offsets from capitalized interest and any other available funds).

I. SURPLUS FUNDS REMAINING IN THE MAJOR IMPROVEMENT AREA BOND ACCOUNT

If proceeds from the Major Improvement Area Bonds still remain after all of the Major Improvement Area Projects are constructed and accepted by the City, the proceeds may be utilized in accordance with the applicable Trust Indenture.

J. SURPLUS FUNDS REMAINING IN THE IMPROVEMENT AREA # 1 BOND ACCOUNT

If proceeds from the Improvement Area #1 Bonds remain after all of the Improvement Area #1 Projects are constructed and accepted by the City, the proceeds may be utilized in accordance with the applicable Trust Indenture.

(remainder of this page is intentionally left blank)

VII. THE ASSESSMENT ROLL

A. MAJOR IMPROVEMENT AREA ASSESSMENT ROLL

The City Council has evaluated each Parcel within the Major Improvement Area (based on numerous factors such as the applicable zoning for developable area, the use of proposed Homeowner Association Property, the Public Property, the types of public improvements, and other development factors deemed relevant by the City Council) to determine the amount of Assessed Property within the Major Improvement Area.

The Major Improvement Area Assessed Property has been assessed for the special benefits conferred upon the property resulting from the Major Improvement Area Projects. Table VII-A summarizes the \$7,310,000 in special benefit received by the Major Improvement Area Assessed Property from the Major Improvement Area Projects, a portion of the costs of the PID formation, and the Major Improvement Area Bond issuance costs. The par amount of the Major Improvement Area Bonds is \$7,310,000, which is less than or equal to the benefit received by the Major Improvement Area Assessed Property. Accordingly, the total Assessment to be applied to all the Major Improvement Area Assessed Property is \$7,310,000 plus annual Administrative Expenses. The Assessment for the Major Improvement Area Assessed Property is calculated based on the allocation methodologies described in Section V.D. The Major Improvement Area Assessment Roll is attached hereto as Appendix G.

Table VII-A
Major Improvement Area
Special Benefit Summary

Special Benefit	Total Cost
Major Improvement Area Projects ¹	\$5,135,063
<u>Estimated PID Formation/Bond Costs of Issuance:</u>	
Cost of issuance	\$437,700
Capitalized interest	\$794,963
Reserve fund	\$622,975
Administrative Expense	\$100,000
Underwriters discount	\$219,300
<i>Subtotal</i>	\$2,174,937
Total Special Benefit	\$7,310,000
<u>Special Benefit:</u>	
Total Special Benefit	\$7,310,000
Projected Special Assessment	\$7,310,000
Excess Benefit	\$0

¹See Table III-A for details.

B. IMPROVEMENT AREA #1 ASSESSMENT ROLL

The City Council has evaluated each Parcel in Improvement Area #1 (based on numerous factors such as the applicable zoning for developable area, the use of proposed Homeowner Association Property, the Public Property, the types of public improvements, and other development factors deemed relevant by the City Council) to determine the amount of Assessed Property within the Improvement Area #1.

The Improvement Area #1 Assessed Property will be assessed for the special benefits conferred upon the property resulting from the Improvement Area #1 Projects. Table VII-B summarizes the \$18,159,596 in special benefit received by the Improvement Area #1 Assessed Property from the Improvement Area #1 Projects, the costs of the PID formation, and the Improvement Area #1 Bond issuance costs. The par amount of the Improvement Area #1 Bonds and Improvement Area #1 Reimbursement Agreement is \$14,950,000, which is less than or equal to the benefit received by the Improvement Area #1 Assessed Property. Accordingly, the total Assessment to be applied to all the Improvement Area #1 Assessed Property is \$14,950,000 plus, interest, Additional Interest, and annual Administrative Expenses. The Assessment for each Improvement Area #1 Assessed Property is calculated based on the allocation methodologies described in Section V.D. The Improvement Area #1 Assessment Roll is attached hereto as Appendix H.

Table VII-B
Improvement Area #1
Special Benefit Summary

Special Benefit	Total Cost
Improvement Area #1 Projects ¹	\$14,897,091
<u>Estimated PID Formation/Bond Costs of Issuance:</u>	
Cost of issuance	\$720,600
Capitalized interest	\$1,170,975
Reserve fund	\$960,630
Administrative Expense	\$50,000
Underwriter's discount	\$360,300
<i>Subtotal</i>	\$3,262,505
Total Special Benefit	\$18,159,596
<u>Special Benefit:</u>	
Total Special Benefit	\$18,159,596
Projected Assessment	\$14,950,000
Excess Benefit	\$3,209,596

¹See Table III-B for details.

C. FUTURE IMPROVEMENT AREAS ASSESSMENT ROLLS

As Future Improvement Areas are developed, this Service and Assessment Plan will be amended to determine the Assessment for each Parcel or Lot located within such Future Improvement Areas (e.g. an appendix will be added as the Assessment Roll for Future Improvement Areas).

D. ANNUAL ASSESSMENT ROLL UPDATES

The Administrator shall prepare, and shall submit to the City Council for approval, annual updates to the Improvement Area #1 Assessment Roll and the Major Improvement Area Assessment Roll in conjunction with the Annual Service Plan Update to reflect the following matters, together with any other changes helpful to the Administrator or the City and permitted by the PID Act: (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.G of this Service and Assessment Plan.

Once Bonds are issued, the Assessment Rolls shall be updated, which update may be done in the next Annual Service Plan Update, to reflect any changes resulting from the issuance of the Bonds and/or approval of a reimbursement agreement. This update shall reflect the actual interest on the Bonds and/or due under a related reimbursement agreement on which the Annual Installments shall be paid, any reduction in the Assessments, and any revisions in the Actual Costs to be funded by the Bonds and Developer funds.

(remainder of this page is intentionally left blank)

VIII. MISCELLANEOUS PROVISIONS

A. ADMINISTRATIVE REVIEW

The City may elect to designate a third party to serve as Administrator. The City shall notify the Developer in writing at least thirty (30) days in advance before appointing a third-party Administrator.

To the extent consistent with the PID Act, an owner of an Assessed Parcel claiming that a calculation error has been made in the Assessment Roll(s), including the calculation of the Annual Installment, shall send a written notice describing the error to the City not later than thirty (30) days after the date any amount which is alleged to be incorrect is due prior to seeking any other remedy. The Administrator shall promptly review the notice, and if necessary, meet with the Assessed Parcel owner, consider written and oral evidence regarding the alleged error and decide whether, in fact, such a calculation error occurred.

If the Administrator determines that a calculation error has been made and the applicable Assessment Roll should be modified or changed in favor of the Assessed Parcel owner, such change or modification shall be presented to the City Council for approval to the extent permitted by the PID Act. A cash refund may not be made for any amount previously paid by the Assessed Parcel owner (except for the final year during which the Annual Installment shall be collected or if it is determined there are sufficient funds to meet the expenses of the PID for the current year), but an adjustment may be made in the amount of the Annual Installment to be paid in the following year. The decision of the Administrator regarding a calculation error relating to an Assessment Roll may be appealed to the City Council. Any amendments made to the Assessment Roll(s) pursuant to calculation errors shall be made pursuant to the PID Act.

The decision of the Administrator, or if such decision is appealed to the City Council, the decision of the City Council shall be conclusive as long as there is a reasonable basis for such determination. This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to any other appeal or legal action by such owner.

B. TERMINATION OF ASSESSMENTS

Each Assessment shall be extinguished on the date the Assessment is paid in full, including unpaid Annual Installments and Delinquent Collection Costs, if any. After the extinguishment of an Assessment and the collection of any delinquent Annual Installments and Delinquent Collection Costs, the City shall provide the owner of the affected Parcel a recordable "Notice of the PID Assessment Termination".

C. AMENDMENTS

Amendments to the Service and Assessment Plan can be made as permitted or required by the PID Act and under Texas law.

The City Council reserves the right to the extent permitted by the PID Act to amend this Service and Assessment Plan without notice under the PID Act and without notice to property owners of Parcels: (i) to correct mistakes and clerical errors; (ii) to clarify ambiguities; and (iii) to provide procedures for the collection and enforcement of Assessments, Prepayment Costs, collection costs, and other charges imposed by the Service and Assessment Plan.

D. ADMINISTRATION AND INTERPRETATION OF PROVISIONS

The City Council shall administer the PID, this Service and Assessment Plan, and all Annual Service Plan Updates consistent with the PID Act and shall make all interpretations and determinations related to the application of this Service and Assessment Plan unless stated otherwise herein or in the Trust Indenture, such determination shall be conclusive. Tables in this Service and Assessment Plan may be rounded to the nearest whole number.

E. SEVERABILITY

If any provision, section, subsection, sentence, clause or phrase of this Service and Assessment Plan or the application of same to an assessed Parcel or any person or set of circumstances is for any reason held to be unconstitutional, void or invalid, the validity of the remaining portions of this Service and Assessment Plan or the application to other persons or sets of circumstances shall not be affected thereby, it being the intent of the City Council in adopting this Service and Assessment Plan that no part hereof or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness or invalidity of any other part hereof, and all provisions of this Service and Assessment Plan are declared to be severable for that purpose.

If any provision of this Service and Assessment Plan is determined by a court to be unenforceable, the unenforceable provision shall be deleted from this Service and Assessment Plan and the unenforceable provision shall, to the extent possible, be rewritten to be enforceable and to give effect to the intent of the City.

3. All "CIRS" are 5/8-inch iron rod with plastic cap stamped "Landpoint" otherwise otherwise noted.
4. This original work is protected under copyright laws, Title 17 United States Code, Sections 101-105, and the "Fair Use" doctrine, as applicable to the fullest extent of the law. This survey is being provided solely for the use of the recipients named and no license has been created, express or implied, to copy the survey except as is necessary in order to make a copy of the survey for the recipient. The recipient shall place within thirty (30) days from the date adjacent to the signature line herein.
5. Flood Statement: This site is situated in non-shaded "X4" in the City of Cevallos, Collin County, Texas according to FEMA map number 48085004140, dated June 2, 2009. The property is not in a flood zone. The property is not in a flood zone and will not be free from flooding or flood damage. This determination has been made by scaling the property on the referenced map and is not the result of an elevation survey. This flood zone determination is not a warranty of the surveyor.
6. Selling a portion of this addition by metes and bounds is a violation of town ordinances and State law and is subject to fines and withholding of utilities and building permits.
7. The undersigned does hereby covenant and agree that he or she or they shall maintain the portion of the Landpoint easement, as shown on the survey, in accordance with the City of Cevallos's public standards for fire lines and that he or she or they shall not use the portion of the Landpoint easement for any purpose other than for fire access and access across said premises, with the right and privilege at all times of the City of Cevallos, its agents, employees, or representatives having ingress, egress, and regress, in and along upon and across said premises.
8. The undersigned does hereby covenant and agree that the access easement may be utilized by any member of the general public for ingress and egress to public vehicular and pedestrian ways, and that the City of Cevallos may use the portion of the Landpoint easement and access across said premises, with the right and privilege at all times of the City of Cevallos, its agents, employees, or representatives having ingress, egress, and regress, in and along upon and across said premises.
9. Ownership and maintenance of all open space "X" lots shall be the responsibility of the Home Owner's Association (HOA).
10. The Home Owner's Association (HOA) shall be solely responsible for the maintenance of the storm water detention system and storm drainage system in common area lots. The HOA shall further hold the City of Cevallos harmless from any damages to persons, to the City of Cevallos, or to the property of the City of Cevallos, or to the property of any person, arising hereunder shall not create an affirmative duty to the City to repair, maintain, or correct any condition that exists on or adjacent to the natural flow of storm water runoff including but not limited to storm water overflow, bank erosion and sloughing, loss of vegetation and trees, bank subsidence and interference with structures, the City retains the right to enter upon these easements for public purposes.
11. There is a 7.5 foot wide Utility Easement dedicated along all residential lots.
12. There is a 1.0 foot wide Sidewalk Easement dedicated outside of residential Lots.
13. See sheet 3 of 3 for line and curve table.
14. See sheet 3 of 3 for lot area table.

- GENERAL NOTES
- The surveyor has not abstracted the site. This survey was performed without benefit of title commitment and does not show all easements and encumbrances of record.
 - Bearing based on Texas State Plane Coordinates, North Central Zone, 4202, NAD83-US Survey feet, derived from GPS observations.
 - All "CIRS" are 5/8-inch iron rod with plastic cap stamped "Landpoint" unless otherwise noted.
 - This original work is protected under copyright laws, Title 17 United States Code Sections 101 and 102. All violators will be prosecuted to the fullest extent of the law. This survey is being prepared solely for the use of the recipients named and no license has been created, express or implied, to copy the survey except as is necessary in conjunction with the original transaction, which shall take place within thirty (30) days from the date adjacent to the signature line herein.
 - Flood Statement: This site is situated in Non-shaded Zone "X" in the City of Celina, Collin County, Texas according to FEMA map number 48055C0140J, dated JUNE 2, 2009. Warning: This statement does not imply that the property and/or the structures thereon will be free from flooding or flood damage. This determination has been made by scaling the property on the referenced map and is not the result of an elevation survey. This flood statement shall not create liability on the part of the surveyor.
 - Selling a portion of this addition by metes and bounds is a violation of town ordinance and State law and is subject to fines and withholding of utilities and building permits.
 - The undersigned does hereby covenant and agree that he or she or they shall construct upon the Fire Lane Easements, as dedicated as shown hereon, a hard surface in accordance with the City of Celina's paving standards for Fire Lane, and that he or she or they shall maintain the same in a state of good repair at all times and keep the same free and clear of any structures, fences, trees, shrubs, or other improvements or obstruction, including but not limited to the parking of motor vehicles, trailers, boats or other impediments to the accessibility of fire apparatuses. The maintenance of paving on the Fire Lane Easements is the responsibility of the owner, and the owner shall post and maintain appropriate signs in conspicuous places along such fire lanes, stating "FIRE LANE, NO PARKING". The local law enforcement agency(s) is hereby authorized to enforce parking regulations within the fire lanes, and to cause such fire lanes and utility easements to be maintained free and unobstructed at all times for fire department and emergency use.
 - The undersigned does hereby covenant and agree that the access easement may be utilized by any person at the general public for ingress and egress to public vehicular and pedestrian use and access, and for fire department and emergency use in, along, upon and across said premises, with the right and privilege at all times of the City of Celina, its agents, employees, workmen and representatives having ingress, egress, and regress in, along, upon and across said premises.
 - Ownership and maintenance of all open space "X" lots shall be the responsibility of the Home Owner's Association (HOA).
 - The Home Owner's Association (HOA) shall be solely responsible for the maintenance of the storm water detention system and storm drainage system in common area lots. The HOA shall further hold the City of Celina harmless from any damages to persons, to the owner's lot or any lot arising from such maintenance responsibility. The detention easement shown hereunder shall not create any affirmative duty to the City to repair, maintain, or correct any condition that exists or occurs due to the natural flow of storm water runoff including but not limited to, storm water overflow, bank erosion and sloughing, loss of vegetation and trees, bank subsidence and interference with structures, the City retains the right to enter upon these easements for public purposes.
 - There is a 7.5 foot wide Utility Easement dedicated along all residential Lots.
 - There is a 1.0 foot wide Sidewalk Easement dedicated outside of residential Lots.
 - See sheet 3 of 3 for line and curve table.
 - See sheet 3 of 3 for lot area table.

OWNER'S DEDICATION

STATE OF TEXAS §
COUNTY OF COLLIN §

WHEREAS, CCD – TEN MILE CREEK, LLC, is the owner of that certain 69.354 acre tract or parcel of land situated in the C. Watson Survey, Abstract No. 945, and the Levin Routh Survey, Abstract No. 779, Collin County, Texas, being a part of a called 134.67 acre tract of land described in the deed to CCD – TEN MILE CREEK, LLC, recorded in Instrument No. 20211117002353400, Official Public Records of Collin County, Texas and being more particularly described by metes and bounds and follows:

BEGINNING at a 1/2–inch iron rod found for the Southern Most Southwest corner of said 55.348 acre tract, and the Southeast corner of a called 4.043 acre tract of land, conveyed to ETS Celina LLC, recorded in Instrument No. 20210506000918620, Official Public Records of Collin County, Texas;

THENCE North 00° 18' 15" West, along the east line of said 4.043 acre tract, a distance of 65.43 feet to a point for corner;

THENCE severing said 134.67 acre tract of land, the following Fourteen (14) courses and distances:

1. North 89° 45' 21" East, a distance of 2442.20 feet to a point for corner;
2. North 44° 45' 21" East, a distance of 35.36 feet to a point for corner;
3. North 00° 14' 39" West, a distance of 185.00 feet to a point for corner;
4. South 89° 45' 21" West, a distance of 102.50 feet to a point for corner;
5. North 00° 14' 39" West, a distance of 18.27 feet to the beginning of a curve to the left;
6. Along said curve to the left, with an arc length of 799.96 feet, a central angle of 76° 23' 27", a radius of 600.00 feet and a chord that bears North 38° 26' 22" West, a distance of 742.01 feet;
7. North 76° 38' 06" West, a distance of 436.03 feet to the beginning of a curve to the right;
8. Along said curve to the right, with an arc length of 305.58 feet, a central angle of 29° 10' 52", a radius of 600.00 feet and a chord that bears North 62° 02' 40" West, a distance of 302.29 feet to a point at the end of said curve;
9. South 57° 54' 30" West, a distance of 127.48 feet to the beginning of a non–tangential curve to the left;
10. Along said curve to the left, with an arc length of 113.68 feet, a central angle of 130° 15' 53", a radius of 50.00 feet and a chord that bears North 80° 18' 23" West, a distance of 90.73 feet to a point at the end of said curve;
11. South 64° 35' 18" West, a distance of 66.00 feet to a point for corner;
12. North 23° 28' 53" West, a distance of 120.00 feet to a point for corner;
13. North 03° 28' 53" West, a distance of 130.00 feet to a point for corner;
14. North 17° 38' 29" West, a distance of 198.01 feet to a 1/2–inch iron rod with yellow cap stamped "CBG" found for corner, same being the South line of a called 13.49 acre tract of land, conveyed to CCD–Ten Mile Creek, LLC, recorded in Instrument No. 20211117002353380, O.P.R.C.C.T.;

THENCE with the common line of said 134.67 acre tract and said 13.49 acre tract, the following Six (6) courses and distances:

1. North 73° 09' 24" East, a distance of 262.85 feet to a 1/2–inch iron rod with yellow cap stamped "CBG" found for corner;
2. South 88° 26' 44" East, a distance of 118.46 feet to a 1/2–inch iron rod with yellow cap stamped "CBG" found for corner;
3. North 00° 01' 30" West, a distance of 106.17 feet to a 1/2–inch iron rod with yellow cap stamped "CBG" found for corner;
4. North 71° 15' 29" East, a distance of 299.47 feet to a 1/2–inch iron rod with yellow cap stamped "CBG" found for corner;
5. North 11° 00' 41" West, a distance of 36.60 feet to a 1/2–inch iron rod with yellow cap stamped "CBG" found for corner;
6. North 78° 59' 19" East, a distance of 100.00 feet to a 1/2–inch iron rod with yellow cap stamped "CBG" found for corner;

THENCE North 11° 07' 11" West, with the common line of said 13.49 acre tract and said 134.67 acre tract, a distance of 62.58 feet to a 1/2–inch iron rod with yellow cap stamped "CBG" found for corner, same being the Southwest corner of a called 10.90 acre tract of land, described as Tract 2, conveyed to Prime Outer Loop LP, recorded in Instrument No. 20211119002369200;

THENCE with the common line of said 134.67 acre tract of land and said 10.90 acre tract, the following Ten (10) courses and distances:

1. North 78° 20' 33" East, a distance of 138.98 feet to a point for corner;
2. North 45° 22' 22" East, a distance of 16.30 feet to a point for corner;
3. North 12° 27' 20" East, a distance of 133.05 feet to a point for corner;
4. North 21° 34' 05" East, a distance of 207.75 feet to a point for corner;
5. North 56° 08' 30" East, a distance of 28.38 feet to a point for corner;
6. South 89° 16' 29" East, a distance of 230.43 feet to a point for corner;
7. South 75° 57' 52" East, a distance of 91.11 feet to a point for corner;
8. South 35° 03' 53" East, a distance of 52.50 feet to a point for corner;
9. South 01° 33' 01" West, a distance of 91.49 feet to a point for corner;
10. South 02° 48' 59" East, a distance of 292.23 feet to the beginning of a non–tangential curve to the right, from which a 1/2–inch iron rod with yellow cap stamped "CBG" found for a corner of said 10.90 acre tract bears South 01° 28' 56" East, a distance of 4.89 feet;

THENCE severing said 134.67 acre tract of land, the following Sixteen (16) courses and distances:

1. Along said curve to the right, with an arc length of 78.98 feet, a central angle of 08° 37' 12", a radius of 525.00 feet and a chord that bears North 73° 50' 04" East, a distance of 78.91 feet;
2. North 78° 08' 40" East, a distance of 57.57 feet to the beginning of a curve to the left;
3. Along said curve to the left, with an arc length of 34.24 feet, a central angle of 14° 06' 42", a radius of 139.00 feet and a chord that bears North 71° 05' 19" East, a distance of 34.15 feet;
4. North 64° 01' 58" East, a distance of 34.64 feet to the beginning of a curve to the right;
5. Along said curve to the right, with an arc length of 39.65 feet, a central angle of 14° 06' 42", a radius of 161.00 feet and a chord that bears North 71° 05' 19" East, a distance of 39.55 feet;
6. North 78° 08' 40" East, a distance of 95.86 feet to a point for corner;
7. North 33° 31' 30" East, a distance of 35.59 feet to the beginning of a non–tangential curve to the right;
8. Along said curve to the left, with an arc length of 44.80 feet, a central angle of 02° 32' 29", a radius of 1010.00 feet and a chord that bears South 11° 39' 21" East, a distance of 44.80 feet to the beginning of a non–tangential curve to the left;
9. Along said curve to the left, with an arc length of 677.82 feet, a central angle of 38° 50' 09", a radius of 1000.00 feet and a chord that bears South 29° 58' 22" East, a distance of 664.91 feet;
10. South 49° 23' 26" East, a distance of 294.14 feet to the beginning of a curve to the right;
11. Along said curve to the right, with an arc length of 771.99 feet, a central angle of 49° 08' 48", a radius of 900.00 feet and a chord that bears South 24° 49' 03" East, a distance of 748.54 feet;
12. South 00° 14' 39" East, a distance of 50.00 feet to a point for corner;
13. South 01° 39' 54" West, a distance of 150.08 feet to a point for corner;
14. South 00° 14' 39" East, a distance of 110.00 feet to a point for corner;
15. South 44° 45' 21" West, a distance of 56.57 feet to a point for corner;
16. North 89° 45' 21" East, a distance of 177.45 feet to a point for corner and the Southwest line of a called 4.25 acre tract, conveyed to Celina Outerloop LP, recorded in Instrument No. 20211119002368170 (O.P.R.C.C.T.)

THENCE over and across said 4.25 acre tract of land, the following Two (2) courses and distances:

1. North 89° 45' 21" East, a distance of 172.55 feet to a point for corner;
2. South 86° 25' 48" East, a distance of 113.84 feet to the East line of said 4.25 acre tract, and the west line of a called 40.279 acre tract, conveyed to G & N Estates, LLC, recorded in Instrument No. 20070315000356600 (O.P.R.C.C.T.), from which a 1/2–inch iron rod with yellow cap stamped "CBG" found at the Southeast corner of said 4.25 acre tract bears South 11° 06' 41" East, a distance of 3.37 feet;
- THENCE South 00° 33' 25" East, along the southerly east line of said 134.67 acre tract, and the West line of said 40.279 acre tract, a distance of 63.77 feet to a 5/8–inch iron rod found for corner;
- THENCE South 89° 41' 44" West, along the south line of said 134.67 acre tract, a distance of 3884.57 feet to the POINT OF BEGINNING and containing 69.354 acres of land.

CERTIFICATE OF APPROVAL

Approved this _____ day of _____, 20 _____ by _____ of the Planning & Zoning Commission of the Town of Prosper, Texas.

APPENDIX C
LEGAL DESCRIPTIONS

LEGAL DESCRIPTION: Metes and Bounds: Ten Mile Creek PID

BEING ALL OF THAT CERTAIN TRACT OR PARCEL OF LAND COMPRISED OF FOUR TRACTS OF LAND OUT OF THE LEVIN ROUTH SURVEY, ABSTRACT NO. 779, COLLIN COUNTY, TEXAS, TRACT ONE BEING ALL OF THAT CERTAIN CALLED 22.29 ACRE TRACT OF LAND DESCRIBED BY DEED TO CELINA OUTER LOOP OWNER MF SOUTH LLC, RECORDED IN INSTRUMENT NO. 20211118002365750, OFFICIAL PUBLIC RECORDS, COLLIN COUNTY, TEXAS (O.P.R.C.C.T.), TRACT TWO BEING ALL OF THAT CERTAIN CALLED 13.49 ACRE TRACT OF LAND DESCRIBED BY DEED TO CCD – TEN MILE CREEK, LLC, RECORDED IN INSTRUMENT NO. 20211117002353380, O.P.R.C.C.T., TRACT THREE BEING A PORTION OF THAT CERTAIN CALLED 134.67 ACRE TRACT OF LAND DESCRIBED BY DEED TO CCD – TEN MILE CREEK, LLC, RECORDED IN INSTRUMENT NO. 20211117002353400, O.P.R.C.C.T., AND TRACT FOUR BEING ALL OF THAT CERTAIN CALLED 20.03 ACRE TRACT OF LAND DESCRIBED BY DEED TO CCD – COIT LAND, LLC, RECORDED IN INSTRUMENT NO. 20211117002353390, O.P.R.C.C.T., AND BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS AS FOLLOWS:

BEGINNING at an iron rod with cap found at an angle point in the northerly line of said 22.29 acre tract of land and being the Northwest corner of that certain called 7.92 acre tract of land described as Tract 1 by deed to Prime Outer Loop LP, recorded in Instrument No. 20211119002368200, O.P.R.C.C.T., and being in the southerly right-of-way line of Collin County Outer Loop, as described by deed to Collin County, recorded in Instrument No. 20191003001242980, O.P.R.C.C.T.;

THENCE South 17°13'39" East, a distance of 291.72 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found for the beginning of a curve to the left;

THENCE with said curve to the left, an arc length of 31.47 feet, having a radius of 20.00 feet, a central angle of 90°08'41", and a long chord that bears South 62°17'50" East, a distance of 28.32 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found at the beginning of a curve to the left;

THENCE with said curve to the left, an arc length of 467.91 feet, having a radius of 467.91 feet, a central angle of 04°53'44", and a long chord that bears North 70°11'07" East, a distance of 467.77 feet to a point for corner;

THENCE North 67°55'10" East, a distance of 610.11 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found;

THENCE North 02°32'36" West, a distance of 25.56 feet a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found for the beginning of a curve to the left;

THENCE with said curve to the left, an arc length of 163.36 feet, having a radius of 475.00 feet, a central angle of 19°42'16", and a long chord that bears North 12°23'26" West, a distance of 162.55 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found;

THENCE North 22°14'34" West, a distance of 124.55 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found at the Northeast corner of said 7.92 acre tract of land and being in the southerly right-of-way line of said Collin County Outer Loop;

THENCE North 67°45'26" East, a distance of 50.00 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found at the Northwest corner of that certain called 7.91 acre tract of land described by deed to Pioneer Investments Celina LLC, recorded in Instrument No. 20211119002368190, O.P.R.C.C.T.;

THENCE South 22°14'34" East, a distance of 124.55 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found for the beginning of a curve to the right;

THENCE with said curve to the right, an arc length of 167.67 feet, having a radius of 525.00 feet, a central angle of 18°17'55", and a long chord that bears South 12°23'26" East, a distance of 166.96 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found;

THENCE North 86°22'27" East, a distance of 57.32 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found for the beginning of a curve to the left;

THENCE with said curve to the left, an arc length of 40.27 feet, having a radius of 125.00 feet, a central angle of 18°27'30", and a long chord that bears North 77°08'42" East, a distance of 40.10 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found;

THENCE North 67°55'02" East, a distance of 234.90 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found for the beginning of a curve to the right;

THENCE with said curve to the right, an arc length of 768.03 feet, having a radius of 3,234.98 feet, a central angle of 13°36'10", and a long chord that bears North 72°08'08" East, a distance of 766.23 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found;

THENCE North 10°44'50" West, a distance of 310.82 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found at the Northeast corner of said 7.91 acre tract of land and being in the southerly right-of-way line of said Collin County Outer Loop, and being the beginning of a curve to the right;

THENCE with said curve to the right, an arc length of 50.00 feet, having a radius of 3,544.50 feet, a central angle of 00°48'30", and a long chord that bears North 79°20'13" East, a distance of 50.00 feet to a 1/2-inch iron rod with plastic cap stamped "CBG

SURVEYING" found at the Northwest corner of that certain called 10.90 acre tract of land described as Tract 2 by said deed to Prime Outer Loop LP, recorded in Instrument No. 20211119002368200, O.P.R.C.C.T.;

THENCE South 10°44'50" East, a distance of 310.75 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found;

THENCE North 80°26'36" East, a distance of 70.58 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found for the beginning of a curve to the right;

THENCE with said curve to the right, an arc length of 131.30 feet, having a radius of 50.00 feet, a central angle of 150°27'31", and a long chord that bears South 53°04'33" East, a distance of 96.70 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found;

THENCE North 78°59'19" East, a distance of 89.33 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found;

THENCE South 10°57'57" East, a distance of 149.47 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found;

THENCE North 78°18'50" East, a distance of 139.06 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found;

THENCE North 45°10'30" East, a distance of 16.21 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found;

THENCE North 12°28'41" East, a distance of 133.00 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found;

THENCE North 21°34'05" East, a distance of 207.75 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found;

THENCE North 56°08'30" East, a distance of 28.38 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found;

THENCE South 89°16'29" East, a distance of 230.43 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found;

THENCE South 75°57'52" East, a distance of 91.11 feet to a point for corner;

THENCE South 35°03'53" East, a distance of 52.50 feet to a point for corner;

THENCE South 01°33'01" West, a distance of 91.49 feet to a point for corner;

THENCE South 02°48'59" East, a distance of 297.08 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found for the beginning of a curve to the right;

Attachment: Draft Resolution (Ten Mile Creek PID – Pre-SAP)

THENCE with said curve to the right, an arc length of 112.99 feet, having a radius of 525.00 feet, a central angle of 12°19'52", and a long chord that bears North 75°44'58" East, a distance of 112.77 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found for a point of reverse curve;

THENCE with said reverse curve to the left, an arc length of 45.37 feet, having a radius of 150.00 feet, a central angle of 17°19'48", and a long chord that bears North 73°15'00" East, a distance of 45.20 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found;

THENCE North 64°35'06" East, a distance of 39.01 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found for the beginning of a curve to the right;

THENCE with said curve to the right, an arc length of 36.94 feet, having a radius of 150.00 feet, a central angle of 14°06'36", and a long chord that bears North 71°38'30" East, a distance of 36.85 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found;

THENCE North 78°41'20" East, a distance of 134.18 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found for the beginning of a curve to the right;

THENCE with said curve to the right, an arc length of 160.58 feet, having a radius of 1,000.44 feet, a central angle of 09°11'33", and a long chord that bears North 05°09'58" West, a distance of 160.34 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found;

THENCE North 00°33'29" West, a distance of 60.67 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found;

THENCE North 01°22'09" East, a distance of 150.02 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found;

THENCE North 00°33'13" West, a distance of 153.19 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found at the Northeast corner of said 10.90 acre tract of land and being in the southerly right-of-way line of said Collin County Outer Loop, and being the beginning of a curve to the left;

THENCE with said curve to the left, an arc length of 142.65 feet, having a radius of 14,335.50 feet, a central angle of 00°34'13", and a long chord that bears South 89°18'53" East, a distance of 142.65 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found at the Northwest corner of that certain called 15.00 acre tract of land described by deed to Celina Outerloop LP, recorded in Instrument No. 2021119002368170, O.P.R.C.C.T.;

THENCE South 45°01'58" West, a distance of 59.67 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found;

THENCE South 00°32'28" East, a distance of 109.92 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found;

THENCE South 01°19'36" West, a distance of 150.04 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found;

THENCE South 00°30'21" East, a distance of 59.03 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found for the beginning of a curve to the left;

THENCE with said curve to the left, an arc length of 311.04 feet, having a radius of 898.80 feet, a central angle of 19°49'40", and a long chord that bears South 10°27'03" East, a distance of 309.49 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found at the Southwest corner of said 15.00 acre tract of land and the Northwest corner of said 20.03 acre tract of land;

THENCE North 72°47'41" East, a distance of 340.63 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found;

THENCE North 89°27'05" East, a distance of 806.32 feet to a point for corner for the Southeast corner of said 15.00 acre tract of land and the Northeast corner of said 20.03 acre tract of land;

THENCE South 00°33'25" East, a distance of 1,198.10 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found for the Southeast corner of said 20.03 acre tract of land, and being the Northwest corner of that certain called 4.25 acre tract of land described as Tract 2 by said deed to Celina Outerloop LP, recorded in Instrument No. 2021119002368170, O.P.R.C.C.T.;

THENCE South 89°40'04" West, a distance of 338.04 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found for the Southwest corner of said 20.03 acre tract of land and the Northwest corner of said 4.25 acre tract of land, and being the beginning of a curve to the right;

THENCE with said curve to the right, an arc length of 226.89 feet, having a radius of 1,003.05 feet, a central angle of 12°57'38", and a long chord that bears South 06°49'03" East, a distance of 226.41 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found;

THENCE South 00°18'49" East, a distance of 320.00 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found;

THENCE South 55°27'44" East, a distance of 50.31 feet to a point for corner; **THENCE** South 89°45'21" West, a distance of 350.00 feet to a point for corner; **THENCE** South 85°56'30" West, a distance of 150.33 feet to a point for corner; **THENCE** South 89°45'21" West, a distance of 3,110.70 feet to a point for corner;

THENCE North $00^{\circ}18'15''$ West, a distance of 602.71 feet to a point for corner;

THENCE South $89^{\circ}21'33''$ West, a distance of 636.30 feet to an iron rod found;

THENCE South $89^{\circ}45'07''$ West, a distance of 637.36 feet to an iron rod found at the Southwest corner of said 22.29 acre tract of land;

THENCE North $12^{\circ}18'08''$ West, a distance of 92.39 feet to a point for corner; **THENCE**

North $16^{\circ}58'07''$ West, a distance of 100.00 feet to a point for corner; **THENCE** North

$25^{\circ}35'07''$ West, a distance of 147.00 feet to a point for corner; **THENCE** North

$03^{\circ}35'07''$ West, a distance of 60.00 feet to a point for corner; **THENCE** North $47^{\circ}00'53''$

East, a distance of 189.59 feet to a point for corner; **THENCE** North $00^{\circ}25'07''$ West, a

distance of 181.94 feet to an iron rod found;

THENCE North $00^{\circ}18'12''$ West, a distance of 137.76 feet to a 1/2-inch iron rod with plastic cap stamped "CBG SURVEYING" found at the Northwest corner of said 22.29 acre tract of land and being in the southerly right-of-way line of said Collin County Outer Loop, and being the beginning of a curve to the left;

THENCE with said curve to the left, an arc length of 349.51 feet, having a radius of 5,220.50 feet, a central angle of $03^{\circ}50'09''$, and a long chord that bears North $75^{\circ}03'51''$ East, a distance of 349.45 feet to the **POINT OF BEGINNING** and containing 184.74 acres of land, more or less.

The herein referenced tract is referenced to State Plane Coordinates, Texas North Central Zone, 4202.

LEGAL DESCRIPTION: Major Improvement Area West (MIA Part 1 of 2)

Being a 81.579 acre tract or parcel of land situated in C. Watson Survey, Abstract No. 945 and the Levin Routh Survey, Abstract No. 779, Collin County, Texas, being a part of a called 22.29 acre tract of land, described as Celina Outer Loop, conveyed to MF South LLC, recorded in Instrument No. 20211118002365750, Official Public Records of Collin County, Texas (O.P.R.C.C.T.), being a part of a called 13.49 acre tract of land described in the deed to CCD - TEN MILE CREEK, LLC, recorded in Instrument No. 20211117002353380, Official Public Records of Collin County, Texas, also being a part of a called 134.67 acre tract of land described in the deed to CCD - TEN MILE CREEK, LLC, recorded in Instrument No. 20211117002353400, Official Public Records of Collin County, Texas, and being more particularly described by metes and bounds and follows:

BEGINNING at a 5/8-inch iron rod with red cap stamped "Landpoint" found in a West line of said 134.67 acre tract, same being the common East line of a called 4.043 acre tract of land, conveyed to ETS Celina LLC, Instrument No. 20210506000918620, O.P.R.C.C.T.;

THENCE North 00° 18' 15" West, with said common line, a distance of 602.71 feet to a point for corner, same being the Northeast corner of said 4.043 acre tract;

THENCE South 89° 21' 33" West, a distance of 636.30 feet to a 1/2-inch capped iron rod found for an angle point, same being the Northwest corner of said 4.043 acre tract, and the Northeast corner of a called 6.00 acre tract of land, conveyed to Manus & Suwana Chairprasert, recorded in Instrument No. 20080606000688720, O.P.R.C.C.T.;

THENCE South 89° 45' 07" West, a distance of 637.36 feet to a 1/2-inch iron rod found for corner, same being in the West line of said 22.29 acre tract, same being the North east interior ell corner of a called 9.00 acre tract of land, conveyed to Bellevue Partners, LTD, recorded in Instrument No. 20200228000283500;

THENCE North 12° 18' 08" West, passing a 1/2-inch iron rod found at the most Northerly Northeast corner of said 9.00 acre tract, same being an Easterly Southeast corner of a called 43.916 acre tract of land, conveyed to Bellevue Partners, LTD, recorded in Instrument No. 20191024001339900, O.P.R.C.C.T., for a total distance of 92.39 feet to a point for corner;

THENCE with continuing with the West line of said 22.29 acre tract of land, the following Five (5) courses and distances:

1. North 16° 58' 07" West, a distance of 100.00 feet to a point for corner;
2. North 25° 35' 07" West, a distance of 147.00 feet to a point for corner;
3. North 03° 35' 07" West, a distance of 60.00 feet to a point for corner;

Attachment: Draft Resolution (Ten Mile Creek PID – Pre-SAP)

4. North 47° 00' 53" East, a distance of 189.59 feet to a point for corner;

5. North 00° 25' 07" West, a distance of 181.94 feet to 1/2-inch iron rod found for an angle point in said common line, same being a Southeast corner of a called 54.937 acre tract of land, described as Collin County Outer Loop (Variable Width Right-of-way), conveyed to Collin County, recorded in Instrument No. 20191003001242980, O.P.R.C.C.T.;

THENCE North 00° 18' 12" West, a distance of 137.76 feet to a 1/2-inch capped iron rod stamped "CBG SURVEYING" found at the Northwest corner of said 22.29 acre tract, same being in a south right-of-way line of said Collin County Outer Loop (Variable Width Right-of-way), and the beginning of a non-tangential curve to the left;

Along said curve to the left, with an arc length of 349.51 feet, a central angle of 03° 50' 09", a radius of 5220.50 feet and a chord that bears North 75° 03' 51" East, a distance of 349.45 feet to a 1/2-inch capped iron rod found at the end of said curve, same being in the South right-of-way line of said Collin County Outer Loop (Variable Width Right-of-way), same being the Northeast corner of said 22.29 acre tract and the Northwest corner of a called 7.92 acre tract, described as Tract 1, conveyed to Prime Outer Loop LP, recorded in Instrument No. 20211119002368200, O.P.R.C.C.T.;

THENCE South 17° 13' 39" East, with the common line of said 22.29 acre tract and said 7.92 acre tract, a distance of 291.72 feet to a 1/2-inch iron rod with cap stamped "CBG SURVEYING" found in said common line, at the beginning of a curve to the left;

Along said curve to the left, with an arc length of 31.46 feet, a central angle of 90° 08' 22", a radius of 20.00 feet and a chord that bears South 62° 17' 50" East, a distance of 28.32 feet to a 1/2-inch iron rod with cap stamped "CBG SURVEYING" found in said common line, at the beginning of a non-tangential curve left;

Along said curve to the left, with an arc length of 467.91 feet, a central angle of 04° 53' 44", a radius of 5476.38 feet and a chord that bears North 70° 11' 07" East, a distance of 467.77 feet to an angle point at the end of said curve;

THENCE North 67° 55' 10" East, a distance of 610.11 feet to a 1/2-inch iron rod with cap stamped "CBG SURVEYING" found for corner, same being the Northeast corner of said 22.29 acre tract, same being in the West line of said 13.49 acre tract;

THENCE South 02° 32' 18" East, a distance of 165.85 feet to a 1/2-inch iron rod with cap stamped "CBG SURVEYING" found for an angle point;

THENCE South 02° 34' 26" East, a distance of 31.14 feet to a 5/8-inch iron rod with red cap stamped "Landpoint" found for corner, at the beginning of a non-tangential curve to the left;

Along said curve to the left, with an arc length of 138.38 feet, a central angle of 170° 49' 48", a radius of 46.41 feet and a chord that bears South 49° 36' 50" East, a distance of 92.53 feet to a 5/8-inch iron rod with red cap stamped "Landpoint" found (hereinafter referred to as a capped iron rod) for corner at the end of said curve;

THENCE over and across said 134.67 acre tract of land the following Twenty-One (21) courses and distances:

1. South 84° 07' 50" East, a distance of 159.70 feet to a 1/2-inch iron rod with Yellow cap stamped "CBG" found (hereinafter referred to as "CBG" iron rod) for corner;
2. South 89° 12' 10" East, a distance of 26.27 feet to a "CBG" iron rod found for corner;
3. South 71° 20' 44" East, a distance of 264.53 feet to "CBG" iron rod found for corner;
4. North 70° 04' 44" East, a distance of 29.23 feet to "CBG" iron rod found for corner;
5. North 05° 40' 26" West, a distance of 94.40 feet to "CBG" iron rod found for corner;
6. North 87° 02' 11" East, a distance of 92.74 feet to "CBG" iron rod found for corner;
7. North 33° 47' 43" East, a distance of 81.08 feet to "CBG" iron rod found for corner;
8. South 17° 38' 29" East, a distance of 198.01 feet to a capped iron rod found for corner;
9. South 03° 28' 53" East, a distance of 130.00 feet to a capped iron rod found for corner;
10. South 23° 28' 53" East, a distance of 120.00 feet to a capped iron rod found for corner at the beginning of a non-tangential curve to the left;
11. Along said curve to the left, with an arc length of 32.01 feet, a central angle of 03° 51' 38", a radius of 475.00 feet and a chord that bears North 64° 35' 18" East, a distance of 32.00 feet to a capped iron rod found for corner at the beginning of a non-tangential curve to the right;
12. Along said curve to the right, with an arc length of 113.68 feet, a central angle of 130° 15' 53", a radius of 50.00 feet and a chord that bears South 80° 18' 23" East, a distance of 90.73 feet to a capped iron rod found for corner at the end of said curve;
13. North 57° 54' 30" East, a distance of 127.48 feet to a capped iron rod found for corner at the beginning of a non-tangential curve to the left;
14. Along said curve to the left, with an arc length of 305.58 feet, a central angle of 29° 10' 52", a radius of 600.00 feet and a chord that bears South 62° 02' 40" East, a distance of 302.29 feet to a capped iron rod found for corner;
15. South 76° 38' 06" East, a distance of 15.06 feet to a passing a capped iron rod found, for a total distance of 436.04 feet at the beginning of a curve to the left;
16. Along said curve to the right, with an arc length of 799.96 feet, a central angle of 76° 23' 27", a radius of 600.00 feet and a chord that bears South 38° 26' 22" East, a distance of 742.01 feet to a capped iron rod found for corner;

17. South 00° 14' 39" East, a distance of 18.27 feet to a capped iron rod found for corner;
18. North 89° 45' 21" East, a distance of 102.50 feet to a capped iron rod found for corner;
19. South 00° 14' 39" East, a distance of 185.00 feet to a capped iron rod found for corner;
20. South 44° 45' 21" West, a distance of 35.36 feet to a capped iron rod found for corner;
21. South 89° 45' 21" West, a distance of 2442.20 feet to the **POINT OF BEGINNING** and containing (81.579 acres - 3,553,564 sq. ft.) of land, more or less.

LEGAL DESCRIPTION: Major Improvement Area East (MIA Part 2 of 2)

Being a 26.193 acre tract or parcel of land situated in C. Watson Survey, Abstract No. 945, Collin County, Texas, being all of a called 20.03 acre tract of land, conveyed to CCD-COIT Land LLC, recorded in Instrument No. 20211117002353390, Official Public Records of Collin County, Texas (O.P.R.C.C.T.), being a part of Future Roseland Parkway (100-Foot Wide Public Right-of-way), and being more particularly described by metes and bounds and follows:

BEGINNING at a 1/2-inch iron rod with cap stamped "CBG SURVEYING" found in the Northeast corner of a called 10.90 acre tract of land, described as Tract 2, conveyed to Prime Outer Loop LP, recorded in Instrument No. 20211119002368200, O.P.R.C.C.T., same being in the South right-of-way line of a called 54.937 acre tract of land, described as Collin County Outer Loop (Variable Width Right-of-way), conveyed to Collin County, recorded in Instrument No. 20191003001242980, O.P.R.C.C.T., at the beginning of a curve to the right;

Along said curve to the right, with an arc length of 143.01 feet, a central angle of 00° 13' 32", a radius of 36304.85 feet and a chord that bears South 89° 25' 28" East, a distance of 143.01 feet to a 1/2-inch iron rod with cap stamped "CBG SURVEYING" found at the end of said curve, same being the Northwest corner of a called 15.00 acre tract, described as Tract 1, conveyed to Celina OuterLoop LP, recorded in Instrument No. 20211119002368170, O.P.R.C.C.T.;

THENCE with the West line of said 15.00 acre tract of land, the following Five (5) courses and distances:

1. South 45° 01' 58" West, a distance of 60.05 feet to a 1/2-inch iron rod with cap stamped "CBG SURVEYING" found for corner;
2. South 00° 33' 13" East, a distance of 110.02 feet to a 1/2-inch iron rod with cap stamped "CBG SURVEYING" found for corner;
3. South 01° 20' 13" West, a distance of 149.95 feet to a 1/2-inch iron rod with cap stamped "CBG SURVEYING" found for corner;
4. South 00° 30' 08" East, a distance of 59.16 feet to a 1/2-inch iron rod with cap stamped "CBG SURVEYING" found at the beginning of a non-tangential curve to the left;
5. Along said curve to the left, with an arc length of 310.90 feet, a central angle of 19° 47' 34", a radius of 900.00 feet and a chord that bears South 10° 27' 00" East, a distance of 309.36 feet to 1/2-inch iron rod with cap stamped "CBG SURVEYING" found at the end of said curve, same being the Southwest corner of said 15.00 acre tract and the Northwest corner of said 20.03 acre tract of land;

THENCE North 72° 47' 41" East, a distance of 340.66 feet to a 1/2-inch iron rod with cap stamped "CBG SURVEYING" found for corner;

THENCE North 89° 27' 05" East, a distance of 806.32 feet to a point for corner, same being the Southeast corner of said 15.00 acre tract and the Northeast corner of said 20.03 acre tract of land, same being in the West line of a called 40.279 acre tract of land, conveyed to G&N Estates, LLC, recorded in Instrument No. 20070315000355600, O.P.R.C.C.T.;

THENCE South 00° 33' 25" East, with the East line of said 20.03 acre tract and the West line of said 40.279 acre tract, a distance of 1198.10 feet to a 1/2-inch iron rod with cap stamped "CBG SURVEYING" found for corner, same being the Southeast corner of said 20.03 acre tract and the Northeast corner of a called 4.25 acre tract, described as Tract 2, conveyed to Celina OuterLoop LP, recorded in Instrument No. 20211119002368170, O.P.R.C.C.T.;

THENCE South 89° 40' 04" West, a distance of 338.04 feet to a 1/2-inch iron rod with cap stamped "CBG SURVEYING" found for corner, same being the Southwest corner of said 20.03 acre tract and the Northwest corner of said 4.25 acre tract at the beginning of a non-tangential curve to the right;

THENCE with the West line of said 4.25 acre tract of land, the following Three (3) courses and distances:

1. Along said curve to the right, with an arc length of 226.89 feet, a central angle of 12° 57' 38", a radius of 1003.05 feet and a chord that bears South 06° 49' 03" East, a distance of 226.41 feet to a 1/2-inch iron rod with cap stamped "CBG SURVEYING" found at an angle point at the end of said curve;
2. South 00° 18' 49" East, a distance of 320.00 feet to a point for corner;
3. South 45° 18' 49" East, a distance of 40.64 feet to a point for corner;

THENCE South 89° 45' 21" West, a distance of 177.45 feet to a 5/8-inch iron rod with red cap stamped "Landpoint" found (hereinafter referred to as a capped iron rod) for corner, same being the Southeast corner of a called 134.67 acre tract of land, conveyed to CCD-TEN Mile Creek, LLC, recorded in Instrument No. 20211117002353400, O.P.R.C.C.T.;

THENCE with the East line of said 134.67 acre tract of land, the following Seven (7) courses and distances:

1. North 44° 45' 21" East, a distance of 56.57 feet to a capped iron rod found for corner;
2. North 00° 14' 39" West, a distance of 110.00 feet to a capped iron rod found for corner;
3. North 01° 39' 54" East, a distance of 150.08 feet to a capped iron rod for found corner;
4. North 00° 14' 39" West, a distance of 50.01 feet to a capped iron rod found at the beginning of a curve to the left;
5. Along said curve to the left, with an arc length of 771.99 feet, a central angle of 49° 08' 47", a radius of 900.00 feet and a chord that bears North 24° 49' 03" West, a distance of 748.54 feet to a capped iron rod found;
6. North 49° 23' 26" West, a distance of 294.15 feet to a capped iron rod found at the beginning of a curve to the right;

7. Along said curve to the right, with an arc length of 677.82 feet, a central angle of $38^{\circ} 50' 20''$, a radius of 999.93 feet and a chord that bears North $29^{\circ} 58' 22''$ West, a distance of 664.91 feet to a capped iron rod found at the beginning of a non-tangential curve to the right, from which a 1/2-inch iron rod with cap stamped "CBG SURVEYING" found at the Northeast corner of said 134.67 acre tract and the Southeast corner of said 10.90 acre tract bears North $04^{\circ} 25' 01''$ West, a distance of 12.21;

Along said curve to the right, with an arc length of 44.80 feet, a central angle of $02^{\circ} 32' 29''$, a radius of 1010.00 feet and a chord that bears North $11^{\circ} 39' 21''$ West, a distance of 44.80 feet to an angle point in the east line of said 10.90 acre tract at the beginning of a non-tangential curve to the right;

THENCE with the East line of said 10.90 acre tract of land, the following Four (4) courses and distances:

1. Along said curve to the right, with an arc length of 128.35 feet, a central angle of $08^{\circ} 21' 12''$, a radius of 880.36 feet and a chord that bears North $02^{\circ} 49' 17''$ West, a distance of 128.23 feet to a 1/2-inch iron rod with cap stamped "CBG SURVEYING" found at the end of said curve;
2. North $00^{\circ} 33' 29''$ West, a distance of 60.67 feet to a 1/2-inch iron rod with cap stamped "CBG SURVEYING" found for corner;
3. North $01^{\circ} 21' 11''$ East, a distance of 150.05 feet to a 1/2-inch iron rod with cap stamped "CBG SURVEYING" found for corner;
4. North $00^{\circ} 34' 14''$ West, a distance of 153.16 feet to the **POINT OF BEGINNING** and containing (26.193 acres - 1,140,965 sq. ft.) of land, more or less.

LEGAL DESCRIPTION: Improvement Area #1

Being a 77.063 acre tract or parcel of land situated in C. Watson Survey, Abstract No. 945 and the Levin Routh Survey, Abstract No. 779, Collin County, Texas, being a part of a called 13.49 acre tract of land described in the deed to CCD - TEN MILE CREEK, LLC, recorded in Instrument No. 20211117002353380, Official Public Records of Collin County, Texas, also being a part of a called 134.67 acre tract of land described in the deed to CCD - TEN MILE CREEK, LLC, recorded in Instrument No. 20211117002353400, Official Public Records of Collin County, Texas, also being a part of a called 7.91 acre tract of land described in the deed to PIONEER INVESTMENTS CELINA LLC, recorded in Instrument No. 20211119002368190, Official Public Records of Collin County, Texas, also being a part of a called 10.90 acre tract of land described as Tract 2, and a called 7.92 acre tract of land, described as Tract 1, in the deed to PRIME OUTER LOOP LP, recorded in Instrument No. 20211119002368200, Official Public Records of Collin County, Texas (O.P.R.C.C.T.), and being more particularly described by metes and bounds and follows:

BEGINNING at a point in the North line of said 7.91 acre tract, from which a 5/8-inch Iron rod found in the North line of said 7.91 acre tract, same being the South Right-of-Way line of Collin County Outer Loop (Variable width Public Right-of-way), being a called 54.937 acre tract, recorded in Instrument No. 20191003001242980, Official Public Records of Collin County, bears North 67° 57' 29" East, a distance of 442.82 feet;

THENCE South 22° 50' 49" West, a distance of 14.12 feet to a point for corner;

THENCE South 22° 14' 42" East, a distance of 114.21 feet to a 1/2" Iron rod with yellow cap stamped "CBG Surveying" found (hereinafter referred to as a capped iron rod) for the beginning of a curve to the right;

Along said curve to the right, with an arc length of 157.03 feet, a central angle of 17° 08' 13", a radius of 525.00 feet and a chord that bears South 13° 40' 35" East, a distance of 156.44 feet to a point at the end of said curve;

THENCE South 48° 33' 01" East, a distance of 14.39 feet to a point for corner;

THENCE North 87° 27' 42" East, a distance of 16.92 feet to the beginning of a curve to the left;

Along said curve to the left, with an arc length of 76.64 feet, a central angle of 19° 31' 02", a radius of 225.00 feet and a chord that bears North 77° 42' 11" East, a distance of 76.27 feet to a point at the end of said curve;

THENCE North 67° 56' 01" East, a distance of 378.76 feet to the beginning of a non-tangential curve to the right;

Along said curve to the right, with an arc length of 607.02 feet, a central angle of 10° 45' 09", a radius of 3234.52 feet and a chord that bears North 73° 22' 49" East, a distance of 606.13 feet to a point at the end of said curve;

THENCE North 32° 27' 09" East, a distance of 14.62 feet to a point for corner;

THENCE North 10° 42' 12" West, a distance of 290.24 feet to a point for corner;

THENCE North 55° 45' 29" West, a distance of 14.05 feet to the beginning of a non-tangential curve to the right;

Along said curve to the right, with an arc length of 70.06 feet, a central angle of 01° 08' 24", a radius of 3521.44 feet and a chord that bears North 79° 20' 18" East, a distance of 70.06 feet to a point at the end of said curve;

THENCE South 34° 37' 20" West, a distance of 14.09 feet to a point for corner;

THENCE South 10° 43' 39" East, a distance of 290.22 feet to a point for corner;

THENCE South 54° 46' 27" East, a distance of 14.05 feet to the beginning of a non-tangential curve to the right;

Along said curve to the right, with an arc length of 61.93 feet, a central angle of 01° 05' 01", a radius of 3274.30 feet and a chord that bears North 80° 29' 04" East, a distance of 61.93 feet to the beginning of a non-tangential curve to the right;

Along said curve to the right, with an arc length of 130.05 feet, a central angle of 149° 01' 50", a radius of 50.00 feet and a chord that bears South 52° 21' 42" East, a distance of 96.37 feet to a capped iron rod found at the end of said curve;

THENCE North 78° 59' 19" East, a distance of 89.33 feet to a point for corner;

THENCE South 11° 00' 41" East, a distance of 149.47 feet to a point for corner, same being the most Southerly Southwest corner of said 10.90 acre tract, and a Northerly corner of said 134.67 acre tract;

THENCE with the common line of said 134.67 acre tract of land and said 10.90 acre tract, the following Ten (10) courses and distances:

1. North 78° 20' 33" East, a distance of 138.86 feet to a point for corner;
2. North 45° 22' 22" East, a distance of 16.30 feet to a point for corner;
3. North 12° 27' 20" East, a distance of 133.05 feet to a point for corner;
4. North 21° 34' 05" East, a distance of 207.75 feet to a point for corner;
5. North 56° 08' 30" East, a distance of 28.38 feet to a point for corner;
6. South 89° 16' 29" East, a distance of 230.43 feet to a point for corner;
7. South 75° 57' 52" East, a distance of 91.11 feet to a point for corner;
8. South 35° 03' 53" East, a distance of 52.50 feet to a point for corner;
9. South 01° 33' 01" West, a distance of 91.49 feet to a point for corner;

10. South $02^{\circ} 48' 59''$ East, a distance of 292.23 feet to the beginning of a non-tangential curve to the right, from which a 1/2-inch iron rod with yellow cap stamped "CBG" found for a corner of said 10.90 acre tract bears South $01^{\circ} 28' 56''$ East, a distance of 4.89 feet;

THENCE severing said 134.67 acre tract of land, the following Thirty-One (31) courses and distances:

1. Along said curve to the right, with an arc length of 78.98 feet, a central angle of $08^{\circ} 37' 12''$, a radius of 525.00 feet and a chord that bears North $73^{\circ} 50' 04''$ East, a distance of 78.91 feet;
2. North $78^{\circ} 08' 40''$ East, a distance of 57.57 feet to the beginning of a curve to the left;
3. Along said curve to the left, with an arc length of 34.24 feet, a central angle of $14^{\circ} 06' 42''$, a radius of 139.00 feet and a chord that bears North $71^{\circ} 05' 19''$ East, a distance of 34.15 feet;
4. North $64^{\circ} 01' 58''$ East, a distance of 34.64 feet to the beginning of a curve to the right;
5. Along said curve to the right, with an arc length of 39.65 feet, a central angle of $14^{\circ} 06' 42''$, a radius of 161.00 feet and a chord that bears North $71^{\circ} 05' 19''$ East, a distance of 39.55 feet;
6. North $78^{\circ} 08' 40''$ East, a distance of 95.86 feet to a point for corner;
7. North $33^{\circ} 31' 30''$ East, a distance of 35.59 feet to the beginning of a non-tangential curve to the right;
8. Along said curve to the left, with an arc length of 44.80 feet, a central angle of $02^{\circ} 32' 29''$, a radius of 1010.00 feet and a chord that bears South $11^{\circ} 39' 21''$ East, a distance of 44.80 feet to the beginning of a non-tangential curve to the left;
9. Along said curve to the left, with an arc length of 677.82 feet, a central angle of $38^{\circ} 50' 09''$, a radius of 1000.00 feet and a chord that bears South $29^{\circ} 58' 22''$ East, a distance of 664.91 feet;
10. South $49^{\circ} 23' 26''$ East, a distance of 294.14 feet to the beginning of a curve to the right;
11. Along said curve to the right, with an arc length of 771.99 feet, a central angle of $49^{\circ} 08' 48''$, a radius of 900.00 feet and a chord that bears South $24^{\circ} 49' 03''$ East, a distance of 748.54 feet;
12. South $00^{\circ} 14' 39''$ East, a distance of 50.00 feet to a point for corner;
13. South $01^{\circ} 39' 54''$ West, a distance of 150.08 feet to a point for corner;
14. South $00^{\circ} 14' 39''$ East, a distance of 110.00 feet to a point for corner;
15. South $44^{\circ} 45' 21''$ West, a distance of 56.57 feet to a point for corner;
16. South $89^{\circ} 45' 21''$ West, a distance of 160.00 feet to a point for corner;
17. South $85^{\circ} 56' 30''$ West, a distance of 150.33 feet to a point for corner;
18. South $89^{\circ} 45' 21''$ West, a distance of 668.50 feet to a point for corner;

19. North 44° 45' 21" East, a distance of 35.36 feet to a point for corner;
20. North 00° 14' 39" West, a distance of 185.00 feet to a point for corner;
21. South 89° 45' 21" West, a distance of 102.50 feet to a point for corner;
22. North 00° 14' 39" West, a distance of 18.27 feet to the beginning of a curve to the left;
23. Along said curve to the left, with an arc length of 799.96 feet, a central angle of 76° 23' 27", a radius of 600.00 feet and a chord that bears North 38° 26' 22" West, a distance of 742.01 feet;
24. North 76° 38' 06" West, a distance of 436.03 feet to the beginning of a curve to the right;
25. Along said curve to the right, with an arc length of 305.58 feet, a central angle of 29° 10' 52", a radius of 600.00 feet and a chord that bears North 62° 02' 40" West, a distance of 302.29 feet to a point at the end of said curve;
26. South 57° 54' 30" West, a distance of 127.48 feet to the beginning of a non-tangential curve to the left;
27. Along said curve to the left, with an arc length of 113.68 feet, a central angle of 130° 15' 53", a radius of 50.00 feet and a chord that bears North 80° 18' 23" West, a distance of 90.73 feet to a point at the end of said curve;
28. South 64° 35' 18" West, a distance of 32.00 feet to a point for corner;
29. North 23° 28' 53" West, a distance of 120.00 feet to a point for corner;
30. North 03° 28' 53" West, a distance of 130.00 feet to a point for corner;
31. North 17° 38' 29" West, a distance of 198.01 feet to a 1/2-inch iron rod with yellow cap stamped "CBG" found for corner, same being the South line of a called 13.49 acre tract of land, conveyed to CCD-Ten Mile Creek, LLC, recorded in Instrument No. 20211117002353380, O.P.R.C.C.T.;

THENCE with the South line of said 13.49 acre tract of land, the following Eight (8) courses and distances:

1. South 33° 47' 43" West, a distance of 81.08 feet to a capped iron rod found for corner;
2. South 87° 02' 11" West, a distance of 92.74 feet to a capped iron rod for corner;
3. South 05° 40' 26" East, a distance of 94.40 feet to a capped iron rod found for corner;
4. South 70° 04' 44" West, a distance of 29.23 feet to a capped iron rod found for corner;
5. North 71° 20' 44" West, a distance of 264.53 feet to a capped iron rod found for corner;
6. North 89° 08' 49" West, a distance of 26.16 feet to a capped iron rod found for corner;
7. North 84° 08' 40" West, a distance of 159.81 feet to a capped iron rod set for corner, same being the feet to the beginning of a non-tangential curve to the right;

8. Along said curve to the right, with an arc length of 138.39 feet, a central angle of $170^{\circ} 49' 21''$, a radius of 46.42 feet and a chord that bears North $49^{\circ} 36' 56''$ West, a distance of 92.53 feet to a point at the end of said curve;

THENCE North $02^{\circ} 34' 26''$ West, a distance of 31.14 feet to a point for corner;

THENCE North $02^{\circ} 32' 18''$ West, a distance of 191.41 feet to a capped iron rod found, and the beginning of a curve to the left;

Along said curve to the left, with an arc length of 163.36 feet, a central angle of $19^{\circ} 42' 16''$, a radius of 475.00 feet and a chord that bears North $12^{\circ} 23' 26''$ West, a distance of 162.55 feet to a capped iron rod found;

THENCE North $22^{\circ} 14' 34''$ West, a distance of 114.54 feet to a point for corner;

THENCE North $66^{\circ} 56' 43''$ West, a distance of 14.11 feet to the beginning of a non-tangential curve to the right;

Along said curve to the right, with an arc length of 70.00 feet, a central angle of $00^{\circ} 02' 35''$, a radius of 93038.51 feet and a chord that bears North $67^{\circ} 56' 19''$ East, a distance of 70.00 feet to the **POINT OF BEGINNING** and containing (77.063 acres - 3,356,846 sq. ft.) of land, more or less.

APPENDIX E
PID ASSESSMENT NOTICE

Attachment: Draft Resolution (Ten Mile Creek PID – Pre-SAP)

AFTER RECORDING RETURN TO:

 _____]¹

NOTICE OF OBLIGATION TO PAY IMPROVEMENT DISTRICT ASSESSMENT TO
 CITY OF CELINA, TEXAS
 CONCERNING THE FOLLOWING PROPERTY

 STREET ADDRESS

LOT TYPE _____ PRINCIPAL ASSESSMENT: \$ _____

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within ***Ten Mile Creek Public Improvement District*** (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the annual service plan update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

APPENDIX F
**ASSESSMENT PER UNIT, PROJECTED LEVERAGE AND PROJECTED TAX RATE
EQUIVALENTS**

Appendix F

For purposes of calculating and allocating the Assessments, the Assessed Property has been classified in one of four Lot Types.

“Lot Type 1” means lots identified as such on the Assessment Rolls, being lots typically with a Lot width of approximately 60 feet, as provided by the development standards shown in the Development Agreement and/or other applicable governing documents.

“Lot Type 2” means lots identified as such on the Assessment Rolls, being lots typically with a Lot width of approximately 55 feet, as provided by the development standards shown in the Development Agreement and/or other applicable governing documents.

“Lot Type 3” means lots identified as such on the Assessment Rolls, being townhomes, as provided by the development standards shown in the Development Agreement and/or other applicable governing documents.

“Lot Type 4” means lots identified as such on the Assessment Rolls, being multifamily units as provided by the development standards shown in the Development Agreement and/or other applicable governing documents.

A) Proposed Development

Table F-1 shows the proposed residential units to be developed within the PID.

Table F-1
Proposed Development within the PID

Lot Type	Proposed Development	
Lot Type 1 (60 Ft)	110	Units
Lot Type 2 (55 Ft)	266	Units
Lot Type 3 (Townhomes)	114	Units
Lot Type 4 (Multifamily)	861	Units
Total	1,351	Units

Table F-2 shows the proposed residential units within Improvement Area #1.

Table F-2
Proposed Development – Improvement Area #1

Lot Type	Proposed Development	
Lot Type 1 (60 Ft)	54	Units
Lot Type 2 (55 Ft)	128	Units
Lot Type 3 (Townhomes)	114	Units
Total	296	Units

Table F-3 shows the proposed residential units within the Major Improvement Area.

Table F-3
Proposed Development –Major Improvement Area

Lot Type	Proposed Development	
Lot Type 1 (60 Ft)	56	Units
Lot Type 2 (55 Ft)	138	Units
Lot Type 4 (Multifamily)	861	Units
Total	1,055	Units

B) Calculation of Equivalent Units

As explained under Section V.D, for purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Improvement Area #1 Projects and the Major Improvement Area Projects to be financed with (i) the Improvement Area #1 Bonds and Improvement Area #1 Reimbursement Agreement and (ii) the Major Improvement Area Bonds, respectively, shall be allocated to the Improvement Area #1 Assessed Property and the Major Improvement Area Assessed Property by spreading the entire Assessment across the Parcels within Improvement Area #1 and Major Improvement Area based on the estimated Equivalent Units.

For purposes of this Service and Assessment Plan, the City Council has determined that the Assessments shall be allocated to Improvement Area #1 Assessed Property and Major Improvement Area Assessed Property on the basis of the average home value of each Lot Type, and that such method of allocation will result in the imposition of equal shares of the Assessments on Parcels similarly benefited. In determining the average home value of each Lot Type, the City Council has taken into consideration (i) the type of lots (i.e., 60 Ft, 55 Ft, etc.); (ii) current and projected home prices; (iii) the costs of the Authorized Improvements, and (iv) the ability of different property types to utilize and benefit from the Authorized Improvements.

Having taken into consideration the matters described above, the City Council has determined that allocating the Assessments among Parcels based on average home value is best accomplished by creating classifications of benefited Parcels based on the “Lot Types” defined above. These classifications (from Lot Type 1 (60 Ft) representing the highest value to Lot Type 4 (Multifamily) representing the lowest value for residential lots are set forth in Table F-4. Assessments are allocated to each Lot Type on the basis of the average home value for each class of lots. This is accomplished by giving each Lot Type an Equivalent Unit factor. Equivalent Units are the ratio of the average value of lots within each assessment class, setting the Equivalent Unit factor for Lot Type 1 (60 Ft) to 1.0.

Table F-4
Equivalent Unit Factors

Lot Type	Estimated Average Unit Value	Equivalent Unit Factor
Lot Type 1 (60 Ft)	\$750,000	1.00 per dwelling unit
Lot Type 2 (55 Ft)	\$675,000	0.90 per dwelling unit
Lot Type 3 (Townhomes)	\$450,000	0.60 per dwelling unit
Lot Type 4 (Multifamily)	\$145,000	0.19 per dwelling unit

The total estimated Equivalent Units for the Major Improvement Area are shown in Table F-5 as calculated based on the Equivalent Unit factors shown in Table F-4, estimated Lot Types and number of units estimated to be built within the Major Improvement Area.

Table F-5
Estimated Equivalent Units –Major Improvement Area

Lot Type	Planned No. of units	Equivalent Unit Factor	Total Equivalent Units
Lot Type 1 (60 Ft)	56	1.00	56.00
Lot Type 2 (55 Ft)	138	0.90	124.20
Lot Type 4 (Multifamily)	861	0.19	163.59
Total Equivalent Units	1,055		343.79

The total estimated Equivalent Units for Improvement Area #1 are shown in Table F-6 as calculated based on the Equivalent Unit factors shown in Table F-4, estimated Lot Types and number of units estimated to be built within Improvement Area #1.

Table F-6
Estimated Equivalent Units - Improvement Area #1

Lot Type	Planned No. of units	Equivalent Unit Factor	Total Equivalent Units
Lot Type 1 (60 Ft)	54	1.00	54.00
Lot Type 2 (55 Ft)	128	0.90	115.20
Lot Type 3 (Townhomes)	114	0.60	68.40
Total Equivalent Units	296		237.60

C) Allocation of Assessments to Lots within the Major Improvement Area

As shown in Section IV of this Service and Assessment Plan, the total amount of the Major Improvement Area Bonds, which represents the total Assessment to be allocated on all Parcels within the Major Improvement Area, is \$7,310,000. As shown in Table F-5, there are a total of

343.79 estimated Equivalent Units in the Major Improvement Area, resulting in an Assessment per Equivalent Unit of \$21,262.98.

The Assessment per dwelling unit or acre is calculated as the product of (i) \$21,262.98 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, The Assessment for a Lot Type 1 (60 Ft Lot) dwelling unit is \$21,262.98 (i.e. \$21,262.98 x 1.00). The Assessment for a Lot Type 2 (55 Ft Lot) dwelling unit is \$19,136.68 (i.e. \$21,262.98 x 0.90). The Assessment for a Lot Type 3 (40 Ft Lot) dwelling unit is \$4,039.97 (i.e. \$21,262.98 x 0.19). Table F-7 sets forth the Assessment per dwelling unit for each Lot Type in the Major Improvement Area.

Table F-7
Assessment Per Unit –Major Improvement Area

Lot Type	Planned No. of Units	Assessment per Equivalent Unit	Equivalent Unit Factor	Assessment per Unit	Total Assessments
Lot Type 1 (60 Ft)	56	\$21,262.98	1.00	\$21,262.98 per dwelling unit	\$1,190,722
Lot Type 2 (55 Ft)	138	\$21,262.98	0.90	\$19,136.68 per dwelling unit	\$2,640,866
Lot Type 4 (Multifamily)	861	\$21,262.98	0.19	\$4,039.97 per dwelling unit	\$3,478,416
Total	1,055				\$7,310,004

The projected leverage calculated based on the estimated finished lot values and home values for each unit is shown in Table F-8.

Table F-8
Projected Leverage –Major Improvement Area

Lot Type	Planned No. of Units	Estimated Finished Lot Value per unit	Projected Home Value per unit	Assessment per Unit ¹	Leverage (Lot Value)	Leverage (Home Value)
Lot Type 1 (60 Ft)	56	\$108,000	\$750,000	\$21,262.98	5.08	35.27
Lot Type 2 (55 Ft)	138	\$99,000	\$675,000	\$19,136.68	5.17	35.27
Lot Type 4 (Multifamily)	861	\$19,000	\$145,000	\$4,039.97	4.70	35.89

The projected tax rate equivalent per unit calculated based on the estimated finished lot values and home values for each unit is shown in Table F-9.

Table F-9
Estimated Tax Rate Equivalent per unit –Major Improvement Area

Lot Type	Planned No. of Units	Estimated Finished Lot Value per unit	Projected Home Value per unit	Projected Average Annual Installment per unit	Tax Rate Equivalent (per \$100 Lot Value)	Tax Rate Equivalent (per \$100 Home Value)
Lot Type 1 (60 Ft)	56	\$108,000	\$750,000	\$2,061.24	\$1.909	\$0.275
Lot Type 2 (55 Ft)	138	\$99,000	\$675,000	\$1,855.11	\$1.874	\$0.275
Lot Type 4 (Multifamily)	861	\$19,000	\$145,000	\$391.64	\$2.061	\$0.270

The Assessment and Annual Installments for each Parcel or Lot located within the Major Improvement Area is shown on the Major Improvement Area Assessment Roll, attached as Appendix G, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

D) Allocation of Assessments to Lots within Improvement Area #1

As shown in Section IV of this Service and Assessment Plan, the total amount of the Improvement Area #1 Bonds and Improvement Area #1 Reimbursement Agreement, which represents the total Assessment to be allocated on all Parcels within Improvement Area #1, is \$14,950,000. As shown in Table F-6, there are a total of 237.60 estimated Equivalent Units in Improvement Area #1, resulting in an Assessment per Equivalent Unit of \$62,920.88.

The Assessment per dwelling unit or acre is calculated as the product of (i) \$62,920.88 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, The Assessment for a Lot Type 1 (60 Ft Lot) dwelling unit is \$62,920.88 (i.e. \$62,920.88 x 1.00). The Assessment for a Lot Type 2 (55 Ft Lot) dwelling unit is \$56,628.79 (i.e. \$62,920.88 x 0.90). The Assessment for a Lot Type 3 (40 Ft Lot) dwelling unit is \$37,752.53 (i.e. \$62,920.88 x 0.60). Table F-10 sets forth the Assessment per dwelling unit for each Lot Type in Improvement Area #1.

Table F-10
Assessment Per Unit – Improvement Area #1

Type	Planned No. of Units	Assessment per Equivalent Unit	Equivalent Unit Factor	Assessment per Unit	Total Assessments
Lot Type 1 (60 Ft)	54	\$62,920.88	1.00	\$62,920.88 per dwelling unit	\$3,397,727
Lot Type 2 (55 Ft)	128	\$62,920.88	0.90	\$56,628.79 per dwelling unit	\$7,248,485
Lot Type 3 (Townhomes)	114	\$62,920.88	0.60	\$37,752.53 per dwelling unit	\$4,303,788
Total	296				\$14,950,000

The projected leverage calculated based on the estimated finished lot values and home values for each unit is shown in Table F-11.

Table F-11
Projected Leverage – Improvement Area #1

Description	Planned No. of Units	Estimated Finished Lot Value per unit	Projected Home Value per unit	Assessment per Unit ¹	Leverage (Lot Value)	Leverage (Home Value)
Lot Type 1 (60 Ft)	54	\$108,000	\$750,000	\$62,920.88	1.72	11.92
Lot Type 2 (55 Ft)	128	\$99,000	\$675,000	\$56,628.79	1.75	11.92
Lot Type 3 (Townhomes)	114	\$62,000	\$450,000	\$37,752.53	1.64	11.92

The projected tax rate equivalent per unit calculated based on the estimated finished lot values and home values for each unit is shown in Table F-12.

Table F-12
Estimated Tax Rate Equivalent per unit – Improvement Area #1

Description	Planned No. of Units	Estimated Finished Lot Value per unit	Projected Home Value per unit	Projected Average Annual Installment per unit	Tax Rate Equivalent (per \$100 Lot Value)	Tax Rate Equivalent (per \$100 Home Value)
Lot Type 1 (60 Ft)	54	\$108,000	\$750,000	\$5,309.18	\$4.916	\$0.708
Lot Type 2 (55 Ft)	128	\$99,000	\$675,000	\$4,778.27	\$4.827	\$0.708
Lot Type 3 (Townhomes)	114	\$62,000	\$450,000	\$3,185.51	\$5.138	\$0.708

The Assessment and Annual Installments for each Parcel or Lot located within Improvement Area #1 is shown on the Improvement Area #1 Assessment Roll, attached as Appendix H, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

EXHIBIT B

CITY OF CELINA, TEXAS

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN THAT two public hearings will be conducted by the City Council of Celina, Texas on March 14, 2023, at or after 5:00 p.m. at the Celina City Council Chambers, 112 N. Colorado Street, Celina, Texas 75009. The public hearings will be held to consider proposed assessments to be levied against the assessable property within the Ten Mile Creek Public Improvement District (the "District") pursuant to the provisions of Chapter 372 of the Texas Local Government Code, as amended.

The proposed improvements to be undertaken at this time for the benefit of Improvement Area #1 of the District (the "Improvement Area #1 Projects") include (i) water, wastewater, sidewalks, streets, roadways, drainage system improvements; (ii) payments of expenses incurred in the establishment, administration, and operation of the District; and (iii) payment of expenses associated with financing such public improvement projects which may include but are not limited to, costs associated with issuance and sale of revenue bonds secured by assessments levied against the property within the District.

The total costs of the Improvement Area #1 Projects, including administrative costs and the costs of issuing bonds, is approximately \$18,159,596.

The proposed improvements to be undertaken at this time for the benefit of the Major Improvement Area of the District (the "Major Improvement Area Projects") include (i) water, wastewater, sidewalks, streets, roadways, drainage system improvements; (ii) payments of expenses incurred in the establishment, administration, and operation of the District; and (iii) payment of expenses associated with financing such public improvement projects which may include but are not limited to, costs associated with issuance and sale of revenue bonds secured by assessments levied against the property within the District.

The total costs of the Major Improvement Area Projects, including administrative costs and the costs of issuing bonds, is approximately \$7,310,000.

The boundaries of the District include approximately 209.17 acres of land generally located at the northwest corner of Choate Parkway and the future Roseland Parkway and within the extraterritorial jurisdiction of the City, as more particularly described by a metes and bounds description available at Celina City Hall located at 142 N. Ohio Street, Celina, Texas 75009 and available for public inspection.

All written or oral objections on the proposed assessments within the District will be considered at the public hearing.

A copy of the proposed (i) Improvement Area #1 Assessment Roll, which includes the assessments proposed to be levied against each parcel of land within Improvement Area #1 of the District that benefits from the Improvement Area #1 Projects and (ii) Major Improvement Area

Assessment Roll, which includes the assessments proposed to be levied against each parcel of land within the Major Improvement Area of the District that benefits from the Major Improvement Area Projects, is available for public inspection at the office of the City Secretary, 142 N. Ohio Street, Celina, Texas 75009.

Memorandum

To: **Honorable Mayor Terry and the Celina City Council**
From: Jonathan Pollard, Senior Planner
CC: Jason Laumer, City Manager
Date: February 14, 2023
Re: Cross Creek Meadows - PID Name Change - Pre-SAP

Action Requested:

Consider and act upon a resolution of the City of Celina, Texas renaming the previously established Tuscany Estates Public Improvement District to the Cross Creek Meadows Public Improvement District pursuant to a request from the owner of the property within the district and providing an effective date. CITY OF CELINA, TEXAS

RESOLUTION NO. 2023-__R

A RESOLUTION OF THE CITY OF CELINA, TEXAS RENAMING THE TUSCANY ESTATES PUBLIC IMPROVEMENT DISTRICT TO THE CROSS CREEK MEADOWS PUBLIC IMPROVEMENT DISTRICT; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, on August 10, 2021, pursuant to Chapter 372 of the Texas Local Government Code and Resolution No. 2021-60R, the City of Celina, Texas ("City"), created the Tuscany Estates Public Improvement District (the "District"); and

WHEREAS, the party who now owns all of the property within the District has requested that the City change the name of the District to "Cross Creek Meadows Public Improvement District."

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS:

SECTION 1. The findings set forth in the recitals of this Resolution are found to be true and correct.

SECTION 2. The name of the District shall be changed and the District shall now be known as the Cross Creek Meadows Public Improvement District. All documents and instruments of service, including but not limited to Resolution No. 2021-60R, bearing the name "Tuscany Estates Public Improvement District" shall now be read to apply to Cross Creek Meadows Public Improvement District.

SECTION 3. This Resolution shall take effect immediately from and after its passage and publication as required by law.

