Memorandum

To:	**Honorable Mayor Tubbs and the Celina City Council**
From:	Andy Glasgow, Director of Engineering
CC:	Kimberly Brawner, Assistant City Manager
Intiated by:	Linda Majeed
Date:	August 13, 2024
Re:	Choate Pkwy from Kinship Parkway to Roseland Parkway Right of Way Condemnation Resolution

Action Requested:
Consider and act on a resolution of the City Council of the City of Celina, Texas finding that a public necessity exists and authorizing condemnation to acquire rights of way totaling 1.061 acres and a temporary construction easements of 1.052 acres for municipal purposes to build and maintain a public roadway, including but not limited to, grading, such appurtenant facilities as may be necessary, and other public uses, on two real properties as portions of tracts of land generally described as being located in the Shelby Glass Survey, Abstract A0346, Property ID #2848008 and #2802386, and on real property as portion of a tract of land generally described as being located in the Jonathan Westover Survey, Abstract A1030, Property ID # 2706744, Collin County, Texas; such properties are generally located on the north and south sides of Choate Parkway east of Kinship Parkway, and being more particularly described herein; providing notice of an official determination to acquire real properties for rights of way and temporary construction easements, such appurtenant facilities as may be necessary, and other public uses; authorizing the city manager to obtain the necessary appraisal reports and make bona fide offers of just compensation for the rights of way and easements; ratifying prior documents made for acquisition of the rights of way and easements; authorizing legal counsel to institute eminent domain proceedings on behalf of the city for the acquisition of the rights of way and easements on said tracts if negotiations are unsuccessful; appropriating funds from a lawful source; providing a cumulative repealer clause; providing a severability clause and providing for an effective date.

Background Information:
The City of Celina has an agreement with CCD-Coit Land, LLC, to construct Choate Parkway from Kinship Parkway to Roseland Parkway. The proposed roadway will require a hundred and twenty feet (120') of right-of-way (ROW) and will provide two lanes as interim condition, six

lanes as ultimate condition.

Staff is working on the acquisition of ROW and easements for the above-referenced project and intends to utilize the City's power of condemnation as a final resort; however, this roadway is a critical infrastructure and is necessary for transporting people and goods within the city and its environs. Upon approval of this Resolution, final offer letters will be sent to each property owner at the stated appraised value with a copy of the approved Resolution and appraisal.

Legal Review:
The City Attorney has reviewed the proposed Resolution for compliance to state law.

Supporting Documents:
1. Resolution

Financial Consideration:
Funding for the acquisition of the right of way will be paid from 2024 bonds.

Staff Recommendation:
Staff recommends approval.

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS FINDING THAT A PUBLIC NECESSITY EXISTS AND AUTHORIZING CONDEMNATION TO ACQUIRE RIGHTS OF WAY TOTALING 1.061 ACRES AND TEMPORARY CONSTRUCTION EASEMENTS OF 1.052 ACRES FOR MUNICIPAL PURPOSES TO BUILD AND MAINTAIN A PUBLIC ROADWAY, INCLUDING BUT NOT LIMITED TO, GRADING, SUCH APPURTENANT FACILITIES AS MAY BE NECESSARY, AND OTHER PUBLIC USES, ON TWO REAL PROPERTIES AS PORTIONS OF TRACTS OF LAND GENERALLY DESCRIBED AS BEING LOCATED IN THE SHELBY GLASS SURVEY, ABSTRACT A0346, PROPERTY IDS #2848008 AND #2802386, AND ON REAL PROPERTY AS PORTION OF A TRACT OF LAND GENERALLY DESCRIBED AS BEING LOCATED IN THE JONATHAN WESTOVER SURVEY, ABSTRACT A1030, PROPERTY ID # 2706744, COLLIN COUNTY, TEXAS; SUCH PROPERTIES ARE GENERALLY LOCATED ON THE NORTH AND SOUTH SIDES OF CHOATE PARKWAY EAST OF KINSHIP PARKWAY, AND BEING MORE PARTICULARLY DESCRIBED HEREIN; PROVIDING NOTICE OF AN OFFICIAL DETERMINATION TO ACQUIRE REAL PROPERTIES FOR RIGHTS OF WAY AND TEMPORARY CONSTRUCTION EASEMENTS, SUCH APPURTENANT FACILITIES AS MAY BE NECESSARY, AND OTHER PUBLIC USES; AUTHORIZING THE CITY MANAGER TO OBTAIN THE NECESSARY APPRAISAL REPORTS AND MAKE BONA FIDE OFFERS OF JUST COMPENSATION FOR THE RIGHTS OF WAY AND EASEMENTS; RATIFYING PRIOR DOCUMENTS MADE FOR ACQUISITION OF THE RIGHTS OF WAY AND EASEMENTS; AUTHORIZING LEGAL COUNSEL TO INSTITUTE EMINENT DOMAIN PROCEEDINGS ON BEHALF OF THE CITY FOR THE ACQUISITION OF THE RIGHTS OF WAY AND EASEMENTS ON SAID TRACTS IF NEGOTIATIONS ARE UNSUCCESSFUL; APPROPRIATING FUNDS FROM A LAWFUL SOURCE; PROVIDING A CUMULATIVE REPEALER CLAUSE; PROVIDING A SEVERABILITY CLAUSE AND PROVIDING FOR AN EFFECTIVE DATE

WHEREAS, the City of Celina, Texas ("City"), by authority of Chapter 251 of the Texas Local Government Code, Chapter 21 of the Texas Property Code and by virtue of Section 2.02 of the City Charter as a home-rule municipality, is authorized to initiate eminent domain proceedings to acquire real properties for a public purpose in order to install public utilities, including but not limited to, roadways, water lines and facilitate sewage collection, drainage, treatment, disposal, or emptying; and

WHEREAS, the City Council of the City of Celina ("City Council") has investigated and determined that, there is a public necessity for the acquisition, by eminent domain, of rights of way and temporary construction easements (these acquisitions are collectively referred to as the "Easements") on two tracts of land located in the Shelby Glass Survey, Abstract A0346, Property

ID's #2848008 and #2802386, and on a tract of land located in the Jonathan Westover Survey, Abstract A1030, Property ID #2706744, as recorded in the real property records of Collin County, generally located on the north and south sides of Choate Parkway east of Kinship Parkway, more specifically identified in Exhibits "A", and "B" attached hereto and incorporated herein for all purposes ("Properties") and it is the City's intent to acquire the necessary public rights of way and temporary construction easements on the Properties for the purpose of, among other municipal purposes, including but not limited to the installation and maintenance of a future roadway, grading, and other public uses; and

WHEREAS, the City Council has investigated and determined that the taking of said real property is necessary for public use; and

WHEREAS, it is necessary to establish procedures for determining the establishment and approval of just compensation for the Easements to be acquired by eminent domain as required by law; and

WHEREAS, the City Manager, or his designee, is required to make a bona fide offer, as defined by and in compliance with Chapter 21 of Texas Property Code, to acquire public rights of way and the temporary construction easements on the Properties for public use voluntarily from the owner(s) prior to moving forward with acquisition by eminent domain; and

WHEREAS, the City Manager, or his designee, will seek a third-party appraisal and will make bona fide final offers based on the appraisals to the owner(s) of the Properties, which may or may not be accepted by the Property's owner(s); and

WHEREAS, the City, through its authorized representatives, will make final offers based on the appraisals to the owner(s) of the Properties and may not agree upon the just compensation to be paid with the Property's owner(s), and hereby authorizes and directs the law firm of Messer & Fort ("Legal Counsel") to institute proceedings in eminent domain to acquire public rights of way and the temporary construction easements on the Properties.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS THAT:

SECTION 1: The findings set forth above are incorporated into the body of this Resolution as if fully set forth herein.

SECTION 2: The City Council hereby officially determines that there is a public use and necessity for and the public welfare and convenience will be served by, the acquisition, by eminent domain, of rights of way totaling 1.061 acres and temporary construction easements of 1.052 acres

on the Properties, and it is the City's intent to acquire the public rights of way and the temporary construction easements for public use on the Properties as more specifically described in and depicted on Exhibits "A" and "B", attached hereto, specifically for the municipal purpose of a roadway and other public uses, which includes but not limited to the following municipal functions: installing and maintaining paving and grading, with such appurtenant facilities as may be necessary within the Easements.

SECTION 3: The City Council hereby authorizes the City Manager or his designee to obtain, review and accept a third party's appraisal report. In the event of failed attempts to negotiate with any owner(s) of a portion of the Properties after making a bona fide initial offer and a bona fide final offer, following receipt of the third party's appraisal, the City Council hereby authorizes the City Manager or designee to authorize and direct, on behalf of the City, Legal Counsel to commence and conduct all parts of the condemnation proceedings under the Texas Property Code, and other applicable law, for the acquisition of the rights of way and temporary construction easements on the Properties by eminent domain.

SECTION 4: The City Manager, or his designee, is hereby authorized to execute all documents necessary to acquire the public rights of way and the temporary construction easements on the Properties, on behalf of the City, whether by purchase or eminent domain. The City Council hereby ratifies any documents executed, prior to the effective date of this Resolution, by the City Manager which were necessary for the acquisition of the public rights of way and the temporary construction easements on the Properties.

SECTION 5: It is the intent of the City Council that this Resolution authorizes the condemnation of all Properties required for this project, more specifically described in, and depicted on Exhibits "A" and "B". If it is determined that there are any errors in the descriptions contained herein or if later surveys contain more accurate revised descriptions, the Legal Counsel or her designee is authorized to have such errors corrected or revisions made without the necessity of obtaining new City Council resolution authorizing condemnation of the corrected or revised property.

SECTION 6: The amount to be paid, if any, for acquiring the Easements on the Properties will be appropriated from any lawful source.

SECTION 7. In the event that Special Commissioners appointed by the Court during condemnation proceedings return an award for just compensation to be paid by the City, Legal Counsel is hereby authorized to settle the lawsuit for that amount and the City's Finance Director is hereby authorized to issue a check from the appropriate fund in the amount of the Special Commissioners' award made payable to the owner(s) or to the County Clerk of Collin County, to be deposited into the registry of the Court, to enable the City to take possession of the Easements

on the Properties without further action of the City Council. If the City Manager believes such award should be appealed, the award may still be paid to take possession, but the City Manager shall put the question of whether to appeal on the next available city council agenda for consideration. If there is no such city council meeting before the deadline to appeal, the City Manager may direct Legal Counsel to file the appeal and then place on the next available city council agenda to either pursue or withdraw the appeal.

SECTION 8: Should any section, subsection, sentence, clause, or phrase of this Resolution be declared unconstitutional or invalid by a court of competent jurisdiction, it is expressly provided that any and all remaining portions of this Resolution shall remain in full force and effect. The City hereby declares that is would have passed this Resolution, and each section, subsection, clause, or phrase thereof irrespective of the fact that any one or more sections, subsections, sentences, clauses and phrases be declared unconstitutional or invalid.

SECTION 9: This Resolution shall take effect immediately upon its passage and execution in accordance with the provisions of the Charter of the City of Celina.

PASSED AND APPROVED by a roll call vote in accordance with state law on this the 13th day of August 2024 at a regular meeting of the City Council of the City of Celina in which a quorum was present.

Memorandum

To:	**Honorable Mayor Tubbs and the Celina City Council**
From:	Robert Ranc, City Manager
CC:	
Intiated by:	Robin Bromiley
Date:	August 13, 2024
Re:	Discussion Regarding the Fiscal Year 2024-25 Proposed Budget.

Action Requested:
Discussion Regarding the Fiscal Year 2024-25 Proposed Budget.

Background Information:
On July 31, 2024, the City Manager's Proposed Budget for Fiscal Year 2024 - 2025 (Proposed Budget) was presented to City Council at a Special Council Work Session. The Proposed Budget's primary focus areas are development-related operations, public safety, infrastructure maintenance, fiscal sustainability, and employee compensation and benefits. The Council asked and received additional clarification and additional information for several items during the work session. Among follow-up items, staff will evaluate the City's commercial development fees to ensure they are in line with the region as part of the proposed master fee schedule (Fee Schedule) for 2025. The proposed 2025 Fee Schedule will be presented for Council's consideration in Fall 2024.

The purpose of this item is to provide a brief overview of the Proposed Budget and an opportunity for the Council to provide any additional feedback it may have prior to considering the Proposed Budget for adoption. Council will consider the adoption of the FY 2024-2025 Budget and tax rate, as well as a required property tax increase ratification (since the budget is based on the Voter Approval Tax Rate and will increase property taxes), at the Regular City Council Meeting on September 10, 2024.

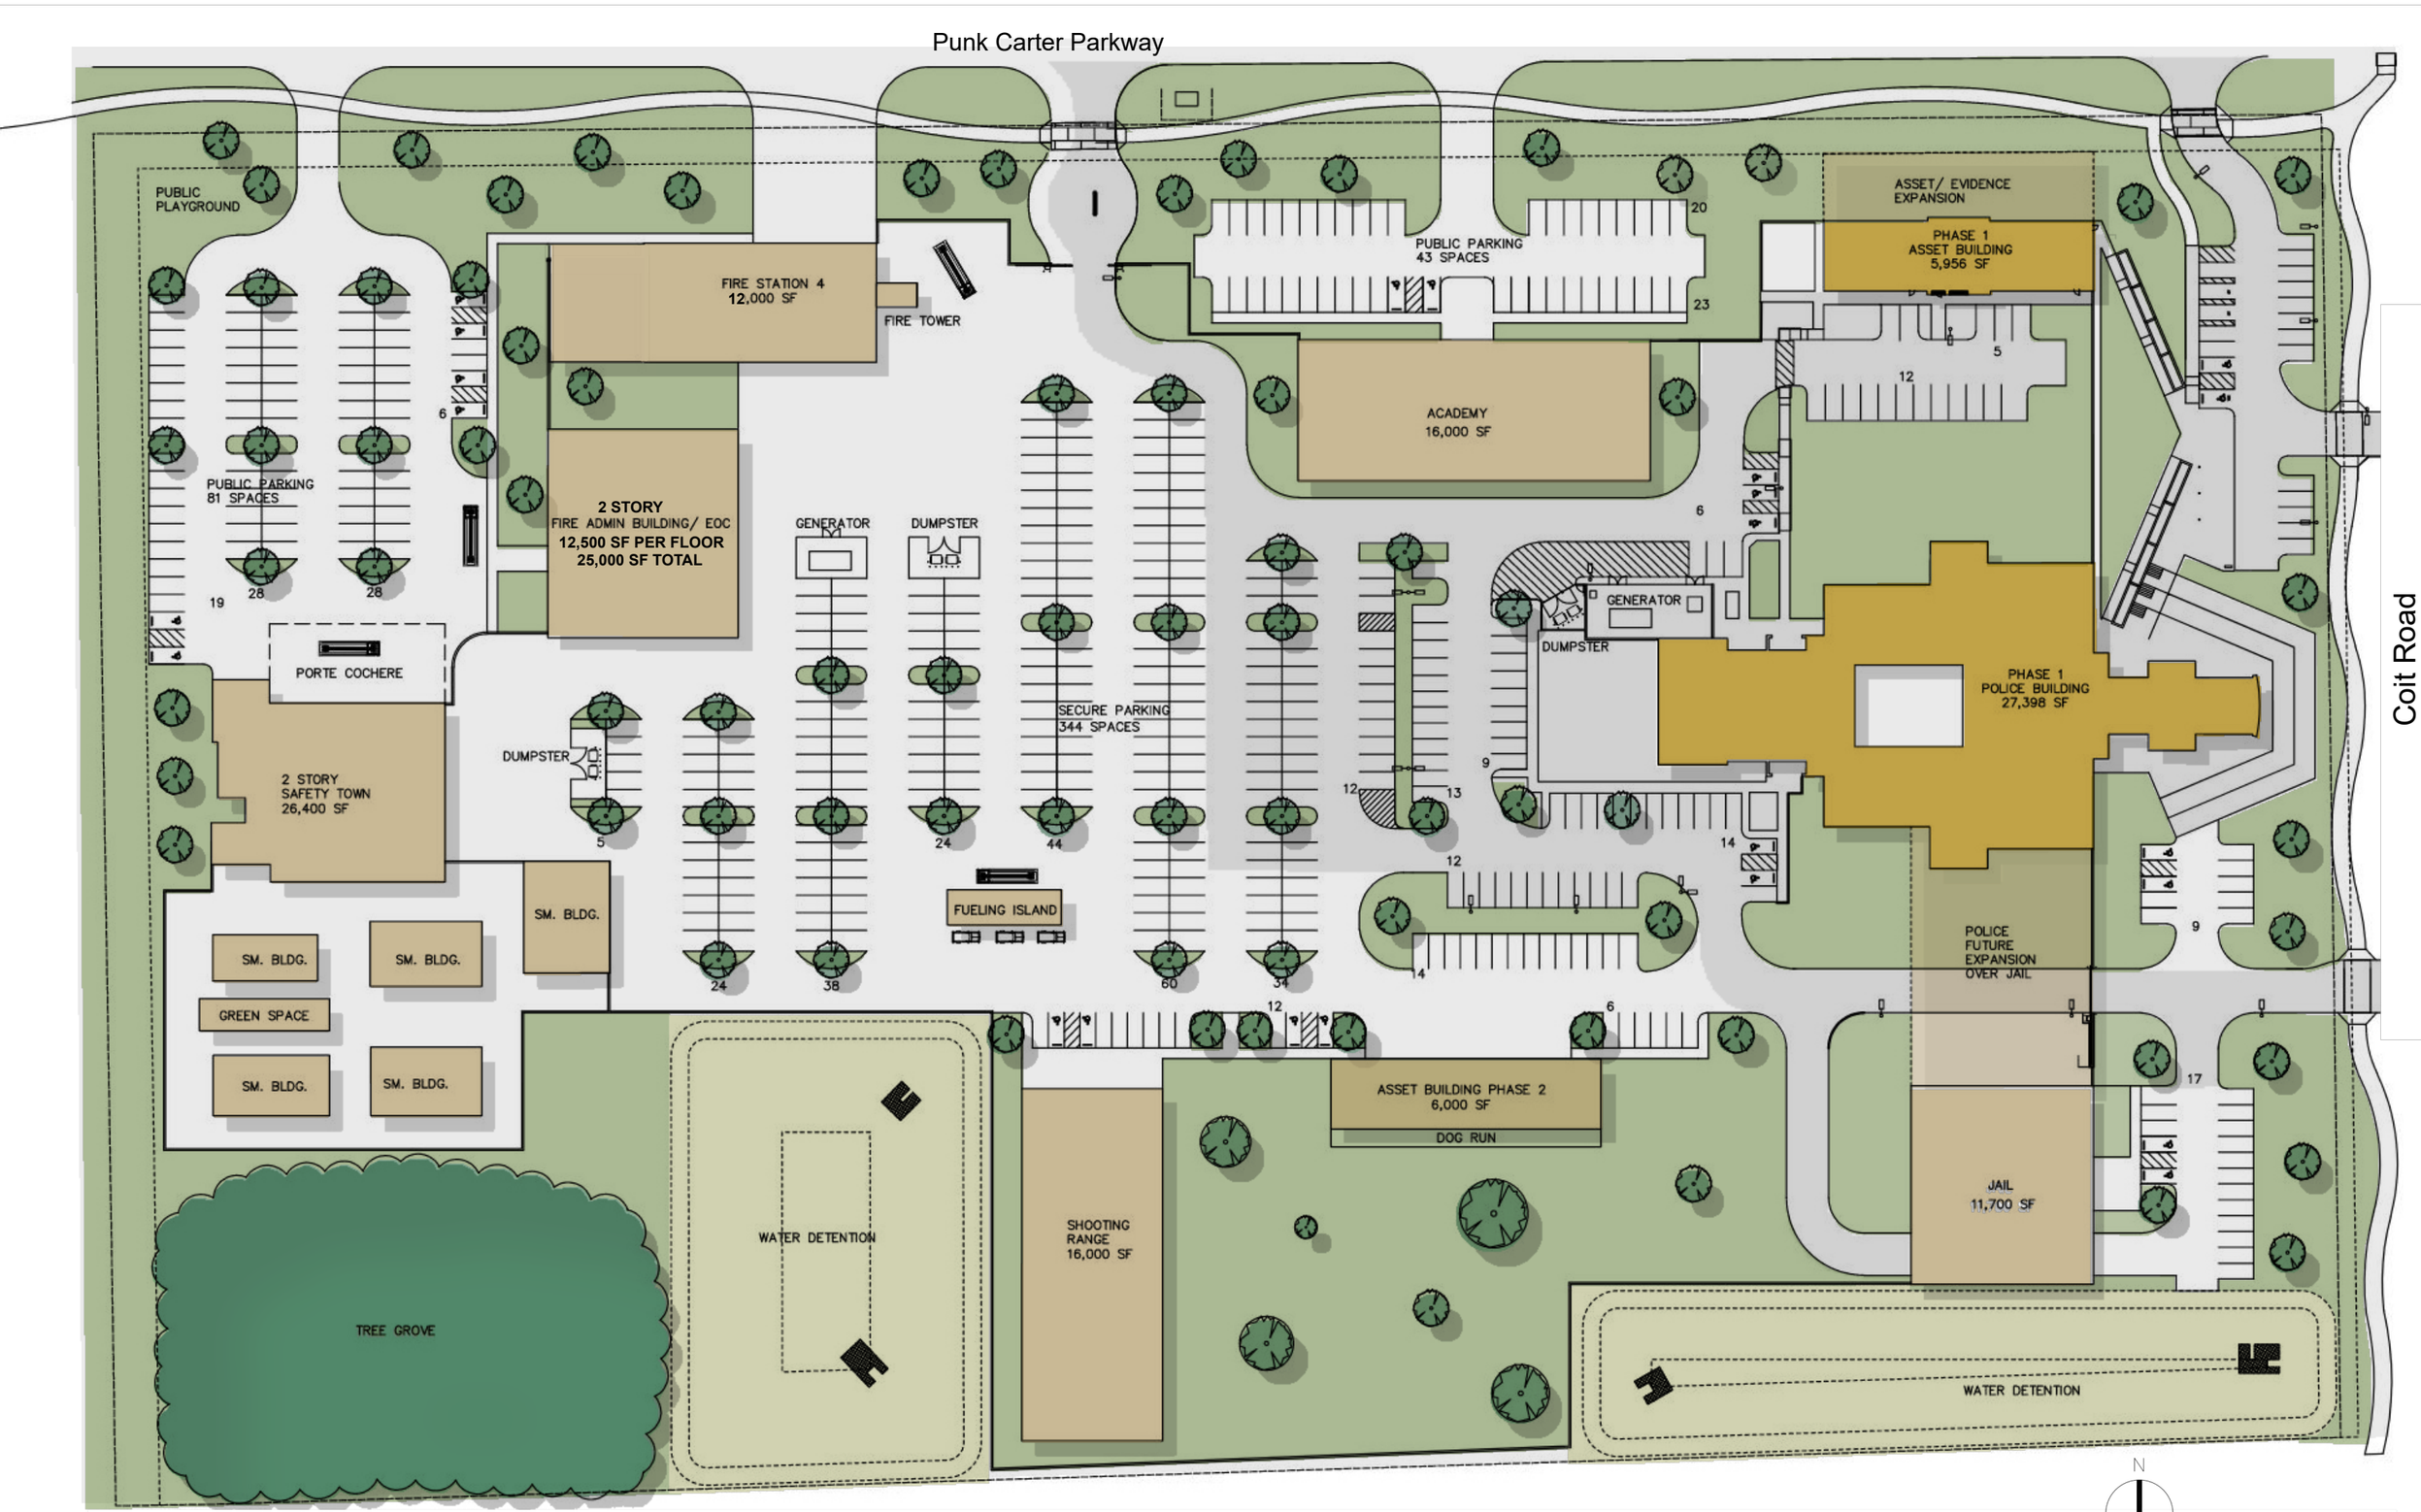
Re:	Update regarding the Public Safety Campus Master Plan

Action Requested:
Update regarding the Public Safety Campus Master Plan (Brawner)

Background Information:
The City of Celina purchased 23.7 acres of land from Westgate HS Celina Investments LP in 2019. The new Celina Police Station is located on approximately 9.5 acres out of 23.7 acres. The design of Fire Station #4 has started and will also be constructed on this site. A master plan for the public safety campus was developed before the design and construction of the police station. Now that the police station is complete and FS #4 design has started, city staff wants to update the public safety campus master plan.



Master plans are created to provide a vision for the ultimate use of the facility. As the city grows and matures, the city's vision will change and master plans can be modified. The attached master plan includes the fully developed 75,000-square-foot ultimate police station, expanded asset buildings, a police holding facility, an indoor shooting range, a fire administration building, Fire Station #4, and a community safety town.

RALPH O'DELL SENIOR CENTER GUIDELINES

AUGUST 13, 2024

BACKGROUND – ORIGINAL SENIOR CENTER

- City provided space
- Seniors managed all operations as volunteers
  - Ralph O'Dell led the Center as a volunteer
- Seniors established informal, internal guidelines
  - Eligibility age was 65 or older
  - Cost was $10 per month – collected/managed by volunteers
- Provided lunch Mondays, Wednesdays, & Fridays
  - Ralph secured lunch sponsors from the community
- Hosted 1 exercise class on Mondays, Wednesdays, & Fridays
  - Seniors paid fitness instructor from collected fees
- Maximum attendance capacity of 30

RALPH O'DELL SENIOR CENTER

- Opened December 6, 2023
- Approximately 5,000 sq. ft.

- 30-50 members at opening
- Added 1 City staff member to manage

RALPH O'DELL SENIOR CENTER

- Operations
  - Provide lunch through sponsorships on Mondays, Wednesdays, & Fridays – 55+ attendees
  - Host several fitness classes Monday through Friday
  - Coordinate games and activities on Tuesdays and Thursdays
  - M/W/F averaging 65 attendees; T/Th averaging 35 attendees
  - Limited capacity – paper sign-ups for fitness classes and activities
- Programs, classes, and activities
  - Seated exercise
  - Standing exercise
  - Zumba
  - Drumba
  - Chair volleyball
  - Chair yoga
  - Card games
  - Domino games
  - Mahjong
  - Bingo
  - Wood carving
  - Monthly birthday celebrations
  - Educational presentations through sponsors

RALPH O'DELL SENIOR CENTER

- 180 registered members (145 residents, 35 non-residents – self-identified)
- Average age of members: 77 (approximately half are 75 and older)
- No written internal guidelines or code of conduct
- Open memberships with honor system for residency and age
- Operated by Celina Parks and Recreation staff

GUIDELINE OVERVIEW

- Staff and City Council have received feedback from members of the new Senior Center
  - Concerns regarding the current operations
  - Expressed a need for rules, guidelines, and a code of conduct

- Staff have met with seniors to gather their input and received feedback on the guidelines at the Senior Center.

- The Parks Board have provided their input and provided guidance on the draft guidelines.

- Draft Guidelines provided to City Council with proposed approval in September

GUIDELINE OVERVIEW

- Purpose: establish guidelines, rules, and a code of conduct
  - Eligibility – minimum age to become a member
  - Residency status – do you have to be a City resident to join?
  - Cost of membership
  - General guidelines and rules for facility use and program participation
  - Code of conduct

- Staff has conducted research on Senior Citizen Centers to provide a comparison when drafting the guidelines. Facilities included in the in-depth review include Allen, Farmers Branch, Rowlett and Wylie due to the size of the Center and similar programming.

- Other Centers reviewed for membership included Flower Mound, Richardson, Carrollton, Grand Prairie, McKinney, Frisco, Irving, and Plano.

MAJOR COMPONENTS OF GUIDELINES

- Membership Eligibility
  - Resident vs Non-Resident
  - Minimum age
- Fees
  - Resident vs Non-Resident
  - Day pass
- Facility Access
  - Spectators/Visitors and Children
  - Caregiver Assistance
- Code of Conduct

MEMBERSHIP ELIGIBILITY

Residency

- All twelve comparison cities allow non-residents to become members with an increased fee.
- Greatest challenge for Celina will be the capacity of the facility – as the City grows, members will increase
  - Currently, 35 non-resident members (19%)
  - Residency and age restrictions can be used to relieve capacity issues for the Center
- **Staff Recommendation**
  - Allow residents and non-residents to become members
  - Charge non-residents a higher fee – to be addressed in fee section of presentation

  - What is City Council's feedback for a residency requirement?

MEMBERSHIP ELIGIBILITY

Age

- Majority of comparison cities have set minimum age at 50
- Currently, the average age of members is 77 and approximately half are 75 and older
- Original senior center unofficially set eligibility at 65 years and older
- Greatest challenge for Celina will be the capacity of the facility of 5,000 Square Footage in comparison to the 20,000 + at the other facilities.
- A key component to the original senior center was to provide supplemental meals to seniors living on a fixed income
- **Staff Recommendation**
  - Age 65
  - If a member's spouse is under 65, they are eligible to join through their spouse's membership

  - What is City Council's feedback for age eligibility?

FEES

Cost for Membership

- Original senior center charged $10 per month
- The number of fitness classes and activities are increasing and there is no cost to a member as is common to charge for fitness and special interest classes separately in the other twelve comparison centers.
- Lunches continue to be provided through sponsorships – this may become harder if attendance continues to increase
- All twelve comparison cities charge higher fees to non-residents.

FEES COMPARISON

Allen:

- Approximate monthly fee: $118.25
  - $5 lunch on MWF for four weeks ($60)
  - $53.25 for three fitness classes for the month
  - $5 one-time annual membership fee

Farmers Branch (currently under renovations):

- Approximate monthly fee: $35
  - $25 one-time annual membership fee, includes 6 monthly fitness classes
  - $10 greeting card class
  - No lunch

FEES COMPARISON

Rowlett:

- Approximate monthly fee: $35
  - $10 monthly fee
  - $25 fitness punch card for up to 20 classes

Wylie:

- Approximate monthly fee: $86
  - $10 monthly fee
  - One monthly lunch
  - $35 FUN Yoga monthly class
  - $36 Zumba for four weeks

FEES

- **Staff Recommendation**

Membership Type	Age	Monthly	Annual	Daily Guest Pass
Resident	65-74	$10	$100	$5
Non-Resident	65-74	$30	$300	$5
Resident	75-89	$5	$50	$5
Non-Resident	75-89	$10	$100	$5
Resident	90+	$0	$0	$0
Non-Resident	90+	$5	$50	$5

- What is City Council's feedback for fees for memberships and day passes?

FACILITY ACCESS

- Must be a member to access the facility or you will be required to purchase a guest pass (meet eligibility requirements)
  - Members may not bring guests under the age of 65 (except for an eligible spouse)
  - Children are not permitted in the facility except on designated days
  - Family members are not permitted in the facility
  - Two exceptions are provided – Spectators and Caregivers

Exceptions

- Spectators
  - The Center may host certain events (performances or recognitions) where family and friends (including children) are allowed to attend as spectators
  - Spectators may not participate in any activities, classes, or meals
  - Staff will specifically communicate when spectators are allowed at an event

FACILITY ACCESS

Exceptions

- Caregiver Assistance
  - Staff is unable to provide members with special assistance
  - Members may bring a caregiver to assist them
  - Caregiver must fill out a registration form, but do not have to pay for access to the facility
  - Caregiver may not participate in classes, programs, or activities, except to assist the member
  - Caregiver may not receive a meal when lunch is served

- Does the City Council have any feedback regarding the Facility Access?

CODE OF CONDUCT

- Purpose: establish clear expectations for conduct in the facility and the actions staff may take for violations

  - Be respectful and courteous of others personal space or others' enjoyment of the facility. Refrain from behavior, dress, or language that is abusive, threatening, or disruptive to others.

  - Respect the Senior Center property and the personal belongings of others. Destruction, defacement, or theft of personal belongings or City property is strictly prohibited.

  - Act Honestly. Follow all written guidelines and rules.

  - The Senior Center is a substance-free environment. Alcohol, tobacco, e-cigarettes, and illegal drug use are strictly prohibited at the city facility.

CODE OF CONDUCT

- No solicitation or performing business activities at the Center without prior written approval from staff.

- Treat Parks and Recreation staff in a civil and respectful manner.

- **Staff Recommendation**
  - The City may suspend or revoke membership or limit the use of the facility or involvement in programs/classes. Any such suspension or revocation will result in the forfeiture of fees paid

  - Does the City Council have any feedback on the Code of Conduct?

IMPLEMENTATION

- The effective date of the guidelines is October 1,2024.
- This date will provide for full implementation of fee structure for current members to be able to plan for the monthly expenditure.

- Does the City Council have any specific preferences for the implementation?

Does the City Council have any additional feedback for staff preparing the guidelines for the Senior Center?

THANK YOU

Ralph O'Dell Senior Center Guidelines

Established in December 2023, the Ralph O'Dell Senior Center provides seniors in the City of Celina with excellent fellowship opportunities and recreational activities. This new facility provides a space to gather with old friends and make new friends, as well as attend fitness classes, lunches, special interest classes, and special events.

The City of Celina's Parks and Recreation Department strives to provide all members and guests with an excellent experience. The following Guidelines have been established with input from patrons of the Senior Center and the City of Celina Parks and Recreation Board to ensure the safety of all guests as well as an excellent experience within the facility. The Guidelines are subject to change at the discretion of the Parks and Recreation Department.

The Guidelines include the following sections:

- Benefits and Amenities
- Membership and Fees
- General Guidelines and Rules
- Code of Conduct

BENEFITS AND AMENITIES

The Senior Center provides an excellent facility to gather with friends and make new ones. The Parks and Recreation Department provides monthly calendars with all scheduled activities, classes, and lunches. All scheduled activities are subject to attendee limitations with many such benefits provided on a first come, first serve basis. The benefits and amenities include:

- Weekly lunches
- Monthly birthday party for members
- Weekly fitness classes
- Special interest classes
- Special events
- Hot coffee, hot chocolate, and water
- Games (board games, card games, dominos, bingo, chair volleyball, etc.)

MEMBERSHIP AND FEES

A membership is required to access the Ralph O'Dell Senior Center facility and participate in all activities. The purpose of the membership is to ensure that all patrons meet the eligibility requirements and are aware of all Guidelines for participation. Memberships can be obtained in-person at the facility or online on the City of Celina website (www.celina-tx.gov).

Eligibility

Membership to the Ralph O'Dell Senior Center is restricted to patrons who are 65 years or older. A member's spouse who is under 65 is also eligible to become a member.

The following items must be provided to be considered for membership:

- Proof of age
- Valid government-issued photo ID
- Proof of residency (to receive the resident rate for membership)
    - Government-issued ID with your current address
    - Utility bill with your name and address (water, electricity, gas, etc.)
    - Lease with your name and address

Membership Fees

Membership Type	Age	Monthly	Annual	Daily Guest Pass
Resident	65-74	$10	$100	$5
Non-Resident	65-74	$30	$300	$5
Resident	75-89	$5	$50	$5
Non-Resident	75-89	$15	$150	$5
Resident	90+	$0	$0	$0
Non-Resident	90+	$5	$50	$5

Resident rates are available to those who live within the current city limits of Celina. Proof of residency must be provided for first-time registration and upon a change of address.

Daily Guest Pass

All individuals entering the Senior Center facility must meet the membership requirements. Guests who are eligible but do not want to pay for a monthly or annual membership may purchase a Daily Guest Pass. The Daily Guest Pass is only valid for the date that it is purchased. Guests must complete the Daily Guest Pass Application, meet the minimum age requirements, and purchase a $5 Daily Guest Pass. Guests will have full access to all activities, benefits, and amenities for the day.

Automatic Renewal

Memberships will automatically renew each month or year (depending on membership type). Members requesting to change their payment type will need to inform the Sr. Center prior to the start of a new membership period.

Cancelation

For monthly memberships, no refunds will be issued. For annual memberships, members will receive a prorated refund based upon the number of months that have been completed prior to the cancelation date. To cancel, members must complete a cancelation notice form and submit it to Parks and Recreation Department staff at least 30 days in advance of the cancelation date.

GENERAL GUIDELINES AND RULES

The following general guidelines and rules apply to all members and guests at the Senior Center.

Caregiver Assistance

The Parks and Recreation Department staff are unable to provide specialized assistance to members. Members must be able to use all facilities and participate in the respective activities of their choosing either on their own or with their respective legal guardian or caregiver (collectively, "caregiver"). Members who have a caregiver may bring their caregiver to assist them.

The caregiver must complete a Caregiver Registration Form and sign the Waiver to enter the facility with a member, as well as check-in. There is no fee for caregivers to enter the facility. Caregivers are not eligible to participate in the programs and activities of the Senior Center except for assisting their respective member. Caregivers are not eligible to receive lunch.

The Ralph O'Dell Senior Center is committed to serving its members in the community and does not discriminate on the basis of disability in its programs, services, activities, and employment practices. If a member is in need of auxiliary aids or services for effective communication, reasonable access, and/or reasonable modification in programs, services, or activities, please contact the Sr. Center Coordinator at the Senior Center as soon as possible, preferably at least 5 business days before the activity or event. The Senior Center Coordinator may be contacted at 972-382-7730. The Center will try its best to make reasonable modifications and/or accommodations to policies, procedures, and programs to ensure that people with disabilities have an equal opportunity to access those programs, services, and activities. A grievance procedure is

available to resolve any complaints in this regard, and those individuals may contact the Director of Parks and Recreation or their designee for the City of Celina.

Children

Children are not allowed access to the Senior Center except for designated activities or events. We appreciate your understanding and cooperation.

Check-In

All members, guests, caregivers, and spectators are required to check-in upon entry to the building. Members must present their membership card. Guests must complete a Guest Registration form and pay the daily guest pass fee. Caregivers and spectators of members will be asked to check-in as well.

Membership Cards

The Senior Center is a controlled-access facility. All members will have their photo taken and will be provided with a membership card. Members must present their physical membership card to check-in upon entry to the facility.

Lost or stolen cards will be replaced (a $5 replacement fee may apply).

Spectators

Members may bring spectators to the facility for certain events in which the member is performing or being honored. Staff will communicate when spectators are welcome to attend. Spectators are prohibited from participating in classes, activities, or programs, except for the specific event they are attending.

Photo/Video

The City of Celina reserves the right to photograph, film, or otherwise record on the premises of facilities maintained by the City and during any activity conducted by the City, and to use these photos or recordings for promotional purposes in media such as, but not limited to, the City website, brochures, and the City's social media accounts.

If you do not agree to the foregoing, please withdraw your consent in writing. The city strives to never post anything objectionable, embarrassing, or hurtful, and will not identify anyone by name without prior notification. The city will remove or blur any photo, video, or other media by request and as deemed reasonable. Members are prohibited from taking photos and videos in the facility without the consent of those being photographed or videoed.

Solicitation/Distribution

Literature may not be distributed, nor any solicitation made on the premises without written consent from the Parks and Recreation Department.

Lost and Found

If you have left an item at the facility, please contact the Parks and Recreation Department.

Equipment Use

Equipment may be used in the manner that is intended. Equipment may not be removed from the facility. Tampering with equipment is strictly prohibited. If a member is unsure how to operate the equipment, Park and Recreation Department staff members are available to help.

Music

Personal music is not allowed to be played over facility equipment or from personal speakers (including phones) without prior permission from a Parks and Recreation Department staff member.

Some classes and activities will include music, which may be disruptive to the use of other rooms in the facility. Any music played in the facility must be appropriate for all audiences.

Transportation

The City of Celina does not provide transportation services to and from the Senior Center. The City does participate in Collin County Transit through DART. The Senior Program of Collin County Transit provides on-demand rides at a reduced rate to City of Celina residents who are 65 years old or older. The Parks and Recreation Department staff can assist you in applying for this program.

CODE OF CONDUCT

The following Code of Conduct is applicable to anyone who enters the Senior Center facility. As a member, guest, spectator, or caregiver, you agree to:

1. Behave in a courteous and respectful manner that does not interfere with another person's personal space or enjoyment of the facility and programs.
2. Refrain from behavior, dress, or language that is abusive, threatening, or disruptive to others.
3. Respect the personal belongings of others. Destruction, defacement, or theft of personal belongings is strictly prohibited.
4. Respect Senior Center property. Destruction, defacement, or theft of city property, including littering, is strictly prohibited.
5. Secure your own personal belongings. The city is not responsible for lost or stolen items.

6. Act honestly. Do not share membership cards—it can be considered theft of service. Do not make false statements or provide false information on membership forms—it can be considered forgery. It is your responsibility to notify staff in a timely manner of any address, phone number, email, or emergency contact information changes.
7. Keep the Senior Center a substance-free environment. Alcohol, tobacco, e-cigarettes, and illegal drug use are strictly prohibited at the city facility. Immediately report any use to Parks and Recreation Department staff.
8. Refrain from soliciting individuals in the center for a business, agency, or religious affiliation without prior written approval from the Parks and Recreation Department. This includes but is not limited to posting flyers, business cards, advertising materials, and religious materials.
9. Refrain from performing business activities in the facility. Private or group instruction for pay is prohibited, unless it is contracted through the Parks and Recreation Department. Wi-Fi is for personal use only and is not intended for use to run a business or perform work remotely.
10. Follow all written guidelines and rules, as well as verbal directions by staff.
11. Treat Parks and Recreation staff in a civil and respectful manner.

Parks and Recreation staff are authorized to enforce the Code of Conduct through the suspension or revocation of the use of the facility or involvement in programs. The length of suspension or revocation of access to the facility will be determined on a case-by-case basis. Any such suspension or revocation will result in the forfeiture of fees paid.

EXCEPTIONS

Circumstances may arise that an exception may be requested. The Director of Parks and Recreation or their designee may grant an exemption on a case-by-case basis.

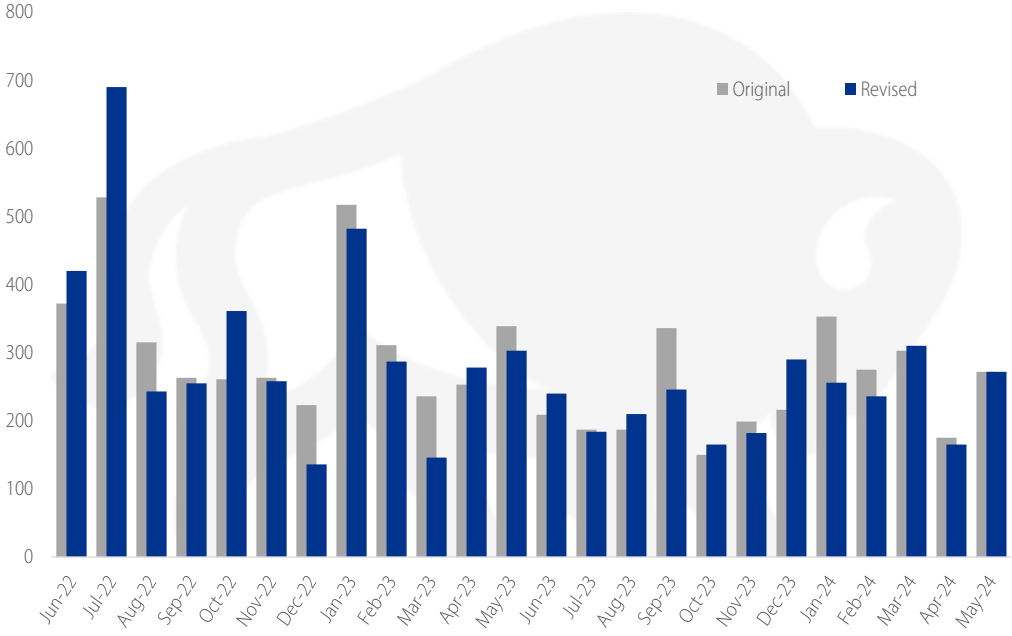
An unexpected increase in inflationary pressure had pushed bonds yields sharply higher in the first quarter and tempered expectations for aggressive Fed easing in 2024. In the second quarter, inflation appeared to settle down again, although both investors and Fed officials are viewing the resumed decrease in price pressure with a cautious eye.

The main reason for the skepticism is the continued resilience of the economy, and corresponding labor market strength. The final reading of Q1 GDP was +1.4% (QoQ SAAR), but second quarter growth appears to have turned slightly higher.

Employment



After averaging monthly nonfarm payroll gains of +267k during the first three months of the year, U.S. businesses added +165k workers in April before rebounding to +272k in May. The separate household survey told a different story as the total number of employed workers actually fell by -408k in May, while the overall labor force declined by -250k, pushing the headline unemployment rate up to 4.0% for the first time since January 2022.

The final reading of Q1 GDP was +1.4% (QoQ SAAR), but second quarter growth appears to have turned slightly higher.

Part of the explanation for the variance is the fact that every job added in the business survey counts an employed worker, meaning Americans holding more than one job are counted multiple times. Another report flaw is the inability of the household survey to capture recent shifts in immigration. Therefore, a more appropriate employment measure may be the number of unfilled positions.

The "quits rate," a measure of workers who voluntarily left their jobs, remained at 2.2% in April, matching the lowest level since September 2020.

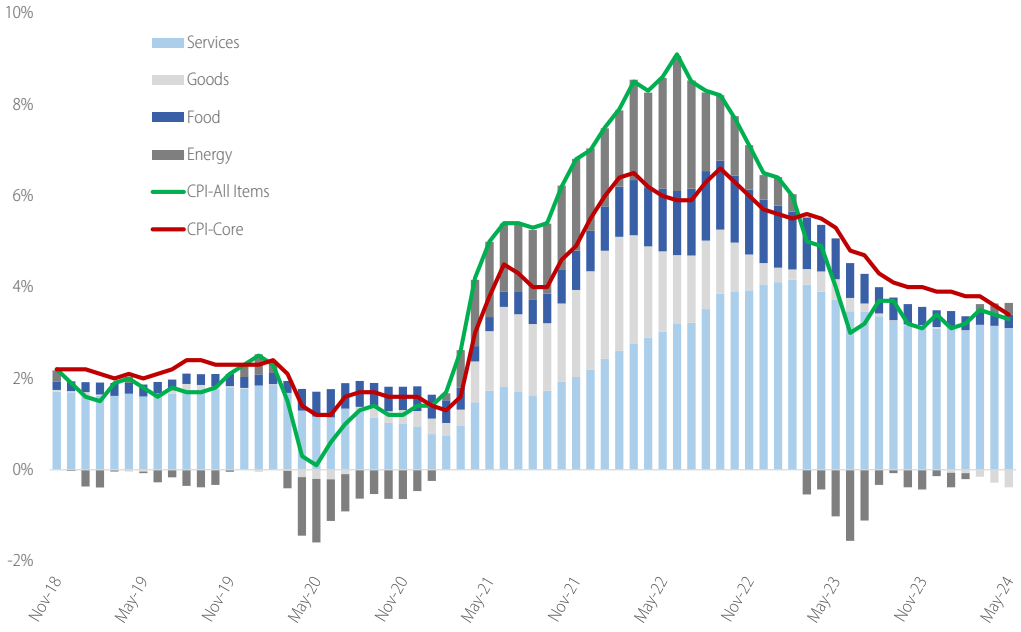
Please see disclosure starting on page 7

The Job Openings and Labor Turnover Survey (JOLTS) showed job postings declined by another -300k in April to 8.06 million. By the most current count, there are now approximately 1.2 available jobs for every job seeker. *Two years ago, this ratio was 2 to 1.* In theory, a less tight labor market would be expected to ease wage pressure, and by extension overall inflation.



The "quits rate," a measure of workers who voluntarily left their jobs, remained at 2.2% in April, *matching the lowest level since September 2020*. Fewer quits suggest workers have less confidence in securing alternate employment, which should also put downward pressure on wages. However, average hourly earnings followed a +0.2% rise in April with a +0.4% May increase, pushing the annual wage gain from +3.9% to +4.1%.

For the first time in four months, the consumer price index (CPI) came in mercifully less warm in April, before cooling further in May.

Inflation

For the first time in four months, the consumer price index (CPI) came in mercifully *less warm* in April, before cooling further in May. The +0.3% April increase was only slightly below the median forecast but ended the ugly string of first quarter monthly surprises. On an annual basis, April CPI slipped from +3.5% to +3.4%, still above the +3.1% January pace, but well below the +9.1% peak in June 2022. A sharp rise in gasoline prices and persistently elevated shelter costs contributed over 70% of the April increase (BLS).

The June FOMC meeting concluded that afternoon, and committee members took little comfort in the improved CPI reading. Instead, they emphasized caution, which reversed much of the post CPI rally.

The May CPI report (released the morning of the Fed meeting) was arguably the most anticipated news of the month and perhaps the quarter. The *unchanged* headline reading was below the +0.1% forecast, while core CPI was up just +0.2%. On an annual basis, overall CPI edged slightly lower to +3.3%, while core CPI fell from +3.6% to +3.4%. Motor vehicle insurance was still up an ugly +20.3% year-over-year but was actually down -0.3% for the month.

The Fed

The June FOMC meeting concluded that afternoon, and committee members took little comfort in the improved CPI reading. Instead, they emphasized caution, which reversed much of the post CPI rally. As expected, the overnight rate target was left unchanged for the seventh straight meeting. The so-called "dot plot," representing the overnight rate projections of 19 voting and non-voting committee members, was a surprise as the number of expected quarter point cuts for 2024 was lowered from three at the March meeting to just one.

However, the last mile of the road to the +2.0% target promises to be the toughest. Prices for goods are already essentially flat, in some cases negative. It's the service sector that's responsible for inflation's stubborn refusal to heel, and the majority of the problem still centers on shelter costs.

Although this recalibration seems to telegraph a more hawkish stance, the reality is there are simply fewer opportunities to ease as the year winds down. Total rate cuts of 100 basis points were forecasted for both next year and 2026. If core inflation were to fall back to the Fed's +2.0% target sooner than expected, the Fed might be incentivized to move more aggressively.

It's the service sector that's responsible for inflation's stubborn refusal to heel, and the majority of the problem still centers on shelter costs.

Asking rents climbed +0.6% in May to a record $2,036 per month according to the *Zillow Observed Rent Index*. Since the pandemic began, the average rental cost is up +32.1%, but only +3.4% year-over-year. For a brief period in late 2022 and early 2023, costs for new rentals were actually down, but over time price increases have resumed, *albeit at a lesser pace*.

The housing story has been told repeatedly and hasn't changed. There isn't enough supply.

Housing

The housing story has been told repeatedly and hasn't changed. *There isn't enough supply.* Sales of existing homes, hamstrung by homeowners' reluctance to part with historically low mortgage rates, fell for the third straight month to a 4.1 million unit annual pace. By comparison, at the pandemic peak in January 2021, when mortgage rates were below 3%, the pace of existing home sales was 6.6 million.

In more normal times, new home sales would soar as opportunistic builders added fresh supply to fill the gap, but that hasn't happened. New home sales actually dropped -11.3% in May to a 619k annualized rate, below the 707k pace from February 2020 and significantly under the 1.03 million catch-up pace logged in October 2020.

The unfortunate result of lean housing inventory and persistent demand is higher prices.

The unfortunate result of lean housing inventory and persistent demand is higher prices. The median sales price for an existing home rose nearly 6% year-over-year in May to $419,300, a new record high. According to data from the National Association of Realtors (NAR), home prices have now risen on an annual basis for 11 consecutive months, with the May price appreciation being the biggest since October 2022.

US Existing Home Sales (Seasonally adjusted annual rate, millions)

Source: National Association of Realtors

Housing prices filter through to the inflation measures, in particular CPI. Shelter costs make up roughly 33% of the headline CPI index and 42% of core CPI, but only 18% of core PCE (Boston Fed). This explains why both the overall and core PCE are rising at a more comfortable +2.6% annual rate. Since Fed officials consider personal consumption expenditures to be the more appropriate price measure, their +2.0% target is actually within sight.

In an update to the FY 2024 forecast from the Congressional Budget Office (CBO), $400 billion was tacked on to the February estimate, increasing the expected federal budget deficit by 27% to $1.9 trillion for the current fiscal year, a shocking number to amass during a period of robust economic expansion.

Federal Budget and National Debt

On the whole, the economic releases were mixed during the quarter. The economy is still growing, the labor market remains healthy, and inflation appears to be on the decline once again. But it's an election year, and both presidential candidates have proposed policies that are undeniably inflationary.

Even if a divided congress brought another four years of gridlock, the crippling debt levels along with the Fed's pivot to quantitative tightening means investors will have massive amounts of supply to absorb. *Increased supply, absent corresponding demand, usually means higher yields, not lower.*

Increased supply, absent corresponding demand, usually means higher yields, not lower.

In an update to the FY 2024 forecast from the Congressional Budget Office (CBO), $400 billion was tacked on to the February estimate, increasing the expected budget deficit by 27% to $1.9 trillion for the current fiscal year, a shocking number to amass during a period of robust economic expansion. Higher Medicare spending, aid to Israel and Ukraine, student loan forgiveness and revised costs of the 2023 bank failures were all factors contributing to the upward revision.

The CBO also increased its 10-year cumulative deficit by $2.1 trillion to $22.1 trillion, bringing the projected national debt above $57T. By comparison, in 2007, the year before the "Great Recession" began and 15 years before the global pandemic, the national debt was just over $9T. At that point, total debt to GDP was around 61%. By 2024, it's expected

to double to 122%, well past what would normally be considered the breaking point. If the 2017 Tax Cut and Jobs Act is extended next year for another decade, estimated debt would rise by an additional $4.6 trillion.

Options for reducing the deficit are severely limited. Mandatory spending has grown from about 26% of the budget in 1962 to 61% as the population ages. At the current rate, annual spending on Social Security and Medicare are both expected to increase by roughly $1 trillion over the next ten years, with both presidential candidates promising not to cut entitlements.

Options for reducing the deficit are severely limited. Mandatory spending has grown from about 26% of the budget in 1962 to 61% as the population ages.

Discretionary spending, which is subject to congressional approval, and is more routinely blamed for the explosion in deficit spending, has fallen from 66% in 1962 to 26%, with nearly half currently allocated to national defense. The remaining percentage represents interest on the debt, the fastest growing piece of the budget …and at least for the time being, the most difficult to trim. Annual net interest costs, according to current CBO forecasts, would rise from $890 billion in 2024 to almost $1.7 trillion by 2034.

The longer inflation stays elevated and the longer the Fed maintains its restrictive monetary policy, the higher interest costs will climb. The catch-22 is that higher rates are required in order to reduce inflation.

Roughly 60% of American families are homeowners, and a similar percentage have a foot in the stock market. These folks receive varied degrees of benefit from rising prices. The remaining 40% feel the full brunt of inflation, and ironically will be most impacted when the government is forced to make the painful cuts it has ignored for decades.

The Markets

The S&P 500 and the Nasdaq both reached record highs in mid-June, although the rally has been concentrated primarily among a handful of tech firms. In June, Nvidia surpassed Microsoft to become the most valuable company in the U.S. at $3.1 trillion, up roughly 800% over a two-year period. By quarter end, Microsoft had regained the lead, followed closely by Apple. For perspective, Apple became the first publicly-traded company with a market value above the $1 trillion mark in 2018. Since then, Apple has tripled in value. The combined market cap of the five largest U.S. companies is now just above $14 trillion, representing 25% of the entire U.S. equity market. For the year, the S&P has returned nearly +14.5%, but the top heavy market has masked what might otherwise be lackluster equity market performance. The Russell 2000 small cap index is up just +0.5% in 2024 and remains almost -17% below its 2021 high.

For the year, the S&P has returned nearly +14.5%, but the top heavy market has masked what might otherwise be lackluster equity market performance.

Treasury yields peaked for the quarter in late April before settling down along with inflationary pressure to close only slightly higher for the period.

Economic and Interest Rate Outlook

Fed officials are now forecasting just a single rate cut this year, while the June Bloomberg survey of U.S. economists mirrors the bond market, expecting two quarter point cuts.

The immediate economic focus continues to be squarely on inflation and when the Fed will feel comfortable enough to begin lowering the overnight funds target. There are signs that the U.S. economy is slowing down, but since that's been the case for well over a year, many investors and economists have thrown in the towel.

Fed officials are now forecasting just a single rate cut this year, while the June Bloomberg survey of U.S. economists mirrors the bond market, expecting two quarter point cuts. There is virtually no chance the Fed will ease policy at the end of July. If the June and July inflation data were to cool, September becomes a good bet.

The November FOMC meeting falls just two days after the presidential election. Fed officials might be wise to sit quietly while the ground steadies, making December the more palatable choice. Next year's interest rate path is anyone's guess.

If congressional leaders recognize the gravity of the runaway budget and enact strict austerity measures, you'd expect consumer demand, GDP growth and inflationary pressure to fall, which would point to lower rates. On the other hand, an extension of the 2017 tax cuts without further cuts in discretionary spending and entitlement reform will only worsen the fiscal problem. Investors *should* demand higher rates when holding the debt of less fiscally responsible nations.

In late June, the International Monetary Fund (IMF), in its annual review of the U.S. economy, warned that record deficits and escalating debt levels pose "a growing risk" to the global economy and urged the United States to address the problem while its economy was strong.

For seven years as the U.S. emerged from the Great Recession, government borrowing was cheap. It got even cheaper during the pandemic, but *this is no longer the case*. The combination of record deficits and interest rates near two-decade highs has dramatically increased debt payments.

In late June, the International Monetary Fund (IMF), in its annual review of the U.S. economy, warned that record deficits and escalating debt levels pose "a growing risk" to the global economy and urged the United States to address the problem *while its economy was strong*. Back in April, IMF officials had scolded the U.S. for running deficits that acted to stimulate the economy, effectively countering Fed policy and keeping interest rates unnecessarily elevated.

The domestic economy may be at a turning point, but it's not just the near-term data that will dictate market direction. Geopolitical uncertainty continues to rise, while pretend-and-extend election promises made by both parties threaten to make normality unrecognizable.

Re:	Bid 2024-116 Rectangular Rapid-Flashing Beacon (RRFB) on Bothwell Blvd.

Action Requested:
Consider and act to award bid 2024-116 for the Rectangular Rapid-Flashing Beacon (RRFB) to Roadway Solutions, Inc., at the unit prices listed in the amount of $58,480.00 plus ten percent contingency in the amount of $5,848.00 for a total amount not to exceed $64,328.00. (Glasgow)

Background Information:
In August 2023, a representative from the Christie Elementary PTO board in Sutton Fields contacted the City with concerns about the traffic issues observed with the new elementary school on Crutchfield Rd and the middle and high school bus stop on the east side of Bothwell Boulevard. With this information, the City contracted with Westwood in September 2023 to conduct a traffic study to include pedestrian counts, an all-way stop study, and a speed study along Bothwell Blvd.

The traffic study's final report included several recommendations that the City relayed to Prosper ISD (PISD), in November 2023, to collaborate with addressing the issues. One of the recommendations was the installation of RRFBs at Sutton Fields Trail on Bothwell Boulevard due to the high pedestrian crossing in that area. This intersection is the current location of the Sutton Fields amenity center and is adjacent to PISD's school bus stop. The RRFB is a pedestrian crossing signal that is activated by pedestrians to signal motorists to yield to pedestrians on the crosswalk along Bothwell. The installation will increase driver attention and crossing safety.

In February 2024, the city again contracted with Westwood to design the RRFBs at Sutton Fields Trail on Bothwell Boulevard. The design contract included solar-powered flashing beacons, pedestrian push-button poles, and signs. The design was completed, and the project was advertised for bidders. Roadway Solutions, Inc. is the lowest apparent bidder.

In March 2024, the Sutton Fields HOA contacted the City with safety concerns about students crossing Bothwell at two intersections on the southern end, Painswick Drive and Tudor Place. In March 2024, the City again contracted with Westwood to extend the study along Bothwell Blvd to include the two additional intersections residents cited. The finalized revised report contained new recommendations for these locations. The City partnered with PISD on the recommendations, which resulted in PISD installing a new school bus location for the upcoming school year on the east side of Bothwell to eliminate the need for students to cross Bothwell.

Legal Review:
Contracts have been previously reviewed and approved.

SECTION 00410

EJCDC STANDARD FORM OF AGREEMENT

BETWEEN OWNER AND CONTRACTOR ON THE BASIS OF A STIPULATED PRICE

THIS AGREEMENT is by and between the **City of Celina** (OWNER) and **Roadway Solutions, Inc.** (CONTRACTOR). OWNER and CONTRACTOR, in consideration of the mutual covenants hereby agree as follows:

ARTICLE 1 – WORK

1.01 CONTRACTOR shall complete all Work as specified or indicated in the Contract Documents. The Work is generally described as follows:

CITY OF CELINA
RECTANGULAR RAPID FLASHING BEACONS
BID 2024-116
PROJECT # R87

ARTICLE 2 – THE PROJECT

2.01 The Project for which the Work under the Contract Documents may be the whole or only a part is generally described as follows:

The construction project includes:

The purchase and installation of rectangular rapid flashing beacon on Bothwell Blvd.

ARTICLE 3 – ENGINEER

3.01 The Project has been designed by **Westwood Professional Services, Inc.,** which hereinafter called ENGINEER and which is to act as OWNER'S representative, assume all duties and responsibilities, and have the rights and authority assigned to ENGINEER in the Contract Documents in connection with the completion of the Work in accordance with the Contract Documents.

ARTICLE 4 – CONTRACT TIMES

4.01 Time of the Essence

A. All time limits for Milestones, if any, Substantial Completion, and completion and readiness for final payment as stated in the Contract Documents are of the essence of the Contract.

4.02 Days to Achieve Substantial Completion and Final Payment

A. The Work will be substantially completed within 15 days after the date when the Contract Times commence to run as provided in paragraph 2.03 of the General Conditions, and completed and ready for final payment in accordance with paragraph 14.07 of the General Conditions within 30 days after the date when the Contract Times commence to run.

4.03 Liquidated Damages

A. CONTRACTOR and OWNER recognize that time is of the essence of this Agreement and that OWNER will suffer financial loss if the Work is not completed within the times specified in paragraph 4.02 above, plus any extensions thereof allowed in accordance with Article 12 of the General Conditions. The parties also recognize the delays, expense, and difficulties involved in proving in a legal or arbitration proceeding the actual loss suffered by OWNER if the Work is not completed on time. Accordingly, instead of requiring any such proof, OWNER and CONTRACTOR agree that as liquidate damages for delay (but not as a penalty), CONTRACTOR shall pay OWNER ***$500.00*** for each day that expires after the time specified in paragraph 4.02 for Substantial Completion until the Work is substantially

complete. After Substantial Completion, if CONTRACTOR shall neglect, refuse, or fail to complete the remaining Work within the Contract Time or any proper extension thereof granted by OWNER, CONTRACTOR shall pay OWNER $***500.00*** for each day that expires after the time specified in paragraph 4.02 for completion and readiness for final payment until the Work is completed and ready for final payment.

ARTICLE 5 – CONTRACT PRICE

5.01 OWNER shall pay CONTRACTOR for completion of the Work in accordance with the Contract Documents an amount in current funds equal to the sum of the amounts determined pursuant to paragraphs 5.01.

For all Work other than Unit Price Work, a Lump sum of: $**58,480.00**

All specific cash allowances are included in the above price and have been computed in accordance with paragraph 11.02 of the General Conditions.

ARTICLE 6 – PAYMENT PROCEDURES

6.01 Submittal and Processing of Payments

A. CONTRACTOR shall submit Applications for Payment in accordance with Article 14 of the General Conditions. Applications for Payment will be processed by ENGINEER as provided in the General Conditions.

6.02 Progress Payments; Retainage

A. OWNER shall make progress payments on account of the Contract Price on the basis of CONTRACTOR'S Applications for Payment on or about the ***last*** day of each month during performance of the Work as provided in paragraphs 6.02.A.1 and 6.02.A.2 below. All such payments will be measured by the schedule of values established in paragraph 2.07.A of the General Conditions (and in the case of Unit Price Work based on the number of units completed) or, in the event there is no schedule of values, as provided in the General Requirements:

1. Prior to Substantial Completion, progress payments will be made in an amount equal to the percentage indicated below but, in each case, less the aggregate of payments previously made and less such amounts as ENGINEER may determine or OWNER may withhold, in accordance with paragraph 14.02 of the General Conditions:

   a. ***95%*** of Work completed (with the balance being retainage).

   b. ***95%*** of cost of materials and equipment not incorporated in the Work (with the balance being retainage).

2. Upon Substantial Completion, OWNER shall pay an amount sufficient to increase total payments to CONTRACTOR to ***95%*** of the Work completed, less such amounts as ENGINEER shall determine in accordance with paragraph 14.02.B.5 of the General Conditions and less ***100%*** of ENGINEER's estimate of the value of Work to be completed or corrected as shown on the tentative list of items to be completed or corrected attached to the certificate of Substantial Completion.

6.03 Final Payment

A. Upon final completion and acceptance of the Work in accordance with paragraph 14.07 of the General Conditions, OWNER shall pay the remainder of the Contract Price as recommended by ENGINEER as provided in said paragraph 14.07.

ARTICLE 7 – INTEREST

7.01 All moneys not paid when due as provided in Article 14 of the General Conditions shall bear interest at the rate of ***0%*** per annum.

ARTICLE 8 – CONTRACTOR'S REPRESENTATIONS

8.01 In order to induce OWNER to enter into this Agreement CONTRACTOR makes the following representations:

A. CONTRACTOR has examined and carefully studied the Contract Documents and the other related data identified in the Bidding Documents.

B. CONTRACTOR has visited the site and become familiar with and is satisfied as to the general, local, and Site conditions that may affect cost, progress, and performance of the Work.

C. CONTRACTOR is familiar with and is satisfied as to all federal, state, and local Laws and Regulations that may affect cost, progress, and performance of the Work.

D. CONTRACTOR has carefully studied all: (1) Geotechnical Investigations, explorations and tests of subsurface conditions at or contiguous to the Site and all drawings of physical conditions in or relating to existing surface or subsurface structures at or contiguous to the Site which have been identified in the Supplementary Conditions as provided in paragraph 4.02 of the General Conditions.

E. CONTRACTOR does not consider that any further examinations, investigations, explorations, tests, studies, or data are necessary for the performance of the Work at the Contract Price, within the Contract Times, and in accordance with the other terms and conditions of the Contract Documents.

F. CONTRACTOR is aware of the general nature of work to be performed by OWNER and others at the Site that relates to the Work as indicated in the Contract Documents.

G. CONTRACTOR has correlated the information known to CONTRACTOR, information and observations obtained from visits to the Site, reports and drawings identified in the Contract Documents, and all additional examinations, investigations, explorations, tests, studies, and data with the Contract Documents.

H. CONTRACTOR has given ENGINEER written notice of all conflicts, errors, ambiguities, or discrepancies that CONTRACTOR has discovered in the Contract Documents, and the written resolution thereof by ENGINEER is acceptable to CONTRACTOR.

I. The Contract Documents are generally sufficient to indicate and convey understanding of all terms and conditions for performance and furnishing of the Work.`

ARTICLE 9 – CONTRACT DOCUMENTS

9.01 Contents

A. The Contract Documents consist of the following in their entirety:

1. This Agreement;
2. Performance Bond;
3. Payment Bond;
4. Maintenance Bond;
5. General Conditions;
6. Supplementary Conditions;
7. Specification as listed in the table of contents of the Project Manual;
8. Drawings;
9. All Addenda;
10. Exhibits to this Agreement:
    a. CONTRACTOR'S Bid Response;
    b. CONTRACTOR'S Insurance
    c. Documentation submitted by CONTRACTOR prior to Notice of Award

11. The following which may be delivered or issued on or after the Effective Date of the Agreement and are not attached hereto:

    a. Written Amendments;

    b. Work Change Directives;

    c. Change Order(s).

B. The documents listed in paragraph 9.01. Are attached to this Agreement (except s expressly noted otherwise above).

C. There are no Contract Documents other than those listed above in this Article 9.

D. The Contract Documents may only be amended, modified, or supplemented as provided in paragraph 3.04 of the General Conditions.

ARTICLE 10 – MISCELLANEOUS

10.01 Terms

A. Terms used in this Agreement will have the meanings indicated in the General Conditions.

10.02 Assignment of Contract

A. No assignment by a party hereto of any rights under or interests on the Contract will be binding on another party hereto without the written consent of the party sought to be bound; and, specifically but without limitation, moneys that may become due and moneys that are due may not be assigned without such consent (except to the extent that the effect of this restriction may be limited by law), and unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under the Contract Documents.

10.03 Successors and Assigns

A. OWNER and CONTRACTOR each binds itself, its partners, successors, assigns, and legal representatives to the other party hereto, its partners, successors, assigns, and legal representatives in respect to all covenants, agreements, and obligations contained in the Contract Documents.

10.04 Severability

A. Any provision or part of the Contract Documents held to be void or unenforceable under any Law of Regulation shall be deemed stricken, and all remaining provisions shall continue to be valid and binding upon OWNER and CONTRACTOR, who agree that the Contract Documents shall be reformed to replace such stricken provision or part thereof with a valid and enforceable provision that comes as close as possible to expressing the intention of the stricken provision.

10.05 Contractor's Certifications

A. Contractor certifies that it has not engaged in corrupt, fraudulent, collusive, or coercive practices in competing for or in executing the Contract. For the purposes of this Paragraph 10.05:

1. "corrupt practice" means the offering, giving, receiving, or soliciting of anything of value likely to influence the action of a public official in the bidding process or in the Contract execution;

2. "fraudulent practice" means an intentional misrepresentation of facts made (a) to influence the bidding process or the execution of the Contract to the detriment of Owner, (b) to establish Bid or Contract prices at artificial non-competitive levels, or (c) to deprive Owner of the benefits of free and open competition;

3. “collusive practice” means a scheme or arrangement between two or more Bidders, with or without the knowledge of Owner, a purpose of which is to establish Bid prices at artificial, non-competitive levels; and
4. “coercive practice” means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the bidding process or affect the execution of the Contract.

IN WITNESS WHEREOF, OWNER and CONTRACTOR have assigned this Agreement in duplicate. One counterpart each has been delivered to OWNER and CONTRACTOR. All portions of the Contract Documents have been signed or identified by OWNER and CONTRACTOR or on their behalf.

EXECUTED in single or multiple originals with an effective date of **August 14, 2024.**

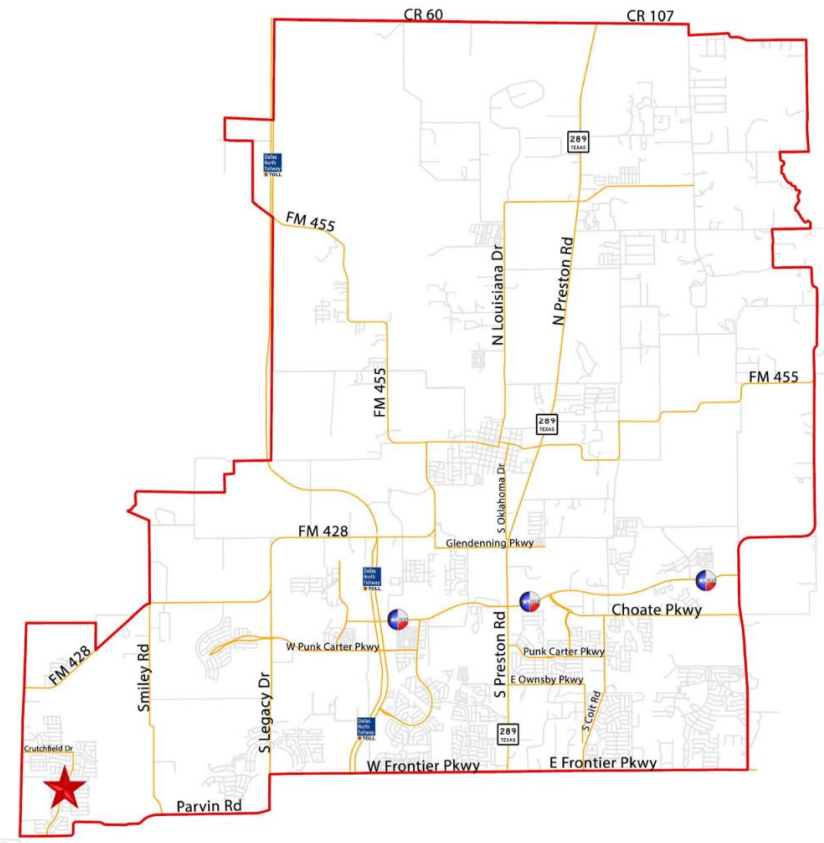
CONSTRUCTION AWARD

August 13th, 2024



Andy Glasgow, P.E., PMP, CFM
Director of Engineering

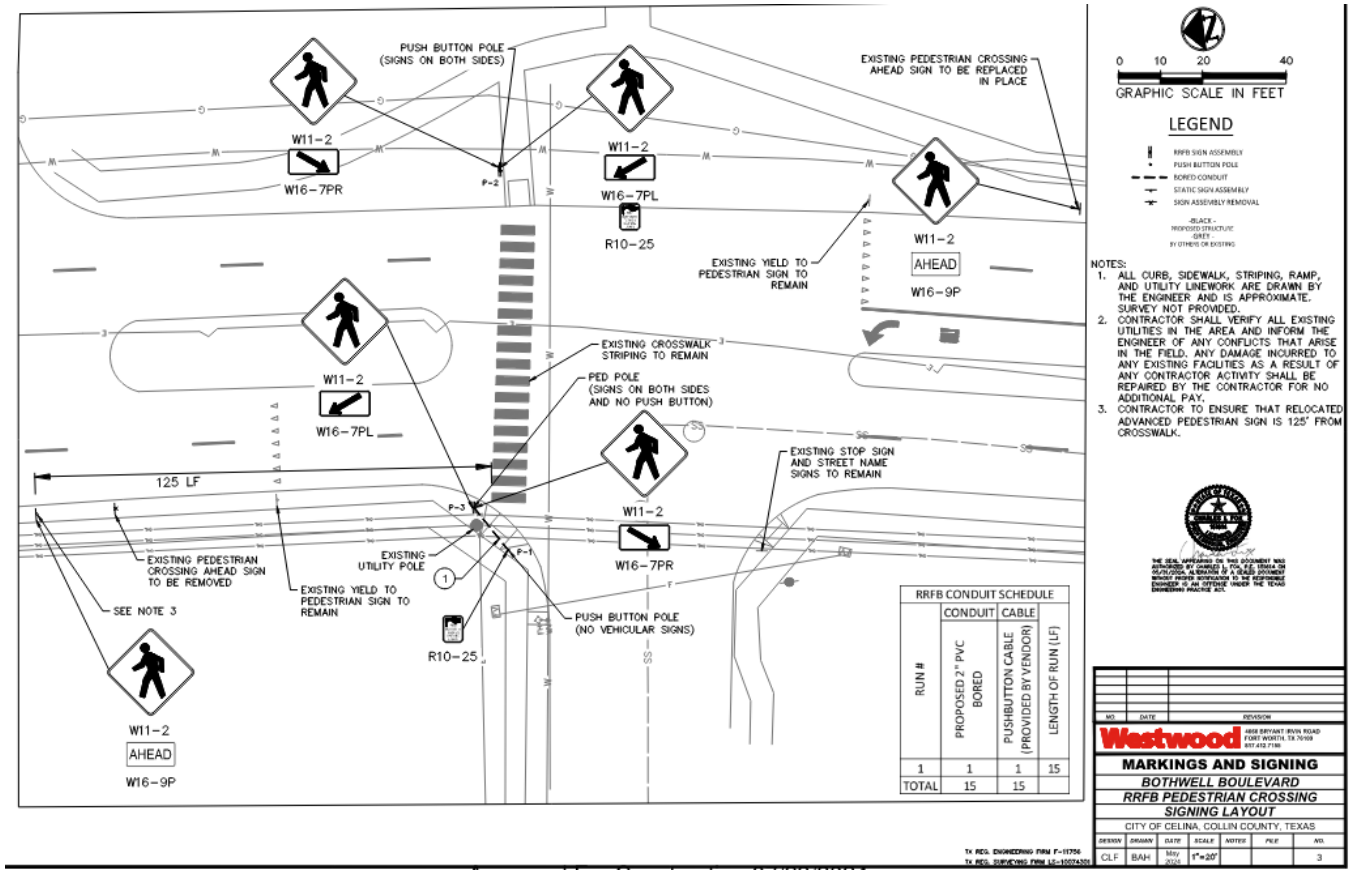
INTRODUCTION

- This item is to consider and act to award a construction contract to Roadway Solutions, Inc. for the Bothwell Boulevard Rectangular Rapid-Flashing Beacon (RRFB) project.
- Bid invitation was sent out to Vendors and 3 responses were received.
- The lowest bidder was rejected as incomplete.
- Staff proceeded with the second-lowest bidder and verified their references.
- Construction contract is for 30 days

PROJECT LOCATION

- Southwest side of the City.
- Bothwell Blvd at Sutton Fields Trail.

EXISTING CONDITIONS



- There is an existing crosswalk on Bothwell Blvd at Sutton Fields Trail.
- Based on the traffic study, there are 113 pedestrians crossing during a school day.

Subject: Pedestrian Safety Study – Sutton Fields Neighborhood
WW#0041428.00

Background

The services of Pacheco Koch, a Westwood company (PK) were retained by the City of Celina to conduct a Pedestrian Safety Assessment for Sutton Fields Neighborhood (See **Figure 1**). The city wanted to review student walking routes to and from school bus pick-up/drop-off locations and identify any ways to improve pedestrian safety. The city also asked that the intersection of Bothwell and Crutchfield be analyzed to determine the potential need for an all-way stop.

Figure 1 – Project Location

Site Observations

PK Westwood conducted site visits on August 25 and August 29, 2023, during both the AM school pickup and PM school drop off times. The times observed were from 7:05 to 8:15 AM and 3:00 to 5:15 PM. These were typical school days with a sunny forecast.

Four-hour turning movement and pedestrian counts were conducted along Bothwell Boulevard at the intersections of Crutchfield Drive and Sutton Fields Trail on Thursday, August 24 and Wednesday, August 30 as these were the primary intersections that the city was most concerned with. Four-day speed counts were collected along Bothwell Boulevard northbound and southbound from Thursday, August 24 through Sunday, August 27, 2023. Twenty-four-hour approach counts were collected at the intersection of Bothwell Boulevard and Crutchfield Drive on Wednesday, August 30, 2023. Detailed traffic data can be found in **Appendix A**.

Observed Vehicle Operations

During both the AM and PM peaks, vehicles were observed parking to drop off/pick up students at the buses. Most cars parked along Gaunt Drive. There was some minor northbound queuing along Bothwell Boulevard in the morning because of vehicles yielding to larger pedestrian groups crossing at Sutton Fields Trail, but also due to parents dropping their kids off at the bus stop along Bothwell Boulevard just south of Gaunt Drive. Additionally, some vehicles were observed stopping along Bothwell for pick-up in the afternoon. Overall, through traffic was observed obeying the speed limit.

Speed data is typically measured based on the 85% speed, which means 85% of the traffic drives that speed or lower. Based on the data collected, Bothwell Boulevard has a mean speed of 34-35 MPH and an 85% speed of 41-42 MPH. Based on this data, the problem is not speeding traffic but the way a pedestrian feels crossing a street in a 40 MPH speed zone. The speed studies which were collected for bi-directional traffic, shown in **Appendix A**, also reflect this. A graphical summary of these observations can be found in **Appendix B**.

PISD may require middle school and high school students to walk up to 1 mile to/from their designated pick up and drop off locations. **Appendix C** graphically represents the designated pick up and drop off radius showing all rooftops are currently located within the appropriate 1-mile walking distance. Although this may be true, PISD adding another pick up location on the west side of Bothwell Boulevards may help reduce the number of pedestrians crossing the major roadway and potentially reduce pedestrian concentrations to about half at each designated pick up and drop off location. However, PISD also attempts to minimize travel times to/from school to be within a 45-minute window which may also play a role into the number of allowed pick up and drop off locations.

Existing Pedestrian Infrastructure

The major crossing defined within the project area is located on the north side of Sutton Fields Trail at Bothwell Boulevard. This crossing is supplemented with the appropriate signage as defined in the Texas Manual on Uniform Traffic Control Devices. This is a marked crossing with continental striping with two barrier free ramps. All residential corners within the pickup locations include barrier free ramps, but not all approaches include crosswalk markings.

There are existing 40 MPH speed limit signs at the north and south ends of the study area, with radar feedback on both signs. Traffic was observed to obey the speed limit, but speeds still caused pedestrians to show concern when trying to find a gap to cross. Pedestrians only attempted to

cross once vehicles drastically slowed down or came to a complete stop. There is currently no school zone related signage in place.

Observed Walking Routes

Based on observations in the field during the pickup and drop off times, pedestrians came to/from all directions surrounding the dedicated pick up and drop off location. As expected, since this is the only location where students are being picked up. Most of the students came from the south where most of the homes in the subdivision are concentrated. The students who came from the west were less of a concern since they came from local residential streets that have lower traffic volumes. Eventually more will come from this direction as the area is built out, but they appear to be low volume local streets that would not appear to have significant traffic volume.

A notable number of students came from the west along Sutton Fields Trail and crossed Bothwell Boulevard to get to/from the dedicated pick-up/drop-off location. A good portion of the students properly utilized the pedestrian crossing elements located on the north side of the intersection, but a significant portion crossed on the unmarked south side of the intersection or jay walked were there were no markings or pedestrian ramps. The students who jay walked would not be captured in the collected traffic data, but this pattern was observed to occur in both the AM and PM peak hours. Jay walking was noticed to occur at various locations along Bothwell Boulevard.

Students that came from the north along Bothwell seemed to properly utilize the crosswalk since the crosswalk did not require them to back track to arrive at their destination. Moving the pick-up location to the north side of the community center should increase the proper utilization of the crosswalk, by locating the bus stop as close as possible to the existing crossing. Based on the significant pedestrian volumes shown in **Table 1** below and the observed hesitation pedestrians had to cross four lanes of traffic, it would be prudent to enhance this crossing with either a Rectangular Rapid Flashing Beacon (RRFB) to increase driver attention and crossing safety. This upgrade would assist with driver attention, as well as provide a safe, lit crossing for pedestrians during low light hours. In the wintertime especially, there is a chance of school pedestrian traffic occurring before/after the sun is out. It is important to note that the pedestrian data included in **Table 1** below will not include pedestrians that crossed at mid-block locations, were dropped off by parents along Bothwell, or crossed Bothwell Boulevard at a location further south than Sutton Fields Trail. For example, during the AM peak hour a notable number of pedestrians walked northbound along the east side of Bothwell Boulevard. In the PM, many pedestrians were also observed to be crossing at Halton Drive as students left the amenity center. This was likely due to the back tracking they would have to do in order to use the designated crosswalk at Sutton Fields Trail located north of the pickup and drop off location. A graphical summary of these observations can be found in **Appendix D**.

Sight Distance Analysis

To further identify all the potential safety issues within the pedestrian crossing zone, a sight distance analysis was done near the crossing locations with existing ramps and marked crosswalks. Upon reviewing the existing and proposed crosswalk locations, no stopping sight distance issues were determined. As drivers on Bothwell Boulevard have full visibility of the pedestrian crossing area, the recommendations are based on alerting drivers to slow down for crossing pedestrians. See **Appendix E** for sight distance measurements.

All Way Stop Warrant Analysis

PK Westwood was asked to analyze the intersection of Bothwell Boulevard and Crutchfield Road to see if an all-way stop is warranted. After analyzing the traffic at the intersection, based upon the multi-way stop warrant criteria in the Texas MUTCD, an all-way stop at the intersection is not warranted based on traffic volumes (as shown in **Table 2** below), however there are a few other options unrelated to volumes that warrant the installation of an all way stop controlled intersection.

For this case, conditions related to options B and D with the Texas MUTCD are met and listed below.

TMUCTD Section 2B.07 paragraph 05:

B. The need to control vehicle/pedestrian conflicts near locations that generate high pedestrian volumes.
D. An intersection of two residential neighborhood collector (through) streets of similar design and operating characteristics where multi-way stop control would improve traffic operational characteristics of the intersection.

The excerpt from the Texas MUTCD used in the all way stop analysis can be found in **Appendix F**.

Based on the pedestrian data (per **Table 1**), this intersection currently has 30 pedestrians and bicycle riders in the AM peak and 9 pedestrians and bicycle riders in the PM peak crossing this intersection. The intersection is also in a rapidly developing neighborhood, and it will soon become a 4-legged intersection. As this intersection does not currently meet vehicular volume warrants, an all-way stop control should be re-evaluated as vehicle and pedestrian volumes rise due to neighborhood expansion.

Conclusion / Recommendations

Crutchfield Drive at Bothwell Boulevard Recommendations:

Based on the all way stop warrant analysis traffic volumes do not warrant the installation of an all way stop. However, since there was a notable amount of pedestrian volume utilizing this intersection (before build out conditions) and the ultimate build out of both roadways will have similar functions as collector streets along with similar cross-sections, it is recommended to re-evaluate the necessity of an all way stop at this location once all approaches have been opened and more homes are occupied to the north and east.

Safety Recommendations:

Based on the site observations previously described there are a variety of issues creating an environment that does not make pedestrians feel safe walking to school. Below is a list of recommendations to enhance safety along the observed walking routes to/from the bus pick up/drop off location at the Sutton Fields Amenity Center.

