NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT ASSESSMENT TO
CITY OF CELINA, TEXAS
CONCERNING THE FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the Creeks of Legacy Public Improvement District (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City or MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF CELINA APPROVING THE ANNUAL UPDATE OF THE SERVICE AND ASSESSMENT PLAN AND ASSESSMENT ROLLS FOR THE CREEKS OF LEGACY PUBLIC IMPROVEMENT DISTRICT IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE §372.013, AS AMENDED; CONTAINING A CUMMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, on April 29, 2014, the City Council of the City of Celina, Texas (the “City”) approved Resolution No. 2014-17R establishing the Creeks of Legacy Public Improvement District (the “PID”) in accordance with the provisions of Chapter 372 of the Texas Local Government Code (the “Public Improvement District Assessment Act” or “the PID Act”); and

WHEREAS, the City has heretofore levied assessments against property within Phase #1 of the PID, pursuant to Ordinance No. 2014-26 which ordinance also approved the Creeks of Legacy Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #1, dated as of June 18, 2014, (the “Service and Assessment Plan and Phase #1 Assessment Roll”); and

WHEREAS, the City has also heretofore levied assessments against property within the Phases #2-3 Major Improvement Area of the PID, pursuant to Ordinance No. 2014-27 which ordinance also approved the Creeks of Legacy Public Improvement District Service and Assessment Plan and Assessment Roll related to the Phases #2-3 Major Improvement Area, dated as of June 18, 2014 (the “Service and Assessment Plan and Phases #2-3 Major Improvement Area Assessment Roll”); and

WHEREAS, the City has also heretofore levied assessments against property within Phase #2 of the PID, pursuant to Ordinance No. 2018-08 which ordinance also approved the Creeks of Legacy Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #2, dated as of March 13, 2018 (the “Updated Service and Assessment Plan and Phase #2 Assessment Roll”); and

WHEREAS, the City has also heretofore levied assessments against property within Phase #3 of the PID, pursuant to Ordinance No. 2020-42 which ordinance also approved the Creeks of Legacy Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #3, dated as of June 9, 2020 (the “Updated Service and Assessment Plan and Phase #3 Assessment Roll”) [and, together with the Service and Assessment Plan and Phase #1, Phases #2-3 Major Improvement Area, and Phase #2 Assessment Rolls, the “Updated Service and Assessment Plan and Assessment Rolls”]; and

WHEREAS, the Updated Service and Assessment Plan and Assessment Rolls are required to be reviewed and updated annually as described in Sections 372.013 and 372.014 of the PID Act (the “Annual Service Plan Update”); and

WHEREAS, the Annual Service Plan Update, attached hereto as Exhibit A, including the Phase #1, Phases #2-3 Major Improvement Area, Phase #2, and Phase #3 Assessment Rolls (the “Assessment Rolls”) attached thereto, update the Updated Service and Assessment Plan and Assessment Rolls to reflect prepayments, property divisions and changes to the budget allocation for the PID that occur during the year, if any; and

WHEREAS, the City Council desires and finds it to be in the public interest to adopt this Ordinance approving and adopting the Annual Service Plan Update and the updated Assessment Rolls attached thereto, in compliance with the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1. All matters stated in the preamble are found to be true and correct and are incorporated herein as if copied in their entirety.

SECTION 2. The Creeks of Legacy Public Improvement District Annual Service Plan Update, attached hereto as Exhibit A and incorporated herein by reference, inclusive of the updated Assessment Rolls contained therein and made a part thereof, are hereby accepted and approved.

SECTION 3. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION 4. Should any sentence, paragraph, subdivision, clause, phrase or section of this Ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this Ordinance as a whole, or any part or provision thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of the Ordinance as a whole.

SECTION 5. This Ordinance shall take effect immediately after its passage and the publication of the caption, as the law and charter in such case provide. The City Secretary shall cause this Ordinance to be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Re: SAP Update - Edgewood Creek PID

Action Requested:

Consider and act upon an Ordinance of the City of Celina, Texas, approving the 2023-2024 Annual Service Plan update to the Service and Assessment Plan for the Edgewood Creek Public Improvement District and providing an effective date. (Bromiley)

Background Information:

The Edgewood Creek PID was created by the City Council pursuant to the PID Act and a resolution approved on May 12, 2020. The PID is located generally east of FM 1385, north of FM 428, and south of Mobberly Drive. The PID is anticipated to contain an estimated 847 residential units on approximately 247 acres within three phases. The PID annual installments in the Annual Service Plan update include amounts for the payment of principal and interest on the PID bonds and reimbursement agreement, if any, PID administrative expenses, additional interest for prepayment and delinquency reserves and as applicable, TIRZ annual credit amounts committed to pay a portion of the PID bond principal and interest. The Service Plan is prepared annually and presented to Council as required by Chapter 372 of the Texas Local Government Code.

I. INTRODUCTION

The Edgewood Creek Public Improvement District (the “PID”) was created pursuant to the PID Act and a resolution of the City Council on May 12, 2020 to finance certain public improvement projects for the benefit of the property in the PID.

On January 12, 2021, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2021 (Edgewood Creek Public Improvement District Phase #1 Project) (the “Phase #1 Bonds”) in the aggregate principal amount of \$4,465,000, and reimbursement obligations for the Phase #1 Reimbursement Agreement (the “Phase #1 Reimbursement Agreement”) in the aggregate principal amount of \$4,494,757 to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID. Both the Phase #1 Bonds and the Phase #1 Reimbursement Agreement are secured by the Phase #1 Assessments (the “Phase #1 Assessments”).

Additionally, on January 12, 2021, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2021 (Edgewood Creek Public Improvement District Phases #2-3 Major Improvement Project) (the “Phases #2-3 Major Improvement Bonds”) in the aggregate principal amount of \$3,460,000, to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID. the Phases #2-3 Major Improvement Bonds are secured by the Phases #2-3 Assessments (the “Phases #2-3 Assessments”).

A service and assessment plan (the “Service and Assessment Plan”) was prepared at the direction of the City identifying the public improvements (the “Authorized Improvements”) to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to the PID Act, the Service and Assessment Plan must be reviewed and updated annually. This document is the annual update of the Service and Assessment Plan for 2023-24 (the “Annual Service Plan Update”).

The City also adopted Assessment Rolls identifying the assessments on each Parcel within the PID, based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Roll for 2023-24.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the “PID Assessment Notice”) as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix D and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or

a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchaser before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Service and Assessment Plan unless otherwise defined herein.

II. UPDATE OF THE SERVICE PLAN

A. UPDATED SOURCES AND USES FOR PUBLIC IMPROVEMENTS

Phase #1 Improvements Sources and Uses

The current total estimated costs of the Phase #1 Improvements (including the proportional share of the Major Improvement costs) are equal to \$8,959,757, which remain the same as the budget estimates included in the Service and Assessment Plan. According to the Developer, there have been line item amount revisions for the Authorized Improvements as shown in Table II-A-1 on the following page.

According to the City, the Phase #1 Improvements were completed and accepted April 11, 2023.

Table II-A-1 on the following page summarizes the updated sources and uses of funds required to (1) construct the Phase #1 Improvements, including the proportional share of the Major Improvement costs, (2) establish the PID, and (3) issue Phase #1 Bonds.

B. FIVE YEAR SERVICE PLAN

A service plan must cover a period of five years. All the Authorized Improvements are expected to be built within a period of five years. The anticipated budget for the Authorized Improvements over a period of five years and the indebtedness expected to be incurred for these costs is shown by Table II-B-1 on the following page.

C. ANNUAL BUDGET – PHASE #1

Phase #1 - Annual Installments – 2023-24

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Phase #1 Bonds and/or the execution of the Phase #1 Reimbursement Agreement, of which twenty-seven (27) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the Phase #1 Bonds commencing with the issuance of the Phase #1 Bonds. The effective interest rate on the Phase #1 Bonds is 4.23 percent and the interest rate applicable to the Phase #1 Reimbursement Agreement is 4.57 percent per annum for 2023-24. Pursuant to Section 372.018 of the PID Act, the interest rate for that assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phase #1 Bonds (4.23 percent) plus an additional interest of one-half of one percent and the effective interest rate on the Phase #1 Reimbursement Agreement (4.57 percent) are used to calculate the interest on the Assessments. These payments, the “Annual Installments” of the Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and Trust Indenture, such TIRZ No. 12

incremental taxes available to the PID (the TIRZ Annual Credit Amount), capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phase #1 Bonds and Phase #1 Reimbursement Agreement from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Service and Assessment Plan and applicable Trust Indenture.

Phase #1 Annual Installments to be Collected for 2023-24

The budget for Phase #1 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-C-1 below.

Table II-C-1
Budget for the Phase #1 Annual Installments
to be Collected for 2023-24

	Phase #1 Bonds	Phase #1 Reimbursement Agreement	Total

Debt Service Payments

Annual Installments to be collected for principal and interest include the Phase #1 Bonds' interest due on March 1, 2024 in the amount of \$92,488 and on September 1, 2024 in the amount of \$92,488, which equal interest on the outstanding Phase #1 Bond Assessments balance of \$4,370,000 for six months each and an effective interest rate of 4.23 percent. Phase #1 Bond Annual Installments to be collected include a principal amount of \$95,000 due on September 1, 2024. As a result, total Annual Installments to be collected for the Phase #1 Bonds' principal and interest in 2023-24 is equal to \$279,975.

Additionally, Annual Installments to be collected for principal and interest include Phase #1 Reimbursement Agreement interest due on March 1, 2024 in the amount of \$97,605 and on September 1, 2024 in the amount of \$97,605, which equal interest on the outstanding Phase #1 Reimbursement Agreement Assessments balance of \$4,271,535 for six months each and an effective interest rate of 4.57 percent. Phase #1 Reimbursement Agreement Annual Installments to be collected include a principal amount of \$78,000 due on September 1, 2024. As a result, total Annual Installments to be collected for Phase #1 Reimbursement Agreement principal and interest in 2023-24 is equal to \$273,209.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, auditor, dissemination agent and contingency fees. As shown in Table II-C-2 below, the total Phase #1 administrative expenses to be collected for 2023-24 are estimated to be \$37,142.

Table II-C-2
Phase #1 Administrative Budget Breakdown

Description	2023-24 Estimated Budget
City	\$6,000
Administrator	\$25,000
Trustee	\$2,750
Auditor	\$2,000
Contingency	\$1,392
Total	\$37,142

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of \$21,850, which equals 0.5 percent interest on the outstanding collective Phase #1 Bond Assessments balance of \$4,370,000.

Available TIRZ Credit

According to the City, there have been TIRZ incremental revenues collected in 2022 in the total amount of \$5,405 that are available to be used as a TIRZ Credit in 2023-24 for the respective Parcels within Phase #1. This TIRZ Credit amount is allocated based upon the amount of TIRZ increment generated by each Parcel within Phase #1 and each Parcel that has an outstanding Phase #1 Assessment balance as of September 1, 2023. The TIRZ Annual Credit Amount shall be calculated separately for each Parcel and such TIRZ Annual Credit Amount shall be applied on a Parcel-by-Parcel basis. The 2023-24 TIRZ Annual Credit was applied proportionally to each Parcel based on anticipated number of units for each parcel as provided by the Developer. As a result, the TIRZ credit obligation for Phase #1 is \$5,405 as shown in Appendix B-2 of this report.

Available Reserve Fund Income

As of May 31, 2023, the balance in the Phase #1 Reserve Fund was \$290,745, which includes the Bond Reserve Requirement of \$283,063 and an excess balance of \$7,682. Pursuant to Section 6.7(e) of the Phase #1 Bond Trust Indenture the excess balance of \$7,682 should be transferred to the Phase #1 Principal & Interest Account and used to pay interest on the Phase #1 Bonds on the next interest payment date. As a result, \$7,682 is available to pay a portion of the Phase #1 Bonds debt service.

Available Capitalized Interest Account

As of May 31, 2023, and in accordance with Section 6.4(c) of the Trust Indenture, all Capitalized Interest funds have been fully expended. As a result, there is no credit available to reduce the Phase #1 2023-24 Annual Installment.

Available Administrative Expense Account

As of May 31, 2023, the available balance for administrative expenses was \$35,845. \$35,845 is anticipated to be used for the payment of current year administrative expenses through January 31, 2024. As a result, there are no funds available in the Administrative Expense Fund to reduce the Phase #1 2023-24 Annual Installment.

D. ANNUAL INSTALLMENTS PER UNIT – PHASE #1

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Phase #1 Bonds and Phase #1 Reimbursement Agreement, (ii) to fund the prepayment reserve and delinquency reserve, and (iii) to cover Administrative Expenses of Phase #1. The Annual Installment for each Parcel shall be calculated by taking into consideration any available capitalized interest available.

According to the Service and Assessment Plan, 301 units are estimated to be built within Phase #1 of the PID. Accordingly, the principal and interest portion of Annual Installment to be collected from each unit within Phase #1 will be \$1,884.89 (i.e. $(\$553,184 + \$21,850 - \$7,682) \div 301 = \$1,884.89$) and the Administrative Expenses to be collected from each unit will be \$123.40 (i.e. $\$37,142 \div 301 = \123.40). As a result, the total Annual Installment to be collected from each unit within Phase #1 will be \$2,008.29 (i.e. $\$1,884.89 + \$123.40 = \$2,008.29$). The Annual Installment to be collected from each Parcel within Phase #1 is calculated by multiplying the Annual Installment for each unit of \$2,008.29 by the total estimated number of units for each Parcel in Phase #1, less the applicable TIRZ Credit, if any.

The Annual Installment due to be collected from each Land Use Class in Phase #1 for 2023-24 is shown in Table II-D-1 below.

Table II-D-1
Phase #1 Annual Installment Per Unit

Land Use Class	Annual Installment Per Unit
50 Ft Lots	\$2,008.29

The list of Parcels within Phase #1 of the PID, the estimated number of units to be developed on the current residential Parcels, the Outstanding Assessment, the annual principal and interest, the Additional Interest Reserve, the Administrative Expenses, the TIRZ Credit and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix B-1.

E. ANNUAL BUDGET – PHASES #2-3 MAJOR IMPROVEMENT AREA

Phases #2-3 Major Improvement - Annual Installments – 2023-24

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty annual installments of principal and interest beginning with the tax year following the issuance of the Phases #2-3 Major Improvement Bonds, of which twenty-seven (27) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the Bonds commencing with the issuance of the Phases #2-3 Major Improvement Bonds. The effective interest rate on the Phases #2-3 Major Improvement Bonds is 5.28 percent. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phases #2-3 Major Improvement Bonds (5.28 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the “Annual Installments” of the Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and applicable Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phases #2-3 Major Improvement Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Service and Assessment Plan and applicable Trust Indenture.

Phases #2-3 Major Improvement Annual Installments to be Collected for 2023-24

The budget for Phases #2-3 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-E-1 below.

Annual Installments	\$284,453

Debt Service Payments

Annual Installments to be collected for principal and interest include interest due on March 1, 2024 in the amount of \$89,631 and on September 1, 2024 in the amount of \$89,631, which equal interest on the outstanding Phases #2-3 Major Improvement Assessments balance of \$3,395,000 for six months each and an effective interest rate of 5.28 percent. Phases #2-3 Bond Annual Installments to be collected include a principal amount of \$65,000 due on September 1, 2024. As a result, total Phases #2-3 Major Improvement Annual Installments to be collected for principal and interest in 2023-24 is estimated to be equal to \$244,263.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, auditor, dissemination agent and contingency fees. As shown on Table II-E-2 below, the total Phases #2-3 Major Improvement administrative expenses to be collected for 2023-24 are estimated to be \$37,142.

Table II-E-2
Phases #2-3 Major Improvement Administrative Budget Breakdown

Description	2023-24 Estimated Budget
City	\$6,000
Administrator	\$25,000
Trustee	\$2,750
Auditor	\$2,000
Contingency	\$1,392
Total	\$37,142

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of \$16,975, which equals 0.5 percent interest on the outstanding collective Phases #2-3 Major Improvement Bond Assessments balance of \$3,395,000.

Available TIRZ Credit

According to the City, there have been TIRZ incremental revenues collected in 2022 in the total amount of \$2,214 that are available to be used as a TIRZ Credit in 2023-24 for the respective Parcels within Phases #2-3. This TIRZ Credit amount is allocated based upon the amount of TIRZ increment generated by each Parcel within Phases #2-3 and each Parcel that has an outstanding Phases #2-3 Assessment balance as of September 1, 2023. The TIRZ Annual Credit Amount shall be calculated separately for each Parcel and such TIRZ Annual Credit Amount shall be applied on a Parcel-by-Parcel basis. The 2023-24 TIRZ Annual Credit was applied to each Parcel proportionally based on anticipated number of units for each parcel as provided by the Developer.

As a result, the TIRZ credit obligation for Phases #2-3 is \$2,214 as shown in Appendix C-2 of this report.

Available Reserve Fund Income

As of May 31, 2023, the balance in the Phases #2-3 Major Improvement Reserve Fund was \$254,063, which includes the Bond Reserve Requirement of \$247,350 and an excess balance of \$6,713. Pursuant to Section 6.7(e) of the Phases #2-3 Major Improvement Bond Trust Indenture the excess balance of \$6,713 should be transferred to the Phases #2-3 Major Improvement Principal & Interest Account and used to pay interest on the Phases #2-3 Major Improvement Bonds on the next interest payment date. As a result, \$6,713 is available to pay a portion of the Phases #2-3 Major Improvement Bonds debt service.

Available Capitalized Interest Account

As of May 31, 2023, and in accordance with Section 6.4(c) of the Trust Indenture, all Capitalized Interest funds have been fully expended. As a result, there is no credit to reduce the Phases #2-3 Major Improvement 2023-24 Annual Installment.

Available Administrative Expense Account

As of May 31, 2023, the available balance for administrative expenses was \$62,302. \$57,302 is anticipated to be used for the payment of current year administrative expenses through January 31, 2024. As a result, \$5,000 is available as a credit to reduce the Phases #2-3 Major Improvement 2023-34 Annual Installment.

F. ANNUAL INSTALLMENTS PER UNIT – PHASES #2-3 MAJOR IMPROVEMENT

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Phases #2-3 Major Improvement Bonds, (ii) to fund the prepayment reserve and delinquency reserve, and (iii) to cover Administrative Expenses of the Phases #2-3 Major Improvement Area. The Annual Installment for each Parcel shall be calculated by taking into consideration any available capitalized interest.

According to the Service and Assessment Plan, 546 units are estimated to be built within the Phases #2-3 of the PID. Accordingly, the principal and interest portion of Annual Installment to be collected from each unit within Phases #2-3 will be \$466.16 (i.e. $(\$244,263 + \$16,975 - \$6,713) \div 546 = \466.16) and the Administrative Expenses to be collected from each acre will be \$58.87 (i.e. $(\$37,142 - \$5,000) \div 546 = \$58.87$). As a result, the total Annual Installment to be collected from each unit within Phases #2-3 will be \$514.75 (i.e. $\$466.16 + \$58.87 = \$525.03$). The Annual Installment to be collected from each Parcel within Phases #2-3 is calculated by multiplying the Annual Installment for each unit of \$525.03 by the total estimated number of units for each Parcel in Phases #2-3, less the applicable TIRZ Credit, if any.

The Annual Installment due to be collected from each Land Use Class in Phases #2-3 for 2023-24 is shown in Table II-F-1 below.

Table II-F-1
Phases #2-3 Major Improvement Annual Installment Per Unit

Land Use Class	Annual Installment Per Unit
50 Ft Lots	\$525.03

The list of Parcels within Phases #2-3 of the PID, the estimated number of units to be developed on the current residential Parcels, the Outstanding Assessment, the annual principal and interest, the Additional Interest Reserve, the Administrative Expenses, the TIRZ Credit and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix C-1.

G. BOND REDEMPTION RELATED UPDATES

Phase #1 Bonds

The Phase #1 Bonds were issued in 2021. Pursuant to Section 4.3 of the Phase #1 Trust Indenture, the City reserves the right and option to redeem the Phase #1 Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2031**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Phase #1 Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phase #1 Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

Phases #2-3 Major Improvement Bonds

The Phases #2-3 Major Improvement Bonds were issued in 2021. Pursuant to Section 4.3 of the Phases #2-3 Major Improvement Trust Indenture, the City reserves the right and option to redeem the Phases #2-3 Major Improvement Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2031**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Phases #2-3 Major Improvement Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phases #2-3 Major Improvement Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

(the remainder of this page is intentionally left blank)

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council provided that the Authorized Improvement costs shall be allocated to the Assessed Property equally on the basis of the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property has not been changed and assessed property will continue to be assessed as provided for in the Service and Assessment Plan.

(the remainder of this page is intentionally left blank)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

- (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.H of this Service and Assessment Plan.

The updated Assessment Rolls are shown in Appendix B-1 and C-1 of this report. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for each new subdivided Parcel.

B = the Assessment for the Parcel prior to subdivision.

C = the estimated number of units to be built on each newly subdivided Parcel

D = the sum of the estimated number of units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

The developer has confirmed there have been no parcel subdivisions in the PID applicable for the Annual Installments to be collected in 2023-24.

B. PREPAYMENT OF ASSESSMENTS

There have been no Assessment prepayments as of Jun 29, 2023.

The complete Assessment Rolls are available for review at the City Hall, located at 142 N. Ohio, Celina, Texas 75009.

NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT ASSESSMENT TO
CITY OF CELINA, TEXAS
CONCERNING THE FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the Edgewood Creek Public Improvement District (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City or MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF CELINA APPROVING THE ANNUAL UPDATE OF THE SERVICE AND ASSESSMENT PLAN AND ASSESSMENT ROLLS FOR THE EDGEWOOD CREEK PUBLIC IMPROVEMENT DISTRICT IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE §372.013, AS AMENDED; CONTAINING A CUMMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, on May 12, 2020, the City Council of the City of Celina, Texas (the “City”) approved Resolution No. 2020-33R establishing the Edgewood Creek Public Improvement District (the “PID”) in accordance with the provisions of Chapter 372 of the Texas Local Government Code (the “Public Improvement District Assessment Act” or “the PID Act”); and

WHEREAS, the City has heretofore levied assessments against property within Phase #1 the PID, pursuant to Ordinance No. 2021-02 which ordinance also approved the Edgewood Creek Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #1, dated as of January 12, 2021 (the “Service and Assessment Plan and Phase #1 Assessment Roll”); and

WHEREAS, the City has also heretofore levied assessments against property within the Phases #2-3 Major Improvement Area of the PID, pursuant to Ordinance No. 2021-03 which ordinance also approved the Edgewood Creek Public Improvement District Service and Assessment Plan and Assessment Roll related to the Phases #2-3 Major Improvement Area, dated as of January 12, 2021 (the “Service and Assessment Plan and Phases #2-3 Major Improvement Area Assessment Roll”) [and, together with the Service and Assessment Plan and Phase #1 Assessment Roll, the “Service and Assessment Plan and Assessment Rolls”] ; and

WHEREAS, the Service and Assessment Plan and Assessment Rolls are required to be reviewed and updated annually as described in Sections 372.013 and 372.014 of the PID Act (the “Annual Service Plan Update”); and

WHEREAS, the Annual Service Plan Update, attached hereto as Exhibit A, including the Phase #1 and the Phases #2-3 Major Improvement Area Assessment Rolls attached thereto, update the Service and Assessment Plan and Assessment Rolls to reflect prepayments, property divisions and changes to the budget allocation for the PID that occur during the year, if any; and

WHEREAS, the City Council desires and finds it to be in the public interest to adopt this Ordinance approving and adopting the Annual Service Plan Update and the updated Assessment Roll attached thereto, in compliance with the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1. All matters stated in the preamble are found to be true and correct and are incorporated herein as if copied in their entirety.

SECTION 2. The Edgewood Creek Public Improvement District Annual Service Plan Update, attached hereto as Exhibit A and incorporated herein by reference, inclusive of the updated Phase #1 and the Phases #2-3 Major Improvement Area Assessment Rolls contained therein and made a part thereof, are hereby accepted and approved.

SECTION 3. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION 4. Should any sentence, paragraph, subdivision, clause, phrase or section of this Ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this Ordinance as a whole, or any part or provision thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of the Ordinance as a whole.

SECTION 5. This Ordinance shall take effect immediately after its passage and the publication of the caption, as the law and charter in such case provide. The City Secretary shall cause this Ordinance to be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

 Re: SAP Update - Glen Crossing PID

Action Requested:

Consider and act upon an Ordinance of the City of Celina, Texas, approving the 2023-2024 Annual Service Plan update to the Service and Assessment Plan for the Glen Crossing Public Improvement District and providing an effective date. (Bromiley)

Background Information:

The Glen Crossing PID was created by the City Council pursuant to the PID Act and a resolution approved on April 12, 2016. The PID is located generally south of W Glendenning Parkway, east of S Celina Parkway, and north of the Collin County Outer Loop. The PID is anticipated to contain an estimated 356 residential units on approximately 109 acres within multiple phases. The PID annual installments in the Annual Service Plan update include amounts for the payment of principal and interest on the PID bonds and reimbursement agreement, if any, PID administrative expenses, additional interest for prepayment and delinquency reserves and as applicable, TIRZ annual credit amounts committed to pay a portion of the PID bond principal and interest. The Service Plan is prepared annually and presented to Council as required by Chapter 372 of the Texas Local Government Code.

I. INTRODUCTION

The G Bar 7 Public Improvement District (the “PID”) was created pursuant to the PID Act and a resolution of the City Council on April 12, 2016 to finance certain public improvement projects for the benefit of the property in the PID. On June 14, 2016, the City of Celina (the “City”) passed and approved Resolution No. 2016-31R changing the name of the PID to the Glen Crossing Public Improvement District.

On July 12, 2016, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2016 (Glen Crossing Public Improvement District Phase #1 Project) (the “Phase #1A Bonds”) in the aggregate principal amount of \$3,550,000. The Phase #1A were issued to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID. In addition, reimbursement obligations for the Phase #1 Reimbursement Agreement in the aggregate principal amount of \$2,175,000 were secured by Special Assessments.

On November 13, 2018, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2018 (Glen Crossing Public Improvement District Phase #1B Project) (the “Phase #1B Bonds”) in the aggregate principal amount of \$1,800,000 to fully reimburse the Developer for the unpaid balance of the Phase #1 Reimbursement Agreement. In addition, on November 13, 2018, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2018 (Glen Crossing Public Improvement District Phase #2 Project) (the “Phase #2 Bonds”) in the aggregate principal amount of \$6,945,000 to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in Phase #2 the PID.

A service and assessment plan (the “Service and Assessment Plan”) was prepared at the direction of the City identifying the public improvements (the “Authorized Improvements”) to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. On November 13, 2018, the City approved an amended and restated Service and Assessment Plan pursuant to Ordinance No. 2018-62 in conjunction with the issuance of the Phase #1B and Phase #2 Bonds (the “Amended and Restated Service and Assessment Plan”). Pursuant to the PID Act, the Service and Assessment Plan must be reviewed and updated annually. This document is the annual update of the Amended and Restated Service and Assessment Plan for 2023-24 (the “Annual Service Plan Update”).

The City also adopted an assessment roll for Phase #1 of the PID (the “Phase #1 Assessment Roll”) identifying the assessments on each Parcel of Phase #1 Assessed Property and an assessment roll for Phase #2 (the “Phase #2 Assessment Roll”), based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Phase #1 Assessment Roll and Phase #2 Assessment Roll for 2023-24.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the “PID Assessment Notice”) as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix E and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchase before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms not defined herein shall have the meanings assigned to such terms in the Amended and Restated Service and Assessment Plan.

II. UPDATE OF THE SERVICE PLAN

A. UPDATED SOURCES AND USES FOR PUBLIC IMPROVEMENTS

Phases #1 Sources and Uses

There have been no changes reported by the Developer to the revised estimated costs of the Authorized Improvements shown in the Amended and Restated Service and Assessment Plan for Phase #1.

According to the City, the Phase #1 Improvements were completed and accepted by the City on October 4, 2017. Table II-A on the following page summarizes the sources and uses of funds required to (1) construct the Phase #1 Improvements, (2) establish the PID, and (3) issue Phase #1 Bonds. The actual costs spent to date of the Phase #1 Improvements were provided by the Developer in the Developer's Quarterly Improvement Implementation Report dated as of March 31, 2020. For additional Phase #1 development-related information, refer to the link below:

Phases #2 Sources and Uses

There have been no changes reported by the Developer to the revised estimated costs of the Authorized Improvements shown in the Amended and Restated Service and Assessment Plan for Phase #.

According to the Developer's Quarterly Improvement Implementation Report for Phase #2 dated as of June 30, 2021, the Phase #2A Improvements have been substantially completed and were accepted in July 2020 and the Phase #2B Improvements have been substantially completed and were accepted in June 2021.

Table II-B below summarizes the sources and uses of funds required to (1) construct the Phase #2 Improvements, (2) establish the PID, and (3) issue the Phases #2 Bonds. The actual costs spent to date for the Phase #2 Improvements were provided by the Developer in the Developer's Quarterly Improvement Implementation Report dated as of September 30, 2021. B. FIVE YEAR SERVICE PLAN

According to the PID Act, a service plan must cover a period of five years. All of the Authorized Improvements are expected to be built within a period of five years. The anticipated budgets for the Authorized Improvements are shown in Section II.A of this report and the Annual Installments expected to be collected for these costs is shown by Table II-C below.

Table II-C
Projected Annual Installments (2017-2029)

1 – Assessment years ending 2017 through 2024 reflect actual Annual Installments and are net of applicable reserve fund income, TIRZ credits, and capitalized interest. Assessment years 2025 through 2029 reflect projected Annual Installments, not inclusive of applicable credits, and are subject to change.

C. STATUS OF DEVELOPMENT

According to the City, building permits have been issued for parcels representing, in the aggregate, greater than 95 percent of the Special Assessment levied within Phase #1. As a result, the number of new homes completed in Phase #1 during the current fiscal year and the number of total new homes completed are no longer required to be reported in this Annual Service Plan Update pursuant to Section 4 of the Phase #1 Bonds Continuing Disclosure Agreement of the Issuer.

According to the City, building permits have been issued for parcels representing, in the aggregate, greater than 95 percent of the Special Assessment levied within Phase #2. As a result, the number of new homes completed in Phase #2 during the current fiscal year and the number of total new homes completed are no longer required to be reported in this Annual Service Plan Update pursuant to Section 4 of the Phase #2 Bonds Continuing Disclosure Agreement of the Issuer.

D. ANNUAL BUDGET – PHASE #1

Phase #1 - Annual Installments

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Phase #1A Bonds and/or execution of the Phase #1 Reimbursement Agreement, of which twenty-three (23) Annual Installments remain outstanding.

Pursuant to the Amended and Restated Service and Assessment Plan, each Assessment shall bear interest at the rate on the Phase #1A Bonds commencing with the issuance of the Phase #1A Bonds. The effective interest rate on the Phase #1A Bonds is 4.97 percent and the interest rate applicable to the Phase #1B Bonds is 5.36 percent for 2023-24. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phase #1A Bonds and Phase #1B Bonds (4.97 percent and 5.36 percent, respectively) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the “Annual Installments” of the Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Amended and Restated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and applicable Trust Indenture, such the TIRZ Credit, capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phase #1A Bonds and Phase #1B Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment reserve and delinquency reserve amounts as described in the Service and Assessment plan and applicable Trust Indenture.

Phase #1 Annual Installments to be collected for 2023-24

The budget for Phase #1 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-D on the following page.

Table II-D

Debt Service Payments

Annual Installments to be collected for principal and interest on the Phase #1A Bonds include interest due on March 1, 2024 in the amount of \$77,594 and on September 1, 2024 in the amount of \$77,594, which equal interest on the outstanding Assessments balance of \$3,121,043, for six months each at an effective interest rate of 4.97 percent. Annual Installments to be collected include a principal amount of \$80,000 due on September 1, 2024. As a result, total principal and interest due for the Phase #1A Bonds in 2023-24 is estimated to be \$235,187.

Annual Installments to be collected for principal and interest on the Phase #1B Bonds include interest due on March 1, 2024 in the amount of \$43,880 and September 1, 2024 in the amount of \$43,880, which equal interest on the outstanding Assessments balance of \$1,637,791 for six months each at an effective interest rate of 5.36 percent. Annual Installments to be collected include a principal amount of \$35,000 due on September 1, 2024. As a result, total principal and interest due for the Phase #1B Bonds in 2023-24 is estimated to be \$122,760.

Administrative Expenses

Administrative expenses for Phase #1 include the City, Trustee, Administrator, auditor, dissemination agent, and contingency. As shown in Table II-E on the following page, the total administrative expenses to be collected for 2023-24 are estimated to be \$48,100.

Table II-E
Administrative Budget Breakdown

Description	2023-24 Estimated Budget (9/1/23-8/31/24)
City	\$6,000
PID Administrator	\$31,000
Trustee	\$5,500
Auditor	\$1,200
Dissemination Agent	\$3,500
Contingency	\$900
Total	\$48,100

Excess Interest for Prepayment and Delinquency Reserve

Phase #1A Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of \$15,605, which equals 0.5 percent interest on the outstanding Phase #1A Bonds balance of \$3,121,043. Phase #1B Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of \$8,189, which equals 0.5 percent interest on the outstanding Phase #1B Bonds balance of \$1,637,791. The total Annual Installment amount to be collected for excess interest for prepayment and delinquency reserves is \$23,794.

Available TIRZ Credit

According to the Collin County Tax Assessor-Collector, the 2022 City property taxes collected from the Phase #1 Parcels was \$414,432 and the base year City property taxes collected from the Phase #1 Parcel was \$16. As a result, the 2022 TIRZ increment is \$414,350 and the 2023-24 TIRZ Credit was \$184,303. The TIRZ Credit amount shall be calculated separately for each Parcel and such TIRZ Credit amount shall be applied on a Parcel-by-Parcel basis. As a result, the TIRZ credit obligation for Phase #1 is \$184,303 as shown in Appendix C-2 of this report.

Available Reserve Fund Credit

As of May 31, 2023, the balance in the Phase #1 Reserve Fund was \$374,470, which includes the Bond Reserve Requirement of \$364,575 and an excess balance of \$9,895. \$1,486 of the excess balance may be used to pay debt service on September 1, 2023. Pursuant to Section 6.7 (d) of the Phase #1A Bond Trust Indenture and Section 6.8 (d) of the Phase #1B Bond Trust Indenture, the remaining excess balance of \$8,410 should be transferred to the Phase #1 Principal & Interest Account and used to pay interest on the Phase #1 Bonds on the next interest payment date. As a result, \$8,410 is available to pay a portion of the Phase #1 Bonds debt service.

Available Capitalized Interest Account

As of May 31, 2023, the Trustee reported that the Capitalized Interest Fund has been fully expended. As a result, there is no credit to reduce the Annual Installment.

Available Administrative Expense Account

As of May 31, 2023, the balance in the Administrative Expense Fund was \$34,600. The current balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2024. As a result, there are no funds anticipated to be available in the Administrative Expense Fund to reduce the Phase #1 2023-24 Annual Installment.

E. ANNUAL INSTALLMENTS PER UNIT - PHASE #1

According to the Amended and Restated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #1A Bonds and Phase #1B Bonds, to fund the Prepayment Reserve and Delinquency Reserve described in the Service and Assessment Plan, and to cover Administrative Expenses of Phase #1.

According to the Service and Assessment Plan, 159 units representing 143.33 total Equivalent Units are built within Phase #1 of the PID. One 50' Lot has prepaid a portion of its Phase #1A Assessment balance as of May 31, 2023. As a result, the outstanding Phase #1A total Equivalent Units are 142.78 ($143.33 - 0.55 = 142.78$). Accordingly, the net principal, interest, prepayment and delinquency reserve portion of Annual Installment to be collected from each Equivalent Unit for Phase #1A will be \$1,717.86 (i.e. $\$250,793 - 5,516 \div 142.78 = \$1,717.86$).

According to the Service and Assessment Plan, 159 units representing 143.33 total Equivalent Units are built within Phase #1 of the PID. One 50' Lot has prepaid a portion of its Phase #1B Assessment balance as of May 31, 2023. As a result, the outstanding Phase #1B total Equivalent Units are 142.88 ($143.33 - 0.45 = 142.88$). Accordingly, the net principal, interest, prepayment and delinquency reserve portion of Annual Installment to be collected from each Equivalent Unit for Phase #1B will be \$896.21 (i.e. $\$130,949 - \$2,894 \div 142.88 = \$896.21$).

The combined net principal, interest, prepayment and delinquency reserve portion of Annual Installment to be collected from each Equivalent Unit for Phase #1 will be \$2,614.07 ($\$1,717.86 + \$896.21 = \$2,614.07$).

Administrative Expenses will continue to be collected from all Parcels with an outstanding Assessment balance based on each Parcel's original Equivalent Unit. Administrative Expenses to be collected from each Equivalent Unit for Phase #1 will be \$335.58 (i.e. $\$48,100 \div 143.33 = \335.58). As a result, the total Annual Installment to be collected from each Equivalent Unit for Phase #1 will be \$2,949.65 (i.e. $\$2,614.07 + \$335.58 = \$2,949.65$) less a portion the applicable TIRZ Credit shown in Appendix C-1 for each Parcel within Phase #1. The Annual Installment to be collected from each Parcel within Phase #1 is calculated by multiplying the Annual Installment

for each Equivalent Unit of \$2,949.65 by the total estimated Equivalent Units for each Parcel in Phase #1.

The Annual Installment due to be collected from each Land Use Class in Phase #1 for 2023-24 is shown in Table II-F below.

Table II-F
Annual Installment Per Unit – Phase #1

Land Use Class	Equivalent Unit Factor	Annual Installment Per Unit¹
60 Ft	1.00	\$2,949.65
50 Ft	0.83	\$2,458.04

1 – The Annual Installment per unit amounts do not include applicable TIRZ Credits, if any.

The list of Parcels within Phase #1 of the PID, the number of units to be developed on the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix C-1.

F. ANNUAL BUDGET – PHASE #2

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Phase #2 Bonds, of which twenty-four (24) Annual Installments remain outstanding.

Pursuant to the Amended and Restated Service and Assessment Plan, each Assessment shall bear interest at the rate on the Phase #2 Bonds commencing with the issuance of the Phase #2 Bonds. The effective interest rate on the Phase #2 Bonds is 5.62 percent for 2023-24. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phase #2 Bonds (5.62 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the “Annual Installments” of the Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Amended and Restated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under

applicable documents including the Service and Assessment Plan and applicable Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phase #2 Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment reserve and delinquency reserve amounts as described in the Service and Assessment plan and applicable Trust Indenture.

Phase #2 Annual Installments to be collected for 2023-24

The budget for Phase #2 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-G below.

Debt Service Payments

Annual Installments to be collected for principal and interest include interest due on March 1, 2024 in the amount of \$180,604 and on September 1, 2024 in the amount of \$180,604, which equal interest on the outstanding Phase #2 Assessments balance of \$6,427,000 for six months each and

an effective interest rate of 5.62 percent. Annual Installments to be collected include a principal amount of \$134,000 due on September 1, 2024. As a result, total debt service due for Phase #2 for principal and interest in 2023-24 is estimated to be equal to \$495,208.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, auditor, and dissemination agent and contingency fees. As shown in Table II-H below, the total Phases #2 administrative expenses to be collected for 2023-24 are estimated to be \$44,150.

Table II-H
Administrative Budget Breakdown

Description	2023-24
	Estimated Budget (9/1/23-8/31/24)
City	\$6,000
PID Administrator	\$27,000
Trustee	\$2,750
Auditor	\$1,200
Dissemination Agent	\$3,500
Contingency	\$3,700
Total	\$44,150

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of \$32,135 which equals 0.5 percent interest on the outstanding Phase #2 Assessments balance of \$6,427,00.

Available TIRZ Credit

According to the Collin County Tax Assessor-Collector, the 2021 City property taxes collected from the Phase #2 Parcels was \$347,426 and the base year City property taxes collected from the Phase #2 Parcel was \$24,937. As a result, the 2022 TIRZ increment is \$322,513 and the 2023-24 TIRZ Credit was \$142,933. This TIRZ Credit amount is allocated to each Parcel within Phase #2 with a current outstanding Assessment balance that generated the TIRZ Revenues in 2023 as shown in Appendix D-2.

Available Reserve Fund Income

As of May 31, 2023, the balance in the Phase #2 Reserve Fund was \$521,626, which includes the Bond Reserve Requirement of \$506,640 and an excess balance of \$14,986. There is also a sufficient balance in the Principal and Interest Account to pay debt service on September 1, 2024.

Pursuant to Section 6.7 (d) of the Phase #2 Bonds Trust Indenture, the excess balance of \$14,986 should be transferred to the Phase #2 Principal & Interest Account and used to pay interest on the Phase #2 Bonds on the next interest payment date. As a result, \$14,986 is available to pay a portion of the Phase #2 Bonds debt service.

Available Capitalized Interest Account

As of May 31, 2023, the Trustee reported that the Capitalized Interest Fund has been fully expended. As a result, there is no credit to reduce the Annual Installment.

Available Administrative Expense Account

As of May 31, 2023, the balance in the Administrative Expense Fund was \$45,893. Approximately \$45,893 of the current balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2024. As a result, there are no funds anticipated to be available in the Administrative Expense Fund to reduce the Phase #2 2023-24 Annual Installment.

G. ANNUAL INSTALLMENTS PER UNIT - PHASE #2

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #2 Bonds, to fund the Prepayment Reserve and Delinquency reserve described in the Service and Assessment Plan, and to cover Administrative Expenses of Phase #2.

According to the Developer, 197 units representing 178.17 total Equivalent Units are estimated to be built within Phase #2 of the PID. One 60' Lot has prepaid a portion of its Phase #2 Assessment balance as of May 31, 2023. As a result, the outstanding Phase #2 total Equivalent Units are 177.41 ($178.17 - 0.76 = 177.41$). Accordingly, the net principal, interest, prepayment reserve, and delinquency reserve portion of Annual Installment to be collected from each Equivalent Unit will be \$2,887.99 (i.e. $\$527,343 \div 177.41 = \$2,887.99$) and the Administrative Expenses to be collected from each Equivalent Unit will be \$247.80 [i.e. $\$44,150 \div 178.17 = \247.80]. As a result, the total Annual Installment to be collected from each Equivalent Unit within Phase #2 will be \$3,135.79 (i.e. $\$2,887.99 + \$247.80 = \$3,135.79$). The Annual Installment to be collected from each Parcel within Phase #2 is calculated by multiplying the Annual Installment for each Equivalent Unit of \$3,135.79 by the total estimated Equivalent Units for each Parcel in Phase #2.

The Annual Installment due to be collected from each Land Use Class in Phase #2 for 2023-24 is shown in Table II-I on the following page.

Table II-I
Annual Installment Per Unit – Phase #2

Land Use Class	Equivalent Unit Factor	Annual Installment Per Unit ¹
60 Ft	1.00	\$3,135.79
50 Ft	0.83	\$2,613.16

1 – The Annual Installment per unit amounts do not include applicable TIRZ Credits, if any.

The list of Parcels within Phase #2 of the PID, the number of units to be developed on the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix D-1.

H. BOND REDEMPTION RELATED UPDATES

Phase #1A Bonds

The Phase #1A Bonds were issued in August 2016. Pursuant to Section 4.3 of the Trust Indenture relating to the Phase #1A Bonds, the City reserves the right and option to redeem the Phase #1A Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2026**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phase #1A Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

Phase #1B Bonds

The issuance of the Phase #1B Bonds was approved in November 2018. Pursuant to Section 4.4 of the Trust Indenture relating to the Phase #1B Bonds, the City reserves the right and option to redeem the Phase #1B Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2028**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phase #1B Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market

conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

Phase #2 Bonds

The issuance of the Phase #2 Bonds was approved in November 2018. Pursuant to Section 4.3 of the Trust Indenture relating to the Phase #2 Bonds, the City reserves the right and option to redeem the Phase #2 Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2028**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phase #2 Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council describes that the Authorized Improvement costs shall be allocated to the Assessed Property equally based on the equivalent number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property, as updated in prior Annual Service and Assessment Plan Updates, has not been changed and Assessed Property will continue to be assessed as provided for in the Amended and Restated Service and Assessment Plan.

(The remainder of this page is intentionally left blank)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

- (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by the Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.I of the Service and Assessment Plan.

The summary of updated Assessment Rolls is shown in Appendix C-1 and D-1 of this report. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

- A = the Assessment for each new subdivided Parcel.
- B = the Assessment for the Parcel prior to subdivision.
- C = the estimated Equivalent Units to be built on each newly subdivided Parcel
- D = the sum of the estimated Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

According to the Developer and Collin Central Appraisal District, the Phase #1 plat was recorded on February 20, 2018. Phase #1 was completely subdivided in 2018.

