(l) Supplements or Amendments to Official Statement. If the Official Statement is supplemented or amended pursuant to paragraph (d) of Section 4 of this Agreement, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such paragraph) at all times subsequent thereto during the period up to and including the 25th day subsequent to the "end of the underwriting period," the Official Statement as so supplemented or amended will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that if the City notifies the Underwriter of any fact or event as required by Section 4(d) hereof, and the Underwriter determines that such fact or event does not require preparation and publication of a supplement or amendment to the Official Statement, then the Official

(n) Use of Bond Proceeds. The City will apply, or cause to be applied, the proceeds from the sale of the Bonds as provided in and subject to all of the terms and provisions of the Indenture and will not take or omit to take any action which action or omission will adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Bonds.

(o) Blue Sky and Securities Laws and Regulations. The City will furnish such information and execute such instruments and take such action in cooperation with the Underwriter as the Underwriter may reasonably request, at no expense to the City, (i) to (y) qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions in the United States as the Underwriter may designate and (z) determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions and (ii) to continue such qualifications in effect so long as required for the initial distribution of the Bonds by the Underwriter (provided, however, that the City will not be required to qualify as a foreign corporation or to file any general or special consents to service of process under the laws of any jurisdiction) and will advise the Underwriter immediately of receipt by the City of any notification with respect to the suspension of the qualification of the Bonds for sale in any jurisdiction or the initiation or threat of any proceeding for that purpose.

(5) there shall have occurred since the date of this Agreement any materially adverse change in the affairs or financial condition of the City, except as disclosed in or contemplated by the Official Statement; or

(6) any state blue sky or securities commission or other governmental agency or body in any state in which more than 10% of the Bonds have been offered and sold shall have withheld registration, exemption or clearance of the offering of the Bonds as described herein, or issued a stop order or similar ruling relating thereto; or

statement or information contained in the Official Statement, or has the effect that the Official Statement contains any untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, which change shall occur subsequent to the date of this Agreement and shall not be due to the malfeasance, misfeasance or nonfeasance of the Underwriter; or

(iv) any fact or event shall exist or have existed that, in the Underwriter's reasonable judgment, requires or has required an amendment of or supplement to the Official Statement; or

(v) a general banking moratorium shall have been declared by federal or State authorities having jurisdiction and shall be in force as of the Closing Date; or

(vi) a material disruption in securities settlement, payment or clearance services shall have occurred; or

(vii) a decision by a court of the United States shall be rendered, or a stop order, release, regulation or no-action letter by or on behalf of the United States Securities and Exchange Commission (the "SEC") or any other governmental agency having jurisdiction of the subject matter shall have been issued or made, to the effect that the issuance, offering or sale of the Bonds, including the underlying obligations as contemplated by this Agreement or by the Official Statement, or any document relating to the issuance, offering or sale of the Bonds, is or would be in violation of any provision of the federal securities laws on the Closing Date, including the Securities Act, the Securities Exchange Act of 1934 (the "Securities Exchange Act") and the Trust Indenture Act; or

With respect to the conditions described in subparagraphs (ii), (vii) and (viii) above, the Underwriter is not aware of any current, pending or proposed law or government inquiry or investigation as of the date of execution of this Agreement which would permit the Underwriter to invoke its termination rights hereunder.

(ii) based upon (A) such counsel's review of Rule 15c2-12 and interpretive guidance published by the SEC relating thereto; (B) its review of the continuing disclosure undertaking of the City contained in the City Disclosure Agreement; and (C) the inclusion in the Official Statement of a description of the specifics of such undertaking, and assuming that the Bond Ordinance, the Indenture, and the City Disclosure Agreement have been duly adopted by the City and are in full force and effect, such undertaking provides a suitable basis for the Underwriter, to make a reasonable determination that the City has met the qualifications of paragraph (b)(5)(i) of Rule 15c2-12; and

10. Establishment of Issue Price.

(a) The Underwriter agrees to assist the City in establishing the issue price of the Bonds and shall execute and deliver to the City on or before Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Appendix B, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the City and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds. All actions to be taken by the City under this Section to establish the issue price of the Bonds may be taken on behalf of the City by the City's Financial Advisor identified herein and any notice or report to be provided to the City may be provided to the City's Financial Advisor or Bond Counsel.

(b) The Underwriter confirms that it has offered all the Bonds of each maturity to the public on or before the date of this Agreement at the respective offering price (the "initial offering price"), or at the corresponding yield or yields, set forth in Schedule I attached hereto, except as otherwise set forth therein. At or promptly after the execution of this Agreement, the Underwriter shall report to the City as of the sale date the first price at which the Underwriter has sold to the public at least 10% of each maturity of Bonds (the "10% test"), and shall identify to the City as of the sale date those maturities of the Bonds for which the 10% test has not been satisfied. If different interest coupons apply within a

maturity, each separate CUSIP number within that maturity will be treated as a separate maturity for this purpose.

(c) The City and the Underwriter agree that the restrictions set forth in the next sentence shall apply to those maturities of the Bonds for which the 10% test has not been met as of the sale date, which will allow the City to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(1) the close of the fifth (5th) business day after the sale date; or

(2) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the City when the Underwriter has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if such sale occurs prior to the close of the fifth (5th) business day after the sale date.

(d) The Underwriter confirms that any selling group agreement and each third-party distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement, as applicable, to (A) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter and as set forth in the related pricing wires, (B) to promptly notify the Underwriter of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public, and (C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public. The City acknowledges that, in making the representation set forth in this subsection, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that the Underwriter is a party to a third-party distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The City further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling

group or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds.

(e) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this Section. Further, for purposes of this Section:

(i) "public" means any person other than an underwriter or a related party,

(ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public, and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),

(iii) a purchaser of any of the Bonds is a "related party to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) "sale date" means the date of execution of this Agreement by all parties.

11. Consequences of Termination. If the City shall be unable to satisfy the conditions contained in this Agreement or if the obligations of the Underwriter shall be terminated for any reason permitted by this Agreement, this Agreement shall terminate and the Underwriter and the City shall have no further obligation hereunder, except as further set forth in Sections 12, 14, 15, 20 and 22 hereof.

12. Costs and Expenses.

(a) The Underwriter shall be under no obligation to pay, and the City shall cause to be paid from proceeds of the Bonds the following expenses incident to the issuance of the Bonds and performance of the City's obligations hereunder: (i) the costs of the preparation and printing of the Bonds; (ii) the cost of preparation, printing, and mailing of the Preliminary Official Statement, the final Official Statement and any supplements and

amendments thereto; (iii) the fees and disbursements of the City's Financial Advisor and legal counsel, the Trustee's counsel, Bond Counsel and the Trustee relating to the issuance of the Bonds, (iv) the Attorney General's review fees, (v) the fees and disbursements of accountants, advisers and any other experts or consultants retained by the City, including but not limited to the fees and expenses of the Administrator, (vi) the fees, if any, for bond ratings and the Municipal Bond Insurance Policy and the Surety Policy, (vii) the expenses of the Refunded Bonds Paying Agent, and (viii) the expenses incurred by or on behalf of City employees and representatives that are incidental to the issuance of the Bonds and the performance by the City of its obligations under this Agreement.

19. No Assignment. The rights and obligations created by this Agreement shall not be subject to assignment by the Underwriter or the City without the prior written consent of the other parties hereto.

20. No Personal Liability. None of the members of the City Council, nor any officer, representative, agent, or employee of the City, shall be charged personally by the Underwriter with any liability, or be held liable to the Underwriter under any term or provision of this Agreement, or because of execution or attempted execution, or because of any breach or attempted or alleged breach of this Agreement.

The City hereby confirms receipt of the Form 1295 from the Underwriter, and the City agrees to acknowledge such form with the TEC through its electronic filing application not later than the 30th day after the receipt of such form. 22. Statutory Verifications. The Underwriter makes the following representations and covenants pursuant to Chapters 2252, 2271, 2274, and 2276, Texas Government Code, as heretofore amended (the "Government Code"), in entering into this Agreement. 24. Attorney General Standing Letter. The Underwriter represents that it has, or will have prior to the date of Closing, on file with the Texas Attorney General a standing letter addressing the representation and verifications contained in Section 22 of this Agreement in a form accepted by the Texas Attorney General. In addition, if the Underwriter or the parent company, a wholly- or majority-owned subsidiary or another affiliate of such Underwriter receives or has received a letter from the Texas Comptroller of Public Accounts pursuant to Chapter 809, Texas Government Code seeking written verification that it does not boycott energy companies (a "Comptroller Request Letter"), such Underwriter shall promptly notify the City and Bond Counsel (if it has not already done so) and provide to the City or Bond Counsel, two business days prior to Closing and additionally upon request by the City or Bond Counsel, written verification to the effect that its standing letter described in the preceding sentence remains in effect and may be relied upon by the City and the Texas Attorney General (the "Bringdown Verification"). The Bringdown Verification shall also confirm that such Underwriter (or the parent company, a wholly- or majority-owned subsidiary or other affiliate of the Underwriter that received the Comptroller Request Letter) intends to timely respond or has timely responded to the Comptroller Request Letter. In particular, our response does not include matters known to any attorney of our firm in a capacity other than as City Attorney for the City. In basing the opinions and other matters set forth herein on "our knowledge," the words "our knowledge," "actual knowledge" and similar expressions involved in the current actual transaction do not have actual knowledge or actual notice that nay such opinions or other matters are not accurate or that any of the documents, certificates, reports and information on which we have read are not accurate and complete. Further, the words "our knowledge," "our actual knowledge" and similar expressions used in this opinion letter are intended to be limited to the actual knowledge of our firm who have been directly involved in representing the City. We have not undertaken any independent investigation to determine the existence or absence of such facts, and no inference as to our knowledge concerning such facts should be drawn from the fact that such limited representation has been undertaken by us.

Based upon and subject to the foregoing and the additional qualifications and assumptions set forth herein, we are of the opinion that:

1. The City is a Texas political subdivision and has all necessary power and authority to enter into and perform its obligations under the Reviewed Documents. The City has taken or obtained all actions, approvals, consents and authorizations required of it by applicable laws in connection with the execution of the Reviewed Documents and the performance of its obligations thereunder.

2. To the best of our knowledge, there is no action, suit, proceeding, inquiry or investigation at law or in equity, before or by any court, public board or body, pending, or threatened against the City: (a) affecting the existence of the City or the titles of its officers to their respective offices, (b) in any way questioning the formation or existence of the District, (c) affecting, contesting or seeking to prohibit, restrain or enjoin the delivery of any of the Bonds, or the payment, collection or application of any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, including the Assessments in Neighborhood Improvement Area #1 of the District pursuant to the provisions of the Assessment Ordinance and the Service and Assessment Plan referenced therein, (d) contesting or affecting the validity or enforceability or the City's performance of the Reviewed Documents, (e) contesting the exclusion of the interest on the Bonds from federal income taxation, or (f) which may result in any material adverse change relating to the financial condition of the City.

4. The performance by the City of the obligations under the Reviewed Documents will not violate any provision of any Federal or Texas constitutional or statutory provision.

5. No further consent, approval, authorization, or order of any court or governmental agency or body or official is required to be obtained by the City as a condition precedent to the performance by the City of its obligations under the Reviewed Documents.

6. Based upon our limited participation in the preparation of the Preliminary Official Statement and the Official Statement (collectively, the "Official Statement"), the statements and information contained in the Preliminary Official Statement and the Official Statement with respect to the City under the captions and subcaptions "ASSESSMENT PROCEDURES — Assessment Methodology" and "—Assessment Amounts," "THE CITY," "THE DISTRICT," "ASSESSMENT COLLECTION DATA AND TAXABLE VALUE HISTORY IN NEIGHBORHOOD IMPROVEMENT AREA #1 OF THE DISTRICT," "LEGAL MATTERS — Litigation – The City," "CONTINUING DISCLOSURE — The City" and " — The City's Compliance with Prior Undertakings" and "APPENDIX A" are a fair and accurate summary of the laws and the documents and facts summarized therein.

7. The execution and delivery of the Reviewed Documents and the compliance with the provisions of the Reviewed Documents under the circumstances contemplated thereby, to the best of our knowledge: (a) do not and will not in any material respect conflict with or constitute on the part of the City a breach of or default under any agreement to which the City is a party or by which it is bound, and (b) do not and will not in any material respect conflict with or constitute on the part of the City a violation, breach of or default under any existing law, regulation, court order or consent decree to which the City is subject.

supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Issuer.

Upon the occurrence of a Listed Event, the Issuer shall promptly notify the Dissemination Agent in writing and the Issuer shall direct the Dissemination Agent to file a notice of such occurrence with the MSRB. The Dissemination Agent shall file such notice no later than the Business Day immediately following the day on which it receives written notice of such occurrence from the Issuer. The obligations of the Issuer, the Administrator and the Dissemination Agent under this Disclosure Agreement shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds, when the Issuer is no longer an obligated person with respect to the Bonds, or upon delivery by the Disclosure Representative to the Dissemination Agent of an opinion of nationally recognized bond counsel to the effect that continuing disclosure is no longer required. So long as any of the Bonds remain Outstanding, the Dissemination Agent may assume that the Issuer is an obligated person with respect to the Bonds until it receives written notice from the Disclosure Representative stating that the Issuer is no longer an obligated person with respect to the Bonds, and the Dissemination Agent may conclusively rely upon such written notice with no duty to make investigation or inquiry into any statements contained or matters referred to in such written notice. If such termination occurs prior to the final maturity of the Bonds, the Issuer shall give notice of such termination in the same manner as for a Listed Event with respect to such series of Bonds under Section 5(a).

SECTION 7. Dissemination Agent. The Issuer may, from time to time, appoint or engage a Dissemination Agent or successor Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement, and may discharge such Dissemination Agent, with or without appointing a successor Dissemination Agent. If at any time there is not any other designated Dissemination Agent, the Issuer shall be the Dissemination Agent. The initial Dissemination Agent appointed hereunder shall be HTS Continuing Disclosure Services, a division of Hilltop Securities Inc.

SECTION 8. Amendment; Waiver. Notwithstanding any other provisions of this Disclosure Agreement, the Issuer and the Dissemination Agent may amend this Disclosure Agreement (and the Dissemination Agent shall not unreasonably withhold its consent to any amendment so requested by the Issuer), and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Sections 3(a), 4, or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the delivery of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Owners of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Owners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Owners or beneficial owners of the Bonds.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Issuer shall describe such amendment in the next related Annual Issuer Report, and shall include, as applicable,

a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Issuer. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 5(a), and (ii) the Annual Issuer Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. No amendment which materially adversely affects the Dissemination Agent may be made without its prior written consent (which consent will not be unreasonably withheld or delayed).

SECTION 9. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Issuer Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Issuer chooses to include any information in any Annual Issuer Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the Issuer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Issuer Report or notice of occurrence of a Listed Event.

SECTION 10. Default. (c) The Administrator may, from time to time, consult with legal counsel of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or their respective duties hereunder, and the Dissemination Agent and Administrator shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel.

UNDER NO CIRCUMSTANCES SHALL THE DISSEMINATION AGENT, THE ADMINISTRATOR OR THE ISSUER BE LIABLE TO THE OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE ISSUER, THE ADMINISTRATOR OR THE DISSEMINATION AGENT, RESPECTIVELY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS DISCLOSURE AGREEMENT, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE. SECTION 14. Severability. In case any section or provision of this Disclosure Agreement, or any covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder or any application thereof, is for any reasons held to be illegal or invalid, such illegality or invalidity shall not affect the remainder thereof or any other section or provision thereof or any other covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder (except to the extent that such remainder or section or provision or other covenant, stipulation, obligation, agreement, act or action, or part thereof is wholly dependent for its operation on the provision determined to be invalid), which shall be construed and enforced as if such illegal or invalid portion were not contained therein, nor shall such illegality or invalidity of any application thereof affect any legal and valid application thereof, and each such section, provision, covenant, stipulation, obligation, agreement, act or action, or part thereof shall be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent permitted by law.

Date	Delinquency Clock (Days)	Activity
January 31		Annual Installments of Assessments are due.
February 1	1	Annual Installments of Assessments Delinquent if not received.
February 15	15	Issuer forwards payment to Trustee for all collections received as of February 15, along with detailed breakdown. Subsequent payments and relevant details will follow monthly thereafter. Issuer and/or Administrator should be aware of actual and specific delinquencies. Issuer and/or Administrator should be aware if Reserve Fund needs to be utilized for debt service payments on March 1. **If there is to be a shortfall, the Trustee and Dissemination Agent should be immediately notified in writing.** Issuer and/or Administrator should also be aware if, based on collections, there will be a shortfall for September payment. Issuer and/or Administrator should determine if previously collected surplus funds, if any, plus actual collections will be fully adequate for debt service in March and September. At this point, if total delinquencies are under 5% and if there is adequate funding for March and September payments, no further action is anticipated for collection of Annual Installments of Assessments except that the Issuer or Administrator, working with the City Attorney or an appropriate designee, will begin process to cure deficiency. **For properties delinquent by more than one year or if the delinquency exceeds $10,000 the matter will be referred for commencement of foreclosure.** **If there are over 5% delinquencies or if there is inadequate funding in the Pledged Revenue**

[1] Illustrates anticipated dates and procedures for pursuing the collection of delinquent Annual Installments of Assessments, which dates and procedures are subject to adjustment by the Issuer.

		Fund for transfer to the Principal and Interest Account of such amounts as shall be required for the full March and September payments, the collection-foreclosure procedure will proceed against all delinquent properties.
March 15	43/44	Trustee pays bond interest payments to Owners. Reserve Fund payment to Bond Fund may be required if Assessments are below approximately 50% collection rate. Issuer, or the Trustee, on behalf of the Issuer, to notify Dissemination Agent of the occurrence of draw on the Reserve Fund and, following receipt of such notice, Dissemination Agent to notify MSRB of such draw on the Reserve Fund for debt service. **Use of Reserve Fund for debt service payment should trigger commencement of foreclosure on delinquent properties.** Issuer determines whether or not any Annual Installments of Assessments are delinquent and, if such delinquencies exist, the Issuer commences as soon as practicable appropriate and legally permissible actions to obtain such delinquent Annual Installments of Assessments.
March 20	**48/49**	**Issuer and/or Administrator to notify Dissemination Agent of any delinquencies to be included in the Annual Report.** **If any property owner with ownership of property responsible for more than $10,000 of the Annual Installments of Assessments is delinquent or if a total of delinquencies is over 5%, or if it is expected that Reserve Fund moneys will need to be utilized for either the March or September bond payments, the Disclosure Representative shall work with City Attorney's office, or the appropriate designee, to satisfy payment of all delinquent Annual Installments of Assessments.**
April 15	**74/75**	**Preliminary Foreclosure activity commences, and Issuer to notify Trustee and Dissemination Agent of the commencement of preliminary foreclosure activity.**

July 1	151/152	If Owners and Dissemination Agent have not been notified of a foreclosure action, Dissemination Agent will notify the Issuer that it is appropriate to file action.

A committee of not less than twenty-five (25%) of the Owners may request a meeting with the Mayor, City Manager, or other responsible official of the City to discuss the Issuer's actions in pursuing the repayment of any delinquencies. This would also occur after day 30 if it is apparent that a Reserve Fund draw is required. Further, if delinquencies exceed five percent (5%) Owners may also request a meeting with the Issuer at any time to discuss the Issuer's plan and progress on collection and foreclosure activity. If the Issuer is not diligently proceeding with the foreclosure process, the Owners may seek an action for mandamus or specific performance to direct the Issuer to pursue the collections of delinquent Annual Installments of Assessments.

B. DESCRIPTIONS AND COSTS OF THE AUTHORIZED IMPROVEMENTS THAT ONLY BENEFIT NEIGHBORHOOD IMPROVEMENT AREA #1

The Authorized Improvements that only benefit Improvement Area #1 are described below:

Neighborhood Improvement Area #1 Water Distribution System:

This water portion of the Neighborhood Improvement Area #1 waterline improvements consists of constructing 8-inch water line, including associated and 8-inch gate valves. One-inch diameter water services will be provided to each of the 515 lots within Neighborhood Improvement Area #1. All associated waterline testing, trench safety and erosion protection during construction are included. These lines have been designed and constructed in accordance with Mustang Special Utility District (MSUD) standards and specifications and are owned and operated by MSUD. These lines include the necessary appurtenances to be fully operational transmission lines extending water service to the limits of Neighborhood Improvement Area #1 and all 515 lots within Neighborhood Improvement Area #1.

Neighborhood Improvement Area #1 Sanitary Sewer:

Neighborhood Improvement Area #1 wastewater improvements also include construction of 8" gravity sanitary sewer line that connects to the 10" gravity sewer main line. Construction includes connection at multiple points through concrete manholes. Services to individual lots are by 4" gravity sewer services. All lines have been designed and constructed in accordance with MSUD standards and specifications and are owned and operated by MSUD. These lines include the necessary appurtenances to be fully operational extending wastewater service to the limits of Neighborhood Improvement Area #1 and each of the 515 lots within Neighborhood Improvement Area #1.

Neighborhood Improvement Area #1 Storm Drainage:

The drainage portion of the Neighborhood Improvement Area #1 Improvements shall consist round concrete pipes, reinforced concrete boxes, inlets and rock riprap protection at outfalls. The main means of conveyance of storm drainage within Neighborhood Improvement Area #1 is within underground storm drainpipes. The roadway pavement section incorporates the use of curbs with integrated drainage inlets to control runoff and conveyance of storm-water throughout the drainage basins associated with Neighborhood Improvement Area #1. The system includes underground reinforced concrete pipe (RCP) with associated headwalls, safety end treatments, manholes and storm sewer energy dissipaters at the points of discharge. This project has been constructed to City standards and specifications and has been dedicated to the City to own and operate.

Neighborhood Improvement Area #1 Residential Streets:

Roadway improvements within Neighborhood Improvement Area #1 include construction of concrete pavement and pavement subgrade. Intersections, signage, lighting and re-vegetation of all disturbed areas within the right of way are included. These roadway improvements include streets that will provide street access to each lot within Neighborhood Improvement Area #1. All

roadway projects have been designed and constructed in accordance with City standards and specifications and has been dedicated to the City to own and operate These projects provide access to community roadways and state highways.

C. Descriptions and Costs of The Authorized Improvements that benefit Neighborhood Improvement Areas #2-5

The original plan for the PID anticipated the City as a customer of Upper Trinity Regional Water District (UTRWD) providing water to the properties in the PID. This plan has since changed and currently, the PID is being developed with Mustang Special Utility District ("MSUD") as its retail provider of water. The Major Improvements originally anticipated to be constructed and updates to the Major Improvements because of the change are described below:

The Neighborhood Improvement Areas #2-5 Major Improvements are described below and their Actual Costs are shown in Table III-A. The Neighborhood Improvement Areas #2-5 Major Improvement Bonds will only pay for Neighborhood Improvement Areas #2-5's share of the Major Improvements (approximately 79% except for the Offsite Sewer Improvements which are approximately 74%) as shown within Table III-A. The Actual Costs to construct the Major Improvements including the Off-Site Major Improvements is $11,520,649. The Actual Costs to construct the Neighborhood Improvement Areas #2-5 Major Improvements minus the Off-Site Sewer Major Improvements allocated to Neighborhood Improvement Areas #2-5 and as shown in Table V-B, is $10,611,272. The Actual Costs shown in Table III-A may be revised through Annual Service Plan Updates.

The Actual Costs for the Neighborhood Improvement Areas #2-5 Major Improvements are to be funded both from the proceeds of the Neighborhood Improvement Areas #2-5 Major Improvement Bonds as described herein and from funds contributed by the Developer.

1. Detention Ponds

Drainage System

Project shall consist of the construction of one (1) retention/detention pond, including excavation to a depth of 15-feet and the associated drainage improvements for each pond. Underground reinforced concrete storm sewer pipes, inlets and rock riprap protection at outfalls will also be installed at each pond. This project has been constructed according to City standards and specifications and is owned and operated by the City. The portion of these costs allocated to Neighborhood Improvement Areas #2-5 is $215,582.

Updates to the Drainage System Improvements:

According to Pettit Barazza, LLC (the "Project Engineer"), final design incorporated additional detention ponds, which are new projects. Storm drainage system associated with the detention ponds are included with these improvements and generally consists of reinforced concrete pipes and reinforced concrete boxes, along with headwalls and safety end treatments, erosion control such as riprap protection, and soil stabilization. The improvements were designed according to

City and the Texas Department of Transportation (TxDOT). The City maintains and operates the underground storm drainage system and the Homeowners' Association maintains and operates the detention ponds.

2. Paving

A. Road "A" Improvements

The Roadway 'A' portion of the project consists of the construction of approximately 240 linear feet of 6-inch thick, 36-foot wide, concrete pavement with curb and gutter and 3,280 linear feet of 6-inch thick, 44-foot wide, concrete pavement with curb and gutter. The concrete will be 3,600 pounds per square inch (psi) strength. 17,978 square yards (sy) of pavement sub-grade will be lime stabilized and compacted. Intersections, signage, lighting and re-vegetation of all disturbed areas within the right of way are included. This provides access from FM 1385 into the Sutton Fields Amenity Center and rest of the development.

B. Updates to the Roadway "A" Improvements:

According to the Project Engineer, Roadway "A" was renamed as Fenwick Trail. In addition, the final design includes 6-inch lime stabilization and 5-foot wide sidewalk and round concrete pipes are also included in the contracted quantities for Fenwick Trail improvements.

C. Road "F" Improvements

The Roadway 'F' portion of the project consists of the construction of 4 lanes divided concrete pavement with curb and gutter. The pavement sub-grade will be lime stabilized and compacted. Intersections, signage, lighting and re-vegetation of all disturbed areas within the right of way are included. This section is located within the project and provides north-south access to the entire development. The roadway improvements have constructed according to City standards.

D. Updates to the Roadway "F" Improvements:

The Project Engineer provided the following updates to the Roadway "F" Improvements:

The City required a second point of access for the current phases, which required the extension of Sutton Fields Boulevard to the north and partial construction of the intersection at Crutchfield Road. The southern end of Sutton Fields Boulevard was also extended to the end of the lots developed and platted with the current phases. 4-lane divided concrete pavement and 6-inch stabilized subgrade are currently under contract. The north and south extension of Sutton Fields Boulevard is a new project, not included in the initial list of Authorized Improvements for the PID and has been constructed according to City standards.

E. Road C1 – Crutchfield Road

The improvement of one-half (1/2) of Crutchfield Road (Road C1), from FM 1385 east to the intersection of Sutton Fields Boulevard, was required by the City as a second point of access to

the development through Sutton Fields Boulevard. The Roadway 'C1' portion of the project consists of the construction 4 lanes divided concrete pavement with curb and gutter. The pavement sub-grade will be lime stabilized and compacted. Intersections, signage, lighting and re-vegetation of all disturbed areas within the right of way are included. This section is located within the project and provides east-west access to the entire development. The improvement of Crutchfield Road is a new project that was not included in the initial list of Authorized Improvements for the PID and has been constructed according to City standards.

F. Road B – Boleyn Avenue

The City required the additional improvement of Boleyn Avenue as a condition of approval. The Roadway 'B' portion of the project consists of the construction of, 4 lanes divided concrete pavement with curb and gutter. The pavement sub-grade will be lime stabilized and compacted. Intersections, signage, lighting and re-vegetation of all disturbed areas within the right of way are included. This section is located within the project and provides a north access to the entire development. The construction of Boleyn Avenue is a new project that was not included in the initial list of Authorized Improvements for the PID and has been constructed according to City standards.

G. FM 1385

The FM 1385 roadway portion of the project consists of the construction left and right turn lanes within FM 1385 to enhance traffic turning movement in and out of the development. These improvements have been constructed to TX DOT, Denton County and City standards. These Improvements benefit the entire project.

H. Updates to the FM 1385 Improvements:

With the additional new project of Crutchfield Road (Road C1) Improvements by the City, an additional right turn lane was required. One (1) northbound right turn lane is being constructed at Fenwick Trail (Road A) and an additional one (1) northbound right turn lane at Crutchfield Road (Road C1) with the current phases. Both turn lanes consist of hot mix asphaltic concrete. The additional right turn lane is a new project that was not included in the initial list of Authorized Improvements for the PID.

As described above, MSUD continues to provide water and wastewater services to the properties in the PID, and holds the CCNs required for the PID.

Offsite Water

A. Water Distribution System

The City is a customer of the Upper Trinity Regional Water District ("UTRWD") and receives wholesale treated water through a major transmission line from the UTRWD Tom Harpool water treatment plant. Therefore, there are no water treatment plant upgrades required.

There is an existing 36-inch water transmission line located along the Western boundary of the project. The off-site improvements consist of constructing a new delivery point/ meter station, a 0.25 MG Ground Storage Tank, a 1.0 MG Elevated Storage Tank and a Pump Station with the required pumps to provide adequate pressure to the system. The combination of the Elevated and Ground Storage Tanks will provide the adequate storage capacity required by TCEQ and will also provide the required pressures for the entire system. Approximately 11,000 linear feet of 12-inch water line have been constructed as part of the water distribution system. All of the improvements benefit the Development. Additional waterline improvements include connection to the existing water-main, installation of associated 12-inch valves, fire hydrants, ductile iron fittings, erosion control, trench safety and testing. All water improvements have been constructed to City standards and specifications and all improvements are owned and operated by the City. These Improvements benefit Neighborhood Improvement Areas #2-5.

B. Updates to the Offsite Water Distribution System Improvements:

The original plan for the PID anticipated the City as a customer of Upper Trinity Regional Water District (UTRWD) providing water to the properties in the PID. This plan has since changed and currently, the PID is being developed with MSUD as its retail provider of water. The transition from UTRWD to MSUD resulted in the addition of 12-inch water lines along the future Tudor Place, and downsizing the proposed 12-inch water line along Fenwick Trail to an 8-inch water line. Also, a 12-inch water line was extended along the additional length of Sutton Fields Boulevard required by the City in conjunction with the current phase. The additional 12-inch water lines are new projects that were not included in the initial list of Authorized Improvements for the PID.

C. Elevated Storage Tank Engineering

Engineering for the Elevated Storage Tank would have started with NIA #1 to secure all necessary approvals, including TCEQ and the City. These Improvements would have benefitted the entire project.

