(i) Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

(j) Elections. The City hereby directs and authorizes the Mayor, Mayor Pro Tem, City Manager, Assistant to the City Manager, Director of Finance, or City Secretary, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Bonds, in the Tax Certificate or similar or other appropriate certificate, form or document.

ARTICLE VIII

LIABILITY OF CITY

The City shall not incur any responsibility in respect of the Bonds or this Indenture other than in connection with the duties or obligations explicitly herein or in the Bonds assigned to or imposed upon it. The City shall not be liable in connection with the performance of its duties hereunder, except for its own willful default or act of bad faith. The City shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, conditions covenants or agreements of the Trustee herein or of any of the documents executed by the Trustee in connection with the Bonds, or as to the existence of a default or Event of Default thereunder.

In the absence of bad faith, the City may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the City and conforming to the requirements of this Indenture. The City shall not be liable for any error of judgment made in good faith unless it shall be proved that it was negligent in ascertaining the pertinent facts.

No provision of this Indenture, the Bonds, the Phase #2 Assessment Ordinance, or any agreement, document, instrument, or certificate executed, delivered or approved in connection with the issuance, sale, delivery, or administration of the Bonds (the "Bond Documents"), shall require the City to expend or risk its own general funds or otherwise incur any financial liability (other than with respect to the Pledged Revenues and the Administrative Expenses) in the performance of any of its obligations hereunder, or in the exercise of any of its rights or powers, if in the judgment of the City there are reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it.

Neither the Owners nor any other Person shall have any claim against the City or any of its officers, officials, agents, or employees for damages suffered as a result of the City's failure to perform in any respect any covenant, undertaking, or obligation under any Bond Documents or as a result of the incorrectness of any representation in, or omission from, any of the Bond Documents, except to the extent that any such claim relates to an obligation, undertaking, representation, or covenant of the City, in accordance with the Bond Documents and the PID Act. Any such claim shall be payable only from Pledged Revenues or the Administrative Expenses. Nothing contained in any of the Bond Documents shall be construed to preclude any action or proceeding in any court or before any governmental body, agency, or instrumentality against the City or any of its officers, officials, agents, or employees to enforce the provisions of any of the Bond Documents or to enforce all rights of the Owners of the Bonds by mandamus or other proceeding at law or in equity.

The City may rely on and shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The City may consult with counsel with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its duties under this Indenture the City shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically

prescribed) may, in the absence of willful misconduct on the part of the City, be deemed to be conclusively proved and established by a certificate of the Trustee, an Independent Financial Consultant, an independent inspector or City Manager or other person designated by the City Council to so act on behalf of the City, and such certificate shall be full warrant to the City for any action taken or suffered under the provisions of this Indenture upon the faith thereof, but in its discretion the City may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

In order to perform its duties and obligations hereunder, the City may employ such persons or entities as it deems necessary or advisable. The City shall not be liable for any of the acts or omissions of such persons or entities employed by it in good faith hereunder, and shall be entitled to rely, and shall be fully protected in doing so, upon the opinions, calculations, determinations, and directions of such persons or entities.

ARTICLE IX

THE TRUSTEE

Section 9.1. Trustee as Registrar and Paying Agent.

The Trustee is hereby designated and agrees to act as Registrar and Paying Agent for and in respect to the Bonds.

Section 9.2. Trustee Entitled to Indemnity.

The Trustee shall be under no obligation to institute any suit, or to undertake any proceeding under this Indenture, or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified, to the extent permitted by law, to its satisfaction against any and all costs and expenses, outlays, and counsel fees and other reasonable disbursements, and against all liability except as a consequence of its own negligence or willful misconduct. Nevertheless, the Trustee may begin suit, or appear in and defend suit, or do anything else in its judgment proper to be done by it as the Trustee, without indemnity, and in such case the Trustee may make transfers from the Pledged Revenue Fund or the Administrative Fund to pay all costs and expenses, outlays, and counsel fees and other reasonable disbursements properly incurred in connection therewith and shall be entitled to a preference therefor over any Bonds Outstanding hereunder.

Section 9.3. Responsibilities of the Trustee.

The recitals contained in this Indenture and in the Bonds shall be taken as the statements of the City and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of the offering documents, this Indenture, or the Bonds or with respect to the security afforded by this Indenture, and the Trustee shall incur no liability with respect thereto. Except as otherwise expressly provided in this Indenture, the Trustee shall have no responsibility or duty with respect to: (i) the issuance of Bonds for value; (ii) the application of the proceeds thereof, except to the extent that such proceeds are received by it in its capacity as Trustee; (iii) the application of any moneys paid to the City or others in accordance with this Indenture, except as to the application of any moneys paid to it in its capacity as Trustee; or (iv) any calculation of arbitrage or rebate under the Code. The Trustee has the right to act through agents and attorneys and shall have

no liability for the negligence or willful misconduct of the agents and attorneys appointed with due care.

The duties and obligations of the Trustee shall be determined by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture.

The Trustee shall not be liable for any action taken or omitted by it in the performance of its duties under this Indenture, except for its own gross negligence or willful misconduct, both before and after default by the City.

Section 9.4. Property Held in Trust.

All moneys and securities held by the Trustee at any time pursuant to the terms of this Indenture shall be held by the Trustee in trust for the purposes and under the terms and conditions of this Indenture.

Section 9.5. Trustee Protected in Relying on Certain Documents.

The Trustee may rely upon any order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond, or other document provided to the Trustee in accordance with the terms of this Indenture that it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or Person or to have been prepared and furnished pursuant to any of the provisions of this Indenture, or upon the written opinion of any counsel, architect, engineer, insurance consultant, management consultant, or accountant believed by the Trustee to be qualified in relation to the subject matter, and the Trustee shall be under no duty to make any investigation or inquiry into any statements contained or matters referred to in any such instrument. The Trustee may consult with counsel, who may or may not be Bond Counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it in good faith and in accordance therewith.

Whenever the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Indenture, such matter may be deemed to be conclusively proved and established by a City Certificate, unless other evidence in respect thereof be hereby specifically prescribed. Such City Certificate shall be full warrant for any action taken or suffered in good faith under the provisions hereof, but in its discretion the Trustee may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable. Except as otherwise expressly provided herein, any request, order, notice, or other direction required or permitted to be furnished pursuant to any provision hereof by the City to the Trustee shall be sufficiently executed if executed in the name of the City by the City Representative.

The Trustee shall not be under any obligation to see to the recording or filing of this Indenture, or otherwise to the giving to any Person of notice of the provisions hereof except as expressly required in Section 9.13 herein.

Section 9.6. Compensation.

Unless otherwise provided by contract with the Trustee, the Trustee shall transfer from the Administrative Fund, from time to time, reasonable compensation for all services rendered

by it hereunder, including its services as Registrar and Paying Agent, together with all its reasonable expenses, charges, and other disbursements and those of its counsel, agents and employees, incurred in and about the administration and execution of the trusts hereby created and the exercise of its powers and the performance of its duties hereunder, subject to any limit on the amount of such compensation or recovery of expenses or other charges as shall be prescribed by specific agreement, and the Trustee shall have a lien therefor on any and all funds at any time held by it hereunder prior to any Bonds Outstanding. None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if in the judgment of the Trustee there are reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it. If the City shall fail to make any payment required by this Section, the Trustee may make such payment from any moneys in its possession under the provisions of this Indenture and shall be entitled to a preference therefor over any Bonds Outstanding hereunder.

Section 9.7. Permitted Acts.

The Trustee and its directors, officers, employees, or agents may become the owner of or may in good faith buy, sell, own, hold and deal in Bonds and may join in any action that any Owner of Bonds may be entitled to take as fully and with the same rights as if it were not the Trustee. The Trustee may act as depository, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, the City or any committee formed to protect the rights of holders of Bonds or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Indenture, whether or not such committee shall represent the holders of a majority in aggregate outstanding principal amount of the Bonds.

Section 9.8. Resignation of Trustee.

The Trustee may at any time resign and be discharged of its duties and obligations hereunder by giving not fewer than 30 days' notice, specifying the date when such resignation shall take effect, to the City and each Owner of any Outstanding Bond. Such resignation shall take effect upon the appointment of a successor as provided in Section 9.10 and the acceptance of such appointment by such successor.

Section 9.9. Removal of Trustee.

The Trustee may be removed at any time by (i) the Owners of at least a majority of the aggregate outstanding principal of the Bonds by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or by their attorneys-in-fact, duly authorized and delivered to the City, or (ii) so long as the City is not in default under this Indenture, the City. Copies of each such instrument shall be delivered by the City to the Trustee and any successor thereof. The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the City or the Owners of not less than 10% of the aggregate outstanding principal of the Bonds.

Section 9.10. Successor Trustee.

If the Trustee shall resign, be removed, be dissolved, or become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator, or conservator of the

Trustee or of its property shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, the position of the Trustee hereunder shall thereupon become vacant.

If the position of Trustee shall become vacant for any of the foregoing reasons or for any other reason, a successor Trustee may be appointed within one year after any such vacancy shall have occurred by the Owners of at least twenty-five percent (25%) of the aggregate outstanding principal of the Bonds by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or their attorneys-in-fact, duly authorized and delivered to such successor Trustee, with notification thereof being given to the predecessor Trustee and the City.

Until such successor Trustee shall have been appointed by the Owners of the Bonds, the City shall forthwith appoint a Trustee to act hereunder. Copies of any instrument of the City providing for any such appointment shall be delivered by the City to the Trustee so appointed. The City shall mail notice of any such appointment to each Owner of any Outstanding Bonds within 30 days after such appointment. Any appointment of a successor Trustee made by the City immediately and without further act shall be superseded and revoked by an appointment subsequently made by the Owners of Bonds.

If in a proper case no appointment of a successor Trustee shall be made within 45 days after the giving by any Trustee of any notice of resignation in accordance with Section 9.8 herein or after the occurrence of any other event requiring or authorizing such appointment, the Trustee or any Owner of Bonds may apply to any court of competent jurisdiction for the appointment of such a successor, and the court may thereupon, after such notice, if any, as the court may deem proper, appoint such successor and the City shall be responsible for the costs of such appointment process.

Any successor Trustee appointed under the provisions of this Section shall be a commercial bank or trust company or national banking association (i) having a capital and surplus and undivided profits aggregating at least \$50,000,000, if there be such a commercial bank or trust company or national banking association willing and able to accept the appointment on reasonable and customary terms, and (ii) authorized by law to perform all the duties of the Trustee required by this Indenture.

Each successor Trustee shall mail, in accordance with the provisions of the Bonds, notice of its appointment to the Trustee, any rating agency which, at the time of such appointment, is providing a rating on the Bonds and each of the Owners of the Bonds.

Section 9.11. Transfer of Rights and Property to Successor Trustee.

Any successor Trustee appointed under the provisions of Section 9.10 shall execute, acknowledge, and deliver to its predecessor and the City an instrument in writing accepting such appointment, and thereupon such successor, without any further act, deed, or conveyance, shall become fully vested with all moneys, estates, properties, rights, immunities, powers, duties, obligations, and trusts of its predecessor hereunder, with like effect as if originally appointed as Trustee. However, the Trustee then ceasing to act shall nevertheless, on request of the City or of such successor, execute, acknowledge, and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor all the rights, immunities, powers, and trusts of such Trustee and all the right, title, and interest of such

Trustee in and to the Trust Estate, and shall pay over, assign, and deliver to such successor any moneys or other properties subject to the trusts and conditions herein set forth. Should any deed, conveyance, or instrument in writing from the City be required by such successor for more fully and certainly vesting in and confirming to it any such moneys, estates, properties, rights, powers, duties, or obligations, any and all such deeds, conveyances, and instruments in writing, on request and so far as may be authorized by law, shall be executed, acknowledged, and delivered by the City.

Section 9.12. Merger, Conversion or Consolidation of Trustee.

Any corporation or association into which the Trustee may be merged or with which it may be consolidated or any corporation or association resulting from any merger, conversion or consolidation to which it shall be a party or any corporation or association to which the Trustee may sell or transfer all or substantially all of its corporate trust business shall be the successor to such Trustee hereunder, without any further act, deed or conveyance, provided that such corporation or association shall be a commercial bank or trust company or national banking association qualified to be a successor to such Trustee under the provisions of Section 9.10, or a trust company that is a wholly-owned subsidiary of any of the foregoing.

Section 9.13. Trustee To File Continuation Statements Only.

The Trustee shall have no duty or obligation to file or record any financing statements pursuant to the UCC. If necessary, the Trustee shall file or cause to be filed, such continuation statements as may be required by the Texas Uniform Commercial Code, as from time to time in effect (the "UCC"), in order to continue perfection of the security interest of the Trustee in such items of tangible or intangible personal property and any fixtures as may have been granted to the Trustee pursuant to this Indenture in the time, place and manner required by the UCC.

Section 9.14. Construction of Indenture.

The Trustee may construe any of the provisions of this Indenture insofar as the same may appear to be ambiguous or inconsistent with any other provision hereof, and any construction of any such provisions hereof by the Trustee in good faith shall be binding upon the Owners of the Bonds. Permissive rights of the Trustee are not to be construed as duties.

ARTICLE X

MODIFICATION OR AMENDMENT OF THIS INDENTURE

Section 10.1. Amendments Permitted.

This Indenture and the rights and obligations of the City and of the Owners of the Bonds may be modified or amended at any time by a Supplemental Indenture, except as provided below, pursuant to the affirmative vote at a meeting of Owners of the Bonds, or with the written consent without a meeting, of the Owners of at least sixty-six and two-thirds percent (66-2/3%) of the aggregate principal amount of the Bonds then Outstanding. No such modification or amendment shall (i) extend the maturity of any Bond or reduce the interest rate thereon, or otherwise alter or impair the obligation of the City to pay the principal of, and the interest and any premium on, any Bond, without the express consent of the Owner of such Bond, or (ii) permit the creation by the City of any pledge or lien upon the Pledged Revenues superior to or on a parity with the pledge and lien created for the benefit of the Bonds (except as otherwise

permitted by Applicable Laws or this Indenture), or reduce the percentage of Bonds required for the amendment hereof. Any such amendment may not modify any of the rights or obligations of the Trustee without its written consent.

This Indenture and the rights and obligations of the City and of the Owners may also be modified or amended at any time by a Supplemental Indenture, without the consent of any Owners, only to the extent permitted by law and only for any one or more of the following purposes:

(i) to add to the covenants and agreements of the City in this Indenture contained, other covenants and agreements thereafter to be observed, or to limit or surrender any right or power herein reserved to or conferred upon the City;

(ii) to make modifications not adversely affecting any Outstanding Bonds in any material respect;

(iii) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in this Indenture, or in regard to questions arising under this Indenture, as the City and the Trustee may deem necessary or desirable and not inconsistent with this Indenture, and that shall not adversely affect the rights of the Owners of the Bonds; and

(iv) to make such additions, deletions or modifications as may be necessary or desirable to assure exemption from federal income taxation of interest on the Bonds. The Trustee must receive an opinion of counsel for such Supplemental Indenture to the effect that the same is authorized or permitted by the terms of this Indenture.

Section 10.2. Owners' Meetings.

The City may at any time call a meeting of the Owners of the Bonds. In such event the City is authorized to fix the time and place of said meeting and to provide for the giving of notice thereof, and to fix and adopt rules and regulations for the conduct of said meeting.

Section 10.3. Procedure for Amendment with Written Consent of Owners.

The City and the Trustee may at any time adopt a Supplemental Indenture amending the provisions of the Bonds or of this Indenture, to the extent that such amendment is permitted by Section 10.1 herein, to take effect when and as provided in this Section. A copy of such Supplemental Indenture, together with a request to Owners for their consent thereto, shall be mailed by first class mail, by the Trustee to each Owner of Bonds from whom consent is required under this Indenture, but failure to mail copies of such Supplemental Indenture and request shall not affect the validity of the Supplemental Indenture when assented to as in this Section provided.

Such Supplemental Indenture shall not become effective unless there shall be filed with the Trustee the written consents of the Owners as required by this Indenture and a notice shall have been mailed as hereinafter in this Section provided. Each such consent shall be effective only if accompanied by proof of ownership of the Bonds for which such consent is given, which proof shall be such as is permitted by Section 11.6 herein. Any such consent shall be binding upon the Owner of the Bonds giving such consent and on any subsequent Owner (whether or not such subsequent Owner has notice thereof), unless such consent is revoked in writing by

the Owner giving such consent or a subsequent Owner by filing such revocation with the Trustee prior to the date when the notice hereinafter in this Section provided for has been mailed.

After the Owners of the required percentage of Bonds shall have filed their consents to the Supplemental Indenture, the City shall mail a notice to the Owners in the manner hereinbefore provided in this Section for the mailing of the Supplemental Indenture, stating in substance that the Supplemental Indenture has been consented to by the Owners of the required percentage of Bonds and will be effective as provided in this Section (but failure to mail copies of said notice shall not affect the validity of the Supplemental Indenture or consents thereto). Proof of the mailing of such notice shall be filed with the Trustee. A record, consisting of the papers required by this Section 10.3 to be filed with the Trustee, shall be proof of the matters therein stated until the contrary is proved. The Supplemental Indenture shall become effective upon the filing with the Trustee of the proof of mailing of such notice, and the Supplemental Indenture shall be deemed conclusively binding (except as otherwise hereinabove specifically provided in this Article) upon the City and the Owners of all Bonds at the expiration of sixty (60) days after such filing, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in a legal action or equitable proceeding for such purpose commenced within such sixty-day period.

Section 10.4. Effect of Supplemental Indenture.

From and after the time any Supplemental Indenture becomes effective pursuant to this Article X, this Indenture shall be deemed to be modified and amended in accordance therewith, the respective rights, duties, and obligations under this Indenture of the City, the Trustee, and all Owners of Bonds Outstanding shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 10.5. Endorsement or Replacement of Bonds Issued After Amendments.

The City may determine that Bonds issued and delivered after the effective date of any action taken as provided in this Article X shall bear a notation, by endorsement or otherwise, in form approved by the City, as to such action. In that case, upon demand of the Owner of any Bond Outstanding at such effective date and presentation of his Bond for that purpose at the designated office of the Trustee or at such other office as the City may select and designate for that purpose, a suitable notation shall be made on such Bond. The City may determine that new Bonds, so modified as in the opinion of the City is necessary to conform to such Owners' action, shall be prepared, executed, and delivered. In that case, upon demand of the Owner of any Bonds then Outstanding, such new Bonds shall be exchanged at the designated office of the Trustee without cost to any Owner, for Bonds then Outstanding, upon surrender of such Bonds.

Section 10.6. Amendatory Endorsement of Bonds.

The provisions of this Article X shall not prevent any Owner from accepting any amendment as to the particular Bonds held by such Owner, provided that due notation thereof is made on such Bonds.

Section 10.7. Waiver of Default

With the written consent of at least sixty-six and two-thirds percent (66-2/3%) in aggregate principal amount of the Bonds then Outstanding, the Owners may waive compliance by the City with certain past defaults under the Indenture and their consequences. Any such consent shall be conclusive and binding upon the Owners and upon all future Owners.

ARTICLE XI

DEFAULT AND REMEDIES

Section 11.1. Events of Default.

(a) Each of the following occurrences or events shall be and is hereby declared to be an "Event of Default," to wit:

(i) The failure of the City to deposit the Pledged Revenues to the Bond Pledged Revenue Account of the Pledged Revenue Fund;

(ii) The failure of the City to enforce the collection of the Phase #2 Assessments including the prosecution of foreclosure proceedings;

(iii) The failure to make payment of the principal of or interest on any of the Bonds when the same becomes due and payable and such failure is not remedied within thirty (30) days provided, however, that the payments are to be made only from Pledged Revenues and the Pledged Revenues must be available to the City to make any such payments; and

(iv) Default in the performance or observance of any covenant, agreement or obligation of the City under this Indenture and the continuation thereof for a period of ninety (90) days after written notice to the City by the Trustee, or by the Owners of at least 25% of the aggregate outstanding principal of the Bonds with a copy to the Trustee, specifying such default by the Owners of at least 25% of the Bonds at the time Outstanding requesting that the failure be remedied.

(b) Nothing in Section 11.1(a) will be viewed to be an Event of Default if it is in violation of any applicable state law or court order.

Section 11.2. Immediate Remedies for Default.

(a) Subject to Article VIII, upon the happening and continuance of any of the Events of Default described in Section 11.1, the Owners of at least 25% of the Bonds then Outstanding, may proceed against the City for the purpose of protecting and enforcing the rights of the Owners under this Indenture, by action seeking mandamus or by other suit, action, or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief to the extent permitted by Applicable Laws, including, but not limited to, the specific performance of any covenant or agreement contained herein, or injunction; provided, however, that no action for money damages against the City may be sought or shall be permitted.

(b) THE PRINCIPAL OF THE BONDS SHALL NOT BE SUBJECT TO ACCELERATION UNDER ANY CIRCUMSTANCES.

(c) If the assets of the Trust Estate are sufficient to pay all amounts due with respect to Outstanding Bonds, in the selection of Trust Estate assets to be used in the payment of Bonds due under this Article, the City shall determine, in its absolute discretion, and shall instruct the Trustee by City Order, which Trust Estate assets shall be applied to such payment and shall not be liable to any Owner or other Person by reason of such selection and application. In the event that the City shall fail to deliver to the Trustee such City Order, the Trustee shall select and liquidate or sell Trust Estate assets as provided in the following paragraph, and shall not be liable to any Owner, or other Person, or the City by reason of such selection, liquidation or sale.

(d) Whenever moneys are to be applied pursuant to this Article XI, irrespective of and whether other remedies authorized under this Indenture shall have been pursued in whole or in part, the Trustee may cause any or all of the assets of the Trust Estate, including Investment Securities, to be sold. The Trustee may so sell the assets of the Trust Estate and all right, title, interest, claim and demand thereto and the right of redemption thereof, in one or more parts, at any such place or places, and at such time or times and upon such notice and terms as the Trustee may deem appropriate and as may be required by law and apply the proceeds thereof in accordance with the provisions of this Section. Upon such sale, the Trustee may make and deliver to the purchaser or purchasers a good and sufficient assignment or conveyance for the same, which sale shall be a perpetual bar both at law and in equity against the City, and all other Persons claiming such properties. No purchaser at any sale shall be bound to see to the application of the purchase money proceeds thereof or to inquire as to the authorization, necessity, expediency, or regularity of any such sale. Nevertheless, if so requested by the Trustee, the City shall ratify and confirm any sale or sales by executing and delivering to the Trustee or to such purchaser or purchasers all such instruments as may be necessary or, in the judgment of the Trustee, proper for the purpose which may be designated in such request.

Section 11.3. Restriction on Owner's Action.

(a) No Owner shall have any right to institute any action, suit or proceeding at law or in equity for the enforcement of this Indenture or for the execution of any trust thereof or any other remedy hereunder, unless (i) a default has occurred and is continuing of which the Trustee has been notified in writing, (ii) such default has become an Event of Default and the Owners of 25% of the aggregate principal amount of the Bonds then Outstanding have made written request to the Trustee and offered it reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, (iii) the Owners have furnished to the Trustee indemnity as provided in Section 9.2 herein, (iv) the Trustee has for ninety (90) days after such notice failed or refused to exercise the powers hereinbefore granted, or to institute such action, suit, or proceeding in its own name, (v) no direction inconsistent with such written request has been given to the Trustee during such 90-day period by the Owners of a majority of the aggregate principal amount of the Bonds then Outstanding, and (vi) notice of such action, suit, or proceeding is given to the Trustee; however, no one or more Owners of the Bonds shall have any right in any manner whatsoever to affect, disturb, or prejudice this Indenture by its, his or their action or to enforce any right hereunder except in the manner provided herein, and that all proceedings at law or in equity shall be instituted and maintained in the manner provided herein and for the equal benefit of the Owners of all Bonds then Outstanding. The notification, request and furnishing of indemnity set forth above shall, at the option of the Trustee, be conditions precedent to the execution of the powers and trusts of this Indenture and to any action or cause of action for the enforcement of this Indenture or for any other remedy hereunder.

(b) Subject to Article VIII, nothing in this Indenture shall affect or impair the right of any Owner to enforce, by action at law, payment of any Bond at and after the maturity thereof, or on the date fixed for redemption or the obligation of the City to pay each Bond issued hereunder to the respective Owners thereof at the time and place, from the source and in the manner expressed herein and in the Bonds.

(c) In case the Trustee or any Owners shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or any Owners, then and in every such case the City, the Trustee and the Owners shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 11.4. Application of Revenues and Other Moneys After Default.

(a) All moneys, securities, funds and Pledged Revenues and the income therefrom received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall, after payment of the cost and expenses of the proceedings resulting in the collection of such amounts, the expenses (including its counsel), liabilities, and advances incurred or made by the Trustee and the fees of the Trustee in carrying out this Indenture, during the continuance of an Event of Default, the Trustee, on behalf of the City, notwithstanding Section 11.2 hereof, be applied by the Trustee, to the payment of interest and principal or redemption price then due on Bonds, as follows:

FIRST: To the payment to the Owners entitled thereto all installments of interest then due in the direct order of maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the Owners entitled thereto, without any discrimination or preference; and

SECOND: To the payment to the Owners entitled thereto of the unpaid principal of Outstanding Bonds, or redemption price of any Bonds which shall have become due, whether at maturity or by call for redemption, in the direct order of their due dates and, if the amounts available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal due and to the Owners entitled thereto, without any discrimination or preference.

Within ten (10) days of receipt of such good and available funds, the Trustee may fix a record and payment date for any payment to be made to Owners pursuant to this Section 11.4.

(b) In the event funds are not adequate to cure any of the Events of Default described in Section 11.1, the available funds shall be allocated to the Bonds that are Outstanding in proportion to the quantity of Bonds that are currently due and in default under the terms of this Indenture.

(c) The restoration of the City to its prior position after any and all defaults have been cured, as provided in Section 11.3, shall not extend to or affect any subsequent default under this Indenture or impair any right consequent thereon.

Section 11.5. Effect of Waiver.

(a) No delay or omission of the Trustee, or any Owner, to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Indenture to the Trustee or the Owners, respectively, may be exercised from time to time and as often as may be deemed expedient.

unless this Bond shall have been sooner called for redemption and the payment of the principal hereof shall have been paid or provision for such payment shall have been made, and to pay interest on the unpaid principal amount hereof from the later of the Date of Delivery, as specified above, or the most recent Interest Payment Date to which interest has been paid or provided for until such principal amount shall have been paid or provided for, at the per annum rate of interest specified above, computed on the basis of a 360-day year of twelve 30-day months, such interest to be paid semiannually on March 1 and September 1 of each year, commencing March 1, 2019, until maturity or prior redemption.

Capitalized terms appearing herein that are defined terms in the Indenture defined below, have the meanings assigned to them in the Indenture. Reference is made to the Indenture for such definitions and for all other purposes.

The principal of this Bond shall be payable without exchange or collection charges in lawful money of the United States of America upon presentation and surrender of this Bond at the corporate trust office in St. Paul, Minnesota (the "Designated Payment/Transfer Office"), of U.S. Bank National Association, as trustee and paying agent/registrar (the "Trustee", which term

Interest on this Bond is payable by check dated as of the Interest Payment Date, mailed by the Trustee to the registered owner at the address shown on the registration books kept by the Trustee or by such other customary banking arrangements acceptable to the Trustee, requested by, and at the risk and expense of, the Person to whom interest is to be paid. For the purpose of the payment of interest on this Bond, the registered owner shall be the Person in whose name this Bond is registered at the close of business on the "Record Date," which shall be the fifteenth day of the month next preceding such Interest Payment Date; provided, however, that in the event of nonpayment of interest on a scheduled Interest Payment Date, and for 30 days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Trustee, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the "Special Payment Date," which shall be 15 days after the Special Record Date) shall be sent at least five Business Days prior to the Special Record Date by United States mail, first-class, postage prepaid, to the address of each Owner of a Bond appearing on the books of the Trustee at the close of business on the last Business Day preceding the date of mailing such notice.

If a date for the payment of the principal of or interest on the Bonds is a Saturday, Sunday, legal holiday, or a day on which banking institutions in the city in which the Designated Payment/Transfer Office is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding Business Day, and payment on such date shall have the same force and effect as if made on the original date payment was due.

This Bond is one of a duly authorized issue of assessment revenue bonds of the City having the designation specified in its title (herein referred to as the "Bonds"), dated September 1, 2018 and issued in the aggregate principal amount of \$_____ and issued, with the limitations described herein, pursuant to an Indenture of Trust, dated as of September 1, 2018 (the "Indenture"), by and between the City and the Trustee, to which Indenture reference is hereby made for a description of the amounts thereby pledged and assigned, the nature and extent of the lien and security, the respective rights thereunder to the holders of the Bonds, the Trustee, and the City, and the terms upon which the Bonds are, and are to be, authenticated and delivered and by this reference to the terms of which each holder of this Bond hereby consents. All Bonds issued under the Indenture are equally and ratably secured by the amounts thereby pledged and assigned. The Bonds are being issued for the purpose of (i) paying a portion of the Costs of the Phase #2 Improvements, (ii) paying a portion of the interest on the Bonds during and after the period of acquisition and construction of the Phase #2 Improvements (iii) funding a reserve fund for payment of principal and interest on the Bonds, (iv) paying a portion of the costs incidental to the organization of the District, and (v) paying the costs of issuing the Bonds.

The Bonds are limited obligations of the City payable solely from the Trust Estate as defined in the Indenture. Reference is hereby made to the Indenture, copies of which are on file with and available upon request from the Trustee, for the provisions, among others, with respect to the nature and extent of the duties and obligations of the City, the Trustee and the Owners. The Owner of this Bond, by the acceptance hereof, is deemed to have agreed and consented to the terms, conditions and provisions of the Indenture.

Notwithstanding any provision hereof, the Indenture may be released and the obligation of the City to make money available to pay this Bond may be defeased by the deposit of money

and/or certain direct or indirect Defeasance Securities sufficient for such purpose as described in the Indenture.

The Bonds are issuable as fully registered bonds only in Authorized Denominations, subject to the provisions of the Indenture authorizing redemption in denominations of \$25,000 and any multiple of \$5,000 in excess thereof.

The Bonds are subject to sinking fund redemption prior to their respective maturities and will be redeemed by the City in part at a price equal to the principal amount thereof plus accrued and unpaid interest thereon to the date set for redemption from moneys available for such purpose in the Redemption Fund pursuant to Article VI of the Indenture, on the dates and in the principal amounts as set forth in the following schedule:

<u>Redemption Date</u>	<u>Principal Amount (\$)</u>
------------------------	------------------------------

*Stated Maturity.

At least forty-five (45) days prior to each sinking fund redemption date, the Trustee shall select for redemption by lot, or by any other customary method that results in a pro rata selection, a principal amount of Bonds of such maturity equal to the sinking fund installments of such Bonds to be redeemed, shall call such Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption, as provided in Section 4.6 of the Indenture.

The principal amount of Bonds required to be redeemed on any sinking fund redemption date shall be reduced, at the option of the City, by the principal amount of any Bonds of such

maturity which, at least 45 days prior to the sinking fund redemption date (i) shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued and unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation, or (ii) shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption and not previously credited to a sinking fund redemption.

The City reserves the right and option to redeem Bonds before their scheduled maturity dates, in whole or in part, on any date on or after September 1, 20__, such redemption date or dates to be fixed by the City, at the price of par, plus accrued interest to the date of redemption.

Bonds are subject to extraordinary optional redemption prior to maturity in whole or in part, on the first day of any month, at a redemption price equal to the principal amount of the Bonds called for redemption, plus accrued and unpaid interest to the date fixed for redemption from amounts on deposit in the Redemption Fund as a result of Prepayments.

The Trustee shall give notice of any redemption of Bonds by sending notice by United States mail, first-class, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond (or part thereof) to be redeemed, at the address shown on the Register. The notice shall state the redemption date, the redemption price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed. Any notice so given shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

With respect to any optional redemption of the Bonds, unless the Trustee has received funds sufficient to pay the redemption price of the Bonds to be redeemed before giving of a notice of redemption, the notice may state the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption are not satisfied and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds, and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the City and the rights of the holders of the Bonds under the Indenture at any time Outstanding affected by such modification. The Indenture also contains provisions permitting the holders of specified percentages in aggregate principal amount of the Bonds at the time Outstanding, on behalf of the holders of all the Bonds, to waive compliance by the City with certain past defaults under the Bond Ordinance or the Indenture and their consequences. Any such consent or waiver by the holder of this Bond or any predecessor Bond evidencing the same debt shall be conclusive and binding upon such holder and upon all future holders thereof and of any Bond issued upon the transfer thereof or in exchange therefor or in lieu thereof, whether or not notation of such consent or waiver is made upon this Bond.

As provided in the Indenture, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office, with such endorsement or other evidence of transfer as is acceptable to the Trustee, and upon delivery to the Trustee of such certifications and/or opinion of counsel as may be required under the Indenture for the transfer of this Bond. Upon satisfaction of such requirements, one or more new fully registered Bonds of the same Stated Maturity, of Authorized Denominations, bearing the same rate of interest, and

for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the City nor the Trustee shall be required to issue, transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 45 calendar days of the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond.

The City, the Trustee, and any other Person may treat the Person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the Person in whose name this Bond is registered on the Record Date or Special Record Date, as applicable) and for all other purposes, whether or not this Bond be overdue, and neither the City nor the Trustee shall be affected by notice to the contrary.

The City has reserved the right to issue Phased Bonds and Additional Obligations on the terms and conditions specified in the Indenture.

NEITHER THE FULL FAITH AND CREDIT NOR THE GENERAL TAXING POWER OF THE CITY OF CELINA, TEXAS, COLLIN COUNTY, TEXAS, OR THE STATE OF TEXAS, OR ANY POLITICAL SUBDIVISION THEREOF, IS PLEDGED TO THE PAYMENT OF THE BONDS.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law; and that the total indebtedness of the City, including the Bonds, does not exceed any Constitutional or statutory limitation.

IN WITNESS WHEREOF, the City Council of the City has caused this Bond to be executed under the official seal of the City.

BOND PURCHASE AGREEMENT

August 14, 2018

City of Celina, Texas
 142 N. Ohio Street
 Celina, Texas 76201

Ladies and Gentlemen:

The undersigned, FMSbonds, Inc. (the “Underwriter”), offers to enter into this Bond Purchase Agreement (this “Agreement”) with the City of Celina, Texas (the “City”), which will be binding upon the City and the Underwriter upon the acceptance of this Agreement by the City. This offer is made subject to its acceptance by the City by execution of this Agreement and its delivery to the Underwriter on or before 10:00 p.m., Central Time, on the date hereof and, if not so accepted, will be subject to withdrawal by the Underwriter upon written notice delivered to the City at any time prior to the acceptance hereof by the City. All capitalized terms not otherwise defined herein shall have the meanings given to such terms in the Indenture (defined herein) between the City and U.S. Bank National Association, as trustee (the “Trustee”), authorizing the issuance of the Bonds (defined herein), and in the Limited Offering Memorandum (defined herein).

1. Purchase and Sale of Bonds. Upon the terms and conditions and upon the basis of representations, warranties, and agreements hereinafter set forth, the Underwriter hereby agrees to purchase from the City, and the City hereby agrees to sell to the Underwriter, all (but not less than all) of the \$6,875,000 aggregate principal amount of the “City of Celina, Texas, Special Assessment Revenue Bonds, Series 2018 (Creeks of Legacy Public Improvement District Phase #2 Project)” (the “Bonds”), at a purchase price of \$_____ (representing the aggregate principal amount of the Bonds less an Underwriter’s discount of \$_____).