According to the Developer and Collin Central Appraisal District, 119 Lots in Phase #2A were subdivided from Parcel 2739465 in Phase #2 of the PID in 2021. The final plat was recorded in November of 2020 and the Assessments were allocated proportionally according to Lot Type.

According to the Developer and Collin Central Appraisal District, 78 Lots in Phase #2B were subdivided from Parcel 2739465 in Phase #2 of the PID in 2021. The final plat recorded in June of 2021 and the Assessments were allocated proportionally according to Lot Type.

B. PREPAYMENT OF ASSESSMENTS

There has been one partial Assessment prepayment within Phase #1 and one partial Assessment prepayment within Phase #2 as of May 31, 2023. See Appendix B for additional information regarding prepaid Assessments.

According to the Trustee, an extraordinary optional redemption of the Phase #1 Bonds, in the aggregate amount of \$13,000, occurred July 1, 2022, based on prepaid Phase #1 Assessments received. Additionally, an extraordinary optional redemption of the Phase #1B Bonds, in the aggregate amount of \$7,000, occurred July 1, 2022, based on prepaid Phase #1B Assessments received.

According to the Trustee, an extraordinary optional redemption of the Phase #2 Bonds, in the aggregate amount of \$28,000, occurred July 1, 2022, based on prepaid Phase #2 Assessments received.

The complete Assessment Roll is available for review at the City Hall, located at 142 N. Ohio, Celina, Texas 75009.

NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT ASSESSMENT TO
CITY OF CELINA, TEXAS
CONCERNING THE FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the Glen Crossing Public Improvement District (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City or MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF CELINA APPROVING THE ANNUAL UPDATE OF THE SERVICE AND ASSESSMENT PLAN AND ASSESSMENT ROLLS FOR THE GLEN CROSSING PUBLIC IMPROVEMENT DISTRICT IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE §372.013, AS AMENDED; CONTAINING A CUMMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, on April 12, 2016, the City Council of the City of Celina, Texas (the “City”) approved Resolution No. 2016-24R establishing the Glen Crossing Public Improvement District (the “PID”) in accordance with the provisions of Chapter 372 of the Texas Local Government Code (the “Public Improvement District Assessment Act” or “the PID Act”); and

WHEREAS, the City has heretofore levied assessments against property within Phase #1 the PID, pursuant to Ordinance No. 2016-50 which ordinance also approved the Glen Crossing Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #1, dated as of July 12, 2016 (the “Service and Assessment Plan and Phase #1 Assessment Roll”); and

WHEREAS, the City has also heretofore levied assessments against property within Phase #2 of the PID, pursuant to Ordinance No. 2018-62 which ordinance also approved the Glen Crossing Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #2, dated as of November 15, 2018 (the “Updated Service and Assessment Plan and Phase #2 Assessment Roll”) [and, together with the Service and Assessment Plan and Phase #1 Assessment Roll, the “Updated Service and Assessment Plan and Assessment Rolls”]; and

WHEREAS, the Updated Service and Assessment Plan and Assessment Rolls are required to be reviewed and updated annually as described in Sections 372.013 and 372.014 of the PID Act (the “Annual Service Plan Update”); and

WHEREAS, the Annual Service Plan Update, attached hereto as Exhibit A, including the Phase #1 and Phases #2 Assessment Rolls attached thereto, update the Updated Service and Assessment Plan and Assessment Rolls to reflect prepayments, property divisions and changes to the budget allocation for the PID that occur during the year, if any; and

WHEREAS, the City Council desires and finds it to be in the public interest to adopt this Ordinance approving and adopting the Annual Service Plan Update and the updated Assessment Roll attached thereto, in compliance with the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1. All matters stated in the preamble are found to be true and correct and are incorporated herein as if copied in their entirety.

SECTION 2. The Glen Crossing Public Improvement District Annual Service Plan Update, attached hereto as Exhibit A and incorporated herein by reference, inclusive of the updated Phase #1 and Phase #2 Assessment Rolls contained therein and made a part thereof, are hereby accepted and approved.

SECTION 3. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION 4. Should any sentence, paragraph, subdivision, clause, phrase or section of this Ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this Ordinance as a whole, or any part or provision thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of the Ordinance as a whole.

SECTION 5. This Ordinance shall take effect immediately after its passage and the publication of the caption, as the law and charter in such case provide. The City Secretary shall cause this Ordinance to be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Re: SAP Update - Glen Crossing West PID

Action Requested:

Consider and act upon an Ordinance of the City of Celina, Texas, approving the 2023-2024 Annual Service Plan update to the Service and Assessment Plan for the Glen Crossing West Public Improvement District and providing an effective date. (Bromiley)

Background Information:

The Glen Crossing West PID was created by the City Council pursuant to the PID Act and a resolution approved on May 28, 2019. The PID is located generally south of W Glendenning Parkway, east of S Celina Parkway, and north of the Collin County Outer Loop. The PID is anticipated to contain an estimated 57 residential units on approximately 29.306 acres within one phase. The PID annual installments in the Annual Service Plan update include amounts for the payment of principal and interest on the PID bonds and reimbursement agreement, if any, PID administrative expenses, additional interest for prepayment and delinquency reserves and as applicable, TIRZ annual credit amounts committed to pay a portion of the PID bond principal and interest. The Service Plan is prepared annually and presented to Council as required by Chapter 372 of the Texas Local Government Code.

I. INTRODUCTION

The Glen Crossing West Public Improvement District (the “PID”) was created pursuant to the PID act and Resolution No. 2019-25R of the City Council (the “City Council”) on May 28, 2019 to finance certain public improvement projects for the benefit of the property in the PID.

Reimbursement obligations for the PID Reimbursement Agreement, in the aggregate principal amount of \$956,000 are secured by Assessments (the “Assessments”).

A service and assessment plan (the “Service and Assessment Plan”) was prepared at the direction of the City identifying the Authorized Improvements to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to the PID Act, the Service and Assessment Plan must be reviewed and updated annually. This document is the annual update of the Service and Assessment Plan for 2023-24 (the “Annual Service Plan Update”).

The City also adopted Assessment Rolls identifying the assessments on each Parcel within the PID, based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Roll for 2023-24 as shown in Appendix C. The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the “PID Assessment Notice”) as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix D, and a copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situations described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchase before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event, that a contract of purchase and sale is entered into without the seller-provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms in this section not defined herein shall have the meanings assigned to such terms in the Service and Assessment Plan.

II. UPDATE OF THE SERVICE PLAN

A. UPDATED SOURCES AND USES FOR PUBLIC IMPROVEMENTS

Estimated Sources and Uses

Pursuant to the original Service and Assessment Plan adopted on July 9, 2019, the initial total estimated costs of the Reimbursement Agreement Improvements were equal to \$1,035,663. According to the Developer as of January 31, 2022, the actual costs of the Authorized Improvements were equal to \$1,422,471, representing an increase of \$386,808.

According to the City, the Authorized Improvements were completed and accepted on December 11, 2020.

Table II-A on the following page summarizes the estimated sources and uses of funds required to construct the Authorized Improvements of the PID.

(the remainder of this page is intentionally left blank)

1 - According to the Developer as of January 31, 2022.

Cost Variances

As stated in Table II-A above, there are improvement cost increases of \$447,210. The cost increase of \$447,210 related to the Authorized Improvements represents additional costs that were not originally considered within the PID budget. The remainder of the cost increase is due to increased Private Improvements associated with the PID. The increase in Authorized Improvements and Private Improvements costs were funded by the Developer.

B. FIVE YEAR SERVICE PLAN

According to the PID act, a service plan must cover a period of five years.

The budget for the Authorized Improvements is shown in Section II.A. on the previous page, and the Annual Installments expected to be collected for those costs during the next five years are shown in Table II-B below.

1 - Assessment years ending 2021-2024 reflect actual annual installments. Assessment years ending 2025-2029 reflect projected annual installments and are subject to change.

C. STATUS OF DEVELOPMENT

According to the Developer, final plats for Phase #1A and Phase #1B of the PID were recorded and recognized by Collin Central Appraisal District, (the “CCAD”) on December 3, 2020 and July 14, 2021, respectively.

According to the City, fifty-five (55) building permits have been issued for the PID as of June 18, 2023, representing 82.46 percent of the total fifty-seven (57) building permits expected to be issued for the PID.

According to the City, there are forty-seven (47) certificates of occupancy issued for the PID as of June 18, 2023. Table II-C on the following page summarizes the certificates of occupancy issued for the PID.

**Table II-C

D. ANNUAL BUDGET

Annual Installments – 2023-24

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the earlier of (i) the recording of a final subdivision plat in the official public records of the County for the Assessed Property, (ii) upon issuance of Bonds, or (iii) the second anniversary of the date of levy of the Assessment, of which twenty-eight (28) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the Reimbursement Agreement. The effective interest rate is 6.01 percent for 2023-24. These payments, the “Annual Installments” of the Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Service and Assessment Plan, each Annual Installment, including the interest on the unpaid amount of an Assessment, shall be updated annually. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of the following year.

Annual Installments to be collected for 2023-24

The budget for the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown in Table II-D on the following page.

(the remainder of this page is intentionally left blank)

Table II-D
Budget for the PID Annual Installments
to be Collected for 2023-24

Descriptions	Total
Interest payment on March 1, 2024	\$27,977
Interest payment on September 1, 2024	\$27,977
Principal payment on September 1, 2024	\$14,000

<i>Subtotal Expenses</i>	<i>\$90,353</i>
Available Administrative Credit	\$0
Other funds available	\$0
<i>Subtotal funds available</i>	<i>\$0</i>
Annual Installments	\$90,353

Debt Service Payments

Annual Installments to be collected for principal and interest on the PID Reimbursement Agreement include interest due on March 1, 2024, in the amount of \$27,977 and September 1, 2024, in the amount of \$27,977, which equal interest on the outstanding assessment balance of \$931,000 for six months each and an effective interest rate of 6.01 percent. Annual Installments to be collected on the PID Reimbursement Agreement include a principal amount of \$14,000 due on September 1, 2024. As a result, the total Annual Installments to be collected for principal and interest on the PID Reimbursement Agreement in 2023-24 is estimated to be equal to \$69,953.

Administrative Expenses

Administrative expenses for the PID include the City, Administrator, and contingency. As shown in Table II-E below, the total administrative expenses to be collected for 2023-24 are estimated to be \$20,400.

Table II-E
Administrative Budget Breakdown

Description	2023-2024
	Estimated Budget (9/1/23-8/31/24)
City	\$6,000
PID Administrator	\$14,000
Contingency	\$400
Total	\$20,400

Available Administrative Expense Account

There are no funds anticipated to be available in the Administrative Expense Fund to reduce the 2023-24 PID Annual Installment.

E. ANNUAL INSTALLMENTS PER UNIT

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the outstanding PID Reimbursement Agreement described in the Service and Assessment Plan, and to cover Administrative Expenses of the PID.

According to the Service and Assessment Plan, 57 units are anticipated to be built within the PID. Accordingly, the net principal and interest portion of Annual Installment to be collected from each unit will be \$1,227.25 (i.e. $\$69,953 \div 57.00 = \$1,227.25$) and the Administrative Expenses to be collected from each unit will be \$357.89 (i.e. $\$20,400 \div 57.00 = \357.89). As a result, the total Annual Installment to be collected from each unit within the PID will be \$1,585.14 (i.e. $\$1,227.25 + \$357.89 = \$1,585.14$) shown in Appendix C for each Parcel within the PID.

The Annual Installment due to be collected from each unit in the PID for 2023-24 is shown in Table II-F below.

Table II-F
Annual Installment Per Unit

Type	Annual Installment Per Unit
Lot Type 1	\$1,585.14

The list of Parcels within the PID, the number of units to be developed on the current residential Parcels, the corresponding total Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix C.

(the remainder of this page is intentionally left blank)

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council provided that the Authorized Improvement Costs shall be allocated to the Assessed Property equally on the basis of the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement Costs to Parcels similarly benefited.

This method of assessing property has not been changed and Assessed Property will continue to be assessed as provided for in the Service and Assessment Plan.

(the remainder of this page is intentionally left blank)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

- (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.E of this Service and Assessment Plan.

The summary of updated Assessment Rolls is shown in Appendix C of this report. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

- A = the Assessment for each new subdivided Parcel.
- B = the Assessment for the Parcel prior to subdivision.
- C = the estimated units to be built on each newly subdivided Parcel
- D = the sum of the estimated number of units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

According to the Developer, final plats for Phase #1A and Phase #1B of the PID were recorded and recognized by CCAD on December 3, 2020, and July 14, 2021, respectively.

According to CCAD, twelve Phase #1A Parcels were included in the 2021 certified roll and began collection for 2021-22.

According to CCAD, forty-five Phase #1B Parcels were included in the 2022 certified roll and began collection for 2022-23.

B. PREPAYMENT OF ASSESSMENTS

There have been no prepayments as of June 30, 2023.

The complete Assessment Rolls are available for review at the City Hall, located at 142 N. Ohio, Celina, Texas 75009.

PID Assessment Notice

NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT ASSESSMENT TO
THE CITY OF CELINA, TEXAS
CONCERNING THE FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the Glen Crossing West Public Improvement District (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City or MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF CELINA APPROVING THE ANNUAL UPDATE OF THE SERVICE AND ASSESSMENT PLAN AND ASSESSMENT ROLL FOR THE GLEN CROSSING WEST PUBLIC IMPROVEMENT DISTRICT IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE §372.013, AS AMENDED; CONTAINING A CUMMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, on May 28, 2019, the City Council of the City of Celina, Texas (the “City”) approved Resolution No. 2019-25R establishing the Glen Crossing West Public Improvement District (the “PID”) in accordance with the provisions of Chapter 372 of the Texas Local Government Code (the “Public Improvement District Assessment Act” or “the PID Act”); and

WHEREAS, the City has heretofore levied assessments against property within the PID, pursuant to Ordinance No. 2019-24 which ordinance also approved the Glen Crossing West Public Improvement District Service and Assessment Plan and Assessment Roll (the “Service and Assessment Plan and Assessment Roll”); and

WHEREAS, the Service and Assessment Plan and Assessment Roll is required to be reviewed and updated annually as described in Sections 372.013 and 372.014 of the PID Act (the “Annual Service Plan Update”); and

WHEREAS, the Annual Service Plan Update, attached hereto as Exhibit A, including the Assessment Roll attached thereto, update the Service and Assessment Plan and Assessment Roll to reflect prepayments, property divisions and changes to the budget allocation for the PID that occur during the year, if any; and

WHEREAS, the City Council desires and finds it to be in the public interest to adopt this Ordinance approving and adopting the Annual Service Plan Update and the updated Assessment Roll attached thereto, in compliance with the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1. All matters stated in the preamble are found to be true and correct and are incorporated herein as if copied in their entirety.

SECTION 2. The Glen Crossing West Public Improvement District Annual Service Plan Update, attached hereto as Exhibit A and incorporated herein by reference, inclusive of the updated Assessment Roll contained therein and made a part thereof, are hereby accepted and approved.

SECTION 3. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided,

however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION 4. Should any sentence, paragraph, subdivision, clause, phrase or section of this Ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this Ordinance as a whole, or any part or provision thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of the Ordinance as a whole.

SECTION 5. This Ordinance shall take effect immediately after its passage and the publication of the caption, as the law and charter in such case provide. The City Secretary shall cause this Ordinance to be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Memorandum

To: **Honorable Mayor Tubbs and the Celina City Council**
From: Michael Behringer, Assistant to the City Manager
CC: Karla Stovall, Interim City Manager
Date: August 8, 2023
Re: SAP Update - Harper Estates PID

Action Requested:

Consider and act upon an Ordinance of the City of Celina, Texas, approving the 2023-2024 Annual Service Plan update to the Service and Assessment Plan for the Harper Estates Public Improvement District and providing an effective date. (Bromiley)

Background Information:

The Harper Estates PID was created by the City Council pursuant to the PID Act and a resolution approved on August 9, 2022. The PID is located just south of County Road 129 and west of FM 2478. The PID is anticipated to contain an estimated 76 residential units on approximately 100 acres. The PID annual installments in the Annual Service Plan update include amounts for the payment of principal and interest on the PID bonds and reimbursement agreement, if any, PID administrative expenses, additional interest for prepayment and delinquency reserves and as applicable, TIRZ annual credit amounts committed to pay a portion of the PID bond principal and interest. The Service Plan is prepared annually and presented to Council as required by Chapter 372 of the Texas Local Government Code.

Attachment: Harper Estates PID - Annual SAP Update - 2023-24 v2 (SAP Update - Harper Estates PID)

I. INTRODUCTION

Harper Estates Public Improvement District (the “PID”) was created pursuant to the PID Act and Resolution No. 2022-39R of the City Council on August 9, 2022 to finance certain public improvement projects for the benefit of the property in the PID.

On February 14, 2023, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2023 (Harper Estates Public Improvement District Project) (the “PID Bonds”) in the aggregate principal amount of \$7,226,000 to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID.

A service and assessment plan dated February 14, 2023 (the “Service and Assessment Plan”) was prepared at the direction of the City identifying the public improvements (the “Authorized Improvements”) to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to Chapter 372 of the Texas Local Government Code, as amended (the “PID Act”), the Service and Assessment Plan must be reviewed and updated annually for the purpose of determining the annual budget for the Authorized Improvements. This document is the annual update of the Service and Assessment Plan for 2023-24 (the “Annual Service Plan Update”).

The City also adopted an assessment roll for the PID attached as Appendix G to the Service and Assessment Plan (the “Assessment Roll”) identifying the Assessments on each Parcel of Assessed Property, based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Roll for 2023-24.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the “PID Assessment Notice”) as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix D and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchase before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without

the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Service and Assessment Plan unless otherwise defined herein.

II. UPDATE OF THE SERVICE PLAN

A. UPDATED SOURCES AND USES FOR PUBLIC IMPROVEMENTS

The current total estimated costs of the Authorized Improvements are equal to \$6,608,989, which remain the same as the budget estimates included in the Service and Assessment Plan approved on February 14, 2023. According to the Developer, there have been line item amount revisions for the Authorized Improvements as shown in Table II-A-1 below.

Table II-A below summarizes the updated sources and uses of funds required to (1) construct the Authorized Improvements, (2) establish the PID, and (3) issue the PID Bonds. For additional development-related information, refer to the link below:

Authorized Improvement Cost Variances

As shown in Table II-A on the previous page, there are no significant variances between the initial estimated budget and the updated budget to be reported at this time.

B. FIVE-YEAR SERVICE PLAN

All of the Authorized Improvements are expected to be built within a period of five years. The actual costs of the Authorized Improvements are shown in Section II.A of this report and the Annual Installments expected to be collected for these costs are shown in Table II-B below.

C. STATUS OF DEVELOPMENT

According to the Final Limited Offering Memorandum of the PID Bonds, the infrastructure is anticipated to be completed by the fourth quarter of 2023.

According to the City, there have been no building permits or certificates of occupancy issued for property within the PID as of June 18, 2023.

D. ANNUAL BUDGET

Annual Installments

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the PID Bonds, of which twenty-nine (29) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the PID Bonds commencing with the issuance of the PID Bonds. The effective interest rate on the PID Bonds is 6.75 percent for 2023-24. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the PID Bonds (6.75 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the “Annual Installments” of the Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro-rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that is payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and applicable Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the PID Bonds from the collection of the Annual Installments of the Assessments on the Assessed Property. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Service and Assessment plan and applicable Trust Indenture.

Annual Installments to be Collected for 2023-24

The budget for the PID will be paid from the collection of Annual Installments of the Assessments on the Assessed Property collected for 2023-24 as shown by Table II-C on the following page.

(The remainder of this page is intentionally left blank.)

Debt Service Payments

Annual Installments to be collected for principal and interest on the PID Bonds include interest due on March 1, 2024, in the amount of \$243,878 and September 1, 2024, in the amount of \$243,878, which equal interest on the outstanding PID Bonds of \$7,226,000 for six months each and an effective interest rate of 6.75 percent. There is no principal amount due on September 1, 2024. As a result, the total principal and interest amounts due on the PID Bonds in 2023-24 are estimated to be equal to \$487,755.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, dissemination agent expenses and contingency fees. As shown in Table II-D below, the total administrative expenses to be collected for 2023-24 are estimated to be \$45,900.

Table II-D
Administrative Budget Breakdown

Description	2023-24 Estimated Budget
City	\$6,000
Administrator	\$32,500
Trustee	\$3,750
Auditor	\$2,000
Contingency	\$1,650
Total	\$45,900

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments are to be collected for excess interest for prepayment and delinquency reserves in the amount of \$36,130, which equals 0.5 percent interest on the outstanding PID Bond balance of \$7,226,000.

Available Reserve Fund Income

As of May 31, 2023, the balance in the Reserve Fund was \$587,516, which includes the Bond Reserve Requirement of \$583,923 and investment income of \$3,593. According to Section 6.4(c) of the Trust Indenture, Capitalized Interest is used to pay debt service on the bonds for March 1, 2023 and September 1, 2024. As a result, the excess balance is not available as a credit to reduce the PID Bonds debt service.

Available Capitalized Interest Account

As of May 31, 2023, the balance in the Capitalized Interest Account was \$721,431. According to Section 6.4(c) of the Trust Indenture, \$587,755 will be transferred to the Principal & Interest Account to fund the interest payment due March 1, 2024 in the amount of \$243,878 and the interest payment due September 1, 2024 in the amount of \$243,878.

Available Administrative Expense Account

As of May 31, 2023, the balance in the Administrative Expense Fund was \$45,274. Such funds are anticipated to be used until January 31, 2024. As a result, there is no credit to reduce the Annual Installment.

E. ANNUAL INSTALLMENTS PER UNIT

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the PID Bonds, (ii) to fund the Additional Interest Reserve, and (iii) to cover Administrative Expenses of the PID.

According to the Developer, 76 units are anticipated to be built within the PID. Accordingly, the principal and interest portion of Annual Installment to be collected from each unit will be \$475.39, $(\$487,755 + \$36,130 - \$487,755) \div 76 = \475.39 . The Administrative Expenses to be collected from each unit will be \$603.95 (i.e. $\$45,900 \div 76 = \603.95). As a result, the total Annual Installment to be collected from each unit within the PID will be \$1,079.34 (i.e. $\$475.39 + \$603.95 = \$1,079.34$). The Annual Installment to be collected from each Parcel within the PID is calculated by multiplying the Annual Installment for each unit of \$1,079.34 by the total estimated units for each Parcel in the PID.

The Annual Installment due to be collected from each Land Use Class in the PID for 2023-24 is shown in Table II-E on the following page.

Table II-E
Annual Installment Per Unit

Land Use Class	Annual Installment Per Unit
100 Ft Lots	\$1,079.34

The list of Parcels within the PID, the number of units to be developed on the current residential Parcels, the corresponding total units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix C.

F. BOND REDEMPTION RELATED UPDATES

The PID Bonds were issued in February 2023. Pursuant to Section 4.3 of the Indenture of Trust, the City reserves the right and option to redeem the PID Bonds before their respective scheduled maturity dates, in whole or in part, on date on or after **September 1, 2033**, at the Redemption Price as defined in the Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the PID Bonds do not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

(The remainder of this page is intentionally left blank.)

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council describes that the Authorized Improvement costs shall be allocated to the Assessed Property equally based on the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement Costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property, as updated in prior Annual Service Plan Updates, has not been changed and Assessed Property will continue to be assessed as provided for in the Service and Assessment Plan.

(The remainder of this page is intentionally left blank.)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Roll shall be updated each year to reflect:

(i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan and in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.E of the Service and Assessment Plan.

The 2023-24 Assessment Roll Summary is shown in Appendix C of this report. Each Parcel of in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Assessment for the Parcel prior to the subdivision shall be reallocated among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

- A = the Assessment for each new subdivided Parcel.
- B = the Assessment for the Parcel prior to subdivision.
- C = the estimated total units to be built on each new subdivided Parcel
- D = the sum of the estimated total units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

B. PREPAYMENT OF ASSESSMENTS

As of June 30, 2023, there have been no prepayments of Assessments.

The complete Assessment Roll is available for review at the City Hall, located at 142 N Ohio, Celina, Texas 75009.

NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT ASSESSMENT TO
CITY OF CELINA, TEXAS
CONCERNING THE FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the Harper Estates Public Improvement District (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City or MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF CELINA APPROVING THE ANNUAL UPDATE OF THE SERVICE AND ASSESSMENT PLAN AND ASSESSMENT ROLL FOR THE HARPER ESTATES PUBLIC IMPROVEMENT DISTRICT IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE §372.013, AS AMENDED; CONTAINING A CUMMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, on August 9, 2022, the City Council of the City of Celina, Texas (the “City”) approved Resolution No. 2022-39R establishing the Harper Estates Public Improvement District (the “PID”) in accordance with the provisions of Chapter 372 of the Texas Local Government Code (the “Public Improvement District Assessment Act” or “the PID Act”); and

WHEREAS, the City has heretofore levied assessments against property within the PID, pursuant to Ordinance No. 2023-11 which ordinance also approved the Harper Estates Public Improvement District Service and Assessment Plan and Assessment Roll, dated as of February 14, 2023 (the “Service and Assessment Plan and Assessment Roll”); and

WHEREAS, the Service and Assessment Plan and Assessment Roll is required to be reviewed and updated annually as described in Sections 372.013 and 372.014 of the PID Act (the “Annual Service Plan Update”); and

WHEREAS, the Annual Service Plan Update, attached hereto as Exhibit A, including the Assessment Roll attached thereto, update the Service and Assessment Plan and Assessment Roll to reflect prepayments, property divisions and changes to the budget allocation for the PID that occur during the year, if any; and

WHEREAS, the City Council desires and finds it to be in the public interest to adopt this Ordinance approving and adopting the Annual Service Plan Update and the updated Assessment Roll attached thereto, in compliance with the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1. All matters stated in the preamble are found to be true and correct and are incorporated herein as if copied in their entirety.

SECTION 2. The Harper Estates Public Improvement District Annual Service Plan Update, attached hereto as Exhibit A and incorporated herein by reference, inclusive of the updated Assessment Roll contained therein and made a part thereof, are hereby accepted and approved.

SECTION 3. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION 4. Should any sentence, paragraph, subdivision, clause, phrase or section of this Ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this Ordinance as a whole, or any part or provision thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of the Ordinance as a whole.

SECTION 5. This Ordinance shall take effect immediately after its passage and the publication of the caption, as the law and charter in such case provide. The City Secretary shall cause this Ordinance to be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Date: August 8, 2023
Re: SAP Update - Hillside Village PID

Action Requested:

Consider and act upon an Ordinance of the City of Celina, Texas, approving the 2023-2024 Annual Service Plan update to the Service and Assessment Plan for the Hillside Village Public Improvement District and providing an effective date. (Bromiley)

Background Information:

The Hillside Village PID was created by the City Council pursuant to the PID Act and a resolution approved on November 9, 2021. The PID is located just east of Preston Road and approximately one mile north of the East Outer Loop. The PID is anticipated to contain an estimated 289 residential units on approximately 71.336 acres within one phase. The PID annual installments in the Annual Service Plan update include amounts for the payment of principal and interest on the PID bonds and reimbursement agreement, if any, PID administrative expenses, additional interest for prepayment and delinquency reserves and as applicable, TIRZ annual credit amounts committed to pay a portion of the PID bond principal and interest. The Service Plan is prepared annually and presented to Council as required by Chapter 372 of the Texas Local Government Code.

I. INTRODUCTION

The Hillside Village Public Improvement District (the “PID”) was created pursuant to the PID Act and Resolution No. 2021-106R of the City Council on November 9, 2021, to finance certain public improvement projects for the benefit of the property in the PID.

On December 14, 2021, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2022 (Hillside Village Public Improvement District Project) (the “PID Bonds”) in the aggregate principal amount of \$8,300,000 were issued to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID.

A service and assessment plan dated December 14, 2021 (the “Service and Assessment Plan”) was prepared at the direction of the City identifying the public improvements (the “Authorized Improvements”) to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to Chapter 372 of the Texas Local Government Code, as amended (the “PID Act”), the Service and Assessment Plan must be reviewed and updated annually for the purpose of determining the annual budget for the Authorized Improvements. This document is the annual update of the Service and Assessment Plan for 2023-24 (the “Annual Service Plan Update”).

The City also adopted an assessment roll for the PID attached as Appendix G to the Service and Assessment Plan (the “Assessment Roll”) identifying the Assessments on each Parcel of Assessed Property, based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Roll for 2023-24.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the “PID Assessment Notice”) as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix D and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchaser before the execution of a binding contract of purchase and sale, either separately or as an addendum or

paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller providing the required notice, the purchaser, subject to certain exceptions described in the PID Act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Service and Assessment Plan unless otherwise defined herein.

(The remainder of this page is intentionally left blank.)

II. UPDATE OF THE SERVICE PLAN

A. UPDATED SOURCES AND USES FOR PUBLIC IMPROVEMENTS

Pursuant to the original Service and Assessment Plan adopted on December 14, 2021, the initial total estimated costs of the Authorized Improvements were equal to \$8,095,011. According to draw requisition #3 most recently approved by the City on May 26, 2023, the initial estimated costs of the Authorized Improvements have not changed.

Table II-A below summarizes the updated sources and uses of funds required to (1) construct the Authorized Improvements, (2) establish the PID, and (3) issue the PID Bonds.

Authorized Improvement Cost Variances

As shown in Table II-A on the previous page, there are no significant variances for the Authorized Improvement costs.

B. FIVE YEAR SERVICE PLAN

For additional PID development and improvement related information, refer to the link provided in Section II.A. of this report.

All of the Authorized Improvements are expected to be built within a period of five years. The anticipated budget for the Authorized Improvements over a period of five years and the Annual Installments expected to be collected for these costs are shown by Table II-B below.

1 - Assessment years ending 2022-2024 reflect actual Annual Installments and are net of applicable reserve fund income and capitalized interest credits. Assessment years 2025 through 2029 reflect projected Annual Installments and are subject to change.

C. STATUS OF DEVELOPMENT

According to the original Service and Assessment Plan dated December 14, 2021, there are 269 units expected to be built within the PID. As of June 1, 2023, there have been no subdivisions of the parent parcels according to the Collin County Central Appraisal District. As a result, there have been no completed homes within the PID as of June 1, 2023.

D. ANNUAL BUDGET

Annual Installments

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty-one (31) Annual Installments of principal and interest beginning with the tax year following the issuance of the PID Bonds and/or execution of the PID Reimbursement Agreement Obligation, of which twenty-nine (29) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment securing the PID Bonds shall bear interest at the rate on the PID Bonds. The effective interest rate on the PID Bonds is 3.58 percent. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate (3.58 percent) on the PID Bonds plus an additional interest of one-half of one percent is used to calculate the interest on the Assessments securing the PID Bonds. These payments, the “Annual Installments” of the Assessments shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installments due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installments on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installments shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the PID Bonds from the collection of the Annual Installments of the Assessments on the Assessed Property. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the additional interest reserve amounts as described in the Service and Assessment Plan and applicable Trust Indenture.

Annual Installments to be Collected for 2023-24

The budget for the PID will be paid from the collection of Annual Installments of the Assessments on the Assessed Property collected for 2023-24 as shown by Table II-C on the following page.

Annual Installments	\$524,155

Debt Service Payments

Annual Installments to be collected for principal and interest on the PID Bonds include interest due on March 1, 2024, in the amount of \$145,681 and September 1, 2024, in the amount of \$145,681, which equal interest on the outstanding PID Bonds of \$8,135,000 for six months each and an effective interest rate of 3.58 percent. Annual Installments to be collected on the PID Bonds include a principal amount of \$170,000 due on September 1, 2024. As a result, the total principal and interest amounts due on the PID Bonds in 2023-24 are estimated to be equal to \$461,361.

Administrative Expenses

Administrative expenses include the City, Administrator, Trustee, auditor, dissemination agent expenses and contingency fees. As shown in Table II-D on the following page, the total administrative expenses to be collected for 2023-24 are estimated to be \$36,200.

(The remainder of this page is intentionally left blank.)

Table II-D
Administrative Budget Breakdown

Description	2023-24 Estimated Budget
City	\$6,000
Administrator	\$21,500
Trustee	\$3,000
Auditor	\$2,000
Dissemination Agent	\$3,500
Contingency	\$200
Total	\$36,200

Excess Interest for Additional interest Reserve

Annual Installments to be collected for excess interest for additional interest reserves in the amount of \$40,675, which equals 0.5 percent interest on the outstanding PID Bond balance of \$8,135,000.

Available Reserve Fund Income

As of May 31, 2023, the balance in the Reserve Fund was \$488,321, which includes the Bond Reserve Requirement of \$474,240 and excess balance of \$14,081. Pursuant to Section 6.7 (e) of the Trust Indenture, the excess balance of \$14,081 should be transferred to the Principal & Interest Account and used to pay interest on the PID Bonds on the next interest payment date. As a result, \$14,081 is available to pay a portion of the PID Bonds debt service.

Available Capitalized Interest Account

According to the Trustee, the available balance in the Capitalized Interest Fund had been fully expended as of May 31, 2023. As a result, there is no credit to reduce the Annual Installment.

Available Administrative Expense Account

As of May 31, 2023, the balance in the Administrative Expense Fund was \$40,359. Such funds are anticipated to be used until January 31, 2024. As a result, there is no credit to reduce the 2023-24 Annual Installments.

(The remainder of this page is intentionally left blank.)

E. ANNUAL INSTALLMENTS PER UNIT

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the PID Bonds, (ii) to fund the Prepayment Reserve and Delinquency Reserve, and (iii) to cover Administrative Expenses of the PID.

According to the Developer, 289 units are anticipated to be built within the PID representing 239.17 outstanding Equivalent Units. The principal and interest portion of Annual Installments to be collected from each unit will be calculated by taking the subtotal debt service on PID Bonds, including excess interest for additional interest, less any available reserve fund income, divided by the total outstanding Equivalent Units. Accordingly, the net principal and interest portion of Annual Installments to be collected from each Equivalent Unit will be \$2,040.23 (i.e. $(\$461,361 + \$40,675 - \$14,081) \div 239.17 = \$2,040.23$). The Administrative Expenses to be collected from each Equivalent Unit will be \$151.36 (i.e., $\$36,200 \div 239.17 = \151.36). As a result, the total Annual Installments to be collected from each unit within the PID will be \$2,191.59 (i.e., $\$2,040.23 + \$151.36 = \$2,191.59$). The Annual Installments to be collected from each Parcel within the PID is calculated by multiplying the Annual Installments for each unit of \$2,191.59 by the total estimated Equivalent Units for each Parcel in the PID as shown in Appendix C.

The Annual Installments due to be collected from each Land Use Class in the PID for 2023-24 are shown in Table II-E below.

Table II-E
Annual Installments Per Unit

Land Use Class	Annual Installments Per Equivalent Unit ¹	Equivalent Unit Factor	Annual Installments
60 Ft Lot	\$2,191.59	1.00	\$2,191.59
50 Ft Lot	\$2,191.59	0.83	\$1,826.32
40 Ft Lot	\$2,191.59	0.67	\$1,468.36

1 - Based on the current outstanding Equivalent Units.

The list of Parcels within the PID, the number of units to be developed on the current residential Parcels, the corresponding Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installments to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix C.

F. BOND REDEMPTION RELATED UPDATES

The PID Bonds were issued in January 2022. Pursuant to Section 4.3 of the Indenture of Trust, the City reserves the right and option to redeem the PID Bonds maturing on or after September 1, 2032, before their respective scheduled maturity date, in whole or in part, on any date on or after **September 1, 2031**, such redemption at the Redemption Prices and dates shown in the Indenture of Trust.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the PID Bonds do not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

(The remainder of this page is intentionally left blank.)

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council describes that the Authorized Improvement costs shall be allocated to the Assessed Property equally based on the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement Costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property has not been changed and Assessed Property will continue to be assessed as provided for in the Service and Assessment Plan.

(The remainder of this page is intentionally left blank.)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Roll shall be updated each year to reflect:

(i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installments for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.E of the Service and Assessment Plan.

The 2023-24 Assessment Roll Summary is shown in Appendix C of this report. Each Parcel of in the PID is identified, along with the Assessment on each Parcel and the Annual Installments to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

- A = the Assessment for each new subdivided Parcel.
- B = the Assessment for the Parcel prior to subdivision.
- C = the estimated Equivalent Units to be built on each newly subdivided Parcel
- D = the sum of the estimated Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

According to the Developer and Collin County Central Appraisal District records, Parcel 2713587 consists of all 71.336 acres, 289 estimated units, and 239.17 estimated Equivalent Units of the PID.

B. PREPAYMENT OF ASSESSMENTS

There have been no Assessment prepayments as of June 30, 2023.

The complete Assessment Roll is available for review at the City Hall, located at 142 N Ohio, Celina, Texas 75009.

NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT ASSESSMENT TO
CITY OF CELINA, TEXAS
CONCERNING THE FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the Hillside Village Public Improvement District (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City or MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

Re: SAP Update - Lakes at Mustang Ranch PID

Action Requested:

Consider and act upon an Ordinance of the City of Celina, Texas, approving the 2023-2024 Annual Service Plan update to the Service and Assessment Plan for the Lakes at Mustang Ranch Public Improvement District and providing an effective date. (Bromiley)

Background Information:

The Lakes at Mustang Ranch PID (a.k.a. "Mustang Lakes") was created by the City Council pursuant to the PID Act and a resolution approved on March 10, 2008. The PID is located approximately two miles east of Preston Road and approximately three miles north of US 380, and just north of the City of Prosper. The PID is anticipated to contain an estimated 1,772 residential units on approximately 682 acres within nine phases. The PID annual installments in the Annual Service Plan update include amounts for the payment of principal and interest on the PID bonds and reimbursement agreement, if any, PID administrative expenses, additional interest for prepayment and delinquency reserves and as applicable TIRZ annual credit amounts committed to pay a portion of the PID bond principal and interest. The Service Plan is prepared annually and presented to Council as required by Chapter 372 of the Texas Local Government Code.

I. INTRODUCTION

The Lakes at Mustang Ranch (the “PID”) was created pursuant to the PID Act and a resolution of the City Council on March 10, 2008 to finance certain public improvement projects for the benefit of the property in the PID.

On January 13, 2015, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2015 (Lakes at Mustang Ranch Public Improvement District Phase #1 Project) (the “Phase #1 Bonds”) in the aggregate principal amount of \$9,000,000. The Phase #1 Bonds were issued to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID. On August 11, 2020, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2020 (Lakes at Mustang Ranch Public Improvement District Phase #1 Project) (the “Phase #1 Refunding Bonds”) in the aggregate principal amount of \$7,750,000. The Phase #1 Refunding Bonds were issued to refinance the Phase #1 Bonds.

On January 13, 2015, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2015 (Lakes at Mustang Ranch Public Improvement District Phases #2-9 Project) (the “Phases #2-9 Bonds”) in the aggregate principal amount of \$13,150,000. The Phases #2-9 Bonds were issued to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID. In addition, reimbursement obligations for the Phases #2-9 Reimbursement Agreement in the aggregate principal amount of \$5,000,000 are secured by Assessments (the “Assessments”).

A service and assessment plan (the “Service and Assessment Plan”) was prepared at the direction of the City identifying the public improvements (the “Authorized Improvements”) to be provided through the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. The Service and Assessment Plan was updated for Phase #2 on December 13, 2016 to incorporate reimbursement obligations for the Phase #2 in the aggregate principal amount of \$5,300,000 (the “Phase #2 Reimbursement Agreement”) to finance the Phase #2 Improvements, updated for Phase #3 on December 10, 2019 to incorporate reimbursement obligations for the Phase #3 in the aggregate principal amount of \$3,700,000 (the “Phase #3 Reimbursement Agreement”) to finance the Phase #3 Improvements, updated for Phase #4 on July 14, 2020 to incorporate reimbursement obligations for the Phase #4 in the aggregate principal amount of \$167,000 (the “Phase #4 Reimbursement Agreement”) to finance the Phase #4 Improvements, updated for Phase #5 on June 8, 2021 to incorporate reimbursement obligations for the Phase #5 in the aggregate principal amount of \$2,510,000 (the “Phase #5 Reimbursement Agreement”) to finance the Phase #5 Improvements, updated for Phase #6 on June 14, 2022 to incorporate reimbursement obligations for the Phase #6 in the aggregate principal amount of \$5,967,861 (the “Phase #6 Reimbursement Agreement”) to finance the Phase #6 Improvements, and updated for Phase #7 on February 14, 2023 to incorporate reimbursement obligations for the Phase #7 in the aggregate principal amount of \$7,920,908 (the “Phase #7 Reimbursement

Agreement”) to finance the Phase #7 Improvements (the “Amended and Restated Service and Assessment Plan”).

Pursuant to the PID Act, the Amended and Restated Service and Assessment Plan must be reviewed and updated annually for the purpose of determining the annual budget for the Authorized Improvements. This document is the annual update of the Amended and Restated Service and Assessment Plan for 2023-24 (the “Annual Service Plan Update”).

The City also adopted an assessment roll for Phase #1 of the PID (the “Phase #1 Assessment Roll”) identifying the Assessments on each Parcel of Phase #1 Assessed Property and assessment rolls for Phase #2 (the “Phase #2 Assessment Roll”), Phase #3 (the “Phase #3 Assessment Roll”), Phase #4 (the “Phase #4 Assessment Roll”), Phase #4 (the “Phase #4 Assessment Roll”), Phase #5 (the “Phase #5 Assessment Roll”), Phase #6 (the “Phase #6 Assessment Roll”), and Phase #7 (the “Phase #7 Assessment Roll”) based on the method of assessment identified in the Amended and Restated Service and Assessment Plan. This Annual Service Plan Update also updates the Phase #1 Assessment Roll, the Phases #2-9 Assessment Roll, the Phase #2 Assessment Roll, the Phase #3 Assessment Roll, the Phase #4 Assessment Roll, the Phase #5 Assessment Roll, and the Phase #6 Assessment roll for 2023-24.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the “PID Assessment Notice”) as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix L and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchaser before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms not defined herein shall have the meanings assigned to such terms in the Amended and Restated Service and Assessment Plan.

II. UPDATE OF THE SERVICE PLAN

A. UPDATED SOURCES AND USES FOR PUBLIC IMPROVEMENTS

Phase #1 Improvements Sources and Uses

The Developer has provided additional costs for the Additional Major Improvements in addition to the actual costs of the Phase #1 Improvements and their allocable costs of the Initial Major Improvements, There have been changes reported by the Developer to the revised estimated costs of the Authorized Improvements shown in the Amended and Restated Service and Assessment Plan for Phase #1.

Table II-A-1 on the following page summarizes the updated sources and uses of funds required to construct the Phase #1 Improvements and the allocable share of the Initial Major Improvements and Additional Major Improvements. According to the City, the Phase #1 Improvements were completed and accepted by the City on July 7, 2016.

1 – Assessment years ending 2015 through 2024 reflect actual Annual Installments and are net of applicable reserve fund income, CCMI cre administrative expense credits and capitalized interest. Assessment years 2025 through 2029 reflect projected Annual Installments and are sul to change.

C. ANNUAL BUDGET – PHASE #1

Phase #1 - Annual Installments

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Phase #1 Bonds of which seventeen (17) Annual Installments remain outstanding.

Pursuant to the Amended and Restated Service and Assessment Plan, each Assessment shall bear interest at the rate on the Phase #1 Refunding Bonds commencing with the issuance of the Phase #1 Refunding Bonds. The effective interest rate on the Phase #1 Refunding Bonds is 3.21 percent for 2023-24. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phase #1 Refunding Bonds (3.21 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the “Annual Installments” of the Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Amended and Restated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Amended and Restated Service and Assessment Plan and applicable Trust Indenture, such capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phase #1 Refunding Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the additional interest reserve amounts as described in the Amended and Restated Service and Assessment Plan and applicable Trust Indenture.

Phase #1 Annual Installments to be collected for 2023-24

The budget for Phase #1 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-C-1 below.

Annual Installments to be collected for principal and interest on the Phase #1 Refunding Bonds include interest due on March 1, 2024 in the amount of \$110,405 and on September 1, 2024 in the amount of \$110,405, which equal interest on the outstanding Phase #1 Refunding Bonds' Assessment balance of \$6,878,738 for six months each at an effective interest rate of 3.21 percent. Annual Installments to be collected include a principal amount of \$295,000 due on September 1, 2024. As a result, total Annual Installment to be collected for principal and interest for the Phase #1 Refunding Bonds in 2023-24 is equal to \$515,809.

Administrative Expenses

Administrative expenses include the City, Administrator, Trustee, auditor, and contingency fees. As shown in Table II-C-2 below, the total administrative expenses to be collected for 2023-24 are estimated to be \$36,720.