The elevated storage tank is no longer required because of the transition from UTRWD to MSUD. As a result, the water distribution system was redesigned to accommodate the new points of connection and the elevated storage tank is no longer required for the PID.

3. Offsite Sewer

A. Sanitary Sewer

The City is a customer city of the Upper Trinity Regional Water District (UTRWD) and receives wastewater collection services by constructing a wastewater interceptor line and wastewater treatment services from the UTRWD collection point located at Parvin Road & Good Hope. UTRWD operates the Riverbend and Doe Creek wastewater treatment plants. The UTRWD treatment plant permit with the TCEQ has excess capacity to serve the Sutton Fields development. UTRWD is in the process of expanding both wastewater treatment plants.

This project consists of constructing 6-inch force main, associated lift station, 6,050 linear feet of 15-inch sanitary sewer gravity line, 1,250 linear feet of 12-inch sanitary sewer gravity line and 800 linear feet of 10-inch sanitary sewer gravity line generally flowing southeasterly along Parvin Road and connecting to the UTRWD collection point and Doe Creek/ Riverbend Wastewater Treatment Plants. Cutoff valves, air release valves have been constructed in accordance with City of Celina and TCEQ regulations. The gravity interceptor line has been designed to maintain the 3.0 fps minimum velocity. The line has been designed and constructed in accordance with the City's standards and specifications and is owned and operated by the City. The portion of the acquisition of this and other related costs allocated to Neighborhood Improvement Areas #2-3 is $909,377.

B. Updates to the Offsite Sanitary Sewer System Improvements:

The original plan for the PID anticipated the City as a customer of UTRWD providing wastewater collection services to the PID. This plan has since changed and currently, The PID has been developed with MSUD as its retail provider of wastewater collection services. As a result of this the transition from UTRWD to MSUD, the metering station at the UTRWD delivery point is no longer required because the offsite gravity sewer connects into an existing MSUD gravity line. The contracted quantities for the offsite sewer also includes gravity sanitary sewer mains from 8-inch to 24-inch diameters, along with a concrete encasement for crossing under Doe Creek, and removal and replacement of existing MSUD gravity lines to facilitate outfall. It also includes removal and replacement of existing fences.

4. Right of Way, Open Space, and Civic Site Land

Upon closing of the PID Bonds corresponding to the development of a certain number of lots, the City has paid a certain amount for the acquisition of the right-of-way, open space and civic site land comprising approximately 71.3 acres.

V. ASSESSMENT PLAN

A. INTRODUCTION

The PID Act requires the City Council to apportion the cost of the Authorized Improvements based on the special benefits conferred to each Parcel resulting from the Authorized Improvements. The PID Act provides that the costs of certain Authorized Improvements may be assessed: (i) equally per front foot or square foot; (ii) according to the value of the property as determined by the governing body, with or without regard to improvements on the property; or (iii) in any other manner that results in imposing equal shares of the cost on property similarly benefited. The PID Act further provides that the governing body may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the municipality and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

The City Council has determined that funding the Actual Costs through the PID is beneficial to the City. The Authorized Improvements result in a special benefit to the Assessed Property, and such special benefit exceeds the amount of the Assessment. This conclusion is supported by the information provided to the City Council regarding the PID.

The proposed bond issuance program entails a series of PID Bond financings that are intended to finance the Authorized Improvements required for the Project. This financing will necessarily be undertaken in phases to coincide with the private investment and development of the Authorized Improvements. Following the initial Neighborhood Improvement Area #1 Bonds and the Neighborhood Improvement Areas #2-5 Major Improvement Bonds issued in 2015, the Neighborhood Improvement Areas #2-3 Bonds were issued in 2019, the Neighborhood Improvement Area #4 Bonds were issued in 2020, and the Neighborhood Improvement Area #5 Bonds were issued in 2022. This Service and Assessment Plan is being updated to provide for the Neighborhood Improvement Areas #2-5 Major Improvement Refunding Bonds and the Neighborhood Improvement Area #1 Refunding Bonds being issued in 2024.

The purpose of this gradual issuance of PID Bonds is to mirror the actual private development of the Authorized Improvements. The PID Bonds to be issued are most prudently and efficiently utilized when directly coinciding with construction of public infrastructure needed for private development that is to occur once the infrastructure is completed; it is most effective to issue the PID Bonds when the infrastructure is needed, not before. Furthermore, there is no economic advantage, and several disadvantages to issuing debt and encumbering property within the PID prior to the need for the Authorized Improvements.

Additionally, phased issuance of debt will maintain a prudent value to lien ("VtL") within the financing program. In order to maintain a prudent VtL, the initial issuance of PID Bonds for a specific set of Authorized Improvements may not fund the entire desired level of public infrastructure because the property value is not high enough to support the entire debt load at the VtL chosen for the development. In that case, the Developer will need to fund the additional infrastructure costs with cash at closing. This cash investment by the Developer for certain Authorized Improvements can be reimbursed by a subsequent parity lien bond financing, secured

by the same assessments, once the assessed property is partially or fully developed and the value has increased sufficiently to permit the issuance of the additional bonds in a prudent fashion.

The Developer has acknowledged that the Authorized Improvements confer a special benefit on the Assessed Property and consented to the imposition of the Assessments to pay for the Actual Costs associated therewith. The Developer has ratified, confirmed, accepted, agreed to and approved: (i) the determinations and findings by the City Council as to the special benefits described herein and the Assessment Ordinance; (ii) the SAP and the Assessment Ordinance, and (iii) the levying of Assessments on the Assessed Property.

K. Annual Assessment Roll Updates

The Administrator shall prepare, and shall submit to the City Council for approval, updates to the Assessment Rolls and the Annual Service Plan Update to reflect changes such as (i) the identification of each Parcel or Lot (ii) the Assessment for each Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VII.G of this Service and Assessment Plan.

The Service and Assessment Plan Update shall reflect the actual interest on the PID Bonds on which the Annual Installments shall be paid, any reduction in the Assessments, and any revisions in the Actual Costs to be funded by the PID Bonds and Developer funds.

L. Assessments and Annual Installments

The Assessments have been levied on each Parcel or Lot according to the Assessment Rolls. The Annual Installments of the Assessments will be collected on the dates and in the amounts shown on the Assessment Rolls, subject to any revisions made during an Annual Service Plan Update.

M. Administrative Expenses

The cost of administering the PID and collecting the Annual Installments shall be paid for on a pro rata basis by each Parcel or Lot based on the amount of outstanding Assessment remaining on the Parcel or Lot. The Administrative Expenses shall be collected as part of and in the same manner as Annual Installments in the amounts shown on the Assessment Roll, which will be revised based on actual costs incurred in Annual Service Plan Updates. Administrative Expenses collected and not expended for actual Administrative Expenses shall be carried forward and applied to reduce Administrative Expenses in subsequent years to avoid the over-collection of Administration Expenses.

N. Additional Interest Rate

Pursuant to the PID Act, the interest rate for Assessments which secure a series of PID Bonds, may exceed the actual interest rate per annum paid on the PID Bonds by no more than one half of one percent (0.50%). Funds generated by the Additional Interest Rate, if any, related to a series of PID Bonds are held in the Additional Interest Reserve held under the respective Indenture for such series of PID Bonds, which may be used to fund the associated interest charged between the date of prepayment of an Assessment and the date on which the related PID Bonds are redeemed, to offset any possible delinquent payments as provided for in the applicable Indenture.

With respect to the Neighborhood Improvement Areas #2-3 Bonds, Neighborhood Improvement Area #4 Bonds, and Neighborhood Improvement Area #5 Bonds, this Additional Interest Reserve shall be funded each year from Additional Interest collected, if any, up to 5.5% of the par amount of the respective series of PID Bonds. If in a given year the Additional Interest Reserve is fully funded at 5.5% of the par amount of the applicable series of PID Bonds, the City shall not collect the Additional Interest Rate in such year. However, in the event such amount is reduced below the required reserve, the City shall resume collecting the Additional Interest Rate as set forth in the applicable Indenture.

With respect to the Neighborhood Improvement Area #1 Refunding Bonds and the Neighborhood Improvement Areas #2-5 Major Improvement Refunding Bonds, the respective Additional Interest Reserve shall be initially funded up to an amount set forth in each respective Indenture from available funds. Following the issuance of the Neighborhood Improvement Area #1 Refunding Bonds and the Neighborhood Improvement Areas #2-5 Major Improvement Refunding Bonds, in the event the amount deposited into the Additional Interest Reserve should drop below the established reserve, the City shall resume collecting the Additional Interest as set forth in the applicable Indenture.

O. TIRZ Credit

The City has agreed to use TIRZ Revenues from TIRZ No. 4 generated from property within Neighborhood Improvement Area #1 Assessed Property to offset a portion of the Annual Installment on the Neighborhood Improvement Area #1 Assessed Property and has agreed to use TIRZ Revenues from TIRZ No. 8 generated from property within Neighborhood Improvement Areas #2-5 Major Improvements Assessed Property to offset a portion of the Annual Installment

on the Neighborhood Improvement Areas #2-5 Major Improvements Assessed Property, respectively (the "TIRZ Credit"). The Annual Installment for each Parcel shall be calculated by taking into consideration any TIRZ Credit applicable to the Parcel.

P. INCORPORATION BY REFERENCE

F. Reallocation of Assessments for Parcels Located Within the PID

1. Upon Division Prior to Recording of Subdivision Plat

Upon the division of any Assessed Property (without the recording of subdivision plat), the Administrator shall reallocate the Assessment for the Assessed Property prior to the division among the newly divided Assessed Properties according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for the new divided Assessed Property
B = the Assessment for the Assessed Property prior to division
C = the estimated As-Built Assessed Value of the new divided Assessed Property
D = the sum of the As-Built Assessed Value for all of the new divided Assessed Properties

The calculation of the As-Built Assessed Value of an Assessed Property shall be performed by the Administrator based on information from the City, the Developer, third party consultants, the Official Public Records of Denton County, Texas, and any other relevant source of information regarding the Assessed Property. The calculation as confirmed by the City Council shall be conclusive.

The sum of the Assessments for all newly divided Assessed Properties shall equal the Assessment for the Assessed Property prior to subdivision. The calculation shall be made separately for each newly divided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this Service and Assessment Plan approved by the City Council.

2. Upon Subdivision by a Recorded Subdivision Plat

Upon the subdivision of any Assessed Property based on a recorded Subdivision Plat, the Administrator shall reallocate the Assessment for the Assessed Property prior to the subdivision among the new subdivided Lots according to the following formula:

$$A = [B \times (C \div D)]/E$$

Where the terms have the following meanings:

A = the Assessment for the new subdivided Lot
B = the Assessment for the Parcel prior to subdivision
C = the sum of the estimated As-Built Assessed Value of all new subdivided Lots with same Lot Type
D = the sum of the estimated As-Built Assessed Value for all of the new subdivided Lots excluding Non-Benefitted Property
E = the number of Lots with same Lot Type

Prior to the recording of a subdivision plat, the Developer shall provide the City an estimated As-Built Assessed Value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat considering factors such as density, lot size, proximity to amenities, view premiums, location, market conditions, historical sales, discussions with homebuilders, and any other factors that may impact future as-built Lot value and any other information available to the Developer. The calculation of the estimated As-Built Lot value for a Lot shall be performed by the Administrator and confirmed by the City Council based on information provided by the Developer, homebuilders, third party consultants, and/or the Official Public Records of Denton County, Texas regarding the Lot.

The sum of the Assessments for all newly subdivided Lots shall not exceed the Assessment for the portion of the Assessed Property subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this Service and Assessment Plan approved by the City Council.

3. Upon Consolidation

Upon the consolidation of two or more Parcels, the Assessment for the consolidated Parcel shall be the sum of the Assessments for the Parcels prior to consolidation. The reallocation of

an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the consolidation of the Parcels. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

G. Mandatory Prepayment of Assessments

1. If a Parcel subject to Assessments is transferred to a party that is exempt from the payment of the Assessment under applicable law, or if an owner causes a Parcel subject to Assessments to become Non-Benefited Property, the transferring party of such Parcel shall pay to the City the full amount of the principal portion of the Assessment on such Parcel, plus all Prepayment Costs, prior to any such transfer or act.

2. The payments required above shall be treated the same as any Assessment that is due and owing under the Act, the Assessment Ordinance, and this Service and Assessment Plan, including the same lien priority, penalties, procedures, and foreclosure specified by the Act.

H. Reduction of Assessments

1. If after all Authorized Improvements to be funded with a series of PID Bonds have been completed and Actual Costs for such Authorized Improvements are less than the Actual Costs used to calculate the Assessments securing such series of PID Bonds, resulting in excess Bond proceeds being available to redeem Bonds of such series, then the Assessment securing such series of PID Bonds for each Parcel of Assessed Property shall be reduced by the City Council such that the sum of the resulting reduced Assessments for all Assessed Properties equals the actual reduced Actual Costs and such excess Bond proceeds shall applied to redeem Bonds of such series or as described in the applicable Indenture. The Assessments shall not be reduced to an amount less than the related outstanding series of PID Bonds. If all of the Authorized Improvements are not completed, the City may reduce the Assessments in another method if it determines such method would better reflect the benefit received by the Parcels from the Authorized Improvements completed.

2. If all the Authorized Improvements are not undertaken, resulting in excess PID Bond proceeds being available to redeem PID Bonds, then the Assessments and Annual Installments for each Parcel shall be appropriately reduced by the City Council to reflect only the amounts required to repay the PID Bonds, including interest on the PID Bonds and Administrative Expenses, and such excess Bond proceeds shall be applied to redeem Bonds or as described in the applicable Indenture. The City Council may reduce the Assessments and the Annual Installments for each Parcel (i) in an amount that represents the Authorized Improvements provided for each Parcel or (ii) by an equal percentage calculated based on estimated build out value of each Parcel or Lot, if determined by the City Council to be the most fair and practical means of reducing the Assessments for each Parcel, such that the sum of the resulting reduced

Assessments equals the amount required to repay the PID Bonds, including interest on the PID Bonds and Administrative Expenses. The principal portion of the Assessment for each Parcel shall be reduced to the reduction in the Assessments for each Parcel such that the sum of the resulting reduced principal portion of the PID Bonds is equal to the outstanding principal amount of the PID Bonds.

3. If after all Authorized Improvements to be funded with a series of PID Bonds have been completed and the Actual Costs for the Authorized Improvements are less than the Budgeted Costs used to calculate the Assessments securing the PID Bonds, resulting in excess Bond proceeds, then the City Council may reduce the Assessment securing the PID Bonds for each Assessed Property such that the sum of the resulting reduced Assessments for all Assessed Properties equals the reduced Actual Costs. The Assessments shall not be reduced to an amount less than the related outstanding series of PID Bonds.

4. Similarly, if the City does not undertake some of the Authorized Improvements with the PID Bonds then the City Council may reduce the Assessment securing the PID Bonds for each Assessed Property to reflect only the Actual Costs that were expended. The Assessments shall not be reduced to an amount less than the related outstanding series of PID Bonds.

5. The City Council may apply excess PID Bond proceeds to the redemption of the respective PID Bonds or as described in the applicable Indenture.

I. PAYMENT OF ASSESSMENTS

1. Payment in Full

(a) The Assessment for any Parcel may be paid in full at any time in accordance the PID Act. The Payment shall include all Prepayment Costs. If prepayment in full will result in redemption of PID Bonds, the payment amount shall be reduced from any proceeds from the Debt Service Reserve Fund applied to the redemption pursuant to the Indenture, net of any other costs applicable to the redemption of PID Bonds.

(b) If an Annual Installment has been billed prior to payment in full of an Assessment, the Annual Installment shall be due and payable and shall be credited against the payment-in-full amount upon payment.

(c) Upon payment in full of an Assessment and all Prepayment Costs, the City shall deposit the payment in accordance with the related Indenture; whereupon, the Assessment shall be reduced to zero, and the owner's obligation to pay the Assessment and Annual Installments thereof shall automatically terminate. The City shall provide the owner of the affected Assessed Property a recordable "Notice of PID Assessment Termination."

(d) At the option of the Parcel owner, the Assessment on any Parcel may be paid in

part in an amount equal to the amount of prepaid Assessments plus Prepayment Costs with respect thereto. Upon the payment of such amount for a Parcel, the Assessment for the Parcel shall be reduced, the Assessment Roll shall be updated to reflect such partial payment, and the obligation to pay the Annual Installment for such Parcel shall be reduced to the extent the partial payment is made. The partial Assessment payment will be used to redeem the bonds.

2. Payment of Annual Installments

The Act provides that an Assessment for a Parcel may be paid in full at any time. If not paid in full, the Act authorizes the City to collect interest and collection costs on the outstanding Assessment. An Annual Installment for a Parcel that is not paid in full will be collected in Annual Installments each year in the amounts shown in the Assessment Roll, which includes interest on the outstanding Assessment and Administrative Expenses.

The Annual Installments as listed on the Assessment Rolls for Neighborhood Improvement Area #1 in Appendix E and Neighborhood Improvement Areas #2-5 in Appendix F have been calculated using an estimated interest rate on the Neighborhood Improvement Area #1 Refunding Bonds of 5.00% and an estimated interest rate on the Neighborhood Improvement Areas #2-5 Major Improvement Refunding Bonds of 5.375% for years 1 through 9 (2024-2033) and 5.875% for years 10 through 16 (2034-2040), respectively.

The Annual Installments as listed on the Assessment Rolls for Neighborhood Improvement Area #2 in Appendix G and Neighborhood Improvement Areas #3 in Appendix H have been calculated using an interest rate of 4.125% for the Neighborhood Improvement Area #2-3 Bonds maturing through 2039 and an interest rate of 4.250% for the Neighborhood Improvement Area #2-3 Bonds maturing after 2039.

The Annual Installments as listed on the Assessment Rolls for Neighborhood Improvement Area #4 in Appendix I have been calculated using an interest rate of 4.125% for the Neighborhood Improvement Area #4 Bonds.

The Annual Installments as listed on the Assessment Rolls for Neighborhood Improvement Area #5A and Neighborhood Improvement Area #5B in Appendix J (including Appendix J-1, Appendix J-2, and Appendix J-3) have been calculated using an interest rate of 2.875% in years 1 through 6 (2022-2027), 3.25% in years 7 through 11 (2028-2032), 3.50% in years 12 through 21 (2033-2042), and 4.00% in years 22 through 30 (2043-2051) on the Neighborhood Improvement Area #5 Bonds.

The Annual Installments shall be reduced to equal the actual costs of repaying the PID Bonds and actual Administrative Expenses (as provided for in the definition of such term), taking into consideration any other available funds for these costs, such as interest income on account balances. If additional Assessments are levied on the Project by the City, the Annual Installments will be adjusted to reflect the changes.

The City reserves and shall have the right and option to refund the PID Bonds in accordance with Section 372.027 of the PID Act. In the event of such refunding, the Administrator shall recalculate the Annual Installments, and if necessary, may adjust, or decrease, the amount of the Annual Installment so that total Annual Installments of Assessments will be produced in annual amounts that are required to pay the refunding PID Bonds when due and payable as required by and established in the ordinance and/or the indenture authorizing and securing the refunding PID Bonds, and such refunding PID Bonds shall constitute "PID Bonds" for purposes of this Service and Assessment Plan.

J. COLLECTION OF ANNUAL INSTALLMENTS

The Administrator shall, no less frequently than annually, prepare and submit to the City Council for its approval, an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include updated Assessment Rolls and a calculation of the Annual Installment for each Assessed Property. Administrative Expenses shall be allocated among Assessed Properties in proportion to the amount of the Annual Installments for the Assessed Property. Each Annual Installment shall be reduced by any credits applied under the Indenture, such as capitalized interest, interest earnings on any account balances, and any other funds available to the Trustee for such purpose, and existing deposits for an additional interest reserve. Annual Installments may be collected by the City (or such entity to whom the City directs) in the same manner and at the same time as ad valorem taxes. Annual Installments shall be subject to the penalties, procedures, and foreclosure sale in case of delinquencies in the same manner and at the same time as ad valorem taxes. The City Council may provide for other means of collecting the Annual Installments to the extent permitted under the PID Act. The Assessments shall have lien priority as specified in the PID Act.

Any sale of Assessed Property for nonpayment of the delinquent Annual Installments shall be subject to the lien established for the remaining unpaid Annual Installments against such Assessed Property and such Assessed Property may again be sold at a judicial foreclosure sale if the purchaser thereof fails to make timely payment of the non-delinquent Annual Installments against such Assessed Property as they become due and payable.

Each Annual Installment, including the interest on the unpaid amount of an Assessment, shall be calculated each September 1 and assessed annually. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of the following year.

Each Annual Installment for the Neighborhood Improvement Area #2 Assessments, including the interest on the unpaid amount of an Assessment, shall be assessed annually. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of each year following the commencement of collection of the Neighborhood Improvement Area #2 Annual Installments. Collection of the Annual Installment for the Neighborhood Improvement Area #2 Assessments commenced as of September 1, 2019.

Each Annual Installment for the Neighborhood Improvement Area #3 Assessments, including the interest on the unpaid amount of an Assessment, shall be assessed annually. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of each

year following the commencement of collection of the Neighborhood Improvement Area #3 Annual Installments. Collection of the Annual Installment for the Neighborhood Improvement Area #3 Assessments commenced with the issuance of the Neighborhood Improvement Areas #2-3 Bonds.

Each Annual Installment for the Neighborhood Improvement Area #4 Assessments, including the interest on the unpaid amount of an Assessment, shall be assessed annually. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of each year following the commencement of collection of the Neighborhood Improvement Area #4 Annual Installments. Collection of the Annual Installment for the Neighborhood Improvement Area #4 Assessments commenced with the issuance of the Neighborhood Improvement Area #4 Bonds.

Each Annual Installment for the Neighborhood Improvement Area #5A Assessments and the Neighborhood Improvement Area #5B Assessments including the interest on the unpaid amount of an Assessment shall begin with the issuance of Neighborhood Improvement Area #5 Bonds and be assessed annually thereafter. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of each year following the commencement of collection of the Neighborhood Improvement Area #5A Annual Installments and the Neighborhood Improvement Area #5B Annual Installments. Collection of the Annual Installment for the Neighborhood Improvement Area #5A Assessments and Neighborhood Improvement Area #5B Assessments shall commence with the issuance of the Neighborhood Improvement Area #5 Bonds.

VIII. MISCELLANEOUS PROVISIONS

A. ADMINISTRATIVE REVIEW

The City may elect to designate a third party to serve as Administrator of the PID. The City shall notify Developer in writing at least thirty (30) days in advance before appointing a third-party Administrator.

To the extent consistent with the PID Act, an owner of an Assessed Property claiming that a calculation error has been made in the Assessment Roll, including the calculation of the Annual Installment, must send a written notice describing the error to the City no later than thirty (30) days after the date any amount which is alleged to be incorrect is due prior to seeking any other remedy. If an owner fails to give such notice, such owner shall be deemed to have accepted the calculation of the Assessment Rolls (including the Annual Installments) and to have waived any objection to the calculation. The Administrator shall promptly review the notice, and if necessary, meet with the Assessed Property owner, consider written and oral evidence regarding the alleged error and decide whether, in fact, such a calculation error occurred.

If the Administrator determines that a calculation error has been made and the Assessment Rolls should be modified or changed in favor of the Assessed Property owner, such change or modification shall be presented to the City Council for approval, to the extent permitted by the PID Act. A cash refund may not be made for any amount previously paid by the Assessed Property owner (except for the final year during which the Annual Installment shall be collected), but an adjustment may be made in the amount of the Annual Installment to be paid in the following year. The decision of the Administrator regarding a calculation error relating to the Assessment Rolls may be appealed to the City Council. Any amendments made to the Assessment Rolls pursuant to calculation errors shall be made pursuant to the PID Act.

B. TERMINATION OF ASSESSMENTS

Each Assessment shall terminate on the date the Assessment is paid in full, including payment of any unpaid Annual Installments and Delinquent Collection Costs, if any. After the termination of the Assessment, and the collection of any delinquent Annual Installments and Delinquent Collection Costs, the City shall provide the owner of the affected Parcel a recordable "Notice of the PID Assessment Termination."

C. AMENDMENTS

Amendments to the Service and Assessment Plan can be made as permitted or required by the PID Act and under Texas law.

D. ADMINISTRATION AND INTERPRETATION OF PROVISIONS

The City Council shall administer (or cause the administration of) the PID, this SAP, and all Annual Service Plan Updates consistent with the PID Act, unless stated otherwise herein or in the Indenture, such determination shall be conclusive.

E. SEVERABILITY

If any provision, section, subsection, sentence, clause or phrase of this Service and Assessment Plan, or the application of same to an Assessed Property or any person or set of circumstances is for any reason held to be unconstitutional, void or invalid, the validity of the remaining portions of this Service and Assessment Plan or the application to other persons or sets of circumstances shall not be affected thereby, it being the intent of the City Council in adopting this Service and Assessment Plan that no part thereof, or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness or invalidity of any other part hereof, and all provisions of this Service and Assessment Plan are declared to be severable for that purpose.

If any provision of this Service and Assessment Plan is determined by a court to be unenforceable, the unenforceable provision shall be deleted from this Service and Assessment Plan and the unenforceable provision shall, to the extent possible, be rewritten to be enforceable and to give effect to the intent of the City.

Re:	Sutton Fields II Major Improvement Area ("MIA") PID Bond Refunding

Action Requested:
Consider and act upon an ordinance of the City of Celina, Texas, approving and authorizing the issuance and sale of the City of Celina, Texas, Special Assessment Revenue Refunding Bonds, Series 2024 (Sutton Fields II Public Improvement District Major Improvement Area Project); calling for redemption certain currently outstanding bonds; approving and authorizing related agreements and an updated service and assessment plan; and providing an effective date. (Stovall)

Background Information:
In 2015, the City issued $16,825,000 Sutton Fields II Major improvement Area ("MIA") Bonds for the Sutton Fields II Public Improvement District ("SF PID"). Due to favorable market conditions and improved credit metrics of the SF PID, the City can refund ("refinance") the previously issued MIA bonds for debt service savings that will be realized by the residents residing in this area.

The MIA has 1,839 lots with 1,356 completed homes (as of March 2024), representing 74% of the entire MIA development. Sutton Fields II MIA has an approximate 99% PID assessment collection rate.

The MIA bonds are currently outstanding at an 8.25% interest rate, and the 2024 MIA refunding has a projected average interest rate of 6.15%, based on current market conditions. The 2024 MIA refunding is projected to produce approximately $4.2 million of total debt service savings, or approximately $260,000, on average, from 2025-2040.

The Sutton Fields II MIA refunding will not extend the final maturity of the original bonds, and the par amount of the new debt is expected to be slightly less than the current outstanding bonds

which reduces the lien on each parcel. Pricing for the refunding is currently scheduled to occur on Tuesday, August 13th. Final pricing will be presented to the Council on that evening for their consideration. An updated Ordinance will also be provided after the pricing is completed.

This item has been reviewed by bond counsel.

Provided, however, if the City or its assigns shall well and truly pay, or cause to be paid, the principal or redemption price of and the interest on all the Bonds at the times and in the manner stated in the Bonds, according to the true intent and meaning thereof, then this Indenture and the rights hereby granted shall cease, terminate and be void; otherwise this Indenture is to be and shall remain in full force and effect.

Section 3.8. Cancellation.

All Bonds paid or redeemed before scheduled maturity in accordance with this Indenture, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance with this Indenture, shall be cancelled, and proper records shall be made regarding such payment, redemption, exchange, or replacement. The Paying Agent/Registrar shall dispose of cancelled Bonds in accordance with the records retention requirements of the Trustee.

Section 3.9. Temporary Bonds.

(a) Following the delivery and registration of the Initial Bond and pending the preparation of definitive Bonds, the proper officers of the City may execute and, upon the City's request, the Trustee shall authenticate and deliver, one or more temporary Bonds that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any denomination, substantially of the tenor of the definitive Bonds in lieu of which they are delivered, without coupons, and with such appropriate insertions, omissions, substitutions and other variations as the officers of the City executing such temporary Bonds may determine, as evidenced by their signing of such temporary Bonds.

(b) Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the benefit and security of this Indenture.

(c) The City, without unreasonable delay, shall prepare, execute and deliver to the Trustee the Bonds in definitive form; thereupon, upon the presentation and surrender of the Bond or Bonds in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall cancel the Bonds in temporary form and the Trustee shall authenticate and deliver in exchange therefor a Bond or Bonds of the same maturity and series, in definitive form, in the Authorized Denomination, and in the same aggregate principal amount, as the Bond or Bonds in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

Section 3.10. Replacement Bonds.

(a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Bond, the Trustee shall authenticate and deliver in exchange therefor a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding. The City or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum

sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Trustee, pursuant to the Applicable Laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond of like tenor and principal amount bearing a number not contemporaneously outstanding, provided that the Owner first complies with the following requirements:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar and the Trustee to save them and the City harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Trustee and the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the City and the Trustee.

(c) After the delivery of such replacement Bond, if a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the City and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the Person to whom it was delivered or any Person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost, or expense incurred by the City, the Paying Agent/Registrar or the Trustee in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond, may pay such Bond if it has become due and payable or may pay such Bond when it becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the City and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Section 3.11. Book-Entry Only System.

The Bonds shall initially be issued in book-entry-only form and shall be deposited with DTC, which is hereby appointed to act as the securities depository therefor, in accordance with the letter of representations from the City to DTC. On the Closing Date the definitive Bonds shall be issued in the form of a single typewritten certificate for each maturity thereof registered in the name of Cede & Co., as nominee for DTC.

With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the City, the Trustee and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any Person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the City, the Trustee and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other Person, other than an Owner, as shown on the Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other Person, other than an Owner, as shown in the Register of any amount with respect to principal of, premium, if any, or interest on the Bonds. Notwithstanding any other provision of this Indenture to the contrary, the City, the Trustee and the Paying Agent/Registrar shall be entitled to treat and consider the Person in whose name each Bond is registered in the Register as the absolute owner of such Bond for the purpose of payment of principal of, premium, if any, and interest on Bonds, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Owners as shown in the Register, as provided in this Indenture, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No Person other than an Owner, as shown in the Register, shall receive a Bond certificate evidencing the obligation of the City to make payments of amounts due pursuant to this Indenture. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Indenture with respect to interest checks or drafts being mailed to the registered owner at the close of business on the relevant Record Date, the word "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

Section 3.12. Successor Securities Depository: Transfer Outside Book-Entry-Only System.