1. Adjust the bus drop-off/pick-up locations to be north of the Sutton Fields pedestrian infrastructure on Exeter Drive. The shifted bus stop location will be closer to the existing pedestrian crossing, which encourages people to utilize the crossing as it is close to their preferred route.
2. Run a public information campaign in partnership with Prosper ISD to educate and inform parents and students of the following:
    - Ask parents to utilize the enhanced crossing when their students are going to/from the bus stop.
    - Ask parents to pick up or drop off students within the local residential streets and avoid temporarily parking to pick up their child on Bothwell Boulevard. Inform parents how this can create dangerous sudden stop conditions along the higher volume roadway. This may need to be coupled with enforcement during the early stages of implementation to ensure cooperation.
3. Examine Prosper ISD pick-up/drop-off routes to determine whether changes can be made to spread the students out and lessen the concentration of pedestrians in the study area.
    - Adding pick-up/drop-off locations on both sides of Bothwell should reduce the need for pedestrian crossings along Bothwell Boulevard and minimize the number of concentrated pedestrians at a single location.
4. Add upgraded pedestrian infrastructure:
    - Upgrade Sutton Fields Trail pedestrian crossing to RRFB due to the number of pedestrians utilizing the crossing.
    - Reevaluate the need to add an enhanced crossing for Bothwell Boulevard at Halton Drive once the new pickup location is established north of the amenity center. This problem may be eliminated once students realize the existing crosswalk doesn't add walking distance or require back tracking to get to the pickup and drop off location.
5. Add pedestrian zone flashers (Note: If option 4 is selected, this option is no longer needed)
6. Add a school zone to create a 20 MPH speed within the crossing zone. This will require a partnership with PISD.

A graphical summary of the recommendations can be found in **Exhibit 1**.

Section 2B.07 Multi-Way Stop Applications

Support:

01 Multi-way stop control can be useful as a safety measure at intersections if certain traffic conditions exist. Safety concerns associated with multi-way stops include pedestrians, bicyclists, and all road users expecting other road users to stop. Multi-way stop control is used where the volume of traffic on the intersecting roads is approximately equal.

02 The restrictions on the use of STOP signs described in Section 2B.04 also apply to multi-way stop applications.

Guidance:

03 *The decision to install multi-way stop control should be based on an engineering study.*

04 *The following criteria should be considered in the engineering study for a multi-way STOP sign installation:*

- *A. Where traffic control signals are justified, the multi-way stop is an interim measure that can be installed quickly to control traffic while arrangements are being made for the installation of the traffic control signal.*
- *B. Five or more reported crashes in a 12-month period that are susceptible to correction by a multi-way stop installation. Such crashes include right-turn and left-turn collisions as well as right-angle collisions.*
- *C. Minimum volumes:*
  1. *The vehicular volume entering the intersection from the major street approaches (total of both approaches) averages at least 300 vehicles per hour for any 8 hours of an average day; and*
  2. *The combined vehicular, pedestrian, and bicycle volume entering the intersection from the minor street approaches (total of both approaches) averages at least 200 units per hour for the same 8 hours, with an average delay to minor-street vehicular traffic of at least 30 seconds per vehicle during the highest hour; but*
  3. *If the 85th-percentile approach speed of the major-street traffic exceeds 40 mph, the minimum vehicular volume warrants are 70 percent of the values provided in Items 1 and 2.*
- *D. Where no single criterion is satisfied, but where Criteria B, C.1, and C.2 are all satisfied to 80 percent of the minimum values. Criterion C.3 is excluded from this condition.*

Option:

05 Other criteria that may be considered in an engineering study include:

- A. The need to control left-turn conflicts;
- B. The need to control vehicle/pedestrian conflicts near locations that generate high pedestrian volumes;
- C. Locations where a road user, after stopping, cannot see conflicting traffic and is not able to negotiate the intersection unless conflicting cross traffic is also required to stop; and
- D. An intersection of two residential neighborhood collector (through) streets of similar design and operating characteristics where multi-way stop control would improve traffic operational characteristics of the intersection.

Section 2B.08 YIELD Sign (R1-2)

Standard:

01 **The YIELD (R1-2) sign (see Figure 2B-1) shall be a downward-pointing equilateral triangle with a wide red border and the legend YIELD in red on a white background.**

Support:

02 The YIELD sign assigns right-of-way to traffic on certain approaches to an intersection. Vehicles controlled by a YIELD sign need to slow down to a speed that is reasonable for the existing conditions or stop when necessary to avoid interfering with conflicting traffic.

Section 2B.09 YIELD Sign Applications

Option:

01 YIELD signs may be installed:

- A. On the approaches to a through street or highway where conditions are such that a full stop is not always required.
- B. At the second crossroad of a divided highway, where the median width at the intersection is 30 feet or greater. In this case, a STOP or YIELD sign may be installed at the entrance to the first roadway of a divided highway, and a YIELD sign may be installed at the entrance to the second roadway.

Memorandum

To:	**Honorable Mayor Tubbs and the Celina City Council**
From:	Drew Jenks
CC:	Karla Stovall, Assistant City Manager
Intiated by:	Drew Jenks
Date:	August 13, 2024
Re:	Bid 2024-109 Bookmobile Outfitting

Action Requested:
Consider and act to award bid 2024-109 to TechOps Specialty Vehicles, LLC for the outfitting of the Celina Public Library Bookmobile in the amount not to exceed $112,537.71. (Stovall)

Background Information:
In July 2023, the City of Celina was awarded the Texas State Libraries and Archives Commission 75 Special Projects grant. In October 2023, the City Council approved the purchase of a bookmobile vehicle. The vehicle arrived in Celina in April 2024, and soon after the City requested bids for outfitting of the vehicle. The City received 4 responses to bid 2024-109 for the outfitting of the Library Bookmobile. One(1) respondent was disqualified for not supplying adequate bid documentation. The evaluation committee conducted a thorough review process and shortlisted two vendors, Tech Ops and Chef Units, for interviews. Both vendors were invited to present their proposals and answer questions from the committee.

The scope of work includes the installation of shelves, electrical, generator, HVAC, office, and IT equipment necessary for library programs included in the Library Bookmobile program.

Legal Review:
Contract has been previously reviewed and approved.

Supporting Documents:
1. Bookmobile Outfitting Agreement with TechOps - Partially Executed
2. Agenda Recap
3. Bid Tabulation by Line Item

4. Inital Scoring Summary
5. Interview Ranking Final
6. 7 - EE -- Bookmobile CC 08.13.24 - KS

Financial Consideration:
Funds are available through the general fund and with a grant from the Texas State Libraries and Archives Commission.

Staff Recommendation:
Staff recommends awarding the Bookmobile Outfitting as presented.

City of Celina, Texas
Standard Contract for Services

This Agreement is made by and between the City of Celina, Texas, a Texas home-rule municipality (hereinafter referred to as the "City") and **TechOps Specialty Vehicles LLC.** (hereinafter referred to as the "Provider") for **Bookmobile Outfitting** (hereinafter referred to as the "Project"). In consideration of the premises, covenants, and mutual promises contained in this Agreement, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the City and the Provider hereby agree as follows:

1. **EMPLOYMENT OF THE PROVIDER.** The City agrees to retain the Provider for, and the Provider agrees to provide services relative to, the following Project: **Bookmobile Outfitting** (hereinafter also referred to as "Services") in accordance with the terms and conditions as outlined in this Agreement and Exhibit A, attached hereto and incorporated herein by reference.

2. **SCOPE OF SERVICES.** The Services to be performed are specified in **Exhibit A.** Deviations from the agreed-upon scope of work of such Services may be authorized from time to time by the City in writing.

3. **SCHEDULE OF WORK.** The Provider agrees to begin work upon receipt of written authorization from the City. Time is of the essence for this Agreement and work is to commence immediately.

4. **CONTRACT PERIOD.** The contract period for this Agreement is six months from effective date.

5. **COMPENSATION.** The Provider's total compensation for services to be performed and expenses to be incurred is specified in **Exhibit A**, attached hereto, and incorporated herein by reference.

6. **PAYMENTS.** Payments will be processed as outlined in Exhibit A, and they will be available within thirty (30) days of the City's receipt of the invoice.

7. **INVOICING.** Invoices should be prepared and submitted to the City for payment in accordance with Exhibit A. Invoices should be emailed to **accountspayable@celina-tx.gov** .

8. **INFORMATION PROVIDED BY THE CITY**. Although every effort has been or will be made to furnish accurate information, the City does not guarantee the accuracy of the information it furnishes to the Provider.

9. **INSURANCE.** The Provider shall provide proof that it has obtained and will continue to maintain throughout the duration of this Agreement the insurance requirements set forth in **Exhibit B.** Failure to maintain the required insurance may result in immediate termination of this Agreement.

11. **INDEMNIFICATION. THE PROVIDER AGREES, TO THE FULLEST EXTENT PERMITTED BY LAW, TO INDEMNIFY AND HOLD HARMLESS THE CITY, ITS OFFICERS, AGENTS, SERVANTS AND EMPLOYEES (HEREINAFTER COLLECTIVELY REFERRED TO AS "INDEMNITEES") FROM AND AGAINST SUITS, ACTIONS, CLAIMS, LOSSES, ANY DAMAGE, LIABILITY, AND FROM AND AGAINST ANY COSTS AND EXPENSES, INCLUDING, IN PART, ATTORNEY'S FEES INCIDENTAL TO THE DEFENSE OF SUCH SUITS, ACTIONS CLAIMS, LOSSES, DAMAGES OR LIABILITY ON ACCOUNT OF INJURY, DISEASE, SICKNESS, INCLUDING DEATH, TO ANY PERSON OR DAMAGE TO PROPERTY INCLUDING, IN PART, THE LOSS OF USE RESULTING THEREFROM, ARISING FROM ANY NEGLIGENT ACT, ERROR OR OMISSION OF THE PROVIDER, ITS OFFICERS, EMPLOYEES, SERVANTS, AGENTS OR SUBCONTRACTORS, OR ANYONE ELSE UNDER THE PROVIDER'S DIRECTION AND CONTROL, AND ARISING OUT OF, RESULTING FROM, OR CAUSED BY THE PERFORMANCE OR FAILURE OF PERFORMANCE OF ANY WORK OR SERVICES UNDER THIS AGREEMENT, OR FROM CONDITIONS CREATED BY THE PERFORMANCE OR NON-PERFORMANCE OF SAID WORK OR SERVICES. IN THE EVENT ONE OR MORE OF THE INDEMNITEES IS**

DETERMINED BY A COURT OF LAW TO BE JOINTLY OR DERIVATIVELY NEGLIGENT OR LIABLE FOR SUCH DAMAGE OR INJURY, THE PROVIDER SHALL BE OBLIGATED TO INDEMNIFY INDEMNITEES AS PROVIDED HEREIN ON A PROPORTIONATE BASIS IN ACCORDANCE WITH THE FINAL JUDGMENT, AFTER ALL APPEALS ARE EXHAUSTED, DETERMINING SUCH JOINT OR DERIVATIVE NEGLIGENCE OR LIABILITY. THIS INDEMNIFICATION IS SUBJECT TO THE LIMITATIONS IN TEXAS LOCAL GOVERNMENT CODE, § 271.904(A) AND TEXAS CIVIL PRACTICE AND REMEDIES CODE, § 130.002(B), AS SAME MAY BE APPLICABLE TO PROVIDER AS A MATTER OF LAW.

12. **TRANSFER OF INTEREST.** Neither the City nor the Provider may assign or transfer their interests in this Agreement without the prior written consent of the other Party. Such consent shall not be unreasonably withheld. This Agreement is binding on the City, the Provider, and their successors and assigns. Nothing herein is to be construed as creating a personal liability on the part of any City officer, employee or agent.

13. **AUDITS AND RECORDS.** At any time during normal business hours and as often as the City may deem necessary, the Provider shall make available to the City for examination all of its records with respect to all matters covered by this Agreement, and will permit the City to audit, examine and make copies, excerpts, or transcripts from such records. The City may also audit all contracts, invoices, payroll records of personnel, conditions of employment and other data relating to this Agreement.

14. **EQUAL EMPLOYMENT OPPORTUNITY.** The Provider shall not discriminate against any employee or applicant for employment because of age, race, color, religion, sex, national origin, disability or any other protected characteristic. The Provider shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their age, race, color, religion, sex, national origin, disability or any other protected characteristic. Such actions shall include, but not be limited to the following: employment, promotions, demotion, transfers, recruitment or recruitment advertising, layoffs, terminations, selection for training (including apprenticeships), and participation in recreational activities.

    The Provider agrees to post in conspicuous places, accessible to employees and applicants for employment, notices setting forth the provisions of the nondiscrimination clause. The Provider will, in all solicitations or advertisements for employees placed by or on behalf of the Provider, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.

    The Provider will cause the foregoing provisions to be inserted in all subcontracts for any work covered by this Agreement so that such provisions will be binding upon each sub-Provider, except that the foregoing provisions shall not apply to contracts or subcontracts for customary office supplies.

    The Provider shall keep records and submit reports concerning the racial and ethnic origin(s) of applicant employment and employees as the law may require.

15. **TERMINATION OF CONTRACT.** The City may terminate this Agreement upon thirty (30) days written notice to the Provider, except in the event (i) the Provider is in breach of this Agreement, or (ii) the Provider fails to comply with the terms of Exhibit A. If either of the foregoing conditions exists, the City shall notify the Provider and the Provider shall be given seven (7) days to cure such breach or failure to comply. Should the Provider fail to cure to the satisfaction of the City, the City may terminate this Agreement upon written notice as provided herein.

    In the event of any termination hereunder, the Provider consents to the City's selection of another Provider to assist the City in any way in completing the Services. The Provider further agrees to cooperate and provide any information requested by the City in connection with the completion of the Services.

The Provider shall be compensated for Services performed and expenses incurred for satisfactory work up to the termination date in that the Provider shall receive a portion of fees and expenses permitted under this Agreement in direct proportion to percentage of work actually completed up to the termination date. This provision shall not deprive the City of any remedies against the Provider that may be available under applicable law.

16. **PROVIDER'S REPRESENTATIONS.** The Provider hereby represents to the City that the Provider is financially solvent and possesses sufficient experience, licenses, authority, personnel, and working capital to complete the Services required under this Agreement.

17. **CITY APPROVAL FOR ADDITIONAL WORK.** No payment, of any nature whatsoever, will be made to the Provider for additional work without the City's written approval before such work begins.

18. **PERFORMANCE BY PROVIDER.** All Services provided by the Provider hereunder shall be performed in accordance with the highest professional standards and in accordance with Exhibit A, and the Provider shall be responsible for all Services provided hereunder whether such services are provided directly by the Provider or by any sub-Providers hired by the Provider. The Provider shall perform all duties and Services and make all decisions called for hereunder promptly and without unreasonable delay. The Provider shall not utilize sub-Providers to perform Services without the City's prior written consent.

19. **DAMAGE.** In all instances where City property and/or equipment is damaged by the Provider's employees, a full report of the facts, extent of the damage and estimated impact on the Provider's schedule shall be submitted to the City by 8:00 a.m. of the following City business day after the incident. If damage may result in further damages to the City or loss of City property, the Provider must notify Police Dispatch immediately. The Provider shall be fully liable for all damage to City property or equipment caused by the Provider's officers, employees, agents or sub-Providers.

20. **CITY OBJECTION TO PERSONNEL.** If at any time after entering into this Agreement, the City has any reasonable objection to any of the Provider's personnel, or any personnel retained by the Provider, then the Provider shall promptly propose substitutes to whom the City has no reasonable objection, and the Provider's compensation shall be equitably adjusted to reflect any difference in the Provider's costs occasioned by such substitution.

21. **COMPLIANCE WITH LAWS.** The Provider warrants and covenants to the City that all Services will be performed in compliance with all applicable federal, state, county and City laws, rules, and regulations including, but not limited to, the Texas Industrial Safety and Health Act and the Workers Right-to-Know Law. All necessary precautions shall be taken to assure that safety regulations prescribed by OSHA and the City are followed.

22. **NON-BINDING MEDIATION.** In the event of any disagreement or conflict concerning the interpretation of this Agreement, and such disagreement cannot be resolved informally by the City and the Provider, the City and the Provider agree to submit such disagreement to non-binding mediation before pursuing any other legal remedy.

23. **ENTIRE CONTRACT.** This Agreement together with Exhibit A and B, attached hereto and any other exhibit attached hereto contains the entire contract between the City and the Provider concerning the Services for the Project. There will be no understandings or contracts other than those incorporated herein. This Agreement may not be modified except by an instrument in writing signed by the Parties hereto. In the event of a conflict between an attachment to this Agreement and this Agreement, this Agreement shall control.

24. **MAILING ADDRESSES.** All notices and communications concerning this Agreement are to be mailed or delivered to the addresses shown below unless and until the other Party is otherwise notified in writing of a different address:

Dear Ryan Quigley,

TechOps Specialty Vehicles, LLC (TechOps), a leader in the specialty vehicle industry, is pleased to provide you with the following response to your request for proposal for bookmobile outfitting to a purchased GM Cutaway with 14' Wabash Cargo Box Truck. While still maintaining a small business environment, TechOps has proudly established itself as a market leader within the Specialty Vehicle industry repeatedly earning the trust to design and manufacture for the highest levels of the U.S. Government, State & Local agencies, as well as numerous private enterprises. TechOps-built units are currently fielded and in service across the country and operating in the most robust and dynamic work environments.

In this bid documentation you will find an overview of your proposed vehicle which includes specified line items, pricing, and our terms and conditions. TechOps's submission has been prepared in a detailed manner to address all build information and consistent with the specifications from the RFP.

Any questions about the content of this quote or requests for adjustments in specifications can be directed to myself, Jennifer Samora, via email at jsamora@techopssv.com or by phone at (720) 862-5268. Once specifications are finalized and Purchase Order and deposit are in place, TechOps will assign your team a Project Manager and Design Engineer, and the detailed design phase of the project will commence. There will be an initial kick-off meeting with your team followed by Design Reviews with the TechOps Design & Engineering Team. All design or specification changes will be documented via change order and thoroughly communicating with your assigned point of contact. The City of Celina, TX will have sign off on the final design and build plan.

Before production kicks off a detailed production schedule will be established allowing for key target dates along with a delivery date. At that point we would encourage your organization's personnel to visit our facility and see first-hand the upfitting process of your newly converted bookmobile.

TechOps has the ability and expertise to begin the custom design work on your new GM Cutaway with 14' Wabash Cargo Box Truck into a bookmobile and we have production capacity within the 2024 calendar year to complete the project. Please let me know if you have any questions.

Sincerely,

Jennifer Samora

Warranty

Chassis: Chassis manufacturer warranty thirty-six (36) months or 36,000 miles, whichever occurs first.

Conversion: TechOps warranties its workmanship and materials for a period of two (2) years and shall begin on the date the vehicle is put into service by the original purchaser.

Manufacturer's Pass-Through: The Manufacturers of most components offer a warranty for their respective products. In all cases their warranties are separate from the TechOps Warranty. The Component Manufacturer's Warranties may exceed the TechOps warranty.

This warranty is separate from any other warranty on installed equipment that may be applicable on items included in the conversion that are warranted by their specific manufacturer (see "COMPONENT MANUFACTURER'S WARRANTY" below) such as Chassis, Air Conditioners, Heaters, Emergency lighting, Alternators, Battery chargers, Inverters, Suspension components, Cellular Phones, Etc. Individual warranties for "installed" equipment are included with the TechOps Owners/Operators Manual provided with the vehicle upon delivery to the original purchaser.

No Authority to Modify: TechOps does not authorize any person to make any representation or promise on its behalf to modify the terms or limitations of this warranty in any way.

Owner Responsibility: The owner is responsible for all normal maintenance of the conversion, including but not limited to items such as checking fan belts and normal lubrication of component parts, etc. NOTE: This warranty is not transferable. Any alterations or modifications to the conversion, component parts or wiring not approved in writing by TechOps will render this warranty void. No other express or implied warranty is applicable to this product.

Items Not Covered: TechOps is not responsible for the following:

- Premiums charged for overtime labor (associated with warranty) requested by customer
- Repairs or service performed by other than an authorized service organization
- Problems arising as a result of additions or accessories not installed or authorized to be installed by TechOps
- Depreciation or damage as a result of improper maintenance or storage, failure to follow operating instructions, misuse, accident, racing or other competitive activities, or usage of unauthorized parts
- Normal maintenance and replacement of normal wear and tear items such as oil and filter changes, tires, batteries, belts, etc.
- Towing charges, travel time or associated storage costs
- Expenses in excess of specified warranty coverage
- Loss of time, inconvenience or loss of vehicle use

Terms and Conditions

1. **HGAC Contract Procurement**: This procurement can be facilitated under our HGAC contract #AM10-20. When an order is placed, an HGAC worksheet shall be completed for your procurement personnel to submit to HGAC for their conformation. Their fee is not included in this proposal and will be added to the worksheet. For vehicles, the fee is $1,000 per order whether it is for one or multiple vehicles on the same order. This purchase shall be based on TechOps' contract package plus published and non-published options.

2. **GSA Contract Procurement**: This procurement can be facilitated under TechOps GSA 23V Schedule Contract Number: 47QMCA19D0014 with end user FAR compliance. For vehicles, the GSA Industrial Funding Fee is .75% of the total sale price. This purchase shall be based on TechOps' contract package plus any applicable published and non-published options.

3. **Purchase Orders**: Customer (as indicated on the final, accepted quotation) shall submit a purchase order containing the requested conversion and related specifications or reference the provided quote number ("Purchase Order").

4. **Pricing and Quotes**: Pricing is subject to change. Except as set forth herein, all quotes will be valid for thirty (30) days. Vehicle, chassis, and/or body quotations are subject to availability and are only valid as of the date of the quote. All quotations exclude any applicable sales or use taxes unless specified and included with the price FOB-MD. Pricing to complete the Work (as hereinafter defined) is based on equipment, material, and time/labor applicable on the date the quote is prepared and/or provided to Customer. TechOps reserves the right to revise and update the quote to meet any variations, whether due to increase in wages, materials, equipment, or increased cost outside TechOps' reasonable control or in relation to conditions discovered during the Work being performed. All pricing changes will be submitted to the Customer, including changes in chassis and/or body price, via a Change Order and TechOps reserves the right to update and/or revise final pricing. Additionally, TechOps reserves the right to select all equivalent parts as long as they meet the specifications provided by the Customer.

5. **Services**: Once a Purchase Order is submitted, TechOps will provide conversion services in accordance with the specifications set forth on the final accepted quotation, and any amendments thereto (the "Work"). The Work shall be performed in Stevensville, MD unless otherwise specified by TechOps in TechOps sole discretion. TechOps will perform all Work in a good and workmanlike manner. TechOps will work with the Customer to determine appropriate specifications, materials, and equipment when appropriate. Customer acknowledges that TechOps is not responsible for the accuracy or appropriateness of any specifications provided by the Customer.

6. **Vehicle/Chassis Purchase & Arrival**: TechOps is not a dealer. However, TechOps may assist the Customer with selecting a vehicle, chassis, and/or body from a dealer that is suitable for the conversion based on the specifications provided by the Customer and TechOps knowledge and experience. TechOps will endeavor to help the Customer purchase a safe and reliable vehicle, chassis, and/or body. TechOps may, in its sole discretion, advance payments for the vehicle, chassis, and/or body to such dealers on behalf of Customer. Customer acknowledges that the vehicle, chassis, and/or body will be purchased directly from the dealer and that TechOps does not, and will not, take title to the vehicle prior to its sale to the Customer.

If TechOps assists the Customer with the purchase of the vehicle, chassis, and/or body, TechOps will arrange for delivery of the vehicle to TechOps for conversion by the dealer. If the Customer purchases a vehicle, chassis, and/or body without the assistance of TechOps, Customer shall arrange for the vehicle, chassis, and/or body to be delivered to TechOps. Customer shall be responsible for all delivery, transportation, or any related costs or expenses. All training, if included in the quotation, shall take place at TechOps facility in Stevensville, MD, unless otherwise specified.

7. **Production Time; Commencement; and Completion Date**: Production time shall be estimated by the Project Manager when the order is placed taking into consideration the estimated arrival of the vehicle, chassis, and/or body at TechOps, equipment. The production time estimate will be confirmed when all plans are approved by TechOps and accepted by the Customer. The necessity of special parts or changes in the type of equipment, materials, vehicle, chassis, or body, or a delay in delivery of the vehicle, chassis, or body may cause a delay to the estimated production time. The Work will commence upon delivery of the vehicle, chassis, body, equipment, or materials, whichever is delivered to TechOps later. All delays will be communicated to the Customer by TechOps. Any completion date or delivery date indicated by TechOps is subject to change by TechOps its sole discretion. The time for completion of the Work or delivery is not "of the essence." TechOps will encumber the chassis and/or body upon receipt of the deposit payment from the Customer and signed specs; however, TechOps has no control over the timing and delivery of chassis and body from dealerships and/or body manufacturers. TechOps will provide estimates and updates on this timing throughout the project.

8. **Change Orders:** Any modifications to the initial order will result in a Change Order to be signed by the Customer. Change Order pricing is billed on a tier-basis and dependent on the on the current status of the project (i.e. pre-engineering, engineering, production) at the time the Change Order is presented. All Change Orders are invoiced separately from the milestone payments on the original order and due in full upon Customer approval of the Change Order. Modifications in scope and materials will result in a new production time estimate for the overall project, and a new completion date estimate will be provided by the Project Manager once plans are approved by TechOps and accepted by the Customer. TechOps reserves the right to revise and update pricing at any point during the project if there are material increases in cost and/or labor changes. TechOps reserves the right to hold original milestone payment due dates in the event of a project delay caused by a Change Order. In such instances, Customer will be invoiced for the milestone as planned with a holdback amount to be due upon completion.

9. **Cancellation; No Refunds**: Upon acceptance by the Customer of the final quotation, the Work may not be cancelled unless otherwise agreed upon in writing by TechOps. In the event the Customer cancels an order, the Customer shall not be entitled to a refund of any amount paid to TechOps by Customer. Customer shall remain responsible for all amounts advanced on Customer's behalf pursuant to the approved Work, including, but not limited to, amounts paid to dealers, vendors, or suppliers for equipment, materials, vehicles, chassis, or bodies. TechOps may cancel the Work at any time. If TechOps cancels the Work, TechOps shall refund all payments made to TechOps; provided however, that TechOps shall not be required to refund any amount of advanced payments made on behalf of the Customer by TechOps to dealers for the vehicle, chassis, and/or body. TechOps shall cooperate with the Customer to assist Customer with obtaining possession and title of the vehicle, chassis, and/or body.

10. **Payments and Deposits**: Payments and Deposits: Upon submission of a Purchase Order, Customer shall pay to TechOps a deposit in the amount equal to 50% of the Total Contract Price (as set forth in the final, accepted quotation). If TechOps assists the Customer with purchasing a vehicle, chassis, and/or body by advancing payment on behalf of the Customer to the dealer, the Customer shall pay to TechOps 25% of the Contract Price (as set forth in the final, accepted quotation, the "Vehicle Price") upon completion of the vehicle, chassis, and/or body (as identified by TechOps). 15% of the Total Contract Price,

including any outstanding balances for Change Orders, shall be paid 30 days prior to completion of the Work. The remaining 10% balance of the Contract Price shall be paid at acceptance of the vehicle. Failure to pay any amount when due shall result in TechOps charging a storage fee of $100.00 per day until past due amounts and the storage fees are paid in full. TechOps will not release the vehicle or MSO until all balances due have been paid in full.

As project completion nears, TechOps will coordinate inspection and acceptance with the Customer. Customer is solely responsible for being available to inspect and accept vehicle at the end of a project. Any delays in acceptance due to Customer scheduling are subject to the storage fee noted above. Regardless of Customer's availability to schedule acceptance, payment is due in full within ten (10) days of project completion.

All payments shall be made to TechOps Specialty Vehicles, 218-A Log Canoe Circle, Stevensville, MD 21666. Payments shall be made by wire transfer, check, or credit card, unless otherwise agreed by TechOps in writing. A fee of 3.5% will be charged to the Customer and added to each payment amount for all credit card payments. The wiring information is as follows: Eagle Bank, 7815 Woodmont Ave, Bethesda, MD 20814. ABA: 055003289, Account: 200264489.

11. **Delivery:** Upon completion of a project, all vehicles are FOB TechOps Specialty Vehicles, 218-A Log Canoe Circle, Stevensville, MD 21666 unless otherwise stated. The Customer is solely responsible for coordinating and scheduling transportation of the finished vehicle from TechOps facility to its destination. If delivery is requested as part of the quote, TechOps will provide a transportation allowance estimate. This estimate will not be finalized and reconciled until a certified third party provides a quotation at the end of the project. All delivery charges will be billed separately from all milestones at the time of delivery of the completed project.

12. **Rights of TechOps Upon Nonpayment by Customer**: In the event the Customer fails to pay the remaining balance of the Total Contract Price when due, TechOps reserves the right to suspend the Work, withhold delivery of the converted vehicle to the Customer, and/or may pursue all legal rights and remedies in both law and equity inclusive of both Maryland's Contract Lien Act and §16-200, et seq. of the Maryland Commercial Law Article. By accepting the quotation, Customer acknowledges TechOps' security interest and right to lien Customer's vehicle, chassis, and/or body for installed, yet unpaid equipment, materials, labor, parts, and supplies.

13. **Force Majeure**: In the event that either TechOps or Customer is unable to perform any of its obligations under these Terms and Conditions because of any Act of God, strike, fire, flood, governmental acts, orders or restrictions, internet system unavailability, system malfunctions, epidemic, pandemic, or any other reason where failure or delay to perform is beyond the reasonable control and not caused by the gross negligence of the non-performing party (a "Force Majeure Event"), the party who has been so affected shall give notice immediately to the other party and shall use its reasonable and its best efforts to resume performance as soon as practicable. Failure to meet projected "due dates" resulting from a Force Majeure Event shall extend such due dates for a reasonable period of time.

14. **Limited Warranty; Manufacturer Warranties**: TechOps offers a one (1) year warranty for its wiring and cabinetry workmanship beginning on the date the vehicle is delivered to the Customer. In the event any repairs or replacement of warranted items covered by TechOps' one (1) year warranty, Customer is required to contact TechOps Service Department within ten (10) days to obtain approval for any and all repairs or replacements covered under the one (1) year warranty. Once approved, Customer or its authorized representative shall submit an invoice to TechOps' Accounting Department for payment. Approval must be obtained in writing prior to commencing and completing any repairs or replacement. TechOps warranty does not cover damage to the vehicle or its workmanship resulting from negligence, unauthorized modifications, natural disaster, accident, theft, or loss.

The chassis, vehicle body, and all equipment, components, materials are warranted by their respective manufacturers. TechOps offers optional extended warranties. EXCEPT AS OTHERWISE SET FORTH HEREIN OR AGREED UPON IN WRITING SIGNED BY THE PARTIES, TECHOPS DOES NOT WARRANT (WHETHER EXPRESS, IMPLIED, OR OTHERWISE, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTIBILITY OR FITNESS FOR A PARTICULAR PURPOSE) THE CHASSIS, VEHICLE BODY, OR ANY OF THE EQUIPMENT, COMPONENTS, OR MATERIALS USED IN PERFORMING THE WORK.

15. Limitation of Liability: IN NO EVENT WILL TECHOPS HAVE ANY LIABILITY OR RESPONSIBILITY FOR ANY INDIRECT, INCIDENTAL, EXEMPLARY, SPECIAL, OR CONSEQUENTIAL DAMAGES (INCLUDING, LOST INCOME AND PROFITS), EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, RELATED TO THE WORK OR THESE TERMS AND CONDITIONS. TECHOPS SHALL NOT BE RESPONSIBLE OR LIABILE FOR ANY VEHICLE, CHASSIS, BODY, MATERIALS, EQUIPMENT, OR COMPONENTS USED IN PERFORMANCE OF THE SERVICES AND THE CUSTOMER AGREES NOT TO BRING ANY CLAIM, SUIT, OR CAUSE OF ACTION AGAINST TECHOPS RELATED TO THE SAME.

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, TECHOPS' LIABILITY FOR DAMAGES FOR ANY CAUSE OF ACTION WHATSOEVER REGARDING, RELATED TO, OR ARISING OUT OF THESE TERMS AND CONDITIONS OR THE WORK WILL NOT EXCEED THE TOTAL CONTRACT PRICE.

NO CLAIM, ACTION, DISPUTE OR CAUSE OF ACTION, OF ANY KIND OR NATURE WHATSOEVER, ARISING FROM OR IN CONNECTION WITH THESE TERMS AND CONDITIONS OR THE WORK MAY BE BROUGHT BY THE CUSTOMER MORE THAN ONE YEAR AFTER THE OCCURRENCE GIVING RISE TO THE CAUSE OF ACTION OR BE BARRED FOREVER, EXCEPT THAT ANY CLAIM, ACTION OR CAUSE OF ACTION FOR NON-PAYMENT MAY BE BROUGHT WITHIN TWO YEARS AFTER THE DATE ON WHICH PAYMENT WAS DUE.

16. Customer Supplied Equipment: Any Customer supplied equipment must arrive complete and correct for the installation, and in good working condition. TechOps SV shall not be responsible for any Customer supplied equipment not 100% functional upon arrival. Any pricing quoted does not include any parts, components, repair, or modifications to existing equipment. The Work cannot commence until all parts are delivered to TechOps. Used equipment may be subject to additional charges and will carry no warranty except for workmanship. If there are any failures during or after the Customer supplied equipment, the Customer shall be responsible for the cost of all repairs and related expenses. TechOps reserves the right to reject the use of Customer supplied equipment in its sole discretion. TechOps reserves the right to hold original milestone payment due dates in the event of a project delay caused by Customer supplied equipment. In such instances, Customer will be invoiced for the milestone as planned with a holdback amount to be due upon completion.

All Customer supplied communications equipment must be complete, fully operational, and programmed upon arrival at TechOps. Equipment that does not meet the foregoing requirements will be installed in the designated locations with all wiring in place but not attached to the equipment. TechOps will have no further responsibility and it will be necessary for Customer's communications vendor to complete the installation. At the request of the Customer, TechOps may make arrangements at a qualified local vendor to complete the installation, and the Customer shall be responsible for any and all expenses and costs incurred by TechOps. Customer acknowledges that the Work will be delayed until the equipment is returned in good, working order.

17. Binding Effect: The individual accepting the quote represents that he/she/it/they has the legal authority to bind the Customer to the terms and conditions of these Terms and Conditions and any amendments thereto.

18. Governing Law, Jurisdiction, & Limitations: These Terms and Conditions and the parties' actions, rights and liabilities under these Terms and Conditions shall be governed by and construed under the laws of the State of Maryland, without reference to conflict of law principles. The parties hereby expressly

consent to the jurisdiction and venue of the federal and state courts within the State of Maryland. Venue shall be in the Queen Anne's County Circuit Court located in Centreville, Maryland or the United States Federal District in Baltimore, as the case may be.

19. Proprietary Information: All Proprietary Information, including all drawings, specs, patents, trade secrets and other rights in connection with the project shall be the sole property of the TechOps. Customer shall not use or disclose any Proprietary Information or anything relating to it for any other spec or Request for Proposal. TechOps reserves the right to utilize Customer drawings, specifications, and photos for its other projects.

19. Entire Agreement: These Terms and Conditions and the final, accepted quotation referenced herein, constitute the entire agreement between the Parties concerning all Work, parts equipment, materials, labor, vehicles, chassis, and bodies provided by TechOps and supersedes all previous communications, representations, understandings, and agreements, whether verbal or written between the parties or their authorized representatives to these Terms and Conditions. No representation or statement of any kind made by either party, which is not expressly stated in this Agreement, shall be binding on the Parties hereto.

20. Amendments: No waiver, amendment, or modification of any provisions of these Terms and Conditions shall be effective unless in writing and with the express approval of TechOps. This is exclusive of TechOps' right to modify, alter or amend any terms and conditions with or without notice to the Customer.

21. Notices: Any notices under these Terms and Conditions or the final, accepted quotation, shall be considered to have been given when hand-delivered or sent by email or telefax, or three (3) days after being sent by first-class or certified mail, return receipt requested, to the other Party hereto.

22. Waiver: No failure or delay by either party in exercising any claim right, power or remedy under these Terms and Conditions, shall operate as a waiver of any such claim, right, power or remedy.

23. Attorneys' Fees, Costs, and Expenses: In the event of any lawsuit, collection, or any legal proceeding by TechOps involving these Terms and Conditions, the Customer shall be responsible for the payment of any and all court costs, TechOps' attorneys' fees incurred, collection costs, professional costs, expert fees, investigator costs, and any other miscellaneous expenses incurred by TechOps.

24. Assignability & Binding Effect: Except as expressly set forth within Terms and Conditions, the Customer may not transfer or assign, directly or indirectly, these Terms and Conditions or its rights and obligations hereunder without the express written permission of the TechOps. TechOps shall have the right to assign or otherwise transfer these Terms and Conditions to any parent, subsidiary, affiliated entity or pursuant to any merger, consolidation or reorganization, provided that all such assignees and transferees agree to be bound by these Terms and Conditions prior to such assignment or transfer. These Terms and Conditions shall be binding upon and inure to the benefit of the parties hereto, their successors, and assigns.

25. Certain Sections Invalid: If any provisions or portions thereof of Terms and Conditions are held by a court of competent jurisdiction to be invalid under any applicable statute or rule of law, they are to that extent deemed omitted and the remaining provisions of these Terms and Conditions shall remain in full force and effect.

26. Paragraph Headings: The titles and headings of the various sections and sections in these Terms and Conditions are intended solely for convenience of reference and are not intended for any other purpose whatsoever, or to explain, modify or place any construction upon or on any of the provisions of these Terms and Conditions.

Number of Submissions:	4
Number of Non-Responsive Bids:	1
Number of Responsive Bids:	3
Number of No Bids	0
Did any vendor apply for Local Preference? (Y/N)	No

Review/Evaluation:
Purchasing completed an initial review to determine each bidder's responsiveness. One vendor, Reliable Custom Designs, was deemed non-responsive for failing to provide the requisite references for projects of a similar scope.

The other responses were sent to the department for further review and evaluation. The committee reviewed and evaluated the submittals based on the following:

1. Price
2. References

The evaluation committee conducted a thorough review process and shortlisted two vendors, Tech Ops and Chef Units, for interviews. Both vendors were invited to present their proposals and answer questions from the committee. After carefully considering and evaluating the interviews, the committee ranked the two vendors. The committee's evaluation was comprehensive and impartial, leading to a unanimous decision on the recommended vendor.

Recommendation:
Upon completion of the review and evaluation, the requesting department recommends the following vendor(s):

Recommended Vendor(s):	Tech Ops

Memorandum

To: **Honorable Mayor Tubbs and the Celina City Council**
From: Kimberly Brawner, Assistant City Manager
CC: Robert Ranc, City Manager

Date: August 13, 2024
Re: Consider and act to authorize the city manager to enter into a right-of-way realignment and Pignatari West Glendenning Parkway right-of-way realignment and dedication agreement

---

Action Requested:
Consider and act to authorize the city manager to enter into a right-of-way realignment and dedication agreement by and between the City of Celina and Pignataro Intl, LTD for West Glendenning Parkway. (Brawner)

Background Information:
The City of Celina has been working with Upper Trinity Regional Water District (UTRWD) to secure water line easements to provide an additional water line to serve City of Celina residents. The Northeast Transmission Pipeline will extend a 36-inch diameter water transmission pipeline from the Harpool Water Treatment Facility to provide drinking water to the City of Celina and other customers. UTRWD has secured a 19-acre tract for the future pump station site along Smiley Road which will directly serve Celina residents.

As part of this process, city staff worked with Kimley-Horn to develop a schematic design for the ultimate configuration of W Glendenning Parkway. Typically, roadways are expanded along the existing centerline of roadways. The ultimate right-of-way (ROW) for W Glendenning Parkway is 120 feet, which would require an expansion of 60 feet of ROW to the north and south of the existing roadway centerline. However, Mustang Special Utility District (MSUD) has a 30-foot water line easement along the south edge of the current prescriptive ROW of W Glendenning Parkway from Fairfield Road to Shelby Lane. The existing MSUD easement will require the city to either pay for the relocation of the existing water line and secure a new easement outside future ROW for MSUD or utilize the north edge of the MSUD easement as the southern edge of the new W Glendenning Parkway ROW. After looking at various options, city staff recommends using

the north edge of the MSUD easement as the south edge of the new W Glendenning Parkway ROW. This modification will require the property owner at the northeast corner of W Glendenning Parkway and Fairfield Road to dedicate an additional 40 feet of ROW beyond the typical 60 feet of ROW and will require the roadway to shift alignment west of Fairfield Road. In addition, the city requires developers to dedicate a 40-foot landscape easement that runs parallel to the ROW. The city will typically locate any water lines within this easement. However, UTRWD requires a separate easement for their water line. Therefore, the new UTRWD easement will be located on the north side of the city's 40-foot landscape easement. This alignment affects two properties - 10,000 Celina Road, LLC and Pignataro Intl, LTD.

Pignataro Intl, LTD entered a development agreement with the City of Celina in July 2020. As part of the agreement, the property was vested with certain rights including the obligation to build one-half of the total right-of-way for Smiley Road and Fairfield Road and the full width of the right-of-way for W Glendenning Parkway. Due to the alignment issue for W Glendenning Parkway and MSUD, the original alignment of W Glendenning Parkway will need to be modified. Staff met with Pignataro, Intl, LTD representatives to discuss the issue. They agreed to the re-alignment of the roadway. Still, they requested that the alignment of W Glendenning Parkway be relocated to bisect their development instead of running on the north side of their development because they were obligated to build both halves of W Glendenning Parkway per the 2020 agreement. The justification for this re-alignment showed that the proposed six-lane divided roadway terminated in a floodway which can never be developed. Since the original DA was executed, Pignataro has also completed a flood study showing that a significant portion of the floodplain can be reclaimed. By relocating W Glendenning Parkway, the amount of land that can be developed has increased. Pignataro's obligations are not reduced as part of this revised agreement.

In a meeting with representatives from 10,000 Celina Road, LLC, Pignataro Intl, LTD, and UTRWD, the City proposed a solution that would finalize the proposed alignment of the roadway, secure the 40 feet of additional necessary for the new W Glendenning Parkway alignment, and finalize the location of the UTRWD water line easement. The proposed agreement documents the agreed-upon changes.

RIGHT-OF-WAY REALIGNMENT AND DEDICATION AGREEMENT

This Agreement (the "Agreement") is made and entered by and between the City of Celina, a home-rule municipality ("City"), and Pignataro Intl, LTD., a Texas limited partnership ("Owner") (each, a "Party" and, collectively, the "Parties") to be effective on the date of last signature of the Parties ("Effective Date").

RECITALS

WHEREAS, Owner owns approximately 19.6 acres of land in the City of Celina, Denton County, Texas, generally located on Fairfield Road/Celina Road east of Smiley Road and west of Shelby Lane as depicted and described by exhibit shown in **Exhibit A**, attached hereto and incorporated herein (the "Property"); and

WHEREAS, the City is in the process of designing and preparing for construction improvements to W Glendenning Parkway/Celina Road; and

WHEREAS, Owner has requested that the City realign its thoroughfare plan for W Glendenning Parkway/Celina Road through the Property as depicted in **Exhibit B**, attached hereto and incorporated herein for all purposes (the "Realigned Road"); and

WHEREAS, Owner intends to dedicate the land area on the Property required for the Realigned Road at no cost to the City.

NOW, THEREFORE, in consideration of the promises, covenants and agreements set forth in this Agreement, the receipt of which are hereby acknowledged, the City and Owner agree as follows:

1. Right-of-Way Dedication. The Owner agrees to dedicate and convey in fee simple, subject to all matters of record, the land area needed for the Realigned Road on Owner's Property, as depicted in **Exhibit B** (the "ROW") at no cost to the City, within 90 days of written request by the City. The Parties agree that the dedication instrument shall provide the following:

   A. The dedication shall be for public road and right-of-way purposes only. In the event the Master Plan (as defined below) is revised so as not to reflect the Realigned Road, Owner shall have the right at its sole discretion to reacquire the ROW land for $0.00.

   B. The City shall bear all costs and expenses (and reimburse Owner, if applicable) related to the dedication, including but not limited to costs and expenses of surveying, engineering, marketing, legal fees of or incurred by

the City, filing and recording, relocation of easements, and road construction.

2. City Thoroughfare Revisions. Prior to and as a condition of Owner's obligation to dedicate the ROW, the City agrees to revise its thoroughfare plans and designs for this area to reflect the Realigned Road (the "Master Plan").

3. Effect of Reverter of Ownership of ROW to Owner. The dedication instrument shall also provide: Following conveyance of the ROW, should ownership of all or a portion of the ROW revert to the Owner or subsequent owner, whether under the deed, a reversionary agreement, or other instrument with any third party, regarding, in any way, the ROW, or a portion thereof, the City reserves the right to change its thoroughfare plans.

4. Limitations of Agreement. City and the Owner acknowledge and agree this Agreement is limited to and shall be in accordance with the obligations created by the City's Code of Ordinance, as it may be amended. City ordinances covering impact fees for property taxes, park dedication and/or payment in lieu of dedication of land, utility rates and the like are not affected by this Agreement.

5. Default. In the event the Owner fails to timely convey the ROW area to the City, the City may withhold building permits for the Property, and/or seek specific performance of this Agreement. In the event City fails to comply with the terms and conditions of this Agreement, the Owner or any successor owner of the Property may seek specific enforcement of this Agreement as its sole and exclusive remedy. For purposes of enforcing the sole remedy in this Agreement, City waives its immunity from suit.

6. Covenant Running with Land. This Agreement shall be a covenant running with the land and shall be recorded in the real property records of Denton County, Texas.

7. Notices. Any notice provided or permitted to be given under this Agreement must be in writing and may be served by depositing same in the United States mail, addressed to the party to be notified, postage prepaid and registered or certified with return receipt requested, or by delivering the same in person to such party via a hand-delivery service, Federal Express or any courier service that provides a return receipt showing the date of actual delivery of same to the addressee thereof. Notice given in accordance herewith shall be effective upon receipt at the address of the addressee. For purposes of notice, the addresses of the Parties shall be as follows:

The Parties may change the information set forth below by sending notice of such changes to the other Party as provided in this Section 7.

8. **THE OWNER'S ACKNOWLEDGEMENT OF THE CITY'S COMPLIANCE WITH FEDERAL AND STATE CONSTITUTIONS, STATUTES AND CASE LAW AND FEDERAL, STATE AND LOCAL ORDINANCES, RULES AND REGULATIONS/OWNERS' WAIVER AND RELEASE OF CLAIMS FOR OBLIGATIONS EXPRESSLY SET FORTH IN THIS AGREEMENT.**

(a) THE OWNER ACKNOWLEDGES AND AGREES THAT:

(I) THE ROW EXPRESSLY SET FORTH IN THIS AGREEMENT TO BE DEDICATED TO THE CITY, IN WHOLE OR IN PART, DOES NOT CONSTITUTE A:

(A) TAKING UNDER THE TEXAS OR UNITED STATES CONSTITUTION;

(B) VIOLATION OF THE TEXAS LOCAL GOVERNMENT CODE, AS IT EXISTS OR MAY BE AMENDED; AND/OR

(C) NUISANCE.

(II) THE OWNER HEREBY AGREES, STIPULATES AND ACKNOWLEDGES THAT ANY PROPERTY WHICH IT CONVEYS TO THE CITY OR ACQUIRES FOR THE CITY AS ROW IS ROUGHLY PROPORTIONAL TO THE BENEFIT RECEIVED BY THE OWNER FOR SUCH LAND, AND THE OWNER HEREBY WAIVES ANY CLAIM THEREFOR THAT IT MAY HAVE. THE OWNER FURTHER AGREES TO WAIVE AND RELEASE ALL CLAIMS IT MAY HAVE AGAINST THE CITY UNDER THIS AGREEMENT RELATED TO ANY AND ALL: (A) CLAIMS OR CAUSES OF ACTION BASED ON ILLEGAL OR EXCESSIVE EXACTIONS RELATED TO THE ROW; AND (B) ROUGH PROPORTIONALITY AND INDIVIDUAL DETERMINATION REQUIREMENTS MANDATED BY THE UNITED STATES SUPREME COURT IN *DOLAN V. CITY OF TIGARD*, 512 U.S. 374 (1994), AND ITS PROGENY, AS WELL AS ANY OTHER REQUIREMENTS OF A NEXUS BETWEEN DEVELOPMENT CONDITIONS AND THE PROJECTED IMPACT OF THE PUBLIC INFRASTRUCTURE.

(b) THIS SECTION 8 SHALL SURVIVE THE TERMINATION OF THIS AGREEMENT.

9. Miscellaneous.

(a) Except as expressly provided for in this Agreement or in other agreements entered into by Owner and the City, Owner shall be subject to all City ordinances and regulations, including, without limitation, City ordinances covering impact fees, property taxes, park dedication and/or payment in lieu of dedication of land, building codes, and utility rates, provided however, Owner does not waive any rights under Chapters 43, 245 or 395 by execution of this Agreement.

(b) This Agreement contains the entire agreement of the Parties with respect to the matters contained herein and may not be modified or terminated except upon the mutual written agreement of the Parties.

(c) This Agreement shall be construed in accordance with the laws of the State of Texas and shall be performable in Denton County, Texas. Exclusive venue shall be in state district court in Denton or Collin County, Texas.

(d) This Agreement may be executed in a number of identical counterparts, each of which shall be deemed an original for all purposes.

(e) The City represents and warrants that this Agreement has been approved and duly adopted by the City Council in accordance with all applicable public notice requirements (including, but not limited to, notices required by the Texas Open Meetings Act), that the individual executing this Agreement on behalf of the City has been duly authorized to do so, and that this Agreement is binding upon, and enforceable against, the City and all future City officials, officers, employees, representatives and agents in accordance with its terms and conditions. Owner represents and warrants that this Agreement has been approved by appropriate action of Owner, that the individual executing this Agreement on behalf of Owner has been duly authorized to do so, and that this Agreement is binding upon, and enforceable against, Owner and Assignees and all officers, employees, representatives, and agents in accordance with its terms and conditions.

(f) This Agreement shall be binding upon and inure to the benefit of the Parties and their respective heirs, executors, administrators, legal representatives, successors and assigns, as allowed herein.

(g) This Agreement, and any right, title, or interest of Owner under this Agreement, in whole or in part, and any assignee (each, an "Assignee") becomes the Owner under this Agreement for all purposes to the extent of such assignment, upon satisfaction of the following conditions:

(i) The assignment of the Agreement, in whole or in part, shall be evidenced by a written assignment filed by Owner in the Denton County property records;

(ii) The assignment shall state that the Assignee will be bound by this Agreement and that the assignor will be released as to the right, title or interest assigned; and

(iii) Owner shall provide the City with a copy of the recorded assignment, the name, address, phone number, fax number and the name of a contact person for the Assignee.

(h) In case any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision hereof, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

(i) Each signatory represents that this Agreement has been read by the Party by whom this Agreement is executed and that such Party has had an opportunity to confer with its counsel.

(j) This Agreement shall be deemed drafted equally by all Parties hereto. The language of all parts of this Agreement shall be construed as a whole according to its fair meaning, and any presumption or principle that the language herein is to be construed against any party shall not apply. Headings in this Agreement are for the convenience of the Parties and are not intended to be used in construing this Agreement.

(k) This Agreement shall automatically terminate and be of no further force and effect on title or otherwise upon the fulfillment of all Parties' obligations in Paragraphs 1 and 2 above, or as otherwise agreed to in writing by the Parties.

(l) Neither Party shall be in default under this Agreement until written notice of such Party's alleged failure to perform has been given to such Party (including a description of the alleged failure) and until such Party has had a reasonable opportunity to cure the alleged failure (taking into consideration the nature and extent of the alleged failure, but in no event less than 30 days after the notice is given). If either Party is in default under this Agreement, the other Party has the right to enforce the terms of this Agreement by specific performance or by other remedies available to the other Party. The prevailing Party to any dispute arising out of the enforcement of this Agreement shall be entitled to recover from the losing Party reasonable attorney's fees, expenses, and costs.

(m) The following exhibits attached to this Agreement are incorporated as part of this Agreement for all purposes:

Memorandum

To:	**Honorable Mayor Tubbs and the Celina City Council**
From:	Kimberly Brawner, Assistant City Manager
CC:	Robert Ranc, City Manager
Intiated by:	Drew Jenks
Date:	August 13, 2024
Re:	10,000 West Glendenning Parkway right-of-way realignment and dedication agreement

Action Requested:
Consider and act to authorize the city manager to enter into a right-of-way realignment and dedication agreement by and between the City of Celina and 10,000 Celina Road LLC for West Glendenning Parkway. (Brawner)

Background Information:
The City of Celina has been working with Upper Trinity Regional Water District (UTRWD) to secure water line easements to provide an additional water line to serve City of Celina residents. The Northeast Transmission Pipeline will extend a 36-inch diameter water transmission pipeline from the Harpool Water Treatment Facility to provide drinking water to the City of Celina and other customers. UTRWD has secured a 19-acre tract for the future pump station site along Smiley Road which will directly serve Celina residents.

As part of this process, city staff worked with Kimley-Horn to develop a schematic design for the ultimate configuration of W Glendenning Parkway. Typically, roadways are expanded along the existing centerline of roadways. The ultimate right-of-way (ROW) for W Glendenning Parkway is 120 feet, which would require an expansion of 60 feet of ROW to the north and south of the existing roadway centerline. However, Mustang Special Utility District (MSUD) has a 30-foot water line easement along the south edge of the current prescriptive ROW of W Glendenning Parkway from Fairfield Road to Shelby Lane. The existing MSUD easement will require the city to either pay for the relocation of the existing water line and secure a new easement outside future ROW for MSUD or utilize the north edge of the MSUD easement as the southern edge of the new W Glendenning Parkway ROW. After looking at various options, city staff recommends using the north edge of the MSUD easement as the south edge of the new W Glendenning Parkway

ROW. This alignment affects two properties - 10,000 Celina Road, LLC and Pignataro Intl, LTD.

The W Glendenning Parkway modification will require 10,000 Celina Road, LLC to dedicate an additional 40 feet of ROW beyond the typical 60 feet of ROW and will require the W Glendenning Parkway to shift the alignment west of Fairfield Road. In addition to the necessary 40-foot ROW shift, the city requires a 40-foot landscape setback. The city will typically locate any water lines within the 40-foot landscape easement; however, UTRWD requires a separate 40-foot easement for their water line which will be located on the north side of the city's 40-foot landscape easement. The original alignment of W Glendenning Parkway shifted the roadway onto their property, creating a small triangle-shaped piece of property on the south side of the alignment. The new proposed alignment of W Glendenning Parkway allows the roadway to run along its southern boundary line and remains perpendicular to its property.

In a meeting with representatives from 10,000 Celina Road, LLC, Pignataro Intl, LTD, and UTRWD, the City proposed a solution that would finalize the proposed alignment of the roadway, secure the 40 feet of additional necessary for the new W Glendenning Parkway alignment, and finalize the location of the UTRWD water line easement. The proposed agreement documents the agreed-upon changes.

RIGHT-OF-WAY REALIGNMENT AND DEDICATION AGREEMENT

This Agreement (the "Agreement") is made and entered by and between the City of Celina, a home-rule municipality ("City"), and **10,000 Celina Road, LLC** ("Owner") (each, a "Party" and, collectively, the "Parties") to be effective (the "Effective Date") on the date of last signature of the Parties ("Effective Date").

RECITALS

WHEREAS, Owner owns approximately 19.6 acres of land in the City of Celina, Denton County, Texas, generally located on W Glendenning Parkway/Fairfield Road east of Smiley Road and west of Shelby Lane as depicted in **Exhibit A**, attached hereto and incorporated herein (the "Property"); and

WHEREAS, the City is in the process of designing and preparing for construction improvements to W Glendenning Parkway at City's sole expense; and

WHEREAS, Owner has requested that the City realign its thoroughfare plan for W Glendenning Parkway through the Property as depicted in **Exhibit B**, attached hereto and incorporated herein for all purposes (the "Realigned Road"); and

WHEREAS, Owner intends to dedicate the land area on the Property required for the Realigned Road at no cost to the City.

NOW, THEREFORE, in consideration of the promises, covenants and agreements set forth in this Agreement, the receipt of which are hereby acknowledged, the City and Owner agree as follows:

1. Right-of-Way Dedication. Subject to the provisions in paragraphs 3 and 4 below, Owner agrees to dedicate and convey in fee simple, the land area needed for the Realigned Road on Owner's property, as depicted in **Exhibit B** (the "ROW") at no cost to the City, within 90 days of Owner receiving a written request for that dedication. This dedication will be made pursuant to a Right-of-Way Dedication Deed (the "Dedication Deed") in the form attached as **Exhibit C**.

2. Upper Trinity Regional Water District. Contemporaneously with the execution of this Agreement, Owner agrees to tender to Upper Trinity Regional Water District ("UTRWD") the Water Line Easement Agreement in the form attached as **Exhibit D** in return for the compensation amount agreed upon by Owner and UTRWD.

3. Conditions to Delivery of Dedication Deed and Escrow. As a condition to delivery of the Dedication Deed, the City, on or before August 13, 2025, shall take all necessary action to amend its thoroughfare plan for W Glendenning Parkway to reflect the alignment shown in Exhibit

B to this Agreement. Further, until the City has completed the design and construction of the improvements to W Glendenning Parkway depicted in Exhibit B to this Agreement in the time required by paragraph 4, the City shall hold the Dedication Deed in escrow and shall not record the Dedication Deed.

4. Termination of Agreement and Reverter. If the City has not completed the design and construction of the improvements to W Glendenning Parkway depicted in Exhibit B to this Agreement on or before ten (10) years from the date of this Agreement, this Agreement shall terminate, and City shall return to Owner any deed delivered to the City pursuant to this Agreement. Following the conveyance of the ROW, should ownership of all or a portion of the ROW revert to the Owner or subsequent owner, whether under this Agreement, the Dedication Deed, a reversionary agreement, or other instrument with any third party, regarding, in any way, the ROW, or a portion thereof, the City reserves the right to change its thoroughfare plans.

5. Limitations of Agreement. City and the Owner acknowledge and agree this Agreement is limited to and shall be in accordance with the obligations, if any, created by the City's Code of Ordinances. City ordinances covering impact fees for property taxes, park dedication and/or payment in lieu of dedication of land, utility rates and the like are not affected by this Agreement, provided however, Owner, by execution of this Agreement, does not waive any rights under Chapters 43, 245 or 395 or under any other law.

6. Default. In the event the Owner fails to timely convey the ROW area to the City in accordance with paragraph 1, the City may seek specific performance of this Agreement. In the event City fails to comply with the terms and conditions of this Agreement, the Owner or any successor owner of the Property may seek specific enforcement of this Agreement as its sole and exclusive remedy. For purposes of enforcing the sole remedy in this Agreement, City stipulates this agreement is given in lieu of the City in the future condemning a portion of Owner's property for the expansion of W Gledenning Parkway, that the City is not immune from a suit for specific performance of this Agreement, and that City's immunity from suit, if any, has been waived.

7. Recordation. This Agreement will be recorded in the real property records of Denton County, Texas.

8. Notices. Any notice provided or permitted to be given under this Agreement must be in writing and may be served by depositing same in the United States mail, addressed to the party to be notified, postage prepaid and registered or certified with return receipt requested, or by delivering the same in person to such party via a hand-delivery service, Federal Express or any courier service that provides a return receipt showing the date of actual delivery of same to the addressee thereof. Notice given in accordance herewith shall be effective upon receipt at the address of the addressee. For purposes of notice, the addresses of the Parties shall be as follows:

If to Owner: 10,000 Celina Road LLC
3334 Southwestern Drive
Dallas, Texas 75225

With a copy to:	Shupe Ventura, PLLC c/o Misty Ventura 9406 Biscayne Blvd. Dallas, TX 75218

With a copy to:	Attn: Julie Fort Messer & Fort, PLLC 6371 Preston Road, Suite 200 Frisco, Texas 75034

The Parties may change the information set forth below by sending notice of such changes to the other Party as provided in this Section 8.

9. **THE OWNER'S ACKNOWLEDGEMENT OF THE CITY'S COMPLIANCE WITH FEDERAL AND STATE CONSTITUTIONS, STATUTES AND CASE LAW AND FEDERAL, STATE AND LOCAL ORDINANCES, RULES AND REGULATIONS/OWNERS' WAIVER AND RELEASE OF CLAIMS FOR OBLIGATIONS EXPRESSLY SET FORTH IN THIS AGREEMENT.**

(a) THE OWNER ACKNOWLEDGES AND AGREES THAT:

(I) THE ROW EXPRESSLY SET FORTH IN THIS AGREEMENT TO BE DEDICATED TO THE CITY, IN WHOLE OR IN PART, DOES NOT CONSTITUTE A:

(A) TAKING UNDER THE TEXAS OR UNITED STATES CONSTITUTION;

(B) VIOLATION OF THE TEXAS LOCAL GOVERNMENT CODE, AS IT EXISTS OR MAY BE AMENDED; AND/OR

(C) NUISANCE.

(II) THE OWNER HEREBY AGREES, STIPULATES AND ACKNOWLEDGES THAT ANY PROPERTY WHICH IT CONVEYS TO THE CITY OR ACQUIRES FOR THE CITY AS ROW IS ROUGHLY PROPORTIONAL TO THE BENEFIT RECEIVED BY THE OWNER FOR SUCH LAND, AND THE OWNER HEREBY WAIVES ANY CLAIM THEREFOR THAT IT MAY HAVE. THE OWNER FURTHER AGREES TO WAIVE AND RELEASE ALL CLAIMS IT MAY HAVE AGAINST THE CITY UNDER THIS AGREEMENT RELATED TO ANY AND ALL: (A) CLAIMS OR CAUSES OF ACTION BASED ON ILLEGAL OR EXCESSIVE EXACTIONS RELATED TO THE ROW; AND (B) ROUGH PROPORTIONALITY AND INDIVIDUAL DETERMINATION REQUIREMENTS MANDATED BY THE UNITED STATES SUPREME COURT IN *DOLAN V. CITY OF TIGARD*, 512 U.S. 374 (1994), AND ITS PROGENY, AS WELL AS ANY OTHER REQUIREMENTS OF A NEXUS BETWEEN DEVELOPMENT CONDITIONS AND THE PROJECTED IMPACT OF THE PUBLIC INFRASTRUCTURE.

(b) THIS SECTION 9 SHALL SURVIVE THE TERMINATION OF THIS AGREEMENT.

10. Miscellaneous.

a) This Agreement contains the entire agreement of the Parties with respect to the matters contained herein and may not be modified or terminated except upon the mutual written agreement of the Parties.

b) This Agreement shall be construed in accordance with the laws of the State of Texas and shall be performable in Denton County, Texas. Exclusive venue shall be in state district court in Denton or Collin County, Texas.

c) This Agreement may be executed in a number of identical counterparts, each of which shall be deemed an original for all purposes.

d) The City represents and warrants that this Agreement has been approved and duly adopted by the City Council in accordance with all applicable public notice requirements (including, but not limited to, notices required by the Texas Open Meetings Act), that the individual executing this Agreement on behalf of the City has been duly authorized to do so, and that this Agreement is binding upon, and enforceable against, the City and all future City officials, officers, employees, representatives and agents in accordance with its terms and conditions. Owner represents and warrants that this Agreement has been approved by appropriate action of Owner, that the individual executing this Agreement on behalf of Owner has been duly authorized to do so, and that this Agreement is binding upon, and enforceable against, Owner and Assignees and all officers, employees, representatives, and agents in accordance with its terms and conditions.

e) This Agreement shall be binding upon, and the benefits and obligations of the Agreement shall bind, the Parties and their respective heirs, executors, administrators, legal representatives, successors and assigns, as allowed herein.

f) This Agreement, and any right, title, or interest of Owner under this Agreement, in whole or in part, and any assignee (each, an "Assignee") becomes the Owner under this Agreement for all purposes to the extent of such assignment, upon satisfaction of the following conditions:

(i) The assignment of the Agreement, in whole or in part, shall be evidenced by a written assignment filed by Owner in the Denton County property records;

(ii) The assignment shall state that the Assignee will be bound by this Agreement and that the assignor will be released as to the right, title or interest assigned; and

(iii) Owner shall provide the City with a copy of the recorded assignment, the name, address, phone number, fax number and the name of a contact person for the Assignee.

g) In case any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision hereof, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

h) Each signatory represents that this Agreement has been read by the Party by whom this Agreement is executed and that such Party has had an opportunity to confer with its counsel.

i) This Agreement shall be deemed drafted equally by all Parties hereto. The language of all parts of this Agreement shall be construed as a whole according to its fair meaning, and any presumption or principle that the language herein is to be construed against any party shall not apply. Headings in this Agreement are for the convenience of the Parties and are not intended to be used in construing this Agreement.

j) This Agreement shall terminate upon the fulfillment of all Parties' obligations, or as otherwise agreed to in writing by the Parties.

k) Neither Party shall be in default under this Agreement until written notice of such Party's alleged failure to perform has been given to such Party (including a description of the alleged failure) and until such Party has had a reasonable opportunity to cure the alleged failure (taking into consideration the nature and extent of the alleged failure, but in no event less than 30 days after the notice is given). If either Party is in default under this Agreement, the other Party has the right to enforce the terms of this Agreement by specific performance or by other remedies available to the other Party. The prevailing Party to any dispute arising out of the enforcement of this Agreement shall be entitled to recover from the losing Party reasonable attorney's fees, expenses, and costs.

l) The Parties acknowledge and agree that the Owner submitted to the City a completed Form 1295 generated by the Texas Ethics Commission's (the "TEC") electronic filing application in accordance with the provisions of Section 2252.908 of the Texas Government Code and the rules promulgated by the TEC (the "Form 1295") at the time Owner submitted its signature page to this Agreement. The City hereby confirms timely receipt of the Form 1295 from the Owner pursuant to Section 2252.908, and the City agrees to acknowledge such form with the TEC through its electronic filing application system not later than the 30th day after the receipt of such form. The City waives all claims related to the validity and enforceability of this Agreement to the extent such claims are based on noncompliance with Section 2252.908, Texas Government Code.

m) The following exhibits attached to this Agreement are incorporated as part of this Agreement for all purposes:

Exhibit A	Property;
Exhibit B	ROW;
Exhibit C	Form of Dedication Deed; and
Exhibit D	Form of UTRWD easement.

IN WITNESS WHEREOF, the Parties have executed this Agreement and caused this Agreement to be effective on the Effective Date.

Easement Property: The tract of land described in Exhibit A attached hereto and incorporated herein by reference for all purposes.

Easement Purpose: For the sole purpose(s) of surveying and engineering, constructing, installing, maintaining, testing, accessing, repairing, removing or replacing water and sanitary sewer pipelines and appurtenances, including manholes, blow offs, air vacuum/release valves, and similar appurtenances, and communication facilities necessary for the operation of the water lines such as fiber optic cables, wiring and appurtenances.

Grant of Easement: Subject to the exceptions, reservations, and limitations herein, and in lieu of condemnation of same, Grantor, for the Consideration hereof, GRANTS, BARGAINS, SELLS AND CONVEYS to Grantee, its successors, and assigns (i) a permanent, and perpetual easement over, on, and across the Easement Property for the Easement Purpose, together with all and singular the rights and appurtenances thereto in any way belonging to Grantor (collectively, the "Easement"), to have and to hold the Easement to Grantee and Grantee's, successors, and assigns forever; and (ii) the right to access the Easement Property using only that part of Grantor's land between any existing public roadway on the perimeter of Grantor's property and the Easement Property, provided that if Grantee uses such adjacent property, Grantee will repair any damage to the adjacent property and any improvements on that property caused by Grantee's use of the adjacent property .

Grantee shall hold a dominant and superior right of use and easement in the Easement Property, as follows:

1. Grantor shall make no use or authorize others to make use of the Easement Property

which, in Grantee's sole discretion, which discretion will not be unreasonably exercised, conditioned, or delayed, would unreasonably interfere with the nature, purposes, scope, and intent of the Easement Purpose conveyed herein, including, but not limited to, drilling or excavating activities, impoundment of water or placement or construction of permanent structures including but not limited to buildings, poles, signs, masonry walls, masonry fences and retaining walls within the Easement Property.

2. Grantor reserves the right to put or place, or authorize others to put or place utility lines (excluding utility poles), drainage pipes and swales, roads, alleys, drives, sidewalks, and fences upon or within the Easement Property. Said utility lines, drainage pipes and swales, roads alleys, drives, sidewalks, and fences may only be placed within the Easement Property upon express written approval by Grantee of Grantor's engineering plans and specifications, which approval will not be unreasonably exercised, conditioned, or delayed. All utility lines, drainage pipes and swales, roads, alleys, drives, sidewalks, and fences must cross the Easement Property at an angle of at least 45 degrees or more to the center line of the Easement Property. Installed fences will require gates adequate to allow access along the Easement Property by Grantee. Grantor shall not have the right, or the authority to authorize others, to use the Easement Property for any purpose which would cause the continuing utility operations of Grantee to be in violation of any state, federal, or municipal law, ordinance, or regulation.

3. Grantor shall make no changes affecting the topography or elevation within the Easement Property by more than one (1) foot without the express written approval of the Grantee, which approval will not be unreasonably exercised, conditioned, or delayed.

4. Grantor reserves the right to place landscaping, sprinkler systems, ornamental trees and similar improvements within the Easement Property. Grantee may remove and keep removed any trees, structures or improvements that Grantee deems, in Grantee's sole discretion, which discretion will not be unreasonably exercised, conditioned, or delayed, to interfere with the purposes of the Easement granted herein.

5. Any improvements, landscaping, sprinkler systems and ornamental trees placed on the Easement Property by Grantor may be removed or destroyed by Grantee to the extent that it is reasonably necessary, in Grantee's sole discretion, which discretion will not be unreasonably exercised, conditioned, or delayed, for Grantee's installing, maintaining, removing or replacing any of the water line, sanitary sewer line, or related facilities, but only, except in cases of emergencies, after prior written notice to Grantor.

6. Grantee covenants and agrees to restore the natural surface of the Easement Property and any adjacent lands disturbed by Grantee to a condition comparable to that which existed prior to the entry and construction, demolition, removal or other disturbance. All permitted improvements on such property shall be restored by Grantee to their original condition as found before construction, demolition or removal by Grantee. Grantee is not, however, responsible to restore any unauthorized improvements, sprinklers, ornamental trees or landscaping within the Easement Property.

Together with a Temporary Construction Easement (the "TCE") covering the surface of the property described in Exhibit B attached hereto and incorporated herein by reference for all purposes (collectively, the "TCE Property"). The purpose for the TCE is to store construction supplies, equipment, appurtenances, facilities, pipe, and related construction activity on the Easement Property. Grantee specially covenants and agrees the Grantee will, within 30 days after the termination of such TCE, remove all materials placed on or in the TCE and restore the surface to the original condition as when Grantee entered to a reasonable and practical extent including restoration and replacement of paving, fencing, gates, grasses and sod with the same general quality as existed immediately prior to the entry and use of such land by Grantee. Grantee shall not be required to replace any landscaping, trees, or shrubs other than grasses and sod. Grantee shall not be responsible for the maintenance or replacement of any paving, fencing, gates, grasses, or sod once the original replacement of same has been made. Said temporary construction easement shall automatically terminate 24 months after the Effective Date or the completion of the project, whichever occurs first.

The term “Grantor” as used herein means all and singular and include Grantor’s successors and assigns. The term “Grantee” as used herein includes each successor and assign of Grantee.

THE CONVEYANCE OF THE RIGHTS TO USE THE EASEMENT PROPERTY AND THE TCE PROPERTY IS MADE ON AN "AS-IS, WHERE IS" BASIS, AND THE CONSIDERATION WAS BARGAINED ON THE BASIS OF AN “AS IS, WHERE IS” TRANSACTION.

GRANTOR HEREBY SPECIFICALLY DISCLAIMS ANY WARRANTY, GUARANTY, OR REPRESENTATION, ORAL OR WRITTEN, PAST, PRESENT, OR FUTURE, OF, AS TO, OR CONCERNING (1) THE NATURE AND CONDITION OF THE PROPERTY, (2) THE SUITABILITY OF THE PROPERTY FOR ANY AND ALL ACTIVITIES AND USES WHICH GRANTEE MAY ELECT TO CONDUCT THEREON, (3) THE COMPLIANCE OF THE PROPERTY OR THE OPERATION THEREOF WITH ANY LAWS, RULES, ORDINANCES, OR REGULATIONS OF ANY GOVERNMENT OR OTHER BODY, AND (4) WARRANTIES (EXPRESS OR IMPLIED) OF CONDITION OR REGARDING THE PROPERTY'S FITNESS FOR A PARTICULAR PURPOSE, MERCHANTABILITY, TENANTABILITY, HABITABILITY OR SUITABILITY FOR ANY INTENDED USE.

This conveyance is made by Grantor and accepted by Grantee subject to the following:

1. Visible and apparent easements not appearing of record.

2. Easements, restrictions, reservations, covenants, conditions, encumbrances, oil, gas, water and all other leases, and mineral severances (other than liens and conveyances) presently of record in the Official Public Records of Denton County, Texas, that affect the property, but only to the extent that said items are still valid and in force and effect as of the Effective Date.

Grantor reserves all of the subsurface water, oil, gas, and sulfur in and under the Easement Property but waives all rights of ingress and egress to the surface thereof for the purpose of exploring, developing, mining or drilling for same; however, nothing in this reservation shall affect the title

and rights of the Grantee, its successors and assigns, to take and use all other minerals and materials thereon, therein, and thereunder.

Subject to the exceptions, reservations, and limitations herein, Grantor represents that (a) Grantor has the right to execute this instrument, and (b) there are no liens existing against the Easement Property and if such lien does exist, a signature with acknowledgment shall be included and made a part of this document conveying the rights and privileges contained herein, and subordinating any such lien or encumbrance to the easement granted herein.

Re:	Purchase of Fiber Optic Cable

Action Requested:
Consider and act to purchase fiber optic cable for the expansion of the City fiber network from Graybar Electric Company, Inc. through a cooperative contract with Omnia Public Sector for an amount not to exceed $60,333.28. (AAlexander)

Background Information:
The City is currently in the process of expanding its fiber optic infrastructure to support city facilities as part of the City's 2022 fiber optic master plan. This purchase will support ongoing fiber construction projects by procuring needed fiber optic cable. By connecting these sites, the City will enable higher communication speeds and additional security for these services.

Omnia Public Sector Contract #EV2370

The City maintains an executed Interlocal Agreement with the above cooperative agency. Chapter 271 of the Local Government Code authorizes cooperative purchases. Use of the contracts satisfies the competitive bidding requirement while saving time and funding in the development of specifications and duplication of work during the process.

Legal Review:
Contract has been previously reviewed and approved.

Supporting Documents:
1. Presentation
2. Graybar Quotation - 246549194

Financial Consideration:
Funding is available through bond funds. Expenditures will not exceed funds appropriated and funds will be committed at the issuance of a purchase order.

Staff Recommendation:
Staff recommends awarding the purchase as presented.

Re:	Administrative Services and Office Space Agreement - CEDC

Action Requested:
Consider and act upon an Administrative Services and Office Space Agreement between the City of Celina and the Celina Economic Development Corporation. (Satarino)

Background Information:
This agreement outlines the terms and conditions under which the City of Celina will provide administrative services and office space to the Celina Economic Development Corporation (CEDC). It highlights the obligations of both parties and ensures the seamless operation and cooperation between the City and the CEDC.

City Obligations:

- The City will supply necessary personnel for CEDC operations, including CMO, IT, GIS, Finance, HR, Development, and administrative services.
- The City will provide office space for the CEDC in the building located at 302 W. Walnut.

CEDC's Obligations:

- The CEDC will pay to the City $30,000 annually, $15,000 for services provided by the City Manager's Office and $15,000 for services, including IT, GIS, Finance, HR, Development, and administrative services. This is a flat, in-kind fee assessed to the CEDC, rather than being billed at an hourly rate.
- The CEDC will pay to the City $76,052.55 annually for office space, payable in equal quarterly installments. The 3,406 square-foot building located at 302 W. Walnut houses

various uses, including public areas, shared facilities for both the City and CEDC, dedicated CEDC offices, and an office for the Neighborhood Resource Officer. Exhibit A-1 in the attached agreement outlines the CEDC's usage of the building, expressed as a percentage and dollar amount of the City's total debt service payments for renovations to the building.
- The CEDC will pay to the City all other applicable fees totaling $24,255.75, as generally depicted in Exhibit B in the attached agreement.
- The CEDC grants the City authority to disburse funds and incur budgeted expenses on its behalf, and allows the City access to its books and records at all times.

Term and Termination:

- The agreement is effective for five years with automatic one-year extensions.

ADMINISTRATIVE SERVICES AND OFFICE SPACE AGREEMENT BETWEEN THE CITY OF CELINA AND THE CELINA ECONOMIC DEVELOPMENT CORPORATION

This Administrative Services and Office Space Agreement ("Agreement") is entered into on the _____ day of _____, 2024 ("Effective Date"), by and between the **CITY OF CELINA**, a Texas municipal corporation, (hereinafter referred to as the "City"), and the **CELINA ECONOMIC DEVELOPMENT CORPORATION**, a Texas non-profit corporation (hereinafter referred to as the "CEDC").

In consideration of the mutual agreements described hereinafter and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, City and CEDC, agree as follows:

Section 1. *City Obligations.* The City represents that it has current resources to provide the services contemplated herein. Upon request by the CEDC's Board of Directors (the "Board") or Executive Director, the City agrees to provide any of the following services and personnel which shall include, but not limited to:

a. Providing all personnel necessary for the operation of the CEDC as set forth by the Bylaws to include IT, GIS, finance and administrative services.

b. Providing the following office space exclusively for the daily operations of the CEDC as shown in CEDC occupied areas in the building located on Celina Original Donation, Block 16 Lot 1 302 W. Walnut.

c. Providing any other routine and non- routine services.

Section 2. *CEDC Obligations.* The CEDC represents that it has current funds to pay for the services to be provided by the City. In consideration of the City' s obligations, the CEDC agrees to provide the following, which shall include but not be limited to:

a. Paying $30,000 per year to the City for the cost of the services, including IT, GIS, and administrative services, as generally depicted in Exhibit B of this Agreement.

b. Paying $76,052.55 per year to the City for debt service and lease payments as generally depicted in Exhibit A and Exhibit A-1 of this Agreement, to be paid in equal quarterly payments.

c. Payment of all other applicable fees, as generally depicted in Exhibit B, will be invoiced by the City to the CEDC quarterly or annually.

d. Granting authority to the City to disburse funds and incur budgeted expenses on behalf of the CEDC and designate the Executive Director, Board President and/or Board Designee as authorized signatories of the CEDC.

e. Granting the City access to the books and records of the CEDC at all times.

Section 3. *Term.*

a. This Agreement shall be for a period of five (5) years from the Effective Date of this Agreement with automatic 1-year extensions, subject to the terms of this Agreement, the Bylaws of the CEDC and state law.

b. The City and CEDC may mutually amend this Agreement, at any time.

c. This Agreement may be terminated at any time by the City or the CEDC, in whole, or from time to time, in part. Termination shall be effective sixty (60) days after delivery of Notice of Termination in writing.

Section 4. *Miscellaneous Provisions.*

a. This Agreement has been duly and properly approved by each party' s governing body and constitutes a binding obligation on each party. This Agreement shall be binding on and inure to the benefit of the Parties and their respective administrators, legal representatives, successors, and assigns when permitted by this Agreement.

b. This Agreement embodies the entire agreement between the parties and may only be modified in writing executed by both parties.

c. The provisions of this Agreement are severable. If any paragraph, section, subdivision, sentence, clause, or phrase of the Agreement is for any reason held by a court of competent jurisdiction to be contrary to law or contrary to any rule or regulation have the force and effect of the law, the remaining portions of the Agreement shall be enforced as if the invalid provision had never been included.

d. This Agreement shall be construed in accordance with the laws of the State of Texas and venue for all purposes hereunder shall be in Denton or Collin County, Texas.

e. This Agreement shall be deemed drafted equally by all parties hereto. The language of all parts of this Agreement shall be construed as a whole according to its fair meaning, and any presumption or principle that the language herein is to be construed against any party shall not apply. Headings in this Agreement are for the convenience of the parties and are not intended to be used in construing this document.

f. Any notice provided or permitted to be given under this Agreement must be in writing and may be served by depositing in the United States mail, addressed to the party to be notified, postage pre-paid and registered or certified with return receipt requested, or by delivering the same in person to such party via a hand-delivery service, Federal Express or any courier service that provides a return receipt showing the date of actual delivery of same, to the addressee thereof. Consider and act to authorize the City Manager to execute a cost-sharing agreement with Centurion America to construct arterial median lighting along Bothwell Boulevard for the amount of $273,612.63. (Glasgow)

Background Information:
In May 2023, the City contracted with Lee Engineering to complete an arterial lighting design on Bothwell Boulevard from Parvin Road to Crutchfield Drive. The design project includes the installation of light poles, luminaries, conduits, and meters to illuminate Bothwell Boulevard. Staff brought this before the council in April 2024 for an initial award. The council requested staff research alternative funding aside from bond funds. Please see below for a more detailed analysis and potential options.

PID
The purpose of the PID is to fund public infrastructure as approved by the Service and Assessment Plan (SAP), which typically includes roadway, water, wastewater, and drainage projects. To fund these public improvements, a special assessment is levied on each house/lot within the PID. Homeowners/property owners may pay these assessments annually through their tax bill or they may be repaid all at once.

For the Sutton Fields II PID, all funds have been reimbursed to the developer for completed roadway, water, wastewater, and drainage projects. There are no funds available for the Bothwell Blvd lighting project.

TIRZ

The purpose of the TIRZs 4 and 8 is to reduce the PID special assessment levied on each house/lot. A portion of the property tax revenue growth within the TIRZ is dedicated for use within the TIRZ. The participation rate for TIRZ 4 is 13.22% and for TIRZ 8 is 7.76%. The project and financing plans of the TIRZs authorize all of the funds generated to be used to repay the PID bonds that funded the public improvements. These TIRZ debt payments reduce each property owner's annual PID payment within their property tax bill from the tax office. The project and financing plans for the TIRZs do not authorize funds to be expended for additional infrastructure projects within the TIRZs. Additionally, the City included the dedication of TIRZ revenue in its disclosures to bondholders for the Sutton Fields II PID bonds. Therefore, within the current project and financing plan and in compliance with the disclosures to bondholders, there are no available funds for TIRZ 4 or TIRZ 8 for the Bothwell Blvd lighting project.

Based on staff's research, there is no available funding within the PID or TIRZs for the Bothwell Blvd streetlight project. Staff proposes to use either roadway impact fees or bonds to fund this improvement.

Bid 2024-099 for Bothwell Lighting closed on March 21, 2024. On June 11, 2024, Celina City Council approved the award of the construction contract to Roadway Solutions, Inc. for the Bothwell Boulevard Median Lighting project in the amount of $1,094,450.50. At the direction of Celina City Council, staff coordinated with the developer, Centurion America, who agreed to contribute 25% of the total cost of construction up to a maximum amount of $273,612.63. The proposed agreement outlines the payment terms between the City and Centurion.

COST SHARING AGREEMENT

FOR BOTHWELL BOULEVARD STREET LIGHTING IMPROVEMENTS

This Cost Sharing Agreement for Bothwell Boulevard Street Lighting Improvements (herein this "AGREEMENT"), is made and entered into on this the 6th day of August, 2024, and between the City of Celina, Texas, a Texas home-rule municipality (herein "CITY") and CADG Sutton Fields, LLC, a Texas limited liability company "DEVELOPER", and collectively referred to as the "PARTIES").

WHEREAS, CITY and Developer propose to share in the costs of designing, installing, and constructing streetlights on Bothwell Boulevard in the City of Celina, Texas; and

WHEREAS, CITY desires to set forth the manner in which DEVELOPER and CITY may share in the actual costs of designing and constructing multiple street lights on Bothwell Boulevard generally located in the Sutton Fields subdivision of the CITY (hereafter referred to as "BOTHWELL BOULEVARD STREET LIGHTING IMPROVEMENTS")(hereinafter the costs of the BOTHWELL BOULEVARD STREET LIGHTING IMPROVEMENTS referred to as the "CONSTRUCTION COSTS").

NOW, THEREFORE, for and in consideration of the premises and the consideration herein recited, the receipt of which is expressly acknowledged by DEVELOPER, the PARTIES hereby mutually agree as follows:

I.

The CITY shall design, construct, and install the BOTHWELL BOULEVARD STREET LIGHTING IMPROVEMENTS from the point of the intersection of Parvin Road and Bothwell Boulevard to the northern most end of Bothwell Boulevard that crosses over Crutchfield Road as of the date of this AGREEMENT, which route as generally depicted in **Exhibit "A"** attached and incorporated as if fully set forth herein.

II.