Inasmuch as this purchase and sale represents a negotiated transaction, the City understands, and hereby confirms, that the Underwriter is not acting as a municipal advisor or fiduciary of the City (including, without limitation, a Municipal Advisor (as such term is defined in Section 975(e) of the Dodd Frank Wall Street Reform and Consumer Protection Act)), but rather is acting solely in its capacity as Underwriter for its own account. The City acknowledges and agrees that (i) the purchase and sale of the Bonds pursuant to this Agreement is an arm’s length commercial transaction between the City and the Underwriter and the Underwriter has

financial and other interests that differ from any other party to this Agreement, (ii) in connection therewith and with the discussions, undertakings, and procedures leading up to the consummation of this transaction, the Underwriter is and has been acting solely as a principal and is not acting as the agent, municipal advisor, financial advisor, or fiduciary of the City, (iii) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of the City with respect to the offering described herein or the discussions, undertakings, and procedures leading thereto (regardless of whether the Underwriter has provided other services or is currently providing other services to the City on other matters) and the Underwriter has no obligation to the City with respect to the offering described herein except the obligations expressly set forth in this Agreement, (iv) the City has consulted its own legal, financial and other advisors to the extent it has deemed appropriate, (v) the Underwriter has financial and other interests that differ from those of the City, and (vi) the Underwriter has provided to the City prior disclosures under Rule G-17 of the Municipal Securities Rulemaking Board (“MSRB”), which have been received by the City. The City further acknowledges and agrees that following the issuance and delivery of the Bonds, the Underwriter has indicated that it may have periodic discussions with the City regarding the expenditure of Bond proceeds and the construction of the Phase #2 Improvements financed with the Bonds and, in connection with such discussions, the Underwriter shall be acting solely as a principal and will not be acting as the agent or fiduciary of, and will not be assuming an advisory or fiduciary responsibility in favor of, the City.

The Bonds shall be dated September 1, 2018 and shall have the maturities and redemption features, if any, and bear interest at the rates per annum shown on Schedule I hereto. Payment for and delivery of the Bonds, and the other actions described herein, shall take place on September 6, 2018 (or such other date as may be agreed to by the City and the Underwriter) (the “Closing Date”).

2. Authorization Instruments and Law. The Bonds were authorized by an Ordinance enacted by the City Council of the City (the “City Council”) on August 14, 2018 (the “Bond Ordinance”) and shall be issued pursuant to the provisions of Subchapter A of Chapter 372, Texas Local Government Code, as amended (the “Act”), and the Indenture of Trust, dated as of September 1, 2018, between the City and the Trustee, authorizing the issuance of the Bonds (the “Indenture”). The Bonds shall be substantially in the form described in, and shall be secured under the provisions of, the Indenture.

The Bonds and interest thereon shall be secured by the proceeds of special assessments (the “Assessments”) levied on the assessable parcels within Phase #2 of the Creeks of Legacy Public Improvement District (the “District”). The District was established by a resolution enacted by the City Council on April 29, 2014 (the “Creation Resolution”) in accordance with the Act. A Service and Assessment Plan (the “Service and Assessment Plan”) which sets forth the costs of the Phase #2 Improvements and the method of payment of the Assessments was adopted pursuant to an ordinance of the City Council adopted on March 13, 2018 (the “Assessment Ordinance” and, together with the Creation Resolution, the Indenture and the Bond Ordinance, the “Authorizing Documents”). The Bonds shall be further secured by certain applicable funds and accounts created under the Indenture.

The Bonds shall be as described in Schedule I, the Indenture, and the Limited Offering Memorandum. The proceeds of the Bonds shall be used for (i) financing the costs of the Phase

#2 Improvements (as defined in the Indenture) that will benefit the District, (ii) paying a portion of the interest on the Bonds during and after the period of acquisition and construction of the Phase #2 Improvements, (iii) funding a reserve fund for the payment of principal of and interest on the Bonds, (iv) paying a portion of the costs incidental to the organization of the District, and (v) paying the costs of issuing the Bonds

3. Limited Public Offering. The Underwriter agrees to make a bona fide limited public offering of all of the Bonds in accordance with Section 11 hereof. On or before the third (3rd) business day prior to Closing, the Underwriter shall execute and deliver to Bond Counsel the Issue Price Certificate, in substantially the form attached hereto as Appendix B.

4. Limited Offering Memorandum.

(a) Delivery of Limited Offering Memorandum. The City previously has delivered, or caused to be delivered, to the Underwriter the Preliminary Limited Offering Memorandum for the Bonds dated August 7, 2018 (the “Preliminary Limited Offering Memorandum”), in a “designated electronic format,” as defined in the Municipal Securities Rulemaking Board (“MSRB”) Rule G-32 (“Rule G-32”). The City will prepare, or cause to be prepared, a final Limited Offering Memorandum relating to the Bonds (the “Limited Offering Memorandum”) which will be (i) dated the date of this Agreement, (ii) complete within the meaning of the United States Securities and Exchange Commission’s Rule 15c2-12, as amended (“Rule 15c2-12”), (iii) in a “designated electronic format,” and (iv) substantially in the form of the most recent version of the Preliminary Limited Offering Memorandum provided to the Underwriter before the execution hereof. The Limited Offering Memorandum, including the cover page thereto, all exhibits, schedules, appendices, maps, charts, pictures, diagrams, reports, and statements included or incorporated therein or attached thereto, and all amendments and supplements thereto that may be authorized for use with respect to the Bonds are collectively referred to herein as the “Limited Offering Memorandum.” Until the Limited Offering Memorandum has been prepared and is available for distribution, the City shall provide to the Underwriter sufficient quantities (which may be in electronic format) of the Preliminary Limited Offering Memorandum as the Underwriter deems necessary to satisfy the obligation of the Underwriter under Rule 15c2-12 with respect to distribution to each potential customer, upon request, of a copy of the Preliminary Limited Offering Memorandum.

(b) Preliminary Limited Offering Memorandum Deemed Final. The Preliminary Limited Offering Memorandum has been prepared for use by the Underwriter in connection with the offering, sale, and distribution of the Bonds. The City hereby represents and warrants that the Preliminary Limited Offering Memorandum has been deemed final by the City as of its date, except for the omission of such information which is dependent upon the final pricing of the Bonds for completion, all as permitted to be excluded by Section (b)(1) of Rule 15c2-12.

(c) Use of Limited Offering Memorandum in Offering and Sale. The City hereby authorizes the Limited Offering Memorandum and the information therein contained to be used by the Underwriter in connection with the offering and the sale of

the Bonds. The City consents to the use by the Underwriter prior to the date hereof of the Preliminary Limited Offering Memorandum in connection with the offering of the Bonds. The City shall provide, or cause to be provided, to the Underwriter as soon as practicable after the date of the City's acceptance of this Agreement (but, in any event, not later than the earlier of the Closing Date or seven (7) business days after the City's acceptance of this Agreement) copies of the Limited Offering Memorandum which is complete as of the date of its delivery to the Underwriter. The City shall provide the Limited Offering Memorandum, or cause the Limited Offering Memorandum to be provided, (i) in a "designated electronic format" consistent with the requirements of Rule G-32 and (ii) in a printed format in such quantity as the Underwriter shall request in order for the Underwriter to comply with Section (b)(4) of Rule 15c2-12 and the rules of the MSRB.

(d) Updating of Limited Offering Memorandum. If, after the date of this Agreement, up to and including the date the Underwriter is no longer required to provide a Limited Offering Memorandum to potential customers who request the same pursuant to Rule 15c2-12 (the earlier of (i) ninety (90) days from the "end of the underwriting period" (as defined in Rule 15c2-12) and (ii) the time when the Limited Offering Memorandum is available to any person from the MSRB, but in no case less than the 25th day after the "end of the underwriting period" for the Bonds), the City becomes aware of any fact or event which might or would cause the Limited Offering Memorandum, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, or if it is necessary to amend or supplement the Limited Offering Memorandum to comply with law, the City will notify the Underwriter (and for the purposes of this clause provide the Underwriter with such information as it may from time to time request), and if, in the reasonable judgment of the Underwriter, such fact or event requires preparation and publication of a supplement or amendment to the Limited Offering Memorandum, the City will forthwith prepare and furnish, at no expense to the Underwriter (in a form and manner approved by the Underwriter), either an amendment or a supplement to the Limited Offering Memorandum so that the statements therein as so amended and supplemented will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading or so that the Limited Offering Memorandum will comply with law; provided, however, that for all purposes of this Agreement and any certificate delivered by the City in accordance herewith, (i) the City makes no representations with respect to the descriptions in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum of The Depository Trust Company, New York, New York ("DTC"), or its book-entry-only system, and (ii) the City makes no representation with respect to the information in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum under the captions and subcaptions "PLAN OF FINANCE — Development Plan, Status of Development and Plan of Finance," "BOOK-ENTRY ONLY SYSTEM," "THE PHASE #2 IMPROVEMENTS," "THE DEVELOPMENT," "THE DEVELOPER," "BONDHOLDERS' RISKS" (only as it pertains to the Developer, the Phase #2 Improvements and the Development), "THE ASSESSMENT CONSULTANT AND ADMINISTRATOR," "LEGAL MATTERS — Litigation — The

Developer,” “CONTINUING DISCLOSURE – The Developer”, “CONTINUING DISCLOSURE – The Developer’s Compliance with Prior Agreements to Provide Continuing Disclosure,” and “INFORMATION RELATING TO THE TRUSTEE.” If such notification shall be subsequent to the Closing, the City, at no expense to the Underwriter, shall furnish such legal opinions, certificates, instruments, and other documents as the Underwriter may reasonably deem necessary to evidence the truth and accuracy of such supplement or amendment to the Limited Offering Memorandum. The City shall provide any such amendment or supplement, or cause any such amendment or supplement to be provided, (i) in a “designated electronic format” consistent with the requirements of Rule G-32 and (ii) in a printed format in such quantity as the Underwriter shall request in order for the Underwriter to comply with Section (b)(4) of Rule 15c2-12 and the rules of the MSRB.

(e) Filing with MSRB. The Underwriter hereby agrees to timely file the Limited Offering Memorandum with the MSRB through its Electronic Municipal Market Access (“EMMA”) system within one business day after receipt but no later than the Closing Date. Unless otherwise notified in writing by the Underwriter, the City can assume that the “end of the underwriting period” for purposes of Rule 15c2-12 is the Closing Date.

(f) Limited Offering. The Underwriter hereby represents, warrants and covenants that the Bonds were initially sold pursuant to a limited offering. The Bonds were sold to not more than thirty-five persons that qualify as “Accredited Investors” (as defined in Rule 501 of Regulation D under the Securities Act (as defined herein)) or “Qualified Institutional Buyers” (within the meaning of Rule 144A under the Securities Act).

5. City Representations, Warranties and Covenants. The City represents, warrants and covenants that:

(a) Due Organization, Existence and Authority. The City is a political subdivision of the State of Texas (the “State”), and has, and at the Closing Date will have, full legal right, power and authority:

(i) to enter into:

(1) this Agreement;

(2) the Indenture;

(3) the “Creeks of Legacy Development Agreement”, effective June 11, 2014, executed and delivered by the City and the Developer (the “Development Agreement”);

(4) the “Creeks of Legacy Public Improvement District Phase #2 Improvements Construction, Funding and Acquisition Agreement”, effective March 13, 2018, and executed and delivered by the City, the

Developer, CADG Creeks of Legacy West, LLC and CADG Creeks of Legacy Stonegate, LLC (the “CFA Agreement”);

(5) the Continuing Disclosure Agreement of Issuer with respect to the Bonds, dated as of September 1, 2018 (the “City Continuing Disclosure Agreement”), executed and delivered by the City, MuniCap Inc., and U.S. Bank National Association, as Dissemination Agent; and

(6) the various Landowner Agreements dated as of August 14, 2018 (collectively, the “Landowner Agreements”) executed (i) by the City and the Developer (the “Developer Landowner Agreement”); (ii) the City and First Texas Homes, Inc.; (iii) the City and CADG Creeks of Legacy West, LLC; (iv) the City and CADG Creeks of Legacy Stonegate, LLC and (v) Lennar Homes Texas Land and Construction, Ltd.;

(ii) to issue, sell, and deliver the Bonds to the Underwriter as provided herein; and

(iii) to carry out and consummate the transactions on its part described in (1) the Authorizing Documents, (2) this Agreement, (3) the Development Agreement, (4) the CFA Agreement, (5) the Landowner Agreements, (6) the City Continuing Disclosure Agreement, (7) the Limited Offering Memorandum, and (8) any other documents and certificates described in any of the foregoing (the documents described by subclauses (1) through (8) being referred to collectively herein as the “City Documents”).

(b) Due Authorization and Approval of City. By all necessary official action of the City, the City has duly authorized and approved the adoption or execution and delivery by the City of, and the performance by the City of the obligations on its part contained in, the City Documents and, as of the date hereof, such authorizations and approvals are in full force and effect and have not been amended, modified or rescinded, except as may have been approved by the Underwriter. When validly executed and delivered by the other parties thereto, the City Documents will constitute the legally valid and binding obligations of the City enforceable upon the City in accordance with their respective terms, except insofar as enforcement may be limited by principles of governmental immunity, bankruptcy, insolvency, reorganization, moratorium, or similar laws or equitable principles relating to or affecting creditors’ rights generally. The City has complied, and will at the Closing (as defined herein) be in compliance, in all material respects, with the obligations on its part to be performed on or prior to the Closing Date under the City Documents.

(c) Due Authorization for Issuance of the Bonds. The City has duly authorized the issuance and sale of the Bonds pursuant to the Bond Ordinance, the Indenture, and the Act. The City has, and at the Closing Date will have, full legal right, power and authority (i) to enter into, execute, deliver, and perform its obligations under this Agreement and the other City Documents, (ii) to issue, sell and, deliver the Bonds to the Underwriter pursuant to the Indenture, the Bond Ordinance, the Act, and as provided

herein, and (iii) to carry out, give effect to and consummate the transactions on the part of the City described by the City Documents and the Bond Ordinance.

(d) No Breach or Default. As of the time of acceptance hereof, and to the best of its knowledge, the City is not, and as of the Closing Date the City will not be, in breach of or in default in any material respect under any applicable constitutional provision, law or administrative rule or regulation of the State or the United States, or any applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument related to the Bonds and to which the City is a party or is otherwise subject, and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute a default or event of default under any such instrument which breach, default or event could have a material adverse effect on the City's ability to perform its obligations under the Bonds or the City Documents; and, as of such times, the authorization, execution and delivery of the Bonds and the City Documents and compliance by the City with obligations on its part to be performed in each of such agreements or instruments does not and will not conflict with or constitute a breach of or default under any applicable constitutional provision, law or administrative rule or regulation of the State or the United States, or any applicable judgment, decree, license, permit, trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the City (or any of its officers in their respective capacities as such) is subject, or by which it or any of its properties are bound, nor will any such authorization, execution, delivery or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of its assets or properties or under the terms of any such law, regulation or instrument, except as may be permitted by the City Documents.

(e) No Litigation. At the time of acceptance hereof there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body (collectively and individually, an "Action") pending against the City with respect to which the City has been served with process, nor to the knowledge of the City is any Action threatened against the City, in which any such Action (i) in any way questions the existence of the City or the rights of the members of the City Council to hold their respective positions, (ii) in any way questions the formation or existence of the District, (iii) affects, contests or seeks to prohibit, restrain or enjoin the issuance or delivery of any of the Bonds, or the payment or collection of any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, or in any way contests or affects the validity of the City Documents or the consummation of the transactions on the part of the City described therein, or contests the exclusion of the interest on the Bonds from federal income taxation, or (iv) which may result in any material adverse change in the financial condition of the City; and, as of the time of acceptance hereof, to the City's knowledge, there is no basis for any action, suit, proceeding, inquiry, or investigation of the nature described in clauses (i) through (iv) of this sentence.

(f) Bonds Issued Pursuant to Indenture. The City represents that the Bonds, when issued, executed, and delivered in accordance with the Indenture and sold to the

Underwriter as provided herein, will be validly issued and outstanding obligations of the City subject to the terms of the Indenture, entitled to the benefits of the Indenture and the security of the pledge of the proceeds of the levy of the Assessments received by the City, all to the extent provided for in the Indenture. The Indenture creates a valid pledge of the monies in certain funds and accounts established pursuant to the Indenture to the extent provided for in the Indenture, including the investments thereof, subject in all cases to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth therein.

(g) Assessments. The Assessments constituting the security for the Bonds have been levied by the City in accordance with the Act on those parcels of land identified in the Assessment Roll (as defined in the Service and Assessment Plan). According to the Act, such Assessments constitute a valid and legally binding first and prior lien against the properties assessed, superior to all other liens and claims, except liens or claims for state, county, school district, or municipality ad valorem taxes.

(h) Consents and Approvals. All authorizations, approvals, licenses, permits, consents, elections, and orders of or filings with any governmental authority, legislative body, board, agency, or commission having jurisdiction in the matters which are required by the Closing Date for the due authorization of, which would constitute a condition precedent to or the absence of which would adversely affect the due performance by the City of, its obligations in connection with the City Documents have been duly obtained or made and are in full force and effect, except the approval of the Bonds by the Attorney General of the State, registration of the Bonds by the Comptroller of Public Accounts of the State, and the approvals, consents and orders as may be required under Blue Sky or securities laws of any jurisdiction.

(i) Public Debt. Prior to the Closing, the City will not offer or issue any bonds, notes or other obligations for borrowed money or incur any material liabilities, direct or contingent, payable from or secured by a pledge of the Assessments which secure the Bonds without the prior approval of the Underwriter.

(j) Preliminary Limited Offering Memorandum. The information contained in the Preliminary Limited Offering Memorandum is true and correct in all material respects, and such information does not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the City makes no representations with respect to (i) the descriptions in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum of DTC, or its book-entry-only system, and (ii) the City makes no representation with respect to the information in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum under the captions and subcaptions “PLAN OF FINANCE — Development Plan, Status of Development and Plan of Finance,” “BOOK-ENTRY ONLY SYSTEM,” “THE PHASE #2 IMPROVEMENTS,” “THE DEVELOPMENT,” “THE DEVELOPER,” “BONDHOLDERS' RISKS” (only as it pertains to the Developer, the Phase #2 Improvements and the Development), “THE ASSESSMENT CONSULTANT AND ADMINISTRATOR,” “LEGAL MATTERS —

Litigation — The Developer,” “CONTINUING DISCLOSURE – The Developer”, “CONTINUING DISCLOSURE – The Developer’s Compliance with Prior Agreements to Provide Continuing Disclosure,” and “INFORMATION RELATING TO THE TRUSTEE.”

(k) Limited Offering Memorandum. At the time of the City’s acceptance hereof and (unless the Limited Offering Memorandum is amended or supplemented pursuant to paragraph (d) of Section 4 of this Agreement) at all times subsequent thereto during the period up to and including the 25th day subsequent to the “end of the underwriting period,” the information contained in the Limited Offering Memorandum does not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; provided, however, that the City makes no representations with respect to (i) the descriptions in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum of DTC, or its book-entry-only system, and (ii) the City makes no representation with respect to the information in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum under the captions and subcaptions “PLAN OF FINANCE — Development Plan, Status of Development and Plan of Finance,” “BOOK-ENTRY ONLY SYSTEM,” “THE PHASE #2 IMPROVEMENTS,” “THE DEVELOPMENT,” “THE DEVELOPER,” “BONDHOLDERS’ RISKS” (only as it pertains to the Developer, the Phase #2 Improvements and the Development), “THE ASSESSMENT CONSULTANT AND ADMINISTRATOR,” “LEGAL MATTERS — Litigation — The Developer,” “CONTINUING DISCLOSURE – The Developer”, “CONTINUING DISCLOSURE – The Developer’s Compliance with Prior Agreements to Provide Continuing Disclosure,” and “INFORMATION RELATING TO THE TRUSTEE;” and further provided, however, that if the City notifies the Underwriter of any fact or event as required by Section 4(d) hereof, and the Underwriter determines that such fact or event does not require preparation and publication of a supplement or amendment to the Limited Offering Memorandum, then the Limited Offering Memorandum in its then-current form shall be conclusively deemed to be complete and correct in all material respects.

(l) Supplements or Amendments to Limited Offering Memorandum. If the Limited Offering Memorandum is supplemented or amended pursuant to paragraph (d) of Section 4 of this Agreement, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such paragraph) at all times subsequent thereto during the period up to and including the 25th day subsequent to the “end of the underwriting period,” the Limited Offering Memorandum as so supplemented or amended will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; provided, however, that if the City notifies the Underwriter of any fact or event as required by Section 4(d) hereof, and the Underwriter determines that such fact or event does not require preparation and publication of a supplement or amendment to the Limited Offering Memorandum, then the Limited Offering Memorandum in its then-

current form shall be conclusively deemed to be complete and correct in all material respects.

(m) Compliance with Rule 15c2-12. During the past five years, the City has complied in all material respects with its previous continuing disclosure undertakings made by it in accordance with Rule 15c2-12, except as described in the Limited Offering Memorandum.

(n) Use of Bond Proceeds. The City will apply, or cause to be applied, the proceeds from the sale of the Bonds as provided in and subject to all of the terms and provisions of the Indenture and will not take or omit to take any action which action or omission will adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Bonds.

(o) Blue Sky and Securities Laws and Regulations. The City will furnish such information and execute such instruments and take such action in cooperation with the Underwriter as the Underwriter may reasonably request, at no expense to the City, (i) to (y) qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions in the United States as the Underwriter may designate and (z) determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions and (ii) to continue such qualifications in effect so long as required for the initial distribution of the Bonds by the Underwriter (provided, however, that the City will not be required to qualify as a foreign corporation or to file any general or special consents to service of process under the laws of any jurisdiction) and will advise the Underwriter immediately of receipt by the City of any notification with respect to the suspension of the qualification of the Bonds for sale in any jurisdiction or the initiation or threat of any proceeding for that purpose.

(p) Certificates of the City. Any certificate signed by any official of the City authorized to do so in connection with the transactions described in this Agreement shall be deemed a representation and warranty by the City to the Underwriter as to the statements made therein and can be relied upon by the Underwriter as to the statements made therein.

(q) Intentional Actions Regarding Representations and Warranties. The City covenants that between the date hereof and the Closing it will not intentionally take actions which will cause the representations and warranties made in this Section to be untrue as of the Closing.

(r) Financial Advisor. The City has engaged FirstSouthwest, a Division of Hilltop Securities Inc., as its financial advisor in connection with its offering and issuance of the Bonds.

By delivering the Limited Offering Memorandum to the Underwriter, the City shall be deemed to have reaffirmed, with respect to the Limited Offering Memorandum, the representations, warranties and covenants set forth above.

6. Developer Letter of Representations. At the signing of this Agreement, the City and Underwriter shall receive from the Developer, an executed Developer Letter of Representations (the “Developer Letter of Representations”) in the form of Appendix A hereto, and at the Closing, a certificate signed by the Developer as set for in Section 9(e) hereof.

7. The Closing. Settlement will be through the facilities of DTC. The Underwriter will accept delivery and pay the purchase price of the Bonds as set forth in Section 1 hereof by wire transfer in federal funds payable to the order of the City or its designee. These payments and deliveries, together with the delivery of the aforementioned documents, are herein called the “Closing.” The Bonds will be made available to the Underwriter for inspection not less than twenty-four (24) hours prior to the Closing.

8. Underwriter’s Closing Conditions. The Underwriter has entered into this Agreement in reliance upon the representations and covenants herein and the performance by the City of its obligations under this Agreement, both as of the date hereof and as of the date of the Closing. Accordingly, the Underwriter’s obligations under this Agreement to purchase, accept delivery of, and pay for the Bonds shall be conditioned upon the performance by the City of its obligations to be performed hereunder at or prior to Closing and shall also be subject to the following additional conditions:

The Underwriter shall have the right to cancel its obligation to purchase the Bonds and to terminate this Agreement without liability therefor by written notification to the City if, between the date of this Agreement and the Closing, in the Underwriter’s sole and reasonable judgment, any of the following shall have occurred:

(i) the market price or marketability of the Bonds, or the ability of the Underwriter to enforce contracts for the sale of the Bonds, shall be materially adversely affected by the occurrence of any of the following:

(1) legislation shall have been introduced in or enacted by the Congress of the United States or adopted by either House thereof, or legislation pending in the Congress of the United States shall have been amended, or legislation shall have been recommended to the Congress of the United States or otherwise endorsed for passage (by press release, other form of notice, or otherwise) by the President of the United States, the Treasury Department of the United States, or the Internal Revenue Service or legislation shall have been proposed for consideration by either the U.S. Senate Committee on Finance or the U.S. House of Representatives Committee on Ways and Means or legislation shall have been favorably reported for passage to either House of the Congress of the United States by a Committee of such House to which such legislation has been referred for consideration, or a decision by a court of the United States or the Tax Court of the United States shall be rendered or a ruling,

regulation, or official statement (final, temporary, or proposed) by or on behalf of the Treasury Department of the United States, the Internal Revenue Service, or other federal agency shall be made, which would result in federal taxation of revenues or other income of the general character expected to be derived by the City or upon interest on securities of the general character of the Bonds or which would have the effect of changing, directly or indirectly, the federal income tax consequences of receipt of interest on securities of the general character of the Bonds in the hands of the holders thereof, and which in either case, makes it, in the reasonable judgment of the Underwriter, impracticable or inadvisable to proceed with the offer, sale, or delivery of the Bonds on the terms and in the manner described in the Limited Offering Memorandum; or

(2) legislation shall be enacted by the Congress of the United States, or a decision by a court of the United States shall be rendered, or a stop order, ruling, regulation or official statement by, or on behalf of, the Securities and Exchange Commission or any other governmental agency having jurisdiction of the subject matter shall be issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Bonds, or the issuance, offering or sale of the Bonds, including all underlying obligations, as described herein or by the Limited Offering Memorandum, is in violation or would be in violation of, or that obligations of the general character of the Bonds, or the Bonds, are not exempt from registration under, any provision of the federal securities laws, including the Securities Act of 1933, as amended and as then in effect (the "Securities Act"), or that the Indenture needs to be qualified under the Trust Indenture Act of 1939, as amended and as then in effect (the "Trust Indenture Act"); or

(3) a general suspension of trading in securities on the New York Stock Exchange, the establishment of minimum prices on such exchange, the establishment of material restrictions (not in force as of the date hereof) upon trading securities generally by any governmental authority or any national securities exchange, a general banking moratorium declared by federal, State of New York, or State officials authorized to do so; or

(4) there shall have occurred any outbreak of hostilities (including, without limitation, an act of terrorism) or other national or international calamity or crisis, including, but not limited to, an escalation of hostilities that existed prior to the date hereof, and the effect of any such event on the financial markets of the United States shall be such as would make it impracticable, in the reasonable judgment of the Underwriter, for it to sell the Bonds on the terms and in the manner contemplated by the Limited Offering Memorandum; or

(5) there shall have occurred since the date of this Agreement any materially adverse change in the affairs or financial condition of the City, except as disclosed in or contemplated by the Limited Offering Memorandum; or

(6) any state blue sky or securities commission or other governmental agency or body in any state in which more than 10% of the Bonds have been offered and sold shall have withheld registration, exemption or clearance of the offering of the Bonds as described herein, or issued a stop order or similar ruling relating thereto; or

(7) any amendment to the federal or state Constitution or action by any federal or state court, legislative body, regulatory body, or other authority materially adversely affecting the tax status of the City, its property, income, securities (or interest thereon), or the validity or enforceability of the Assessments to pay principal of and interest on the Bonds; or

(ii) the New York Stock Exchange or other national securities exchange or any governmental authority shall impose, as to the Bonds or as to obligations of the general character of the Bonds, any material restrictions not now in force, or increase materially those now in force, with respect to the extension of credit by, or the charge to the net capital requirements of, the Underwriter; or

(iii) any event occurring, or information becoming known which, in the reasonable judgment of the Underwriter, makes untrue in any material respect any statement or information contained in the Limited Offering Memorandum, or has the effect that the Limited Offering Memorandum contains any untrue statement of material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, which change shall occur subsequent to the date of this Agreement and shall not be due to the malfeasance, misfeasance or nonfeasance of the Underwriter; or

(iv) any fact or event shall exist or have existed that, in the Underwriter's reasonable judgment, requires or has required an amendment of or supplement to Limited Offering Memorandum; or

(v) a general banking moratorium shall have been declared by federal or State authorities having jurisdiction and be in force; or

(vi) a material disruption in securities settlement, payment or clearance services shall have occurred; or

(vii) a decision by a court of the United States shall be rendered, or a stop order, release, regulation or no-action letter by or on behalf of the United States Securities and Exchange Commission (the "SEC") or any other governmental agency having jurisdiction of the subject matter shall have been

issued or made, to the effect that the issuance, offering or sale of the Bonds, including the underlying obligations as contemplated by this Agreement or by the Limited Offering Memorandum, or any document relating to the issuance, offering or sale of the Bonds, is or would be in violation of any provision of the federal securities laws on the date of Closing, including the Securities Act, the Securities Exchange Act of 1934 (the “Securities Exchange Act”) and the Trust Indenture Act; or

(viii) the purchase of and payment for the Bonds by the Underwriter, or the resale of the Bonds by the Underwriter, on the terms and conditions herein provided shall be prohibited by any applicable law, governmental authority, board, agency or commission, which prohibition shall occur subsequent to the date hereof and shall not be due to the malfeasance, misfeasance, or nonfeasance of the Underwriter.

With respect to the conditions described in subparagraphs (ii), (vii) and (viii) above, the Underwriter is not aware of any current, pending or proposed law or government inquiry or investigation as of the date of execution of this Agreement which would permit the Underwriter to invoke its termination rights hereunder.

(a) Bond Opinion. The approving opinion of Bond Counsel, dated the Closing Date and substantially in the form included as Appendix C to the Limited Offering Memorandum, together with a reliance letter from Bond Counsel, dated the date of the Closing and addressed to the Underwriter, which may be included in the supplemental opinion required by Section 9(b), to the effect that the foregoing opinion may be relied upon by the Underwriter to the same extent as if such opinion were addressed to it.

11. Establishment of Issue Price.

(a) The Underwriter agrees to assist the City in establishing the issue price of the Bonds and shall execute and deliver to the City on or before Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Appendix B, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the City and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds. All actions to be taken by the City under this Section to establish the issue price of the Bonds may be taken on behalf of the City by the City's Financial Advisor identified herein and any notice or report to be provided to the City may be provided to the City's Financial Advisor.

(b) The Underwriter confirms that it has offered all the Bonds of each maturity to the public on or before the date of this Agreement at the respective offering price (the "initial offering price"), or at the corresponding yield or yields, set forth in Schedule I attached hereto, except as otherwise set forth therein. At or promptly after the execution of this Agreement, the Underwriter shall report to the City as of the sale date the first price at which the Underwriter has sold to the public at least 10% of each maturity of Bonds (the "10% test"), and shall identify to the City as of the sale date those maturities of the Bonds for which the 10% test has not been satisfied. If different interest coupons apply within a maturity, each separate CUSIP number within that maturity will be treated as a separate maturity for this purpose.

(c) The City and the Underwriter agree that the restrictions set forth in the next sentence shall apply to those maturities of the Bonds for which the 10% test has not been met as of the sale date, which will allow the City to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains

applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the City when the Underwriter has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if such sale occurs prior to the close of the fifth (5th) business day after the sale date.

(d) The Underwriter confirms that any selling group agreement and each third-party distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement, as applicable, to (A) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter and as set forth in the related pricing wires, (B) to promptly notify the Underwriter of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public, and (C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public. The City acknowledges that, in making the representation set forth in this subsection, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires and (ii) in the event that the Underwriter is a party to a third-party distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The City further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds.

(e) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this Section. Further, for purposes of this Section:

(i) “public” means any person other than an underwriter or a related party,

(ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),

(iii) a purchaser of any of the Bonds is a “related party to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) “sale date” means the date of execution of this Agreement by all parties.

12. Consequences of Termination. If the City shall be unable to satisfy the conditions contained in this Agreement or if the obligations of the Underwriter shall be terminated for any reason permitted by this Agreement, this Agreement shall terminate and the Underwriter and the City shall have no further obligation hereunder, except as further set forth in Sections 13, 15 and 16 hereof.

13. Costs and Expenses.

(a) The Underwriter shall be under no obligation to pay, and the City shall cause to be paid from proceeds of the Bonds the following expenses incident to the issuance of the Bonds and performance of the City’s obligations hereunder: (i) the costs of the preparation and printing of the Bonds; (ii) the cost of preparation, printing, and mailing of the Preliminary Limited Offering Memorandum, the final Limited Offering Memorandum and any supplements and amendments thereto; (iii) the fees and disbursements of the City’s financial advisor and legal counsel, the Trustee’s counsel, Bond Counsel, Developer’s Counsel, and the Trustee relating to the issuance of the Bonds, (iv) the Attorney General’s review fees, (v) the fees and disbursements of

accountants, advisers and any other experts or consultants retained by the City or the Developer, including but not limited to the fees and expenses of the Appraiser and the Assessment Consultant, and (vi) the expenses incurred by or on behalf of City employees and representatives that are incidental to the issuance of the Bonds and the performance by the City of its obligations under this Agreement.

(b) The Underwriter shall pay the following expenses: (i) all advertising expenses in connection with the offering of the Bonds; (ii) fees of Underwriter's Counsel; and (iii) all other expenses, including CUSIP fees (including out-of-pocket expenses and related regulatory expenses), incurred by it in connection with its offering and distribution of the Bonds, except as noted in Subsection 13(a) above.

(c) The City acknowledges that the Underwriter will pay from the Underwriter's expense allocation of the underwriting discount the applicable per bond assessment charged by the Municipal Advisory Council of Texas, a nonprofit corporation whose purpose is to collect, maintain and distribute information relating to issuing entities of municipal securities.

The agreements contained in this Section and in Sections 16 and 18 shall survive any termination of this Agreement.

FMSbonds, Inc.
 100 Crescent Court, Suite 700
 Dallas, Texas 76227

Ladies and Gentlemen:

This letter is being delivered to the City of Celina, Texas (the “City”) and FMSbonds, Inc. (the “Underwriter”), in consideration for your entering into the Bond Purchase Agreement dated the date hereof (the “Bond Purchase Agreement”) for the sale and purchase of the \$6,875,000 “City of Celina, Texas, Special Assessment Revenue Bonds, Series 2018 (Creeks of Legacy Public Improvement District Phase #2 Project)” (the “Bonds”). Pursuant to the Bond Purchase Agreement, the Underwriter has agreed to purchase from the City, and the City has agreed to sell to the Underwriter, the Bonds. In order to induce the City to enter into the Bond Purchase Agreement and as consideration for the execution, delivery, and sale of the Bonds by the City and the purchase of them by the Underwriter, the undersigned, CTMGT Frontier 80, LLC, a Texas limited liability company (the “Developer”), makes the representations, warranties, and covenants contained in this Developer Letter of Representations. Unless the context clearly indicates otherwise, each capitalized term used in this Developer Letter of Representations will have the meaning set forth in the Bond Purchase Agreement.

1. Purchase and Sale of Bonds. Inasmuch as the purchase and sale of the Bonds represents a negotiated transaction, the Developer understands, and hereby confirms, that the Underwriter is not acting as a fiduciary of the Developer, but rather is acting solely in its capacity as Underwriter of the Bonds for its own account.

2. Updating of the Limited Offering Memorandum. If, after the date of this Developer Letter of Representations, up to and including the date the Underwriter is no longer required to provide a Limited Offering Memorandum to potential customers who request the same pursuant to Rule 15c2-12 (the earlier of (i) ninety (90) days from the “end of the underwriting period” (as defined in Rule 15c2-12) and (ii) the time when the Limited Offering Memorandum is available to any person from the MSRB, but in no case less than twenty-five (25) days after the “end of the underwriting period” for the Bonds), the Developer becomes aware of any fact or event which might or would cause the Limited Offering Memorandum, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, or if it is necessary to amend or supplement the Limited Offering Memorandum to comply with law, the Developer will notify the Underwriter (and for the purposes of this clause provide the Underwriter with such information as it may from time to time request); however, that for the purposes of this Developer Letter of Representations and any certificate delivered by the Developer in accordance with the Bond Purchase Agreement, the Developer makes no representations with respect to (i) the descriptions in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum of The Depository Trust Company, New York, New York, or its book-entry-only system and (ii) the information in the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum under the captions “THE CITY,” “THE DISTRICT,” “BONDHOLDERS’ RISKS” (except as it pertains to the Developer, the Phase #2 Improvements and the Development, as defined in the Limited Offering Memorandum), “TAX MATTERS,” “LEGAL MATTERS — Litigation — The City,” “CONTINUING DISCLOSURE — The City” and “ — The City’s Compliance with Prior Undertakings” and “INFORMATION RELATING TO THE TRUSTEE.”