In the event that the City determines that DTC is incapable of discharging its responsibilities described herein and in the letter of representations from the City to DTC, the City shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository; or (ii) notify DTC and DTC Participants of the availability through DTC of certificated Bonds and cause the Paying Agent/Registrar to transfer one or more separate registered Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Indenture.

Section 3.13. Payments to Cede & Co.

Notwithstanding any other provision of this Indenture to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bonds, and all notices with respect to such Bonds shall be made and given, respectively, in the manner provided in the rules and procedures of DTC or in the blanket letter of representations from the City to DTC.

(b) At least 45 days prior to each mandatory sinking fund redemption date, and subject to any prior reduction authorized by subparagraphs (c) and (d) of this Section, the Trustee shall select a principal amount of Bonds of such maturity equal to the Sinking Fund Installment amount of such Bonds to be redeemed, in accordance with Section 4.5(b), shall call such Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption, as provided in Section 4.6.

(c) The principal amount of Bonds of a Stated Maturity required to be redeemed on any mandatory sinking fund redemption date pursuant to subparagraph (a) of this Section 4.2 shall be reduced, at the option of the City, by the principal amount of any Bonds of such maturity which, at least 45 days prior to the mandatory sinking fund redemption date shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued and unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation.

(d) The principal amount of Bonds required to be redeemed on any mandatory sinking fund redemption date pursuant to subparagraph (a) of this Section 4.2 shall be reduced on a pro rata basis among Sinking Fund Installments by the principal amount of any Bonds which, at least 45 days prior to the mandatory sinking fund redemption date, shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption.

Section 4.3. Optional Redemption.

The City reserves the right and option to redeem the Bonds maturing on or after September 1, 20___, before their respective scheduled maturity dates, in whole or in part, on any date on or after September 1, 20___, such redemption date or dates to be fixed by the City, at the Redemption Price.

Section 4.4. Extraordinary Optional Redemption.

Notwithstanding any provision in this Indenture to the contrary, the City reserves the right and option to redeem Bonds before their respective scheduled maturity dates, in whole or in part and in an amount and on any date specified in a City Certificate, at the Redemption Price of such Bonds, or portions thereof, to be redeemed plus accrued interest to the date of redemption from amounts on deposit in the Redemption Fund as a result of Prepayments (including related transfers to the Redemption Fund made pursuant to the terms of this Indenture) or any other transfers to the Redemption Fund under the terms of this Indenture.

Section 4.5. Partial Redemption.

(a) If less than all of the Bonds are to be redeemed pursuant to Sections 4.2, 4.3, or 4.4, Bonds shall be redeemed in minimum principal amounts of $1,000 or any integral multiple thereof. Each Bond shall be treated as representing the number of Bonds that is obtained by dividing the principal amount of such Bond by $1,000. No redemption shall result in a Bond in a denomination of less than the Authorized Denomination in effect at that time; provided, however, if the amount of the Outstanding Bond is less than an Authorized Denomination after giving effect to such partial redemption, a Bond in the principal amount equal to the unredeemed portion may be issued.

(b) In selecting the Bonds to be redeemed pursuant to Section 4.2, the Trustee may select Bonds in any method that results in a random selection.

(c) In selecting the Bonds to be redeemed pursuant to Section 4.3, the Trustee may rely on the directions provided in a City Certificate.

(d) If less than all of the Bonds are called for extraordinary optional redemption pursuant to Section 4.4 hereof, the Bonds or portion of a Bond, as applicable, to be redeemed shall be selected in the following manner:

(i) with respect to a Substantial Amount Redemption, the principal amount called for redemption shall be allocated on a pro-rata basis among all Outstanding Bonds; and

(ii) with respect to a Minor Amount Redemption, the Outstanding Bonds or Bond, as applicable, shall be redeemed in the inverse order of maturity.

(e) Upon surrender of any Bond for redemption in part, the Trustee in accordance with Section 3.7 of this Indenture, shall authenticate and deliver an exchange Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered, such exchange being without charge.

Section 4.6. Notice of Redemption to Owners.

(a) The Trustee shall give notice of any redemption of Bonds by sending notice by United States mail, first-class, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond or portion thereof to be redeemed, at the address shown in the Register. So long as the Bonds are in book-entry-only form and held by DTC as the securities depository, Owner means Cede & Co., as nominee for DTC.

(b) The notice shall state the redemption date, the Redemption Price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, and subject to Section 4.5 hereof, an identification of the Bonds or portions thereof to be redeemed, any conditions to such redemption and that on the redemption date, if all conditions, if any, to such redemption have been satisfied, such Bond shall become due and payable.

(c) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

(d) The City has the right to rescind any optional redemption or extraordinary optional redemption described in Section 4.3 or 4.4 by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under the Indenture. The Trustee shall mail notice of rescission of redemption in the same manner notice of redemption was originally provided.

(e) With respect to any optional redemption or extraordinary optional redemption of the Bonds, unless the Trustee has received funds sufficient to pay the Redemption Price of the Bonds to be redeemed before giving of a notice of redemption, the notice may state that the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption are not satisfied and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

Section 4.7. Payment Upon Redemption.

(a) The Trustee shall make provision for the payment of the Bonds to be redeemed on such date by setting aside and holding in trust an amount from the Redemption Fund or otherwise received by the Trustee from the City and shall use such funds solely for the purpose of paying the Redemption Price on the Bonds being redeemed.

(b) Upon presentation and surrender of any Bond called for redemption at the Designated Payment/Transfer Office on or after the date fixed for redemption, the Paying Agent/Registrar shall pay the Redemption Price on such Bond to the date of redemption from the moneys set aside for such purpose.

Section 4.8. Effect of Redemption.

Notice of redemption having been given as provided in Section 4.6 of this Indenture, the Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption provided that funds for the payment of the Redemption Price are on deposit with the Trustee; thereafter, such Bonds or portions thereof shall cease to bear interest from and after the date fixed for redemption, whether or not such Bonds are presented and surrendered for payment on such date.

ARTICLE V

Section 5.2. CUSIP Registration.

The City may secure identification numbers through the CUSIP Services managed by S&P Global Market Intelligence on behalf of The American Bankers Association, New York, New York, and may authorize the printing of such numbers on the face of the Bonds. It is expressly provided, however, that the presence or absence of CUSIP numbers on the Bonds shall be of no significance or effect as regards the legality thereof and neither the City, the Trustee or the attorneys approving said Bonds as to legality are to be held responsible for CUSIP numbers incorrectly printed on the Bonds. The Trustee may include in any redemption notice a statement to the effect that the CUSIP numbers on the Bonds have been assigned by an independent service and are included in such notice solely for the convenience of the Owners of the Bonds and that neither the City nor the Trustee shall be liable for any inaccuracies of such numbers.

Section 5.3. Legal Opinion.

The approving legal opinion of Bond Counsel may be printed on or attached to each Bond over the certification of the City Secretary of the City, which may be executed in facsimile.

(e) The Trustee may, from time to time, upon written direction from the City pursuant to a City Certificate, create additional Funds or Accounts hereunder as may be necessary for the receipt and application of the Assessment Revenues, to facilitate the payment or redemption of the Bonds.

Section 6.2. Initial Deposits to Funds and Accounts.

(a) The proceeds from the sale of the Bonds in the amount of $_____, and moneys transferred from accounts previously created in the indenture authorizing the Refunded Bonds in an amount of $_____ shall be paid to the Trustee and deposited or transferred by the Trustee as follows:

(a) On or before February 15 of each year while the Bonds are Outstanding and beginning February 15, 2025, the City shall deposit or cause to be deposited the Pledged Revenues into the Pledged Revenue Fund. From amounts deposited to the Pledged Revenue Fund, the City shall deposit or cause to be deposited the Pledged Revenues as follows: (i) first, to the Bond Pledged Revenue Account of the Pledged Revenue Fund in an amount sufficient to pay debt service on the Bonds next coming due in such calendar year, (ii) second, to the Reserve Account of the Reserve Fund in an amount to cause the amount in the Reserve Account to equal the Reserve Account Requirement in accordance with Section 6.7 hereof, (iii) third, to the Additional Interest Reserve Account in an amount equal to the Additional Interest collected, if any, in accordance with Section 6.7(b) hereof, and (iv) fourth, to pay other costs permitted by the PID Act.

(b) From time to time as needed to pay the obligations relating to the Bonds, but no later than five (5) Business Days before each Interest Payment Date, the Trustee shall withdraw from the Bond Pledged Revenue Account of the Pledged Revenue Fund and transfer to the Bond Fund, an amount, taking into account any amounts then on deposit in the Bond Fund, such that the amount on deposit in the Bond Fund equals the principal (including any Sinking Fund Installments) and interest due on the Bonds on the next Interest Payment Date.

(c) If, after the foregoing transfers and any transfer from an Account within the Reserve Fund as provided in Section 6.7 herein, there are insufficient funds to make the payments provided in paragraph (b) above, the Trustee shall apply the available funds in the Bond Fund first to the payment of interest, and, then to the payment of principal (including any Sinking Fund Installments) on the Bonds.

(d) Notwithstanding Section 6.3(a) hereof, the Trustee shall deposit Prepayments to the Pledged Revenue Fund and as soon as practicable after such deposit shall transfer such Prepayments to the Redemption Fund.

(f) After satisfaction of the requirement to provide for the payment of the principal and interest on the Bonds and to fund any deficiency that may exist in an Account of the Reserve Fund, the Trustee, at the direction of the City by City Certificate, may apply Assessments for any lawful purposes permitted by the PID Act for which Assessments may be paid, including making transfers to the Redemption Fund to redeem Bonds in accordance with the terms hereof.

(g) Any Pledged Revenues remaining after satisfying the foregoing payments shall be applied by the Trustee, as instructed by the City pursuant to a City Certificate, for any lawful purpose permitted by the PID Act for which such additional Pledged Revenues may be used, including transfers to other Funds and Accounts created pursuant to this Indenture.

Section 6.4. Bond Fund.

(a) On each Interest Payment Date, the Trustee shall withdraw from the Bond Fund and transfer to the Paying Agent/Registrar the principal (including any Sinking Fund Installments) and/or interest then due and payable on the Bonds.

(b) If amounts in the Bond Fund are insufficient for the purposes set forth in paragraph (a) above, the Trustee shall withdraw from the Reserve Fund amounts to cover the amount of such insufficiency in accordance with Section 6.7(f) hereof. Amounts so withdrawn from the Reserve Fund shall be deposited in the Bond Fund and transferred to the Paying Agent/Registrar.

Section 6.5. Project Fund.

(a) Money on deposit in the Project Fund shall be used for the purposes specified in Section 3.1 hereof.

(b) On the Closing Date, the proceeds in the Bond Proceeds Account shall be immediately transferred by the Trustee to the paying agent/registrar for the Refunded Bonds to be applied towards the defeasance of the Refunded Bonds, as set forth in the indenture authorizing the Refunded Bonds. Once all of the funds deposited into the Bond Proceeds Account have been transferred to the paying agent/registrar for the Refunded Bonds, the Bond Proceeds Account of the Project Fund shall be closed.

(c) Disbursements from the Costs of Issuance Account of the Project Fund shall be made by the Trustee to pay costs of issuance of the Bonds pursuant to one or more City Certificates.

(d) Not later than six months following the Closing Date or upon an earlier determination by the City Representative that all costs of issuance of the Bonds have been paid, any amounts remaining in the Costs of Issuance Account shall be transferred to the Bond Fund and used to pay interest on the Bonds, as directed by the City in a City Certificate filed with the Trustee, and the Costs of Issuance Account shall be closed.

(e) In making the determination pursuant to subsection (d) of this Section, the City Representative may conclusively rely upon a certificate of an Independent Financial Consultant.

Section 6.6. Redemption Fund.

(a) The Trustee shall cause to be deposited to the Redemption Fund from the Pledged Revenue Fund an amount sufficient to redeem Bonds as provided in Sections 4.3 and 4.4 on the dates specified for redemption as provided in Sections 4.3 and 4.4. Amounts on deposit in the Redemption Fund shall be used and withdrawn by the Trustee to redeem Bonds as provided in Article IV.

Section 6.7. Reserve Fund.

(a) At the Closing Date, the Reserve Account shall be funded as set forth in Section 6.2 above. The City agrees with the Owners of the Bonds to accumulate, and when accumulated maintain in the Reserve Account of the Reserve Fund, an amount equal to not less than the Reserve Account Requirement, except to the extent such deficiency is due to the application of Section 6.7(d) hereof. All amounts deposited in the Reserve Account of the Reserve Fund shall be used and withdrawn by the Trustee for the purpose of making transfers to the Bond Fund or the Redemption Fund as provided in this Indenture.

(b) At the Closing Date, the Additional Interest Reserve Account shall be funded as set forth in Section 6.2 above. If the amount on deposit in the Additional Interest Reserve Account shall at any time, be less than the Additional Interest Reserve Requirement, the Trustee shall notify the City, in writing, of the amount of such shortfall, and the City shall file a City Certificate with the Trustee instructing the Trustee to transfer from the Bond Pledged Revenue Account to the Additional Interest Reserve Account on March 1 and September 1 of each year, an amount equal to the Additional Interest collected, if any, until the Additional Interest Reserve Requirement has been accumulated in the Additional Interest Reserve Account. If, after such deposits, there is surplus Additional Interest remaining in excess of the Additional Interest Reserve Requirement, the Trustee shall transfer such surplus Additional Interest to the Redemption Fund, and shall notify the City of such transfer in writing. Notwithstanding the foregoing, the City shall not be required to replenish the Additional Interest Reserve Account in the event funds are transferred from the Additional Interest Reserve Account to the Redemption Fund as a result of an extraordinary optional redemption of Bonds from the proceeds of a Prepayment pursuant to Section 4.4 of this Indenture, and the Additional Interest Reserve Requirement shall be reduced, accordingly. In the event the Additional Interest Reserve Requirement is reduced in accordance with the above provisions, the City will notify the Trustee, by a City Certificate, of the new Additional Interest Reserve Requirement. In calculating the amounts to be transferred pursuant to this Section, the Trustee may conclusively rely on the

Annual Installments as shown on the Assessment Roll in the Service and Assessment Plan or an Annual Service Plan Update, unless and until it receives a City Certificate directing that a different amount be used.

(c) Whenever a transfer is made from an Account of the Reserve Fund to the Bond Fund due to a deficiency in the Bond Fund, the Trustee shall provide written notice thereof to the City, specifying the amount withdrawn and the source of said funds.

(d) Whenever Bonds are to be redeemed with the proceeds of Prepayments pursuant to Section 4.4, the Trustee shall transfer, on the Business Day prior to the redemption date (or on such other date as agreed to by the City and the Trustee), from the Reserve Account of the Reserve Fund to the Redemption Fund, an amount specified in a City Certificate to be applied to the redemption of the Bonds. The amount so transferred from the Reserve Account of the Reserve Fund shall be equal to the principal amount of the Bonds to be redeemed with such Prepayments multiplied by the lesser of: (i) the amount required to be in the Reserve Account of the Reserve Fund divided by the principal amount of Outstanding Bonds prior to the redemption, and (ii) the amount actually in the Reserve Account of the Reserve Fund divided by the principal amount of Outstanding Bonds prior to the redemption. If after such transfer, and after applying investment earnings on the Prepayment toward payment of accrued interest, there are insufficient funds in the Redemption Fund to pay the principal amount plus accrued and unpaid interest to the date fixed for redemption of the Bonds to be redeemed, as identified in a City Certificate, as a result of such Prepayment and as a result of the transfer from the Reserve Account under this Section 6.7(d), the Trustee shall transfer an amount equal to the shortfall, and/or any additional amounts necessary to permit the Bonds to be redeemed in minimum principal amounts of $1,000, from the Additional Interest Reserve Account to the Redemption Fund to be applied to the redemption of the Bonds.

(e) Whenever, on any Interest Payment Date, or on any other date at the written request of a City Representative, the amount in the Reserve Account exceeds the Reserve Account Requirement, the Trustee shall provide written notice to the City Representative of the amount of the excess. Such excess shall be transferred to the Bond Fund to be used for the payment of debt service on the Bonds on the next Interest Payment Date in accordance with Section 6.4 hereof, unless within 30 days of such notice to the City Representative, the Trustee receives a City Certificate instructing the Trustee to apply such excess: (i) to pay amounts due under Section 6.8 hereof, or (ii) for such other use specified in a City Certificate if the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that such alternate use will not adversely affect the exemption from federal income tax of the interest on the Bond.

(f) Whenever, on any Interest Payment Date, the amount on deposit in the Bond Fund is insufficient to pay the debt service on the Bonds due on such date, the Trustee shall transfer first, from the Additional Interest Reserve Account of the Reserve Fund to the Bond Fund and, second, from the Reserve Account of the Reserve Fund to the Bond Fund the amounts necessary to cure such deficiency.

(g) At the final maturity of the Bonds, the amount on deposit in the Reserve Account and the Additional Interest Reserve Account shall be transferred to the Bond Fund and applied to the payment of the principal of the Bonds.

(h) If, after a Reserve Account withdrawal pursuant to Section 6.7(f), the amount on deposit in the Reserve Account of the Reserve Fund is less than the Reserve Account Requirement, the Trustee shall transfer from the Pledged Revenue Fund to the Reserve Account of the Reserve Fund the amount of such deficiency, in accordance with Section 6.3.

(i) If the amount held in the Reserve Fund together with the amount held in the Bond Fund and Redemption Fund is sufficient to pay the principal amount of all Outstanding Bonds on the next Interest Payment Date, together with the unpaid interest accrued on such Outstanding Bonds as of such Interest Payment Date, the moneys shall be transferred to the Redemption Fund and thereafter used to redeem all Outstanding Bonds as of such Interest Payment Date.

Section 6.8. Rebate Fund: Rebate Amount.

(a) There is hereby established a special fund of the City to be designated "City of Celina, Texas, Rebate Fund" (the "Rebate Fund") to be held by the Trustee in accordance with the terms and provisions of this Indenture. Amounts on deposit in the Rebate Fund shall be used solely for the purpose of paying amounts due the United States Government relating to the Bonds, in accordance with the Code.

(b) In order to assure that Rebate Amount is paid to the United States rather than to a third party, investments of funds on deposit in the Rebate Fund shall be made in accordance with the Code and the Tax Certificate.

(c) The Trustee conclusively shall be deemed to have complied with the provisions of this Section and Section 7.5(h) and shall not be liable or responsible if it follows the instructions of the City and shall not be required to take any action under this Section (including investment of amounts in the Rebate Fund) and Section 7.5(h) in the absence of written instructions from the City.

(d) If, on the date of each annual calculation, the amount on deposit in the Rebate Fund exceeds the Rebate Amount, the City may direct the Trustee, pursuant to a City Certificate, to transfer the amount in excess of the Rebate Amount to the Bond Fund.

Section 6.9. Administrative Fund.

(a) The City shall deposit or cause to be deposited to the Administrative Fund the amounts collected each year to pay the Administrative Expenses and Delinquent Collection Costs.

(b) Moneys in the Administrative Fund shall be held by the Trustee separate and apart from the other Funds created and administered hereunder and used as directed by a City Certificate solely for the purposes set forth in the Service and Assessment Plan.

(c) The Administrative Fund shall not be part of the Trust Estate and shall not be security for the Bonds.

Section 6.10. Investment of Funds.

(a) Money in any Fund or Account established pursuant to this Indenture shall be invested by the Trustee as directed by the City pursuant to a City Certificate filed with the Trustee at least two (2) days in advance of the making of such investment. The money in any Fund or Account shall be invested (i) in time deposits or certificates of deposit secured in the manner required by law for public funds, (ii) in direct obligations of, including obligations the principal and interest on which are unconditionally guaranteed by, the United States of America, (iii) in obligations of any agencies or instrumentalities thereof, or (iv) in such other investments as are permitted under the Public Funds Investment Act, Texas Government Code, Chapter 2256, as amended, or any successor law, as in effect from time to time; provided that all such deposits and investments shall be directed by the City to be made in such manner (which may include repurchase agreements for such investment with any primary dealer of such agreements) that the money required to be expended from any Fund will be available at the proper time or times. Such investments shall be valued each year in terms of current market value as of September 30. Notwithstanding the preceding sentences, amounts in the Additional Interest Reserve Account may not be invested above the Yield (as defined in Section 7.5(a) hereof) on the Bonds, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that such investment and/or the failure to comply with such yield restriction will not adversely affect the exemption from federal income tax of the interest on any Bond. For purposes of maximizing investment returns, to the extent permitted by law, money in such Funds or Accounts may be invested in common investments of the kind described above, or in a common pool of such investment which shall be kept and held at an official depository bank, which shall not be deemed to be or constitute a commingling of such money or funds provided that safekeeping receipts or certificates of participation clearly evidencing the investment or investment pool in which such money is invested and the share thereof purchased with such money or owned by such Fund or Account are held by or on behalf of each such Fund or Account. If necessary, upon written direction by the City to the Trustee, such investments shall be promptly sold to prevent any default.

(b) Obligations purchased as an investment of moneys in any Fund or Account shall be deemed to be part of such Fund or Account, subject, however, to the requirements of this Indenture for transfer of interest earnings and profits resulting from investment of amounts in Funds and Accounts. Whenever in this Indenture any moneys are required to be transferred by the City to the Trustee, such transfer may be accomplished by transferring a like amount of Investment Securities.

(c) The Trustee and its affiliates may act as sponsor, advisor, depository, principal or agent in the acquisition or disposition of any investment. The Trustee shall have no investment discretion and the Trustee's only responsibility for investments shall be to follow the written instructions contained in any City Certificate and to ensure that an investment it is directed to purchase is a permitted investment pursuant to the terms of this Indenture. The Trustee shall not incur any liability for losses arising from any investments made pursuant to this Section. The Trustee shall not be required to determine the suitability or legality of any investments.

(d) Investments in any and all Funds and Accounts may be commingled in a separate fund or funds for purposes of making, holding and disposing of investments, notwithstanding provisions herein for transfer to or holding in or to the credit of particular Funds or Accounts of amounts received or held by the Trustee hereunder, provided that the Trustee

shall at all times account for such investments strictly in accordance with the Funds and Accounts to which they are credited and otherwise as provided in this Indenture.

(e) The Trustee will furnish the City and the Administrator monthly cash transaction statements for such month which include detail for all investment transactions made by the Trustee hereunder; and, unless the Trustee receives a written request, the Trustee is not required to provide brokerage confirmations so long as the Trustee is providing such monthly cash transaction statements.

(f) If, following an annual calculation of the Rebate Amount in accordance with Sections 6.8 and 7.5(h) hereof, it is determined that a Rebate Amount is owed with respect to the Bonds, the City shall direct the Trustee, pursuant to a City Certificate, to transfer to the Rebate Fund an amount equal to the Rebate Amount owed by the City from investment earnings derived from the investment of the amount on deposit in Pledged Funds. The City Certificate shall specify the amount to be transferred and identify the Pledged Fund or Pledged Funds from which the investment earnings shall be transferred.

Section 6.11. Security of Funds.

All Funds or Accounts heretofore created, to the extent not invested as herein permitted, shall be secured in the manner and to the fullest extent required by law for the security of public funds, and such Funds or Accounts shall be used only for the purposes and in the manner permitted or required by this Indenture.

ARTICLE VII

COVENANTS

Section 7.1. Confirmation of Assessments.

The City hereby confirms, covenants, and agrees that the Assessments to be collected from the Assessed Property are as so reflected in the Service and Assessment Plan (as it may be updated from time to time) and, in accordance with the Assessment Ordinance, it has levied the Assessments against the respective Assessed Parcels from which the Pledged Revenues will be collected and received.

Section 7.2. Collection and Enforcement of Assessments.

(a) For so long as any Bonds are Outstanding, the City covenants, agrees and warrants that it will take and pursue all actions permissible under Applicable Laws to cause the Assessments to be collected and the liens thereof enforced continuously, in the manner and to the maximum extent permitted by Applicable Laws, and, to the extent permitted by Applicable Laws, to cause no reduction, abatement or exemption in the Assessments.

(b) The City will determine or cause to be determined, no later than February 15 of each year, whether or not any Annual Installment is delinquent and, if such delinquencies exist, the City will order and cause to be commenced as soon as practicable any and all appropriate and legally permissible actions to obtain such Annual Installment, and any delinquent charges and interest thereon, including diligently prosecuting an action in district court to foreclose the

currently delinquent Annual Installment. Notwithstanding the foregoing, the City shall not be required under any circumstances to purchase or make payment for the purchase of the delinquent Assessment or the corresponding Assessed Parcel. Furthermore, nothing shall obligate the City, the City Attorney, or any appropriate designee to undertake collection or foreclosure actions against delinquent accounts in violation of applicable state law, court order, or existing contractual provisions between the City and its appropriate collections enforcement designees.

Section 7.3. Against Encumbrances.

(a) Other than bonds issued to refund all or a portion of the Bonds, the City shall not create and, to the extent Pledged Revenues are received, shall not suffer to remain, any lien, encumbrance or charge upon the Trust Estate, other than that specified in Section 9.6 of this Indenture, or upon any other property pledged under this Indenture, except the pledge created for the security of the Bonds, and other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds.

(b) So long as Bonds are Outstanding hereunder, and except as set forth in Section 13.2 hereof, the City shall not issue any bonds, notes or other evidences of indebtedness other than the Bonds and bonds issued to refund all or a portion of the Bonds secured by any pledge of or other lien or charge on the Trust Estate or other property pledged under this Indenture, other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds.

Section 7.4. Records, Accounts, Accounting Reports.

The City hereby covenants and agrees that so long as any of the Bonds or any interest thereon remain Outstanding and unpaid, it will keep and maintain a proper and complete system of records and accounts pertaining to the Assessments. The Trustee and Owner or Owners of any Bonds or any duly authorized agent or agents of such Owners shall have the right at all reasonable times to inspect all such records, accounts, and data relating thereto, upon written request to the City by the Trustee, such Owner or duly authorized representative, as applicable. The City shall provide the Trustee, such Owner or duly authorized representative, as applicable, an opportunity to inspect such books and records relating to the Bonds during the City's regular business hours and on a mutually agreeable date not later than thirty days after the City receives such request.

Section 7.5. Covenants to Maintain Tax-Exempt Status.

(a) Definitions. When used in this Section, the following terms shall have the following meanings:

> "*Closing Date*" means the date on which the Bonds are first authenticated and delivered to the Purchaser against payment therefor.
>
> *"Code"* means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

"Computation Date" has the meaning set forth in section 1.148-1(b) of the Regulations.

"Gross Proceeds" means any proceeds as defined in section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in section 1.148-1(c) of the Regulations, of the Bonds.

"Investment" has the meaning set forth in section 1.148-1(b) of the Regulations.

"Nonpurpose Investment" means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds.

"Regulations" means any proposed, temporary or final Income Tax Regulations issued pursuant to sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

"Yield" of (1) any Investment has the meaning set forth in section 1.148-5 of the Regulations; and (2) the Bonds has the meaning set forth in section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the City shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Bonds:

(i) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds (including property financed with Gross Proceeds of the Refunded Bonds), and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency,

department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(ii) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds (including property financed with Gross Proceeds of the Refunded Bonds), other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan.

(i) Except to the extent permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be "loaned" to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(ii) The City covenants and agrees that the levied Assessments will meet the requirements of the "tax assessment loan exception" within the meaning of section 1.141-5(d) of the Regulations on the date the Bonds are delivered and will ensure that the Assessments continue to meet such requirements for so long as the Bonds are outstanding hereunder.

(e) Not to Invest at Higher Yield. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested) if, as a result of such investment, the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Bonds.

(f) Not Federally Guaranteed. Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The City shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in section 148(f) of the Code and the Regulations and rulings thereunder:

(i) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Bond is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Bonds with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(ii) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.

(iii) As additional consideration for the purchase of the Bonds by the Purchaser and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall, pursuant to a City Certificate, direct the Trustee to transfer to the Rebate Fund from the funds or subaccounts designated in such City Certificate and direct the Trustee to pay to the United States from the Rebate Fund the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(iv) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (ii) and (iii), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

(j) Elections. The City hereby directs and authorizes the Mayor, Mayor Pro Tem, City Manager, Assistant City Manager, Finance Director, or City Secretary, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations,

as they deem necessary or appropriate in connection with the Bonds, in the Tax Certificate or similar or other appropriate certificate, form or document.

(k) Bonds Not Hedge Bonds.

(i) At the time the Refunded Bonds were issued, the City reasonably expected to spend at least 85% of the spendable proceeds of the Refunded Bonds within three years after the Refunded Bonds were issued.

(ii) Not more than 50% of the proceeds of the Refunded Bonds were invested in Nonpurpose Investments having a substantially guaranteed Yield for a period of four (4) years or more.

ARTICLE VIII

LIABILITY OF CITY

The City shall not incur any responsibility in respect of the Bonds or this Indenture other than in connection with the duties or obligations explicitly herein or in the Bonds assigned to or imposed upon it. The City shall not be liable in connection with the performance of its duties hereunder, except for its own willful default or act of bad faith. The City shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, conditions covenants or agreements of the Trustee herein or of any of the documents executed by the Trustee in connection with the Bonds, or as to the existence of a default or event of default thereunder.

In the absence of bad faith, the City may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the City and conforming to the requirements of this Indenture. The City shall not be liable for any error of judgment made in good faith unless it shall be proved that it was negligent in ascertaining the pertinent facts.

No provision of this Indenture, the Bonds, the Assessment Ordinance, the Bond Ordinance, or any agreement, document, instrument, or certificate executed, delivered or approved in connection with the issuance, sale, delivery, or administration of the Bonds (the "Bond Documents"), shall require the City to expend or risk its own general funds or otherwise incur any financial liability (other than with respect to the Trust Estate and the Administrative Expenses) in the performance of any of its obligations hereunder, or in the exercise of any of its rights or powers, if in the judgment of the City there are reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it.