By the execution of this AGREEMENT, it is expressly understood that the CITY does not assume any obligations which may arise under any terms of an agreement previously entered into or which may in the future be entered into by the DEVELOPER with a third party for the construction of the subject BOTHWELL BOULEVARD STREET LIGHTING IMPROVEMENTS.

III.

The subject BOTHWELL BOULEVARD STREET LIGHTING IMPROVEMENTS shall upon completion of all or any segment, section, or portion thereof become the property of the CITY and subject to its jurisdiction and control.

IV.

The DEVELOPER agrees to pay twenty-five percent (25%) of the actual CONSTRUCTION COSTS to the CITY ("DEVELOPER'S SHARE"), not to exceed $273,612.63 based on the

projected CONSTRUCTION COSTS which are estimated to be $1,094,450.50. DEVELOPER shall pay DEVELOPER'S SHARE to the CITY on or before September 6, 2024 ('DEVELOPER'S INITIAL DEPOSIT"), which is approximately 30-days after the effective date of this AGREEMENT. Prior to DEVELOPER being obligated to pay DEVELOPER'S SHARE to the CITY, The CITY shall provide a copy of its contract for construction of the BOTHWELL BOULEVARD STREET LIGHTING IMPROVEMENTS to the DEVELOPER for the purpose of DEVELOPER confirming the contract amount. Following completion of construction of the BOTHWELL BOULEVARD STREET LIGHTING IMPROVEMENTS and acceptance thereof by the CITY, the CITY shall notify DEVELOPER of the final amount of DEVELOPER'S SHARE, and, to the extent DEVELOPER'S SHARE is greater than DEVELOPER'S INITIAL DEPOSIT, DEVELOPER shall pay any remaining amount within 30 days of receipt of such notice; provided; however, if the actual CONSTRUCTION COSTS are less than DEVELOPER'S SHARE after completion of construction of the BOTHWELL BOULEVARD STREET LIGHTING IMPROVEMENTS and acceptance thereof, the CITY shall pay to DEVELOPER the difference of DEVELOPER'S SHARE and twenty-five percent (25%) of the actual CONSTRUCTION COSTS within 30 days of the CITY making final payment of the CONSTRUCTION COSTS.

V.

The BOTHWELL BOULEVARD STREET LIGHTING IMPROVEMENTS shall be constructed in existing City right-of-way.

VI.

The BOTHWELL BOULEVARD STREET LIGHTING IMPROVEMENTS shall be designed and installed in accordance with current CITY ordinances, standards, and specifications. The City Engineer or his/her representative will determine whether subject BOTHWELL BOULEVARD STREET LIGHTING IMPROVEMENTS are constructed in accordance with approved engineering plans and specifications and upon completion and acceptance of the BOTHWELL BOULEVARD STREET LIGHTING IMPROVEMENTS shall become the property of the CITY and subject to maintenance, jurisdiction and control of the CITY. If, for any reason, this BOTHWELL BOULEVARD STREET LIGHTING IMPROVEMENTS should be commenced but not completed, that portion having been constructed shall become the property of the CITY and subject to maintenance, jurisdiction and control of the CITY.

VII.

No ad valorem tax, revenue or income is or shall ever be encumbered by the terms of this AGREEMENT, and no appropriation by the CITY is required therefrom when this AGREEMENT is authorized and executed. Further, this AGREEMENT shall in no manner be construed to create a debt against the CITY or charge against any of its revenues from whatever source derived.

VIII.

Should any provision of this AGREEMENT be declared illegal by a court of competent jurisdiction, the other and remaining provisions of this AGREEMENT shall not in any way be

affected and all provisions of this AGREEMENT which are not declared to be illegal shall be binding upon the PARTIES. The CITY shall not be liable for any costs expended by DEVELOPER prior to the court's decision.

IX.

A. Interpretation. The Parties acknowledge that each of them has been actively involved in negotiating this AGREEMENT. Accordingly, the rule of construction that any ambiguities are to be resolved against the drafting Party will not apply to interpreting this AGREEMENT. In the event of any dispute over the meaning or application of any provision of this AGREEMENT, the provision will be interpreted fairly and reasonably and neither more strongly for or against any Party, regardless of which Party originally drafted the provision.

B. Authority and Enforceability. The City represents and warrants that this AGREEMENT has been approved by official action by the City Council in accordance with all applicable public notice requirements (including, but not limited to, notices required by the Texas Open Meetings Act) and that the individual executing this AGREEMENT on behalf of the City has been duly authorized to do so. The DEVELOPER represents and warrants that this AGREEMENT has been approved by appropriate action of DEVELOPER, and that the individual executing this AGREEMENT on behalf of the DEVELOPER has been duly authorized to do so. Each PARTY acknowledges and agrees that this AGREEMENT is binding upon such PARTY and enforceable against such PARTY, in accordance with its terms and conditions and to the extent provided by law, including but not limited to Section 212.172 of the Texas Local Government Code.

C. Applicable Law; Venue. This AGREEMENT is entered into under and pursuant to, and is to be construed and enforced in accordance with, the laws of the State of Texas, and all obligations of the Parties are performable in Denton County. Venue for any action to enforce or construe this AGREEMENT shall be in Denton County.

D. Non Waiver. Any failure by a PARTY to insist upon strict performance by another PARTY of any material provision of this AGREEMENT shall not be deemed a waiver thereof, and the PARTY shall have the right at any time thereafter to insist upon strict performance of any and all provisions of this AGREEMENT. No provision of this AGREEMENT may be waived except by writing signed by the PARTY waiving such provision. Any waiver shall be limited to the specific purposes for which it is given. No waiver by any PARTY of any term or condition of this AGREEMENT shall be deemed or construed to be a waiver of any other term or condition or subsequent waiver of the same term or condition.

E. No Third Party Beneficiaries. This AGREEMENT only inures to the benefit of, and may only be enforced by, the Parties. No other person or entity shall have any right, title, or interest under this AGREEMENT or otherwise be deemed to be a third-party beneficiary of this AGREEMENT.

F. Boycott of Israel. To the extent this AGREEMENT constitutes a contract for goods or services for which a written verification is required under Section 2271.002, Texas Government Code, the DEVELOPER hereby verifies that it and its parent company,

wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and will not boycott Israel during the term of this AGREEMENT. The foregoing verification is made solely to enable compliance with such Section and to the extent such Section does not contravene applicable Federal or Texas law. As used in the foregoing verification, 'boycott Israel,' a term defined in Section 2271.001, Texas Government Code, by reference to Section 808.001(1), Texas Government Code, means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

G. Iran, Sudan and Foreign Terrorist Organizations. Section 2252.151 of the Texas Government Code defines a "governmental contract" as a contract awarded by a governmental entity for general construction, an improvement, a service, or a public works project or for a purchase of supplies, materials, or equipment, and provides that the term includes a contract to obtain a professional or consulting service subject to Chapter 2254 of the Texas Government Code. The DEVELOPER represents that, as of the date of this AGREEMENT, to the extent this AGREEMENT constitutes a governmental contract within the meaning of Section 2252.151 of the Texas Government Code, as amended, solely for purposes of compliance with Chapter 2252 of the Texas Government Code, and except to the extent otherwise required by applicable federal law, neither the DEVELOPER nor any wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of the DEVELOPER (if any) is an entity listed by the Texas Comptroller of Public Accounts under Sections 806.051, 807.051, or 2252.153 of the Texas Government Code or identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Texas Government Code, and posted on any of the following pages of such officer's internet website:

(a) https://comptroller.texas.gov/purchasing/docs/sudan-list.pdf,

(b) https://comptroller.texas.gov/purchasing/docs/iran-list.pdf, or

(c) https://comptroller.texas.gov/purchasing/docs/fto-list.pdf.

H. Form 1295. The Parties acknowledge and agree that the DEVELOPER, prior to the City Council's approval of this AGREEMENT, submitted to the CITY a completed Form 1295 generated by the Texas Ethics Commission's (the "TEC") electronic filing application in accordance with the provisions of Section 2252.908 of the Texas Government Code and the rules promulgated by the TEC (the "Form 1295"). The CITY hereby confirms timely receipt of the Form 1295 from the DEVELOPER pursuant to Section 2252.908, and the CITY agrees to acknowledge such form with the TEC through its electronic filing application system not later than the 30th day after the receipt of such form. The CITY waives all claims related to the validity and enforceability of this AGREEMENT to the extent such claims are based on noncompliance with Section 2252.908, Texas Government Code.

I. Verification Regarding Discrimination Against Fossil Fuel Companies. To the extent this AGREEMENT constitutes a contract for goods or services for which a written verification is required under Section 2274.002 (as added by Senate Bill 13 in the 87th Texas Legislature, Regular Session), Texas Government Code, as amended, the DEVELOPER hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and will not boycott energy companies during the term of this AGREEMENT. The foregoing verification is made solely to enable the CITY to comply with such Section and to the extent such Section does not contravene applicable Federal or Texas law. As used in the foregoing verification, "boycott energy companies," a term defined in Section 2274.001(1), Texas Government Code (as enacted by such Senate Bill) by reference to Section 809.001, Texas Government Code (also as enacted by such Senate Bill), shall mean, without an ordinary business purpose, refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with a company because the company (A) engages in the exploration, production, utilization, transportation, sale, or manufacturing of fossil fuel-based energy and does not commit or pledge to meet environmental standards beyond applicable federal and state law; or (B) does business with a company described by (A) above.

J. Verification Regarding No Discrimination Against Firearm Entities and Firearm Trade Associations. To the extent this AGREEMENT constitutes a contract for goods or services for which a written verification is required under Section 2274.002 (as added by Senate Bill 19 in the 87th Texas Legislature, Regular Session), Texas Government Code, as amended, the DEVELOPER hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate against a firearm entity or firearm trade association during the term of this AGREEMENT. The foregoing verification is made solely to enable the CITY to comply with such Section and to the extent such Section does not contravene applicable Federal or Texas law. As used in the foregoing verification and the following definitions,

(a) 'discriminate against a firearm entity or firearm trade association,' a term defined in Section 2274.001(3), Texas Government Code (as enacted by such Senate Bill), (A) means, with respect to the firearm entity or firearm trade association, to (i) refuse to engage in the trade of any goods or services with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association, (ii) refrain from continuing an existing business relationship with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association, or (iii) terminate an existing business relationship with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association and (B) does not include (i) the established policies of a merchant, retail seller, or platform that restrict or prohibit the listing or selling of ammunition, firearms, or firearm accessories and (ii) a company's refusal to engage in the trade of any goods or services, decision to refrain from continuing an existing business relationship, or decision to terminate an existing business relationship (aa) to comply with federal, state, or local law, policy, or regulations or a directive by a regulatory agency or

(bb) for any traditional business reason that is specific to the customer or potential customer and not based solely on an entity's or association's status as a firearm entity or firearm trade association,

(b) 'firearm entity,' a term defined in Section 2274.001(6), Texas Government Code (as enacted by such Senate Bill), means a manufacturer, distributor, wholesaler, supplier, or retailer of firearms (defined in Section 2274.001(4), Texas Government Code, as enacted by such Senate Bill, as weapons that expel projectiles by the action of explosive or expanding gases), firearm accessories (defined in Section 2274.001(5), Texas Government Code, as enacted by such Senate Bill, as devices specifically designed or adapted to enable an individual to wear, carry, store, or mount a firearm on the individual or on a conveyance and items used in conjunction with or mounted on a firearm that are not essential to the basic function of the firearm, including detachable firearm magazines), or ammunition (defined in Section 2274.001(1), Texas Government Code, as enacted by such Senate Bill, as a loaded cartridge case, primer, bullet, or propellant powder with or without a projectile) or a sport shooting range (defined in Section 250.001, Texas Local Government Code, as a business establishment, private club, or association that operates an area for the discharge or other use of firearms for silhouette, skeet, trap, black powder, target, self-defense, or similar recreational shooting), and

(c) 'firearm trade association,' a term defined in Section 2274.001(7), Texas Government Code (as enacted by such Senate Bill), means any person, corporation, unincorporated association, federation, business league, or business organization that (i) is not organized or operated for profit (and none of the net earnings of which inures to the benefit of any private shareholder or individual), (ii) has two or more firearm entities as members, and (iii) is exempt from federal income taxation under Section 501(a), Internal Revenue Code of 1986, as an organization described by Section 501(c) of that code.

K. Counterparts. This AGREEMENT may be executed in any number of counterparts, each of which shall be deemed an original and constitute one and the same instrument.

L. Further Documents. Each PARTY shall, upon request of the other PARTY, execute and deliver such further documents and perform such further acts as may reasonably be requested to effectuate the terms of this AGREEMENT. This provision shall not be construed as limiting or otherwise hindering the legislative discretion of the CITY Council seated at the time that this AGREEMENT is executed or any future City Council.

M. Amendments. This AGREEMENT cannot be modified, amended, or otherwise varied, except in writing signed by the CITY and the DEVELOPER expressly amending the terms of this AGREEMENT.

N. Consideration. This AGREEMENT is executed by the Parties hereto without coercion or duress and for substantial consideration, the sufficiency of which is hereby acknowledged.

O. Time. In this AGREEMENT, time is of the essence and compliance with the times for performance herein is required.

X.

Any notice, payment or instrument required or permitted by this AGREEMENT to be given or delivered to any party shall be deemed to have been received when personally delivered or transmitted by telecopy or facsimile transmission (which shall be immediately confirmed by telephone and shall be followed by mailing an original of the same within 24 hours after such transmission) or 72 hours following deposit of the same in any United States Post Office, registered or certified mail, postage prepaid, addressed as follows:

City of Celina, Texas

Memorandum

To:	**Honorable Mayor Tubbs and the Celina City Council**
From:	Joe Monaco, Director of Marketing & Communications
CC:	Robert Ranc, City Manager
Intiated by:	Joe Monaco
Date:	August 13, 2024
Re:	Partnership Agreement with Run Celina, LLC.

Action Requested:
Consider and act to authorize an agreement with Run Celina, LLC. to host a Downtown Turkey Trot. (Monaco)

Background Information:
The City of Celina has entered into an agreement with Run Celina, LLC., to waive the site reservation fee for the Downtown Square and Old Celina Park, as per the City of Celina Master Fee Chart approved by the City Council, for one race in 2024. In exchange, Run Celina, LLC., will consider the City as a Silver Level Sponsor or a higher sponsorship level equivalent to the cost of the site reservation fee. As a Silver Level Sponsor, the City will receive:

- Company logo on the race shirt
- Company logo displayed on the race website with a link to the company website
- Social media tags with links to the company page
- Shared banner space in the start/finish chute provided by Run Celina
- Company-supplied promotional item in the race packet
- Yard sign along the race course
- 10x10 booth space
- Four complimentary race entries

Run Celina, LLC., is responsible for completing the Special Events Permit Application and all necessary processes according to the Special Events Guidelines approved by the Celina City Council. The company must provide approved traffic control plans and pay for any barricades around the Downtown Square and Old Celina Park to ensure the safety of participants, spectators,

and public safety officials. The company will also pay for four Electronic Message Boards to inform the public of the event within three days prior to the agreed date. Any additional barricades required by the City for safety will be at the company's expense.

Run Celina, LLC., will cover all event-related costs, including those for fire, police, and emergency services. They will also pay any additional municipal fees, such as the Site Restoration Fee and Special Events Permit Application fee, as outlined in the Special Events Guidelines approved by the City Council, as well as costs for non-related City services agreed upon with contractors.

The route for the Downtown Turkey Trot has been approved by the Celina Police Department and the City of Celina Engineering Department.

Legal Review:
Contract has been previously reviewed and approved by attorneys for the City of Celina and Run Celina, LLC.

Supporting Documents:
1. Staff Presentation
2. Sponsorship Agreement

Financial Consideration:
The City will waive the site reservation fees for the Downtown Square and Old Celina Park in exchange for a Silver Level Sponsorship that includes the following:

- Company logo on race shirt,
- Company logo displayed on race website with link to company website,
- Social media tags with links to your company page,
- Run Celina supplied, shared banner space in the start/finish chute,
- Company supplied promotional item in the race packet,
- Yard sign along the race course,
- 10 X 10 booth space, and
- 4X complimentary race entries.

Staff Recommendation:
Staff recommends the approval of the Partnership Agreement between the City of Celina and Run Celina, LLC.

PARTNERSHIP AGREEMENT BETWEEN THE CITY OF CELINA & RUN CELINA, LLC.

SPONSORSHIP AGREEMENT

This **AGREEMENT** ("Agreement") is made by and between the CITY OF CELINA, TEXAS ("City") and RUN CELINA, LLC ("Company"), a Texas limited liability company based in Celina, Texas, acting by and through its respective authorized officers and representatives.

WHEREAS, the City is a Home Rule Municipality located in Collin County and Denton County, Texas, created in accordance with the provisions of the Texas Local Government Code and operating pursuant to the enabling legislation of the State of Texas; and

WHEREAS, the Company desires to organize and operate one (1) race event ("Event") at in the Downtown Square and Old Celina Park and has applied for financial assistance from the City for such Event, advising that a contributing factor that would induce the Company to hold the Event in the City of Celina would be an agreement with the City to waive costs of such Event in exchange for sponsorship credits; and

WHEREAS, the City intends to waive the amount of the site reservation fee for the Downtown Square and Old Celina Park for up to one Event; and

WHEREAS, the City has investigated and determined that the promotion of the Event is a benefit to local citizens and encourage tourism and economic development; and

WHEREAS, the City desires to contract with the Company for the promotion and marketing of economic and business development and tourism activities, opportunities, and programs within the City related to organized races; and

NOW THEREFORE, in consideration of the foregoing, and on the terms and conditions hereinafter set forth, the sufficiency of which is hereby acknowledged, the parties agree as follows:

ARTICLE I
TERM

The term of this Agreement shall begin on the date of the last of the parties to execute this Agreement (the "**Effective Date**") and continue until December 31, 2024.

ARTICLE II
AFFIRMATIVE COVENANTS

2.1 **Affirmative Covenants of City**. The City will waive the site reservation fee for the Downtown Square and Old Celina Park as established in the City of Celina Master Fee Chart approved by Celina City Council, for one (1) Event that shall occur between January 1, 2024, and December 31, 2024. This Agreement does not guarantee a specific date for the Event and the City will not be held liable for any costs associated with the Event.

2.2 **Affirmative Covenants of Company**.

(A) In exchange for the City waiving the site reservation fee for the Downtown Square and Old Celina Park, the Company shall consider the City as a Silver Level Sponsor, or any higher sponsorship level that aligns with the cost of site reservation fee for the Downtown Square and Old Celina Park. The Company agrees to include the City in any marketing materials under such partnership.

(B) The Company will be responsible for completing the Special Events Permit Application and all of the necessary processes within the Special Events Guidelines as approved by the Celina City Council. The Company will be responsible for complying with any and all applicable ordinances of the City.

(C) The Company will be responsible for providing approved traffic control plans and for payment of any barricades around the Downtown Square and Old Celina Park for the safety of the participants, spectators, and public safety officials. The Company will be responsible for the payment of four (4) Electronic Message Boards that will inform the public of an Event occurring within three (3) days prior to the agreed upon date. The Company will be responsible for the payment of any additional barricades that will required by the City in order to provide a safety Event for the participants, spectators, and public safety personnel.

(D) The Company will coordinate volunteers as available to assist in set-up, operations, and clean-up efforts related to the Event and return the premises of the Downtown Square and Old Celina Park to its original state before the Event. The Downtown Square and Old Celina Park is made available to Company "as is" and "with all faults", and the City makes no representation or warranty of any kind, express or implied, with respect to the Downtown Square and Old Celina Park, including habitability, fitness or suitability for a particular purpose. CITY HEREBY DISCLAIMS ANY AND ALL IMPLIED WARRANTIES, INCLUDING IMPLIED WARRANTIES OF HABITABILITY, FITNESS OR SUITABILITY FOR A PARTICULAR PURPOSE. THE COMPANY ACKNOWLEDGES THAT NEITHER THE CITY NOR ANY AGENT OF THE CITY HAS MADE ANY REPRESENTATION OR WARRANTY WITH RESPECT TO THE DOWNTOWN SQUARE AND OLD CELINA PARK OR THE SUITABILITY OF THE DOWNTOWN SQUARE AND OLD CELINA PARK FOR THE PURPOSE HEREIN INTENDED. BY OCCUPYING THE DOWNTOWN SQUARE AND OLD CELINA PARK, THE COMPANY IS DEEMED TO HAVE ACCEPTED THE DOWNTOWN SQUARE AND OLD CELINA PARK AS SUITABLE FOR ITS PURPOSES.

(E) The Company will be responsible for all costs associated with the Event. The costs associated with the Event may include required fire, police, and emergency services. The Company agrees to pay for all additional municipal fees including Site Restoration Fee and Special Events Permit Application fee as established in the Special Events Guidelines approved by Celina City Council and non-related City Services at an agreed-upon cost with those contractors.

(F) No later than 60 days before the Event, the Company will provide to the City a Special Events Permit Application and turn in all required submittals no later than 30 days prior to the Events, or as otherwise required by the City's Code of Ordinances. The Company will adhere to the rules and regulations set forth in Article 1.12 Special Events, as amended, of the Celina Code of Ordinances. The Company will consult with the City in the performance of an Emergency

Action Plan if the City determines that such modifications are in the interest of public health, safety, and welfare.

(G) Company shall be a member of the Celina Chamber of Commerce during the term of this Agreement. The City shall have the right to market the Event as part of its updates to the community.

(H) Company shall not have an uncured breach of this Agreement or any other agreement by and between Company.

(I) Company shall hold insurance in amounts sufficient to reasonably cover any and all liabilities at the Event, or in amounts otherwise required by the City.

ARTICLE III
TERMINATION

3.1 This Agreement may be terminated upon any one of the following:

(A) By either the City or the Company for any reason upon ninety (90) days advance written notice to the other party;

(B) By mutual written agreement of the parties;

(C) By City or Company, respectively, if the other party defaults or breaches any of the terms or conditions of this Agreement in any material respect and such default or breach is not cured within thirty (30) days after written notice thereof by the City or Company, as the case may be;

(D) Upon any of the following occurrences, which shall be declared an event of default:

i. Any warranty, representation, or statement made or furnished to City by or on behalf of Company under this Agreement that is false or misleading in any material respect, either now or at the time made or furnished;

ii. Company's insolvency, appointment of receiver for any part of Company's property, any assignment for the benefit of creditors of Company, any type of creditor workout for Company, closure of the Company as an existing business in the State of Texas, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Company;

iii. The filing of any lawsuit by Company against the City;

iv. If any applicable permits required for the Event and issued by the City are revoked or expire, and Company fails to make reasonable efforts to obtain new

permits, as determined by the City and such default is not cured by Company within thirty (30) days after written notice thereof; or

(E) Expiration of the term, or any subsequent renewal of the term.

ARTICLE IV
FORCE MAJEURE

4.1 Company and City will not be in breach or in default under this Agreement on account of, and will not be liable to the other party for, any delay or failure to perform its obligations under this Agreement by reason of fire, earthquake, flood, explosion, strike, riot, war, terrorism, or similar event beyond the party's reasonable control (each a "Force Majeure Event"). However, if a Force Majeure Event occurs, the affected party shall, as soon as practicable:

(A) Notify the other party of the Force Majeure Event and its impact under this agreement, including the amount of time needed before resuming performance; and

(B) Use reasonable efforts to resolve issues resulting from the Force Majeure Event and perform its obligations under this agreement.

ARTICLE V
RECORDS AND ACCOUNTS

The Company will maintain in accordance with generally accepted accounting practices accounts, documents, and other materials related to the costs, expenditures, and receipts incurred or made pursuant to this Agreement. Contracting Information will be subject to inspection and audit at reasonable times by representatives of the City but no later than three (3) business days following a written request by the City. “Contracting Information” for purposes of this Article V shall have the meaning of Contracting Information contained in the Texas Public Information Act, Section 552.201031(1-a). The Company understands that any records related to this Agreement may be subject to disclosure as a public record under the Texas Public Information Act and the Company will cooperate with the City in responding to any request under such law.

ARTICLE VI
MISCELLANEOUS

6.1 Findings Incorporated. The recitals at the beginning of this Agreement are hereby incorporated into the body of this Agreement and shall be considered part of the mutual covenants, consideration, and promises that bind the parties.

6.2 Binding Agreement. The terms and conditions of this Agreement are binding upon the parties to this Agreement and their respective successors and permitted assigns.

6.3 Independent Contractor. In performing this Agreement, the Company is an independent contractor, not subject to control or direction by the City except for such oversight as herein described or otherwise set forth by applicable law. The Company and its contractors and volunteers will make no claim of City employment nor will claim against the City any employment-related benefits.

6.4 Limitation of Liability. It is understood and agreed between the parties that the Company and City, in satisfying the conditions of this Agreement, have acted independently, and City assumes no responsibilities or liabilities to third parties in connection with these actions. THE COMPANY AGREES TO INDEMNIFY AND HOLD HARMLESS THE CITY, ITS OFFICERS, EMPLOYEES AND AGENTS FROM AND AGAINST ANY AND ALL SUITS, ACTIONS, LOSSES, DAMAGES, CLAIMS, OR LIABILITY OF ANY CHARACTER, TYPE, OR DESCRIPTION, INCLUDING ALL EXPENSES OF LITIGATION, COURT COSTS, AND ATTORNEY'S FEES FOR INJURY OR DEATH TO ANY PERSON, OR INJURY TO ANY PROPERTY, RECEIVED OR SUSTAINED BY A PERSON OR PERSONS OR PROPERTY, ARISING OUT OF, OR OCCASIONED BY, DIRECTLY OR INDIRECTLY, THE PERFORMANCE OF THE EVENTS UNDER THIS AGREEMENT UNLESS CAUSED BY THE NEGLIGENCE OF THE CITY. BY ENTERING THIS AGREEMENT, THE CITY DOES NOT WAIVE ANY GOVERNMENTAL IMMUNITY AVAILABLE TO THE CITY UNDER TEXAS LAW. THE PROVISIONS OF THIS INDEMNIFICATION ARE SOLELY FOR THE BENEFIT OF THE PARTIES HERETO AND NOT INTENDED TO CREATE OR GRANT ANY RIGHTS, CONTRACTUAL OR OTHERWISE, TO ANY OTHER PERSON OR ENTITY.

6.5 Assignment. This Agreement may not be assigned or transferred by the Company to any other person or entity without the prior written consent of the City.

6.6 No Joint Venture. It is acknowledged and agreed by the parties that the terms hereof are not intended to and shall not be deemed to create a partnership or joint venture between the parties.

6.7 Authorization. Each party represents that it has full capacity and authority to grant all rights and assume all obligations that are granted and assumed under this Agreement.

6.8 Notice. Any notice required or permitted to be delivered hereunder shall be deemed received three (3) days thereafter sent by United States Mail, postage prepaid, certified mail, return receipt requested, addressed to the party at the address set forth below (or such other address as such party may subsequently designate in writing) or on the day actually received if sent by courier or otherwise hand delivered sent via fax.

6.9 Entire Agreement. This Agreement is the entire Agreement between the parties with respect to the subject matter covered in this Agreement. There is no other collateral oral or written Agreement between the parties that in any manner relates to the subject manner of this Agreement.

6.10 Governing Law. The laws of the State of Texas shall govern the Agreement; and this Agreement is fully performable in Celina, Collin County, Texas with exclusive venue for any action concerning this Agreement being in a court of competent jurisdiction in Collin County, Texas.

6.11 Amendment. This Agreement may only be amended by mutual written agreement of the parties.

6.12 Legal Construction. In the event any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect other provisions, and it is the intention of the parties to this Agreement that in lieu of each provision that is found to be illegal, invalid, or unenforceable, a provision shall be added to this Agreement which is legal, valid, and enforceable and is as similar in terms as possible to the provision found to be illegal, invalid, or unenforceable.

6.13 Recitals. The recitals to this Agreement are incorporated herein.

6.14 Counterparts. This Agreement may be executed in counterparts. Each of the counterparts shall be deemed an original instrument, but all of the counterparts shall constitute

one and the same instrument and any such counterparts shall be deemed to be incorporated herein.

6.15 Survival of Covenants. Any of the representations, warranties, covenants, and obligations of the parties, as well as any rights and benefits of the parties, pertaining to a period of time following the termination of this Agreement shall survive termination.

6.16 Sovereign Immunity. The parties agree that the City has not waived its sovereign immunity by entering and performing its obligations under this Agreement.

6.17 Texas Government Code, Chapter 2264. In accordance with Chapter 2264 of the Texas Government Code, the Company agrees not to knowingly employ any person who is not lawfully admitted for permanent residence to the United States or who is not authorized under law to be employed in the United States ("Undocumented Worker"). During the term of this Agreement, the Company shall notify City of any compliant brought against the Company alleging that the Company has employed Undocumented Workers. If the Company, or a branch, division or department of the Company is convicted of a violation under 8 U.S.C. Section 1324a(t), the total amount of park fees waived herein, shall be repaid by the Company to the City not later than the 120th day after the date the City notifies the Company of the violation. The City shall recover court costs and reasonable attorney's fees incurred if it prevails in an action brought pursuant hereto to recover past park fees waived. The Company shall not be liable for a violation of Chapter 2264 by a subsidiary, affiliate, or franchisee, or by a person with whom the Company contracts.

6.18 Severability. If any provision of the Agreement is found to be unenforceable under law, the remaining provisions shall continue in full force and effect.

IN WITNESS WHEREOF, the parties hereto have executed this agreement in one or multiple copies, each of equal dignity.

ACCEPTED and EXECUTED as of the _____ day of _____ 2024.

Re:	PISD Middle School 8 - C-3 Expedited Annexation Service Agreement

Action Requested:
Consider and act upon a Service Agreement for C-3 annexed property between the City of Celina and the owner of approximately 11 acres within the Extraterritorial Jurisdiction (ETJ); generally located north of Frontier Parkway and approximately 400 feet west of Custer Road. (PISD Middle School 8 - C-3 Expedited Annexation Service Agreement) (Mohan)

Background Information:
This item is related to the voluntary annexation of approximately 11 acres; generally located north of Frontier Parkway and approximately 400 feet west of Custer Road. State law requires that cities enter into written agreements with property owners related to the provision of City services (emergency services, water & wastewater facilities, roads, health & code enforcement, zoning, public facilities, etc.) at the time of annexation. Please refer to the attached documents for further information, as well as the accompanying annexation and zoning agenda items.

The following three agenda items, including this one, comprise one project on the agenda, per the below:

- **Annexation Service Agreement (Consent) - Required of all annexation cases**
- Annexation (Public Hearing) - Voluntary annexation of the subject property
- Zoning (Public Hearing) - Zoning the property for future development

Legal Review:
This annexation follows a standard template approved by the City Attorney's Office.

Service Agreement for C-3 Annexed Property

The undersigned parties have negotiated, and now enter into, this written Service Agreement for C-3 Annexed Property ("Agreement") pursuant to the authority provided by Section 43.0672, Texas Local Government Code ("LGC"). Pursuant to Section 43.056(l) of the LGC, this Agreement shall have a term of ten (10) years beginning on the date approved by the City Council of Celina. This Agreement is for the following property:

The Property is described in Exhibit A attached hereto and incorporated herein.

NOW THEREFORE, for and in consideration received and the mutual benefits contained herein, the undersigned parties agree to the following Service Plan:

A) SERVICE PLAN GENERALLY

1) This service plan has been prepared in accordance with the Texas Local Government Code, Sections 43.021; 43.065 and 43.056(b)-(o). Municipal facilities and services to the annexed area will be provided or made available on behalf of the City of Celina in accordance with the following plan. The City of Celina shall provide the annexed tract the levels of service, infrastructure, and infrastructure maintenance that are comparable to the levels of service, infrastructure, and infrastructure maintenance available in other parts of the City of Celina with similar topography, land use, and population density. The provisions of the service plan were made available for public inspection and explained at the two public hearings held by the City Council in accordance with LGC Section 43.056(j).

2) For purposes of this service plan, to "provide" services includes having services provided by any method or means by which the City provides municipal services to any other areas of the City, and may include causing or allowing private utilities, governmental entities and other public service organizations to provide such services by contract or right, in whole or in part, and may include duties on part of the private landowner with regard to such services.

B) EMERGENCY SERVICES

1) Police Protection

   a) Police protection from the City of Celina Police Department shall be provided to the annexed area at a level consistent with current methods and procedures presently provided to similar areas on the effective date of the annexation ordinance. Some of these services include:
      i) Normal patrol and responses;
      ii) Handling of complaints and incident reports;
      iii) Special units, such as traffic enforcement and investigations; and
      iv) Coordination with other public safety support agencies.

   b) As development commences in these areas, sufficient police protection, including personnel and equipment will be provided to furnish these areas with the level of police services consistent with the characteristics of topography, land utilization and population density of the areas.

   c) Upon ultimate development, police protection will be provided at a level consistent with other similarly situated areas within the city limits.

2) Fire Protection

   a) The Celina Fire Department will provide emergency and fire prevention services to the annexed area. These services include:
      i) Fire suppression and rescue;
      ii) Pre-hospital medical services including triage, treatment and transport by Advanced Life

Support (ALS) fire engines, trucks and ambulances;
iii) Hazardous materials response and mitigation;
iv) Emergency prevention and public education efforts;
v) Technical rescue response; and
vi) Construction Plan Review and required inspections.

b) Fire protection from the City of Celina shall be provided to the annexed area at a level consistent with current methods and procedures presently provided to similar areas of the City of Celina on the effective date of the annexation ordinance.

c) As development commences in these areas, sufficient fire protection, including personnel and equipment will be provided to furnish these areas with the level of services consistent with the characteristics of topography, land utilization and population density of the areas. It is anticipated that fire stations planned to service areas currently with the City of Celina will be sufficient to serve the annexed area.

d) Upon ultimate development, fire protection will be provided at a level consistent with similarly situated areas within the city limits.

3) Emergency Medical Services

a) The Celina Fire Department will provide emergency and safety services to the annexed area. These services include:
i) Emergency medical dispatch and pre-arrival First Aid instructions;
ii) Pre-hospital emergency Advanced Life Support (ALS) response and transport; and
iii) Medical rescue services.

b) Emergency Medical Services (EMS) from the City of Celina shall be provided to the annexed area at a level consistent with current methods and procedures presently provided to similar areas of the City of Celina on the effective date of the annexation ordinance.

c) As development commences in these areas, sufficient EMS, including personnel and equipment, will be provided to furnish these areas with the level of services consistent with the characteristics of topography, land utilization, and population density of the areas.

d) Upon ultimate development, EMS will be provided at a level consistent with similarly situated areas within the city limits.

C) SOLID WASTE

1) Solid Waste and Recycling Collection Services will be provided to the annexed area immediately upon the effective date of the annexation at a level consistent with current methods and procedures presently provided to similar areas within the City. Private solid waste collection service providers operating in the affected area immediately prior to annexation and currently providing customers with service may continue to provide their existing service for up to two (2) years in accordance with Texas Local Government Code Section 43.056(n).

D) WASTEWATER FACILITIES

1) As development commences in these areas, sanitary sewer mains as defined by the Certificate of Convenience and Necessity (CCN) Number 20764, as issued by the Texas Commission on Environmental Quality (TCEQ) will be extended in accordance with the provisions of the City's codes, ordinances, regulations and policies. City participation in the costs of these extensions shall be in accordance with applicable City codes, ordinances, regulations and policies. Capacity and extensions shall be provided consistent with the characteristics of topography, land utilization, and population density of the areas. If the annexed area is in the CCN of another provider, wastewater service shall be provided in accordance with the policies of the CCN holder. In some instances, the City might acquire the CCN rights and become the new wastewater provider, in time.

2) Sanitary sewer mains and lift stations installed or improved to City standards, and accepted by the

City, within the annexed area which are located within dedicated easement, rights-of-way, or any other acceptable location approved by the City Manager or his designee, shall be maintained by the City on the effective date of this ordinance.

3) Operation and maintenance of wastewater facilities in the annexed area that are within the certificated service area of another wastewater utility will be the responsibility of that utility. Operation and maintenance of private wastewater facilities in the annexed area will be the responsibility of the owner.

E) WATER FACILITIES

1) Connections to existing City of Celina water distribution mains for water service as defined by Certificate of Convenience and Necessity (CCN) Number 12667, as issued by the Texas Commission on Environmental Quality (TCEQ) will be provided in accordance with existing City codes, ordinances, regulations and policies. Upon connection to existing distribution mains, water service will be provided at rates established by City ordinance. If the annexed area is in the CCN of another provider, water service shall be provided in accordance with the policies of the CCN holder. In some instances, the City might acquire the CCN rights and become the new water provider, in time.

2) As development commences in these areas, water distribution mains will be extended in accordance with City of Celina codes, ordinances, regulations and policies. City participation in the costs of these extensions shall be in accordance with the City of Celina's codes, ordinances, regulations and policies. Water service extensions and capacity shall be provided consistent with the characteristics of topography, land utilization, and population density of the area.

3) Operation and maintenance of existing water facilities in the annexed area that are within the service area of another water utility will be the responsibility of that utility. Operation and maintenance of private water facilities in the annexed area will be the responsibility of the owner.

F) ROAD AND STREETS

1) Emergency street maintenance shall be provided within the annexed area on the effective date of the applicable ordinance of acceptance. Routine maintenance will be provided within the annexed area and will be scheduled as part of the City's annual program and in accordance with the City's current codes, ordinances, regulations, policies and procedures defined therein and/or as established by the City Council.

2) Any construction or reconstruction will be considered within the annexed area on a City-wide basis and within the context of the City's Capital Improvement Plan and/or yearly fiscal budgetary allotments by the City Council. As development, improvement or construction of streets to City standards commences within this property, the policies of the City of Celina with regard to participation in the costs thereof, acceptance upon completion and maintenance after completion shall apply.

3) Roadway signage and associated posts will be replaced in priority of importance starting with regulatory signs, then warning signs, then informational signs and in conformance with fiscal allotments by the City Council. If a sign remains, it will be reviewed and placed on the City's inventory listed for routine re-placement. All existing signs will be reviewed for applicability and based upon an engineering study. New signs will be installed when necessary and based upon an engineering study.

4) Routine maintenance of road/street markings will be placed on a priority listing and scheduled within the yearly budgetary allotments by the City Council.

5) The City will coordinate any request for improved road and street lighting with the local electric provider. Any and all road and street lighting will be pursuant to the rules, regulations and fees of such electric utility and shall be maintained by the applicable utility company.

G) ENVIRONMENTAL HEALTH, INSPECTIONS AND CODE ENFORCEMENT SERVICES

1) Enforcement of the City's environmental health ordinances and regulations, including but not limited to, weed and brush ordinances, junked and abandoned vehicle ordinances and animal control ordinances, shall be provided within this area sixty (60) days of the effective date of the annexation ordinance. These ordinances and regulations will be enforced through the use of existing personnel.

2) Inspection services including the review of building plans, the issuance of permits and the inspection of all buildings, plumbing, mechanical and electrical work to ensure compliance with City codes and ordinances will continue to be provided after the effective date of the annexation ordinance. Existing personnel will be used to provide these services.

3) The City's zoning, subdivision, sign and other ordinances shall be enforced in this area beginning upon the effective date of the annexation.

4) All inspection services furnished by the City of Celina, but not mentioned above, will be provided to this area beginning within sixty (60) days of the effective date of the annexed ordinance.

5) As development and construction commence in this area, sufficient personnel will be provided to furnish this area the same level of environmental health, inspection and code enforcement services as are furnished throughout the City.

H) PLANNING AND ZONING SERVICES

1) The Planning and zoning jurisdiction of the City will extend to this area upon the effective date of the annexation ordinance. City planning will thereafter encompass this property, and it shall be entitled to consideration for zoning in accordance with the City's Zoning Ordinance and Comprehensive Plan.

I) PARKS, PLAYGROUNDS, LIBRARIES, SWIMMING POOLS

1) Residents within the annexed area may utilize all existing park and recreation facilities, on the effective date of this ordinance. Fees for such usage shall be in accordance with current fees established by ordinance.

2) As development commences in the area, additional park and recreation facilities shall be constructed based on park policies defined in the Park Master Plan and as specified in the Park Dedication Ordinance. The general planned locations and classifications of parks will ultimately serve residents from the current City limits and residents from areas being considered for annexation.

J) PUBLICLY OWNED FACILITIES

1) Any publicly owned facility, building, or service located within the annexed area, and not otherwise owned or maintained by another governmental entity, shall be maintained by the City of Celina on the effective date of the annexation ordinance.

K) OTHER SERVICES

1) Other services that may be provided by the City of Celina, such as municipal and general administration will be made available on the effective date of the annexation. The City of Celina shall provide levels of service, infrastructure, and infrastructure maintenance that are comparable to the levels of services, infrastructure, and infrastructure maintenance available in other parts of the City of Celina with similar topography, land use, and population density similar to those reasonably contemplated or projected in the area.

L) UNIFORM LEVEL OF SERVICES IS NOT REQUIRED

1) Nothing in this Service Plan shall require the City of Celina to provide a uniform level of full

municipal services to each area of the City, including the annexed areas, if different characteristics of topography, land use, and population density are considered a sufficient basis for provided different levels of service. The City Council finds and determines that this Service Plan will not provide any fewer services, and it will not provide a lower level of services, than were in existence in the annexed area at the time immediately preceding the annexation process.

2) The City of Celina's codes, ordinances, regulations and policies that apply throughout the City may be reviewed at City Hall and at https://ecode360.com/CE6272.

M) TERM

1) This Service Plan shall be valid for a term of ten (10) years. Renewal of the Service Plan shall be at the discretion of the City Council and must be approved by ordinance.

N) AMENDMENTS

1) This Service Plan may be amended if the City Council determines at a public hearing that changed conditions or subsequent occurrences make this Service Plan unworkable or obsolete. The City Council may amend the Service Plan to conform to the changed conditions, subsequent occurrences or any other legally sufficient circumstances exist pursuant to the LGC or other Texas or Federal laws that make this service plan unworkable, obsolete or unlawful.

Re:	Old Celina Park Playground Material Testing

Action Requested:
Consider and act to approve a work authorization for testing services for the construction of Old Celina Park Playground with WSB, LLC, for an amount not to exceed $54,479.50. (Glasgow)

Background Information:
On May 14th, 2024 City Council approved the guaranteed maximum price to Dean Construction for the construction of the Old Celina Park playground. The construction will include earthwork preparation, concrete paving, and structural steel erection. To ensure the work is completed by design requirements, quality assurance material testing and inspections, the City will need material testing services.

The proposed work authorization will provide concrete testing of each concrete pour, utilities and subgrade testing and inspection, and visual inspection of the structural steel installation.

Legal Review:
Contract has been previously reviewed and approved.

Supporting Documents:
1. WA 1 -2024
2. OCP - StarLocationMap
3. P13- OCP Material Testing _August Council Presentation.pptx (P)

Financial Consideration:

Funding is available through bond funds. Expenditure will not exceed funds appropriated and funds will be committed at the issuance of a purchase order.

Staff Recommendation:
Staff recommends awarding the work authorization as presented.

**Trip Charges - There will be a standard rate per trip made to the project location for inspection and testing.

Terms and Conditions:
WSB has a standard standby time charge rate of $70.00 per hour for a technician who is required to be on site while performing on site inspection and or testing.

These rates quoted by the hour do not reflect any off shift hours WSB may be asked to cover. Off shift hours are defined as any work requiring a technician to work outside of M-F 8am-5pm. Any testing or inspection that requires a technician to be on site Saturday or Sunday will be at our standard hourly rate times 1.5.

The quantities and totals above are estimates based on anticipated progression and scope of work.

Memorandum

To:	**Honorable Mayor Tubbs and the Celina City Council**
From:	Andy Glasgow, Director of Engineering
CC:	Kimberly Brawner, Assistant City Manager
Intiated by:	Catherine Oduro
Date:	August 13, 2024
Re:	Celina Road Ground Storage Tank #2 Design

Action Requested:
Consider and act to authorize the City Manager to execute a work authorization with Garver LLC for the design of a six million gallons (6MG) ground storage tank at the Celina Road Pump station site for an amount not to exceed $809,078.00. (Glasgow)

Background Information:
The City's Celina Road Pump station's (CRPS) peak discharge in July 2024 was 11.2 million gallons (MG). The existing storage capacity at the pump station is 7 MG. The increase in water usage over the summer months for landscape irrigation has resulted in the enforcement of stage 1 of our drought conservation plan. To keep up with the growth in new homes in the coming years, the storage capacity at CRPS needs to increase. This ground storage tank project was identified in the 2021 Water and Wastewater Impact Fee Update.

The CRPS and ground storage site was master planned with four 6 MG ground storage tanks to provide reliability and flexibility in the city's water supply system. Each tank will be designed and constructed in phases. The first of four tanks was completed in 2023 and brought into service. The proposed design for the second of the four tanks will allow the City to advertise for construction in the 1st quarter of 2025 to meet projected water demand in Summer 2026.

The City maintains an executed Master Agreement for Professional Services with this engineering firm for on-call services. Council authorized the agreement in 2022 for a period of five years.

Legal Review:
Legal has previously reviewed and approved the contract template.

Supporting Documents:

1. WA-2301757 Celina Road GST No. 2 2024-7-30
2. Pages from Tank Sizing Evaluation 02-12-2020
3. Celina Rd Pump Station- Location Map
4. Celina Rd Ground Storage Tank #2 consent presentation

Financial Consideration:

Funding is available through 2024 utility bonds. Expenditures will not exceed funds appropriated and funds will be committed at the issuance of a purchase order.

Staff Recommendation:

Staff recommends approval.

Exhibit A – Scope of Work
Project No. 2301757 Celina Road GST No. 2

Under this Work Order, the Owner intends to make the following improvements for the **Celina Road Ground Storage Tank Number 2.**

The new GST will improve water reliability and flexibility of the City's water supply to keep up with its growth. Generally, the scope of services includes surveying, geotechnical investigation, design, preparation of construction documents and services during construction of a new 6 MG ground storage tank, associated piping, and SCADA improvements on the Celina Road Pump Station (CRPS) site.

Task 1.0 Project Management

1.1 Kick-Off Meeting and Site Visit

GARVER will hold a virtual kick-off meeting with the Owner to discuss project scope, establish lines of communication, and present the project schedule.

1.2 Progress Reports and Invoices

GARVER will prepare and provide monthly progress/status reports, sufficient to support monthly billings. Monthly status reports shall be submitted with monthly invoices and project updates.

1.3 Project Management and Quality Control/Assurance Plan

GARVER will develop a Project Management Plan (PMP) for internal use. This will include the development of a detailed schedule to communicate key deadline to the design teams. GARVER will also develop a Quality Control/Assurance Plan and perform internal Quality Assurance/Quality Control (QA/QC) reviews of all major deliverables.

1.4 Summary of Deliverables

A. Up to twenty-five (25) progress reports and invoices

1.5 Summary of Meetings

A. Kick-off meeting conducted virtually.

Task 2.0 Surveys

GARVER will subcontract with a land surveying consultant to provide field survey data for designing the project, and this survey will be tied to the Owner's control network.

The survey will include the following:

- GARVER's Subconsultant will verify control set points and establish additional control points as needed.
- GARVER's Subconsultant will obtain spot elevations on a 50-ft grid for the proposed location of the new GST as needed to confirm design elevations.
- A boundary survey and plat of the existing site is included with this task.

Task 3.0 Geotechnical Services

As a part of this project, GARVER will subcontract a subconsultant geotechnical firm to complete the following tasks:

1. Coordinate field activities and utility location with City.
2. Stake proposed boring locations.
3. Contact Texas One Call and locate buried public utilities new borings.
4. Mobilize a truck-mounted drilling rig to drill and sample four (4) borings at a depth of 50 feet or 10-15 feet into unweathered bedrock, whichever is less. One boring to be drilled at the center and the remaining three around the perimeter of the proposed tank location.
5. Obtain relatively undisturbed thin-walled tube samples and standard penetration test samples as appropriate for the soils encountered. Soils in each boring will be continuously sampled for the first 10 feet and at approximate 5-foot intervals thereafter.
6. Observe for groundwater seepage during drilling and at completion of drilling.
7. Backfill boreholes with cuttings upon completion.
8. Select laboratory testing will be conducted on representative samples obtained during the field exploration.
9. An engineering analysis and evaluation of the field and laboratory data will be performed for the project, based on available project concepts.

Task 4.0 Preliminary Design (30 Percent)

GARVER will prepare a preliminary engineering report that includes the general design criteria for the tank, hydraulic requirements, and an overall layout of the site.

GARVER envisions the report will include the following sections:

- Executive Summary
- GST Design Criteria
- Cost Opinion
- Preliminary Drawings
- Equipment Data Sheets and Manufacturer Information

4.1 Preliminary Engineering Report for GST

The preliminary engineering report will consist of the following items:

1. Incorporate record drawing updates from previous tank project on the existing site.
2. Document design criteria for GST. The GST will be a pre-stressed concrete technology. No other tank technologies will be evaluated.
3. Document preliminary tank sizing and initial design configuration.
4. Document preliminary structural and mechanical details for the structure and preliminary drawings.
5. Electrical and instrumentation will be designed to integrate with City's SCADA system. It is assumed RLC will be responsible for the integration and programming.
6. Incorporate tank painting requirements and logo requirements.
7. Incorporate tank lighting requirements and site security.
8. Incorporate site driveway and sidewalk access improvements.
9. Document tank mixing recommendations and required hardware.
10. Attend one review meeting to receive comments from the City. Incorporate comments from meeting into final report.
11. Develop preliminary opinion of probable cost at 30% level.

4.2 Deliverables

A. Draft Preliminary Design Report – one (1) electronic (pdf) copy to the Owner
B. Preliminary Design Drawings – one (1) electronic (pdf) set
C. Final Preliminary Design Report – one (1) electronic (pdf) copy to the Owner
D. Final Preliminary Design Report – one (1) electronic copy and one (1) hard copy to TCEQ

E. Preliminary Design Drawings – one (1) electronic (pdf) and one (1) half-sized (11”x17”) hard copy set to TCEQ

4.3 Meetings

A. Preliminary Design Workshop – Virtual workshop with the Owner
B. Preliminary Design Meeting – In-person meeting with UTRWD to share the plans and discuss anticipated operations, including hydraulic grade and SCADA methodology

Task 5.0 Final Design

5.1 6 MG GST Final Design

During the final design phase of the project, Consultant will conduct final designs to prepare construction plans and specifications for one (1) construction contract, including final construction details and quantities, special provisions, and opinion of probable construction cost. These will be developed in accordance with the phasing plan detailed at the introduction of this scope.

The final design phase is anticipated to have two major submittals: a 90%, and 100%. The contract documents will consist of drawings and specifications that set forth requirements for construction of the improvements, and shall include proposal forms, notice to bidders, bid forms, bond forms, and other information as required by Owner to competitively bid the work.

GARVER will prepare OPCC for review. This will be prepared for the 30% and updated for the 90% quality control review meetings.

The 90% design documents will be provided to TCEQ for review. GARVER will respond to questions from TCEQ during the review period.

After completion of the 90% quality control review meeting with Owner, GARVER will update the contract documents and provide sealed construction contract (100%) documents.

5.3 Deliverables:

C. 90% Design:
    a. 90% design drawings, specifications, and OPCC – One (1) electronic (PDF) set to the Owner and one set to TCEQ
D. 100% Design:
    a. 100% design drawings, specifications, and OPCC – One (1) electronic (PDF) set to the Owner.

5.4 Meetings:

A. 90% Design Workshop – One virtual workshop.
B. Final Design – In-person workshop with UTRWD

Task 6.0 Bidding Services

6.1 Bidding Assistance

The bidding period is anticipated to extend for a 30-day duration. During the bidding period phase of the project, GARVERwill:

1. Prepare and submit Advertisement for Bids to the Owner for publication in the newspaper(s).
2. Support the Owner's online plan room for advertisement by providing construction documents and responding to Contractor questions.
3. Support the contract documents by preparing addenda as appropriate.
4. Participate in a pre-bid meeting.
5. Attend the bid opening.
6. Prepare bid tabulation.
7. Evaluate bids and recommend award.
8. Prepare construction contracts.
9. Prepare conformed documents.

If the bid phase extends beyond the anticipated 30 days, an additional Amendment will be necessary to extend these services.

6.2 Deliverables:

- Conformed documents – One (1) electronic (PDF) set

Task 7.0 Construction Administration Services

During the construction phase of work, GARVER will accomplish the following:

1. Attend one preconstruction meeting.
2. Attend one utilities coordination meeting.
3. Attend 12 progress/coordination meetings with the Owner/Contractor.
4. Evaluate and respond up to 150 construction material submittals and shop drawings. Additional submittal and shop drawing reviews will be considered Extra Work. Corrections or comments made by GARVER on the shop drawings during this review will not relieve Contractor from compliance with requirements of the drawings and specifications. The check will only be for review of general conformance with the design concept of the project and general compliance with the information given in the contract documents. The Contractor will be responsible for confirming and correlating all quantities and dimensions, selecting fabrication processes and techniques of construction, coordinating his work with that of all other trades, and performing his work in a safe and satisfactory manner. GARVER's review shall not constitute approval of safety precautions or constitute approval of construction means, methods, techniques, sequences, procedures, or assembly of various components. When certification of performance characteristics of materials, systems or equipment is required by the Contract Documents, either directly or implied for a complete and workable system, GARVER shall be entitled to rely upon such submittal or implied certification to establish that the materials, systems or equipment will meet the performance criteria required by the Contract Documents.
5. Issue up to fifty instructions to the Contractor on behalf of the Owner and issue necessary clarifications (respond to RFIs) regarding the construction contract documents. If GARVER is requested to respond to additional RFIs, it will be considered Extra Work.
6. Assume up to five (5) non-design related change orders or unforeseen changes.
7. Review up to twelve (12) of the Contractor's progress payment requests based on the actual quantities of contract items completed and accepted and will make a recommendation to the Owner regarding payment. GARVER's recommendation for payment shall not be a representation that GARVER has made exhaustive or continuous inspections to (1) check the quality or exact quantities of the Work; (2) to review billings from Subcontractors and material suppliers to substantiate the Contractor's right to payment; or (3) to ascertain how the Contractor has used money previously paid to the Contractor.
8. Participate in final project inspection, prepare punch list, review final project closing documents, and submit final pay request.
9. Prepare and furnish record drawings based on contractor redlines.

The proposed fee for Construction Phase Services is based on a 365-calendar-day construction contract performance time. If the construction time extends beyond the time established in this agreement, and the Owner wants GARVER to continue the applicable Construction Phase Services, the Owner will pay GARVER an additional fee agreed to by the Owner and GARVER.

SCADA programming and applications engineering services are not included in this Task. If desired by the Owner, the work associated with those services will be considered Special Services.

Task 8.0 Special Services

Additional professional services may be needed during the project timeline. Special services will only be conducted as directed and authorized by the Owner in writing prior to conducting special services work.

The following services are not included as part of the basic services and will be performed at the request of the Owner and with additional compensation:

1. Building expansion of existing chemical storage or feed facilities.
2. Structural expansion of the existing pump stations.
3. Geotechnical evaluations.
4. Boundary survey.
5. Construction staking for survey.
6. Construction observation.
7. Startup and commissioning.
8. Classroom training.
9. Risk Management Plans associated with any increase in chlorine storage.
10. Operations and Maintenance Manual updates.
11. Funding assistance.
12. Easement or property acquisition documents.
13. Pre-qualification services for evaluating contractors to develop a pre-qualified list of eligible contractors prior to bidding the project.
14. Water testing.
15. Design of improvements off-site.
16. Utility relocation coordination or design.
17. Preparation of a Storm Water Pollution Prevention Plan (SWPPP).
18. Construction materials testing.
19. Environmental Handling and Documentation beyond those previously identified,
20. Floodplain delineation and coordination with FEMA and preparation/submittal of a CLOMR and/or LOMR.
21. Extra Meetings.

Exhibit B - Compensation

For the work described under Exhibit A, Tasks 1-7, the Owner will pay GARVER on a lump sum basis. The Owner will pay GARVER on an hourly basis for Task 8. The Owner represents that funding sources are in place with the available funds necessary to pay GARVER.

The following table presents a summary of the fee amounts and fee types for this contract.

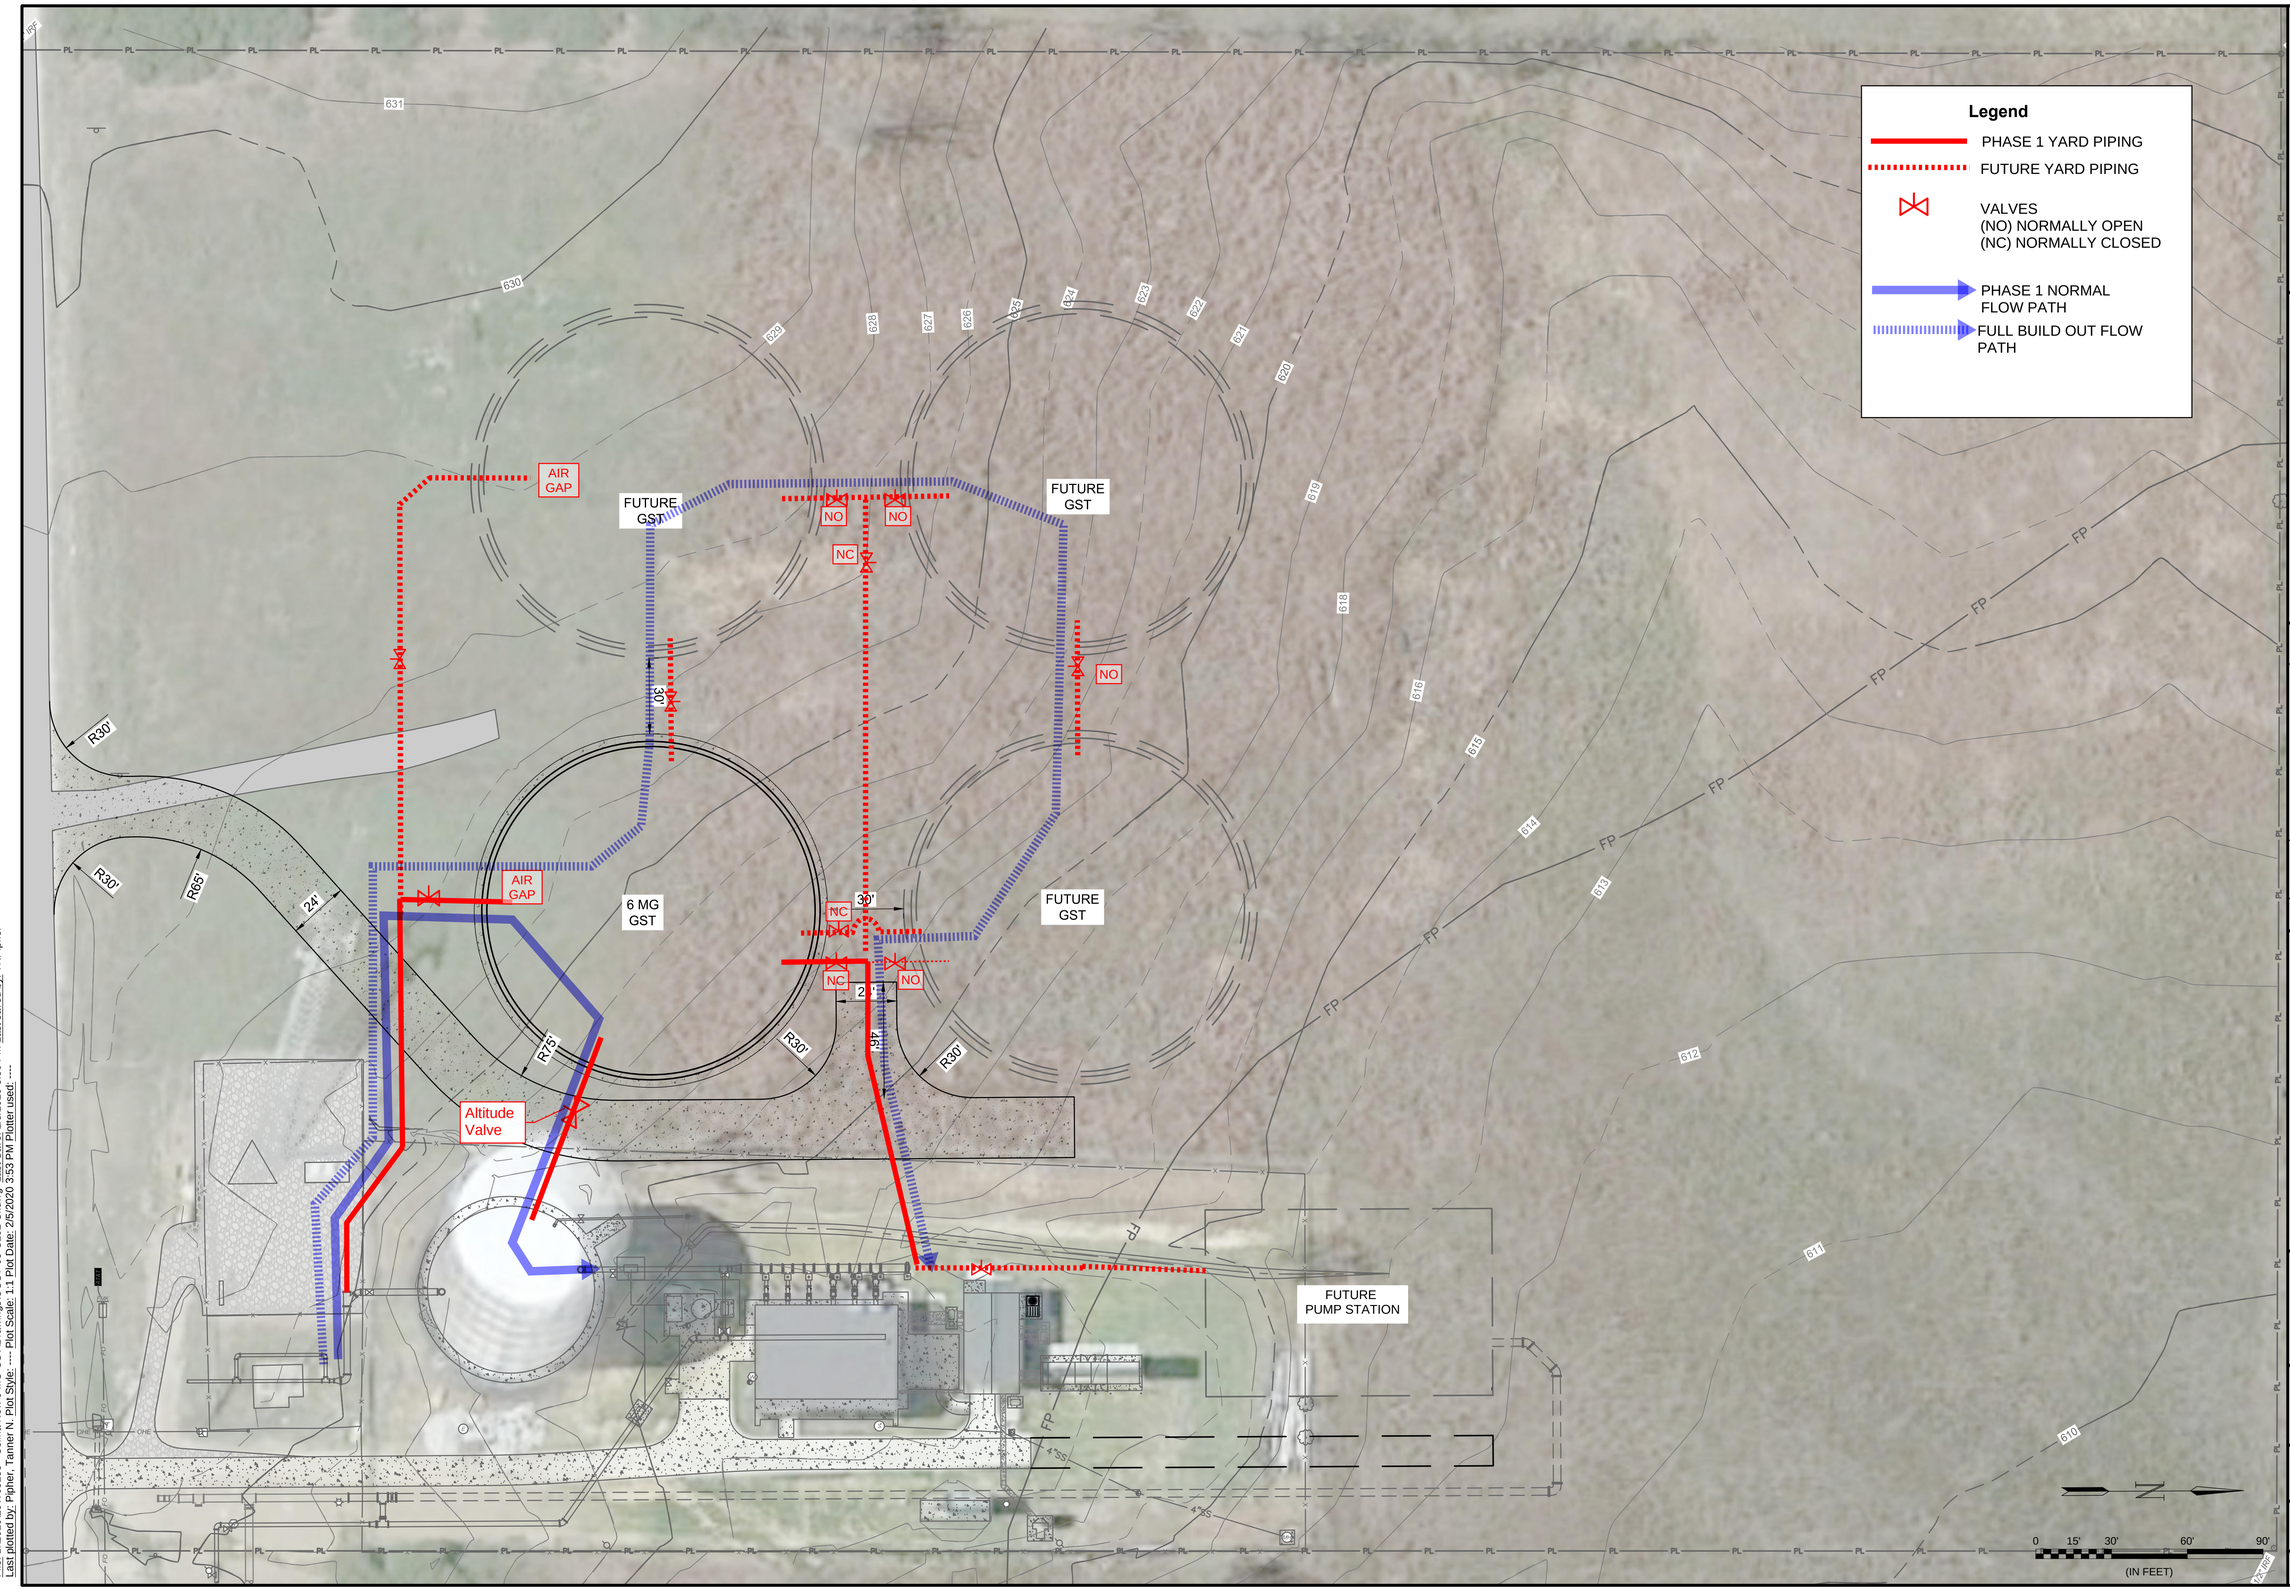
WORK DESCRIPTION	FEE AMOUNT	FEE TYPE
Task 1 – Project Management	$31,283	Lump Sum
Task 2 – Survey	$22,510	
Task 3 – Geotechnical Services	$35,368	
Task 4 – Preliminary Design	$105,786	
Task 5 – Detailed Design	$302,330	
Task 6 – Bidding Services	$22,830	Lump Sum
Task 7 – Construction Services	$238,971	Hourly, NTE
Task 8 - Special Services	$50,000	Hourly, NTE
TOTAL FEE	$809,078	

The total amount to be paid under this agreement is $809,078

For informational purposes, a breakdown of GARVER's estimated costs is included. For hourly not to exceed tasks, the Owner will pay GARVER, for time spent on the project, at the rates shown for each classification of GARVER's personnel (may include contract staff classified at GARVER's discretion) plus reimbursable expenses including but not limited to printing, courier service, reproduction, and travel. The rates shown will be increased annually with the first increase effective on or about June 1, 2026.

The Owner will pay GARVER on a monthly basis, based upon statements submitted by GARVER to the Owner indicating the estimated proportion of the work accomplished. Payments not received within 60 days of invoice date will be subject to a one percent monthly simple interest charge. Any unused portion of the lump sum fee, due to delays beyond GARVER's control, will be increased 6% annually with the first increase effective on or about July 1, 2027.

Exhibit C – Timeline/Schedule



The following schedule details the anticipated milestones and delivery dates for each deliverable.

Work Item	**Duration from Notice to Proceed (NTP)**
Task 1 – Project Management	Concurrent with subsequent tasks
Task 2 – Survey	30 days from authorization
Task 3 – Geotechnical Services	30 days from authorization
Task 4 – Preliminary Engineering Report	45 days from NTP
Task 5 – Detailed Design 90% Plans	45 days from acceptance of 30% Design
Task 5 – Detailed Design 100% Plans	14 days from acceptance of 90% Design
Task 6 – Bidding Services	30 days from approval to advertise
Task 7 – Construction Administration Services	365 days from Contractor's NTP
Task 8 – Special Services	TBD

Exhibit D – Deliverables

The following deliverables are anticipated with this work order:

1. Up to twenty five (25) progress reports and invoices.
2. Topographic survey in digital format.
3. Geotechnical report in PDF format.
4. Draft and final preliminary design report and drawings in PDF format.
5. Draft and final 90% design drawings, specifications, and OPCC in PDF format.
6. Final 100% design drawings, specifications, and OPCC in PDF format.
7. Two design workshops with the Owner and two design workshops with the UTRWD.
8. One PDF of conformed documents plans and specifications.

Memorandum

To:	**Honorable Mayor Tubbs and the Celina City Council**
From:	Andy Glasgow, Director of Engineering
CC:	Kimberly Brawner, Assistant City Manager
Intiated by:	Catherine Oduro
Date:	August 13, 2024
Re:	Parvin Water Reclamation Facility Permitting

Action Requested:
Consider and act to authorize the City Manager to execute a work authorization with Garver LLC (Garver) to obtain a Texas Commission on Environmental Quality (TCEQ) Texas Pollutant Discharge Elimination System (TPDES) Discharge permit for a new water reclamation facility (WRF) located on Parvin Road for an amount not to exceed $119,049.00. (Glasgow)

Background Information:
Upper Trinity Regional Water District (UTRWD) serves as a regional water and wastewater collection and treatment provider. The Doe Branch plant is located on the south side of US 380 at FM 1385 and treats wastewater in the Doe Branch and Wilson Creek sewer basins in Celina. In April 2024, the Celina City Council approved the execution of the UTRWD Doe Branch water reclamation facility expansion contract. This contract increased the City's treatment subscription to 5.51 million gallons per day (MGD), which includes the existing 1.51 MGD subscription and an additional subscription of 4 MGD. The projected build-out wastewater needs of the City for the Doe Branch and Wilson Creek sewer basins is approximately 12.5 MGD. As part of the approval process for the increased UTRWD subscription, staff was directed to consider alternative possibilities for the projected additional treatment need of 7 MGD of projected demand.

After looking at possible options, the staff selected the general area of Parvin Road and Smiley Road as a possible treatment facility location. In June 2024, the City selected Garver, Inc, with the assistance of J.Stockton Engineering, to conduct a preliminary feasibility study to determine if a water reclamation facility (WRF) would be possible on approximately 46 acres of land at the northeast corner of the intersection of Parvin Road and Smiley Road. This site could serve the Doe Branch and Wilson Creek sewer basins within the City of Celina instead of sending it to the UTRWD Doe Branch plant. The feasibility study was completed and suggests that an 11.4 MGD

treatment facility near Parvin Road was potentially feasible, which exceeded the projected 7 MGD demand. In July 2024, the Celina City Council authorized the purchase of the 46-acre tract of land. The City is moving forward in the next step of this process to obtain a Texas Commission on Environmental Quality (TCEQ) Texas Pollutant Discharge Elimination System (TPDES) Discharge permit for a new water reclamation facility (WRF) located on the property.

Legal Review:
Legal has previously reviewed and approved the work authorization template.

RE: Feasibility Evaluation for the Parvin Road WRF
Garver Project No. 22W05300

1.0 Introduction:

The City of Celina enlisted Garver to conduct a comprehensive technical evaluation of the water quality modeling pertaining to the City's discharge into Doe Branch Creek to determine the feasibility of a new plant near the Parvin Road/Smiley Road intersection in Celina, Texas. The plant was sized at 11.4 MGD average daily flow based upon master plan modeling conducted by Garver during previous projects.

Garver engaged J. Stockton Engineering Services to assist with this water quality modeling. This memorandum presents the findings and recommendations by Garver and J. Stockton Engineering Services following the evaluation of USGS flow data and water quality data obtained from the TCEQ SWQM database for the City of Celina's proposed discharge to Doe Branch. The assessment comprises a revised calculation of the 7Q2 at the USGS Gage 08052742 at Doe Branch and US 380, integrating four additional years of data. Notably, this analysis reveals a higher 7Q2 value than previously calculated by the TCEQ for the UTRWD Doe Branch WRF permit. Furthermore, recognizing the smaller contributing area at the proposed discharge location farther upstream, adjustments were made to the model headwater using the proportional area method. Additionally, this memorandum encompasses an assessment of water quality parameters for Lake Lewisville.

2.0 Summary of Modeling Results

The modeling results, as summarized in Table 2-1, involved various scenarios and seasonal conditions. These included critical summer conditions, spring spawning, and winter months. Additionally, sensitivity analyses were performed to assess the impact of different pool depths and hypothetical discharge locations.

Table: 2.1 Summary of Modeling Results

Run	Outfall	Discharge (MGD)	Season	Proposed Limits (mg/L, $CBOD_5/NH_3$-N/DO)	Assumed Pool Depth (m)	DO Criteria (mg/L)	Min DO Sag (mg/L)	DO Sag Location (km d/s of discharge)
1	Proposed (just d/s of Smiley Rd)	11.4	Summer Critical	5/1.4/6	1	5	4.86	5.5
2	Proposed (just d/s of Smiley Rd)	11.4	Spring Spawning (Apr)	5/1.4/6	1	5.5	5.69	11.6
3	Proposed (just d/s of Smiley Rd)	11.4	Winter (Oct)	5/1.4/6	1	5	5.59	8.8
4	Proposed (just d/s of Smiley Rd)	11.4	Winter (Oct)	7/2/5	1	5	4.98	4.1
5	Proposed (just d/s of Smiley Rd)	11.4	Summer Critical	5/1.3/6	2	5	4.85	4.3
6	Northern Hypothetical (just d/s of RR, 11.7 km u/s of Proposed)	11.4	Summer Critical	5/1.3/6	1	5	4.85	1.8

3.0 Key Findings and Recommendations:

3.1 Summer Critical Run (Run #1):

The discharge limits of 5/1.4/6 are deemed feasible at the proposed outfall location near Parvin Road, assuming default hydraulic coefficients in the advective reaches of Doe Branch and a 1-meter depth in the Doe Branch pool approximately 3.9 km downstream of the discharge.

3.2 Spring Spawning Run (Run #2):

Run #2 represents the spring spawning simulation, mandated by the seasonal requirements of the UTRWD Doe Branch WRF permit, which governs downstream discharges into the lake. During this run, the dissolved oxygen (DO) criteria is elevated by 0.5 mg/L while model temperatures are adjusted to 22.8°C. An analysis of the proposed summer discharge limits reveals consistent compliance with DO criteria across the receiving waters, mirroring the outcomes observed in Run #1 under identical assumptions.

3.3 Winter Critical Month Run (Run #3):

Run #3 corresponds to the critical winter month simulation, specifically October. In this scenario, it is assumed that the Celina plant maintains its discharge operations under the consistent year-round permit limits established in Runs #1 and #2 (5/1.4/6). The analysis indicates that modeled dissolved oxygen (DO) levels meet the prescribed criteria across the receiving waters without difficulty.

3.4 Additional Run for Seasonal Limits (Run #4):

An additional simulation to explore the feasibility of Celina adopting seasonal discharge limits aligned with those of the UTRWD Doe Branch plant. Unlike previous runs, Run #4 was prioritized over an assimilative capacity analysis due to earlier findings suggesting that the desired discharge volume of 11.4 MGD could be accommodated within the receiving waters. The results of Run #4 indicate that adopting winter permit limits of 7/2/5 would likely be suitable for the winter season (October to March), aligning with those of the UTRWD plant. These conclusions are drawn under the same assumptions applied in Runs #1-3, affirming the model's consistency and reliability in evaluating discharge scenarios. If the City decides to pursue seasonal limits, it is advisable that they initially consider the following recommendations:

Summer Season (April to September): 5/1.4/6

Winter Season (October to March): 7/2/5

3.5 Sensitivity Analysis on Pool Depth (Run #5):

Sensitivity analysis focusing on the depth of a pool situated 3.9 km downstream of the discharge, spanning approximately 300 meters. Summer critical conditions were assumed for this assessment, with the depth of the pool set at 2 meters. In contrast, the previous summer critical run (Run #1) assumed a pool depth of 1 meter. The results indicate that with a depth of 2 meters, the required limit set stands at 5/1.3/6, which closely resembles the limit set determined in Run #1. This suggests that the required limit set is not particularly sensitive to variations in the depth of this pool. Additionally, default hydraulic coefficients in the advective reaches of Doe Branch were assumed for this analysis.

3.6 Evaluation of Hypothetical Discharge Location (Run #6):

Run #6 entails an assessment of a hypothetical discharge scenario located just downstream of the railroad tracks south of downtown Celina, approximately 11.7 km upstream of the proposed discharge site near Parvin Road. To conduct this evaluation, a new model was constructed, extending it 11.7 km upstream from the original discharge point.

Initially, it was hypothesized that relocating the discharge to a more northerly position would afford greater residence time in the advective reaches of Doe Branch, potentially resulting in less restrictive discharge limits. However, it was observed that multiple pools exist between the hypothetical discharge site and the proposed location near Parvin Road, with at least 2 and possibly up to 4 pools identified.

Despite only 2 pools being modeled, the required discharge limit at the chosen location proved to be more stringent than that of the proposed Parvin Road site, set at 5/1.3/6. While this outcome does not definitively preclude the possibility of a different hypothetical discharge location yielding more favorable results, the

presence of numerous pools, typically wider, upstream of Parvin Road suggests that relocating the discharge upstream may not yield significant advantages in terms of achieving less stringent treatment requirements for the City.

3.7 Lower Boundary Conditions in Lake Lewisville:

Two additional runs were conducted to assess the adequacy of the model's lower boundary conditions in Lake Lewisville. The first run utilized summer critical conditions, with dispersion in the lake segments set to zero following TCEQ protocol. Conversely, the second run assumed October conditions, with both UTRWD and Celina discharging under winter permit limits.

The analysis revealed that the winter model posed a more critical scenario. It indicated that at least two additional 0.5 km reaches would likely be necessary at the end of the model, as the dissolved oxygen (DO) and carbonaceous biochemical oxygen demand (CBOD5) levels in the lake at the terminus of the existing model had not recovered to background conditions. By incorporating two additional reaches with the same hydraulic characteristics as the last reach in the existing model, the October Lower Boundary Condition (LBC) test suggested that both the UTRWD and Celina plants discharging at winter permit limits would unlikely impact the DO levels in the Panther Creek Arm of Lake Lewisville.

Given that winter season limits represent the greatest loading condition, the analysis indicates that even under summer permit limits, the DO levels in the Panther Creek Arm would likely remain unaffected.

4.0 Conclusion and Recommendations:

The modeling suggests that an 11.4 MGD discharge to the proposed outfall near Parvin Road is potentially feasible. Recommended next steps include initiating the development of a TPDES permit application, which should include collection of transect data within 0.5 miles of the proposed discharge. This data collection may influence hydraulic coefficients and, subsequently, permit limits. While there's a slight risk of stringent site-specific hydraulics resulting in a "no discharge" scenario, it's deemed unlikely given the proximity to the lake and high bedslopes in the area.

EXHIBIT A – SCOPE OF WORK
City of Celina
Project No. 2400993 Celina Parvin WRF

Under this Work Order, the Owner (also referred to as the "City") intends to make the following improvements for the **Celina Parvin WRF permit application.**

Generally, the scope of services includes professional services for applying for and obtaining a Texas Commission on Environmental Quality (TCEQ) Texas Municipal Discharge Elimination System (TPDES) discharge permit for a greenfield wastewater plant planned at the intersection of Parvin Road and Smiley Road in Celina. The plant is planned to handle an average daily flow of 11.4 million gallons per day (MGD) but Garver will also consider the maximum the stream can handle and projections can justify.

Task 1 – Optimization Water Quality Modeling

Task 1 will involve gathering information necessary to develop a water quality model to support the TPDES permit application for the proposed Parvin WRF.

Task 1.A – Perform Optimization Water Quality Modeling

1. Review existing water quality model for the City of Celina's proposed discharge to Doe Branch and evaluate the impact of an increase in permitted flow for the facility to up to stream capacity.
2. Identify and model up to 3 flow phasing scenarios. The modeling of flow phases does not include optimizing flow phasing between the existing Celina WRFs.
3. Meet with TCEQ water quality modeling staff to discuss the model.
4. Prepare preliminary model for Doe Branch using the selected scenarios as a basis and incorporating a nearby discharge upstream and discharges downstream of the proposed Parvin WRF.

Task 1.B – Surveying for Design and Stream Transects

1. Establish project control using Global Positioning System (GPS) methodology. Horizontal values will be based on the Texas State Plane Coordinate System, North American Datum of 1983, North Central Zone (4202) and scaled to surface using the grid to surface factor of 1.00015063 (0,0 base point). The vertical values will be referenced to NAVD88 and computed using GEOID18.
2. Research current property owners and obtain copies of subdivision plats and ownership deeds. Existing easements referenced in the plats/deeds will also be obtained, and any additional easement documents provided by Owner will be plotted and added to the property base map. This task does not include effort for property title searches or additional research for easements not included in the currently available Denton County Appraisal District information, right-of-way takings, easement vacations and abandonments, right-of-way, vacations, and street closures.
3. Locate existing property corners to establish subject property lines and street rights-of-way.
4. Prepare property base map showing existing subject property lines and ROW lines along with lot & block numbers, abstract numbers, street names, property addresses, and property owner names.

5. Submit a Texas 811 ticket and survey the location of utilities as marked by others.
6. Topographic survey of the subject tracts referenced above and adjoining rights-of-way for an area approximately 48 acres total to include pavement edges, curb and gutter, buildings and permanent structures, driveways, culverts, fences and gates, signs, mailboxes, tops and toes of slopes, individual trees over 6 inches in diameter in open areas, spot elevations on a minimum 100-foot grid in open areas (or as necessary to generate 1-foot contours), surface locations of utilities and flowline elevations of sanitary and storm sewer manholes where accessible, and other visible surface features.
7. Prepare a digital design survey drawing in AutoCAD Civil3D (.dwg) format prepared to Garver CAD standards showing the visible surface features located and one-foot contours, an ASCII point file, site photos, and a copy of field notes and field sketches.
8. No topographic data or individual trees will be located within heavily vegetated areas. The outer limits of heavily vegetated areas will be delineated.
9. No bathymetric data will be obtained within ponds or areas of standing water, and no creek cross sections or flowline data will be obtained. Topographic survey data within the creek area will be limited to the top of bank where accessible in open areas.
10. Visit the site to survey transects and collect flow and velocity data for up to 10 transects evenly spaced over approximately 0.5 stream miles downstream from the proposed discharge location. An additional 2 transect surveys, including flow and velocity data should be completed within pools. The information will be recorded on TCEQ Worksheet 2.1, which will be incorporated into the new TPDES permit application and used for modeling purposes. Securing Right of Entry to the properties necessary to access Doe Branch will be the responsibility of the Engineer.

Task 1.C – Prepare Optimization Water Quality Modeling Technical Memorandum

1. Finalize modeling to demonstrate the impact of the increased flow on the receiving stream and determine the necessary effluent limits for the Parvin WRF.
2. Prepare a draft technical memorandum (TM) describing the results of the optimization water quality modeling and submit to Owner for review.
3. Meet with the Owner to discuss the results of the flow optimization modeling and establish a path forward for flow phasing for the Parvin WRF.
4. Prepare a draft TM that addresses the TCEQ's information requirements for modeling.
5. Coordinate with TCEQ water quality modeling staff to discuss the modeling TM for inclusion in the permit amendment application or support the TCEQ's technical review of the application.
6. Prepare a final modeling TM for submittal to Owner and TCEQ.

Task 1.D – Prepare Conceptual Engineering Report

1. Upon completion of Task 1.C.3, prepare draft Conceptual Engineering Report (CER) that summarizes the Parvin WRF influent flow phasing strategy, anticipated effluent limitations, conceptual site layout, and estimated construction cost.
2. Meet with the Owner to review the draft CER and collect Owner's comments.
3. Prepare a final CER for submittal to the Owner.

Task 2 –TPDES Permit Application

Task 2 consists of tasks necessary to prepare a new TPDES permit application for the Parvin WRF.

