Pursuant to the Service and Assessment Plan, each Assessment securing the Phase #1 Bonds and the Phase #1 Reimbursement Agreement shall bear interest at the rate on the Phase #1 Bonds and Phase #1 Reimbursement Agreement. The effective interest rate on the Phase #1 Bonds is 5.24 percent per annum. The effective interest rate on the Phase #1 Reimbursement Agreement is 5.85 percent per annum. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate (5.24 percent) on the Phase #1 Bonds and (5.85 percent) on the Phase #1 Reimbursement Agreement plus and additional interest of one-half of one percent is used to calculate the interest on the Assessments securing the Phase #1 Bonds. These payments, the "Annual Installments" of the Assessments shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installments due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installments on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installments shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on Phase #1 Bonds and Phase #1 Reimbursement Agreement from the collection of the Annual Installments of the Assessments on the Assessed Property. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Service and Assessment Plan and applicable Trust Indenture.

The budget for the PID will be paid from the collection of Annual Installments of the Assessments on the Assessed Property collected for 2024-25 as shown by Table II-D-1 on the following page.

As a result, total Annual Installments to be collected for principal and interest on the Phase #1 Reimbursement Agreement in 2024-25 is estimated to be $464,863.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, auditor, dissemination agent expenses, and contingency fees. As shown in Table II-D-2 on the following page, the total administrative expenses to be collected for 2024-25 are estimated to be $52,020.

Table II-D-2
Administrative Budget Breakdown

Description	2024-25 Estimated Budget (9/1/24-8/31/25)
City	$6,000
PID Administrator	$32,800
Trustee	$2,750
Auditor	$2,000
Dissemination Agent	$3,500
Contingency	$4,970
Total	**$52,020**

Excess Interest for Additional Interest Reserve

Annual Installments to be collected for additional interest reserves in the amount of $79,615, which equals 0.5 percent interest on the outstanding Phase #1 Bond balance of $15,923,000.

Available Reserve Fund Income

As of May 31, 2024, the balance in the Reserve Fund was $1,179,474, which includes the Bond Reserve Requirement of $1,121,465 and investment income of $59,009. Pursuant to Section 6.7(e) of the Phase #1 Bond Trust Indenture the excess balance of $59,009 should be transferred to the Phase #1 Principal & Interest Account and used to pay interest on the Phase #1 Bonds on the next interest payment date. As a result, $59,009 is available to pay a portion of the Phase #1 Bonds debt service.

Available Capitalized Interest Account

As of May 31, 2024, and in accordance with Section 6.4(d) of the Trust Indenture, all Capitalized Interest funds will have been fully expended as of September 1, 2024. As a result, there is no credit to reduce the 2024-25 Improvement Area #1 Annual Installment.

Available Administrative Expense Account

As of May 31, 2024, the available balance for administrative expenses was $65,305. Approximately $65,305 is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, there are no funds available in the Administrative Expense Fund to reduce the Phase #1 Bonds 2024-25 Annual Installment.

E. Annual Installments Per Unit

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Phase #1 Bonds and Phase #1 Reimbursement Agreement, (ii) to fund the Prepayment Reserve and Delinquency Reserve, and (iii) to cover Administrative Expenses of the PID.

According to the Developer, 435 units are anticipated to be built within the PID representing 323.08 outstanding Equivalent Units. The principal and interest portion of Annual Installments to be collected from each unit will be calculated by taking the subtotal debt service on Phase #1 Bonds and Phase #1 Reimbursement Agreement, including excess interest for prepayment and delinquency, less any available reserve fund income, divided by the total outstanding Equivalent Units. Accordingly, the net principal and interest portion of Annual Installments to be collected from each Equivalent Unit will be $4,866.36 (i.e. ($1,550,606 + $79,615 - $58,009) ÷ 323.08 = $4,866.36) The Administrative Expenses to be collected from each Equivalent Unit will be $161.01 (i.e. $52,020 ÷ 323.08 = $161.01). Accordingly, the Annual Installment to be collected from each Equivalent Unit will be $5,027.37 ($4,866.36 + $161.01 = $5,027.37). The Annual Installments to be collected from each Parcel within the PID is calculated by multiplying the Annual Installments for each unit of $5,027.37 by the total estimated Equivalent Units for each Parcel in the PID as shown in Appendix C.

The Annual Installments due to be collected from each Land Use Class in the PID for 2024-25 are shown in Table II-E below.

The list of Parcels within the PID, the number of units to be developed on the current residential Parcels, the corresponding Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installments to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix C.

F. Bond Redemption Related Updates

The Phase #1 Bonds were issued in May 2023. Pursuant to Section 4.3 of the Indenture of Trust, the City reserves the right and option to redeem the Phase #1 Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2043**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Indenture of Trust.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phase #1 Bonds do not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council describes that the Authorized Improvement costs shall be allocated to the Assessed Property equally based on the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement Costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property has not been changed and Assessed Property will continue to be assessed as provided for in the Service and Assessment Plan.

(The remainder of this page is intentionally left blank.)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Roll shall be updated each year to reflect:

(i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installments for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.F of the Service and Assessment Plan.

The 2024-25 Assessment Roll Summary is shown in Appendix C of this report. Each Parcel of in the PID is identified, along with the Assessment on each Parcel and the Annual Installments to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for each new subdivided Parcel.
B = the Assessment for the Parcel prior to subdivision.
C = the estimated Equivalent Units to be built on each newly subdivided Parcel
D = the sum of the estimated Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of Equivalent Units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of Equivalent Units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

According to CCAD records, the Phase #1 Parcels 983680 and 983685 was subdivided into 435 residential lots in 2023. The Phase #1 Assessments for the parent parcels was allocated to the 435 residential lots as shown in Table IV-A-1 on the following page.

I. INTRODUCTION

The Mustang Lakes (Annex) Public Improvement District (the "PID") was created pursuant to the PID Act and a resolution of the City Council of the City of Celina (the "City Council") on August 13, 2019 to finance certain public improvement projects for the benefit of the property in the PID.

On March 14, 2023, the City of Celina (the "City") approved the PID Reimbursement Agreement to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID. The Phase #1 Reimbursement Agreement Obligation allocated to the Phase #1 Initial Projects was $4,945,798 and the Phase #1 Reimbursement Obligation allocated to the Phase #1 Additional Major Improvement Projects was $1,760,000, together $6,705,798 for the entire Phase #1 projects.

A service and assessment plan (the "Service and Assessment Plan") was prepared at the direction of the City identifying the public improvements (the "Authorized Improvements") to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to the PID Act, the Service and Assessment Plan must be reviewed and updated annually. This document is the annual update of the Service and Assessment Plan for 2024-25 (the "Annual Service Plan Update").

The City also adopted Assessment Rolls identifying the assessments on each Parcel within the PID, based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Roll for 2024-25.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the "PID Assessment Notice") as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix E and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID us located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchaser before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Service and Assessment Plan unless otherwise defined herein.

Phase #1 Initial Improvements - Annual Installments – 2024-25

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the earlier of (i) September 1, 2024, (ii) with tax bills sent the first October after the issuance of one or more series of Bonds for Phase #1 Initial Projects and such that upon the issuance of such Bonds, all Assessments levied for the Phase #1 Initial Projects shall begin collection, or (iii) with tax bills sent the first October occurring after the expiration of two years from the date of the levy of Assessments related to the Phase #1 Initial Projects on the Phase #1 Assessed Property. The first Annual Installments are due on January 31, 2025 and thirty (30) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment securing the Phase #1 Reimbursement Agreement Obligation (Phase #1 Initial Projects) shall bear interest at the rate on the Reimbursement Agreement Obligation (Phase #1 Initial Projects). The interest rate applicable to the Reimbursement Agreement Obligation (Phase #1 Initial Projects) is 9.03 percent per annum for 2024-25 and is used to calculate the interest on the Assessments securing the Reimbursement Agreement Obligation (Phase #1 Initial Projects). These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2024.

Pursuant to the Service and Assessment Plan, each Annual Installment, including the interest on the unpaid amount of an Assessment, shall be updated annually. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of the following year.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Reimbursement Agreement Obligation (Phase #1 Initial Projects) from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments.

Phase #1 Initial Improvements Annual Installments to be Collected for 2024-25

The budget for Phase #1 Initial Improvements of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown by Table II-C-1 below.

D. ANNUAL INSTALLMENTS PER UNIT – PHASE #1 INITIAL IMPROVEMENTS

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Reimbursement Agreement Obligation (Phase #1 Initial Projects) and to cover Administrative Expenses of the Phase #1 Initial Improvements.

According to the Service and Assessment Plan, 152 units, representing 102.42 total Equivalent Units, are anticipated to be built within the Phase #1 Initial Improvement area of the PID. Accordingly, the net principal and interest portion of Annual Installment to be collected from each Equivalent Unit will be $4,370.29 (i.e. ($1,000 + $446,606) ÷ 102.42 = $4,370.29 and the Administrative Expenses to be collected from each Equivalent Unit will be $341.73 (i.e. ($35,000 ÷ 102.42 = $341.73). As a result, the total Annual Installment to be collected from each Equivalent Unit within the Phase #1 Initial Improvement area of the PID will be $4,712.02 ($4,370.29 + $341.73 = $4,712.02). The Annual Installment to be collected from each Parcel within the Phase #1 Initial Improvement area is calculated by multiplying the Annual Installment for each Equivalent Unit of $4,712.02 by the total estimated Equivalent Units for each Parcel in the Phase #1 Initial Improvement area.

The Annual Installment due to be collected from each Lot Type in the Phase #1 Initial Improvement area for 2024-25 is shown in Table II-D-1 on the following page.

Pursuant to the Service and Assessment Plan, each Assessment securing the Phase #1 Reimbursement Agreement Obligation (Phase #1 Additional Major Projects) shall bear interest at the rate on the Phase #1 Reimbursement Agreement Obligation (Phase #1 Additional Major Projects). The interest rate applicable to the Phase #1 Reimbursement Agreement Obligation (Phase #1 Additional Major Projects) is 9.03 percent per annum for 2024-25 and is used to calculate the interest on the Assessments securing the Phase #1 Reimbursement Agreement Obligation (Phase #1 Additional Major Projects). These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Service and Assessment Plan, each Annual Installment, including the interest on the unpaid amount of an Assessment, shall be updated annually. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of the following year.

F. Annual Installments Per Unit – Phase #1 Additional Major Improvements

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Reimbursement Agreement Obligation (Phase #1 Additional Major Improvements) and to cover Administrative Expenses of the Phase #1 Initial Improvements.

According to the Service and Assessment Plan, 152 units, representing 102.42 total Equivalent Units, are anticipated to be built within the Phase #1 Additional Major Improvement area of the PID. Accordingly, the net principal and interest portion of Annual Installment to be collected from each Equivalent Unit will be $1,561.49 (i.e. ($1,000 + $158,928) ÷ 102.42 = $1,561.49 and the Administrative Expenses to be collected from each Equivalent Unit will be $97.64 (i.e. ($10,000 ÷ 102.42 = $97.64). As a result, the total Annual Installment to be collected from each Equivalent Unit within the Phase #1 Additional Major Improvement area of the PID will be $1,659.13 ($1,561.49 + $97.64 = $1,659.13). The Annual Installment to be collected from each Parcel within the Phase #1 Additional Major Improvement area is calculated by multiplying the Annual Installment for each Equivalent Unit of $1,659.13 by the total estimated Equivalent Units for each Parcel in the Phase #1 Additional Major Improvement area.

The Annual Installment due to be collected from each Lot Type in the Phase #1 Additional Major Improvement area for 2024-25 is shown in Table II-F-1 on the following page.

(the remainder of this page is intentionally left blank)

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council provided that the Authorized Improvement costs shall be allocated to the Assessed Property equally on the basis of the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property has not been changed and assessed property will continue to be assessed as provided for in the Service and Assessment Plan.

(the remainder of this page is intentionally left blank)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

> (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.F of this Service and Assessment Plan.

The updated Assessment Rolls are shown in Appendix C and D of this report. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for each new subdivided Parcel.

B = the Assessment for the Parcel prior to subdivision.

C = the estimated number of units to be built on each newly subdivided Parcel

D = the sum of the estimated number of units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

According to the Developer and the Collin Central Appraisal District records, the final plat for Phase #1was recorded on June 5, 2023. The Assessments have been allocated proportionally according to Lot Type as shown in Table IV-A-1 on the following page. The various PID Lots were subdivided from Parcel 2794473.

D. ANNUAL BUDGET – IMPROVEMENT AREA #1

Improvement Area #1 - Annual Installments – 2024-25

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Improvement Area #1 Bonds and/or the execution of the Improvement Area #1 Reimbursement Agreement, of which twenty-eight (28) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the Improvement Area #1 Bonds commencing with the issuance of the Improvement Area #1 Bonds. The effective interest rate on the Improvement Area #1 Bonds is 5.38 percent and the interest rate applicable to the Improvement Area #1 Reimbursement Agreement is 5.79 percent per annum for 2024-25. Pursuant to Section 372.018 of the PID Act, the interest rate for that assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Improvement Area #1 Bonds (5.38 percent) plus an additional interest of one-half of one percent and the effective interest rate on the Improvement Area #1 Reimbursement Agreement (5.79 percent) are used to calculate the interest on the Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Improvement Area #1 Bonds and Improvement Area #1 Reimbursement Agreement from the collection of the Annual Installments. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Major Improvement Area Bonds (5.98 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. As a result, there are no funds available in the Administrative Expense Fund to reduce the PID Bonds 2024-25 Annual Installment.

G. ANNUAL INSTALLMENTS PER UNIT – MAJOR IMPROVEMENT AREA

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Major Improvement Area Major Improvement Bonds, (ii) to fund the Additional Interest Reserve, and (iii) to cover Administrative Expenses of the Major Improvement Area Major Improvement Area. The Annual Installment for each Parcel shall be calculated by taking into consideration any available capitalized interest.

According to the Service and Assessment Plan, 464 lots representing 407.22 Equivalent Units are estimated to be built within the Major Improvement Area of the PID. Accordingly, the principal and interest portion of Annual Installment to be collected from each unit within Major Improvement Area will be $648.44 (i.e. ($262,945 + $16,970 – $15,856) ÷ 407.22 = $648.44) and

the Administrative Expenses to be collected from each acre will be $127.53 (i.e. $51,932 ÷ 407.22 = $127.53 As a result, the total Annual Installment to be collected from each Equivalent Unit within Major Improvement Area will be $775.97 (i.e. $648.44 + $127.53 = $775.97). The Annual Installment to be collected from each land use class within Major Improvement Area is calculated by multiplying the Annual Installment for each Equivalent Unit of $775.97 by the total estimated number of Equivalent Units for each land use class in Major Improvement Area.

The Annual Installment due to be collected from each Land Use Class in Major Improvement Area for 2024-25 is shown in Table II-G-1 below.

Table II-G-1
Major Improvement Area Annual Installment Per Unit

Land Use Class	Annual Installment Per Equivalent Unit[1]	Equivalent Unit Factor	Annual Installment
40' Lot	$775.97	0.74	$574.22
55' Lot	$775.97	0.88	$682.85
65' Lot	$775.97	1.00	$775.97

The list of Parcels within Major Improvement Area of the PID, the estimated number of units to be developed on the current residential Parcels, the total Assessment, the Annual Assessment, the Capitalized Interest Credit, the Additional Interest Reserve, the Administrative Expenses and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix C.

H. BOND REDEMPTION RELATED UPDATES

Improvement Area #1 Bonds

The Improvement Area #1 Bonds were issued in 2023. Pursuant to Section 4.3 of the Improvement Area #1 Trust Indenture, the City reserves the right and option to redeem the Improvement Area #1 Bonds maturing on or after September 1, 2043, in whole or in part, on any date on or after **September 1, 2033**, such redemption date or dates to be fixed by the City, at the Redemption Price as defined in the Improvement Area #1 Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Improvement Area #1 Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council provided that the Authorized Improvement costs shall be allocated to the Assessed Property equally on the basis of the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property has not been changed and assessed property will continue to be assessed as provided for in the Service and Assessment Plan.

(the remainder of this page is intentionally left blank)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

> (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.G of the Service and Assessment Plan.

The updated Assessment Rolls are shown in Appendix B and C of this report. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for each new subdivided Parcel.

B = the Assessment for the Parcel prior to subdivision.

C = the estimated number of Equivalent Units to be built on each newly subdivided Parcel

D = the sum of the estimated number of Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of Equivalent Units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of Equivalent Units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

According to the Developer and the Collin Central Appraisal District records, the Improvement Area #1 Parcel 2120983 was completely subdivided and final plat was recorded on January 11, 2024. The Improvement Area #1 Assessments allocated proportionally according to Lot Type as shown in Table IV-A on the following page.

C. Status of Development

According to the City, building permits have been issued for parcels representing, in the aggregate, greater than 95 percent of the Special Assessment levied within Phase #1. As a result, the number of new homes completed in Phase #1 during the current fiscal year and the number of total new homes completed are no longer required to be reported in this Annual Service Plan Update pursuant to Section 4 of the Phase #1 Bonds Continuing Disclosure Agreement of the Issuer.

According to the City, building permits have been issued for parcels representing, in the aggregate, greater than 95 percent of the Special Assessment levied within Phase #2. As a result, the number of new homes completed in Phase #2 during the current fiscal year and the number of total new homes completed are no longer required to be reported in this Annual Service Plan Update pursuant to Section 4 of the Phase #2 Major Improvement Bonds and Phase #2 Direct Improvements Bonds Continuing Disclosure Agreements of the Issuer.

D. Annual Budget – Phase #1

Phase #1 – Annual Installments – 2024-25

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Phase #1 Bonds and/or execution of the PID Reimbursement Agreement of which twenty-two (22) Annual Installments remain outstanding.

Pursuant to the Updated Service and Assessment Plan, each Assessment shall bear interest at the rate on the Phase #1 Bonds commencing with the issuance of the Phase #1 Bonds. The effective interest rate on the Phase #1 Bonds is 6.04 percent and the interest rate applicable to the PID Reimbursement Agreement is 5.50 percent per annum. Pursuant to Section 372.018 of the PID

Act, the interest rate for that assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phase #1 Bonds (6.04 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the "Phase #1 Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and Trust Indenture, such as the TIRZ Annual Credit Amount, capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phase #1 Bonds and PID Reimbursement Agreement from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Updated Service and Assessment plan and applicable Trust Indenture.

Phase #1 Annual Installments to be Collected for 2024-25

The budget for Phase #1 of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown in Table II-D-1 on the following page.

Annual Installments to be collected for principal and interest on the Phase #1 Bonds include interest due on March 1, 2025, in the amount of $121,832 and on September 1, 2025, in the amount of $121,832, which equal interest on the outstanding Phase #1 Assessment balance of $4,035,000 for six months each and an effective interest rate of 6.04 percent. Annual Installments to be collected include a principal amount of $85,000 due on September 1, 2025. As a result, total Annual Installments to be collected for principal and interest in 2024-25 of the Phase #1 Bonds Assessment is estimated to be equal to $328,665.

Annual Installments to be collected for principal and interest on the Phase #1 Reimbursement Agreement include interest due on March 1, 2025, in the amount of $30,616 and on September 1, 2025, in the amount of $30,616, which equal interest on the outstanding Phase #1 Reimbursement Agreement balance of $1,113,312 for six months each and an effective interest rate of 5.50 percent. Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, Dissemination Agent, and contingency fees. As shown in Table II-D-2 below, the total administrative expenses to be collected for 2024-25 are estimated to be $35,150.

Table II-D-2
Administrative Budget Breakdown – Phase #1

Description	2024-25 Estimated Budget (9/1/24-8/31/25)
City	$6,000
PID Administrator	$22,000
Trustee	$2,750
Auditor	$2,000
Dissemination Agent	$1,200
Contingency	$1,200
Total	**$35,150**

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of $20,175, which equals 0.5 percent interest on the outstanding Phase #1 Bond Assessment balance of $4,035,000.

Available TIRZ Credit

According to the City, there have been TIRZ increments collected for tax year 2023 in the total amount of $205,964 that are available to be used as TIRZ Credit in 2024-25 for the respective Parcels within Phase #1. In addition, TIRZ increments collected for tax year 2022 and previously not used as TIRZ Credits in the amount of $2,870 are available to reduce the 2024-25 Phase #1 Annual Installments. As a result, the total TIRZ Credit amount of $208,793 is allocated to each of the 205 Parcels within Phase #1 that generated the TIRZ Revenues in 2022 and 2023 as shown in Appendix C-2.

Available Reserve Fund Income

As of May 31, 2024, the balance in the Phase #1 Reserve Fund was $362,605, which includes the Phase #1 Bond Reserve Requirement of $348,456 and an excess balance of $14,148. There is also a sufficient balance in the Principal and Interest Account to pay debt service on September 1, 2024. Pursuant to Section 6.7 (d) of the Phase #1 Bond Trust Indenture, the excess balance of $14,148 should be transferred to the Phase #1 Principal & Interest Account and used to pay interest on the Phase #1 Bonds on the next interest payment date. As a result, $14,148 is available to pay a portion of the Phase #1 Bonds debt service.

Available Capitalized Interest Account

As of May 31, 2024, the Trustee reported that the Capitalized Interest Fund has been fully expended. As a result, there is no credit to reduce the Phase #1 2024-25 Annual Installment.

Available Administrative Expense Account

As of May 31, 2024, there are $40,755 available funds to pay Phase #1 administrative expenses. Approximately $40,755 is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, there are not anticipated to be any funds available in the Administrative Expense Fund to reduce the Phase #1 2024-25 Annual Installment.

E. Annual Installments per Unit – Phase #1

According to the Updated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #1 Bonds and Phase #1 Reimbursement Agreement, to fund the Prepayment Reserve and Delinquency Reserve described in the Service and Assessment Plan, and to cover administrative expenses of Phase #1.

According to the Updated Service and Assessment Plan, 205 units are built within Phase #1 of the PID representing 182.00 total Equivalent Units. As of May 31, 2024, one Parcel has prepaid the Phase #1 Bond Assessment representing 0.43 prepaid Equivalent Units. The principal and interest expense of the Phase #1 Bonds portion of Annual Installment to be collected per Equivalent Unit will be calculated using the Outstanding Equivalent Units of 181.57 (i.e., 182.00 - 0.43 = 181.57). Accordingly, the net principal and interest expense of the Phase #1 Bonds portion of the Annual Installment to be collected from each Equivalent Unit will be $1,843.32 (i.e., $328,665 + $20,175 – $14,148) ÷ 181.57 = $1,843.32). The administrative expense of the Phase #1 Bonds portion of Annual Installment to be collected per Equivalent unit will be calculated based on the original Equivalent Units of 182.00. Accordingly, the administrative expense portion of the Phase #1 Bond Annual Installment to be collected per Equivalent Unit will be $151.37 (i.e., $27,549 ÷ 182.00 = $151.37). As a result, the total Phase #1 Bond portion of Annual Installment to be collected from each Equivalent Unit within Phase #1 will be $1,994.69 (i.e., $1,843.32 + $151.37 = $1,994.69). The Phase #1 Bond portion of Annual Installment to be collected from each Parcel within Phase #1 is calculated by multiplying the Annual Installment for each Equivalent Unit of $1,994.69 by the total estimated Equivalent Units for each Parcel in Phase #1 less the applicable TIRZ Credit, if any, as shown in Appendix C-2.