Table II-C-2
Administrative Budget Breakdown

Description	2023-24 Estimated Budget
City	\$6,000
Administrator	\$24,000
Trustee	\$2,750
Auditor	\$2,000
Contingency	\$1,970
Total	\$36,720

Excess Interest for Additional Interest Reserve

Annual Installments to be collected for excess interest for additional interest reserves in the amount of \$34,394, which equals 0.5 percent interest on the outstanding Phase #1 Assessments balance of \$6,878,738.

Available Reserve Fund Income

As of May 31, 2023, the balance in the Phase #1 Reserve Fund was \$137,149, which includes the Bond Reserve Requirement of \$133,809 and investment income of \$3,340. As a result, there is not a significant excess balance to give a credit to reduce the Phase #1 2023-24 Annual Installment.

Available Administrative Expense Account

As of May 31, 2023, the balance in the Administrative Expense Fund was \$34,897. Approximately \$34,897 is anticipated to be used for the payment of current year administrative expenses through January 31, 2024. As a result, there are no funds available in the Administrative Expense Fund to reduce the Phase #1 2023-24 Annual Installment.

Available Capitalized Interest Account

As of May 31, 2023, the Trustee reported that the Capitalized Interest Fund has been fully expended. As a result, there is no credit to reduce the Phase #1 2023-24 Annual Installment.

D. ANNUAL INSTALLMENTS PER UNIT - PHASE #1

According to the Amended and Restated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #1 Refunding Bonds, to fund the Additional Interest Reserve described in the Amended and Restated Service and Assessment Plan, and to cover Administrative Expenses of Phase #1.

According to the Service and Assessment Plan, 338 units representing 210.80 total Equivalent Units were built within Phase #1 of the PID. As of May 31, 2023, five units have prepaid their Assessment in full resulting in 3.61 Equivalent Units being paid off. As a result, 333 units representing 207.19 total Equivalent Units will be billed for the 2023-24 Annual Installment. Accordingly, the principal and interest portion of the Annual Installment to be collected from each Equivalent Unit will be \$2,655.55 (i.e., $(\$515,809 + \$34,394) \div 207.19 = \$2,655.55$). The Administrative Expenses to be collected from each Equivalent Unit will be \$177.23 (i.e., $\$36,720 \div 207.19 = \177.23). As a result, the total Annual Installment to be collected from each Equivalent Unit within Phase #1 will be \$2,832.78 (i.e., $\$2,655.55 + \$177.23 = \$2,832.78$). The Annual Installment to be collected from each Parcel within Phase #1 is calculated by multiplying the Annual Installment for each Equivalent Unit of \$2,832.78 by the total estimated Equivalent Units for each Parcel in Phase #1.

The Annual Installment due to be collected from each Land Use Class in Phase #1 for 2023-24 is shown in Table II-D-1 on the following page.

(The remainder of this page is intentionally left blank)

Lot Type 5 (60 Ft Lot)	\$2,832.78	0.58	\$1,643.01
Lot Type 6 (50 Ft Lot)	\$2,832.78	0.48	\$1,359.73

The list of Parcels within Phase #1 of the PID, the corresponding lot types of the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix C.

E. ANNUAL BUDGET – PHASES #2-9

Phases #2-9 - Annual Installments

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Bonds and/or execution of the Phases #2-9 Reimbursement Agreement, of which seventeen (17) remain outstanding.

Pursuant to the Amended and Restated Service and Assessment Plan, each Assessment bears interest at the rate on the Phases #2-9 Major Improvement Bonds plus 0.5 percent as described below commencing with the issuance of the Phases #2-9 Major Improvement Bonds. The effective interest rate on the Phases #2-9 Major Improvement Bonds is 6.16 percent. Pursuant to Section 372.018 of the PID Act, the interest rate for the portion of the Assessment related to the Phases #2-9 Bonds may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phases #2-9 Bonds (6.16 percent) plus an additional interest of one-half of one percent (0.5 percent) are used to calculate the interest on the Assessments levied on the Assessed Property within Phases #2-9 for the Major Improvements. These payments, the “Annual Installments” of the Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Amended and Restated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under an applicable Bond Ordinance, such as capitalized interest, interest earnings on any account balances, the City Contributed Grant Amount and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phases #2-9 Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment reserve and delinquency reserve amounts as described in the Amended and Restated Service and Assessment Plan and applicable Trust Indenture.

Phases #2-9 Annual Installments to be collected for 2023-24

The budget for Phases #2-9 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-E-1 below.

Table II-E-1
Budget for the Phases #2-9 Annual Installments

Debt Service Payments

Annual Installments to be collected for principal and interest on the Phases #2-9 Bonds include interest due on March 1, 2024 in the amount of \$315,461 and on September 1, 2024 in the amount of \$315,461, which equal interest on the outstanding Phases #2-9 Bond Assessment balance of \$10,244,160 for six months each at an effective interest rate of 6.16 percent. Annual Installments to be collected include a principal amount of \$360,000 due on September 1, 2024. As a result, the total Annual Installment to be collected for principal and interest for the Phases #2-9 Bonds in 2023-24 is equal to \$990,921.

Annual Installments to be collected for principal and interest on the Phases #2-9 Reimbursement Agreement include interest due on March 1, 2024 in the amount of \$92,042 and September 1, 2024 in the amount of \$92,042, which equal interest on the outstanding Assessments balance of \$2,862,890 for six months each at an effective interest rate of 6.43 percent. Annual Installments to be collected include a principal amount of \$95,000 due on September 1, 2024. The total Annual Installment to be collected for principal and interest for the Phases #2-9 Reimbursement Agreement in 2023-24 is equal to \$279,084.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, auditor, and contingency fees. As shown in Table II-E-2 below, the total administrative expenses to be collected for 2023-24 are estimated to be \$38,102.

Table II-E-2
Administrative Budget Breakdown

Description	2023-24 Estimated Budget
City	\$6,000
Administrator	\$25,000
Trustee	\$3,300
Auditor	\$2,000
Contingency	\$1,802
Total	\$38,102

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of \$51,221, which equals 0.5 percent interest on the outstanding Phases #2-9 Bond Assessments balance of \$10,244,160.

Available Reserve Fund Income

As of May 31, 2023, the balance in the Phases #2-9 Reserve Fund was \$1,041,405, which includes the Bond Reserve Requirement of \$1,009,522 and an excess balance of \$31,883. Pursuant to Section 6.7(d) of the Phases #2-9 Major Improvement Bond Trust Indenture the excess balance of \$31,883 should be transferred to the Phases #2-9 Major Improvement Principal & Interest Account and used to pay interest on the Phases #2-9 Major Improvement Bonds on the next interest payment date. As a result, \$31,883 is available to pay a portion of the Phases #2-9 Major Improvement Bonds debt service.

Available Administrative Expense Account

As of May 31, 2023, the balance in the Administrative Expense Fund was \$129,968. The balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2024. As a result, funds are not anticipated to be available in the Administrative Expense Fund to reduce the Phases #2-9 2023-24 Annual Installment.

Available Capitalized Interest Account

As of May 31, 2023, the Trustee reported that the Capitalized Interest Fund been fully expended. As a result, there is no credit to reduce the Phases #2-9 2023-24 Annual Installment.

F. ANNUAL INSTALLMENT PER UNIT - PHASES #2-9

According to the Amended and Restated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phases #2-9 Bonds and Phases #2-9 Reimbursement Agreement, to fund the Prepayment Reserve and Delinquency Reserve described in the Amended and Restated Service and Assessment Plan, and to cover Administrative Expenses of Phases #2-9.

According to the Amended & Restated Service and Assessment Plan, the Phases #2-5 portion of the Phases #2-9 Major Improvement Assessment are allocated using the 2021 revised Equivalent Units and the Phases #6-9 portion of the Phases #2-9 Major Improvement Assessment are allocated using the 2022 revised equivalent units. See Appendix D-1 of this report for a breakdown of the 2023-24 budget and allocated assessment as of September 1, 2023.

The Annual Installment to be collected from each Parcel within Phases #2-9 is calculated by multiplying the Annual Installment for each Equivalent Unit by the total estimated Equivalent Units for each Parcel in Phases #2-9. See Appendix D-2 of this report for the Annual Installment per equivalent Unit and the Annual Installment to be collected from each Land Use Class in Phases #2-9 for 2023-24.

The list of Parcels within Phases #2-9 of the PID, the corresponding lot types of the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix D-3.

G. ANNUAL BUDGET – PHASE #2

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in twenty-six Annual Installments of principal and interest beginning with the tax year following the recording of the Phase #2 plat of which twenty-one (21) Annual Installments remain outstanding.

Each Assessment for the Phase #2 Improvements bears interest at the rate on the Reimbursement Agreement for Phase #2 Improvements as described in the Amended and Restated Service and Assessment Plan. The effective interest rate on the Reimbursement Agreement for Phase #2 Improvements. is 5.87 percent for 2023-24.

Pursuant to the Amended and Restated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Amended and Restated Service and Assessment Plan and other applicable documents, such as interest earnings and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the unpaid balance of Reimbursement Agreement for Phase #2 Improvements and any accrued interest thereon (the “Phase #2 Reimbursement Amount”) from the collection of the Annual Installments in accordance with the Phase #2 Assessment Roll. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of such Annual Installments.

Phase #2 Annual Installments to be collected for 2023-24

The budget for Phase #2 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-G-1 below.

Table II-G-1
Budget for the Phase #2 Annual Installments
to be Collected for 2023-24

	Phase #2 Reimbursement Agreement
Interest due on Phase #2 Reimbursement Amount	\$258,166
Phase #2 Assessments due	\$97,000

<i>Subtotal Expenses</i>	<i>\$376,925</i>
Available Administrative Expense Account	\$0
<i>Subtotal funds available</i>	<i>\$0</i>
Annual Installments	\$376,925

Debt Service Payments

Annual Installments to be collected for principal and interest include interest due for 2023-24 in the amount of \$258,166, which equal interest on the outstanding Assessments balance of \$4,398,056 for one year and an effective interest rate of 5.87 percent. Annual Installments to be collected include a principal amount of \$97,000. As a result, total Annual Installments to be collected for Phase #2 for principal and interest in 2023-24 is estimated to be equal to \$355,166.

Administrative Expenses

Administrative expenses include the City, Administrator, and contingency fees. As shown in Table II-G-2 below, the total administrative expenses to be collected for 2023-24 are estimated to be \$21,759.

Table II-G-2
Administrative Budget Breakdown

Description	2023-24 Estimated Budget
City	\$6,000
Administrator	\$14,000
Contingency	\$1,759
Total	\$21,759

Available Administrative Expense Account

The balance in the Administrative Expense Account for Phase #2 is anticipated to be used for the payment of current year administrative expenses through January 31, 2024. As a result, funds are not anticipated to be available in the Administrative Expense Fund to reduce the Phase #2 2023-24 Annual Installment.

H. ANNUAL INSTALLMENTS PER UNIT - PHASE #2

According to the Amended and Restated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #2 Reimbursement Agreement and to cover Administrative Expenses of Phase #2.

According to the Developer, 360 units representing 214.67 total Equivalent Units were estimated to be built within Phase #2 of the PID. As of May 31, 2023, thirty-six units have prepaid their assessment in full resulting in 24.75 Equivalent Units being paid off. As a result, there are 189.92 Equivalent Units expected to be billed for the 2023-24 Annual Installment. Accordingly, the principal and interest portion of Annual Installment to be collected from each Equivalent Unit will

be \$1,870.08 (i.e., $\$355,166 \div 189.92 = \$1,870.08$) and the Administrative Expenses to be collected from each Equivalent Unit will be \$114.57 (i.e., $\$21,759 \div 189.92 = \114.57). As a result, the total Annual Installment to be collected from each Equivalent Unit within Phase #2 will be \$1,984.65 (i.e., $\$1,870.08 + \$114.57 = \$1,984.65$). The Annual Installment to be collected from each Parcel within Phase #2 is calculated by multiplying the Annual Installment for each Equivalent Unit of \$1,984.65 by the total estimated Equivalent Units for each Parcel in Phase #2.

The Annual Installment due to be collected from each Land Use Class in Phase #2 for 2023-24 is shown in Table II-H-1 below.

Table II-H-1
Annual Installment Per Unit – Phase #2

Land Use Class	Annual Installment Per Equivalent Unit	Equivalent Unit Factor	Annual Installment
Lot Type 2 (100 Ft Lot)	\$1,984.65	0.88	\$1,746.49

Lot Type 6 (50 Ft Lot)	\$1,984.65	0.48	\$952.63

The list of Parcels within Phase #2 of the PID, the corresponding lot types of the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix E.

I. ANNUAL BUDGET – PHASE #3

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in twenty-five Annual Installments of principal and interest beginning with the tax year following the recording of the Phase #3 plat of which twenty-three (23) Annual Installments remain outstanding.

Each Assessment for the Phase #3 Improvements bears interest at the rate on the Reimbursement Agreement for Phase #3 Improvements as described in the Amended and Restated Service and Assessment Plan. The effective interest rate on the Phase #3 Reimbursement Agreement is 8.33 percent for 2023-24.

Pursuant to the Amended and Restated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under

applicable documents including the Amended and Restated Service and Assessment Plan and other applicable documents, such as interest earnings and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the unpaid balance of Reimbursement Agreement for Phase #3 Improvements and any accrued interest thereon (the “Phase #3 Reimbursement Amount”) from the collection of the Annual Installments in accordance with the Phase #3 Assessment Roll. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of such Annual Installments.

Phase #3 Annual Installments to be collected for 2023-24

The budget for Phase #3 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-I-1 below.

Table II-I-1
Budget for the Phase #3 Annual Installments
to be Collected for 2023-24

	Phase #3 Reimbursement Agreement
Interest due on Phase #3 Reimbursement Amount	\$242,305
Phase #3 Assessments due	\$4,000

<i>Subtotal Expenses</i>	<i>\$267,343</i>
Available Administrative Expense Account	\$0
<i>Subtotal funds available</i>	<i>\$0</i>
Annual Installments	\$267,343

Debt Service Payments

Annual Installments to be collected for principal and interest include interest due for 2023-24 in the amount of \$242,305, which equal interest on the outstanding Assessments balance of \$2,908,829 for one year and an effective interest rate of 8.33 percent. Annual Installments to be collected include a principal amount of \$4,000. As a result, total Annual Installments to be collected for Phase #3 for principal and interest in 2023-24 is estimated to be equal to \$246,305.

Administrative Expenses

Administrative expenses include the City, Administrator, and contingency fees. As shown in Table II-I-2 below, the total administrative expenses to be collected for 2023-24 are estimated to be \$21,037.

Table II-I-2
Administrative Budget Breakdown

Description	2023-24 Estimated Budget
City	\$6,000
Administrator	\$14,000
Contingency	\$1,037
Total	\$21,037

Available Administrative Expense Account

The balance in the Administrative Expense Account for Phase #3 is anticipated to be used for the payment of current year administrative expenses through January 31, 2024. As a result, funds are not anticipated to be available in the Administrative Expense Fund to reduce the Phase #3 2023-24 Annual Installment.

J. ANNUAL INSTALLMENTS PER UNIT - PHASE #3

According to the Amended and Restated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #3 Reimbursement Agreement and to cover Administrative Expenses of Phase #3.

According to the Developer, 195 units representing 131.67 total Equivalent Units are estimated to be built within Phase #3 of the PID. As of May 31, 2023, thirty-eight units representing 26.77 Equivalent Units have prepaid their Assessment in full. As a result, there are 104.90 Equivalent Units expected to be billed for the 2023-24 Annual Installment. Accordingly, the principal and interest portion of Annual Installment to be collected from each Equivalent Unit will be \$2,348.00 (i.e., $\$246,305 \div 104.90 = \$2,348.00$) and the Administrative Expenses to be collected from each Equivalent Unit will be \$200.55 (i.e., $\$21,037 \div 104.90 = \200.55). As a result, the total Annual Installment to be collected from each Equivalent Unit within Phase #3 will be \$2,548.55 (i.e., $\$2,348.00 + \$200.55 = \$2,548.55$). The Annual Installment to be collected from each Parcel within Phase #3 is calculated by multiplying the Annual Installment for each Equivalent Unit of \$2,548.55 by the total estimated Equivalent Units for each Parcel in Phase #3.

The Annual Installment due to be collected from each Land Use Class in Phase #3 for 2023-24 is shown in Table II-J-1 on the following page.

Table II-J-1
Annual Installment Per Unit – Phase #3

Land Use Class	Annual Installment Per Equivalent Unit	Equivalent Unit Factor	Annual Installment
Lot Type 3 (86 Ft Lot)	\$2,548.55	0.83	\$2,115.30
Lot Type 4 (74 Ft Lot)	\$2,548.55	0.72	\$1,834.96
Lot Type 5 (60 Ft Lot)	\$2,548.55	0.58	\$1,478.16

The list of Parcels within Phase #3 of the PID, the corresponding lot types of the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix F.

K. ANNUAL BUDGET – PHASE #4

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in twenty-six Annual Installments of principal and interest beginning with the tax year following the recording of the Phase #4 plat of which twenty-four (24) Annual Installments remain outstanding.

Each Assessment for the Phase #4 Improvements bears interest at the rate on the Reimbursement Agreement for Phase #4 Improvements as described in the Amended and Restated Service and Assessment Plan. The effective interest rate on the Reimbursement Agreement for Phase #4 Improvements is 7.61 percent for 2023-24.

Pursuant to the Amended and Restated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Amended and Restated Service and Assessment Plan and other applicable documents, such as interest earnings and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the unpaid balance of Reimbursement Agreement for Phase #4 Improvements and any accrued interest thereon (the “Phase #4 Reimbursement Amount”) from the collection of the Annual Installments in accordance with the Phase #4 Assessment Roll. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of such Annual Installments.

Phase #4 Annual Installments to be collected for 2023-24

The budget for Phase #4 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-K-1 below.

Table II-K-1
**Budget for the Phase #4 Annual Installments
to be Collected for 2023-24**

Available Administrative Expense Account

The balance in the Administrative Expense Account for Phase #4 is anticipated to be used for the payment of current year administrative expenses through January 31, 2024. As a result, funds are not anticipated to be available in the Administrative Expense Fund to reduce the Phase #4 2023-24 Annual Installment.

L. ANNUAL INSTALLMENTS PER UNIT - PHASE #4

According to the Amended and Restated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #4 Reimbursement Agreement and to cover Administrative Expenses of Phase #4.

According to the Developer, nine units representing 5.94 total Equivalent Units are estimated to be built within Phase #4 of the PID. Accordingly, the principal and interest portion of Annual Installment to be collected from each Equivalent Unit will be \$2,282.24 (i.e., $\$13,557 \div 5.94 = \$2,282.24$) and the Administrative Expenses to be collected from each Equivalent Unit will be \$261.18 (i.e., $\$1,551 \div 5.94 = \261.18). As a result, the total Annual Installment to be collected from each Equivalent Unit within Phase #4 will be \$2,543.42 (i.e., $\$2,282.24 + \$261.18 = \$2,543.42$). The Annual Installment to be collected from each Parcel within Phase #4 is calculated by multiplying the Annual Installment for each Equivalent Unit of \$2,543.42 by the total estimated Equivalent Units for each Parcel in Phase #4.

The Annual Installment due to be collected from each Land Use Class in Phase #4 for 2023-24 is shown in Table II-L-1 below.

Table II-L-1
Annual Installment Per Unit – Phase #4

Land Use Class	Annual Installment Per Equivalent Unit	Equivalent Unit Factor	Annual Installment
Lot Type 3 (86 Ft Lot)	\$2,543.42	0.83	\$2,111.04
Lot Type 4 (74 Ft Lot)	\$2,543.42	0.72	\$1,831.26
Lot Type 5 (60 Ft Lot)	\$2,543.42	0.58	\$1,475.19
Lot Type 6 (50 Ft Lot)	\$2,543.42	0.48	\$1,220.84

The list of Parcels within Phase #4 of the PID, the corresponding lot types of the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix G.

M. ANNUAL BUDGET – PHASE #5

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in twenty-six Annual Installments of principal and interest beginning with the tax year following the recording of the Phase #5 plat of which twenty-five (25) Annual Installments remain outstanding.

Each Assessment for the Phase #5 Improvements bears interest at the rate on the Reimbursement Agreement for Phase #5 Improvements as described in the Amended and Restated Service and Assessment Plan. The effective interest rate on the Reimbursement Agreement for Phase #5 Improvements is 7.64 percent for 2023-24.

Pursuant to the Amended and Restated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Amended and Restated Service and Assessment Plan and other applicable documents, such as interest earnings and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the unpaid balance of Reimbursement Agreement for Phase #5 Improvements and any accrued interest thereon (the “Phase #5 Reimbursement Amount”) from the collection of the Annual Installments in accordance with the Phase #5 Assessment Roll. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of such Annual Installments.

Phase #5 Annual Installments to be collected for 2023-24

The budget for Phase #5 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-M-1 on the following page.

(The remainder of this page is intentionally left blank)

Table II-M-1
Budget for the Phase #5 Annual Installments
to be Collected for 2023-24

	Phase #5 Reimbursement Agreement
Interest due on Phase #5 Reimbursement Amount	\$185,606
Phase #5 Assessments due	\$1,000
<i>Subtotal debt service</i>	<i>\$186,606</i>
Administrative Expenses	\$20,340
<i>Subtotal Expenses</i>	<i>\$206,946</i>
Available Administrative Expense Account	\$0
<i>Subtotal funds available</i>	<i>\$0</i>
Annual Installments	\$206,946

Debt Service Payments

Annual Installments to be collected for principal and interest include interest due for 2023-24 in the amount of \$185,606, which equal interest on the outstanding Assessments balance of \$2,429,400 for one year and an effective interest rate of 7.64 percent. Annual Installments to be collected include a principal amount of \$1,000. As a result, total Annual Installments to be collected for Phase #5 for principal and interest in 2023-24 is estimated to be equal to \$186,606.

Administrative Expenses

Administrative expenses include the City, Administrator, and contingency fees. As shown in Table II-M-2 below, the total administrative expenses to be collected for 2023-24 are estimated to be \$20,340.

Table II-M-2
Administrative Budget Breakdown

Description	2023-24 Estimated Budget
City	\$6,000
Administrator	\$13,000
Contingency	\$1,340

Available Administrative Expense Account

The balance in the Administrative Expense Account for Phase #5 is anticipated to be used for the payment of current year administrative expenses through January 31, 2024. As a result, funds are not anticipated to be available in the Administrative Expense Fund to reduce the Phase #5 2023-24 Annual Installment.

N. ANNUAL INSTALLMENTS PER UNIT - PHASE #5

According to the Amended and Restated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #5 Reimbursement Agreement and to cover Administrative Expenses of Phase #5.

According to the Developer, 96 units representing 72.84 total Equivalent Units are estimated to be built within Phase #5 of the PID. As of May 31, 2023, three units representing 2.31 Equivalent Units have prepaid their Assessment in full. As a result, there are 70.53 Equivalent Units expected to be billed for the 2023-24 Annual Installment. Accordingly, the principal and interest portion of Annual Installment to be collected from each Equivalent Unit will be \$2,645.77 (i.e., $\$186,606 \div 70.53 = \$2,645.77$) and the Administrative Expenses to be collected from each Equivalent Unit will be \$288.39 (i.e., $\$20,340 \div 70.53 = \288.39). As a result, the total Annual Installment to be collected from each Equivalent Unit within Phase #5 will be \$2,934.16 (i.e., $\$2,645.77 + \$288.39 = \$2,934.16$). The Annual Installment to be collected from each Parcel within Phase #5 is calculated by multiplying the Annual Installment for each Equivalent Unit of \$2,934.16 by the total estimated Equivalent Units for each Parcel in Phase #5.

The Annual Installment due to be collected from each Land Use Class in Phase #5 for 2023-24 is shown in Table II-N-1 below.

Table II-N-1
Annual Installment Per Unit – Phase #5

Land Use Class	Annual Installment Per Equivalent Unit	Equivalent Unit Factor	Annual Installment
Lot Type 3 (86 Ft Lot)	\$2,934.16	0.83	\$2,435.35
Lot Type 7 (65 Ft Lot)	\$2,934.16	0.65	\$1,907.20

The list of Parcels within Phase #5 of the PID, the corresponding lot types of the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix H.

O. ANNUAL BUDGET – PHASE #6

The Assessment imposed on any Parcel may be paid in full at any time. According to the Amended and Restated Service and Assessment Plan, the collection of the first Annual Installment for a Phase #6 Lot or Phase #6 Parcel shall commence upon: (A) satisfaction of the requirements of Section 13.2(c) of the Trust Indenture relating to the Phases #2-9 Major Improvement Bonds relating to the issuance of additional obligations, and (B) the earlier of: (i) September 1, 2023 (ii) the issuance of one or more Phase #6 Bonds, or (iii) September 1st following the two year anniversary of the levy of Assessments on the Phase #6 Assessed Property. Such first Annual Installment for a Phase #6 Lot or Phase #6 Parcel shall be due by January 31st of the following calendar year.

According to section (B)(i) stated above, the conditions will be satisfied as of September 1, 2023 and collection of Annual Installments from the Parcels within Phase #6 will be due no later than January 31, 2024. The Annual Installments related to the Phase #6 Improvements shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Each Assessment for the Phase #6 Improvements bears interest at the rate on the Reimbursement Agreement for Phase #6 Improvements as described in the Amended and Restated Service and Assessment Plan. The effective interest rate on the Reimbursement Agreement for Phase #6 Improvements is 8.75 percent for 2023-24.

Pursuant to the Amended and Restated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Amended and Restated Service and Assessment Plan and other applicable documents, such as interest earnings and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the unpaid balance of Reimbursement Agreement for Phase #6 Improvements and any accrued interest thereon (the “Phase #6 Reimbursement Amount”) from the collection of the Annual Installments in accordance with the Phase #6 Assessment Roll. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of such Annual Installments.

Phase #6 Annual Installments to be collected for 2023-24

The budget for Phase #6 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-O-1 on the following page.

Table II-O-1
Budget for the Phase #6 Annual Installments
to be Collected for 2023-24

	Phase #6 Reimbursement Agreement
Interest due on Phase #6 Reimbursement Amount	\$517,356
Phase #6 Assessments due	\$1,000
<i>Subtotal debt service</i>	<i>\$518,356</i>
Administrative Expenses	\$37,000
<i>Subtotal Expenses</i>	<i>\$555,356</i>
Available Administrative Expense Account	\$0
<i>Subtotal funds available</i>	<i>\$0</i>
Annual Installments	\$555,356

Debt Service Payments

Annual Installments to be collected for principal and interest include interest due for 2023-24 in the amount of \$517,356, which equal interest on the outstanding Assessments balance of \$5,912,643 for one year and an effective interest rate of 8.75 percent. Annual Installments to be collected include a principal amount of \$1,000. As a result, total Annual Installments to be collected for Phase #6 for principal and interest in 2023-24 is estimated to be equal to \$518,356.

Administrative Expenses

Administrative expenses include the City, Administrator, and contingency fees. As shown in Table II-O-2 below, the total administrative expenses to be collected for 2023-24 are estimated to be \$37,000.

Table II-O-2
Administrative Budget Breakdown

Description	2023-24 Estimated Budget
City	\$6,000
Administrator	\$28,000
Contingency	\$3,000
Total	\$37,000

Available Administrative Expense Account

The balance in the Administrative Expense Account for Phase #6 is anticipated to be used for the payment of current year administrative expenses through January 31, 2023. As a result, funds are not anticipated to be available in the Administrative Expense Fund to reduce the Phase #6 2023-24 Annual Installment.

P. ANNUAL INSTALLMENTS PER UNIT - PHASE #6

According to the Amended and Restated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #6 Reimbursement Agreement and to cover Administrative Expenses of Phase #6.

According to the Developer, 257 units representing 83.22 total Equivalent Units are estimated to be built within Phase #6 of the PID. As of May 31, 2023, two units representing 0.77 Equivalent Units have prepaid their Assessment in full. As a result, there are 82.45 Equivalent Units expected to be billed for the 2023-24 Annual Installment. Accordingly, the principal and interest portion of Annual Installment to be collected from each Equivalent Unit will be \$6,286.92 (i.e., $\$518,356 \div 82.45 = \$6,286.92$) and the Administrative Expenses to be collected from each Equivalent Unit will be \$448.76 (i.e., $\$37,000 \div 82.45 = \448.76). As a result, the total Annual Installment to be collected from each Equivalent Unit within Phase #6 will be \$6,735.68 (i.e., $\$6,286.92 + \$448.76 = \$6,735.68$). The Annual Installment to be collected from each Parcel within Phase #6 is calculated by multiplying the Annual Installment for each Equivalent Unit of \$6,735.68 by the total estimated Equivalent Units for each Parcel in Phase #6.

The Annual Installment due to be collected from each Land Use Class in Phase #6 for 2023-24 is shown in Table II-P-1 below.

Table II-P-1
Annual Installment Per Unit – Phase #6

Land Use Class	Annual Installment Per Equivalent Unit	Equivalent Unit Factor	Annual Installment
Lot Type 4 (74 Ft Lot)	\$6,735.68	0.43	\$2,896.34
Lot Type 5 (60 Ft Lot)	\$6,735.68	0.34	\$2,290.13
Lot Type 6 (50 Ft Lot)	\$6,735.68	0.29	\$1,953.35
Lot Type 8 (40 Ft Lot)	\$6,735.68	0.24	\$1,616.56

The list of Parcels within Phase #6 of the PID, the corresponding lot types of the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix I.

Q. ANNUAL BUDGET – PHASE #7

The Assessment imposed on any Parcel may be paid in full at any time. According to the Amended and Restated Service and Assessment Plan, the collection of the first Annual Installment for a Phase #7 Lot or Phase #7 Parcel shall commence upon: (A) satisfaction of the applicable requirements of the Trust Indenture relating to the Phases #2-9 Major Improvement Bonds relating to the issuance of additional obligations, and (B) the earlier of: (i) September 1, 2024, (ii) the issuance of one or more Phase #7 Bonds, or (iii) with tax bills sent the first October occurring after the expiration of two years from the date of the levy of Assessments related to the Phase #7 Projects on the Phase #7 Assessed Property. Such first Annual Installment for a Phase #7 Lot or Phase #7 Parcel shall be due by January 31st of the following calendar year.

As of June 16, 2023, the above conditions have not been met and as a result, Phase #7 Annual Installments will not be collected for the 2023-24 Assessment Year.

R. BOND REDEMPTION RELATED UPDATES

Phase #1 Bonds

The Phase #1 Bonds were issued in January 2015. Pursuant to Section 4.3 of the Trust Indenture relating to the Phase #1 Bonds, the City reserves the right and option to redeem the Phase #1 Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2020**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Trust Indenture.

On August 11, 2020, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2020 (Lakes at Mustang Ranch Public Improvement District Phase #1 Project) in the aggregate principal amount of \$7,750,000. The Phase #1 Refunding Bonds were issued to refinance the Phase #1 Bonds.

Phase #1 Refunding Bonds

The Phase #1 Refunding Bonds were issued in 2020. Pursuant to Section 4.3 of the Phase #1 Refunding Bonds Trust Indenture, the City reserves the right and option to redeem the Phase #1 Refunding Bonds before their scheduled maturity dates, in whole or in part, on any date on or after **September 1, 2028**, such redemption date or dates to be fixed by the City, at the price of par, plus accrued interest to the date of the redemption (the “Redemption Price”).

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phase #1 Refunding Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

Phases #2-9 Bonds

The Phases #2-9 Bonds were issued in January 2015. Pursuant to Section 4.3 of the Trust Indenture, the City reserves the right and option to redeem the Phases #2-3 Major Improvement Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2022**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phases #2-9 Bonds will be viable in the near future. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

III. UPDATE OF THE ASSESSMENT PLAN

The Amended and Restated Service and Assessment Plan adopted by the City Council describes that the Authorized Improvement costs shall be allocated to the Assessed Property equally based on the equivalent number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property, as updated in prior Annual Service Plan Updates, has not been changed and Assessed Property will continue to be assessed as provided for in the Amended and Restated Service and Assessment Plan.

City Contributed Major Improvement Assessments

According to the City, the final series of certificates of obligations to finance the City Contributed Major Improvements were issued in 2018. As a result, the final aggregate amount of City Contributed Major Improvements allocated to the Lakes at Mustang Ranch PID and Parks at Wilson Creek PID was \$3,655,000. Pursuant to the Amended and Restated Service and Assessment Plan, the Assessment for the City Contributed Major Improvements would be offset by ad valorem taxes collected from the property within the Lakes at Mustang Ranch PID and Parks at Wilson Creek PID until the ad valorem taxes collected from all Parcels within the Lakes at Mustang Ranch PID and Parks at Wilson Creek PID equals or exceeds one hundred fifty percent (150 percent) of the Annual Installment Allocable to the City Contributed Major Improvements based on a confirming audit, then the Annual Installment Allocable to the City Contributed Major Improvements will be permanently reduced to zero. The Administrator has confirmed that the ad valorem taxes collected from all Parcels within the Lakes at Mustang Ranch PID and Parks at Wilson Creek PID for tax years 2018-19 and 2019-20 exceeded the Annual Installments allocable to the City Contributed Major Improvements. As a result, the Annual Installments allocable to the City Contributed Major Improvements are permanently reduced to \$0, starting with the Annual Installments allocable to the City Contributed Major Improvements due on January 31, 2021. Pursuant to an ordinance adopted by the City Council on August 11, 2020, approving the amended and restated Service and Assessment Plan (the “2020 Amended and Restated Service and Assessment Plan”), and pursuant to direction from the Administrator that the conditions required for completely reducing the 2015 CCMI Assessments, the City has formally released the 2015 CCMI Assessment portion of the Phase #1 Assessment and the Phases #2-9 Assessment.

(The remainder of this page is intentionally left blank)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the Amended and Restated Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

- (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by the Amended and Restated Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.I of the Amended and Restated Service and Assessment Plan.

A cumulative Assessment Roll for Phase #7 is shown in Appendix J. The summary of updated Assessment Rolls is shown in Appendix C, D-3, E, F, G, H, and I of this report. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Amended and Restated Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

- A = the Assessment for each new subdivided Parcel.
- B = the Assessment for the Parcel prior to subdivision.
- C = the estimated Equivalent Units to be built on each newly subdivided Parcel
- D = the sum of the estimated Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

According to the Developer and the Collin Central Appraisal District records, Phase #1 of the PID was completely subdivided in 2017 and the Assessments allocated proportionally according to Lot Type.

According to the Developer and the Collin Central Appraisal District records, Phase #2 of the PID was completely subdivided in 2017 and the Assessments allocated proportionally according to Lot Type.

According to the Developer and Collin Central Appraisal District Records, Phase #3B of the development was subdivided in 2020. Parcels in Phase #3B of the development were subdivided from Parcel 2635984.

According to the Developer and Collin Central Appraisal District Records, Phase #4 of the development was subdivided in 2020. Parcels in Phase #4 of the development were subdivided from Parcel 2635984.

According to the Developer and Collin Central Appraisal District Records, Phase #5 of the development was subdivided in 2021. Parcels in Phase #5 of the development were subdivided from Parcel 2635984.

According to the Developer and Collin Central Appraisal District Records, Phase #6 of the development was subdivided in 2022. Parcels in Phase #6 of the development were subdivided from Parcel 2635984.

See Appendix K for the Phases #2-9 Assessment and Phase #6 Assessment allocation prior to and after the subdivision of Parcel 263598.

B. PREPAYMENT OF ASSESSMENTS

As of May 31, 2023, five Parcels have prepaid their Phase #1 Assessments in full. According to the Trustee, the extraordinary optional redemptions of the Phase #1 Refunding Bonds that have occurred as a result of prepayment as of June 1, 2023 are shown on Table IV-B-1 below.

Table IV-B-1
Phase #1 Refunding Bonds – Extraordinary Optional Redemptions
As of June 1, 2023

Date Redeemed	Amount Redeemed
7/1/2022	\$26,000
6/1/2023	\$35,000
Total	\$61,000

As of May 31, 2023, thirty-six Parcels for Phase #2 Assessments have been prepaid in full, thirty-eight Parcels for Phase #3 Assessments have been prepaid in full, three Parcels for Phase #5 Assessments have been prepaid in full, and two Parcels for Phase #6 Assessments have been prepaid in full. As a result, seventy-nine Parcels for Phases #2-9 Assessments have been prepaid in full. According to the Trustee, the extraordinary optional redemptions of the Phases #2-9 Major Improvement Bonds that have occurred as a result of prepayment as of June 1, 2023 are shown on Table IV-B-2 on the following page.

Table IV-B-2
Phases #2-9 Major Improvement Bonds – Extraordinary Optional Redemptions
As of June 1, 2023

Date Redeemed	Amount Redeemed

NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT ASSESSMENT TO
CITY OF CELINA, TEXAS
CONCERNING THE FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the Lakes at Mustang Ranch Public Improvement District (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City or MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF CELINA APPROVING THE ANNUAL UPDATE OF THE SERVICE AND ASSESSMENT PLAN AND ASSESSMENT ROLL[S] FOR THE LAKES AT MUSTANG RANCH PUBLIC IMPROVEMENT DISTRICT IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE §372.013, AS AMENDED; CONTAINING A CUMMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, on March 10, 2008, the City Council of the City of Celina, Texas (the “City”) approved Resolution No. 2008-06R establishing the Lakes at Mustang Ranch Public Improvement District (the “PID”) in accordance with the provisions of Chapter 372 of the Texas Local Government Code (the “Public Improvement District Assessment Act” or “the PID Act”); and

WHEREAS, the City has heretofore levied assessments against property within Phase #1 of the PID, pursuant to Ordinance No. 2015-02 which ordinance also approved the Lakes at Mustang Ranch Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #1, dated as of January 13, 2015, (the “Service and Assessment Plan and Phase #1 Assessment Roll”); and

WHEREAS, the City has also heretofore levied assessments against property within the Phases #2-9 Major Improvement Area of the PID, pursuant to Ordinance No. 2015-03 which ordinance also approved the Lakes at Mustang Ranch Public Improvement District Service and Assessment Plan and Assessment Roll related to the Phases #2-9 Major Improvement Area, dated as of January 13, 2015 (the “Service and Assessment Plan and Phases #2-9 Major Improvement Area Assessment Roll”); and

WHEREAS, the City has also heretofore levied assessments against property within Phase #2 of the PID, pursuant to and ordinance that also approved the Lakes at Mustang Ranch Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #2, dated as of December 13, 2016 (the “Updated Service and Assessment Plan and Phase #2 Assessment Roll”); and

WHEREAS, the City has also heretofore levied assessments against property within Phase #3 of the PID, pursuant to Ordinance No. 2019-51 which ordinance also approved the Lakes at Mustang Ranch Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #3, dated as of December 10, 2019 (the “Updated Service and Assessment Plan and Phase #3 Assessment Roll”); and

WHEREAS, the City has also heretofore levied assessments against property within Phase #4 of the PID, pursuant to Ordinance No. 2020-50 which ordinance also approved the Lakes at Mustang Ranch Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #4, dated as of July 14, 2020 (the “Updated Service and Assessment Plan and Phase #4 Assessment Roll”); and

WHEREAS, the City has also heretofore levied assessments against property within Phase #5 of the PID, pursuant to Ordinance NO. 2021-48 which ordinance also approved the Lakes at Mustang Ranch Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #5, dated as of June 8, 2021 (the “Updated Service and Assessment Plan and Phase #5 Assessment Roll”); and

WHEREAS, the City has also heretofore levied assessments against property within Phase #6 of the PID, pursuant to Ordinance No. 2022-68 which ordinance also approved the Lakes at Mustang Ranch Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #6, dated as of June 14, 2022 (the “Updated Service and Assessment Plan and Phase #6 Assessment Roll”); and

WHEREAS, the City has also heretofore levied assessments against property within Phase #7 of the PID, pursuant to Ordinance No. 2023-12 which ordinance also approved the Lakes at Mustang Ranch Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #7, dated as of February 14, 2023 (the “Updated Service and Assessment Plan and Phase #7 Assessment Roll”); [and, together with the Service and Assessment Plan and Phase #1, Phases #2-9 Major Improvement Area, Phase #2, Phase #3, Phase #4, Phase #5, and Phase #6 Assessment Rolls, the “Updated Service and Assessment Plan and Assessment Rolls”]; and

WHEREAS, the Updated Service and Assessment Plan and Assessment Rolls are required to be reviewed and updated annually as described in Sections 372.013 and 372.014 of the PID Act (the “Annual Service Plan Update”); and

WHEREAS, the Annual Service Plan Update, attached hereto as Exhibit A, including the Phase #1, Phases #2-9 Major Improvement Area, Phase #2, Phase #3, Phase #4, Phase #5, Phase #6, and Phase #7 Assessment Rolls (the “Assessment Rolls”) attached thereto, update the Updated Service and Assessment Plan and Assessment Rolls to reflect prepayments, property divisions and changes to the budget allocation for the PID that occur during the year, if any; and

WHEREAS, the City Council desires and finds it to be in the public interest to adopt this Ordinance approving and adopting the Annual Service Plan Update and the updated Assessment Rolls attached thereto, in compliance with the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1. All matters stated in the preamble are found to be true and correct and are incorporated herein as if copied in their entirety.

SECTION 2. The Lakes at Mustang Ranch Public Improvement District Annual Service Plan Update, attached hereto as Exhibit A and incorporated herein by reference, inclusive of the updated Assessment Rolls contained therein and made a part thereof, are hereby accepted and approved.

SECTION 3. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided,

however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION 4. Should any sentence, paragraph, subdivision, clause, phrase or section of this Ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this Ordinance as a whole, or any part or provision thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of the Ordinance as a whole.

SECTION 5. This Ordinance shall take effect immediately after its passage and the publication of the caption, as the law and charter in such case provide. The City Secretary shall cause this Ordinance to be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Re: SAP Update - Legacy Hills PID

Action Requested:

Consider and act upon an Ordinance of the City of Celina, Texas, approving the 2023-2024 Annual Service Plan update to the Service and Assessment Plan for the Legacy Hills Public Improvement District and providing an effective date. (Bromiley)

Background Information:

The Legacy Hills PID was created by the City Council pursuant to the PID Act and a resolution approved on September 14, 2021. The PID is located generally in Celina's northwest quadrant, just east of the proposed DNT thoroughfare, approximately 3.5 miles west of Preston Road and approximately three miles north of Old Celina Park. The PID is anticipated to contain an estimated 6,900 residential units on approximately 3,268.6 acres. The PID annual installments in the Annual Service Plan update include amounts for the payment of principal and interest on the PID bonds and reimbursement agreement, if any, PID administrative expenses, additional interest for prepayment and delinquency reserves and as applicable, TIRZ annual credit amounts committed to pay a portion of the PID bond principal and interest. The Service Plan is prepared annually and presented to Council as required by Chapter 372 of the Texas Local Government Code.

I. INTRODUCTION

On September 14, 2021 (the “Creation Date”) the City Council (the “City Council”) of the City of Celina, Texas (the “City”) passed and approved Resolution No. 2021-84R approving and authorizing the creation of the Legacy Hills Public Improvement District (the “PID”) to finance the costs of certain public improvements for the benefit of property in such public improvement district (the “Authorized Improvements”). The Legacy Hills PID is located within the North Parkway Municipal Management District No. 1 (the “District”), formerly known as the North Celina Municipal Management District No. 3, all of which is located within the corporate boundaries of the City.

A service and assessment plan (the “Service and Assessment Plan”) was prepared at the direction of the City identifying the public improvements (the “Authorized Improvements”) to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to the PID Act, the Service and Assessment Plan must be reviewed and updated annually. This document is the annual update of the Service and Assessment Plan for 2023-24 (the “Annual Service Plan Update”).

The City also adopted assessment rolls (the “Assessment Rolls”) identifying the Assessments on each Parcel within the PID, based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update is related to the annual budget for the payment of PID obligations in 2023-24.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the “PID Assessment Notice”) as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix D and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchase before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Service and Assessment Plan unless otherwise defined herein.

II. UPDATE OF THE SERVICE PLAN

A. UPDATED SOURCES AND USES FOR PUBLIC IMPROVEMENTS

Phase #1A-1B Improvements Sources and Uses

The current total estimated costs of the Phase #1A-1B Improvements is equal to \$17,694,509, which remain the same as the budget estimates included in the Service and Assessment Plan. According to the Developer, there have been no budget line-item amount revisions for the Authorized Improvements reported by the Developer and therefore no changes for the Annual Service Plan Update.

Table II-A-1 on the following page summarizes the sources and uses of funds required to construct the Authorized Improvements and establish the PID. The Actual Costs of the Authorized Improvements were provided by the Developer for Requisition #18 and Requisition #11 as of June 12, 2023.

