Memorandum

To:	**Honorable Mayor Tubbs and the Celina City Council**
From:	Lauren Vaughns, City Secretary
CC:	Robert Ranc, City Manager
Intiated by:	
Date:	January 14, 2025
Re:	Charter Review Commission update

Action Requested:
Charter Review Commission update (Vaughns)

Background Information:
The Charter Review Commission has diligently reviewed the City Charter over a series of meetings held on October 16, October 30, November 13, and November 20. The purpose of the review was to ensure the charter remains aligned with current city operations, complies with state law, and reflects best practices for municipal governance. Following this thorough review process, the Commission has finalized a list of proposed amendments.

Summary of Proposed Changes:

1. **Term Limits for Elected Officials (Chapter 2, Section 2.01):**
    - Implement a three-term limit for both the Mayor and City Council members, with a total service limit of 18 years.
    - Effective May 2026; terms served prior to this date will not count retroactively.
    - The Commission voted nine in favor and seven opposed to move forward with proposing term limits.

2. **Mayor's Role and Authority (Chapter 3, Section 3.01):**
    - Clarifies that the Mayor is part of the City Council. The Commission voted unanimously in favor on this matter.
    - Provides the Mayor with voting rights on all matters. The Commission voted 11 in favor and four opposed on this matter.

- Removes the provision granting veto power to the Mayor. The Commission voted 14 in favor and one opposed on this matter.

3. **City Manager Hiring Decisions (Chapter 4, Section 4.02):**
   - Removes the requirement for City Council concurrence in the hiring of Department Heads; leaving concurrence for Police Chief and Fire Chief.
   - The Commission voted unanimously in favor on this matter.

4. **Boards and Commissions (Chapter 9):**
   - Establishes term limits for board and commission members, aligning them with the three-year term limit for Council Members. The Commission voted unanimously in favor on this matter.
   - Stipulates that board members can only be removed by a vote of at least five Council Members. The Commission voted nine in favor and five opposed to move forward with this item.
   - Directs the City Attorney to ensure consistency with state law.

5. **Official Newspaper (Chapter 14, Section 14.04):**
   - Amended to ensure the designation of the official newspaper is in accordance with state law.
   - The Commission voted unanimously in favor on this matter.

6. **General Updates:**
   - Adjustments to formatting and language for consistency and readability.
   - Removal of outdated provisions that conflict with current legal standards.

- Clarifying language creating the City's Municipal Court
- Removing Section 8.03 Tax Administration and adding similar language to Section 8.04 Finance Department
- Amending language in Section 14.09 to removed Risk Management Coordinator and replacing with City's Human Resource office.

Goals of the Proposed Amendments

- Promote transparency and accountability.
- Align with state laws and best practices.
- Improve operational clarity.

Next Steps

- February 11: Council will call the election and approve the items to be placed on the May ballot.
- Early Voting: April 21-29
- Election Day: May 3

Staff requests feedback from Council on the presented proposed amendments to the City Charter.

Editor's note–*Printed herein is the charter of the City of Celina, Texas, which was adopted at an election held on 5/12/07 and as amended on 5/7/16. Apart from minor nonsubstantive changes in style and formatting, the charter is reproduced as adopted. Capitalization, punctuation and grammar have been retained. Obviously misspelled words have been corrected without notation. Material enclosed in brackets has been added for clarification. Amendments to the charter are indicated by a history note following the amended provision. The absence of a history note indicates the material is unchanged from the original charter. Pursuant to the election held on 5/10/16, by Ordinance 2016-02, propositions 1 and 2 revisions incorporated herein without notation.*

CHAPTER 1
INCORPORATION AND BOUNDARIES

§ 1.01. INCORPORATION.

All inhabitants of the City of Celina, Texas, as the boundaries and limits of said City have heretofore been established and now exist or may hereafter be established shall constitute a municipal body politic incorporated under and known by the name "City of Celina" with such powers, rights, duties, privileges, and immunities as are herein provided.

§ 1.02. BOUNDARIES AND LIMITS.

The boundaries and limits of the City of Celina shall be those as established and described in ordinances duly passed by the City Council of the City of Celina in accordance with State law. The City Secretary shall keep a correct and complete description and official map on file, with recent annexations and disannexations.

§ 1.03. ANNEXATIONS AND DISANNEXATIONS.

The City shall have the power by ordinance to fix the boundaries of the City and to alter its boundaries by annexing any territory adjoining its present or future boundaries in any size or shape desired in any manner provided by State law. The City may from time to time alter its boundaries by disannexing any territory adjoining its present or future boundaries by passage of an ordinance describing the territory being disannexed. Any additional territory annexed to the City shall be a part of the City for all purposes, and the property situated therein shall bear its pro rata part of the taxes levied by the City as provided by State law. The inhabitants thereof shall be entitled to all rights and privileges of all citizens and shall be bound by the acts, ordinances, and resolutions of the City.
(Amended 5/7/22)

CHAPTER 2
FORM OF GOVERNMENT AND POWERS

§ 2.01. FORM OF GOVERNMENT.

The municipal government for the City of Celina shall be a "Council-Manager Government." Except as otherwise provided by this Charter and the Constitution and laws of the state of Texas, all powers conferred on the City shall be exercised by a City Council to be composed of seven (7) members consisting of a Mayor and six (6) Council Members in places 1, 2, 3, 4, 5 and 6 elected by qualified voters ~~for a term of three (3) years~~. ~~There shall be no limits on the number of successive terms the Mayor or Council Members may serve.~~

Commented [HS1]: Recommended term limits are in §3.08 for council members and Ch 9 for board members.

§ 2.02. POWERS OF THE CITY.

The City of Celina shall be a Home Rule City under the Constitution and laws of the state of Texas and shall have all powers, functions, rights, privileges, and immunities of every kind and nature granted to a Home Rule City under Article XI, Section 5, of the Constitution of the state of Texas, known as the Home Rule Amendment, and all other laws passed by the Legislature of the state of Texas relating thereto, or which may hereafter be passed by said Legislature in relation to such matters including, but not limited to the following powers:

(1) To assess, levy, and collect taxes for general and special purposes on all lawful subjects of taxation.

(2) To fix and regulate the rates of gas, water, electricity, and other utilities, and to regulate and fix the fares, tolls, and charges of local telephones and exchanges, public carriers and motor vehicles where they are transporting passengers, freight or baggage, and generally to fix and regulate the rates, tolls, or charges and the kind of service of all public utilities of every kind, unless otherwise required by State law.

(3) To sue and be sued, to contract and be contracted with, to buy, sell, lease, mortgage, hold, manage, and control such property as its interests require.

(4) To make and enforce all police, health, sanitary and other regulations, and pass such ordinances as may be expedient for maintaining and promoting the peace, good government, and welfare of the City, for the performance of the functions thereof, for the order and security of its inhabitants, and to protect the peace, lives, health, and property of such inhabitants, and to provide suitable penalties for the violation of any ordinance enacted by the City.

(5) To borrow money on the faith and credit of the City by the issue or sale of bonds, warrants, certificates of obligation, notes or other securities authorized by the laws of the state of Texas.

(6) To acquire, by purchase, gift or devise, or by the exercise of the right of condemnation, and own, in fee simple or otherwise, either public or private property located inside or outside of the corporate limits of the City for the extension, improvement and enlargement of its waterworks system, including riparian rights, water supply reservoirs, stand pipes, watersheds, dams, and the laying, building, maintenance and construction of water mains, rights-of-way in connection therewith, and the laying, erection, establishment or maintenance of any necessary appurtenances or facilities which will furnish to the inhabitants of the City an abundant supply of wholesome water; for sewerage plants and systems; rights-of-way for water and sewer lines; parks, playgrounds, fire stations, police stations, incinerators or other garbage disposal plants; streets, boulevards, and alleys or other public ways; municipal buildings, garages and parking facilities, or any rights-of-way needed in connection with any property used for any purpose hereinabove named; for the straightening or improving of the

channel of any stream, branch or drain or for any other municipal or public purpose though not specifically enumerated in this Charter.

(7) To institute and prosecute suits without giving security therefor, and appeal from judgments of the courts without giving supersedeas or cost bonds, other bonds or security whatsoever.

(8) To have the exclusive right to erect, own, maintain and operate a waterworks and sanitary system for the use of said City and its inhabitants and to regulate the same, including the right to prescribe rates for water and sanitary sewer services, and to make such rules and regulations as the council may deem expedient, including the power to extend water and sanitary sewer lines and assess a portion or all of the cost therefore and affix a lien against the property and the owner thereof, and do anything whatsoever necessary to operate and maintain said waterworks and to compel the owners of all property and the agents of such owners to pay all charges for water and sanitary sewer services furnished.

(9) To acquire property within or without its boundaries or within boundaries of other municipalities for any public purpose, in fee simple or lesser interest or estate, by purchase, gift, devise, lease, or condemnation when necessary or desirable to carry out any of the powers conferred upon it by this Charter or by the Constitution and the laws of the state of Texas.

(10) To sell, lease, hold, manage, control and police any property now owned by it or which it may hereafter acquire, and shall have the right to lease or let its property whether inside or outside of the corporate limits of the City subject to any limitations set forth in state law or this Charter.

(11) To lay out, open, close, establish, alter, widen, lower, extend, grade, supervise, maintain, and improve streets, alleys, and parks, and to regulate the use thereof and require removal of all obstructions or encroachments of every nature and character upon said public streets, sidewalks or other public property.

(12) To create offices, determine the method for selection of officers, and prescribe the qualifications, duties, and tenure of office for officers.

(13) To appropriate the money of the City for all lawful purposes to create, for, construct, regulate, and maintain public works, public improvements of any nature, economic development and to furnish municipal services as may be provided by resolution or ordinance of the City Council, or as required by law.

(Amended 5/7/16)

§ 2.03. POWERS - GENERAL.

The enumeration of particular powers in the Charter shall not be held or deemed to be exclusive, but in addition to the powers enumerated herein, implied thereby, or appropriate to the exercise thereof, the City shall have and may exercise all other powers which under the Constitution and laws of the state of Texas it would be competent for the Charter specifically to enumerate.

CHAPTER 3
CITY COUNCIL

§ 3.01. MAYOR.

The person elected Mayor shall be the presiding officer of all meetings of the City Council. He/She shall be the official head of the City government for all ceremonial purposes and by the governor for purposes of military law ~~and shall not be able to vote on matters coming before the Council, except in case of a tie~~. ~~The Mayor shall have a one-time veto power over ordinances adopted by the City Council, which can be overridden by a majority vote of the City Council, excluding the Mayor, at the next regular or special meeting.~~ The Mayor, as a member of the City Council, shall be entitled to vote upon all matters considered by the City ~~c~~Council, but shall have no veto power. The Mayor shall present an annual state of the City message, and perform other duties as specified by the City Council, imposed by this Charter or by applicable State law. The Mayor may sign, upon authorization of the City Council, all resolutions, ordinances, contracts or conveyances on behalf of the City, and all bonds, warrants, and any other obligations issued under the provisions of this Charter.

§ 3.02. QUALIFICATIONS.

In addition to any other qualifications prescribed by the Texas Election Code or any other applicable law, the Mayor and each Council Member shall meet the conditions of this Charter while in office, and shall reside within the corporate limits of the City while in office. Any member of the City Council ceasing to possess any of the qualifications specified in this Section or convicted of a felony while in office, shall immediately forfeit such position. Each candidate for election to the City Council or office of Mayor shall be a qualified voter of the City, shall be not less than twenty-one (21) years of age immediately preceding election day, shall have resided in the City not less than twelve (12) months immediately preceding election day and shall meet the requirements of the Texas Election Code.

No candidate may file in a single election for more than one (1) office or position as provided by this Charter.

The position of an elected Mayor or Council Member shall become vacant when the person holding such office is elected to another elective public office, or otherwise provided by the Texas Constitution. (Amended 5/7/16; 5/7/22)

§ 3.03. COMPENSATION.

Members of the City Council shall serve without compensation, except that the Mayor and Council Members shall be entitled to reimbursement of all necessary and reasonable expenses incurred in the performance of their official City Council duties, upon approval of such expenses by the City Council.

§ 3.04. VACANCIES IN THE CITY COUNCIL; FILLING OF VACANCIES.

A. The office of a Council Member or office of the Mayor shall become vacant upon his/her death, written resignation, or removal from office in any manner authorized by law, removal of his/her residence from the City of Celina, or forfeiture of his/her office.

B. A Council Member or the Mayor shall forfeit his/her office if he/she lacks at any time during his/her term of office any qualification for the office prescribed by this Charter or by State law, or if he/she violates any express prohibition of this Chapter or any other provision of this Charter, or if he/she fails to attend three (3) consecutive regular City Council meetings without being excused by the City Council. The City Council shall be the final judge in matters involving forfeiture of office by a Council Member or the Mayor.

C. A vacancy on the city council shall be filled by election in accordance with the Texas Constitution. However, a vacancy may be filled by appointment if the vacancy is created in an unexpired term having 12 months or less remaining.

(Amended 5/7/16)

§ 3.05. MEETINGS; QUORUM.

Regular meetings of the City Council shall be held at such times as may be prescribed from time to time by resolution of the City Council. Special meetings shall be called by the City Secretary upon the written request of the Mayor, the City Manager or two (2) Members of the City Council. Notice of any regular or special meetings of the City Council shall state the subject to be considered at the meeting. All official meetings of the Council and of all committees thereof shall be open to the public as provided by State law. A quorum shall consist of four (4) Members, including the Mayor. No action of the City Council, except as specifically provided in this Charter, shall be valid or binding unless adopted by the affirmative vote of at least three (3) Council Members. The Council shall determine its own rules of procedure, may punish its Members for misconduct, and may compel the attendance of absent members.

§ 3.06. MAYOR PRO TEM AND DEPUTY MAYOR PRO TEM.

A. The City Council shall elect one of its members as Mayor Pro Tem no later than the second regular Council meeting after such election or runoff election who shall perform the duties of Mayor in the case of the absence or inability of the Mayor to perform the duties of his/her office, and who shall, during that time, be vested with all the powers and responsibilities belonging to the Mayor.

B. The City Council shall elect one of its members as Deputy Mayor Pro Tem, who shall perform the duties of Mayor in the case of the absence or inability of the Mayor or Mayor Pro Tem to perform the duties of his/her office, and who, shall during that time, be vested with all the powers and responsibilities belonging to the Mayor.

(Amended 5/7/22)

§ 3.07. ABSTENTION.

Should the Mayor or any Council Member choose to abstain from voting on any question or matter before the City Council, where no conflict of interest exists, immediately following the vote the Mayor shall announce the abstention without conflict and the Mayor's or Council Member's abstention shall be recorded as a negative vote in the official minutes of the meeting.

§ 3.08. TERMS.

No person shall serve as Mayor for more than three elected terms, and no person shall serve as Council Member for more than three elected terms. No person shall serve as a Council Member and Mayor (combined) for more than 18 years. An appointment or election to fulfill an unexpired Council Member term, or unexpired Mayor term if applicable, shall not count as a full term. Any term, whether served as Mayor or Council Member, that is not fully completed shall not count as a full term.

CHAPTER 4
CITY MANAGER

§ 4.01. CITY MANAGER - QUALIFICATIONS, APPOINTMENT AND REMOVAL; DUTIES; COMPENSATION.

The City Manager shall be the chief administrative and executive officer of the City. The City Manager is appointed by and serves at the will of the City Council. CHAPTER 7
CITY ATTORNEY

§ 7.01. APPOINTMENT.

The City Council shall appoint a competent licensed attorney of recognized ability and he/she shall be known as the City Attorney. The City Attorney shall serve at the will and pleasure of the City Council.

§ 7.02. COMPENSATION.

The City Attorney shall receive for his/her services such compensation as may be fixed by the City Council at the time of his/her appointment, and from time to time as authorized by the City Council.

§ 7.03. DUTIES OF CITY ATTORNEY.

The City Attorney shall be the legal adviser of, and attorney for, all of the offices and departments of the City and shall represent the City in all litigation and legal proceedings, provided, however, that the Council may retain special counsel at any time it deems appropriate and necessary. He/She shall review as directed and approve as to form al documents, contracts, resolutions, ordinances, and legal instruments in which the City may have an interest. The City Attorney shall perform other duties prescribed by the Charter, by ordinance or resolution of the City Council.
(Amended 5/7/22)

CHAPTER 8
CITY DEPARTMENTS

§ 8.01. ADMINISTRATIVE DEPARTMENTS.

There shall be such administrative departments as are established by this Charter and as may be established by ordinance and, except as otherwise provided in this Charter, such administrative departments shall be under the direction and supervision of the City Manager. ~~The City Council may discontinue, re-designate, or combine any of the department[s] and/or administrative offices of the City.~~ The head of each department shall be appointed by the City Manager ~~with the concurrence of the Council~~, and such ~~D~~department head shall have supervision and control over his/her department. The same individual may head two (2) or more departments, and the City Manager may head one (1) or more departments.

§ 8.02. POLICE AND FIRE DEPARTMENTS.

There is hereby created a Police Department of the City of Celina, at the head of which shall be the Chief of Police. There is hereby created a Fire Department of the City of Celina, at the head of which shall be a Fire Chief. The head of each department shall be appointed by the City Manager with the concurrence of the Council, and such ~~D~~department head shall have supervision and control over his/her department. The duties of the Chief of Police and Fire Chief and the other officers and personnel of such departments shall be as provided by ordinance. The administration of the Police Department and Fire Department may be combined or organized in any manner as determined by the City Manager with the concurrence of the City Council.

§ 8.03. ~~TAX ADMINISTRATION~~RESERVED.

~~A. There shall be a department of taxation to assess and collect taxes, the head of which shall be the City Tax Assessor and Collector who shall be appointed by the City Manager with concurrence of the City Council. The Tax Assessor and Collector shall provide a bond with such sureties and in such amount as the Council may require, and the premiums on such bond shall be paid by the City. The City Council may provide for such services by contract.~~

~~B. The City Council shall have the power, and is hereby authorized to levy, assess, and collect annual taxes not to exceed the maximum limit set by the Constitution and laws of the state of Texas, as they now exist or as they may be amended, on each one hundred dollars ($100.00) assessed valuation of all property having a location within the corporate limits of the City and not exempt from taxation by the Constitution and laws of the state of Texas.~~

~~C. All taxes due the City shall be payable at the office of the Assessor and Collector and may be paid at any time after the tax rolls for the year have been completed and approved, which completion and approval shall be not later than October 1. Taxes shall be paid before February 1 of each year succeeding the year for which the taxes are levied, and all such taxes not paid prior to such date shall be deemed delinquent and shall be subject to such penalty and interest as may be provided by law. Failure to levy and assess taxes through omission in preparation of the approved tax rolls shall not relieve the person, firm, or corporation so omitted from the obligation to pay such current or past due taxes shown to be payable by recheck of the rolls and receipts for the years in question, unless otherwise provided by law.~~

~~D. All property having its location in the City on the first day of January of each year shall stand charged with a lien in favor of the City from said date for the taxes due thereon. The lien provided hereby shall be superior to all other liens except other tax liens, regardless of when such other liens were~~

~~created. All persons purchasing any of said property on or after the first day of January in any year shall take the same subject to the lien herein provided. In addition to the lien herein provided on the first day of January of any year, the owner of property subject to taxation by the City shall be personally liable for the taxes due thereon for such year. The City shall have the power to sue for and recover personal judgment for taxes without foreclosure, or to foreclose its lien or liens, or to recover both personal judgment and foreclosure. In such suit where it appears that the description of any property in the City assessment rolls is insufficient to identify such property, the City shall have the right to plead a good description of the property to be assessed, to prove the same, and to have its judgment foreclosing the tax lien and/or for personal judgment against the owner for such taxes as such ownership and property appears on the approved tax rolls furnished by the Central Appraisal District of the County where the property is located.~~

§ 8.04. FINANCE DEPARTMENT.

There shall be a Department of Finance, the head of which shall be appointed by the City Manager ~~with concurrence of the City Council~~. The head of the Department of Finance shall also be the City Treasurer. The ~~D~~department head shall provide a bond with such surety and in such amount as the Council may require and the premiums on such bond shall be paid by the City. The ~~D~~department head shall have knowledge of municipal accounting and taxation and shall have experience in budgeting and financial control. The ~~D~~department head shall have the custody of all public monies, funds, notes, bonds, and other securities belonging to the City. He/She shall make payments out of City funds upon order of the City Council or other authorized City officer as provided herein. He/She shall render a full and accurate statement to the City Manager ~~and the City Council~~ of his/her receipts and payments at such times as the City Manager ~~or City Council~~ may require. The ~~D~~department head shall perform other such acts and duties as the ~~Council or~~ City Manager may prescribe.

The City Council shall have the power, and is hereby authorized to levy, assess, and collect annual taxes not to exceed the maximum limit set by the Constitution and laws of the state of Texas, as they now exist or as they may be amended, on each one hundred dollars ($100.00) assessed valuation of all property having a location within the corporate limits of the City and not exempt from taxation by the Constitution and laws of the state of Texas.

All taxes due the City shall be payable at the appropriate county tax assessor's office and may be paid at any time after the tax rolls for the year have been completed and approved, which completion and approval shall be not later than October 1. Taxes shall be paid before February 1 of each year succeeding the year for which the taxes are levied, and all such taxes not paid prior to such date shall be deemed delinquent and shall be subject to such penalty and interest as may be provided by law. Failure to levy and assess taxes through omission in preparation of the approved tax rolls shall not relieve the person, firm, or corporation so omitted from the obligation to pay such current or past due taxes shown to be payable by recheck of the rolls and receipts for the years in question, unless otherwise provided by law.

All property having its location in the City on the first day of January of each year shall stand charged with a lien in favor of the City from said date for the taxes due thereon. The lien provided hereby shall be superior to all other liens except other tax liens, regardless of when such other liens were created. All persons purchasing any of said property on or after the first day of January in any year shall take the same subject to the lien herein provided. In addition to the lien herein provided on the first day of January of any year, the owner of property subject to taxation by the City shall be personally liable for the taxes due thereon for such year. The City shall have the power to sue for and recover personal judgment for taxes without foreclosure, or to foreclose its lien or liens, or to recover both personal judgment and foreclosure. In such suit where it appears that the description of any property in the City assessment rolls is insufficient to identify such property, the City shall have the right to plead a good description of the property to be assessed, to prove the same, and to have its judgment foreclosing the tax lien and/or for personal judgment against the owner for such taxes as such ownership and property appears on the approved tax rolls furnished by the

Central Appraisal District of the County where the property is located.

§ 8.05. FISCAL YEAR.

The fiscal year of the City shall begin on the first day of October and end on the thirtieth day of September of the following year, provided that the fiscal year may be changed by the Council by ordinance.

§ 8.06. ANNUAL BUDGET.

It shall be the duty of the City Manager to submit an annual budget at a time consistent with state law to the Council for its review, consideration and revision. The Council shall call a public hearing or hearings on the budget. The Council may adopt a budget with or without amendments. The Council may increase or decrease amounts or programs and may delete any programs or amounts except expenditures required by law or for a debt service, provided that no amendment shall increase the authorized expenditures to an amount greater than the total of the estimated income for the current fiscal year plus funds available from prior years. At the close of each fiscal year, the unencumbered balance of each appropriation shall revert to the fund from which it was appropriated and shall be subject to future appropriations, but appropriations may be made in furtherance of improvements or other objects of work of the City which will not be completed within the current year.
(Amended 5/7/22)

§ 8.07. FAILURE TO ADOPT ANNUAL BUDGET.

If the Council fails to adopt the budget by the twentieth day of September, the amounts appropriated for the current fiscal year shall be deemed adopted for the ensuing fiscal year on a month-to-month basis with all items in it prorated, until such time as the Council adopts a budget for the ensuing fiscal year. The property tax levy will be set to equal the total current fiscal year tax receipts, unless the ensuing fiscal year budget is approved by the twentieth day of September of the current fiscal year.
(Amended 5/7/22)

§ 8.08. BONDS AND OTHER EVIDENCES OF INDEBTEDNESS.

The City shall have the right and power to borrow money on the credit of the City for public purposes by whatsoever method it may deem to be in the public interest. The City shall further have the power to borrow money on the credit of the City and to issue general obligation bonds and other evidences of indebtedness for permanent public improvements or for any other public purpose not prohibited by the Constitution and laws of the state of Texas and to issue refunding bonds to refund outstanding bonds and other evidences of indebtedness of the City previously issued. All such bonds shall be issued in conformity with the laws of the state of Texas. The City shall further have the power to borrow money for the purpose of constructing, acquiring, improving, extending, or repairing or [sic] public utilities, recreational facilities or any other self-liquidating municipal functions not prohibited by the Constitution and laws of the state of Texas, and to issue revenue bonds to evidence the obligations created thereby. Such bonds shall be a charge upon and payable from the properties, or interest therein pledged, or the income therefrom, or both. The holders of the revenue bonds of the City shall never have the right to demand payment thereof out of monies raised or to be raised by taxation. All such bonds shall be issued in conformity with the laws of the state of Texas. The City shall have the power to borrow money for public improvements or any public purpose in any other manner provided by law, including certificates of obligation as authorized by Chapter 271 of the Texas Local Government Code. All bonds and evidences of indebtedness of the City having been approved by the Attorney General and registered by the Comptroller of Public Accounts shall thereafter be incontestable in any court or other forum for any reason, and shall be valid and binding obligations of the City in accordance with their terms for all purposes.

CHAPTER 9
BOARDS AND COMMISSIONS

§ 9.01. PLANNING AND ZONING COMMISSION.

The City Council shall create a Planning and Zoning Commission of the City of Celina and shall appoint seven (7) members, each of whom shall be a citizen of the City of Celina. Members shall be appointed for three (3) year staggered terms for a maximum of three (3) terms. Such appointees shall serve without compensation and may not hold any elective office of the state of Texas or any other political subdivision thereof during their terms. A vacancy in an unexpired term shall be filled by appointment by the City Council for the remainder of the term. The majority of the appointed members shall constitute a quorum, and decisions may only be made with the affirmative vote of a majority of these members present and voting. The Commission shall select from any of its members a Chairperson and Vice Chairperson. The Chairperson and Vice-chairperson shall be voting members of the Commission. Members of the Commission may be removed, at the discretion of the City Council.

§ 9.02. BOARD OF ADJUSTMENTS.

The City Council shall appoint a Board of Adjustments comprising of five (5) regular members and two (2) alternate members ~~for two (2) year staggered terms~~for three (3) year terms for a maximum of three (3) terms, all of which shall be citizens of the City of Celina. The Council, by ordinance, may provide for two (2) additional alternate members for three (3) year terms for a maximum of three (3) terms~~two (2) year staggered terms~~. All appointees shall serve without compensation and may not hold any elective office of the state of Texas or any other political subdivision thereof during their terms. The Board of Adjustments shall be governed by Chapter 211, Texas Local Government Code, and have such additional duties as may be prescribed by ordinance or applicable State law. A vacancy on the Board shall be filled by appointment by the City Council for the unexpired term. The Board shall select from any of its members a Chairperson and Vice-Chairperson. The Chairperson and Vice-Chairperson shall be voting members of the Board.

Commented [HS2]: Commission recommended 3 years for a max of 3 terms. LGC 211.008(b) states BOA members must serve 2 year terms and is silent on charters otherwise setting terms. However 211.008(c) speaks on charters allowing requirements for alternate members inferring the silence in (b) was intentional and terms must be 2 years. On other hand, the requirement that BOA members "must serve. . . .2 years" could be interpreted in that a charter amendment to increase that time to 3 years is sufficient in satisfying the 2 year requirement in the statute.

§ 9.03. PARK AND RECREATION BOARD.

The City Council shall appoint a Park and Recreation Board comprised of seven (7) members, each of whom shall be a citizen of the City of Celina. Members shall be appointed for three (3) year staggered terms for a maximum of three (3) terms. Such appointees shall serve without compensation. A vacancy for an unexpired term shall be filled by appointment by the City Council for the unexpired term. The Board shall select from its members a Chairperson and Vice Chairperson. The Chairperson and Vice-Chairperson shall be voting members of the Board.
(Amended 5/7/22)

§ 9.04. OTHER BOARDS AND COMMISSIONS.

The City Council shall have the power and is hereby authorized to create, abolish, establish, and appoint such other boards, commissions and committees, as it deems necessary to carry out the functions of the City and to prescribe the purpose, functions, and tenure of each board, commission, or committee in accordance with all applicable laws.
(Amended 5/7/16)

CHAPTER 10
ORDINANCES

§ 10.01. PROCEDURE FOR PASSING ORDINANCES AND RESOLUTIONS.

The City Council shall evidence its official actions by written ordinances, resolutions, or oral motions. The style of all ordinances shall be: "BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS" and the style of all resolutions shall be "BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS." Each proposed ordinance shall not be amended or repealed except by adoption of another ordinance. All ordinances and resolutions passed by the City Council shall become effective immediately from and after passage except where publication of a caption is required or where the ordinance, State law, or other provisions of this Charter provide otherwise, in which case the effective date shall be as prescribed in the ordinances.

§ 10.02. PUBLICATION OF ORDINANCES.

The descriptive caption or title of each ordinance containing a penalty shall be published at least once in the official newspaper of the City, unless otherwise provided by State law or this Charter.

§ 10.03. CODE OF ORDINANCES.

The City Council shall have the power to cause the ordinances of the City to be printed, in code form, as often as the Council may deem advisable, provided that failure to print the ordinances as herein provided shall not affect the validity of the same.

§ 10.04. ORDINANCES AND RESOLUTIONS NOW IN EFFECT.

All ordinances, portions thereof, resolutions, contracts, bonds, obligations, rules and regulations now in force under the City government of the City of Celina, and not in conflict with the provisions of this Charter, shall remain in force under this Charter until altered, amended, or repealed by the City Council in the manner required by law.

CHAPTER 11
ELECTIONS

§ 11.01. CITY ELECTIONS.

The Mayor and Council Members shall be elected at large. If a candidate for Mayor or Council Member fails to receive a majority of the votes cast at the regular election, the City Council shall order a run-off election to be held between the two (2) candidates receiving the highest number of votes, to be held on a date as prescribed by the Texas Election Code. All qualified voters of the State who reside within the City of Celina shall have the right to vote in City elections.

§ 11.02. SPECIAL ELECTIONS.

The City Council, by ordinance or resolution, may call such special elections as are authorized by the State law or this Charter, fix the time and place of holding the same, and provide all means for holding such special elections, provided that every special election shall be called and held as nearly as practicable, according to the provisions governing regular elections.

§ 11.03. REGULATION OF ELECTIONS.

All City elections shall be governed by the Constitution of the state of Texas, general laws of the state of Texas, this Charter, and by ordinance of the City regulating the holding of municipal elections. The City Council shall appoint the election judges and other election officials as prescribed by law and shall provide for the compensation of all election officials in City elections and for all other expenses in holding said elections.

§ 11.04. CANDIDATES: FILING FOR OFFICE.

Any qualified person as prescribed by Section 3.02 may make application to have his/her name placed on the official ballot for the position of Council Member or Mayor. The application shall be made in accordance with all applicable laws. Each candidate shall execute such oath and other official form of affidavit as may be required by the City Secretary pursuant to Texas Election Code. The City Secretary shall review the application and notify the candidate whether the application satisfies the requirements of this Charter and the Texas Election Code. If an application is insufficient, the City Secretary shall return it immediately to the candidate with a statement of such insufficiency. The candidate may file a new application within the regular time for filing applications. The City Secretary shall keep on file all applications found sufficient at least until the expiration of the term of office for which such candidates filed or otherwise as provided by law.
(Amended 5/7/22)

§ 11.05. OFFICIAL BALLOT.

The order on the ballot of the names of the candidates shall be determined by the City Secretary in accordance with the procedures set out in the Texas Election Code. The name of each candidate seeking an elective office, except those who have withdrawn, died, or become ineligible prior to the time permitted for withdrawal, shall be printed on the official ballot in the name designated by the candidate in accordance with the Texas Election Code.

§ 11.06. CANVASSING AND ELECTION RESULTS.

Returns of every municipal election shall be delivered forthwith by the Election Judges to the City

Secretary, with a copy of the returns being sent to the Mayor. The City Council shall canvass the returns and declare the official results of the election not less than three (3) days nor more than eleven (11) days after the date of the election, or as may be otherwise provided by the Texas Election Code.
(Amended 5/7/22)

§ 11.07. RUN-OFF ELECTION.

A. The candidates for Mayor and Council Members in Places 1, 2, 3, 4, 5, 6 receiving a majority of all votes cast for the office of Mayor and Council Members for Places 1, 2, 3, 4, 5, 6 shall be declared elected.

B. In the event a candidate for the office of Mayor or Council Member in Places 1, 2, 3, 4, 5, 6 fails to receive a majority of all votes cast for that office, a run-off election for that office shall be conducted. If more than two (2) candidates tie for the highest number of votes for either the office of the Mayor or Council Members, the tied candidates shall draw by lots to determine which two (2) are to be in a run-off election. The City Secretary shall supervise the drawing of lots under this section.

C. Not later than the fifth (5) day after the date of final canvass the City Council shall order a runoff election to be held on a date as prescribed the Texas Election Code.

CHAPTER 12
FRANCHISES

§ 12.01. POWER TO GRANT FRANCHISE.

The City Council shall have the power, subject to the provisions hereof, by ordinance to confer upon any person, firm, corporation, or other legal entity the franchise or right to use the public property of the City for the purpose of furnishing to the public any general public service or benefit, including, but not limited to, heat, light, power, telephone service, transportation, cable, or other telecommunication providers for compensation or hire. No franchise shall be granted by the City to any person, firm, corporation, or other legal entity to own, control or operate a waterworks therein. The City shall have the power by ordinance to grant, renew, and extend all franchises of all public utilities of every character operating within the City. No such franchise shall be granted until after a public meeting shall have been called and held and until such ordinance shall have been passed and accepted by the franchisee. No such ordinance shall become effective until thirty (30) days after its passage.

§ 12.02. TRANSFER OF FRANCHISE.

No public utility or other franchise shall be transferable except with the approval of the City Council expressed by ordinance. This restriction shall not be construed to prevent the franchise holder from pledging the franchise as security for a valid debt.

§ 12.03. OWNERSHIP, USE AND CONTROL OF STREETS.

No franchise or easement involving the right to use the same either along, over, across, under, or upon the streets, alleys, highways, parks, and public ways shall be valid unless granted in compliance with the terms of this chapter. No granting of a franchise by ordinance pursuant to this chapter shall convey any ownership or interest in any property of the City other than the right to use the public property for purposes of such franchisee's operations as expressed in the ordinance granting such franchise.

§ 12.04. RIGHT OF REGULATION.

In granting, amending, renewing and extending public service and utility franchises, the City shall retain the right to:

(1) Repeal such franchise by ordinance for failure to comply with the terms thereof, or for failure to begin construction or operation within the time prescribed, such power to be exercised only after due notice and hearing;

(2) Require an adequate extension of plant and service as is necessary to provide adequate service to the public, and maintenance of the plant and fixtures at the highest reasonable standard of efficiency;

(3) Establish reasonable standards of service and quality of products and prevent unjust discrimination in service or rates;

(4) Impose regulations to ensure safe, efficient and continuous service to the public. The franchise holder in opening and refilling all earth openings shall re-lay the pavement and do all other work necessary to complete restoration of streets, sidewalks, or grounds to a condition equally as good as or better than when disturbed; and

(5) Regulate, locate, or prohibit the erection of any and all poles, wires, or other utility equipment, conveyance, or structure, on the streets, alleys, and public places of the City, and to cause the same to

be changed, removed, altered, increased, diminished, placed underground, or be supported by poles of such material, kind, quality and class as may be determined by the City Council whether the same be telegraph, telephone, electric, cable television, or otherwise, and to enforce the provisions hereof by appropriate action in any court of competent jurisdiction.

§ 12.05. COMPENSATION FOR FRANCHISE.

All persons, corporations, or association of persons, to whom a franchise or privilege may hereafter be granted shall pay to the City for such privilege such compensation as may be fixed by the City Council in the grant of such franchise or privilege. Such compensation as fixed by contract or provided by any Texas statute or statutes and any amendments thereto shall become due and payable at such time as the City Council shall fix in the grant of such franchise or privilege, and upon the failure of any franchisee to pay said compensation when due shall result in forfeiture of the franchise or privilege.

§ 12.06. COUNCIL TO FIX AND REGULATE CHARGES, FARES, OR RATES.

Subject to state or federal law, the City Council shall determine, fix, and regulate the charges, fares or rates of any person, firm, or corporation enjoying a franchise or privilege granted under the provisions of this chapter, and shall prescribe the kind of service to be furnished to the public by such person, firm, or corporation, and the manner in which it shall be rendered and may from time to time alter or change such rules, regulations, and compensation after reasonable notice and public hearing, provided that the rates, charges and fares so fixed shall at all times be reasonable and permit a reasonable net return on the actual value of the physical properties and equipment of such utilities. In this connection, the City Council may require any utility or franchise holder to furnish such financial reports and information as the City Council may request, including reports of actual operating costs and the financial condition of its operations within the City, and the City Council may employ, at the expense of such franchisee, necessary outside experts to examine and audit the accounts and records of the franchisee to determine the reasonableness of such charges, fares, and rates.

CHAPTER 13
INITIATIVE, REFERENDUM AND RECALL

§ 13.01. POWER OF INITIATIVE.

The people of the City reserve the power to direct legislation by initiative and, in the exercise of such power, may propose any ordinance not in conflict with this Charter or State law, except an ordinance appropriating money or authorizing the issuance of bonds, or authorizing the levy of taxes, and user based fees, an ordinance amending an ordinance appropriating money or levying taxes, an ordinance authorizing the issuance of bonds, and user based fees, or an ordinance repealing an ordinance appropriating money or levying taxes and user based fees. Any initiated ordinance may be submitted by a petition signed by registered voters of the City equal in number to at least twenty (20) percent of the number of registered voters residing in the City at the time the petition is filed.

§ 13.02. POWER OF REFERENDUM.

The people of the City reserve the power to approve or reject at the polls any legislation enacted by the City Council, which is subject to the initiative process under this Charter. However, there is excepted from such power of referendum ordinances making the annual tax levy and bond ordinances authorizing the issuance of bonds. Within forty-five (45) days after the final adoption or publication, whichever date is later, of any ordinance which is subject to referendum, a petition, signed by registered voters of the City equal in number to at least twenty (20) percent of the number of registered voters residing in the City at the time the petition is filed, may be filed with the City Secretary requesting that any such ordinance be either repealed or submitted to a vote of the people. When such a petition has been certified as sufficient by the City Secretary, the ordinance so specified in the petition shall not go into effect, or further action shall be suspended if it shall have gone into effect, until and unless it is approved by the voters as herein provided.

§ 13.03. FORM OF PETITION FOR INITIATIVE AND REFERENDUM.

All petition papers circulated for the purpose of an initiative or referendum shall be uniform in size and style, and in accordance with the petition requirements of the Texas Election Code.

§ 13.04. FILING, EXAMINATION AND CERTIFICATION OF PETITIONS.

All papers comprising a petition for initiative or referendum shall be assembled and filed with the City Secretary as one instrument. Within thirty (30) days after the petition is filed, the City Secretary shall determine whether each paper of the petition has a proper statement of the circulator and whether the petition has been signed by a sufficient number of qualified electors and shall hold any petition paper entirely invalid which does not have attached thereto the statement signed by the circulator thereof. The City Secretary shall certify the result of this examination to the City Council at its next regular meeting. If the City Secretary shall certify that the petition is insufficient, the certificate shall specify the particulars in which it is defective and shall at once notify in writing the person filing the petition of this finding. A petition may be amended at any time within ten (10) days after a notice of insufficiency has been sent by the City Secretary, by filing a supplementary petition. In such event, the same procedures shall then be followed by the City Secretary and City Council as in the case of the original petition for the same purpose. The finding of insufficiency of an initiative petition shall not prejudice the filing of a new petition for the same purpose.

§ 13.05. COUNCIL CONSIDERATION AND SUBMISSION TO VOTERS.

When the City Council receives an authorized initiative petition, certified by the City Secretary to be sufficient, the City Council shall either (a) pass the initiated ordinance without amendment within twenty (20) days after the date of the certification to the City Council; or (b) submit the initiated ordinance without amendment to a vote of the qualified voters of the City at a regular or special election to be held on a uniform election date of the state of Texas, but not less than ninety (90) days from the date that the City Secretary certifies the submission to the City Council.

When the City Council receives an authorized referendum petition, certified by the City Secretary to be sufficient, the City Council shall reconsider the referred ordinance. If, upon such reconsideration, such ordinance is not repealed, it shall be submitted to the voters of the City at a regular or special election to be held on a uniform election date of the state of Texas, but not less than ninety (90) days from the date that the City Secretary certifies the submission to the City Council.

Special elections on initiated or referred ordinances shall not be held more frequently than once each six (6) months, and no ordinance on the same subject as an initiated ordinance which has been defeated at any election may be initiated by the voters within two (2) years from the date of such election.

§ 13.06. BALLOT FORM AND RESULTS OF ELECTION.

Ordinances submitted to the electors in accordance with the initiative and referendum provisions of this Charter shall be submitted by ballot title, which shall contain a clear, concise statement, without argument, of the substance of such ordinance. The ballot used shall have below the ballot title the following proposition, one above the other in the order indicated: “FOR THE ORDINANCE” and “AGAINST THE ORDINANCE.” Any number of ordinances may be voted on at the same election and may be submitted on the same ballot.

If a majority of electors voting on a proposed initiated ordinance shall vote in favor thereof, it shall thereupon become an ordinance of the City. A referred ordinance which is not approved by a majority of the electors voting thereon shall thereupon be deemed repealed. If conflicting ordinances are approved by the electors at the same election, the one receiving the greatest number of affirmative votes shall prevail to the extent of such conflict.

§ 13.07. POWER OF RECALL.

The people of the City reserve the power to recall the Mayor or any other Member of the City Council and may exercise such power by filing with the City Secretary a petition, signed by qualified voters of the City equal in number to at least twenty (20) percent of the number of registered voters residing in the City at the time the petition is filed demanding the removal of the Mayor or other Member of the City Council. The petition shall be signed and verified in the manner required for an initiative petition, shall contain a general statement of the grounds upon which the removal is sought and one of the signers of each petition paper shall make an affidavit that the statements made therein are true.

§ 13.08. RECALL ELECTION.

All papers comprising a recall petition shall be assembled and filed with the City Secretary. Within thirty (30) days after the petition is filed, the City Secretary shall determine its sufficiency and, if found to be sufficient, shall certify this fact to the City Council at its next regular meeting. If a recall petition is found to be insufficient, it may be amended within ten (10) days after notice of such insufficiency by the City Secretary, by filing a supplementary petition. In that event, the same procedures shall then be followed by

the City Secretary and the City Council as in the case of an original petition. The finding of insufficiency of a recall petition shall not prejudice the filing of a new petition for the same purpose.

The ~~City~~ Council Member or Mayor whose removal is sought by a recall petition may, within five (5) days after such petition has been certified and presented to the City Council, request in writing that a public hearing be held to permit him/her to present facts pertinent to the charges specified in the petition. In this event, the City Council shall order such public hearing to be held not less than five (5) days or more than fifteen (15) days after receiving such request for a public hearing.

If the ~~City~~ Council Member or Mayor whose removal is sought does not resign, the City Council shall order a recall election and fix a date for such election, the date of which shall not be less than ninety (90) days from the date the petition was submitted to the City Council or from the date of the public hearing if one was held, whichever is later, or at the earliest date thereafter permitted by the Texas Election Code.

§ 13.09. RECALL BALLOT.

Ballots used in recall elections shall read as follows: "SHALL (name of person or persons) BE REMOVED FROM OFFICE BY RECALL?" Below such question there shall be printed the following as to each person named:

"FOR THE REMOVAL OF (name of person.)"

"AGAINST THE REMOVAL OF (name of person.)"

§ 13.10. RESULTS OF A RECALL ELECTION.

If a majority of the votes cast at a recall election is against removal of a Council Member or Mayor named on the ballot that Member shall continue in office for the remainder of his unexpired term. If a majority of the votes cast at such election are for the removal of the ~~City~~ Council Member or Mayor named on the ballot, the City Council shall immediately declare the office vacant and such vacancy shall be filled in accordance with the provisions of state law and this Charter. A ~~City~~ Council Member or Mayor thus removed shall not be a candidate to succeed himself/herself in an election called to fill the vacancy created.

§ 13.11. LIMITATIONS ON RECALL.

No recall petition shall be filed against the Mayor or any other Council Member within six (6) months after he/she first takes office, or within six (6) months after an election for his/her recall, nor within six (6) months of the end of his/her term.

CHAPTER 14
GENERAL AND TRANSITIONAL PROVISIONS

§ 14.01. CONTINUATION OF PRESENT OFFICES.

All persons holding elective offices that are retained under this Charter will continue to fill those offices for the terms to which they were elected and ~~shall~~ may be re-elected prospectively in accordance with Section 2.01, "Form of Government."

All persons holding administrative offices at the time this Charter takes effect shall continue in office and in the performance of their duties in the capacities to which they have been appointed until provisions shall have been made in accordance with the terms of this Charter for the performance of such duties or the discontinuance of such office, if any. The powers conferred and the duties imposed upon any office, department, or agency of the City by the laws of the state of Texas shall, if such office, department, or agency be abolished by this Charter or under its authority, be thereafter exercised and discharged by the office, department, or agency designated by the City Council, unless otherwise provided herein.

§ 14.02. CONFLICT OF INTEREST.

No Member of the City Council, the Mayor, or any other officer, whether elected, appointed, paid or unpaid, who exercises responsibilities beyond those that are advisory in nature, shall participate in a vote or decision on a matter involving a business entity or real property in which such officer has a substantial interest, as defined by Chapter 171, Texas Local Government Code, if it is reasonably foreseeable that an action on the matter would have an economic effect on the business entity or on the value of the property that is distinguishable from the effect on the public.

If the officer, or a person related to the officer within the first degree of affinity or consanguinity, has a substantial interest in a business entity that would be specially affected by an official action of the City Council, the officer, if a member of the City Council, shall file an affidavit stating the nature and extent of the interest and abstain from further participation in the matter. Any willful violation of this section shall constitute malfeasance in office, and any officer or employee found by a court of competent jurisdiction to have violated this section shall forfeit his/her office or position. Any violation of this section, with the knowledge, expressed or implied, of a person or corporation contracting with the City, shall render the contract involved voidable by the City Council.

§ 14.03. NEPOTISM.

No member of the City Council, Mayor, or City Manager shall appoint, vote for, or confirm the appointment to any paid office, position, clerkship, employment or duty, any person, related within the second degree of affinity or within the third degree of consanguinity to any member of the City Council, Mayor, or City Manager, when the salary, fees, or compensation of such appointee is to be paid for, directly or indirectly, out of or from public funds or fees of office of any kind or character whatsoever. This provision shall not prevent the appointment, voting for, or confirmation of any person who shall have been continuously employed in any such office, position, clerkship, employment, or duty for at least thirty (30) days if the officer is appointed, or at least six (6) months if the officer is elected. When a person is allowed to continue in any such position, the officer related shall not participate in the deliberation or voting upon the appointment, reappointment, employment, confirmation, re-employment, change in status, compensation, or dismissal of such person, unless such action is taken with respect to a bona fide class or category of employees.

§ 14.04. OFFICIAL ~~NEWSPAPER~~SOURCE FOR PUBLIC NOTICE AND OTHER MATTERS.

The City Council shall have the power to designate by resolution a newspaper of general circulation in the City as the City's official newspaper. All ordinances, captions of ordinances, notices and other matters required to be published by this Charter, by ordinance, or by State law, shall be published on the City's website and ~~in the official newspaper or~~any other forms of media ~~allowed~~ required by state law.
(Amended 5/7/22)

§ 14.05. JUDICIAL NOTICE.

This Charter shall be recorded in the City Secretary's office in a book kept for that purpose. As soon as practicable after its adoption, an authenticated copy of the Charter shall be certified to the Secretary of State of the state of Texas, at which time the Charter becomes a public act. Such Charter provisions may be read in evidence without pleading or proof of their provision, and judicial notice shall be taken thereof in all courts and places.

§ 14.06. PROPERTY NOT SUBJECT TO GARNISHMENT AND EXECUTION.

No property owned or held by the City shall be subject to any garnishment or execution of any kind or nature except as specifically provided by State law.

§ 14.07. PUBLIC MEETINGS AND RECORDS.

All meetings of the City Council and all boards, commissions and committees appointed by the City Council shall be governed by the provisions of Chapter 551, Texas Government Code and any amendments thereto with regard to the posting of agenda and the holding of public meetings. All public records of every officer, department, or agency of the City shall be open to inspection by any citizen at all reasonable business hours, provided that records excepted from public disclosure by Chapter 552, Texas Government Code and any amendments thereto shall be closed to the public and not considered public record for the purpose of this section.

§ 14.08. INDEMNIFICATION OF OFFICERS.

The City Council shall, by appropriate ordinance, provide for the indemnification and defense of the officers and employees of the City, including the Members of the City Council, or any board, commission, or committee, including volunteers, against any loss, cost, or expense, including court costs and attorney's fees, to the extent allowed by law, arising out of the claim, suit, or judgment or settlement thereof, resulting from any alleged negligent act or omission of such officer, employee, member, or volunteer during the discharge of his duties and within the scope of his office, employment, membership, or assigned voluntary position with the City, or in any other case where the City is directed or authorized by law to do so. Such indemnification will not be provided for any act arising out of the intentional or knowing violation of any penal statute or ordinance or arising out of any conduct determined by final judgment to be an act of fraud or to have been taken with the intent to deceive or defraud, or for any personal or private business of such officer, employee, member, or volunteer, or for the gross negligence or official misconduct, or willful or intentionally wrongful act, or omission of such officer, employee, member, or volunteer.

§ 14.09. CLAIMS FOR DAMAGE OR INJURY.

The City of Celina shall never be liable for any personal injury or death, or for claims for damages or injury to real or personal property, alleged to have been caused by the negligent act or omission of any officer, agent, or employee of the City unless the person who has been injured, the person whose property has been

injured or damaged, or someone on his/her behalf, shall file a claim in writing with the ~~Risk Management Coordinator~~City's Human Resources office within six months after said injury, death, or damage has occurred, stating specifically when, where, and how the injury, death, or damage occurred, the full extent thereof, the amount of damages claimed or asserted, and the basis claimed for liability on the part of the City.
(Amended 5/7/22)

§ 14.10. AMENDMENT OF THIS CHARTER.

Amendments of this Charter may be submitted by the City Council to the qualified voters of the City for their approval at an election, no more often than once every two (2) years, held in accordance with Chapter 9, Texas Local Government Code.

§ 14.11. BOND OR SECURITY NOT REQUIRED.

It shall not be necessary in any action, suit, or proceeding in which the City is a party, for any bond, undertaking, or security to be executed on behalf of said City. All such actions, suits, appeals, or proceedings shall be conducted in the same manner as if such bond, undertaking, or security had been given, and said City shall be liable as if such obligation had been duly given and executed.

§ 14.12. SEVERABILITY CLAUSE.

If any chapter, section, paragraph, sentence, clause, or phrase of this Charter shall be held unconstitutional or invalid for any reason by a court of competent jurisdiction, such holding shall not affect the remainder of this Charter nor the context in which such provision so held invalid may appear, except to the extent that an entire chapter, section, paragraph, or sentence may be inseparably connected in meaning and effect with the provision to which such holding shall apply directly.

§ 14.13. MEANING OF WORDS.

The provision[s] of this Charter shall be liberally construed for the purpose of effecting the objects and ends thereof. Unless some other meaning is manifest, the word "City" shall be construed to mean the "City of Celina," and the word "and" may be read "or" or the word "or" may be read "and" if the sense requires. Words in the present tense include future tense and, except when a more constrictive meaning is manifest, singular may mean plural. The word "Council" shall be construed to mean the City Council of the City of Celina. The gender of the wording as contained in the Charter shall always be interpreted to mean either sex.

§ 14.14. EFFECTIVE DATE.

This Charter, including all subsequent amendments, shall take effect immediately following adoption by the voters and entry of the official order by the City Council declaring the same adopted as soon as practicable. After adoption, the Mayor shall certify to the Secretary of State an authenticated copy of the Charter under the City's seal showing approval by the voters. The City Secretary shall record the Charter in a book kept for that purpose and keep and maintain the same as the official record of the City.

Parks Administration Building update (Walsh)

Background Information:
City Council authorized staff to enter into an agreement with Parkhill to design the Parks & Recreation Administration Building in September 2023. Staff presented the initial schematic design to City Council on July 9, 2024. The initial project budget is estimated at $8,098,209. Crossland Construction was approved by City Council as the project CMAR.

Parkhill has continued to lead a collaborative effort with the Parks & Recreation, Engineering, and Information Technology departments to refine the design documents. Staff is looking for input from the City Council before Parkhill proceeds with creating design documents.

AV UPGRADES

- The AV system installed in council chambers was originally installed in 2019. Since 2019, there has been a lot of new functionality requested of the system.
- Our current system has reached the end of its lifecycle. It's critical to lifecycle equipment to prevent unexpected failures. Most experts recommend refreshes occur 3-5 years after the system was installed.

Re:	Economic Development Agreement and Performance Agreement with Home Depot U.S.A., Inc.

Action Requested:
Discussion regarding an approved Economic Development Agreement and Performance Agreement with Home Depot U.S.A., Inc. (Satarino)

Background Information:
On December 19, 2024, the Celina Economic Development Corporation (CEDC) and City of Celina entered into an Chapter 380 Economic Development Agreement and Performance Agreement with Home Depot U.S.A., Inc (Developer). The City and CEDC determined that a grant of funds to the Developer for a 105,000 gross square foot facility located on approximately 11.54-acres generally located on the northwest corner of Preston Road and Ownsby Parkway would serve the purpose of promoting local economic development.

The Developer covenants and agrees to a construct a minimum of $20,000,000 of qualified improvements on the property by July 31, 2026, with the qualified expenditures for the construction of infrastructure to serve the property equaling a minimum of $1,397,500.

Developer agrees to obtain or cause to be obtained a certificate of occupancy by July 31,2026 and operate the facility by August 31, 2026. The Developer agrees to employ a minimum of 48 full-time equivalent positions by March 31, 2027.

The City agrees to pay the Developer grant payments based on the sales and use tax reported by the Developer to the City. The City grant payments shall be based upon a 37.5% sales tax rebate over a 10-year reporting period not to exceed $838,500.

The CEDC agrees to pay the Developer grant payments based on the sales and use tax reported by the Developer to the CEDC. The CEDC grant payments shall be based upon a 50% sales tax rebate over a 10-year reporting period not to exceed $559,000.

A sales tax rebate offered by an EDO or City is a financial incentive where a portion of the sales tax revenue generated by a business is refunded back to the business to encourage economic growth and attraction of new businesses.

The CEDC, in coordination with the City's Marketing Department, will unveil a strategy for sharing information regarding the future developments along Preston Road.

Legal Review:
The City Attorney and CEDC Attorney have reviewed the attached approved agreement.

Preston Road Infrastructure

Costco/Lowes

- As stipulated in the agreements with Costco and Lowe's the construction of Ownsby Parkway – a four-lane divided roadway – and traffic signal (95% complete) must be completed prior to opening for business.

Walmart

- Walmart is required to submit a full traffic impact analysis (TIA) for the 80 acres which identifies existing conditions, trip generation, trip distribution, impact on surrounding infrastructure, and mitigation measures. As each phase develops, the TIA will need to be amended.

- Each development is required to submit a TIA to ensure the roadway infrastructure can accommodate increased demand from new development. Additionally, it should suggest infrastructure improvements to minimize traffic impacts.

CHAPTER 380 ECONOMIC DEVELOPMENT AGREEMENT
AND PERFORMANCE AGREEMENT

This **CHAPTER 380 ECONOMIC DEVELOPMENT AGREEMENT AND PERFORMANCE AGREEMENT** by and between the ***CITY OF CELINA, TEXAS***, a Texas home-rule municipality (hereinafter referred to as the "City"); the ***CELINA ECONOMIC DEVELOPMENT CORPORATION***, a Texas non-profit corporation (hereinafter referred to as the "CEDC"), and **HOME DEPOT U.S.A., INC.**, a Delaware corporation (hereinafter referred to as the "Developer"), is made and executed on the following recitals, terms and conditions.

WHEREAS, certain capitalized terms used herein are defined in Section 3, below; and

WHEREAS, the City desires to provide, pursuant to Chapter 380 of the Texas Local Government Code an incentive to Developer to develop the Property as defined below; and

WHEREAS, the City possesses the legal and statutory authority under Chapter 380 of the Texas Local Government Code to make loans or grants of public funds for the purposes of promoting local economic development and stimulating business and commercial activity within the City of Celina, Texas; and

WHEREAS, the City has determined that a grant of funds to the Developer will serve the public purpose of promoting local economic development, with the development and diversification of the economy of the State and City, will eliminate unemployment and underemployment in the State and City, and will enhance business and commercial activity within the City of Celina, Texas; and

WHEREAS, the City has concluded and hereby finds that this Agreement clearly promotes economic development in the City of Celina, Texas, and, as such, meets the requisites under Chapter 380 of the Texas Local Government Code, and further, is in the best interests of the City and the Developer; and

WHEREAS, the City has concluded and hereby finds that this Agreement clearly promotes economic development in the City of Celina, Texas, and, as such, meets the requirements of Article III, Section 52-a of the Texas Constitution by assisting in the development and diversification of the economy of the State, by eliminating unemployment or underemployment in the State, and by the development or expansion of commerce within the State; and

WHEREAS, the Celina Economic Development Corporation is a Type A economic development corporation, created pursuant to Chapter 504 of the Texas Local Government Code, as amended; and

WHEREAS, Section 501.103 of the Texas Local Government Code, in pertinent part, defines the term "project" to mean "expenditures that are found by the board of directors to be required or suitable for infrastructure necessary to promote or develop new or expanded business enterprises, limited to: (1) streets and roads, rail spurs, water and sewer utilities, electric utilities,

or gas utilities, drainage, site improvements, and related improvements; (2) telecommunications and Internet improvements . . .”; and

WHEREAS, Section 501.158 of the Texas Local Government Code prohibits the provision of a direct incentive unless CEDC enters into an Agreement with Developer providing at a minimum a schedule of additional payroll or jobs to be created or retained by CEDC’s investment; a schedule of capital investments to be made as consideration for any direct incentives provided by CEDC to Developer; and a provision specifying the terms and conditions upon which repayment must be made should Developer fail to meet the agreed to performance requirements specified in this Agreement; and

WHEREAS, Developer has applied to the City and CEDC for financial assistance necessary to construct a home improvement retail facility containing at least 105,000 gross square feet to be generally located on approximately 11.54-acres generally located on the northwest corner of Preston Road and Ownsby Parkway, City of Celina, Collin County, Texas; and

WHEREAS, the CEDC’s Board of Directors have determined the financial assistance to be provided to Developer pursuant to this Agreement is consistent and meets the definition of “project” as that term is defined in Section 501.103 of the Texas Local Government Code; and the definition of “cost” as that term is defined by Section 501.152 of the Texas Local Government Code; and

WHEREAS, Developer agrees and understands that Section 501.073(a) of the Texas Local Government Code requires the City Council of the City of Celina, Texas, to approve all programs and expenditures of the CEDC, and accordingly this Agreement is not effective until City Council has approved this project at a City Council meeting called and held for that purpose.