City of Celina, Texas

Memorandum

To: **Honorable Mayor Terry and the Celina City Council**
From: Lauren Vaughns, City Secretary
CC: Jason Laumer, City Manager
Date: February 14, 2023
Re: Calling May 2023 General Election

Action Requested:

Consider and act upon a Resolution of the City Council of the City of Celina, Texas, ordering and calling a General Election for the purpose of electing a Mayor, a Councilmember for Place 4 and a Councilmember for Place 5 for three (3) year terms each; authorizing a joint election with the Collin County Elections Administrator, Denton County Elections Administrator and the political subdivisions located entirely or partially inside the boundaries of each county to be held on May 6, 2023. (Vaughns)

Background Information:

This Resolution calls the annual General Election for May 6, 2023, in accordance with the Celina Home Rule Charter and the Texas Election Code.

RESOLUTION 2023-__R

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, ORDERING AND CALLING A GENERAL ELECTION FOR THE PURPOSE OF ELECTING A MAYOR, COUNCILMEMBER FOR PLACE 4, AND A COUNCILMEMBER FOR PLACE 5 FOR THREE (3) YEAR TERMS EACH; AUTHORIZING A JOINT ELECTION WITH THE COLLIN COUNTY ELECTIONS ADMINISTRATOR, DENTON COUNTY ELECTIONS ADMINISTRATOR AND THE POLITICAL SUBDIVISIONS LOCATED ENTIRELY OR PARTIALLY INSIDE THE BOUNDARIES OF EACH COUNTY TO BE HELD ON MAY 6, 2023; PROVIDING FOR ALL NECESSARY ACTIONS; PROVIDING FOR ENGROSSMENT AND ENROLLMENT; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, Section 41.001(a)(1) of the Texas Election Code (hereinafter the “Code”) establishes the first Saturday in May as a Uniform Election Date for the purposes of conducting a General or Special Election; and

WHEREAS, Chapter 271 of the Code provides for joint elections between municipalities and school districts; and

WHEREAS, Section 3.004(a)(3) of the Code provides that the governing body of a municipality shall be the authority to order a General or Special Election; and

WHEREAS, Section 3.005(c) of the Code provides that an election ordered by an authority of a municipality shall be ordered not later than the 78th day before Election Day; and

WHEREAS, Section 31.092 of the Code provides that the County Election Officer (the “Election Officer”) may contract with the City to perform election services; and

WHEREAS, the City, the Celina Independent School District and Collin County Community College (Collin County only), will contract with Denton County and Collin County, Texas through its Election Officer to perform election services pursuant to Section 31.091; and

WHEREAS, Section 2.053 of the Code provides that a City Council may, in its discretion, declare a candidate elected to office if: (1) the candidate is the only person who has qualified to appear on the ballot for that office, and (2) no write-in candidates have submitted their names to be placed on the list for write-in candidates; and

WHEREAS, the City Council desires to and hereby calls a General Election to be conducted on May 6, 2023, to elect one (1) Mayor, one (1) Councilmember for Place 4, and one (1) Councilmember for Place 5 for three (3) year terms each.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS:

SECTION 1
INCORPORATION

That all of the above premises are true and correct and are hereby incorporated in the body of this Resolution as if fully set forth herein.

SECTION 2
DATE OF ELECTION

That it is hereby ordered that a General Election, including any necessary run-off election(s) (the "Election") shall be held in and throughout the City of Celina on Saturday, May 6, 2023, under the direction and administration of the Election Officers.

SECTION 3
PURPOSE OF ELECTION

That the purpose of said General Election is to elect a Mayor, a Councilmember for Place 4, and a Councilmember for Place 5, for three (3) year terms each.

SECTION 4
APPLICATION FOR A PLACE ON THE BALLOT

That any eligible and qualified person may have that person's name printed upon the official ballot as a candidate for the office(s) hereinbefore set forth by filing the person's sworn application with the City Secretary not later than 5:00 p.m. of the 78th day before election day, and not earlier than the 30th day before the date of the filing deadline.

SECTION 5
CANCELLATION OF ELECTION

If only one person who has qualified to appear on the ballot for each office hereinbefore set forth, and no write-in candidates have submitted their names to be placed on the list for write-in candidates, the City Council may declare the candidates elected to office and cancel the election called herein.

SECTION 6
ELECTION PRECINCT, POLLING PLACE, AND HOURS

The polling place in Collin County for the Election shall be posted at a time when determined by the Collin County Elections Administrator. The polling place in Denton County for the Election shall be posted at a time when determined by Denton County Elections Administrator. In

accordance with Section 41.031 of the Code, said polling place shall be open between the hours of 7:00 a.m. and 7:00 p.m. on the date of the Election.

SECTION 7
APPOINTMENT JUDGES AND CLERKS

The Election Officers shall arrange for the appointment, notifications, training and compensation of all Election Judges and Alternate Judges in accordance with law. The presiding Judge shall appoint not less than two (2) nor more than nine (9) qualified elections clerks to serve and assist in the conduct of the election in accordance with law.

SECTION 8
COMPENSATION OF THE JUDGE AND CLERKS

The Election Judge and the Alternate Election Judge shall be compensated in accordance with Section 32.091 of the Code. The Election Judge or Clerk who delivers the returns of the Election, keys to the ballot boxes or other election equipment, and unused election supplies shall also be paid the additional sum of \$25.00 for delivering such materials. Any payment referred to in this Section shall not exceed the maximum amounts set forth in Sections 32.091 and 32.092 of the Code.

SECTION 9
METHOD OF VOTING

The Election Officer(s) is hereby authorized and instructed to provide and furnish all necessary election supplies to conduct the election. Voting at the Election shall be by use of a Direct Record Electronic Voting System. Preparation of the official ballots for the Election shall conform to the requirements of the Code, and in so doing shall permit the voter to vote for one (1) Council Member for Place 2, and one (1) Council Member for Place 3.

SECTION 10
GOVERNING LAW; QUALIFIED VOTERS

The Election shall be held in accordance with the Constitution of the State of Texas, the Code, and the Home Rule Charter, and all resident, qualified electors of the City shall be eligible to vote at the election. Election materials shall be printed in both English and Spanish for use at the polling place and for early voting for the Election.

SECTION 11

PUBLICATION AND POSTING OF NOTICE

Notice of the Election shall be given by posting a Notice of Election in both English and Spanish at the Celina City Hall, on the bulletin board or other location used for posting notices of the meetings of the City Council not later than twenty-one (21) days prior to the date upon which the Election is to be held, and by publication of said notice at least once in a newspaper published in the City or if none, then in a newspaper of general circulation within the City, the date of said publication to be not less than ten (10) days nor more than thirty (30) days prior to the date set for the Election. Upon publication of the election notice, the City Secretary shall secure a publisher's affidavit, which complies with the requirements of the Code. In addition thereto, a copy of the notice shall also be filed with the City Secretary at least twenty-one (21) days before the Election.

SECTION 12 **EARLY VOTING**

Early voting by personal appearance shall be conducted by the Election Officer(s), who is hereby appointed the Early Voting Clerk. The main early voting location for Collin County voters shall be located at Collin County Elections, 2010 Redbud Blvd., #102, McKinney, Texas. The main early voting location for Denton County voters shall be located at Denton County Elections, 701 Kimberly Drive, Denton, Texas. Additional branch locations will be identified in the contract executed with the Collin County and Denton County Elections Administrators. The City Secretary may change the places and times of the locations contained in the contract without further City Council action after consulting with the Denton County Elections administrator and Collin County Elections administrator and determining that a change in the places or times is necessary. For the period early voting for the election is permitted by law, the Early Voting Clerk shall keep said office open Monday through Friday between the hours of 8:00 a.m. and 5:00 p.m., commencing on Monday, April 24, 2023 and terminating on Tuesday, May 2, 2023 except that early voting on May 1, 2023, and May 2, 2023, shall be between the hours of 7:00 a.m. and 7:00 p.m., and (Collin County only) Saturday, April 29, 2023, (7 a.m. to 7:00 p.m.). Early voting will not be conducted on any official State and/or national holiday during the period of early voting, unless required by the Code.

Application for early voting by mail shall be delivered to the Early Voting Clerk at the same address(s) and not later than the close of regular business in the Early Voting Clerk's office or 12:00 p.m., whichever is later, on April 25, 2023.

Early voting, both by personal appearance and by mail, shall be by use of ballots which conform to the requirements of the Code, and in so doing shall permit the voters to vote for one (1) Mayor, one (1) Councilmember for Place 4, and one (1) Councilmember for Place 5 for three (3) year terms each. The Early ballots shall be canvassed by the Early Ballot Board, which is hereby created under the direction of the Election Officer.

SECTION 13

DELIVERY OF RETURNS

Pursuant to Section 66.051 of the Code, immediately after the closing of the poll on the day of the Election, the election officers named in this Ordinance shall make four (4) copies of the returns. The returns shall be delivered as follows: The Election Judge shall deliver envelope #1 in person to the presiding officer of the local canvassing authority. If the presiding officer of the local canvassing authority is unavailable, the envelope shall be delivered to the general custodian of election records who shall then deliver it to the local canvassing authority before the time set for convening the local canvass. The Election Judge shall deliver envelope #2 to the general custodian of election records. The Election Judge shall retain envelope #3. The Election Judge shall deliver envelope #4 in person to the voter registrar. If the voter registrar is unavailable, the envelope shall be delivered to the general custodian of election records, who shall deliver it to the voter registrar on the next regular business day. All election records and supplies shall be preserved by the Elections Administrator/City Secretary in accordance with the Code.

SECTION 14 CANVASSING OF RETURNS

In accordance with Section 67.003 of the Code, the City Council shall canvass the returns not earlier than May 9, 2023, or later than May 17, 2023.

SECTION 15 NECESSARY ACTIONS

The Mayor, City Council, Election Officer and City staff, in consultation with the City Attorney, are hereby authorized and directed to take any and all actions necessary to comply with the provisions of the Code in carrying out and conducting the Election, whether or not expressly authorized herein.

SECTION 16 SEVERABILITY CLAUSE

It is hereby declared to be the intent of the City Council of the City of Celina that the phrases, clauses, sentences, paragraphs, and sections of this Resolution are severable, and if any phrase, clause, sentence, paragraph, or section of this Resolution shall be declared unconstitutional by the valid judgment or decree of any court of competent jurisdiction, such unconstitutionality shall not affect any of the remaining phrases, clauses, sentences, paragraphs, or sections of this Resolution, since the same would have been enacted by the City Council without incorporation of any such unconstitutional phrase, clause, sentence, paragraph, or section.

SECTION 17

ENGROSSMENT AND ENROLLMENT

The City Secretary of the City of Celina is hereby directed to engross and enroll this Resolution by copying the descriptive caption in the minutes of the City Council and by filing this Resolution in the records of the City.

SECTION 18
EFFECTIVE DATE

This Resolution shall become effective from and after its date of passage in accordance with law.

DULY PASSED AND APPROVED by the City Council of the City of Celina, Texas, this the 14th day of February 2023.

City of Celina, Texas

Memorandum

To: **Honorable Mayor Terry and the Celina City Council**
From: Robin Bromiley, Director of Finance
CC: Jason Laumer, City Manager
Date: February 14, 2023
Re: Budget Amendment FY 2022-2023 - February 2023

Action Requested:

Consider and act upon an ordinance of the City of Celina, Texas, amending Ordinance 2022-113 which adopted and approved the budget for fiscal year beginning October 1, 2022 and ending September 30, 2023, and make appropriations for each department, project, and account, by adopting an amended 2022-2023 budget for the City of Celina, Texas, reallocating funds between accounts, attached hereto and incorporated into this ordinance. (Bromiley)

Background Information:

Budget Amendments are requested for the FY2023 Annual Budget. The amendments include budget appropriations for mid-year hires (salary+benefits+equipment), contract services, façade grant, special event, and police seizure funds authorized for training, equipment and various programs.

**CITY OF CELINA, TEXAS
ORDINANCE NO. 2022-xxx**

AN ORDINANCE OF THE CITY OF CELINA, TEXAS AMENDING ORDINANCE 2022-113, WHICH ADOPTED AND APPROVED THE BUDGET FOR FISCAL YEAR BEGINNING OCTOBER 1, 2022 AND ENDING SEPTEMBER 30, 2023, AND MAKE APPROPRIATIONS FOR EACH DEPARTMENT, PROJECT AND ACCOUNT, BY ADOPTING AN AMENDED FISCAL YEAR 2022-2023 BUDGET FOR THE CITY OF CELINA, TEXAS, REALLOCATING FUNDS BETWEEN ACCOUNTS PURSUANT TO EXHIBIT “A”, ATTACHED HERETO AND INCORPORATED INTO THIS ORDINANCE; PROVIDING FOR INCORPORATION OF PREMISES; PROVIDING FOR FILING OF THE AMENDED BUDGET AND ORDINANCE; PROVIDING A CUMULATIVE CLAUSE; PROVIDING FOR PUBLICATION; PROVIDING FOR ENGROSSMENT AND ENROLLMENT; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Celina is conducting business pursuant to a budget for fiscal year 2022-2023, heretofore previously adopted by Ordinance 2022-113; and

WHEREAS, Section 102.010 of the Texas Local Government Code authorizes the governing body of a municipality to make changes in the budget for municipal purposes; and

WHEREAS, the City Council has reviewed various line items within the budget and has determined that a valid municipal purpose is served by reallocating funds between various budget line items; and

WHEREAS, a proposed amendment to the budget has been placed on file with the City Secretary of the City of Celina, Texas.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS:

SECTION 1. The above and foregoing premises are incorporated into the body of this Ordinance as if copied herein in their entirety.

SECTION 2. The City’s budget for the fiscal year ending September 30, 2023, heretofore previously adopted by Ordinance 2022-113 duly enacted by the City Council of the City of Celina on the 13th day of September, 2022, be and is hereby amended as set out in Exhibit “A” attached hereto and incorporated herein, which amendment is hereby, in all respects, finally approved and adopted as so changed; the remainder of the budget being unchanged and remaining in full force and effect as originally adopted.

SECTION 3. That the amounts specified in Exhibit “A” be hereby appropriated and reallocated as specified for those purposes designated in Exhibit “A”.

SECTION 4. The City Manager shall file or cause to be filed a true and correct copy of the amended budget, along with this Ordinance, with the City Secretary and in the office of the County Clerk of Collin County, Texas and Denton County, Texas.

SECTION 5. This Ordinance shall be cumulative of all provisions of Ordinances of the City of Celina, Texas, except where the provisions of this Ordinance are in direct conflict with the provisions of such Ordinances, in which event the conflicting provisions of such Ordinances are hereby repealed.

SECTION 6. The provisions of this Ordinance are severable. However, in the event this Ordinance or any procedure provided in this Ordinance becomes unlawful, or is declared or determined by a judicial, administrative or legislative authority exercising its jurisdiction to be excessive, unenforceable, void, illegal or otherwise inapplicable, in whole, or in part, the remaining and lawful provisions shall be of full force and effect and the City shall promptly promulgate new revised provisions in compliance with the authority's decision or enactment.

SECTION 7. The City Secretary of the City of Celina is hereby directed to publish in the official newspaper of the City of Celina, the descriptive caption and effective date of this ordinance as required by Section 52.013 of the Local Government Code.

SECTION 8. The City Secretary is hereby directed to engross and enroll this Ordinance by copying the descriptive caption in the minutes of the City Council and by filing this ordinance in the ordinance records of the City.

SECTION 9. This Ordinance shall become effective from and after its date of passage in accordance with law.

IT IS SO ORDAINED.

PASSED AND APPROVED by the City Council of the City of Celina, Texas, this the 14th day of February 2023.

Service Agreement for C-3 Annexed Property

The undersigned parties have negotiated, and now enter into, this written Service Agreement for C-3 Annexed Property ("Agreement") pursuant to the authority provided by Section 43.0672, Texas Local Government Code ("LGC"). Pursuant to Section 43.056(l) of the LGC, this Agreement shall have a term of ten (10) years beginning on the date approved by the City Council of Celina. This Agreement is for the following property:

The Property is described in Exhibit A attached hereto and incorporated herein.

NOW THEREFORE, for and in consideration received and the mutual benefits contained herein, the undersigned parties agree to the following Service Plan:

A) SERVICE PLAN GENERALLY

- 1) This service plan has been prepared in accordance with the Texas Local Government Code, Sections 43.021; 43.065 and 43.056(b)-(o). Municipal facilities and services to the annexed area will be provided or made available on behalf of the City of Celina in accordance with the following plan. The City of Celina shall provide the annexed tract the levels of service, infrastructure, and infrastructure maintenance that are comparable to the levels of service, infrastructure, and infrastructure maintenance available in other parts of the City of Celina with similar topography, land use, and population density. The provisions of the service plan were made available for public inspection and explained at the two public hearings held by the City Council in accordance with LGC Section 43.056(j).
- 2) For purposes of this service plan, to "provide" services includes having services provided by any method or means by which the City provides municipal services to any other areas of the City, and may include causing or allowing private utilities, governmental entities and other public service organizations to provide such services by contract or right, in whole or in part, and may include duties on part of the private landowner with regard to such services.

B) EMERGENCY SERVICES

- 1) Police Protection
 - a) Police protection from the City of Celina Police Department shall be provided to the annexed area at a level consistent with current methods and procedures presently provided to similar areas on the effective date of the annexation ordinance. Some of these services include:
 - i) Normal patrol and responses;
 - ii) Handling of complaints and incident reports;
 - iii) Special units, such as traffic enforcement and investigations; and
 - iv) Coordination with other public safety support agencies.
 - b) As development commences in these areas, sufficient police protection, including personnel and equipment will be provided to furnish these areas with the level of police services consistent with the characteristics of topography, land utilization and population density of the areas.
 - c) Upon ultimate development, police protection will be provided at a level consistent with other similarly situated areas within the city limits.
- 2) Fire Protection
 - a) The Celina Fire Department will provide emergency and fire prevention services to the annexed area. These services include:
 - i) Fire suppression and rescue;
 - ii) Pre-hospital medical services including triage, treatment and transport by Advanced Life

- Support (ALS) fire engines, trucks and ambulances;
 - iii) Hazardous materials response and mitigation;
 - iv) Emergency prevention and public education efforts;
 - v) Technical rescue response; and
 - vi) Construction Plan Review and required inspections.
- b) Fire protection from the City of Celina shall be provided to the annexed area at a level consistent with current methods and procedures presently provided to similar areas of the City of Celina on the effective date of the annexation ordinance.
 - c) As development commences in these areas, sufficient fire protection, including personnel and equipment will be provided to furnish these areas with the level of services consistent with the characteristics of topography, land utilization and population density of the areas. It is anticipated that fire stations planned to service areas currently with the City of Celina will be sufficient to serve the annexed area.
 - d) Upon ultimate development, fire protection will be provided at a level consistent with similarly situated areas within the city limits.
- 3) Emergency Medical Services
- a) The Celina Fire Department will provide emergency and safety services to the annexed area. These services include:
 - i) Emergency medical dispatch and pre-arrival First Aid instructions;
 - ii) Pre-hospital emergency Advanced Life Support (ALS) response and transport; and
 - iii) Medical rescue services.
 - b) Emergency Medical Services (EMS) from the City of Celina shall be provided to the annexed area at a level consistent with current methods and procedures presently provided to similar areas of the City of Celina on the effective date of the annexation ordinance.
 - c) As development commences in these areas, sufficient EMS, including personnel and equipment, will be provided to furnish these areas with the level of services consistent with the characteristics of topography, land utilization, and population density of the areas.
 - d) Upon ultimate development, EMS will be provided at a level consistent with similarly situated areas within the city limits.

C) SOLID WASTE

- 1) Solid Waste and Recycling Collection Services will be provided to the annexed area immediately upon the effective date of the annexation at a level consistent with current methods and procedures presently provided to similar areas within the City. Private solid waste collection service providers operating in the affected area immediately prior to annexation and currently providing customers with service may continue to provide their existing service for up to two (2) years in accordance with Texas Local Government Code Section 43.056(n).

D) WASTEWATER FACILITIES

- 1) As development commences in these areas, sanitary sewer mains as defined by the Certificate of Convenience and Necessity (CCN) Number 20764, as issued by the Texas Commission on Environmental Quality (TCEQ) will be extended in accordance with the provisions of the City's codes, ordinances, regulations and policies. City participation in the costs of these extensions shall be in accordance with applicable City codes, ordinances, regulations and policies. Capacity and extensions shall be provided consistent with the characteristics of topography, land utilization, and population density of the areas. If the annexed area is in the CCN of another provider, wastewater service shall be provided in accordance with the policies of the CCN holder. In some instances, the City might acquire the CCN rights and become the new wastewater provider, in time.
- 2) Sanitary sewer mains and lift stations installed or improved to City standards, and accepted by the

City, within the annexed area which are located within dedicated easement, rights-of-way, or any other acceptable location approved by the City Manager or his designee, shall be maintained by the City on the effective date of this ordinance.

- 3) Operation and maintenance of wastewater facilities in the annexed area that are within the certificated service area of another wastewater utility will be the responsibility of that utility. Operation and maintenance of private wastewater facilities in the annexed area will be the responsibility of the owner.

E) WATER FACILITIES

- 1) Connections to existing City of Celina water distribution mains for water service as defined by Certificate of Convenience and Necessity (CCN) Number 12667, as issued by the Texas Commission on Environmental Quality (TCEQ) will be provided in accordance with existing City codes, ordinances, regulations and policies. Upon connection to existing distribution mains, water service will be provided at rates established by City ordinance. If the annexed area is in the CCN of another provider, water service shall be provided in accordance with the policies of the CCN holder. In some instances, the City might acquire the CCN rights and become the new water provider, in time.
- 2) As development commences in these areas, water distribution mains will be extended in accordance with City of Celina codes, ordinances, regulations and policies. City participation in the costs of these extensions shall be in accordance with the City of Celina's codes, ordinances, regulations and policies. Water service extensions and capacity shall be provided consistent with the characteristics of topography, land utilization, and population density of the area.
- 3) Operation and maintenance of existing water facilities in the annexed area that are within the service area of another water utility will be the responsibility of that utility. Operation and maintenance of private water facilities in the annexed area will be the responsibility of the owner.

F) ROAD AND STREETS

- 1) Emergency street maintenance shall be provided within the annexed area on the effective date of the applicable ordinance of acceptance. Routine maintenance will be provided within the annexed area and will be scheduled as part of the City's annual program and in accordance with the City's current codes, ordinances, regulations, policies and procedures defined therein and/or as established by the City Council.
- 2) Any construction or reconstruction will be considered within the annexed area on a City-wide basis and within the context of the City's Capital Improvement Plan and/or yearly fiscal budgetary allotments by the City Council. As development, improvement or construction of streets to City standards commences within this property, the policies of the City of Celina with regard to participation in the costs thereof, acceptance upon completion and maintenance after completion shall apply.
- 3) Roadway signage and associated posts will be replaced in priority of importance starting with regulatory signs, then warning signs, then informational signs and in conformance with fiscal allotments by the City Council. If a sign remains, it will be reviewed and placed on the City's inventory listed for routine re-placement. All existing signs will be reviewed for applicability and based upon an engineering study. New signs will be installed when necessary and based upon an engineering study.
- 4) Routine maintenance of road/street markings will be placed on a priority listing and scheduled within the yearly budgetary allotments by the City Council.
- 5) The City will coordinate any request for improved road and street lighting with the local electric provider. Any and all road and street lighting will be pursuant to the rules, regulations and fees of such electric utility and shall be maintained by the applicable utility company.

G) ENVIRONMENTAL HEALTH, INSPECTIONS AND CODE ENFORCEMENT SERVICES

- 1) Enforcement of the City's environmental health ordinances and regulations, including but not limited to, weed and brush ordinances, junked and abandoned vehicle ordinances and animal control ordinances, shall be provided within this area sixty (60) days of the effective date of the annexation ordinance. These ordinances and regulations will be enforced through the use of existing personnel.
- 2) Inspection services including the review of building plans, the issuance of permits and the inspection of all buildings, plumbing, mechanical and electrical work to ensure compliance with City codes and ordinances will continue to be provided after the effective date of the annexation ordinance. Existing personnel will be used to provide these services.
- 3) The City's zoning, subdivision, sign and other ordinances shall be enforced in this area beginning upon the effective date of the annexation.
- 4) All inspection services furnished by the City of Celina, but not mentioned above, will be provided to this area beginning within sixty (60) days of the effective date of the annexed ordinance.
- 5) As development and construction commence in this area, sufficient personnel will be provided to furnish this area the same level of environmental health, inspection and code enforcement services as are furnished throughout the City.

H) PLANNING AND ZONING SERVICES

- 1) The Planning and zoning jurisdiction of the City will extend to this area upon the effective date of the annexation ordinance. City planning will thereafter encompass this property, and it shall be entitled to consideration for zoning in accordance with the City's Zoning Ordinance and Comprehensive Plan.

I) PARKS, PLAYGROUNDS, LIBRARIES, SWIMMING POOLS

- 1) Residents within the annexed area may utilize all existing park and recreation facilities, on the effective date of this ordinance. Fees for such usage shall be in accordance with current fees established by ordinance.
- 2) As development commences in the area, additional park and recreation facilities shall be constructed based on park policies defined in the Park Master Plan and as specified in the Park Dedication Ordinance. The general planned locations and classifications of parks will ultimately serve residents from the current City limits and residents from areas being considered for annexation.

J) PUBLICLY OWNED FACILITIES

- 1) Any publicly owned facility, building, or service located within the annexed area, and not otherwise owned or maintained by another governmental entity, shall be maintained by the City of Celina on the effective date of the annexation ordinance.

K) OTHER SERVICES

- 1) Other services that may be provided by the City of Celina, such as municipal and general administration will be made available on the effective date of the annexation. The City of Celina shall provide levels of service, infrastructure, and infrastructure maintenance that are comparable to the levels of services, infrastructure, and infrastructure maintenance available in other parts of the City of Celina with similar topography, land use, and population density similar to those reasonably contemplated or projected in the area.

L) UNIFORM LEVEL OF SERVICES IS NOT REQUIRED

- 1) Nothing in this Service Plan shall require the City of Celina to provide a uniform level of full

municipal services to each area of the City, including the annexed areas, if different characteristics of topography, land use, and population density are considered a sufficient basis for provided different levels of service. The City Council finds and determines that this Service Plan will not provide any fewer services, and it will not provide a lower level of services, than were in existence in the annexed area at the time immediately preceding the annexation process.

- 2) The City of Celina's codes, ordinances, regulations and policies that apply throughout the City may be reviewed at City Hall and at <http://www.franklinlegal.net/codes.html>.

M) TERM

- 1) This Service Plan shall be valid for a term of ten (10) years. Renewal of the Service Plan shall be at the discretion of the City Council and must be approved by ordinance.

N) AMENDMENTS

- 1) This Service Plan may be amended if the City Council determines at a public hearing that changed conditions or subsequent occurrences make this Service Plan unworkable or obsolete. The City Council may amend the Service Plan to conform to the changed conditions, subsequent occurrences or any other legally sufficient circumstances exist pursuant to the LGC or other Texas or Federal laws that make this service plan unworkable, obsolete or unlawful.

Service Agreement for C-3 Annexed Property

The undersigned parties have negotiated, and now enter into, this written Service Agreement for C-3 Annexed Property ("Agreement") pursuant to the authority provided by Section 43.0672, Texas Local Government Code ("LGC"). Pursuant to Section 43.056(l) of the LGC, this Agreement shall have a term of ten (10) years beginning on the date approved by the City Council of Celina. This Agreement is for the following property:

The Property is described in Exhibit A attached hereto and incorporated herein.

NOW THEREFORE, for and in consideration received and the mutual benefits contained herein, the undersigned parties agree to the following Service Plan:

A) SERVICE PLAN GENERALLY

- 1) This service plan has been prepared in accordance with the Texas Local Government Code, Sections 43.021; 43.065 and 43.056(b)-(o). Municipal facilities and services to the annexed area will be provided or made available on behalf of the City of Celina in accordance with the following plan. The City of Celina shall provide the annexed tract the levels of service, infrastructure, and infrastructure maintenance that are comparable to the levels of service, infrastructure, and infrastructure maintenance available in other parts of the City of Celina with similar topography, land use, and population density. The provisions of the service plan were made available for public inspection and explained at the two public hearings held by the City Council in accordance with LGC Section 43.056(j).
- 2) For purposes of this service plan, to "provide" services includes having services provided by any method or means by which the City provides municipal services to any other areas of the City, and may include causing or allowing private utilities, governmental entities and other public service organizations to provide such services by contract or right, in whole or in part, and may include duties on part of the private landowner with regard to such services.

B) EMERGENCY SERVICES

- 1) Police Protection
 - a) Police protection from the City of Celina Police Department shall be provided to the annexed area at a level consistent with current methods and procedures presently provided to similar areas on the effective date of the annexation ordinance. Some of these services include:
 - i) Normal patrol and responses;
 - ii) Handling of complaints and incident reports;
 - iii) Special units, such as traffic enforcement and investigations; and
 - iv) Coordination with other public safety support agencies.
 - b) As development commences in these areas, sufficient police protection, including personnel and equipment will be provided to furnish these areas with the level of police services consistent with the characteristics of topography, land utilization and population density of the areas.
 - c) Upon ultimate development, police protection will be provided at a level consistent with other similarly situated areas within the city limits.
- 2) Fire Protection
 - a) The Celina Fire Department will provide emergency and fire prevention services to the annexed area. These services include:
 - i) Fire suppression and rescue;
 - ii) Pre-hospital medical services including triage, treatment and transport by Advanced Life

- Support (ALS) fire engines, trucks and ambulances;
 - iii) Hazardous materials response and mitigation;
 - iv) Emergency prevention and public education efforts;
 - v) Technical rescue response; and
 - vi) Construction Plan Review and required inspections.
- b) Fire protection from the City of Celina shall be provided to the annexed area at a level consistent with current methods and procedures presently provided to similar areas of the City of Celina on the effective date of the annexation ordinance.
 - c) As development commences in these areas, sufficient fire protection, including personnel and equipment will be provided to furnish these areas with the level of services consistent with the characteristics of topography, land utilization and population density of the areas. It is anticipated that fire stations planned to service areas currently with the City of Celina will be sufficient to serve the annexed area.
 - d) Upon ultimate development, fire protection will be provided at a level consistent with similarly situated areas within the city limits.
- 3) Emergency Medical Services
- a) The Celina Fire Department will provide emergency and safety services to the annexed area. These services include:
 - i) Emergency medical dispatch and pre-arrival First Aid instructions;
 - ii) Pre-hospital emergency Advanced Life Support (ALS) response and transport; and
 - iii) Medical rescue services.
 - b) Emergency Medical Services (EMS) from the City of Celina shall be provided to the annexed area at a level consistent with current methods and procedures presently provided to similar areas of the City of Celina on the effective date of the annexation ordinance.
 - c) As development commences in these areas, sufficient EMS, including personnel and equipment, will be provided to furnish these areas with the level of services consistent with the characteristics of topography, land utilization, and population density of the areas.
 - d) Upon ultimate development, EMS will be provided at a level consistent with similarly situated areas within the city limits.

C) SOLID WASTE

- 1) Solid Waste and Recycling Collection Services will be provided to the annexed area immediately upon the effective date of the annexation at a level consistent with current methods and procedures presently provided to similar areas within the City. Private solid waste collection service providers operating in the affected area immediately prior to annexation and currently providing customers with service may continue to provide their existing service for up to two (2) years in accordance with Texas Local Government Code Section 43.056(n).

D) WASTEWATER FACILITIES

- 1) As development commences in these areas, sanitary sewer mains as defined by the Certificate of Convenience and Necessity (CCN) Number 20764, as issued by the Texas Commission on Environmental Quality (TCEQ) will be extended in accordance with the provisions of the City's codes, ordinances, regulations and policies. City participation in the costs of these extensions shall be in accordance with applicable City codes, ordinances, regulations and policies. Capacity and extensions shall be provided consistent with the characteristics of topography, land utilization, and population density of the areas. If the annexed area is in the CCN of another provider, wastewater service shall be provided in accordance with the policies of the CCN holder. In some instances, the City might acquire the CCN rights and become the new wastewater provider, in time.
- 2) Sanitary sewer mains and lift stations installed or improved to City standards, and accepted by the

City, within the annexed area which are located within dedicated easement, rights-of-way, or any other acceptable location approved by the City Manager or his designee, shall be maintained by the City on the effective date of this ordinance.

- 3) Operation and maintenance of wastewater facilities in the annexed area that are within the certificated service area of another wastewater utility will be the responsibility of that utility. Operation and maintenance of private wastewater facilities in the annexed area will be the responsibility of the owner.

E) WATER FACILITIES

- 1) Connections to existing City of Celina water distribution mains for water service as defined by Certificate of Convenience and Necessity (CCN) Number 12667, as issued by the Texas Commission on Environmental Quality (TCEQ) will be provided in accordance with existing City codes, ordinances, regulations and policies. Upon connection to existing distribution mains, water service will be provided at rates established by City ordinance. If the annexed area is in the CCN of another provider, water service shall be provided in accordance with the policies of the CCN holder. In some instances, the City might acquire the CCN rights and become the new water provider, in time.
- 2) As development commences in these areas, water distribution mains will be extended in accordance with City of Celina codes, ordinances, regulations and policies. City participation in the costs of these extensions shall be in accordance with the City of Celina's codes, ordinances, regulations and policies. Water service extensions and capacity shall be provided consistent with the characteristics of topography, land utilization, and population density of the area.
- 3) Operation and maintenance of existing water facilities in the annexed area that are within the service area of another water utility will be the responsibility of that utility. Operation and maintenance of private water facilities in the annexed area will be the responsibility of the owner.

F) ROAD AND STREETS

- 1) Emergency street maintenance shall be provided within the annexed area on the effective date of the applicable ordinance of acceptance. Routine maintenance will be provided within the annexed area and will be scheduled as part of the City's annual program and in accordance with the City's current codes, ordinances, regulations, policies and procedures defined therein and/or as established by the City Council.
- 2) Any construction or reconstruction will be considered within the annexed area on a City-wide basis and within the context of the City's Capital Improvement Plan and/or yearly fiscal budgetary allotments by the City Council. As development, improvement or construction of streets to City standards commences within this property, the policies of the City of Celina with regard to participation in the costs thereof, acceptance upon completion and maintenance after completion shall apply.
- 3) Roadway signage and associated posts will be replaced in priority of importance starting with regulatory signs, then warning signs, then informational signs and in conformance with fiscal allotments by the City Council. If a sign remains, it will be reviewed and placed on the City's inventory listed for routine re-placement. All existing signs will be reviewed for applicability and based upon an engineering study. New signs will be installed when necessary and based upon an engineering study.
- 4) Routine maintenance of road/street markings will be placed on a priority listing and scheduled within the yearly budgetary allotments by the City Council.
- 5) The City will coordinate any request for improved road and street lighting with the local electric provider. Any and all road and street lighting will be pursuant to the rules, regulations and fees of such electric utility and shall be maintained by the applicable utility company.

G) ENVIRONMENTAL HEALTH, INSPECTIONS AND CODE ENFORCEMENT SERVICES

- 1) Enforcement of the City's environmental health ordinances and regulations, including but not limited to, weed and brush ordinances, junked and abandoned vehicle ordinances and animal control ordinances, shall be provided within this area sixty (60) days of the effective date of the annexation ordinance. These ordinances and regulations will be enforced through the use of existing personnel.
- 2) Inspection services including the review of building plans, the issuance of permits and the inspection of all buildings, plumbing, mechanical and electrical work to ensure compliance with City codes and ordinances will continue to be provided after the effective date of the annexation ordinance. Existing personnel will be used to provide these services.
- 3) The City's zoning, subdivision, sign and other ordinances shall be enforced in this area beginning upon the effective date of the annexation.
- 4) All inspection services furnished by the City of Celina, but not mentioned above, will be provided to this area beginning within sixty (60) days of the effective date of the annexed ordinance.
- 5) As development and construction commence in this area, sufficient personnel will be provided to furnish this area the same level of environmental health, inspection and code enforcement services as are furnished throughout the City.

H) PLANNING AND ZONING SERVICES

- 1) The Planning and zoning jurisdiction of the City will extend to this area upon the effective date of the annexation ordinance. City planning will thereafter encompass this property, and it shall be entitled to consideration for zoning in accordance with the City's Zoning Ordinance and Comprehensive Plan.

I) PARKS, PLAYGROUNDS, LIBRARIES, SWIMMING POOLS

- 1) Residents within the annexed area may utilize all existing park and recreation facilities, on the effective date of this ordinance. Fees for such usage shall be in accordance with current fees established by ordinance.
- 2) As development commences in the area, additional park and recreation facilities shall be constructed based on park policies defined in the Park Master Plan and as specified in the Park Dedication Ordinance. The general planned locations and classifications of parks will ultimately serve residents from the current City limits and residents from areas being considered for annexation.

J) PUBLICLY OWNED FACILITIES

- 1) Any publicly owned facility, building, or service located within the annexed area, and not otherwise owned or maintained by another governmental entity, shall be maintained by the City of Celina on the effective date of the annexation ordinance.

K) OTHER SERVICES

- 1) Other services that may be provided by the City of Celina, such as municipal and general administration will be made available on the effective date of the annexation. The City of Celina shall provide levels of service, infrastructure, and infrastructure maintenance that are comparable to the levels of services, infrastructure, and infrastructure maintenance available in other parts of the City of Celina with similar topography, land use, and population density similar to those reasonably contemplated or projected in the area.

L) UNIFORM LEVEL OF SERVICES IS NOT REQUIRED

- 1) Nothing in this Service Plan shall require the City of Celina to provide a uniform level of full

municipal services to each area of the City, including the annexed areas, if different characteristics of topography, land use, and population density are considered a sufficient basis for provided different levels of service. The City Council finds and determines that this Service Plan will not provide any fewer services, and it will not provide a lower level of services, than were in existence in the annexed area at the time immediately preceding the annexation process.

- 2) The City of Celina's codes, ordinances, regulations and policies that apply throughout the City may be reviewed at City Hall and at <http://www.franklinlegal.net/codes.html>.

M) TERM

- 1) This Service Plan shall be valid for a term of ten (10) years. Renewal of the Service Plan shall be at the discretion of the City Council and must be approved by ordinance.

N) AMENDMENTS

- 1) This Service Plan may be amended if the City Council determines at a public hearing that changed conditions or subsequent occurrences make this Service Plan unworkable or obsolete. The City Council may amend the Service Plan to conform to the changed conditions, subsequent occurrences or any other legally sufficient circumstances exist pursuant to the LGC or other Texas or Federal laws that make this service plan unworkable, obsolete or unlawful.

CELINA MARKETPLACE

Rezoning

City Council
February 14, 2023

LOCATION MAP

The subject property is generally located at the northwest corner of Preston Road and future Oklahoma Drive

BACKGROUND

- The subject property is approximately 7 acres
- The property is currently zoned Agricultural District (AG)
- The applicant is proposing to rezone the property to Commercial, Office, & Retail District (C) with the Preston Road Overlay (PRO)
- The subject property has no immediate plans to develop

POLICY CONSIDERATIONS

- Commercial, Office, & Retail District (C) is an appropriate zoning district for properties along the Preston corridor
- Commercial zoning will allow the property owner to better market the tract
- The site will need to meet the City's design standards as they exist at the time of development

RECOMMENDATION

- The Planning & Zoning Commission unanimously recommended approval of the request at its January regular meeting
- Staff recommends approval as presented

CITY OF CELINA, TEXAS

ORDINANCE 2023-_____
CELINA MARKETPLACE

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, AMENDING ORDINANCE NO. 2006-57, AS HERETOFORE AMENDED, THE SAME BEING THE COMPREHENSIVE ZONING ORDINANCE, AND AMENDING THE OFFICIAL ZONING MAP OF THE CITY BY DESIGNATING THE ZONING OF LAND THAT IS APPROXIMATELY 7 ACRES LOCATED IN THE COLLIN COUNTY SCHOOL LAND SURVEY, ABSTRACT NO. 170, COLLIN COUNTY, TEXAS, AND GENERALLY LOCATED AT THE NORTHWEST CORNER OF PRESTON ROAD AND FUTURE OKLAHOMA DRIVE; AS DESCRIBED IN EXHIBIT “A” AND DEPICTED IN EXHIBIT “B” AND INCORPORATED HEREIN TO BE REZONED FROM AGRICULTURAL DISTRICT (AG), TO COMMERCIAL, OFFICE, & RETAIL DISTRICT (C) WITH THE PRESTON ROAD OVERLAY (PRO); PROVIDING FOR INCORPORATION OF PREMISES, FINDINGS, AMENDMENT OF ZONING CLASSIFICATION, ZONING DESIGNATION AND DEVELOPMENT REGULATIONS, REVISION OF ZONING MAP, COMPLIANCE; PROVIDING FOR A PENALTY NOT TO EXCEED \$2,000.00 PER OFFENSE AND OTHER ENFORCEMENT MECHANISMS; PROVIDING CUMULATIVE REPEALER, SAVINGS AND SEVERABILITY CLAUSES; PROVIDING FOR PUBLICATION; PROVIDING FOR ENGROSSMENT AND ENROLLMENT; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Celina is a home rule municipality located in Collin and Denton County, Texas created in accordance with the provisions of the Texas Local Government Code, The Texas Constitution and operating pursuant to the enabling legislation of the state of Texas; and

WHEREAS, the City Council of the City of Celina, Texas (the “City Council”) is empowered under Local Government Code 54.001 to do all acts and make all regulations which may be necessary or expedient for the promotion of the public health, safety, and general welfare; and

WHEREAS, Section 211.003 of the Texas Local Government Code, empowers a municipality to, among other things, establish and amend zoning districts, classifications of land use, adopt a comprehensive plan to regulate the use of land and open spaces, adopt and amend zoning regulations, regulate population density, and regulate the use and location of buildings; and

WHEREAS, the establishment of a zoning classification has been requested for the property more specifically described in Exhibit “A” and depicted in Exhibit “B”, attached hereto and incorporated as though fully set forth herein (the “Property”); and

WHEREAS, the City Council has considered, among other things, the character of the property and its suitability for particular uses, with a view of encouraging the most appropriate use of land in the City, and is in the interest of public health, safety, and welfare, and does hereby find that the requested zoning accomplishes such objectives and is consistent with the provisions of the Celina 2040 Comprehensive Plan of the City of Celina; and

WHEREAS, the Planning and Zoning Commission of the City of Celina and the City Council of the City of Celina, in compliance with the laws of the State of Texas and the ordinances of the City of Celina, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a

Attachment: Draft Ordinance (Celina Marketplace - Rezoning)

full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area and in the vicinity thereof; and

WHEREAS, the City Council, in the exercise of its legislative discretion has concluded that the zoning classification on the tract of land described herein should be changed and the zoning map so amended.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS:

SECTION 1
INCORPORATION OF PREMISES

The above and foregoing premises are true and correct and are incorporated herein and made a part hereof for all purposes.

SECTION 2
FINDINGS

After due deliberations the City Council has concluded that the adoption of this Ordinance is in the best interest of the City of Celina, Texas and of the public health, safety, and welfare.

SECTION 3
AMENDMENT OF ZONING CLASSIFICATION

That Ordinance No. 2006-57 of the City of Celina, Texas, as heretofore amended, the same being the City's Comprehensive Zoning Ordinance, is hereby amended to establish the zoning classification for the Property as Commercial, Office, & Retail District (C) with the Preston Road Overlay (PRO).

SECTION 4
ZONING DESIGNATION AND DEVELOPMENT REGULATIONS

That Ordinance No. 2006-57 of the City of Celina, Texas, as heretofore amended, the same being the City's Comprehensive Zoning Ordinance, is hereby amended by designating the zoning on the land described in Exhibit "A" and depicted in Exhibit "B", attached hereto and incorporated herein, as Commercial, Office, & Retail District (C) with the Preston Road Overlay (PRO).

SECTION 5
REVISION OF ZONING MAP

That the City Manager for the City of Celina is hereby directed to mark and indicate on the official Zoning District Map of the City the zoning change herein made.

SECTION 6
COMPLIANCE REQUIRED

That the property described on Exhibit "A" and depicted in Exhibit "B" hereto shall be used only in the manner and for the purposes provided for in this ordinance and the Comprehensive Zoning Ordinance, of the City of Celina as amended.

SECTION 7
PENALTY

7.01 Any person, firm or corporation violating any of the provisions or terms of this ordinance or of the Code of Ordinances as amended hereby, shall be subject to the same penalty as provided for in the Code of

Ordinances of the City of Celina, and upon conviction shall be punished by a fine not to exceed Two Thousand Dollars (\$2,000.00) for each offense.

7.02 If the governing body of the City of Celina determines that a violation of this Ordinance has occurred, the City of Celina may bring suit in district court to enjoin the person, firm, partnership, corporation, or association from engaging in the prohibited activity.

SECTION 8 **CUMULATIVE REPEALER CLAUSE**

This Ordinance shall be cumulative of all other Ordinances and shall not repeal any of the provisions of such Ordinances except for those instances where there are direct conflicts with the provisions of this Ordinance. Ordinances, or parts thereof, in force at the time this Ordinance shall take effect and that are inconsistent with this Ordinance are hereby repealed to the extent that they are inconsistent with this Ordinance. Provided however, that any complaint, action, claim or lawsuit which has been initiated or has arisen under or pursuant to such other Ordinances on this date of adoption of this Ordinance shall continue to be governed by the provisions of such Ordinance and for that purpose the Ordinance shall remain in full force and effect.

SECTION 9 **SAVINGS CLAUSE**

All rights and remedies of the City of Celina, Texas are expressly saved as to any and all violations of the provisions of any other ordinance affecting zoning regulation which have secured at the time of the effective date of this ordinance; and, as to such accrued violations and all pending litigation, both civil and criminal, whether pending in court or not, under such ordinances same shall not be affected by this Ordinance but may be prosecuted until final disposition by the court.

SECTION 10 **SEVERABILITY**

The provisions of the Ordinance are severable. However, in the event this Ordinance or any procedure provided in this Ordinance becomes unlawful, or is declared or determined by a judicial, administrative, or legislative authority exercising its jurisdiction to be excessive, unenforceable, void, illegal or otherwise inapplicable, in whole or in part, the remaining and lawful provisions shall be of full force and effect and the City shall promptly promulgate new revised provisions in compliance with the authority's decisions or enactment.

SECTION 11 **PUBLICATION CLAUSE**

The City Secretary of the City of Celina is hereby directed to publish in the Official Newspaper of the City of Celina the Caption, and Effective Date of this Ordinance as required by Section 52.013 of the Local Government Code.

SECTION 12 **ENGROSSMENT AND ENROLLMENT**

The City Secretary is hereby directed to engross and enroll this Ordinance by copying the descriptive Caption in the minutes of the City Council and by filing this Ordinance in the Ordinance records of the City.

SECTION 13 **EFFECTIVE DATE**

This Ordinance shall become effective from and after its date of passage and publication as required by law.

AND IT IS SO ORDAINED.

PASSED AND APPROVED by the City Council of the City of Celina, Texas this 14th day of February, 2023.

Development Services
City of Celina, Texas

Memorandum

To: Honorable Mayor Terry and the Celina City Council
From: Dusty McAfee AICP, Director of Development Services
CC: Jason Laumer, City Manager
Date: February 14, 2023
Re: Ariana - C-3 Expedited Annexation

Action Requested:

Conduct a public hearing to consider and act upon an ordinance on the voluntary annexation of approximately 149 acres, generally located at the northwest corner of Louisiana Drive and future G.A. Moore Parkway, within the Extraterritorial Jurisdiction (ETJ). (Ariana – C-3 Expedited Annexation) (McAfee)

Applicant:

Ariana, LLC
6850 TPC Drive, Suite 104
McKinney, TX 75070

Background Information:

This item is for the annexation of approximately 149 acres, generally located at the northwest corner of Louisiana Drive and future G.A. Moore Parkway. Please refer to the attached documents as well as the associated annexation service agreement and zoning agenda items for further information.

Supporting Documents:

- Location Map
- Staff Presentation
- Draft Ordinance

Staff Recommendation:

Staff recommends approval.

Attachment: Location Map (Ariana – C-3 Expedited Annexation)

ARIANA

Annexation & Zoning

City Council
February 14, 2023

LOCATION MAP

The subject property is generally located at the northwest corner of Louisiana Drive and G. A. Moore Parkway

Attachment: Staff Presentation (Ariana – C-3 Expedited Annexation)

BACKGROUND

- The Development Agreement (DA) was approved by City Council in December 2022, which outlined its future annexation and zoning
- The property is approximately 149 acres and currently within the Extraterritorial Jurisdiction (ETJ)
- Ariana is an expansion of the North Sky development to the north

CONCEPT PLAN

Attachment: Staff Presentation (Ariana – C-3 Expedited Annexation)

NORTH SKY CONCEPT PLAN

PROJECT OVERVIEW

- Minimum 5 acres commercial
- Townhome is an allowed use
- Maximum 180 units of horizontal multi-family (no MF-2 or MF-3)
- Detached single-family with a mix of lot sizes
 - 10% $\frac{1}{4}$ acre and $\frac{3}{4}$ acre lots
 - 15% 60' wide lots
 - 35% 55' wide lots
 - 20% 40' wide lots
 - Townhome limited to 20%

POLICY CONSIDERATIONS

- Annexation and zoning brings an additional 149 acres into the City Limits
- City standards apply (architecture, landscape, etc.)
- The proposed development plan is in conformance with the city's long-range plans
- The project is an extension of a master planned community currently under construction (North Sky)
- The proposed lot mix offers a wide variety of housing choice
- The request conforms with the governing DA

RECOMMENDATION

- There was no public feedback at the public hearing
- The Planning & Zoning Commission unanimously recommended approval of the request at its January regular meeting
- Staff recommends approval as presented, per the governing DA

**CITY OF CELINA, TEXAS
ORDINANCE NO. 2023-_____
ARIANA C-3 ANNEXATION**

AN ORDINANCE OF THE CITY OF CELINA, TEXAS, ADOPTING THE ANNEXATION OF CERTAIN TERRITORY LOCATED IN THE EXTRATERRITORIAL JURISDICTION OF THE CITY OF CELINA, TEXAS, TO WIT: BEING AN APPROXIMATELY 149 ACRE TRACT OF LAND, COLLIN COUNTY, TEXAS, AND BEING MORE PARTICULARLY DESCRIBED AND GRAPHICALLY DEPICTED IN EXHIBIT “A”, SUCH TRACT IS GENERALLY LOCATED AT THE NORTHWEST CORNER OF LOUISIANA DRIVE AND FUTURE G.A. MOORE PARKWAY, AND ALL ADJACENT RIGHTS-OF-WAY; PROVIDING FOR INCORPORATION OF PREMISES, AMENDING OF THE OFFICIAL CITY MAP, AND ACKNOWLEDGING A SERVICE PLAN; REQUIRING THE FILING OF THIS ORDINANCE WITH THE COUNTY CLERK; PRESCRIBING FOR EFFECT ON TERRITORY, GRANTING AS APPROPRIATE TO ALL THE INHABITANTS OF SAID PROPERTY ALL THE RIGHTS AND PRIVILEGES OF OTHER CITIZENS AND BINDING SAID INHABITANTS BY ALL OF THE ACTS, ORDINANCES, RESOLUTIONS, AND REGULATIONS OF THE CITY OF CELINA, TEXAS; PROVIDING CUMULATIVE REPEALER, SEVERABILITY AND SAVINGS CLAUSES; PROVIDING FOR ENGROSSMENT AND ENROLLMENT; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Celina is a Home Rule Municipality located in Collin and Denton County, Texas, created in accordance with the provisions of the Texas Local Government Code and operating pursuant to the enabling legislation of the State of Texas and the Celina City Charter (the “City”); and

WHEREAS, following receipt of a request from each owner (the “Owners”) of the Property (defined below) requesting annexation, a public hearing was conducted in accordance with Section 43.0673 of the Texas Local Government Code, on the 14th day of February, 2023, in the Celina Council Chambers located at 112 N. Colorado St. in the City of Celina, to consider the annexation of the property being more particularly described and depicted in Exhibit “A”, attached hereto and incorporated as if fully set forth herein (the “Property”); and

WHEREAS, any and all required written notices and offers were timely sent to all property owners and others entitled to same; and

WHEREAS, the notices of the public hearings were published in *The Celina Record*, a newspaper of general circulation within the City of Celina, Texas, on the 30th day of January, 2023, such date being not more than twenty (20) days nor less than ten (10) days prior to each public hearing; and

WHEREAS, all required statutory notices pursuant to Chapter 43 of the Texas Local Government Code have been accomplished, including posting on the City’s internet website; and

WHEREAS, the City Council of the City of Celina, Texas has determined that the Property is located in the extraterritorial jurisdiction of the City of Celina, Texas; and

WHEREAS, the City Council of the City of Celina, Texas has investigated into, has determined and officially finds that no part of the Property is within the extraterritorial jurisdiction of any other incorporated city or town; and

WHEREAS, to the extent that this Ordinance would cause an unincorporated area to be entirely surrounded by the City of Celina’s limits, the City Council has found - and incorporates herein its finding - that surrounding the area is in the public interest; and

WHEREAS, the Owners and the City have entered into a written agreement, with a ten (10) year term, regarding services to be provided for the Property prior to the effective date of annexation of the

Property, the substantive body of which is attached hereto as Exhibit “B”, attached hereto and incorporated as if fully set forth herein.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1
INCORPORATION OF PREMISES

The above and foregoing premises are true and correct and are incorporated herein and made a part hereof for all purposes.

SECTION 2
OFFICIAL CITY MAP AMENDED

1. The official map and boundaries of the City are hereby amended so as to include the Property and any and all adjacent rights-of-way, and that such territory shall be and is hereby annexed into the corporate limits of the City.
2. The Mayor is hereby directed and authorized to perform or cause to be performed all acts necessary to correct the official map of the City to add the territory hereby annexed as required by law.

SECTION 3
ANNEXATION OF AREA

The Property, and any and all adjacent rights-of-way, is hereby annexed into the City, and that the boundary limits of the City be and the same are hereby extended to include the Property and any and all adjacent rights-of-way within the city limits of the City, and the same shall hereafter be included within the territorial limits of the City, and the inhabitants thereof shall hereafter be entitled to all the rights and privileges of other citizens of the City and they shall be bound by the acts, ordinances, resolutions, and regulations of the City.

SECTION 4
FILING OF ORDINANCE REQUIRED

The City Secretary shall file or cause to be filed a certified copy of this Ordinance in the office of the County Clerk of each county in which all or a portion of the Property and any and all adjacent rights-of-way is located, and any other necessary agencies, including the United States Department of Justice.

SECTION 5
EFFECT ON TERRITORY

From and after the passage of this Ordinance, the Property and any and all adjacent rights-of-way shall be a part of the City of Celina, Texas, and subject to the service agreement referenced in the above Premises incorporated by Section 1 of this Ordinance. The inhabitants thereof shall be entitled to all of the rights, privileges and immunities as all other citizens of the City of Celina, Texas, and shall be bound by all of the Ordinances and regulations enacted pursuant to and in conformity with the general laws of the State of Texas.

SECTION 6
CUMULATIVE REPEALER

This Ordinance shall be cumulative of all other Ordinances and shall not repeal any of the provisions of such Ordinances except for those instances where there are direct conflicts with the provisions of this Ordinance. Ordinances, or parts thereof, in force at the time this Ordinance shall take effect and that are inconsistent with this Ordinance are hereby repealed to the extent that they are inconsistent with this Ordinance.

SECTION 7
SEVERABILITY

If any section, article, paragraph, sentence, clause, phrase or word in this Ordinance, or application thereof to any person or circumstance, is held invalid or unconstitutional by a Court of competent jurisdiction, such holding shall not affect the validity of the remaining portions of the Ordinance, and the City Council hereby declares it would have passed such remaining portions of the Ordinance despite such invalidity, which remaining portions shall remain in full force and effect. The City Council hereby declares that if there is an error in any call or description in Exhibit "A" preventing any portion of the Property and any and all adjacent rights-of-way from being annexed, the City Council would have annexed all remaining area having correct calls or descriptions and or would have corrected the call or description to include the entire intended area in this annexation.

SECTION 8
ENGROSSMENT AND ENROLLMENT

The City Secretary of the City of Celina is hereby directed to engross and enroll this Ordinance by copying the Caption in the minutes of the City Council of the City of Celina and by filing this Ordinance in the Ordinance records of the City.

SECTION 9
EFFECTIVE DATE

This Ordinance shall be in full force and effect from and after its date of passage.

AND IT IS SO ORDAINED.

PASSED AND APPROVED by the City Council of the City of Celina, Texas, on this 14th day of February, 2023.

Attachment: Draft Ordinance (Ariana – C-3 Expedited Annexation)

Attachment: Draft Ordinance (Ariana – C-3 Expedited Annexation)

Exhibit “B”**Substance from body of executed Service Agreement for C-3 Annexed Property****A) SERVICE PLAN GENERALLY**

- 1) This service plan has been prepared in accordance with the Texas Local Government Code, Sections 43.021; 43.065 and 43.056(b)-(o). Municipal facilities and services to the annexed area will be provided or made available on behalf of the City of Celina in accordance with the following plan. The City of Celina shall provide the annexed tract the levels of service, infrastructure, and infrastructure maintenance that are comparable to the levels of service, infrastructure, and infrastructure maintenance available in other parts of the City of Celina with similar topography, land use, and population density. The provisions of the service plan were made available for public inspection and explained at the two public hearings held by the City Council in accordance with LGC Section 43.056(j).
- 2) For purposes of this service plan, to “provide” services includes having services provided by any method or means by which the City provides municipal services to any other areas of the City, and may include causing or allowing private utilities, governmental entities and other public service organizations to provide such services by contract or right, in whole or in part, and may include duties on part of the private landowner with regard to such services.

B) EMERGENCY SERVICES

- 1) Police Protection
 - a) Police protection from the City of Celina Police Department shall be provided to the annexed area at a level consistent with current methods and procedures presently provided to similar areas on the effective date of the annexation ordinance. Some of these services include:
 - i) Normal patrol and responses;
 - ii) Handling of complaints and incident reports;
 - iii) Special units, such as traffic enforcement and investigations; and
 - iv) Coordination with other public safety support agencies.
 - b) As development commences in these areas, sufficient police protection, including personnel and equipment will be provided to furnish these areas with the level of police services consistent with the characteristics of topography, land utilization and population density of the areas.
 - c) Upon ultimate development, police protection will be provided at a level consistent with other similarly situated areas within the city limits.
- 2) Fire Protection
 - a) The Celina Fire Department will provide emergency and fire prevention services to the annexed area. These services include:
 - i) Fire suppression and rescue;
 - ii) Pre-hospital medical services including triage, treatment and transport by Advanced Life Support (ALS) fire engines, trucks and ambulances;
 - iii) Hazardous materials response and mitigation;
 - iv) Emergency prevention and public education efforts;
 - v) Technical rescue response; and
 - vi) Construction Plan Review and required inspections.
 - b) Fire protection from the City of Celina shall be provided to the annexed area at a level consistent with current methods and procedures presently provided to similar areas of the City of Celina on the effective date of the annexation ordinance.
 - c) As development commences in these areas, sufficient fire protection, including personnel and

- equipment will be provided to furnish these areas with the level of services consistent with the characteristics of topography, land utilization and population density of the areas. It is anticipated that fire stations planned to service areas currently with the City of Celina will be sufficient to serve the annexed area.
- d) Upon ultimate development, fire protection will be provided at a level consistent with similarly situated areas within the city limits.
- 3) Emergency Medical Services
- a) The Celina Fire Department will provide emergency and safety services to the annexed area. These services include:
 - i) Emergency medical dispatch and pre-arrival First Aid instructions;
 - ii) Pre-hospital emergency Advanced Life Support (ALS) response and transport; and
 - iii) Medical rescue services.
 - b) Emergency Medical Services (EMS) from the City of Celina shall be provided to the annexed area at a level consistent with current methods and procedures presently provided to similar areas of the City of Celina on the effective date of the annexation ordinance.
 - c) As development commences in these areas, sufficient EMS, including personnel and equipment, will be provided to furnish these areas with the level of services consistent with the characteristics of topography, land utilization, and population density of the areas.
 - d) Upon ultimate development, EMS will be provided at a level consistent with similarly situated areas within the city limits.

C) SOLID WASTE

- 1) Solid Waste and Recycling Collection Services will be provided to the annexed area immediately upon the effective date of the annexation at a level consistent with current methods and procedures presently provided to similar areas within the City. Private solid waste collection service providers operating in the affected area immediately prior to annexation and currently providing customers with service may continue to provide their existing service for up to two (2) years in accordance with Texas Local Government Code Section 43.056(n).

D) WASTEWATER FACILITIES

- 1) As development commences in these areas, sanitary sewer mains as defined by the Certificate of Convenience and Necessity (CCN) Number 20764, as issued by the Texas Commission on Environmental Quality (TCEQ) will be extended in accordance with the provisions of the City's codes, ordinances, regulations and policies. City participation in the costs of these extensions shall be in accordance with applicable City codes, ordinances, regulations and policies. Capacity and extensions shall be provided consistent with the characteristics of topography, land utilization, and population density of the areas. If the annexed area is in the CCN of another provider, wastewater service shall be provided in accordance with the policies of the CCN holder. In some instances, the City might acquire the CCN rights and become the new wastewater provider, in time.
- 2) Sanitary sewer mains and lift stations installed or improved to City standards, and accepted by the City, within the annexed area which are located within dedicated easement, rights-of-way, or any other acceptable location approved by the City Manager or his designee, shall be maintained by the City on the effective date of this ordinance.
- 3) Operation and maintenance of wastewater facilities in the annexed area that are within the certificated service area of another wastewater utility will be the responsibility of that utility. Operation and maintenance of private wastewater facilities in the annexed area will be the responsibility of the owner.

E) WATER FACILITIES

- 1) Connections to existing City of Celina water distribution mains for water service as defined by Certificate of Convenience and Necessity (CCN) Number 12667, as issued by the Texas Commission on Environmental Quality (TCEQ) will be provided in accordance with existing City codes, ordinances, regulations and policies. Upon connection to existing distribution mains, water service will be provided at rates established by City ordinance. If the annexed area is in the CCN of another provider, water service shall be provided in accordance with the policies of the CCN holder. In some instances, the City might acquire the CCN rights and become the new water provider, in time.
- 2) As development commences in these areas, water distribution mains will be extended in accordance with City of Celina codes, ordinances, regulations and policies. City participation in the costs of these extensions shall be in accordance with the City of Celina's codes, ordinances, regulations and policies. Water service extensions and capacity shall be provided consistent with the characteristics of topography, land utilization, and population density of the area.
- 3) Operation and maintenance of existing water facilities in the annexed area that are within the service area of another water utility will be the responsibility of that utility. Operation and maintenance of private water facilities in the annexed area will be the responsibility of the owner.

F) ROAD AND STREETS

- 1) Emergency street maintenance shall be provided within the annexed area on the effective date of the applicable ordinance of acceptance. Routine maintenance will be provided within the annexed area and will be scheduled as part of the City's annual program and in accordance with the City's current codes, ordinances, regulations, policies and procedures defined therein and/or as established by the City Council.
- 2) Any construction or reconstruction will be considered within the annexed area on a City-wide basis and within the context of the City's Capital Improvement Plan and/or yearly fiscal budgetary allotments by the City Council. As development, improvement or construction of streets to City standards commences within this property, the policies of the City of Celina with regard to participation in the costs thereof, acceptance upon completion and maintenance after completion shall apply.
- 3) Roadway signage and associated posts will be replaced in priority of importance starting with regulatory signs, then warning signs, then informational signs and in conformance with fiscal allotments by the City Council. If a sign remains, it will be reviewed and placed on the City's inventory listed for routine re-placement. All existing signs will be reviewed for applicability and based upon an engineering study. New signs will be installed when necessary and based upon an engineering study.
- 4) Routine maintenance of road/street markings will be placed on a priority listing and scheduled within the yearly budgetary allotments by the City Council.
- 5) The City will coordinate any request for improved road and street lighting with the local electric provider. Any and all road and street lighting will be pursuant to the rules, regulations and fees of such electric utility and shall be maintained by the applicable utility company.

G) ENVIRONMENTAL HEALTH, INSPECTIONS AND CODE ENFORCEMENT SERVICES

- 1) Enforcement of the City's environmental health ordinances and regulations, including but not limited to, weed and brush ordinances, junked and abandoned vehicle ordinances and animal control ordinances, shall be provided within this area sixty (60) days of the effective date of the annexation ordinance. These ordinances and regulations will be enforced through the use of existing personnel.
- 2) Inspection services including the review of building plans, the issuance of permits and the

inspection of all buildings, plumbing, mechanical and electrical work to ensure compliance with City codes and ordinances will continue to be provided after the effective date of the annexation ordinance. Existing personnel will be used to provide these services.

- 3) The City's zoning, subdivision, sign and other ordinances shall be enforced in this area beginning upon the effective date of the annexation.
- 4) All inspection services furnished by the City of Celina, but not mentioned above, will be provided to this area beginning within sixty (60) days of the effective date of the annexed ordinance.
- 5) As development and construction commence in this area, sufficient personnel will be provided to furnish this area the same level of environmental health, inspection and code enforcement services as are furnished throughout the City.

H) PLANNING AND ZONING SERVICES

- 1) The Planning and zoning jurisdiction of the City will extend to this area upon the effective date of the annexation ordinance. City planning will thereafter encompass this property, and it shall be entitled to consideration for zoning in accordance with the City's Zoning Ordinance and Comprehensive Plan.

I) PARKS, PLAYGROUNDS, LIBRARIES, SWIMMING POOLS

- 1) Residents within the annexed area may utilize all existing park and recreation facilities, on the effective date of this ordinance. Fees for such usage shall be in accordance with current fees established by ordinance.
- 2) As development commences in the area, additional park and recreation facilities shall be constructed based on park policies defined in the Park Master Plan and as specified in the Park Dedication Ordinance. The general planned locations and classifications of parks will ultimately serve residents from the current City limits and residents from areas being considered for annexation.

J) PUBLICLY OWNED FACILITIES

- 1) Any publicly owned facility, building, or service located within the annexed area, and not otherwise owned or maintained by another governmental entity, shall be maintained by the City of Celina on the effective date of the annexation ordinance.

K) OTHER SERVICES

- 1) Other services that may be provided by the City of Celina, such as municipal and general administration will be made available on the effective date of the annexation. The City of Celina shall provide levels of service, infrastructure, and infrastructure maintenance that are comparable to the levels of services, infrastructure, and infrastructure maintenance available in other parts of the City of Celina with similar topography, land use, and population density similar to those reasonably contemplated or projected in the area.

L) UNIFORM LEVEL OF SERVICES IS NOT REQUIRED

- 1) Nothing in this Service Plan shall require the City of Celina to provide a uniform level of full municipal services to each area of the City, including the annexed areas, if different characteristics of topography, land use, and population density are considered a sufficient basis for provided different levels of service. The City Council finds and determines that this Service Plan will not provide any fewer services, and it will not provide a lower level of services, than were in existence in the annexed area at the time immediately preceding the annexation process.
- 2) The City of Celina's codes, ordinances, regulations and policies that apply throughout the City may be reviewed at City Hall and at <http://www.franklinlegal.net/codes.html>.

M) TERM

- 1) This Service Plan shall be valid for a term of ten (10) years. Renewal of the Service Plan shall be at the discretion of the City Council and must be approved by ordinance.

N) AMENDMENTS

- 1) This Service Plan may be amended if the City Council determines at a public hearing that changed conditions or subsequent occurrences make this Service Plan unworkable or obsolete. The City Council may amend the Service Plan to conform to the changed conditions, subsequent occurrences or any other legally sufficient circumstances exist pursuant to the LGC or other Texas or Federal laws that make this service plan unworkable, obsolete or unlawful.

CITY OF CELINA, TEXAS
ORDINANCE 2023-____
ARIANA
PLANNED DEVELOPMENT #140

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, AMENDING ORDINANCE NO. 2006-57, AS HERETOFORE AMENDED, THE SAME BEING THE COMPREHENSIVE ZONING ORDINANCE, AND AMENDING THE OFFICIAL ZONING MAP OF THE CITY BY DESIGNATING THE ZONING OF LAND THAT IS APPROXIMATELY 149 ACRES LOCATED IN THE GERMAN EMIGRATION CO. SURVEY, ABSTRACT NO. 357, THE MEP & RY CO. SURVEY, ABSTRACT NO. 654, AND THE GEORGE A. WILSON SURVEY, ABSTRACT NO. 1072, COLLIN COUNTY, TEXAS, AND GENERALLY LOCATED AT THE NORTHWEST CORNER OF LOUISIANA DRIVE AND FUTURE G.A. MOORE PARKWAY; AS DESCRIBED IN EXHIBIT “A” AND INCORPORATED HEREIN TO BE ZONED “PD” PLANNED DEVELOPMENT DISTRICT NO. 140 WITH A BASE ZONING OF SINGLE-FAMILY, DETACHED DISTRICT (SF-R), SINGLE-FAMILY, ATTACHED DISTRICT (SF-A), MULTI-FAMILY, HORIZONTAL DISTRICT (MF-0), AND COMMERCIAL, OFFICE, & RETAIL DISTRICT (C); PROVIDING FOR INCORPORATION OF PREMISES, FINDINGS, AMENDMENT OF ZONING CLASSIFICATION, ZONING DESIGNATION AND DEVELOPMENT REGULATIONS, REVISION OF ZONING MAP, COMPLIANCE; PROVIDING FOR A PENALTY NOT TO EXCEED \$2,000.00 PER OFFENSE AND OTHER ENFORCEMENT MECHANISMS; PROVIDING CUMULATIVE REPEALER, SAVINGS AND SEVERABILITY CLAUSES; PROVIDING FOR PUBLICATION; PROVIDING FOR ENGROSSMENT AND ENROLLMENT; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Celina is a home rule municipality located in Collin and Denton County, Texas created in accordance with the provisions of the Texas Local Government Code, The Texas Constitution and operating pursuant to the enabling legislation of the state of Texas; and

WHEREAS, the City Council of the City of Celina, Texas (the “City Council”) is empowered under Local Government Code 54.001 to do all acts and make all regulations which may be necessary or expedient for the promotion of the public health, safety and general welfare; and

WHEREAS, Section 211.003 of the Texas Local Government Code, empowers a municipality to, among other things, establish and amend zoning districts, classifications of land use, adopt a comprehensive plan to regulate the use of land and open spaces, adopt and amend zoning regulations, regulate population density, and regulate the use and location of buildings; and

WHEREAS, the zoning is in conformance with the existing Development Agreement approved in December 2022 which outlined the annexation and zoning; and

WHEREAS, the establishment of a zoning classification has been requested for the property more specifically described in Exhibit “A” and depicted in Exhibit “B”, attached hereto and incorporated as though fully set forth herein (the “Property”); and

WHEREAS, the Concept Plan and Development Regulations, set forth in Exhibit “C” and “D,” respectively, attached hereto and incorporated herein, define the base zoning districts, and provide for certain modifications to such district regulations.

Attachment: Draft Ordinance (Ariana – Zoning)

WHEREAS, the City Council has considered, among other things, the character of the property and its suitability for particular uses, with a view of encouraging the most appropriate use of land in the City, and is in the interest of public health, safety, and welfare, and does hereby find that the requested zoning accomplishes such objectives and is consistent with the provisions of the Celina 2040 Comprehensive Plan of the City of Celina; and

WHEREAS, the Planning and Zoning Commission of the City of Celina and the City Council of the City of Celina, in compliance with the laws of the State of Texas and the ordinances of the City of Celina, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area and in the vicinity thereof; and

WHEREAS, the City Council, in the exercise of its legislative discretion has concluded that the zoning classification on the tract of land described herein should be changed and the zoning map so amended.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS

SECTION 1 **INCORPORATION OF PREMISES**

The above and foregoing premises are true and correct and are incorporated herein and made a part hereof for all purposes.

SECTION 2 **FINDINGS**

After due deliberations the City Council has concluded that the adoption of this Ordinance is in the best interest of the City of Celina, Texas and of the public health, safety and welfare.

SECTION 3 **AMENDMENT OF ZONING CLASSIFICATION**

That Ordinance No. 2006-57 of the City of Celina, Texas, as heretofore amended, the same being the City's Comprehensive Zoning Ordinance, is hereby amended to establish the zoning classification for the Property as "PD" Planned Development District No. 140 with a base zoning of Single-Family, Detached District (SF-R), Single-Family, Attached District (SF-A), Multi-Family, Horizontal District (MF-0), and Commercial, Office, & Retail (C) and is subject to the following PD regulations, which exhibits are incorporated as if fully set forth herein:

- Exhibit B: Depiction of Property
- Exhibit C: Concept Plan
- Exhibit D: Development Regulations

SECTION 4 **ZONING DESIGNATION AND DEVELOPMENT REGULATIONS**

That Ordinance No. 2006-57 of the City of Celina, Texas, as heretofore amended, the same being the City's Comprehensive Zoning Ordinance, is hereby amended by designating the zoning on the land, described in Exhibit "A" and depicted in Exhibit "B" attached hereto and incorporated herein as PD No. 140 with a base zoning of Single-Family, Detached District (SF-R), Single-Family, Attached District (SF-A), Multi-Family, Horizontal District (MF-0), and Commercial, Office, & Retail (C), and incorporates the Concept Plan and Development Regulations, attached hereto as Exhibit "C" and "D," respectively.

SECTION 5

REVISION OF ZONING MAP

That the City Manager for the City of Celina is hereby directed to mark and indicate on the official Zoning District Map of the City the zoning change herein made.

SECTION 6 **COMPLIANCE REQUIRED**

That the property described on Exhibit “A” and depicted in Exhibit “B” hereto shall be used only in the manner and for the purposes provided for in this ordinance and the Comprehensive Zoning Ordinance, of the City of Celina as amended.

SECTION 7 **PENALTY**

7.01 Any person, firm or corporation violating any of the provisions or terms of this ordinance or of the Code of Ordinances as amended hereby, shall be subject to the same penalty as provided for in the Code of Ordinances of the City of Celina, and upon conviction shall be punished by a fine not to exceed Two Thousand Dollars (\$2,000.00) for each offense.

7.02 If the governing body of the City of Celina determines that a violation of this Ordinance has occurred, the City of Celina may bring suit in district court to enjoin the person, firm, partnership, corporation, or association from engaging in the prohibited activity.

SECTION 8 **CUMULATIVE REPEALER CLAUSE**

This Ordinance shall be cumulative of all other Ordinances and shall not repeal any of the provisions of such Ordinances except for those instances where there are direct conflicts with the provisions of this Ordinance. Ordinances, or parts thereof, in force at the time this Ordinance shall take effect and that are inconsistent with this Ordinance are hereby repealed to the extent that they are inconsistent with this Ordinance. Provided however, that any complaint, action, claim or lawsuit which has been initiated or has arisen under or pursuant to such other Ordinances on this date of adoption of this Ordinance shall continue to be governed by the provisions of such Ordinance and for that purpose the Ordinance shall remain in full force and effect.

SECTION 9 **SAVINGS CLAUSE**

All rights and remedies of the City of Celina, Texas are expressly saved as to any and all violations of the provisions of any other ordinance affecting zoning regulation which have secured at the time of the effective date of this ordinance; and, as to such accrued violations and all pending litigation, both civil and criminal, whether pending in court or not, under such ordinances same shall not be affected by this Ordinance but may be prosecuted until final disposition by the court.

SECTION 10 **SEVERABILITY**

The provisions of the Ordinance are severable. However, in the event this Ordinance or any procedure provided in this Ordinance becomes unlawful, or is declared or determined by a judicial, administrative or legislative authority exercising its jurisdiction to be excessive, unenforceable, void, illegal or otherwise inapplicable, in whole or in part, the remaining and lawful provisions shall be of full force and effect and the City shall promptly promulgate new revised provisions in compliance with the authority's decisions or enactment.

SECTION 11
PUBLICATION CLAUSE

The City Secretary of the City of Celina is hereby directed to publish in the Official Newspaper of the City of Celina the Caption, and Effective Date of this Ordinance as required by Section 52.013 of the Local Government Code.

SECTION 12
ENGROSSMENT AND ENROLLMENT

The City Secretary is hereby directed to engross and enroll this Ordinance by copying the descriptive Caption in the minutes of the City Council and by filing this Ordinance in the Ordinance records of the City.

SECTION 13
EFFECTIVE DATE

This Ordinance shall become effective from and after its date of passage and publication as required by law.

AND IT IS SO ORDAINED.

PASSED AND APPROVED by the City Council of the City of Celina, Texas this 14th day of February, 2023.

Exhibit A Legal Description

BEING a tract of land situated in the German Emigration Co. Survey, Abstract No. 357, the George A. Wilson Survey, Abstract No. 1072 and the MEP & RY CO. Survey, Abstract No. 654, Collin County, Texas and being all of a called 148.703 acre tract of land conveyed to Ariana, LLC as recorded in County Clerk No. 20180730000947040 of the Official Public Records of Collin County, Texas, and being more particularly described by metes and bounds as follows:

BEGINNING in Business 289 at a Mag Nail set for the most eastern south east corner of the called 148.703 acre tract of land, said mag nail being in the east line of said German Emigration Survey, said iron rod also being N 00°00'19" E a distance of 170.99' feet from the southwest corner of the W. H. Rattan Survey, said iron rod also being at the northeast corner of Lot 1, L.L. Custom Cabinets Development Plat as shown on the plat thereof recorded in Volume 2007, Page 458 of the Plat Records of Collin County, Texas;

THENCE S 89°41'55" W with the north line of said Lot 1, and passing a 1" Pipe at a distance of 23.94' and continuing on for a total distance of 256.37' to a 5/8" iron rod found for the northwest corner of said Lot 1;

THENCE S 00°14'53" E with the west line of said Lot 1 a distance of 170.43' to a 5/8" iron rod found for corner in the north line of a called 5.000 conveyed to Peter Boidock as recorded in Volume 2485, Page 575 of the Deed Records of Collin County, Texas;

THENCE S 89°36'59" W a distance of 3796.62' to a fence post found for the southeast corner of the called 148.703 acre tract of land;

THENCE N 00°31'21" W a distance of 1600.64' to a bolt found in fence post found for the northwest corner of the called 148.703 acre tract of land and said bolt being the southwest corner of a 153.177 acre tract of land as conveyed CCD-North Sky LLC in County Clerk No. 20210325000596630 Official Public Records of Collin County, Texas;

THENCE N 89°28'14" E with the south line of the called 153.177 acre tract of land a distance of 4067.07' to a Mag Nail set for corner in Business 289;

THENCE S 00°00'19" W a distance of 1440.97' to the POINT OF BEGINNING and containing 6,475,456 Square Feet or 148.656 acres of land.

Exhibit B
Depiction of Property

Attachment: Draft Ordinance (Ariana – Zoning)

Exhibit C Concept Plan

Exhibit D Development Regulations

Concept Plan:

The subject property shall generally develop per the attached Concept Plan. The Concept Plan displays the general location and configurations of streets, lotting patterns, and other infrastructure and amenities, all of which can be adjusted for pragmatic purposes at time of permitting. Such modifications shall not be unreasonably withheld but are subject to review and approval by the Director of Development Services. Nothing on the Concept Plan precludes the administration of Engineering requirements, such as detention, right-of-way dedication, or any other design regulation.

Architecture:

The subject property is an architecturally, historically, and culturally significant tract of land that is meaningfully located along a regionally significant thoroughfare; thus, all structures shall abide by the City's architectural standards, and as may be amended.

Amenities & Open Space:

- Trails shall generally be provided along the gas easement, perimeter rights-of-way, and around detention ponds per City regulations, in addition to meeting all other connectivity and internal pedestrian requirements.
- The City agrees that the development is abiding by the vision outlined in the Neighborhood Vision Book (NVB), per the attached Concept Plan.
 - The overall open space shall not be less than 15% of the gross area of the Property.
- Being part of the existing North Sky community, just 1 amenity location with an open-air pavilion for shade, seating, and a playground is required for the single-family tract.

Land Use & Design Standards:

Development of the subject property shall abide by all standards in the Zoning Ordinance, Subdivision Regulations, and all other applicable City ordinances, as may be amended, except as follows. The subject property is generally split into 3 different tracts and shall abide by all applicable design standards.

SF-R Tract:

- The percentage lot requirements may vary up to 10% as noted in the single-family lot summary table as shown on Exhibit C.
- SF-R is generally allowed west of the gas easement and east of the SF-E tract, per the below lot mix and concept plan:
 - 55' and 60' wide lots are allowed and will have front-loaded garages
 - 40' wide lots are allowed and will be alley served
- For all residential types, the following general area regulations apply:
 - The lot widths are measured along the arc of the front building line.
 - For cul-de-sac and eyebrow lots, the minimum lot width measured at the right-of-way line shall be 35'.
- Approximately 36 large lots are envisioned on the western portion of the SF-R tract.
- The minimum lot width is 80' or must be at least 11,000 sf in area.
- This area may have a single point of access (without triggering the residential sprinkler requirement) if the total lot count is 36 or fewer lots.