3. Developer Documents. The Developer has executed and delivered each of the below listed documents (individually, a “Developer Document” and collectively, the “Developer Documents”) in the capacity provided for in each such Developer Document, and each such Developer Document constitutes a valid and binding obligation of Developer, enforceable against Developer in accordance with its terms:

- (a) this Developer Letter of Representation;
- (b) that certain Creeks of Legacy Development Agreement, effective June 11, 2014, executed and delivered by the City and the Developer;
- (c) that certain Creeks of Legacy Public Improvement District Phase #2 Improvements Construction, Funding and Acquisition Agreement, effective March 13, 2018, and executed and delivered by the City, the Developer, CADG Creeks of Legacy West, LLC and CADG Creeks of Legacy Stonegate, LLC;
- (d) that certain Landowner Agreement dated as of August 14, 2018, executed and delivered by the City and the Developer;

(e) that certain Continuing Disclosure Agreement of the Developer, dated as of September 1, 2018 made by and among the Developer, U.S. Bank National Association, as dissemination agent and MuniCap, Inc., as Administrator.

The Developer has complied in all material respects with all of the Developer's agreements and covenants and satisfied all conditions required to be complied with or satisfied by the Developer under the Developer Documents on or prior to the date hereof.

4. Developer Representations, Warranties and Covenants. The Developer represents, warrants, and covenants to the City and the Underwriter that:

(a) Due Organization and Existence. The Developer is duly formed and validly existing as a limited liability company under the laws of the State of Texas.

(b) Organizational Documents. The copies of the organizational documents of the Developer provided by the Developer (the "Developer Organizational Documents") to the City and the Underwriter are fully executed, true, correct, and complete copies of such documents and such documents have not been amended or supplemented and are in full force and effect as of the date hereof.

(c) No Breach. The execution and delivery of the Developer Documents by Developer does not violate any judgment, order, writ, injunction or decree binding on Developer or any indenture, agreement, or other instrument to which Developer is a party.

(d) No Litigation. Other than as described in the Preliminary Limited Offering Memorandum, there are no proceedings pending or threatened in writing before any court or administrative agency against Developer that is either not covered by insurance or which singularly or collectively would have a material, adverse effect on the ability of Developer to perform its obligations under the Developer Documents in all material respects or that would reasonably be expected to prevent or prohibit the development of the Development in accordance with the description thereof in the Preliminary Limited Offering Memorandum.

(e) Information. The information prepared and submitted by the Developer to the City or the Underwriter in connection with the preparation of the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum was, and is, as of this date, true and correct in all material respects.

(f) Preliminary Limited Offering Memorandum. The Developer represents and warrants that the information set forth in the Preliminary Limited Offering Memorandum under the captions "PLAN OF FINANCE — Development Plan, Status of Development and Plan of Finance," "THE PHASE #2 IMPROVEMENTS" "THE DEVELOPMENT," "THE DEVELOPER" "CONTINUING DISCLOSURE – The Developer", "CONTINUING DISCLOSURE – The Developer's Compliance with Prior Agreements to Provide Continuing Disclosure," and, to the best of the Developer's knowledge after due inquiry, under the captions "BONDHOLDERS' RISKS" (only as it pertains to the Developer, the Phase #2 Improvements and the Development, as defined

in the Limited Offering Memorandum) and “LEGAL MATTERS — Litigation — The Developer” is true and correct and does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. The Developer agrees to provide a certificate dated the Closing Date affirming, as of such date, the representations contained in this subsection (f) with respect to the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum.

(g) Events of Default. No “Event of Default” or “event of default” by the Developer under any of the Developer Documents, any documents to which Developer is a party described in the Preliminary Limited Offering Memorandum, or under any material documents relating to the financing and construction of the Phase #2 Improvements to which the Developer is a party, or event that, with the passage of time or the giving of notice or both, would constitute such “Event of Default” or “event of default,” by the Developer has occurred and is continuing.

5. Indemnification.

(a) The Developer will indemnify and hold harmless the City and the Underwriter and each of their officers, directors, employees and agents against any losses, claims, damages or liabilities to which any of them may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained or incorporated by reference in the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum under the captions “PLAN OF FINANCE — Development Plan, Status of Development and Plan of Finance,” “THE PHASE #2 IMPROVEMENTS,” “THE DEVELOPMENT,” “THE DEVELOPER,” “BONDHOLDERS’ RISKS” (only as it pertains to the Developer, the Phase #2 Improvements, and the Development), “LEGAL MATTERS — Litigation – The Developer,” “CONTINUING DISCLOSURE – The Developer” and “CONTINUING DISCLOSURE – The Developer’s Compliance with Prior Agreements to Provide Continuing Disclosure,” or any amendment or supplement to the Limited Offering Memorandum amending or supplementing the information contained under the aforementioned captions (as qualified above), or arise out of or are based upon the omission or alleged untrue statement or omission to state therein a material fact necessary to make the statements under the aforementioned captions (as qualified above) not misleading under the circumstances under which they were made and will reimburse any indemnified party for any reasonable legal or other expenses reasonably incurred by them in connection with investigating or defending any such action or claim as such expenses are incurred.

(b) Promptly after receipt by an indemnified party under subsection (a) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve the indemnifying party from any liability which it may have to the indemnified party otherwise than under such subsection, unless

such indemnifying party was prejudiced by such delay or lack of notice. In case any such action shall be brought against an indemnified party, it shall promptly notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. The indemnifying party shall not be liable for any settlement of any such action effected without its consent, but if settled with the consent of the indemnifying party or if there is a final judgment for the plaintiff in any such action, the indemnifying party will indemnify and hold harmless any indemnified party from and against any loss or liability by reason of such settlement or judgment. The indemnity herein shall survive delivery of the Bonds and shall survive any investigation made by or on behalf of the City, the Developer or the Underwriter.

6. Survival of Representations, Warranties and Covenants. All representations, warranties, and agreements in this Developer Letter of Representations will survive regardless of (a) any investigation or any statement in respect thereof made by or on behalf of the Underwriter, (b) delivery of any payment by the Underwriter for the Bonds hereunder, and (c) any termination of the Bond Purchase Agreement.

7. Binding on Successors and Assigns. This Developer Letter of Representations will be binding upon the Developer and its successors and assigns and inure solely to the benefit of the Underwriter and the City, and no other person or firm or entity will acquire or have any right under or by virtue of this Developer Letter of Representations.

(CREEKS OF LEGACY PUBLIC IMPROVEMENT DISTRICT PHASE #2 PROJECT)

Ladies and Gentlemen:

We are the Attorney for the City of Celina, Texas (the “City”) for limited purposes, and are rendering this opinion in connection with the issuance and sale of \$6,875,000 “City of Celina, Texas, Special Assessment Revenue Bonds, Series 2018 (Creeks of Legacy Public Improvement District Phase #2 Project)” (the “Bonds”), by the City, a political subdivision of the State of Texas.

The Bonds are authorized pursuant to Ordinance No. [_____] and enacted by the City Council of the City (the “City Council”) on August 14, 2018 (the “Bond Ordinance”) and shall be issued pursuant to the provisions of Subchapter A of the Public Improvement District Assessment Act, Chapter 372, Texas Local Government Code, as amended (the “Act”) and the Indenture of Trust dated as of September 1, 2018 (the “Indenture”) by and between the City and U.S. Bank National Association, as trustee (the “Trustee”). Capitalized terms not defined herein shall have the same meanings as in the Indenture, unless otherwise stated herein.

In connection with rendering this opinion, we have reviewed the:

- (a) The Resolution No. _____ (the “Creation Resolution”), enacted by the City Council on April 28, 2014.
- (b) The Ordinance No. _____, adopted by the City Council on March 13, 2018 (the “Assessment Ordinance”).
- (c) The Bond Ordinance.

(d) The Indenture.

(e) That certain Creeks of Legacy Development Agreement, effective as of June 11, 2014 (the “Development Agreement”).

(f) That certain Continuing Disclosure Agreement of Issuer, dated as of September 1, 2018, executed and delivered by the City and U.S. Bank National Association (the “Dissemination Agent”).

(g) Those certain Landowner Agreements dated as of August 14, 2018 (collectively, the “Landowner Agreements”) executed (i) by the City and the Developer; (ii) the City and First Texas Homes, Inc.; (iii) the City and CADG Creeks of Legacy West, LLC; (iv) the City and CADG Creeks of Legacy Stonegate, LLC and (v) Lennar Homes Texas Land and Construction, Ltd.

The Creation Resolution, the Assessment Ordinance and Bond Ordinance shall herein after be referred to as the “Authorizing Documents” and the remaining documents shall herein after be collectively referred to as the “City Documents.”

In all such examinations, we have assumed that all signatures on documents and instruments executed by the City are genuine and that all documents submitted to me as copies conform to the originals. In addition, for purposes of this opinion, we have assumed the due authorization, execution and delivery of the City Documents by all parties other than the City.

Based upon and subject to the foregoing and the additional qualifications and assumptions set forth herein, we are of the opinion that:

1. The City is a Texas political subdivision and has all necessary power and authority to enter into and perform its obligations under the Authorizing Documents and the City Documents. The City has taken or obtained all actions, approvals, consents and authorizations required of it by applicable laws in connection with the execution of the Authorizing Documents and the City Documents and the performance of its obligations thereunder.

2. To the best of our knowledge, there is no action, suit, proceeding, inquiry or investigation at law or in equity, before or by any court, public board or body, pending, or threatened against the City: (a) affecting the existence of the City or the titles of its officers to their respective offices, (b) in any way questioning the formation or existence of the District, (c) affecting, contesting or seeking to prohibit, restrain or enjoin the delivery of any of the Bonds, or the payment, collection or application of any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, including the Assessments in Phase #2 of the District pursuant to the provisions of the Assessment Ordinance and the Service and Assessment Plan referenced therein, (d) contesting or affecting the validity or enforceability or the City’s performance of the City Documents, (e) contesting the exclusion of the interest on the Bonds from federal income taxation, or (f) which may result in any material adverse change relating to the financial condition of the City.

3. The Authorizing Documents were duly enacted by the City and remain in full force and effect on the date hereof.

4. The City Documents have been duly authorized, executed and delivered by the City and remain legal, valid and binding obligations of the City enforceable against the City in accordance with their terms. However, the enforceability of the obligations of the City under such City Documents may be limited or otherwise affected by (a) bankruptcy, insolvency, reorganization, moratorium and other laws affecting the rights of creditors generally, (b) principles of equity, whether considered at law or in equity, and (c) the application of Texas law relating to action by future councils and relating to governmental immunity applicable to governmental entities.

5. The performance by the City of the obligations under the Authorizing Documents and the City Documents will not violate any provision of any Federal or Texas constitutional or statutory provision.

6. No further consent, approval, authorization, or order of any court or governmental agency or body or official is required to be obtained by the City as a condition precedent to the performance by the City of its obligations under the Authorizing Documents and the City Documents.

7. The City has duly authorized, executed and delivered the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum.

8. The adoption of the Authorizing Documents and the execution and delivery of the City Documents and the compliance with the provisions of the Authorizing Documents and the City Documents under the circumstances contemplated thereby, to the best of our knowledge: (a) do not and will not in any material respect conflict with or constitute on the part of the City a breach of or default under any agreement to which the City is a party or by which it is bound, and (b) do not and will not in any material respect conflict with or constitute on the part of the City a violation, breach of or default under any existing law, regulation, court order or consent decree to which the City is subject.

This opinion may not be relied upon by any other person except those specifically addressed in this letter.

Very truly yours,

In addition, we have assumed that the Material Documents accurately reflect the complete understanding of the parties with respect to the transactions contemplated thereby and the rights and obligations of the parties thereunder. We have also assumed that the terms and conditions of the transaction as reflected in the Material Documents have not been amended, modified or supplemented, directly or indirectly, by any other agreement or understanding of the parties or waiver of any of the material provisions of the Material Documents.

We assume that none of the parties to the Material Documents (other than Developer) is a party to any court or regulatory proceeding relating to or otherwise affecting the Material Documents or is subject to any order, writ, injunction or decree of any court or federal, state or local governmental agency or commission that would prohibit the execution and delivery of the Material Documents, or the consummation of the transactions therein contemplated in the manner therein provided, or impair the validity or enforceability thereof. We assume that each of the parties to the Material Documents (other than Developer) has full City to close this transaction in accordance with the terms and provisions of the Material Documents.

We assume that neither the Underwriter nor the City nor their respective counsel has any current actual knowledge of any facts not known to us or any law or judicial decision which would make the opinions set forth herein incorrect, and that no party upon whom we have relied for purposes of this opinion letter has perpetrated a fraud.

We have only been engaged by our clients in connection with the Material Documents (and the transactions contemplated in the Material Documents) and do not represent these clients generally.

Opinions and Assurances

Based solely upon the foregoing, and subject to the assumptions and limitations set forth herein, we are of the opinion that:

1. The execution and delivery by the Developer of the Material Documents and the performance by the Developer of its obligations under the Material Documents will not (i) violate any applicable law; or (ii) conflict with or result in the breach of any court decree or order of any governmental body identified in the Developer Certificate or otherwise actually known to the lawyers who have provided substantive attention to the representation reflected in this opinion binding upon or affecting the Developer, the conflict with which or breach of which would have a material, adverse effect on the ability of the Developer to perform its obligations under the Material Documents to which it is a party.

2. To our knowledge, no governmental approval which has not been obtained or taken is required to be obtained or taken by the Developer on or before the date hereof as a condition to the performance by the Developer of its obligations under the Material Documents to which it is a party, except for governmental approvals that may be required to comply with certain covenants contained in the Material Documents (including, without limitation, covenants to comply with applicable laws).

3. The Developer has duly executed and delivered each of the Material Documents to which it is a party, and each of the Material Documents constitute the legal, valid, and binding obligations of the Developer, enforceable against the Developer in accordance with their respective terms, subject to the following qualifications: (i) the effect of applicable bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting the rights of creditors generally, and (ii) the effect of the exercise of judicial discretion in accordance with general principles of equity (whether applied by a court of law or of equity), and (iii) the effect that enforceability of the indemnification provisions therein may be limited, in whole or in part. The execution, delivery, and performance by the Developer of its obligations under the Material Documents do not violate any existing laws of the State of Texas applicable to the Developer.

4. To our knowledge after reasonable inquiry, there are no actions, suits or proceedings pending or threatened against the Developer identified in the Developer Certificate or otherwise actually known to the lawyers who have provided substantive attention to the representation reflected in this opinion in any court of law or equity, or before or by any governmental instrumentality with respect to the validity or enforceability against it of such Material Documents or the transactions described therein.

5. The execution and delivery of the Material Documents do not, and the transactions described therein may be consummated and the terms and conditions thereof may be observed and performed in a manner that does not, conflict with or constitute a breach of or default under any loan agreement, Indenture, bond note, resolution, agreement or other instrument to which the Developer is a party or is otherwise subject and which have been identified in the Developer Certificate which violation, breach or default would materially adversely affect the Developer or its performance of its obligations under the transactions described in the Material Documents; nor will any such execution, delivery, adoption, fulfillment, or compliance result in the creation or imposition of any lien, charge, or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the Developer, except as expressly described in the Material Documents (a) under applicable law or (b) under any such loan agreement, indenture, bond note, resolution, agreement, or other instrument.

7. Subject to the below qualifications and based upon our participation in the preparation of the Limited Offering Memorandum and our participation at conferences with representatives of the Underwriter and its Counsel, of the City and its counsel, and with representatives of the Developer at which the Limited Offering Memorandum and related matters were discussed, and although we have not independently verified the information in the Limited Offering Memorandum and are not passing upon and do not assume any responsibility for the accuracy, completeness or fairness of the statements contained in the Limited Offering Memorandum and any amendment or supplement thereto, no facts have come to our attention that lead us to believe that the information set forth under the captions referenced in the preceding paragraph as of the date of the Limited Offering Memorandum and the date hereof, contained or contains any untrue statement of a material fact, or omitted or omits to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(l) The opinions expressed herein are subject to the effect of generally applicable rules of law that provide that forum selection clauses in contracts are not necessarily binding on the court(s) in the forum selected.

(m) We express no opinion as to the enforceability of any provisions in the Material Documents purporting to entitle a party to indemnification in respect of any matters arising in whole or in part by reason of any negligent, illegal or wrongful act or omission of such party.

This opinion is furnished to those parties addressed in this letter solely in connection with the transactions, for the purposes and on the terms described above and may not be relied upon for any other purpose or by any other person in any manner or for any purpose.

Whenever the Issuer obtains knowledge of the occurrence of a Listed Event, the Issuer shall promptly notify the Dissemination Agent in writing and the Issuer shall direct the Dissemination Agent to file a notice of such occurrence with the MSRB. The Dissemination Agent shall file such notice no later than the Business Day immediately following the day on which it receives written notice of such occurrence from the Issuer. Any such notice is required to be filed within ten (10) Business Days of the occurrence of such Listed Event.

Additionally, the Issuer shall notify the MSRB, in a timely manner, of any failure by the Issuer to provide annual audited financial statements or Annual Financial Information as required under this Disclosure Agreement. See Exhibit A hereto for a form for submitting “Notice To MSRB of Failure To File.”

Any notice under the preceding paragraphs shall be accompanied with the text of the disclosure that the Issuer desires to make, the written authorization of the Issuer for the Dissemination Agent to disseminate such information as provided herein, and the date the Issuer desires for the Dissemination Agent to disseminate the information (which date shall not be more than ten (10) Business Days after the occurrence of the Listed Event or failure to file).

In all cases, the Issuer shall have the sole responsibility for the content, design and other elements comprising substantive contents of all disclosures. In addition, the Issuer shall have the sole responsibility to ensure that any notice required to be filed under this Section 5 is filed within ten (10) Business Days of the occurrence of the Listed Event.

(b) The Dissemination Agent shall, within three (3) Business Days of obtaining actual knowledge of the occurrence of any Listed Event with respect to the Bonds, notify the Disclosure Representative in writing of such Listed Event. The Dissemination Agent shall not be required to file a notice of the occurrence of such Listed Event with the MSRB unless and until it receives written instructions from the Disclosure Representative to do so. It is agreed and understood that the duty to make or cause to be made the disclosures herein is that of the Issuer and not that of the Trustee or the Dissemination Agent. It is agreed and understood that the Dissemination Agent has agreed to give the foregoing notice to the Issuer as an accommodation to assist it in monitoring the occurrence of such event, but is under no obligation to investigate whether any such event has occurred. As used above, “actual knowledge” means the actual fact or statement of knowing, without a duty to make any investigation with respect thereto. In no event shall the Dissemination Agent be liable in damages or in tort to the Issuer or any Owner or beneficial owner of any interests in the Bonds as a result of its failure to give the foregoing notice or to give such notice in a timely fashion.

(c) If in response to a notice from the Dissemination Agent under subsection (b), the Issuer determines that the Listed Event under number 2, 7, 8, 10, 13, or 14 of subparagraph (a) above is not material under applicable federal securities laws, the Issuer shall promptly notify the Dissemination Agent and the Trustee (if the Dissemination Agent is not the Trustee) in writing and instruct the Dissemination Agent not to report the occurrence pursuant to subsection (d).

(d) If the Dissemination Agent has been instructed by the Issuer to report the occurrence of a Listed Event, the Dissemination Agent shall immediately file a notice of such occurrence with the MSRB.

SECTION 6. Termination of Reporting Obligations. The obligations of the Issuer and the Dissemination Agent under this Disclosure Agreement shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds, when the Issuer is no longer an obligated person with respect to the Bonds, or upon delivery by the Disclosure Representative to the Dissemination Agent of an opinion of nationally recognized bond counsel to the effect that continuing disclosure is no longer required. So long as any of the Bonds remain Outstanding, the Dissemination Agent may assume that the Issuer is an obligated person with respect to the Bonds until it receives written notice from the Disclosure Representative stating that the Issuer is no longer an obligated person with respect

to the Bonds, and the Dissemination Agent may conclusively rely upon such written notice with no duty to make investigation or inquiry into any statements contained or matters referred to in such written notice. If such termination occurs prior to the final maturity of the Bonds, the Issuer shall give notice of such termination in the same manner as for a Listed Event with respect to the Bonds under Section 5(a).

SECTION 7. Dissemination Agent. The Issuer may, from time to time, appoint or engage a Dissemination Agent or successor Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement, and may discharge such Dissemination Agent, with or without appointing a successor Dissemination Agent. If at any time there is not any other designated Dissemination Agent, the Issuer shall be the Dissemination Agent. The initial Dissemination Agent appointed hereunder shall be U.S. Bank National Association.

SECTION 8. Amendment; Waiver. Notwithstanding any other provisions of this Disclosure Agreement, the Issuer and the Dissemination Agent may amend this Disclosure Agreement (and the Dissemination Agent shall not unreasonably withhold its consent to any amendment so requested by the Issuer), and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Sections 3(a), 4, or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the delivery of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Owners of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Owners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Owners or beneficial owners of the Bonds.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Issuer shall describe such amendment in the next related Annual Issuer Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Issuer. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 5(a), and (ii) the Annual Issuer Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. No amendment which adversely affects the Dissemination Agent may be made without its prior written consent (which consent will not be unreasonably withheld or delayed).

SECTION 9. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Issuer Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Issuer chooses to include any information in any Annual Issuer Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the Issuer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Issuer Report or notice of occurrence of a Listed Event.

SECTION 10. Default. In the event of a failure of the Issuer to comply with any provision of this Disclosure Agreement, the Dissemination Agent may (and, at the request of the Owners of at least 25% aggregate principal amount of Outstanding Bonds, shall, upon being indemnified to its satisfaction as provided in the Indenture), or any Owner or beneficial owner of the Bonds may take such actions as may be necessary and appropriate to cause the Issuer, as the case may be, to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Indenture with respect to the Bonds, and the sole remedy under this Disclosure Agreement in the event of any failure of the Issuer to comply with this Disclosure Agreement shall be an action for mandamus or specific performance. A default under this Disclosure Agreement by the Issuer shall not be deemed a default under the Disclosure Agreement of Developer by the Developer, and a default under the Disclosure Agreement of the Developer by the Developer shall not be deemed a default under this Disclosure Agreement by the Issuer.

SECTION 11. Duties, Immunities and Liabilities of Dissemination Agent The Dissemination Agent shall not have any duty with respect to the content of any disclosures made pursuant to the terms hereof. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement, and no implied covenants shall be read into this Disclosure Agreement with respect to the Dissemination Agent. To the extent permitted by law, the Issuer agrees to hold harmless the Dissemination Agent, its officers, directors, employees and agents, but only with funds to be provided by the Developer or from Assessments collected from the property owners in Phase #2 of the District, against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct; provided, however, that nothing herein shall be construed to require the Issuer to indemnify the Dissemination Agent for losses, expenses or liabilities arising from information provided to the Dissemination Agent by the Developer or the failure of the Developer to provide information to the Dissemination Agent as and when required under the Disclosure Agreement of Developer. The obligations of the Issuer under this Section shall survive resignation or removal of the Dissemination Agent and payment in full of the Bonds. Nothing in this Disclosure Agreement shall be construed to mean or to imply that the Dissemination Agent is an "obligated person" under the Rule. The Dissemination Agent is not acting in a fiduciary capacity in connection with the performance of its respective obligations hereunder. The fact that the Dissemination Agent may have a banking or other business relationship with the Issuer or any person with whom the Issuer contracts in connection with the transaction described in the Indenture, apart from the relationship created by the Indenture or this Disclosure Agreement, shall not be construed to mean that the Dissemination Agent has actual knowledge of any event described in Section 5 above,

except as may be provided by written notice to the Dissemination Agent pursuant to this Disclosure Agreement.

The Dissemination Agent may, from time to time, consult with legal counsel of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or their respective duties hereunder, and the Dissemination Agent shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel. UNDER NO CIRCUMSTANCES SHALL THE DISSEMINATION AGENT OR THE ISSUER BE LIABLE TO THE OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE ISSUER OR THE DISSEMINATION AGENT, RESPECTIVELY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS DISCLOSURE AGREEMENT, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE. THE DISSEMINATION AGENT IS UNDER NO OBLIGATION NOR IS IT REQUIRED TO BRING SUCH AN ACTION.

SECTION 12. Assessment Timeline. The basic expected timeline for the collection of Assessments and the anticipated procedures for pursuing the collection of delinquent Assessments is set forth in Exhibit C which is intended to illustrate the general procedures expected to be followed in enforcing the payment of delinquent Assessments.

SECTION 13. No Personal Liability. No covenant, stipulation, obligation or agreement of the Issuer or Dissemination Agent contained in this Disclosure Agreement shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future council members, officer, agent or employee of the Issuer or Dissemination Agent in other than that person's official capacity.

SECTION 14. Severability. In case any section or provision of this Disclosure Agreement, or any covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder or any application thereof, is for any reasons held to be illegal or invalid, such illegality or invalidity shall not affect the remainder thereof or any other section or provision thereof or any other covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder (except to the extent that such remainder or section or provision or other covenant, stipulation, obligation, agreement, act or action, or part thereof is wholly dependent for its operation on the provision determined to be invalid), which shall be construed and enforced as if such illegal or invalid portion were not contained therein, nor shall such illegality or invalidity of any application thereof affect any legal and valid application thereof, and each such section, provision, covenant, stipulation, obligation, agreement, act or action, or part thereof shall be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent permitted by law.

SECTION 15. Sovereign Immunity. The Dissemination Agent agrees that nothing in this Disclosure Agreement shall constitute or be construed as a waiver of the Issuer's sovereign or governmental immunities regarding liability or suit.

SECTION 16. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the Issuer, the Dissemination Agent and the Owners and the beneficial owners from time to time of the

Bonds, and shall create no rights in any other person or entity. Nothing in this Disclosure Agreement is intended or shall act to disclaim, waive or otherwise limit the duties of the Issuer under federal and state securities laws.

SECTION 17. Dissemination Agent Compensation. The fees and expenses incurred by the Dissemination Agent for its services rendered in accordance with this Disclosure Agreement constitute Annual Collection Costs and will be included in the Annual Installments as provided in the annual updates to the Service and Assessment Plan. The Issuer shall pay or reimburse the Dissemination Agent, but only with funds to be provided from Assessments collected from the property owners in Phase #2 of the District, for its fees and expenses for the Dissemination Agent's services rendered in accordance with this Disclosure Agreement.

SECTION 18. Governing Law. This Disclosure Agreement shall be governed by the laws of the State of Texas.

SECTION 19. Counterparts. This Disclosure Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

(iii) each Assessment is final, conclusive and binding upon Landowner and any subsequent owner of the Landowner's Parcel, regardless of whether such landowner may be required to prepay a portion of, or the entirety of, such Assessment upon the occurrence of a mandatory prepayment event as provided in the Service and Assessment Plan;

(iv) the obligation to pay the Assessment levied on the Landowner's Parcel owned by it when due and in the amount required by and stated in the Service and Assessment Plan and the Phase #2 Assessment Ordinance;

D. Notice of Assessments. Landowner further agrees as follows:

(i) the Covenants, Conditions and Restrictions attached hereto as **Exhibit II** shall be terms, conditions and provisions running with the Landowner's Parcel and shall be recorded (the contents of which shall be consistent with the Phase #2 Assessment Ordinance and the Service and Assessment Plan as reasonably determined by the City), in the records of the County Clerk of Denton County, as a lien and encumbrance against such Landowner's Parcel, and Landowner hereby authorizes the City to so record such documents against the Landowner's Parcel owned by Landowner;

(iii) in the event of any subdivision, sale, transfer or other conveyance by the Landowner of the right, title or interest of the Landowner in the Landowner's Parcel or any part thereof, the Landowner's Parcel, or any such part thereof, shall continue to be bound by all of the terms, conditions and provisions of such Covenants, Conditions and Restrictions and any purchaser, transferee or other subsequent owner shall take such Landowner's Parcel subject to all of the terms, conditions and provisions of such Covenants, Conditions and Restrictions; and

(iv) Landowner shall comply with, and shall contractually obligate (and promptly provide written evidence of such contractual provisions to the City) any party who purchases any Landowner's Parcel owned by Landowner, or any portion thereof, for the purpose of constructing residential properties that are eligible for "homestead" designations under State law, to comply with, the Homebuyer Education Program described on **Exhibit III** to this Agreement. Such compliance obligation shall terminate as to each Lot (as defined in the Service and Assessment Plan) if, and when, (i) a final

certificate of occupancy for a residential unit on such Lot is issued by the City, and (ii) there is a sale of a Lot to an individual homebuyer, it being the intent of the undersigned that the Homebuyer Education Program shall apply only to a commercial builder who is in the business of constructing and/or selling residences to individual home buyers (a “Builder”) but not to subsequent sales of such residence and Lot by an individual home buyer after the initial sale by a Builder.

Notwithstanding the provisions of this Section, upon the Landowner’s request and the City’s consent, in the City’s sole and absolute discretion, the Covenants, Conditions and Restrictions may be included with other written restrictions running with the land on property within the District, provided they contain all the material provisions and provide the same material notice to prospective property owners as does the document attached as **Exhibit II**.

II. O□ NERSHIP AND CONSTRUCTION OF PHASE #2 IMPROVEMENTS

A. Ownership and Transfer of Phase #2 Improvements. Landowner acknowledges that all of the Phase #2 Improvements and the land (or easements, as applicable) needed therefor shall be owned by the City once accepted by and conveyed to the City following construction and Landowner will execute such conveyances and/or dedications of public rights of way and easements as may be reasonably required to evidence such ownership, as generally described on the current plats of the property within the District.

B. Grant of Easement and License, Construction of Phase #2 Improvements.

(i) Any subsequent owner of the Landowner’s Parcel shall, upon the request of the City or Developer, grant and convey to the City or Developer and its contractors, materialmen and workmen a temporary license and/or easement, as appropriate, to construct the Phase #2 Improvements on the property within Phase #2 of the District, to stage on the property within Phase #2 of the District construction trailers, building materials and equipment to be used in connection with such construction of the Phase #2 Improvements and for passage and use over and across parts of the property within Phase #2 of the District as shall be reasonably necessary during the construction of the Phase #2 Improvements. Any subsequent owner of the Landowner’s Parcel may require that each contractor constructing the Phase #2 Improvements cause such owner of the Landowner’s Parcel to be indemnified and/or named as an additional insured under liability insurance reasonably acceptable to such owner of the Landowner’s Parcel. The right to use and enjoy any easement and license provided above shall continue until the construction of the Phase #2 Improvements is complete; provided, however, any such license or easement shall automatically terminate upon the recording of the final plat for the Landowner’s Parcel in the real property records of Denton County, Texas.

(ii) Landowner hereby agrees that any right or condition imposed by the Development Agreement, or other agreement, with respect to the Assessment has been satisfied, and that Landowner shall not have any rights or remedies against the City under the Development Agreement, or under any law or principles of equity concerning the

Assessments, with respect to the formation of the District, approval of the Service and Assessment Plan and the City's levy and collection of the Assessments.

III. COVENANTS AND ☐ WARRANTIES ☐ MISCELLANEOUS

LANDOWNER AGREEMENT - EXHIBIT II

DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS

This **DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS** (as it may be amended from time to time, this "Declaration") is made as of _____ by _____, LLC a Texas _____ (the "Landowner").

RECITALS

- A. The Landowner holds record title to that portion of the real property located in Denton County, Texas, which is described in the attached Exhibit I (the "Landowner's Parcel").
- B. - C. The City Council has adopted an Phase #2 Assessment Ordinance to levy assessments for certain public improvements (including all exhibits and attachments thereto, the "Phase #2 Assessment Ordinance") and the Service and Assessment Plan included as an exhibit to the Phase #2 Assessment Ordinance (as amended from time to time, the "Service and Assessment Plan"), and has levied the assessments (as amended from time to time, the "Assessments") on property in Phase #2 of the District.
- D. The statutory notification required by Texas Property Code, Section 5.014, as amended, to be provided by the seller of residential property that is located in a public improvement district established under Chapter 372 of the Texas Local Government Code, as amended, to the purchaser, is incorporated into these Covenants, Conditions and Restrictions.

DECLARATIONS

NOW, THEREFORE, the Landowner hereby declares that the Landowner's Parcel is and shall be subject to, and hereby imposes on the Landowner's Parcel, the following covenants, conditions and restrictions:

1. **Acceptance and Approval of Assessments and Lien on Property**

- (a) Landowner accepts each Assessment levied on the Landowner's Parcel owned by such Landowner.
- (b) The Assessment (including any reassessment, the expense of collection, and reasonable attorney's fees, if incurred) is (a) a first and prior lien (the "Assessment Lien") against the property assessed, superior to all other liens or claims except for liens or claims for state, county, school district or municipality ad valorem property

taxes whether now or hereafter payable, and (b) a personal liability of and charge against the owners of the property to the extent of their ownership regardless of whether the owners are named. The Assessment Lien is effective from the date of the Phase #2 Assessment Ordinance until the Assessments are paid and may be enforced by the City in the same manner as an ad valorem property tax levied against real property that may be enforced by the City. The owner of any assessed property may pay, at any time, the entire Assessment levied against any such property. Foreclosure of an ad valorem property tax lien on property within Phase #2 of the District will not extinguish the Assessment or any unpaid but not yet due annual installments of the Assessment, and will not accelerate the due date for any unpaid and not yet due annual installments of the Assessment.

It is the clear intention of all parties to these Declarations of Covenants, Conditions and Restrictions, that the Assessments, including any annual installments of the Assessments (as such annual installments may be adjusted, decreased or extended), are covenants that run with the Landowner's Parcel and specifically binds the Landowner, its successors and assigns.

In the event of delinquency in the payment of any annual installment of the Assessment, the City is empowered to order institution of an action in district court to foreclose the related Assessment Lien, to enforce personal liability against the owner of the real property for the Assessment, or both. In such action the real property subject to the delinquent Assessment may be sold at judicial foreclosure sale for the amount of such delinquent property taxes and Assessment, plus penalties, interest and costs of collection.

2. Landowner or any subsequent owner of the Landowner's Parcel waives

- (a) any and all defects, irregularities, illegalities or deficiencies in the proceedings establishing the District and levying and collecting the Assessments or the annual installments of the Assessments;
- (b) any and all notices and time periods provided by the PID Act including, but not limited to, notice of the establishment of the District and notice of public hearings regarding the levy of Assessments by the City Council concerning the Assessments;
- (c) any and all defects, irregularities, illegalities or deficiencies in, or in the adoption of, the Phase #2 Assessment Ordinance by the City Council;
- (d) any and all actions and defenses against the adoption or amendment of the Service and Assessment Plan, the City's finding of a 'special benefit' pursuant to the PID Act and the Service and Assessment Plan, and the levy of the Assessments; and
- (e) any right to object to the legality of any of the Assessments or the Service and Assessment Plan or to any of the previous proceedings connected therewith which occurred prior to, or upon, the City Council's levy of the Assessments.

- ☐ **Amendments** This Declaration may be terminated or amended only by a document duly executed and acknowledged by the then-current owner(s) of the Landowner's Parcel and

the City. No such termination or amendment shall be effective until a written instrument setting forth the terms thereof has been executed by the parties by whom approval is required as set forth above and recorded in the real Property Records of Denton County, Texas.

4. **Third Party Beneficiary** ☐ The City is a third party beneficiary to this Declaration and may enforce the terms hereof.
5. **Notice to Subsequent Purchasers** ☐ Upon the sale of a dwelling unit within the District, the purchaser of such property shall be provided a written notice that reads substantially similar to the following:

(iv) Landowner shall comply with, and shall contractually obligate (and promptly provide written evidence of such contractual provisions to the City) any party who purchases any Landowner's Parcel owned by Landowner, or any portion thereof, for the purpose of constructing residential properties that are eligible for "homestead" designations under State law, to comply with, the Homebuyer Education Program described on **Exhibit III** to this Agreement. Such compliance obligation shall terminate as to each Lot (as defined in the Service and Assessment Plan) if, and when, (i) a final

certificate of occupancy for a residential unit on such Lot is issued by the City, and (ii) there is a sale of a Lot to an individual homebuyer, it being the intent of the undersigned that the Homebuyer Education Program shall apply only to a commercial builder who is in the business of constructing and/or selling residences to individual home buyers (a “Builder”) but not to subsequent sales of such residence and Lot by an individual home buyer after the initial sale by a Builder.