NOW, THEREFORE, for and in consideration of the agreements contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the City, CEDC, and Developer agree as follows:

SECTION 1. FINDINGS INCORPORATED.

The foregoing recitals are hereby incorporated into the body of this Agreement and shall be considered part of the mutual covenants, consideration and promises that bind the parties.

SECTION 2. TERM.

(a) This Agreement shall be effective as of the Effective Date, as defined herein, and shall continue thereafter until the sooner of the following: (1) the aggregate total payments to Developer pursuant to Section 5(a) and 6(a) of this Agreement equals One Million Three Hundred Ninety Seven Thousand Five Hundred and No/Dollars ($1,397,500)**;** or (2) December 31, 2035, unless terminated sooner under the provisions hereof. Any payment due to Developer for the year 2035 shall survive the Term of this Agreement.

(b) Notwithstanding anything to the contrary set forth in this Agreement, if either (i) Developer has not closed on the acquisition of the Property by the Acquisition Deadline, or (ii) a building permit for the Facility is not obtained by the Developer before July 1, 2025, this agreement shall automatically terminate, be void *ab initio*, and be of no further force or effect as of such date and the parties shall have no further rights or obligations hereunder.

SECTION 3. DEFINITIONS.

The following words shall have the following meanings when used in this Agreement.

(a) **Acquisition Deadline.** The words "Acquisition Deadline" shall mean **January 31, 2025**.

SECTION 4. AFFIRMATIVE COVENANTS OF DEVELOPER.

Developer covenants and agrees with the City and CEDC that, while this Agreement is in effect, it shall comply with the following terms and conditions:

(a) **Facility and Qualified Expenditures.** Developer covenants and agrees to submit to the City and CEDC contracts, invoices, receipts, all bills paid affidavits, and other documentation in a form acceptable to the City and CEDC related to the construction of the Facility and includes Qualified Expenditures in a minimum amount of **Twenty Million and No/100 Dollars ($20,000,000.00)** by **July 31, 2026**, with the Qualified Expenditures for the construction of infrastructure to serve the Property equaling a minimum amount of **One Million Three Hundred Ninety Seven Thousand Five Hundred and No/Dollars ($1,397,500)**. If such invoices, receipts, or other documentation are incomplete or insufficient for City and/or CEDC to verify the Facility and Qualified Expenditures, City and/or CEDC shall notify Developer, and Developer shall promptly supply any missing or necessary additional information necessary to verify the Facility and Qualified Expenditures.

(b) **Certificate of Occupancy.** Developer covenants and agrees to, after complying with all City Regulations, obtain or cause to be obtained by **July 31, 2026,** a certificate of occupancy from the City of Celina, Texas, for the Facility located on the Property.

(c) **Development**. The Facility shall be constructed and operated in accordance with the plans provided in ***Exhibit A***, and any site plan, building elevations, or landscape plans approved by the City. Developer agrees that materials and finish-out used for the Facility shall be substantially similar to such plans. Developer agrees that construction shall be in conformance with the most recently adopted City Regulations, including but not limited to the building codes of the City, and that building permit applications will be reviewed under such codes. The Property shall be subject to those fees and charges due and payable to the City in connection with the development of the Property that are charged pursuant to City Regulations to other developments located within the corporate limits of the City. The Developer shall construct the Facility consistent with and comparable to the attached renderings and also shall abide by the City's architectural standards, especially in regard to building materials, color regulations, the fueling canopy, and signage, subject to review and approval by City staff at time of permitting. Throughout the Term of this Agreement,

the Developer shall ensure that the façade of the Facility adheres to the architectural elevations depicted in ***Exhibit A***, subject to any modifications permitted under the applicable City Regulations or otherwise approved by the City. Notwithstanding any termination or expiration of this Agreement, Developer hereby covenants and agrees that it shall continue to maintain and adhere to the applicable City Regulations. Any alterations or modifications to the façade, whether during the Term of this Agreement or thereafter, shall only be undertaken with the prior written consent of the City, to the extent the consent of the City is required under the applicable City Regulations. The development and use of the Property shall comply with all applicable City Regulations, including but not limited to the Celina Comprehensive Zoning and Subdivision Ordinances, as amended.

(d) **Operate Facility.** Developer agrees to commence operations as a retail store open to the public by **August 31, 2026**, subject to the receipt of a certificate of occupancy from the City, and to maintain and operate the Facility located on the Property as a retail store during normal operating hours during the Term of this Agreement, subject to temporary cessations of operations due to casualty or an event of *force majeure*. Notwithstanding anything to the contrary in this Section 4(d), Developer may commence operations as a retail store open to the public later than August 31, 2026 (a "Delayed Opening") provided that such Delayed Opening is caused by a *force majeure* event.

(e) **Reporting of Sales and Use Tax and Type A Sales and Use Tax Revenue**. Developer covenants and agrees to provide to the City and CEDC, on an annual basis, a copy of the sales and use tax reports that were submitted to the State Comptroller relating to the remission of all local sales and use taxes collected by the Facility as a result of the operation of the Facility and the total annual sales occurring at the Property ("Sales Tax Report"). The sales and use taxes to be included within said Sales Tax Report include the Sales and Use Tax and the Type A Sales and Use Tax Revenue remitted by the State Comptroller to the City. Additionally, Developer covenants and agrees to obtain any third party's consent for the State Comptroller's office to release the annual reported figures along with any State audit adjustments to the City and CEDC. A form of "Waiver of Sales Tax Confidentiality" is attached as ***Exhibit C***. The City and CEDC hereby agree to keep this information "Confidential" consistent with Section 321.3022(f) of the Texas Tax Code, and to the extent allowed by law. The first Sales Tax Report from the Developer shall be due by the end of the first calendar year after the Facility commences operations, and annually thereafter.

(f) **Job Creation and Retention.** Developer covenants and agrees by **March 31, 2027**, and during the Term of this Agreement, to employ and maintain a minimum of **Forty-Eight (48)** Full-Time Equivalent Employment Positions working at the Property. The Developer covenants and agrees beginning on **August 1, 2027,** and annually during the Term of this Agreement, Developer shall submit to the City and CEDC an Annual Compliance Verification covering the Full-Time Equivalent Employment Positions created and maintained during the Term of this Agreement. All Annual Compliance Verifications shall include quarterly IRS 941 returns or Texas Workforce Commission Employer Quarterly Reports.

(g) **Performance**. Developer agrees to perform and comply with all terms, conditions, and provisions set forth in this Agreement and in all other instruments and agreements between Developer, City, and CEDC.

(h) **Prohibited Uses**: Developer covenants and agrees during the Term of this Agreement that unless otherwise approved by the City and the CEDC, and only in the event that the zoning on the Property allows such uses, that the following uses shall not be allowed in any portion of the Facility: alternative financial services (although Developer may allow for its customary check cashing and money transfers as services provided within its store), sexually oriented business, body art facilities, smoke shops, drug or vice paraphernalia, gaming or slot machines (excluding arcades), lewd merchandise sales, pawn shops, and outdoor storage/display within the parking lot provided the Property is otherwise in conformance with the City's zoning ordinances.

(i) **Opening Ceremony**. Developer agrees to provide for participation of the governing bodies of the City and CEDC in the ceremonial opening (e.g., ribbon-cutting) of the Facility, if any, and to allow City and CEDC to market such ceremony.

(j) **Celina Chamber of Commerce**. Developer shall be a member of the Celina Chamber of Commerce during the Term of this Agreement. The City and the CEDC shall have the right to market the Facility as part of its updates to the community regarding economic development of the City.

SECTION 5. AFFIRMATIVE COVENANTS OF THE CITY.

City covenants and agrees with the Developer that, while this Agreement is in effect, it shall comply with the following terms and conditions:

(a) **Program Grant Payments.**

(1) Sales and Use Tax. The City covenants and agrees to pay Developer program grant payments as provided in the table below based upon the Sales and Use Tax reported in the Sales Tax Report provided by Developer to the City pursuant to Section 4(e) of this Agreement (hereinafter the "City Program Grant Payment"). Such City Program Grant Payments shall be made annually upon reviewing the Sales Tax Report described in Section 4(e) of this Agreement, and confirming its accuracy with the State Comptroller, including any audit adjustments and the funds are actually received by the City from the State Comptroller's office less the State Comptroller's administrative fee. The City Program Grant Payments shall be based upon the following percentages:

Calendar Year	Percentage of Sales and Use Tax

	Revenue Reimbursed
2026	**37.5%**
2027	**37.5%**
2028	**37.5%**
2029	**37.5%**
2030	**37.5%**
2031	**37.5%**
2032	**37.5%**
2033	**37.5%**
2034	**37.5%**
2035	**37.5%**

The City covenants and agrees to make the annual City Program Grant Payment, subject to any adjustments provided herein, to Developer within thirty (30) days following the receipt of the latter of: (1) the Sales Tax Report specified in Section 4(e) of this Agreement for the applicable year; and (2) the Sales and Use Tax revenue from the State Comptroller's office for the applicable year. Nothing in this Agreement shall require the City to make any City Program Grant Payment from revenue sources other than from the Sales and Use Tax revenue. The aggregate total of City Program Grant Payments provided to Developer by the City pursuant to this Agreement shall not exceed **Eight Hundred Thirty-Eight Thousand Five Hundred Dollars ($838,500).** In addition, in no event shall the City Program Grant Payments provided to Developer by City exceed the invoices, receipts, or other documentation provided by Developer to City pursuant to Section 4(a) of this Agreement.

(b) **Performance**. City agrees to perform and comply with all terms, conditions, and provisions set forth in this Agreement.

SECTION 6. AFFIRMATIVE COVENANTS OF CEDC.

CEDC covenants and agrees with the City and Developer that, while this Agreement is in effect, it shall comply with the following terms and conditions:

(a) **Program Grant Payments.**

(1) Type A Sales and Use Tax Revenue. The CEDC covenants and agrees to pay Developer program grant payments as provided in the table below based upon the Type A Sales and Use Tax Revenue reported in the Sales Tax Report provided by Developer to the CEDC pursuant to Section 4(e) of this Agreement (hereinafter the "CEDC Program Grant Payment"). Such CEDC Program Grant Payment shall be made annually upon reviewing the Sales Tax Report described in Section 4(e) of this Agreement, and confirming its accuracy with the State Comptroller, including any audit adjustments and the funds are actually received by the CEDC from the State Comptroller's office less the State Comptroller's administrative fee. The CEDC Program Grant Payments shall be based upon the following percentages:

Calendar Year	Percentage of Type A Sales and Use Tax Revenue Reimbursed
2026	**50%**
2027	**50%**
2028	**50%**
2029	**50%**
2030	**50%**
2031	**50%**
2032	**50%**
2033	**50%**
2034	**50%**
2035	**50%**

The CEDC covenants and agrees to make the annual CEDC Program Grant Payment, subject to any adjustments provided herein, to Developer within thirty (30) days following the receipt of the latter of: (1) the Sales Tax Report specified in Section 4(e) of this Agreement for the applicable year; and (2) the Type A Sales and Use Tax Revenue from the State Comptroller's office for the applicable year. Nothing in this Agreement shall require the CEDC to make any CEDC Program Grant Payment from revenue sources other than from the Type A Sales and Use Tax Revenue. The aggregate total of CEDC Program Grant Payments provided to Developer by CEDC pursuant to this Agreement shall not exceed **Five Hundred Fifty-Nine Thousand and No/Dollars ($559,000).** In addition, in no event shall the CEDC Program Grant Payments provided to Developer by CEDC exceed the invoices, receipts, or other documentation provided by Developer to CEDC pursuant to Section 4(a) of this Agreement.

(b) **Performance**. CEDC agrees to perform and comply with all terms, conditions, and provisions set forth in this Agreement and in all other instruments and agreements by and between the Developer, City, and CEDC.

SECTION 7. CESSATION OF ADVANCES AND AUDITS.

(a) **Cessation of Advances.** If the City or CEDC has made any commitment to provide any financial assistance to Developer, whether under this Agreement or under any other agreement, the City or CEDC shall have no obligation to advance or disburse the financial assistance if: (i) Developer becomes insolvent, files a petition in bankruptcy or similar proceedings, or is adjudged bankrupt; or (ii) an Event of Default on the part of the Developer occurs and such Event of Default is not cured within the time period specified in Section 9.

(b) **Amended Returns and Audits.** In the event (i) additional Sales and Use Tax or Tax A Sales and Use Tax Revenue is due and owing, as a result of an audit conducted by the State of Texas that increases the Sales and Use Tax for a previous period covered within the Term of this Agreement, the Program Grant Payment for the period immediately following

such State approved amendment shall be adjusted accordingly, provided the City must have received the Sales and Use Tax and the CEDC must have received the Type A Sales and Use Tax Revenue attributed to such adjustment. As a condition precedent to payment of such adjustment, Developer shall provide City with a copy of such amended Sales Tax Report, tax return or audit adjustment, and the approval thereof by the State of Texas.

(c) **Refunds.** In the event (i) the Developer files an amended Sales Tax Report, or (ii) the State of Texas determines that the City and/or CEDC erroneously received Sales and Use Tax and/or Type A Sales and Use Tax Revenue, or that the amount of use tax paid to the City and/or CEDC exceeds the correct amount of Sales and Use Tax and/or Type A Sales and Use Tax Revenue for a previous Program Grant Payment paid to the Developer, then the Developer shall, within thirty (30) days after receipt of notification thereof from the City or CEDC specifying the amount by which such Program Grant Payment exceeded the amount to which the Developer was entitled pursuant to such State of Texas determination, together with reasonable documentation thereof, pay such amount to the City and/or CEDC, respectively. Alternatively, the City and/or CEDC may each, at their option, adjust future Program Grant Payments immediately following such State of Texas determination to deduct therefrom the amount of the overpayment.

SECTION 8. EVENTS OF DEFAULT.

Each of the following shall constitute an Event of Default under this Agreement:

(a) **General Event of Default.** Failure of Developer, City or CEDC to comply with or to perform any other term, obligation, covenant or condition contained in this Agreement, and such failure remains uncured within thirty (30) days after written notice of such failure from the non-defaulting party to the defaulting party in the manner provided herein or, with respect to a default that cannot be cured within thirty (30) days, if the defaulting party fails to commence such cure within such thirty (30) day period or thereafter fails to diligently and continuously proceed with such cure to completion, is an Event of Default.

(b) **False Statements.** Any warranty, representation, or statement made or furnished to the City and/or CEDC by or on behalf of Developer under this Agreement that is false or misleading in any material respect, either now or at the time made or furnished is an Event of Default.

(c) **Insolvency.** Developer's insolvency, appointment of receiver for any part of Developer's property, any assignment for the benefit of creditors of Developer, any type of creditor workout for Developer, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Developer is an Event of Default.

(d) **Ad Valorem Taxes and Impositions.** Developer allows its ad valorem taxes, assessments, use and occupancy taxes, charges, excises, license and permit fees, or other charges owed to the City or the State of Texas for any property or business owned by Developer, to become delinquent and fails to timely and properly follow the legal procedures for protest and/or contest of such imposition and to cure such failure within thirty (30) days after written notice

thereof from the City or CEDC and/or Collin County Central Appraisal District is an Event of Default.

(e) **Building Permit Revoked.** If any applicable building permits required for the Facility and issued by the City are revoked or expire, and Developer fails to make reasonable efforts to obtain new permits, as reasonably determined by the City or CEDC, and such default is not cured by Developer within thirty (30) days after written notice thereof.

SECTION 9. EFFECT OF AN EVENT OF DEFAULT.

In the Event of Default under Section 8 of this Agreement, the non-defaulting party shall give written notice to the other party of any Event of Default, and the defaulting party shall have thirty (30) days to cure said Event of Default. Should said Event of Default remain uncured as of the last day of the applicable cure period, and the non-defaulting party is not otherwise in default, the non-defaulting party shall have the right to immediately terminate this Agreement, enforce specific performance as appropriate or maintain a cause of action for damages caused by the Event(s) of Default. In the event of an Event of Default on the part of the Developer and the Developer is unable or unwilling to cure said Event of Default within the prescribed time period, no further amounts will be due from the City or CEDC to Developer. Notwithstanding anything in this Agreement to the contrary, (a) neither party shall be liable to the other party for consequential damages and (b) in no event shall the City or CEDC have the right of specific performance or other mandatory injunctive relief to compel Developer to operate the Facility.

SECTION 10. INDEMNIFICATION.

(a) **TO THE EXTENT ALLOWED BY LAW, DEVELOPER AGREES TO RELEASE, DEFEND, INDEMNIFY, AND HOLD HARMLESS THE CITY AND CEDC (AND THEIR OFFICERS, OFFICIALS, REPRESENTATIVES, AGENTS, AND EMPLOYEES) FROM AND AGAINST ALL CLAIMS OR CAUSES OF ACTION FOR INJURIES (INCLUDING DEATH), PROPERTY DAMAGES (INCLUDING LOSS OF USE), AND ANY OTHER LOSSES, DEMAND, SUITS, JUDGMENTS AND COSTS, INCLUDING REASONABLE ATTORNEYS' FEES AND EXPENSES, IN ANY WAY ARISING OUT OF, RELATED TO OR RESULTING FROM DEVELOPER'S PERFORMANCE UNDER THIS AGREEMENT. THE PROVISIONS OF THIS PARAGRAPH SHALL SURVIVE TERMINATION OF THIS AGREEMENT. THE PROVISIONS OF THIS PARAGRAPH ARE SOLELY FOR THE BENEFIT OF THE PARTIES HERETO AND DO NOT CREATE ANY OBLIGATIONS FROM OR GRANT ANY CONTRACTUAL OR OTHER RIGHTS TO ANY OTHER PERSON OR ENTITY, OTHER THAN OBLIGATIONS, IF ANY, THAT ARISE FROM DEVELOPER TO THE CITY TO PERFORM OBLIGATIONS CREATED BY THIS PARAGRAPH.**

(b) **THE DEVELOPER AGREES TO DEFEND, INDEMNIFY AND HOLD THE CITY AND CEDC, AND THEIR RESPECTIVE OFFICERS, OFFICIALS, REPRESENTATIVES, CONSULTANTS, AGENTS AND EMPLOYEES**

(COLLECTIVELY FOR THE PURPOSE OF THIS PARAGRAPH, THE "CITY") HARMLESS FROM AND AGAINST ANY AND ALL REASONABLE LIABILITIES, DAMAGES, CLAIMS, LAWSUITS, JUDGMENTS, ATTORNEY FEES, COSTS, EXPENSES, AND DEMANDS BY THE STATE OF TEXAS THAT THE CITY HAS BEEN PAID ERRONEOUSLY, OVER-PAID OR INCORRECTLY ALLOCATED SALES AND USE TAX RECEIPTS AND/OR TYPE A SALES AND USE TAX REVENUES ATTRIBUTED TO THE SALE AND/OR USE OF TAXABLE ITEMS BY DEVELOPER CONSUMMATED WITHIN THE CORPORATE BOUNDARIES OF THE CITY FOR ANY PERIOD DURING THE TERM OF THIS AGREEMENT OR DURING ANY TAX REPORTING PERIOD (COLLECTIVELY, A "CLAIM"). IT BEING THE INTENTION OF THE PARTIES THAT THE DEVELOPER SHALL BE RESPONSIBLE FOR THE REPAYMENT OF ANY GRANT PAYMENTS MADE TO THE DEVELOPER HEREIN BY THE CITY THAT INCLUDES SALES AND USE TAX RECEIPTS AND/OR TYPE A SALES AND USE TAX REVENUES THAT THE STATE OF TEXAS HAS DETERMINED WERE PAID ERRONEOUSLY, COLLECTED, DISTRIBUTED, OR ALLOCATED TO THE CITY, AS PROVIDED IN SECTION 7(C). THIS INDEMNIFICATION SHALL NOT APPLY TO ANY LIABILITY RESULTING SOLELY FROM THE ERRORS OR OMISSIONS OF THE CITY. THE PROVISIONS OF THIS PARAGRAPH SHALL SURVIVE TERMINATION OF THIS AGREEMENT. THE PROVISIONS OF THIS PARAGRAPH ARE SOLELY FOR THE BENEFIT OF THE PARTIES HERETO AND DO NOT CREATE ANY OBLIGATIONS FROM OR GRANT ANY CONTRACTUAL OR OTHER RIGHTS TO ANY OTHER PERSON OR ENTITY, OTHER THAN OBLIGATIONS, IF ANY, THAT ARISE FROM DEVELOPER TO THE CITY TO PERFORM OBLIGATIONS CREATED BY THIS PARAGRAPH.

(c) Except for the City and CEDC's obligations to provide the financial assistance as set forth in this Agreement, the City and CEDC, and its past, present, and future officers, employees, contractors, and agents assume no responsibilities or liabilities to Developer, or any third parties in connection with the Facility and/or the Property and Developer hereby waives any and all claims against the City and CEDC for any injury to persons or damage to property in connection therewith, unless caused by the gross negligence or intentional actions of the City or CEDC. Developer acknowledges and agrees that there shall be no personal recourse to the directors, officers, employees, or agents of the City or CEDC, who shall incur or assume no liability in respect of any claims based upon or relating to this Agreement. It is understood and agreed between the parties that Developer, in satisfying the conditions of this Agreement, has acted independently, and the City and CEDC assume no responsibilities or liabilities to third parties in connection with these actions.

SECTION 11. MISCELLANEOUS PROVISIONS.

The following miscellaneous provisions are a part of this Agreement:

(a) **Amendments**. This Agreement constitutes the entire understanding and agreement of the parties as to the matters set forth in this Agreement. No alteration of or amendment to this Agreement shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

(b) **Applicable Law and Venue**. This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, and all obligations of the parties created hereunder are performable in Collin County, Texas. Venue for any action arising under this Agreement shall lie in the state district courts of Collin County, Texas.

(c) **Assignment.** This Agreement may not be assigned without the express written consent of the other parties.

(d) **Binding Obligation.** This Agreement shall become a binding obligation on the parties upon execution by all signatories hereto. Developer warrants and represents that the individual or individuals executing this Agreement on behalf of Developer has full authority to execute this Agreement and bind Developer to the same. City warrants and represents that the individual executing this Agreement on its behalf has full authority to execute this Agreement and bind it to the same. CEDC warrants and represents that the individual executing this Agreement on its behalf has full authority to execute this Agreement and bind it to the same.

(e) **Caption Headings**. Caption headings in this Agreement are for convenience purposes only and are not to be used to interpret or define the provisions of the Agreement.

(f) **Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which shall constitute one and the same document.

(g) **Notices**. Any notice or other communication required or permitted by this Agreement (hereinafter referred to as the "Notice") is effective when in writing and (i) personally delivered by hand, (ii) when received by the addressee if sent by a nationally recognized overnight courier (receipt requested), or (ii) on the fourth day after notice is deposited with the U.S. Postal Service, postage prepaid, certified with return receipt requested, and addressed as follows:

(h) **Revenue Sharing Agreement**. The parties designate this Agreement as a revenue sharing agreement, thereby entitling the City and CEDC to request Sales and Use Tax information and Type A Sales and Use Tax Revenue information from the State Comptroller, pursuant to section 321.3022 of the Texas Tax Code, as amended.

(i) **Severability**. If a court of competent jurisdiction finds any provision of this Agreement to be invalid or unenforceable as to any person or circumstance, such finding shall not render that provision invalid or unenforceable as to any other persons or circumstances. If feasible, any such offending provision shall be deemed to be modified to be within the limits of enforceability or validity; however, if the offending provision cannot be so modified, it shall be stricken and all other provisions of this Agreement in all other respects shall remain valid and enforceable.

(j) **Time is of the Essence.** Time is of the essence in the performance of this Agreement.

(k) **Undocumented Workers.** Developer certifies that the Developer does not and will not knowingly employ an undocumented worker in accordance with Chapter 2264 of the Texas Government Code, as amended. If during the Term of this Agreement, Developer is convicted of a violation under 8 U.S.C. § 1324a(f), Developer shall repay the amount of the public subsidy provided under this Agreement plus interest, at the rate of six percent (6%), not later than the 120th day after the date the City and/or CEDC notifies Developer of the violation.

(l) **Non-Boycott of Israel Provision.** The Developer hereby verifies that it: (1) does not boycott Israel; and (2) will not boycott Israel during the term of this Agreement. The foregoing verification is made solely to comply with Chapter 2271.002 of the Texas Government Code, as applicable.

(m) **Prohibition on Contracts with Certain Companies Provision.** In accordance with Section 2252.152 of the Texas Government Code, the parties covenant and agree that Developer is not on a list maintained by the State Comptroller's office prepared and maintained pursuant to Section 2252.153 of the Texas Government Code.

(n) **Report Agreement to Comptroller's Office.** City covenants and agrees to report this Agreement to the State Comptroller's office within fourteen (14) days of the Effective Date of this Agreement, in accordance with Section 380.004 of the Texas Government Code, as added by Texas House Bill 2404, 87th Tex. Reg. Session (2021) (effective September 1, 2021).

(o) **Verification Against Discrimination of Firearm or Ammunition Industries.** Pursuant to Texas Government Code Chapter 2274.002, (as added by Texas Senate Bill 19, 87th Tex. Reg. Session (2021) (effective September 1, 2021)) unless otherwise exempt, the Developer hereby verifies that it does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate during the Term of the Agreement against a firearm entity or firearm trade association. The foregoing verification is made solely to comply with such Chapter, as applicable.

(p) **Verification Against Discrimination Developer Does Not Boycott Energy Companies.** Pursuant to Texas Government Code Chapter 2276.002, (as added by Texas Senate Bill 13, 87th Tex. Reg. Session (2021) (effective September 1, 2021)) unless otherwise exempt, the Developer hereby verifies that it does not boycott energy companies and will not boycott energy companies during the Term of this Agreement. The foregoing verification is made solely to comply with such Chapter, as applicable.

(q) **Limitation on Grants**. Under no circumstances shall the obligations of City or CEDC hereunder be deemed to create any debt within the meaning of any constitutional or statutory provision. Further, the City and the CEDC shall not be obligated to pay any commercial bank, lender or similar institution for any loan or credit agreement made by the Developer. None of the obligations of City or CEDC under this Agreement shall be pledged or otherwise encumbered in favor of any commercial lender and/or similar financial institution.

Re:	CISD Administration Temporary Parking – Interlocal Cooperation Agreement

Action Requested:
Consider and act upon an Interlocal Cooperation Agreement between the City of Celina and the Celina Independent School District, for temporary parking for the CISD Administration building located at 205 S Colorado Street; generally on the northeast and southeast corners of Arizona Drive and Elm Street. (CISD Administration Temporary Parking – Interlocal Cooperation Agreement) (McAfee)

Background Information:
The Celina Independent School District (CISD) has requested an Interlocal Cooperation Agreement with the City of Celina for temporary parking for the CISD Administration Building at 205 S Colorado Street, generally on the northeast and southeast corners of Arizona Drive and Elm Street. This agreement allows for using asphalt rather than concrete for temporary parking lots. The City is allowed to use the parking lots, at no cost to the City, for City events and public parking outside of normal District business hours and when no District event is taking place. Parking in either parking lot is limited to 6:00 a.m. to 11:00 p.m. The agreement will continue for five years, with one additional five-year extension, which may be allowed upon written request by the District. At the end of the term, the District must either remove the asphalt or construct the parking lot with concrete per City standards. Please see the attached agreement for additional information.

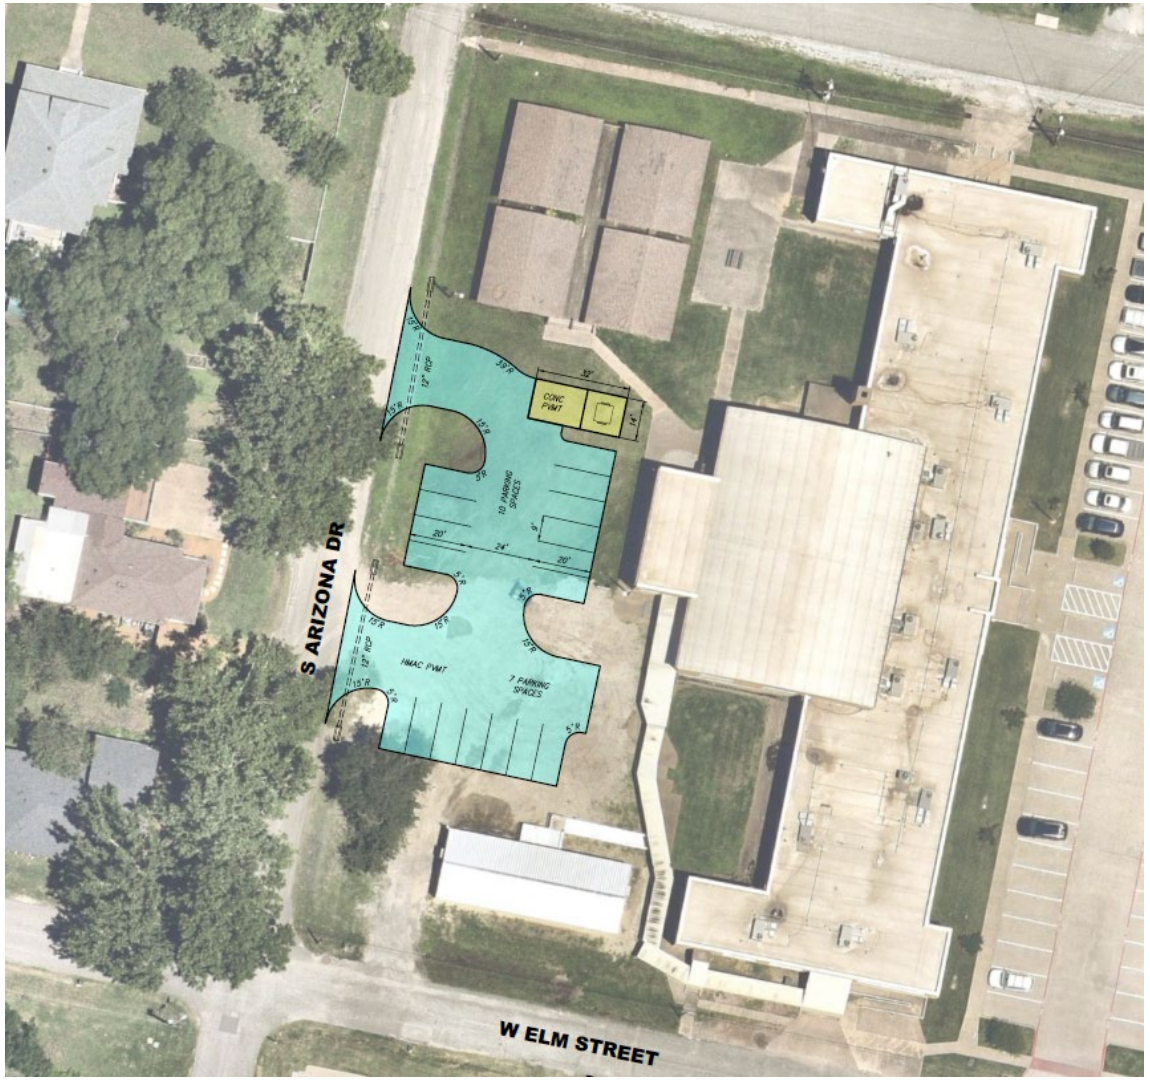
BACKGROUND

- The CISD Administration building requests to add asphalt parking in the rear of the facility and on the property across the street
- Ordinance requires concrete parking
- Any deviation from concrete requires Council action

CONCEPT PLANS



CONCEPT PLANS

PROPOSED DEAL POINTS

- The agreement:
  - ➢ Allows for asphalt rather than concrete due to the temporary nature of the addition
  - ➢ 5-year term, with the option to extend for an additional 5 years
  - ➢ Public use of parking lots when no District event is taking place and outside of normal District hours
  - ➢ Parking lot hours limited to 6 am to 11 pm
  - ➢ Parking lot asphalt to be removed at end of term or converted to concrete

Please note that school facilities may locate anywhere, per State law. This agreement is purely for the use of asphalt in lieu of concrete.

INTERLOCAL COOPERATION AGREEMENT
BETWEEN THE CITY OF CELINA, TEXAS AND CELINA INDEPENDENT SCHOOL DISTRICT

This Interlocal Cooperation Agreement (the "Agreement") is made and entered into as of this the _____ day of _____, 2025 (the "Effective Date") by and between the City of Celina, Texas, a home-rule municipality (hereinafter referred to as the "City") located in Collin and Denton Counties, and the Celina Independent School District, a political subdivision of the State of Texas (hereinafter referred to as the "District"), both hereinafter known as the "Parties".

RECITALS:

WHEREAS, the City and the District are authorized to enter into this Agreement pursuant to Chapter 791 of the Texas Government Code, which provides that local governments may enter agreements to perform governmental services and functions; and

WHEREAS, the Parties entered into a Memorandum of Understanding dated February 11, 2020 related to the development of District property; and

WHEREAS, the District owns property known as the Administration Building and now wishes to improve said property by installing two temporary parking lots (the "Facilities") located at the rear of the Administration Building fronting Arizona Street, depicted in **Exhibit A-1**, attached hereto and incorporated as if fully set forth herein, and located to the south of the Administration Building on W. Elm Street, depicted in **Exhibit A-2**, attached hereto and incorporated as if fully set forth herein (the "Project"); and

WHEREAS, the City has determined that it will be in the best interest of both Parties to allow the Project to be constructed with asphalt due to the temporary nature of the Facilities; and

WHEREAS, the Parties wish to enter into this Agreement to delineate the rights and duties of the City and the District in relation to the Project.

NOW, THEREFORE, for and in consideration of the mutual agreements, covenants, and conditions contained herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. Purpose. The purpose of this Agreement is to establish a framework of cooperation for each of the Parties to provide mutual support, cooperation, and assistance to develop the Project to the mutual benefit of the Parties.

2. Recitals. The recitals contained in this Agreement (a) are true and correct as of the Effective Date, (b) form the basis upon which the Parties negotiated and entered into this Agreement, (c) reflect the final intent of the Parties with regard to the subject matter of this Agreement, and (d) constitute a legislative finding by the City Council and District Board. In the event it becomes necessary to interpret any provision of this Agreement, the intent of the Parties,

as evidenced by the recitals, shall be taken into consideration and, to the maximum extent possible, given full effect.

3. Term; Termination. This Agreement shall commence on the Effective Date and continue for a term of five (5) years. One additional five (5) year term extension may be allowed upon written request by the District. This Agreement may only be terminated by mutual agreement of the Parties.

4. City's Obligations. The City agrees to permit the Project to be constructed with asphalt, in lieu of concrete as required by City standards, on the Property, as depicted in Exhibit A-1 and A-2.

5. District's Obligations. The District agrees, at its sole cost, to design, coordinate, oversee, and fund the improvement to the Project. Prior to such work, the District shall obtain the City's prior written approval of the District's detailed plans for the Project. With the exception of the construction material allowed in Section 4, the Project shall be subject to all applicable City's ordinances, regulations, and state law. The District agrees to notify the City when said improvements are complete. At the end of the term, the District shall either remove the Facilities or reconstruct the Facilities with concrete in accordance with City standards.

6. Parking Lot Usage. Once the Project is complete, the District shall have priority for the use of the parking lots. The City shall be allowed to use the parking lots, at no cost to the City, for City events and public parking outside of normal District business hours and when no District event is taking place. Parking in either parking lot shall be limited to the hours of 6:00 a.m. – 11:00 p.m.

7. General Provisions.

A. Notices. All notices required to contemplated by this Agreement (or otherwise given in connection with this Agreement) (a "**Notice**") shall be in writing, shall be signed by or on behalf of the Party giving the Notice, and shall be effective on the earlier of (a) on the third (3rd) day after being deposited with the United States mail service, Certified Mail, Return Receipt Requested with a confirming copy sent by facsimile or email, (b) on the day delivered by a private delivery or private messenger service (such as FedEx or UPS) as evidenced by a receipt signed by any person at the delivery address (whether or not such person is the person to whom the Notice is addressed), or (c) on the day actually received by the person to whom the Notice is addressed, including, but not limited to, delivery in person, delivery by regular mail, delivery by facsimile (with a confirmation copy sent by regular mail), or delivery by email (with a confirming copy sent by one of the other methods set forth herein). Notices given pursuant to this Section shall be addressed as follows:

The Parties shall have the right from time to time to change their respective addresses, and each shall have the right to specify as its address any other address within the United States of America by giving at least ten (10) days written notice to the other Party. If any date or any period provided in this Agreement ends on a Saturday, Sunday, or legal holiday, the applicable period for calculating the notice shall be extended to the first business day following such Saturday, Sunday, or legal holiday.

B. Governmental Immunity. This Agreement is made for the express purpose of improving publicly owned property, which purpose is a governmental function. Neither the City nor the District waive sovereign, statutory, or other immunity. Notwithstanding the foregoing, the District shall indemnify and hold harmless the City, and its officers, agents, and employees, from and against any and all claims, actions, suits, liability, loss, costs, expenses, and damages of any nature, which are caused by or result from any negligent act or omission of the District in installing the improvements contemplated by this Agreement.

C. Current Revenues. Each Party shall make any payments or expenditures under this Agreement out of the current revenues available to the Party in any given year of this Agreement.

D. Entire Agreement; Amendment. This Agreement contains the entire agreement of the Parties with respect to the matters covered by this Agreement, and no other agreement, statement, or promise made by either Party, or to any employee, officer, or agent of either Party, which is not contained in this Agreement shall be binding or valid. This Agreement may not be altered, amended, or modified except in writing and approved by the City Council and District Board.

WHEREAS, the City and Rockhill Capital & Investments LLC, a Texas limited liability company ("Rockhill") previously entered into that certain Development Agreement, effective January 14, 2021 recorded in the Official Public Records of Collin County as Instrument No. 20210311000485140 ("Original Development Agreement"), governing the development of approximately 567 acres of land (the "Property"), as described in **Exhibit A** and depicted on **Exhibit B** of the Development Agreement; and

WHEREAS, Rockhill assigned all of its obligations, rights, title and interest in and to the Original Development Agreement to the Owner pursuant to that certain Assignment and Assumption of Development Agreement, effective November 1, 2021; and

WHEREAS, Owner partially assigned its obligations, rights, title and interest in and to the Original Development Agreement to TMTB Uptown, LLC pursuant to that certain Partial Assignment of Development Agreement, effective November 17, 2022 recorded in the Official Public Records of Collin County as Instrument No. 2022000166734; and

WHEREAS, the Owner and the City entered into a First Amendment to Development Agreement, effective November 11, 2021 recorded in the Official Public Records of Collin County as Instrument No. 20211216002537340 (the "First Amendment"); and

WHEREAS, the Owner and the City entered into a Second Amendment to Development Agreement, effective May 10, 2022 recorded in the Official Public Records of Collin County as Instrument No. 2022-2022000086305 (the "Second Amendment"); and

WHEREAS, the Owner and the City entered into a Third Amendment to Development Agreement, effective August 8, 2023 recorded in the Official Public Records of Collin County as Instrument No. 2024-2024000094200 (the "Third Amendment"); and

WHEREAS, the Owner and the City entered into a Fourth Amendment to Development Agreement, effective August 20, 2024 recorded in the Official Public Records of Collin County as Instrument No. 2024-2024000102215 (the "Fourth Amendment"); and

WHEREAS, the Owner and the City now desire to amend the Development Agreement for the purposes set forth in this Fifth Amendment; and

WHEREAS, this Fifth Amendment is entered into pursuant to Section 212.172 of the Texas Local Government Code and other laws and the Owner and the City are proceeding in reliance of the enforceability of this Fifth Amendment.

NOW, THEREFORE, for and in consideration of the mutual covenants of the City and the Owner set forth in this Fifth Amendment and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the City and the Owner hereby agree as follows:

AGREEMENT

Section 1. Infrastructure to be Constructed/ROW to be Dedicated. Section 2.3(a) of the Development Agreement, as amended, is hereby amended and replaced in its entirety to read as follows:

"(a) Owner shall, at no cost to the City, dedicate the required right-of-way and construct the following Roadway Improvements, as depicted on **Exhibit G**

(I) Two (2) lanes of J. Fred Smith Parkway from FM 455 to the west edge of the floodplain boundary, as shown on **Exhibit G**;
(II) Two (2) lanes of Florida Drive from Farm to Market Road 455 ("FM 455") to Louisiana Drive, as shown on **Exhibit G**; and
(III) Two (2) lanes of Celina Parkway from FM 455 to J. Fred Smith Parkway, as shown on **Exhibit G**."

Section 2. Exhibits. **Exhibit G** to the Development Agreement is hereby amended and replaced with **Exhibit G** attached to this Fifth Amendment and incorporated herein for all purposes.

Section 3. No Other Amendments. Subject to the amendments contained in this Fifth Amendment, all provisions of the Development Agreement remain in full force and effect.

Section 4. Counterparts. This Fifth Amendment may be executed in any number of counterparts, each of which shall be deemed an original and constitute one and the same instrument.

Section 5. Defined Terms. Capitalized terms not specifically defined herein shall have the same meaning as set forth in the Development Agreement.

Re:	Toll Brothers Architecture (Legacy Branch) - DA Amendment

Action Requested:
Consider and act upon an amendment to the Development Agreement (1st Amendment) with OMA Celina, LLC, on approximately 91 acres of land, generally located at the northeast corner of Legacy Drive and Clear Creek Parkway, within both the Extraterritorial Jurisdiction (ETJ) and the City Limits. (Toll Brothers Architecture (Legacy Branch) – Development Agreement) (McAfee)

Background Information:
This request is to amend a Development Agreement on approximately 91 acres of land for Legacy Branch. The applicant, Toll Brothers, is proposing to amend the base architectural standards that governs the neighborhood. Celina's current ordinance requires 80% of the overall structure to consist of Category A masonry (brick/stone), with the remaining 20% allowed to be cementitious fiberboard or stucco. The request involves using building materials (cementitious fiberboard and stucco) beyond the 20% maximum allowed by the current ordinance. Please refer to the attachments for further information.

Legal Review:
This item has been reviewed by the City Attorney.

60'X125' LOTS: ± 126

TOTAL: ± 320 LOTS, ± 3.6 DU/AC

ORDINANCE BACKGROUND

- The City adopted Architectural Standards in 2018, which establish a minimum level of quality for new buildings
- Several cities require adherence to masonry standards in their development agreements in order to maintain minimum standards for new construction (Frisco, Prosper, Celina)
- Celina's ordinance requires 80% of the front façade (and overall structure) to be Category A (brick/stone) masonry, with the remainder allowed to be cementitious fiber-board or stucco
- Use of an alternate material with no discernable style is not allowed (*i.e. mere cost savings does not qualify*)

RELIEF HISTORY

- Downtown has its own “faux-historic” requirement
- On occasion, Celina has previously granted relief to the City’s architectural standards, on a case-by-case basis

APPLICANT REQUEST

- Toll Brothers request to allow for three additional architectural styles *(Hill Country, Modern Farmhouse, & Transitional)* to build in Legacy Branch
- Their request involves using building materials (stucco and cementitious fiberboard) beyond the 20% maximum per base code
- Character images of the three styles are provided in the next few slides

POLICY REASONS FOR

- DFW, especially Collin County, is heavy masonry and has resulted in a homogenous visual environment (brick/stone)
- The market has trended to more diverse options over the years
- Celina's local market ($600,000+) ensures a minimum quality level
- The sub-prime era (late 90s, early 2000s) starter home boxes with inferior exterior materials are unlikely to be built here

POLICY REASONS AGAINST

- Heavy masonry (brick/stone) is:
  - Proven
  - Durable
  - Sustains & protects value
  - Attractive
  - Understood
- Some believe that the use of stucco and cementitious fiber board is lower quality

P&Z PUBLIC HEARING

- One resident noted that the proposed materials (stucco, cementitious fiberboard) require more maintenance
- The Commission had general questions on material mix, anti-monotony requirements in the base standard, and how relief should be granted on a case-by-case basis
- The Commission supported the request

RECOMMENDATION

- The Planning & Zoning Commission unanimously recommended approval at its regular meeting in October, with the condition that any lot narrower than 70' wide should have a mix of at least two materials
- Staff recommends approval as presented

FIRST AMENDMENT TO
DEVELOPMENT AGREEMENT

This First Amendment to Development Agreement (this "**First Amendment**") is executed by and between OMA Celina, LLC, a Texas limited liability company ("**Owner**") and the **City of Celina, Texas**, a home-rule municipality (the "**City**") (Owner and the City are sometimes individually referred to as a "**Party**" and collectively as the "**Parties**") to be effective on the last date it is signed by all Parties (the "**Effective Date**").

RECITALS

WHEREAS, the City and OMA Celina, LLC, a Texas limited liability company previously entered into that certain Development Agreement, effective August 13, 2024 recorded in the Official Public Records of Collin County as Instrument No. 2024000102216 ("Development Agreement"), governing the development of approximately 90.49 acres of land (the "Property"), as described in **Exhibit A** and depicted on **Exhibit B** of the Development Agreement; and

WHEREAS, the Development Agreement addressed matters related to the development of the Property;

WHEREAS, all capitalized terms in this First Amendment shall be as defined in the Development Agreement unless otherwise defined herein; and

WHEREAS, the Parties have determined that they have the authority to enter into this Amendment;

WHEREAS, it is the intent of this First Amendment to establish certain legally binding restrictions and commitments to be imposed upon the Property; and the City and the Owner are proceeding in reliance on the enforceability of this Amendment.

WHEREAS, Owner and the City now desire to amend the Development Agreement as hereinafter set forth;

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Owner and the City hereby agree as follows:

ARTICLE I
AMENDMENT OF AGREEMENT

1.1 Section "Architecture" of Exhibit D of the Development Agreement is hereby amended to read as follows (added text identified by underline):

"**Architecture**

The subject property is an architecturally, historically, and culturally significant tract of land uses that is meaningfully located; thus, all structures shall abide by the City's architectural standards, as may be amended, with the exception that as an alternative to the

exterior building materials required herein, all structures may, upon approval in writing of the exterior elevations by the City's Director of Development Services, adhere to architectural standards with characteristics of hill country, modern farmhouse, and transitional architecture as defined herein.

A modern farmhouse architectural style typically incorporates vertical cementitious fiber-board into the elevations, mixed with another heavy masonry material such as brick or stone.

A hill country architectural style typically incorporates 3-step stucco into the elevations, mixed with at least one other heavy masonry material such as brick or stone.

A transitional architectural style incorporates a variety of brick, stone, stucco, and cementitious fiber-board into the elevations, mixed with at least one other heavy masonry material such as brick or stone."

1.2. Depictions of the hill country, modern farmhouse, and transitional architecture, to be added as Exhibit D-1 of the Development Agreement, are attached hereto as Exhibit A.

1.3 The Development Agreement as amended by this First Amendment shall continue in full force and effect.

1.4. Each Party acknowledges and agrees that this First Amendment is binding upon such Party and enforceable against such Party in accordance with its terms and conditions.

1.5. This First Amendment may be executed in any number of counterparts, each of which shall be deemed an original and constitute one and the same instrument.

Re:	Ohio and Louisiana Improvements

Action Requested:
Consider and act to approve a work authorization for design services from Halff and Associates, for the design of Ohio and Louisiana Road Improvements from Ash Street south in an amount not to exceed $434,300.00. (Glasgow)

Background Information:
The project will design a 29' B-B concrete curb and gutter street with an underground storm system, a new sanitary sewer system, and sidewalks for Ohio Dr and Louisiana Dr, beginning at Ash Street and extending south to the end of the street. Additional design requirements include adjustments to existing water lines and detention as necessary for the impacted areas.

The City maintains an executed Master Agreement for Professional Services with Halff and Associates for on-call services. The City Council authorized the agreement in 2022 for a period of five years.

Legal Review:
Contract has been previously reviewed and approved.

EXHIBIT "A"
SCOPE OF SERVICES

TO BE PROVIDED BY HALFF ASSOCIATES, INC.
TO
CITY OF CELINA
FOR
DOWNTOWN STREET AND DRAINAGE IMPROVEMENTS
(OHIO ST. & LOUISIANA DR)

1. PROJECT DESCRIPTION

This Scope of services of professional design services whereas the CITY proposes to reconstruct two (2) residential streets and associated utility/drainage improvements along the connecting channel:

S. Ohio St. – W Ash St. to end of S. Ohio St. (+/- 500 LF)
S. Louisiana Dr. – W Ash St. to end of Louisiana Dr. (+/- 400 LF)
Channel – S. Colorado St. to S. Louisiana Dr. (+/- 800 LF)

Anticipated improvements include **roadway paving, drainage, water, sanitary sewer, and detention pond items.** Services by the CONSULTANT shall include all aspects of the work set forth in the following scope of services.

The general parameters for design of the improvements shall include the following:

1. Reconstruct S. Ohio Street and S. Louisiana Drive from Ash St. to +/- 450' south of Ash St. using a curb and gutter concrete paving section as approved by the CITY including the addition of sidewalk and reconstruction of driveway approaches to the ROW line and beyond as necessary for profile grade restrictions.
2. Construct storm sewer system to carry the CITY design storm runoff and outfall to existing box culvert at S. Colorado Street. This includes replacing the open channel running between S. Ohio Drive and S. Louisianna Drive with closed storm sewer system.
3. Replace existing sanitary sewer lines along S. Ohio Drive, S. Louisiana Drive, and the channel from S. Colorado Street to S. Louisiana Drive.
4. Replace/modify existing water lines along S. Ohio Drive and S. Louisiana Drive.
5. Construct detention pond to restrict flows in downstream systems to the CITY design storm capacity assuming a proposed closed storm sewer system as generally shown in the CITY master drainage study.

The CONSULTANT shall perform the necessary engineering and related technical services for the Design and Construction Phase Services, including necessary Additional Services for development of this Project according to the following sections of this Contract. CONSULTANT shall use the subcontractors listed in Exhibit “D” which is attached hereto and incorporated herein by reference and made a part hereof as if repeated verbatim.

2. TASK DESCRIPTIONS – SCOPE OF SERVICES

I. General Requirements

A. General Knowledge and Design Requirements – The CONSULTANT shall have a working knowledge of all applicable design requirements, codes, master plans, and regulations which govern the scope of work and services included herein. Specific design requirements shall be obtained from the City of Celina Engineering Standards Manual. The CONSTULANT will establish and summarize all project design criteria, including any proposed variances, and submit to CITY for review prior to beginning design work. All design work will be prepared in CAD, with electronic files in DGN/DWG format submitted to the CITY upon final record drawings. The CITY may request CAD files at any time through the duration of the contract. **The CONSULTANT shall be responsible for ensuring that design services provided meet all local, state, and federal requirements.**

B. General Plan Requirements – Scale of construction plans is to be: 1”=20’ Horizontal; 1”=4’ Vertical on 11” x 17” page size or as approved by the CITY. Accurate and clear plans shall be provided for the purpose of accurate bids, efficient construction, and good permanent records. The consistent use of uniform drafting guidelines will increase the efficiency in which the plans are reviewed by the contractors prior to bidding and improve their understanding of the contract’s intent. It is highly recommended that designers and technicians use uniform drafting styles. The intent is to produce consistent, accurate, and legible sets of plans. Do not clutter the plans with unnecessary information.

C. Accessible Routes – All designated pedestrian routes within public right-of-way, including sidewalks and barrier free ramps, shall comply with current CITY, state, and federal requirements. Any existing pedestrian routes within the limits of the project which do not meet current requirements shall be improved as part of this scope of work, unless directed otherwise by the CITY.

D. Third-Party Coordination – Coordinate with other governmental agencies, franchise utilities, adjacent developments, and individual property owners as necessary, TDLR (Texas Department of Licensing and Regulation), Collin County Engineering, and any other appropriate entities.

E. Administrative and Coordination Tasks – The CONSULTANT shall perform all necessary coordination and administrative tasks including, but not limited to, required coordination with subcontractors listed in Exhibit "D", preparing and submitting monthly invoices to the CITY, preparing and updating the overall project schedule, attending required meetings, and other miscellaneous administrative and/or coordination tasks required by the CITY unless specifically listed under "Exclusions" in the Scope of Services herein.

II. Preliminary Engineering

A. Data Collection – Obtain and research all existing city utility plans, street plans, drainage plans, plats, easement maps, existing easement information, contour maps, and other features within and pertaining to the Project area. The CONSULTANT will also coordinate with franchise utilities in the area and obtain any available record information. Existing Project conditions shall also be documented using digital photography and/or video. Perform site visit(s) to obtain necessary information/confirm information obtained from other sources.

B. Preliminary Engineering Design – Utilizing the information obtained from data collection (Section II.A) and the field survey (Section V.A), the CONSULTANT will prepare preliminary engineering plans with the first milestone submittal at sixty percent (60%) design completions. The preliminary engineering design phase will include the following:

(1) 30% Schematic Pond Alternatives

- Exhibits – Up to three (3) exhibits, each depicting (1) option for the detention pond, will be provided to assist the CITY with determining the desired pond location/design for this project. Exhibits will include pond footprint and basic storage volume calculations based on a high-level and preliminary hydrologic and hydraulic assessment of the site and associated drainage areas. Design of other scope items will only be completed up to a level necessary to determine order of magnitude costs and preliminary constraints for the pond design. Detailed inlet and outlet design for the pond will be excluded from the exhibits.

(2) 60% Design Submittal Minimum Requirements

- General Plans – Prepare and update general plan sheets necessary including cover, general notes, sheet index, control sheet, project layout, and typical sections.

- Removal Plans – Prepare plans sheets depicting any and all removals of existing public and private infrastructure specifying any necessary replacements and/or relocations. Include all existing utility mapping obtained in SUE effort (Section V. D) and label appurtenances to remain, adjust and/or protect. Include all tree survey data (6" DBA and up) and indicate preservation or removal on a separate Tree Removal/Protection plan.

- Plan & Profile Drawings – Establish and/or refine horizontal and vertical alignments along proposed paving limits, drainage/storm lines. Provide separate alignment geometry data sheets. Determine any conflicts with private property including fences, mailboxes, driveways, sidewalks, etc., and provide preliminary replacement or alternate design options required. Present any potential alternatives, which may provide cost savings to the CITY.

- Drainage Analysis – Delineate and refine all drainage areas for the Project including tabulation of runoff, inlet, ponded width, and detention pond calculations in accordance with CITY requirements. Provide trunk main plan sheets and detention pond plan sheets, including all necessary intake inlets and/or headwalls, and channel limits.

- Public Utility Plans – Prepare plan sheets indicating locations of proposed public water and sanitary sewer lines within the project limits. Show connections to existing public utilities and indicate and potential conflicts. All proposed utility lines will be stationed and include design of horizontal alignment. Sanitary Sewer plans will include design of vertical alignment for main lines. It is assumed that all proposed water lines will be less than 12" with no profiles included with the design and that existing water lines greater that 12" to remain will only need minor adjustments to avoid conflict with other proposed improvements. Water and sanitary sewer connection laterals will not include vertical design.

- Construction Details – Provide City standard detail sheets applicable to the construction of the Project. Special details that are not included as a standard by the CITY shall be included in the plans.

- Cross Sections – Develop cross sections for roadways and driveways (as needed) with existing ROW lines, cross slopes, elevations, profile grade line, stations, ditch lines, retaining walls, etc. properly labeled. Submit roadway cross section sheets at

50’ maximum intervals and at critical locations (driveways, culverts, non-typical roadside features, etc.)

- Traffic Control – prepare preliminary advance warning sign layout, work zone delineation devices, construction sequencing and/or access plan for City review.

- Opinion of Probable Construction Cost – Prepare an updated estimated construction quantities and engineer’s opinion of probably construction costs (OPCC) tabulated in Microsoft Excel format. The CITY may request additional justification for significant cost differences from previously provided OPCC’s.

- Deliverables – Plan set is anticipated to include the following drawings and specifications:
    - Cover Sheet
    - Sheet Index
    - Project Layout and Control Sheet
    - Typical Sections
    - Removal Plan
    - Tree Removal/Protection
    - Paving Plan and Profile Sheets
    - Drainage Area Map
    - Drainage Calculation Summary Tables, excluding Hydraulics
    - Drainage Plan and Profile Sheets
    - Detention Pond Sheets
    - Sanitary Sewer Plan and Profile Sheets
    - Water Line Plan
    - Standard and Special Details
    - Traffic Control & Access Concepts
    - Cross Sections Sheets

C. Preliminary Engineering Submittals – Plan submittal will occur at sixty percent (60%) completion stage. CONSULTANT will provide a copy of all plans and documents (PDF), opinion of probable construction costs (Excel), and all necessary supplemental calculations and supporting documents.

D. Review Comments – CITY will consolidate their submittal review comments for each milestone deliverable and provide them to CONSULTANT. The CONSULTANT will incorporate the City’s comments into the subsequent milestone submittal and provide a tabulated list of responses and/or resolutions to each comment provided. A written response and CITY acknowledgment is required for any written response of disagreement.