B. FIVE YEAR SERVICE PLAN

A service plan must cover a period of five years. All the Authorized Improvements are expected to be built within a period of five years. The anticipated budget for the Authorized Improvements over a period of five years and the indebtedness expected to be incurred for these costs is shown by Table II-B-1 below.

D. ANNUAL BUDGET – PHASE #1A

Phase #1A - Annual Installments

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the execution of the Phase #1A Reimbursement Agreements, of which twenty-eight (28) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest based on the interest rate applicable to the Phase #1A Reimbursement Agreements, which is 4.32 percent per annum for 2023-24. These payments, the “Annual Installments” of the Assessments, shall be billed by the City in 2022 and will be delinquent on February 1, 2024.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phase #1A Reimbursement Agreement from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments.

Phase #1A Annual Installments to be Collected for 2023-24

The budget for Phase #1A of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-D-1 on the following page.

(the remainder of this page is intentionally left blank)

Table II-D-1

Available capitalized interest account	\$0
Available administrative expense account	(\$45,520)
<i>Subtotal funds available</i>	<i>(\$45,520)</i>
Annual Installments	\$611,821

Debt Service Payments

Annual Installments to be collected for principal and interest due on the Phase #1A Reimbursement Agreement include interest due on September 1, 2024 in the amount of \$411,083, which equal interest on the outstanding Assessments balance of \$9,515,810, for one year, at an effective interest rate of 4.32 percent. Annual Installments to be collected include a principal amount of \$208,247 due on September 1, 2024. As a result, the total principal and interest due for the Phase #1A Reimbursement Agreement in 2022-24 is estimated to be \$619,330.

Administrative Expenses

Administrative expenses include the City, Administrator, auditor, dissemination agent and contingency fees. As shown in Table II-D-2 on the following page, the total Phase #1A administrative expenses to be collected for 2023-24 are estimated to be \$38,011.

Contingency	\$4,200
Total	\$38,011

Available Capitalized Interest Account

According to Section 6.4(c) of the Trust Indenture for the North Parkway Municipal Management District No. 1 Contract Revenue Bonds, Series 2021 (Legacy Hills Public Improvement District Phase #1A-1B Improvements (the “Trust Indenture”), moneys received through the issuance of the North Parkway Municipal Management District No. 1 Contract Revenue Bonds, Series 2021 (Legacy Hills Public Improvement Districts Phase #1A-1B) in the amount of \$45,520 will be used to fund the interest payment due on September 1, 2024.

Available Administrative Expense Account

As of May 31, 2023, the available balance for Administrative expenses was \$40,780. This balance, \$40,780, is anticipated to be used for the payment of current year administrative expenses through January 31, 2024. As a result, there are no funds available in the Administrative Expense Fund to reduce the Phase #1A-1B 2023-24 Annual Installment.

E. ANNUAL INSTALLMENTS PER UNIT – PHASE #1A

According to the Service and Assessment Plan, the Phase #1A Annual Installments shall be collected in an amount sufficient to pay principal and interest on Phase #1A Reimbursement Agreements and to cover Administrative Expenses of the PID.

According to the Service and Assessment Plan, 421 units, representing 347.47 total outstanding Equivalent Units, are estimated to be within Phase #1A of the PID. Accordingly, the net principal and interest portion of Annual Installment to be collected from each Equivalent Unit in Phase #1A will be \$1,651.41 (i.e. $(\$619,330 - \$45,520) \div 347.47 = \$1,651.41$). The Administrative Expenses to be collected from each Equivalent Unit in Phase #1A will be \$109.39 (i.e. $(\$38,011 \div 347.47 = \$109.39)$). As a result, the total Annual Installment to be collected from each Equivalent Unit within Phase #1A will be \$1,760.80 (i.e. $\$1,651.41 + \$109.39 = \$1,760.80$). The Annual Installment to be collected from each Parcel within Phase #1A is calculated by multiplying the Annual Installment for each Equivalent Unit of \$1,760.80 by the total estimated Equivalent Units for each Parcel in Phase #1A.

The Annual Installment due to be collected from each Land Use Class in Phase #1A for 2023-24 is shown in Table II-E-1 below.

Table II-E-1
Phase #1A Annual Installment Per Unit

Land Use Class	Annual Installment	Equivalent Unit Factor	Annual Installment Per Unit
Lot Type 1 - 60 FT Lot	\$1,760.80	1.00	\$1,760.80
Lot Type 2 - 50 FT Lot	\$1,760.80	0.83	\$1,466.75
Lot Type 3 - 40 FT Lot	\$1,760.80	0.67	\$1,174.46

The list of Parcels within Phase #1A of the PID, the estimated number of units to be developed on the current residential Parcels, the total outstanding Assessments and the Annual Installments to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix C-1.

F. ANNUAL BUDGET – PHASE #1B

Phase #1B - Annual Installments

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the execution of the Phase #1B Reimbursement Agreements, of which twenty-eight (28) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest based on the interest rate applicable to the Phase #1B Reimbursement Agreements, which is 4.32 percent per annum for 2023-24. These payments, the “Annual Installments” of the Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phase #1B Reimbursement Agreement from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments.

Phase #1B Annual Installments to be Collected for 2023-24

The budget for Phase #1B of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-F-1 below

Table II-F-1
Budget for the Phase #1B Annual Installments
to be Collected for 2023-24

<u>Descriptions</u>	<u>Phase #1B</u> <u>Reimbursement</u> <u>Agreement</u>

Available capitalized interest account	\$0
Available administrative expense account	(\$16,777)
<i>Subtotal funds available</i>	<i>(\$16,777)</i>
Annual Installments	\$225,496

Debt Service Payments

Annual Installments to be collected for principal and interest due on the Phase #1B Reimbursement Agreement include interest due on September 1, 2024 in the amount of \$151,511, which equal interest on the outstanding Assessments balance of \$3,507,190, for one year, at an effective interest rate of 4.32 percent. Annual Installments to be collected include a principal amount of \$76,753 due on September 1, 2024. As a result, the total principal and interest due for the Phase #1B Reimbursement Agreement in 2023-24 is estimated to be \$228,263.

Administrative Expenses

Administrative expenses include the City, Administrator, auditor, dissemination agent and contingency fees. As shown in Table II-F-2 on the following page, the total Phase #1B administrative expenses to be collected for 2023-24 are estimated to be \$14,009.

Table II-F-2
Phase #1B Administrative Budget Breakdown

Description	2023-24 Estimated Budget (9/1/23-8/31/24)
City	\$2,500
PID Administrator	\$9,309
Auditor	\$1,000
Dissemination Agent	\$1,000
Contingency	\$200
Total	\$14,009

Available Capitalized Interest Account

According to Section 6.4(c) of the Trust Indenture, moneys received through the issuance of the North Parkway Municipal Management District No. 1 Contact Revenue Bonds, Series 2021 (Legacy Hills Public Improvement Districts Phase #1A-1B) in the amount of \$16,777 will be used to fund the interest payment due on September 1, 2024.

Available Administrative Expense Account

As of May 31, 2023, the available balance for Administrative expenses was \$40,780. This balance, \$40,780, is anticipated to be used for the payment of current year administrative expenses through January 31, 2024. As a result, there are no funds available in the Administrative Expense Fund to reduce the Phase #1B 2023-24 Annual Installment.

G. ANNUAL INSTALLMENTS PER UNIT – PHASE #1B

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on Phase #1B Reimbursement Agreement and to cover Administrative Expenses of the PID.

According to the Service and Assessment Plan, 192 units, representing 128.06 total outstanding Equivalent Units, are estimated to be within Phase #1B of the PID. Accordingly, the net principal and interest portion of Annual Installment to be collected from each Equivalent Unit in Phase #1A will be \$1,651.41 (i.e. $(\$228,263 - \$16,777) \div 128.06 = \$1,651.41$). The Administrative Expenses to be collected from each Equivalent Unit in Phase #1B will be \$109.39 (i.e. $(\$14,009 \div 128.06 = \$109.39)$). As a result, the total Annual Installment to be collected from each Equivalent Unit within Phase #1B will be \$1,760.80 (i.e. $\$1,651.41 + \$109.39 = \$1,760.80$). The Annual Installment to be collected from each Parcel within Phase #1B is calculated by multiplying the Annual Installment for each Equivalent Unit of \$1,760.80 by the total estimated Equivalent Units for each Parcel in Phase #1B.

The Annual Installment due to be collected from each Land Use Class in Phase #1B for 2023-24 is shown in Table II-G-1 below.

Table II-G-1
Phase #1B Annual Installment Per Unit

Land Use Class	Annual Installment	Equivalent Unit Factor	Annual Installment Per Unit
Lot Type 1 - 60 FT Lot	\$1,760.80	1.00	\$1,760.80
Lot Type 2 - 50 FT Lot	\$1,760.80	0.83	\$1,466.75
Lot Type 3 - 40 FT Lot	\$1,760.80	0.67	\$1,174.46

The list of Parcels within Phase #1B of the PID, the estimated number of units to be developed on the current residential Parcels, the total outstanding Assessments and the Annual Installments to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix C-2.

(the remainder of this page is intentionally left blank)

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council provided that the Authorized Improvement costs shall be allocated to the Assessed Property equally on the basis of the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property has not been changed and assessed property will continue to be assessed as provided for in the Service and Assessment Plan.

(the remainder of this page is intentionally left blank)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

- (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act;
- (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.E of this Service and Assessment Plan.

The Assessment Rolls are shown in Appendix C-1 and C-2 of this report. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for each new subdivided Parcel.

B = the Assessment for the Parcel prior to subdivision.

C = the estimated number of Equivalent Units to be built on each newly subdivided Parcel

D = the sum of the estimated number of Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of Equivalent Units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

MM Celina 294, LLC, a Texas limited liability company and MM Celina 40, LLC, a Texas limited liability company, collectively the Developer, has confirmed there have been no parcel subdivisions in the PID applicable for the Annual Installments to be collected in 2023-24.

B. PREPAYMENT OF ASSESSMENTS

There have been no Assessment prepayments as of July 15, 2023.

The complete Assessment Rolls are available for review at the City Hall, located at 142 N. Ohio, Celina, Texas 75009.

PID Assessment Notice

NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT ASSESSMENT TO
THE CITY OF CELINA, TEXAS
CONCERNING THE FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the Legacy Hills Public Improvement District (the "PID"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the District created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the District. The exact amount of each annual installment will be approved each year by the Board of Directors in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the District or MuniCap, Inc., the District Administrator, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF CELINA APPROVING THE ANNUAL UPDATE OF THE SERVICE AND ASSESSMENT PLAN AND ASSESSMENT ROLL FOR THE LEGACY HILLS PUBLIC IMPROVEMENT DISTRICT IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE §372.013, AS AMENDED; CONTAINING A CUMMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, on September 14, 2021, the City Council of the City of Celina, Texas (the “City”) approved Resolution No. 2021-84R establishing the Legacy Hills Public Improvement District (the “PID”) in accordance with the provisions of Chapter 372 of the Texas Local Government Code (the “Public Improvement District Assessment Act” or “the PID Act”); and

WHEREAS, the City has heretofore levied assessments against property within the PID, pursuant to Ordinance No. 2021-92 which ordinance also approved the Legacy Hills Public Improvement District Service and Assessment Plan and Assessment Roll (the “Service and Assessment Plan and Assessment Roll”); and

WHEREAS, the Service and Assessment Plan and Assessment Roll is required to be reviewed and updated annually as described in Sections 372.013 and 372.014 of the PID Act (the “Annual Service Plan Update”); and

WHEREAS, the Annual Service Plan Update, attached hereto as Exhibit A, including the Assessment Roll attached thereto, update the Service and Assessment Plan and Assessment Roll to reflect prepayments, property divisions and changes to the budget allocation for the PID that occur during the year, if any; and

WHEREAS, the City Council desires and finds it to be in the public interest to adopt this Ordinance approving and adopting the Annual Service Plan Update and the updated Assessment Roll attached thereto, in compliance with the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1. All matters stated in the preamble are found to be true and correct and are incorporated herein as if copied in their entirety.

SECTION 2. The Legacy Hills Public Improvement District Annual Service Plan Update, attached hereto as Exhibit A and incorporated herein by reference, inclusive of the updated Assessment Roll contained therein and made a part thereof, are hereby accepted and approved.

SECTION 3. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided,

however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION 4. Should any sentence, paragraph, subdivision, clause, phrase or section of this Ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this Ordinance as a whole, or any part or provision thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of the Ordinance as a whole.

SECTION 5. This Ordinance shall take effect immediately after its passage and the publication of the caption, as the law and charter in such case provide. The City Secretary shall cause this Ordinance to be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Date: August 8, 2023
Re: SAP Update - Mosaic PID

Action Requested:

Consider and act upon an Ordinance of the City of Celina, Texas, approving the 2023-2024 Annual Service Plan update to the Service and Assessment Plan for the Mosaic Public Improvement District and providing an effective date. (Bromiley)

Background Information:

The Mosaic PID was created by the City Council pursuant to the PID Act and a resolution approved on November 9, 2021. The PID is located generally north of Parvin Road and east of Smiley Road. The PID is anticipated to contain an estimated 1,470 single family residential units on approximately 684.752 acres within multiple phases. The PID annual installments in the Annual Service Plan update include amounts for the payment of principal and interest on the PID bonds and reimbursement agreement, if any, PID administrative expenses, additional interest for prepayment and delinquency reserves and as applicable, TIRZ annual credit amounts committed to pay a portion of the PID bond principal and interest. The service plan is prepared annually and presented to Council as required by Chapter 372 of the Texas Local Government Code.

I. INTRODUCTION

The Mosaic Public Improvement District (the “PID”) was created pursuant to the PID Act and Resolution No. 2021-104R of the City Council on November 9, 2021, to finance certain public improvement projects for the benefit of the property in the PID.

On April 11, 2023, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2023 (Mosaic Public Improvement District Phase #1 Project) (the “Phase #1 Bonds”) in the principal amount of \$15,923,000 were issued to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID.

A service and assessment plan dated April 11, 2023 (the “Service and Assessment Plan”) was prepared at the direction of the City identifying the public improvements (the “Authorized Improvements”) to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to Chapter 372 of the Texas Local Government Code, as amended (the “PID Act”), the Service and Assessment Plan must be reviewed and updated annually for the purpose of determining the annual budget for the Authorized Improvements. This document is the annual update of the Service and Assessment Plan for 2023-24 (the “Annual Service Plan Update”).

The City also adopted an assessment roll for the PID attached as Appendix G to the Service and Assessment Plan (the “Assessment Roll”) identifying the Assessments on each Parcel of Assessed Property, based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Roll for 2023-24.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the “PID Assessment Notice”) as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix D and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchaser before the execution of a binding contract of purchase and sale, either separately or as an addendum or

paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Service and Assessment Plan unless otherwise defined herein.

II. UPDATE OF THE SERVICE PLAN

A. UPDATED SOURCES AND USES FOR PUBLIC IMPROVEMENTS

Pursuant to the original Service and Assessment Plan adopted on April 11, 2023, the initial total estimated costs of the Phase #1 Projects, excluding Phase #1 Bond issuance costs, were equal to \$23,763,687. According to Requisition #2 submitted to the City on July 12, 2023, the actual Phase #1 Project costs, including Phase #1's share of the Initial Major Improvements, spent to date are equal to \$16,814,315, net of retainage held.

Table II-A on the following page summarizes the updated sources and uses of funds required to (1) construct the Phase #1 Projects, (2) establish the PID, and (3) issue the Phase #1 Bonds.

1 - Assessment years ending 2024 reflect actual Annual Installments to be billed and are net of applicable reserve fund income and capitalized interest credits. Assessment years 2025 through 2030 reflect projected Annual Installments and are subject to change.

C. STATUS OF DEVELOPMENT

According to the original Service and Assessment Plan dated April 11, 2023, there are 2,016 residential units and 56,000 square feet of commercial space expected to be built within the PID. As of June 18, 2023, there have been no subdivisions of the parent parcels according to the Denton County Central Appraisal District. As a result, there have been no completed homes within the PID as of June 18, 2023.

D. ANNUAL BUDGET

Annual Installments

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Phase #1 Bonds and/or execution of the PID Reimbursement Agreement Obligation, of which thirty (30) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment securing the Phase #1 Bonds and the Phase #1 Reimbursement Agreement shall bear interest at the rate on the Phase #1 Bonds and Phase #1 Reimbursement Agreement. The effective interest rate on the Phase #1 Bonds is 5.24 percent per annum. The effective interest rate on the Phase #1 Reimbursement Agreement is 5.85 percent per annum. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate (5.24 percent) on the Phase #1 Bonds and (5.85 percent) on the Phase #1 Reimbursement Agreement plus and additional interest of one-half of one percent is used to calculate the interest on the Assessments securing the Phase #1 Bonds. These payments, the “Annual

Installments” of the Assessments shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installments due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installments on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installments shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on Phase #1 Bonds and Phase #1 Reimbursement Agreement from the collection of the Annual Installments of the Assessments on the Assessed Property. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Service and Assessment Plan and applicable Trust Indenture.

Annual Installments to be Collected for 2023-24

The budget for the PID will be paid from the collection of Annual Installments of the Assessments on the Assessed Property collected for 2023-24 as shown by Table II-C on the following page.

(The remainder of this page is intentionally left blank.)

Debt Service Payments

Annual Installments to be collected for principal and interest on the Phase #1 Bonds include interest due on March 1, 2024, in the amount of \$674,751 and September 1, 2024, in the amount of \$417,372, which equal interest on the outstanding Phase #1 Bonds of \$15,923,000 for 291 days and 180 days, respectively, at an effective interest rate of 5.24 percent per annum. There is no Phase #1 Bond principal due on September 1, 2024. As a result, total Annual Installments to be collected for principal and interest on the Phase #1 Bonds in 2023-24 is estimated to be \$1,092,123.

Additionally, annual Installments to be collected for principal and interest on the Phase #1 Reimbursement Agreement include interest due on March 1, 2024, in the amount of \$281,897 and September 1, 2024, in the amount of \$187,931, which equal interest on the outstanding Phase #1 Reimbursement Agreement of \$6,425,000 for 270 days and 180 days, respectively, at an effective interest rate of 5.85 percent per annum. There is no Phase #1 Reimbursement Agreement principal due on September 1, 2024. As a result, total Annual Installments to be collected for principal and interest on the Phase #1 Reimbursement Agreement in 2023-24 is estimated to be \$469,828.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, auditor, dissemination agent expenses, and contingency fees. As shown in Table II-D on the following page, the total administrative expenses to be collected for 2023-24 are estimated to be \$51,000.

Table II-D
Administrative Budget Breakdown

Description	2023-24 Estimated Budget (9/1/23-8/31/24)
City	\$6,000
PID Administrator	\$33,500
Trustee	\$2,750
Auditor	\$2,000
Dissemination Agent	\$3,500
Contingency	\$3,250
Total	\$51,000

Excess Interest for Additional Interest Reserve

Annual Installments to be collected for additional interest reserves in the amount of \$79,615, which equals 0.5 percent interest on the outstanding Phase #1 Bond balance of \$15,923,000.

Available Reserve Fund Income

As of June 30, 2023, the balance in the Reserve Fund was \$1,121,465, which includes the Bond Reserve Requirement of \$1,121,465. As a result, there is not a significant excess balance to give a credit to reduce the 2023-24 Annual Installments.

Available Capitalized Interest Account

As of June 30, 2023, the available balance in the Capitalize Interest Account was \$1,092,123. According to Section 6.4 (d) of the Trust Indenture, \$1,092,123 will be transferred to the Principal and Interest Account to fund the interest payments due on March 1, 2024 (\$674,751) and September 1, 2024 (\$417,372).

Available Administrative Expense Account

As of June 30, 2023, there was not an available balance in the Administrative Expense Fund to reduce the 2023-24 Annual Installments.

E. ANNUAL INSTALLMENTS PER UNIT

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Phase #1 Bonds and Phase #1 Reimbursement Agreement, (ii) to fund the Prepayment Reserve and Delinquency Reserve, and (iii) to cover Administrative Expenses of the PID.

According to the Developer, 435 units are anticipated to be built within the PID representing 328.08 outstanding Equivalent Units. The principal and interest portion of Annual Installments to be collected from each unit will be calculated by taking the subtotal debt service on Phase #1 Bonds and Phase #1 Reimbursement Agreement, including excess interest for prepayment and delinquency, less any

available reserve fund income, divided by the total outstanding Equivalent Units. Accordingly, the net principal and interest portion of Annual Installments to be collected from each Equivalent Unit will be \$1,700.65 (i.e. $(\$1,561,951 + 79,615 - \$1,092,123) \div 328.08 = \$1,700.65$). The Administrative Expenses to be collected from each Equivalent Unit will be \$157.86 (i.e. $\$51,000 \div 328.08 = \157.86). According, the Annual Installment to be collected from each Equivalent Unit will be \$1,858.51 ($\$1,700.65 + \$157.86 = \$1,858.51$). The Annual Installments to be collected from each Parcel within the PID is calculated by multiplying the Annual Installments for each unit of \$1,858.51 by the total estimated Equivalent Units for each Parcel in the PID as shown in Appendix C.

The Annual Installments due to be collected from each Land Use Class in the PID for 2023-24 are shown in Table II-E below.

Table II-E
Annual Installments Per Unit

Land Use Class	Annual Installments Per Equivalent Unit¹	Equivalent Unit Factor	Annual Installments
Single-Family - 70 Ft	\$1,858.51	1.00	\$1,858.51

The list of Parcels within the PID, the number of units to be developed on the current residential Parcels, the corresponding Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installments to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix C.

F. BOND REDEMPTION RELATED UPDATES

The Phase #1 Bonds were issued in May 2023. Pursuant to Section 4.3 of the Indenture of Trust, the City reserves the right and option to redeem the Phase #1 Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2043**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Indenture of Trust.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phase #1 Bonds do not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

(The remainder of this page is intentionally left blank.)

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council describes that the Authorized Improvement costs shall be allocated to the Assessed Property equally based on the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement Costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property has not been changed and Assessed Property will continue to be assessed as provided for in the Service and Assessment Plan.

(The remainder of this page is intentionally left blank.)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Roll shall be updated each year to reflect:

(i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installments for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.F of the Service and Assessment Plan.

The 2023-24 Assessment Roll Summary is shown in Appendix D of this report. Each Parcel of in the PID is identified, along with the Assessment on each Parcel and the Annual Installments to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

- A = the Assessment for each new subdivided Parcel.
- B = the Assessment for the Parcel prior to subdivision.
- C = the estimated Equivalent Units to be built on each newly subdivided Parcel
- D = the sum of the estimated Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of Equivalent Units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of Equivalent Units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

B. PREPAYMENT OF ASSESSMENTS

There have been no Assessment prepayments as of June 30, 2023.

The complete Assessment Roll is available for review at the City Hall, located at 142 N Ohio, Celina, Texas 75009.

NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT ASSESSMENT TO
CITY OF CELINA, TEXAS
CONCERNING THE FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the Mosaic Public Improvement District (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City or MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF CELINA APPROVING THE ANNUAL UPDATE OF THE SERVICE AND ASSESSMENT PLAN AND ASSESSMENT ROLL FOR THE MOSAIC PUBLIC IMPROVEMENT DISTRICT IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE §372.013, AS AMENDED; CONTAINING A CUMMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, on November 9, 2021, the City Council of the City of Celina, Texas (the “City”) approved Resolution No. 2021-104R establishing the Mosaic Public Improvement District (the “PID”) in accordance with the provisions of Chapter 372 of the Texas Local Government Code (the “Public Improvement District Assessment Act” or “the PID Act”); and

WHEREAS, the City has heretofore levied assessments against property within the PID, pursuant to Ordinance No. 2023-31 which ordinance also approved the Mosaic Public Improvement District Service and Assessment Plan and Assessment Roll, dated as of April 11, 2023 (the “Service and Assessment Plan and Assessment Roll”); and

WHEREAS, the Service and Assessment Plan and Assessment Roll is required to be reviewed and updated annually as described in Sections 372.013 and 372.014 of the PID Act (the “Annual Service Plan Update”); and

WHEREAS, the Annual Service Plan Update, attached hereto as Exhibit A, including the Assessment Roll attached thereto, update the Service and Assessment Plan and Assessment Roll to reflect prepayments, property divisions and changes to the budget allocation for the PID that occur during the year, if any; and

WHEREAS, the City Council desires and finds it to be in the public interest to adopt this Ordinance approving and adopting the Annual Service Plan Update and the updated Assessment Roll attached thereto, in compliance with the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1. All matters stated in the preamble are found to be true and correct and are incorporated herein as if copied in their entirety.

SECTION 2. The Mosaic Public Improvement District Annual Service Plan Update, attached hereto as Exhibit A and incorporated herein by reference, inclusive of the updated Assessment Roll contained therein and made a part thereof, are hereby accepted and approved.

SECTION 3. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION 4. Should any sentence, paragraph, subdivision, clause, phrase or section of this Ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this Ordinance as a whole, or any part or provision thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of the Ordinance as a whole.

SECTION 5. This Ordinance shall take effect immediately after its passage and the publication of the caption, as the law and charter in such case provide. The City Secretary shall cause this Ordinance to be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Re: SAP Update - North Sky PID

Action Requested:

Consider and act upon an Ordinance of the City of Celina, Texas, approving the 2023-2024 Annual Service Plan update to the Service and Assessment Plan for the North Sky Public Improvement District and providing an effective date. (Bromiley)

Background Information:

The North Sky PID was created by the City Council pursuant to the PID Act and a resolution approved on June 8, 2021. The PID is generally located west of Preston Road and north of the new Celina Middle School. The PID is anticipated to contain an estimated 786 residential units on approximately 220 acres within multiple phases. The PID annual installments in the Annual Service Plan update include amounts for the payment of principal and interest on the PID bonds and reimbursement agreement, if any, PID administrative expenses, additional interest for prepayment and delinquency reserves and as applicable, TIRZ annual credit amounts committed to pay a portion of the PID bond principal and interest. The Service Plan is prepared annually and presented to Council as required by Chapter 372 of the Texas Local Government Code.

I. INTRODUCTION

The North Sky Public Improvement District (the “PID”) was created pursuant to the PID Act and Resolution No. 2021-39R of the City Council on June 8, 2021 to finance certain public improvement projects for the benefit of the property in the PID.

On February 14, 2023, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2023 (North Sky Public Improvement District Improvement Area #1 Project) (the “Improvement Area #1 Bonds”) in the aggregate principal amount of \$6,715,000, and reimbursement obligations for the Improvement Area #1 Reimbursement Agreement (the “Improvement Area #1 Reimbursement Agreement”) in the aggregate principal amount of \$6,050,000 to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the Improvement Area #1. Both the Improvement Area #1 Bonds and the Improvement Area #1 Reimbursement Agreement are secured by the Improvement Area #1 Assessments (the “Phase #1 Assessments”).

Additionally on February 14, 2023, the City issuance of the City of Celina Texas Special Assessment Revenue Bonds Series 2023(North Sky Public Improvement District Major Improvement Area Project) (the “Major Improvement Area Bonds”) in the aggregate principal amount of \$3,452,000, to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the Major Improvement Area of the PID. The Major Improvement Area Bonds are secured by the Major Improvement Area Assessments.

A service and assessment plan (the “Service and Assessment Plan”) was prepared at the direction of the City identifying the public improvements (the “Authorized Improvements”) to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to the PID Act, the Service and Assessment Plan must be reviewed and updated annually. This document is the annual update of the Service and Assessment Plan for 2023-24 (the “Annual Service Plan Update”).

The City also adopted Assessment Rolls identifying the assessments on each Parcel within the PID, based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Roll for 2023-24.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the “PID Assessment Notice”) as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix D and copy of

this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchaser before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID Act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Service and Assessment Plan unless otherwise defined herein.

II. UPDATE OF THE SERVICE PLAN

A. UPDATED SOURCES AND USES FOR PUBLIC IMPROVEMENTS

Improvement Area #1 Improvements Sources and Uses

Pursuant to the original Service and Assessment Plan adopted on February 14, 2023, the initial total estimated costs of Improvement Area #1 Improvements, including Improvement Area #1's share of the Major Improvements, were equal to \$13,164,583. According to Requisition #3 approved by the City on June 20, 2023 the actual costs of the Improvements Area #1, including Improvement Area #1 share of the Major Improvements spent to date are equal to \$2,470,145.

Table II-A-1 on the following page summarizes the updated sources and uses of funds required to (1) construct the Improvement Area #1 (2) establish the PID, and (3) issue the Improvement Area #1 Bonds. As of June 20, 2023, the Developer reported that there were no updates to the aggregate budget be reported.

C. ANNUAL BUDGET – IMPROVEMENT AREA #1

Improvement Area #1 - Annual Installments – 2023-24

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Improvement Area #1 Bonds and/or the execution of the Improvement Area #1 Reimbursement Agreement, of which twenty-nine (29) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the Improvement Area #1 Bonds commencing with the issuance of the Improvement Area #1 Bonds. The effective interest rate on the Improvement Area #1 Bonds is 5.36 percent and the interest rate applicable to the Improvement Area #1 Reimbursement Agreement is 5.79 percent per annum for 2023-24. Pursuant to Section 372.018 of the PID Act, the interest rate for that assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Improvement Area #1 Bonds (5.36 percent) plus an additional interest of one-half of one percent and the effective interest rate on the Improvement Area #1 Reimbursement Agreement (5.79 percent) are used to calculate the interest on the Assessments. These payments, the “Annual Installments” of the Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable

documents including the Service and Assessment Plan and Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Improvement Area #1 Bonds and Improvement Area #1 Reimbursement Agreement from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Service and Assessment Plan and applicable Trust Indenture.

Improvement Area #1 Annual Installments to be Collected for 2023-24

The budget for Improvement Area #1 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-C-1 below.

Table II-C-1
Budget for the Improvement Area #1 Annual Installments
to be Collected for 2023-24

Debt Service Payments

Annual Installments to be collected for principal and interest include the Improvement Area #1 Bonds' interest due on March 1, 2024 in the amount of \$180,079 and on September 1, 2024 in the amount of \$180,079, which equal interest on the outstanding Improvement Area #1 Bond Assessments balance of \$6,715,000 for six months each and an effective interest rate of 5.36 percent. Improvement Area #1 Bond Annual Installments to be collected include a principal amount of \$111,000 due on September 1, 2024. As a result, total Annual Installments to be collected for the Improvement Area #1 Bonds' principal and interest in 2023-24 is equal to \$471,159.

Additionally, Annual Installments to be collected for principal and interest include Improvement Area #1 Reimbursement Agreement interest due on March 1, 2024 in the amount of \$379,486 and on September 1, 2024 in the amount of \$175,148, which equal interest on the outstanding Improvement Area #1 Reimbursement Agreement Assessments balance of \$6,050,000 for thirteen months and six months, respectively, at an effective interest rate of 5.79 percent. Improvement Area #1 Reimbursement Agreement Annual Installments to be collected include a principal amount of \$85,000 due on September 1, 2024. As a result, total Annual Installments to be collected for Improvement Area #1 Reimbursement Agreement principal and interest in 2023-24 is equal to \$639,634.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, auditor, dissemination agent and contingency fees. As shown in Table II-C-2 below, the total Improvement Area #1 administrative expenses to be collected for 2023-24 are estimated to be \$51,000.

Table II-C-2
Improvement Area #1 Administrative Budget Breakdown

Description	2023-24 Estimated Budget (9/1/23-8/31/24)
City	\$6,000
PID Administrator	\$32,800
Trustee	\$3,000
Auditor	\$1,200
Dissemination Agent	\$3,000
Contingency	\$5,000
Total	\$51,000

Excess Interest for Additional Interest Reserve

Annual Installments to be collected for excess interest for additional interest reserves in the amount of \$33,575, which equals 0.5 percent interest on the outstanding Improvement Area #1 Bond Assessments balance of \$6,715,000.

Available Capitalized Interest Account

As of May 31, 2023, and in accordance with Section 6.4(c) of the Trust Indenture, all Capitalized Interest funds will be fully expended as September 1, 2023. As a result, there is no credit to reduce the 2023-24 Improvement Area #1 Annual Installment.

Available Administrative Expense Account

As of June 30, 2023, the available balance for administrative expenses was \$50,338. \$50,338 is anticipated to be used for the payment of the current year administrative expenses through January 31, 2024. As a result, there are no funds available in the Administrative Expense Fund to reduce the 2023-24 Improvement Area #1 Annual Installment.

D. ANNUAL INSTALLMENTS PER UNIT – IMPROVEMENT AREA #1

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Improvement Area #1 Bonds and Improvement Area #1 Reimbursement Agreement, (ii) to fund the additional interest reserve, and (iii) to cover Administrative Expenses of Improvement Area #1. The Annual Installment for each Parcel shall be calculated by taking into consideration any available capitalized interest available.

According to the Service and Assessment Plan, 322 lots representing 280.90 Equivalent Units are estimated to be built within Improvement Area #1 of the PID. Accordingly, the principal and interest portion of Annual Installment to be collected from each Equivalent Unit within Improvement Area #1 will be \$4,062.58, (i.e. $(\$1,110,793 + \$33,575 - \$3,189) \div 280.90 = \$4,062.58$) and the Administrative Expenses to be collected from each Equivalent Unit will be \$181.56 (i.e. $\$51,000 \div 280.90 = \181.56). As a result, the total Annual Installment to be collected from each Equivalent Unit within Improvement Area #1 will be \$4,244.14 (i.e. $\$4,062.58 + \$181.56 = \$4,244.14$). The Annual Installment to be collected from each Parcel within Improvement Area #1 is calculated by multiplying the Annual Installment for each Equivalent Unit of \$4,244.14 by the total estimated number of Equivalent Units for each land use class in Improvement Area #1.

The Annual Installment due to be collected from each Land Use Class in Improvement Area #1 for 2023-24 is shown in Table II-D-1 on the following page.

Table II-D-1
Improvement Area #1 Annual Installment Per Unit

Land Use Class	Annual Installment Per Equivalent Unit¹	Equivalent Unit Factor	Annual Installment

E. ANNUAL BUDGET – MAJOR IMPROVEMENT AREA

Major Improvement Area - Annual Installments – 2023-24

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty annual installments of principal and interest beginning with the tax year following the issuance of the Major Improvement Area Bonds, of which twenty-nine (29) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the Bonds commencing with the issuance of the Major Improvement Area Bonds. The effective interest rate on the Major Improvement Area Bonds is 5.96 percent. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Major Improvement Area Bonds (5.96 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the “Annual Installments” of the Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and applicable Trust Indenture, such as

capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Major Improvement Area Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Service and Assessment Plan and applicable Trust Indenture.

Major Improvement Area Annual Installments to be Collected for 2023-24

The budget for the Major Improvement Area of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-E-1 below.

Table II-E-1
Budget for the Major Improvement Area Annual Installments
to be Collected for 2023-24

	Major Improvement Area Bonds
Interest payment on March 1, 2024	\$102,886

Available Capitalized Interest Funds	\$0
Available Administrative Expense Funds	\$0
<i>Subtotal funds available</i>	<i>(\$1,785)</i>
Annual Installments	\$330,247

Debt Service Payments

Annual Installments to be collected for principal and interest include interest due on March 1, 2024 in the amount of \$102,886 and on September 1, 2024 in the amount of \$102,886, which equal interest on the outstanding Major Improvement Area Assessments balance of \$3,452,000 for six months each and an effective interest rate of 5.96 percent. Major Improvement Area Bond Annual Installments to be collected include a principal amount of \$58,000 due on September 1, 2024. As a result, total Major Improvement Area Annual Installments to be collected for principal and interest in 2023-24 is estimated to be equal to \$263,773.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, auditor, dissemination agent and contingency fees. As shown on Table II-E-2 below, the total Major Improvement Area Major Improvement administrative expenses to be collected for 2023-24 are estimated to be \$51,000.

Table II-E-2
Major Improvement Area Administrative Budget Breakdown

Description	2023-24 Estimated Budget (9/1/23-8/31/24)
City	\$6,000
Administrator	\$32,800
Trustee	\$3,000
Auditor	\$2,000
Dissemination Agent	\$3,000
Contingency	\$4,200
Total	\$51,000

Excess Interest for Additional Interest Reserve

Annual Installments to be collected for excess interest for Additional Interest Reserves in the amount of \$17,260, which equals 0.5 percent interest on the outstanding Major Improvement Area Bond Assessments balance of \$3,452,000.

Available Capitalized Interest Account

As of May 31, 2023, and in accordance with Section 6.4(c) of the Trust Indenture, all Capitalized Interest funds will be fully expended by September 1, 2023. As a result, there is no credit to reduce the Major Improvement Area 2023-24 Annual Installment.

Available Administrative Expense Account

As of May 31, 2023, the available balance for administrative expenses was \$53,338. \$53,338 is anticipated to be used for the payment of the current year administrative expenses through January 31, 2024. As a result, there are no funds available in the Administrative Expense Fund to reduce the Major Improvement Area 2023-24 Annual Installment.

F. ANNUAL INSTALLMENTS PER UNIT – MAJOR IMPROVEMENT AREA

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Major Improvement Area Major Improvement Bonds, (ii) to fund the Additional Interest Reserve, and (iii) to cover Administrative Expenses of the Major Improvement Area Major Improvement Area. The Annual Installment for each Parcel shall be calculated by taking into consideration any available capitalized interest.

According to the Service and Assessment Plan, 464 lots representing 407.22 Equivalent Units are estimated to be built within the Major Improvement Area of the PID. Accordingly, the principal and interest portion of Annual Installment to be collected from each unit within Major Improvement Area will be \$685.74 (i.e. $(\$263,773 + \$17,260 - \$1,785) \div 407.22 = \685.74) and the Administrative Expenses to be collected from each acre will be \$125.24 (i.e. $\$51,000 \div 407.22 = \125.24). As a result, the total Annual Installment to be collected from each Equivalent Unit within Major Improvement Area will be \$810.98 (i.e. $\$685.74 + \$125.24 = \$810.98$). The Annual Installment to be collected from each land use class within Major Improvement Area is calculated by multiplying the Annual Installment for each Equivalent Unit of \$810.98 by the total estimated number of Equivalent Units for each land use class in Major Improvement Area.

The Annual Installment due to be collected from each Land Use Class in Major Improvement Area for 2023-24 is shown in Table II-F-1 below.

Table II-F-1
Major Improvement Area Annual Installment Per Unit

Land Use Class	Annual Installment Per Equivalent Unit ¹	Equivalent Unit Factor	Annual Installment
40' Lot	\$810.98	0.74	\$600.13

The list of Parcels within Major Improvement Area of the PID, the estimated number of units to be developed on the current residential Parcels, the total Assessment, the Annual Assessment, the Capitalized Interest Credit, the Additional Interest Reserve, the Administrative Expenses and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix C.

G. BOND REDEMPTION RELATED UPDATES

Improvement Area #1 Bonds

The Improvement Area #1 Bonds were issued in 2023. Pursuant to Section 4.3 of the Improvement Area #1 Trust Indenture, the City reserves the right and option to redeem the Improvement Area #1 Bonds maturing on or after September 1, 2043, in whole or in part, on any date on or after **September 1, 2033**, such redemption date or dates to be fixed by the City, at the Redemption Price as defined in the Improvement Area #1 Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Improvement Area #1 Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

Major Improvement Area Bonds

The Major Improvement Area Major Improvement Bonds were issued in 2023. Pursuant to Section 4.3 of the Major Improvement Area Trust Indenture, the City reserves the right and option to redeem the Major Improvement Area Major Improvement Bonds maturing on or after September 1, 2052, in whole or in part, on any date on or after **September 1, 2033**, such redemption date or dates to be fixed by the City, at the Redemption Price as defined in the Major Improvement Area Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Major Improvement Area Major Improvement Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

(the remainder of this page is intentionally left blank)

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council provided that the Authorized Improvement costs shall be allocated to the Assessed Property equally on the basis of the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property has not been changed and assessed property will continue to be assessed as provided for in the Service and Assessment Plan.

(the remainder of this page is intentionally left blank)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

- (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.G of the Service and Assessment Plan.

The updated Assessment Rolls are shown in Appendix B and C of this report. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for each new subdivided Parcel.

B = the Assessment for the Parcel prior to subdivision.

C = the estimated number of Equivalent Units to be built on each newly subdivided Parcel

D = the sum of the estimated number of Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of Equivalent Units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of Equivalent Units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

The developer has confirmed there have been no parcel subdivisions in the PID applicable for the Annual Installments to be collected in 2023-24.

B. PREPAYMENT OF ASSESSMENTS

There have been no Assessment prepayments as of June 30, 2023.

The complete Assessment Rolls are available for review at the City Hall, located at 142 N. Ohio, Celina, Texas 75009.

NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT ASSESSMENT TO
CITY OF CELINA, TEXAS
CONCERNING THE FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the North Sky Public Improvement District (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City or MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF CELINA APPROVING THE ANNUAL UPDATE OF THE SERVICE AND ASSESSMENT PLAN AND ASSESSMENT ROLLS FOR THE NORTH SKY PUBLIC IMPROVEMENT DISTRICT IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE §372.013, AS AMENDED; CONTAINING A CUMMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, on June 8, 2021, the City Council of the City of Celina, Texas (the “City”) approved Resolution No. 2021-39R establishing the North Sky Public Improvement District (the “PID”) in accordance with the provisions of Chapter 372 of the Texas Local Government Code (the “Public Improvement District Assessment Act” or “the PID Act”); and

WHEREAS, the City has heretofore levied assessments against property within Improvement Area #1 the PID, pursuant to Ordinance No. 2023-13 which ordinance also approved the North Sky Public Improvement District Service and Assessment Plan and Assessment Roll related to Improvement Area #1, dated as of February 14, 2023 (the “Service and Assessment Plan and Improvement Area #1 Assessment Roll”); and

WHEREAS, the City has also heretofore levied assessments against property within the Major Improvement Area of the PID, pursuant to Ordinance No. 2023-14 which ordinance also approved the North Sky Public Improvement District Service and Assessment Plan and Assessment Roll related to the Major Improvement Area, dated as of February 14, 2023 (the “Service and Assessment Plan and Major Improvement Area Assessment Roll”) [and, together with the Service and Assessment Plan and Improvement Area #1 Assessment Roll, the “Service and Assessment Plan and Assessment Rolls”]; and

WHEREAS, the Service and Assessment Plan and Assessment Rolls are required to be reviewed and updated annually as described in Sections 372.013 and 372.014 of the PID Act (the “Annual Service Plan Update”); and

WHEREAS, the Annual Service Plan Update, attached hereto as Exhibit A, including the Improvement Area #1 and the Major Improvement Area Assessment Rolls attached thereto, update the Service and Assessment Plan and Assessment Rolls to reflect prepayments, property divisions and changes to the budget allocation for the PID that occur during the year, if any; and

WHEREAS, the City Council desires and finds it to be in the public interest to adopt this Ordinance approving and adopting the Annual Service Plan Update and the updated Assessment Roll attached thereto, in compliance with the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

Attachment: PID - SAP Update Ordinance North Sky - 2023-24 (SAP Update - North Sky PID)

SECTION 1. All matters stated in the preamble are found to be true and correct and are incorporated herein as if copied in their entirety.

SECTION 2. The North Sky Public Improvement District Annual Service Plan Update, attached hereto as Exhibit A and incorporated herein by reference, inclusive of the updated Assessment Rolls contained therein and made a part thereof, are hereby accepted and approved.

SECTION 3. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION 4. Should any sentence, paragraph, subdivision, clause, phrase or section of this Ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this Ordinance as a whole, or any part or provision thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of the Ordinance as a whole.

SECTION 5. This Ordinance shall take effect immediately after its passage and the publication of the caption, as the law and charter in such case provide. The City Secretary shall cause this Ordinance to be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Date: August 8, 2023
Re: SAP Update - Ownsby Farms PID

Action Requested:

Consider and act upon an Ordinance of the City of Celina, Texas, approving the 2023-2024 Annual Service Plan update to the Service and Assessment Plan for the Ownsby Farms Public Improvement District and providing an effective date. (Bromiley)

Background Information:

The Ownsby Farms PID was created by the City Council pursuant to the PID Act and a resolution approved on June 9, 2015. The PID is located generally north of Frontier Parkway, east of BNSF Railroad, west of Preston Road and south of County Road 83. The PID is anticipated to contain an estimated 372 residential units on approximately 113.5 acres of land within two phases. The PID annual installments in the Annual Service Plan update include amounts for the payment of principal and interest on the PID bonds and reimbursement agreement, if any, PID administrative expenses, additional interest for prepayment and delinquency reserves and as applicable, TIRZ annual credit amounts committed to pay a portion of the PID bond principal and interest. The Service Plan is prepared annually and presented to Council as required by Chapter 372 of the Texas Local Government Code.