Notwithstanding the provisions of this Section, upon the Landowner’s request and the City’s consent, in the City’s sole and absolute discretion, the Covenants, Conditions and Restrictions may be included with other written restrictions running with the land on property within the District, provided they contain all the material provisions and provide the same material notice to prospective property owners as does the document attached as **Exhibit II**.

II. O□ NERSHIP AND CONSTRUCTION OF PHASE #2 IMPROVEMENTS

A. Ownership and Transfer of Phase #2 Improvements. Landowner acknowledges that all of the Phase #2 Improvements and the land (or easements, as applicable) needed therefor shall be owned by the City once accepted by and conveyed to the City following construction and Landowner will execute such conveyances and/or dedications of public rights of way and easements as may be reasonably required to evidence such ownership, as generally described on the current plats of the property within the District.

B. Grant of Easement and License, Construction of Phase #2 Improvements.

(i) Any subsequent owner of the Landowner’s Parcel shall, upon the request of the City or Developer, grant and convey to the City or Developer and its contractors, materialmen and workmen a temporary license and/or easement, as appropriate, to construct the Phase #2 Improvements on the property within Phase #2 of the District, to stage on the property within Phase #2 of the District construction trailers, building materials and equipment to be used in connection with such construction of the Phase #2 Improvements and for passage and use over and across parts of the property within Phase #2 of the District as shall be reasonably necessary during the construction of the Phase #2 Improvements. Any subsequent owner of the Landowner’s Parcel may require that each contractor constructing the Phase #2 Improvements cause such owner of the Landowner’s Parcel to be indemnified and/or named as an additional insured under liability insurance reasonably acceptable to such owner of the Landowner’s Parcel. The right to use and enjoy any easement and license provided above shall continue until the construction of the Phase #2 Improvements is complete; provided, however, any such license or easement shall automatically terminate upon the recording of the final plat for the Landowner’s Parcel in the real property records of Denton County, Texas.

(ii) Landowner hereby agrees that any right or condition imposed by the Development Agreement, or other agreement, with respect to the Assessment has been satisfied, and that Landowner shall not have any rights or remedies against the City under the Development Agreement, or under any law or principles of equity concerning the

Assessments, with respect to the formation of the District, approval of the Service and Assessment Plan and the City's levy and collection of the Assessments.

III. COVENANTS AND ☐ WARRANTIES ☐ MISCELLANEOUS

A. Special Covenants and Warranties of Landowner.

Landowner represents and warrants to the City as follows:

(i) Landowner is duly organized, validly existing and, as applicable, in good standing under the laws of the state of its organization and has the full right, power and authority to enter into this Agreement, and to perform all the obligations required to be performed by Landowner hereunder.

(ii) This Agreement has been duly and validly executed and delivered by, and on behalf of, Landowner and, assuming the due authorization, execution and delivery thereof by and on behalf of the City and the Landowner, constitutes a valid, binding and enforceable obligation of such party enforceable in accordance with its terms. This representation and warranty is qualified to the extent the enforceability of this Agreement may be limited by applicable bankruptcy, insolvency, moratorium, reorganization or other similar laws of general application affecting the rights of creditors in general.

(iii) Neither the execution and delivery hereof, nor the taking of any actions contemplated hereby, will conflict with or result in a breach of any of the provisions of, or constitute a default, event of default or event creating a right of acceleration, termination or cancellation of any obligation under, any instrument, note, mortgage, contract, judgment, order, award, decree or other agreement or restriction to which Landowner is a party, or by which Landowner or Landowner's Parcel is otherwise bound.

(iv) Landowner is, subject to all matters of record in the Denton County, Texas Real Property Records, the sole owner of the Landowner's Parcel.

(v) The Landowner's Parcel owned by Landowner is not subject to, or encumbered by, any covenant, lien, encumbrance or agreement which would prohibit (i) the creation of the District, (ii) the levy of the Assessments and the priority of the lien related to the assessments as described in this Agreement, or (iii) the construction of the Phase #2 Improvements on those portions of the property within Phase #2 of the District which are to be owned by the City, as generally described on the current plats of the property within the District (or, if subject to any such prohibition, the approval or consent of all necessary parties thereto has been obtained).

(vi) Landowner covenants and agrees to execute any and all documents necessary, appropriate or incidental to the purposes of this Agreement, as long as such documents are consistent with this Agreement and do not create additional liability of any type to, or reduce the rights of, such Landowner by virtue of execution thereof.

B. Waiver of Claims Concerning Phase #2 Improvements. The Landowner, with full knowledge of the provisions, and the rights thereof pursuant to such provisions, of applicable law,

waives any claims against the City and its successors, assigns and agents, pertaining to the installation of the Phase #2 Improvements.

LANDO[®] NER AGREEMENT - EXHIBIT II

DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS

This **DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS** (as it may be amended from time to time, this "Declaration") is made as of _____ by _____, LLC a Texas _____ (the "Landowner").

RECITALS

- A. The Landowner holds record title to that portion of the real property located in Denton County, Texas, which is described in the attached Exhibit I (the "Landowner's Parcel").
- B. - C. The City Council has adopted an Phase #2 Assessment Ordinance to levy assessments for certain public improvements (including all exhibits and attachments thereto, the "Phase #2 Assessment Ordinance") and the Service and Assessment Plan included as an exhibit to the Phase #2 Assessment Ordinance (as amended from time to time, the "Service and Assessment Plan"), and has levied the assessments (as amended from time to time, the "Assessments") on property in Phase #2 of the District.
- D. The statutory notification required by Texas Property Code, Section 5.014, as amended, to be provided by the seller of residential property that is located in a public improvement district established under Chapter 372 of the Texas Local Government Code, as amended, to the purchaser, is incorporated into these Covenants, Conditions and Restrictions.

DECLARATIONS

NOW, THEREFORE, the Landowner hereby declares that the Landowner's Parcel is and shall be subject to, and hereby imposes on the Landowner's Parcel, the following covenants, conditions and restrictions:

1. **Acceptance and Approval of Assessments and Lien on Property**

- (a) Landowner accepts each Assessment levied on the Landowner's Parcel owned by such Landowner.
- (b) The Assessment (including any reassessment, the expense of collection, and reasonable attorney's fees, if incurred) is (a) a first and prior lien (the "Assessment Lien") against the property assessed, superior to all other liens or claims except for liens or claims for state, county, school district or municipality ad valorem property

taxes whether now or hereafter payable, and (b) a personal liability of and charge against the owners of the property to the extent of their ownership regardless of whether the owners are named. The Assessment Lien is effective from the date of the Phase #2 Assessment Ordinance until the Assessments are paid and may be enforced by the City in the same manner as an ad valorem property tax levied against real property that may be enforced by the City. The owner of any assessed property may pay, at any time, the entire Assessment levied against any such property. Foreclosure of an ad valorem property tax lien on property within Phase #2 of the District will not extinguish the Assessment or any unpaid but not yet due annual installments of the Assessment, and will not accelerate the due date for any unpaid and not yet due annual installments of the Assessment.

It is the clear intention of all parties to these Declarations of Covenants, Conditions and Restrictions, that the Assessments, including any annual installments of the Assessments (as such annual installments may be adjusted, decreased or extended), are covenants that run with the Landowner's Parcel and specifically binds the Landowner, its successors and assigns.

In the event of delinquency in the payment of any annual installment of the Assessment, the City is empowered to order institution of an action in district court to foreclose the related Assessment Lien, to enforce personal liability against the owner of the real property for the Assessment, or both. In such action the real property subject to the delinquent Assessment may be sold at judicial foreclosure sale for the amount of such delinquent property taxes and Assessment, plus penalties, interest and costs of collection.

2. Landowner or any subsequent owner of the Landowner's Parcel waives

- (a) any and all defects, irregularities, illegalities or deficiencies in the proceedings establishing the District and levying and collecting the Assessments or the annual installments of the Assessments;
- (b) any and all notices and time periods provided by the PID Act including, but not limited to, notice of the establishment of the District and notice of public hearings regarding the levy of Assessments by the City Council concerning the Assessments;
- (c) any and all defects, irregularities, illegalities or deficiencies in, or in the adoption of, the Phase #2 Assessment Ordinance by the City Council;
- (d) any and all actions and defenses against the adoption or amendment of the Service and Assessment Plan, the City's finding of a 'special benefit' pursuant to the PID Act and the Service and Assessment Plan, and the levy of the Assessments; and
- (e) any right to object to the legality of any of the Assessments or the Service and Assessment Plan or to any of the previous proceedings connected therewith which occurred prior to, or upon, the City Council's levy of the Assessments.

- ☐ **Amendments** This Declaration may be terminated or amended only by a document duly executed and acknowledged by the then-current owner(s) of the Landowner's Parcel and

the City. No such termination or amendment shall be effective until a written instrument setting forth the terms thereof has been executed by the parties by whom approval is required as set forth above and recorded in the real Property Records of Denton County, Texas.

4. **Third Party Beneficiary** ☐ The City is a third party beneficiary to this Declaration and may enforce the terms hereof.
5. **Notice to Subsequent Purchasers** ☐ Upon the sale of a dwelling unit within the District, the purchaser of such property shall be provided a written notice that reads substantially similar to the following:

TEXAS PROPERTY CODE SECTION 5.014

(ii) reference to the Covenants, Conditions and Restrictions attached hereto as **Exhibit II** shall be included on all recordable subdivision plats and such plats shall be recorded in the real property records of Collin County, Texas;

(iii) in the event of any subdivision, sale, transfer or other conveyance by the Landowner of the right, title or interest of the Landowner in the Landowner's Parcel or any part thereof, the Landowner's Parcel, or any such part thereof, shall continue to be bound by all of the terms, conditions and provisions of such Covenants, Conditions and Restrictions and any purchaser, transferee or other subsequent owner shall take such Landowner's Parcel subject to all of the terms, conditions and provisions of such Covenants, Conditions and Restrictions; and

(iv) Landowner shall comply with, and shall contractually obligate (and promptly provide written evidence of such contractual provisions to the City) any party who purchases any Landowner's Parcel owned by Landowner, or any portion thereof, for the purpose of constructing residential properties that are eligible for "homestead" designations under State law, to comply with, the Homebuyer Education Program described on **Exhibit III** to this Agreement. Such compliance obligation shall terminate as to each Lot (as defined in the Service and Assessment Plan) if, and when, (i) a final

certificate of occupancy for a residential unit on such Lot is issued by the City, and (ii) there is a sale of a Lot to an individual homebuyer, it being the intent of the undersigned that the Homebuyer Education Program shall apply only to a commercial builder who is in the business of constructing and/or selling residences to individual home buyers (a “Builder”) but not to subsequent sales of such residence and Lot by an individual home buyer after the initial sale by a Builder.

Notwithstanding the provisions of this Section, upon the Landowner’s request and the City’s consent, in the City’s sole and absolute discretion, the Covenants, Conditions and Restrictions may be included with other written restrictions running with the land on property within the District, provided they contain all the material provisions and provide the same material notice to prospective property owners as does the document attached as **Exhibit II**.

II. O□ NERSHIP AND CONSTRUCTION OF PHASE #2 IMPROVEMENTS

A. Ownership and Transfer of Phase #2 Improvements. Landowner acknowledges that all of the Phase #2 Improvements and the land (or easements, as applicable) needed therefor shall be owned by the City once accepted by and conveyed to the City following construction and Landowner will execute such conveyances and/or dedications of public rights of way and easements as may be reasonably required to evidence such ownership, as generally described on the current plats of the property within the District.

B. Grant of Easement and License, Construction of Phase #2 Improvements.

(i) Any subsequent owner of the Landowner’s Parcel shall, upon the request of the City or Developer, grant and convey to the City or Developer and its contractors, materialmen and workmen a temporary license and/or easement, as appropriate, to construct the Phase #2 Improvements on the property within Phase #2 of the District, to stage on the property within Phase #2 of the District construction trailers, building materials and equipment to be used in connection with such construction of the Phase #2 Improvements and for passage and use over and across parts of the property within Phase #2 of the District as shall be reasonably necessary during the construction of the Phase #2 Improvements. Any subsequent owner of the Landowner’s Parcel may require that each contractor constructing the Phase #2 Improvements cause such owner of the Landowner’s Parcel to be indemnified and/or named as an additional insured under liability insurance reasonably acceptable to such owner of the Landowner’s Parcel. The right to use and enjoy any easement and license provided above shall continue until the construction of the Phase #2 Improvements is complete; provided, however, any such license or easement shall automatically terminate upon the recording of the final plat for the Landowner’s Parcel in the real property records of Collin County, Texas.

(ii) Landowner hereby agrees that any right or condition imposed by the Development Agreement, or other agreement, with respect to the Assessment has been satisfied, and that Landowner shall not have any rights or remedies against the City under the Development Agreement, or under any law or principles of equity concerning the

Assessments, with respect to the formation of the District, approval of the Service and Assessment Plan and the City's levy and collection of the Assessments.

III. COVENANTS AND ☐ WARRANTIES ☐ MISCELLANEOUS

A. Special Covenants and Warranties of Landowner.

Landowner represents and warrants to the City as follows:

This representation and warranty is qualified to the extent the enforceability of this Agreement may be limited by applicable bankruptcy, insolvency, moratorium, reorganization or other similar laws of general application affecting the rights of creditors in general.

(iii) Neither the execution and delivery hereof, nor the taking of any actions contemplated hereby, will conflict with or result in a breach of any of the provisions of, or constitute a default, event of default or event creating a right of acceleration, termination or cancellation of any obligation under, any instrument, note, mortgage, contract, judgment, order, award, decree or other agreement or restriction to which Landowner is a party, or by which Landowner or Landowner's Parcel is otherwise bound.

(iv) Landowner is, subject to all matters of record in the Collin County, Texas Real Property Records, the sole owner of the Landowner's Parcel.

(v) The Landowner's Parcel owned by Landowner is not subject to, or encumbered by, any covenant, lien, encumbrance or agreement which would prohibit (i) the creation of the District, (ii) the levy of the Assessments and the priority of the lien related to the assessments as described in this Agreement, or (iii) the construction of the Phase #2 Improvements on those portions of the property within Phase #2 of the District which are to be owned by the City, as generally described on the current plats of the property within the District (or, if subject to any such prohibition, the approval or consent of all necessary parties thereto has been obtained).

(vi) Landowner covenants and agrees to execute any and all documents necessary, appropriate or incidental to the purposes of this Agreement, as long as such documents are consistent with this Agreement and do not create additional liability of any type to, or reduce the rights of, such Landowner by virtue of execution thereof.

B. Waiver of Claims Concerning Phase #2 Improvements. The Landowner, with full knowledge of the provisions, and the rights thereof pursuant to such provisions, of applicable law,

waives any claims against the City and its successors, assigns and agents, pertaining to the installation of the Phase #2 Improvements.

LANDOWNER AGREEMENT - EXHIBIT II

DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS

This **DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS** (as it may be amended from time to time, this "Declaration") is made as of _____ by _____, LLC a Texas _____ (the "Landowner").

RECITALS

- A. The Landowner holds record title to that portion of the real property located in Collin County, Texas, which is described in the attached Exhibit I (the "Landowner's Parcel").
- B. The City Council of the City of Celina (the "City Council") upon a petition requesting the establishment of a public improvement district covering the property within the District to be known as the Creeks of Legacy Public Improvement District No (the "District") by the then owners of more than 50% of the appraised value of the taxable real property and owners of more than 50% of the area of all taxable real property within the area requested to be included in the District created such District, in accordance with the Public Improvement District Assessment Act, Chapter 372, Texas Local Government Code, as amended (the "PID Act").
- C. The City Council has adopted an Phase #2 Assessment Ordinance to levy assessments for certain public improvements (including all exhibits and attachments thereto, the "Phase #2 Assessment Ordinance") and the Service and Assessment Plan included as an exhibit to the Phase #2 Assessment Ordinance (as amended from time to time, the "Service and Assessment Plan"), and has levied the assessments (as amended from time to time, the "Assessments") on property in Phase #2 of the District.
- D. The statutory notification required by Texas Property Code, Section 5.014, as amended, to be provided by the seller of residential property that is located in a public improvement district established under Chapter 372 of the Texas Local Government Code, as amended, to the purchaser, is incorporated into these Covenants, Conditions and Restrictions.

DECLARATIONS

NOW, THEREFORE, the Landowner hereby declares that the Landowner's Parcel is and shall be subject to, and hereby imposes on the Landowner's Parcel, the following covenants, conditions and restrictions:

1. **Acceptance and Approval of Assessments and Lien on Property**

- (a) Landowner accepts each Assessment levied on the Landowner's Parcel owned by such Landowner.
- (b) The Assessment (including any reassessment, the expense of collection, and reasonable attorney's fees, if incurred) is (a) a first and prior lien (the "Assessment Lien") against the property assessed, superior to all other liens or claims except for liens or claims for state, county, school district or municipality ad valorem property

taxes whether now or hereafter payable, and (b) a personal liability of and charge against the owners of the property to the extent of their ownership regardless of whether the owners are named. The Assessment Lien is effective from the date of the Phase #2 Assessment Ordinance until the Assessments are paid and may be enforced by the City in the same manner as an ad valorem property tax levied against real property that may be enforced by the City. The owner of any assessed property may pay, at any time, the entire Assessment levied against any such property. Foreclosure of an ad valorem property tax lien on property within Phase #2 of the District will not extinguish the Assessment or any unpaid but not yet due annual installments of the Assessment, and will not accelerate the due date for any unpaid and not yet due annual installments of the Assessment.

It is the clear intention of all parties to these Declarations of Covenants, Conditions and Restrictions, that the Assessments, including any annual installments of the Assessments (as such annual installments may be adjusted, decreased or extended), are covenants that run with the Landowner's Parcel and specifically binds the Landowner, its successors and assigns.

In the event of delinquency in the payment of any annual installment of the Assessment, the City is empowered to order institution of an action in district court to foreclose the related Assessment Lien, to enforce personal liability against the owner of the real property for the Assessment, or both. In such action the real property subject to the delinquent Assessment may be sold at judicial foreclosure sale for the amount of such delinquent property taxes and Assessment, plus penalties, interest and costs of collection.

2. Landowner or any subsequent owner of the Landowner's Parcel waives

- (a) any and all defects, irregularities, illegalities or deficiencies in the proceedings establishing the District and levying and collecting the Assessments or the annual installments of the Assessments;
- (b) any and all notices and time periods provided by the PID Act including, but not limited to, notice of the establishment of the District and notice of public hearings regarding the levy of Assessments by the City Council concerning the Assessments;
- (c) any and all defects, irregularities, illegalities or deficiencies in, or in the adoption of, the Phase #2 Assessment Ordinance by the City Council;
- (d) any and all actions and defenses against the adoption or amendment of the Service and Assessment Plan, the City's finding of a 'special benefit' pursuant to the PID Act and the Service and Assessment Plan, and the levy of the Assessments; and
- (e) any right to object to the legality of any of the Assessments or the Service and Assessment Plan or to any of the previous proceedings connected therewith which occurred prior to, or upon, the City Council's levy of the Assessments.

- ☐ **Amendments** This Declaration may be terminated or amended only by a document duly executed and acknowledged by the then-current owner(s) of the Landowner's Parcel and

the City. No such termination or amendment shall be effective until a written instrument setting forth the terms thereof has been executed by the parties by whom approval is required as set forth above and recorded in the real Property Records of Collin County, Texas.

4. **Third Party Beneficiary** ☐ The City is a third party beneficiary to this Declaration and may enforce the terms hereof.
5. **Notice to Subsequent Purchasers** ☐ Upon the sale of a dwelling unit within the District, the purchaser of such property shall be provided a written notice that reads substantially similar to the following:

(v) each Assessment or reassessment, with interest, the expense of collection, and reasonable attorney's fees, if incurred, is a first and prior lien against the Landowner's Parcel, superior to all other liens and monetary claims except liens or monetary claims for state, county, school district, or municipal ad valorem taxes, and is a personal liability of and charge against the owner of the Landowner's Parcel regardless of whether such owner is named;

(vi) the Assessment lien on the Landowner's Parcel is a lien and covenant that runs with the land and is effective from the date of the Phase #2 Assessment Ordinance and continues until the Assessment is paid and may be enforced by the governing body of the City in the same manner that an ad valorem tax lien against real property may be enforced by the City;

(vii) delinquent installments of the Assessment shall incur and accrue interest, penalties, and attorney's fees as provided in the PID Act;

(viii) the owner of an Assessed Parcel may pay at any time the entire Assessment, with interest that has accrued on the Assessment, on any parcel in the Landowner's Parcel;

(ix) the Annual Installments of the Assessments (as defined in the Service and Assessment Plan and Phase #2 Assessment Roll) may be adjusted, decreased and extended; and, the assessed parties shall be obligated to pay their respective revised amounts of the annual installments, when due, and without the necessity of further action, assessments or reassessments by the City, the same as though they were expressly set forth herein; and

(x) Landowner has received, or hereby waives, all notices required to be provided to it under State law, including the PID Act, prior to the Effective Date (defined herein).

C. Mandatory Prepayment of Assessments. Landowner agrees and acknowledges that Landowner or subsequent landowners may have an obligation to prepay an Assessment upon the occurrence of a mandatory prepayment event, at the sole discretion of the City and as provided in the Service and Assessment Plan, as amended or updated or upon sale of property in the PID to a party not subject to Assessments.

D. Notice of Assessments. Landowner further agrees as follows:

(i) the Covenants, Conditions and Restrictions attached hereto as **Exhibit II** shall be terms, conditions and provisions running with the Landowner's Parcel and shall be recorded (the contents of which shall be consistent with the Phase #2 Assessment Ordinance and the Service and Assessment Plan as reasonably determined by the City), in the records of the County Clerk of Collin County, as a lien and encumbrance against such Landowner's Parcel, and Landowner hereby authorizes the City to so record such documents against the Landowner's Parcel owned by Landowner;

(ii) reference to the Covenants, Conditions and Restrictions attached hereto as **Exhibit II** shall be included on all recordable subdivision plats and such plats shall be recorded in the real property records of Collin County, Texas;

(iii) in the event of any subdivision, sale, transfer or other conveyance by the Landowner of the right, title or interest of the Landowner in the Landowner's Parcel or any part thereof, the Landowner's Parcel, or any such part thereof, shall continue to be bound by all of the terms, conditions and provisions of such Covenants, Conditions and Restrictions and any purchaser, transferee or other subsequent owner shall take such Landowner's Parcel subject to all of the terms, conditions and provisions of such Covenants, Conditions and Restrictions; and

(iv) Landowner shall comply with, and shall contractually obligate (and promptly provide written evidence of such contractual provisions to the City) any party who purchases any Landowner's Parcel owned by Landowner, or any portion thereof, for the purpose of constructing residential properties that are eligible for "homestead" designations under State law, to comply with, the Homebuyer Education Program described on **Exhibit III** to this Agreement. Such compliance obligation shall terminate as to each Lot (as defined in the Service and Assessment Plan) if, and when, (i) a final

certificate of occupancy for a residential unit on such Lot is issued by the City, and (ii) there is a sale of a Lot to an individual homebuyer, it being the intent of the undersigned that the Homebuyer Education Program shall apply only to a commercial builder who is in the business of constructing and/or selling residences to individual home buyers (a “Builder”) but not to subsequent sales of such residence and Lot by an individual home buyer after the initial sale by a Builder.

Notwithstanding the provisions of this Section, upon the Landowner’s request and the City’s consent, in the City’s sole and absolute discretion, the Covenants, Conditions and Restrictions may be included with other written restrictions running with the land on property within the District, provided they contain all the material provisions and provide the same material notice to prospective property owners as does the document attached as **Exhibit II**.

II. O□ NERSHIP AND CONSTRUCTION OF PHASE #2 IMPROVEMENTS

A. Ownership and Transfer of Phase #2 Improvements. Landowner acknowledges that all of the Phase #2 Improvements and the land (or easements, as applicable) needed therefor shall be owned by the City once accepted by and conveyed to the City following construction and Landowner will execute such conveyances and/or dedications of public rights of way and easements as may be reasonably required to evidence such ownership, as generally described on the current plats of the property within the District.

B. Grant of Easement and License, Construction of Phase #2 Improvements.

(i) Any subsequent owner of the Landowner’s Parcel shall, upon the request of the City or Developer, grant and convey to the City or Developer and its contractors, materialmen and workmen a temporary license and/or easement, as appropriate, to construct the Phase #2 Improvements on the property within Phase #2 of the District, to stage on the property within Phase #2 of the District construction trailers, building materials and equipment to be used in connection with such construction of the Phase #2 Improvements and for passage and use over and across parts of the property within Phase #2 of the District as shall be reasonably necessary during the construction of the Phase #2 Improvements. Any subsequent owner of the Landowner’s Parcel may require that each contractor constructing the Phase #2 Improvements cause such owner of the Landowner’s Parcel to be indemnified and/or named as an additional insured under liability insurance reasonably acceptable to such owner of the Landowner’s Parcel. The right to use and enjoy any easement and license provided above shall continue until the construction of the Phase #2 Improvements is complete; provided, however, any such license or easement shall automatically terminate upon the recording of the final plat for the Landowner’s Parcel in the real property records of Collin County, Texas.

(ii) Landowner hereby agrees that any right or condition imposed by the Development Agreement, or other agreement, with respect to the Assessment has been satisfied, and that Landowner shall not have any rights or remedies against the City under the Development Agreement, or under any law or principles of equity concerning the

Assessments, with respect to the formation of the District, approval of the Service and Assessment Plan and the City's levy and collection of the Assessments.

III. COVENANTS AND ☐ WARRANTIES ☐ MISCELLANEOUS

A. Special Covenants and Warranties of Landowner.

Landowner represents and warrants to the City as follows:

(ii) This Agreement has been duly and validly executed and delivered by, and on behalf of, Landowner and, assuming the due authorization, execution and delivery thereof by and on behalf of the City and the Landowner, constitutes a valid, binding and enforceable obligation of such party enforceable in accordance with its terms. This representation and warranty is qualified to the extent the enforceability of this Agreement may be limited by applicable bankruptcy, insolvency, moratorium, reorganization or other similar laws of general application affecting the rights of creditors in general.

(iii) Neither the execution and delivery hereof, nor the taking of any actions contemplated hereby, will conflict with or result in a breach of any of the provisions of, or constitute a default, event of default or event creating a right of acceleration, termination or cancellation of any obligation under, any instrument, note, mortgage, contract, judgment, order, award, decree or other agreement or restriction to which Landowner is a party, or by which Landowner or Landowner's Parcel is otherwise bound.

(iv) Landowner is, subject to all matters of record in the Collin County, Texas Real Property Records, the sole owner of the Landowner's Parcel.

(v) The Landowner's Parcel owned by Landowner is not subject to, or encumbered by, any covenant, lien, encumbrance or agreement which would prohibit (i) the creation of the District, (ii) the levy of the Assessments and the priority of the lien related to the assessments as described in this Agreement, or (iii) the construction of the Phase #2 Improvements on those portions of the property within Phase #2 of the District which are to be owned by the City, as generally described on the current plats of the property within the District (or, if subject to any such prohibition, the approval or consent of all necessary parties thereto has been obtained).

(vi) Landowner covenants and agrees to execute any and all documents necessary, appropriate or incidental to the purposes of this Agreement, as long as such documents are consistent with this Agreement and do not create additional liability of any type to, or reduce the rights of, such Landowner by virtue of execution thereof.

B. Waiver of Claims Concerning Phase #2 Improvements. The Landowner, with full knowledge of the provisions, and the rights thereof pursuant to such provisions, of applicable law,

waives any claims against the City and its successors, assigns and agents, pertaining to the installation of the Phase #2 Improvements.

- C. The City Council has adopted an Phase #2 Assessment Ordinance to levy assessments for certain public improvements (including all exhibits and attachments thereto, the "Phase #2 Assessment Ordinance") and the Service and Assessment Plan included as an exhibit to the Phase #2 Assessment Ordinance (as amended from time to time, the "Service and Assessment Plan"), and has levied the assessments (as amended from time to time, the "Assessments") on property in Phase #2 of the District.

DECLARATIONS[□]

NOW, THEREFORE, the Landowner hereby declares that the Landowner's Parcel is and shall be subject to, and hereby imposes on the Landowner's Parcel, the following covenants, conditions and restrictions:

1. **Acceptance and Approval of Assessments and Lien on Property[□]**

- (a) Landowner accepts each Assessment levied on the Landowner's Parcel owned by such Landowner.
- (b) The Assessment (including any reassessment, the expense of collection, and reasonable attorney's fees, if incurred) is (a) a first and prior lien (the "Assessment Lien") against the property assessed, superior to all other liens or claims except for liens or claims for state, county, school district or municipality ad valorem property

taxes whether now or hereafter payable, and (b) a personal liability of and charge against the owners of the property to the extent of their ownership regardless of whether the owners are named. The Assessment Lien is effective from the date of the Phase #2 Assessment Ordinance until the Assessments are paid and may be enforced by the City in the same manner as an ad valorem property tax levied against real property that may be enforced by the City. The owner of any assessed property may pay, at any time, the entire Assessment levied against any such property. Foreclosure of an ad valorem property tax lien on property within Phase #2 of the District will not extinguish the Assessment or any unpaid but not yet due annual installments of the Assessment, and will not accelerate the due date for any unpaid and not yet due annual installments of the Assessment.

It is the clear intention of all parties to these Declarations of Covenants, Conditions and Restrictions, that the Assessments, including any annual installments of the Assessments (as such annual installments may be adjusted, decreased or extended), are covenants that run with the Landowner's Parcel and specifically binds the Landowner, its successors and assigns.

In the event of delinquency in the payment of any annual installment of the Assessment, the City is empowered to order institution of an action in district court to foreclose the related Assessment Lien, to enforce personal liability against the owner of the real property for the Assessment, or both. In such action the real property subject to the delinquent Assessment may be sold at judicial foreclosure sale for the amount of such delinquent property taxes and Assessment, plus penalties, interest and costs of collection.

2. Landowner or any subsequent owner of the Landowner's Parcel waives

- (a) any and all defects, irregularities, illegalities or deficiencies in the proceedings establishing the District and levying and collecting the Assessments or the annual installments of the Assessments;
- (b) any and all notices and time periods provided by the PID Act including, but not limited to, notice of the establishment of the District and notice of public hearings regarding the levy of Assessments by the City Council concerning the Assessments;
- (c) any and all defects, irregularities, illegalities or deficiencies in, or in the adoption of, the Phase #2 Assessment Ordinance by the City Council;
- (d) any and all actions and defenses against the adoption or amendment of the Service and Assessment Plan, the City's finding of a 'special benefit' pursuant to the PID Act and the Service and Assessment Plan, and the levy of the Assessments; and
- (e) any right to object to the legality of any of the Assessments or the Service and Assessment Plan or to any of the previous proceedings connected therewith which occurred prior to, or upon, the City Council's levy of the Assessments.

- ☐ **Amendments** This Declaration may be terminated or amended only by a document duly executed and acknowledged by the then-current owner(s) of the Landowner's Parcel and

the City. No such termination or amendment shall be effective until a written instrument setting forth the terms thereof has been executed by the parties by whom approval is required as set forth above and recorded in the real Property Records of Collin County, Texas.

4. **Third Party Beneficiary** ☐ The City is a third party beneficiary to this Declaration and may enforce the terms hereof.
5. **Notice to Subsequent Purchasers** ☐ Upon the sale of a dwelling unit within the District, the purchaser of such property shall be provided a written notice that reads substantially similar to the following:

TEXAS PROPERTY CODE SECTION 5.014

D. Notice of Assessments. Landowner further agrees as follows:

(i) the Covenants, Conditions and Restrictions attached hereto as **Exhibit II** shall be terms, conditions and provisions running with the Landowner's Parcel and shall be recorded (the contents of which shall be consistent with the Phase #2 Assessment Ordinance and the Service and Assessment Plan as reasonably determined by the City), in the records of the County Clerk of Collin County, as a lien and encumbrance against such Landowner's Parcel, and Landowner hereby authorizes the City to so record such documents against the Landowner's Parcel owned by Landowner;

(vi) Landowner covenants and agrees to execute any and all documents necessary, appropriate or incidental to the purposes of this Agreement, as long as such documents are consistent with this Agreement and do not create additional liability of any type to, or reduce the rights of, such Landowner by virtue of execution thereof.

- C. The City Council has adopted an Phase #2 Assessment Ordinance to levy assessments for certain public improvements (including all exhibits and attachments thereto, the “Phase #2 Assessment Ordinance”) and the Service and Assessment Plan included as an exhibit to the Phase #2 Assessment Ordinance (as amended from time to time, the “Service and Assessment Plan”), and has levied the assessments (as amended from time to time, the “Assessments”) on property in Phase #2 of the District.

DECLARATIONS[□]

NOW, THEREFORE, the Landowner hereby declares that the Landowner’s Parcel is and shall be subject to, and hereby imposes on the Landowner’s Parcel, the following covenants, conditions and restrictions:

1. **Acceptance and Approval of Assessments and Lien on Property[□]**

- (a) Landowner accepts each Assessment levied on the Landowner’s Parcel owned by such Landowner.
- (b) The Assessment (including any reassessment, the expense of collection, and reasonable attorney’s fees, if incurred) is (a) a first and prior lien (the “Assessment Lien”) against the property assessed, superior to all other liens or claims except for

liens or claims for state, county, school district or municipality ad valorem property taxes whether now or hereafter payable, and (b) a personal liability of and charge against the owners of the property to the extent of their ownership regardless of whether the owners are named. The Assessment Lien is effective from the date of the Phase #2 Assessment Ordinance until the Assessments are paid and may be enforced by the City in the same manner as an ad valorem property tax levied against real property that may be enforced by the City. The owner of any assessed property may pay, at any time, the entire Assessment levied against any such property. Foreclosure of an ad valorem property tax lien on property within Phase #2 of the District will not extinguish the Assessment or any unpaid but not yet due annual installments of the Assessment, and will not accelerate the due date for any unpaid and not yet due annual installments of the Assessment.

It is the clear intention of all parties to these Declarations of Covenants, Conditions and Restrictions, that the Assessments, including any annual installments of the Assessments (as such annual installments may be adjusted, decreased or extended), are covenants that run with the Landowner's Parcel and specifically binds the Landowner, its successors and assigns.

In the event of delinquency in the payment of any annual installment of the Assessment, the City is empowered to order institution of an action in district court to foreclose the related Assessment Lien, to enforce personal liability against the owner of the real property for the Assessment, or both. In such action the real property subject to the delinquent Assessment may be sold at judicial foreclosure sale for the amount of such delinquent property taxes and Assessment, plus penalties, interest and costs of collection.

2. Landowner or any subsequent owner of the Landowner's Parcel waives

- (a) any and all defects, irregularities, illegalities or deficiencies in the proceedings establishing the District and levying and collecting the Assessments or the annual installments of the Assessments;
- (b) any and all notices and time periods provided by the PID Act including, but not limited to, notice of the establishment of the District and notice of public hearings regarding the levy of Assessments by the City Council concerning the Assessments;
- (c) any and all defects, irregularities, illegalities or deficiencies in, or in the adoption of, the Phase #2 Assessment Ordinance by the City Council;
- (d) any and all actions and defenses against the adoption or amendment of the Service and Assessment Plan, the City's finding of a 'special benefit' pursuant to the PID Act and the Service and Assessment Plan, and the levy of the Assessments; and
- (e) any right to object to the legality of any of the Assessments or the Service and Assessment Plan or to any of the previous proceedings connected therewith which occurred prior to, or upon, the City Council's levy of the Assessments.