III. Final Engineering

A. Final Engineering Design – Incorporating comments from the CITY, franchise utilities, and other interested parties, prepare final engineering plans and specifications with submittals at ninety percent (90%) and one-hundred percent (100%) completion. The final engineering design phase will include the following:

(1) *Design Submittal Minimum Requirements (90% and 100%)*

a) Previous Drawings – Revise and complete previously prepared drawings.

b) Traffic Control – Refine traffic control design and prepare final construction sequencing, traffic control and access plans.

c) Signing & Pavement Marking – Prepare permanent signing and pavement marking plan in accordance with City requirements and the Texas Manual on Uniform Traffic Control Devices (TMUTCD).

d) Erosion Control Plans – Prepare erosion control plans (including post-construction erosion controls such as sod) to comply with CITY and any federal, state, or local requirements. This includes site specific data for a separate, Post construction Water Quality Protection Plan that may be prepared and managed by the CONTRACTOR as required by CITY.

e) Opinion of Probable Construction Cost – Prepare an updated estimated construction quantities and engineer's opinion of probable construction costs (OPCC) tabulated in Microsoft Excel format. The CITY may request additional justification for significant cost differences from previously provided OPCC's.

f) Deliverables – Plan Set is anticipated to include the following drawings and specifications:
   - Cover Sheet
   - Sheet Index
   - Project Layout and Control Sheet
   - Typical Sections
   - Removal Plan
   - Grading Plans
   - Tree Removal/Protection Plan
   - Traffic Control Plan
   - Paving Plan and Profile Sheets
   - Driveway Profiles

- Miscellaneous Sidewalk and Paving Details
- Drainage Area Map
- Drainage Calculation Summary Tables
- Drainage Plan and Profile Sheets
- Detention Pond Sheets
- Water Plan
- Sanitary Sewer Plan and Profile Sheets
- Signing & Pavement Marking Plans
- Erosion Control Plan
- Standard and Special Details
- Cross Section Sheets

B. Project Manual – Assist City with preparation of project manual documents for the City's use in electronic bid documents that will be prepared and issued by CITY using web-based site managed by CITY. CONSULTANT'S documents to prepare shall be generally limited to bid schedule, special conditions, and technical specifications. Submit preliminary documents after the 90% plan review and prior to final documents for 100% plan review.

C. Final Engineering Submittals – Plan submittals will occur at ninety percent (90%) and one hundred percent (100%) completion stages. CONSULTANT will provide a link containing electronic files of all plans and documents (PDF), opinion of probable construction costs (Excel), and all necessary supplemental calculations and supporting documents for the CITY to download. A USB of these files can also be provided upon request.

D. Review Comments – CITY will consolidate their submittal review comments for each milestone deliverable and provide them to CONSULTANT. The CONSULTANT will incorporate the City's comments into the subsequent milestone submittal and provide a tabulated list of responses and/or resolutions to each comment provided. A written response and City acknowledgment is required for any written response of disagreement.

IV. Bid Phase Services

A. Bid Documents – Provide final construction plans and technical documents for project manual to CITY in electronic format for inclusion on CITY procurement system as required. Provide bid schedule in Microsoft Excel format for use by contractors as prescribed by the CITY.

B. Advertisement for Bid – Provide all necessary information to the CITY required for placing of one (1) advertisement of the Invitation to Bid.

C. Pre-Bid Meeting – Prepare a pre-bid agenda. Attend one (1) pre-bid conference if required by the CITY.

D. Bid Document Interpretations – Address questions from the proposed bidders during the bidding process and issue addenda as necessary, in coordination with the CITY.

E. Bid Opening – Attend the bid opening and assist the CITY during bid opening, making preliminary tabulation of bids, and review questionnaires and bids for completeness.

F. Qualifications Review – Review and evaluate the qualifications of the apparent successful bidder and the proposed major specialty subcontractors. The review and evaluation will include such factors as work previously completed, responses from submitted references, bidder equipment availability, publicly available financial resources, and technical experience. It is assumed that only one (1) bidder will need to be evaluated.

G. Bid Tabulation – Prepare and distribute formal bid tabulation sheets noting any discrepancies between original bids submitted.

H. Bid Recommendation – Prepare a formal written recommendation to the CITY for project award.

V. **Special Services – All Special Services shown under this section shall be reimbursed on a cost-plus basis based on actual work performed with a not-to-exceed amount as outlined in the Work Authorization until the budget for these services is exhausted. A modification and budget increase will be required to continue providing these services once the budget is exhausted. CONSULTANT shall provide all justification for expenditures under this section with each monthly invoice.**

A. Construction Administration – Although day to day operation and oversight of the construction phase will be managed by the CITY, the CONSULTANT will assist the CITY during the construction phase of the project as follows:

(1) Conformed Construction Plans – Incorporate all addenda items into a conformed construction plan and specification set. Furnish up to six (6) full size (22” X 34”) sets, two (2) half size (11” X 17”) sets of the final plans for construction for use by the CITY and the contractor, along with a CD/DVD/USB containing PDFs of all plans.

(2) Pre-Construction Conference – Meet with the CITY, the contractor, and other interested parties to discuss the construction of the Project, including Project requirements, communication procedures, Project

scheduling, personnel, laboratory testing requirements, field inspection, construction staking, pay requests, and other pertinent matters that may impact the project.

(3) Construction Observation – Provide on-site construction observation services during the construction phase along with attending construction meetings as deemed necessary by the CITY. It is not the intent of these visits to be performed at every aspect of the contractor's work. A maximum of three (3) site visits are assumed for budget purposes which does not include substantial or final walk through on-site meetings. Consultant may be required, as-needed, to attend construction progress meetings as determined necessary by CITY. A maximum of three (3) progress meetings are assumed for budget purposes. Construction observations are to be limited to spot checking, selective measurements, and similar methods of general observation of the work based on exercise of professional judgment and familiarization of the design intent. Based on the information obtained during such visits and such observations, CONSULTANT will keep the CITY informed on the general progress of the work.

(4) Shop Drawings, Samples, and Materials – Review and approve or take other appropriate action in respect to shop drawings required for the Project to ensure they are in conformance with plans, specifications, and City requirements. Each shop drawing shall be limited to two (2) resubmittal reviews. Evaluate and determine the acceptability of substitute or "or-equal" materials and equipment proposed by the contractor in accordance with the contract documents, but subject to the provisions of applicable standards of state or local government entities.

(5) Clarifications and Interpretations – When requested, review requests for information (RFI), field change requests, and change orders and provide comments and/or responses to CITY. Provide written responses to RFI's or clarification to CITY or contractor. If requested by the CITY, render written decision on all claims of CITY and contractor relating to the acceptability of contractor's work or the interpretation of the requirements of the contract documents pertaining to the progress of the contractor's work.

(6) Change Orders – Recommend Change Orders to CITY or review and make recommendations related to Change Orders provided at the request of the contractor.

(7) Record Drawings – Prepare record drawings in digital format utilizing CITY and contractor as-built information showing changes made during construction. Provide a CD/DVD/USB containing a PDF of the record

plan set, TIFF images of each individual plan sheet, and a project base map in CAD format.

(8) CONSULTANT shall perform its services in accordance with such Project schedule as is specified in the Contract, but in any event as expeditiously as is consistent with such professional skill and care and the orderly progress of the Project in the case of delays caused by the CITY's review of documents submitted under this Contract.

B. Surveying for Engineering Design – CONSULTANT shall coordinate and furnish field surveying operations necessary for the complete design of the Project as outlines in this Exhibit A, Scope of Services, Surveying shall include the following:

(1) Right of Entry – If entering private property is required to perform field survey, the CONSULTANT shall assist the CITY in sending letters to all adjacent property owners notifying them of the intent to survey on private property prior to initiating survey operations. The CONSULTANT shall provide the CITY with the name, address, and contact information of the property owners, as well as the property addresses of the affected property. Written permission to enter private property to perform survey shall be obtained from the property owner(s) before surveying is commenced. The letter of permission shall include permission for the CONSULTANT to set iron pins and control monuments for easements to be acquired at a later date by the CITY if necessary.

(2) Field Survey – The CONSULTANT shall direct the work of the field survey crew(s) to perform the following:

a) Establish horizontal and vertical control using CITY criteria.

b) Tie right-of-way lines and corners, property lines and corners, trees six (6) inches in diameter and larger, fence lines, and other visible surface features.

c) Topographic Information including cross sections of the existing ground features as needed for design. Collect spot elevations as required to facilitate the generation of one-foot (1') contours.

d) Horizontal and vertical location of all existing facilities within the Project limits including, but not limited to, existing paving (including type), driveways, curbs, sidewalks, buildings (including edge of foundation), mailboxes, landscaping, bridges, culverts, retaining walls, etc. Tie existing visible franchise utilities (including underground utilities if exposed) and appurtenances,

and public utilities such as water valves, fire hydrants, manholes, etc.

e) Locate the approximate position of underground utilities or structures that may be within the limits of the Project. Such utilities include, but are not limited to, wastewater (including flowline survey at manholes), water, gas, electric, storm sewer, telephone, and television cable. Consultant will initiate OneCall/Texas811 or contact individual utility companies to mark existing underground utilities in the field and shall show such utilities on the base map either based upon field locations or available construction as-builts.

C. Franchise Utility Coordination – The CONSULTANT shall provide the following:

(1) General Coordination – Design coordination with franchise utilities and their representatives regarding proposed project improvements. Submit milestone design plans to the CITY franchise utility coordinator for distribution to franchise utilities. Assist the CITY with coordination efforts to ensure franchise utilities are designed to clear proposed improvements and in a timely manner.

(2) Site Visits – Perform up to two (2) site visits with the CITY and/or impacted franchise utility representatives.

D. Subsurface Utility Engineering (SUE) Services – The CONSULTANT shall provide SUE Services for the purpose of determining horizontal and vertical locations of underground city and franchise utilities, in conjunction with and/or prior to the field survey. The CITY shall assist with provisions for access to perform the services specified in this item. The CONSULTANT shall provide the City with the name and address of the property owners.

(1) Level 'B' Services
a) Horizontal location of utilities will be determined.
b) Up to 5,500 linear feet of designation

(2) Level 'A' Services
a) Horizontal and vertical location of utilities will be determined.
b) Up to two (2) test holes in addition to the Level 'B' Services listed above will be provided at a rate of $1,500 EA per test hole to the depth required.

E. Right or Way and Easement Documents – Upon approval of the Preliminary Design Plans, the CONSULTANT shall survey, render field

notes, and prepare a ROW/Easement map and individual parcel exhibits for any additional ROW or easements, including temporary construction easements and/or easement abandonments if needed for the Project. Perform necessary surveying operations for the identification and delineation of up to ten (10) easement parcels. Easement Documents shall include the following:

(1) ROW/Easement Map – Provide Exhibit showing properties with ownership and include existing and proposed right-of-way and easements.

(2) Parcel Exhibits – Individual parcel exhibits shall be in both hard copy (8 ½" x 11") and PDF format, shall be sealed, signed and dated by a Registered Professional Land Surveyor and shall contain the following:

a) Parcel Identification Number
b) Area Required
c) Area Remaining
d) Legal Description
e) Current Ownership
f) Any existing platted easement or easements filled by separate instrument including easements provided by utility companies.
g) Metes and bounds description of parcel to be acquired for the Project. The description shall be provided on a separate sheet from the exhibit. Each type of easement shall be described separately. Submit up to three (3) copies of right-of-way documents to the CITY after the sixty percent (60%) plan submittal review and resolution of comments.

(3) ROW/Easement Corners – Establish proposed right-of-way and easement corners on the ground (one-time).

F. Geotechnical Investigation – The CONSULTANT will provide a Geotechnical Engineer Report, no later than the preliminary design phase submittal, containing the following information:

(1) Exploration, Sampling and Laboratory Testing – The CONSULTANT shall provide a subgrade investigation in accordance with CITY design standards and determine soil properties in accordance with generally accepted engineering standards.

G. Public Involvement – Attend up to two (2) public meetings, if required, to communicate project details to citizens, council members, or other interested parties. CITY shall provide meeting location and notices. Any resulting changes to sidewalk locations or pavement sections shall be incorporated into the design prior to the 60% submittal.

VI. Exclusions

The scope of services identified herein specifically excludes the following items, however, these items can be provided if necessary with a revision to scope of work and fees as agreed between CITY an CONSULTANT in writing:

A. Preparation and coordination of a Section 404 individual permit application and natural/cultural resource evaluations.

B. Existing pavement assessment and/or evaluation;

C. Preliminary or Final Plats;

D. Environmental assessment or remediation;

E. Private Sanitary sewer design beyond public ROW and/or easements;

F. Fees for permits and bid advertising;

G. Traffic impact analysis and signal warrants;

H. Construction inspection and material testing services during construction;

I. Designs for Trench Safety;

J. Alternate additions not included in the original scope;

K. Improvements outside the Project limits;

L. Water Resources services including but not limited to hydrologic modeling, downstream assessments, stream impacts, FEMA coordination, etc.

M. Coordination with railroad authorities. It is assumed that the design will not need to extend into the railroad ROW east of the site.

N. Design of a detention pond outfall to a location other than the proposed storm sewer system along the channel between Ohio St. and Louisiana Dr. It is assumed that this design option is feasible and that alternative designs requiring the pond to discharge south, either into a channel that outfalls into Doe Branch or through a proposed independent bypass pipe network will require additional work not included in this proposal.

COMPENSATION

TO BE PROVIDED BY HALFF ASSOCIATES, INC.
TO
CITY OF CELINA
FOR
DOWNTOWN STREET AND DRAINAGE IMPROVEMENTS
(OHIO ST. & LOUISIANA DR)

Exhibit "B" defines the basis of compensation to the Professional for the services rendered.

A. Basic Fee Services – The basic fee for the services as described in Exhibit "A" will be **$285,400** which includes direct costs and charges normally associated with production of these services.

The basis of compensation for Basic Fee services shall be as follows:

BASIC SERVICES		
Phase	**Description**	**Fee**
100	Preliminary Engineering Design	$185,910
200	Final Engineering Design	$99,890
	SUBTOTAL	**$285,400**

B. Special Services – Special Services shall be provided on a Time and Materials basis until the authorized budget for these services is exhausted. A modification and budget increase will be required to continue providing these services once the budget is exhausted.

SPECIAL SERVICES		
Phase	**Description**	**Fee**
300	Design Survey	$38,700
400	Parcel Document Preparation	$23,600
500	SUE	$26,300
600	Geotechnical Investigation	$10,300
700	Public Meetings	$9,200
800	TDLR Review	$2,900
900	Construction Administration	$37,900
	SUBTOTAL	**$148,900**

The total maximum fee for all services is **$434,300** (four hundred six thousand nine hundred dollars).

WORK AUTHORIZATION

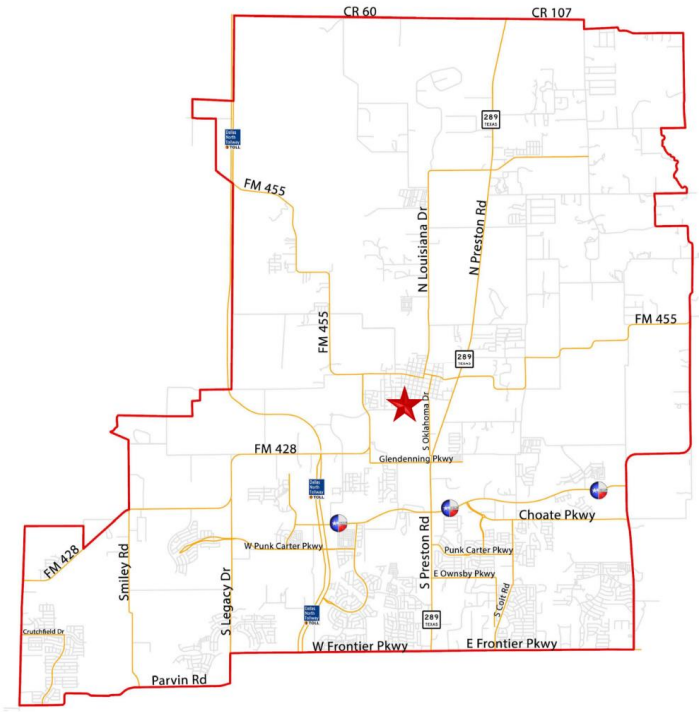
January 14th, 2025

Andy Glasgow, P.E., PMP, CFM
Director of Engineering

INTRODUCTION

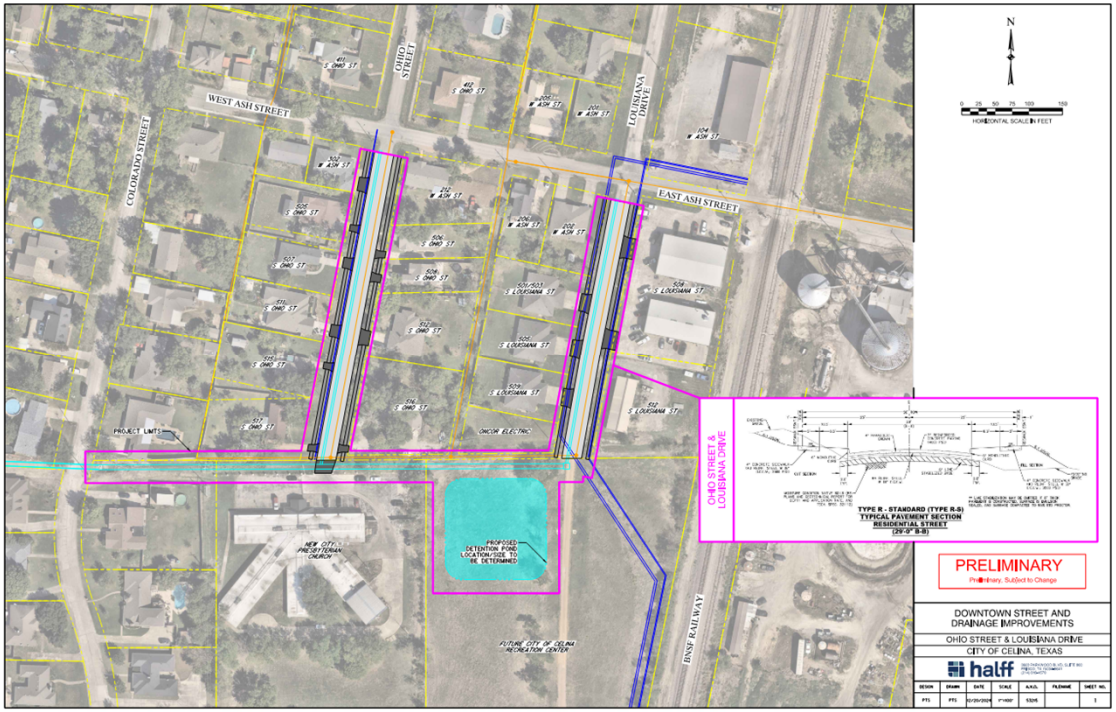
- This item is to Consider and act to approve a work authorization for design services from Halff Associates, Inc. (Halff) for the design of Ohio and Louisiana Road Improvements in an amount not to exceed $434,300.
- The City maintains an executed Master Agreement for Professional Services with Halff for on-call services. Council authorized the agreement in 2022 for a period of five years.
- Halff's design scope includes:
  - Survey, Parcel Document Preparation, SUE, Geotechnical Investigation
  - 29' B-B Concrete curb and gutter streets with underground storm drainage
  - New sanitary sewer along Ohio and Louisiana
  - Water Line adjustments
  - Detention Pond

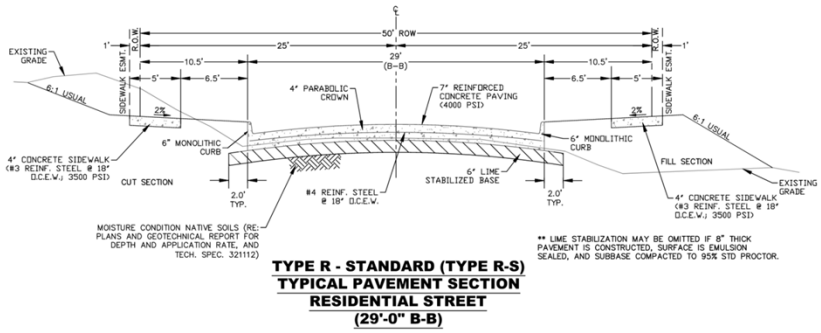
PROJECT LOCATION



- Ohio Dr & Louisiana Dr from Ash St to their respective South Ends

PROPOSED DESIGN





WORK SCOPE

A. Basic Fee Services – The basic fee for the services as described in Exhibit "A" will be **$285,400** which includes direct costs and charges normally associated with production of these services.

The basis of compensation for Basic Fee services shall be as follows:

BASIC SERVICES		
Phase	**Description**	**Fee**
100	Preliminary Engineering Design	$185,910
200	Final Engineering Design	$99,890
	SUBTOTAL	**$285,400**

B. Special Services – Special Services shall be provided on a Time and Materials basis until the authorized budget for these services is exhausted. A modification and budget increase will be required to continue providing these services once the budget is exhausted.

SPECIAL SERVICES		
Phase	**Description**	**Fee**
300	Design Survey	$38,700
400	Parcel Document Preparation	$23,600
500	SUE	$26,300
600	Geotechnical Investigation	$10,300
700	Public Meetings	$9,200
800	TDLR Review	$2,900
900	Construction Administration	$37,900
	SUBTOTAL	**$148,900**

The total maximum fee for all services is **$434,300** (four hundred six thousand nine hundred dollars). All fees and invoices shall be billed as lump sum.

Re:	Sunset Blvd Asphalt Improvements Material Testing

Action Requested:
Consider and act to approve a work authorization for testing services for the construction of Sunset Blvd Asphalt Improvements between Preston Road and Coit Road with WSB, LLC, in an amount not to exceed $67,204.00. (Glasgow)

Background Information:
On December 10, 2024, the City Council approved the contract with ANA Site Construction to construct the Sunset Blvd Asphalt Improvements between Preston Road and Coit Road. The construction includes earthwork preparation, asphalt paving, hydraulic cement concrete storm, and subgrade density embankment testing. To ensure the work is completed to design requirements, quality assurance material testing, and inspections, the City will need material testing services.

The proposed work authorization will provide asphalt and concrete testing, utilities, and subgrade testing and inspection.

Legal Review:
Contract has been previously reviewed and approved.

Supporting Documents:
1. Sunset Blvd WA Material Testing
2. Sunset Blvd Asphalt Improvements Testing_ January Council Presentation
3. Location Map (P)

Financial Consideration:
Funding is available through bond funds. Expenditure will not exceed funds appropriated and funds will be committed at the issuance of a purchase order.

Staff Recommendation:
Staff recommends awarding the work authorization as presented.

*Density charge rate is $70.00 per hour with a minimum of 2 hour charge, this includes gauge and tech time.

**Trip Charges - There will be a standard rate per trip made to the project location for inspection and testing.

Terms and Conditions:
WSB has a standard standby time charge rate of $70.00 per hour for a technician who is required to be on site while performing on site inspection and or testing.

These rates quoted by the hour do not reflect any off shift hours WSB may be asked to cover. Off shift hours are defined as any work requiring a technician to work outside of M-F 8am-5pm. Any testing or inspection that requires a technician to be on site Saturday or Sunday will be at our standard hourly rate times 1.5.

The quantities and totals above are estimates based on anticipated progression and scope of work.

Memorandum

To:	**Honorable Mayor Tubbs and the Celina City Council**
From:	Andy Glasgow, Director of Engineering
CC:	Kimberly Brawner, Assistant City Manager
Intiated by:	Catherine Oduro
Date:	January 14, 2025
Re:	Ownsby Parkway Road Construction Change Order

Action Requested:
Consider and act to authorize a change order with RPMx to extend a stormwater line to Quail Hollow and to add the construction of CR 83 and Quail Hollow intersection in an amount not to exceed $190,418.37. (Glasgow)

Background Information:
On August 8, 2023, the Council authorized the award of Bid 2023-053 for the construction of Ownsby Parkway from Preston Road to Coit Road construction to RPMx Construction LLC. This change exceeds $50,000 and by statute requires Council authorization.

The proposed change order (CO) covers the cost of extending the storm line E (SD-E) outfall approximately 152-feet to connect to the culvert under Quail Hollow. This is to eliminate the open channel originally designed. The extension of the storm line will reduce the potential for stormwater erosion between the existing homes. This change order also includes the construction of CR 83 and Quail Hollow intersection with associated enclosed drainage system.

Legal Review:
The change order form has been previously reviewed and approved.

Supporting Documents:

2. Ownsby Parkway_CO5_Revised Sheets_11-05-2024
3. Ownsby Pkwy Change Order Presentation.pptx (P)

4. Location Map ownsby change order

Financial Consideration:
Funding is available through bond funds. Expenditures will not exceed funds appropriated and funds will be committed at the issuance of a purchase order.

Staff Recommendation:
Staff recommends authorizing the change order as presented.

OWNSBY PARKWAY CHANGE ORDER

January 14, 2024

Andy Glasgow, P.E., PMP, CFM
Director of Engineering

LOCATION MAP

BACKGROUND

- On August 8, 2023, the Council authorized the award of Bid 2023-053 for the construction of Ownsby Parkway from Preston Road to Coit Road construction to RPMx Construction LLC.
- This change order covers the cost of extending the storm line E (SD-E) outfall approximately 152-feet to connect to the culvert under Quail Hollow. This is to eliminate the open channel originally designed. The extension of the storm line will reduce the potential for stormwater erosion between the existing homes.
- This change order also includes the construction of CR 83 and Quail Hollow intersection with associated enclosed drainage system.

Public Works
City of Celina, Texas

Memorandum

To:	**Honorable Mayor Tubbs and the Celina City Council**
From:	Andrew Figueroa, Director of Public Works
CC:	Kimberly Brawner, Assistant City Manager
Intiated by:	Andrew Figueroa
Date:	January 14, 2025
Re:	Asphalt Material Supply Bid 2025-008

Action Requested:
Consider and act to award bid 2025-008 for asphalt material supply to Austin Asphalt and RK Hall as primary and secondary at the unit prices listed not to exceed the annual budgeted amount. (Figueroa)

Background Information:
Purpose:
The purpose of Asphalt Supply Bid 2025-008 is to procure asphalt materials required for upcoming road maintenance and repair projects within the City of Celina. These materials will be used for patching roads, a critical component of maintaining the city's roadway infrastructure. To ensure timely delivery and competitive pricing, the selected supplier must meet these requirements.

Recommendation:
To ensure the uninterrupted continuation of road maintenance and to mitigate the risk of supply delays, it is recommended to award the bid to both a primary and secondary vendor. This dual vendor approach guarantees an alternative supplier if one vendor is unable to meet requirements within the specified timeframe.

Award Recommendations:
Austin Asphalt will be awarded as the primary vendor for Line Items 1, 2, 3, 5, 6, 7, 8, and 10.
Austin Asphalt will be awarded as the secondary vendor for Line Items 4 and 9.
RK Hall will be awarded as the primary vendor for Line Items 4 and 9.
RK Hall will be awarded as the secondary vendor for Line Items 1, 2, 3, 6, 7, and 8.

Legal Review:
N/A

Supporting Documents:
1. Agreement - Asphalt Supply - Austin Asphalt - unsigned
2. Agreement - Asphalt Supply - RK Hall - unsigned
3. ScoringDetail 2025-008
4. Agenda Recap
5. Bid Tabulation Lines
6. Presentation - Asphalt Material Supply Bid 1.14.25

Financial Consideration:
Funding is available in the current budget. Expenditures will not exceed funds appropriated and funds will be committed at the issuance of a purchase order.

Staff Recommendation:
Staff recommends awarding bid 2025-008 as presented.

City of Celina, Texas
Standard Contract for Services

This Agreement is made by and between the City of Celina, Texas, a Texas home-rule municipality (hereinafter referred to as the "City") and **Austin Asphalt, Inc. (100% Owned by Austin Industries, Inc** (hereinafter referred to as the "Provider") for **Asphalt Supply** (Awarded bid lines 1,2,3,5,6,7,8, and 10 as primary vendor, and bid lines 4, and 9 as secondary vendor), (hereinafter referred to as the "Project"). In consideration of the premises, covenants, and mutual promises contained in this Agreement, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the City and the Provider hereby agree as follows:

1. **EMPLOYMENT OF THE PROVIDER.** The City agrees to retain the Provider for, and the Provider agrees to provide services relative to, the following Project: **Asphalt Supply** (hereinafter also referred to as "Services") in accordance with the terms and conditions as set forth in this Agreement and in Exhibit A,B, and C, attached hereto and incorporated herein by reference.

2. **SCOPE OF SERVICES.** The Services to be performed are specified in **Exhibit A - Best Value Bid.** Deviations from the agreed-upon scope of work of such Services may be authorized from time to time by the City in writing.

3. **SCHEDULE OF WORK.** The Provider agrees to begin work upon receipt of written authorization from the City. Time is of the essence for this Agreement and work is to commence immediately.

4. **CONTRACT PERIOD.** The contract period for this Agreement is January 15, 2025 through January 14, 2026, with four optional one-year renewals.

5. **COMPENSATION.** The Provider's total compensation for services to be performed and expenses to be incurred is specified in **Exhibit B – Supplier Response**, attached hereto, and incorporated herein by reference.

6. **PAYMENTS.** Payments will be processed on a monthly basis with payment available within thirty (30) days after the City's receipt of the invoice for the previous month's Services or as set forth in **Exhibit A.**

7. **INVOICING.** Invoices should be prepared and submitted to the City for payment in accordance with Exhibit A. Invoices should be mailed to Accounts Payable, City of Celina, 142 N. Ohio, Celina, TX 75068, or **emailed to accountspayable@celina-tx.gov**.

8. **INFORMATION PROVIDED BY THE CITY**. Although every effort has been or will be made to furnish accurate information, the City does not guarantee the accuracy of information it furnishes to the Provider.

9. **INSURANCE.** The Provider shall provide proof that it has obtained and will continue to maintain throughout the duration of this Agreement the insurance requirements set forth in **Exhibit C.** Failure to maintain the required insurance may result in immediate termination of this Agreement.

11. **INDEMNIFICATION. THE PROVIDER AGREES, TO THE FULLEST EXTENT PERMITTED BY LAW, TO INDEMNIFY AND HOLD HARMLESS THE CITY, ITS OFFICERS, AGENTS, SERVANTS AND EMPLOYEES (HEREINAFTER COLLECTIVELY REFERRED TO AS "INDEMNITEES") FROM AND AGAINST SUITS, ACTIONS, CLAIMS, LOSSES, ANY DAMAGE, LIABILITY, AND FROM AND AGAINST ANY COSTS AND EXPENSES, INCLUDING, IN PART, ATTORNEY'S FEES INCIDENTAL TO THE DEFENSE OF SUCH SUITS, ACTIONS CLAIMS, LOSSES, DAMAGES OR LIABILITY ON ACCOUNT OF INJURY, DISEASE, SICKNESS, INCLUDING DEATH, TO ANY PERSON OR DAMAGE TO PROPERTY INCLUDING, IN PART, THE LOSS OF USE RESULTING THEREFROM, ARISING FROM ANY NEGLIGENT ACT, ERROR OR OMISSION OF THE PROVIDER, ITS OFFICERS, EMPLOYEES, SERVANTS, AGENTS OR SUBCONTRACTORS, OR ANYONE ELSE UNDER THE PROVIDER'S DIRECTION AND CONTROL, AND ARISING OUT OF, RESULTING FROM,**

OR CAUSED BY THE PERFORMANCE OR FAILURE OF PERFORMANCE OF ANY WORK OR SERVICES UNDER THIS AGREEMENT, OR FROM CONDITIONS CREATED BY THE PERFORMANCE OR NON-PERFORMANCE OF SAID WORK OR SERVICES. IN THE EVENT ONE OR MORE OF THE INDEMNITEES IS DETERMINED BY A COURT OF LAW TO BE JOINTLY OR DERIVATIVELY NEGLIGENT OR LIABLE FOR SUCH DAMAGE OR INJURY, THE PROVIDER SHALL BE OBLIGATED TO INDEMNIFY INDEMNITEES AS PROVIDED HEREIN ON A PROPORTIONATE BASIS IN ACCORDANCE WITH THE FINAL JUDGMENT, AFTER ALL APPEALS ARE EXHAUSTED, DETERMINING SUCH JOINT OR DERIVATIVE NEGLIGENCE OR LIABILITY. THIS INDEMNIFICATION IS SUBJECT TO THE LIMITATIONS IN TEXAS LOCAL GOVERNMENT CODE, § 271.904(A) AND TEXAS CIVIL PRACTICE AND REMEDIES CODE, § 130.002(B), AS SAME MAY BE APPLICABLE TO PROVIDER AS A MATTER OF LAW.

12. **TRANSFER OF INTEREST.** Neither the City nor the Provider may assign or transfer their interests in this Agreement without the prior written consent of the other Party. Such consent shall not be unreasonably withheld. This Agreement is binding on the City, the Provider, and their successors and assigns. Nothing herein is to be construed as creating a personal liability on the part of any City officer, employee or agent.

13. **AUDITS AND RECORDS.** At any time during normal business hours and as often as the City may deem necessary, the Provider shall make available to the City for examination all of its records with respect to all matters covered by this Agreement, and will permit the City to audit, examine and make copies, excerpts, or transcripts from such records. The City may also audit all contracts, invoices, payroll records of personnel, conditions of employment and other data relating to this Agreement.

14. **EQUAL EMPLOYMENT OPPORTUNITY.** The Provider shall not discriminate against any employee or applicant for employment because of age, race, color, religion, sex, national origin, disability or any other protected characteristic. The Provider shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their age, race, color, religion, sex, national origin, disability or any other protected characteristic. Such actions shall include, but not be limited to the following: employment, promotions, demotion, transfers, recruitment or recruitment advertising, layoffs, terminations, selection for training (including apprenticeships), and participation in recreational activities.

    The Provider agrees to post in conspicuous places, accessible to employees and applicants for employment, notices setting forth the provisions of the nondiscrimination clause. The Provider will, in all solicitations or advertisements for employees placed by or on behalf of the Provider, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.

    The Provider will cause the foregoing provisions to be inserted in all subcontracts for any work covered by this Agreement so that such provisions will be binding upon each sub-Provider, except that the foregoing provisions shall not apply to contracts or subcontracts for customary office supplies.

    The Provider shall keep records and submit reports concerning the racial and ethnic origin(s) of applicant employment and employees as the law may require.

15. **TERMINATION OF CONTRACT.** The City may terminate this Agreement upon thirty (30) days written notice to the Provider, except in the event (i) the Provider is in breach of this Agreement, or (ii) the Provider fails to comply with the terms of Exhibit A. If either of the foregoing conditions exists, the City shall notify the Provider and the Provider shall be given seven (7) days to cure such breach or failure to comply. Should the Provider fail to cure to the satisfaction of the City, the City may terminate this Agreement upon written notice as provided herein.

    In the event of any termination hereunder, the Provider consents to the City's selection of another Provider to assist the City in any way in completing the Services. The Provider further

agrees to cooperate and provide any information requested by the City in connection with the completion of the Services.

The Provider shall be compensated for Services performed and expenses incurred for satisfactory work up to the termination date in that the Provider shall receive a portion of fees and expenses permitted under this Agreement in direct proportion to percentage of work actually completed up to the termination date. This provision shall not deprive the City of any remedies against the Provider that may be available under applicable law.

16. **PROVIDER'S REPRESENTATIONS.** The Provider hereby represents to the City that the Provider is financially solvent and possesses sufficient experience, licenses, authority, personnel, and working capital to complete the Services required under this Agreement.

17. **CITY APPROVAL FOR ADDITIONAL WORK.** No payment, of any nature whatsoever, will be made to the Provider for additional work without the City's written approval before such work begins.

18. **PERFORMANCE BY PROVIDER.** All Services provided by the Provider hereunder shall be performed in accordance with the highest professional standards and in accordance with Exhibit A, and the Provider shall be responsible for all Services provided hereunder whether such services are provided directly by the Provider or by any sub-Providers hired by the Provider. The Provider shall perform all duties and Services and make all decisions called for hereunder promptly and without unreasonable delay. The Provider shall not utilize sub-Providers to perform Services without the City's prior written consent.

19. **DAMAGE.** In all instances where City property and/or equipment is damaged by the Provider's employees, a full report of the facts, extent of the damage and estimated impact on the Provider's schedule shall be submitted to the City by 8:00 a.m. of the following City business day after the incident. If damage may result in further damages to the City or loss of City property, the Provider must notify Police Dispatch immediately. The Provider shall be fully liable for all damage to City property or equipment caused by the Provider's officers, employees, agents or sub-Providers.

20. **CITY OBJECTION TO PERSONNEL.** If at any time after entering into this Agreement, the City has any reasonable objection to any of the Provider's personnel, or any personnel retained by the Provider, then the Provider shall promptly propose substitutes to whom the City has no reasonable objection, and the Provider's compensation shall be equitably adjusted to reflect any difference in the Provider's costs occasioned by such substitution.

21. **COMPLIANCE WITH LAWS.** The Provider warrants and covenants to the City that all Services will be performed in compliance with all applicable federal, state, county and City laws, rules, and regulations including, but not limited to, the Texas Industrial Safety and Health Act and the Workers Right-to-Know Law. All necessary precautions shall be taken to assure that safety regulations prescribed by OSHA and the City are followed.

22. **NON-BINDING MEDIATION.** In the event of any disagreement or conflict concerning the interpretation of this Agreement, and such disagreement cannot be resolved informally by the City and the Provider, the City and the Provider agree to submit such disagreement to non-binding mediation before pursuing any other legal remedy.

23. **ENTIRE CONTRACT.** This Agreement together with Exhibit A and B, and C, attached hereto and any other exhibit attached hereto contains the entire contract between the City and the Provider concerning the Services for the Project. There will be no understandings or contracts other than those incorporated herein. This Agreement may not be modified except by an instrument in writing signed by the Parties hereto. In the event of a conflict between an attachment to this Agreement and this Agreement, this Agreement shall control.

24. **MAILING ADDRESSES.** All notices and communications concerning this Agreement are to be mailed or delivered to the addresses shown below unless and until the other Party is otherwise notified in writing of a different address

SECTION 1: INSTRUCTIONS/GENERAL INFORMATION

1.1 SUBMISSION

Offerors may submit proposals electronically or in hard copy. The City's preference is electronic submission. Refer to Section 4 for detailed submission instructions.

1.2 NO OFFER/NO BID

The City is appreciative of the time and effort you must expend to submit an offer. If you choose not to respond, we would greatly appreciate you indicating any requirement that may have influenced your decision.

1.3 INCLEMENT WEATHER

In the event of inclement weather and City offices are officially closed on the due date, responses will be received until 3:00 PM of the next business day at which time submittals will be publicly opened.

1.4 ACCEPTANCE

It is understood that the City of Celina, reserves the right to accept or reject any and/or all proposals as it shall deem to be in the best interest of the City. Receipt of any proposal shall under no circumstances obligate the City to accept the lowest proposal. The award of the contract shall be made to the responsible proposer whose proposal is determined to be the lowest and best evaluated offer resulting from negotiation, taking into consideration the relative importance of price and other evaluation factors set forth in the request for proposal. The City reserves the right in its sole discretion after evaluation of all responsive bids, to award the work described herein to more than one responsive and responsible Bidder. In such cases where an award is made to more than one responsive and responsible Bidder, the City shall apportion the work among the various primary, secondary and alternate providers in such manner and at such time as it deems appropriate under the circumstances in its sole discretion and no minimum amount or proportion of work is guaranteed to any single provider or class of providers irrespective of such provider's designation as primary, secondary or alternate.

1.5 SUBMITTAL OF CONFIDENTIAL MATERIAL

The Owner considers all Proposal information, documentation and supporting materials submitted in response to this Request for Proposal to be non-confidential and/or non-proprietary in nature, and therefore, shall be subject to public disclosure under the Texas Public Information Act (*Texas Government Code*, Sec. 552.001, et seq.) after the award of the contract except for trade secrets and confidential information which the Offeror identifies as proprietary. Any material that is to be considered as CONFIDENTIAL/PROPRIETARY in nature must be clearly marked on each applicable page by the proposer. Marking your entire proposal CONFIDENTIAL/Proprietary is not in conformance with the Texas Public Information Act (*Texas Government Code*, Sec. 552.001, et seq.).

1.6 DISCLOSURE OF CERTAIN RELATIONSHIPS

Chapter 176 of the Texas Local Government Code requires that any proposer or person considering doing business with a local government entity disclose in the Questionnaire Form CIQ, the proposer or person's affiliation or business relationship that might cause a conflict of interest with a local government entity. Additional information on the statute is available at: http://www.statutes.legis.state.tx.us/Docs/LG/htm/LG.176.htm.

By submitting a response to this request, the proposer represents that it is in compliance with the requirements of Chapter 176 of the Texas Local Government Code.

1.7 DISCLOSURE OF INTERESTED PARTIES

In compliance with Section 2252.908 of the Texas Government Code, the City of Celina may not

enter into a contract with a business entity as a result of acceptance or award of this solicitation unless the business entity submits a disclosure of interested parties form as required by this statute. Notification will be given to the business entity recommended for award upon which the business entity will be required to submit the completed form prior to award.

Additional information on the statute may be found at:

https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm

1.8 INFORMATION / QUESTIONS

All questions shall be posted to the City's electronic bidding service, by the deadline stated. All questions and answers will be posted online. Proposers are responsible for insuring all answers to questions are reviewed prior to the submittal date. Answers provided to posted questions address minor irregularities and are for clarification purposes only and do not revise or modify the specifications. Answers to questions that result in revisions to the specification will be address by Addendum. No oral statement of any person shall modify or otherwise change, or affect the specification.

1.9 PROPOSER RESPONSIBILITY

It is the responsibility of each proposer before submitting a proposal:

1. To examine thoroughly the specification documents and other related data identified in the proposal documents, to visit the site to become familiar with and satisfy proposer as to the general, local, and site conditions that may affect cost, progress, performance, etc.
2. To consider federal, state, and local laws and regulations that may affect costs, progress, performance, or furnishing of the work.
3. To study and carefully correlate proposer's knowledge and observations with the contract documents and such other related data.
4. To promptly notify the City's Purchasing director of all conflicts, errors, ambiguities, or discrepancies which proposer has discovered in or between the contract documents and such other related documents.

1.10 MINIMUM STANDARDS FOR RESPONSIBLE BIDDERS

A prospective bidder must demonstrate and meet the following requirements:

1. Have adequate financial resources or the ability to obtain such resources as required;
2. Be able to comply with the required or proposed delivery schedule;
3. Have a satisfactory record of performance
4. Have a record of integrity and ethics; and
5. Be qualified and eligible, as determined by the City, to receive an award.

1.11 ASSIGNMENT

The successful bidder shall not sell, assign, transfer or convey the contract in whole or in part, without the prior written consent of the City.

1.12 EX PARTE COMMUNICATION

To ensure the fair evaluation of a solicitation, the City prohibits communication (e.g., unsolicited) initiated by the Respondent to City personnel outside the Procurement Department during the solicitation and evaluation period.
The appropriate City designee will initiate communication between a Respondent and the City to obtain information or clarification needed to develop an accurate evaluation of the solicitation.
Ex parte communication may be grounds for disqualifying the offending Respondent from consideration for award.

SECTION 2: SPECIFICATION / SCOPE OF WORK

The City of Celina's insurance requirements are attached as Exhibit 2. Upon notification of award, successful vendors will be required to provide a certificate of insurance meeting these requirements. The completed certificate of insurance **does not** have to be supplied with the bid.

Award

The City intends to make an award using the evaluation criteria and other factors as indicated below.

The City reserves the right to award to a primary, secondary, and tertiary vendor. In the event that the Primary vendor is unable to fulfill an order the City may move to the secondary vendor.

Change Orders

No oral statement of any person shall modify or otherwise change, or affect the terms, conditions, or specifications stated in the resulting contract. All change orders to the contract will be made in writing by the City.

Contractor Operations

- Contractor will operate as an independent contractor and not as an agent, representative, partner, or employee of the City and shall control his operations at the work site and be solely responsible for the acts or omissions of his employees.
- All wages, taxes, and worker's compensation of all contract employees shall be paid by the Contractor.

Insurance Requirements

Vendor must be able to provide a current insurance certificate which meets the requirements listed in

the insurance requirements attachment upon notice of award.

Orders

- All orders for goods and services must be in the form of a City-issued purchase order or paid for with a City-issued credit card at the time the order is placed. If an employee fails to provide either a PO or credit card, the order should be denied.
- Credit card receipts must be detailed and clearly show the amount paid.
- Invoices may be submitted to one of the addresses listed below under "Payment Terms".
- All invoices must be made out to the City of Celina and include the invoice date, date of service, and PO number clearly showing what was purchased.

Bid Attributes

1	**Electronic Submission** ***The City strongly requests that bidders submit responses electronically. Electronic bidding eliminates errors, unnecessary work, and is friendlier to the environment.***
2	**Term of Contract** The contract is for one year (1) with the option to renew the agreement for up to four (4) additional one (1) year periods. Both parties must be in agreement. Either party must notify the other within sixty days of intent not to renew the contract. Certify in the field provided that you agree to this term. Agree - Steve Waczak
3	**Bid Acceptance** All bids will remain subject to acceptance for a period of 90 days.
4	**Retracting Your Bid - Making Modifications after submission.** Modification to or Withdrawal of Submission Submissions cannot be altered or amended after the submission deadline passes. Submissions may be modified prior to the deadline by retracting the response. To modify a submission prior to the submission deadline: 1. Log into your account, click the retract link at the top of the page. ◦ Select "NO BID" if you are choosing **not** to re-submit; or ◦ **Make the required changes and resubmit your response.** ◦ See the help section in the top right of the window for further details.
5	**Local Preference Policy** The purpose of this policy is to comply with Sections 271.905 and 271.9051 of the Texas Local Government Code to allow for consideration of a bidder's principal place of business in the award of a competitively bid contract. This application for local preference consideration does not mean that the City of Celina is limiting responses to the competitive bid process to only businesses located within the City limits. All bids are welcome and encouraged. Vendors must submit an application with each solicitation. The decision to approve or deny consideration shall be at the discretion of the City Council. Applications for local preference may downloaded from the City's Procurement website located here.

6 Non-Collusion

I certify as the respondent and submitter for this solicitation that:

1. That I am the person responsible in my firm and named in this bid response for the price(s) and the amount of this bid.
2. The price(s) and amount of this bid have been arrived at independently and without consultation, communication or agreement with any other contractor, bidder or potential bidder.
3. Neither the price(s) nor the amount of this bid, and neither the approximate price(s) nor approximate amount of this bid, have been disclosed to any other firm or person who is a bidder or potential bidder and they will not be discussed before bid opening.
4. No attempt has been made or will be made to induce any firm or person to refrain from bidding on this contract, or to submit a bid higher than this bid, or to submit any intentionally high or noncompetitive bid or other form of complementary bid.
5. The bid of my firm is made in good faith and not pursuant to any agreement or discussion with, or inducement from, any firm or person to submit a complementary or other noncompetitive bid.
6. My firm, its affiliates, subsidiaries, officers, directors, and employees are not currently under investigation by any governmental agency and have not in the last four years been convicted or found liable for any act prohibited by the State of Texas or Federal Antitrust law in any jurisdiction, involving conspiracy or collusion with respect to bidding on any public contract.

☑ I certify that the statement is accurate and true.

7 Cooperative Agreement

Successful bidder agrees to extend prices to all entities that have entered into or will enter into an Interlocal Agreement with the City. As permitted under by Texas Government Code the successful bidder may be asked to provide products/services, based upon bid price, to any other entity with an executed Interlocal Agreement.

The City maintains Interlocal Agreements with entities throughout the Dallas - Fort Worth area. Agreements may be viewed at www.celina-tx.gov/bids by selecting the **contracts** link.

2. Workers' Compensation insurance with Texas statutory limits; and Employer's Liability coverage with minimum limits for bodily injury: a) by accident, $500,000 each accident, b) by disease, $500,000 per employee with a per policy aggregate of $500,000.

3. Business Automobile Liability insurance covering owned, hired and non-owned vehicles, with a minimum combined single limit of $1,000,000.

B. With reference to the foregoing required insurance, the vendor agrees to the following:

1. A waiver of subrogation in favor of City of Celina, its officials, employees, and officers shall be contained in the Workers' Compensation insurance policy.

2. The City of Celina, its officials, employees and officers shall be covered as additional insureds on the Commercial General Liability and Business Automobile Liability policies.

3. Policies of insurance shall not be cancelled, non-renewed, terminated, or materially changed unless and until thirty (30) days notice has been given to City of Celina.

C. Insurance limits can be met with a combination of primary and excess/umbrella coverage.

D. All insurance shall be purchased from insurance companies that meet a financial rating of A-VI or better as assigned by A.M. Best Company or equivalent.

E. The vendor shall require any contractors, sub-contractors, and other persons doing business with or for the vendor related to the work to maintain at least the insurance as required, or their liability shall be covered by the vendor.

City of Celina, Texas
Standard Contract for Services

This Agreement is made by and between the City of Celina, Texas, a Texas home-rule municipality (hereinafter referred to as the "City") and **RK Hall, LLC** (hereinafter referred to as the "Provider") for **Asphalt Supply** (Awarded bid lines 4, and 9 as primary vendor, and bid lines 1,2,3,6,7 and 8 as secondary vendor), (hereinafter referred to as the "Project"). In consideration of the premises, covenants, and mutual promises contained in this Agreement, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the City and the Provider hereby agree as follows:

1. **EMPLOYMENT OF THE PROVIDER.** The City agrees to retain the Provider for, and the Provider agrees to provide services relative to, the following Project: **Asphalt Supply** (hereinafter also referred to as "Services") in accordance with the terms and conditions as set forth in this Agreement and in Exhibit A,B, and C, attached hereto and incorporated herein by reference.

2. **SCOPE OF SERVICES.** The Services to be performed are specified in **Exhibit A - Best Value Bid.** Deviations from the agreed-upon scope of work of such Services may be authorized from time to time by the City in writing.

3. **SCHEDULE OF WORK.** The Provider agrees to begin work upon receipt of written authorization from the City. Time is of the essence for this Agreement and work is to commence immediately.

4. **CONTRACT PERIOD.** The contract period for this Agreement is January 15, 2025 through January 14, 2026, with four optional one-year renewals.

5. **COMPENSATION.** The Provider's total compensation for services to be performed and expenses to be incurred is specified in **Exhibit B – Supplier Response**, attached hereto, and incorporated herein by reference.

6. **PAYMENTS.** Payments will be processed on a monthly basis with payment available within thirty (30) days after the City's receipt of the invoice for the previous month's Services or as set forth in **Exhibit A.**

7. **INVOICING.** Invoices should be prepared and submitted to the City for payment in accordance with Exhibit A. Invoices should be mailed to Accounts Payable, City of Celina, 142 N. Ohio, Celina, TX 75068, or **emailed to accountspayable@celina-tx.gov**.

8. **INFORMATION PROVIDED BY THE CITY**. Although every effort has been or will be made to furnish accurate information, the City does not guarantee the accuracy of information it furnishes to the Provider.

9. **INSURANCE.** The Provider shall provide proof that it has obtained and will continue to maintain throughout the duration of this Agreement the insurance requirements set forth in **Exhibit C.** Failure to maintain the required insurance may result in immediate termination of this Agreement.

11. **INDEMNIFICATION. THE PROVIDER AGREES, TO THE FULLEST EXTENT PERMITTED BY LAW, TO INDEMNIFY AND HOLD HARMLESS THE CITY, ITS OFFICERS, AGENTS, SERVANTS AND EMPLOYEES (HEREINAFTER COLLECTIVELY REFERRED TO AS "INDEMNITEES") FROM AND AGAINST SUITS, ACTIONS, CLAIMS, LOSSES, ANY DAMAGE, LIABILITY, AND FROM AND AGAINST ANY COSTS AND EXPENSES, INCLUDING, IN PART, ATTORNEY'S FEES INCIDENTAL TO THE DEFENSE OF SUCH SUITS, ACTIONS CLAIMS, LOSSES, DAMAGES OR LIABILITY ON ACCOUNT OF INJURY, DISEASE, SICKNESS, INCLUDING DEATH, TO ANY PERSON OR DAMAGE TO PROPERTY INCLUDING, IN PART, THE LOSS OF USE RESULTING THEREFROM, ARISING FROM ANY NEGLIGENT ACT, ERROR OR OMISSION OF THE PROVIDER, ITS OFFICERS, EMPLOYEES, SERVANTS, AGENTS OR SUBCONTRACTORS, OR ANYONE ELSE UNDER THE PROVIDER'S DIRECTION AND CONTROL, AND ARISING OUT OF, RESULTING FROM,**

OR CAUSED BY THE PERFORMANCE OR FAILURE OF PERFORMANCE OF ANY WORK OR SERVICES UNDER THIS AGREEMENT, OR FROM CONDITIONS CREATED BY THE PERFORMANCE OR NON-PERFORMANCE OF SAID WORK OR SERVICES. IN THE EVENT ONE OR MORE OF THE INDEMNITEES IS DETERMINED BY A COURT OF LAW TO BE JOINTLY OR DERIVATIVELY NEGLIGENT OR LIABLE FOR SUCH DAMAGE OR INJURY, THE PROVIDER SHALL BE OBLIGATED TO INDEMNIFY INDEMNITEES AS PROVIDED HEREIN ON A PROPORTIONATE BASIS IN ACCORDANCE WITH THE FINAL JUDGMENT, AFTER ALL APPEALS ARE EXHAUSTED, DETERMINING SUCH JOINT OR DERIVATIVE NEGLIGENCE OR LIABILITY. THIS INDEMNIFICATION IS SUBJECT TO THE LIMITATIONS IN TEXAS LOCAL GOVERNMENT CODE, § 271.904(A) AND TEXAS CIVIL PRACTICE AND REMEDIES CODE, § 130.002(B), AS SAME MAY BE APPLICABLE TO PROVIDER AS A MATTER OF LAW.

12. **TRANSFER OF INTEREST.** Neither the City nor the Provider may assign or transfer their interests in this Agreement without the prior written consent of the other Party. Such consent shall not be unreasonably withheld. This Agreement is binding on the City, the Provider, and their successors and assigns. Nothing herein is to be construed as creating a personal liability on the part of any City officer, employee or agent.

13. **AUDITS AND RECORDS.** At any time during normal business hours and as often as the City may deem necessary, the Provider shall make available to the City for examination all of its records with respect to all matters covered by this Agreement, and will permit the City to audit, examine and make copies, excerpts, or transcripts from such records. The City may also audit all contracts, invoices, payroll records of personnel, conditions of employment and other data relating to this Agreement.

14. **EQUAL EMPLOYMENT OPPORTUNITY.** The Provider shall not discriminate against any employee or applicant for employment because of age, race, color, religion, sex, national origin, disability or any other protected characteristic. The Provider shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their age, race, color, religion, sex, national origin, disability or any other protected characteristic. Such actions shall include, but not be limited to the following: employment, promotions, demotion, transfers, recruitment or recruitment advertising, layoffs, terminations, selection for training (including apprenticeships), and participation in recreational activities.

    The Provider agrees to post in conspicuous places, accessible to employees and applicants for employment, notices setting forth the provisions of the nondiscrimination clause. The Provider will, in all solicitations or advertisements for employees placed by or on behalf of the Provider, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.

    The Provider will cause the foregoing provisions to be inserted in all subcontracts for any work covered by this Agreement so that such provisions will be binding upon each sub-Provider, except that the foregoing provisions shall not apply to contracts or subcontracts for customary office supplies.

    The Provider shall keep records and submit reports concerning the racial and ethnic origin(s) of applicant employment and employees as the law may require.

15. **TERMINATION OF CONTRACT.** The City may terminate this Agreement upon thirty (30) days written notice to the Provider, except in the event (i) the Provider is in breach of this Agreement, or (ii) the Provider fails to comply with the terms of Exhibit A. If either of the foregoing conditions exists, the City shall notify the Provider and the Provider shall be given seven (7) days to cure such breach or failure to comply. Should the Provider fail to cure to the satisfaction of the City, the City may terminate this Agreement upon written notice as provided herein.

    In the event of any termination hereunder, the Provider consents to the City's selection of another Provider to assist the City in any way in completing the Services. The Provider further

agrees to cooperate and provide any information requested by the City in connection with the completion of the Services.

The Provider shall be compensated for Services performed and expenses incurred for satisfactory work up to the termination date in that the Provider shall receive a portion of fees and expenses permitted under this Agreement in direct proportion to percentage of work actually completed up to the termination date. This provision shall not deprive the City of any remedies against the Provider that may be available under applicable law.

16. **PROVIDER'S REPRESENTATIONS.** The Provider hereby represents to the City that the Provider is financially solvent and possesses sufficient experience, licenses, authority, personnel, and working capital to complete the Services required under this Agreement.

17. **CITY APPROVAL FOR ADDITIONAL WORK.** No payment, of any nature whatsoever, will be made to the Provider for additional work without the City's written approval before such work begins.

18. **PERFORMANCE BY PROVIDER.** All Services provided by the Provider hereunder shall be performed in accordance with the highest professional standards and in accordance with Exhibit A, and the Provider shall be responsible for all Services provided hereunder whether such services are provided directly by the Provider or by any sub-Providers hired by the Provider. The Provider shall perform all duties and Services and make all decisions called for hereunder promptly and without unreasonable delay. The Provider shall not utilize sub-Providers to perform Services without the City's prior written consent.

19. **DAMAGE.** In all instances where City property and/or equipment is damaged by the Provider's employees, a full report of the facts, extent of the damage and estimated impact on the Provider's schedule shall be submitted to the City by 8:00 a.m. of the following City business day after the incident. If damage may result in further damages to the City or loss of City property, the Provider must notify Police Dispatch immediately. The Provider shall be fully liable for all damage to City property or equipment caused by the Provider's officers, employees, agents or sub-Providers.

20. **CITY OBJECTION TO PERSONNEL.** If at any time after entering into this Agreement, the City has any reasonable objection to any of the Provider's personnel, or any personnel retained by the Provider, then the Provider shall promptly propose substitutes to whom the City has no reasonable objection, and the Provider's compensation shall be equitably adjusted to reflect any difference in the Provider's costs occasioned by such substitution.

21. **COMPLIANCE WITH LAWS.** The Provider warrants and covenants to the City that all Services will be performed in compliance with all applicable federal, state, county and City laws, rules, and regulations including, but not limited to, the Texas Industrial Safety and Health Act and the Workers Right-to-Know Law. All necessary precautions shall be taken to assure that safety regulations prescribed by OSHA and the City are followed.

22. **NON-BINDING MEDIATION.** In the event of any disagreement or conflict concerning the interpretation of this Agreement, and such disagreement cannot be resolved informally by the City and the Provider, the City and the Provider agree to submit such disagreement to non-binding mediation before pursuing any other legal remedy.