Flex Tract (east of the gas easement):

- Minimum 5 acres reserved for C (Retail, Office, & Commercial).
- SF-A is an allowed use.
- Maximum of 180 units of MF-0.

Regulations for MF 0 (Horizontal Multi-Family):

The Development shall meet the standards in the Subdivision Regulations and the Zoning Ordinance, as may be amended, except as follows:

- Maximum overall density of 12 units/per acre.
- Maximum building height is 36' and two (2) stories.
- No gates crossing the fire lanes are allowed.
- Parking shall be a minimum of 1.5 per unit.
- All units shall be 80% brick or stone, with the remainder allowed to be stucco or cementitious fiber-board.

**CITY OF CELINA, TEXAS
ORDINANCE NO. 2023-_____
PRESTON 450 ANNEXATION**

AN ORDINANCE OF THE CITY OF CELINA, TEXAS, ADOPTING THE ANNEXATION OF CERTAIN TERRITORY LOCATED IN THE EXTRATERRITORIAL JURISDICTION OF THE CITY OF CELINA, TEXAS, TO WIT: BEING APPROXIMATELY 12 ACRES OF LAND, COLLIN COUNTY, TEXAS, AND BEING MORE PARTICULARLY DESCRIBED IN AND GRAPHICALLY DEPICTED IN EXHIBIT “A”, SUCH TRACT IS GENERALLY LOCATED AT THE NORTHEAST CORNER OF KRISTINA COURT AND MARK ALEXANDER COURT, AND ALL ADJACENT RIGHTS-OF-WAY; PROVIDING FOR INCORPORATION OF PREMISES, AMENDING OF THE OFFICIAL CITY MAP, AND ACKNOWLEDGING A SERVICE PLAN; REQUIRING THE FILING OF THIS ORDINANCE WITH THE COUNTY CLERK; PRESCRIBING FOR EFFECT ON TERRITORY, GRANTING AS APPROPRIATE TO ALL THE INHABITANTS OF SAID PROPERTY ALL THE RIGHTS AND PRIVILEGES OF OTHER CITIZENS AND BINDING SAID INHABITANTS BY ALL OF THE ACTS, ORDINANCES, RESOLUTIONS, AND REGULATIONS OF THE CITY OF CELINA, TEXAS; PROVIDING CUMULATIVE REPEALER, SEVERABILITY AND SAVINGS CLAUSES; PROVIDING FOR ENGROSSMENT AND ENROLLMENT; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Celina is a Home Rule Municipality located in Collin and Denton County, Texas, created in accordance with the provisions of the Texas Local Government Code and operating pursuant to the enabling legislation of the State of Texas and the Celina City Charter (the “City”); and

WHEREAS, following receipt of a request from each owner (the “Owners”) of the Property (defined below) requesting annexation, a public hearing was conducted in accordance with Section 43.0673 of the Texas Local Government Code, on the 14th day of February, 2023, in the Council Chamber located at 112 N. Colorado in the City of Celina, to consider the annexation of the property being more particularly described and depicted in Exhibit “A”, attached hereto and incorporated as if fully set forth herein (the “Property”); and

WHEREAS, any and all required written notices and offers were timely sent to all property owners and others entitled to same; and

WHEREAS, the notices of the public hearings were published in *The Celina Record*, a newspaper of general circulation within the City of Celina, Texas, 30th day of January, 2023, such date being not more than twenty (20) days nor less than ten (10) days prior to each public hearing; and

WHEREAS, all required statutory notices pursuant to Chapter 43 of the Texas Local Government Code have been accomplished, including posting on the City’s internet website; and

WHEREAS, the City Council of the City of Celina, Texas has determined that such territory is located in the extraterritorial jurisdiction of the City of Celina, Texas; and

WHEREAS, the City Council of the City of Celina, Texas has investigated into, has determined and officially finds that no part of such territory is within the extraterritorial jurisdiction of any other incorporated city or town; and

WHEREAS, to the extent that this Ordinance would cause an unincorporated area to be entirely surrounded by the City of Celina’s limits, the City Council has found - and incorporates herein its finding - that surrounding the area is in the public interest; and

WHEREAS, the Owners and the City have entered into a written agreement, with a ten (10) year

Attachment: Draft Ordinance (Preston 450 – C-3 Expedited Annexation)

term, regarding services to be provided for the Property prior to the effective date of annexation of the Property, the substantive body of which is attached hereto as Exhibit "B", attached hereto and incorporated as if fully set forth herein.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1
INCORPORATION OF PREMISES

The above and foregoing premises are true and correct and are incorporated herein and made a part hereof for all purposes.

SECTION 2
OFFICIAL CITY MAP AMENDED

1. The official map and boundaries of the City are hereby amended so as to include the Property and any and all adjacent rights-of-way, and that such territory shall be and is hereby annexed into the corporate limits of the City.
2. The Mayor is hereby directed and authorized to perform or cause to be performed all acts necessary to correct the official map of the City to add the territory hereby annexed as required by law.

SECTION 3
ANNEXATION OF AREA

The Property, and any and all adjacent rights-of-way, is hereby annexed into the City, and that the boundary limits of the City be and the same are hereby extended to include the Property and any and all adjacent rights-of-way within the city limits of the City, and the same shall hereafter be included within the territorial limits of the City, and the inhabitants thereof shall hereafter be entitled to all the rights and privileges of other citizens of the City and they shall be bound by the acts, ordinances, resolutions, and regulations of the City.

SECTION 4
FILING OF ORDINANCE REQUIRED

The City Secretary shall file or cause to be filed a certified copy of this Ordinance in the office of the County Clerk of each county in which all or a portion of the Property and any and all adjacent rights-of-way is located, and any other necessary agencies, including the United States Department of Justice.

SECTION 5
EFFECT ON TERRITORY

From and after the passage of this Ordinance, the Property and any and all adjacent rights-of-way shall be a part of the City of Celina, Texas, and subject to the service agreement referenced in the above Premises incorporated by Section 1 of this Ordinance. The inhabitants thereof shall be entitled to all of the rights, privileges and immunities as all other citizens of the City of Celina, Texas, and shall be bound by all of the Ordinances and regulations enacted pursuant to and in conformity with the general laws of the State of Texas.

SECTION 6
CUMULATIVE REPEALER

This Ordinance shall be cumulative of all other Ordinances and shall not repeal any of the provisions of such Ordinances except for those instances where there are direct conflicts with the provisions of this Ordinance. Ordinances, or parts thereof, in force at the time this Ordinance shall take effect and that are inconsistent with this Ordinance are hereby repealed to the extent that they are

inconsistent with this Ordinance.

SECTION 7 **SEVERABILITY**

If any section, article, paragraph, sentence, clause, phrase or word in this Ordinance, or application thereof to any person or circumstance, is held invalid or unconstitutional by a Court of competent jurisdiction, such holding shall not affect the validity of the remaining portions of the Ordinance, and the City Council hereby declares it would have passed such remaining portions of the Ordinance despite such invalidity, which remaining portions shall remain in full force and effect. The City Council hereby declares that if there is an error in any call or description in Exhibit "A" preventing any portion of the Property and any and all adjacent rights-of-way from being annexed, the City Council would have annexed all remaining area having correct calls or descriptions and or would have corrected the call or description to include the entire intended area in this annexation.

SECTION 8 **ENGROSSMENT AND ENROLLMENT**

The City Secretary of the City of Celina is hereby directed to engross and enroll this Ordinance by copying the Caption in the minutes of the City Council of the City of Celina and by filing this Ordinance in the Ordinance records of the City.

SECTION 9 **EFFECTIVE DATE**

This Ordinance shall be in full force and effect from and after its date of passage.

AND IT IS SO ORDAINED.

PASSED AND APPROVED by the City Council of the City of Celina, Texas, on this 14th day of February, 2023.

Exhibit “B”
Substance from body of executed Service Agreement for C-3 Annexed Property

A) SERVICE PLAN GENERALLY

- 1) This service plan has been prepared in accordance with the Texas Local Government Code, Sections 43.021; 43.065 and 43.056(b)-(o). Municipal facilities and services to the annexed area will be provided or made available on behalf of the City of Celina in accordance with the following plan. The City of Celina shall provide the annexed tract the levels of service, infrastructure, and infrastructure maintenance that are comparable to the levels of service, infrastructure, and infrastructure maintenance available in other parts of the City of Celina with similar topography, land use, and population density. The provisions of the service plan were made available for public inspection and explained at the two public hearings held by the City Council in accordance with LGC Section 43.056(j).
- 2) For purposes of this service plan, to “provide” services includes having services provided by any method or means by which the City provides municipal services to any other areas of the City, and may include causing or allowing private utilities, governmental entities and other public service organizations to provide such services by contract or right, in whole or in part, and may include duties on part of the private landowner with regard to such services.

B) EMERGENCY SERVICES

- 1) Police Protection
 - a) Police protection from the City of Celina Police Department shall be provided to the annexed area at a level consistent with current methods and procedures presently provided to similar areas on the effective date of the annexation ordinance. Some of these services include:
 - i) Normal patrol and responses;
 - ii) Handling of complaints and incident reports;
 - iii) Special units, such as traffic enforcement and investigations; and
 - iv) Coordination with other public safety support agencies.
 - b) As development commences in these areas, sufficient police protection, including personnel and equipment will be provided to furnish these areas with the level of police services consistent with the characteristics of topography, land utilization and population density of the areas.
 - c) Upon ultimate development, police protection will be provided at a level consistent with other similarly situated areas within the city limits.
- 2) Fire Protection
 - a) The Celina Fire Department will provide emergency and fire prevention services to the annexed area. These services include:
 - i) Fire suppression and rescue;
 - ii) Pre-hospital medical services including triage, treatment and transport by Advanced Life Support (ALS) fire engines, trucks and ambulances;
 - iii) Hazardous materials response and mitigation;
 - iv) Emergency prevention and public education efforts;
 - v) Technical rescue response; and
 - vi) Construction Plan Review and required inspections.
 - b) Fire protection from the City of Celina shall be provided to the annexed area at a level consistent with current methods and procedures presently provided to similar areas of the City of Celina on the effective date of the annexation ordinance.
 - c) As development commences in these areas, sufficient fire protection, including personnel and

- equipment will be provided to furnish these areas with the level of services consistent with the characteristics of topography, land utilization and population density of the areas. It is anticipated that fire stations planned to service areas currently with the City of Celina will be sufficient to serve the annexed area.
- d) Upon ultimate development, fire protection will be provided at a level consistent with similarly situated areas within the city limits.
- 3) Emergency Medical Services
- a) The Celina Fire Department will provide emergency and safety services to the annexed area. These services include:
 - i) Emergency medical dispatch and pre-arrival First Aid instructions;
 - ii) Pre-hospital emergency Advanced Life Support (ALS) response and transport; and
 - iii) Medical rescue services.
 - b) Emergency Medical Services (EMS) from the City of Celina shall be provided to the annexed area at a level consistent with current methods and procedures presently provided to similar areas of the City of Celina on the effective date of the annexation ordinance.
 - c) As development commences in these areas, sufficient EMS, including personnel and equipment, will be provided to furnish these areas with the level of services consistent with the characteristics of topography, land utilization, and population density of the areas.
 - d) Upon ultimate development, EMS will be provided at a level consistent with similarly situated areas within the city limits.

C) SOLID WASTE

- 1) Solid Waste and Recycling Collection Services will be provided to the annexed area immediately upon the effective date of the annexation at a level consistent with current methods and procedures presently provided to similar areas within the City. Private solid waste collection service providers operating in the affected area immediately prior to annexation and currently providing customers with service may continue to provide their existing service for up to two (2) years in accordance with Texas Local Government Code Section 43.056(n).

D) WASTEWATER FACILITIES

- 1) As development commences in these areas, sanitary sewer mains as defined by the Certificate of Convenience and Necessity (CCN) Number 20764, as issued by the Texas Commission on Environmental Quality (TCEQ) will be extended in accordance with the provisions of the City's codes, ordinances, regulations and policies. City participation in the costs of these extensions shall be in accordance with applicable City codes, ordinances, regulations and policies. Capacity and extensions shall be provided consistent with the characteristics of topography, land utilization, and population density of the areas. If the annexed area is in the CCN of another provider, wastewater service shall be provided in accordance with the policies of the CCN holder. In some instances, the City might acquire the CCN rights and become the new wastewater provider, in time.
- 2) Sanitary sewer mains and lift stations installed or improved to City standards, and accepted by the City, within the annexed area which are located within dedicated easement, rights-of-way, or any other acceptable location approved by the City Manager or his designee, shall be maintained by the City on the effective date of this ordinance.
- 3) Operation and maintenance of wastewater facilities in the annexed area that are within the certificated service area of another wastewater utility will be the responsibility of that utility. Operation and maintenance of private wastewater facilities in the annexed area will be the responsibility of the owner.

E) WATER FACILITIES

- 1) Connections to existing City of Celina water distribution mains for water service as defined by Certificate of Convenience and Necessity (CCN) Number 12667, as issued by the Texas Commission on Environmental Quality (TCEQ) will be provided in accordance with existing City codes, ordinances, regulations and policies. Upon connection to existing distribution mains, water service will be provided at rates established by City ordinance. If the annexed area is in the CCN of another provider, water service shall be provided in accordance with the policies of the CCN holder. In some instances, the City might acquire the CCN rights and become the new water provider, in time.
- 2) As development commences in these areas, water distribution mains will be extended in accordance with City of Celina codes, ordinances, regulations and policies. City participation in the costs of these extensions shall be in accordance with the City of Celina's codes, ordinances, regulations and policies. Water service extensions and capacity shall be provided consistent with the characteristics of topography, land utilization, and population density of the area.
- 3) Operation and maintenance of existing water facilities in the annexed area that are within the service area of another water utility will be the responsibility of that utility. Operation and maintenance of private water facilities in the annexed area will be the responsibility of the owner.

F) ROAD AND STREETS

- 1) Emergency street maintenance shall be provided within the annexed area on the effective date of the applicable ordinance of acceptance. Routine maintenance will be provided within the annexed area and will be scheduled as part of the City's annual program and in accordance with the City's current codes, ordinances, regulations, policies and procedures defined therein and/or as established by the City Council.
- 2) Any construction or reconstruction will be considered within the annexed area on a City-wide basis and within the context of the City's Capital Improvement Plan and/or yearly fiscal budgetary allotments by the City Council. As development, improvement or construction of streets to City standards commences within this property, the policies of the City of Celina with regard to participation in the costs thereof, acceptance upon completion and maintenance after completion shall apply.
- 3) Roadway signage and associated posts will be replaced in priority of importance starting with regulatory signs, then warning signs, then informational signs and in conformance with fiscal allotments by the City Council. If a sign remains, it will be reviewed and placed on the City's inventory listed for routine re-placement. All existing signs will be reviewed for applicability and based upon an engineering study. New signs will be installed when necessary and based upon an engineering study.
- 4) Routine maintenance of road/street markings will be placed on a priority listing and scheduled within the yearly budgetary allotments by the City Council.
- 5) The City will coordinate any request for improved road and street lighting with the local electric provider. Any and all road and street lighting will be pursuant to the rules, regulations and fees of such electric utility and shall be maintained by the applicable utility company.

G) ENVIRONMENTAL HEALTH, INSPECTIONS AND CODE ENFORCEMENT SERVICES

- 1) Enforcement of the City's environmental health ordinances and regulations, including but not limited to, weed and brush ordinances, junked and abandoned vehicle ordinances and animal control ordinances, shall be provided within this area sixty (60) days of the effective date of the annexation ordinance. These ordinances and regulations will be enforced through the use of existing personnel.
- 2) Inspection services including the review of building plans, the issuance of permits and the

inspection of all buildings, plumbing, mechanical and electrical work to ensure compliance with City codes and ordinances will continue to be provided after the effective date of the annexation ordinance. Existing personnel will be used to provide these services.

- 3) The City's zoning, subdivision, sign and other ordinances shall be enforced in this area beginning upon the effective date of the annexation.
- 4) All inspection services furnished by the City of Celina, but not mentioned above, will be provided to this area beginning within sixty (60) days of the effective date of the annexed ordinance.
- 5) As development and construction commence in this area, sufficient personnel will be provided to furnish this area the same level of environmental health, inspection and code enforcement services as are furnished throughout the City.

H) PLANNING AND ZONING SERVICES

- 1) The Planning and zoning jurisdiction of the City will extend to this area upon the effective date of the annexation ordinance. City planning will thereafter encompass this property, and it shall be entitled to consideration for zoning in accordance with the City's Zoning Ordinance and Comprehensive Plan.

I) PARKS, PLAYGROUNDS, LIBRARIES, SWIMMING POOLS

- 1) Residents within the annexed area may utilize all existing park and recreation facilities, on the effective date of this ordinance. Fees for such usage shall be in accordance with current fees established by ordinance.
- 2) As development commences in the area, additional park and recreation facilities shall be constructed based on park policies defined in the Park Master Plan and as specified in the Park Dedication Ordinance. The general planned locations and classifications of parks will ultimately serve residents from the current City limits and residents from areas being considered for annexation.

J) PUBLICLY OWNED FACILITIES

- 1) Any publicly owned facility, building, or service located within the annexed area, and not otherwise owned or maintained by another governmental entity, shall be maintained by the City of Celina on the effective date of the annexation ordinance.

K) OTHER SERVICES

- 1) Other services that may be provided by the City of Celina, such as municipal and general administration will be made available on the effective date of the annexation. The City of Celina shall provide levels of service, infrastructure, and infrastructure maintenance that are comparable to the levels of services, infrastructure, and infrastructure maintenance available in other parts of the City of Celina with similar topography, land use, and population density similar to those reasonably contemplated or projected in the area.

L) UNIFORM LEVEL OF SERVICES IS NOT REQUIRED

- 1) Nothing in this Service Plan shall require the City of Celina to provide a uniform level of full municipal services to each area of the City, including the annexed areas, if different characteristics of topography, land use, and population density are considered a sufficient basis for provided different levels of service. The City Council finds and determines that this Service Plan will not provide any fewer services, and it will not provide a lower level of services, than were in existence in the annexed area at the time immediately preceding the annexation process.
- 2) The City of Celina's codes, ordinances, regulations and policies that apply throughout the City may be reviewed at City Hall and at <http://www.franklinlegal.net/codes.html>.

M) TERM

- 1) This Service Plan shall be valid for a term of ten (10) years. Renewal of the Service Plan shall be at the discretion of the City Council and must be approved by ordinance.

N) AMENDMENTS

- 1) This Service Plan may be amended if the City Council determines at a public hearing that changed conditions or subsequent occurrences make this Service Plan unworkable or obsolete. The City Council may amend the Service Plan to conform to the changed conditions, subsequent occurrences or any other legally sufficient circumstances exist pursuant to the LGC or other Texas or Federal laws that make this service plan unworkable, obsolete or unlawful.

PRESTON 450

Annexation & Zoning

City Council
February 14, 2023

LOCATION MAP

The subject property is generally located at the northeast corner of Kristina Court and Mark Alexander Court

BACKGROUND

- The subject property is approximately 12 acres, located within the Extraterritorial Jurisdiction (ETJ)
- The applicant's request is to zone the property for Single-Family Residential Estate (SF-E)
- A Development Agreement (DA) which outlined the future annexation and zoning was approved in December 2022

PROJECT OVERVIEW

- The property will be zoned SF-E, allowing it to be subdivided into minimum 1-acre lots
- The applicant will dedicate right-of-way when required
- The applicant will improve roadway, water, and storm infrastructure to serve the development, as outlined in the agreement
- The project will abide by all City standards

CONCEPT PLAN

MARK ALEXANDER 11.3 ACRE TRACT (10.4 ACRE NET OF ROW)
E.T.J. OF CELINA, TEXAS
ONSITE EXHIBIT

POLICY CONSIDERATIONS

- SF-E is the most appropriate zoning district for this neighborhood
- The Preston 450 subdivision was originally platted in the County and does not meet modern City standards as far as access and infrastructure
- The planned infrastructure improvements will facilitate the development of other estate lots within the subdivision

RECOMMENDATION

- The Planning & Zoning Commission unanimously recommended approval of the request at its January regular meeting
- Staff recommends approval as presented, per the governing DA

Life Connected.

Memorandum

To: **Honorable Mayor Terry and the Celina City Council**
From: Bella Lopez, Senior Planner
CC: Jason Laumer, City Manager
Date: February 14, 2023
Re: Preston 450 - Zoning

Action Requested:

Conduct a public hearing to consider and act upon an ordinance amending the Comprehensive Zoning Ordinance, by zoning approximately 12 acres to a Planned Development (PD) with Single-Family Residential Estate District (SF-E) base zoning, generally located at the northeast corner of Kristina Court and Mark Alexander Court. (Preston 450 – Zoning) (Mohan)

Applicant:

Valiant Real Estate
5900 S. Lake Forest Drive, Suite 300
McKinney, TX 75070

Background Information:

This item is for the zoning of approximately 12 acres to a Planned Development (PD) with Single-Family Residential Estate District (SF-E) base zoning, generally located at the northwest corner of Kristina Court and Mark Alexander Court. Please refer to the attached documents as well as the associated annexation agenda items for further information.

CITY OF CELINA, TEXAS
ORDINANCE 2023-_____
PRESTON 450
PLANNED DEVELOPMENT #139

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, AMENDING ORDINANCE NO. 2006-57, AS HERETOFORE AMENDED, THE SAME BEING THE COMPREHENSIVE ZONING ORDINANCE, AND AMENDING THE OFFICIAL ZONING MAP OF THE CITY BY DESIGNATING THE ZONING OF LAND THAT IS APPROXIMATELY 12 ACRES LOCATED IN THE M.E.P. & P. RR CO SURVEY, ABSTRACT NO. 653, COLLIN COUNTY, TEXAS, AND GENERALLY LOCATED AT THE NORTHEAST CORNER OF KRISTINA COURT AND MARK ALEXANDER COURT; AS DESCRIBED IN EXHIBIT “A” AND INCORPORATED HEREIN TO BE ZONED “PD” PLANNED DEVELOPMENT DISTRICT NO. 139 WITH A BASE ZONING OF SINGLE-FAMILY RESIDENTIAL ESTATE DISTRICT (SF-E); PROVIDING FOR INCORPORATION OF PREMISES, FINDINGS, AMENDMENT OF ZONING CLASSIFICATION, ZONING DESIGNATION AND DEVELOPMENT REGULATIONS, REVISION OF ZONING MAP, COMPLIANCE; PROVIDING FOR A PENALTY NOT TO EXCEED \$2,000.00 PER OFFENSE AND OTHER ENFORCEMENT MECHANISMS; PROVIDING CUMULATIVE REPEALER, SAVINGS AND SEVERABILITY CLAUSES; PROVIDING FOR PUBLICATION; PROVIDING FOR ENGROSSMENT AND ENROLLMENT; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Celina is a home rule municipality located in Collin and Denton County, Texas created in accordance with the provisions of the Texas Local Government Code, The Texas Constitution and operating pursuant to the enabling legislation of the state of Texas; and

WHEREAS, the City Council of the City of Celina, Texas (the “City Council”) is empowered under Local Government Code 54.001 to do all acts and make all regulations which may be necessary or expedient for the promotion of the public health, safety and general welfare; and

WHEREAS, Section 211.003 of the Texas Local Government Code, empowers a municipality to, among other things, establish and amend zoning districts, classifications of land use, adopt a comprehensive plan to regulate the use of land and open spaces, adopt and amend zoning regulations, regulate population density, and regulate the use and location of buildings; and

WHEREAS, the zoning is in conformance with the existing Development Agreement approved in December 2022 which outlined the annexation and zoning; and

WHEREAS, the establishment of a zoning classification has been requested for the property more specifically described in Exhibit “A” and depicted in Exhibit “B”, attached hereto and incorporated as though fully set forth herein (the “Property”); and

WHEREAS, the Concept Plan and Development Regulations, set forth in Exhibit “C” and “D,” respectively, attached hereto and incorporated herein, define the base zoning districts, and provide for certain modifications to such district regulations.

WHEREAS, the City Council has considered, among other things, the character of the property and its suitability for particular uses, with a view of encouraging the most appropriate use of land in the City, and is in the interest of public health, safety, and welfare, and does hereby find that the requested zoning accomplishes such objectives and is consistent with the provisions of the Celina 2040 Comprehensive Plan

Attachment: Draft Ordinance (Preston 450 – Zoning)

of the City of Celina; and

WHEREAS, the Planning and Zoning Commission of the City of Celina and the City Council of the City of Celina, in compliance with the laws of the State of Texas and the ordinances of the City of Celina, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area and in the vicinity thereof; and

WHEREAS, the City Council, in the exercise of its legislative discretion has concluded that the zoning classification on the tract of land described herein should be changed and the zoning map so amended.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS

SECTION 1 **INCORPORATION OF PREMISES**

The above and foregoing premises are true and correct and are incorporated herein and made a part hereof for all purposes.

SECTION 2 **FINDINGS**

After due deliberations the City Council has concluded that the adoption of this Ordinance is in the best interest of the City of Celina, Texas and of the public health, safety and welfare.

SECTION 3 **AMENDMENT OF ZONING CLASSIFICATION**

That Ordinance No. 2006-57 of the City of Celina, Texas, as heretofore amended, the same being the City's Comprehensive Zoning Ordinance, is hereby amended to establish the zoning classification for the Property as "PD" Planned Development District No. 139 with a base zoning of Single-Family Residential Estate District (SF-E) and is subject to the following PD regulations, which exhibits are incorporated as if fully set forth herein:

- | | |
|------------|-------------------------|
| Exhibit B: | Depiction of Property |
| Exhibit C: | Concept Plan |
| Exhibit D: | Development Regulations |

SECTION 4 **ZONING DESIGNATION AND DEVELOPMENT REGULATIONS**

That Ordinance No. 2006-57 of the City of Celina, Texas, as heretofore amended, the same being the City's Comprehensive Zoning Ordinance, is hereby amended by designating the zoning on the land, described in Exhibit "A" and depicted in Exhibit "B" attached hereto and incorporated herein as PD No. 139 with a base zoning of Single-Family Residential Estate District (SF-E), and incorporates the Concept Plan and Development Regulations, attached hereto as Exhibit "C" and "D," respectively.

SECTION 5 **REVISION OF ZONING MAP**

That the City Manager for the City of Celina is hereby directed to mark and indicate on the official Zoning District Map of the City the zoning change herein made.

SECTION 6
COMPLIANCE REQUIRED

That the property described on Exhibit “A” and depicted in Exhibit “B” hereto shall be used only in the manner and for the purposes provided for in this ordinance and the Comprehensive Zoning Ordinance, of the City of Celina as amended.

SECTION 7
PENALTY

7.01 Any person, firm or corporation violating any of the provisions or terms of this ordinance or of the Code of Ordinances as amended hereby, shall be subject to the same penalty as provided for in the Code of Ordinances of the City of Celina, and upon conviction shall be punished by a fine not to exceed Two Thousand Dollars (\$2,000.00) for each offense.

7.02 If the governing body of the City of Celina determines that a violation of this Ordinance has occurred, the City of Celina may bring suit in district court to enjoin the person, firm, partnership, corporation, or association from engaging in the prohibited activity.

SECTION 8
CUMULATIVE REPEALER CLAUSE

This Ordinance shall be cumulative of all other Ordinances and shall not repeal any of the provisions of such Ordinances except for those instances where there are direct conflicts with the provisions of this Ordinance. Ordinances, or parts thereof, in force at the time this Ordinance shall take effect and that are inconsistent with this Ordinance are hereby repealed to the extent that they are inconsistent with this Ordinance. Provided however, that any complaint, action, claim or lawsuit which has been initiated or has arisen under or pursuant to such other Ordinances on this date of adoption of this Ordinance shall continue to be governed by the provisions of such Ordinance and for that purpose the Ordinance shall remain in full force and effect.

SECTION 9
SAVINGS CLAUSE

All rights and remedies of the City of Celina, Texas are expressly saved as to any and all violations of the provisions of any other ordinance affecting zoning regulation which have secured at the time of the effective date of this ordinance; and, as to such accrued violations and all pending litigation, both civil and criminal, whether pending in court or not, under such ordinances same shall not be affected by this Ordinance but may be prosecuted until final disposition by the court.

SECTION 10
SEVERABILITY

The provisions of the Ordinance are severable. However, in the event this Ordinance or any procedure provided in this Ordinance becomes unlawful, or is declared or determined by a judicial, administrative or legislative authority exercising its jurisdiction to be excessive, unenforceable, void, illegal or otherwise inapplicable, in whole or in part, the remaining and lawful provisions shall be of full force and effect and the City shall promptly promulgate new revised provisions in compliance with the authority’s decisions or enactment.

SECTION 11
PUBLICATION CLAUSE

The City Secretary of the City of Celina is hereby directed to publish in the Official Newspaper of the City of Celina the Caption, and Effective Date of this Ordinance as required by Section 52.013 of the Local Government Code.

SECTION 12
ENGROSSMENT AND ENROLLMENT

The City Secretary is hereby directed to engross and enroll this Ordinance by copying the descriptive Caption in the minutes of the City Council and by filing this Ordinance in the Ordinance records of the City.

SECTION 13
EFFECTIVE DATE

This Ordinance shall become effective from and after its date of passage and publication as required by law.

AND IT IS SO ORDAINED.

PASSED AND APPROVED by the City Council of the City of Celina, Texas this 14th day of February, 2023.

Exhibit C

Concept Plan

Exhibit D

Development Regulations

Concept Plan

The subject property shall generally develop per the attached Concept Plan. The Concept Plan displays the general location and configuration of land uses, roadway Public Infrastructure, and other area features. Minor modifications due to the final engineering and design of the project are permitted at the time of platting and shall be administratively approved by the Director of Development Services if such modifications otherwise comply with these Development Standards. The City Manager of the City may administratively approve any amendments to the Concept Plan that the City Manager deems in his/her reasonable discretion to be minor in nature.

Purpose

The subject property is intended to provide for an estate residential development that is rural or country in nature with large lots. In general, design standards will follow all applicable City standards, and land uses shall be consistent with these development standards.

Architecture

The subject property is an architecturally, historically, and culturally significant tract of land that is meaningfully located along a regionally significant thoroughfare; thus, all structures shall abide by the City's architectural standards, as they may be amended. Architecture may include vertical siding for a "modern farmhouse" elevation, with stone accents on the front elevation, but must otherwise conform to the design standards.

Open Space, Trails, & Amenities

Additional open space above and beyond what is shown on the Concept Plan and compliance with the Neighborhood Vision Book is not required due to the minimum lot size being one (1) acre. Other standard regulations apply, such as the perimeter roadway landscape buffers, sidewalks, and any associated detention.

Zoning

The base zoning shall be Single-Family Residential Estate District ("SF-E"), and the development shall abide by the design standards of the City, as found in the Zoning Ordinance, Subdivision Ordinance, and other applicable regulations. The project shall abide by all City regulations, as may be amended, except as follows:

1. All streets shall be concrete with a rural cross section (concrete, bar-ditch drainage, no sidewalk).
2. All private lot fencing shall be ornamental iron where adjacent to thoroughfares.
3. The developer shall connect to internet and gas.

LOCATION MAP

The subject property is generally located south of Sunset Boulevard and approximately 735 feet east of KC Robinson Lane

BACKGROUND

- The subject property is approximately 22 acres
- The subject property was annexed into City Limits in 2017 and was zoned Agriculture District (AG)
- The applicant is proposing a base zoning of Single-Family Residential Attached District (SF-A / Townhomes)

POLICY CONSIDERATIONS

- The applicant is proposing to develop the property with mews, these help create a more active and engaging open space for residents
- This type of land use is not inappropriate for a future 4-lane divided roadway
- ROW dedication and landscape buffer for Sunset Boulevard are consistent with modern standard
- Townhomes promote housing choice, which is discussed in the Comprehensive Plan

CITY OF CELINA, TEXAS

ORDINANCE 2023-_____
GLORY VILLAS

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, AMENDING ORDINANCE NO. 2006-57, AS HERETOFORE AMENDED, THE SAME BEING THE COMPREHENSIVE ZONING ORDINANCE, AND AMENDING THE OFFICIAL ZONING MAP OF THE CITY BY DESIGNATING THE ZONING OF LAND THAT IS APPROXIMATELY 22 ACRES LOCATED IN THE COLLIN COUNTY SCHOOL LAND SURVEY, ABSTRACT NO. 167, COLLIN COUNTY, TEXAS, AND GENERALLY LOCATED SOUTH OF SUNSET BOULEVARD AND APPROXIMATELY 730 FEET EAST OF KC ROBINSON LANE; AS DESCRIBED IN EXHIBIT “A” AND DEPICTED IN EXHIBIT “B” AND INCORPORATED HEREIN TO BE REZONED FROM AGRICULTURAL DISTRICT (AG), TO SINGLE-FAMILY RESIDENTIAL ATTACHED DISTRICT (SF-A); PROVIDING FOR INCORPORATION OF PREMISES, FINDINGS, AMENDMENT OF ZONING CLASSIFICATION, ZONING DESIGNATION AND DEVELOPMENT REGULATIONS, REVISION OF ZONING MAP, COMPLIANCE; PROVIDING FOR A PENALTY NOT TO EXCEED \$2,000.00 PER OFFENSE AND OTHER ENFORCEMENT MECHANISMS; PROVIDING CUMULATIVE REPEALER, SAVINGS AND SEVERABILITY CLAUSES; PROVIDING FOR PUBLICATION; PROVIDING FOR ENGROSSMENT AND ENROLLMENT; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Celina is a home rule municipality located in Collin and Denton County, Texas created in accordance with the provisions of the Texas Local Government Code, The Texas Constitution and operating pursuant to the enabling legislation of the state of Texas; and

WHEREAS, the City Council of the City of Celina, Texas (the “City Council”) is empowered under Local Government Code 54.001 to do all acts and make all regulations which may be necessary or expedient for the promotion of the public health, safety, and general welfare; and

WHEREAS, Section 211.003 of the Texas Local Government Code, empowers a municipality to, among other things, establish and amend zoning districts, classifications of land use, adopt a comprehensive plan to regulate the use of land and open spaces, adopt and amend zoning regulations, regulate population density, and regulate the use and location of buildings; and

WHEREAS, the establishment of a zoning classification has been requested for the property more specifically described in Exhibit “A” and depicted in Exhibit “B”, attached hereto and incorporated as though fully set forth herein (the “Property”); and

WHEREAS, the City Council has considered, among other things, the character of the property and its suitability for particular uses, with a view of encouraging the most appropriate use of land in the City, and is in the interest of public health, safety, and welfare, and does hereby find that the requested zoning accomplishes such objectives and is consistent with the provisions of the Celina 2040 Comprehensive Plan of the City of Celina; and

WHEREAS, the Planning and Zoning Commission of the City of Celina and the City Council of the City of Celina, in compliance with the laws of the State of Texas and the ordinances of the City of Celina, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area and in the vicinity thereof; and

WHEREAS, the City Council, in the exercise of its legislative discretion has concluded that the zoning classification on the tract of land described herein should be changed and the zoning map so amended.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS:

SECTION 1
INCORPORATION OF PREMISES

The above and foregoing premises are true and correct and are incorporated herein and made a part hereof for all purposes.

SECTION 2
FINDINGS

After due deliberations the City Council has concluded that the adoption of this Ordinance is in the best interest of the City of Celina, Texas and of the public health, safety, and welfare.

SECTION 3
AMENDMENT OF ZONING CLASSIFICATION

That Ordinance No. 2006-57 of the City of Celina, Texas, as heretofore amended, the same being the City's Comprehensive Zoning Ordinance, is hereby amended to establish the zoning classification for the Property as Single-Family Residential Attached District (SF-A).

SECTION 4
ZONING DESIGNATION AND DEVELOPMENT REGULATIONS

That Ordinance No. 2006-57 of the City of Celina, Texas, as heretofore amended, the same being the City's Comprehensive Zoning Ordinance, is hereby amended by designating the zoning on the land described in Exhibit "A" and depicted in Exhibit "B", attached hereto and incorporated herein, as Single-Family Residential Attached District (SF-A).

SECTION 5
REVISION OF ZONING MAP

That the City Manager for the City of Celina is hereby directed to mark and indicate on the official Zoning District Map of the City the zoning change herein made.

SECTION 6
COMPLIANCE REQUIRED

That the property described on Exhibit "A" and depicted in Exhibit "B" hereto shall be used only in the manner and for the purposes provided for in this ordinance and the Comprehensive Zoning Ordinance, of the City of Celina as amended.

SECTION 7
PENALTY

7.01 Any person, firm or corporation violating any of the provisions or terms of this ordinance or of the Code of Ordinances as amended hereby, shall be subject to the same penalty as provided for in the Code of Ordinances of the City of Celina, and upon conviction shall be punished by a fine not to exceed Two Thousand Dollars (\$2,000.00) for each offense.

7.02 If the governing body of the City of Celina determines that a violation of this Ordinance has occurred, the City of Celina may bring suit in district court to enjoin the person, firm, partnership, corporation, or association from engaging in the prohibited activity.

SECTION 8 **CUMULATIVE REPEALER CLAUSE**

This Ordinance shall be cumulative of all other Ordinances and shall not repeal any of the provisions of such Ordinances except for those instances where there are direct conflicts with the provisions of this Ordinance. Ordinances, or parts thereof, in force at the time this Ordinance shall take effect and that are inconsistent with this Ordinance are hereby repealed to the extent that they are inconsistent with this Ordinance. Provided however, that any complaint, action, claim or lawsuit which has been initiated or has arisen under or pursuant to such other Ordinances on this date of adoption of this Ordinance shall continue to be governed by the provisions of such Ordinance and for that purpose the Ordinance shall remain in full force and effect.

SECTION 9 **SAVINGS CLAUSE**

All rights and remedies of the City of Celina, Texas are expressly saved as to any and all violations of the provisions of any other ordinance affecting zoning regulation which have secured at the time of the effective date of this ordinance; and, as to such accrued violations and all pending litigation, both civil and criminal, whether pending in court or not, under such ordinances same shall not be affected by this Ordinance but may be prosecuted until final disposition by the court.

SECTION 10 **SEVERABILITY**

The provisions of the Ordinance are severable. However, in the event this Ordinance or any procedure provided in this Ordinance becomes unlawful, or is declared or determined by a judicial, administrative, or legislative authority exercising its jurisdiction to be excessive, unenforceable, void, illegal or otherwise inapplicable, in whole or in part, the remaining and lawful provisions shall be of full force and effect and the City shall promptly promulgate new revised provisions in compliance with the authority's decisions or enactment.

SECTION 11 **PUBLICATION CLAUSE**

The City Secretary of the City of Celina is hereby directed to publish in the Official Newspaper of the City of Celina the Caption, and Effective Date of this Ordinance as required by Section 52.013 of the Local Government Code.

SECTION 12 **ENGROSSMENT AND ENROLLMENT**

The City Secretary is hereby directed to engross and enroll this Ordinance by copying the descriptive Caption in the minutes of the City Council and by filing this Ordinance in the Ordinance records of the City.

SECTION 13 **EFFECTIVE DATE**

This Ordinance shall become effective from and after its date of passage and publication as required by law.

AND IT IS SO ORDAINED.

PASSED AND APPROVED by the City Council of the City of Celina, Texas this 14th day of February, 2023.

Development Services
City of Celina, Texas

Memorandum

To: **Honorable Mayor Terry and the Celina City Council**
 From: Dusty McAfee AICP, Director of Development Services
 CC: Jason Laumer, City Manager
 Date: February 14, 2023
 Re: Light Farms - Limited Purpose Annexation First Public Hearing

Action Requested:

The Celina City Council will conduct a public hearing, in accordance with Section 43.0751(d) of the Texas Local Government Code, to provide members of the public the opportunity to present testimony or evidence and act upon a proposed Strategic Partnership Agreement between the City and the Collin County Municipal Utility District, No. 1 (the “District”), which agreement provides for the City’s limited purpose annexation of all non-residential (i.e. commercial and retail) land along W. Frontier Parkway within the District, with such annexation to commence immediately after the effective date of the Strategic Partnership Agreement. Pursuant to Section 43.0751(f)(1) of the Texas Local Government Code, UPON THE DATE A LIMITED-PURPOSE ANNEXATION ORDINANCE IS ADOPTED, THE NON-RESIDENTIAL (I.E. COMMERCIAL AND RETAIL) LAND ALONG W. FRONTIER PARKWAY INCLUDED WITHIN THE BOUNDARIES OF THE DISTRICT SHALL BE DEEMED TO BE WITHIN THE LIMITED PURPOSE BOUNDARY LIMITS OF THE CITY WITHOUT THE NEED FOR FURTHER ACTION BY THE CITY COUNCIL OF THE CITY, INCLUDING ISSUING NOTICE OR CONDUCTING PUBLIC HEARINGS OR AN ELECTION WITHIN THE DISTRICT ON THE QUESTION OF ANNEXATION. (Light Farms – Limited Purpose Annexation First Public Hearing) (McAfee)

Background Information:

This item is for the limited purpose annexation of all commercial property within the Light Farms MUD District. Please refer to the attached presentation for further information.

LIGHT FARMS LPA

City Council
February 14, 2023

LOCATION MAP

The subject properties are generally located north of Frontier Parkway, within Light Farms

BACKGROUND

- Texas authorizes cities to enter into Strategic Partnership Agreements (SPA) with special districts
- The proposed SPA functions to allow for the Limited Purpose Annexation (LPA) of the commercial pad sites along Frontier Parkway in Light Farms, for the sole purpose of collecting sales tax
- The Light Farms MUD board will conduct public hearings in February and March to consider the agreement
- The City must conduct two public hearings in compliance with State law

POLICY POINTS

- LPAs are common agreements between cities and special districts and were partly established by the State to assist local governments that provide services to special districts outside city limits
- With the commercial pad sites developing along Frontier Parkway, it is timely to begin collecting sales tax from these properties
- There is no impact to the commercial properties, other than the imposition of local sales tax (2 cents per \$100; State base is 6.25%)
- Residential properties in Light Farms are not impacted

ANNEXATION TIMELINE

- February – 1st Public Hearing
- April – 2nd Public Hearing and SPA adoption
- May – Ordinance adoption

Collin County Municipal Utility District #1 (Light Farms) is also conducting public hearings for the approval of the proposed SPA/LPA

RECOMMENDATION

- Staff recommends approval as presented

**STRATEGIC PARTNERSHIP AGREEMENT
FOR LIMITED PURPOSE ANNEXATION
BETWEEN THE CITY OF CELINA, TEXAS,
AND COLLIN COUNTY MUNICIPAL UTILITY DISTRICT NO. 1**

This **STRATEGIC PARTNERSHIP AGREEMENT FOR LIMITED PURPOSE ANNEXATION** (this "Agreement") is made and entered into by and between the **CITY OF CELINA, TEXAS**, a municipal corporation principally situated in Collin County, Texas, acting by and through its governing body, the City Council of the City of Celina, Texas (the "City"), and **COLLIN COUNTY MUNICIPAL UTILITY DISTRICT NO. 1** (the "District"), a conservation and reclamation district and political subdivision of the State of Texas created pursuant to Article XVI, Section 59 of the Texas Constitution, and operating under Chapters 49 and 54 of the Water Code, as amended, and Chapter 8164, Special District Local Laws Code . Pursuant to Section 43.0751(c) of the Texas Local Government Code, this Agreement shall become effective on the effective date described in Section 5.18 of this Agreement (the "Effective Date").

**ARTICLE I
RECITALS**

WHEREAS, capitalized terms used but not defined in these recitals are defined in Article II, Definitions, of this Agreement; and

WHEREAS, the City and the District are individually referred to as a "Party" and collectively as the "Parties"; and

WHEREAS, Section 43.0751 of the Texas Local Government Codes ("the Act") authorizes the City and the District to negotiate and enter into a strategic partnership agreement by mutual consent, and the City and the District wish to enter into such an agreement; and

WHEREAS, the City and the District negotiated this Agreement by mutual consent; and

WHEREAS, this Agreement provides for the City's limited purpose annexation of certain areas, as described on Exhibit A and depicted on Exhibit B attached to this Agreement (the "Limited Purpose Property"); and

WHEREAS, the Parties entered into that certain "Strategic Partnership Agreement Between the City of Celina, Texas and Collin County Municipal Utility District No. 1 for full purpose annexation, which was filed in the land records of Collin County on September 9, 2020 as Instrument No. 20200909001511980 (the "Full Purpose SPA"), and the Parties intend for the Full Purpose SPA to remain in full force and effect, entering this Agreement solely for the purpose for providing earlier limited purpose annexation of certain commercial areas;

WHEREAS, the City desires to annex the Limited Purpose Property for the sole and exclusive purpose of imposing and collecting sales and use taxes within such areas; and

WHEREAS, subject to the terms and conditions of this Agreement, the District is willing to allow the City to annex the Limited Purpose Property of the District for the sole and exclusive purpose of imposing and collecting sales and use taxes within such areas; and

WHEREAS, as required by the Act, the City held public hearings on February 14, 2023 and April 11, 2023, at 112 North Colorado, Celina, Texas 75009, and the District held public hearings on February 22, 2023 and March 22, 2023 at 1234 Homestead Court, Celina, Texas 75009, which location is located in the District, at which members of the public were given the opportunity to present testimony or evidence regarding the proposed Agreement; and

WHEREAS, the City and the District made copies of the proposed Agreement available to members of the public and gave notice of such hearings in accordance with the terms of the Act; and

WHEREAS, the City and the District wish to enter into a strategic partnership agreement to provide the terms and conditions under which portions of the District will be annexed for the limited purpose of imposing and collecting sales and use taxes within the Limited Purpose Property; and

WHEREAS, in accordance with the requirements of Section 43.0751(p)(1) of the Act, this Agreement does not require the District to provide revenue to the City solely for the purpose of an agreement with the City to forgo annexation of the District; and

WHEREAS, in accordance with the requirements of Section 43.0751(p)(2) of the Act, this Agreement provides benefits to the City and the District, including revenue, services, and/or regulations which are reasonable and equitable with regard to the benefits provided to the other Party; and

WHEREAS, all the terms and conditions contained in this Agreement are lawful and appropriate to provide for the provision of municipal services.

NOW THEREFORE, for and in consideration of the mutual covenants of the Parties set forth in this Agreement, and for other good and valuable consideration the receipt and adequacy of which are acknowledged and agreed by the Parties, the Parties agree as follows:

ARTICLE II DEFINITIONS

Unless the context requires otherwise, and in addition to the terms defined above, the following terms and phrases used in this Agreement shall have, solely for the purposes of this Agreement, the meanings set out below:

"Act" means Texas Local Government Code, §43.0751 (Vernon Supp. 2002) and any amendments thereto.

"Agreement" means this Limited Purpose Strategic Partnership Agreement by and between the City and the District.

"Board" means the Board of Directors of the District.

"City" means the City of Celina, Texas, a municipal corporation principally situated in Collin County, Texas.

"City Council" means the City Council of the City.

"Development Agreement" means that certain Amended and Restated Development Agreement approved by the City of Celina City Council on March 12, 2007 and dated effective as of March 12, 2007 and filed in the deed records of Collin County, Texas as Instrument No. 20071101001489980 by and between the City, Forestar/RPG Land Company, LLC, Lucas Celina 209, Ltd., Central Frisco, Ltd., as modified by the following: (a) that certain Addendum to Amended and Restated Development Agreement approved by the City Council on May 14, 2007 and dated effective as of March 12, 2007 and filed in the deed records of Collin County, Texas as Instrument No. 200711010011489990; (b) that certain First Amendment to Amended and Restated Development Agreement approved by the City Council on August 13, 2007 and dated effective as of March 12, 2007 and filed in the deed records of Collin County, Texas as Instrument No. 20071114001544520; (c) that certain Second Amendment to Amended and Restated Development Agreement approved by the City Council on December 14, 2009 and dated effective as of March 12, 2007 and filed in the deed records of Collin County, Texas as Instrument No. 20100105000007540; (d) that certain Third Amendment to Amended and Restated Development Agreement approved by the City Council on, and dated effective as of, May 9, 2011 and filed in the deed records of Collin County, Texas as Instrument No. 20120423000464760; (e) that certain Fourth Amendment to Amended and Restated Development Agreement approved by the City Council on October 8, 2012 and dated effective as of October 12, 2012 and filed in the deed records of Collin County, Texas as Instrument No. 20121114001454530; (f) that certain Fifth Amendment to Amended and Restated Development Agreement approved by the City Council on May 13, 2014 and filed in the deed records of Collin County, Texas as Instrument No. 20140711000715400; (g) that certain Memorandum of Amendment to Development Agreement executed September 16, 2014 and filed in the deed records of Collin County, Texas as Instrument No. 20140916001001050; (h) that certain Sixth Amendment to Amended and Restated Development Agreement approved by the City Council on September 8, 2015 and filed in the deed records of Collin County, Texas as Instrument No. 20151022001338070; (i) that certain Seventh Amendment to Amended and Restated Development Agreement approved by the City Council on November 10, 2015 and filed in the deed records of Collin County, Texas as Instrument No. 20151228001609150; (j) that certain Eighth Amendment to Amended and Restated Development Agreement approved by the City Council on January 19, 2016 and filed in the deed records of Collin County, Texas as Instrument No. 20160307000271300; and (k) that certain Ninth Amendment to Amended and Restated Development Agreement approved by the City Council on or about December 12, 2016 and filed in the deed records of Collin county, Texas as Instrument No. 20170112000053780. The term "Development Agreement" also includes any future amendments to the Development Agreement described in this definition, including the Development Agreement Amendment.

"Development Agreement Amendment" means the tenth amendment to the Development Agreement approved by the City Council on August 26, 2020, and approved by the District on August 26, 2020, with an effective date as provided therein.

"District" means Collin County Municipal Utility District No. 1, a conservation and reclamation district created pursuant to Article XVI, Section 59, Texas Constitution and operating pursuant to Chapters 49 and 54, Texas Water Code, and the District Act.

"District Act" means Chapter 8164, Special District Local Laws Code.

"Effective Date" means the date this Agreement becomes effective in accordance with Section 5.18 of this Agreement.

"Full Purpose SPA" shall have the meaning ascribed in Article I, Recitals, above.

"Limited District" means the "Light Farms Limited District" resulting from the conversion of the Collin County Municipal Utility District No. 1 under Section 43.0751(f)(6) of the Act and as set forth in the Full Purpose SPA.

"Limited Purpose Property" shall have the meaning ascribed in Article I, Recitals, above.

"Party" or "Parties" means a party or the parties to this Agreement, being the City and the District.

"Sales and Use Tax Revenues" shall have the meaning ascribed in Section 3.04.

"Tax Code" shall have the meaning ascribed in Section 3.01.

ARTICLE III LIMITED PURPOSE ANNEXATION OF PROPERTY

Section 3.01 Limited Purpose Annexation of Limited Purpose Property

The Parties agree that the City may annex the Limited Purpose Property for the sole and limited purpose of collecting sales and use taxes authorized by Chapter 321 of the Texas Tax Code (the 'Tax Code') to be imposed by the City on sales consummated within the Limited Purpose Property. The District acknowledges and agrees that the City Council may adopt a limited purpose annexation ordinance applicable to the Limited Purpose Property at a meeting conducted in accordance with Chapter 551 of the Texas Government Code and that no further notices, hearings, or other procedures shall be required to adopt such limited purpose annexation ordinance. The City may commence limited purpose annexation of the Limited Purpose Property upon the Effective Date.

Section 3.02 Limited Purpose Property and Sales and Use Tax Revenues.

The City collects a two percent (2%) sales and use tax, of which one percent (1%) is dedicated for other purposes and one percent (1%) is undedicated and deposited into the general fund, that will be collected within the Limited Purpose Property following the limited purpose annexation. For purposes of this Agreement, the City's one percent (1%) undedicated sales and

use taxes collected within the Limited Purpose Property shall be referred to as the “Sales and Use Tax Revenues”.

Section 3.03 Property Taxes and District Liability for Debts of the City.

Beginning on the Effective Date of this Agreement and ending upon the City’s complete full purpose annexation and conversion of the District to the Limited District in accordance with the terms of the Full Purpose SPA: (i) neither the District nor any owners of taxable property within the District is liable for any present or future debts of the City, and (ii) current and future ad valorem taxes levied by the City will not be levied on taxable property within the District.

Section 3.04 Limited District.

The District is not a limited district as defined in Section 43.0751(a)(2) of the Act.

Section 3.05 Powers and Functions Retained by the District.

This Agreement does not limit in any manner the rights, powers, functions, and authority of the District, except as provided herein.

Section 3.06 Consent to Limited Purpose Annexation.

The District on behalf of itself and all present and future owners of land within the District, hereby requests that the City annex the Limited Purpose Property solely for the limited purposes provided in this Agreement. The District consents to such annexation, and to the collection of sales and use tax revenues by the City within the Limited Purpose Property. Such consent shall bind the District and each owner and future owner of land within the District.

ARTICLE IV TAXATION

Section 4.01 Collection of Sales and Use Tax Revenues.

The City may impose a sales and use tax within the Limited Purpose Property pursuant to Section 43.0751(k) of the Act. The sales and use tax may be imposed on all eligible commercial activities at the rate allowed under the Tax Code and as adopted by the City. Collection of sales and use tax shall take effect on the date described in Section 321.102 of the Tax Code and/or other applicable law.

Section 4.02 Use of the Sales and Use Tax Revenue.

Subject to the terms and conditions of this Agreement, the City and District agree to share equally the Sales and Use Tax Revenues that are reported on the monthly area sales tax report provided by the Texas Comptroller and actually received by the City from the Comptroller after the date of the limited-purpose annexation of Limited Purpose Property and until the City completes full purpose annexation and conversion of the District to the Limited District in accordance with the terms of the Full Purpose SPA. The City shall deliver the District's

portion of the Sales and Use Tax Revenues to the District within thirty (30) days of the City's receipt of the sales report and receipt of the Sales and Use Tax Revenue from the Comptroller. The City and District may use its portion of the Sales and Use Tax Revenues for any lawful purpose.

The City shall deliver to the District a condensed version of each monthly area sales tax report provided by the Comptroller, containing only the contents of the sales tax report relating to retail sales and retailers in the Limited Purpose Property within thirty (30) days of the City's receipt of the sales tax report.

Section 4.03 District Audit Rights.

The District may audit the Sales and Use Tax Revenue collections by the City solely to determine whether the Sales and Use Tax Revenue payments provided by Section 4.02 have been made to the District in accordance with this Agreement, however the District may not review and such tax information that the law prohibits the City from disclosing to a third party. Any audit shall be made at the District's sole cost and expense and may be performed at any time during the City's regular business hours by an auditor hired by the District on thirty (30) days written notice to the City. For the purpose of any audits, the City shall maintain and make available to the District or its representatives all books, records, documents and other evidence of accounting procedures or practices in whatever form maintained by the City for its own purposes to reflect the collection of all Sales and Use Tax Revenues that are subject to this Agreement.

Section 4.04 District Tax Right.

The District shall be entitled to collect 100% of the revenue from ad valorem taxes imposed by the District on property located within the Limited Purpose Property and may use said revenues for any purpose for which the District is lawfully authorized to use its ad valorem tax revenues or other revenues collected by the District from property located wholly within the District.

Section 4.05 Notification of Comptroller.

The City shall send notice of this Agreement, together with other required documentation, to the Comptroller in the manner provided by Tax Code, Section 321.102, after the City Council annexes the Limited Purpose Property for limited purposes.

ARTICLE V ADDITIONAL PROVISIONS

Section 5.01 Recitals

The recitals contained in this Agreement: (a) are true and correct as of the Effective Date; (b) form the basis upon which the Parties negotiated and entered into this Agreement; (c) are legislative findings of the City Council and the Board, and (d) reflect the final intent of the Parties with regard to the subject matter of this Agreement. In the event it becomes necessary

to interpret any provision of this Agreement, the intent of the Parties, as evidenced by the recitals, shall be taken into consideration and, to the maximum extent possible, given full effect. The Parties have relied upon the recitals as part of the consideration for entering into this Agreement and, but for the intent of the Parties reflected by the recitals, would not have entered into this Agreement.

Section 5.02 Term

This Agreement shall continue in effect until such time as (1) the City completes full purpose annexation and conversion of the District to the Limited District in accordance with the terms of the Full Purpose SPA; and (2) until the date of dissolution of the Limited District in accordance with the terms of the Full Purpose SPA.

Section 5.03 Notices

All notices required or contemplated by this Agreement (or otherwise given in connection with this Agreement) shall be in writing, shall be signed by or on behalf of the Party giving the Notice, and shall be effective as follows: (a) on or after the 10th business day after being deposited with the United States mail service, Certified Mail, Return Receipt Requested with a confirming copy sent by E-mail; (b) on the day delivered by a private delivery or private messenger service (such as FedEx or UPS) as evidenced by a receipt signed by any person at the delivery address (whether or not such person is the person to whom the notice is addressed); or (c) otherwise on the day actually received by the person to whom the notice is addressed, including, but not limited to, delivery in person and delivery by regular mail (with a confirming copy sent by E-mail). Notices given pursuant to this section shall be addressed as follows:

Section 5.04 Events of Default

No Party shall be in default under this Agreement until notice of the alleged failure of such Party to perform has been given (which notice shall set forth in reasonable detail the nature of the alleged failure) and until such Party has been given a reasonable time to cure the alleged failure (such reasonable time determined based on the nature of the alleged failure, but in no event more than 30 days after written notice of the alleged failure has been given). In addition, no Party shall be in default under this Agreement if, within the applicable cure period, the Party to whom the notice was given begins performance and thereafter diligently and continuously pursues performance until the alleged failure has been cured. The time to cure may be extended beyond 30 days by the Party giving notice of default, if the receiving Party, within such 30 days provides a written explanation of the steps being taken to cure the default and a detailed explanation of why more than 30 days is reasonably necessary to cure. Notwithstanding the foregoing, however, a Party shall be in default of its obligation to make any payment required under this Agreement if such payment is not made on the date that it is due.

Section 5.05 Remedies

IF A PARTY IS IN DEFAULT, THE AGGRIEVED PARTY MAY, AT ITS OPTION AND WITHOUT PREJUDICE TO ANY OTHER RIGHT OR REMEDY UNDER THIS AGREEMENT, SEEK ANY RELIEF AVAILABLE AT LAW OR IN EQUITY, INCLUDING, BUT NOT LIMITED TO, AN ACTION UNDER THE UNIFORM DECLARATORY JUDGEMENT ACT, SPECIFIC PERFORMANCE, MANDAMUS, AND INJUNCTIVE RELIEF. NOTWITHSTANDING THE FOREGOING, HOWEVER, NO DEFAULT UNDER THIS AGREEMENT SHALL: ENTITLE THE AGGRIEVED PARTY TO TERMINATE THIS AGREEMENT; OR ADVERSELY IMPACT OR IMPAIR THE LIMITED PURPOSE ANNEXATION OF THE LIMITED PURPOSE PROPERTY PROVIDED THE CITY IS IN FULL COMPLIANCE WITH THIS AGREEMENT; OR ENTITLE THE AGGRIEVED PARTY TO SEEK OR RECOVER EXEMPLARY, CONSEQUENTIAL OR SPECIAL DAMAGES.

Section 5.06 Waiver of Immunity

Neither Party waives or surrenders any of its respective governmental powers, immunities or rights, except as specifically waived in this Section 5.06. The City acknowledges an express waiver of its governmental immunity from suit and immunity from liability as to any action brought by the District to pursue the remedies available under this Agreement, but only to the extent necessary to pursue such remedies. The District acknowledges an express waiver of its governmental immunity from suit and immunity from liability as to any action brought by the City to pursue the remedies available under this Agreement, but only to the extent necessary to pursue such remedies. Nothing in this Section 5.06 shall waive any claims, defenses or immunities that either Party has with respect to suits against them by persons or entities not a party to this Agreement.

Section 5.07 Assignment

No Party may assign this Agreement in whole or in part without the prior written consent of all of the other Parties.

Section 5.08 Interpretation

The Parties acknowledge that each of them has been actively involved in negotiating this Agreement. Accordingly, the rule of construction that any ambiguities are to be resolved against the drafting Party will not apply to interpreting this Agreement. In the event of any dispute over the meaning or application of any provision of this Agreement, the provision will be interpreted fairly and reasonably and neither more strongly for or against any Party, regardless of which Party originally drafted the provision.

Section 5.09 Authority to Execute

The City represents and warrants that this Agreement has been approved by ordinance duly adopted by the City Council in accordance with all applicable public notice requirements (including, but not limited to, notices required by the Texas Open Meetings Act) and that the individual executing this Agreement on behalf of the City has been duly authorized to do so. The District represents and warrants that this Agreement has been approved by order duly adopted by the Board of Directors of the District in accordance with all applicable public notice requirements (including, but not limited to, notices required by the Texas Open Meetings Act) and that the individual executing this Agreement on behalf of the District has been duly authorized to do so.

Section 5.10 Entire Agreement; Severability; Changes in State or Federal Laws

This Agreement, together with the Full Purpose SPA, constitute all of the agreements between the Parties and, together, supersede all prior agreements, whether oral or written, covering the subject matter of this Agreement. This Agreement shall not be modified or amended except in writing signed by the Parties whose rights and obligations are being amended. If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable for any reason, then (a) such unenforceable provision shall be deleted from this Agreement; (b) the unenforceable provision shall, to the extent possible, be rewritten to be enforceable and to give effect to the intent of the Parties; (c) the amount of money to be received or paid by any Party shall not be reduced; and (d) the remainder of this Agreement shall remain in full force and effect and shall be interpreted to give effect to the intent of the Parties provided the limited purpose annexation of the Limited Purpose Property remains in effect. If any State or federal law changes so as to make it impossible for the City or District to perform its obligations under this Agreement, the Parties will cooperate to amend this Agreement in such a manner that is most consistent with the original intent of this Agreement as legally possible, including maintenance of the limited purpose annexation of the Limited Purpose Property. This Agreement relies on the statutory authority provided by Texas Local Government Code Sections 43.0715, 43.075 and 43.0751. If there is a conflict, such conflict shall be resolved in a manner

that harmonizes the reading of these statutes in a manner that results in the terms of this Agreement being enforceable.

Section 5.11 Applicable Law; Venue

This Agreement is entered into under and pursuant to, and is to be construed and enforceable in accordance with, the laws of the State of Texas, and all obligations of the Parties are performable in Collin County, Texas. Venue for any action to enforce or construe this Agreement shall be in Collin County, Texas.

Section 5.12 Non Waiver

Any failure by a Party to insist upon strict performance by another Party of any material provision of this Agreement shall not be deemed a waiver thereof, and the Party shall have the right at any time thereafter to insist upon strict performance of any and all provisions of this Agreement. No provision of this Agreement may be waived except by writing signed by the Party waiving such provision. Any waiver shall be limited to the specific purposes for which it is given. No waiver by any Party of any term or condition of this Agreement shall be deemed or construed to be a waiver of any other term or condition or subsequent waiver of the same term or condition.

Section 5.13 No Third Party Beneficiaries

This Agreement only inures to the benefit of, and may only be enforced by, the Parties. No other person or entity shall have any right, title, or interest under this Agreement or otherwise be deemed to be a third-party beneficiary of this Agreement.

Section 5.14 Counterparts

This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and constitute one and the same instrument.

Section 5.15 Further Documents

Each Party shall, upon request of the other Party, execute and deliver such further documents and perform such further acts as may reasonably be requested to effectuate the terms of this Agreement and achieve the intent of the Parties.

Section 5.16 Document to be Recorded; Binding Effect

Pursuant to Section 43.0751(c) of the Act, this Agreement, upon adoption, shall be filed in the real property records of Collin County, Texas, and shall bind each owner and each future owner of land included within the District's boundaries on the Effective Date. The City shall take all necessary steps to cause this Agreement to be recorded in the real property records of Collin County, Texas.

Section 5.17 Exhibits

The following Exhibits are attached to this Agreement and are incorporated herein for all purposes:

Exhibit A	Description of the Limited Purpose Property
Exhibit B	Depiction of the Limited Purpose Property

Section 5.18 Effective Date

The effective date of this Agreement is the date it is approved and adopted by the City Council.

IN WITNESS WHEREOF, the Parties have executed this Agreement in multiple copies, each of which shall be an original.

RECOMMENDATION

- Staff recommends approval as presented

ORDINANCE NO. 2023-__

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS ACCEPTING AND APPROVING A SERVICE AND ASSESSMENT PLAN AND PHASE #3 ASSESSMENT ROLL – PHASE #3 ADDITIONAL PROJECTS FOR THE CAMBRIDGE CROSSING PUBLIC IMPROVEMENT DISTRICT; MAKING A FINDING OF SPECIAL BENEFIT TO THE PROPERTY WITHIN PHASE #3 OF THE DISTRICT; LEVYING SPECIAL ASSESSMENTS AGAINST PROPERTY WITHIN PHASE #3 OF THE DISTRICT AND ESTABLISHING A LIEN ON SUCH PROPERTY; PROVIDING FOR THE METHOD OF ASSESSMENT AND THE PAYMENT OF THE ASSESSMENTS IN ACCORDANCE WITH CHAPTER 372, TEXAS LOCAL GOVERNMENT CODE, AS AMENDED; PROVIDING PENALTIES AND INTEREST ON DELINQUENT ASSESSMENTS; PROVIDING FOR SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, on January 3, 2017, a petition was submitted and filed with the City Secretary (the “City Secretary”) of the City of Celina, Texas (the “City”) pursuant to the Public Improvement District Assessment Act, Chapter 372, Texas Local Government Code, as amended (the “PID Act”), requesting the creation of a public improvement district in the extraterritorial jurisdiction of the City; and

WHEREAS, the petition contained the signatures of the owners of taxable property representing more than fifty percent of the appraised value of taxable real property liable for assessment within the District, as determined by the then current ad valorem tax rolls of Collin Central Appraisal District and the signatures of the property owners who own taxable real property that constitutes more than fifty percent of the area of all taxable property within the District that is liable for assessment; and

WHEREAS, on February 28, 2017, after due notice, the City Council of the City (the “City Council”) held a public hearing in the manner required by law on the advisability of the public improvements and services described in the petition as required by Section 372.009 of the PID Act and made the findings required by Section 372.009(b) of the PID Act and, by Resolution No. 2017-10R (the “Authorization Resolution”) adopted by a majority of the members of the City Council, authorized and created the Cambridge Crossing Public Improvement District (the “District”) in accordance with its finding as to the advisability of the Authorized Improvements; and

WHEREAS, the City published the Authorization Resolution as required by law; and

WHEREAS, no written protests regarding the creation of the District from any owners of record of property within the District were filed with the City Secretary; and

WHEREAS, all of the property within the District is now within the corporate boundaries of the City; and

WHEREAS, on January 10, 2023, the City Council adopted a resolution approving a preliminary service and assessment plan, including a proposed assessment roll for Phase #3 of the District related to the Phase #3 Additional Projects (as defined herein); calling for a public

hearing to consider an ordinance levying assessments on property within Phase #3 of the District (the "Assessments"); authorizing and directing the City Secretary of the City to file the proposed assessment roll for Phase #3 of the District related to the Phase #3 Additional Projects and make such assessment roll available for public inspection; authorizing and directing the publication of notice of a public hearing to consider the levying of the Assessments against the property within Phase #3 of the District related to the Phase #3 Additional Projects (the "Levy and Assessment Hearing"); authorizing and directing the mailing of notice of the Levy and Assessment Hearing to owners of property liable for assessment; and directing related action; and

WHEREAS, on January 11, 2023, the City Secretary filed the Assessment Roll (defined below) and made the same available for public inspection; and

WHEREAS, the City Secretary, pursuant to Section 372.016(b) of the PID Act, published notice of the Levy and Assessment Hearing on January 16, 2023 in the *Celina Record*, a newspaper of general circulation in the City; and

WHEREAS, the City Secretary, pursuant to Section 372.016(c) of the PID Act, mailed the notice of the Levy and Assessment Hearing to the last known addresses of the owners of the property liable for the Assessments; and

WHEREAS, the City Council opened the Levy and Assessment Hearing on February 14, 2023, and at which all persons who appeared, or requested to appear, in person or by their attorney, were given the opportunity to contend for or contest the Assessment Roll, and the proposed Assessments, and to offer testimony pertinent to any issue presented on the amount of the Assessments, the allocation of the Actual Costs of the improvements to be undertaken in the future for the benefit of the Phase #3 Assessed Property (as defined in the Service and Assessment Plan) (the "Phase #3 Additional Projects"), the purposes of the Assessments, the special benefits of the Phase #3 Additional Projects, and the penalties and interest on annual installments and on delinquent annual installments of the Assessments; and

WHEREAS, the City Council finds and determines that the Assessment Roll and the Cambridge Crossing Public Improvement District Service and Assessment Plan, dated February 14, 2023, in a form substantially similar to the attached **Exhibit A** (as updated, the "Service and Assessment Plan"), and which is incorporated herein for all purposes, should be approved and that the Assessments should be levied as provided in this Ordinance and the Service and Assessment Plan and the assessment roll attached thereto as Appendix J-2 (the "Assessment Roll"); and

WHEREAS, the City Council further finds that there were no objections or evidence submitted to the City Secretary in opposition to the Service and Assessment Plan, the allocation of the Actual Costs of the Phase #3 Additional Projects (as described in the Service and Assessment Plan), the Assessment Roll, or the levy of the Assessments against the Phase #3 Assessed Property; and

WHEREAS, the owners (the "Landowners"), or their representatives, of the majority of the privately-owned and taxable property located within Phase #3 of the District, who are the persons

to be assessed pursuant to this Ordinance, have indicated their approval and acceptance of the Service and Assessment Plan, approval of the Assessment Roll, approval of this Ordinance, and approval of the levy of the Assessments against their property located within the District; and

WHEREAS, the City Council closed the hearing, and, after considering all written and documentary evidence presented at the hearing, including all written comments and statements filed with the City, determined to proceed with the adoption of this Ordinance in conformity with the requirements of the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS:

Section 1. Terms.

Terms not otherwise defined herein are defined in the Service and Assessment Plan.

Section 2. Findings.

The findings and determinations set forth in the preambles hereof are hereby incorporated by reference and made a part of this Ordinance for all purposes as if the same were restated in full in this Section. The City Council hereby finds, determines, and ordains, as follows:

(a) The apportionment of the Actual Costs of the Phase #3 Additional Projects (as reflected in the Service and Assessment Plan), and the Administrative Expenses (as defined in and as described by the Service and Assessment Plan) is fair and reasonable, reflects an accurate presentation of the special benefit each assessed parcel of Phase #3 Assessed Property will receive from the construction of the Phase #3 Additional Projects identified in the Service and Assessment Plan, and is hereby approved;

(b) The Service and Assessment Plan (i) covers a period of at least five years, (ii) defines the annual indebtedness and projected costs for the Phase #3 Additional Projects, and (iii) includes a copy of the notice form required by Section 5.014 of the Texas Property Code, as amended;

(c) The Service and Assessment Plan apportions the Actual Costs of the Phase #3 Additional Projects to be assessed against the Phase #3 Assessed Property as Assessments and such apportionment is made on the basis of special benefits accruing to the property because of the Phase #3 Additional Projects;

(d) All of the real property in Phase #3 of the District which is being assessed in the amounts shown in the Assessment Roll will be benefited by the Phase #3 Additional Projects proposed to be constructed as described in the Service and Assessment Plan, and each assessed parcel of Phase #3 Assessed Property will receive special benefits during the term of the Assessments equal to or greater than the total amount assessed;

(e) The method of apportionment of the Actual Costs of the Phase #3 Additional Projects and Administrative Expenses set forth in the Service and Assessment Plan results in imposing equal shares of the Actual Costs of the Phase #3 Additional

Projects and Administrative Expenses on property similarly benefited, and results in a reasonable classification and formula for the apportionment of the Actual Costs;

(f) The Service and Assessment Plan should be approved as the service plan and assessment plan for the District as described in Sections 372.013 and 372.014 of the PID Act;

(g) The Assessment Roll should be approved as the assessment roll related to the Phase #3 Additional Projects for the Phase #3 Assessed Property within the District;

(h) The provisions of the Service and Assessment Plan relating to due and delinquency dates for the Assessments, interest on Annual Installments, interest and penalties on delinquent Assessments and delinquent Annual Installments, and procedures in connection with the imposition and collection of Assessments should be approved and will expedite collection of the Assessments in a timely manner in order to provide the services and improvements needed and required for the District; and

(i) A written notice of the date, hour, place and subject of this meeting of the City Council was posted at a place convenient to the public for the time required by law preceding this meeting, as required by the Open Meetings Act, Chapter 551, Texas Government Code, as amended, and this meeting has been open to the public as required by law at all times during which this Ordinance and the subject matter hereof has been discussed, considered, and formally acted upon.

Section 3. Service and Assessment Plan.

The Service and Assessment Plan is hereby accepted and approved pursuant to Sections 372.013 and 372.014 of the PID Act as the service plan and the assessment plan for the District.

Section 4. Assessment Roll.

The Assessment Roll is hereby accepted and approved pursuant to Section 372.016 of the PID Act as the assessment roll related to the Phase #3 Additional Projects for Phase #3 of the District.

Section 5. Levy and Payment of Assessments for Actual Costs of the Phase #3 Additional Projects.

(a) The City Council hereby levies an assessment on each parcel of Phase #3 Assessed Property (excluding Non-Benefitted Property, as defined in the Service and Assessment Plan), as shown and described in the Service and Assessment Plan and the Assessment Roll, in the respective amounts shown on the Assessment Roll, as a special assessment on the properties set forth in the Assessment Roll.

(b) The levy of the Assessments shall be effective on the date of the adoption of this Ordinance levying Assessments and strictly in accordance with the terms of the Service and Assessment Plan and the PID Act.

(c) The collection of the Assessments shall be as described in the Service and Assessment Plan and the PID Act.

(d) Each Assessment may be paid in a lump sum at any time or may be paid in Annual Installments pursuant to the terms of the Service and Assessment Plan.

(e) Each Assessment shall bear interest at the rate or rates specified in the Service and Assessment Plan.

(f) Each Annual Installment shall be collected each year in the manner set forth in the Service and Assessment Plan.

(g) The Administrative Expenses for Assessed Property shall be calculated and collected pursuant to the terms of the Service and Assessment Plan.

Section 6. Method of Assessment.

The method of apportioning the Actual Costs of the Phase #3 Additional Projects and Administrative Expenses are set forth in the Service and Assessment Plan.

Section 7. Penalties and Interest on Delinquent Assessments.

Delinquent Assessments shall be subject to the penalties, interest, procedures, and foreclosure sales set forth in the Service and Assessment Plan and as allowed by law.

Section 8. Prepayments of Assessments.

As provided in Section VI of the Service and Assessment Plan, the owner of any Phase #3 Assessed Property subject to an Assessment may prepay the Assessments levied by this Ordinance.

Section 9. Lien Priority.

The City Council and the Landowners intend for the obligations, covenants and burdens on the Landowners of each parcel of Phase #3 Assessed Property, including without limitation such Landowners' obligations related to payment of the Assessments and the Annual Installments thereof, to constitute covenants that shall run with the land. The Assessments and the Annual Installments thereof which are levied hereby shall be binding upon the Landowners, as the owners of each parcel of Phase #3 Assessed Property, and their respective transferees, legal representatives, heirs, devisees, successors and assigns in the same manner and for the same period as such parties would be personally liable for the payment of ad valorem taxes under applicable law. Assessments shall have lien priority as specified in the Service and Assessment Plan and the PID Act.

Section 10. Appointment of Administrator and Collector of Assessments.

(a) Appointment of Administrator.

MuniCap, Inc., is hereby appointed and designated to initially serve, or until otherwise determined by the City Council, as the Administrator of the Service and Assessment Plan and of the Assessments levied by this Ordinance. The Administrator shall perform the duties of the Administrator described in the Service and Assessment Plan and in this Ordinance. The Administrator's fees, charges and expenses for providing such service shall constitute an Administrative Expense.

(b) Appointment of Collector.

The Collin County Tax Assessor and Collector is hereby appointed and designated as the collector of the Assessments.

Section 11. Applicability of Tax Code.

To the extent not inconsistent with this Ordinance, and not inconsistent with the PID Act or the other laws governing public improvement districts, the provisions of the Texas Tax Code shall be applicable to the imposition and collection of the Assessments by the City.

Section 12. Filing in Land Records. The City Secretary is directed to cause a copy of this Ordinance, including the Service and Assessment Plan and the Assessment Roll, to be recorded in the real property records of Collin County, not later than the seventh day after the date the City Council adopts this Ordinance approving the Service and Assessment Plan. The City Secretary is further directed to similarly file each Annual Service Plan Update (as defined in the Service and Assessment Plan) approved by the City Council not later than the seventh day after the date that the City Council approves each Annual Service Plan Update.

Section 13. Severability.

If any provision, section, subsection, sentence, clause, or phrase of this Ordinance, or the application of the same to any person or set of circumstances is for any reason held to be unconstitutional, void, or invalid, the validity of the remaining portions of this Ordinance or the application to other persons or sets of circumstances shall not be affected thereby, it being the intent of the City Council that no portion hereof, or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness, or invalidity or any other portion hereof, and all provisions of this ordinance are declared to be severable for that purpose.

Section 14. Effective Date.

This Ordinance shall take effect, and the levy of the Assessments, and the provisions and terms of the Service and Assessment Plan shall be and become effective upon passage hereof.

PASSED AND ADOPTED, this the 14th day of February, 2023.

I. PLAN DESCRIPTION AND DEFINED TERMS

A. INTRODUCTION

On February 28, 2017, the City Council of the City of Celina, Texas passed and approved Resolution No. 2017-10R approving and authorizing the creation of the Cambridge Crossing Public Improvement District (the “PID”) to finance the costs of certain public improvements for the benefit of property in the PID, all of which is located within the City of Celina.

The property in the PID is proposed to be developed in approximately seven phases, and the PID will finance public improvements for each phase as each phase is developed. Assessments will be imposed on all the property in the PID for the public improvements that benefit the entire PID and on the property in each phase for the public improvements to be provided for that phase.

Chapter 372 of the Texas Local Government Code, the “Public Improvement District Assessment Act” (as amended, the “PID Act”), governs the creation and operation of public improvement districts within the State of Texas. The Cambridge Crossing Public Improvement District Service and Assessment Plan, as updated (the “Service and Assessment Plan”) has been prepared in accordance with the PID Act and specifically Sections 372.013, 372.014, 372.015 and 372.016, as amended, which address the requirements of a service and assessment plan and the assessment roll. According to Section 372.013 of the PID Act, a service plan “must (i) cover a period of at least five years; (ii) define the annual indebtedness and the projected costs for improvements; and (iii) include a copy of the notice form required by Section 5.014, Property Code.” The service plan is described in Section IV of this Service and Assessment Plan. The copy of the notice form required by Section 5.014 of the Texas Property Code, as amended, is attached hereto as Appendix E.

Section 372.014 of the PID Act requires that “an assessment plan must be included in the annual service plan.” The assessment plan is described in Section V of this Service and Assessment Plan.

Section 372.015 of the PID Act requires that “the governing body of the municipality or county shall apportion the cost of an improvement to be assessed against property in an improvement district.” The method of assessing the costs of the Authorized Improvements and apportionment of such costs to the property in the PID is included in Section V of this Service and Assessment Plan.

Section 372.016 of the PID Act requires that “after the total cost of an improvement is determined, the governing body of the municipality or county shall prepare a proposed assessment roll. The roll must state the assessment against each parcel of land in the district, as determined by the method of assessment chosen by the municipality or county under this subchapter.” The Assessment Rolls for the PID are included as Appendix G, Appendix H, Appendix I, Appendix J-1 and Appendix J-2 of this Service and Assessment Plan. The Assessments as shown on each Assessment Roll are based on the method of assessment and apportionment of costs described in Section V of this Service and Assessment Plan.