Neither the Owners nor any other Person shall have any claim against the City or any of its officers, officials, agents, or employees for damages suffered as a result of the City's failure to perform in any respect any covenant, undertaking, or obligation under any Bond Documents or as a result of the incorrectness of any representation in, or omission from, any of the Bond Documents, except to the extent that any such claim relates to an obligation, undertaking, representation, or covenant of the City, in accordance with the Bond Documents and the PID Act. Any such claim shall be payable only from the Pledged Revenues or the amounts collected to pay Administrative Expenses on deposit in the Administrative Fund. Nothing contained in any of the Bond Documents shall be construed to preclude any action or proceeding in any court or before any governmental body, agency, or instrumentality against the City or any of its officers, officials,

agents, or employees to enforce the provisions of any of the Bond Documents or to enforce all rights of the Owners of the Bonds by mandamus or other proceeding at law or in equity.

The City may rely on and shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The City may consult with counsel with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its duties under this Indenture the City shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of willful misconduct on the part of the City, be deemed to be conclusively proved and established by a certificate of the Trustee, an Independent Financial Consultant, an independent inspector or City Manager or other person designated by the City Council to so act on behalf of the City, and such certificate shall be full warrant to the City for any action taken or suffered under the provisions of this Indenture upon the faith thereof, but in its discretion the City may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

In order to perform its duties and obligations hereunder, the City may employ such persons or entities as it deems necessary or advisable. The City shall not be liable for any of the acts or omissions of such persons or entities employed by it in good faith hereunder, and shall be entitled to rely, and shall be fully protected in doing so, upon the opinions, calculations, determinations, and directions of such persons or entities.

ARTICLE IX

THE TRUSTEE

Section 9.1. Trustee as Paying Agent/Registrar.

The Trustee is hereby designated and agrees to act as Paying Agent/Registrar for and in respect to the Bonds.

Section 9.2. Trustee Entitled to Indemnity.

The Trustee shall be under no obligation to spend its own funds, to institute any suit, or to undertake any proceeding under this Indenture, or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified, to the extent permitted by law, to its satisfaction against any and all costs and expenses, outlays, and counsel fees and other reasonable disbursements, and against all liability except as a consequence of its own negligence or willful misconduct; provided, however, the Trustee may not request or require indemnification as a condition to making any deposits, payments, or transfers when required hereunder, or delivering any notice when required hereunder. Nevertheless, the Trustee may begin suit, or appear in and defend suit, or do anything else in its judgment proper to be done by it as the Trustee, without indemnity, and in such case the Trustee may make transfers from the District Administration Account of the Administrative

Fund, and to the extent money in the District Administration Account is insufficient, from the Pledged Revenue Fund to pay all costs and expenses, outlays, and counsel fees and other reasonable disbursements properly incurred in connection therewith and shall, to the extent permitted by law, be entitled to a preference therefor over any Bonds Outstanding hereunder.

Section 9.3. Responsibilities of the Trustee.

The recitals contained in this Indenture and in the Bonds shall be taken as the statements of the City and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of any offering documents, this Indenture, or the Bonds or with respect to the security afforded by this Indenture, and the Trustee shall incur no liability with respect thereto. Except as otherwise expressly provided in this Indenture, the Trustee shall have no responsibility or duty with respect to: (i) the issuance of Bonds for value; (ii) the application of the proceeds thereof, except to the extent that such proceeds are received by it in its capacity as Trustee; (iii) the application of any moneys paid to the City or others in accordance with this Indenture, except as to the application of any moneys paid to it in its capacity as Trustee; or (iv) any calculation of arbitrage or rebate under the Code. The Trustee has the right to act through agents and attorneys and shall have no liability for the negligence or willful misconduct of the agents and attorneys appointed with due care.

The duties and obligations of the Trustee shall be determined by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture. No implied covenants or obligations shall be read into this Indenture against the Trustee.

The Trustee shall not be liable for any action taken or omitted by it in the performance of its duties under this Indenture, except for its own negligence or willful misconduct, both before and after default by the City. In no event shall the Trustee be liable for incidental, indirect, special or consequential damages in connection with or arising from this Indenture for the existence, furnishing or use of the Major Improvement Area Improvements.

The Trustee shall not be required to take notice, and shall not be deemed to have notice, of any default or Event of Default hereunder, unless the Trustee shall be notified specifically of the default or Event of Default in a written instrument or document delivered to it by the City or by the holders of at least a majority of the aggregate principal amount of Bonds then Outstanding. In the absence of delivery of a notice satisfying those requirements, the Trustee may assume conclusively that there is no default or Event of Default.

In case a default or an Event of Default has occurred and is continuing hereunder (of which the Trustee has been notified), the Trustee shall exercise those rights and powers vested in it by this Indenture and shall use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of his own affairs.

Section 9.4. Property Held in Trust.

All moneys and securities held by the Trustee at any time pursuant to the terms of this Indenture shall be held by the Trustee in trust for the purposes and under the terms and conditions of this Indenture.

Section 9.5. Trustee Protected in Relying on Certain Documents.

The Trustee may rely upon any order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond, or other document provided to the Trustee in accordance with the terms of this Indenture that it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or Person or to have been prepared and furnished pursuant to any of the provisions of this Indenture, or upon the written opinion of any counsel, architect, engineer, insurance consultant, management consultant, or accountant believed by the Trustee to be qualified in relation to the subject matter, and the Trustee shall be under no duty to make any investigation or inquiry into any statements contained or matters referred to in any such instrument. The Trustee may consult with counsel, who may or may not be Bond Counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered, or omitted to be taken by it in good faith and in accordance therewith.

Whenever the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Indenture, such matter may be deemed to be conclusively proved and established by a City Certificate, unless other evidence in respect thereof be hereby specifically prescribed. Such City Certificate shall be full warrant for any action taken or suffered in good faith under the provisions hereof, but in its sole discretion the Trustee may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable. Except as otherwise expressly provided herein, any request, order, notice, or other direction required or permitted to be furnished pursuant to any provision hereof by the City to the Trustee shall be sufficiently executed if executed in the name of the City by the City Representative.

The Trustee shall not be under any obligation to see to the recording or filing of this Indenture, or otherwise to the giving to any Person of notice of the provisions hereof except as expressly required in Section 9.13 herein.

Section 9.6. Compensation.

Unless otherwise provided by contract with the Trustee, the Trustee shall transfer from the District Administration Account of the Administrative Fund, from time to time, reasonable compensation for all services rendered by it hereunder, including its services as Paying Agent/Registrar, together with all its reasonable expenses, charges, and other disbursements and those of its counsel, agents and employees, incurred in and about the administration and execution of the trusts hereby created and the exercise of its powers and the performance of its duties hereunder, subject to any limit on the amount of such compensation or recovery of expenses or other charges as shall be prescribed by specific agreement, and the Trustee shall have a lien therefor on any and all funds at any time held by it in the Administrative Fund. None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if in the judgment of the Trustee there are reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it. If the City shall fail to make any payment required by this Section, the Trustee may make such payment from any moneys in its possession in the Administrative Fund.

Section 9.7. Permitted Acts.

The Trustee and its directors, officers, employees, or agents may become the owner of or may in good faith buy, sell, own, hold and deal in Bonds and may join in any action that any Owner of Bonds may be entitled to take as fully and with the same rights as if it were not the Trustee. The Trustee may act as depository, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, the City or any committee formed to protect the rights of Owners or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Indenture, whether or not such committee shall represent the Owners of a majority in aggregate Outstanding principal amount of the Bonds.

Section 9.8. Resignation of Trustee.

The Trustee may at any time resign and be discharged of its duties and obligations hereunder by giving not fewer than 30 days' written notice, specifying the date when such resignation shall take effect, to the City and each Owner of any Outstanding Bond. Such resignation shall take effect upon the appointment of a successor as provided in Section 9.10 and the acceptance of such appointment by such successor.

Section 9.9. Removal of Trustee.

The Trustee may be removed at any time by (i) the Owners of at least a majority of the aggregate Outstanding principal of the Bonds by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or by their attorneys-in-fact, duly authorized and delivered to the City, or (ii) the City, so long as the City is not in default under this Indenture. Copies of each such instrument shall be delivered by the City to the Trustee and any successor thereof. The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the City or the Owners of not less than 10% of the aggregate outstanding principal of the Bonds.

Section 9.10. Successor Trustee.

If the Trustee shall resign, be removed, be dissolved, or become incapable of acting, or shall be adjudged as bankrupt or insolvent, or if a receiver, liquidator, or conservator of the Trustee or of its property shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, the position of the Trustee hereunder shall thereupon become vacant.

If the position of Trustee shall become vacant for any of the foregoing reasons or for any other reason, a successor Trustee may be appointed within one year after any such vacancy shall have occurred by the Owners of at least 25% of the aggregate outstanding principal of the Bonds by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or their attorneys-in-fact, duly authorized and delivered to such successor Trustee, with notification thereof being given to the predecessor Trustee and the City.

Unless such successor Trustee shall have been appointed by the Owners of the Bonds, the City shall forthwith appoint a Trustee to act hereunder. Copies of any instrument of the City providing for any such appointment shall be delivered by the City to the Trustee so appointed. The City shall mail notice of any such appointment to each Owner of any Outstanding Bonds

Section 10.1. Amendments Permitted.

(a) This Indenture and the rights and obligations of the City and of the Owners of the Bonds may be modified or amended at any time by a Supplemental Indenture, except as provided below, pursuant to the affirmative vote at a meeting of Owners of the Bonds, or with the written consent without a meeting, of the Owners of at least fifty-one percent (51%) of the aggregate principal amount of the Bonds then Outstanding. No such modification or amendment shall (i) extend the maturity of any Bond or reduce the interest rate thereon, or otherwise alter or impair the obligation of the City to pay the principal of or the interest and any premium on, any Bond, without the express consent of the Owner of such Bond, (ii) permit the creation by the City of any pledge or lien upon the Trust Estate superior to or on a parity with the pledge and lien created for the benefit of the Bonds (except as otherwise permitted by Applicable Laws or this Indenture), or (iii) reduce the percentage of the Owners of Bonds required for the amendment hereof. Any such amendment may not modify any of the rights or obligations of the Trustee without its written consent.

(b) This Indenture and the rights and obligations of the City and of the Owners may also be modified or amended at any time by a Supplemental Indenture, without the consent of any Owners, only to the extent permitted by law and only for any one or more of the following purposes:

(i) to add to the covenants and agreements of the City in this Indenture contained, other covenants and agreements thereafter to be observed, or to limit or surrender any right or power herein reserved to or conferred upon the City;

(d) Notwithstanding the above, no Supplemental Indenture under this Section shall be effective unless the City first delivers to the Trustee an opinion of Bond Counsel to the effect that such amendment or supplement (i) is permitted under Applicable Laws and the provisions of this Indenture in effect after taking into account the proposed amendment or supplement; (ii) will not adversely affect the interests of the Owners in any material respect; provided, however, that the issuance of Refunding Bonds in accordance with the provisions of Section 13.2 hereof is deemed to not be a material adverse effect for purposes of such opinion; and (iii) will not adversely affect the exclusion of interest on any Bond from gross income for purposes of federal income taxation.

Section 10.2. Owners' Meetings.

The City may at any time call a meeting of the Owners of the Bonds. In such event the City is authorized to fix the time and place of said meeting and to provide for the giving of notice thereof, and to fix and adopt rules and regulations for the conduct of said meeting.

Section 10.3. Procedure for Amendment with Written Consent of Owners.

The City and the Trustee may at any time adopt a Supplemental Indenture amending the provisions of the Bonds or of this Indenture, to the extent that such amendment is permitted by Section 10.1 herein, to take effect when and as provided in this Section. A copy of such Supplemental Indenture, together with a request to Owners for their consent thereto, which Supplemental Indenture shall be mailed by first-class mail, by the Trustee to each Owner of Bonds from whom consent is required under this Indenture, but failure to mail copies of such Supplemental Indenture and request shall not affect the validity of the Supplemental Indenture when assented to as in this Section provided.

Such Supplemental Indenture shall not become effective unless there shall be filed with the Trustee the written consents of the Owners as required by this Indenture and a notice shall have been mailed as hereinafter in this Section provided. Each such consent shall be effective only if accompanied by proof of ownership of the Bonds for which such consent is given, which proof shall be such as is permitted by Section 11.6 herein. Any such consent shall be binding upon the Owner of the Bonds giving such consent and on any subsequent Owner (whether or not such subsequent Owner has notice thereof), unless such consent is revoked in writing by the Owner giving such consent or a subsequent Owner by filing such revocation with the Trustee prior to the date when the notice hereinafter in this Section provided for has been mailed.

After the Owners of the required percentage of Bonds shall have filed their consents to the Supplemental Indenture, the City shall mail a notice to the Owners in the manner hereinbefore provided in this Section for the mailing of the Supplemental Indenture, stating in substance that the Supplemental Indenture has been consented to by the Owners of the required percentage of Bonds and will be effective as provided in this Section (but failure to mail copies of said notice shall not affect the validity of the Supplemental Indenture or consents thereto). Proof of the mailing of such notice shall be filed with the Trustee. A record, consisting of the papers required by this Section 10.3 to be filed with the Trustee, shall be proof of the matters therein stated until the contrary is proved. The Supplemental Indenture shall become effective upon the filing with the Trustee of the proof of mailing of such notice, and the Supplemental Indenture shall be deemed conclusively binding (except as otherwise hereinabove specifically provided in this Article) upon the City and the Owners of all Bonds at the expiration of sixty (60) days after such filing, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in a legal action or equitable proceeding for such purpose commenced within such sixty-day period; provided, however, that the Trustee during such sixty day period and any such further period during which any such action or proceeding may be pending shall be entitled in its sole discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Indenture, as it may deem expedient; provided, further, that the Trustee shall have no obligation to take or refrain from taking any such action and the Trustee shall have no liability with respect to any action taken or any instance of inactions.

Section 10.4. Effect of Supplemental Indenture.

From and after the time any Supplemental Indenture becomes effective pursuant to this Article X, this Indenture shall be deemed to be modified and amended in accordance therewith, the respective rights, duties, and obligations under this Indenture of the City, the Trustee, and all Owners of Bonds Outstanding shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 10.5. Endorsement or Replacement of Bonds Issued After Amendments.

The City may determine that Bonds issued and delivered after the effective date of any action taken as provided in this Article X shall bear a notation, by endorsement or otherwise, in form approved by the City, as to such action. In that case, upon demand of the Owner of any Bond Outstanding at such effective date and presentation of his Bond for that purpose at the designated office of the Trustee or at such other office as the City may select and designate for that purpose, a suitable notation shall be made on such Bond. The City may determine that new Bonds, so modified as in the opinion of the City is necessary to conform to such Owners' action,

shall be prepared, executed, and delivered. In that case, upon demand of the Owner of any Bonds then Outstanding, such new Bonds shall be exchanged at the designated office of the Trustee without cost to any Owner, for Bonds then Outstanding, upon surrender of such Bonds.

Section 10.6. Amendatory Endorsement of Bonds.

The provisions of this Article X shall not prevent any Owner from accepting any amendment as to the particular Bonds held by such Owner, provided that due notation thereof is made on such Bonds.

Section 10.7. Waiver of Default.

With the written consent of at least a majority in aggregate principal amount of the Bonds then Outstanding, the Owners may waive non-compliance by the City with certain past defaults under the Indenture and their consequences. Any such consent shall be conclusive and binding upon the Owners and upon all future Owners.

Section 10.8. Execution of Supplemental Indenture

In executing, or accepting the additional trusts created by, any Supplemental Indenture permitted by this Article or the modification thereby of the trusts created by this Indenture, the Trustee shall receive, and shall be fully protected in relying upon, an opinion of counsel addressed and delivered to the Trustee and the City stating that the execution of such Supplemental Indenture is permitted by and in compliance with this Indenture. The Trustee may, but shall not be obligated to, enter into any such Supplemental Indenture which affects the Trustee's own rights, duties and immunities under this Indenture.

The Trustee may so sell the assets of the Trust Estate and all right, title, interest, claim and demand thereto and the right of redemption thereof, in one or more parts, at any such place or places, and at such time or times and upon such notice and terms as the Trustee may deem appropriate and as may be required by law and apply the proceeds thereof in accordance with the provisions of this Section. Upon such sale, the Trustee may make and deliver to the purchaser or purchasers a good and sufficient assignment or conveyance for the same, which sale shall be a perpetual bar both at law and in equity against the City, and all other Persons claiming such properties. No purchaser at any sale shall be bound to see to the application of the purchase money proceeds thereof or to inquire as to the authorization, necessity, expediency, or regularity of any such sale. Nevertheless, if so requested by the Trustee, the City shall ratify and confirm any sale or sales by executing and delivering to the Trustee or to such purchaser or

purchasers all such instruments as may be necessary or, in the judgment of the Trustee, proper for the purpose which may be designated in such request.

Section 11.3. Restriction on Owner's Action.

(a) No Owner shall have any right to institute any action, suit or proceeding at law or in equity for the enforcement of this Indenture or for the execution of any trust thereof or any other remedy hereunder, unless (i) a default has occurred and is continuing of which the Trustee has been notified in writing, (ii) such default has become an Event of Default and the Owners of at least 25% of the aggregate principal amount of the Bonds then Outstanding have made written request to the Trustee and offered it reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, (iii) the Owners have furnished to the Trustee indemnity as provided in Section 9.2 herein, (iv) the Trustee has for 90 days after such notice failed or refused to exercise the powers hereinbefore granted, or to institute such action, suit, or proceeding in its own name, (v) no direction inconsistent with such written request has been given to the Trustee during such 90-day period by the Owners of at least a majority of the aggregate principal amount of the Bonds then Outstanding, and (vi) notice of such action, suit, or proceeding is given to the Trustee; however, no one or more Owners of the Bonds shall have any right in any manner whatsoever to affect, disturb, or prejudice this Indenture by its, his or their action or to enforce any right hereunder except in the manner provided herein, and that all proceedings at law or in equity shall be instituted and maintained in the manner provided herein and for the equal benefit of the Owners of all Bonds then Outstanding. The notification, request and furnishing of indemnity set forth above shall, at the option of the Trustee, be conditions precedent to the execution of the powers and trusts of this Indenture and to any action or cause of action for the enforcement of this Indenture or for any other remedy hereunder.

(b) Subject to Article VIII, nothing in this Indenture shall affect or impair the right of any Owner to enforce, by action at law, payment of any Bond at and after the maturity thereof, or on the date fixed for redemption or the obligation of the City to pay each Bond issued hereunder to the respective Owners thereof at the time and place, from the source and in the manner expressed herein and in the Bonds.

(c) In case the Trustee or any Owners shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or any Owners, then and in every such case the City, the Trustee and the Owners shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

SECOND: To the payment to the Owners entitled thereto of the unpaid principal of Outstanding Bonds, or Redemption Price of any Bonds which shall have become due, whether at maturity or by call for redemption, in the direct order of their due dates and, if the amounts available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal due and to the Owners entitled thereto, without any discrimination or preference.

Within 10 days of receipt of such good and available funds, the Trustee may fix a record and payment date for any payment to be made to Owners pursuant to this Section 11.4.

(b) In the event funds are not adequate to cure any of the Events of Default described in Section 11.1, the available funds shall be allocated to the Bonds that are Outstanding in proportion to the quantity of Bonds that are currently due and in default under the terms of this Indenture.

(c) The restoration of the City to its prior position after any and all defaults have been cured, as provided in Section 11.3, shall not extend to or affect any subsequent default under this Indenture or impair any right consequent thereon.

Section 11.5. Effect of Waiver.

No delay or omission of the Trustee, or any Owner, to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Indenture to the Trustee or the Owners, respectively, may be exercised from time to time and as often as may be deemed expedient.

Section 11.6. Evidence of Ownership of Bonds.

(a) Any request, consent, revocation of consent or other instrument which this Indenture may require or permit to be signed and executed by the Owners of Bonds may be in one or more instruments of similar tenor, and shall be signed or executed by such Owners in person or by their attorneys duly appointed in writing. Proof of the execution of any such instrument, or of any instrument appointing any such attorney, or the holding by any Person of the Bonds shall be sufficient for any purpose of this Indenture (except as otherwise herein expressly provided) if made in the following manner:

(i) The fact and date of the execution of such instruments by any Owner of Bonds or the duly appointed attorney authorized to act on behalf of such Owner may be provided by a guarantee of the signature thereon by a bank or trust company or by the certificate of any notary public or other officer authorized to take acknowledgments of deeds, that the Person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before

such notary public or other officer. Where such execution is by an officer of a corporation or association or a member of a partnership, on behalf of such corporation, association or partnership, such signature guarantee, certificate, or affidavit shall also constitute sufficient proof of his authority.

(ii) The ownership of Bonds and the amount, numbers and other identification and date of holding the same shall be proved by the Register.

(b) Except as otherwise provided in this Indenture with respect to revocation of a consent, any request or consent by an Owner of Bonds shall bind all future Owners of the same Bonds in respect of anything done or suffered to be done by the City or the Trustee in accordance therewith.

Section 11.7. No Acceleration.

In the event of the occurrence of an Event of Default under Section 11.1 hereof, the right of acceleration of any Stated Maturity is not granted as a remedy hereunder and the right of acceleration under this Indenture is expressly denied.

Section 11.8. Mailing of Notice.

Any provision in this Article for the mailing of a notice or other document to Owners shall be fully complied with if it is mailed, first-class, postage prepaid, only to each Owner at the address appearing upon the Register.

Bonds owned or held by or for the account of the City will not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this Indenture, and the City shall not be entitled with respect to such Bonds to give any consent or take any other action provided for in this Indenture.

Section 11.10. Remedies Not Exclusive.

No remedy herein conferred upon or reserved to the Trustee or to the Owners is intended to be exclusive of any other remedy and each and every such remedy shall be cumulative and shall be in addition to any other remedy given hereunder or now or hereafter existing at law or in equity, by statute or by contract.

Section 11.11. Direction by Owners.

Anything herein to the contrary notwithstanding, the Owners of at least 25% of the aggregate outstanding principal of the Bonds shall have the right by an instrument in writing executed and delivered to the Trustee, to direct the choice of remedies and the time, method, and place of conducting a proceeding for any remedy available to the Trustee hereunder, under each Supplemental Indenture, or otherwise, or exercising any trust or power conferred upon the Trustee, including the power to direct or withhold directions with respect to any remedy available to the Trustee or the Owners, provided, (i) such direction shall not be otherwise than in accordance with Applicable Laws and the provisions hereof, (ii) that the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction, and (iii)

The City shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Trustee and the City and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the City. Liability for breach of any such verification during the term of this Indenture shall survive until barred by the applicable statute of limitations, and shall not be liquidated or otherwise limited by any provision of this Indenture, notwithstanding anything in this Indenture to the contrary.

(a) Not a Sanctioned Company. The Trustee represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Government Code. The foregoing representation excludes the Trustee and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization.

unless this Bond shall have been sooner called for redemption and the payment of the principal hereof shall have been paid or provision for such payment shall have been made, and to pay interest on the unpaid principal amount hereof from the later of the Date of Delivery, as specified above, or the most recent Interest Payment Date to which interest has been paid or provided for until such principal amount shall have been paid or provided for, at the per annum rate of interest specified above, computed on the basis of a 360-day year of twelve 30-day months, such interest to be paid semiannually on March 1 and September 1 of each year, commencing March 1, 2025, until maturity or prior redemption.

Capitalized terms appearing herein that are defined terms in the Indenture defined below, have the meanings assigned to them in the Indenture. Reference is made to the Indenture for such definitions and for all other purposes.

The principal of this Bond shall be payable without exchange or collection charges in lawful money of the United States of America upon presentation and surrender of this Bond at the corporate trust office in Dallas, Texas (the "Designated Payment/Transfer Office"), of U.S. Bank Trust Company, National Association, as trustee and paying agent/registrar (the "Trustee", which term includes any successor trustee under the Indenture), or, with respect to a successor trustee and paying agent/registrar, at the Designated Payment/Transfer Office of such successor. Interest on this Bond is payable by check dated as of the Interest Payment Date, mailed by the Trustee to the registered owner at the address shown on the registration books kept by the Trustee or by such other customary banking arrangements acceptable to the Trustee, requested by, and at the risk and expense of, the Person to whom interest is to be paid. For the purpose of the payment of interest on this Bond, the registered owner shall be the Person in whose name this Bond is registered at the close of business on the "Record Date," which shall be the 15th calendar day of the month next preceding such Interest Payment Date; provided, however, that in the event of nonpayment of interest on a scheduled Interest Payment Date, and for 30 days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Trustee, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the "Special Payment Date," which shall be 15 days after the Special Record Date) shall be sent at least five Business Days prior to the Special Record Date by United States mail, first-class, postage prepaid, to the address of each Owner of a Bond appearing on the books of the Trustee at the close of business on the last Business Day preceding the date of mailing such notice.

If a date for the payment of the principal of or interest on the Bonds is a Saturday, Sunday, legal holiday, or a day on which banking institutions in the city in which the Designated Payment/Transfer Office is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding Business Day, and payment on such date shall have the same force and effect as if made on the original date payment was due.

This Bond is one of a duly authorized issue of assessment revenue bonds of the City having the designation specified in its title (herein referred to as the "Bonds"), dated August 30, 2024 and issued in the aggregate principal amount of $_____ and issued, with the limitations described herein, pursuant to an Indenture of Trust, dated as of August 1, 2024 (the "Indenture"), by and between the City and the Trustee, to which Indenture reference is hereby made for a description of the amounts thereby pledged and assigned, the nature and extent of the lien and security, the respective rights thereunder to the holders of the Bonds, the Trustee, and the City, and the terms upon which the Bonds are, and are to be, authenticated and delivered and by this reference to the terms of which each holder of this Bond hereby consents. All Bonds issued under the Indenture are equally and ratably secured by the amounts thereby pledged and assigned. The Bonds are being issued for the purpose of (i) refunding the Refunded Bonds, (ii) funding a reserve fund for payment of principal and interest on the Bonds, and (iii) paying the costs of issuing the Bonds.

The Bonds are special, limited obligations of the City payable solely from the Trust Estate as defined in the Indenture. Reference is hereby made to the Indenture, copies of which are on file with and available upon request from the Trustee, for the provisions, among others, with respect to the nature and extent of the duties and obligations of the City, the Trustee and the Owners. The Owner of this Bond, by the acceptance hereof, is deemed to have agreed and consented to the terms, conditions and provisions of the Indenture.

Notwithstanding any provision hereof, the Indenture may be released and the obligation of the City to make money available to pay this Bond may be defeased by the deposit of money and/or certain direct or indirect Defeasance Securities sufficient for such purpose as described in the Indenture.

The Bonds are issuable as fully registered bonds only in Authorized Denominations, subject to the provisions of the Indenture authorizing redemption in denominations of $25,000 and any multiple of $1,000 in excess thereof, except as otherwise provided in the Indenture.

The Bonds are subject to sinking fund redemption prior to their Stated Maturity and will be redeemed by the City in part at a price equal to the principal amount thereof plus accrued and unpaid interest thereon to the date set for redemption from moneys available for such purpose in the Bond Fund pursuant to Article VI of the Indenture, on the dates and in the respective Sinking Fund Installments as set forth in the following schedule:

At least 45 days prior to each mandatory sinking fund redemption date and subject to any prior reduction authorized by the Indenture, the Trustee shall select in accordance with the terms of the Indenture, a principal amount of Bonds of such maturity equal to the Sinking Fund Installment amount of such Bonds to be redeemed, shall call such Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption, as provided in the Indenture.

The principal amount of Bonds of a Stated Maturity required to be redeemed on any mandatory sinking fund redemption date shall be reduced, at the option of the City, by the principal amount of any Bonds of such maturity which, at least 45 days prior to the mandatory sinking fund redemption date shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued and unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation.

The principal amount of Bonds required to be redeemed on any mandatory sinking fund redemption date shall be reduced on a pro rata basis among Sinking Fund Installments by the principal amount of any Bonds which, at least 45 days prior to the mandatory sinking fund redemption date, shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption provisions appearing below and not previously credited to a mandatory sinking fund redemption.

The City reserves the right and option to redeem the Bonds maturing on or after September 1, 20__, before their respective scheduled maturity dates, in whole or in part, on any date on or after September 1, 20__, such redemption date or dates to be fixed by the City, at the Redemption Price.

The Bonds are subject to extraordinary optional redemption prior to maturity in whole or in part, and in an amount and on any date specified in a City Certificate, at a Redemption Price equal to the principal amount of the Bonds called for redemption, plus accrued and unpaid interest to the date fixed for redemption from amounts on deposit in the Redemption Fund as a result of Prepayments and other transfers to the Redemption Fund in accordance with the provisions of the Indenture.

If less than all of the Bonds are redeemed pursuant to the mandatory sinking fund redemption, optional redemption or extraordinary optional redemption provisions, the Bonds to be redeemed shall be selected in accordance with the terms of the Indenture.

The Trustee shall give notice of any redemption of Bonds by sending notice by United States mail, first-class, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond (or part thereof) to be redeemed, at the address shown on the Register. The notice shall state the redemption date, the Redemption Price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding

are to be redeemed, an identification of the Bonds or portions thereof to be redeemed. Any notice so given shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

With respect to any optional redemption or extraordinary optional redemption of the Bonds, unless the Trustee has received funds sufficient to pay the Redemption Price of the Bonds to be redeemed before giving of a notice of redemption, the notice may state that the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption are not satisfied and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the City and the rights of the holders of the Bonds under the Indenture at any time Outstanding affected by such modification. The Indenture also contains provisions permitting the Owners of specified percentages in aggregate principal amount of the Bonds at the time Outstanding, on behalf of the Owners of all the Bonds, to waive compliance by the City with certain past defaults under the Bond Ordinance or the Indenture and their consequences. Any such consent or waiver by the Owner of this Bond or any predecessor Bond evidencing the same debt shall be conclusive and binding upon such Owner and upon all future Owners thereof and of any Bond issued upon the transfer thereof or in exchange therefor or in lieu thereof, whether or not notation of such consent or waiver is made upon this Bond.

As provided in the Indenture, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office, with such endorsement or other evidence of transfer as is acceptable to the Trustee, and upon delivery to the Trustee of such certifications and/or opinion of counsel as may be required under the Indenture for the transfer of this Bond. Upon satisfaction of such requirements, one or more new fully registered Bonds of the same Stated Maturity, of Authorized Denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the City nor the Trustee shall be required to issue, transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 45 calendar days of the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond redeemed in part.

The City, the Trustee, and any other Person may treat the Person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the Person in whose name this Bond is registered on the Record Date or Special Record Date, as applicable) and for all other purposes, whether or not this Bond be overdue, and neither the City nor the Trustee shall be affected by notice to the contrary.