The Phase #1 Reimbursement Agreement's net principal and interest expense of Phase #1 Reimbursement Agreement portion of Annual Installment to be collected from each Equivalent Unit will be $473.80, calculated by dividing the subtotal debt service on Phase #1 Reimbursement Agreement by the original total Equivalent Units (i.e., $86,232 ÷ 182.00 = $473.80). The net administrative expenses of the Phase #1 Reimbursement Agreement portion of Annual Installment to be collected from each Equivalent Unit will be $41.76 (i.e., $7,601 ÷ 182.00 = $41.76). As a

result, the total Phase #1 Reimbursement Agreement portion of Annual Installment to be collected from each Equivalent Unit within Phase #1 will be $515.57 (i.e., $473.80 + $41.76 = $515.57) less any applicable TIRZ Credit detailed in Appendix C-2 for each Parcel within Phase #1. The Phase #1 Reimbursement Agreement's portion of the Annual Installment to be collected from each Parcel within Phase #1 is calculated by multiplying the Annual Installment for each Equivalent Unit of $515.57 by the total estimated Equivalent Units for each Parcel in Phase #1.

The Phase #1 Bond and Reimbursement Agreement total Annual Installment to be collected from each Equivalent Unit will be $2,510.25 (i.e., $1,994.69 + $515.57 = $2,510.25) less any applicable TIRZ Credit detailed in Appendix C-2 for each Parcel within Phase #1.

The Phase #1 Annual Installment due to be collected from each Land Use Class in Phase #1 for 2024-25 is shown in Table II-E below.

Table II-E
Annual Installment Per Unit – Phase #1

Land Use Class	Annual Installment per Equivalent Unit[1]	Equivalent Unit Factor	Annual Installment Per Unit[1]
60 Ft	$2,510.25	1.00	$2,510.25
50 Ft	$2,510.25	0.83	$2,091.88

1 - Amounts listed in the table above do not include the applicable TIRZ Credit.

The list of Parcels within Phase #1 of the PID, the number of units to be developed on the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the administrative expenses, and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix C-1.

F. Annual Budget – Phase #2 Major Improvements

Phase #2 Major Improvements – Annual Installments – 2024-25

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Phase #2 Major Improvement Bonds, of which twenty-two (22) Annual Installments remain outstanding.

Pursuant to the Updated Service and Assessment Plan, each Assessment shall bear interest at the rate on the Phase #2 Major Improvement Bonds commencing with the issuance of the Bonds. The effective interest rate on the Phase #2 Major Improvement Bonds is 6.13 percent. Pursuant to Section 372.018 of the PID Act, the interest rate for that assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phase #2 Major Improvement Bonds (6.13%) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These

payments, the "Phase #2 Major Improvements Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and Trust Indenture, such as the TIRZ Annual Credit Amount, capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phase #2 Major Improvement Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Updated Service and Assessment plan and applicable Trust Indenture.

According to the Updated Service and Assessment Plan, 168 units representing 147.17 total Equivalent Units are expected to be built within Phase #2 of the PID. Accordingly, the principal and interest portion of the Phase #2 Major Improvements Annual Installment to be collected from each Equivalent Unit will be $934.46 (i.e., ($135,144 + $8,175 – $5,798) ÷ 147.17 = $934.46). The administrative expense portion of the Phase #2 Major Improvement Annual Installment to be collected from each Equivalent Unit will be $238.84 (i.e., $35,150 ÷ 147.17 = $238.84). As a result, the total Phase #2 Major Improvement Annual Installment to be collected from each Equivalent Unit within Phase #2 will be $1,173.30 (i.e., $934.46 + $238.84 = $1,173.30). III. UPDATE OF THE ASSESSMENT PLAN

The Updated Service and Assessment Plan adopted by the City Council provided that the Authorized Improvement Costs shall be allocated to the Assessed Property equally on the basis of the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement Costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property has not been changed and Assessed Property will continue to be assessed as provided for in the Updated Service and Assessment Plan.

(the remainder of this page is intentionally left blank)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

(i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.G of this Service and Assessment Plan.

The summary of updated Assessment Rolls are shown in Appendix C-1, D-1, and D-3 of this report. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

I. PARCEL UPDATES

According to the original Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for each new subdivided Parcel.
B = the Assessment for the Parcel prior to subdivision.
C = the estimated Equivalent Units to be built on each newly subdivided Parcel
D = the sum of the estimated Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

According to the Developer and Collin Central Appraisal District Records, Phase #1 Parcels 962907, 962872, 962916, and 2717764 were subdivided in 2018. Parcel 962907 was subdivided into eighteen Parcels and is no longer active. Phase #2 Parcels 962872, 962916, and 2717764 were subdivided into twenty-two Parcels, one hundred sixty-three Parcels, and five Parcels, respectively.

I. INTRODUCTION

The Parks at Wilson Creek Public Improvement District (the "PID") was created pursuant to the PID Act and a resolution of the City Council on August 10, 2021 to finance certain public improvement projects for the benefit of the property in the PID. The City issued the City of Celina (The Parks at Wilson Creek Public Improvement District Phase #1 Project) Special Assessment Revenue Bonds, Series 2021 in the aggregate amount of $7,373,000 pursuant to the Act, Ordinance 2021-105 adopted by the City Council on November 9, 2021 and an Indenture of Trust dated as of December 1, 2021 between the City, and U.S. Bank, N.A. as trustee (the "Phase #1 Bonds") to finance Phase #1's share of the Initial Major Improvements costs. Pursuant to an ordinance adopted by the City Council on November 9, 2021, the City also approved a reimbursement agreement (the "Reimbursement Agreement"), of which a portion of the Reimbursement Agreement balance in the amount of $4,541,017 is to finance the remaining costs of the Phase #1 Improvements and a portion of the Reimbursement Agreement balance in the amount of $2,327,050 is to Phase #1's share of the Additional Major Improvements, as shown in Schedule I of the Reimbursement Agreement.

The City also issued the City of Celina (The Parks at Wilson Creek Public Improvement District Major Improvement Project) Special Assessment Revenue Bonds, Series 2021 in the aggregate amount of $12,604,000 pursuant to the Act, Ordinance 2021-104 adopted by the City Council on November 9, 2021 and an Indenture of Trust dated as of December 1, 2021 between the City, and U.S. Bank, N.A. as trustee (the "Major Improvement Bonds") to finance the Initial Major Improvement costs. The City also approved a Reimbursement Agreement in the proportional amount of $12,780,092 pursuant to an ordinance adopted by the City Council on November 9, 2021 to finance the remaining costs of the Initial Major Improvements and the Additional Major Improvements. Pursuant to an ordinance adopted by the City Council on November 9, 2021, the City also approved a reimbursement agreement (the "Reimbursement Agreement"), of which a portion of the Reimbursement Agreement balance in the amount of $12,780,092 is to finance the remaining costs of the Additional Major Improvements, as shown in Schedule I of the Reimbursement Agreement.

A service and assessment plan (the "Service and Assessment Plan") was prepared at the direction of the City identifying the Authorized Improvement to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to the PID Act, the Service and Assessment Plan must be reviewed and updated annually for the purpose of determining the annual budget for the Authorized Improvements. This document is the annual update of the Service and Assessment Plan for 2024-25 (the "Annual Service Plan Update").

The City also adopted an assessment roll (the "Assessment Roll") identifying the Assessments on each Parcel within the PID, based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Roll for Annual Installments of Assessments to be collected for 2024-25.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the "PID Assessment Notice") as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix E and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID us located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchase before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Service and Assessment Plan unless otherwise defined herein.

D. Annual Budget – Phase #1 Improvements and Initial Major Improvements

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Phase #1 Bonds, of which twenty-seven (27) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the Phase #1 Bonds commencing with the issuance of the Phase #1 Bonds. The effective interest rate on the Phase #1 Bonds is 3.68 percent and the interest rate applicable to the Phase #1 Reimbursement Agreement is 4.64 percent per annum. Pursuant to Section 372.018 of the PID Act, the interest rate for that assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phase #1 Bonds (3.68 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phase #1 Bonds and Phase #1 Reimbursement Agreement from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment

and delinquency reserve amounts as described in the Service and Assessment plan and applicable Trust Indenture.

E. Annual Installments Per Unit – Phase #1 Improvements and Phase #1 Initial Major Improvements

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Phase #1 Bonds and Phase #1 Reimbursement Agreement, (ii) to fund the prepayment reserve and delinquency reserve, and (iii) to cover Administrative Expenses of Phase #1 of the PID.

According to the Developer, 358 single family units were estimated to be built within Phase #1 of the PID, representing 274.00 Equivalent Units. According to the final plat filed with Collin Central Appraisal District (the "CCAD") on February 16, 2023, the actual Phase #1 development includes 358 residential units representing 273.64 Equivalent Units. Accordingly, the principal and interest portion of the Phase #1 Improvements and Phase #1 Initial Major Improvements Annual Installment to be collected from each unit will be $2,698.97 (i.e. ($720,384 + $36,070 - $17,909) ÷ 273.64 = $2,698.97) and the Administrative Expenses to be collected from each unit will be $154.77 (i.e. $47,350 - $5,000 ÷ 273.64 = $154.77). As a result, the total Phase #1 Improvements and Initial Major Improvements Annual Installment to be collected from each unit within Phase #1 will be $2,853.73 (i.e. $2,698.97 + $154.77 = $2,853.73). The Phase #1 Improvements and Phase #1 Initial Major Improvements Annual Installment to be collected from each Parcel within Phase #1 is calculated by multiplying the Annual Installment for each unit of $2,853.73 by the total estimated equivalent units for each Parcel in Phase #1 as shown in Appendix C-1.

The Phase #1 Improvements and Phase #1 Initial Major Improvements Annual Installment due to be collected from each Land Use Class in Phase #1 for 2024-25 is shown in Table II-E-below.

If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Phase #1 Bonds, of which twenty-seven (27) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the Additional Major Improvements Reimbursement Agreement. The effective interest rate on the Additional Major Improvements Reimbursement Agreement is 4.64 percent per annum. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on Phase #1's share of the Additional Major Improvements Reimbursement Agreement from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments.

Phase #1's Share of the Additional Major Improvements Annual Installments to be Collected for 2024-25

The budget for Phase #1's share of the Additional Major Improvements will be paid from the collection of Annual Installments collected for 2024-25 as shown in Table II-F-1 on the following page.

Total	**$15,606**

Available Administrative Expense Account

As of May 31, 2024, there are $87,135 in available funds to pay Phase #1 administrative expenses. Approximately $82,135 of the current balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. Approximately $5,000 is anticipated to be used as a credit to reduce the Administrative Expenses for the Phase #1 Bond and Phase #'1 share of the Initial Major Improvement Bond. As a result, there are no funds available in the Administrative Expense Fund to reduce Phase #1's share of the Additional Major Improvements 2024-25 Annual Installment.

G. Annual Installments Per Unit – Phase #1's Share of the Additional Major Improvements

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on Phase #1's share of the Additional Major Improvement Reimbursement Agreement and (iii) to cover Administrative Expenses of Phase #1 of the PID.

According to the Developer, 358 single family units were estimated to be built within Phase #1 of the PID, representing 274.00 Equivalent Units. According to the final plat filed with the CCAD on February 16, 2023, the actual Phase #1 development includes 358 residential units representing 273.64 Equivalent Units. Accordingly, the principal and interest portion of Annual Installment to be collected from each unit will be $551.26 (i.e. $150,846 ÷ 273.64 = $551.26) and the Administrative Expenses to be collected from each unit will be $57.03 (i.e. $15,606 ÷ 273.64 = $57.03). As a result, the total Phase #1 share of the Additional Major Improvements Annual Installment to be collected from each unit within Phase #1 will be $608.29 (i.e. $551.26 + $57.03 = $608.29). Phase #1's share of the Additional Major Improvements Annual Installment to be collected from each Parcel within Phase #1 is calculated by multiplying the Annual Installment for each unit of $608.29 by the total estimated equivalent units for each Parcel in Phase #1 as shown in Appendix C-2.

The Phase #1 Additional Major Improvements Annual Installment due to be collected from each Land Use Class in Phase #1 for 2024-25 is shown in Table II-G-1 on the following page.

H. Annual Budget – Major Improvement Area Initial Major Improvements

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Major Improvement Bonds, of which twenty-seven (27) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the Major Improvement Bonds commencing with the issuance of the Major Improvement Bonds. The effective interest rate on the Major Improvement Bonds is 4.32 percent. Pursuant to Section 372.018 of the PID Act, the interest rate for that assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Major Improvement Bonds (4.32 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Approximately $71,523 of the current balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, there is $2,000 anticipated to be available in the Administrative Expense Fund to reduce the Major Improvement Area Initial Major Improvements 2024-25 Annual Installment.

I. Annual Installments Per Unit – Major Improvement Area Initial Major Improvements

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Major Improvement Bonds, (ii) to fund the prepayment reserve and delinquency reserve, and (iii) to cover Administrative Expenses of the Major Improvement Area of the PID.

According to the Developer, 1,806 single family units are estimated to be built within the Major Improvement Area of the PID, representing 1,504.80 Equivalent Units. Accordingly, the principal and interest portion of Annual Installment to be collected from each unit will be $538.12 (i.e. ($781,118 + $61,830 - $33,189) ÷ 1,504.80 = $538.12) and the Administrative Expenses to be collected from each unit will be $19.77 (i.e. ($31,750 - $2,000) ÷ 1,504.80 = $19.77). As a result, the total Major Improvement Area Initial Major Improvement Annual Installment to be collected from each unit within the Major Improvement Area will be $557.89 (i.e. $538.12 + $19.77 = $557.89). The Major Improvement Area Initial Major Improvement Annual Installment to be collected from each Parcel within the Major Improvement Area is calculated by multiplying the Annual Installment for each unit of $557.89 by the total estimated equivalent units for each Parcel in the Major Improvement Area as shown in Appendix D-1.

The Major Improvement Area Initial Major Improvement Annual Installment due to be collected from each Land Use Class in the Major Improvement Area for 2024-25 is shown in Table II-I-1 below.

If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Major Improvement Bonds, of which twenty-seven (27) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the Reimbursement Agreement balance for the Major Improvement Area's share of the Additional Major Improvements. The effective interest rate on the Reimbursement Agreement balance for the Major Improvement Area's share of the Additional Major Improvements is 4.64 percent per annum. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Reimbursement Agreement balance for the Major Improvement Area's share of the Additional Major Improvements from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments.

K. Annual Installments Per Unit – Major Improvement Area Additional Major Improvements

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Major Improvement Bonds, (ii) to fund the prepayment reserve and delinquency reserve, and (iii) to cover Administrative Expenses of the Major Improvement Area of the PID.

According to the Developer, 1,806 single family units are estimated to be built within the Major Improvement Area of the PID, representing 1,504.80 Equivalent Units. Accordingly, the principal and interest portion of Annual Installment to be collected from each unit will be $540.89 (i.e. $813,931 ÷ 1,504.80 = $540.89) and the Administrative Expenses to be collected from each unit will be $10.37 (i.e. $15,606 ÷ 1,504.80 = $10.37). As a result, the total Major Improvement Area Additional Major Improvement Annual Installment to be collected from each unit within the Major Improvement Area will be $551.26 (i.e. $540.89 + $10.37 = $551.26). The Major Improvement Area Additional Major Improvement Annual Installment to be collected from each Parcel within the Major Improvement Area is calculated by multiplying the Annual Installment for each unit of $551.26 by the total estimated equivalent units for each Parcel in the Major Improvement Area as shown in Appendix D-2.

L. BOND REDEMPTION RELATED UPDATES

Phase #1 Bonds

The Phase #1 Bonds were issued in 2021. Pursuant to Section 4.3 (a) of each respective Indenture, the City reserves the right and option to redeem the Phase #1 Bonds maturing on or after September 1, 2041, before their respective scheduled maturity dates, in whole or in part, on any date on or after **September 1, 2031**, such redemption date or dates to be fixed by the City, at the Redemption Price.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phase #1 Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

Major Improvement Bonds

The Major Improvement Bonds were issued in 2021. III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council provided that the Authorized Improvement Costs shall be allocated to the Assessed Property equally on the basis of the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement Costs to Parcels similarly benefited.

As shown in the Service and Assessment Plan adopted by the City Council on November 9, 2021, the following estimated Lot Types and corresponding Equivalent Units were anticipated to be developed in Phase #1 of the PID.

Table III-A-1
Phase #1 Original Estimated Equivalent Units

Lot Type	Planned No. of units	Equivalent Unit Factor	Total Equivalent Units
Lot Type 1 (74 Ft Lot)	-	1.00	-
Lot Type 2 (60 Ft Lot)	100	0.88	88.00
Lot Type 3 (50 Ft Lot)	132	0.76	100.32
Lot Type 4 (40 Ft Lot)	126	0.68	85.68
Total Equivalent Units	**358**		**274.00**

The above Equivalent Unit totals were used to calculate the Phase #1 Maximum Assessments Per Unit amounts shown below.

Lot Type 2 (60 Ft) - $45,737.73
Lot Type 3 (50 Ft) - $39,500.77
Lot Type 4 (40 Ft) - $35,342.79

According to the final Phase #1 plat filed with Collin Central Appraisal District on February 16, 2023, and information provided by the Developer on June 6, 2023, the actual Lot Type count resulted in a change in the total Equivalent Units from the original estimates. See Table III-A-2 on the following page for the updated actual Lot Type and Equivalent Unit amounts in Phase #1 of the PID.

Table III-A-2
Phase #1 Actual Equivalent Units

Lot Type	Actual No. of units	Equivalent Unit Factor	Total Equivalent Units
Lot Type 1 (74 Ft Lot)	-	1.00	-
Lot Type 2 (60 Ft Lot)	97	0.88	85.36
Lot Type 3 (50 Ft Lot)	135	0.76	102.60
Lot Type 4 (40 Ft Lot)	126	0.68	85.68
Total Equivalent Units	**358**		**273.64**

As shown in Table III-A-2 above, the total actual Equivalent Units in Phase #1 of the PID have decreased from the original amount, resulting in an increase in the Phase #1 Maximum Assessments Per Unit. Below are the updated Phase #1 Maximum Assessments Per Unit.

Lot Type 2 (60 Ft) - $45,797.91
Lot Type 3 (50 Ft) - $39,552.74
Lot Type 4 (40 Ft) - $35,389.29

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the Service and Assessment Plan, the Assessment Roll shall be updated each year to reflect:

> (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.H of this Service and Assessment Plan.

The summary Assessment Rolls for Phase #1 Parcels are shown in Appendix B-1 and B-2. The summary Assessment Rolls for the Major Improvement Area are shown in Appendix C-1 and C-2. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

Upon the subdivision of any Parcel, the Assessment for the Parcel prior to the subdivision shall be reallocated among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for each new subdivided Parcel
B = the Assessment for the Parcel prior to subdivision
C = the estimated number of Equivalent Units to be built on each new subdivided Parcel
D = the sum of the estimated number of Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of Equivalent Units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of Equivalent Units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

According to CCAD records, the Phase #1 Parcel 2122461 was subdivided into 358 residential lots in 2023. The Phase #1 Assessments for Parcel 2122461 was allocated to the 358 residential lots as shown in the 2023-24 Annual Service Plan Update.

B. Prepayment of Assessments

There have been no Assessment prepayments as of June 30, 2024.

The complete Assessment Roll is available for review at the City Hall, located at 142 N. Ohio, Celina, Texas 75009.

I. INTRODUCTION

Parvin Public Improvement District (the "PID") was created pursuant to the PID Act and Resolution No. 2022-39R of the City Council on April 11, 2023 to finance certain public improvement projects for the benefit of the property in the PID.

On April 11, 2023, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2023 (Parvin Public Improvement District Project) (the "PID Bonds") in the aggregate principal amount of $14,034,000 to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID.

A service and assessment plan dated August 8, 2023 (the "Service and Assessment Plan") was prepared at the direction of the City identifying the public improvements (the "Authorized Improvements") to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to Chapter 372 of the Texas Local Government Code, as amended (the "PID Act"), the Service and Assessment Plan must be reviewed and updated annually for the purpose of determining the annual budget for the Authorized Improvements. This document is the annual update of the Service and Assessment Plan for 2024-25 (the "Annual Service Plan Update").

The City also adopted an assessment roll for the PID attached as Appendix G to the Service and Assessment Plan (the "Assessment Roll") identifying the Assessments on each Parcel of Assessed Property, based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Roll for 2024-25.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the "PID Assessment Notice") as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix D and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID us located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchase before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without

the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID Act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Service and Assessment Plan unless otherwise defined herein.

Table II-A below summarizes the updated sources and uses of funds required to (1) construct the Authorized Improvements, (2) establish the PID, and (3) issue the PID Bonds. For additional development-related information, refer to the link below:

C. Annual Budget

Annual Installments

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the PID Bonds, of which twenty-nine (29) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the PID Bonds commencing with the issuance of the PID Bonds. The effective interest rate on the PID Bonds is 6.60 percent for 2024-25. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the PID Bonds (6.60 percent) plus an additional interest of one-half of one percent are used to calculate the interest on

the Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro-rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that is payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and applicable Trust Indenture, such capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the PID Bonds from the collection of the Annual Installments of the Assessments on the Assessed Property. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Service and Assessment plan and applicable Trust Indenture.

Annual Installments to be Collected for 2024-25

The budget for the PID will be paid from the collection of Annual Installments of the Assessments on the Assessed Property collected for 2024-25 as shown by Table II-C-1 below.

Table II-C-1
Budget for the Annual Installments
to be Collected for 2024-25

Debt Service Payments

Annual Installments to be collected for principal and interest on the PID Bonds include interest due on March 1, 2025, in the amount of $462,969 and September 1, 2025, in the amount of $462,969, which equal interest on the outstanding PID Bonds of $14,034,000 for six months each and an effective interest rate of 6.60 percent. There is no principal amount due on September 1, 2025. As a result, the total principal and interest amounts due on the PID Bonds in 2024-25 are estimated to be equal to $925,938.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, dissemination agent expenses and contingency fees. As shown in Table II-C-2 below, the total administrative expenses to be collected for 2024-25 are estimated to be $81,600.

Table II-C-2
Administrative Budget Breakdown

Description	2024-25 Estimated Budget
City	$6,000
Administrator	$62,000
Trustee	$3,750
Auditor	$2,000
Contingency	$7,850
Total	**$81,600**

Available Administrative Expense Account

As of May 31, 2024, the balance in the Administrative Expense Fund was $153,830. Such funds are anticipated to be used until January 31, 2025. As a result, there is no credit to reduce the Annual Installment.

Available Reserve Fund Income

As of May 31, 2024, the balance in the Reserve Fund was $1,217,899, which includes the Bond Reserve Requirement of $1,176,385 and investment income of $41,514. According to Section 6.4(c) of the Trust Indenture, Capitalized Interest is used to pay debt service on the bonds for March 1, 2025 and September 1, 2025. As a result, the excess balance is not available as a credit to reduce the PID Bonds debt service.

Available Capitalized Interest Account

As of May 31, 2024, the balance in the Capitalized Interest Account was $1,450,295. According to Section 6.4(c) of the Trust Indenture, $925,938 will be transferred to the Principal & Interest

Account to fund the interest payment due March 1, 2025 in the amount of $462,969 and the interest payment due September 1, 2025 in the amount of $462,969.

D. Annual Installments Per Unit

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the PID Bonds, (ii) to fund the Additional Interest Reserve, and (iii) to cover Administrative Expenses of the PID.