Task 2.A – Initiate Application Project and Gather/Develop Appropriate Information

1. Review the information from the existing Celina WRFs to assist with identifying necessary information for the Parvin WRF new TPDES Permit application.
2. Prepare a list of additional information to be provided by the Owner and the appropriate format for presenting the additional information.
3. Prepare for and participate in a pre-application meeting with TCEQ to discuss the planned project. The pre-application meeting will be requested via the recently updated format for request pre- application meetings from TCEQ.

Task 2.B – Prepare Permit Application Documents

1. Complete the application forms, assemble the necessary worksheets, and prepare appropriate exhibits for a new TPDES permit application.
2. Information provided by the Owner based on the application information includes, but is not limited to, description of the existing facilities, listing of the major treatment units with dimensions of each unit for each phase of the project, process flow schematic diagrams, facility site plan, buffer zone map, location maps, design calculations, sewage sludge management plan, and description of any planned industrial user contributions.
3. Conduct one site visit to the Parvin WRF proposed site to obtain information regarding the outfall and discharge route downstream of the outfall and collect photos of proposed treatment unit areas. This site visit will only be conducted if additional information is necessary that was not able to be collected during the site visit to conduct stream transect surveys and collect flow and velocity data.
4. Provide draft copies of all permit application documents for Owner review. Comments will be incorporated into the application, as applicable. Three hardcopies of the application will be submitted to the TCEQ and one electronic copy via TCEQ File Transfer Protocol (FTP) site.
5. Submit proof of payment of the application fee. Any fees will be the responsibility of Owner.

Task 2.C – Respond to TCEQ During Administrative Review Process

1. Respond to TCEQ requests for additional information during the administrative review until TCEQ declares the application administratively complete.
2. Assist Owner with publication of the notice of application. Owner will be responsible for publishing the notices and paying the costs of the publishing in English and Spanish.
3. Provide a hardcopy of the application to the Owner for placement by Owner in a suitable location for public viewing.

Task 3 – Permit Application Processing

Task 3 services include tasks associated with TCEQ permit application processing and follow up coordination with TCEQ until final permit issuance:

Task 3.A – Assist with Responding to Comments

1. Respond to TCEQ requests for additional information during the technical review. This may include technical information regarding aspects of the application, water quality modeling questions, or other technical information.
2. Track the application through the permitting process by periodically contacting TCEQ staff responsible for developing the permit.

Task 3.B – Review and Comment on Draft TPDES Permit

1. Review the initial draft permit provided by the TCEQ.
2. Prepare a draft response-to-draft letter, coordinating with Owner, for submission to TCEQ.
3. For purposes of this scope of services, it is anticipated that the draft permit process will include a total of 3 rounds of draft permits from the TCEQ from the initial draft to a final draft prior to the final public notice.
4. Assist Owner with publication of the second notice. Owner will be responsible for publishing the notices and paying the costs of the publishing.

SPECIAL SERVICES (EXTRA WORK)

For work not described or included in EXHIBIT A – Scope of Work, Special Services will be as directed by the Owner in writing for an additional fee as agreed upon by the Owner and GARVER.

The following services are not included as part of the basic services and will be performed at the request of the Owner and with additional compensation:

A. Water quality sampling.
B. Design of WRF processes beyond conceptual coordination.
C. Model quality modeling beyond the three identified phasing scenarios.
D. Modification of the already submitted permit.
E. Tree survey by a certified arborist.
F. Floodplain Hydrologic and Hydraulics Studies, including submittal of a LOMR.
G. Easement coordination or easement documents.
H. Geotechnical services.
I. Additional permitting assistance not already identified.
J. Environmental Information Document.
K. Submittals or deliverables in addition to those listed herein.
L. Sampling Services
M. Additional meetings

EXHIBIT B – COMPENSATION

For the work described under EXHIBIT A - SCOPE OF SERVICES, the Owner will pay GARVER on a lump sum basis. The Owner represents that funding sources are in place with the available funds necessary to pay GARVER.

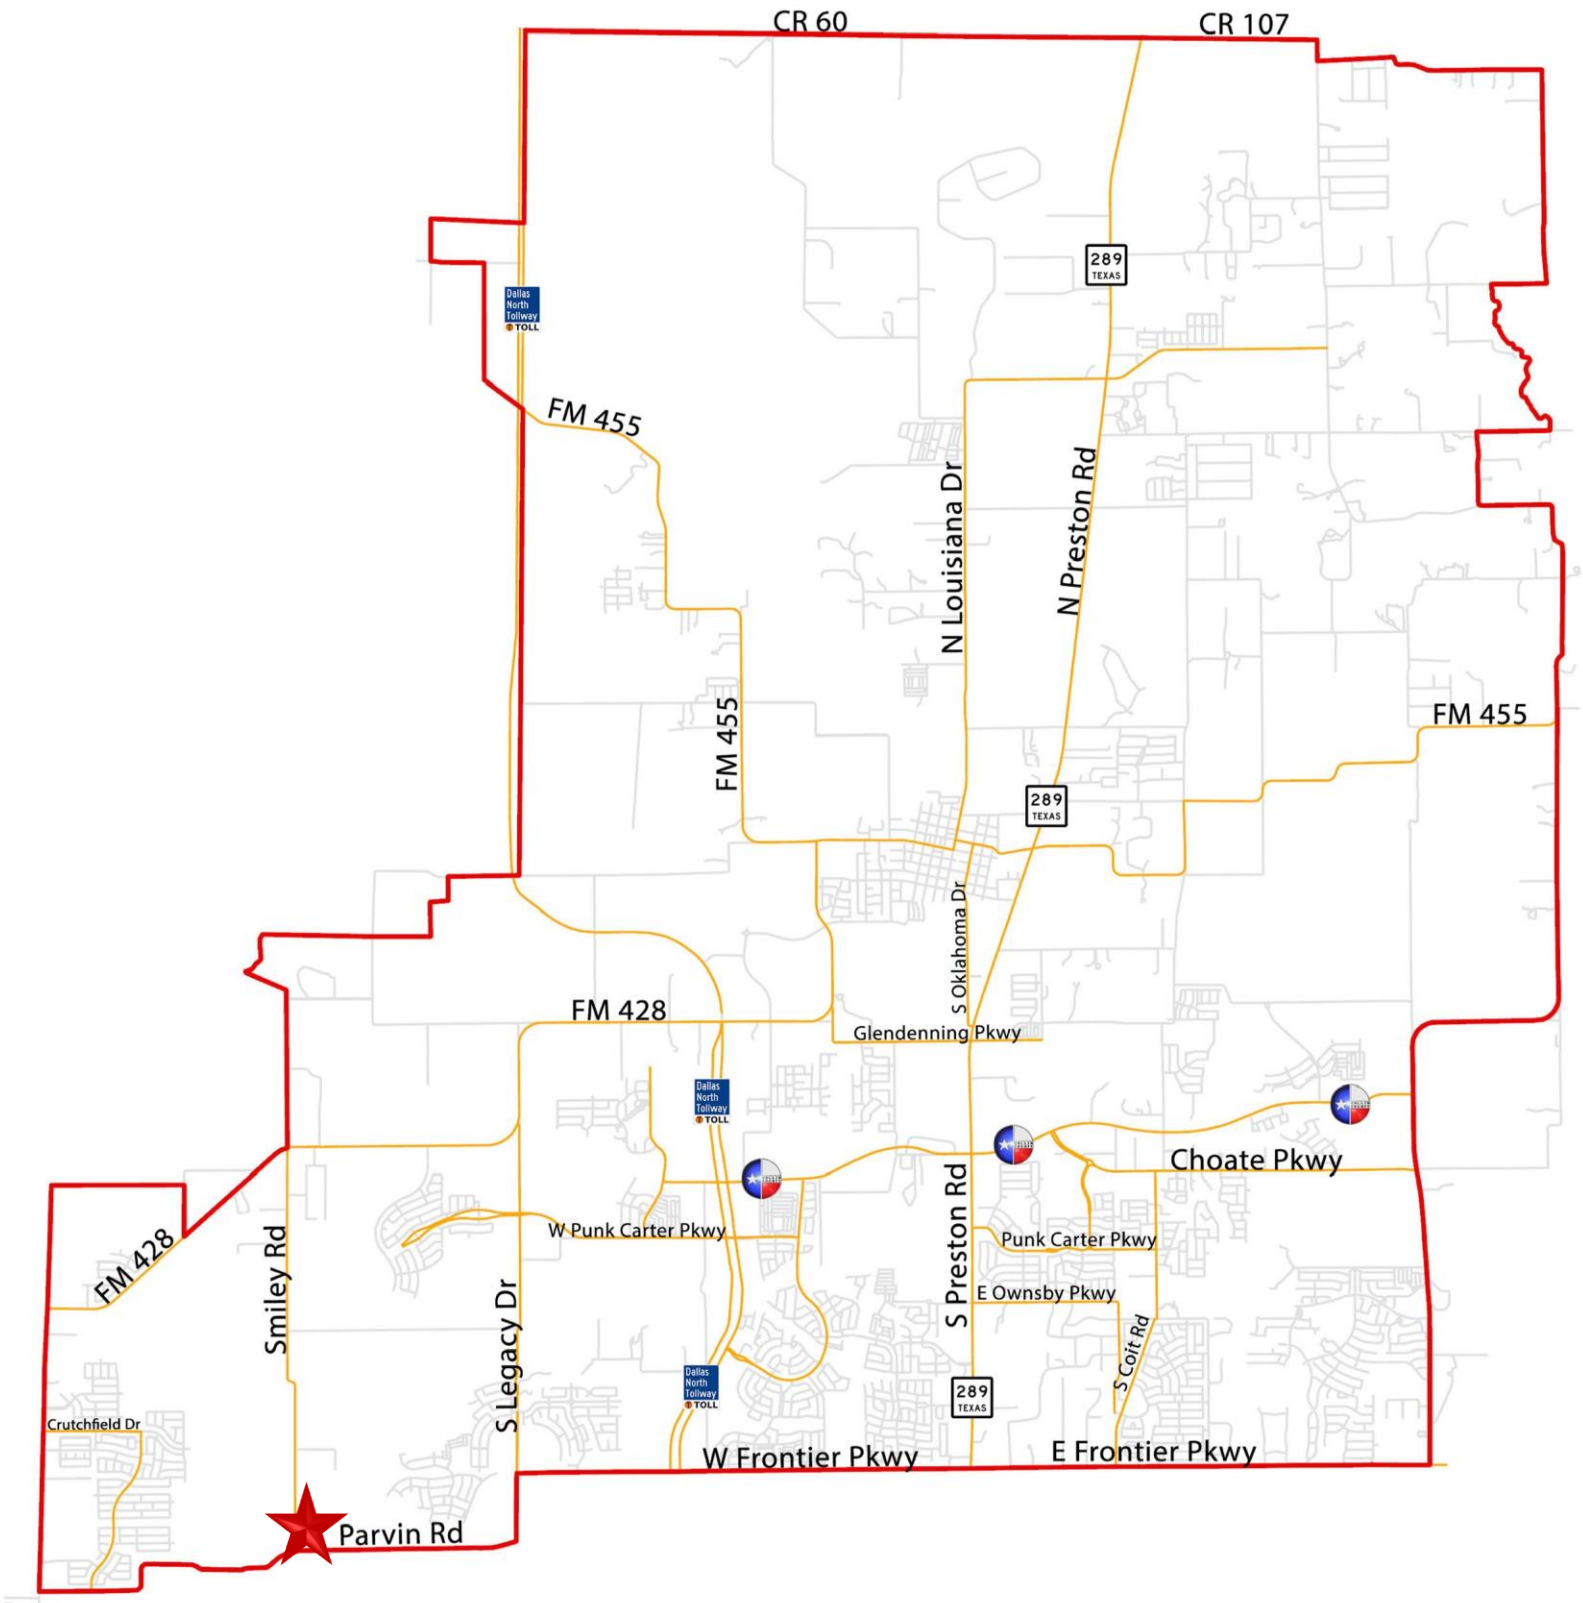
The table below presents a summary of the fee amounts and fee types for this contract.

WORK DESCRIPTION	FEE AMOUNT	FEE TYPE
Task 1 –Optimization Modeling	$81,341.00	Lump Sum
Task 2 – TPDES Permit Application	$24,187.00	Lump Sum
Task 3 – Permit Application Processing	$13,521.00	Lump Sum
TOTAL FEE	$119,049.00	Lump Sum

The total amount to be paid under this agreement is **$119,049.00.**

The Owner will pay GARVER on a monthly basis, based upon statements submitted by GARVER to the Owner indicating the estimated proportion of the work accomplished. Payments not received within 60 days of invoice date will be subject to a one percent monthly simple interest charge. Any unused portion of the lump sum fee, due to delays beyond GARVER's control, will be increased 6% annually with the first increase effective on or about June 1, 2025.

EXHIBIT C – SCHEDULE



The following schedule details the anticipated milestones and delivery dates for each deliverable.

Work Item	Duration from Notice to Proceed
Task 1 – Optimization Modeling	75 days from Notice to Proceed
Task 2 – TPDES Permit Application	120 days from completion of Task 1
Task 3 – Permit Application Processing	240 days from completion of Task 2

EXHIBIT D – DELIVERABLES

The following deliverables are anticipated with this work order:

1. Updated water quality model
2. Property and design Surveys for the Parvin WRF site
3. Stream transect and flow survey for Doe Branch downstream from the Parvin WRF site
4. Draft and final Optimization Water Quality Modeling TM
5. Draft and final Conceptual Engineering Report
6. Data request to Owner for TPDES permit application
7. Submission of three (3) hardcopies of the TPDES Permit Application to TCEQ and one (1) Electronic Copy
8. Support the Owner with publishing Notices.

Re:	Choate Parkway from Kinship Parkway to Roseland Parkway Design Amendment (R66)

Action Requested:
Consider and act on an amendment for design services for the construction of Choate Parkway from Kinship Parkway to Roseland Parkway with KFM, for an amount not to exceed $76,400.00. (Glasgow)

Background Information:
On June 14, 2022, the City of Celina signed a reimbursement agreement with CCD-Coit Land, LLC, to design and construct Choate Parkway from Kinship Parkway to Roseland Parkway. The proposed roadway will require a hundred and twenty feet (120') of right-of-way (ROW) and will provide two lanes as interim condition, and six lanes as ultimate condition.

KFM is the design firm assigned to this project by CCD-Coit Land, LLC. The city requested additional services to be added to the contract, including additional ROW and temporary construction easements along the northern boundary of the project, ROW and easement staking, and structural engineering.

The original scope did not include the metes and bounds of ROW along the northern boundary. With increasing land acquisition costs, it is more cost-effective to acquire ROW for both sides of the project now. Additionally, during the ROW negotiation with one of the properties along Choate (GCEC), they requested staking of ROW and temporary construction easements to define limits. An existing underground electrical distribution line for GCEC in this area cannot be obstructed by roadway construction. Furthermore, the structural design of the bridge has been modified to meet current city standards. The bridge now spans a total width of 53 feet, including three 12-foot traffic lanes and a 10-foot sidewalk.

Legal Review:
The Amendment has been previously reviewed and approved.

Re: Choate Parkway Extension-Kinship to Roseland
City of Celina, Collin County, Texas

Dear Brian:

Based on our discussion, we propose the following additions to the Professional Services as stated in the Professional Services Agreement for Choate Parkway Extension dated September 28, 2022:

ADDITIONAL SERVICES

A. SURVEYING

The project originally required easement and right-of-way (ROW) exhibit preparation for only the properties along the southern boundary line of the project. As the project progressed, the City of Celina required that we prepare right-of-way exhibits for the properties to the north.

1. Additional ROW Documents & Temporary Construction Easements

The additional right-of-way exhibits will require multiple metes & bounds descriptions for the right-of-way dedications & easement exhibits. An exhibit will accompany the description and will be sealed by a Registered Professional Land Surveyor (RPLS). The additional 14 tracts to the north and 18 temporary construction easements (TCE's) to the south were required by the City of Celina for this project.

We will forward the document(s) to you or the appropriate authority/agency for review and incorporation into the agency's dedication instrument.

We will assist you in obtaining review agency approval and recordation of the signed instrument with the County Clerk's office.

2. R.O.W. & Easement Staking

We will provide a one (1) time staking services for ROW and TCE staking at the request of the client for the purposes of coordinating utility relocations. The services mentioned above are to only be performed for the property called 20.0-acre tract to Electric Cooperative, Inc. recorded in Vol. 5191 Pg. 313 in the Official Public Records, Collin County, Texas (O.P.R.C.C.T.).

B. STRUCTURAL ENGINEERING

The design of the bridge crossing over Wilson Creek has been altered since the start of the project. City of Celina's standards have been modified and the roadway sections have been changed, thus affecting Choate Parkway. The bridge width has increased to 53' in total width, with 3 – 12' traffic lanes and a 10' sidewalk. These changes coupled with the addition of embankment walls have increased the scope and fee for the structural engineering portion of this project.

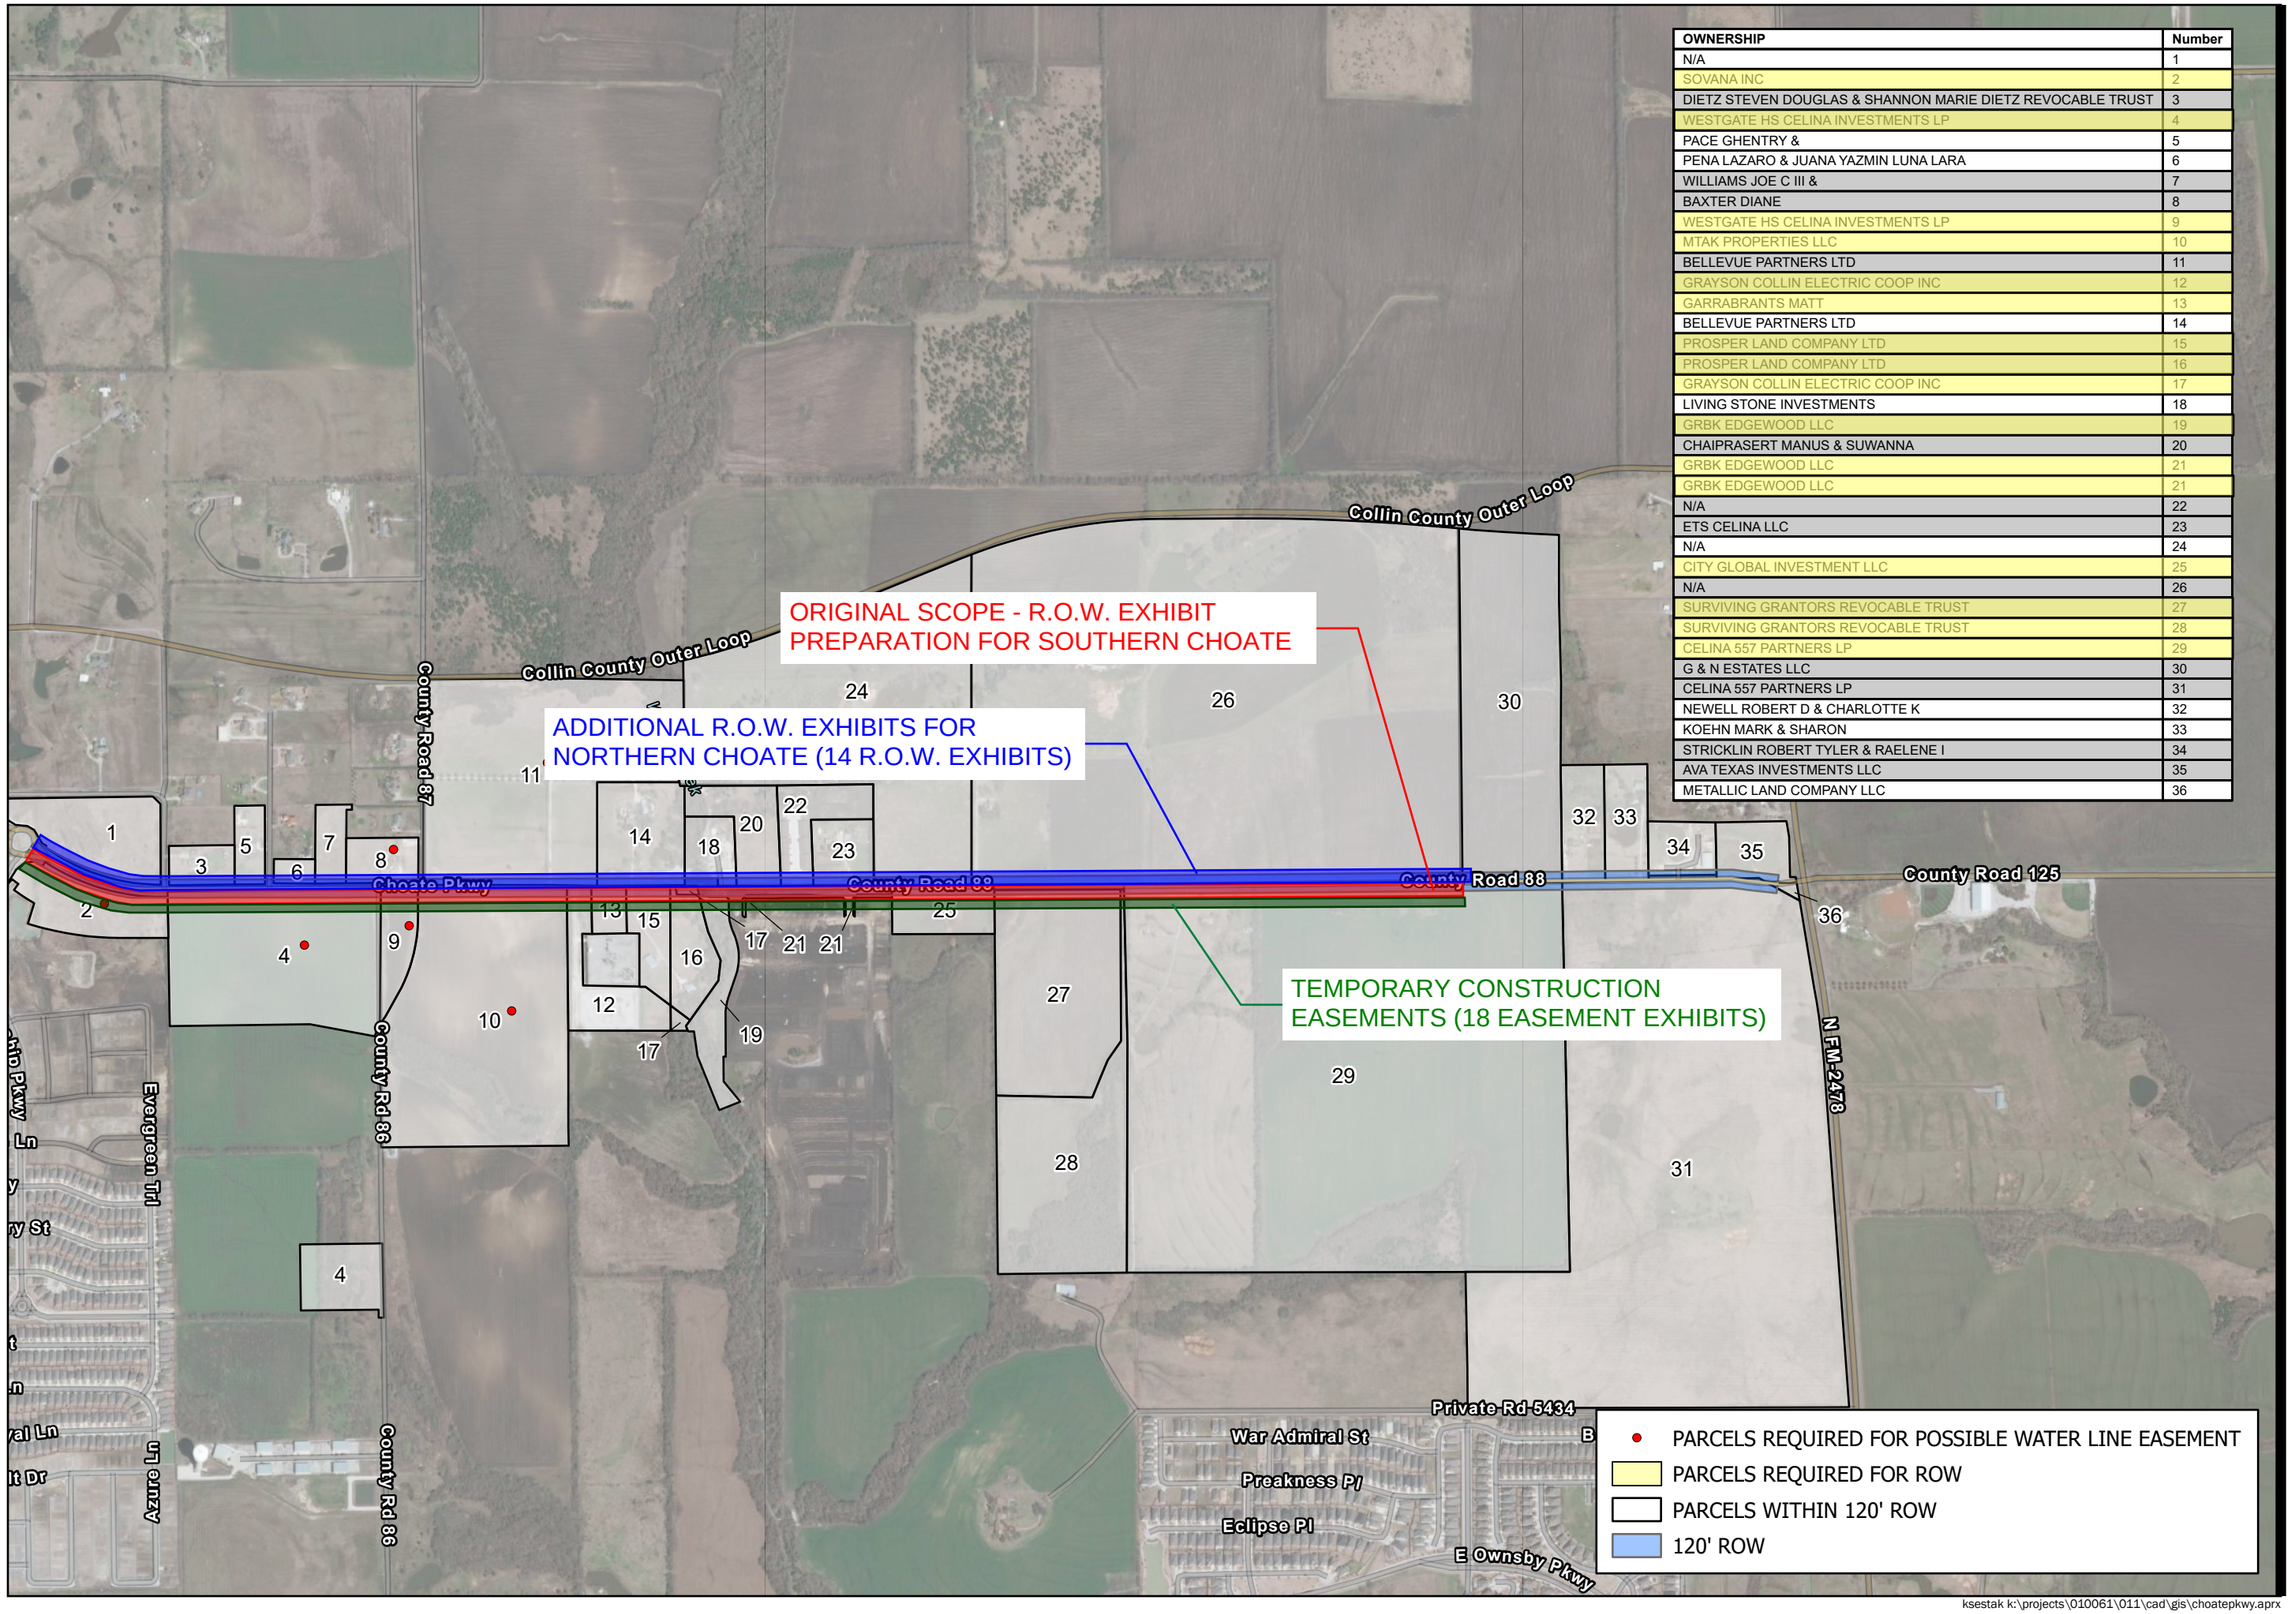
FEE SCHEDULE

We propose to provide the specific services described above on a lump sum fee basis as follows:

Item		Fee Basis	Fee
A. SURVEYING			
1.	Additional ROW Documents & TCE's	Lump Sum	$ 32,500.00
2.	ROW & TCE Staking (1 Parcel)	Lump Sum	$ 3,900.00
B. STRUCTURAL ENGINEERING			
		Lump Sum	$ 40,000.00
TOTAL			
			$ 76,400.00

If you agree with the scope of services and associated fees as presented, please sign below and return to our office. Please call if you have any questions.

Sincerely,



McGregor Bailey, P.E.

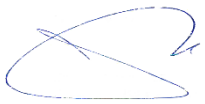
Re: Choate Parkway Extension – Kinship to Roseland
City of Celina, Collin County, Texas

Brian,



We appreciate the opportunity to submit this proposal for professional services associated with the development of the Choate Parkway Extension located in the City of Celina, Collin County, Texas. This proposal will include services for Public Roadway, Bridge, & Drainage Design, Permitting, Surveying, and Construction Phase Services.

We understand the project will consist of the design of the southern two (2) lanes of Choate Parkway from Kinship Parkway to Roseland Parkway, including a roundabout at Coit Road.

Upon your review of this proposal, we would appreciate the opportunity to meet with you to review and further clarify the project and scope as presented. If you agree with the scope of services and associated fees as presented, please sign both copies of the attached Professional Services Agreement and return them to our office.

Please call if you have any questions.

Sincerely,

Jim Knight, P. E.
Founding Principal
TBPE # F-20821

SCOPE OF SERVICES

Based on our understanding of your needs at this time and the current status of this project, we propose to provide the following specific services:

A. SURVEYS

1. Boundary Verification

Perform a boundary verification survey of the subject tract and will complete resolution.

2. Route Design

The nature of the project requires that route surveys be performed for onsite and offsite improvements. We will perform the necessary designs survey to include topographic, tree and right-of-way surveys needed for the planning and design of 120 feet of Choate Parkway from Kinship Parkway to Roseland Parkway. The scope of these services is defined as follows:

- Prepare a topographic survey which will be used to complete the design of Choate Parkway. The topographic survey will be based on an on-the-ground survey and will be produced at a one-foot contour interval and visible utilities.

3. Easement and Right-of-way Exhibit Preparation

This project may require the preparation of various easements to be dedicated by a separate instrument. The easement description (fieldnotes) and accompany sketch will be sealed by a Registered Professional Land Surveyor (RPLS). We have assumed that six easement descriptions will be required for this project.

This project will also require multiple metes & bounds descriptions for the proposed right-of-way dedication. An exhibit will accompany the description and will be sealed by a Registered Professional Land Surveyor (RPLS). We have assumed 18 right-of-way dedication instruments will be required for this project.

We will forward the document(s) to you or the appropriate authority/agency for review and incorporation into the agency's dedication instrument.

We will assist you in obtaining review agency approval and recordation of the signed instrument with the County Clerk's office.

B. PUBLIC ROADWAY CONSTRUCTION DOCUMENTS

The proposed project involves the planning, design and construction of roadways and associated storm drainage systems, which will be dedicated to the public for operation and maintenance once construction is complete and the mandatory warranty period has expired.

As previously defined within this proposal, the proposed roundabout and associated transitions will be designed with this section. An additional effort will be necessary to work with the City of Celina for the temporary roads, realignment of Mustang Drive, and construction phasing of the proposed infrastructure.

1. We will prepare engineering Construction Documents for these roadways and associated drainage system for review and approval by the City of Celina. The design section and length of roadway will be defined on the Paving Plan & Profile drawings. These documents will include plan/profile details, and other City of Celina's required items for review and approval.
2. We will prepare typical roadway sections and cross sections.
3. We will prepare Drainage Plans & Profile drawings as part of the Roadway Design submittal. The drawings will show final drainage plan, profile, and hydraulic information to meet the City of Celina requirements.
4. We will prepare an Erosion and Sedimentation Control Plan, which meets the current City of Celina design criteria.
5. We will prepare Signage and Striping Plans.
6. We will prepare an engineer's summary letter and drainage report addressing requirements of the City of Celina with respect to roadway design and hydraulics and submit the Paving and Drainage Design package which includes applications, tax maps, tax certificates, drainage reports, drawings, etc., to the City of Celina for review.
7. The project will be designed as a capital improvement project, with a City Project Manager that will review milestone construction drawing submittals at 30%, 60%, 90%, and Final Design (100%).

C. PUBLIC WATER CONSTRUCTION DOCUMENTS

The proposed project involves the planning, design, and construction of water utility systems, which will be dedicated to the public for operation and maintenance once construction is complete and the mandatory warranty period has expired. The water improvements required with this development will include the extension of a 12-inch waterline from Coit Rd. to Kinship Pkwy and the relocation of a 24-inch waterline around the proposed roundabout at Coit Rd.

1. We will prepare Engineering Construction Documents for the water lines and submit for review and approval by the City of Celina.
2. Coordinate with City of Celina's staff for the purposes of clearing staff comments and seek permit approval. We anticipate at least two and possibly several revisions will be required to address comments for the water and wastewater plans prior to issuance of a permit.

D. DRAINAGE STUDY

The City of Celina will require that a Drainage Study is prepared for the bridge crossing at Wilson Creek. This study will utilize the currently acceptable hydrologic and hydraulic design requirements. The design, analysis and findings of the Drainage Study will be submitted in a written report format for review and approval by the City. The purpose of the Drainage Study is to evaluate the potential impact of the proposed development on the upstream, adjacent and downstream properties.

1. Utilizing the existing hydrologic and hydraulic model for Wilson Creek, we will prepare a Drainage Study for the proposed bridge crossing. The hydraulic model for Wilson Creek will be

revised to show that the proposed bridge improvements meet the City of Celina design criteria.

2. Coordinate with the City of Celina; address their comments to pursue approval of the Drainage Study.

E. STORMWATER POLLUTION PREVENTION PLAN

For limits of construction areas 1.0 acres or greater, the Texas Pollutant Discharge Elimination System (TPDES) program implements the federal National Pollutant Discharge Elimination System (NPDES) program in the State of Texas. On March 5, 2003, TCEQ became the permitting authority for these discharges.

Since the limits of construction of this project encompass approximately 255 +/- acres, a Stormwater Management Plan is required. We will assist you as follows:

1. KFM will prepare the Stormwater Pollution Prevention Plan (SWPPP). The Contractor must prominently display the Notice of Intent (NOI) and other TCEQ required notices, phone numbers, etc., at the job site. The Contractor must also have the Plan available for review at the construction trailer. The Contractor must follow the plan and make the various submittals directly to TCEQ.
2. KFM will prepare the NOI required by the TPDES permit. Once you have signed the NOI, return it to us and we will forward the original directly to TCEQ.
3. By law, this is a separate plan from the Erosion and Sedimentation Control Plan contained in the construction drawings. This is a compliance document, which both you and the Contractor are required by federal and state laws to follow.

F. BIDDING AND AWARD SERVICES

1. KFM will prepare the bid documents and public advertise for bids the Earthwork, Utility, and Paving contracts and will maintain a record of prospective bidders to whom bidding documents have been issued.
2. KFM will attend the pre-bid conference and prepare minutes of the meeting.
3. Issue addenda as necessary to clarify the bidding documents.
4. Prepare the bid sheets, attend the bid opening, prepare the bid tabulations, and assist your office in the evaluation of the bids.
5. After the award of the bid, assist in assembling and distributing the contract documents for the work.

G. PUBLIC WORKS CONSTRUCTION PHASE SERVICES

1. Attend the pre-construction conference required by the City of Celina prior to construction.
2. Provide periodic onsite construction observation services, as requested by the Owner.

3. If requested by the Contractor, or you, prepare construction cut sheets required by the City of Celina. Have the cut sheets sealed by a Registered Professional Engineer and deliver them to the City of Celina.
4. Based upon redlined As-builts furnished to us by the Contractor, revise the original Construction Drawings to reflect "Record Drawing" conditions and furnish to the City per their requirements.
5. Once construction has been substantially completed, complete a final site observation visit and prepare a punch list as required. Once the punch list has been significantly completed, prepare an Engineer's Letter of Concurrence required by the City of Celina prior to acceptance.
6. The above items will be performed on a one (1)-time basis. Services performed outside of the above will be provided at our standard hourly rates as additional services.

H. SITE RELATED SUB-CONSULTANT SERVICES

The nature of this project requires professional services from several sub-consultants. While KFM will coordinate with all the Design Team consultants, we have included the following sub-consultants under our contract in order to simplify the design process. Their fees are included in this proposal.

1. SUBSURFACE UTILITY ENGINEERING

In order to locate any existing underground utilities within the proposed right-of-way, subsurface utility exploration shall be provided at Quality Level “B” and “A”, which includes test holes for utilities.

We will retain The Rios Group for this service, who will be responsible for all aspects of their report. KFM will include the existing

2. GEOTECHNICAL ENGINEERING

A geotechnical report will need to be prepared for this project in accordance with the City of Celina design standards. We will retain Riner Engineering for this service, who will be responsible for all aspects of their report. KFM will incorporate the findings of the geotechnical report into the grading and pavement design for this project, and will submit the geotechnical report to the City for review and approval.

3. STRUCTURAL ENGINEERING

Structural design for a bridge crossing over Wilson Creek will be required for this project. Based on the roadway and hydraulic information, the bridge will be a single span structure approximately 100 feet long by 32 feet wide and will consist of a cast-in-place concrete deck supported by prestressed concrete beams. The abutments will consist of cast-in-place concrete caps, backwalls, and wingwalls.

We will retain Pickett, Kelm & Associates (PKA) for the design documents and construction phase services. PKA will be responsible for all aspects of their design.

I. REIMBURSABLES/REPRODUCTION

Reproduction, courier, and delivery services will be provided for this project and billed in accordance with our Standard Rate Schedule. In addition, minor out-of-pocket expenses for outside reproduction, travel expenses, courier, and review agency fees, etc. incurred will be billed at Cost+10%. We request that you issue checks for fees unless otherwise agreed upon in advance.

FEE SCHEDULE

We propose to provide the specific services described above on a lump sum fee basis as follows:

Item	Fee Basis	Fee
A. SURVEYS		
1. Boundary Verification	Lump Sum	$ 10,000.00
2. Route Design	Lump Sum	$ 19,500.00
3. Easement & R.O.W. Exhibit Preparation	Lump Sum	$ 23,400.00

H. SITE RELATED SUB-CONSULTANT SERVICES		
1. SUBSURFACE UTILITY ENGINEERING	Lump Sum	$ 57,000.00
2. GEOTECHNICAL ENGINEERING	Lump Sum	$ 28,260.00

3. STRUCTURAL ENGINEERING	Lump Sum	$ 75,000.00
I. REIMBURSABLES/REPRODUCTION		
	Cost + 10%	$
TOTAL		
		$ 1,128,920.00

Work provided outside the above scope of services will be billed as an additional service once approved in writing by your office.

ASSUMPTIONS

In preparing this proposal, we have made the following assumptions:

- Any covenants, restrictions or any other similar documents will be prepared by your attorney.
- Site construction surveying has not been included in this proposal.
- Structural design of stormwater splitter boxes, culverts, additional retaining walls and similar structures have not been included in this proposal.
- Preparation of signalization plans have not been included in this proposal.

PROFESSIONAL SERVICES AGREEMENT

CONSULTANT:	**CLIENT:**
Knight-Fowler-Millsap, LLC. 3501 Olympus Blvd. Suite 100 Dallas, TX 75019	Mr. Larry Corson Corson Cramer 4925 Greenville Ave., Suite 604 Dallas, TX 75206

PROJECT NAME & LOCATION: Choate Parkway Extension-Kinship to Roseland

A. Client agrees to employ Consultant on the terms and conditions set forth in this Professional Services Agreement (the "Agreement").

B. **Services to be Performed by Consultant**: Consultant agrees to perform Basic Services and Additional Services, if required, in conformance with the following descriptions, definitions, terms and conditions:

1. Basic Services shall be defined as those services specifically described and set forth in the attached letter proposal (the "Proposal") dated September 28, 2022, from Consultant to Corson Cramer.
2. Additional Services: All work performed by Consultant not specifically described in the Proposal shall constitute Additional Services.

C. **Compensation of Consultant:** Client agrees to pay Consultant for the above described services in accordance with the following descriptions, definitions, terms and conditions.

1. Basic Services: Compensation will be a lump sum amount of **$1,128,920.00**, plus estimated hourly amount of **$** 0.00 (plus applicable taxes, if required) plus reimbursable costs, all as detailed in the Proposal.
2. Additional Services: Compensation will be charged based on the actual hours expended by Consultant's personnel and billed at Consultant's Standard Hourly Rates in effect at the time of invoice. Standard Hourly Rates are defined as the rates established from time to time by Consultant for its personnel, including amounts charged based on salaries paid to Consultant's personnel plus payroll burden (Social Security contributions, Federal and State unemployment taxes, Workers' Compensation, health and retirement benefits, incentive pay, sick leave, vacation and holiday pay applicable thereto) and a factor for overhead and profit.
3. Reimbursable Expenses: Reimbursable Expenses include, but are not limited to, transportation and subsistence, reproduction, subcontracts and similar items as outlined in the proposal or Consultant's Standard Rate Schedule.
4. Client agrees to pay Consultant a retainer in the amount of **$** 0.00 when this Agreement is signed by Client. This retainer shall be held by Consultant until completion or termination of this Agreement. At the time of completion or termination of this Agreement, Client authorizes Consultant to apply the retainer to any unpaid invoices on this Agreement and return the balance, if any, to Client at Client's address of record as set out above.

D. **Invoices**: Consultant will invoice Client monthly for amounts earned under this Agreement. Client agrees to promptly pay Consultant at his office in Tarrant County, Texas, the full amount of each such invoice upon receipt. Receipt of invoices shall be presumed, and Client shall be deemed to be in default if payment is not made within thirty days of the date of the invoice. Client agrees to pay a charge of eighteen (18) percent per annum simple interest or the highest rate allowed by law, whichever is less, on all invoiced amounts not paid within 30 days of the date of the invoice calculated beginning 30 days after the date of the invoice. Interest on unpaid invoices shall not exceed the maximum amount of nonusurious interest allowed by law on these unpaid invoices. Any interest in excess of this maximum amount shall be credited to unpaid invoices, or, if they have been paid, refunded.

Should Client fail to make payments when due and Consultant incurs any costs in order to collect overdue sums, Client agrees that all such collection costs incurred, including but not limited to legal fees, collection agency fees, court costs, and reasonable Consultant staff costs at standard

rates, shall immediately become due and payable. Such obligations shall survive the term of this Agreement or any early termination by either party.

E. **Contractual Lien to Secure Payment**: Client grants to Consultant a contractual lien in addition to all constitutional, statutory and equitable liens that may exist, on the above-described real property and all improvements thereon to secure payment for all debts owed, now or in the future, to Consultant by Client including those arising as a result Consultant's services provided in accordance with this Agreement. Client grants Consultant the authority and right to file a copy of this Agreement in the Deed Records of the county or counties where the above project is located to give notice of Consultant's lien rights.

F. **No Reuse of Consultant's Work Products:** All documents, including electronic files, drawings and specifications, prepared by Consultant pursuant to this Agreement, are instruments of service in respect of the Project and remain property of the Consultant. Consultant shall retain sole ownership and all common law, statutory, and other reserved rights, including the copyright thereto. No one other than Client is entitled to rely on such documents without the previous written consent of Consultant. They are not intended or represented to be suitable for reuse by Client or others on extensions of the Project or on any other project. Any reuse without written verification or adaptation by Consultant for the specific purpose intended will be at Client's sole risk and without liability or legal exposure to Consultant and Client shall indemnify and hold harmless Consultant from all claims, damages, losses and expenses including attorney's fees arising out of or resulting therefrom. Any such verification or adaptation will entitle Consultant to further compensation as an Additional Service.

G. **Suspension of Work and Additional Compensation:** Consultant understands that Client may require Consultant to temporarily suspend work. Client understands that the suspension of work by Consultant may cause Consultant to incur additional costs to resume work, whether on Basic or Additional Services, and Client agrees to reimburse Consultant for such additional costs, if any.

H. **Responsibility for Construction Observation:**

1. Construction observation is generally considered an essential element of a complete design professional service. Accordingly, if the Client directs Consultant to not provide construction observation, the Consultant shall not be responsible for the consequences of any of the Consultant's acts, errors or omissions, except for those consequences which, it reasonably could be concluded, Consultant's observation services would not have prevented or mitigated.
2. Unless otherwise provided in writing, construction visits and observations are performed to observe the progress and quality of the work completed by the Contractor. Such visits are not intended to be an exhaustive check or an inspection of the Contractor's work, but rather are to allow Consultant, as an experienced professional, to become familiar with the work in progress and to determine, in general, if the work is proceeding in accordance with the Contract Documents.

   Based on such observation, Consultant shall keep Client informed as to the progress of the work and shall endeavor to guard Client against deficiencies in the work. If Client desires more extensive project observation or full-time project representation, such services shall be provided as Additional Services under this Agreement.

   Consultant shall not supervise, direct, or have control over the Contractor's work, nor have any responsibility for the construction means, methods, techniques, sequences, or procedures selected by the Contractor, nor for the Contractor's safety precautions or programs associated with the work. These rights and responsibilities are solely those of the Contractor.
3. Client waives any claim against Consultant, and agrees to defend, indemnify and hold Consultant harmless from any claim for injury or loss that results from failure to follow Consultant's plans, specifications or design intent, or for failure to obtain and/or follow Consultant's guidance with respect to any alleged errors, omissions, inconsistencies, ambiguities or conflicts contained within or arising as a result of implementing Consultant's plans, specifications or other instruments of service. Consultant does not guarantee the performance of Contractor or its subcontractors, employees, or agents, and shall not be responsible for their failure to work in accordance with the Contract Documents or any applicable laws, codes, rules, or regulations. Client also agrees to compensate Consultant for any time and expenses incurred by Consultant in defense of

any such claim, with such compensation to be based upon the Consultant's prevailing fee schedule.

I. **No Warranty or Fiduciary Responsibility:** Consultant makes no warranty, either expressed or implied, as to Consultant's findings, recommendations, plans, specifications, or professional advice. Consultant has endeavored to perform its services in accordance with generally accepted standards of practice in effect at the time of performance. Client recognizes that neither Consultant nor any of Consultants subconsultants or subcontractors owes any fiduciary responsibility to Client.

J. **Client Cooperation**: Client agrees to timely provide all information required by Consultant to perform its services so as not to delay such performance. Client further agrees to fully cooperate with Consultant in the performance of this Agreement.

K. **Consultant's Reliance on Client and Third Parties**: Client agrees that Consultant may rely on the accuracy and validity of all information provided by Client, the work of third parties, and public records, and Consultant is not expected or required by Client to check them.

L. **Consultant Not Supervisor**: Unless specifically stated in the letter proposal defining the Basic Services provided in this Agreement, Consultant has no responsibility or authority for the supervision of any phase of the work at the site of the Project.

M. **Binding Agreement:** Client, for itself and partners, if any, and Consultant, for itself, each binds itself and its successors, executors, administrators and assigns to the other party to this Agreement and to partners, successors, executors, administrators and assigns of such other party in respect to all covenants of this Agreement. Neither Client nor Consultant shall assign, sublet, or transfer its interest in this Agreement without the written consent of the other. Nothing herein shall be construed as giving any rights or benefits hereunder to anyone other than Client and Consultant. Client's representative signing below warrants that he has full authority to bind Client to this Agreement and further warrants that Client has an ownership interest in the real property that is part of the Project. Client's representative signing below agrees to indemnify, save, and hold Consultant harmless for any and all claims, causes of action, and damages that may arise against Consultant if the representations contained in this paragraph are not correct.

N. **Acceptance of Agreement**: If this Agreement is not executed by Client within 30 days of the date tendered, it shall become invalid unless: (1) Consultant extends the time in writing; or (2) Client orally authorizes Consultant to proceed with the work, in which event the terms of the oral authorization shall be presumed to include all the terms of this agreement. Consultant's performance of work under the oral authorization shall be in reliance on the inclusion of all the terms of this Agreement in the oral authorization.

O. **Termination**: This Agreement may be terminated by Consultant or Client in accordance with the following terms:

1. This Agreement may be terminated without cause at any time prior to completion of Consultant's services either by Client or by Consultant, upon seven (7) days' written notice to the other at the address of record set out above. Such termination shall release Consultant from any further obligation to provide Basic or Additional Services to Client on this Agreement, but all obligations of Client shall continue.
2. Client understands that Consultant's ability to work is predicated upon its ability to collect payment of invoices when due. If Client does not make timely payment of invoices related to this Agreement, then Client authorizes Consultant, at its sole discretion, to terminate this Agreement for cause upon (7) days' notice to Client at its address of record set out above. Such termination shall release Consultant from any further obligation to provide Basic or Additional Services to Client on this Agreement, but all obligations of Client shall continue.
3. Client waives any and all claims it has against Consultant arising out of termination of this Agreement for cause by Consultant. Client agrees that Consultant has no duty to perform further services for Client if Client has not timely paid all amounts due Consultant for previous services on this Agreement. Client waives any and all claims, causes of action, or damages that it has or may have against Consultant for failure to perform further services under this Agreement when Consultant has not been timely paid for previous services under this Agreement. Client agrees to indemnify and hold Consultant harmless for any and all claims made against Consultant by any person, firm, or corporation arising out of termination of this Agreement for cause.

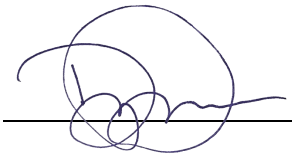
4. Upon termination, either by Client or Consultant, Client shall pay Consultant all unpaid sums due for Basic Services and all unpaid sums for any Additional Services that have been performed by Consultant.

P. **Mediation:** Client and Consultant agree that all claims, disputes, and other matters in question between the parties arising out of or relating to this Agreement or breach thereof first shall be submitted to non-binding mediation. Any party hereto may initiate mediation and the parties hereto agree to fully cooperate and participate in good faith to resolve the dispute(s). The cost of mediation shall be shared equally by the parties hereto.

The demand for mediation shall be made within one (1) year of the date the claimant knew or should have known of the existence of the claim, dispute, or other matter. If the demand for mediation is not effectuated within one (1) year, the claim, dispute, or other matter shall be forever barred and not mandatory.

In the event either party makes a claim or brings an action against the other party for any act arising out of the performance of the services hereunder, and the claimant fails to prove such claim or action, then the claimant shall pay all legal and other costs (including reasonable attorneys' fees) incurred by the other party in defense of such claim or action.

Q. **Governing Law and Place of Performance**: This Agreement shall be construed and enforced in accordance with the laws of Texas. This Agreement is performable by all parties in Tarrant County, Texas.



R. **Paragraph Titles**: Paragraph titles in this Agreement are for convenience only and are not intended to detract from or limit the effect of any language in this Agreement.

S. **Modifications:** No one has authority to make variations in, or additions to, the terms of this Agreement on behalf of Consultant other than one of its officers, and then only in writing.

T. **Entire Agreement:** This Agreement and the Proposal defining the Basic Services provided in this Agreement contain the entire contract between Client and Consultant.

U. **Project Signage:** Upon approval from Client as to location and format (which approval shall not be unreasonably withheld), Client agrees to include Consultant's signage along with other project team signage for the Project site.

V. **Limitation of Liability**: **The owner agrees to limit the Consultant's liability to the Owner and to all other Contractors and Subcontractors on the project, due to the Consultant's negligent acts, errors or omissions, such that the total aggregate liability of the Consultant to all those named shall not exceed $50,000 or the Consultant's total fee for services rendered on this project, whichever is less.**

Re:	Preston Green Ribbon Change Order

Action Requested:
Consider and act to authorize a change order with C. Green Scaping LP for an amount not to exceed $106,712.64 to add additional traffic control devices requested by the Texas Department of Transportation (TXDOT) to begin work on the Preston Road Green Ribbon project. (Glasgow)

Background Information:
On March 7, 2024, City Council authorized the award of BID 2024-076 for the construction of the Preston Road Green Ribbon project to C. Green Scaping, LP. This change order exceeds $50,000 and by statute requires council authorization.

The proposed change order covers the cost of adding Truck Mounted Attenuators (TMA) and flashing message boards, as requested by TXDOT, to the traffic control along Preston before beginning work on the project. The project was advertised with the plans and bid items as approved by TXDOT. However, the line item that covers the costs of the TMA and message boards were not included.

Legal Review:
The change order form has been previously reviewed and approved.

Supporting Documents:

2. Agreement Preston Road Green Ribbon_C Green - Fully Executed_2024.04.06
3. Preston Green Ribbon Change Order 8.13.24
4. Attenuator

Financial Consideration:
Funding is available through Park Fees and Green Ribbon Grant Reimbursements. Expenditures will not exceed funds appropriated and funds will be committed to the purchase order.

Staff Recommendation:
Staff recommends authorizing the change order as presented.

SECTION 00410

EJCDC STANDARD FORM OF AGREEMENT

BETWEEN OWNER AND CONTRACTOR ON THE BASIS OF A STIPULATED PRICE

THIS AGREEMENT is by and between the **City of Celina** (OWNER) and C. Green Scaping LP (CONTRACTOR). OWNER and CONTRACTOR, in consideration of the mutual covenants hereby agree as follows:

ARTICLE 1 – WORK

1.01 CONTRACTOR shall complete all Work as specified or indicated in the Contract Documents. The Work is generally described as follows:

City of Celina
Preston Road Green Ribbon
BID 2024-076
Project P20
TXDOT PROJECT #F2B23(092)
CCSJ # 0091-03-030

ARTICLE 2 – THE PROJECT

2.01 The Project for which the Work under the Contract Documents may be the whole or only a part is generally described as follows:

The construction project includes The construction project includes landscaping and irrigation installation along Preston Road from Roundtree Ct to Frontier Pkwy.

ARTICLE 3 – ENGINEER

3.01 The Project has been designed by **Norris Design** which hereinafter called ENGINEER and which is to act as OWNER'S representative, assume all duties and responsibilities, and have the rights and authority assigned to ENGINEER in the Contract Documents in connection with the completion of the Work in accordance with the Contract Documents.

ARTICLE 4 – CONTRACT TIMES

4.01 Time of the Essence

A. All time limits for Milestones, if any, Substantial Completion, and completion and readiness for final payment as stated in the Contract Documents are of the essence of the Contract.

4.02 Days to Achieve Substantial Completion and Final Payment

A. The Work will be substantially completed within 60 days after the date when the Contract Times commence to run as provided in paragraph 2.03 of the General Conditions and completed and ready for final payment in accordance with paragraph 14.07 of the General Conditions within 72 days after the date when the Contract Times commence to run.

4.03 Liquidated Damages

A. CONTRACTOR and OWNER recognize that time is of the essence of this Agreement and that OWNER will suffer financial loss if the Work is not completed within the times specified in paragraph 4.02 above, plus any extensions thereof allowed in accordance with Article 12 of the General Conditions. The parties also recognize the delays, expense, and difficulties involved in proving in a legal or arbitration proceeding the actual loss suffered by OWNER if the Work is not completed on time. Accordingly, instead of requiring any such proof, OWNER and CONTRACTOR agree that as liquidate damages for delay (but not as a penalty), CONTRACTOR shall pay OWNER ***$500*** for each day that expires after the time

specified in paragraph 4.02 for Substantial Completion until the Work is substantially complete. After Substantial Completion, if CONTRACTOR shall neglect, refuse, or fail to complete the remaining Work within the Contract Time or any proper extension thereof granted by OWNER, CONTRACTOR shall pay OWNER ***$500*** for each day that expires after the time specified in paragraph 4.02 for completion and readiness for final payment until the Work is completed and ready for final payment.

ARTICLE 5 – CONTRACT PRICE

5.01 OWNER shall pay CONTRACTOR for completion of the Work in accordance with the Contract Documents an amount in current funds equal to the sum of the amounts determined pursuant to paragraphs 5.01.

For all Work other than Unit Price Work, a Lump sum of: **$1,017,433.86**

All specific cash allowances are included in the above price and have been computed in accordance with paragraph 11.02 of the General Conditions.

ARTICLE 6 – PAYMENT PROCEDURES

6.01 Submittal and Processing of Payments

A. CONTRACTOR shall submit Applications for Payment in accordance with Article 14 of the General Conditions. Applications for Payment will be processed by ENGINEER as provided in the General Conditions.

6.02 Progress Payments; Retainage

A. OWNER shall make progress payments on account of the Contract Price on the basis of CONTRACTOR'S Applications for Payment on or about the ***last*** day of each month during performance of the Work as provided in paragraphs 6.02.A.1 and 6.02.A.2 below. All such payments will be measured by the schedule of values established in paragraph 2.07.A of the General Conditions (and in the case of Unit Price Work based on the number of units completed) or, in the event there is no schedule of values, as provided in the General Requirements:

1. Prior to Substantial Completion, progress payments will be made in an amount equal to the percentage indicated below but, in each case, less the aggregate of payments previously made and less such amounts as ENGINEER may determine or OWNER may withhold, in accordance with paragraph 14.02 of the General Conditions:

   a. ***95%*** of Work completed (with the balance being retainage).

   b. ***95%*** of cost of materials and equipment not incorporated in the Work (with the balance being retainage).

2. Upon Substantial Completion, OWNER shall pay an amount sufficient to increase total payments to CONTRACTOR to ***95%*** of the Work completed, less such amounts as ENGINEER shall determine in accordance with paragraph 14.02.B.5 of the General Conditions and less ***100%*** of ENGINEER's estimate of the value of Work to be completed or corrected as shown on the tentative list of items to be completed or corrected attached to the certificate of Substantial Completion.

6.03 Final Payment

A. Upon final completion and acceptance of the Work in accordance with paragraph 14.07 of the General Conditions, OWNER shall pay the remainder of the Contract Price as recommended by ENGINEER as provided in said paragraph 14.07.

ARTICLE 7 – INTEREST

7.01 All moneys not paid when due as provided in Article 14 of the General Conditions shall bear interest at the rate of ***0%*** per annum.

ARTICLE 8 – CONTRACTOR'S REPRESENTATIONS

8.01 In order to induce OWNER to enter into this Agreement CONTRACTOR makes the following representations:

A. CONTRACTOR has examined and carefully studied the Contract Documents and the other related data identified in the Bidding Documents.

B. CONTRACTOR has visited the site and become familiar with and is satisfied as to the general, local, and Site conditions that may affect cost, progress, and performance of the Work.

C. CONTRACTOR is familiar with and is satisfied as to all federal, state, and local Laws and Regulations that may affect cost, progress, and performance of the Work.

D. CONTRACTOR has carefully studied all: (1) Geotechnical Investigations, explorations and tests of subsurface conditions at or contiguous to the Site and all drawings of physical conditions in or relating to existing surface or subsurface structures at or contiguous to the Site which have been identified in the Supplementary Conditions as provided in paragraph 4.02 of the General Conditions.

E. CONTRACTOR does not consider that any further examinations, investigations, explorations, tests, studies, or data are necessary for the performance of the Work at the Contract Price, within the Contract Times, and in accordance with the other terms and conditions of the Contract Documents.

F. CONTRACTOR is aware of the general nature of work to be performed by OWNER and others at the Site that relates to the Work as indicated in the Contract Documents.

G. CONTRACTOR has correlated the information known to CONTRACTOR, information and observations obtained from visits to the Site, reports and drawings identified in the Contract Documents, and all additional examinations, investigations, explorations, tests, studies, and data with the Contract Documents.

H. CONTRACTOR has given ENGINEER written notice of all conflicts, errors, ambiguities, or discrepancies that CONTRACTOR has discovered in the Contract Documents, and the written resolution thereof by ENGINEER is acceptable to CONTRACTOR.

I. The Contract Documents are generally sufficient to indicate and convey understanding of all terms and conditions for performance and furnishing of the Work.`

ARTICLE 9 – CONTRACT DOCUMENTS

9.01 Contents

A. The Contract Documents consist of the following in their entirety:

2. Performance Bond;
3. Payment Bond;
4. Maintenance Bond;
5. General Conditions;
6. Supplementary Conditions;
7. Specification as listed in the table of contents of the Project Manual;
8. Drawings;
9. All Addenda;
10. Exhibits to this Agreement:
    a. CONTRACTOR'S Bid Response;
    b. CONTRACTOR'S Insurance
    c. Documentation submitted by CONTRACTOR prior to Notice of Award

11. The following which may be delivered or issued on or after the Effective Date of the Agreement and are not attached hereto:

    a. Written Amendments;

    b. Work Change Directives;

    c. Change Order(s).

B. The documents listed in paragraph 9.01. Are attached to this Agreement (except s expressly noted otherwise above).

C. There are no Contract Documents other than those listed above in this Article 9.

D. The Contract Documents may only be amended, modified, or supplemented as provided in paragraph 3.04 of the General Conditions.

ARTICLE 10 – MISCELLANEOUS

10.01 Terms

A. Terms used in this Agreement will have the meanings indicated in the General Conditions.

10.02 Assignment of Contract

A. No assignment by a party hereto of any rights under or interests on the Contract will be binding on another party hereto without the written consent of the party sought to be bound; and, specifically but without limitation, moneys that may become due and moneys that are due may not be assigned without such consent (except to the extent that the effect of this restriction may be limited by law), and unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under the Contract Documents.

10.03 Successors and Assigns

A. OWNER and CONTRACTOR each binds itself, its partners, successors, assigns, and legal representatives to the other party hereto, its partners, successors, assigns, and legal representatives in respect to all covenants, agreements, and obligations contained in the Contract Documents.

10.04 Severability

A. Any provision or part of the Contract Documents held to be void or unenforceable under any Law of Regulation shall be deemed stricken, and all remaining provisions shall continue to be valid and binding upon OWNER and CONTRACTOR, who agree that the Contract Documents shall be reformed to replace such stricken provision or part thereof with a valid and enforceable provision that comes as close as possible to expressing the intention of the stricken provision.

10.05 Contractor's Certifications

A. Contractor certifies that it has not engaged in corrupt, fraudulent, collusive, or coercive practices in competing for or in executing the Contract. For the purposes of this Paragraph 10.05:

1. "corrupt practice" means the offering, giving, receiving, or soliciting of anything of value likely to influence the action of a public official in the bidding process or in the Contract execution;

2. "fraudulent practice" means an intentional misrepresentation of facts made (a) to influence the bidding process or the execution of the Contract to the detriment of Owner, (b) to establish Bid or Contract prices at artificial non-competitive levels, or (c) to deprive Owner of the benefits of free and open competition;

3. “collusive practice” means a scheme or arrangement between two or more Bidders, with or without the knowledge of Owner, a purpose of which is to establish Bid prices at artificial, non-competitive levels; and

4. “coercive practice” means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the bidding process or affect the execution of the Contract.

IN WITNESS WHEREOF, OWNER and CONTRACTOR have assigned this Agreement in duplicate. One counterpart each has been delivered to OWNER and CONTRACTOR. All portions of the Contract Documents have been signed or identified by OWNER and CONTRACTOR or on their behalf.

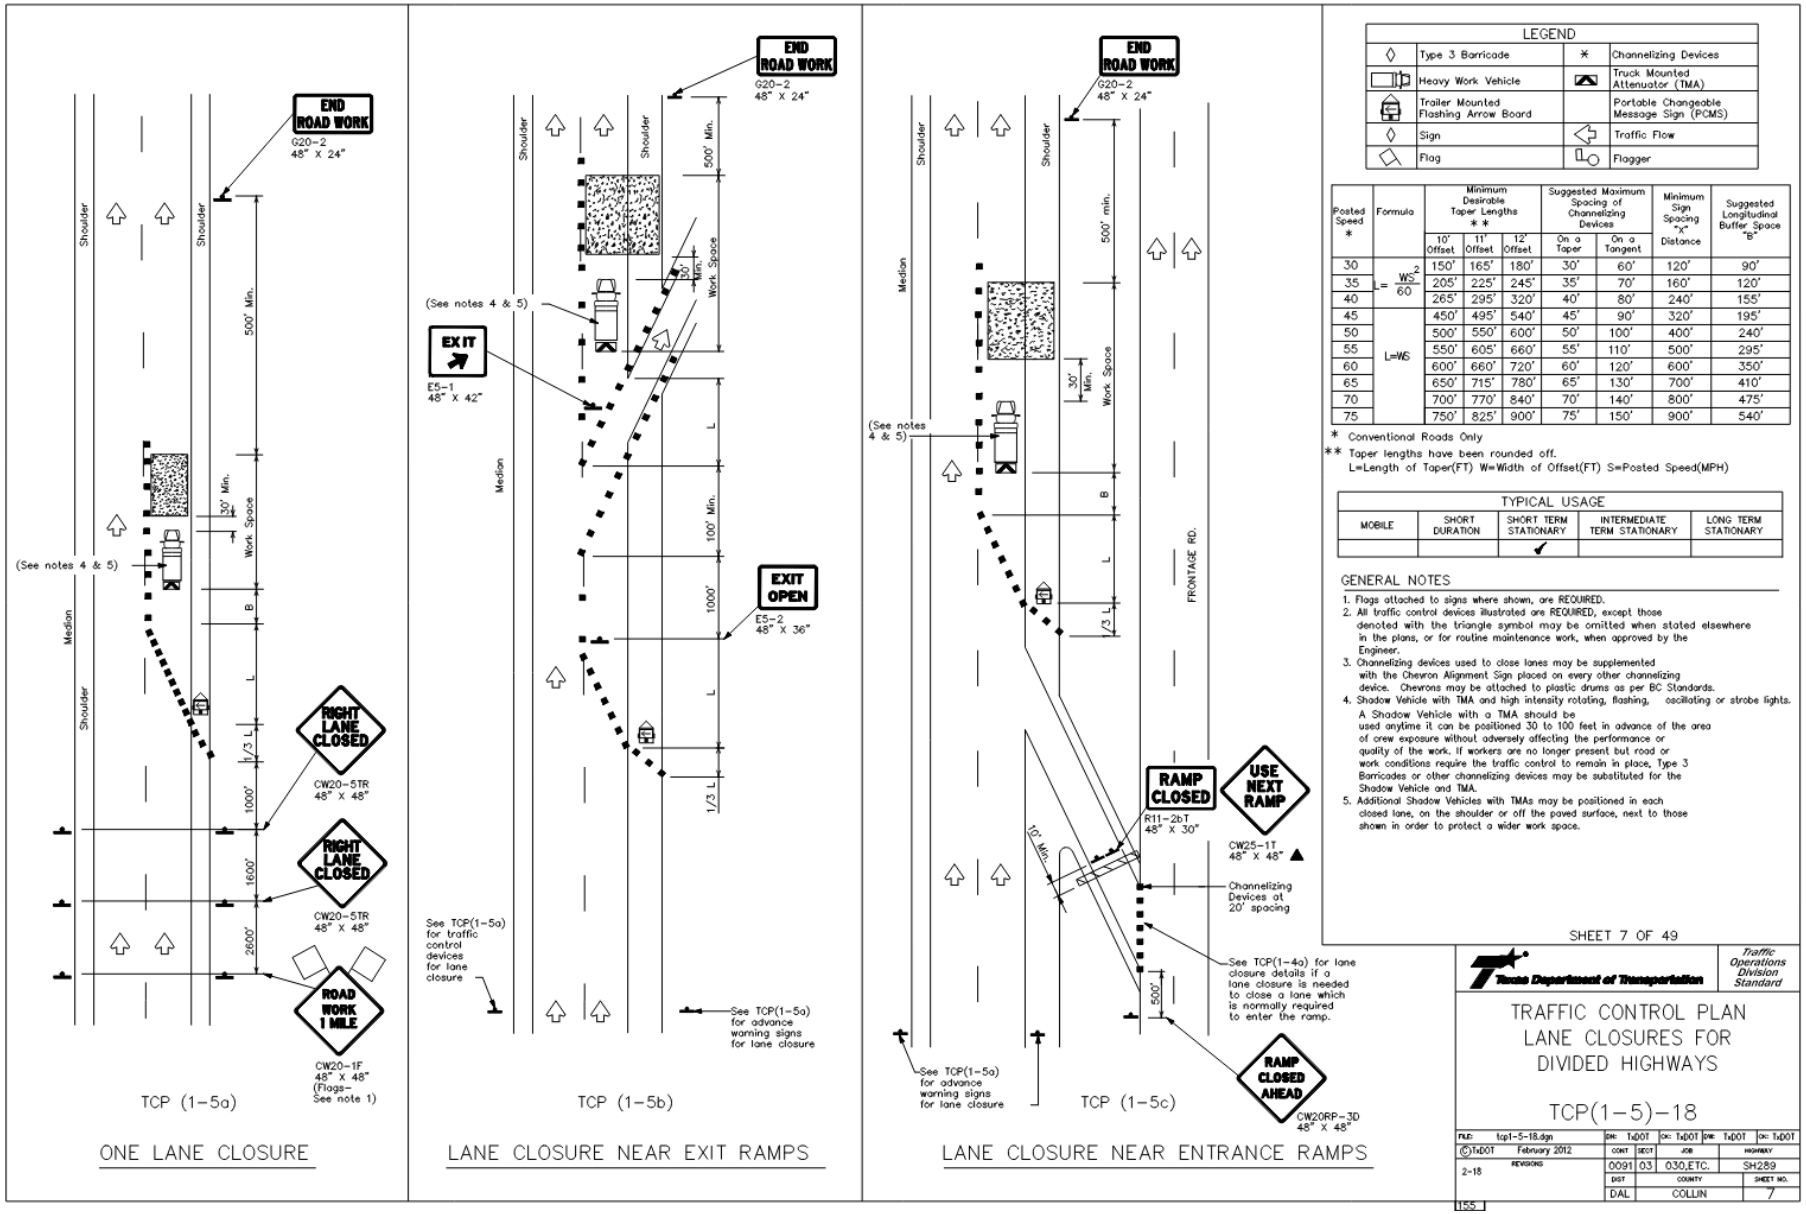
Director of Engineering

PROJECT EXTENTS



FACTS

A. Background: On March 7, 2024, City Council authorized the award of BID 2024-076 for the construction of the Preston Road Green Ribbon project to C. Green Scaping, LP. Plans were approved by TXDOT for advertising. However, a line item for Truck Mounted Attenuators (TMA) was not included in the bid. TXDOT will not allow lane closures on Preston without the use of TMAs in the traffic control.

B. Action requested: Consider and act to authorize a change order with C. Green Scaping LP for an amount not to exceed $106,712.64 to add additional traffic control devices requested by the Texas Department of Transportation (TXDOT) to begin work.

C. Total cost: $106,712.64

Re:	Ariana PID Petition Acceptance

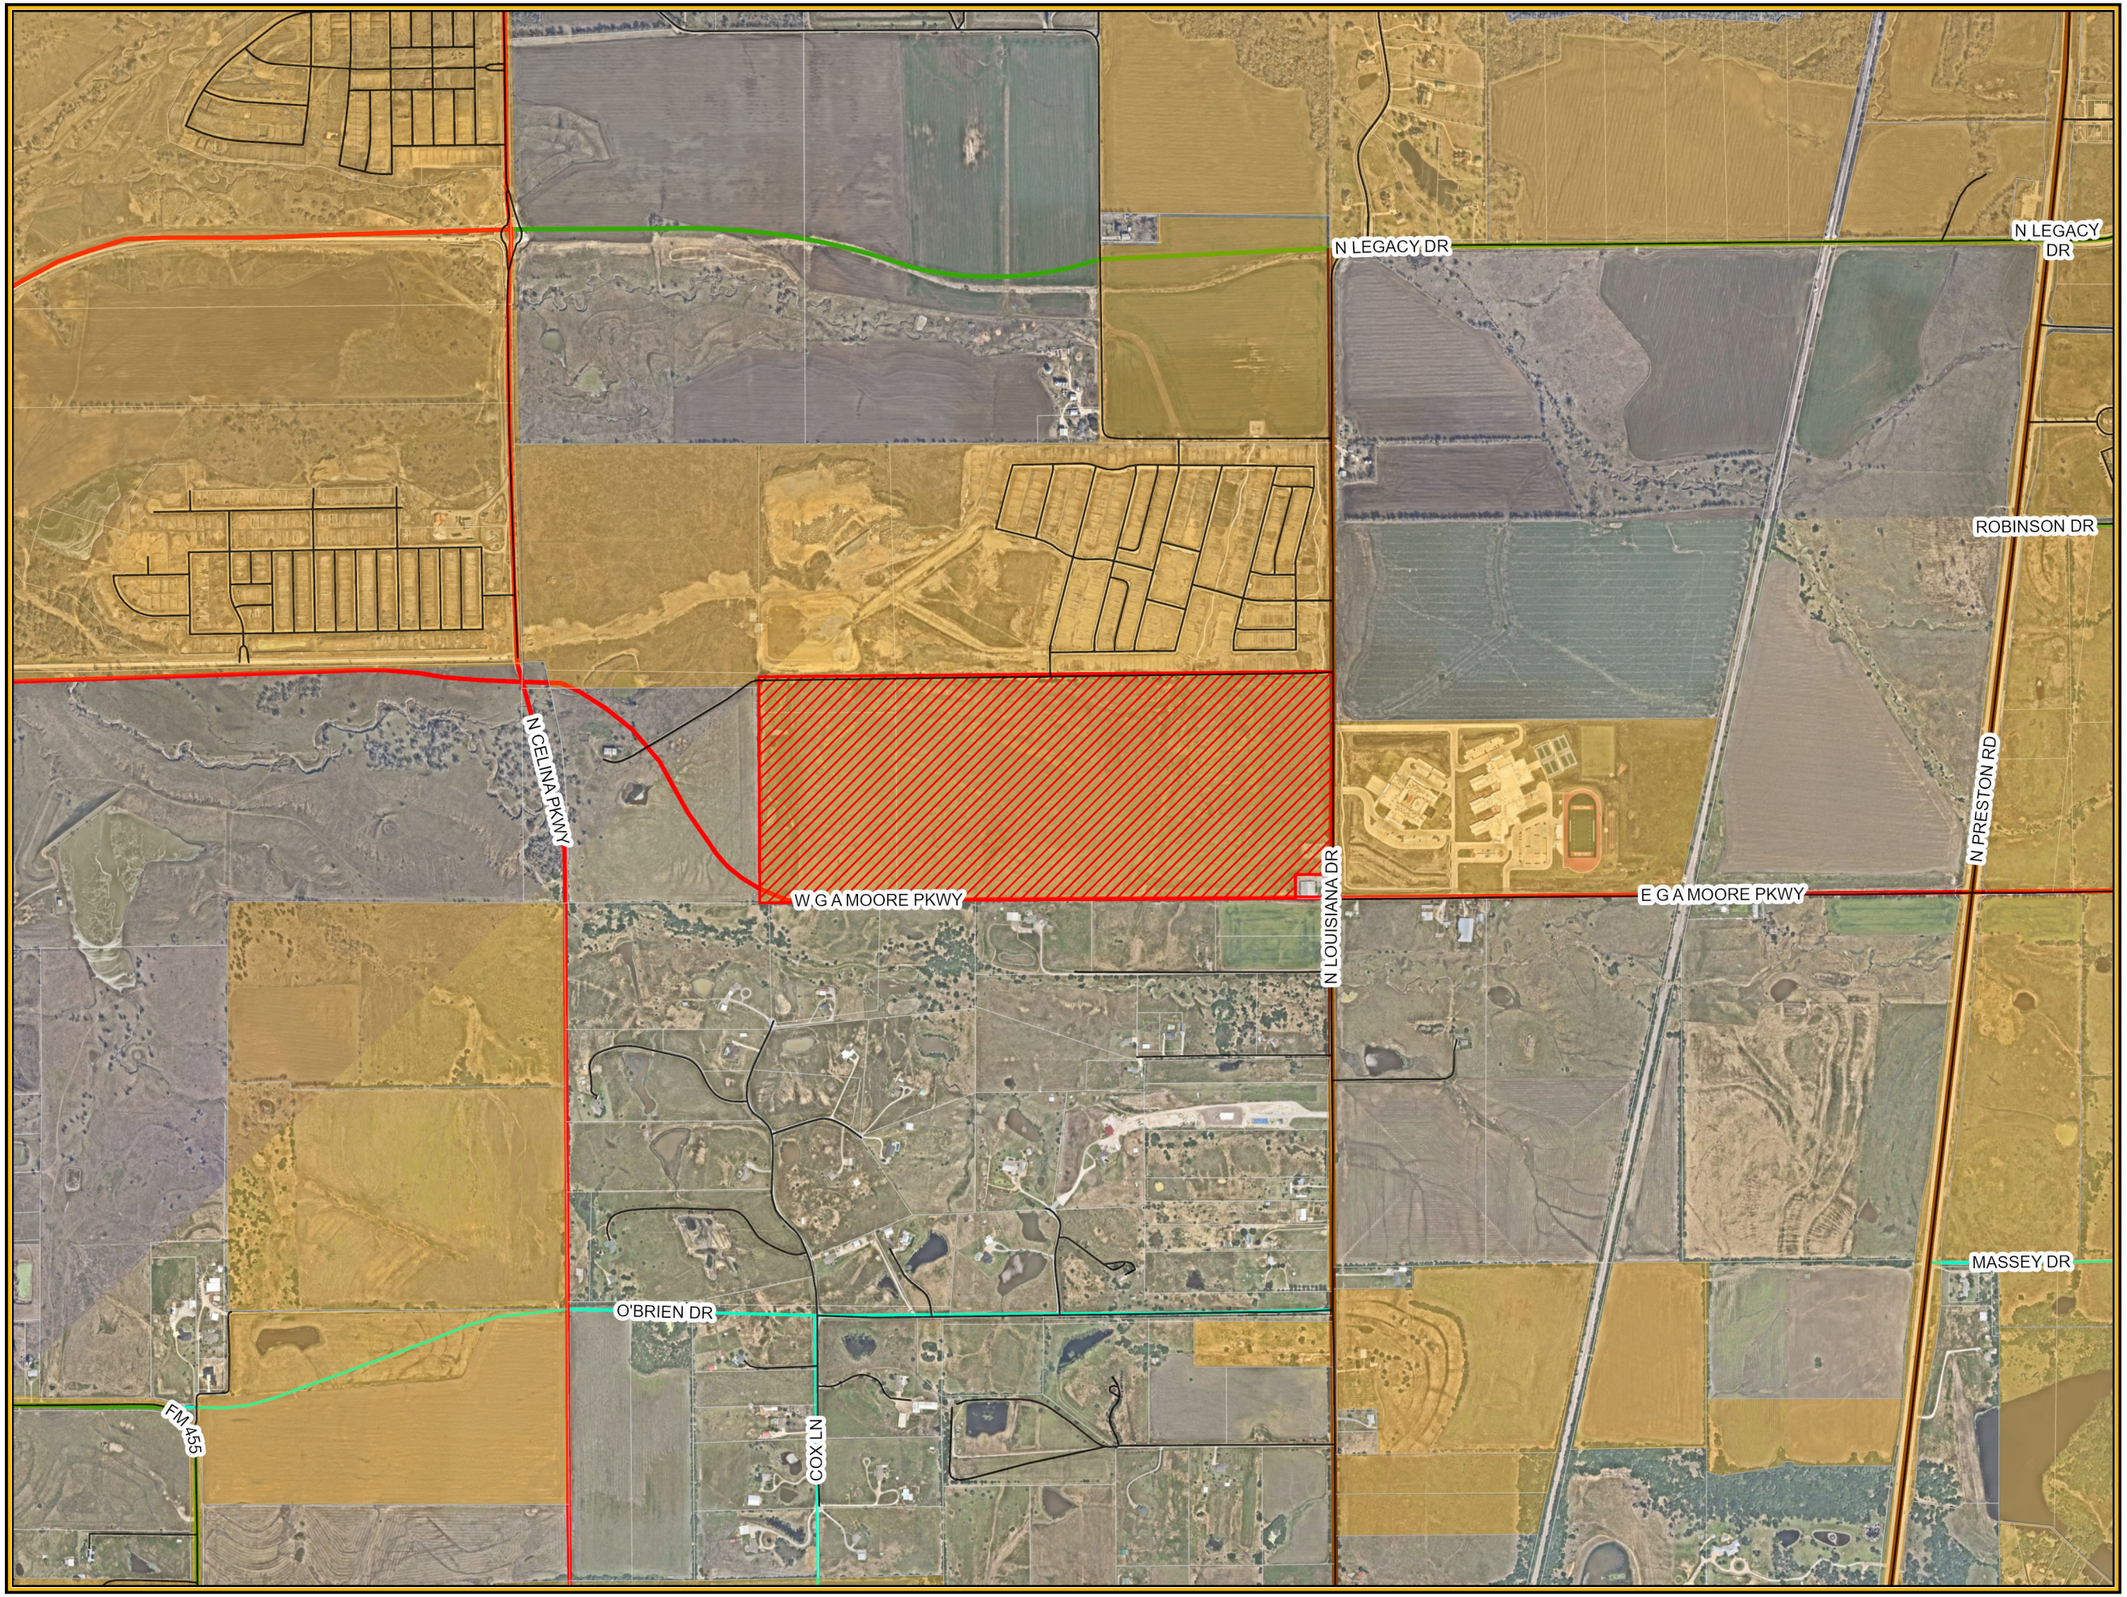
Action Requested:
Consider and act upon a resolution of the City of Celina, Texas, accepting a petition seeking the creation of the Ariana Public Improvement District within the corporate boundaries of the City and calling for a public hearing for the City Council's September 10, 2024, meeting. (Kearney)

Background Information:
The City received a petition from North Sky Ariana, LLC and Ariana, LLC to establish the Ariana Public Improvement District. The petition is for property located at GA Moore Parkway and Louisiana Drive, near Martin Elementary School in the north-central area of Celina.

The process for the creation of a public improvement district (PID) is:

- The property owner/developer files a petition to establish the PID with the City.
- Council considers accepting the petition and calling a public hearing for a future Council Meeting to receive public input regarding the PID.
- If Council accepts the petition and calls the public hearing, a public hearing is held at the next Council Meeting.
- At the conclusion of the public hearing, City Council may consider approving the creation of the PID.

If Council approves the creation of the Ariana PID, staff will work with the developer on each phase and bring a service and assessment plan for each phase to City Council for consideration. The Service and Assessment Plans establish the assessments on each property within the PID.



The Resolution before City Council is to accept the petition for the creation of the Ariana PID and call a public hearing at the City Council Meeting on September 10, 2024. The Resolution does not create the PID.

RESOLUTION NO. _____

RESOLUTION ACCEPTING A PETITION FOR AND CALLING A PUBLIC HEARING ON THE ADVISABILITY OF THE PUBLIC IMPROVEMENTS AND CREATION OF ARIANA PUBLIC IMPROVEMENT DISTRICT WITHIN THE CITY OF CELINA, TEXAS PURSUANT TO CHAPTER 372, TEXAS LOCAL GOVERNMENT CODE; AUTHORIZING THE MAILING AND PUBLICATION OF NOTICE OF THE PUBLIC HEARING RELATED THERETO; AND RESOLVING OTHER MATTERS IN CONNECTION THEREWITH

WHEREAS, the City Council of the City (the "City Council") of Celina, Texas (the "City") has received a petition (the "Petition") requesting creation of a public improvement district to be named Ariana Public Improvement District (the "District") under Chapter 372 of the Texas Local Government Code (the "Act"), from the record owners of taxable real property representing more than fifty percent (50%) of the appraised value of the real property liable for assessment (as determined by the most recent certified appraisal roll for Collin County) in the proposed District and the record owners of taxable real property that constitutes more than 50% of all of the area of all taxable real property that is liable for assessment in the proposed District; and

WHEREAS, the Petition, a copy of which is attached hereto as Exhibit A, has been examined, verified, previously accepted and found to meet the requirements of Section 372.005(b) of the Act and to be sufficient for consideration by the City Council; and

WHEREAS, the boundaries of the proposed District are described in the attachment to the Petition, said area for the District being within the corporate limits of the City; and

WHEREAS, the City Council acknowledges the acceptance of the Petition and desires to schedule a public hearing to consider the advisability of the improvements and creation of the District;

WHEREAS, the general nature of the proposed public improvements to be provided by the District that are necessary for the development of the Property within the District and which shall promote the interests of the City and confer a special benefit upon the Property, may include: (i) street and roadway improvements, including related sidewalks, drainage, utility relocation, signalization, landscaping, lighting, signage, off-street parking and right-of-way; (ii) establishment or improvement of parks and open space, together with the design, construction of any ancillary structures, features or amenities such as trails, playgrounds, walkways, lighting and any similar items located therein; (iii) sidewalks and landscaping, including entry monuments and features, fountains, lighting and signage; (iv) acquisition, construction, and improvement of water, wastewater and drainage improvements and facilities; (v) acquisition of real property, interests in real property, or contract rights in connection with the Authorized Improvements; (vi) payment of costs, including, without limitation, design, engineering, permitting, legal, required payment, performance and maintenance bonds, bidding, support, construction, construction management, administrative and inspection costs, associated with developing and financing the public improvements listed in (i) through (v) above; (vii) projects similar to those listed in subsections (i)

- (v) above or authorized by the Act, including similar off-site projects that provide a benefit to the property within the District; (viii) payment of costs associated with special supplemental services for improvement and promotion of the District as approved by the City including services related to advertising, promotion, health and sanitation, water and wastewater, public safety, security, business recruitment, development, recreation, and cultural enhancement; and (ix) payment of costs associated with developing and financing the public improvements listed in (i) - (viii) above, as well as the interest, costs of issuance, reserve funds, or credit enhancement of bonds issued for the purposes described in (i) through (viii) above, and costs of establishing, administering and operating the District (collectively, the "Authorized Improvements").