The City has reserved the right to issue Additional Obligations and bonds issued to refund all or a portion of the Bonds on the terms and conditions specified in the Indenture.

NEITHER THE FULL FAITH AND CREDIT NOR THE GENERAL TAXING POWER OF THE CITY OF CELINA, TEXAS OR THE STATE OF TEXAS, OR ANY POLITICAL SUBDIVISION THEREOF, IS PLEDGED TO THE PAYMENT OF THE BONDS.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law; and that the total indebtedness of the City, including the Bonds, does not exceed any Constitutional or statutory limitation.

BOND PURCHASE AGREEMENT

August 13, 2024

City of Celina, Texas
142 N. Ohio Street
Celina, Texas 75009

Ladies and Gentlemen:

The undersigned, FMSbonds, Inc. (the "Underwriter"), offers to enter into this Bond Purchase Agreement (this "Agreement") with the City of Celina, Texas (the "City"), which will be binding upon the City and the Underwriter upon the acceptance of this Agreement by the City. This offer is made subject to its acceptance by the City by execution of this Agreement and its delivery to the Underwriter on or before 10:00 p.m., Central Time, on the date hereof and, if not so accepted, will be subject to withdrawal by the Underwriter upon written notice delivered to the City at any time prior to the acceptance hereof by the City. All capitalized terms not otherwise defined herein shall have the meanings given to such terms in the Indenture (defined herein) between the City and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), authorizing the issuance of the Bonds (defined herein), and in the Limited Offering Memorandum (defined herein).

1. Purchase and Sale of Bonds. Upon the terms and conditions and upon the basis of representations, warranties, and agreements hereinafter set forth, the Underwriter hereby agrees to purchase from the City, and the City hereby agrees to sell to the Underwriter, all (but not less than all) of the $[PAR AMOUNT] aggregate principal amount of the "City of Celina, Texas, Special Assessment Revenue Refunding Bonds, Series 2024 (Sutton Fields II Public Improvement District Major Improvement Area Project)" (the "Bonds"), at a purchase price of $_____ (representing the aggregate principal amount of the Bonds, plus a reoffering premium of $_____ and less an Underwriter's discount of $_____).

A portion of the proceeds received by the City from the sale of the Bonds pursuant to the terms and conditions hereof, along with certain other funds of the City, if any, shall be deposited in accordance with the terms of the Indenture for the purpose of depositing cash in the Bond Proceeds Account of the Project Fund (as defined in the Indenture), which will be sufficient to pay the principal of and interest on the Refunded Bonds (as defined in the Indenture).

Inasmuch as this purchase and sale represents a negotiated transaction, the City understands, and hereby confirms, that the Underwriter is not acting as a municipal advisor or fiduciary of the City (including, without limitation, a "municipal advisor" (as such term is defined in Section 975(e) of the Dodd Frank Wall Street Reform and Consumer Protection Act)), but rather is acting solely in its capacity as Underwriter for its own account. The City acknowledges and agrees that (i) the purchase and sale of the Bonds pursuant to this Agreement is an arm's length commercial transaction between the City and the Underwriter and the Underwriter has financial and other interests that differ from any other party to this Agreement, (ii) in connection therewith and with the discussions, undertakings, and procedures leading up to the consummation of this transaction, the Underwriter is and has been acting solely as a principal and is not acting as the agent, municipal advisor, financial advisor, or fiduciary of the City, (iii) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of the City with respect to the offering described herein or the discussions, undertakings, and procedures leading thereto (regardless of whether the Underwriter has provided other services or is currently providing other services to the City on other matters) and the Underwriter has no obligation to the City with respect to the offering described herein except the obligations expressly set forth in this Agreement, (iv) the City has consulted its own legal, financial and other advisors to the extent it has deemed appropriate, (v) the Underwriter has financial and other interests that differ from those of the City, and (vi) the Underwriter has provided to the City prior disclosures under Rule G-17 of the Municipal Securities Rulemaking Board ("MSRB"), which have been received by the City. The City further acknowledges and agrees that following the issuance and delivery of the Bonds, the Underwriter has indicated that it may have periodic discussions with the City regarding the expenditure of Bond proceeds and the construction of the Authorized Improvements financed with the Refunded Bonds (the "Major Improvement Area Improvements") and, in connection with such discussions, the Underwriter shall be acting solely as a principal and will not be acting as the agent or fiduciary of, and will not be assuming an advisory or fiduciary responsibility in favor of, the City.

The Bonds shall be dated August 30, 2024 and shall have the maturities and redemption features, if any, and bear interest at the rates per annum shown on Schedule I hereto. Payment for and delivery of the Bonds, and the other actions described herein, shall take place on August 30, 2024 (or such other date as may be agreed to by the City and the Underwriter) (the "Closing Date").

2. Authorization Instruments and Law. The Bonds were authorized by an ordinance enacted by the City Council of the City (the "City Council") on August 13, 2024 (the "Bond Ordinance") and shall be issued pursuant to the provisions of Chapter 1207, Texas Government Code, as amended, and Chapter 372, Texas Local Government Code, as amended (the "Act"), and the Indenture of Trust, dated as of August 1, 2024, between the City and the Trustee, authorizing the issuance of the Bonds (the "Indenture"). The Bonds shall be substantially in the form described in, and shall be secured under the provisions of, the Indenture.

The Bonds and interest thereon shall be secured by the "Trust Estate" consisting primarily of revenue from the special assessments (the "Assessments") levied on the assessable parcels within the Major Improvement Area of the Sutton Fields II Public Improvement District (the "District").

The District was established by Resolution No. 2015-51R (the "Creation Resolution"), enacted by the City Council on October 13, 2015, in accordance with the Act. A Service and Assessment Plan (the "Service and Assessment Plan") which sets forth the costs of the Major Improvement

Area Improvements and the method of payment of the Assessments was adopted pursuant to an ordinance of the City Council adopted on November 10, 2015 (the "Assessment Ordinance" and, together with the Creation Resolution, the Indenture and the Bond Ordinance, the "Authorizing Documents"), and the Service and Assessment Plan was updated by the City Council in connection with the issuance of the Bonds.

The Bonds shall be as described in Schedule I attached hereto, the Indenture, and the Limited Offering Memorandum (as defined herein). The proceeds of the Bonds shall be used for (i) refunding the outstanding City of Celina, Texas, Special Assessment Revenue Bonds, Series 2015 (Sutton Fields II Public Improvement District Neighborhood Improvement Areas #2-5 Major Improvement Project) (the "Refunded Bonds"), (ii) funding a reserve fund for payment of principal and interest on the Bonds, and (iii) paying the costs of issuing the Bonds.

3. Limited Public Offering. The Underwriter agrees to make a bona fide limited public offering of all of the Bonds in accordance with Section 4 hereof to no more than thirty-five persons that qualify as "Accredited Investors" (as defined in Rule 501 of Regulation D under the Securities Act of 1933, as amended and as then in effect (the "Securities Act")) or "Qualified Institutional Buyers" (within the meaning of Rule 144A under the Securities Act) at prices or yields not to exceed the public offering prices or yields set forth on the cover page of the Limited Offering Memorandum and may subsequently change such offering prices or yields without any requirement of prior notice, all in accordance with and subject to the provisions of Section 10 hereof. The Underwriter may offer and sell the Bonds to certain dealers (including dealers depositing the Bonds into investment trusts) and others at prices or yields lower than the public offering prices or yields stated on the cover page of the Limited Offering Memorandum, subject to the provisions of Section 10 hereof. On or before Closing, the Underwriter shall execute and deliver to Norton Rose Fulbright US LLP ("Bond Counsel") an issue price certificate for the Bonds prepared by Bond Counsel in substantially the form attached hereto as Appendix A.

4. Limited Offering Memorandum.

(a) Delivery of Limited Offering Memorandum. The City previously has delivered, or caused to be delivered, to the Underwriter the Preliminary Limited Offering Memorandum for the Bonds dated [PLOM DATE], 2024 (the "Preliminary Limited Offering Memorandum"), in a "designated electronic format," as defined in the Municipal Securities Rulemaking Board ("MSRB") Rule G-32 ("Rule G-32"). The City will prepare, or cause to be prepared, a final Limited Offering Memorandum relating to the Bonds (the "Limited Offering Memorandum") which will be (i) dated the date of this Agreement, (ii) complete within the meaning of the United States Securities and Exchange Commission's Rule 15c2-12, as amended ("Rule 15c2-12"), (iii) in a "designated electronic format," and (iv) substantially in the form of the most recent version of the Preliminary Limited Offering Memorandum provided to the Underwriter before the execution hereof. The Limited Offering Memorandum, including the cover page thereto, all exhibits, schedules, appendices, maps, charts, pictures, diagrams, reports, and statements included or incorporated therein or attached thereto, and all amendments and supplements thereto that may be authorized for use with respect to the Bonds are collectively referred to herein as the "Limited Offering Memorandum." Until the Limited Offering Memorandum has been prepared and is available for distribution, the City shall

provide to the Underwriter sufficient quantities (which may be in electronic format) of the Preliminary Limited Offering Memorandum as the Underwriter reasonably deems necessary to satisfy the obligation of the Underwriter under Rule 15c2-12 with respect to distribution to each potential customer, upon request, of a copy of the Preliminary Limited Offering Memorandum.

(b) Preliminary Limited Offering Memorandum Deemed Final. The Preliminary Limited Offering Memorandum has been prepared for use by the Underwriter in connection with the public offering, sale, and distribution of the Bonds. The City hereby represents and warrants that the Preliminary Limited Offering Memorandum has been deemed "final" by the City as of its date, except for the omission of such information which is dependent upon the final pricing of the Bonds for completion, all as permitted to be excluded by Section (b)(1) of Rule 15c2-12.

(c) Use of Limited Offering Memorandum in Offering and Sale. The City hereby authorizes the Limited Offering Memorandum and the information therein contained to be used by the Underwriter in connection with the public offering and the sale of the Bonds. The City consents to the use by the Underwriter prior to the date hereof of the Preliminary Limited Offering Memorandum in connection with the public offering of the Bonds. The City shall provide, or cause to be provided, to the Underwriter as soon as practicable after the date of the City's acceptance of this Agreement (but, in any event, not later than the earlier of the Closing Date or seven (7) business days after the City's acceptance of this Agreement) copies of the Limited Offering Memorandum which is complete as of the date of its delivery to the Underwriter. The City shall provide the Limited Offering Memorandum, or cause the Limited Offering Memorandum to be provided, (i) in a "designated electronic format" consistent with the requirements of Rule G-32 and (ii) in a printed format in such quantity as the Underwriter shall reasonably request in order for the Underwriter to comply with Section (b)(4) of Rule 15c2-12 and the rules of the MSRB.

(d) Updating of Limited Offering Memorandum.

(1) If, after the date of this Agreement, up to and including the date the Underwriter is no longer required to provide a Limited Offering Memorandum to potential customers who request the same pursuant to Rule 15c2-12 (the earlier of (i) ninety (90) days from the "end of the underwriting period" (as defined in Rule 15c2-12) and (ii) the time when the Limited Offering Memorandum is available to any person from the MSRB, but in no case less than the 25th day after the "end of the underwriting period" for the Bonds), the City becomes aware of any fact or event which might or would cause the Limited Offering Memorandum, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, or if it is necessary to amend or supplement the Limited Offering Memorandum to comply with law, the City will notify the Underwriter (and for the purposes of this clause provide the Underwriter with such information as it may from time to time request), and if, in the reasonable judgment of the Underwriter, such fact or event requires preparation and publication of

a supplement or amendment to the Limited Offering Memorandum, the City will forthwith prepare and furnish, at no expense to the Underwriter (in a form and manner approved by the Underwriter), either an amendment or a supplement to the Limited Offering Memorandum so that the statements therein as so amended and supplemented will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading or so that the Limited Offering Memorandum will comply with law. If such notification shall be subsequent to the Closing, the City, at no expense to the Underwriter, shall furnish such legal opinions, certificates, instruments, and other documents as the Underwriter may deem necessary to evidence the truth and accuracy of such supplement or amendment to the Limited Offering Memorandum. The City shall provide any such amendment or supplement, or cause any such amendment or supplement to be provided, (i) in a "designated electronic format" consistent with the requirements of Rule G-32 and (ii) in a printed format in such quantity as the Underwriter shall reasonably request in order for the Underwriter to comply with Section (b)(4) of Rule 15c2-12 and the rules of the MSRB.

(2) Notwithstanding the foregoing and for all purposes of this Agreement and for any certificate delivered by the City in accordance herewith, (i) the City makes no representations with respect to the descriptions in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum of The Depository Trust Company, New York, New York ("DTC"), or its book-entry-only system (including but not limited to the information under the caption "BOOK-ENTRY ONLY SYSTEM") and (ii) the City makes no representation with respect to the information in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum under the captions and subcaptions "THE DEVELOPMENT," "BONDHOLDERS' RISKS" (only as it pertains to the Major Improvement Area Improvements and the Development), "THE ADMINISTRATOR," "BOND INSURANCE," "UNDERWRITING," and "INFORMATION RELATING TO THE TRUSTEE." Items (i) and (ii) above are collectively referred to herein as the "Non City Disclosures."

(e) Filing with MSRB. The Underwriter hereby agrees to timely file the Limited Offering Memorandum with the MSRB through its Electronic Municipal Market Access ("EMMA") system within one business day after receipt but no later than the Closing Date. Unless otherwise notified in writing by the Underwriter, the City can assume that the "end of the underwriting period" for purposes of Rule 15c2-12 is the Closing Date.

5. City Representations, Warranties and Covenants. The City represents, warrants and covenants that:

(a) Due Organization, Existence and Authority. The City is a political subdivision of the State of Texas (the "State"), and has, and at the Closing Date will have, full legal right, power and authority:

(i) to enter into:

(1) this Agreement;

(2) the Indenture;

(3) the Continuing Disclosure Agreement of the Issuer with respect to the Bonds, dated as of August 1, 2024, executed and delivered by the City, MuniCap, Inc., as Administrator (the "Administrator"), and HTS Continuing Disclosure Services, a division of Hilltop Securities, Inc., as Dissemination Agent (the "City Disclosure Agreement");

(ii) to issue, sell, and deliver the Bonds to the Underwriter as provided herein; and

(iii) to carry out and consummate the transactions on its part described in (1) the Authorizing Documents, (2) this Agreement, (3) the City Disclosure Agreement, (4) the Limited Offering Memorandum, and (5) any other documents and certificates described in any of the foregoing (the documents described by subclauses (1) through (3) being referred to collectively herein as the "City Documents").

(b) Due Authorization and Approval of City. By all necessary official action of the City, the City has duly authorized and approved the adoption or execution and delivery by the City of, and the performance by the City of the obligations on its part contained in, the City Documents and, as of the date hereof, such authorizations and approvals are in full force and effect and have not been amended, modified or rescinded, except as may have been approved by the Underwriter. When validly executed and delivered by the other parties thereto, the City Documents will constitute the legally valid and binding obligations of the City enforceable upon the City in accordance with their respective terms, except insofar as enforcement may be limited by principles of sovereign or governmental immunity, bankruptcy, insolvency, reorganization, moratorium, or similar laws or equitable principles relating to or affecting creditors' rights generally. The City has complied, and will at the Closing (as defined herein) be in compliance, in all material respects, with the obligations on its part to be performed on or prior to the Closing Date under the City Documents.

(c) Due Authorization for Issuance of the Bonds. The City has duly authorized the issuance and sale of the Bonds pursuant to the Bond Ordinance, the Indenture, and the Act. The City has, and at the Closing Date will have, full legal right, power and authority (i) to enter into, execute, deliver, and perform its obligations under this Agreement and the other City Documents, (ii) to issue, sell and, deliver the Bonds to the Underwriter pursuant to the Indenture, the Bond Ordinance, the Act, and as provided herein, and (iii) to carry out, give effect to and consummate the transactions on the part of the City described by the City Documents and the Bond Ordinance.

(d) No Breach or Default. As of the time of acceptance hereof, and to the best of its knowledge, the City is not, and as of the Closing Date the City will not be, in material breach of or in default in any material respect under any applicable constitutional provision,

law or administrative rule or regulation of the State or the United States, or any applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument related to the Bonds and to which the City is a party or is otherwise subject, and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute a default or event of default under any such instrument which breach, default or event could have a material adverse effect on the City's ability to perform its obligations under the Bonds or the City Documents; and, as of such times, the authorization, execution and delivery of the Bonds and the City Documents and compliance by the City with obligations on its part to be performed in each of such agreements or instruments does not and will not conflict with or constitute a material breach of or default under any applicable constitutional provision, law or administrative rule or regulation of the State or the United States, or any applicable judgment, decree, license, permit, trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the City (or any of its officers in their respective capacities as such) is subject, or by which it or any of its properties are bound, nor will any such authorization, execution, delivery or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of its assets or properties securing the Bonds or under the terms of any such law, regulation or instrument, except as may be permitted by the City Documents.

(e) No Litigation. At the time of acceptance hereof there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body (collectively and individually, an "Action") pending against the City with respect to which the City has been served with process, nor to the knowledge of the City is any Action threatened against the City, in which any such Action (i) in any way questions the existence of the City or the rights of the members of the City Council to hold their respective positions, (ii) in any way questions the formation or existence of the District, (iii) affects, contests or seeks to prohibit, restrain or enjoin the issuance or delivery of any of the Bonds, or the payment or collection of any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, or in any way contests or affects the validity of the City Documents or the consummation of the transactions on the part of the City described therein, or contests the exclusion of the interest on the Bonds from federal income taxation, or (iv) which may result in any material adverse change in the financial condition of the City; and, as of the time of acceptance hereof, to the City's knowledge, there is no basis for any action, suit, proceeding, inquiry, or investigation of the nature described in clauses (i) through (iv) of this sentence.

(f) Bonds Issued Pursuant to Indenture. The City represents that the Bonds, when issued, executed, and delivered in accordance with the Indenture and sold to the Underwriter as provided herein, will be validly issued and outstanding obligations of the City subject to the terms of the Indenture, entitled to the benefits of the Indenture and the security of the pledge of the proceeds of the Assessments received by the City, all to the extent provided for in the Indenture. The Indenture creates a valid pledge of the monies in certain funds and accounts established pursuant to the Indenture to the extent provided for in the Indenture, including the investments thereof, subject in all cases to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth therein.

(g) Assessments. The Assessments constituting the security for the Bonds have been levied by the City in accordance with the Act on those parcels of land identified in the Major Improvement Area Assessment Roll (as defined in the Service and Assessment Plan). According to the Act, such Assessments constitute a valid and legally binding first and prior lien against the properties assessed, superior to all other liens and claims, except liens or claims for state, county, school district, or municipality ad valorem taxes.

(h) Consents and Approvals. All authorizations, approvals, licenses, permits, consents, elections, and orders of or filings with any governmental authority, legislative body, board, agency, or commission having jurisdiction in the matters which are required by the Closing Date for the due authorization of, which would constitute a condition precedent to or the absence of which would adversely affect the due performance by the City of, its obligations in connection with the City Documents have been duly obtained or made and are in full force and effect, except the approval of the Bonds by the Attorney General of the State, registration of the Bonds by the Comptroller of Public Accounts of the State, and the approvals, consents and orders as may be required under Blue Sky or securities laws of any jurisdiction.

(i) Public Debt. Prior to the Closing, the City will not offer or issue any bonds, notes or other obligations for borrowed money or incur any material liabilities, direct or contingent, payable from or secured by a pledge of the Assessments which secure the Bonds without the prior approval of the Underwriter.

(j) Preliminary Limited Offering Memorandum. Subject to the exclusions set forth in Section 4(d)(2) hereof, the information contained in the Preliminary Limited Offering Memorandum is true and correct in all material respects, and such information does not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(k) Limited Offering Memorandum. At the time of the City's acceptance hereof and (unless the Limited Offering Memorandum is amended or supplemented pursuant to paragraph (d) of Section 4 of this Agreement) at all times subsequent thereto during the period up to and including the 25th day subsequent to the "end of the underwriting period," the information contained in the Limited Offering Memorandum, subject to the exclusions set forth in Section 4(d)(2) hereof, does not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that if the City notifies the Underwriter of any fact or event as required by Section 4(d) hereof, and the Underwriter determines that such fact or event does not require preparation and publication of a supplement or amendment to the Limited Offering Memorandum, then the Limited Offering Memorandum in its then-current form shall be conclusively deemed to be complete and correct in all material respects.

(l) Supplements or Amendments to Limited Offering Memorandum. If the Limited Offering Memorandum is supplemented or amended pursuant to paragraph (d) of

Section 4 of this Agreement, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such paragraph) at all times subsequent thereto during the period up to and including the 25th day subsequent to the "end of the underwriting period," the Limited Offering Memorandum as so supplemented or amended will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that if the City notifies the Underwriter of any fact or event as required by Section 4(d) hereof, and the Underwriter determines that such fact or event does not require preparation and publication of a supplement or amendment to the Limited Offering Memorandum, then the Limited Offering Memorandum in its then-current form shall be conclusively deemed to be complete and correct in all material respects.

(m) Compliance with Rule 15c2-12. During the past five years, the City has complied in all material respects with its previous continuing disclosure undertakings made by it in accordance with Rule 15c2-12, except as described in the Limited Offering Memorandum.

(n) Use of Bond Proceeds. The City will apply, or cause to be applied, the proceeds from the sale of the Bonds as provided in and subject to all of the terms and provisions of the Indenture and will not take or omit to take any action which action or omission will adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Bonds.

(o) Blue Sky and Securities Laws and Regulations. The City will furnish such information and execute such instruments and take such action in cooperation with the Underwriter as the Underwriter may reasonably request, at no expense to the City, (i) to (y) qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions in the United States as the Underwriter may designate and (z) determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions and (ii) to continue such qualifications in effect so long as required for the initial distribution of the Bonds by the Underwriter (provided, however, that the City will not be required to qualify as a foreign corporation or to file any general or special consents to service of process under the laws of any jurisdiction) and will advise the Underwriter immediately of receipt by the City of any notification with respect to the suspension of the qualification of the Bonds for sale in any jurisdiction or the initiation or threat of any proceeding for that purpose.

(p) Certificates of the City. Any certificate signed by any official of the City authorized to do so in connection with the transactions described in this Agreement shall be deemed a representation and warranty by the City to the Underwriter as to the statements made therein and can be relied upon by the Underwriter as to the statements made therein.

(q) Intentional Actions Regarding Representations and Warranties. The City covenants that between the date hereof and the Closing it will not intentionally take actions which will cause the representations and warranties made in this Section to be untrue as of the Closing.

(r) Financial Advisor. The City has engaged Hilltop Securities Inc., as its financial advisor (the "Financial Advisor") in connection with its offering and issuance of the Bonds.

By delivering the Limited Offering Memorandum to the Underwriter, the City shall be deemed to have reaffirmed, with respect to the Limited Offering Memorandum, the representations, warranties and covenants set forth above.

6. The Closing. At 10:00 a.m., Central time, on the Closing Date, or at such other time or on such earlier or later business day as shall have been mutually agreed upon by the City and the Underwriter, (i) the City will deliver or cause to be delivered to DTC through its "FAST" System, the Bonds in the form of one fully registered Bond for each maturity, registered in the name of Cede & Co., as nominee for DTC, duly executed by the City and authenticated by the Trustee as provided in the Indenture, and (ii) the City will deliver the closing documents hereinafter mentioned to Bond Counsel, or a place to be mutually agreed upon by the City and the Underwriter. Settlement will be through the facilities of DTC. The Underwriter will accept delivery and pay the purchase price of the Bonds as set forth in Section 1 hereof by wire transfer in federal funds payable to the order of the City or its designee. These payments and deliveries, together with the delivery of the aforementioned documents, are herein called the "Closing." The Bonds will be made available to the Underwriter or Underwriter's Counsel (as defined herein) for inspection not less than twenty-four (24) hours prior to the Closing.

7. Underwriter's Closing Conditions. The Underwriter has entered into this Agreement in reliance upon the representations and covenants herein and the performance by the City of its obligations under this Agreement, both as of the date hereof and as of the Closing Date. Accordingly, the Underwriter's obligations under this Agreement to purchase, accept delivery of, and pay for the Bonds shall be conditioned upon the performance by the City of its obligations to be performed hereunder at or prior to Closing and shall also be subject to the following additional conditions:

(a) Bring-Down Representations of the City. The representations and covenants of the City contained in this Agreement shall be true and correct in all material respects as of the date hereof and at the time of the Closing, as if made on the Closing Date.

(b) Executed Agreements and Performance Thereunder. At the time of the Closing (i) the City Documents shall be in full force and effect, and shall not have been amended, modified, or supplemented except with the written consent of the Underwriter; (ii) the Authorizing Documents shall be in full force and effect; (iii) there shall be in full force and effect such other resolutions or actions of the City as, in the opinion of Bond Counsel and Underwriter's Counsel, shall be necessary on or prior to the Closing Date in connection with the transactions on the part of the City described in this Agreement and the City Documents; and (iv) the City shall perform or have performed its obligations required or specified in the City Documents to be performed at or prior to Closing.

(c) No Default. At the time of the Closing, no default shall have occurred or be existing and no circumstances or occurrences that, with the passage of time or giving of notice, shall constitute an event of default under this Agreement, the Indenture, the City

Documents or other documents relating to the financing and construction of the Major Improvement Area Improvements and the District.

(d) Concurrent Closing of the Neighborhood Improvement Area #1 Refunding Bonds. The City shall issue concurrently with the issuance of the Bonds its "City of Celina, Texas, Special Assessment Revenue Refunding Bonds, Series 2024 (Sutton Fields II Public Improvement District Neighborhood Improvement Area #1 Project)."

(e) Closing Documents. At or prior to the Closing, the Underwriter or Underwriter's Counsel shall have received each of the documents required under Section 8 below.

(f) Termination Events. The Underwriter shall have the right to cancel its obligation to purchase the Bonds and to terminate this Agreement without liability therefor by written notification to the City if, between the date of this Agreement and the Closing, in the Underwriter's sole and reasonable judgment, any of the following shall have occurred:

(i) the market price or marketability of the Bonds, or the ability of the Underwriter to enforce contracts for the sale of the Bonds, shall be materially adversely affected by the occurrence of any of the following:

(1) legislation shall have been introduced in or enacted by the Congress of the United States or adopted by either House thereof, or legislation pending in the Congress of the United States shall have been amended, or legislation shall have been recommended to the Congress of the United States or otherwise endorsed for passage (by press release, other form of notice, or otherwise) by the President of the United States, the Treasury Department of the United States, or the Internal Revenue Service or legislation shall have been proposed for consideration by either the U.S. Senate Committee on Finance or the U.S. House of Representatives Committee on Ways and Means or legislation shall have been favorably reported for passage to either House of the Congress of the United States by a Committee of such House to which such legislation has been referred for consideration, or a decision by a court of the United States or the Tax Court of the United States shall be rendered or a ruling, regulation, or official statement (final, temporary, or proposed) by or on behalf of the Treasury Department of the United States, the Internal Revenue Service, or other federal agency shall be made, which would result in federal taxation of revenues or other income of the general character expected to be derived by the City or upon interest on securities of the general character of the Bonds or which would have the effect of changing, directly or indirectly, the federal income tax consequences of receipt of interest on securities of the general character of the Bonds in the hands of the holders thereof, and which in either case, makes it, in the reasonable judgment of the Underwriter, impracticable or inadvisable to proceed with the offer, sale, or delivery of

the Bonds on the terms and in the manner described in the Limited Offering Memorandum; or

(2) legislation shall be enacted by the Congress of the United States, or a decision by a court of the United States shall be rendered, or a stop order, ruling, regulation or official statement by, or on behalf of, the Securities and Exchange Commission or any other governmental agency having jurisdiction of the subject matter shall be issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Bonds, or the issuance, offering or sale of the Bonds, including all underlying obligations, as described herein or by the Limited Offering Memorandum, is in violation or would be in violation of, or that obligations of the general character of the Bonds, or the Bonds, are not exempt from registration under, any provision of the federal securities laws, including the Securities Act of 1933, as amended and as then in effect (the "Securities Act"), or that the Indenture needs to be qualified under the Trust Indenture Act of 1939, as amended and as then in effect (the "Trust Indenture Act"); or

(3) a general suspension of trading in securities on the New York Stock Exchange, the establishment of minimum prices on such exchange, the establishment of material restrictions (not in force as of the date hereof) upon trading securities generally by any governmental authority or any national securities exchange, a general banking moratorium declared by federal, State of New York, or State officials authorized to do so; or

(4) there shall have occurred any outbreak of hostilities (including, without limitation, an act of terrorism) or other national or international calamity or crisis, including, but not limited to, an escalation of hostilities that existed prior to the date hereof, and the effect of any such event on the financial markets of the United States shall be such as would make it impracticable, in the reasonable judgment of the Underwriter, for it to sell the Bonds on the terms and in the manner contemplated by the Limited Offering Memorandum; or

(5) there shall have occurred since the date of this Agreement any materially adverse change in the affairs or financial condition of the City, except as disclosed in or contemplated by the Limited Offering Memorandum; or

(6) any state blue sky or securities commission or other governmental agency or body in any state in which more than 10% of the Bonds have been offered and sold shall have withheld registration, exemption or clearance of the offering of the Bonds as described herein, or issued a stop order or similar ruling relating thereto; or

(7) any amendment to the federal or state Constitution or action by any federal or state court, legislative body, regulatory body, or other authority materially adversely affecting the tax status of the City, its property, income, securities (or interest thereon), or the validity or enforceability of the Assessments pledged to pay principal of and interest on the Bonds; or

(ii) the New York Stock Exchange or other national securities exchange or any governmental authority shall impose, as to the Bonds or as to obligations of the general character of the Bonds, any material restrictions not now in force, or increase materially those now in force, with respect to the extension of credit by, or the charge to the net capital requirements of the Underwriter; or

(iii) any event occurring, or information becoming known which, in the reasonable judgment of the Underwriter, makes untrue in any material respect any statement or information contained in the Limited Offering Memorandum, or has the effect that the Limited Offering Memorandum contains any untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, which change shall occur subsequent to the date of this Agreement and shall not be due to the malfeasance, misfeasance or nonfeasance of the Underwriter; or

(iv) any fact or event shall exist or have existed that, in the Underwriter's reasonable judgment, requires or has required an amendment of or supplement to the Limited Offering Memorandum; or

(v) a general banking moratorium shall have been declared by federal or State authorities having jurisdiction and shall be in force as of the Closing Date; or

(vi) a material disruption in securities settlement, payment or clearance services shall have occurred; or

(vii) a decision by a court of the United States shall be rendered, or a stop order, release, regulation or no-action letter by or on behalf of the United States Securities and Exchange Commission (the "SEC") or any other governmental agency having jurisdiction of the subject matter shall have been issued or made, to the effect that the issuance, offering or sale of the Bonds, including the underlying obligations as contemplated by this Agreement or by the Limited Offering Memorandum, or any document relating to the issuance, offering or sale of the Bonds, is or would be in violation of any provision of the federal securities laws on the Closing Date, including the Securities Act, the Securities Exchange Act of 1934 (the "Securities Exchange Act") and the Trust Indenture Act; or

(viii) there shall have occurred or any published notice shall have been given of any intended review for possible downgrade, downgrading, suspension, withdrawal, or negative change in credit watch status by any national rating service

to any of the City's obligations that are secured in a like manner as the Bonds (including the ratings to be accorded to the Bonds); and

(ix) the purchase of and payment for the Bonds by the Underwriter, or the resale of the Bonds by the Underwriter, on the terms and conditions herein provided shall be prohibited by any applicable law, governmental authority, board, agency or commission, which prohibition shall occur subsequent to the date hereof and shall not be due to the malfeasance, misfeasance, or nonfeasance of the Underwriter.