B. DEFINITIONS

Capitalized terms used herein shall have the meanings ascribed to them as follows:

“Actual Cost(s)” means, with respect to an Authorized Improvement, the demonstrated, reasonable, allocable, and allowable costs of constructing such Authorized Improvement, as specified in a Certification for Payment that has been reviewed and approved by the City. Actual Cost may include (a) the costs for the design, planning, financing, administration, management, acquisition, installation, construction and/or implementation of such Authorized Improvement, including general contractor construction management fees, if any, (b) the costs of preparing the construction plans for such Authorized Improvement, (c) the fees paid for obtaining permits, licenses or other governmental approvals for such Authorized Improvement, (d) the costs for external professional costs associated with such Authorized Improvement, such as engineering, geotechnical, surveying, land planning, architectural landscapers, advertising, marketing and research studies, appraisals, legal, accounting and similar professional services, and property taxes (e) the costs of all labor, bonds and materials, including equipment and fixtures, incurred by contractors, builders and material men in connection with the acquisition, construction or implementation of the Authorized Improvements, (f) all related permitting, zoning and public approval expenses, architectural, engineering, legal, and consulting fees, financing charges, taxes, governmental fees and charges (including inspection fees, City permit fees, development fees), insurance premiums, and miscellaneous expenses.

Actual Costs may include general contractor’s fees in an amount up to a percentage equal to the percentage of work completed and accepted by the City or construction management fees in an amount up to five percent of the eligible Actual Costs described in a Certification for Payment. The amounts expended on legal costs, taxes, governmental fees, insurance premiums, permits, financing costs, and appraisals shall be excluded from the base upon which the general contractor and construction management fees are calculated.

“Additional Interest” means the 0.50% additional interest rate charged on Assessments (if applicable) pursuant to Section 372.018 of the PID Act.

“Additional Interest Component” means the amount collected by application of the Additional Interest.

“Additional Major Improvements” mean the Authorized Improvements described in Section III.C that benefit all Assessed Property within the PID and that are being constructed after Phase #1. Assessments have been or will be levied against property within Phase #3 and the Future Phases only to pay for the Actual Costs of the Additional Major Improvements allocable to Phase #3 and the Future Phases, respectively. The Actual Costs of the Additional Major Improvements allocable to Phase #1 and Phase #2 will be paid by the Developer without reimbursement.

“Administrative Expenses” mean the administrative, organization, maintenance and operation costs associated with, or incidental to, the administration, organization, maintenance and operation of the PID, including, but not limited to, the costs of: (i) creating and organizing the PID, including conducting hearings, preparing notices and petitions, and all costs incident thereto, including

engineering fees, legal fees and consultant fees, (ii) the annual administrative, organization, maintenance, and operation costs and expenses associated with, or incident and allocable to, the administration, organization, maintenance, and operation of the PID and the Authorized Improvements, (iii) computing, levying, billing and collecting Assessments or the Annual Installments thereof, (iv) maintaining the record of installments of the Assessments and the system of registration and transfer of the Bonds, (v) issuing, paying and redeeming the Bonds, (vi) investing or depositing of monies, (vii) complying with the PID Act and other laws applicable to the Bonds, (viii) the Trustee's reasonable fees and expenses relating to the Bonds, (ix) legal counsel, engineers, accountants, financial advisors, investment bankers or other consultants and advisors, and (x) administering the construction of the Authorized Improvements. Administrative Expenses do not include payment of the actual principal of, redemption premium, if any, and interest on the Bonds or any costs of issuance associated with the Bonds. Administrative Expenses collected and not expended for actual Administrative Expenses shall be carried forward and applied to reduce Administrative Expenses in subsequent years to avoid the over-collection of amounts to pay Administrative Expenses.

“Administrator” means the employee or designee of the City, identified in any indenture of trust relating to the Bonds or in any other agreement approved by the City Council, who shall have the responsibilities provided for herein.

“Annual Installment” means, with respect to each Parcel, each annual payment of: (i) the Assessments including interest, as shown on the Assessment Rolls attached hereto as Appendix G, Appendix H, Appendix I, Appendix J-1 and Appendix J-2 as applicable, or in an Annual Service Plan Update, and calculated as provided in Section VI of this Service and Assessment Plan, (ii) the Additional Interest described in Section V of this Service and Assessment Plan, if applicable, and (iii) the Administrative Expenses.

“Annual Service Plan Update” has the meaning set forth in the sixth paragraph of Section IV of this Service and Assessment Plan.

“Assessed Property” means the property that benefits from the Authorized Improvements to be provided by the PID on which Assessments have been imposed as shown in each Assessment Roll, as each Assessment Roll is updated each year by the Annual Service Plan Update. Assessed Property includes all Parcels within the PID other than Non-Benefited Property.

“Assessment” means an assessment levied against a Parcel imposed pursuant to an Assessment Ordinance and the provisions herein, as shown on any Assessment Roll, subject to reallocation upon the subdivision of such Parcel or reduction according to the provisions herein and the PID Act.

“Assessment Ordinance” means each Assessment Ordinance adopted by the City Council approving the Service and Assessment Plan (including amendments or supplements to the Service and Assessment Plan) and levying the Assessments against the respective Assessed Property.

“Assessment Revenues” mean the revenues actually received by or on behalf of the City from the collection of Assessments.

“Assessment Roll” means, as applicable, the Phases #2-7 Major Improvement Area Assessment Roll, the Phase #1 Assessment Roll, the Phase #2 Assessment Roll, the Phase #3 Assessment Roll - Phase #3 Improvements, the Phase #3 Assessment Roll - Phase #3 Additional Projects, or any other Assessment Roll in an amendment or supplement to this Service and Assessment Plan or in an Annual Service Plan Update.

“Authorized Improvements” mean those public improvements described in Appendix B of this Service and Assessment Plan and Section 372.003 of the PID Act, constructed and installed in accordance with this Service and Assessment Plan, and any future updates and/or amendments.

“Bonds” mean any bonds issued by the City in one or more series and secured in whole or in part by the Assessment Revenues.

“Budgeted Cost(s)” means the amounts budgeted to construct the Authorized Improvements as used in the preparation of this Service and Assessment Plan.

“Certification for Payment” means the certificate to be provided by the Developer, or his designee, to substantiate the Actual Cost of one or more Authorized Improvements.

“City” means the City of Celina, Texas.

“City Council” means the duly elected governing body of the City.

“County” means Collin County, Texas.

“Delinquent Collection Costs” mean interest, penalties and expenses incurred or imposed with respect to any delinquent installment of an Assessment in accordance with the PID Act and the costs related to pursuing collection of a delinquent Assessment and foreclosing the lien against the Assessed Property, including attorney’s fees.

“Developer” means Tollway/Outer Loop, L.P., a Texas limited partnership, and any successor owner of the property within the PID or any portion thereof with obligation to construct all or a portion of the Authorized Improvements.

“Equivalent Units” mean, as to any Parcel the number of dwelling units by lot type expected to be built on the Parcel multiplied by the factors calculated and shown in Appendix F attached hereto.

“Future Phase Improvements” means those Authorized Improvements associated with any Future Phases.

“Future Phases” means Phases to be developed after Phase #1, Phase #2, and Phase #3, as such areas are generally depicted and described in Appendix A. The Future Phases are subject to adjustment and are shown for example only.

“Homeowner Association” means a homeowner’s association or property owners’ association established for the benefit of property owners within the boundaries of the PID.

“Homeowner Association Property” means property within the boundaries of the PID that is owned by or irrevocably offered for dedication to, whether in fee simple or through an exclusive use easement, a Homeowner’s Association.

“Initial Major Improvements” mean the Authorized Improvements described in Section III.B that benefit all Assessed Property within the PID and that were constructed concurrently with Phase #1.

“Lot” means a tract of land described as a “lot” in a subdivision plat recorded in the official public records of the County.

“Lot Type” means a classification of final building lots with similar characteristics (e.g. commercial, light industrial, multifamily residential, single family residential, etc.), as determined by the Administrator and confirmed by the City Council as shown in Appendix F. In the case of single family residential lots, the Lot Type shall be further defined by classifying the residential lots by the estimated average home value for each home at the time of assessment levy, considering factors such as density, lot size, proximity to amenities, view premiums, location, and any other factors that may impact the average home value on the lot, as determined by the Administrator and confirmed by the City Council.

“Major Improvements” mean the Initial Major Improvements and the Additional Major Improvements.

“Non-Benefited Property” means Parcels that accrue no special benefit from the Authorized Improvements, which may include Homeowner Association Property, Public Property and easements that create an exclusive use for a public utility provider to the extent they accrue no special benefit from the Authorized Improvements. Property identified as Non-Benefited Property at the time the Assessments (i) are imposed or (ii) are reallocated pursuant to a subdivision of a Parcel, is not assessed. Assessed Property converted to Non-Benefited Property, if the Assessments may not be reallocated pursuant to the provisions herein, remains subject to the Assessments and requires the Assessments to be prepaid as provided for in Section VI.G.

“Parcel” or “Parcels” means a parcel or parcels within the PID identified by either a tax map identification number assigned by the Collin Central Appraisal District for real property tax purposes or by lot and block number in a final subdivision plat recorded in the real property records of Collin County.

“Phase” means one or more Parcels within the PID that will be developed in the same general time period. The Parcels within a Phase will be assessed in connection with the construction of Authorized Improvements (or the portion thereof) that specially benefit the Parcels within such Phase and designated in an update to this Service and Assessment Plan and/or the issuance of Phased PID Bonds related to such Phase.

“Phase #1” means the initial Phase to be developed, identified as “Phase #1” and generally shown in Appendix A, as specifically depicted and described as the sum of all Parcels shown in Appendix H.

“Phase #1 Additional Projects” means the pro rata portion of the Additional Major Improvements allocable to Phase #1, which are described in Section III.C.

“Phase #1 Assessed Property” means all Parcels within Phase #1 other than Non-Benefited Property and shown in the Phase #1 Assessment Roll against which an Assessment relating to the Phase #1 Initial Projects is levied.

“Phase #1 Assessment Revenues” mean the actual revenues received by or on behalf of the City from the collection of Assessments levied against Phase #1 Assessed Property, or the Annual Installments thereof, for the Phase #1 Initial Projects.

“Phase #1 Assessment Roll” means the document included in this Service and Assessment Plan as Appendix H, as updated, modified or amended from time to time in accordance with the procedures set forth herein and in the PID Act, including updates prepared in connection with the issuance of Bonds or in connection with any Annual Service Plan Update.

“Phase #1 Bonds” mean those certain "City of Celina, Texas, Special Assessment Revenue Bonds, Series 2018 (Cambridge Crossing Public Improvement District Phase #1 Project)" that are secured primarily by Phase #1 Assessment Revenues and financed a portion of the Phase #1 Initial Projects.

“Phase #1 Improvements” mean the Authorized Improvements which only benefit Phase #1 Assessed Property, which are described in Section III.D.

“Phase #1 Initial Projects” mean (i) the pro rata portion of the Initial Major Improvements allocable to Phase #1 and (ii) the Phase #1 Improvements, which are described in Section III.

“Phase #1 Maximum Assessment Per Unit” means for Phase #1, an Assessment per unit related to the Phase #1 Initial Projects for each applicable Lot Type as follows:

Lot Type 1 (74 Ft) - \$37,615.15

Lot Type 2 (60 Ft) - \$30,648.27

Lot Type 3 (50 Ft) - \$25,578.30

“Phase #1 Projects” mean (i) the pro rata portion of the Major Improvements allocable to Phase #1, and (ii) the Phase #1 Improvements, which are described in Section III.

“Phase #2” means the second Phase to be developed, identified as “Phase #2” and generally shown in Appendix A, as specifically depicted and described as the sum of all Parcels shown in Appendix I.

“Phase #2 Additional Projects” means the pro rata portion of the Additional Major Improvements allocable to Phase #2, which are described in Section III.C.

“Phase #2 Assessed Property” means all Parcels within Phase #2 other than Non-Benefited Property and shown in the Phase #2 Assessment Roll against which an Assessment relating to the Phase #2 Improvements are levied.

“Phase #2 Assessment Revenues” mean the actual revenues received by or on behalf of the City from the collection of Assessments levied against Phase #2 Assessed Property, or the Annual Installments thereof, for the Phase #2 Improvements.

“Phase #2 Assessment Roll” means the document included in this Service and Assessment Plan as Appendix I, as updated, modified or amended from time to time in accordance with the procedures set forth herein and in the PID Act, including updates prepared in connection with the issuance of Bonds or in connection with any Annual Service Plan Update.

“Phase #2 Improvements” mean the Authorized Improvements which only benefit Phase #2 Assessed Property, which are described in Section III.E.

“Phase #2 Initial Projects” mean (i) the pro rata portion of the Initial Major Improvements allocable to Phase #2 and (ii) the Phase #2 Improvements, which are described in Section III.

“Phase #2 Maximum Assessment Per Unit” means for Phase #2, an Assessment per unit related solely to the Phase #2 Initial Projects for each applicable Lot Type as follows:

Lot Type 1 (74 Ft) - \$51,716.53

Lot Type 2 (60 Ft) - \$44,896.77

Lot Type 4 (84 Ft) - \$56,831.35

Lot Type 5 (40 Ft) - \$33,530.50

“Phase #2 Projects” mean (i) the pro rata portion of the Major Improvements allocable to Phase #2, and (ii) the Phase #2 Improvements, which are described in Section III.

“Phases #2-7 Major Improvement Area” means the property within the PID excluding Phase #1 which is to be developed subsequent to Phase #1 and generally depicted in Appendix A of this Service and Assessment Plan or any Annual Service Plan Update.

“Phases #2-7 Major Improvement Area Assessment Revenues” mean the revenues actually received by or on behalf of the City from the collection of Assessments levied against Phases #2-7 Major Improvement Area Assessed Property, or the Annual Installments thereof, for the Phase #2-7 Major Improvement Area Projects.

“Phases #2-7 Major Improvement Area Assessed Property” means, for any year, all Parcels within the PID other than (a) Non-Benefited Property, and (b) Parcels within Phase #1. Such property is shown in the Phases #2-7 Major Improvement Area Assessment Roll.

“Phases #2-7 Major Improvement Area Assessment Roll” means the document included in this Service and Assessment Plan as Appendix G, as updated, modified or amended from time to time in accordance with the procedures set forth herein and in the PID Act, including updates prepared in connection with the issuance of Bonds or in connection with any Annual Service Plan Update.

“Phases #2-7 Major Improvement Area Bonds” mean those certain "City of Celina, Texas, Special Assessment Revenue Bonds, Series 2018 (Cambridge Crossing Public Improvement

District Phases #2-7 Major Improvement Project)" that are secured primarily by Phases #2-7 Major Improvement Area Assessment Revenues.

"Phases #2-7 Major Improvement Area Projects" means the pro rata portion of the Initial Major Improvements allocable to the Phases #2-7 Major Improvement Area, which are described in Section III.B.

"Phase #3" means the third Phase to be developed, identified as "Phase #3" and generally shown in Appendix A, as specifically depicted and described as the sum of all Parcels shown in Appendix J-1 or Appendix J-2.

"Phase #3 Additional Projects" means the pro rata portion of the Additional Major Improvements allocable to Phase #3, which are described in Section III.C.

"Phase #3 Assessed Property" means all Parcels within Phase #3 other than Non-Benefited Property and shown in (i) the Phase #3 Assessment Roll - Phase #3 Improvements against which an Assessment relating to the Phase #3 Improvements are levied and (ii) the Phase #3 Assessment Roll - Phase #3 Additional Projects against which an Assessment relating to the Phase #3 Additional Projects are levied.

"Phase #3 Assessment Revenues" mean the actual revenues received by or on behalf of the City from the collection of Assessments levied against Phase #3 Assessed Property, or the Annual Installments thereof, for the Phase #3 Improvements and the Phase #3 Additional Projects.

"Phase #3 Assessment Roll – Phase #3 Improvements" means the document included in this Service and Assessment Plan as Appendix J-1, as updated, modified or amended from time to time in accordance with the procedures set forth herein and in the PID Act, including updates prepared in connection with the issuance of Bonds or in connection with any Annual Service Plan Update.

"Phase #3 Assessment Roll – Phase #3 Additional Projects" means the document included in this Service and Assessment Plan as Appendix J-2, as updated, modified or amended from time to time in accordance with the procedures set forth herein and in the PID Act, including updates prepared in connection with the issuance of Bonds or in connection with any Annual Service Plan Update.

"Phase #3 Improvements" mean the Authorized Improvements which only benefit Phase #3 Assessed Property, which are described in Section III.F.

"Phase #3 Initial Projects" mean the pro rata portion of the Initial Major Improvements allocable to Phase #3.

"Phase #3 Maximum Assessment Per Unit" means for Phase #3, an Assessment per unit related solely to the Phase # 3 Projects for each applicable Lot Type as follows:

Lot Type 1 (74 Ft) - \$51,745.88

Lot Type 2 (60 Ft) - \$44,922.24

Lot Type 3 (50 Ft) - \$40,373.16

“Phase #3 Projects” mean (i) the pro rata portion of the Major Improvements allocable to Phase #3, and (ii) the Phase #3 Improvements, which are described in Section III.

“Phased PID Bonds” mean bonds issued to fund Authorized Improvements (or a portion thereof) in a Phase. In connection with the Phased PID Bonds, Assessments will be levied only on Parcels located within the Phase in question.

“PID” has the meaning set forth in Section I.A of this Service and Assessment Plan.

“PID Act” means Texas Local Government Code Chapter 372, Public Improvement District Assessment Act, Subchapter A, Public Improvement Districts, as amended.

“Prepayment and Delinquency Reserve” means, with respect to the Phases #2-7 Major Improvement Area Bonds and Phase #1 Bonds, a reserve amount to be funded from Additional Interest collected each year. The Prepayment and Delinquency Reserve shall be funded until it reaches 5.50% of the outstanding respective series of Bonds unless otherwise stipulated in the respective Bond documents. Once the Prepayment and Delinquency Reserve is funded in full, the City may allocate the Additional Interest component of the Annual Installments as provided in the respective Trust Indenture.

“Prepayment Costs” mean interest and Administrative Expenses to the date of prepayment, plus any additional expenses related to the prepayment, reasonably expected to be incurred by or imposed upon the City as a result of any prepayment of an Assessment.

“Public Property” means property within the boundaries of the PID that is owned by or irrevocably offered for dedication to the federal government, the State of Texas, the County, the City, a school district or any other public agency, whether in fee simple or through an exclusive use easement.

“Reimbursement Agreement” means that certain PID Reimbursement Agreement – Cambridge Crossing dated as of August 14, 2018 by and between the City and the Developer in which the Developer agrees to fund certain Actual Costs of the Authorized Improvements, including the Phases #2-7 Major Improvements, the Phase #1 Projects, the Phase #2 Improvements, the Phase #2 Additional Projects, the Phase #3 Improvements, and the Phase #3 Additional Projects and the City agrees to reimburse the Developer with interest as permitted by the PID Act solely from Assessment Revenues and/or the net proceeds of Bonds for a portion of such Actual Costs funded by the Developer for Authorized Improvements constructed and accepted by the City for the benefit of the Assessed Property.

“Service and Assessment Plan” means this Service and Assessment Plan prepared for the PID pursuant to the PID Act, as the same may be amended from time to time.

“Trust Indenture” means an indenture of trust, ordinance or similar document setting forth the terms and other provisions relating to the Bonds, as modified, amended, and/or supplemented from time to time.

“Trustee” means the fiscal agent or trustee as specified in the Trust Indenture, including a substitute fiscal agent or trustee.

“Zoning Ordinance” means Ordinance No. 2016-32 adopted by the City Council on April 12, 2016, which ordinance establishes the permitted uses of, and standards for the development of the property within the PID.

II. PROPERTY INCLUDED IN THE PID

A. PROPERTY INCLUDED IN THE PID

The PID is presently located within the City and contains approximately 484.074 gross acres of land, generally located directly north of County Road 7, directly east of County Road 6, south of FM 428, and west of Dallas Parkway. A map of the property within the PID is shown on Appendix A to this Service and Assessment Plan.

At completion, the PID is expected to consist of approximately 1,530 single-family residential units, landscaping, and infrastructure necessary to provide roadways, drainage, and utilities to the PID. The estimated number of lots (1,530) is based upon the updated, proposed development plan.

The property in the PID was originally proposed to be developed as shown in Table II-A.

Table II-A
Proposed Development within the PID - Original

Description	Proposed Development	
Single-family – 74 Ft	152	Units
Single-family – 60 Ft	537	Units
Single-family – 50 Ft	839	Units
Total	1,528	Units

The original development plan was revised in 2022 and the revised lot count and lot mix is shown in Table II-B.

Table II-B
Proposed Development within the PID – 2022 Revised

Description	Proposed Development	
Single-family – 84 Ft	7	Units
Single-family – 74 Ft	200	Units
Single-family – 60 Ft	491	Units
Single-family – 50 Ft	634	Units
Single-family – 40 Ft	198	Units
Total	1,530	Units

B. PROPERTY INCLUDED IN THE PHASES #2-7 MAJOR IMPROVEMENT AREA

Phases #2-7 Major Improvement Area consists of approximately 334.675 acres and is now projected to consist of approximately 1,200 residential units. A map of the property within the Phases #2-7 Major Improvement Area and depicting the boundaries of each proposed Phase is shown in Appendix A.

The property within Phases #2-7 Major Improvement Area was originally proposed to be developed as shown in Table II-C.

Table II-C
Proposed Development within Phases #2-7 Major Improvement Area - Original

Description	Proposed Development	
Single-family – 74 Ft	109	Units
Single-family – 60 Ft	415	Units
Single-family – 50 Ft	674	Units
Total	1,198	Units

The property within Phases #2-7 Major Improvement Area was revised in 2022 and the revised lot count and lot mix is shown in Table II-D.

Table II-D
Proposed Development within Phases #2-7 Major Improvement Area - 2022 Revised

Description	Proposed Development	
Single-family – 84 Ft	7	Units
Single-family – 74 Ft	157	Units
Single-family – 60 Ft	369	Units
Single-family – 50 Ft	469	Units
Single-family – 40 Ft	198	Units
Total	1,200	Units

C. PROPERTY INCLUDED IN PHASE #1

Phase #1 originally consisted of approximately 108.523 acres. The final plat for Phase #1 is recorded in the real property records of Collin County, Texas as Document No. 20200212010000590 and consists of 330 residential lots on approximately 106.021 developed acres (which excludes certain right-of-way). A map of the property within Phase #1 and depicting the boundaries of each proposed Phase is shown in Appendix A.

The property within Phase #1 has been developed as shown in Table II-E.

Table II-E
Development within Phase #1

Description	Development	
Single-family – 74 Ft	43	Units
Single-family – 60 Ft	122	Units
Single-family – 50 Ft	165	Units
Total	330	Units

D. PROPERTY INCLUDED IN PHASE #2

Phase #2 consists of approximately 46.878 acres and consists of 227 single family residential units. The final plat for Phase #2 is recorded in the real property records of Collin County, Texas as Document No. 2022010000381. The property within Phase #2 is shown on the map attached as Appendix A, and is further described in Appendix C-1.

The property within Phase #2 has been developed as shown in Table II-F.

Table II-F
Development within Phase #2

Proposed Development	Quantity	Measurement
Single-family – 84 Ft	7	Units
Single-family – 74 Ft	20	Units
Single-family – 60 Ft	2	Units
Single-family – 40 Ft	198	Units
Total	227	Units

E. PROPERTY INCLUDED IN PHASE #3

Phase #3 consists of approximately 70.971 acres and is projected to consist of 242 single family residential units. The property within Phase #3 is shown on the map attached as Appendix A, and is further described in Appendix C-2.

The property within Phase #3 is proposed to be developed as shown in Table II-G.

Table II-G
Proposed Development within Phase #3

Proposed Development	Quantity	Measurement
Single-family – 74 Ft	19	Units
Single-family – 60 Ft	133	Units
Single-family – 50 Ft	90	Units
Total	242	Units

F. PROPERTY INCLUDED IN FUTURE PHASES

As Future Phases are developed, Phased PID Bonds may be issued and/or obligations may be incurred under the Reimbursement Agreement for Future Phase Improvements. In connection with the issuance of each new Phased PID Bond and/or new obligations under the Reimbursement Agreement for Future Phase Improvements, this Service and Assessment Plan will be updated to add additional details of each new Phase and the Future Phase Improvements as shown for Phase #1, Phase #2, and Phase #3 in Section II. A map of the projected property within each Future Phase is shown in Appendix A. The Future Phase(s) are shown for illustrative purposes only and are subject

to adjustment. The current Parcels in the PID are shown on the Assessment Rolls included as Appendix G, Appendix H, Appendix I, Appendix J-1 and Appendix J-2.

The estimated number of units at the build-out of the PID is based on the land use approvals for the property, the anticipated subdivision of property in the PID, and the Developer's estimate of the highest and best use of the property within the PID.

III. DESCRIPTION OF THE AUTHORIZED IMPROVEMENTS

A. AUTHORIZED IMPROVEMENT OVERVIEW

372.003. Authorized Improvements

(a) If the governing body of a municipality or county finds that it promotes the interests of the municipality or county, the governing body may undertake an improvement project that confers a special benefit on a definable part of the municipality or county or the municipality's extraterritorial jurisdiction. A project may be undertaken in the municipality or county or the municipality's extraterritorial jurisdiction.

(b) A public improvement may include:

- (i) landscaping;
- (ii) erection of fountains, distinctive lighting, and signs;
- (iii) acquiring, constructing, improving, widening, narrowing, closing, or rerouting of sidewalks or of streets, any other roadways, or their rights-of way;
- (iv) construction or improvement of pedestrian malls;
- (v) acquisition and installation of pieces of art;
- (vi) acquisition, construction, or improvement of libraries;
- (vii) acquisition, construction, or improvement of off-street parking facilities;
- (viii) acquisition, construction, improvement, or rerouting of mass transportation facilities;
- (ix) acquisition, construction, or improvement of water, wastewater, or drainage facilities or improvements;
- (x) the establishment or improvement of parks;
- (xi) projects similar to those listed in Subdivisions (i)-(x);
- (xii) acquisition, by purchase or otherwise, of real property in connection with an authorized improvement;
- (xiii) special supplemental services for improvement and promotion of the district, including services relating to advertising, promotion, health and sanitation, water and wastewater, public safety, security, business recruitment, development, recreation, and cultural enhancement;
- (xiv) payment of expenses incurred in the establishment, administration and operation of the district; and
- (xv) the development, rehabilitation, or expansion of affordable housing

After analyzing the public improvement projects authorized by the PID Act, the City has determined that the Authorized Improvements as described in Appendix B and shown on the diagrams included as Appendix D should be undertaken by the City for the benefit of the property within the PID.

Any change to the list of Authorized Improvements will require the approval of the City and an update to this Service and Assessment Plan.

B. DESCRIPTIONS AND COSTS OF INITIAL MAJOR IMPROVEMENTS

The Initial Major Improvements benefit the entire PID. The costs of the Initial Major Improvements are allocated proportionally throughout the entire PID, excluding Non-Benefited Property, in a manner that anticipates planned development of the PID based on the anticipated number of Equivalent Units.

The Initial Major Improvements descriptions are presented below as provided by the project engineer. The Actual Costs of the Initial Major Improvements are shown in Table III-A.

Roadway Improvements:

The major roadway improvements include construction of perimeter road and thoroughfare improvements, including related paving, drainage, curbs, gutters, sidewalks, retaining walls, signage, and traffic control devices. All roadway projects were designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Water Distribution System Improvements:

The major water distribution system improvements consist of construction and installation of water lines, mains, pipes, valves and appurtenances necessary for the water distribution system, as well as related testing, trench safety and erosion protection, necessary to service the Assessed Property. The water distribution system improvements were designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Sanitary Sewer Collection System Improvements:

The major sanitary sewer collection system improvements consist of construction and installation of pipes, service lines, manholes, encasements and appurtenances necessary to provide sanitary sewer service to the Assessed Property. The sanitary sewer improvements were designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Storm Drainage Collection System Improvements:

The major storm drainage collection system improvements consist of reinforced concrete pipes, reinforced concrete boxes, and multi-reinforced box culverts. The storm drainage collection system improvements were designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Table III-A shows the Actual Costs of the Initial Major Improvements.

(remainder of this page is intentionally left blank)

Table III-A
Actual Costs – Initial Major Improvements

Authorized Improvements	Total Initial Major Improvement Costs	Phase #1 Allocated Amount¹	Phases #2-7 Major Improvement Area Allocated Amount
Roadway improvements, including right-of-way	\$9,884,593	\$2,169,249	\$7,715,343
Water improvements	\$899,803	\$197,469	\$702,334
Sanitary sewer improvements	\$1,216,182	\$266,900	\$949,282
Storm drainage improvements	\$1,443,730	\$316,838	\$1,126,892
Other soft and miscellaneous costs	\$1,384,840	\$303,914	\$1,080,926
Total Authorized Improvements	\$14,829,147	\$3,254,369	\$11,574,778

Note: Costs provided by Dowdey, Anderson & Associates.

¹See Table V-A for allocation of Actual Costs of the Initial Major Improvements to Phase #1.

C. DESCRIPTIONS AND COSTS OF ADDITIONAL MAJOR IMPROVEMENTS

The Additional Major Improvements benefit the entire PID. The costs of the Additional Major Improvements are allocated proportionally throughout the entire PID, excluding Non-Benefited Property, in a manner that anticipates planned development of the PID based on the anticipated number of Equivalent Units. Assessments have been levied, are being levied, or are anticipated to be levied against property within Phase #3 and the Future Phases to pay for the Actual Costs of the Additional Major Improvements allocable to Phase #3 and the Future Phases, respectively. The Actual Costs of the Additional Major Improvements allocable to Phase #1 and Phase #2 will be paid by the Developer without reimbursement.

The Additional Major Improvements descriptions are presented below as provided by the project engineer. The Budgeted Costs of the Additional Major Improvements are shown in Table III-B.

Roadway Improvements:

The major roadway improvements include construction of perimeter road and thoroughfare improvements, including related paving, drainage, curbs, gutters, sidewalks, retaining walls, signage, street lights, and traffic control devices. All roadway projects will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Water Distribution System Improvements:

The major water distribution system improvements consist of construction and installation of water lines, mains, pipes, valves and appurtenances necessary for the water distribution system, as well as related testing, trench safety and erosion protection, necessary to service the Assessed Property. The water distribution system improvements will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Sanitary Sewer Collection System Improvements:

The major sanitary sewer collection system improvements consist of construction and installation of pipes, service lines, manholes, encasements and appurtenances necessary to provide sanitary sewer service to the Assessed Property. The sanitary sewer improvements will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Storm Drainage Collection System Improvements:

The major storm drainage collection system improvements consist of reinforced concrete pipes, reinforced concrete boxes, and multi-reinforced box culverts, multi-reinforced box culverts, junction boxes, inlets, headwalls, retaining walls, detention ponds and excavation thereof, and necessary appurtenances. The storm drainage collection system improvements will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Table III-B shows the Budgeted Costs of the Additional Major Improvements.

Table III-B
Budgeted Costs – Additional Major Improvements

Authorized Improvements	Total Additional Major Improvement Costs	Phase #1 Allocated Amount^{1,2}	Phase #2 Allocated Amount^{1,2}	Phase #3 Allocated Amount²	Future Ph Allocated Amount	
Roadway improvements, including right-of-way	\$3,090,645	\$682,679	\$388,002	\$503,268	\$1,510,000	5
Water improvements	\$580,231	\$128,165	\$72,843	\$94,483	\$28,000	1
Sanitary sewer improvements	\$207,112	\$45,748	\$26,001	\$33,725	\$10,000	8
Storm drainage improvements	\$4,733,093	\$1,045,472	\$594,197	\$770,718	\$2,322,000	6
Other soft and miscellaneous costs	\$0	\$0	\$0	\$0	\$0	0
Total Authorized Improvements	\$8,611,081	\$1,902,064	\$1,081,043	\$1,402,194	\$4,225,000	0

Note: Costs provided by Dowdey, Anderson & Associates.

¹Additional Major Improvements allocated to Phase #1 and Phase #2 will be paid for by the Developer without reimbursement.

²See Table V-C for allocation of Budgeted Costs of the Additional Major Improvements to Phase #1, Phase #2, Phase #3 and Future Phases.

D. DESCRIPTIONS AND COSTS OF PHASE #1 IMPROVEMENTS

The Phase #1 Improvements descriptions are presented below as provided by the project engineer. The Budgeted Costs of the Phase #1 Projects (including the Actual Costs of the Phase #1 Initial Projects) are shown in Table III-C and may be revised in Annual Service Plan Updates, including such other improvements as deemed necessary to further improve the properties within the PID.

Road Improvements:

The Phase #1 roadway improvements include construction of perimeter road and thoroughfare improvements, including related paving, drainage, curbs, gutters, sidewalks, retaining walls,

signage, and traffic control devices. All roadway projects were designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Water Improvements:

The Phase #1 water improvements consist of construction and installation of water lines, mains, pipes, valves and appurtenances necessary for the water distribution system, as well as related testing, trench safety and erosion protection, necessary to service the Phase #1 Assessed Property. The water distribution system improvements were designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Sanitary Sewer Improvements:

The Phase #1 sanitary sewer collection system improvements consist of construction and installation of pipes, service lines, manholes, encasements and appurtenances necessary to provide sanitary sewer service to the Phase #1 Assessed Property. The sanitary sewer improvements were designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Table III-C shows the Actual Costs of Phase #1 Initial Projects and Budgeted Costs of Phase #1 Additional Projects.

Table III-C
Actual Costs of Phase #1 Initial Projects and Budgeted Costs of Phase #1 Additional Projects

Authorized Improvements	Phase #1 Improvements	Proportional Share of Initial Major Improvements ¹	Proportional Share of Additional Major Improvements ²	Total Phase #1 Projects
Roadway improvements	\$2,404,410	\$2,169,249	\$682,679	\$5,256,338
Water improvements	\$1,055,340	\$197,469	\$128,165	\$1,380,974
Sanitary sewer improvements	\$933,576	\$266,900	\$45,748	\$1,246,225
Storm drainage improvements	\$0	\$316,838	\$1,045,472	\$1,362,310
Other soft and miscellaneous costs	\$521,173	\$303,914	\$0	\$825,087
Total Authorized Improvements	\$4,914,500	\$3,254,369	\$1,902,064	\$10,070,933

Note: Costs provided by Dowdey, Anderson & Associates.

¹See Table III-A.

²See Table III-B. Additional Major Improvements allocated to Phase #1 will be paid for by the Developer without reimbursement.

E. DESCRIPTIONS AND COSTS OF PHASE #2 IMPROVEMENTS

The Phase #2 Improvements descriptions are presented below as provided by the project engineer. The Budgeted Costs of the Phase #2 Projects (including Actual Costs of the Phase #2's share of Initial Major Improvements) are shown in Table III-D and may be revised in Annual Service Plan Updates, including such other improvements as deemed necessary to further improve the properties within the PID.

Roadway Improvements

The roadway improvement portion of the Phase #2 Improvements consists of the construction of road improvements, including related excavation, paving, drainage, curbs, gutters, sidewalks, retaining walls, signage, streetlights, and traffic control devices, which benefit the Phase #2 Assessed Property. All roadway projects were designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Water Improvements

The water improvements portion of the Phase #2 Improvements consists of construction and installation of a looped water main network, which includes waterlines, valves, fire hydrants, water services, and appurtenances, necessary for the portion of the water distribution system that will service the Phase #2 Assessed Property. The water improvements were designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Sanitary Sewer Improvements

The sanitary sewer improvement portion of the Phase #2 Improvements consists of construction and installation of various sized sanitary sewer pipes, service lines, manholes, encasements, and appurtenances necessary to provide sanitary sewer service to Phase #2 Assessed Property. The sanitary sewer improvements were designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Storm Drainage Improvements

The storm drainage improvement portion of the Phase #2 Improvements consist of reinforced concrete pipes, reinforced concrete boxes, multi-reinforced box culverts, junction boxes, inlets, headwalls, detention ponds and excavation thereof, and appurtenances necessary to provide adequate drainage to the Phase #2 Assessed Property constructed within the boundaries of the PID. The storm drainage collection system improvements were designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Other Soft and Miscellaneous Improvements

The other soft and miscellaneous portion of the Phase #2 Improvements consist of contingency, maintenance bonds, platting, permitting, engineering, staking and other soft costs.

Table III-D shows the Budgeted Costs of the Phase #2 Projects.

(remainder of this page is intentionally left blank)

Table III-D
Budgeted Costs – Phase #2 Projects

Authorized Improvements	Phase #2 Improvements	Proportional Share of Initial Major Improvements¹	Proportional Share of Additional Major Improvements²	Total Phase #2 Projects
Roadway improvements	\$2,984,392	\$1,243,195	\$388,002	\$4,615,590
Water improvements	\$806,538	\$113,169	\$72,843	\$992,550
Sanitary sewer improvements	\$543,344	\$152,960	\$26,001	\$722,306
Storm drainage improvements	\$1,261,460	\$181,579	\$594,197	\$2,037,237
Other soft and miscellaneous costs	\$342,420	\$174,173	\$0	\$516,592
Total Authorized Improvements	\$5,938,154	\$1,865,077	\$1,081,043	\$8,884,275

Note: Costs provided by Dowdey, Anderson & Associates.

¹See Table III-A. Phase #2's proportionate share of the Initial Major Improvements originally allocated to the Phases #2-7

Major Improvement Area. Phase #2's proportionate share of the Initial Major Improvements represent Actual Costs.

²See Table III-B. Additional Major Improvements allocated to Phase #2 will be paid for by the Developer without reimbursement.

F. DESCRIPTIONS AND COSTS OF PHASE #3 IMPROVEMENTS

The Phase #3 Improvements descriptions are presented below as provided by the project engineer. The Budgeted Costs of the Phase #3 Projects are shown in Table III-E and may be revised in Annual Service Plan Updates, including such other improvements as deemed necessary to further improve the properties within the PID.

Roadway Improvements

The roadway improvement portion of the Phase #3 Improvements consists of the construction of road improvements, including related excavation, paving, drainage, curbs, gutters, sidewalks, retaining walls, signage, streetlights, and traffic control devices, which benefit the Phase #3 Assessed Property. All roadway projects will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Water Improvements

The water improvements portion of the Phase #3 Improvements consists of construction and installation of a looped water main network, which includes waterlines, valves, fire hydrants, water services, and appurtenances, necessary for the portion of the water distribution system that will service the Phase #3 Assessed Property. The water improvements will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Sanitary Sewer Improvements

The sanitary sewer improvement portion of the Phase #3 Improvements consists of construction and installation of various sized sanitary sewer pipes, service lines, manholes, encasements, and appurtenances necessary to provide sanitary sewer service to Phase #3 Assessed Property. The

sanitary sewer improvements will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Storm Drainage Improvements

The storm drainage improvement portion of the Phase #3 Improvements consist of reinforced concrete pipes, reinforced concrete boxes, multi-reinforced box culverts, junction boxes, inlets, headwalls, detention ponds and excavation thereof, and appurtenances necessary to provide adequate drainage to the Phase #3 Assessed Property constructed within the boundaries of the PID. The storm drainage collection system improvements will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Other Soft and Miscellaneous Improvements

The other soft and miscellaneous portion of the Phase #3 Improvements consist of contingency, maintenance bonds, platting, permitting, engineering, staking and other soft costs.

Table III-E shows the Budgeted Costs of the Phase #3 Projects.

Table III-E
Budgeted Costs – Phase #3 Projects

Authorized Improvements	Phase #3 Improvements	Proportional Share of Initial Major Improvements¹	Proportional Share of Additional Major Improvements²	Total Phase #3 Projects
Roadway improvements	\$2,651,819	\$1,612,518	\$503,268	\$4,767,605
Water improvements	\$1,009,058	\$146,789	\$94,483	\$1,250,329
Sanitary sewer improvements	\$723,478	\$198,401	\$33,725	\$955,605
Storm drainage improvements	\$1,517,380	\$235,522	\$770,718	\$2,523,620
Other soft and miscellaneous costs	\$359,310	\$225,915	\$0	\$585,225
Total Authorized Improvements	\$6,261,045	\$2,419,145	\$1,402,194	\$10,082,385

Note: Costs provided by Dowdey, Anderson & Associates. The figures shown in Table III-E may be revised in Annual Service Plan Updates and may be reallocated between line items so long as the total Authorized Improvements amount does not change.

¹See Table III-A. Phase #3's proportionate share of the Initial Major Improvements originally allocated to the Phases #2-7 Major Improvement Area. Phase #3's proportionate share of the Initial Major Improvements represent Actual Costs.

²See Table III-B.

G. FUTURE PHASE AUTHORIZED IMPROVEMENTS

As Future Phases are developed and Phased PID Bonds are issued and/or obligations are incurred under the Reimbursement Agreement for Future Phase Improvements, this Service and Assessment Plan will be updated to identify the specific Future Phase Improvements that confer a special benefit to the property inside each Future Phase (e.g. a Table III-F will be added to show the costs for the specific Authorized Improvements financed within the specific Future Phase being developed.)

IV. SERVICE PLAN

A. SOURCES AND USES OF FUNDS

The PID Act requires the service plan to cover a period of at least five years. The service plan is required to define the annual projected costs and indebtedness for the Authorized Improvements undertaken within the PID during the five-year period. The Phase #1 Improvements were completed and accepted by the City in the first quarter of 2020. The Initial Major Improvements were completed and accepted by the City in the first quarter of 2020. The Phase #2 Improvements were completed and accepted by the City in the third quarter of 2022. The Phase #3 Improvements are anticipated to be completed and accepted by the City in the first quarter of 2023. Construction of the Additional Major Improvements commenced in second quarter of 2020 and are anticipated to be completed and accepted by the City in 2028.

The Actual Costs for the Phases #2-7 Major Improvement Area Projects plus costs related to the issuance of the Phases #2-7 Major Improvement Area Bonds, in one or more series, for the Phases #2-7 Major Improvement Area Projects and payment of expenses incurred in the establishment, administration and operation of the PID allocable to the Phases #2-7 Major Improvement Area Projects is \$14,405,058 as shown in Table IV-A.

The Actual Costs for the Phase #1 Initial Projects and Budgeted Costs for the Phase #1 Additional Projects plus costs related to the issuance of the Phase #1 Bonds, in one or more series, and payment of expenses incurred in the establishment, administration and operation of the PID allocable to Phase #1 is \$11,992,499 as shown in Table IV-B.

The Actual Costs for Phase #2 Improvements and Budgeted Costs of the Phase #2 Additional Projects and payment of expenses incurred in the administration and operation of PID allocable to Phase #2 is \$7,019,197 as shown in Table IV-C.

The Budgeted Costs for Phase #3 Improvements and Budgeted Costs of the Phase #3 Additional Projects and payment of expenses incurred in the administration and operation of PID allocable to Phase #3 is \$7,708,239 as shown in Table IV-D.

The sources and uses of funds shown in Table IV-A, Table IV-B, Table IV-C and Table IV-D shall be updated each year in the Annual Service Plan Update to reflect any budget revisions and Actual Costs. The service plan shall be reviewed and updated at least annually for the purpose of determining the annual budget for Administrative Expenses, updating the Actual Costs of the Authorized Improvements, and updating the Assessment Roll(s). Any update to this Service and Assessment Plan is herein referred to as an “Annual Service Plan Update.”

As Future Phases are developed in connection with the issuance of Phased PID Bonds and/or obligations are incurred under the Reimbursement Agreement for Future Phase Improvements, this Service and Assessment Plan will be amended (e.g. Table IV-E will be amended to add Phase #4, etc.).

The Phases #2-7 Major Improvement Area Bonds shown in Table IV-A were issued in 2018 to finance a portion of the Phases #2-7 Major Improvement Area Projects.

Table IV-A
Sources and Uses – Phases #2-7 Major Improvement Area

Sources of Funds	Total
Par amount	\$13,795,000
Other funding sources ¹	\$610,058
Total Sources	\$14,405,058
Uses of Funds	
<i><u>Initial Major Improvements</u></i>	
Roadway improvements including right-of-way	\$7,715,343

Total Uses	\$6,291,045	\$1,417,194	\$7,708,239

¹See Table III-B for allocation of Additional Major Improvements to Phase #3.

As Future Phases are developed, Phased PID Bonds may be issued and/or additional obligations under the Reimbursement Agreement may be incurred to finance the Future Phase Improvements required for each Future Phase.

(remainder of this page is intentionally left blank)

B. FIVE YEAR SERVICE PLAN

Phases #2-7 Major Improvement Area

The Actual Costs and projected annual indebtedness for the Phases #2-7 Major Improvement Area is shown in Table IV-E. The annual indebtedness is subject to revision and shall be updated in the Annual Service Plan Update to reflect any changes in the indebtedness expected for each year.

Table IV-E
Actual Costs and Projected Annual Indebtedness
Phases #2-7 Major Improvement Area

Year	Annual Cost	Projected Annual Indebtedness	Other Funding Sources ¹	Projected Phases #2-7 Major Improvement Area Annual Installments
2022 & Prior	\$14,405,058	\$13,795,000	\$610,058	\$2,932,649
2023	\$0	\$0	\$0	\$1,077,375
2024	\$0	\$0	\$0	\$1,077,318
2025	\$0	\$0	\$0	\$1,079,341
2026	\$0	\$0	\$0	\$1,080,554
2027	\$0	\$0	\$0	\$1,075,958
2028	\$0	\$0	\$0	\$1,080,828
2029	\$0	\$0	\$0	\$1,079,615
Total	\$14,405,058	\$13,795,000	\$610,058	\$10,483,638

¹The other funding sources represent Actual Costs of the Phases #2-7 Improvements paid by the Developer without reimbursement from the City.

The Actual Costs shown in Table IV-E are the expenditures relating to Phases #2-7 Major Improvement Area Projects shown in Table III-A, the costs associated with setting up the PID and bond issuance costs including reserves shown in Table IV-A. The difference between the total costs and the total projected indebtedness is the amount contributed by the Developer without reimbursement by the City.

Phase #1

The Budgeted Costs and projected annual indebtedness for Phase #1 is shown in Table IV-F. The annual indebtedness is subject to revision and shall be updated in the Annual Service Plan Update to reflect any changes in the indebtedness expected for each year.

(remainder of this page is intentionally left blank)

Table IV-F
Budgeted Costs and Projected Annual Indebtedness
Phase #1

Year	Annual Projected Cost	Projected Annual Indebtedness	Other Funding Sources²	Projected Phase #1 Annual Installments
2022 & Prior ¹	\$10,090,436	\$9,555,000	\$535,436	\$2,004,079
2023	\$0	\$0	\$0	\$740,991
2024	\$0	\$0	\$0	\$745,918
2025	\$1,902,064	\$0	\$1,902,064	\$741,441
2026	\$0	\$0	\$0	\$741,723
2027	\$0	\$0	\$0	\$746,508
2028	\$0	\$0	\$0	\$745,541
2029	\$0	\$0	\$0	\$744,077
Total	\$11,992,499	\$9,555,000	\$2,437,499	\$7,210,277

¹Annual Projected Cost for year 2022 & Prior represent Actual Costs.

²The other funding sources represent Budgeted Costs of the Phase #1 Projects paid by the Developer without reimbursement from the City.

The costs shown in Table IV-F are the expenditures relating to the Phase #1 Projects shown in Table III-B, the costs associated with setting up the PID and bond issuance costs including reserves shown in Table IV-B. The difference between the total costs and the total indebtedness is the amount contributed by the Developer without reimbursement by the City.

Phase #2

The Budgeted Costs and projected annual indebtedness for Phase #2 is shown in Table IV-G. The annual projected costs and indebtedness is subject to revision, shall be updated in the Annual Service Plan Update to reflect any changes in the indebtedness expected for each year.

Table IV-G
Budgeted Costs and Projected Annual Indebtedness
Phase #2

Year	Annual Projected Cost	Projected Annual Indebtedness	Other Funding Sources	Projected Phase #2 Annual Installments
2022	\$5,938,154	\$5,938,154	\$0	\$0
2023	\$0	\$0	\$0	\$560,588
2024	\$0	\$0	\$0	\$561,301
2025	\$1,081,043	\$0	\$1,081,043	\$562,029
2026	\$0	\$0	\$0	\$562,774
2027	\$0	\$0	\$0	\$563,536
2028	\$0	\$0	\$0	\$492,320
2029	\$0	\$0	\$0	\$492,050
Total	\$7,019,197	\$5,938,154	\$1,081,043	\$3,794,599

¹The other funding sources represent Budgeted Costs of the Phase #2 Improvements and Phase #2 Additional Projects paid by the Developer without reimbursement from the City.

The costs shown in Table IV-G are the expenditures relating to the Phase #2 Improvements and Phase #2 Additional Projects shown in Table III-C and IV-C. The difference between the total costs and the total projected indebtedness, if any, is the amount contributed by the Developer without reimbursement by the City.

Phase #3

The projected annual costs and projected annual indebtedness for Phase #3 is shown in Table IV-H. The projected annual costs and indebtedness is subject to revision, and each shall be updated in the Annual Service Plan Update to reflect any changes in the costs or indebtedness expected for each year.

Table IV-H
Budgeted Costs and Projected Annual Indebtedness
Phase #3

Year	Annual Projected Cost	Annual Projected Indebtedness	Other Funding Sources	Projected Phase #3 Annual Installments
1	\$7,708,239	\$7,708,239	\$0	\$0
2	\$0	\$0	\$0	\$575,175
3	\$0	\$0	\$0	\$575,689
4	\$0	\$0	\$0	\$576,214
5	\$0	\$0	\$0	\$576,752
6	\$0	\$0	\$0	\$577,302
7	\$0	\$0	\$0	\$497,284
Total	\$7,708,239	\$7,708,239	\$0	\$3,378,417

The projected annual costs shown in Table IV-H are the annual expenditures relating to the Phase #3 Improvements and Phase #3 Additional Projects, including related Administrative Expenses, shown in Table III-D and IV-D. The difference between the total projected cost and the total projected indebtedness, if any, is the amount contributed by the Developer.

As Future Phases are developed, in association with issuing Bonds and/or obligations incurred under the Reimbursement Agreement for Future Phase Improvements, a table will be added to identify the Authorized Improvements to be financed by each new series of Bonds and/or new obligation incurred under the Reimbursement Agreement for such Future Phase Improvements; and the projected indebtedness resulting from each additional series of Bonds and/or obligation under the Reimbursement Agreement.

C. PID ASSESSMENT NOTICE

The PID Act requires that this Service and Assessment Plan and each Annual Service Plan Update include a copy of the notice form required by Section 5.014 of the Texas Property Code. The “PID Assessment Notice” is attached hereto as Appendix E and may be updated in an Annual Service Plan Update.

V. ASSESSMENT PLAN

A. INTRODUCTION

The PID Act requires the City Council to apportion the costs of the Authorized Improvements on the basis of special benefits conferred upon the property because of the Authorized Improvements. The PID Act provides that the costs of the Authorized Improvements may be assessed: (i) equally per front foot or square foot; (ii) according to the value of the property as determined by the governing body, with or without regard to improvements on the property; or (iii) in any other manner that results in imposing equal shares of the cost on property similarly benefited. The PID Act further provides that the governing body may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the municipality and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

The proposed development financing program entails a series of bond financings and/or obligations under the Reimbursement Agreement that are intended to finance the public infrastructure required for the development. This financing will necessarily be undertaken in phases to coincide with the private investment and development of the Authorized Improvements. Following the initial Phase #1 Bonds, the Phases #2-7 Major Improvement Area Bonds issued in 2018, the obligation related to the Phase #2 Improvements under the Reimbursement Agreement incurred in 2022, and the obligation related to the Phase #3 Improvements under the Reimbursement Agreement incurred in 2023, subsequent financings may be issued in the future as subsequent Future Phases are gradually constructed.

The purpose of this gradual issuance of bonds in phases is to mirror the actual private development of the Authorized Improvements. The Bonds to be issued are most prudently and efficiently utilized when directly coinciding with construction of public infrastructure needed for private development that is to occur once the infrastructure is completed; it is most effective to issue the Bonds when the infrastructure is needed, not before. Furthermore, there is no economic advantage, and several disadvantages, to issuing debt and encumbering property within the PID prior to the need for the Authorized Improvements.

Additionally, phased issuance of debt will maintain a prudent value to lien ("VtL") within the financing program. In order to maintain a prudent VtL, the initial issuance of bonds for a specific set of Authorized Improvements may not fund the entire desired level of public infrastructure because the property value is not high enough to support the entire debt load at the VtL chosen for the development. In that case, the Developer will need to fund the additional infrastructure costs with cash at closing. This cash investment by the Developer for certain Authorized Improvements can be reimbursed by a subsequent parity lien bond financing, secured by the same Assessments, once the Assessed Property is partially or fully developed and the value has increased sufficiently to permit the issuance of the additional bonds in a prudent fashion.

For purposes of this Service and Assessment Plan, the City Council has determined that the costs of the Phases #2-7 Major Improvement Area Projects, Phase #1 Projects, Phase #2 Projects, Phase #3 Projects shall be allocated as described below:

1. The Budgeted Costs of the Phases #2-7 Major Improvement Area Projects, Phase #1 Projects, Phase #2 Projects, Phase #3 Projects shall be allocated on the basis of Equivalent Units, and that such method of allocation will result in the imposition of equal shares of the costs of the Authorized Improvements to Parcels similarly benefited.
2. The City Council has concluded that larger more expensive homes are likely to be built on the larger lots, and that larger more expensive homes are likely to make greater use of and receive greater benefit from the Authorized Improvements. In determining the relative values of Parcels, the City Council has taken into consideration (i) the type of development (i.e., residential, commercial, etc.), (ii) single-family lot sizes and the size of homes likely to be built on lots of different sizes, (iii) current and projected home process provided by the Developer, (iv) the Authorized Improvements to be provided and the estimated costs, and (v) the ability of different property types to utilize and benefit from the Authorized Improvements.
3. The Assessed Property is classified into different Lot Types as described in Appendix F based on the type and size of proposed development on each Parcel.
4. Equivalent Units are calculated for each Lot Type based on the relative value of each Lot Type.
5. The Actual Costs of the Initial Major Improvements are proportionally allocated to the Phases #2-7 Major Improvement Area Assessed Property and the Phase #1 Assessed Property based on the ratio of total original projected Equivalent Units for the Phases #2-7 Major Improvement Area Assessed Property and the Phase #1 Assessed Property.
6. The Phases #2-7 Major Improvement Area Assessed Property's proportional share of the costs for the Phases #2-7 Major Improvement Area Projects is allocated to each Parcel within the Phase #2, Phase #3, and the Future Phases based on the total 2022 revised projected Equivalent Units for each Parcel.
7. The Budgeted Costs of the Additional Major Improvements are proportionally allocated to the Phase #1 Assessed Property, Phase #2 Assessed Property, Phase #3 Assessed Property, and Assessed Property within the Future Phases based on the ratio of total 2022 revised projected Equivalent Units for the Phase #1 Assessed Property, Phase #2 Assessed Property, Phase #3 Assessed Property, and Assessed Property within the Future Phases.
8. The Phase #1 Projects are allocated to each Parcel within the Phase #1 Assessed Property based on the total Equivalent Units for each Parcel. Only the Actual Costs of the Initial Major Improvements and Phase #1 Improvements have been levied against the Phase #1 Assessed Property. Phase #1 Additional Projects will be paid by the Developer without reimbursement.
9. The Phase #2 Improvements are allocated to each Parcel within the Phase #2 Assessed Property based on the total Equivalent Units for each Parcel. Only the Actual Costs of the Initial Major Improvements and the Phase #2 Improvements have been levied against the Phase #2 Assessed Property. Phase #2's share of the Additional Major Improvements will be paid by the Developer without reimbursement.

10. The Phase #3 Improvements are allocated to each Parcel within the Phase #3 Assessed Property based on the total Equivalent Units for each Parcel.

Table V-A provides the estimated allocation of costs of the Initial Major Improvements between the Phases #2-7 Major Improvement Area and Phase #1.

Table V-B provides the estimated allocation of costs of the Phases #2-7 Major Improvement Area Projects between Phase #2, Phase #3, and Future Phases.

Table V-C provides the estimated allocation of costs of the Additional Major Improvements between Phase #1, Phase #2, Phase #3, and Future Phases.

At this time, it is impossible to determine with absolute certainty the amount of special benefit each Parcel within Future Phases will receive from the direct Authorized Improvements that will benefit each individual phase and that are to be financed with Phased PID Bonds or under the Reimbursement Agreement. Therefore, Parcels have and/or will only be assessed for the special benefits conferred upon the Parcel at this time because of the Phases #2-7 Major Improvement Area Projects, Phase #1 Projects, Phase #2 Projects, Phase #3 Projects.

In connection with the issuance of Phased PID Bonds and/or obligations incurred under the Reimbursement Agreement, this Service and Assessment Plan will be updated to reflect the special benefit each Parcel of Assessed Property within a Future Phase receives from the specific Authorized Improvements funded with those Phased PID Bonds issued and/ or obligation under the Reimbursement Agreement with respect to the Future Phase Improvements. Prior to assessing Parcels located within Future Phases in connection with issuance of Phased PID Bonds and/ or an obligation incurred under the Reimbursement Agreement, each owner of the Parcels to be assessed must acknowledge that the Authorized Improvements to be financed confer a special benefit on their Parcel and must consent to the imposition of the Assessments to pay for the Actual Costs of such Authorized Improvements.

This section of this Service and Assessment Plan currently (i) describes the special benefit received by each Parcel within the PID as a result of the Phases #2-7 Major Improvement Area Projects, Phase #1 Projects, Phase #2 Projects, Phase #3 Projects, (ii) provides the basis and justification for the determination that this special benefit exceeds the amount of the Assessments levied on the Phase #1 Assessed Property, Phase #2 Assessed Property, Phase #3 Assessed Property, and Phases #2-7 Major Improvement Area Assessed Property for such improvements, and (iii) establishes the methodologies by which the City Council allocates and reallocates the special benefit of the Phases #2-7 Major Improvement Area Projects, Phase #1 Projects, Phase #2 Projects, Phase #3 Projects to Parcels in a manner that results in equal shares of the Actual Costs of such improvements being apportioned to Parcels similarly benefited. The determination by the City Council of the assessment methodologies set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Developer and all future owners and developers of the Assessed Property.

As Future Phases are developed, in connection with the issuance of Phased PID Bonds and/or obligations are incurred under the Reimbursement Agreement for Future Phase Improvements, this

Service and Assessment Plan will be updated based on the City's determination of the assessment methodology for each Future Phase.

B. SPECIAL BENEFIT

Assessed Property must receive a direct and special benefit from the Authorized Improvements, and this benefit must be equal to or greater than the amount of the Assessments. The Authorized Improvements are provided specifically for the benefit of the Assessed Property. The Authorized Improvements (more particularly described in line-item format in Appendix B to this Service and Assessment Plan) and the costs of issuance and payment of costs incurred in the establishment of the PID shown in Table IV-A, Table IV-B, Table IV-C and Table IV-D are authorized by the PID Act. These improvements are provided specifically for the benefit of the Assessed Property.

Each owner of the Assessed Property has acknowledged that the Authorized Improvements confer a special benefit on the Assessed Property and has consented to the imposition of the Assessments to pay for the Actual Costs associated therewith. Each of the owners is acting in its interest in consenting to this apportionment and levying of the Assessments because the special benefit conferred upon the Assessed Property by the Authorized Improvements exceeds the amount of the Assessments.

The Authorized Improvements provide a special benefit to the Assessed Property as a result of the close proximity of these improvements to the Assessed Property and the specific purpose of these improvements of providing infrastructure for the Assessed Property. In other words, the Assessed Property could not be used in the manner proposed without the construction of the Authorized Improvements. The Authorized Improvements are being provided specifically to meet the needs of the Assessed Property as required for the proposed use of the property.

The Assessments are being levied to provide the Authorized Improvements that are required for the highest and best use of the Assessed Property (i.e., the use of the property that is most valuable, including any costs associated with that use). Highest and best use can be defined as “the reasonably probable and legal use of property, which is physically possible, appropriately supported, financially feasible, and that results in the highest value.” (*Dictionary of Real Estate Appraisal, Third Edition.*) The Authorized Improvements are expected to be required for the proposed use of the Assessed Property to be physically possible, appropriately supported, financially feasible, and maximally productive.

The Developer has evaluated the potential use of the property and has determined that the highest and best use of the property is the use intended and the legal use for the property as described in Section II of this Service and Assessment Plan. The use of the Assessed Property as described herein will require the construction of the Authorized Improvements.

The Assessments will repay financing that is on advantageous terms, as any Bonds that may be issued to finance the Authorized Improvements will pay interest that is exempt from federal income tax. As a result, all other terms being equal (e.g., maturity, fixed vs. variable rate, credit quality), the tax-exempt bonds will have a lower interest rate than debt that is not tax-exempt. The Bonds also have a longer term than other available financings and may either be repaid or assumed by a

buyer at the buyer's option. As a result of these advantageous terms, the financing provided by the PID is the most beneficial means of financing the Authorized Improvements.

Each owner of the Assessed Property will ratify, confirm, accept, agree to and approve: (i) the determinations and finding by the City Council as to the special benefits described in this Service and Assessment Plan and the Assessment Ordinance; (ii) the Service and Assessment Plan and the Assessment Ordinance, and (iii) the levying of Assessments on the Assessed Property. Use of the Assessed Property as described in this Service and Assessment Plan and as authorized by the PID Act requires that Authorized Improvements be acquired, constructed, installed, and/or improved. Funding the Actual Costs of the Authorized Improvements through the PID has been determined by the City Council to be the most beneficial means of doing so. As a result, the Authorized Improvements result in a special benefit to the Assessed Property, and this special benefit exceeds the amount of the Assessment. This conclusion is based on and supported by the evidence, information, and testimony provided to the City Council.

In summary, the Authorized Improvements result in a special benefit to the Assessed Property for the following reasons:

1. The Authorized Improvements are being provided specifically for the use of the Assessed Property, are necessary for the proposed best use of the property and provide a special benefit to the Assessed Property as a result;
2. The Developer has consented to the imposition of the Assessments for the purpose of providing the Authorized Improvements and the Developer is acting in its interest by consenting to this imposition;
3. The Authorized Improvements are required for the highest and best use of the property;
4. The highest and best use of the Assessed Property is the use of the Assessed Property that is most valuable (including any costs associated with the use of the Assessed Property);
5. Financing of the costs of the Authorized Improvement through the PID is determined to be the most beneficial means of providing for the Authorized Improvements; and,
6. As a result, the special benefits to the Assessed Property from the Authorized Improvements will be equal to or greater than the Assessments.

C. ALLOCATION OF INITIAL MAJOR IMPROVEMENT COSTS AND ADDITIONAL MAJOR IMPROVEMENT COSTS TO ASSESSED PROPERTY

The Major Improvements will provide a special benefit to all property in the PID. Accordingly, the Actual Costs of the Major Improvements must be allocated throughout all Assessed Property in the District. Table V-A summarizes the original allocation of Actual Costs of the Initial Major Improvements to Phase #1 and the Phases #2-7 Major Improvement Area. Table V-B summarizes Phases #2-7 Major Improvement Area's portion of the Actual Costs of the Initial Major Improvements and the allocation to Phase #2, Phase #3, and Future Phases. Table V-C summarizes the allocation of Budgeted Costs of the Additional Major Improvements to Phase #1, Phase #2,

Phase #3, and Future Phases. The Actual Costs and Budgeted Costs shown in Table V-A, Table V-B, and Table V-C may be revised in Annual Service Plan Updates, but the related Assessment may not be increased.

Phase #1 contains 330 residential units, and the Phases #2-7 Major Improvement Area was originally projected to contain 1,198 residential units as shown in Appendix F on Table F-5 and Table F-3, respectively. As shown in Appendix F on Table F-12, the total original projected Equivalent Units for Phase #1 was calculated as 254.02 and the total original projected Equivalent Units for the Phases #2-7 Major Improvement Area was calculated as 903.47, as shown on Table F-10. The total original projected Equivalent Units in the PID was, therefore, calculated to be 1,157.49 (i.e., $254.02 + 903.47 = 1,157.49$). As a result, 21.95 percent of the Actual Costs of the Initial Major Improvements (i.e. $254.02 \div 1,157.49 = 21.95\%$) were originally allocated to the Phase #1 Assessed Property and 78.05 percent of the Actual Costs of the Initial Major Improvements (i.e., $254.02 \div 1,157.49 = 78.05\%$) were originally allocated to the Phases #2-7 Major Improvement Area Assessed Property. Table V-A summarizes the original allocation of Actual Costs of the Initial Major Improvements to Phase #1 and the Phases #2-7 Major Improvement Area.

Table V-A
Allocation of Actual Costs of Initial Major Improvements

Authorized Improvement	Total
Roadway Improvements including right-of-way	\$9,884,593
Water improvements	\$899,803
Sanitary sewer improvements	\$1,216,182
Storm drainage improvements	\$1,443,730
Other soft and miscellaneous costs	\$1,384,840
Total Initial Major Improvements¹	\$14,829,147
Phase #1	
Projected total Equivalent Units ²	254.02
% of total units	21.95%
Proportionate Share of Costs	\$3,254,369
Phases #2-7 Major Improvement Area	
Projected total Equivalent Units ³	903.47
% of total units	78.05%
Proportionate Share of Costs	\$11,574,778

¹See Appendix B for detailed costs of the Initial Major Improvements.

²See Table F-12 in Appendix F. Represents the original Equivalent Unit calculations based on the original Equivalent Unit factors at the time assessments were levied against property within Phase #1.

³See Table F-10 in Appendix F. Represents the original Equivalent Unit calculations based on the original Equivalent Unit factors at the time assessments were levied against property within the Major Improvement Area.

As shown in Table V-A the total amount of the Actual Costs of the Initial Major Improvements originally allocated to the Phases #2-7 Major Improvement Area was \$11,574,778. Phase #2

contains 227 residential units, and the Phases #2-7 Major Improvement Area is now projected to contain 1,200 residential units as provided in the updated development plan and shown in Appendix F on Table F-6 and Table F-4, respectively. As shown in Appendix F on Table F-14, the projected Equivalent Units for Phase #2 is calculated as 143.60 and the total updated projected Equivalent Units for the Phases #2-7 Major Improvement Area is calculated as 891.19, as shown on Table F-11. As a result, 16.11 percent of the Actual Costs of the Initial Major Improvements allocated to the Phases #2-7 Major Improvement Area (i.e. $143.60 \div 891.19 = 16.11\%$) are allocated to the Phase #2 Assessed Property.

Phase #3 is projected to contain 242 residential units and the Phases #2-7 Major Improvement Area is now projected to contain 1,200 residential units as provided in the updated development plan and shown in Appendix F on Table F-7 and Table F-4, respectively. As shown in Appendix F on Table F-15, the projected Equivalent Units for Phase #3 is calculated as 186.26 and the total updated projected Equivalent Units for the Phases #2-7 Major Improvement Area is calculated as 891.19, as shown on Table F-11. The remaining projected Equivalent Units for the Future Phases is calculated as 561.33 (i.e. $891.19 - 143.60 - 186.26 = 561.33$). As a result, 20.90 percent of the Actual Costs of the Initial Major Improvements allocated to the Phases #2-7 Major Improvement Area (i.e. $186.26 \div 891.19 = 20.90\%$) are allocated to the Phase #3 Assessed Property and 62.99 percent of the Actual Costs of the Initial Major Improvements originally allocated to the Phases #2-7 Major Improvement Area (i.e., $561.33 \div 891.19 = 62.99\%$) are allocated to the Future Phases. Table V-B summarizes Phases #2-7 Major Improvement Area's portion of the Actual Costs of the Initial Major Improvements and the allocation to Phase #2, Phase #3 and Future Phases.

(remainder of this page is intentionally left blank)

Table V-B
Allocation of Actual Costs of Initial Major Improvements within
Phases #2-7 Major Improvement Area

Authorized Improvement	Total
Roadway Improvements including right-of-way	\$7,715,343
Water improvements	\$702,334
Sanitary sewer improvements	\$949,282
Storm drainage improvements	\$1,126,892
Other soft and miscellaneous costs	\$1,080,926
Total Initial Major Improvements¹	\$11,574,778
Phase #2	
Projected total Equivalent Units ²	143.60
% of total units	16.11%
Proportionate Share of Costs	\$1,865,077
Phase #3	
Projected total Equivalent Units ³	186.26
% of total units	20.90%
Proportionate Share of Costs	\$2,419,145
Future Phases	
Projected total Equivalent Units ⁴	561.33
% of total units	62.99%
Proportionate Share of Costs	\$7,290,555

¹See Table V-A. Represents the Actual Costs of the Initial Major Improvements originally allocated to the Phases #2-7 Major Improvement Area.

²See Table F-14 in Appendix F. Represents the revised Equivalent Unit calculations based on the revised Equivalent Unit factors.

³See Table F-15 in Appendix F. Represents the revised Equivalent Unit calculations based on the revised Equivalent Unit factors.

⁴Represents the remaining Equivalent Units within the Future Phases within the Phases #2-7 Major Improvement Area (i.e. $891.19 - 143.60 - 186.26 = 561.33$) using the revised Equivalent Unit calculations and revised Equivalent Unit factors.

As shown in Table V-C the total amount of the Budgeted Costs of the Additional Major Improvements being allocated to Phase #1, Phase #2, Phase #3, and Future Phases is \$7,836,778. Phase #1 contains 330 residential units, and the Phases #2-7 Major Improvement Area is projected to contain 1,200 residential units as provided in the updated development plan and shown in Appendix F on Table F-5 and Table F-4, respectively. As shown in Appendix F on Table F-13, the revised projected Equivalent Units for Phase #1 is calculated as 252.66, the total updated projected Equivalent Units for the Phases #2-7 Major Improvement Area is calculated as 891.19 as shown on Table F-11 and, the total projected Equivalent Units for the PID is calculated as 1,143.85 (i.e. $252.66 + 891.19 = 1,143.85$). As a result, 22.09 percent of the Budgeted Costs of the Additional Major Improvements are allocated to the Phase #1 Assessed Property (i.e. $252.66 \div 1,143.85 = 22.09\%$).

Phase #2 contains 227 residential units. As shown in Appendix F on Table F-14, the projected Equivalent Units for Phase #2 is calculated as 143.60. As a result, 12.55 percent of the Budgeted Costs of the Additional Major Improvements are allocated to the Phase #2 Assessed Property (i.e. $143.60 \div 1,143.85 = 12.55\%$).

Phase #3 contains 242 residential units. As shown in Appendix F on Table F-15, the projected Equivalent Units for Phase #3 is calculated as 186.26. As a result, 16.28 percent of the Budgeted Costs of the Additional Major Improvements are allocated to the Phase #3 Assessed Property (i.e. $186.26 \div 1,143.85 = 16.28\%$).

The remaining projected Equivalent Units for the Future Phases is calculated as 561.33 (i.e. $1,143.85 - 252.66 - 143.60 - 186.26 = 561.33$). As a result, 49.07 percent of the Budgeted Costs of the Additional Major Improvements are allocated to the Future Phases (i.e., $561.33 \div 1,143.85 = 49.07\%$). Table V-C summarizes the allocation of Budgeted Costs of the Additional Major Improvements to Phase #1, Phase #2, Phase #3, and Future Phases.

Table V-C

**Allocation of Budgeted Costs of Additional Major Improvements
within Phases #1, Phase #2, Phase #3, and Future Phases**

Authorized Improvement	Total
Roadway Improvements including right-of-way	\$3,090,645
Water improvements	\$580,231
Sanitary sewer improvements	\$207,112
Storm drainage improvements	\$4,733,093
Other soft and miscellaneous costs	\$0
Total Additional Major Improvements¹	\$8,611,081
Phase #1	
Projected total Equivalent Units ²	252.66
% of total units	22.09%
Proportionate Share of Costs	\$1,902,064
Phase #2	
Projected total Equivalent Units ³	143.60
% of total units	12.55%
Proportionate Share of Costs	\$1,081,043
Phase #3	
Projected total Equivalent Units ⁴	186.26
% of total units	16.28%
Proportionate Share of Costs	\$1,402,194
Future Phases	
Projected total Equivalent Units ⁵	561.33
% of total units	49.07%
Proportionate Share of Costs	\$4,225,780

¹See Table III-B and Appendix B for detailed costs of the Additional Major Improvements.

²See Table F-13 in Appendix F. Represents the revised Equivalent Unit calculations based on the revised Equivalent Unit factors.

³See Table F-14 in Appendix F. Represents the revised Equivalent Unit calculations based on the revised Equivalent Unit factors.

⁴See Table F-15 in Appendix F. Represents the revised Equivalent Unit calculations based on the revised Equivalent Unit factors.

⁵Represents the remaining Equivalent Units within the Future Phases within the PID (i.e. $1,143.85 - 252.66 - 143.60 - 186.26 = 561.33$) using the revised Equivalent Unit calculations and revised Equivalent Unit factors.

D. ASSESSMENT METHODOLOGY

The costs of the Authorized Improvements may be assessed by the City Council against the Assessed Property so long as the special benefit conferred upon the Assessed Property by the Authorized Improvements equals or exceeds the Assessments. The costs of the Authorized

Improvements may be assessed using any methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited.

1. Assessment Methodology for Phases #2-7 Major Improvement Area Projects

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phases #2-7 Major Improvement Area Projects financed with the Phases #2-7 Major Improvement Area Bonds shall be allocated to the Phases #2-7 Major Improvement Area Assessed Property by spreading the entire related Assessment across the Parcels within the Phases #2-7 Major Improvement Area based on the estimated number of Equivalent Units anticipated to be developed on each Parcel.

Based on the Actual Costs of the Phases #2-7 Major Improvement Area Projects, as set forth in Table III-A, the City Council has determined that the benefit to the Phases #2-7 Major Improvement Area Assessed Property of the Phases #2-7 Major Improvement Area Projects is at least equal to the Assessments levied on the Phases #2-7 Major Improvement Area Assessed Property.

Upon subsequent divisions of any Parcel within the Phases #2-7 Major Improvement Area, the Assessment applicable to it will then be apportioned pro rata based on the estimated Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Parcel based on the ratio of the estimated Equivalent Units at the time residential Lots are platted to the total estimated Equivalent Units of all Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council.

The Assessment and Annual Installments for each Parcel or Lot located within the Phases #2-7 Major Improvement Area is shown on the Phases #2-7 Major Improvement Area Assessment Roll, attached as Appendix G, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

2. Assessment Methodology for the Phase #1 Projects

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phase #1 Initial Projects financed with the Phase #1 Bonds shall be allocated to the Phase #1 Assessed Property by spreading the entire related Assessment across the Parcels within Phase #1 based on the estimated number of Equivalent Units anticipated to be developed on each Parcel. The Phase #1 Assessed Property also benefits from the Phase #1 Additional Projects, the costs of which are being paid by the Developer without reimbursement.

Based on the Actual Costs of the Phase #1 Projects, as set forth in Table III-B, the City Council has determined that the benefit to Phase #1 Assessed Property of the Phase #1 Projects is at least equal to the Assessments levied on the Phase #1 Assessed Property.

Upon subsequent divisions of any Parcel within Phase #1, the Assessment applicable to it will then be apportioned pro rata based on the estimated Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned

proportionately among each Parcel based on the ratio of the estimated Equivalent Units at the time residential Lots are platted to the total estimated Equivalent Units of all Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council.

The Assessment and Annual Installments for each Parcel or Lot located within Phase #1 is shown on the Phase #1 Assessment Roll, attached as Appendix H, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

3. *Assessment Methodology for the Phase #2 Improvements*

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phase #2 Improvements financed under the Reimbursement Agreement shall be allocated to the Phase #2 Assessed Property by spreading the entire Assessment across the Parcels within Phase #2 based on the estimated number of Equivalent Units anticipated to be developed on each Parcel. The Phase #2 Assessed Property also benefits from the Phase #2 Additional Projects, the costs of which are being paid by the Developer without reimbursement.

Based on the Budgeted Costs of the Phase #2 Projects, as set forth in Table III-D, the City Council has determined that the benefit to Phase #2 Assessed Property of the Phase #2 Projects is at least equal to the Assessments levied on the Phase #2 Assessed Property.

Upon subsequent divisions of any Parcel within Phase #2, the Assessment applicable to it will then be apportioned pro rata based on the estimated Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Parcel based on the ratio of the estimated Equivalent Units at the time residential Lots are platted to the total estimated Equivalent Units for Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council.

The Assessment and Annual Installments for each Parcel or Lot located within Phase #2 is shown on the Phase #2 Assessment Roll, attached as Appendix I, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

4. *Assessment Methodology for the Phase #3 Improvements and Phase #3 Additional Projects*

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phase #3 Improvements financed under the Reimbursement Agreement shall be allocated to the Phase #3 Assessed Property by spreading the entire related Assessment across the Parcels within Phase #3 based on the estimated number of Equivalent Units anticipated to be developed on each Parcel.

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phase #3 Additional Projects financed under the Reimbursement Agreement shall be allocated to the Phase #3 Assessed Property by spreading the entire related across the Parcels within Phase #3 based on the estimated number of Equivalent Units anticipated to be developed on each Parcel.

Based on the Budgeted Costs of the Phase #3 Projects, as set forth in Table III-E, the City Council has determined that the benefit to Phase #3 Assessed Property from the Phase #3 Improvements is at least equal to the total Assessments levied on the Phase #3 Assessed Property. Additionally, the City Council has determined that (i) the benefit to the Phase #3 Assessed Property from the Phase #3 Improvements is at least equal to the total Assessments set forth in the Phase #3 Assessment Roll – Phase #3 Improvements that are levied on the Phase #3 Assessed Property and (ii) the benefit to the Phase #3 Assessed Property from the Phase #3 Additional Projects is at least equal to the total Assessments set forth in the Phase #3 Assessment Roll – Phase #3 Additional Projects that are levied on the Phase #3 Assessed Property.

Upon subsequent divisions of any Parcel within Phase #3, the Assessment applicable to it will then be apportioned pro rata based on the estimated Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Parcel based on the ratio of the estimated Equivalent Units at the time residential Lots are platted to the total estimated Equivalent Units for Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council.

The Assessment and Annual Installments for each Parcel or Lot located within Phase #3 is shown, with respect to the Phase #3 Improvements, on the Phase #3 Assessment Roll - Phase #3 Improvements attached as Appendix J-1, and, with respect to the Phase #3 Additional Projects, the Phase #3 Assessment Roll - Phase #3 Additional Projects, attached as Appendix J-2, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

5. *Assessment Methodology for Future Phases*

When any given Future Phase is developed, and Phased PID Bonds for that Future Phase is to be issued and/or an obligation is incurred under the Reimbursement Agreement for Future Phase Improvements benefitting such Future Phase, this Service and Assessment Plan will be amended to determine the assessment methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited within such Future Phase.

E. ASSESSMENTS

The Assessments have been levied or are being levied on each Parcel within the Phases #2-7 Major Improvement Area, Phase #1, Phase #2 and Phase #3 according to the Assessment Rolls, attached hereto as Appendix G, Appendix H, Appendix I, Appendix J-1 and Appendix J-2, respectively. The Annual Installments of the Assessments will be collected at the time and in the amounts shown on the Assessment Rolls, subject to any revisions made during an Annual Service Plan Update. Non-Benefitted Property will not be subject to any Assessments.

See Appendix F for Assessment per Equivalent Unit, leverage, and estimated tax rate equivalent calculation details.

F. ADMINISTRATIVE EXPENSES

The cost of administering the PID and collecting the Annual Installments shall be paid for on a pro rata basis by each Parcel based on the amount of Assessment levied against the Parcel. The Administrative Expenses shall be collected as part of and in the same manner as Annual Installments in the amounts shown on each Assessment Roll, which may be revised based on Actual Costs incurred in Annual Service Plan Updates.

G. PREPAYMENT AND DELINQUENCY RESERVE

Pursuant to the PID Act, the interest rate for any portion of the Assessments which secure a series of Bonds may exceed the actual interest rate per annum paid on the related Bonds by no more than one half of one percent (0.50%). The interest rate used to determine the Assessments that secure the Phase #1 Bonds and Phases #2-7 Major Improvement Area Bonds is one half of one percent (0.50%) per annum higher than the actual rate paid on the Phase #1 Bonds and Phases #2-7 Major Improvement Area Bonds, with the Additional Interest Component of the Annual Installments allocated to fund a reserve to be used for paying interest associated with a prepayment and to offset any possible delinquency related costs. The Prepayment and Delinquency Reserve shall be funded until it reaches 5.50% of the outstanding Phase #1 Bonds and Phases #2-7 Major Improvement Area Bonds, respectively, unless otherwise stipulated in the related Bond documents. Once the Prepayment and Delinquency Reserve is funded in full, the City may allocate the Additional Interest Component of the Annual Installments as provided in the applicable Trust Indenture. No Additional Interest will be collected from any portion of an Assessment which secures a reimbursement obligation and not a series of Bonds.