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS AS FOLLOWS:

Section 1: THAT the public hearing is hereby scheduled at or after 4 p.m., on September 10, 2024, at Celina City Hall, 142 North Ohio Street, Texas 75009 to receive public comment on the advisability of the improvements, nature of the improvements, estimated costs of the improvements, boundaries of the District, the method of assessment, and the apportionment of costs and creation of the District in the area described in the Petition attached as Exhibit A, pursuant to the Act; and

Section 2: THAT notice of said hearing, in the substantially final form presented herewith in Exhibit B with such changes as may be approved by the City's counsel, shall be published in a newspaper of general circulation in the City before the 15th day prior to the date of the hearing as required by the Act; and

Section 3: THAT written notice, in the substantially final form presented herewith in Exhibit B with such changes as may be approved by the City's counsel, shall be mailed to each property owner, as reflected on the tax rolls, of property subject to assessment within the proposed District before the 15th day prior to the date set for the hearing.

Section 4: THAT the recitals contained in the preamble hereof are found to be true and such recitals are hereby made a part of this Resolution for all purposes and are adopted as a part of the judgement and findings of the City Council.

Section 5: THAT it is officially found, determined, and declared that the meetings at which this Resolution is adopted was open to the public and public notice of the time, place, and subject matter of the public business to be considered at such meeting, including this Resolution was given, all as required by Chapter 551, Texas Government Code, as amended.

Section 6: THAT this Resolution shall be in force and effect from and after its final passage and it is so resolved.

STATE OF TEXAS	§	
	§	PETITION TO ESTABLISH ARIANA
COUNTY OF COLLIN	§	PUBLIC IMPROVEMENT DISTRICT

TO THE HONORABLE GOVERNING BODY OF THE CITY OF CELINA:

COMES NOW CCD – North Sky Ariana, LLC, a Texas limited liability company and Ariana, LLC, a Texas limited liability company (the "Petitioners"), hereby request and petitions the City of Celina (the "City") to establish Ariana Public Improvement District (the "District") under and pursuant to the provisions of Chapter 372, Texas Local Government Code, on the hereinafter described property situated within the corporate limits of the City, and in support thereof would respectfully show the following:

I.

The general nature of the proposed public improvements to be provided by the District that are necessary for the development of the Property within the District and which shall promote the interests of the City and confer a special benefit upon the Property, may include: (i) street and roadway improvements, including related sidewalks, drainage, utility relocation, signalization, landscaping, lighting, signage, off-street parking and right-of-way; (ii) establishment or improvement of parks and open space, together with the design, construction of any ancillary structures, features or amenities such as trails, playgrounds, walkways, lighting and any similar items located therein; (iii) sidewalks and landscaping, including entry monuments and features, fountains, lighting and signage; (iv) acquisition, construction, and improvement of water, wastewater and drainage improvements and facilities; (v) acquisition of real property, interests in real property, or contract rights in connection with the Authorized Improvements (as defined below); (vi) payment of costs, including, without limitation, design, engineering, permitting, legal, required payment, performance and maintenance bonds, bidding, support, construction, construction management, administrative and inspection costs, associated with developing and financing the public improvements listed in (i) through (v) above; (vii) projects similar to those listed in subsections (i) - (v) above or authorized by the Act, including similar off-site projects that provide a benefit to the property within the District; (viii) payment of costs associated with special supplemental services for improvement and promotion of the District as approved by the City including services related to advertising, promotion, health and sanitation, water and wastewater, public safety, security, business recruitment, development, recreation, and cultural enhancement; and (ix) payment of costs associated with developing and financing the public improvements listed in (i) - (viii) above, as well as the interest, costs of issuance, reserve funds, or credit enhancement of bonds issued for the purposes described in (i) through (viii) above, and costs of establishing, administering and operating the District (collectively, the "Authorized Improvements").

II.

The estimated costs of constructing and acquiring all of the currently proposed Authorized Improvements, together with bond issuance costs, legal and financial fees, letter of credit fees and

expenses, bond credit enhancement expenses, capitalization of bond interest, the creation of a bond reserve fund, expenses incurred in the establishment, administration and operation of the District and acquisition, by purchase or otherwise, of real property or contract rights in connection with each authorized improvement, is presently estimated to be a total of approximately $50,000,000, based on the estimated current and future costs of the Authorized Improvements to serve the area within the District, as authorized by law. The total costs of the Authorized Improvements shall be paid from any revenues or assessments lawfully available to the City, anticipating that the costs of acquisition of the Authorized Improvements will be paid pursuant to a contractual reimbursement obligation or the issuance of bonds secured by and payable from a special assessment levied on all property within the District's boundaries for the Authorized Improvements.

III.

The boundaries of the proposed District are fully described in Exhibit "A," attached hereto and made a part hereof for all purposes.

IV.

The proposed method of assessment is to impose a special assessment to be paid in installments on all useable property within the District, net of any public right-of-way, according to the value of the property, without regard to the value of improvements on the property, or in any other manner that results in imposing equal shares of the cost on property similarly benefitted. A report will be prepared showing the special benefits accruing to property within the District and how the costs of the Authorized Improvements are assessed to property on the basis of special benefit received by the property from the Authorized Improvements.

V.

All costs incurred by the District shall be paid by the District, and there shall be no apportionment of costs between the District and the City as a whole. The City will not be obligated to provide any funds to finance the proposed improvements except from assessments generated by property within the District.

VI.

Management and administration of the District shall be by the City. The City may contract from time to time with a private company for District administrative services.

VII.

The individuals executing this Petition are duly authorized to execute this Petition, and the Petitioners request the establishment of the District.

VIII.

An Advisory Board may be established to develop and recommend an improvement plan to the City Council of the City of Celina (the "Council"). The Petitioners request that if the Council establishes an Advisory Board, that such Advisory Board should include representatives of the Petitioners or their designees.

IX.

This Petition has been executed for and on behalf of (i) the owners of more than 50% of the taxable real property described in said Exhibit A**,** representing all of the appraised value of taxable real property liable for assessment under this Petition as shown by the current roll of the Collin County Appraisal District, and (ii) the record owners of more than 50% of the real property liable for assessment under this Petition, and shall be filed with the Secretary of the City. The Petitioners own 100% of the property to be located in the District and liable for assessment.

WHEREFORE, PREMISES CONSIDERED, Petitioners pray that the Council:

(1) duly consider this Petition and adopt a Resolution finding (i) that this Petition complies with all legal requirements; (ii) that the proposed Authorized Improvements are necessary, advisable and will provide a public use and benefit to the City; and (iii) that the estimated costs of the improvements, the method of assessment and the apportionment of costs between the District and the City of Celina are reasonable and acceptable;

(2) call a public hearing, give notice thereof as required by law and hold such hearing on the advisability of the Authorized Improvements specified in this Petition; and

(3) grant all matters requested in this Petition and grant such other relief, in law or in equity, to which Petitioners shall show themselves to be entitled.

NOTICE OF PUBLIC HEARING

NOTICE OF PUBLIC HEARING OF THE CITY COUNCIL OF THE CITY OF CELINA TO CONSIDER THE ADVISABILITY OF THE IMPROVEMENTS AND CREATION OF A PUBLIC IMPROVEMENT DISTRICT WITHIN THE CITY TO MAKE CERTAIN IMPROVEMENTS OVER CERTAIN PROPERTIES LOCATED WITHIN THE BOUNDARIES OF THE CITY

NOTICE IS HEREBY GIVEN THAT the City Council of the City of Celina, Texas (the "City"), pursuant to Chapter 372.009 of the Texas Local Government Code, as amended, (the "Act"), will hold a public hearing at or after 4 p.m. on September 10, 2024, at Celina City Hall, 142 North Ohio Street, Celina, Texas 75009 for the purpose of considering the establishment of a public improvement district to be located within the corporate limits of the City.

In accordance with the Act, the City Secretary has received a petition (the "Petition") from certain property owners within the City that request the establishment of the Ariana Public Improvement District.

The Petition and the legal description of the properties to be included in the public improvement district are on file and open for public inspection in the office of the City Secretary at the address stated above. The public hearing is being held with respect to the advisability of creating Ariana Public Improvement District and the respective improvements to be made therein.

The general nature of the proposed public improvements to be provided by the District that are necessary for the development of the Property within the District and which shall promote the interests of the City and confer a special benefit upon the Property, may include: (i) street and roadway improvements, including related sidewalks, drainage, utility relocation, signalization, landscaping, lighting, signage, off-street parking and right-of-way; (ii) establishment or improvement of parks and open space, together with the design, construction of any ancillary structures, features or amenities such as trails, playgrounds, walkways, lighting and any similar items located therein; (iii) sidewalks and landscaping, including entry monuments and features, fountains, lighting and signage; (iv) acquisition, construction, and improvement of water, wastewater and drainage improvements and facilities; (v) acquisition of real property, interests in real property, or contract rights in connection with the Authorized Improvements; (vi) payment of costs, including, without limitation, design, engineering, permitting, legal, required payment, performance and maintenance bonds, bidding, support, construction, construction management, administrative and inspection costs, associated with developing and financing the public improvements listed in (i) through (v) above; (vii) projects similar to those listed in subsections (i) - (v) above or authorized by the Act, including similar off-site projects that provide a benefit to the property within the District; (viii) payment of costs associated with special supplemental services for improvement and promotion of the District as approved by the City including services related to advertising, promotion, health and sanitation, water and wastewater, public safety, security, business recruitment, development, recreation, and cultural enhancement; and (ix) payment of

costs associated with developing and financing the public improvements listed in (i) - (viii) above, as well as the interest, costs of issuance, reserve funds, or credit enhancement of bonds issued for the purposes described in (i) through (viii) above, and costs of establishing, administering and operating the District (collectively, the "Authorized Improvements").

The current estimated cost to fund the Authorized Improvements is $50,000,000.

The boundaries of the proposed Ariana Public Improvement District are approximately 120.444 acres all of which are located in the corporate limits of the City, located north of Private Road 5524 and west of N. Louisiana Drive. A full description of the boundaries of the proposed Ariana Public Improvement District is available at Celina City Hall, 142 North Ohio Street, Celina, Texas 75009.

The City shall levy assessments on each lot within the public improvement district in a manner that results in imposing equal shares of the costs on property similarly benefited. All assessments may be paid in full at any time (including accrued and unpaid interest), and certain assessments may be paid in annual installments (including interest and debt). If an assessment is allowed to be paid in installments, then the installments must be paid in amounts necessary to meet annual costs for those Authorized Improvements financed in part by the assessment, and must continue for a period necessary to retire the indebtedness on those Authorized Improvements (including interest).

All of the costs of the Authorized Improvements will be paid from assessments levied on properties in the public improvement district and/or from other sources of funds of the developer.

All interested persons are invited to attend such public hearings to express their views with respect to the establishment of Ariana Public Improvement District and the respective Authorized Improvements to be made therein. Questions or requests for additional information may be directed to Drew Slone, Locke Lord LLP, dslone@lockelord.com; (214) 740-8094.

Any interested persons unable to attend the hearing may submit their views in writing to the City Secretary prior to the date scheduled for the hearing.

This Notice of Public Hearing is given and the public hearing is being held pursuant to the requirements of the Act.

RESOLUTION 2024-____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, APPROVING CERTAIN TAX INCREMENT REINVESTMENT ZONE NUMBER ELEVEN PROJECT EXPENDITURES; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Celina, Texas (hereinafter referred to as the "City"), pursuant to Chapter 311 of the Texas Tax Code, as amended (hereinafter referred to as the "Act"), may designate a geographic area within the City as a tax increment reinvestment zone if the area satisfies the requirements of the Act; and

WHEREAS, on December 12, 2017, pursuant to and as required by the Act, the governing body of the City (hereinafter referred to as the "City Council") approved and adopted by Ordinance No. 2017-136 a Final Reinvestment Zone Financing Plan and a Final Project Plan for Tax Increment Reinvestment Zone Number Eleven, City of Celina, Texas; and

WHEREAS, the Board of Directors of Tax Increment Reinvestment Zone Number Eleven, City of Celina, Texas (the "Board"), authorized, through the passage of Resolution No. 2021-77R on September 14, 2021, certain expenditures for the first installment to purchase property in the amount of $400,000 with 201 Preston Road LLC – Right of Way required for the reconstruction of Elm Street, directly related to facilitating and encouraging development within the Tax Increment Reinvestment Zone Number Eleven (the "Zone"), and the Board found such expenditures were authorized expenditures under the Act; and

WHEREAS, the Board of Directors of Tax Increment Reinvestment Zone Number Eleven, City of Celina, Texas, authorized through the passage of a Resolution on September 13, 2024, the fourth and final installment for certain expenditures for the purchase of property of $400,000 with 201 Preston Road LLC – Right of Way required for the reconstruction of Elm Street, directly related to facilitating and encouraging development within the Zone; all of which the Board found were authorized expenditures under the Act; and

WHEREAS, the Board of Directors of Tax Increment Reinvestment Zone Number Eleven, City of Celina, Texas, authorized through the passage of a Resolution on September 13, 2024, for payment of certain expenditures for the Patio Project with a cost not to exceed $185,434, directly related to facilitating and encouraging development within the Zone; all of which the Board found were authorized expenditures under the Act.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS:

SECTION 1. The findings set forth above are incorporated into the body of this Resolution as if fully set forth herein.

SECTION 2. That the City Council hereby approves the expenditures authorized by the Board of Directors of Tax Increment Reinvestment Zone Number Eleven, City of Celina, Texas,

(1) certain expenditures for the fourth and final installment to purchase property of $400,000 with 201 Preston Road LLC – Right of Way required for the reconstruction of Elm Street, and (2) expenditures for the Patio Project with a cost not to exceed $185,434, both directly related to facilitating and encouraging development within the Zone.

SECTION 3. That if any section, article paragraph, sentence, clause, phrase or word in this Resolution, or the application thereto to any persons or circumstances, is held invalid or unconstitutional by a Court of competent jurisdiction, such holding shall not affect the validity of the remaining portions of this Resolution; and the City Council hereby declares it would have passed such remaining portions of this Resolution despite such invalidity, which remaining portions shall remain in full force and effect.

SECTION 4. That this Resolution shall become effective from and after its date of passage in accordance with law.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THIS THE 13th DAY OF AUGUST 2024.

Re:	FY 2024 Budget Amendment

Action Requested:
Consider and act on an Ordinance amending Ordinance No. 2023-108 which adopted and approved the budget for fiscal year beginning October 1, 2023, and ending September 30, 2024, and make appropriations for each department, project, and account, by adopting an amended 2023-2024 budget for the City of Celina reallocating funds between accounts, attached hereto and incorporated into this Ordinance. (Bromiley)

Background Information:
The City of Celina City Council adopts an annual operating budget that provides for approval of expenditures from October 1, 2023, to September 30, 2024. During the fiscal year, staff may need to provide the City Council budget amendment(s) to change the total appropriation for the FY 2023-2024 Budget. The proposed amendment authorizes the use of insurance proceeds received for vehicle repairs and a transfer out from the General Fund to the Stabilization Fund. The Stabilization Fund protects the General Fund from unanticipated reductions in one-time development revenues that may occur during economic downturns.

CITY OF CELINA, TEXAS
ORDINANCE NO. 2024-____

AN ORDINANCE OF THE CITY OF CELINA, TEXAS AMENDING ORDINANCE 2023-108, WHICH ADOPTED AND APPROVED THE BUDGET FOR FISCAL YEAR BEGINNING OCTOBER 1, 2023 AND ENDING SEPTEMBER 30, 2024, AND MAKE APPROPRIATIONS FOR EACH DEPARTMENT, PROJECT AND ACCOUNT, BY ADOPTING AN AMENDED FISCAL YEAR 2023-2024 BUDGET FOR THE CITY OF CELINA, TEXAS, REALLOCATING FUNDS BETWEEN ACCOUNTS PURSUANT TO EXHIBIT "A", ATTACHED HERETO AND INCORPORATED INTO THIS ORDINANCE; PROVIDING FOR INCORPORATION OF PREMISES; PROVIDING FOR FILING OF THE AMENDED BUDGET AND ORDINANCE; PROVIDING A CUMULATIVE CLAUSE; PROVIDING FOR PUBLICATION; PROVIDING FOR ENGROSSMENT AND ENROLLMENT; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Celina is conducting business pursuant to a budget for fiscal year 2023-2024, heretofore previously adopted by Ordinance 2023-108; and

WHEREAS, Section 102.010 of the Texas Local Government Code authorizes the governing body of a municipality to make changes in the budget for municipal purposes; and

WHEREAS, the City Council has reviewed various line items within the budget and has determined that a valid municipal purpose is served by reallocating funds between various budget line items; and

WHEREAS, a proposed amendment to the budget has been placed on file with the City Secretary of the City of Celina, Texas.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS:

SECTION 1. The above and foregoing premises are incorporated into the body of this Ordinance as if copied herein in their entirety.

SECTION 2. The City's budget for the fiscal year ending September 30, 2024, heretofore previously adopted by Ordinance 2023-108 duly enacted by the City Council of the City of Celina on the 12th day of September, 2023, be and is hereby amended as set out in Exhibit "A" attached hereto and incorporated herein, which amendment is hereby, in all respects, finally approved and adopted as so changed; the remainder of the budget being unchanged and remaining in full force and effect as originally adopted.

SECTION 3. That the amounts specified in Exhibit "A" be hereby appropriated and reallocated as specified for those purposes designated in Exhibit "A".

SECTION 4. The City Manager shall file or cause to be filed a true and correct copy of the amended budget, along with this Ordinance, with the City Secretary and in the office of the County Clerk of Collin County, Texas and Denton County, Texas.

SECTION 5. This Ordinance shall be cumulative of all provisions of Ordinances of the City of Celina, Texas, except where the provisions of this Ordinance are in direct conflict with the provisions of such Ordinances, in which event the conflicting provisions of such Ordinances are hereby repealed.

SECTION 6. The provisions of this Ordinance are severable. However, in the event this Ordinance or any procedure provided in this Ordinance becomes unlawful, or is declared or determined by a judicial, administrative or legislative authority exercising its jurisdiction to be excessive, unenforceable, void, illegal or otherwise inapplicable, in whole, or in part, the remaining and lawful provisions shall be of full force and effect and the City shall promptly promulgate new revised provisions in compliance with the authority's decision or enactment.

SECTION 7. The City Secretary of the City of Celina is hereby directed to publish in the official newspaper of the City of Celina, the descriptive caption and effective date of this ordinance as required by Section 52.013 of the Local Government Code.

SECTION 8. The City Secretary is hereby directed to engross and enroll this Ordinance by copying the descriptive caption in the minutes of the City Council and by filing this ordinance in the ordinance records of the City.

SECTION 9. This Ordinance shall become effective from and after its date of passage in accordance with law.

IT IS SO ORDAINED.

Re:	Wilson Creek Meadows West Drainage Easement Abandonment

Action Requested:
Consider and act upon an Ordinance authorizing the release of the Drainage Easement dedicated to the City of Celina for a drainage channel to convey flows from Wilson Creek Meadows West Phase 1 to the flood plain. With the installation of storm infrastructure with Wilson Creek Meadows West Phase 2A and 2B the drainage channel and easement is no longer needed. (Glasgow)

Background Information:
Wilson Creek Meadows West Phase 1 created a drainage channel and drainage easement through their future phases to convey flow to the flood plain. Now that the future phases have installed storm infrastructure, the channel and drainage easement is no longer needed.

Legal Review:
Legal as previously approved the Easement Abandonment language for this ordinance.

ORDINANCE NO. 2024- _____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, VACATING AND ABANDONING ALL OF AN EASEMENT FOR DRAINAGE PURPOSES SITUATED IN THE M. WILHITE SURVEY, ABSTRACT NO. 1008 AND THE J. WESTOVER SURVEY, ABSTRACT NO. 1030, COLLIN COUNTY, TEXAS; SAID EASEMENT BEING PART OF A TRACT OF LAND DESCRIBED IN A SPECIAL WARRANTY DEED TO PULTE HOMES OF TEXAS, L.P. RECORDED IN INSTRUMENT NO. 20210623001270630 OF THE OFFICIAL PUBLIC RECORDS OF COLLIN COUNTY, TEXAS AND CORRECTED BY INSTRUMENT NO. 20220307000368870 OF THE OFFICIAL PUBLIC RECORDS OF COLLIN COUNTY, TEXAS; AUTHORIZING THE MAYOR TO SIGN A RELEASE OF EASEMENT; AUTHORIZING THE CITY SECRETARY TO FILE THE RELEASE OF EASEMENT.

WHEREAS, by that certain Instrument No. 20220202000188070, dated the 20th day of January, 2022, recorded in the Official Public Records, the County of Collin, Texas, was granted a permanent and perpetual easement for the purpose of installing, repairing, maintaining, altering, replacing, relocating, rebuilding, removing, and operating drainage facilities in, into, upon, over, across, under and all through certain property more particularly described therein, the grantors of such easement being the Pulte Homes of Texas, L.P.; and

WHEREAS, the City of Celina has determined that it no longer needs the easement and rights conveyed to it by said instrument, and desires to release, remise, and relinquish all such interest created in the above-mentioned instrument insofar as it affects or appertains to the premises described therein, being the same premises described in the attached Exhibit "A"; and

WHEREAS, pursuant to Sec. 272.001, Texas Local Government Code, the City of Celina is authorized to release and convey an easement interest in land to the property owners who own the underlying fee simple; and

WHEREAS, the City Council has determined that the Original Easement no longer provides a public benefit and that the public would be best served by its abandonment

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1

The City does hereby vacate and abandon all of the rights, title, and interest of the City and the public in the said Original Easement that is located across the Property, as depicted in Exhibit "A," which exhibit is attached hereto and incorporated herein by reference for all purposes.

SECTION 2

The Mayor of the City of Celina is hereby authorized and empowered to execute, on behalf of the City, a release easement releasing title to the owners to the Property, all claims to title,

ownership or control of the Original Easement described in Section 1 of this Ordinance.

SECTION 3

The City Secretary is directed to file an original of the Release of Easement in the Deed Records of Collin County, Texas.

SECTION 4

If any section, article, paragraph, sentence, clause, phrase or word in this Ordinance is held invalid or unconstitutional by a Court of competent jurisdiction, such holding shall not affect the validity of the remaining portions of the Ordinance, and the City Council hereby declares it would have passed such remaining portions of the Ordinance despite such invalidity, which remaining portions shall remain in full force and effect.

SECTION 5

This Ordinance shall be in full force and effect from and after the date of its passage and publication as required by law, and it is so ordained.

PASSED AND APPROVED by the City Council of the City of Celina, Texas, this _____ day of _____2024.

IN WITNESS WHEREOF, this instrument is executed on this the _____ day of _____ 2024.

LOCATION MAP

Wilson Creek Meadows West

BACKGROUND

- Wilson Creak Meadows West Phase 1 recorded a drainage easement for a temporary drainage channel through their future phase in 2022
- Wilson Creek Meadows West Phase 2A an 2B are nearing completion of construction and storm drainage has been routed through the ROW in new storm pipes making the temporary channel and drainage easement unnecessary.
- Vacating the easement will allow a clean plat to be recorded showing no drainage easement on the back of the Phase 2B lots

Easement to be abandoned

Re:	Cambridge Crossing PID SAP Update

Action Requested:
Consider and act upon an Ordinance of the City of Celina, Texas, approving the 2024-2025 Annual Service Plan update to the Service and Assessment Plan for the Cambridge Crossing Public Improvement District and providing an effective date. (Bromiley)

Background Information:
The Cambridge Crossing PID was created by the City Council pursuant to the PID Act and a resolution approved on February 28, 2017. The PID is located approximately two miles west of Preston Road, approximately four and one-half miles north of US 380, and approximately 1,000 feet west of the Dallas North Tollway extension. The PID is anticipated to contain an estimated 1,528 residential units on approximately 484.074 acres within seven phases. The PID annual installments in the Annual Service Plan update include amounts for the payment of principal and interest on the PID bonds and reimbursement agreement, if any, PID administrative expenses, additional interest for prepayment and delinquency reserves and as applicable, TIRZ annual credit amounts committed to pay a portion of the PID bond principal and interest. The Service Plan is prepared annually and presented to Council as required by Chapter 372 of the Texas Local Government Code.

I. INTRODUCTION

The Cambridge Crossing Public Improvement District (the "PID") was created pursuant to the PID Act and a resolution of the City Council on January 10, 2017, to finance certain public improvement projects for the benefit of the property in the PID.

On August 14, 2018, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2018 (Cambridge Crossing Public Improvement District Phase #1 Project) (the "Phase #1 Bonds") in the aggregate principal amount of $9,555,000, and the City of Celina, Texas Special Assessment Revenue Bonds, Series 2018 (Cambridge Crossing Public Improvement District Phases #2-7 Major Improvement Project) (the "Phases #2-7 Major Improvement Bonds") in the aggregate principal amount of $13,795,000, were issued to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID.

A service and assessment plan (the "Service and Assessment Plan") was prepared at the direction of the City identifying the public improvements (the "Authorized Improvements") to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. The Service and assessment Plan was updated for Phase #2 on June 14, 2022, to incorporate reimbursement obligations for Phase #2 in the aggregate principal amount of $5,938,154 (the "Phase #2 Reimbursement Agreement") to finance the Phase #2 Improvements, and updated for Phase #3 on February 14, 2023 to incorporate reimbursement obligations for the Phase #3 in the aggregate principal amount of $7,708,239 (the "Phase #3 Reimbursement Agreement") to finance the Phase #3 Improvements (the "Updated Service and Assessment Plan").

Pursuant to the PID Act, the Updated Service and Assessment Plan must be reviewed and updated annually for the purpose of determining the annual budget for the Authorized Improvements. This document is the annual update of the Updated Service and Assessment Plan for 2024-25 (the "Annual Service Plan Update").

The City also adopted an assessment roll for Phase #1 of the PID (the "Phase #1 Assessment Roll"), Phases #2-7 of the PID (the Phases #2-7 Assessment Roll"), Phase #2 of the PID (the "Phase #2 Assessment Roll"), and Phase #3 of the PID (the "Phase #3 Assessment Roll") attached as Appendix H, Appendix G, Appendix I, and Appendix J respectively, to the Updated Service and Assessment Plan, identifying the assessments on each Parcel within the PID, based on the method of assessment identified in the Updated Service and Assessment Plan. This Annual Service Plan Update also updates the Phase #1 Assessment Roll, the Phases #2-7 Assessment Roll, the Phase #2 Assessment Roll and the Phase #3 Assessment Roll for 2024-25.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the "PID Assessment Notice") as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix H and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID us located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchaser before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Updated Service and Assessment Plan unless otherwise defined herein.

II. UPDATE OF THE SERVICE PLAN

A. UPDATED SOURCES AND USES FOR PUBLIC IMPROVEMENTS

Phase #1 Improvements Sources and Uses

Pursuant to the original Service and Assessment Plan adopted on August 14, 2018, the initial total estimated costs of the Phase #1 Improvements, including the proportional share of the Phases #2-7 Major Improvement costs and bond issuance costs, were equal to $9,906,948. According to the Developer, there have been line item amount revisions for the Authorized Improvements as shown in Table II-A-1 on the following page.

According to the City, the Phase #1 Improvements were completed and accepted February 24, 2020, and the Outer Loop was completed and accepted on June 10, 2021.

Table II-A-1 on the following page summarizes the updated sources and uses of funds required to (1) construct the Phase #1 Improvements, including the proportional share of the Initial Major Improvement costs and Additional Major Improvement Costs, (2) establish the PID, and (3) issue Phase #1 Bonds.

1 - According to the original Service and Assessment Plan dated August 14, 2018.
2 - According to the Updated Service and Assessment Plan Updated for Phase #3 on February 14, 2023.
3 - A portion of the revised budget variance ($77,492) attributable for Phase #1 Improvements costs was paid through additional interest income earned within the Phase #1 Improvement Account.
4 - A portion of the revised budget variance ($52,242) attributable for Phase #1 Major Improvements costs was paid through additional interest income earned within the Phase #1 Major Improvement Account.

Phase #1 Improvement Cost Variances

As stated in Table II-A-1 on the previous page, there are improvement cost increases of $2,085,551 of which $129,734 was funded by additional interest earned in the Phase #1 Improvement Account and Phase #1 Major Improvement Account. The additional increase of $53,753 for the Phase #1 Improvements and Initial Major Improvements was funded by the Developer. According to the Updated Service and Assessment Plan, the Additional Major Improvement costs of $1,902,064 will be paid by the developer without reimbursement.

Phases #2-7 Major Improvements Sources and Uses

Pursuant to the original Service and Assessment Plan adopted on August 14, 2018, the initial total estimated costs of the Phases #2-7 Major Improvements, including bond issuance costs, were equal to $14,028,091. According to the Developer, there have been line item amount revisions for the Authorized Improvements as shown in Table II-A-2 on the following page.

According to the City, the Phases #2-7 Major Improvements were completed and accepted on June 10, 2021.

Table II-A-2 on the following page summarizes the updated sources and uses of funds required to (1) construct the Phases #2-7 Major Improvements, (2) establish the PID, and (3) issue Phases #2-7 Major Improvement Bonds.

2 - According to the Updated Service and Assessment Plan Updated for Phase #3 on February 14, 2023.
3 - A portion of the revised budget variance ($153,101) attributable for Phases #2-7 Major Improvements costs was paid through additional interest income earned within the Phases #2-7 Major Improvement Account.

Phases #2-7 Major Improvement Area Cost Variances

As stated in Table II-A-2 above, there are improvement cost increases of $376,967 of which $153,101 was funded by additional interest earned in the Phases #2-7 Major Improvement Account. The additional increase of $223,866 was funded by the Developer.

Phase #2 Improvements Sources and Uses

In addition to the actual costs of the Phase #2 Improvements, the Developer has provided additional costs for the Phase #2 Additional Projects. There have been changes reported by the Developer to the revised estimated costs of the Authorized Improvements as shown in the Updated Service and Assessment Plan for Phase #2.

Table II-A-3 below summarizes the updated sources and uses of funds required to construct the Phase #2 Improvements and the Phase #2 share of the Additional Major Improvements. According to the Developer's Quarterly Improvement Implementation Report for Phases #2-7 dated as of June 30, 2024, the Phase #2 Improvements were completed and accepted by the City on August 24, 2022.

Phase #2 Cost Variances

As shown in Table II-A-3 on the previous page, there is a variance of $1,081,043 attributable to the cost of the Phase #2 Additional Major Improvements. According to the Updated Service and Assessment Plan, Phase #2 Actual Costs variance will be paid by the Developer without reimbursement.

Phase #3 Improvements Sources and Uses

There have been no changes reported by the Developer to the revised estimated costs of the Authorized Improvement shown in the Updated Service and Assessment Plan for Phase #3.

Table II-A-4 on the following page summarizes the updated sources and uses of funds required to construct the Phase #3 Improvements and the Phase #3 portion of the Additional Major Improvements. According to the Developer's Quarterly Improvement Implementation Report for Phases #2-7 dated as of June 30, 2024, the Phase #3 Improvements were completed and accepted by the City on March 14, 2023.

As stated in Table II-A-4 above, there are no significant variances between the initial estimated budget and the actual amount spent to be reported at this time.

B. Five Year Service Plan

According to the PID Act, a service plan must cover a period of five years. All the Authorized Improvements are expected to be built within a period of five years. The anticipated budget for the Authorized Improvements is shown in Section II.A of this report, and the Annual Installments expected to be collected for these costs is shown by Table II-B-1 on the following page.

Table II-B-1
Projected Annual Installments (2020-2030)

C. Status of Development

Phase #1

According to the City, greater than 95 percent of the total building permits expected to be issued within Phase #1 have been issued as of June 18, 2023. Pursuant to Section 4(a)(ii) of the Phase #1 Continuing Disclosure Agreement of the Issuer, the City is no longer responsible for reporting the number of homes completed in Phase #1 of the PID in the Annual Service Plan Update.

Phases #2-7 Major Improvement Area

According to the City, one-hundred fifty-six (156) and two-hundred three (203) building permits have been issued for Phase #2 and Phase #3 of the PID, respectively, as of June 1, 2024. As a result, three-hundred fifty-nine (359) building permits have been issued within the Phases #2-7 Major Improvement Area representing approximately $3,965,797 of the Phases #2-7 Major Improvement Assessments levied, which is approximately 28.75 percent of the total original Phases #2-7 Major Improvement Assessment levy of $13,795,000.

According to the City, one-hundred two (102) and sixty-nine (69) certificates of occupancy have been issued for Phase #2 and Phase #3 of the PID, respectively, as of June 1, 2024. As a result, one-hundred seventy-one certificates of occupancy have been issued within the Phases #2-7 Major Improvement Area representing approximately 14.25 percent of the 1,200 total certificates of occupancy expected to be issued within the Phases #2-7 Major Improvement Area.

See Table II-C-1 on the following page for the status of completed homes within the Phases #2-7 Major Improvement Area of the PID as of June 1, 2024.

D. ANNUAL BUDGET – PHASE #1

Phase #1 - Annual Installments – 2024-25

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Phase #1 Bonds, of which twenty-three (23) Annual Installments remain outstanding.

Pursuant to the Updated Service and Assessment Plan, each Assessment shall bear interest at the rate on the Phase #1 Bonds commencing with the issuance of the Phase #1 Bonds. The effective interest rate on the Phase #1 Bonds is 5.14 percent per annum. Pursuant to Section 372.018 of the PID Act, the interest rate for that assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phase #1 Bonds (5.14 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Updated Service and Assessment Plan and Trust Indenture such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phase #1 Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Updated Service and Assessment Plan and applicable Trust Indenture.

Phase #1 Annual Installments to be Collected for 2024-25

The budget for Phase #1 of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown by Table II-D-1 below.

Table II-D-1
Budget for the Phase #1 Annual Installments to be Collected for 2024-25

	Phase #1 Bonds
Interest payment on March 1, 2025	$222,047
Interest payment on September 1, 2025	$222,047
Principal payment on September 1, 2025	$200,000
Subtotal debt service payments	*$644,095*
Administrative expenses	$39,416
Excess interest for additional interest reserves	$43,186
Subtotal Expenses	*$726,696*
Available Reserve Fund Income	($12,316)
Available Capitalized Interest Account	$0
Available Administrative Expense account	$0
Subtotal funds available	*($12,316)*
Annual Installments	**$714,380**

Debt Service Payments

Annual Installments to be collected for principal and interest include interest due on March 1, 2025, in the amount of $222,047 and on September 1, 2025, in the amount of $222,047, which equal interest on the outstanding Phase #1 Assessments balance of $8,637,103 for six months each and an effective interest rate of 5.14 percent. Annual Installments to be collected include a principal amount of $200,000 due on September 1, 2025. As a result, total Annual Installments to be collected in 2024-25 for principal and interest is estimated to be equal to $644,095.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, auditor, dissemination agent and contingency fees. As shown in Table II-D-2 on the following page, the total Phase #1 administrative expenses to be collected for 2024-25 are $39,416.

Table II-D-2
Administrative Budget Breakdown

Description	2024-25 Estimated Budget
City	$6,000
Administrator	$26,700
Trustee	$2,750
Auditor	$2,000
Contingency	$1,966
Total	**$39,416**

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of $43,186, which equals 0.5 percent interest on the outstanding Phase #1 Assessments balance of $8,637,103.

Available Reserve Fund Income

As of May 31, 2024, the balance in the Phase #1 Reserve Fund was $697,788, which includes the Bond Reserve Requirement of $678,863 and an excess balance of $18,925. Pursuant to Section 6.7(d) of the Phase #1 Bond Trust Indenture the excess balance of $18,423 should be transferred to the Phase #1 Principal & Interest Account and used to pay interest on the Phase #1 Bonds on the next interest payment date. Approximately $6,609 is anticipated to be used towards the September 1, 2024 debt service payment. As a result, $12,316 is available to reduce the Phase #1 2024-25 Annual Installment.

Available Capitalized Interest Account

As of May 31, 2024, the Trustee reported that the Capitalized Interest Fund has been fully expended. As a result, there is no credit to reduce the Phase #1 2024-25 Annual Installment.

Available Administrative Expense Account

As of May 31, 2024, the balance in the Administrative Expense Fund was $45,137. Approximately $45,137 is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, there are no funds available in the Administrative Expense Fund to reduce the Phase #1 2024-25 Annual Installment.

E. Annual Installments Per Unit - Phase #1

According to the Updated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #1 Bonds, to fund the Additional Interest Reserve described in the Updated Service and Assessment Plan, and to cover Administrative Expenses of Phase #1.

According to the Updated Service and Assessment Plan, 330 units, representing 254.02 total Equivalent Units, are anticipated to be built within Phase #1 of the PID. As of May 31, 2024, five Parcels representing 4.49 Equivalent Unit have prepaid their Phase #1 Assessment. As a result, 325 units representing 249.53 Equivalent Units will be billed for the 2024-25 Phase #1 Annual Installment. Accordingly, the net principal and interest portion of Annual Installment to be collected from each Equivalent Unit will be $2,704.94 (i.e. ($644,095 + $43,186 - $12,316) ÷ 249.53 = $2,704.94). The net Administrative Expenses to be collected from each Equivalent Unit will be $157.96 (i.e., $39,416 ÷ 249.53 = $157.96). As a result, the total Annual Installment to be collected from each Equivalent Unit within Phase #1 will be $2,862.90 (i.e., $2,704.94 + $157.96 = $2,862.90). The Annual Installment to be collected from each Parcel within Phase #1 is calculated by multiplying the Annual Installment for each Equivalent Unit of $2,862.90 by the total estimated Equivalent Units for each Parcel in Phase #1.

The Annual Installment due to be collected from each Land Use Class in Phase #1 for 2024-25 is shown in Table II-E-1 below.

Table II-E-1
Annual Installment Per Unit – Phase #1

Land Use Class	Annual Installment Per Equivalent Unit	Equivalent Unit Factor	Annual Installment Per Unit
Lot Type 1 (74 Ft)	$2,862.90	1.00	$2,862.90
Lot Type 2 (60 Ft)	$2,862.90	0.81	$2,318.95
Lot Type 3 (50 Ft)	$2,862.90	0.68	$1,946.77

The list of Parcels within Phase #1 of the PID, the corresponding lot size and lot types of the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix C.

F. Annual Budget – Phases #2-7 Major Improvement Area

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty annual installments of principal and interest beginning with the tax year following the issuance of the Phases #2-7 Major Improvement Bonds, of which twenty-four (24) Annual Installments remain outstanding.

Pursuant to the Updated Service and Assessment Plan, each Assessment shall bear interest at the rate on the Bonds commencing with the issuance of the Phases #2-7 Major Improvement Bonds. The effective interest rate on the Phases #2-7 Major Improvement Bonds is 5.53 percent. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phases #2-7 Major Improvement Bonds (5.53 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under an applicable Trust Indenture capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phases #2-7 Major Improvement Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Updated Service and Assessment Plan and applicable Trust Indenture.

Phases #2-7 Annual Installments to be Collected for 2024-25

The budget for Phase #2-7 of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown by Table II-F-1 on the following page.

Debt Service Payments

Annual Installments to be collected for principal and interest include interest due on March 1, 2025, in the amount of $354,512 and on September 1, 2025, in the amount of $354,512, which equal interest on the outstanding Phases #2-7 Major Improvement Assessments balance of $12,825,590 for six months each and an effective interest rate of 5.53 percent. Annual Installments to be collected include a principal amount of $265,000 due on September 1, 2025. As a result, total Phases #2-7 Major Improvement Annual Installments to be collected for principal and interest in 2024-25 is estimated to be equal to $974,024.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, auditor, dissemination agent and contingency fees. As shown in Table II-F-2 on the following page, the total Phases #2-7 Major Improvement administrative expenses to be collected for 2024-25 are $39,416.

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of $64,128, which equals 0.5 percent interest on the outstanding Phases #2-7 Assessments balance of $12,825,590.

Available Reserve Fund Income

As of May 31, 2024, the balance in the Phases #2-7 Major Improvement Reserve Fund was $1,055,172, which includes the Bond Reserve Requirement of $1,014,000 and an excess balance of $41,172. Pursuant to Section 6.7(d) of the Phases #2-7 Major Improvement Bond Trust Indenture the excess balance of $41,172 should be transferred to the Phases #2-7 Major Improvement Principal & Interest Account and used to pay interest on the Phases #2-7 Major Improvement Bonds on the next interest payment date. As a result, $41,172 is available to reduce the Phases #2-7 Major Improvement 2024-25 Annual Installment.

Available Capitalized Interest Account

As of May 31, 2024, the Trustee reported that the Capitalized Interest Fund has been fully expended. As a result, there is no capitalized interest account credit available to reduce the Phases #2-7 Major Improvement 2024-25 Annual Installment.

Available Administrative Expense Account

As of May 31, 2024, the balance in the Administrative Expense Fund was $33,185. Approximately $33,185 of the current balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, there are no funds available in the Administrative Expense Fund to reduce the Phases #2-7 Major Improvement 2024-25 Annual Installment.

G. Annual Installments Per Unit - Phases #2-7 Major Improvement Area

According to the Updated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phases #2-7 Major Improvement Bonds, to fund the Prepayment Reserve and Delinquency Reserve described in the Updated Service and Assessment Plan, and to cover Administrative Expenses of the Phases #2-7 Major Improvement Area.

According to the Updated Service and Assessment Plan, 1,200 units representing 891.19 total Equivalent Units are anticipated to be built within the Phases #2-7 Major Improvement Area of the PID. As of May 31, 2024, two Parcels representing 2.00 Equivalent Unit have prepaid their Phases #2-7 Major Improvement Assessment. As a result, 1,198 units representing 889.19 Equivalent Units will be billed for the 2024-25 Phases #2-7 Major Improvement Annual Installment. Accordingly, the net principal and interest portion of Annual Installment to be collected from each Equivalent Unit will be $1,121.22 (i.e. ($974,024 + $64,128 - $41,172) ÷ 889.19 = $1,121.22) and the Administrative Expenses to be collected from each Equivalent Unit will be $44.33 (i.e., $39,416 ÷ 889.19 = $44.33). As a result, the total Annual Installment to be collected from each Equivalent Unit within the Phases #2-7 Major Improvement Area will be $1,165.55 (i.e., $1,121.22 + $44.33 = $1,165.55) for each Parcel within the Phases #2-7 Major Improvement Area. The Annual Installment to be collected from each Parcel within the Phases #2-7 Major Improvement Area is calculated by multiplying the Annual Installment for each Equivalent Unit of $1,165.55 by the total estimated Equivalent Units for each Parcel in the Phases #2-7 Major Improvement Area.

The Annual Installment due to be collected from each Land Use Class in Phases #2-7 for 2024-25 is shown in Table II-G-1 below.

Table II-G-1
Annual Installment Per Unit – Phases #2-7 Major Improvement Area

Land Use Class	Annual Installment Per Equivalent Unit	Equivalent Unit Factor	Annual Installment Per Unit
Lot Type 1 (74 Ft)	$1,165.55	0.91	$1,060.65
Lot Type 2 (60 Ft)	$1,165.55	0.79	$920.79
Lot Type 3 (50 Ft)	$1,165.55	0.71	$827.54
Lot Type 4 (84 Ft)	$1,165.55	1.00	$1,165.55
Lot Type 5 (40 Ft)	$1,165.55	0.59	$687.68

The list of Parcels within the Phases #2-7 Major Improvement Area of the PID, the corresponding lot size and lot types of the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix D.

H. ANNUAL BUDGET – PHASE #2

The Assessment imposed on any Parcel may be paid in full at any time. According to the Updated Service and Assessment Plan, the collection of the first Annual Installment for a Phase #2 Lot or Phase #2 Parcel shall commence upon the earlier of: (i) September 1, 2023 (ii) with tax bills sent the first October after issuance of a series of Bonds for Phase #2 Improvements, such that upon the issuance of Bonds all Assessments in Phase #2 shall begin collection, or (iii) with tax bills sent the first October occurring after the expiration of two years from the date of the levy of Assessments on Phase #2 Assessed Property, such that all Assessments in Phase #2 begin collection immediately after the expiration of such two year period. Such first Annual Installment for a Phase #2 Lot or Phase #2 Parcel shall be due by January 31st of the following calendar year.

According to section (i) stated above, the conditions were satisfied as of September 1, 2023. As a result, if the Assessment is not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning September 1, 2023 of which twenty-nine (19) Annual Installments remain outstanding.

Each Assessment for the Phase #2 Improvements bears interest at the rate on the Reimbursement Agreement for Phase #2 Improvements as described in the Updated Service and Assessment Plan. The effective interest rate on the Reimbursement Agreement for Phase #2 Improvements. is 8.75 percent for 2024-25. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Updated Service and Assessment Plan and other applicable documents, such as interest earnings and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the unpaid balance of the Reimbursement Agreement for Phase #2 Improvements and any accrued interest thereon (the "Phase #2 Reimbursement Amount") from the collection of the Annual Installments in accordance with the Phase #2 Assessment Roll. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of such Annual Installments.

Phase #2 Annual Installments to be collected for 2024-25

The budget for Phase #2 of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown by Table II-H-1 on the following page.

Table II-H-1
Budget for the Phase #2 Annual Installments to be Collected for 2024-25

	Phase #2 Reimbursement Agreement
Interest due on Phase #2 Reimbursement Amount	$512,264
Phase #2 Assessments due	$1,000
Subtotal debt service	*$513,264*
Administrative Expenses	$40,800
Subtotal Expenses	*$554,064*
Available Administrative Expense Account	$0
Subtotal funds available	*$0*
Annual Installments	**$554,064**

Debt Service Payments

Annual Installments to be collected for principal and interest include interest due for 2024-25 in the amount of $512,264, which equal interest on the outstanding Assessments balance of $5,854,450 for one year and an effective interest rate of 8.75 percent. Annual Installments to be collected include a principal amount of $1,000. As a result, total Annual Installments to be collected for Phase #2 for principal and interest in 2024-25 is estimated to be equal to $513,264.

Administrative Expenses

Administrative expenses include the City, Administrator, and contingency fees. As shown in Table II-H-2 below the total administrative expenses to be collected for 2024-25 are $40,800.

Table II-H-2
Administrative Budget Breakdown

Description	2024-25 Estimated Budget
City	$6,000
Administrator	$32,600
Contingency	$2,200
Total	**$40,800**

Available Administrative Expense Account

As of May 31, 2024, the balance in the Phase #2 Reimbursement Administrative Account was $40,371. Approximately $40,371 of the current balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, there are no funds available in the Phase #2 Reimbursement Administrative Account to reduce the Phase #2 2024-25 Annual Installment.

I. ANNUAL INSTALLMENTS PER UNIT - PHASE #2

According to the Updated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #2 Reimbursement Agreement and to cover Administrative Expenses of Phase #2.

According to the Updated Service and Assessment Plan, 227 units representing 143.60 total Equivalent Units were estimated to be built within Phase #2 of the PID. As of May 31, 2024, two Parcels representing 2.00 Equivalent Unit have prepaid their Phase #2 Assessment. As a result, 225 units representing 141.60 Equivalent Units will be billed for the 2024-25 Phase #2 Annual Installment. Accordingly, the principal and interest portion of Annual Installment to be collected from each Equivalent Unit will be $3,624.74 (i.e., $513,264 ÷ 141.60 = $3,624.74) and the Administrative Expenses to be collected from each Equivalent Unit will be $288.14 (i.e., $40,800 ÷ 141.60 = $288.14). As a result, the total Annual Installment to be collected from each Equivalent Unit within Phase #2 will be $3,912.88 (i.e., $3,624.74 + $288.14 = $3,912.88). The Annual Installment to be collected from each Parcel within Phase #2 is calculated by multiplying the Annual Installment for each Equivalent Unit of $3,912.88 by the total estimated Equivalent Units for each Parcel in Phase #2.

The Annual Installment due to be collected from each Land Use Class in Phase #2 for 2024-25 is shown in Table II-I-1 below.

Table II-I-1
Annual Installment Per Unit – Phase #2

Land Use Class	Annual Installment Per Equivalent Unit	Equivalent Unit Factor	Annual Installment Per Unit
Lot Type 1 (74 Ft)	$3,912.88	0.91	$3,560.72
Lot Type 2 (60 Ft)	$3,912.88	0.79	$3,091.18
Lot Type 4 (84 Ft)	$3,912.88	1.00	$3,912.88
Lot Type 5 (40 Ft)	$3,912.88	0.59	$2,308.60

The list of Parcels within Phase #2 of the PID, the corresponding lot size and lot types of the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix E.

J. ANNUAL BUDGET – PHASE #3

The Assessment imposed on any Parcel may be paid in full at any time. According to the Updated Service and Assessment Plan, the collection of the first Annual Installment for a Phase #3 Lot or Phase #3 Parcel shall commence upon the earlier of: (i) September 1, 2024 (ii) with tax bills sent the first October after issuance of a series of Bonds for Phase #3 Projects, such that upon the issuance of Bonds all Assessments in Phase #3 shall begin collection, or (iii) with tax bills sent the first October occurring after the expiration of two years from the date of the levy of Assessments on Phase #3 Assessed Property, such that all Assessments in Phase #3 begin collection immediately after the expiration of such two year period. Such first Annual Installment for a Phase #3 Lot or Phase #3 Parcel shall be due by January 31st of the following calendar year.

According to section (i) stated above, the conditions will be satisfied as of September 1, 2024 and collection of Annual Installments from Parcels within Phase #3 will be due no later than January 31, 2025. As a result, if the Assessment is not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning September 1, 2024 of which thirty (30) Annual Installments remain outstanding.

Each Assessment for the Phase #3 Improvements bears interest at the rate on the Reimbursement Agreement for Phase #3 Improvements as described in the Updated Service and Assessment Plan. The effective interest rate on the Reimbursement Agreement for Phase #3 Direct Improvements and Phase #3 Additional Major Improvements are each 8.75 percent for 2024-25. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Updated Service and Assessment Plan and other applicable documents, such as interest earnings and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the unpaid balance of the Reimbursement Agreement for both the Phase #3 Direct Improvements Phase #3 Additional Major Improvements and any accrued interest thereon (the "Phase #3 Reimbursement Amount") from the collection of the Annual Installments in accordance with the Phase #3 Assessment Roll. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of such Annual Installments.

Phase #3 Annual Installments to be collected for 2024-25

The budget for Phase #3 of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown by Table II-J-1 below.

Table II-J-1
Budget for the Phase #3 Annual Installments to be Collected for 2024-25

	Phase #3 Direct Improvements Reimbursement Agreement	Phase #3 Additional Major Improvements Reimbursement Agreement	Total Phase #3 Reimbursement Agreement
Interest due on Phase #3 Reimbursement Amount	$544,175	$122,587	$666,763
Phase #3 Assessments due	$1,000	$1,000	$2,000
Subtotal debt service	*$545,175*	*$123,587*	*$668,763*
Administrative Expenses	$36,727	$8,273	$45,000
Subtotal Expenses	*$581,902*	*$131,861*	*$713,763*
Available Administrative Expense Account	($5,279)	($1,189)	($6,468)
Subtotal funds available	*($5,279)*	*($1,189)*	*($6,468)*
Annual Installments	**$576,623**	**$130,672**	**$707,295**

Debt Service Payments

Annual Installments to be collected for principal and interest include interest due for 2024-25 in the amount of $544,175, which equal interest on the outstanding Phase #3 Direct Improvement Assessments balance of $6,291,045 for one year and an effective interest rate of 8.65 percent. Annual Installments to be collected include a principal amount of $1,000. As a result, total Annual Installments to be collected for the Phase #3 Direct Improvements for principal and interest in 2024-25 is estimated to be equal to $545,175.

Annual Installments to be collected for principal and interest include interest due for 2024-25 in the amount of $122,587, which equal interest on the outstanding Phase #3 Additional Major Improvement Assessments balance of $1,417,194 for one year and an effective interest rate of 8.65 percent. Annual Installments to be collected include a principal amount of $1,000. As a result, total Annual Installments to be collected for the Phase #3 Additional Major Improvements for principal and interest in 2024-25 is estimated to be equal to $123,587.

Administrative Expenses

Administrative expenses include the City, Administrator, and contingency fees. As shown in Table II-J-2 below the total administrative expenses to be collected for 2024-25 are $45,000.

Table II-J-2
Administrative Budget Breakdown

Description	2024-25 Estimated Budget
City	$6,000
Administrator	$36,000
Contingency	$3,000
Total	**$45,000**

Available Administrative Expense Account

As of May 31, 2024, the balance in the Phase #3 Reimbursement Administrative Account was $42,708. Approximately $36,240 of the current balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, $6,468 is available in the Phase #3 Reimbursement Administrative Account to reduce the Phase #3 2024-25 Annual Installment.

K. Annual Installments Per Unit - Phase #3

According to the Updated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #3 Reimbursement Agreement and to cover Administrative Expenses of Phase #3.

According to the Updated Service and Assessment Plan, 242 units representing 186.26 total Equivalent Units were estimated to be built within Phase #3 of the PID. Accordingly, the principal and interest portion of Annual Installment to be collected from each Equivalent Unit will be $3,590.48 (i.e., $668,763 ÷ 186.26 = $3,590.48) and the Administrative Expenses to be collected from each Equivalent Unit will be $206.87 (i.e., ($45,000 - $6,468) ÷ 186.26 = $206.87). As a result, the total Annual Installment to be collected from each Equivalent Unit within Phase #3 will be $3,797.35 (i.e., $3,590.48 + $206.87 = $3,797.35). The Annual Installment to be collected from each Parcel within Phase #3 is calculated by multiplying the Annual Installment for each Equivalent Unit of $3,797.35 by the total estimated Equivalent Units for each Parcel in Phase #3.

The Annual Installment due to be collected from each Land Use Class in Phase #3 for 2024-25 is shown in Table II-K-1 on the following page.

Table II-K-1
Annual Installment Per Unit – Phase #3

Land Use Class	Annual Installment Per Equivalent Unit	Equivalent Unit Factor	Annual Installment Per Unit
Lot Type 1 (74 Ft)	$3,797.35	0.91	$3,455.59
Lot Type 2 (60 Ft)	$3,797.35	0.79	$2,999.91
Lot Type 3 (50 Ft)	$3,797.35	0.71	$2,696.12

The list of Parcels within Phase #3 of the PID, the corresponding lot size and lot types of the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix F.

L. BOND REDEMPTION RELATED UPDATES

Phase #1 Bonds

The Phase #1 Bonds were issued in 2018. Pursuant to Section 4.3 of the Phase #1 Trust Indenture, the City reserves the right and option to redeem the Phase #1 Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2028**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the applicable Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phase #1 Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

Phases #2-7 Major Improvement Bonds

The Phase #2-7 Major Improvement Bonds were issued in 2018. Pursuant to Section 4.3 of the Phases #2-7 Major Improvement Trust Indenture, the City reserves the right and option to redeem the Phases #2-7 Major Improvement Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2028**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the applicable Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phases #2-7 Major Improvement Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

III. UPDATE OF THE ASSESSMENT PLAN

The Updated Service and Assessment Plan adopted by the City Council describes that the Authorized Improvement costs shall be allocated to the Assessed Property equally based on the equivalent number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property, as updated in prior Annual Service Plan Updates, has not been changed and Assessed Property will continue to be assessed as provided for in the Updated Service and Assessment Plan.

(remainder of this page is intentionally left blank)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the Updated Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

> (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by the Updated Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.H of the Updated Service and Assessment Plan.

The summary of updated Assessment Rolls is shown in Appendix C, Appendix D, Appendix E, and Appendix F of this report. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Updated Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for each new subdivided Parcel.
B = the Assessment for the Parcel prior to subdivision.
C = the estimated Equivalent Units to be built on each newly subdivided Parcel
D = the sum of the estimated Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

According to the Developer and the Collin Central Appraisal District records, Phase #1 of the PID was completely subdivided and final plat recorded on February 12, 2020, and the Assessments allocated proportionally according to Lot Type as shown in the 2020-21 Service and Assessment Plan Update. The various Phase #1 Lots were subdivided from Parcel 985517, Parcel 997979, Parcel 2707966, and Parcel 986384.

According to the Developer and the Collin Central Appraisal District records, Phase #2 of the PID was completely subdivided and final plat recorded on September 2, 2022. Parcels in Phase #2 of the PID were subdivided from Parcels 997979 and 961622.

According to the Developer and the Collin Central Appraisal District records, Phase #3 of the PID was completely subdivided and final plat recorded on March 28, 2023. Parcels in Phase #3 of the PID were subdivided from Parcels 961613, 961622, 985517, 286384, and 2707966.

See Appendix G for the Phases #2-7 Major Improvement Assessment and Phase #3 Assessment allocation prior to and after the subdivision of the Phase #3 Parcels.

B. Prepayment of Assessments

As of May 31, 2024, five Parcels have prepaid their Phase #1 Assessment in full, two Parcels have prepaid their Phases #2-7 Major Improvement Assessment in full, and two Parcels have prepaid their Phase #2 Assessment in full.

See Appendix B for a list of these prepaid Parcels.

The complete Assessment Rolls are available for review at the City Hall, located at 142 N. Ohio, Celina, Texas 75009.

PID Assessment Notice

NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT ASSESSMENT TO CITY OF CELINA, TEXAS
CONCERNING THE FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the Cambridge Crossing Public Improvement District (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City or MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF CELINA APPROVING THE ANNUAL UPDATE OF THE SERVICE AND ASSESSMENT PLAN AND ASSESSMENT ROLLS FOR THE CAMBRIDGE CROSSING PUBLIC IMPROVEMENT DISTRICT IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE §372.013, AS AMENDED; CONTAINING A CUMMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, on February 28, 2017, the City Council of the City of Celina, Texas (the "City") approved Resolution No. 2017-10R establishing the Cambridge Crossing Public Improvement District (the "PID") in accordance with the provisions of Chapter 372 of the Texas Local Government Code (the "Public Improvement District Assessment Act" or "the PID Act"); and

WHEREAS, the City has heretofore levied assessments against property within Phase #1 the PID, pursuant to Ordinance No. 2018-44 which ordinance also approved the Cambridge Crossing Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #1, dated as of August 14, 2018 (the "Service and Assessment Plan and Phase #1 Assessment Roll"); and

WHEREAS, the City has also heretofore levied assessments against property within the Phases #2-7 Major Improvement Area of the PID, pursuant to Ordinance No. 2018-41 which ordinance also approved the Cambridge Crossing Public Improvement District Service and Assessment Plan and Assessment Roll related to the Phases #2-7 Major Improvement Area, dated as of August 14, 2018 (the "Service and Assessment Plan and Phases #2-7 Major Improvement Area Assessment Roll"); and

WHEREAS, the City has also heretofore levied assessments against property within Phase #2 of the PID, pursuant to Ordinance No. 2022-67 which ordinance also approved the Cambridge Crossing Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #2, dated as of June 14, 2022 (the "Updated Service and Assessment Plan and Phase #2 Assessment Roll"); and

WHEREAS, the City has also heretofore levied assessments against property within Phase #3 of the PID, pursuant to Ordinance No. 2023-09 which ordinance also approved the Cambridge Crossing Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #3 – Additional Projects, dated as of February 14, 2023 (the "Updated Service and Assessment Plan and Phase #3 Assessment Roll – Additional Projects"); and

WHEREAS, the City has also heretofore levied assessments against property within Phase #3 of the PID, pursuant to Ordinance No. 2023-10 which ordinance also approved the Cambridge Crossing Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #3 – Phase #3 Improvements, dated as of February 14, 2023 (the "Updated Service and

Assessment Plan and Phase #3 Assessment Roll – Phase #3 Improvements") [and, together with the Service and Assessment Plan and Phase #1 Assessment Roll, Phases #2-7 Major Improvement Area Assessment Roll, Phase #2 Assessment Roll, and Phase #3 Assessment Roll – Additional Projects, the "Updated Service and Assessment Plan and Assessment Rolls"]; and

WHEREAS, the Updated Service and Assessment Plan and Assessment Rolls are required to be reviewed and updated annually as described in Sections 372.013 and 372.014 of the PID Act (the "Annual Service Plan Update"); and

WHEREAS, the Annual Service Plan Update, attached hereto as Exhibit A, including the Phase #1 Assessment Roll, Phases #2-7 Major Improvement Area Assessment Roll, Phase #2 Assessment Roll, Phase #3 Assessment Roll – Additional Projects, and Phase #3 Assessment Roll – Phase #3 Improvements attached thereto, update the Updated Service and Assessment Plan and Assessment Rolls to reflect prepayments, property divisions and changes to the budget allocation for the PID that occur during the year, if any; and

WHEREAS, the City Council desires and finds it to be in the public interest to adopt this Ordinance approving and adopting the Annual Service Plan Update and the updated Assessment Rolls attached thereto, in compliance with the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1. All matters stated in the preamble are found to be true and correct and are incorporated herein as if copied in their entirety.

SECTION 2. The Cambridge Crossing Public Improvement District Annual Service Plan Update, attached hereto as Exhibit A and incorporated herein by reference, inclusive of the updated Assessment Rolls contained therein and made a part thereof, are hereby accepted and approved.

SECTION 3. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION 4. Should any sentence, paragraph, subdivision, clause, phrase or section of this Ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this Ordinance as a whole, or any part or provision thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of the Ordinance as a whole.

SECTION 5. This Ordinance shall take effect immediately after its passage and the publication of the caption, as the law and charter in such case provide. The City Secretary shall cause this Ordinance to be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this

Annual Service Plan Update.

Re:	Celina Hills PID SAP Update

Action Requested:
Consider and act upon an Ordinance of the City of Celina, Texas, approving the 2024-2025 Annual Service Plan update to the Service and Assessment Plan for the Celina Hills Public Improvement District and providing an effective date. (Bromiley)

Background Information:
The Celina Hills PID was created by the City Council pursuant to the PID Act and a resolution approved on July 9, 2019. The PID is located approximately one mile east of Preston Road and approximately 5 miles north of US 380, and just north of the City of Prosper. The PID is anticipated to contain an estimated 277 residential units on approximately 80.87 acres within one phase. The PID annual installments in the Annual Service Plan update include amounts for the payment of principal and interest on the PID bonds and reimbursement agreement, if any, PID administrative expenses, additional interest for prepayment and delinquency reserves and as applicable, TIRZ annual credit amounts committed to pay a portion of the PID bond principal and interest. The Service Plan is prepared annually and presented to Council as required by Chapter 372 of the Texas Local Government Code.

APPENDIX D – PID ASSESSMENT NOTICE

I. INTRODUCTION

The Celina Hills Public Improvement District (the "PID") was created pursuant to the PID Act and Resolution No. 2019-37R of the City Council on July 9, 2019 to finance certain public improvement projects for the benefit of the property in the PID.

On April 12, 2022, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2022 (Celina Hills Public Improvement District Project) (the "Bonds") in the aggregate principal amount of $7,495,000 were issued to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID. The Bonds are secured by Assessments.

A service and assessment plan dated April 12, 2022 (the "Service and Assessment Plan") was prepared at the direction of the City identifying the public improvements (the "Authorized Improvements") to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to Chapter 372 of the Texas Local Government Code, as amended (the "PID Act"), the Service and Assessment Plan must be reviewed and updated annually for the purpose of determining the annual budget for the Authorized Improvements. This document is the annual update of the Service and Assessment Plan for 2024-25 (the "Annual Service Plan Update").

The City also adopted an assessment roll for the PID attached as Appendix G to the Service and Assessment Plan (the "Assessment Roll") identifying the Assessments on each Parcel of Assessed Property, based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Roll for 2024-25.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the "PID Assessment Notice") as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix D and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID us located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchase before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without

the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Service and Assessment Plan unless otherwise defined herein.

II. UPDATE OF THE SERVICE PLAN

A. UPDATED SOURCES AND USES FOR PUBLIC IMPROVEMENTS

Pursuant to the original Service and Assessment Plan adopted on April 12, 2022, the initial total estimated costs of the Authorized Improvements, not including Bond issuance costs, were equal to $6,203,192. According to Requisition #4 approved by the City in February 2024, the actual costs of the Authorized Improvements are $6,213,740.

Table II-A below summarizes the updated sources and uses of funds required to (1) construct the Authorized Improvements, (2) establish the PID, and (3) issue the Bonds.

Table II-A

1 - According to the Service and Assessment Plan approved by City Council on April 12, 2022.
2 - According to Requisition #4 approved by the City in February 2024.
3 - According to Requisition #4 the cost variance was funded by interest earned in the Authorized Improvement Account.

B. Five Year Service Plan

A service plan must cover a period of five years. All the Authorized Improvements are expected to be built within a period of five years. The anticipated budget for the Authorized Improvements over a period of five years and the indebtedness expected to be incurred for these costs is shown by Table II-B below.

Table II-B
Projected Annual Installments (2022-2030)

2027	$575,705
2028	$575,337
2029	$575,305
2030	$575,933
Total	**$4,564,815**

1 – Assessment years ending 2022 through 2025 reflect actual Annual Installments and are net of applicable reserve fund income and capitalized interest. Assessment years 2026 through 2030 reflect projected Annual Installments and are subject to change.

C. Status of Development

According to the Official Statement, the PID will include 277 residential units. A final plat was filed and recorded with the Collin Central Appraisal District on July 8, 2022. The plat consisted of 277 single family residential lots and 11 HOA and open space lot.

According to the City, 194 building permits have been issued for lots within the PID as of June 1, 2024, representing approximately 74.76 percent of the Assessments for lots within the PID.

According to the City, 128 certificates of occupancy have been issued for lots within the PID as of June 1, 2024 representing approximately 46.21 percent of the total certificates of occupancy expected to be issued within the PID.

See Table II-C on the following page for the status of completed homes within the PID as of June 1, 2024.

Completed Homes[1]	60	128

1 – According to information provided by the City as of June 1, 2024.

D. ANNUAL BUDGET

Annual Installments

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Bonds, of which twenty-seven (27) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment securing the Bonds shall bear interest at the rate on the Bonds. The effective interest rate on the Bonds is 4.88 percent. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Bonds plus additional interest of one-half of one percent (to be used for funding the Prepayment Reserve and Delinquency Reserve) equals 5.38 percent and is used to calculate the interest on the Assessments securing the Bonds.

These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

(The remainder of this page is intentionally left blank.)

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Bonds from the collection of the Annual Installments of the Assessments on the Assessed Property. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Service and Assessment plan and applicable Trust Indenture.

Annual Installments to be Collected for 2024-25

The budget for the PID will be paid from the collection of Annual Installments of the Assessments on the Assessed Property collected for 2024-25 as shown by Table II-D-1 below.

Table II-D-1
Budget for the Annual Installments
to be Collected for 2024-25

	Bonds
Interest payment on March 1, 2025	$176,348
Interest payment on September 1, 2025	$176,348
Principal payment on September 1, 2025	$139,000
Subtotal debt service on bonds	*$491,696*
Administrative Expenses	$47,754
Excess interest for prepayment and delinquency reserves	$36,170
Subtotal Expenses	$575,621
Available Reserve Fund Income	($20,042)
Available Capitalized Interest Funds	$0
Available Administrative Expense Funds	$0
Subtotal funds available	*($20,042)*
Annual Installments	**$555,578**

Debt Service Payments

Annual Installments to be collected for principal and interest on the Bonds include interest due on March 1, 2025 in the amount of $176,348 and September 1, 2025 in the amount of $176,348, which equal interest on the outstanding Bonds of $7,234,000 for six months each and an effective interest rate of 4.88 percent. Annual Installments to be collected on the Bonds include a principal amount of $139,000 due on September 1, 2025. As a result, the total debt service due on the Bonds in 2024-25 is estimated to be equal to $491,696.

Administrative Expenses

Administrative expenses include the City, Administrator, Trustee, auditor, dissemination agent expenses and contingency fees. As shown in Table II-D-2 below, the total administrative expenses to be collected for 2024-25 are estimated to be $47,754.

Table II-D-2
Administrative Budget Breakdown

Description	2024-25 Estimated Budget (9/1/24-8/31/25)
City	$6,000
Administrator	$31,500
Trustee	$2,750
Auditor	$2,000
Dissemination Agent	$3,500
Contingency	$2,004
Total	**$47,754**

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of $36,170, which equals 0.5 percent interest on the outstanding Bond balance of $7,234,000.

Available Reserve Fund Income

As of May 31, 2024, the balance in the Reserve Fund was $513,542, which includes the Bond Reserve Requirement of $493,500 and investment income of $20,042. Pursuant to Section 6.7 (d) of the Trust Indenture, the excess balance of $20,042 should be transferred to the Principal & Interest Account and used to pay interest on the Bonds on the next interest payment date. As a result, $20,042 is available to pay a portion of the Bonds debt service.

Available Capitalized Interest Account

The balance deposited in the Capitalized Interest Account was fully expended as of September 1, 2022. As a result, there is no credit to reduce the Annual Installment for 2024-25.

(The remainder of this page is intentionally left blank.)

Available Administrative Expense Account

As of May 31, 2024, the available balance for administrative expenses was $60,610. Approximately $60,610 is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, there are no funds available in the Administrative Expense Fund to reduce the PID Bonds 2024-25 Annual Installment.

E. Annual Installments Per Unit

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Bonds, (ii) to fund the Prepayment Reserve and Delinquency Reserve, and (iii) to cover Administrative Expenses of the PID.

According to the Service and Assessment Plan, 277 lots representing 217.57 Equivalent Units are anticipated to be built within the PID. Accordingly, the principal and interest portion of Annual Installment to be collected from each Equivalent Unit will be $2,334.07, calculated by taking the subtotal debt service on Bonds, including excess interest for prepayment and delinquency, less any available reserve fund income, and dividing by the total Equivalent units [i.e. ($491,696 + $36,170 - $20,042) ÷ 217.57 = $2,334.07]. The Administrative Expenses to be collected from each Equivalent unit will be $219.49 [i.e., $47,754 ÷ 217.57 = $219.49]. As a result, the total Annual Installment to be collected from each Equivalent unit within the PID will be $2,553.56 (i.e., $2,334.07+ $219.49 = $2,553.56). The Annual Installment to be collected from each Parcel within the PID is calculated by multiplying the Annual Installment for each Equivalent Unit of $2,553.56 by the total estimated Equivalent Units for each Parcel in the PID.

The Annual Installment due to be collected from each Land Use Class in the PID for 2024-25 is shown in Table II-E below.

Table II-E
Annual Installment Per Unit

Land Use Class	Annual Installment Per Equivalent Unit	Equivalent Unit Factor	Annual Installment Per Unit
Lot Type 1 (60 Ft)	$2,553.56	1.00	$2,553.56

The list of Parcels within the PID, the estimated number of units to be developed on the current residential Parcels, the corresponding total units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix C.

F. BOND REDEMPTION RELATED UPDATES

The Bonds were issued in May 2022. Pursuant to Section 4.3 of the Trust Indenture, the City reserves the right and option to redeem the Bonds maturing on or after September 1, 2042, before their respective scheduled maturity date, in whole or in part, on any date on or after **September 1, 2032** at the Redemption Price.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council describes that the Authorized Improvement costs shall be allocated to the Assessed Property equally based on the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement Costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property, as updated in prior Annual Service Plan Updates, has not been changed and Assessed Property will continue to be assessed as provided for in the Service and Assessment Plan.

(The remainder of this page is intentionally left blank.)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Roll shall be updated each year to reflect:

(i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.F of the Service and Assessment Plan.

The 2024-25 Assessment Roll Summary is shown in Appendix C of this report. Each Parcel of in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Assessment for the Parcel prior to the subdivision shall be reallocated among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

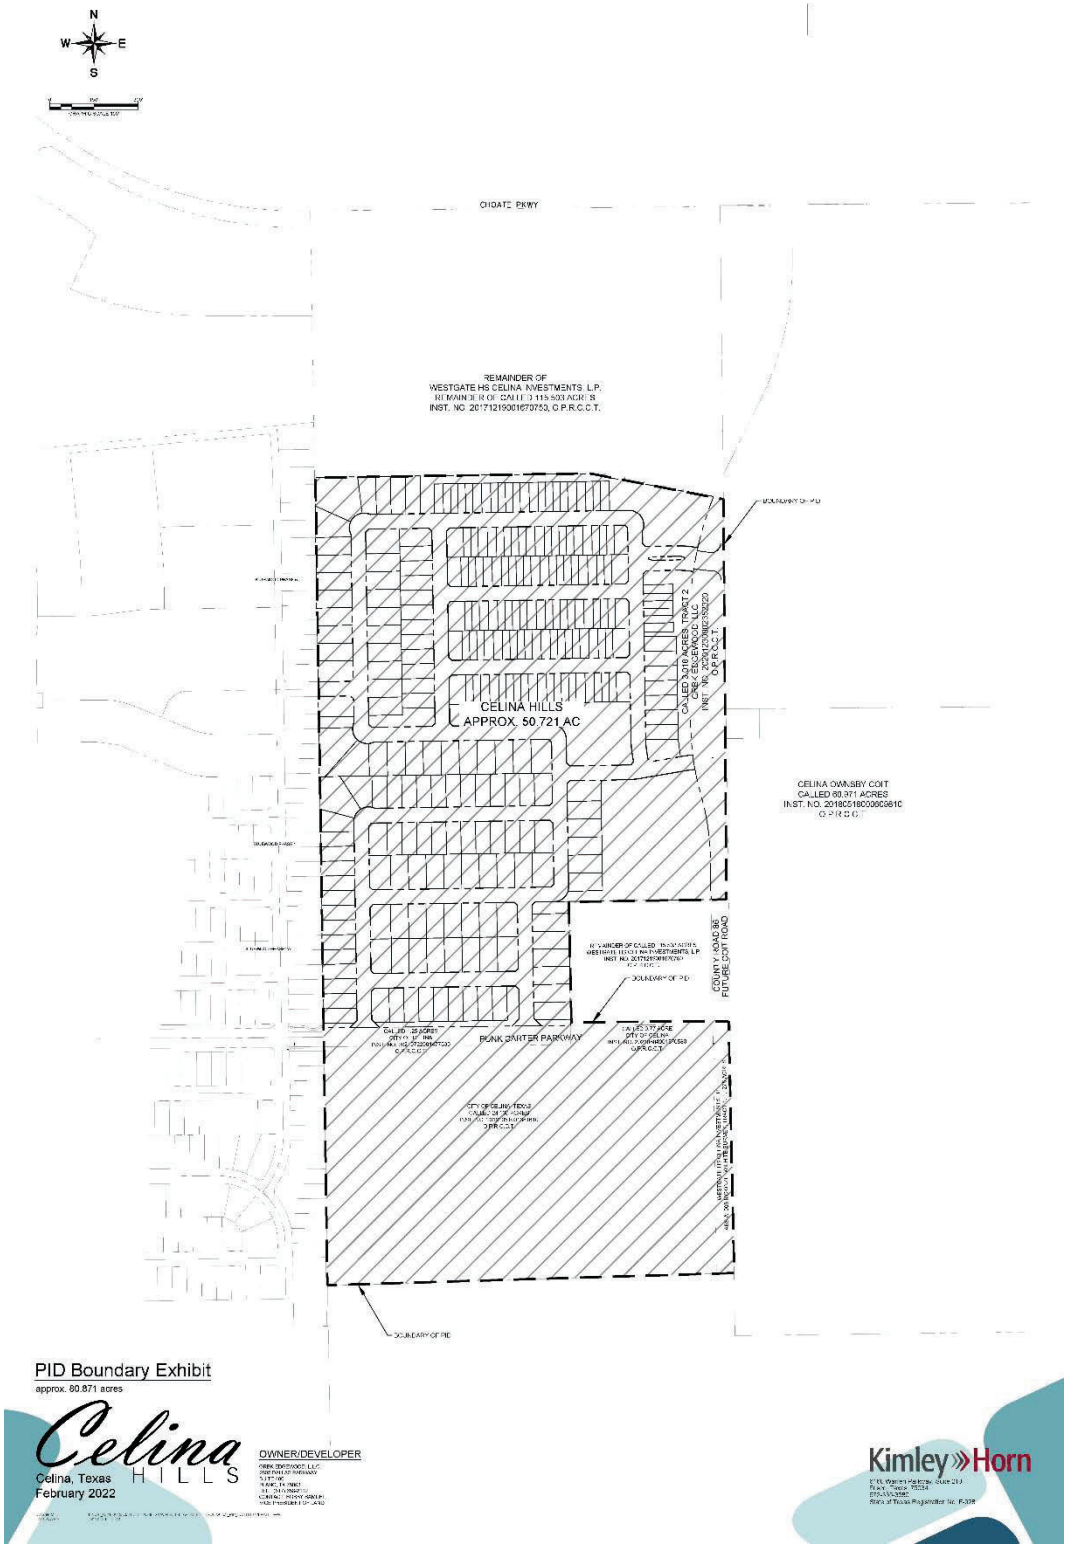
Where the terms have the following meanings:

A = the Assessment for each new subdivided Parcel
B = the Assessment for the Parcel prior to subdivision
C = the estimated total Equivalent Units to be built on each new subdivided Parcel
D = the sum of the estimated total Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated Equivalent Units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of Equivalent Units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

According to the Developer and the Collin Central Appraisal District records, the PID was completely subdivided and final plat was recorded on July 8, 2022, and the Assessments allocated proportionally according to Lot Type. The various lots were subdivided from Parcel 2829266.

B. PREPAYMENT OF ASSESSMENTS



There have been no Assessment prepayments as of June 30, 2024.

The complete Assessment Roll is available for review at the City Hall, located at 142 N Ohio, Celina, Texas 75009.

APPENDIX D
PID ASSESSMENT NOTICE

PID Assessment Notice

NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT ASSESSMENT TO CITY OF CELINA, TEXAS
CONCERNING THE FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the Celina Hills Public Improvement District (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City or MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF CELINA APPROVING THE ANNUAL UPDATE OF THE SERVICE AND ASSESSMENT PLAN AND ASSESSMENT ROLL FOR THE CELINA HILLS PUBLIC IMPROVEMENT DISTRICT IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE §372.013, AS AMENDED; CONTAINING A CUMMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, on July 9, 2019, the City Council of the City of Celina, Texas (the "City") approved Resolution No. 2019-37R establishing the Celina Hills Public Improvement District (the "PID") in accordance with the provisions of Chapter 372 of the Texas Local Government Code (the "Public Improvement District Assessment Act" or "the PID Act"); and

WHEREAS, the City has heretofore levied assessments against property within the PID, pursuant to Ordinance No. 2022-34 which ordinance also approved the Celina Hills Public Improvement District Service and Assessment Plan and Assessment Roll, dated as of April 12, 2022 (the "Service and Assessment Plan and Assessment Roll"); and

WHEREAS, the Service and Assessment Plan and Assessment Roll is required to be reviewed and updated annually as described in Sections 372.013 and 372.014 of the PID Act (the "Annual Service Plan Update"); and

WHEREAS, the Annual Service Plan Update, attached hereto as Exhibit A, including the Assessment Roll attached thereto, update the Service and Assessment Plan and Assessment Roll to reflect prepayments, property divisions and changes to the budget allocation for the PID that occur during the year, if any; and

WHEREAS, the City Council desires and finds it to be in the public interest to adopt this Ordinance approving and adopting the Annual Service Plan Update and the updated Assessment Roll attached thereto, in compliance with the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1. All matters stated in the preamble are found to be true and correct and are incorporated herein as if copied in their entirety.

SECTION 2. The Celina Hills Public Improvement District Annual Service Plan Update, attached hereto as Exhibit A and incorporated herein by reference, inclusive of the updated Assessment Roll contained therein and made a part thereof, are hereby accepted and approved.

SECTION 3. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION 4. Should any sentence, paragraph, subdivision, clause, phrase or section of this Ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this Ordinance as a whole, or any part or provision thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of the Ordinance as a whole.

SECTION 5. This Ordinance shall take effect immediately after its passage and the publication of the caption, as the law and charter in such case provide. The City Secretary shall cause this Ordinance to be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Re:	Chalk Hill PID SAP Update

Action Requested:
Consider and act upon an Ordinance of the City of Celina, Texas, approving the 2024-2025 Annual Service Plan update to the Service and Assessment Plan for the Chalk Hill Public Improvement District and providing an effective date. (Bromiley)

Background Information:
The Chalk Hill PID was created by the City Council pursuant to the PID Act and a resolution approved on December 12, 2017. The PID is located east of Preston Road, north of County Road 105, and south of County Road 102. The PID is anticipated to contain an estimated 441 residential units on approximately 94.8 acres within three phases. The PID annual installments in the Annual Service Plan update include amounts for the payment of principal and interest on the PID bonds and reimbursement agreement, if any, PID administrative expenses, additional interest for prepayment and delinquency reserves and as applicable, TIRZ annual credit amounts committed to pay a portion of the PID bond principal and interest. The Service Plan is prepared annually and presented to Council as required by Chapter 372 of the Texas Local Government Code.

I. INTRODUCTION

The Chalk Hill Public Improvement District No. 2 (the "PID") was created pursuant to the PID Act and a resolution of the City of Celina City Council (the "City") on December 12, 2017 to finance certain public improvement projects for the benefit of the property in the PID.

On March 23, 2018, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2018 (Chalk Hill Public Improvement District No. 2 Phase #1 Project) (the "Phase #1 Bonds") in the aggregate principal amount of $4,325,000 and the City of Celina, Texas Special Assessment Revenue Bonds, Series 2018 (Chalk Hill Public Improvement District No. 2 Phases #2-3 Major Improvement Project) (the "Phases #2-3 Major Improvement Bonds") in the aggregate principal amount of $3,690,000, to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID.

On July 11, 2023, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2023 (Chalk Hill Public Improvement District No. 2 Phases #2-3 Direct Improvement Project) (the "Phases #2-3 Direct Improvement Bonds") in the aggregate principal amount of $7,633,000 to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in Phases #2-3 the PID. The City also entered into a reimbursement agreement in the aggregate principal amount of $1,612,000 (the "Phases #2-3 Direct Reimbursement Agreement") to finance a portion of the remaining costs of the Phases #2-3 Direct Improvements.

A service and assessment plan dated March 23, 2018 and updated for the Phases #2-3 Direct Improvements on July 11, 2023 (the "Updated Service and Assessment Plan") was prepared at the direction of the City identifying the public improvements (the "Authorized Improvements") to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to the PID Act, the Updated Service and Assessment Plan must be reviewed and updated annually. This document is the annual update of the Service and Assessment Plan for 2024-25 (the "Annual Service Plan Update").

The City also adopted assessment rolls for the PID attached as Appendix G, H, and I to the Updated Service and Assessment Plan (the "Assessment Rolls") identifying the assessments on each Parcel within the PID, based on the method of assessment identified in the Updated Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Rolls for 2024-25.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the "PID Assessment Notice") as disclosure of the

obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix F and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID us located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchase before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID Act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Updated Service and Assessment Plan unless otherwise defined herein.

II. UPDATE OF THE SERVICE PLAN

A. UPDATED SOURCES AND USES FOR PUBLIC IMPROVEMENTS

Phase #1 Sources and Uses

Pursuant to the original Service and Assessment Plan adopted on March 23, 2018, the initial total estimated costs of the Phase #1 Improvements, including the proportional share of the Major Improvement costs, were equal to $4,278,270. As described in the Developer's Quarterly Improvement Implementation Report dated as of June 30, 2021, the actual costs of the Phase #1 Authorized Improvements, including the proportional share of the Phases #2-3 Major Improvement costs, were equal to $4,414,653. The Major Improvements were completed and accepted in the fourth quarter of 2020.

Table II-A-1 on the following page summarizes the updated sources and uses of funds required to (1) construct the Phase #1 Improvements, (2) establish the PID, and (3) issue Phase #1 Bonds. The actual costs spent to date of the Phase #1 Improvements were provided by the Developer in the Developer's Quarterly Improvement Implementation Report dated as of June 30, 2021. C. ANNUAL BUDGET – PHASE #1

Phase #1 - Annual Installments – 2024-25

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Phase #1 Bonds, of which twenty-four (24) Annual Installments remain outstanding.