- ☐ **Amendments** ☐ This Declaration may be terminated or amended only by a document duly executed and acknowledged by the then-current owner(s) of the Landowner's Parcel and the City. No such termination or amendment shall be effective until a written instrument setting forth the terms thereof has been executed by the parties by whom approval is required as set forth above and recorded in the real Property Records of Collin County, Texas.
4. **Third Party Beneficiary** ☐ The City is a third party beneficiary to this Declaration and may enforce the terms hereof.
5. **Notice to Subsequent Purchasers** ☐ Upon the sale of a dwelling unit within the District, the purchaser of such property shall be provided a written notice that reads substantially similar to the following:

Section I PLAN DESCRIPTION AND DEFINED TERMS

A. Introduction

On April 29, 2014 (the “Creation Date”) the City Council of the City of Celina, Texas (the “City”) passed and approved Resolution No. 2014-17R approving and authorizing the creation of the Creeks of Legacy Improvement District (the “PID”) to finance the costs of certain public improvements for the benefit of property in the PID (the “Authorized Improvements”), all of which is located within the City of Celina.

The property in the PID is proposed to be developed in approximately three phases, and the PID will finance public improvements for each phase as each phase is developed. Assessments will be imposed on the all property in the PID for the public improvements that benefit the entire PID and on the property in each phase for the public improvements to be provided for that phase.

Chapter 372 of the Texas Local Government Code, the “Public Improvement District Assessment Act” (as amended, the “PID Act”), governs the creation and operation of public improvement districts within the State of Texas. The Creeks of Legacy Public Improvement District Service and Assessment Plan (the “Service and Assessment Plan”) has been prepared in accordance with the PID Act and specifically Sections 372.013, 372.014, 372.015 and 372.016, which address the requirements of a service and assessment plan and the assessment roll. According to Section 372.013 of the PID Act, a service plan “must cover a period of at least five years and must also define the annual indebtedness and the projected costs for improvements. The plan shall be reviewed and updated annually for the purpose of determining the annual budget for improvements.” The service plan is described in Section IV of this Service and Assessment Plan.

Section 372.014 of the PID Act requires that “an assessment plan must be included in the annual service plan.” The assessment plan is described in Section V of this Service and Assessment Plan.

Section 372.015 of the PID Act requires that “the governing body of the municipality or county shall apportion the cost of an improvement to be assessed against property in an improvement district.” The method of assessing the Authorized Improvement Costs and apportionment of such costs to the property in the PID is included in Section V of this Service and Assessment Plan.

Section 372.016 of the PID Act requires that “after the total cost of an improvement is determined, the governing body of the municipality or county shall prepare a proposed assessment roll. The roll must state the assessment against each parcel of land in the district, as determined by the method of assessment chosen by the municipality or county under this subchapter.” The Assessment Rolls for the PID are included as Appendix F, G and H of this Service and Assessment Plan. The Assessments as shown on the Assessment Roll are based on the method of assessment and apportionment of costs described in Section V of this Service and Assessment Plan.

Section II PROPERTY INCLUDED IN THE PID

A. Property Included in the PID

The PID is presently located within the City and contains approximately 322 acres of land. A map of the property within the PID is shown on Appendix A to this Service and Assessment Plan.

At completion, the PID is expected to consist of approximately 1,021 single family residential units, landscaping, and infrastructure necessary to provide roadways, drainage, and utilities to the PID. The estimated number of lots (1,021) and the classification of each lot are based upon the proposed development plan.

The property within the PID is proposed to be developed as follows:

Table II-A
Proposed Development

Proposed Development Type	Quantity	Measurement
Single Family Residential – 70 Feet	183	units
Single Family Residential – 60 Feet	495	units
Single Family Residential – 50 Feet	343	units
Total	1,021	units

B. Property Included in Phase #1, Phase #2 and Phases #2 – 3 Major Improvement Area

Phase #1 consists of approximately 120 acres and is projected to consist of 427 single family residential units, to be developed as Phase #1, as further described in Section III. Phase #2 consists of approximately 106 acres and is projected to consist of 403 single family residential units, to be developed as Phase #2. Phases # 2 - 3 Major Improvement Area consist of approximately 202 acres (including the 106 acres in Phase #2) and are projected to consist of approximately 594 residential units (including the 402 residential units planned in Phase #2). A map of the property within Phase #1, Phase #2 and Phases #2 – 3 Major Improvement Area and depicting the boundaries of each proposed Phase is shown in Appendix A.

C. Property Included in Future Phases

As Phases are developed, it is anticipated that Phased PID Bonds will be issued for each new phase. In connection with the issuance of each new Phased PID Bonds, this Service and Assessment Plan will be updated to add additional details of each new Phase(s) as shown for Phase #1 in Section II.B. A map of the projected property within each Future Phase is shown in Appendix A. The Future Phases are shown for illustrative purposes only and are subject to adjustment. The current Parcels in the PID are shown on the Assessment Rolls included as Appendix F, Appendix G and Appendix H.

The estimated number of units at the build-out of the PID is based on the land use approvals for the property, the anticipated subdivision of property in the PID, and the Developer's estimate of the highest and best use of the property within the PID.

Section III DESCRIPTION OF THE AUTHORIZED IMPROVEMENTS

A. Authorized Improvement Overview

Section 372.003 of the PID Act defines the improvements that may be undertaken by a municipality or county through the establishment of a public improvement district, as follows:

372.003. Authorized Improvements

- (a) If the governing body of a municipality or county finds that it promotes the interests of the municipality or county, the governing body may undertake an improvement project that confers a special benefit on a definable part of the municipality or county or the municipality's extraterritorial jurisdiction. A project may be undertaken in the municipality or county or the municipality's extraterritorial jurisdiction.
- (b) A public improvement may include:
 - (i) landscaping;
 - (ii) erection of fountains, distinctive lighting, and signs;
 - (iii) acquiring, constructing, improving, widening, narrowing, closing, or rerouting of sidewalks or of streets, any other roadways, or their rights-of way;
 - (iv) construction or improvement of pedestrian malls;
 - (v) acquisition and installation of pieces of art;
 - (vi) acquisition, construction, or improvement of libraries;
 - (vii) acquisition, construction, or improvement of off-street parking facilities;
 - (viii) acquisition, construction, improvement, or rerouting of mass transportation facilities;
 - (ix) acquisition, construction, or improvement of water, wastewater, or drainage facilities or improvements;
 - (x) the establishment or improvement of parks;
 - (xi) projects similar to those listed in Subdivisions (i)-(x);
 - (xii) acquisition, by purchase or otherwise, of real property in connection with an authorized improvement;
 - (xiii) special supplemental services for improvement and promotion of the district, including services relating to advertising, promotion, health and sanitation, water and wastewater, public safety, security, business recruitment, development, recreation, and cultural enhancement; and

- (xiv) payment of expenses incurred in the establishment, administration and operation of the district.

After analyzing the public improvement projects authorized by the PID Act, the City has determined that the Authorized Improvements as described in Appendix B and shown on the diagram included as Appendix C should be undertaken by the City for the benefit of the property within the PID.

B. Description of Estimated Costs of Major Improvements

The Major Improvements benefit the entire PID. The costs of the Major Improvements are allocated proportionally throughout the entire PID, excluding Non-Benefited Property, in a manner that anticipates planned development of the PID based on the Equivalent Units as calculated and shown in Appendix D using the planned lot types and anticipated number of lots.

The Major Improvements descriptions are presented below as provided by the project engineer. The costs of the Major Improvements are shown in Table III-A. The costs shown in Table III-A are estimates and may be revised in Annual Service Plan Updates, including such other improvements as deemed necessary to further improve the properties within the PID.

Road Improvements:

Frontier Parkway was constructed as a 2-lane paved road (120' right-of-way) of approximately 5,425 linear feet. Legacy Drive was constructed a 4-lane paved road (120' right-of-way road approximately 2,975 linear feet.

Water Distribution System Improvements:

A twelve (12") inch water line was constructed to serve the development. The line starts at an existing stub near the entrance of Light Farms to the northeast. The line will continue along the east side of the Dallas North Tollway (DNT). The line will cross underneath the DNT and along the north side of Frontier Parkway. The total length along the DNT is 5,685 linear feet. An additional 12 inch water line extension extends along Frontier Parkway to the west side of the Creeks of Legacy boundary and along Legacy Dr for approximately 16,594 linear feet.

Sanitary Sewer Improvements:

An existing thirty six (36") inch Doe Branch sanitary sewer line is located north of the development. An eighteen (18") inch gravity sanitary sewer line connects into Doe Branch and then reduces to a fifteen (15") inch gravity flow sewer line that runs along Frontier Parkway until it reaches the DNT. The line is designed to carry the flow of the development along with the future commercial tracts that will be located between the development and the DNT. The sanitary sewer line has also factored approximately 500 acres of commercial tracts located east of the DNT. This line benefits the entire development along with the surrounding future areas.

Storm Drainage Improvements

The site drains in two directions. Approximately half of the property drains north towards the Doe Branch Creek, while the remaining half drains to the existing creek located on the south side

of the development. Enclosed storm drainage in the northern portion (East of Legacy Drive) drains into Doe Branch Creek, while the southern portion drains into the stream south of the property. The west portion of the PID (Stonegate/Wu) drains into the Doe Branch Creek using enclosed storm drains and open channels. Drainage improvements of each builder shall consist of underground reinforced concrete storm sewer pipes, inlets, and rock riprap protection at outfalls.

Authorized Improvements	Total Estimated Major Improvement Costs
Road improvements including right-of-way	\$6,665,000
Water distribution system improvements	\$1,305,000
Sanitary sewer collection system improvements	\$1,415,000
Storm sewer collection system improvements	\$2,665,000
Soft costs including PID creation, City, professional and miscellaneous soft costs	\$1,250,000
Total – Estimated Major Improvement Costs	\$13,300,000

The costs shown in Table III-A-1 are current estimates and may be revised in Annual Service Plan Updates.

According to the Developer, additional Major Improvements (the “Additional Major Improvements”) are being constructed within the PID. The Additional Major Improvements descriptions are presented below as provided by the project engineer. The costs of the Additional Major Improvements are shown in Table III-A-2. The costs shown in Table III-A-2 are estimates and may be revised in Annual Service Plan Updates, including such other improvements as deemed necessary to further improve the properties within the PID.

Road Improvements:

The northern two lanes of Frontier Parkway (25’ wide paving section) will be extended from Doe Creek Branch (Collector Road) to Legacy Drive, a distance of approximately 2,200 linear feet. This section will include a bridge over a drainage area. The Creeks of Legacy development will extend the eastern two lanes of Legacy Drive (25’ wide paving section) from Frontier Parkway north to Clear Creek Parkway (Collector Road), with a full intersection at Clear Creek Parkway. Legacy Drive’s western two lanes will be constructed from the intersection with Clear Creek Parkway north for approximately 700 linear feet. Clear Creek Parkway (45’ wide paving section) will be extended from its intersection with Legacy Drive eastward approximately 700 linear feet, connecting with the existing roadway.

Water Distribution System Improvements:

Approximately 5,500 linear feet of twelve inch water line will be constructed adjacent to Frontier Parkway from Doe Creek Branch to Legacy Drive, and then north along Legacy Drive to a point north of Clear Creek Parkway.

Sanitary Sewer Improvements:

An eight inch sanitary sewer line will be extended from the intersection of Legacy Drive and Clear Creek Parkway west for approximately 160’.

Storm Drainage Improvements

Drainage improvements along the right-of-ways and paving sections shall consist of underground reinforced concrete storm sewer pipes, storm inlets, storm outlets, gabion structures, deepening of an existing detention pond, and rock riprap protection at outfalls.

The detailed costs of the Authorized Improvements are shown in Appendix B to this Service and Assessment Plan. Savings from one line item may be applied to a cost increase in another line item. These savings may be applied only to increases in costs of the Authorized Improvements (i.e., the improvements for the benefit of property within the PID).

E. Future Phase Authorized Improvements

As Phases are developed, it is anticipated that additional Phased PID Bonds will be issued to finance Authorized Improvements for each Future Phase. As Phased PID Bonds are issued for each Future Phase, this Service and Assessment Plan will be updated to identify the specific Authorized Improvements financed by such Phased PID Bonds that benefit each Phase (e.g., a Table III-D will be added to show the estimated costs Authorized Improvements for Phase #3, etc.).

Section IV SERVICE PLAN

A. Sources and Uses of Funds

The PID Act requires the service plan to cover a period of at least five years. The service plan is required to define the annual projected costs and indebtedness for the Authorized Improvements undertaken within the PID during the five year period. It is anticipated that it will take approximately 12 months to construct the Major Improvements to be financed with the Phases #2 - 3 Major Improvement Bonds and approximately 12 months for the Phase #1 Improvements to be constructed. At some point after all or a portion of the Major Improvements and Phase #1 Improvements are constructed, Phase #2 will begin development. After Phase #2 is developed, it is anticipated that phase #3 will begin development, and so on, with each Future Phase to be subsequently developed corresponding to the Service and Assessment Plan to be updated with that development.

The estimated Actual Costs for Major Improvements and Phase #1 Improvements plus costs related to the issuance of the Bonds, in one or more series, for the Major Improvements and Phase #1 Improvements and payment of expenses incurred in the establishment, administration and operation of the PID is \$24,413,055 as shown in Table IV-A. The service plan shall be reviewed and updated at least annually for the purpose of determining the annual budget for Administrative Expenses, updating the estimated Authorized Improvement costs, and updating the Assessment Roll(s). Any update to this Service and Assessment Plan is herein referred to as an “Annual Service Plan Update.”

Table IV-A-1 summarizes the original sources and uses of funds required to construct the Major Improvements to be financed with the Phases #2 - 3 Major Improvement Bonds and Phase #1 Improvements, establish the PID, and issue the Phase #1 PID Bonds and Phases #2 – 3 Major Improvement Bonds. The sources and uses of funds shown in Table IV-A shall be updated each year in the Annual Service Plan Update to reflect any budget revisions and Actual Costs.

Table IV-B summarizes the sources and uses of funds required to construct the Phase #2 Improvements to be financed with the Phase #2 Bonds. The sources and uses of funds shown in Table IV-B shall be updated each year in the Annual Service Plan Update to reflect any budget revisions and Actual Costs.

As Future Phases are developed in connection with the issuance of Phased PID Bonds, this Service and Assessment Plan will be amended (e.g. Table IV-B-2 will be amended to add phase #3, etc.).

Bonds to finance the Major Improvements and Phase #1 Improvements were issued starting in 2014. Table IV-A-1 and Table IV-A-2 show the original and updates sources and uses of the Bonds, respectively.

Notes: The information provided is based on the final bond cash flows. Phase #1 Improvements include the Authorized Improvements listed under this heading plus the estimated \$5.736 million pro rata share of the Major Improvements allocated to Phase #1. The Phase #1 Reimbursement Agreement will finance the remaining Phase #1 Improvements after a portion of such improvements are financed through the Bonds issued in 2014.

The Phase #1 Bonds shown in Table IV-A were anticipated to be issued in two series. The first series of Phase #1 Bonds ("Phase #1A Bonds") were issued in 2014 and to pay and/or reimburse the Developer for a portion of the costs of Phase #1 Improvements. The remaining costs of Phase #1 Improvements were initially financed through a Reimbursement Agreement dated as of June 18, 2014 (the "Phase #1 Reimbursement Agreement"), which is being replaced by the second Phase #1B Bonds. The Phase #1B Bonds are being issued after some or all of the Phase #1 Improvements are constructed and will be used to replace the Phase #1 Reimbursement Agreement and/or reimburse the Developer for the remaining portion of the costs of Phase #1 Improvements.

Table IV-A-2 summarizes the updated sources and uses of funds required to construct the Major

Improvements to be financed with the Phases #2 - 3 Major Improvement Bonds and Phase #1 Improvements, establish the PID, issue the Phase #1 PID Bonds and Phases #2 – 3 Major Improvement Bonds and construct the Additional Major Improvements. The updated sources and uses of funds shown in Table IV-A-2 shall be updated each year in the Annual Service Plan Update to reflect any budget revisions and Actual Costs.

Phase #1 Improvements include the Authorized Improvements listed under this heading plus the estimated \$5.736 million pro rata share of the Major Improvements allocated to Phase #1. The Phase 1B Bonds will replace the Phase #1 Reimbursement Agreement and/or reimburse the Developer for the remaining portion of the costs of Phase #1 Improvements after a portion of such improvements are financed through the Bonds issued in 2014. The Additional Major Improvements shown herein represent the amounts allocated to Phase #1 and Phases #2 – 3. The portion of the Additional Major Improvements allocable to Phase #2 is shown separately in Table IV-B below.

The costs of Phases #2 Improvements were initially financed through a Reimbursement Agreement (the “Phase #2 Reimbursement Agreement”) dated as of March 13, 2018. The Phase #2 Bonds are being issued after some or all of the Phase #2 Improvements and the proportional allocable Additional Major Improvements are constructed and will be used to replace the Phase #2 Reimbursement Agreement and/or reimburse the Developer for the remaining portion of the costs of Phase #2 Improvements.

The Phases #2 - 3 Major Improvement Bonds shown in Table IV-A-2 were issued in 2014. The Phases #2 - 3 Major Improvement Bonds issued in 2014 were used to pay and/or reimburse the Developer for a portion of the costs of Phases #2 - 3 Major Improvements. The remaining costs of Phases #2 - 3 Major Improvements will be financed through future Bonds, which may be issued separately or combined with improvement costs for Future Phases.

As Future Phases are developed, it is anticipated that additional Phased PID Bonds will be issued

for each new future phase improvements. Phase #2 Bonds will be issued to finance the Authorized Improvements required for Phase #2 (and/or to replace any Reimbursement Agreement for Phase #2) and phase #3 bonds will be issued to finance the Authorized Improvements required for phase #3 (and/or to replace any Reimbursement Agreement for phase #3) as each future phase is developed. Each Future Phased PID Bond may also be issued in one or more series of Bonds. The projected chronology of the Bonds is presented below.

Series 2014 - Phase #1A Bonds to finance (i) the pro-rata costs of the Major Improvements allocable to Phase #1 and, (ii) a portion of the Authorized Improvements that benefit only Phase #1. It is likely that this and the subsequent 'A' financings for each phase will only be able to fund a part of the internal public infrastructure (to maintain a prudent VtL) and the balance will be funded by a subsequent 'B' financing for each phase once the development within each phase is substantially complete as is contemplated with the issuance of the Phase #1B Bonds.

Phases #2-3 Major Improvement Bonds to finance the pro-rata costs of the Major Improvements allocable to Phases #2-3 Major Improvement Area that benefit only Phases #2-3 Major Improvement Area. It is possible the balance will be funded by a subsequent 'B' financing for the Phases #2-3 Major Improvements once the development within Phases #2-3 Major Improvement Area is commenced.

Series 2018 Phase #1B Bonds to refinance the Phase #1 Reimbursement Agreement and/or to reimburse the Developer for the remaining costs of the Phase #1 Improvements, if any.

Series 2018 Phase #2 Bonds to finance a part of the internal subdivision Authorized Improvements within Phase #2.

Series 2021-22 Phase #3 Bonds to finance a part of the internal subdivision Authorized Improvements within phase #3. It is possible that this financings for each phase will only be able to fund a part of the internal public infrastructure (to maintain a prudent VtL) and the balance of the applicable Authorized Improvements for the Phase may be funded by a subsequent 'B' financing once the development within Phase #3 is commenced.

The annual projected costs and annual projected indebtedness is shown by Table IV-C. The annual projected costs and indebtedness is subject to revision and each shall be updated in the Annual Service Plan Update to reflect any changes in the costs or indebtedness expected for each year.

Table IV-C
Annual Projected Costs and Annual Projected Indebtedness

Year	Annual Projected Cost	Annual Projected Indebtedness	Sources other than PID Bonds
2014	\$16,383,055	\$15,325,000	\$1,058,055
2015	\$0	\$0	\$0
2016	\$0	\$0	\$0
2017	\$8,030,000	\$3,750,000	\$4,280,000
2018	\$13,066,906 ¹	\$6,875,000	\$6,191,906 ²
2019	\$0	\$0	\$0
Total	\$37,479,961	\$25,950,000	\$11,529,961

1 – The total costs shown include the estimated costs of the Additional Major Improvements and Phase #2 Improvements. 2 – The amount represents the total cost of \$13,066,906 less the amount financed through the Phase #2 Bonds.

The annual projected costs shown in Table IV-C are the annual expenditures relating to the Major Improvements shown in Table III-A, the Phase #1 Improvements shown in Table III-B, the Phase #2 Improvements shown in Table III-C and the costs associated with setting up the PID and costs of issuance including reserves shown in Table IV-A-2 and Table IV-B. The difference between the total projected cost and the total projected indebtedness, if any, is the amount contributed by the Developer. As Future Phases are developed, in association with issuing Phased PID Bonds, this Table IV-C will be updated to identify the Authorized Improvements to be financed by each new series of the Phased PID Bonds and the projected indebtedness resulting from each additional series of the Phased PID Bonds.

Section V ASSESSMENT PLAN

A. Introduction

The PID Act requires the City Council to apportion the costs of the Authorized Improvements on the basis of special benefits conferred upon the property because of the Authorized Improvements. The PID Act provides that the costs of the Authorized Improvements may be assessed: (i) equally per front foot or square foot; (ii) according to the value of the property as determined by the governing body, with or without regard to improvements on the property; or (iii) in any other manner that results in imposing equal shares of the cost on property similarly benefited. The PID Act further provides that the governing body may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the municipality and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

The proposed bond issuance program entails a series of bond financings that are intended to finance the public infrastructure required for the development. This financing will necessarily be undertaken in phases to coincide with the private investment and development of the Authorized Improvements. Following the initial Phase #1A Bonds and the Phases #2 – 3 Major Improvement Bonds issued in 2014 and the Phase #1B Bonds to be issued, subsequent financings are to be issued over the upcoming decade as the two subsequent phases (Phases #2 and #3) of the development are gradually constructed.

The purpose of this gradual issuance of bonds in phases is to mirror the actual private development of the Authorized Improvements. The Bonds to be issued are most prudently and efficiently utilized when directly coinciding with construction of public infrastructure needed for private development that is to occur once the infrastructure is completed; it is most effective to issue the Bonds when the infrastructure is needed, not before. Furthermore, there is no economic advantage, and several disadvantages, to issuing debt and encumbering property within the PID prior to the need for the Authorized Improvements.

Additionally, phased issuance of debt will maintain a prudent value to lien ("VtL") ratio within the financing program. In order to maintain a prudent VtL, the initial issuance of bonds for a specific set of Authorized Improvements may not fund the entire desired level of public infrastructure because the property value is not high enough to support the entire debt load at the VtL chosen for the development. In that case, the Developer will need to fund the additional infrastructure costs with cash at closing. This cash investment by the Developer for certain Authorized Improvements can be reimbursed by a subsequent parity lien bond financing, secured by the same special assessments, once the assessed property is partially or fully developed and the value has increased sufficiently to permit the issuance of the additional bonds in a prudent fashion. For example, the Phase #1A Bonds to be issued to finance a portion of the Phase #1 Improvements, including the pro-rata costs of the Major Improvements allocable to Phase #1 Assessed Property, followed by a second parity lien issuance of bonds (the Phase #1B Bonds) demonstrates this analysis.

For purposes of this Service and Assessment Plan, the City Council has determined that the costs of the Major Improvements and Phase #1 Improvements shall be allocated as described below:

1. The Major Improvement and Phase #1 Improvement costs shall be allocated on the basis of the relative value of Parcels once such property is developed, and that such

- method of allocation will result in the imposition of equal shares of the costs of the Authorized Improvements to Parcels similarly benefited.
2. The City Council has concluded that larger more expensive homes are likely to be built on the larger lots, and that larger more expensive homes are likely to make greater use of and receive greater benefit from the Authorized Improvements. In determining the relative values of Parcels, the City Council has taken in to consideration (i) the type of development (i.e., residential, commercial, etc.), (ii) single-family lot sizes and the size of homes likely to be built on lots of different sizes, (iii) current and projected home process provided by the Developer, (iv) the Authorized Improvements to be provided and the estimated costs, and (v) the ability of different property types to utilize and benefit from the improvements.
 3. The Assessed Property is classified into different Lot Types as described in Appendix D based on the type and size of proposed development on each Parcel.
 4. Equivalent Units are calculated for each Lot Type based on the relative value of each Lot Type.
 5. The Major Improvement costs are proportionally allocated to the Phases #2 – 3 Major Improvement Assessed Property and the Phase #1 Assessed Property based on the ratio of total Equivalent Units estimated for the Phases #2 - 3 Major Improvement Assessed Property and the Phase #1 Assessed Property.
 6. The Phases #2 - 3 Major Improvement Assessed Property's proportional share of the costs for the Major Improvements is allocated to each Parcel within the Phases #2 – 3 Major Improvement Assessed Property based on the total Equivalent Units estimated for each Parcel.
 7. The Phase #1 Improvement costs (including Phase #1 Assessed Property's proportional share of the costs of the Major Improvements) are allocated to each Parcel within the Phase #1 Assessed Property based on the total Equivalent Units estimated for each Parcel.
 8. The Phase #2 Improvement costs are allocated to each Parcel within the Phase #2 Assessed Property based on the total Equivalent Units estimated for each Parcel.

Table V-A provides the estimated allocation of costs of the Authorized Improvements constituting Major Improvements and Phase #1 Improvements.

At this time it is impossible to determine with absolute certainty the amount of special benefit each Parcel within Future Phases will receive from internal subdivision Authorized Improvements that will benefit each individual phase and that are to be financed with Phased PID Bonds. Therefore, at this time Parcels will only be assessed for the special benefits conferred upon the Parcel because of the Major Improvements and Phase #1 Improvements.

In connection with the issuance of Phased PID Bonds and/or execution of related reimbursement agreements, this Service and Assessment Plan will be updated to reflect the special benefit each Parcel of Assessed Property within a Future Phase receives from the specific Authorized Improvements funded with those Phased PID Bonds issued with respect to that Future Phase. Prior to assessing Parcels located within Future Phases in connection with issuance of Phased PID Bonds, each owner of the Parcels to be assessed must acknowledge that the Authorized Improvements to be financed confer a special benefit on their Parcel and must consent to the imposition of the Assessments to pay for the Actual Costs of such Authorized Improvements.

This section of this Service and Assessment Plan currently (i) describes the special benefit received by each Parcel within the PID as a result of the Major Improvements, Phase #1 Improvements and Phase #2 Improvements, (ii) provides the basis and justification for the determination that this special benefit exceeds the amount of the Assessments to be levied on the

Phase #1 Assessed Property, the Phase #2 Assessed Property and Phases #2 – 3 Major Improvement Assessed Property for such improvements, and (iii) establishes the methodologies by which the City Council allocates and reallocates the special benefit of the Major Improvements, Phase #1 Improvements and Phase #2 Improvements to Parcels in a manner that results in equal shares of the Actual Costs of such improvements being apportioned to Parcels similarly benefited. The determination by the City Council of the assessment methodologies set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Developer and all future owners and developers of the Assessed Property.

As Future Phases are developed, in connection with the issuance of Phased PID Bonds this Service and Assessment Plan will be updated based on the City's determination of the assessment methodology for each Future Phase.

B. Special Benefit

Assessed Property must receive a direct and special benefit from the Authorized Improvements, and this benefit must be equal to or greater than the amount of the Assessments. The Authorized Improvements are provided specifically for the benefit of the Assessed Property. The Authorized Improvements (more particularly described in line-item format in Appendix B to this Service and Assessment Plan) and the costs of issuance and payment of costs incurred in the establishment of the PID shown in Table IV-A are authorized by the Act. These improvements are provided specifically for the benefit of the Assessed Property.

Each owner of the Assessed Property has acknowledged that the Authorized Improvements confer a special benefit on the Assessed Property and has consented to the imposition of the Assessments to pay for the Actual Costs associated therewith. Each of the owners is acting in its interest in consenting to this apportionment and levying of the Assessments because the special benefit conferred upon the Assessed Property by the Authorized Improvements exceeds the amount of the Assessments.

The public improvements provide a special benefit to the Assessed Property as a result of the close proximity of these improvements to the Assessed Property and the specific purpose of these improvements of providing infrastructure for the Assessed Property. In other words, the Assessed Property could not be used in the manner proposed without the construction of the Authorized Improvements. The Authorized Improvements are being provided specifically to meet the needs of the Assessed Property as required for the proposed use of the property.

The Assessments are being levied to provide the Authorized Improvements that are required for the highest and best use of the Assessed Property (i.e., the use of the property that is most valuable, including any costs associated with that use). Highest and best use can be defined as “the reasonably probable and legal use of property, which is physically possible, appropriately supported, financially feasible, and that results in the highest value.” (*Dictionary of Real Estate Appraisal, Third Edition.*) The Authorized Improvements are expected to be required for the proposed use of the Assessed Property to be physically possible, appropriately supported, financially feasible, and maximally productive.

The Developer has evaluated the potential use of the property and has determined that the highest and best use of the property is the use intended and the legal use for the property as described in Section II of this Service and Assessment Plan. The use of the Assessed Property as described herein will require the construction of the Authorized Improvements.

The special assessments will repay financing that is on advantageous terms, as the Bonds issued to finance the public improvements will pay interest that is exempt from federal income tax. As a result, all other terms being equal (e.g., maturity, fixed vs. variable rate, credit quality), the tax-exempt bonds will have a lower interest rate than debt that is not tax-exempt. The Bonds also have a longer term than other available financings and may either be repaid or assumed by a buyer at the buyer's option. As a result of these advantageous terms, the financing provided by the PID is the most beneficial means of financing the Authorized Improvements.

Each owner of the Assessed Property will ratify, confirm, accept, agree to and approve; (i) the determinations and finding by the City Council as to the special benefits described in this Service and Assessment Plan and the Assessment Ordinance; (ii) the Service and Assessment Plan and the Assessment Ordinance, and (iii) the levying of Assessments on the Assessed Property. Use of the Assessed Property as described in this Service and Assessment Plan and as authorized by the PID Act requires that Authorized Improvements be acquired, constructed, installed, and/or improved. Funding the Actual Costs of the Authorized Improvements through the PID has been determined by the City Council to be the most beneficial means of doing so. As a result, the Assessments result in a special benefit to the Assessed Property, and this special benefit exceeds the amount of the Assessment. This conclusion is based on and supported by the evidence, information, and testimony provided to the City Council.

In summary, the Assessments result in a special benefit to the Assessed Property for the following reasons:

1. The Authorized Improvements are being provided specifically for the use of the Assessed Property, are necessary for the proposed best use of the property and provide a special benefit to the Assessed Property as a result;
2. The Developer has consented to the imposition of the Assessments for the purpose of providing the Authorized Improvements and the Developer is acting in its interest by consenting to this imposition;
3. The Authorized Improvements are required for the highest and best use of the property;
4. The highest and best use of the Assessed Property is the use of the Assessed Property that is most valuable (including any costs associated with the use of the Assessed Property);
5. Financing of the costs of the Authorized Improvement through the PID is determined to be the most beneficial means of providing for the Authorized Improvements; and,
6. As a result, the special benefits to the Assessed Property from the Authorized Improvements will be equal to or greater than the Assessments.

C. Allocation of Costs to Assessed Property

The Major Improvements will provide a special benefit to all property in the PID. Accordingly, the estimated Major Improvement costs must be allocated throughout all Assessed Property in the District. Table V-A summarizes the allocation of estimated costs for each Major Improvement. The costs shown in Table V-A are estimates and may be revised in Annual Service Plan Updates, but the related Assessment may not be increased.

Phase #1 is projected to contain 427 residential units. As shown in Appendix D, the total

Equivalent Units for Phase #1 is calculated as 374.80. The Phases #2 – 3 Major Improvement Area is projected to contain 594 residential units resulting in a total of 494.19 Equivalent Units as shown in Appendix D. The Total projected Equivalent Units in the PID is, therefore, calculated to be 868.99 (i.e., $374.80 + 494.19 = 868.99$). As a result, 43.13 percent of the estimated costs of Major Improvements (i.e. $374.80 \div 868.99 = 43.13\%$) are allocated to the Phase #1 Assessed Property and 56.87 percent of the estimated costs Major Improvements (i.e., $494.19 \div 868.99 = 56.87\%$) are allocated to the Phases #2 - 3 Major Improvement Assessed Property. The Additional Major Improvements are allocated to the Phase #1 Assessed Property using the same 43.13% calculated herein. The Phases #2 – 3 Major Improvement Bonds will fund the proportionate share of the estimated costs of the Major Improvement allocated to the Phases #2 – 3 Major Improvement Area; and, Phase #1 Bonds will fund Phase #1's proportionate share of the estimated costs of the Major Improvements.

Phase #2 is projected to contain 403 residential units. As shown in Appendix D, the total Equivalent Units for Phase #2 is calculated as 339.10. The Total projected Equivalent Units in the PID is shown above to be 868.99. As a result, 39.02 percent of Additional Major Improvements (i.e. $339.10 \div 868.99 = 39.02\%$) are allocated to the Phase #2 Assessed Property.

Notes: (1) See Appendix D for the detailed calculation of Equivalent Units. (2) Any Additional Major Improvements shall be allocated to Phase #1 using the same percentage calculated above (i.e.\$1,857,647 (43.13%) of the \$4,307,034 total cost of Additional Major Improvements shown in Table III-A-2 are allocable to Phase #1). (3) Any Additional Major Improvements shall be allocated to Phase #2 using the percentage calculated above (i.e.\$1,680,704 (39.02%) of the \$4,307,034 total cost of Additional Major Improvements shown in Table III-A-2 are allocable to Phase #2).	

D. Assessment Methodology

The Actual Costs may be assessed by the City Council against the Assessed Property so long as the special benefit conferred upon the Assessed Property by the Authorized Improvements equals or exceeds the Assessments. The Actual Costs may be assessed using any methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited.

1. Assessment Methodology for the Major Improvements for Phases #2 – 3 Major Improvement Area

For purpose of this Service and Assessment Plan, the City Council determined that the portion of Actual Costs of the Major Improvement costs to be allocated to Phases #2 - 3 Major Improvement Area shall be allocated to the Phases #2 - 3 Major Improvement Assessed Property by spreading the entire Assessment across the Parcels based on the estimated Equivalent Units as calculated and shown in Appendix D using the types, number and average home value of Lots anticipated to be developed on each Parcel. Having taken into consideration the matters described under Sections V (A) and (B) above, the City Council has determined that allocating the Assessments among Parcels based on average home value is best accomplished by creating classifications of benefited Parcels based on the Lot Types. These classifications (from Lot Type 1 (70 Ft Lots) representing the highest residential value to Lot Type 3 (50 Ft Lot) representing the lowest value. Assessments are allocated to each land use class on the basis of the average value for each Lot Type. This is accomplished by giving each Lot Type an Equivalent Unit factor. Equivalent Units are the ratio of the average value of lots within each Lot Type, setting the Equivalent Unit factor for Lot Type 1 (70 Ft Lots) to 1.0.

Upon subsequent divisions of any Parcel, the Assessment applicable to it will then be apportioned pro rata based on the Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Lot Type based on the ratio of the Equivalent Unit applicable to each Lot Type at the time residential Lots are platted to the total Equivalent Units of all Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council. As part of the determination as to the ability of different Lot Types to utilize and benefit from the Authorized Improvements, the City Council has taken into consideration that larger, more expensive homes, on average, will create more vehicle trips and greater demands for water and wastewater consumption, and larger, more expensive homes are likely to be built on larger, more valuable lots placing greater demand on the Authorized Improvements.

The Assessment and Annual Installments for each Parcel or Lot located within the Phases #2 - 3 Major Improvement Area is shown on the Phases #2 – 3 Major Improvement Assessment Roll, attached as Appendix F, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

2. Assessment Methodology for Phase #1

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phase #1 Improvements, including and the portion of the Major Improvements to be financed with the Phase #1 Bonds, shall be allocated to the Phase #1 Assessed Property by spreading the entire Assessment across the Parcels based on the estimated Equivalent Units as calculated and shown in Appendix D using the types and number of lots anticipated to be developed on each Parcel within Phase #1. As part of the determination as to the ability of

different Lot Types to utilize and benefit from the Authorized Improvements, the City Council has taken into consideration that larger, more expensive homes, on average, will create more vehicle trips and greater demands for water and wastewater consumption, and larger, more expensive homes are likely to be built on larger, more valuable lots placing greater demand on the Authorized Improvements.