(remainder of this page is intentionally left blank)

VI. TERMS OF THE ASSESSMENTS

A. AMOUNT OF ASSESSMENTS AND ANNUAL INSTALLMENTS FOR PARCELS LOCATED WITHIN PHASES #2-7 MAJOR IMPROVEMENT AREA

The Assessment and Annual Installments for each Assessed Property located within the Phases #2-7 Major Improvement Area are shown on the Phases #2-7 Major Improvement Area Assessment Roll attached as Appendix G and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Annual Installments related to Assessments levied against the Phases #2-7 Assessed Property shall be collected in an amount sufficient to pay (i) principal and interest on the Phases #2-7 Major Improvement Area Bonds, (ii) the Additional Interest to fund the Prepayment and Delinquency Reserve described in Section V, and (iii) to pay Administrative Expenses related to the PID. The Annual Installment for each Parcel within Phases #2-7 shall be calculated by taking into consideration any available capitalized interest and other available funds.

B. AMOUNT OF ASSESSMENTS AND ANNUAL INSTALLMENTS FOR PARCELS LOCATED WITHIN PHASE #1

The Assessment and Annual Installments for each Assessed Property located within Phase #1 is shown on the Phase #1 Assessment Roll, attached as Appendix H, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Annual Installments related to Phase #1 shall be collected in an amount sufficient to pay (i) principal and interest on the Phase #1 Bonds, (ii) the Additional Interest to fund the Prepayment and Delinquency Reserve described in Section V, and (iii) to pay Administrative Expenses related to the PID. The Annual Installment for each Parcel within Phase #1 shall be calculated by taking into consideration any available capitalized interest and other available funds.

C. AMOUNT OF ASSESSMENTS AND ANNUAL INSTALLMENTS FOR PARCELS LOCATED WITHIN PHASE #2

The Assessment and Annual Installments for each Assessed Property located within Phase #2 is shown on the Phase #2 Assessment Roll, attached as Appendix I, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Annual Installments related to Phase #2 shall be collected in an amount sufficient to pay (i) principal and interest on the obligation under the Reimbursement Agreement allocable to Phase #2, and (ii) to pay Administrative Expenses related to the PID.

D. AMOUNT OF ASSESSMENTS AND ANNUAL INSTALLMENTS FOR PARCELS LOCATED WITHIN PHASE #3

The Assessment and Annual Installments for each parcel of Assessed Property located within Phase #3 is shown on (i) with respect to the Phase #3 Improvements, the Phase #3 Assessment Roll – Phase #3 Improvements attached as Appendix J-1 and (ii) with respect to the Phase #3 Additional Projects, the Phase #3 Assessment Roll – Additional Projects, attached as Appendix J-2, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Annual Installments related to Phase #3 Improvements shall be collected in an amount sufficient to pay (i) principal and interest on the obligation under the Reimbursement Agreement allocable to Phase #3 Improvements and (ii) to pay Administrative Expenses related to the PID. The Annual Installments related to Phase #3 Additional Projects shall be collected in an amount sufficient to pay (i) principal and interest on the obligation under the Reimbursement Agreement allocable to Phase #3 Additional Projects and (ii) to pay Administrative Expenses related to the PID.

E. AMOUNT OF ASSESSMENTS AND ANNUAL INSTALLMENTS FOR PARCELS LOCATED WITHIN FUTURE PHASES

As Future Phases are developed, this Service and Assessment Plan will be amended to determine the Assessment and Annual Installments for each Assessed Property located within Future Phases (e.g., an appendix will be added as the Assessment Roll for Phase #4, etc.). The Assessments shall not exceed the benefit received by the Assessed Property.

F. REALLOCATION OF ASSESSMENTS

1. Subdivision

Upon the subdivision of any Parcel, the Assessment for the Parcel prior to the subdivision shall be reallocated among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

- A = the Assessment for each new subdivided Parcel
- B = the Assessment for the Parcel prior to subdivision
- C = the estimated number of Equivalent Units to be built on each new subdivided Parcel
- D = the sum of the estimated number of Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of Equivalent Units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of Equivalent Units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

The sum of the Assessments for all newly subdivided Parcels shall equal the Assessment for the Parcel prior to subdivision. The calculation shall be made separately for each newly subdivided Parcel. The reallocation of an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the subdivision of the Parcels. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

2. Consolidation

Upon the consolidation of two or more Parcels, the Assessment for the consolidated Parcel shall be the sum of the Assessments for the Parcels existing prior to consolidation. The reallocation of an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the consolidation of the Parcels. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

G. MANDATORY PREPAYMENT OF ASSESSMENTS

1. If a Parcel subject to Assessments is transferred to a party that is exempt from the payment of the Assessment under applicable law, or if an owner causes a Parcel subject to Assessments to become Non-Benefited Property, the owner of such Parcel shall pay to the City the full amount of the principal portion of the Assessment on such Parcel, plus all Prepayment Costs, prior to any such transfer or act.
2. If at any time the Assessment per unit on a Parcel exceeds the applicable Phase #1 Maximum Assessment Per Unit, Phase #2 Maximum Assessment Per Unit, or Phase #3 Maximum Assessment Per Unit calculated in this Service and Assessment Plan as a result of any changes in land use, subdivision, consolidation or reallocation of the Assessment authorized by this Service and Assessment Plan and initiated by the owner of the Parcel, then such owner shall pay to the City prior to the recordation of the document subdividing the Parcel the amount calculated by the Administrator by which the Assessment per unit for the Parcel exceeds the applicable Maximum Assessment per unit calculated in this Service and Assessment Plan.
3. The payments required above shall be treated the same as any Assessment that is due and owing under the PID Act, the Assessment Ordinance, and this Service and Assessment Plan, including the same lien priority, penalties, procedures, and foreclosure specified by the PID Act.

H. REDUCTION OF ASSESSMENTS

1. If after all Authorized Improvements to be funded with a series of Bonds and/or obligation under the Reimbursement Agreement have been completed and Actual Costs for such Authorized Improvements are less than the Actual Costs or Budgeted Costs of the Authorized Improvements used to calculate the Assessments securing such series of Bonds and/or obligation under the Reimbursement Agreement, resulting in excess Bond proceeds or Assessment Revenues being available to redeem Bonds of such series and/or a need to reduce

the obligation under the Reimbursement Agreement, as the case may be, then the Assessment securing such series of Bonds and/or obligation under the Reimbursement Agreement for each Parcel of Assessed Property shall be reduced by the City Council pro rata such that the sum of the resulting reduced Assessments for all Assessed Properties equals the actual reduced Actual Costs and such excess Bond proceeds or Assessment Revenues shall applied to redeem Bonds of such series as provided in the Trust Indenture or to reduce the obligation under the Reimbursement Agreement, as applicable. The Assessments shall not be reduced to an amount less than the related outstanding series of Bonds and/or amounts due under the Reimbursement Agreement. If all of the Authorized Improvements are not completed, the City may reduce the Assessments in another method if it determines such method would better reflect the benefit received by the Parcels from the Authorized Improvements completed.

2. If all the Authorized Improvements are not undertaken, resulting in excess Bond proceeds being available to redeem Bonds and/or a need to reduce the obligations under the Reimbursement Agreement, then the Assessments and Annual Installments for each Parcel shall be appropriately reduced by the City Council to reflect only the amounts required to repay obligations under the Reimbursement Agreement and/or to repay the Bonds, including interest on the Bonds and Administrative Expenses, and such excess Bond proceeds shall be applied to redeem Bonds. The City Council may reduce the Assessments and the Annual Installments for each Parcel (i) in an amount that represents the Authorized Improvements provided for each Parcel or (ii) by an equal percentage calculated based on number of units, if determined by the City Council to be the most fair and practical means of reducing the Assessments for each Parcel, such that the sum of the resulting reduced Assessments equals the amount required to repay the Bonds and/or repay the obligations under the Reimbursement Agreement, including interest thereon and Administrative Expenses. The principal portion of the Assessment for each Parcel shall be reduced pro rata to the reduction in the Assessments for each Parcel such that the sum of the resulting reduced principal portion of the Bonds and/or obligations under the Reimbursement Agreement is equal to the outstanding principal amounts of the Bonds and/or the amounts outstanding under the Reimbursement Agreement.

I. PAYMENT OF ASSESSMENTS

1. Payment in Full

- (a) The Assessment for any Parcel may be paid in full at any time. Such payment shall include interest through the date of the prepayment and applicable Prepayment Costs.
- (b) If an Annual Installment has been billed prior to payment in full of an Assessment, the Annual Installment shall be due and payable and shall be credited against the payment-in-full amount.
- (c) Upon payment in full of the Assessment and all Prepayment Costs, the City shall deposit the payment in accordance with the Trust Indenture and/or the Reimbursement Agreement, as applicable; whereupon, the Assessment shall be reduced to zero, and the owner's obligation to pay the Assessment and Annual Installments thereof shall automatically terminate.

- (d) At the option of the owner, the Assessment on any Parcel plus interest through the date of prepayment and applicable Prepayment Costs may be paid in part. Upon the payment of such amounts for a Parcel, the Assessment for the Parcel shall be reduced, the Assessment Roll shall be updated to reflect such partial payment, and the obligation to pay the Annual Installment for such Parcel shall be reduced to the extent the partial payment is made.

2. Payment in Annual Installments

The PID Act provides that an Assessment for a Parcel may be paid in full at any time. If not paid in full, the PID Act authorizes the Assessment to be paid in installments and additionally allows the City to collect interest, Administrative Expenses and other authorized charges in installments. An Assessment for a Parcel that is not paid in full will be collected in Annual Installments each year in the amounts shown on the Assessment Rolls, as updated as provided for herein, which include (i) interest, (ii) Administrative Expenses, and (iii) with respect to Assessments which secure a series of Bonds, payments required for the Additional Interest to fund the Prepayment and Delinquency Reserve.

Phases #2-7 Major Improvement Area

Each Assessment for the Phases #2-7 Major Improvement Area Assessed Property for the Phases #2-7 Major Improvement Area Projects shall be paid with interest of no more than the actual interest rate paid on the Phases #2-7 Major Improvement Area Bonds plus Additional Interest. The Phases #2-7 Major Improvement Area Assessment Roll sets forth for each year the Annual Installment for each Parcel based on an interest rate of 4.375% in years 1 through 5 (2019-2023), 5.00% in years 6 through 10 (2024 through 2028), 5.50% in years 11 through 20 (2029-2038) and 5.625% in years 21 through 30 (2039-2048), additional interest at the rate of 0.5% the Additional Interest to fund the Prepayment and Delinquency Reserve and costs of Administrative Expenses. Furthermore, the Annual Installments may not exceed the amounts shown on the Assessment Roll. The Phases #2-7 Major Improvement Area Assessment Roll is shown as Appendix G.

Phase #1

Each Assessment for the Phase #1 Assessed Property shall be paid with interest of no more than the actual interest rate paid on the Phase #1 Bonds. The Phase #1 Assessment Roll sets forth for each year the Annual Installment for each Parcel based on an interest rate of 4.125% in years 1 through 5 (2019-2023), 4.625% in years 6 through 10 (2024 through 2028), 5.125% in years 11 through 20 (2029-2038) and 5.250% in years 21 through 29 (2039-2047), the Additional Interest at the rate of 0.5% to fund Prepayment and Delinquency Reserve and the costs of Administrative Expenses. Furthermore, the Annual Installments may not exceed the amounts shown on the Assessment Roll. The Phase #1 Assessment Roll is shown as Appendix H.

Phase #2

Each Assessment for the Phase #2 Assessed Property for the Phase #2 Improvements shall be paid with interest of no more than the actual interest rate paid on the obligation under the Reimbursement Agreement related to the Phase #2 Improvements. Interest on the obligation under the

Reimbursement Agreement related to the Phase #2 Improvements shall be paid based on an interest rate of 8.75% per annum for years 1 through 5 and 5.75% per annum following the fifth Annual Installment. The interest on the obligation under the Reimbursement Agreement related to the Phase #2 Improvements shall be paid at a rate not to exceed five hundred basis points (5.00%) above the highest average index rate for tax-exempt bond reported in a daily or weekly bond index approved by the City and reported in the month prior to the establishment of the Assessments securing such portion of the obligation due under the Reimbursement Agreement and continuing for a period of five years from such date. Such rate shall then adjust and shall not exceed two hundred basis points (2.00%) above the bond index rate described above and shall continue until the Assessments are paid in full. The index approved by the City is the *Bond Buyer Index* for which the highest average rate during the previous thirty days prior to the levy of Assessments against the Phase #2 Assessed Property was 3.75%. The City has determined that the obligation under the Reimbursement Agreement related to the Phase #2 Improvements shall bear interest at the interest rate of 8.75% per annum for years 1 through 5 and 5.75% per annum following the fifth Annual Installment, which rates are equal to or less than the initial maximum allowable rate of interest of 8.75% for years 1 through 5 and equal to the maximum allowable rate of interest following the fifth Annual Installment, which would be 5.75%. Furthermore, the Annual Installments of the Assessments levied against Phase #2 Assessed Property may not exceed the amounts shown on the Phase #2 Assessment Roll.

Phase #3 Improvements

Each Assessment for the Phase #3 Assessed Property for the Phases #3 Improvements shall be paid with interest of no more than the actual interest rate paid on the obligation under the Reimbursement Agreement related to the Phase #3 Improvements. Interest on the obligation under the Reimbursement Agreement related to the Phase #3 Improvements shall be paid based on an interest rate of 8.65% per annum for years 1 through 5 and 5.65% per annum following the fifth Annual Installment. The interest on the obligation under the Reimbursement Agreement related to the Phase #3 Improvements shall be paid at a rate not to exceed five hundred basis points (5.00%) above the highest average index rate for tax-exempt bond reported in a daily or weekly bond index approved by the City and reported in the month prior to the establishment of the Assessments securing such portion of the obligation due under the Reimbursement Agreement and continuing for a period of five years from such date. Such rate shall then adjust and shall not exceed two hundred basis points (2.00%) above the bond index rate described above and shall continue until the Assessments are paid in full. The index approved by the City is the *Bond Buyer Index* for which the highest average rate during the previous thirty days prior to the levy of Assessments related to the Phase #3 Improvements against the Phase #3 Assessed Property was 3.65%. The City has determined that the obligation under the Reimbursement Agreement related to the Phase #3 Improvements and shall bear interest at the interest rate of 8.65% per annum for years 1 through 5 and 5.65% per annum following the fifth Annual Installment which rates are equal to or less than the initial maximum allowable rate of interest of 8.65% for years 1 through 5 and equal to the maximum allowable rate of interest following the fifth Annual Installment, which would be 5.65%. Furthermore, the Annual Installments of the Assessments levied against Phase #3 Assessed Property related to the Phase #3 Improvements may not exceed the amounts shown on the Phase #3 Assessment Roll – Phase #3 Improvements.

Phase #3 Additional Projects

Each Assessment for the Phase #3 Assessed Property for the Phases #3 Additional Projects shall be paid with interest of no more than the actual interest rate paid on the obligation under the Reimbursement Agreement related to the Phase #3's share of Additional Major Improvements. Interest on the obligation under the Reimbursement Agreement related to Phase #3's share of Additional Major Improvements shall be paid based on an interest rate of 8.65% per annum for years 1 through 5 and 5.65% per annum following the fifth Annual Installment. The interest on the obligation under the Reimbursement Agreement related to the Phase #3 Additional Projects shall be paid at a rate not to exceed five hundred basis points (5.00%) above the highest average index rate for tax-exempt bond reported in a daily or weekly bond index approved by the City and reported in the month prior to the establishment of the Assessments securing such portion of the obligation due under the Reimbursement Agreement and continuing for a period of five years from such date. Such rate shall then adjust and shall not exceed two hundred basis points (2.00%) above the bond index rate described above and shall continue until the Assessments are paid in full. The index approved by the City is the *Bond Buyer Index* for which the highest average rate during the previous thirty days prior to the levy of Assessments related to the Phase #3 Additional Projects against the Phase #3 Assessed Property was 3.65%. The City has determined that the obligation under the Reimbursement Agreement related to the Phase #3 Additional Projects shall bear interest at the interest rate of 8.65% per annum for years 1 through 5 and 5.65% per annum following the fifth Annual Installment, which rates are equal to or less than the initial maximum allowable rate of interest of 8.65% for years 1 through 5 and equal to the maximum allowable rate of interest following the fifth Annual Installment, which would be 5.65%. Furthermore, the Annual Installments of the Assessments levied against Phase #3 Assessed Property related to the Phase #3 Additional Projects may not exceed the amounts shown on the Phase #3 Assessment Roll – Phase #3 Additional Projects.

The Annual Installments shall be reduced to equal the Actual Costs of repaying the Bonds and/or the obligations due under the Reimbursement Agreement related to the Phase #2 Improvements, Phase #3 Improvements, and/or Phase #3 Additional Projects, as applicable, and actual Administrative Expenses (as provided for in the definition of such term), taking into consideration any other available funds for these costs, such as interest income on account balances.

The City reserves and shall have the right and option to refund the Bonds and/or the obligations due under the Reimbursement Agreement related to the Phase #2 Improvements, Phase #3 Improvements, and/or Phase #3 Additional Projects, as applicable, in accordance with Section 372.027 of the PID Act. In the event of such refunding, the Administrator shall recalculate the Annual Installments, and if necessary, may adjust, or decrease (but not increase), the amount of the Annual Installments so that total Annual Installments of Assessments will be produced in annual amounts that are required to pay such bonds when due and payable as required by and established in the ordinance and/or the indenture authorizing and securing the refunding bonds, and such bonds shall constitute Bonds for purposes of this Service and Assessment Plan.

J. COLLECTION OF ANNUAL INSTALLMENTS

No less frequently than annually, the Administrator shall prepare, and the City Council shall approve, an Annual Service Plan Update to allow for the billing and collection of Annual

Installments. Each Annual Service Plan Update shall include updated Assessment Rolls and a calculation of the Annual Installment for each Parcel. Administrative Expenses shall be allocated among Parcels in proportion to the amount of the Annual Installments for the Parcels. Each Annual Installment shall be reduced by any credits applied under the applicable Trust Indenture, such as capitalized interest, interest earnings on any account balances, and any other funds available to the Trustee for such purpose, including any existing deposits for a prepayment reserve. Annual Installments shall be collected by the City in the same manner and at the same time as ad valorem taxes and shall be subject to the same penalties, procedures, and foreclosure sale in case of delinquencies as are provided for ad valorem taxes of the City. The City Council may provide for other means of collecting the Annual Installments to the extent permitted under the PID Act. The Assessments shall have lien priority as specified in the PID Act.

Any sale of property for nonpayment of the Annual Installments shall be subject to the lien established for the remaining unpaid Annual Installments against such property and such property may again be sold at a judicial foreclosure sale if the purchaser thereof fails to make timely payment of the non-delinquent Annual Installments against such property as they become due and payable.

Phases #2-7 Major Improvement Area

Each Annual Installment of an Assessment related to the Phases #2-7 Major Improvement Area Projects, including the interest on the unpaid amount of such an Assessment, shall be calculated as of September 1 and updated annually. Each such Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of the following year. The initial Annual Installments relating to the Phases #2-7 Major Improvement Area Bonds commenced with the issuance of the Phases #2-7 Major Improvement Area Bonds.

Phase #1

Each Annual Installment of an Assessment related to the Phase #1 Projects, including the interest on the unpaid amount of such an Assessment, shall be calculated as of September 1 and updated annually. Each such Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of the following year. The initial Annual Installments relating to the Phase #1 Bonds commenced with the issuance of the Phase #1 Bonds.

Phase #2

The collection of the first Annual Installment of an Assessment related to the Phase #2 Improvements for a Lot or Parcel of Phase #2 Assessed Property shall commence upon the earlier of: (i) September 1, 2023, (ii) with tax bills sent the first October after issuance of a series of Bonds for Phase #2 Improvements, such that upon the issuance of Bonds all Assessments in Phase #2 shall begin collection, or (iii) with tax bills sent the first October occurring after the expiration of two years from the date of the levy of Assessments on the Phase #2 Assessed Property, such that all Assessments in the Phase #2 begin collection immediately after the expiration of such two year period. Such first Annual Installment for a Lot or Parcel of Phase #2 Assessed Property for which collection has begun, shall be due by January 31st of the following calendar year.

Phase #3

The collection of the first Annual Installment of an Assessment related to the Phase #3 Projects for a Lot or Parcel of Phase #3 Assessed Property shall commence upon the earlier of: (i) September 1, 2024, (ii) with tax bills sent the first October after issuance of a series of Bonds for Phase #3 Projects, such that upon the issuance of Bonds all Assessments in Phase #3 shall begin collection, or (iii) with tax bills sent the first October occurring after the expiration of two years from the date of the levy of Assessments on the Phase #3 Assessed Property, such that all Assessments in the Phase #3 begin collection immediately after the expiration of such two year period. Such first Annual Installment for a Lot or Parcel of Phase #3 Assessed Property for which collection has begun, shall be due by January 31st of the following calendar year.

(remainder of this page is intentionally left blank)

VII. THE ASSESSMENT ROLL

A. PHASES #2-7 MAJOR IMPROVEMENT AREA ASSESSMENT ROLL

Each Parcel within Phases #2-7 Major Improvement Area has been evaluated by the City Council (based on the concept plan, developable area, proposed Homeowner Association Property and Public Property, the Phases #2-7 Major Improvement Area Projects, best and highest use of land, and other development factors deemed relevant by the City Council) to determine the amount of Assessed Property within the Phases #2-7 Major Improvement Area.

Phases #2-7 Major Improvement Area Assessed Property has been assessed for the special benefits conferred upon the property as a result of the Phases #2-7 Major Improvement Area Projects. Table VII-A summarizes the \$14,405,058 in special benefit received by the Phases #2-7 Major Improvement Area Projects, the pro rata costs of the PID formation, and bond issuance costs for the Phases #2-7 Major Improvement Area Bonds. The amount of Phases #2-7 Major Improvement Area Bonds is \$13,795,000, which is less than the benefit received by Phases #2-7 Major Improvement Area Assessed Property for the Phases #2-7 Major Improvement Area Projects, and as such the total Assessment for all Assessed Property within Phases #2-7 Major Improvement Area for the Phases #2-7 Major Improvement Area Projects is \$13,795,000 plus annual Administrative Expenses and other authorized charges. The Assessment for each Parcel of Assessed Property within the Phases #2-7 Major Improvement Area is calculated based on the allocation methodologies described in Section V.D of this Service and Assessment Plan. The Phases #2-7 Major Improvement Area Assessment Roll is attached hereto as Appendix G.

Table VII-A
Phases #2-7 Major Improvement Area
Special Benefit Summary

Special Benefit	Total Cost
Total Phases #2-7 Major Improvement Area Projects ¹	\$11,574,778
<u>PID Formation/Bond Costs of Issuance:</u>	
Capitalized interest	\$755,430
Debt service reserve fund	\$1,014,000
Administrative Expenses	\$35,000
Other costs of issuance including Underwriter's Discount	\$1,025,850
<i>Subtotal Bond Issuance Costs</i>	<i>\$2,830,280</i>
Total Special Benefit	\$14,405,058
<u>Special Benefit:</u>	
Total Special Benefit	\$14,405,058
Assessment	\$13,795,000
Excess Benefit	\$610,058

¹See Table III-A for details.

B. PHASE #1 ASSESSMENT ROLL

Phase #1 Assessed Property has been assessed for the special benefits conferred upon the property as a result of the Phase #1 Initial Projects. Table VII-B summarizes the \$11,992,499 in special benefit received by Phase #1 Assessed Property from the Phase #1 Initial Projects, the Phase #1 Additional Projects, the pro rata costs of the PID formation, and bond issuance costs for the Phase #1 Bonds. The total amount of Phase #1 Bonds is \$9,555,000, which is less than the benefit received by Phase #1 Assessed Property, and as such the total Assessment for all Assessed Property within Phase #1 is \$9,555,000 plus annual Administrative Expenses and other authorized charges. The Assessment for each Parcel of Assessed Property within Phase #1 is calculated based on the allocation methodologies described in Section V.D of this Service and Assessment Plan. The Phase #1 Assessment Roll is attached hereto as Appendix H.

Table VII-B
Phase #1
Special Benefit Summary

Special Benefit	Total Cost
Total Phase #1 Improvements ¹	\$4,914,500
Total Phase #1 share of Initial Major Improvements ¹	\$3,254,369
Total Phase #1 share of Additional Major Improvements ¹	\$1,902,064
<i>Subtotal</i>	<i>\$10,070,933</i>
PID Formation/Bond Costs of Issuance:	
Capitalized interest	\$486,053
Debt service reserve fund	\$678,863
Administrative Expenses	\$35,000
Other costs of issuance including Underwriter's Discount	\$721,650
<i>Subtotal Bond Issuance Costs</i>	<i>\$1,921,566</i>
Total Special Benefit	\$11,992,499
Special Benefit:	
Total Special Benefit	\$11,992,499
Assessment	\$9,555,000
Excess Benefit	\$2,437,499

¹See Table III-C for details. Phase #1's share of Additional Major Improvements will be paid by the Developer without reimbursement.

C. PHASE #2 ASSESSMENT ROLL

Phase #2 Assessed Property has been assessed for the special benefits conferred upon the property as a result of the Phase #2 Improvements. Table VII-C summarizes the \$7,019,197 in special benefit received by Phase #2 Assessed Property from the Phase #2 Improvements and Phase #2 Additional Projects. The total amount of obligation under the Reimbursement Agreement related to the Phase #2 Improvements is \$5,938,154, which is less than the benefit received by Phase #2 Assessed Property from the Phase #2 Projects, and as such the total Assessment for all Assessed Property within Phase #2 is \$5,938,154 plus annual Administrative Expenses and other authorized charges.

The Assessment for each Parcel of Assessed Property within Phase #2 is calculated based on the allocation methodologies described in Section V.D of this Service and Assessment Plan. The Phase #2 Assessment Roll is attached hereto as Appendix I.

Table VII-C
Phase #2
Special Benefit Summary

Special Benefit	Total Cost
Total Phase #2 Improvements ¹	\$5,938,154
Total Phase #2 share of Additional Major Improvements ¹	\$1,081,043
<i>Subtotal</i>	<i>\$7,019,197</i>
Total Special Benefit	\$7,019,197
Special Benefit:	
Total Special Benefit	\$7,019,197
Assessment	\$5,938,154
Excess Benefit	\$1,081,043

¹See Table III-D for details. Phase #2's share of Additional Major Improvements will be paid by the Developer without reimbursement.

D. PHASE #3 ASSESSMENT ROLL

The Phase #3 Assessed Property is being assessed separately for the special benefits conferred upon the property resulting from (i) the Phase #3 Improvements (ii) Phase #3 Additional Projects. Table VII-D summarizes the \$7,708,239 in special benefit received by the Phase #3 Assessed Property from the Phase #3 Improvements and Phase #3 Additional Projects, and the Administrative Expenses related to Phase #3. The Assessment levied under the Reimbursement Agreement related to Phase #3 Improvements is \$6,291,045 and the Assessment levied in under the Reimbursement Agreement related to Phase #3 Additional Projects is \$1,402,194. The total of these two assessments levied against the Phase #3 Assessed Property \$7,708,239 which is equal to the benefit received by the Phase #3 Assessed Property from the Phase #3 Improvements and Phase #3 Additional Projects. Accordingly, the total, collective Assessment to be applied to all the Phase #3 Assessed Property is \$7,708,239 plus annual Administrative Expenses and other authorized charges. The total Assessments for each Parcel of Assessed Property within Phase #3 is calculated based on the allocation methodologies described in Section V.D of this Service and Assessment Plan. The Phase #3 Assessment Roll – Phase #3 Improvements is attached hereto as Appendix J-1 and the Phase #3 Assessment Roll – Phase #3 Additional Projects is attached hereto as Appendix J-2.

E. FUTURE PHASES ASSESSMENT ROLLS

Future Phases are developed, this Service and Assessment Plan will be updated to determine the Assessment for each Parcel located within Future Phases (e.g., an appendix will be added as the Assessment Roll for Phase #4, etc.).

F. ANNUAL ASSESSMENT ROLL UPDATES

The Administrator shall prepare, and shall submit to the City Council for approval, annual updates to the Phases #2-7 Major Improvement Area Assessment Roll, Phase #1 Assessment Roll, Phase #2 Assessment Roll, the Phase #3 Assessment Roll – Phase #3 Improvements, and the Phase #3 Assessment Roll – Phase #3 Additional Projects in conjunction with the Annual Service Plan Update to reflect the following matters, together with any other changes helpful to the Administrator or the City and permitted by the PID Act: (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.H of this Service and Assessment Plan.

Upon the future issuance of Bonds, the Assessment Rolls shall be updated, which update may be done in the next Annual Service Plan Update, to reflect any changes resulting from the issuance of the Bonds. This update shall reflect the actual interest on the Bonds on which the Annual

Attachment: Draft Ordinance (Cambridge Crossing Phase 3 PID – Additional Levy Ordinance)

Installments shall be paid, any reduction in the Assessments, and any revisions in the Actual Costs to be funded by the Bonds and Developer funds.

(remainder of this page is intentionally left blank)

VIII. MISCELLANEOUS PROVISIONS

A. ADMINISTRATIVE REVIEW

The City may elect to designate a third party to serve as Administrator. The City shall notify Developer in writing at least thirty (30) days in advance before appointing a third party Administrator.

To the extent consistent with the PID Act, an owner of a parcel of Assessed Property claiming that a calculation error has been made in the Assessment Roll(s), including the calculation of the Annual Installment, shall send a written notice describing the error to the City not later than thirty (30) days after the date any amount which is alleged to be incorrect is due prior to seeking any other remedy. The Administrator shall promptly review the notice, and if necessary, meet with the Assessed Property owner, consider written and oral evidence regarding the alleged error and decide whether, in fact, such a calculation error occurred.

If the Administrator determines that a calculation error has been made and the Assessment Roll should be modified or changed in favor of the Assessed Property owner, such change or modification shall be presented to the City Council for approval to the extent permitted by the PID Act. A cash refund may not be made for any amount previously paid by the Assessed Property owner (except for the final year during which the Annual Installment shall be collected or if it is determined there are sufficient funds to meet the expenses of the PID for the current year), but an adjustment may be made in the amount of the Annual Installment to be paid in the following year. The decision of the Administrator regarding a calculation error relating to the Assessment Roll may be appealed to the City Council. Any amendments made to the Assessment Roll(s) pursuant to calculation errors shall be made pursuant to the PID Act.

The decision of the Administrator, or if such decision is appealed to the City Council, the decision of the City Council shall be conclusive as long as there is a reasonable basis for such determination. This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to any other appeal or legal action by such owner.

B. TERMINATION OF ASSESSMENTS

Each Assessment shall be extinguished on the date the Assessment is paid in full, including unpaid Annual Installments and Delinquent Collection Costs, if any. After the extinguishment of an Assessment and the collection of any delinquent Annual Installments and Delinquent Collection Costs, the City shall provide the owner of the affected Parcel a recordable “Notice of the PID Assessment Termination”.

C. AMENDMENTS

Amendments to the Service and Assessment Plan can be made as permitted or required by the PID Act and under Texas law.

The City Council reserves the right to the extent permitted by the PID Act to amend this Service and Assessment Plan without notice under the PID Act and without notice to property owners of Parcels: (i) to correct mistakes and clerical errors; (ii) to clarify ambiguities; and (iii) to provide procedures for the collection and enforcement of Assessments, Prepayment Costs, collection costs, and other charges imposed by the Service and Assessment Plan.

D. ADMINISTRATION AND INTERPRETATION OF PROVISIONS

The City Council shall administer the PID, this Service and Assessment Plan, and all Annual Service Plan Updates consistent with the PID Act, and shall make all interpretations and determinations related to the application of this Service and Assessment Plan unless stated otherwise herein or in the applicable Trust Indenture, such determination shall be conclusive.

Tables within this Service and Assessment Plan may be rounded to the nearest dollar for presentation purposes.

E. SEVERABILITY

If any provision, section, subsection, sentence, clause or phrase of this Service and Assessment Plan or the application of same to an assessed Parcel or any person or set of circumstances is for any reason held to be unconstitutional, void or invalid, the validity of the remaining portions of this Service and Assessment Plan or the application to other persons or sets of circumstances shall not be affected thereby, it being the intent of the City Council in adopting this Service and Assessment Plan that no part hereof or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness or invalidity of any other part hereof, and all provisions of this Service and Assessment Plan are declared to be severable for that purpose.

If any provision of this Service and Assessment Plan is determined by a court to be unenforceable, the unenforceable provision shall be deleted from this Service and Assessment Plan and the unenforceable provision shall, to the extent possible, be rewritten to be enforceable and to give effect to the intent of the City.

Revised:

Overall Probable Cost Opinion Summary by Phase

TRACT ID	Area	Lots	Cost	By Lot	By Acre
	(Ac)	(#)	(\$)	(\$)	(\$)
PHASE FOUR	79.7	289	\$3,832,328	\$13,261	\$48,084
PHASE FIVE	56.3	242	\$851,722	\$3,520	\$15,128
CATEGORY TOTALS	136	531	\$4,684,050	\$8,821	\$34,442

GENERAL NOTES:

- THE COST ILLUSTRATED ABOVE FOR EACH TRACT ARE ONLY FOR THOSE CATEGORIES SPECIFICALLY OUTLINED BY THE DETAILED COST BREAK-DOWN AND DO NOT NECESSARILY REPRESENT THE TOTAL DEVELOPMENT COST FOR THE PROJECT. IN ADDITION, IN SOME INSTANCES, THE FUTURE DEVELOPMENT OF ONE TRACT MAY NECESSITATE THE EXPENDITURE OF MONIES ALLOCATED WITHIN ANOTHER.
- UNIT PRICES ARE BASED ON SIMILAR PROJECTS BID IN THE PAST COUPLE YEARS, HOWEVER SHOULD BE VERIFIED WITH A CONTRACTOR DUE T VOLATILITY OF PRICES TODAY.
- IMPACT FEES DUE AT TIME OF BUILDING PERMIT

ESTIMATE EXCLUDES:

- FRANCHISE UTILITY RELOCATION AND/OR OFFSITE COSTS TO BRING SERVICE TO SITE
- ROCK EXCAVATION
- LAND COST
- PHONE AND CABLE
- DEMOLITION OF EXISTING STRUCTURES
- REMOVAL OF EXISTING WATER WELLS OR SEPTIC SYSTEMS
- ASBESTOS SURVEY/ABATEMENT OF EXISTING STRUCTURES
- CORPS/WETLANDS MITIGATION
- TREE MITIGATION
- TRAFFIC SIGNAL IMPROVEMENTS/INSTALLATION
- EASEMENT ACQUISITION
- RIGHT-OF-WAY ACQUISITION (IF REQUIRED) FOR PERIMETER ROADS
- COST UNDERBRUSHING/PRUNING OF EXISTING TREES
- TREE, TOPOGRAPHIC AND BOUNDARY SURVEYS
- PRELIMINARY PROFESSIONAL FEES (FEASIBILITY, ZONING AND PLANNING)
- LANDSCAPE, SCREENING WALL, AMENITY CENTER, ECT
- CONSTRUCTION MANAGEMENT
- MISCELLANEOUS COSTS AND OVERALL CONTINGENCY

APPENDIX C-1
PHASE #2 LEGAL DESCRIPTION

Phase #2

LEGAL DESCRIPTION
46.878 ACRES

TRACT ONE

BEING a tract of land situated in the RICHARD ALDERSON SURVEY, ABSTRACT NO. 7, City of Celina, Collin County, Texas, and being part of that tract of land described as Tract 1, as conveyed in Deed to Tollway/Outer Loop, L.P., according to the document of record filed in Document Number 20140827000927470, Official Public Records, Collin County, Texas, and being more particularly described as follows:

BEGINNING at a 1/2" iron rod with a yellow cap stamped "DAA" found in the north line of Punk Carter, a variable width right-of-way, and the common southeast corner of said Tract 1, and the southwest corner of that tract of land conveyed in Deed to Celina Station LP, and Paramount Soft LP, according to the document of record filed in Document Number 20201216002261440, Official Public Records, Collin County, Texas;

THENCE With said north line, the following courses and distances:

N 89° 59' 51" W, a distance of 836.68 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found;

N 86° 11' 01" W, a distance of 150.33 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found;

N 89° 59' 51" W, a distance of 200.00 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found at the south end of a corner clip;

THENCE N 45° 38' 00" W, with said corner clip, a distance of 35.75 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found at the north end of said corner clip, said being in the east line of Huddleston Drive, a 90' right-of-way, at the beginning of a curve to the left having a central angle of 10° 07' 55", a radius of 1,495.00 feet and a chord bearing and distance of N 06° 48' 51" W, 264.02 feet;

THENCE With the east line of Huddleston Drive, a 90' right-of-way, the following courses and distances:

With said curve to the left, an arc distance of 264.37 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found at the beginning of a curve to the right having a central angle of 41° 55' 46", a radius of 547.00 feet and a chord bearing and distance of N 09° 05' 04" E, 391.42 feet;

With said curve to the right, an arc distance of 400.30 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found;

N 30° 02' 57" E, a distance of 918.01 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found at the beginning of a curve to the left having a central angle of 03° 31' 19", a radius of 1,045.00 feet and a chord bearing and distance of N 28° 17' 18" E, 64.23 feet;

With said curve to the left, an arc distance of 64.24 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found in said east line, for the common northwest corner of the above mentioned Tollway/Outer Loop, L.P. tract, and the southwest corner of that tract of land described as Commercial Parcel 7, conveyed in Deed to Tollway/Outer Loop Commercial, L.P., according to the document of record filed in Document Number 20180524000635960, Official Public Records, Collin County, Texas;

THENCE Leaving the east line of Huddleston Drive, a 90' right-of-way, and with the north line of said Tract 1, the following courses and distances:

S 84° 13' 10" E, a distance of 55.87 feet to a 1/2" iron rod set;

S 59° 57' 03" E, a distance of 132.42 feet to a 1/2" iron rod set;

N 89° 46' 31" E, a distance of 502.08 feet to a 1/2" iron rod set in the west line of the above mentioned Celina Station LP, and Paramount Soft LP tract, for the common northeast corner of said Tract 1, and the southeast corner of said Commercial Parcel 7;

THENCE S 00° 45' 23" E, with said west line, a distance of 1,465.06 feet to the **POINT OF BEGINNING**, and containing 36.245 acres of land, more or less.

TRACT TWO

BEING a tract of land situated in the I.C. WILLIAMSON SURVEY, ABSTRACT NO. 943, City of Celina, Collin County, Texas, and being part of that tract of land described as Tract 2, as conveyed in Deed to Tollway/Outer Loop, L.P., according to the document of record filed in Document Number 20140827000927470, Official Public Records, Collin County, Texas, and being part of that tract of land described as Right-Of-Way #1 as conveyed in Street Right-Of-Way Deed to City of Celina, Texas, according to the document of record filed in Document Number 20180830001092870, Official Public Records, Collin County, Texas, and being more particularly described as follows:

BEGINNING at a 1/2" iron rod with a yellow cap stamped "DAA" found in the south line of that tract of land described as Tract V as conveyed in Deed to G Bar 7, LTD., according to the document of record filed in Volume 5850, Page 999, Official Public Records, Collin County, Texas, for the northeast corner of Lot 1, Block K, CAMBRIDGE CROSSING PHASE ONE, an Addition to the City of Celina, Collin County, Texas, according to the Plat of record filed in Document Number 20200212010000590, Official Public Records, Collin County, Texas;

THENCE N 89° 38' 12" E, with the south line of said Tract V, a distance of 674.42 feet to a 1/2" iron rod found in the west line of that tract of land conveyed in Deed to Stiles Family Limited Partnership, according to the document of record filed in Document Number 97-0009838, Official Public Records, Collin County, Texas, for the common northeast corner of said Right-Of-Way #1 and the southeast corner of said Tract V;

THENCE S 00° 14' 13" E, with a common east line of said Right-Of-Way #1 and the west line of said Stiles

Family Limited Partnership tract, a distance of 650.00 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found for the most easterly northeast corner of said Addition;

THENCE S 89° 38' 12" W, with the north line of Block J of said Addition, a distance of 484.27 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found for the northwest corner of Lot 1, Block J, of said Addition;

THENCE S 76° 41' 02" W, a distance of 50.02 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found for the northwest corner of Lot 23, Block I, of said Addition;

THENCE S 57° 34' 12" W, with the north line of said Lot 23, a distance of 120.17 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found for the most easterly southeast corner of Lot 26, Block I, of said Addition;

THENCE N 33° 37' 42" W, leaving the north line of said Lot 23 and with the east line of said Lot 26, a distance of 144.26 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found in the south line of Coventry Drive, a 50' right-of-way, for the north corner of said Lot 26, said being at the beginning of a non-tangent curve to the right, having a central angle of 05° 45' 28", a radius of 515.00 feet and a chord bearing and distance of N 59° 15' 02" E, 51.73 feet;

THENCE With the south line of said Coventry Drive and said curve to the right, an arc distance of 51.75 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found;

THENCE N 27° 52' 14" W, a distance of 50.00 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found for the southeast corner of Lot 9, Block K of said Addition;

THENCE N 27° 02' 29" W, with the east line of said Lot 9, a distance of 46.67 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found for an interior ell corner of said Lot 9;

THENCE N 00° 45' 41" W, with the east line of Block K of said Addition, a distance of 371.95 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found in the south line of Lot 2, Block K of said Addition, for the northeast corner of Lot 3, Block K of said Addition;

THENCE N 89° 14' 19" E, with the south line of said Lot 2, a distance of 43.83 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found for the southeast corner of said Lot 2;

THENCE N 00° 45' 41" W, with the east line of Block K of said Addition, a distance of 119.92 feet to the **POINT OF BEGINNING**, and containing 10.633 acres of land, more or less.

APPENDIX C-2
PHASE #3 LEGAL DESCRIPTION

LEGAL DESCRIPTION**70.971 ACRES****TRACT 1**

BEING a tract of land situated in the RICHARD ALDERSON SURVEY, ABSTRACT NO. 7, and the T. STATEN SURVEY, ABSTRACT NO. 806, Collin County, Texas, and being part of that tract of land conveyed in Deed to Tollway/Outer Loop, L.P., according to the document of record filed in Document Number 20140827000927480, Official Public Records, Collin County, Texas, and being part of that tract of land conveyed in Deed to Tollway/Outer Loop, L.P., according to the document of record filed in Document Number 20140827000927470, Official Public Records, Collin County, Texas, and being part of that tract of land described as Right-of-Way #2, as conveyed in Deed to City of Celina, Texas, according to the document of record filed in Document Number 20180830001092870, Official Public Records, Collin County, Texas, and being more particularly described as follows:

BEGINNING at a 1/2" iron rod with yellow cap stamped "DAA" found in the north line of PUNK CARTER PARKWAY, a Platted variable width right-of-way, according to the Plat of record filed in Document Number 20200212010000580, Official Public Records, Collin County, Texas, for the south end of a corner clip;

THENCE With said north line, the following courses and distances:

S 89° 43' 04" W, a distance of 150.00 feet to a 1/2" iron rod with yellow cap stamped "DAA" found;

S 85° 54' 13" W, a distance of 150.33 feet to a 1/2" iron rod with yellow cap stamped "DAA" found;

S 89° 43' 04" W, a distance of 638.26 feet to a 1/2" iron rod set;

THENCE Leaving said north line, over and across said Tollway/Outer Loop, L.P. tract, (Document Number 20140827000927480), and said Right-of-Way #2 tract and said Tollway/Outer Loop, L.P. tract, (Document Number 20140827000927470), the following courses and distances:

N 00° 16' 56" W, a distance of 1,158.02 feet to a 1/2" iron rod set;

N 08° 21' 14" E, a distance of 63.00 feet to a 1/2" iron rod set at the beginning of a curve to the right having a central angle of 01° 00' 04", a radius of 625.00 feet and a chord bearing and distance of S 81° 08' 44" E, 10.92 feet;

With said curve to the right, an arc distance of 10.92 feet to a 1/2" iron rod set;

N 17° 07' 54" E, a distance of 218.44 feet to a 1/2" iron rod set;

N 30° 12' 20" E, a distance of 797.85 feet to a 1/2" iron rod set;

N 59° 47' 40" W, a distance of 19.38 feet to a 1/2" iron rod set;

N 30° 12' 20" E, a distance of 218.95 feet to a 1/2" iron rod set in the south line of that tract of land conveyed in Deed to Collin County, Texas, according to the document of record filed in Document

Number 20160930001319650, Official Public Records, Collin County, Texas, and being at the beginning of a non-tangent curve to the left having a central angle of 06° 00' 28", a radius of 3,450.00 feet and a chord bearing and distance of S 65° 18' 02" E, 361.58 feet;

THENCE With the south line of said Collin County, Texas tract and said curve to the left, an arc distance of 361.74 feet to a 1/2" iron rod set for the northwest corner of that tract of land described as Parcel 6, as conveyed in Deed to Tollway/Outer Loop Commercial, L.P., according to the document of record filed in Document Number 20180524000635960, Official Public Records, Collin County, Texas;

THENCE With the west line of said Parcel 6, the following courses and distances:

S 30° 12' 20" W, a distance of 212.02 feet to a 1/2" iron rod set;

S 56° 24' 40" W, a distance of 66.87 feet to a 1/2" iron rod set;

S 30° 12' 20" W, a distance of 305.10 feet to a 1/2" iron rod set for a common interior ell corner of said Tollway/Outer Loop, L.P. tract, (Document Number 20140827000927480), and the southwest corner of said Parcel 6;

THENCE With the south line of said Parcel 6, the following courses and distances:

S 73° 31' 00" E, a distance of 92.50 feet to a 1/2" iron rod set;

S 84° 54' 46" E, a distance of 65.83 feet to a 1/2" iron rod set;

N 84° 25' 34" E, a distance of 65.77 feet to a 1/2" iron rod set;

N 79° 08' 53" E, a distance of 70.87 feet to a 1/2" iron rod set;

N 87° 16' 52" E, a distance of 85.66 feet to a 1/2" iron rod set;

S 86° 20' 02" E, a distance of 85.64 feet to a 1/2" iron rod set;

S 76° 57' 53" E, a distance of 85.56 feet to a 1/2" iron rod set;

S 71° 27' 10" E, a distance of 284.63 feet to a 1/2" iron rod set;

S 84° 13' 10" E, a distance of 77.68 feet to a 1/2" iron rod set in the west line of Huddleston Drive, a 90' right-of-way, dedicated by CAMBRIDGE CROSSING PHASE ONE, an Addition to the City of Celina, Collin County, Texas, according to the Plat of record filed in Document Number 20200212010000590, Official Public Records, Collin County, Texas, for the southeast corner of said Parcel 6, and being at the beginning of a non-tangent curve to the right having a central angle of 01° 27' 44", a radius of 955.00 feet and a chord bearing and distance of S 29° 19' 05" W, 24.37 feet;

THENCE With the west line of said Huddleston Drive, the following courses and distances:

With said curve to the right, an arc distance of 24.37 feet to a 1/2" iron rod with yellow cap stamped "DAA" found;

S 30° 02' 57" W, a distance of 918.01 feet to a 1/2" iron rod with yellow cap stamped "DAA" found at the beginning of a curve to the left having a central angle of 41° 55' 46", a radius of 637.00 feet and a chord bearing and distance of S 09° 05' 04" W, 455.83 feet;

With said curve to the left, an arc distance of 466.16 feet to a 1/2" iron rod with yellow cap stamped "DAA" found at the beginning of a reverse curve to the right having a central angle of 10° 01' 31", a radius of 1,405.00 feet and a chord bearing and distance of S 06° 52' 03" E, 245.52 feet;

With said curve to the right having an arc distance of 245.84 feet to a 1/2" iron rod with yellow cap stamped "DAA" found for the north end of the above mentioned corner clip;

S 44° 11' 11" W, with said corner clip, a distance of 35.03 feet to the **POINT OF BEGINNING**, and containing 46.409 acres of land, more or less.

TRACT 2

BEING a tract of land situated in the RICHARD ALDERSON SURVEY, ABSTRACT NO. 7, and the F.D. GARY SURVEY, ABSTRACT NO. 360, Collin County, Texas, and being part of that tract of land conveyed in Deed to Tollway/Outer Loop, L.P., according to the document of record filed in Document Number 20140827000927470, Official Public Records, Collin County, Texas, and being more particularly described as follows:

BEGINNING at a 1/2" iron rod with yellow cap stamped "DAA" found in the east line of that tract of land conveyed in Deed to Planetial, LP, according to the document of record filed in Document Number 20091016001276920, Official Public Records, Collin County, Texas, for the southwest corner of Lot 33, Block A, CAMBRIDGE CROSSING PHASE ONE, an Addition to the City of Celina, Collin County, Texas, according to the Plat of record filed in Document Number 20200212010000590, Official Public Records, Collin County, Texas;

THENCE N 89° 23' 58" E, a distance of 119.86 feet to a 1/2" iron rod with yellow cap stamped "DAA" found in the west line of Halkin Road, a 50' right-of-way, for the southeast corner of said Lot 33;

THENCE S 00° 36' 02" E, with said west line, a distance of 103.84 feet to a 1/2" iron rod with yellow cap stamped "DAA" found for an interior ell corner of said Tollway/Outer Loop, L.P. tract;

THENCE N 89° 23' 58" E, passing at a distance of 50.00 feet, a 1/2" iron rod with yellow cap stamped "DAA" found for the southwest corner of Lot 1, Block D of said Addition, and continuing in all with the south line of said Block D, a total distance of 1,124.50 feet to a 1/2" iron rod with yellow cap stamped "DAA" found in the west line of Lot 23, Block D, for the southeast corner of Lot 21, Block D;

THENCE With the west line of said Block D, the following courses and distances:

S 00° 36' 02" E, a distance of 250.00 feet to a 1/2" iron rod with yellow cap stamped "DAA" found for the common corner of Lot 27, and Lot 28;

S 15° 51' 54" W, a distance of 56.05 feet to a 1/2" iron rod with yellow cap stamped "DAA" found for the common corner of Lot 28, and Lot 29;

S 21° 57' 09" W, a distance of 205.31 feet to a 1/2" iron rod with yellow cap stamped "DAA" found for the southwest corner of Lot 31;

THENCE S 80° 21' 14" E, with the south line of said Lot 31, a distance of 134.69 feet to a 1/2" iron rod with yellow cap stamped "DAA" found in the west line of Adleigh Road, a 50' right-of-way, for the southeast corner of said Lot 31, and being at the beginning of a non-tangent curve to the right having a central angle of 08° 59' 43", a radius of 375.00 feet and a chord bearing and distance of S 44° 55' 16" W, 58.81 feet;

THENCE With the west line of said Adleigh Road, the following courses and distances:

With said curve to the right, an arc distance of 58.87 feet to a 1/2" iron rod with yellow cap stamped "DAA" found at the beginning of a compound curve to the right having a central angle of 44° 21' 32", a radius of 125.00 feet and a chord bearing and distance of S 71° 35' 54" W, 94.38 feet;

With said curve to the right, an arc distance of 96.78 feet to a 1/2" iron rod with yellow cap stamped "DAA" found;

THENCE S 03° 46' 40" W, a distance of 50.00 feet to a 1/2" iron rod with yellow cap stamped "DAA" found in the south line of said Adleigh Road;

THENCE S 86° 48' 03" E, with said south line, a distance of 3.53 feet to a 1/2" iron rod with yellow cap stamped "DAA" found at the north end of a corner clip;

THENCE S 50° 17' 38" E, with said corner clip, a distance of 15.60 feet to a 1/2" iron rod with yellow cap stamped "DAA" found in the west line of Cambridge Crossing, a variable width right-of-way, for the south end of said corner clip, and being at the beginning of a non-tangent curve to the right having a central angle of 19° 10' 11", a radius of 560.00 feet and a chord bearing and distance of S 01° 28' 51" E, 186.49 feet;

THENCE With the west line of said Cambridge Crossing and said curve to the right, an arc distance of 187.36 feet to a 1/2" iron rod with yellow cap stamped "DAA" found in the north line of that tract of land conveyed in Deed to Collin County, Texas, according to the document of record filed in Document Number 20160930001319650, Official Public Records, Collin County, Texas, and being at the beginning of a non-tangent curve to the left having a central angle of 21° 25' 11", a radius of 4,000.00 feet and a chord bearing and distance of N 89° 39' 21" W, 1,486.68 feet;

THENCE With the north line of said Collin County, Texas tract, and said curve to the left, an arc distance of 1,495.37 feet to a 1/2" iron rod set;

THENCE S 79° 38' 04" W, continuing with the north line of said Collin County, Texas tract, a distance of 130.54 feet to a 1/2" iron rod set for the southeast corner of that tract of land described as Commercial Parcel 1 as conveyed in Deed to Tollway/Outer Loop Commercial, L.P., according to the document of record filed in Document Number 20180524000635960, Official Public Records, Collin County, Texas;

THENCE N 18° 33' 46" E, with the east line of said Commercial Parcel 1, a distance of 379.70 feet to a 1/2" iron rod set in the south line of the above mentioned Planetial, LP tract, for the northeast corner of said Commercial Parcel 1;

THENCE N 89° 24' 25" E, with the south line of said Planetial, LP tract, a distance of 325.42 feet to a 5/8" iron rod with yellow cap found for a common interior ell corner of the above mentioned Tollway/Outer Loop, L.P. tract, and the southeast corner of said Planetial, LP tract;

THENCE N 00° 35' 12" W, with the east line of said Planetial, LP tract, a distance of 576.89 feet to the **POINT OF BEGINNING**, and containing 24.562 acres of land, more or less.

APPENDIX E
PID ASSESSMENT NOTICE

AFTER RECORDING RETURN TO:

 _____]¹

NOTICE OF OBLIGATION TO PAY IMPROVEMENT DISTRICT ASSESSMENT TO
 CITY OF CELINA, TEXAS
 CONCERNING THE FOLLOWING PROPERTY

 STREET ADDRESS

LOT TYPE _____ PRINCIPAL ASSESSMENT: \$ _____

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within ***Cambridge Crossing Public Improvement District*** (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the annual service plan update for the district. More information about the assessments, including the amounts and due dates, may be obtained from the City.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

Attachment: Draft Ordinance (Cambridge Crossing Phase 3 PID – Additional Levy Ordinance)

APPENDIX F
ASSESSMENT PER UNIT, PROJECTED LEVERAGE AND PROJECTED TAX RATE
EQUIVALENTS

Appendix F

For purposes of calculating and allocating the Assessments, the Assessed Property has been classified in one of five Lot Types.

“Lot Type 1” means lots identified as such on an Assessment Roll, being lots typically with a Lot width of approximately 74 feet, as provided in the Zoning Ordinance.

“Lot Type 2” means lots identified as such on an Assessment Roll, being lots typically with a Lot width of approximately 60 feet, as provided by Zoning Ordinance.

“Lot Type 3” means lots identified as such on an Assessment Roll, being lots typically with a Lot width of approximately 50 feet, as provided by Zoning Ordinance.

“Lot Type 4” means lots identified as such on an Assessment Roll, being lots typically with a Lot width of approximately 84 feet, as provided by Zoning Ordinance.

“Lot Type 5” means lots identified as such on an Assessment Roll, being lots typically with a Lot width of approximately 40 feet, as provided by Zoning Ordinance.

A) Proposed Development

Table F-1 shows the original proposed residential Lot Types to be developed within the PID.

Table F-1
Proposed Development within the PID – Original

Description	Proposed Development	
Lot Type 1 (74 Ft)	152	Units
Lot Type 2 (60 Ft)	537	Units
Lot Type 3 (50 Ft)	839	Units
Total	1,528	Units

Table F-2 shows the 2022 revised proposed residential Lot Types to be developed within the PID.

Table F-2
Proposed Development within the PID – 2022 Revised

Description	Proposed Development	
Lot Type 1 (74 Ft)	200	Units
Lot Type 2 (60 Ft)	491	Units
Lot Type 3 (50 Ft)	634	Units
Lot Type 4 (84 Ft)	7	Units
Lot Type 5 (40 Ft)	198	Units
Total	1,530	Units

Table F-3 shows the original proposed residential Lot Types to be developed within the Phases #2-7 Major Improvement Area (including the Lots developed in Phase #2 and to be developed in Phase #3).

Table F-3
Proposed Development – Phases #2-7 Major Improvement Area - Original

Description	Proposed Development	
Lot Type 1 (74 Ft)	109	Units
Lot Type 2 (60 Ft)	415	Units
Lot Type 3 (50 Ft)	674	Units
Total	1,198	Units

Table F-4 shows the 2022 revised proposed residential Lot Types to be developed within the Phases #2-7 Major Improvement Area (including the Lots developed in Phase #2 and to be developed in Phase #3).

Table F-4
Proposed Development – Phases #2-7 Major Improvement Area – 2022 Revised

Description	Proposed Development	
Lot Type 1 (74 Ft)	157	Units
Lot Type 2 (60 Ft)	369	Units
Lot Type 3 (50 Ft)	469	Units
Lot Type 4 (84 Ft)	7	Units
Lot Type 5 (40 Ft)	198	Units
Total	1,200	Units

Table F-5 shows the residential Lot Types developed within Phase #1.

Table F-5
Development – Phase #1

Description	Development	
Lot Type 1 (74 Ft)	43	Units
Lot Type 2 (60 Ft)	122	Units
Lot Type 3 (50 Ft)	165	Units
Total	330	Units

Table F-6 shows the residential Lot Types developed within Phase #2.

Table F-6
Development – Phase #2

Description	Proposed Development	
Lot Type 1 (74 Ft)	20	Units
Lot Type 2 (60 Ft)	2	Units
Lot Type 4 (84 Ft)	7	Units
Lot Type 5 (40 Ft)	198	Units
Total	227	Units

Table F-7 shows the proposed residential Lot Types to be developed within Phase #3.

Table F-7
Proposed Development – Phase #3

Description	Proposed Development	
Lot Type 1 (74 Ft)	19	Units
Lot Type 2 (60 Ft)	133	Units
Lot Type 3 (50 Ft)	90	Units
Total	242	Units

B) Calculation of Equivalent Units

As explained under Section V.D for purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Authorized Improvements shall be allocated to the parcel of the Assessed Property receiving benefit from such Authorized Improvements by spreading the entire Assessment across the Parcels based on the estimated Equivalent Units.

For purposes of this Service and Assessment Plan, the City Council has determined that the Assessments shall be allocated to Assessed Property on the basis of the average home value of each Lot Type, and that such method of allocation will result in the imposition of equal shares of the Assessments on Parcels similarly benefited. In determining the average home value of each Lot Type, the City Council has taken into consideration (i) the type of lots (i.e., 84 Ft, 74 Ft, etc.); (ii) current and projected home prices; (iii) the costs of the Authorized Improvements, and (iv) the ability of different property types to utilize and benefit from the Authorized Improvements.

Having taken into consideration the matters described above, the City Council originally determined that allocating the Assessments among Parcels of Assessed Property based on average home value is best accomplished by creating classifications of benefited Parcels based on the “Lot Types” defined above. The original classifications (from Lot Type 1 (74 Ft Lots) representing the highest value to Lot Type 3 (50 Ft Lot) representing the lowest value for residential lots). Originally, the Assessments were allocated to each Lot Type on the basis of the average home value for each class of lots. This is accomplished by giving each Lot Type an Equivalent Unit factor. Equivalent Units are the ratio of the average value of lots within each assessment class, setting the original Equivalent Unit factor for Lot Type 1 (74 Ft Lots) to 1.0.

Table F-8 shows the original Equivalent Unit factors within the PID.

Table F-8
Equivalent Unit Factors – Original

Lot Type	Estimated Average Unit Value	Equivalent Unit Factor¹
Lot Type 1 (74 Ft)	\$592,000	1.00 per dwelling unit
Lot Type 2 (60 Ft)	\$480,000	0.81 per dwelling unit
Lot Type 3 (50 Ft)	\$400,000	0.68 per dwelling unit

¹The Equivalent Unit factors are rounded to two decimal places.

In light of changes to the development process and per request from the Developer, the Lot Type classifications described above have been updated by the City Council. These classifications (from Lot Type 4 (84 Ft Lots) representing the highest value to Lot Type 5 (40 Ft Lot) representing the lowest value for residential lots). Equivalent Units are the ratio of the average value of lots within each assessment class, setting the updated Equivalent Unit factor for Lot Type 4 (84 Ft Lots) to 1.0.

Table F-9 shows the 2022 revised Equivalent Unit factors within the PID.

Table F-9
Equivalent Unit Factors – 2022 Revised

Lot Type	Estimated Average Unit Value	Equivalent Unit Factor¹
Lot Type 1 (74 Ft)	\$730,000	0.91 per dwelling unit
Lot Type 2 (60 Ft)	\$630,000	0.79 per dwelling unit
Lot Type 3 (50 Ft)	\$570,000	0.71 per dwelling unit
Lot Type 4 (84 Ft)	\$800,000	1.00 per dwelling unit
Lot Type 5 (40 Ft)	\$475,000	0.59 per dwelling unit

¹The Equivalent Unit factors are rounded to two decimal places.

The original total estimated Equivalent Units for the Phases #2-7 Major Improvement Area are shown in Table F-10 as calculated based on the original Equivalent Unit factors shown in Table F-8, estimated Lot Types and number of units originally estimated to be built within the Phases #2-7 Major Improvement Area.

Table F-10
Estimated Equivalent Units – Phases #2-7 Major Improvement Area – Original

Lot Type	Planned No. of units	Equivalent Unit Factor	Total Equivalent Units
Lot Type 1 (74 Ft)	109	1.00	109.00
Lot Type 2 (60 Ft)	415	0.81	336.15
Lot Type 3 (50 Ft)	674	0.68	458.32
Total	1,198		903.47¹

¹The total Equivalent Units shown above were used in 2018 to allocate costs of the Phases #2-7 Major Improvement Area Projects to the Phases #2-7 Major Improvement Area Assessed Property at the time Assessments were levied on the Phases #2-7 Major Improvement Area Assessed Property.

The 2022 revised total estimated Equivalent Units for the Phases #2-7 Major Improvement Area are shown in Table F-11 as calculated based on the 2022 revised Equivalent Unit factors shown in Table F-9, estimated Lot Types and number of units estimated to be built within the Phases #2-7 Major Improvement Area.

Table F-11
Estimated Equivalent Units – Phases #2-7 Major Improvement Area – 2022 Revised

Lot Type	Planned No. of units	Equivalent Unit Factor	Total Equivalent Units
Lot Type 1 (74 Ft)	157	0.91	142.87
Lot Type 2 (60 Ft)	369	0.79	291.51
Lot Type 3 (50 Ft)	469	0.71	332.99
Lot Type 4 (84 Ft)	7	1.00	7.00
Lot Type 5 (40 Ft)	198	0.59	116.82
Total	1,200		891.19

The total estimated Equivalent Units for Phase #1 are shown in Table F-12 as calculated based on the original Equivalent Unit factors shown in Table F-8, estimated Lot Types and number of units estimated to be built within Phase #1.

Table F-12
Estimated Equivalent Units – Phase #1 – Original

Lot Type	Planned No. of units	Equivalent Unit Factor	Total Equivalent Units
Lot Type 1 (74 Ft)	43	1.00	43.00
Lot Type 2 (60 Ft)	122	0.81	98.82
Lot Type 3 (50 Ft)	165	0.68	112.20
Total	330		254.02¹

¹The total Equivalent Units shown above were used in 2018 to allocate the costs of the Phase #1 Initial Projects to Phase #1 Assessed Property at the time Assessments were levied on the Phase #1 Assessed Property.

Table F-13
Estimated Equivalent Units – Phase #1 – 2022 Revised

Lot Type	Planned No. of units	Equivalent Unit Factor	Total Equivalent Units
Lot Type 1 (74 Ft)	43	0.91	39.13
Lot Type 2 (60 Ft)	122	0.79	96.38
Lot Type 3 (50 Ft)	165	0.71	117.15
Total	330		252.66¹

¹The total Equivalent Units shown above are being used in 2023 to allocate the costs of the Additional Major Improvements to Phase #1 Assessed Property.

The total estimated Equivalent Units for Phase #2 are shown in Table F-14 as calculated based on the 2022 revised Equivalent Unit factors shown in Table F-9, estimated Lot Types and number of units estimated to be built within Phase #2.

Table F-14
Estimated Equivalent Units – Phase #2

Lot Type	Planned No. of units	Equivalent Unit Factor	Total Equivalent Units
Lot Type 1 (74 Ft)	20	0.91	18.20
Lot Type 2 (60 Ft)	2	0.79	1.58
Lot Type 4 (84 Ft)	7	1.00	7.00
Lot Type 5 (40 Ft)	198	0.59	116.82
Total	227		143.60

The total estimated Equivalent Units for Phase #3 are shown in Table F-15 as calculated based on the 2022 revised Equivalent Unit factors shown in Table F-9, estimated Lot Types and number of units estimated to be built within Phase #3.

Table F-15
Estimated Equivalent Units – Phase #3

Lot Type	Planned No. of units	Equivalent Unit Factor	Total Equivalent Units
Lot Type 1 (74 Ft)	19	0.91	17.29
Lot Type 2 (60 Ft)	133	0.79	105.07
Lot Type 3 (50 Ft)	90	0.71	63.90
Total	242		186.26

C) Original Allocation of Assessments to Lots within Phases #2-7 Major Improvement Area

As shown in Table F-16 the total amount of the Phases #2-7 Major Improvement Area Bonds, which represents the total Assessment to be allocated on all Parcels within the Phases #2-7 Major Improvement Area, is \$13,795,000. As shown in Table F-10, there were a total of 1,198 residential units representing a total of 903.47 originally estimated Equivalent Units at the time the assessment was levied against such property for the residential development in the Phases #2-7 Major Improvement Area, resulting in an original Assessment per Equivalent Unit of \$15,268.91.

The original Assessment per dwelling unit was calculated as the product of (i) \$15,268.91 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, the original Assessment for a Lot Type 1 (74 Ft Lot) dwelling unit was \$15,268.91 (i.e. \$15,268.91 × 1.00). The original Assessment for a Lot Type 2 (60 Ft Lot) dwelling unit was \$12,367.82 (i.e. \$15,268.91 × 0.81). The original Assessment for a Lot Type 3 (50 Ft Lot) dwelling unit was \$10,382.86 (i.e. \$15,268.91 × 0.68). Table F-16 sets forth the original Assessment per dwelling unit for each of the original three Lot Types in the Phases #2-7 Major Improvement Area.

Table F-16
Original Assessment Per Unit – Phases #2-7 Major Improvement Area

Type	Planned No. of Units	Assessment per Equivalent Unit	Equivalent Unit Factor	Assessment Per Unit	Total Assessments
Lot Type 1 (74 Ft)	109	\$15,268.91	1.00	\$15,268.91 per dwelling unit	\$1,664,311
Lot Type 2 (60 Ft)	415	\$15,268.91	0.81	\$12,367.82 per dwelling unit	\$5,132,643
Lot Type 3 (50 Ft)	674	\$15,268.91	0.68	\$10,382.86 per dwelling unit	\$6,998,046
Total	1,198				\$13,795,000

The original projected leverage calculated based on the estimated finished lot values and home values for each Lot Type is shown in Table F-17.

Table F-17
Original Projected Leverage – Phases #2-7 Major Improvement Area

Description	Planned No. of Units	Estimated Finished Lot Value Per Unit	Projected Home Value Per Unit	Assessment Per Unit ¹	Leverage (Lot Value)	Leverage (Home Value)
Lot Type 1 (74 Ft)	109	\$114,700	\$592,000	\$15,268.91	7.51	38.77
Lot Type 2 (60 Ft)	415	\$93,000	\$480,000	\$12,367.82	7.52	38.81
Lot Type 3 (50 Ft)	674	\$77,500	\$400,000	\$10,382.86	7.46	38.53

The original projected tax rate equivalent per unit calculated based on the estimated finished lot values and home values for each Lot Type is shown in Table F-18.

Table F-18
Original Estimated Tax Rate Equivalent Per Unit – Phases #2-7 Major Improvement Area

Description	Planned No. of Units	Estimated Finished Lot Value Per Unit	Projected Home Value Per Unit	Projected Average Annual Installment Per Unit	Tax Rate Equivalent (per \$100 Lot Value) ¹	Tax Rate Equivalent (per \$100 Home Value)
Lot Type 1 (74 Ft)	109	\$114,700	\$592,000	\$1,194.14	\$1.0411	\$0.2017
Lot Type 2 (60 Ft)	415	\$93,000	\$480,000	\$967.25	\$1.0401	\$0.2015
Lot Type 3 (50 Ft)	674	\$77,500	\$400,000	\$812.01	\$1.0478	\$0.2030

D) 2022 Revised Allocation of Assessments to Lots within Phases #2-7 Major Improvement Area

As shown in Table F-19 the total amount of the Phases #2-7 Major Improvement Area Bonds, which represents the total Assessment allocated on all Parcels within the Phases #2-7 Major Improvement Area, is \$13,795,000. As shown in Table F-11, there is now anticipated to be a total of 1,200 residential units representing a 2022 revised total of 891.19 estimated Equivalent Units for the residential development in the Phases #2-7 Major Improvement Area, resulting in a 2022 revised Assessment per Equivalent Unit of \$15,479.30.

The 2022 revised Assessment per dwelling unit was calculated as the product of (i) \$15,479.301 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, the revised Assessment for a Lot Type 1 (74 Ft Lot) dwelling unit is \$14,086.17 (i.e. \$15,479.30 × 0.91). The 2022 revised Assessment for a Lot Type 2 (60 Ft Lot) dwelling unit is \$12,228.65 (i.e. \$15,479.30 × 0.79). The 2022 revised Assessment for a Lot Type 3 (50 Ft Lot) dwelling unit is \$10,990.31 (i.e. \$15,479.30 × 0.71). The 2022 revised Assessment for a Lot Type 4 (84 Ft Lot) dwelling unit is \$15,479.30 (i.e. \$15,479.30 × 1.00). The 2022 revised Assessment for a Lot Type 5 (40 Ft Lot) dwelling unit is \$9,132.79 (i.e. \$15,479.30 × 0.59). Table F-19 sets forth the 2022 revised Assessment per dwelling unit for each of the five Lot Types in Phases #2-7 Major Improvement Area.

Table F-19
2022 Revised Assessment Per Unit – Phases #2-7 Major Improvement Area

Type	Planned No. of Units	Assessment Per Equivalent Unit	Equivalent Unit Factor	Assessment Per Unit		Total Assessments
Lot Type 1 (74 Ft)	157	\$15,479.30	0.91	\$14,086.17	per dwelling unit	\$2,211,528
Lot Type 2 (60 Ft)	369	\$15,479.30	0.79	\$12,228.65	per dwelling unit	\$4,512,372
Lot Type 3 (50 Ft)	469	\$15,479.30	0.71	\$10,990.31	per dwelling unit	\$5,154,453
Lot Type 4 (84 Ft)	7	\$15,479.30	1.00	\$15,479.30	per dwelling unit	\$108,355
Lot Type 5 (40 Ft)	198	\$15,479.30	0.59	\$9,132.79	per dwelling unit	\$1,808,292
Total	1,200					\$13,795,000

The 2022 revised projected leverage calculated based on the estimated finished lot values and home values for each Lot Type is shown in Table F-20.

Table F-20
2022 Revised Projected Leverage – Phases #2-7 Major Improvement Area

Description	Planned No. of Units	Estimated Finished Lot Value Per Unit	Projected Home Value Per Unit	Assessment Per Unit ¹	Leverage (Lot Value)	Leverage (Home Value)
Lot Type 1 (74 Ft)	157	\$118,400	\$730,000	\$14,086.17	8.41	51.82
Lot Type 2 (60 Ft)	369	\$96,000	\$630,000	\$12,228.65	7.85	51.52
Lot Type 3 (50 Ft)	469	\$80,000	\$570,000	\$10,990.31	7.28	51.86
Lot Type 4 (84 Ft)	7	\$134,400	\$800,000	\$15,479.30	8.68	51.68
Lot Type 5 (40 Ft)	198	\$65,000	\$475,000	\$9,132.79	7.12	52.01

The 2022 revised projected tax rate equivalent per unit calculated based on the estimated finished lot values and home values for each Lot Type is shown in Table F-21.

Table F-21
Revised Estimated Tax Rate Equivalent Per Unit – Phases #2-7 Major Improvement Area

Description	Planned No. of Units	Estimated Finished Lot Value Per Unit	Projected Home Value Per Unit	Projected Average Annual Installment Per Unit	Tax Rate Equivalent (per \$100 Lot Value)	Tax Rate Equivalent (per \$100 Home Value)
Lot Type 1 (74 Ft)	157	\$118,400	\$730,000	\$1,101.64	\$0.9304	\$0.1509
Lot Type 2 (60 Ft)	369	\$96,000	\$630,000	\$956.37	\$0.9962	\$0.1518
Lot Type 3 (50 Ft)	469	\$80,000	\$570,000	\$859.52	\$1.0744	\$0.1508
Lot Type 4 (84 Ft)	7	\$134,400	\$800,000	\$1,210.59	\$0.9007	\$0.1513
Lot Type 5 (40 Ft)	198	\$65,000	\$475,000	\$714.25	\$1.0988	\$0.1504

E) Original Allocation of Assessments to Lots within Phase #1

As shown in Table F-22, the total amount of the Phase #1 Bonds, which represents the total Assessment allocated on all Parcels within Phase #1, is \$9,555,000. As shown in Table F-12, there are a total of 330 residential units representing a total of 254.02 estimated original Equivalent Units at the time the assessment was levied against such property for the residential development in Phase #1, resulting in an original Assessment per Equivalent Unit of \$37,615.15.

The original Assessment per dwelling unit is calculated as the product of (i) \$37,615.15 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, the original Assessment for a Lot Type 1 (74 Ft Lot) dwelling unit is \$37,615.15 (i.e. $\$37,615.15 \times 1.00$). The original Assessment for a Lot Type 2 (60 Ft Lot) dwelling unit is \$30,468.27 (i.e. $\$37,615.15 \times 0.81$). The original Assessment for a Lot Type 3 (50 Ft Lot) dwelling unit is \$25,578.30 (i.e. $\$37,615.15 \times 0.68$). Table F-22 sets forth the original Assessment per dwelling unit for each of the three Lot Types in Phase #1.

Table F-22
Original Assessment Per Unit – Phase #1 Initial Projects

Type	Planned No. of Units	Assessment per Equivalent Unit	Equivalent Unit Factor	Assessment Per Unit	Total Assessments
Lot Type 1 (74 Ft)	43	\$37,615.15	1.00	\$37,615.15 per dwelling unit	\$1,617,451
Lot Type 2 (60 Ft)	122	\$37,615.15	0.81	\$30,468.27 per dwelling unit	\$3,717,129
Lot Type 3 (50 Ft)	165	\$37,615.15	0.68	\$25,578.30 per dwelling unit	\$4,220,420
Total	330				\$9,555,000

The original projected leverage calculated based on the estimated finished lot values and home values for each Lot Type is shown in Table F-23.

Table F-23
Original Projected Leverage – Phase #1 Initial Projects

Description	Planned No. of Units	Estimated Finished Lot Value Per Unit	Projected Home Value Per Unit	Assessment Per Unit ¹	Leverage (Lot Value)	Leverage (Home Value)
Lot Type 1 (74 Ft)	43	\$114,700	\$592,000	\$37,615.15	3.05	15.74
Lot Type 2 (60 Ft)	122	\$93,000	\$480,000	\$30,468.27	3.05	15.75
Lot Type 3 (50 Ft)	165	\$77,500	\$400,000	\$25,578.30	3.03	15.64

The original projected tax rate equivalent per unit calculated based on the estimated finished lot values and home values for each Lot Type is shown in Table F-24.

Table F-24
Original Estimated Tax Rate Equivalent Per Unit – Phase #1 Initial Projects

Description	Planned No. of Units	Estimated Finished Lot Value Per Unit	Projected Home Value Per Unit	Projected Average Annual Installment Per Unit	Tax Rate Equivalent (per \$100 Lot Value) ¹	Tax Rate Equivalent (per \$100 Home Value) ¹
Lot Type 1 (74 Ft)	43	\$114,700	\$592,000	\$2,928.53	\$2.5532	\$0.4947
Lot Type 2 (60 Ft)	122	\$93,000	\$480,000	\$2,372.11	\$2.5507	\$0.4942
Lot Type 3 (50 Ft)	165	\$77,500	\$400,000	\$1,991.40	\$2.5696	\$0.4979

As shown in Table F-9, the Lot Type classifications have been updated by the City Council, and subsequently the estimated finished Lot values and home values have been updated. The updated projected leverage calculated based on the estimated finished Lot values and home values for each Lot Type is shown in Table F-25.

Table F-25
Updated Projected Leverage – Phase #1 Initial Projects

Description	Planned No. of Units	Estimated Finished Lot Value Per Unit	Projected Home Value Per Unit	Assessment Per Unit	Leverage (Lot Value)	Leverage (Home Value)
Lot Type 1 (74 Ft)	43	\$118,400	\$730,000	\$37,615.15	3.15	19.41
Lot Type 2 (60 Ft)	122	\$96,000	\$630,000	\$30,468.27	3.15	20.68
Lot Type 3 (50 Ft)	165	\$80,000	\$570,000	\$25,578.30	3.13	22.28

As shown in Table F-9, the Lot Type classifications have been updated by the City Council, and subsequently the estimated finished Lot values and home values have been updated. The updated projected tax rate equivalent per unit calculated based on the estimated finished lot values and home values for each Lot Type is shown in Table F-26.

Table F-26
Updated Estimated Tax Rate Equivalent Per Unit – Phase #1 Initial Projects

Description	Planned No. of Units	Estimated Finished Lot Value Per Unit	Projected Home Value Per Unit	Projected Average Annual Installment Per Unit	Tax Rate Equivalent (per \$100 Lot Value)	Tax Rate Equivalent (per \$100 Home Value) ¹
Lot Type 1 (74 Ft)	43	\$118,400	\$730,000	\$2,928.53	\$2.4734	\$0.4012
Lot Type 2 (60 Ft)	122	\$96,000	\$630,000	\$2,372.11	\$2.4710	\$0.3765
Lot Type 3 (50 Ft)	165	\$80,000	\$570,000	\$1,991.40	\$2.4893	\$0.3494

F) Allocation of Assessments to Lots within Phase #2

As shown in Table F-27 the total amount of the obligation due under the Reimbursement Agreement related to the Phase #2 Improvements, which represents the total Assessment allocated on the Phase #2 Assessed Property, is \$5,938,154. As shown in Table F-14, there are anticipated to be a total of 227 residential units representing a total of 143.60 estimated Equivalent Units for the residential development in Phase #2, resulting in an Assessment per Equivalent Unit of \$41,352.05.

The Assessment per dwelling unit is calculated as the product of (i) \$41,352.05 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, the Assessment for a Lot Type 1 (74 Ft Lot) dwelling unit is \$37,630.36 (i.e. $\$41,352.05 \times 0.91$). The Assessment for a Lot Type 2 (60 Ft Lot) dwelling unit is \$32,668.12 (i.e. $\$41,352.05 \times 0.79$). The Assessment for a Lot Type 4 (84 Ft Lot) dwelling unit is \$41,352.05 (i.e. $\$41,352.05 \times 1.00$). The Assessment for a Lot Type 5 (40 Ft Lot) dwelling unit is \$24,397.71 (i.e. $\$41,352.05 \times 0.59$). Table F-27 sets forth the Assessment per dwelling unit for each of the four Lot Types in Phase #2.

Table F-27
Assessment Per Unit – Phase #2 Improvements

Type	Planned No. of Units	Assessment per Equivalent Unit	Equivalent Unit Factor	Assessment Per Unit	Total Assessments
Lot Type 1 (74 Ft)	20	\$41,352.05	0.91	\$37,630.36 per dwelling unit	\$752,607
Lot Type 2 (60 Ft)	2	\$41,352.05	0.79	\$32,668.12 per dwelling unit	\$65,336
Lot Type 4 (84 Ft)	7	\$41,352.05	1.00	\$41,352.05 per dwelling unit	\$289,464
Lot Type 5 (40 Ft)	198	\$41,352.05	0.59	\$24,397.71 per dwelling unit	\$4,830,746
Total	227				\$5,938,154

The projected leverage calculated based on the estimated finished lot values and home values for each Lot Type is shown in Table F-28.