I. INTRODUCTION

The Ownsby Farms Public Improvement District (the “PID”) was created pursuant to the PID act and a resolution of the City Council (the “City Council”) of the City of Celina, (the “City”) on June 9, 2015, to finance certain public improvement projects for the benefit of the property in the PID.

On January 17, 2017 the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2017 (Ownsby Farms Public Improvement District Phase #1 Project) (the “Phase #1 Bonds”) in the aggregate principal amount of \$4,465,000, were issued to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in Phase #1 of the PID. In addition, reimbursement obligations for the PID Reimbursement Agreement (the “Phase #1 Reimbursement Agreement”) in the aggregate principal amount of \$1,256,000 are secured by Assessments (the “Phase #1 Assessments”).

On January 17, 2017 the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2017 (Ownsby Farms Public Improvement District Phase #2 Major Improvement Project) (the “Phase #2 Major Improvement Bonds”) in the aggregate principal amount of \$1,765,000, were issued to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the Phase #2 Major Improvements provided for the benefit of the property in Phase #2 of the PID

On February 8, 2022, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2022 (Ownsby Farms Public Improvement District Phase #2 Direct Improvements Project) (the “Phase #2 Direct Improvement Bonds”) in the aggregate principal amount of \$2,845,000 to fully reimburse the Developer for the unpaid balance of the Phase #2 Direct Reimbursement Agreement and to refinance, provide, or otherwise assist in the acquisition, construction, and maintenance of the Phase #2 Direct Improvements provided for the benefit of the property in Phase #2 of the PID.

A service and assessment plan (the “Service and Assessment Plan”) was prepared at the direction of the City identifying the public improvements (the “Authorized Improvements”) for Phase #1 (the “Phase #1 Improvements”) and Phase #2 (the “Phase #2 Major Improvements”) to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. On November 10, 2020, the Service and Assessment Plan was updated for the Phase #2 Direct Improvements (the “Phase #2 Direct Improvements”). On February 8, 2022, the Service and Assessment Plan was updated for the Phase #2 Direct Improvement Bonds (the “Updated Service and Assessment Plan”).

Pursuant to the PID Act, the Updated Service and Assessment Plan must be reviewed and updated annually for the purpose of determining the annual budget for the Authorized Improvements. This document is the annual update of the Updated Service and Assessment Plan for 2023-24 (the “Annual Service Plan Update”).

The City also adopted an assessment roll for Phase #1 of the PID (the “Phase #1 Assessment Roll”), Phase #2 Major Improvements of the PID (the Phase #2 Major Improvement Assessment Roll”), and Phase #2 Direct Improvements of the PID (the “Phase #2 Direct Improvement Assessment Roll”) attached as Appendix F, Appendix G, and Appendix H, respectively, to the Updated Service and Assessment Plan, identifying the assessments on each Parcel within the PID, based on the method of assessment identified in the Updated Service and Assessment Plan. This Annual Service Plan Update also updates the Phase #1 Assessment Roll, the Phases #2 Major Improvements Assessment Roll, and the Phase #2 Direct Improvements Assessment Roll for 2023-24.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the “PID Assessment Notice”) as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix E and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchaser before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms in this section not defined herein shall have the meanings assigned to such terms in the Updated Service and Assessment Plan.

II. UPDATE OF THE SERVICE PLAN

A. UPDATED SOURCES AND USES FOR PUBLIC IMPROVEMENTS

Phase #1 Sources and Uses

Pursuant to the original Service and Assessment Plan adopted on January 17, 2017, the updated initial total estimated costs of the Phase #1 Improvements (including bond issuance related costs) were equal to \$8,628,601. According to the Updated Service and Assessment Plan, the actual costs of the Phase #1 Improvements were equal to \$8,656,353.

According to the City, the Phase #1 Improvements were completed and accepted by the City on April 27, 2018.

Table II-A on the following page summarizes the updated sources and uses of funds required to (1) construct the Phase #1 Improvements, (2) establish the PID, and (3) issue the Phase #1 Bonds. For additional Phases #1 development-related information, refer to the link below:

C. STATUS OF DEVELOPMENT

According to the City, building permits have been issued for parcels representing, in the aggregate, greater than 95 percent of the Special Assessment levied within Phase #1. As a result, the number of new homes completed in Phase #1 during the current fiscal year and the number of total new homes completed are no longer required to be reported in this Annual Service Plan Update pursuant to Section 4 of the Phase #1 Bonds Continuing Disclosure Agreement of the Issuer.

According to the City, building permits have been issued for parcels representing, in the aggregate, greater than 95 percent of the Special Assessment levied within Phase #2. As a result, the number of new homes completed in Phase #2 during the current fiscal year and the number of total new homes completed are no longer required to be reported in this Annual Service Plan Update pursuant to Section 4 of the Phase #2 Major Improvement Bonds and Phase #2 Direct Improvements Bonds Continuing Disclosure Agreements of the Issuer.

D. ANNUAL BUDGET – PHASE #1

Phase #1 – Annual Installments – 2023-24

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Phase #1 Bonds and/or execution of the PID Reimbursement Agreement of which twenty-three (23) Annual Installments remain outstanding.

Pursuant to the Updated Service and Assessment Plan, each Assessment shall bear interest at the rate on the Phase #1 Bonds commencing with the issuance of the Phase #1 Bonds. The effective interest rate on the Phase #1 Bonds is 6.03 percent and the interest rate applicable to the PID Reimbursement Agreement is 5.50 percent per annum. Pursuant to Section 372.018 of the PID

Act, the interest rate for that assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phase #1 Bonds (6.03 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the “Phase #1 Annual Installments” of the Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and Trust Indenture, such as the TIRZ Annual Credit Amount, capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phase #1 Bonds and PID Reimbursement Agreement from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Updated Service and Assessment plan and applicable Trust Indenture.

Phase #1 Annual Installments to be Collected for 2023-24

The budget for Phase #1 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown in Table II-E on the following page.

Debt Service Payments

Annual Installments to be collected for principal and interest on the Phase #1 Bonds include interest due on March 1, 2024, in the amount of \$124,133 and on September 1, 2024, in the amount of \$124,133, which equal interest on the outstanding Phase #1 Assessment balance of \$4,115,000 for six months each and an effective interest rate of 6.03 percent. Annual Installments to be collected include a principal amount of \$80,000 due on September 1, 2024. As a result, total Annual Installments to be collected for principal and interest in 2023-24 of the Phase #1 Bonds Assessment is estimated to be equal to \$328,265.

Annual Installments to be collected for principal and interest on the Phase #1 Reimbursement Agreement include interest due on March 1, 2024, in the amount of \$31,304 and on September 1, 2024, in the amount of \$31,304, which equal interest on the outstanding Phase #1 Reimbursement Agreement balance of \$1,138,312 for six months each and an effective interest rate of 5.50 percent. Annual Installments to be collected on the Phase #1 Reimbursement Agreement include a principal amount of \$25,000 due on September 1, 2024. As a result, total Annual Installments to be collected for principal and interest in 2023-24 of the Phase #1 Reimbursement Agreement is estimated to be equal to \$87,607.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, Dissemination Agent, and contingency fees. As shown in Table II-F below, the total administrative expenses to be collected for 2023-24 are estimated to be \$34,400.

Table II-F
Administrative Budget Breakdown – Phase #1

Description	2023-24 Estimated Budget (9/1/23-8/31/24)
City	\$6,000
PID Administrator	\$20,000
Trustee	\$2,500
Auditor	\$1,200
Dissemination Agent	\$3,500
Contingency	\$1,200
Total	\$34,400

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of \$20,575, which equals 0.5 percent interest on the outstanding Phase #1 Bond Assessment balance of \$4,115,000.

Available TIRZ Credit

According to the City, there have been TIRZ increments collected for tax year 2022 in the total amount of \$172,932 that are available to be used as TIRZ Credit in 2023-24 for the respective Parcels within Phase #1. This TIRZ Credit amount is allocated to each of the 205 Parcels within Phase #1 that generated the TIRZ Revenues in 2022 as shown in Appendix C-2.

Available Reserve Fund Income

As of May 31, 2023, the balance in the Phase #1 Reserve Fund was \$356,530, which includes the Phase #1 Bond Reserve Requirement of \$348,456 and an excess balance of \$8,074. There is also a sufficient balance in the Principal and Interest Account to pay debt service on September 1, 2023. Pursuant to Section 6.7 (d) of the Phase #1 Bond Trust Indenture, the excess balance of \$8,074 should be transferred to the Phase #1 Principal & Interest Account and used to pay interest on the Phase #1 Bonds on the next interest payment date. As a result, \$8,074 is available to pay a portion of the Phase #1 Bonds debt service.

Available Capitalized Interest Account

As of May 31, 2023, the Trustee reported that the Capitalized Interest Fund has been fully expended. As a result, there is no credit to reduce the Phase #1 2023-24 Annual Installment.

Available Administrative Expense Account

As of May 31, 2023, there are \$39,527 available funds to pay Phase #1 administrative expenses. Approximately \$39,527 is anticipated to be used for the payment of current year administrative expenses through January 31, 2024. As a result, there are not anticipated to be any funds available in the Administrative Expense Fund to reduce the Phase #1 2023-24 Annual Installment.

E. ANNUAL INSTALLMENTS PER UNIT – PHASE #1

According to the Updated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #1 Bonds and Phase #1 Reimbursement Agreement, to fund the Prepayment Reserve and Delinquency Reserve described in the Service and Assessment Plan, and to cover administrative expenses of Phase #1.

According to the Updated Service and Assessment Plan, 205 units are built within Phase #1 of the PID representing 182.00 total Equivalent Units. As of May 31, 2023, one Parcel has prepaid the Phase #1 Bond Assessment representing 0.43 prepaid Equivalent Units. The principal and interest expense of the Phase #1 Bonds portion of Annual Installment to be collected per Equivalent Unit will be calculated using the Outstanding Equivalent Units of 181.57 (i.e., $182.00 - 0.43 = 181.57$). Accordingly, the net principal and interest expense of the Phase #1 Bonds portion of the Annual Installment to be collected from each Equivalent Unit will be \$1,876.80 (i.e., $(\$328,265 + \$20,575 - \$8,074) \div 181.57 = \$1,876.80$). The administrative expense of the Phase #1 Bonds portion of Annual Installment to be collected per Equivalent unit will be calculated based on the original Equivalent Units of 182.00. Accordingly, the administrative expense portion of the Phase #1 Bond Annual Installment to be collected per Equivalent Unit will be \$148.06 (i.e., $\$26,946 \div 182.00 = \148.06). As a result, the total Phase #1 Bond portion of Annual Installment to be collected from each Equivalent Unit within Phase #1 will be \$2,024.85 (i.e., $\$1,876.80 + \$148.06 = \$2,024.85$). The Phase #1 Bond portion of Annual Installment to be collected from each Parcel within Phase #1 is calculated by multiplying the Annual Installment for each Equivalent Unit of \$2,024.85 by the total estimated Equivalent Units for each Parcel in Phase #1 less the applicable TIRZ Credit, if any, as shown in Appendix C-2.

The Phase #1 Reimbursement Agreement's net principal and interest expense of Phase #1 Reimbursement Agreement portion of Annual Installment to be collected from each Equivalent Unit will be \$481.36, calculated by dividing the subtotal debt service on Phase #1 Reimbursement Agreement by the original total Equivalent Units (i.e., $\$87,607 \div 182.00 = \481.36). The net administrative expenses of the Phase #1 Reimbursement Agreement portion of Annual Installment to be collected from each Equivalent Unit will be \$40.96 (i.e., $\$7,454 \div 182.00 = \40.96). As a result, the total Phase #1 Reimbursement Agreement portion of Annual Installment to be collected from each Equivalent Unit within Phase #1 will be \$522.31 (i.e., $\$481.36 + \$40.96 = \$522.31$) less

any applicable TIRZ Credit detailed in Appendix C-2 for each Parcel within Phase #1. The Phase #1 Reimbursement Agreement's portion of the Annual Installment to be collected from each Parcel within Phase #1 is calculated by multiplying the Annual Installment for each Equivalent Unit of \$522.31 by the total estimated Equivalent Units for each Parcel in Phase #1.

The Phase #1 Bond and Reimbursement Agreement total Annual Installment to be collected from each Equivalent Unit will be \$2,547.17 (i.e., \$2,024.85 + \$522.31 = \$2,547.17) less any applicable TIRZ Credit detailed in Appendix C-2 for each Parcel within Phase #1.

The Phase #1 Annual Installment due to be collected from each Land Use Class in Phase #1 for 2023-24 is shown in Table II-G below.

Table II-G
Annual Installment Per Unit – Phase #1

Land Use Class	Annual Installment per Equivalent Unit¹	Equivalent Unit Factor	Annual Installment Per Unit¹
60 Ft	\$2,547.17	1.00	\$2,547.17
50 Ft	\$2,547.17	0.83	\$2,122.64

1 - Amounts listed in the table above do not include the applicable TIRZ Credit.

The list of Parcels within Phase #1 of the PID, the number of units to be developed on the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the administrative expenses, and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix C-1.

F. ANNUAL BUDGET – PHASE #2 MAJOR IMPROVEMENTS

Phase #2 Major Improvements – Annual Installments – 2023-24

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Phase #2 Major Improvement Bonds, of which twenty-three (23) Annual Installments remain outstanding.

Pursuant to the Updated Service and Assessment Plan, each Assessment shall bear interest at the rate on the Phase #2 Major Improvement Bonds commencing with the issuance of the Bonds. The effective interest rate on the Phase #2 Major Improvement Bonds is 6.13 percent. Pursuant to Section 372.018 of the PID Act, the interest rate for that assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phase #2 Major Improvement Bonds (6.13%) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the "Phase #2 Major Improvements Annual Installments" of the Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and Trust Indenture, such as the TIRZ Annual Credit Amount, capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phase #2 Major Improvement Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Updated Service and Assessment plan and applicable Trust Indenture.

Phase #2 Major Improvement Annual Installments to be Collected for 2023-24

The budget for the Phase #2 Major Improvements of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown in Table II-H below.

Table II-H
**Budget for the Phase #2 Major Improvements Annual Installments
to be Collected for 2023-24**

Descriptions	Phase #2 Major Improvement Bonds

Available capitalized interest account	\$0
Available Administrative Expense account	\$0
<i>Subtotal funds available</i>	<i>(\$64,969)</i>
Annual Installments	\$115,069

Debt Service Payments

Annual Installments to be collected for principal and interest include interest due on March 1, 2024, in the amount of \$51,144 and on September 1, 2024, in the amount of \$51,144, which equal interest on the outstanding Phase #2 Major Improvement Bonds balance of \$1,670,000 for six months each and an effective interest rate of 6.13 percent. Annual Installments to be collected include a principal amount of \$35,000 due on September 1, 2024. As a result, total Annual Installments to be collected for principal and interest in 2023-24 is estimated to be equal to \$137,288.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, Dissemination Agent, and contingency and website fees. As shown in Table II-I below the total administrative expenses to be collected for 2023-24 are estimated to be \$34,400.

Table II-I
Administrative Budget Breakdown – Phase #2 Major Improvements

Description	2023-24 Estimated Budget (9/1/23-8/31/24)
City	\$6,000
PID Administrator	\$20,000
Trustee	\$2,500
Auditor	\$1,200
Dissemination Agent	\$3,500
Contingency	\$1,200
Total	\$34,400

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of \$8,350, which equals 0.5 percent interest on the outstanding Phase #2 Major Improvement Bonds balance of \$1,670,000.

Available TIRZ Credit

According to the City, there have been TIRZ increments collected for 2022 in the total amount of \$61,660 that are available to be used as TIRZ Credit in 2023-24 for the respective Parcels within Phase #2. This TIRZ Credit amount is allocated to each of the 168 Parcels within Phase #2 that generated the TIRZ Revenues in 2022 as shown in Appendix D-2.

Available Reserve Fund Income

As of May 31, 2023, the balance in the Phase #2 Major Improvement Reserve Fund was \$146,102, which includes the Phase #2 Major Improvement Bond Reserve Requirement of \$142,794 and an excess balance of \$3,309. There is also a sufficient balance in the Principal and Interest Account to pay debt service on September 1, 2023. Pursuant to Section 6.7 (d) of the Phase #2 Major Improvement Bond Trust Indenture, the excess balance of \$3,309 should be transferred to the Phase #2 Major Improvement Principal & Interest Account and used to pay interest on the Phase #2 Major Improvement Bonds on the next interest payment date. As a result, \$3,309 is available to pay a portion of the Phase #2 Major Improvement Bonds debt service.

Available Capitalized Interest Account

As of May 31, 2023, the Trustee reported that the Capitalized Interest Fund been fully expended. As a result, there is no credit to reduce the Phase #2 Major Improvements 2023-24 Annual Installment.

Available Administrative Expense Account

As of May 31, 2023, there are \$44,196 available funds to pay Phase #2 Major Improvement Administrative Expenses. Approximately \$44,196 is anticipated to be used for the payment of current year Administrative Expenses through January 31, 2024. As a result, there are no funds in the Administrative Expense Fund to reduce the Phase #2 Major Improvement 2023-24 Annual Installment.

G. ANNUAL INSTALLMENTS PER UNIT – PHASE #2 MAJOR IMPROVEMENTS

According to the Updated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #2 Major Improvement Bonds, to fund the Prepayment Reserve and Delinquency Reserve described in the Service and Assessment Plan, and to cover Administrative Expenses of Phase #2 Major Improvement Bonds.

According to the Updated Service and Assessment Plan, 168 units representing 147.17 total Equivalent Units are expected to be built within Phase #2 of the PID. Accordingly, the principal and interest portion of the Phase #2 Major Improvements Annual Installment to be collected from each Equivalent Unit will be \$967.13 (i.e., $(\$137,288 + \$8,350 - 3,309) \div 147.17 = \967.13). The administrative expense portion of the Phase #2 Major Improvement Annual Installment to be collected from each Equivalent Unit will be \$233.75 (i.e., $\$34,400 \div 147.17 = \233.75). As a result, the total Phase #2 Major Improvement Annual Installment to be collected from each Equivalent Unit within Phase #2 will be \$1,200.88 (i.e., $\$967.13 + \$233.75 = \$1,200.88$). The Phase #2 Major Improvement Annual Installment to be collected from each Parcel within Phase #2 is calculated by multiplying the Annual Installment for each Equivalent Unit of \$1,200.88 by the total estimated Equivalent Units for each Parcel in Phase #2 less the applicable TIRZ Credit, if any, shown in Appendix D-2 for each Parcel within Phase #2.

The Phase #2 Major Improvements Annual Installment due to be collected from each Land Use Class in Phase #2 for 2023-24 is shown in Table II-J below.

Table II-J
Annual Installment Per Unit – Phase #2 Major Improvements

Land Use Class	Annual Installment per Equivalent Unit¹	Equivalent Unit Factor	Annual Installment Per Unit¹
60 Ft	\$1,200.88	1.00	\$1,200.88
50 Ft	\$1,200.88	0.83	\$1,000.73

1 - Amounts listed in the table above do not include the applicable TIRZ Credit.

The list of Parcels within Phase #2 of the PID, the number of units to be developed on the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2023-24 are shown in the Phase #2 Major Improvement Assessment Roll Summary attached hereto as Appendix D-1.

H. ANNUAL BUDGET – PHASE #2 DIRECT IMPROVEMENTS

Phase #2 Direct Improvements – Annual Installments – 2023-24

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Phase #2 Direct Improvement Bonds, of which twenty-eight (28) Annual Installments remain outstanding.

Pursuant to the Updated Service and Assessment Plan, each Assessment shall bear interest at the rate on the Phase #2 Direct Improvement Bonds commencing with the issuance of the Bonds. The effective interest rate on the Phase #2 Direct Improvement Bonds is 4.32 percent. Pursuant to Section 372.018 of the PID Act, the interest rate for that assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phase #2 Direct Improvement Bonds (4.32%) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the “Phase #2 Direct Improvement Annual Installments” of the Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and Trust Indenture, such as the TIRZ

Annual Credit Amount, capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phase #2 Direct Improvement Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Updated Service and Assessment plan and applicable Trust Indenture.

Phase #2 Direct Improvements Annual Installments to be Collected for 2023-24

The budget for Phase #2 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown in Table II-K below.

Table II-K
**Budget for the Phase #2 Direct Improvements Annual Installments
to be Collected for 2023-24**

Descriptions	Phase #2 Direct Improvement Bonds

Debt Service Payments

Annual Installments to be collected for principal and interest include interest due on March 1, 2024, in the amount of \$59,853 and on September 1, 2024, in the amount of \$59,853, which equal interest on the outstanding Phase #2 Direct Improvement Bonds balance of \$2,770,000 for six months each and an effective interest rate of 4.32 percent. Annual Installments to be collected include a principal amount of \$42,000 due on September 1, 2024. As a result, total Annual Installments to be collected for principal and interest in 2023-24 is estimated to be equal to \$161,706.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, Dissemination Agent, and contingency and website fees. shown in Table II-L below, the total administrative expenses to be collected for 2023-24 are estimated to be \$26,500.

Table II-L
Administrative Budget Breakdown – Phase #2 Direct Improvements

Description	2023-24 Estimated Budget (9/1/23-8/31/24)
City	\$6,000
PID Administrator	\$12,300
Trustee	\$2,500
Auditor	\$1,200
Dissemination Agent	\$3,500
Contingency	\$1,000
Total	\$26,500

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of \$13,850, which equals 0.5 percent interest on the outstanding Phase #2 Direct Improvement Bonds balance of \$2,770,000.

Available Reserve Fund Income

As of May 31, 2023, the balance in the Phase #2 Direct Improvement Reserve Fund was \$237,069, which includes the Phase #2 Direct Improvement Bond Reserve Requirement of \$231,701 and an excess balance of \$5,368. There is also a sufficient balance in the Principal and Interest Account to pay debt service on September 1, 2023. Pursuant to Section 6.7 (e) of the Phase #2 Direct Bond Trust Indenture, the excess balance of \$5,368 should be transferred to the Phase #2 Direct Improvement Principal & Interest Account and used to pay interest on the Phase #2 Direct Improvement Bonds on the next interest payment date. As a result, \$5,368 is available to pay a portion of the Phase #2 Direct Improvement Bonds debt service.

Available Administrative Expense Account

As of May 31, 2023, there are \$36,861 available funds to pay Phase #2 Direct Improvement Administrative Expenses. Approximately \$36,861 is anticipated to be used for the payment of current year Administrative Expenses through January 31, 2024. As a result, there are no funds in the Administrative Expense Fund to reduce the Phase #2 Direct Improvement 2023-24 Annual Installment.

I. ANNUAL INSTALLMENTS PER UNIT – PHASE #2 DIRECT IMPROVEMENTS

According to the Updated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #2 Direct Improvements Bonds, to fund the Prepayment Reserve and Delinquency Reserve described in the Service and Assessment Plan, and to cover Administrative Expenses of Phase #2 Direct Improvement Bonds.

According to the Updated Service and Assessment Plan, 168 units representing 147.17 total Equivalent Units are expected to be built within Phase #2 of the PID. Accordingly, the principal and interest portion of the Phase #2 Direct Improvements Annual Installment to be collected from each Equivalent Unit will be \$1,156.43 (i.e. $(\$161,706 + \$13,850 - \$5,368) \div 147.17 = \$1,156.43$). The Administrative Expenses portion the Phase #2 Direct Improvements Annual Installment to be collected from each Equivalent Unit will be \$180.07 (i.e., $\$26,500 \div 147.17 = \180.07). As a result, the total Phase #2 Direct Improvements Annual Installment to be collected from each Equivalent Unit within Phase #2 will be \$1,336.50 (i.e., $\$1,156.43 + \$180.07 = \$1,336.50$) The Annual Installment to be collected from each Parcel within Phase #2 is calculated by multiplying the Annual Installment for each Equivalent Unit of \$1,336.50 by the total estimated Equivalent Units for each Parcel in Phase #2.

The Phase #2 Direct Improvement Annual Installment due to be collected from each Land Use Class in Phase #2 for 2023-24 is shown in Table II-M below.

Table II-M
Annual Installment Per Unit – Phase #2 Major Improvements

Land Use Class	Annual Installment per Equivalent Unit ¹	Equivalent Unit Factor	Annual Installment Per Unit ¹

The list of Parcels within Phase #2 Direct Improvements of the PID, the number of units to be developed on the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix D-3.

J. BOND REDEMPTION RELATED UPDATES

Phase #1 Bonds

The Phase #1 Bonds were issued in 2017. Pursuant to Section 4.3 (a) of the Trust Indenture relating to the Phase #1 Bonds, the City reserves the right and option to redeem the Phase #1 Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2027**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phase #1 Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

Phase #2 Major Improvement Bonds

The Phase #2 Major Improvement Bonds were issued in 2017. Pursuant to Section 4.3 (a) of the Trust Indenture relating to the Phase #2 Major Improvement Bonds, the City reserves the right and option to redeem the Phase #2 Major Improvement Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2027**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phase #2 Major Improvement Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

Phase #2 Direct Improvement Bonds

The Phase #2 Direct Improvement Bonds were issued in 2022. Pursuant to Section 4.3 (a) of the Trust Indenture relating to the Phase #2 Direct Improvement Bonds, the City reserves the right and option to redeem the Phase #2 Major Improvement Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2032**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phase #2 Major Improvement Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

III. UPDATE OF THE ASSESSMENT PLAN

The Updated Service and Assessment Plan adopted by the City Council provided that the Authorized Improvement Costs shall be allocated to the Assessed Property equally on the basis of the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement Costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property has not been changed and Assessed Property will continue to be assessed as provided for in the Updated Service and Assessment Plan.

(the remainder of this page is intentionally left blank)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

(i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.G of this Service and Assessment Plan.

The summary of updated Assessment Rolls are shown in Appendix C-1, D-1, and D-3 of this report. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

I. PARCEL UPDATES

According to the original Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

- A = the Assessment for each new subdivided Parcel.
- B = the Assessment for the Parcel prior to subdivision.
- C = the estimated Equivalent Units to be built on each newly subdivided Parcel
- D = the sum of the estimated Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

According to the Developer and Collin Central Appraisal District Records, Phase #1 Parcels 962907, 962872, 962916, and 2717764 were subdivided in 2018. Parcel 962907 was subdivided into eighteen Parcels and is no longer active. Phase #2 Parcels 962872, 962916, and 2717764 were subdivided into twenty-two Parcels, one hundred sixty-three Parcels, and five Parcels, respectively.

II. PREPAYMENT OF ASSESSMENTS

As of May 31, 2023, one Parcel has partially prepaid their Phase #1 Assessment. See Appendix B for a list of prepaid parcels.

The complete Assessment Rolls are available for review at the City Hall, located at 142 N. Ohio, Celina, Texas 75009.

NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT
ASSESSMENT TO THE CITY OF CELINA, TEXAS
CONCERNING THE
FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the Ownsby Farms Public Improvement District (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City or MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF CELINA APPROVING THE ANNUAL UPDATE OF THE SERVICE AND ASSESSMENT PLAN AND ASSESSMENT ROLLS FOR THE OWNSBY FARMS PUBLIC IMPROVEMENT DISTRICT IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE §372.013, AS AMENDED; CONTAINING A CUMMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, on June 9, 2015, the City Council of the City of Celina, Texas (the “City”) approved Resolution No. 2015-26R establishing the Ownsby Farms Public Improvement District (the “PID”) in accordance with the provisions of Chapter 372 of the Texas Local Government Code (the “Public Improvement District Assessment Act” or “the PID Act”); and

WHEREAS, the City has heretofore levied assessments against property within Phase #1 the PID, pursuant to Ordinance No. 2017-06 which ordinance also approved the Ownsby Farms Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #1, dated as of January 17, 2017 (the “Service and Assessment Plan and Phase #1 Assessment Roll”); and

WHEREAS, the City has also heretofore levied assessments against property within the Phase #2 Major Improvement Area of the PID, pursuant to Ordinance No. 2017-07 which ordinance also approved the Ownsby Farms Public Improvement District Service and Assessment Plan and Assessment Roll related to the Phase #2 Major Improvement Area, dated as of January 17, 2017 (the “Service and Assessment Plan and Phase #2 Major Improvement Area Assessment Roll”); and

WHEREAS, the City has also heretofore levied assessments against property within Phase #2 of the PID, pursuant to Ordinance No. 2020-98 which ordinance also approved the Ownsby Farms Public Improvement District Service and Assessment Plan and Assessment Roll related to the Phase #2 Direct Improvements, dated as of November 10, 2020 (the “Updated Service and Assessment Plan and Phase #2 Direct Assessment Roll”) [and, together with the Service and Assessment Plan and the Phase #1 and Phase #2 Major Improvement Area Assessment Rolls, the “Updated Service and Assessment Plan and Assessment Rolls”]

WHEREAS, the Updated Service and Assessment Plan and Assessment Rolls are required to be reviewed and updated annually as described in Sections 372.013 and 372.014 of the PID Act (the “Annual Service Plan Update”); and

WHEREAS, the Annual Service Plan Update, attached hereto as Exhibit A, including the Phase #1, Phase #2 Major Improvement Area, and Phase #2 Direct Assessment Rolls attached thereto, update the Updated Service and Assessment Plan and Assessment Rolls to reflect prepayments, property divisions and changes to the budget allocation for the PID that occur during the year, if any; and

WHEREAS, the City Council desires and finds it to be in the public interest to adopt this Ordinance approving and adopting the Annual Service Plan Update and the updated Assessment Rolls attached thereto, in compliance with the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1. All matters stated in the preamble are found to be true and correct and are incorporated herein as if copied in their entirety.

SECTION 2. The Ownsby Farms Public Improvement District Annual Service Plan Update, attached hereto as Exhibit A and incorporated herein by reference, inclusive of the updated Phase #1, Phase #2 Major Improvement Area, and Phase #2 Direct Assessment Rolls contained therein and made a part thereof, are hereby accepted and approved.

SECTION 3. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION 4. Should any sentence, paragraph, subdivision, clause, phrase or section of this Ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this Ordinance as a whole, or any part or provision thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of the Ordinance as a whole.

SECTION 5. This Ordinance shall take effect immediately after its passage and the publication of the caption, as the law and charter in such case provide. The City Secretary shall cause this Ordinance to be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Date: August 8, 2023
Re: SAP Update - Parks at Wilson Creek PID

Action Requested:

Consider and act upon an Ordinance of the City of Celina, Texas, approving the 2023-2024 Annual Service Plan update to the Service and Assessment Plan for the Parks at Wilson Creek Public Improvement District and providing an effective date. (Bromiley)

Background Information:

The Parks at Wilson Creek PID was created by the City Council pursuant to the PID Act and a resolution approved on August 10, 2021. The PID is located approximately 2.5 miles east of Preston Road and approximately 5.5 miles north of US 380. The PID is anticipated to contain an estimated 2,164 residential units on approximately 646.967 acres within nine phases. The PID annual installments in the Annual Service Plan update include amounts for the payment of principal and interest on the PID bonds and reimbursement agreement, if any, PID administrative expenses, additional interest for prepayment and delinquency reserves and as applicable, TIRZ annual credit amounts committed to pay a portion of the PID bond principal and interest. The Service Plan is prepared annually and presented to Council as required by Chapter 372 of the Texas Local Government Code.

I. INTRODUCTION

The Parks at Wilson Creek Public Improvement District (the “PID”) was created pursuant to the PID Act and a resolution of the City Council on August 10, 2021 to finance certain public improvement projects for the benefit of the property in the PID. The City issued the City of Celina (The Parks at Wilson Creek Public Improvement District Phase #1 Project) Special Assessment Revenue Bonds, Series 2021 in the aggregate amount of \$7,373,000 pursuant to the Act, Ordinance 2021-105 adopted by the City Council on November 9, 2021 and an Indenture of Trust dated as of December 1, 2021 between the City, and U.S. Bank, N.A. as trustee (the “Phase #1 Bonds”) to finance Phase #1’s share of the Initial Major Improvements costs. Pursuant to an ordinance adopted by the City Council on November 9, 2021, the City also approved a reimbursement agreement (the “Reimbursement Agreement”), of which a portion of the Reimbursement Agreement balance in the amount of \$4,541,017 is to finance the remaining costs of the Phase #1 Improvements and a portion of the Reimbursement Agreement balance in the amount of \$2,327,050 is to Phase #1’s share of the Additional Major Improvements, as shown in Schedule I of the Reimbursement Agreement.

The City also issued the City of Celina (The Parks at Wilson Creek Public Improvement District Major Improvement Project) Special Assessment Revenue Bonds, Series 2021 in the aggregate amount of \$12,604,000 pursuant to the Act, Ordinance 2021-104 adopted by the City Council on November 9, 2021 and an Indenture of Trust dated as of December 1, 2021 between the City, and U.S. Bank, N.A. as trustee (the “Major Improvement Bonds”) to finance the Initial Major Improvement costs. The City also approved a Reimbursement Agreement in the proportional amount of \$12,780,092 pursuant to an ordinance adopted by the City Council on November 9, 2021 to finance the remaining costs of the Initial Major Improvements and the Additional Major Improvements. Pursuant to an ordinance adopted by the City Council on November 9, 2021, the City also approved a reimbursement agreement (the “Reimbursement Agreement”), of which a portion of the Reimbursement Agreement balance in the amount of \$12,780,092 is to finance the remaining costs of the Additional Major Improvements, as shown in Schedule I of the Reimbursement Agreement.

A service and assessment plan (the “Service and Assessment Plan”) was prepared at the direction of the City identifying the Authorized Improvement to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to the PID Act, the Service and Assessment Plan must be reviewed and updated annually for the purpose of determining the annual budget for the Authorized Improvements. This document is the annual update of the Service and Assessment Plan for 2023-24 (the “Annual Service Plan Update”).

The City also adopted an assessment roll (the “Assessment Roll”) identifying the Assessments on each Parcel within the PID, based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Roll for Annual Installments of Assessments to be collected for 2023-24.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the “PID Assessment Notice”) as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix E and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchase before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Service and Assessment Plan unless otherwise defined herein.

II. UPDATE OF THE SERVICE PLAN

A. ANNUAL BUDGET FOR THE AUTHORIZED IMPROVEMENTS

Phase #1 Sources and Uses

Pursuant to the original Service and Assessment Plan adopted on November 9, 2021, the initial total estimated costs of the Phase #1 Improvements, including the proportional share of the Initial Major Improvement and Additional Major Improvement costs, were equal to \$12,771,612. According to Requisition #9 approved by the City in April 2023, the updated estimated costs for the Phase #1 Improvements, including the proportional share of the Initial Major Improvement and Additional Major Improvement costs, were equal to \$12,772,320 excluding Phase #1 Bond issuance costs. The actual costs of the Authorized Improvements spent to date are equal to \$10,479,187.

Appendix B-1 summarizes the updated sources and uses of funds required to (1) construct the Phase #1 Improvements and the proportional share of the Initial Major Improvement and Additional Major Improvement costs (2) establish the PID, and (3) issue the Phase #1 Bonds.

Phase #1 Cost Variances

As shown in Appendix B-1, there are no significant cost variances for the aggregate Phase #1 budget according to Requisition #9 approved by the City in April 2023.

Major Improvement Area Sources and Uses

Pursuant to the original Service and Assessment Plan adopted on November 9, 2021, the initial total estimated costs of the Major Improvements and Additional Major Improvements were equal to \$25,384,092. According to Requisition #9 approved by the City in April 2023, the updated estimated costs of the Major Improvements and Additional Major Improvements were equal to \$25,654,485 excluding Major Improvement Bond issuance costs. The actual costs of the Major Improvements and Additional Major Improvements spent to date are equal to \$9,874,393.

Appendix B-2 summarizes the updated sources and uses of funds required to (1) construct the Major Improvements and Additional Major Improvements, (2) establish the PID, and (3) issue the Major Improvement Bonds.

Major Improvement Area Cost Variances

As shown in Appendix B-2, there are no significant cost variances for the aggregate Major Improvement Area budget according to Requisition #9 approved by the City in April 2023.

B. FIVE YEAR SERVICE PLAN

According to the PID Act, a service plan must cover a period of five years. All the Authorized Improvements are expected to be built within a period of five years. The actual costs of the Authorized Improvements are described in Section II.A of this report, and the indebtedness expected to be incurred for these costs is shown in Table II-B-1 below.

Total	\$5,562,150	\$1,332,890	\$5,411,353	\$6,637,417

1- Assessment years ending 2022 through 2024 reflect actual Annual Installments and are net of applicable reserve fund income, capitalized interest and other applicable credits. Assessment years 2025 through 2029 reflect projected Annual Installments and are subject to change.

2 – Debt service on the Phase #1 Bonds were funded by capitalized interest during assessment year ending 2022. In addition, administrative expenses for assessment year ending 2022 were funded with Phase #1 Bond proceeds at Phase #1 Bond closing.

C. STATUS OF DEVELOPMENT

According to the City, 85 building permits have been issued for the PID as of June 18, 2023, representing 24.15 percent of the Phase #1 Assessments. As of the same date, 0 certificates of occupancy have been issued for Phase #1 of the PID.

According to the City, 0 building permits have been issued for the Major Improvement Area PID as of June 18, 2023. As of the same date, 0 certificates of occupancy have been issued for the Major Improvement Area of the PID.

See Table II-C-1 below for the status of completed homes within the PID as of June 18, 2023.

Table II-C-1

Status	Cumulative as of September 30, 2022	Cumulative as of June 18, 2023¹
Completed Homes	0	0

¹According to the City report of Certificates of Occupancy issued as of June 18, 2023.

D. ANNUAL BUDGET – PHASE #1 IMPROVEMENTS AND INITIAL MAJOR IMPROVEMENTS

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Phase #1 Bonds, of which twenty-eight (28) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the Phase #1 Bonds commencing with the issuance of the Phase #1 Bonds. The effective interest rate on the Phase #1 Bonds is 3.66 percent and the interest rate applicable to the Phase #1 Reimbursement Agreement is 4.64 percent per annum. Pursuant to Section 372.018 of the PID Act, the interest rate for that assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phase #1 Bonds (3.66 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the “Annual Installments” of the Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phase #1 Bonds and Phase #1 Reimbursement Agreement from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Service and Assessment plan and applicable Trust Indenture.

Phase #1 Annual Installments to be Collected for 2023-24

The budget for the Phase #1 Improvements and Phase #1 Initial Major Improvements will be paid from the collection of Annual Installments collected for 2023-24 as shown in Table II-D-1 below.

Annual Installments to be collected for principal and interest on the Phase #1 Bonds include interest due on March 1, 2024 in the amount of \$134,901 and on September 1, 2024 in the amount of \$134,901, which equal interest on the outstanding Assessments balance of \$7,373,000 for six months each and an effective interest rate of 3.66 percent. Annual Installments to be collected on the Phase #1 Bonds includes a principal amount of \$159,000 on September 1, 2024. As a result, total principal and interest due on the Phase #1 Bonds in 2023-24 is estimated to be equal to \$428,803.

Annual Installments to be collected for principal and interest on the Reimbursement Agreement balance for the share of the Phase #1 Improvements includes interest due on March 1, 2024 in the amount of \$103,449 and on September 1, 2024 in the amount of \$103,449, which equal interest on the outstanding Reimbursement Agreement balance for the Phase #1 Improvements of \$4,459,017 for six months each and an effective interest rate of 4.64 percent. Annual Installments to be collected on the Reimbursement Agreement balance for the share of the Phase #1

Improvements includes a principal amount of \$85,000 due on September 1, 2024. As a result, total Annual Installments to be collected for principal and interest on the Reimbursement Agreement balance for Phase #1 in 2023-24 is estimated to be equal to \$291,898.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, Dissemination Agent, auditor expenses and contingency fees. As shown in Table II-D-2 below, the total administrative expenses to be collected for 2023-24 are estimated to be \$46,500.

Total	\$46,500

Available Reserve Fund Income

As of May 31, 2023, the balance in the Reserve Fund was \$454,059, which includes the Bond Reserve Requirement of \$440,960 and investment income of \$13,099. As a result, there is \$13,099 available to reduce the Phase #1 Improvements and Phase #1 Initial Major Improvement 2023-24 Annual Installment.

Available Capitalized Interest Account

As of May 31, 2023, the Trustee reported that the Capitalized Interest Fund been fully expended. As a result, there is no credit to reduce the Phase #1 Improvements and Phase #1 Initial Major Improvements 2023-24 Annual Installment.

Available Administrative Expense Account

As of May 31, 2023, there are \$61,567 in available funds to pay Phase #1 administrative expenses. Approximately \$61,567 of the current balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2024. As a result, there are no funds anticipated to be available in the Administrative Expense Fund to reduce the Phase #1 Improvements and Phase #1 Initial Major Improvements 2023-24 Annual Installment.

E. ANNUAL INSTALLMENTS PER UNIT – PHASE #1 IMPROVEMENTS AND PHASE #1 INITIAL MAJOR IMPROVEMENTS

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Phase #1 Bonds and Phase #1 Reimbursement Agreement, (ii) to fund the prepayment reserve and delinquency reserve, and (iii) to cover Administrative Expenses of Phase #1 of the PID.

According to the Developer, 358 single family units were estimated to be built within Phase #1 of the PID, representing 274.00 Equivalent Units. According to the final plat filed with Collin Central Appraisal District (the “CCAD”) on February 16, 2023, the actual Phase #1 development includes 358 residential units representing 273.64 Equivalent Units. Accordingly, the principal and interest portion of the Phase #1 Improvements and Phase #1 Initial Major Improvements Annual Installment to be collected from each unit will be \$2,720.61 (i.e. $(\$720,701 + \$36,865 - \$13,099) \div 273.64 = \$2,720.61$) and the Administrative Expenses to be collected from each unit will be \$169.93 (i.e. $\$46,500 \div 273.64 = \169.93). As a result, the total Phase #1 Improvements and Initial Major Improvements Annual Installment to be collected from each unit within Phase #1 will be \$2,890.54 (i.e. $\$2,720.61 + \$169.93 = \$2,890.54$). The Phase #1 Improvements and Phase #1 Initial Major Improvements Annual Installment to be collected from each Parcel within Phase #1 is calculated by multiplying the Annual Installment for each unit of \$2,890.54 by the total estimated equivalent units for each Parcel in Phase #1 as shown in Appendix C-1.

The Phase #1 Improvements and Phase #1 Initial Major Improvements Annual Installment due to be collected from each Land Use Class in Phase #1 for 2023-24 is shown in Table II-E-below.

F. ANNUAL BUDGET – PHASE #1’S SHARE OF ADDITIONAL MAJOR IMPROVEMENTS

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Phase #1 Bonds, of which twenty-eight (28) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the Additional Major Improvements Reimbursement Agreement. The effective interest rate on the Additional Major Improvements Reimbursement Agreement is 4.64 percent per annum. These payments, the “Annual Installments” of the Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on Phase #1’s share of the Additional Major Improvements Reimbursement Agreement from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments.

Phase #1’s Share of the Additional Major Improvements Annual Installments to be Collected for 2023-24

The budget for Phase #1’s share of the Additional Major Improvements will be paid from the collection of Annual Installments collected for 2023-24 as shown in Table II-F-1 on the following page.

Annual Installments to be collected for principal and interest on the Reimbursement Agreement balance for Phase #1's share of the Additional Major Improvements include interest due on March 1, 2024 in the amount of \$52,967 and on September 1, 2024 in the amount of \$52,967, which equal interest on the outstanding Reimbursement Agreement balance for the Phase #1 share of the Additional Major Improvements of \$2,283,050 for six months each and an effective interest rate of 4.64 percent. Annual Installments to be collected on the Reimbursement Agreement balance for Phase #1's share of the Additional Major Improvements include a principal amount of \$45,000 due on September 1, 2024. As a result, total Annual Installments to be collected for principal and interest in 2023-24 for the Reimbursement Agreement balance for Phase #1's share of the Additional Major Improvements is estimated to be equal to \$150,934.

Administrative Expenses

Administrative expenses include the City, Administrator, and contingency fees. As shown in Table II-F-2 on the following page, the total administrative expenses to be collected for 2023-24 are estimated to be \$15,300.

Available Administrative Expense Account

As of May 31, 2023, there are \$61,567 in available funds to pay Phase #1 administrative expenses. Approximately \$61,567 of the current balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2024. As a result, there are no funds anticipated to be available in the Administrative Expense Fund to reduce Phase #1's share of the Additional Major Improvements 2023-24 Annual Installment.

G. ANNUAL INSTALLMENTS PER UNIT – PHASE #1'S SHARE OF THE ADDITIONAL MAJOR IMPROVEMENTS

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on Phase #1's share of the Additional Major Improvement Reimbursement Agreement and (iii) to cover Administrative Expenses of Phase #1 of the PID.