Based on the estimates of the costs of the Phase #1 Improvements and the portion of the Major Improvements that benefit Phase #1 provided by Peloton Land Solutions, as set forth in Table III-B, the City Council has determined that the benefit of the Phase #1 Improvements to Phase #1 Assessed Property is at least equal to the Assessments levied on the Phase #1 Assessed Property.

Upon subsequent divisions of any Parcel, the Assessment applicable to it will then be apportioned pro rata based on the Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Lot Type based on the ratio of the Equivalent Unit applicable to each Lot Type at the time residential Lots are platted to the total Equivalent Units of all Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council. The result of this approach is that each final residential Lot within a recorded subdivision plat with similar values will have the same Assessment, with larger, more valuable Lots having a proportionately larger share of the Assessments than smaller, less valuable Lots. As part of the determination as to the ability of different Lot Types to utilize and benefit from the Authorized Improvements, the City Council has taken into consideration that larger, more expensive homes, on average, will create more vehicle trips and greater demands for water and wastewater consumption, and larger, more expensive homes are likely to be built on larger, more valuable lots placing greater demand on the Authorized Improvements.

The Assessment and Annual Installments for each Parcel or Lot located within Phase #1 is shown on the Phase #1 Assessment Roll, attached as Appendix G, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

Appendix E shows the detailed calculation of the Assessment per Equivalent Unit and the Assessment for each Lot type.

3. *Assessment Methodology for Phase #2*

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phase #2 Improvements shall be allocated to the Phase #2 Assessed Property by spreading the entire Assessment across the Parcels based on the estimated Equivalent Units as calculated and shown in Appendix D using the types and number of lots anticipated to be developed on each Parcel within Phase #2. As part of the determination as to the ability of different Lot Types to utilize and benefit from the Authorized Improvements, the City Council has taken into consideration that larger, more expensive homes, on average, will create more vehicle trips and greater demands for water and wastewater consumption, and larger, more expensive homes are likely to be built on larger, more valuable lots placing greater demand on the Authorized Improvements.

Based on the estimates of the costs of the Phase #2 Improvements and the portion of the Phase #2 Improvements that benefit Phase #2 provided by the project engineer, as set forth in Table III-C, the City Council has determined that the benefit of the Phase #2 Improvements to Phase #2 Assessed Property is at least equal to the Assessments levied on the Phase #2 Assessed Property.

Upon subsequent divisions of any Parcel, the Assessment applicable to it will then be apportioned pro rata based on the Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Lot Type based on the ratio of the Equivalent Unit applicable to each Lot Type at the time residential Lots are platted to the total Equivalent Units of all Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council. The result of this approach is that each final residential Lot within a recorded subdivision plat with similar values will have the same Assessment, with larger, more valuable Lots having a proportionately larger share of the Assessments than smaller, less valuable Lots. As part of the determination as to the ability of different Lot Types to utilize and benefit from the Authorized Improvements, the City Council has taken into consideration that larger, more expensive homes, on average, will create more vehicle trips and greater demands for water and wastewater consumption, and larger, more expensive homes are likely to be built on larger, more valuable lots placing greater demand on the Authorized Improvements.

The Assessment and Annual Installments for each Parcel or Lot located within Phase #1 is shown on the Phase #1 Assessment Roll, attached as Appendix G, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Assessment and Annual Installments for each Parcel or Lot located within Phase #2 is shown on the Phase #2 Assessment Roll, attached as Appendix H, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

Appendix E shows the detailed calculation of the Assessment per Equivalent Unit and the Assessment for each Lot type.

4. *Assessment Methodology for Future Phases*

When any given Future Phase is developed, and Phased PID Bonds for that Future Phase are to be issued, this Service and Assessment Plan will be amended to determine the assessment methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited within that Phase.

E. Assessments

The Assessments for the Phase #1 Bonds and the Phases #2 – 3 Major Improvement Bonds were levied on each Parcel according to the Phases #2 – 3 Major Improvement Assessment Roll and the Phase #1 Assessment Roll, attached hereto as Appendix F and Appendix G, respectively. The Annual Installments for the Phases #2 – 3 Major Improvement Bonds and the Phase #1 Bonds are being collected at the time and in the amounts shown on the Phases #2 – 3 Major Improvement Assessment Roll and the Phase #1 Assessment Roll, respectively, subject to any revisions made during an Annual Service Plan Update.

The Assessments for the Phase #2 Reimbursement Agreement (which is being replaced with Phase #2 Bonds) were levied on each Parcel according to the Phase #2 Assessment Roll, attached hereto as Appendix H. The Annual Installments for the Phase #2 Bonds will be collected at the time and in the amounts shown on the Phase #2 Assessment Roll, respectively, subject to any revisions made during an Annual Service Plan Update.

F. Administrative Expenses

The cost of administering the PID and collecting the Annual Installments shall be paid for on a pro rata basis by each Parcel based on the amount of Assessment levied against the Parcel. The Administrative Expenses shall be collected as part of and in the same manner as Annual Installments in the amounts shown on the Assessment Roll, which may be revised based on actual costs incurred in Annual Service Plan Updates.

G. Prepayment Reserve

Pursuant to the PID Act, the interest rate for Assessments may exceed the actual interest rate per annum paid on the related Bonds by no more than one half of one percent (0.50%). The interest rate used to determine the Assessments is one half of one percent (0.50%) per annum higher than the actual rate paid on the Bonds, with up to 0.20% allocated to fund the associated interest charged between the date of prepayment of an Assessment and the date on which Bonds are prepaid and up to 0.30% allocated to fund a delinquency reserve account as described below. The prepayment reserve shall be funded until it reaches 1.50% of the outstanding Bonds as stipulated in the Bond documents. Once the prepayment reserve is funded in full, any additional interest collected shall be allocated to fund delinquent payments as described in H below.

H. Delinquency Reserve

The City has allocated up to 0.30% of the interest rate component of the Annual Installments to offset any possible delinquent payments. The additional reserve shall be funded up to 4% of the outstanding Bonds, but in no event will the annual collection, together with the Prepayment reserve, be more than 0.50% of the outstanding Bonds. The City may allocate up to 0.50% of the interest rate component of the Annual Installments to pay for Administrative Expenses, improvement costs, any other use that benefits the Assessed Property or reduce the Assessments, as determined by the City Council.

I. TIRZ Credit

Pursuant to the TIRZ Ordinance, the City has agreed to use TIRZ Revenues (the 47.63% of the property tax increment collected and deposited into the TIRZ No. 2 tax increment fund) generated from each Parcel to offset a portion of such Parcel's PID assessments (the "TIRZ Credit"). The Annual Installment for each Parcel shall be calculated by taking into consideration any TIRZ Credit applicable to the Parcel. The TIRZ Credit applicable to each Parcel shall be calculated as described under Section VI (B) of this Service and Assessment Plan.

Section VI TERMS OF THE ASSESSMENTS

A. Amount of Assessments and Annual Installments for Parcels Located within Phases #2 – 3 Major Improvement Area

The Assessment and Annual Installments for each Assessed Property located within Phases #2 – 3 Major Improvement Area are shown on the Phases #2 – 3 Major Improvement Assessment Roll, attached as Appendix F, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phases #2 – 3 Major Improvement Bonds, to fund the prepayment reserve and delinquency reserve described in Section V, to cover Administrative Expenses of Phases #2 – 3 Major Improvement Area.

B. Amount of Assessments and Annual Installments for Parcels Located Within Phase #1

The Assessment and Annual Installments for each Assessed Property located within Phase #1 is shown on the Phase #1 Assessment Roll, attached as Appendix G, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #1 Bonds, to fund the prepayment reserve and delinquency reserve described in Section V, and to cover Administrative Expenses of Phase #1. The Annual Installment for each Parcel shall be calculated by taking into consideration any TIRZ Credit applicable to the Parcel. The TIRZ Credit for each Parcel shall be calculated using the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

- A = the TIRZ Credit amount for a Parcel
- B = the total TIRZ Revenues collected for the preceding year
- C = the total Equivalent Unit of the Parcel
- D = the total Equivalent Units of all Parcels

The TIRZ Revenues collected in any given year shall be used to calculate the TIRZ Credit in the following year (i.e., TIRZ Revenues collected in 2015 shall be used to calculate the TIRZ Credit applicable to Annual Installments to be collected in 2016). TIRZ Credits shall be calculated for those Parcels that are subject to Assessments by the PID. The total TIRZ Revenues collected from all Parcels in each Phase shall be used to calculate the TIRZ Credit applicable to each Parcel within the Phase based on the above formula. The total TIRZ increment amount generated by all Phase #1 Assessed Property will be divided by the total Equivalent Units in Phase #1 to determine the TIRZ credit applicable to each Phase #1 Assessed Property. The total TIRZ increment amount generated by all Phases #2 - 3 Major Improvement Assessed Property will be divided by the total Equivalent Units in Phases #2 - 3 Major Improvement Assessed Property to determine the TIRZ credit applicable to each Phases #2 - 3 Major Improvement Assessed

Property. The Equivalent Units to be used for the calculation of the TIRZ Credit shall be determined by the Administrator based on the information available to the Administrator at the time of such calculations.

This method of allocating the TIRZ Revenues to all Parcels in a Phase would result in equal amount of TIRZ Credits applied to similar Parcels, However, it may result in lower amounts applied as TIRZ Credit for Parcels that generate higher than average TIRZ Revenues. The TIRZ Revenues can be applied proportionally to calculate the TIRZ Credits for each Parcel generating the TIRZ Revenues if the TIRZ Credit is calculated separately for each Parcel and such TIRZ Credit is directly applied on a Parcel-by-Parcel basis.

Accordingly, the TIRZ Credit calculation methodology described in the Service and Assessment Plan has been updated herein as follows as approved by the City Council as part of the Annual Service Plan Update for 2016-17.

The TIRZ Revenues attributable to each Parcel of Assessed Property collected in any given year shall be used to calculate the Parcel's TIRZ Credit for such Parcel (and/or new Parcels subdivided from such Parcel) in the following year (i.e., TIRZ Revenues collected in 2017 shall be used to calculate the TIRZ Credit applicable to Annual Installments to be collected in 2018). The TIRZ Credit shall be calculated for those Parcels that are subject to Assessments in the PID and have generated TIRZ Revenues.

C. Amount of Assessments and Annual Installments for Parcels Located Within Phase #2

The Assessment and Annual Installments for each Assessed Property located within Phase #2 is shown on the Phase #2 Assessment Roll, attached as Appendix H, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #2 Bonds and to cover Administrative Expenses of Phase #2. The Annual Installment for each Parcel shall be calculated by taking into consideration any TIRZ Credit applicable to the Parcel. The TIRZ Credit for each Parcel shall be calculated in the same manner as shown for Phase #1 above.

D. Amount of Assessments and Annual Installments for Parcels Located Within Future Phases

As Future Phases are developed, this Service and Assessment Plan will be amended to determine the Assessment and Annual Installments for each Assessed Property located within Future Phases (e.g., an Appendix will be added as the Assessment Roll for phase #3, etc.). The Assessments shall not exceed the benefit received by the Assessed Property.

E. Reallocation of Assessments

1. Subdivision

Upon the subdivision of any Parcel, the Assessment for the Parcel prior to the subdivision shall be reallocated among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

- A = the Assessment for each new subdivided Parcel
- B = the Assessment for the Parcel prior to subdivision
- C = the estimated Equivalent Units to be built on each new subdivided Parcel
- D = the sum of the estimated Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

The sum of the Assessments for all newly subdivided Parcels shall equal the Assessment for the Parcel prior to subdivision. The calculation shall be made separately for each newly subdivided Parcel. The reallocation of an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the subdivision of the Parcels. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

2. Consolidation

Upon the consolidation of two or more Parcels, the Assessment for the consolidated Parcel shall be the sum of the Assessments for the Parcels prior to consolidation. The reallocation of an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the consolidation of the Parcels. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

F. Mandatory Prepayment of Assessments

1. If a Parcel subject to Assessments is transferred to a party that is exempt from the payment of the Assessment under applicable law, or if an owner causes a Parcel subject to Assessments to become Non-Benefited Property, the owner of such Parcel shall pay to the City the full amount of the principal portion of the Assessment on such Parcel, plus all Prepayment Costs, prior to any such transfer or act.

2. The payments required above shall be treated the same as any Assessment that is due and owing under the Act, the Assessment Ordinance, and this Service and Assessment Plan, including the same lien priority, penalties, procedures, and foreclosure specified by the Act.

G. Reduction of Assessments

1. If after all Authorized Improvements to be funded with a series of Bonds have been

completed and Actual Costs for such Authorized Improvements are less than the Actual Costs used to calculate the Assessments securing such series of Bonds, resulting in excess Bond proceeds being available to redeem Bonds of such series, then the Assessment securing such series of Bonds for each Parcel of Assessed Property shall be reduced by the City Council pro rata such that the sum of the resulting reduced Assessments for all Assessed Properties equals the actual reduced Actual Costs and such excess Bond proceeds shall applied to redeem Bonds of such series. The Assessments shall not be reduced to an amount less than the related outstanding series of Bonds. If all of the Authorized Improvements are not completed, the City may reduce the Assessments in another method if it determines such method would better reflect the benefit received by the Parcels from the Authorized Improvements completed.

2. If all the Authorized Improvements are not undertaken, resulting in excess Bond proceeds being available to redeem Bonds, then the Assessments and Annual Installments for each Parcel shall be appropriately reduced by the City Council to reflect only the amounts required to repay the Bonds, including interest on the Bonds and Collection Costs, and such excess Bond proceeds shall be applied to redeem Bonds. The City Council may reduce the Assessments and the Annual Installments for each Parcel (i) in an amount that represents the Authorized Improvements provided for each Parcel or (ii) by an equal percentage calculated based on Equivalent Units, if determined by the City Council to be the most fair and practical means of reducing the Assessments for each Parcel, such that the sum of the resulting reduced Assessments equals the amount required to repay the Bonds, including interest on the Bonds and Collection Costs. The Principal Portion of the Assessment for each Parcel shall be reduced pro rata to the reduction in the Assessments for each Parcel such that the sum of the resulting reduced Principal Portion of the Bonds is equal to the outstanding principal amount of the Bonds.

H. Payment of Assessments

1. Payment in Full

(a) The Assessment for any Parcel may be paid in full at any time. Such payment shall include all Prepayment Costs. If prepayment in full will result in redemption of Bonds, the payment amount shall be reduced by the amount, if any, of interest through the date of redemption of Bonds and reserve funds applied to the redemption under the Trust Indenture, net of any other costs applicable to the redemption of Bonds.

(b) If an Annual Installment has been billed prior to payment in full of an Assessment, the Annual Installment shall be due and payable and shall be credited against the payment-in-full amount.

(c) Upon payment in full of the Assessment and all Prepayment Costs, the City shall deposit the payment in accordance with the Trust Indenture; whereupon, the Assessment shall be reduced to zero, and the owner's obligation to pay the Assessment and Annual Installments thereof shall automatically terminate.

(d) At the option of the owner, the Assessment on any Parcel plus Prepayment Costs may be paid in part in an amount sufficient to allow for a convenient redemption of Bonds as determined by the Administrator. Upon the payment of such amounts for a Parcel, the Assessment for the Parcel shall be reduced, the Assessment Roll shall be updated to reflect such partial payment, and the obligation to pay the Annual Installment for such Parcel shall be reduced to the extent the

partial payment is made.

2. Payment in Annual Installments

The PID Act provides that an Assessment for a Parcel may be paid in full at any time. If not paid in full, the PID Act authorizes the Assessment to be paid in installments and additionally allows the City to collect interest, administrative expenses and other authorized charges in installments. An Assessment for a Parcel that is not paid in full will be collected in Annual Installments each year in the amounts shown on the Assessment Roll, as updated as provided for herein, which include interest, Administrative Expenses, and payments required for the Prepayment Reserve and Delinquency Reserve. Payment of the Annual Installments shall commence with tax bills mailed after the initial issuance of Bonds.

Each Assessment on the Phase #1 Assessed Property and Phases #2-3 Major Improvement Assessed Property shall be paid with interest of no more than the lesser of (i) the actual interest rate paid on the Bonds and (ii) 9.79 percent per annum. The Phases #2 - 3 Major Improvement Assessment Roll sets forth for each year the Annual Installment for each Parcel based on Bond interest rates of 6.75%, 7.25% and 7.625% for the Phases #2 - 3 Bonds due in 2024, 2032 and 2040, respectively, and additional interest at the rate of 0.5% for Administrative Expenses, Prepayment Reserve and Delinquency Reserve.

The Phase #1 Assessment Roll sets forth for each year the Annual Installment for each Parcel based on Bond interest rates of 6.375%, 6.625% and 7.00% for the Phases #1A Bonds due in 2028, 2032 and 2040, respectively, Phase #1B Bonds estimated interest rate of 5.85% and additional interest at the rate of 0.5% for Administrative Expenses, Prepayment Reserve and Delinquency Reserve.

The Phase #2 Assessment Roll sets forth for each year the Annual Installment for each Parcel based on estimated Bond interest rate of 5.85% for the Phases #2 Bonds due in 2048 and additional interest at the rate of 0.5% for Administrative Expenses, Prepayment Reserve and Delinquency Reserve.

The principal and interest component of the Annual Installments may not exceed the amounts shown on the Assessment Rolls. The Assessment Rolls, updated with the actual interest rates on the Phase #1A Bonds, Phases #2 – 3 Major Improvement Bonds, the estimated rate on Phase #1B Bonds and the estimated interest rate on the Phase #2 Bonds, are shown as Appendix F, Appendix G and Appendix H. The Annual Installments shall be reduced to equal the actual costs of repaying the Bonds and actual Administrative Expenses (as provided for in the definition of such term), taking into consideration any other available funds for these costs, such as interest income on account balances.

The City reserves and shall have the right and option to refund the Bonds in accordance with Section 372.027 of the PID Act. In the event of such refunding, the Administrator shall recalculate the Annual Installments, and if necessary, may adjust, or decrease, the amount of the Annual Installments so that total Annual Installments of Assessments will be produced in annual amounts that are required to pay the refunding bonds when due and payable as required by and established in the ordinance and/or the indenture authorizing and securing the refunding bonds, and such refunding bonds shall constitute Bonds for purposes of this Service and Assessment Plan.

F. Collection of Annual Installments

No less frequently than annually, the Administrator shall prepare, and the City Council shall approve, an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include an updated Assessment Roll and a calculation of the Annual Installment for each Parcel. Administrative Expenses shall be allocated among Parcels in proportion to the amount of the Annual Installments for the Parcels. Each Annual Installment shall be reduced by any credits applied under the applicable Trust Indenture, such as capitalized interest, interest earnings on any account balances, and any other funds available to the Trustee for such purpose, including any existing deposits for a prepayment reserve. Annual Installments shall be collected by the City in the same manner and at the same time as ad valorem taxes and shall be subject to the same penalties, procedures, and foreclosure sale in case of delinquencies as are provided for ad valorem taxes of the City. The City Council may provide for other means of collecting the Annual Installments to the extent permitted under the PID Act. The Assessments shall have lien priority as specified in the Act.

Any sale of property for nonpayment of the Annual Installments shall be subject to the lien established for the remaining unpaid Annual Installments against such property and such property may again be sold at a judicial foreclosure sale if the purchaser thereof fails to make timely payment of the non-delinquent Annual Installments against such property as they become due and payable.

Section VII THE ASSESSMENT ROLL

A. Major Improvement Area Assessment Roll

Each Parcel within Phases #2 - 3 Major Improvement Area has been evaluated by the City Council (based on the concept plan, developable area, proposed Homeowner Association Property and Public Property, the Major Improvements, best and highest use of land, and other development factors deemed relevant by the City Council) to determine the Assessed Property within each Parcel.

Phases #2 – 3 Major Improvement Assessed Property will be assessed for the special benefits conferred upon the property as a result of the Major Improvements. Table IV-A summarizes the \$7,091,043 in special benefit received by Phases #2 - 3 Major Improvement Area from a portion of the Major Improvements, the pro rata costs of the PID formation, and issuance costs for the proposed Phases #2 – 3 Major Improvement Bonds. The total amount of Phases #2 – 3 Major Improvement Bonds was \$6,575,000, which was less than the benefit received by Phases #2 – 3 Major Improvement Assessed Property, and as such the total Assessment for all Assessed Property within Phases #2 - 3 Major Improvement Area was \$6,575,000 plus annual Administrative Expenses. The Assessment for each Parcel of Assessed Property within the Phases #2 - 3 Major Improvement Area was calculated based on the allocation methodologies described in Section V.D of this Service and Assessment Plan. The Phases #2 – 3 Major Improvement Assessment Roll is attached hereto as Appendix F.

B. Phase #1 Assessment Roll

Phase #1 Assessed Property will be assessed for the special benefits conferred upon the property as a result of the Phase #1 Improvements that benefit Phase #1, which include a proportionate share of the Major Improvements allocable to Phase #1. Table IV-A summarizes the \$17,322,012 in special benefit received by Phase #1 Assessed Property from the Phase #1 Improvements that benefit Phase #1, including the proportionate share of the Major Improvements allocable to Phase #1, the pro rata costs of the PID formation, and Bond issuance costs. The total amount of Phase #1A Bonds and the Phase #1 Reimbursement Agreement was \$12,500,000, which was less than the benefit received by Phase #1 Assessed Property, and as such the total Assessment for all Assessed Property within Phase #1 was \$12,500,000 plus annual Administrative Expenses and other authorized charges. The Assessment for each Parcel of Assessed Property within Phase #1 was calculated based on the allocation methodologies described in Section V.D of this Service and Assessment Plan. The Phase #1 Assessment Roll is attached hereto as Appendix G.

C. Phase #2 Assessment Roll

Phase #2 Assessed Property will be assessed for the special benefits conferred upon the property as a result of the Phase #2 Improvements that benefit Phase #2. Table IV-B summarizes the \$10,436,214 in special benefit received by Phase #2 Assessed Property from the Phase #2 Improvements, the proportional share of the Additional Major Improvements that benefit Phase #2, and miscellaneous PID related costs. The amount of Phase #2 Bonds is \$6,875,000, which is less than the benefit received by Phase #2 Assessed Property, and as such the total Assessment for all Assessed Property within Phase #2 is \$6,875,000 plus annual Administrative Expenses and

other authorized charges. The Assessment for each Parcel of Assessed Property within Phase #2 is calculated based on the allocation methodologies described in Section V.D of this Service and Assessment Plan. The Phase #2 Assessment Roll is attached hereto as Appendix H.

D. Future Phase Assessment Roll

As Future Phases are developed, this Service and Assessment Plan will be updated to determine the Assessment for each Parcel located within Future Phases (e.g., an Appendix will be added as the Assessment Roll for phase #3, etc.).

E. Annual Assessment Roll Updates

The Administrator shall prepare, and shall submit to the City Council for approval, annual updates to the Phases #2 – 3 Major Improvement Assessment Roll, Phase #1 Assessment Roll and Phase #2 Assessment Roll in conjunction with the Annual Service Plan Update to reflect the following matters, together with any other changes helpful to the Administrator or the City and permitted by the PID Act: (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.H of this Service and Assessment Plan.

Once Bonds are issued, the Assessment Rolls shall be updated, which update may be done in the next Annual Service Plan Update, to reflect any changes resulting from the issuance of the Bonds. This update shall reflect the actual interest on the Bonds on which the Annual Installments shall be paid, any reduction in the Assessments, and any revisions in the Actual Costs to be funded by the Bonds and Developer funds.

Section VIII MISCELLANEOUS PROVISIONS

A. Administrative Review

The City may elect to designate a third party to serve as Administrator. The City shall notify Developer in writing at least thirty (30) days in advance before appointing a third party Administrator.

To the extent consistent with the Act, an owner of an Assessed Parcel claiming that a calculation error has been made in the Assessment Roll(s), including the calculation of the Annual Installment, shall send a written notice describing the error to the City not later than thirty (30) days after the date any amount which is alleged to be incorrect is due prior to seeking any other remedy. The Administrator shall promptly review the notice, and if necessary, meet with the Assessed Parcel owner, consider written and oral evidence regarding the alleged error and decide whether, in fact, such a calculation error occurred.

If the Administrator determines that a calculation error has been made and the Assessment Roll should be modified or changed in favor of the Assessed Parcel owner, such change or modification shall be presented to the City Council for approval to the extent permitted by the Act. A cash refund may not be made for any amount previously paid by the Assessed Parcel owner (except for the final year during which the Annual Installment shall be collected or if it is determined there are sufficient funds to meet the expenses of the PID for the current year), but an adjustment may be made in the amount of the Annual Installment to be paid in the following year. The decision of the Administrator regarding a calculation error relating to the Assessment Roll may be appealed to the City Council. Any amendments made to the Assessment Roll(s) pursuant to calculation errors shall be made pursuant to the PID Act.

The decision of the Administrator, or if such decision is appealed to the City Council, the decision of the City Council shall be conclusive as long as there is a reasonable basis for such determination. This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to any other appeal or legal action by such owner.

B. Termination of Assessments

Each Assessment shall be extinguished on the date the Assessment is paid in full, including unpaid Annual Installments and Delinquent Collection Costs, if any. After the extinguishment of an Assessment and the collection of any delinquent Annual Installments and Delinquent Collection Costs, the City shall provide the owner of the affected Parcel a recordable "Notice of the PID Assessment Termination".

C. Amendments

Amendments to the Service and Assessment Plan can be made as permitted or required by the PID Act and under Texas law.

The City Council reserves the right to the extent permitted by the PID Act to amend this Service and Assessment Plan without notice under the PID Act and without notice to property owners of Parcels:

(i) to correct mistakes and clerical errors; (ii) to clarify ambiguities; and (iii) to provide procedures for the collection and enforcement of Assessments, Prepayment Costs, Collection Costs, and other charges imposed by the Service and Assessment Plan.

D. Administration and Interpretation of Provisions

The City Council shall administer the PID, this Service and Assessment Plan, and all Annual Service Plan Updates consistent with the PID Act, and shall make all interpretations and determinations related to the application of this Service and Assessment Plan unless stated otherwise herein or in the Trust Indenture, such determination shall be conclusive.

E. Severability

If any provision, section, subsection, sentence, clause or phrase of this Service and Assessment Plan or the application of same to an Assessed Parcel or any person or set of circumstances is for any reason held to be unconstitutional, void or invalid, the validity of the remaining portions of this Service and Assessment Plan or the application to other persons or sets of circumstances shall not be affected thereby, it being the intent of the City Council in adopting this Service and Assessment Plan that no part hereof or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness or invalidity of any other part hereof, and all provisions of this Service and Assessment Plan are declared to be severable for that purpose.

If any provision of this Service and Assessment Plan is determined by a court to be unenforceable, the unenforceable provision shall be deleted from this Service and Assessment Plan and the unenforceable provision shall, to the extent possible, be rewritten to be enforceable and to give effect to the intent of the City.

As explained under Section IV-D, For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the portion of the Major Improvements to be financed with the Phases #2 – 3 Major Improvement Bonds shall be allocated to the Phases #2 - 3 Major Improvement Assessed Property by spreading the entire Assessment across the Parcels based on the estimated Equivalent Units.

For purposes of this Service and Assessment Plan, the City Council has determined that the Assessments shall be allocated to the Phases #2 - 3 Major Improvement Assessed Property on the basis of the average home value of each Lot Type, and that such method of allocation will result in the imposition of equal shares of the Assessments on Parcels similarly benefited. In determining the average home value of each Lot Type, the City Council has taken into consideration (i) the type of lots (i.e., 70 Ft, 60 Ft, etc.); (ii) current and projected home prices; (iii) the costs of the Authorized Improvements, and (iv) the ability of different property types to utilize and benefit from the Authorized Improvements.

Having taken into consideration the matters described above, the City Council has determined that allocating the Assessments among Parcels based on average home value is best accomplished by creating classifications of benefited Parcels based on the “Lot Types” defined above. These classifications (from Lot Type 1 (70 Ft Lots) representing the highest value to Lot Type 3 (50 Ft Lot) representing the lowest value for residential lots are set forth in Table D-4 below. Assessments are allocated to each Lot Type on the basis of the average home value for each class of lots. This is accomplished by giving each Lot Type an Equivalent Unit factor. Equivalent Units are the ratio of the average value of lots within each assessment class, setting the Equivalent Unit factor for Lot Type 1 (70 Ft Lots) to 1.0.

Table D-4
Equivalent Unit Factors

Lot Type	Estimated Average Unit Value	Equivalent Unit Factor
Lot Type 1 (70' Lot)	\$405,000	1.00 per dwelling unit
Lot Type 2 (60' Lot)	\$355,000	0.88 per dwelling unit
Lot Type 5 (50' Lot)	\$295,000	0.73 per dwelling unit

Appendix E Allocation of Assessments

A) Allocation of Assessments to Lot Types in Phases #2 – 3 Major Improvement Area

As shown in Section IV of this Service and Assessment Plan, the total amount of the Phases #2 – 3 Major Improvement Bonds, which represents the total Assessment to be allocated to all Parcels in the Phases #2 – 3 Major Improvement Assessed Property, is \$6,575,000. As shown in Appendix D, there are a total of 494.19 estimated Equivalent Units in Phases #2 - 3, resulting in an Assessment per Equivalent Unit of \$13,304.60.

The Assessment per dwelling unit or acre is calculated as the product of (i) \$13,304.60 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, the Assessment for a Lot Type 1 (70 Ft Lot) dwelling unit is \$13,304.60 (i.e. $\$13,304.60 \times 1.00$). The Assessment for a Lot Type 2 (60 Ft Lot) dwelling unit is \$11,708.05 (i.e. $\$13,304.60 \times 0.88$). Table E-1 sets forth the Assessment per dwelling unit for each of the three Lot Types in Phases #2 – 3 Major Improvement Area.

**Table E-1
Assessment per Unit - Phases #2 – 3 Major Improvement Area**

Type	Planned No. of Units	Assessment per Equivalent Unit	Equivalent Unit Factor	Assessment per Unit	Total Assessments
<u>Residential</u>					
Lot Type 1	31	\$13,304.60	1.00	\$13,304.60 per dwelling unit	\$412,443
Lot Type 2	348	\$13,304.60	0.88	\$11,708.05 per dwelling unit	\$4,074,401
Lot Type 3	215	\$13,304.60	0.73	\$9,712.36 per dwelling unit	\$2,088,157
Total	594				\$6,575,000

B) Allocation of Assessments to Lot Types in Phase #1

As shown in Section IV of this Service and Assessment Plan, the total amount of the Phase #1 Bonds, which represents the total Assessment to be allocated on all Parcels within Phase #1, is \$12,500,000. As shown in Appendix D, there are a total of 374.80 estimated Equivalent Units in Phase #1, resulting in an Assessment per Equivalent Unit of \$33,351.12.

The Assessment per dwelling unit or acre is calculated as the product of (i) \$33,351.12 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, the Assessment for a Lot Type 1 (70 Ft Lot) dwelling unit is \$33,351.12 (i.e. $\$33,351.12 \times 1.00$). The Assessment for a Lot Type 2 (60 Ft Lot) dwelling unit is \$29,348.99 (i.e. $\$33,351.12 \times 0.88$). Table E-2 sets forth the Assessment per dwelling unit for each of the two Lot Types in Phase #1.

Subject to any escheat, abandoned property, or similar law of the State of Texas, any such payments remaining unclaimed by the Owners entitled thereto for two (2) years after the applicable payment or redemption date shall be applied to the next payment or payments on such Bonds Similarly Secured thereafter coming due and, to the extent any such money remains after the retirement of all Outstanding Bonds Similarly Secured, shall be paid to the City to be used for any lawful purpose. Thereafter, none of the City, the Paying Agent/Registrar, or any other Person shall be liable or responsible to any holders of such Bonds Similarly Secured for any further payment of such unclaimed moneys or on account of any such Bonds Similarly Secured, subject to any applicable escheat law or similar law of the State of Texas.

Section 3.8. Execution and Registration of Bonds Similarly Secured.

(a) The Bonds Similarly Secured shall be executed on behalf of the City by the Mayor or Mayor Pro Tem and City Secretary, by their manual or facsimile signatures, and the official seal of the City shall be impressed or placed in facsimile thereon. Such facsimile signatures on the Bonds Similarly Secured shall have the same effect as if each of the Bonds Similarly Secured had been signed manually and in person by each of said officers, and such facsimile seal on the Bonds Similarly Secured shall have the same effect as if the official seal of the City had been manually impressed upon each of the Bonds Similarly Secured.

(b) In the event that any officer of the City whose manual or facsimile signature appears on the Bonds Similarly Secured ceases to be such officer before the authentication of such Bonds Similarly Secured or before the delivery thereof, such manual or facsimile signature nevertheless shall be valid and sufficient for all purposes as if such officer had remained in such office.

(c) Except as provided below, no Bond Similarly Secured shall be valid or obligatory for any purpose or be entitled to any security or benefit of this Indenture unless and until there appears thereon the Certificate of Trustee substantially in the form provided herein, duly authenticated by manual execution by an officer or duly authorized signatory of the Trustee. It shall not be required that the same officer or authorized signatory of the Trustee sign the Certificate of Trustee on all of the Bonds Similarly Secured. In lieu of the executed Certificate of Trustee described above, each Initial Bond delivered at the respective Closing Date shall have attached thereto the Comptroller's Registration Certificate substantially in the form provided herein, manually executed by the Comptroller of Public Accounts of the State of Texas, or by his or her duly authorized agent, which certificate shall be evidence that such Initial Bond has been duly approved by the Attorney General of the State of Texas, is a valid and binding obligations of the City, and has been registered by the Comptroller of Public Accounts of the State of Texas.

(d) On each respective Closing Date, one Initial Bond representing the entire principal amount of such series of Bonds Similarly Secured, payable in stated installments to the Purchaser, or its designee, executed with the manual or facsimile signatures of the Mayor or Mayor Pro Tem and the City Secretary, approved by the Attorney General, and registered and manually signed by the Comptroller of Public Accounts, will be delivered to the Purchaser or its designee. Upon payment for the Initial Bond, the Trustee shall cancel the Initial Bond and deliver to DTC on behalf of the Purchaser one registered definitive bond for each year of

maturity of such series of Bonds Similarly Secured, registered in the name of Cede & Co., as nominee of DTC.

Section 3.9. Ownership.

(a) The City, the Trustee, the Paying Agent/Registrar and any other Person may treat the Person in whose name any Bond Similarly Secured is registered as the absolute owner of such Bond Similarly Secured for the purpose of making and receiving payment as provided herein (except interest shall be paid to the Person in whose name such Bond Similarly Secured is registered on the relevant Record Date) and for all other purposes, whether or not such Bond Similarly Secured is overdue, and neither the City nor the Trustee, nor the Paying Agent/Registrar, shall be bound by any notice or knowledge to the contrary.

(b) All payments made to the Owner of any Bond Similarly Secured shall be valid and effectual and shall discharge the liability of the City, the Trustee and the Paying Agent/Registrar upon such Bond Similarly Secured to the extent of the sums paid.

Section 3.10. Registration, Transfer and Exchange.

(a) So long as any Bond Similarly Secured remains Outstanding, the City shall cause the Paying Agent/Registrar to keep at the Designated Payment/Transfer Office a Register in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds Similarly Secured in accordance with this Indenture. The Paying Agent/Registrar represents and warrants that it will file and maintain a copy of the Register with the City, and shall cause the Register to be current with all registration and transfer information as from time to time may be applicable.

(b) A Bond Similarly Secured shall be transferable only upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar. No transfer of any Bond Similarly Secured shall be effective until entered in the Register.

(c) The Bonds Similarly Secured shall be exchangeable upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar for a Bond Similarly Secured of the same series, the same maturity and the same interest rate and in any Authorized Denomination and in an aggregate principal amount equal to the unpaid principal amount of the Bond Similarly Secured presented for exchange. The Trustee is hereby authorized to authenticate and deliver Bonds Similarly Secured exchanged for other Bonds Similarly Secured in accordance with this Section.