Table F-28
Projected Leverage – Phase #2 Improvements

Description	Planned No. of Units	Estimated Finished Lot Value Per Unit	Projected Home Value Per Unit	Assessment Per Unit	Leverage (Lot Value)	Leverage (Home Value)
Lot Type 1 (74 Ft)	20	\$118,400	\$730,000	\$37,630.36	3.15	19.40
Lot Type 2 (60 Ft)	2	\$96,000	\$630,000	\$32,668.12	2.94	19.28
Lot Type 4 (84 Ft)	7	\$134,400	\$800,000	\$41,352.05	3.25	19.35
Lot Type 5 (40 Ft)	198	\$65,000	\$475,000	\$24,397.71	2.66	19.47

The projected tax rate equivalent per unit calculated based on the estimated finished lot values and home values for each Lot Type is shown in Table F-29.

Table F-29
Estimated Tax Rate Equivalent Per Unit – Phase #2 Improvements

Description	Planned No. of Units	Estimated Finished Lot Value Per Unit	Projected Home Value Per Unit	Projected Average Annual Installment Per Unit	Tax Rate Equivalent (per \$100 Lot Value) ¹	Tax Rate Equivalent (per \$100 Home Value)
Lot Type 1 (74 Ft)	20	\$118,400	\$730,000	\$3,204.44	\$2.706	\$0.439
Lot Type 2 (60 Ft)	2	\$96,000	\$630,000	\$2,781.87	\$2.898	\$0.442
Lot Type 4 (84 Ft)	7	\$134,400	\$800,000	\$3,521.36	\$2.620	\$0.440
Lot Type 5 (40 Ft)	198	\$65,000	\$475,000	\$2,077.60	\$3.196	\$0.437

The Phases #2-7 Major Improvement Area Assessments allocated to Phase #2 are shown in Table F-30.

Table F-30
Assessment Per Unit – Phase #2's share of Phases #2-7 Major Improvement Area Assessments

Description	Planned No. of Units	Assessment per Equivalent Unit ¹	Equivalent Unit Factor	Assessment Per Unit	Total Assessments
Lot Type 1 (74 Ft)	20	\$15,479.30	0.91	\$14,086.17 per dwelling unit	\$281,723
Lot Type 2 (60 Ft)	2	\$15,479.30	0.79	\$12,228.65 per dwelling unit	\$24,457
Lot Type 4 (84 Ft)	7	\$15,479.30	1.00	\$15,479.30 per dwelling unit	\$108,355
Lot Type 5 (40 Ft)	198	\$15,479.30	0.59	\$9,132.79 per dwelling unit	\$1,808,292
Total	227				\$2,222,828

¹See Table F-19.

The combined Phase #2 Assessments (for the Phase #2 Improvements) and the Phases #2-7 Major Improvement Area Assessments allocated to Phase #2 are shown in Table F-31.

Table F-31
Combined Assessment Per Unit – Phases #2 Initial Projects

Description	Planned No. of Units	Phase #2 Improvements Assessment Per Unit ¹	Phase #2's share of Phases #2-7 Major Improvement Area Assessment Per Unit ²	Phase #2 Projects Assessment Per Unit	Phase #2 Projects Total Assessments
Lot Type 1 (74 Ft)	20	\$37,630.36	\$14,086.17	\$51,716.53	\$1,034,331
Lot Type 2 (60 Ft)	2	\$32,668.12	\$12,228.65	\$44,896.77	\$89,794
Lot Type 4 (84 Ft)	7	\$41,352.05	\$15,479.30	\$56,831.35	\$397,819
Lot Type 5 (40 Ft)	198	\$24,397.71	\$9,132.79	\$33,530.50	\$6,639,038
Total	227				\$8,160,982

¹See Table F-27.

The combined projected leverage for the Phase #2 Assessments (for the Phase #2 Improvements) and the Phases #2-7 Major Improvement Area Assessments allocated to Phase #2 are shown in Table F-32.

Table F-32
Combined Projected Leverage – Phase #2 Initial Projects

Description	Planned No. of Units	Estimated Finished Lot Value per unit	Projected Home Value per unit	Phase #2 Projects Assessment per Unit	Leverage (Lot Value)	Leverage (Home Value)
Lot Type 1 (74 Ft)	20	\$118,400	\$730,000	\$51,716.53	2.29	14.12
Lot Type 2 (60 Ft)	2	\$96,000	\$630,000	\$44,896.77	2.14	14.03
Lot Type 4 (84 Ft)	7	\$134,400	\$800,000	\$56,831.35	2.36	14.08
Lot Type 5 (40 Ft)	198	\$65,000	\$475,000	\$33,530.50	1.94	14.17

The combined projected tax rate equivalent for the Phase #2 Assessments (for the Phase #2 Improvements) and the Phases #2-7 Major Improvement Area Assessments allocated to Phase #2 are shown in Table F-33.

Table F-33 Projects
Combined Estimated Tax Rate Equivalent Per Unit – Phase #2 Initial Projects

Description	Planned No. of Units	Estimated Finished Lot Value Per Unit	Projected Home Value Per Unit	Projected Average Annual Installment Per Unit	Tax Rate Equivalent (per \$100 Lot Value)	Tax Rate Equivalent (per \$100 Home Value)
Lot Type 1 (74 Ft)	20	\$118,400	\$730,000	\$4,306.08	\$3.637	\$0.590
Lot Type 2 (60 Ft)	2	\$96,000	\$630,000	\$3,738.24	\$3.894	\$0.593
Lot Type 4 (84 Ft)	7	\$134,400	\$800,000	\$4,731.95	\$3.521	\$0.591
Lot Type 5 (40 Ft)	198	\$65,000	\$475,000	\$2,791.85	\$4.295	\$0.588

G) Allocation of Assessments to Lots within Phase #3

As shown in Table F-34 the total amount of (i) the obligation due under the Reimbursement Agreement related to the Phase #3 Improvements and (ii) the obligation due under the Reimbursement Agreement related to Phase #3 Additional Projects, which represents the total Assessment to be allocated on the Phase #3 Assessed Property, is \$7,708,239. As shown in Table F-15, there are anticipated to be a total of 242 residential units representing a total of 186.26 estimated Equivalent Units for the residential development in Phase #3, resulting in an Assessment per Equivalent Unit of \$41,384.30.

The Assessment per dwelling unit is calculated as the product of (i) \$41,384.30 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, the Assessment for a Lot Type 1 (74 Ft Lot) dwelling unit is \$37,659.71 (i.e. $\$41,384.30 \times 0.91$). The Assessment for a Lot

Type 2 (60 Ft Lot) dwelling unit is \$32,693.60 (i.e. \$41,384.30 × 0.79). The Assessment for a Lot Type 3 (50 Ft Lot) dwelling unit is \$29,382.85 (i.e. \$41,384.30 × 0.71). Table F-34 sets forth the Assessment per dwelling unit for each of the three Lot Types in Phase #3.

Table F-34
Assessment Per Unit –Phase #3 Improvements and Phase #3 Additional Projects

Type	Planned No. of Units	Assessment per Equivalent Unit	Equivalent Unit Factor	Assessment per unit	Total Assessments
Lot Type 1 (74 Ft)	19	\$41,384.30	0.91	\$37,659.71 per dwelling unit	\$715,535
Lot Type 2 (60 Ft)	133	\$41,384.30	0.79	\$32,693.60 per dwelling unit	\$4,348,248
Lot Type 3 (50 Ft)	90	\$41,384.30	0.71	\$29,382.85 per dwelling unit	\$2,644,457
Total	242				\$7,708,239

The projected leverage calculated based on the estimated finished lot values and home values for each Lot Type is shown in Table F-35.

Table F-35
Projected Leverage –Phase #3 Improvements and Phase #3 Additional Projects

Description	Planned No. of Units	Estimated Finished Lot Value Per Unit	Projected Home Value Per Unit	Assessment Per Unit	Leverage (Lot Value)	Leverage (Home Value)
Lot Type 1 (74 Ft)	19	\$118,400	\$730,000	\$37,659.71	3.14	19.38
Lot Type 2 (60 Ft)	133	\$96,000	\$630,000	\$32,693.60	2.94	19.27
Lot Type 3 (50 Ft)	90	\$80,000	\$570,000	\$29,382.85	2.72	19.40

The projected tax rate equivalent per unit calculated based on the estimated finished lot values and home values for each Lot Type is shown in Table F-36.

Table F-36
Estimated Tax Rate Equivalent Per Unit – Phase #3 Improvements and Phase #3 Additional Projects

Description	Planned No. of Units	Estimated Finished Lot Value Per Unit	Projected Home Value Per Unit	Projected Average Annual Installment Per Unit	Tax Rate Equivalent (per \$100 Lot Value)	Tax Rate Equivalent (per \$100 Home Value)
Lot Type 1 (74 Ft)	19	\$118,400	\$730,000	\$3,133.86	\$2.647	\$0.429
Lot Type 2 (60 Ft)	133	\$96,000	\$630,000	\$2,720.60	\$2.834	\$0.432
Lot Type 3 (50 Ft)	90	\$80,000	\$570,000	\$2,445.10	\$3.056	\$0.429

The Phases #2-7 Major Improvement Area Assessments allocated to Phase #3 are shown in Table F-37.

Table F-37
Assessment Per Unit – Phase #3's share of Phases #2-7 Major Improvement Area Assessments

Description	Planned No. of Units	Assessment per Equivalent Unit ¹	Equivalent Unit Factor	Assessment Per Unit	Total Assessments
Lot Type 1 (74 Ft)	19	\$15,479.30	0.91	\$14,086.17 per dwelling unit	\$267,637
Lot Type 2 (60 Ft)	133	\$15,479.30	0.79	\$12,228.65 per dwelling unit	\$1,626,410
Lot Type 3 (50 Ft)	90	\$15,479.30	0.71	\$10,990.31 per dwelling unit	\$989,127
Total	242				\$2,883,175

¹The 9/1/XX dates represent the assessment year (bond year) end for the Bonds.

²Represents the principal and interest on the Phases #2-7 Major Improvement Area Bonds. Interest is calculated using an interest rate of 4.375% in years 1 through 5 (2019-2023), 5.00% in years 6 through 10 (2024 through 2028), 5.50% in years 11 through 20 (2029-2038) and 5.625% in years 21 through 30 (2039-2048).

³Administrative Expenses are estimated and will be updated each year in the Annual Service Plan Updates. Assumes a 2% increase per year.

City of Celina, Texas

Memorandum

To: **Honorable Mayor Terry and the Celina City Council**
From: Jonathan Pollard, Senior Planner
CC: Jason Laumer, City Manager
Date: February 14, 2023
Re: Cambridge Crossing Phase 3 PID - Improvement Levy Ordinance

Action Requested:

The Celina City Council will conduct a public hearing to consider testimony and act upon an ordinance accepting and approving a final Cambridge Crossing Public Improvement District Service and Assessment Plan, including the Phase #3 Assessment Roll – Phase #3 Improvements; making a finding of special benefit to property within Phase #3 of the Cambridge Crossing Public Improvement District; levying special assessments against such property and establishing a lien on such property; providing for the method of assessment and the payment of the assessments levied against the Phase #3 assessed property, in accordance with Chapter 372 of the Texas Local Government Code, as amended. (Cambridge Crossing Phase 3 PID – Improvement Levy Ordinance) (Pollard)

RECOMMENDATION

- Staff recommends approval as presented

ORDINANCE NO. 2023-__

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS ACCEPTING AND APPROVING A SERVICE AND ASSESSMENT PLAN AND PHASE #3 ASSESSMENT ROLL – PHASE #3 IMPROVEMENTS FOR THE CAMBRIDGE CROSSING PUBLIC IMPROVEMENT DISTRICT; MAKING A FINDING OF SPECIAL BENEFIT TO THE PROPERTY WITHIN PHASE #3 OF THE DISTRICT; LEVYING SPECIAL ASSESSMENTS AGAINST PROPERTY WITHIN PHASE #3 OF THE DISTRICT AND ESTABLISHING A LIEN ON SUCH PROPERTY; PROVIDING FOR THE METHOD OF ASSESSMENT AND THE PAYMENT OF THE ASSESSMENTS IN ACCORDANCE WITH CHAPTER 372, TEXAS LOCAL GOVERNMENT CODE, AS AMENDED; PROVIDING PENALTIES AND INTEREST ON DELINQUENT ASSESSMENTS; PROVIDING FOR SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, on January 3, 2017, a petition was submitted and filed with the City Secretary (the “City Secretary”) of the City of Celina, Texas (the “City”) pursuant to the Public Improvement District Assessment Act, Chapter 372, Texas Local Government Code, as amended (the “PID Act”), requesting the creation of a public improvement district in the extraterritorial jurisdiction of the City; and

WHEREAS, the petition contained the signatures of the owners of taxable property representing more than fifty percent of the appraised value of taxable real property liable for assessment within the District, as determined by the then current ad valorem tax rolls of Collin Central Appraisal District and the signatures of the property owners who own taxable real property that constitutes more than fifty percent of the area of all taxable property within the District that is liable for assessment; and

WHEREAS, on February 28, 2017, after due notice, the City Council of the City (the “City Council”) held a public hearing in the manner required by law on the advisability of the public improvements and services described in the petition as required by Section 372.009 of the PID Act and made the findings required by Section 372.009(b) of the PID Act and, by Resolution No. 2017-10R (the “Authorization Resolution”) adopted by a majority of the members of the City Council, authorized and created the Cambridge Crossing Public Improvement District (the “District”) in accordance with its finding as to the advisability of the Authorized Improvements; and

WHEREAS, the City published the Authorization Resolution as required by law; and

WHEREAS, no written protests regarding the creation of the District from any owners of record of property within the District were filed with the City Secretary; and

WHEREAS, all of the property within the District is now within the corporate boundaries of the City; and

WHEREAS, on January 10, 2023, the City Council adopted a resolution approving a preliminary service and assessment plan, including a proposed assessment roll for Phase #3 of the District related to the Phase #3 Improvements (as defined herein); calling for a public hearing

to consider an ordinance levying assessments on property within Phase #3 of the District (the “Assessments”); authorizing and directing the City Secretary of the City to file the proposed assessment roll for Phase #3 of the District related to the Phase #3 Improvements and make such assessment roll available for public inspection; authorizing and directing the publication of notice of a public hearing to consider the levying of the Assessments against the property within Phase #3 of the District related to the Phase #3 Improvements (the “Levy and Assessment Hearing”); authorizing and directing the mailing of notice of the Levy and Assessment Hearing to owners of property liable for assessment; and directing related action; and

WHEREAS, on January 11, 2023, the City Secretary filed the Assessment Roll (defined below) and made the same available for public inspection; and

WHEREAS, the City Secretary, pursuant to Section 372.016(b) of the PID Act, published notice of the Levy and Assessment Hearing on January 16, 2023 in the *Celina Record*, a newspaper of general circulation in the City; and

WHEREAS, the City Secretary, pursuant to Section 372.016(c) of the PID Act, mailed the notice of the Levy and Assessment Hearing to the last known addresses of the owners of the property liable for the Assessments; and

WHEREAS, the City Council opened the Levy and Assessment Hearing on February 14, 2023, and at which all persons who appeared, or requested to appear, in person or by their attorney, were given the opportunity to contend for or contest the Assessment Roll, and the proposed Assessments, and to offer testimony pertinent to any issue presented on the amount of the Assessments, the allocation of the Actual Costs of the improvements to be undertaken for the benefit of the Phase #3 Assessed Property (as defined in the Service and Assessment Plan) (the “Phase #3 Improvements”), the purposes of the Assessments, the special benefits of the Phase #3 Improvements, and the penalties and interest on annual installments and on delinquent annual installments of the Assessments; and

WHEREAS, the City Council finds and determines that the Assessment Roll and the Cambridge Crossing Public Improvement District Service and Assessment Plan, dated February 14, 2023, in a form substantially similar to the attached **Exhibit A** (as updated, the “Service and Assessment Plan”), and which is incorporated herein for all purposes, should be approved and that the Assessments should be levied as provided in this Ordinance and the Service and Assessment Plan and the assessment roll attached thereto as Appendix J-1 (the “Assessment Roll”); and

WHEREAS, the City Council further finds that there were no objections or evidence submitted to the City Secretary in opposition to the Service and Assessment Plan, the allocation of the Actual Costs of the Phase #3 Improvements (as described in the Service and Assessment Plan), the Assessment Roll, or the levy of the Assessments against the Phase #3 Assessed Property; and

WHEREAS, the owners (the “Landowners”), or their representatives, of the majority of the privately-owned and taxable property located within Phase #3 of the District, who are the persons

to be assessed pursuant to this Ordinance, have indicated their approval and acceptance of the Service and Assessment Plan, approval of the Assessment Roll, approval of this Ordinance, and approval of the levy of the Assessments against their property located within the District; and

WHEREAS, the City Council closed the hearing, and, after considering all written and documentary evidence presented at the hearing, including all written comments and statements filed with the City, determined to proceed with the adoption of this Ordinance in conformity with the requirements of the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS:

Section 1. Terms.

Terms not otherwise defined herein are defined in the Service and Assessment Plan.

Section 2. Findings.

The findings and determinations set forth in the preambles hereof are hereby incorporated by reference and made a part of this Ordinance for all purposes as if the same were restated in full in this Section. The City Council hereby finds, determines, and ordains, as follows:

(a) The apportionment of the Actual Costs of the Phase #3 Improvements (as reflected in the Service and Assessment Plan), and the Administrative Expenses (as defined in and as described by the Service and Assessment Plan) is fair and reasonable, reflects an accurate presentation of the special benefit each assessed parcel of Phase #3 Assessed Property will receive from the construction of the Phase #3 Improvements identified in the Service and Assessment Plan, and is hereby approved;

(b) The Service and Assessment Plan (i) covers a period of at least five years, (ii) defines the annual indebtedness and projected costs for the Phase #3 Improvements, and (iii) includes a copy of the notice form required by Section 5.014 of the Texas Property Code, as amended;

(c) The Service and Assessment Plan apportions the Actual Costs of the Phase #3 Improvements to be assessed against the Phase #3 Assessed Property as Assessments and such apportionment is made on the basis of special benefits accruing to the property because of the Phase #3 Improvements;

(d) All of the real property in Phase #3 of the District which is being assessed in the amounts shown in the Assessment Roll will be benefited by the Phase #3 Improvements proposed to be constructed as described in the Service and Assessment Plan, and each assessed parcel of Phase #3 Assessed Property will receive special benefits during the term of the Assessments equal to or greater than the total amount assessed;

(e) The method of apportionment of the Actual Costs of the Phase #3 Improvements and Administrative Expenses set forth in the Service and Assessment Plan

results in imposing equal shares of the Actual Costs of the Phase #3 Improvements and Administrative Expenses on property similarly benefited, and results in a reasonable classification and formula for the apportionment of the Actual Costs;

(f) The Service and Assessment Plan should be approved as the service plan and assessment plan for the District as described in Sections 372.013 and 372.014 of the PID Act;

(g) The Assessment Roll should be approved as the assessment roll related to the Phase #3 Improvements for the Phase #3 Assessed Property within the District;

(h) The provisions of the Service and Assessment Plan relating to due and delinquency dates for the Assessments, interest on Annual Installments, interest and penalties on delinquent Assessments and delinquent Annual Installments, and procedures in connection with the imposition and collection of Assessments should be approved and will expedite collection of the Assessments in a timely manner in order to provide the services and improvements needed and required for the District; and

(i) A written notice of the date, hour, place and subject of this meeting of the City Council was posted at a place convenient to the public for the time required by law preceding this meeting, as required by the Open Meetings Act, Chapter 551, Texas Government Code, as amended, and this meeting has been open to the public as required by law at all times during which this Ordinance and the subject matter hereof has been discussed, considered, and formally acted upon.

Section 3. Service and Assessment Plan.

The Service and Assessment Plan is hereby accepted and approved pursuant to Sections 372.013 and 372.014 of the PID Act as the service plan and the assessment plan for the District.

Section 4. Assessment Roll.

The Assessment Roll is hereby accepted and approved pursuant to Section 372.016 of the PID Act as the Assessment Roll related to the Phase #3 Improvements for Phase #3 of the District.

Section 5. Levy and Payment of Assessments for Actual Costs of the Phase #3 Improvements.

(a) The City Council hereby levies an assessment on each parcel of Phase #3 Assessed Property (excluding Non-Benefitted Property, as defined in the Service and Assessment Plan), as shown and described in the Service and Assessment Plan and the Assessment Roll, in the respective amounts shown on the Assessment Roll, as a special assessment on the properties set forth in the Assessment Roll.

(b) The levy of the Assessments shall be effective on the date of the adoption of this Ordinance levying Assessments and strictly in accordance with the terms of the Service and Assessment Plan and the PID Act.

(c) The collection of the Assessments shall be as described in the Service and Assessment Plan and the PID Act.

(d) Each Assessment may be paid in a lump sum at any time or may be paid in Annual Installments pursuant to the terms of the Service and Assessment Plan.

(e) Each Assessment shall bear interest at the rate or rates specified in the Service and Assessment Plan.

(f) Each Annual Installment shall be collected each year in the manner set forth in the Service and Assessment Plan.

(g) The Administrative Expenses for Assessed Property shall be calculated and collected pursuant to the terms of the Service and Assessment Plan.

Section 6. Method of Assessment.

The method of apportioning the Actual Costs of the Phase #3 Improvements and Administrative Expenses are set forth in the Service and Assessment Plan.

Section 7. Penalties and Interest on Delinquent Assessments.

Delinquent Assessments shall be subject to the penalties, interest, procedures, and foreclosure sales set forth in the Service and Assessment Plan and as allowed by law.

Section 8. Prepayments of Assessments.

As provided in Section VI of the Service and Assessment Plan, the owner of any Phase #3 Assessed Property subject to an Assessment may prepay the Assessments levied by this Ordinance.

Section 9. Lien Priority.

The City Council and the Landowners intend for the obligations, covenants and burdens on the Landowners of each parcel of Phase #3 Assessed Property, including without limitation such Landowners' obligations related to payment of the Assessments and the Annual Installments thereof, to constitute covenants that shall run with the land. The Assessments and the Annual Installments thereof which are levied hereby shall be binding upon the Landowners, as the owners of each parcel of Phase #3 Assessed Property, and their respective transferees, legal representatives, heirs, devisees, successors and assigns in the same manner and for the same period as such parties would be personally liable for the payment of ad valorem taxes under applicable law. Assessments shall have lien priority as specified in the Service and Assessment Plan and the PID Act.

Section 10. Appointment of Administrator and Collector of Assessments.

(a) Appointment of Administrator.

MuniCap, Inc., is hereby appointed and designated to initially serve, or until otherwise determined by the City Council, as the Administrator of the Service and Assessment Plan and of the Assessments levied by this Ordinance. The Administrator shall perform the duties of the Administrator described in the Service and Assessment Plan and in this Ordinance. The Administrator's fees, charges and expenses for providing such service shall constitute an Administrative Expense.

(b) Appointment of Collector.

The Collin County Tax Assessor and Collector is hereby appointed and designated as the collector of the Assessments.

Section 11. Applicability of Tax Code.

To the extent not inconsistent with this Ordinance, and not inconsistent with the PID Act or the other laws governing public improvement districts, the provisions of the Texas Tax Code shall be applicable to the imposition and collection of the Assessments by the City.

Section 12. Filing in Land Records. The City Secretary is directed to cause a copy of this Ordinance, including the Service and Assessment Plan and the Assessment Roll, to be recorded in the real property records of Collin County, not later than the seventh day after the date the City Council adopts this Ordinance approving the Service and Assessment Plan. The City Secretary is further directed to similarly file each Annual Service Plan Update (as defined in the Service and Assessment Plan) approved by the City Council not later than the seventh day after the date that the City Council approves each Annual Service Plan Update.

Section 13. Severability.

If any provision, section, subsection, sentence, clause, or phrase of this Ordinance, or the application of the same to any person or set of circumstances is for any reason held to be unconstitutional, void, or invalid, the validity of the remaining portions of this Ordinance or the application to other persons or sets of circumstances shall not be affected thereby, it being the intent of the City Council that no portion hereof, or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness, or invalidity or any other portion hereof, and all provisions of this ordinance are declared to be severable for that purpose.

Section 14. Effective Date.

This Ordinance shall take effect, and the levy of the Assessments, and the provisions and terms of the Service and Assessment Plan shall be and become effective upon passage hereof.

PASSED AND ADOPTED, this the 14th day of February, 2023.

I. PLAN DESCRIPTION AND DEFINED TERMS

A. INTRODUCTION

On February 28, 2017, the City Council of the City of Celina, Texas passed and approved Resolution No. 2017-10R approving and authorizing the creation of the Cambridge Crossing Public Improvement District (the “PID”) to finance the costs of certain public improvements for the benefit of property in the PID, all of which is located within the City of Celina.

The property in the PID is proposed to be developed in approximately seven phases, and the PID will finance public improvements for each phase as each phase is developed. Assessments will be imposed on all the property in the PID for the public improvements that benefit the entire PID and on the property in each phase for the public improvements to be provided for that phase.

Chapter 372 of the Texas Local Government Code, the “Public Improvement District Assessment Act” (as amended, the “PID Act”), governs the creation and operation of public improvement districts within the State of Texas. The Cambridge Crossing Public Improvement District Service and Assessment Plan, as updated (the “Service and Assessment Plan”) has been prepared in accordance with the PID Act and specifically Sections 372.013, 372.014, 372.015 and 372.016, as amended, which address the requirements of a service and assessment plan and the assessment roll. According to Section 372.013 of the PID Act, a service plan “must (i) cover a period of at least five years; (ii) define the annual indebtedness and the projected costs for improvements; and (iii) include a copy of the notice form required by Section 5.014, Property Code.” The service plan is described in Section IV of this Service and Assessment Plan. The copy of the notice form required by Section 5.014 of the Texas Property Code, as amended, is attached hereto as Appendix E.

Section 372.014 of the PID Act requires that “an assessment plan must be included in the annual service plan.” The assessment plan is described in Section V of this Service and Assessment Plan.

Section 372.015 of the PID Act requires that “the governing body of the municipality or county shall apportion the cost of an improvement to be assessed against property in an improvement district.” The method of assessing the costs of the Authorized Improvements and apportionment of such costs to the property in the PID is included in Section V of this Service and Assessment Plan.

Section 372.016 of the PID Act requires that “after the total cost of an improvement is determined, the governing body of the municipality or county shall prepare a proposed assessment roll. The roll must state the assessment against each parcel of land in the district, as determined by the method of assessment chosen by the municipality or county under this subchapter.” The Assessment Rolls for the PID are included as Appendix G, Appendix H, Appendix I, Appendix J-1 and Appendix J-2 of this Service and Assessment Plan. The Assessments as shown on each Assessment Roll are based on the method of assessment and apportionment of costs described in Section V of this Service and Assessment Plan.

B. DEFINITIONS

Capitalized terms used herein shall have the meanings ascribed to them as follows:

“Actual Cost(s)” means, with respect to an Authorized Improvement, the demonstrated, reasonable, allocable, and allowable costs of constructing such Authorized Improvement, as specified in a Certification for Payment that has been reviewed and approved by the City. Actual Cost may include (a) the costs for the design, planning, financing, administration, management, acquisition, installation, construction and/or implementation of such Authorized Improvement, including general contractor construction management fees, if any, (b) the costs of preparing the construction plans for such Authorized Improvement, (c) the fees paid for obtaining permits, licenses or other governmental approvals for such Authorized Improvement, (d) the costs for external professional costs associated with such Authorized Improvement, such as engineering, geotechnical, surveying, land planning, architectural landscapers, advertising, marketing and research studies, appraisals, legal, accounting and similar professional services, and property taxes (e) the costs of all labor, bonds and materials, including equipment and fixtures, incurred by contractors, builders and material men in connection with the acquisition, construction or implementation of the Authorized Improvements, (f) all related permitting, zoning and public approval expenses, architectural, engineering, legal, and consulting fees, financing charges, taxes, governmental fees and charges (including inspection fees, City permit fees, development fees), insurance premiums, and miscellaneous expenses.

Actual Costs may include general contractor’s fees in an amount up to a percentage equal to the percentage of work completed and accepted by the City or construction management fees in an amount up to five percent of the eligible Actual Costs described in a Certification for Payment. The amounts expended on legal costs, taxes, governmental fees, insurance premiums, permits, financing costs, and appraisals shall be excluded from the base upon which the general contractor and construction management fees are calculated.

“Additional Interest” means the 0.50% additional interest rate charged on Assessments (if applicable) pursuant to Section 372.018 of the PID Act.

“Additional Interest Component” means the amount collected by application of the Additional Interest.

“Additional Major Improvements” mean the Authorized Improvements described in Section III.C that benefit all Assessed Property within the PID and that are being constructed after Phase #1. Assessments have been or will be levied against property within Phase #3 and the Future Phases only to pay for the Actual Costs of the Additional Major Improvements allocable to Phase #3 and the Future Phases, respectively. The Actual Costs of the Additional Major Improvements allocable to Phase #1 and Phase #2 will be paid by the Developer without reimbursement.

“Administrative Expenses” mean the administrative, organization, maintenance and operation costs associated with, or incidental to, the administration, organization, maintenance and operation of the PID, including, but not limited to, the costs of: (i) creating and organizing the PID, including conducting hearings, preparing notices and petitions, and all costs incident thereto, including

engineering fees, legal fees and consultant fees, (ii) the annual administrative, organization, maintenance, and operation costs and expenses associated with, or incident and allocable to, the administration, organization, maintenance, and operation of the PID and the Authorized Improvements, (iii) computing, levying, billing and collecting Assessments or the Annual Installments thereof, (iv) maintaining the record of installments of the Assessments and the system of registration and transfer of the Bonds, (v) issuing, paying and redeeming the Bonds, (vi) investing or depositing of monies, (vii) complying with the PID Act and other laws applicable to the Bonds, (viii) the Trustee's reasonable fees and expenses relating to the Bonds, (ix) legal counsel, engineers, accountants, financial advisors, investment bankers or other consultants and advisors, and (x) administering the construction of the Authorized Improvements. Administrative Expenses do not include payment of the actual principal of, redemption premium, if any, and interest on the Bonds or any costs of issuance associated with the Bonds. Administrative Expenses collected and not expended for actual Administrative Expenses shall be carried forward and applied to reduce Administrative Expenses in subsequent years to avoid the over-collection of amounts to pay Administrative Expenses.

“Administrator” means the employee or designee of the City, identified in any indenture of trust relating to the Bonds or in any other agreement approved by the City Council, who shall have the responsibilities provided for herein.

“Annual Installment” means, with respect to each Parcel, each annual payment of: (i) the Assessments including interest, as shown on the Assessment Rolls attached hereto as Appendix G, Appendix H, Appendix I, Appendix J-1 and Appendix J-2 as applicable, or in an Annual Service Plan Update, and calculated as provided in Section VI of this Service and Assessment Plan, (ii) the Additional Interest described in Section V of this Service and Assessment Plan, if applicable, and (iii) the Administrative Expenses.

“Annual Service Plan Update” has the meaning set forth in the sixth paragraph of Section IV of this Service and Assessment Plan.

“Assessed Property” means the property that benefits from the Authorized Improvements to be provided by the PID on which Assessments have been imposed as shown in each Assessment Roll, as each Assessment Roll is updated each year by the Annual Service Plan Update. Assessed Property includes all Parcels within the PID other than Non-Benefited Property.

“Assessment” means an assessment levied against a Parcel imposed pursuant to an Assessment Ordinance and the provisions herein, as shown on any Assessment Roll, subject to reallocation upon the subdivision of such Parcel or reduction according to the provisions herein and the PID Act.

“Assessment Ordinance” means each Assessment Ordinance adopted by the City Council approving the Service and Assessment Plan (including amendments or supplements to the Service and Assessment Plan) and levying the Assessments against the respective Assessed Property.

“Assessment Revenues” mean the revenues actually received by or on behalf of the City from the collection of Assessments.

“Assessment Roll” means, as applicable, the Phases #2-7 Major Improvement Area Assessment Roll, the Phase #1 Assessment Roll, the Phase #2 Assessment Roll, the Phase #3 Assessment Roll - Phase #3 Improvements, the Phase #3 Assessment Roll - Phase #3 Additional Projects, or any other Assessment Roll in an amendment or supplement to this Service and Assessment Plan or in an Annual Service Plan Update.

“Authorized Improvements” mean those public improvements described in Appendix B of this Service and Assessment Plan and Section 372.003 of the PID Act, constructed and installed in accordance with this Service and Assessment Plan, and any future updates and/or amendments.

“Bonds” mean any bonds issued by the City in one or more series and secured in whole or in part by the Assessment Revenues.

“Budgeted Cost(s)” means the amounts budgeted to construct the Authorized Improvements as used in the preparation of this Service and Assessment Plan.

“Certification for Payment” means the certificate to be provided by the Developer, or his designee, to substantiate the Actual Cost of one or more Authorized Improvements.

“City” means the City of Celina, Texas.

“City Council” means the duly elected governing body of the City.

“County” means Collin County, Texas.

“Delinquent Collection Costs” mean interest, penalties and expenses incurred or imposed with respect to any delinquent installment of an Assessment in accordance with the PID Act and the costs related to pursuing collection of a delinquent Assessment and foreclosing the lien against the Assessed Property, including attorney’s fees.

“Developer” means Tollway/Outer Loop, L.P., a Texas limited partnership, and any successor owner of the property within the PID or any portion thereof with obligation to construct all or a portion of the Authorized Improvements.

“Equivalent Units” mean, as to any Parcel the number of dwelling units by lot type expected to be built on the Parcel multiplied by the factors calculated and shown in Appendix F attached hereto.

“Future Phase Improvements” means those Authorized Improvements associated with any Future Phases.

“Future Phases” means Phases to be developed after Phase #1, Phase #2, and Phase #3, as such areas are generally depicted and described in Appendix A. The Future Phases are subject to adjustment and are shown for example only.

“Homeowner Association” means a homeowner’s association or property owners’ association established for the benefit of property owners within the boundaries of the PID.

“Homeowner Association Property” means property within the boundaries of the PID that is owned by or irrevocably offered for dedication to, whether in fee simple or through an exclusive use easement, a Homeowner’s Association.

“Initial Major Improvements” mean the Authorized Improvements described in Section III.B that benefit all Assessed Property within the PID and that were constructed concurrently with Phase #1.

“Lot” means a tract of land described as a “lot” in a subdivision plat recorded in the official public records of the County.

“Lot Type” means a classification of final building lots with similar characteristics (e.g. commercial, light industrial, multifamily residential, single family residential, etc.), as determined by the Administrator and confirmed by the City Council as shown in Appendix F. In the case of single family residential lots, the Lot Type shall be further defined by classifying the residential lots by the estimated average home value for each home at the time of assessment levy, considering factors such as density, lot size, proximity to amenities, view premiums, location, and any other factors that may impact the average home value on the lot, as determined by the Administrator and confirmed by the City Council.

“Major Improvements” mean the Initial Major Improvements and the Additional Major Improvements.

“Non-Benefited Property” means Parcels that accrue no special benefit from the Authorized Improvements, which may include Homeowner Association Property, Public Property and easements that create an exclusive use for a public utility provider to the extent they accrue no special benefit from the Authorized Improvements. Property identified as Non-Benefited Property at the time the Assessments (i) are imposed or (ii) are reallocated pursuant to a subdivision of a Parcel, is not assessed. Assessed Property converted to Non-Benefited Property, if the Assessments may not be reallocated pursuant to the provisions herein, remains subject to the Assessments and requires the Assessments to be prepaid as provided for in Section VI.G.

“Parcel” or “Parcels” means a parcel or parcels within the PID identified by either a tax map identification number assigned by the Collin Central Appraisal District for real property tax purposes or by lot and block number in a final subdivision plat recorded in the real property records of Collin County.

“Phase” means one or more Parcels within the PID that will be developed in the same general time period. The Parcels within a Phase will be assessed in connection with the construction of Authorized Improvements (or the portion thereof) that specially benefit the Parcels within such Phase and designated in an update to this Service and Assessment Plan and/or the issuance of Phased PID Bonds related to such Phase.

“Phase #1” means the initial Phase to be developed, identified as “Phase #1” and generally shown in Appendix A, as specifically depicted and described as the sum of all Parcels shown in Appendix H.

“Phase #1 Additional Projects” means the pro rata portion of the Additional Major Improvements allocable to Phase #1, which are described in Section III.C.

“Phase #1 Assessed Property” means all Parcels within Phase #1 other than Non-Benefited Property and shown in the Phase #1 Assessment Roll against which an Assessment relating to the Phase #1 Initial Projects is levied.

“Phase #1 Assessment Revenues” mean the actual revenues received by or on behalf of the City from the collection of Assessments levied against Phase #1 Assessed Property, or the Annual Installments thereof, for the Phase #1 Initial Projects.

“Phase #1 Assessment Roll” means the document included in this Service and Assessment Plan as Appendix H, as updated, modified or amended from time to time in accordance with the procedures set forth herein and in the PID Act, including updates prepared in connection with the issuance of Bonds or in connection with any Annual Service Plan Update.

“Phase #1 Bonds” mean those certain "City of Celina, Texas, Special Assessment Revenue Bonds, Series 2018 (Cambridge Crossing Public Improvement District Phase #1 Project)" that are secured primarily by Phase #1 Assessment Revenues and financed a portion of the Phase #1 Initial Projects.

“Phase #1 Improvements” mean the Authorized Improvements which only benefit Phase #1 Assessed Property, which are described in Section III.D.

“Phase #1 Initial Projects” mean (i) the pro rata portion of the Initial Major Improvements allocable to Phase #1 and (ii) the Phase #1 Improvements, which are described in Section III.

“Phase #1 Maximum Assessment Per Unit” means for Phase #1, an Assessment per unit related to the Phase #1 Initial Projects for each applicable Lot Type as follows:

Lot Type 1 (74 Ft) - \$37,615.15

Lot Type 2 (60 Ft) - \$30,648.27

Lot Type 3 (50 Ft) - \$25,578.30

“Phase #1 Projects” mean (i) the pro rata portion of the Major Improvements allocable to Phase #1, and (ii) the Phase #1 Improvements, which are described in Section III.

“Phase #2” means the second Phase to be developed, identified as “Phase #2” and generally shown in Appendix A, as specifically depicted and described as the sum of all Parcels shown in Appendix I.

“Phase #2 Additional Projects” means the pro rata portion of the Additional Major Improvements allocable to Phase #2, which are described in Section III.C.

“Phase #2 Assessed Property” means all Parcels within Phase #2 other than Non-Benefited Property and shown in the Phase #2 Assessment Roll against which an Assessment relating to the Phase #2 Improvements are levied.

“Phase #2 Assessment Revenues” mean the actual revenues received by or on behalf of the City from the collection of Assessments levied against Phase #2 Assessed Property, or the Annual Installments thereof, for the Phase #2 Improvements.

“Phase #2 Assessment Roll” means the document included in this Service and Assessment Plan as Appendix I, as updated, modified or amended from time to time in accordance with the procedures set forth herein and in the PID Act, including updates prepared in connection with the issuance of Bonds or in connection with any Annual Service Plan Update.

“Phase #2 Improvements” mean the Authorized Improvements which only benefit Phase #2 Assessed Property, which are described in Section III.E.

“Phase #2 Initial Projects” mean (i) the pro rata portion of the Initial Major Improvements allocable to Phase #2 and (ii) the Phase #2 Improvements, which are described in Section III.

“Phase #2 Maximum Assessment Per Unit” means for Phase #2, an Assessment per unit related solely to the Phase #2 Initial Projects for each applicable Lot Type as follows:

Lot Type 1 (74 Ft) - \$51,716.53

Lot Type 2 (60 Ft) - \$44,896.77

Lot Type 4 (84 Ft) - \$56,831.35

Lot Type 5 (40 Ft) - \$33,530.50

“Phase #2 Projects” mean (i) the pro rata portion of the Major Improvements allocable to Phase #2, and (ii) the Phase #2 Improvements, which are described in Section III.

“Phases #2-7 Major Improvement Area” means the property within the PID excluding Phase #1 which is to be developed subsequent to Phase #1 and generally depicted in Appendix A of this Service and Assessment Plan or any Annual Service Plan Update.

“Phases #2-7 Major Improvement Area Assessment Revenues” mean the revenues actually received by or on behalf of the City from the collection of Assessments levied against Phases #2-7 Major Improvement Area Assessed Property, or the Annual Installments thereof, for the Phase #2-7 Major Improvement Area Projects.

“Phases #2-7 Major Improvement Area Assessed Property” means, for any year, all Parcels within the PID other than (a) Non-Benefited Property, and (b) Parcels within Phase #1. Such property is shown in the Phases #2-7 Major Improvement Area Assessment Roll.

“Phases #2-7 Major Improvement Area Assessment Roll” means the document included in this Service and Assessment Plan as Appendix G, as updated, modified or amended from time to time in accordance with the procedures set forth herein and in the PID Act, including updates prepared in connection with the issuance of Bonds or in connection with any Annual Service Plan Update.

“Phases #2-7 Major Improvement Area Bonds” mean those certain "City of Celina, Texas, Special Assessment Revenue Bonds, Series 2018 (Cambridge Crossing Public Improvement

District Phases #2-7 Major Improvement Project)" that are secured primarily by Phases #2-7 Major Improvement Area Assessment Revenues.

"Phases #2-7 Major Improvement Area Projects" means the pro rata portion of the Initial Major Improvements allocable to the Phases #2-7 Major Improvement Area, which are described in Section III.B.

"Phase #3" means the third Phase to be developed, identified as "Phase #3" and generally shown in Appendix A, as specifically depicted and described as the sum of all Parcels shown in Appendix J-1 or Appendix J-2.

"Phase #3 Additional Projects" means the pro rata portion of the Additional Major Improvements allocable to Phase #3, which are described in Section III.C.

"Phase #3 Assessed Property" means all Parcels within Phase #3 other than Non-Benefited Property and shown in (i) the Phase #3 Assessment Roll - Phase #3 Improvements against which an Assessment relating to the Phase #3 Improvements are levied and (ii) the Phase #3 Assessment Roll - Phase #3 Additional Projects against which an Assessment relating to the Phase #3 Additional Projects are levied.

"Phase #3 Assessment Revenues" mean the actual revenues received by or on behalf of the City from the collection of Assessments levied against Phase #3 Assessed Property, or the Annual Installments thereof, for the Phase #3 Improvements and the Phase #3 Additional Projects.

"Phase #3 Assessment Roll – Phase #3 Improvements" means the document included in this Service and Assessment Plan as Appendix J-1, as updated, modified or amended from time to time in accordance with the procedures set forth herein and in the PID Act, including updates prepared in connection with the issuance of Bonds or in connection with any Annual Service Plan Update.

"Phase #3 Assessment Roll – Phase #3 Additional Projects" means the document included in this Service and Assessment Plan as Appendix J-2, as updated, modified or amended from time to time in accordance with the procedures set forth herein and in the PID Act, including updates prepared in connection with the issuance of Bonds or in connection with any Annual Service Plan Update.

"Phase #3 Improvements" mean the Authorized Improvements which only benefit Phase #3 Assessed Property, which are described in Section III.F.

"Phase #3 Initial Projects" mean the pro rata portion of the Initial Major Improvements allocable to Phase #3.

"Phase #3 Maximum Assessment Per Unit" means for Phase #3, an Assessment per unit related solely to the Phase # 3 Projects for each applicable Lot Type as follows:

Lot Type 1 (74 Ft) - \$51,745.88

Lot Type 2 (60 Ft) - \$44,922.24

Lot Type 3 (50 Ft) - \$40,373.16

“Phase #3 Projects” mean (i) the pro rata portion of the Major Improvements allocable to Phase #3, and (ii) the Phase #3 Improvements, which are described in Section III.

“Phased PID Bonds” mean bonds issued to fund Authorized Improvements (or a portion thereof) in a Phase. In connection with the Phased PID Bonds, Assessments will be levied only on Parcels located within the Phase in question.

“PID” has the meaning set forth in Section I.A of this Service and Assessment Plan.

“PID Act” means Texas Local Government Code Chapter 372, Public Improvement District Assessment Act, Subchapter A, Public Improvement Districts, as amended.

“Prepayment and Delinquency Reserve” means, with respect to the Phases #2-7 Major Improvement Area Bonds and Phase #1 Bonds, a reserve amount to be funded from Additional Interest collected each year. The Prepayment and Delinquency Reserve shall be funded until it reaches 5.50% of the outstanding respective series of Bonds unless otherwise stipulated in the respective Bond documents. Once the Prepayment and Delinquency Reserve is funded in full, the City may allocate the Additional Interest component of the Annual Installments as provided in the respective Trust Indenture.

“Prepayment Costs” mean interest and Administrative Expenses to the date of prepayment, plus any additional expenses related to the prepayment, reasonably expected to be incurred by or imposed upon the City as a result of any prepayment of an Assessment.

“Public Property” means property within the boundaries of the PID that is owned by or irrevocably offered for dedication to the federal government, the State of Texas, the County, the City, a school district or any other public agency, whether in fee simple or through an exclusive use easement.

“Reimbursement Agreement” means that certain PID Reimbursement Agreement – Cambridge Crossing dated as of August 14, 2018 by and between the City and the Developer in which the Developer agrees to fund certain Actual Costs of the Authorized Improvements, including the Phases #2-7 Major Improvements, the Phase #1 Projects, the Phase #2 Improvements, the Phase #2 Additional Projects, the Phase #3 Improvements, and the Phase #3 Additional Projects and the City agrees to reimburse the Developer with interest as permitted by the PID Act solely from Assessment Revenues and/or the net proceeds of Bonds for a portion of such Actual Costs funded by the Developer for Authorized Improvements constructed and accepted by the City for the benefit of the Assessed Property.

“Service and Assessment Plan” means this Service and Assessment Plan prepared for the PID pursuant to the PID Act, as the same may be amended from time to time.

“Trust Indenture” means an indenture of trust, ordinance or similar document setting forth the terms and other provisions relating to the Bonds, as modified, amended, and/or supplemented from time to time.

“Trustee” means the fiscal agent or trustee as specified in the Trust Indenture, including a substitute fiscal agent or trustee.

“Zoning Ordinance” means Ordinance No. 2016-32 adopted by the City Council on April 12, 2016, which ordinance establishes the permitted uses of, and standards for the development of the property within the PID.

(remainder of this page is intentionally left blank)

II. PROPERTY INCLUDED IN THE PID

A. PROPERTY INCLUDED IN THE PID

The PID is presently located within the City and contains approximately 484.074 gross acres of land, generally located directly north of County Road 7, directly east of County Road 6, south of FM 428, and west of Dallas Parkway. A map of the property within the PID is shown on Appendix A to this Service and Assessment Plan.

At completion, the PID is expected to consist of approximately 1,530 single-family residential units, landscaping, and infrastructure necessary to provide roadways, drainage, and utilities to the PID. The estimated number of lots (1,530) is based upon the updated, proposed development plan.

The property in the PID was originally proposed to be developed as shown in Table II-A.

Table II-A
Proposed Development within the PID - Original

Description	Proposed Development	
Single-family – 74 Ft	152	Units
Single-family – 60 Ft	537	Units
Single-family – 50 Ft	839	Units
Total	1,528	Units

The original development plan was revised in 2022 and the revised lot count and lot mix is shown in Table II-B.

Table II-B
Proposed Development within the PID – 2022 Revised

Description	Proposed Development	
Single-family – 84 Ft	7	Units
Single-family – 74 Ft	200	Units
Single-family – 60 Ft	491	Units
Single-family – 50 Ft	634	Units
Single-family – 40 Ft	198	Units
Total	1,530	Units

B. PROPERTY INCLUDED IN THE PHASES #2-7 MAJOR IMPROVEMENT AREA

Phases #2-7 Major Improvement Area consists of approximately 334.675 acres and is now projected to consist of approximately 1,200 residential units. A map of the property within the Phases #2-7 Major Improvement Area and depicting the boundaries of each proposed Phase is shown in Appendix A.

The property within Phases #2-7 Major Improvement Area was originally proposed to be developed as shown in Table II-C.

Table II-C
Proposed Development within Phases #2-7 Major Improvement Area - Original

Description	Proposed Development	
Single-family – 74 Ft	109	Units
Single-family – 60 Ft	415	Units
Single-family – 50 Ft	674	Units
Total	1,198	Units

The property within Phases #2-7 Major Improvement Area was revised in 2022 and the revised lot count and lot mix is shown in Table II-D.

Table II-D
Proposed Development within Phases #2-7 Major Improvement Area - 2022 Revised

Description	Proposed Development	
Single-family – 84 Ft	7	Units
Single-family – 74 Ft	157	Units
Single-family – 60 Ft	369	Units
Single-family – 50 Ft	469	Units
Single-family – 40 Ft	198	Units
Total	1,200	Units

C. PROPERTY INCLUDED IN PHASE #1

Phase #1 originally consisted of approximately 108.523 acres. The final plat for Phase #1 is recorded in the real property records of Collin County, Texas as Document No. 20200212010000590 and consists of 330 residential lots on approximately 106.021 developed acres (which excludes certain right-of-way). A map of the property within Phase #1 and depicting the boundaries of each proposed Phase is shown in Appendix A.

The property within Phase #1 has been developed as shown in Table II-E.

Table II-E
Development within Phase #1

Description	Development	
Single-family – 74 Ft	43	Units
Single-family – 60 Ft	122	Units
Single-family – 50 Ft	165	Units
Total	330	Units

D. PROPERTY INCLUDED IN PHASE #2

Phase #2 consists of approximately 46.878 acres and consists of 227 single family residential units. The final plat for Phase #2 is recorded in the real property records of Collin County, Texas as Document No. 2022010000381. The property within Phase #2 is shown on the map attached as Appendix A, and is further described in Appendix C-1.

The property within Phase #2 has been developed as shown in Table II-F.

Table II-F
Development within Phase #2

Proposed Development	Quantity	Measurement
Single-family – 84 Ft	7	Units
Single-family – 74 Ft	20	Units
Single-family – 60 Ft	2	Units
Single-family – 40 Ft	198	Units
Total	227	Units

E. PROPERTY INCLUDED IN PHASE #3

Phase #3 consists of approximately 70.971 acres and is projected to consist of 242 single family residential units. The property within Phase #3 is shown on the map attached as Appendix A, and is further described in Appendix C-2.

The property within Phase #3 is proposed to be developed as shown in Table II-G.

Table II-G
Proposed Development within Phase #3

Proposed Development	Quantity	Measurement
Single-family – 74 Ft	19	Units
Single-family – 60 Ft	133	Units
Single-family – 50 Ft	90	Units
Total	242	Units

F. PROPERTY INCLUDED IN FUTURE PHASES

As Future Phases are developed, Phased PID Bonds may be issued and/or obligations may be incurred under the Reimbursement Agreement for Future Phase Improvements. In connection with the issuance of each new Phased PID Bond and/or new obligations under the Reimbursement Agreement for Future Phase Improvements, this Service and Assessment Plan will be updated to add additional details of each new Phase and the Future Phase Improvements as shown for Phase #1, Phase #2, and Phase #3 in Section II. A map of the projected property within each Future Phase is shown in Appendix A. The Future Phase(s) are shown for illustrative purposes only and are subject

to adjustment. The current Parcels in the PID are shown on the Assessment Rolls included as Appendix G, Appendix H, Appendix I, Appendix J-1 and Appendix J-2.

The estimated number of units at the build-out of the PID is based on the land use approvals for the property, the anticipated subdivision of property in the PID, and the Developer's estimate of the highest and best use of the property within the PID.

(remainder of this page is intentionally left blank)

III. DESCRIPTION OF THE AUTHORIZED IMPROVEMENTS

A. AUTHORIZED IMPROVEMENT OVERVIEW

372.003. Authorized Improvements

(a) If the governing body of a municipality or county finds that it promotes the interests of the municipality or county, the governing body may undertake an improvement project that confers a special benefit on a definable part of the municipality or county or the municipality's extraterritorial jurisdiction. A project may be undertaken in the municipality or county or the municipality's extraterritorial jurisdiction.

(b) A public improvement may include:

- (i) landscaping;
- (ii) erection of fountains, distinctive lighting, and signs;
- (iii) acquiring, constructing, improving, widening, narrowing, closing, or rerouting of sidewalks or of streets, any other roadways, or their rights-of way;
- (iv) construction or improvement of pedestrian malls;
- (v) acquisition and installation of pieces of art;
- (vi) acquisition, construction, or improvement of libraries;
- (vii) acquisition, construction, or improvement of off-street parking facilities;
- (viii) acquisition, construction, improvement, or rerouting of mass transportation facilities;
- (ix) acquisition, construction, or improvement of water, wastewater, or drainage facilities or improvements;
- (x) the establishment or improvement of parks;
- (xi) projects similar to those listed in Subdivisions (i)-(x);
- (xii) acquisition, by purchase or otherwise, of real property in connection with an authorized improvement;
- (xiii) special supplemental services for improvement and promotion of the district, including services relating to advertising, promotion, health and sanitation, water and wastewater, public safety, security, business recruitment, development, recreation, and cultural enhancement;
- (xiv) payment of expenses incurred in the establishment, administration and operation of the district; and
- (xv) the development, rehabilitation, or expansion of affordable housing

After analyzing the public improvement projects authorized by the PID Act, the City has determined that the Authorized Improvements as described in Appendix B and shown on the diagrams included as Appendix D should be undertaken by the City for the benefit of the property within the PID.

Any change to the list of Authorized Improvements will require the approval of the City and an update to this Service and Assessment Plan.

B. DESCRIPTIONS AND COSTS OF INITIAL MAJOR IMPROVEMENTS

The Initial Major Improvements benefit the entire PID. The costs of the Initial Major Improvements are allocated proportionally throughout the entire PID, excluding Non-Benefited Property, in a manner that anticipates planned development of the PID based on the anticipated number of Equivalent Units.

The Initial Major Improvements descriptions are presented below as provided by the project engineer. The Actual Costs of the Initial Major Improvements are shown in Table III-A.

Roadway Improvements:

The major roadway improvements include construction of perimeter road and thoroughfare improvements, including related paving, drainage, curbs, gutters, sidewalks, retaining walls, signage, and traffic control devices. All roadway projects were designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Water Distribution System Improvements:

The major water distribution system improvements consist of construction and installation of water lines, mains, pipes, valves and appurtenances necessary for the water distribution system, as well as related testing, trench safety and erosion protection, necessary to service the Assessed Property. The water distribution system improvements were designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Sanitary Sewer Collection System Improvements:

The major sanitary sewer collection system improvements consist of construction and installation of pipes, service lines, manholes, encasements and appurtenances necessary to provide sanitary sewer service to the Assessed Property. The sanitary sewer improvements were designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Storm Drainage Collection System Improvements:

The major storm drainage collection system improvements consist of reinforced concrete pipes, reinforced concrete boxes, and multi-reinforced box culverts. The storm drainage collection system improvements were designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Table III-A shows the Actual Costs of the Initial Major Improvements.

(remainder of this page is intentionally left blank)

Table III-A
Actual Costs – Initial Major Improvements

Authorized Improvements	Total Initial Major Improvement Costs	Phase #1 Allocated Amount¹	Phases #2-7 Major Improvement Area Allocated Amount
Roadway improvements, including right-of-way	\$9,884,593	\$2,169,249	\$7,715,343
Water improvements	\$899,803	\$197,469	\$702,334
Sanitary sewer improvements	\$1,216,182	\$266,900	\$949,282
Storm drainage improvements	\$1,443,730	\$316,838	\$1,126,892
Other soft and miscellaneous costs	\$1,384,840	\$303,914	\$1,080,926
Total Authorized Improvements	\$14,829,147	\$3,254,369	\$11,574,778

Note: Costs provided by Dowdey, Anderson & Associates.

¹See Table V-A for allocation of Actual Costs of the Initial Major Improvements to Phase #1.

C. DESCRIPTIONS AND COSTS OF ADDITIONAL MAJOR IMPROVEMENTS

The Additional Major Improvements benefit the entire PID. The costs of the Additional Major Improvements are allocated proportionally throughout the entire PID, excluding Non-Benefited Property, in a manner that anticipates planned development of the PID based on the anticipated number of Equivalent Units. Assessments have been levied, are being levied, or are anticipated to be levied against property within Phase #3 and the Future Phases to pay for the Actual Costs of the Additional Major Improvements allocable to Phase #3 and the Future Phases, respectively. The Actual Costs of the Additional Major Improvements allocable to Phase #1 and Phase #2 will be paid by the Developer without reimbursement.

The Additional Major Improvements descriptions are presented below as provided by the project engineer. The Budgeted Costs of the Additional Major Improvements are shown in Table III-B.

Roadway Improvements:

The major roadway improvements include construction of perimeter road and thoroughfare improvements, including related paving, drainage, curbs, gutters, sidewalks, retaining walls, signage, street lights, and traffic control devices. All roadway projects will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Water Distribution System Improvements:

The major water distribution system improvements consist of construction and installation of water lines, mains, pipes, valves and appurtenances necessary for the water distribution system, as well as related testing, trench safety and erosion protection, necessary to service the Assessed Property. The water distribution system improvements will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Sanitary Sewer Collection System Improvements:

The major sanitary sewer collection system improvements consist of construction and installation of pipes, service lines, manholes, encasements and appurtenances necessary to provide sanitary sewer service to the Assessed Property. The sanitary sewer improvements will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Storm Drainage Collection System Improvements:

The major storm drainage collection system improvements consist of reinforced concrete pipes, reinforced concrete boxes, and multi-reinforced box culverts, multi-reinforced box culverts, junction boxes, inlets, headwalls, retaining walls, detention ponds and excavation thereof, and necessary appurtenances. The storm drainage collection system improvements will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Table III-B shows the Budgeted Costs of the Additional Major Improvements.

Table III-B
Budgeted Costs – Additional Major Improvements

Authorized Improvements	Total Additional Major Improvement Costs	Phase #1 Allocated Amount^{1,2}	Phase #2 Allocated Amount^{1,2}	Phase #3 Allocated Amount²	Future Ph Allocated Amount	
Roadway improvements, including right-of-way	\$3,090,645	\$682,679	\$388,002	\$503,268	\$1,510,000	5
Water improvements	\$580,231	\$128,165	\$72,843	\$94,483	\$28,000	1
Sanitary sewer improvements	\$207,112	\$45,748	\$26,001	\$33,725	\$10,000	8
Storm drainage improvements	\$4,733,093	\$1,045,472	\$594,197	\$770,718	\$2,322,000	6
Other soft and miscellaneous costs	\$0	\$0	\$0	\$0	\$0	0
Total Authorized Improvements	\$8,611,081	\$1,902,064	\$1,081,043	\$1,402,194	\$4,225,000	0

Note: Costs provided by Dowdey, Anderson & Associates.

¹Additional Major Improvements allocated to Phase #1 and Phase #2 will be paid for by the Developer without reimbursement.

²See Table V-C for allocation of Budgeted Costs of the Additional Major Improvements to Phase #1, Phase #2, Phase #3 and Future Phases.

D. DESCRIPTIONS AND COSTS OF PHASE #1 IMPROVEMENTS

The Phase #1 Improvements descriptions are presented below as provided by the project engineer. The Budgeted Costs of the Phase #1 Projects (including the Actual Costs of the Phase #1 Initial Projects) are shown in Table III-C and may be revised in Annual Service Plan Updates, including such other improvements as deemed necessary to further improve the properties within the PID.

Road Improvements:

The Phase #1 roadway improvements include construction of perimeter road and thoroughfare improvements, including related paving, drainage, curbs, gutters, sidewalks, retaining walls,

signage, and traffic control devices. All roadway projects were designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Water Improvements:

The Phase #1 water improvements consist of construction and installation of water lines, mains, pipes, valves and appurtenances necessary for the water distribution system, as well as related testing, trench safety and erosion protection, necessary to service the Phase #1 Assessed Property. The water distribution system improvements were designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Sanitary Sewer Improvements:

The Phase #1 sanitary sewer collection system improvements consist of construction and installation of pipes, service lines, manholes, encasements and appurtenances necessary to provide sanitary sewer service to the Phase #1 Assessed Property. The sanitary sewer improvements were designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Table III-C shows the Actual Costs of Phase #1 Initial Projects and Budgeted Costs of Phase #1 Additional Projects.

Table III-C
Actual Costs of Phase #1 Initial Projects and Budgeted Costs of Phase #1 Additional Projects

Authorized Improvements	Phase #1 Improvements	Proportional Share of Initial Major Improvements ¹	Proportional Share of Additional Major Improvements ²	Total Phase #1 Projects
Roadway improvements	\$2,404,410	\$2,169,249	\$682,679	\$5,256,338
Water improvements	\$1,055,340	\$197,469	\$128,165	\$1,380,974
Sanitary sewer improvements	\$933,576	\$266,900	\$45,748	\$1,246,225
Storm drainage improvements	\$0	\$316,838	\$1,045,472	\$1,362,310
Other soft and miscellaneous costs	\$521,173	\$303,914	\$0	\$825,087
Total Authorized Improvements	\$4,914,500	\$3,254,369	\$1,902,064	\$10,070,933

Note: Costs provided by Dowdey, Anderson & Associates.

¹See Table III-A.

²See Table III-B. Additional Major Improvements allocated to Phase #1 will be paid for by the Developer without reimbursement.

E. DESCRIPTIONS AND COSTS OF PHASE #2 IMPROVEMENTS

The Phase #2 Improvements descriptions are presented below as provided by the project engineer. The Budgeted Costs of the Phase #2 Projects (including Actual Costs of the Phase #2's share of Initial Major Improvements) are shown in Table III-D and may be revised in Annual Service Plan Updates, including such other improvements as deemed necessary to further improve the properties within the PID.

Roadway Improvements

The roadway improvement portion of the Phase #2 Improvements consists of the construction of road improvements, including related excavation, paving, drainage, curbs, gutters, sidewalks, retaining walls, signage, streetlights, and traffic control devices, which benefit the Phase #2 Assessed Property. All roadway projects were designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Water Improvements

The water improvements portion of the Phase #2 Improvements consists of construction and installation of a looped water main network, which includes waterlines, valves, fire hydrants, water services, and appurtenances, necessary for the portion of the water distribution system that will service the Phase #2 Assessed Property. The water improvements were designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Sanitary Sewer Improvements

The sanitary sewer improvement portion of the Phase #2 Improvements consists of construction and installation of various sized sanitary sewer pipes, service lines, manholes, encasements, and appurtenances necessary to provide sanitary sewer service to Phase #2 Assessed Property. The sanitary sewer improvements were designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Storm Drainage Improvements

The storm drainage improvement portion of the Phase #2 Improvements consist of reinforced concrete pipes, reinforced concrete boxes, multi-reinforced box culverts, junction boxes, inlets, headwalls, detention ponds and excavation thereof, and appurtenances necessary to provide adequate drainage to the Phase #2 Assessed Property constructed within the boundaries of the PID. The storm drainage collection system improvements were designed and constructed in accordance with City standards and specifications and are owned and operated by the City.

Other Soft and Miscellaneous Improvements

The other soft and miscellaneous portion of the Phase #2 Improvements consist of contingency, maintenance bonds, platting, permitting, engineering, staking and other soft costs.

Table III-D shows the Budgeted Costs of the Phase #2 Projects.

(remainder of this page is intentionally left blank)

Table III-D
Budgeted Costs – Phase #2 Projects

Authorized Improvements	Phase #2 Improvements	Proportional Share of Initial Major Improvements¹	Proportional Share of Additional Major Improvements²	Total Phase #2 Projects
Roadway improvements	\$2,984,392	\$1,243,195	\$388,002	\$4,615,590
Water improvements	\$806,538	\$113,169	\$72,843	\$992,550
Sanitary sewer improvements	\$543,344	\$152,960	\$26,001	\$722,306
Storm drainage improvements	\$1,261,460	\$181,579	\$594,197	\$2,037,237
Other soft and miscellaneous costs	\$342,420	\$174,173	\$0	\$516,592
Total Authorized Improvements	\$5,938,154	\$1,865,077	\$1,081,043	\$8,884,275

Note: Costs provided by Dowdey, Anderson & Associates.

¹See Table III-A. Phase #2's proportionate share of the Initial Major Improvements originally allocated to the Phases #2-7

Major Improvement Area. Phase #2's proportionate share of the Initial Major Improvements represent Actual Costs.

²See Table III-B. Additional Major Improvements allocated to Phase #2 will be paid for by the Developer without reimbursement.

F. DESCRIPTIONS AND COSTS OF PHASE #3 IMPROVEMENTS

The Phase #3 Improvements descriptions are presented below as provided by the project engineer. The Budgeted Costs of the Phase #3 Projects are shown in Table III-E and may be revised in Annual Service Plan Updates, including such other improvements as deemed necessary to further improve the properties within the PID.

Roadway Improvements

The roadway improvement portion of the Phase #3 Improvements consists of the construction of road improvements, including related excavation, paving, drainage, curbs, gutters, sidewalks, retaining walls, signage, streetlights, and traffic control devices, which benefit the Phase #3 Assessed Property. All roadway projects will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Water Improvements

The water improvements portion of the Phase #3 Improvements consists of construction and installation of a looped water main network, which includes waterlines, valves, fire hydrants, water services, and appurtenances, necessary for the portion of the water distribution system that will service the Phase #3 Assessed Property. The water improvements will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Sanitary Sewer Improvements

The sanitary sewer improvement portion of the Phase #3 Improvements consists of construction and installation of various sized sanitary sewer pipes, service lines, manholes, encasements, and appurtenances necessary to provide sanitary sewer service to Phase #3 Assessed Property. The

sanitary sewer improvements will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Storm Drainage Improvements

The storm drainage improvement portion of the Phase #3 Improvements consist of reinforced concrete pipes, reinforced concrete boxes, multi-reinforced box culverts, junction boxes, inlets, headwalls, detention ponds and excavation thereof, and appurtenances necessary to provide adequate drainage to the Phase #3 Assessed Property constructed within the boundaries of the PID. The storm drainage collection system improvements will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Other Soft and Miscellaneous Improvements

The other soft and miscellaneous portion of the Phase #3 Improvements consist of contingency, maintenance bonds, platting, permitting, engineering, staking and other soft costs.

Table III-E shows the Budgeted Costs of the Phase #3 Projects.

Table III-E
Budgeted Costs – Phase #3 Projects

Authorized Improvements	Phase #3 Improvements	Proportional Share of Initial Major Improvements¹	Proportional Share of Additional Major Improvements²	Total Phase #3 Projects
Roadway improvements	\$2,651,819	\$1,612,518	\$503,268	\$4,767,605
Water improvements	\$1,009,058	\$146,789	\$94,483	\$1,250,329
Sanitary sewer improvements	\$723,478	\$198,401	\$33,725	\$955,605
Storm drainage improvements	\$1,517,380	\$235,522	\$770,718	\$2,523,620
Other soft and miscellaneous costs	\$359,310	\$225,915	\$0	\$585,225
Total Authorized Improvements	\$6,261,045	\$2,419,145	\$1,402,194	\$10,082,385

Note: Costs provided by Dowdey, Anderson & Associates. The figures shown in Table III-E may be revised in Annual Service Plan Updates and may be reallocated between line items so long as the total Authorized Improvements amount does not change.

¹See Table III-A. Phase #3's proportionate share of the Initial Major Improvements originally allocated to the Phases #2-7

Major Improvement Area. Phase #3's proportionate share of the Initial Major Improvements represent Actual Costs.

²See Table III-B.

G. FUTURE PHASE AUTHORIZED IMPROVEMENTS

As Future Phases are developed and Phased PID Bonds are issued and/or obligations are incurred under the Reimbursement Agreement for Future Phase Improvements, this Service and Assessment Plan will be updated to identify the specific Future Phase Improvements that confer a special benefit to the property inside each Future Phase (e.g. a Table III-F will be added to show the costs for the specific Authorized Improvements financed within the specific Future Phase being developed.)

IV. SERVICE PLAN

A. SOURCES AND USES OF FUNDS

The PID Act requires the service plan to cover a period of at least five years. The service plan is required to define the annual projected costs and indebtedness for the Authorized Improvements undertaken within the PID during the five-year period. The Phase #1 Improvements were completed and accepted by the City in the first quarter of 2020. The Initial Major Improvements were completed and accepted by the City in the first quarter of 2020. The Phase #2 Improvements were completed and accepted by the City in the third quarter of 2022. The Phase #3 Improvements are anticipated to be completed and accepted by the City in the first quarter of 2023. Construction of the Additional Major Improvements commenced in second quarter of 2020 and are anticipated to be completed and accepted by the City in 2028.

The Actual Costs for the Phases #2-7 Major Improvement Area Projects plus costs related to the issuance of the Phases #2-7 Major Improvement Area Bonds, in one or more series, for the Phases #2-7 Major Improvement Area Projects and payment of expenses incurred in the establishment, administration and operation of the PID allocable to the Phases #2-7 Major Improvement Area Projects is \$14,405,058 as shown in Table IV-A.

The Actual Costs for the Phase #1 Initial Projects and Budgeted Costs for the Phase #1 Additional Projects plus costs related to the issuance of the Phase #1 Bonds, in one or more series, and payment of expenses incurred in the establishment, administration and operation of the PID allocable to Phase #1 is \$11,992,499 as shown in Table IV-B.

The Actual Costs for Phase #2 Improvements and Budgeted Costs of the Phase #2 Additional Projects and payment of expenses incurred in the administration and operation of PID allocable to Phase #2 is \$7,019,197 as shown in Table IV-C.

The Budgeted Costs for Phase #3 Improvements and Budgeted Costs of the Phase #3 Additional Projects and payment of expenses incurred in the administration and operation of PID allocable to Phase #3 is \$7,708,239 as shown in Table IV-D.

The sources and uses of funds shown in Table IV-A, Table IV-B, Table IV-C and Table IV-D shall be updated each year in the Annual Service Plan Update to reflect any budget revisions and Actual Costs. The service plan shall be reviewed and updated at least annually for the purpose of determining the annual budget for Administrative Expenses, updating the Actual Costs of the Authorized Improvements, and updating the Assessment Roll(s). Any update to this Service and Assessment Plan is herein referred to as an “Annual Service Plan Update.”

As Future Phases are developed in connection with the issuance of Phased PID Bonds and/or obligations are incurred under the Reimbursement Agreement for Future Phase Improvements, this Service and Assessment Plan will be amended (e.g. Table IV-E will be amended to add Phase #4, etc.).

The Phases #2-7 Major Improvement Area Bonds shown in Table IV-A were issued in 2018 to finance a portion of the Phases #2-7 Major Improvement Area Projects.

Table IV-A
Sources and Uses – Phases #2-7 Major Improvement Area

Sources of Funds	Total
Par amount	\$13,795,000
Other funding sources ¹	\$610,058
Total Sources	\$14,405,058
Uses of Funds	
<i><u>Initial Major Improvements</u></i>	
Roadway improvements including right-of-way	\$7,715,343
Water distribution system improvements	\$702,334

B. FIVE YEAR SERVICE PLAN

Phases #2-7 Major Improvement Area

The Actual Costs and projected annual indebtedness for the Phases #2-7 Major Improvement Area is shown in Table IV-E. The annual indebtedness is subject to revision and shall be updated in the Annual Service Plan Update to reflect any changes in the indebtedness expected for each year.

Table IV-E
Actual Costs and Projected Annual Indebtedness
Phases #2-7 Major Improvement Area

Year	Annual Cost	Projected Annual Indebtedness	Other Funding Sources ¹	Projected Phases #2-7 Major Improvement Area Annual Installments
2022 & Prior	\$14,405,058	\$13,795,000	\$610,058	\$2,932,649
2023	\$0	\$0	\$0	\$1,077,375
2024	\$0	\$0	\$0	\$1,077,318
2025	\$0	\$0	\$0	\$1,079,341
2026	\$0	\$0	\$0	\$1,080,554
2027	\$0	\$0	\$0	\$1,075,958
2028	\$0	\$0	\$0	\$1,080,828
2029	\$0	\$0	\$0	\$1,079,615
Total	\$14,405,058	\$13,795,000	\$610,058	\$10,483,638

¹The other funding sources represent Actual Costs of the Phases #2-7 Improvements paid by the Developer without reimbursement from the City.

The Actual Costs shown in Table IV-E are the expenditures relating to Phases #2-7 Major Improvement Area Projects shown in Table III-A, the costs associated with setting up the PID and bond issuance costs including reserves shown in Table IV-A. The difference between the total costs and the total projected indebtedness is the amount contributed by the Developer without reimbursement by the City.

Phase #1

The Budgeted Costs and projected annual indebtedness for Phase #1 is shown in Table IV-F. The annual indebtedness is subject to revision and shall be updated in the Annual Service Plan Update to reflect any changes in the indebtedness expected for each year.

(remainder of this page is intentionally left blank)

Table IV-F
Budgeted Costs and Projected Annual Indebtedness
Phase #1

Year	Annual Projected Cost	Projected Annual Indebtedness	Other Funding Sources²	Projected Phase #1 Annual Installments
2022 & Prior ¹	\$10,090,436	\$9,555,000	\$535,436	\$2,004,079
2023	\$0	\$0	\$0	\$740,991
2024	\$0	\$0	\$0	\$745,918
2025	\$1,902,064	\$0	\$1,902,064	\$741,441
2026	\$0	\$0	\$0	\$741,723
2027	\$0	\$0	\$0	\$746,508
2028	\$0	\$0	\$0	\$745,541
2029	\$0	\$0	\$0	\$744,077
Total	\$11,992,499	\$9,555,000	\$2,437,499	\$7,210,277

¹Annual Projected Cost for year 2022 & Prior represent Actual Costs.

²The other funding sources represent Budgeted Costs of the Phase #1 Projects paid by the Developer without reimbursement from the City.

The costs shown in Table IV-F are the expenditures relating to the Phase #1 Projects shown in Table III-B, the costs associated with setting up the PID and bond issuance costs including reserves shown in Table IV-B. The difference between the total costs and the total indebtedness is the amount contributed by the Developer without reimbursement by the City.

Phase #2

The Budgeted Costs and projected annual indebtedness for Phase #2 is shown in Table IV-G. The annual projected costs and indebtedness is subject to revision, shall be updated in the Annual Service Plan Update to reflect any changes in the indebtedness expected for each year.

Table IV-G
Budgeted Costs and Projected Annual Indebtedness
Phase #2

Year	Annual Projected Cost	Projected Annual Indebtedness	Other Funding Sources	Projected Phase #2 Annual Installments
2022	\$5,938,154	\$5,938,154	\$0	\$0
2023	\$0	\$0	\$0	\$560,588
2024	\$0	\$0	\$0	\$561,301
2025	\$1,081,043	\$0	\$1,081,043	\$562,029
2026	\$0	\$0	\$0	\$562,774
2027	\$0	\$0	\$0	\$563,536
2028	\$0	\$0	\$0	\$492,320
2029	\$0	\$0	\$0	\$492,050
Total	\$7,019,197	\$5,938,154	\$1,081,043	\$3,794,599

¹The other funding sources represent Budgeted Costs of the Phase #2 Improvements and Phase #2 Additional Projects paid by the Developer without reimbursement from the City.

The costs shown in Table IV-G are the expenditures relating to the Phase #2 Improvements and Phase #2 Additional Projects shown in Table III-C and IV-C. The difference between the total costs and the total projected indebtedness, if any, is the amount contributed by the Developer without reimbursement by the City.

Phase #3

The projected annual costs and projected annual indebtedness for Phase #3 is shown in Table IV-H. The projected annual costs and indebtedness is subject to revision, and each shall be updated in the Annual Service Plan Update to reflect any changes in the costs or indebtedness expected for each year.

Table IV-H
Budgeted Costs and Projected Annual Indebtedness
Phase #3

Year	Annual Projected Cost	Annual Projected Indebtedness	Other Funding Sources	Projected Phase #3 Annual Installments
1	\$7,708,239	\$7,708,239	\$0	\$0
2	\$0	\$0	\$0	\$575,175
3	\$0	\$0	\$0	\$575,689
4	\$0	\$0	\$0	\$576,214
5	\$0	\$0	\$0	\$576,752
6	\$0	\$0	\$0	\$577,302
7	\$0	\$0	\$0	\$497,284
Total	\$7,708,239	\$7,708,239	\$0	\$3,378,417

The projected annual costs shown in Table IV-H are the annual expenditures relating to the Phase #3 Improvements and Phase #3 Additional Projects, including related Administrative Expenses, shown in Table III-D and IV-D. The difference between the total projected cost and the total projected indebtedness, if any, is the amount contributed by the Developer.

As Future Phases are developed, in association with issuing Bonds and/or obligations incurred under the Reimbursement Agreement for Future Phase Improvements, a table will be added to identify the Authorized Improvements to be financed by each new series of Bonds and/or new obligation incurred under the Reimbursement Agreement for such Future Phase Improvements; and the projected indebtedness resulting from each additional series of Bonds and/or obligation under the Reimbursement Agreement.

C. PID ASSESSMENT NOTICE

The PID Act requires that this Service and Assessment Plan and each Annual Service Plan Update include a copy of the notice form required by Section 5.014 of the Texas Property Code. The “PID Assessment Notice” is attached hereto as Appendix E and may be updated in an Annual Service Plan Update.

V. ASSESSMENT PLAN

A. INTRODUCTION

The PID Act requires the City Council to apportion the costs of the Authorized Improvements on the basis of special benefits conferred upon the property because of the Authorized Improvements. The PID Act provides that the costs of the Authorized Improvements may be assessed: (i) equally per front foot or square foot; (ii) according to the value of the property as determined by the governing body, with or without regard to improvements on the property; or (iii) in any other manner that results in imposing equal shares of the cost on property similarly benefited. The PID Act further provides that the governing body may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the municipality and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

The proposed development financing program entails a series of bond financings and/or obligations under the Reimbursement Agreement that are intended to finance the public infrastructure required for the development. This financing will necessarily be undertaken in phases to coincide with the private investment and development of the Authorized Improvements. Following the initial Phase #1 Bonds, the Phases #2-7 Major Improvement Area Bonds issued in 2018, the obligation related to the Phase #2 Improvements under the Reimbursement Agreement incurred in 2022, and the obligation related to the Phase #3 Improvements under the Reimbursement Agreement incurred in 2023, subsequent financings may be issued in the future as subsequent Future Phases are gradually constructed.

The purpose of this gradual issuance of bonds in phases is to mirror the actual private development of the Authorized Improvements. The Bonds to be issued are most prudently and efficiently utilized when directly coinciding with construction of public infrastructure needed for private development that is to occur once the infrastructure is completed; it is most effective to issue the Bonds when the infrastructure is needed, not before. Furthermore, there is no economic advantage, and several disadvantages, to issuing debt and encumbering property within the PID prior to the need for the Authorized Improvements.

Additionally, phased issuance of debt will maintain a prudent value to lien ("VtL") within the financing program. In order to maintain a prudent VtL, the initial issuance of bonds for a specific set of Authorized Improvements may not fund the entire desired level of public infrastructure because the property value is not high enough to support the entire debt load at the VtL chosen for the development. In that case, the Developer will need to fund the additional infrastructure costs with cash at closing. This cash investment by the Developer for certain Authorized Improvements can be reimbursed by a subsequent parity lien bond financing, secured by the same Assessments, once the Assessed Property is partially or fully developed and the value has increased sufficiently to permit the issuance of the additional bonds in a prudent fashion.

For purposes of this Service and Assessment Plan, the City Council has determined that the costs of the Phases #2-7 Major Improvement Area Projects, Phase #1 Projects, Phase #2 Projects, Phase #3 Projects shall be allocated as described below:

1. The Budgeted Costs of the Phases #2-7 Major Improvement Area Projects, Phase #1 Projects, Phase #2 Projects, Phase #3 Projects shall be allocated on the basis of Equivalent Units, and that such method of allocation will result in the imposition of equal shares of the costs of the Authorized Improvements to Parcels similarly benefited.
2. The City Council has concluded that larger more expensive homes are likely to be built on the larger lots, and that larger more expensive homes are likely to make greater use of and receive greater benefit from the Authorized Improvements. In determining the relative values of Parcels, the City Council has taken into consideration (i) the type of development (i.e., residential, commercial, etc.), (ii) single-family lot sizes and the size of homes likely to be built on lots of different sizes, (iii) current and projected home process provided by the Developer, (iv) the Authorized Improvements to be provided and the estimated costs, and (v) the ability of different property types to utilize and benefit from the Authorized Improvements.
3. The Assessed Property is classified into different Lot Types as described in Appendix F based on the type and size of proposed development on each Parcel.
4. Equivalent Units are calculated for each Lot Type based on the relative value of each Lot Type.
5. The Actual Costs of the Initial Major Improvements are proportionally allocated to the Phases #2-7 Major Improvement Area Assessed Property and the Phase #1 Assessed Property based on the ratio of total original projected Equivalent Units for the Phases #2-7 Major Improvement Area Assessed Property and the Phase #1 Assessed Property.
6. The Phases #2-7 Major Improvement Area Assessed Property's proportional share of the costs for the Phases #2-7 Major Improvement Area Projects is allocated to each Parcel within the Phase #2, Phase #3, and the Future Phases based on the total 2022 revised projected Equivalent Units for each Parcel.
7. The Budgeted Costs of the Additional Major Improvements are proportionally allocated to the Phase #1 Assessed Property, Phase #2 Assessed Property, Phase #3 Assessed Property, and Assessed Property within the Future Phases based on the ratio of total 2022 revised projected Equivalent Units for the Phase #1 Assessed Property, Phase #2 Assessed Property, Phase #3 Assessed Property, and Assessed Property within the Future Phases.
8. The Phase #1 Projects are allocated to each Parcel within the Phase #1 Assessed Property based on the total Equivalent Units for each Parcel. Only the Actual Costs of the Initial Major Improvements and Phase #1 Improvements have been levied against the Phase #1 Assessed Property. Phase #1 Additional Projects will be paid by the Developer without reimbursement.
9. The Phase #2 Improvements are allocated to each Parcel within the Phase #2 Assessed Property based on the total Equivalent Units for each Parcel. Only the Actual Costs of the Initial Major Improvements and the Phase #2 Improvements have been levied against the Phase #2 Assessed Property. Phase #2's share of the Additional Major Improvements will be paid by the Developer without reimbursement.