23. **ENTIRE CONTRACT.** This Agreement together with Exhibit A, B, and C, attached hereto and any other exhibit attached hereto contains the entire contract between the City and the Provider concerning the Services for the Project. There will be no understandings or contracts other than those incorporated herein. This Agreement may not be modified except by an instrument in writing signed by the Parties hereto. In the event of a conflict between an attachment to this Agreement and this Agreement, this Agreement shall control.

24. **MAILING ADDRESSES.** All notices and communications concerning this Agreement are to be mailed or delivered to the addresses shown below unless and until the other Party is otherwise notified in writing of a different address

SECTION 1: INSTRUCTIONS/GENERAL INFORMATION

1.1 SUBMISSION

Offerors may submit proposals electronically or in hard copy. The City's preference is electronic submission. Refer to Section 4 for detailed submission instructions.

1.2 NO OFFER/NO BID

The City is appreciative of the time and effort you must expend to submit an offer. If you choose not to respond, we would greatly appreciate you indicating any requirement that may have influenced your decision.

1.3 INCLEMENT WEATHER

In the event of inclement weather and City offices are officially closed on the due date, responses will be received until 3:00 PM of the next business day at which time submittals will be publicly opened.

1.4 ACCEPTANCE

It is understood that the City of Celina, reserves the right to accept or reject any and/or all proposals as it shall deem to be in the best interest of the City. Receipt of any proposal shall under no circumstances obligate the City to accept the lowest proposal. The award of the contract shall be made to the responsible proposer whose proposal is determined to be the lowest and best evaluated offer resulting from negotiation, taking into consideration the relative importance of price and other evaluation factors set forth in the request for proposal. The City reserves the right in its sole discretion after evaluation of all responsive bids, to award the work described herein to more than one responsive and responsible Bidder. In such cases where an award is made to more than one responsive and responsible Bidder, the City shall apportion the work among the various primary, secondary and alternate providers in such manner and at such time as it deems appropriate under the circumstances in its sole discretion and no minimum amount or proportion of work is guaranteed to any single provider or class of providers irrespective of such provider's designation as primary, secondary or alternate.

1.5 SUBMITTAL OF CONFIDENTIAL MATERIAL

The Owner considers all Proposal information, documentation and supporting materials submitted in response to this Request for Proposal to be non-confidential and/or non-proprietary in nature, and therefore, shall be subject to public disclosure under the Texas Public Information Act (*Texas Government Code*, Sec. 552.001, et seq.) after the award of the contract except for trade secrets and confidential information which the Offeror identifies as proprietary. Any material that is to be considered as CONFIDENTIAL/PROPRIETARY in nature must be clearly marked on each applicable page by the proposer. Marking your entire proposal CONFIDENTIAL/Proprietary is not in conformance with the Texas Public Information Act (*Texas Government Code*, Sec. 552.001, et seq.).

1.6 DISCLOSURE OF CERTAIN RELATIONSHIPS

Chapter 176 of the Texas Local Government Code requires that any proposer or person considering doing business with a local government entity disclose in the Questionnaire Form CIQ, the proposer or person's affiliation or business relationship that might cause a conflict of interest with a local government entity. Additional information on the statute is available at: http://www.statutes.legis.state.tx.us/Docs/LG/htm/LG.176.htm.

By submitting a response to this request, the proposer represents that it is in compliance with the requirements of Chapter 176 of the Texas Local Government Code.

1.7 DISCLOSURE OF INTERESTED PARTIES

In compliance with Section 2252.908 of the Texas Government Code, the City of Celina may not

enter into a contract with a business entity as a result of acceptance or award of this solicitation unless the business entity submits a disclosure of interested parties form as required by this statute. Notification will be given to the business entity recommended for award upon which the business entity will be required to submit the completed form prior to award.

Additional information on the statute may be found at:

https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm

1.8 INFORMATION / QUESTIONS

All questions shall be posted to the City's electronic bidding service, by the deadline stated. All questions and answers will be posted online. Proposers are responsible for insuring all answers to questions are reviewed prior to the submittal date. Answers provided to posted questions address minor irregularities and are for clarification purposes only and do not revise or modify the specifications. Answers to questions that result in revisions to the specification will be address by Addendum. No oral statement of any person shall modify or otherwise change, or affect the specification.

1.9 PROPOSER RESPONSIBILITY

It is the responsibility of each proposer before submitting a proposal:

1. To examine thoroughly the specification documents and other related data identified in the proposal documents, to visit the site to become familiar with and satisfy proposer as to the general, local, and site conditions that may affect cost, progress, performance, etc.
2. To consider federal, state, and local laws and regulations that may affect costs, progress, performance, or furnishing of the work.
3. To study and carefully correlate proposer's knowledge and observations with the contract documents and such other related data.
4. To promptly notify the City's Purchasing director of all conflicts, errors, ambiguities, or discrepancies which proposer has discovered in or between the contract documents and such other related documents.

1.10 MINIMUM STANDARDS FOR RESPONSIBLE BIDDERS

A prospective bidder must demonstrate and meet the following requirements:

1. Have adequate financial resources or the ability to obtain such resources as required;
2. Be able to comply with the required or proposed delivery schedule;
3. Have a satisfactory record of performance
4. Have a record of integrity and ethics; and
5. Be qualified and eligible, as determined by the City, to receive an award.

1.11 ASSIGNMENT

The successful bidder shall not sell, assign, transfer or convey the contract in whole or in part, without the prior written consent of the City.

1.12 EX PARTE COMMUNICATION

To ensure the fair evaluation of a solicitation, the City prohibits communication (e.g., unsolicited) initiated by the Respondent to City personnel outside the Procurement Department during the solicitation and evaluation period.
The appropriate City designee will initiate communication between a Respondent and the City to obtain information or clarification needed to develop an accurate evaluation of the solicitation.
Ex parte communication may be grounds for disqualifying the offending Respondent from consideration for award.

SECTION 3: EVALUATION

3.1 AWARD

A committee will evaluate submissions received in accordance with the general criteria defined herein. Failure of respondents to provide any information requested in this BVB in their submission may result in disqualification of the submission. The objective of the review committee is to select the vendor that offers the best value for the City.

3.2 SUBSTANTIVE PROPOSALS

The respondent, by submitting a response, certifies the following:

a. that his bid submittal is genuine and is not made in the interest of, or on behalf of, any undisclosed person, firm, or corporation;

b. that he has not directly or indirectly induced or solicited any other respondent to put in a false or sham bid;

c. that he has not solicited or induced any other person, firm, or corporation from proposing; and (d) that he has not sought by collusion to obtain for himself any advantage over any other respondents or over the City of Celina.

Submittals will be scored as follows:

Price	50 Points
Experience	25 Points
Location	15 Points
Delivery Terms	10 Points

SECTION 4: SUBMITTAL PROCEDURES

4.1 SUBMISSION REQUIREMENTS

The City of Celina uses an electronic procurement system to deliver and accept bids/proposals. The City strongly requests that bidders submit responses electronically. Electronic bidding eliminates errors, unnecessary work, and is friendlier to the environment. Your cooperation is appreciated. Email or Fax submissions will not be accepted.

4.2 DUE DATE AND TIME

Bids must be received prior to the due date and time. Late responses will NOT be accepted.

4.2 LATE BIDS

Bids will NOT be accepted after the date and time listed. The City of Celina uses the time listed in eProcurement system. The City is not responsible for lateness of mail, carriers, internet connectivity, website issues, etc.

4.3 BID SUBMITTALS

Bids shall be submitted on the forms provided to insure complete uniformity of wording of all bids. Bids may be rejected if they show any omissions, alterations in wording, conditional clauses, or irregularities of any kind.

4.3 ACCEPTANCE

Any offer received shall be considered an offer, which may be accepted based on initial submission without discussions or negotiations. By submitting an offer in response to this solicitation the proposer agrees that any offer it submits may be accepted by the City at any time within 90 days from the close date.

a) **Electronic Submission** – Electronic submission is quick and easy. Simply visit the website at www.celina-tx.gov/bids and complete the following tasks.

i) Log in
ii) Attachments - Download specifications and all required forms.

    - See the help section in the top right of the window for further details.

5 Local Preference Policy

The purpose of this policy is to comply with Sections 271.905 and 271.9051 of the Texas Local Government Code to allow for consideration of a bidder's principal place of business in the award of a competitively bid contract.

This application for local preference consideration does not mean that the City of Celina is limiting responses to the competitive bid process to only businesses located within the City limits. All bids are welcome and encouraged.

Vendors must submit an application with each solicitation. The decision to approve or deny consideration shall be at the discretion of the City Council.

Applications for local preference may downloaded from the City's Procurement website located here.

6 Non-Collusion

I certify as the respondent and submitter for this solicitation that:

1. That I am the person responsible in my firm and named in this bid response for the price(s) and the amount of this bid.
2. The price(s) and amount of this bid have been arrived at independently and without consultation, communication or agreement with any other contractor, bidder or potential bidder.
3. Neither the price(s) nor the amount of this bid, and neither the approximate price(s) nor approximate amount of this bid, have been disclosed to any other firm or person who is a bidder or potential bidder and they will not be discussed before bid opening.
4. No attempt has been made or will be made to induce any firm or person to refrain from bidding on this contract, or to submit a bid higher than this bid, or to submit any intentionally high or noncompetitive bid or other form of complementary bid.
5. The bid of my firm is made in good faith and not pursuant to any agreement or discussion with, or inducement from, any firm or person to submit a complementary or other noncompetitive bid.
6. My firm, its affiliates, subsidiaries, officers, directors, and employees are not currently under investigation by any governmental agency and have not in the last four years been convicted or found liable for any act prohibited by the State of Texas or Federal Antitrust law in any jurisdiction, involving conspiracy or collusion with respect to bidding on any public contract.

☑ I certify that the statement is accurate and true.

7 **Cooperative Agreement**

Successful bidder agrees to extend prices to all entities that have entered into or will enter into an Interlocal Agreement with the City. As permitted under by Texas Government Code the successful bidder may be asked to provide products/services, based upon bid price, to any other entity with an executed Interlocal Agreement.

The City maintains Interlocal Agreements with entities throughout the Dallas - Fort Worth area. Agreements may be viewed at www.celina-tx.gov/bids by selecting the **contracts** link.

Agree

8 **Insurance**

By selecting the box below, I agree that I have read and understand the insurance requirements detailed in the Insurance Requirements document and that I have or will obtain the required insurance and maintain it for the duration of this contract. The City will register the winning bidder's insurance with MyCOI for verfication and tracking. When registration is complete, myCOI will request proof of insurance directly from your agent(s).

Work may not begin until contracts are in place, insurance verified and the purchase order and/or a notice to proceed issued.

Note:
1. It is critical that your email address and agents email are accurate.
2. Please add @mycoitracking.com to your safe sender list.

☑ I agree and will maintain the required insurance.

Did any vendor apply for Local Preference? (Y/N)	N

Review/Evaluation:
Purchasing completed an initial review to determine each bidder's responsiveness. Bidder Unique Paving Materials Corp, deemed non-responsive, did not meet the special condition that the supplying plant be a distance of 30 minutes or less from the City limits. Unique Paving Materials Corp also submitted pricing for an alternative product not specified in the solicitation. This alternative product was the only pricing submitted. The remaining responses were then sent to the Department for further review. The Department completed its evaluation and recommends awarding to both a primary and secondary vendor. This approach is both fiscally responsible and guarantees that if one vendor is unable to supply the necessary materials within the specified time frame, we have an alternative option to avoid any disruptions in the maintenance schedule.

Recommendation:
Upon completion of the review, the requesting department recommends the following vendor(s):

Recommended Vendor(s):	Austin Ashpalt, Inc and RK-Hall, LLC
Contract Term:	One year with four renewal options.

Asphalt Material Supply Bid

Andrew Figueroa
January 14, 2025

AGENDA OVERVIEW

- Consider and act to award bid 2025-008 to Austin Asphalt and RK Hall as primary and secondary vendors according to the line items listed in bid 2025-008. For an annual amount of $120,620.00 for a contract term of one year with four renewal options in an amount not to exceed $603,100.00 at the unit prices listed and not to exceed the annual budgeted amount.

- Funding is available in the current budget. Expenditures will not exceed funds appropriated and funds will be committed at the issuance of a purchase order.

- Asphalt Supply Bid 2025-008 is to procure asphalt materials required for upcoming road maintenance and repair projects within the City of Celina.

- Staff recommends awarding the 2025-008 bid as presented to both a primary and secondary vendor.

Re:	Annual Street Maintenance Design and Engineering Construction Services

---

Action Requested:
Consider and act to approve a work authorization for engineering services from TRC Engineers, Inc., for the 2025 Annual Street Maintenance (ASM) Program and FY26 Roadway preliminary engineering design services in an amount not to exceed $272,870.00. (Figueroa)

Background Information:
The 2025 Annual Street Maintenance (ASM) Program includes engineering services for the repair and/or replacement of various roadways within the City. This will involve topographic surveys, geotechnical reporting, and construction administration. The streets scheduled for maintenance in the FY2025 ASM include all streets in DC Ranch Phase One and Two, along with additional spot repairs, crack sealing, striping, and micro surfacing for various areas around the city.

The ASM program is essential for the ongoing maintenance of city-owned streets. In 2023, the City conducted a Pavement Condition Index (PCI) study, which was presented to the City Council in September. The average PCI rating for the segments surveyed was 82. The ASM and Capital Improvement programs work in tandem to address roadways with a PCI rating of 55 or lower. The table below summarizes the PCI Rnaking and the projected cost per segment.

Street	PCI Ranking Phase 1(2)	Cost ($)
Bandana	32 (NA)	902,060
Canyon	36 (89)	558,313
Cattle	22 (91)	558,303
DC Ranch Way	61 (NA)	226,435

Lariat	52 (91)	812,233
Stamped	NA (93)	198,816
Tapadero	31 (93)	736,345
	TOTAL	3,992,805

Additionally, preliminary design services for the 2026 ASM will include engineering services for topographic surveying, geotechnical assessments, and civil engineering plans for the next set of roadways scheduled for rehabilitation. The streets included in the FY2026 program are Louisiana, Walnut, Ash, Colorado, and Oak.

Legal Review:
The contract has been previously reviewed and approved.

Financial Consideration:
Funding is available in the current budget. Expenditures will not exceed funds appropriated and funds will be committed at the issuance of a purchase order.

Staff Recommendation:
Staff recommends approving the work authorization as presented.

Engineering Services Proposal

Dear Mr. Figueroa:

The City of Celina (City) has requested that TRC Engineers, Inc. (TRC) provide this engineering proposal for design services related to the above referenced project. The overall project consists of reconstructing various roadways as identified by City staff. A preliminary construction cost estimate is attached for the City's use.

This work would be provided as a task order under the Master Service Agreement (MSA) executed between the City and TRC.

The opportunity to provide this proposal is greatly appreciated. If you have any questions regarding this information, please feel free to contact this office.

Sincerely,

Justin Thomas

TRC SCOPE OF WORK

CITY OF CELINA, TEXAS
2025 ANNUAL STREET MAINTENANCE

PROJECT DESCRIPTION

The project will consist of replacing and/or repairing aging asphalt pavement. The proposed pavement will be asphalt with cement treated full depth repair (FDR) of existing roadway for base or as otherwise indicated below. The specific areas are shown on the attached 2025 Maintenance Project exhibit with approximate road lengths include:

FY 2025 ASM Construction:

1. DC Ranch Phase 1 - FDR
    a. Bandana (1,930 LF)
    b. Canyon (960 LF)
    c. Cattle (960 LF)
    d. Tapadero (1,360 LF)
    e. Lariat (1,550 LF)
    f. DC Ranch Way (400 LF)
2. DC Ranch Phase 2 – Surface Treatment Only, no FDR.
    a. Stampede (1,930 LF)
    g. Canyon (960 LF)
    h. Cattle (960 LF)
    b. Tapadero (905 LF)
    c. Lariat (780 LF)
3. FY 2025 Miscellaneous Spot Repairs (Concrete Panel Replacement, Crack Sealing, Microsurfacing)

Preliminary Design for FY 2026 ASM Construction:

4. Louisiana (Walnut to Ash St) (1,500 LF) - FDR and Culvert Repair
5. Walnut (Arkansas to Louisiana) (1,400 LF) - FDR and Culvert Repair
6. Ash (Utah to Alabama) (480 LF) – FDR and Concrete Curb Repair
7. Colorado (Walnut to Ash) (1,460 LF) - FDR and Culvert Repair
8. Oak (Ohio to Alabama) (2,100 LF) – FDR and Culvert Repair
9. FY 2026 Miscellaneous Spot Repairs (Concrete Panel Replacement, Crack Sealing, Microsurfacing)

TASK 1 – TOPOGRAPHIC SURVEYING

TRC will provide topographical data as required to complete the engineering design. Survey data will be provided in AutoCAD format and include an existing basemap showing locations of street ROW, property lines, easements, fences, culverts and other pertinent existing features within the project area. Surveyor will contact utility locating service prior to fieldwork for marking of underground utility lines and provide deed research of adjacent property ownership within the proposed project area. The survey will provide control points for use during construction. The survey will encompass the width of the Right-of-Way (ROW) for each street section.

This task applies to the following roads from the Project Description list:

- DC Ranch Phases 1 and 2 – Plan sheets were previously prepared under 2024 ASM project based solely on aerial/GIS information. This task will provide field topographical survey to confirm existing conditions.
- Louisiana, Walnut, Ash, Colorado and Oak.

Miscellaneous spot repair locations will not require survey, and these areas are not included with this Scope of Work.

TASK 2 – GEOTECHNICAL

TRC will provide a geotechnical report of the existing soils. This will include borings (up to a total of 37 borings) at strategically spaced locations within each project site to a depth of 10 feet using a truck mounted drilling rig. The report will include a site map of all borings, boring log with soil description, groundwater information, and pavement section recommendations.

This task applies to the following roads from the Project Description list:

- Louisiana, Walnut, Ash, Colorado and Oak

Geotechnical information for DC Ranch roads will be based upon the previously prepared geotechnical report by Geotex dated April 8, 2024 that was provided with the City's 2024 ASM project.

TASK 3 – CIVIL ENGINEERING

TRC will prepare detailed plans and specifications for use in reconstructing various asphalt streets. Plan sheets will include horizontal locations of the streets, including standard notes and details.

It is anticipated that TRC will submit a 60%, 90% and 100% set of construction plans for the City to review. TRC will attend design progress meetings and provide updated engineer's opinion of probable construction costs with each submittal.

A portion of the project area lies within BNSF R.O.W. along E. Walnut Street and we anticipate coordination with BNSF will be necessary for approval of the improvements. TRC will meet with the City and BNSF (if necessary) to discuss the project. TRC anticipates the at-grade railroad crossing will need to meet BNSF guidelines.

This task applies to the following roads from the Project Description list:

- DC Ranch Phase 1 and 2 – Plan sheets were previously prepared under 2024 ASM project based solely on aerial/GIS information. This task will update the plan sheets to include field topographical survey.
- Louisiana, Walnut, Ash, Colorado and Oak
- Miscellaneous spot repair locations will be shown on an overall location map with addresses provided by the City, along with typical standard details.

TASK 4 - CONSTRUCTION ADMINISTRATION

Bidding and Construction Administration - TRC will assist the City in the bid process including preparation of bid advertisement document, attendance at a pre-bid meeting if necessary, respond to contractor questions, preparation of addenda, assist the City in the opening and tabulation of bids, prepare award recommendation letter and prepare construction contract documents. After the bidding is completed, TRC will provide updated construction plans and specifications to include the bid addenda for use during construction.

Throughout construction, TRC will assist the City with contractor correspondence, materials submittal review, respond to contractor requests for information (RFI), contractor pay request reviews, attendance at one preconstruction meeting, attendance at monthly progress meetings (maximum of seven) with the contractor, periodic site visits (maximum of two), final inspection with the contractor and City staff, preparation of punch list and record drawing preparation based on the contractor's as-built plans.

This task applies to the following roads from the Project Description FY 2025 Construction list:

- DC Ranch Phase 1 and 2
- FY 2025 Miscellaneous Spot Repairs

Roads for the Preliminary Design for FY 2026 Construction list will be constructed at a later date and construction administration for FY 2026 is not included within this Scope of Work.

TASK 5 – POST CONSTRUCTION ASBUILT SURVEY

TRC will provide topographical data as required of the improvements after construction is completed. Survey data will be provided in AutoCAD format and compared to the Topographic Survey provided under Task 1. Survey points will include vertical and horizontal information within the project limits of the edges of pavement, any ditch improvements, culvert replacements and/or any grading disturbed areas.

This task applies to the following roads from the Project Description FY 2025 Construction list:

- DC Ranch Phase 1 and 2
- Miscellaneous Spot Repairs

Roads for the Preliminary Design for FY 2026 Construction list will be constructed at a later date and asbuilt surveys for FY 2026 are not included within this Scope of Work.

ASSUMPTIONS

The following assumptions apply to the basis of costs for this project:

- Plan and bid documents will be per TRC's and the City's standards.
- City will be responsible for arranging ROW, easement, and/or property access prior to commencement of fieldwork.
- FY 2025 ASM Construction will be bid and awarded to one general contractor.
- Existing culverts and drainage ditches will be evaluated along the roadways. Any culverts in poor condition will be replaced as needed.
- No improvements will be needed for the existing water and sanitary sewer facilities within these project limits.
- Paving plan sheets will show horizontal layouts only, no vertical profile elevations of the roads will be provided.
- The plan sheet for the Miscellaneous Spot Repairs will consist of an overall map from the City's GIS mapping information only showing the locations of each repair. Surveying and detailed plan sheets will not be provided at each location.
- No improvements will be needed to the existing BNSF railroad crossing at Walnut Street and City pavement will stop short of the tracks.

EXCLUSIONS

The following items are excluded from the Scope of Work:

- Drainage design.
- Water and sanitary sewer design.
- Landscape and irrigation.
- Continuous construction inspection, staking or services other than those listed above.
- Franchise utility coordination.
- Detailed title search or title policy.
- Preparation of final plats, Right-of-Way or easement documents.
- Environmental or permitting services

COMPENSATION FOR SERVICES

The cost to provide the design engineering services will be invoiced as a lump sum project. This lump sum fee includes labor and material costs associated with the Scope of Work identified above. A breakdown of the costs for the City's review is shown below.

Tasks:

1.	Topographic Survey	$ 59,290
2.	Geotechnical	$ 33,910
3.	Civil Engineering	$ 142,100
4.	Construction Administration	$ 12,920
5.	Post Construction Asbuilt Survey	$ 24,650
	TOTAL CONTRACT AMOUNT:	**$ 272,870**

TRC's fees above are based on a continuous flow of work. Any delays or restrictions, caused by customer or customer's sub consultants, which result in idle-time or inefficiencies, could be cause for additional compensation. The payment schedule will be via progress billing (percent complete for each task).

ATTACHMENT C

TIMELINE/SCHEDULE

Assuming the Notice to Proceed from the City is provided to TRC in January 2025, we estimate the milestone timeline as follows:

FY 2025 ASM Construction:

1. Topographic Survey – February 2025
2. Geotechnical – Completed April 2024
3. Engineering Design – February 2025
4. Bidding – March 2025
5. Construction Award - April 2025
6. Construction Completion – September 2025
7. Record Drawings – September 2025

Preliminary Design for FY 2026 ASM Construction:

1. Topographic Survey – March 2025
2. Geotechnical – March 2025
3. Engineering Design – May 2025

This estimated timeline assumes there are no significant delays by others outside of TRC's control.

ATTACHMENT D

DELIVERABLES

It is anticipated that TRC will submit a 60%, 90% and 100% set of construction plans for the City to review. TRC will provide each submittal in pdf format, along with updated Opinion of Construction Costs (OPCC) with each submittal. If the City requests hard copies, TRC will provide up to five (5) paper hard copies of each submittal.

Upon completion of construction, TRC will provide the necessary City of Celina Certificate of Completion forms in pdf and Record Drawings in pdf and AutoCAD (dwg) formats. If the City requests hard copies, TRC will provide up to two (2) paper hard copies of the Record Drawings.

Re:	Work Authorization for B-Weiss Entertainment Group, LLC

Action Requested:
Consider and act to approve a work authorization for B-Weiss Entertainment Group, LLC, to book musical performers for Celina Cajun Fest 2025, in an amount not to exceed $94,760.00. (Monaco)

Background Information:
The City of Celina has an established Master Services Agreement with B-Weiss Entertainment Group, LLC, to support the execution of premier events such as the highly-anticipated Celina Cajun Fest 2025. As part of this partnership, the proposed Work Authorization will enable the booking of the headliner and three supporting musical performers for the festival.

The scope of this Work Authorization is structured to ensure costs remain within the maximum amount specified in the agreement. This strategic approach aligns with the City's commitment to providing high-quality entertainment while maintaining fiscal responsibility. Currently, the individual contracts for the selected performers are undergoing final revisions. These documents will be presented for signatures upon completion, ensuring all legal and logistical requirements are met.

This collaboration with B-Weiss Entertainment reflects the City's dedication to delivering exceptional experiences that celebrate community culture, enhance resident engagement, and attract regional visitors to Celina.

Legal Review:

The Master Services Agreement for B-Weiss Entertainment Group, LLC, has been previously reviewed and approved.

Supporting Documents:

Director of Marketing & Communications
January 14, 2025

BACKGROUND

- The City of Celina has an established Master Services Agreement with B-Weiss Entertainment Group, LLC, to support the execution of premier events, such as the upcoming Celina Cajun Fest.

- As part of this partnership, the proposed Work Authorization will enable the booking of the headliner and three supporting musical performers for the event.

- The scope of the Work Authorization is structured to ensure costs remain within the maximum amount specified in this agreement.

- Currently, individual contracts for the selected musical performers are undergoing final revisions, and these documents will be presented for signatures upon completion, ensuring all legal and logistical requirements are met.

Re:	Friday Night Market Event Management Bid 2025-004

Action Requested:
Consider and act to award bid 2025-004 for Friday Night Market Event Management to SBG Hospitality at an annual amount of $45,000 for a contract term not to exceed $225,000 for five years. (Monaco)

Background Information:
The Marketing and Communications Department worked with the Purchasing Division to create a request for proposals (RFP) for the management of the City's Friday Night Market Events. Following a competitive process, which included an evaluation of each respondent's capabilities and references, staff is proposing to award the contract to SBG Hospitality. It should be noted that the proposal from Texas Lights and Entertainment was deemed unrealistic from the perspective of cost necessary to meet the requirements of the RFP, and it was not further evaluated based on capabilities and references.

SBG Hospitality currently holds the contract for event management of the City's Friday Night Market events, which are hosted monthly over a nine-month span. Known for its expertise in curating community-focused experiences, SBG Hospitality specializes in large-scale event planning and vendor coordination, ensuring seamless execution and high-quality engagement. The proposed contract spans one year with the option for four yearly renewals.

Legal Review:
The agreement has been previously reviewed and approved.

Supporting Documents:

1. Presentation
2. Agreement - Event Management for Friday Night Market - unsigned
3. RFP Recap
4. Scoring Detail 2025-004 R
5. Bid Tabulation 2025-004 R

Financial Consideration:
Funding is available through the current Budget. Expenditures will not exceed funds appropriated and funds will be committed at the issuance of a purchase order.

Staff Recommendation:
Staff recommends approval of bid.

City of Celina, Texas
Standard Contract for Services

This Agreement is made by and between the City of Celina, Texas, a Texas home-rule municipality (City), and **SBG Hospitality LLC** (Provider) for **Event Management for Friday Night Market** (Project). In consideration of the premises, covenants, and mutual promises contained in this Agreement, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the City and the Provider hereby agree as follows:

1. **EMPLOYMENT OF THE PROVIDER.** The City agrees to retain the Provider for, and the the Provider agrees to provide services relative to the following Project: **Event Management for Friday Night Market** (hereinafter also referred to as "Services") in accordance with the terms and conditions as set forth in this Agreement and Exhibit A, attached hereto and incorporated herein by reference.

2. **SCOPE OF SERVICES.** The Services to be performed are specified in **Exhibit A – Request for Proposal.** Deviations from the agreed-upon scope of work of such Services may be authorized from time to time by the City in writing.

3. **SCHEDULE OF WORK.** The Provider agrees to begin work upon receipt of written authorization from the City. Time is of the essence for this Agreement, and work will commence immediately.

4. **CONTRACT PERIOD.** The contract period for this Agreement is for one year from the effective date, with the option to renew for up to four additional one-year terms.

5. **COMPENSATION.** The Provider's total compensation for services to be performed and expenses to be incurred is specified in **Exhibit B – Supplier Response**, attached hereto, and incorporated herein by reference.

6. **PAYMENTS.** Payments will be processed on a monthly basis, and payment will be available within thirty (30) days after the City's receipt of the invoice for the previous month's Services or as set forth in **Exhibit A.**

7. **INVOICING.** Invoices should be prepared and submitted to the City for payment in accordance with Exhibit A. Invoices should be mailed to Accounts Payable, City of Celina, 142 N. Ohio, Celina, TX 75068, or **emailed to accountspayable@celina-tx.gov**.

8. **INFORMATION PROVIDED BY THE CITY**. Although every effort has been or will be made to furnish accurate information, the City does not guarantee the accuracy of the information it furnishes to the Provider.

9. **INSURANCE.** The Provider shall provide proof that it has obtained and will continue to maintain throughout the duration of this Agreement the insurance requirements set forth in **Exhibit C.** Failure to maintain the required insurance may result in immediate termination of this Agreement.

11. **INDEMNIFICATION. THE PROVIDER AGREES, TO THE FULLEST EXTENT PERMITTED BY LAW, TO INDEMNIFY AND HOLD HARMLESS THE CITY, ITS OFFICERS, AGENTS, SERVANTS AND EMPLOYEES (HEREINAFTER COLLECTIVELY REFERRED TO AS "INDEMNITEES") FROM AND AGAINST SUITS, ACTIONS, CLAIMS, LOSSES, ANY DAMAGE, LIABILITY, AND FROM AND AGAINST ANY COSTS AND EXPENSES, INCLUDING, IN PART, ATTORNEY'S FEES INCIDENTAL TO THE DEFENSE OF SUCH SUITS, ACTIONS CLAIMS, LOSSES, DAMAGES OR LIABILITY ON ACCOUNT OF INJURY, DISEASE, SICKNESS, INCLUDING DEATH, TO ANY PERSON OR DAMAGE TO PROPERTY INCLUDING, IN PART, THE LOSS OF USE RESULTING THEREFROM, ARISING FROM ANY NEGLIGENT ACT, ERROR OR OMISSION OF THE PROVIDER, ITS OFFICERS, EMPLOYEES, SERVANTS, AGENTS OR SUBCONTRACTORS, OR ANYONE ELSE UNDER THE PROVIDER'S DIRECTION AND CONTROL, AND ARISING OUT OF, RESULTING FROM, OR CAUSED BY THE PERFORMANCE OR FAILURE OF PERFORMANCE OF ANY WORK OR SERVICES UNDER THIS AGREEMENT, OR FROM CONDITIONS CREATED BY THE PERFORMANCE OR NON-**

PERFORMANCE OF SAID WORK OR SERVICES. IN THE EVENT ONE OR MORE OF THE INDEMNITEES IS DETERMINED BY A COURT OF LAW TO BE JOINTLY OR DERIVATIVELY NEGLIGENT OR LIABLE FOR SUCH DAMAGE OR INJURY, THE PROVIDER SHALL BE OBLIGATED TO INDEMNIFY INDEMNITEES AS PROVIDED HEREIN ON A PROPORTIONATE BASIS IN ACCORDANCE WITH THE FINAL JUDGMENT, AFTER ALL APPEALS ARE EXHAUSTED, DETERMINING SUCH JOINT OR DERIVATIVE NEGLIGENCE OR LIABILITY. THIS INDEMNIFICATION IS SUBJECT TO THE LIMITATIONS IN TEXAS LOCAL GOVERNMENT CODE, § 271.904(A) AND TEXAS CIVIL PRACTICE AND REMEDIES CODE, § 130.002(B), AS SAME MAY BE APPLICABLE TO PROVIDER AS A MATTER OF LAW.

12. **TRANSFER OF INTEREST.** Neither the City nor the Provider may assign or transfer their interests in this Agreement without the prior written consent of the other Party. Such consent shall not be unreasonably withheld. This Agreement is binding on the City, the Provider, and their successors and assigns. Nothing herein is to be construed as creating a personal liability on the part of any City officer, employee or agent.

13. **AUDITS AND RECORDS.** At any time during normal business hours and as often as the City may deem necessary, the Provider shall make available to the City for examination all of its records with respect to all matters covered by this Agreement, and will permit the City to audit, examine and make copies, excerpts, or transcripts from such records. The City may also audit all contracts, invoices, payroll records of personnel, conditions of employment and other data relating to this Agreement.

14. **EQUAL EMPLOYMENT OPPORTUNITY.** The Provider shall not discriminate against any employee or applicant for employment because of age, race, color, religion, sex, national origin, disability or any other protected characteristic. The Provider shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their age, race, color, religion, sex, national origin, disability or any other protected characteristic. Such actions shall include, but not be limited to the following: employment, promotions, demotion, transfers, recruitment or recruitment advertising, layoffs, terminations, selection for training (including apprenticeships), and participation in recreational activities.

    The Provider agrees to post in conspicuous places, accessible to employees and applicants for employment, notices setting forth the provisions of the nondiscrimination clause. The Provider will, in all solicitations or advertisements for employees placed by or on behalf of the Provider, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.

    The Provider will cause the foregoing provisions to be inserted in all subcontracts for any work covered by this Agreement so that such provisions will be binding upon each sub-Provider, except that the foregoing provisions shall not apply to contracts or subcontracts for customary office supplies.

    The Provider shall keep records and submit reports concerning the racial and ethnic origin(s) of applicant employment and employees as the law may require.

15. **TERMINATION OF CONTRACT.** The City may terminate this Agreement upon thirty (30) days written notice to the Provider, except in the event (i) the Provider is in breach of this Agreement, or (ii) the Provider fails to comply with the terms of Exhibit A. If either of the foregoing conditions exists, the City shall notify the Provider and the Provider shall be given seven (7) days to cure such breach or failure to comply. Should the Provider fail to cure to the satisfaction of the City, the City may terminate this Agreement upon written notice as provided herein.

    In the event of any termination hereunder, the Provider consents to the City's selection of another Provider to assist the City in any way in completing the Services. The Provider further agrees to cooperate and provide any information requested by the City in connection with the completion of the Services.

The Provider shall be compensated for Services performed and expenses incurred for satisfactory work up to the termination date in that the Provider shall receive a portion of fees and expenses permitted under this Agreement in direct proportion to percentage of work actually completed up to the termination date. This provision shall not deprive the City of any remedies against the Provider that may be available under applicable law.

16. **PROVIDER'S REPRESENTATIONS.** The Provider hereby represents to the City that the Provider is financially solvent and possesses sufficient experience, licenses, authority, personnel, and working capital to complete the Services required under this Agreement.

17. **CITY APPROVAL FOR ADDITIONAL WORK.** No payment, of any nature whatsoever, will be made to the Provider for additional work without the City's written approval before such work begins.

18. **PERFORMANCE BY PROVIDER.** All Services provided by the Provider hereunder shall be performed in accordance with the highest professional standards and in accordance with Exhibit A, and the Provider shall be responsible for all Services provided hereunder whether such services are provided directly by the Provider or by any sub-Providers hired by the Provider. The Provider shall perform all duties and Services and make all decisions called for hereunder promptly and without unreasonable delay. The Provider shall not utilize sub-Providers to perform Services without the City's prior written consent.

19. **DAMAGE.** In all instances where City property and/or equipment is damaged by the Provider's employees, a full report of the facts, extent of the damage and estimated impact on the Provider's schedule shall be submitted to the City by 8:00 a.m. of the following City business day after the incident. If damage may result in further damages to the City or loss of City property, the Provider must notify Police Dispatch immediately. The Provider shall be fully liable for all damage to City property or equipment caused by the Provider's officers, employees, agents or sub-Providers.

20. **CITY OBJECTION TO PERSONNEL.** If at any time after entering into this Agreement, the City has any reasonable objection to any of the Provider's personnel, or any personnel retained by the Provider, then the Provider shall promptly propose substitutes to whom the City has no reasonable objection, and the Provider's compensation shall be equitably adjusted to reflect any difference in the Provider's costs occasioned by such substitution.

21. **COMPLIANCE WITH LAWS.** The Provider warrants and covenants to the City that all Services will be performed in compliance with all applicable federal, state, county and City laws, rules, and regulations including, but not limited to, the Texas Industrial Safety and Health Act and the Workers Right-to-Know Law. All necessary precautions shall be taken to assure that safety regulations prescribed by OSHA and the City are followed.

22. **NON-BINDING MEDIATION.** In the event of any disagreement or conflict concerning the interpretation of this Agreement, and such disagreement cannot be resolved informally by the City and the Provider, the City and the Provider agree to submit such disagreement to non-binding mediation before pursuing any other legal remedy.

23. **ENTIRE CONTRACT.** This Agreement together with Exhibit A, B, and C, attached hereto and any other exhibit attached hereto contains the entire contract between the City and the Provider concerning the Services for the Project. There will be no understandings or contracts other than those incorporated herein. This Agreement may not be modified except by an instrument in writing signed by the Parties hereto. In the event of a conflict between an attachment to this Agreement and this Agreement, this Agreement shall control.

SECTION 1: INSTRUCTIONS

1.1 SUBMISSION

Offerors may submit proposals electronically. The City's preference is electronic submission. Refer to Section 4 for detailed submission instructions.

1.2 NO OFFER/NO BID

The City is appreciative of the time and effort you must expend to submit an offer. If you choose not to respond, we would greatly appreciate you indicating any requirement that may have influenced your decision.

1.3 INCLEMENT WEATHER

In the event of inclement weather and City offices are officially closed on the due date, responses will be received until 3:00 PM of the next business day at which time submittals will be publicly opened.

1.4 ACCEPTANCE

It is understood that the City of Celina, reserves the right to accept or reject any and/or all proposals as it shall deem to be in the best interest of the City. Receipt of any proposal shall under no circumstances obligate the City to accept the lowest proposal. The award of the contract shall be made to the responsible proposer whose proposal is determined to be the lowest and best evaluated offer resulting from negotiation, taking into consideration the relative importance of price and other evaluation factors set forth in the request for proposal.

1.5 SUBMITTAL OF CONFIDENTIAL MATERIAL

The Owner considers all Proposal information, documentation and supporting materials submitted in response to this Request for Proposal to be non-confidential and/or non-proprietary in nature, and therefore, shall be subject to public disclosure under the Texas Public Information Act (*Texas Government Code*, Sec. 552.001, et seq.) after the award of the contract except for trade secrets and confidential information which the Offeror identifies as proprietary. Any material that is to be considered as CONFIDENTIAL/PROPRIETARY in nature must be clearly marked on each applicable page by the proposer. Marking your entire proposal CONFIDENTIAL/Proprietary is not in conformance with the Texas Public Information Act (*Texas Government Code*, Sec. 552.001, et seq.).

1.6 DISCLOSURE OF CERTAIN RELATIONSHIPS

Chapter 176 of the Texas Local Government Code requires that any proposer or person considering doing business with a local government entity disclose in the Questionnaire Form CIQ, the proposer or person's affiliation or business relationship that might cause a conflict of interest with a local government entity. Additional information on the statute is available at: http://www.statutes.legis.state.tx.us/Docs/LG/htm/LG.176.htm.

By submitting a response to this request, the proposer represents that it is in compliance with the requirements of Chapter 176 of the Texas Local Government Code.

1.7 DISCLOSURE OF INTERESTED PARTIES

In compliance with Section 2252.908 of the Texas Government Code, the City of Celina may not enter into a contract with a business entity as a result of acceptance or award of this solicitation unless the business entity submits a disclosure of interested parties form as required by this statute. Notification will be given to the business entity recommended for award upon which the business entity will be required to submit the completed form prior to award.

Additional information on the statute may be found at:

https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm

1.8 INFORMATION / QUESTIONS

All questions shall be posted to the City's electronic bidding service, by the deadline stated. All questions and answers will be posted online. Proposers are responsible for ensuring all answers to questions are reviewed prior to the submittal date. Answers provided to posted questions address minor irregularities and are for clarification purposes only and do not revise or modify the specifications. Answers to questions that result in revisions to the specification will be addressed by Addendum. No oral statement of any person shall modify or otherwise change or affect the specification.

1.9 ASSIGNMENT

The successful bidder shall not sell, assign, transfer or convey the contract in whole or in part, without the prior written consent of the City.

1.10 PROPOSER RESPONSIBILITY

It is the responsibility of each proposer before submitting a proposal:

1. To examine thoroughly the specification documents and other related data identified in the proposal documents, to visit the site to become familiar with and satisfy the proposer as to the general, local, and site conditions that may affect cost, progress, performance, etc.
2. To consider federal, state, and local laws and regulations that may affect costs, progress, performance, or furnishing of the work.
3. To study and carefully correlate proposer's knowledge and observations with the contract documents and such other related data.
4. To promptly notify the City's Purchasing Director of all conflicts, errors, ambiguities, or discrepancies which proposer has discovered in or between the contract documents and such other related documents.

1.11 EX PARTE COMMUNICATION

To ensure the fair evaluation of a solicitation, the City prohibits communication (e.g., unsolicited) initiated by the Respondent to City personnel outside the Procurement Department during the solicitation and evaluation period.

The appropriate City designee will initiate communication between a Respondent and the City to obtain information or clarification needed to develop an accurate evaluation of the solicitation.

Ex parte communication may be grounds for disqualifying the offending Respondent from consideration for award.

SECTION 2: SPECIFICATION / SCOPE OF WORK

Introduction and Background

For clarity, the awarded Vendor will be referred to as “Event Manager” and Friday Night Market vendors will be referred to as “vendor(s)”

The mission of the Friday Night Market is to provide locally grown, fresh, high-quality products while giving local farmers, producers, and artisans an economic outlet within Celina. The Market will also promote foot traffic to the historic Downtown Square as a Friday night destination. This gives local merchants opportunities to strengthen their businesses and preserves the connection between producer, consumer, and community.

Award

The City of Celina (City) is seeking to contract with a single event management company to coordinate and oversee all facets of the monthly event mentioned in this RFP from March through November each year.

Term

The contract is for one year with the option to renew the agreement for up to four additional one year periods. Both parties must be in agreement. Either party must notify the other within sixty days of intent not to renew the contract. Certify in the field provided that you agree to this term.

Electricity

A limited number of booths with electrical access are available. Vendor will need to indicate electrical request on Vendor application in order to be assigned on a first-come, first-served basis. If requested, electricity (110v, 220v, 30amp, 50amp) can be provided upon availability, a photo of electrical plug must be submitted on the Vendor application. If electricity is provided by the City, the Vendor will be required to provide a 100’ extension cord or a 25’ (30amp/50amp extension cord).). If an electrical connection is not available. Only a food Vendor can use its own generator. Generators will not be provided by the City of Celina. Vendor providing their own electricity must ensure all generators are quiet and in good working order. The awarded event management company is required to coordinate the monthly approved Vendor(s). The event management company must provide the City of Celina with a map and photos of the requested electrical plugs for food trucks the Monday prior to every Friday Night Market.

Schedule

Markets will occur the first Friday of the month from March through November. Markets that would normally fall on a national holiday will be held on the following Friday. Estimated hours of operation are from 3:00 PM to 10:00 PM. The event itself will last from 6:00 PM to 9:00 PM. There is an expected average of 500-750 attendees per event.

Minimum Requirements

- Event manager to use and collect monthly vendor fees through Eventeny management software

Submitted bid pricing should be listed as a lump sum “Cost to manage event” that is all-inclusive of the following responsibilities listed below in Section A – Event Manager. The City should not receive any separate payable invoices for the duties of the Event Manager. The Event Manager is responsible for ensuring their lump sum fee covers their expenses.

SECTION A – Event Manager

The awarded Event Manager is responsible for the following items:

- Musician advancement/day of event load-in /connect to Downtown.
- Production assistants & tear-down.
- Staffing to work the day of event set-up, operation, and tear-down.
- Set up, clean up, and restore the area to its original state.
- Provide the City with a monthly recap report (with the number of attended vendors, highlights of the event, and any concerns) by the following Wednesday after the event.
- Provide the City with musicians'' information and marketing materials at least a month in advance.
- The Event Manager is responsible for all logistics of the items listed and must provide proof of invoice/payment to the City within 10 days after each market.
    - Itemized receipt of monthly market booth fees (Number of vendors and itemized pricing)
    - Proof of payment for the monthly barricade rental
    - Monthly Market Musician Invoice
- The awarded event manager may co-promote the event, but all promotions must be under the City's brand, name, and likeness of Friday Night Market. Promotions must be signed off on by the Director of Marketing & Communications or his/her designee.

SECTION B – Vendor Fees to Cover

The following expenditures will be covered by the Friday Night Market Vendor Fees and **not to be included in the submitted event management fee cost**. The Event Manager is responsible for payment and all logistical coordination of the items listed below and must provide proof of invoice/payment to the City within 10 days after each market.

- Rental of Barricades/Traffic Control Material for road closure (Type 3/Tripple Panel, Traffic Control Plan as approved by City Engineering)
- Booking music talent for the full event season. Includes contracting with, paying, and communicating. Musician Talent to be family friendly and encourage to be local performers. (Talent is expected to cost between $100 to $500 per event)

Monthly Reconciliation of Vendor Fees

After each market, the Event Manager must remit the remaining vendor fees to the City of Celina within 10 days, following the calculation example provided below.

Estimated Monthly Market Gross Revenue at Full Capacity

- 65 Market Vendors Booth Spaces x $40 (booth fee) = $2,600
- 5 Food & Beverage Booth Spaces x $75 (booth fee) = $375
- Estimated Monthly Gross Revenue at Full Capacity = $2,975

Estimated Monthly Market Expenditures

- Barricades - ~$1,500
- Musician - ~$300 (average)

Remittance Calculation

Monthly revenue minus monthly expenditures = revenue owed to the City within 10 days post-event.

SECTION C – City of Celina

The City is responsible for the following items:

- The City has sole control over the pricing of vendor fees.
- The City is the only entity allowed to sell sponsorship for the Friday Night Market and collects all monies associated. Sponsors will be given a 10x10 as designated in their sponsorship activation. The City will inform the event manager of their designated booth spaces and to not charge the sponsors.
- All marketing materials and full ownership of the name, brand, and use of logo for Friday Night Market.
- Coordination of portable restrooms, poly cart (trash can) rentals
- Confirm traffic control plan is approved for every market and relay any construction concerns to the management company

Bid Attributes

1	**Electronic Submission** ***The City strongly requests that bidders submit responses electronically. Electronic bidding eliminates errors, unnecessary work, and is friendlier to the environment.***
2	**Term of Contract** The contract is for one year (1) with the option to renew the agreement for up to four (4) additional one (1) year periods. Both parties must be in agreement. Either party must notify the other within sixty days of intent not to renew the contract. Certify in the field provided that you agree to this term. Agreed
3	**Bid Acceptance** All bids will remain subject to acceptance for a period of 90 days.
4	**Retracting Your Bid - Making Modifications after submission.** Modification to or Withdrawal of Submission Submissions cannot be altered or amended after the submission deadline passes. Submissions may be modified prior to the deadline by retracting the response. To modify a submission prior to the submission deadline: 1. Log into your account, click the retract link at the top of the page. ◦ Select "NO BID" if you are choosing **not** to re-submit; or ◦ **Make the required changes and resubmit your response.** ◦ See the help section in the top right of the window for further details.
5	**Local Preference Policy** The purpose of this policy is to comply with Sections 271.905 and 271.9051 of the Texas Local Government Code to allow for consideration of a bidder's principal place of business in the award of a competitively bid contract. This application for local preference consideration does not mean that the City of Celina is limiting responses to the competitive bid process to only businesses located within the City limits. All bids are welcome and encouraged. Vendors must submit an application with each solicitation. The decision to approve or deny consideration shall be at the discretion of the City Council. Applications for local preference may downloaded from the City's Procurement website located here.

6 Non-Collusion

I certify as the respondent and submitter for this solicitation that:

1. That I am the person responsible in my firm and named in this bid response for the price(s) and the amount of this bid.
2. The price(s) and amount of this bid have been arrived at independently and without consultation, communication or agreement with any other contractor, bidder or potential bidder.
3. Neither the price(s) nor the amount of this bid, and neither the approximate price(s) nor approximate amount of this bid, have been disclosed to any other firm or person who is a bidder or potential bidder and they will not be discussed before bid opening.
4. No attempt has been made or will be made to induce any firm or person to refrain from bidding on this contract, or to submit a bid higher than this bid, or to submit any intentionally high or noncompetitive bid or other form of complementary bid.
5. The bid of my firm is made in good faith and not pursuant to any agreement or discussion with, or inducement from, any firm or person to submit a complementary or other noncompetitive bid.
6. My firm, its affiliates, subsidiaries, officers, directors, and employees are not currently under investigation by any governmental agency and have not in the last four years been convicted or found liable for any act prohibited by the State of Texas or Federal Antitrust law in any jurisdiction, involving conspiracy or collusion with respect to bidding on any public contract.

☑ I certify that the statement is accurate and true.

7 Insurance

By selecting the box below, I agree that I have read and understand the insurance requirements detailed in the Insurance Requirements document and that I have or will obtain the required insurance and maintain it for the duration of this contract. The City will register the winning bidder's insurance with MyCOI for verfication and tracking. When registration is complete, myCOI will request proof of insurance directly from your agent(s).

Work may not begin until contracts are in place, insurance verified and the purchase order and/or a notice to proceed issued.

Note:
1. It is critical that your email address and agents email are accurate.
2. Please add @mycoitracking.com to your safe sender list.

☑ I agree and will maintain the required insurance.

Memorandum

To:	**Honorable Mayor Tubbs and the Celina City Council**
From:	Amy Alexander, Director of Information Technology
CC:	Karla Stovall, Assistant City Manager
Intiated by:	Alden Gleason
Date:	January 14, 2025
Re:	Fiber Phase 3 Bid 2025-017

Action Requested:
Consider and act to award RFP 2025-017 for the construction of fiber phase 3 to R-TEL Construction, LTD, at the unit prices listed in the amount of $701,863.77 plus ten percent contingency in the amount of $70,186.37 for a total amount not to exceed $771,543.79. (Alexander)

Background Information:
Fiber Phase 3 is the third phase in the City's 2022 fiber optic master plan. In 2023, the City initiated construction of its first phase connecting Public Works to Police Headquarters. Phase 2 interconnected 14 sites that are near the Phase 1 fiber path. Phase 3 will complete the first fiber ring, running between Public Works and Celina Police Headquarters. These sites are part of day-to-day operations and support critical utility infrastructure (water and wastewater), public safety, and other city facilities. By completing the ring, the City's communications between these facilities will be protected from unexpected outages. The ring is critical to enabling continuity of City services and public safety operations in the event of a fiber cut of the City's primary fiber optic path. Additionally, the City intends to enter into an agreement with the Celina Independent School District to build this fiber cable. CISD will re-reimburse the City for fiber connecting to Celina Elementary #5 and participate in cost-sharing of the installation of a section of the fiber optic cable.

Legal Review:
Contract has been previously reviewed and approved.

Supporting Documents:

1. Agreement with R-Tel for 2025-017 Phase 3 Fiber Installation - Partially Executed
2. Agenda Recap_Complete
3. Evaluation Scoring Summary
4. Bid Tabulation by Line Item
5. Fiber Phase 3 - Presentation

Financial Consideration:

Funding is available through bond funds. Expenditures will not exceed funds appropriated and funds will be committed at the issuance of a purchase order.

Staff Recommendation:

Staff recommends awarding the RFP as presented.

SECTION 00410

EJCDC STANDARD FORM OF AGREEMENT

BETWEEN OWNER AND CONTRACTOR ON THE BASIS OF A STIPULATED PRICE

THIS AGREEMENT is by and between the **City of Celina** (OWNER) and **R-TEL Construction LTD** (CONTRACTOR). OWNER and CONTRACTOR, in consideration of the mutual covenants hereby agree as follows:

ARTICLE 1 – WORK

1.01 CONTRACTOR shall complete all Work as specified or indicated in the Contract Documents. The Work is generally described as follows:

City of Celina
Fiber Installation Phase 3
BID 2025-017
PROJECT # IT09

ARTICLE 2 – THE PROJECT

2.01 The Project for which the Work under the Contract Documents may be the whole or only a part is generally described as follows:

The construction project includes:

In cooperation with Celina ISD, the City of Celina (City) is seeking proposals from qualified firms for the following project: This project will include the construction and installation of aerial and underground OSP fiber connecting Police Headquarters to Public Works, and Celina Elementary School #5.

ARTICLE 3 – ENGINEER

3.01 The Project has been designed by **CAPCO** which hereinafter called ENGINEER and which is to act as OWNER'S representative, assume all duties and responsibilities, and have the rights and authority assigned to ENGINEER in the Contract Documents in connection with the completion of the Work in accordance with the Contract Documents.

ARTICLE 4 – CONTRACT TIMES

4.01 Time of the Essence

A. All time limits for Milestones, if any, Substantial Completion, and completion and readiness for final payment as stated in the Contract Documents are of the essence of the Contract.

4.02 Days to Achieve Substantial Completion and Final Payment

A. The Work will be substantially completed within **202** calendar days after the date when the Contract Times commence to run as provided in paragraph 2.03 of the General Conditions and completed and ready for final payment in accordance with paragraph 14.07 of the General Conditions within ***253*** calendar days after the date when the Contract Times commence to run.

4.03 Liquidated Damages

A. CONTRACTOR and OWNER recognize that time is of the essence of this Agreement and that OWNER will suffer financial loss if the Work is not completed within the times specified in paragraph 4.02 above, plus any extensions thereof allowed in accordance with Article 12 of the General Conditions. The parties also recognize the delays, expense, and difficulties involved in proving in a legal or arbitration proceeding the actual loss suffered by OWNER if the Work is not completed on time. Accordingly, instead of requiring any such proof, OWNER and CONTRACTOR agree that as liquidate damages for delay (but not as a

penalty), CONTRACTOR shall pay OWNER ***$1000*** for each day that expires after the time specified in paragraph 4.02 for Substantial Completion until the Work is substantially complete. After Substantial Completion, if CONTRACTOR shall neglect, refuse, or fail to complete the remaining Work within the Contract Time or any proper extension thereof granted by OWNER, CONTRACTOR shall pay OWNER ***$1000*** for each day that expires after the time specified in paragraph 4.02 for completion and readiness for final payment until the Work is completed and ready for final payment.

ARTICLE 5 – CONTRACT PRICE

5.01 OWNER shall pay CONTRACTOR for completion of the Work in accordance with the Contract Documents an amount in current funds equal to the sum of the amounts determined pursuant to paragraphs 5.01.

For all Work other than Unit Price Work, a Lump sum of: $701,863.77

All specific cash allowances are included in the above price and have been computed in accordance with paragraph 11.02 of the General Conditions.

ARTICLE 6 – PAYMENT PROCEDURES

6.01 Submittal and Processing of Payments

A. CONTRACTOR shall submit Applications for Payment in accordance with Article 14 of the General Conditions. Applications for Payment will be processed by ENGINEER as provided in the General Conditions.

6.02 Progress Payments; Retainage

A. OWNER shall make progress payments on account of the Contract Price on the basis of CONTRACTOR'S Applications for Payment on or about the ***last*** day of each month during performance of the Work as provided in paragraphs 6.02.A.1 and 6.02.A.2 below. All such payments will be measured by the schedule of values established in paragraph 2.07.A of the General Conditions (and in the case of Unit Price Work based on the number of units completed) or, in the event there is no schedule of values, as provided in the General Requirements:

1. Prior to Substantial Completion, progress payments will be made in an amount equal to the percentage indicated below but, in each case, less the aggregate of payments previously made and less such amounts as ENGINEER may determine or OWNER may withhold, in accordance with paragraph 14.02 of the General Conditions:

   a. ***95%*** of Work completed (with the balance being retainage).

   b. ***95%*** of cost of materials and equipment not incorporated in the Work (with the balance being retainage).

2. Upon Substantial Completion, OWNER shall pay an amount sufficient to increase total payments to CONTRACTOR to ***95%*** of the Work completed, less such amounts as ENGINEER shall determine in accordance with paragraph 14.02.B.5 of the General Conditions and less ***100%*** of ENGINEER's estimate of the value of Work to be completed or corrected as shown on the tentative list of items to be completed or corrected attached to the certificate of Substantial Completion.

6.03 Final Payment

A. Upon final completion and acceptance of the Work in accordance with paragraph 14.07 of the General Conditions, OWNER shall pay the remainder of the Contract Price as recommended by ENGINEER as provided in said paragraph 14.07.

ARTICLE 7 – INTEREST

7.01 All moneys not paid when due as provided in Article 14 of the General Conditions shall bear interest at the rate of ***0%*** per annum.

ARTICLE 8 – CONTRACTOR'S REPRESENTATIONS

8.01 In order to induce OWNER to enter into this Agreement CONTRACTOR makes the following representations:

A. CONTRACTOR has examined and carefully studied the Contract Documents and the other related data identified in the Bidding Documents.

B. CONTRACTOR has visited the site and become familiar with and is satisfied as to the general, local, and Site conditions that may affect cost, progress, and performance of the Work.

C. CONTRACTOR is familiar with and is satisfied as to all federal, state, and local Laws and Regulations that may affect cost, progress, and performance of the Work.

D. CONTRACTOR has carefully studied all: (1) Geotechnical Investigations, explorations and tests of subsurface conditions at or contiguous to the Site and all drawings of physical conditions in or relating to existing surface or subsurface structures at or contiguous to the Site which have been identified in the Supplementary Conditions as provided in paragraph 4.02 of the General Conditions.

E. CONTRACTOR does not consider that any further examinations, investigations, explorations, tests, studies, or data are necessary for the performance of the Work at the Contract Price, within the Contract Times, and in accordance with the other terms and conditions of the Contract Documents.

F. CONTRACTOR is aware of the general nature of work to be performed by OWNER and others at the Site that relates to the Work as indicated in the Contract Documents.

G. CONTRACTOR has correlated the information known to CONTRACTOR, information and observations obtained from visits to the Site, reports and drawings identified in the Contract Documents, and all additional examinations, investigations, explorations, tests, studies, and data with the Contract Documents.