According to the Service and Assessment Plan, 313 units are anticipated to be built within the PID. Accordingly, the principal and interest portion of Annual Installment to be collected from each unit will be $0, ($925,938 - $925,938) ÷ 313 = $0). The Administrative Expenses to be collected from each unit will be $0 (i.e. ($81,600 - $81,600) ÷ 313 = $0). As a result, the total Annual Installment to be collected from each unit within the PID will be $0. The Annual Installment to be collected from each Parcel within the PID is calculated by multiplying the Annual Installment for each unit of $0 by the total estimated units for each Parcel in the PID.

The Annual Installment due to be collected from each Land Use Class in the PID for 2024-25 is shown in Table II-D below.

Table II-D
Annual Installment Per Unit

Land Use Class	Annual Installment Per Unit
50 Ft Lots	$0.00

The list of Parcels within the PID, the number of units to be developed on the current residential Parcels, the corresponding total units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix C.

E. Bond Redemption Related Updates

The PID Bonds were issued in August 2023. Pursuant to Section 4.3 of the Indenture of Trust, the City reserves the right and option to redeem the PID Bonds maturing on or after **September 1, 2043**, before their respective scheduled maturity date, in whole or in part, on any date on or after **September 1, 2033**, at the Redemption Price as defined in the Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the PID Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council describes that the Authorized Improvement costs shall be allocated to the Assessed Property equally based on the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement Costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property, as updated in prior Annual Service Plan Updates, has not been changed and Assessed Property will continue to be assessed as provided for in the Service and Assessment Plan.

(The remainder of this page is intentionally left blank.)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Roll shall be updated each year to reflect:

(i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan and in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.E of the Service and Assessment Plan.

The 2024-25 Assessment Roll Summary is shown in Appendix C of this report. Each Parcel of in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

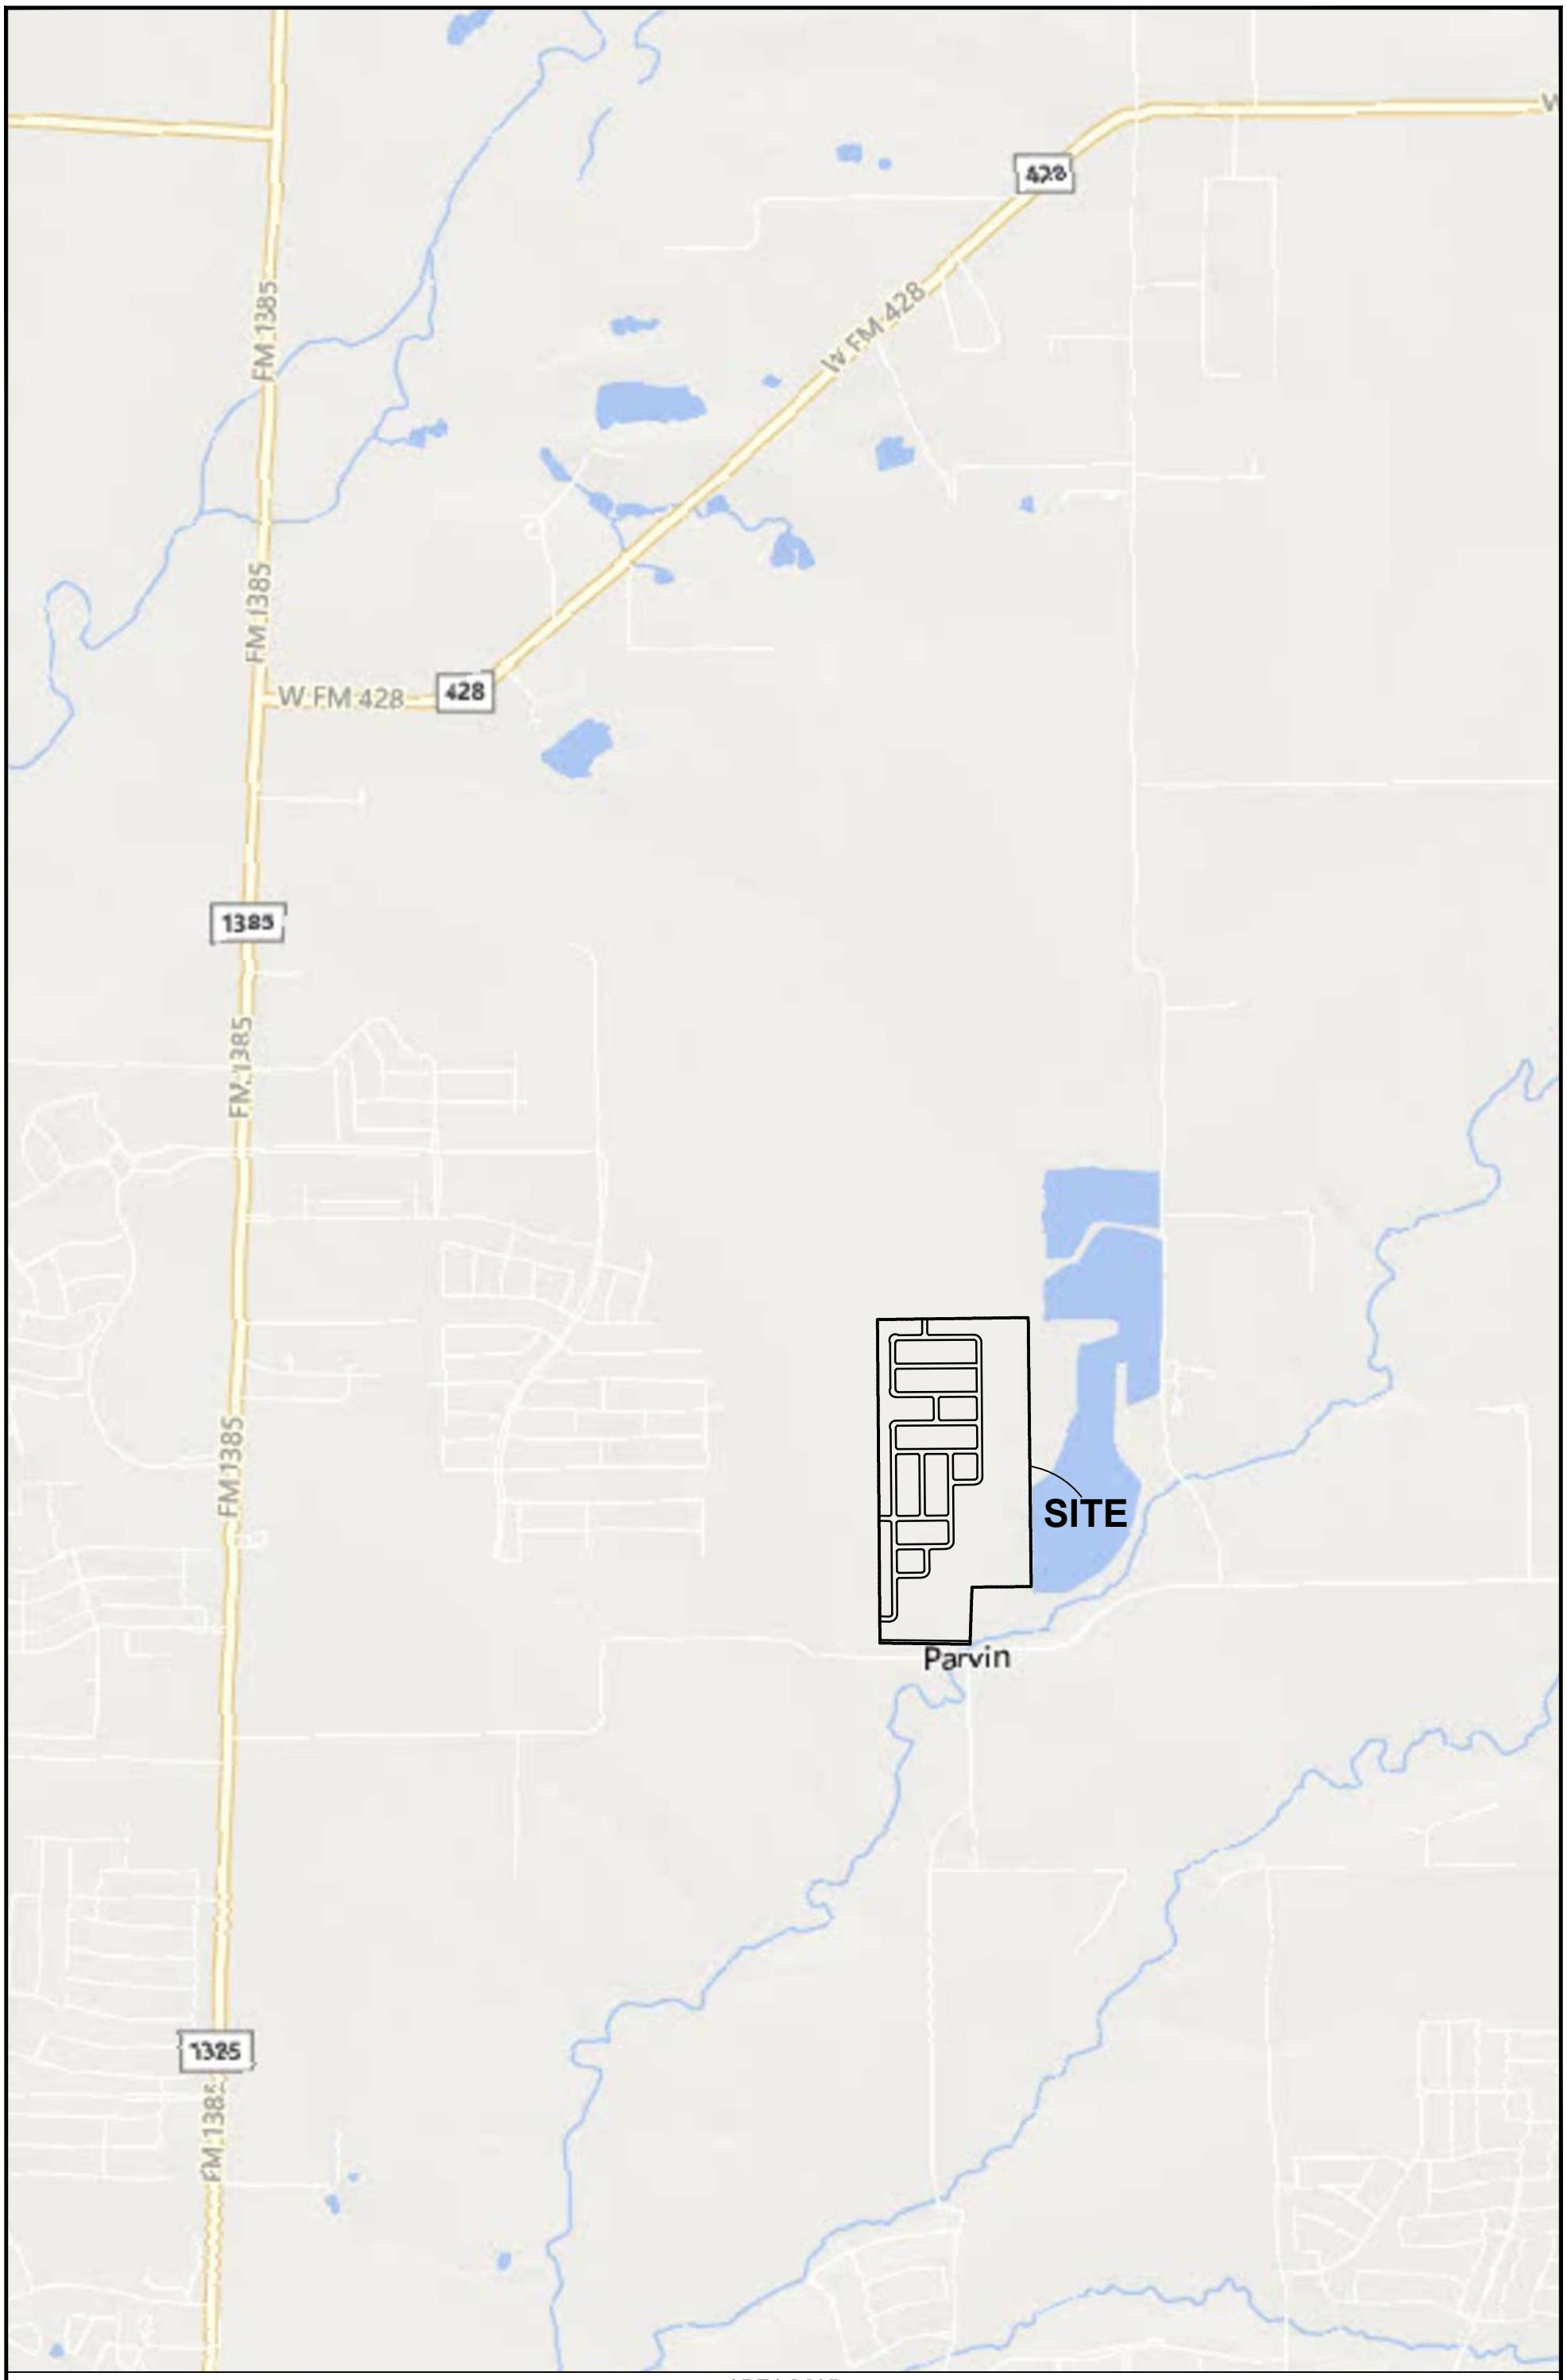
A. PARCEL UPDATES

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Assessment for the Parcel prior to the subdivision shall be reallocated among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for each new subdivided Parcel.
B = the Assessment for the Parcel prior to subdivision.
C = the estimated total units to be built on each new subdivided Parcel
D = the sum of the estimated total units to be built on all of the new subdivided Parcels



The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

B. PREPAYMENT OF ASSESSMENTS

As of June 30, 2024, there have been no prepayments of Assessments.

The complete Assessment Roll is available for review at the City Hall, located at 142 N Ohio, Celina, Texas 75009.

I. INTRODUCTION

The Sutton Fields East Public Improvement District (the "PID") was created pursuant to the PID Act and Resolution No. 2021-96R of the City Council on October 12, 2021, to finance certain public improvement projects for the benefit of the property in the PID.

A service and assessment plan dated January 11, 2021 (the "Service and Assessment Plan") was prepared at the direction of the City identifying the public improvements (the "Authorized Improvements") to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to Chapter 372 of the Texas Local Government Code, as amended (the "PID Act"), the Service and Assessment Plan must be reviewed and updated annually for the purpose of determining the annual budget for the Authorized Improvements. This document is the annual update of the Service and Assessment Plan for 2024-25 (the "Annual Service Plan Update").

On January 11, 2022, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2022 (Sutton Fields East Public Improvement District Phase #1 Project) (the "Phase #1 Bonds") in the aggregate principal amount of $8,060,000 were issued to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID. In addition, reimbursement obligations for the Phase #1 Reimbursement Agreement in the aggregate principal amount of $1,100,000 are secured by Assessments.

The City also adopted an assessment roll for the PID attached as Appendix G to the Service and Assessment Plan (the "Assessment Roll") identifying the Assessments on each Parcel of Assessed Property, based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Roll for 2024-25.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the "PID Assessment Notice") as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix D and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID us located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchaser before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID Act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Service and Assessment Plan unless otherwise defined herein.

D. ANNUAL BUDGET – PHASE #1

Annual Installments

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty (30) annual installments of principal and interest beginning with the tax year following the issuance of the Phase #1 Bonds and/or execution of the Phase #1 Reimbursement Agreement, of which twenty-seven (27) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the Phase #1 Bonds commencing with the issuance of the Phase #1 Bonds. The effective interest rate on the Phase #1 Bonds is 3.95 percent for 2024-25 and the interest rate applicable to the Phase #1 Reimbursement Agreement is 4.41 percent per annum for 2024-25. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phase #1 Bonds (3.95 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City, or any other party designated by the City, in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan, such as the Tax Increment Reinvestment Zone No. 14 (the "TIRZ") incremental taxes available to the PID (the "TIRZ Credit"), capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phase #1 Bonds and Phase #1 Reimbursement Agreement from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the Prepayment Reserve and Delinquency Reserve amounts as described in the Service and Assessment Plan and applicable Indenture of Trust.

Annual Installments to be Collected for 2024-25

The budget for Phase #1 of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown by Table II-D-1 below.

Debt Service Payments

Annual Installments to be collected for principal and interest on the Phase #1 Bonds include interest due on March 1, 2025, in the amount of $155,957 and September 1, 2025, in the amount of $155,957, which equal interest on the outstanding Phase #1 Bonds of $7,892 ,000 for six months each and an effective interest rate of 3.95 percent. Annual Installments to be collected on the Phase #1 Bonds include a principal amount of $173,000 due on September 1, 2025. As a result, the total principal and interest amounts due on the PID Bonds in 2024-25 are estimated to be equal to $484,914.

Additionally, Annual Installments to be collected for principal and interest include Phase #1 Reimbursement Agreement interest due on March 1, 2025 in the amount of $22,368 and on September 1, 2025 in the amount of $22,368, which equal interest on the outstanding Phase #1 Reimbursement Agreement portion of Phase #1 Assessments balance of $1,014,410 for six months each and an effective interest rate of 4.41 percent. Phase #1 Annual Installments to be collected include a principal amount of $21,000 due on September 1, 2025. As a result, total principal, and interest due for the Phase #1 Reimbursement Agreement in 2024-25 is estimated to be equal to $65,735.

Administrative Expenses

Administrative expenses for Phase #1 include the City, Administrator, Trustee, auditor, dissemination agent, and contingency fees. As shown in Table II-D-2 below, the administrative expenses to be collected for 2024-25 are estimated to be $47,754.

Table II-D-2
Phase #1 Administrative Budget – 2024-25

Description	2024-25 Estimated Budget
City	$6,000
Administrator	$31,600
Trustee	$2,750
Auditor	$2,000
Dissemination Agent	$3,500
Contingency	$1,904
Total	**$47,754**

Excess Interest for Additional Interest Reserve

Annual Installments are to be collected for excess interest for additional interest reserves in the amount of $39,460, which equals 0.5 percent interest on the outstanding Phase #1 Bond portion of outstanding Phase #1 Assessment balance of $7,892,000.

Available TIRZ Credit

According to the City, there have been no TIRZ increments collected in 2023 that are available to be used as TIRZ Credit in 2024-25 for the Parcel within Phase #1. The TIRZ Credit amount to be allocated is based upon the amount of TIRZ increment generated by each Parcel within Phase #1 and each Parcel that has an outstanding Phase #1 Assessment balance as of September 1, 2024 as shown in Appendix C-2.

Available Reserve Fund Income

As of May 31, 2024, the balance in the Reserve Fund was $509,264, which includes the Bond Reserve Requirement of $489,388 and an excess balance of $19,876. Pursuant to Section 6.7(e) of the Trust Indenture, the excess balance of $19,876 should be transferred to the Principal & Interest Account and used to pay interest on the Phase #1 Bonds on the next interest payment date. As a result, $19,876 is available to reduce the 2024-25 Phase #1 Annual Installments

Available Capitalized Interest Account

As of May 31, 2024, and in accordance with Section 6.4(c) of the Trust Indenture, all Capitalized Interest funds have been fully expended. As a result, there is no credit to reduce the 2024-25 Phase #1 Annual Installment.

Available Administrative Expense Account

As of May 31, 2024, the available balance for administrative expenses was $74,889. Approximately $74,889 is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, there are no funds anticipated to be available in the Administrative Expense Account to reduce the 2024-25 Phase #1 Annual Installment.

E. ANNUAL INSTALLMENTS PER UNIT - PHASE #1

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Phase #1 Bonds and Phase #1 Reimbursement Agreement, (ii) to fund the Additional Interest Reserve, and (iii) to pay Administrative Expenses related to Phase #1 of the PID.

According to the Service and Assessment Plan, 245 units representing 211.17 total Equivalent Units are estimated to be built within Phase #1 of the PID. Accordingly, the net principal and interest portion of Annual Installment to be collected from each Equivalent Unit will be $2,700.40 (i.e. ($550,649 + $39,460 - $19,876) ÷ 211.17 = $2,700.40) and the Administrative Expenses to be collected from each Equivalent Unit will be $226.14 (i.e., $47,754 ÷ 211.17 = $226.14). As a result, the total Annual Installment to be collected from each Equivalent Unit within Phase #1 will be $2,926.54 (i.e., $2,700.40 + $226.14 = $2,926.54). The Annual Installment to be collected from each Parcel within Phase #1 is calculated by multiplying the Annual Installment for each Equivalent Unit of $2,926.54 by the total estimated Equivalent Units for each Parcel less the applicable TIRZ Credit shown in Appendix C-2 for each Parcel within Phase #1 of the PID.

The Annual Installment due to be collected from each Land Use Class in Phase #1 for 2024-25 is shown in Table II-E-1 on the following page.

Table II-E-1
Annual Installment Per Unit – Phase #1

Land Use Class	Annual Installment Per Equivalent Unit	Equivalent Unit Factor	Annual Installment Per Unit
Single-Family - 60 Ft	$2,926.54	1.00	$2,926.54
Single-Family - 50 Ft	$2,926.54	0.83	$2,438.78

1 – The Annual Installment per unit amounts do not include applicable TIRZ Credits, if any.

The list of Parcels within Phase #1 of the PID, the number of units to be developed on the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, the TIRZ Credit, and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix C-1.

F. BOND REDEMPTION RELATED UPDATES

Phase #1 Bonds

The Phase #1 Bonds were issued in January 2022. Pursuant to Section 4.3 of the Indenture of Trust, the City reserves the right and option to redeem the Phase #1 Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2031**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Indenture of Trust.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phase #1 Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

(remainder of page left intentionally blank)

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council provided that the costs of the Authorized Improvements shall be allocated to the Assessed Property equally on the basis of the Equivalent Units of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement Costs to Parcels similarly benefited.

This method of assessing property has not been changed, except for the additional clarifying provisions above, and Assessed Property will continue to be assessed as provided for in the Service and Assessment Plan.

(remainder of this page is intentionally left blank)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Roll shall be updated each year to reflect:

> (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by the Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.H of the Service and Assessment Plan.

The Assessment Roll Summary is shown in Appendix C-1 of the Annual Service Plan Update. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for each new subdivided Parcel.

B = the Assessment for the Parcel prior to subdivision.

C = the estimated Equivalent Units to be built on each newly subdivided Parcel

D = the sum of the estimated Equivalent Units to be built on all of the new subdivided Parcels

I. INTRODUCTION

The Sutton Fields II Public Improvement District (the "PID") was created pursuant to the PID Act and a resolution of the City Council on October 13, 2015 to finance certain public improvement projects for the benefit of the property in the PID. The City of Celina, Texas Special Assessment Revenue Bonds, Series 2015 (Sutton Fields II Public Improvement District Neighborhood Improvement Area #1 Project) (the "NIA #1 Bonds") in the aggregate principal amount of $11,560,000, and the City of Celina, Texas Special Assessment Revenue Bonds, Series 2015 (Sutton Fields II Public Improvement District Neighborhood Improvement Area #2-5 Major Improvement Project) (the "NIA #2-5 Major Improvement Bonds") in the aggregate principal amount of $16,825,000, were issued to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID.