10. The Phase #3 Improvements are allocated to each Parcel within the Phase #3 Assessed Property based on the total Equivalent Units for each Parcel.

Table V-A provides the estimated allocation of costs of the Initial Major Improvements between the Phases #2-7 Major Improvement Area and Phase #1.

Table V-B provides the estimated allocation of costs of the Phases #2-7 Major Improvement Area Projects between Phase #2, Phase #3, and Future Phases.

Table V-C provides the estimated allocation of costs of the Additional Major Improvements between Phase #1, Phase #2, Phase #3, and Future Phases.

At this time, it is impossible to determine with absolute certainty the amount of special benefit each Parcel within Future Phases will receive from the direct Authorized Improvements that will benefit each individual phase and that are to be financed with Phased PID Bonds or under the Reimbursement Agreement. Therefore, Parcels have and/or will only be assessed for the special benefits conferred upon the Parcel at this time because of the Phases #2-7 Major Improvement Area Projects, Phase #1 Projects, Phase #2 Projects, Phase #3 Projects.

In connection with the issuance of Phased PID Bonds and/or obligations incurred under the Reimbursement Agreement, this Service and Assessment Plan will be updated to reflect the special benefit each Parcel of Assessed Property within a Future Phase receives from the specific Authorized Improvements funded with those Phased PID Bonds issued and/ or obligation under the Reimbursement Agreement with respect to the Future Phase Improvements. Prior to assessing Parcels located within Future Phases in connection with issuance of Phased PID Bonds and/ or an obligation incurred under the Reimbursement Agreement, each owner of the Parcels to be assessed must acknowledge that the Authorized Improvements to be financed confer a special benefit on their Parcel and must consent to the imposition of the Assessments to pay for the Actual Costs of such Authorized Improvements.

This section of this Service and Assessment Plan currently (i) describes the special benefit received by each Parcel within the PID as a result of the Phases #2-7 Major Improvement Area Projects, Phase #1 Projects, Phase #2 Projects, Phase #3 Projects, (ii) provides the basis and justification for the determination that this special benefit exceeds the amount of the Assessments levied on the Phase #1 Assessed Property, Phase #2 Assessed Property, Phase #3 Assessed Property, and Phases #2-7 Major Improvement Area Assessed Property for such improvements, and (iii) establishes the methodologies by which the City Council allocates and reallocates the special benefit of the Phases #2-7 Major Improvement Area Projects, Phase #1 Projects, Phase #2 Projects, Phase #3 Projects to Parcels in a manner that results in equal shares of the Actual Costs of such improvements being apportioned to Parcels similarly benefited. The determination by the City Council of the assessment methodologies set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Developer and all future owners and developers of the Assessed Property.

As Future Phases are developed, in connection with the issuance of Phased PID Bonds and/or obligations are incurred under the Reimbursement Agreement for Future Phase Improvements, this

Service and Assessment Plan will be updated based on the City's determination of the assessment methodology for each Future Phase.

B. SPECIAL BENEFIT

Assessed Property must receive a direct and special benefit from the Authorized Improvements, and this benefit must be equal to or greater than the amount of the Assessments. The Authorized Improvements are provided specifically for the benefit of the Assessed Property. The Authorized Improvements (more particularly described in line-item format in Appendix B to this Service and Assessment Plan) and the costs of issuance and payment of costs incurred in the establishment of the PID shown in Table IV-A, Table IV-B, Table IV-C and Table IV-D are authorized by the PID Act. These improvements are provided specifically for the benefit of the Assessed Property.

Each owner of the Assessed Property has acknowledged that the Authorized Improvements confer a special benefit on the Assessed Property and has consented to the imposition of the Assessments to pay for the Actual Costs associated therewith. Each of the owners is acting in its interest in consenting to this apportionment and levying of the Assessments because the special benefit conferred upon the Assessed Property by the Authorized Improvements exceeds the amount of the Assessments.

The Authorized Improvements provide a special benefit to the Assessed Property as a result of the close proximity of these improvements to the Assessed Property and the specific purpose of these improvements of providing infrastructure for the Assessed Property. In other words, the Assessed Property could not be used in the manner proposed without the construction of the Authorized Improvements. The Authorized Improvements are being provided specifically to meet the needs of the Assessed Property as required for the proposed use of the property.

The Assessments are being levied to provide the Authorized Improvements that are required for the highest and best use of the Assessed Property (i.e., the use of the property that is most valuable, including any costs associated with that use). Highest and best use can be defined as “the reasonably probable and legal use of property, which is physically possible, appropriately supported, financially feasible, and that results in the highest value.” (*Dictionary of Real Estate Appraisal, Third Edition.*) The Authorized Improvements are expected to be required for the proposed use of the Assessed Property to be physically possible, appropriately supported, financially feasible, and maximally productive.

The Developer has evaluated the potential use of the property and has determined that the highest and best use of the property is the use intended and the legal use for the property as described in Section II of this Service and Assessment Plan. The use of the Assessed Property as described herein will require the construction of the Authorized Improvements.

The Assessments will repay financing that is on advantageous terms, as any Bonds that may be issued to finance the Authorized Improvements will pay interest that is exempt from federal income tax. As a result, all other terms being equal (e.g., maturity, fixed vs. variable rate, credit quality), the tax- exempt bonds will have a lower interest rate than debt that is not tax-exempt. The Bonds also have a longer term than other available financings and may either be repaid or assumed by a

buyer at the buyer's option. As a result of these advantageous terms, the financing provided by the PID is the most beneficial means of financing the Authorized Improvements.

Each owner of the Assessed Property will ratify, confirm, accept, agree to and approve: (i) the determinations and finding by the City Council as to the special benefits described in this Service and Assessment Plan and the Assessment Ordinance; (ii) the Service and Assessment Plan and the Assessment Ordinance, and (iii) the levying of Assessments on the Assessed Property. Use of the Assessed Property as described in this Service and Assessment Plan and as authorized by the PID Act requires that Authorized Improvements be acquired, constructed, installed, and/or improved. Funding the Actual Costs of the Authorized Improvements through the PID has been determined by the City Council to be the most beneficial means of doing so. As a result, the Authorized Improvements result in a special benefit to the Assessed Property, and this special benefit exceeds the amount of the Assessment. This conclusion is based on and supported by the evidence, information, and testimony provided to the City Council.

In summary, the Authorized Improvements result in a special benefit to the Assessed Property for the following reasons:

1. The Authorized Improvements are being provided specifically for the use of the Assessed Property, are necessary for the proposed best use of the property and provide a special benefit to the Assessed Property as a result;
2. The Developer has consented to the imposition of the Assessments for the purpose of providing the Authorized Improvements and the Developer is acting in its interest by consenting to this imposition;
3. The Authorized Improvements are required for the highest and best use of the property;
4. The highest and best use of the Assessed Property is the use of the Assessed Property that is most valuable (including any costs associated with the use of the Assessed Property);
5. Financing of the costs of the Authorized Improvement through the PID is determined to be the most beneficial means of providing for the Authorized Improvements; and,
6. As a result, the special benefits to the Assessed Property from the Authorized Improvements will be equal to or greater than the Assessments.

C. ALLOCATION OF INITIAL MAJOR IMPROVEMENT COSTS AND ADDITIONAL MAJOR IMPROVEMENT COSTS TO ASSESSED PROPERTY

The Major Improvements will provide a special benefit to all property in the PID. Accordingly, the Actual Costs of the Major Improvements must be allocated throughout all Assessed Property in the District. Table V-A summarizes the original allocation of Actual Costs of the Initial Major Improvements to Phase #1 and the Phases #2-7 Major Improvement Area. Table V-B summarizes Phases #2-7 Major Improvement Area's portion of the Actual Costs of the Initial Major Improvements and the allocation to Phase #2, Phase #3, and Future Phases. Table V-C summarizes the allocation of Budgeted Costs of the Additional Major Improvements to Phase #1, Phase #2,

Phase #3, and Future Phases. The Actual Costs and Budgeted Costs shown in Table V-A, Table V-B, and Table V-C may be revised in Annual Service Plan Updates, but the related Assessment may not be increased.

Phase #1 contains 330 residential units, and the Phases #2-7 Major Improvement Area was originally projected to contain 1,198 residential units as shown in Appendix F on Table F-5 and Table F-3, respectively. As shown in Appendix F on Table F-12, the total original projected Equivalent Units for Phase #1 was calculated as 254.02 and the total original projected Equivalent Units for the Phases #2-7 Major Improvement Area was calculated as 903.47, as shown on Table F-10. The total original projected Equivalent Units in the PID was, therefore, calculated to be 1,157.49 (i.e., $254.02 + 903.47 = 1,157.49$). As a result, 21.95 percent of the Actual Costs of the Initial Major Improvements (i.e. $254.02 \div 1,157.49 = 21.95\%$) were originally allocated to the Phase #1 Assessed Property and 78.05 percent of the Actual Costs of the Initial Major Improvements (i.e., $254.02 \div 1,157.49 = 78.05\%$) were originally allocated to the Phases #2-7 Major Improvement Area Assessed Property. Table V-A summarizes the original allocation of Actual Costs of the Initial Major Improvements to Phase #1 and the Phases #2-7 Major Improvement Area.

Table V-A
Allocation of Actual Costs of Initial Major Improvements

Authorized Improvement	Total
Roadway Improvements including right-of-way	\$9,884,593
Water improvements	\$899,803
Sanitary sewer improvements	\$1,216,182
Storm drainage improvements	\$1,443,730
Other soft and miscellaneous costs	\$1,384,840
Total Initial Major Improvements¹	\$14,829,147
Phase #1	
Projected total Equivalent Units ²	254.02
% of total units	21.95%
Proportionate Share of Costs	\$3,254,369
Phases #2-7 Major Improvement Area	
Projected total Equivalent Units ³	903.47
% of total units	78.05%
Proportionate Share of Costs	\$11,574,778

¹See Appendix B for detailed costs of the Initial Major Improvements.

²See Table F-12 in Appendix F. Represents the original Equivalent Unit calculations based on the original Equivalent Unit factors at the time assessments were levied against property within Phase #1.

³See Table F-10 in Appendix F. Represents the original Equivalent Unit calculations based on the original Equivalent Unit factors at the time assessments were levied against property within the Major Improvement Area.

As shown in Table V-A the total amount of the Actual Costs of the Initial Major Improvements originally allocated to the Phases #2-7 Major Improvement Area was \$11,574,778. Phase #2

contains 227 residential units, and the Phases #2-7 Major Improvement Area is now projected to contain 1,200 residential units as provided in the updated development plan and shown in Appendix F on Table F-6 and Table F-4, respectively. As shown in Appendix F on Table F-14, the projected Equivalent Units for Phase #2 is calculated as 143.60 and the total updated projected Equivalent Units for the Phases #2-7 Major Improvement Area is calculated as 891.19, as shown on Table F-11. As a result, 16.11 percent of the Actual Costs of the Initial Major Improvements allocated to the Phases #2-7 Major Improvement Area (i.e. $143.60 \div 891.19 = 16.11\%$) are allocated to the Phase #2 Assessed Property.

Phase #3 is projected to contain 242 residential units and the Phases #2-7 Major Improvement Area is now projected to contain 1,200 residential units as provided in the updated development plan and shown in Appendix F on Table F-7 and Table F-4, respectively. As shown in Appendix F on Table F-15, the projected Equivalent Units for Phase #3 is calculated as 186.26 and the total updated projected Equivalent Units for the Phases #2-7 Major Improvement Area is calculated as 891.19, as shown on Table F-11. The remaining projected Equivalent Units for the Future Phases is calculated as 561.33 (i.e. $891.19 - 143.60 - 186.26 = 561.33$). As a result, 20.90 percent of the Actual Costs of the Initial Major Improvements allocated to the Phases #2-7 Major Improvement Area (i.e. $186.26 \div 891.19 = 20.90\%$) are allocated to the Phase #3 Assessed Property and 62.99 percent of the Actual Costs of the Initial Major Improvements originally allocated to the Phases #2-7 Major Improvement Area (i.e., $561.33 \div 891.19 = 62.99\%$) are allocated to the Future Phases. Table V-B summarizes Phases #2-7 Major Improvement Area's portion of the Actual Costs of the Initial Major Improvements and the allocation to Phase #2, Phase #3 and Future Phases.

(remainder of this page is intentionally left blank)

Table V-B
Allocation of Actual Costs of Initial Major Improvements within
Phases #2-7 Major Improvement Area

Authorized Improvement	Total
Roadway Improvements including right-of-way	\$7,715,343
Water improvements	\$702,334
Sanitary sewer improvements	\$949,282
Storm drainage improvements	\$1,126,892
Other soft and miscellaneous costs	\$1,080,926
Total Initial Major Improvements¹	\$11,574,778
Phase #2	
Projected total Equivalent Units ²	143.60
% of total units	16.11%
Proportionate Share of Costs	\$1,865,077
Phase #3	
Projected total Equivalent Units ³	186.26
% of total units	20.90%
Proportionate Share of Costs	\$2,419,145
Future Phases	
Projected total Equivalent Units ⁴	561.33
% of total units	62.99%
Proportionate Share of Costs	\$7,290,555

¹See Table V-A. Represents the Actual Costs of the Initial Major Improvements originally allocated to the Phases #2-7 Major Improvement Area.

²See Table F-14 in Appendix F. Represents the revised Equivalent Unit calculations based on the revised Equivalent Unit factors.

³See Table F-15 in Appendix F. Represents the revised Equivalent Unit calculations based on the revised Equivalent Unit factors.

⁴Represents the remaining Equivalent Units within the Future Phases within the Phases #2-7 Major Improvement Area (i.e. $891.19 - 143.60 - 186.26 = 561.33$) using the revised Equivalent Unit calculations and revised Equivalent Unit factors.

As shown in Table V-C the total amount of the Budgeted Costs of the Additional Major Improvements being allocated to Phase #1, Phase #2, Phase #3, and Future Phases is \$7,836,778. Phase #1 contains 330 residential units, and the Phases #2-7 Major Improvement Area is projected to contain 1,200 residential units as provided in the updated development plan and shown in Appendix F on Table F-5 and Table F-4, respectively. As shown in Appendix F on Table F-13, the revised projected Equivalent Units for Phase #1 is calculated as 252.66, the total updated projected Equivalent Units for the Phases #2-7 Major Improvement Area is calculated as 891.19 as shown on Table F-11 and, the total projected Equivalent Units for the PID is calculated as 1,143.85 (i.e. $252.66 + 891.19 = 1,143.85$). As a result, 22.09 percent of the Budgeted Costs of the Additional Major Improvements are allocated to the Phase #1 Assessed Property (i.e. $252.66 \div 1,143.85 = 22.09\%$).

Phase #2 contains 227 residential units. As shown in Appendix F on Table F-14, the projected Equivalent Units for Phase #2 is calculated as 143.60. As a result, 12.55 percent of the Budgeted Costs of the Additional Major Improvements are allocated to the Phase #2 Assessed Property (i.e. $143.60 \div 1,143.85 = 12.55\%$).

Phase #3 contains 242 residential units. As shown in Appendix F on Table F-15, the projected Equivalent Units for Phase #3 is calculated as 186.26. As a result, 16.28 percent of the Budgeted Costs of the Additional Major Improvements are allocated to the Phase #3 Assessed Property (i.e. $186.26 \div 1,143.85 = 16.28\%$).

The remaining projected Equivalent Units for the Future Phases is calculated as 561.33 (i.e. $1,143.85 - 252.66 - 143.60 - 186.26 = 561.33$). As a result, 49.07 percent of the Budgeted Costs of the Additional Major Improvements are allocated to the Future Phases (i.e., $561.33 \div 1,143.85 = 49.07\%$). Table V-C summarizes the allocation of Budgeted Costs of the Additional Major Improvements to Phase #1, Phase #2, Phase #3, and Future Phases.

(remainder of this page is intentionally left blank)

Table V-C

**Allocation of Budgeted Costs of Additional Major Improvements
within Phases #1, Phase #2, Phase #3, and Future Phases**

Authorized Improvement	Total
Roadway Improvements including right-of-way	\$3,090,645
Water improvements	\$580,231
Sanitary sewer improvements	\$207,112
Storm drainage improvements	\$4,733,093
Other soft and miscellaneous costs	\$0
Total Additional Major Improvements¹	\$8,611,081
Phase #1	
Projected total Equivalent Units ²	252.66
% of total units	22.09%
Proportionate Share of Costs	\$1,902,064
Phase #2	
Projected total Equivalent Units ³	143.60
% of total units	12.55%
Proportionate Share of Costs	\$1,081,043
Phase #3	
Projected total Equivalent Units ⁴	186.26
% of total units	16.28%
Proportionate Share of Costs	\$1,402,194
Future Phases	
Projected total Equivalent Units ⁵	561.33
% of total units	49.07%
Proportionate Share of Costs	\$4,225,780

¹See Table III-B and Appendix B for detailed costs of the Additional Major Improvements.

²See Table F-13 in Appendix F. Represents the revised Equivalent Unit calculations based on the revised Equivalent Unit factors.

³See Table F-14 in Appendix F. Represents the revised Equivalent Unit calculations based on the revised Equivalent Unit factors.

⁴See Table F-15 in Appendix F. Represents the revised Equivalent Unit calculations based on the revised Equivalent Unit factors.

⁵Represents the remaining Equivalent Units within the Future Phases within the PID(i.e. $1,143.85 - 252.66 - 143.60 - 186.26 = 561.33$) using the revised Equivalent Unit calculations and revised Equivalent Unit factors.

D. ASSESSMENT METHODOLOGY

The costs of the Authorized Improvements may be assessed by the City Council against the Assessed Property so long as the special benefit conferred upon the Assessed Property by the Authorized Improvements equals or exceeds the Assessments. The costs of the Authorized

Improvements may be assessed using any methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited.

1. Assessment Methodology for Phases #2-7 Major Improvement Area Projects

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phases #2-7 Major Improvement Area Projects financed with the Phases #2-7 Major Improvement Area Bonds shall be allocated to the Phases #2-7 Major Improvement Area Assessed Property by spreading the entire related Assessment across the Parcels within the Phases #2-7 Major Improvement Area based on the estimated number of Equivalent Units anticipated to be developed on each Parcel.

Based on the Actual Costs of the Phases #2-7 Major Improvement Area Projects, as set forth in Table III-A, the City Council has determined that the benefit to the Phases #2-7 Major Improvement Area Assessed Property of the Phases #2-7 Major Improvement Area Projects is at least equal to the Assessments levied on the Phases #2-7 Major Improvement Area Assessed Property.

Upon subsequent divisions of any Parcel within the Phases #2-7 Major Improvement Area, the Assessment applicable to it will then be apportioned pro rata based on the estimated Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Parcel based on the ratio of the estimated Equivalent Units at the time residential Lots are platted to the total estimated Equivalent Units of all Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council.

The Assessment and Annual Installments for each Parcel or Lot located within the Phases #2-7 Major Improvement Area is shown on the Phases #2-7 Major Improvement Area Assessment Roll, attached as Appendix G, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

2. Assessment Methodology for the Phase #1 Projects

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phase #1 Initial Projects financed with the Phase #1 Bonds shall be allocated to the Phase #1 Assessed Property by spreading the entire related Assessment across the Parcels within Phase #1 based on the estimated number of Equivalent Units anticipated to be developed on each Parcel. The Phase #1 Assessed Property also benefits from the Phase #1 Additional Projects, the costs of which are being paid by the Developer without reimbursement.

Based on the Actual Costs of the Phase #1 Projects, as set forth in Table III-B, the City Council has determined that the benefit to Phase #1 Assessed Property of the Phase #1 Projects is at least equal to the Assessments levied on the Phase #1 Assessed Property.

Upon subsequent divisions of any Parcel within Phase #1, the Assessment applicable to it will then be apportioned pro rata based on the estimated Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned

proportionately among each Parcel based on the ratio of the estimated Equivalent Units at the time residential Lots are platted to the total estimated Equivalent Units of all Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council.

The Assessment and Annual Installments for each Parcel or Lot located within Phase #1 is shown on the Phase #1 Assessment Roll, attached as Appendix H, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

3. *Assessment Methodology for the Phase #2 Improvements*

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phase #2 Improvements financed under the Reimbursement Agreement shall be allocated to the Phase #2 Assessed Property by spreading the entire Assessment across the Parcels within Phase #2 based on the estimated number of Equivalent Units anticipated to be developed on each Parcel. The Phase #2 Assessed Property also benefits from the Phase #2 Additional Projects, the costs of which are being paid by the Developer without reimbursement.

Based on the Budgeted Costs of the Phase #2 Projects, as set forth in Table III-D, the City Council has determined that the benefit to Phase #2 Assessed Property of the Phase #2 Projects is at least equal to the Assessments levied on the Phase #2 Assessed Property.

Upon subsequent divisions of any Parcel within Phase #2, the Assessment applicable to it will then be apportioned pro rata based on the estimated Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Parcel based on the ratio of the estimated Equivalent Units at the time residential Lots are platted to the total estimated Equivalent Units for Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council.

The Assessment and Annual Installments for each Parcel or Lot located within Phase #2 is shown on the Phase #2 Assessment Roll, attached as Appendix I, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

4. *Assessment Methodology for the Phase #3 Improvements and Phase #3 Additional Projects*

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phase #3 Improvements financed under the Reimbursement Agreement shall be allocated to the Phase #3 Assessed Property by spreading the entire related Assessment across the Parcels within Phase #3 based on the estimated number of Equivalent Units anticipated to be developed on each Parcel.

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phase #3 Additional Projects financed under the Reimbursement Agreement shall be allocated to the Phase #3 Assessed Property by spreading the entire related across the Parcels within Phase #3 based on the estimated number of Equivalent Units anticipated to be developed on each Parcel.

Based on the Budgeted Costs of the Phase #3 Projects, as set forth in Table III-E, the City Council has determined that the benefit to Phase #3 Assessed Property from the Phase #3 Improvements is at least equal to the total Assessments levied on the Phase #3 Assessed Property. Additionally, the City Council has determined that (i) the benefit to the Phase #3 Assessed Property from the Phase #3 Improvements is at least equal to the total Assessments set forth in the Phase #3 Assessment Roll – Phase #3 Improvements that are levied on the Phase #3 Assessed Property and (ii) the benefit to the Phase #3 Assessed Property from the Phase #3 Additional Projects is at least equal to the total Assessments set forth in the Phase #3 Assessment Roll – Phase #3 Additional Projects that are levied on the Phase #3 Assessed Property.

Upon subsequent divisions of any Parcel within Phase #3, the Assessment applicable to it will then be apportioned pro rata based on the estimated Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Parcel based on the ratio of the estimated Equivalent Units at the time residential Lots are platted to the total estimated Equivalent Units for Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council.

The Assessment and Annual Installments for each Parcel or Lot located within Phase #3 is shown, with respect to the Phase #3 Improvements, on the Phase #3 Assessment Roll - Phase #3 Improvements attached as Appendix J-1, and, with respect to the Phase #3 Additional Projects, the Phase #3 Assessment Roll - Phase #3 Additional Projects, attached as Appendix J-2, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

5. *Assessment Methodology for Future Phases*

When any given Future Phase is developed, and Phased PID Bonds for that Future Phase is to be issued and/or an obligation is incurred under the Reimbursement Agreement for Future Phase Improvements benefitting such Future Phase, this Service and Assessment Plan will be amended to determine the assessment methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited within such Future Phase.

E. ASSESSMENTS

The Assessments have been levied or are being levied on each Parcel within the Phases #2-7 Major Improvement Area, Phase #1, Phase #2 and Phase #3 according to the Assessment Rolls, attached hereto as Appendix G, Appendix H, Appendix I, Appendix J-1 and Appendix J-2, respectively. The Annual Installments of the Assessments will be collected at the time and in the amounts shown on the Assessment Rolls, subject to any revisions made during an Annual Service Plan Update. Non-Benefitted Property will not be subject to any Assessments.

See Appendix F for Assessment per Equivalent Unit, leverage, and estimated tax rate equivalent calculation details.

F. ADMINISTRATIVE EXPENSES

The cost of administering the PID and collecting the Annual Installments shall be paid for on a pro rata basis by each Parcel based on the amount of Assessment levied against the Parcel. The Administrative Expenses shall be collected as part of and in the same manner as Annual Installments in the amounts shown on each Assessment Roll, which may be revised based on Actual Costs incurred in Annual Service Plan Updates.

G. PREPAYMENT AND DELINQUENCY RESERVE

Pursuant to the PID Act, the interest rate for any portion of the Assessments which secure a series of Bonds may exceed the actual interest rate per annum paid on the related Bonds by no more than one half of one percent (0.50%). The interest rate used to determine the Assessments that secure the Phase #1 Bonds and Phases #2-7 Major Improvement Area Bonds is one half of one percent (0.50%) per annum higher than the actual rate paid on the Phase #1 Bonds and Phases #2-7 Major Improvement Area Bonds, with the Additional Interest Component of the Annual Installments allocated to fund a reserve to be used for paying interest associated with a prepayment and to offset any possible delinquency related costs. The Prepayment and Delinquency Reserve shall be funded until it reaches 5.50% of the outstanding Phase #1 Bonds and Phases #2-7 Major Improvement Area Bonds, respectively, unless otherwise stipulated in the related Bond documents. Once the Prepayment and Delinquency Reserve is funded in full, the City may allocate the Additional Interest Component of the Annual Installments as provided in the applicable Trust Indenture. No Additional Interest will be collected from any portion of an Assessment which secures a reimbursement obligation and not a series of Bonds.

(remainder of this page is intentionally left blank)

VI. TERMS OF THE ASSESSMENTS

A. AMOUNT OF ASSESSMENTS AND ANNUAL INSTALLMENTS FOR PARCELS LOCATED WITHIN PHASES #2-7 MAJOR IMPROVEMENT AREA

The Assessment and Annual Installments for each Assessed Property located within the Phases #2-7 Major Improvement Area are shown on the Phases #2-7 Major Improvement Area Assessment Roll attached as Appendix G and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Annual Installments related to Assessments levied against the Phases #2-7 Assessed Property shall be collected in an amount sufficient to pay (i) principal and interest on the Phases #2-7 Major Improvement Area Bonds, (ii) the Additional Interest to fund the Prepayment and Delinquency Reserve described in Section V, and (iii) to pay Administrative Expenses related to the PID. The Annual Installment for each Parcel within Phases #2-7 shall be calculated by taking into consideration any available capitalized interest and other available funds.

B. AMOUNT OF ASSESSMENTS AND ANNUAL INSTALLMENTS FOR PARCELS LOCATED WITHIN PHASE #1

The Assessment and Annual Installments for each Assessed Property located within Phase #1 is shown on the Phase #1 Assessment Roll, attached as Appendix H, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Annual Installments related to Phase #1 shall be collected in an amount sufficient to pay (i) principal and interest on the Phase #1 Bonds, (ii) the Additional Interest to fund the Prepayment and Delinquency Reserve described in Section V, and (iii) to pay Administrative Expenses related to the PID. The Annual Installment for each Parcel within Phase #1 shall be calculated by taking into consideration any available capitalized interest and other available funds.

C. AMOUNT OF ASSESSMENTS AND ANNUAL INSTALLMENTS FOR PARCELS LOCATED WITHIN PHASE #2

The Assessment and Annual Installments for each Assessed Property located within Phase #2 is shown on the Phase #2 Assessment Roll, attached as Appendix I, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Annual Installments related to Phase #2 shall be collected in an amount sufficient to pay (i) principal and interest on the obligation under the Reimbursement Agreement allocable to Phase #2, and (ii) to pay Administrative Expenses related to the PID.

D. AMOUNT OF ASSESSMENTS AND ANNUAL INSTALLMENTS FOR PARCELS LOCATED WITHIN PHASE #3

The Assessment and Annual Installments for each parcel of Assessed Property located within Phase #3 is shown on (i) with respect to the Phase #3 Improvements, the Phase #3 Assessment Roll – Phase #3 Improvements attached as Appendix J-1 and (ii) with respect to the Phase #3 Additional Projects, the Phase #3 Assessment Roll – Additional Projects, attached as Appendix J-2, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Annual Installments related to Phase #3 Improvements shall be collected in an amount sufficient to pay (i) principal and interest on the obligation under the Reimbursement Agreement allocable to Phase #3 Improvements and (ii) to pay Administrative Expenses related to the PID. The Annual Installments related to Phase #3 Additional Projects shall be collected in an amount sufficient to pay (i) principal and interest on the obligation under the Reimbursement Agreement allocable to Phase #3 Additional Projects and (ii) to pay Administrative Expenses related to the PID.

E. AMOUNT OF ASSESSMENTS AND ANNUAL INSTALLMENTS FOR PARCELS LOCATED WITHIN FUTURE PHASES

As Future Phases are developed, this Service and Assessment Plan will be amended to determine the Assessment and Annual Installments for each Assessed Property located within Future Phases (e.g., an appendix will be added as the Assessment Roll for Phase #4, etc.). The Assessments shall not exceed the benefit received by the Assessed Property.

F. REALLOCATION OF ASSESSMENTS

1. Subdivision

Upon the subdivision of any Parcel, the Assessment for the Parcel prior to the subdivision shall be reallocated among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

- A = the Assessment for each new subdivided Parcel
- B = the Assessment for the Parcel prior to subdivision
- C = the estimated number of Equivalent Units to be built on each new subdivided Parcel
- D = the sum of the estimated number of Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of Equivalent Units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of Equivalent Units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

The sum of the Assessments for all newly subdivided Parcels shall equal the Assessment for the Parcel prior to subdivision. The calculation shall be made separately for each newly subdivided Parcel. The reallocation of an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the subdivision of the Parcels. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

2. Consolidation

Upon the consolidation of two or more Parcels, the Assessment for the consolidated Parcel shall be the sum of the Assessments for the Parcels existing prior to consolidation. The reallocation of an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the consolidation of the Parcels. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

G. MANDATORY PREPAYMENT OF ASSESSMENTS

1. If a Parcel subject to Assessments is transferred to a party that is exempt from the payment of the Assessment under applicable law, or if an owner causes a Parcel subject to Assessments to become Non-Benefited Property, the owner of such Parcel shall pay to the City the full amount of the principal portion of the Assessment on such Parcel, plus all Prepayment Costs, prior to any such transfer or act.
2. If at any time the Assessment per unit on a Parcel exceeds the applicable Phase #1 Maximum Assessment Per Unit, Phase #2 Maximum Assessment Per Unit, or Phase #3 Maximum Assessment Per Unit calculated in this Service and Assessment Plan as a result of any changes in land use, subdivision, consolidation or reallocation of the Assessment authorized by this Service and Assessment Plan and initiated by the owner of the Parcel, then such owner shall pay to the City prior to the recordation of the document subdividing the Parcel the amount calculated by the Administrator by which the Assessment per unit for the Parcel exceeds the applicable Maximum Assessment per unit calculated in this Service and Assessment Plan.
3. The payments required above shall be treated the same as any Assessment that is due and owing under the PID Act, the Assessment Ordinance, and this Service and Assessment Plan, including the same lien priority, penalties, procedures, and foreclosure specified by the PID Act.

H. REDUCTION OF ASSESSMENTS

1. If after all Authorized Improvements to be funded with a series of Bonds and/or obligation under the Reimbursement Agreement have been completed and Actual Costs for such Authorized Improvements are less than the Actual Costs or Budgeted Costs of the Authorized Improvements used to calculate the Assessments securing such series of Bonds and/or obligation under the Reimbursement Agreement, resulting in excess Bond proceeds or Assessment Revenues being available to redeem Bonds of such series and/or a need to reduce

the obligation under the Reimbursement Agreement, as the case may be, then the Assessment securing such series of Bonds and/or obligation under the Reimbursement Agreement for each Parcel of Assessed Property shall be reduced by the City Council pro rata such that the sum of the resulting reduced Assessments for all Assessed Properties equals the actual reduced Actual Costs and such excess Bond proceeds or Assessment Revenues shall applied to redeem Bonds of such series as provided in the Trust Indenture or to reduce the obligation under the Reimbursement Agreement, as applicable. The Assessments shall not be reduced to an amount less than the related outstanding series of Bonds and/or amounts due under the Reimbursement Agreement. If all of the Authorized Improvements are not completed, the City may reduce the Assessments in another method if it determines such method would better reflect the benefit received by the Parcels from the Authorized Improvements completed.

2. If all the Authorized Improvements are not undertaken, resulting in excess Bond proceeds being available to redeem Bonds and/or a need to reduce the obligations under the Reimbursement Agreement, then the Assessments and Annual Installments for each Parcel shall be appropriately reduced by the City Council to reflect only the amounts required to repay obligations under the Reimbursement Agreement and/or to repay the Bonds, including interest on the Bonds and Administrative Expenses, and such excess Bond proceeds shall be applied to redeem Bonds. The City Council may reduce the Assessments and the Annual Installments for each Parcel (i) in an amount that represents the Authorized Improvements provided for each Parcel or (ii) by an equal percentage calculated based on number of units, if determined by the City Council to be the most fair and practical means of reducing the Assessments for each Parcel, such that the sum of the resulting reduced Assessments equals the amount required to repay the Bonds and/or repay the obligations under the Reimbursement Agreement, including interest thereon and Administrative Expenses. The principal portion of the Assessment for each Parcel shall be reduced pro rata to the reduction in the Assessments for each Parcel such that the sum of the resulting reduced principal portion of the Bonds and/or obligations under the Reimbursement Agreement is equal to the outstanding principal amounts of the Bonds and/or the amounts outstanding under the Reimbursement Agreement.

I. PAYMENT OF ASSESSMENTS

1. Payment in Full

- (a) The Assessment for any Parcel may be paid in full at any time. Such payment shall include interest through the date of the prepayment and applicable Prepayment Costs.
- (b) If an Annual Installment has been billed prior to payment in full of an Assessment, the Annual Installment shall be due and payable and shall be credited against the payment-in-full amount.
- (c) Upon payment in full of the Assessment and all Prepayment Costs, the City shall deposit the payment in accordance with the Trust Indenture and/or the Reimbursement Agreement, as applicable; whereupon, the Assessment shall be reduced to zero, and the owner's obligation to pay the Assessment and Annual Installments thereof shall automatically terminate.

- (d) At the option of the owner, the Assessment on any Parcel plus interest through the date of prepayment and applicable Prepayment Costs may be paid in part. Upon the payment of such amounts for a Parcel, the Assessment for the Parcel shall be reduced, the Assessment Roll shall be updated to reflect such partial payment, and the obligation to pay the Annual Installment for such Parcel shall be reduced to the extent the partial payment is made.

2. Payment in Annual Installments

The PID Act provides that an Assessment for a Parcel may be paid in full at any time. If not paid in full, the PID Act authorizes the Assessment to be paid in installments and additionally allows the City to collect interest, Administrative Expenses and other authorized charges in installments. An Assessment for a Parcel that is not paid in full will be collected in Annual Installments each year in the amounts shown on the Assessment Rolls, as updated as provided for herein, which include (i) interest, (ii) Administrative Expenses, and (iii) with respect to Assessments which secure a series of Bonds, payments required for the Additional Interest to fund the Prepayment and Delinquency Reserve.

Phases #2-7 Major Improvement Area

Each Assessment for the Phases #2-7 Major Improvement Area Assessed Property for the Phases #2-7 Major Improvement Area Projects shall be paid with interest of no more than the actual interest rate paid on the Phases #2-7 Major Improvement Area Bonds plus Additional Interest. The Phases #2-7 Major Improvement Area Assessment Roll sets forth for each year the Annual Installment for each Parcel based on an interest rate of 4.375% in years 1 through 5 (2019-2023), 5.00% in years 6 through 10 (2024 through 2028), 5.50% in years 11 through 20 (2029-2038) and 5.625% in years 21 through 30 (2039-2048), additional interest at the rate of 0.5% the Additional Interest to fund the Prepayment and Delinquency Reserve and costs of Administrative Expenses. Furthermore, the Annual Installments may not exceed the amounts shown on the Assessment Roll. The Phases #2-7 Major Improvement Area Assessment Roll is shown as Appendix G.

Phase #1

Each Assessment for the Phase #1 Assessed Property shall be paid with interest of no more than the actual interest rate paid on the Phase #1 Bonds. The Phase #1 Assessment Roll sets forth for each year the Annual Installment for each Parcel based on an interest rate of 4.125% in years 1 through 5 (2019-2023), 4.625% in years 6 through 10 (2024 through 2028), 5.125% in years 11 through 20 (2029-2038) and 5.250% in years 21 through 29 (2039-2047), the Additional Interest at the rate of 0.5% to fund Prepayment and Delinquency Reserve and the costs of Administrative Expenses. Furthermore, the Annual Installments may not exceed the amounts shown on the Assessment Roll. The Phase #1 Assessment Roll is shown as Appendix H.

Phase #2

Each Assessment for the Phase #2 Assessed Property for the Phase #2 Improvements shall be paid with interest of no more than the actual interest rate paid on the obligation under the Reimbursement Agreement related to the Phase #2 Improvements. Interest on the obligation under the

Reimbursement Agreement related to the Phase #2 Improvements shall be paid based on an interest rate of 8.75% per annum for years 1 through 5 and 5.75% per annum following the fifth Annual Installment. The interest on the obligation under the Reimbursement Agreement related to the Phase #2 Improvements shall be paid at a rate not to exceed five hundred basis points (5.00%) above the highest average index rate for tax-exempt bond reported in a daily or weekly bond index approved by the City and reported in the month prior to the establishment of the Assessments securing such portion of the obligation due under the Reimbursement Agreement and continuing for a period of five years from such date. Such rate shall then adjust and shall not exceed two hundred basis points (2.00%) above the bond index rate described above and shall continue until the Assessments are paid in full. The index approved by the City is the *Bond Buyer Index* for which the highest average rate during the previous thirty days prior to the levy of Assessments against the Phase #2 Assessed Property was 3.75%. The City has determined that the obligation under the Reimbursement Agreement related to the Phase #2 Improvements shall bear interest at the interest rate of 8.75% per annum for years 1 through 5 and 5.75% per annum following the fifth Annual Installment, which rates are equal to or less than the initial maximum allowable rate of interest of 8.75% for years 1 through 5 and equal to the maximum allowable rate of interest following the fifth Annual Installment, which would be 5.75%. Furthermore, the Annual Installments of the Assessments levied against Phase #2 Assessed Property may not exceed the amounts shown on the Phase #2 Assessment Roll.

Phase #3 Improvements

Each Assessment for the Phase #3 Assessed Property for the Phases #3 Improvements shall be paid with interest of no more than the actual interest rate paid on the obligation under the Reimbursement Agreement related to the Phase #3 Improvements. Interest on the obligation under the Reimbursement Agreement related to the Phase #3 Improvements shall be paid based on an interest rate of 8.65% per annum for years 1 through 5 and 5.65% per annum following the fifth Annual Installment. The interest on the obligation under the Reimbursement Agreement related to the Phase #3 Improvements shall be paid at a rate not to exceed five hundred basis points (5.00%) above the highest average index rate for tax-exempt bond reported in a daily or weekly bond index approved by the City and reported in the month prior to the establishment of the Assessments securing such portion of the obligation due under the Reimbursement Agreement and continuing for a period of five years from such date. Such rate shall then adjust and shall not exceed two hundred basis points (2.00%) above the bond index rate described above and shall continue until the Assessments are paid in full. The index approved by the City is the *Bond Buyer Index* for which the highest average rate during the previous thirty days prior to the levy of Assessments related to the Phase #3 Improvements against the Phase #3 Assessed Property was 3.65%. The City has determined that the obligation under the Reimbursement Agreement related to the Phase #3 Improvements and shall bear interest at the interest rate of 8.65% per annum for years 1 through 5 and 5.65% per annum following the fifth Annual Installment which rates are equal to or less than the initial maximum allowable rate of interest of 8.65% for years 1 through 5 and equal to the maximum allowable rate of interest following the fifth Annual Installment, which would be 5.65%. Furthermore, the Annual Installments of the Assessments levied against Phase #3 Assessed Property related to the Phase #3 Improvements may not exceed the amounts shown on the Phase #3 Assessment Roll – Phase #3 Improvements.

Phase #3 Additional Projects

Each Assessment for the Phase #3 Assessed Property for the Phases #3 Additional Projects shall be paid with interest of no more than the actual interest rate paid on the obligation under the Reimbursement Agreement related to the Phase #3's share of Additional Major Improvements. Interest on the obligation under the Reimbursement Agreement related to Phase #3's share of Additional Major Improvements shall be paid based on an interest rate of 8.65% per annum for years 1 through 5 and 5.65% per annum following the fifth Annual Installment. The interest on the obligation under the Reimbursement Agreement related to the Phase #3 Additional Projects shall be paid at a rate not to exceed five hundred basis points (5.00%) above the highest average index rate for tax-exempt bond reported in a daily or weekly bond index approved by the City and reported in the month prior to the establishment of the Assessments securing such portion of the obligation due under the Reimbursement Agreement and continuing for a period of five years from such date. Such rate shall then adjust and shall not exceed two hundred basis points (2.00%) above the bond index rate described above and shall continue until the Assessments are paid in full. The index approved by the City is the *Bond Buyer Index* for which the highest average rate during the previous thirty days prior to the levy of Assessments related to the Phase #3 Additional Projects against the Phase #3 Assessed Property was 3.65%. The City has determined that the obligation under the Reimbursement Agreement related to the Phase #3 Additional Projects shall bear interest at the interest rate of 8.65% per annum for years 1 through 5 and 5.65% per annum following the fifth Annual Installment, which rates are equal to or less than the initial maximum allowable rate of interest of 8.65% for years 1 through 5 and equal to the maximum allowable rate of interest following the fifth Annual Installment, which would be 5.65%. Furthermore, the Annual Installments of the Assessments levied against Phase #3 Assessed Property related to the Phase #3 Additional Projects may not exceed the amounts shown on the Phase #3 Assessment Roll – Phase #3 Additional Projects.

The Annual Installments shall be reduced to equal the Actual Costs of repaying the Bonds and/or the obligations due under the Reimbursement Agreement related to the Phase #2 Improvements, Phase #3 Improvements, and/or Phase #3 Additional Projects, as applicable, and actual Administrative Expenses (as provided for in the definition of such term), taking into consideration any other available funds for these costs, such as interest income on account balances.

The City reserves and shall have the right and option to refund the Bonds and/or the obligations due under the Reimbursement Agreement related to the Phase #2 Improvements, Phase #3 Improvements, and/or Phase #3 Additional Projects, as applicable, in accordance with Section 372.027 of the PID Act. In the event of such refunding, the Administrator shall recalculate the Annual Installments, and if necessary, may adjust, or decrease (but not increase), the amount of the Annual Installments so that total Annual Installments of Assessments will be produced in annual amounts that are required to pay such bonds when due and payable as required by and established in the ordinance and/or the indenture authorizing and securing the refunding bonds, and such bonds shall constitute Bonds for purposes of this Service and Assessment Plan.

J. COLLECTION OF ANNUAL INSTALLMENTS

No less frequently than annually, the Administrator shall prepare, and the City Council shall approve, an Annual Service Plan Update to allow for the billing and collection of Annual

Installments. Each Annual Service Plan Update shall include updated Assessment Rolls and a calculation of the Annual Installment for each Parcel. Administrative Expenses shall be allocated among Parcels in proportion to the amount of the Annual Installments for the Parcels. Each Annual Installment shall be reduced by any credits applied under the applicable Trust Indenture, such as capitalized interest, interest earnings on any account balances, and any other funds available to the Trustee for such purpose, including any existing deposits for a prepayment reserve. Annual Installments shall be collected by the City in the same manner and at the same time as ad valorem taxes and shall be subject to the same penalties, procedures, and foreclosure sale in case of delinquencies as are provided for ad valorem taxes of the City. The City Council may provide for other means of collecting the Annual Installments to the extent permitted under the PID Act. The Assessments shall have lien priority as specified in the PID Act.

Any sale of property for nonpayment of the Annual Installments shall be subject to the lien established for the remaining unpaid Annual Installments against such property and such property may again be sold at a judicial foreclosure sale if the purchaser thereof fails to make timely payment of the non-delinquent Annual Installments against such property as they become due and payable.

Phases #2-7 Major Improvement Area

Each Annual Installment of an Assessment related to the Phases #2-7 Major Improvement Area Projects, including the interest on the unpaid amount of such an Assessment, shall be calculated as of September 1 and updated annually. Each such Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of the following year. The initial Annual Installments relating to the Phases #2-7 Major Improvement Area Bonds commenced with the issuance of the Phases #2-7 Major Improvement Area Bonds.

Phase #1

Each Annual Installment of an Assessment related to the Phase #1 Projects, including the interest on the unpaid amount of such an Assessment, shall be calculated as of September 1 and updated annually. Each such Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of the following year. The initial Annual Installments relating to the Phase #1 Bonds commenced with the issuance of the Phase #1 Bonds.

Phase #2

The collection of the first Annual Installment of an Assessment related to the Phase #2 Improvements for a Lot or Parcel of Phase #2 Assessed Property shall commence upon the earlier of: (i) September 1, 2023, (ii) with tax bills sent the first October after issuance of a series of Bonds for Phase #2 Improvements, such that upon the issuance of Bonds all Assessments in Phase #2 shall begin collection, or (iii) with tax bills sent the first October occurring after the expiration of two years from the date of the levy of Assessments on the Phase #2 Assessed Property, such that all Assessments in the Phase #2 begin collection immediately after the expiration of such two year period. Such first Annual Installment for a Lot or Parcel of Phase #2 Assessed Property for which collection has begun, shall be due by January 31st of the following calendar year.

Phase #3

The collection of the first Annual Installment of an Assessment related to the Phase #3 Projects for a Lot or Parcel of Phase #3 Assessed Property shall commence upon the earlier of: (i) September 1, 2024, (ii) with tax bills sent the first October after issuance of a series of Bonds for Phase #3 Projects, such that upon the issuance of Bonds all Assessments in Phase #3 shall begin collection, or (iii) with tax bills sent the first October occurring after the expiration of two years from the date of the levy of Assessments on the Phase #3 Assessed Property, such that all Assessments in the Phase #3 begin collection immediately after the expiration of such two year period. Such first Annual Installment for a Lot or Parcel of Phase #3 Assessed Property for which collection has begun, shall be due by January 31st of the following calendar year.

VII. THE ASSESSMENT ROLL

A. PHASES #2-7 MAJOR IMPROVEMENT AREA ASSESSMENT ROLL

Each Parcel within Phases #2-7 Major Improvement Area has been evaluated by the City Council (based on the concept plan, developable area, proposed Homeowner Association Property and Public Property, the Phases #2-7 Major Improvement Area Projects, best and highest use of land, and other development factors deemed relevant by the City Council) to determine the amount of Assessed Property within the Phases #2-7 Major Improvement Area.

Phases #2-7 Major Improvement Area Assessed Property has been assessed for the special benefits conferred upon the property as a result of the Phases #2-7 Major Improvement Area Projects. Table VII-A summarizes the \$14,405,058 in special benefit received by the Phases #2-7 Major Improvement Area Projects, the pro rata costs of the PID formation, and bond issuance costs for the Phases #2-7 Major Improvement Area Bonds. The amount of Phases #2-7 Major Improvement Area Bonds is \$13,795,000, which is less than the benefit received by Phases #2-7 Major Improvement Area Assessed Property for the Phases #2-7 Major Improvement Area Projects, and as such the total Assessment for all Assessed Property within Phases #2-7 Major Improvement Area for the Phases #2-7 Major Improvement Area Projects is \$13,795,000 plus annual Administrative Expenses and other authorized charges. The Assessment for each Parcel of Assessed Property within the Phases #2-7 Major Improvement Area is calculated based on the allocation methodologies described in Section V.D of this Service and Assessment Plan. The Phases #2-7 Major Improvement Area Assessment Roll is attached hereto as Appendix G.

Table VII-A
Phases #2-7 Major Improvement Area
Special Benefit Summary

Special Benefit	Total Cost
Total Phases #2-7 Major Improvement Area Projects ¹	\$11,574,778
<u>PID Formation/Bond Costs of Issuance:</u>	
Capitalized interest	\$755,430
Debt service reserve fund	\$1,014,000
Administrative Expenses	\$35,000
Other costs of issuance including Underwriter's Discount	\$1,025,850
<i>Subtotal Bond Issuance Costs</i>	<i>\$2,830,280</i>
Total Special Benefit	\$14,405,058
<u>Special Benefit:</u>	
Total Special Benefit	\$14,405,058
Assessment	\$13,795,000
Excess Benefit	\$610,058

¹See Table III-A for details.

B. PHASE #1 ASSESSMENT ROLL

Phase #1 Assessed Property has been assessed for the special benefits conferred upon the property as a result of the Phase #1 Initial Projects. Table VII-B summarizes the \$11,992,499 in special benefit received by Phase #1 Assessed Property from the Phase #1 Initial Projects, the Phase #1 Additional Projects, the pro rata costs of the PID formation, and bond issuance costs for the Phase #1 Bonds. The total amount of Phase #1 Bonds is \$9,555,000, which is less than the benefit received by Phase #1 Assessed Property, and as such the total Assessment for all Assessed Property within Phase #1 is \$9,555,000 plus annual Administrative Expenses and other authorized charges. The Assessment for each Parcel of Assessed Property within Phase #1 is calculated based on the allocation methodologies described in Section V.D of this Service and Assessment Plan. The Phase #1 Assessment Roll is attached hereto as Appendix H.

Table VII-B
Phase #1
Special Benefit Summary

Special Benefit	Total Cost
Total Phase #1 Improvements ¹	\$4,914,500
Total Phase #1 share of Initial Major Improvements ¹	\$3,254,369
Total Phase #1 share of Additional Major Improvements ¹	\$1,902,064
<i>Subtotal</i>	<i>\$10,070,933</i>
PID Formation/Bond Costs of Issuance:	
Capitalized interest	\$486,053
Debt service reserve fund	\$678,863
Administrative Expenses	\$35,000
Other costs of issuance including Underwriter's Discount	\$721,650
<i>Subtotal Bond Issuance Costs</i>	<i>\$1,921,566</i>
Total Special Benefit	\$11,992,499
Special Benefit:	
Total Special Benefit	\$11,992,499
Assessment	\$9,555,000
Excess Benefit	\$2,437,499

¹See Table III-C for details. Phase #1's share of Additional Major Improvements will be paid by the Developer without reimbursement.

C. PHASE #2 ASSESSMENT ROLL

Phase #2 Assessed Property has been assessed for the special benefits conferred upon the property as a result of the Phase #2 Improvements. Table VII-C summarizes the \$7,019,197 in special benefit received by Phase #2 Assessed Property from the Phase #2 Improvements and Phase #2 Additional Projects. The total amount of obligation under the Reimbursement Agreement related to the Phase #2 Improvements is \$5,938,154, which is less than the benefit received by Phase #2 Assessed Property from the Phase #2 Projects, and as such the total Assessment for all Assessed Property within Phase #2 is \$5,938,154 plus annual Administrative Expenses and other authorized charges.

The Assessment for each Parcel of Assessed Property within Phase #2 is calculated based on the allocation methodologies described in Section V.D of this Service and Assessment Plan. The Phase #2 Assessment Roll is attached hereto as Appendix I.

Table VII-C
Phase #2
Special Benefit Summary

Special Benefit	Total Cost
Total Phase #2 Improvements ¹	\$5,938,154
Total Phase #2 share of Additional Major Improvements ¹	\$1,081,043
<i>Subtotal</i>	<i>\$7,019,197</i>
Total Special Benefit	\$7,019,197
Special Benefit:	
Total Special Benefit	\$7,019,197
Assessment	\$5,938,154
Excess Benefit	\$1,081,043

¹See Table III-D for details. Phase #2's share of Additional Major Improvements will be paid by the Developer without reimbursement.

D. PHASE #3 ASSESSMENT ROLL

The Phase #3 Assessed Property is being assessed separately for the special benefits conferred upon the property resulting from (i) the Phase #3 Improvements (ii) Phase #3 Additional Projects. Table VII-D summarizes the \$7,708,239 in special benefit received by the Phase #3 Assessed Property from the Phase #3 Improvements and Phase #3 Additional Projects, and the Administrative Expenses related to Phase #3. The Assessment levied under the Reimbursement Agreement related to Phase #3 Improvements is \$6,291,045 and the Assessment levied in under the Reimbursement Agreement related to Phase #3 Additional Projects is \$1,402,194. The total of these two assessments levied against the Phase #3 Assessed Property \$7,708,239 which is equal to the benefit received by the Phase #3 Assessed Property from the Phase #3 Improvements and Phase #3 Additional Projects. Accordingly, the total, collective Assessment to be applied to all the Phase #3 Assessed Property is \$7,708,239 plus annual Administrative Expenses and other authorized charges. The total Assessments for each Parcel of Assessed Property within Phase #3 is calculated based on the allocation methodologies described in Section V.D of this Service and Assessment Plan. The Phase #3 Assessment Roll – Phase #3 Improvements is attached hereto as Appendix J-1 and the Phase #3 Assessment Roll – Phase #3 Additional Projects is attached hereto as Appendix J-2.

Excess Benefit	\$0	\$0	\$0	0

¹See Table III-E for details.

E. FUTURE PHASES ASSESSMENT ROLLS

Future Phases are developed, this Service and Assessment Plan will be updated to determine the Assessment for each Parcel located within Future Phases (e.g., an appendix will be added as the Assessment Roll for Phase #4, etc.).

F. ANNUAL ASSESSMENT ROLL UPDATES

The Administrator shall prepare, and shall submit to the City Council for approval, annual updates to the Phases #2-7 Major Improvement Area Assessment Roll, Phase #1 Assessment Roll, Phase #2 Assessment Roll, the Phase #3 Assessment Roll – Phase #3 Improvements, and the Phase #3 Assessment Roll – Phase #3 Additional Projects in conjunction with the Annual Service Plan Update to reflect the following matters, together with any other changes helpful to the Administrator or the City and permitted by the PID Act: (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.H of this Service and Assessment Plan.

Upon the future issuance of Bonds, the Assessment Rolls shall be updated, which update may be done in the next Annual Service Plan Update, to reflect any changes resulting from the issuance of the Bonds. This update shall reflect the actual interest on the Bonds on which the Annual

Attachment: Draft Ordinance (Cambridge Crossing Phase 3 PID – Improvement Levy Ordinance)

Installments shall be paid, any reduction in the Assessments, and any revisions in the Actual Costs to be funded by the Bonds and Developer funds.

(remainder of this page is intentionally left blank)

VIII. MISCELLANEOUS PROVISIONS

A. ADMINISTRATIVE REVIEW

The City may elect to designate a third party to serve as Administrator. The City shall notify Developer in writing at least thirty (30) days in advance before appointing a third party Administrator.

To the extent consistent with the PID Act, an owner of a parcel of Assessed Property claiming that a calculation error has been made in the Assessment Roll(s), including the calculation of the Annual Installment, shall send a written notice describing the error to the City not later than thirty (30) days after the date any amount which is alleged to be incorrect is due prior to seeking any other remedy. The Administrator shall promptly review the notice, and if necessary, meet with the Assessed Property owner, consider written and oral evidence regarding the alleged error and decide whether, in fact, such a calculation error occurred.

If the Administrator determines that a calculation error has been made and the Assessment Roll should be modified or changed in favor of the Assessed Property owner, such change or modification shall be presented to the City Council for approval to the extent permitted by the PID Act. A cash refund may not be made for any amount previously paid by the Assessed Property owner (except for the final year during which the Annual Installment shall be collected or if it is determined there are sufficient funds to meet the expenses of the PID for the current year), but an adjustment may be made in the amount of the Annual Installment to be paid in the following year. The decision of the Administrator regarding a calculation error relating to the Assessment Roll may be appealed to the City Council. Any amendments made to the Assessment Roll(s) pursuant to calculation errors shall be made pursuant to the PID Act.

The decision of the Administrator, or if such decision is appealed to the City Council, the decision of the City Council shall be conclusive as long as there is a reasonable basis for such determination. This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to any other appeal or legal action by such owner.

B. TERMINATION OF ASSESSMENTS

Each Assessment shall be extinguished on the date the Assessment is paid in full, including unpaid Annual Installments and Delinquent Collection Costs, if any. After the extinguishment of an Assessment and the collection of any delinquent Annual Installments and Delinquent Collection Costs, the City shall provide the owner of the affected Parcel a recordable “Notice of the PID Assessment Termination”.

C. AMENDMENTS

Amendments to the Service and Assessment Plan can be made as permitted or required by the PID Act and under Texas law.

The City Council reserves the right to the extent permitted by the PID Act to amend this Service and Assessment Plan without notice under the PID Act and without notice to property owners of Parcels: (i) to correct mistakes and clerical errors; (ii) to clarify ambiguities; and (iii) to provide procedures for the collection and enforcement of Assessments, Prepayment Costs, collection costs, and other charges imposed by the Service and Assessment Plan.

D. ADMINISTRATION AND INTERPRETATION OF PROVISIONS

The City Council shall administer the PID, this Service and Assessment Plan, and all Annual Service Plan Updates consistent with the PID Act, and shall make all interpretations and determinations related to the application of this Service and Assessment Plan unless stated otherwise herein or in the applicable Trust Indenture, such determination shall be conclusive.

Tables within this Service and Assessment Plan may be rounded to the nearest dollar for presentation purposes.

E. SEVERABILITY

If any provision, section, subsection, sentence, clause or phrase of this Service and Assessment Plan or the application of same to an assessed Parcel or any person or set of circumstances is for any reason held to be unconstitutional, void or invalid, the validity of the remaining portions of this Service and Assessment Plan or the application to other persons or sets of circumstances shall not be affected thereby, it being the intent of the City Council in adopting this Service and Assessment Plan that no part hereof or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness or invalidity of any other part hereof, and all provisions of this Service and Assessment Plan are declared to be severable for that purpose.

If any provision of this Service and Assessment Plan is determined by a court to be unenforceable, the unenforceable provision shall be deleted from this Service and Assessment Plan and the unenforceable provision shall, to the extent possible, be rewritten to be enforceable and to give effect to the intent of the City.

Overall Probable Cost Opinion Summary by Phase

TRACT ID	Area	Lots	Cost	By Lot	By Acre
	(Ac)	(#)	(\$)	(\$)	(\$)
PHASE FOUR	79.7	289	\$3,832,328	\$13,261	\$48,084
PHASE FIVE	56.3	242	\$851,722	\$3,520	\$15,128
CATEGORY TOTALS	136	531	\$4,684,050	\$8,821	\$34,442

GENERAL NOTES:

- THE COST ILLUSTRATED ABOVE FOR EACH TRACT ARE ONLY FOR THOSE CATEGORIES SPECIFICALLY OUTLINED BY THE DETAILED COST BREAK-DOWN AND DO NOT NECESSARILY REPRESENT THE TOTAL DEVELOPMENT COST FOR THE PROJECT. IN ADDITION, IN SOME INSTANCES, THE FUTURE DEVELOPMENT OF ONE TRACT MAY NECESSITATE THE EXPENDITURE OF MONIES ALLOCATED WITHIN ANOTHER.
- UNIT PRICES ARE BASED ON SIMILAR PROJECTS BID IN THE PAST COUPLE YEARS, HOWEVER SHOULD BE VERIFIED WITH A CONTRACTOR DUE T VOLATILITY OF PRICES TODAY.
- IMPACT FEES DUE AT TIME OF BUILDING PERMIT

ESTIMATE EXCLUDES:

- FRANCHISE UTILITY RELOCATION AND/OR OFFSITE COSTS TO BRING SERVICE TO SITE
- ROCK EXCAVATION
- LAND COST
- PHONE AND CABLE
- DEMOLITION OF EXISTING STRUCTURES
- REMOVAL OF EXISTING WATER WELLS OR SEPTIC SYSTEMS
- ASBESTOS SURVEY/ABATEMENT OF EXISTING STRUCTURES
- CORPS/WETLANDS MITIGATION
- TREE MITIGATION
- TRAFFIC SIGNAL IMPROVEMENTS/INSTALLATION
- EASEMENT ACQUISITION
- RIGHT-OF-WAY ACQUISITION (IF REQUIRED) FOR PERIMETER ROADS
- COST UNDERBRUSHING/PRUNING OF EXISTING TREES
- TREE, TOPOGRAPHIC AND BOUNDARY SURVEYS
- PRELIMINARY PROFESSIONAL FEES (FEASIBILITY, ZONING AND PLANNING)
- LANDSCAPE, SCREENING WALL, AMENITY CENTER, ECT
- CONSTRUCTION MANAGEMENT
- MISCELLANEOUS COSTS AND OVERALL CONTINGENCY

APPENDIX C-1
PHASE #2 LEGAL DESCRIPTION

Phase #2

LEGAL DESCRIPTION
46.878 ACRES

TRACT ONE

BEING a tract of land situated in the RICHARD ALDERSON SURVEY, ABSTRACT NO. 7, City of Celina, Collin County, Texas, and being part of that tract of land described as Tract 1, as conveyed in Deed to Tollway/Outer Loop, L.P., according to the document of record filed in Document Number 20140827000927470, Official Public Records, Collin County, Texas, and being more particularly described as follows:

BEGINNING at a 1/2" iron rod with a yellow cap stamped "DAA" found in the north line of Punk Carter, a variable width right-of-way, and the common southeast corner of said Tract 1, and the southwest corner of that tract of land conveyed in Deed to Celina Station LP, and Paramount Soft LP, according to the document of record filed in Document Number 20201216002261440, Official Public Records, Collin County, Texas;

THENCE With said north line, the following courses and distances:

N 89° 59' 51" W, a distance of 836.68 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found;

N 86° 11' 01" W, a distance of 150.33 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found;

N 89° 59' 51" W, a distance of 200.00 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found at the south end of a corner clip;

THENCE N 45° 38' 00" W, with said corner clip, a distance of 35.75 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found at the north end of said corner clip, said being in the east line of Huddleston Drive, a 90' right-of-way, at the beginning of a curve to the left having a central angle of 10° 07' 55", a radius of 1,495.00 feet and a chord bearing and distance of N 06° 48' 51" W, 264.02 feet;

THENCE With the east line of Huddleston Drive, a 90' right-of-way, the following courses and distances:

With said curve to the left, an arc distance of 264.37 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found at the beginning of a curve to the right having a central angle of 41° 55' 46", a radius of 547.00 feet and a chord bearing and distance of N 09° 05' 04" E, 391.42 feet;

With said curve to the right, an arc distance of 400.30 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found;

N 30° 02' 57" E, a distance of 918.01 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found at the beginning of a curve to the left having a central angle of 03° 31' 19", a radius of 1,045.00 feet and a chord bearing and distance of N 28° 17' 18" E, 64.23 feet;

With said curve to the left, an arc distance of 64.24 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found in said east line, for the common northwest corner of the above mentioned Tollway/Outer Loop, L.P. tract, and the southwest corner of that tract of land described as Commercial Parcel 7, conveyed in Deed to Tollway/Outer Loop Commercial, L.P., according to the document of record filed in Document Number 20180524000635960, Official Public Records, Collin County, Texas;

THENCE Leaving the east line of Huddleston Drive, a 90' right-of-way, and with the north line of said Tract 1, the following courses and distances:

S 84° 13' 10" E, a distance of 55.87 feet to a 1/2" iron rod set;

S 59° 57' 03" E, a distance of 132.42 feet to a 1/2" iron rod set;

N 89° 46' 31" E, a distance of 502.08 feet to a 1/2" iron rod set in the west line of the above mentioned Celina Station LP, and Paramount Soft LP tract, for the common northeast corner of said Tract 1, and the southeast corner of said Commercial Parcel 7;

THENCE S 00° 45' 23" E, with said west line, a distance of 1,465.06 feet to the **POINT OF BEGINNING**, and containing 36.245 acres of land, more or less.

TRACT TWO

BEING a tract of land situated in the I.C. WILLIAMSON SURVEY, ABSTRACT NO. 943, City of Celina, Collin County, Texas, and being part of that tract of land described as Tract 2, as conveyed in Deed to Tollway/Outer Loop, L.P., according to the document of record filed in Document Number 20140827000927470, Official Public Records, Collin County, Texas, and being part of that tract of land described as Right-Of-Way #1 as conveyed in Street Right-Of-Way Deed to City of Celina, Texas, according to the document of record filed in Document Number 20180830001092870, Official Public Records, Collin County, Texas, and being more particularly described as follows:

BEGINNING at a 1/2" iron rod with a yellow cap stamped "DAA" found in the south line of that tract of land described as Tract V as conveyed in Deed to G Bar 7, LTD., according to the document of record filed in Volume 5850, Page 999, Official Public Records, Collin County, Texas, for the northeast corner of Lot 1, Block K, CAMBRIDGE CROSSING PHASE ONE, an Addition to the City of Celina, Collin County, Texas, according to the Plat of record filed in Document Number 20200212010000590, Official Public Records, Collin County, Texas;

THENCE N 89° 38' 12" E, with the south line of said Tract V, a distance of 674.42 feet to a 1/2" iron rod found in the west line of that tract of land conveyed in Deed to Stiles Family Limited Partnership, according to the document of record filed in Document Number 97-0009838, Official Public Records, Collin County, Texas, for the common northeast corner of said Right-Of-Way #1 and the southeast corner of said Tract V;

THENCE S 00° 14' 13" E, with a common east line of said Right-Of-Way #1 and the west line of said Stiles

Family Limited Partnership tract, a distance of 650.00 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found for the most easterly northeast corner of said Addition;

THENCE S 89° 38' 12" W, with the north line of Block J of said Addition, a distance of 484.27 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found for the northwest corner of Lot 1, Block J, of said Addition;

THENCE S 76° 41' 02" W, a distance of 50.02 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found for the northwest corner of Lot 23, Block I, of said Addition;

THENCE S 57° 34' 12" W, with the north line of said Lot 23, a distance of 120.17 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found for the most easterly southeast corner of Lot 26, Block I, of said Addition;

THENCE N 33° 37' 42" W, leaving the north line of said Lot 23 and with the east line of said Lot 26, a distance of 144.26 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found in the south line of Coventry Drive, a 50' right-of-way, for the north corner of said Lot 26, said being at the beginning of a non-tangent curve to the right, having a central angle of 05° 45' 28", a radius of 515.00 feet and a chord bearing and distance of N 59° 15' 02" E, 51.73 feet;

THENCE With the south line of said Coventry Drive and said curve to the right, an arc distance of 51.75 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found;

THENCE N 27° 52' 14" W, a distance of 50.00 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found for the southeast corner of Lot 9, Block K of said Addition;

THENCE N 27° 02' 29" W, with the east line of said Lot 9, a distance of 46.67 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found for an interior ell corner of said Lot 9;

THENCE N 00° 45' 41" W, with the east line of Block K of said Addition, a distance of 371.95 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found in the south line of Lot 2, Block K of said Addition, for the northeast corner of Lot 3, Block K of said Addition;

THENCE N 89° 14' 19" E, with the south line of said Lot 2, a distance of 43.83 feet to a 1/2" iron rod with a yellow cap stamped "DAA" found for the southeast corner of said Lot 2;

THENCE N 00° 45' 41" W, with the east line of Block K of said Addition, a distance of 119.92 feet to the **POINT OF BEGINNING**, and containing 10.633 acres of land, more or less.

APPENDIX C-2
PHASE #3 LEGAL DESCRIPTION

Attachment: Draft Ordinance (Cambridge Crossing Phase 3 PID – Improvement Levy Ordinance)

LEGAL DESCRIPTION**70.971 ACRES****TRACT 1**

BEING a tract of land situated in the RICHARD ALDERSON SURVEY, ABSTRACT NO. 7, and the T. STATEN SURVEY, ABSTRACT NO. 806, Collin County, Texas, and being part of that tract of land conveyed in Deed to Tollway/Outer Loop, L.P., according to the document of record filed in Document Number 20140827000927480, Official Public Records, Collin County, Texas, and being part of that tract of land conveyed in Deed to Tollway/Outer Loop, L.P., according to the document of record filed in Document Number 20140827000927470, Official Public Records, Collin County, Texas, and being part of that tract of land described as Right-of-Way #2, as conveyed in Deed to City of Celina, Texas, according to the document of record filed in Document Number 20180830001092870, Official Public Records, Collin County, Texas, and being more particularly described as follows:

BEGINNING at a 1/2" iron rod with yellow cap stamped "DAA" found in the north line of PUNK CARTER PARKWAY, a Platted variable width right-of-way, according to the Plat of record filed in Document Number 20200212010000580, Official Public Records, Collin County, Texas, for the south end of a corner clip;

THENCE With said north line, the following courses and distances:

S 89° 43' 04" W, a distance of 150.00 feet to a 1/2" iron rod with yellow cap stamped "DAA" found;

S 85° 54' 13" W, a distance of 150.33 feet to a 1/2" iron rod with yellow cap stamped "DAA" found;

S 89° 43' 04" W, a distance of 638.26 feet to a 1/2" iron rod set;

THENCE Leaving said north line, over and across said Tollway/Outer Loop, L.P. tract, (Document Number 20140827000927480), and said Right-of-Way #2 tract and said Tollway/Outer Loop, L.P. tract, (Document Number 20140827000927470), the following courses and distances:

N 00° 16' 56" W, a distance of 1,158.02 feet to a 1/2" iron rod set;

N 08° 21' 14" E, a distance of 63.00 feet to a 1/2" iron rod set at the beginning of a curve to the right having a central angle of 01° 00' 04", a radius of 625.00 feet and a chord bearing and distance of S 81° 08' 44" E, 10.92 feet;

With said curve to the right, an arc distance of 10.92 feet to a 1/2" iron rod set;

N 17° 07' 54" E, a distance of 218.44 feet to a 1/2" iron rod set;

N 30° 12' 20" E, a distance of 797.85 feet to a 1/2" iron rod set;

N 59° 47' 40" W, a distance of 19.38 feet to a 1/2" iron rod set;

N 30° 12' 20" E, a distance of 218.95 feet to a 1/2" iron rod set in the south line of that tract of land conveyed in Deed to Collin County, Texas, according to the document of record filed in Document

Number 20160930001319650, Official Public Records, Collin County, Texas, and being at the beginning of a non-tangent curve to the left having a central angle of 06° 00' 28", a radius of 3,450.00 feet and a chord bearing and distance of S 65° 18' 02" E, 361.58 feet;

THENCE With the south line of said Collin County, Texas tract and said curve to the left, an arc distance of 361.74 feet to a 1/2" iron rod set for the northwest corner of that tract of land described as Parcel 6, as conveyed in Deed to Tollway/Outer Loop Commercial, L.P., according to the document of record filed in Document Number 20180524000635960, Official Public Records, Collin County, Texas;

THENCE With the west line of said Parcel 6, the following courses and distances:

S 30° 12' 20" W, a distance of 212.02 feet to a 1/2" iron rod set;

S 56° 24' 40" W, a distance of 66.87 feet to a 1/2" iron rod set;

S 30° 12' 20" W, a distance of 305.10 feet to a 1/2" iron rod set for a common interior ell corner of said Tollway/Outer Loop, L.P. tract, (Document Number 20140827000927480), and the southwest corner of said Parcel 6;

THENCE With the south line of said Parcel 6, the following courses and distances:

S 73° 31' 00" E, a distance of 92.50 feet to a 1/2" iron rod set;

S 84° 54' 46" E, a distance of 65.83 feet to a 1/2" iron rod set;

N 84° 25' 34" E, a distance of 65.77 feet to a 1/2" iron rod set;

N 79° 08' 53" E, a distance of 70.87 feet to a 1/2" iron rod set;

N 87° 16' 52" E, a distance of 85.66 feet to a 1/2" iron rod set;

S 86° 20' 02" E, a distance of 85.64 feet to a 1/2" iron rod set;

S 76° 57' 53" E, a distance of 85.56 feet to a 1/2" iron rod set;

S 71° 27' 10" E, a distance of 284.63 feet to a 1/2" iron rod set;

S 84° 13' 10" E, a distance of 77.68 feet to a 1/2" iron rod set in the west line of Huddleston Drive, a 90' right-of-way, dedicated by CAMBRIDGE CROSSING PHASE ONE, an Addition to the City of Celina, Collin County, Texas, according to the Plat of record filed in Document Number 20200212010000590, Official Public Records, Collin County, Texas, for the southeast corner of said Parcel 6, and being at the beginning of a non-tangent curve to the right having a central angle of 01° 27' 44", a radius of 955.00 feet and a chord bearing and distance of S 29° 19' 05" W, 24.37 feet;

THENCE With the west line of said Huddleston Drive, the following courses and distances:

With said curve to the right, an arc distance of 24.37 feet to a 1/2" iron rod with yellow cap stamped "DAA" found;

S 30° 02' 57" W, a distance of 918.01 feet to a 1/2" iron rod with yellow cap stamped "DAA" found at the beginning of a curve to the left having a central angle of 41° 55' 46", a radius of 637.00 feet and a chord bearing and distance of S 09° 05' 04" W, 455.83 feet;

With said curve to the left, an arc distance of 466.16 feet to a 1/2" iron rod with yellow cap stamped "DAA" found at the beginning of a reverse curve to the right having a central angle of 10° 01' 31", a radius of 1,405.00 feet and a chord bearing and distance of S 06° 52' 03" E, 245.52 feet;

With said curve to the right having an arc distance of 245.84 feet to a 1/2" iron rod with yellow cap stamped "DAA" found for the north end of the above mentioned corner clip;

S 44° 11' 11" W, with said corner clip, a distance of 35.03 feet to the **POINT OF BEGINNING**, and containing 46.409 acres of land, more or less.

TRACT 2

BEING a tract of land situated in the RICHARD ALDERSON SURVEY, ABSTRACT NO. 7, and the F.D. GARY SURVEY, ABSTRACT NO. 360, Collin County, Texas, and being part of that tract of land conveyed in Deed to Tollway/Outer Loop, L.P., according to the document of record filed in Document Number 20140827000927470, Official Public Records, Collin County, Texas, and being more particularly described as follows:

BEGINNING at a 1/2" iron rod with yellow cap stamped "DAA" found in the east line of that tract of land conveyed in Deed to Planetial, LP, according to the document of record filed in Document Number 20091016001276920, Official Public Records, Collin County, Texas, for the southwest corner of Lot 33, Block A, CAMBRIDGE CROSSING PHASE ONE, an Addition to the City of Celina, Collin County, Texas, according to the Plat of record filed in Document Number 20200212010000590, Official Public Records, Collin County, Texas;

THENCE N 89° 23' 58" E, a distance of 119.86 feet to a 1/2" iron rod with yellow cap stamped "DAA" found in the west line of Halkin Road, a 50' right-of-way, for the southeast corner of said Lot 33;

THENCE S 00° 36' 02" E, with said west line, a distance of 103.84 feet to a 1/2" iron rod with yellow cap stamped "DAA" found for an interior ell corner of said Tollway/Outer Loop, L.P. tract;

THENCE N 89° 23' 58" E, passing at a distance of 50.00 feet, a 1/2" iron rod with yellow cap stamped "DAA" found for the southwest corner of Lot 1, Block D of said Addition, and continuing in all with the south line of said Block D, a total distance of 1,124.50 feet to a 1/2" iron rod with yellow cap stamped "DAA" found in the west line of Lot 23, Block D, for the southeast corner of Lot 21, Block D;

THENCE With the west line of said Block D, the following courses and distances:

S 00° 36' 02" E, a distance of 250.00 feet to a 1/2" iron rod with yellow cap stamped "DAA" found for the common corner of Lot 27, and Lot 28;

S 15° 51' 54" W, a distance of 56.05 feet to a 1/2" iron rod with yellow cap stamped "DAA" found for the common corner of Lot 28, and Lot 29;

S 21° 57' 09" W, a distance of 205.31 feet to a 1/2" iron rod with yellow cap stamped "DAA" found for the southwest corner of Lot 31;

THENCE S 80° 21' 14" E, with the south line of said Lot 31, a distance of 134.69 feet to a 1/2" iron rod with yellow cap stamped "DAA" found in the west line of Adleigh Road, a 50' right-of-way, for the southeast corner of said Lot 31, and being at the beginning of a non-tangent curve to the right having a central angle of 08° 59' 43", a radius of 375.00 feet and a chord bearing and distance of S 44° 55' 16" W, 58.81 feet;

THENCE With the west line of said Adleigh Road, the following courses and distances:

With said curve to the right, an arc distance of 58.87 feet to a 1/2" iron rod with yellow cap stamped "DAA" found at the beginning of a compound curve to the right having a central angle of 44° 21' 32", a radius of 125.00 feet and a chord bearing and distance of S 71° 35' 54" W, 94.38 feet;

With said curve to the right, an arc distance of 96.78 feet to a 1/2" iron rod with yellow cap stamped "DAA" found;

THENCE S 03° 46' 40" W, a distance of 50.00 feet to a 1/2" iron rod with yellow cap stamped "DAA" found in the south line of said Adleigh Road;

THENCE S 86° 48' 03" E, with said south line, a distance of 3.53 feet to a 1/2" iron rod with yellow cap stamped "DAA" found at the north end of a corner clip;

THENCE S 50° 17' 38" E, with said corner clip, a distance of 15.60 feet to a 1/2" iron rod with yellow cap stamped "DAA" found in the west line of Cambridge Crossing, a variable width right-of-way, for the south end of said corner clip, and being at the beginning of a non-tangent curve to the right having a central angle of 19° 10' 11", a radius of 560.00 feet and a chord bearing and distance of S 01° 28' 51" E, 186.49 feet;

THENCE With the west line of said Cambridge Crossing and said curve to the right, an arc distance of 187.36 feet to a 1/2" iron rod with yellow cap stamped "DAA" found in the north line of that tract of land conveyed in Deed to Collin County, Texas, according to the document of record filed in Document Number 20160930001319650, Official Public Records, Collin County, Texas, and being at the beginning of a non-tangent curve to the left having a central angle of 21° 25' 11", a radius of 4,000.00 feet and a chord bearing and distance of N 89° 39' 21" W, 1,486.68 feet;

THENCE With the north line of said Collin County, Texas tract, and said curve to the left, an arc distance of 1,495.37 feet to a 1/2" iron rod set;

THENCE S 79° 38' 04" W, continuing with the north line of said Collin County, Texas tract, a distance of 130.54 feet to a 1/2" iron rod set for the southeast corner of that tract of land described as Commercial Parcel 1 as conveyed in Deed to Tollway/Outer Loop Commercial, L.P., according to the document of record filed in Document Number 20180524000635960, Official Public Records, Collin County, Texas;

THENCE N 18° 33' 46" E, with the east line of said Commercial Parcel 1, a distance of 379.70 feet to a 1/2" iron rod set in the south line of the above mentioned Planetial, LP tract, for the northeast corner of said Commercial Parcel 1;

THENCE N 89° 24' 25" E, with the south line of said Planetial, LP tract, a distance of 325.42 feet to a 5/8" iron rod with yellow cap found for a common interior ell corner of the above mentioned Tollway/Outer Loop, L.P. tract, and the southeast corner of said Planetial, LP tract;

THENCE N 00° 35' 12" W, with the east line of said Planetial, LP tract, a distance of 576.89 feet to the **POINT OF BEGINNING**, and containing 24.562 acres of land, more or less.