H. CONTRACTOR has given ENGINEER written notice of all conflicts, errors, ambiguities, or discrepancies that CONTRACTOR has discovered in the Contract Documents, and the written resolution thereof by ENGINEER is acceptable to CONTRACTOR.

I. The Contract Documents are generally sufficient to indicate and convey understanding of all terms and conditions for performance and furnishing of the Work.`

ARTICLE 9 – CONTRACT DOCUMENTS

9.01 Contents

A. The Contract Documents consist of the following in their entirety:

10. Exhibits to this Agreement:

    a. CONTRACTOR'S Bid Response;

    b. CONTRACTOR'S Insurance

    c. Documentation submitted by CONTRACTOR prior to Notice of Award

11. The following which may be delivered or issued on or after the Effective Date of the Agreement and are not attached hereto:

    a. Written Amendments;

    b. Work Change Directives;

    c. Change Order(s).

B. The documents listed in paragraph 9.01. Are attached to this Agreement (except s expressly noted otherwise above).

C. There are no Contract Documents other than those listed above in this Article 9.

D. The Contract Documents may only be amended, modified, or supplemented as provided in paragraph 3.04 of the General Conditions.

ARTICLE 10 – MISCELLANEOUS

10.01 Terms

A. Terms used in this Agreement will have the meanings indicated in the General Conditions.

10.02 Assignment of Contract

A. No assignment by a party hereto of any rights under or interests on the Contract will be binding on another party hereto without the written consent of the party sought to be bound; and, specifically but without limitation, moneys that may become due and moneys that are due may not be assigned without such consent (except to the extent that the effect of this restriction may be limited by law), and unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under the Contract Documents.

10.03 Successors and Assigns

A. OWNER and CONTRACTOR each binds itself, its partners, successors, assigns, and legal representatives to the other party hereto, its partners, successors, assigns, and legal representatives in respect to all covenants, agreements, and obligations contained in the Contract Documents.

10.04 Severability

A. Any provision or part of the Contract Documents held to be void or unenforceable under any Law of Regulation shall be deemed stricken, and all remaining provisions shall continue to be valid and binding upon OWNER and CONTRACTOR, who agree that the Contract Documents shall be reformed to replace such stricken provision or part thereof with a valid and enforceable provision that comes as close as possible to expressing the intention of the stricken provision.

10.05 Contractor's Certifications

A. Contractor certifies that it has not engaged in corrupt, fraudulent, collusive, or coercive practices in competing for or in executing the Contract. For the purposes of this Paragraph 10.05:

1. "corrupt practice" means the offering, giving, receiving, or soliciting of anything of value likely to influence the action of a public official in the bidding process or in the Contract execution;

2. “fraudulent practice” means an intentional misrepresentation of facts made (a) to influence the bidding process or the execution of the Contract to the detriment of Owner, (b) to establish Bid or Contract prices at artificial non-competitive levels, or (c) to deprive Owner of the benefits of free and open competition;
3. “collusive practice” means a scheme or arrangement between two or more Bidders, with or without the knowledge of Owner, a purpose of which is to establish Bid prices at artificial, non-competitive levels; and
4. “coercive practice” means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the bidding process or affect the execution of the Contract.

IN WITNESS WHEREOF, OWNER and CONTRACTOR have assigned this Agreement in duplicate. Each counterpart has been delivered to the OWNER and CONTRACTOR. All portions of the Contract Documents have been signed or identified by OWNER and CONTRACTOR or on their behalf.

EXECUTED in single or multiple originals, effective when signed by both parties.

SOLICITATION NAME: Phase 3 Fiber Installation
PROJECT #: IT09

Bid Opening Date	12/10/2024	Bid Opening Time:	10:00 AM

Number of Invitations Sent/Vendors Notified:	92
Number of Submissions:	10
Number of Non-Responsive Bids:	4
Number of Responsive Bids:	6
Number of No Bids	2
Did any vendor apply for Local Preference? (Y/N)	No

Review/Evaluation:
Purchasing completed an initial review to determine each bidder's responsiveness. The responses were then sent to the department for further review. During the initial review, Purchasing determined that four firms (Kramer wel, Grady Crawford Construction, Nextedge Networks Holdings, and The Fishel Company) were all deemed non-responsive for failing to complete the required statement of qualifications form. The remaining six firms were evaluated by staff from the City and ISD; see the recommendation below.

Coop/Sole Source: N/A

Recommendation:
Upon review, the requesting department recommends the following.

Recommended Vendor(s): R-TEL Construction

Contract Term: 253 Calendar Days

Memorandum

Re:	Punk Carter 18-inch bar-wrapped waterline pipe repair– Emergency

Action Requested:
The Celina Public Works requests retroactive approval of the purchase in the amount of $68,380.00. This approval will ensure the purchase is properly documented and accounted for in the financial records. (Figueroa)

Background Information:
On January 8, 2025, the Celina Public Works Department made an emergency purchase for a contract service from Range Line Utility Services at an estimated total cost of $63,380.00. This purchase was essential due to an unforeseen issue with an eighteen-inch bar-wrapped concrete pipe, which had developed a leak. This equipment is a specialized type of pipe, and only a select number of vendors can repair it. If the pipe fails completely, it will disrupt the water service for Sweetwater Phase Two within our system. Additionally, this pipe serves as the primary transmission line to our Light Farms Tower, which supplies water to our lower pressure zone. A failure would force water to be rerouted through smaller distribution lines, potentially reducing system capacity and affecting service to the elevated tower and residents. Due to the situation's urgency, prior approval was not obtained according to the standard procurement process. However, the Texas Local Government Code exempts purchases made necessary to preserve or protect the public health or safety of the municipality's residents and for unforeseen damage to public machinery, equipment, or other property.

Financial Consideration:

Funding is available in the current budget. Expenditures will not exceed funds appropriated and funds will be committed at the issuance of a purchase order.

Staff Recommendation:

Staff recommends City Council ratify the purchase as presented, approving the post-purchase authorization for an emergency water line repair.

Re:	Interlocal Agreement Between CISD and the City for installation of Fiber Phase 3

Action Requested:
Consider and act to authorize the City Manager to execute an interlocal reimbursement agreement by and between the City of Celina and Celina Independent School District for the reimbursement of fiber phase 3 installation costs in the amount not to exceed $252,148.19. (Alexander)

Background Information:
The City and Celina Independent School District (CISD) are building fiber optic connections between facilities. This joint project will allow the City and CISD to cost share the construction and installation of Fiber Phase 3. The City currently has an Interlocal agreement in place to share cost of maintenance associated to existing fiber and joint-use cables.

INTERLOCAL AGREEMENT FOR INSTALLATION OF FIBER OPTIC CABLE BY AND BETWEEN THE CITY OF CELINA, TEXAS AND THE CELINA INDEPENDENT SCHOOL DISTRICT

THIS INTERLOCAL AGREEMENT BETWEEN THE CITY OF CELINA, TEXAS AND THE CELINA INDEPENDENT SCHOOL DISTRICT, FOR INSTALLATION OF FIBER OPTIC CABLE ("Agreement") is made and entered into by and among the City of Celina, Texas**,** a home-rule municipal corporation, hereinafter referred to as ("Celina") and the Celina Independent School District, a political subdivision of the State of Texas ("CISD"). CISD and Celina may from time to time herein be referred to collectively as "Parties" and individually as a "Party." The effective date of this Agreement is the date that the last of the Parties has executed the Agreement, after approval from their respective governing bodies (the "Effective Date").

WHEREAS, the Interlocal Cooperation Act ("Act"), codified at Chapter 791 of the Texas Government Code, authorizes units of local government to contract with one or more units of local government to perform governmental functions and services; and

WHEREAS, CISD and Celina are political subdivisions of the State of Texas and are engaged in the provision of governmental services for the benefit of their citizens and users; and

WHEREAS, this Agreement is entered into pursuant to the authority, under the provisions of, and in accordance with, the Act for the performance of governmental functions and services; specifically, installation of Phase 3 of Fiber Optic Cable (the "Project"); and

WHEREAS, CISD and Celina have determined that the Project may be completed most economically by implementing this Agreement; and

WHEREAS, each of the Parties has current funds available to satisfy any fees and costs required pursuant to this Agreement.

NOW, THEREFORE, in consideration of the covenants and conditions contained in this Agreement, the Parties agree as follows:

I.
TERM

The Term of this Agreement shall begin on the Effective Date and shall continue until the completion of the Project and the payment of all sums.

II.
PROJECT

2.1 Project. The Project shall consist of the installation of Phase 3 of Fiber Optic Cable to be identified as Phase 3-A, depicted in **Exhibit A1**, attached hereto and incorporated herein for all purposes, Phase 3-B, depicted in **Exhibit A2**, attached hereto and incorporated herein for all purposes, and Phase 3-C, depicted in **Exhibit A3**, attached hereto and incorporated herein for all

purposes. The Parties agree Celina shall oversee management of the Project, which shall include, in accordance with state law, preparing specifications required to complete the Project, accepting bids, awarding a contract to complete the Project and administering the construction contract. The Project will begin no later than ninety (90) days from the Effective Date; however, Celina shall notify CISD of any reasonable commercial delays of this start date for the Project necessitating an extension. Upon completion of the Project, maintenance of the Project will be subject to the Interlocal Agreement for Fiber Optic Cable entered into by Celina and CISD on March 31, 2023.

III.
COST PARTICIPATION

3.1 Cost Participation. The opinion of probable cost, depicted in **Exhibit B**, attached hereto and incorporated herein for all purposes, estimates the total costs of the Project to be eight hundred eleven thousand seven hundred seventeen and twenty-three cents ($811,717.23) ("Project Cost"). The Project Cost shall be divided according to the appropriate phase of the Project and each Party agrees to contribute as follows:

(a) Phase 3-A is estimated to cost a total of two hundred forty-nine thousand nine hundred twenty-eight and twelve cents ($249,928.12). Celina agrees to contribute fifty (50) percent of the Project Cost of Phase 3-A, and CISD agrees to contribute fifty (50) percent of the Project Cost of Phase 3-A.

(b) Phase 3-B is estimated to cost a total of one hundred twenty-seven thousand one hundred eighty-four and thirteen cents ($127,184.13). CISD agrees to contribute one hundred (100) percent of the Project Cost of Phase 3-B.

(c) Phase 3-C is estimated to cost a total of four hundred thirty-four thousand six hundred four and ninety-eight cents ($434,604.98). Celina agrees to contribute one hundred (100) percent of the Project Cost of Phase 3-C.

3.2 Cost Overages. Each Party agrees to contribute their proportionate share, as outlined above, for any increase to costs originally estimated in the opinion of probable cost.

IV.
RELEASE AND HOLD HARMLESS

TO THE EXTENT ALLOWED BY LAW, AND WITHOUT WAIVING GOVERNMENTAL OR SOVEREIGN IMMUNITY, EACH PARTY AGREES TO RELEASE, DEFEND, INDEMNIFY, AND HOLD HARMLESS THE OTHER (AND ITS OFFICERS, AGENTS, AND EMPLOYEES) FROM AND AGAINST ALL CLAIMS OR CAUSES OF ACTION FOR INJURIES (INCLUDING DEATH), PROPERTY DAMAGES (INCLUDING LOSS OF USE), AND ANY OTHER LOSSES, DEMANDS, SUITS, JUDGMENTS AND COSTS, INCLUDING REASONABLE ATTORNEYS' FEES AND EXPENSES, IN ANY WAY ARISING OUT OF, RELATED TO, OR RESULTING FROM ITS PERFORMANCE UNDER THIS AGREEMENT, OR CAUSED BY ITS NEGLIGENT

ACTS OR OMISSIONS (OR THOSE OF ITS RESPECTIVE OFFICERS, AGENTS, EMPLOYEES, OR ANY OTHER THIRD PARTIES FOR WHOM IT IS LEGALLY RESPONSIBLE) IN CONNECTION WITH PERFORMING THIS AGREEMENT.

THIS INDEMNIFICATION CLAUSE IS VALID ONLY TO THE EXTENT PERMITTED BY THE LAWS AND CONSTITUTION OF THE STATE OF TEXAS, PARTICULARLY SECTION 7 OF ARTICLE XI OF THE TEXAS CONSTITUTION, AND WITH THE MUTUAL UNDERSTANDING THAT THE PARTIES ARE POLITICAL SUBDIVISIONS OF THE STATE OF TEXAS AND THAT THIS EXECUTORY INDEMNITY OBLIGATION CANNOT BE PAID FROM CURRENT REVENUES AND THAT NO TAX NOR INTEREST AND SINKING FUND HAS BEEN SET, ADOPTED OR ESTABLISHED FOR THE PAYMENT OF THIS EXECUTORY INDEMNITY OBLIGATION.

V.
AUTHORITY TO EXECUTE

The undersigned officers and/or agents of the Parties hereto are the properly authorized officials and have the necessary authority to execute this Agreement on behalf of the Parties hereto.

(a) CISD has executed this Agreement pursuant to duly authorized action of the CISD Board of Directors on _____, 202__.

(b) Celina has executed this Agreement pursuant to duly authorized action of the Celina City Council on _____, 202__.

Each of the Parties shall provide written documentation evidencing the grant of approval by its respective governing body.

VI.
MISCELLANEOUS PROVISIONS

6.1 Assignment. This Agreement is not assignable.

6.2 Entire Agreement. This Agreement contains the entire agreement of the parties with respect to the matters contained herein and may not be modified or terminated except upon the provisions hereof or by the mutual written agreement of the Parties hereto. The only parties to this Agreement are Celina and CISD.

6.3 Venue. This Agreement shall be construed in accordance with the laws of the State of Texas and shall be performable in Collin County, Texas. All payments due under this Agreement will be payable in Collin County, Texas.

6.4 Consideration. This Agreement is executed by the Parties hereto without coercion or duress and for substantial consideration, the sufficiency of which is forever confessed.

6.5 Counterparts. This Agreement may be executed in a number of identical counterparts, each of which shall be deemed an original for all purposes.

6.6 Remedies. No right or remedy granted herein or reserved to the Parties is exclusive of any other right or remedy granted by law or equity; but each shall be cumulative of every right or remedy given hereunder. No covenant or condition of this Agreement may be waived without the express written consent of the Parties. It is further agreed that one (1) or more instances of forbearance by any Party in the exercise of its respective rights under this Agreement shall in no way constitute a waiver thereof.

6.7 Savings/Severability. In case any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision thereof, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

6.8 Representations. Each signatory represents this Agreement has been read by the Party for which this Agreement is executed and that such Party has had an opportunity to confer with its counsel.

6.9 Miscellaneous Drafting Provisions. This Agreement shall be deemed drafted equally by all Parties hereto. The language of all parts of this Agreement shall be construed as a whole according to its fair meaning, and any presumption or principle that the language herein is to be construed against any Party shall not apply. Headings in this Agreement are for the convenience of the Parties and are not intended to be used in construing this document.

6.10 Pursuit of a Governmental Function. Both Celina and CISD have determined by their execution of this Agreement that this Agreement and the obligations of the Parties contained herein are in discharge of a governmental function as set forth in the Interlocal Cooperation, Chapter 791, Texas Government Code, and the participation by either Party in the terms of this Agreement shall not make such Party an agent or representative of the other Party.

6.11 Notification. All notices required or contemplated by this Agreement (or otherwise given in connection with this Agreement) (a "Notice") shall be in writing, shall be signed by or on behalf of the party giving the Notice, and shall be effective on the earlier of (a) on the third (3rd) day after being deposited with the United States mail service, Certified Mail, Return Receipt Requested with a confirming copy sent by facsimile or email, (b) on the day delivered by a private delivery or private messenger service (such as FedEx or UPS) as evidenced by a receipt signed by any person at the delivery address (whether or not such person is the person to whom the Notice is addressed), or (c) on the day actually received by the person to whom the Notice is addressed, including, but not limited to, delivery in person, delivery by regular mail, delivery by facsimile (with a confirmation copy sent by regular mail), or delivery by email (with a confirming copy sent by one of the other methods set forth herein). Re:	FY 2025 Budget Amendment

Action Requested:
Consider and act on an Ordinance amending Ordinance No. 2024-83 which adopted and approved the budget for fiscal year beginning October 1, 2024, and ending September 30, 2025, and make appropriations for each department, project, and account, by adopting an amended 2024-2025 budget for the City of Celina reallocating funds between accounts, attached hereto and incorporated into this Ordinance. (Bromiley)

Background Information:
This item amends the Fiscal Year (FY) 2024-2025 Budget across a variety of funds and departments to authorize additional expenditures and roll forward of expenditures from FY 2024. The amendment includes:

- $5,220 in General Fund expenses for Police uniforms rolled from prior FY 2024. The items were ordered in FY 2024 but not received till FY 2025.
- $56,269 in Capital Acquisition Fund expenses for Library Bookmobile upfitting rolled from prior FY 2024.The items were ordered in FY 2024 but not received till FY 2025.
- $10,000 in Capital Acquisition Fund expenses rolled from prior FY 2024 for FF&E for the Police Headquarters. The items were ordered in FY 2024 but not received till FY 2025.
- $2,500 in Capital Acquisition Fund expenses for additional costs of the Police Rapid Deployment Vehicle.

Celina Economic Development Corporation (CEDC) has the following amendments to their (FY) 2024-2025 Budget to authorize additional expenditures. The amendment was approved by the CEDC board at their January 7, 2025 meeting.

- $30,000 for sales tax rebates approved through economic development agreements transferred from incentives expenditures.
- $27,500 for the purchase of data-gathering software.
- $10,000 for proposed increase in future agreement with Celina Chamber of Commerce
- $2,000,000 for previously approved settlement for purchase of land in August/September 2024.

2. VII.T. January FY 25 Budget Amendment Presentation

Financial Consideration:
The proposed amendment uses increased revenues or fund balance to authorize additional expenditures for a variety of City funds. Across all funds, there is adequate fund balance or revenue to fund the proposed amendment.

Staff Recommendation:
Staff recommends approval.

ORDINANCE NO. 2024-____

AN ORDINANCE OF THE CITY OF CELINA, TEXAS AMENDING ORDINANCE 2024-83, WHICH ADOPTED AND APPROVED THE BUDGET FOR FISCAL YEAR BEGINNING OCTOBER 1, 2024 AND ENDING SEPTEMBER 30, 2025, AND MAKE APPROPRIATIONS FOR EACH DEPARTMENT, PROJECT AND ACCOUNT, BY ADOPTING AN AMENDED FISCAL YEAR 2024-2025 BUDGET FOR THE CITY OF CELINA, TEXAS, REALLOCATING FUNDS BETWEEN ACCOUNTS PURSUANT TO EXHIBIT "A", ATTACHED HERETO AND INCORPORATED INTO THIS ORDINANCE; PROVIDING FOR INCORPORATION OF PREMISES; PROVIDING FOR FILING OF THE AMENDED BUDGET AND ORDINANCE; PROVIDING A CUMULATIVE CLAUSE; PROVIDING FOR PUBLICATION; PROVIDING FOR ENGROSSMENT AND ENROLLMENT; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Celina is conducting business pursuant to a budget for fiscal year 2024-2025, heretofore previously adopted by Ordinance 2024-83; and

WHEREAS, Section 102.010 of the Texas Local Government Code authorizes the governing body of a municipality to make changes in the budget for municipal purposes; and

WHEREAS, the City Council has reviewed various line items within the budget and has determined that a valid municipal purpose is served by reallocating funds between various budget line items; and

WHEREAS, a proposed amendment to the budget has been placed on file with the City Secretary of the City of Celina, Texas.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, THAT:

SECTION 1. The above and foregoing premises are incorporated into the body of this Ordinance as if copied herein in their entirety.

SECTION 2. The City's budget for the fiscal year ending September 30, 2025, heretofore previously adopted by Ordinance 2024-83 duly enacted by the City Council of the City of Celina on the 10th day of September, 2024, be and is hereby amended as set out in Exhibit "A" attached hereto and incorporated herein, which amendment is hereby, in all respects, finally approved and adopted as so changed; the remainder of the budget being unchanged and remaining in full force and effect as originally adopted.

SECTION 3. That the amounts specified in Exhibit "A" be hereby appropriated and reallocated as specified for those purposes designated in Exhibit "A".

SECTION 4. The City Manager shall file or cause to be filed a true and correct copy of the amended budget, along with this Ordinance, with the City Secretary and in the office of the County Clerk of Collin County, Texas and Denton County, Texas.

SECTION 5. This Ordinance shall be cumulative of all provisions of Ordinances of the City of Celina, Texas, except where the provisions of this Ordinance are in direct conflict with the provisions of such Ordinances, in which event the conflicting provisions of such Ordinances are hereby repealed.

SECTION 6. The provisions of this Ordinance are severable. However, in the event this Ordinance or any procedure provided in this Ordinance becomes unlawful, or is declared or determined by a judicial, administrative or legislative authority exercising its jurisdiction to be excessive, unenforceable, void, illegal or otherwise inapplicable, in whole, or in part, the remaining and lawful provisions shall be of full force and effect and the City shall promptly promulgate new revised provisions in compliance with the authority's decision or enactment.

SECTION 7. The City Secretary of the City of Celina is hereby directed to publish in the official newspaper of the City of Celina, the descriptive caption and effective date of this ordinance as required by Section 52.013 of the Local Government Code.

SECTION 8. The City Secretary is hereby directed to engross and enroll this Ordinance by copying the descriptive caption in the minutes of the City Council and by filing this ordinance in the ordinance records of the City.

SECTION 9. This Ordinance shall become effective from and after its date of passage in accordance with law.

PASSED and APPROVED by the City Council of the City of Celina, Texas, on the 14th day of January 2024.

Re:	CIAC Formation for Water/Wastewater Impact Fee Update Resolution

Action Requested:
Consider and act upon a Resolution authorizing an update to the impact fee program for water and wastewater facilities and appointing the Planning and Zoning Commission as the Capital Improvements Advisory Committee with one ad-hoc member. (Glasgow)

Background Information:
State law requires that municipality development impact fees be reassessed every five years. The City of Celina last reviewed water and wastewater development impact fees in 2020. A Capital Improvement Committee (CIAC) is required to recommend the appropriate impact fees for the community based on infrastructure assessment and proposed future development. The committee will consist of the Planning and Zoning Commission and a Council-appointed development professional.

RESOLUTION NO. 2025-____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS, AUTHORIZING AN UPDATE TO THE IMPACT FEE PROGRAM FOR WATER AND WASTEWATER FACILITIES AND APPOINTING THE PLANNING AND ZONING COMMISSION AS THE CAPITAL IMPROVEMENTS ADVISORY COMMITTEE, PROVIDING FOR A SAVINGS, REPEALING, AND SEVERABILITY CLAUSE; FINDING AND DETERMINING COMPLIANCE WITH THE TEXAS OPEN MEETINGS ACT; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, the City of Celina ("City") currently imposes impact fees for roadway, water, and wastewater facilities pursuant to its authority granted under Chapter 395 of the Texas Local Government Code ("TLGC") and within Chapter 10, Subdivision Regulation, Article 10.02, "Impact Fees," of the City of Celina Municipal Code of Ordinances ("City Code"); and

WHEREAS, the City Council of the City of Celina ("City Council") intends to update its Land Use Assumptions, Impact Fees, and Capital Improvements Plan pursuant to the procedures contained in Chapter 395 of the TLGC; and

WHEREAS, the City Council appoints the Planning and Zoning Commission as the Capital Improvements Advisory Committee ("CIAC") in accordance with the requirements within Chapter 395 of the TLGC, and charges them to advise City Council on the imposition of impact fees; and

WHEREAS, at least one (1) member of the CIAC is a member of the development, real estate, and/or building industry and resides in the extraterritorial jurisdiction of the City; and

WHEREAS, the City Council has determined that the use of impact fees facilitates quality development that is in accordance with the City's Comprehensive Plan, and the use of impact fees further promotes health, safety, and general welfare for the City and its residents.

THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS:

SECTION 1. Recitals. The above recitals are found to be true and correct and are incorporated herein and made a part hereof for all purposes.

SECTION 2. Capital Improvements Advisory Committee. The Planning and Zoning Commission is hereby appointed as the CIAC with one (1) ad-hoc member from the development, real estate or building industry and resides in the extraterritorial jurisdiction of the City and is authorized to work with City staff to provide recommendations to the City Council on the imposition of impact fees.

SECTION 3. Authorization. The Director of Development Services, Director of Engineering and Finance are directed to commence the update of the Land Use Assumptions, Impact Fees, and Capital Improvements Plan, and procure such planning, engineering, and/or legal consultation deemed necessary to update the impact fee program for water and wastewater

facilities. This shall be paid for by the impact fees to be collected under the impact fee program.

SECTION 4. Savings/Repealing. All resolutions, ordinances, or City Council actions, or parts thereof, which are in conflict or inconsistent with any provision of this Resolution are hereby repealed to the extent of such conflict, and the provisions of this Resolution shall be and remain controlling as to the matters resolved herein.

SECTION 5. Severability**.** Should any section, subsection, sentence, clause or phrase of this Resolution be declared unconstitutional or invalid by a court of competent jurisdiction, it is expressly provided that any and all remaining portions of this Resolution shall remain in full force and effect. The City hereby declares that it would have passed this Resolution, and each section, subsection, clause or phrase thereof irrespective of the fact that any one or more sections, subsections, sentences, clauses and phrases be declared unconstitutional or invalid.

SECTION 6: Open Meeting. It is officially found, determined and declared that the meeting at which this Resolution is adopted was open to the public and public notice of the time, place and subject matter of the public business to be considered at such meeting, including this Resolution was given, all as required by Chapter 551, as amended, Texas Government Code.

SECTION 7. Effective Date. This Resolution shall be effective immediately following its passage and approval by the City Council.

Re:	Portable Restrooms Contract for 2025

Action Requested:
Consider and act to award bid for portable restrooms to United Site Services, in an amount not to exceed $19,189.40. (Monaco)

Background Information:
The Marketing and Communications Department worked with the Purchasing Division to create a request for proposal for portable restrooms for City events. Purchasing completed an initial review to determine each bidder's responsiveness. It was determined that JOTS Rental failed to provide pricing for all items and was deemed Non-responsive. Using the detailed quantities outlined in the solicitation, purchasing compiled an estimated annual cost for all events and long-term rentals. United Site Services was shown to be the lowest responsible, responsive bidder. To better ensure event coverage it was recommended that United Site Services be awarded as the primary contract and Texas Johns as secondary.

City of Celina, Texas
Standard Contract for Services

This Agreement is made by and between the City of Celina, Texas, a Texas home-rule municipality (hereinafter referred to as the "City") and **United Site Services of Texas, INC.** (hereinafter referred to as the "Provider") for **Portable Restrooms**, (hereinafter referred to as the "Project"). In consideration of the premises, covenants and mutual promises contained in this Agreement, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the City and the Provider hereby agree as follows:

1. **EMPLOYMENT OF THE PROVIDER.** The City agrees to retain the Provider for, and the Provider agrees to provide services relative to, the following Project: **Portable Restrooms** (hereinafter also referred to as "Services") in accordance with the terms and conditions as set forth in this Agreement and in Exhibit A, attached hereto and incorporated herein by reference.

2. **SCOPE OF SERVICES.** The Services to be performed are specified in **Exhibit A – Invitation to Bid.** Deviations from the agreed-upon scope of work of such Services may be authorized from time to time by the City in writing.

3. **SCHEDULE OF WORK.** The Provider agrees to begin work upon receipt of written authorization from the City. Time is of the essence for this Agreement, and work will commence immediately.

4. **CONTRACT PERIOD.** The contract period for this Agreement is for one year from the effective date. The contract may be renewal for up to four additional one year periods.

5. **COMPENSATION.** The Provider's total compensation for services to be performed and expenses to be incurred is specified in **Exhibit B – Supplier Response**, attached hereto, and incorporated herein by reference.

6. **PAYMENTS.** Payments will be processed on a monthly basis with payment available within thirty (30) days after the City's receipt of the invoice for the previous month's Services or as set forth in **Exhibit A.**

7. **INVOICING.** Invoices should be prepared and submitted to the City for payment in accordance with Exhibit A. Invoices should be mailed to Accounts Payable, City of Celina, 142 N. Ohio, Celina, TX 75068, or **emailed to accountspayable@celina-tx.gov**.

8. **INFORMATION PROVIDED BY THE CITY**. Although every effort has been or will be made to furnish accurate information, the City does not guarantee the accuracy of information it furnishes to the Provider.

9. **INSURANCE.** The Provider shall provide proof that it has obtained and will continue to maintain throughout the duration of this Agreement the insurance requirements set forth in **Exhibit C.** Failure to maintain the required insurance may result in immediate termination of this Agreement.

11. **INDEMNIFICATION. THE PROVIDER AGREES, TO THE FULLEST EXTENT PERMITTED BY LAW, TO INDEMNIFY AND HOLD HARMLESS THE CITY, ITS OFFICERS, AGENTS, SERVANTS AND EMPLOYEES (HEREINAFTER COLLECTIVELY REFERRED TO AS "INDEMNITEES") FROM AND AGAINST SUITS, ACTIONS, CLAIMS, LOSSES, ANY DAMAGE, LIABILITY, AND FROM AND AGAINST ANY COSTS AND EXPENSES, INCLUDING, IN PART, ATTORNEY'S FEES INCIDENTAL TO THE DEFENSE OF SUCH SUITS, ACTIONS CLAIMS, LOSSES, DAMAGES OR LIABILITY ON ACCOUNT OF INJURY, DISEASE, SICKNESS, INCLUDING DEATH, TO ANY PERSON OR DAMAGE TO PROPERTY INCLUDING, IN PART, THE LOSS OF USE RESULTING THEREFROM, ARISING FROM ANY NEGLIGENT ACT, ERROR OR OMISSION OF THE PROVIDER, ITS OFFICERS, EMPLOYEES, SERVANTS, AGENTS OR SUBCONTRACTORS, OR ANYONE ELSE UNDER THE PROVIDER'S DIRECTION AND CONTROL, AND ARISING OUT OF, RESULTING FROM, OR CAUSED BY THE PERFORMANCE OR FAILURE OF PERFORMANCE OF ANY WORK OR SERVICES**

UNDER THIS AGREEMENT, OR FROM CONDITIONS CREATED BY THE PERFORMANCE OR NON-PERFORMANCE OF SAID WORK OR SERVICES. IN THE EVENT ONE OR MORE OF THE INDEMNITEES IS DETERMINED BY A COURT OF LAW TO BE JOINTLY OR DERIVATIVELY NEGLIGENT OR LIABLE FOR SUCH DAMAGE OR INJURY, THE PROVIDER SHALL BE OBLIGATED TO INDEMNIFY INDEMNITEES AS PROVIDED HEREIN ON A PROPORTIONATE BASIS IN ACCORDANCE WITH THE FINAL JUDGMENT, AFTER ALL APPEALS ARE EXHAUSTED, DETERMINING SUCH JOINT OR DERIVATIVE NEGLIGENCE OR LIABILITY. THIS INDEMNIFICATION IS SUBJECT TO THE LIMITATIONS IN TEXAS LOCAL GOVERNMENT CODE, § 271.904(A) AND TEXAS CIVIL PRACTICE AND REMEDIES CODE, § 130.002(B), AS SAME MAY BE APPLICABLE TO PROVIDER AS A MATTER OF LAW.

12. **TRANSFER OF INTEREST.** Neither the City nor the Provider may assign or transfer their interests in this Agreement without the prior written consent of the other Party. Such consent shall not be unreasonably withheld. This Agreement is binding on the City, the Provider, and their successors and assigns. Nothing herein is to be construed as creating a personal liability on the part of any City officer, employee or agent.

13. **AUDITS AND RECORDS.** At any time during normal business hours and as often as the City may deem necessary, the Provider shall make available to the City for examination all of its records with respect to all matters covered by this Agreement, and will permit the City to audit, examine and make copies, excerpts, or transcripts from such records. The City may also audit all contracts, invoices, payroll records of personnel, conditions of employment and other data relating to this Agreement.

14. **EQUAL EMPLOYMENT OPPORTUNITY.** The Provider shall not discriminate against any employee or applicant for employment because of age, race, color, religion, sex, national origin, disability or any other protected characteristic. The Provider shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their age, race, color, religion, sex, national origin, disability or any other protected characteristic. Such actions shall include, but not be limited to the following: employment, promotions, demotion, transfers, recruitment or recruitment advertising, layoffs, terminations, selection for training (including apprenticeships), and participation in recreational activities.

    The Provider agrees to post in conspicuous places, accessible to employees and applicants for employment, notices setting forth the provisions of the nondiscrimination clause. The Provider will, in all solicitations or advertisements for employees placed by or on behalf of the Provider, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.

    The Provider will cause the foregoing provisions to be inserted in all subcontracts for any work covered by this Agreement so that such provisions will be binding upon each sub-Provider, except that the foregoing provisions shall not apply to contracts or subcontracts for customary office supplies.

    The Provider shall keep records and submit reports concerning the racial and ethnic origin(s) of applicant employment and employees as the law may require.

15. **TERMINATION OF CONTRACT.** The City may terminate this Agreement upon thirty (30) days written notice to the Provider, except in the event (i) the Provider is in breach of this Agreement, or (ii) the Provider fails to comply with the terms of Exhibit A. If either of the foregoing conditions exists, the City shall notify the Provider and the Provider shall be given seven (7) days to cure such breach or failure to comply. Should the Provider fail to cure to the satisfaction of the City, the City may terminate this Agreement upon written notice as provided herein.

    In the event of any termination hereunder, the Provider consents to the City's selection of another Provider to assist the City in any way in completing the Services. The Provider

further agrees to cooperate and provide any information requested by the City in connection with the completion of the Services.

The Provider shall be compensated for Services performed and expenses incurred for satisfactory work up to the termination date in that the Provider shall receive a portion of fees and expenses permitted under this Agreement in direct proportion to percentage of work actually completed up to the termination date. This provision shall not deprive the City of any remedies against the Provider that may be available under applicable law.

16. **PROVIDER'S REPRESENTATIONS.** The Provider hereby represents to the City that the Provider is financially solvent and possesses sufficient experience, licenses, authority, personnel, and working capital to complete the Services required under this Agreement.

17. **CITY APPROVAL FOR ADDITIONAL WORK.** No payment, of any nature whatsoever, will be made to the Provider for additional work without the City's written approval before such work begins.

18. **PERFORMANCE BY PROVIDER.** All Services provided by the Provider hereunder shall be performed in accordance with the highest professional standards and in accordance with Exhibit A, and the Provider shall be responsible for all Services provided hereunder whether such services are provided directly by the Provider or by any sub-Providers hired by the Provider. The Provider shall perform all duties and Services and make all decisions called for hereunder promptly and without unreasonable delay. The Provider shall not utilize sub-Providers to perform Services without the City's prior written consent.

19. **DAMAGE.** In all instances where City property and/or equipment is damaged by the Provider's employees, a full report of the facts, extent of the damage and estimated impact on the Provider's schedule shall be submitted to the City by 8:00 a.m. of the following City business day after the incident. If damage may result in further damages to the City or loss of City property, the Provider must notify Police Dispatch immediately. The Provider shall be fully liable for all damage to City property or equipment caused by the Provider's officers, employees, agents or sub-Providers.

20. **CITY OBJECTION TO PERSONNEL.** If at any time after entering into this Agreement, the City has any reasonable objection to any of the Provider's personnel, or any personnel retained by the Provider, then the Provider shall promptly propose substitutes to whom the City has no reasonable objection, and the Provider's compensation shall be equitably adjusted to reflect any difference in the Provider's costs occasioned by such substitution.

21. **COMPLIANCE WITH LAWS.** The Provider warrants and covenants to the City that all Services will be performed in compliance with all applicable federal, state, county and City laws, rules, and regulations including, but not limited to, the Texas Industrial Safety and Health Act and the Workers Right-to-Know Law. All necessary precautions shall be taken to assure that safety regulations prescribed by OSHA and the City are followed.

22. **NON-BINDING MEDIATION.** In the event of any disagreement or conflict concerning the interpretation of this Agreement, and such disagreement cannot be resolved informally by the City and the Provider, the City and the Provider agree to submit such disagreement to non-binding mediation before pursuing any other legal remedy.

23. **ENTIRE CONTRACT.** This Agreement together with Exhibit A and B, attached hereto and any other exhibit attached hereto contains the entire contract between the City and the Provider concerning the Services for the Project. There will be no understandings or contracts other than those incorporated herein. This Agreement may not be modified except by an instrument in writing signed by the Parties hereto. In the event of a conflict between an attachment to this Agreement and this Agreement, this Agreement shall control.

24. **MAILING ADDRESSES.** All notices and communications concerning this Agreement are to be mailed or delivered to the addresses shown below unless and until the other Party is otherwise notified in writing of a different address:

SECTION 1: INSTRUCTIONS

1.1 NO OFFER/NO BID

The City is appreciative of the time and effort you must expend to submit an offer. If you choose not to respond, we would greatly appreciate you indicating any requirement that may have influenced your decision.

1.2 INCLEMENT WEATHER

In the event of inclement weather and City offices are officially closed on the due date, responses will be received until 3:00 PM of the next business day at which time submittals will be publicly opened.

1.3 ACCEPTANCE

It is understood that the City of Celina, reserves the right to accept or reject any and/or all bids as it shall deem to be in the best interest of the City. Receipt of any bid shall under no circumstances obligate the City to accept the lowest bid. The award of the contract shall be made to the responsible bidder whose bid is determined to be the lowest. The City may award more than one contract by awarding separate items or groups of items to various bidders. The additional administrative costs associated with awarding more than one Contract will be considered in the determination.

1.4 DISCLOSURE OF CERTAIN RELATIONSHIPS

Chapter 176 of the Texas Local Government Code requires that any bidder or person considering doing business with a local government entity disclose in the Questionnaire Form CIQ, the bidder or person's affiliation or business relationship that might cause a conflict of interest with a local government entity. Additional information on the statute is available at: http://www.statutes.legis.state.tx.us/Docs/LG/htm/LG.176.htm.

By submitting a response to this request, the bidder represents that it is in compliance with the requirements of Chapter 176 of the Texas Local Government Code.

1.5 DISCLOSURE OF INTERESTED PARTIES

In compliance with Section 2252.908 of the Texas Government Code, the City of Celina may not enter into a contract with a business entity as a result of acceptance or award of this solicitation unless the business entity submits a disclosure of interested parties form as required by this statute. Notification will be given to the business entity recommended for award upon which the business entity will be required to submit the completed form prior to award.

Additional information on the statute may be found at:

https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm

1.6 INFORMATION / QUESTIONS

All questions shall be posted to the City's electronic bidding service, by the deadline stated. All questions and answers will be posted online. Bidders are responsible for insuring all answers to questions are reviewed prior to the submittal date. Answers provided to posted questions address minor irregularities and are for clarification purposes only and do not revise or modify the specifications. Answers to questions that result in revisions to the specification will be address by Addendum. No oral statement of any person shall modify or otherwise change, or affect the specification.

1.7 ASSIGNMENT

The successful bidder shall not sell, assign, transfer or convey the contract in whole or in part, without the prior written consent of the City.

It is the responsibility of each bidder before submitting a bid:

1. To examine thoroughly the specification documents and other related data identified in the bid documents, to visit the site to become familiar with and satisfy bidder as to the general, local, and site conditions that may affect cost, progress, performance, etc.
2. To consider federal, state, and local laws and regulations that may affect costs, progress, performance, or furnishing of the work.
3. To study and carefully correlate bidder's knowledge and observations with the contract documents and such other related data.
4. To promptly notify the City's Purchasing director of all conflicts, errors, ambiguities, or discrepancies which bidder has discovered in or between the contract documents and such other related documents.

SECTION 2: SPECIFICATION / SCOPE OF WORK

MINIMUM QUALIFICATIONS

Unless otherwise stated, all specifications listed are minimum requirements.

A. CONTRACT TIME

1. This contract will be for twelve (12) months, effective January 1, 2025.
2. This contract shall be renewable for four (4) additional twelve (12) month periods, provided both parties agree.

B. GENERAL DEFINITIONS

1. **Quantity**

   The quantity of each type of portable restroom is an estimate for the programs listed. The amount may be increased or decreased at any time. Events may be added or removed at any time. The successful bidder agrees that the price per restroom per day will not exceed, throughout the year, the price quoted regardless of the number of restrooms ordered or the number of days needed.

2. **Quantity Discounts**

   If your firm offers a discount based on the number of restrooms ordered or the days used, please describe in the "notes" section.

3. **Service**

   The restrooms shall be serviced according to the schedule outlined in Section 7 Schedule of Events. The City of Celina reserves the right to request additional units, extend the rental period, or cancel the service as needed.

4. **Delivery**

   Clean, ready to use restrooms shall be delivered to the location and at the time requested by the City of Celina. Pricing should be based on the number of event days. Please specify the associated fees separately if delivery and pick-up are not included in the unit rate.

5. **Removal of Restrooms**

   The portable restrooms must be picked up from the location delivered within 24 hours after the end of the rental period.

6. **Fees**

All fees should be included in the pricing proposed; this includes but is not limited to service charges, fuel charges, and/or trip charges. The bid form will have a separate line for delivery and pick-up fees for each category, if applicable. You may enter zero if those fees are included in your unit pricing.

Bid Attributes

1 Term of Contract

The contract is for one year (1) with the option to renew the agreement for up to four (4) additional one (1) year periods. Both parties must be in agreement. Either party must notify the other within sixty days of intent not to renew the contract. Certify in the field provided that you agree to this term.

United Site Services of Texas, Inc. certifies that we agree to this term.

2 CPI Escalation

Vendors must hold their pricing for the first year of the contract. At the time of contract renewal the vendor may request a price increase based on the unadjusted Consumer Price Index for all Urban Consumers (CPI-U) for All Items (1982-1984=100) in the Dallas-Fort Worth-Arlington area, published by the United States Department of Labor, Bureau of Labor Statistics (the “Index”). The City will allow no greater than a 3% increase each year. Data can be found at https://www.bls.gov/regions/southwest/news-release/consumerpriceindex_dallasfortworth.htm

United Site Services of Texas, Inc will hold our pricing for the first year of the contract. Then 3% increase each year

3	**Notice to Cure** In the event that the vendor fails to perform the duties outlined, the City may send a notice to cure. If the vendor fails to correct the issues outlined in the notice by the date given the City reserves the right to cancel the contract. *No response*
4	**Electronic Submission** ***The City strongly requests that bidders submit responses electronically. Electronic bidding eliminates errors, unnecessary work, and is friendlier to the environment.***
5	**Bid Acceptance** All bids will remain subject to acceptance for a period of 90 days.
6	**Retracting Your Bid - Making Modifications after submission.** Modification to or Withdrawal of Submission Submissions cannot be altered or amended after the submission deadline passes. Submissions may be modified prior to the deadline by retracting the response. To modify a submission prior to the submission deadline: 1. Log into your account, click the retract link at the top of the page. ◦ Select "NO BID" if you are choosing **not** to re-submit; or ◦ **Make the required changes and resubmit your response.** ◦ See the help section in the top right of the window for further details.
7	**Local Preference Policy** The purpose of this policy is to comply with Sections 271.905 and 271.9051 of the Texas Local Government Code to allow for consideration of a bidder's principal place of business in the award of a competitively bid contract. This application for local preference consideration does not mean that the City of Celina is limiting responses to the competitive bid process to only businesses located within the City limits. All bids are welcome and encouraged. Vendors must submit an application with each solicitation. The decision to approve or deny consideration shall be at the discretion of the City Council. Applications for local preference may downloaded from the City's Procurement website located here.

8 Non-Collusion

I certify as the respondent and submitter for this solicitation that:

1. That I am the person responsible in my firm and named in this bid response for the price(s) and the amount of this bid.
2. The price(s) and amount of this bid have been arrived at independently and without consultation, communication or agreement with any other contractor, bidder or potential bidder.
3. Neither the price(s) nor the amount of this bid, and neither the approximate price(s) nor approximate amount of this bid, have been disclosed to any other firm or person who is a bidder or potential bidder and they will not be discussed before bid opening.
4. No attempt has been made or will be made to induce any firm or person to refrain from bidding on this contract, or to submit a bid higher than this bid, or to submit any intentionally high or noncompetitive bid or other form of complementary bid.
5. The bid of my firm is made in good faith and not pursuant to any agreement or discussion with, or inducement from, any firm or person to submit a complementary or other noncompetitive bid.
6. My firm, its affiliates, subsidiaries, officers, directors, and employees are not currently under investigation by any governmental agency and have not in the last four years been convicted or found liable for any act prohibited by the State of Texas or Federal Antitrust law in any jurisdiction, involving conspiracy or collusion with respect to bidding on any public contract.

☑ I certify that the statement is accurate and true.

9 Cooperative Agreement

Successful bidder agrees to extend prices to all entities that have entered into or will enter into an Interlocal Agreement with the City. As permitted under by Texas Government Code the successful bidder may be asked to provide products/services, based upon bid price, to any other entity with an executed Interlocal Agreement.

The City maintains Interlocal Agreements with entities throughout the Dallas - Fort Worth area. Agreements may be viewed at www.celina-tx.gov/bids by selecting the **contracts** link.

10 Insurance

By selecting the box below, I agree that I have read and understand the insurance requirements detailed in the Insurance Requirements document and that I have or will obtain the required insurance and maintain it for the duration of this contract. The City will register the winning bidder's insurance with MyCOI for verfication and tracking. When registration is complete, myCOI will request proof of insurance directly from your agent(s).

Work may not begin until contracts are in place, insurance verified and the purchase order and/or a notice to proceed issued.

Note:
1. It is critical that your email address and agents email are accurate.
2. Please add @mycoitracking.com to your safe sender list.

☑ I agree and will maintain the required insurance.

All questions shall be posted to the City's electronic bidding service, by the deadline stated. All questions and answers will be posted online. Bidders are responsible for insuring all answers to questions are reviewed prior to the submittal date. Answers provided to posted questions address minor irregularities and are for clarification purposes only and do not revise or modify the specifications. Answers to questions that result in revisions to the specification will be address by Addendum. No oral statement of any person shall modify or otherwise change, or affect the specification.

1.7 ASSIGNMENT

The successful bidder shall not sell, assign, transfer or convey the contract in whole or in part, without the prior written consent of the City.

1.8 BIDDER RESPONSIBILITY

It is the responsibility of each bidder before submitting a bid:

1. To examine thoroughly the specification documents and other related data identified in the bid documents, to visit the site to become familiar with and satisfy bidder as to the general, local, and site conditions that may affect cost, progress, performance, etc.
2. To consider federal, state, and local laws and regulations that may affect costs, progress, performance, or furnishing of the work.
3. To study and carefully correlate bidder's knowledge and observations with the contract documents and such other related data.
4. To promptly notify the City's Purchasing director of all conflicts, errors, ambiguities, or discrepancies which bidder has discovered in or between the contract documents and such other related documents.

SECTION 2: SPECIFICATION / SCOPE OF WORK

MINIMUM QUALIFICATIONS

Unless otherwise stated, all specifications listed are minimum requirements.

A. CONTRACT TIME

1. This contract will be for twelve (12) months, effective January 1, 2025.
2. This contract shall be renewable for four (4) additional twelve (12) month periods, provided both parties agree.

B. GENERAL DEFINITIONS

1. **Quantity**

   The quantity of each type of portable restroom is an estimate for the programs listed. The amount may be increased or decreased at any time. Events may be added or removed at any time. The successful bidder agrees that the price per restroom per day will not exceed, throughout the year, the price quoted regardless of the number of restrooms ordered or the number of days needed.

2. **Quantity Discounts**

   If your firm offers a discount based on the number of restrooms ordered or the days used, please describe in the "notes" section.

3. **Service**

   The restrooms shall be serviced according to the schedule outlined in Section 7 Schedule of Events. The City of Celina reserves the right to request additional units, extend the rental period, or cancel the service as needed.

4. **Delivery**

   Clean, ready to use restrooms shall be delivered to the location and at the time requested by the City of Celina. Pricing should be based on the number of event days. Please specify the associated fees separately if delivery and pick-up are not included in the unit rate.

5. **Removal of Restrooms**

   The portable restrooms must be picked up from the location delivered within 24 hours after the end of the rental period.

6. **Fees**

All fees should be included in the pricing proposed; this includes but is not limited to service charges, fuel charges, and/or trip charges. The bid form will have a separate line for delivery and pick-up fees for each category, if applicable. You may enter zero if those fees are included in your unit pricing.

Bid Attributes

1 Term of Contract

The contract is for one year (1) with the option to renew the agreement for up to four (4) additional one (1) year periods. Both parties must be in agreement. Either party must notify the other within sixty days of intent not to renew the contract. Certify in the field provided that you agree to this term.

United Site Services of Texas, Inc. certifies that we agree to this term.

2 CPI Escalation

Vendors must hold their pricing for the first year of the contract. At the time of contract renewal the vendor may request a price increase based on the unadjusted Consumer Price Index for all Urban Consumers (CPI-U) for All Items (1982-1984=100) in the Dallas-Fort Worth-Arlington area, published by the United States Department of Labor, Bureau of Labor Statistics (the “Index”). The City will allow no greater than a 3% increase each year. Data can be found at https://www.bls.gov/regions/southwest/news-release/consumerpriceindex_dallasfortworth.htm

United Site Services of Texas, Inc will hold our pricing for the first year of the contract. Then 3% increase each year

3	**Notice to Cure** In the event that the vendor fails to perform the duties outlined, the City may send a notice to cure. If the vendor fails to correct the issues outlined in the notice by the date given the City reserves the right to cancel the contract. *No response*

4	**Electronic Submission** ***The City strongly requests that bidders submit responses electronically. Electronic bidding eliminates errors, unnecessary work, and is friendlier to the environment.***

5	**Bid Acceptance** All bids will remain subject to acceptance for a period of 90 days.

6	**Retracting Your Bid - Making Modifications after submission.** Modification to or Withdrawal of Submission Submissions cannot be altered or amended after the submission deadline passes. Submissions may be modified prior to the deadline by retracting the response. To modify a submission prior to the submission deadline: 1. Log into your account, click the retract link at the top of the page. ◦ Select "NO BID" if you are choosing **not** to re-submit; or ◦ **Make the required changes and resubmit your response.** ◦ See the help section in the top right of the window for further details.

7	**Local Preference Policy** The purpose of this policy is to comply with Sections 271.905 and 271.9051 of the Texas Local Government Code to allow for consideration of a bidder's principal place of business in the award of a competitively bid contract. This application for local preference consideration does not mean that the City of Celina is limiting responses to the competitive bid process to only businesses located within the City limits. All bids are welcome and encouraged. Vendors must submit an application with each solicitation. The decision to approve or deny consideration shall be at the discretion of the City Council. Applications for local preference may downloaded from the City's Procurement website located here.

8 Non-Collusion

I certify as the respondent and submitter for this solicitation that:

1. That I am the person responsible in my firm and named in this bid response for the price(s) and the amount of this bid.
2. The price(s) and amount of this bid have been arrived at independently and without consultation, communication or agreement with any other contractor, bidder or potential bidder.
3. Neither the price(s) nor the amount of this bid, and neither the approximate price(s) nor approximate amount of this bid, have been disclosed to any other firm or person who is a bidder or potential bidder and they will not be discussed before bid opening.
4. No attempt has been made or will be made to induce any firm or person to refrain from bidding on this contract, or to submit a bid higher than this bid, or to submit any intentionally high or noncompetitive bid or other form of complementary bid.
5. The bid of my firm is made in good faith and not pursuant to any agreement or discussion with, or inducement from, any firm or person to submit a complementary or other noncompetitive bid.
6. My firm, its affiliates, subsidiaries, officers, directors, and employees are not currently under investigation by any governmental agency and have not in the last four years been convicted or found liable for any act prohibited by the State of Texas or Federal Antitrust law in any jurisdiction, involving conspiracy or collusion with respect to bidding on any public contract.

☑ I certify that the statement is accurate and true.

9 Cooperative Agreement

Successful bidder agrees to extend prices to all entities that have entered into or will enter into an Interlocal Agreement with the City. As permitted under by Texas Government Code the successful bidder may be asked to provide products/services, based upon bid price, to any other entity with an executed Interlocal Agreement.

The City maintains Interlocal Agreements with entities throughout the Dallas - Fort Worth area. Agreements may be viewed at www.celina-tx.gov/bids by selecting the **contracts** link.

10 Insurance

By selecting the box below, I agree that I have read and understand the insurance requirements detailed in the Insurance Requirements document and that I have or will obtain the required insurance and maintain it for the duration of this contract. The City will register the winning bidder's insurance with MyCOI for verfication and tracking. When registration is complete, myCOI will request proof of insurance directly from your agent(s).

Work may not begin until contracts are in place, insurance verified and the purchase order and/or a notice to proceed issued.

Note:
1. It is critical that your email address and agents email are accurate.
2. Please add @mycoitracking.com to your safe sender list.

☑ I agree and will maintain the required insurance.

C. Insurance limits can be met with a combination of primary and excess/umbrella coverage.

D. All insurance shall be purchased from insurance companies that meet a financial rating of A-VI or better as assigned by AM Best Company or equivalent.

E. The vendor shall require any contractors, sub-contractors, and other persons doing business with or for the vendor related to the work to maintain at least the insurance as required, or their liability shall be covered by the vendor.

City of Celina, Texas
Standard Contract for Services

This Agreement is made by and between the City of Celina, Texas, a Texas home-rule municipality (hereinafter referred to as the "City") and **Texas Portable Restrooms LLC DBA Texas Johns.** (hereinafter referred to as the "Provider") for **Portable Restrooms**, (hereinafter referred to as the "Project"). In consideration of the premises, covenants and mutual promises contained in this Agreement, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the City and the Provider hereby agree as follows:

1. **EMPLOYMENT OF THE PROVIDER.** The City agrees to retain the Provider for, and the Provider agrees to provide services relative to, the following Project: **Portable Restrooms** (hereinafter also referred to as "Services") in accordance with the terms and conditions as set forth in this Agreement and in Exhibit A, attached hereto and incorporated herein by reference.

2. **SCOPE OF SERVICES.** The Services to be performed are specified in **Exhibit A – Invitation to Bid.** Deviations from the agreed-upon scope of work of such Services may be authorized from time to time by the City in writing.

3. **SCHEDULE OF WORK.** The Provider agrees to begin work upon receipt of written authorization from the City. Time is of the essence for this Agreement, and work will commence immediately.

4. **CONTRACT PERIOD.** The contract period for this Agreement is for one year from the effective date. The contract may be renewal for up to four additional one year periods.

5. **COMPENSATION.** The Provider's total compensation for services to be performed and expenses to be incurred is specified in **Exhibit B – Supplier Response**, attached hereto, and incorporated herein by reference.

6. **PAYMENTS.** Payments will be processed on a monthly basis with payment available within thirty (30) days after the City's receipt of the invoice for the previous month's Services or as set forth in **Exhibit A.**

7. **INVOICING.** Invoices should be prepared and submitted to the City for payment in accordance with Exhibit A. Invoices should be mailed to Accounts Payable, City of Celina, 142 N. Ohio, Celina, TX 75068, or **emailed to accountspayable@celina-tx.gov**.

8. **INFORMATION PROVIDED BY THE CITY**. Although every effort has been or will be made to furnish accurate information, the City does not guarantee the accuracy of information it furnishes to the Provider.

9. **INSURANCE.** The Provider shall provide proof that it has obtained and will continue to maintain throughout the duration of this Agreement the insurance requirements set forth in **Exhibit C.** Failure to maintain the required insurance may result in immediate termination of this Agreement.

11. **INDEMNIFICATION. THE PROVIDER AGREES, TO THE FULLEST EXTENT PERMITTED BY LAW, TO INDEMNIFY AND HOLD HARMLESS THE CITY, ITS OFFICERS, AGENTS, SERVANTS AND EMPLOYEES (HEREINAFTER COLLECTIVELY REFERRED TO AS "INDEMNITEES") FROM AND AGAINST SUITS, ACTIONS, CLAIMS, LOSSES, ANY DAMAGE, LIABILITY, AND FROM AND AGAINST ANY COSTS AND EXPENSES, INCLUDING, IN PART, ATTORNEY'S FEES INCIDENTAL TO THE DEFENSE OF SUCH SUITS, ACTIONS CLAIMS, LOSSES, DAMAGES OR LIABILITY ON ACCOUNT OF INJURY, DISEASE, SICKNESS, INCLUDING DEATH, TO ANY PERSON OR DAMAGE TO PROPERTY INCLUDING, IN PART, THE LOSS OF USE RESULTING THEREFROM, ARISING FROM ANY NEGLIGENT ACT, ERROR OR OMISSION OF THE PROVIDER, ITS OFFICERS, EMPLOYEES, SERVANTS, AGENTS OR SUBCONTRACTORS, OR ANYONE ELSE UNDER THE PROVIDER'S DIRECTION AND CONTROL, AND ARISING OUT OF, RESULTING FROM, OR CAUSED BY THE PERFORMANCE OR FAILURE OF PERFORMANCE OF ANY WORK OR SERVICES UNDER THIS AGREEMENT, OR FROM CONDITIONS CREATED BY THE PERFORMANCE OR NON-**

PERFORMANCE OF SAID WORK OR SERVICES. IN THE EVENT ONE OR MORE OF THE INDEMNITEES IS DETERMINED BY A COURT OF LAW TO BE JOINTLY OR DERIVATIVELY NEGLIGENT OR LIABLE FOR SUCH DAMAGE OR INJURY, THE PROVIDER SHALL BE OBLIGATED TO INDEMNIFY INDEMNITEES AS PROVIDED HEREIN ON A PROPORTIONATE BASIS IN ACCORDANCE WITH THE FINAL JUDGMENT, AFTER ALL APPEALS ARE EXHAUSTED, DETERMINING SUCH JOINT OR DERIVATIVE NEGLIGENCE OR LIABILITY. THIS INDEMNIFICATION IS SUBJECT TO THE LIMITATIONS IN TEXAS LOCAL GOVERNMENT CODE, § 271.904(A) AND TEXAS CIVIL PRACTICE AND REMEDIES CODE, § 130.002(B), AS SAME MAY BE APPLICABLE TO PROVIDER AS A MATTER OF LAW.

12. **TRANSFER OF INTEREST.** Neither the City nor the Provider may assign or transfer their interests in this Agreement without the prior written consent of the other Party. Such consent shall not be unreasonably withheld. This Agreement is binding on the City, the Provider, and their successors and assigns. Nothing herein is to be construed as creating a personal liability on the part of any City officer, employee or agent.