A service and assessment plan (the "Service and Assessment Plan") was prepared at the direction of the City identifying the public improvements (the "Authorized Improvements") to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to the PID Act, the Service and Assessment Plan must be reviewed and updated annually. The Service and Assessment Plan was amended and restated in July 2017 to include changes to the project costs and financing structure (the "Amended SAP"). The Amended SAP was updated for NIA #2 and NIA #3 collectively on September 10, 2019 to issue the City of Celina, Texas Special Assessment Revenue Bonds, Series 2019 (Sutton Fields II Public Improvement District Neighborhood Improvement Areas #2-3 Projects) (the "NIA #2-3 Bonds") to repay the reimbursement obligations for NIA #2 and NIA #3 in the aggregate principal amount of $6,355,000; updated for NIA #4 on July 14, 2020 and September 8, 2020 to issue the City of Celina, Texas Special Assessment Revenue Bonds, Series 2020 (Sutton Fields II Public Improvement District Neighborhood Improvement Area #4 Projects) (the "NIA #4 Bonds") to repay the reimbursement obligations for NIA #4 in the aggregate principal amount of $4,000,000; updated for NIA #5 on July 13, 2021 to issue the Sutton Fields II Public Improvement District Neighborhood Improvement Area #5A Reimbursement Agreement (the "NIA #5A Reimbursement Agreement") in the aggregate principal amount of $7,300,000 (the "Updated Service and Assessment Plan"); and updated on December 14, 2021 to issue the City of Celina, Texas Special Assessment Revenue Bonds, Series 2021 (Sutton Fields II Public Improvement District Neighborhood Improvement Area #5 Projects) (the "NIA #5 Bonds") to repay the reimbursement obligations for NIA #5A in the aggregate principal amount of $7,300,000 and finance the direct public improvement costs for NIA #5B in the aggregate principal amount of $13,484,000 (the "Updated Service and Assessment Plan"). Pursuant to the PID Act, the Updated Service and Assessment Plan must be reviewed and updated annually for the purpose of determining the annual budget for the Authorized Improvements. This document is the annual update of the Updated Service and Assessment Plan for 2024-25 (the "Annual Service Plan Update").

The City also adopted assessment rolls (the "Assessment Rolls") identifying the Assessments on each Parcel within the PID, based on the method of assessment identified in the Updated Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Rolls for 2024-25.

Effective September 1, 2021, the Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the "PID Assessment Notice") as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix J and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID us located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchaser before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID Act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Updated Service and Assessment Plan unless otherwise defined herein.

P. ANNUAL BUDGET – NIA #5B

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the NIA #5B Assessment shall be payable in thirty annual installments of principal and interest beginning with the issuance of the NIA #5 Bonds and will be assessed annually thereafter. Therefore, collection of the first Annual Installment was due no later than January 31, 2023. As a result, twenty-seven (27) Annual Installments remain outstanding for NIA #5B Parcels.

Pursuant to the Updated Service and Assessment Plan, each Assessment shall bear interest at the rate on the NIA #5 Bonds commencing with the issuance of the NIA #5 Bonds. The effective interest rate on the NIA #5 Bonds is 3.82 percent for 2024-25. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the NIA #5 Bonds (3.82 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the “Annual Installments” of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under an

applicable Trust Indenture capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

III. UPDATE OF THE ASSESSMENT PLAN

The Updated Service and Assessment Plan adopted by the City Council describes that the Authorized Improvement costs shall be allocated to the Assessed Property equally based on the equivalent number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property, as updated in prior Annual Service Plan Updates, has not been changed and Assessed Property will continue to be assessed as provided for in the Updated Service and Assessment Plan.

(remainder of this page is intentionally left blank)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

> (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by the Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.I of the Service and Assessment Plan.

The summary of updated Assessment Rolls is shown in Appendix C-1, Appendix D-1, Appendix E, Appendix F, Appendix G, Appendix H, and Appendix I of this report. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Updated Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = [B \times (C \div D)]/E$$

Where the terms have the following meanings:

A = the Assessment for the new subdivided Lot
B = the Assessment for the Parcel prior to subdivision
C = the sum of the estimated As-Built Assessed Value of all new subdivided Lots with same Lot Type
D = the sum of the estimated As-Built Assessed Value for all of the new subdivided Lots excluding Non-Benefitted Property
E = the number of Lots with same Lot Type

Prior to the recording of a subdivision plat, the Developer shall provide the City an estimated As-Built Assessed Value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat considering factors such as density, lot size, proximity to amenities, view premiums, location, market conditions, historical sales, discussions with homebuilders, and any other factors that may impact future as-built Lot value and any other information available to the Developer. The calculation of the estimated As-Built Lot value for a Lot shall be performed by the Administrator and confirmed by the City Council based on information provided by the Developer, homebuilders, third party consultants, and/or the Official Public Records of Denton County, Texas regarding the Lot.

The sum of the Assessments for all newly subdivided Lots shall not exceed the Assessment for the portion of the Assessed Property subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this Service and Assessment Plan approved by the City Council.

I. INTRODUCTION

The Ten Mile Creek Public Improvement District (the "PID") was created pursuant to the PID Act and a resolution of the City Council on March 15, 2022 to finance certain public improvement projects for the benefit of the property in the PID.

On March 14, 2023, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2023 (Ten Mile Creek Public Improvement District Improvement Area #1 Project) (the "Improvement Area #1 Bonds") in the aggregate principal amount of $12,010,000, and reimbursement obligations for the Improvement Area #1 Reimbursement Agreement (the "Improvement Area #1 Reimbursement Agreement") in the aggregate principal amount of $2,940,000 to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID. Both the Improvement Area #1 Bonds and the Improvement Area #1 Reimbursement Agreement are secured by the Improvement Area #1 Assessments (the "Improvement Area #1 Assessments").

Additionally, on March 14, 2023, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2023 (Ten Mile Creek Public Improvement District Major Improvement Area Project) (the "Major Improvement Bonds") in the aggregate principal amount of $7,021,000, to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID. the Major Improvement Bonds are secured by the Major Improvement Area Assessments (the "Major Improvement Area Assessments").

A service and assessment plan (the "Service and Assessment Plan") was prepared at the direction of the City identifying the public improvements (the "Authorized Improvements") to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to the PID Act, the Service and Assessment Plan must be reviewed and updated annually. This document is the annual update of the Service and Assessment Plan for 2024-25 (the "Annual Service Plan Update").

The City also adopted Assessment Rolls identifying the assessments on each Parcel within the PID, based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Roll for 2024-25.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the "PID Assessment Notice") as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix D and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or

a part of the PID us located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchaser before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID Act, is entitled to terminate the contract. The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Service and Assessment Plan unless otherwise defined herein.

C. ANNUAL BUDGET – IMPROVEMENT AREA #1

Improvement Area #1 - Annual Installments – 2024-25

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Improvement Area #1 Bonds and/or the execution of the Improvement Area #1 Reimbursement Agreement, of which twenty-eight (28) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the Improvement Area #1 Bonds commencing with the issuance of the Improvement Area #1 Bonds. The effective interest rate on the Improvement Area #1 Bonds is 5.55 percent and the interest rate applicable to the Improvement Area #1 Reimbursement Agreement is 6.03 percent per annum for 2024-25. Pursuant to Section 372.018 of the PID Act, the interest rate for that assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Improvement Area #1 Bonds (5.55 percent) plus an additional interest of one-half of one percent and the effective interest rate on the Improvement Area #1 Reimbursement Agreement (6.03 percent) are used to calculate the interest on the Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable

documents including the Service and Assessment Plan and Trust Indenture, capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Improvement Area #1 Bonds and Improvement Area #1 Reimbursement Agreement from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Service and Assessment Plan and applicable Trust Indenture.

Improvement Area #1 Annual Installments to be Collected for 2024-25

The budget for Improvement Area #1 of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown by Table II-C-1 below.

Assessments balance of $12,010,000 for six months each and an effective interest rate of 5.55 percent. Annual Installments to be collected on the Improvement Area #1 Bonds include a principal amount of $194,000 due on September 1, 2025. As a result, total Annual Installments to be collected for the Improvement Area #1 Bonds' principal and interest in 2024-25 is equal to $860,963.

Description	2024-25 Estimated Budget (9/1/24-8/31/25)
City	$6,000

Dissemination Agent	$3,500
Contingency	$3,250
Total	**$52,020**

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of $60,050, which equals 0.5 percent interest on the outstanding collective Improvement Area #1 Bond Assessments balance of $12,010,000.

Available Administrative Expense Account

As of May 31, 2024, the balance in the Administrative Expense Fund was $83,038. Approximately $74,358 is anticipated to be used until January 31, 2025. As a result, there is $8,681 available to reduce the Annual Installment.

D. ANNUAL INSTALLMENTS PER UNIT – IMPROVEMENT AREA #1

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Improvement Area #1 Bonds and Improvement Area #1 Reimbursement Agreement, (ii) to fund the prepayment reserve and delinquency reserve, and (iii) to cover Administrative Expenses of Improvement Area #1. The Annual Installment for each Parcel shall be calculated by taking into consideration any available capitalized interest available.

According to the Service and Assessment Plan, 296 units representing 237.60 total Equivalent Units are estimated to be built within Improvement Area #1 of the PID. Accordingly, the principal and interest portion of Annual Installment to be collected from each Equivalent Unit within Improvement Area #1 will be $4,789.07 (i.e. ($1,077,833 + $60,050) ÷ 237.60 = $4,789.07) and the Administrative Expenses to be collected from each Equivalent Unit will be $182.40 (i.e. ($52,020 - $8,681) ÷ 237.60 = $182.40). As a result, the total Annual Installment to be collected from each Equivalent Unit within Improvement Area #1 will be $4,971.47 (i.e. $4,789.07 + $182.40 = $4,971.47). The Annual Installment to be collected from each Parcel within Improvement Area #1 is calculated by multiplying the Annual Installment for each Equivalent Unit of $4,971.47 by the total estimated number of Equivalent Units for each Parcel in Improvement Area #1.

The Annual Installment due to be collected from each Land Use Class in Improvement Area #1 for 2024-25 is shown in Table II-D-1 below.

Table II-D-1

E. ANNUAL BUDGET – MAJOR IMPROVEMENT AREA

Major Improvement Area - Annual Installments – 2024-25

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty annual installments of principal and interest beginning with the tax year following the issuance of the Major Improvement Bonds, of which twenty-eight (28) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the Bonds commencing with the issuance of the Major Improvement Bonds. The effective interest rate on the Major Improvement Bonds is 6.31 percent. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Major Improvement Bonds (6.31 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and applicable Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Major Improvement Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Service and Assessment Plan and applicable Trust Indenture.

Available Administrative Expense Account

As of May 31, 2024, the balance in the Administrative Expense Fund was $87,474. Approximately $70,177 is anticipated to be used until January 31, 2025. As a result, there is $17,297 available to reduce the Annual Installment.

F. ANNUAL INSTALLMENTS PER UNIT – MAJOR IMPROVEMENT AREA

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Major Improvement Bonds, (ii) to fund the prepayment reserve and delinquency reserve, and (iii) to cover Administrative Expenses of the Major Improvement Area. The Annual Installment for each Parcel shall be calculated by taking into consideration any available capitalized interest.

According to the Service and Assessment Plan, 1,055 units representing 343.79 total Equivalent Units are estimated to be built within the Major Improvement Area of the PID. Accordingly, the principal and interest portion of Annual Installment to be collected from each Equivalent Unit within the Major Improvement Area will be $1,699.51 (i.e. ($549,170 + $35,105) ÷ 343.79 = ($1,699.51) and the Administrative Expenses to be collected from each Equivalent Unit will be $101.00 (i.e. ($52,020 - $17,297) ÷ 343.79 = $101.00). As a result, the total Annual Installment to be collected from each Equivalent Unit within the Major Improvement Area will be $1,800.51 (i.e. $1,699.51 + $101.00 = $1,800.51). The Annual Installment to be collected from each Parcel within

the Major Improvement Area is calculated by multiplying the Annual Installment for each Equivalent Unit of $1,800.51 by the total estimated number of Equivalent Units for each Parcel in the Major Improvement Area. The Annual Installment due to be collected from each Land Use Class in the Major Improvement Area for 2024-25 is shown in Table II-F-1 below.

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council provided that the Authorized Improvement costs shall be allocated to the Assessed Property equally on the basis of the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property has not been changed and assessed property will continue to be assessed as provided for in the Service and Assessment Plan.

(the remainder of this page is intentionally left blank)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

> (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.H of this Service and Assessment Plan.

The updated Assessment Rolls are shown in Appendix B and C of this report. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for each new subdivided Parcel.

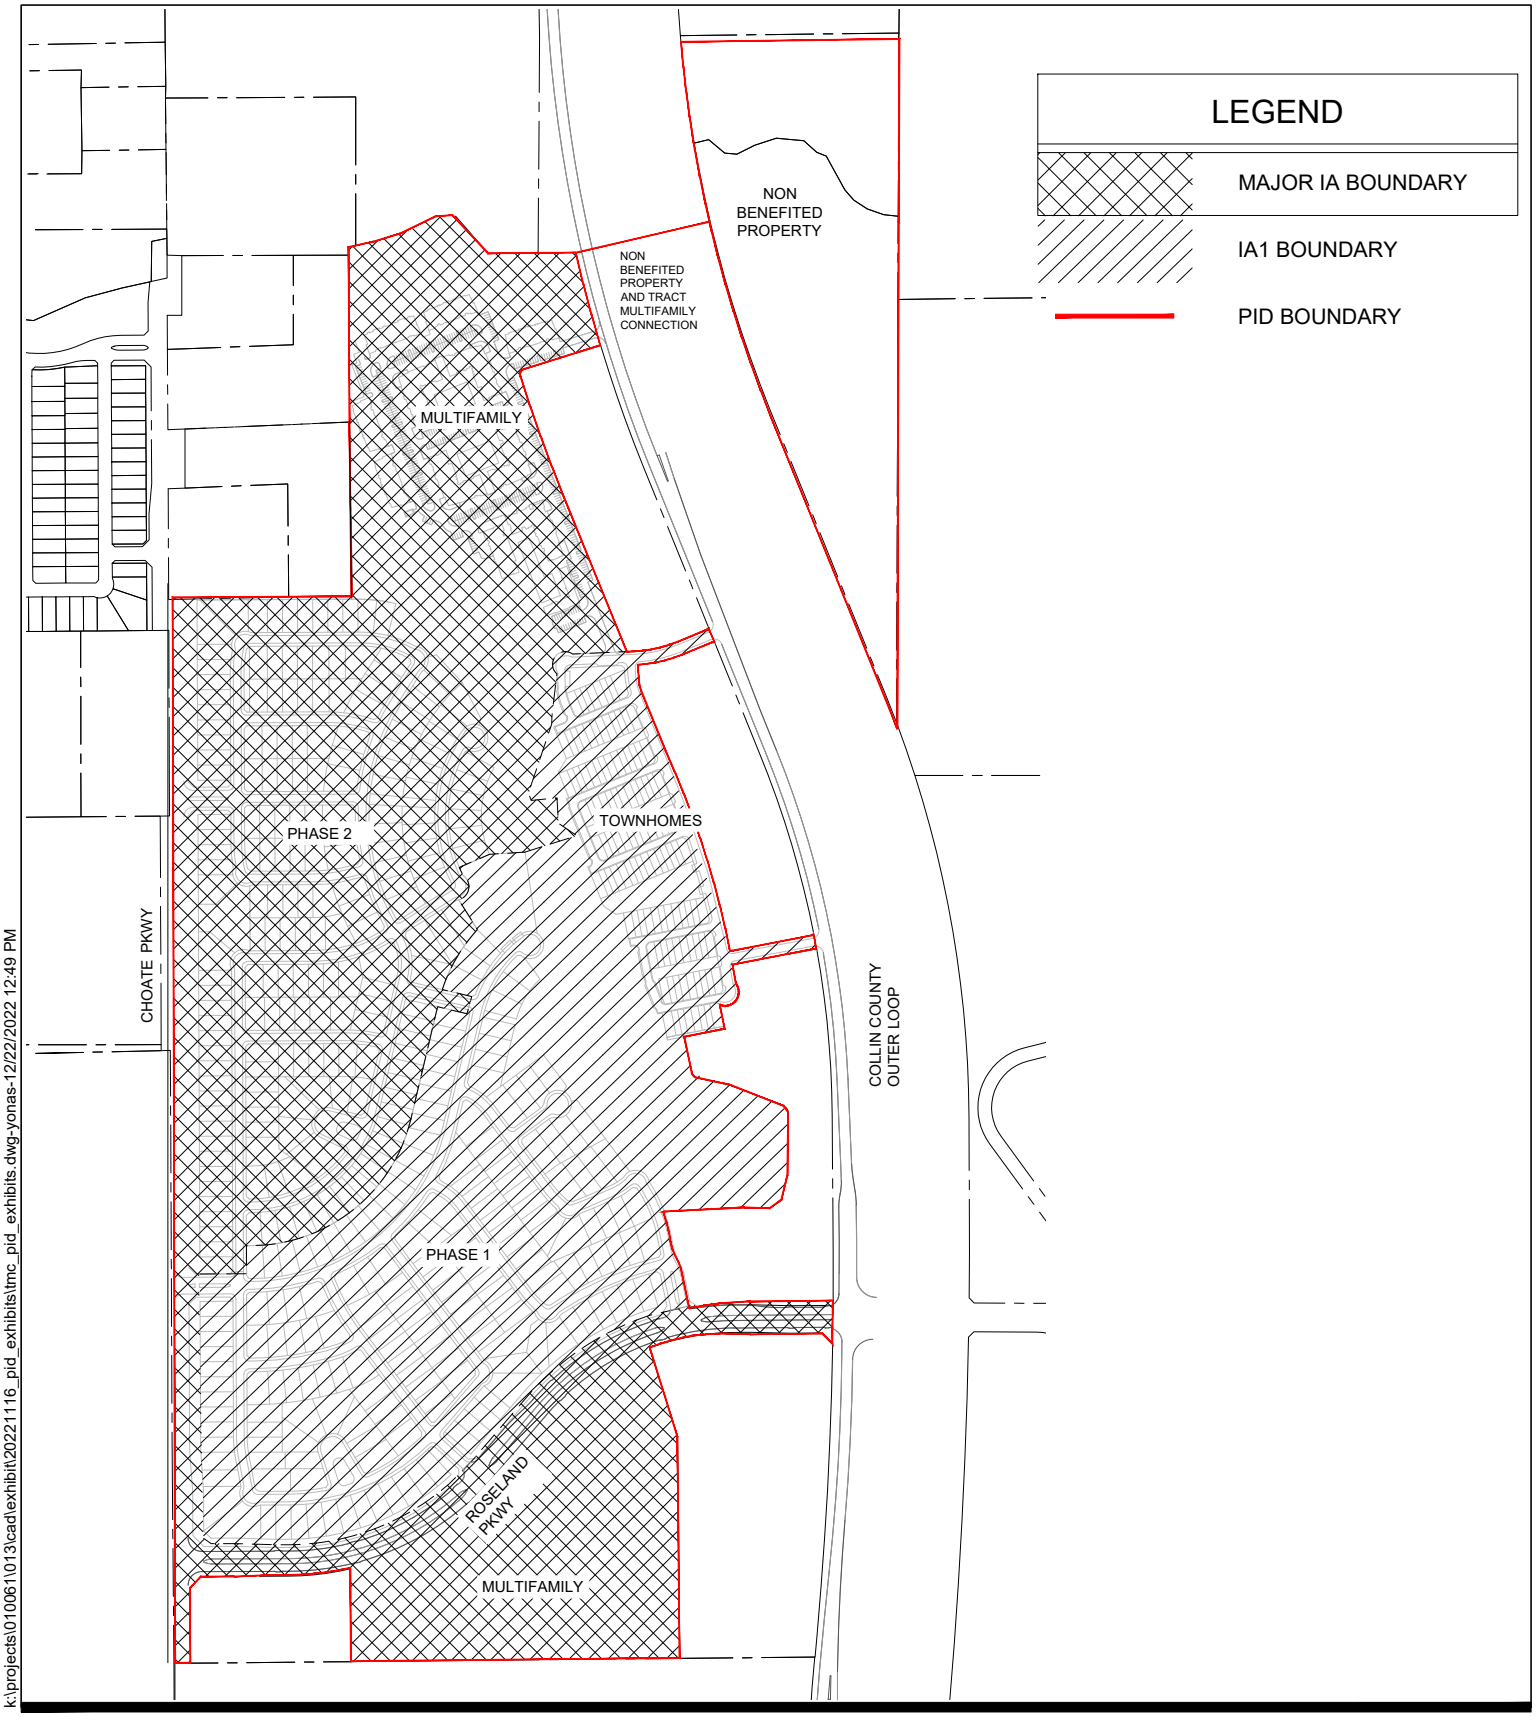
B = the Assessment for the Parcel prior to subdivision.

C = the estimated number of Equivalent Units to be built on each newly subdivided Parcel

D = the sum of the estimated number of Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of Equivalent Units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

The developer has confirmed there have been no parcel subdivisions in the PID applicable for the Annual Installments to be collected in 2024-25.



B. PREPAYMENT OF ASSESSMENTS

There have been no Assessment prepayments as of June 30, 2024.

The complete Assessment Rolls are available for review at the City Hall, located at 142 N. Ohio, Celina, Texas 75009.

I. INTRODUCTION

The Columns Public Improvement District (the "PID") was created pursuant to the PID Act and Resolution No. 2017-203R of the City Council on November 14, 2017 to finance certain public improvement projects for the benefit of the property in the PID.

On April 10, 2018, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2018 (The Columns Public Improvement District Project) (the "PID Bonds") in the aggregate principal amount of $6,470,000 were issued to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID. In addition, the City approved reimbursement obligations for the PID Reimbursement Agreement (the "PID Reimbursement Agreement Obligation") in the aggregate principal amount of $1,030,000 are secured by Assessments.

A service and assessment plan dated April 10, 2018 (the "Service and Assessment Plan") was prepared at the direction of the City identifying the public improvements (the "Authorized Improvements") to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to Chapter 372 of the Texas Local Government Code, as amended (the "PID Act"), the Service and Assessment Plan must be reviewed and updated annually for the purpose of determining the annual budget for the Authorized Improvements. This document is the annual update of the Service and Assessment Plan for 2024-25 (the "Annual Service Plan Update").

The City also adopted an assessment roll for the PID attached as Appendix D-1 to the Service and Assessment Plan (the "Assessment Roll") identifying the Assessments on each Parcel of Assessed Property, based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Roll for 2024-25.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the "PID Assessment Notice") as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix D and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID us located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchase before

the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Service and Assessment Plan unless otherwise defined herein.

C. Status of Development

According to the City, greater than 95 percent of the total building permits expected to be issued within the PID have been issued of the PID as of June 18, 2023. Pursuant to Section 4 (a)(ii) of the Continuing Disclosure Agreement of the Issuer, the City is no longer responsible for reporting the number of new homes completed in the PID in the Annual Service Plan Update.

D. Annual Budget

Annual Installments

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the PID Bonds and/or execution of the PID Reimbursement Agreement Obligation, of which twenty-four (24) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment securing the PID Bonds shall bear interest at the rate on the PID Bonds. The effective interest rate on the PID Bonds is 6.25 percent. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the PID Bonds plus additional interest of one-half of one percent (to be used for funding the Prepayment Reserve and Delinquency Reserve) equals 6.75 percent and is used to calculate the interest on the Assessments securing the PID Bonds.

Additionally, each Assessment securing the PID Reimbursement Agreement obligation shall bear interest at the rate on the PID Reimbursement Agreement obligation commencing with the effective date of the PID Reimbursement Agreement obligation. The interest rate applicable to the PID Reimbursement Agreement obligation is 6.38 percent per annum and is used to calculate the interest on the Assessments securing the PID Reimbursement Agreement Obligation.