According to the Developer, 358 single family units were estimated to be built within Phase #1 of the PID, representing 274.00 Equivalent Units. According to the final plat filed with the CCAD on February 16, 2023, the actual Phase #1 development includes 358 residential units representing 273.64 Equivalent Units. Accordingly, the principal and interest portion of Annual Installment to be collected from each unit will be \$551.58 (i.e. $\$150,934 \div 273.64 = \551.58) and the Administrative Expenses to be collected from each unit will be \$55.91 (i.e. $\$15,300 \div 273.64 = \55.91). As a result, the total Phase #1 share of the Additional Major Improvements Annual Installment to be collected from each unit within Phase #1 will be \$607.49 (i.e. $\$551.58 + \$55.91 = \$607.49$). Phase #1's share of the Additional Major Improvements Annual Installment to be collected from each Parcel within Phase #1 is calculated by multiplying the Annual Installment for each unit of \$607.49 by the total estimated equivalent units for each Parcel in Phase #1 as shown in Appendix C-2.

The Phase #1 Additional Major Improvements Annual Installment due to be collected from each Land Use Class in Phase #1 for 2023-24 is shown in Table II-G-1 on the following page.

H. ANNUAL BUDGET – MAJOR IMPROVEMENT AREA INITIAL MAJOR IMPROVEMENTS

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Major Improvement Bonds, of which twenty-eight (28) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the Major Improvement Bonds commencing with the issuance of the Major Improvement Bonds. The effective interest rate on the Major Improvement Bonds is 4.30 percent. Pursuant to Section 372.018 of the PID Act, the interest rate for that assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Major Improvement Bonds (4.30 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Major Improvement Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Service and Assessment plan and applicable Trust Indenture.

Major Improvement Area Initial Major Improvements Annual Installments to be Collected for 2023-24

The budget for the Major Improvement Area Initial Major Improvements will be paid from the collection of Annual Installments collected for 2023-24 as shown in Table II-H-1 below.

As of May 31, 2023, the balance in the Reserve Account was \$841,464, which includes the Bond Reserve Requirement of \$817,190 and investment income of \$24,274. As a result, there is \$24,274 available to reduce the Major Improvement Area Initial Major Improvement 2023-24 Annual Installment.

Available Capitalized Interest Account

As of May 31, 2023, the Trustee reported that the Capitalized Interest Fund been fully expended. As a result, there is no credit to reduce the Major Improvement Area Initial Major Improvement 2023-24 Annual Installment.

Available Administrative Expense Account

As of May 31, 2023, there are \$50,374 in available funds to pay Major Improvement administrative expenses. Approximately \$50,374 of the current balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2024. As a result, there are no funds anticipated to be available in the Administrative Expense Fund to reduce the Major Improvement Area Initial Major Improvements 2023-24 Annual Installment.

I. ANNUAL INSTALLMENTS PER UNIT – MAJOR IMPROVEMENT AREA INITIAL MAJOR IMPROVEMENTS

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Major Improvement Bonds, (ii) to fund the prepayment reserve and delinquency reserve, and (iii) to cover Administrative Expenses of the Major Improvement Area of the PID.

According to the Developer, 1,806 single family units are estimated to be built within the Major Improvement Area of the PID, representing 1,504.80 Equivalent Units. Accordingly, the principal and interest portion of Annual Installment to be collected from each unit will be \$544.39 (i.e. $(\$780,448 + \$63,020 - \$24,274) \div 1,504.80 = \544.39) and the Administrative Expenses to be collected from each unit will be \$20.70 (i.e. $\$31,150 \div 1,504.80 = \20.70). As a result, the total Major Improvement Area Initial Major Improvement Annual Installment to be collected from each unit within the Major Improvement Area will be \$565.09 (i.e. $\$544.39 + \$20.70 = \$565.09$). The Major Improvement Area Initial Major Improvement Annual Installment to be collected from each Parcel within the Major Improvement Area is calculated by multiplying the Annual Installment for each unit of \$565.09 by the total estimated equivalent units for each Parcel in the Major Improvement Area as shown in Appendix D-1.

The Major Improvement Area Initial Major Improvement Annual Installment due to be collected from each Land Use Class in the Major Improvement Area for 2023-24 is shown in Table II-I-1 below.

J. ANNUAL BUDGET – MAJOR IMPROVEMENT AREA ADDITIONAL MAJOR IMPROVEMENTS

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Major Improvement Bonds, of which twenty-eight (28) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the Reimbursement Agreement balance for the Major Improvement Area's share of the Additional Major Improvements. The effective interest rate on the Reimbursement Agreement balance for the Major Improvement Area's share of the Additional Major Improvements is 4.64 percent per annum. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Approximately \$50,374 of the current balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2024. As a result, there are no funds anticipated to be available in the Administrative Expense Fund to reduce the Major Improvement Area Additional Major Improvements 2023-24 Annual Installment.

K. ANNUAL INSTALLMENTS PER UNIT – MAJOR IMPROVEMENT AREA ADDITIONAL MAJOR IMPROVEMENTS

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Major Improvement Bonds, (ii) to fund the prepayment reserve and delinquency reserve, and (iii) to cover Administrative Expenses of the Major Improvement Area of the PID.

According to the Developer, 1,806 single family units are estimated to be built within the Major Improvement Area of the PID, representing 1,504.80 Equivalent Units. Accordingly, the principal and interest portion of Annual Installment to be collected from each unit will be \$541.40 (i.e. $\$814,695 \div 1,504.80 = \541.40) and the Administrative Expenses to be collected from each unit will be \$10.17 (i.e. $\$15,300 \div 1,504.80 = \10.17). As a result, the total Major Improvement Area Additional Major Improvement Annual Installment to be collected from each unit within the Major Improvement Area will be \$551.57 (i.e. $\$541.40 + \$10.17 = \$551.57$). The Major Improvement Area Additional Major Improvement Annual Installment to be collected from each Parcel within the Major Improvement Area is calculated by multiplying the Annual Installment for each unit of \$551.57 by the total estimated equivalent units for each Parcel in the Major Improvement Area as shown in Appendix D-2.

L. BOND REDEMPTION RELATED UPDATES

Phase #1 Bonds

The Phase #1 Bonds were issued in 2021. Pursuant to Section 4.3 (a) of each respective Indenture, the City reserves the right and option to redeem the Phase #1 Bonds maturing on or after September 1, 2041, before their respective scheduled maturity dates, in whole or in part, on any date on or after **September 1, 2031**, such redemption date or dates to be fixed by the City, at the Redemption Price.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phase #1 Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

Major Improvement Bonds

The Major Improvement Bonds were issued in 2021. Pursuant to Section 4.3 (a) of the Trust Indenture relating to the Major Improvement Bonds, the City reserves the right and option to redeem the Major Improvement Bonds maturing on or after September 1, 2041, before their respective scheduled maturity dates, in whole or in part, on any date on or after **September 1, 2031**, such redemption date or dates to be fixed by the City, at the Redemption Price.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phase #2 Major Improvement

Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council provided that the Authorized Improvement Costs shall be allocated to the Assessed Property equally on the basis of the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement Costs to Parcels similarly benefited.

As shown in the Service and Assessment Plan adopted by the City Council on November 9, 2021, the following estimated Lot Types and corresponding Equivalent Units were anticipated to be developed in Phase #1 of the PID.

Table III-A-1
Phase #1 Original Estimated Equivalent Units

Lot Type	Planned No. of units	Equivalent Unit Factor	Total Equivalent Units
Lot Type 1 (74 Ft Lot)	-	1.00	-
Lot Type 2 (60 Ft Lot)	100	0.88	88.00
Lot Type 3 (50 Ft Lot)	132	0.76	100.32
Lot Type 4 (40 Ft Lot)	126	0.68	85.68
Total Equivalent Units	358		274.00

The above Equivalent Unit totals were used to calculate the Phase #1 Maximum Assessments Per Unit amounts shown below.

Lot Type 2 (60 Ft) - \$45,737.73
 Lot Type 3 (50 Ft) - \$39,500.77
 Lot Type 4 (40 Ft) - \$35,342.79

According to the final Phase #1 plat filed with Collin Central Appraisal District on February 16, 2023, and information provided by the Developer on June 6, 2023, the actual Lot Type count resulted in a change in the total Equivalent Units from the original estimates. See Table III-A-2 on the following page for the updated actual Lot Type and Equivalent Unit amounts in Phase #1 of the PID.

Table III-A-2
Phase #1 Actual Equivalent Units

Lot Type	Actual No. of units	Equivalent Unit Factor	Total Equivalent Units
Lot Type 1 (74 Ft Lot)	-	1.00	-
Lot Type 2 (60 Ft Lot)	97	0.88	85.36
Lot Type 3 (50 Ft Lot)	135	0.76	102.60
Lot Type 4 (40 Ft Lot)	126	0.68	85.68
Total Equivalent Units	358		273.64

As shown in Table III-A-2 above, the total actual Equivalent Units in Phase #1 of the PID have decreased from the original amount, resulting in an increase in the Phase #1 Maximum Assessments Per Unit. Below are the updated Phase #1 Maximum Assessments Per Unit.

Lot Type 2 (60 Ft) - \$45,797.91

Lot Type 3 (50 Ft) - \$39,552.74

Lot Type 4 (40 Ft) - \$35,389.29

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the Service and Assessment Plan, the Assessment Roll shall be updated each year to reflect:

- (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.H of this Service and Assessment Plan.

The summary Assessment Rolls for Phase #1 Parcels are shown in Appendix B-1 and B-2. The summary Assessment Rolls for the Major Improvement Area are shown in Appendix C-1 and C-2. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

Upon the subdivision of any Parcel, the Assessment for the Parcel prior to the subdivision shall be reallocated among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

- A = the Assessment for each new subdivided Parcel
- B = the Assessment for the Parcel prior to subdivision
- C = the estimated number of Equivalent Units to be built on each new subdivided Parcel
- D = the sum of the estimated number of Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of Equivalent Units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of Equivalent Units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

According to CCAD records, the Phase #1 Parcel 2122461 was subdivided into 358 residential lots in 2023. The Phase #1 Assessments for Parcel 2122461 was allocated to the 358 residential lots as shown in Table IV-A-1 on the following page.

B. PREPAYMENT OF ASSESSMENTS

There have been no Assessment prepayments as of June 30, 2023.

The complete Assessment Roll is available for review at the City Hall, located at 142 N. Ohio, Celina, Texas 75009.

NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT ASSESSMENT TO
THE CITY OF CELINA, TEXAS
CONCERNING THE FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within The Parks at Wilson Creek Public Improvement District (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City or MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF CELINA APPROVING THE ANNUAL UPDATE OF THE SERVICE AND ASSESSMENT PLAN AND ASSESSMENT ROLLS FOR THE PARKS AT WILSON CREEK PUBLIC IMPROVEMENT DISTRICT IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE §372.013, AS AMENDED; CONTAINING A CUMMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, on August 10, 2021, the City Council of the City of Celina, Texas (the “City”) approved Resolution No. 2021-58R establishing the Parks at Wilson Creek Public Improvement District (the “PID”) in accordance with the provisions of Chapter 372 of the Texas Local Government Code (the “Public Improvement District Assessment Act” or “the PID Act”); and

WHEREAS, the City has heretofore levied assessments against property within Phase #1 the PID, pursuant to Ordinance No. 2021-99 which ordinance also approved the Parks at Wilson Creek Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #1, dated as of November 9, 2021 (the “Service and Assessment Plan and Phase #1 Assessment Roll”); and

WHEREAS, the City has also heretofore levied assessments against property within the Major Improvement Area of the PID, pursuant to Ordinance No. 2021-101 which ordinance also approved the Parks at Wilson Creek Public Improvement District Service and Assessment Plan and Assessment Roll related to the Major Improvement Area, dated as of November 9, 2021 (the “Service and Assessment Plan and Major Improvement Area Assessment Roll”) [and, together with the Service and Assessment Plan and Phase #1 Assessment Roll, the “Service and Assessment Plan and Assessment Rolls”] ; and

WHEREAS, the Service and Assessment Plan and Assessment Rolls are required to be reviewed and updated annually as described in Sections 372.013 and 372.014 of the PID Act (the “Annual Service Plan Update”); and

WHEREAS, the Annual Service Plan Update, attached hereto as Exhibit A, including the Phase #1 and the Major Improvement Area Assessment Rolls attached thereto, update the Service and Assessment Plan and Assessment Rolls to reflect prepayments, property divisions and changes to the budget allocation for the PID that occur during the year, if any; and

WHEREAS, the City Council desires and finds it to be in the public interest to adopt this Ordinance approving and adopting the Annual Service Plan Update and the updated Assessment Roll attached thereto, in compliance with the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1. All matters stated in the preamble are found to be true and correct and are incorporated herein as if copied in their entirety.

SECTION 2. The Parks at Wilson Creek Public Improvement District Annual Service Plan Update, attached hereto as Exhibit A and incorporated herein by reference, inclusive of the updated Phase #1 and the Major Improvement Area Assessment Rolls contained therein and made a part thereof, are hereby accepted and approved.

SECTION 3. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION 4. Should any sentence, paragraph, subdivision, clause, phrase or section of this Ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this Ordinance as a whole, or any part or provision thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of the Ordinance as a whole.

SECTION 5. This Ordinance shall take effect immediately after its passage and the publication of the caption, as the law and charter in such case provide. The City Secretary shall cause this Ordinance to be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Re: SAP Update - Sutton Fields II PID

Action Requested:

Consider and act upon an Ordinance of the City of Celina, Texas, approving the 2023-2024 Annual Service Plan update to the Service and Assessment Plan for the Sutton Fields II Public Improvement District and providing an effective date. (Bromiley)

Background Information:

The Sutton Fields II PID was created by the City Council pursuant to the PID Act and a resolution approved on October 13, 2015. The PID is located approximately one mile west of the Dallas North Tollway service extension. The PID is anticipated to contain an estimated 2,348 residential units on approximately 622 acres within five phases. The PID annual installments in the Annual Service Plan update include amounts for the payment of principal and interest on the PID bonds and reimbursement agreement, if any, PID administrative expenses, additional interest for prepayment and delinquency reserves and as applicable, TIRZ annual credit amounts committed to pay a portion of the PID bond principal and interest. The Service Plan is prepared annually and presented to Council as required by Chapter 372 of the Texas Local Government Code.

I. INTRODUCTION

The Sutton Fields II Public Improvement District (the “PID”) was created pursuant to the PID Act and a resolution of the City Council on October 13, 2015 to finance certain public improvement projects for the benefit of the property in the PID. The City of Celina, Texas Special Assessment Revenue Bonds, Series 2015 (Sutton Fields II Public Improvement District Neighborhood Improvement Area #1 Project) (the “NIA #1 Bonds”) in the aggregate principal amount of \$11,560,000, and the City of Celina, Texas Special Assessment Revenue Bonds, Series 2015 (Sutton Fields II Public Improvement District Neighborhood Improvement Area #2-5 Major Improvement Project) (the “NIA #2-5 Major Improvement Bonds”) in the aggregate principal amount of \$16,825,000, were issued to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID.

A service and assessment plan (the “Service and Assessment Plan”) was prepared at the direction of the City identifying the public improvements (the “Authorized Improvements”) to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to the PID Act, the Service and Assessment Plan must be reviewed and updated annually. The Service and Assessment Plan was amended and restated in July 2017 to include changes to the project costs and financing structure (the “Amended SAP”). The Amended SAP was updated for NIA #2 and NIA #3 collectively on September 10, 2019 to issue the City of Celina, Texas Special Assessment Revenue Bonds, Series 2019 (Sutton Fields II Public Improvement District Neighborhood Improvement Areas #2-3 Projects) (the “NIA #2-3 Bonds”) to repay the reimbursement obligations for NIA #2 and NIA #3 in the aggregate principal amount of \$6,355,000; updated for NIA #4 on July 14, 2020 and September 8, 2020 to issue the City of Celina, Texas Special Assessment Revenue Bonds, Series 2020 (Sutton Fields II Public Improvement District Neighborhood Improvement Area #4 Projects) (the “NIA #4 Bonds”) to repay the reimbursement obligations for NIA #4 in the aggregate principal amount of \$4,000,000; updated for NIA #5 on July 13, 2021 to issue the Sutton Fields II Public Improvement District Neighborhood Improvement Area #5A Reimbursement Agreement (the “NIA #5A Reimbursement Agreement”) in the aggregate principal amount of \$7,300,000 (the “Updated Service and Assessment Plan”); and updated on December 14, 2021 to issue the City of Celina, Texas Special Assessment Revenue Bonds, Series 2021 (Sutton Fields II Public Improvement District Neighborhood Improvement Area #5 Projects) (the “NIA #5 Bonds”) to repay the reimbursement obligations for NIA #5A in the aggregate principal amount of \$7,300,000 and finance the direct public improvement costs for NIA #5B in the aggregate principal amount of \$13,484,000 (the “Updated Service and Assessment Plan”). Pursuant to the PID Act, the Updated Service and Assessment Plan must be reviewed and updated annually for the purpose of determining the annual budget for the Authorized Improvements. This document is the annual update of the Updated Service and Assessment Plan for 2023-24 (the “Annual Service Plan Update”).

The City also adopted assessment rolls (the “Assessment Rolls”) identifying the Assessments on each Parcel within the PID, based on the method of assessment identified in the Updated Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Rolls for 2023-24.

Effective September 1, 2021, the Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the “PID Assessment Notice”) as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix J and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchaser before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Updated Service and Assessment Plan unless otherwise defined herein.

D. ANNUAL BUDGET – NIA #1

NIA #1 - Annual Installments – 2023-24

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the NIA #1 Bonds, of which twenty-two (22) Annual Installments remain outstanding.

Pursuant to the Updated Service and Assessment Plan, each Assessment shall bear interest at the rate on the NIA #1 Bonds commencing with the issuance of the NIA #1 Bonds. The effective interest rate on the NIA #1 Bonds is 7.25 percent per annum for 2023-24. Pursuant to Section 372.018 of the PID Act, the interest rate for that assessment may not exceed a rate that is one-half of one percent (0.5 percent) higher than the actual interest rate (Excess Interest Rate) paid on the debt. Accordingly, the effective interest rate on the NIA #1 Bonds (7.25 percent) plus an additional interest of one-half of one percent are used to calculate the interests on the Assessments. These

payments, the “Annual Installments” of the Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Assessments on a Parcel within NIA #1 to the total amount of NIA #1 Assessments in the PID that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Updated Service and Assessment Plan and applicable Indenture, such as the TIRZ Credit, capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the NIA #1 Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to fund the prepayment and delinquency reserve amounts as described in the Updated Service and Assessment plan and applicable Indenture.

NIA #1 Annual Installments to be Collected for 2023-24

The budget for NIA #1 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-D-1 below.

Table II-D-1

Dissemination Agent	\$3,500
Contingency	\$3,000
Total	\$44,500

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of \$51,507, which equals 0.5 percent interest on the outstanding NIA #1 Assessments balance of \$10,301,335.

Available TIRZ Credit

According to the City, there have been TIRZ increments collected for tax year 2022 in the total amount of \$167,917 that are available to be used as TIRZ Credit in 2023-24 for the respective Parcels within NIA #1. This TIRZ Credit amount is allocated to each Parcel within NIA #1 that generated the TIRZ Revenues in 2022 as shown in Appendix C-2.

Available Reserve Fund Income

As of April 30, 2023, the balance in the NIA #1 Reserve Fund was \$982,927, which includes the NIA #1 Reserve Fund Requirement of \$958,607 and \$24,320 in excess funds. As a result, there are \$24,320 in excess reserve funds anticipated to be available to pay a portion of the NIA #1 Bonds debt service for 2023-24.

Available Capitalized Interest Account

As of April 30, 2023, the Trustee reported that the Capitalized Interest Fund been fully expended. As a result, there is no credit to reduce the 2023-24 Annual Installment.

Available Administrative Expense Account

As of April 30, 2023, the balance in the Administrative Expense Fund was \$71,395. Based upon this balance, there are no funds available administrative expense funds to reduce the NIA #1 2023-24 Annual Installment.

E. ANNUAL INSTALLMENTS PER UNIT - NIA #1

According to the Updated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the NIA #1 Bonds, to fund the Prepayment Reserve and Delinquency Reserve described in the Updated Service and Assessment Plan, and to cover Administrative Expenses of NIA #1.

The Annual Installment for 2023-24 will only be collected from the Assessed Property within NIA #1 that are shown in the Updated Service and Assessment Plan. The Annual Installment to be collected from each Lot Type in NIA #1 is determined using the percentage of Special Assessments for each Lot Type, including the HOA, as shown in Table II-E-1 below.

Table II-E-1
Annual Installment Per Unit – NIA #1

Lot Size	Total 2023-24 Annual Installment	Allocation Percentage¹	Annual Installment Per Unit²
50'	\$1,028,533	0.19%	\$1,939.99
60'	\$1,028,533	0.21%	\$2,128.56
70'	\$1,028,533	0.23%	\$2,381.19
HOA	\$0	0.00%	\$0.00

1 – Allocation percentage for each lot size is calculated as each lot's respective estimated buildout value as a percent of the total estimated buildout value for NIA #1.

2 – Annual Installment per unit does not include applicable TIRZ Credit, if any.

The list of Parcels within NIA #1 of the PID, the number of units to be developed on the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the

annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll attached hereto as Appendix C-1.

F. ANNUAL BUDGET – NIA #2-5 MAJOR IMPROVEMENT AREA

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty annual installments of principal and interest beginning with the tax year following the issuance of the NIA #2-5 Major Improvement Bonds, of which seventeen (17) Annual Installments remain outstanding.

Pursuant to the Updated Service and Assessment Plan, each Assessment shall bear interest at the rate on the Bonds commencing with the issuance of the NIA #2-5 Major Improvement Bonds. The effective interest rate on the NIA #2-5 Major Improvement Bonds is 8.25 percent for 2023-24. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the NIA #2-5 Major Improvement Bonds (8.25 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the “Annual Installments” of the Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under an applicable Trust Indenture capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the NIA #2-5 Major Improvement Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Updated Service and Assessment Plan and applicable Trust Indenture.

NIA #2-5 Annual Installments to be Collected for 2023-24

The budget for NIA #2-5 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-F-1 on the following page.

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of \$75,252, which equals 0.5 percent interest on the outstanding NIA #2-5 Major Improvement Assessments balance of \$15,050,464.

Available TIRZ Credit

According to the City, there have been TIRZ increments collected for tax year 2022 in the total amount of \$141,944 that are available to be used as TIRZ Credit in 2023-24 for the respective Parcels within NIA #2-5. This TIRZ Credit amount is allocated to each Parcel within NIA #2-5 that generated the TIRZ Revenues in 2022 as shown in Appendix D-2.

Available Reserve Fund Income

As of April 30, 2023, the balance in the NIA #2-5 Reserve Fund was \$1,725,212, which includes the NIA #2-5 Reserve Fund Requirement of \$1,682,500 and \$42,712 in excess funds. As a result, there are \$42,712 in excess reserve funds anticipated to be available to pay a portion of the NIA #2-5 Bonds debt service for 2023-24.

Available Capitalized Interest Account

As of April 30, 2023, the Trustee reported that the Capitalized Interest Fund been fully expended. As a result, there is no capitalized interest account credit available to reduce the Annual Installment.

Available Administrative Expense Account

As of April 30, 2023, the balance in the Administrative Expense Fund was \$66,995. Based upon this balance, there are no funds available administrative expense funds to reduce the NIA #2-5 2023-24 Annual Installment.

G. ANNUAL INSTALLMENTS PER UNIT - NIA #2-5 MAJOR IMPROVEMENT AREA

According to the Updated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the NIA #2-5 Major Improvement Bonds, to fund the Prepayment Reserve and Delinquency Reserve described in the Updated Service and Assessment Plan, and to cover Administrative Expenses of the NIA #2-5 Major Improvement Area.

The Annual Installment for 2023-24 will only be collected from the Assessed Property within the Major Improvement Area that are shown in the Updated Service and Assessment Plan. The Annual Installment to be collected from each Lot Type in the NIA #2-5 Major Improvement Area is determined using the percentage of Special Assessments for each Lot Type, including the HOA, as shown in Table II-G-1 below.

Table II-G-1
Annual Installment Per Unit – NIA #2-5 Major Improvement Area

Lot Size	Total 2023-24 Annual Installment	Allocation Percentage¹	Annual Installment Per Unit²
50'	\$1,748,704	0.06%	\$962.96

70'	\$1,748,704	0.06%	\$962.96
HOA	\$0	0.00%	\$0.00

1 – Allocation percentage for each lot size is calculated as each lot's respective estimated buildout value as a percent of the total estimated buildout value for NIA #2-5.

2 – Annual Installment per unit does not include applicable TIRZ Credit, if any. Excludes Parcels subdivided from parent Parcel 134236.

The list of Parcels within the NIA #2-5 Major Improvement Area of the PID, the estimated number of units to be developed on the current residential Parcels, the total Assessment, the Annual Assessment, the Administrative Expenses and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll attached hereto as Appendix D-1.

H. ANNUAL BUDGET – NIA #2

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty annual installments of principal and interest beginning with the tax year following the earlier of (i) Future Neighborhood Improvement Area Bonds issued for Neighborhood Improvement Area #2-3 Improvements, or (ii) September 1, 2019, and will be

assessed annually thereafter. Therefore, condition (ii) has been satisfied with collection of the first Annual Installment due no later than January 31, 2020. As a result, twenty-six (26) Annual Installments remain outstanding for NIA #2 Parcels.

Pursuant to the Updated Service and Assessment Plan, each Assessment shall bear interest at the rate on the Bonds commencing with the issuance of the NIA #2-3 Bonds. The effective interest rate on the NIA #2-3 Bonds is 4.24 percent for 2023-24. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the NIA #2-3 Bonds (4.24 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the “Annual Installments” of the Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under an applicable Trust Indenture capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

NIA #2’s proportional amount of debt service will be paid on the NIA #2-3 Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Updated Service and Assessment Plan and applicable Trust Indenture.

NIA #2 Annual Installments to be Collected for 2023-24

The budget for NIA #2 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-H-1 on the following page.

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of \$19,950, which equals 0.5 percent interest on the outstanding NIA #4 Assessments balance of \$3,990,000.

Available Reserve Fund Income

As of April 30, 2023, the balance in the NIA #4 Reserve Fund was \$350,220, which includes the NIA #4 Reserve Fund Requirement of \$342,289 and \$7,931 in excess funds. As a result, there are \$7,931 in excess reserve funds anticipated to be available to pay a portion of the NIA #4 Bonds debt service for 2023-24.

Available Capitalized Interest Account

As of April 30, 2023, the Trustee reported that the Capitalized Interest Fund been fully expended. As a result, there is no credit to reduce the 2023-24 Annual Installment.

Available Administrative Expense Account

As of April 30, 2023, the balance in the Administrative Expense Fund was \$40,870. Based upon this balance, there are no administrative expense funds anticipated to be available to reduce the NIA #4 2023-24 Annual Installment.

M. ANNUAL INSTALLMENTS PER UNIT - NIA #4

According to the Updated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the NIA #4 Bonds, to fund the Prepayment Reserve and Delinquency Reserve described in the Updated Service and Assessment Plan, and to cover Administrative Expenses of the NIA #4 area.

The Annual Installment for 2023-24 will only be collected from the Assessed Property within NIA #4 that are shown in the Updated Service and Assessment Plan. The Annual Installment to be collected from each Lot Type in NIA #4 is determined using the percentage of Special Assessments for each Lot Type, including the HOA, as shown in Table II-M-1 below.

Table II-M-1

70'	\$219,107	0.00%	\$0.00
HOA	\$0	0.00%	\$0.00

1 – Allocation percentage for each lot size is calculated as each lot's respective estimated buildout value as a percent of the total estimated buildout value for NIA #4.

The list of Parcels within the NIA #4 of the PID, the estimated number of units to be developed on the current residential Parcels, the total Assessment, the Annual Assessment, the Administrative Expenses and the Annual Installment to be collected for 2023-24 are shown in the assessment roll summary attached hereto as Appendix G.

N. ANNUAL BUDGET – NIA #5A

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the NIA #5A Assessment shall be payable in thirty annual installments of principal and interest beginning with the issuance of the Neighborhood Improvement Area #5 Bonds (the “NIA #5 Bonds”) and will be assessed annually thereafter. Therefore, collection of the first Annual Installment was due no later than January 31, 2023. As a result, twenty-eight (28) Annual Installments remain outstanding for NIA #5A Parcels.

Pursuant to the Updated Service and Assessment Plan, each Assessment shall bear interest at the rate on the NIA #5 Bonds commencing with the issuance of the NIA #5 Bonds. The effective interest rate on the NIA #5 Bonds is 3.82 percent for 2023-24. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the NIA #5 Bonds (3.82 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the “Annual Installments” of the Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of

such allocation. Each Annual Installment shall be reduced by any credits applied under an applicable Trust Indenture capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the NIA #5 Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Updated Service and Assessment Plan and applicable Trust Indenture.

NIA #5A Annual Installments to be Collected for 2023-24

The budget for NIA #5A of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-N-1 below.

P. ANNUAL BUDGET – NIA #5B

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the NIA #5B Assessment shall be payable in thirty annual installments of principal and interest beginning with the issuance of the NIA #5 Bonds and will be assessed annually thereafter. Therefore, collection of the first Annual Installment was due no later than January 31, 2023. As a result, twenty-eight (28) Annual Installments remain outstanding for NIA #5B Parcels.

Pursuant to the Updated Service and Assessment Plan, each Assessment shall bear interest at the rate on the NIA #5 Bonds commencing with the issuance of the NIA #5 Bonds. The effective interest rate on the NIA #5 Bonds is 3.81 percent for 2023-24. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the NIA #5 Bonds (3.81 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. R. BOND REDEMPTION RELATED UPDATES

NIA #1 Bonds

The NIA #1 Bonds were issued in October 2015. Pursuant to Section 4.3 of the NIA #1 Trust Indenture, the City reserves the right and option to redeem the NIA #1 Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **March 1, 2023**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the applicable Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the NIA #1 Bonds is warranted. The Administrator will monitor the refunding market conditions and work with City staff and other City consultants to determine appropriate refunding steps.

NIA #2-5 Major Improvement Bonds

The NIA #2-5 Major Improvement Bonds were issued in October 2015. Pursuant to Section 4.3 of the NIA #2-5 Major Improvement Trust Indenture, the City reserves the right and option to redeem the NIA #2-5 Major Improvement Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **March 1, 2023**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the applicable Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the NIA #2-5 Bonds is warranted. The Administrator will monitor the refunding market conditions and work with City staff and other City consultants to determine appropriate refunding steps.

NIA #2-3 Bonds

The NIA #2-3 Bonds were issued in September 2019. Pursuant to Section 4.3 of the NIA #2-3 Bonds' Trust Indenture, the City reserves the right and option to redeem the NIA #2-3 Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2029**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the applicable Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the NIA #2-3 Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

NIA #4 Bonds

The NIA #4 Bonds were issued in September 2020. Pursuant to Section 4.3 of the NIA #4 Bonds' Trust Indenture, the City reserves the right and option to redeem the NIA #4 Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2030**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the applicable Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this

preliminary evaluation, the Administrator believes a refunding of the NIA #4 Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

NIA #5 Bonds

The NIA #5 Bonds were issued in January 2022. Pursuant to Section 4.3 of the NIA #5 Bonds' Trust Indenture, the City reserves the right and option to redeem the NIA #5 Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2031**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the applicable Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the NIA #4 Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

III. UPDATE OF THE ASSESSMENT PLAN

The Updated Service and Assessment Plan adopted by the City Council describes that the Authorized Improvement costs shall be allocated to the Assessed Property equally based on the equivalent number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property, as updated in prior Annual Service Plan Updates, has not been changed and Assessed Property will continue to be assessed as provided for in the Updated Service and Assessment Plan.

(remainder of this page is intentionally left blank)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

- (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by the Service and Assessment Plan or in the PID Act;
- (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.I of the Service and Assessment Plan.

The summary of updated Assessment Rolls is shown in Appendix C-1, Appendix D-1, Appendix E, Appendix F, Appendix G, Appendix H, and Appendix I of this report. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Updated Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = [B \times (C \div D)]/E$$

Where the terms have the following meanings:

A = the Assessment for the new subdivided Lot

B = the Assessment for the Parcel prior to subdivision

C = the sum of the estimated As-Built Assessed Value of all new subdivided Lots with same Lot Type

D = the sum of the estimated As-Built Assessed Value for all of the new subdivided Lots excluding Non-Benefitted Property

E = the number of Lots with same Lot Type

Prior to the recording of a subdivision plat, the Developer shall provide the City an estimated As-Built Assessed Value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat considering factors such as density, lot size, proximity to amenities, view premiums, location, market conditions, historical sales, discussions with homebuilders, and any other factors that may impact future as-built Lot value and any other information available to the Developer. The calculation of the estimated As-Built Lot value for a Lot shall be performed by the Administrator and confirmed by the City Council based on information provided by the Developer, homebuilders, third party consultants, and/or the Official Public Records of Denton County, Texas regarding the Lot.

The sum of the Assessments for all newly subdivided Lots shall not exceed the Assessment for the portion of the Assessed Property subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this Service and Assessment Plan approved by the City Council.

According to the Developer and the Denton Central Appraisal District records, NIA #1 of the PID was completely subdivided and final plat recorded in September 2017. As a result, the NIA #1 Assessments were allocated proportionally to each Lot Type and officially recognized in the Denton County roll for 2018.

According to the Developer and the Denton Central Appraisal District records, NIA #2 of the PID was completely subdivided and final plat recorded in July 2018. As a result, the NIA #2 Assessments were allocated proportionally to each Lot Type and officially recognized in the Denton County roll for 2019.

According to the Developer and the Denton Central Appraisal District records, NIA #3 of the PID was completely subdivided and final plats recorded in June 2019 and September 2019. As a result, the NIA #3 Assessments were allocated proportionally to each Lot Type and officially recognized in the Denton County roll for 2020.

According to the Developer and the Denton Central Appraisal District records, NIA #4 of the PID was completely subdivided and final plats recorded. As a result, the NIA #4 Assessments were allocated proportionally to each Lot Type and officially recognized in the Denton County roll for 2021.

According to the Developer, the estimated number of units to be constructed in NIAs #2-5 is 1,835, which is an increase by approximately two (2) units from the NIAs #2-5 Lots assessed in 2021-22.

According to the Developer and the Denton Central Appraisal District records, NIA #5A of the PID was completely subdivided and final plats recorded. As a result, the NIA #5A Assessments were allocated proportionally to each Lot Type and officially recognized in the Denton County roll for 2022.

According to the Developer and the Denton Central Appraisal District records, subphase #8A and subphase #8B within NIA #5B of the PID was subdivided and final plats recorded. As a result, the NIA #5B Assessments and the NIA #2-5 Assessments were allocated proportionally to each Lot Type and officially recognized in the Denton County roll for 2023.

NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT ASSESSMENT TO
THE CITY OF CELINA, TEXAS
CONCERNING THE FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the Sutton Fields II Public Improvement District (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City or MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF CELINA APPROVING THE ANNUAL UPDATE OF THE SERVICE AND ASSESSMENT PLAN AND ASSESSMENT ROLLS FOR THE SUTTON FIELDS II PUBLIC IMPROVEMENT DISTRICT IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE §372.013, AS AMENDED; CONTAINING A CUMMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, on October 13, 2015, the City Council of the City of Celina, Texas (the “City”) approved Resolution No. 2015-51R establishing the Sutton Fields II Public Improvement District (the “PID”) in accordance with the provisions of Chapter 372 of the Texas Local Government Code (the “Public Improvement District Assessment Act” or “the PID Act”); and

WHEREAS, the City has heretofore levied assessments against property within Neighborhood Improvement Area #1 of the PID, pursuant to Ordinance No. 2015-54 which ordinance also approved the Sutton Fields II Public Improvement District Service and Assessment Plan and Assessment Roll related to Neighborhood Improvement Area #1, dated as of November 10, 2015, (the “Service and Assessment Plan and Neighborhood Improvement Area #1 Assessment Roll”); and

WHEREAS, the City has also heretofore levied assessments against property within the Neighborhood Improvement Areas #2-5 Major Improvement Area of the PID, pursuant to Ordinance No. 2015-56 which ordinance also approved the Sutton Fields II Public Improvement District Service and Assessment Plan and Assessment Roll related to the Neighborhood Improvement Areas #2-5 Major Improvement Area, dated as of November 10, 2015 (the “Service and Assessment Plan and Neighborhood Improvement Areas #2-5 Major Improvement Area Assessment Roll”); and

WHEREAS, the City has also heretofore levied assessments against property within Neighborhood Improvement Area #2 of the PID, pursuant to Ordinance No. 2018-46 which ordinance also approved the Sutton Fields II Public Improvement District Service and Assessment Plan and Assessment Roll related to Neighborhood Improvement Area #2, dated as of August 28, 2018 (the “Updated Service and Assessment Plan and Neighborhood Improvement Area #2 Assessment Roll”); and

WHEREAS, the City has also heretofore levied assessments against property within Neighborhood Improvement Area #3 of the PID, pursuant to Ordinance No. 2019-21 which ordinance also approved the Sutton Fields II Public Improvement District Service and Assessment Plan and Assessment Roll related to Neighborhood Improvement Area #3, dated as of June 11, 2019 (the “Updated Service and Assessment Plan and Neighborhood Improvement Area #3 Assessment Roll”); and

WHEREAS, the City has also heretofore levied assessments against property within Neighborhood Improvement Area #4 of the PID, pursuant to Ordinance No. 2020-51 which ordinance also approved the Sutton Fields Public Improvement District Service and Assessment Plan and Assessment Roll related to Neighborhood Improvement Area #4, dated as of July 14, 2020 (the “Updated Service and Assessment Plan and Neighborhood Improvement Area #4 Assessment Roll”); and

WHEREAS, the City has also heretofore levied assessments against property within Neighborhood Improvement Area #5A of the PID, pursuant to Ordinance No. 2021-56 which ordinance also approved the Sutton Fields II Public Improvement District Service and Assessment Plan and Assessment Roll related to Neighborhood Improvement Area #5A, dated as of July 13, 2021 (the “Updated Service and Assessment Plan and Neighborhood Improvement Area #5A Assessment Roll”); and

WHEREAS, the City has also heretofore levied assessments against property within Neighborhood Improvement Area #5B of the PID, pursuant to Ordinance No. 2021-113 which ordinance also approved the Sutton Fields II Public Improvement District Service and Assessment Plan and Assessment Roll related to Neighborhood Improvement Area #5B, dated as of December 14, 2021 (the “Updated Service and Assessment Plan and Neighborhood Improvement Area #5B Assessment Roll”) [and, together with the Service and Assessment Plan and Neighborhood Improvement Area #1, Neighborhood Improvement Areas #2-5 Major Improvement Area, Neighborhood Improvement Area #2, Neighborhood Improvement Area #3, Neighborhood Improvement Area #4, and Neighborhood Improvement Area #5A Assessment Rolls, the “Updated Service and Assessment Plan and Assessment Rolls”]; and

WHEREAS, the Updated Service and Assessment Plan and Assessment Rolls are required to be reviewed and updated annually as described in Sections 372.013 and 372.014 of the PID Act (the “Annual Service Plan Update”); and

WHEREAS, the Annual Service Plan Update, attached hereto as Exhibit A, including the Neighborhood Improvement Area #1, Neighborhood Improvement Areas #2-5 Major Improvement Area, Neighborhood Improvement Area #2, Neighborhood Improvement Area #3, Neighborhood Improvement Area #4, Neighborhood Improvement Area #5A, and Neighborhood Improvement Area #5B Assessment Rolls (the “Assessment Rolls”) attached thereto, update the Updated Service and Assessment Plan and Assessment Rolls to reflect prepayments, property divisions and changes to the budget allocation for the PID that occur during the year, if any; and

WHEREAS, the City Council desires and finds it to be in the public interest to adopt this Ordinance approving and adopting the Annual Service Plan Update and the updated Assessment Rolls attached thereto, in compliance with the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1. All matters stated in the preamble are found to be true and correct and are incorporated herein as if copied in their entirety.

SECTION 2. The Sutton Fields II Public Improvement District Annual Service Plan Update, attached hereto as Exhibit A and incorporated herein by reference, inclusive of the updated Assessment Rolls contained therein and made a part thereof, are hereby accepted and approved.

SECTION 3. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION 4. Should any sentence, paragraph, subdivision, clause, phrase or section of this Ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this Ordinance as a whole, or any part or provision thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of the Ordinance as a whole.

SECTION 5. This Ordinance shall take effect immediately after its passage and the publication of the caption, as the law and charter in such case provide. The City Secretary shall cause this Ordinance to be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Re: SAP Update - Sutton Fields East PID

Action Requested:

Consider and act upon an Ordinance of the City of Celina, Texas, approving the 2023-2024 Annual Service Plan update to the Service and Assessment Plan for the Sutton Fields East Public Improvement District and providing an effective date. (Bromiley)

Background Information:

The Sutton Fields East PID was created by the City Council pursuant to the PID Act and a resolution approved on October 12, 2021. The PID is located approximately east of FM 1385 and north of Parvin Road. The PID is anticipated to contain an estimated 450 residential units on approximately 110 acres within multiple phases. The PID annual installments in the Annual Service Plan update include amounts for the payment of principal and interest on the PID bonds and reimbursement agreement, if any, PID administrative expenses, additional interest for prepayment and delinquency reserves and as applicable, TIRZ annual credit amounts committed to pay a portion of the PID bond principal and interest. The Service Plan is prepared annually and presented to Council as required by Chapter 372 of the Texas Local Government Code.

APPENDIX D - PID ASSESSMENT NOTICE

I. INTRODUCTION

The Sutton Fields East Public Improvement District (the “PID”) was created pursuant to the PID Act and Resolution No. 2021-96R of the City Council on October 12, 2021, to finance certain public improvement projects for the benefit of the property in the PID.

A service and assessment plan dated January 11, 2021 (the “Service and Assessment Plan”) was prepared at the direction of the City identifying the public improvements (the “Authorized Improvements”) to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to Chapter 372 of the Texas Local Government Code, as amended (the “PID Act”), the Service and Assessment Plan must be reviewed and updated annually for the purpose of determining the annual budget for the Authorized Improvements. This document is the annual update of the Service and Assessment Plan for 2023-24 (the “Annual Service Plan Update”).

On January 11, 2022, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2022 (Sutton Fields East Public Improvement District Phase #1 Project) (the “Phase #1 Bonds”) in the aggregate principal amount of \$8,060,000 were issued to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID. In addition, reimbursement obligations for the Phase #1 Reimbursement Agreement in the aggregate principal amount of \$1,100,000 are secured by Assessments.

The City also adopted an assessment roll for the PID attached as Appendix G to the Service and Assessment Plan (the “Assessment Roll”) identifying the Assessments on each Parcel of Assessed Property, based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Roll for 2023-24.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the “PID Assessment Notice”) as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix D and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchaser before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID Act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Service and Assessment Plan unless otherwise defined herein.

II. UPDATE OF THE SERVICE PLAN

A. UPDATED SOURCES AND USES FOR PUBLIC IMPROVEMENTS

Phase #1 Sources and Uses

Pursuant to the original Service and Assessment Plan adopted on January 11, 2021, the initial total estimated costs of the Authorized Improvements, excluding Phase #1 Bond issuance costs, were equal to \$7,471,074. According to draw requisition #16 most recently approved by the City on May 23, 2023, the initial estimated costs of the Authorized Improvements have not changed.

Table II-A-1 below summarizes the updated sources and uses of funds required to (1) construct the Authorized Improvements, (2) establish the PID, and (3) issue the Phase #1 Bonds.

Table II-A-1

Phase #1 Cost Variances

As shown in Table II-A-1 above, there have been no significant increases to the costs of the Authorized Improvements.

B. FIVE YEAR SERVICE PLAN

According to the PID Act, a service plan must cover a period of five years. Based upon the actual budget for the Authorized Improvements as shown in Section II.A. of this report, the Annual Installments expected to be collected for those costs during the next five years are shown in Table II-B-1 below.

Assessment Year ending 2024 represents projected Annual Installments to be billed and includes projected available fund credits and applicable TIRZ credits, if any. Assessment Years 2025-2029 represent projected future Annual Installments and will be updated in future annual service plan updates.

C. STATUS OF DEVELOPMENT

According to the Final Limited Offering Memorandum for the Phase #1 Bonds, the infrastructure is anticipated to be completed by the first quarter of 2025.

According to the City, there have been no building permits nor certificates of occupancy issued as of June 18, 2023.

See Table II-C-1 on the following page for the status of completed homes in the PID as of June 18, 2023.

2 – According to the Service and Assessment Plan.