With respect to the conditions described in subparagraphs (ii), (vii) and (viii) above, the Underwriter is not aware of any current, pending or proposed law or government inquiry or investigation as of the date of execution of this Agreement which would permit the Underwriter to invoke its termination rights hereunder.

8. Closing Documents. At or prior to the Closing, the Underwriter or Underwriter's Counsel shall receive the following documents:

(a) Bond Opinion. The approving opinion of Bond Counsel, dated the Closing Date and substantially in the form included as Appendix C to the Limited Offering Memorandum, together with a reliance letter from Bond Counsel, dated the date of the Closing and addressed to the Underwriter, which may be included in the supplemental opinion required by Section 8(b), to the effect that the foregoing opinion may be relied upon by the Underwriter to the same extent as if such opinion were addressed to it.

(b) Supplemental Opinion. A supplemental opinion of Bond Counsel dated the Closing Date and addressed to the City and the Underwriter, in form and substance acceptable to Underwriter's Counsel, to the following effect:

(i) Except to the extent noted therein, Bond Counsel has not verified and is not passing upon, and does not assume any responsibility for, the accuracy, completeness or fairness of the statements and information contained in the Limited Offering Memorandum but that Bond Counsel has reviewed the statements and information describing the Bonds and appearing in the Limited Offering Memorandum under the captions or subcaptions "PLAN OF FINANCE," "DESCRIPTION OF THE BONDS," "SECURITY FOR THE BONDS" (except for the last paragraph under the subcaption "General"), "ASSESSMENT PROCEDURES" (except for the subcaptions "Assessment Methodology" and "Assessment Amounts") "THE DISTRICT," "TAX MATTERS," "LEGAL MATTERS — Legal Proceedings," "LEGAL MATTERS — Legal Opinions," "CONTINUING DISCLOSURE – The City," "REGISTRATION AND QUALIFICATION OF BONDS FOR SALE," "LEGAL INVESTMENT AND ELIGIBILITY TO SECURE PUBLIC FUNDS IN TEXAS" and APPENDIX A and Bond Counsel is of the opinion that the information relating to the Bonds, the Bond Ordinance, the Assessment Ordinance and the Indenture contained therein fairly and accurately describes the laws and legal issues addressed therein and, with respect to the Bonds, such information conforms to the Bond Ordinance, the Assessment Ordinance and the Indenture;

(ii) The Bonds are not subject to the registration requirements of the Securities Act, and the Indenture is exempt from qualification pursuant to the Trust Indenture Act;

(iii) On each respective date of adoption thereof, the City had full power and authority to adopt the Creation Resolution, the Assessment Ordinance, the Service and Assessment Plan update, and the Bond Ordinance (collectively, the foregoing documents are referred to herein as the "City Actions") and perform its obligations thereunder and the City Actions have been duly adopted, are in full force and effect and have not been modified, amended or rescinded; and

(iv) The Indenture, the City Disclosure Agreement, and this Agreement have been duly authorized, executed and delivered by the City and, assuming the due authorization, execution and delivery of such instruments, documents, and agreements by the other parties thereto, constitute the legal, valid, and binding agreements of the City, enforceable in accordance with their respective terms, except as enforcement thereof may be limited by bankruptcy, insolvency, or other laws affecting enforcement of creditors' rights, or by the application of equitable principles if equitable remedies are sought and to the application of Texas law relating to governmental immunity applicable to local governmental entities.

(c) City Legal Opinion. An opinion of an attorney for the City, dated the Closing Date and addressed to the Underwriter, Underwriter's Counsel, the City and the Trustee, with respect to matters relating to the City, substantially in the form of Appendix B hereto or in form otherwise agreed upon by the Underwriter.

(d) City Certificate. A certificate of the City, dated the Closing Date, to the effect that, to the best of an authorized City official's knowledge:

(i) the representations and warranties of the City contained herein and in the City Documents are true and correct in all material respects on and as of the Closing Date as if made on the date thereof;

(ii) the Authorizing Documents and City Documents are in full force and effect and have not been amended, modified, or supplemented;

(iii) except as disclosed in the Limited Offering Memorandum, no litigation or proceeding against the City is pending or, to the knowledge of such person, threatened in any court or administrative body nor is there a basis for litigation which would (a) contest the right of the members or officials of the City to hold and exercise their respective positions, (b) contest the due organization and valid existence of the City or the establishment of the District, (c) contest the validity, due authorization and execution of the Bonds or the City Documents, or (d) attempt to limit, enjoin or otherwise restrict or prevent the City from levying and collecting the Assessments pledged to pay the principal of and interest on the Bonds, or the pledge thereof; and

(iv) the City has, to such person's knowledge, complied with all agreements and covenants and satisfied all conditions set forth in the City Documents, on its part to be complied with or satisfied hereunder at or prior to the Closing.

(e) Trustee's Certificate. A certificate of the Trustee, dated the Closing Date and addressed to the Underwriter, the City and Bond Counsel, in form and substance acceptable to Underwriter's Counsel to the following effect:

(i) The Trustee is duly organized and validly existing as a national banking association organized under the laws of the United States of America, having the full power and authority, including trust powers, to accept and perform its duties under the Indenture; and

(ii) No consent, approval, authorization or other action by any governmental authority having jurisdiction over the Trustee that has not been obtained is or will be required for the authentication of the Bonds or the consummation by the Trustee of the other transactions contemplated to be performed by the Trustee in connection with the authentication of the Bonds and the acceptance and performance of the obligations created by the Indenture.

(f) Underwriter Counsel's Opinion. An opinion, dated the Closing Date and addressed to the Underwriter, of Locke Lord LLP ("Underwriter's Counsel"), to the effect that:

(i) based on (A) such counsel's review of the Bond Ordinance, the Indenture, and the Limited Offering Memorandum; (B) its discussions with Bond Counsel and with the Underwriter; (C) its review of the documents, certificates, opinions and other instruments delivered at the closing of the sale of the Bonds on the date hereof; and (D) such other matters as it deems relevant, such counsel is of the opinion that the Bonds are exempt securities under the Securities Act, and the Trust Indenture Act, and it is not necessary, in connection with the offering and sale of the Bonds, to register the Bonds under the Securities Act and the Indenture is not required to be qualified under the Trust Indenture Act;

(ii) based upon (A) such counsel's review of Rule 15c2-12 and interpretive guidance published by the SEC relating thereto; (B) its review of the continuing disclosure undertaking of the City contained in the City Disclosure Agreement; and (C) the inclusion in the Limited Offering Memorandum of a description of the specifics of such undertaking, and assuming that the Bond Ordinance, the Indenture, and the City Disclosure Agreement have been duly adopted by the City and are in full force and effect, such undertaking provides a suitable basis for the Underwriter, to make a reasonable determination that the City has met the qualifications of paragraph (b)(5)(i) of Rule 15c2-12; and

(iii) although such counsel has not verified and is not passing upon, and does not assume any responsibility for, the accuracy, completeness or fairness of the

information contained in the Limited Offering Memorandum, it has participated in the preparation of the Limited Offering Memorandum and without independent verification, no facts came to its attention that caused it to believe that the Limited Offering Memorandum (except for the Appendices as well as any other financial, engineering and statistical data contained therein or included therein by reference or any litigation disclosed therein, as to which it expresses no view) as of its date contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(j) Federal Tax Certificate. A certificate of the City in form and substance satisfactory to Bond Counsel and Underwriter's Counsel setting forth the facts, estimates and circumstances in existence on the Closing Date, which establish that it is not expected that the proceeds of the Bonds will be used in a manner that would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"), and any applicable regulations (whether final, temporary or proposed) issued pursuant to the Code.

(k) Attorney General Opinion and Comptroller Registration. The approving opinion of the Attorney General of the State regarding the Bonds and the Comptroller of the State's Certificate of Registration for the Initial Bond.

(t) BLOR. A copy of the Blanket Letter of Representation to DTC signed by the City.

(u) Additional Documents. Such additional legal opinions, certificates, instruments, and other documents as the Underwriter or their counsel may deem necessary.

9. City's Closing Conditions. The obligation of the City hereunder to deliver the Bonds shall be subject to receipt on or before the Closing Date of the purchase price set forth in Section 1 hereof, the Attorney General Opinion and the opinion of Bond Counsel described in Section 8(a) hereof.

10. Establishment of Issue Price.

(a) The Underwriter agrees to assist the City in establishing the issue price of the Bonds and shall execute and deliver to the City on or before Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Appendix B, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the City and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds. All actions to be taken by the City under this Section to establish the issue price of the Bonds may be taken on behalf of the City by the City's Financial Advisor identified herein and any notice or report to be provided to the City may be provided to the City's Financial Advisor or Bond Counsel.

(b) The Underwriter confirms that it has offered all the Bonds of each maturity to the public on or before the date of this Agreement at the respective offering price (the "initial offering price"), or at the corresponding yield or yields, set forth in Schedule I attached hereto, except as otherwise set forth therein. At or promptly after the execution of this Agreement, the Underwriter shall report to the City as of the sale date the first price at which the Underwriter has sold to the public at least 10% of each maturity of Bonds (the "10% test"), and shall identify to the City as of the sale date those maturities of the Bonds for which the 10% test has not been satisfied. If different interest coupons apply within a maturity, each separate CUSIP number within that maturity will be treated as a separate maturity for this purpose.

(c) The City and the Underwriter agree that the restrictions set forth in the next sentence shall apply to those maturities of the Bonds for which the 10% test has not been met as of the sale date, which will allow the City to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(1) the close of the fifth (5th) business day after the sale date; or

(2) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the City when the Underwriter has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if such sale occurs prior to the close of the fifth (5th) business day after the sale date.

(d) The Underwriter confirms that any selling group agreement and each third-party distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement, as applicable, to (A) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter and as set forth in the related pricing wires, (B) to promptly notify the Underwriter of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public, and (C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public. The City acknowledges that, in making the representation set forth in this subsection, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds,

as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that the Underwriter is a party to a third-party distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The City further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds.

(e) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this Section. Further, for purposes of this Section:

(i) "public" means any person other than an underwriter or a related party,

(ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public, and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),

(iii) a purchaser of any of the Bonds is a "related party to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) "sale date" means the date of execution of this Agreement by all parties.

11. Consequences of Termination. If the City shall be unable to satisfy the conditions contained in this Agreement or if the obligations of the Underwriter shall be terminated for any reason permitted by this Agreement, this Agreement shall terminate and the Underwriter and the

City shall have no further obligation hereunder, except as further set forth in Sections 12, 14, 15, 20 and 22 hereof.

12. Costs and Expenses.

(a) The Underwriter shall be under no obligation to pay, and the City shall cause to be paid from proceeds of the Bonds the following expenses incident to the issuance of the Bonds and performance of the City's obligations hereunder: (i) the costs of the preparation and printing of the Bonds; (ii) the cost of preparation, printing, and mailing of the Preliminary Limited Offering Memorandum, the final Limited Offering Memorandum and any supplements and amendments thereto; (iii) the fees and disbursements of the City's Financial Advisor and legal counsel, the Trustee's counsel, Bond Counsel and the Trustee relating to the issuance of the Bonds, (iv) the Attorney General's review fees, (v) the fees and disbursements of accountants, advisers and any other experts or consultants retained by the City, including but not limited to the fees and expenses of the Administrator, (vi) the fees, if any, for the Municipal Bond Insurance Policy, (vii) the expenses of the Refunded Bonds Paying Agent, and (viii) the expenses incurred by or on behalf of City employees and representatives that are incidental to the issuance of the Bonds and the performance by the City of its obligations under this Agreement.

(b) The Underwriter shall pay the following expenses: (i) all advertising expenses in connection with the limited offering of the Bonds; (ii) fees of Underwriter's Counsel; and (iii) all other expenses, including CUSIP fees (including out-of-pocket expenses and related regulatory expenses), incurred by it in connection with its public offering and distribution of the Bonds, except as noted in Subsection 12(a) above.

(c) The City acknowledges that the Underwriter will pay from the Underwriter's expense allocation of the underwriting discount the applicable per bond assessment charged by the Municipal Advisory Council of Texas, a nonprofit corporation whose purpose is to collect, maintain and distribute information relating to issuing entities of municipal securities.

13. Notice. Any notice or other communication to be given to the City under this Agreement may be given by delivering the same in writing to: City of Celina, Texas, 142 N. Ohio Street, Celina, Texas 75009, Attention: City Manager. Any notice or other communication to be given to the Underwriter under this Agreement may be given by delivering the same in writing to: FMSbonds, Inc., 5 Cowboys Way, Suite 300-25, Frisco, Texas 75034, Attention: Tripp Davenport, Director.

14. Entire Agreement. This Agreement is made solely for the benefit of the City and the Underwriter (including their respective successors and assigns), and no other person shall acquire or have any right hereunder or by virtue hereof. All of the City's representations, warranties, and agreements contained in this Agreement shall remain operative and in full force and effect regardless of: (i) any investigations made by or on behalf of the Underwriter, provided the City shall have no liability with respect to any matter of which the Underwriter has actual knowledge prior to the purchase of the Bonds; or (ii) delivery of any payment for the Bonds pursuant to this Agreement. The agreements contained in the last sentence of the penultimate

paragraph of Section 1, this Section and in Sections 15 and 17 shall survive any termination of this Agreement.

15. Survival of Representations and Warranties. All representations and warranties of the parties made in, pursuant to or in connection with this Agreement shall survive the execution and delivery of this Agreement, notwithstanding any investigation by the parties. All statements contained in any certificate, instrument, or other writing delivered by a party to this Agreement or in connection with the transactions described in or by this Agreement constitute representations and warranties by such party under this Agreement to the extent such statement is set forth as a representation and warranty in the instrument in question.

16. Counterparts. This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument.

17. Severability. In case any one or more of the provisions contained herein shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision hereof.

18. State Law Governs. The validity, interpretation, and performance of this Agreement shall be governed by the laws of the State of Texas.

19. No Assignment. The rights and obligations created by this Agreement shall not be subject to assignment by the Underwriter or the City without the prior written consent of the other parties hereto.

20. No Personal Liability. None of the members of the City Council, nor any officer, representative, agent, or employee of the City, shall be charged personally by the Underwriter with any liability, or be held liable to the Underwriter under any term or provision of this Agreement, or because of execution or attempted execution, or because of any breach or attempted or alleged breach of this Agreement.

21. Form 1295. Submitted herewith or on a date prior hereto is a completed Form 1295 in connection with the Underwriter's participation in the execution of this Agreement generated by the Texas Ethics Commission's (the "TEC") electronic filing application in accordance with the provisions of Section 2252.908 of the Texas Government Code and the rules promulgated by the TEC (the "Form 1295"). The City hereby confirms receipt of the Form 1295 from the Underwriter, and the City agrees to acknowledge such form with the TEC through its electronic filing application not later than the 30th day after the receipt of such form. The Underwriter and the City understand and agree that, with the exception of information identifying the City and the contract identification number, neither the City nor its consultants are responsible for the information contained in the Form 1295; that the information contained in the Form 1295 has been provided solely by the Underwriter; and, neither the City nor its consultants have verified such information.

22. Statutory Verifications. The Underwriter makes the following representations and covenants pursuant to Chapters 2252, 2271, 2274, and 2276, Texas Government Code, as heretofore amended (the "Government Code"), in entering into this Agreement. As used in such

verifications, "affiliate" means an entity that controls, is controlled by, or is under common control with the Underwriter within the meaning of SEC Rule 405, 17 C.F.R. § 230.405, and exists to make a profit. Liability for breach of any such verification prior to the expiration or earlier termination of this Agreement shall survive until barred by the applicable statute of limitations, and shall not be liquidated or otherwise limited by any provision of this Agreement, notwithstanding anything in this Agreement to the contrary.

(a) Not a Sanctioned Company. The Underwriter represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Government Code. The foregoing representation excludes the Underwriter and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization.

(b) No Boycott of Israel. The Underwriter hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and will not boycott Israel during the term of this Agreement. As used in the foregoing verification, "boycott Israel" has the meaning provided in Section 2271.001, Government Code.

(c) No Discrimination Against Firearm Entities. The Underwriter hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate against a firearm entity or firearm trade association during the term of this Agreement. As used in the foregoing verification, "discriminate against a firearm entity or firearm trade association" has the meaning provided in Section 2274.001(3), Government Code.

(d) No Boycott of Energy Companies. The Underwriter hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and will not boycott energy companies during the term of this Agreement. As used in the foregoing verification, "boycott energy companies" has the meaning provided in Section 2276.001(1), Government Code.

23. Term of this Agreement. Except for the representations and warranties designated as surviving the term of the Agreement, the term of this Agreement shall end on the 25th day after the end of the underwriting period.

24. Attorney General Standing Letter. The Underwriter represents that it has, or will have prior to the date of Closing, on file with the Texas Attorney General a standing letter addressing the representation and verifications contained in Section 221 of this Agreement in a form accepted by the Texas Attorney General. In addition, if the Underwriter or the parent company, a wholly- or majority-owned subsidiary or another affiliate of such Underwriter receives or has received a letter from the Texas Comptroller of Public Accounts pursuant to Chapter 809, Texas Government Code seeking written verification that it does not boycott energy companies (a

"Comptroller Request Letter"), such Underwriter shall promptly notify the City and Bond Counsel (if it has not already done so) and provide to the City or Bond Counsel, two business days prior to Closing and additionally upon request by the City or Bond Counsel, written verification to the effect that its standing letter described in the preceding sentence remains in effect and may be relied upon by the City and the Texas Attorney General (the "Bringdown Verification"). The Bringdown Verification shall also confirm that such Underwriter (or the parent company, a wholly- or majority-owned subsidiary or other affiliate of the Underwriter that received the Comptroller Request Letter) intends to timely respond or has timely responded to the Comptroller Request Letter. Ladies and Gentlemen:

This firm has acted as special counsel to the City of Celina, Texas (the "City") and are rendering this opinion for limited purposes in connection with the issuance and sale of $[PAR AMOUNT] "City of Celina, Texas, Special Assessment Revenue Refunding Bonds, Series 2024 (Sutton Fields II Public Improvement District Major Improvement Area Project)" (the "Bonds"), by the City, a political subdivision of the State of Texas.

The Bonds are authorized pursuant to Ordinance No. [_____] and enacted by the City Council of the City (the "City Council") on August 13, 2024 (the "Bond Ordinance") and shall be issued pursuant to the provisions of Chapter 1207, Texas Government Code, and as amended Subchapter A of the Public Improvement District Assessment Act, Chapter 372, Texas Local Government Code, as amended (the "Act") and the Indenture of Trust dated as of August 1, 2024 (the "Indenture") by and between the City and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"). This opinion is being delivered pursuant to Section 8(c) of the Bond Purchase Agreement. Capitalized terms not defined herein shall have the same meanings as in the Indenture, unless otherwise stated herein.

In connection with rendering this opinion, we have reviewed the following (collectively, the "Reviewed Documents"):

(a) Resolution No. 2015-51R (the "Creation Resolution"), enacted by the City Council on October 7, 2015.

(b) The Assessment Ordinance.

(c) The Bond Ordinance.

In rendering the opinions expressed below, we have, with your concurrence and without any inquiry or other investigation, made and relied upon the following assumptions: (a) the due authorization, execution and delivery of each of the Reviewed Documents by all parties thereto other than the City; (b) the genuineness of all signatures to the Reviewed Documents; (c) the correctness and truthfulness of all the statements of fact contained in the Reviewed Documents; (d) the authenticity of the Reviewed Documents; (e) the conformity to original documents of the Reviewed Documents submitted to us as copies; and (f) the additional assumptions set forth on **Exhibit A** attached to this letter and the exclusions set forth on **Exhibit B** attached to this letter. Our opinions are limited to matters expressly stated herein and no opinion is to be inferred or may be implied beyond the matters expressly stated.

In rendering the opinions set forth below, we have also relied upon: (a) the representations and warranties contained in the Reviewed Documents; (b) the resolutions and other documents of the parties to the Reviewed Documents authorizing or approving the Reviewed Documents; and (c) the Administrator Letter of Representations delivered pursuant to the Bond Purchase Agreement (collectively, the "Reliance Materials"). We have not made any independent or other investigation, review, analysis, or inquiry as to any of the facts, matters, circumstances or legal opinions or conclusions contained in the Reviewed Documents or Reliance Materials or the accuracy or completeness thereof. Additionally, we have assumed that none of the Reviewed Documents or Reliance Materials contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements made, in the light of the circumstances in which they are made, not misleading. We have not made any examination of any accounting or financial matters, and we express no opinion with respect thereto.

The opinions expressed herein are subject to the correctness in understanding that no beneficiary to this opinion letter may rely on this opinion letter to the extent that such beneficiary or its counsel has actual knowledge of any (a) applicable laws, facts, or circumstances which would make any opinion expressed herein incorrect, subject to question, or require further investigation of any laws, facts or circumstances and (b) judicial decisions which would make the opinions set forth herein incorrect.

Whenever our opinion or advice with respect to the existence or absence of facts is indicated to be based on our knowledge, we are referring to the actual knowledge of the Messer Fort, PLLC attorneys who have given attention to matters concerning the City during the course of our representation of the City in connection with the Reviewed Documents, which knowledge

has been obtained by such attorneys in their capacity as such. In particular, our response does not include matters known to any attorney of our firm in a capacity other than as City Attorney for the City. In basing the opinions and other matters set forth herein on "our knowledge," the words "our knowledge," "actual knowledge" and similar expressions involved in the current actual transaction do not have actual knowledge or actual notice that nay such opinions or other matters are not accurate or that any of the documents, certificates, reports and information on which we have read are not accurate and complete. Further, the words "our knowledge," "our actual knowledge" and similar expressions used in this opinion letter are intended to be limited to the actual knowledge of our firm who have been directly involved in representing the City. We have not undertaken any independent investigation to determine the existence or absence of such facts, and no inference as to our knowledge concerning such facts should be drawn from the fact that such limited representation has been undertaken by us.

Based upon and subject to the foregoing and the additional qualifications and assumptions set forth herein, we are of the opinion that:

1. The City is a Texas political subdivision and has all necessary power and authority to enter into and perform its obligations under the Reviewed Documents. The City has taken or obtained all actions, approvals, consents and authorizations required of it by applicable laws in connection with the execution of the Reviewed Documents and the performance of its obligations thereunder.

2. To the best of our knowledge, there is no action, suit, proceeding, inquiry or investigation at law or in equity, before or by any court, public board or body, pending, or threatened against the City: (a) affecting the existence of the City or the titles of its officers to their respective offices, (b) in any way questioning the formation or existence of the District, (c) affecting, contesting or seeking to prohibit, restrain or enjoin the delivery of any of the Bonds, or the payment, collection or application of any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, including the Assessments in the Major Improvement Area of the District pursuant to the provisions of the Assessment Ordinance and the Service and Assessment Plan referenced therein, (d) contesting or affecting the validity or enforceability or the City's performance of the Reviewed Documents, (e) contesting the exclusion of the interest on the Bonds from federal income taxation, or (f) which may result in any material adverse change relating to the financial condition of the City.

3. The Reviewed Documents have been duly authorized, executed and delivered by the City and remain legal, valid and binding obligations of the City enforceable against the City in accordance with their terms. However, the enforceability of the obligations of the City under such Reviewed Documents may be limited or otherwise affected by (a) bankruptcy, insolvency, reorganization, moratorium and other laws affecting the rights of creditors generally, (b) principles of equity, whether considered at law or in equity, or (c) the application of Texas law relating to action by future councils and relating to governmental immunity applicable to governmental entities.

4. The performance by the City of the obligations under the Reviewed Documents will not violate any provision of any Federal or Texas constitutional or statutory provision.

5. No further consent, approval, authorization, or order of any court or governmental agency or body or official is required to be obtained by the City as a condition precedent to the performance by the City of its obligations under the Reviewed Documents.

6. Based upon our limited participation in the preparation of the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum (collectively, the "Limited Offering Memorandum"), the statements and information contained in the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum with respect to the City under the captions and subcaptions "ASSESSMENT PROCEDURES — Assessment Methodology" and "— Assessment Amounts," "THE CITY," "THE DISTRICT," "ASSESSMENT COLLECTION DATA AND TAXABLE VALUE HISTORY IN THE MAJOR IMPROVEMENT AREA OF THE DISTRICT," "LEGAL MATTERS — Litigation – The City," "CONTINUING DISCLOSURE — The City" and " — The City's Compliance with Prior Undertakings" and "APPENDIX A" are a fair and accurate summary of the laws and the documents and facts summarized therein.

7. The execution and delivery of the Reviewed Documents and the compliance with the provisions of the Reviewed Documents under the circumstances contemplated thereby, to the best of our knowledge: (a) do not and will not in any material respect conflict with or constitute on the part of the City a breach of or default under any agreement to which the City is a party or by which it is bound, and (b) do not and will not in any material respect conflict with or constitute on the part of the City a violation, breach of or default under any existing law, regulation, court order or consent decree to which the City is subject.

The foregoing opinions are, with your concurrence, predicated on, limited by and qualified in their entirety by the following:

SECTION 3. Provision of Annual Issuer Reports.

(a) The Issuer shall cause and hereby directs the Dissemination Agent to provide or cause to be provided to the MSRB, in the electronic or other format required by the MSRB, commencing with the Fiscal Year ending September 30, 2024, an Annual Issuer Report provided to the Dissemination Agent which is consistent with the requirements of and within the time periods specified in Section 4 of this Disclosure Agreement. The audited financial statements of the Issuer, if prepared and when available, may be submitted separately from the Annual Issuer Report, and may be submitted later than the date required in this paragraph for the filing of the Annual Issuer Report if audited financial statements are not available by that date. If, however, the audited financial statements are not complete by the deadline specified in Section 4(a), then the Issuer shall provide unaudited financial statements within such period. In each case, the Annual Issuer Report may be submitted as a single document or as separate documents comprising a package and may include by reference other information as provided in Section 4 of this Disclosure Agreement. If the Issuer's Fiscal Year changes, it shall file notice of such change (and of the date of the new Fiscal Year) with the MSRB prior to the next date by which the Issuer otherwise would be required to provide the Annual Issuer Report pursuant to this paragraph. All documents provided to the MSRB shall be accompanied by identifying information as prescribed by the MSRB.

Not later than ten (10) days prior to the Filing Due Date, the Issuer shall provide the Annual Issuer Report to the Dissemination Agent. Upon such reminder, the Disclosure Representative shall either (i)

provide the Dissemination Agent with an electronic copy of the Annual Issuer Report no later than two (2) Business Days prior to the filing date required under Section 4 of this Disclosure Agreement; or (ii) instruct the Dissemination Agent in writing that the Issuer will not be able to provide the Annual Issuer Report within the time required under this Disclosure Agreement, state the date by which the Annual Issuer Report for such year will be provided and instruct the Dissemination Agent to immediately send a notice to the MSRB in substantially the form attached as Exhibit A; provided, however, that in the event the Disclosure Representative is required to act under either (i) or (ii) described above, the Dissemination Agent still must file the Annual Issuer Report or the notice of failure to file, as applicable, to the MSRB, no later than six months after the end of each Fiscal Year; provided further, however, that in the event the Disclosure Representative fails to act under either (i) or (ii) described above, the Dissemination Agent shall file a notice of failure to file no later than on the last Business Day of the six month period after the end of the Fiscal Year.

(b) The Issuer shall or shall cause the Dissemination Agent to:

(i) determine the filing address or other filing location of the MSRB each year prior to filing the Annual Issuer Report on the date required in subsection (a);

(ii) file the Annual Issuer Report containing or incorporating by reference the information set forth in Section 4 hereof; and

(iii) if the Issuer has provided the Dissemination Agent with the completed Annual Issuer Report and the Dissemination Agent has filed such Annual Issuer Report with the MSRB, then the Dissemination Agent shall file a report with the Issuer certifying that the Annual Issuer Report has been provided pursuant to this Disclosure Agreement, stating the date it was provided and that it was filed with the MSRB.

For these purposes, any event described in the immediately preceding paragraph (12) is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the Issuer in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Issuer, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the

supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Issuer.

Upon the occurrence of a Listed Event, the Issuer shall promptly notify the Dissemination Agent in writing and the Issuer shall direct the Dissemination Agent to file a notice of such occurrence with the MSRB. The Dissemination Agent shall file such notice no later than the Business Day immediately following the day on which it receives written notice of such occurrence from the Issuer. Any such notice is required to be filed within ten (10) Business Days of the occurrence of such Listed Event.

Any notice under the preceding paragraphs shall be accompanied with the text of the disclosure that the Issuer desires to make, the written authorization of the Issuer for the Dissemination Agent to disseminate such information as provided herein, and the date the Issuer desires for the Dissemination Agent to disseminate the information (which date shall not be more than ten (10) Business Days after the occurrence of the Listed Event or failure to file).