13. **AUDITS AND RECORDS.** At any time during normal business hours and as often as the City may deem necessary, the Provider shall make available to the City for examination all of its records with respect to all matters covered by this Agreement, and will permit the City to audit, examine and make copies, excerpts, or transcripts from such records. The City may also audit all contracts, invoices, payroll records of personnel, conditions of employment and other data relating to this Agreement.

14. **EQUAL EMPLOYMENT OPPORTUNITY.** The Provider shall not discriminate against any employee or applicant for employment because of age, race, color, religion, sex, national origin, disability or any other protected characteristic. The Provider shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their age, race, color, religion, sex, national origin, disability or any other protected characteristic. Such actions shall include, but not be limited to the following: employment, promotions, demotion, transfers, recruitment or recruitment advertising, layoffs, terminations, selection for training (including apprenticeships), and participation in recreational activities.

    The Provider agrees to post in conspicuous places, accessible to employees and applicants for employment, notices setting forth the provisions of the nondiscrimination clause. The Provider will, in all solicitations or advertisements for employees placed by or on behalf of the Provider, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.

    The Provider will cause the foregoing provisions to be inserted in all subcontracts for any work covered by this Agreement so that such provisions will be binding upon each sub-Provider, except that the foregoing provisions shall not apply to contracts or subcontracts for customary office supplies.

    The Provider shall keep records and submit reports concerning the racial and ethnic origin(s) of applicant employment and employees as the law may require.

15. **TERMINATION OF CONTRACT.** The City may terminate this Agreement upon thirty (30) days written notice to the Provider, except in the event (i) the Provider is in breach of this Agreement, or (ii) the Provider fails to comply with the terms of Exhibit A. If either of the foregoing conditions exists, the City shall notify the Provider and the Provider shall be given seven (7) days to cure such breach or failure to comply. Should the Provider fail to cure to the satisfaction of the City, the City may terminate this Agreement upon written notice as provided herein.

    In the event of any termination hereunder, the Provider consents to the City's selection of another Provider to assist the City in any way in completing the Services. The Provider further agrees to cooperate and provide any information requested by the City in connection with the completion of the Services.

The Provider shall be compensated for Services performed and expenses incurred for satisfactory work up to the termination date in that the Provider shall receive a portion of fees and expenses permitted under this Agreement in direct proportion to percentage of work actually completed up to the termination date. This provision shall not deprive the City of any remedies against the Provider that may be available under applicable law.

16. **PROVIDER'S REPRESENTATIONS.** The Provider hereby represents to the City that the Provider is financially solvent and possesses sufficient experience, licenses, authority, personnel, and working capital to complete the Services required under this Agreement.

17. **CITY APPROVAL FOR ADDITIONAL WORK.** No payment, of any nature whatsoever, will be made to the Provider for additional work without the City's written approval before such work begins.

18. **PERFORMANCE BY PROVIDER.** All Services provided by the Provider hereunder shall be performed in accordance with the highest professional standards and in accordance with Exhibit A, and the Provider shall be responsible for all Services provided hereunder whether such services are provided directly by the Provider or by any sub-Providers hired by the Provider. The Provider shall perform all duties and Services and make all decisions called for hereunder promptly and without unreasonable delay. The Provider shall not utilize sub-Providers to perform Services without the City's prior written consent.

19. **DAMAGE.** In all instances where City property and/or equipment is damaged by the Provider's employees, a full report of the facts, extent of the damage and estimated impact on the Provider's schedule shall be submitted to the City by 8:00 a.m. of the following City business day after the incident. If damage may result in further damages to the City or loss of City property, the Provider must notify Police Dispatch immediately. The Provider shall be fully liable for all damage to City property or equipment caused by the Provider's officers, employees, agents or sub-Providers.

20. **CITY OBJECTION TO PERSONNEL.** If at any time after entering into this Agreement, the City has any reasonable objection to any of the Provider's personnel, or any personnel retained by the Provider, then the Provider shall promptly propose substitutes to whom the City has no reasonable objection, and the Provider's compensation shall be equitably adjusted to reflect any difference in the Provider's costs occasioned by such substitution.

21. **COMPLIANCE WITH LAWS.** The Provider warrants and covenants to the City that all Services will be performed in compliance with all applicable federal, state, county and City laws, rules, and regulations including, but not limited to, the Texas Industrial Safety and Health Act and the Workers Right-to-Know Law. All necessary precautions shall be taken to assure that safety regulations prescribed by OSHA and the City are followed.

22. **NON-BINDING MEDIATION.** In the event of any disagreement or conflict concerning the interpretation of this Agreement, and such disagreement cannot be resolved informally by the City and the Provider, the City and the Provider agree to submit such disagreement to non-binding mediation before pursuing any other legal remedy.

23. **ENTIRE CONTRACT.** This Agreement together with Exhibit A and B, attached hereto and any other exhibit attached hereto contains the entire contract between the City and the Provider concerning the Services for the Project. There will be no understandings or contracts other than those incorporated herein. This Agreement may not be modified except by an instrument in writing signed by the Parties hereto. In the event of a conflict between an attachment to this Agreement and this Agreement, this Agreement shall control.

24. **MAILING ADDRESSES.** All notices and communications concerning this Agreement are to be mailed or delivered to the addresses shown below unless and until the other Party is otherwise notified in writing of a different address:

City of Celina **Provider Mailing Address**

Any notices and communications required to be given in writing by one Party or the other shall be considered as having been given to the addressee on the date in the notice or communication is placed in the United States Mail or hand-delivered.

25. **LEGAL CONSTRUCTION.** If any one or more of the provisions contained in this Agreement for any reason is held invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision hereof and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been included.

26. **GOVERNING LAW.** The validity of this Agreement and any of its terms or provisions as well as the rights and duties of the Parties hereunder, shall be governed by and construed in accordance with Texas law. Exclusive venue for any legal action concerning this Agreement shall be located in Collin County, Texas.

27. **COUNTERPARTS.** This Agreement may be signed in multiple counterparts, each of which shall be deemed to be an original.

28. **EFFECTIVE DATE.** This Agreement shall be effective once it is signed by the City and the Provider, as indicated below.

EXECUTED in single or multiple originals.

SECTION 2 SPECIFICATIONS/SCOPE OF WORK

SECTION 3 SUBMITTAL INSTRUCTIONS

SECTION 4 EXHIBITS:

1. GENERAL TERMS & CONDITIONS
2. INSURANCE REQUIREMENTS
3. W9
4. CONFLICT OF INTEREST

SECTION 1: INSTRUCTIONS

1.1 NO OFFER/NO BID

The City is appreciative of the time and effort you must expend to submit an offer. If you choose not to respond, we would greatly appreciate you indicating any requirement that may have influenced your decision.

1.2 INCLEMENT WEATHER

In the event of inclement weather and City offices are officially closed on the due date, responses will be received until 3:00 PM of the next business day at which time submittals will be publicly opened.

1.3 ACCEPTANCE

It is understood that the City of Celina, reserves the right to accept or reject any and/or all bids as it shall deem to be in the best interest of the City. Receipt of any bid shall under no circumstances obligate the City to accept the lowest bid. The award of the contract shall be made to the responsible bidder whose bid is determined to be the lowest. The City may award more than one contract by awarding separate items or groups of items to various bidders. The additional administrative costs associated with awarding more than one Contract will be considered in the determination.

1.4 DISCLOSURE OF CERTAIN RELATIONSHIPS

Chapter 176 of the Texas Local Government Code requires that any bidder or person considering doing business with a local government entity disclose in the Questionnaire Form CIQ, the bidder or person's affiliation or business relationship that might cause a conflict of interest with a local government entity. Additional information on the statute is available at: http://www.statutes.legis.state.tx.us/Docs/LG/htm/LG.176.htm.

By submitting a response to this request, the bidder represents that it is in compliance with the requirements of Chapter 176 of the Texas Local Government Code.

1.5 DISCLOSURE OF INTERESTED PARTIES

In compliance with Section 2252.908 of the Texas Government Code, the City of Celina may not enter into a contract with a business entity as a result of acceptance or award of this solicitation unless the business entity submits a disclosure of interested parties form as required by this statute. Notification will be given to the business entity recommended for award upon which the business entity will be required to submit the completed form prior to award.

Additional information on the statute may be found at:

https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm

1.6 INFORMATION / QUESTIONS

All questions shall be posted to the City's electronic bidding service, by the deadline stated. All questions and answers will be posted online. Bidders are responsible for insuring all answers to questions are reviewed prior to the submittal date. Answers provided to posted questions address minor irregularities and are for clarification purposes only and do not revise or modify the specifications. Answers to questions that result in revisions to the specification will be address by Addendum. No oral statement of any person shall modify or otherwise change, or affect the specification.

1.7 ASSIGNMENT

The successful bidder shall not sell, assign, transfer or convey the contract in whole or in part, without the prior written consent of the City.

1.8 BIDDER RESPONSIBILITY

It is the responsibility of each bidder before submitting a bid:

1. To examine thoroughly the specification documents and other related data identified in the bid documents, to visit the site to become familiar with and satisfy bidder as to the general, local, and site conditions that may affect cost, progress, performance, etc.
2. To consider federal, state, and local laws and regulations that may affect costs, progress, performance, or furnishing of the work.
3. To study and carefully correlate bidder's knowledge and observations with the contract documents and such other related data.
4. To promptly notify the City's Purchasing director of all conflicts, errors, ambiguities, or discrepancies which bidder has discovered in or between the contract documents and such other related documents.

SECTION 2: SPECIFICATION / SCOPE OF WORK

MINIMUM QUALIFICATIONS

Unless otherwise stated, all specifications listed are minimum requirements.

A. CONTRACT TIME

1. This contract will be for twelve (12) months, effective January 1, 2025.
2. This contract shall be renewable for four (4) additional twelve (12) month periods, provided both parties agree.

B. GENERAL DEFINITIONS

1. **Quantity**

   The quantity of each type of portable restroom is an estimate for the programs listed. The amount may be increased or decreased at any time. Events may be added or removed at any time. The successful bidder agrees that the price per restroom per day will not exceed, throughout the year, the price quoted regardless of the number of restrooms ordered or the number of days needed.

2. **Quantity Discounts**

   If your firm offers a discount based on the number of restrooms ordered or the days used, please describe in the "notes" section.

3. **Service**

   The restrooms shall be serviced according to the schedule outlined in Section 7 Schedule of Events. The City of Celina reserves the right to request additional units, extend the rental period, or cancel the service as needed.

4. **Delivery**

   Clean, ready to use restrooms shall be delivered to the location and at the time requested by the City of Celina. Pricing should be based on the number of event days. Please specify the associated fees separately if delivery and pick-up are not included in the unit rate.

5. **Removal of Restrooms**

   The portable restrooms must be picked up from the location delivered within 24 hours after the end of the rental period.

6. **Fees**

All fees should be included in the pricing proposed; this includes but is not limited to service charges, fuel charges, and/or trip charges. The bid form will have a separate line for delivery and pick-up fees for each category, if applicable. You may enter zero if those fees are included in your unit pricing.

Bid Attributes

1	**Term of Contract** The contract is for one year (1) with the option to renew the agreement for up to four (4) additional one (1) year periods. Both parties must be in agreement. Either party must notify the other within sixty days of intent not to renew the contract. Certify in the field provided that you agree to this term. I agree
2	**CPI Escalation** Vendors must hold their pricing for the first year of the contract. At the time of contract renewal the vendor may request a price increase based on the unadjusted Consumer Price Index for all Urban Consumers (CPI-U) for All Items (1982-1984=100) in the Dallas-Fort Worth-Arlington area, published by the United States Department of Labor, Bureau of Labor Statistics (the “Index”). The City will allow no greater than a 3% increase each year. Data can be found at https://www.bls.gov/regions/southwest/news-release/consumerpriceindex_dallasfortworth.htm I agree

3	**Notice to Cure** In the event that the vendor fails to perform the duties outlined, the City may send a notice to cure. If the vendor fails to correct the issues outlined in the notice by the date given the City reserves the right to cancel the contract. I agree
4	**Electronic Submission** ***The City strongly requests that bidders submit responses electronically. Electronic bidding eliminates errors, unnecessary work, and is friendlier to the environment.***
5	**Bid Acceptance** All bids will remain subject to acceptance for a period of 90 days.
6	**Retracting Your Bid - Making Modifications after submission.** Modification to or Withdrawal of Submission Submissions cannot be altered or amended after the submission deadline passes. Submissions may be modified prior to the deadline by retracting the response. To modify a submission prior to the submission deadline: 1. Log into your account, click the retract link at the top of the page. ◦ Select "NO BID" if you are choosing **not** to re-submit; or ◦ **Make the required changes and resubmit your response.** ◦ See the help section in the top right of the window for further details.
7	**Local Preference Policy** The purpose of this policy is to comply with Sections 271.905 and 271.9051 of the Texas Local Government Code to allow for consideration of a bidder's principal place of business in the award of a competitively bid contract. This application for local preference consideration does not mean that the City of Celina is limiting responses to the competitive bid process to only businesses located within the City limits. All bids are welcome and encouraged. Vendors must submit an application with each solicitation. The decision to approve or deny consideration shall be at the discretion of the City Council. Applications for local preference may downloaded from the City's Procurement website located here.

8 **Non-Collusion**

I certify as the respondent and submitter for this solicitation that:

1. That I am the person responsible in my firm and named in this bid response for the price(s) and the amount of this bid.
2. The price(s) and amount of this bid have been arrived at independently and without consultation, communication or agreement with any other contractor, bidder or potential bidder.
3. Neither the price(s) nor the amount of this bid, and neither the approximate price(s) nor approximate amount of this bid, have been disclosed to any other firm or person who is a bidder or potential bidder and they will not be discussed before bid opening.
4. No attempt has been made or will be made to induce any firm or person to refrain from bidding on this contract, or to submit a bid higher than this bid, or to submit any intentionally high or noncompetitive bid or other form of complementary bid.
5. The bid of my firm is made in good faith and not pursuant to any agreement or discussion with, or inducement from, any firm or person to submit a complementary or other noncompetitive bid.
6. My firm, its affiliates, subsidiaries, officers, directors, and employees are not currently under investigation by any governmental agency and have not in the last four years been convicted or found liable for any act prohibited by the State of Texas or Federal Antitrust law in any jurisdiction, involving conspiracy or collusion with respect to bidding on any public contract.

☑ I certify that the statement is accurate and true.

9 **Cooperative Agreement**

Successful bidder agrees to extend prices to all entities that have entered into or will enter into an Interlocal Agreement with the City. As permitted under by Texas Government Code the successful bidder may be asked to provide products/services, based upon bid price, to any other entity with an executed Interlocal Agreement.

The City maintains Interlocal Agreements with entities throughout the Dallas - Fort Worth area. Agreements may be viewed at www.celina-tx.gov/bids by selecting the **contracts** link.

Agree

10 **Insurance**

By selecting the box below, I agree that I have read and understand the insurance requirements detailed in the Insurance Requirements document and that I have or will obtain the required insurance and maintain it for the duration of this contract. The City will register the winning bidder's insurance with MyCOI for verfication and tracking. When registration is complete, myCOI will request proof of insurance directly from your agent(s).

Work may not begin until contracts are in place, insurance verified and the purchase order and/or a notice to proceed issued.

Note:
1. It is critical that your email address and agents email are accurate.
2. Please add @mycoitracking.com to your safe sender list.

☑ I agree and will maintain the required insurance.

Re:	Master Thoroughfare Plan Update

Action Requested:
Conduct a public hearing and act upon an Ordinance amending the City's Master Thoroughfare Plan and Map. (Glasgow)

Background Information:
City Council adopted the Celina 2040 Comprehensive Plan on April 13, 2021, by Ordinance 2021-36 (the "Comprehensive Plan"), as allowed by Chapter 213 of the Texas Local Government Code, for promoting the long-range development of the City and promoting public health, safety, and welfare. The Comprehensive Plan also adopts and incorporates the Major Thoroughfare Plan and map ("MTP"). The City Council amended the MTP on August 9, 2022, by Ordinance 2022-99.

City staff and the City's professional consultants have analyzed existing and proposed land uses; existing collector streets, arterial streets, and highways; Texas Department of Transportation plans for highway improvements and the needs for north-south and east-west routes and connectivity within the City.

During the December 19, 2024, Planning and Zoning Commission meeting, the Planning and Zoning Commission reviewed the proposed amendments, and additionally, the planning department reviewed the proposed amendments in accordance with Section 213.003(a)(2) of the Texas Local Government Code. As a result of such analysis and review, City staff proposes amendments to the MTP as outlined in Exhibit "A" to this Ordinance, necessary to achieve connectivity to existing and proposed roadways and access to all parcels that will aid in orderly development.

CITY OF CELINA, TEXAS

ORDINANCE NO. 2025-_____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS AMENDING THE MASTER THOROUGHFARE PLAN AND MAP OF THE CELINA 2040 COMPREHENSIVE PLAN; PROVIDING FOR SEVERABILITY, SAVINGS, AND REPEALING CLAUSES; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City of Celina (the "City") is a Home Rule municipal corporation operating under a municipal charter adopted as authorized by Article XI, Section 5 of the Texas Constitution; and,

WHEREAS, the City Council of the City (the "City Council") adopted the Celina 2040 Comprehensive Plan on April 13, 2021 by Ordinance 2021-36 (the "Comprehensive Plan"), as allowed by Chapter 213 of the Texas Local Government Code, for promoting the long range sound development of the City and promoting public health, safety and welfare; and

WHEREAS, the Comprehensive Plan also adopts and incorporates the Major Thoroughfare Plan and map ("MTP"); and

WHEREAS, the City Council previously amended the MTP on August 9, 2022 by Ordinance 2022-99; and

WHEREAS, the City staff and the City's professional consultants have conducted an analysis of existing and proposed land uses; existing collector streets, arterial streets and highways; Texas Department of Transportation plans for highway improvements and the needs for north-south and east-west routes and connectivity within the City; and

WHEREAS, during the December 19,2024 Planning and Zoning Commission meeting, the Planning and Zoning Commission review the proposed amendments, and additionally, the planning department has reviewed the proposed amendments in accordance with Section 213.003(a)(2) of the Texas Local Government Code; and

WHEREAS, as a result of such analysis and review the City staff proposes amendments to the MTP as set forth in Exhibit "A" to this Ordinance, necessary to achieve connectivity to existing and proposed roadways and access to all parcels that will aid in orderly development; and

WHEREAS, proper notice of public hearing upon this Ordinance has been posted in accordance with applicable law and the City Council has conducted the necessary public hearing where the public was provided an opportunity to give input on the proposed amendment to the Comprehensive Plan and finds that the adoption of this amendment of the MTP to the Comprehensive Plan is appropriate and serves a public purpose and protects the health, safety, and welfare of citizens of the City.

NOW THEREFORE BE IT ORDAINED BY THE CITY OF CELINA, TEXAS:

Section 1. Findings. The recitals set forth above are deemed to be the findings and determinations made by the City Council and are incorporated into the body of this Ordinance as if fully set forthherein.

Section 2. Amendment. The MTP of the Comprehensive Plan is hereby amended as set forth in **Exhibit "A"** to this Ordinance, as if fully set forth herein.

Section 3. Severability**.** Should any section, subsection, sentence, clause, or phrase of this Ordinance be declared unconstitutional or invalid by a court of competent jurisdiction, it is expressly provided that any and all remaining portions of this Ordinance shall remain in full force and effect. The City hereby declares that it would have passed this Ordinance, and each section, subsection, sentence, clause, or phrase thereof irrespective of the fact that any one or more sections, subsections, sentences, clauses, and phrases be declared unconstitutional or invalid.

Section 4. Savings/Repealing Clause. All provisions of any ordinance in conflict with this Ordinance are hereby repealed to the extent they are in conflict; but such repeal shall not abate any pending prosecution for violation of the repealed ordinance, nor shall the repeal prevent a prosecution from being commenced for any violation if occurring prior to the repeal of the ordinance. Any remaining portions of said ordinances shall remain in full force and effect.

Section 5.: This Ordinance shall be effective from and after the date of its adoption.

PASSED AND APPROVED on this the 14th day of January, 2025.

Re:	Roadway Impact Fee Update

Action Requested:
Consider and act upon an Ordinance amending the City's Code of Ordinances, Chapter 10: Subdivision Regulation, Article 10.02: Impact Fees, Division 3: Roadway Facilities by adopting updated land use assumptions; adopting an updated roadway capital improvement plan and impact fee analysis; and adopting revised roadway impact fees. (Glasgow)

Background Information:
The City of Celina adopted Ordinance 2021-59 to establish Roadway Impact Fees in 2021. Pursuant to Section 395.052 of the Local Government Code, the City is required to complete periodic update of the Land Use Assumptions and Capital Improvements Plan every five (5) years. Staff recommends amending the City's Roadway Impact Fee Ordinance to align with the adopted 2040 Comprehensive Plan and the revised Land Use Plan. To facilitate this update, the City of Celina selected Kimley-Horn to complete this analysis.

Implementing impact fees allows the City to shift a portion of the burden of paying for new facilities onto new development. The consultant evaluated improvements necessary for a 10-year window (2034) and the ultimate system needs. Typically, infrastructure improvements are sized beyond the 10-year requirements; however, Chapter 395 only allows recovery of costs to serve the 10-year planning period. The remainder of the capacity costs will be assessed as the planning window extends beyond 2034 and as the impact fees are updated in the future.

Elements of the roadway system, including new roads, widening projects, and intersection improvements, were evaluated based on the City's Master Thoroughfare Plan. The Roadway Impact Fee Report identifies the projects needed to accommodate the projected increase in vehicle-miles for Celina's growth. The impact fee rate is calculated by dividing the total

construction costs by the total projected vehicle growth in each service area. State law allows cities to capture 50% of the total cost of the roadway improvements.

City Staff recommends establishing the maximum fee per vehicle-mile as $3,048.00 for Service Areas 1-5, $1,936.00 for Service Area 6, and $1,582.00 for Service Area 7. This rate translates into a roadway impact fee of $14,000.00 for a single-family resident in SA 1-5, $8,900 per single-family home in SA 6, and $7,200 per single-family home in SA 7.

During the December 19, 2024, Planning and Zoning Commission meeting, the Planning and Zoning Commission reviewed the proposed amendments. The Planning and Zoning Commission recommended charging commercial development 50 percent of the proposed impact fees to incentivize commercial development in the City. Additionally, the Planning and Zoning Commission recommended charging multi-family development the maximum impact fee allowable in each service area. Staff is preparing an analysis as a result of this recommendation, and staff is requesting that Council table this item until the February 11, 2025 Council meeting so the analysis can be completed.

Legal Review:
The City Attorney has reviewed this item.

1. EXECUTIVE SUMMARY

This study was performed to update the City of Celina's Roadway Impact Fees. Roadway Impact Fees were last performed in 2020 (adopted in 2021). The state's impact fee law (CH 395) requires that municipalities with Impact Fee Programs update their impact fee studies every five years. The implementation of impact fees allows the City to shift a portion of the burden of paying for new facilities onto new development. System improvements necessary to serve 10-year (2034) and ultimate system needs were evaluated. Typically, infrastructure improvements are sized beyond the 10-year requirements; however, Chapter 395 only allows recovery of costs to serve the 10-year planning period. The remainder can be assessed as the planning window extends beyond 2034 and as the impact fees are updated in the future.

Elements of the Roadway system, including new roads, widening projects, and intersections were evaluated based on the City's Master Thoroughfare Plan, as explained in the Capital Improvement Plan (CIP) section of this report. Based on the City's 10-year growth projections and the associated demand (consumption) values, the table below shows the additional vehicle-miles that will be generated by new development by the year 2034:

Service Area	1	2	3	4	5	6	7
2024-2034 Growth (Veh-Miles)	17,927	8,514	43,968	18,869	27,849	48,219	34,722

In order to provide the capacity needed to accommodate the projected increase in vehicle-miles, the Roadway Impact Fee CIP was developed. The cost of the Roadway Impact Fee CIP in each service area (attributable to growth) is shown in the table below:

Service Area	1	2	3	4	5	6	7
Cost of the CIP Attributable to Growth (plus credit for Ad Valorem taxes)	$71,539,364	$28,629,344	$162,539,135	$57,511,541	$111,283,507	$93,345,451	$54,926,107

The maximum assessable impact fee is then calculated by dividing the recoverable cost of the CIP by the growth in vehicle-miles in each service area. A reduction of 50% to the maximum assessable fee is also applied according to Chapter 395 requirements. Based on the additional service units and the recoverable cost of the CIP (with 50% credit), the Maximum Fees the City may assess per service unit and per single family home are shown below:

Service Area	1	2	3	4	5	6	7
2024 Maximum Assessable Fee Per Service Unit ($/Veh-mi)	$3,991	$3,363	$3,697	$3,048	$3,996	$1,936	$1,582
2024 Maximum Assessable Fee Per Single Family Home (1 single family home = 4.60 veh-miles)	$18,359	$15,470	$17,006	$14,021	$18,382	$8,906	$7,277

The maximum impact fee per vehicle mile and maximum impact fee per single family home in each service area are shown in Exhibit A.

2. INTRODUCTION

Chapter 395 of the Texas Local Government Code describes the procedure Texas cities must follow in order to create and implement impact fees. Senate Bill 243 (SB 243) amended Chapter 395 in September 2001 to define an impact fee as "a charge or assessment imposed by a political subdivision against new development in order to generate revenue for funding or recouping the costs of capital improvements or facility expansions necessitated by and attributable to the new development."

Chapter 395 mandates that impact fees be reviewed and updated at least every five years. Accordingly, the City of Celina has initiated a review of its Land Use Assumptions, Capital Improvement Plan (CIP), and Roadway Impact Fees. The City retained Kimley-Horn and Associates, Inc. to provide professional transportation engineering services for the 2024 update of their Roadway Impact Fees. The timing of this update coincides with the Water and Wastewater Master Plan updates and Water and Wastewater Impact Fee updates. This report includes the details of the Roadway Impact Fee calculation methodology in accordance with Chapter 395 and the adopted revisions to the Land Use Assumptions, Capital Improvement Plan, and refinement of the Land Use Equivalency Table.

This report introduces and references two of the basic inputs to the Roadway Impact Fee:

1. Land Use Assumptions (Pg. 6)
2. Capital Improvement Plan (Pg. 13)

Information from the Land Use Assumptions and this Capital Improvement Plan are used extensively throughout the remainder of the report.

This report consists of a detailed discussion of the methodology for the computation of impact fees and is broken into three components:

1. Methodology for Roadway Impact Fees (Pg. 32)
2. Roadway Impact Fee Calculation (Pg. 53)
3. Plan for Awarding the Roadway Impact Fee Credit (Pg. 55)

The components of the Methodology for Roadway Impact Fees include development of:

- Service Areas
- Service Units
- Cost Per Service Unit
- Cost of the CIP
- Service Unit Calculation

The components of the Roadway Impact Fee Calculation include:

- Maximum Assessable Impact Fee Per Service Unit
- Service Unit Demand Per Unit of Development

This report also includes a section concerning the Plan for Awarding the Roadway Impact Fee Credit. This involves the calculation of the applicable credit required by law to offset the City's use of ad valorem taxes to help fund the Roadway Impact Fee CIP.

The final section of the report is the Conclusion, which presents the findings of the update analysis and summarizes the report.

3. ROADWAY IMPACT FEE CALCULATION INPUTS

A. LAND USE ASSUMPTIONS

Purpose

Chapter 395 of the Texas Local Government Code describes the procedure Texas political subdivisions must follow in order to assess impact fees for new development. The first step required in updating impact fees is the development of Land Use Assumptions. These Land Use Assumptions, which include both residential and employment estimates, form the basis for the development of impact fee Capital Improvement Plans (CIP) for roadway, water, and wastewater facilities.

Reasonable future growth estimates are necessary in order to aid the City of Celina in establishing the need for capital improvements required to serve future development. In accordance with Chapter 395, Kimley-Horn has compiled the information required to complete the Land Use Assumptions using the following sources:

- Celina 2040 Comprehensive Plan
- City of Celina Thoroughfare Plan (2024)
- City of Celina Future Land Use Plan
- Development plans
- Building permit data
- City of Celina Staff

Components of the Land Use Assumptions Chapter

The Land Use Assumptions include the following components:

1. Impact Fee Study Service Areas - Explanation of the divisions of Celina into service areas for roadway service areas.
2. Land Use Assumptions Methodology - An overview of the general methodology used to generate the land use assumptions.
3. Ten-Year Growth Assumptions - Summary of the growth projections for 2024-2034 in alignment with the 2040 Comprehensive Plan.
4. Land Use Assumptions Summary - A synopsis of the land use assumptions.

Impact Fee Service Areas

Service Area Definition

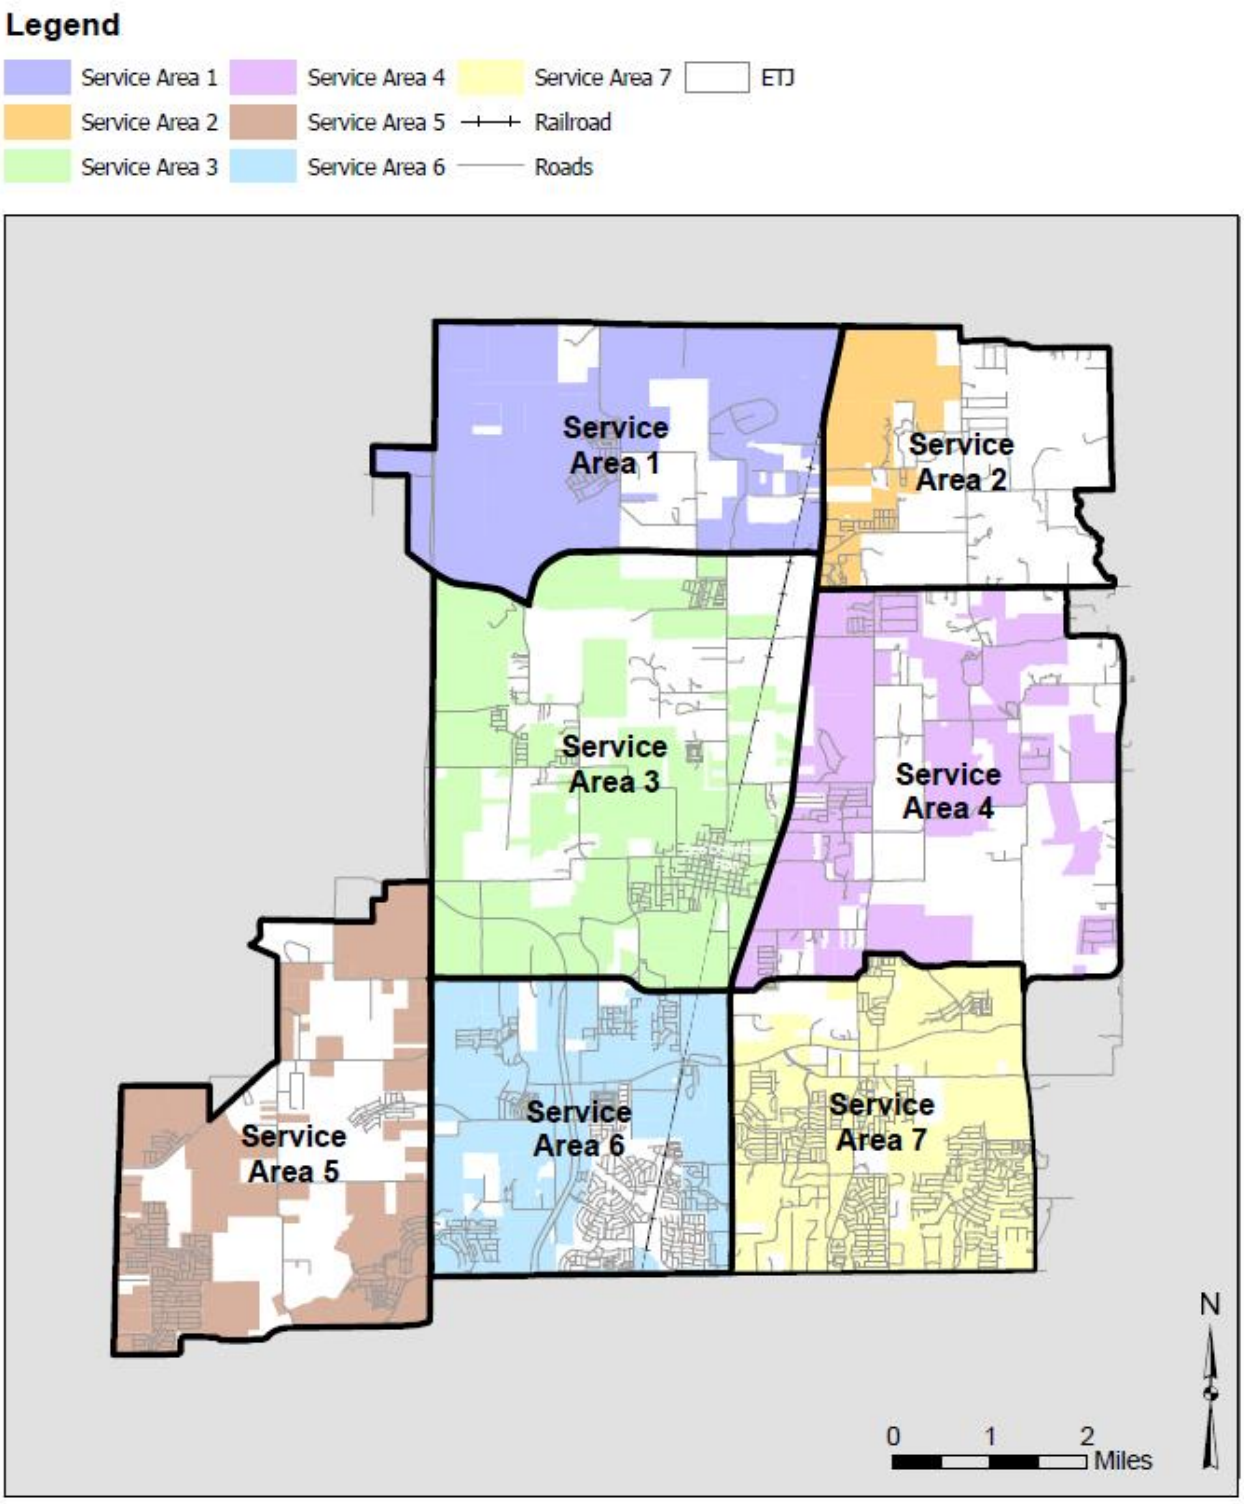
According to Chapter 395 of the Local Government Code, a Service Area refers to the area within the corporate boundaries or extraterritorial jurisdiction of the political subdivision to be served by the capital improvement or facilities specified in the Capital Improvement Plan. Funds collected in the specific service areas must be spent in the service area collected. Chapter 395 specifies that "the service area is limited to an area within the corporate boundaries of the political subdivision and shall not exceed six (6) miles." This resulted in the creation of seven service areas in the City of Celina. There has been slight changes between the boundaries of Service Areas 1 and 3 due to realignments of the Master Thoroughfare Plan.

Roadway Impact Fee Service Areas

The geographic boundaries of the seven impact fee service areas for roadway facilities are shown in Exhibit 1. The roadway service areas cover the entire corporate boundary of the City of Celina.

Service Areas 1, 3, 5, and 6 are located west of SH 289/Preston Road. Service Areas 2, 4 and 7 are located east of SH 289/Preston Road.

Exhibit 1. Roadway Service Areas



Land Use Assumptions Methodology

In conjunction with the 2024 Roadway Impact Fee Study, the City of Celina is also performing concurrent updates to its Water and Wastewater Master Plans and its Water and Wastewater Impact Fees. The 2024-2034 growth projections for the 2024 Roadway Impact Fee Study were obtained from the 2024 Water and Wastewater Impact Fee Study. The following factors were considered in developing the residential and employment projections:

- Character, type, density, location and quantity of existing development;
- Development plan data;
- Probable future developments;
- Location of vacant land;
- Future Land Use; and
- Physical holding capacity of Celina.

The Water and Wastewater Impact Fee land use assumptions consider future population and employment City-wide. The city-wide growth projections were broken out into roadway Service Areas based on the location of the probable future developments and the future land use. The Celina 2040 Comprehensive Plan designates zoning city-wide as mixed-use development based on the character of the area instead of specific uses. Each character district has an anticipated development pattern for residential, basic, service, and retail uses unique to the character of the area. Definitions for these land use categories are provided in the Data Format section of this chapter.

Exhibit 2 shows the character districts designated in the Celina 2040 Comprehensive Plan and the service areas.

Exhibit 2. Character Districts

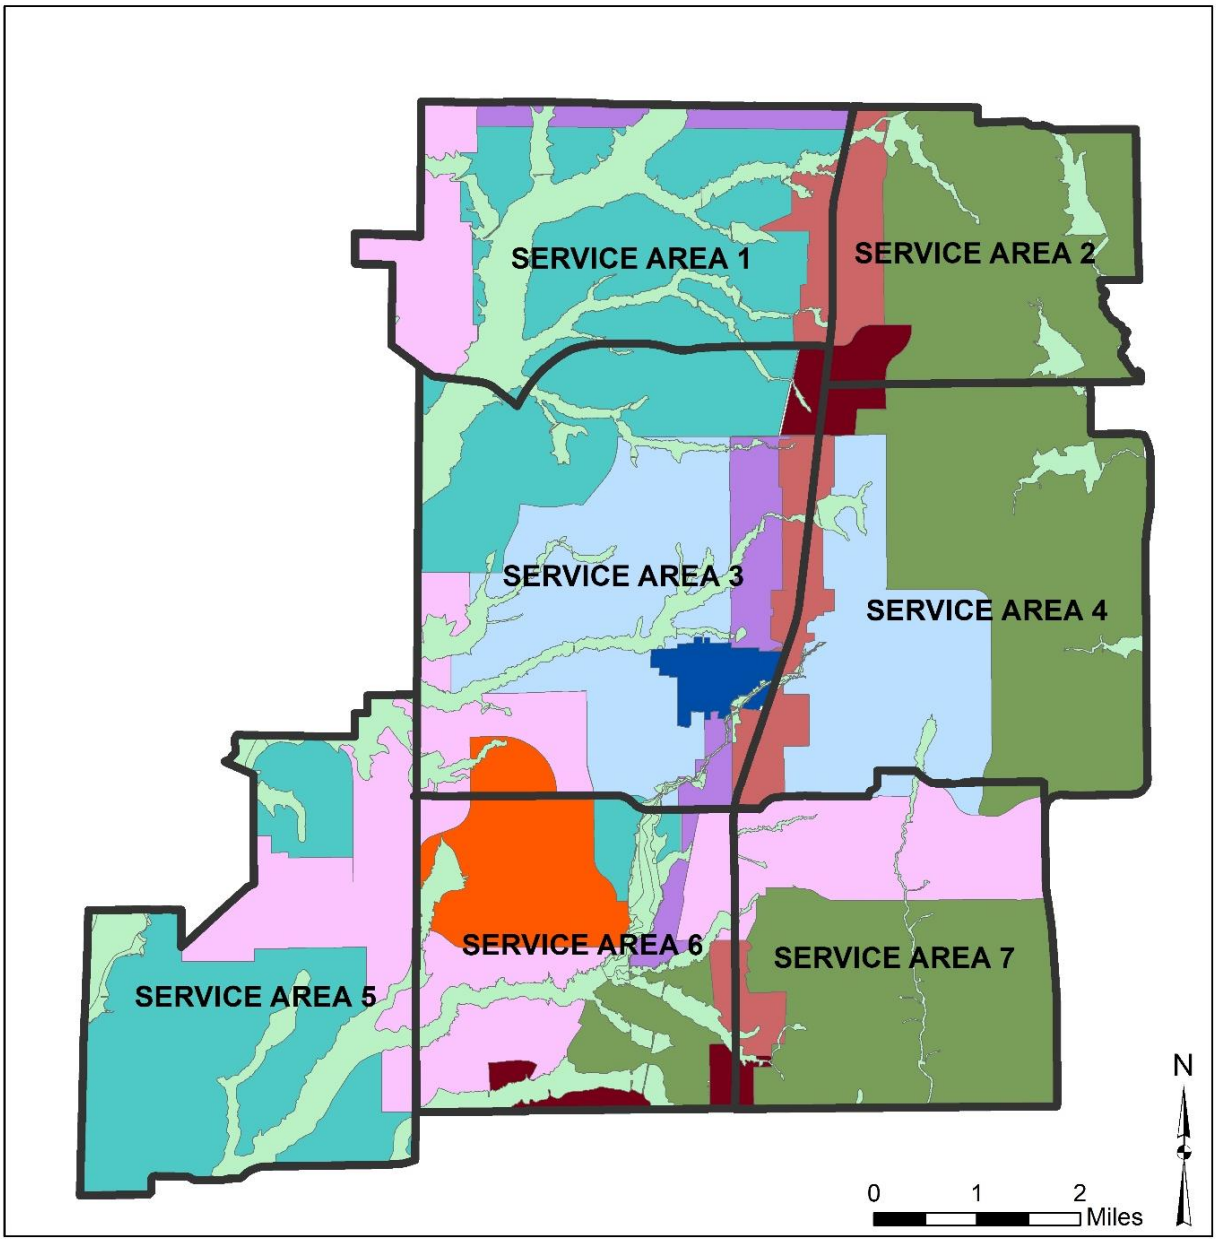


Table 1 shows the total acreage and the 2024-2034 projected growth of Population and Employees within the City limits by Character District. Based on the projections, the City of Celina is projected to add an additional 100,805 residents and 12,493 employees within the City limits by 2034. Additionally, the City annexed approximately 6,096 acres into the City limits since the previous impact fee update in 2021, or about 24% increase in land area.

Table 1. 2024-2034 growth projections by Character District

Character District	Acreage (City Limits)	Population (City Limits)	Employees (City Limits)
Downtown	333	204	150
Connected Core	4,113	14,207	388
Preston Road Corridor	1,856	3,482	2,685

Regional Mixed-Use 2	5,841	12,422	1,261
Community Mixed-Use Center	553	6,087	891
Total	29,212	100,805	12,493

Data Format

The population and employment estimates were all compiled in accordance with the following categories and format:

- Units - Number of dwelling units, including residential detached, residential attached, and multi-family
- Population - Number of people based on person per dwelling unit factors
- Employment - Square feet of building area based on three (3) different classifications:
    - Retail - Land use activities which provide for the retail sale of goods that primarily serve households and whose location choice is oriented toward the household sector (i.e. grocery stores and restaurants)
    - Service - Land use activities which provide personal and professional services such as government and other professional offices
    - Basic - Land use activities that produce goods and services, including those that are exported outside the local economy (i.e. manufacturing, construction, transportation, wholesale, trade, warehousing, and other industrial uses)

10-Year Growth Summary

Table 2 summarizes the 10-year growth projections within the City Limits by service area. The residential dwelling units were estimated based on the population projections shown in Table 1 and estimated persons per household figures ranging from 2.4 for multi-family households to 3.1 for single family households. The employees were distributed between basic, service, and retail uses based on Character District information available in Celina 2040. Employment square feet were then estimated based on the employment projections presented in Table 1 and estimated square feet per employee figures obtained from the North Central Texas Council of Governments (NCTCOG). Based on these figures, it was assumed that the square feet per employee were 910 for basic, 322 for service, and 381 for retail.

Table 2. Land Use Assumptions Growth Projections (2024-2034)

Service Area	Population Added	Residential Units Added	Employees Added	Employment Square Feet Added

City-Wide	100,805	35,118	12,493	666,000	1,591,000	2,597,000	4,854,000

Summary

The following is a land use assumptions summary for the City Limits.

- The ten-year (2024 - 2034) residential growth projection is approximately:
  - City Limits = 35,118 Dwelling Units
- The ten-year (2024 - 2034) employment growth projection is approximately:
  - City Limits = 4,854,000 ft^2

B. Capital Improvement Plan

The City has identified the City-funded transportation projects needed to accommodate the projected growth within the City. The Capital Improvement Plan (CIP) for Roadway Impact Fees is made up of the remaining projects needed to complete the City's Master Thoroughfare Plan (MTP).

The CIP includes arterial and collector class roadway facilities as well as intersection improvements and other transportation-related facilities. All the facilities are part of the MTP. The downtown area was excluded from the impact fee study. Further details on the downtown transportation network, see the latest Comprehensive Plan.

The CIP for Roadway Impact Fees for the 2024 Impact Fee Update is listed in Tables 3-9 and mapped in Exhibits 3-9. The table shows the length of each project as well as the facility's MTP classification. The CIP was developed in conjunction with input from City of Celina staff and represents those projects that will be needed to accommodate the growth projected by the 2034 Land Use Assumptions for the Roadway Impact Fee Update. For facilities designated as six-lane divided (P6D), the Roadway Impact Fee CIP assumes that a maximum of four lanes will be built within the ten-year window, with the possibility of expanding to six lanes beyond the ten-year window. In addition, the Downtown area within Service Area 3 was determined by the City to be ineligible for impact fees. For further details on Downtown, please see the Downtown Master Plan.

4. METHODOLOGY FOR ROADWAY IMPACT FEES

A. SERVICE AREAS

The service areas used in the 2024 Roadway Impact Fee Update are shown in the previously referenced Exhibit 1. These service areas cover the entire corporate boundary of the City of Celina. Chapter 395 of the Texas Local Government Code specifies that "the service area is limited to an area within the corporate boundaries of the political subdivision and shall not exceed six miles. This resulted in the creation of seven service areas in the City of Celina.

B. SERVICE UNITS

The "service unit" is a measure of consumption or use of the roadway facilities by new development. In other words, it is the measure of supply and demand for roads in the City. For transportation purposes, the service unit is defined as a vehicle-mile. On the supply side, this is a lane-mile of a thoroughfare street. On the demand side, this is a vehicle-trip of one-mile in length. The application of this unit as an estimate of either supply or demand is based on travel during the afternoon peak hour of traffic. This time period is commonly used as the basis for transportation planning and the estimation of trips created by new development.

Another aspect of the service unit is the service volume that is provided (supplied) by a lane-mile of roadway facility. This number, also referred to as capacity, is a function of the facility type, facility configuration, number of lanes, and level of service. Below is the definition for vehicle-mile.

Vehicle-Mile: The capacity consumed in a single lane in the PM peak hour by a vehicle making a trip one mile in length.

Total Vehicle-Miles of Supply: Based on the total length (miles), number of lanes, and capacity (vehicles per hour) provided by the Celina Master Thoroughfare Plan.

Total Vehicle-Miles of Demand: Based on the 10-year growth projections. The demand is equal to PM Trip Rate (trips) * Trip Length (miles).

The hourly service volumes used in the Roadway Impact Fee Update are based upon Thoroughfare Capacity Criteria published by NCTCOG and applied to the City of Celina. Table 10 shows the service volumes as a function of the proposed facility type and Table 11 shows the service volumes as a function of the existing facility type.

Table 10. Level of Use for Proposed Facilities
(used in Appendix B – CIP Units of Supply)

Proposed Roadway Type (MTP Classifications)	Median Configuration	Hourly Vehicle-Mile Capacity per Lane-Mile of Roadway Facility
P6D – Primary Arterial	Divided	750
M4D – Minor Arterial	Divided	650
C2U – Collector	Undivided	475

Table 11. Level of Use for Existing Facilities
(used in Appendix C – Existing Facilities Inventory)

Existing Roadway Type	Description	Hourly Vehicle-Mile Capacity per Lane-Mile of Roadway Facility
1W	One-Way Section	525
2UD-G	Rural Cross-Section (i.e. gravel, dirt, etc.)	150
2UD	Two lanes undivided	475
2D	Two lanes undivided with curb and gutter	525
4D	Four lanes divided	650
XX	New Roadway – not yet built	-

C. Cost of the CIP

The costs that may be included in the cost per service unit are all of the implementation costs for the Roadway Impact Fee Update, as well as project costs for arterial system elements

within the Capital Improvement Plan. Chapter 395 of the Texas Local Government Code specifies that the allowable costs are "…including and limited to the:

1. Construction contract price;
2. Surveying and engineering fees;
3. Land acquisition costs, including land purchases, court awards and costs, attorney's fees, and expert witness fees; and
4. Fees actually paid or contracted to be paid to an independent qualified engineer or financial consultant preparing or updating the Capital Improvement Plan who is not an employee of the political subdivision."

The engineer's opinion of the probable costs of the projects in the CIP is based, in part, on the calculation of a unit cost of construction. This means that a cost per linear foot of roadway is calculated based on an average price for the various components of roadway construction. This allows the probable cost to be determined by the type of facility being constructed, the number of lanes, and the length of the project. The costs for location-specific items such as bridges, highway ramps, drainage structures, and any other special components are added to each project as appropriate. In addition, projects by the State and Collin County in which the City plans to contribute a portion of the total project cost have been included in the CIP as lump sum costs. The following is a detailed description of the costing worksheet/methodology for the Roadway Impact Fee CIP.

1) Overview of Roadway Impact Fee CIP Costing Worksheets

For each project a specific costing worksheet was developed (see Appendix A). Each worksheet contained the following four main components:

- Project Information,
- Construction Pay Items,
- Construction Component Allowances and
- Summary of Costs and Allowances

An example costing sheet showing these four components is provided below:

NOTE: The planning level cost projections listed in this appendix have been developed for Impact Fee calculations only and should not be used for any future Capital Improvement Planning within the City of Celina.
The planning level cost projections shall not supersede the City's design standards contained within the Subdivision Ordinance or the determination of the City Engineer for a specific project.

2) Project Information

In order to correctly estimate the cost of a roadway project, several attributes are first identified:

- Project Number – Identifies each project with a corresponding number. The corresponding number does not represent any prioritizations and is used only to identify projects
- Name – A unique identifier for each project
- Limits – Represents the beginning and ending location for each project
- Impact Fee Class – The costing class to be used in the analysis. The impact fee class provides the width for the various elements in the roadway. The construction costs are variable, based on the proposed Thoroughfare Plan classification of the roadway.
    - Partial Road Projects – Various roadways in the City have been partially constructed to their ultimate lane configuration and require only a partial construction to be completed.
        - (1/2) – Two of the ultimate four lanes are to be constructed, two lanes are currently built
        - (1/3) – Two of the ultimate six lanes are to be constructed, four lanes are currently built
- Existing Lanes – The existing lane configuration of the project. See Table 12 for abbreviation definitions.
- Length (ft) – The distance measured in feet that is used to cost out the project
- Service Area(s) – Represents the service area(s) where the project is located
- Description – Used to describe the project type assumed in the costing such as a widening or reconstruction

3) Construction Pay items

A typical roadway project consists of several costs, including the following: planning, survey, design engineering, permitting, right-of way acquisition, construction and inspection. While the construction cost component of a project may contain approximately 100 various pay items, a simplified approach was used for developing the conceptual level project costs. Each new project's construction cost was divided into three cost components: roadway construction

cost, major construction component allowances, and summary of cost and allowances. The roadway construction components consist of the following pay items:

- Street excavation,
- Lime stabilization,
- Concrete pavement,
- Topsoil,
- Sidewalks,
- Moisture Conditioning, and
- Street Lighting.

4) Summary of Cost and Allowances

To determine the total Impact Fee Project Cost, 18% of the construction cost total is added for engineering, surveying, and testing. Another 20% of the construction cost total is added for ROW/easement acquisition for new projects. This percentage is reduced to 10% where the roadway already exists.

5) Construction Component Allowances

A percentage of the paving construction cost is allotted for various major construction component allowances, as appropriate. These allowances include traffic control, pavement markings and signage, roadway drainage, minor water and sewer adjustments, landscaping and irrigation. These allowance percentages are also based on historical data.

In addition, lump sum dollar allowances are provided for special drainage structures, and railroad crossings. The paving and allowance subtotal is given a 15% contingency. An additional 8% of the construction cost total is added for preparation of right-of-way (ROW).

Tables 12-18 comprise the CIP project list for the City of Celina with conceptual level project cost projections. Detailed cost projections and methodology used for each individual project have been provided to the City. It should be noted that these tables reflect only conceptual-level opinions or assumptions regarding the portions of future project costs that are potentially recoverable through impact fees. Actual costs of construction are likely to change with time and are dependent on market and economic conditions that cannot be precisely

predicted at this time. For projects which border the ETJ or another service area, only a percentage of that cost is assumed to be attributable to that service area. These percentages are shown in the "% in Service Area" column of Tables 12-18. The resulting "Cost in Service Area" column shows the cost attributable to the service area.

This CIP created for the City of Celina introduces a list of projects for which an impact fee funding program can be established. This is different from a City's construction CIP, which provides a broad list of capital projects for which the City is committed to building. The cost projections utilized in this study should not be utilized for the City's building program or construction CIP.

Notes:

a. The planning level cost projections have been developed for Impact Fee calculations only and should not be used for any future Capital Improvement Planning within the City of Celina.
b. The planning level cost projections shall not supersede the City's design standards contained within the Subdivision Ordinance or the determination of the City Engineer for a specific project.
c. The project cost total within Service Area may differ from the total shown in the Summary sheets contained within Appendix A due to some projects that are split between City limits and ETJ.

D. Service Unit Calculation

The basic service unit for the computation of Celina's Roadway Impact Fees is the vehicle-mile of travel during the afternoon peak-hour. To determine the cost per service unit, it is necessary to project the growth in vehicle-miles of travel for the service area for the ten-year period.

The growth in vehicle-miles from 2024 to 2034 is based upon projected changes in residential and employment growth for the period. In order to determine this growth, baseline estimates of population, basic square feet, service square feet, and retail square feet for 2024 were made by the City, along with projections for each of these demographic statistics through 2034. The Land Use Assumptions section of this report details the growth estimates used for the impact fee determination.

The residential and employment statistics in the Land Use Assumptions provide the "independent variables" that are used to calculate the existing (2024) and projected (2034) transportation service units used to establish the Roadway Impact Fee maximum rates within each service area. The roadway demand service units (vehicle-miles) for each service area are the sum of the vehicle-miles "generated" by each category of land use in the service area.

For residential land uses, the existing and projected population is converted to dwelling units. The number of dwelling units in each service area is multiplied by a transportation demand factor to compute the vehicle-miles of travel that occur during the afternoon peak hour. This factor computes the average amount of demand caused by the residential land uses in the service area. The transportation demand factor is discussed in more detail below.

For employment land uses, the process is similar. The Land Use Assumptions provide existing and projected number of building square footages for three categories of employment land uses – basic, service, and retail. These categories correspond to an aggregation of other specific land use categories based on the North American Industrial Classification System (NAICS).

Building square footage is the most common independent variable for the estimation of employment trips in the Institute of Transportation Engineers' (ITE) Trip Generation Manual, 11th Edition. This characteristic is more appropriate than the number of employees because building square footage is tied more closely to trip generation and is known at the time of application for any development or development modification that would require the assessment of an impact fee.

The existing and projected Land Use Assumptions for the dwelling units and the square footage of basic, service, and retail land uses provide the basis for the projected increase in vehicle-miles of travel. As noted earlier, a transportation demand factor is applied to these values and then summed to calculate the total peak hour vehicle-miles of demand for each service area.

The transportation demand factors are aggregate rates derived from two sources – the ITE Trip Generation Manual, 11th Edition and the National Household Travel Survey (NHTS) performed by the Federal Highway Administration (FHWA). ITE's Trip Generation Manual, 11th Edition provides the number of trips that are produced or attracted to the land use for each dwelling unit, square foot of building, or other corresponding unit. For the retail category of land uses, the rate is adjusted to account for the fact that a percentage of retail trips are made by people who would otherwise be traveling past that particular establishment anyway, such as a trip between work and home. These trips are called pass-by trips, and since the travel demand is accounted for in the land use calculations relative to the primary trip, it is necessary to discount the retail rate to avoid double counting trips.

The next component of the transportation demand factor accounts for the length of each trip. The average trip length for each category is based on the region-wide travel characteristics found in the most recent National Household Travel Survey (NHTS).

The computation of the transportation demand factor is detailed in the following equation:

$$TDF = T * (1 - P_b) * L_{\max}$$

$$\text{where...} \; L_{\max} = \min(L * OD \;\text{ or }\; \text{SA}_\text{L})$$

Variables:

- TDF = Transportation Demand Factor
- T = Trip Rate (peak hour trips / unit)
- P_b = Pass-By Discount (% of trips)
- L_{max} = Maximum Trip Length (miles)
- L = Average Trip Length (miles)
- OD = Origin-Destination Reduction (50%)
- SA_L = Max Service Area Trip Length (see Table 9)

For land uses which are characterized by longer average trip lengths (primarily residential uses), the maximum trip length has been limited to a length based on the nature of the roadway network within the service area, along with consideration of the existing City boundaries. Although Chapter 395 of the Texas Local Government Code allows for a service area diameter of six miles, the longest trip length along Celina's roadway network is approximately five miles. Therefore, the maximum trip length was assumed to be five miles.

The adjustment made to the average trip length statistic in the computation of the maximum trip length is the origin-destination reduction. This adjustment is made because the Roadway Impact Fee is charged to both the origin and destination end of the trip. For example, impact fee methodology will account for a trip from home to work within Celina to both residential and employment land uses. To avoid counting these trips as both residential and employment trips, a 50% origin-destination (OD) reduction factor is applied. Therefore, only half of the trip length is assessed to each land use. This methodology is consistent with that used in the National Household Travel Survey.

Table 19 shows the derivation of the Transportation Demand Factor for the residential land use and the three employment land use categories for each service area. The values utilized

for all variables shown in the transportation demand factor equation are also shown in the table.

E. Cost Per Service Unit

A fundamental step in the impact fee process is to establish the cost for each service unit. In the case of the Roadway Impact Fee, this is the cost for each vehicle-mile of travel. This cost per service unit is the cost to construct a roadway (lane-mile) needed to accommodate a vehicle-mile of travel at a level of service corresponding to the City's standards. The cost per service unit is calculated for each service area based on a specific list of projects within that service area.

The second component of the cost per service unit is the number of service units in each service area. This number is the measure of the growth in transportation demand that is projected to occur in the ten-year period. Chapter 395 requires that impact fees be assessed only to pay for growth projected to occur in the City limits within the next ten-years (see Section 4.D). As noted earlier, the units of demand are vehicle-miles of travel.