Pursuant to the Updated Service and Assessment Plan, each Assessment shall bear interest at the rate on the Phase #1 Bonds commencing with the issuance of the Phase #1 Bonds. The effective interest rate on the Phase #1 Bonds is 6.25 percent per annum. Pursuant to Section 372.018 of the PID Act, the interest rate for that assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phase #1 Bonds (6.25 percent) plus an additional interest of one-half of one percent (to be used for funding the Prepayment Reserve and Delinquency Reserve) equals 6.75 percent and is used to calculate the interest on the Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the administrative expenses to be collected from each Parcel. Administrative expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Updated Service and Assessment Plan and Trust Indenture, such as the Tax Increment Reinvestment Zone No. 10, City of Celina, Texas (the "TIRZ No. 10") incremental

taxes available to the PID (the "TIRZ Annual Credit Amount"), capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phase #1 Bonds from the collection of the Annual Installments on the assessed property. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Updated Service and Assessment Plan and applicable Trust Indenture.

Phase #1 Annual Installments to be Collected for 2024-25

The budget for Phase #1 of the PID will be paid from the collection of Annual Installments of the Assessments on the assessed property collected for 2024-25 as shown in Table II-C-1 below.

Table II-C-1
Budget for the Phase #1 Annual Installments to be Collected for 2024-25

	Phase #1 Bonds
Interest payment on March 1, 2025	$124,007
Interest payment on September 1, 2025	$124,007

Available Capitalized Interest Funds	$0
Available Administrative Expense Funds	$0
Subtotal funds available	*($139,656)*
Annual Installments	**$245,599**

Debt Service Payments

Annual Installments to be collected for principal and interest include interest due on March 1, 2025 in the amount of $124,007 and on September 1, 2025 in the amount of $124,007, which equal interest on the outstanding Assessments balance of $3,968,217 for six months each and an effective interest rate of 6.25 percent. Annual Installments to be collected include a principal amount of $80,000 due on September 1, 2025. As a result, the total principal and interest to be collected for the Phase #1 Bonds in 2024-25 is estimated to be equal to $328,014.

Administrative Expenses

Administrative expenses include the City, PID Administrator, Trustee, Auditor, Dissemination Agent, and contingency fees. As shown in Table II-C-2 below, the total administrative expenses to be collected for 2024-25 are estimated to be $37,400.

Total	**$37,400**

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of $19,841, which equals 0.5 percent interest on the outstanding Phase #1 Bond Assessment balance of $3,968,217.

Available TIRZ Credit

According to the City, there have been TIRZ incremental revenues collected in 2023 in the total amount of $126,324 that are available to be used as a TIRZ Credit in 2024-25 for the respective Parcels within Phase #1. This TIRZ Credit amount is allocated based upon the amount of TIRZ increment generated by each Parcel within Phase #1 and each Parcel that has an outstanding Phase #1 Assessment balance as of September 1, 2024. The TIRZ Annual Credit Amount shall be calculated separately for each Parcel and such TIRZ Annual Credit Amount shall be applied on a Parcel-by-Parcel basis. As a result, the TIRZ credit obligation for Phase #1 is $126,324 as shown in Appendix C-2 of this report.

Available Reserve Fund Income

As of May 31, 2024, the balance in the Phase #1 Reserve Fund was $341,681, which includes the Bond Reserve Requirement of $328,349 and interest earnings of $13,332. Pursuant to Section 6.7 (d) of the Phase #1 Trust Indenture, the excess balance of $13,332 should be transferred to the Principal & Interest Account and used to pay interest on the Phase #1 Bonds on the next interest payment date. As a result, $13,332 is available to pay a portion of the Phase #1 Bonds debt service.

Available Capitalized Interest Account

As of May 31, 2024, and in accordance with Section 6.4(c) of the Trust Indenture, all Capitalized Interest funds have been fully expended. As a result, there is no credit to reduce the Phase #1 2024-25 Annual Installment.

Available Administrative Expense Account

As of May 31, 2024, the available balance for administrative expenses was $30,550. Approximately $30,550 is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, there are no funds anticipated to be available in the Administrative Expense Account to reduce the Phase #1 2024-25 Annual Installment.

D. ANNUAL INSTALLMENTS PER UNIT – PHASE #1

According to the Updated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Phase #1 Bonds, (ii) to fund the prepayment reserve and delinquency reserve, and (iii) to cover Administrative Expenses of Phase #1 of the PID.

According to the Developer, 157 units are estimated to be built within Phase #1 of the PID. According to the Trustee's records, one Parcel has prepaid the Phase #1 Assessment in full as of May 31, 2024. As a result, the total outstanding units within Phase #1 of the PID is 156. Accordingly, the net principal and interest portion of Annual Installment to be collected from each unit will be $2,144.38 (i.e. ($328,014 + $19,841 – $13,332) ÷ 156.00 = $2,144.38). The Administrative Expenses to be collected from each unit will be $239.74 (i.e., $37,400 ÷ 156.00 = $239.74). As a result, the total Annual Installment to be collected from each unit within Phase #1 will be $2,384.12 (i.e., $2,144.38 + $239.74 = $2,384.12). The Annual Installment to be collected from each Parcel within Phase #1 is calculated by multiplying the Annual Installment for each unit of $2,384.12 by the total estimated number of units for each Parcel in Phase #1, less the applicable TIRZ Credit, if any, as shown in Appendix C-2.

The Annual Installment due to be collected from each Land Use Class in Phase #1 for 2024-25 is shown in Table II-D-1 below.

Table II-D-1
Annual Installment Per Unit – Phase #1

Land Use Class	Annual Installment Per Unit[1]
Lot Type 1 (50 Ft)	$2,384.12

1 - Annual Installment per Unit represents the gross Annual Installment to be billed and does not reflect applicable Phase #1 TIRZ Credits.

The list of Parcels within Phase #1 of the PID, the estimated number of units to be developed on the current residential Parcels, the total Assessment, the Annual Assessment, the Administrative Expenses, TIRZ Credit, and the Annual Installment to be collected for 2024-25 are shown in the Phase #1 Assessment Roll summary attached hereto as Appendix C-1.

E. Annual Budget – Phases #2-3 Major Improvement Area

Phases #2-3 Major Improvement Area - Annual Installments to be Collected for 2024-25

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty annual installments of principal and interest beginning with the tax year following the issuance of the Phases #2-3 Major Improvement Bonds, of which twenty-four (24) Annual Installments remain outstanding.

Pursuant to the Updated Service and Assessment Plan, each Assessment shall bear interest at the rate on the Bonds commencing with the issuance of the Phases #2-3 Major Improvement Bonds. The effective interest rate on the Phases #2-3 Major Improvement Bonds is 6.625 percent. Pursuant to Section 372.018 of the PID Act, the interest rate for that assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phases #2-3 Major Improvement Bonds (6.625 percent) plus an additional interest of one-half of one percent (to be used for funding the Prepayment Reserve and Delinquency Reserve) equals 7.125 percent is used to calculate the interest on the Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under an applicable Trust Indenture, such as TIRZ Credit, capitalized interest, and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phases #2-3 Major Improvement Bonds from the collection of the Annual Installments. In addition, administrative expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Updated Service and Assessment Plan and applicable Trust Indenture.

Phases #2-3 Major Improvement Area Annual Installments to be collected for 2024-25

The budget for Phase #2-3 Major Improvement Area of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown in Table II-E-1 below.

Table II-E-1

Debt Service Payments

Annual Installments to be collected for principal and interest include interest due on March 1, 2025 in the amount of $114,944 and on September 1, 2025 in the amount of $114,944 which equal interest on the outstanding Phases #2-3 Major Improvement Area Assessments balance of $3,470,000 for six months each and an effective interest rate of 6.625 percent. Annual Installments to be collected include a principal amount of $65,000 due on September 1, 2025. As a result, the total principal and interest to be collected for the Phases #2-3 Major Improvement Bonds in 2024-25 is estimated to be equal to $294,888.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, auditor, Dissemination Agent expenses and contingency fees. As shown in Table II-E-2 on the following page, the total administrative expenses to be collected for 2024-25 are estimated to be $36,400.

Table II-E-2

Administrative Budget Breakdown

Description	2024-25 Estimated Budget
City	$6,000
PID Administrator	$22,000
Trustee	$2,750
Auditor	$2,000
Dissemination Agent	$1,167
Contingency	$2,483
Total	**$36,400**

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of $17,350, which equals 0.5 percent interest on the outstanding Phases #2-3 Major Improvement Bond Assessment balance of $3,470,000.

Available TIRZ Credit

According to the City, there have been TIRZ incremental revenues collected in 2023 in the total amount of $8,427 that are available to be used as a TIRZ Credit in 2024-25 for the respective Parcels within Phases #2-3. This TIRZ Credit amount is allocated based upon the amount of TIRZ increment generated by each Parcel within Phases #2-3 and each Parcel that has an outstanding Phases #2-3 Major Improvement Assessment balance as of September 1, 2024. The TIRZ Annual Credit Amount shall be calculated separately for each Parcel and such TIRZ Annual Credit Amount shall be applied on a Parcel-by-Parcel basis. As a result, the TIRZ credit obligation for Phases #2-3 Major Improvements is $8,427 as shown in Appendix D-2 of this report.

Available Reserve Fund Income

As of May 31, 2024, the balance in the Phases #2-3 Major Improvement Area Reserve Fund was $308,175, which includes the Bond Reserve Requirement of $296,150 and an excess balance of $12,025. As a result, $12,025 is available to pay a portion of the Phases #2-3 Major Improvement Bonds debt service.

Available Capitalized Interest Account

As of May 31, 2024, and in accordance with Section 6.4(c) of the Trust Indenture, all Capitalized Interest funds have been fully expended. As a result, there is no credit to reduce the Phases #2-3 2024-25 Major Improvement Annual Installment.

Available Administrative Expense Account

As of May 31, 2024, there are $47,870 available funds to pay Phases #2-3 Major Improvement Area administrative expenses. Approximately $47,870 of the current balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, there are no funds anticipated to be available in the Administrative Expense Fund to reduce the 2024-25 Phase #2-3 Major Improvement Annual Installment.

F. Annual Installments Per Unit – Phases #2-3 Major Improvement Area

According to the Updated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Phases #2-3 Major Improvement Area Bonds, (ii) to fund the prepayment reserve and delinquency reserve, and (iii) to cover Administrative Expenses of the Phase #2-3 Major Improvement Area of the PID.

According to the Developer, 284 units are estimated to be built within the Phases #2-3 Major Improvement Area of the PID. Accordingly, the principal and interest portion of the Phases #2-3 Major Improvement Annual Installment to be collected from each unit will be $1,057.09 (i.e. ($294,888 + $17,350 – $12,025) ÷ 284.00 = $1,057.09) and the Administrative Expenses to be collected from each unit will be $128.17 (i.e., $36,400 ÷ 284.00 = $128.17). As a result, the total Annual Installment to be collected from each unit within the Phases #2-3 Major Improvement Area will be $1,185.26 (i.e., $1,057.09 + $128.17 = $1,185.26). The Annual Installment to be collected from each Parcel within the Phases #2-3 Major Improvement Area is calculated by multiplying the Annual Installment for each unit of $1,185.26 by the total estimated number of units for each Parcel in the Phases #2-3 Major Improvement Area, less the applicable TIRZ Credit, if any, as shown in Appendix D-2.

The Annual Installment due to be collected from each Land Use Class in the Phases #2-3 Major Improvement Area for 2024-25 is shown in Table II-F-1 below.

The list of Parcels within the Phases #2-3 Major Improvement Area of the PID, the estimated number of units to be developed on the current residential Parcels, the total Assessment, the Annual Assessment, the Administrative Expenses and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll summary attached hereto as Appendix D-1.

G. ANNUAL BUDGET – PHASES #2-3 DIRECT IMPROVEMENTS

Phases #2-3 Direct Improvements - Annual Installments to be Collected for 2024-25

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty annual installments of principal and interest beginning with the tax year following the issuance of the Phases #2-3 Direct Improvement Bonds and/or the execution of the Phases #2-3 Direct Improvement Reimbursement Agreement of which twenty-nine (29) Annual Installments remain outstanding.

Pursuant to the Updated Service and Assessment Plan, each Assessment shall bear interest at the rate on the Bonds commencing with the issuance of the Phases #2-3 Direct Improvement Bonds. The effective interest rate on the Phases #2-3 Direct Improvement Bonds is 5.87 percent and the effective interest rate applicable to the Phases #2-3 Direct Improvement Reimbursement Agreement is 5.91 percent per annum for 2024-25. Pursuant to Section 372.018 of the PID Act, the interest rate for that assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phases #2-3 Direct Improvement Bonds (5.87 percent) plus an additional interest of one-half of one percent and the effective interest rate on the Phases #2-3 Direct Improvement Reimbursement Agreement (5.91 percent) are used to calculate the interest on the Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under an applicable Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phases #2-3 Direct Improvement Bonds and Phases #2-3 Direct Improvement Reimbursement Agreement from the collection of the Annual Installments. In addition, administrative expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Updated Service and Assessment Plan and applicable Trust Indenture.

Phases #2-3 Direct Improvement Annual Installments to be collected for 2024-25

The budget for Phase #2-3 Direct Improvements of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown in Table II-G-1 on the following page.

Table II-G-1
Budget for the Phases #2-3 Direct Improvements

Debt Service Payments

Annual Installments to be collected for principal and interest include interest due on March 1, 2025 in the amount of $224,093 and on September 1, 2025 in the amount of $224,093 which equal interest on the outstanding Phases #2-3 Direct Improvement Bonds Assessments balance of $7,633,000 for six months each and an effective interest rate of 5.87 percent. Annual Installments to be collected include a principal amount of $70,000 due on September 1, 2025. As a result, the total principal and interest to be collected for the Phases #2-3 Direct Improvement Bonds in 2024-25 is estimated to be equal to $518,185.

Annual Installments to be collected for Phases #2-3 Direct Improvement Reimbursement Agreement principal and interest include interest due on March 1, 2025 in the amount of $47,630 and on September 1, 2025 in the amount of $47,630 which equal interest on the outstanding Phases #2-3 Direct Improvement Reimbursement Agreement Assessments balance of $1,612,000 for six months each and an effective interest rate of 5.91 percent. Annual Installments to be collected include a principal amount of $22,000 due on September 1, 2025. As a result, the total principal and interest to be collected for the Phases #2-3 Direct Improvement Reimbursement Agreement in 2024-25 is estimated to be equal to $117,260.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, auditor, Dissemination Agent expenses and contingency fees. As shown in Table II-G-2 below, the total administrative expenses to be collected for 2024-25 are estimated to be $61,200.

Table II-G-2
Phases #2-3 Direct Improvement Area
Administrative Budget Breakdown

Description	2024-25 Estimated Budget
City	$6,000
PID Administrator	$47,000
Trustee	$2,750
Auditor	$2,000
Dissemination Agent	$1,167
Contingency	$2,283
Total	**$61,200**

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of $38,165, which equals 0.5 percent interest on the outstanding Phases #2-3 Direct Improvement Bond Assessment balance of $7,633,000.

Available Reserve Fund Income

As of May 31, 2024, the balance in the Phases #2-3 Direct Improvement Area Reserve Fund was $767,404, which includes the Bond Reserve Requirement of $738,822 and an excess balance of $28,582. As a result, $28,582 is available to pay a portion of the Phases #2-3 Direct Improvement Bonds debt service.

Available Capitalized Interest Account

As of May 31, 2024, and in accordance with Section 6.4(c) of the Trust Indenture, all Capitalized Interest funds have been fully expended. As a result, there is no credit to reduce the Phases #2-3 2024-25 Direct Improvement Annual Installment.

Available Administrative Expense Account

As of May 31, 2024, there are $50,205 available funds to pay Phases #2-3 Direct Improvement Area administrative expenses. Approximately $50,205 of the current balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, there are no funds anticipated to be available in the Administrative Expense Fund to reduce the 2024-25 Phase #2-3 Direct Improvement Annual Installment.

H. Annual Installments Per Unit – Phases #2-3 Direct Improvement

According to the Updated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Phases #2-3 Direct Improvement Bonds and Phases #2-3 Direct Improvement Reimbursement Agreement, (ii) to fund the additional interest reserve, and (iii) to cover Administrative Expenses of Phases #2-3 of the PID for the Phases #2-3 Direct Improvements.

According to the Developer, 284 units are estimated to be built within Phases #2-3 of the PID. Accordingly, the principal and interest portion of the Phases #2-3 Direct Improvement Annual Installment to be collected from each unit will be $2,271.22 (i.e. ($635,445 + $38,165 – $28,582) ÷ 284.00 = $2,271.22) and the Administrative Expenses to be collected from each unit will be $215.49 (i.e., $61,200 ÷ 284.00 = $215.49). As a result, the total Annual Installment to be collected from each unit within Phases #2-3 for the Phases #2-3 Direct Improvements will be $2,486.72 (i.e., $2,271.22 + $215.49 = $2,486.72). The Annual Installment to be collected from each Parcel within the Phases #2-3 for the Phases #2-3 Direct Improvements is calculated by multiplying the Annual Installment for each unit of $2,486.72 by the total estimated number of units for each Parcel in Phases #2-3.

The Annual Installment due to be collected from each Land Use Class in Phases #2-3 for the Phases #2-3 Direct Improvements for 2024-25 is shown in Table II-H-1 below.

Table II-H-1

The list of Parcels within the Phases #2-3 Area of the PID, the estimated number of units to be developed on the current residential Parcels, the total Assessment, the Annual Assessment, the Administrative Expenses and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll summary attached hereto as Appendix E.

I. Bond Redemption Related Updates

Phase #1 Bonds

The Phase #1 Bonds were issued in 2018. Pursuant to Section 4.3 of the Phase #1 Bonds Trust Indenture, the City reserves the right and option to redeem the Phase #1 Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2028**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the applicable Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phase #1 Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

Phases #2-3 Major Improvement Bonds

The Phases #2-3 Major Improvement Bonds were issued in 2018. Pursuant to Section 4.3 of the Phases #2-3 Major Improvement Bonds Trust Indenture, the City reserves the right and option to redeem the Phases #2-3 Major Improvement Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2028**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the applicable Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phases #2-3 Major Improvement Bonds do not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

Phases #2-3 Direct Improvement Bonds

The Phases #2-3 Direct Improvement Bonds were issued in 2023. Pursuant to Section 4.3 of the Phases #2-3 Direct Improvement Bonds Trust Indenture, the City reserves the right and option to redeem the Phases #2-3 Direct Improvement Bonds maturing on or after September 1, 2043, before their scheduled maturity dates, in whole or in part, on any date on or after **September 1, 2031**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the applicable Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phases #2-3 Direct Improvement Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

III. UPDATE OF THE ASSESSMENT PLAN

The Updated Service and Assessment Plan adopted by the City Council provided that the Authorized Improvement costs shall be allocated to the Assessed Property equally on the basis of the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property, as updated in prior Annual Service Plan Updates, has not been changed and Assessed Property will continue to be assessed as provided for in the Updated Service and Assessment Plan.

(The remainder of this page is intentionally left blank)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

> (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.H of this Service and Assessment Plan.

The updated Assessment Rolls for are shown in Appendix C-1, D-1, and E of this report. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Updated Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for each new subdivided Parcel.

B = the Assessment for the Parcel prior to subdivision.

C = the estimated number of units to be built on each newly subdivided Parcel

D = the sum of the estimated number of units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

According to the Developer and the Collin Central Appraisal District records, Phase #1 of the PID was completely subdivided in 2020, and the Assessments allocated proportionally according to Lot Type. The final plat recorded on October 15, 2020 and was subdivided from Parcel 2779860.

B. Prepayment of Assessments

As of May 31, 2024, one Parcel has prepaid their Phase #1 Assessment in full. See Appendix B for a more information related to this prepaid Parcel.

According to the Trustee, an extraordinary optional redemption of the Phase #1 Bonds, in the aggregate amount of $25,000, occurred July 1, 2022, based on prepaid Phase #1 Assessments received.

The complete Assessment Rolls are available for review at the City Hall, located at 142 N. Ohio, Celina, Texas 75009.

PID Assessment Notice

NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT ASSESSMENT TO CITY OF CELINA, TEXAS
CONCERNING THE FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the Chalk Hill Public Improvement District No. 2 (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City or MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF CELINA APPROVING THE ANNUAL UPDATE OF THE SERVICE AND ASSESSMENT PLAN AND ASSESSMENT ROLLS FOR THE CHALK HILL PUBLIC IMPROVEMENT DISTRICT NO. 2 IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE §372.013, AS AMENDED; CONTAINING A CUMMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, on December 12, 2017, the City Council of the City of Celina, Texas (the "City") approved Resolution No. 2017-212R establishing the Chalk Hill Public Improvement District No. 2 (the "PID") in accordance with the provisions of Chapter 372 of the Texas Local Government Code (the "Public Improvement District Assessment Act" or "the PID Act"); and

WHEREAS, the City has heretofore levied assessments against property within Phase #1 the PID, pursuant to Ordinance No. 2018-12 which ordinance also approved the Chalk Hill Public Improvement District No. 2 Service and Assessment Plan and Assessment Roll related to Phase #1, dated as of March 23, 2018 (the "Service and Assessment Plan and Phase #1 Assessment Roll"); and

WHEREAS, the City has also heretofore levied assessments against property within the Phases #2-3 Major Improvement Area of the PID, pursuant to Ordinance No. 2018-14 which ordinance also approved the Chalk Hill Public Improvement District No. 2 Service and Assessment Plan and Assessment Roll related to the Phases #2-3 Major Improvement Area, dated as of March 23, 2018 (the "Service and Assessment Plan and Phases #2-3 Major Improvement Area Assessment Roll"); and

WHEREAS, the City has also heretofore levied assessments against property within the Phases #2-3 Direct Improvement Area of the PID, pursuant to Ordinance No. 2023-65 which ordinance also approved the Chalk Hill Public Improvement District No. 2 Service and Assessment Plan and Assessment Roll related to the Phases #2-3 Direct Improvements, dated as of July 11, 2023 (the "Service and Assessment Plan and Phases #2-3 Direct Improvements Assessment Roll") [and, together with the Service and Assessment Plan and Phase #1 and Phases #2-3 Major Improvement Area Assessment Rolls, the "Service and Assessment Plan and Assessment Rolls"]; and

WHEREAS, the Service and Assessment Plan and Assessment Rolls are required to be reviewed and updated annually as described in Sections 372.013 and 372.014 of the PID Act (the "Annual Service Plan Update"); and

WHEREAS, the Annual Service Plan Update, attached hereto as Exhibit A, including the Phase #1, Phases #2-3 Major Improvement Area, and the Phases #2-3 Direct Improvement Assessment Rolls attached thereto, update the Service and Assessment Plan and Assessment Rolls to reflect prepayments, property divisions and changes to the budget allocation for the PID that

occur during the year, if any; and

WHEREAS, the City Council desires and finds it to be in the public interest to adopt this Ordinance approving and adopting the Annual Service Plan Update and the updated Assessment Roll attached thereto, in compliance with the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1. All matters stated in the preamble are found to be true and correct and are incorporated herein as if copied in their entirety.

SECTION 2. The Chalk Hill Public Improvement District No. 2 Annual Service Plan Update, attached hereto as Exhibit A and incorporated herein by reference, inclusive of the updated Phase #1, Phases #2-3 Major Improvement Area, and Phases #2-3 Direct Assessment Rolls contained therein and made a part thereof, are hereby accepted and approved.

SECTION 3. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION 4. Should any sentence, paragraph, subdivision, clause, phrase or section of this Ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this Ordinance as a whole, or any part or provision thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of the Ordinance as a whole.

SECTION 5. This Ordinance shall take effect immediately after its passage and the publication of the caption, as the law and charter in such case provide. The City Secretary shall cause this Ordinance to be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

I. INTRODUCTION

The Creeks of Legacy Public Improvement District (the "PID") was created pursuant to the PID Act and a resolution of the City Council on April 29, 2014 to finance certain public improvement projects for the benefit of the property in the PID.

On June 20, 2014, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2014 (Creeks of Legacy Public Improvement District Phase #1 Project) (the "Phase #1A Bonds") in the aggregate principal amount of $8,750,000, to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in Phase #1 of the PID. In addition, reimbursement obligations for the Phase #1 Reimbursement Agreement in the aggregate principal amount of $3,750,000 are secured by Special Assessments.

On August 14, 2018, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2018 (Creeks of Legacy Public Improvement District Phase #1B Project) (the "Phase #1B Bonds") in the aggregate principal amount of $3,750,000 to fully reimburse the Developer for the unpaid balance of the Phase #1 Reimbursement Agreement.

On May 9, 2023, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Refunding Bonds, Series 2023 (Creeks of Legacy Public Improvement District Phase #1 Project) (the "Phase #1 Refunding Bonds") in the aggregate principal amount of $10,181,000. The Phase #1 Refunding Bonds were issued to refinance the Phase #1A Bonds and Phase #1B Bonds.

On June 20, 2014, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2014 (Creeks of Legacy Public Improvement District Phases #2-3 Major Improvement Project) (the "Phases #2-3 Major Improvement Bonds") in the aggregate principal amount of $6,575,000, to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in Phases #2-3 of the PID.

On May 9, 2023, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Refunding Bonds, Series 2023 (Creeks of Legacy Public Improvement District Phases #2-3 Major Improvement Project) (the "Phases #2-3 Major Improvement Refunding Bonds") in the aggregate principal amount of $5,415,000. The Phases #2-3 Refunding Bonds were issued to refinance the Phases #2-3 Major Improvement Bonds.

On August 14, 2018, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2018 (Creeks of Legacy Public Improvement District Phase #2 Project) (the "Phase #2 Bonds") in the aggregate principal amount of $6,875,000 to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in Phase #2 of the PID.

On August 11, 2020, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2020 (Creeks of Legacy Public Improvement District Phase #3 Project) (the "Phase #3 Bonds") in the aggregate principal amount of $3,600,000 to fully reimburse the Developer for the unpaid balance of the Phase #3 Reimbursement Agreement to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in Phase #3 of the PID.

A service and assessment plan (the "Service and Assessment Plan") was prepared at the direction of the City identifying the public improvements (the "Authorized Improvements") to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. The Service and Assessment Plan was updated for Phase #2 on March 13, 2018 and August 14, 2018 to incorporate the Phase #2 Bonds, updated for Phase #3 on June 9, 2020 and August 11, 2020 to incorporate the Phase #3 Bonds, and updated for the Phase #1 Refunding Bonds and Phases #2-3 Major Improvement Refunding Bonds on May 9, 2023 (the "Amended and Restated Service and Assessment Plan"). Pursuant to the PID Act, the Amended and Restated Service and Assessment Plan must be reviewed and updated annually. This document is the annual update of the Service and Assessment Plan for 2024-25 (the "Annual Service Plan Update").

The City also adopted the Phase #1 Assessment Roll, Phases #2-3 Major Improvement Assessment Roll, Phase #2 Assessment Roll, and Phase #3 Assessment Roll attached as Appendix G, Appendix H, Appendix I, and Appendix J, respectively, to the Amended and Restated Service and Assessment Plan, identifying the assessments on each parcel within the PID, based on the method of assessment identified in the Amended and Restated Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Rolls for 2024-25.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the "PID Assessment Notice") as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix G and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID us located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchaser before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms not defined herein shall have the meanings assigned to such terms in the Amended and Restated Service and Assessment Plan.

II. UPDATE OF THE SERVICE PLAN

A. UPDATED SOURCES AND USES FOR PUBLIC IMPROVEMENTS

Phases #2-3 Major Improvement Area Sources and Uses

Pursuant to the original Service and Assessment Plan adopted on June 18, 2014, the initial total estimated costs of the Phase #2-3 Major Improvements, less the proportional share allocated to Phase #1, were equal to $7,091,043. As described in the Amended and Restated Service and Assessment Plan for Phase #3, the actual costs of the Phase #2-3 Improvements, less the proportional share allocated to Phase #1, were equal to $12,047,789, representing an increase of $4,956,746 from the initial total estimated costs.

Table II-A-1 on the following page summarizes the updated sources and uses of funds required to (1) construct the Major Improvements and the Additional Major Improvements (less the proportional share allocated to Phase #1), (2) establish the PID, and (3) Phases #2-3 Major Improvement Bonds. The actual costs of the Phase #2-3 Improvements are shown in Table IV-A.2 in the Amended and Restated Service and Assessment Plan for Phase #3.

The Phase #2-3 Major Improvements were completed and accepted by the City on July 30, 2020.

1 - The Major Improvements and Additional Major Improvements shown herein represent the amounts allocated to the Phase #1 Improvement Area as shown in the Amended and Restated Service and Assessment Plan for Phase #3.
2 - Actual costs amounts for the improvements are provided as shown in the Amended and Restated Service and Assessment Plan for Phase #3.
3 - Other funding sources represents Developer deposits and/or Developer contributions.

Phase #1 Cost Variances

As shown in Table II-A-3 on the previous page, there are improvement cost increases of $2,567,919 of which $1,839,254 represent Additional Major Improvement Costs that were not originally considered for construction and the remainder of the costs increase is due to increased costs of issuance associated with the Phase #1B Bonds. The increase in public improvement costs were funded by the Developer.

Phase #1 Refunding Bonds Sources and Uses

Pursuant to the Amended and Restated Service and Assessment Plan adopted on May 9, 2023, the initial total estimated costs of the Phase #2-3 Major Improvement Area Refunding Bonds were equal to $6,786,171**.** According to the Trustee records as of June 30, 2023 and the Phases #2-3 Major Improvement Area Refunding Bond Closing Instruction Letter dated May 31, 2023, the actual costs of the Phase #1 Refunding Bonds remain unchanged.

Table II-A-4 below summarizes the updated sources and uses of funds required to issue the Phase #1 Refunding Bonds.

Phase #1 Refunding Bonds Cost Variances

As shown in Table II-A-4 on the previous page, there are no significant variances between the initial estimated budget and the actual amount spent to be reported at this time.

Phases #2 Sources and Uses

Pursuant to the Amended and Restated Service and Assessment Plan, updated for Phase #2, adopted on March 13, 2018 and August 14, 2018, the initial total estimated costs of the Phase #2 Improvements were equal to $10,302,894. As described in the Amended and Restated Service and Assessment Plan for Phase #3, the actual costs of the Phase #2 Improvements were equal to $10,286,253, representing a decrease of $16,641 from the initial total estimated costs.

Table II-A-5 on the following page summarizes the updated sources and uses of funds required to (1) construct the Phase #2 Improvements, (2) establish the PID, and (3) issue the Phase #2 Bonds. The actual costs of the Phase #2 Improvements are shown in Table IV-A.2 in the Amended and Restated Service and Assessment Plan for Phase #3.

The Phase #2 Improvements were completed and accepted by the City on March 22, 2019.

Phase #2 Cost Variances

As shown in Table II-A-5 above, there are no significant variances for the Phase #2 Improvement costs.

Phases #3 Sources and Uses

Pursuant to the Amended and Restated Service and Assessment Plan, updated for Phase #3, adopted on June 9, 2020 the initial total estimated costs of the Phase #3 Improvements are estimated to be $4,403,717. As described in the Amended and Restated Service and Assessment

Plan for Phase #3, the updated estimated costs of the Phase #3 Improvements were equal to $5,209,749, representing an increase of $806,032 from the initial total estimated costs.

Table II-A-6 below summarizes the estimated sources and uses of funds required to (1) construct the Phase #3 Improvements, (2) establish the PID, and (3) issue the Phase #3 Bonds. The updated estimated costs of the Phase #3 Improvements are shown in Table IV-A.2 in the Amended and Restated Service and Assessment Plan for Phase #3.

The Phase #3 Improvements were completed and accepted by the City on July 30, 2020.

Phase #3 Cost Variances

As shown in Table II-A-6 on the previous page, the increase in Phase #3 estimated costs is associated with estimated costs of issuance of the Phase #3 Bonds, which were funded by the Developer in a reduction of the Phase #3 Reimbursement Agreement.

B. Five Year Service Plan

According to the PID Act, a service plan must cover a period of five years. Based upon the actual budget for the Authorized Improvements shown in Section II.A, the Annual Installments expected to be collected during the next five years is shown in Table II-B-1 below.

Table II-B-1
Projected Annual Installments (2015-2030)

Assessment Year Ending 09/01[1]	Phase #1 Projected Annual Installments	Phases #2-3 Projected Annual Installments	Phase #2 Projected Annual Installments	Phase #3 Projected Annual Installments
2015-2024	$7,575,249	$4,482,807	$2,376,646	$660,678
2025	$414,860	$36,144	$447,987	$209,471
2026	$898,822	$566,564	$483,460	$226,527

Total	**$12,485,708**	**$7,389,036**	**$5,219,732**	**$1,996,248**

1 – Assessment years ending 2015 through 2025 reflect actual Annual Installments and are net of applicable reserve fund income, TIRZ credits, and capitalized interest. Assessment years 2026 through 2030 reflect projected Annual Installments, not inclusive of applicable credits, and are subject to change.

C. Annual Budget – Phase #1

Phase #1 - Annual Installments

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Phase #1A Bonds and/or execution of the Phase #1 Reimbursement Agreement, of which twenty (20) Annual Installments remain outstanding.

Pursuant to the Amended and Restated Service and Assessment Plan, each Assessment shall bear interest at the rate on the Phase #1 Refunding Bonds commencing with the issuance of the Phase #1 Refunding Bonds. The effective interest rate on the Phase #1 Refunding Bonds is 5.11 percent for 2024-25. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phase #1 Refunding Bonds (5.11 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments.

These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Amended and Restated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Amended and Restated Service and Assessment Plan and applicable Trust Indenture, such the TIRZ Credit, capitalized interest, and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phase #1 Refunding Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment reserve and delinquency reserve amounts as described in the Amended and Restated Service and Assessment plan and applicable Trust Indenture.

Phase #1 Annual Installments to be collected for 2024-25

The budget for Phase #1 of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown by Table II-C-1 on the following page.

(remainder of this page is intentionally left blank)

Table II-C-1

Administrative Expenses	$44,737
Subtotal Expenses	$898,691
Available TIRZ Credit	($473,745)
Available reserve fund income	($10,085)
Available Administrative Expense account	$0
Subtotal funds available	($483,831)
Annual Installments	**$414,860**

Debt Service Payments

Annual Installments to be collected for principal and interest include Phase #1 Refunding Bond interest due on March 1, 2025, in the amount of $255,934 and on September 1, 2025, in the amount of $255,34, which equals six months interest on the outstanding Phase #1 Assessments balance of $10,017,000, respectively, at an effective interest rate of 5.11 percent. Phase #1 Annual Installments to be collected include a principal amount of $292,000 due on September 1, 2025. As a result, total Annual Installments to be collected for Phase #1 principal and interest in 2024-25 is equal to $803,869.

Excess Interest for Additional Interest Reserve

Annual Installments to be collected for excess interest for additional interest reserves in the amount of $50,085, which equals 0.5 percent interest on the outstanding Phase #1 Assessments balance of $10,017,000.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, auditor, dissemination agent and contingency fees. As shown in Table II-C-2 on the following page, the total Phase #1 administrative expenses to be collected for 2024-25 are estimated to be $44,737.

Table II-C-2
Phase #1 Administrative Budget Breakdown

Description	2024-25 Estimated Budget
City	$6,000
Administrator	$31,000
Trustee	$2,750
Auditor	$2,000
Contingency	$2,987
Total	**$44,737**

Available TIRZ Credit

According to the City, there have been TIRZ increments collected in 2023 in the total amount of $473,745 that are available to be used as TIRZ Credit in 2024-25 for the respective Parcels within Phase #1. This TIRZ Credit amount is allocated based upon the amount of TIRZ increment generated by each Parcel within Phase #1 and each Parcel that has an outstanding Phase #1 Assessment balance as of September 1, 2024 as shown in Appendix C-2.

Available Reserve Fund Income

As of May 31, 2024, the balance in the Phase #1 Reserve Fund was $217,678, which includes the Bond Reserve Requirement of $207,592 and an excess balance of $10,085. Pursuant to Section 6.7(e) of the Phase #1 Refunding Bond Trust Indenture the excess balance of $10,085 should be transferred to the Phase #1 Refunding Bond Principal& Interest Account and used to pay interest on the Phase #1 Refunding Bond on the next interest payment date. As a result, $10,085 is available to reduce the Phase #1 2024-25 Annual Installment.

Available Administrative Expense Account

As of May 31, 2024, the available balance for administrative expenses was $60,802. Approximately $60,802 is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, there are no funds available in the Administrative Expense Fund to reduce the Phase #1 2024-25 Annual Installment.

D. Annual Installments Per Unit - Phase #1

According to the Amended and Restated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #1 Refunding Bonds, to fund the Prepayment Reserve and Delinquency Reserve described in the Amended and Restated Service and Assessment Plan, and to cover Administrative Expenses of Phase #1.

According to the Amended and Restated Service and Assessment Plan, 427 units representing 374.80 total Equivalent Units were built within Phase #1 of the PID. As of May 31, 2024, two

Parcels have prepaid their Phase #1 Assessment in full representing 1.73 equivalent Units and one Parcel has prepaid a portion of their Phase #1 Assessment representing 0.57 Equivalent Units. As a result, the outstanding Phase #1 Equivalent Units are 372.50 (374.80 – 1.73 – 0.57 = 372.50). Accordingly, the net principal, interest, and additional interest reserve portion of Annual Installment to be collected from each Equivalent Unit for Phase #1 will be $2,265.41 (i.e. ($803,869 + $50,085 – $10,085) ÷ 372.50 = $2,265.41).

Administrative Expenses will continue to be collected from all Parcels with an outstanding Phase #1 Assessment balance based on each Parcel's initial Equivalent Unit. Administrative Expenses to be collected from each Equivalent Unit for Phase #1 will be $119.92 (i.e., $44,737 ÷ 373.07 = $119.92).

As a result, the total Annual Installment to be collected from each Equivalent Unit within Phase #1 will be $2,385.33 (i.e., $2,265.41 + $119.92 = $2,385.33). The Annual Installment to be collected from each Parcel within Phase #1 is calculated by multiplying the Annual Installment for each Equivalent Unit of $2,385.33 by the total Equivalent Units for each Parcel in Phase #1 less the applicable TIRZ Credit, if any, as shown in Appendix C-1.

The Annual Installment due to be collected from each Land Use Class in Phase #1 for 2024-25 is shown in Table II-D-1 below.

Table II-D-1
Annual Installment Per Unit – Phase #1

Land Use Class	Annual Installment per Equivalent Unit	Equivalent Unit Factor	Annual Installment[1]
Lot Type 1 (70' Lot)	$2,385.33	1.00	$2,385.33
Lot Type 2 (60' Lot)	$2,385.33	0.88	$2,099.09
Lot Type 3 (50' Lot)	$2,385.33	0.73	$1,741.29

1 - Amounts do not include applicable TIRZ credits, if any.

The list of Parcels within Phase #1 of the PID, the corresponding lot types of the current residential Parcels, the corresponding total initial and outstanding Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, the TIRZ Credit and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix C-1.

E. Annual Budget – Phases #2-3 Major Improvement Area

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Phases #2-3 Major Improvement Bonds, of which sixteen (16) Annual Installments remain outstanding.

Pursuant to the Amended and Restated Service and Assessment Plan, each Assessment shall bear interest at the rate on the Phases #2-3 Major Improvement Refunding Bonds commencing with the issuance of the Phases #2-3 Major Improvement Refunding Bonds. The effective interest rate applicable for 2024-25 on the Phases #2-3 Major Improvement Refunding Bonds is 5.13 percent. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phases #2-3 Major Improvement Refunding Bonds (5.13 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Amended and Restated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under an applicable Trust Indenture, such as TIRZ Credit, capitalized interest, and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phases #2-3 Major Improvement Refunding Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment reserve and delinquency reserve amounts as described in the Amended and Restated Service and Assessment plan and applicable Trust Indenture.

Phases #2-3 Major Improvement Area Annual Installments to be collected for 2024-25

The budget for Phases #2-3 Major Improvement Area of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown by Table II-E-1 on the following page.

(remainder of this page is intentionally left blank)

Table II-E-1

Available reserve fund income	($5,547)
Available Administrative Expense account	($13,564)
Subtotal funds available	($545,132)
Annual Installments	**$36,144**

Debt Service Payments

Annual Installments to be collected for principal and interest include Phases #2-3 Major Improvement Refunding Bond interest due on March 1, 2025, in the amount of $135,355 and on September 1, 2025, in the amount of $135,355, which equal interest on the outstanding Phases #2-3 Major Improvement Assessments balance of $5,277,000 for six months respectively, at an effective interest rate of 5.13 percent. Phases #2-3 Major Improvement Annual Installments to be collected include a principal amount of $228,000 due on September 1, 2025. As a result, total Annual Installments to be collected for Phases #2-3 Major Improvement principal and interest in 2024-25 is equal to $498,710.

Excess Interest for Additional Interest Reserve

Annual Installments to be collected for excess interest for additional interest reserves in the amount of $26,385, which equals 0.5 percent interest on the outstanding Phases #2-3 Major Improvement Assessments balance of $5,277,000.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, auditor, dissemination agent and contingency fees. As shown in Table II-E-2 on the following page the total Phases #2-3 administrative expenses to be collected for 2024-25 are estimated to be $56,182.

Table II-E-2
Phases #2-3 Major Improvement Area
Administrative Budget Breakdown

Description	2024-25 Estimated Budget
City	$6,000
Administrator	$41,000
Trustee	$2,750
Auditor	$2,000
Contingency	$4,432
Total	**$56,182**

Available TIRZ Credit

According to the City, there have been TIRZ increments collected in 2023 in the total amount of $526,021 that are available to be used as TIRZ Credit in 2024 for the respective Parcels within Phases #2-3. This TIRZ Credit amount is allocated based upon the amount of TIRZ increment generated by each Parcel within Phases #2-3 and each Parcel that has an outstanding Phases #2-3 Assessment balance as of September 1, 2024 as shown in Appendix D-2.

Available Reserve Fund Income

As of May 31, 2024, the balance in the Phases #2-3 Major Improvement Reserve Fund was $131,247, which includes the Bond Reserve Requirement of $125,700 and an excess balance of $5,547. Pursuant to Section 6.7(e) of the Phases #2-3 Refunding Bonds Trust Indenture the excess balance of $5,547 should be transferred to the Phases #2-3 Principal & Interest Account and used to pay interest on the Phases #2-3 Refunding Bonds on the next interest payment date. As a result, $5,547 is available to reduce the Phases #203 Major Improvement 2024-25 Annual Installment.

Available Capitalized Interest Account

As of May 31, 2024, the Trustee reported that the Capitalized Interest Fund has been fully expended. As a result, there is no credit to reduce the Phases #2-3 Major Improvement 2024-25 Annual Installment.

Available Administrative Expense Account

As of May 31, 2024, the balance in the Administrative Expense Fund was $83,480. Approximately $69,915 of the current balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, there is $13,564 anticipated to be available in the Administrative Expense Fund to reduce the Phases #2-3 Major Improvement 2024-25 Annual Installment.

F. Annual Installments Per Unit - Phases #2-3 Major Improvement Area

According to the Amended and Restated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phases #2-3 Major Improvement Refunding Bonds, to fund the Prepayment Reserve and Delinquency Reserve described in the Amended and Restated Service and Assessment Plan, and to cover Administrative Expenses of the Phases #2-3 Major Improvement Area.

According to the Amended and Restated Service and Assessment Plan, 614 units representing 502.88 total Equivalent Units were built within Phases #2-3 of the PID. As of May 31, 2024, two Parcels have prepaid the Phases #2-3 Major Improvement Assessment in full representing 1.46 prepaid Equivalent Units and two Parcels have partially prepaid the Phases #2-3 Major Improvement Assessment representing 0.19 prepaid Equivalent Units. As a result, the outstanding Phases #2-3 Major Improvement area Equivalent Units are 501.23 (502.88 – 1.46 – 0.19 = 501.23). Accordingly, the net principal, interest, and additional interest reserve portion of Annual Installment to be collected from each Equivalent Unit for the Phases #2-3 Major Improvement Area will be $1,036.55 (i.e. ($498,710 + $26,385 - $5,547) ÷ 501.23 = $1,036.55).

Administrative Expenses will continue to be collected from all Parcels with an outstanding Phases #2-3 Major Improvement Area Assessment balance based on each Parcel's initial Equivalent Unit. Administrative Expenses to be collected from each Equivalent Unit for the Phases #2-3 Major Improvement Area will be $84.99 (i.e. ($56,182 - $13,564 ÷ 501.42 = $84.99).

As a result, the total Annual Installment to be collected from each Equivalent Unit within the Phases #2-3 Major Improvement Area will be $1,121.54 (i.e., $1,036.55 + $84.99 = $1,121.54). The Annual Installment to be collected from each Parcel within the Phases #2-3 Major Improvement Area is calculated by multiplying the Annual Installment for each Equivalent Unit of $1,121.54 by the total estimated Equivalent Units for each Parcel in the Phases #2-3 Major Improvement Area less the applicable TIRZ Credit, if any, as shown in Appendix D-1.

The Annual Installment due to be collected from each Land Use Class in the Phases #2-3 Major Improvement Area for 2024-25 is shown in Table II-F-1 below.

Table II-F-1
Annual Installment Per Unit – Phases #2-3 Major Improvement Area

Land Use Class	Annual Installment per Equivalent Unit	Equivalent Unit Factor	Annual Installment[1]
Lot Type 1 (70' Lot)	$1,121.54	1.00	$1,121.54
Lot Type 2 (60' Lot)	$1,121.54	0.88	$986.96
Lot Type 3 (50' Lot)	$1,121.54	0.73	$818.73

1 - Amounts do not include applicable TIRZ credits, if any.

The list of Parcels within the Phases #2-3 Major Improvement Area of the PID, the corresponding lot types of the current residential Parcels, the corresponding total initial and outstanding Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, the TIRZ Credit and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix D-1.

G. ANNUAL BUDGET – PHASE #2

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Phase #2 Bonds, of which twenty-four (24) Annual Installments remain outstanding.

Pursuant to the Amended and Restated Service and Assessment Plan, each Assessment shall bear interest at the rate on the Phase #2 Bonds commencing with the issuance of the Phase #2 Bonds. The effective interest rate on the Phase #2 Bonds is 5.61 percent for 2024-25. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phase #2 Bonds (5.61 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Amended and Restated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Amended and Restated Service and Assessment Plan and applicable Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phase #2 Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment reserve and delinquency reserve amounts as described in the Amended and Restated Service and Assessment plan and applicable Trust Indenture.

Phase #2 Annual Installments to be collected for 2024-25

The budget for Phase #2 of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown by Table II-G-1 below.

Table II-G-1
Budget for the Phase #2 Annual Installments to be Collected for 2024-25

Descriptions	Phase #2 Bonds

Subtotal funds available	*($27,156)*
Annual Installments	**$447,987**

Debt Service Payments

Annual Installments to be collected for principal and interest include interest due on March 1, 2025 in the amount of $185,289 and on September 1, 2025 in the amount of $185,289, which equal interest on the outstanding Phase #2 Assessments balance of $6,605,376 for six months each and an effective interest rate of 5.61 percent. Annual Installments to be collected include a principal amount of $45,000 due on September 1, 2025. As a result, total Annual Installments to be collected for Phase #2 principal and interest in 2024-25 is estimated to be equal to $415,578.

Excess Interest for Additional interest Reserve

Annual Installments to be collected for excess interest for additional interest reserves in the amount of $33,027, which equals 0.5 percent interest on the outstanding Phase #2 Assessments balance of $6,605,376.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, auditor, dissemination agent and contingency fees. As shown in Table II-G-2 on the following page, the total administrative expenses to be collected for 2024-25 are estimated to be $26,538.

Table II-G-2
Administrative Budget Breakdown – Phase #2

Description	2024-25 Estimated Budget
City	$6,000
Administrator	$14,000
Trustee	$2,750
Auditor	$2,000
Contingency	$1,788
Total	**$26,538**

Available Reserve Fund Income

As of May 31, 2024, the balance in the Phase #2 Reserve Fund was $695,981, which includes the Bond Reserve Requirement of $668,825 and an excess balance of $27,156. Pursuant to Section 6.7(d) of the Phase #2 Bond Trust Indenture the excess balance of $27,156 should be transferred to the Phase #2 Principal & Interest Account and used to pay interest on the Phase #2 Bonds on the next interest payment date. As a result, $27,156 is available to reduce the Phase #2 2024-25 Annual Installment.

Available Capitalized Interest Account

As of May 31, 2024, the Trustee reported that the Capitalized Interest Fund been fully expended. As a result, there is no credit to reduce the Phase #2 2024-25 Annual Installment.

Available Administrative Expense Account

As of May 31, 2024, the available balance for administrative expenses was $38,108. Approximately $38,108 is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, there are no funds anticipated to be available in the Administrative Expense Fund to reduce the Phase #2 2024-25 Annual Installment.

H. Annual Installments Per Unit - Phase #2

According to the Amended and Restated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #2 Bonds, to fund the Prepayment Reserve and Delinquency reserve described in the Amended and Restated Service and Assessment Plan, and to cover Administrative Expenses of Phase #2.

According to the Amended and Restated Service and Assessment Plan, 403 units representing 339.10 total Equivalent Units were built within Phase #2 of the PID. As of May 31, 2024, four Parcels have prepaid their Phase #2 Assessment in full resulting in 3.22 Equivalent Units being paid off. As a result, 399 units representing 335.88 total Equivalent Units will be billed for the 2024-25 Phase #2 Annual Installment. the net principal, interest, and additional interest reserve

portion of Annual Installment to be collected from each Equivalent Unit for Phase #2 will be $1,254.76 (i.e. ($415,578 + $33,027 – $27,156) ÷ 335.88 = $1,254.76). The Administrative Expenses to be collected from each Equivalent Unit for Phase #2 will be $79.01 (i.e., $26,538 ÷ 335.88 = $79.01). As a result, the total Annual Installment to be collected from each Equivalent Unit within Phase #2 will be $1,333.77 (i.e., $1,254.76+ $79.01 = $1,333.77). The Annual Installment to be collected from each Parcel within Phase #2 is calculated by multiplying the Annual Installment for each Equivalent Unit of $1,333.77 by the total estimated Equivalent Units for each Parcel in Phase #2.

The Annual Installment due to be collected from each Land Use Class in Phase #2 for 2024-25 is shown in Table II-H-1 below.

Table II-H-1
Annual Installment Per Unit – Phase #2

Land Use Class	Annual Installment per Equivalent Unit[1]	Equivalent Unit Factor	Annual Installment
Lot Type 1 (70' Lot)	$1,333.77	1.00	$1,333.77
Lot Type 2 (60' Lot)	$1,333.77	0.88	$1,173.72
Lot Type 3 (50' Lot)	$1,333.77	0.73	$973.65

The list of Parcels within Phase #2 of the PID, the corresponding lot types of the current residential Parcels, the corresponding total initial and outstanding Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix E.

I. ANNUAL BUDGET – PHASE #3

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Phase #3 Bonds, of which twenty-five (25) Annual Installments remain outstanding.

Pursuant to the Amended and Restated Service and Assessment Plan, each Assessment shall bear interest at the rate on the Phase #3 Bonds commencing with the issuance of the Phase #3 Bonds. The effective interest rate on the Phase #3 Bonds is 4.32 percent for 2024-25. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phase #3 Bonds (4.32 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Amended and Restated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Amended and Restated Service and Assessment Plan and applicable Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phase #3 Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment reserve and delinquency reserve amounts as described in the Amended and Restated Service and Assessment plan and applicable Trust Indenture.

Phase #3 Annual Installments to be collected for 2024-25

The budget for Phase #3 of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown by Table II-I-1 below.

Table II-I-1
Budget for the Phase #3 Annual Installments
to be Collected for 2024-25

Descriptions	Phase #3 Bonds

Available capitalized interest account	$0
Available Administrative Expense account	$0
Subtotal funds available	*($12,546)*
Annual Installments	**$209,471**

Debt Service Payments

Annual Installments to be collected for principal and interest include interest due on March 1, 2025 in the amount of $76,166 and on September 1, 2025 in the amount of $76,166, which equal interest on the outstanding Assessments balance of $3,525,000 for six months each and an effective interest rate of 4.32 percent. Annual Installments to be collected include a principal amount of $25,000 due on September 1, 2025. As a result, total Annual Installments to be collected for principal and interest in 2024-25 is estimated to be equal to $177,331.

Excess Interest for Additional interest Reserve

Annual Installments to be collected for excess interest for additional interest reserves in the amount of $17,625, which equals 0.5 percent interest on the outstanding Phase #3 Assessments balance of $3,525,000.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, auditor, dissemination agent and contingency fees. As shown in Table II-I-2 below, the total administrative expenses to be collected for 2024-25 are estimated to be $27,061.

Table II-I-2
Administrative Budget Breakdown – Phase #3

Description	2024-25 Estimated Budget
City	$6,000
Administrator	$14,000
Trustee	$3,750
Auditor	$2,000
Contingency	$2,311
Total	**$27,061**

Available Reserve Fund Income

As of May 31, 2024, the balance in the Phase #3 Reserve Fund was $321,527, which includes the Bond Reserve Requirement of $308,982 and an excess balance of $12,546. Pursuant to Section 6.7(d) of the Phase #3 Bond Trust Indenture the excess balance of $12,546 should be transferred to the Phase #3 Principal & Interest Account and used to pay interest on the Phase #3 Bonds on the next interest payment date. As a result, $12,546 is available to reduce the Phase #3 2024-25 Annual Installment.

Available Capitalized Interest Account

As of May 31, 2024, the Trustee reported that the Capitalized Interest Fund has been fully expended. As a result, there is no credit to reduce the Phase #3 2024-25 Annual Installment.

Available Administrative Expense Account

As of May 31, 2024, the available balance for administrative expenses was $44,977. Approximately $44,977 is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, there are no funds anticipated to be available in the Administrative Expense Fund to reduce the Phase #3 2024-25 Annual Installment.

J. ANNUAL INSTALLMENTS PER UNIT - PHASE #3

According to the Amended and Restated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #3 Bonds, to fund the Prepayment Reserve and Delinquency reserve described in the Amended and Restated Service and Assessment Plan, and to cover Administrative Expenses of Phase #3.

According to the Amended and Restated Service and Assessment Plan, 211 units, representing 163.78 total Equivalent Units, are built within Phase #3 of the PID. Accordingly, the net principal and interest portion of Annual Installment to be collected from each Equivalent Unit for Phase #3 will be $1,113.75 (i.e. ($177,331 + $17,625 - $12,546) ÷ 163.78 = $1,113.75). The Administrative Expenses to be collected from each Equivalent Unit for Phase #3 will be $165.23 (i.e., $27,061 ÷ 163.78 = $165.23). As a result, the total Annual Installment to be collected from each Equivalent Unit within Phase #3 will be $1,278.98 (i.e., $1,113.75 + $165.23 = $1,278.98). The Annual Installment to be collected from each Parcel within Phase #3 is calculated by multiplying the Annual Installment for each Equivalent Unit of $1,278.98 by the total estimated Equivalent Units for each Parcel in Phase #3.

The Annual Installment due to be collected from each Land Use Class in Phase #3 for 2024-25 is shown in Table II-J-1 below.

Table II-J-1
Annual Installment Per Unit – Phase #3

Land Use Class	Annual Installment per Equivalent Unit	Equivalent Unit Factor	Annual Installment
Lot Type 2 (60' Lot)	$1,278.98	0.88	$1,125.50
Lot Type 3 (50' Lot)	$1,278.98	0.73	$933.66

The list of Parcels within Phase #3 of the PID, the corresponding lot types of the current residential Parcels, the corresponding total initial and outstanding Equivalent Units, the total outstanding

Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix F.

K. Bond Redemption Related Updates

Phase #1A Bonds and #1B Bonds

The Phase #1A Bonds were issued in August 2014. Pursuant to Section 4.3 of the Trust Indenture relating to the Phase #1A Bonds, the City reserves the right and option to redeem the Phase #1A Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2022**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Trust Indenture.

The issuance of the Phase #1B Bonds was approved in August 2018. Pursuant to Section 4.5 of the Trust Indenture relating to the Phase #1B Bonds, the City reserves the right and option to redeem the Phase #1B Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2028**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Trust Indenture.

On May 9, 2023, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Refunding Bonds, Series 2023 (Creeks of Legacy Public Improvement District Phase #1 Project) (the "Phase #1 Refunding Bonds") in the aggregate principal amount of $10,181,000. The Phase #1 Refunding Bonds were issued to refinance the Phase #1A Bonds and Phase #1B Bonds.

Phase #1 Refunding Bonds

The Phase #1 Refunding Bonds were issued in May 2023. Pursuant to Section 4.3 of the Trust Indenture relating to the Phase #1 Refunding Bonds, the City reserves the right and option to redeem the Phase #1 Refunding Bonds on any date on or after **September 2, 2027**, such redemption date or dates be fixed by the City, at the Redemption Price as defined in the Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phase #1 Refunding Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

Phases #2-3 Major Improvement Bonds

The Phases #2-3 Major Improvement Bonds were issued in August 2014. Pursuant to Section 4.3 of the Trust Indenture, the City reserves the right and option to redeem the Phases #2-3 Major Improvement Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2022**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Trust Indenture.

On May 9, 2023, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Refunding Bonds, Series 2023 (Creeks of Legacy Public Improvement District Phases #2-3 Major Improvement Project) (the "Phases #2-3 Major Improvement Refunding Bonds") in the aggregate principal amount of $5,415,000. The Phases #2-3 Refunding Bonds were issued to refinance the Phases #2-3 Major Improvement Bonds.

Phases #2-3 Major Improvement Refunding Bonds

The Phases #2-3 Major Improvement Refunding Bonds were issued in May 2023. Pursuant to Section 4.3 of the Trust Indenture relating to the Phases #2-3 Major Improvement Refunding Bonds, the City reserves the right and option to redeem the Phases #2-3 Major Improvement Refunding Bonds on any date on or after **September 2, 2027**, such redemption date or dates be fixed by the City, at the Redemption Price as defined in the Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phase #1 Refunding Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

Phase #2 Bonds

The Phase #2 Bonds were issued in August 2018. Pursuant to Section 4.3 of the Trust Indenture relating to the Phase #2 Bonds, the City reserves the right and option to redeem the Phase #2 Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2028**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phase #2 Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

Phase #3 Bonds

The Phase #3 Bonds were issued in August 2020. Pursuant to Section 4.3 of the Trust Indenture relating to the Phase #3 Bonds, the City reserves the right and option to redeem the Phase #3 Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2030**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phase #3 Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

III. UPDATE OF THE ASSESSMENT PLAN

The Amended and Restated Service and Assessment Plan adopted by the City Council describes that the Authorized Improvement costs shall be allocated to the Assessed Property equally based on the equivalent number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property, as updated in prior Annual Service Plan Updates, has not been changed and Assessed Property will continue to be assessed as provided for in the Amended and Restated Service and Assessment Plan.

(The remainder of this page is intentionally left blank)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

> (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by the Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.I of the Service and Assessment Plan.

The summary of updated Assessment Rolls is shown in Appendix C-1, D-1, E, and F of this report. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Amended and Restated Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for each new subdivided Parcel.
B = the Assessment for the Parcel prior to subdivision.
C = the estimated Equivalent Units to be built on each newly subdivided Parcel
D = the sum of the estimated Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

According to Collin Central Appraisal District online records, Phase #1 of the PID was completely subdivided in 2016, and the Assessments were allocated proportionally according to lot type.

According to the Developer and Collin Central Appraisal District Records, Phase #2B, Phase #2C, and Phase #2D of the development were subdivided in 2019, and the Assessments were allocated proportionally according to lot type.

According to the Developer and the Collin Central Appraisal District records, Phase #2A of the PID was completely subdivided and final plat recorded on April 5, 2019. As a result, the Assessments were billed to the two parent Parcels, 2696827 and 2697055. The various Phase #2A Lots were officially recognized within the Collin County Appraisal District records for 2020.

According to Denton Central Appraisal District online records, Phase #3 of the PID was subdivided in 2020 from Parcels 530240 and 713095, and the Assessment was allocated proportionally to each Lot Type.

B. Prepayment of Assessments

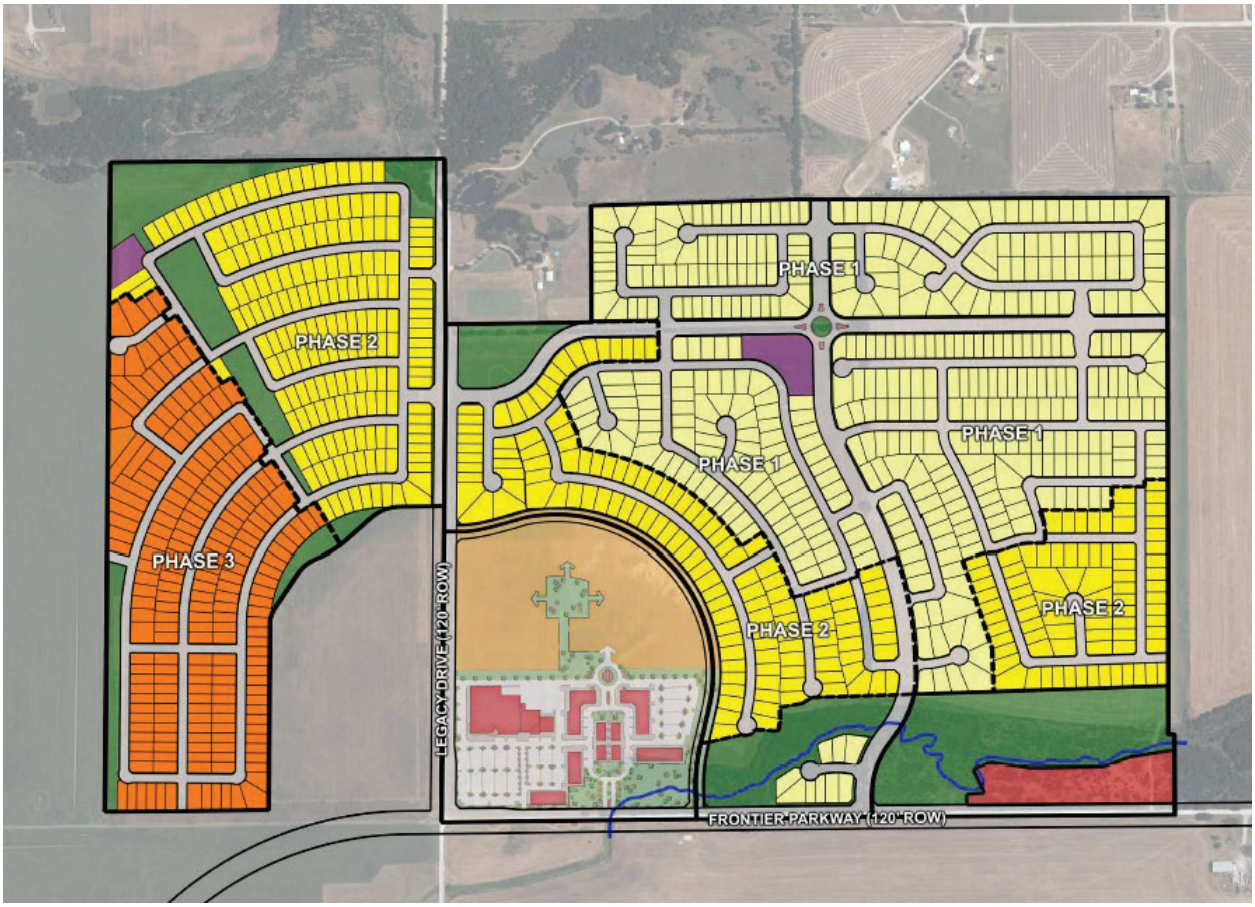
As of May 31, 2024, two Parcels have prepaid their Phase #1 Assessment in full and one Parcel has partially prepaid their Phase #1 Assessment. Two Parcels have prepaid their Phases #2-3 Assessment in full and two Parcels have partially prepaid their Phases #2-3 Assessment. Four Parcels have prepaid their Phase #2 Assessment in full.

See Appendix B for a list of these prepaid Parcels.

Phase #1 Bond Extraordinary Optional Redemptions

According to the Trustee, an extraordinary optional redemption of Phase #1A and Phase 1B Bonds, in the aggregate amount of $50,000, occurred March 1, 2021, based on prepaid Phase #1 Assessments received.

Phase #2 Bond Extraordinary Optional Redemptions



According to the Trustee, an extraordinary optional redemption of Phase #2 Bonds, in the amount of $45,000, occurred March 1, 2021, based on prepaid Phase #2 Assessments received. In addition, an extraordinary optional redemption of Phase #2 Bonds, in the amount of $15,000, occurred July 1, 2022, based on additional prepaid Phase #2 Assessments.

The complete Assessment Rolls are available for review at the City Hall, located at 142 N. Ohio, Celina, Texas 75009.

PID Assessment Notice

NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT ASSESSMENT TO CITY OF CELINA, TEXAS
CONCERNING THE FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the Creeks of Legacy Public Improvement District (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City or MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF CELINA APPROVING THE ANNUAL UPDATE OF THE SERVICE AND ASSESSMENT PLAN AND ASSESSMENT ROLLS FOR THE CREEKS OF LEGACY PUBLIC IMPROVEMENT DISTRICT IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE §372.013, AS AMENDED; CONTAINING A CUMMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, on April 29, 2014, the City Council of the City of Celina, Texas (the "City") approved Resolution No. 2014-17R establishing the Creeks of Legacy Public Improvement District (the "PID") in accordance with the provisions of Chapter 372 of the Texas Local Government Code (the "Public Improvement District Assessment Act" or "the PID Act"); and

WHEREAS, the City has heretofore levied assessments against property within Phase #1 of the PID, pursuant to Ordinance No. 2014-26 which ordinance also approved the Creeks of Legacy Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #1, dated as of June 18, 2014, (the "Service and Assessment Plan and Phase #1 Assessment Roll"); and

WHEREAS, the City has also heretofore levied assessments against property within the Phases #2-3 Major Improvement Area of the PID, pursuant to Ordinance No. 2014-27 which ordinance also approved the Creeks of Legacy Public Improvement District Service and Assessment Plan and Assessment Roll related to the Phases #2-3 Major Improvement Area, dated as of June 18, 2014 (the "Service and Assessment Plan and Phases #2-3 Major Improvement Area Assessment Roll"); and

WHEREAS, the City has also heretofore levied assessments against property within Phase #2 of the PID, pursuant to Ordinance No. 2018-08 which ordinance also approved the Creeks of Legacy Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #2, dated as of March 13, 2018 (the "Updated Service and Assessment Plan and Phase #2 Assessment Roll"); and

WHEREAS, the City has also heretofore levied assessments against property within Phase #3 of the PID, pursuant to Ordinance No. 2020-42 which ordinance also approved the Creeks of Legacy Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #3, dated as of June 9, 2020 (the "Updated Service and Assessment Plan and Phase #3 Assessment Roll") [and, together with the Service and Assessment Plan and Phase #1, Phases #2-3 Major Improvement Area, and Phase #2 Assessment Rolls, the "Updated Service and Assessment Plan and Assessment Rolls"] ; and

WHEREAS, the Updated Service and Assessment Plan and Assessment Rolls are required to be reviewed and updated annually as described in Sections 372.013 and 372.014 of the PID Act (the "Annual Service Plan Update"); and

WHEREAS, the Annual Service Plan Update, attached hereto as Exhibit A, including the Phase #1, Phases #2-3 Major Improvement Area, Phase #2, and Phase #3 Assessment Rolls (the "Assessment Rolls") attached thereto, update the Updated Service and Assessment Plan and Assessment Rolls to reflect prepayments, property divisions and changes to the budget allocation for the PID that occur during the year, if any; and

WHEREAS, the City Council desires and finds it to be in the public interest to adopt this Ordinance approving and adopting the Annual Service Plan Update and the updated Assessment Rolls attached thereto, in compliance with the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1. All matters stated in the preamble are found to be true and correct and are incorporated herein as if copied in their entirety.

SECTION 2. The Creeks of Legacy Public Improvement District Annual Service Plan Update, attached hereto as Exhibit A and incorporated herein by reference, inclusive of the updated Assessment Rolls contained therein and made a part thereof, are hereby accepted and approved.

SECTION 3. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION 4. Should any sentence, paragraph, subdivision, clause, phrase or section of this Ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this Ordinance as a whole, or any part or provision thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of the Ordinance as a whole.

SECTION 5. This Ordinance shall take effect immediately after its passage and the publication of the caption, as the law and charter in such case provide. The City Secretary shall cause this Ordinance to be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Re:	Cross Creek Meadows PID SAP Update

Action Requested:
Consider and act upon an Ordinance of the City of Celina, Texas, approving the 2024-2025 Annual Service Plan update to the Service and Assessment Plan for the Cross Creek Meadows Public Improvement District and providing an effective date. (Bromiley)

Background Information:
The Cross Creek Meadows Public Improvement District (the "Cross Creek Meadows PID") was created by the City on April 11, 2023 and is an approximately 245 acre master planned project located in a fast growing development area of the City generally located on the east side of County Road 87 and north of the Collin County Outer Loop, approximately 1.2 miles east of Preston Road. The Cross Creek Meadows PID will consist of residential homesites. The Cross Creek Meadows PID is expected to be developed in four phases over a four-year period. The public improvements will include road, water, sewer and storm drainage infrastructure. Upon completion, the Cross Creek Meadows PID is expected to have approximately 823 single family homes and approximately 266 “build to rent” multifamily residential units. The PID annual installments in the Annual Service Plan update include amounts for the payment of principal and interest on the PID bonds and reimbursement agreement, if any, PID administrative expenses, additional interest for prepayment and delinquency reserves. The Service Plan is prepared annually and presented to Council as required by Chapter 372 of the Texas Local Government Code.

I. INTRODUCTION

The Cross Creek Meadows Public Improvement District (the "PID") was created pursuant to the PID Act and a resolution of the City Council on April 11, 2023 to finance certain public improvement projects for the benefit of the property in the PID.

On April 11, 2023, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2023 (Cross Creek Meadows Public Improvement District Improvement Area #1 Project) (the "Improvement Area #1 Bonds") in the aggregate principal amount of $17,966,000, and reimbursement obligations for the Improvement Area #1 Reimbursement Agreement (the "Improvement Area #1 Reimbursement Agreement") in the aggregate principal amount of $3,050,000 to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID. Both the Improvement Area #1 Bonds and the Improvement Area #1 Reimbursement Agreement are secured by the Improvement Area #1 Assessments (the "Improvement Area #1 Assessments").

Additionally, on April 11, 2023, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2023 (Cross Creek Meadows Public Improvement District Major Improvement Area Project) (the "Major Improvement Bonds") in the aggregate principal amount of $5,645,000, to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID. the Major Improvement Bonds are secured by the Major Improvement Area Assessments (the "Major Improvement Area Assessments").

A service and assessment plan (the "Service and Assessment Plan") was prepared at the direction of the City identifying the public improvements (the "Authorized Improvements") to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to the PID Act, the Service and Assessment Plan must be reviewed and updated annually. This document is the annual update of the Service and Assessment Plan for 2024-25 (the "Annual Service Plan Update").

The City also adopted Assessment Rolls identifying the assessments on each Parcel within the PID, based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Roll for 2024-25.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the "PID Assessment Notice") as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix D and copy of

this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID us located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchaser before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID Act, is entitled to terminate the contract. The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Service and Assessment Plan unless otherwise defined herein.

II. UPDATE OF THE SERVICE PLAN

A. UPDATED SOURCES AND USES FOR PUBLIC IMPROVEMENTS

Improvement Area #1 Improvements Sources and Uses

The current total estimated costs of the Improvement Area #1 Improvements (including the proportional share of the Major Improvement costs) are equal to $21,425,734 which remain the same as the budget estimates included in the Service and Assessment Plan. According to Requisition #1 approved by the City on November 9, 2023, the actual costs of the Improvement Area #1 Improvements spent to date are $12,033,560. According to the Developer, there have not been line item amount revisions for the Authorized Improvements as shown in Table II-A-1 on the following page.

Table II-A-1 on the following page summarizes the updated sources and uses of funds required to (1) construct the Improvement Area #1 Improvements, including the proportional share of the Major Improvement costs, (2) establish the PID, and (3) issue Improvement Area #1 Bonds.

Major Improvement Area Projects Sources and Uses

The current total estimated costs of the Major Improvement Area Projects are equal to $4,605,154, which remain the same as the budget estimates included in the Service and Assessment Plan. According to Requisition #1 approved by the City on November 9, 2023, the actual costs of the Major Improvement Area Projects spent to date are $3,332,155. According to the Developer, there have not been line item amount revisions for the Authorized Improvements as shown in Table II-A-2 on the following page.

Table II-A-2 on the following page summarizes the updated sources and uses of funds required to (1) construct the Major Improvement Area Projects, (2) establish the PID, and (3) issue Major Improvement Bonds.

C. ANNUAL BUDGET – IMPROVEMENT AREA #1

Improvement Area #1 - Annual Installments – 2024-25

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Improvement Area #1 Bonds and/or the execution of the Improvement Area #1 Reimbursement Agreement, of which twenty-nine (29) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the Improvement Area #1 Bonds commencing with the issuance of the Improvement Area #1 Bonds. The effective interest rate on the Improvement Area #1 Bonds is 5.35 percent and the interest rate applicable to the Improvement Area #1 Reimbursement Agreement is 6.02 percent per annum for 2024-25. Pursuant to Section 372.018 of the PID Act, the interest rate for that assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Improvement Area #1 Bonds (5.35 percent) plus an additional interest of one-half of one percent and the effective interest rate on the Improvement Area #1 Reimbursement Agreement (6.02 percent) are used to calculate the interest on the

Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and Trust Indenture, capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Improvement Area #1 Bonds and Improvement Area #1 Reimbursement Agreement from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Service and Assessment Plan and applicable Trust Indenture.

Improvement Area #1 Annual Installments to be Collected for 2024-25

The budget for Improvement Area #1 of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown by Table II-C-1 on the following page.

Debt Service Payments

Annual Installments to be collected for principal and interest include the Improvement Area #1 Bonds' interest due on March 1, 2025 in the amount of $473,984 and on September 1, 2025 in the amount of $473,984, which equal interest on the outstanding Improvement Area #1 Bond Assessments balance of $17,711,000 for six months each and an effective interest rate of 5.35 percent. Annual Installments to be collected on the Improvement Area #1 Bonds include a principal amount of $267,000 due on September 1, 2025. As a result, total Annual Installments to be collected for the Improvement Area #1 Bonds' principal and interest in 2024-25 is equal to $1,214,969.

Additionally, Annual Installments to be collected for principal and interest include Improvement Area #1 Reimbursement Agreement interest due on March 1, 2025 in the amount of $90,661 and on September 1, 2025 in the amount of $90,661, which equal interest on the outstanding Improvement Area #1 Reimbursement Agreement Assessments balance of $3,012,000 at an effective interest rate of 6.02 percent. Improvement Area #1 Reimbursement Agreement Annual Installments to be collected include a principal amount of $41,000 due on September 1, 2025. As a result, the total Annual Installments to be collected for Improvement Area #1 Reimbursement Agreement principal and interest in 2024-25 is equal to $222,322.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, auditor, dissemination agent and contingency fees. As shown in Table II-C-2 below, the total Improvement Area #1 Administrative Expenses to be collected for 2024-25 are estimated to be $41,616.

Table II-C-2
Improvement Area #1 Administrative Budget Breakdown

Description	2024-25 Estimated Budget (9/1/24-8/31/25)
City	$6,000
PID Administrator	$28,200
Trustee	$2,750
Auditor	$2,000
Dissemination Agent	$1,750
Contingency	$916
Total	**$41,616**

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of $88,555, which equals 0.5 percent interest on the outstanding collective Improvement Area #1 Bond Assessments balance of $17,711,000.

Available Administrative Expense Account

There are no funds anticipated to be available in the Administrative Expense Fund to reduce the 2024-25 PID Annual Installment.

D. ANNUAL INSTALLMENTS PER UNIT – IMPROVEMENT AREA #1

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Improvement Area #1 Bonds and Improvement Area #1 Reimbursement Agreement, (ii) to fund the Additional interest reserve, and (iii) to cover Administrative Expenses of Improvement Area #1. The Annual Installment for each Parcel shall be calculated by taking into consideration any available capitalized interest available.

According to the Service and Assessment Plan, 550 units representing 456.19 total Equivalent Units are estimated to be built within Improvement Area #1 of the PID. Accordingly, the principal and interest portion of Annual Installment to be collected from each Equivalent Unit within Improvement Area #1 will be $3,225.65 (i.e. ($1,437,291 + $88,555 - $54,336) ÷ 456.19 = $3,225.65) and the Administrative Expenses to be collected from each Equivalent Unit will be $91.23 (i.e. $41,616 ÷ 456.19 = $91.23). As a result, the total Annual Installment to be collected

from each Equivalent Unit within Improvement Area #1 will be $3,316.88 (i.e. $3,225.65 + $91.23 = $3,316.88). The Annual Installment to be collected from each Parcel within Improvement Area #1 is calculated by multiplying the Annual Installment for each Equivalent Unit of $3,316.88 by the total estimated number of Equivalent Units for each Parcel in Improvement Area #1.

The Annual Installment due to be collected from each Land Use Class in Improvement Area #1 for 2024-25 is shown in Table II-D-1 below.

Table II-D-1
Improvement Area #1 Annual Installment Per Unit

Land Use Class	Annual Installment Per Unit	Equivalent Unit Factor	Annual Installment per Unit
60 ft	$3,316.88	1.00	$3,316.88

40 ft	$3,316.88	0.60	$1,990.13

The list of Parcels within Improvement Area #1 of the PID, the estimated number of units to be developed on the current residential Parcels, the total Assessment, the Annual Assessment, the Capitalized Interest Credit, the Prepayment and Delinquency Reserve, the Administrative Expenses and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix B.

E. ANNUAL BUDGET – MAJOR IMPROVEMENT AREA

Major Improvement Area - Annual Installments – 2024-25

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty annual installments of principal and interest beginning with the tax year following the issuance of the Major Improvement Bonds, of which twenty-nine (29) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the Bonds commencing with the issuance of the Major Improvement Bonds. The effective interest rate on the Major Improvement Bonds is 6.01 percent. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Major Improvement Bonds (6.01 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the

Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and applicable Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Major Improvement Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Service and Assessment Plan and applicable Trust Indenture.

Major Improvement Area Annual Installments to be Collected for 2024-25

The budget for the Major Improvement Area of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown by Table II-E-1 below.

Table II-E-1
Budget for the Major Improvement Area Annual Installments to be Collected for 2024-25

	Major Improvement Bonds

Debt Service Payments

Annual Installments to be collected for principal and interest include interest due on March 1, 2025 in the amount of $167,214 and on September 1, 2025 in the amount of $167,214, which equal interest on the outstanding Major Improvement Area Assessments balance of $5,564,000 for six months each and an effective interest rate of 6.01 percent. Annual Installments to be collected on the Major Improvement Bonds include a principal amount of $85,000 due on September 1, 2025. As a result, the total Major Improvement Area Annual Installments to be collected for principal and interest in 2024-25 is estimated to be equal $419,428.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, auditor, dissemination agent and contingency fees. As shown in Table II-E-2 below, the total Improvement Area #1 Administrative Expenses to be collected for 2024-25 are estimated to be $52,020.

Table II-E-2
Major Improvement Area Administrative Budget Breakdown

Description	2024-25 Estimated Budget (9/1/24-8/31/25)
City	$6,000
PID Administrator	$30,000
Trustee	$2,750
Auditor	$2,000
Dissemination Agent	$1,750
Contingency	$9,520
Total	**$52,020**

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of $27,820, which equals 0.5 percent interest on the outstanding collective Major Improvement Area Bond Assessments balance of $5,564,000.

Available Administrative Expense Account

There are no funds anticipated to be available in the Administrative Expense Fund to reduce the 2024-25 PID Annual Installment.

F. ANNUAL INSTALLMENTS PER UNIT – MAJOR IMPROVEMENT AREA

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Major Improvement Bonds, (ii) to fund the prepayment reserve and delinquency reserve, and (iii) to cover Administrative Expenses of the Major Improvement Area. The Annual Installment for each Parcel shall be calculated by taking into consideration any available capitalized interest.

According to the Service and Assessment Plan, 539 units representing 369.02 total Equivalent Units are estimated to be built within the Major Improvement Area of the PID. Accordingly, the principal and interest portion of Annual Installment to be collected from each Equivalent Unit within the Major Improvement Area will be $1,163.24 (i.e. ($419,428 + $27,820 - $17,989) ÷ 369.02 = $1,163.24) and the Administrative Expenses to be collected from each Equivalent Unit will be $140.97 (i.e. $52,020 ÷ 369.02 = $140.97). As a result, the total Annual Installment to be collected from each Equivalent Unit within the Major Improvement Area will be $1,304.21 (i.e. $1,163.24 + $140.97 = $1,304.21). The Annual Installment to be collected from each Parcel within the Major Improvement Area is calculated by multiplying the Annual Installment for each Equivalent Unit of $1,304.21 by the total estimated number of Equivalent Units for each Parcel in the Major Improvement Area.

The Annual Installment due to be collected from each Land Use Class in the Major Improvement Area for 2024-25 is shown in Table II-F-1 below.

Table II-F-1
Major Improvement Area Annual Installment Per Unit

Land Use Class	Annual Installment Per Unit	Equivalent Unit Factor	Annual Installment per Unit

The list of Parcels within the Major Improvement Area of the PID, the estimated number of units to be developed on the current residential Parcels, the total Assessment, the Annual Assessment, the Capitalized Interest Credit, the Prepayment and Delinquency Reserve, the Administrative Expenses and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix C.

G. BOND REDEMPTION RELATED UPDATES

Improvement Area #1 Bonds

The Improvement Area #1 Bonds were issued in 2023. Pursuant to Section 4.3 of the Improvement Area #1 Trust Indenture, the City reserves the right and option to redeem the Improvement Area #1 Bonds maturing on or after **September 1, 2043**, before their respective scheduled maturity dates, in whole or in part, on any date on or after **September 1, 2033**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Improvement Area #1 Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Improvement Area #1 Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

Major Improvement Bonds

The Major Improvement Bonds were issued in 2023. Pursuant to Section 4.3 of the Major Improvement Area Trust Indenture, the City reserves the right and option to redeem the Major Improvement Bonds maturing on or after **September 1, 2053**, before their respective scheduled maturity dates, in whole or in part, on any date on or after **September 1, 2033**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Major Improvement Area Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Major Improvement Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

(the remainder of this page is intentionally left blank)

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council provided that the Authorized Improvement costs shall be allocated to the Assessed Property equally on the basis of the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property has not been changed and assessed property will continue to be assessed as provided for in the Service and Assessment Plan.

(the remainder of this page is intentionally left blank)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

> (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.H of this Service and Assessment Plan.

The updated Assessment Rolls are shown in Appendix B and C of this report. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for each new subdivided Parcel.

B = the Assessment for the Parcel prior to subdivision.

C = the estimated number of Equivalent Units to be built on each newly subdivided Parcel

D = the sum of the estimated number of Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of Equivalent Units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

According to the Developer and the Collin Central Appraisal District records, the Improvement Area #1 was partially subdivided and the Assessments allocated proportionally according to Lot Type as shown in the 2024-25 Service and Assessment Plan Update. The various lots were subdivided from Parcel 1011602, 2850100, 2841779.

Table IV–A-1 below shows a summary of the assessment allocation prior to and after the subdivision of the parent parcels.

NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT ASSESSMENT TO THE CITY OF CELINA, TEXAS
CONCERNING THE FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the Cross Creek Meadows Public Improvement District (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City or MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF CELINA APPROVING THE ANNUAL UPDATE OF THE SERVICE AND ASSESSMENT PLAN AND ASSESSMENT ROLLS FOR THE CROSS CREEK MEADOWS PUBLIC IMPROVEMENT DISTRICT IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE §372.013, AS AMENDED; CONTAINING A CUMMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, on April 11, 2023, the City Council of the City of Celina, Texas (the "City") approved Resolution No. 2023-31R establishing the Cross Creek Meadows Public Improvement District (the "PID") in accordance with the provisions of Chapter 372 of the Texas Local Government Code (the "Public Improvement District Assessment Act" or "the PID Act"); and

WHEREAS, the City has heretofore levied assessments against property within Improvement Area #1 the PID, pursuant to Ordinance No. 2023-51 which ordinance also approved the Cross Creek Meadows Public Improvement District Service and Assessment Plan and Assessment Roll related to Improvement Area #1, dated as of June 13, 2023 (the "Service and Assessment Plan and Improvement Area #1 Assessment Roll"); and

WHEREAS, the City has also heretofore levied assessments against property within the Major Improvement Area of the PID, pursuant to Ordinance No. 2023-50 which ordinance also approved the Cross Creek Meadows Public Improvement District Service and Assessment Plan and Assessment Roll related to the Major Improvement Area, dated as of June 13, 2023 (the "Service and Assessment Plan and Major Improvement Area Assessment Roll") [and, together with the Service and Assessment Plan and Improvement Area #1 Assessment Roll, the "Service and Assessment Plan and Assessment Rolls"] ; and

WHEREAS, the Service and Assessment Plan and Assessment Rolls are required to be reviewed and updated annually as described in Sections 372.013 and 372.014 of the PID Act (the "Annual Service Plan Update"); and

WHEREAS, the Annual Service Plan Update, attached hereto as Exhibit A, including the Improvement Area #1 and the Major Improvement Area Assessment Rolls attached thereto, update the Service and Assessment Plan and Assessment Rolls to reflect prepayments, property divisions and changes to the budget allocation for the PID that occur during the year, if any; and

WHEREAS, the City Council desires and finds it to be in the public interest to adopt this Ordinance approving and adopting the Annual Service Plan Update and the updated Assessment Roll attached thereto, in compliance with the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1. All matters stated in the preamble are found to be true and correct and are incorporated herein as if copied in their entirety.