These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro-rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that is payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and Trust Indenture, such as the Tax Increment Reinvestment Zone No. 9, City of Celina, Texas (the "TIRZ No. 9") incremental taxes available to the PID (the "TIRZ Annual Credit Amount"), capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the PID Bonds and PID Reimbursement Agreement Obligation from the collection of the Annual Installments of the Assessments on the Assessed Property. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Service and Assessment plan and applicable Trust Indenture.

Annual Installments to be Collected for 2024-25

The budget for the PID will be paid from the collection of Annual Installments of the Assessments on the Assessed Property collected for 2024-25 as shown by Table II-D on the following page.

Debt Service Payments

Annual Installments to be collected for principal and interest on the PID Bonds include interest due on March 1, 2025, in the amount of $186,887 and September 1, 2025, in the amount of $186,887, which equal interest on the outstanding PID Bonds of $5,980,397 for six months each and an effective interest rate of 6.25 percent. Annual Installments to be collected on the PID Bonds include a principal amount of $115,000 due on September 1, 2025. As a result, the total principal and interest amounts due on the PID Bonds in 2024-25 are estimated to be equal to $488,775.

Annual Installments to be collected for principal and interest on the PID Reimbursement Agreement Obligation include interest due on March 1, 2025, in the amount of $29,245 and September 1, 2025, in the amount of $29,245, which equal interest on the outstanding balance of $916,785 for six months each and an effective interest rate of 6.38 percent. Annual Installments to be collected on the Reimbursement Agreement include a principal amount of $20,000 due on September 1, 2025. As a result, the total Annual Installments to be collected for principal and interest on the PID Reimbursement Agreement Obligation in 2024-25 is estimated to be equal to $78,491.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, dissemination agent expenses and contingency fees. As shown in Table II-E on the following page, the total administrative expenses to be collected for 2024-25 are estimated to be $56,820.

Table II-E
Administrative Budget Breakdown

Description	2024-25 Estimated Budget (9/1/24-8/31/25)
City	$6,000
PID Administrator	$40,000
Trustee	$2,750
Auditor	$2,570
Dissemination Agent	$3,500
Contingency	$2,000
Total	**$56,820**

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments are to be collected for excess interest for prepayment and delinquency reserves in the amount of $29,902, which equals 0.5 percent interest on the outstanding PID Bond Assessment balance of $5,980,397.

Available TIRZ Credit

According to the City, there have been TIRZ increments collected for the tax year 2023 in the total amount of $196,819 that are available to be used as TIRZ Credit in 2024-25 for the respective Parcels within the PID. This TIRZ Credit amount is allocated based on the amount of TIRZ increment generated by each Parcel within the PID and each Parcel that has an outstanding Assessment balance as of September 1, 2024.

See Appendix C-2 for 2024 TIRZ increment values of all Parcels within the PID.

Available Reserve Fund Income

As of May 31, 2024, the balance in the Reserve Fund was $517,752, which includes the Bond Reserve Requirement of $503,105 and an excess balance of $14,647. There is also a sufficient balance in the Principal and Interest Account to pay debt service on September 1, 2024. Pursuant to Section 6.7 (d) of the Trust Indenture, the excess balance of $14,647 should be transferred to the Principal & Interest Account and used to pay interest on the PID Bonds on the next interest payment date. As a result, $14,647 is available to pay a portion of the PID Bonds debt service.

Available Capitalized Interest Account

According to the Trustee, the Capitalized Interest Fund had been fully expended and was closed as of February 28, 2022. As a result, there is no credit to reduce the Annual Installment.

Available Administrative Expense Account

As of May 31, 2024 the balance in the Administrative Expense Fund was $23,918. Such funds are anticipated to be used until January 31, 2025. As a result, there is no credit to reduce the Annual Installment.

E. Annual Installments Per Unit

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the PID Bonds and PID Reimbursement Agreement Obligation, (ii) to fund the Prepayment Reserve and Delinquency Reserve, and (iii) to cover Administrative Expenses of the PID.

According to the Updated Service and Assessment Plan, 261.00 units are built within the PID. As of May 31, 2024, three Parcels have prepaid their PID assessments in full. In addition, one Parcel has prepaid a portion of their PID Bond Assessment representing 0.93 prepaid units. The principal and interest expense of the PID Bonds portion of Annual Installment to be collected per Equivalent Unit will be calculated using the outstanding units of 257.07 (i.e., 261.00 – 3.00 - 0.97 = 257.07). Accordingly, the net principal and interest expense of the PID Bonds portion of the Annual Installment to be collected from each Equivalent Unit will be $1,844.35 (i.e., ($488,775 + $29,902 - $14,467) ÷ 257.07 = $1,844.35). The administrative expense of the PID Bonds portion of Annual Installment to be collected per Equivalent unit will be calculated based on the original units less the fully prepaid units, 258.00. Accordingly, the administrative expense portion of the PID Bond Annual Installment to be collected per Equivalent Unit will be $190.96 (i.e., $49,267 ÷ 258.00 = $190.96). As a result, the total PID Bond portion of Annual Installment to be collected from each Equivalent Unit within Phase #1 will be $2,151.63 (i.e., $1,844.35 + $190.96 = $2,151.63). The PID Bond portion of Annual Installment to be collected from each Parcel within the PID is calculated by multiplying the Annual Installment for each unit of $2,151.63 by the total estimated remaining units for each Parcel, less the applicable TIRZ Credit, if any, as shown in Appendix C-2.

The PID Reimbursement Agreement's net principal and interest expense of PID Reimbursement Agreement portion of Annual Installment to be collected from each unit will be $309.17, calculated by dividing the subtotal debt service on PID Reimbursement Agreement by the outstanding non-partially prepaid total units (i.e., $78,491 ÷ 258.00 = $304.23). The net administrative expenses of the PID Reimbursement Agreement portion of Annual Installment to be collected from each Equivalent Unit will be $29.27 (i.e., 7,553 ÷ 258.00 = $29.27). As a result, the total PID Reimbursement Agreement portion of Annual Installment to be collected from each unit will be $333.50 (i.e., $304.23 + $29.27 = $333.50) less any applicable TIRZ Credit detailed in Appendix C-2 for each Parcel.

The PID Bond and Reimbursement Agreement total Annual Installment to be collected from each unit will be $2,485.13 (i.e., $2,151.63 + $333.50 = $2,485.13) less any applicable TIRZ Credit detailed in Appendix C-2 for each Parcel.

The Annual Installment due to be collected from each Land Use Class in the PID for 2024-25 is shown in Table II-F below.

Table II-F
Annual Installment Per Unit

Land Use Class	Annual Installment	Units	Annual Installment Per Unit
40 Ft	$2,485.13	1.00	$2,485.13

The list of Parcels within the PID, the number of units to be developed on the current residential Parcels, the corresponding total units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix C-1.

F. Bond Redemption Related Updates

The PID Bonds were issued in May 2018. Pursuant to Section 4.3 of the Indenture of Trust, the City reserves the right and option to redeem the PID Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2028**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Indenture of Trust.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the PID Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council describes that the Authorized Improvement costs shall be allocated to the Assessed Property equally based on the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement Costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property, as updated in prior Annual Service Plan Updates, has not been changed and Assessed Property will continue to be assessed as provided for in the Service and Assessment Plan.

(The remainder of this page is intentionally left blank.)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Roll shall be updated each year to reflect:

(i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.F of the Service and Assessment Plan.

The 2024-25 Assessment Roll Summary is shown in Appendix C-1 of this report. Each Parcel of in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

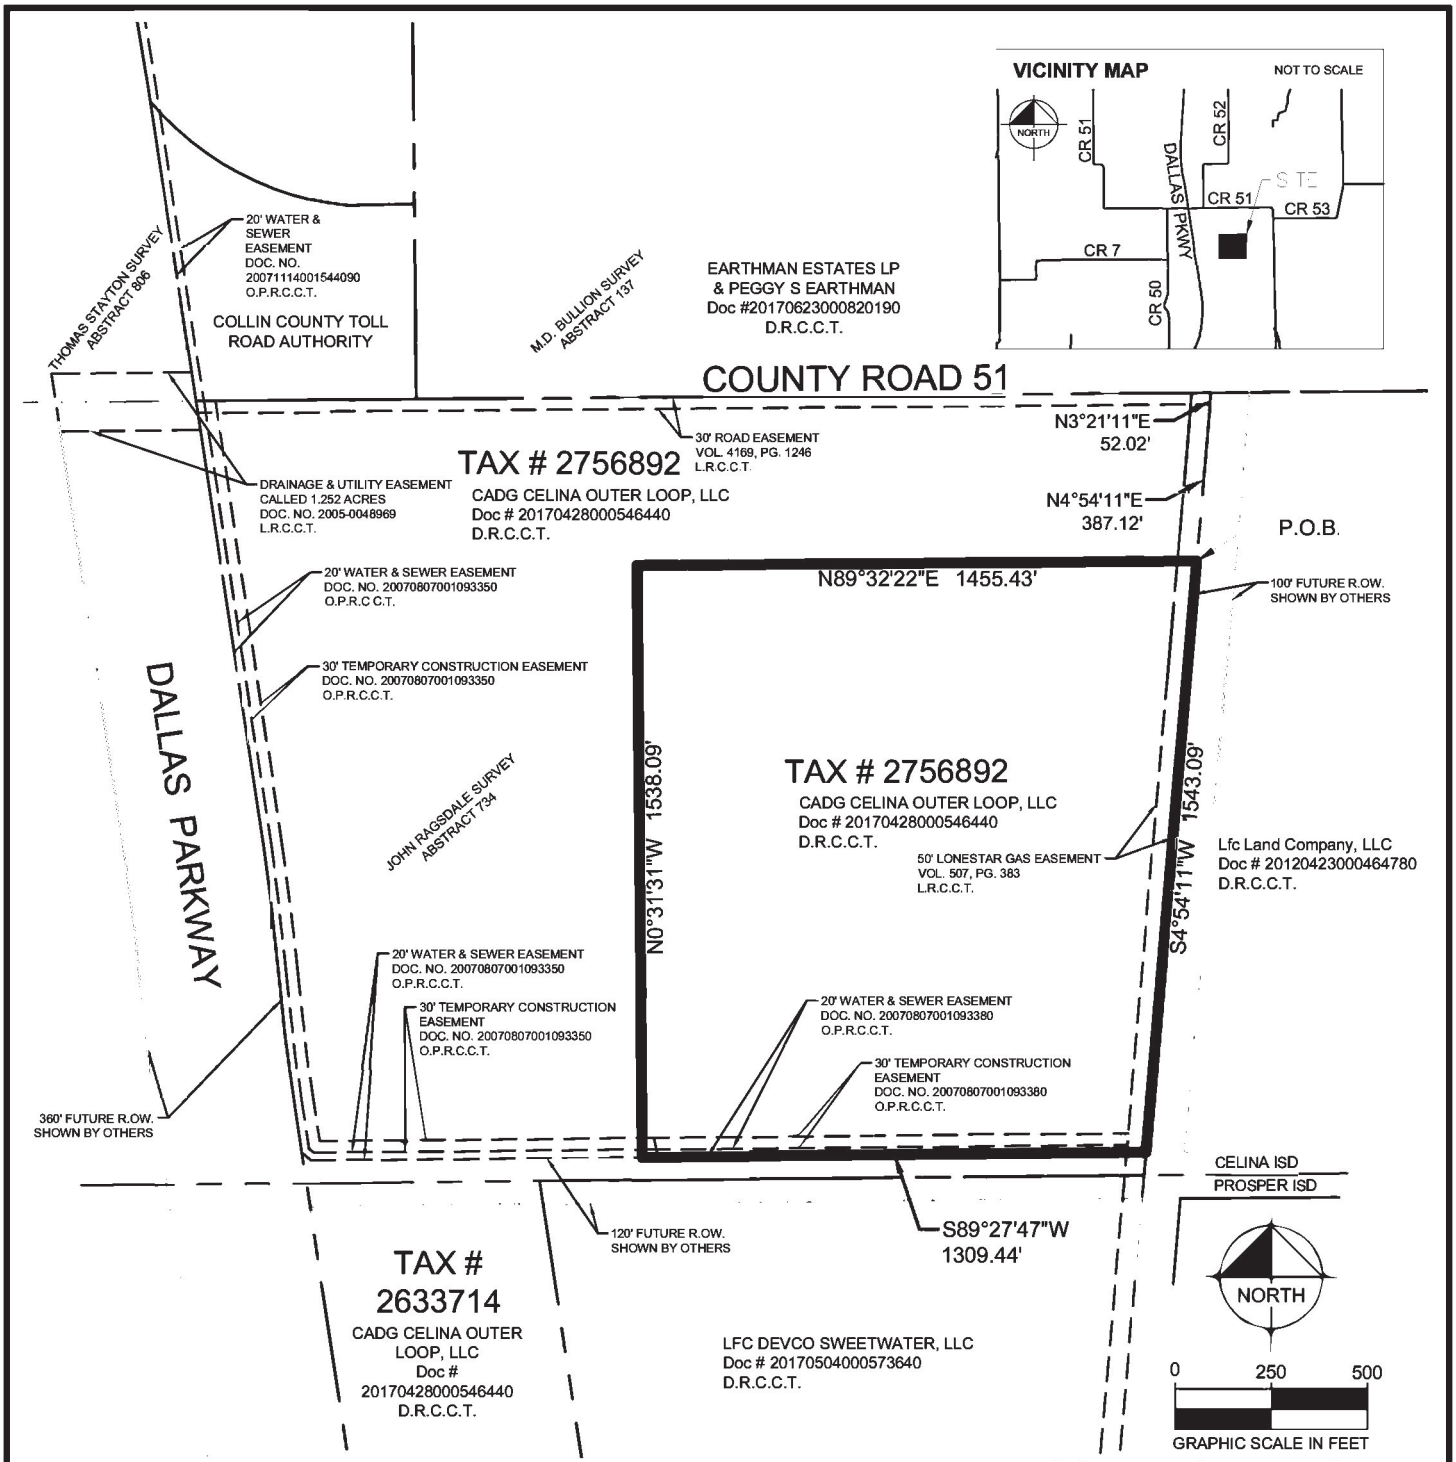
Where the terms have the following meanings:

A = the Assessment for each new subdivided Parcel.
B = the Assessment for the Parcel prior to subdivision.
C = the estimated units to be built on each newly subdivided Parcel
D = the sum of the estimated units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

According to the Developer and Collin County Central Appraisal District records, Parcel 2780192 was completely subdivided in 2020. Parcel 2780192 was subdivided into 261 40' residential lots as shown in the 2020-21 Annual Service Plan update.

B. PREPAYMENT OF ASSESSMENTS



As of June 30, 2024, three Parcels have prepaid their Assessments in full and one Parcel has partially prepaid their Assessment. See Appendix B for a more information related to the prepaid Parcels.

According to the Trustee, two extraordinary optional redemptions of the Bonds occurred. The first in the aggregate amount of $20,000, on June 1, 2022, and the second in the aggregate amount of $70,000 on November 1, 2023, based on prepaid Assessments received.

I. INTRODUCTION

The Wells North Public Improvement District (the "PID") was created pursuant to the PID Act and a resolution of the City Council on February 9, 2016 to finance certain public improvement projects for the benefit of the property in the PID. The City of Celina, Texas Special Assessment Revenue Bonds, Series 2016 (Wells North Public Improvement District Neighborhood Improvement Area #1 Project) (the "NIA #1 Bonds") in the aggregate principal amount of $6,425,000, and the City of Celina, Texas Special Assessment Revenue Bonds, Series 2016 (Wells North Public Improvement District Major Improvement Area Project) (the "MIA Bonds") in the aggregate principal amount of $3,235,000, were issued to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID. The City and the Developer entered into a reimbursement agreement in the aggregate amount of $1,900,000 to finance, refinance, provide, or otherwise assist in the acquisition, construction, and maintenance of the public improvements provided for the benefit of the property in Neighborhood Improvement Area #2 of the PID (the NIA #2 Reimbursement Agreement").

On December 10, 2019, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2019 (Wells North Public Improvement District Neighborhood Improvement Area #2 Project) (the "NIA #2 Bonds") in the aggregate principal amount of $1,900,000 to fully reimburse the Developer for the unpaid balance of the NIA #2 Reimbursement Agreement.

The City and the Developer entered into a reimbursement agreement in the aggregate amount of $995,000 to finance, refinance, provide, or otherwise assist in the acquisition, construction, and maintenance of the public improvements provided for the benefit of the property in Neighborhood Improvement Area #3 (the "NIA #3") of the PID (the "NIA #3 Reimbursement Agreement")

On October 13, 2020, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2020 (Wells North Public Improvement District Neighborhood Improvement Area #3-4 Project) (the "NIA #3-4 Bonds") in the aggregate principal amount of $3,060,000 to fully reimburse the Developer for the unpaid balance of the NIA #3 Reimbursement Agreement and to refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in Neighborhood Improvement Area #4 of the PID.

On June 8, 2021, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2021 (Wells North Public Improvement District Neighborhood Improvement Area #5 Project) (the "NIA #5 Bonds") in the aggregate principal amount of $1,860,000 to refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in Neighborhood Improvement Area #5 of the PID.

Pursuant to the PID Act, the Updated Service and Assessment Plan must be reviewed and updated annually for the purpose of determining the annual budget for the Authorized Improvements. This document is the annual update of the Updated Service and Assessment Plan for 2024-25 (the "Annual Service Plan Update").

The City also adopted assessment rolls (the "Assessment Rolls") identifying the Special Assessments on each Parcel of Assessed Property within the PID, based on the method of Assessment identified in the Updated Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Rolls for Annual Installments to be collected for 2024-25.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the "PID Assessment Notice") as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix I and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID us located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchase before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Updated Service and Assessment Plan unless otherwise defined herein.

J. ANNUAL BUDGET – NIA #3

The Special Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Special Assessment shall be payable in thirty annual installments of principal and interest. The first NIA #3 Annual Installment was due on January 31, 2021 and twenty-six (26) Annual Installments remain outstanding.

Pursuant to the Updated Service and Assessment Plan, each Special Assessment shall bear interest at the rate on the NIA #3-4 Bonds commencing with the issuance of the NIA #3-4 Bonds. These payments, the "Annual Installments" of the Special Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Special Assessments, the Annual Installment due for 2024-25, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Updated Service and Assessment Plan and applicable Trust Indenture, such capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the Updated Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

> (i) the identification of each Parcel (ii) the Special Assessment for each Parcel of Assessed Property, including any adjustments authorized by the Updated Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Special Assessment is payable in installments); and (iv) payments of the Special Assessment, if any, as provided by Section VI.I of the Updated Service and Assessment Plan.

The summary of updated Assessment Rolls is shown in Appendix C, D, E, F, G, and H of this report. Each Parcel in the PID is identified, along with the Special Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Special Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Updated Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Special Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = [B \times (C \div D)]/E$$

Where the terms have the following meanings:

A = the Assessment for the new subdivided Lot
B = the Assessment for the Parcel prior to subdivision
C = the sum of the estimated As-Built Assessed Value of all new subdivided Lots with same Lot Type
D = the sum of the estimated As-Built Assessed Value for all of the new subdivided Lots excluding Non-Benefitted Property
E = the number of Lots with same Lot Type

Prior to the recording of a subdivision plat, the Developer shall provide the City an estimated As-Built Assessed Value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat considering factors such as density, lot size, proximity to amenities, view premiums, location, market conditions, historical sales, discussions with homebuilders, and any other factors that may impact future as-built Lot value and any other information available to the Developer. The calculation of the estimated As-Built Lot value for a Lot shall be performed by the Administrator and confirmed by the City Council based on information provided by the Developer, homebuilders, third party consultants, and/or the Official Public Records of Collin County, Texas regarding the Lot.

The sum of the Special Assessments for all newly subdivided Lots shall not exceed the Special Assessment for the portion of the Assessed Property subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Assessed Property. The reallocation of a Special Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Special Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to the Updated Service and Assessment Plan approved by the City Council.

Pursuant to the Service and Assessment Plan, each Special Assessment shall bear interest at the rate on the NIA #1 Bonds commencing with the issuance of the NIA #1 Bonds. The effective

Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and applicable Trust Indenture, such capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council describes that the Authorized Improvement costs shall be allocated to the Assessed Property equally based on the equivalent number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property, as updated in prior Annual Service Plan Updates, has not been changed and Assessed Property will continue to be assessed as provided for in the Service and Assessment Plan.

City Contributed Major Improvement Assessments

According to the City, the final series of certificates of obligations to finance the City Contributed Major Improvements were issued in 2018. As a result, the final aggregate amount of City Contributed Major Improvements allocated to the PID was $2,075,000. Pursuant to the Service and Assessment Plan, the Assessment for the City Contributed Major Improvements would be offset by ad valorem taxes collected from the property within the PID until the ad valorem taxes collected from all Parcels within the PID equals or exceeds one hundred fifty percent (150%) of the Annual Installment Allocable to the City Contributed Major Improvements based on a confirming audit, then the Annual Installment Allocable to the City Contributed Major Improvements will be permanently reduced to zero. The Administrator has confirmed that the ad valorem taxes collected from all Parcels within the PID for tax years 2018-19 and 2019-20 exceeded the Annual Installments allocable to the City Contributed Major Improvements. As a result, the Annual Installments allocable to the City Contributed Major Improvements are permanently reduced to $0, starting with the Annual Installments allocable to the City Contributed Major Improvements due on January 31, 2021.

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

The summary of updated Assessment Rolls is shown in Appendix C, D, E, F, G, H, I and J of this report. A. PARCEL UPDATES

According to the Amended and Restated Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Special Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = [B \times (C \div D)]/E$$

A = the Assessment for the new subdivided Lot
B = the Assessment for the Parcel prior to subdivision
C = the sum of the estimated As-Built Assessed Value of all new subdivided Lots with same Lot Type
D = the sum of the estimated As-Built Assessed Value for all of the new subdivided Lots excluding Non-Benefitted Property
E = the number of Lots with same Lot Type

Prior to the recording of a subdivision plat, the Developer shall provide the City an estimated As-Built Assessed Value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat considering factors such as density, lot size, proximity to amenities, view premiums, location, market conditions, historical sales, discussions with homebuilders, and any other factors that may impact future as-built Lot value and any other information available to the Developer. The calculation of the estimated As-Built Lot value for a Lot shall be performed by the Administrator and confirmed by the City Council based on information provided by the Developer, homebuilders, third party consultants, and/or the Official Public Records of Collin County, Texas regarding the Lot.

The sum of the Special Assessments for all newly subdivided Lots shall not exceed the Special Assessment for the portion of the Assessed Property subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Assessed Property. The reallocation of a Special Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Special Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to the Amended and Restated Service and Assessment Plan approved by the City Council.

I. INTRODUCTION

The Wilson Creek Meadows Public Improvement District (the "PID") was created pursuant to the PID act and Resolution 2019-38R of the City Council (the "City Council"), on July 9, 2019 to finance certain public improvement projects for the benefit of the property in the PID.

On October 12, 2021 the city entered into a reimbursement agreement with the GRBK Edgewood, LLC (the "Developer") in the aggregate principal amount of $12,864,000 (the "IA #1 Reimbursement Agreement") to finance certain improvements in Improvement Area #1 of the PID (the "Improvement Area #1 Improvements").

On December 12, 2023 the city entered into a reimbursement agreement with the GRBK Edgewood, LLC (the "Developer") in the aggregate principal amount of $4,925,000 (the "IA #2 Reimbursement Agreement") to finance certain improvements in Improvement Area #2 of the PID (the "Improvement Area #2 Improvements").