5. ROADWAY IMPACT FEE CALCULATION

A. MAXIMUM ASSESSABLE IMPACT FEE PER SERVICE UNIT

This section presents the maximum assessable impact fee rate calculated for each service area. The maximum assessable impact fee is the sum of the eligible Roadway Impact Fee CIP costs for the service area divided by the growth in travel attributable to new development projected to occur within the ten-year period. A majority of the components of this calculation have been described and presented in previous sections of this report. The purpose of this section is to document the computation for each service area and to demonstrate that the guidelines provided by Chapter 395 of the Texas Local Government Code have been addressed. Table 21 illustrates the computation of the maximum assessable impact fee computed for each service area. Each row in the table is numbered to simplify explanation of the calculation.

Table 21. Maximum Assessable Roadway Impact Fee Computation

Line	Title	Description
1	*Total Vehicle-Miles of Capacity Added by the CIP*	The total number of vehicle-miles added to the service area based on the capacity, length, and number of lanes in each project (from Appendix B – CIP Service Units of Supply)

Each project identified in the Impact Fee CIP will add a certain amount of capacity to the City's roadway network based on its length and classification. This line displays the total amount added within each service area.

2	*Total Vehicle-Miles of Existing Demand*	A measure of the amount of traffic currently using the roadway facilities upon which capacity is being added. (from Appendix B – CIP Service Units of Supply)

A number of facilities identified in the Impact Fee CIP have traffic currently utilizing a portion of their existing capacity. This line displays the total amount of capacity along these facilities currently being used by existing traffic.

3	*Total Vehicle-Miles of Existing Deficiencies*	Number of vehicle-miles of travel that are not accommodated by the existing roadway system (from Appendix C – Existing Roadway Facilities Inventory)

In order to ensure that existing deficiencies on the City's roadway network are not recoverable through impact fees, this line is based on the entire roadway network within the service area. Any roadway within the service area that is deficient – even those not identified on the Impact Fee CIP – will have these additional vehicle-miles removed from the calculation.

4	*Net Amount of Vehicle-Miles of Capacity Added*	A measurement of the amount of vehicle-miles added by the CIP that will not be utilized by existing demand (Line 1 – Line 2 – Line 3)

This calculation identifies the portion of the Impact Fee CIP (in vehicle-miles) that may be recoverable through the collection of impact fees.

5	*Total Cost of the CIP within the Service Area*	The total cost of the projects within each service area (from Tables 12-18): 10-Year Capital Improvement Plan with Conceptual Level Cost Opinions)

This line simply identifies the total cost of all of the projects identified in each service area.

6	*Cost of Net Capacity Supplied*	The total CIP cost (Line 5) prorated by the ratio of Net Capacity Added (Line 4) to Total Capacity Added (Line 1). [(Line 4 / Line 1) * (Line 5)]

Using the ratio of vehicle-miles added by the Roadway Impact Fee CIP available to serve future growth to the total vehicle-miles added, the total cost of the CIP is reduced to the amount available for future growth
(i.e. excluding existing usage and deficiencies).

7	*Cost to Meet Existing Needs and Usage*	The difference between the Total Cost of the CIP (Line 5) and the Cost of the Net Capacity supplied (Line 6). (Line 5 – Line 6)

This line is provided for informational purposes only – it is to present the portion of the total cost of the Roadway Impact Fee CIP that is required to meet existing demand.

8	*Total Vehicle-Miles of New Demand over Ten Years*	Based upon the growth projection provided in the Land Use Assumptions, an estimate of the number of new vehicle-miles within the service area over the next ten years. (from Table 21)

This line presents the amount of growth (in vehicle-miles) projected to occur within each service area over the next ten years.

9	*Percent of Capacity Added Attributable to New Growth*	The result of dividing Total Vehicle-Miles of New Demand (Line 8) by the Net Amount of Capacity Added (Line 4), limited to 100% (Line 10). This calculation is required by Chapter 395 to ensure capacity added is attributable to new growth.
10	*Chapter 395 Check*	

In order to ensure that the vehicle-miles added by the Roadway Impact Fee CIP do not exceed the amount needed to accommodate growth beyond the ten-year window, a comparison of the two values is performed. If the number of vehicle-miles added by the Roadway Impact Fee CIP exceeds the growth projected to occur in the next ten years, the Roadway Impact Fee CIP cost is reduced accordingly.

11	*Cost of Capacity Added Attributable to New Growth*	The result of multiplying the Cost of Net Capacity Added (Line 6) by the Percent of Capacity Added Attributable to New Growth, limited to 100% (Line 10).

This value is the total Impact Fee CIP project costs (excluding financial costs) that may be recovered through impact fees. This line is determined considering the limitations to impact fees required by the Texas legislature.

B. Plan For Awarding the Roadway Impact Fee Credit

Chapter 395 of the Texas Local Government Code requires the Capital Improvements Plan for Roadway Impact Fees to contain specific enumeration of a plan for awarding the impact fee credit. Section 395.014 of the Code requires:

(A) "a credit for the portion of ad valorem tax and utility service revenues generated by new service units during the program period that is used for the payment of improvements, including the payment of debt, that are included in the capital improvements plan; or

(B) In the alternative, a credit equal to 50 percent of the total projected cost of implementing the capital improvements plan…"

The City of Celina has determined the maximum assessable impact fee per service unit shall be 50% of the total projected cost of implementing the CIP. Therefore, the Recoverable Cost of the CIP (Line 12) is assumed to be half of the Cost of Capacity Added Attributable to New Growth (Line 11). The Maximum Assessable Fee Per Service Unit (Line 13) is then found by dividing Recoverable Cost of the CIP (Line 12) by the Total Vehicle-Miles of New Demand over Ten Years (Line 8).

The continuation of Table 21 summarizes the additional computations carried out to provide the maximum assessable impact fee.

Line	Title	Description
12	*Recoverable Cost of the CIP*	The cost of the CIP attributable to new growth, less a credit for the portion of ad valorem taxes projected to be generated by the new service units, as per Section 395.014 of the Local Government Code (50% of Line 12)
13	*Maximum Assessable Fee Per Service Unit*	Found by subtracting the credit for Ad Valorem Taxes (Line 13) by the from the Pre-Credit Maximum Fee Per Service Unit (Line 12) (Line 12 – Line 13)

Table 21 summarizes the calculations walked through in Table 22 on page 57 and provides the maximum assessable impact fee for each service area.

C. Service Unit Demand Per Unit of Development

The Roadway Impact Fee is determined by multiplying the impact fee rate by the number of service units projected for the proposed development. For this purpose, the City utilizes the Land Use/Vehicle-Mile Equivalency Table (LUVMET), presented in Table 23 on page 60. This table lists the predominant land uses that may occur within the City of Celina. For each land use, the development unit that defines the development's magnitude with respect to transportation demand is shown. Although every possible use cannot be anticipated, the majority of uses are found in this table. If the exact use is not listed, one similar in trip-making characteristics can serve as a reasonable proxy. The individual land uses are grouped into categories, such as residential, office, commercial, industrial, and institutional.

The trip rates presented for each land use are a fundamental component of the LUVMET. The trip rate is the average number of trips generated during the afternoon peak hour by each land use per development unit. The next column, if applicable to the land use, presents the number of trips to and from certain land uses reduced by pass-by trips, as previously discussed.

The source of the trip generation and pass-by statistics is ITE's Trip Generation Manual, 11th Edition, the latest edition of the definitive source for trip generation data. This manual utilizes trip generation studies for a variety of land uses throughout the United States, and is the standard used by traffic engineers and transportation planners for traffic impact analysis, site design, and transportation planning.

To convert vehicle trips to vehicle-miles, it is necessary to multiply trips by trip length. The adjusted trip length values are based on the Regional Origin-Destination Travel Survey performed by the NHTS. The other adjustment to trip length is the 50% origin-destination reduction to avoid double counting of trips. At this stage, another important aspect of the state law is applied – the limit on transportation service unit demand. If the adjusted trip length is above the maximum service area trip length, the maximum trip length used for calculation is reduced. This reduction, as discussed previously, limits the maximum trip length to the approximate size of the service areas.

The remaining column in the LUVMET shows the vehicle-miles per development unit. This number is the product of the trip rate and the maximum trip length. This number, previously referred to as the Transportation Demand Factor, is used in the impact fee estimate to compute the number of service units attributed to each land use category. The number of service units is multiplied by the impact fee rate (established by City ordinance) in order to determine the impact fee for a development.

6. SAMPLE CALCULATIONS

The following section details two examples of maximum assessable Roadway Impact Fee calculations.

Example 1:
Development Type - One Unit of Single-Family Housing in Service Area 5

Roadway Impact Fee Calculation Steps – Example 1	
Step 1	Determine Development Unit and Vehicle-Miles Per Development Unit
	From Table 23 [Land Use – Vehicle-mile Equivalency Table] Development Type: 1 Dwelling Unit of Single-Family Detached Housing Number of Development Units: 1 Dwelling Unit Veh-Mi Per Development Unit: 4.60
Step 2	Determine Maximum Assessable Impact Fee Per Service Unit
	From Table 22, Line 14 [Maximum Assessable Fee Per Service Unit] Service Area 5: $3,996
Step 3	Determine Maximum Assessable Impact Fee
	Impact Fee = # of Development Units * Veh-Mi Per Dev Unit * Max. Fee Per Service Unit Impact Fee = 1 * 4.60 * $3,996 Maximum Assessable Impact Fee = $18,382

Example 2:
Development Type – 125,000 square foot Shopping Plaza (40-150k) in Service Area 3

Roadway Impact Fee Calculation Steps – Example 2	
Step 1	Determine Development Unit and Vehicle-Miles Per Development Unit
	From Table 23 [Land Use – Vehicle-mile Equivalency Table] Development Type: 125,000 square feet of Shopping Plaza (40-150k) Development Unit: 1,000 square feet of Gross Floor Area Veh-Mi Per Development Unit: 5.19
Step 2	Determine Maximum Assessable Impact Fee Per Service Unit
	From Table 22, Line 14 [Maximum Assessable Fee Per Service Unit] Service Area 3: $3,697
Step 3	Determine Maximum Assessable Impact Fee
	Impact Fee = # of Development Units * Veh-Mi Per Dev Unit * Max. Fee Per Service Unit Impact Fee = 125 * 5.19 * $3,697 Maximum Assessable Impact Fee = $2,398,429

7. CONCLUSION

The City of Celina has established a process to implement the assessment and collection of Roadway Impact Fees through the adoption of an impact fee ordinance that is consistent with Chapter 395 of the Texas Local Government Code.

This report establishes the maximum allowable Roadway Impact Fee that could be assessed by the City of Celina within each service area. The maximum assessable Roadway Impact Fees calculated in this report are as shown below:

Service Area	1	2	3	4	5	6	7
2024 Maximum Assessable Fee Per Service Unit ($/Veh-mi)	$3,991	$3,363	$3,697	$3,048	$3,996	$1,936	$1,582

This document serves as a guide to the assessment of Roadway Impact Fees pertaining to future development and the City's need for roadway improvements to accommodate that growth. Following the public hearing process, the City Council may establish an amount to be assessed (if any) up to the maximum established within this report and update the Roadway Impact Fee Ordinance accordingly.

In conclusion, it is our opinion that the data and methodology used in this update are appropriate and consistent with Chapter 395 of the Texas Local Government Code. Furthermore, the Land Use Assumptions and the proposed Capital Improvement Plan are appropriately incorporated into the process.

Memorandum

To:	**Honorable Mayor Tubbs and the Celina City Council**
From:	Karla Stovall, Assistant City Manager
CC:	Robert Ranc, City Manager
Intiated by:	Brad Kearney
Date:	January 14, 2025
Re:	Lakes at Mustang Ranch Public Improvement District Phase #8-9 Levy

Action Requested:
The Celina City Council will conduct a public hearing to consider public comment and act upon an Ordinance accepting and approving a final The Lakes at Mustang Ranch Public Improvement District Amended and Restated Service and Assessment Plan, including the Phases #8-9 assessment roll; making a finding of special benefit to property within Phases of #8-9 of The Lakes at Mustang Ranch Public Improvement District; levying special assessments against such property and establishing a lien on such property; providing for the method of assessment and the payment of the assessments levied against Phases #8-9 assessed property, in accordance with Chapter 372 of the Texas Local Government Code, as amended. (Stovall)

Background Information:
This item calls a public hearing to consider the approval of the Service and Assessment Plan (SAP) for the Lakes at Mustang Ranch Public Improvement District (PID) and the levying of assessments on properties within Phase #8-9 of the PID.

The Lakes at Mustang Ranch PID was established on March 10, 2008. It is located in southeast Celina along Custer Road (FM 2478) and near Frontier Parkway. There are 1,701 proposed single family homes in nine phases. The last property assessment for the Lakes at Mustang Ranch PID was approved by City Council on February 14, 2023 for Phase #7.

Phase #8-9 is composed of 277 single family homes. The authorized projects for Phase #8-9 include roadway, water, sewer, drainage, and soft costs. The total estimated project costs are $9,314,659. This is the final phase for the Lakes at Mustang Ranch PID. The PID assessment, average annual installment per unit, and overlapping tax rate for Phase #8-9 are:

Lot Size	Total Direct Assessment per Unit	Average Annual Installment per Unit	Tax Rate Equivalent	Total Overlapping Tax Rate
100 ft	$67,306	$5,454	$0.2848	$2.349331
86 ft	$50,738	$4,111	$0.3012	$2.365731
74 ft	$44,525	$3,608	$0.3597	$2.424231
65 ft	$38,313	$3,104	$0.3285	$2.393031
40 ft	$24,851	$2,014	$0.3609	$2.425431
35 ft	$23,816	$1,930	$0.3711	$2.435631

Approval of this item levies assessments on properties within Phase #8-9 and adopts the SAP. There is an additional item on the January 14, 2025 agenda for City Council to consider the issuance of bonds for Phase #8-9 associated with this assessment.

Legal Review:
This item has been reviewed and approved.

Supporting Documents:
1. Lakes at Mustang Ranch PID Phase 8-9 Levy Presentation
2. Celina Lakes at Mustang Ranch Phases #8-9 2025 - Assessment Ordinance (FINAL w. ATTACHMENTS) (12-31)

Financial Consideration:
This item approves the SAP and levies assessments on property within Phase #8-9 of the Lakes at Mustang Ranch PID to fund public improvements for roads, water, sewer, drainage, and soft costs.

Staff Recommendation:
Staff recommends approval.

ORDINANCE NO. 2025-__

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS ACCEPTING AND APPROVING AN AMENDED AND RESTATED SERVICE AND ASSESSMENT PLAN, INCLUDING A PHASES #8-9 ASSESSMENT ROLL FOR THE LAKES AT MUSTANG RANCH PUBLIC IMPROVEMENT DISTRICT; MAKING A FINDING OF SPECIAL BENEFIT TO THE PROPERTY WITHIN PHASES #8-9 OF THE DISTRICT; LEVYING SPECIAL ASSESSMENTS AGAINST PROPERTY WITHIN PHASES #8-9 OF THE DISTRICT AND ESTABLISHING A LIEN ON SUCH PROPERTY; PROVIDING FOR THE METHOD OF ASSESSMENT AND THE PAYMENT OF THE ASSESSMENTS IN ACCORDANCE WITH CHAPTER 372, TEXAS LOCAL GOVERNMENT CODE, AS AMENDED; PROVIDING PENALTIES AND INTEREST ON DELINQUENT ASSESSMENTS; PROVIDING FOR SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, a petition was submitted and filed with the City Secretary (the "City Secretary") of the City of Celina, Texas (the "City") pursuant to the Public Improvement District Assessment Act, Chapter 372, Texas Local Government Code, as amended (the "PID Act"), requesting the creation of a public improvement district consisting of certain property now located within the corporate limits of the City; and

WHEREAS, the petition contained the signature of the owner of taxable property representing more than fifty percent of the appraised value of taxable real property liable for assessment within the District, as determined by the then current ad valorem tax rolls of the Collin Central Appraisal District, and the signature of the record owner of taxable real property that constitutes more than fifty percent of the area of all taxable property that is liable for assessment by the District; and

WHEREAS, on March 10, 2008, after due notice, the City Council of the City (the "City Council") held a public hearing in the manner required by law on the advisability of the public improvements and services described in the petition as required by Section 372.009 of the PID Act and made the findings required by Section 372.009(b) of the PID Act and, by Resolution No. 2008-06R (the "Authorization Resolution") adopted by a majority of the members of the City Council, authorized and created The Lakes at Mustang Ranch Public Improvement District (the "District") in accordance with its finding as to the advisability of the Authorized Improvements; and

WHEREAS, on March 27, 2008, the City Secretary published notice of its authorization in accordance with provisions of the PID Act; and

WHEREAS, no written protests regarding the creation of the District from any owners of record of property within the District were filed with the City Secretary; and

WHEREAS, on December 10, 2024, the City Council adopted a resolution approving a preliminary amended and restated service and assessment plan, including a proposed assessment roll for Phases #8-9 of the District; calling for a public hearing to consider an ordinance levying assessments on property within Phases #8-9 of the District (the

"Assessments"); authorizing and directing the City Secretary of the City to file the proposed assessment roll for Phases #8-9 of the District (the "Phases #8-9 Assessment Roll") and make such assessment roll available for public inspection; authorizing and directing the publication of notice of a public hearing to consider the levying of the Assessments against the property within Phases #8-9 of the District (the "Levy and Assessment Hearing"); authorizing and directing the mailing of notice of the Levy and Assessment Hearing to owners of property liable for assessment; and directing related action; and

WHEREAS, on December 11, 2024, the City Secretary filed the Phases #8-9 Assessment Roll and made the same available for public inspection; and

WHEREAS, the City Secretary, pursuant to Section 372.016(b) of the PID Act, published notice of the Levy and Assessment Hearing on December __, 2024 in the *Celina Record*, a newspaper of general circulation in the City; and

WHEREAS, the City Secretary, pursuant to Section 372.016(c) of the PID Act, mailed the notice of the Levy and Assessment Hearing to the last known addresses of the owners of the property liable for the Assessments; and

WHEREAS, the City Council opened the Levy and Assessment Hearing on January 14, 2025, and at which all persons who appeared, or requested to appear, in person or by their attorney, were given the opportunity to contend for or contest the proposed Phases #8-9 Assessment Roll, and the proposed Assessments, and to offer testimony pertinent to any issue presented on the amount of the Assessments, the allocation of the Actual Costs of the improvements to be undertaken for the benefit of the Phases #8-9 Assessed Property (as defined in the Service and Assessment Plan) (the "Phases #8-9 Projects"), the purposes of the Assessments, the special benefits of the Phases #8-9 Projects, and the penalties and interest on annual installments and on delinquent annual installments of the Assessments; and

WHEREAS, the City Council finds and determines that the Phases #8-9 Assessment Roll and The Lakes at Mustang Ranch Public Improvement District Amended and Restated Service and Assessment Plan, dated January 14, 2025, in a form substantially similar to the attached ***Exhibit A*** (as updated, the "Service and Assessment Plan"), and which is incorporated herein for all purposes, should be approved and that the Assessments should be levied as provided in this Ordinance and the Service and Assessment Plan and the Phases #8-9 Assessment Roll attached thereto as Appendix N; and

WHEREAS, the City Council further finds that there were no objections or evidence submitted to the City Secretary in opposition to the Service and Assessment Plan, the allocation of the Actual Costs of the Phases #8-9 Projects (as described in the Service and Assessment Plan), the Phases #8-9 Assessment Roll, or the levy of the Assessments against the Phases #8-9 Assessed Property; and

WHEREAS, the owners (the "Landowners"), or their representatives, of the majority of the privately-owned and taxable property located within Phases #8-9 of the District, who are the persons to be assessed pursuant to this Ordinance, have previously indicated their approval and

acceptance of the Service and Assessment Plan, approval of the Phases #8-9 Assessment Roll, approval of this Ordinance, and approval of the levy of the Assessments against their property located within the District; and

WHEREAS, the City Council closed the hearing, and, after considering all written and documentary evidence presented at the hearing, including all written comments and statements filed with the City, determined to proceed with the adoption of this Ordinance in conformity with the requirements of the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CELINA, TEXAS:

Section 1. **Terms**.

Terms not otherwise defined herein are defined in the Service and Assessment Plan.

Section 2. Findings.

The findings and determinations set forth in the preambles hereof are hereby incorporated by reference and made a part of this Ordinance for all purposes as if the same were restated in full in this Section. The City Council hereby finds, determines, and ordains, as follows:

(a) The apportionment of the Actual Costs of the Phases #8-9 Projects (as reflected in the Service and Assessment Plan), and the Administrative Expenses (as defined in and as described by the Service and Assessment Plan) is fair and reasonable, reflects an accurate presentation of the special benefit each assessed parcel of Phases #8-9 Assessed Property will receive from the construction of the Phases #8-9 Projects identified in the Service and Assessment Plan, and is hereby approved;

(b) The Service and Assessment Plan (i) covers a period of at least five years, (ii) defines the annual indebtedness and projected costs for the Phases #8-9 Projects, and (iii) includes a copy of the notice form required by Section 5.014 of the Texas Property Code, as amended. The Service and Assessment Plan has been reviewed and updated annually, including the updated Service and Assessment Plan attached hereto as ***Exhibit A***;

(c) The Service and Assessment Plan apportions the Actual Costs of the Phases #8-9 Projects to be assessed against the Phases #8-9 Assessed Property as Assessments and such apportionment is made on the basis of special benefits accruing to the Phases #8-9 Assessed Property because of the Phases #8-9 Projects;

(d) All of the real property in Phases #8-9 of the District which is being assessed in the amounts shown in the Phases #8-9 Assessment Roll will be benefited by the Phases #8-9 Projects proposed to be constructed as described in the Service and Assessment Plan, and each assessed parcel of Phases #8-9 Assessed Property will receive special benefits during the term of the Assessments equal to or greater than the total amount assessed;

(e) The method of apportionment of the Actual Costs of the Phases #8-9 Projects and Administrative Expenses set forth in the Service and Assessment Plan results in imposing equal shares of the Actual Costs of the Phases #8-9 Projects and Administrative Expenses on property similarly benefited, and results in a reasonable classification and formula for the apportionment of the Actual Costs of the Phases #8-9 Projects;

(f) The Service and Assessment Plan should be approved as the service plan and assessment plan for the District as described in Sections 372.013 and 372.014 of the PID Act;

(g) The Phases #8-9 Assessment Roll should be approved as the assessment roll for the Phases #8-9 Assessed Property within the District;

(h) The provisions of the Service and Assessment Plan relating to due and delinquency dates for the Assessments, interest on Annual Installments, interest and penalties on delinquent Assessments and delinquent Annual Installments, and procedures in connection with the imposition and collection of Assessments should be approved and will expedite collection of the Assessments in a timely manner in order to provide the services and improvements needed and required for Phases #8-9 of the District; and

(i) A written notice of the date, hour, place and subject of this meeting of the City Council was posted at a place convenient to the public for the time required by law preceding this meeting, as required by the Open Meetings Act, Chapter 551, Texas Government Code, as amended, and this meeting has been open to the public as required by law at all times during which this Ordinance and the subject matter hereof has been discussed, considered, and formally acted upon.

Section 3. Service and Assessment Plan.

The Service and Assessment Plan is hereby accepted and approved pursuant to Sections 372.013 and 372.014 of the PID Act as the service plan and the assessment plan for the District.

Section 4. Phases #8-9 Assessment Roll.

The Phases #8-9 Assessment Roll is hereby accepted and approved pursuant to Section 372.016 of the PID Act as the Phases #8-9 Assessment Roll of Phases #8-9 of the District.

Section 5. Levy and Payment of Assessments for Actual Costs of the Phases #8-9 Projects.

(a) The City Council hereby levies an assessment on each parcel of Phases #8-9 Assessed Property (excluding Non-Benefitted Property, as defined in the Service and Assessment Plan), as shown and described in the Service and Assessment Plan and the Phases #8-9 Assessment Roll, in the respective amounts shown on the Phases #8-9 Assessment Roll, as a special assessment on the properties set forth in the Phases #8-9 Assessment Roll.

(b) The levy of the Assessments shall be effective on the date of the adoption of this Ordinance levying the Assessments and strictly in accordance with the terms of the Service and Assessment Plan and the PID Act.

(c) The collection of the Assessments shall be as described in the Service and Assessment Plan and the PID Act.

(d) Each Assessment may be paid in a lump sum at any time or may be paid in Annual Installments pursuant to the terms of the Service and Assessment Plan.

(e) Each Assessment shall bear interest at the rate or rates specified in the Service and Assessment Plan.

(f) Each Annual Installment shall be collected each year in the manner set forth in the Service and Assessment Plan.

(g) The Administrative Expenses for the Assessed Property shall be calculated and collected pursuant to the terms of the Service and Assessment Plan.

Section 6. **Method of Assessment**.

The method of apportioning the Actual Costs of the Phases #8-9 Projects and Administrative Expenses is set forth in the Service and Assessment Plan.

Section 7. **Penalties and Interest on Delinquent Assessments.**

Delinquent Assessments shall be subject to the penalties, interest, procedures, and foreclosure sales set forth in the Service and Assessment Plan and as allowed by law.

Section 8. **Prepayments of Assessments**.

As provided in Section VI of the Service and Assessment Plan, the owner of any Phases #8-9 Assessed Property subject to an Assessment may prepay the Assessments levied by this Ordinance.

Section 9. **Lien Priority**.

The City Council and the Landowners intend for the obligations, covenants and burdens on the Landowners of each parcel of Phases #8-9 Assessed Property, including without limitation such Landowners' obligations related to payment of the Assessments and the Annual Installments thereof, to constitute covenants that shall run with the land. The Assessments and the Annual Installments thereof which are levied hereby shall be binding upon the Landowners, as the owners of each parcel of Phases #8-9 Assessed Property, and their respective transferees, legal representatives, heirs, devisees, successors and assigns in the same manner and for the same period as such parties would be personally liable for the payment of ad valorem taxes under applicable law. Assessments shall have lien priority as specified in the Service and Assessment Plan and the PID Act.

Section 10. **Appointment of Administrator and Collector of Assessments**.

(a) Appointment of Administrator.

MuniCap, Inc., is hereby appointed and designated to initially serve, or until otherwise determined by the City Council, as the Administrator of the Service and Assessment Plan and of the Assessments levied by this Ordinance. The Administrator shall perform the duties of the Administrator described in the Service and Assessment Plan and in this Ordinance. The Administrator's fees, charges and expenses for providing such service shall constitute an Administrative Expense.

(b) Appointment of Collector.

The Tax Assessor/Collector of Collin County is hereby appointed and designated as the collector of the Assessments.

Section 11. **Applicability of Tax Code.**

To the extent not inconsistent with this Ordinance, and not inconsistent with the PID Act or the other laws governing public improvement districts, the provisions of the Texas Tax Code shall be applicable to the imposition and collection of the Assessments by the City.

Section 12. **Filing in Land Records**. The City Secretary is directed to cause a copy of this Ordinance, including the Service and Assessment Plan and the Phases #8-9 Assessment Roll, to be recorded in the real property records of Collin County, not later than the seventh day after the date the City Council adopts this Ordinance approving the Service and Assessment Plan. The City Secretary is further directed to similarly file each Annual Service Plan Update (as defined in the Service and Assessment Plan) approved by the City Council not later than the seventh day after the date that the City Council approves each Annual Service Plan Update.

Section 13. Severability.

If any provision, section, subsection, sentence, clause, or phrase of this Ordinance, or the application of the same to any person or set of circumstances is for any reason held to be unconstitutional, void, or invalid, the validity of the remaining portions of this Ordinance or the application to other persons or sets of circumstances shall not be affected thereby, it being the intent of the City Council that no portion hereof, or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness, or invalidity or any other portion hereof, and all provisions of this ordinance are declared to be severable for that purpose.

Section 14. Effective Date.

This Ordinance shall take effect, and the levy of the Assessments, and the provisions and terms of the Service and Assessment Plan shall be and become effective upon passage hereof.

PASSED AND ADOPTED, this the 14th day of January, 2025.

RECITALS

WHEREAS, a petition was submitted by the petitioners and filed with the City Secretary of the City (the "City Secretary") pursuant to the Public Improvement District Assessment Act, Texas Local Government Code, Chapter 372, as amended (the "PID Act"), requesting the creation of a public improvement district then located in the extraterritorial jurisdiction of the City to be known as The Lakes at Mustang Ranch Public Improvement District (the "PID"); and

WHEREAS, the petition contained the signatures of the owners of taxable property representing more than fifty percent of the appraised value of taxable real property liable for assessment within the District, as determined by the then current ad valorem tax rolls of the Collin Central Appraisal District ("CCAD"), and the signatures of property owners who own taxable real property that constitutes more than fifty percent of the area of all taxable property that is liable for assessment by the PID; and

WHEREAS, on February 11, 2008, after due notice, the City Council of the City (the "City Council") held the public hearing in the manner required by law on the advisability of the improvement projects and services described in the petition as required by Section 372.009 of the PID Act and on March 10, 2008, the City Council made the findings required by Section 372.009(b) of the PID Act and, by Resolution No. 2008-06R, adopted by a majority of the members of the City Council, authorized the District in accordance with its finding as to the advisability of the improvement projects and services and also made findings and determinations relating to the Actual Costs of certain Authorized Improvements; and

WHEREAS, on March 27, 2008, the City published notice of its authorization of the PID in the McKinney Courier-Gazette and the Celina Record, newspapers of general circulation in Collin County, the City and the extraterritorial jurisdiction of the City, respectively; and

WHEREAS, no written protests of the PID from any owners of record of property within the PID were filed with the City Secretary within 20 days after March 27, 2008; and

WHEREAS, on November 18, 2014, the City Council by Resolution 2014-60R (i) approved a preliminary service and assessment plan prepared in accordance with Sections 372.13 and 372.14 of the PID Act that determined the costs of certain authorized improvements for the benefit of "Phase #1" and "Phases #2-9" of the PID, including proposed assessment rolls, as required by Section 372.016(a) of the PID Act; (ii) directed the City Secretary to file said proposed assessment rolls and to make both available for public inspection as required by Section 372.016(b); (iii) called a special meeting and public hearing for December 9, 2014, for the purpose of hearing and passing on any objections to the proposed assessments shown on the proposed Phase #1 Assessment Roll and Phases #2-9 Major Improvement Area Assessment Roll; and (iv) directed the City Secretary to publish and mail notice of such December 9, 2014 public hearing as required by Section 372.016(b) of the PID Act; and

WHEREAS, after publishing and mailing notice as require by the PID Act, the City Council convened the hearing on December 9, 2014 and then the City Council recessed such public hearing until January 13, 2015; and

WHEREAS, on January 13, 2015, the City Council reconvened the public hearing first opened on December 9, 2014, and, after considering all written and documentary evidence presented at the hearing, including all written comments and statements filed with the City, the City approved Ordinance No. 2015-02 (the "Phase #1 Assessment Ordinance") which approved and accepted the Service and Assessment Plan dated January 13, 2015 (the "Original Service and Assessment Plan") in conformity with the requirements of the PID Act, and levied the Assessments on Phase #1, as provided in the Service and Assessment Plan and the Phase #1 Assessment Roll and approved Ordinance No. 2015-03 (the "Phases #2-9 Assessment Ordinance") which approved and accepted the Original Service and Assessment Plan in conformity with the requirements of the PID Act, and levied the Assessments on Phases #2-9, as provided in the Original Service and Assessment Plan and the Phases #2-9 Major Improvement Area Assessment Roll; and

WHEREAS, the City levied Assessments on Phase #1 on the Phase #1 Assessed Property for the Phase #1 Improvements (as defined in the Original Service and Assessment Plan) and levied Assessments on the Phases #2-9 of the Phases #2-9 Major Improvement Area Assessed Property for the major improvements allocable to Phases #2-9 Major Improvement Area of the PID (the "Phases #2-9 Major Improvement Area Initial Projects") described in Section III of the Original Service and Assessment Plan, constructed and installed in accordance with the Original Service and Assessment Plan, as amended or updated from time to time; and

WHEREAS, the Assessments on Phase #1 and the Assessments on Phases #2-9 each included a "City Improvement Portion" related to certain water and sewer major improvements as described in Section III of the Original Service and Assessment Plan (the "2015 CCMI Assessment"); and

WHEREAS, the City Council has previously issued the City of Celina, Texas Special Assessment Revenue Bonds, Series 2015 (The Lakes at Mustang Ranch Public Improvement District Phase #1 Project) (the "Phase #1 Bonds"), which are secured by the Assessments on Phase #1 (excluding the portion of the 2015 CCMI Assessment allocable to Phase #1) which were levied against the assessable property located within the first construction phase of the District ("Phase #1"); and

WHEREAS, the City Council has previously issued the City of Celina, Texas Special Assessment Revenue Bonds, Series 2015 (The Lakes at Mustang Ranch Public Improvement District Phases #2-9 Major Improvement Project) (the "Phases #2-9 Major Improvement Area Bonds", and together with the Phase #1 Bonds, the "2015 PID Bonds"), which are secured by the Assessments on the Phases #2-9 (excluding the portion of 2015 CCMI Assessment allocable to Phases #2-9 Major Improvement Area) which were levied against the assessable property outside of Phase #1 of the District ("Phases #2-9 Major Improvement Area"); and

WHEREAS, in connection with the 2015 PID Bonds, the City Council approved Resolution No. 2015-01R on January 13, 2015, authorizing that certain "*Reimbursement*

Agreement – The Lakes at Mustang Ranch Public Improvement District", effective January 13, 2015, by and between the Developer and the City in which the Developer agrees to fund the costs of Authorized Improvements that specially benefit the assessable property within the PID and the City agrees to reimburse the Developer for a portion of such costs funded by the Developer with interest as permitted by Section 372.023(d)(1) of the Act; and

WHEREAS, on December 13, 2016, the City Council adopted Ordinance No. 2016-84, recorded as Document No. 2022022500314270 in the real property records of the County on February 25, 2022, that approved an update to the Original Service and Assessment Plan and levied assessments on Phase #2 for the Phase #2 Improvements; and

WHEREAS, on December 10, 2019, the City Council adopted Ordinance No. 2019-51, recorded as Document No. 20200102000005770 in the real property records of the County on January 2, 2020, that approved an update to the Original Service and Assessment Plan, as previously updated, and levied assessments on Phase #3 for the Phase #3 Improvements; and

WHEREAS, on July 14, 2020, the City Council adopted Ordinance No. 2020-50, recorded as Document No. 20200716001107540 in the real property records of the County on July 16, 2020, that approved an update to the Original Service and Assessment Plan, as previously updated, and levied assessments on Phase #4 for the Phase #4 Improvements; and

WHEREAS, Chapter 1207, Texas Government Code, as amended, and the PID Act, provide that the City is authorized to issue refunding bonds for the purpose of refunding a series of Bonds and restructuring the City's debt service requirements, and to accomplish such refunding by depositing directly with the trustee under the indenture of trust related to the refunded bonds, the proceeds of such refunding bonds, together with other available finds, in an amount sufficient to provide for the payment or redemption of such refunded bonds, and that such deposit shall constitute the making of firm banking and financial arrangements for the discharge and final payment or redemption of the Refunded Bonds; and

WHEREAS, the City Council has previously issued revenue bonds, in accordance with the PID Act and Chapter 1207, Texas Government Code, as amended, to refund the Phase #1 Bonds, such bonds are entitled "City of Celina, Texas, Special Assessment Revenue Refunding Bonds, Series 2020 (The Lakes at Mustang Ranch Public Improvement District Phase #1 Project)" (the "Phase #1 Refunding Bonds"), such Phase #1 Refunding Bonds are payable solely from the Phase #1 Assessment Revenue and other funds pledged under the Indenture related to the Phase #1 Refunding Bonds to the payment of the Phase #1 Refunding Bonds and for the purposes set forth in the Indenture related to the Phase #1 Refunding Bonds; and

WHEREAS, in connection with the Phase #1 Refunding Bonds, the City Council approved an amendment and restatement to the Original Service and Assessment Plan, as it had been previously updated (the "2020 Amended and Restated Service and Assessment Plan"), and pursuant to direction from the Administrator that the conditions required for completely reducing the 2015 CCMI Assessments, the City has formally released the 2015 CCMI Assessment portion of the Phase #1 Assessment and the Phases #2-9 Assessment; and

WHEREAS, on June 8, 2021, the City Council adopted Ordinance No. 2021-48, recorded as Document No. 20211221002567660 in the real property records of the County on December 21, 2021, that approved an update to the 2020 Amended and Restated Service and Assessment Plan (the "2021 Amended and Restated Service and Assessment Plan") and levied Assessments on Phase #5 for the Phase #5 Improvements; and

WHEREAS, on June 14, 2022, the City Council adopted Ordinance No. 2022-68, recorded as Document No. 2022000095835 in the real property records of the County on June 17, 2022 and re-recorded as Document No. 2022000098447 in the real property records of the County on June 23, 2022, that approved an update to the 2021 Amended and Restated Service and Assessment Plan (the "2022 Amended and Restated Service and Assessment Plan"), as previously updated, and levied Assessments on Phase #6 for the Phase #6 Projects; and

WHEREAS, on February 14, 2023 the City Council adopted Ordinance No. 2023-12, recorded as Document No. 2023000015419 in the real property records of the County on February 16, 2023, that approved an update to the 2022 Amended and Restated Service and Assessment Plan (the "2023 Amended and Restated Service and Assessment Plan"), as previously updated, and levied Assessments on Phase #7 for the Phase #7 Projects; and

WHEREAS, the City is authorizing the (i) issuance of the Phases #2-9 Refunding and Improvement Bonds to refund the Phases #2-9 Major Improvement Area Bonds, and to acquire a portion of the Phases #2-9 Major Improvement Area Initial Projects secured under the Reimbursement Agreement and to acquire the Phase #2 Improvements, the Phase #3 Improvements, the Phase #4 Improvements, the Phase #5 Improvements, the Phase #6 Projects, and the Phase #7 Projects secured under the Reimbursement Agreement; and (ii) the levy of Assessments on benefitted property within Phases #8-9 and the issuance of the Phases #8-9 Improvement Bonds to acquire a portion of the Phases #8-9 Projects on January 14, 2025; and

NOW, THEREFORE, the 2023 Amended and Restated Service and Assessment Plan, as previously updated, is further updated for the issuance of the Phases #2-9 Refunding and Improvement Bonds, the levy of Assessments on benefitted property within Phases #8-9, and the issuance of the Phases #8-9 Improvement Bonds (as updated, the "Service and Assessment Plan") as follows:

I. PLAN DESCRIPTION AND DEFINED TERMS

A. INTRODUCTION

On March 10, 2008 the City Council of the City of Celina, Texas passed Resolution No. 2008-06R approving and authorizing the creation of The Lakes at Mustang Ranch Public Improvement District (the "PID") to finance the costs of certain public improvements for the benefit of property in the PID, all of which is located within the City, with authorization that became effective following the publication of such resolution on March 27, 2008.

The property in the PID is proposed to be developed in approximately nine phases, and the Assessments are levied against property within each phase or phases to finance public improvements for each phase as each phase is developed. Assessments have been and are being imposed on all property in the PID for the public improvements that benefit the entire PID and on the property in each phase for the public improvements to be provided for that phase. Additionally, certain improvements that benefit the entire PID and certain improvements that benefit property within each phase will be paid for by the Developer without reimbursement.

Chapter 372 of the Texas Local Government Code, the "Public Improvement District Assessment Act" (as amended, the "PID Act"), governs the creation and operation of public improvement districts within the State of Texas. The Service and Assessment Plan has been prepared in accordance with the PID Act and specifically Sections 372.013, 372.014, 372.015 and 372.016, which address the requirements of a service and assessment plan and the assessment roll. According to Section 372.013 of the PID Act, a service plan "must (i) cover a period of at least five years; (ii) define the annual indebtedness and the projected costs for improvements; and (iii) include a copy of the notice form required by Section 5.014, Property Code." The service plan is described in Section IV of this Service and Assessment Plan. The copy of the notice form required by Section 5.014 of the Texas Property Code, as amended, is attached hereto as Appendix D.

Section 372.014 of the PID Act requires that "an assessment plan must be included in the annual service plan." The assessment plan is described in Section V of this Service and Assessment Plan.

Section 372.015 of the PID Act requires that "the governing body of the municipality or county shall apportion the cost of an improvement to be assessed against property in an improvement district." The method of assessing the costs of the Authorized Improvements and apportionment of such costs to the property in the PID is included in Section V of this Service and Assessment Plan.

Section 372.016 of the PID Act requires that "after the total cost of an improvement is determined, the governing body of the municipality or county shall prepare a proposed assessment roll. The roll must state the assessment against each parcel of land in the district, as determined by the method of assessment chosen by the municipality or county under this subchapter". The Assessment Rolls for the PID are included as Appendix F, Appendix G, Appendix H, Appendix I, Appendix J, Appendix K, Appendix L, Appendix M, and Appendix N of this Service and Assessment Plan. The Assessments, as shown on each applicable Assessment Roll are based on

the method of assessment and apportionment of costs described in Section V of this Service and Assessment Plan.

B. DEFINITIONS

Capitalized terms used herein shall have the meanings ascribed to them as follows:

"Actual Cost(s)" means, with respect to an Authorized Improvement, the demonstrated, reasonable, allocable, and allowable costs of constructing such Authorized Improvement, as specified in a Certification for Payment that has been reviewed and approved by the City. Actual Cost may include (a) the costs for the design, planning, financing, administration, management, acquisition, installation, construction and/or implementation of such Authorized Improvement, including general contractor construction management fees, if any, (b) the costs of preparing the construction plans for such Authorized Improvement, (c) the fees paid for obtaining permits, licenses or other governmental approvals for such Authorized Improvement, (d) the costs for external professional costs associated with such Authorized Improvement, such as engineering, geotechnical, surveying, land planning, architectural landscapers, advertising, marketing and research studies, appraisals, legal, accounting and similar professional services, and property taxes (e) the costs of all labor, bonds and materials, including equipment and fixtures, incurred by contractors, builders and material men in connection with the acquisition, construction or implementation of the Authorized Improvements, (f) all related permitting, zoning and public approval expenses, architectural, engineering, legal, and consulting fees, financing charges, taxes, governmental fees and charges (including inspection fees, City permit fees, development fees), insurance premiums, and miscellaneous expenses.

Actual Costs may include general contractor's fees in an amount up to a percentage equal to the percentage of work completed and accepted by the City or construction management fees in an amount up to five percent of the eligible Actual Costs described in a Certification for Payment. The amounts expended on legal costs, taxes, governmental fees, insurance premiums, permits, financing costs, and appraisals shall be excluded from the base upon which the general contractor and construction management fees are calculated.

"Additional Interest Component" means the amount collected by application of the Additional Interest Rate.

"Additional Interest Rate" means the up to 0.50% additional interest rate charged on the Assessments (if applicable) pursuant to Section 372.018 of the PID Act.

"Additional Interest Reserve" means, with respect to the Bonds, a reserve account to be funded from Additional Interest Component collected each year as more fully described in Section V.H of this Service and Assessment Plan.

"Additional Major Improvements" mean the Authorized Improvements which benefit all Assessed Property within the PID, which were not part of the Initial Major Improvements, and which are described in Section III.C. Assessments have been or are being levied against property within Phase #6, Phase #7 and Phases #8-9 only to pay for the Actual Costs of the Additional Major Improvements allocable to Phase #6, Phase #7 and Phases #8-9, respectively. The Actual

Costs of the Additional Major Improvements allocable to Phase #1, Phase #2, Phase #3, Phase #4, and Phase #5 will be paid by the Developer without reimbursement.

"Administrative Expenses" mean the administrative, organization, maintenance and operation costs associated with, or incidental to, the administration, organization, maintenance and operation of the PID, including, but not limited to, the costs of: (i) creating and organizing the PID, including conducting hearings, preparing notices and petitions, and all costs incident thereto, including engineering fees, legal fees and consultant fees, (ii) the annual administrative, organization, maintenance, and operation costs and expenses associated with, or incident and allocable to, the administration, organization, maintenance, and operation of the PID and the Authorized Improvements, (iii) computing, levying, billing and collecting Assessments or the Annual Installments thereof, (iv) maintaining the record of installments of the Assessments and the system of registration and transfer of the Bonds, (v) issuing, paying and redeeming the Bonds, (vi) investing or depositing of monies, (vii) complying with the PID Act and other laws applicable to the Bonds, (viii) the Trustee's reasonable fees and expenses relating to the Bonds, (ix) legal counsel, engineers, accountants, financial advisors, investment bankers or other consultants and advisors, and (x) administering the construction of the Authorized Improvements. Administrative Expenses do not include payment of the actual principal of, redemption premium, if any, and interest on the Bonds or any costs of issuance associated with the Bonds. Administrative Expenses collected and not expended for actual Administrative Expenses shall be carried forward and applied to reduce Administrative Expenses in subsequent years to avoid the over-collection of amounts to pay Administrative Expenses.

"Administrator" means the employee or designee of the City, identified in any Trust Indenture relating to the Bonds or in any other agreement approved by the City Council, who shall have the responsibilities provided for herein.

"Annual Installment" means, with respect to each Parcel, each annual payment of: (i) the Assessments, including interest, as shown on the Assessment Rolls attached hereto as Appendix F, Appendix G, Appendix H, Appendix I, Appendix J, Appendix K, Appendix L, Appendix M, and Appendix N as applicable, or in an Annual Service Plan Update, and calculated as provided in Section VI of this Service and Assessment Plan, (ii) the amount collected as a part of an Annual Installment related to a series of Bonds, as the Additional Interest Component for the Additional Interest Reserve described in Section V of this Service and Assessment Plan; and (iii) the Administrative Expenses.

"Annual Service Plan Update" has the meaning set forth in the second paragraph of Section IV of this Service and Assessment Plan.

"Assessed Property" means the property that benefits from the Authorized Improvements to be provided by the PID on which Assessments have been imposed as shown in the applicable Assessment Roll, as the Assessment Roll is updated each year by the Annual Service Plan Update. Assessed Property includes Parcels within the PID other than Non-Benefited Property.

"Assessment" means an assessment levied against a Parcel imposed pursuant to an Assessment Ordinance and the provisions herein, as shown on any Assessment Roll, subject to reallocation

upon the subdivision of such Parcel or reduction according to the provisions herein and the PID Act.

"Assessment Ordinance" means each Assessment Ordinance adopted by the City Council approving the Service and Assessment Plan (including amendments or supplements to the Service and Assessment Plan) and levying the Assessments against the respective Assessed Property.

"Assessment Revenues" mean the revenues actually received by or on behalf of the City from the collection of Assessments.

"Assessment Roll" means, as applicable, the Phases #2-9 Major Improvement Area Assessment Roll, the Phase #1 Assessment Roll, the Phase #2 Assessment Roll, the Phase #3 Assessment Roll, the Phase #4 Assessment Roll, the Phase #5 Assessment Roll, the Phase #6 Assessment Roll, the Phase #7 Assessment Roll, or the Phases #8-9 Assessment Roll, or any other Assessment Roll in an amendment or supplement to this Service and Assessment Plan or in an Annual Service Plan Update.

"Authorized Improvements" mean those public improvements described in Appendix B of this Service and Assessment Plan and Section 372.003 of the PID Act, constructed and installed in accordance with this Service and Assessment Plan, and any future updates and/or amendments.

"Bonds" mean any bonds issued by the City in one or more series and secured in whole or in part by the Assessment Revenues.

"Budgeted Cost(s)" means the amounts budgeted to construct the Authorized Improvements as used in the preparation of this Service and Assessment Plan.

"Certification for Payment" means the certificate to be provided by the Developer, or his designee, to substantiate the Actual Cost of one or more Authorized Improvements.

"City" means the City of Celina, Texas.

"City Council" means the duly elected governing body of the City.

"Consolidated Summary of Assessments for Phases #2-7 Projects" means the document included in this Service and Assessment Plan as Exhibit 1, which restates the assessments expected to be collected from the Phases #2-7 Assessed Property, and which relate to Phases #2-7 Projects, as updated, modified or amended from time to time in accordance with the procedures set forth herein and in the PID Act, including updates prepared in connection with the issuance of Bonds or in connection with any Annual Service Plan Update.

"Consolidated Summary of Assessments for Phases #2-9 Major Improvement Area Initial Projects and Phases #2-7 Projects" means the document included in this Service and Assessment Plan as Exhibit 2, which restates the assessments expected to be collected from the Phases #2-9 Major Improvement Area Assessed Property and from the Phases #2-7 Assessed Property, which relate to the Phases #2-9 Major Improvement Area Initial Projects and the Phases #2-7 Projects combined, and which secures the Phases #2-9 Refunding and Improvement Bonds,

as updated, modified or amended from time to time in accordance with the procedures set forth herein and in the PID Act, including updates prepared in connection with the issuance of Bonds or in connection with any Annual Service Plan Update.

III. DESCRIPTION OF THE AUTHORIZED IMPROVEMENTS

A. AUTHORIZED IMPROVEMENT OVERVIEW

Section 372.003 of the PID Act defines the improvements that may be undertaken by a municipality or county through the establishment of a public improvement district, as follows:

372.003. Authorized Improvements

(a) If the governing body of a municipality or county finds that it promotes the interests of the municipality or county, the governing body may undertake an improvement project that confers a special benefit on a definable part of the municipality or county or the municipality's extraterritorial jurisdiction. A project may be undertaken in the municipality or county or the municipality's extraterritorial jurisdiction.

(b) A public improvement may include:

(i) landscaping;

(ii) erection of fountains, distinctive lighting, and signs;

(iii) acquiring, constructing, improving, widening, narrowing, closing, or rerouting of sidewalks or streets, any other roadways, or their rights-of-way;

(iv) construction or improvement of pedestrian malls;

(v) acquisition and installation of pieces of art;

(vi) acquisition, construction, or improvement of libraries;

(vii) acquisition, construction, or improvement of off-street parking facilities;

(viii) acquisition, construction, improvement, or rerouting of mass transportation facilities;

(ix) acquisition, construction, or improvement of water, wastewater, or drainage facilities or improvements;

(x) the establishment or improvement of parks;

(xi) projects similar to those listed in Subdivisions (i)-(x);

(xii) acquisition, by purchase or otherwise, of real property in connection with an authorized improvement;

(xiii) special supplemental services for improvement and promotion of the district, including services relating to advertising, promotion, health and sanitation, water and wastewater, public safety, security, business recruitment, development, recreation, and cultural enhancement;

(xiv) payment of expenses incurred in the establishment, administration and operation of the district; and

(xv) the development, rehabilitation, or expansion of affordable housing

After analyzing the public improvement projects authorized by the PID Act, the City has determined that the Authorized Improvements as described in Appendix B and shown on the diagrams included as Appendix C should be undertaken by the City for the benefit of the property within the PID.

B. DESCRIPTIONS AND COSTS OF INITIAL MAJOR IMPROVEMENTS

The Initial Major Improvements benefit the entire PID. The Actual Costs of the Initial Major Improvements are allocated proportionally throughout the entire PID, excluding Non-Benefited Property, in a manner that anticipates planned development of the PID based on the anticipated number of Equivalent Units.

The Initial Major Improvements descriptions are presented below as provided by the project engineer. The Actual Costs of the Initial Major Improvements are shown in Table III-A.

Roadway Improvements:

The roadway portion of the Initial Major Improvements includes clearing, grubbing, excavation of streets and right of ways, construction of lime treated subgrade and reinforced concrete street pavements, deceleration lanes, turn lanes, sidewalks and retaining walls. The roadway improvements include an allocable share of perimeter road improvements. The roadway improvements have been constructed according to City standards.

Water Improvements:

The water distribution system portion of the Initial Major Improvements includes water mains of various diameters, generally, 8-12 inches, that are generally polyvinyl chloride (PVC) pipe, matching gate valves and boxes, fire hydrants, tapping sleeves, service lines, and other water line appurtenances. The water distribution system improvements have been constructed according to City standards.

Sanitary Sewer Improvements:

The sanitary sewer collection system portion of the Initial Major Improvements includes sanitary sewer mains of various diameters, which are PVC pipe, manholes, service lines, clean-outs, and other sewer main appurtenances. The sanitary sewer collection system improvements have been constructed according to City standards.

Storm Drainage Improvements:

The storm drainage collection system portion of the Initial Major Improvements includes pre-development erosion control, silt fences, rock check dams, sedimentation basins, and drainage structures, various size reinforced concrete pipes, curb inlets, pre-cast headwalls, detention structures and trench safety. The storm drainage collection system improvements have been constructed according to City standards.

Total Authorized Improvements	**$15,132,671**	**$2,902,107**	**$13,578,272**

[1]Allocation of Initial Major Improvements are based on the methodologies described in Section V.C and shown in Table V-A.

C. DESCRIPTIONS AND COSTS OF ADDITIONAL MAJOR IMPROVEMENTS

The Additional Major Improvements benefit the entire PID. The Budgeted Costs of the Additional Major Improvements are allocated proportionally throughout the entire PID, excluding Non-Benefited Property, in a manner that anticipates planned development of the PID based on the anticipated number of Equivalent Units. Assessments have been levied against property within Phase #6 and Phase #7 and are being levied against property within Phases #8-9 to pay for the Actual Costs of the Additional Major Improvements allocable to Phase #6, Phase #7, and Phases #8-9, respectively. The Actual Costs of the Additional Major Improvements allocable to Phase #1, Phase #2, Phase #3, Phase #4, and Phase #5 will be paid by the Developer without reimbursement.

The Additional Major Improvements descriptions are presented below as provided by the project engineer. The Budgeted Costs of the Additional Major Improvements are shown in Table III-B.

Roadway Improvements:

The roadway portion of the Additional Major Improvements includes clearing, grubbing, excavation of streets and right of ways, construction of lime treated subgrade and reinforced concrete street pavements, deceleration lanes, turn lanes, sidewalks, street lights and appurtenances thereto. The roadway improvements include an allocable share of perimeter road improvements. The roadway improvements will be constructed according to City standards.

Water Improvements:

The water distribution system portion of the Additional Major Improvements includes water mains of various diameters, generally, 8-12 inches, that are generally polyvinyl chloride (PVC) pipe, matching gate valves and boxes, fire hydrants, tapping sleeves, service lines, and other water line appurtenances. The water distribution system improvements will be constructed according to City standards.

Sanitary Sewer Improvements:

The sanitary sewer collection system portion of the Additional Major Improvements includes sanitary sewer mains of various diameters, which are PVC pipe, manholes, service lines, clean-outs, and other sewer main appurtenances. The sanitary sewer collection system improvements will be constructed according to City standards.

Storm Drainage Improvements:

The storm drainage collection system portion of the Additional Major Improvements includes pre-development erosion control, excavation of detention facilities, retaining walls, silt fences, rock check dams, sedimentation basins and drainage structures, various size reinforced concrete pipes, curb inlets, pre-cast headwalls, detention structures and trench safety. The storm drainage collection system improvements will be constructed according to City standards.

[3]Additional Major Improvements allocated to Phase #2, Phase #3, Phase #4, and Phase #5 were paid for by the Developer without reimbursement.

D. DESCRIPTION AND COSTS OF PHASE #1 IMPROVEMENTS

The Phase #1 Improvements descriptions are presented below as provided by the project engineer. The Actual Costs of the Phase #1 Initial Projects and the Actual Costs of the Phase #1 Additional Projects are shown in Table III-D.

Roadway Improvements:

The roadway portion of the Phase #1 Improvements includes clearing, grubbing, excavation of streets and right of ways, construction entrance, lime treated subgrade and reinforced concrete street pavements, removal of existing curbs, sidewalks, retaining walls, signage and traffic control devises. The Phase #1 roadway improvements include an allocable share of perimeter road improvements. The Phase #1 roadway improvements have been constructed according to City standards.

Water Improvements:

The water distribution system portion of the Phase #1 Improvements includes PVC waterlines, various gate valves and boxes, fire hydrants, and tapping sleeves. The Phase #1 water distribution system improvements have been constructed according to City standards.

Sanitary Sewer Improvements:

The sanitary sewer collection system portion of the Phase #1 Improvements includes PVC pipes, manholes, service lines, PSI concrete encasements, and trench safety. The Phase #1 sanitary sewer collection system improvements have been constructed according to City standards.

Storm Drainage Improvements:

The storm drainage collection system portion of the Phase #1 Improvements includes pre and post development erosion control, silt fences, rock check dams, sedimentation basins and drainage structures, various size R.C.B.s, curb inlets, pre-cast headwalls, detention structures and trench safety. The Phase #1 storm drainage collection system improvements have been constructed according to City standards.

[2]See Table III-B. Additional Major Improvements allocated to Phase #1 were paid for by the Developer without reimbursement.

E. DESCRIPTIONS AND COSTS OF PHASE #2 IMPROVEMENTS

The Phase #2 Improvements descriptions are presented below as provided by the project engineer. The Actual Costs of the Phase #2 Initial Projects and the Actual Costs of the Phase #2 Additional Projects are shown in Table III-E.

Roadway Improvements:

The roadway portion of the Phase #2 Improvements includes clearing, grubbing, excavation of streets and right of ways, construction entrance, lime treated subgrade and reinforced concrete street pavements, ramps, sidewalks, signage and traffic control devises. The Phase #2 roadway improvements have been constructed according to City standards.

Water Improvements:

The water distribution system portion of the Phase #2 Improvements include PVC waterlines, various sized gate valves and boxes, fire hydrants, and miscellaneous fittings. The Phase #2 water distribution system improvements have been constructed according to City standards.

(remainder of this page is intentionally left blank)

Sanitary Sewer Improvements:

The sanitary sewer collection system portion of the Phase #2 Improvements includes PVC pipes, manholes, service lines, PSI concrete encasements, and trench safety. The Phase #2 sanitary sewer collection system improvements have been constructed according to City standards.

Storm Drainage Improvements:

The storm drainage collection system portion of the Phase #2 Improvements includes pre and post development erosion control, silt fences, rock check dams, sedimentation basins and drainage structures, various size R.C.B.s, curb inlets, pre-cast headwalls, detention structures and trench safety. The Phase #2 storm drainage collection system improvements have been constructed according to City standards.

[1]Costs of the Phase #2 Improvements were paid by the Developer, and a portion of such costs have been reimbursed to the Developer from the Phase #2 Assessment Revenues under the terms of the Reimbursement Agreement. A portion of the remaining costs will be reimbursed to the Developer solely from the proceeds of the Phases #2-9 Refunding and Improvement Bonds secured in part by Phase #2 Assessment Revenues issued by the City.