D. ANNUAL BUDGET – PHASE #1

Annual Installments

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty (30) annual installments of principal and interest beginning with the tax year following the issuance of the Phase #1 Bonds and/or execution of the Phase #1 Reimbursement Agreement, of which twenty-eight (28) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the Phase #1 Bonds commencing with the issuance of the Phase #1 Bonds. The effective interest rate on the Phase #1 Bonds is 3.94 percent for 2023-24 and the interest rate applicable to the Phase #1 Reimbursement Agreement is 4.41 percent per annum for 2023-24. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phase #1 Bonds (3.94 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the “Annual Installments” of the Assessments, shall be billed by the City, or any other party designated by the City, in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan, such as the Tax Increment Reinvestment Zone No. 14 (the “TIRZ”) incremental taxes available to the PID (the “TIRZ Credit”), capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phase #1 Bonds and Phase #1 Reimbursement Agreement from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the Prepayment

Reserve and Delinquency Reserve amounts as described in the Service and Assessment Plan and applicable Indenture of Trust.

Annual Installments to be Collected for 2023-24

The budget for Phase #1 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-D-1 below.

Table II-D-1
Budget for the Phase #1 Annual Installments
to be Collected for 2023-24

<i>Subtotal funds available</i>	<i>(\$18,937)</i>	<i>(\$591)</i>	<i>(\$19,528)</i>
Annual Installments	\$547,829	\$72,689	\$620,518

Debt Service Payments

Annual Installments to be collected for principal and interest on the Phase #1 Bonds include interest due on March 1, 2024, in the amount of \$158,687 and September 1, 2024, in the amount of \$158,687, which equal interest on the outstanding Phase #1 Bonds of \$8,060,000 for six months each and an effective interest rate of 3.96 percent. Annual Installments to be collected on the Phase #1 Bonds include a principal amount of \$168,000 due on September 1, 2024. As a result, the total principal and interest amounts due on the PID Bonds in 2022-23 are estimated to be equal to \$485,374.

Additionally, Annual Installments to be collected for principal and interest include Phase #1 Reimbursement Agreement interest due on March 1, 2024 in the amount of \$23,836 and on September 1, 2024 in the amount of \$23,836, which equal interest on the outstanding Phase #1 Reimbursement Agreement portion of Phase #1 Assessments balance of \$1,081,000 for six months each and an effective interest rate of 4.41 percent. Phase #1 Annual Installments to be collected include a principal amount of \$20,000 due on September 1, 2024. As a result, total principal and

interest due for the Phase #1 Reimbursement Agreement in 2023-24 is estimated to be equal to \$67,672.

Administrative Expenses

Administrative expenses for Phase #1 include the City, Administrator, Trustee, auditor, dissemination agent, and contingency fees. As shown in Table II-D-2 below, the administrative expenses to be collected for 2023-24 are estimated to be \$46,700.

Table II-D-2
Phase #1 Administrative Budget – 2023-24

Description	2023-24 Estimated Budget
City	\$6,000
Administrator	\$31,000
Trustee	\$3,000
Auditor	\$2,000
Dissemination Agent	\$3,500
Contingency	\$1,200
Total	\$46,700

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments are to be collected for excess interest for prepayment and delinquency reserves in the amount of \$40,300, which equals 0.5 percent interest on the outstanding Phase #1 Bond portion of outstanding Phase #1 Assessment balance of \$8,060,000.

Available TIRZ Credit

According to the City, there have been no TIRZ increments collected in 2022 that are available to be used as TIRZ Credit in 2023-24 for the Parcel within Phase #1. The TIRZ Credit amount to be allocated is based upon the amount of TIRZ increment generated by each Parcel within Phase #1 and each Parcel that has an outstanding Phase #1 Assessment balance as of September 1, 2023 as shown in Appendix C-2.

Available Reserve Fund Income

As of May 31, 2023, the balance in the Reserve Fund was \$503,916, which includes the Bond Reserve Requirement of \$489,388 and an excess balance of \$14,528. There is also a sufficient balance in the Principal and Interest Account to pay debt service on September 1, 2023. Pursuant to Section 6.7 (e) of the Trust Indenture, the excess balance of \$14,528 should be transferred to

the Principal & Interest Account and used to pay interest on the Phase #1 Bonds on the next interest payment date. As a result, \$14,528 is available to pay a portion of the Phase #1 Bonds debt service.

Available Capitalized Interest Account

As of May 31, 2023, the balance in the Capitalize Interest Account was \$166,931.30. According to Section 6.4 (c) of the Trust Indenture, \$158,687 will be transferred to the Principal and Interest Account to fund the interest payment due September 1, 2023. As a result, there is no available capitalized interest to reduce the 2023-24 Annual Installments.

Available Administrative Expense Account

As of May 31, 2023, the available balance for administrative expenses was \$66,499. \$61,499 is anticipated to be used for the payment of current year administrative expenses through January 31, 2024. As a result, \$5,000 is available in the Administrative Expense Fund to reduce the Phase #1 2023-24 Annual Installment.

E. ANNUAL INSTALLMENTS PER UNIT - PHASE #1

According to the Service and Assessment Plan, 245 units representing 211.17 total Equivalent Units are estimated to be built within Phase #1 of the PID.

Accordingly, the net principal and interest portion of Annual Installment to be collected from each Equivalent Unit will be \$2,741.05 [i.e. $(\$553,046 + \$40,300 - \$14,528) \div 211.17 = \$2,741.05$] and the Administrative Expenses to be collected from each Equivalent Unit will be \$197.47 (i.e. $\$44,700 \div 211.17 = \197.47). As a result, the total Annual Installment to be collected from each Equivalent Unit within Phase #1 will be \$2,938.52 (i.e. $\$2,741.05 + \$197.47 = \$2,938.52$). The Annual Installment to be collected from each Parcel within Phase #1 is calculated by multiplying the Annual Installment for each Equivalent Unit of \$2,938.52 by the total estimated Equivalent Units for each Parcel less the applicable TIRZ Credit shown in Appendix C-2 for each Parcel within Phase #1 of the PID.

The Annual Installment due to be collected from each Land Use Class in Phase #1 for 2023-24 is shown in Table II-E-1 below.

Table II-E-1
Annual Installment Per Unit – Phase #1

Lot Type	Annual Installment per Equivalent Unit	Equivalent Unit Factor	Annual Installment per Unit
60 FT	\$2,938.52	1.00	\$2,938.52
50 FT	\$2,938.52	0.83	\$2,448.77

1- Annual Installment per Unit amounts shown above do not include applicable TIRZ Credits for each Parcel, if any.

The list of Parcels within Phase #1 of the PID, the number of units to be developed on the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix C-1.

F. BOND REDEMPTION RELATED UPDATES

Phase #1 Bonds

The Phase #1 Bonds were issued in January 2022. Pursuant to Section 4.3 of the Indenture of Trust, the City reserves the right and option to redeem the Phase #1 Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2031**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Indenture of Trust.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phase #1 Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

(remainder of page left intentionally blank)

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council provided that the costs of the Authorized Improvements shall be allocated to the Assessed Property equally on the basis of the Equivalent Units of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement Costs to Parcels similarly benefited.

This method of assessing property has not been changed, except for the additional clarifying provisions above, and Assessed Property will continue to be assessed as provided for in the Service and Assessment Plan.

(remainder of this page is intentionally left blank)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Roll shall be updated each year to reflect:

- (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by the Service and Assessment Plan or in the PID Act;
- (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.H of the Service and Assessment Plan.

The Assessment Roll Summary is shown in Appendix C-1 of the Annual Service Plan Update. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

- A = the Assessment for each new subdivided Parcel.
- B = the Assessment for the Parcel prior to subdivision.
- C = the estimated Equivalent Units to be built on each newly subdivided Parcel
- D = the sum of the estimated Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

B. PREPAYMENT OF ASSESSMENTS

According to the Trustee as of June 30, 2023, there have no prepayments of Assessments for any Parcels within the PID.

For additional prepayment related information, see Appendix B of this report.

The complete Assessment Rolls are available for review at the City Hall, located at 142 N. Ohio, Celina, Texas 75009.

PID Assessment Notice

NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT ASSESSMENT TO
THE CITY OF CELINA, TEXAS
CONCERNING THE FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the Sutton Fields East Public Improvement District (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City or MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF CELINA APPROVING THE ANNUAL UPDATE OF THE SERVICE AND ASSESSMENT PLAN AND ASSESSMENT ROLL FOR THE SUTTON FIELDS EAST PUBLIC IMPROVEMENT DISTRICT IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE §372.013, AS AMENDED; CONTAINING A CUMMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, on October 12, 2021, the City Council of the City of Celina, Texas (the “City”) approved Resolution No. 2021-96R establishing the Sutton Fields East Public Improvement District (the “PID”) in accordance with the provisions of Chapter 372 of the Texas Local Government Code (the “Public Improvement District Assessment Act” or “the PID Act”); and

WHEREAS, the City has heretofore levied assessments against property within the PID, pursuant to Ordinance No. 2022-11 which ordinance also approved the Sutton Fields East Public Improvement District Service and Assessment Plan and Assessment Roll, dated as of January 11, 2022 (the “Service and Assessment Plan and Assessment Roll”); and

WHEREAS, the Service and Assessment Plan and Assessment Roll is required to be reviewed and updated annually as described in Sections 372.013 and 372.014 of the PID Act (the “Annual Service Plan Update”); and

WHEREAS, the Annual Service Plan Update, attached hereto as Exhibit A, including the Assessment Roll attached thereto, update the Service and Assessment Plan and Assessment Roll to reflect prepayments, property divisions and changes to the budget allocation for the PID that occur during the year, if any; and

WHEREAS, the City Council desires and finds it to be in the public interest to adopt this Ordinance approving and adopting the Annual Service Plan Update and the updated Assessment Roll attached thereto, in compliance with the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1. All matters stated in the preamble are found to be true and correct and are incorporated herein as if copied in their entirety.

SECTION 2. The Sutton Fields East Public Improvement District Annual Service Plan Update, attached hereto as Exhibit A and incorporated herein by reference, inclusive of the updated Assessment Roll contained therein and made a part thereof, are hereby accepted and approved.

SECTION 3. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION 4. Should any sentence, paragraph, subdivision, clause, phrase or section of this Ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this Ordinance as a whole, or any part or provision thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of the Ordinance as a whole.

SECTION 5. This Ordinance shall take effect immediately after its passage and the publication of the caption, as the law and charter in such case provide. The City Secretary shall cause this Ordinance to be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Re: SAP Update - Ten Mile Creek PID

Action Requested:

Consider and act upon an Ordinance of the City of Celina, Texas, approving the 2023-2024 Annual Service Plan update to the Service and Assessment Plan for the Ten Mile Creek Public Improvement District and providing an effective date. (Bromiley)

Background Information:

The Ten Mile Creek PID was created by the City Council pursuant to the PID Act and a resolution approved on March 15, 2022. The PID is generally located south of the Collin County Outer Loop and north of Choate Parkway. The PID is anticipated to contain an estimated 490 residential units on approximately 209 acres within multiple phases. The PID annual installments in the Annual Service Plan update include amounts for the payment of principal and interest on the PID bonds and reimbursement agreement, if any, PID administrative expenses, additional interest for prepayment and delinquency reserves and as applicable, TIRZ annual credit amounts committed to pay a portion of the PID bond principal and interest. The Service Plan is prepared annually and presented to Council as required by Chapter 372 of the Texas Local Government Code.

I. INTRODUCTION

The Ten Mile Creek Public Improvement District (the “PID”) was created pursuant to the PID Act and a resolution of the City Council on March 15, 2022 to finance certain public improvement projects for the benefit of the property in the PID.

On March 14, 2023, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2023 (Ten Mile Creek Public Improvement District Improvement Area #1 Project) (the “Improvement Area #1 Bonds”) in the aggregate principal amount of \$12,010,000, and reimbursement obligations for the Improvement Area #1 Reimbursement Agreement (the “Improvement Area #1 Reimbursement Agreement”) in the aggregate principal amount of \$2,940,000 to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID. Both the Improvement Area #1 Bonds and the Improvement Area #1 Reimbursement Agreement are secured by the Improvement Area #1 Assessments (the “Improvement Area #1 Assessments”).

Additionally, on March 14, 2023, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2023 (Ten Mile Creek Public Improvement District Major Improvement Area Project) (the “Major Improvement Bonds”) in the aggregate principal amount of \$7,021,000, to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID. The Major Improvement Bonds are secured by the Major Improvement Area Assessments (the “Major Improvement Area Assessments”).

A service and assessment plan (the “Service and Assessment Plan”) was prepared at the direction of the City identifying the public improvements (the “Authorized Improvements”) to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to the PID Act, the Service and Assessment Plan must be reviewed and updated annually. This document is the annual update of the Service and Assessment Plan for 2023-24 (the “Annual Service Plan Update”).

The City also adopted Assessment Rolls identifying the assessments on each Parcel within the PID, based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Roll for 2023-24.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the “PID Assessment Notice”) as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix D and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or

a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchaser before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID Act, is entitled to terminate the contract. The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Service and Assessment Plan unless otherwise defined herein.

II. UPDATE OF THE SERVICE PLAN

A. UPDATED SOURCES AND USES FOR PUBLIC IMPROVEMENTS

Improvement Area #1 Improvements Sources and Uses

The current total estimated costs of the Improvement Area #1 Improvements (including the proportional share of the Major Improvement costs) are equal to \$14,897,091 which remain the same as the budget estimates included in the Service and Assessment Plan. According to Requisition #2 approved by the City on May 17, 2023, the actual costs of the Improvement Area #1 Improvements spent to date are \$2,336,687. According to the Developer, there have not been line item amount revisions for the Authorized Improvements as shown in Table II-A-1 on the following page.

Table II-A-1 on the following page summarizes the updated sources and uses of funds required to (1) construct the Improvement Area #1 Improvements, including the proportional share of the Major Improvement costs, (2) establish the PID, and (3) issue Improvement Area #1 Bonds.

C. ANNUAL BUDGET – IMPROVEMENT AREA #1

Improvement Area #1 - Annual Installments – 2023-24

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Improvement Area #1 Bonds and/or the execution of the Improvement Area #1 Reimbursement Agreement, of which twenty-nine (29) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the Improvement Area #1 Bonds commencing with the issuance of the Improvement Area #1 Bonds. The effective interest rate on the Improvement Area #1 Bonds is 5.55 percent and the interest rate applicable to the Improvement Area #1 Reimbursement Agreement is 6.03 percent per annum for 2023-24. Pursuant to Section 372.018 of the PID Act, the interest rate for that assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Improvement Area #1 Bonds (5.55 percent) plus an additional interest of one-half of one percent and the effective interest rate on the Improvement Area #1 Reimbursement Agreement (6.03 percent) are used to calculate the interest on the Assessments. These payments, the “Annual Installments” of the Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable

documents including the Service and Assessment Plan and Trust Indenture, capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Improvement Area #1 Bonds and Improvement Area #1 Reimbursement Agreement from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Service and Assessment Plan and applicable Trust Indenture.

Improvement Area #1 Annual Installments to be Collected for 2023-24

The budget for Improvement Area #1 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-C-1 below.

Table II-C-1
Budget for the Improvement Area #1 Annual Installments
to be Collected for 2023-24

Debt Service Payments

Annual Installments to be collected for principal and interest include the Improvement Area #1 Bonds' interest due on March 1, 2024 in the amount of \$333,481 and on September 1, 2024 in the amount of \$333,481, which equal interest on the outstanding Improvement Area #1 Bond

Assessments balance of \$12,010,000 for six months each and an effective interest rate of 5.55 percent plus an additional interest of one-half of one percent. There is no Improvement Area #1 Bond principal amount to be collected for the 2023-24 assessment year. As a result, total Annual Installments to be collected for the Improvement Area #1 Bonds' principal and interest in 2023-24 is equal to \$666,963.

Additionally, Annual Installments to be collected for principal and interest include Improvement Area #1 Reimbursement Agreement interest due on March 1, 2024 in the amount of \$221,603 and on September 1, 2024 in the amount of \$88,641, which equal interest on the outstanding Improvement Area #1 Reimbursement Agreement Assessments balance of \$2,940,000 for fifteen months and six months, respectively, at an effective interest rate of 6.03 percent. Improvement Area #1 Reimbursement Agreement Annual Installments to be collected include a principal amount of \$40,000 due on September 1, 2024. As a result, the total Annual Installments to be collected for Improvement Area #1 Reimbursement Agreement principal and interest in 2023-24 is equal to \$350,244.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, auditor, dissemination agent and contingency fees. As shown in Table II-C-2 below, the total Improvement Area #1 Administrative Expenses to be collected for 2023-24 are estimated to be \$51,000.

Table II-C-2
Improvement Area #1 Administrative Budget Breakdown

Description	2023-24 Estimated Budget (9/1/23-8/31/24)
City	\$6,000
PID Administrator	\$33,500
Trustee	\$2,750
Auditor	\$2,000
Dissemination Agent	\$3,500
Contingency	\$3,250
Total	\$51,000

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of \$60,050, which equals 0.5 percent interest on the outstanding collective Improvement Area #1 Bond Assessments balance of \$12,010,000.

Available Capitalized Interest Account

As of May 31, 2023, and in accordance with Section 6.4(c) of the Trust Indenture, \$666,963 is anticipated to be available and will be transferred to the Principal & Interest Account to fund the interest payment due March 1, 2024 in the amount of \$333,481 and the interest payment due September 1, 2024 in the amount of \$333,481.

Available Administrative Expense Account

As of May 31, 2023, the available balance for administrative expenses was \$51,162. \$50,162 is anticipated to be used for the payment of current year administrative expenses through January 31, 2024. As a result, there is \$1,000 available in the Administrative Expense Fund to reduce the 2023-24 Improvement Area #1 Annual Installment.

D. ANNUAL INSTALLMENTS PER UNIT – IMPROVEMENT AREA #1

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Improvement Area #1 Bonds and Improvement Area #1 Reimbursement Agreement, (ii) to fund the prepayment reserve and delinquency reserve, and (iii) to cover Administrative Expenses of Improvement Area #1. The Annual Installment for each Parcel shall be calculated by taking into consideration any available capitalized interest available.

According to the Service and Assessment Plan, 296 units representing 237.60 total Equivalent Units are estimated to be built within Improvement Area #1 of the PID. Accordingly, the principal and interest portion of Annual Installment to be collected from each Equivalent Unit within Improvement Area #1 will be \$1,726.82 (i.e. $(\$1,017,206 + \$60,050 - 666,993) \div 237.60 = \$1,726.82$) and the Administrative Expenses to be collected from each Equivalent Unit will be \$210.44 (i.e. $(\$51,000 - \$1,000) \div 237.60 = \$210.44$). As a result, the total Annual Installment to be collected from each Equivalent Unit within Improvement Area #1 will be \$1,937.26 (i.e. $\$1,726.82 + \$210.44 = \$1,937.26$). The Annual Installment to be collected from each Parcel within Improvement Area #1 is calculated by multiplying the Annual Installment for each Equivalent Unit of \$1,937.26 by the total estimated number of Equivalent Units for each Parcel in Improvement Area #1.

The Annual Installment due to be collected from each Land Use Class in Improvement Area #1 for 2023-24 is shown in Table II-D-1 on the following page.

Table II-D-1
Improvement Area #1 Annual Installment Per Unit

Land Use Class	Annual Installment Per Equivalent Unit	Equivalent Unit Factor	Annual Installment per Unit
60 ft	\$1,937.26	1.00	\$1,937.26
55 ft	\$1,937.26	0.90	\$1,743.53
Townhome	\$1,937.26	0.60	\$1,162.35

The list of Parcels within Improvement Area #1 of the PID, the estimated number of units to be developed on the current residential Parcels, the total Assessment, the Annual Assessment, the Capitalized Interest Credit, the Prepayment and Delinquency Reserve, the Administrative Expenses and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix B.

E. ANNUAL BUDGET – MAJOR IMPROVEMENT AREA

Major Improvement Area - Annual Installments – 2023-24

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty annual installments of principal and interest beginning with the tax year following the issuance of the Major Improvement Bonds, of which twenty-nine (29) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the Bonds commencing with the issuance of the Major Improvement Bonds. The effective interest rate on the Major Improvement Bonds is 6.31 percent. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Major Improvement Bonds (6.31 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the “Annual Installments” of the Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and applicable Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Major Improvement Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Service and Assessment Plan and applicable Trust Indenture.

Major Improvement Area Annual Installments to be Collected for 2023-24

The budget for the Major Improvement Area of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-E-1 below.

Table II-E-1
Budget for the Major Improvement Area Annual Installments
to be Collected for 2023-24

	Major Improvement Bonds
Interest payment on March 1, 2024	\$221,585
Interest payment on September 1, 2024	\$221,585
Principal payment on September 1, 2024	\$0
<i>Subtotal debt service on bonds</i>	<i>\$443,170</i>
Administrative expenses	\$0
Excess interest for prepayment and delinquency reserves	\$0
<i>Subtotal Expenses</i>	<i>\$443,170</i>
Available reserve fund income	\$0
Available capitalized interest account	(\$443,170)
Available Administrative Expense account	\$0
<i>Subtotal funds available</i>	<i>(\$443,170)</i>
Annual Installments	\$0

Debt Service Payments

Annual Installments to be collected for principal and interest include interest due on March 1, 2024 in the amount of \$221,585 and on September 1, 2024 in the amount of \$221,585, which equal interest on the outstanding Major Improvement Area Assessments balance of \$7,021,000 for six months each and an effective interest rate of 6.31 percent. There is no Major Improvement Bond principal amount to be collected for the 2023-24 assessment year. As a result, the total Major Improvement Area Annual Installments to be collected for principal and interest in 2023-24 is estimated to be equal to \$443,170.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, auditor, dissemination agent and contingency fees. As shown in the Service and Assessment Plan approved by the City on March 14, 2023, administrative expenses for the 2023-24 assessment year were funded by Major Improvement Bond proceeds. As a result, there are no administrative expenses to collect from Major Improvement Area Parcels for 2023-24.

Excess Interest for Prepayment and Delinquency Reserve

As shown in the Service and Assessment approved by the City on March 14, 2023, Annual Installments for excess interest for prepayment and delinquency reserves will not be collected in 2023-24.

Available Capitalized Interest Account

As of May 31, 2023, and in accordance with Section 6.4(c) of the Trust Indenture, \$443,170 is anticipated to be available and will be transferred to the Principal & Interest Account to fund the interest payment due March 1, 2024 in the amount of \$221,585 and the interest payment due September 1, 2024 in the amount of \$221,585.

Available Administrative Expense Account

As stated above, there are no Major Improvement Area administrative expenses to be collected for 2023-24. As a result, there is no credit available in the Administrative Expense Fund to reduce the Major Improvement Area 2023-24 Annual Installment.

F. ANNUAL INSTALLMENTS PER UNIT – MAJOR IMPROVEMENT AREA

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Major Improvement Bonds, (ii) to fund the prepayment reserve and delinquency reserve, and (iii) to cover Administrative Expenses of the Major Improvement Area. The Annual Installment for each Parcel shall be calculated by taking into consideration any available capitalized interest.

According to the Service and Assessment Plan, 1,055 units representing 343.79 total Equivalent Units are estimated to be built within the Major Improvement Area of the PID. Accordingly, the principal and interest portion of Annual Installment to be collected from each Equivalent Unit within the Major Improvement Area will be \$0 (i.e. $(\$443,170 - 443,170) \div 343.79 = \0) and the Administrative Expenses to be collected from each Equivalent Unit will be \$0 (i.e. $\$0 \div 343.79 = \0). As a result, the total Annual Installment to be collected from each Equivalent Unit within the Major Improvement Area will be \$0. The Annual Installment to be collected from each Parcel within the Major Improvement Area is calculated by multiplying the Annual Installment for each Equivalent Unit of \$0 by the total estimated number of Equivalent Units for each Parcel in the Major Improvement Area.

The Annual Installment due to be collected from each Land Use Class in the Major Improvement Area for 2023-24 is shown in Table II-F-1 below.

Table II-F-1
Major Improvement Area Annual Installment Per Unit

Land Use Class	Annual Installment Per Unit	Equivalent Unit Factor	Annual Installment per Unit
60 ft	\$0.00	1.00	\$0.00
55 ft	\$0.00	0.90	\$0.00
Multifamily	\$0.00	0.19	\$0.00

The list of Parcels within the Major Improvement Area of the PID, the estimated number of units to be developed on the current residential Parcels, the total Assessment, the Annual Assessment, the Capitalized Interest Credit, the Prepayment and Delinquency Reserve, the Administrative Expenses and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix C.

G. BOND REDEMPTION RELATED UPDATES

Improvement Area #1 Bonds

The Improvement Area #1 Bonds were issued in 2023. Pursuant to Section 4.3 of the Improvement Area #1 Trust Indenture, the City reserves the right and option to redeem the Improvement Area #1 Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2033**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Improvement Area #1 Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Improvement Area #1 Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

Major Improvement Bonds

The Major Improvement Bonds were issued in 2023. Pursuant to Section 4.3 of the Major Improvement Area Trust Indenture, the City reserves the right and option to redeem the Major Improvement Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2033**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Major Improvement Area Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this

preliminary evaluation, the Administrator believes a refunding of the Major Improvement Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council provided that the Authorized Improvement costs shall be allocated to the Assessed Property equally on the basis of the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property has not been changed and assessed property will continue to be assessed as provided for in the Service and Assessment Plan.

(the remainder of this page is intentionally left blank)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

- (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.H of this Service and Assessment Plan.

The updated Assessment Rolls are shown in Appendix B and C of this report. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for each new subdivided Parcel.

B = the Assessment for the Parcel prior to subdivision.

C = the estimated number of Equivalent Units to be built on each newly subdivided Parcel

D = the sum of the estimated number of Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of Equivalent Units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

The developer has confirmed there have been no parcel subdivisions in the PID applicable for the Annual Installments to be collected in 2023-24.

B. PREPAYMENT OF ASSESSMENTS

There have been no Assessment prepayments as of June 30, 2023.

The complete Assessment Rolls are available for review at the City Hall, located at 142 N. Ohio, Celina, Texas 75009.

NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT ASSESSMENT TO
THE CITY OF CELINA, TEXAS
CONCERNING THE FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the Ten Mile Creek Public Improvement District (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City or MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF CELINA APPROVING THE ANNUAL UPDATE OF THE SERVICE AND ASSESSMENT PLAN AND ASSESSMENT ROLLS FOR THE TEN MILE CREEK PUBLIC IMPROVEMENT DISTRICT IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE §372.013, AS AMENDED; CONTAINING A CUMMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, on March 15, 2022, the City Council of the City of Celina, Texas (the “City”) approved Resolution No. 2022-14R establishing the Ten Mile Creek Public Improvement District (the “PID”) in accordance with the provisions of Chapter 372 of the Texas Local Government Code (the “Public Improvement District Assessment Act” or “the PID Act”); and

WHEREAS, the City has heretofore levied assessments against property within Improvement Area #1 the PID, pursuant to Ordinance No. 2023-23 which ordinance also approved the Ten Mile Creek Public Improvement District Service and Assessment Plan and Assessment Roll related to Improvement Area #1, dated as of March 14, 2023 (the “Service and Assessment Plan and Improvement Area #1 Assessment Roll”); and

WHEREAS, the City has also heretofore levied assessments against property within the Major Improvement Area of the PID, pursuant to Ordinance No. 2023-22 which ordinance also approved the Ten Mile Creek Public Improvement District Service and Assessment Plan and Assessment Roll related to the Major Improvement Area, dated as of March 14, 2023 (the “Service and Assessment Plan and Major Improvement Area Assessment Roll”) [and, together with the Service and Assessment Plan and Improvement Area #1 Assessment Roll, the “Service and Assessment Plan and Assessment Rolls”]; and

WHEREAS, the Service and Assessment Plan and Assessment Rolls are required to be reviewed and updated annually as described in Sections 372.013 and 372.014 of the PID Act (the “Annual Service Plan Update”); and

WHEREAS, the Annual Service Plan Update, attached hereto as Exhibit A, including the Improvement Area #1 and the Major Improvement Area Assessment Rolls attached thereto, update the Service and Assessment Plan and Assessment Rolls to reflect prepayments, property divisions and changes to the budget allocation for the PID that occur during the year, if any; and

WHEREAS, the City Council desires and finds it to be in the public interest to adopt this Ordinance approving and adopting the Annual Service Plan Update and the updated Assessment Roll attached thereto, in compliance with the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1. All matters stated in the preamble are found to be true and correct and are incorporated herein as if copied in their entirety.

SECTION 2. The Ten Mile Creek Public Improvement District Annual Service Plan Update, attached hereto as Exhibit A and incorporated herein by reference, inclusive of the updated Assessment Rolls contained therein and made a part thereof, are hereby accepted and approved.

SECTION 3. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION 4. Should any sentence, paragraph, subdivision, clause, phrase or section of this Ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this Ordinance as a whole, or any part or provision thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of the Ordinance as a whole.

SECTION 5. This Ordinance shall take effect immediately after its passage and the publication of the caption, as the law and charter in such case provide. The City Secretary shall cause this Ordinance to be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

 Re: SAP Update - Wells North PID

Action Requested:

Consider and act upon an Ordinance of the City of Celina, Texas, approving the 2023-2024 Annual Service Plan update to the Service and Assessment Plan for the Wells North Public Improvement District and providing an effective date. (Bromiley)

Background Information:

The Wells North PID (a.k.a. "Bluewood") was created by the City Council pursuant to the PID Act and a resolution approved on February 9, 2016. The PID is bordered on the north by C.R. 88 (with the exception of approximately 10 acres situated directly north of the C.R. 88) and to the south by C.R. 83, and is situated east of State Highway 289 (Preston Road) and west of C.R. 86. The PID is anticipated to contain an estimated 833 single family residential units, 305 multifamily residential units, and 152,460 square feet of commercial space on approximately 244 acres within five phases. The PID annual installments in the Annual Service Plan update include amounts for the payment of principal and interest on the PID bonds and reimbursement agreement, if any, PID administrative expenses, additional interest for prepayment and delinquency reserves and as applicable, TIRZ annual credit amounts committed to pay a portion of the PID bond principal and interest. The Service Plan is prepared annually and presented to Council as required by Chapter 372 of the Texas Local Government Code.

I. INTRODUCTION

The Wells North Public Improvement District (the “PID”) was created pursuant to the PID Act and a resolution of the City Council on February 9, 2016 to finance certain public improvement projects for the benefit of the property in the PID. The City of Celina, Texas Special Assessment Revenue Bonds, Series 2016 (Wells North Public Improvement District Neighborhood Improvement Area #1 Project) (the “NIA #1 Bonds”) in the aggregate principal amount of \$6,425,000, and the City of Celina, Texas Special Assessment Revenue Bonds, Series 2016 (Wells North Public Improvement District Major Improvement Area Project) (the “MIA Bonds”) in the aggregate principal amount of \$3,235,000, were issued to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID. The City and the Developer entered into a reimbursement agreement in the aggregate amount of \$1,900,000 to finance, refinance, provide, or otherwise assist in the acquisition, construction, and maintenance of the public improvements provided for the benefit of the property in Neighborhood Improvement Area #2 of the PID (the “NIA #2 Reimbursement Agreement”).

On December 10, 2019, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2019 (Wells North Public Improvement District Neighborhood Improvement Area #2 Project) (the “NIA #2 Bonds”) in the aggregate principal amount of \$1,900,000 to fully reimburse the Developer for the unpaid balance of the NIA #2 Reimbursement Agreement.

The City and the Developer entered into a reimbursement agreement in the aggregate amount of \$995,000 to finance, refinance, provide, or otherwise assist in the acquisition, construction, and maintenance of the public improvements provided for the benefit of the property in Neighborhood Improvement Area #3 (the “NIA #3”) of the PID (the “NIA #3 Reimbursement Agreement”)

On October 13, 2020, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2020 (Wells North Public Improvement District Neighborhood Improvement Area #3-4 Project) (the “NIA #3-4 Bonds”) in the aggregate principal amount of \$3,060,000 to fully reimburse the Developer for the unpaid balance of the NIA #3 Reimbursement Agreement and to refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in Neighborhood Improvement Area #4 of the PID.

On June 8, 2021, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2021 (Wells North Public Improvement District Neighborhood Improvement Area #5 Project) (the “NIA #5 Bonds”) in the aggregate principal amount of \$1,860,000 to refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in Neighborhood Improvement Area #5 of the PID.

A service and assessment plan, as updated or amended from time to time, (the “Service and Assessment Plan”) was prepared at the direction of the City identifying the public improvements (the “Authorized Improvements”) to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. The Service and Assessment Plan was updated for NIA #2 on April 9, 2019 and December 10, 2019 to issue the NIA #2 Bonds, updated for NIA #3 and NIA #4 on May 12, 2020 and October 13, 2020, respectively, to issue the NIA #3-4 Bonds, and updated on June 8, 2021 to issue the NIA #5 Bonds (the “Updated Service and Assessment Plan”)

Pursuant to the PID Act, the Updated Service and Assessment Plan must be reviewed and updated annually for the purpose of determining the annual budget for the Authorized Improvements. This document is the annual update of the Updated Service and Assessment Plan for 2023-24 (the “Annual Service Plan Update”).

The City also adopted assessment rolls (the “Assessment Rolls”) identifying the Special Assessments on each Parcel of Assessed Property within the PID, based on the method of Assessment identified in the Updated Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Rolls for Annual Installments to be collected for 2023-24.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the “PID Assessment Notice”) as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix I and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchase before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Updated Service and Assessment Plan unless otherwise defined herein.

II. UPDATE OF THE SERVICE PLAN

A. UPDATED SOURCES AND USES FOR PUBLIC IMPROVEMENTS

NIA #1 Sources and Uses

Pursuant to the original Service and Assessment Plan adopted on March 29, 2016, the initial total estimated costs of the NIA #1 Improvements were equal to \$5,192,000 and the proportional share of the Major Improvements allocated to NIA #1 was \$1,231,000. As shown in the Developer's Quarterly Improvement Implementation Report dated as of December 31, 2018, the actual costs of the NIA #1 Authorized Improvements, including the proportional share of the Major Improvement costs, is \$6,457,710.

The NIA #1 Improvements were completed and accepted by the City in September 2017.

Table II-A-1 on the following page summarizes the updated sources and uses of funds required to (1) construct the NIA #1 Improvements and proportional share of the Major Improvements as well as the City of Celina Regional Park Improvements, (2) establish the PID, and (3) issue NIA #1 Bonds. The actual costs spent to date of the NIA #1 Improvements were provided by the Developer as part of the Updated Service and Assessment Plan. NIA #1 Improvement Cost Variances

As stated in Table II-A-1 above, there are no significant variances to the NIA #1 Improvement aggregate budget.

Major Improvement Area Sources and Uses

Pursuant to the original Service and Assessment Plan adopted on March 29, 2016, the initial total estimated costs of the Major Improvements applicable to property within the Major Improvement Area were equal to \$2,303,000. As shown in the Developer's Quarterly Improvement Implementation Report dated as of June 30, 2021, the current estimated actual costs of the Major Improvements are \$3,792,408.

The Major Improvements were completed and accepted by the City in September 2017.

Table II-A-2 on the following page summarizes the updated sources and uses of funds required to (1) construct the Major Improvements, (2) establish the PID, and (3) issue MIA Bonds. The actual costs spent to date of the Major Improvements were provided by the Developer in the Developer's Quarterly Improvement Implementation Report dated as of September 30, 2021. Major Improvement Area Cost Variances

According to the Developer's Quarterly Improvement Implementation Report dated as of September 30, 2021, overages are a result of upgraded construction specifications of certain projects. The overages were funded entirely by the Developer.

NIA #2 Sources and Uses

Pursuant to the original Service and Assessment Plan adopted on March 29, 2016 and updated for NIA #2 on April 9, 2019 and December 10, 2019, the initial total estimated costs of the NIA #2 Improvements were equal to \$2,877,835. As shown in the Developer's Quarterly Improvement Implementation Report dated as of September 30, 2020, the current estimated actual costs of the NIA #2 Authorized Improvements are \$2,966,841.

The NIA #2 Improvements were completed and accepted by the City on December 10, 2019.

Table II-A-3 below summarizes the updated sources and uses of funds required to (1) construct the NIA #2 Improvements, (2) establish the PID, and (3) issue NIA #2 Bonds. The actual costs spent to date of the NIA #2 Improvements were provided by the Developer in the Developer's Quarterly Improvement Implementation Report dated as of September 30, 2020. 3 - According to the Updated Service and Assessment Plan the Developer funded all costs not covered by the NIA #2 Bonds.

NIA #2 Improvement Cost Variances

As shown in Table II-A-3 above, there are budget overages for the NIA #2 Improvement aggregate budget. The overages were funded entirely by the Developer.

NIA #3 Sources and Uses

Pursuant to the original Service and Assessment Plan adopted on March 29, 2016 and updated for NIA #3 on May 12, 2020, the initial total estimated costs of the NIA #3 Improvements were equal to \$1,149,876. As described in the Updated Service and Assessment Plan, the current estimated actual costs of the NIA #3 Improvements are \$1,049,840.

According to the Updated Service and Assessment Plan, the NIA #3 Improvements were completed and accepted by the City in May 2020. For additional NIA #3 development-related information, refer to the link below:

NIA #3 Improvement Cost Variances

As stated in Table II-A-4 above, there was an increase from the initial estimated budget and the actual costs of the NIA #3 Improvements, including bond issuance costs. The increase was a result of NIA #3's portion of the NIA #3-4 Bond issuance costs.

NIA #4 Sources and Uses

Pursuant to the original Service and Assessment Plan adopted on March 29, 2016 and updated for NIA #4 on October 13, 2020, the initial total estimated costs of the NIA #4 Improvements were equal to \$2,538,325. As shown in the Developer's Quarterly Improvement Implementation Report dated as of March 31, 2022, the actual costs of the NIA #4 Improvements are \$2,490,663.

According to the Developer's Quarterly Improvement Implementation Report for NIA #3-4 as of March 31, 2022, the NIA #4 Improvements were completed and accepted by the City in January 2021.

The estimated actual costs spent to date of the NIA #4 Improvements were provided by the Developer in the Developer's Quarterly Improvement Implementation Report dated as of March 31, 2022. For additional NIA #4 development-related information, refer to the link below:

C. STATUS OF DEVELOPMENT

NIA #1 Development

According to the City, greater than 95 percent of the total building permits expected to be issued within NIA #1 have been issued as of June 18, 2023. Pursuant to Section 4 (a)(ii) of the NIA #1 Continuing Disclosure Agreement of the Issuer, the City is no longer responsible for reporting the number of new homes completed in NIA #1 of the PID in the Annual Service Plan Update.

Major Improvement Area Development

According to the City, 435 building permits have been issued for the Major Improvement Area of the PID as of June 18, 2023, representing 96.07 percent of the Major Improvement Area Special Assessments for the single family residential lots within the Major Improvement Area.

See Table II-C-1 below for the status of completed homes within the Major Improvement Area based on certificate of occupancy issuances, according to the City.

D. ANNUAL BUDGET – NIA #1

Neighborhood Improvement Area #1 - Annual Installments

The Special Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Special Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the NIA #1 Bonds, of which twenty-three (23) Annual Installments remain outstanding.

Pursuant to the Updated Service and Assessment Plan, each Special Assessment shall bear interest at the rate on the NIA #1 Bonds commencing with the issuance of the NIA #1 Bonds. The effective interest rate on the NIA #1 Bonds is 5.10 percent for 2023-24. Pursuant to Section 372.018 of the PID Act, the interest rate for that Special Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the NIA #1 Bonds (5.10 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Special Assessments. These payments, the “Annual Installments” of the Special Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Special Assessments, the Annual Installment due for 2023-24, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Updated Service and Assessment Plan and applicable Trust Indenture,

such capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the NIA #1 Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment reserve and delinquency reserve amounts as described in the Updated Service and Assessment plan and applicable Trust Indenture.

NIA #1 Annual Installments to be collected for 2023-24

The budget for NIA #1 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-D-1 below.

Table II-D-1

Trustee	\$2,750
Auditor	\$1,200
Dissemination Agent	\$3,500
Contingency	\$700
Total	\$35,150

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of \$28,051, which equals 0.5 percent interest on the outstanding NIA #1 Special Assessments balance of \$5,610,227.

Available Reserve Fund Income

As of May 31, 2023, the balance in the NIA #1 Reserve Fund was \$452,838, which includes the NIA #1 Bond Reserve Requirement of \$439,826 and an excess balance of \$13,011. There is also a sufficient balance in the Principal and Interest Account to pay debt service on September 1, 2023. Pursuant to Section 6.7 (d) of the NIA #1 Bond Trust Indenture, the excess balance of \$13,011 should be transferred to the NIA #1 Principal & Interest Account and used to pay interest on the NIA #1 Bonds on the next interest payment date. As a result, \$13,011 is available to pay a portion of the NIA #1 Bonds debt service.

Available Capitalized Interest Account

As of May 31, 2023, the Trustee reported that the Capitalized Interest Fund been fully expended. As a result, there is no credit to reduce the Annual Installment.

Available Administrative Expense Account

As of May 31, 2023, there was \$54,738 in the Administrative Expense Fund. Approximately \$54,738 is anticipated to be used for the payment of current year administrative expenses through January 31, 2024. As a result, there is not anticipated to be an excess balance available in the Administrative Expense Fund to reduce the Annual Installment.

E. ANNUAL INSTALLMENTS BY LOT TYPE - NIA #1

According to the Updated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the NIA #1 Bonds, to fund the Prepayment Reserve and Delinquency Reserve described in the Updated Service and Assessment Plan, and to cover Administrative Expenses of NIA #1.

The Annual Installment for 2023-24 will only be collected from the Assessed Property within NIA #1 that are shown in the Updated Service and Assessment Plan. The Annual Installment to be collected from each Lot Type in NIA #1 is determined using the percentage of Special Assessments for each Lot Type, including the HOA, as shown in Table II-E-1 below.

Table II-E-1
Allocation of Annual Installment to NIA #1 Parcels for 2023-24

Lot Size	Total 2023-24 Annual Installment	Allocation Percentage¹	Annual Installment Per Unit
50'	\$481,084	0.275%	\$1,324.27
60'	\$481,084	0.328%	\$1,575.89
70'	\$481,084	0.411%	\$1,976.70
HOA ²	\$481,084	0.000%	\$0.00

1 – Allocation percentages shown above are based on estimated build out values for NIA #1 lots, excluding prepaid Parcels, if any.

2 – The HOA lot prepaid its entire Special Assessment in December 2021. As a result, the HOA lot is not allocated a 2023-24 Annual Installment.

The list of Parcels within NIA #1 of the PID, the number of units to be developed on the current residential Parcels, the percentage of Special Assessments for each Parcel, the total outstanding Special Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix C.

F. ANNUAL BUDGET– MIA

Major Improvement Area - Annual Installments

The Special Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Special Assessment shall be payable in thirty Annual Installments of principal and interest

beginning with the tax year following the issuance of the MIA Bonds, of which twenty-three (23) Annual Installments remain outstanding.

Pursuant to the Updated Service and Assessment Plan, each Special Assessment shall bear interest at the rate on the MIA Bonds commencing with the issuance of the MIA Bonds. The effective interest rate on the MIA Bonds is 5.35 percent for 2023-24. Pursuant to Section 372.018 of the PID Act, the interest rate for that Special Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the MIA Bonds (5.35 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Special Assessments. These payments, the “Annual Installments” of the Special Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Special Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under an applicable Bond Ordinance, such as capitalized interest, interest earnings on any account balances, and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the MIA Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment reserve and delinquency reserve amounts as described in the Updated Service and Assessment plan and applicable Trust Indenture.

Major Improvement Area Annual Installments to be collected for 2023-24

The budget for the Major Improvement Area of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-F-1 on the following page.

As of May 31, 2023, the balance in the Major Improvement Area Reserve Fund was \$237,486, which includes the MIA Bond Reserve Requirement of \$230,663 and an excess balance of \$6,823. There is also a sufficient balance in the Principal and Interest Account to pay debt service on September 1, 2023. Pursuant to Section 6.7 (d) of the MIA Bond Trust Indenture, the excess balance of \$6,823 should be transferred to the Major Improvement Area Principal & Interest Account and used to pay interest on the MIA Bonds on the next interest payment date. As a result, \$6,823 is available to pay a portion of the MIA Bonds debt service.

Available Capitalized Interest Account

As of May 31, 2023, the Trustee reported that the Capitalized Interest Fund been fully expended. As a result, there is no credit to reduce the Annual Installment.

Available Administrative Expense Account

As of May 31, 2023, there was \$64,430 in the Administrative Expense Fund. Approximately \$57,430 of the current balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2024. As a result, there is anticipated to be an excess balance of \$7,000 available in the Administrative Expense Fund to reduce the Annual Installment.