SECTION 2. The Cross Creek Meadows Public Improvement District Annual Service Plan Update, attached hereto as Exhibit A and incorporated herein by reference, inclusive of the updated Assessment Rolls contained therein and made a part thereof, are hereby accepted and approved.

SECTION 3. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION 4. Should any sentence, paragraph, subdivision, clause, phrase or section of this Ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this Ordinance as a whole, or any part or provision thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of the Ordinance as a whole.

SECTION 5. This Ordinance shall take effect immediately after its passage and the publication of the caption, as the law and charter in such case provide. The City Secretary shall cause this Ordinance to be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Re:	Edgewood Creek PID SAP Update

Action Requested:
Consider and act upon an Ordinance of the City of Celina, Texas, approving the 2024-2025 Annual Service Plan update to the Service and Assessment Plan for the Edgewood Creek Public Improvement District and providing an effective date. (Bromiley)

Background Information:
The Edgewood Creek PID was created by the City Council pursuant to the PID Act and a resolution approved on May 12, 2020. The PID is located generally east of FM 1385, north of FM 428, and south of Mobberly Drive. The PID is anticipated to contain an estimated 847 residential units on approximately 247 acres within three phases. The PID annual installments in the Annual Service Plan update include amounts for the payment of principal and interest on the PID bonds and reimbursement agreement, if any, PID administrative expenses, additional interest for prepayment and delinquency reserves and as applicable, TIRZ annual credit amounts committed to pay a portion of the PID bond principal and interest. The Service Plan is prepared annually and presented to Council as required by Chapter 372 of the Texas Local Government Code.

I. INTRODUCTION

The Edgewood Creek Public Improvement District (the "PID") was created pursuant to the PID Act and a resolution of the City Council on May 12, 2020 to finance certain public improvement projects for the benefit of the property in the PID.

On January 12, 2021, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2021 (Edgewood Creek Public Improvement District Phase #1 Project) (the "Phase #1 Bonds") in the aggregate principal amount of $4,465,000, and reimbursement obligations for the Phase #1 Reimbursement Agreement (the "Phase #1 Reimbursement Agreement") in the aggregate principal amount of $4,494,757 to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID. Both the Phase #1 Bonds and the Phase #1 Reimbursement Agreement are secured by the Phase #1 Assessments (the "Phase #1 Assessments").

Additionally, on January 12, 2021, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2021 (Edgewood Creek Public Improvement District Phases #2-3 Major Improvement Project) (the "Phases #2-3 Major Improvement Bonds") in the aggregate principal amount of $3,460,000, to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID. the Phases #2-3 Major Improvement Bonds are secured by the Phases #2-3 Assessments (the "Phases #2-3 Assessments").

A service and assessment plan (the "Service and Assessment Plan") was prepared at the direction of the City identifying the public improvements (the "Authorized Improvements") to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to the PID Act, the Service and Assessment Plan must be reviewed and updated annually. This document is the annual update of the Service and Assessment Plan for 2024-25 (the "Annual Service Plan Update").

The City also adopted Assessment Rolls identifying the assessments on each Parcel within the PID, based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Roll for 2024-25.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the "PID Assessment Notice") as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix D and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or

a part of the PID us located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchaser before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Service and Assessment Plan unless otherwise defined herein.

II. UPDATE OF THE SERVICE PLAN

A. UPDATED SOURCES AND USES FOR PUBLIC IMPROVEMENTS

Phase #1 Improvements Sources and Uses

The current total estimated costs of the Phase #1 Improvements (including the proportional share of the Major Improvement costs) are equal to $8,959,757, which remain the same as the budget estimates included in the Service and Assessment Plan. According to the Developer, there have been line item amount revisions for the Authorized Improvements as shown in Table II-A-1 on the following page.

According to the City, the Phase #1 Improvements were completed and accepted April 11, 2023.

Table II-A-1 on the following page summarizes the updated sources and uses of funds required to (1) construct the Phase #1 Improvements, including the proportional share of the Major Improvement costs, (2) establish the PID, and (3) issue Phase #1 Bonds.

B. Five Year Service Plan

A service plan must cover a period of five years. All the Authorized Improvements are expected to be built within a period of five years. The anticipated budget for the Authorized Improvements over a period of five years and the indebtedness expected to be incurred for these costs is shown by Table II-B-1 on the following page.

According to the City, 0 building permits have been issued for the Major Improvement Area PID as of June 1, 2024. As of the same date, 0 certificates of occupancy have been issued for the Major Improvement Area of the PID.

D. ANNUAL BUDGET – PHASE #1

Phase #1 - Annual Installments – 2024-25

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Phase #1 Bonds and/or the execution of the Phase #1 Reimbursement Agreement, of which twenty-six (26) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the Phase #1 Bonds commencing with the issuance of the Phase #1 Bonds. The effective interest rate on the Phase #1 Bonds is 4.25 percent and the interest rate applicable to the Phase #1 Reimbursement Agreement is 4.57 percent per annum for 2024-25. Pursuant to Section 372.018 of the PID Act, the interest rate for that assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phase #1 Bonds (4.25 percent) plus an additional interest of one-half of one percent and the effective interest rate on the Phase #1 Reimbursement Agreement (4.57 percent) are used to calculate the interest on the Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and Trust Indenture, such TIRZ No. 12 incremental taxes available to the PID (the TIRZ Annual Credit Amount), capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phase #1 Bonds and Phase #1 Reimbursement Agreement from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Service and Assessment Plan and applicable Trust Indenture.

Phase #1 Annual Installments to be Collected for 2024-25

The budget for Phase #1 of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown by Table II-D-1 on the following page.

Table II-D-1

Budget for the Phase #1 Annual Installments to be Collected for 2024-25

	Phase #1 Bonds	Phase #1 Reimbursement Agreement	Total
Interest payment on March 1, 2025	$90,944	$95,084	$186,028

Annual Installments	**$298,039**	**$290,819**	**$588,858**

Debt Service Payments

Annual Installments to be collected for principal and interest include the Phase #1 Bonds' interest due on March 1, 2025 in the amount of $90,944 and on September 1, 2025 in the amount of $90,944, which equal interest on the outstanding Phase #1 Bond Assessments balance of $4,275,000 for six months each and an effective interest rate of 4.25 percent. Phase #1 Bond Annual Installments to be collected include a principal amount of $100,000 due on September 1, 2025. As a result, total Annual Installments to be collected for the Phase #1 Bonds' principal and interest in 2024-25 is equal to $281,888.

Additionally, Annual Installments to be collected for principal and interest include Phase #1 Reimbursement Agreement interest due on March 1, 2025 in the amount of $95,084 and on September 1, 2025 in the amount of $95,084, which equal interest on the outstanding Phase #1 Reimbursement Agreement Assessments balance of $4,161,215 for six months each and an effective interest rate of 4.57 percent. Phase #1 Reimbursement Agreement Annual Installments to be collected include a principal amount of $82,000 due on September 1, 2025. As a result, total Annual Installments to be collected for Phase #1 Reimbursement Agreement principal and interest in 2024-25 is equal to $272,168.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, auditor, dissemination agent and contingency fees. As shown in Table II-D-2 below, the total Phase #1 administrative expenses to be collected for 2024-25 are estimated to be $37,813.

Table II-D-2
Phase #1 Administrative Budget Breakdown

Description	2024-25 Estimated Budget
City	$6,000
Administrator	$25,763
Trustee	$2,750
Auditor	$2,000
Contingency	$1,300
Total	**$37,813**

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of $21,375, which equals 0.5 percent interest on the outstanding collective Phase #1 Bond Assessments balance of $4,275,000.

Available TIRZ Credit

According to the City, there have been TIRZ incremental revenues collected in 2023 in the total amount of $12,891 that are available to be used as a TIRZ Credit in 2024-25 for the respective Parcels within Phase #1. This TIRZ Credit amount is allocated based upon the amount of TIRZ increment generated by each Parcel within Phase #1 and each Parcel that has an outstanding Phase #1 Assessment balance as of September 1, 2024. The TIRZ Annual Credit Amount shall be calculated separately for each Parcel and such TIRZ Annual Credit Amount shall be applied on a Parcel-by-Parcel basis. The 2024-25 TIRZ Annual Credit was applied proportionally to each Parcel based on anticipated number of units for each parcel as provided by the Developer. As a result, the TIRZ credit obligation for Phase #1 is $12,891 as shown in Appendix B-2 of this report.

Available Reserve Fund Income

As of May 31, 2024, the balance in the Phase #1 Reserve Fund was $294,556, which includes the Bond Reserve Requirement of $283,063 and an excess balance of $11,493. Pursuant to Section 6.7(e) of the Phase #1 Bond Trust Indenture the excess balance of $11,493 should be transferred to the Phase #1 Principal & Interest Account and used to pay interest on the Phase #1 Bonds on the next interest payment date. As a result, $11,493 is available to pay a portion of the Phase #1 Bonds debt service.

Available Capitalized Interest Account

As of May 31, 2024, and in accordance with Section 6.4(c) of the Trust Indenture, all Capitalized Interest funds have been fully expended. As a result, there is no credit available to reduce the Phase #1 2024-25 Annual Installment.

Available Administrative Expense Account

As of May 31, 2024, the available balance for administrative expenses was $36,996. $36,996 is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, there are no funds available in the Administrative Expense Fund to reduce the Phase #1 2024-25 Annual Installment.

E. ANNUAL INSTALLMENTS PER UNIT – PHASE #1

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Phase #1 Bonds and Phase #1 Reimbursement Agreement, (ii) to fund the prepayment reserve and delinquency reserve, and (iii) to cover Administrative Expenses of Phase #1. The Annual Installment for each Parcel shall be calculated by taking into consideration any available capitalized interest available.

According to the Service and Assessment Plan, 301 units are estimated to be built within Phase #1 of the PID. Accordingly, the principal and interest portion of Annual Installment to be collected from each unit within Phase #1 will be $1,873.54 (i.e. ($554,055 + $21,375 - $11,493) ÷ 301 = $1,873.54 and the Administrative Expenses to be collected from each unit will be $125.62 (i.e. $37,813 ÷ 301 = $125.62). As a result, the total Annual Installment to be collected from each unit within Phase #1 will be $1,999.17 (i.e. $1,873.54 + $125.62 = $1,999.17). The Annual Installment to be collected from each Parcel within Phase #1 is calculated by multiplying the Annual Installment for each unit of $1,991.17 by the total estimated number of units for each Parcel in Phase #1, less the applicable TIRZ Credit, if any.

The Annual Installment due to be collected from each Land Use Class in Phase #1 for 2024-25 is shown in Table II-E-1 below.

Table II-E-1
Phase #1 Annual Installment Per Unit

Land Use Class	Annual Installment Per Unit

The list of Parcels within Phase #1 of the PID, the estimated number of units to be developed on the current residential Parcels, the Outstanding Assessment, the annual principal and interest, the Additional Interest Reserve, the Administrative Expenses, the TIRZ Credit and the Annual

Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix B-1.

F. ANNUAL BUDGET – PHASES #2-3 MAJOR IMPROVEMENT AREA

Phases #2-3 Major Improvement - Annual Installments – 2024-25

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty annual installments of principal and interest beginning with the tax year following the issuance of the Phases #2-3 Major Improvement Bonds, of which twenty-six (26) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the Bonds commencing with the issuance of the Phases #2-3 Major Improvement Bonds. The effective interest rate on the Phases #2-3 Major Improvement Bonds is 5.29 percent. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phases #2-3 Major Improvement Bonds (5.29 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and applicable Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phases #2-3 Major Improvement Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Service and Assessment Plan and applicable Trust Indenture.

Phases #2-3 Major Improvement Annual Installments to be Collected for 2024-25

The budget for Phases #2-3 of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown by Table II-F-1 on the following page.

Table II-F-1
Budget for the Phases #2-3 Major Improvement Annual Installments to be Collected for 2024-25

	Phase #2-3 Major Improvement Bonds
Interest payment on March 1, 2025	$88,088

Available capitalized interest account	$0
Available Administrative Expense account	$0
Subtotal funds available	*($15,654)*
Annual Installments	**$285,016**

Debt Service Payments

Annual Installments to be collected for principal and interest include interest due on March 1, 2025 in the amount of $88,088 and on September 1, 2025 in the amount of $88,088, which equal interest on the outstanding Phases #2-3 Major Improvement Assessments balance of $3,330,000 for six months each and an effective interest rate of 5.28 percent. Phases #2-3 Bond Annual Installments to be collected include a principal amount of $70,000 due on September 1, 2025. As a result, total Phases #2-3 Major Improvement Annual Installments to be collected for principal and interest in 2024-25 is estimated to be equal to $246,175.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, auditor, dissemination agent and contingency fees. As shown on Table II-F-2 on the following page, the total Phases #2-3 Major Improvement administrative expenses to be collected for 2024-25 are estimated to be $37,845.

Table II-F-2
Phases #2-3 Major Improvement Administrative Budget Breakdown

Description	2024-25 Estimated Budget
City	$6,000
Administrator	$25,295
Trustee	$2,750
Auditor	$2,000
Contingency	$1,800
Total	**$37,845**

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of $16,650, which equals 0.5 percent interest on the outstanding collective Phases #2-3 Major Improvement Bond Assessments balance of $3,330,000.

Available TIRZ Credit

According to the City, there have been TIRZ incremental revenues collected in 2023 in the total amount of $5,611 that are available to be used as a TIRZ Credit in 2024-25 for the respective Parcels within Phases #2-3. This TIRZ Credit amount is allocated based upon the amount of TIRZ increment generated by each Parcel within Phases #2-3 and each Parcel that has an outstanding Phases #2-3 Assessment balance as of September 1, 2024. The TIRZ Annual Credit Amount shall be calculated separately for each Parcel and such TIRZ Annual Credit Amount shall be applied on a Parcel-by-Parcel basis. The 2024-25 TIRZ Annual Credit was applied to each Parcel proportionally based on anticipated number of units for each parcel as provided by the Developer. As a result, the TIRZ credit obligation for Phases #2-3 is $5,611 as shown in Appendix C-2 of this report.

Available Reserve Fund Income

As of May 31, 2024, the balance in the Phases #2-3 Major Improvement Reserve Fund was $257,393, which includes the Bond Reserve Requirement of $247,350 and an excess balance of $10,043. Pursuant to Section 6.7(e) of the Phases #2-3 Major Improvement Bond Trust Indenture the excess balance of $10,043 should be transferred to the Phases #2-3 Major Improvement Principal & Interest Account and used to pay interest on the Phases #2-3 Major Improvement Bonds on the next interest payment date. As a result, $10,043 is available to pay a portion of the Phases #2-3 Major Improvement Bonds debt service.

Available Capitalized Interest Account

As of May 31, 2024, and in accordance with Section 6.4(c) of the Trust Indenture, all Capitalized Interest funds have been fully expended. As a result, there is no credit to reduce the Phases #2-3 Major Improvement 2024-25 Annual Installment.

Available Administrative Expense Account

As of May 31, 2024, the available balance for administrative expenses was $64,575. $64,575 is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, there is no available credit to reduce the Phases #2-3 Major Improvement 2024-25 Annual Installment.

G. Annual Installments per Unit – Phases #2-3 Major Improvement

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Phases #2-3 Major Improvement Bonds, (ii) to fund the prepayment reserve and delinquency reserve, and (iii) to cover Administrative Expenses of the Phases #2-3 Major Improvement Area. The Annual Installment for each Parcel shall be calculated by taking into consideration any available capitalized interest.

According to the Service and Assessment Plan, 546 units are estimated to be built within the Phases #2-3 of the PID. Accordingly, the principal and interest portion of Annual Installment to be collected from each unit within Phases #2-3 will be $462.97 (i.e. ($246,175 + $16,650 - $10,043) ÷ 546 = $462.97) and the Administrative Expenses to be collected from each unit will be $69.31 (i.e. $37,845 ÷ 546 = $69.31). As a result, the total Annual Installment to be collected from each unit within Phases #2-3 will be $532.28 (i.e. $462.97 + $69.31 = $532.28). The Annual Installment to be collected from each Parcel within Phases #2-3 is calculated by multiplying the Annual Installment for each unit of $532.28 by the total estimated number of units for each Parcel in Phases #2-3, less the applicable TIRZ Credit, if any.

The Annual Installment due to be collected from each Land Use Class in Phases #2-3 for 2024-25 is shown in Table II-G-1 below.

Table II-G-1
Phases #2-3 Major Improvement Annual Installment Per Unit

The list of Parcels within Phases #2-3 of the PID, the estimated number of units to be developed on the current residential Parcels, the Outstanding Assessment, the annual principal and interest, the Additional Interest Reserve, the Administrative Expenses, the TIRZ Credit and the Annual

Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix C-1.

H. BOND REDEMPTION RELATED UPDATES

Phase #1 Bonds

The Phase #1 Bonds were issued in 2021. Pursuant to Section 4.3 of the Phase #1 Trust Indenture, the City reserves the right and option to redeem the Phase #1 Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2031,** such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Phase #1 Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phase #1 Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

Phases #2-3 Major Improvement Bonds

The Phases #2-3 Major Improvement Bonds were issued in 2021. Pursuant to Section 4.3 of the Phases #2-3 Major Improvement Trust Indenture, the City reserves the right and option to redeem the Phases #2-3 Major Improvement Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2031,** such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Phases #2-3 Major Improvement Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phases #2-3 Major Improvement Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council provided that the Authorized Improvement costs shall be allocated to the Assessed Property equally on the basis of the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property has not been changed and assessed property will continue to be assessed as provided for in the Service and Assessment Plan.

(the remainder of this page is intentionally left blank)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

> (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.H of this Service and Assessment Plan.

The updated Assessment Rolls are shown in Appendix B-1 and C-1 of this report. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for each new subdivided Parcel.

B = the Assessment for the Parcel prior to subdivision.

C = the estimated number of units to be built on each newly subdivided Parcel

D = the sum of the estimated number of units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

According to Collin Central Appraisal District records, the Phase #1 Parcels 960071, 52621, and 52672 were subdivided into 301 residential lots in 2023. The Phase #1 Assessments for the parent parcels was allocated to the 301 residential lots as shown in Table IV-A-1 on the following page.

PID ASSESSMENT NOTICE

PID Assessment Notice

NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT ASSESSMENT TO CITY OF CELINA, TEXAS
CONCERNING THE FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the Edgewood Creek Public Improvement District (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City or MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF CELINA APPROVING THE ANNUAL UPDATE OF THE SERVICE AND ASSESSMENT PLAN AND ASSESSMENT ROLLS FOR THE EDGEWOOD CREEK PUBLIC IMPROVEMENT DISTRICT IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE §372.013, AS AMENDED; CONTAINING A CUMMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, on May 12, 2020, the City Council of the City of Celina, Texas (the "City") approved Resolution No. 2020-33R establishing the Edgewood Creek Public Improvement District (the "PID") in accordance with the provisions of Chapter 372 of the Texas Local Government Code (the "Public Improvement District Assessment Act" or "the PID Act"); and

WHEREAS, the City has heretofore levied assessments against property within Phase #1 the PID, pursuant to Ordinance No. 2021-02 which ordinance also approved the Edgewood Creek Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #1, dated as of January 12, 2021 (the "Service and Assessment Plan and Phase #1 Assessment Roll"); and

WHEREAS, the City has also heretofore levied assessments against property within the Phases #2-3 Major Improvement Area of the PID, pursuant to Ordinance No. 2021-03 which ordinance also approved the Edgewood Creek Public Improvement District Service and Assessment Plan and Assessment Roll related to the Phases #2-3 Major Improvement Area, dated as of January 12, 2021 (the "Service and Assessment Plan and Phases #2-3 Major Improvement Area Assessment Roll") [and, together with the Service and Assessment Plan and Phase #1 Assessment Roll, the "Service and Assessment Plan and Assessment Rolls"] ; and

WHEREAS, the Service and Assessment Plan and Assessment Rolls are required to be reviewed and updated annually as described in Sections 372.013 and 372.014 of the PID Act (the "Annual Service Plan Update"); and

WHEREAS, the Annual Service Plan Update, attached hereto as Exhibit A, including the Phase #1 and the Phases #2-3 Major Improvement Area Assessment Rolls attached thereto, update the Service and Assessment Plan and Assessment Rolls to reflect prepayments, property divisions and changes to the budget allocation for the PID that occur during the year, if any; and

WHEREAS, the City Council desires and finds it to be in the public interest to adopt this Ordinance approving and adopting the Annual Service Plan Update and the updated Assessment Roll attached thereto, in compliance with the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1. All matters stated in the preamble are found to be true and correct and are incorporated herein as if copied in their entirety.

SECTION 2. The Edgewood Creek Public Improvement District Annual Service Plan Update, attached hereto as Exhibit A and incorporated herein by reference, inclusive of the updated Phase #1 and the Phases #2-3 Major Improvement Area Assessment Rolls contained therein and made a part thereof, are hereby accepted and approved.

SECTION 3. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION 4. Should any sentence, paragraph, subdivision, clause, phrase or section of this Ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this Ordinance as a whole, or any part or provision thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of the Ordinance as a whole.

SECTION 5. This Ordinance shall take effect immediately after its passage and the publication of the caption, as the law and charter in such case provide. The City Secretary shall cause this Ordinance to be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Re:	Glen Crossing PID SAP Update

Action Requested:
Consider and act upon an Ordinance of the City of Celina, Texas, approving the 2024-2025 Annual Service Plan update to the Service and Assessment Plan for the Glen Crossing Public Improvement District and providing an effective date. (Bromiley)

Background Information:
The Glen Crossing PID was created by the City Council pursuant to the PID Act and a resolution approved on April 12, 2016. The PID is located generally south of W Glendenning Parkway, east of S Celina Parkway, and north of the Collin County Outer Loop. The PID is anticipated to contain an estimated 356 residential units on approximately 109 acres within multiple phases. The PID annual installments in the Annual Service Plan update include amounts for the payment of principal and interest on the PID bonds and reimbursement agreement, if any, PID administrative expenses, additional interest for prepayment and delinquency reserves and as applicable, TIRZ annual credit amounts committed to pay a portion of the PID bond principal and interest. The Service Plan is prepared annually and presented to Council as required by Chapter 372 of the Texas Local Government Code.

I. INTRODUCTION

The G Bar 7 Public Improvement District (the "PID") was created pursuant to the PID Act and a resolution of the City Council on April 12, 2016 to finance certain public improvement projects for the benefit of the property in the PID. On June 14, 2016, the City of Celina (the "City") passed and approved Resolution No. 2016-31R changing the name of the PID to the Glen Crossing Public Improvement District.

On July 12, 2016, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2016 (Glen Crossing Public Improvement District Phase #1 Project) (the "Phase #1A Bonds") in the aggregate principal amount of $3,550,000, The Phase #1A were issued to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID. In addition, reimbursement obligations for the Phase #1 Reimbursement Agreement in the aggregate principal amount of $2,175,000 were secured by Special Assessments.

On November 13, 2018, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2018 (Glen Crossing Public Improvement District Phase #1B Project) (the "Phase #1B Bonds") in the aggregate principal amount of $1,800,000 to fully reimburse the Developer for the unpaid balance of the Phase #1 Reimbursement Agreement. In addition, on November 13, 2018, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2018 (Glen Crossing Public Improvement District Phase #2 Project) (the "Phase #2 Bonds") in the aggregate principal amount of $6,945,000 to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in Phase #2 the PID.

A service and assessment plan (the "Service and Assessment Plan") was prepared at the direction of the City identifying the public improvements (the "Authorized Improvements") to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. On November 13, 2018, the City approved an amended and restated Service and Assessment Plan pursuant to Ordinance No. 2018-62 in conjunction with the issuance of the Phase #1B and Phase #2 Bonds (the "Amended and Restated Service and Assessment Plan"). Pursuant to the PID Act, the Service and Assessment Plan must be reviewed and updated annually. This document is the annual update of the Amended and Restated Service and Assessment Plan for 2024-25 (the "Annual Service Plan Update").

The City also adopted an assessment roll for Phase #1 of the PID (the "Phase #1 Assessment Roll") identifying the assessments on each Parcel of Phase #1 Assessed Property and an assessment roll for Phase #2 (the "Phase #2 Assessment Roll"), based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Phase #1 Assessment Roll and Phase #2 Assessment Roll for 2024-25.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the "PID Assessment Notice") as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix E and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID us located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchase before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms not defined herein shall have the meanings assigned to such terms in the Amended and Restated Service and Assessment Plan.

B. Five Year Service Plan

According to the PID Act, a service plan must cover a period of five years. All of the Authorized Improvements are expected to be built within a period of five years. The anticipated budgets for the Authorized Improvements are shown in Section II.A of this report and the Annual Installments expected to be collected for these costs is shown by Table II-C below.

Table II-C
Projected Annual Installments (2018-2030)

1 – Assessment years ending 2018 through 2025 reflect actual Annual Installments and are net of applicable reserve fund income, TIRZ credits, and capitalized interest. Assessment years 2026 through 2030 reflect projected Annual Installments, not inclusive of applicable credits, and are subject to change.

C. Status of Development

According to the City, building permits have been issued for parcels representing, in the aggregate, greater than 95 percent of the Special Assessment levied within Phase #1. As a result, the number of new homes completed in Phase #1 during the current fiscal year and the number of total new homes completed are no longer required to be reported in this Annual Service Plan Update pursuant to Section 4 of the Phase #1 Bonds Continuing Disclosure Agreement of the Issuer.

According to the City, building permits have been issued for parcels representing, in the aggregate, greater than 95 percent of the Special Assessment levied within Phase #2. As a result, the number of new homes completed in Phase #2 during the current fiscal year and the number of total new homes completed are no longer required to be reported in this Annual Service Plan Update pursuant to Section 4 of the Phase #2 Bonds Continuing Disclosure Agreement of the Issuer.

D. ANNUAL BUDGET – PHASE #1

Phase #1 - Annual Installments

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Phase #1A Bonds and/or execution of the Phase #1 Reimbursement Agreement, of which twenty-two (22) Annual Installments remain outstanding.

Pursuant to the Amended and Restated Service and Assessment Plan, each Assessment shall bear interest at the rate on the Phase #1A Bonds commencing with the issuance of the Phase #1A Bonds. The effective interest rate on the Phase #1A Bonds is 4.99 percent and the interest rate applicable to the Phase #1B Bonds is 5.37 percent for 2024-25. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phase #1A Bonds and Phase #1B Bonds (4.99 percent and 5.37 percent, respectively) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Amended and Restated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and applicable Trust Indenture, such the TIRZ Credit, capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phase #1A Bonds and Phase #1B Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment reserve and delinquency reserve amounts as described in the Service and Assessment plan and applicable Trust Indenture.

Phase #1 Annual Installments to be collected for 2024-25

The budget for Phase #1 of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown by Table II-D on the following page.

Table II-D
Budget for the Phase #1 Annual Installments
to be Collected for 2024-25

Debt Service Payments

Annual Installments to be collected for principal and interest on the Phase #1A Bonds include interest due on March 1, 2025 in the amount of $75,914 and on September 1, 2025 in the amount of $75,914, which equal interest on the outstanding Assessments balance of $3,041,043, for six months each at an effective interest rate of 4.99 percent. Annual Installments to be collected include a principal amount of $80,000 due on September 1, 2025. As a result, total principal and interest due for the Phase #1A Bonds in 2024-25 is estimated to be $231,827.

Annual Installments to be collected for principal and interest on the Phase #1B Bonds include interest due on March 1, 2025 in the amount of $43,049 and September 1, 2025 in the amount of $43,049, which equal interest on the outstanding Assessments balance of $1,602,791 for six months each at an effective interest rate of 5.37 percent. Annual Installments to be collected include a principal amount of $40,000 due on September 1, 2025. As a result, total principal and interest due for the Phase #1B Bonds in 2024-25 is estimated to be $126,098.

Administrative Expenses

Administrative expenses for Phase #1 include the City, Administrator, Trustee, auditor, dissemination agent, and contingency. As shown in Table II-E on the following page, the total administrative expenses to be collected for 2024-25 are estimated to be $48,818.

Table II-E
Administrative Budget Breakdown

Description	2024-25 Estimated Budget
City	$6,000
Administrator	$33,200
Trustee	$5,500
Auditor	$2,000
Dissemination Agent	$1,750
Contingency	$368
Total	**$48,818**

Excess Interest for Prepayment and Delinquency Reserve

Phase #1A Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of $15,205, which equals 0.5 percent interest on the outstanding Phase #1A Bonds balance of $3,041,043. Phase #1B Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of $8,014, which equals 0.5 percent interest on the outstanding Phase #1B Bonds balance of $1,602,791. The total Annual Installment amount to be collected for excess interest for prepayment and delinquency reserves is $23,219.

Available TIRZ Credit

According to the City, there have been TIRZ incremental revenues collected in 2023 in the total amount of $197,098 that are available to be used as a TIRZ Credit in 2024-25 for the respective Parcels within Phase #1. This TIRZ Credit amount is allocated based upon the amount of TIRZ increment generated by each Parcel within Phase #1 and each Parcel that has an outstanding Phase #1 Assessment balance as of September 1, 2024. The TIRZ Annual Credit Amount shall be calculated separately for each Parcel and such TIRZ Annual Credit Amount shall be applied on a Parcel-by-Parcel basis. As a result, the TIRZ credit obligation for Phase #1 is $195,234 as shown in Appendix C-2 of this report.

Available Reserve Fund Credit

As of May 31, 2024, the balance in the Phase #1 Reserve Fund was $379,378, which includes the Bond Reserve Requirement of $364,575 and an excess balance of $14,803. Pursuant to Section 6.7 (d) of the Phase #1A Bond Trust Indenture and Section 6.8 (d) of the Phase #1B Bond Trust Indenture, the excess balance of $14,803 should be transferred to the Phase #1 Principal & Interest Account and used to pay interest on the Phase #1 Bonds on the next interest payment date. As a result, $14,803 is available to reduce the Phase #1 2024-25 Annual Installment.

Available Capitalized Interest Account

As of May 31, 2024, the Trustee reported that the Capitalized Interest Fund has been fully expended. As a result, there is no credit to reduce the Phase #1 2024-25 Annual Installment.

Available Administrative Expense Account

As of May 31, 2024, the balance in the Administrative Expense Fund was $40,000. The current balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, there are no funds anticipated to be available in the Administrative Expense Fund to reduce the Phase #1 2024-25 Annual Installment.

E. ANNUAL INSTALLMENTS PER UNIT - PHASE #1

According to the Amended and Restated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #1A Bonds and Phase #1B Bonds, to fund the Prepayment Reserve and Delinquency Reserve described in the Service and Assessment Plan, and to cover Administrative Expenses of Phase #1.

According to the Service and Assessment Plan, 159 units representing 143.02 total Equivalent Units are built within Phase #1 of the PID. One 50' Lot has prepaid a portion of its Phase #1A Assessment balance as of May 31, 2024. As a result, the outstanding Phase #1A total Equivalent Units are 142.32 (143.02 – 0.70 = 142.32). Accordingly, the net principal, interest, prepayment reserve, and delinquency reserve portion of Annual Installment to be collected from each Equivalent Unit for Phase #1A will be $1,667.66 (i.e. ($231,827 + $15,205 – $9,694) ÷ 142.32 = $1,667.66).

According to the Service and Assessment Plan, 159 units representing 143.02 total Equivalent Units are built within Phase #1 of the PID. One 50' Lot has prepaid a portion of its Phase #1B Assessment balance as of May 31, 2024. As a result, the outstanding Phase #1B total Equivalent Units are 142.45 (143.02 – 0.57 = 142.45). Accordingly, the net principal, interest, prepayment reserve, and delinquency reserve portion of Annual Installment to be collected from each Equivalent Unit for Phase #1B will be $905.60 (i.e. ($126,098 + $8,014 - $5,109) ÷ 142.45 = $905.60).

The combined net principal, interest, prepayment and delinquency reserve portion of Annual Installment to be collected from each Equivalent Unit for Phase #1 will be $2,573.26 ($1,667.66 + $905.60 = $2,573.26).

Administrative Expenses will continue to be collected from all Parcels with an outstanding Assessment balance based on each Parcel's original Equivalent Unit. Administrative Expenses to be collected from each Equivalent Unit for Phase #1 will be $341.34 (i.e. $48,818 ÷ 143.02 = $341.34).

As a result, the total Annual Installment to be collected from each Equivalent Unit for Phase #1 will be $2,914.60 (i.e. $2,573.26 + $341.34 = $2,914.60). The Annual Installment to be collected from each Parcel within Phase #1 is calculated by multiplying the Annual Installment for each equivalent unit of $2,914.60 by the total estimated number of equivalent units for each Parcel in Phase #1, less the applicable TIRZ Credit, if any, as shown in Appendix C-2.

The Annual Installment due to be collected from each Land Use Class in Phase #1 for 2024-25 is shown in Table II-F below.

Table II-F
Annual Installment Per Unit – Phase #1

Land Use Class	Annual Installment Per Equivalent Unit	Equivalent Unit Factor	Annual Installment Per Unit
Lot Type 1 (60' Lot)	$2,914.60	1.00	$2,914.60
Lot Type 2 (50' Lot)	$2,914.60	0.83	$2,419.12

1 – The Annual Installment per unit amounts do not include applicable TIRZ Credits, if any.

The list of Parcels within Phase #1 of the PID, the number of units to be developed on the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix C-1.

F. Annual Budget – Phase #2

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Phase #2 Bonds, of which twenty-three (23) Annual Installments remain outstanding.

Pursuant to the Amended and Restated Service and Assessment Plan, each Assessment shall bear interest at the rate on the Phase #2 Bonds commencing with the issuance of the Phase #2 Bonds. The effective interest rate on the Phase #2 Bonds is 5.63 percent for 2024-25. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phase #2 Bonds (5.63 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Amended and Restated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and applicable Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phase #2 Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment reserve and delinquency reserve amounts as described in the Service and Assessment plan and applicable Trust Indenture.

Phase #2 Annual Installments to be collected for 2024-25

The budget for Phase #2 of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown by Table II-G below.

Table II-G
Budget for the Phase #2 Annual Installments to be Collected for 2024-25

Descriptions	Phase #2 Bonds
Interest payment on March 1, 2025	$177,254
Interest payment on September 1, 2025	$177,254

Available reserve fund credit	($24,145)
Available capitalized interest account	$0
Available Administrative Expense account	$0
Subtotal funds available	*($263,768)*
Annual Installments	**$306,251**

Debt Service Payments

Annual Installments to be collected for principal and interest include interest due on March 1, 2025 in the amount of $177,254 and on September 1, 2025 in the amount of $177,254, which equal interest on the outstanding Phase #2 Assessments balance of $6,293,000 for six months each and an effective interest rate of 5.63 percent. Annual Installments to be collected include a principal amount of $139,000 due on September 1, 2025. As a result, total debt service due for Phase #2 for principal and interest in 2024-25 is estimated to be equal to $493,508.

Administrative Expenses

Administrative expenses include the City, Administrator, Trustee, auditor, dissemination agent and contingency fees. As shown in Table II-H below, the total Phases #2 administrative expenses to be collected for 2024-25 are estimated to be $45,046.

Table II-H
Administrative Budget Breakdown

Description	2024-25Estimated Budget
City	$6,000
Administrator	$31,100
Trustee	$2,750
Auditor	$2,000
Dissemination Agent	$1,750
Contingency	$1,446
Total	**$45,046**

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of $31,465 which equals 0.5 percent interest on the outstanding Phase #2 Assessments balance of $6,293,000.

Available TIRZ Credit

According to the City, there have been TIRZ incremental revenues collected in 2023 in the total amount of $239,623 that are available to be used as a TIRZ Credit in 2024-25 for the respective Parcels within Phase #2. This TIRZ Credit amount is allocated based upon the amount of TIRZ increment generated by each Parcel within Phase #2 and each Parcel that has an outstanding Phase #2 Assessment balance as of September 1, 2024. The TIRZ Annual Credit Amount shall be calculated separately for each Parcel and such TIRZ Annual Credit Amount shall be applied on a Parcel-by-Parcel basis. As a result, the TIRZ credit obligation for Phase #2 is $239,623 as shown in Appendix D-2 of this report.

Available Reserve Fund Income

As of May 31, 2024, the balance in the Phase #1 Reserve Fund was $530,785, which includes the Bond Reserve Requirement of $506,640 and an excess balance of $24,145. Pursuant to Section 6.7 (d) of the Phase #2 Bond Trust Indenture, the excess balance of $24,145 should be transferred to the Phase #2 Principal & Interest Account and used to pay interest on the Phase #2 Bonds on the next interest payment date. As a result, $24,145 is available to reduce the Phase #2 2024-25 Annual Installment.

Available Capitalized Interest Account

As of May 31, 2024, the Trustee reported that the Capitalized Interest Fund has been fully expended. As a result, there is no credit to reduce the Phase #2 2024-25 Annual Installment.

Available Administrative Expense Account

As of May 31, 2024, the balance in the Administrative Expense Fund was $56,519. The current balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, there are no funds anticipated to be available in the Administrative Expense Fund to reduce the Phase #2 2024-25 Annual Installment.

G. Annual Installments Per Unit - Phase #2

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #2 Bonds, to fund the Prepayment Reserve and Delinquency reserve described in the Service and Assessment Plan, and to cover Administrative Expenses of Phase #2.

According to the Developer, 197 units representing 177.79 total Equivalent Units are estimated to be built within Phase #2 of the PID. One 60' Lot has prepaid a portion of its Phase #2 Assessment balance as of May 31, 2024. As a result, the outstanding Phase #2 total Equivalent Units are 177.03 (177.79 – 0.76 = 177.03). Accordingly, the net principal, interest, prepayment reserve, and delinquency reserve portion of Annual Installment to be collected from each Equivalent Unit will be $2,829.01 (i.e. ($493,508 + $31,465 - $24,145) ÷ 177.03 = $2,829.01).

Administrative Expenses will continue to be collected from all Parcels with an outstanding Assessment balance based on each Parcel's original Equivalent Unit. Administrative Expenses to be collected from each Equivalent Unit for Phase #2 will be $253.37 (i.e. $45,046 ÷ 177.79 = $253.37).

As a result, the total Annual Installment to be collected from each Equivalent Unit for Phase #2 will be $3,082.38 (i.e. $2,829.01 + $253.37 = $3,082.38). The Annual Installment to be collected from each Parcel within Phase #1 is calculated by multiplying the Annual Installment for each equivalent unit of $3,082.38 by the total estimated number of equivalent units for each Parcel in Phase #2, less the applicable TIRZ Credit, if any, as shown in Appendix D-2.

The Annual Installment due to be collected from each Land Use Class in Phase #2 for 2024-25 is shown in Table II-I below.

Table II-I
Annual Installment Per Unit – Phase #2

Land Use Class	Annual Installment Per Equivalent Unit	Equivalent Unit Factor	Annual Installment Per Unit
Lot Type 1 (60' Lot)	$3,082.38	1.00	$3,082.38
Lot Type 2 (50' Lot)	$3,082.38	0.83	$2,558.38

1 – The Annual Installment per unit amounts do not include applicable TIRZ Credits, if any.

The list of Parcels within Phase #2 of the PID, the number of units to be developed on the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix D-1.

H. Bond Redemption Related Updates

Phase #1A Bonds

The Phase #1A Bonds were issued in August 2016. Pursuant to Section 4.3 of the Trust Indenture relating to the Phase #1A Bonds, the City reserves the right and option to redeem the Phase #1A Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2026**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phase #1A Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

Phase #1B Bonds

The issuance of the Phase #1B Bonds was approved in November 2018. Pursuant to Section 4.4 of the Trust Indenture relating to the Phase #1B Bonds, the City reserves the right and option to redeem the Phase #1B Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2028**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phase #1B Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

Phase #2 Bonds

The issuance of the Phase #2 Bonds was approved in November 2018. Pursuant to Section 4.3 of the Trust Indenture relating to the Phase #2 Bonds, the City reserves the right and option to redeem the Phase #2 Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2028**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Trust Indenture.

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council describes that the Authorized Improvement costs shall be allocated to the Assessed Property equally based on the equivalent number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property, as updated in prior Annual Service and Assessment Plan Updates, has not been changed and Assessed Property will continue to be assessed as provided for in the Amended and Restated Service and Assessment Plan.

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

> (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by the Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.I of the Service and Assessment Plan.

The summary of updated Assessment Rolls is shown in Appendix C-1 and D-1 of this report. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for each new subdivided Parcel.
B = the Assessment for the Parcel prior to subdivision.
C = the estimated Equivalent Units to be built on each newly subdivided Parcel
D = the sum of the estimated Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

According to the Developer and Collin Central Appraisal District, the Phase #1 plat was recorded on February 20, 2018. Phase #1 was completely subdivided in 2018.

According to the Developer and Collin Central Appraisal District, 119 Lots in Phase #2A were subdivided from Parcel 2739465 in Phase #2 of the PID in 2021. The final plat was recorded in November of 2020 and the Assessments were allocated proportionally according to Lot Type.

According to the Developer and Collin Central Appraisal District, 78 Lots in Phase #2B were subdivided from Parcel 2739465 in Phase #2 of the PID in 2021. The final plat recorded in June of 2021 and the Assessments were allocated proportionally according to Lot Type.

B. Prepayment of Assessments

There has been one partial Assessment prepayment within Phase #1 and one partial Assessment prepayment within Phase #2 as of May 31, 2024. See Appendix B for additional information regarding prepaid Assessments.

According to the Trustee, an extraordinary optional redemption of the Phase #1 Bonds, in the aggregate amount of $13,000, occurred July 1, 2022, based on prepaid Phase #1 Assessments received. Additionally, an extraordinary optional redemption of the Phase #1B Bonds, in the aggregate amount of $7,000, occurred July 1, 2022, based on prepaid Phase #1B Assessments received.

According to the Trustee, an extraordinary optional redemption of the Phase #2 Bonds, in the aggregate amount of $28,000, occurred July 1, 2022, based on prepaid Phase #2 Assessments received.

The complete Assessment Roll is available for review at the City Hall, located at 142 N. Ohio, Celina, Texas 75009.

PID ASSESSMENT NOTICE

PID Assessment Notice

NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT ASSESSMENT TO CITY OF CELINA, TEXAS
CONCERNING THE FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the Glen Crossing Public Improvement District (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City or MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF CELINA APPROVING THE ANNUAL UPDATE OF THE SERVICE AND ASSESSMENT PLAN AND ASSESSMENT ROLLS FOR THE GLEN CROSSING PUBLIC IMPROVEMENT DISTRICT IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE §372.013, AS AMENDED; CONTAINING A CUMMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, on April 12, 2016, the City Council of the City of Celina, Texas (the "City") approved Resolution No. 2016-24R establishing the Glen Crossing Public Improvement District (the "PID") in accordance with the provisions of Chapter 372 of the Texas Local Government Code (the "Public Improvement District Assessment Act" or "the PID Act"); and

WHEREAS, the City has heretofore levied assessments against property within Phase #1 the PID, pursuant to Ordinance No. 2016-50 which ordinance also approved the Glen Crossing Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #1, dated as of July 12, 2016 (the "Service and Assessment Plan and Phase #1 Assessment Roll"); and

WHEREAS, the City has also heretofore levied assessments against property within Phase #2 of the PID, pursuant to Ordinance No. 2018-62 which ordinance also approved the Glen Crossing Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #2, dated as of November 15, 2018 (the "Updated Service and Assessment Plan and Phase #2 Assessment Roll") [and, together with the Service and Assessment Plan and Phase #1 Assessment Roll, the "Updated Service and Assessment Plan and Assessment Rolls"] ; and

WHEREAS, the Updated Service and Assessment Plan and Assessment Rolls are required to be reviewed and updated annually as described in Sections 372.013 and 372.014 of the PID Act (the "Annual Service Plan Update"); and

WHEREAS, the Annual Service Plan Update, attached hereto as Exhibit A, including the Phase #1 and Phases #2 Assessment Rolls attached thereto, update the Updated Service and Assessment Plan and Assessment Rolls to reflect prepayments, property divisions and changes to the budget allocation for the PID that occur during the year, if any; and

WHEREAS, the City Council desires and finds it to be in the public interest to adopt this Ordinance approving and adopting the Annual Service Plan Update and the updated Assessment Roll attached thereto, in compliance with the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1. All matters stated in the preamble are found to be true and correct and are incorporated herein as if copied in their entirety.

SECTION 2. The Glen Crossing Public Improvement District Annual Service Plan Update, attached hereto as Exhibit A and incorporated herein by reference, inclusive of the updated Phase #1 and Phase #2 Assessment Rolls contained therein and made a part thereof, are hereby accepted and approved.

SECTION 3. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION 4. Should any sentence, paragraph, subdivision, clause, phrase or section of this Ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this Ordinance as a whole, or any part or provision thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of the Ordinance as a whole.

SECTION 5. This Ordinance shall take effect immediately after its passage and the publication of the caption, as the law and charter in such case provide. The City Secretary shall cause this Ordinance to be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Re:	Glen Crossing West PID SAP Update

Action Requested:
Consider and act upon an Ordinance of the City of Celina, Texas, approving the 2024-2025 Annual Service Plan update to the Service and Assessment Plan for the Glen Crossing West Public Improvement District and providing an effective date. (Bromiley)

Background Information:
The Glen Crossing West PID was created by the City Council pursuant to the PID Act and a resolution approved on May 28, 2019. The PID is located generally south of W Glendenning Parkway, east of S Celina Parkway, and north of the Collin County Outer Loop. The PID is anticipated to contain an estimated 57 residential units on approximately 29.306 acres within one phase. The PID annual installments in the Annual Service Plan update include amounts for the payment of principal and interest on the PID bonds and reimbursement agreement, if any, PID administrative expenses, additional interest for prepayment and delinquency reserves and as applicable, TIRZ annual credit amounts committed to pay a portion of the PID bond principal and interest. The Service Plan is prepared annually and presented to Council as required by Chapter 372 of the Texas Local Government Code.

APPENDIX D – PID ASSESSMENT NOTICE

I. INTRODUCTION

The Glen Crossing West Public Improvement District (the "PID") was created pursuant to the PID act and Resolution No. 2019-25R of the City Council (the "City Council") on May 28, 2019 to finance certain public improvement projects for the benefit of the property in the PID.

Reimbursement obligations for the PID Reimbursement Agreement, in the aggregate principal amount of $956,000 are secured by Assessments (the "Assessments").

A service and assessment plan (the "Service and Assessment Plan") was prepared at the direction of the City identifying the Authorized Improvements to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to the PID Act, the Service and Assessment Plan must be reviewed and updated annually. This document is the annual update of the Service and Assessment Plan for 2024-25 (the "Annual Service Plan Update").

The City also adopted Assessment Rolls identifying the assessments on each Parcel within the PID, based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Roll for 2024-25 as shown in Appendix C. The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the "PID Assessment Notice") as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix D, and a copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID us located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situations described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchase before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event, that a contract of purchase and sale is entered into without the seller-provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms in this section not defined herein shall have the meanings assigned to such terms in the Service and Assessment Plan.

A. UPDATED SOURCES AND USES FOR PUBLIC IMPROVEMENTS

Estimated Sources and Uses

Pursuant to the original Service and Assessment Plan adopted on July 9, 2019, the initial total estimated costs of the Reimbursement Agreement Improvements were equal to $1,035,663. According to the Developer as of January 31, 2022, the actual costs of the Authorized Improvements were equal to $1,422,471, representing an increase of $386,808.

According to the City, the Authorized Improvements were completed and accepted on December 11, 2020.

Table II-A on the following page summarizes the estimated sources and uses of funds required to construct the Authorized Improvements of the PID.

1 - According to the Developer as of January 31, 2022.

Cost Variances

As stated in Table II-A above, there are improvement cost increases of $447,210. The cost increase of $447,210 related to the Authorized Improvements represents additional costs that were not originally considered within the PID budget. The remainder of the cost increase is due to increased Private Improvements associated with the PID. The increase in Authorized Improvements and Private Improvements costs were funded by the Developer.

B. Five Year Service Plan

According to the PID act, a service plan must cover a period of five years.

The budget for the Authorized Improvements is shown in Section II.A. on the previous page, and the Annual Installments expected to be collected for those costs during the next five years are shown in Table II-B below.

C. Status of Development

According to the Developer, final plats for Phase #1A and Phase #1B of the PID were recorded and recognized by Collin Central Appraisal District, (the "CCAD") on December 3, 2020 and July 14, 2021, respectively.

According to the City, fifty-five (55) building permits have been issued for the PID as of June 1, 2024, representing approximately 96.49 percent of the total fifty-seven (57) building permits expected to be issued for the PID.

According to the City, there are fifty-four (54) certificates of occupancy issued for the PID as of June 1, 2024, representing approximately 94.74 percent of the total fifty-seven (57 certificates of occupancy expected to be issued for the PID.

Table II-C on the following page summarizes the certificates of occupancy issued for the PID.

D. ANNUAL BUDGET

Annual Installments – 2024-25

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the earlier of (i) the recording of a final subdivision plat in the official public records of the County for the Assessed Property, (ii) upon issuance of Bonds, or (iii) the second anniversary of the date of levy of the Assessment, of which twenty-seven (27) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the Reimbursement Agreement. The effective interest rate is 6.01 percent for 2024-25. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Service and Assessment Plan, each Annual Installment, including the interest on the unpaid amount of an Assessment, shall be updated annually. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of the following year.

Annual Installments to be collected for 2024-25

The budget for the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown in Table II-D on the following page.

(the remainder of this page is intentionally left blank)

Table II-D
Budget for the PID Annual Installments
to be Collected for 2024-25

	Reimbursement Agreement
Interest payment on March 1, 2025	$27,556
Interest payment on September 1, 2025	$27,556
Principal payment on September 1, 2025	$14,000
Subtotal debt service	*$69,112*
Administrative expenses	$20,606
Subtotal expenses	*$89,718*
Available administrative expense funds	$0
Subtotal funds available	*$0*
Annual Installments	**$89,718**

Debt Service Payments

Annual Installments to be collected for principal and interest on the PID Reimbursement Agreement include interest due on March 1, 2025, in the amount of $27,556 and September 1, 2025, in the amount of $27,556, which equal interest on the outstanding assessment balance of $917,000 for six months each and an effective interest rate of 6.01 percent. Annual Installments to be collected on the PID Reimbursement Agreement include a principal amount of $14,000 due on September 1, 2025. As a result, the total Annual Installments to be collected for principal and interest on the PID Reimbursement Agreement in 2024-25 is estimated to be equal to $69,112.

Administrative Expenses

Administrative expenses for the PID include the City, Administrator, and contingency. As shown in Table II-E below, the total administrative expenses to be collected for 2024-25 are estimated to be $20,606.

Table II-E
Administrative Budget Breakdown

Description	2023-24 Estimated Budget
City	$6,000
Administrator	$12,000
Contingency	$2,606
Total	**$20,606**

Available Administrative Expense Account

As of May 31, 2024, the balance in the Administrative Account was $14,532. Approximately $14,532 of the current balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, there are no funds available in the Administrative Account to reduce the 2024-25 Annual Installment.

E. ANNUAL INSTALLMENTS PER UNIT

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the outstanding PID Reimbursement Agreement described in the Service and Assessment Plan, and to cover Administrative Expenses of the PID.

According to the Service and Assessment Plan, 57 units are anticipated to be built within the PID. Accordingly, the net principal and interest portion of Annual Installment to be collected from each unit will be $1,212.49 (i.e. $69,112 ÷ 57 = $1,212.49) and the Administrative Expenses to be collected from each unit will be $361.51 (i.e. $20,606 ÷ 57 = $361.51). As a result, the total Annual Installment to be collected from each unit within the PID will be $1,574.00 (i.e. $1,212.49 + $361.51 = $1,574.00). shown in Appendix C for each Parcel within the PID. The Annual Installment to be collected from each Parcel is calculated by multiplying the Annual Installment for each unit of $1,574.00 by the total estimated units for each Parcel.

The Annual Installment due to be collected from each Land Use Class in the PID for 2024-25 is shown in Table II-F below.

Table II-F
Annual Installment Per Unit

Land Use Class	Annual Installment Per Unit
Lot Type 1 (50' Lot)	$1,574.00

The list of Parcels within the PID, the number of units to be developed on the current residential Parcels, the corresponding total Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix C.

(the remainder of this page is intentionally left blank)

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council provided that the Authorized Improvement Costs shall be allocated to the Assessed Property equally on the basis of the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement Costs to Parcels similarly benefited.

This method of assessing property has not been changed and Assessed Property will continue to be assessed as provided for in the Service and Assessment Plan.

(the remainder of this page is intentionally left blank)

Pursuant to the original Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

> (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.E of this Service and Assessment Plan.

The summary of updated Assessment Rolls is shown in Appendix C of this report. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

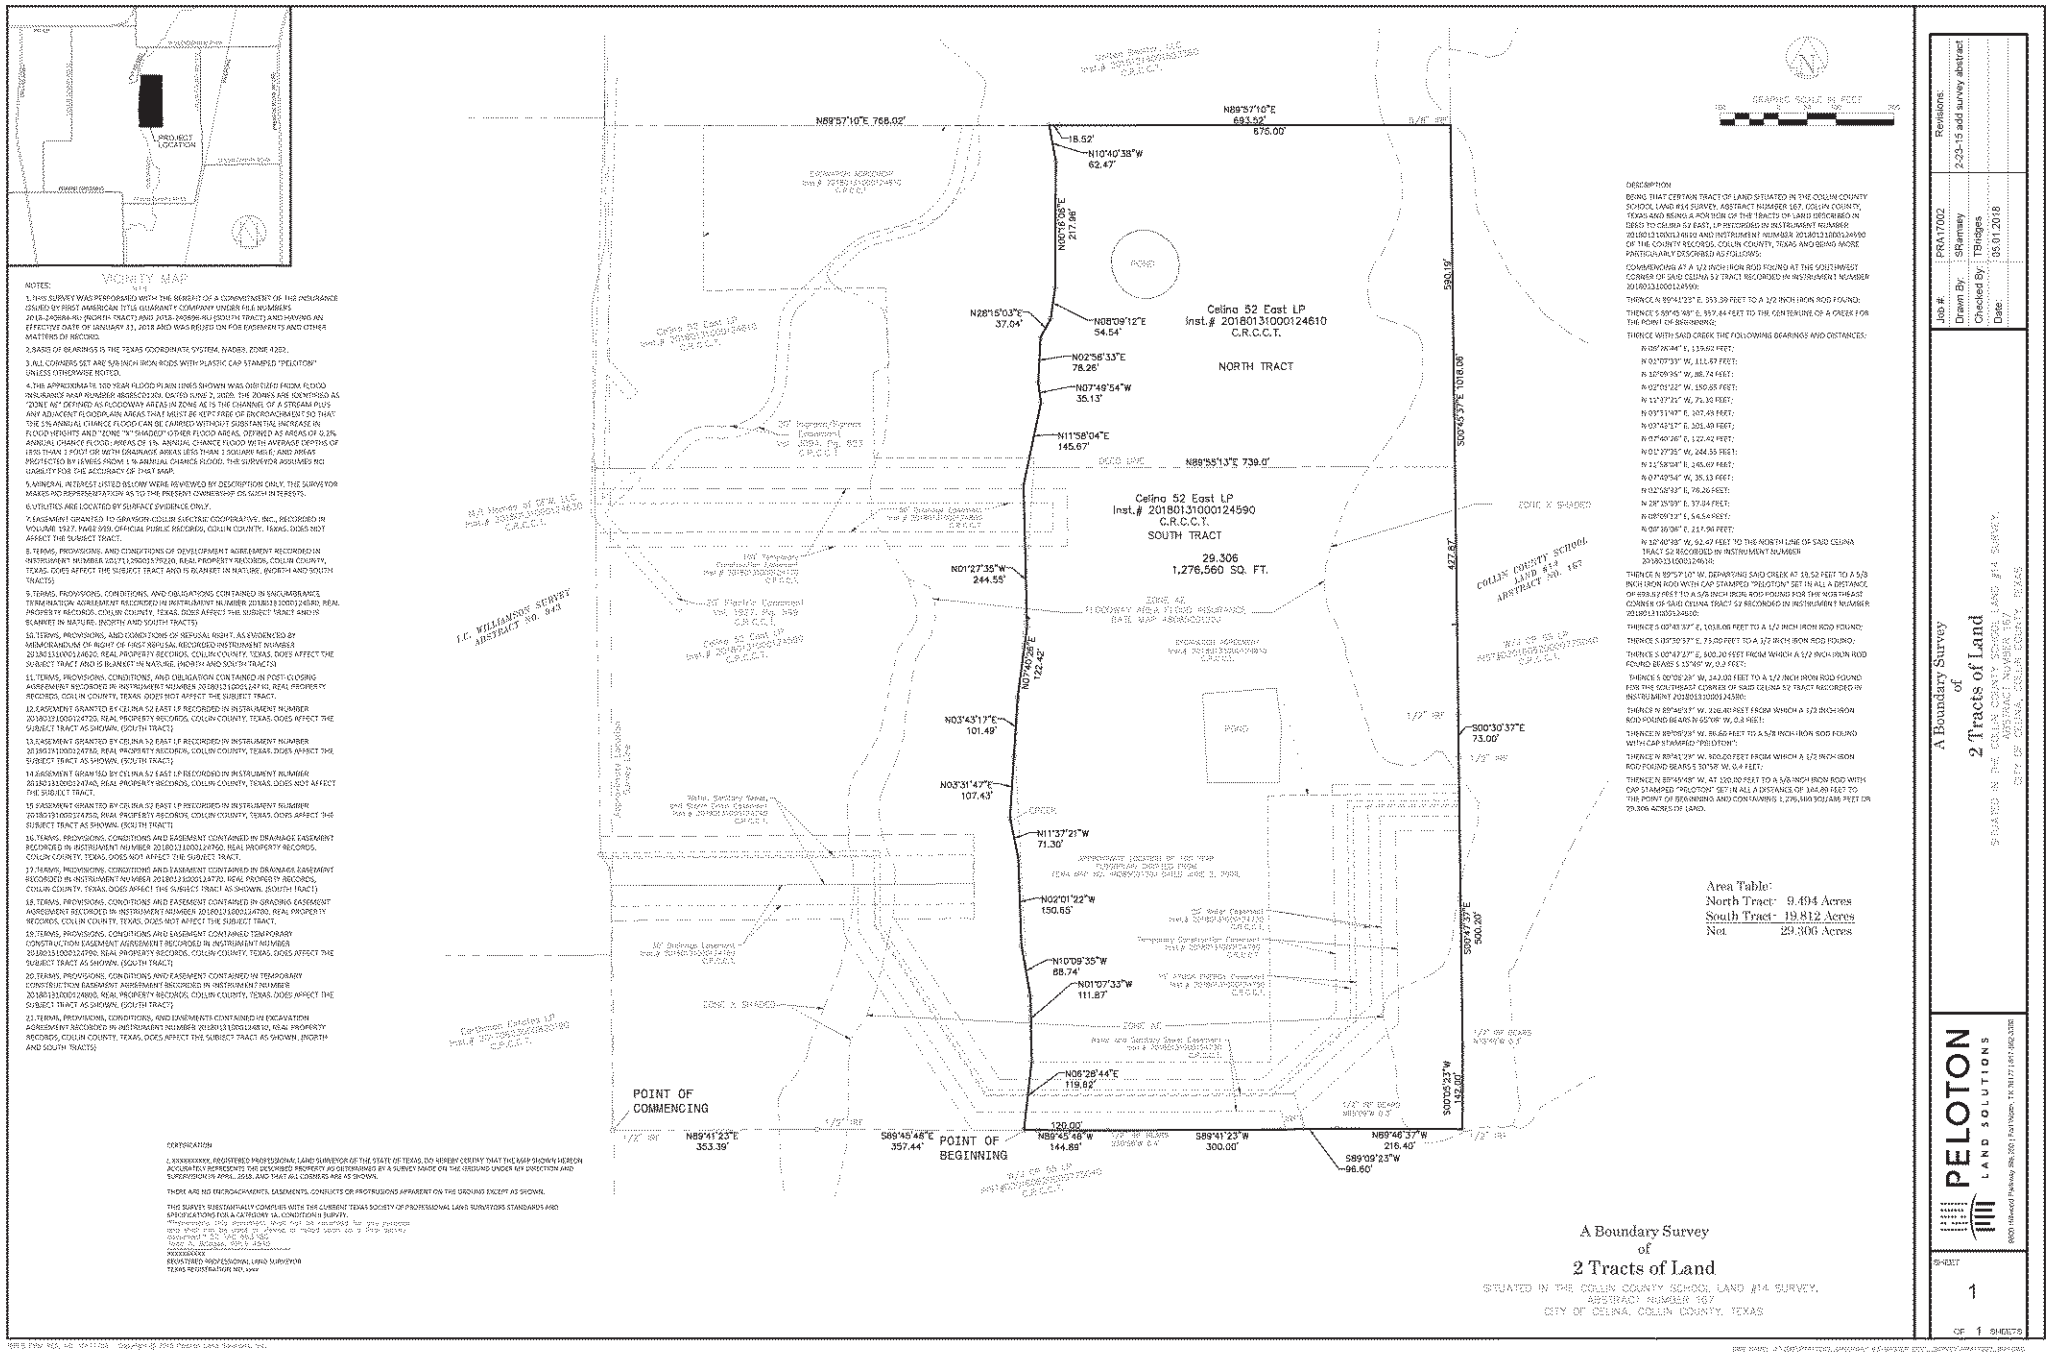
A = the Assessment for each new subdivided Parcel.
B = the Assessment for the Parcel prior to subdivision.
C = the estimated units to be built on each newly subdivided Parcel
D = the sum of the estimated number of units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

According to the Developer, final plats for Phase #1A and Phase #1B of the PID were recorded and recognized by CCAD on December 3, 2020, and July 14, 2021, respectively.

According to CCAD, twelve Phase #1A Parcels were included in the 2021 certified roll and began collection for 2021-22.

According to CCAD, forty-five Phase #1B Parcels were included in the 2022 certified roll and began collection for 2022-23.



B. Prepayment of Assessments

There have been no prepayments as of June 30, 2024.

The complete Assessment Rolls are available for review at the City Hall, located at 142 N. Ohio, Celina, Texas 75009.

PID Assessment Notice

NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT ASSESSMENT TO THE CITY OF CELINA, TEXAS
CONCERNING THE FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the Glen Crossing West Public Improvement District (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City or MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

AN ORDINANCE OF THE CITY OF CELINA APPROVING THE ANNUAL UPDATE OF THE SERVICE AND ASSESSMENT PLAN AND ASSESSMENT ROLL FOR THE GLEN CROSSING WEST PUBLIC IMPROVEMENT DISTRICT IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE §372.013, AS AMENDED; CONTAINING A CUMMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, on May 28, 2019, the City Council of the City of Celina, Texas (the "City") approved Resolution No. 2019-25R establishing the Glen Crossing West Public Improvement District (the "PID") in accordance with the provisions of Chapter 372 of the Texas Local Government Code (the "Public Improvement District Assessment Act" or "the PID Act"); and

WHEREAS, the City has heretofore levied assessments against property within the PID, pursuant to Ordinance No. 2019-24 which ordinance also approved the Glen Crossing West Public Improvement District Service and Assessment Plan and Assessment Roll (the "Service and Assessment Plan and Assessment Roll"); and

WHEREAS, the Service and Assessment Plan and Assessment Roll is required to be reviewed and updated annually as described in Sections 372.013 and 372.014 of the PID Act (the "Annual Service Plan Update"); and

WHEREAS, the Annual Service Plan Update, attached hereto as Exhibit A, including the Assessment Roll attached thereto, update the Service and Assessment Plan and Assessment Roll to reflect prepayments, property divisions and changes to the budget allocation for the PID that occur during the year, if any; and

WHEREAS, the City Council desires and finds it to be in the public interest to adopt this Ordinance approving and adopting the Annual Service Plan Update and the updated Assessment Roll attached thereto, in compliance with the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1. All matters stated in the preamble are found to be true and correct and are incorporated herein as if copied in their entirety.

SECTION 2. The Glen Crossing West Public Improvement District Annual Service Plan Update, attached hereto as Exhibit A and incorporated herein by reference, inclusive of the updated Assessment Roll contained therein and made a part thereof, are hereby accepted and approved.

SECTION 3. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided,

however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION 4. Should any sentence, paragraph, subdivision, clause, phrase or section of this Ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this Ordinance as a whole, or any part or provision thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of the Ordinance as a whole.

SECTION 5. This Ordinance shall take effect immediately after its passage and the publication of the caption, as the law and charter in such case provide. The City Secretary shall cause this Ordinance to be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Re:	Harper Estates PID SAP Update

Action Requested:
Consider and act upon an Ordinance of the City of Celina, Texas, approving the 2024-2025 Annual Service Plan update to the Service and Assessment Plan for the Harper Estates Public Improvement District and providing an effective date. (Bromiley)

Background Information:
The Harper Estates PID was created by the City Council pursuant to the PID Act and a resolution approved on August 9, 2022. The PID is located just south of County Road 129 and west of FM 2478. The PID is anticipated to contain an estimated 76 residential units on approximately 100 acres. The PID annual installments in the Annual Service Plan update include amounts for the payment of principal and interest on the PID bonds and reimbursement agreement, if any, PID administrative expenses, additional interest for prepayment and delinquency reserves and as applicable, TIRZ annual credit amounts committed to pay a portion of the PID bond principal and interest. The Service Plan is prepared annually and presented to Council as required by Chapter 372 of the Texas Local Government Code.

APPENDIX D – PID ASSESSMENT NOTICE

I. INTRODUCTION

Harper Estates Public Improvement District (the "PID") was created pursuant to the PID Act and Resolution No. 2022-39R of the City Council on August 9, 2022 to finance certain public improvement projects for the benefit of the property in the PID.

On February 14, 2023, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2023 (Harper Estates Public Improvement District Project) (the "PID Bonds") in the aggregate principal amount of $7,226,000 to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID.

A service and assessment plan dated February 14, 2023 (the "Service and Assessment Plan") was prepared at the direction of the City identifying the public improvements (the "Authorized Improvements") to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to Chapter 372 of the Texas Local Government Code, as amended (the "PID Act"), the Service and Assessment Plan must be reviewed and updated annually for the purpose of determining the annual budget for the Authorized Improvements. This document is the annual update of the Service and Assessment Plan for 2024-25 (the "Annual Service Plan Update").

The City also adopted an assessment roll for the PID attached as Appendix G to the Service and Assessment Plan (the "Assessment Roll") identifying the Assessments on each Parcel of Assessed Property, based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Roll for 2024-25.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the "PID Assessment Notice") as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix D and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID us located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchase before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without

the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID Act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Service and Assessment Plan unless otherwise defined herein.

1 - According to the Service and Assessment Plan dated February 14, 2023.
2 - According to the Harper Estates Requisition #7 as approved by the City on June 6, 2024. Budget increases were funded by interest and dividend earnings in the Project Fund.

Authorized Improvement Cost Variances

As shown in Table II-A on the previous page, there are no significant variances between the initial estimated budget and the updated budget to be reported at this time.

B. Five-Year Service Plan

All of the Authorized Improvements are expected to be built within a period of five years. The actual costs of the Authorized Improvements are shown in Section II.A of this report and the Annual Installments expected to be collected for these costs are shown in Table II-B below.

C. Status of Development

The Authorized Improvements have been completed according to the City's acceptance letter dated April 17, 2024. A final plat was recorded in the Collin County records on June 27, 2024.

According to the City, no certificates of occupancy have been issued for homes within the PID as of June 1, 2024.

D. Annual Budget

Annual Installments

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the PID Bonds, of which twenty-eight (28) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the PID Bonds commencing with the issuance of the PID Bonds. The effective interest rate on the PID Bonds is 6.75 percent for 2024-25. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the PID Bonds (6.75 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro-rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that is payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and applicable Trust Indenture, such capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the PID Bonds from the collection of the Annual Installments of the Assessments on the Assessed Property. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Service and Assessment plan and applicable Trust Indenture.

Annual Installments to be Collected for 2024-25

The budget for the PID will be paid from the collection of Annual Installments of the Assessments on the Assessed Property collected for 2024-25 as shown by Table II-C on the following page.

Annual Installments	**$631,979**

Debt Service Payments

Annual Installments to be collected for principal and interest on the PID Bonds include interest due on March 1, 2025, in the amount of $243,878 and September 1, 2025, in the amount of $243,878, which equal interest on the outstanding PID Bonds of $7,226,000 for six months each and an effective interest rate of 6.75 percent. Annual Installments to be collected on the PID Bonds include a principal amount of $96,000 due on September 1, 2025. As a result, the total principal and interest amounts due on the PID Bonds in 2024-25 are estimated to be equal to $583,755.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, dissemination agent expenses and contingency fees. As shown in Table II-D below, the total administrative expenses to be collected for 2024-25 are estimated to be $46,818.

Table II-D
Administrative Budget Breakdown

Description	2024-25 Estimated Budget
City	$6,000
Administrator	$33,000
Trustee	$3,750
Auditor	$2,000
Contingency	$2,068
Total	**$46,818**

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments are to be collected for excess interest for prepayment and delinquency reserves in the amount of $36,130, which equals 0.5 percent interest on the outstanding PID Bond balance of $7,226,000.

Available Reserve Fund Income

As of May 31, 2024, the balance in the Reserve Fund was $618,646, which includes the Bond Reserve Requirement of $583,923 and investment income of $34,724. Pursuant to Section 6.7(e) of the Phase #1 Bond Trust Indenture the excess balance of $34,724 should be transferred to the Phase #1 Principal & Interest Account and used to pay interest on the Phase #1 Bonds on the next interest payment date. As a result, $34,724 is available to pay a portion of the Phase #1 Bonds debt service.

Available Capitalized Interest Account

The balance deposited in the Capitalized Interest Account is anticipated to be fully expended after September 1, 2024. As a result, there is no credit to reduce the Annual Installment for 2024-25.

Available Administrative Expense Account

As of May 31, 2024, the available balance for administrative expenses was $76,305. Approximately $76,305 is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, there are no funds available in the Administrative Expense Fund to reduce the PID Bonds 2024-25 Annual Installment.

E. Annual Installments Per Unit

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the PID Bonds, (ii) to fund the Additional Interest Reserve, and (iii) to cover Administrative Expenses of the PID.

According to the Developer, 76 units are anticipated to be built within the PID. Accordingly, the principal and interest portion of Annual Installment to be collected from each unit will be $7,699.49, ($583,755 + $36,130 - $34,724) ÷ 76 = $7,699.49). The Administrative Expenses to be collected from each unit will be $616.03 (i.e. $46,818 ÷ 76 = $616.03). As a result, the total Annual Installment to be collected from each unit within the PID will be $8,315.52 (i.e. $616.03 + $7,699.49 = $8,315.52). The Annual Installment to be collected from each Parcel within the PID is calculated by multiplying the Annual Installment for each unit of $8,315.52 by the total estimated units for each Parcel in the PID.

The Annual Installment due to be collected from each Land Use Class in the PID for 2024-25 is shown in Table II-E on the following page.

Table II-E
Annual Installment Per Unit

Land Use Class	Annual Installment Per Unit
100 Ft Lots	$8,315.52

The list of Parcels within the PID, the number of units to be developed on the current residential Parcels, the corresponding total units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix C.

F. Bond Redemption Related Updates

The PID Bonds were issued in February 2023. Pursuant to Section 4.3 of the Indenture of Trust, the City reserves the right and option to redeem the PID Bonds before their respective scheduled maturity dates, in whole or in part, on date on or after **September 1, 2033**, at the Redemption Price as defined in the Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the PID Bonds do not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

(The remainder of this page is intentionally left blank.)

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council describes that the Authorized Improvement costs shall be allocated to the Assessed Property equally based on the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement Costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property, as updated in prior Annual Service Plan Updates, has not been changed and Assessed Property will continue to be assessed as provided for in the Service and Assessment Plan.

(The remainder of this page is intentionally left blank.)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Roll shall be updated each year to reflect:

(i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan and in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.E of the Service and Assessment Plan.

The 2024-25 Assessment Roll Summary is shown in Appendix C of this report. Each Parcel of in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Assessment for the Parcel prior to the subdivision shall be reallocated among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for each new subdivided Parcel.
B = the Assessment for the Parcel prior to subdivision.
C = the estimated total units to be built on each new subdivided Parcel
D = the sum of the estimated total units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

The developer has confirmed there have been no parcel subdivisions in the PID applicable for the Annual Installments to be collected in 2024-25.

B. PREPAYMENT OF ASSESSMENTS

As of June 30, 2024, there have been no prepayments of Assessments.

The complete Assessment Roll is available for review at the City Hall, located at 142 N Ohio, Celina, Texas 75009.

NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT ASSESSMENT TO CITY OF CELINA, TEXAS
CONCERNING THE FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the Harper Estates Public Improvement District (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City or MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

WHEREAS, on August 9, 2022, the City Council of the City of Celina, Texas (the "City") approved Resolution No. 2022-39R establishing the Harper Estates Public Improvement District (the "PID") in accordance with the provisions of Chapter 372 of the Texas Local Government Code (the "Public Improvement District Assessment Act" or "the PID Act"); and

WHEREAS, the City has heretofore levied assessments against property within the PID, pursuant to Ordinance No. 2023-11 which ordinance also approved the Harper Estates Public Improvement District Service and Assessment Plan and Assessment Roll, dated as of February 14, 2023 (the "Service and Assessment Plan and Assessment Roll"); and

WHEREAS, the Service and Assessment Plan and Assessment Roll is required to be reviewed and updated annually as described in Sections 372.013 and 372.014 of the PID Act (the "Annual Service Plan Update"); and

WHEREAS, the Annual Service Plan Update, attached hereto as Exhibit A, including the Assessment Roll attached thereto, update the Service and Assessment Plan and Assessment Roll to reflect prepayments, property divisions and changes to the budget allocation for the PID that occur during the year, if any; and

WHEREAS, the City Council desires and finds it to be in the public interest to adopt this Ordinance approving and adopting the Annual Service Plan Update and the updated Assessment Roll attached thereto, in compliance with the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1. All matters stated in the preamble are found to be true and correct and are incorporated herein as if copied in their entirety.

SECTION 2. The Harper Estates Public Improvement District Annual Service Plan Update, attached hereto as Exhibit A and incorporated herein by reference, inclusive of the updated Assessment Roll contained therein and made a part thereof, are hereby accepted and approved.

SECTION 3. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION 4. Should any sentence, paragraph, subdivision, clause, phrase or section of this Ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this Ordinance as a whole, or any part or provision thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of the Ordinance as a whole.

SECTION 5. This Ordinance shall take effect immediately after its passage and the publication of the caption, as the law and charter in such case provide. The City Secretary shall cause this Ordinance to be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

APPENDIX D – PID ASSESSMENT NOTICE

I. INTRODUCTION

The Hillside Village Public Improvement District (the "PID") was created pursuant to the PID Act and Resolution No. 2021-106R of the City Council on November 9, 2021, to finance certain public improvement projects for the benefit of the property in the PID.

On December 14, 2021, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2022 (Hillside Village Public Improvement District Project) (the "PID Bonds") in the aggregate principal amount of $8,300,000 were issued to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID.

A service and assessment plan dated December 14, 2021 (the "Service and Assessment Plan") was prepared at the direction of the City identifying the public improvements (the "Authorized Improvements") to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to Chapter 372 of the Texas Local Government Code, as amended (the "PID Act"), the Service and Assessment Plan must be reviewed and updated annually for the purpose of determining the annual budget for the Authorized Improvements. This document is the annual update of the Service and Assessment Plan for 2024-25 (the "Annual Service Plan Update").

The City also adopted an assessment roll for the PID attached as Appendix G to the Service and Assessment Plan (the "Assessment Roll") identifying the Assessments on each Parcel of Assessed Property, based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Roll for 2024-25.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the "PID Assessment Notice") as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix D and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID us located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchaser before the execution of a binding contract of purchase and sale, either separately or as an addendum or

paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller providing the required notice, the purchaser, subject to certain exceptions described in the PID Act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Service and Assessment Plan unless otherwise defined herein.

(The remainder of this page is intentionally left blank.)

II. UPDATE OF THE SERVICE PLAN

A. UPDATED SOURCES AND USES FOR PUBLIC IMPROVEMENTS

Pursuant to the original Service and Assessment Plan adopted on December 14, 2021, the initial total estimated costs of the Authorized Improvements were equal to $8,095,011. According to requisition #6 approved by the City on May 20, 2024, the actual costs of the Authorized Improvements are equal to $8,408,691.

Table II-A below summarizes the updated sources and uses of funds required to (1) construct the Authorized Improvements, (2) establish the PID, and (3) issue the PID Bonds.

2- According to requisition #6 approved by the City on May 20, 2024.

Authorized Improvement Cost Variances

The increase in Authorized Improvement Costs shown in Table II-A on the previous page was funded by investment earnings in the Project Fund.

B. Five Year Service Plan

For additional PID development and improvement related information, refer to the link provided in Section II.A. of this report.

All of the Authorized Improvements are expected to be built within a period of five years. The anticipated budget for the Authorized Improvements over a period of five years and the Annual Installments expected to be collected for these costs are shown by Table II-B below.

Table II-B
Projected Annual Installments (2022-2030)

1 - Assessment years ending 2022-2025 reflect actual Annual Installments and are net of applicable reserve fund income and capitalized interest credits. Assessment years 2026 through 2030 reflect projected Annual Installments and are subject to change.

C. Status of Development

According to the original Service and Assessment Plan dated December 14, 2021, there are 269 units expected to be built within the PID. As of June 1, 2024, there have been no subdivisions of the parent parcels according to the Collin Central Appraisal District. As a result, there have been no completed homes within the PID as of June 1, 2024.

D. Annual Budget

Annual Installments

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty (30) Annual Installments of principal and interest beginning with the tax year following the issuance of the PID Bonds and/or execution of the PID Reimbursement Agreement Obligation, of which twenty-eight (28) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment securing the PID Bonds shall bear interest at the rate on the PID Bonds. The effective interest rate on the PID Bonds is 3.60 percent. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate (3.60 percent) on the PID Bonds plus an additional interest of one-half of one percent is used to calculate the interest on the Assessments securing the PID Bonds. These payments, the "Annual Installments" of the Assessments shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installments due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installments on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installments shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the PID Bonds from the collection of the Annual Installments of the Assessments on the Assessed Property. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the additional interest reserve amounts as described in the Service and Assessment Plan and applicable Trust Indenture.

Annual Installments to be Collected for 2024-25

The budget for the PID will be paid from the collection of Annual Installments of the Assessments on the Assessed Property collected for 2024-25 as shown by Table II-C on the following page.

(The remainder of this page is intentionally left blank.)

Subtotal Expenses	*$538,561*
Available Reserve Fund Income	($19,261)
Available Capitalized Interest Funds	$0
Available Administrative Expense Funds	$0
Subtotal funds available	*($19,261)*
Annual Installments	**$519,301**

Debt Service Payments

Annual Installments to be collected for principal and interest on the PID Bonds include interest due on March 1, 2025, in the amount of $143,343 and September 1, 2025, in the amount of $143,343, which equal interest on the outstanding PID Bonds of $7,965,000 for six months each and an effective interest rate of 3.60 percent. Annual Installments to be collected on the PID Bonds include a principal amount of $175,000 due on September 1, 2025. As a result, the total principal and interest amounts due on the PID Bonds in 2024-25 are estimated to be equal to $461,686.

Administrative Expenses

Administrative expenses include the City, Administrator, Trustee, auditor, dissemination agent expenses and contingency fees. As shown in Table II-D on the following page, the total administrative expenses to be collected for 2024-25 are estimated to be $37,050.

(The remainder of this page is intentionally left blank.)

Table II-D
Administrative Budget Breakdown

Description	2024-25 Estimated Budget
City	$6,000
Administrator	$22,600
Trustee	$2,750
Auditor	$2,000
Dissemination Agent	$3,500
Contingency	$200
Total	**$37,050**

Excess Interest for Additional interest Reserve

Annual Installments to be collected for excess interest for additional interest reserves in the amount of $39,825, which equals 0.5 percent interest on the outstanding PID Bond balance of $7,965,000.

Available Reserve Fund Income

As of May 31, 2024, the balance in the Reserve Fund was $493,501, which includes the Bond Reserve Requirement of $474,240 and excess balance of $19,261. Pursuant to Section 6.7 (e) of the Trust Indenture, the excess balance of $19,261 should be transferred to the Principal & Interest Account and used to pay interest on the PID Bonds on the next interest payment date. As a result, $19,261 is available to pay a portion of the PID Bonds debt service.

Available Capitalized Interest Account

According to the Trustee, the available balance in the Capitalized Interest Fund had been fully expended as of May 31, 2024. As a result, there is no credit to reduce the Annual Installment.

Available Administrative Expense Account

As of May 31, 2024, the balance in the Administrative Expense Fund was $42,032. Such funds are anticipated to be used until January 31, 2025. As a result, there is no credit to reduce the 2024-25 Annual Installments.

(The remainder of this page is intentionally left blank.)

E. Annual Installments Per Unit

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the PID Bonds, (ii) to fund the Prepayment Reserve and Delinquency Reserve, and (iii) to cover Administrative Expenses of the PID.

According to the Developer, 289 units are anticipated to be built within the PID representing 239.17 outstanding Equivalent Units. The principal and interest portion of Annual Installments to be collected from each unit will be calculated by taking the subtotal debt service on PID Bonds, including excess interest for additional interest, less any available reserve fund income, divided by the total outstanding Equivalent Units. Accordingly, the net principal and interest portion of Annual Installments to be collected from each Equivalent Unit will be $2,016.38 (i.e. ($461,686 + $39,825 – $19,261) ÷ 239.17 = $2,016.38). The Administrative Expenses to be collected from each Equivalent Unit will be $154.91 (i.e., $37,050 ÷ 239.17 = $154.91). As a result, the total Annual Installments to be collected from each unit within the PID will be $2,171.29 (i.e., $2,016.38 + $154.91 = $2,171.29). The Annual Installments to be collected from each Parcel within the PID is calculated by multiplying the Annual Installments for each unit of $2,171.29 by the total estimated Equivalent Units for each Parcel in the PID as shown in Appendix C.

The Annual Installments due to be collected from each Land Use Class in the PID for 2024-25 are shown in Table II-E below.

Table II-E
Annual Installments Per Unit

Land Use Class	Annual Installments Per Equivalent Unit[1]	Equivalent Unit Factor	Annual Installments
60 Ft Lot	$2,171.29	1.00	$2,171.29
50 Ft Lot	$2,171.29	0.83	$1,802.17
40 Ft Lot	$2,171.29	0.67	$1,454.77

1 - Based on the current outstanding Equivalent Units.

The list of Parcels within the PID, the number of units to be developed on the current residential Parcels, the corresponding Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installments to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix C.

F. Bond Redemption Related Updates

The PID Bonds were issued in January 2022. Pursuant to Section 4.3 of the Indenture of Trust, the City reserves the right and option to redeem the PID Bonds maturing on or after September 1, 2032, before their respective scheduled maturity date, in whole or in part, on any date on or after **September 1, 2031**, such redemption at the Redemption Prices and dates shown in the Indenture of Trust.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the PID Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

(The remainder of this page is intentionally left blank.)

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council describes that the Authorized Improvement costs shall be allocated to the Assessed Property equally based on the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement Costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property has not been changed and Assessed Property will continue to be assessed as provided for in the Service and Assessment Plan.

(The remainder of this page is intentionally left blank.)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Roll shall be updated each year to reflect:

(i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installments for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.E of the Service and Assessment Plan.