A service and assessment plan (the "Service and Assessment Plan") was prepared at the direction of the City identifying the Authorized Improvements to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to the PID Act, the Service and Assessment Plan must be reviewed and updated annually. This document is the annual update of the Service and Assessment Plan for 2024-25 (the "Annual Service Plan Update").

The City also adopted Assessment Rolls identifying the assessments on each Parcel within the PID, based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Rolls for 2024-25.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the "PID Assessment Notice") as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix E and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID us located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchase before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without

the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property

Capitalized terms in this section not defined herein shall have the meanings assigned to such terms in the Amended and Restated Service and Assessment Plan.

There are no funds anticipated to be available in the Administrative Expense Fund to reduce the 2024-25 Improvement Area #2 Annual Installment.

G. Annual Installments Per Unit – Improvement Area #2

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the outstanding IA #2 Reimbursement Agreement described in the Service and Assessment Plan, and to cover Administrative Expenses of the PID.

According to the Service and Assessment Plan, 216 lots representing 200.76 Equivalent Units are anticipated to be built within the Improvement Area #2 PID. Accordingly, the net principal and interest portion of Annual Installment to be collected from each Equivalent Unit will be $1,732.79 (i.e. $347,875 ÷ 200.76 = $1,732.79) and the Administrative Expenses to be collected from each Equivalent Unit will be $251.74 (i.e. $50,540 ÷ 200.76 = $251.74). As a result, the total Annual Installment to be collected from each Equivalent Unit within the Improvement Area #2 of the PID will be $1,984.53 (i.e. $1,732.79 + $251.74 = $1,984.53) as shown in Appendix D for each Parcel within the Improvement Area #2 of the PID.

The Annual Installment due to be collected from each Land Use Class in the PID for 2024-25 is shown in Table II-G-1 below.

Table II-G-1
Annual Installment Per Unit – Improvement Area #2

Land Use Class	Annual Installment Per Equivalent Unit	Equivalent Units	Annual Installment Per Unit
70 Ft Lot	$1,984.53	1.00	$1,984.53
60 Ft Lot	$1,984.53	0.96	$1,902.97
50 Ft Lot	$1,984.53	0.92	$1,821.42

The list of Parcels within the Improvement Area #2 PID, the number of units to be developed on the current residential Parcels, the corresponding total Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix D.

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council provided that the Authorized Improvement Costs shall be allocated to the Assessed Property equally on the basis of the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement Costs to Parcels similarly benefited.

This method of assessing property has not been changed and Assessed Property will continue to be assessed as provided for in the Service and Assessment Plan.

(The remainder of this page is intentionally left blank)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

> (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act;(iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.G of this Service and Assessment Plan.

The summary of the updated Assessment Rolls are shown in Appendix C and D of this report. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

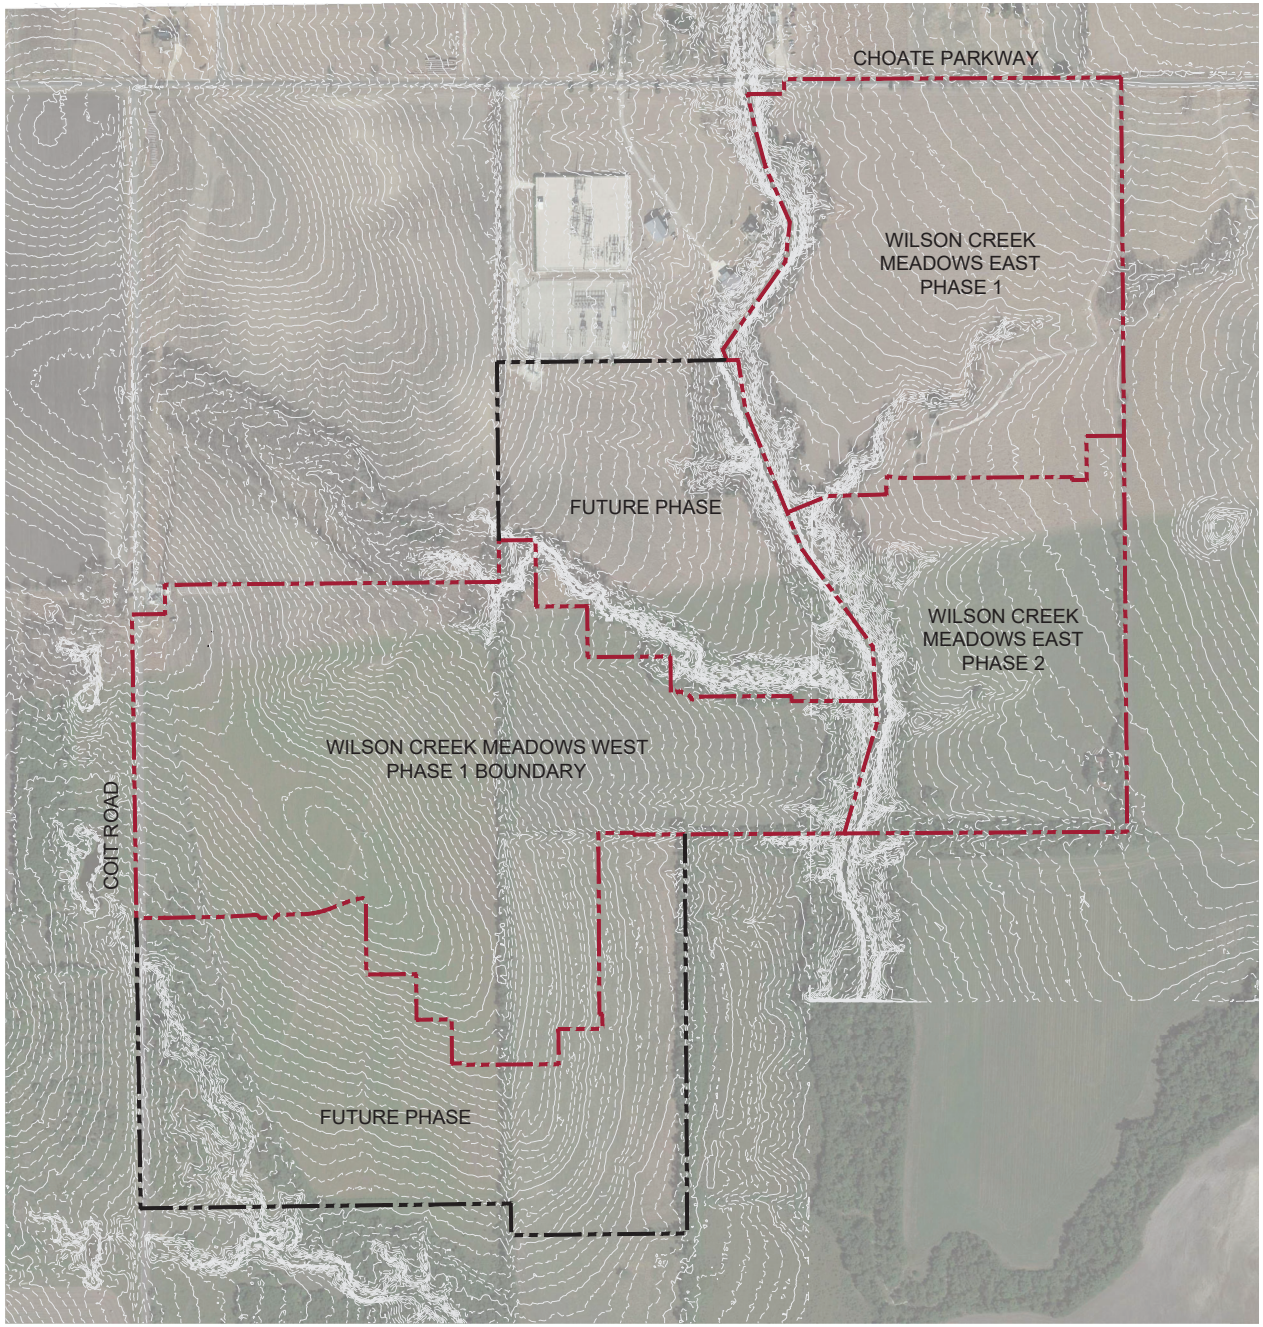
$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for each new subdivided Parcel
B = the Assessment for the Parcel prior to subdivision
C = the estimated number of Equivalent Units to be built on each new subdivided Parcel
D = the sum of the estimated number of Equivalent Units to be built on all of the new subdivided Parcels

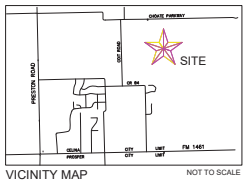
The calculation of the estimated number of Equivalent Units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of Equivalent Units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

According to the Developer and the Collin Central Appraisal District records, the final plats for Phase #1, Phase #2, and West Phase #1 were recorded on October 14, 2021, November 12, 2021 and January 27, 2023 respectively and the Assessments allocated proportionally according to Lot Type as shown in the 2023-24 Service and Assessment Plan Update. The various Improvement Area #1 Lots were subdivided from Parcel 2829266.



B. PREPAYMENT OF ASSESSMENTS

There have been no Assessment prepayments as of June 30, 2024.



The complete Assessment Rolls are available for review at the City Hall, located at 142 N. Ohio, Celina, Texas 75009.

(see following pages)

PETITION FOR CONSENT TO ANNEXATION OF LAND
INTO UPTOWN MUNICIPAL UTILITY DISTRICT NO. 1 OF COLLIN COUNTY

THE STATE OF TEXAS §
§
COUNTY OF COLLIN §

TO THE HONORABLE MAYOR AND CITY COUNCIL OF THE CITY OF CELINA, TEXAS:

The undersigned, G BAR 7 Ltd., a Texas limited partnership (the "Petitioner"), being the holder of title to a majority in value of the property described in Exhibit "A" attached hereto (the "Property"), respectfully petitions the City of Celina, Texas (the "City") for its consent to the annexation of the Property into Uptown Municipal Utility District No. 1 of Collin County ("District"). In support of this Petition, the Petitioner would show the following:

I.

The Property sought to be added to the District is described by the metes and bounds descriptions in Exhibit "A" attached hereto and made a part hereof for all purposes.

II.

The Property lies wholly within Collin County, Texas, and wholly within the corporate limits of the City.

III.

The Petitioner is the holder of title to a majority in value of the Property as shown by the Collin County Tax Rolls and conveyances of record.

IV.

The District was organized, created and established pursuant to House Bill No. 4627, 87th Texas Legislature, Regular Session, codified at Chapter 7909A Special District Local Laws Code, effective September 1, 2021, and operates pursuant to Chapters 49 and 54, Texas Water Code, as amended. The District is generally empowered and authorized to purchase, construct, acquire, own, operate, maintain, repair, improve, or extend inside and outside its boundaries any and all works, improvements, facilities, plants, equipment, and appliances necessary to accomplish the purposes of its creation.

V.

The general nature of the work to be done by and within the Property at the present time is the construction, maintenance and operation of a waterworks system for domestic purposes; the construction, maintenance and operation of a sanitary sewer collection system; the control, abatement and amendment of the harmful excess of waters and the reclamation and drainage of

overflowed lands within the lands to be included within the District; and the construction of roads and of such additional facilities, systems, plants and enterprises as shall be consistent with the purposes for which the District is organized.

VI.

There is a necessity for the improvements above described because the Property is located within an area that is experiencing substantial and sustained residential growth, is urban in nature and is not supplied with adequate water, sanitary sewer, and drainage facilities and roads. The health and welfare of the future inhabitants of the Property require the acquisition and installation of an adequate waterworks, sanitary sewer, and storm drainage system and roads. The purchase, construction, extension, improvement, maintenance and operation of such waterworks system and storm and sanitary sewer collection and disposal systems and roads will conserve and preserve the natural resources of this State by promoting and protecting the purity and sanitary condition of the State's waters and will promote and protect the public health and welfare of the community; therefore, a public necessity exists for the inclusion of the Property within the District.

VII.

Said proposed improvements are practicable and feasible, in that the terrain of the Property is of such a nature that a waterworks system and sanitary and storm sewer systems and roads can be constructed at a reasonable cost; and said land will be developed for residential purposes in the foreseeable future.

VIII.

A preliminary investigation has been instituted to determine the cost of the project attributable to the Property, and it is now estimated by those filing this Petition, from such information as they have at this time, that the ultimate cost of the development contemplated will be approximately $75,000,000.00.

WHEREFORE, the undersigned respectfully pray that this Petition be granted in all respects and that the City Council of the City of Celina, Texas, adopt a resolution giving its written consent to the addition of the Property to the District.

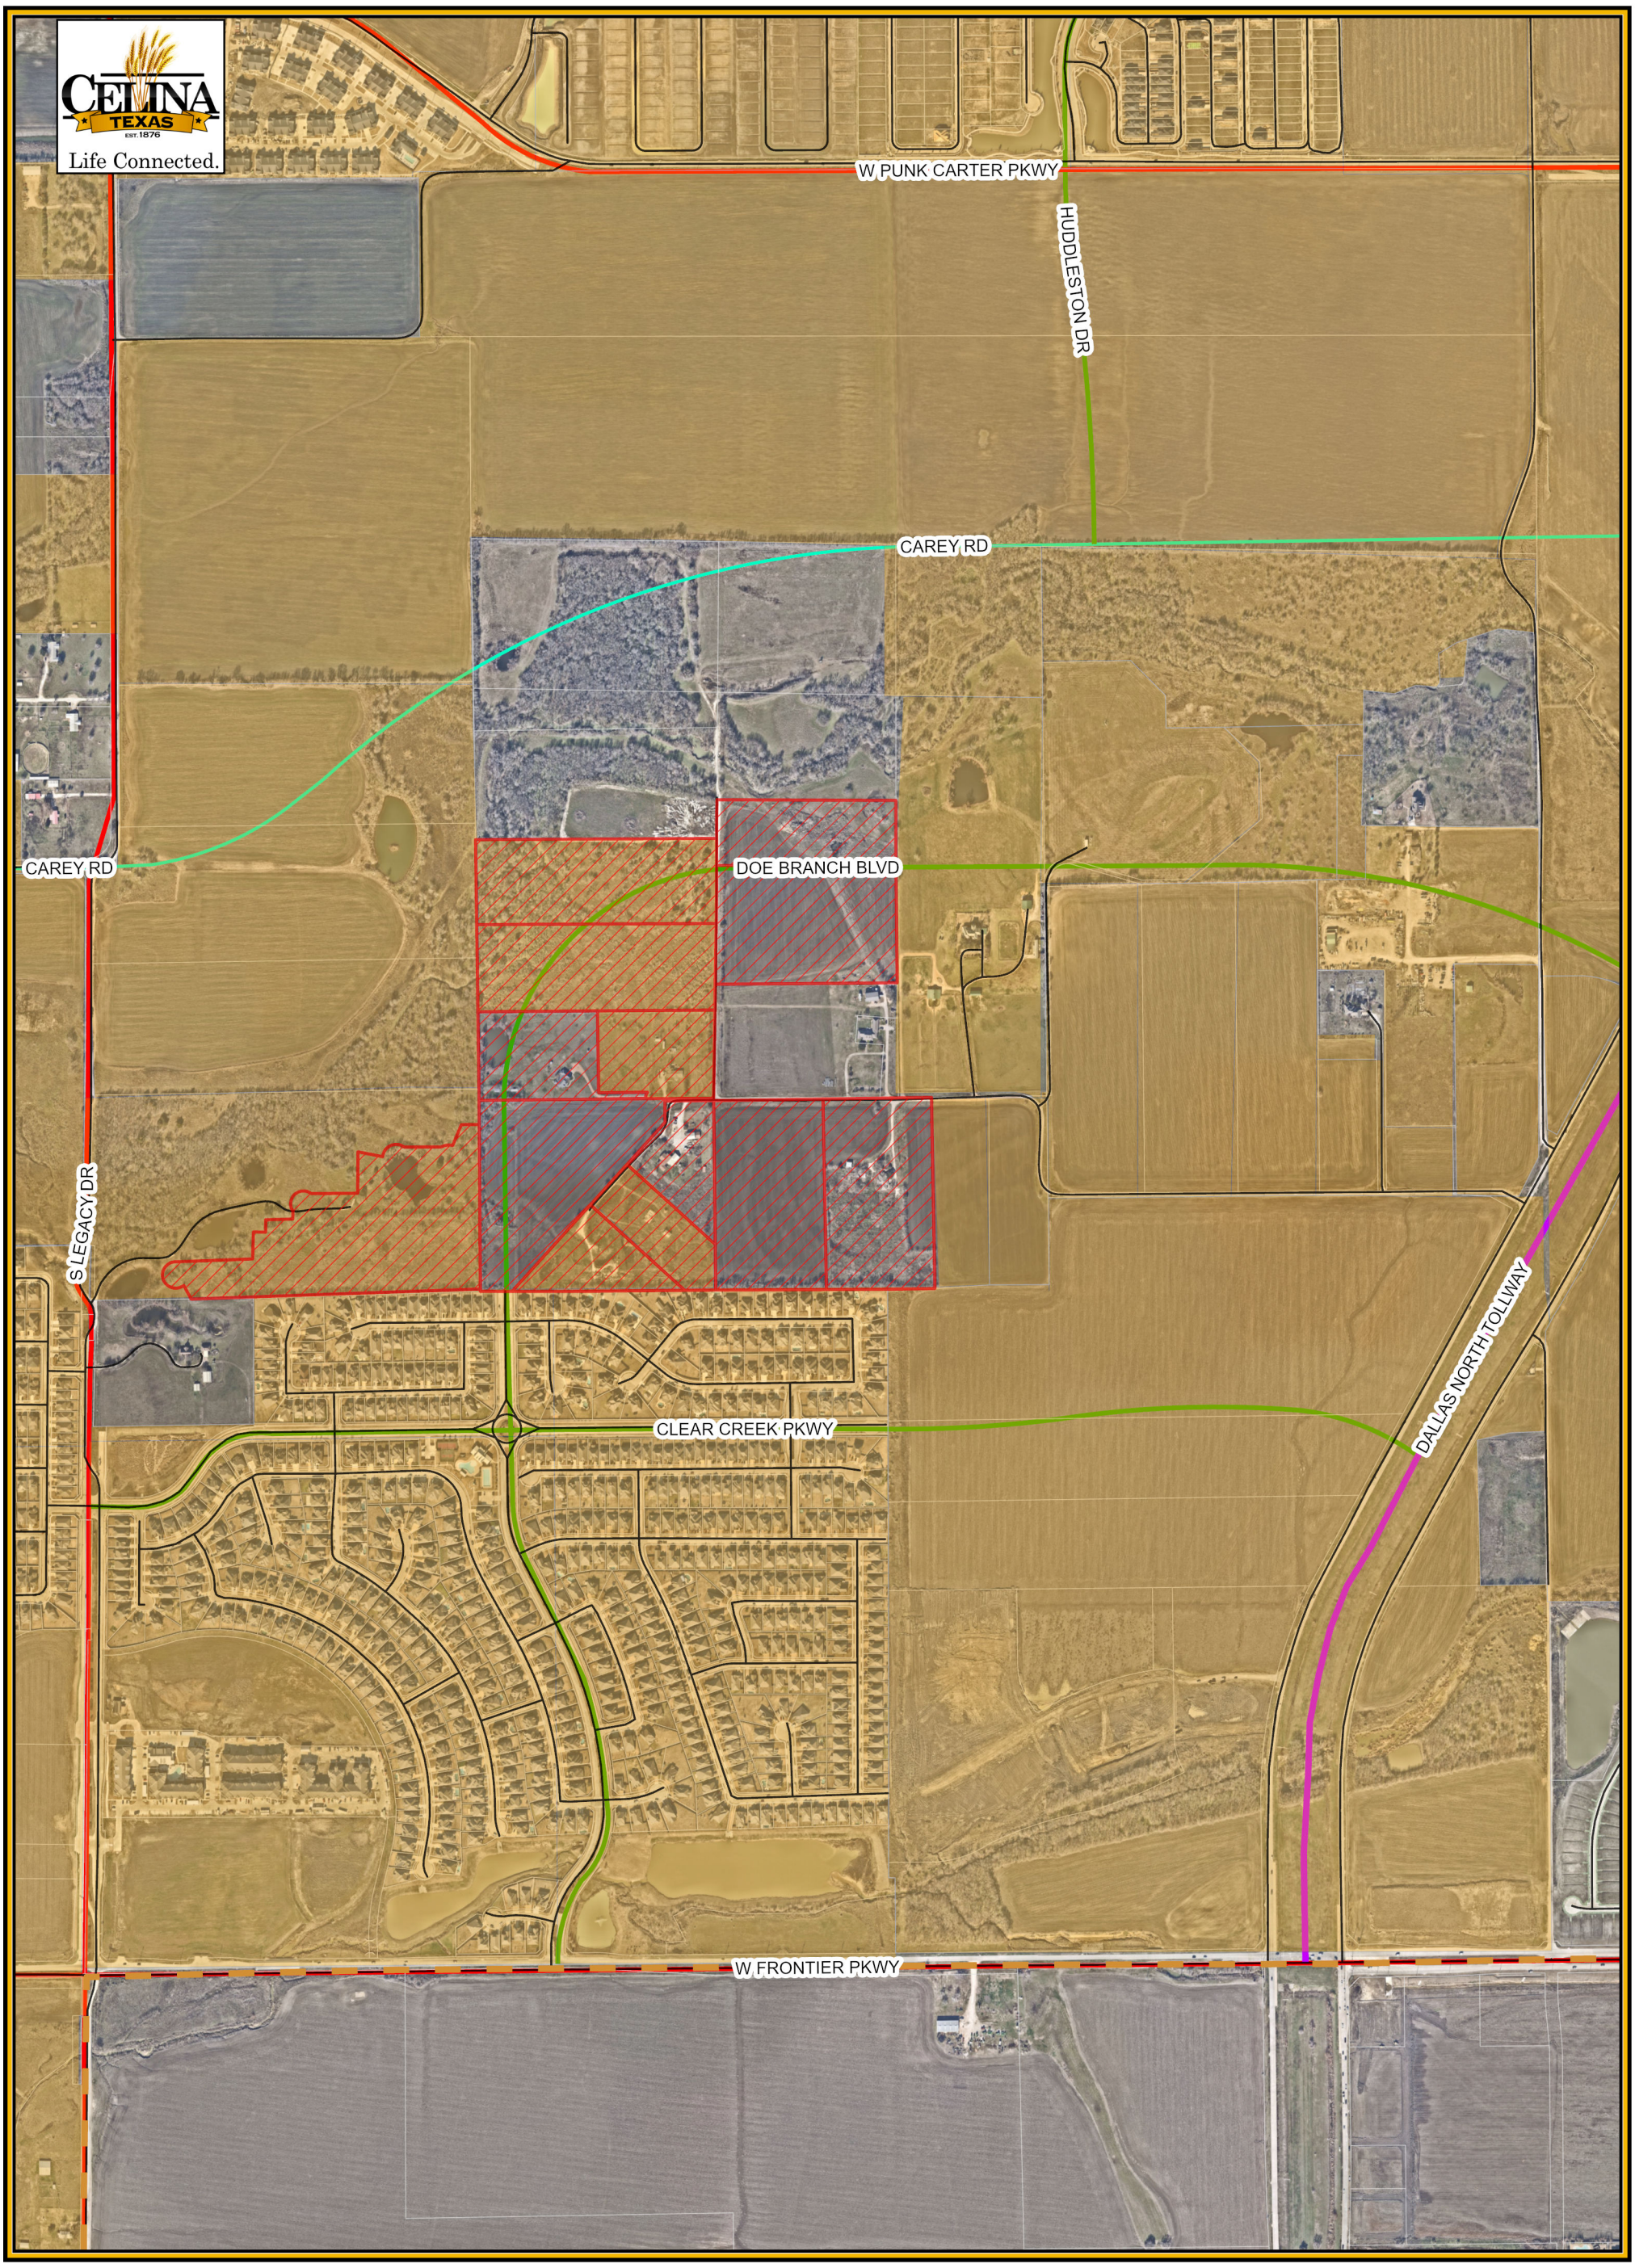
(Legacy Branch – Development Agreement) (McAfee)