G. ANNUAL INSTALLMENTS BY LOT TYPE - MIA

According to the Updated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the MIA Bonds, to fund the Prepayment Reserve and Delinquency Reserve described in the Updated Service and Assessment Plan, and to cover Administrative Expenses of the Major Improvement Area.

The Annual Installment for 2023-24 will only be collected from the Assessed Property within the Major Improvement Area that are shown in the Updated Service and Assessment Plan. The Annual Installment to be collected from each Lot Type in the Major Improvement Area is determined using the percentage of Special Assessments for each Lot Type, including the HOA, as shown in Table II-G-1 below.

1- The allocation percentages and Annual Installments per Units are first allocated to each Neighborhood Improvement Area within the Major Improvement Area and then allocated between lot sizes.

2 – The HOA lot prepaid its entire Special Assessment in December 2021. As a result, the HOA lot is not allocated a 2023-24 Annual Installment.

The list of Parcels within the MIA of the PID, the number of units to be developed on the current residential Parcels, the corresponding allocation percentage, the total outstanding Special Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix D.

H. ANNUAL BUDGET – NIA #2

The Special Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Special Assessment shall be payable in thirty-one annual installments of principal and interest. Collection of the initial Annual Installments relating to the NIA #2 Improvements commenced following the recording of the final plat for NIA #2A. The first NIA #2 Annual Installment was due on January 31, 2020 and twenty-six (26) Annual Installments remain outstanding.

Pursuant to the Updated Service and Assessment Plan, each Special Assessment shall bear interest at the rate on the NIA #2 Bonds commencing with the issuance of the NIA #2 Bonds. The effective interest rate on the NIA #2 Bonds is 3.71 percent for 2023-24. Pursuant to Section 372.018 of the PID Act, the interest rate for that Special Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the NIA #2 Bonds (3.71 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Special Assessments. These payments, the “Annual Installments” of the Special Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Special Assessments, the Annual Installment due for 2023-24, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Updated Service and Assessment Plan and applicable Trust Indenture, such capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the unpaid balance of the NIA #2 Bonds and any accrued interest thereon from the collection of the Annual Installments in accordance with the NIA #2 Assessment Roll. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of such Annual Installments.

NIA #2 Annual Installments to be collected for 2023-24

The budget for NIA #2 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-H-1 on the following page.

Available Reserve Fund Income

As of May 31, 2023, the balance in the NIA #2 Reserve Fund was \$135,265, which includes the NIA #2 Bond Reserve Requirement of \$132,783 and an excess balance of \$2,482. There is also a sufficient balance in the Principal and Interest Account to pay debt service on September 1, 2023. Pursuant to Section 6.7 (d) of the NIA #2 Bond Trust Indenture, the excess balance of \$2,482 should be transferred to the NIA #2 Principal & Interest Account and used to pay interest on the NIA #2 Bonds on the next interest payment date. As a result, \$2,482 is available to pay a portion of the NIA #2 Bonds debt service.

Available Capitalized Interest Account

As of May 31, 2023, there was no capitalized interest amount available. As a result, there is no credit to reduce the Annual Installment.

Available Administrative Expense Account

As of May 31, 2023, the balance in the Administrative Expense Fund was \$53,593. Approximately \$53,593 of the current balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2024. As a result, there is not anticipated to be an excess balance available in the Administrative Expense Fund to reduce the Annual Installment.

I. ANNUAL INSTALLMENTS BY LOT TYPE - NIA #2

According to the Updated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the NIA #2 Bonds, to fund the Prepayment Reserve and Delinquency Reserve described in the Updated Service and Assessment Plan, and to cover Administrative Expenses of NIA #2.

The Annual Installment for 2023-24 will only be collected from the Assessed Property within NIA #2 that are shown in the Updated Service and Assessment Plan. The Annual Installment to be collected from each Lot Type in NIA #2 is determined using the percentage of Special Assessments for each Lot Type, including the HOA, as shown in Table II-I-1 below.

J. ANNUAL BUDGET – NIA #3

The Special Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Special Assessment shall be payable in thirty annual installments of principal and interest. Collection of the initial Annual Installments relating to the NIA #3 Improvements commenced following the recording of the final plat for NIA #3. The first NIA #3 Annual Installment was due on January 31, 2021 and twenty-seven (27) Annual Installments remain outstanding.

Pursuant to the Updated Service and Assessment Plan, each Special Assessment shall bear interest at the rate on the NIA #3-4 Bonds commencing with the issuance of the NIA #3-4 Bonds. The effective interest rate on the NIA #3 portion of the NIA #3-4 Bonds is 3.76 percent for 2023-24. Pursuant to Section 372.018 of the PID Act, the interest rate for that Special Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the NIA #3 portion of the NIA #3-4 Bonds (3.76 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Special

Assessments. These payments, the “Annual Installments” of the Special Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Special Assessments, the Annual Installment due for 2023-24, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Updated Service and Assessment Plan and applicable Trust Indenture, such capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the unpaid balance of the NIA #3 portion of the NIA #3-4 Bonds and any accrued interest thereon from the collection of the Annual Installments in accordance with the NIA #3 Assessment Roll. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of such Annual Installments.

NIA #3 Annual Installments to be collected for 2023-24

The budget for NIA #3 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-J-1 below.

Table II-J-1
Budget for the NIA #3 Annual Installments
to be Collected for 2023-24

Descriptions	NIA #3 portion of the NIA #3-4 Bonds

Debt Service Payments

Annual Installments to be collected for principal and interest for the NIA #3 portion of the NIA #3-4 Bonds include interest due on March 1, 2024 in the amount of \$17,222 and September 1, 2024 in the amount of \$17,222, which equal interest on the outstanding Special Assessments balance of \$915,350 for six months each at an effective interest rate of 3.76 percent. Annual Installments to be collected include a principal amount of \$20,000 due on September 1, 2024. As a result, total Annual Installment to be collected for principal and interest for the NIA #3 portion of the NIA #3-4 Bonds in 2023-24 is equal to \$54,443.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, auditor, dissemination agent and contingency fees. As shown in Table II-J-2 below, the total administrative expenses to be collected for 2023-24 are estimated to be \$20,600.

Table II-J-2
Administrative Budget Breakdown

Description	2023-24
	Estimated Budget (9/1/23-8/31/24)

Excess Interest for Additional Interest Reserve Fund

Annual Installments to be collected for excess interest for additional interest reserves in the amount of \$4,577, which equals 0.5 percent interest on the outstanding NIA #3 Special Assessments balance of \$915,350.

Available Reserve Fund Income

As of May 31, 2023, the balance in the NIA #3-4 Reserve Fund was \$225,639, which includes the NIA #3-4 Bond Reserve Requirement of \$219,678 and an excess balance of \$5,961. There is also a sufficient balance in the Principal and Interest Account to pay debt service on September 1, 2023. Pursuant to Section 6.7 (d) of the NIA #3-4 Bond Trust Indenture, the excess balance of \$5,961 should be transferred to the NIA #3-4 Principal & Interest Account and used to pay interest on the NIA #3-4 Bonds on the next interest payment date. The NIA #3 Special Assessments represent

32.13 percent of the total NIA #3-4 Special Assessments. As a result, \$1,915 ($\$5,961 \times 32.13\% = \$1,915$) is available to pay a portion of the NIA #3 share of the NIA #3-4 Bonds debt service.

Available Capitalized Interest Account

As of May 31, 2023, there was no capitalized interest amount available. As a result, there is no credit to reduce the Annual Installment.

Available Administrative Expense Account

As of May 31, 2023, there was \$71,100 in the NIA #3-4 Administrative Expense Fund. Approximately \$66,100 of the current balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2024. As a result, there is anticipated to be an excess balance of \$5,000 available in the Administrative Expense Fund to reduce the Annual Installment.

K. ANNUAL INSTALLMENTS BY LOT TYPE - NIA #3

According to the Updated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on NIA #3's share of the NIA #3-4 Bonds, to fund the Prepayment Reserve and Delinquency Reserve described in the Updated Service and Assessment Plan, and to cover Administrative Expenses of NIA #3.

The Annual Installment for 2023-24 will only be collected from the Assessed Property within NIA #3 that are shown in the Updated Service and Assessment Plan. The Annual Installment to be collected from each Lot Type in NIA #3 is determined using the percentage of Special Assessments for each Lot Type, including the HOA, as shown in Table II-K-1 below.

Table II-K-1

1 - Allocation percentage is shown on a per unit basis, excluding prepaid Parcels, if any.

2 - The HOA lot prepaid its entire Special Assessment in December 2021. As a result, the HOA lot is not allocated a 2023-24 Annual Installment.

The list of Parcels within NIA #3 of the PID, the number of units to be developed on the current residential Parcels, the percentage of Special Assessments for each Parcel, the total outstanding Special Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix F.

L. ANNUAL BUDGET – NIA #4

The Special Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Special Assessment shall be payable in twenty-nine annual installments of principal and interest. Collection of the initial Annual Installments relating to the NIA #4 Improvements commenced following the recording of the final plat for NIA #4. The final plat for NIA #4 was recorded on January 26, 2021. The first NIA #4 Annual Installments are due on January 31, 2022 and twenty-seven (27) Annual Installments remain outstanding.

Pursuant to the Updated Service and Assessment Plan, each Special Assessment shall bear interest at the rate on the NIA #3-4 Bonds commencing with the issuance of the NIA #3-4 Bonds. The effective interest rate on the NIA #4 portion NIA #3-4 Bonds is 3.76 percent for 2023-24. Pursuant to Section 372.018 of the PID Act, the interest rate for that Special Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the NIA #4 portion of the NIA #3-4 Bonds (3.76) plus an additional interest of one-half of one percent are used to calculate the interest on the Special Assessments. These payments, the “Annual Installments” of the Special Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Special Assessments, the Annual Installment due for 2023-24, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Updated Service and Assessment Plan and applicable Trust Indenture, such capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the unpaid balance of the NIA #4 portion of the NIA #3-4 Bonds and any accrued interest thereon from the collection of the Annual Installments in accordance with the NIA #4 Assessment Roll. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of such Annual Installments.

NIA #4 Annual Installments to be collected for 2023-24

The budget for NIA #4 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-L-1 on the following page.

Debt Service Payments

Annual Installments to be collected for principal and interest for the NIA #4 portion of the NIA #3-4 Bonds include interest due on March 1, 2024 in the amount of \$36,383 and September 1, 2024 in the amount of \$36,383, which equal interest on the outstanding Special Assessments balance of \$1,933,829 for six months each at an effective interest rate of 3.76 percent. Annual Installments to be collected include a principal amount of \$45,000 due on September 1, 2024. As a result, total Annual Installment to be collected for principal and interest for the NIA #4 portion of the NIA #3-4 Bonds in 2023-24 is equal to \$117,767.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, auditor, dissemination agent and contingency fees. As shown in Table II-L-2 on the following page, the total administrative expenses to be collected for 2023-24 are estimated to be \$26,500.

Total	\$26,500

Excess Interest for Additional Interest Reserve Fund

Annual Installments to be collected for excess interest for additional interest reserves in the amount of \$9,669, which equals 0.5 percent interest on the outstanding NIA #4 Special Assessments balance of \$1,933,829.

Available Reserve Fund Income

As of May 31, 2023, the balance in the NIA #3-4 Reserve Fund was \$225,639, which includes the NIA #3-4 Bond Reserve Requirement of \$219,678 and an excess balance of \$5,961. There is also a sufficient balance in the Principal and Interest Account to pay debt service on September 1, 2023. Pursuant to Section 6.7 (d) of the NIA #3-4 Bond Trust Indenture, the excess balance of \$5,961 should be transferred to the NIA #3-4 Principal & Interest Account and used to pay interest on the NIA #3-4 Bonds on the next interest payment date. The NIA #4 Special Assessments represent 67.87 percent of the total NIA #3-4 Special Assessments. As a result, \$4,046 ($\$5,961 \times 67.87\% = \$4,046$) is available to pay a portion of the NIA #4 share of the NIA #3-4 Bonds debt service.

Available Capitalized Interest Account

As of May 31, 2023, there was no capitalized interest amount available. As a result, there is no credit to reduce the Annual Installment.

Available Administrative Expense Account

As of May 31, 2023, there was \$71,100 in the NIA #3-4 Administrative Expense Fund. Approximately \$66,100 of the current balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2024. As a result, there is anticipated to be an excess balance of \$10,000 available in the Administrative Expense Fund to reduce the Annual Installment.

M. ANNUAL INSTALLMENTS BY LOT TYPE - NIA #4

According to the Updated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on NIA #4's share of the NIA #3-4 Bonds, to fund the Prepayment Reserve and Delinquency Reserve described in the Updated Service and Assessment Plan, and to cover Administrative Expenses of NIA #4.

The Annual Installment for 2023-24 will only be collected from the Assessed Property within NIA #4 that are shown in the Updated Service and Assessment Plan. The Annual Installment to be collected from each Lot Type in NIA #4 is determined using the percentage of Special Assessments for each Lot Type, including the HOA, as shown in Table II-M-1 below.

Table II-M-1
Allocation of Annual Installment to NIA #4 Parcels for 2023-24

Lot Size	Total 2023-24 Annual Installment	Allocation Percentage ¹	Annual Installment Per Unit
50'	\$139,890	0.628%	\$878.67
60'	\$139,890	0.748%	\$1,046.36
70'	\$139,890	0.844%	\$1,180.51
HOA ²	\$139,890	0.000%	\$0.00

¹ - Allocation percentage is shown on a per unit basis, excluding prepaid Parcels, if any.

² - The HOA lot prepaid its entire Special Assessment in December 2021. As a result, the HOA lot is not allocated a 2023-24 Annual Installment.

The list of Parcels within NIA #4 of the PID, the number of units to be developed on the current residential Parcels, the percentage of Special Assessments for each Parcel, the total outstanding Special Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix G.

N. ANNUAL BUDGET – NIA #5

The Special Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Special Assessment shall be payable in thirty annual installments of principal and interest. Collection of the initial Annual Installments relating to the NIA #5 Improvements will commence following the issuance of the NIA #5 Bonds. The NIA #5 Bonds were issued in June 2021. The first NIA #5 Annual Installments were due on January 31, 2022 and twenty-eight (28) Annual Installments remain outstanding.

Pursuant to the Updated Service and Assessment Plan, each Special Assessment shall bear interest at the rate on the NIA #5 Bonds commencing with the issuance of the NIA #5 Bonds. The effective interest rate on the NIA #5 Bonds is 3.10 percent for 2023-24. Pursuant to Section 372.018 of the PID Act, the interest rate for that Special Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate

on the NIA #5 Bonds (3.10 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Special Assessments. These payments, the “Annual Installments” of the Special Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Special Assessments, the Annual Installment due for 2023-24, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Updated Service and Assessment Plan and applicable Trust Indenture, such capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the unpaid balance of the NIA #5 Bonds and any accrued interest thereon from the collection of the Annual Installments in accordance with the NIA #5 Assessment Roll. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of such Annual Installments.

NIA #5 Annual Installments to be collected for 2023-24

The budget for NIA #5 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-N-1 below.

Table II-N-1
Budget for the NIA #5 Annual Installments
to be Collected for 2023-24

Descriptions	NIA #5 Bonds

Available Administrative Expense account	\$0
<i>Subtotal funds available</i>	<i>(\$4,362)</i>
Annual Installments	\$124,573

Debt Service Payments

Annual Installments to be collected for principal and interest on the NIA #5 Bonds include interest due on March 1, 2024 in the amount of \$27,075 and September 1, 2024 in the amount of \$27,075, which equal interest on the outstanding Special Assessments balance of \$1,746,950 for six months each at an effective interest rate of 3.10 percent. Annual Installments to be collected include a principal amount of \$40,000 due on September 1, 2024. As a result, the total Annual Installment to be collected for principal and interest for the NIA #5 Bonds in 2023-24 is equal to \$94,151.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, auditor, dissemination agent and contingency fees. As shown in Table II-N-2 below, the total administrative expenses to be collected for 2023-24 are estimated to be \$26,050.

Table II-N-2
Administrative Budget Breakdown

Description	2023-24
	Estimated Budget (9/1/23-8/31/24)
City	\$6,000
PID Administrator	\$12,100
Trustee	\$2,750
Auditor	\$1,200
Dissemination Agent	\$3,500
Contingency	\$500
Total	\$26,050

Excess Interest for Additional Interest Reserve Fund

Annual Installments to be collected for excess interest for additional interests reserves in the amount of \$8,735, which equals 0.5 percent interest on the outstanding NIA #5 Special Assessments balance of \$1,746,950.

Available Reserve Fund Income

As of May 31, 2023, the balance in the NIA #5 Reserve Fund was \$125,299, which includes the NIA #5 Bond Reserve Requirement of \$120,937 and an excess balance of \$4,362. There is also a sufficient balance in the Principal and Interest Account to pay debt service on September 1, 2023. Pursuant to Section 6.7 (d) of the NIA #5 Bond Trust Indenture, the excess balance of \$4,362 should be transferred to the NIA #5 Principal & Interest Account and used to pay interest on the NIA #5 Bonds on the next interest payment date. As a result, \$4,362 is available to pay a portion of the NIA #5 Bonds debt service.

Available Capitalized Interest Account

As of May 31, 2023, there was no capitalized interest amount available. As a result, there is no credit to reduce the Annual Installment.

Available Administrative Expense Account

As of May 31, 2023, the balance in the Administrative Expense Fund was \$16,352. The current balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2024. As a result, there are no funds available in the Administrative Expense Fund to reduce the NIA #5 2023-24 Annual Installment.

O. ANNUAL INSTALLMENTS BY LOT TYPE - NIA #5

According to the Updated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the NIA #5 Bonds, to fund the Prepayment Reserve and Delinquency Reserve described in the Updated Service and Assessment Plan, and to cover Administrative Expenses of NIA #5.

The Annual Installment for 2023-24 will only be collected from the Assessed Property within NIA #5 that are shown in the Updated Service and Assessment Plan. The Annual Installment to be collected from each Lot Type in NIA #5 is determined using the percentage of Special Assessments for each Lot Type, including the HOA, as shown in Table II-O-1 below.

HOA ²	\$124,573	0.000%	\$0.00

1 - Allocation percentage is shown on a per unit basis, excluding prepaid Parcels, if any.

2 – The HOA lot prepaid its entire Special Assessment in December 2021. As a result, the HOA lot is not allocated a 2023-24 Annual Installment.

The list of Parcels within NIA #5 of the PID, the number of units to be developed on the current residential Parcels, the percentage of Special Assessments for each Parcel, the total outstanding Special Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix H.

P. BOND REDEMPTION RELATED UPDATES

NIA #1 Bonds

The Phase #1 Bonds were issued in 2016. Pursuant to Section 4.3 of the Trust Indenture relating to the NIA #1 Bonds, the City reserves the right and option to redeem the NIA #1 Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2022**, through August 31, 2025 such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the NIA #1 Bonds is warranted. The Administrator will monitor the refunding market conditions and work with City staff and other City consultants to determine appropriate refunding steps.

MIA Bonds

The MIA Bonds were issued in 2016. Pursuant to Section 4.3 of the Trust Indenture, the City reserves the right and option to redeem the MIA Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2022** through August 31, 2025, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the MIA Bonds is warranted. The Administrator will monitor the refunding market conditions and work with City staff and other City consultants to determine appropriate refunding steps.

NIA #2 Bonds

The NIA #2 Bonds were issued in 2019. Pursuant to Section 4.3 of the Trust Indenture relating to the NIA #2 Bonds, the City reserves the right and option to redeem the NIA #2 Bonds maturing on or after September 1, 2020 before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2030**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the NIA #2 Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

NIA #3-4 Bonds

The NIA #3-4 Bonds were issued in 2020. Pursuant to Section 4.3 of the Trust Indenture relating to the NIA #3-4 Bonds, the City reserves the right and option to redeem the NIA #3-4 Bonds maturing on or after September 1, 2040 before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2030**, at the Redemption Price.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the NIA #3-4 Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

NIA #5 Bonds

The NIA #5 Bonds were issued in 2031. Pursuant to Section 4.3 of the Trust Indenture relating to the NIA #5 Bonds, the City reserves the right and option to redeem the NIA #5 Bonds maturing on or after September 1, 2037 before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2028**, at the Redemption Price.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the NIA #2 Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

III. UPDATE OF THE ASSESSMENT PLAN

The Updated Service and Assessment Plan adopted by the City Council describes that the Authorized Improvement costs shall be allocated to the Assessed Property equally based on the equivalent number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property, as updated in prior Annual Service Plan Updates, has not been changed and Assessed Property will continue to be assessed as provided for in the Updated Service and Assessment Plan.

(The remainder of this page is intentionally left blank)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the Updated Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

- (i) the identification of each Parcel (ii) the Special Assessment for each Parcel of Assessed Property, including any adjustments authorized by the Updated Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Special Assessment is payable in installments); and (iv) payments of the Special Assessment, if any, as provided by Section VI.I of the Updated Service and Assessment Plan.

The summary of updated Assessment Rolls is shown in Appendix C, D, E, F, G, and H of this report. Each Parcel in the PID is identified, along with the Special Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Special Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Updated Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Special Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = [B \times (C \div D)]/E$$

Where the terms have the following meanings:

A = the Assessment for the new subdivided Lot

B = the Assessment for the Parcel prior to subdivision

C = the sum of the estimated As-Built Assessed Value of all new subdivided Lots with same Lot Type

D = the sum of the estimated As-Built Assessed Value for all of the new subdivided Lots excluding Non-Benefitted Property

E = the number of Lots with same Lot Type

Prior to the recording of a subdivision plat, the Developer shall provide the City an estimated As-Built Assessed Value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat considering factors such as density, lot size, proximity to amenities, view premiums, location, market conditions, historical sales, discussions with homebuilders, and any other factors that may impact future as-built Lot value and any other information available to the Developer. The calculation of the estimated As-Built Lot value for a Lot shall be performed by the Administrator and confirmed by the City Council based on information provided by the Developer, homebuilders, third party consultants, and/or the Official Public Records of Collin County, Texas regarding the Lot.

The sum of the Special Assessments for all newly subdivided Lots shall not exceed the Special Assessment for the portion of the Assessed Property subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Assessed Property. The reallocation of a Special Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Special Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to the Updated Service and Assessment Plan approved by the City Council.

NIA #1 Parcel Related Updates

According to the Developer and the Collin Central Appraisal District records, NIA #1 of the PID was completely subdivided in 2017, and the Special Assessments allocated proportionally according to Lot Type.

NIA #2 Parcel Related Updates

According to the Developer and the Collin Central Appraisal District records, NIA #2 of the PID was completely subdivided in 2019, and the Special Assessments allocated proportionally according to Lot Type.

NIA #3 Parcel Related Updates

According to the Developer and the Collin Central Appraisal District records, NIA #3 of the PID was completely subdivided in 2020, and the Special Assessments allocated proportionally according to Lot Type.

NIA #4 Parcel Related Updates

According to the Developer and the Collin Central Appraisal District records, NIA #4 of the PID was completely subdivided in 2020, and the Special Assessments allocated proportionally according to Lot Type.

NIA #5 Parcel Related Updates

According to the Developer and the Collin Central Appraisal District records, NIA #5 of the PID was completely subdivided in 2021, and the Special Assessments allocated proportionally according to Lot Type.

PID Assessment Notice

NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT ASSESSMENT TO
THE CITY OF CELINA, TEXAS
CONCERNING THE FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the Wells North Public Improvement District (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City or MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF CELINA APPROVING THE ANNUAL UPDATE OF THE SERVICE AND ASSESSMENT PLAN AND ASSESSMENT ROLLS FOR THE WELLS NORTH PUBLIC IMPROVEMENT DISTRICT IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE §372.013, AS AMENDED; CONTAINING A CUMMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, on February 9, 2016, the City Council of the City of Celina, Texas (the “City”) approved Resolution No. 2016-12R establishing the Wells North Public Improvement District (the “PID”) in accordance with the provisions of Chapter 372 of the Texas Local Government Code (the “Public Improvement District Assessment Act” or “the PID Act”); and

WHEREAS, the City has heretofore levied assessments against property within Neighborhood Improvement Area #1 of the PID, pursuant to Ordinance No. 2016-20 which ordinance also approved the Wells North Public Improvement District Service and Assessment Plan and Assessment Roll related to Neighborhood Improvement Area #1, dated as of March 29, 2016, (the “Service and Assessment Plan and Neighborhood Improvement Area #1 Assessment Roll”); and

WHEREAS, the City has also heretofore levied assessments against property within the Major Improvement Area of the PID, pursuant to Ordinance No. 2016-19 which ordinance also approved the Wells North Public Improvement District Service and Assessment Plan and Assessment Roll related to the Major Improvement Area, dated as of March 29, 2016 (the “Service and Assessment Plan and Major Improvement Area Assessment Roll”); and

WHEREAS, the City has also heretofore levied assessments against property within Neighborhood Improvement Area #2 of the PID, pursuant to Ordinance No. 2019-12 which ordinance also approved the Wells North Public Improvement District Service and Assessment Plan and Assessment Roll related to Neighborhood Improvement Area #2, dated as of April 9, 2019 (the “Updated Service and Assessment Plan and Neighborhood Improvement Area #2 Assessment Roll”); and

WHEREAS, the City has also heretofore levied assessments against property within Neighborhood Improvement Area #3 of the PID, pursuant to Ordinance No. 2020-32 which ordinance also approved the Wells North Public Improvement District Service and Assessment Plan and Assessment Roll related to Neighborhood Improvement Area #3, dated as of May 12, 2020 (the “Updated Service and Assessment Plan and Neighborhood Improvement Area #3 Assessment Roll”); and

WHEREAS, the City has also heretofore levied assessments against property within Neighborhood Improvement Area #4 of the PID, pursuant to Ordinance No. 2020-93 which ordinance also approved the Wells North Public Improvement District Service and Assessment

Plan and Assessment Roll related to Neighborhood Improvement Area #4, dated as of October 13, 2020 (the “Updated Service and Assessment Plan and Neighborhood Improvement Area #4 Assessment Roll”); and

WHEREAS, the City has also heretofore levied assessments against property within Neighborhood Improvement Area #5 of the PID, pursuant to Ordinance No. 2021-49 which ordinance also approved the Wells North Public Improvement District Service and Assessment Plan and Assessment Roll related to Neighborhood Improvement Area #5, dated as of June 8, 2021 (the “Updated Service and Assessment Plan and Neighborhood Improvement Area #5 Assessment Roll”); [and, together with the Service and Assessment Plan and Neighborhood Improvement Area #1, Major Improvement Area, Neighborhood Improvement Area #2, Neighborhood Improvement Area #3, and Neighborhood Improvement Area #4 Assessment Rolls, the “Updated Service and Assessment Plan and Assessment Rolls”]; and

WHEREAS, the Updated Service and Assessment Plan and Assessment Rolls are required to be reviewed and updated annually as described in Sections 372.013 and 372.014 of the PID Act (the “Annual Service Plan Update”); and

WHEREAS, the Annual Service Plan Update, attached hereto as Exhibit A, including the Neighborhood Improvement Area #1, Major Improvement Area, Neighborhood Improvement Area #2, Neighborhood Improvement Area #3, Neighborhood Improvement Area #4, and Neighborhood Improvement Area #5 Assessment Rolls (the “Assessment Rolls”) attached thereto, update the Updated Service and Assessment Plan and Assessment Rolls to reflect prepayments, property divisions and changes to the budget allocation for the PID that occur during the year, if any; and

WHEREAS, the City Council desires and finds it to be in the public interest to adopt this Ordinance approving and adopting the Annual Service Plan Update and the updated Assessment Rolls attached thereto, in compliance with the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1. All matters stated in the preamble are found to be true and correct and are incorporated herein as if copied in their entirety.

SECTION 2. The Wells North Public Improvement District Annual Service Plan Update, attached hereto as Exhibit A and incorporated herein by reference, inclusive of the updated Assessment Rolls contained therein and made a part thereof, are hereby accepted and approved.

SECTION 3. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION 4. Should any sentence, paragraph, subdivision, clause, phrase or section of this Ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this Ordinance as a whole, or any part or provision thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of the Ordinance as a whole.

SECTION 5. This Ordinance shall take effect immediately after its passage and the publication of the caption, as the law and charter in such case provide. The City Secretary shall cause this Ordinance to be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Re: SAP Update - Wells South PID

Action Requested:

Consider and act upon an Ordinance of the City of Celina, Texas, approving the 2023-2024 Annual Service Plan update to the Service and Assessment Plan for the Wells South Public Improvement District and providing an effective date. (Bromiley)

Background Information:

The Wells South PID (a.k.a. "Lilyana") was created by the City Council pursuant to the PID Act and a resolution approved on July 14, 2015. The PID is in the northeast quadrant of the intersection of Frontier Parkway (FM-1461) and Coit Road (CR-83). The PID is anticipated to contain an estimated 1,307 single family residential units, 50 town homes, and 53,143 square feet of commercial space on approximately 400.524 acres in seven phases. The PID annual installments in the Annual Service Plan update include amounts for the payment of principal and interest on the PID bonds and reimbursement agreement, if any, PID administrative expenses, additional interest for prepayment and delinquency reserves and as applicable, TIRZ annual credit amounts committed to pay a portion of the PID bond principal and interest. The Service Plan is prepared annually and presented to Council as required by Chapter 372 of the Texas Local Government Code.

I. INTRODUCTION

Wells South Public Improvement District (the “PID”) was created pursuant to the PID Act and a resolution of the City Council on July 14, 2015 to finance certain public improvement projects for the benefit of the property in the PID. The City of Celina, Texas Special Assessment Revenue Bonds, Series 2015 (Wells South Public Improvement District Neighborhood Improvement Area #1 (NIA #1) Project) (the “NIA #1 Bonds”) in the aggregate principal amount of \$5,790,000, The City of Celina, Texas Special Assessment Revenue Bonds, Series 2015 (Wells South Public Improvement District Major Improvement Area (MIA) Project) (the “MIA Bonds”) in the aggregate principal amount of \$8,040,000, were issued to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID. In addition, the prorated share of the City Contributed Major Improvements in the total amount of \$2,075,000 is secured by Special Assessments. The City and the Developer entered into a reimbursement agreement in the aggregate amount of \$2,215,000 to finance, refinance, provide, or otherwise assist in the acquisition, construction, and maintenance of the public improvements provided for the benefit of the property in Neighborhood Improvement Area #2A of the PID (the NIA #2A Reimbursement Agreement”).

On September 8, 2020, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2020 (Wells South Public Improvement District Neighborhood Improvement Area #2-3 Project) (the “NIA #2-3 Bonds”) in the aggregate principal amount of \$3,195,000 to fully reimburse the Developer for the unpaid balance of the NIA #2A Reimbursement Agreement and to refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in Neighborhood Improvement Area #3 of the PID.

On September 26, 2021, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2021 (Wells South Public Improvement District Neighborhood Improvement Area #4 Project) (the “NIA #4 Bonds”) in the aggregate principal amount of \$5,255,000 to finance, provide, or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in Neighborhood Improvement Area #4 of the PID.

On September 13, 2022, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2022 (Wells South Public Improvement District Neighborhood Improvement Area #5 Project) (the “NIA #5 Bonds”) in the aggregate principal amount of \$6,463,000 to finance, provide, or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in Neighborhood Improvement Area #5 of the PID.

A Service and Assessment plan (the “Service and Assessment Plan”) was prepared at the direction of the City identifying the public improvements (the “Authorized Improvements”) to be provided through the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs

of the Authorized Improvements. The Service and Assessment Plan was updated for NIA #5 on September 12, 2022, to issue the NIA #5 Bonds (the “Amended and Restated Service and Assessment Plan”) Pursuant to Chapter 372, Texas Local Government Code, the Service and Assessment Plan must be reviewed and updated annually. This document is the annual update of the Service and Assessment Plan for 2023-24 (the “Annual Service Plan Update”).

The City also adopted Assessment Rolls (the “Assessment Rolls”) identifying the Special Assessments on each Parcel of Assessed Property within the PID, based on the method of Assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Rolls for 2023-24.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the “PID Assessment Notice”) as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix I and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchase before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms not otherwise defined in this Annual Service Plan Update shall have the meanings assigned to them in the Amended and Restated Service and Assessment Plan.

II. UPDATE OF THE SERVICE PLAN

A. UPDATED SOURCES AND USES FOR PUBLIC IMPROVEMENTS

NIA #1 Improvements Sources and Uses

Pursuant to the original Service and Assessment Plan adopted on December 7, 2016, the initial total estimated costs of the NIA #1 Improvements were equal to \$3,933,000 and the proportional share of the Major Improvements allocated to NIA #1 was \$612,000. As shown in the Developer's Quarterly Improvement Implementation Report dated as of March 31, 2019, the current estimated costs of the NIA #1 Authorized Improvements, including the proportional share of the Major Improvement costs, is \$5,733,903.

According to the City, the NIA #1 Improvements were completed and accepted by the City in March 2017.

Table II-A on the following page summarizes the updated sources and uses of funds required to (1) construct the NIA #1 Improvements and proportional share of the Major Improvements, (2) establish the PID, and (3) issue NIA #1 Bonds. The actual costs spent to date of the NIA #1 Improvements were provided by the Developer in the Developer's Quarterly Improvement Implementation Report dated as of March 31, 2019.

NIA #5 Cost Variances

As stated in Table II-F on the previous page, there was no increase in actual costs for NIA #5 as currently submitted by the Developer. Revisions to the actual costs will be reflected in future updates to the Amended and Restated Service and Assessment Plan.

B. FIVE YEAR SERVICE PLAN

According to the PID Act, a service plan must cover a period of five years. For additional development and improvement related information, refer to the links provided in Section II.A. of this report. All of the Authorized Improvements are expected to be built within a period of five years. The estimated budget for the Authorized Improvements within each Neighborhood Improvement Area is shown in Section II.A, and the Annual Installments expected to be collected for these costs are shown by Table II-G below.

D. ANNUAL BUDGET – NIA #1

Neighborhood Improvement Area #1 - Annual Installments

The Special Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Special Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the NIA #1 Bonds, of which twenty-two (22) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Special Assessment shall bear interest at the rate on the NIA #1 Bonds commencing with the issuance of the NIA #1 Bonds. The effective interest rate on the NIA #1 Bonds is 6.25 percent for 2023-24. Pursuant to Section 372.018 of the PID Act, the interest rate for that Special Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the NIA #1 Bonds (6.25 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Special Assessments. These payments, the “Annual Installments”

of the Special Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Special Assessments, the Annual Installment due for 2023-24, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and applicable Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the NIA #1 Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment reserve and delinquency reserve amounts as described in the Service and Assessment plan and applicable Trust Indenture.

NIA #1 Annual Installments to be collected for 2023-24

The budget for NIA #1 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-K below.

Table II-K

F. ANNUAL BUDGET – MIA

MIA - Annual Installments

The Special Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Special Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the MIA Bonds of which twenty-two (22) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Special Assessment shall bear interest at the rate on the MIA Bonds commencing with the issuance of the MIA Bonds. The effective interest rate on the MIA Bonds is 7.50 percent for 2023-24. Pursuant to Section 372.018 of the PID Act, the interest rate for that Special Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the MIA Bonds (7.50 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Special Assessments. These payments, the “Annual Installments” of the Special Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Special Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under an applicable Bond Ordinance, such as capitalized interest, interest earnings on any account balances, the City Contributed Grant Amount and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the MIA Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment reserve and delinquency reserve amounts as described in the Service and Assessment plan and applicable Trust Indenture.

MIA Annual Installments to be collected for 2023-24

The budget for the Major Improvement Area of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-N on the following page.

H. ANNUAL BUDGET – NIA #2

The Special Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Special Assessment shall be payable in thirty-one annual installments of principal and interest. Collection of the initial Annual Installments relating to the NIA #2 Improvements commenced following the recording of the final plat for NIA #2A-1. The first NIA #2 Annual Installment was due on January 31, 2020 and twenty-six (26) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Special Assessment shall bear interest at the rate on the NIA #2-3 Bonds commencing with the issuance of the NIA #2-3 Bonds. The effective interest rate on the NIA #2 portion of the NIA #2-3 Bonds is 3.84 percent for 2023-24. Pursuant to Section 372.018 of the PID Act, the interest rate for that Special Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the NIA #2 portion of the NIA #2-3 Bonds (3.84) plus an additional interest of one-half of one percent are used to calculate the interest on the Special Assessments.

These payments, the “Annual Installments” of the Special Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Special Assessments, the Annual Installment due for 2023-24, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and applicable Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the NIA #2-3 Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment reserve and delinquency reserve amounts as described in the Service and Assessment plan and applicable Trust Indenture.

NIA #2 Annual Installments to be collected for 2023-24

The budget for NIA #2 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-R below.

Excess Interest for Additional Interest Reserve

Annual Installments to be collected for excess interest for additional interest reserves in the amount of \$4,141, which equals 0.5 percent interest on the outstanding NIA #2 Special Assessment balance of \$828,216.

Available Reserve Fund Income

As of May 31, 2023, the balance in the Reserve Fund was \$247,349, which includes the Bond Reserve Requirement of \$240,814 and investment income \$6,536. The NIA #2 Assessments represent 27.72 percent of the combined NIA #2 and NIA #3 Assessment balance. As a result, there is \$1,812 ($\$6,536 \times 27.72\% = \$1,812$) available in the Reserve Fund to be used to pay NIA #2's share of the interest on the NIA #2-3 Bonds on the next interest payment date.

Available Capitalized Interest Account

As of May 31, 2023, the Trustee reported that the Capitalized Interest Fund been fully expended. As a result, there is no credit to reduce the Annual Installment.

Available Administrative Expense Account

As of May 31, 2023, the balance in the Administrative Expense Fund was \$50,766. The amount available in the Administrative Expense Account is anticipated to be used for the payment of current year administrative expenses through January 31, 2024. As a result, funds are not anticipated to be available in the Administrative Expense Fund to reduce the Annual Installment.

I. ANNUAL INSTALLMENTS BY LOT TYPE - NIA #2

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the NIA #2 share of the NIA #2-3 Bonds, to fund the Prepayment Reserve and Delinquency Reserve described in the Service and Assessment Plan, and to cover Administrative Expenses of NIA #2.

The Annual Installment to be collected from each Lot Type in NIA #2 is determined using the percentage of Special Assessments for each Lot Type, including the HOA, as shown in Table II-T below.

Table II-T
Allocation of Annual Installment to NIA #2 Parcels for 2023-24

Land Use Class	Total 2023-24 Annual Installment	Allocation Percentage per Unit¹	Annual Installment Per Unit
50'	\$70,007	1.01%	\$920.30
70'	\$70,007	1.31%	\$706.25
HOA	\$70,007	0.00%	\$0.00

1 – Allocation percentages are based on the number of current residential units anticipated to be developed, excluding prepaid Parcels, if any. The HOA Parcel has prepaid its NIA #2 Assessment.

The list of Parcels within NIA #2 of the PID, the number of units to be developed on the current residential Parcels, the percentage of Special Assessments for each Parcel, the total outstanding Special Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix E.

J. ANNUAL BUDGET – NIA #3

The Special Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Special Assessment shall be payable in twenty-nine annual installments of principal and interest. Collection of the initial Annual Installments relating to the NIA #3 Improvements commenced following the issuance of the NIA #2-3 Bonds on September 30, 2020. As a result, the first NIA #3 Annual Installment was due on January 31, 2022 and twenty-seven (27) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Special Assessment shall bear interest at the rate on the NIA #2-3 Bonds commencing with the issuance of the NIA #2-3 Bonds. The effective interest rate on the NIA #3 portion of the NIA #2-3 Bonds is 3.86 percent for 2023-24. Pursuant to Section 372.018 of the PID Act, the interest rate for that Special Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the NIA #3 portion of the NIA #2-3 Bonds (3.86 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Special Assessments. These payments, the “Annual Installments” of the Special Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Special Assessments, the Annual Installment due for 2023-24, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and applicable Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the NIA #2-3 Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment reserve and delinquency reserve amounts as described in the Service and Assessment plan and applicable Trust Indenture.

NIA #3 Annual Installments to be collected for 2023-24

The budget for NIA #3 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-U on the following page.

Pursuant to Section 4.3 of the Trust Indenture relating to the NIA #5 Bonds, the City reserves the right and option to redeem Bonds maturing on or after **September 1, 2042**, before their respective scheduled maturity date, in whole or in part, on any date on or after September 1, 2032, at the Redemption Price.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the NIA #5 Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council describes that the Authorized Improvement costs shall be allocated to the Assessed Property equally based on the equivalent number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property, as updated in prior Annual Service Plan Updates, has not been changed and Assessed Property will continue to be assessed as provided for in the Service and Assessment Plan.

City Contributed Major Improvement Assessments

According to the City, the final series of certificates of obligations to finance the City Contributed Major Improvements were issued in 2018. As a result, the final aggregate amount of City Contributed Major Improvements allocated to the PID was \$2,075,000. Pursuant to the Service and Assessment Plan, the Assessment for the City Contributed Major Improvements would be offset by ad valorem taxes collected from the property within the PID until the ad valorem taxes collected from all Parcels within the PID equals or exceeds one hundred fifty percent (150%) of the Annual Installment Allocable to the City Contributed Major Improvements based on a confirming audit, then the Annual Installment Allocable to the City Contributed Major Improvements will be permanently reduced to zero. The Administrator has confirmed that the ad valorem taxes collected from all Parcels within the PID for tax years 2018-19 and 2019-20 exceeded the Annual Installments allocable to the City Contributed Major Improvements. As a result, the Annual Installments allocable to the City Contributed Major Improvements are permanently reduced to \$0, starting with the Annual Installments allocable to the City Contributed Major Improvements due on January 31, 2021.

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

- (i) the identification of each Parcel (ii) the Special Assessment for each Parcel of Assessed Property, including any adjustments authorized by the Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Special Assessment is payable in installments); and (iv) payments of the Special Assessment, if any, as provided by Section VI.I of the Service and Assessment Plan.

The summary of updated Assessment Rolls is shown in Appendix C, D, E, F, G, and H of this report. Each Parcel in the PID is identified, along with the Special Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Special Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Amended and Restated Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Special Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = [B \times (C \div D)]/E$$

Where the terms have the following meanings:

A = the Assessment for the new subdivided Lot

B = the Assessment for the Parcel prior to subdivision

C = the sum of the estimated As-Built Assessed Value of all new subdivided Lots with same Lot Type

D = the sum of the estimated As-Built Assessed Value for all of the new subdivided Lots excluding Non-Benefitted Property

E = the number of Lots with same Lot Type

Prior to the recording of a subdivision plat, the Developer shall provide the City an estimated As-Built Assessed Value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat considering factors such as density, lot size, proximity to amenities, view premiums, location, market conditions, historical sales, discussions with homebuilders, and any other factors that may impact future as-built Lot value and any other information available to the Developer. The calculation of the estimated As-Built Lot value for a Lot shall be performed by the Administrator and confirmed by the City Council based on information provided by the Developer, homebuilders, third party consultants, and/or the Official Public Records of Collin County, Texas regarding the Lot.

The sum of the Special Assessments for all newly subdivided Lots shall not exceed the Special Assessment for the portion of the Assessed Property subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Assessed Property. The reallocation of a Special Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Special Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to the Amended and Restated Service and Assessment Plan approved by the City Council.

According to the Developer and the Collin Central Appraisal District records, Parcel 2769086 and Parcel 2769089 have been subdivided further to the 99 NIA #2 lots, of which 92 have been platted as 50' lots and 7 have been platted as 70' lots. The Special Assessments have been reallocated to each of these ninety-nine (99) new residential Parcels.

According to Collin CAD online records and the Developer, Parcel 2791379 was subdivided from Parcel 2726990 in 2019. According to the development concept plan provided by the Developer, the new subdivided Parcel is anticipated to be developed as Townhomes. The Special Assessments were reallocated between Parcel 2791379 and 2726990 in 2019.

According to the Developer and the Collin Central Appraisal District records, Parcel 2810987, Parcel 2810988, and Parcel 2810989 were subdivided into 182 NIA #3 lots, of which 80 were platted as 50' lots, 94 were platted as 60' lots and 8 were platted as 70' lots.

According to the Developer and the Collin Central Appraisal District records, Parcel 2726989 and Parcel 2726990 have been subdivided into 276 NIA #4 lots, of which 156 have been platted as 50' lots, 100 have been platted as 60' lots and 20 have been platted as 70' lots.

According to the Developer and the Collin Central Appraisal District records, a portion of Parcel 2726990 has been subdivided into 207 NIA #5 lots, of which 139 have been platted as 50' lots and 68 have been platted as 70' lots. The Special Assessments have been reallocated to each of these one hundred 207 new residential Parcels as shown in Table IV-A on the following page.