(d) The Trustee is hereby authorized to authenticate and deliver Bonds Similarly Secured transferred or exchanged in accordance with this Section. A new Bond Similarly Secured will be delivered by the Paying Agent/Registrar, in lieu of the Bond Similarly Secured being transferred or exchanged, at the Designated Payment/Transfer Office, or sent by United States mail, first-class, postage prepaid, to the Owner or his designee. Each transferred Bond Similarly Secured delivered by the Paying Agent/Registrar in accordance with this Section shall constitute an original contractual obligation of the City and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond Similarly Secured in lieu of which such transferred Bond Similarly Secured is delivered.

(e) Each exchange Bond Similarly Secured delivered in accordance with this Section shall constitute an original contractual obligation of the City and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond Similarly Secured in lieu of which such exchange Bond Similarly Secured is delivered.

(f) No service charge shall be made to the Owner for the initial registration, subsequent transfer, or exchange for a different Authorized Denomination of any of the Bonds Similarly Secured. The Paying Agent/Registrar, however, may require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer, or exchange of a Bond Similarly Secured.

(g) Neither the City nor the Paying Agent/Registrar shall be required to issue, transfer, or exchange any Bond Similarly Secured or portion thereof called for redemption prior to maturity within forty-five (45) days prior to the date fixed for redemption; provided, however, such limitation shall not be applicable to an exchange by the Owner of the uncalled principal balance of a Bond Similarly Secured.

Section 3.11. Cancellation.

All Bonds Similarly Secured paid or redeemed before scheduled maturity in accordance with this Indenture, and all Bonds Similarly Secured in lieu of which exchange Bonds Similarly Secured or replacement Bonds Similarly Secured are authenticated and delivered in accordance with this Indenture, shall be cancelled, and proper records shall be made regarding such payment, redemption, exchange, or replacement. The Paying Agent/Registrar shall dispose of cancelled Bonds Similarly Secured in accordance with the records retention requirements of the Trustee.

Section 3.12. Temporary Bonds Similarly Secured.

(a) Following the delivery and registration of an Initial Bond and pending the preparation of definitive Bonds Similarly Secured, the proper officers of the City may execute and, upon the City's request, the Trustee shall authenticate and deliver, one or more temporary Bonds Similarly Secured that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any denomination, substantially of the tenor of the definitive Bonds Similarly Secured in lieu of which they are delivered, without coupons, and with such appropriate insertions, omissions, substitutions and other variations as the officers of the City executing such temporary Bonds Similarly Secured may determine, as evidenced by their signing of such temporary Bonds Similarly Secured.

(b) Until exchanged for Bonds Similarly Secured in definitive form, such Bonds Similarly Secured in temporary form shall be entitled to the benefit and security of this Indenture.

(c) The City, without unreasonable delay, shall prepare, execute and deliver to the Trustee the Bonds Similarly Secured in definitive form; thereupon, upon the presentation and surrender of the Bonds Similarly Secured in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall cancel the Bonds Similarly Secured in temporary form and the Trustee shall authenticate and deliver in exchange therefor Bonds Similarly Secured of the same series and maturity, in definitive form, in the Authorized Denomination, and in the same aggregate principal amount, as the Bond Similarly Secured in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

Section 3.13. Replacement Bonds Similarly Secured.

(a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Bond Similarly Secured, the Trustee shall authenticate and deliver in exchange therefor a replacement Bond Similarly Secured of like series, tenor, and principal amount, bearing a number not contemporaneously outstanding. The City or the Paying Agent/Registrar may require the Owner of such Bond Similarly Secured to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond Similarly Secured is lost, apparently destroyed or wrongfully taken, the Trustee, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond Similarly Secured has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond Similarly Secured of like series, tenor, and principal amount, bearing a number not contemporaneously outstanding, provided that the Owner first complies with the following requirements:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond Similarly Secured;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar and the Trustee to save them and the City harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Trustee and the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the City and the Trustee.

(c) After the delivery of such replacement Bond Similarly Secured, if a bona fide purchaser of the original Bond Similarly Secured in lieu of which such replacement Bond Similarly Secured was issued presents for payment such original Bond Similarly Secured, the City and the Paying Agent/Registrar shall be entitled to recover such replacement Bond Similarly Secured from the Person to whom it was delivered or any Person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost, or expense incurred by the City, the Paying Agent/Registrar or the Trustee in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond Similarly Secured has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond Similarly Secured, may pay such Bond Similarly Secured if it has become due and payable or may pay such Bond Similarly Secured when it becomes due and payable.

(e) Each replacement Bond Similarly Secured delivered in accordance with this Section shall constitute an original additional contractual obligation of the City and shall be entitled to the benefits and security of this Indenture to the same extent as the Bonds Similarly Secured in lieu of which such replacement Bond Similarly Secured is delivered.

Section 3.14. Book-Entry Only System.

The Bonds Similarly Secured shall initially be issued in book-entry-only form and shall be deposited with DTC, which is hereby appointed to act as the securities depository therefor, in accordance with the letter of representations from the City to DTC. On each Closing Date the definitive Bonds Similarly Secured shall be issued in the form of a single typewritten certificate for each maturity thereof registered in the name of Cede & Co., as nominee for DTC.

With respect to Bonds Similarly Secured registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any Person on behalf of whom such a DTC Participant holds an interest in the Bonds Similarly Secured. Without limiting the immediately preceding sentence, the City and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds Similarly Secured, (ii) the delivery to any DTC Participant or any other Person, other than an Owner, as shown on the Register, of any notice with respect to the Bonds Similarly Secured, including any notice of redemption, or (iii) the payment to any DTC Participant or any other Person, other than an Owner, as shown in the Register of any amount with respect to principal of, premium, if any, or interest on the Bonds Similarly Secured. Notwithstanding any other provision of this Indenture to the contrary, the City and the Paying Agent/Registrar shall be entitled to treat and consider the Person in whose name each Bond Similarly Secured is registered in the Register as the absolute owner of such Bond Similarly Secured for the purpose of payment of principal of, premium, if any, and interest on Bonds Similarly Secured, for the purpose of giving notices of redemption and other matters with respect to such Bond Similarly Secured, for the purpose of registering transfer with respect to such Bond Similarly Secured, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds Similarly Secured only to or upon the order of the respective Owners as shown in the Register, as provided in this Indenture, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of principal of, premium, if any, and interest on the Bonds Similarly Secured to the extent of the sum or sums so paid. No Person other than an Owner, as shown in the Register, shall receive a certificate evidencing the obligation of the City to make payments of amounts due pursuant to this Indenture. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Indenture with respect to interest checks or drafts being mailed to the registered owner at the close of business on the relevant Record Date, the word "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

Section 3.15. Successor Securities Depository: Transfer Outside Book-Entry-Only System.

In the event that the City determines that DTC is incapable of discharging its responsibilities described herein and in the letter of representations from the City to DTC, the City shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds Similarly Secured to such successor securities depository; or (ii) notify DTC and DTC Participants of the availability through DTC of certificated Bonds Similarly Secured and cause the Paying Agent/Registrar to transfer one or more separate registered Bonds Similarly Secured to DTC Participants having Bonds Similarly Secured credited to their

DTC accounts. In such event, the Bonds Similarly Secured shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds Similarly Secured shall designate, in accordance with the provisions of this Indenture.

Section 3.16. Payments to Cede & Co.

Notwithstanding any other provision of this Indenture to the contrary, so long as any Bonds Similarly Secured are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bonds Similarly Secured, and all notices with respect to such Bonds Similarly Secured shall be made and given, respectively, in the manner provided in the blanket letter of representations from the City to DTC.

Each 2014 Bond shall be treated as representing the number of 2014 Bonds that is obtained by dividing the principal amount of such 2014 Bonds by \$5,000.

(b) A portion of a single 2014 Bond of an Authorized Denomination may be redeemed, but only in a principal amount equal to \$5,000 or any integral thereof. The Trustee shall treat each \$5,000 portion of such 2014 Bonds as though it were a single bond for purposes of selection for redemption. No redemption shall result in a 2014 Bond in a denomination of less than an Authorized Denomination; provided, however, if the amount of Outstanding 2014 Bonds is less than an Authorized Denomination after giving effect to such partial redemption, a 2014 Bond in the principal amount equal to the unredeemed portion, but not less than \$5,000, may be issued.

(c) Upon surrender of any 2014 Bond for redemption in part, the Trustee in accordance with Section 3.10 of this Indenture, shall authenticate and deliver and exchange the 2014 Bonds in an aggregate principal amount equal to the unredeemed portion of the 2014 Bond so surrendered, such exchange being without charge.

(a) If less than all of the 2018 Bonds are to be redeemed pursuant to either Sections 4.3, 4.5 or 4.7, 2018 Bonds shall be redeemed in minimum principal amounts of \$5,000 or any integral of thereof by any method selected by the Trustee that results in a pro rata reduction of the outstanding maturities. (b) A portion of a single 2018 Bond of an Authorized Denomination may be redeemed, but only in a principal amount equal to \$5,000 or any integral thereof. The Trustee shall treat each \$5,000 portion of such 2018 Bonds as though it were a single bond for purposes of selection for redemption. No redemption shall result in a 2018 Bond in a denomination of less than an Authorized Denomination; provided, however, if the amount of Outstanding 2018 Bonds is less than an Authorized Denomination after giving effect to such partial redemption, a 2018 Bond in the principal amount equal to the unredeemed portion, but not less than \$5,000, may be issued.

(c) Upon surrender of any 2018 Bond for redemption in part, the Trustee in accordance with Section 3.10 of this Indenture, shall authenticate and deliver and exchange the 2018 Bonds in an aggregate principal amount equal to the unredeemed portion of the 2018 Bond so surrendered, such exchange being without charge.

Section 4.10. Notice of Redemption to Owners.

(a) The Trustee shall give notice of any redemption of 2014 Bonds or 2018 Bonds by sending notice by United States mail, first-class, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each 2014 Bond or 2018 Bond or portion thereof to be redeemed, at the address shown in the Register.

(b) The notice shall state the redemption date, the Redemption Price, the place at which the 2014 Bonds or 2018 Bonds are to be surrendered for payment, and, if less than all the Outstanding 2014 Bonds or Outstanding 2018 Bonds are to be redeemed, and subject to Section 4.8 (with respect to the 2014 Bonds) or Section 4.9 (with respect to the 2018 Bonds) hereof, an identification of the 2014 Bonds or 2018 Bonds or portions thereof to be redeemed, any conditions to such redemption and that on the redemption date, if all conditions, if any, to such redemption have been satisfied, such 2014 Bond or 2018 Bond shall become due and payable.

(c) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

(d) The City has the right to rescind any optional redemption or extraordinary optional redemption described in Section 4.4 or 4.6 (with respect to the 2014 Bonds) or Section 4.5 or 4.7 (with respect to the 2018 Bonds) by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds are not available on the date fixed for redemption for the payment in full of the 2014 Bonds or 2018 Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under the Indenture. The Trustee shall mail notice of rescission of redemption in the same manner notice of redemption was originally provided.

(e) With respect to any optional redemption of the 2014 Bonds or 2018 Bonds, unless the Trustee has received funds sufficient to pay the Redemption Price of the 2014 Bonds or 2018 Bonds to be redeemed before giving of a notice of redemption, the notice may state the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the 2014 Bonds or 2018 Bonds and the Trustee

shall give notice, in the manner in which the notice of redemption was given, that the 2014 Bonds or 2018 Bonds have not been redeemed.

Section 4.11. Payment Upon Redemption.

(a) The Trustee shall make provision for the payment of the 2014 Bonds or 2018 Bonds to be redeemed on such date by setting aside and holding in trust an amount from the Redemption Fund or otherwise received by the Trustee from the City and shall use such funds solely for the purpose of paying the Redemption Price on the 2014 Bonds or 2018 Bonds being redeemed.

(b) Upon presentation and surrender of any 2014 Bond or 2018 Bond called for redemption at the Designated Payment/Transfer Office of the Trustee on or after the date fixed for redemption, the Trustee shall pay the Redemption Price on such 2014 Bond or 2018 Bond to the date of redemption from the moneys set aside for such purpose.

Section 4.12. Effect of Redemption.

Notice of redemption having been given as provided in Section 4.10 of this Indenture, the 2014 Bonds or 2018 Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption provided that funds for the payment of the principal amount plus accrued unpaid interest on such 2014 Bonds or 2018 Bonds to the date fixed for redemption are on deposit with the Trustee; thereafter, such 2014 Bonds or 2018 Bonds or portions thereof shall cease to bear interest from and after the date fixed for redemption, whether or not such bonds are presented and surrendered for payment on such date.

(c) Reserved.

(d) If, after the foregoing transfers and any transfer from the Reserve Fund as provided in Section 6.8 herein, there are insufficient funds to make the payments provided in paragraph (b) above, the Trustee shall apply the available funds in the Principal and Interest Account first to the payment of interest, then to the payment of principal (including any Sinking Fund Installments) on the Bonds Similarly Secured.

The disbursement of funds from the Project Fund pursuant to a Certification for Payment shall be pursuant to and in accordance with the disbursement procedures described in the Construction Funding Agreement. Such provisions and procedures related to such disbursement contained in the Construction Funding Agreement, and no other provisions of the Construction Funding Agreement, are herein incorporated by reference and deemed set forth herein in full.

(e) If the City Representative determines in his or her sole discretion that amounts then on deposit in the Phase #1 Improvement Account of the Project Fund or the Phase #1 Major Improvement Account of the Project Fund are not expected to be expended for purposes of the Project Fund due to the abandonment, or constructive abandonment, of the Phase #1 Improvements or Major Improvement Projects, as the case may be, such that, in the opinion of

the City Representative, it is unlikely that the amounts in the Phase #1 Improvement Account of the Project Fund or the Phase #1 Major Improvement Account of the Project Fund will ever be expended for the purposes of the Project Fund, the City Representative shall file a City Certificate with the Trustee which identifies the amounts then on deposit in the Phase #1 Improvement Account of the Project Fund or the Phase #1 Major Improvement Account of the Project Fund that are not expected to be used for purposes of the Project Fund. If such City Certificate is so filed, the amounts on deposit in the Phase #1 Improvement Account of the Project Fund or the Phase #1 Major Improvement Account of the Project Fund shall be transferred to the Redemption Fund to redeem Bonds Similarly Secured on the earliest practicable date after notice of redemption has been provided in accordance with the Indenture.

(f) In making any determination pursuant to this Section, the City Representative may conclusively rely upon a certificate of an Independent Financial Consultant.

(g) Upon the filing of a City Certificate stating that all Phase #1 Improvements have been completed and that all Actual Costs of the Phase #1 Improvements have been paid, or that any such Actual Costs are not required to be paid from the Phase #1 Improvement Account of the Project Fund or the Phase #1 Major Improvement Account of the Project Fund pursuant to a Certification for Payment, the Trustee (i) shall transfer the amount, if any, remaining within the Project Fund to the Bond Fund and (ii) the Project Fund shall be closed.

(h) Not later than six months following each respective Closing Date, upon a determination by the City Representative that all costs of issuance of the Bonds Similarly Secured have been paid, any amounts remaining in the Costs of Issuance Account shall be transferred to another Account in the Project Fund and used to pay Actual Costs or to the Principal and Interest Account of the Bond Fund and used to pay interest on the Bonds Similarly Secured, as directed by the City in a City Certificate filed with the Trustee, and the Costs of Issuance Account shall be closed.

Section 6.7. Redemption Fund.

(a) The Trustee shall cause to be deposited to the Redemption Fund from the Bond Pledged Revenue Account of the Pledged Revenue Fund an amount sufficient to redeem Bonds Similarly Secured as provided in Sections 4.4 and 4.6 (with respect to the 2014 Bonds) or Section 4.5 and 4.7 (with respect to the 2018 Bonds) on the dates specified for redemption as provided in such sections. Amounts on deposit in the Redemption Fund shall be used and withdrawn by the Trustee to redeem Bonds Similarly Secured as provided in Article IV of the Indenture.

Section 6.8. Reserve Fund.

(a) The City agrees with the Owners of the Bonds Similarly Secured to accumulate, and when accumulated maintain in the Reserve Account of the Reserve Fund, an amount equal to not less than the Reserve Account Requirement. All amounts deposited in the Reserve Account of the Reserve Fund shall be used and withdrawn by the Trustee for the purpose of making transfers to the Principal and Interest Account of the Bond Fund as provided in this Indenture. The Trustee has transferred and will continue to transfer from the Bond Pledged Revenue Account of the Pledged Revenue Fund to the Prepayment Reserve Account on March 1 and September 1 of each year, commencing March 1, 2015, an amount equal to .20% of the interest rate component of the Annual Installments in the Prepayment Reserve

Account. Once the Prepayment Reserve Requirement has accumulated in the Prepayment Reserve Account, all amounts in excess of the Prepayment Reserve Requirement shall be transferred by the Trustee first to the Delinquency Reserve Account in the event such account contains less than the Delinquency Reserve Requirement, or, if the Delinquency Reserve Account contains the Delinquency Reserve Requirement then to the Redemption Fund to redeem Bonds Similarly Secured as provided in Article IV of the Indenture. The Trustee has also previously deposited and shall continue to deposit from the Bond Pledged Revenue Account of the Pledged Revenue Fund to the Delinquency Reserve Account on March 1 and September 1, commencing March 1, 2015, an amount equal to .30% of the interest rate component of the Annual Installments. Once the Delinquency Reserve Requirement has been accumulated in the Delinquency Reserve Account, any amounts in excess of the Delinquency Reserve Requirement in the Delinquency Reserve Account shall be transferred by the Trustee to the Redemption Fund to redeem Bonds Similarly Secured as provided in Article IV.

(b) Whenever a transfer is made from the Reserve Fund to the Bond Fund due to a deficiency in the Bond Fund, the Trustee shall provide written notice thereof to the City, specifying the amount withdrawn and the source of said funds.

(c) Whenever Bonds Similarly Secured are to be redeemed with the proceeds of Prepayments pursuant to Section 4.6 (with respect to the 2014 Bonds) or Section 4.7 (with respect to the 2018 Bonds), a proportionate amount in the Reserve Account of the Reserve Fund shall be transferred on the Business Day prior to the redemption date by the Trustee to the Redemption Fund to be applied to the redemption of the Bonds Similarly Secured. The amount so transferred from the Reserve Account of the Reserve Fund shall be equal to a percentage of the amount of the Bonds Similarly Secured redeemed with such percentage equal to the lesser of: (i) the amount required to be in the Reserve Account of the Reserve Fund, as a percentage of the Outstanding Bonds Similarly Secured prior to the redemption, and (ii) the amount actually in the Reserve Account of the Reserve Fund, as a percentage of the Outstanding Bonds Similarly Secured prior to the redemption. If after such transfer, and after applying investment earnings on the Prepayment toward payment of accrued interest, there are insufficient funds to pay the principal amount plus accrued and unpaid interest on such Bonds Similarly Secured to the date fixed for redemption of the Bonds Similarly Secured to be redeemed as a result of such Prepayment, the Trustee shall transfer an amount equal to the shortfall from the Prepayment Reserve Account to the Redemption Fund to be applied to the redemption of the Bonds Similarly Secured.

(d) Whenever, on any Interest Payment Date, or on any other date at the written request of a City Representative, the amount in the Reserve Account exceeds the Reserve Account Requirement, the Trustee shall provide written notice to the City Representative of the amount of the excess. Such excess shall be transferred to the Principal and Interest Account to be used for the payment of interest on the Bonds Similarly Secured on the next Interest Payment Date in accordance with Section 6.5 hereof, unless within thirty days of such notice to the City Representative, the Trustee receives a City Order instructing the Trustee to apply such excess: (i) to pay amounts due under Section 6.9 hereof, (ii) to the Administrative Fund in an amount not more than the Administrative Expenses for the Bonds Similarly Secured, or (iii) to the Project Fund if such application and the expenditure of funds is expected to occur within three years of the date hereof.

(e) Whenever, on any Interest Payment Date, or on any other date at the written request of the City Representative, the amount in the Prepayment Reserve Account exceeds the Prepayment Reserve Requirement, the Trustee shall provide written notice to the City of

the amount of the excess. The amount of such excess on deposit in the Prepayment Reserve Account shall then be transferred by the Trustee first to the Delinquency Reserve Account in the event such account contains less than the Delinquency Reserve Requirement, or, if the Delinquency Reserve Account contains the Delinquency Reserve Requirement, then to the Redemption Fund to redeem Bonds Similarly Secured as provided in Article IV.

(f) Whenever, on any Interest Payment Date, or on any other date at the written request of the City Representative, the amount in the Delinquency Reserve Account exceeds the Delinquency Reserve Requirement, the Trustee shall provide written notice to the City of the amount of the excess. The amount of such excess on deposit in the Delinquency Reserve Account shall then be transferred by the Trustee to the Redemption Fund to redeem Bonds Similarly Secured as provided in Article IV.

(g) Whenever, on any Interest Payment Date, the amount on deposit in the Bond Fund is insufficient to pay the debt service on the Bonds Similarly Secured due on such date, the Trustee shall transfer first, from the Delinquency Reserve Account of the Reserve Fund, second, from the Reserve Account of the Reserve Fund and third, from the Prepayment Reserve Account to the Bond Fund the amounts necessary to cure such deficiency. The Trustee shall determine the value of cash and investments on deposit in the Delinquency Reserve Account as of September 30 of each year.

(h) At the final maturity of the Bonds Similarly Secured, the amount on deposit in the Reserve Account, the Prepayment Reserve Account, and the Delinquency Reserve Account shall be transferred to the Redemption Fund and applied to the payment of the principal of the Bonds Similarly Secured.

(i) If, after a Reserve Fund withdrawal, the amount on deposit in the Reserve Account of the Reserve Fund is less than the Reserve Account Requirement, the Trustee shall transfer from the Pledged Revenue Fund to the Reserve Account of the Reserve Fund the amount of such deficiency, in accordance with Section 6.4.

(j) If the amount held in the Reserve Fund together with the amount held in the Bond Fund and Redemption Fund is sufficient to pay the principal amount and of all Outstanding Bonds Similarly Secured on the next Interest Payment Date, together with the unpaid interest accrued on such Bonds Similarly Secured as of such Interest Payment Date, the moneys shall be transferred to the Redemption Fund and thereafter used to redeem all Bonds Similarly Secured as of such Interest Payment Date.

Section 6.9. Rebate Fund: Rebate Amount.

(a) Under the terms of the 2014 Indenture and as confirmed by this Indenture, the City has created a special fund of the City designated "City of Celina, Texas, Rebate Fund" (the "Rebate Fund") that is being held by the Trustee in accordance with the terms and provisions of this Indenture. Amounts on deposit in the Rebate Fund shall be used solely for the purpose of paying amounts due the United States Government in accordance with the Code.

(b) In order to assure that Rebate Amount is paid to the United States rather than to a third party, investments of funds on deposit in the Rebate Fund shall be made in accordance with the Code and the respective Tax Certificate.

(c) The Trustee conclusively shall be deemed to have complied with the provisions of this Section and Section 7.5(h) and shall not be liable or responsible if it follows the instructions of the City and shall not be required to take any action under this Section (including

investment of amounts in the Rebate Fund) and Section 7.5(h) in the absence of written instructions from the City.

(d) If, on the date of each annual calculation, the amount on deposit in the Rebate Fund exceeds the Rebate Amount, the City may direct the Trustee, pursuant to a City Order, to transfer the amount in excess of the Rebate Amount to the Bond Fund.

Section 6.10. Administrative Fund.

(a) The City has heretofore deposited and shall deposit or cause to be deposited to District Administration Account of the Administrative Fund the amounts collected each year to pay the Administrative Expenses and Delinquent Collection Costs.

(b) Moneys in the District Administration Account of the Administrative Fund shall be held by the Trustee separate and apart from the other Funds created by the 2014 Indenture or confirmed and administered hereunder and used as directed by a City Order solely for the purposes set forth in the Service and Assessment Plan.

Section 6.11. Investment of Funds.

(a) Money in any Fund established or confirmed pursuant to the 2014 Indenture and this Indenture shall be invested by the Trustee as directed by the City pursuant to a City Order filed with the Trustee at least two (2) days in advance of the making of such investment in time deposits or certificates of deposit secured in the manner required by law for public funds, or be invested in direct obligations of, including obligations the principal and interest on which are unconditionally guaranteed by, the United States of America, in obligations of any agencies or instrumentalities thereof, or in such other investments as are permitted under the Public Funds Investment Act, Texas Government Code, Chapter 2256, as amended, or any successor law, as in effect from time to time; provided that all such deposits and investments shall be made in such manner (which may include repurchase agreements for such investment with any primary dealer of such agreements) that the money required to be expended from any Fund will be available at the proper time or times. Such investments shall be valued each year in terms of current market value as of September 30. For purposes of maximizing investment returns, to the extent permitted by law, money in such Funds may be invested in common investments of the kind described above, or in a common pool of such investment which shall be kept and held at an official depository bank, which shall not be deemed to be or constitute a commingling of such money or funds provided that safekeeping receipts or certificates of participation clearly evidencing the investment or investment pool in which such money is invested and the share thereof purchased with such money or owned by such Fund are held by or on behalf of each such Fund. If necessary, such investments shall be promptly sold to prevent any default.

(b) Obligations purchased as an investment of moneys in any Fund shall be deemed to be part of such Fund or Account, subject, however, to the requirements of this Indenture for transfer of interest earnings and profits resulting from investment of amounts in Funds and Accounts. Whenever in this Indenture any moneys are required to be transferred by the City to the Trustee, such transfer may be accomplished by transferring a like amount of Investment Securities.

(c) The Trustee and its affiliates may act as sponsor, advisor, depository, principal or agent in the acquisition or disposition of any investment. The Trustee shall not incur any

liability for losses arising from any investments made pursuant to this Section. The Trustee shall not be required to determine the suitability or legality of any investments.

(d) Investments in any and all Funds and Accounts may be commingled in a separate fund or funds for purposes of making, holding and disposing of investments, notwithstanding provisions herein for transfer to or holding in or to the credit of particular Funds or Accounts of amounts received or held by the Trustee hereunder, provided that the Trustee shall at all times account for such investments strictly in accordance with the Funds and Accounts to which they are credited and otherwise as provided in this Indenture.

(e) The Trustee will furnish the City monthly cash transaction statements which include detail for all investment transactions made by the Trustee hereunder; and, unless the Trustee receives a written request, the Trustee is not required to provide brokerage confirmations so long as the Trustee is providing such monthly cash transaction statements.

Section 6.12. Security of Funds.

All Funds heretofore created or reaffirmed, to the extent not invested as herein permitted, shall be secured in the manner and to the fullest extent required by law for the security of public funds, and such Funds shall be used only for the purposes and in the manner permitted or required by the Indenture.

Section 6.13. Reserved.

ARTICLE VII

COVENANTS

Section 7.1. Confirmation of Phase #1 Assessments.

The City hereby confirms, covenants, and agrees that, in the Phase #1 Assessment Ordinance, it has levied the Phase #1 Assessments against the respective Assessed Parcels from which the Pledged Revenues will be collected and received.

Section 7.2. Collection and Enforcement of Phase #1 Assessments.

(a) For so long as any Bonds Similarly Secured are Outstanding and amounts are due the Developer to reimburse the Developer for funds it has contributed to pay Actual Costs of the Phase #1 Improvements, the City covenants, agrees and warrants that it will take and pursue all actions permissible under Applicable Laws to cause the Phase #1 Assessments to be collected and the liens thereof enforced continuously, in the manner and to the maximum extent permitted by Applicable Laws, and, to the extent permitted by Applicable Laws, to cause no reduction, abatement or exemption in the Phase #1 Assessments.

(b) The City will determine or cause to be determined, no later than February 15 of each year, whether or not any Annual Installment is delinquent and, if such delinquencies exist, the City will order and cause to be commenced as soon as practicable any and all appropriate and legally permissible actions to obtain such Annual Installment, and any delinquent charges and interest thereon, including diligently prosecuting an action in district court to foreclose the currently delinquent Annual Installment. Notwithstanding the foregoing, the City shall not be required under any circumstances to purchase or make payment for the purchase of the delinquent Phase #1 Assessment or the corresponding Assessed Parcel.

Section 7.3. Against Encumbrances.

(a) The City shall not create and, to the extent Pledged Revenues are received, shall not suffer to remain, any lien, encumbrance or charge upon the Pledged Revenues, other than that specified in Section 9.6 of the Indenture, or upon any other property pledged under the Indenture, except the pledge created for the security of the Bonds Similarly Secured, and other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds Similarly Secured.

(b) So long as Bonds Similarly Secured are Outstanding, the City shall not issue any bonds, notes or other evidences of indebtedness other than the Bonds Similarly Secured secured by any pledge of or other lien or charge on the Pledged Revenues or other property pledged under the Indenture, other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds Similarly Secured.

Section 7.4. Records, Accounts, Accounting Reports.

The City hereby covenants and agrees that so long as any of the Bonds Similarly Secured or Outstanding Bonds Similarly Secured or any interest thereon remain outstanding and unpaid, and the obligation to the Developer to reimburse it for funds it has contributed to pay Actual Costs of the Phase #1 Improvements remain outstanding and unpaid, it will keep and maintain a proper and complete system of records and accounts pertaining to the Phase #1 Assessments. The Trustee and holder or holders of any Bonds Similarly Secured or any duly authorized agent or agents of such holders shall have the right at all reasonable times to inspect all such records, accounts, and data relating thereto, upon written request to the City by the Trustee or duly authorized representative, as applicable. The City shall provide the Trustee or duly authorized representative, as applicable, an opportunity to inspect such books and records relating to the Bonds Similarly Secured during the City's regular business hours and on a mutually agreeable date not later than thirty days after the City receives such request.

Section 7.5. Covenants to Maintain Tax-Exempt Status.

(a) Definitions. When used in this Section, the following terms shall have the following meanings:

"Closing Date" means the date on which the each series of Bonds Similarly Secured are first authenticated and delivered to the initial purchasers against payment therefor.

"Code" means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

"Computation Date" has the meaning set forth in section 1.148-1(b) of the Regulations.

"Gross Proceeds" means any proceeds as defined in section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in section 1.148-1(c) of the Regulations, of each series of the Bonds Similarly Secured.

“Investment” has the meaning set forth in section 1.148-1(b) of the Regulations.

“Nonpurpose Investment” means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Bonds Similarly Secured are invested and which is not acquired to carry out the governmental purposes of the Bonds Similarly Secured.

“Regulations” means any proposed, temporary or final Income Tax Regulations issued pursuant to sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds Similarly Secured. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

“Yield” of (1) any Investment has the meaning set forth in section 1.148-5 of the Regulations; and (2) Bonds, as it pertains to a particular series of Bonds Similarly Secured has the meaning set forth in section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond Similarly Secured to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond Similarly Secured, the City shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of each series of Bonds Similarly Secured:

(i) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds Similarly Secured of such series, and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(ii) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds Similarly Secured of such series or any property the acquisition, construction or improvement of

which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan.

(i) Except to the extent permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of any Bonds Similarly Secured to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be "loaned" to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(ii) The City covenants and agrees that the levied Phase #1 Assessments will meet the requirements of the "tax assessment loan exception" within the meaning of section 1.141-5(d) of the Regulations on the date that each series of the Bonds Similarly Secured are delivered and will ensure that the Phase #1 Assessments continue to meet such requirements for so long as Bonds Similarly Secured are outstanding hereunder.

(e) Not to Invest at Higher Yield. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of any series of Bonds Similarly Secured directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested) if, as a result of such investment, the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of such series of Bonds Similarly Secured.

(f) Not Federally Guaranteed. Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Bonds Similarly Secured to be federally guaranteed within the meaning of section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The City shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in section 148(f) of the Code and the Regulations and rulings thereunder:

(i) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Bond Similarly Secured is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Bonds Similarly Secured with other money of the

City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(ii) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of each series of the Bonds Similarly Secured until six years after the final Computation Date.

(iii) As additional consideration for the purchase of the Bonds Similarly Secured by the Purchaser and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall, pursuant to a City Order, direct the Trustee to transfer to the Rebate Fund from the funds or subaccounts designated in such City Order and direct the Trustee to pay to the United States from the Rebate Fund the amount that when added to the future value of previous rebate payments made for any series of the Bonds Similarly Secured equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(iv) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (ii) and (iii), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds Similarly Secured, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds Similarly Secured not been relevant to either party.

(j) Elections. The City hereby directs and authorizes the Mayor, Mayor Pro Tem, City Manager, Director of Finance, or City Secretary, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Bonds Similarly Secured, in the Tax Certificate or similar or other appropriate certificate, form or document.

ARTICLE VIII

LIABILITY OF CITY

The City shall not incur any responsibility in respect of the Bonds Similarly Secured or this Indenture other than in connection with the duties or obligations explicitly herein or in the Bonds Similarly Secured assigned to or imposed upon it. The City shall not be liable in connection with the performance of its duties hereunder, except for its own willful default or act of bad faith. The City shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, conditions covenants or agreements of the Trustee herein or of any of the documents executed by the Trustee in connection with the Bonds Similarly Secured, or as to the existence of a default or event of default thereunder.

In the absence of bad faith, the City may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the City and conforming to the requirements of this Indenture. The City shall not be liable for any error of judgment made in good faith unless it shall be proved that it was negligent in ascertaining the pertinent facts.

No provision of this Indenture, the Bonds Similarly Secured, the Phase #1 Assessment Ordinance, or any agreement, document, instrument, or certificate executed, delivered or approved in connection with the issuance, sale, delivery, or administration of the Bonds Similarly Secured (the "Bond Documents"), shall require the City to expend or risk its own general funds or otherwise incur any financial liability (other than with respect to the Pledged Revenues and the Administrative Expenses) in the performance of any of its obligations hereunder, or in the exercise of any of its rights or powers, if in the judgment of the City there are reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it.

Neither the Owners nor any other Person shall have any claim against the City or any of its officers, officials, agents, or employees for damages suffered as a result of the City's failure to perform in any respect any covenant, undertaking, or obligation under any Bond Documents or as a result of the incorrectness of any representation in, or omission from, any of the Bond Documents, except to the extent that any such claim relates to an obligation, undertaking, representation, or covenant of the City, in accordance with the Bond Documents and the PID Act. Any such claim shall be payable only from Pledged Revenues or the amounts collected to pay Administrative Expenses on deposit in the Administrative Fund. Nothing contained in any of the Bond Documents shall be construed to preclude any action or proceeding in any court or before any governmental body, agency, or instrumentality against the City or any of its officers, officials, agents, or employees to enforce the provisions of any of the Bond Documents or to enforce all rights of the Owners of the Bonds Similarly Secured by mandamus or other proceeding at law or in equity.

The City may rely on and shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The City may consult with counsel with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its duties under this Indenture the City shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of willful misconduct on the part of the City, be deemed to be conclusively proved and established by a certificate of the Trustee, an Independent Financial Consultant, an independent inspector or City Manager or other person designated by the City Council to so act on behalf of the City, and such certificate shall be full warrant to the City for any action taken or suffered under the provisions of this Indenture upon the faith thereof, but in its discretion the City may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

In order to perform its duties and obligations hereunder, the City may employ such persons or entities as it deems necessary or advisable. The City shall not be liable for any of the acts or omissions of such persons or entities employed by it in good faith hereunder, and shall be entitled to rely, and shall be fully protected in doing so, upon the opinions, calculations, determinations, and directions of such persons or entities.

ARTICLE IX

THE TRUSTEE

Section 9.1. Trustee as Paying Agent/Registrar

The Trustee is hereby designated and agrees to act as Registrar and Paying Agent for and in respect to the Bonds Similarly Secured.