[2]Allocation of Initial Major Improvements costs are based on the methodologies described in Section V.C. Costs of Phase #2's proportional share of Initial Major Improvements were paid solely from: (i) the proceeds of the Phases #2-9 Major Improvement Area Bonds, (ii) the proceeds of the Phases #2-9 Refunding and Improvement Bonds, or (iii) from Developer funds without reimbursement.

[3]Allocation of Additional Major Improvements costs are based on the methodologies described in Section V.D. Costs of Phase #2's proportional share of Additional Major Improvements were paid solely by the Developer without reimbursement.

F. Descriptions and Costs of Phase #3 Improvements

The Phase #3 Improvements descriptions are presented below as provided by the project engineer. The Actual Costs of the Phase #3 Initial Projects and the Actual Costs of the Phase #3 Additional Projects are shown in Table III-F.

Roadway Improvements:

The roadway portion of the Phase #3 Improvements includes clearing, grubbing, excavation of streets and right of ways, construction entrance, lime treated subgrade and reinforced concrete

street pavements, ramps, sidewalks, signage and traffic control devises. The Phase #3 roadway improvements have been constructed according to City standards.

Water Improvements:

The water distribution system portion of the Phase #3 Improvements include PVC waterlines, various sized gate valves and boxes, fire hydrants, and miscellaneous fittings. The Phase #3 water distribution system improvements have been constructed according to City standards.

Sanitary Sewer Improvements:

The sanitary sewer collection system portion of the Phase #3 Improvements includes various sizes of PVC pipes, manholes, service lines, PSI concrete encasements, and trench safety. The Phase #3 sanitary sewer collection system improvements have been constructed according to City standards.

Storm Drainage Improvements:

The storm drainage collection system portion of the Phase #3 Improvements includes pre and post development erosion control, silt fences, rock check dams, sedimentation basins and drainage structures, various size R.C.B.s, curb inlets, headwalls, detention structures and trench safety. The Phase #3 storm drainage collection system improvements have been constructed according to City standards.

[1]Costs of the Phase #3 Improvements were paid by the Developer, and a portion of such costs have been reimbursed to the Developer from the Phase #3 Assessment Revenues under the terms of the Reimbursement Agreement. A portion of the remaining costs will be reimbursed to the Developer solely from the proceeds of the Phases #2-9 Refunding and Improvement Bonds secured in part by Phase #3 Assessment Revenues issued by the City.

[2]Allocation of Initial Major Improvements costs are based on the methodologies described in Section V.C. Costs of Phase #3's proportional share of Initial Major Improvements were paid solely from: (i) the proceeds of the Phases #2-9 Major Improvement Area Bonds, (ii) the proceeds of the Phases #2-9 Refunding and Improvement Bonds, or (iii) from Developer funds without reimbursement.

[3]Allocation of Additional Major Improvements costs are based on the methodologies described in Section V.D. Costs of Phase #3's proportional share of Additional Major Improvements were paid solely by the Developer without reimbursement.

G. DESCRIPTION AND COSTS OF PHASE #4 IMPROVEMENTS

The Phase #4 Improvements descriptions are presented below as provided by the project engineer. The Actual Costs of the Phase #4 Initial Projects and the Actual Costs of the Phase #4 Additional Projects are shown in Table III-G.

Roadway Improvements:

The roadway portion of the Phase #4 Improvements includes clearing, grubbing, excavation of streets and right of ways, construction entrance, lime treated subgrade and reinforced concrete street pavements, ramps, sidewalks and signage. The Phase #4 roadway improvements have been constructed according to City standards.

Water Improvements:

The water distribution system portion of the Phase #4 Improvements includes PVC waterlines and miscellaneous fittings. The Phase #4 water distribution system improvements have been constructed according to City standards.

Sanitary Sewer Improvements:

The sanitary sewer collection system portion of the Phase #4 Improvements includes various sizes of PVC pipes, manholes, service lines, PSI concrete encasements, and trench safety. The Phase #4 sanitary sewer collection system improvements have been constructed according to City standards.

Storm Drainage Improvements:

The storm drainage collection system portion of the Phase #4 Improvements includes pre and post development erosion control, silt fences, various size R.C.B.s, storm inlets, headwalls, curb inlets, curlex with seed and trench safety. The Phase #4 storm drainage collection system improvements have been constructed according to City standards.

A portion of the remaining costs will be reimbursed to the Developer solely from the proceeds of the Phases #2-9 Refunding and Improvement Bonds secured in part by Phase #4 Assessment Revenues issued by the City.

[2]Allocation of Initial Major Improvements costs are based on the methodologies described in Section V.C. Costs of Phase #4's proportional share of Initial Major Improvements were paid solely from: (i) the proceeds of the Phases #2-9 Major Improvement Area Bonds, (ii) the proceeds of the Phases #2-9 Refunding and Improvement Bonds, or (iii) from Developer funds without reimbursement.

[3]Allocation of Additional Major Improvements costs are based on the methodologies described in Section V.D. Costs of Phase #4's proportional share of Additional Major Improvements were paid solely by the Developer without reimbursement.

H. DESCRIPTIONS AND COSTS OF PHASE #5 IMPROVEMENTS

The Phase #5 Improvements descriptions are presented below as provided by the project engineer. The Actual Costs of the Phase #5 Initial Projects and the Actual Costs of the Phase #5 Additional Projects are shown in Table III-H.

Roadway Improvements:

The roadway portion of the Phase #5 Improvements includes clearing, grubbing, excavation of streets and right of ways, construction entrance, lime treated subgrade and reinforced concrete street pavements, ramps, sidewalks and signage. The Phase #5 roadway improvements have been constructed according to City standards.

Water Improvements:

The water distribution system portion of the Phase #5 Improvements includes PVC waterlines and miscellaneous fittings. The Phase #5 water distribution system improvements have been constructed according to City standards.

Sanitary Sewer Improvements:

The sanitary sewer collection system portion of the Phase #5 Improvements includes various sizes of PVC pipes, manholes, service lines, PSI concrete encasements, and trench safety. The Phase

#5 sanitary sewer collection system improvements have been constructed according to City standards.

Storm Drainage Improvements:

The storm drainage collection system portion of the Phase #5 Improvements includes pre and post development erosion control, silt fences, various size R.C.B.s, storm inlets, headwalls, curb inlets, curlex with seed and trench safety. The Phase #5 storm drainage collection system improvements will be constructed according to City standards.

[1]Costs of the Phase #5 Improvements have been paid by the Developer, and a portion of such costs have been reimbursed to the Developer from the Phase #5 Assessment Revenues under the terms of the Reimbursement Agreement. A portion of the remaining costs will be reimbursed to the Developer solely from the proceeds of the Phases #2-9 Refunding and Improvement Bonds secured in part by Phase #5 Assessment Revenues issued by the City.

[2]Allocation of Initial Major Improvements costs are based on the methodologies described in Section V.C. Costs of Phase #5's proportional share of Initial Major Improvements were paid solely from: (i) the proceeds of the Phases #2-9 Major Improvement Area Bonds, (ii) the proceeds of the Phases #2-9 Refunding and Improvement Bonds, or (iii) from Developer funds without reimbursement.

[3]Allocation of Additional Major Improvements costs are based on the methodologies described in Section V.D. Costs of Phase #5's proportional share of Additional Major Improvements were paid solely by the Developer without reimbursement.

I. DESCRIPTION OF ESTIMATED COSTS OF PHASE #6 IMPROVEMENTS

The Phase #6 Improvements descriptions are presented below as provided by the project engineer. The Actual Costs of the Phase #6 Initial Projects and Phase #6 Projects are shown in Table III-I and may be revised in Annual Service Plan Updates, including such other improvements as deemed necessary to further improve the properties within the PID.

Roadway Improvements:

The roadway portion of the Phase #6 Improvements includes clearing, grubbing, excavation of streets and right of ways, construction entrance, lime treated subgrade and reinforced concrete street pavements, ramps, sidewalks and signage. The Phase #6 roadway improvements will be constructed according to City standards.

Water Improvements:

The water distribution system portion of the Phase #6 Improvements includes PVC waterlines, various sized gate valves and boxes, fire hydrants, and miscellaneous fittings. The Phase #6 water distribution system improvements will be constructed according to City standards.

Sanitary Sewer Improvements:

The sanitary sewer collection system portion of the Phase #6 Improvements includes various sizes of PVC pipes, manholes, service lines, PSI concrete encasements, and trench safety. The Phase #6 sanitary sewer collection system improvements will be constructed according to City standards.

Storm Drainage Improvements:

The storm drainage collection system portion of the Phase #6 Improvements includes pre and post development erosion control, silt fences, various size R.C.B.s, storm inlets, headwalls, curb inlets, curlex with seed and trench safety. The Phase #6 storm drainage collection system improvements will be constructed according to City standards.

J. DESCRIPTION OF ESTIMATED COSTS OF PHASE #7 IMPROVEMENTS

The Phase #7 Improvements descriptions are presented below as provided by the project engineer. The Budgeted Costs of the Phase #7 Initial Projects and Phase #7 Projects are shown in Table III-J and may be revised in Annual Service Plan Updates, including such other improvements as deemed necessary to further improve the properties within the PID.

Roadway Improvements:

The roadway portion of the Phase #7 Improvements includes clearing, grubbing, excavation of streets and right of ways, construction entrance, lime treated subgrade and reinforced concrete street pavements, ramps, sidewalks and signage. The Phase #7 roadway improvements will be constructed according to City standards.

Water Improvements:

The water distribution system portion of the Phase #7 Improvements includes PVC waterlines, various sized gate valves and boxes, fire hydrants, and miscellaneous fittings. The Phase #7 water distribution system improvements will be constructed according to City standards.

Sanitary Sewer Improvements:

The sanitary sewer collection system portion of the Phase #7 Improvements includes various sizes of PVC pipes, manholes, service lines, PSI concrete encasements, and trench safety. The Phase #7 sanitary sewer collection system improvements will be constructed according to City standards.

Storm Drainage Improvements:

The storm drainage collection system portion of the Phase #7 Improvements includes pre and post development erosion control, silt fences, various size R.C.B.s, storm inlets, headwalls, curb inlets, curlex with seed and trench safety. The Phase #7 storm drainage collection system improvements will be constructed according to City standards.

A portion of the remaining costs will be reimbursed to the Developer solely from the proceeds of the Phases #2-9 Refunding and Improvement Bonds secured in part by Phase #7 Assessment Revenues issued by the City.
[2]Allocation of Initial Major Improvements costs are based on the methodologies described in Section V.C. Costs of Phase #7's proportional share of Initial Major Improvements were paid solely from: (i) the proceeds of the Phases #2-9 Major Improvement Area Bonds, (ii) the proceeds of the Phases #2-9 Refunding and Improvement Bonds, or (iii) from Developer funds without reimbursement.
[3]Allocation of Additional Major Improvements costs are based on the methodologies described in Section V.D. Costs of Phase #7's proportional share of Additional Major Improvements will be reimbursed to the Developer solely by the proceeds of the Phases #2-9 Refunding and Improvement Bonds, secured in part by the Phase #7 Assessment Revenues.

K. DESCRIPTION OF ESTIMATED COSTS OF PHASES #8-9 IMPROVEMENTS

The Phases #8-9 Improvements descriptions are presented below as provided by the project engineer. The Budgeted Costs of the Phases #8-9 Initial Projects and Phases #8-9 Projects are shown in Table III-K and may be revised in Annual Service Plan Updates, including such other improvements as deemed necessary to further improve the properties within the PID.

Roadway Improvements:

The roadway portion of the Phases #8-9 Improvements include clearing, grubbing, excavation of streets and right of ways, construction entrance, lime treated subgrade and reinforced concrete street pavements, ramps, sidewalks and signage. The Phases #8-9 roadway improvements will be constructed according to City standards.

Water Improvements:

The water distribution system portion of the Phases #8-9 Improvements include PVC waterlines, various sized gate valves and boxes, fire hydrants, and miscellaneous fittings. The Phases #8-9 water distribution system improvements will be constructed according to City standards.

[1]Costs of the Phases #8-9 Improvements will be paid by the Developer and a portion of such costs will be reimbursed to the Developer solely from the proceeds of the Phases #8-9 Improvement Bonds secured by Phases #8-9 Assessment Revenues issued by the City.
[2]Allocation of Initial Major Improvements costs are based on the methodologies described in Section V.C. Costs of Phases #8-9's proportional share of Initial Major Improvements were paid solely from: (i) the proceeds of the Phases #2-9 Major Improvement Area Bonds, (ii) the proceeds of the Phases #2-9 Refunding and Improvement Bonds, or (iii) from Developer funds without reimbursement.
[3]Allocation of Additional Major Improvements costs are based on the methodologies described in Section V.D. Costs of Phases #8-9's proportional share of Additional Major Improvements will be reimbursed to the Developer solely by the proceeds of the Phases #8-9 Improvement Bonds, secured by the Phases #8-9 Assessment Revenues.

The detailed costs of the Authorized Improvements are shown in Appendix B of this Service and Assessment Plan. Savings from one line item may be applied to a cost increase in another line item payable from the same Assessments. These savings from one line item may be applied only to increases in costs of another line item for the Authorized Improvements within the same Phase; or in the case of the Initial Major Improvements and Additional Major Improvements from one line item to another line item of Initial Major Improvements or Additional Major Improvements, respectively.

IV. SERVICE PLAN

A. SOURCES AND USES OF FUNDS

The PID Act requires the service plan to cover a period of at least five years. The service plan is required to define the annual projected costs and indebtedness for the Authorized Improvements undertaken within the PID during the five year period. The Initial Major Improvements and the Phase #1 Improvements were completed and accepted by the City in 2016. The Phase #2 Improvements were completed and accepted by the City in 2017. The Phase #3 Improvements were completed and accepted by the City in 2020. The Phase #4 Improvements were completed and accepted by the City in 2020. The Phase #5 Improvements were completed and accepted by the City in 2021. The Phase #6 Improvements were completed and accepted by the City in June 2022. The Phase #7 Improvements were completed and accepted by the City in the first quarter of 2023. The Phases #8-9 Improvements are under construction and anticipated to be completed and accepted by the City in the 2nd quarter of 2025. Construction of the Additional Major Improvements commenced in June 2022 and is anticipated to be completed and accepted by the City in 2025.

The service plan shall be reviewed and updated at least annually for the purpose of determining the annual budget for Administrative Expenses, updating the estimated and Actual Costs of the Authorized Improvements, and updating the Assessment Rolls. Any update to this Service and Assessment Plan is herein referred to as an "Annual Service Plan Update."

The Phases #2-9 Major Improvement Area Bonds were issued in 2015 to finance a portion of the Phases #2-9 Major Improvement Area Initial Projects. A portion of the remaining costs of the Phases #2-9 Major Improvement Area Initial Projects were secured under the Reimbursement Agreement. Table IV-A.1 summarizes the updated sources and uses of funds required to construct the Phases #2-9 Major Improvement Area Initial Projects and the Phases #2-9 Major Improvement Area Additional Projects (which were not payable at the time of issuance of the Phases #2-9 Major Improvement Area Bonds), establish the PID, and issue the Phases #2-9 Major Improvement Area Bonds. The Actual Costs for Phases #2-9 Major Improvement Area Initial Projects, the Budgeted Costs of the Phases #2-9 Major Improvement Area Additional Projects, the costs related to the issuance of the Phases #2-9 Major Improvement Area Bonds, and the costs related to expenses incurred in the establishment, administration and operation of the PID is $19,863,034 as shown in Table IV-A.1. As noted previously and shown in Table IV-A.1, the costs of the Phases #2-9 Major Improvement Area Additional Projects allocable to Phases #1-5 will be paid by the Developer without reimbursement. A portion of the costs of the Phases #2-9 Additional Major Improvement Area Additional Projects allocable to Phase #6 and Phase #7 are anticipated to be paid from the proceeds of the Phases #2-9 Refunding and Improvement Bonds and the portion of the costs of the Phases #2-9 Additional Major Improvement Area Additional Projects allocable to Phases #8-9 are anticipated to be paid from the proceeds of the Phases #8-9 Improvement Bonds.

The Phases #2-9 Refunding and Improvement Bonds are being issued to refund the Phases #2-9 Major Improvement Area Bonds, and to acquire the portion of the Phases #2-9 Major Improvement Area Initial Projects secured under the terms of the Reimbursement Agreement as well as to acquire the Phase #2 Improvements, the Phase #3 Improvements, the Phase #4 Improvements, the Phase #5 Improvements, the Phase #6 Projects, and the Phase #7 Projects, all of which are currently secured under the Reimbursement Agreement. The Actual Costs for the

portion of the Phases #2-9 Major Improvement Area Initial Projects secured under the terms of the Reimbursement Agreement and Phases #2-7 Projects, plus costs related to the issuance of the Phases #2-9 Refunding and Improvement Bonds (including the refunding of the Phases #2-9 Major Improvement Area Bonds), and payment of expenses incurred in the administration and operation of the PID is $47,442,529 as shown in Table IV-A.2.

The Phases #8-9 Improvement Bonds are being issued to finance the Phase #8-9 Projects. The Budgeted Costs for Phases #8-9 Projects, plus costs related to the issuance of the Phases #8-9 Improvement Bonds, and payment of expenses incurred in the administration and operation of the PID is $12,014,339 shown in Table IV-L.

The Phase #1 Bonds were issued in 2015 to finance a portion of the Phase #1 Initial Projects. Table IV-B shows the updated sources and uses of the Phase #1 Bonds. The Actual Costs for Phase #1 Initial Projects and the Budgeted Costs of the Phase #1 Additional Projects plus costs related to the issuance of the Phase #1 Bonds, in one or more series and payment of expenses incurred in the establishment, administration and operation of the PID is $11,397,743 as shown in Table IV-B. As noted previously and shown in Table IV-B, the costs of the Phase #1 Additional Projects will be paid by the Developer without reimbursement.

The Phase #1 Refunding Bonds were issued in 2020 to refund the Phase #1 Bonds and were secured by the Phase #1 Assessments. The Actual Costs for Phase #1 Initial Projects plus costs related to the issuance of the Phase #1 Bonds and the Phase #1 Refunding Bonds for Phase #1 Initial Projects and payment of expenses incurred in the establishment, administration and operation of the PID is $9,808,026 as shown in Table IV-C.

[1]The Additional Major Improvements allocable to Phase #6 and Phase #7 are anticipated to be paid from the proceeds of the Phases #2-9 Refunding and Improvement Bonds. The Additional Major Improvements allocable to Phases #8-9 are anticipated to be paid from the proceeds of the Phases #8-9 Improvement Bonds.
[2]The Additional Major Improvements allocable to Phase #2, Phase #3, Phase #4, and Phase #5 are non-reimbursable and were financed by the Developer.

The Phases #2-9 Major Improvement Area Bonds shown in Table IV-A.1 were issued in 2015 and were used to pay and/or reimburse the Developer for a portion of the costs of Phases #2-9 Major Improvement Area Initial Projects. A portion of the costs of the Phases #2-9 Major Improvement Area Initial Projects that were previously payable under the Reimbursement Agreement will be acquired with the proceeds of the Phases #2-9 Refunding and Improvement Bonds. The remaining costs of the Phases #2-9 Major Improvement Area Initial Projects as well as the costs of the Phases #2-9 Major Improvement Area Additional Projects, allocable to Phase #1, Phase #2, Phase #3, Phase #4, and Phase #5 are being financed by the Developer were not assessed against property within such Phases and will not be reimbursed to the Developer.

All tables in this section are rounded to the nearest dollar for presentation purposes.

On January 14, 2025, the City anticipates the approval of the issuance of the Phases #2-9 Refunding and Improvement Bonds in the total par amount of approximately $34,191,000 to refund the Phases #2-9 Major Improvement Area Bonds, and to acquire the Phases #2-9 Major Improvement Area Initial Projects and the Phases #2-7 Projects. Table IV-A.2 shows the sources and uses of the Phases #2-9 Refunding and Improvement Bonds.

[1]The Developer contribution amount includes amount deposited in connection with the Phase #1 Bonds and Phase #1 share of the Initial Major Improvements and includes the Actual Costs for the Phase #1 Additional Projects paid for directly by the Developer.
[2]The Additional Major Improvements allocable to Phase #1 are non-reimbursable and were financed by the Developer.

The Phase #1 Bonds shown in Table IV-B were issued in 2015 and were used to pay and/or reimburse the Developer for a portion of the costs of Phase #1 Initial Projects. A portion of the costs of Phase #1 Initial Projects were financed through contributions made by the Developer. The remaining costs of the Phase #1 Initial Projects and the Phase #1 Additional Projects are being financed by the Developer and will not be assessed or reimbursed.

On August 11, 2020, the City approved issuance of the Phase #1 Refunding Bonds in the total par amount of $7,750,000 to refund the Phase #1 Bonds. Table IV-C shows the sources and uses of the Phase #1 Refunding Bonds.

Phase #2

Under the Reimbursement Agreement, a portion of the Actual Costs of the Phase #2 Improvements is secured by Assessments levied against Phase #2 Assessed Property (i.e., the Phase #2 Assessment Revenues). The Phase #2 Assessment Revenues related to the Phase #2 Improvements are separate and distinct from the Phases #2-9 Major Improvement Area Assessment Revenues related to the Phases #2-9 Major Improvement Area Initial Projects shown in Tables IV-A.1 and IV-A.2. The Actual Costs for Phase #2 Improvements are $5,414,027.

The costs of the Additional Major Improvements allocable to Phase #2 in the amount of $412,648 were paid for by the Developer; and such costs are not secured under the Reimbursement Agreement and will not be reimbursed to the Developer as no Assessments were levied against the Phase #2 Assessed Property for such costs.

Table IV-E.1 shows the sources and uses for Phase #2 Improvements and Phase #2 Additional Projects.

The annual projected costs shown in Table IV-W are the annual expenditures relating to the Phases #8-9 Projects shown in Table III-K. The difference between the total projected cost and the total projected indebtedness, if any, is the amount contributed by the Developer.

C. PID Assessment Notice

The PID Act requires that this Service and Assessment Plan and each Annual Service Plan Update include a copy of the notice form required by Section 5.014 of the Texas Property Code. The "PID Assessment Notice" is attached hereto as Appendix D and may be updated in an Annual Service Plan Update.

V. ASSESSMENT PLAN

A. INTRODUCTION

The PID Act requires the City Council to apportion the costs of the Authorized Improvements on the basis of special benefits conferred upon the property because of the Authorized Improvements. The PID Act provides that the costs of the Authorized Improvements may be assessed: (i) equally per front foot or square foot; (ii) according to the value of the property as determined by the governing body, with or without regard to improvements on the property; or (iii) in any other manner that results in imposing equal shares of the cost on property similarly benefited. The PID Act further provides that the governing body may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the municipality and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

The proposed bond issuance program entails a series of bond financings and/or obligations under the Reimbursement Agreement that are intended to finance and/or reimburse the costs of the public infrastructure required for the development of property within the PID. This financing will necessarily be undertaken in phases to coincide with the private investment and development of the Authorized Improvements. The City previously issued the Phase #1 Bonds, the Phases #2-9 Major Improvement Area Bonds, and the Phase #1 Refunding Bonds to refund the Phase #1 Bonds. The City has also levied assessments on property within Phase #2, Phase #3, Phase #4, Phase #5, Phase #6, and Phase #7 in connection with obligations under the Reimbursement Agreement related to Authorized Improvements. This Service and Assessment Plan is being updated to provide for the Phases #2-9 Refunding and Improvement Bonds and Phases #8-9 Improvement Bonds being issued in 2025 and the levy of Assessments within Phases #8-9.

The purpose of this gradual issuance of bonds in phases is to mirror the actual private development of the Authorized Improvements. The Bonds to be issued are most prudently and efficiently utilized when directly coinciding with construction of public infrastructure needed for private development that is to occur once the infrastructure is completed; it is most effective to issue the Bonds when the infrastructure is needed, not before. Furthermore, there is no economic advantage, and several disadvantages, to issuing debt and encumbering property within the PID prior to the need for the Authorized Improvements.

For purposes of this Service and Assessment Plan, the City Council has determined that the costs of the Authorized Improvements shall be allocated as described below:

1. The Actual Costs of the Authorized Improvements shall be allocated to the Assessed Property on the basis of Equivalent Units calculated using the average home price of each Lot Type once such property is developed, and that such method of allocation will result in the imposition of equal shares of the costs of the Authorized Improvements to Parcels similarly benefited.

2. The City Council has concluded that larger more expensive homes are likely to be built on the larger lots, and that larger more expensive homes are likely to make greater use of and receive greater benefit from the Authorized Improvements. In determining the relative values of Parcels, the City Council has taken in to consideration: (i) the type of development (i.e., residential, commercial, etc.), (ii) single-family lot sizes and the size of homes likely to be built on lots of different sizes, (iii) current and projected home prices provided by the Developer, (iv) the Authorized Improvements to be provided and the estimated costs, and (v) the ability of different property types to utilize and benefit from the improvements.

3. The Assessed Property is classified into different Lot Types as described in Appendix E based on the type and size of proposed development on each Parcel.

4. Equivalent Units are calculated for each Lot Type based on the relative value of each Lot Type.

5. The Actual Costs of the Initial Major Improvements are proportionally allocated to the Phases #2-9 Major Improvement Area Assessed Property and the Phase #1 Assessed Property based on the ratio of total original Equivalent Units calculated for the Phases #2-9 Major Improvement Area Assessed Property and the Phase #1 Assessed Property.

6. The Phases #2-9 Major Improvement Area Assessed Property's proportional share of the costs for the Initial Major Improvements is allocated to each Parcel within the Phase #2, Phase #3, Phase #4, and Phase #5 based on the total 2016 revised Equivalent Units calculated for each Parcel.

7. The Phases #2-9 Major Improvement Area Assessed Property's proportional share of the costs for the Initial Major Improvements (excluding Phase #2, Phase #3, Phase #4, and Phase #5 allocable shared) is allocated to each Parcel within the Phase #6, Phase #7, and Phases #8-9 based on the ratio of the total 2022 revised Equivalent Units calculated for each Parcel of the Phase #6 Assessed Property, Phase #7 Assessed Property, and the Phases #8-9 Assessed Property.

8. The Phases #2-9 Major Improvement Area Assessed Property's proportional share of the costs for the Additional Major Improvements is allocated to each Parcel within the Phases #2-9 Major Improvement Area based on the total 2022 revised Equivalent Units calculated for each Parcel.

9. The Actual Costs of the Phase #1 Improvements are allocated to each Parcel within the Phase #1 Assessed Property based on the total 2016 revised Equivalent Units calculated for each Parcel.

10. The Phase #1 Assessed Property's proportional share of the costs of the Initial Major Improvements are allocated to each Parcel within the Phase #1 Assessed Property based on the total 2016 revised Equivalent Units calculated for each Parcel.

(remainder of this page is intentionally left blank)

11. The Phase #1 Assessed Property's proportional share of the costs of the Additional Major Improvements are allocated to each Parcel within the Phase #1 Assessed Property based on the total 2022 revised Equivalent Units calculated for each Parcel.

12. The Phase #2 Improvements are allocated to each Parcel within the Phase #2 Assessed Property based on the original total Equivalent Units calculated for each Parcel.

13. The Phase #3 Improvements are allocated to each Parcel within the Phase #3 Assessed Property based on the original total Equivalent Units calculated for each Parcel.

14. The Phase #4 Improvements are allocated to each Parcel within the Phase #4 Assessed Property based on the original total Equivalent Units calculated for each Parcel.

15. The Phase #5 Improvements are allocated to each Parcel within the Phase #5 Assessed Property based on the original total Equivalent Units calculated for each Parcel.

16. The Phase #6 Improvements are allocated to each Parcel within the Phase #6 Assessed Property based on the total 2022 revised Equivalent Units calculated for each Parcel.

17. The Phase #6 Assessed Property's proportional share of the costs of the Additional Major Improvements are allocated to each Parcel within the Phase #6 Assessed Property based on the total 2022 revised Equivalent Units calculated for each Parcel.

18. The Phase #7 Improvements are allocated to each Parcel within the Phase #7 Assessed Property based on the total 2022 revised Equivalent Units calculated for each Parcel.

19. The Phase #7 Assessed Property's proportional share of the costs of the Additional Major Improvements are allocated to each Parcel within the Phase #7 Assessed Property based on the total 2022 revised Equivalent Units calculated for each Parcel.

20. The Phases #8-9 Improvements are allocated to each Parcel within the Phases #8-9 Assessed Property based on the total 2022 revised Equivalent Units calculated for each Parcel.

21. The Phases #8-9 Assessed Property's proportional share of the costs of the Additional Major Improvements are allocated to each Parcel within the Phases #8-9 Assessed Property based on the total 2022 revised Equivalent Units calculated for each Parcel.

Table V-A provides the original allocation of costs of the Initial Major Improvements and Phase #1 Improvements. Table V-B provides the allocation of the costs of the Initial Major Improvements to property within Phase #2, Phase #3, Phase #4, Phase #5. Table V-C provides the allocation of the costs of the Initial Major Improvements to Phase #6, Phase #7, and Phases #8-9. Table V-D provides the allocation of the costs of the Additional Major Improvements to property within Phase #1, Phase #2, Phase #3, Phase #4, Phase #5, Phase #6, Phase #7, and Phases #8-9.

This section of this Service and Assessment Plan currently: (i) describes the special benefit received by each Parcel within the PID as a result of the Initial Major Improvements, Additional Major Improvements, Phase #1 Improvements, the Phase #2 Improvements, the Phase #3

Improvements, the Phase #4 Improvements, the Phase #5 Improvements, the Phase #6 Improvements, the Phase #7 Improvements, and the Phases #8-9 Improvements, (ii) provides the basis and justification for the determination that this special benefit exceeds the amount of the Assessments levied or being levied on the Phase #1 Assessed Property, Phases #2-9 Major Improvement Area Assessed Property, the Phase #2 Assessed Property, the Phase #3 Assessed Property, the Phase #4 Assessed Property, the Phase #5 Assessed Property, the Phase #6 Assessed Property, the Phase #7 Assessed Property, and the Phases #8-9 Assessed Property for that property's allocable portion of such improvements, and (iii) establishes the methodologies by which the City Council allocates and reallocates the special benefit of the Initial Major Improvements, Additional Major Improvements, Phase #1 Improvements, the Phase #2 Improvements, the Phase #3 Improvements, the Phase #4 Improvements, the Phase #5 Improvements, the Phase #6 Improvements, the Phase #7 Improvements, and the Phases #8-9 Improvements to Parcels in a manner that results in equal shares of the Actual Costs of such improvements being apportioned to Parcels similarly benefited. The determination by the City Council of the assessment methodologies set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Developer and all future owners and developers of the Assessed Property.

B. SPECIAL BENEFIT

Assessed Property must receive a direct and special benefit from the Authorized Improvements, and this benefit must be equal to or greater than the amount of the Assessments. The Authorized Improvements are provided specifically for the benefit of the Assessed Property. The Authorized Improvements (more particularly described in line-item format in Appendix B to this Service and Assessment Plan) and the costs of issuance and payment of costs incurred in the establishment of the PID are authorized by the PID Act. These improvements are provided specifically for the benefit of the Assessed Property.

Each owner of the Assessed Property has acknowledged that the Authorized Improvements confer a special benefit on the Assessed Property and has consented to the imposition of the Assessments to pay for the Actual Costs associated therewith. Each of the owners is acting in its interest in consenting to this apportionment and levying of the Assessments because the special benefit conferred upon the Assessed Property by the Authorized Improvements exceeds the amount of the Assessments.

The Authorized Improvements provide a special benefit to the Assessed Property as a result of the close proximity of these improvements to the Assessed Property and the specific purpose of these improvements of providing infrastructure for the Assessed Property. In other words, the Assessed Property could not be used in the manner proposed without the construction of the Authorized Improvements. The Authorized Improvements are being provided specifically to meet the needs of the Assessed Property as required for the proposed use of the property.

The Assessments are being levied to provide the Authorized Improvements that are required for the highest and best use of the Assessed Property (i.e., the use of the property that is most valuable, including any costs associated with that use). Highest and best use can be defined as "the reasonably probable and legal use of property, which is physically possible, appropriately

supported, financially feasible, and that results in the highest value." (Dictionary of Real Estate Appraisal, Third Edition.) The Authorized Improvements are expected to be required for the proposed use of the Assessed Property to be physically possible, appropriately supported, financially feasible, and maximally productive.

The Developer has evaluated the potential use of the property and has determined that the highest and best use of the property is the use intended and the legal use for the property as described in Section II of this Service and Assessment Plan. The use of the Assessed Property as described herein will require the construction of the Authorized Improvements.

The Assessments will repay financing that is on advantageous terms, as the Bonds issued to finance the public improvements will pay interest that is exempt from federal income tax. As a result, all other terms being equal (e.g., maturity, fixed vs. variable rate, credit quality), the tax-exempt bonds will have a lower interest rate than debt that is not tax-exempt. The Bonds also have a longer term than other available financings and may either be repaid or assumed by a buyer at the buyer's option. As a result of these advantageous terms, the financing provided by the PID is the most beneficial means of financing the Authorized Improvements.

Each owner of the Assessed Property will ratify, confirm, accept, agree to and approve; (i) the determinations and finding by the City Council as to the special benefits described in this Service and Assessment Plan and the Assessment Ordinance; (ii) the Service and Assessment Plan and the Assessment Ordinance, and (iii) the levying of Assessments on the Assessed Property. Use of the Assessed Property as described in this Service and Assessment Plan and as authorized by the PID Act requires that Authorized Improvements be acquired, constructed, installed, and/or improved. Funding the Actual Costs of the Authorized Improvements through the PID has been determined by the City Council to be the most beneficial means of doing so. As a result, the Assessments result in a special benefit to the Assessed Property, and this special benefit exceeds the amount of the Assessment. This conclusion is based on and supported by the evidence, information, and testimony provided to the City Council.

In summary, the Authorized Improvements result in a special benefit to the Assessed Property for the following reasons:

1. The Authorized Improvements are being provided specifically for the use of the Assessed Property, are necessary for the proposed best use of the property and provide a special benefit to the Assessed Property as a result;

2. The property owner has consented to the imposition of the Assessments for the purpose of providing the Authorized Improvements and the property owner is acting in its interest by consenting to this imposition;

3. The Authorized Improvements are required for the highest and best use of the Assessed Property;

4. The highest and best use of the Assessed Property is the use of the Assessed Property that is most valuable (including any costs associated with the use of the Assessed Property);

5. Financing of the costs of the Authorized Improvement through the PID is determined to be the most beneficial means of providing for the Authorized Improvements; and,

6. As a result, the special benefits to the Assessed Property from the Authorized Improvements will be equal to or greater than the Assessments.

C. Allocation of Initial Major Improvements to Assessed Property

The Initial Major Improvements provide a special benefit to all property in the PID. Accordingly, the Actual Costs of the Initial Major Improvements must be allocated throughout all Assessed Property in the District. Table V-A summarizes the allocation of Actual Costs of the Initial Major Improvements to Phase #1 and each Phase within the Phases #2-9 Major Improvement Area.

Phase #1 contains 335 residential units, and the Phases #2-9 Major Improvement Area was, as part of the 2016 development plan update, projected to contain 1,437 residential units as shown in Appendix E on Table E-6 and Table E-8, respectively. As shown in Appendix E on Table E-23, the total projected 2016 revised Equivalent Units for Phase #1 was calculated as 210.80 and the total projected 2016 revised Equivalent Units for the Phases #2-9 Major Improvement Area was calculated as 888.39, as shown on Table E-26. The total projected 2016 revised Equivalent Units in the PID was, therefore, calculated to be 1,099.19 (i.e., 210.80 + 888.39 = 1,099.19). As a result, 19.18 percent of the Actual Costs of the Initial Major Improvements (i.e.,210.80 ÷ 1,099.19 = 19.18%) were allocated to the Phase #1 Assessed Property and 80.82 percent of the Actual Costs of the Initial Major Improvements (i.e., 888.39 ÷ 1,099.19 = 80.82%) were allocated to the Phases #2-9 Major Improvement Area Assessed Property. Table V-A summarizes the original allocation of Budgeted Costs of the Initial Major Improvements to Phase #1 and the Phases #2-9 Major Improvement Area.

Table V-A
Allocation of Initial Major Improvements

Authorized Improvement	Total Costs
Roadway improvements	$10,366,268
Water improvements	$918,591
Sanitary sewer Improvements	$1,651,669
Storm drainage Improvements	$1,768,948
Other soft and miscellaneous costs	$427,195
Total Initial Major Improvements	**$15,132,671**
Phase #1	
Projected total Equivalent Units	210.80
% of total Equivalent Units	19.18%
Proportionate share of costs	$2,902,107
Phases #2-9 Major Improvement Area	
Projected total Equivalent Units	888.39
% of total Equivalent Units	80.82%
Proportionate share of costs[1]	$13,578,272

[1]The Phases #2-9 Major Improvement Area share of Initial Major Improvement Costs is $13,578,272, which includes $1,347,708 in estimated bond issuance costs included in the original budget that has subsequently been substituted with other soft and miscellaneous costs.

As shown in Table V-A the total amount of the Actual Costs of the Initial Major Improvements originally allocated to the Phases #2-9 Major Improvement Area was $13,578,272.

Phase #2 contains 360 residential units. As shown in Table E-29 of Appendix E, the original total projected Equivalent Units for Phase #2 was calculated as 214.67. The Phases #2-9 Major Improvement Area was projected to contain 1,437 residential units in the 2016 development plan update, resulting in a total 2016 updated Equivalent Units of 888.39 as shown in Table E-26 of Appendix E. As a result, the percentage used to reallocate the Phases #2-9 Major Improvement Area's share of the Initial Major Improvements applicable to the Phase #2 Assessed Property was calculated as 24.16 percent of the costs of the Phases #2-9 Major Improvement Area Initial Major Improvements (i.e., 214.67 ÷ 888.39 = 24.16%) originally allocated to the Phases #2-9 Major Improvement Area Assessed Property. These costs are applicable to the Phase #2 Assessed Property and were reallocated Phase #2 Assessed Property.

Phase #3 contains 195 residential units. As shown in Table E-31 of Appendix E, the original total projected Equivalent Units for Phase #3 was calculated as 131.67. The Phases #2-9 Major Improvement Area was projected to contain 1,437 residential units in the 2016 development plan update, resulting in a total 2016 updated Equivalent Units was 888.39 as shown in Table E-26 of Appendix E. As a result, the percentage used to reallocate the Phases #2-9 Major Improvement Area's share of the Initial Major Improvements applicable to the Phase #3 Assessed Property was calculated as 14.82 percent of the costs of the Phases #2-9 Major Improvement Area Initial Major Improvements (i.e., 131.67 ÷ 888.39 = 14.82%) originally allocated to the Phases #2-9 Major

Improvement Area Assessed Property. These costs are applicable to the Phase #3 Assessed Property and were reallocated Phase #3 Assessed Property as shown in Table V-B.

Phase #4 contains 9 residential units. As shown in Table E-33 of Appendix E, the original total projected Equivalent Units for Phase #2 was calculated as 5.94. The Phases #2-9 Major Improvement Area was projected to contain 1,437 residential units in the 2016 development plan update, resulting in a total 2016 updated Equivalent Units was 888.39 as shown in Table E-26 of Appendix E. As a result, the percentage used to reallocate the Phases #2-9 Major Improvement Area's share of the Initial Major Improvements applicable to the Phase #4 Assessed Property was calculated as 0.67 percent of the costs of the Phases #2-9 Major Improvement Area Initial Major Improvements (i.e., 5.94 ÷ 888.39 = 0.67%) originally allocated to the Phases #2-9 Major Improvement Area Assessed Property. These costs are applicable to the Phase #2 Assessed Property and were reallocated Phase #2 Assessed Property as shown in Table V-B.

Phase #5 contains 96 residential units. As shown in Table E-36 of Appendix E, the 2021 revised total projected Equivalent Units for Phase #5 is calculated as 72.84. The Phases #2-9 Major Improvement Area was originally projected to contain 1,437 residential units in the 2016 development plan update, resulting in a total 2016 updated Equivalent Units was 888.39 as shown in Table E-26 of Appendix E. As a result, the percentage used to reallocate the Phases #2-9 Major Improvement Area's share of the Initial Major Improvements applicable to the Phase #5 Assessed Property was calculated as 8.20 percent of the costs of the Phases #2-9 Major Improvement Area Initial Major Improvements (i.e., 72.84 ÷ 888.39 = 8.20%) originally allocated to the Phases #2-9 Major Improvement Area Assessed Property. These costs are applicable to the Phase #5 Assessed Property and were reallocated Phase #5 Assessed Property as shown in Table V-B.

As shown in Table V-B, the total Initial Major Improvements allocable to Phases #2-9 Major Improvement Area was $13,578,272 and the specific phase proportional amount allocable to Phase #2, Phase #3, Phase #4, and Phase #5 were $3,281,045, $2,012,462, $90,788, and $1,113,296, respectively. As a result, the total Initial Major Improvements allocable to Phases #2-9 Major Improvement Area remaining to be reallocated to Phase #6, Phase #7, and the Phases #8-9 is $7,080,681 (i.e., $13,578,272 – $3,281,045, – $2,012,462 – $90,788 – $1,113,296 = $7,080,681).

[1]Represents the original allocated amount of Initial Major Improvements to the Phases #2-9 Major Improvement Area as shown in Table V-A.

As part of the 2022 development plan update, the Phases #2-9 Major Improvement Area is now projected to contain 1,366 residential units resulting in a total 2022 revised Equivalent Units of 534.07 as shown in Table E-27 of Appendix E. The total 2022 revised Equivalent Units for Phase #2, Phase #3 Phase #4, and Phase #5 are calculated to be 128.56, 77.97, 3.53, and 42.48 as shown in Table E-30, Table E-32, Table E-34, and Table E-36 of Appendix E, respectively. As a result, the Phases #2-9 Major Improvement Area's 2022 revised Equivalent Units applicable to Phase #6, Phase #7, and Phases #8-9 is 281.53 (i.e., 534.07 - 128.56 - 77.97 - 3.53 – 42.48 = 281.53).

Phase #6 contains 257 residential units. As shown in Table E-37 of Appendix E, the total Equivalent Units for Phase #6 is calculated as 83.22. As shown above, the Phases #2-9 Major Improvement Area 2022 revised Equivalent Units applicable to Phase #6, Phases #7 and Phases #8-9, collectively, is 281.03. As a result, the percentage used to reallocate the Phases #2-9 Major Improvement Area's share of the Initial Major Improvements applicable to the Phase #6 Assessed Property is 29.61 percent (i.e., 83.22 ÷ 281.03 = 29.61%).

Phase #7 contains 171 residential units. As shown in Table E-38 of Appendix E, the total Equivalent Units for Phase #7 is calculated as 93.51. As shown above, the Phases #2-9 Major Improvement Area 2022 revised Equivalent Units applicable to Phase #7 and Phases #8-9, collectively, is 281.03. As a result, the percentage used to reallocate the Phases #2-9 Major Improvement Area's share of the Initial Major Improvements applicable to the Phase #7 Assessed Property is 33.27 percent (i.e., 93.51 ÷ 281.03 = 33.27%) as shown in Table V-C.

Phases #8-9 contain 277 residential units. As shown in Table E-39 of Appendix E, the total Equivalent Units for Phases #8-9 is calculated as 104.92. As shown above, the Phases #2-9 Major Improvement Area 2022 revised Equivalent Units applicable to Phase #6, Phase #7 and Phases #8-9, collectively, is 281.03. As a result, the percentage used to reallocate the Phases #2-9 Major Improvement Area's share of the Initial Major Improvements applicable to the Phases #8-9 Assessed Property is 37.11 percent (i.e., 104.30 ÷ 281.03 = 37.11%) as shown in Table V-C.

[1]Represents the original allocated amount of Initial Major Improvements to the Phases #2-9 Major Improvement Area excluding amounts allocated to Phase #2, Phase #3, Phase #4, and Phase #5. See Table V-B for amounts previously allocated to Phase #2, Phase #3, Phase #4, and Phase #5.

D. Allocation of Additional Major Improvements to Assessed Property

As shown in Table E-24 and Table E-28 of Appendix E, the 2022 revised total Equivalent Units for Phase #1 and Phases #2-9 Major Improvement Area are calculated as 132.57 and 533.57, respectively, resulting in 666.14 2022 revised total Equivalent Units for the entire PID (i.e., 132.57 + 533.57 = 666.14). As a result, the percentage used to reallocate the Additional Major Improvements applicable to the Phase #1 Assessed Property is calculated as 19.90 percent of the costs of the Additional Major Improvements (i.e., 132.57 ÷ 666.14 = 19.90%) and the percentage

used to reallocate the Additional Major Improvements applicable to the Phases #2-9 Major Improvement Area Assessed Property is calculated as 80.10 percent of the costs of the Additional Major Improvements (i.e., 533.57 ÷ 666.14 = 80.10%) as shown in Table V-D.

As shown in Table E-30 of Appendix E, the 2022 revised total Equivalent Units for Phase #2 is calculated as 128.56. As shown above, the 2022 revised total Equivalent Units for the entire PID is 666.14. As a result, the percentage used to reallocate the Additional Major Improvements applicable to the Phase #2 Assessed Property is calculated as 19.30 percent of the costs of the Additional Major Improvements (i.e., 128.56 ÷ 666.14 = 19.30%) as shown in Table V-D.

As shown in Table E-32 of Appendix E, the 2022 revised total Equivalent Units for Phase #3 is calculated as 77.97. As shown above, the 2022 revised total Equivalent Units for the entire PID is 666.14. As a result, the percentage used to reallocate the Additional Major Improvements applicable to the Phase #3 Assessed Property is calculated as 11.70 percent of the costs of the Additional Major Improvements (i.e., 77.97 ÷ 666.14 = 11.70%) as shown in Table V-D.

As shown in Table E-34 of Appendix E, the 2022 revised total Equivalent Units for Phase #4 is calculated as 3.53. As shown above, the 2022 revised total Equivalent Units for the entire PID is 666.14. As a result, the percentage used to reallocate the Additional Major Improvements applicable to the Phase #4 Assessed Property is calculated as 0.53 percent of the costs of the Additional Major Improvements (i.e., 3.53 ÷ 666.14 = 0.53%) as shown in Table V-D.

As shown in Table E-36 of Appendix E, the 2022 revised total Equivalent Units for Phase #5 is calculated as 42.48. As shown above, the 2022 revised total Equivalent Units for the entire PID is 666.14. As a result, the percentage used to reallocate the Additional Major Improvements applicable to the Phase #5 Assessed Property is calculated as 6.38 percent of the costs of the Additional Major Improvements (i.e., 42.48 ÷ 666.14 = 6.38%) as shown in Table V-D.

As shown in Table E-37 of Appendix E, the total Equivalent Units for Phase #6 is calculated as 83.22. As shown above, the 2022 revised total Equivalent Units for the entire PID is 666.14. As a result, the percentage used to reallocate the Additional Major Improvements applicable to the Phase #6 Assessed Property is calculated as 12.49 percent of the costs of the Additional Major Improvements (i.e., 83.22 ÷ 666.14 = 12.49%) as shown in Table V-D.

As shown in Table E-38 of Appendix E, the total Equivalent Units for Phase #7 is calculated as 93.51. As shown above, the 2022 revised total Equivalent Units for the entire PID is 666.14. As a result, the percentage used to reallocate the Additional Major Improvements applicable to the Phase #7 Assessed Property is calculated as 14.04 percent of the costs of the Additional Major Improvements (i.e., 93.51 ÷ 666.14 = 14.04%) as shown in Table V-D.

As shown in Table E-39 of Appendix E, the total Equivalent Units for Phases #8-9 is calculated as 104.30. As shown above, the 2022 revised total Equivalent Units for the entire PID is 666.14. As a result, the percentage used to reallocate the Additional Major Improvements applicable to the Phases #8-9 Assessed Property is calculated as 15.66 percent of the costs of the Additional Major Improvements (i.e., 104.30 ÷ 666.14 = 15.66%) as shown in Table V-D.

The Additional Major Improvements provide a special benefit to all property in the PID. Accordingly, the Actual Costs of the Additional Major Improvements have been allocated throughout all Assessed Property in the District.

E. ASSESSMENT METHODOLOGY

The Actual Costs may be assessed by the City Council against the Assessed Property so long as the special benefit conferred upon the Assessed Property by the Authorized Improvements equals or exceeds the Assessments. The Actual Costs may be assessed using any methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited.

1. Assessment Methodology for the Phases #2-9 Major Improvement Area

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phases #2-9 Major Improvement Area Initial Projects financed with the Phases #2-9 Major Improvement Area Bonds and Phases #2-9 Refunding and Improvement Bonds shall be allocated to the Phases #2-9 Major Improvement Area Assessed Property by spreading the entire Assessment across the Parcels within the Phases #2-9 Major Improvement Area based on the estimated number of Equivalent Units anticipated to be developed on each Parcel.

Based on the Actual Costs of the Phases #2-9 Major Improvement Area Initial Projects and the Budgeted Costs of the Phases #2-9 Major Improvement Area Additional Projects and costs incurred in the issuance of the Phase #2-9 Major Improvement Area Bonds and the Phases #2-9 Refunding and Improvement Bonds, as set forth in Table III-A, Table III-B, and Table III-C, the City Council has determined that the benefit to the Phases #2-9 Major Improvement Area Assessed Property from the Phases #2-9 Major Improvement Area Initial Projects and the Phases #2-9 Major Improvement Area Additional Projects and costs incurred in the issuance of the Phases #2-9 Major Improvement Area Bonds and the Phases #2-9 Refunding and Improvement Bonds is at least equal to the Assessments levied on the Phases #2-9 Major Improvement Area Assessed Property.

Upon subsequent divisions of any Parcel, the Assessment applicable to it will then be apportioned pro rata based on the Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Lot Type based on the ratio of the Equivalent Unit applicable to each Lot Type at the time residential Lots are platted to the total Equivalent Units of all Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council. As part of the determination as to the ability of different Lot Types to utilize and benefit from the Authorized Improvements, the City Council has taken into consideration that larger, more expensive homes, on average, will create more vehicle trips and greater demands for water and wastewater consumption, and larger, more expensive homes are likely to be built on larger, more valuable lots placing greater demand on the Authorized Improvements.

The Assessment and Annual Installments for each Parcel or Lot located within the Phases #2-9 Major Improvement Area is shown on the Phases #2-9 Major Improvement Area Assessment Roll, attached as Appendix F, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

2. Assessment Methodology for Phase #1

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phase #1 Initial Projects, shall be allocated to the Phase #1 Assessed Property by spreading the entire Assessment across the Parcels within Phase #1 based on the estimated Equivalent Units anticipated to be developed on each Parcel.

Based on the Actual Costs of the Phase #1 Initial Projects and the Actual Costs of the Phase #1 Additional Projects, and costs incurred in the issuance of the Phase #1 Bonds and the Phase #1 Refunding Bonds, as set forth in Table III-D, the City Council has determined that the benefit to Phase #1 Assessed Property from the Phase #1 Initial Projects and the Phase #1 Additional Projects, and costs incurred in the issuance of the Phase #1 Bonds and the Phase #1 Refunding Bonds, is at least equal to the Assessments levied on the Phase #1 Assessed Property.

Upon subsequent divisions of any Parcel, the Assessment applicable to it will then be apportioned pro rata based on the Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Lot Type based on the ratio of the Equivalent Unit applicable to each Lot Type at the time residential Lots are platted to the total Equivalent Units of all Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council. The result of this approach will be that each final residential Lot within a recorded subdivision plat with similar values will have the same Assessment, with larger, more valuable Lots having a proportionately larger share of the Assessments than smaller, less valuable Lots. As part of the determination as to the ability of different Lot Types to utilize and benefit from the Authorized Improvements, the City Council has taken into consideration that larger, more expensive homes, on average, will create more vehicle trips and greater demands for water and wastewater consumption, and larger, more expensive homes are likely to be built on larger, more valuable lots placing greater demand on the Authorized Improvements.

The Assessment and Annual Installments for each Parcel or Lot located within Phase #1 is shown on the Phase #1 Assessment Roll, attached as Appendix G, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

Appendix E shows the detailed calculation of the Assessment per Equivalent Unit and the Assessment for each Lot Type.

3. Assessment Methodology for Phase #2

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phase #2 Improvements shall be allocated to the Phase #2 Assessed Property by spreading the entire Assessment across the Parcels within Phase #2 based on the estimated Equivalent Units anticipated to be developed on each Parcel.

Based on the Actual Costs of the Phase #2 Initial Projects and the Actual Costs of the Phase #2 Additional Projects and costs incurred in the issuance of the Phases #2-9 Refunding and Improvement Bonds, as set forth in Table III-E and Table-M, the City Council has determined

that the benefit to Phase #2 Assessed Property is at least equal to the Assessments levied on the Phase #2 Assessed Property.

Upon subsequent divisions of any Parcel, the Assessment applicable to it will then be apportioned pro rata based on the Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Lot Type based on the ratio of the Equivalent Unit applicable to each Lot Type at the time residential Lots are platted to the total Equivalent Units of all Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council. The result of this approach will be that each final residential Lot within a recorded subdivision plat with similar values will have the same Assessment, with larger, more valuable Lots having a proportionately larger share of the Assessments than smaller, less valuable Lots. As part of the determination as to the ability of different Lot Types to utilize and benefit from the Authorized Improvements, the City Council has taken into consideration that larger, more expensive homes, on average, will create more vehicle trips and greater demands for water and wastewater consumption, and larger, more expensive homes are likely to be built on larger, more valuable lots placing greater demand on the Authorized Improvements.

The Assessment and Annual Installments for each Parcel or Lot located within Phase #2 is shown on the Phase #2 Assessment Roll, attached as Appendix H, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

4. Assessment Methodology for Phase #3

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phase #3 Improvements shall be allocated to the Phase #3 Assessed Property by spreading the entire Assessment across the Parcels within Phase #3 based on the estimated Equivalent Units anticipated to be developed on each Parcel.

Based on the Actual Costs of the Phase #3 Initial Projects and the Actual Costs of the Phase #3 Additional Projects and costs incurred in the issuance of the Phases #2-9 Refunding and Improvement Bonds, as set forth in Table III-F and Table-M, the City Council has determined that the benefit to Phase #3 Assessed Property is at least equal to the Assessments levied on the Phase #3 Assessed Property.

Upon subsequent divisions of any Parcel, the Assessment applicable to it will then be apportioned pro rata based on the Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Lot Type based on the ratio of the Equivalent Unit applicable to each Lot Type at the time residential Lots are platted to the total Equivalent Units of all Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council. The result of this approach will be that each final residential Lot within a recorded subdivision plat with similar values will have the same Assessment, with larger, more valuable Lots having a proportionately larger share of the Assessments than smaller, less valuable Lots. As part of the determination as to the ability of different Lot Types to utilize and benefit from the Authorized Improvements, the City Council has taken into consideration that larger, more expensive homes, on average, will create more

vehicle trips and greater demands for water and wastewater consumption, and larger, more expensive homes are likely to be built on larger, more valuable lots placing greater demand on the Authorized Improvements.

The Assessment and Annual Installments for each Parcel or Lot located within Phase #3 is shown on the Phase #3 Assessment Roll, attached as Appendix I, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

5. Assessment Methodology for Phase #4

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phase #4 Improvements shall be allocated to the Phase #4 Assessed Property by spreading the entire Assessment across the Parcels within Phase #4 based on the estimated Equivalent Units anticipated to be developed on each Parcel.

Based on the Actual Costs of the Phase #4 Initial Projects and the Actual Costs of the Phase #4 Additional Projects and costs incurred in the issuance of the Phases #2-9 Refunding and Improvement Bonds, as set forth in Table III-G and Table-M, the City Council has determined that the benefit to Phase #4 Assessed Property is at least equal to the Assessments levied on the Phase #4 Assessed Property.

Upon subsequent divisions of any Parcel, the Assessment applicable to it will then be apportioned pro rata based on the Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Lot Type based on the ratio of the Equivalent Unit applicable to each Lot Type at the time residential Lots are platted to the total Equivalent Units of all Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council. The result of this approach will be that each final residential Lot within a recorded subdivision plat with similar values will have the same Assessment, with larger, more valuable Lots having a proportionately larger share of the Assessments than smaller, less valuable Lots. As part of the determination as to the ability of different Lot Types to utilize and benefit from the Authorized Improvements, the City Council has taken into consideration that larger, more expensive homes, on average, will create more vehicle trips and greater demands for water and wastewater consumption, and larger, more expensive homes are likely to be built on larger, more valuable lots placing greater demand on the Authorized Improvements.

The Assessment and Annual Installments for each Parcel or Lot located within Phase #4 is shown on the Phase #4 Assessment Roll, attached as Appendix J, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

6. Assessment Methodology for Phase #5

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phase #5 Improvements shall be allocated to the Phase #5 Assessed Property by spreading the entire Assessment across the Parcels within Phase #5 based on the estimated Equivalent Units anticipated to be developed on each Parcel.

Based on the Actual Costs of the Phase #5 Initial Projects and the Actual Costs of the Phase #5 Additional Projects and costs incurred in the issuance of the Phases #2-9 Refunding and Improvement Bonds, as set forth in Table III-H and Table-M, the City Council has determined that the benefit to Phase #5 Assessed Property is at least equal to the Assessments levied on the Phase #5 Assessed Property

Upon subsequent divisions of any Parcel, the Assessment applicable to it will then be apportioned pro rata based on the Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Lot Type based on the ratio of the Equivalent Unit applicable to each Lot Type at the time residential Lots are platted to the total Equivalent Units of all Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council. The result of this approach will be that each final residential Lot within a recorded subdivision plat with similar values will have the same Assessment, with larger, more valuable Lots having a proportionately larger share of the Assessments than smaller, less valuable Lots. As part of the determination as to the ability of different Lot Types to utilize and benefit from the Authorized Improvements, the City Council has taken into consideration that larger, more expensive homes, on average, will create more vehicle trips and greater demands for water and wastewater consumption, and larger, more expensive homes are likely to be built on larger, more valuable lots placing greater demand on the Authorized Improvements.

The Assessment and Annual Installments for each Parcel or Lot located within Phase #5 is shown on the Phase #5 Assessment Roll, attached as Appendix K, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

7. Assessment Methodology for Phase #6

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phase #6 Projects shall be allocated to the Phase #6 Assessed Property by spreading the entire Assessment across the Parcels within Phase #6 based on the estimated Equivalent Units anticipated to be developed on each Parcel.