Background Information:
This request is for a Development Agreement on approximately 107 acres of land; generally located at the northeast corner of Legacy Drive and Clear Creek Parkway, within both the City Limits and the Extraterritorial Jurisdiction (ETJ). The applicant is proposing to develop a new single-family neighborhood (with a mix of 50' and 60' wide lots, with the 60' wide lots required adjacent to the Creeks of Legacy neighborhood). A land exchange was necessary to facilitate the proposed neighborhood and better locate City property to meet the goals of the Parks Master Plan. FINANCIAL SUMMARY

City Contributions:

- City of Celina land: $2,940,000
- Roadway Impact Fee reimbursements: $1,760,000
- Total: $4,700,000

Developer Contributions:

- One Mark Advisors land: $1,510,000

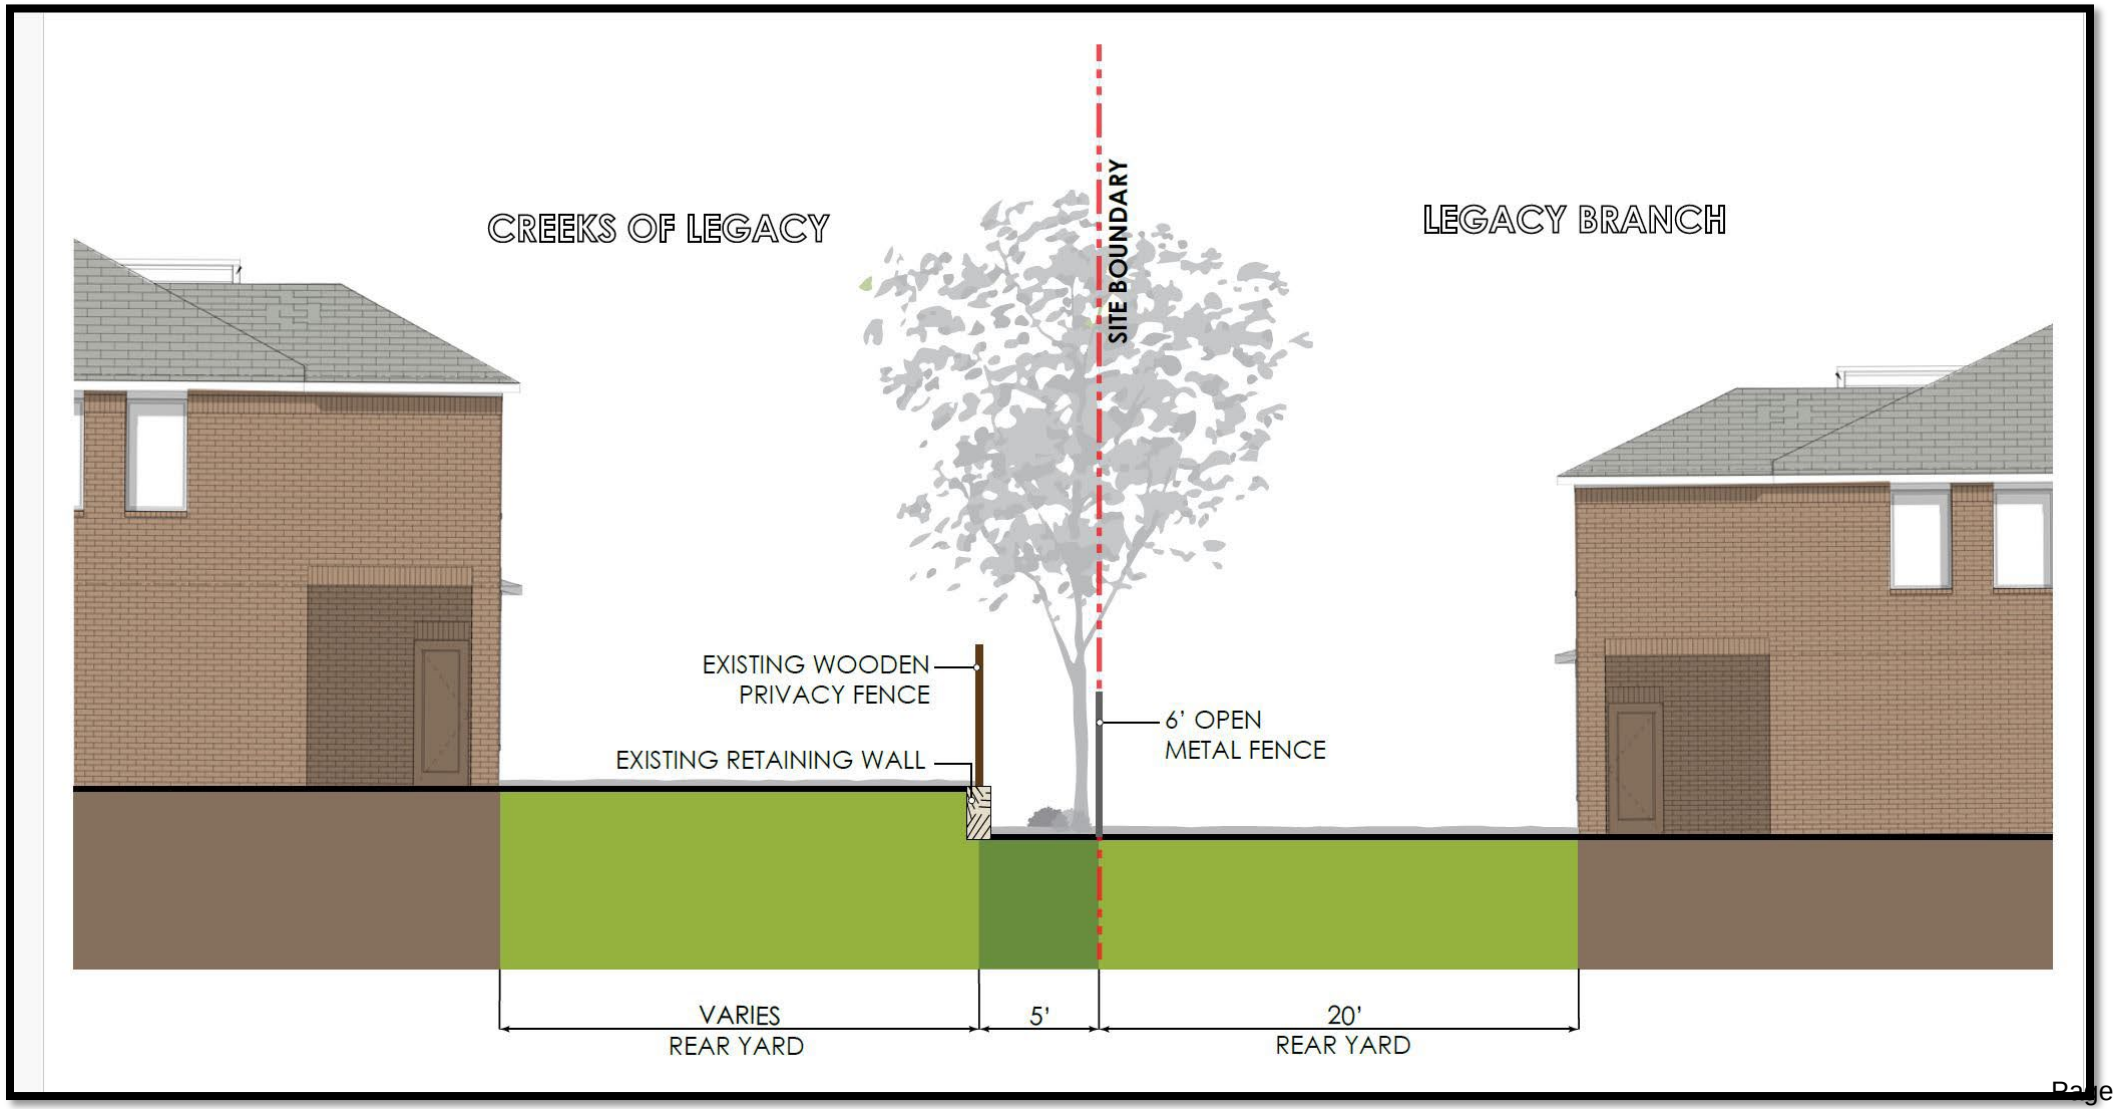
- Total: $5,848,000

Key Insight: agreement favors the City by approximately $1,148,000



POLICY CONSIDERATIONS

- The DA will bring an additional 58 acres into the City Limits, allowing City standards to apply instead of County regulations
- The extension of Doe Branch Boulevard is a critical connection for the area
- A 12' spine trail is required along the creek
- Proposed neighborhood meeting several key benchmarks within Comprehensive Plan
- Contributes to future linear park corridor (Legacy Park)

P&Z PUBLIC HEARING

- Three residents spoke at the public hearing, with questions regarding the Doe Branch Boulevard alignment, shared property line, and the land swap – none were in opposition
- Staff informed that the Master Thoroughfare Plan (MTP) establishes the general location of arterials and collectors, which are further refined at time of engineering design. If engineering design uncovers that a roadway must shift, then staff would initiate a revision to the MTP, and any agreements impacted would be revised as well. Until then, the MTP governs the general location of the roadways, and staff cannot deviate from those general alignments.

SHARED BOUNDARY

RECOMMENDATION

- The Planning & Zoning Commission unanimously recommended approval at its regular meeting in July
- Staff recommends approval as presented

DEVELOPMENT PROCESS AND CHARGES

4.1 Capital Recovery Fees.

(a) Residential Fees Altered. The Property shall be subject to those fees and charges due and payable to the City in connection with the Development that are charged pursuant to City

Regulations to other developments located in the corporate limits of the City, including, but not limited to, pro rata fees, impact fees for water, sewer and roadways and other capital recovery fees. All capital recovery fees applicable to individual lots will be due and payable at the time building permits are issued for each lot.

(b) Park Fees in Lieu of Dedication. Park fees in lieu of dedication shall be paid at time of platting.

4.2 Land Exchange. The Parties shall exchange the Developer Exchange Tract to the City for the City Exchange Tract. The City Exchange Tract is land that is difficult to develop under its current zoning or under applicable subdivision or other development control ordinances because of its shape, and it abuts the Property, therefore Texas Local Government Code Section 272.001(b)(1) is applicable. The exchange of land will occur within 30 days of the Effective Date. The Warranty Deed used to convey the tracts shall be as provided for in **Exhibit G** and shall be executed by the City within five days of the Effective Date.

4.3 INDEMNIFICATION AND HOLD HARMLESS.

(a) THE DEVELOPER AND ITS SUCCESSORS AND ASSIGNS SHALL INDEMNIFY AND HOLD HARMLESS THE CITY, ITS OFFICIALS, EMPLOYEES, OFFICERS, REPRESENTATIVES AND AGENTS (EACH AN "INDEMNIFIED PARTY"), FROM AND AGAINST ALL ACTIONS, DAMAGES, CLAIMS, LOSSES OR EXPENSE OF EVERY TYPE AND DESCRIPTION TO WHICH THEY MAY BE SUBJECTED OR PUT: (I) BY REASON OF, OR RESULTING FROM THE BREACH OF ANY PROVISION OF THIS AGREEMENT BY THE DEVELOPER; (II) THE NEGLIGENT DESIGN, ENGINEERING AND/OR CONSTRUCTION BY THE DEVELOPER OR ANY ARCHITECT, ENGINEER OR CONTRACTOR HIRED BY THE DEVELOPER OF ANY OF THE PUBLIC INFRASTRUCTURE ACQUIRED FROM THE DEVELOPER HEREUNDER; (III) THE DEVELOPER'S NONPAYMENT UNDER CONTRACTS BETWEEN THE DEVELOPER AND ITS CONSULTANTS, ENGINEERS, ADVISORS, CONTRACTORS, SUBCONTRACTORS AND SUPPLIERS IN THE PROVISION AND/OR CONSTRUCTION OF THE PUBLIC INFRASTRUCTURE; (IV) ANY CLAIMS OF PERSONS EMPLOYED BY THE DEVELOPER OR ITS AGENTS TO CONSTRUCT THE PUBLIC INFRASTRUCTURE; OR (V) ANY CLAIMS AND SUITS OF THIRD PARTIES, INCLUDING BUT NOT LIMITED TO DEVELOPER'S RESPECTIVE PARTNERS, OFFICERS, DIRECTORS, EMPLOYEES, REPRESENTATIVES, AGENTS, SUCCESSORS, ASSIGNEES, VENDORS, GRANTEES, AND/OR TRUSTEES, REGARDING OR RELATED TO THE PUBLIC INFRASTRUCTURE OR ANY AGREEMENT OR RESPONSIBILITY REGARDING THE PUBLIC INFRASTRUCTURE, INCLUDING CLAIMS AND CAUSES OF ACTION WHICH MAY ARISE OUT OF THE PARTIAL NEGLIGENCE OF AN INDEMNIFIED PARTY (THE "CLAIMS"). NOTWITHSTANDING THE FOREGOING, NO INDEMNIFICATION IS GIVEN HEREUNDER FOR ANY ACTION, DAMAGE, CLAIM, LOSS OR EXPENSE DETERMINED BY A COURT OF COMPETENT JURISDICTION TO BE DIRECTLY ATTRIBUTABLE TO THE WILLFUL MISCONDUCT OR SOLE NEGLIGENCE OF ANY INDEMNIFIED PARTY. DEVELOPER IS EXPRESSLY REQUIRED TO DEFEND CITY AGAINST ALL SUCH CLAIMS, AND CITY IS REQUIRED TO REASONABLY COOPERATE AND ASSIST DEVELOPER IN PROVIDING SUCH DEFENSE.

(b) **IN ITS REASONABLE DISCRETION, CITY SHALL HAVE THE RIGHT TO APPROVE OR SELECT DEFENSE COUNSEL TO BE RETAINED BY DEVELOPER IN FULFILLING ITS OBLIGATIONS HEREUNDER TO DEFEND AND INDEMNIFY THE INDEMNIFIED PARTIES, UNLESS SUCH RIGHT IS**

EXPRESSLY WAIVED BY CITY IN WRITING. THE INDEMNIFIED PARTIES RESERVE THE RIGHT TO PROVIDE A PORTION OR ALL OF THEIR/ITS OWN DEFENSE, AT THEIR/ITS SOLE COST; HOWEVER, INDEMNIFIED PARTIES ARE UNDER NO OBLIGATION TO DO SO. ANY SUCH ACTION BY AN INDEMNIFIED PARTY IS NOT TO BE CONSTRUED AS A WAIVER OF DEVELOPER'S OBLIGATION TO DEFEND INDEMNIFIED PARTIES OR AS A WAIVER OF DEVELOPER'S OBLIGATION TO INDEMNIFY INDEMNIFIED PARTIES PURSUANT TO THIS AGREEMENT. DEVELOPER SHALL RETAIN CITY-APPROVED DEFENSE COUNSEL WITHIN SEVEN BUSINESS DAYS OF WRITTEN NOTICE FROM AN INDEMNIFIED PARTY THAT IT IS INVOKING ITS RIGHT TO INDEMNIFICATION UNDER THIS AGREEMENT. IF DEVELOPER FAILS TO RETAIN COUNSEL WITHIN SUCH TIME PERIOD, INDEMNIFIED PARTIES SHALL HAVE THE RIGHT TO RETAIN DEFENSE COUNSEL ON THEIR OWN BEHALF, AND DEVELOPER SHALL BE LIABLE FOR ALL REASONABLE COSTS INCURRED BY INDEMNIFIED PARTIES. THE CITY AGREES, UNLESS ADVISED BY DEFENSE COUNSEL TO THE CONTRARY, TO ASSERT ITS IMMUNITY FROM LIABILITY AND IMMUNITY FROM SUIT AND/OR OTHER AVAILABLE AFFIRMATIVE DEFENSES

(c) **THIS SECTION 4.3 SHALL SURVIVE THE TERMINATION OF THIS AGREEMENT.**

(d) THE PARTIES AGREE AND STIPULATE THAT THIS INDEMNIFICATION AND THE EXPRESS NEGLIGENCE TEXT COMPLIES WITH THE CONSPICUOUSNESS REQUIREMENT, AND IS VALID AND ENFORCEABLE AGAINST THE DEVELOPER.

4.4 **THE DEVELOPER'S ACKNOWLEDGEMENT OF THE CITY'S COMPLIANCE WITH FEDERAL AND STATE CONSTITUTIONS, STATUTES AND CASE LAW AND FEDERAL, STATE AND LOCAL ORDINANCES, RULES AND REGULATIONS/DEVELOPERS' WAIVER AND RELEASE OF CLAIMS FOR OBLIGATIONS EXPRESSLY SET FORTH IN THIS AGREEMENT.**

(a) THE DEVELOPER ACKNOWLEDGES AND AGREES THAT, PROVIDED THERE ARE NO CITY DEFAULTS UNDER THIS AGREEMENT:

(I) THE PUBLIC INFRASTRUCTURE EXPRESSLY SET FORTH IN THIS AGREEMENT TO BE CONSTRUCTED UNDER THIS AGREEMENT, AND THE FEES TO BE IMPOSED BY THE CITY PURSUANT TO THIS AGREEMENT, REGARDING THE PROPERTY, IN WHOLE OR IN PART, DO NOT CONSTITUTE A:

(A) TAKING UNDER THE TEXAS OR UNITED STATES CONSTITUTION;

(B) VIOLATION OF THE TEXAS LOCAL GOVERNMENT CODE, AS IT EXISTS OR MAY BE AMENDED; AND/OR

(C) NUISANCE.

(II) THE AMOUNT OF THE DEVELOPER'S FINANCIAL AND INFRASTRUCTURE CONTRIBUTION FOR THE PUBLIC INFRASTRUCTURE EXPRESSLY SET FORTH IN THIS AGREEMENT IS ROUGHLY PROPORTIONAL TO THE DEMAND THAT THE DEVELOPER'S ANTICIPATED IMPROVEMENTS AND DEVELOPER'S DEVELOPMENT OF THE PROPERTY PLACES ON THE CITY'S INFRASTRUCTURE.

(III) THE DEVELOPER HEREBY AGREES, STIPULATES AND ACKNOWLEDGES THAT: (A) ANY PROPERTY WHICH IT CONVEYS TO THE CITY OR ACQUIRES FOR THE CITY PURSUANT TO THIS AGREEMENT IS ROUGHLY PROPORTIONAL TO THE BENEFIT RECEIVED BY THE DEVELOPER FOR SUCH LAND, AND THE DEVELOPER HEREBY WAIVES ANY CLAIM THEREFOR THAT IT MAY HAVE; AND (B) ALL PREREQUISITES TO SUCH DETERMINATION OF ROUGH PROPORTIONALITY HAVE BEEN MET, AND ANY VALUE RECEIVED BY THE CITY RELATIVE TO SAID CONVEYANCE IS RELATED BOTH IN NATURE AND EXTENT TO THE IMPACT OF THE DEVELOPMENT OF THE PROPERTY ON THE CITY'S INFRASTRUCTURE. THE DEVELOPER FURTHER AGREES TO WAIVE AND RELEASE ALL CLAIMS IT MAY HAVE AGAINST THE CITY UNDER THIS AGREEMENT RELATED TO ANY AND ALL: (A) CLAIMS OR CAUSES OF ACTION BASED ON ILLEGAL OR EXCESSIVE EXACTIONS; AND (B) ROUGH PROPORTIONALITY AND INDIVIDUAL DETERMINATION REQUIREMENTS MANDATED BY THE UNITED STATES SUPREME COURT IN *DOLAN V. CITY OF TIGARD*, 512 U.S. 374 (1994), AND ITS PROGENY, AS WELL AS ANY OTHER REQUIREMENTS OF A NEXUS BETWEEN DEVELOPMENT CONDITIONS AND THE PROJECTED IMPACT OF THE PUBLIC INFRASTRUCTURE.

(b) THIS SECTION 4.4 SHALL SURVIVE THE TERMINATION OF THIS AGREEMENT.

ARTICLE V
TERM

The term of this Agreement shall be for a period of twenty (20) years after the Effective Date, except that Section 3.4, plus all provisions referenced in Section 3.4, of this Agreement are covenants that touch and concern the Property and shall run with the Property following the termination of this Agreement. The Parties may extend the term of this Agreement if they execute an agreement in writing.

ARTICLE VI
ANNEXATION AND POST-ANNEXATION MATTERS

6.1 Annexation. Within thirty (30) days of being requested to do so by the City, Developer agrees to (a) submit a voluntary annexation petition for the ETJ Property. Developer agrees to execute and supply any and all instruments and/or other documentation necessary for the City to annex the ETJ Property into the City's corporate limits. The City may annex the ETJ Property upon the City's approval of the civil construction plans for all or a portion of the Property. This Agreement constitutes the service plan agreement for providing City services to the ETJ Property. If the City is unable to complete the annexation of the Petition Property for any reason, including but not limited to procedural error or legal challenge, Developer shall execute another voluntary annexation petition for the Petition Property and/or ETJ Property, within ten (10) days of being requested to do so. Developer acknowledges and agrees that:

(a) this Section 6.1 was a material inducement for the City to enter into this Agreement with Developer and to create a PID;

(b) Developer is not required to enter into this Agreement;

(c) the annexation procedures described in this Agreement require Developer's consent, and by entering into this Agreement, Developer hereby voluntarily provides such consent; and

(d) with this Agreement and the provisions contained herein, City has provided to Developer the written disclosure required by Section 212.172(b-1) of the Texas Local Government Code.

6.2 Zoning of Property. While the Parties expressly acknowledge that the Property will be voluntarily annexed in accordance with Section 6.1 of this Agreement, the Parties agree that the Concept Plan, Development Standards and the applicable provisions of this Agreement memorialize the plan for development of the Property as provided for in Section 212.172 of the Texas Local Government Code and other applicable law. The City shall consider zoning the Property consistent with the Concept Plan, Development Standards and applicable provisions of this Agreement contemporaneously with the annexation of the Property. Through this Agreement, the Developer expressly consents and agrees to the zoning of the Property consistent with and as contemplated by this section. In the event of a conflict between this Agreement and the City Regulations, the Parties agree that this Agreement shall control over the ETJ Property until the ETJ Property is annexed, at which time the approved zoning shall control subject to the vested rights described herein. The Developer agrees that nothing in this Agreement shall prevent **Exhibit D,** Section 3.4 of this Agreement, and the City Regulations, including but not limited to zoning, from being enforced against an End-Buyer.

ARTICLE VII
INFRASTRUCTURE FINANCING

7.1 PID Financing. The City proposes to create the PID, to fund, in part, the Public Infrastructure that will confer a special benefit upon the Property. As soon as reasonably practicable following a request by the Developer, and provided the City's financial advisor confirms the bonds meet the below requirements and are marketable to third party institutional investors, the City agrees to issue PID Bonds, subject to City Council approval.

(a) A PID creation petition for the Property has been submitted by the Developer to the City.