The 2024-25 Assessment Roll Summary is shown in Appendix C of this report. Each Parcel of in the PID is identified, along with the Assessment on each Parcel and the Annual Installments to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

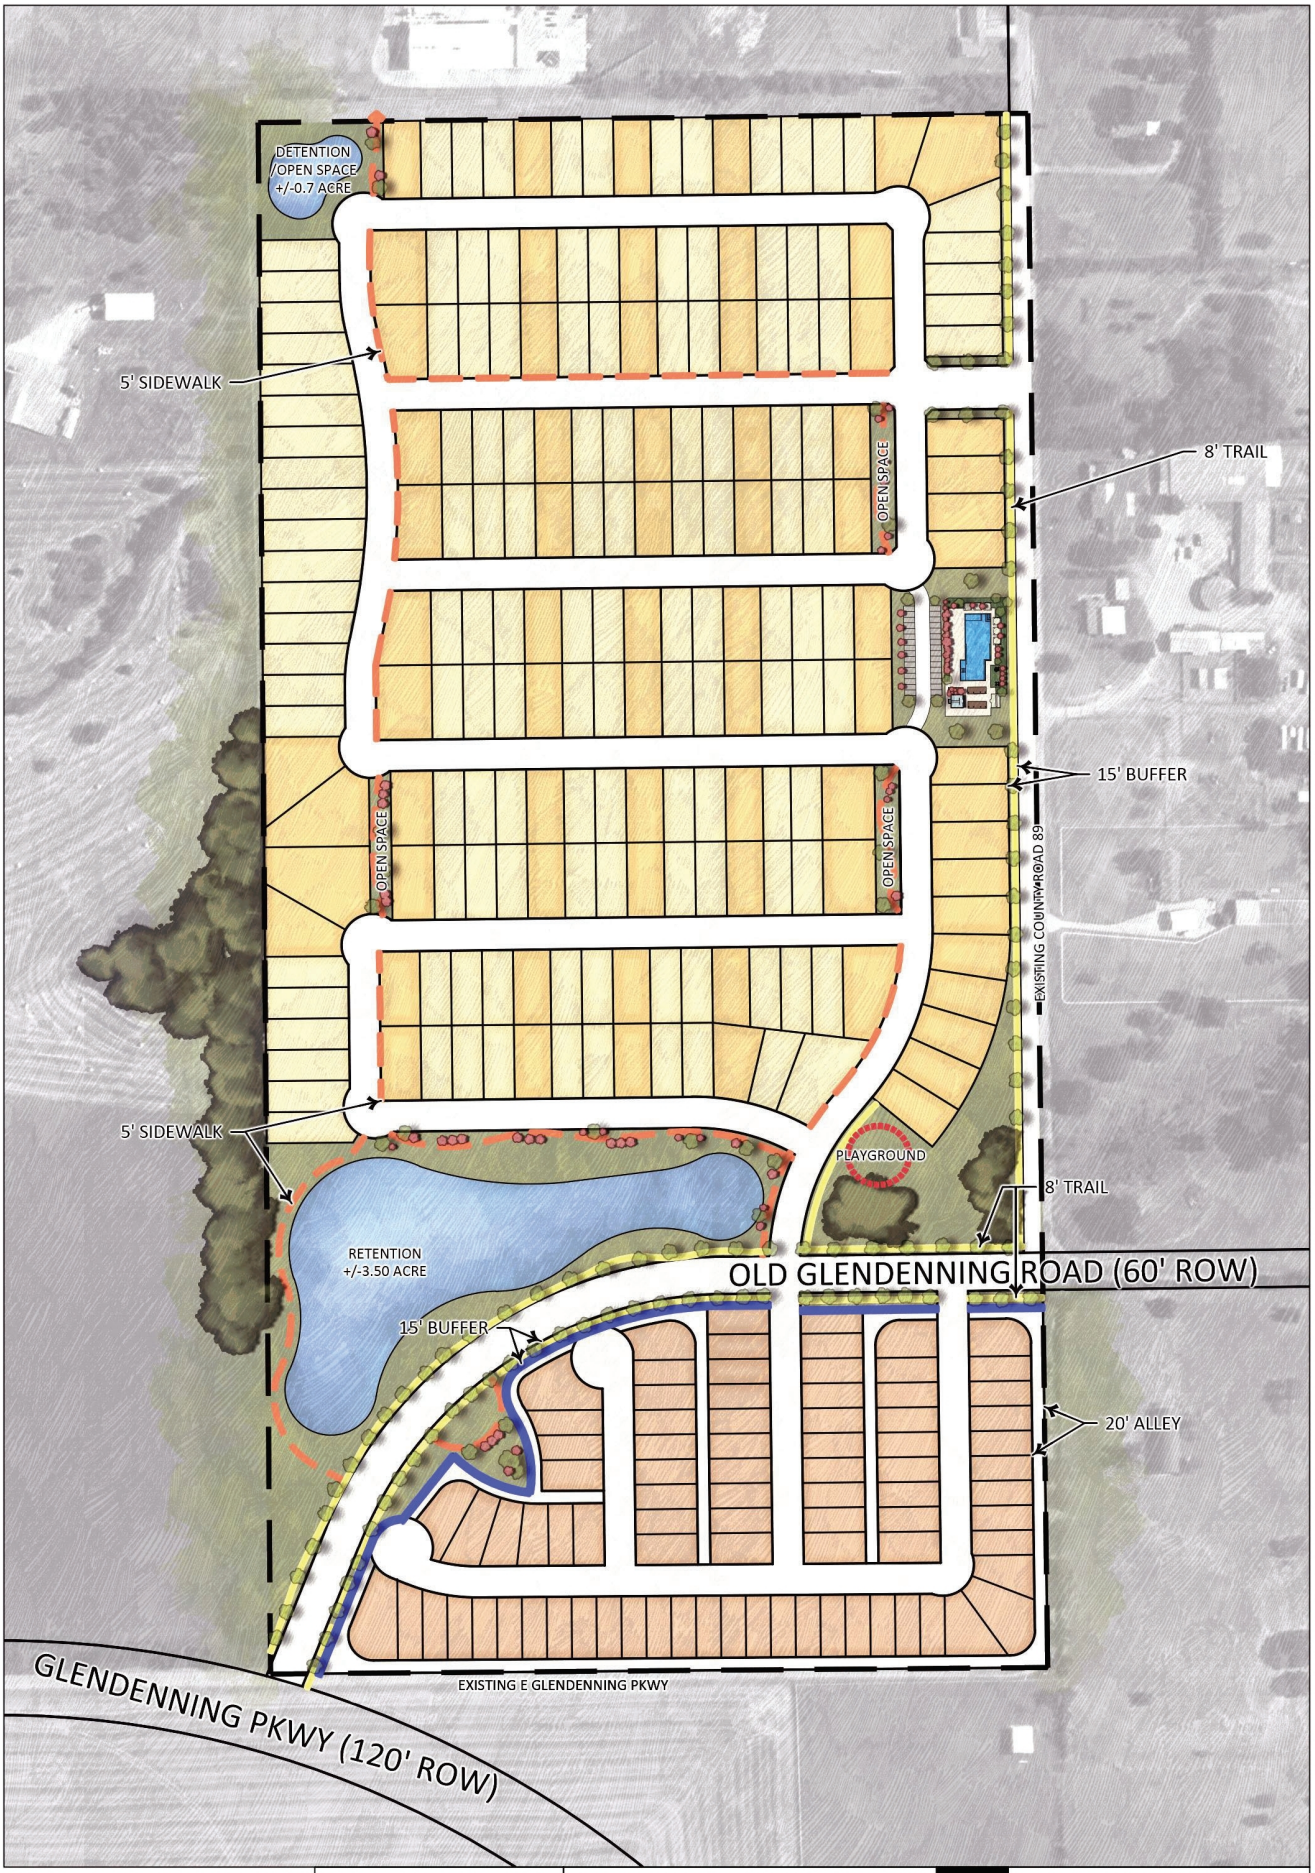
$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for each new subdivided Parcel.
B = the Assessment for the Parcel prior to subdivision.
C = the estimated Equivalent Units to be built on each newly subdivided Parcel
D = the sum of the estimated Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

According to the Developer and Collin Central Appraisal District records, Parcel 2713587 consists of all 71.336 acres, 289 estimated units, and 239.17 estimated Equivalent Units of the PID.



B. PREPAYMENT OF ASSESSMENTS

There have been no Assessment prepayments as of June 30, 2024.

The complete Assessment Roll is available for review at the City Hall, located at 142 N Ohio, Celina, Texas 75009.

NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT ASSESSMENT TO CITY OF CELINA, TEXAS
CONCERNING THE FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the Hillside Village Public Improvement District (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City or MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

AN ORDINANCE OF THE CITY OF CELINA APPROVING THE ANNUAL UPDATE OF THE SERVICE AND ASSESSMENT PLAN AND ASSESSMENT ROLL FOR THE HILLSIDE VILLAGE PUBLIC IMPROVEMENT DISTRICT IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE §372.013, AS AMENDED; CONTAINING A CUMMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, on November 9, 2021, the City Council of the City of Celina, Texas (the "City") approved Resolution No. 2021-106R establishing the Hillside Village Public Improvement District (the "PID") in accordance with the provisions of Chapter 372 of the Texas Local Government Code (the "Public Improvement District Assessment Act" or "the PID Act"); and

WHEREAS, the City has heretofore levied assessments against property within the PID, pursuant to Ordinance No. 2021-114 which ordinance also approved the Hillside Village Public Improvement District Service and Assessment Plan and Assessment Roll, dated as of December 14, 2021 (the "Service and Assessment Plan and Assessment Roll"); and

WHEREAS, the Service and Assessment Plan and Assessment Roll is required to be reviewed and updated annually as described in Sections 372.013 and 372.014 of the PID Act (the "Annual Service Plan Update"); and

WHEREAS, the Annual Service Plan Update, attached hereto as Exhibit A, including the Assessment Roll attached thereto, update the Service and Assessment Plan and Assessment Roll to reflect prepayments, property divisions and changes to the budget allocation for the PID that occur during the year, if any; and

WHEREAS, the City Council desires and finds it to be in the public interest to adopt this Ordinance approving and adopting the Annual Service Plan Update and the updated Assessment Roll attached thereto, in compliance with the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1. All matters stated in the preamble are found to be true and correct and are incorporated herein as if copied in their entirety.

SECTION 2. The Hillside Village Public Improvement District Annual Service Plan Update, attached hereto as Exhibit A and incorporated herein by reference, inclusive of the updated Assessment Roll contained therein and made a part thereof, are hereby accepted and approved.

SECTION 3. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided,

however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION 4. Should any sentence, paragraph, subdivision, clause, phrase or section of this Ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this Ordinance as a whole, or any part or provision thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of the Ordinance as a whole.

SECTION 5. This Ordinance shall take effect immediately after its passage and the publication of the caption, as the law and charter in such case provide. The City Secretary shall cause this Ordinance to be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

I. INTRODUCTION

The Lakes at Mustang Ranch (the "PID") was created pursuant to the PID Act and a resolution of the City Council on March 10, 2008 to finance certain public improvement projects for the benefit of the property in the PID.

On January 13, 2015, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2015 (Lakes at Mustang Ranch Public Improvement District Phase #1 Project) (the "Phase #1 Bonds") in the aggregate principal amount of $9,000,000. The Phase #1 Bonds were issued to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID. On August 11, 2020, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2020 (Lakes at Mustang Ranch Public Improvement District Phase #1 Project) (the "Phase #1 Refunding Bonds") in the aggregate principal amount of $7,750,000. The Phase #1 Refunding Bonds were issued to refinance the Phase #1 Bonds.

On January 13, 2015, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2015 (Lakes at Mustang Ranch Public Improvement District Phases #2-9 Project) (the "Phases #2-9 Bonds") in the aggregate principal amount of $13,150,000, The Phases #2-9 Bonds were issued to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID. In addition, reimbursement obligations for the Phases #2-9 Reimbursement Agreement in the aggregate principal amount of $5,000,000 are secured by Assessments (the "Assessments").

A service and assessment plan (the "Service and Assessment Plan") was prepared at the direction of the City identifying the public improvements (the "Authorized Improvements") to be provided through the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. The Service and Assessment Plan was updated for Phase #2 on December 13, 2016 to incorporate reimbursement obligations for the Phase #2 in the aggregate principal amount of $5,300,000 (the "Phase #2 Reimbursement Agreement") to finance the Phase #2 Improvements, updated for Phase #3 on December 10, 2019 to incorporate reimbursement obligations for the Phase #3 in the aggregate principal amount of $3,700,000 (the "Phase #3 Reimbursement Agreement") to finance the Phase #3 Improvements, updated for Phase #4 on July 14, 2020 to incorporate reimbursement obligations for the Phase #4 in the aggregate principal amount of $167,000 (the "Phase #4 Reimbursement Agreement") to finance the Phase #4 Improvements, updated for Phase #5 on June 8, 2021 to incorporate reimbursement obligations for the Phase #5 in the aggregate principal amount of $2,510,000 (the "Phase #5 Reimbursement Agreement") to finance the Phase #5 Improvements, updated for Phase #6 on June 14, 2022 to incorporate reimbursement obligations for the Phase #6 in the aggregate principal amount of $5,967,861 (the "Phase #6 Reimbursement Agreement") to finance the Phase #6 Improvements, and updated for Phase #7 on February 14, 2023 to incorporate reimbursement obligations for the Phase #7 in the aggregate principal amount of $7,920,908 (the "Phase #7 Reimbursement

Agreement") to finance the Phase #7 Improvements (the "Amended and Restated Service and Assessment Plan").

Pursuant to the PID Act, the Amended and Restated Service and Assessment Plan must be reviewed and updated annually for the purpose of determining the annual budget for the Authorized Improvements. This document is the annual update of the Amended and Restated Service and Assessment Plan for 2024-25 (the "Annual Service Plan Update").

The City also adopted an assessment roll for Phase #1 of the PID (the "Phase #1 Assessment Roll") identifying the Assessments on each Parcel of Phase #1 Assessed Property and assessment rolls for Phase #2 (the "Phase #2 Assessment Roll"), Phase #3 (the "Phase #3 Assessment Roll"), Phase #4 (the "Phase #4 Assessment Roll"), Phase #4 (the "Phase #4 Assessment Roll"), Phase #5 (the "Phase #5 Assessment Roll"), Phase #6 (the "Phase #6 Assessment Roll"), and Phase #7 (the "Phase #7 Assessment Roll") based on the method of assessment identified in the Amended and Restated Service and Assessment Plan. This Annual Service Plan Update also updates the Phase #1 Assessment Roll, the Phases #2-9 Assessment Roll, the Phase #2 Assessment Roll, the Phase #3 Assessment Roll, the Phase #4 Assessment Roll, the Phase #5 Assessment Roll, the Phase #6 Assessment Roll, and the Phase #7 Assessment Roll for 2024-25.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the "PID Assessment Notice") as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix L and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID us located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchaser before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms not defined herein shall have the meanings assigned to such terms in the Amended and Restated Service and Assessment Plan.

1 – Assessment years ending 2015 through 2025 reflect actual Annual Installments and are net of applicable reserve fund income, CCMI credits, administrative expense credits and capitalized interest. Assessment years 2026 through 2030 reflect projected Annual Installments and are subject to change.

C. Annual Budget – Phase #1

Phase #1 - Annual Installments

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Phase #1 Bonds of which sixteen (16) Annual Installments remain outstanding.

Pursuant to the Amended and Restated Service and Assessment Plan, each Assessment shall bear interest at the rate on the Phase #1 Refunding Bonds commencing with the issuance of the Phase #1 Refunding Bonds. The effective interest rate on the Phase #1 Refunding Bonds is 3.18 percent for 2024-25. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phase #1 Refunding Bonds (3.18 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Amended and Restated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel

bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Amended and Restated Service and Assessment Plan and applicable Trust Indenture, such capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phase #1 Refunding Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the additional interest reserve amounts as described in the Amended and Restated Service and Assessment Plan and applicable Trust Indenture.

Phase #1 Annual Installments to be collected for 2024-25

The budget for Phase #1 of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown by Table II-C-1 below.

Table II-C-1
Budget for the Phase #1 Annual Installments
to be Collected for 2024-25

	Phase #1 Refunding Bonds
Interest payment on March 1, 2025	$104,251
Interest payment on September 1, 2025	$104,251
Principal payment on September 1, 2025	$305,000
Subtotal debt service on bonds	*$513,502*
Excess Interest for Additional Interest Reserves	$32,822
Administrative Expenses	$37,454
Subtotal Expenses	*$583,779*
Available Reserve Fund Income	$0
Available Administrative Expense Account	$0
Available Capitalized Interest	$0
Subtotal funds available	*$0*
Annual Installments	**$583,779**

Debt Service Payments

Annual Installments to be collected for principal and interest on the Phase #1 Refunding Bonds include interest due on March 1, 2025 in the amount of $104,251 and on September 1, 2025 in the amount of $104,251, which equal interest on the outstanding Phase #1 Refunding Bonds'

Assessment balance of $6,564,482 for six months each at an effective interest rate of 3.18 percent. Annual Installments to be collected include a principal amount of $305,000 due on September 1, 2025. As a result, total Annual Installment to be collected for principal and interest for the Phase #1 Refunding Bonds in 2024-25 is equal to $513,502.

Administrative Expenses

Administrative expenses include the City, Administrator, Trustee, auditor, and contingency fees. As shown in Table II-C-2 below, the total administrative expenses to be collected for 2024-25 are estimated to be $37,454.

Table II-C-2
Administrative Budget Breakdown

Description	2024-25 Estimated Budget
City	$6,000
Administrator	$25,200
Trustee	$2,750
Auditor	$2,000
Contingency	$1,504
Total	**$37,454**

Excess Interest for Additional Interest Reserve

Annual Installments to be collected for excess interest for additional interest reserves in the amount of $32,822, which equals 0.5 percent interest on the outstanding Phase #1 Assessments balance of $6,564,482.

Available Reserve Fund Income

As of May 31, 2024, the balance in the Phase #1 Reserve Fund was $144,419, which includes a portion of the Bond Reserve Requirement in the amount of $134,259 and investment income of $10,159. As a result, there is not a significant excess balance to give a credit to reduce the Phase #1 2024-25 Annual Installment.

Available Administrative Expense Account

As of May 31, 2024, the balance in the Phase #1 Administrative Expense Fund was $33,769. The balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, there are no funds available in the Phase #1 Administrative Expense Fund to reduce the Phase #1 2024-25 Annual Installment.

Available Capitalized Interest Account

As of May 31, 2024, the Trustee reported that the Capitalized Interest Fund has been fully expended. As a result, there is no credit to reduce the Phase #1 2024-25 Annual Installment.

D. ANNUAL INSTALLMENTS PER UNIT - PHASE #1

According to the Amended and Restated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #1 Refunding Bonds, to fund the Additional Interest Reserve described in the Amended and Restated Service and Assessment Plan, and to cover Administrative Expenses of Phase #1.

According to the Amended and Restated Service and Assessment Plan, 335 units representing 210.80 total Equivalent Units were built within Phase #1 of the PID. As of June 30, 2024, six units have prepaid their Assessment in full resulting in 4.19 Equivalent Units being paid off. As a result, 329 units representing 206.61 total Equivalent Units will be billed for the 2024-25 Annual Installment. Accordingly, the principal and interest portion of the Annual Installment to be collected from each Equivalent Unit will be $2,644.23 (i.e., ($513,502 + $32,822) ÷ 206.61 = $2,644.23). The Administrative Expenses to be collected from each Equivalent Unit will be $181.28 (i.e., $37,454 ÷ 206.61 = $181.28). As a result, the total Annual Installment to be collected from each Equivalent Unit within Phase #1 will be $2,825.51 (i.e., $2,644.23 + $181.28 = $2,825.51). The Annual Installment to be collected from each Parcel within Phase #1 is calculated by multiplying the Annual Installment for each Equivalent Unit of $2,825.51 by the total estimated Equivalent Units for each Parcel in Phase #1.

The Annual Installment due to be collected from each Land Use Class in Phase #1 for 2024-25 is shown in Table II-D-1 below.

Table II-D-1
Annual Installment Per Unit – Phase #1

Land Use Class	Annual Installment Per Equivalent Unit	Equivalent Unit Factor	Annual Installment
Lot Type 1 (One-acre Lot)	$2,825.51	1.00	$2,825.51
Lot Type 3 (86 Ft Lot)	$2,825.51	0.83	$2,345.18
Lot Type 4 (74 Ft Lot)	$2,825.51	0.72	$2,034.37
Lot Type 5 (60 Ft Lot)	$2,825.51	0.58	$1,638.80
Lot Type 6 (50 Ft Lot)	$2,825.51	0.48	$1,356.25

The list of Parcels within Phase #1 of the PID, the corresponding lot types of the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix C.

E. ANNUAL BUDGET – PHASES #2-9

Phases #2-9 - Annual Installments

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Bonds and/or execution of the Phases #2-9 Reimbursement Agreement, of which sixteen (16) remain outstanding.

Pursuant to the Amended and Restated Service and Assessment Plan, each Assessment bears interest at the rate on the Phases #2-9 Bonds plus 0.5 percent as described below commencing with the issuance of the Phases #2-9 Bonds. The effective interest rate on the Phases #2-9 Bonds is 6.18 percent and the effective interest rate applicable to the Phases #2-9 Reimbursement Agreement is 6.43 percent per annum for 2024-25. Pursuant to Section 372.018 of the PID Act, the interest rate for the portion of the Assessment related to the Phases #2-9 Bonds may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phases #2-9 Bonds (6.18 percent) plus an additional interest of one-half of one percent (0.5 percent) are used to calculate the interest on the Assessments levied on the Assessed Property within Phases #2-9 for the Major Improvements. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Amended and Restated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under an applicable Bond Ordinance, such as capitalized interest, interest earnings on any account balances, the City Contributed Grant Amount and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phases #2-9 Bonds and Phases #2-9 Reimbursement Agreement from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment reserve and delinquency reserve amounts as described in the Amended and Restated Service and Assessment Plan and applicable Trust Indenture.

Phases #2-9 Major Improvement Annual Installments to be collected for 2024-25

The budget for Phases #2-9 of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown by Table II-E-1 on the following page.

Table II-E-1
Budget for the Phases #2-9 Major Improvement Annual Installments to be Collected for 2024-25

Debt Service Payments

Annual Installments to be collected for principal and interest on the Phases #2-9 Bonds include interest due on March 1, 2025 in the amount of $298,124 and on September 1, 2025 in the amount of $298,124, which equal interest on the outstanding Phases #2-9 Bond Assessment balance of $9,643,672 for six months each at an effective interest rate of 6.18 percent. Annual Installments to be collected include a principal amount of $365,000 due on September 1, 2025. As a result, the total Annual Installment to be collected for principal and interest for the Phases #2-9 Bonds in 2024-25 is equal to $961,247.

Annual Installments to be collected for principal and interest on the Phases #2-9 Reimbursement Agreement include interest due on March 1, 2025 in the amount of $86,757 and September 1, 2025 in the amount of $86,757, which equal interest on the outstanding Assessments balance of $2,698,512 for six months each at an effective interest rate of 6.43 percent. Annual Installments to be collected include a principal amount of $89,000 due on September 1, 2025. The total Annual Installment to be collected for principal and interest for the Phases #2-9 Reimbursement Agreement in 2024-25 is equal to $262,514.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, auditor, and contingency fees. As shown in Table II-E-2 on the following page, the total administrative expenses to be collected for 2024-25 are estimated to be $38,102.

Table II-E-2
Administrative Budget Breakdown

Description	2024-25 Estimated Budget
City	$6,000
Administrator	$25,500
Trustee	$3,300
Auditor	$2,000
Contingency	$1,302
Total	**$38,102**

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of $48,218, which equals 0.5 percent interest on the outstanding Phases #2-9 Bond Assessments balance of $9,643,672.

Available Reserve Fund Income

As of May 31, 2024, the balance in the Phases #2-9 Reserve Fund was $1,057,367, which includes the Bond Reserve Requirement of $1,008,736 and an excess balance of $48,631. Pursuant to Section 6.7(d) of the Phases #2-9 Bond Trust Indenture the excess balance of $48,631 should be transferred to the Phases #2-9 Major Improvement Principal & Interest Account and used to pay interest on the Phases #2-9 Bonds on the next interest payment date. As a result, $48,631 is available to reduce the Phases #2-9 2024-25 Annual Installment.

Available Administrative Expense Account

As of May 31, 2024, the balance in the Phases #2-9 Administrative Expense Fund was $35,228. The balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, funds are not anticipated to be available in the Phases #2-9 Administrative Expense Fund to reduce the Phases #2-9 2024-25 Annual Installment.

Available Capitalized Interest Account

As of May 31, 2024, the Trustee reported that the Capitalized Interest Fund been fully expended. As a result, there is no credit to reduce the Phases #2-9 2024-25 Annual Installment.

F. ANNUAL INSTALLMENT PER UNIT - PHASES #2-9

According to the Amended and Restated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phases #2-9 Bonds and Phases #2-9 Reimbursement Agreement, to fund the Prepayment Reserve and Delinquency

Reserve described in the Amended and Restated Service and Assessment Plan, and to cover Administrative Expenses of Phases #2-9.

According to the Amended & Restated Service and Assessment Plan, the Phases #2-5 portion of the Phases #2-9 Major Improvement Assessment are allocated using the 2021 revised Equivalent Units and the Phases #6-9 portion of the Phases #2-9 Major Improvement Assessment are allocated using the 2022 revised equivalent units. See Appendix D-1 of this report for a breakdown of the 2024-25 budget and allocated assessment as of September 1, 2024.

The Annual Installment to be collected from each Parcel within Phases #2-9 is calculated by multiplying the Annual Installment for each Equivalent Unit by the total estimated Equivalent Units for each Parcel in Phases #2-9. See Appendix D-2 of this report for the Annual Installment per equivalent Unit and the Annual Installment to be collected from each Land Use Class in Phases #2-9 for 2024-25.

The list of Parcels within Phases #2-9 of the PID, the corresponding lot types of the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix D-3.

G. Annual Budget – Phase #2

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in twenty-six Annual Installments of principal and interest beginning with the tax year following the recording of the Phase #2 plat of which twenty (20) Annual Installments remain outstanding.

Each Assessment for the Phase #2 Improvements bears interest at the rate on the Reimbursement Agreement for Phase #2 Improvements as described in the Amended and Restated Service and Assessment Plan. The effective interest rate on the Reimbursement Agreement for Phase #2 Improvements. is 5.87 percent for 2024-25. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Amended and Restated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Amended and Restated Service and Assessment Plan and other applicable documents, such as interest earnings and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the unpaid balance of Reimbursement Agreement for Phase #2 Improvements and any accrued interest thereon (the "Phase #2 Reimbursement Amount") from the collection of the Annual Installments in accordance with the Phase #2 Assessment Roll. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of such Annual Installments.

Phase #2 Annual Installments to be collected for 2024-25

The budget for Phase #2 of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown by Table II-G-1 below.

Table II-G-1
Budget for the Phase #2 Annual Installments
to be Collected for 2024-25

	Phase #2 Reimbursement Agreement
Interest due on Phase #2 Reimbursement Amount	$250,236
Phase #2 Assessments due	$100,000
Subtotal debt service	*$350,236*
Administrative Expenses	$22,129
Subtotal Expenses	*$372,365*
Available Administrative Expense Account	$0
Subtotal funds available	*$0*
Annual Installments	**$372,365**

Debt Service Payments

Annual Installments to be collected for principal and interest include interest due for 2024-25 in the amount of $250,236, which equal interest on the outstanding Assessments balance of $4,262,964 for one year and an effective interest rate of 5.87 percent. Annual Installments to be collected include a principal amount of $100,000. As a result, total Annual Installments to be collected for Phase #2 for principal and interest in 2024-25 is estimated to be equal to $350,236.

Administrative Expenses

Administrative expenses include the City, Administrator, and contingency fees. As shown in Table II-G-2 on the following page, the total administrative expenses to be collected for 2024-25 are estimated to be $22,129.

Table II-G-2
Administrative Budget Breakdown

Description	2024-25 Estimated Budget
City	$6,000
Administrator	$14,300
Contingency	$1,829
Total	**$22,129**

Available Administrative Expense Account

As of May 31, 2024, the balance in the Phase #2 Administrative Account was $19,047. The balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, funds are not anticipated to be available in the Phase #2 Administrative Account to reduce the Phase #2 2024-25 Annual Installment.

H. Annual Installments Per Unit - Phase #2

According to the Amended and Restated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #2 Reimbursement Agreement and to cover Administrative Expenses of Phase #2.

According to the Amended and Restated Service and Assessment Plan, 360 units representing 214.67 total Equivalent Units were estimated to be built within Phase #2 of the PID. As of June 30, 2024, thirty-eight units have prepaid their assessment in full resulting in 26.06 Equivalent Units being paid off. As a result, there are 188.61 Equivalent Units expected to be billed for the 2024-25 Annual Installment. Accordingly, the principal and interest portion of Annual Installment to be collected from each Equivalent Unit will be $1,856.93 (i.e., $350,236 ÷ 188.61 = $1,856.93) and the Administrative Expenses to be collected from each Equivalent Unit will be $117.33 (i.e., $22,129 ÷ 188.61 = $117.33). As a result, the total Annual Installment to be collected from each Equivalent Unit within Phase #2 will be $1,974.26 (i.e., $1,856.93 + $117.33 = $1,974.26). The Annual Installment to be collected from each Parcel within Phase #2 is calculated by multiplying the Annual Installment for each Equivalent Unit of $1,974.26 by the total estimated Equivalent Units for each Parcel in Phase #2.

The Annual Installment due to be collected from each Land Use Class in Phase #2 for 2024-25 is shown in Table II-H-1 on the following page.

Table II-H-1
Annual Installment Per Unit – Phase #2

Land Use Class	Annual Installment Per Equivalent Unit	Equivalent Unit Factor	Annual Installment
Lot Type 2 (100 Ft Lot)	$1,974.26	0.88	$1,737.35
Lot Type 3 (86 Ft Lot)	$1,974.26	0.83	$1,638.63
Lot Type 4 (74 Ft Lot)	$1,974.26	0.72	$1,421.47
Lot Type 5 (60 Ft Lot)	$1,974.26	0.58	$1,145.07
Lot Type 6 (50 Ft Lot)	$1,974.26	0.48	$947.64

The list of Parcels within Phase #2 of the PID, the corresponding lot types of the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix E.

I. ANNUAL BUDGET – PHASE #3

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in twenty-five Annual Installments of principal and interest beginning with the tax year following the recording of the Phase #3 plat of which twenty-two (22) Annual Installments remain outstanding.

Each Assessment for the Phase #3 Improvements bears interest at the rate on the Reimbursement Agreement for Phase #3 Improvements as described in the Amended and Restated Service and Assessment Plan. The effective interest rate on the Phase #3 Reimbursement Agreement is 8.33 percent for 2024-25. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Amended and Restated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Amended and Restated Service and Assessment Plan and other applicable documents, such as interest earnings and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the unpaid balance of Reimbursement Agreement for Phase #3 Improvements and any accrued interest thereon (the "Phase #3 Reimbursement Amount") from the collection of the Annual Installments in accordance with the Phase #3 Assessment Roll. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of such Annual Installments.

Phase #3 Annual Installments to be collected for 2024-25

The budget for Phase #3 of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown by Table II-I-1 below.

Table II-I-1
Budget for the Phase #3 Annual Installments to be Collected for 2024-25

	Phase #3 Reimbursement Agreement
Interest due on Phase #3 Reimbursement Amount	$243,494
Phase #3 Assessments due	$4,000

Subtotal Expenses	*$268,889*
Available Administrative Expense Account	$0
Subtotal funds available	*$0*
Annual Installments	**$268,889**

Debt Service Payments

Annual Installments to be collected for principal and interest include interest due for 2024-25 in the amount of $243,494, which equal interest on the outstanding Assessments balance of $2,923,094 for one year and an effective interest rate of 8.33 percent. Annual Installments to be collected include a principal amount of $4,000. As a result, total Annual Installments to be collected for Phase #3 for principal and interest in 2024-25 is estimated to be equal to $247,494.

Administrative Expenses

Administrative expenses include the City, Administrator, and contingency fees. As shown in Table II-I-2 below, the total administrative expenses to be collected for 2024-25 are estimated to be $21,395.

Table II-I-2

Available Administrative Expense Account

As of May 31, 2024, the balance in the Phase #3 Administrative Account was $17,334. The balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, funds are not anticipated to be available in the Phase #3 Administrative Account to reduce the Phase #3 2024-25 Annual Installment.

J. ANNUAL INSTALLMENTS PER UNIT - PHASE #3

According to the Amended and Restated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #3 Reimbursement Agreement and to cover Administrative Expenses of Phase #3.

According to the Amended and Restated Service and Assessment Plan, 195 units representing 131.67 total Equivalent Units are estimated to be built within Phase #3 of the PID. As of June 30, 2024, thirty-eight units representing 26.77 Equivalent Units have prepaid their Assessment in full. As a result, there are 104.90 Equivalent Units expected to be billed for the 2024-25 Annual Installment. Accordingly, the principal and interest portion of Annual Installment to be collected from each Equivalent Unit will be $2,359.33 (i.e., $247,494 ÷ 104.90 = $2,359.33) and the Administrative Expenses to be collected from each Equivalent Unit will be $203.96 (i.e., $21,395 ÷ 104.90 = $203.96). As a result, the total Annual Installment to be collected from each Equivalent Unit within Phase #3 will be $2,563.29 (i.e., $2,359.33 + $203.96 = $2,563.29). The Annual Installment to be collected from each Parcel within Phase #3 is calculated by multiplying the Annual Installment for each Equivalent Unit of $2,563.29 by the total estimated Equivalent Units for each Parcel in Phase #3.

The Annual Installment due to be collected from each Land Use Class in Phase #3 for 2024-25 is shown in Table II-J-1 below.

Table II-J-1
Annual Installment Per Unit – Phase #3

Land Use Class	Annual Installment Per Equivalent Unit	Equivalent Unit Factor	Annual Installment
Lot Type 3 (86 Ft Lot)	$2,563.29	0.83	$2,127.53
Lot Type 4 (74 Ft Lot)	$2,563.29	0.72	$1,845.57
Lot Type 5 (60 Ft Lot)	$2,563.29	0.58	$1,486.71

The list of Parcels within Phase #3 of the PID, the corresponding lot types of the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix F.

K. ANNUAL BUDGET – PHASE #4

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in twenty-six Annual Installments of principal and interest beginning with the tax year following the recording of the Phase #4 plat of which twenty-three (23) Annual Installments remain outstanding.

Each Assessment for the Phase #4 Improvements bears interest at the rate on the Reimbursement Agreement for Phase #4 Improvements as described in the Amended and Restated Service and Assessment Plan. The effective interest rate on the Reimbursement Agreement for Phase #4 Improvements is 7.61 percent for 2024-25. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Amended and Restated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Amended and Restated Service and Assessment Plan and other applicable documents, such as interest earnings and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the unpaid balance of Reimbursement Agreement for Phase #4 Improvements and any accrued interest thereon (the "Phase #4 Reimbursement Amount") from the collection of the Annual Installments in accordance with the Phase #4 Assessment Roll. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of such Annual Installments.

Phase #4 Annual Installments to be collected for 2024-25

The budget for Phase #4 of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown by Table II-K-1 on the following page.

(The remainder of this page is intentionally left blank)

Table II-K-1
Budget for the Phase #4 Annual Installments
to be Collected for 2024-25

	Phase #4 Reimbursement Agreement
Interest due on Phase #4 Reimbursement Amount	$12,480
Phase #4 Assessments due	$1,000
Subtotal debt service	*$13,480*
Administrative Expenses	$1,578
Subtotal Expenses	*$15,058*
Available Administrative Expense Account	$0
Subtotal funds available	*$0*
Annual Installments	**$15,058**

Debt Service Payments

Annual Installments to be collected for principal and interest include interest due for 2024-25 in the amount of $12,480, which equal interest on the outstanding Assessments balance of $164,000 for one year and an effective interest rate of 7.61 percent. Annual Installments to be collected include a principal amount of $1,000. As a result, total Annual Installments to be collected for Phase #4 for principal and interest in 2024-25 is estimated to be equal to $13,480.

Administrative Expenses

Administrative expenses include the City, Administrator, and contingency fees. As shown in Table II-K-2 below, the total administrative expenses to be collected for 2024-25 are estimated to be $1,578.

Table II-K-2
Administrative Budget Breakdown

Description	2024-25 Estimated Budget
City	$250
Administrator	$1,000
Contingency	$328
Total	**$1,578**

Available Administrative Expense Account

As of May 31, 2024, the balance in the Phase #4 Administrative Account was $7. The balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, funds are not anticipated to be available in the Phase #4 Administrative Account to reduce the Phase #4 2024-25 Annual Installment.

L. ANNUAL INSTALLMENTS PER UNIT - PHASE #4

According to the Amended and Restated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #4 Reimbursement Agreement and to cover Administrative Expenses of Phase #4.

According to the Amended and Restated Service and Assessment Plan, nine units representing 5.94 total Equivalent Units are estimated to be built within Phase #4 of the PID. Accordingly, the principal and interest portion of Annual Installment to be collected from each Equivalent Unit will be $2,269.43 (i.e., $13,480 ÷ 5.94 = $2,269.43) and the Administrative Expenses to be collected from each Equivalent Unit will be $265.62 (i.e., $1,578 ÷ 5.94 = $265.62). As a result, the total Annual Installment to be collected from each Equivalent Unit within Phase #4 will be $2,535.05 (i.e., $2,269.43 + $265.62 = $2,535.05). The Annual Installment to be collected from each Parcel within Phase #4 is calculated by multiplying the Annual Installment for each Equivalent Unit of $2,535.05 by the total estimated Equivalent Units for each Parcel in Phase #4.

The Annual Installment due to be collected from each Land Use Class in Phase #4 for 2024-25 is shown in Table II-L-1 below.

Table II-L-1
Annual Installment Per Unit – Phase #4

Land Use Class	Annual Installment Per Equivalent Unit	Equivalent Unit Factor	Annual Installment
Lot Type 3 (86 Ft Lot)	$2,535.05	0.83	$2,104.09
Lot Type 4 (74 Ft Lot)	$2,535.05	0.72	$1,825.24
Lot Type 5 (60 Ft Lot)	$2,535.05	0.58	$1,470.33
Lot Type 6 (50 Ft Lot)	$2,535.05	0.48	$1,216.82

The list of Parcels within Phase #4 of the PID, the corresponding lot types of the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix G.

M. ANNUAL BUDGET – PHASE #5

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in twenty-six Annual Installments of principal and interest beginning with the tax year following the recording of the Phase #5 plat of which twenty-four (24) Annual Installments remain outstanding.

Each Assessment for the Phase #5 Improvements bears interest at the rate on the Reimbursement Agreement for Phase #5 Improvements as described in the Amended and Restated Service and Assessment Plan. The effective interest rate on the Reimbursement Agreement for Phase #5 Improvements is 7.64 percent for 2024-25. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Amended and Restated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Amended and Restated Service and Assessment Plan and other applicable documents, such as interest earnings and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the unpaid balance of Reimbursement Agreement for Phase #5 Improvements and any accrued interest thereon (the "Phase #5 Reimbursement Amount") from the collection of the Annual Installments in accordance with the Phase #5 Assessment Roll. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of such Annual Installments.

Phase #5 Annual Installments to be collected for 2024-25

The budget for Phase #5 of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown by Table II-M-1 on the following page.

(The remainder of this page is intentionally left blank)

Table II-M-1
Budget for the Phase #5 Annual Installments to be Collected for 2024-25

	Phase #5 Reimbursement Agreement
Interest due on Phase #5 Reimbursement Amount	$185,251
Phase #5 Assessments due	$1,000
Subtotal debt service	*$186,251*
Administrative Expenses	$20,686
Subtotal Expenses	*$206,937*
Available Administrative Expense Account	$0
Subtotal funds available	*$0*
Annual Installments	**$206,937**

Debt Service Payments

Annual Installments to be collected for principal and interest include interest due for 2024-25 in the amount of $185,251, which equal interest on the outstanding Assessments balance of $2,424,757 for one year and an effective interest rate of 7.64 percent. Annual Installments to be collected include a principal amount of $1,000. As a result, total Annual Installments to be collected for Phase #5 for principal and interest in 2024-25 is estimated to be equal to $186,251.

Administrative Expenses

Administrative expenses include the City, Administrator, and contingency fees. As shown in Table II-M-2 below, the total administrative expenses to be collected for 2024-25 are estimated to be $20,686.

Table II-M-2
Administrative Budget Breakdown

Description	2024-25 Estimated Budget
City	$6,000
Administrator	$13,300
Contingency	$1,386
Total	**$20,686**

Available Administrative Expense Account

As of May 31, 2024, the balance in the Phase #5 Administrative Account was $26,421. The balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, funds are not anticipated to be available in the Phase #5 Administrative Account to reduce the Phase #5 2024-25 Annual Installment.

N. ANNUAL INSTALLMENTS PER UNIT - PHASE #5

According to the Amended and Restated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #5 Reimbursement Agreement and to cover Administrative Expenses of Phase #5.

According to the Amended and Restated Service and Assessment Plan, 96 units representing 72.84 total Equivalent Units are estimated to be built within Phase #5 of the PID. As of June 30, 2024, three units representing 2.31 Equivalent Units have prepaid their Assessment in full. As a result, there are 70.53 Equivalent Units expected to be billed for the 2024-25 Annual Installment. Accordingly, the principal and interest portion of Annual Installment to be collected from each Equivalent Unit will be $2,640.74 (i.e., $186,251 ÷ 70.53 = $2,640.74) and the Administrative Expenses to be collected from each Equivalent Unit will be $293.29 (i.e., $20,686 ÷ 70.53 = $293.29). As a result, the total Annual Installment to be collected from each Equivalent Unit within Phase #5 will be $2,934.03 (i.e., $2,640.74 + $293.29 = $2,934.03). The Annual Installment to be collected from each Parcel within Phase #5 is calculated by multiplying the Annual Installment for each Equivalent Unit of $2,934.03 by the total estimated Equivalent Units for each Parcel in Phase #5.

The Annual Installment due to be collected from each Land Use Class in Phase #5 for 2024-25 is shown in Table II-N-1 below.

Table II-N-1
Annual Installment Per Unit – Phase #5

Land Use Class	Annual Installment Per Equivalent Unit	Equivalent Unit Factor	Annual Installment
Lot Type 3 (86 Ft Lot)	$2,934.03	0.83	$2,435.25
Lot Type 7 (65 Ft Lot)	$2,934.03	0.65	$1,907.12

The list of Parcels within Phase #5 of the PID, the corresponding lot types of the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix H.

O. ANNUAL BUDGET – PHASE #6

The Assessment imposed on any Parcel may be paid in full at any time. According to the Amended and Restated Service and Assessment Plan, the collection of the first Annual Installment for a Phase #6 Lot or Phase #6 Parcel shall commence upon: (A) satisfaction of the requirements of Section 13.2(c) of the Trust Indenture relating to the Phases #2-9 Bonds relating to the issuance of additional obligations, and (B) the earlier of: (i) September 1, 2023 (ii) the issuance of one or more Phase #6 Bonds, or (iii) September 1st following the two year anniversary of the levy of Assessments on the Phase #6 Assessed Property. Such first Annual Installment for a Phase #6 Lot or Phase #6 Parcel shall be due by January 31st of the following calendar year.

According to section (B)(i) stated above, the conditions were satisfied as of September 1, 2023. The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning September 1, 2023 of which twenty-nine (29) Annual Installments remain outstanding.

Each Assessment for the Phase #6 Improvements bears interest at the rate on the Reimbursement Agreement for Phase #6 Improvements as described in the Amended and Restated Service and Assessment Plan. The effective interest rate on the Reimbursement Agreement for Phase #6 Improvements is 8.75 percent for 2024-25. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Amended and Restated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Amended and Restated Service and Assessment Plan and other applicable documents, such as interest earnings and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the unpaid balance of Reimbursement Agreement for Phase #6 Improvements and any accrued interest thereon (the "Phase #6 Reimbursement Amount") from the collection of the Annual Installments in accordance with the Phase #6 Assessment Roll. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of such Annual Installments.

Phase #6 Annual Installments to be collected for 2024-25

The budget for Phase #6 of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown by Table II-O-1 on the following page.

Table II-O-1
Budget for the Phase #6 Annual Installments to be Collected for 2024-25

	Phase #6 Reimbursement Agreement
Interest due on Phase #6 Reimbursement Amount	$447,493
Phase #6 Assessments due	$1,000
Subtotal debt service	*$448,493*
Administrative Expenses	$40,800
Subtotal Expenses	*$489,293*
Available Administrative Expense Account	$0
Subtotal funds available	*$0*
Annual Installments	**$489,293**

Debt Service Payments

Annual Installments to be collected for principal and interest include interest due for 2024-25 in the amount of $447,493, which equal interest on the outstanding Assessments balance of $5,114,207 for one year and an effective interest rate of 8.75 percent. Annual Installments to be collected include a principal amount of $1,000. As a result, total Annual Installments to be collected for Phase #6 for principal and interest in 2024-25 is estimated to be equal to $448,493.

Administrative Expenses

Administrative expenses include the City, Administrator, and contingency fees. As shown in Table II-O-2 below, the total administrative expenses to be collected for 2024-25 are estimated to be $40,800.

Table II-O-2
Administrative Budget Breakdown

Description	2024-25 Estimated Budget
City	$6,000
Administrator	$32,000
Contingency	$2,800
Total	**$40,800**

Available Administrative Expense Account

As of May 31, 2024, the balance in the Phase #6 Administrative Account was $34,135. The balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, funds are not anticipated to be available in the Phase #6 Administrative Account to reduce the Phase #6 2024-25 Annual Installment.

P. ANNUAL INSTALLMENTS PER UNIT - PHASE #6

According to the Amended and Restated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #6 Reimbursement Agreement and to cover Administrative Expenses of Phase #6.

According to the Amended and Restated Service and Assessment Plan, 257 units representing 83.22 total Equivalent Units are estimated to be built within Phase #6 of the PID. As of June 30, 2024, thirty-two units representing 11.89 Equivalent Units have prepaid their Assessment in full. As a result, there are 71.33 Equivalent Units expected to be billed for the 2024-25 Annual Installment. Accordingly, the principal and interest portion of Annual Installment to be collected from each Equivalent Unit will be $6,287.58 (i.e., $448,493 ÷ 71.33 = $6,287.58) and the Administrative Expenses to be collected from each Equivalent Unit will be $571.99 (i.e., $40,800 ÷ 71.33 = $571.99). As a result, the total Annual Installment to be collected from each Equivalent Unit within Phase #6 will be $6,859.57 (i.e., $6,287.58 + $571.99 = $6,859.57). The Annual Installment to be collected from each Parcel within Phase #6 is calculated by multiplying the Annual Installment for each Equivalent Unit of $6,859.57 by the total estimated Equivalent Units for each Parcel in Phase #6.

The Annual Installment due to be collected from each Land Use Class in Phase #6 for 2024-25 is shown in Table II-P-1 below.

Table II-P-1
Annual Installment Per Unit – Phase #6

Land Use Class	Annual Installment Per Equivalent Unit	Equivalent Unit Factor	Annual Installment
Lot Type 4 (74 Ft Lot)	$6,859.57	0.43	$2,949.61
Lot Type 5 (60 Ft Lot)	$6,859.57	0.34	$2,332.25
Lot Type 6 (50 Ft Lot)	$6,859.57	0.29	$1,989.27
Lot Type 8 (40 Ft Lot)	$6,859.57	0.24	$1,646.30

The list of Parcels within Phase #6 of the PID, the corresponding lot types of the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix I.

Q. ANNUAL BUDGET – PHASE #7

The Assessment imposed on any Parcel may be paid in full at any time. According to the Amended and Restated Service and Assessment Plan, the collection of the first Annual Installment for a Phase #7 Lot or Phase #7 Parcel shall commence upon: (A) satisfaction of the applicable requirements of the Trust Indenture relating to the Phases #2-9 Bonds relating to the issuance of additional obligations, and (B) the earlier of: (i) September 1, 2024, (ii) the issuance of one or more Phase #7 Bonds, or (iii) with tax bills sent the first October occurring after the expiration of two years from the date of the levy of Assessments related to the Phase #7 Projects on the Phase #7 Assessed Property. Such first Annual Installment for a Phase #7 Lot or Phase #7 Parcel shall be due by January 31st of the following calendar year.

According to section (B)(i) stated above, the conditions will be satisfied as of September 1, 2024. The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning September 1, 2024 of which thirty (30) Annual Installments remain outstanding.

Each Assessment for the Phase #7 Improvements bears interest at the rate on the Reimbursement Agreement for Phase #7 Improvements as described in the Amended and Restated Service and Assessment Plan. The effective interest rate on the Reimbursement Agreement for Phase #7 Improvements is 8.65 percent for 2024-25. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Amended and Restated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Amended and Restated Service and Assessment Plan and other applicable documents, such as interest earnings and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the unpaid balance of Reimbursement Agreement for Phase #7 Improvements and any accrued interest thereon (the "Phase #7 Reimbursement Amount") from the collection of the Annual Installments in accordance with the Phase #7 Assessment Roll. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of such Annual Installments.

Phase #7 Annual Installments to be collected for 2024-25

The budget for Phase #7 of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown by Table II-Q-1 on the following page.

Table II-Q-1
Budget for the Phase #7 Annual Installments
to be Collected for 2024-25

	Phase #7 Reimbursement Agreement
Interest due on Phase #7 Reimbursement Amount	$682,008
Phase #7 Assessments due	$1,000
Subtotal debt service	*$683,008*
Administrative Expenses	$50,000
Subtotal Expenses	*$733,008*
Available Administrative Expense Account	($3,876)
Subtotal funds available	*($3,876)*
Annual Installments	**$729,132**

Debt Service Payments

Annual Installments to be collected for principal and interest include interest due for 2024-25 in the amount of $682,008, which equal interest on the outstanding Assessments balance of $7,884,484 for one year and an effective interest rate of 8.65 percent. Annual Installments to be collected include a principal amount of $1,000. As a result, total Annual Installments to be collected for Phase #7 for principal and interest in 2024-25 is estimated to be equal to $683,008.

Administrative Expenses

Administrative expenses include the City, Administrator, and contingency fees. As shown in Table II-Q-2 below, the total administrative expenses to be collected for 2024-25 are estimated to be $50,000.

Table II-Q-2
Administrative Budget Breakdown

Description	2024-25 Estimated Budget
City	$6,000
Administrator	$41,500
Contingency	$2,500
Total	**$50,000**

Available Administrative Expense Account

As of May 31, 2024, the balance in the Phase #7 Administrative Account was $46,390. Approximately $42,514 is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, $3,876 is anticipated to be available in the Phase #7 Administrative Account to reduce the Phase #7 2024-25 Annual Installment.

R. ANNUAL INSTALLMENTS PER UNIT - PHASE #7

According to the Amended and Restated Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #7 Reimbursement Agreement and to cover Administrative Expenses of Phase #7.

According to the Amended and Restated Service and Assessment Plan, 171 units representing 93.51 total Equivalent Units are estimated to be built within Phase #7 of the PID. As of June 30, 2024, one unit representing 0.43 Equivalent Units has prepaid their Assessment in full. As a result, there are 93.08 Equivalent Units expected to be billed for the 2024-25 Annual Installment. Accordingly, the principal and interest portion of Annual Installment to be collected from each Equivalent Unit will be $7,337.86 (i.e., $683,008 ÷ 93.08 = $7,337.86) and the Administrative Expenses to be collected from each Equivalent Unit will be $495.53 (i.e., $50,000 ÷ 93.08 = $495.53). As a result, the total Annual Installment to be collected from each Equivalent Unit within Phase #7 will be $7,833.39 (i.e., $7,337.86 + $495.53 = $7,833.39). The Annual Installment to be collected from each Parcel within Phase #7 is calculated by multiplying the Annual Installment for each Equivalent Unit of $7,833.39 by the total estimated Equivalent Units for each Parcel in Phase #7.

The Annual Installment due to be collected from each Land Use Class in Phase #7 for 2024-25 is shown in Table II-R-1 below.

Table II-R-1
Annual Installment Per Unit – Phase #7

Land Use Class	Annual Installment Per Equivalent Unit	Equivalent Unit Factor	Annual Installment
Lot Type 1 (One-acre Lot)	$7,833.39	1.00	$7,833.39
Lot Type 2 (100 Ft Lot)	$7,833.39	0.65	$5,091.70
Lot Type 3 (86 Ft Lot)	$7,833.39	0.49	$3,838.36
Lot Type 4 (74 Ft Lot)	$7,833.39	0.43	$3,368.36
Lot Type 7 (65 Ft Lot)	$7,833.39	0.37	$2,898.35

The list of Parcels within Phase #7 of the PID, the corresponding lot types of the current residential Parcels, the corresponding total Equivalent Units, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix J.

S. BOND REDEMPTION RELATED UPDATES

Phase #1 Bonds

The Phase #1 Bonds were issued in January 2015. Pursuant to Section 4.3 of the Trust Indenture relating to the Phase #1 Bonds, the City reserves the right and option to redeem the Phase #1 Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2020**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Trust Indenture.

On August 11, 2020, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2020 (Lakes at Mustang Ranch Public Improvement District Phase #1 Project) in the aggregate principal amount of $7,750,000. The Phase #1 Refunding Bonds were issued to refinance the Phase #1 Bonds.

Phase #1 Refunding Bonds

The Phase #1 Refunding Bonds were issued in 2020. Pursuant to Section 4.3 of the Phase #1 Refunding Bonds Trust Indenture, the City reserves the right and option to redeem the Phase #1 Refunding Bonds before their scheduled maturity dates, in whole or in part, on any date on or after **September 1, 2028**, such redemption date or dates to be fixed by the City, at the price of par, plus accrued interest to the date of the redemption (the "Redemption Price").

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phase #1 Refunding Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

Phases #2-9 Bonds

The Phases #2-9 Bonds were issued in January 2015. Pursuant to Section 4.3 of the Trust Indenture, the City reserves the right and option to redeem the Phases #2-9 Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2022**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phases #2-9 Bonds is warranted. A refunding of the Phases #2-9 Bonds is anticipated to occur in August 2024.

III. UPDATE OF THE ASSESSMENT PLAN

The Amended and Restated Service and Assessment Plan adopted by the City Council describes that the Authorized Improvement costs shall be allocated to the Assessed Property equally based on the equivalent number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property, as updated in prior Annual Service Plan Updates, has not been changed and Assessed Property will continue to be assessed as provided for in the Amended and Restated Service and Assessment Plan.

City Contributed Major Improvement Assessments

According to the City, the final series of certificates of obligations to finance the City Contributed Major Improvements were issued in 2018. As a result, the final aggregate amount of City Contributed Major Improvements allocated to the Lakes at Mustang Ranch PID and Parks at Wilson Creek PID was $3,655,000. Pursuant to the Amended and Restated Service and Assessment Plan, the Assessment for the City Contributed Major Improvements would be offset by ad valorem taxes collected from the property within the Lakes at Mustang Ranch PID and Parks at Wilson Creek PID until the ad valorem taxes collected from all Parcels within the Lakes at Mustang Ranch PID and Parks at Wilson Creek PID equals or exceeds one hundred fifty percent (150 percent) of the Annual Installment Allocable to the City Contributed Major Improvements based on a confirming audit, then the Annual Installment Allocable to the City Contributed Major Improvements will be permanently reduced to zero. The Administrator has confirmed that the ad valorem taxes collected from all Parcels within the Lakes at Mustang Ranch PID and Parks at Wilson Creek PID for tax years 2018-19 and 2019-20 exceeded the Annual Installments allocable to the City Contributed Major Improvements. As a result, the Annual Installments allocable to the City Contributed Major Improvements are permanently reduced to $0, starting with the Annual Installments allocable to the City Contributed Major Improvements due on January 31, 2021. Pursuant to an ordinance adopted by the City Council on August 11, 2020, approving the amended and restated Service and Assessment Plan (the "2020 Amended and Restated Service and Assessment Plan"), and pursuant to direction from the Administrator that the conditions required for completely reducing the 2015 CCMI Assessments, the City has formally released the 2015 CCMI Assessment portion of the Phase #1 Assessment and the Phases #2-9 Assessment.

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the Amended and Restated Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

> (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by the Amended and Restated Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.I of the Amended and Restated Service and Assessment Plan.

A cumulative Assessment Roll for Phase #7 is shown in Appendix J. The summary of updated Assessment Rolls is shown in Appendix C, D-3, E, F, G, H, and I of this report. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Amended and Restated Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for each new subdivided Parcel.
B = the Assessment for the Parcel prior to subdivision.
C = the estimated Equivalent Units to be built on each newly subdivided Parcel
D = the sum of the estimated Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

According to the Developer and the Collin Central Appraisal District records, Phase #1 of the PID was completely subdivided in 2017 and the Assessments allocated proportionally according to Lot Type.

According to the Developer and the Collin Central Appraisal District records, Phase #2 of the PID was completely subdivided in 2017 and the Assessments allocated proportionally according to Lot Type.

According to the Developer and Collin Central Appraisal District Records, Phase #3B of the development was subdivided in 2020. Parcels in Phase #3B of the development were subdivided from Parcel 2635984.

According to the Developer and Collin Central Appraisal District Records, Phase #4 of the development was subdivided in 2020. Parcels in Phase #4of the development were subdivided from Parcel 2635984.

According to the Developer and Collin Central Appraisal District Records, Phase #5 of the development was subdivided in 2021. Parcels in Phase #5 of the development were subdivided from Parcel 2635984.

According to the Developer and Collin Central Appraisal District Records, Phase #6 of the development was subdivided in 2022. Parcels in Phase #6 of the development were subdivided from Parcel 2635984.

According to the Developer and Collin Central Appraisal District Records, Phase #7 of the development was subdivided in 2023. Parcels in Phase #7 of the development were subdivided from Parcel 2635984.

See Appendix K for the Phases #2-9 Assessment and Phase #7 Assessment allocation prior to and after the subdivision of Parcel 263598.

B. Prepayment of Assessments

As of June 30, 2024, six Parcels have prepaid their Phase #1 Assessments in full. According to the Trustee, the extraordinary optional redemptions of the Phase #1 Refunding Bonds that have occurred as a result of prepayments as of July 1, 2024 are shown on Table IV-B-1 below.

PID Assessment Notice

NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT ASSESSMENT TO CITY OF CELINA, TEXAS
CONCERNING THE FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Celina, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the Lakes at Mustang Ranch Public Improvement District (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City or MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

WHEREAS, on March 10, 2008, the City Council of the City of Celina, Texas (the "City") approved Resolution No. 2008-06R establishing the Lakes at Mustang Ranch Public Improvement District (the "PID") in accordance with the provisions of Chapter 372 of the Texas Local Government Code (the "Public Improvement District Assessment Act" or "the PID Act"); and

WHEREAS, the City has heretofore levied assessments against property within Phase #1 of the PID, pursuant to Ordinance No. 2015-02 which ordinance also approved the Lakes at Mustang Ranch Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #1, dated as of January 13, 2015, (the "Service and Assessment Plan and Phase #1 Assessment Roll"); and

WHEREAS, the City has also heretofore levied assessments against property within the Phases #2-9 Major Improvement Area of the PID, pursuant to Ordinance No. 2015-03 which ordinance also approved the Lakes at Mustang Ranch Public Improvement District Service and Assessment Plan and Assessment Roll related to the Phases #2-9 Major Improvement Area, dated as of January 13, 2015 (the "Service and Assessment Plan and Phases #2-9 Major Improvement Area Assessment Roll"); and

WHEREAS, the City has also heretofore levied assessments against property within Phase #2 of the PID, pursuant to and ordinance that also approved the Lakes at Mustang Ranch Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #2, dated as of December 13, 2016 (the "Updated Service and Assessment Plan and Phase #2 Assessment Roll"); and

WHEREAS, the City has also heretofore levied assessments against property within Phase #3 of the PID, pursuant to Ordinance No. 2019-51 which ordinance also approved the Lakes at Mustang Ranch Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #3, dated as of December 10, 2019 (the "Updated Service and Assessment Plan and Phase #3 Assessment Roll"); and

WHEREAS, the City has also heretofore levied assessments against property within Phase #4 of the PID, pursuant to Ordinance No. 2020-50 which ordinance also approved the Lakes at Mustang Ranch Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #4, dated as of July 14, 2020 (the "Updated Service and Assessment Plan and Phase #4 Assessment Roll"); and

WHEREAS, the City has also heretofore levied assessments against property within Phase #5 of the PID, pursuant to Ordinance NO. 2021-48 which ordinance also approved the Lakes at Mustang Ranch Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #5, dated as of June 8, 2021 (the "Updated Service and Assessment Plan and Phase #5 Assessment Roll"); and

WHEREAS, the City has also heretofore levied assessments against property within Phase #6 of the PID, pursuant to Ordinance No. 2022-68 which ordinance also approved the Lakes at Mustang Ranch Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #6, dated as of June 14, 2022 (the "Updated Service and Assessment Plan and Phase #6 Assessment Roll"); and

WHEREAS, the City has also heretofore levied assessments against property within Phase #7 of the PID, pursuant to Ordinance No. 2023-12 which ordinance also approved the Lakes at Mustang Ranch Public Improvement District Service and Assessment Plan and Assessment Roll related to Phase #7, dated as of February 14, 2023 (the "Updated Service and Assessment Plan and Phase #7 Assessment Roll"); [and, together with the Service and Assessment Plan and Phase #1, Phases #2-9 Major Improvement Area, Phase #2, Phase #3, Phase #4, Phase #5, and Phase #6 Assessment Rolls, the "Updated Service and Assessment Plan and Assessment Rolls"]; and

WHEREAS, the Updated Service and Assessment Plan and Assessment Rolls are required to be reviewed and updated annually as described in Sections 372.013 and 372.014 of the PID Act (the "Annual Service Plan Update"); and

WHEREAS, the Annual Service Plan Update, attached hereto as Exhibit A, including the Phase #1, Phases #2-9 Major Improvement Area, Phase #2, Phase #3, Phase #4, Phase #5, Phase #6, and Phase #7 Assessment Rolls (the "Assessment Rolls") attached thereto, update the Updated Service and Assessment Plan and Assessment Rolls to reflect prepayments, property divisions and changes to the budget allocation for the PID that occur during the year, if any; and

WHEREAS, the City Council desires and finds it to be in the public interest to adopt this Ordinance approving and adopting the Annual Service Plan Update and the updated Assessment Rolls attached thereto, in compliance with the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1. All matters stated in the preamble are found to be true and correct and are incorporated herein as if copied in their entirety.

SECTION 2. The Lakes at Mustang Ranch Public Improvement District Annual Service Plan Update, attached hereto as Exhibit A and incorporated herein by reference, inclusive of the updated Assessment Rolls contained therein and made a part thereof, are hereby accepted and approved.

SECTION 3. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided,

however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION 4. Should any sentence, paragraph, subdivision, clause, phrase or section of this Ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this Ordinance as a whole, or any part or provision thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of the Ordinance as a whole.

SECTION 5. This Ordinance shall take effect immediately after its passage and the publication of the caption, as the law and charter in such case provide. The City Secretary shall cause this Ordinance to be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Re:	Legacy Hills PID SAP Update

Action Requested:
Consider and act upon an Ordinance of the City of Celina, Texas, approving the 2024-2025 Annual Service Plan update to the Service and Assessment Plan for the Legacy Hills Public Improvement District and providing an effective date. (Bromiley)

Background Information:
The Legacy Hills PID was created by the City Council pursuant to the PID Act and a resolution approved on September 14, 2021**.** The PID is located generally in Celina's northwest quadrant, just east of the proposed DNT thoroughfare, approximately 3.5 miles west of Preston Road and approximately three miles north of Old Celina Park. The PID is anticipated to contain an estimated 6,900 residential units on approximately 3,268.6 acres. The PID annual installments in the Annual Service Plan update include amounts for the payment of principal and interest on the PID bonds and reimbursement agreement, if any, PID administrative expenses, additional interest for prepayment and delinquency reserves and as applicable, TIRZ annual credit amounts committed to pay a portion of the PID bond principal and interest. The Service Plan is prepared annually and presented to Council as required by Chapter 372 of the Texas Local Government Code.

APPENDIX D - PID ASSESSMENT NOTICE

I. INTRODUCTION

On September 14, 2021 (the "Creation Date") the City Council (the "City Council") of the City of Celina, Texas (the "City") passed and approved Resolution No. 2021-84R approving and authorizing the creation of the Legacy Hills Public Improvement District (the "PID") to finance the costs of certain public improvements for the benefit of property in such public improvement district (the "Authorized Improvements"). The Legacy Hills PID is located within the North Parkway Municipal Management District No. 1 (the "District"), formerly known as the North Celina Municipal Management District No. 3, all of which is located within the corporate boundaries of the City.

A service and assessment plan (the "Service and Assessment Plan") was prepared at the direction of the City identifying the public improvements (the "Authorized Improvements") to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to the PID Act, the Service and Assessment Plan must be reviewed and updated annually. This document is the annual update of the Service and Assessment Plan for 2024-25 (the "Annual Service Plan Update").

The City also adopted assessment rolls (the "Assessment Rolls") identifying the Assessments on each Parcel within the PID, based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update is related to the annual budget for the payment of PID obligations in 2024-25.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the "PID Assessment Notice") as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix D and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID us located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchase before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Service and Assessment Plan unless otherwise defined herein.

D. ANNUAL BUDGET – PHASE #1A

Phase #1A - Annual Installments

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the execution of the Phase #1A Reimbursement Agreements, of which twenty-seven (27) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest based on the interest rate applicable to the Phase #1A Reimbursement Agreements, which is 4.32 percent per annum for 2024-25. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phase #1A Reimbursement Agreement from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments.

Phase #1A Annual Installments to be Collected for 2024-25

The budget for Phase #1A of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown by Table II-D-1 on the following page.

(the remainder of this page is intentionally left blank)

Table II-D-1
Budget for the Phase #1A Annual Installments to be Collected for 2024-25

Descriptions	Phase #1A Reimbursement Agreement
Interest through September 1, 2025	$402,087
Principal due by September 1, 2025	$213,362
Subtotal debt service	*$615,449*
Administrative expenses	$38,771
Subtotal Expenses	*$38,771*
Available administrative expense account	$0
Available capitalized interest account	$0
Subtotal funds available	*$0*
Annual Installments	**$654,220**

Debt Service Payments

Annual Installments to be collected for principal and interest due on the Phase #1A Reimbursement Agreement include interest due on September 1, 2025 in the amount of $402,087, which equals interest on the outstanding Assessments balance of $9,307,563, for one year, at an effective interest rate of 4.32 percent. Annual Installments to be collected include a principal amount of $213,362 due on September 1, 2025. As a result, the total principal and interest due for the Phase #1A Reimbursement Agreement in 2024-25 is estimated to be $615,449.

Administrative Expenses

Administrative expenses include the City, Administrator, auditor, dissemination agent, and contingency fees. As shown in Table II-D-2 on the following page, the total Phase #1A administrative expenses to be collected for 2024-25 are estimated to be $38,771.

(the remainder of this page is intentionally left blank)

Table II-D-2
Phase #1A Administrative Budget Breakdown

Description	2024-25 Estimated Budget (9/1/24-8/31/25)
City	$3,000
PID Administrator	$29,000
Auditor	$1,000
Dissemination Agent	$2,000
Contingency	$3,771
Total	**$38,771**

Available Capitalized Interest Account

According to Section 6.4(c) of the Trust Indenture for the North Parkway Municipal Management District No. 1 Contract Revenue Bonds, Series 2021 (Legacy Hills Public Improvement District Phase #1A-1B Improvements (the "Trust Indenture"), there will be no funds available in the Capitalized Interest Account after September 1, 2024.

Available Administrative Expense Account

As of June 30, 2024, the available balance for Administrative Expenses was $7,720. This balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, there are no funds available in the Administrative Expense Fund to reduce the Phase #1A-1B 2024-25 Annual Installment.

E. ANNUAL INSTALLMENTS PER UNIT – PHASE #1A

According to the Service and Assessment Plan, the Phase #1A Annual Installments shall be collected in an amount sufficient to pay principal and interest on Phase #1A Reimbursement Agreements and to cover Administrative Expenses of the PID.

According to the Service and Assessment Plan, 421 units, representing 347.47 total outstanding Equivalent Units, are estimated to be within Phase #1A of the PID. Accordingly, the net principal and interest portion of Annual Installment to be collected from each Equivalent Unit in Phase #1A will be $1,771.24 (i.e. $615,449 ÷ 347.47 = $1,771.24). The Administrative Expenses to be collected from each Equivalent Unit in Phase #1A will be $111.58 (i.e. ($38,771 ÷ 347.47 = $111.58). As a result, the total Annual Installment to be collected from each Equivalent Unit within Phase #1A will be $1,882.83 (i.e. $1,771.24 + $111.58 = $1,882.83). The Annual Installment to be collected from each Parcel within Phase #1A is calculated by multiplying the Annual Installment for each Equivalent Unit of $1,882.83 by the total estimated Equivalent Units for each Parcel in Phase #1A.

The Annual Installment due to be collected from each Land Use Class in Phase #1A for 2024-25 is shown in Table II-E-1 below.

Table II-E-1
Phase #1A Annual Installment Per Unit

Land Use Class	Annual Installment	Equivalent Unit Factor	Annual Installment Per Unit
Lot Type 1 - 60 FT Lot	$1,882.83	1.00	$1,882.83
Lot Type 2 - 50 FT Lot	$1,882.83	0.83	$1,568.39
Lot Type 3 - 40 FT Lot	$1,882.83	0.67	$1,255.84

The list of Parcels within Phase #1A of the PID, the estimated number of units to be developed on the current residential Parcels, the total outstanding Assessments and the Annual Installments to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix C-1.

F. ANNUAL BUDGET – PHASE #1B

Phase #1B - Annual Installments

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the execution of the Phase #1B Reimbursement Agreements, of which twenty-seven (27) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest based on the interest rate applicable to the Phase #1B Reimbursement Agreements, which is 4.32 percent per annum for 2024-25. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2024-25 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phase #1B Reimbursement Agreement from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments.

Phase #1B Annual Installments to be Collected for 2024-25

The budget for Phase #1B of the PID will be paid from the collection of Annual Installments collected for 2024-25 as shown by Table II-F-1 below.

Table II-F-1
Budget for the Phase #1B Annual Installments
to be Collected for 2024-25

Descriptions	Phase #1B Reimbursement Agreement

Subtotal debt service	*$226,833*
Administrative expenses	$14,290
Subtotal Expenses	*$14,290*
Available administrative expense account	$0
Available capitalized interest account	$0
Subtotal funds available	*$0*
Annual Installments	**$241,122**

Debt Service Payments

Annual Installments to be collected for principal and interest due on the Phase #1B Reimbursement Agreement include interest due on September 1, 2025 in the amount of $148,195, which equals interest on the outstanding Assessments balance of $3,430,437, for one year, at an effective interest rate of 4.32 percent. Annual Installments to be collected include a principal amount of $78,638 due on September 1, 2025. As a result, the total principal and interest due for the Phase #1B Reimbursement Agreement in 2024-25 is estimated to be $226,833.

Administrative Expenses

Administrative expenses include the City, Administrator, auditor, dissemination agent and contingency fees. As shown in Table II-F-2 on the following page, the total Phase #1B administrative expenses to be collected for 2024-25 are estimated to be $14,290.

Table II-F-2
Phase #1B Administrative Budget Breakdown

Description	2024-25 Estimated Budget (9/1/24-8/31/25)
City	$3,000
PID Administrator	$9,000
Auditor	$1,000
Dissemination Agent	$1,000
Contingency	$290
Total	**$14,290**

Available Capitalized Interest Account

According to Section 6.4(c) of the Trust Indenture, moneys received through the issuance of the North Parkway Municipal Management District No. 1 Contact Revenue Bonds, Series 2021 (Legacy Hills Public Improvement Districts Phase #1A-1B) there will be no funds available in the Capitalized Interest Account after September 1, 2024.

Available Administrative Expense Account

As of June 30, 2024, the available balance for Administrative expenses was $7,720. This balance is anticipated to be used for the payment of current year administrative expenses through January 31, 2025. As a result, there are no funds available in the Administrative Expense Fund to reduce the Phase #1B 2024-25 Annual Installment.

G. ANNUAL INSTALLMENTS PER UNIT – PHASE #1B

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay principal and interest on Phase #1B Reimbursement Agreement and to cover Administrative Expenses of the PID.

According to the Service and Assessment Plan, 192 units, representing 128.06 total outstanding Equivalent Units, are estimated to be within Phase #1B of the PID. Accordingly, the net principal and interest portion of Annual Installment to be collected from each Equivalent Unit in Phase #1A will be $1,771.24 (i.e. $226,833 ÷ 128.06 = $1,771.24). The Administrative Expenses to be collected from each Equivalent Unit in Phase #1B will be $111.58 (i.e. ($14,290 ÷ 128.06 = $111.58). As a result, the total Annual Installment to be collected from each Equivalent Unit within Phase #1B will be $1,882.83 (i.e. $1,771.24 + $111.58 = $1,882.83). The Annual Installment to be collected from each Parcel within Phase #1B is calculated by multiplying the Annual Installment for each Equivalent Unit of $1,882.83 by the total estimated Equivalent Units for each Parcel in Phase #1B.

The Annual Installment due to be collected from each Land Use Class in Phase #1B for 2024-25 is shown in Table II-G-1 below.

Table II-G-1
Phase #1B Annual Installment Per Unit

Land Use Class	Annual Installment	Equivalent Unit Factor	Annual Installment Per Unit
Lot Type 1 - 60 FT Lot	$1,882.83	1.00	$1,882.83
Lot Type 2 - 50 FT Lot	$1,882.83	0.83	$1,568.39
Lot Type 3 - 40 FT Lot	$1,882.83	0.67	$1,255.84

The list of Parcels within Phase #1B of the PID, the estimated number of units to be developed on the current residential Parcels, the total outstanding Assessments and the Annual Installments to be collected for 2024-25 are shown in the Assessment Roll Summary attached hereto as Appendix C-2.

(the remainder of this page is intentionally left blank)

III. UPDATE OF THE ASSESSMENT PLAN

The Service and Assessment Plan adopted by the City Council provided that the Authorized Improvement costs shall be allocated to the Assessed Property equally on the basis of the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property has not been changed and assessed property will continue to be assessed as provided for in the Service and Assessment Plan.

(the remainder of this page is intentionally left blank)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the original Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

> (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.E of this Service and Assessment Plan.

The Assessment Rolls are shown in Appendix C-1 and C-2 of this report. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for each new subdivided Parcel.

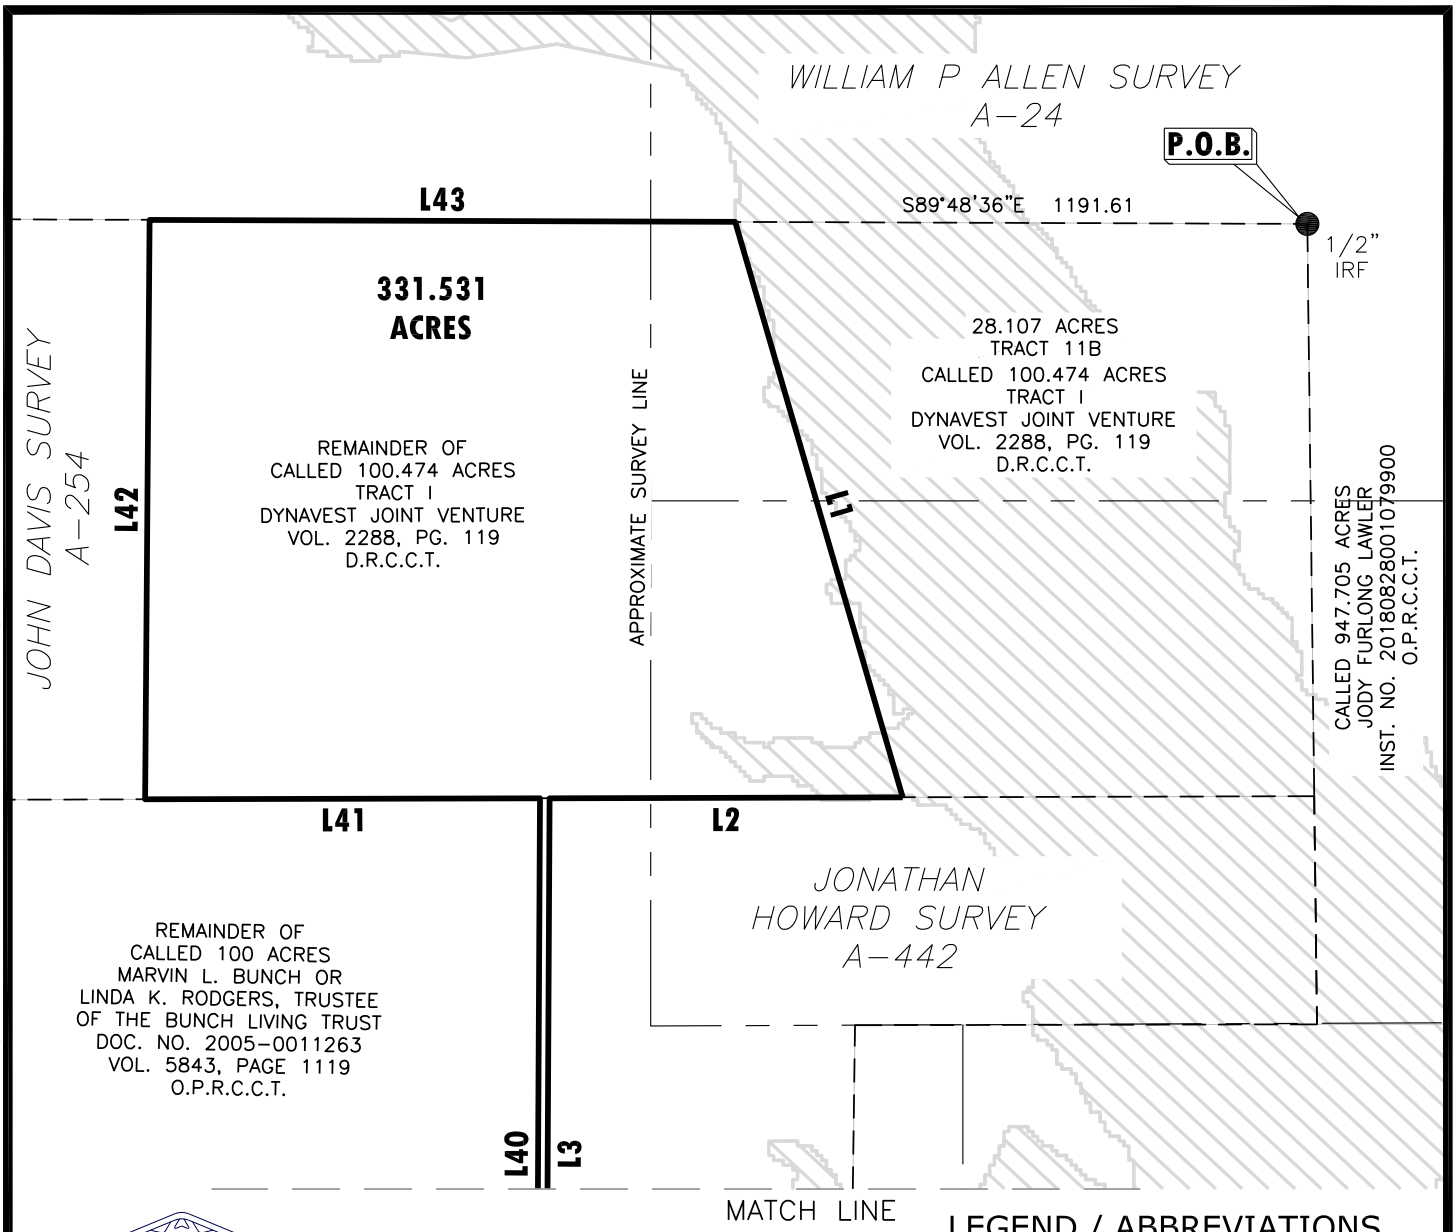
B = the Assessment for the Parcel prior to subdivision.

C = the estimated number of Equivalent Units to be built on each newly subdivided Parcel

D = the sum of the estimated number of Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of Equivalent Units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

MM Celina 294, LLC, a Texas limited liability company and MM Celina 40, LLC, a Texas limited liability company, collectively the Developer, has confirmed there have been no parcel subdivisions in the PID applicable for the Annual Installments to be collected in 2024-25.



B. PREPAYMENT OF ASSESSMENTS

There have been no Assessment prepayments as of June 30, 2024.

The complete Assessment Rolls are available for review at the City Hall, located at 142 N. Ohio, Celina, Texas 75009.

PID ASSESSMENT NOTICE

PID Assessment Notice

NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT ASSESSMENT TO THE CITY OF CELINA, TEXAS
CONCERNING THE FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the Legacy Hills Public Improvement District (the "PID"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the District created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the District. The exact amount of each annual installment will be approved each year by the Board of Directors in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the District or MuniCap, Inc., the District Administrator, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF CELINA APPROVING THE ANNUAL UPDATE OF THE SERVICE AND ASSESSMENT PLAN AND ASSESSMENT ROLL FOR THE LEGACY HILLS PUBLIC IMPROVEMENT DISTRICT IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE §372.013, AS AMENDED; CONTAINING A CUMMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, on September 14, 2021, the City Council of the City of Celina, Texas (the "City") approved Resolution No. 2021-84R establishing the Legacy Hills Public Improvement District (the "PID") in accordance with the provisions of Chapter 372 of the Texas Local Government Code (the "Public Improvement District Assessment Act" or "the PID Act"); and

WHEREAS, the City has heretofore levied assessments against property within the PID, pursuant to Ordinance No. 2021-92 which ordinance also approved the Legacy Hills Public Improvement District Service and Assessment Plan and Assessment Roll (the "Service and Assessment Plan and Assessment Roll"); and

WHEREAS, the Service and Assessment Plan and Assessment Roll is required to be reviewed and updated annually as described in Sections 372.013 and 372.014 of the PID Act (the "Annual Service Plan Update"); and

WHEREAS, the Annual Service Plan Update, attached hereto as Exhibit A, including the Assessment Roll attached thereto, update the Service and Assessment Plan and Assessment Roll to reflect prepayments, property divisions and changes to the budget allocation for the PID that occur during the year, if any; and

WHEREAS, the City Council desires and finds it to be in the public interest to adopt this Ordinance approving and adopting the Annual Service Plan Update and the updated Assessment Roll attached thereto, in compliance with the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1. All matters stated in the preamble are found to be true and correct and are incorporated herein as if copied in their entirety.

SECTION 2. The Legacy Hills Public Improvement District Annual Service Plan Update, attached hereto as Exhibit A and incorporated herein by reference, inclusive of the updated Assessment Roll contained therein and made a part thereof, are hereby accepted and approved.

SECTION 3. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided,

however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION 4. Should any sentence, paragraph, subdivision, clause, phrase or section of this Ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this Ordinance as a whole, or any part or provision thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of the Ordinance as a whole.

SECTION 5. This Ordinance shall take effect immediately after its passage and the publication of the caption, as the law and charter in such case provide. The City Secretary shall cause this Ordinance to be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Intiated by:	Robin Bromiley
Date:	August 13, 2024
Re:	Mosaic PID SAP Update

Action Requested:
Consider and act upon an Ordinance of the City of Celina, Texas, approving the 2024-2025 Annual Service Plan update to the Service and Assessment Plan for the Mosaic Public Improvement District and providing an effective date. (Bromiley)

Background Information:
The Mosaic PID was created by the City Council pursuant to the PID Act and a resolution approved on November 9, 2021. The PID is located generally north of Parvin Road and east of Smiley Road. The PID is anticipated to contain an estimated 1,470 single family residential units on approximately 684.752 acres within multiple phases. The PID annual installments in the Annual Service Plan update include amounts for the payment of principal and interest on the PID bonds and reimbursement agreement, if any, PID administrative expenses, additional interest for prepayment and delinquency reserves and as applicable, TIRZ annual credit amounts committed to pay a portion of the PID bond principal and interest. The service plan is prepared annually and presented to Council as required by Chapter 372 of the Texas Local Government Code.

APPENDIX D – PID ASSESSMENT NOTICE

I. INTRODUCTION

The Mosaic Public Improvement District (the "PID") was created pursuant to the PID Act and Resolution No. 2021-104R of the City Council on November 9, 2021, to finance certain public improvement projects for the benefit of the property in the PID.

On April 11, 2023, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2023 (Mosaic Public Improvement District Phase #1 Project) (the "Phase #1 Bonds") in the principal amount of $15,923,000 were issued to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID.

A service and assessment plan dated April 11, 2023 (the "Service and Assessment Plan") was prepared at the direction of the City identifying the public improvements (the "Authorized Improvements") to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to Chapter 372 of the Texas Local Government Code, as amended (the "PID Act"), the Service and Assessment Plan must be reviewed and updated annually for the purpose of determining the annual budget for the Authorized Improvements. This document is the annual update of the Service and Assessment Plan for 2024-25 (the "Annual Service Plan Update").

The City also adopted an assessment roll for the PID attached as Appendix G to the Service and Assessment Plan (the "Assessment Roll") identifying the Assessments on each Parcel of Assessed Property, based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Roll for 2024-25.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the "PID Assessment Notice") as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix D and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID us located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchaser before the execution of a binding contract of purchase and sale, either separately or as an addendum or

paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Service and Assessment Plan unless otherwise defined herein.

II. UPDATE OF THE SERVICE PLAN

A. UPDATED SOURCES AND USES FOR PUBLIC IMPROVEMENTS

Pursuant to the original Service and Assessment Plan adopted on April 11, 2023, the initial total estimated costs of the Phase #1 Projects, excluding Phase #1 Bond issuance costs, were equal to $23,763,687. According to Requisition #5 approved by the City on April 1, 2024, the actual Phase #1 Project costs, including Phase #1's share of the Initial Major Improvements, spent to date are equal to $22,596,075, net of retainage held.

Table II-A on the following page summarizes the updated sources and uses of funds required to (1) construct the Phase #1 Projects, (2) establish the PID, and (3) issue the Phase #1 Bonds.