In all cases, the Issuer shall have the sole responsibility for the content, design and other elements comprising substantive contents of all disclosures made under this Section 5. In addition, the Issuer shall have the sole responsibility to ensure that any notice required to be filed under this Section 5 is filed within ten (10) Business Days of the occurrence of the Listed Event.

(b) The Dissemination Agent shall, within one (1) Business Day of obtaining actual knowledge of the occurrence of any Listed Event with respect to the Bonds, notify the Disclosure Representative of such Listed Event. The Dissemination Agent shall not be required to file a notice of the occurrence of such Listed Event with the MSRB unless and until it receives written instructions from the Disclosure Representative to do so. If the Dissemination Agent has been instructed by the Disclosure Representative on behalf of the Issuer to report the occurrence of a Listed Event under this subsection (b), the Dissemination Agent shall immediately file a notice of such occurrence with the MSRB. It is agreed and understood that the duty to make or cause to be made the disclosures herein is that of the Issuer and not that of the Trustee or the Dissemination Agent. It is agreed and understood that the Dissemination Agent has agreed to give the foregoing notice to the Issuer as an accommodation to assist it in monitoring the occurrence of such event, but is under no obligation to investigate whether any such event has occurred. As used above, "actual knowledge" means the actual fact or statement of knowing, without a duty to make any investigation with respect thereto. In no event shall the Dissemination Agent be liable in damages or in tort to the Issuer, the Participating Underwriter, the Trustee, or any Owner or beneficial owner of any interests in the Bonds as a result of its failure to give the foregoing notice or to give such notice in a timely fashion.

(c) If in response to a notice from the Dissemination Agent under subsection (b), the Issuer determines that the Listed Event under number 2, 7, 8 (as to Bond calls only), 10, 13, 14 or 15 of subparagraph (a) above is <u>not</u> material under applicable federal securities laws, the Issuer shall promptly notify the Dissemination Agent and the Trustee (if the Dissemination Agent is not the Trustee) in writing and instruct the Dissemination Agent not to report the occurrence pursuant to subsection (b).

(d) In addition to the Listed Events above, the Issuer shall provide to the Dissemination Agent filing with the MSRB period reporting on delinquencies and collection activities related to delinquent

Assessments and foreclosure activities in the Major Improvement Area of the District as provided in Exhibit C hereto.

SECTION 6. Termination of Reporting Obligations. The obligations of the Issuer, the Administrator and the Dissemination Agent under this Disclosure Agreement shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds, when the Issuer is no longer an obligated person with respect to the Bonds, or upon delivery by the Disclosure Representative to the Dissemination Agent of an opinion of nationally recognized bond counsel to the effect that continuing disclosure is no longer required. So long as any of the Bonds remain Outstanding, the Dissemination Agent may assume that the Issuer is an obligated person with respect to the Bonds until it receives written notice from the Disclosure Representative stating that the Issuer is no longer an obligated person with respect to the Bonds, and the Dissemination Agent may conclusively rely upon such written notice with no duty to make investigation or inquiry into any statements contained or matters referred to in such written notice. If such termination occurs prior to the final maturity of the Bonds, the Issuer shall give notice of such termination in the same manner as for a Listed Event with respect to such series of Bonds under Section 5(a).

SECTION 7. Dissemination Agent. The Issuer may, from time to time, appoint or engage a Dissemination Agent or successor Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement, and may discharge such Dissemination Agent, with or without appointing a successor Dissemination Agent. If at any time there is not any other designated Dissemination Agent, the Issuer shall be the Dissemination Agent. The initial Dissemination Agent appointed hereunder shall be HTS Continuing Disclosure Services, a division of Hilltop Securities Inc.

SECTION 8. Amendment; Waiver. Notwithstanding any other provisions of this Disclosure Agreement, the Issuer and the Dissemination Agent may amend this Disclosure Agreement (and the Dissemination Agent shall not unreasonably withhold its consent to any amendment so requested by the Issuer), and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Sections 3(a), 4, or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the delivery of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Owners of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Owners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Owners or beneficial owners of the Bonds.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Issuer shall describe such amendment in the next related Annual Issuer Report, and shall include, as applicable,

a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Issuer. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 5(a), and (ii) the Annual Issuer Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. No amendment which materially adversely affects the Dissemination Agent may be made without its prior written consent (which consent will not be unreasonably withheld or delayed).

SECTION 9. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Issuer Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Issuer chooses to include any information in any Annual Issuer Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the Issuer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Issuer Report or notice of occurrence of a Listed Event.

SECTION 10. Default. In the event of a failure of the Issuer to comply with any provision of this Disclosure Agreement, the Dissemination Agent may (and, at the request of any Participating Underwriter or the Owners of at least twenty-five (25%) aggregate principal amount of Outstanding Bonds, shall, upon being indemnified to its satisfaction), or any Owner or beneficial owner of the Bonds may, take such actions as may be necessary and appropriate to cause the Issuer, as the case may be, to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Indenture with respect to the Bonds, and the sole remedy under this Disclosure Agreement in the event of any failure of the Issuer to comply with this Disclosure Agreement shall be an action for mandamus or specific performance.

SECTION 11. Duties, Immunities and Liabilities of Dissemination Agent and Administrator.

(a) The Dissemination Agent shall not have any duty with respect to the content of any disclosures made pursuant to the terms hereof. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement, and no implied covenants shall be read into this Disclosure Agreement with respect to the Dissemination Agent. To the extent permitted by law, the Issuer agrees to hold harmless the Dissemination Agent, its officers, directors, employees and agents, but only with funds to be provided from Assessments collected from the property owners in the Major Improvement Area of the District, against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct. The obligations of the Issuer under this Section shall survive resignation or removal of the Dissemination Agent and payment in full of the Bonds. Nothing in this Disclosure Agreement shall be construed to mean or to imply that the Dissemination Agent is an "obligated person" under the Rule. The Dissemination Agent is not acting in a fiduciary capacity in connection with the performance of its respective obligations hereunder. The fact that the

Dissemination Agent may have a banking or other business relationship with the Issuer or any person with whom the Issuer contracts in connection with the transaction described in the Indenture, apart from the relationship created by the Indenture or this Disclosure Agreement, shall not be construed to mean that the Dissemination Agent has actual knowledge of any event described in Section 5 above, except as may be provided by written notice to the Dissemination Agent pursuant to this Disclosure Agreement.

(b) The Administrator shall not have any duty with respect to the content of any disclosures made pursuant to the terms hereof. The Administrator shall have only such duties as are specifically set forth in this Disclosure Agreement, and no implied covenants shall be read into this Disclosure Agreement with respect to the Administrator. To the extent permitted by law, the Issuer agrees to hold harmless the Administrator, its officers, directors, employees and agents, but only with funds to be provided from Assessments collected from the property owners in the Major Improvement Area of the District for Administrative Expenses, against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including reasonable attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Administrator's negligence or willful misconduct. The obligations of the Issuer under this Section shall survive resignation or removal of the Administrator and payment in full of the Bonds. Nothing in this Disclosure Agreement shall be construed to mean or to imply that the Administrator is an "obligated person" under the Rule. The Administrator is not acting in a fiduciary capacity in connection with the performance of its respective obligations hereunder. The Administrator shall not in any event incur any liability with respect to (i) any action taken or omitted to be taken in good faith upon advice of legal counsel given with respect to any question relating to duties and responsibilities of the Administrator hereunder, or (ii) any action taken or omitted to be taken in reliance upon any document delivered to the Administrator and believed to be genuine and to have been signed or presented by the proper party or parties.

(c) The Administrator may, from time to time, consult with legal counsel of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or their respective duties hereunder, and the Dissemination Agent and Administrator shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel.

UNDER NO CIRCUMSTANCES SHALL THE DISSEMINATION AGENT, THE ADMINISTRATOR OR THE ISSUER BE LIABLE TO THE OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE ISSUER, THE ADMINISTRATOR OR THE DISSEMINATION AGENT, RESPECTIVELY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS DISCLOSURE AGREEMENT, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE. THE DISSEMINATION AGENT AND THE ADMINISTRATOR ARE UNDER NO OBLIGATION NOR ARE THEY REQUIRED TO BRING SUCH AN ACTION.

SECTION 12. Assessment Timeline. Subject to the provisions of Section 5(d) hereof, the basic expected timeline for the collection of Assessments and the anticipated procedures for pursuing

the collection of delinquent Assessments is set forth in Exhibit C which is intended to illustrate the general procedures expected to be followed in enforcing the payment of delinquent Assessments.

SECTION 13. No Personal Liability. No covenant, stipulation, obligation or agreement of the Issuer, Administrator or Dissemination Agent contained in this Disclosure Agreement shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future council members, officer, agent or employee of the Issuer, Administrator or Dissemination Agent in other than that person's official capacity.

SECTION 14. Severability. In case any section or provision of this Disclosure Agreement, or any covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder or any application thereof, is for any reasons held to be illegal or invalid, such illegality or invalidity shall not affect the remainder thereof or any other section or provision thereof or any other covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder (except to the extent that such remainder or section or provision or other covenant, stipulation, obligation, agreement, act or action, or part thereof is wholly dependent for its operation on the provision determined to be invalid), which shall be construed and enforced as if such illegal or invalid portion were not contained therein, nor shall such illegality or invalidity of any application thereof affect any legal and valid application thereof, and each such section, provision, covenant, stipulation, obligation, agreement, act or action, or part thereof shall be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent permitted by law.

SECTION 15. Sovereign Immunity. The Dissemination Agent agrees that nothing in this Disclosure Agreement shall constitute or be construed as a waiver of the Issuer's sovereign or governmental immunities regarding liability or suit.

SECTION 16. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the Issuer, the Administrator, the Dissemination Agent, the Participating Underwriter, and the Owners and the beneficial owners from time to time of the Bonds, and shall create no rights in any other person or entity. Nothing in this Disclosure Agreement is intended or shall act to disclaim, waive or otherwise limit the duties of the Issuer under federal and state securities laws.

SECTION 17. Dissemination Agent Compensation. The fees and expenses incurred by the Dissemination Agent for its services rendered in accordance with this Disclosure Agreement constitute Administrative Expenses and will be included in the Annual Installments as provided in the annual updates to the Service and Assessment Plan. The Dissemination Agent has entered into a separate agreement with the Issuer, which agreement provides for the payment of the fees and expenses of the Dissemination Agent for its services rendered in accordance with this Disclosure Agreement.

SECTION 18. Administrator Compensation. The fees and expenses incurred by the Administrator for its services rendered in accordance with this Disclosure Agreement constitute Administrative Expenses and will be included in the Annual Installments as provided in the annual updates to the Service and Assessment Plan. The Administrator has entered into a separate agreement with the Issuer, which agreement governs the administration of the Major Improvement Area of the District, including the payment of the fees and expenses of the Administrator for its services rendered in accordance with this Disclosure Agreement.

SECTION 19. Governing Law. This Disclosure Agreement shall be governed by the laws of the State of Texas.

SECTION 20. Counterparts. This Disclosure Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

SECTION 21. Form 1295. Pursuant to Section 2252.908(c)(4), Texas Government Code, as amended, the Dissemination Agent hereby certifies it is a publicly traded business entity and is not required to file a Certificate of Interested Parties Form 1295 related to this Disclosure Agreement. The Issuer hereby confirms receipt of the Form 1295 from the Administrator, and the Issuer agrees to acknowledge such form with the TEC through its electronic filing application not later than the 30th day after the receipt of such form. The Administrator and the Issuer understand and agree that, with the exception of information identifying the Issuer and the contract identification number, neither the Issuer nor its consultant is responsible for the information contained in the Form 1295; that the information contained in the Form 1295 has been provided solely by the Administrator; and, neither the Issuer nor its consultant has verified such information.

SECTION 22. Statutory Verifications. The Dissemination Agent and Administrator each respectively makes the following representations and covenants pursuant to Chapters 2252, 2271, 2274, and 2276, Texas Government Code, as heretofore amended (the "Government Code"), in entering into this Disclosure Agreement. This would also occur after day 30 if it is apparent that a Reserve Fund draw is required. Further, if delinquencies exceed five percent (5%) Owners may also request a meeting with the Issuer at any time to discuss the Issuer's plan and progress on collection and foreclosure activity. I. PLAN DESCRIPTION AND DEFINED TERMS

A. INTRODUCTION

On October 13, 2015, (the "Creation Date") the City Council of the city of Celina, Texas (the "City") passed and approved Resolution No. 2015-51R approving and authorizing the creation of the Sutton Fields II Public Improvement District (the "PID") to finance the costs of certain public improvements for the benefit of property within the PID (the "Authorized Improvements"), which is located within the City.

Certain development standards have been established for the property within the PID pursuant to the terms and conditions of that certain Amended and Restated Sutton Fields Facilities and Development Agreement dated June 13, 2017 ("the Development Agreement"). The property in the PID is proposed to be developed in approximately five phases (including subphases), and the Assessments levied within the PID financed Authorized Improvements for each phase as each phase was developed. Assessments will be imposed on all property in each phase for the Authorized Improvements to be provided for that phase.

Chapter 372 of the Texas Local Government Code, the "Public Improvement District Assessment Act" (as amended, the "PID Act"), governs the creation and operation of public improvement districts within the State of Texas. This Sutton Fields II Public Improvement District Amended and Restated Service and Assessment Plan has been prepared in accordance with the PID Act and specifically Sections 372.013, 372.014, 372.015 and 372.016, which address the requirements of a service and assessment plan and the assessment roll. Section 372.015 of the PID Act requires that the "governing body of the municipality or county shall apportion the cost of an improvement to be assessed against property in an improvement district." The method of assessing the Authorized Improvement Costs and apportionment of such costs to the property in the PID is included in Section V.

Section 372.016 of the PID Act requires that "after the total cost of an improvement is determined, the governing body of the municipality or county shall prepare a proposed Assessment Roll. The roll must state the assessment against each parcel of land in the district, as determined by the method of assessment chosen by the municipality or county under this subchapter." The Assessment Rolls for the PID are included as Appendix E, Appendix F, Appendix G, Appendix H, Appendix I, and Appendix J (which consists of Appendix J-1, Appendix J-2, and Appendix J-3) of this Service and Assessment Plan. C. Descriptions and Costs of The Authorized Improvements that benefit Neighborhood Improvement Areas #2-5

The original plan for the PID anticipated the City as a customer of Upper Trinity Regional Water District (UTRWD) providing water to the properties in the PID. This plan has since changed and currently, the PID is being developed with Mustang Special Utility District ("MSUD") as its retail provider of water. The Major Improvements originally anticipated to be constructed and updates to the Major Improvements because of the change are described below:

The Neighborhood Improvement Areas #2-5 Major Improvements are described below and their Actual Costs are shown in Table III-A. The Neighborhood Improvement Areas #2-5 Major Improvement Bonds will only pay for Neighborhood Improvement Areas #2-5's share of the Major Improvements (approximately 79% except for the Offsite Sewer Improvements which are approximately 74%) as shown within Table III-A. The Actual Costs to construct the Major Improvements including the Off-Site Major Improvements is $11,520,649. The Actual Costs to construct the Neighborhood Improvement Areas #2-5 Major Improvements minus the Off-Site Sewer Major Improvements allocated to Neighborhood Improvement Areas #2-5 and as shown in Table V-B, is $10,611,272. The Actual Costs shown in Table III-A may be revised through Annual Service Plan Updates.

The Actual Costs for the Neighborhood Improvement Areas #2-5 Major Improvements are to be funded both from the proceeds of the Neighborhood Improvement Areas #2-5 Major Improvement Bonds as described herein and from funds contributed by the Developer.

1. Detention Ponds

Drainage System

Project shall consist of the construction of one (1) retention/detention pond, including excavation to a depth of 15-feet and the associated drainage improvements for each pond. Underground reinforced concrete storm sewer pipes, inlets and rock riprap protection at outfalls will also be installed at each pond. This project has been constructed according to City standards and specifications and is owned and operated by the City. The portion of these costs allocated to Neighborhood Improvement Areas #2-5 is $215,582.

Updates to the Drainage System Improvements:

According to Pettit Barazza, LLC (the "Project Engineer"), final design incorporated additional detention ponds, which are new projects. Storm drainage system associated with the detention ponds are included with these improvements and generally consists of reinforced concrete pipes and reinforced concrete boxes, along with headwalls and safety end treatments, erosion control such as riprap protection, and soil stabilization. The improvements were designed according to

City and the Texas Department of Transportation (TxDOT). The City maintains and operates the underground storm drainage system and the Homeowners' Association maintains and operates the detention ponds.

2. Paving

A. Road "A" Improvements

The Roadway 'A' portion of the project consists of the construction of approximately 240 linear feet of 6-inch thick, 36-foot wide, concrete pavement with curb and gutter and 3,280 linear feet of 6-inch thick, 44-foot wide, concrete pavement with curb and gutter. The concrete will be 3,600 pounds per square inch (psi) strength. 17,978 square yards (sy) of pavement sub-grade will be lime stabilized and compacted. Intersections, signage, lighting and re-vegetation of all disturbed areas within the right of way are included. This provides access from FM 1385 into the Sutton Fields Amenity Center and rest of the development.

B. Updates to the Roadway "A" Improvements:

According to the Project Engineer, Roadway "A" was renamed as Fenwick Trail. In addition, the final design includes 6-inch lime stabilization and 5-foot wide sidewalk and round concrete pipes are also included in the contracted quantities for Fenwick Trail improvements.

C. Road "F" Improvements

The Roadway 'F' portion of the project consists of the construction of 4 lanes divided concrete pavement with curb and gutter. The pavement sub-grade will be lime stabilized and compacted. Intersections, signage, lighting and re-vegetation of all disturbed areas within the right of way are included. This section is located within the project and provides north-south access to the entire development. The roadway improvements have constructed according to City standards.

D. Updates to the Roadway "F" Improvements:

The Project Engineer provided the following updates to the Roadway "F" Improvements:

The City required a second point of access for the current phases, which required the extension of Sutton Fields Boulevard to the north and partial construction of the intersection at Crutchfield Road. The southern end of Sutton Fields Boulevard was also extended to the end of the lots developed and platted with the current phases. 4-lane divided concrete pavement and 6-inch stabilized subgrade are currently under contract. The north and south extension of Sutton Fields Boulevard is a new project, not included in the initial list of Authorized Improvements for the PID and has been constructed according to City standards.

E. Road C1 – Crutchfield Road

The improvement of one-half (1/2) of Crutchfield Road (Road C1), from FM 1385 east to the intersection of Sutton Fields Boulevard, was required by the City as a second point of access to

the development through Sutton Fields Boulevard. The Roadway 'C1' portion of the project consists of the construction 4 lanes divided concrete pavement with curb and gutter. The pavement sub-grade will be lime stabilized and compacted. Intersections, signage, lighting and re-vegetation of all disturbed areas within the right of way are included. This section is located within the project and provides east-west access to the entire development. The improvement of Crutchfield Road is a new project that was not included in the initial list of Authorized Improvements for the PID and has been constructed according to City standards.

F. Road B – Boleyn Avenue

The City required the additional improvement of Boleyn Avenue as a condition of approval. The Roadway 'B' portion of the project consists of the construction of, 4 lanes divided concrete pavement with curb and gutter. The pavement sub-grade will be lime stabilized and compacted. Intersections, signage, lighting and re-vegetation of all disturbed areas within the right of way are included. This section is located within the project and provides a north access to the entire development. The construction of Boleyn Avenue is a new project that was not included in the initial list of Authorized Improvements for the PID and has been constructed according to City standards.

G. FM 1385

The FM 1385 roadway portion of the project consists of the construction left and right turn lanes within FM 1385 to enhance traffic turning movement in and out of the development. These improvements have been constructed to TX DOT, Denton County and City standards. These Improvements benefit the entire project.

H. Updates to the FM 1385 Improvements:

With the additional new project of Crutchfield Road (Road C1) Improvements by the City, an additional right turn lane was required. One (1) northbound right turn lane is being constructed at Fenwick Trail (Road A) and an additional one (1) northbound right turn lane at Crutchfield Road (Road C1) with the current phases. Both turn lanes consist of hot mix asphaltic concrete. The additional right turn lane is a new project that was not included in the initial list of Authorized Improvements for the PID.

As described above, MSUD continues to provide water and wastewater services to the properties in the PID, and holds the CCNs required for the PID.

Offsite Water

A. Water Distribution System

The City is a customer of the Upper Trinity Regional Water District ("UTRWD") and receives wholesale treated water through a major transmission line from the UTRWD Tom Harpool water treatment plant. Therefore, there are no water treatment plant upgrades required.

There is an existing 36-inch water transmission line located along the Western boundary of the project. The off-site improvements consist of constructing a new delivery point/ meter station, a 0.25 MG Ground Storage Tank, a 1.0 MG Elevated Storage Tank and a Pump Station with the required pumps to provide adequate pressure to the system. The combination of the Elevated and Ground Storage Tanks will provide the adequate storage capacity required by TCEQ and will also provide the required pressures for the entire system. Approximately 11,000 linear feet of 12-inch water line have been constructed as part of the water distribution system. All of the improvements benefit the Development. Additional waterline improvements include connection to the existing water-main, installation of associated 12-inch valves, fire hydrants, ductile iron fittings, erosion control, trench safety and testing. All water improvements have been constructed to City standards and specifications and all improvements are owned and operated by the City. These Improvements benefit Neighborhood Improvement Areas #2-5.

B. Updates to the Offsite Water Distribution System Improvements:

The original plan for the PID anticipated the City as a customer of Upper Trinity Regional Water District (UTRWD) providing water to the properties in the PID. This plan has since changed and currently, the PID is being developed with MSUD as its retail provider of water. The transition from UTRWD to MSUD resulted in the addition of 12-inch water lines along the future Tudor Place, and downsizing the proposed 12-inch water line along Fenwick Trail to an 8-inch water line. Also, a 12-inch water line was extended along the additional length of Sutton Fields Boulevard required by the City in conjunction with the current phase. The additional 12-inch water lines are new projects that were not included in the initial list of Authorized Improvements for the PID.

C. Elevated Storage Tank Engineering

Engineering for the Elevated Storage Tank would have started with NIA #1 to secure all necessary approvals, including TCEQ and the City. These Improvements would have benefitted the entire project.

The elevated storage tank is no longer required because of the transition from UTRWD to MSUD. As a result, the water distribution system was redesigned to accommodate the new points of connection and the elevated storage tank is no longer required for the PID.

3. Offsite Sewer

A. Sanitary Sewer

The City is a customer city of the Upper Trinity Regional Water District (UTRWD) and receives wastewater collection services by constructing a wastewater interceptor line and wastewater treatment services from the UTRWD collection point located at Parvin Road & Good Hope. UTRWD operates the Riverbend and Doe Creek wastewater treatment plants. The UTRWD treatment plant permit with the TCEQ has excess capacity to serve the Sutton Fields development. UTRWD is in the process of expanding both wastewater treatment plants.

This project consists of constructing 6-inch force main, associated lift station, 6,050 linear feet of 15-inch sanitary sewer gravity line, 1,250 linear feet of 12-inch sanitary sewer gravity line and 800 linear feet of 10-inch sanitary sewer gravity line generally flowing southeasterly along Parvin Road and connecting to the UTRWD collection point and Doe Creek/ Riverbend Wastewater Treatment Plants. Cutoff valves, air release valves have been constructed in accordance with City of Celina and TCEQ regulations. The gravity interceptor line has been designed to maintain the 3.0 fps minimum velocity. The line has been designed and constructed in accordance with the City's standards and specifications and is owned and operated by the City. The portion of the acquisition of this and other related costs allocated to Neighborhood Improvement Areas #2-3 is $909,377.

B. Updates to the Offsite Sanitary Sewer System Improvements:

The original plan for the PID anticipated the City as a customer of UTRWD providing wastewater collection services to the PID. This plan has since changed and currently, The PID has been developed with MSUD as its retail provider of wastewater collection services. As a result of this the transition from UTRWD to MSUD, the metering station at the UTRWD delivery point is no longer required because the offsite gravity sewer connects into an existing MSUD gravity line. The contracted quantities for the offsite sewer also includes gravity sanitary sewer mains from 8-inch to 24-inch diameters, along with a concrete encasement for crossing under Doe Creek, and removal and replacement of existing MSUD gravity lines to facilitate outfall. It also includes removal and replacement of existing fences.

4. Right of Way, Open Space, and Civic Site Land

Upon closing of the PID Bonds corresponding to the development of a certain number of lots, the City has paid a certain amount for the acquisition of the right-of-way, open space and civic site land comprising approximately 71.3 acres.

V. ASSESSMENT PLAN

A. INTRODUCTION

The PID Act requires the City Council to apportion the cost of the Authorized Improvements based on the special benefits conferred to each Parcel resulting from the Authorized Improvements. The PID Act provides that the costs of certain Authorized Improvements may be assessed: (i) equally per front foot or square foot; (ii) according to the value of the property as determined by the governing body, with or without regard to improvements on the property; or (iii) in any other manner that results in imposing equal shares of the cost on property similarly benefited. The PID Act further provides that the governing body may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the municipality and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

The City Council has determined that funding the Actual Costs through the PID is beneficial to the City. The Authorized Improvements result in a special benefit to the Assessed Property, and such special benefit exceeds the amount of the Assessment. This conclusion is supported by the information provided to the City Council regarding the PID.

The proposed bond issuance program entails a series of PID Bond financings that are intended to finance the Authorized Improvements required for the Project. This financing will necessarily be undertaken in phases to coincide with the private investment and development of the Authorized Improvements. Following the initial Neighborhood Improvement Area #1 Bonds and the Neighborhood Improvement Areas #2-5 Major Improvement Bonds issued in 2015, the Neighborhood Improvement Areas #2-3 Bonds were issued in 2019, the Neighborhood Improvement Area #4 Bonds were issued in 2020, and the Neighborhood Improvement Area #5 Bonds were issued in 2022. This Service and Assessment Plan is being updated to provide for the Neighborhood Improvement Areas #2-5 Major Improvement Refunding Bonds and the Neighborhood Improvement Area #1 Refunding Bonds being issued in 2024.

The purpose of this gradual issuance of PID Bonds is to mirror the actual private development of the Authorized Improvements. The PID Bonds to be issued are most prudently and efficiently utilized when directly coinciding with construction of public infrastructure needed for private development that is to occur once the infrastructure is completed; it is most effective to issue the PID Bonds when the infrastructure is needed, not before. Furthermore, there is no economic advantage, and several disadvantages to issuing debt and encumbering property within the PID prior to the need for the Authorized Improvements.

Additionally, phased issuance of debt will maintain a prudent value to lien ("VtL") within the financing program. In order to maintain a prudent VtL, the initial issuance of PID Bonds for a specific set of Authorized Improvements may not fund the entire desired level of public infrastructure because the property value is not high enough to support the entire debt load at the VtL chosen for the development. In that case, the Developer will need to fund the additional infrastructure costs with cash at closing. This cash investment by the Developer for certain Authorized Improvements can be reimbursed by a subsequent parity lien bond financing, secured

by the same assessments, once the assessed property is partially or fully developed and the value has increased sufficiently to permit the issuance of the additional bonds in a prudent fashion.

This section of this Service and Assessment Plan currently (i) describes the special benefit received by each Parcel within the PID as a result of the Neighborhood Improvement Areas #2-5 Major Improvements, Neighborhood Improvement Area #1 Improvements, Neighborhood Improvement Area #2 Improvements, Neighborhood Improvement Area #3 Improvements, Neighborhood Improvement Area #4 Improvements, Neighborhood Improvement Area #5A Improvements, and Neighborhood Improvement Area #5B Improvements (ii) provides the basis and justification for the determination that this special benefit exceeds the amount of the Assessments levied on the Neighborhood Improvement Area #1 Assessed Property, the Neighborhood Improvement Area #2 Assessed Property, the Neighborhood Improvement Area #3 Assessed Property, the Neighborhood Improvement Area #4 Assessed Property, the Neighborhood Improvement Area #5A Assessed Property, the Neighborhood Improvement Area #5B Property, and the Neighborhood Improvement Areas #2-5 Major Improvements Assessed Property for such Authorized Improvements, and (iii) establishes the methodologies by which the City Council allocates and reallocates the special benefit of the Neighborhood Improvement Areas #2-5 Major Improvements, Neighborhood Improvement Area #1 Improvements, Neighborhood Improvement Area #2 Improvements, Neighborhood Improvement Area #3 Improvements, Neighborhood Improvement Area #4 Improvements, Neighborhood Improvement Area #5A Improvements, and Neighborhood Improvement Area #5B Improvements to Parcels in a manner that results in equal shares of the Actual Costs of such Authorized Improvements being apportioned to Parcels similarly benefited. The determination by the City Council of the assessment methodologies set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Developer and all future owners and developers of the Assessed Property.

The Developer has acknowledged that the Authorized Improvements confer a special benefit on the Assessed Property and consented to the imposition of the Assessments to pay for the Actual Costs associated therewith. The Developer has ratified, confirmed, accepted, agreed to and approved: (i) the determinations and findings by the City Council as to the special benefits described herein and the Assessment Ordinance; (ii) the SAP and the Assessment Ordinance, and (iii) the levying of Assessments on the Assessed Property.

K. Annual Assessment Roll Updates

The Administrator shall prepare, and shall submit to the City Council for approval, updates to the Assessment Rolls and the Annual Service Plan Update to reflect changes such as (i) the identification of each Parcel or Lot (ii) the Assessment for each Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VII.G of this Service and Assessment Plan.

The Service and Assessment Plan Update shall reflect the actual interest on the PID Bonds on which the Annual Installments shall be paid, any reduction in the Assessments, and any revisions in the Actual Costs to be funded by the PID Bonds and Developer funds.

L. Assessments and Annual Installments

The Assessments have been levied on each Parcel or Lot according to the Assessment Rolls. The Annual Installments of the Assessments will be collected on the dates and in the amounts shown on the Assessment Rolls, subject to any revisions made during an Annual Service Plan Update.

M. Administrative Expenses

The cost of administering the PID and collecting the Annual Installments shall be paid for on a pro rata basis by each Parcel or Lot based on the amount of outstanding Assessment remaining on the Parcel or Lot. The Administrative Expenses shall be collected as part of and in the same manner as Annual Installments in the amounts shown on the Assessment Roll, which will be revised based on actual costs incurred in Annual Service Plan Updates. Administrative Expenses collected and not expended for actual Administrative Expenses shall be carried forward and applied to reduce Administrative Expenses in subsequent years to avoid the over-collection of Administration Expenses.