(b) PID funding of certain Public Infrastructure as authorized by the PID Act, including but not limited to local streets, water, sewer and storm drainage improvements and appurtenances providing special benefit to a development phases and/or planning area, will include, to the maximum extent authorized by State law, and only as requested by the Developer, one or more of the following: (i) annual payments by the City to the Developer of PID assessments not pledged to the repayment of PID Bonds; (ii) the issuance by the City of PID Bonds secured by PID assessments and/or other security, with a total overall minimum value to lien ratio of 3 to 1 (unless the City, in its sole discretion approves a lower value to lien ratio) assuming that the Public Infrastructure to be financed by the PID as well as other infrastructure for which completion guarantees have been provided are in place as of the date of valuation; (iii) the issuance by the City of other bonds secured by PID assessments and/or other security; or (iv) any other method

approved by the Parties. The total amount of PID Bonds secured by assessments from the Property shall not exceed the amount stated in the PID creation petition which amount shall not exceed $40,000,000.00.

(c) The Public Infrastructure to be funded by the PID will be described in the PID Service and Assessment Plan, which Public Infrastructure is described in this Agreement and confers a special benefit on the Property (the "PID Projects").

(d) The total estimated cost of the PID Projects (the "PID Project Costs") will be as stated in the PID Service and Assessment Plan, as amended. The PID Project Costs will include the cost of two-year maintenance bonds for the PID Projects.

(e) The Developer determines the PID Project Costs, and the City will prepare a Service and Assessment Plan for the PID. After the City approves the final PID Project Costs, prepares a proposed assessment roll based thereon, and files the Service and Assessment Plan and proposed assessment roll with the Secretary for the City for public inspection, the City will levy special assessments against the Property.

(f) The City shall review and update the Service and Assessment Plan consistent with the requirements of Section 372.013(b) of the PID Act. As needed for consistency with the updated Service and Assessment Plan and consistent with the requirements of Sections 372.019 and 372.020 of the PID Act, the City shall make supplemental assessments, reassessments or new assessments such that assessments reflect the updated PID Project Costs. Concurrent with the levy of PID assessments and as needed to implement the Service and Assessment Plan, the City and the Developer will enter into a PID reimbursement agreement that provides for the Developer's construction of certain PID Projects and the City's reimbursement to the Developer of certain PID Project Costs.

(g) The City will use its reasonable efforts to issue one or more series of PID Bonds secured, in whole or in part, by assessments levied against benefited property within the PID. PID Bonds may also be secured by any other revenue authorized by the PID Act or other State law and approved by the City Council of the City. The net proceeds from the sale of PID Bonds (i.e., net of costs and expenses of issuance and amounts for debt service reserves and capitalized interest) will be used to pay PID Project Costs. Notwithstanding the foregoing, the obligation of the City to issue PID Bonds is conditioned upon there being a total overall minimum value to lien ratio of 3 to 1 (unless the City, in its sole discretion approves a lower value to lien ratio) assuming that the Public Infrastructure to be financed by the PID as well as other infrastructure for which completion guarantees have been provided are in place as of the date of the fair market valuation as determined by an appraisal and the adequacy of the bond security and the financial obligation of the Developer to pay the amount, if any, by which PID Project Costs exceed the net proceeds from the sale of PID Bonds and the amount, if any, of cost overruns. The City will require the Developer to secure its obligation to pay such deficit by providing a hold back of a portion of the PID Bond proceeds not supported by the total overall 3 to 1 value to lien ratio and/or the deposit of cash to the trust estate for the shortfall. In certain limited circumstances, a performance bond, a letter of credit, or other security acceptable to the City prior to the issuance of the PID Bonds may be considered. The net proceeds from the sale of the PID Bonds will be deposited in and disbursed from a

construction fund created and administered pursuant to the indenture under which the PID Bonds are issued.

7.2 Cost Overrun. In advance of letting a contract for the Authorized Improvements, the Developer shall confirm that the cost for construction of such Authorized Improvements is generally consistent with the Budgeted Cost provided on **Exhibit F**, as amended from time to time. If the total cost of the Authorized Improvements (or segment or section thereof) exceeds the Budgeted Cost for such Authorized Improvement (or segment or section thereof) (a "Cost Overrun"), the Developer shall be solely responsible for the remainder of the costs of the Authorized Improvements (or segment or section thereof), except as provided for in Section 7.3 below.

7.3 Cost Underrun. Upon the final acceptance by City of an Authorized Improvement (or segment or section thereof) and payment of all outstanding invoices by Developer for such Authorized Improvement (or segment or section thereof), if the actual cost of such Authorized Improvement (or segment or section thereof) is less than the Budgeted Cost (a "Cost Underrun"), any remaining Budgeted Cost may be available to pay Cost Overruns on any other Authorized Improvement. If, upon completion of the Authorized Improvements in any improvement category, there are funds remaining in any improvement categories, those funds can then be used to reimburse the Developer for any qualifying costs of the Authorized Improvements that have not been previously paid.

7.4 Costs for Non-Bank Qualified Bonds.

(a) If in any calendar year the City issues bonds, notes or other obligations as approved by the City Council for any given year in question that would constitute a qualified tax-exempt obligation but for the issuance of the PID Bonds or other bonds, notes or other obligations supporting public improvements for non-City owned development projects or City owned projects financed for a direct benefit to the non-City owned development projects, including either bonds authorized by Texas Tax Code Chapter 311 or bonds authorized by the PID Act, then the Developer shall pay to the City a fee (the "Bank Qualified Debt Fee") to compensate the City for the debt service savings the City would have achieved had the debt issued by the City been able to be classified as a qualified tax-exempt obligation provided that all other developers or owners benefitting from the City issuing debt are similarly burdened with an obligation to compensate the City. The Bank Qualified Debt Fee of the Developer and all other developers or owners on whose behalf the City issues debt, will be calculated as follows:

> The net present value (calculated based on the Internal Revenue Service bond yield) of the debt service savings that would have accrued to the City had it been able to issue qualified tax-exempt obligation debt multiplied by a fraction, the numerator of which is the amount of debt issued by the City for any particular owner or developer (including the Developer, as applicable) and the denominator of which is the total debt issued by the City for the benefit of all owners or developers (including the Developer, as applicable).

(b) To the extent any developer(s) or owner(s) (including the Developer, as applicable) has (have) paid the Bank Qualified Debt Fee for any particular calendar year, any such Bank

Qualified Debt Fee paid subsequently by a developer or owner (including the Developer, as applicable) to the City applicable to the same calendar year shall be reimbursed by the City to the developer(s) or owner(s) (including the Developer, as applicable) as necessary so as to put all developers and owners so paying for the same calendar year in the required payment proportion as set forth above, said reimbursement to be made by the City within ten (10) business days after its receipt of such subsequent payments of the Bank Qualified Debt Fee.

(c) If in any calendar year the City issues PID Bonds on its own account that exceed the amount that would otherwise qualify the City for the issuance of bank qualified debt, or if the City fails to charge the Bank Qualified Debt Fee to any other developer or owner on whose behalf the City has issued debt and fails to cure such oversight, then no Bank Qualified Debt Fee shall be due under this provision and if any Bank Qualified Debt Fee had already been paid to the City under this provision, then such Bank Qualified Debt Fee shall be reimbursed promptly to the Developer from lawfully available and otherwise unencumbered funds.

7.4 PID Notices. When selling any of the Property after the PID is created, the Developer shall provide notices in a form required by and in compliance with Title 2, Chapter 5 of the Texas Property Code, as amended, to anyone who purchases property within the PID and shall notify the purchaser: (a) that the property is located in the PID; (b) that the City has issued or may issue PID bonds; (c) that the City has levied or may levy PID assessments; (d) of the unpaid reimbursement amount of the PID assessment against the Property; (e) of the estimated annual installments if PID assessments are not paid in full; and (f) of the estimated duration of the PID assessment and annual installments. Further, the Developer shall contractually require builders selling homes to continuously post a notice of the PID assessments in a conspicuous location in each model home and provide an explanation of the PID assessments in written brochures and promotional materials given to each prospective purchaser. This section applies to all owners of all or any portion of the Property

ARTICLE VIII
EVENTS OF DEFAULT; REMEDIES

8.1 Events of Default. No Party shall be in default under this Agreement until notice of the alleged failure of such Party to perform has been given in writing (which notice shall set forth in reasonable detail the nature of the alleged failure) and until such Party has been given a reasonable time to cure the alleged failure (such reasonable time to be determined based on the nature of the alleged failure, but in no event more than 30 days after written notice of the alleged failure has been given). Notwithstanding the foregoing, no Party shall be in default under this Agreement if, within the applicable cure period, the Party to whom the notice was given begins performance and thereafter diligently and continuously pursues performance until the alleged failure has been cured and within such 30-day period gives written notice to the non-defaulting Party of the details of why the cure will take longer than 30 days with a statement of how many days are needed to cure.

8.2 Remedies. If a Party is in default, the aggrieved Party may, at its option and without prejudice to any other right or remedy under this Agreement, seek any relief available at law or in equity, including, but not limited to, an action under the Uniform Declaratory Judgment Act, or

actions for specific performance, mandamus, or injunctive relief. NOTWITHSTANDING THE FOREGOING, HOWEVER, NO DEFAULT UNDER THIS AGREEMENT SHALL ENTITLE THE AGGRIEVED PARTY TO TERMINATE THIS AGREEMENT OR LIMIT THE TERM OF THIS AGREEMENT.

ARTICLE IX
ASSIGNMENT AND ENCUMBRANCE

9.1 Assignment by Developer to Successors.

(a) The Developer has the right (from time to time without the consent of the City, but upon prior written notice to the City) to assign this Agreement, in whole or in part, and including any obligation, right, title, or interest of the Developer under this Agreement, to any person or entity (a "Developer Assignee") that (i) is or will become an owner of any portion of the Property or (ii) is controlled by or under common control by the Developer and becomes an owner of any portion of the Property, provided that the Developer is not in breach of this Agreement at the time of such assignment. A Developer Assignee is considered the "Developer" and a "Party," under this Agreement for purposes of the obligations, rights, title, and interest assigned to the Developer Assignee. Notice of each proposed assignment to a Developer Assignee shall be provided to the City at least fifteen (15) days prior to the effective date of the assignment, which notice shall include a copy of the proposed assignment document together with the name, address, telephone number, and e-mail address (if available) of a contact person representing the Developer Assignee. Any receivables due under this Agreement may be assigned by the developer upon written notice to the City pursuant to Section 11.2 of this Agreement.

(b) Each assignment shall be in writing executed by the Developer and the Developer Assignee and shall obligate the Developer Assignee to be bound by this Agreement to the extent this Agreement applies or relates to the obligations, rights, title, or interests being assigned. A copy of each fully executed assignment to a Developer Assignee shall be provided to all Parties within fifteen (15) days after execution. From and after such assignment, the City agrees to look solely to the Developer Assignee for the performance of all obligations assigned to the Developer Assignee and agrees that the Developer shall be released from subsequently performing the assigned obligations and from any liability that results from the Developer Assignee's failure to perform the assigned obligations; provided, however, if a copy of the assignment is not received by the City within 15 days after execution, Developer shall not be released until the City receives such copy of the assignment.

(c) No assignment by Developer shall release Developer from any liability that resulted from an act or omission by Developer that occurred prior to the effective date of the assignment unless the City approves the release in writing.

(d) The Developer shall maintain written records of all assignments made to Developer Assignees, including a copy of each executed assignment and the Developer Assignee's Notice information as required by this Agreement, and, upon written request from another Party, shall provide a copy of such records to the requesting person or entity.

9.2 Assignment by the City. The City has the right (from time to time without the consent of another Party, but upon prior written Notice to each other Party) to assign this Agreement, in whole or in part, and including any obligation, right, title, or interest of the City under this Agreement, to any agency, authority, or political subdivision of the state (a "City Assignee"). Notice of each proposed assignment to a City Assignee shall be provided to each other Party at least 15 days prior to the effective date of the assignment, which Notice shall include a copy of the proposed assignment document together with the name, address, telephone number, and e-mail address of a contact person representing the City Assignee who the other Party may contact for additional information. Each assignment shall be in writing executed by the City and the City Assignee and shall obligate the City Assignee to be bound by this Agreement to the extent this Agreement applies or relates to the obligations, rights, title, or interests being assigned. A copy of each fully executed assignment to a City Assignee shall be provided to all Parties within 15 days after execution. From and after such assignment, all Parties agree to look solely to the City Assignee for the performance of all obligations assigned to the City Assignee and agrees that the City shall be released from subsequently performing the assigned obligations and from any liability that results from the City Assignee's failure to perform the assigned obligations; provided, however, if a copy of the assignment is not received by the other Parties within 15 days after execution, the City shall not be released until the other Parties receive such copy of the assignment. No assignment by the City shall release the City from any liability that resulted from an act or omission by the City that occurred prior to the effective date of the assignment unless the other Parties approve the release in writing. The City shall maintain written records of all assignments made by the City to City Assignees, including a copy of each executed assignment and the City Assignee's Notice information as required by this Agreement, and, upon written request from another Party, shall provide a copy of such records to the requesting person or entity.

9.3 Collateral Assignments. The Developer and Developer Assignees have the right, from time to time, to collaterally assign, pledge, grant a lien or security interest in, or otherwise encumber any of their respective rights, title, or interest under this Agreement for the benefit of their respective lenders without the consent of, but with prompt written Notice to, the City. The collateral assignment, pledge, grant of lien or security interest, or other encumbrance shall not, however, obligate any lender to perform any obligations or incur any liability under this Agreement unless the lender agrees in writing to perform such obligations or incur such liability. Provided the City has been given a copy of the documents creating the lender's interest, including Notice information for the lender, then that lender shall have the right, but not the obligation, to cure any default under this Agreement and shall be given a reasonable time to do so in addition to the cure periods otherwise provided to the defaulting Party by this Agreement; and the City agrees to accept a cure offered by the lender as if offered by the defaulting Party. A lender is not a Party to this Agreement unless this Agreement is amended, with the consent of the lender, to add the lender as a Party. Notwithstanding the foregoing, however, this Agreement shall continue to bind the Property and shall survive any transfer, conveyance, or assignment occasioned by the exercise of foreclosure or other rights by a lender, whether judicial or non-judicial. Any purchaser from or successor owner through a lender of any portion of the Property shall be bound by this Agreement and shall not be entitled to the rights and benefits of this Agreement with respect to the acquired portion of the Property until all defaults under this Agreement with respect to the acquired portion of the Property have been cured.

9.4 Transfer of Warranties. Any Public Infrastructure that are transferred to the City shall be accompanied by all applicable third-party bonds and warranties related to construction and maintenance of such Public Infrastructure.

9.5 Assignees as Parties. An assignee authorized in accordance with this Agreement and for which notice of assignment has been provided in accordance with this Agreement shall be considered a "Party" for the purposes of this Agreement. With the exception of the End-Buyer of a lot within the Property, any person or entity upon becoming an owner of land or upon obtaining an ownership interest in any part of the Property shall be deemed to be a "Developer" and have all of the obligations of the Developer as set forth in this Agreement and all related documents to the extent of said ownership or ownership interest.

9.6 No Third-Party Beneficiaries. This Agreement only inures to the benefit of, and may only be enforced by, the Parties. No other person or entity shall have any right, title, or interest under this Agreement or otherwise be deemed to be a third-party beneficiary of this Agreement.

ARTICLE X
RECORDATION AND ESTOPPEL CERTIFICATES

10.1 Binding Obligations. This Agreement and all amendments hereto (including amendments to the Concept Plan as allowed in this Agreement) and assignments hereof shall be recorded in the deed records of each county within which the Property is located. This Agreement binds and constitutes a covenant running with the Property. Upon the Effective Date, this Agreement shall be binding upon the Parties and their successors and assigns permitted by this Agreement and forms a part of any other requirements for Development within the Property. This Agreement, when recorded on or after the Effective Date, shall be binding upon the Parties and their successors and assigns as permitted by this Agreement and upon the Property; however, this Agreement shall not be binding upon, and shall not constitute any encumbrance to title as to, any end-buyer/homebuyer, a term including, among others, developers, homebuilders, builders, tenants, users, and occupants/owners, of a fully developed and improved lot (an "End-Buyer") and shall not negate the End-Buyer's obligation to comply with the City's Regulations, including but not limited to zoning ordinances, as they currently exist or may be amended.

10.2 Estoppel Certificates. From time to time upon written request of the Developer, if needed to facilitate a sale of all or a portion of the Property or a loan secured by all or a portion of the Property, the City will execute a written estoppel certificate in a form and substance satisfactory to the City, to its reasonable knowledge and belief, identifying any obligations of the Developer under this Agreement that are in default. The Developer shall pay the City $1,000 at the time of the Developer's request for an estoppel certificate for each request in excess of one per calendar year.

ARTICLE XI
ADDITIONAL PROVISIONS

11.1 Recitals. The recitals contained in this Agreement: (a) are true and correct as of the Effective Date; (b) form the basis upon which the Parties negotiated and entered into this

Agreement; (c) are legislative findings of the City Council of the City; and (d) reflect the final intent of the Parties with regard to the subject matter of this Agreement. In the event it becomes necessary to interpret any provision of this Agreement, the intent of the Parties, as evidenced by the recitals, shall be taken into consideration and, to the maximum extent possible, given full effect. The Parties have relied upon the recitals as part of the consideration for entering into this Agreement and, but for the intent of the Parties reflected by the recitals, would not have entered into this Agreement.

11.2 Notices. Any notice, payment or instrument required or permitted by this Agreement to be given or delivered to any Party shall be deemed to have been received when personally delivered or 72 hours following deposit of the same in any United States Post Office, registered or certified mail, postage prepaid, addressed as follows ("Notice"):

Any Party may change its address or addresses for delivery of notice by delivering written notice of such change of address to the other Party.

11.3 Interpretation. The Parties acknowledge that each has been actively involved in negotiating this Agreement. Accordingly, the rule of construction that any ambiguities are to be resolved against the drafting Party will not apply to interpreting this Agreement. In the event of any dispute over the meaning or application of any provision of this Agreement, the provision will be interpreted fairly and reasonably and neither more strongly for nor against any Party, regardless of which Party originally drafted the provision.

11.4 Time. In this Agreement, time is of the essence and compliance with the times for performance herein is required.

11.5 Authority and Enforceability. The City represents and warrants that this Agreement has been approved by official action by the City Council of the City in accordance with all applicable public notice requirements (including, but not limited to, notices required by the Texas Open Meetings Act) and that the individual executing this Agreement on behalf of the City has been duly authorized to do so. The Developer represents and warrants that this Agreement has been approved by appropriate action of the Developer, and that the individual executing this Agreement on behalf of the Developer has been duly authorized to do so. Each Party respectively acknowledges and agrees that this Agreement is binding upon such Party and is enforceable against such Party, in accordance with its terms and conditions and to the extent provided by law.

11.6 Entire Agreement. This Agreement constitutes the entire agreement between the Parties and supersedes all prior agreements, whether oral or written, covering the subject matter of this Agreement. This Agreement shall not be modified or amended except in writing signed by the Parties.

11.7 Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable for any reason, then: (a) such unenforceable provision shall be deleted from this Agreement; (b) the unenforceable provision shall, to the extent possible and upon mutual agreement of the Parties, be rewritten to be enforceable and to give effect to the intent of the Parties; and (c) the remainder of this Agreement shall remain in full force and effect and shall be interpreted to give effect to the intent of the Parties.

11.8 Applicable Law; Venue. This Agreement is entered into pursuant to, and is to be construed and enforced in accordance with, the laws of the State of Texas, and all obligations of the Parties are performable in Collin County. Exclusive venue for any action to enforce or construe this Agreement shall be in Collin County District Court.

11.9 Non-Waiver. Any failure by a Party to insist upon strict performance by the other Party of any material provision of this Agreement shall not be deemed a waiver thereof, and the Party shall have the right at any time thereafter to insist upon strict performance of any and all provisions of this Agreement. No provision of this Agreement may be waived except by writing signed by the Party waiving such provision. Any waiver shall be limited to the specific purposes for which it is given. No waiver by any Party of any term or condition of this Agreement shall be deemed or construed to be a waiver of any other term or condition or subsequent waiver of the same term or condition.

The information contained in the From 1295 completed by the Developer has been provided solely by the Developer and the City has not verified such information.

11.18 Anti-Boycott Verification. No Boycott Israel. To the extent this Agreement constitutes a contract for goods or services for which a written verification is required under Section 2271.002, Texas Government Code, the Developer hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and will not boycott Israel during the term of this Agreement. The foregoing verification is made solely to enable the City to comply with such Section and to the extent such Section does not contravene applicable Federal law. As used in the foregoing verification, 'boycott Israel,' a term defined in Section 2271.001, Texas Government Code, by reference to Section 808.001(1), Texas Government Code, means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. The Developer understands 'affiliate' to mean an entity that controls, is controlled by, or is under common control with the Developer within the meaning of SEC Rule 405, 17 C.F.R. § 230.405, and exists to make a profit.

11.19 Not a Listed Company. The foregoing representation is made solely to enable the City to comply with Section 2252.152, Texas Government Code, and to the extent such Section does not contravene applicable Federal law and excludes the Developer and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization. As used in this Section, the Developer understands 'affiliate' to mean an entity that controls, is controlled by, or is under common control with the Developer within the meaning of SEC Rule 133(f), 17 C.F.R. § 230.133(f), and exists to make a profit.

11.20 Verification Regarding Energy Company Boycotts. To the extent this Agreement constitutes a contract for goods or services for which a written verification is required under Section 2274.002 (as added by Senate Bill 13 in the 87th Texas Legislature, Regular Session), Texas Government Code, as amended, the Developer hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and will not boycott energy companies during the term of this Agreement. The foregoing verification is made solely to enable the City to comply with such Section and to the extent such Section does not contravene applicable Texas or federal law. As used in the foregoing

verification, "boycott energy companies," a term defined in Section 2274.001(1), Texas Government Code (as enacted by such Senate Bill) by reference to Section 809.001, Texas Government Code (also as enacted by such Senate Bill), shall mean, without an ordinary business purpose, refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with a company because the company (A) engages in the exploration, production, utilization, transportation, sale, or manufacturing of fossil fuel-based energy and does not commit or pledge to meet environmental standards beyond applicable federal and state law; or (B) does business with a company described by (A) above. As used in this Section, the Developer understands 'affiliate' to mean an entity that controls, is controlled by, or is under common Developer within the meaning of SEC Rule 133(f), 17 C.F.R. § 230.133(f), and exists to make a profit.

11.21 Verification Regarding Discrimination Against Firearm Entity or Trade Association. To the extent this Agreement constitutes a contract for goods or services for which a written verification is required under Section 2274.002 (as added by Senate Bill 19 in the 87th Texas Legislature, Regular Session), Texas Government Code, as amended, the Developer hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate against a firearm entity or firearm trade association during the term of this Agreement. The foregoing verification is made solely to enable the City to comply with such Section and to the extent such Section does not contravene applicable Texas or federal law. As used in the foregoing verification and the following definitions:

OVERVIEW

- Staff proposes an additional land use, "Batch Plant, Medium Duration," for larger-scale projects that are anticipated to take longer than 6 months to complete
- Medium duration batch plants require Specific Use Permits (SUPs) in all zoning districts (i.e., are discretionarily approved by City Council)
- Base standards apply to all batch plant project types
- Additional conditions can be written into governing SUPs based upon need

BATCH PLANT REQUIREMENTS

- TCEQ compliance, including distance requirements from recreational areas, schools, and/or residences
- Control of airborne dust emissions
- Noise, light, & odor mitigation
- Immediate clean-up of spills or dust
- Covered trucks to minimize emission of dust during transport