APPENDIX E
PID ASSESSMENT NOTICE

Attachment: Draft Ordinance (Cambridge Crossing Phase 3 PID – Improvement Levy Ordinance)

AFTER RECORDING RETURN TO:

 _____]¹

NOTICE OF OBLIGATION TO PAY IMPROVEMENT DISTRICT ASSESSMENT TO
 CITY OF CELINA, TEXAS
 CONCERNING THE FOLLOWING PROPERTY

 STREET ADDRESS

LOT TYPE _____ PRINCIPAL ASSESSMENT: \$_____

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within ***Cambridge Crossing Public Improvement District*** (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the annual service plan update for the district. More information about the assessments, including the amounts and due dates, may be obtained from the City.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

APPENDIX F
ASSESSMENT PER UNIT, PROJECTED LEVERAGE AND PROJECTED TAX RATE
EQUIVALENTS

Appendix F

For purposes of calculating and allocating the Assessments, the Assessed Property has been classified in one of five Lot Types.

“Lot Type 1” means lots identified as such on an Assessment Roll, being lots typically with a Lot width of approximately 74 feet, as provided in the Zoning Ordinance.

“Lot Type 2” means lots identified as such on an Assessment Roll, being lots typically with a Lot width of approximately 60 feet, as provided by Zoning Ordinance.

“Lot Type 3” means lots identified as such on an Assessment Roll, being lots typically with a Lot width of approximately 50 feet, as provided by Zoning Ordinance.

“Lot Type 4” means lots identified as such on an Assessment Roll, being lots typically with a Lot width of approximately 84 feet, as provided by Zoning Ordinance.

“Lot Type 5” means lots identified as such on an Assessment Roll, being lots typically with a Lot width of approximately 40 feet, as provided by Zoning Ordinance.

A) Proposed Development

Table F-1 shows the original proposed residential Lot Types to be developed within the PID.

Table F-1
Proposed Development within the PID – Original

Description	Proposed Development	
Lot Type 1 (74 Ft)	152	Units
Lot Type 2 (60 Ft)	537	Units
Lot Type 3 (50 Ft)	839	Units
Total	1,528	Units

Table F-2 shows the 2022 revised proposed residential Lot Types to be developed within the PID.

Table F-2
Proposed Development within the PID – 2022 Revised

Description	Proposed Development	
Lot Type 1 (74 Ft)	200	Units
Lot Type 2 (60 Ft)	491	Units
Lot Type 3 (50 Ft)	634	Units
Lot Type 4 (84 Ft)	7	Units
Lot Type 5 (40 Ft)	198	Units
Total	1,530	Units

Table F-3 shows the original proposed residential Lot Types to be developed within the Phases #2-7 Major Improvement Area (including the Lots developed in Phase #2 and to be developed in Phase #3).

Table F-3
Proposed Development – Phases #2-7 Major Improvement Area - Original

Description	Proposed Development	
Lot Type 1 (74 Ft)	109	Units
Lot Type 2 (60 Ft)	415	Units
Lot Type 3 (50 Ft)	674	Units
Total	1,198	Units

Table F-4 shows the 2022 revised proposed residential Lot Types to be developed within the Phases #2-7 Major Improvement Area (including the Lots developed in Phase #2 and to be developed in Phase #3).

Table F-4
Proposed Development – Phases #2-7 Major Improvement Area – 2022 Revised

Description	Proposed Development	
Lot Type 1 (74 Ft)	157	Units
Lot Type 2 (60 Ft)	369	Units
Lot Type 3 (50 Ft)	469	Units
Lot Type 4 (84 Ft)	7	Units
Lot Type 5 (40 Ft)	198	Units
Total	1,200	Units

Table F-5 shows the residential Lot Types developed within Phase #1.

Table F-5
Development – Phase #1

Description	Development	
Lot Type 1 (74 Ft)	43	Units
Lot Type 2 (60 Ft)	122	Units
Lot Type 3 (50 Ft)	165	Units
Total	330	Units

Table F-6 shows the residential Lot Types developed within Phase #2.

Table F-6
Development – Phase #2

Description	Proposed Development	
Lot Type 1 (74 Ft)	20	Units
Lot Type 2 (60 Ft)	2	Units
Lot Type 4 (84 Ft)	7	Units
Lot Type 5 (40 Ft)	198	Units
Total	227	Units

Table F-7 shows the proposed residential Lot Types to be developed within Phase #3.

Table F-7
Proposed Development – Phase #3

Description	Proposed Development	
Lot Type 1 (74 Ft)	19	Units
Lot Type 2 (60 Ft)	133	Units
Lot Type 3 (50 Ft)	90	Units
Total	242	Units

B) Calculation of Equivalent Units

As explained under Section V.D for purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Authorized Improvements shall be allocated to the parcel of the Assessed Property receiving benefit from such Authorized Improvements by spreading the entire Assessment across the Parcels based on the estimated Equivalent Units.

For purposes of this Service and Assessment Plan, the City Council has determined that the Assessments shall be allocated to Assessed Property on the basis of the average home value of each Lot Type, and that such method of allocation will result in the imposition of equal shares of the Assessments on Parcels similarly benefited. In determining the average home value of each Lot Type, the City Council has taken into consideration (i) the type of lots (i.e., 84 Ft, 74 Ft, etc.); (ii) current and projected home prices; (iii) the costs of the Authorized Improvements, and (iv) the ability of different property types to utilize and benefit from the Authorized Improvements.

Having taken into consideration the matters described above, the City Council originally determined that allocating the Assessments among Parcels of Assessed Property based on average home value is best accomplished by creating classifications of benefited Parcels based on the “Lot Types” defined above. The original classifications (from Lot Type 1 (74 Ft Lots) representing the highest value to Lot Type 3 (50 Ft Lot) representing the lowest value for residential lots). Originally, the Assessments were allocated to each Lot Type on the basis of the average home value for each class of lots. This is accomplished by giving each Lot Type an Equivalent Unit factor. Equivalent Units are the ratio of the average value of lots within each assessment class, setting the original Equivalent Unit factor for Lot Type 1 (74 Ft Lots) to 1.0.

Table F-8 shows the original Equivalent Unit factors within the PID.

Table F-8
Equivalent Unit Factors – Original

Lot Type	Estimated Average Unit Value	Equivalent Unit Factor¹
Lot Type 1 (74 Ft)	\$592,000	1.00 per dwelling unit
Lot Type 2 (60 Ft)	\$480,000	0.81 per dwelling unit
Lot Type 3 (50 Ft)	\$400,000	0.68 per dwelling unit

¹The Equivalent Unit factors are rounded to two decimal places.

In light of changes to the development process and per request from the Developer, the Lot Type classifications described above have been updated by the City Council. These classifications (from Lot Type 4 (84 Ft Lots) representing the highest value to Lot Type 5 (40 Ft Lot) representing the lowest value for residential lots). Equivalent Units are the ratio of the average value of lots within each assessment class, setting the updated Equivalent Unit factor for Lot Type 4 (84 Ft Lots) to 1.0.

Table F-9 shows the 2022 revised Equivalent Unit factors within the PID.

Table F-9
Equivalent Unit Factors – 2022 Revised

Lot Type	Estimated Average Unit Value	Equivalent Unit Factor¹
Lot Type 1 (74 Ft)	\$730,000	0.91 per dwelling unit
Lot Type 2 (60 Ft)	\$630,000	0.79 per dwelling unit
Lot Type 3 (50 Ft)	\$570,000	0.71 per dwelling unit
Lot Type 4 (84 Ft)	\$800,000	1.00 per dwelling unit
Lot Type 5 (40 Ft)	\$475,000	0.59 per dwelling unit

¹The Equivalent Unit factors are rounded to two decimal places.

The original total estimated Equivalent Units for the Phases #2-7 Major Improvement Area are shown in Table F-10 as calculated based on the original Equivalent Unit factors shown in Table F-8, estimated Lot Types and number of units originally estimated to be built within the Phases #2-7 Major Improvement Area.

Table F-10
Estimated Equivalent Units – Phases #2-7 Major Improvement Area – Original

Lot Type	Planned No. of units	Equivalent Unit Factor	Total Equivalent Units
Lot Type 1 (74 Ft)	109	1.00	109.00
Lot Type 2 (60 Ft)	415	0.81	336.15
Lot Type 3 (50 Ft)	674	0.68	458.32
Total	1,198		903.47¹

¹The total Equivalent Units shown above were used in 2018 to allocate costs of the Phases #2-7 Major Improvement Area Projects to the Phases #2-7 Major Improvement Area Assessed Property at the time Assessments were levied on the Phases #2-7 Major Improvement Area Assessed Property.

The 2022 revised total estimated Equivalent Units for the Phases #2-7 Major Improvement Area are shown in Table F-11 as calculated based on the 2022 revised Equivalent Unit factors shown in Table F-9, estimated Lot Types and number of units estimated to be built within the Phases #2-7 Major Improvement Area.

Table F-11
Estimated Equivalent Units – Phases #2-7 Major Improvement Area – 2022 Revised

Lot Type	Planned No. of units	Equivalent Unit Factor	Total Equivalent Units
Lot Type 1 (74 Ft)	157	0.91	142.87
Lot Type 2 (60 Ft)	369	0.79	291.51
Lot Type 3 (50 Ft)	469	0.71	332.99
Lot Type 4 (84 Ft)	7	1.00	7.00
Lot Type 5 (40 Ft)	198	0.59	116.82
Total	1,200		891.19

The total estimated Equivalent Units for Phase #1 are shown in Table F-12 as calculated based on the original Equivalent Unit factors shown in Table F-8, estimated Lot Types and number of units estimated to be built within Phase #1.

Table F-12
Estimated Equivalent Units – Phase #1 – Original

Lot Type	Planned No. of units	Equivalent Unit Factor	Total Equivalent Units
Lot Type 1 (74 Ft)	43	1.00	43.00
Lot Type 2 (60 Ft)	122	0.81	98.82
Lot Type 3 (50 Ft)	165	0.68	112.20
Total	330		254.02¹

¹The total Equivalent Units shown above were used in 2018 to allocate the costs of the Phase #1 Initial Projects to Phase #1 Assessed Property at the time Assessments were levied on the Phase #1 Assessed Property.

Table F-13
Estimated Equivalent Units – Phase #1 – 2022 Revised

Lot Type	Planned No. of units	Equivalent Unit Factor	Total Equivalent Units
Lot Type 1 (74 Ft)	43	0.91	39.13
Lot Type 2 (60 Ft)	122	0.79	96.38
Lot Type 3 (50 Ft)	165	0.71	117.15
Total	330		252.66¹

¹The total Equivalent Units shown above are being used in 2023 to allocate the costs of the Additional Major Improvements to Phase #1 Assessed Property.

The total estimated Equivalent Units for Phase #2 are shown in Table F-14 as calculated based on the 2022 revised Equivalent Unit factors shown in Table F-9, estimated Lot Types and number of units estimated to be built within Phase #2.

Table F-14
Estimated Equivalent Units – Phase #2

Lot Type	Planned No. of units	Equivalent Unit Factor	Total Equivalent Units
Lot Type 1 (74 Ft)	20	0.91	18.20
Lot Type 2 (60 Ft)	2	0.79	1.58
Lot Type 4 (84 Ft)	7	1.00	7.00
Lot Type 5 (40 Ft)	198	0.59	116.82
Total	227		143.60

The total estimated Equivalent Units for Phase #3 are shown in Table F-15 as calculated based on the 2022 revised Equivalent Unit factors shown in Table F-9, estimated Lot Types and number of units estimated to be built within Phase #3.

Table F-15
Estimated Equivalent Units – Phase #3

Lot Type	Planned No. of units	Equivalent Unit Factor	Total Equivalent Units
Lot Type 1 (74 Ft)	19	0.91	17.29
Lot Type 2 (60 Ft)	133	0.79	105.07
Lot Type 3 (50 Ft)	90	0.71	63.90
Total	242		186.26

C) Original Allocation of Assessments to Lots within Phases #2-7 Major Improvement Area

As shown in Table F-16 the total amount of the Phases #2-7 Major Improvement Area Bonds, which represents the total Assessment to be allocated on all Parcels within the Phases #2-7 Major Improvement Area, is \$13,795,000. As shown in Table F-10, there were a total of 1,198 residential units representing a total of 903.47 originally estimated Equivalent Units at the time the assessment was levied against such property for the residential development in the Phases #2-7 Major Improvement Area, resulting in an original Assessment per Equivalent Unit of \$15,268.91.

The original Assessment per dwelling unit was calculated as the product of (i) \$15,268.91 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, the original Assessment for a Lot Type 1 (74 Ft Lot) dwelling unit was \$15,268.91 (i.e. \$15,268.91 × 1.00). The original Assessment for a Lot Type 2 (60 Ft Lot) dwelling unit was \$12,367.82 (i.e. \$15,268.91 × 0.81). The original Assessment for a Lot Type 3 (50 Ft Lot) dwelling unit was \$10,382.86 (i.e. \$15,268.91 × 0.68). Table F-16 sets forth the original Assessment per dwelling unit for each of the original three Lot Types in the Phases #2-7 Major Improvement Area.

Table F-16
Original Assessment Per Unit – Phases #2-7 Major Improvement Area

Type	Planned No. of Units	Assessment per Equivalent Unit	Equivalent Unit Factor	Assessment Per Unit	Total Assessments
Lot Type 1 (74 Ft)	109	\$15,268.91	1.00	\$15,268.91 per dwelling unit	\$1,664,311
Lot Type 2 (60 Ft)	415	\$15,268.91	0.81	\$12,367.82 per dwelling unit	\$5,132,643
Lot Type 3 (50 Ft)	674	\$15,268.91	0.68	\$10,382.86 per dwelling unit	\$6,998,046
Total	1,198				\$13,795,000

The original projected leverage calculated based on the estimated finished lot values and home values for each Lot Type is shown in Table F-17.

Table F-17
Original Projected Leverage – Phases #2-7 Major Improvement Area

Description	Planned No. of Units	Estimated Finished Lot Value Per Unit	Projected Home Value Per Unit	Assessment Per Unit ¹	Leverage (Lot Value)	Leverage (Home Value)
Lot Type 1 (74 Ft)	109	\$114,700	\$592,000	\$15,268.91	7.51	38.77
Lot Type 2 (60 Ft)	415	\$93,000	\$480,000	\$12,367.82	7.52	38.81
Lot Type 3 (50 Ft)	674	\$77,500	\$400,000	\$10,382.86	7.46	38.53

The original projected tax rate equivalent per unit calculated based on the estimated finished lot values and home values for each Lot Type is shown in Table F-18.

Table F-18
Original Estimated Tax Rate Equivalent Per Unit – Phases #2-7 Major Improvement Area

Description	Planned No. of Units	Estimated Finished Lot Value Per Unit	Projected Home Value Per Unit	Projected Average Annual Installment Per Unit	Tax Rate Equivalent (per \$100 Lot Value) ¹	Tax Rate Equivalent (per \$100 Home Value)
Lot Type 1 (74 Ft)	109	\$114,700	\$592,000	\$1,194.14	\$1.0411	\$0.2017
Lot Type 2 (60 Ft)	415	\$93,000	\$480,000	\$967.25	\$1.0401	\$0.2015
Lot Type 3 (50 Ft)	674	\$77,500	\$400,000	\$812.01	\$1.0478	\$0.2030

D) 2022 Revised Allocation of Assessments to Lots within Phases #2-7 Major Improvement Area

As shown in Table F-19 the total amount of the Phases #2-7 Major Improvement Area Bonds, which represents the total Assessment allocated on all Parcels within the Phases #2-7 Major Improvement Area, is \$13,795,000. As shown in Table F-11, there is now anticipated to be a total of 1,200 residential units representing a 2022 revised total of 891.19 estimated Equivalent Units for the residential development in the Phases #2-7 Major Improvement Area, resulting in a 2022 revised Assessment per Equivalent Unit of \$15,479.30.

The 2022 revised Assessment per dwelling unit was calculated as the product of (i) \$15,479.301 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, the revised Assessment for a Lot Type 1 (74 Ft Lot) dwelling unit is \$14,086.17 (i.e. \$15,479.30 × 0.91). The 2022 revised Assessment for a Lot Type 2 (60 Ft Lot) dwelling unit is \$12,228.65 (i.e. \$15,479.30 × 0.79). The 2022 revised Assessment for a Lot Type 3 (50 Ft Lot) dwelling unit is \$10,990.31 (i.e. \$15,479.30 × 0.71). The 2022 revised Assessment for a Lot Type 4 (84 Ft Lot) dwelling unit is \$15,479.30 (i.e. \$15,479.30 × 1.00). The 2022 revised Assessment for a Lot Type 5 (40 Ft Lot) dwelling unit is \$9,132.79 (i.e. \$15,479.30 × 0.59). Table F-19 sets forth the 2022 revised Assessment per dwelling unit for each of the five Lot Types in Phases #2-7 Major Improvement Area.

Table F-19
2022 Revised Assessment Per Unit – Phases #2-7 Major Improvement Area

Type	Planned No. of Units	Assessment Per Equivalent Unit	Equivalent Unit Factor	Assessment Per Unit		Total Assessments
Lot Type 1 (74 Ft)	157	\$15,479.30	0.91	\$14,086.17	per dwelling unit	\$2,211,528
Lot Type 2 (60 Ft)	369	\$15,479.30	0.79	\$12,228.65	per dwelling unit	\$4,512,372
Lot Type 3 (50 Ft)	469	\$15,479.30	0.71	\$10,990.31	per dwelling unit	\$5,154,453
Lot Type 4 (84 Ft)	7	\$15,479.30	1.00	\$15,479.30	per dwelling unit	\$108,355
Lot Type 5 (40 Ft)	198	\$15,479.30	0.59	\$9,132.79	per dwelling unit	\$1,808,292
Total	1,200					\$13,795,000

The 2022 revised projected leverage calculated based on the estimated finished lot values and home values for each Lot Type is shown in Table F-20.

Table F-20
2022 Revised Projected Leverage – Phases #2-7 Major Improvement Area

Description	Planned No. of Units	Estimated Finished Lot Value Per Unit	Projected Home Value Per Unit	Assessment Per Unit ¹	Leverage (Lot Value)	Leverage (Home Value)
Lot Type 1 (74 Ft)	157	\$118,400	\$730,000	\$14,086.17	8.41	51.82
Lot Type 2 (60 Ft)	369	\$96,000	\$630,000	\$12,228.65	7.85	51.52
Lot Type 3 (50 Ft)	469	\$80,000	\$570,000	\$10,990.31	7.28	51.86
Lot Type 4 (84 Ft)	7	\$134,400	\$800,000	\$15,479.30	8.68	51.68
Lot Type 5 (40 Ft)	198	\$65,000	\$475,000	\$9,132.79	7.12	52.01

The 2022 revised projected tax rate equivalent per unit calculated based on the estimated finished lot values and home values for each Lot Type is shown in Table F-21.

Table F-21
Revised Estimated Tax Rate Equivalent Per Unit – Phases #2-7 Major Improvement Area

Description	Planned No. of Units	Estimated Finished Lot Value Per Unit	Projected Home Value Per Unit	Projected Average Annual Installment Per Unit	Tax Rate Equivalent (per \$100 Lot Value)	Tax Rate Equivalent (per \$100 Home Value)
Lot Type 1 (74 Ft)	157	\$118,400	\$730,000	\$1,101.64	\$0.9304	\$0.1509
Lot Type 2 (60 Ft)	369	\$96,000	\$630,000	\$956.37	\$0.9962	\$0.1518
Lot Type 3 (50 Ft)	469	\$80,000	\$570,000	\$859.52	\$1.0744	\$0.1508
Lot Type 4 (84 Ft)	7	\$134,400	\$800,000	\$1,210.59	\$0.9007	\$0.1513
Lot Type 5 (40 Ft)	198	\$65,000	\$475,000	\$714.25	\$1.0988	\$0.1504

E) Original Allocation of Assessments to Lots within Phase #1

As shown in Table F-22, the total amount of the Phase #1 Bonds, which represents the total Assessment allocated on all Parcels within Phase #1, is \$9,555,000. As shown in Table F-12, there are a total of 330 residential units representing a total of 254.02 estimated original Equivalent Units at the time the assessment was levied against such property for the residential development in Phase #1, resulting in an original Assessment per Equivalent Unit of \$37,615.15.

The original Assessment per dwelling unit is calculated as the product of (i) \$37,615.15 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, the original Assessment for a Lot Type 1 (74 Ft Lot) dwelling unit is \$37,615.15 (i.e. $\$37,615.15 \times 1.00$). The original Assessment for a Lot Type 2 (60 Ft Lot) dwelling unit is \$30,468.27 (i.e. $\$37,615.15 \times 0.81$). The original Assessment for a Lot Type 3 (50 Ft Lot) dwelling unit is \$25,578.30 (i.e. $\$37,615.15 \times 0.68$). Table F-22 sets forth the original Assessment per dwelling unit for each of the three Lot Types in Phase #1.

Table F-22
Original Assessment Per Unit – Phase #1 Initial Projects

Type	Planned No. of Units	Assessment per Equivalent Unit	Equivalent Unit Factor	Assessment Per Unit	Total Assessments
Lot Type 1 (74 Ft)	43	\$37,615.15	1.00	\$37,615.15 per dwelling unit	\$1,617,451
Lot Type 2 (60 Ft)	122	\$37,615.15	0.81	\$30,468.27 per dwelling unit	\$3,717,129
Lot Type 3 (50 Ft)	165	\$37,615.15	0.68	\$25,578.30 per dwelling unit	\$4,220,420
Total	330				\$9,555,000

The original projected leverage calculated based on the estimated finished lot values and home values for each Lot Type is shown in Table F-23.

Table F-23
Original Projected Leverage – Phase #1 Initial Projects

Description	Planned No. of Units	Estimated Finished Lot Value Per Unit	Projected Home Value Per Unit	Assessment Per Unit ¹	Leverage (Lot Value)	Leverage (Home Value)
Lot Type 1 (74 Ft)	43	\$114,700	\$592,000	\$37,615.15	3.05	15.74
Lot Type 2 (60 Ft)	122	\$93,000	\$480,000	\$30,468.27	3.05	15.75
Lot Type 3 (50 Ft)	165	\$77,500	\$400,000	\$25,578.30	3.03	15.64

The original projected tax rate equivalent per unit calculated based on the estimated finished lot values and home values for each Lot Type is shown in Table F-24.

Table F-24
Original Estimated Tax Rate Equivalent Per Unit – Phase #1 Initial Projects

Description	Planned No. of Units	Estimated Finished Lot Value Per Unit	Projected Home Value Per Unit	Projected Average Annual Installment Per Unit	Tax Rate Equivalent (per \$100 Lot Value) ¹	Tax Rate Equivalent (per \$100 Home Value) ¹
Lot Type 1 (74 Ft)	43	\$114,700	\$592,000	\$2,928.53	\$2.5532	\$0.4947
Lot Type 2 (60 Ft)	122	\$93,000	\$480,000	\$2,372.11	\$2.5507	\$0.4942
Lot Type 3 (50 Ft)	165	\$77,500	\$400,000	\$1,991.40	\$2.5696	\$0.4979

As shown in Table F-9, the Lot Type classifications have been updated by the City Council, and subsequently the estimated finished Lot values and home values have been updated. The updated projected leverage calculated based on the estimated finished Lot values and home values for each Lot Type is shown in Table F-25.

Table F-25
Updated Projected Leverage – Phase #1 Initial Projects

Description	Planned No. of Units	Estimated Finished Lot Value Per Unit	Projected Home Value Per Unit	Assessment Per Unit	Leverage (Lot Value)	Leverage (Home Value)
Lot Type 1 (74 Ft)	43	\$118,400	\$730,000	\$37,615.15	3.15	19.41
Lot Type 2 (60 Ft)	122	\$96,000	\$630,000	\$30,468.27	3.15	20.68
Lot Type 3 (50 Ft)	165	\$80,000	\$570,000	\$25,578.30	3.13	22.28

As shown in Table F-9, the Lot Type classifications have been updated by the City Council, and subsequently the estimated finished Lot values and home values have been updated. The updated projected tax rate equivalent per unit calculated based on the estimated finished lot values and home values for each Lot Type is shown in Table F-26.

Table F-26
Updated Estimated Tax Rate Equivalent Per Unit – Phase #1 Initial Projects

Description	Planned No. of Units	Estimated Finished Lot Value Per Unit	Projected Home Value Per Unit	Projected Average Annual Installment Per Unit	Tax Rate Equivalent (per \$100 Lot Value)	Tax Rate Equivalent (per \$100 Home Value) ¹
Lot Type 1 (74 Ft)	43	\$118,400	\$730,000	\$2,928.53	\$2.4734	\$0.4012
Lot Type 2 (60 Ft)	122	\$96,000	\$630,000	\$2,372.11	\$2.4710	\$0.3765
Lot Type 3 (50 Ft)	165	\$80,000	\$570,000	\$1,991.40	\$2.4893	\$0.3494

F) Allocation of Assessments to Lots within Phase #2

As shown in Table F-27 the total amount of the obligation due under the Reimbursement Agreement related to the Phase #2 Improvements, which represents the total Assessment allocated on the Phase #2 Assessed Property, is \$5,938,154. As shown in Table F-14, there are anticipated to be a total of 227 residential units representing a total of 143.60 estimated Equivalent Units for the residential development in Phase #2, resulting in an Assessment per Equivalent Unit of \$41,352.05.

The Assessment per dwelling unit is calculated as the product of (i) \$41,352.05 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, the Assessment for a Lot Type 1 (74 Ft Lot) dwelling unit is \$37,630.36 (i.e. $\$41,352.05 \times 0.91$). The Assessment for a Lot Type 2 (60 Ft Lot) dwelling unit is \$32,668.12 (i.e. $\$41,352.05 \times 0.79$). The Assessment for a Lot Type 4 (84 Ft Lot) dwelling unit is \$41,352.05 (i.e. $\$41,352.05 \times 1.00$). The Assessment for a Lot Type 5 (40 Ft Lot) dwelling unit is \$24,397.71 (i.e. $\$41,352.05 \times 0.59$). Table F-27 sets forth the Assessment per dwelling unit for each of the four Lot Types in Phase #2.

Table F-27
Assessment Per Unit – Phase #2 Improvements

Type	Planned No. of Units	Assessment per Equivalent Unit	Equivalent Unit Factor	Assessment Per Unit	Total Assessments
Lot Type 1 (74 Ft)	20	\$41,352.05	0.91	\$37,630.36 per dwelling unit	\$752,607
Lot Type 2 (60 Ft)	2	\$41,352.05	0.79	\$32,668.12 per dwelling unit	\$65,336
Lot Type 4 (84 Ft)	7	\$41,352.05	1.00	\$41,352.05 per dwelling unit	\$289,464
Lot Type 5 (40 Ft)	198	\$41,352.05	0.59	\$24,397.71 per dwelling unit	\$4,830,746
Total	227				\$5,938,154

The projected leverage calculated based on the estimated finished lot values and home values for each Lot Type is shown in Table F-28.

Table F-28
Projected Leverage – Phase #2 Improvements

Description	Planned No. of Units	Estimated Finished Lot Value Per Unit	Projected Home Value Per Unit	Assessment Per Unit	Leverage (Lot Value)	Leverage (Home Value)
Lot Type 1 (74 Ft)	20	\$118,400	\$730,000	\$37,630.36	3.15	19.40
Lot Type 2 (60 Ft)	2	\$96,000	\$630,000	\$32,668.12	2.94	19.28
Lot Type 4 (84 Ft)	7	\$134,400	\$800,000	\$41,352.05	3.25	19.35
Lot Type 5 (40 Ft)	198	\$65,000	\$475,000	\$24,397.71	2.66	19.47

The projected tax rate equivalent per unit calculated based on the estimated finished lot values and home values for each Lot Type is shown in Table F-29.

Table F-29
Estimated Tax Rate Equivalent Per Unit – Phase #2 Improvements

Description	Planned No. of Units	Estimated Finished Lot Value Per Unit	Projected Home Value Per Unit	Projected Average Annual Installment Per Unit	Tax Rate Equivalent (per \$100 Lot Value) ¹	Tax Rate Equivalent (per \$100 Home Value)
Lot Type 1 (74 Ft)	20	\$118,400	\$730,000	\$3,204.44	\$2.706	\$0.439
Lot Type 2 (60 Ft)	2	\$96,000	\$630,000	\$2,781.87	\$2.898	\$0.442
Lot Type 4 (84 Ft)	7	\$134,400	\$800,000	\$3,521.36	\$2.620	\$0.440
Lot Type 5 (40 Ft)	198	\$65,000	\$475,000	\$2,077.60	\$3.196	\$0.437

The Phases #2-7 Major Improvement Area Assessments allocated to Phase #2 are shown in Table F-30.

Table F-30
Assessment Per Unit – Phase #2's share of Phases #2-7 Major Improvement Area Assessments

Description	Planned No. of Units	Assessment per Equivalent Unit ¹	Equivalent Unit Factor	Assessment Per Unit	Total Assessments
Lot Type 1 (74 Ft)	20	\$15,479.30	0.91	\$14,086.17 per dwelling unit	\$281,723
Lot Type 2 (60 Ft)	2	\$15,479.30	0.79	\$12,228.65 per dwelling unit	\$24,457
Lot Type 4 (84 Ft)	7	\$15,479.30	1.00	\$15,479.30 per dwelling unit	\$108,355
Lot Type 5 (40 Ft)	198	\$15,479.30	0.59	\$9,132.79 per dwelling unit	\$1,808,292
Total	227				\$2,222,828

¹See Table F-19.

The combined Phase #2 Assessments (for the Phase #2 Improvements) and the Phases #2-7 Major Improvement Area Assessments allocated to Phase #2 are shown in Table F-31.

Table F-31
Combined Assessment Per Unit – Phases #2 Initial Projects

Description	Planned No. of Units	Phase #2 Improvements Assessment Per Unit ¹	Phase #2's share of Phases #2-7 Major Improvement Area Assessment Per Unit ²	Phase #2 Projects Assessment Per Unit	Phase #2 Projects Total Assessments
Lot Type 1 (74 Ft)	20	\$37,630.36	\$14,086.17	\$51,716.53	\$1,034,331
Lot Type 2 (60 Ft)	2	\$32,668.12	\$12,228.65	\$44,896.77	\$89,794
Lot Type 4 (84 Ft)	7	\$41,352.05	\$15,479.30	\$56,831.35	\$397,819
Lot Type 5 (40 Ft)	198	\$24,397.71	\$9,132.79	\$33,530.50	\$6,639,038
Total	227				\$8,160,982

¹See Table F-27.

²See Table F-30.

The combined projected leverage for the Phase #2 Assessments (for the Phase #2 Improvements) and the Phases #2-7 Major Improvement Area Assessments allocated to Phase #2 are shown in Table F-32.

Table F-32
Combined Projected Leverage – Phase #2 Initial Projects

Description	Planned No. of Units	Estimated Finished Lot Value per unit	Projected Home Value per unit	Phase #2 Projects Assessment per Unit	Leverage (Lot Value)	Leverage (Home Value)
Lot Type 1 (74 Ft)	20	\$118,400	\$730,000	\$51,716.53	2.29	14.12
Lot Type 2 (60 Ft)	2	\$96,000	\$630,000	\$44,896.77	2.14	14.03
Lot Type 4 (84 Ft)	7	\$134,400	\$800,000	\$56,831.35	2.36	14.08
Lot Type 5 (40 Ft)	198	\$65,000	\$475,000	\$33,530.50	1.94	14.17

The combined projected tax rate equivalent for the Phase #2 Assessments (for the Phase #2 Improvements) and the Phases #2-7 Major Improvement Area Assessments allocated to Phase #2 are shown in Table F-33.

Table F-33 Projects
Combined Estimated Tax Rate Equivalent Per Unit – Phase #2 Initial Projects

Description	Planned No. of Units	Estimated Finished Lot Value Per Unit	Projected Home Value Per Unit	Projected Average Annual Installment Per Unit	Tax Rate Equivalent (per \$100 Lot Value)	Tax Rate Equivalent (per \$100 Home Value)
Lot Type 1 (74 Ft)	20	\$118,400	\$730,000	\$4,306.08	\$3.637	\$0.590
Lot Type 2 (60 Ft)	2	\$96,000	\$630,000	\$3,738.24	\$3.894	\$0.593
Lot Type 4 (84 Ft)	7	\$134,400	\$800,000	\$4,731.95	\$3.521	\$0.591
Lot Type 5 (40 Ft)	198	\$65,000	\$475,000	\$2,791.85	\$4.295	\$0.588

G) Allocation of Assessments to Lots within Phase #3

As shown in Table F-34 the total amount of (i) the obligation due under the Reimbursement Agreement related to the Phase #3 Improvements and (ii) the obligation due under the Reimbursement Agreement related to Phase #3 Additional Projects, which represents the total Assessment to be allocated on the Phase #3 Assessed Property, is \$7,708,239. As shown in Table F-15, there are anticipated to be a total of 242 residential units representing a total of 186.26 estimated Equivalent Units for the residential development in Phase #3, resulting in an Assessment per Equivalent Unit of \$41,384.30.

The Assessment per dwelling unit is calculated as the product of (i) \$41,384.30 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, the Assessment for a Lot Type 1 (74 Ft Lot) dwelling unit is \$37,659.71 (i.e. $\$41,384.30 \times 0.91$). The Assessment for a Lot

Type 2 (60 Ft Lot) dwelling unit is \$32,693.60 (i.e. \$41,384.30 × 0.79). The Assessment for a Lot Type 3 (50 Ft Lot) dwelling unit is \$29,382.85 (i.e. \$41,384.30 × 0.71). Table F-34 sets forth the Assessment per dwelling unit for each of the three Lot Types in Phase #3.

Table F-34
Assessment Per Unit –Phase #3 Improvements and Phase #3 Additional Projects

Type	Planned No. of Units	Assessment per Equivalent Unit	Equivalent Unit Factor	Assessment per unit		Total Assessments
Lot Type 1 (74 Ft)	19	\$41,384.30	0.91	\$37,659.71	per dwelling unit	\$715,535
Lot Type 2 (60 Ft)	133	\$41,384.30	0.79	\$32,693.60	per dwelling unit	\$4,348,248
Lot Type 3 (50 Ft)	90	\$41,384.30	0.71	\$29,382.85	per dwelling unit	\$2,644,457
Total	242					\$7,708,239

The projected leverage calculated based on the estimated finished lot values and home values for each Lot Type is shown in Table F-35.

Table F-35
Projected Leverage –Phase #3 Improvements and Phase #3 Additional Projects

Description	Planned No. of Units	Estimated Finished Lot Value Per Unit	Projected Home Value Per Unit	Assessment Per Unit	Leverage (Lot Value)	Leverage (Home Value)
Lot Type 1 (74 Ft)	19	\$118,400	\$730,000	\$37,659.71	3.14	19.38
Lot Type 2 (60 Ft)	133	\$96,000	\$630,000	\$32,693.60	2.94	19.27
Lot Type 3 (50 Ft)	90	\$80,000	\$570,000	\$29,382.85	2.72	19.40

The projected tax rate equivalent per unit calculated based on the estimated finished lot values and home values for each Lot Type is shown in Table F-36.

Table F-36
Estimated Tax Rate Equivalent Per Unit – Phase #3 Improvements and Phase #3 Additional Projects

Description	Planned No. of Units	Estimated Finished Lot Value Per Unit	Projected Home Value Per Unit	Projected Average Annual Installment Per Unit	Tax Rate Equivalent (per \$100 Lot Value)	Tax Rate Equivalent (per \$100 Home Value)
Lot Type 1 (74 Ft)	19	\$118,400	\$730,000	\$3,133.86	\$2.647	\$0.429
Lot Type 2 (60 Ft)	133	\$96,000	\$630,000	\$2,720.60	\$2.834	\$0.432
Lot Type 3 (50 Ft)	90	\$80,000	\$570,000	\$2,445.10	\$3.056	\$0.429

The Phases #2-7 Major Improvement Area Assessments allocated to Phase #3 are shown in Table F-37.

Table F-37

Assessment Per Unit – Phase #3's share of Phases #2-7 Major Improvement Area Assessments

Description	Planned No. of Units	Assessment per Equivalent Unit ¹	Equivalent Unit Factor	Assessment Per Unit	Total Assessments
Lot Type 1 (74 Ft)	19	\$15,479.30	0.91	\$14,086.17 per dwelling unit	\$267,637
Lot Type 2 (60 Ft)	133	\$15,479.30	0.79	\$12,228.65 per dwelling unit	\$1,626,410
Lot Type 3 (50 Ft)	90	\$15,479.30	0.71	\$10,990.31 per dwelling unit	\$989,127
Total	242				\$2,883,175

¹See Table F-19.

The combined Phase #3 Assessments (for the Phase #3 Improvements and Phase #3 Additional Projects) and the Phases #2-7 Major Improvement Area Assessments allocated to Phase #3 are shown in Table F-38.

Table F-38

Combined Assessment Per Unit – Phase #3 Projects

Description	Planned No. of Units	Phase #3 Improvements Assessment Per Unit ¹	Phase #3's share of Phases #2-7 Major Improvement Area Assessment Per Unit ²	Phase #3 Projects Assessment Per Unit	Phase #3 Projects Total Assessments
Lot Type 1 (74 Ft)	19	\$37,659.71	\$14,086.17	\$51,745.88	\$983,172
Lot Type 2 (60 Ft)	133	\$32,693.60	\$12,228.65	\$44,922.24	\$5,974,659
Lot Type 3 (50 Ft)	90	\$29,382.85	\$10,990.31	\$40,373.16	\$3,633,584
Total	242				\$10,591,414

¹See Table F-34.

²See Table F-36.

The combined projected leverage for the Phase #3 Assessments (for the Phase #3 Improvements and Phase #3 Additional Projects) and the Phases #2-7 Major Improvement Area Assessments allocated to Phase #3 are shown in Table F-39.

Table F-39

Combined Projected Leverage – Phase #3 Projects

Description	Planned No. of Units	Estimated Finished Lot Value per unit	Projected Home Value per unit	Phase #3 Projects Assessment per Unit	Leverage (Lot Value)	Leverage (Home Value)
Lot Type 1 (74 Ft)	19	\$118,400	\$730,000	\$51,745.88	2.29	14.11
Lot Type 2 (60 Ft)	133	\$96,000	\$630,000	\$44,922.24	2.14	14.02
Lot Type 3 (50 Ft)	90	\$80,000	\$570,000	\$40,373.16	1.98	14.12

The combined projected tax rate equivalent for the Phase #3 Assessments (for the Phase #3 Improvements and Phase #3 Additional Projects) and the Phases #2-7 Major Improvement Area Assessments allocated to Phase #3 are shown in Table F-40.

Table F-40
Combined Estimated Tax Rate Equivalent Per Unit – Phase #3 Projects

Description	Planned No. of Units	Estimated Finished Lot Value Per Unit	Projected Home Value Per Unit	Projected Average Annual Installment Per Unit	Tax Rate Equivalent (per \$100 Lot Value)	Tax Rate Equivalent (per \$100 Home Value)
Lot Type 1 (74 Ft)	19	\$118,400	\$730,000	\$4,235.50	\$3.577	\$0.580
Lot Type 2 (60 Ft)	133	\$96,000	\$630,000	\$3,676.97	\$3.830	\$0.584
Lot Type 3 (50 Ft)	90	\$80,000	\$570,000	\$3,304.62	\$4.131	\$0.580

¹The 9/1/XX dates represent the assessment year (bond year) end for the Bonds.

²Represents the principal and interest on the Phases #2-7 Major Improvement Area Bonds. Interest is calculated using an interest rate of 4.375% in years 1 through 5 (2019-2023), 5.00% in years 6 through 10 (2024 through 2028), 5.50% in years 11 through 20 (2029-2038) and 5.625% in years 21 through 30 (2039-2048).

³Administrative Expenses are estimated and will be updated each year in the Annual Service Plan Updates. Assumes a 2% increase per year.

¹The 9/1/XX dates represent the assessment year (bond year) end for the Bonds.

²Represents the principal and interest on the Phase #1 Bonds. Interest is calculated using an interest rate of 4.125% in years 1 through 5 (2019-2023), 4.625% in years 6 through 10 (2024 through 2028), 5.125% in years 11 through 20 (2029-2038) and 5.250% in years 21 through 29 (2039-2047).

³Administrative Expenses are estimated and will be updated each year in the Annual Service Plan Updates. Assumes a 2% increase per year.

Memorandum

To: **Honorable Mayor Terry and the Celina City Council**
From: Jonathan Pollard, Senior Planner
CC: Jason Laumer, City Manager
Date: February 14, 2023
Re: Harper Estates PID - Levy Ordinance

Action Requested:

The Celina City Council will conduct a public hearing to consider testimony and act upon an ordinance accepting and approving a final Harper Estates Public Improvement District Service and Assessment Plan, including the Assessment Roll; making a finding of special benefit to property within the Harper Estates Public Improvement District; levying special assessments against such property and establishing a lien on such property; providing for the method of assessment and the payment of the assessments levied against the assessed property, in accordance with Chapter 372 of the Texas Local Government Code, as amended. (Harper Estates PID – Levy Ordinance) (Pollard)

ORDINANCE NO. 2023-__

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS ACCEPTING AND APPROVING A SERVICE AND ASSESSMENT PLAN AND ASSESSMENT ROLL FOR THE HARPER ESTATES PUBLIC IMPROVEMENT DISTRICT; MAKING A FINDING OF SPECIAL BENEFIT TO THE PROPERTY WITHIN THE DISTRICT; LEVYING SPECIAL ASSESSMENTS AGAINST PROPERTY WITHIN THE DISTRICT AND ESTABLISHING A LIEN ON SUCH PROPERTY; PROVIDING FOR THE METHOD OF ASSESSMENT AND THE PAYMENT OF THE ASSESSMENTS IN ACCORDANCE WITH CHAPTER 372, TEXAS LOCAL GOVERNMENT CODE, AS AMENDED; PROVIDING PENALTIES AND INTEREST ON DELINQUENT ASSESSMENTS; PROVIDING FOR SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, a petition was submitted and filed with the City Secretary (the "City Secretary") of the City of Celina, Texas (the "City") pursuant to the Public Improvement District Assessment Act, Chapter 372, Texas Local Government Code, as amended (the "PID Act"), requesting the creation of a public improvement district consisting of certain property located within the extraterritorial jurisdiction of the City; and

WHEREAS, the petition contained the signature of the owner of taxable property representing more than fifty percent of the appraised value of taxable real property liable for assessment within the proposed district, as determined by the then current ad valorem tax rolls of the Collin Central Appraisal District, and the signature of the record owner of taxable real property that constitutes more than fifty percent of the area of all taxable property that is liable for assessment by the proposed district; and

WHEREAS, on August 9, 2022, after due notice, the City Council of the City (the "City Council") held a public hearing in the manner required by law on the advisability of the public improvements and services described in the petition as required by Section 372.009 of the PID Act and made the findings required by Section 372.009(b) of the PID Act and, by Resolution No. 2022-39R (the "Authorization Resolution") adopted by a majority of the members of the City Council, authorized and created the Harper Estates Public Improvement District (the "District") in accordance with its finding as to the advisability of the Authorized Improvements; and

WHEREAS, on August 11, 2022 the City Secretary filed a copy of Resolution No. 2022-39R with the county clerk of each county in which all or part of the District is located in accordance with the provisions of the PID Act; and

WHEREAS, no written protests regarding the creation of the District from any owners of record of property within the District were filed with the City Secretary; and

WHEREAS, on January 10, 2023, the City Council adopted a resolution approving a preliminary service and assessment plan, including a proposed assessment roll for the District; calling for a public hearing to consider an ordinance levying assessments on property within the District (the "Assessments"); authorizing and directing the City Secretary of the City to file the

Attachment: Draft Ordinance (Harper Estates PID – Levy Ordinance)

proposed assessment roll for the District and make such assessment roll available for public inspection; authorizing and directing the publication of notice of a public hearing to consider the levying of the Assessments against the property within the District (the “Levy and Assessment Hearing”); authorizing and directing the mailing of notice of the Levy and Assessment Hearing to owners of property liable for assessment; and directing related action; and

WHEREAS, on January 11, 2023, the City Secretary filed the Assessment Roll (defined below) and made the same available for public inspection; and

WHEREAS, the City Secretary, pursuant to Section 372.016(b) of the PID Act, published notice of the Levy and Assessment Hearing on January 16, 2023 in the *Celina Record*, a newspaper of general circulation in the City and in the part of the City’s extraterritorial jurisdiction in which the District is located or in which the authorized improvements will be under taken; and

WHEREAS, the City Secretary, pursuant to Section 372.016(c) of the PID Act, mailed the notice of the Levy and Assessment Hearing to the last known addresses of the owners of the property liable for the Assessments; and

WHEREAS, the City Council opened the Levy and Assessment Hearing on February 14, 2023, and at which all persons who appeared, or requested to appear, in person or by their attorney, were given the opportunity to contend for or contest the Assessment Roll, and the proposed Assessments, and to offer testimony pertinent to any issue presented on the amount of the Assessments, the allocation of the Actual Costs of the improvements to be undertaken for the benefit of the Assessed Property (as defined in the Service and Assessment Plan) (the “Authorized Improvements”), the purposes of the Assessments, the special benefits of the Authorized Improvements, and the penalties and interest on annual installments and on delinquent annual installments of the Assessments; and

WHEREAS, the City Council finds and determines that the Assessment Roll and the Harper Estates Public Improvement District Service and Assessment Plan, dated February 14, 2023, in a form substantially similar to the attached **Exhibit A** (as updated, the “Service and Assessment Plan”), and which is incorporated herein for all purposes, should be approved and that the Assessments should be levied as provided in this Ordinance and the Service and Assessment Plan and the assessment roll attached thereto as Appendix G (the “Assessment Roll”); and

WHEREAS, the City Council further finds that there were no objections or evidence submitted to the City Secretary in opposition to the Service and Assessment Plan, the allocation of the Actual Costs of the Authorized Improvements (as described in the Service and Assessment Plan), the Assessment Roll, or the levy of the Assessments against the Assessed Property; and

WHEREAS, the owners (the “Landowners”), or their representatives, of the majority of the privately-owned and taxable property located within the District, who are the persons to be assessed pursuant to this Ordinance, have indicated their approval and acceptance of the Service and Assessment Plan, approval of the Assessment Roll, approval of this Ordinance, and approval of the levy of the Assessments against their property located within the District; and

WHEREAS, the City Council closed the hearing, and, after considering all written and documentary evidence presented at the hearing, including all written comments and statements filed with the City, determined to proceed with the adoption of this Ordinance in conformity with the requirements of the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS:

Section 1. Terms.

Terms not otherwise defined herein are defined in the Service and Assessment Plan.

Section 2. Findings.

The findings and determinations set forth in the preambles hereof are hereby incorporated by reference and made a part of this Ordinance for all purposes as if the same were restated in full in this Section. The City Council hereby finds, determines, and ordains, as follows:

(a) The apportionment of the Actual Costs of the Authorized Improvements (as reflected in the Service and Assessment Plan), and the Administrative Expenses (as defined in and as described by the Service and Assessment Plan) is fair and reasonable, reflects an accurate presentation of the special benefit each parcel of Assessed Property will receive from the construction of the Authorized Improvements identified in the Service and Assessment Plan, and is hereby approved;

(b) The Service and Assessment Plan (i) covers a period of at least five years, (ii) defines the annual indebtedness and projected costs for the Authorized Improvements, and (iii) includes a copy of the notice form required by Section 5.014 of the Texas Property Code, as amended;

(c) The Service and Assessment Plan apportions the Actual Costs of the Authorized Improvements to be assessed against the Assessed Property as Assessments and such apportionment is made on the basis of special benefits accruing to the property because of the Authorized Improvements;

(d) All of the real property in the District which is being assessed in the amounts shown in the Assessment Roll will be benefited by the Authorized Improvements proposed to be constructed as described in the Service and Assessment Plan, and each parcel of Assessed Property will receive special benefits during the term of the Assessments equal to or greater than the total amount assessed;

(e) The method of apportionment of the Actual Costs of the Authorized Improvements and Administrative Expenses set forth in the Service and Assessment Plan results in imposing equal shares of the Actual Costs of the Authorized Improvements and Administrative Expenses on property similarly benefited, and results in a reasonable classification and formula for the apportionment of the Actual Costs;

(f) The Service and Assessment Plan should be approved as the service plan and assessment plan for the District as described in Sections 372.013 and 372.014 of the PID Act;

(g) The Assessment Roll should be approved as the assessment roll for the Assessed Property within the District;

(h) The provisions of the Service and Assessment Plan relating to due and delinquency dates for the Assessments, interest on Annual Installments, interest and penalties on delinquent Assessments and delinquent Annual Installments, and procedures in connection with the imposition and collection of Assessments should be approved and will expedite collection of the Assessments in a timely manner in order to provide the services and improvements needed and required for the District; and

(i) A written notice of the date, hour, place and subject of this meeting of the City Council was posted at a place convenient to the public for the time required by law preceding this meeting, as required by the Open Meetings Act, Chapter 551, Texas Government Code, as amended, and this meeting has been open to the public as required by law at all times during which this Ordinance and the subject matter hereof has been discussed, considered, and formally acted upon.

Section 3. Service and Assessment Plan.

The Service and Assessment Plan is hereby accepted and approved pursuant to Sections 372.013 and 372.014 of the PID Act as the service plan and the assessment plan for the District.

Section 4. Assessment Roll.

The Assessment Roll is hereby accepted and approved pursuant to Section 372.016 of the PID Act as the assessment roll of the District.

Section 5. Levy and Payment of Assessments for Actual Costs of the Authorized Improvements.

(a) The City Council hereby levies an assessment on each parcel of Assessed Property (excluding Non-Benefitted Property, as defined in the Service and Assessment Plan), as shown and described in the Service and Assessment Plan and the Assessment Roll, in the respective amounts shown on the Assessment Roll, as a special assessment on the properties set forth in the Assessment Roll.

(b) The levy of the Assessments shall be effective on the date of the adoption of this Ordinance levying Assessments and strictly in accordance with the terms of the Service and Assessment Plan and the PID Act.

(c) The collection of the Assessments shall be as described in the Service and Assessment Plan and the PID Act.

(d) Each Assessment may be paid in a lump sum at any time or may be paid in Annual Installments pursuant to the terms of the Service and Assessment Plan.

(e) Each Assessment shall bear interest at the rate or rates specified in the Service and Assessment Plan.

(f) Each Annual Installment shall be collected each year in the manner set forth in the Service and Assessment Plan.

(g) The Administrative Expenses for Assessed Property shall be calculated and collected pursuant to the terms of the Service and Assessment Plan.

Section 6. Method of Assessment.

The method of apportioning the Actual Costs of the Authorized Improvements and Administrative Expenses are set forth in the Service and Assessment Plan.

Section 7. Penalties and Interest on Delinquent Assessments.

Delinquent Assessments shall be subject to the penalties, interest, procedures, and foreclosure sales set forth in the Service and Assessment Plan and as allowed by law.

Section 8. Prepayments of Assessments.

As provided in Section VI of the Service and Assessment Plan, the owner of any Assessed Property subject to an Assessment may prepay the Assessments levied by this Ordinance.

Section 9. Lien Priority.

The City Council and the Landowners intend for the obligations, covenants and burdens on the Landowners of each parcel of Assessed Property, including without limitation such Landowners' obligations related to payment of the Assessments and the Annual Installments thereof, to constitute covenants that shall run with the land. The Assessments and the Annual Installments thereof which are levied hereby shall be binding upon the Landowners, as the owners of each parcel of Assessed Property, and their respective transferees, legal representatives, heirs, devisees, successors and assigns in the same manner and for the same period as such parties would be personally liable for the payment of ad valorem taxes under applicable law. Assessments shall have lien priority as specified in the Service and Assessment Plan and the PID Act.

Section 10. Appointment of Administrator and Collector of Assessments.

(a) **Appointment of Administrator.**

MuniCap, Inc., is hereby appointed and designated to initially serve, or until otherwise determined by the City Council, as the Administrator of the Service and Assessment Plan and of the Assessments levied by this Ordinance. The Administrator shall perform the duties of the Administrator described in the Service and Assessment Plan and in this Ordinance. The

Administrator's fees, charges and expenses for providing such service shall constitute an Administrative Expense.

(b) Appointment of Collector.

The Collin County Tax Assessor and Collector is hereby appointed and designated as the collector of the Assessments.

Section 11. Applicability of Tax Code.

To the extent not inconsistent with this Ordinance, and not inconsistent with the PID Act or the other laws governing public improvement districts, the provisions of the Texas Tax Code shall be applicable to the imposition and collection of the Assessments by the City.

Section 12. Filing in Land Records. The City Secretary is directed to cause a copy of this Ordinance, including the Service and Assessment Plan and the Assessment Roll, to be recorded in the real property records of Collin County, not later than the seventh day after the date the City Council adopts this Ordinance approving the Service and Assessment Plan. The City Secretary is further directed to similarly file each Annual Service Plan Update (as defined in the Service and Assessment Plan) approved by the City Council not later than the seventh day after the date that the City Council approves each Annual Service Plan Update.

Section 13. Severability.

If any provision, section, subsection, sentence, clause, or phrase of this Ordinance, or the application of the same to any person or set of circumstances is for any reason held to be unconstitutional, void, or invalid, the validity of the remaining portions of this Ordinance or the application to other persons or sets of circumstances shall not be affected thereby, it being the intent of the City Council that no portion hereof, or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness, or invalidity or any other portion hereof, and all provisions of this ordinance are declared to be severable for that purpose.

Section 14. Effective Date.

This Ordinance shall take effect, and the levy of the Assessments, and the provisions and terms of the Service and Assessment Plan shall be and become effective upon passage hereof.

PASSED AND ADOPTED, this the 14th day of February, 2023.

I. PLAN DESCRIPTION AND DEFINED TERMS

A. INTRODUCTION

On August 9, 2022 (the “Creation Date”) the City Council of the City of Celina Texas (the “City”), Texas passed and approved Resolution No. 2022-39R approving and authorizing the creation of the Harper Estates Public Improvement District (the “PID”) to finance the costs of certain public improvements for the benefit of property in such public improvement district, all of which was located within the extraterritorial jurisdiction of the City at the time the PID was created.

The property in the PID is proposed to be developed in one phase. Assessments will be imposed on the property that receives a special benefit from the public improvements to be financed.

Chapter 372 of the Texas Local Government Code, the “Public Improvement District Assessment Act” (as amended, the “PID Act”), governs the creation and operation of public improvement districts within the State of Texas. This Harper Estates Public Improvement District Service and Assessment Plan (the “Service and Assessment Plan”) has been prepared in accordance with the PID Act and specifically Sections 372.013, 372.014, 372.015 and 372.016, which address the requirements of a service and assessment plan and the assessment roll. According to Section 372.013 of the PID Act, a service plan “must (1) cover a period of at least five years; (2) define the annual indebtedness and the projected costs for improvements; and (3) include a copy of the notice form required by Section 5.014, Property Code.” Additionally, the PID Act requires that “the governing body of the municipality or county shall review and update the service plan annually for the purpose of determining the annual budget for improvements.” The service plan is described in Section IV of this Service and Assessment Plan. The copy of the notice form required by Section 5.014 of the Texas Property Code, as amended, is attached hereto as Appendix E.

Section 372.014 of the PID Act requires that “an assessment plan must be included in the annual service plan.” The assessment plan is described in Section V of this Service and Assessment Plan.

Section 372.015 of the PID Act requires that “the governing body of the municipality or county shall apportion the cost of an improvement to be assessed against property in an improvement district.” The method of assessing the costs of the Authorized Improvements and apportionment of such costs to the property in the PID is included in Section V of this Service and Assessment Plan.

Section 372.016 of the PID Act requires that “after the total cost of an improvement is determined, the governing body of the municipality or county shall prepare a proposed assessment roll. The roll must state the assessment against each parcel of land in the district, as determined by the method of assessment chosen by the municipality or county under this subchapter.” The Assessment Roll for the PID is included as Appendix G of this Service and Assessment Plan. The Assessments as shown on the Assessment Roll are based on the method of assessment and apportionment of costs described in Section V of this Service and Assessment Plan.

B. DEFINITIONS

Capitalized terms used herein shall have the meanings ascribed to them as follows:

“Actual Cost(s)” means, with respect to an Authorized Improvement, the demonstrated, reasonable, allocable, and allowable costs of constructing such Authorized Improvement. Actual Cost may include: (a) the costs for the design, planning, financing, administration, management, acquisition, installation, construction and/or implementation of such Authorized Improvement, including general contractor and construction management fees, if any, (b) the costs of preparing the construction plans for such Authorized Improvement, (c) the fees paid for obtaining permits, licenses or other governmental approvals for such Authorized Improvement, (d) the costs for external professional costs associated with such Authorized Improvement, such as engineering, geotechnical, surveying, land planning, architectural landscapers, advertising, marketing and research studies, appraisals, legal, accounting and similar professional services, and taxes, (e) the costs of all labor, bonds and materials, including equipment and fixtures, incurred by contractors, builders and material men in connection with the acquisition, construction or implementation of the Authorized Improvements, and (f) all related permitting, zoning and public approval expenses, architectural, engineering, legal, and consulting fees, financing charges, taxes, governmental fees and charges (including inspection fees, permit fees, development fees), insurance premiums and miscellaneous expenses.

Actual Costs may include general contractor’s fees in an amount up to a percentage equal to the percentage of work completed and accepted by the City or construction management fees in an amount up to five percent of the eligible Actual Costs described in a Certification for Payment. The amounts expended on legal costs, taxes, governmental fees, insurance premiums, permits, financing costs, and appraisals shall be excluded from the base upon which the general contractor and construction management fees are calculated.

“Additional Interest” means the 0.50% additional interest rate charged on Assessments (if applicable) pursuant to Section 372.018 of the PID Act.

“Additional Interest Component” means the amount collected by application of the Additional Interest.

“Additional Interest Reserve” has the meaning set forth in Section V.F of this Service and Assessment Plan.

“Administrative Expenses” mean the administrative, organization, maintenance and operation costs associated with, or incidental to, the administration, organization, maintenance and operation of the PID, including, but not limited to, the costs of: (i) creating and organizing the PID, including conducting hearings, preparing notices and petitions, and all costs incident thereto, including engineering fees, legal fees and consultant fees, (ii) the annual administrative, organization, maintenance, and operation costs and expenses associated with, or incident and allocable to, the administration, organization, maintenance, and operation of the PID and the Authorized Improvements, (iii) computing, levying, billing and collecting Assessments or the Annual Installments thereof, (iv) maintaining the record of installments of the Assessments and

the system of registration and transfer of the Bonds, (v) issuing, paying and redeeming the Bonds, (vi) investing or depositing of monies, (vii) complying with the PID Act and other laws applicable to the Bonds, (viii) the Trustee's reasonable fees and expenses relating to the Bonds, (ix) legal counsel, engineers, accountants, financial advisors, investment bankers or other consultants and advisors, and (x) administering the construction of the Authorized Improvements. Administrative Expenses do not include payment of the actual principal of, redemption premium, if any, and interest on the Bonds or any costs of issuance associated with the Bonds. Administrative Expenses collected and not expended for actual Administrative Expenses shall be carried forward and applied to reduce Administrative Expenses in subsequent years to avoid the over-collection of amounts to pay Administrative Expenses.

“Administrator” means the employee or designee of the City, identified in any indenture of trust relating to the Bonds or in any other agreement approved by the City Council, who shall have the responsibilities provided for herein.

“Annual Installment” means, with respect to each Parcel, each annual payment of: (i) the Assessments including both principal and interest, as shown on the Assessment Roll attached hereto as Appendix G, as applicable, or in an Annual Service Plan Update, and calculated as provided in Section VI of this Service and Assessment Plan, (ii) the Additional Interest Component designated for the Additional Interest Reserve described in Section V of this Service and Assessment Plan, and (iii) the Administrative Expenses.

“Annual Service Plan Update” has the meaning set forth in the second paragraph of Section IV of this Service and Assessment Plan.

“Assessed Property” means the property that benefits from the Authorized Improvements to be provided by the PID on which Assessments have been imposed as shown in each Assessment Roll, as each Assessment Roll is updated each year by the Annual Service Plan Update. Assessed Property includes Parcels within the PID other than Non-Benefited Property.

“Assessment” means an assessment levied against a Parcel imposed pursuant to an Assessment Ordinance and the provisions herein, as shown on any Assessment Roll, subject to reallocation upon the subdivision of such Parcel or reduction according to the provisions herein and the PID Act. An Assessment for a Parcel consists of the Annual Installments to be collected in all years including the portion of those Annual Installments collected to pay Administrative Expenses and interest on all Assessments.

“Assessment Ordinance” means an Assessment Ordinance adopted by the City Council approving the Service and Assessment Plan (including amendments or supplements to the Service and Assessment Plan) and levying the Assessments.

“Assessment Revenues” mean the revenues actually received by or on behalf of the City from the collection of Assessments.

“Assessment Roll” means the Assessment Roll included in this Service and Assessment Plan as Appendix G or any other Assessment Roll in an amendment or supplement to this Service and

Assessment Plan or in an Annual Service Plan Update, as each may be updated, modified, or amended from time to time in accordance with the procedures set forth in this Service and Assessment Plan and in the PID Act.

“Authorized Improvements” mean those public improvements described in Appendix B of this Service and Assessment Plan and Section 372.003 of the PID Act, constructed and installed in accordance with this Service and Assessment Plan, and any future updates and/or amendments.

“Bonds” mean any bonds issued by the City in one or more series and secured in whole or in part by the Assessment Revenues.

“Budgeted Cost(s)” means the amounts budgeted to construct the Authorized Improvements as used in the preparation of this Service and Assessment Plan.

“Certification for Payment” means the certificate to be provided by the Developer, or his designee, to substantiate the Actual Cost of one or more Authorized Improvements.

“City” means the City of Celina, Texas.

“City Council” means the duly elected governing body of the City.

“County” means Collin County, Texas.

“Delinquent Collection Costs” mean interest, penalties and expenses incurred or imposed with respect to any delinquent installment of an Assessment in accordance with the PID Act and the costs related to pursuing collection of a delinquent Assessment and foreclosing the lien against the Assessed Property, including attorney’s fees.

“Developer” means MM Celina 100, LLC, a Texas limited liability company.

“Development Agreement” means that certain development agreement by and between the City and the Developer effective May 23, 2022, and as the same may be amended from time to time.

“Equivalent Units” mean, as to any Parcel the number of dwelling units by lot type expected to be built on the Parcel multiplied by the factors calculated and shown in Appendix F attached hereto.

“Homeowner Association” means a homeowner’s association or property owners’ association established for the benefit of property owners within the boundaries of the PID.

“Homeowner Association Property” means property within the boundaries of the PID that is owned by or irrevocably offered for dedication to, whether in fee simple or through an exclusive use easement, a homeowner’s association.

“Lot” means a tract of land described as a “lot” in a subdivision plat recorded in the official public records of the County.

“Lot Type” means a classification of final building lots with similar characteristics (e.g. commercial, light industrial, multifamily residential, single family residential, etc.), as determined by the Administrator and confirmed by the City Council as shown in Appendix F. In the case of single family residential lots, the Lot Type shall be further defined by classifying the residential lots by the estimated average home value for each home at the time of assessment levy, considering factors such as density, lot size, proximity to amenities, view premiums, location, and any other factors that may impact the average home value on the lot, as determined by the Administrator and confirmed by the City Council.

Maximum Assessment Per Unit” means an Assessment per Lot of \$100,000.00.

“Non-Benefited Property” means Parcels that accrue no special benefit from the Authorized Improvements, including Homeowner Association Property, Public Property and easements that create an exclusive use for a public utility provider to the extent they accrue no special benefit. Property identified as Non-Benefited Property at the time the Assessments (i) are imposed or (ii) are reallocated pursuant to a subdivision of a Parcel, is not assessed. Assessed Property converted to Non-Benefited Property, if the Assessments may not be reallocated pursuant to the provisions herein, remains subject to the Assessments and requires the Assessments to be prepaid as provided for in Section VI.C.

“Parcel” or “Parcels” means a parcel or parcels within the PID identified by either a tax map identification number assigned by the Collin Central Appraisal District for real property tax purposes or by lot and block number in a final subdivision plat recorded in the real property records of the County.

“PID” has the meaning set forth in Section I.A of this Service and Assessment Plan.

“PID Act” means Texas Local Government Code Chapter 372, Public Improvement District Assessment Act, Subchapter A, Public Improvement Districts, as amended.

“PID Bonds” mean the certain City of Celina, Texas, Special Assessment Revenue Bonds, Series 2022 (Harper Estates Public Improvement District Project) that are secured primarily by Assessment Revenues.

PID Reimbursement Agreement” means that certain Harper Estates Public Improvement District Reimbursement Agreement dated as of February 14, 2023 by and between the City and the Developer in which the Developer agrees to fund certain Actual Costs of the Authorized Improvements and the City agrees to reimburse the Developer from a portion the Assessment Revenues for a portion of such Actual Costs funded by the Developer with interest as permitted by the PID Act.

“Prepayment Costs” mean interest and expenses to the date of prepayment, plus any additional expenses related to the prepayment, reasonably expected to be incurred by or imposed upon the City as a result of any prepayment of an Assessment.

“Public Property” means property within the boundaries of the PID that is owned by or irrevocably offered for dedication to the federal government, the State of Texas, the County, the City, a school district or any other public agency, whether in fee simple or through an exclusive use easement.

“Service and Assessment Plan” or **“SAP”** means this Service and Assessment Plan prepared for the PID pursuant to the PID Act, as the same may be amended from time to time.

“Trust Indenture” means an indenture of trust, ordinance or similar document setting forth the terms and other provisions relating to the Bonds, as modified, amended, and/or supplemented from time to time.

“Trustee” means the fiscal agent or trustee as specified in the Trust Indenture, including a substitute fiscal agent or trustee.

II. PROPERTY INCLUDED IN THE PID

A. PROPERTY INCLUDED IN THE PID

The PID is presently located within the extraterritorial jurisdiction of the City and contains approximately 99.951 acres of land. A map of the property within the PID is shown on Appendix A to this Service and Assessment Plan.

At completion, the PID is expected to consist of approximately 76 single family residential units, landscaping, and infrastructure necessary to provide roadways, drainage, and utilities to the PID. The estimated number of lots and the classification of each lot are based upon the proposed development plan.

The property within the PID is proposed to be developed as follows:

Table II-A
Proposed Development within the PID

Proposed Development	Quantity	Measurement
Single-Family – 100 Ft.	76	Units
Total	76	Units

The estimated number of units at the build-out of the PID is based on the land use approvals for the property, the anticipated subdivision of property in the PID, and the Developer's estimate of the highest and best use of the property within the PID.

(remainder of this page is intentionally left blank)

III. DESCRIPTION OF THE AUTHORIZED IMPROVEMENTS

A. AUTHORIZED IMPROVEMENT OVERVIEW

372.003. Authorized Improvements

(a) If the governing body of a municipality or county finds that it promotes the interests of the municipality or county, the governing body may undertake an improvement project that confers a special benefit on a definable part of the municipality or county or the municipality's extraterritorial jurisdiction. A project may be undertaken in the municipality or county or the municipality's extraterritorial jurisdiction.

(b) A public improvement may include:

- (i) landscaping;
- (ii) erection of fountains, distinctive lighting, and signs;
- (iii) acquiring, constructing, improving, widening, narrowing, closing, or rerouting of sidewalks or of streets, any other roadways, or their rights-of way;
- (iv) construction or improvement of pedestrian malls;
- (v) acquisition and installation of pieces of art;
- (vi) acquisition, construction, or improvement of libraries;
- (vii) acquisition, construction, or improvement of off-street parking facilities;
- (viii) acquisition, construction, improvement, or rerouting of mass transportation facilities;
- (ix) acquisition, construction, or improvement of water, wastewater, or drainage facilities or improvements;
- (x) the establishment or improvement of parks;
- (xi) projects similar to those listed in Subdivisions (i)-(x);
- (xii) acquisition, by purchase or otherwise, of real property in connection with an authorized improvement;
- (xiii) special supplemental services for improvement and promotion of the district, including services relating to advertising, promotion, health and sanitation, water and wastewater, public safety, security, business recruitment, development, recreation, and cultural enhancement;
- (xiv) payment of expenses incurred in the establishment, administration and operation of the district; and
- (xv) the development, rehabilitation, or expansion of affordable housing

After analyzing the public improvement projects authorized by the PID Act, the City has determined at this time to undertake only Authorized Improvements listed in Section III.B. on the following page and shown in the opinion of probable costs included as Appendix B and on the

diagrams included as Appendix D for the benefit of the Assessed Property. Any change to the list of Authorized Improvements will require the approval of the City and an update to this Service and Assessment Plan.

B. DESCRIPTIONS OF THE AUTHORIZED IMPROVEMENTS

The Authorized Improvements benefit the entire PID. The costs of the Authorized Improvements are allocated proportionally throughout the entire PID, excluding Non-Benefited Property, in a manner that anticipates planned development of the PID based on the anticipated number of Equivalent Units.

The Authorized Improvements descriptions are presented below as provided by the project engineer. The Budgeted Costs are shown in Table III-A, and may be revised in Annual Service Plan Updates, including such other improvements as deemed necessary to further improve the properties within the PID. To the extent that an Authorized Improvement is oversized or otherwise provides special benefit to property outside of the PID, the costs of such oversizing are not included in this SAP.

A description of the Authorized Improvements are as follows:

Roadway Improvements:

The roadway portion of the Authorized Improvements consists of the construction of road improvements, including related paving, drainage, curbs, gutters, sidewalks, retaining walls, signage, and traffic control devices, which benefit the Assessed Property. All roadway projects will be designed and constructed in accordance with City standards and specifications, as modified by Development Agreement, and will be owned and operated by the City.

Water Improvements:

The water distribution system portion of the Authorized Improvements include PVC waterlines, various gate valves and boxes, fire hydrants, and tapping sleeves, service lines, trench safety and other water line appurtenances for the benefit of the Assessed Property. All water improvements will be designed and constructed in accordance with City standards and specifications, as modified by the Development Agreement, and will be owned and operated by the City.

Storm Drainage Improvements:

The storm drainage collection system portion of the Authorized Improvements includes pre and post development erosion control, silt fences, rock check dams, drainage structures, various size reinforced concrete pipes, reinforced concrete box culverts, curb inlets, headwalls, retention, detention areas, and detention structures and trench safety for the benefit of the Assessed Property. All storm drainage improvements will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Soft and Miscellaneous Costs:

Right-of-way acquisition

The right-of-way acquisition costs include the estimated costs of right-of-way acquisition, the actual amount which will be determined based on an appraisal.

Other soft and miscellaneous costs

Soft and miscellaneous costs consist of costs related to designing, constructing, and installing the Authorized Improvements including land planning and design, city fees, legal fees, engineering, soil testing, survey, construction staking, construction management, and contingency, costs associated with financing the Authorized Improvements, and a portion of the costs incurred in the establishment, administration and operation of the District.

Table III-A
Budgeted Costs – PID

Authorized Improvements	Total¹
Roadway improvements	\$2,935,919
Water improvements	\$1,230,304
Storm drainage improvements	\$611,855
Soft and miscellaneous costs:	
Right-of-way acquisition	\$1,000,000
Other soft and miscellaneous costs	\$830,911
Total Authorized Improvements	\$6,608,989

¹Costs provided by Richey Development Engineering, LLC. The figures shown in Table III-A may be revised in Annual Service Plan Updates and may be reallocated between line items so long as the total Authorized Improvements amount does not change.

(remainder of this page is intentionally left blank)

IV. SERVICE PLAN

A. PROJECTED SOURCES AND USES OF FUNDS

The PID Act requires the service plan to cover a period of at least five years. The service plan is required to define the annual projected costs and indebtedness for the Authorized Improvements undertaken within the PID during the five year period. It is anticipated the Authorized Improvements will be constructed and accepted by the City in the third quarter of 2023.

The Budgeted Costs for Authorized Improvements plus costs related to the issuance of the PID Bonds and payment of expenses incurred in the establishment, administration, and operation of the PID are \$8,697,979 as shown in Table IV-A. The service plan shall be reviewed and updated at least annually for the purpose of determining the annual budget for Administrative Expenses, updating the estimated Authorized Improvement costs, and updating the Assessment Roll(s). Any update to this Service and Assessment Plan is herein referred to as an “Annual Service Plan Update.”

Table IV-A shows the projected sources and uses of funds for the Authorized Improvements.

(remainder of this page is intentionally left blank)

Table IV-A
Projected Sources and Uses

Sources of Funds	PID		Total
	PID Bonds	Reimbursement Agreement	
Par amount (PID Bonds)	\$7,400,000	\$0	\$7,400,000
Assessment amount (PID Reimbursement Agreement)	\$0	\$200,000	\$200,000
Other funding sources ¹	\$0	\$1,097,979	\$1,097,979
Total Sources	\$7,400,000	\$1,297,979	\$8,697,979
Uses of Funds			
<i>Authorized Improvements²:</i>			
Roadway improvements	\$2,359,316	\$576,602	\$2,935,919
Water improvements	\$988,677	\$241,627	\$1,230,304
Storm drainage improvements	\$491,689	\$120,166	\$611,855
Soft and miscellaneous costs:			
Right-of-way acquisition	\$803,604	\$196,396	\$1,000,000
Other soft and miscellaneous costs	\$667,723	\$163,188	\$830,911
<i>Subtotal</i>	<i>\$5,311,010</i>	<i>\$1,297,979</i>	<i>\$6,608,989</i>
<i>Bond Issuance Costs:</i>			
Cost of issuance	\$442,053	\$0	\$442,053
Capitalized interest	\$809,375	\$0	\$809,375
Reserve fund	\$570,563	\$0	\$570,563
Administrative Expense	\$45,000	\$0	\$45,000
Underwriters discount	\$222,000	\$0	\$222,000
<i>Subtotal</i>	<i>\$2,088,990</i>	<i>\$0</i>	<i>\$2,088,990</i>
Total Uses	\$7,400,000	\$1,297,979	\$8,697,979

¹The other funding sources represent Budgeted Costs of the Authorized Improvements to be paid by the Developer without reimbursement from the City. At the closing of the PID Bonds and execution of the PID Reimbursement Agreement, it is anticipated the Developer will make a deposit of \$297,979, to be used in accordance with the provisions of the Trust Indenture.

²See Table III-A for details.

B. PROJECTED FIVE -YEAR SERVICE AND ASSESSMENT PLAN

The annual projected costs and annual projected indebtedness are shown in Table IV-B. The annual projected costs and indebtedness are subject to revision, and each shall be updated in the Annual Service Plan Update to reflect any changes in the costs or indebtedness expected for each year.

(remainder of this page is intentionally left blank)

Table IV-B
Annual Projected Costs and Annual Projected Indebtedness

Year	Annual Projected Cost	Annual Projected Indebtedness¹	Sources other than Assessments²	Projected Annual Installments
2023 ³	\$8,697,979	\$7,600,000	\$1,097,979	\$0
2024 ³	\$0	\$0	\$0	\$105,675
2025	\$0	\$0	\$0	\$667,449
2026	\$0	\$0	\$0	\$666,993
2027	\$0	\$0	\$0	\$667,151
2028	\$0	\$0	\$0	\$666,856
2029	\$0	\$0	\$0	\$667,118
Total	\$8,697,979	\$7,600,000	\$1,097,979	\$3,441,241

¹Includes amounts to be paid from assessments related to both the PID Bonds and secured under the PID Reimbursement Agreement.

²The other funding sources represent Budgeted Costs of the Authorized Improvements to be paid by the Developer without reimbursement from the City.

³Administrative Expenses in year 2023 are being funded with bond proceeds, and interest on the PID Bonds for years 2023 and 2024 is being funded with capitalized interest. Interest on the PID Reimbursement Agreement for year 2023 will be collected together with the first annual installment due by January 31, 2024.

The annual projected costs shown in Table IV-B are the annual expenditures relating to the Authorized Improvements shown in Table III-A, and the costs associated with setting up the PID and bond issuance costs including reserves shown in Table IV-A. The difference between the total projected cost and the total projected indebtedness, if any, is the amount contributed by the Developer.

C. PID ASSESSMENT NOTICE

The PID Act requires that this Service and Assessment Plan and each Annual Service Plan Update include a copy of the notice form required by Section 5.014 of the Texas Property Code (the “PID Assessment Notice”). The PID Assessment Notice is attached hereto as Appendix E and may be updated in an Annual Service Plan Update.

(remainder of this page is intentionally left blank)

V. ASSESSMENT PLAN

A. INTRODUCTION

The PID Act requires the City Council to apportion the costs of the Authorized Improvements on the basis of special benefits conferred upon the property because of the Authorized Improvements. The PID Act provides that the costs of the Authorized Improvements may be assessed: (i) equally per front foot or square foot; (ii) according to the value of the property as determined by the governing body, with or without regard to improvements on the property; or (iii) in any other manner that results in imposing equal shares of the cost on property similarly benefited. The PID Act further provides that the governing body may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the municipality and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

For purposes of this Service and Assessment Plan, the City Council has determined that the Budgeted Costs of the Authorized Improvements shall be allocated as described below:

1. The Authorized Improvement costs shall be allocated on the basis of Equivalent Units once such property is developed, and that such method of allocation will result in the imposition of equal shares of the costs of the Authorized Improvements to Parcels similarly benefited.
2. The City Council has concluded that larger more expensive homes are likely to be built on the larger lots, and that larger more expensive homes are likely to make greater use of and receive greater benefit from the Authorized Improvements. In determining the relative values of Parcels, the City Council has taken into consideration (i) the type of development (i.e., residential, commercial, etc.), (ii) single-family lot sizes and the size of homes likely to be built on lots of different sizes, (iii) current and projected home prices provided by the Developer, (iv) the Authorized Improvements to be provided and the estimated costs, and (v) the ability of different property types to utilize and benefit from the Authorized Improvements.
3. The Assessed Property is classified into different Lot Types as described in Appendix F based on the type and size of proposed development on each Parcel.
4. Equivalent Units are calculated for each Lot Type based on the relative value of each Lot Type.

This section of this Service and Assessment Plan currently (i) describes the special benefit received by each Parcel within the PID as a result of the Authorized Improvements, (ii) provides the basis and justification for the determination that this special benefit equals or exceeds the amount of the Assessments being levied on the Assessed Property for such Authorized Improvements, and (iii) establishes the methodologies by which the City Council allocates and reallocates the special benefit of the Authorized Improvements to Parcels in a manner that results in equal shares of the Actual Costs of the Authorized Improvements being apportioned to Parcels similarly benefited.

The determination by the City Council of the assessment methodologies set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Developer and all future owners and developers of the Assessed Property.

B. SPECIAL BENEFIT

Assessed Property must receive a direct and special benefit from the Authorized Improvements, and this benefit must be equal to or greater than the amount of the Assessments. The Authorized Improvements are provided specifically for the benefit of the Assessed Property. The Authorized Improvements (more particularly described in line-item format in Appendix B to this Service and Assessment Plan) and the costs of issuance and payment of costs incurred in the establishment of the PID shown in Table IV-A are authorized by the PID Act. These Authorized Improvements are provided specifically for the benefit of the Assessed Property.

Each owner of the Assessed Property has acknowledged that the Authorized Improvements confer a special benefit on the Assessed Property and has consented to the imposition of the Assessments to pay for the Actual Costs associated therewith. Each of the owners is acting in its interest in consenting to this apportionment and levying of the Assessments because the special benefit conferred upon the Assessed Property by the Authorized Improvements exceeds the amount of the Assessments.

The Authorized Improvements provide a special benefit to the Assessed Property as a result of the close proximity of these improvements to the Assessed Property and the specific purpose of these improvements of providing infrastructure for the Assessed Property. In other words, the Assessed Property could not be used in the manner proposed without the construction of the Authorized Improvements. The Authorized Improvements are being provided specifically to meet the needs of the Assessed Property as required for the proposed use of the property.

The Assessments are being levied to provide the Authorized Improvements that are required for the highest and best use of the Assessed Property (i.e., the use of the property that is most valuable, including any costs associated with that use). Highest and best use can be defined as “the reasonably probable and legal use of property, which is physically possible, appropriately supported, financially feasible, and that results in the highest value.” (*Dictionary of Real Estate Appraisal, Third Edition*.) The Authorized Improvements are expected to be required for the proposed use of the Assessed Property to be physically possible, appropriately supported, financially feasible, and maximally productive.

The Developer has evaluated the potential use of the property and has determined that the highest and best use of the property is the use intended and the legal use for the property as described in Section II of this Service and Assessment Plan. The use of the Assessed Property as described herein will require the construction of the Authorized Improvements.