N. Additional Interest Rate

Pursuant to the PID Act, the interest rate for Assessments which secure a series of PID Bonds, may exceed the actual interest rate per annum paid on the PID Bonds by no more than one half of one percent (0.50%). Funds generated by the Additional Interest Rate, if any, related to a series of PID Bonds are held in the Additional Interest Reserve held under the respective Indenture for such series of PID Bonds, which may be used to fund the associated interest charged between the date of prepayment of an Assessment and the date on which the related PID Bonds are redeemed, to offset any possible delinquent payments as provided for in the applicable Indenture.

With respect to the Neighborhood Improvement Areas #2-3 Bonds, Neighborhood Improvement Area #4 Bonds, and Neighborhood Improvement Area #5 Bonds, this Additional Interest Reserve shall be funded each year from Additional Interest collected, if any, up to 5.5% of the par amount of the respective series of PID Bonds. If in a given year the Additional Interest Reserve is fully funded at 5.5% of the par amount of the applicable series of PID Bonds, the City shall not collect the Additional Interest Rate in such year. However, in the event such amount is reduced below the required reserve, the City shall resume collecting the Additional Interest Rate as set forth in the applicable Indenture.

With respect to the Neighborhood Improvement Area #1 Refunding Bonds and the Neighborhood Improvement Areas #2-5 Major Improvement Refunding Bonds, the respective Additional Interest Reserve shall be initially funded up to an amount set forth in each respective Indenture from available funds. Following the issuance of the Neighborhood Improvement Area #1 Refunding Bonds and the Neighborhood Improvement Areas #2-5 Major Improvement Refunding Bonds, in the event the amount deposited into the Additional Interest Reserve should drop below the established reserve, the City shall resume collecting the Additional Interest as set forth in the applicable Indenture.

O. TIRZ Credit

The City has agreed to use TIRZ Revenues from TIRZ No. 4 generated from property within Neighborhood Improvement Area #1 Assessed Property to offset a portion of the Annual Installment on the Neighborhood Improvement Area #1 Assessed Property and has agreed to use TIRZ Revenues from TIRZ No. 8 generated from property within Neighborhood Improvement Areas #2-5 Major Improvements Assessed Property to offset a portion of the Annual Installment

on the Neighborhood Improvement Areas #2-5 Major Improvements Assessed Property, respectively (the "TIRZ Credit"). The Annual Installment for each Parcel shall be calculated by taking into consideration any TIRZ Credit applicable to the Parcel.

P. INCORPORATION BY REFERENCE

The Recitals to this amended and restated Service and Assessment Plan are hereby incorporated by reference as if set forth in the body of this amended and restated Service and Assessment Plan and are made a part hereof for all purposes

C = the sum of the estimated As-Built Assessed Value of all new subdivided Lots with same Lot Type
D = the sum of the estimated As-Built Assessed Value for all of the new subdivided Lots excluding Non-Benefitted Property
E = the number of Lots with same Lot Type

Prior to the recording of a subdivision plat, the Developer shall provide the City an estimated As-Built Assessed Value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat considering factors such as density, lot size, proximity to amenities, view premiums, location, market conditions, historical sales, discussions with homebuilders, and any other factors that may impact future as-built Lot value and any other information available to the Developer. The calculation of the estimated As-Built Lot value for a Lot shall be performed by the Administrator and confirmed by the City Council based on information provided by the Developer, homebuilders, third party consultants, and/or the Official Public Records of Denton County, Texas regarding the Lot.

The sum of the Assessments for all newly subdivided Lots shall not exceed the Assessment for the portion of the Assessed Property subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this Service and Assessment Plan approved by the City Council.

3. Upon Consolidation

Upon the consolidation of two or more Parcels, the Assessment for the consolidated Parcel shall be the sum of the Assessments for the Parcels prior to consolidation. The reallocation of

an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the consolidation of the Parcels. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

G. Mandatory Prepayment of Assessments

1. If a Parcel subject to Assessments is transferred to a party that is exempt from the payment of the Assessment under applicable law, or if an owner causes a Parcel subject to Assessments to become Non-Benefited Property, the transferring party of such Parcel shall pay to the City the full amount of the principal portion of the Assessment on such Parcel, plus all Prepayment Costs, prior to any such transfer or act.

2. The payments required above shall be treated the same as any Assessment that is due and owing under the Act, the Assessment Ordinance, and this Service and Assessment Plan, including the same lien priority, penalties, procedures, and foreclosure specified by the Act.

H. Reduction of Assessments

1. If after all Authorized Improvements to be funded with a series of PID Bonds have been completed and Actual Costs for such Authorized Improvements are less than the Actual Costs used to calculate the Assessments securing such series of PID Bonds, resulting in excess Bond proceeds being available to redeem Bonds of such series, then the Assessment securing such series of PID Bonds for each Parcel of Assessed Property shall be reduced by the City Council such that the sum of the resulting reduced Assessments for all Assessed Properties equals the actual reduced Actual Costs and such excess Bond proceeds shall applied to redeem Bonds of such series or as described in the applicable Indenture. The Assessments shall not be reduced to an amount less than the related outstanding series of PID Bonds. If all of the Authorized Improvements are not completed, the City may reduce the Assessments in another method if it determines such method would better reflect the benefit received by the Parcels from the Authorized Improvements completed.

2. If all the Authorized Improvements are not undertaken, resulting in excess PID Bond proceeds being available to redeem PID Bonds, then the Assessments and Annual Installments for each Parcel shall be appropriately reduced by the City Council to reflect only the amounts required to repay the PID Bonds, including interest on the PID Bonds and Administrative Expenses, and such excess Bond proceeds shall be applied to redeem Bonds or as described in the applicable Indenture. The City Council may reduce the Assessments and the Annual Installments for each Parcel (i) in an amount that represents the Authorized Improvements provided for each Parcel or (ii) by an equal percentage calculated based on estimated build out value of each Parcel or Lot, if determined by the City Council to be the most fair and practical means of reducing the Assessments for each Parcel, such that the sum of the resulting reduced

Assessments equals the amount required to repay the PID Bonds, including interest on the PID Bonds and Administrative Expenses. The principal portion of the Assessment for each Parcel shall be reduced to the reduction in the Assessments for each Parcel such that the sum of the resulting reduced principal portion of the PID Bonds is equal to the outstanding principal amount of the PID Bonds.

3. If after all Authorized Improvements to be funded with a series of PID Bonds have been completed and the Actual Costs for the Authorized Improvements are less than the Budgeted Costs used to calculate the Assessments securing the PID Bonds, resulting in excess Bond proceeds, then the City Council may reduce the Assessment securing the PID Bonds for each Assessed Property such that the sum of the resulting reduced Assessments for all Assessed Properties equals the reduced Actual Costs. The Assessments shall not be reduced to an amount less than the related outstanding series of PID Bonds.

4. Similarly, if the City does not undertake some of the Authorized Improvements with the PID Bonds then the City Council may reduce the Assessment securing the PID Bonds for each Assessed Property to reflect only the Actual Costs that were expended. The Assessments shall not be reduced to an amount less than the related outstanding series of PID Bonds.

5. The City Council may apply excess PID Bond proceeds to the redemption of the respective PID Bonds or as described in the applicable Indenture.

I. PAYMENT OF ASSESSMENTS

1. Payment in Full

(a) The Assessment for any Parcel may be paid in full at any time in accordance the PID Act. The Payment shall include all Prepayment Costs. If prepayment in full will result in redemption of PID Bonds, the payment amount shall be reduced from any proceeds from the Debt Service Reserve Fund applied to the redemption pursuant to the Indenture, net of any other costs applicable to the redemption of PID Bonds.

(b) If an Annual Installment has been billed prior to payment in full of an Assessment, the Annual Installment shall be due and payable and shall be credited against the payment-in-full amount upon payment.

(c) Upon payment in full of an Assessment and all Prepayment Costs, the City shall deposit the payment in accordance with the related Indenture; whereupon, the Assessment shall be reduced to zero, and the owner's obligation to pay the Assessment and Annual Installments thereof shall automatically terminate. The City shall provide the owner of the affected Assessed Property a recordable "Notice of PID Assessment Termination."

(d) At the option of the Parcel owner, the Assessment on any Parcel may be paid in

part in an amount equal to the amount of prepaid Assessments plus Prepayment Costs with respect thereto. Upon the payment of such amount for a Parcel, the Assessment for the Parcel shall be reduced, the Assessment Roll shall be updated to reflect such partial payment, and the obligation to pay the Annual Installment for such Parcel shall be reduced to the extent the partial payment is made. The partial Assessment payment will be used to redeem the bonds.

2. Payment of Annual Installments

The Act provides that an Assessment for a Parcel may be paid in full at any time. If not paid in full, the Act authorizes the City to collect interest and collection costs on the outstanding Assessment. An Annual Installment for a Parcel that is not paid in full will be collected in Annual Installments each year in the amounts shown in the Assessment Roll, which includes interest on the outstanding Assessment and Administrative Expenses.

The Annual Installments as listed on the Assessment Rolls for Neighborhood Improvement Area #1 in Appendix E and Neighborhood Improvement Areas #2-5 in Appendix F have been calculated using an estimated interest rate on the Neighborhood Improvement Area #1 Refunding Bonds of 5.00% and an estimated interest rate on the Neighborhood Improvement Areas #2-5 Major Improvement Refunding Bonds of 5.375% for years 1 through 9 (2024-2033) and 5.875% for years 10 through 16 (2034-2040), respectively.

The Annual Installments as listed on the Assessment Rolls for Neighborhood Improvement Area #2 in Appendix G and Neighborhood Improvement Areas #3 in Appendix H have been calculated using an interest rate of 4.125% for the Neighborhood Improvement Area #2-3 Bonds maturing through 2039 and an interest rate of 4.250% for the Neighborhood Improvement Area #2-3 Bonds maturing after 2039.

The Annual Installments as listed on the Assessment Rolls for Neighborhood Improvement Area #4 in Appendix I have been calculated using an interest rate of 4.125% for the Neighborhood Improvement Area #4 Bonds.

The Annual Installments as listed on the Assessment Rolls for Neighborhood Improvement Area #5A and Neighborhood Improvement Area #5B in Appendix J (including Appendix J-1, Appendix J-2, and Appendix J-3) have been calculated using an interest rate of 2.875% in years 1 through 6 (2022-2027), 3.25% in years 7 through 11 (2028-2032), 3.50% in years 12 through 21 (2033-2042), and 4.00% in years 22 through 30 (2043-2051) on the Neighborhood Improvement Area #5 Bonds.

The Annual Installments shall be reduced to equal the actual costs of repaying the PID Bonds and actual Administrative Expenses (as provided for in the definition of such term), taking into consideration any other available funds for these costs, such as interest income on account balances. If additional Assessments are levied on the Project by the City, the Annual Installments will be adjusted to reflect the changes.

The City reserves and shall have the right and option to refund the PID Bonds in accordance with Section 372.027 of the PID Act. In the event of such refunding, the Administrator shall recalculate the Annual Installments, and if necessary, may adjust, or decrease, the amount of the Annual Installment so that total Annual Installments of Assessments will be produced in annual amounts that are required to pay the refunding PID Bonds when due and payable as required by and established in the ordinance and/or the indenture authorizing and securing the refunding PID Bonds, and such refunding PID Bonds shall constitute "PID Bonds" for purposes of this Service and Assessment Plan.

J. COLLECTION OF ANNUAL INSTALLMENTS

The Administrator shall, no less frequently than annually, prepare and submit to the City Council for its approval, an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include updated Assessment Rolls and a calculation of the Annual Installment for each Assessed Property. Administrative Expenses shall be allocated among Assessed Properties in proportion to the amount of the Annual Installments for the Assessed Property. Each Annual Installment shall be reduced by any credits applied under the Indenture, such as capitalized interest, interest earnings on any account balances, and any other funds available to the Trustee for such purpose, and existing deposits for an additional interest reserve. Annual Installments may be collected by the City (or such entity to whom the City directs) in the same manner and at the same time as ad valorem taxes. Annual Installments shall be subject to the penalties, procedures, and foreclosure sale in case of delinquencies in the same manner and at the same time as ad valorem taxes. The City Council may provide for other means of collecting the Annual Installments to the extent permitted under the PID Act. The Assessments shall have lien priority as specified in the PID Act.

Any sale of Assessed Property for nonpayment of the delinquent Annual Installments shall be subject to the lien established for the remaining unpaid Annual Installments against such Assessed Property and such Assessed Property may again be sold at a judicial foreclosure sale if the purchaser thereof fails to make timely payment of the non-delinquent Annual Installments against such Assessed Property as they become due and payable.

Each Annual Installment, including the interest on the unpaid amount of an Assessment, shall be calculated each September 1 and assessed annually. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of the following year.

Each Annual Installment for the Neighborhood Improvement Area #2 Assessments, including the interest on the unpaid amount of an Assessment, shall be assessed annually. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of each year following the commencement of collection of the Neighborhood Improvement Area #2 Annual Installments. Collection of the Annual Installment for the Neighborhood Improvement Area #2 Assessments commenced as of September 1, 2019.

Each Annual Installment for the Neighborhood Improvement Area #3 Assessments, including the interest on the unpaid amount of an Assessment, shall be assessed annually. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of each

year following the commencement of collection of the Neighborhood Improvement Area #3 Annual Installments. Collection of the Annual Installment for the Neighborhood Improvement Area #3 Assessments commenced with the issuance of the Neighborhood Improvement Areas #2-3 Bonds.

Each Annual Installment for the Neighborhood Improvement Area #4 Assessments, including the interest on the unpaid amount of an Assessment, shall be assessed annually. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of each year following the commencement of collection of the Neighborhood Improvement Area #4 Annual Installments. Collection of the Annual Installment for the Neighborhood Improvement Area #4 Assessments commenced with the issuance of the Neighborhood Improvement Area #4 Bonds.

Each Annual Installment for the Neighborhood Improvement Area #5A Assessments and the Neighborhood Improvement Area #5B Assessments including the interest on the unpaid amount of an Assessment shall begin with the issuance of Neighborhood Improvement Area #5 Bonds and be assessed annually thereafter. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of each year following the commencement of collection of the Neighborhood Improvement Area #5A Annual Installments and the Neighborhood Improvement Area #5B Annual Installments. Collection of the Annual Installment for the Neighborhood Improvement Area #5A Assessments and Neighborhood Improvement Area #5B Assessments shall commence with the issuance of the Neighborhood Improvement Area #5 Bonds.

VIII. MISCELLANEOUS PROVISIONS

A. ADMINISTRATIVE REVIEW

The City may elect to designate a third party to serve as Administrator of the PID. The City shall notify Developer in writing at least thirty (30) days in advance before appointing a third-party Administrator.

To the extent consistent with the PID Act, an owner of an Assessed Property claiming that a calculation error has been made in the Assessment Roll, including the calculation of the Annual Installment, must send a written notice describing the error to the City no later than thirty (30) days after the date any amount which is alleged to be incorrect is due prior to seeking any other remedy. If an owner fails to give such notice, such owner shall be deemed to have accepted the calculation of the Assessment Rolls (including the Annual Installments) and to have waived any objection to the calculation. The Administrator shall promptly review the notice, and if necessary, meet with the Assessed Property owner, consider written and oral evidence regarding the alleged error and decide whether, in fact, such a calculation error occurred.

If the Administrator determines that a calculation error has been made and the Assessment Rolls should be modified or changed in favor of the Assessed Property owner, such change or modification shall be presented to the City Council for approval, to the extent permitted by the PID Act. A cash refund may not be made for any amount previously paid by the Assessed Property owner (except for the final year during which the Annual Installment shall be collected), but an adjustment may be made in the amount of the Annual Installment to be paid in the following year. The decision of the Administrator regarding a calculation error relating to the Assessment Rolls may be appealed to the City Council. Any amendments made to the Assessment Rolls pursuant to calculation errors shall be made pursuant to the PID Act.

B. TERMINATION OF ASSESSMENTS

Each Assessment shall terminate on the date the Assessment is paid in full, including payment of any unpaid Annual Installments and Delinquent Collection Costs, if any. After the termination of the Assessment, and the collection of any delinquent Annual Installments and Delinquent Collection Costs, the City shall provide the owner of the affected Parcel a recordable "Notice of the PID Assessment Termination."

C. AMENDMENTS

Amendments to the Service and Assessment Plan can be made as permitted or required by the PID Act and under Texas law.

D. ADMINISTRATION AND INTERPRETATION OF PROVISIONS

The City Council shall administer (or cause the administration of) the PID, this SAP, and all Annual Service Plan Updates consistent with the PID Act, unless stated otherwise herein or in the Indenture, such determination shall be conclusive.

E. SEVERABILITY

If any provision, section, subsection, sentence, clause or phrase of this Service and Assessment Plan, or the application of same to an Assessed Property or any person or set of circumstances is for any reason held to be unconstitutional, void or invalid, the validity of the remaining portions of this Service and Assessment Plan or the application to other persons or sets of circumstances shall not be affected thereby, it being the intent of the City Council in adopting this Service and Assessment Plan that no part thereof, or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness or invalidity of any other part hereof, and all provisions of this Service and Assessment Plan are declared to be severable for that purpose.

If any provision of this Service and Assessment Plan is determined by a court to be unenforceable, the unenforceable provision shall be deleted from this Service and Assessment Plan and the unenforceable provision shall, to the extent possible, be rewritten to be enforceable and to give effect to the intent of the City.

Re:	Code of Ethics for Elected and Appointed Officials

Action Requested:
Consider and act upon an Ordinance adopting a Code of Ethics for Elected and Appointed Officials; providing findings; providing for a cumulative repealer clause; providing for savings; providing for severability; providing for engrossment and enrollment; and providing an effective date. (Ranc)

Background Information:
At the February 2024 City Council retreat, the Council reviewed the operation and conduct of its members, as well as the boards, commissions, and committees it appoints. Following these discussions, staff was tasked with drafting a comprehensive Code of Ethics to apply across all these entities. Developed in collaboration with the City Attorney, the draft Code of Ethics aligns with state laws and outlines standards of ethical conduct for local officials. Key sections address standards of conduct, nepotism, gifts, misuse of information, and procedures for handling complaints.

During the June 25th work session, Council reviewed the draft Code of Ethics and requested revisions to the definition of "permissible gift" to eliminate some of the flexibility in its interpretation. Specifically, the Code of Ethics includes the provision that an elected or appointed official may not receive a gift from a person or entity that has a contract with the City. This revision, along with other grammatical and non-substantive edits, have been incorporated. The refined Code of Ethics for Elected and Appointed Officials is included as Exhibit A in the attached ordinance.

Legal Review:
The City Attorney has reviewed the attached ordinance and Code of Ethics.

CODE OF ETHICS FOR ELECTED AND APPOINTED OFFICIALS

ADOPTED:____ 2024

PURPOSE

It is the policy of the City of Celina that the effective functioning of democratic governance necessitates public officials and Local Public Officials to be independent, impartial, and solely accountable to the citizens of the City. No Local Public Official shall allow any interest, whether financial or otherwise, direct or indirect, or involvement in any business, transaction, or professional endeavor to interfere with the proper fulfillment of their duties in the public's interest.

To uphold such a policy, the City Council finds it necessary to establish a Code of Ethics (the "Ordinance") for all Local Public Officials, regardless of their elected or appointed status, remuneration, or volunteer position. This Ordinance will not only serve as a framework for the official conduct of the City's public servants but also as a standard for disciplining those who fail to adhere to its provisions. The paramount objective of this Ordinance is to ensure that Local Public Officials continually strive to avoid any appearance of impropriety.

In this section, "information that has not been made public" means any information to which the public does not generally have access, and/or that is prohibited from disclosure under Chapter 552, Texas Local Government Code.

(b) Local Public Officials shall familiarize themselves and abide by the following Texas Penal Code provisions:

(A) Chapter 36, Bribery and Corrupt Influence; and

(B) Chapter 39, Abuse of Office.

SECTION 8 | COMPLAINTS AGAINST LOCAL PUBLIC OFFICIAL; PROCEDURES

(a) Filing: Any Local Public Official, City employee, or qualified voter of the City who believes that there has been a violation of this Ordinance by a Local Public Official may file a sworn complaint. Any complaints shall be submitted in writing, sworn under oath before a notary public, and filed with the City Attorney. A complaint must set forth in simple, concise, and direct statements the following, otherwise it will be returned to the complainant:

(i) The name of the complainant;

(ii) The street or mailing address and the telephone number of the complainant;

(iii) The name of the person who allegedly committed the violation;

(iv) The position or title of the person who allegedly committed the violation;

(v) The nature of the alleged violation, including, if possible, the specific rule or provision of the Code of Ethics alleged to have been violated;

(vi) A statement of the facts constituting the alleged violation and the dates on which or period of time in which the alleged violation occurred; and must contain the following:

(A) Documents or other material available to the complainant relevant to the allegation;

(B) A list of all documents or other material relevant to the allegation and available to the complainant, but that are not in the possession of the complainant, including the location of the documents; if known, and

(C) A list of all documents or other material relevant to the allegation, but unavailable to the complainant, including the location of the documents, if known;

(vii) If the complaint is based on information and belief, the complaint shall state the source and basis of the information and belief; and

(viii) The complaint must be accompanied by an affidavit stating that the information contained in the complaint is either “true and correct” or that the complainant has good reason to believe and does believe that the facts alleged constitute a violation of this Ordinance.

The City Attorney will determine whether a complaint lacking in detail is sufficient to trigger the investigation procedures outlined herein, and anonymous complaints will not be considered.

(b) Notification:

(i) Upon receipt of the complaint, the City Attorney shall notify the Mayor, the City Manager, and the implicated Local Public Official within two (2) business days. If the Mayor is unavailable or implicated in the complaint, the notification shall follow the order of successor of duties.

(ii) The person alleged in the complaint to have violated the Code of Ethics shall be provided with a copy of the Code of Ethics and informed that:

(A) Within fourteen (14) days of receipt of the complaint, a sworn response by the Local Public Official must be filed with the City Attorney; and

(B) Failure of the Local Public Official to file a response does not preclude the City Attorney from processing the complaint.

(iii) Local Public Officials and City employees have a duty to cooperate with the City Attorney and the investigating attorney in providing information requested to process the complaint.

(c) City Attorney Report: The City Attorney shall, within five (5) business days of receiving the response of the accused person (or withing five (5) business days of the accused person's deadline to file a sworn response if none is filed), provide a written report to the City Council. The report shall state whether, in the City Attorney's opinion, the written complaint: (1) was filed timely; (2) alleges misconduct by a person whose conduct is regulated under this Code of Ethics; (3) alleges the occurrence of conduct that might reasonably constitute a violation of the Code of Ethics; (4) contains all information required by Section 8(a); and (5) is signed and sworn to by the person filing the complaint. The City Attorney's recommendation that the City Council conduct further proceedings does not mean that any of the allegations of the complaint are true or false or that any Local Public Official has violated or not violated this Code of Ethics.

(d) Preliminary Review of Report: Upon receipt of the City Attorney's report set forth in Section 8(c), the Mayor or successor Local Public Official shall schedule a special called meeting of the City Council to discuss the complaint in Executive Session or schedule the executive session for the next regularly scheduled meeting of the City Council. During this meeting, the City Attorney will present the report to the City Council. Non-implicated City

Council Members present at the meeting will then review the complaint and either dismiss it or initiate an investigation. If the City Council decides to dismiss the complaint, the vote will be conducted in open session without further inquiry. If an investigation is warranted, the City Council shall direct the City Attorney to appoint an independent private attorney to represent the City in investigating the complaint. This attorney will have all necessary investigative powers as granted by the City Council in Section 7.03 of the City of Celina Charter. The investigating attorney shall submit a comprehensive written report to the City Council within fifteen (15) business days or the next regularly scheduled City Council meeting, whichever is later, of their appointment, unless an extension is approved by a majority of non-implicated City Council Members. This report should detail all facts, findings, and conclusions supporting the investigating attorney's opinion on whether a violation of this Code of Ethics has occurred.

(e) Council Review of Investigating Attorney's Findings: The City Council will, in Executive Session, review the findings of the investigating attorney at the meeting where it is presented. The findings shall be reviewed in a public session of City Council at the request of the accused person. At this time, one of the following actions shall be taken:

(i) If the City Council does not determine that there are reasonable grounds to believe that a violation of this Code of Ethics has occurred, the complaint shall be dismissed.

(ii) If the City Council determines that there are reasonable grounds to believe that a violation of this Code of Ethics has occurred, it shall schedule a public hearing.

(iii) If the Local Public Official has agreed that a violation has occurred, the City Council shall proceed to determine the appropriate sanction without the necessity of a public hearing and state its findings pursuant to Subsection (f)(iv) below.

(f) Hearing:

(i) If a public hearing is called pursuant to Subsection (e)(ii) above, the public hearing shall be held as expeditiously as possible following the determination by the City Council that there are reasonable grounds to believe that a violation of this Code of Ethics has occurred, but in no event shall it be held more than thirty (30) days after said determination. The investigating attorney may grant two postponements, not to exceed fifteen (15) days each, upon the request of the Local Public Official named in the complaint.

(ii) If a complaint proceeds to a public hearing, the City Council may request witnesses to attend and testify, administer oaths and affirmations, take evidence and request the production of books, papers, records, or other evidence needed for

the performance of the City Council's duties or exercise of its powers, including its powers of investigation.

(iii) The complainant and the Local Public Official named in the complaint have the right of representation by legal counsel. The complainant shall have the burden of proving a violation of this Code of Ethics has occurred by stating the alleged violation and providing testimony and other evidence to prove the alleged violation as stated in the written complaint. The Local Public Official named in the complaint shall have the opportunity to respond but is not required to attend or make any statement. The Local Public Official may present testimony and other evidence to disprove the alleged violation. If the Local Public Official agrees that a violation has occurred, the City Council may consider the appropriate sanction.

(iv) The issue at a final hearing is whether a violation of this Code of Ethics has occurred. The City Council shall make its determination based on the evidence presented. All witnesses shall make their statements under oath. Only City Council Members, the complainant (or the complainant's attorney if represented by an attorney), the accused person (or the accused person's attorney if represented by an attorney), the investigating attorney and the City Attorney may question witnesses. If the City Council determines that a violation has not occurred, it shall state such finding by motion and, within five (5) business days, the Mayor shall deliver a letter, after consulting with the investigating attorney on the contents of the letter, outlining the findings in the motion to the complainant, the person accused in the complaint, and the City Secretary. The City Secretary shall deliver a copy of the letter to the City Manager, investigating attorney and the City Attorney. If the City Council determines that a violation has occurred, it shall state its findings by motion identifying the particular provision(s) of this Code of Ethics which have been violated, and within five (5) business days, the Mayor shall deliver a letter, after consulting with the investigating attorney on the contents of the letter, outlining the findings in the motion and identifying the particular provision(s) of this Code of Ethics which have been violated, to the complainant, the person accused in the complaint, and the City Secretary. The City Secretary shall deliver a copy of the letter to the City Manager, investigating attorney and the City Attorney. The Mayor shall not sign the letter if the Mayor is the accused or the complainant, and instead to signor shall be determined by the order of successor of duties.

(g) Sanctions for Violations:

(i) If the City Council determines that a violation of the Code of Ethics has occurred, it shall consider appropriate sanctions. The City Council may receive additional testimony or statements before considering sanctions, but is not required to do so.

(ii) If the City Council determines that a violation has occurred, it may impose the following sanctions.

(A) A letter of notification is an appropriate sanction when the violation is clearly unintentional, or when the conduct of the person complained against was done in reliance upon an opinion of the City Attorney. The letter of notification shall advise the Local Public Official of any steps to be taken to avoid future violations; or

(B) A letter of admonition is the appropriate sanction when the City Council finds the violation is minor and/or may have been unintentional, but calls for a more substantial response than a letter of notification; or

(C) A letter of reprimand is the appropriate sanction when the City Council finds a serious violation has been committed intentionally or knowingly or through disregard of this Ordinance; or

(D) A letter of censure is the appropriate sanction when the City Council finds that a serious violation has occurred and/or more than one serious violation or repeated serious violations of this Code of Ethics have been committed by a Local Public Official.

(h) Confidentiality and Ex Parte Communications.

(i) No Local Public Official shall reveal information relating to the filing or processing of a complaint except as required for the performance of official duties.

(ii) All documents relating to a pending complaint are confidential, unless they are required to be disclosed under the Texas Public Information Act (Tex. Gov. Code Ch. 552).

(iii) After a complaint has been filed, and during the consideration of a complaint by the City Council, a member of the City Council may not communicate directly or indirectly with any party or person about any issue of fact or law regarding the complaint, except at a meeting of the City Council. This provision does not prevent a member of the City Council from consulting with the City Attorney or their independent, personal legal counsel.

(i) Legal Fees: The complainant and the Local Public Official named in the complaint have the right of representation by legal counsel.

(i) The complainant shall pay for complainant's legal fees, cost, and related expenses. If the Local Public Official is finally found to be in violation of this Ordinance after a public hearing, then the City shall reimburse the complainant for his or her necessary and reasonable legal fees evidenced by legal invoices, not to exceed $5,000.

(ii) The Local Public Official shall pay for their legal fees, but shall be reimbursed within thirty (30) days of submitting legal invoices to the City, not to exceed $5,000. If the Local Public Official is finally found not to be in violation of this Ordinance, then the City shall reimburse the Local Public Official for the total amount of his or her necessary and reasonable legal fees, costs and related.

SECTION 9 | CRIMINAL VIOLATIONS AND STATE LAW

The sanctions authorized by Section 8 above are in addition to, and not in replacement of, any enforcement provisions or criminal penalties/prosecution contained in state law, including but not limited to the Texas Local Government Code, the Texas Government Code, and the Texas Penal Code.

SECTION 10 | DISTRIBUTION AND PROOF OF COMPLIANCE

The City Secretary shall provide each newly designated Local Public Official with a copy of this Ordinance, Chapter 171 and Chapter 176 of the Texas Local Government Code concerning conflicts of interest, along with information on how to obtain any state-law required training for the Texas Open Meetings Act (Tex. Gov. Code Ch. 551), and the Texas Public Information Act (Tex. Gov. Code Ch. 552) (hereinafter collectively referred to as the "Ethics Statutes"). Local Public Official shall acknowledge receipt.