Section 9.2. Trustee Entitled to Indemnity

The Trustee shall be under no obligation to institute any suit, or to undertake any proceeding under this Indenture, or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays, and counsel fees and other reasonable disbursements, and against all liability except as a consequence of its own negligence or willful misconduct. Nevertheless, the Trustee may begin suit, or appear in and defend suit, or do anything else in its judgment proper to be done by it as the Trustee, without indemnity, and in such case the Trustee may make transfers from the Pledged Revenue Fund or the District Administration Account of the Administrative Fund to pay all costs and expenses, outlays, and counsel fees and other reasonable disbursements properly incurred in connection therewith and shall be entitled to a preference therefor over any Bonds Similarly Secured Outstanding hereunder.

Section 9.3. Responsibilities of the Trustee.

The recitals contained in this Indenture and in the Bonds Similarly Secured shall be taken as the statements of the City and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or the Bonds Similarly Secured or with respect to the security afforded by this Indenture, and the Trustee shall incur no liability with respect thereto. Except as otherwise expressly provided in this Indenture, the Trustee shall have no responsibility or duty with respect to: (i) the issuance of Bonds Similarly Secured for value; (ii) the application of the proceeds

thereof, except to the extent that such proceeds are received by it in its capacity as Trustee; (iii) the application of any moneys paid to the City or others in accordance with this Indenture, except as to the application of any moneys paid to it in its capacity as Trustee; or (iv) any calculation of arbitrage or rebate under the Code.

The duties and obligations of the Trustee shall be determined by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture.

The Trustee shall not be liable for any action taken or omitted by it in the performance of its duties under this Indenture, except for its own gross negligence or willful misconduct. In no event shall the Trustee be liable for incidental, indirect, special or consequential damages in connection with or arising from this Indenture for the existence, furnishing or use of the Phase #1 Improvements.

Section 9.4. Property Held in Trust.

All moneys and securities held by the Trustee at any time pursuant to the terms of this Indenture shall be held by the Trustee in trust for the purposes and under the terms and conditions of this Indenture.

Section 9.5. Rights of the Trustee.

The Trustee may rely upon any order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond, or other document provided to the Trustee in accordance with the terms of this Indenture that it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or Person or to have been prepared and furnished pursuant to any of the provisions of this Indenture, or upon the written opinion of any counsel, architect, engineer, insurance consultant, management consultant, or accountant believed by the Trustee to be qualified in relation to the subject matter, and the Trustee shall be under no duty to make any investigation or inquiry into any statements contained or matters referred to in any such instrument. The Trustee may consult with counsel, who may or may not be Bond Counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered, or omitted to be taken by it in good faith and in accordance therewith.

Whenever the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Indenture, such matter may be deemed to be conclusively proved and established by a City Certificate, unless other evidence in respect thereof be hereby specifically prescribed. Such City Certificate shall be full warrant for any action taken or suffered in good faith under the provisions hereof, but in its discretion the Trustee may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable. Except as otherwise expressly provided herein, any request, order, notice, or other direction required or permitted to be furnished pursuant to any provision hereof by the City to the Trustee shall be sufficiently executed if executed in the name of the City by the City Representative.

The Trustee shall not be under any obligation to see to the recording or filing of this Indenture, or otherwise to the giving to any Person of notice of the provisions hereof except as expressly required in Section 9.13 herein.

Section 9.6. Compensation.

Unless otherwise provided by contract with the Trustee, the Trustee shall transfer from the Administrative Fund, from time to time, reasonable compensation for all services rendered by it hereunder, including its services as Registrar and Paying Agent, together with all its reasonable expenses, charges, and other disbursements and those of its counsel, agents and employees, incurred in and about the administration and execution of the trusts hereby created and the exercise of its powers and the performance of its duties hereunder, subject to any limit on the amount of such compensation or recovery of expenses or other charges as shall be prescribed by specific agreement, and the Trustee shall have a lien therefor on any and all funds at any time held by it hereunder prior to any Bonds Similarly Secured Outstanding. None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if in the judgment of the Trustee there are reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it. If the City shall fail to make any payment required by this Section, the Trustee may make such payment from any moneys in its possession under the provisions of this Indenture and shall be entitled to a preference therefor over any Bonds Similarly Secured Outstanding hereunder.

Section 9.7. Permitted Acts.

The Trustee and its directors, officers, employees, or agents may become the owner of or may in good faith buy, sell, own, hold and deal in Bonds Similarly Secured and may join in any action that any Owner of Bonds Similarly Secured may be entitled to take as fully and with the same rights as if it were not the Trustee. The Trustee may act as depository, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, the City or any committee formed to protect the rights of holders of Bonds Similarly Secured or to effect or aid in any reorganization growing out of the enforcement of the Bonds Similarly Secured or this Indenture, whether or not such committee shall represent the holders of a majority in aggregate outstanding principal amount of the Bonds.

Section 9.8. Resignation of Trustee.

The Trustee may at any time resign and be discharged of its duties and obligations hereunder by giving not fewer than 30 days' notice, specifying the date when such resignation shall take effect, to the City and each Owner of any Outstanding Bonds Similarly Secured. Such resignation shall take effect upon the appointment of a successor as provided in Section 9.10 and the acceptance of such appointment by such successor.

Section 9.9. Removal of Trustee.

The Trustee may be removed at any time by (i) the Owners of at least a majority of the outstanding principal of the Bonds Similarly Secured by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or by their attorneys-in-fact, duly authorized and delivered to the City, or (ii) so long as the City is not in default under this Indenture, the City. Copies of each such instrument shall be delivered by the City to the Trustee and any successor thereof. The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the City or the Owners of not less than 10% of aggregate outstanding principal of the Bonds Similarly Secured.

Section 9.10. Successor Trustee.

If the Trustee shall resign, be removed, be dissolved, or become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator, or conservator of the Trustee or of its property shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, the position of the Trustee hereunder shall thereupon become vacant.

If the position of Trustee shall become vacant for any of the foregoing reasons or for any other reason, a successor Trustee may be appointed within one year after any such vacancy shall have occurred by the Owners of at least twenty-five percent (25%) of the aggregate outstanding principal of the Bonds Similarly Secured by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or their attorneys-in-fact, duly authorized and delivered to such successor Trustee, with notification thereof being given to the predecessor Trustee and the City.

Until such successor Trustee shall have been appointed by the Owners of the Bonds Similarly Secured, the City shall forthwith appoint a Trustee to act hereunder. Copies of any instrument of the City providing for any such appointment shall be delivered by the City to the Trustee so appointed. The City shall mail notice of any such appointment to each Owner of any Outstanding Bonds Similarly Secured within 30 days after such appointment. Any appointment of a successor Trustee made by the City immediately and without further act shall be superseded and revoked by an appointment subsequently made by the Owners of Bonds Similarly Secured.

If in a proper case no appointment of a successor Trustee shall be made within 45 days after the giving by any Trustee of any notice of resignation in accordance with Section 9.8 herein or after the occurrence of any other event requiring or authorizing such appointment, the Trustee or any Owner of Bonds Similarly Secured may apply to any court of competent jurisdiction for the appointment of such a successor, and the court may thereupon, after such notice, if any, as the court may deem proper, appoint such successor and the City shall be responsible for the costs of such appointment process.

Any successor Trustee appointed under the provisions of this Section shall be a commercial bank or trust company or national banking association (i) having a capital and surplus and undivided profits aggregating at least \$50,000,000, if there be such a commercial bank or trust company or national banking association willing and able to accept the appointment on reasonable and customary terms, and (ii) authorized by law to perform all the duties of the Trustee required by this Indenture.

Each successor Trustee shall mail, in accordance with the provisions of the Bonds Similarly Secured, notice of its appointment to the Trustee, any rating agency which, at the time of such appointment, is providing a rating on the Bonds Similarly Secured and each of the Owners of the Bonds Similarly Secured.

Section 9.11. Transfer of Rights and Property to Successor Trustee.

Any successor Trustee appointed under the provisions of Section 9.10 shall execute, acknowledge, and deliver to its predecessor and the City an instrument in writing accepting such appointment, and thereupon such successor, without any further act, deed, or conveyance, shall become fully vested with all moneys, estates, properties, rights, immunities,

powers, duties, obligations, and trusts of its predecessor hereunder, with like effect as if originally appointed as Trustee. However, the Trustee then ceasing to act shall nevertheless, on request of the City or of such successor, execute, acknowledge, and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor all the rights, immunities, powers, and trusts of such Trustee and all the right, title, and interest of such Trustee in and to the Trust Estate, and shall pay over, assign, and deliver to such successor any moneys or other properties subject to the trusts and conditions herein set forth. Should any deed, conveyance, or instrument in writing from the City be required by such successor for more fully and certainly vesting in and confirming to it any such moneys, estates, properties, rights, powers, duties, or obligations, any and all such deeds, conveyances, and instruments in writing, on request and so far as may be authorized by law, shall be executed, acknowledged, and delivered by the City.

Section 9.12. Merger, Conversion or Consolidation of Trustee.

Any corporation or association into which the Trustee may be merged or with which it may be consolidated or any corporation or association resulting from any merger, conversion or consolidation to which it shall be a party or any corporation or association to which the Trustee may sell or transfer all or substantially all of its corporate trust business shall be the successor to such Trustee hereunder, without any further act, deed or conveyance, provided that such corporation or association shall be a commercial bank or trust company or national banking association qualified to be a successor to such Trustee under the provisions of Section 9.10, or a trust company that is a wholly-owned subsidiary of any of the foregoing.

Section 9.13. Trustee To File Continuation Statements Only.

If necessary, the Trustee shall file or cause to be filed, such continuation statements as are delivered to the Trustee by the City, or on behalf of the City, and which may be required by the Texas Uniform Commercial Code, as from time to time in effect (the "UCC"), in order to continue perfection of the security interest of the Trustee in such items of tangible or intangible personal property and any fixtures as may have been granted to the Trustee pursuant to this Indenture in the time, place and manner required by the UCC.

Section 9.14. Accounts, Periodic Reports and Certificates.

The Trustee shall keep or cause to be kept proper books of record and account (separate from all other records and accounts) in which complete and correct entries shall be made of its transactions relating to the Funds and Accounts confirmed by this Indenture and which shall at all times be subject to inspection by the City, and the Owner or Owners of not less than 10% in principal amount of any Bonds Similarly Secured then Outstanding or their representatives duly authorized in writing.

Section 9.15. Construction of Indenture.

The Trustee may construe any of the provisions of this Indenture insofar as the same may appear to be ambiguous or inconsistent with any other provision hereof, and any construction of any such provisions hereof by the Trustee in good faith shall be binding upon the Owners of the Bonds Similarly Secured.

ARTICLE X

MODIFICATION OR AMENDMENT OF THE INDENTURE

Section 10.1. Amendments Permitted.

This Indenture and the rights and obligations of the City and of the Owners of the Bonds Similarly Secured may be modified or amended at any time by a Supplemental Indenture, except as provided below, pursuant to the affirmative vote at a meeting of Owners of the Bonds Similarly Secured, or with the written consent without a meeting, of the Owners of at least fifty-one percent (51%) of the aggregate principal amount of the Bonds Similarly Secured then Outstanding. No such modification or amendment shall (i) extend the maturity of any Bond Similarly Secured or reduce the interest rate thereon, or otherwise alter or impair the obligation of the City to pay the principal of, and the interest and any premium on, any Bond Similarly Secured, without the express consent of the Owner of such Bond Similarly Secured, or (ii) permit the creation by the City of any pledge or lien upon the Pledged Revenues superior to or on a parity with the pledge and lien created for the benefit of the Bonds Similarly Secured (except as otherwise permitted by Applicable Laws or this Indenture), or reduce the percentage of Bonds Similarly Secured required for the amendment hereof. Any such amendment may not modify any of the rights or obligations of the Trustee without its written consent.

This Indenture and the rights and obligations of the City and of the Owners may also be modified or amended at any time by a Supplemental Indenture, without the consent of any Owners, only to the extent permitted by law and only for any one or more of the following purposes:

(i) to add to the covenants and agreements of the City in this Indenture contained, other covenants and agreements thereafter to be observed, or to limit or surrender any right or power herein reserved to or conferred upon the City;

(ii) to make modifications not adversely affecting any Outstanding Bonds Similarly Secured in any material respect;

(iii) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in this Indenture, or in regard to questions arising under this Indenture, as the City and the Trustee may deem necessary or desirable and not inconsistent with this Indenture, and that shall not adversely affect the rights of the Owners of the Bonds Similarly Secured; and

(iv) to make such additions, deletions or modifications as may be necessary or desirable to assure exemption from federal income taxation of interest on the Bonds Similarly Secured.

Section 10.2. Owners' Meetings.

The City may at any time call a meeting of the Owners of the Bonds Similarly Secured. In such event the City is authorized to fix the time and place of said meeting and to provide for the giving of notice thereof, and to fix and adopt rules and regulations for the conduct of said meeting.

Section 10.3. Procedure for Amendment with Written Consent of Owners.

The City and the Trustee may at any time adopt a Supplemental Indenture amending the provisions of the Bonds Similarly Secured or of this Indenture, to the extent that such amendment is permitted by Section 10.1 herein, to take effect when and as provided in this Section. A copy of such Supplemental Indenture, together with a request to Owners for their consent thereto, shall be mailed by first class mail, by the Trustee to each Owner of Bonds Similarly Secured from whom consent is required under this Indenture, but failure to mail copies of such Supplemental Indenture and request shall not affect the validity of the Supplemental Indenture when assented to as in this Section provided.

Such Supplemental Indenture shall not become effective unless there shall be filed with the Trustee the written consents of the Owners as required by this Indenture and a notice shall have been mailed as hereinafter in this Section provided. Each such consent shall be effective only if accompanied by proof of ownership of the Bonds Similarly Secured for which such consent is given, which proof shall be such as is permitted by Section 11.6 herein. Any such consent shall be binding upon the Owner of the Bonds Similarly Secured giving such consent and on any subsequent Owner (whether or not such subsequent Owner has notice thereof), unless such consent is revoked in writing by the Owner giving such consent or a subsequent Owner by filing such revocation with the Trustee prior to the date when the notice hereinafter in this Section provided for has been mailed.

After the Owners of the required percentage of Bonds Similarly Secured shall have filed their consents to the Supplemental Indenture, the City shall mail a notice to the Owners in the manner hereinbefore provided in this Section for the mailing of the Supplemental Indenture, stating in substance that the Supplemental Indenture has been consented to by the Owners of the required percentage of Bonds Similarly Secured and will be effective as provided in this Section (but failure to mail copies of said notice shall not affect the validity of the Supplemental Indenture or consents thereto). Proof of the mailing of such notice shall be filed with the Trustee. A record, consisting of the papers required by this Section 10.3 to be filed with the Trustee, shall be proof of the matters therein stated until the contrary is proved. The Supplemental Indenture shall become effective upon the filing with the Trustee of the proof of mailing of such notice, and the Supplemental Indenture shall be deemed conclusively binding (except as otherwise hereinabove specifically provided in this Article) upon the City and the Owners of all Bonds Similarly Secured at the expiration of ninety (90) days after such filing, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in a legal action or equitable proceeding for such purpose commenced within such sixty-day period.

Section 10.4. Effect of Supplemental Indenture.

From and after the time any Supplemental Indenture becomes effective pursuant to this Article X, this Indenture shall be deemed to be modified and amended in accordance therewith, the respective rights, duties, and obligations under this Indenture of the City and all Owners of Outstanding Bonds Similarly Secured shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 10.5. Endorsement or Replacement of Bonds Issued After Amendments.

The City may determine that Bonds Similarly Secured issued and delivered after the effective date of any action taken as provided in this Article X shall bear a notation, by endorsement or otherwise, in form approved by the City, as to such action. In that case, upon demand of the Owner of any Outstanding Bonds Similarly Secured at such effective date and presentation of his Bond Similarly Secured for that purpose at the designated office of the Trustee or at such other office as the City may select and designate for that purpose, a suitable notation shall be made on such Bond Similarly Secured. The City may determine that new Bonds Similarly Secured, so modified as in the opinion of the City is necessary to conform to such Owners' action, shall be prepared, executed, and delivered. In that case, upon demand of the Owner of any Bonds Similarly Secured then Outstanding, such new Bonds Similarly Secured shall be exchanged at the designated office of the Trustee without cost to any Owner, for Bonds Similarly Secured then Outstanding, upon surrender of such Bonds Similarly Secured.

Section 10.6. Amendatory Endorsement of Bonds.

The provisions of this Article X shall not prevent any Owner from accepting any amendment as to the particular Bonds Similarly Secured held by such Owner, provided that due notation thereof is made on such Bonds Similarly Secured.

Section 10.7. Waiver of Default

With the written consent of at least fifty-one percent (51%) in aggregate principal amount of the Bonds Similarly Secured then Outstanding, the Owners may waive compliance by the City with certain past defaults under this Indenture and their consequences. Any such consent shall be conclusive and binding upon the Owners and upon all future Owners.

Section 10.8. Execution of Supplemental Indenture.

In executing, or accepting the additional trusts created by, any Supplemental Indenture permitted by this Article or the modification thereby of the trusts created by this Indenture, the Trustee shall receive, and shall be fully protected in relying upon, an opinion of counsel addressed and delivered to the Trustee and the City stating that the execution of such Supplemental Indenture is permitted by and in compliance with this Indenture. The Trustee may, but shall not be obligated to, enter into any such Supplemental Indenture which affects the Trustee's own rights, duties and immunities under this Indenture or otherwise.

ARTICLE XI

DEFAULT AND REMEDIES

Section 11.1. Events of Default.

(a) Each of the following occurrences or events shall be and is hereby declared to be an "Event of Default," to wit:

(i) The failure of the City to deposit the Pledged Revenues to the Bond Pledged Revenue Account of the Pledged Revenue Fund;

(ii) The failure of the City to enforce the collection of the Phase #1 Assessments including the prosecution of foreclosure proceedings; and

(iii) Default in the performance or observance of any covenant, agreement or obligation of the City under this Indenture and the continuation thereof for a period of ninety (90) days after written notice to the City by the Trustee, or by the Owners of at least 25% of the aggregate outstanding principal of the Bonds Similarly Secured with a copy to the Trustee, specifying such default by the Owners of at least 25% of the Bonds Similarly Secured at the time Outstanding requesting that the failure be remedied.

Section 11.2. Immediate Remedies for Default.

(a) Subject to Article VIII, upon the happening and continuance of any of the Events of Default described in Section 11.1, the Owners of at least 25% of the Bonds Similarly Secured then Outstanding, may proceed against the City for the purpose of protecting and enforcing the rights of the Owners under this Indenture, by action seeking mandamus or by other suit, action, or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief to the extent permitted by Applicable Laws, including, but not limited to, the specific performance of any covenant or agreement contained herein, or injunction; provided, however, that no action for money damages against the City may be sought or shall be permitted.

(b) THE PRINCIPAL OF THE BONDS SIMILARLY SECURED SHALL NOT BE SUBJECT TO ACCELERATION UNDER ANY CIRCUMSTANCES.

(c) If the assets of the Trust Estate are sufficient to pay all amounts due with respect to all Outstanding Bonds Similarly Secured, in the selection of Trust Estate assets to be used in the payment of Bonds Similarly Secured due under this Article, the City shall determine, in its absolute discretion, and shall instruct the Trustee by City Order, which Trust Estate assets shall be applied to such payment and shall not be liable to any Owner or other Person by reason of such selection and application. In the event that the City shall fail to deliver to the Trustee such City Order, the Trustee shall select and liquidate or sell Trust Estate assets as provided in the following paragraph, and shall not be liable to any Owner, or other Person, or the City by reason of such selection, liquidation or sale.

(d) Whenever moneys are to be applied pursuant to this Article XI, irrespective of and whether other remedies authorized under this Indenture shall have been pursued in whole or in part, the Trustee may cause any or all of the assets of the Trust Estate, including Investment Securities, to be sold. The Trustee may so sell the assets of the Trust Estate and all right, title, interest, claim and demand thereto and the right of redemption thereof, in one or more parts, at any such place or places, and at such time or times and upon such notice and terms as the Trustee may deem appropriate and as may be required by law and apply the proceeds thereof in accordance with the provisions of this Section. Upon such sale, the Trustee may make and deliver to the purchaser or purchasers a good and sufficient assignment or conveyance for the same, which sale shall be a perpetual bar both at law and in equity against the City, and all other Persons claiming such properties. No purchaser at any sale shall be bound to see to the application of the purchase money proceeds thereof or to inquire as to the authorization, necessity, expediency, or regularity of any such sale. Nevertheless, if so requested by the Trustee, the City shall ratify and confirm any sale or sales by executing and delivering to the Trustee or to such purchaser or purchasers all such instruments as may be necessary or, in the judgment of the Trustee, proper for the purpose which may be designated in such request.

Section 11.3. Restriction on Owner's Action.

The City reserves the right and option to redeem Bonds before their scheduled maturity dates, in whole or in part, on any Interest Payment Date on or after September 1, 2022, such redemption date or dates to be fixed by the City, at the Redemption Prices shown below, plus accrued interest to the date of redemption.

<u>Redemption Date</u>	<u>Redemption Price</u>
On or after September 1, 2022	103%
On or after September 1, 2023	102%
On or after September 1, 2024	101%
On or after September 1, 2025	100%

Bonds are subject to extraordinary optional redemption prior to maturity in whole or in part, on the first day of any month, at a Redemption Price equal to the principal amount of the Bonds called for redemption, plus accrued and unpaid interest to the date fixed for redemption from amounts on deposit in the Redemption Fund as a result of Prepayments or as a result of unexpended amounts transferred from the Project Fund as provided in the Indenture.

The Trustee shall give notice of any redemption of Bonds by sending notice by first class United States mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond (or part thereof) to be redeemed, at the address shown on the Register. The notice shall state the redemption date, the Redemption Price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed. Any notice so given shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the City and the rights of the holders of the Bonds under the Indenture at any time Outstanding affected by such modification. The Indenture also contains provisions permitting the holders of specified percentages in aggregate principal amount of the Bonds at the time Outstanding, on behalf of the holders of all the Bonds, to waive compliance by the City with certain past defaults under the Bond Ordinance or the Indenture and their consequences. Any such consent or waiver by the holder of this Bond or any predecessor Bond evidencing the same debt shall be conclusive and binding upon such holder and upon all future holders thereof and of any Bond issued upon the transfer thereof or in exchange therefor or in lieu thereof, whether or not notation of such consent or waiver is made upon this Bond.

As provided in the Indenture, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office, with such endorsement or other evidence of transfer as is acceptable to the Trustee, and upon delivery to the Trustee of such certifications and/or opinion of counsel as may be required under the Indenture for the transfer of this Bond. Upon satisfaction of such requirements, one or more new fully registered Bonds of the same Stated Maturity, of Authorized Denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the City nor the Trustee shall be required to issue, transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 45 calendar days of the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond.

The City, the Trustee, and any other Person may treat the Person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the Person in whose name this Bond is registered on the Record Date or Special Record Date, as applicable) and for all other purposes, whether or not this Bond be overdue, and neither the City nor the Trustee shall be affected by notice to the contrary.

The City has reserved the right to issue Additional Bonds on the terms and conditions specified in the Indenture.

NEITHER THE FULL FAITH AND CREDIT NOR THE GENERAL TAXING POWER OF THE CITY OF CELINA, TEXAS, COLLIN COUNTY, TEXAS, DENTON COUNTY, TEXAS OR THE STATE OF TEXAS, OR ANY POLITICAL SUBDIVISION THEREOF, IS PLEDGED TO THE PAYMENT OF THE BONDS.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law; and that the total indebtedness of the City, including the Bonds, does not exceed any Constitutional or statutory limitation.

IN WITNESS WHEREOF, the City Council of the City has caused this Bond to be executed under the official seal of the City.

unless this Bond shall have been sooner called for redemption and the payment of the principal hereof shall have been paid or provision for such payment shall have been made, and to pay interest on the unpaid principal amount hereof from the later of the Date of Delivery, as specified above, or the most recent Interest Payment Date to which interest has been paid or provided for until such principal amount shall have been paid or provided for, at the per annum rate of interest specified above, computed on the basis of a 360-day year of twelve 30-day months, such interest to be paid semiannually on March 1 and September 1 of each year, commencing March 1, 2019, until maturity or prior redemption.

Capitalized terms appearing herein that are defined terms in the Indenture defined below, have the meanings assigned to them in the Indenture. Reference is made to the Indenture for such definitions and for all other purposes.

The principal of this Bond shall be payable without exchange or collection charges in lawful money of the United States of America upon presentation and surrender of this Bond at the corporate trust office in St. Paul, Minnesota (the "Designated Payment/Transfer Office"), of U.S. Bank National Association, as trustee and paying agent/registrar (the "Trustee", which term includes any successor trustee under the Indenture), or, with respect to a successor trustee and

paying agent/registrar, at the Designated Payment/Transfer Office of such successor. Interest on this Bond is payable by check dated as of the Interest Payment Date, mailed by the Trustee to the registered owner at the address shown on the registration books kept by the Trustee or by such other customary banking arrangements acceptable to the Trustee, requested by, and at the risk and expense of, the Person to whom interest is to be paid. For the purpose of the payment of interest on this Bond, the registered owner shall be the Person in whose name this Bond is registered at the close of business on the "Record Date," which shall be the fifteenth day of the month next preceding such Interest Payment Date; provided, however, that in the event of nonpayment of interest on a scheduled Interest Payment Date, and for 30 days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Trustee, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the "Special Payment Date," which shall be 15 days after the Special Record Date) shall be sent at least five Business Days prior to the Special Record Date by United States mail, first-class, postage prepaid, to the address of each Owner of a Bond appearing on the books of the Trustee at the close of business on the last Business Day preceding the date of mailing such notice.

If a date for the payment of the principal of or interest on the Bonds is a Saturday, Sunday, legal holiday, or a day on which banking institutions in the city in which the Designated Payment/Transfer Office is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding Business Day, and payment on such date shall have the same force and effect as if made on the original date payment was due.

This Bond is one of a duly authorized issue of assessment revenue bonds of the City having the designation specified in its title (herein referred to as the "Bonds"), dated September 1, 2018 and issued in the aggregate principal amount of \$_____ and issued, with the limitations described herein, pursuant to an Amended and Restated Indenture of Trust, dated as of September 1, 2018 (collectively, the "Indenture"), by and between the City and the Trustee, to which Indenture reference is hereby made for a description of the amounts thereby pledged and assigned, the nature and extent of the lien and security, the respective rights thereunder to the holders of the Bonds, the Trustee, and the City, and the terms upon which the Bonds are, and are to be, authenticated and delivered and by this reference to the terms of which each holder of this Bond hereby consents. All Bonds issued under the Indenture are equally and ratably secured by the amounts thereby pledged and assigned. The Bonds are being issued for the purpose of (i) paying or refinancing a portion of the Actual Costs of the Phase #1 Improvements, (ii) funding a portion of a reserve fund for the Bonds, and (iii) paying the costs of issuing the Bonds.

The Bonds are limited obligations of the City payable solely from the Pledged Revenues as defined in the Indenture. Reference is hereby made to the Indenture, copies of which are on file with and available upon request from the Trustee, for the provisions, among others, with respect to the nature and extent of the duties and obligations of the City, the Trustee and the Owners. The Owner of this Bond, by the acceptance hereof, is deemed to have agreed and consented to the terms, conditions and provisions of the Indenture.

Notwithstanding any provision hereof, the Indenture may be released and the obligation of the City to make money available to pay this Bond may be defeased by the deposit of money and/or certain direct or indirect Defeasance Securities sufficient for such purpose as described in the Indenture.

The Bonds are issuable as fully registered bonds only in Authorized Denominations, subject to the provisions of the Indenture authorizing redemption in denominations of \$25,000 and any multiple of \$5,000 in excess thereof.

The Bonds are subject to mandatory sinking fund redemption prior to their respective maturities and will be redeemed by the City in part at a price equal to the principal amount thereof plus accrued and unpaid interest thereon to the date set for redemption from moneys available for such purpose in the Redemption Fund pursuant to Article VI of the Indenture, on the dates and in the principal amounts as set forth in the following schedule:

Term Bonds Maturing September 1, 20

<u>Redemption Date</u>	<u>Principal Amount</u>	<u>Redemption Date</u>	<u>Principal Amount</u>
------------------------	-------------------------	------------------------	-------------------------

* Stated Maturity

At least forty-five (45) days prior to each sinking fund redemption date, the Trustee shall select for redemption by lot, or by any other customary method that results in a random selection, a principal amount of Bonds of such maturity equal to the principal amount of such Bonds to be redeemed, shall call such Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption, as provided in Section 4.10 of the Indenture.

The principal amount of Bonds required to be redeemed on any mandatory sinking fund redemption date shall be reduced, at the option of the City, by the principal amount of any Bonds of such maturity which, at least 45 days prior to the mandatory sinking fund redemption date (i) shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued and unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation, or (ii) shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption and not previously credited to a mandatory sinking fund redemption.

The City reserves the right and option to redeem Bonds before their scheduled maturity dates, in whole or in part, on any date on or after September 1, 20__, such redemption date or dates to be fixed by the City, at the price of par, plus accrued interest to the date of redemption.

Bonds are subject to extraordinary optional redemption prior to maturity in whole or in part, on any date, at a redemption price equal to the principal amount of the Bonds called for redemption, plus accrued and unpaid interest to the date fixed for redemption from amounts on deposit in the Redemption Fund as a result of Prepayments.

The Trustee shall give notice of any redemption of Bonds by sending notice by United States mail, first-class, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond (or part thereof) to be redeemed, at the address shown on the Register. The notice shall state the redemption date, the redemption price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed. Any notice so given shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the City and the rights of the holders of the Bonds under the Indenture at any time Outstanding affected by such modification. The Indenture also contains provisions permitting the holders of specified percentages in aggregate principal amount of the Bonds at the time Outstanding, on behalf of the holders of all the Bonds, to waive compliance by the City with certain past defaults under the Bond Ordinance or the Indenture and their consequences. Any such consent or waiver by the holder of this Bond or any predecessor Bond evidencing the same debt shall be conclusive and binding upon such holder and upon all future holders thereof and of any Bond issued upon the transfer thereof or in exchange therefor or in lieu thereof, whether or not notation of such consent or waiver is made upon this Bond.

As provided in the Indenture, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office, with such endorsement or other evidence of transfer as is acceptable to the Trustee, and upon delivery to the Trustee of such certifications and/or opinion of counsel as may be required under the Indenture for the transfer of this Bond. Upon satisfaction of such requirements, one or more new fully registered Bonds of the same Stated Maturity, of Authorized Denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the City nor the Trustee shall be required to issue, transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 45 calendar days of the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond.

The City, the Trustee, and any other Person may treat the Person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the Person in whose name this Bond is registered on the Record Date or Special Record Date, as applicable) and for all other purposes, whether or not this Bond be overdue, and neither the City nor the Trustee shall be affected by notice to the contrary.

The City has reserved the right to issue Additional Bonds on the terms and conditions specified in the Indenture.

NEITHER THE FULL FAITH AND CREDIT NOR THE GENERAL TAXING POWER OF THE CITY OF CELINA, TEXAS, COLLIN COUNTY, TEXAS, DENTON COUNTY, TEXAS OR

THE STATE OF TEXAS, OR ANY POLITICAL SUBDIVISION THEREOF, IS PLEDGED TO THE PAYMENT OF THE BONDS.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law; and that the total indebtedness of the City, including the Bonds, does not exceed any Constitutional or statutory limitation.

IN WITNESS WHEREOF, the City Council of the City has caused this Bond to be executed under the official seal of the City.

BOND PURCHASE AGREEMENT

August 14, 2018

City of Celina, Texas
 142 N. Ohio Street
 Celina, Texas 76201

Ladies and Gentlemen:

The undersigned, FMSbonds, Inc. (the “Underwriter”), offers to enter into this Bond Purchase Agreement (this “Agreement”) with the City of Celina, Texas (the “City”), which will be binding upon the City and the Underwriter upon the acceptance of this Agreement by the City. This offer is made subject to its acceptance by the City by execution of this Agreement and its delivery to the Underwriter on or before 10:00 p.m., Central Time, on the date hereof and, if not so accepted, will be subject to withdrawal by the Underwriter upon written notice delivered to the City at any time prior to the acceptance hereof by the City. All capitalized terms not otherwise defined herein shall have the meanings given to such terms in the Indenture (defined herein) between the City and U.S. Bank National Association, as trustee (the “Trustee”), authorizing the issuance of the Bonds (defined herein), and in the Limited Offering Memorandum (defined herein).

1. Purchase and Sale of Bonds. Upon the terms and conditions and upon the basis of representations, warranties, and agreements hereinafter set forth, the Underwriter hereby agrees to purchase from the City, and the City hereby agrees to sell to the Underwriter, all (but not less than all) of the \$3,750,000 aggregate principal amount of the “City of Celina, Texas, Special Assessment Revenue Bonds, Series 2018 (Creeks of Legacy Public Improvement District Phase #1B Project)” (the “Bonds”), at a purchase price of \$_____ (representing the aggregate principal amount of the Bonds less an Underwriter’s discount of \$_____).

Inasmuch as this purchase and sale represents a negotiated transaction, the City understands, and hereby confirms, that the Underwriter is not acting as a municipal advisor or fiduciary of the City (including, without limitation, a Municipal Advisor (as such term is defined in Section 975(e) of the Dodd Frank Wall Street Reform and Consumer Protection Act)), but rather is acting solely in its capacity as Underwriter for its own account. The City acknowledges and agrees that (i) the purchase and sale of the Bonds pursuant to this Agreement is an arm’s length commercial transaction between the City and the Underwriter and the Underwriter has

financial and other interests that differ from any other party to this Agreement, (ii) in connection therewith and with the discussions, undertakings, and procedures leading up to the consummation of this transaction, the Underwriter is and has been acting solely as a principal and is not acting as the agent, municipal advisor, financial advisor, or fiduciary of the City, (iii) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of the City with respect to the offering described herein or the discussions, undertakings, and procedures leading thereto (regardless of whether the Underwriter has provided other services or is currently providing other services to the City on other matters) and the Underwriter has no obligation to the City with respect to the offering described herein except the obligations expressly set forth in this Agreement, (iv) the City has consulted its own legal, financial and other advisors to the extent it has deemed appropriate, (v) the Underwriter has financial and other interests that differ from those of the City, and (vi) the Underwriter has provided to the City prior disclosures under Rule G-17 of the Municipal Securities Rulemaking Board (“MSRB”), which have been received by the City. The City further acknowledges and agrees that following the issuance and delivery of the Bonds, the Underwriter has indicated that it may have periodic discussions with the City regarding the expenditure of Bond proceeds and the construction of the Phase #1 Improvements financed with the Bonds and, in connection with such discussions, the Underwriter shall be acting solely as a principal and will not be acting as the agent or fiduciary of, and will not be assuming an advisory or fiduciary responsibility in favor of, the City.

The Bonds shall be dated September 1, 2018 and shall have the maturities and redemption features, if any, and bear interest at the rates per annum shown on Schedule I hereto. Payment for and delivery of the Bonds, and the other actions described herein, shall take place on September 6, 2018 (or such other date as may be agreed to by the City and the Underwriter) (the “Closing Date”).

2. Authorization Instruments and Law. The Bonds were authorized by an Ordinance enacted by the City Council of the City (the “City Council”) on August 14, 2018 (the “Bond Ordinance”) and shall be issued pursuant to the provisions of Subchapter A of Chapter 372, Texas Local Government Code, as amended (the “Act”), and the Amended and Restated Indenture of Trust, dated as of September 1, 2018, between the City and the Trustee, authorizing the issuance of the Bonds (the “Indenture”). The Bonds shall be substantially in the form described in, and shall be secured under the provisions of, the Indenture.

The Bonds and interest thereon shall be secured by the proceeds of special assessments (the “Assessments”) levied on the assessable parcels within Phase #1 of the Creeks of Legacy Public Improvement District (the “District”). The District was established by a resolution enacted by the City Council on April 29, 2014 (the “Creation Resolution”) in accordance with the Act. A Service and Assessment Plan (the “Service and Assessment Plan”) which sets forth the costs of the Phase #1 Improvements and the method of payment of the Assessments was adopted pursuant to an ordinance of the City Council adopted on June 18, 2014 (the “Assessment Ordinance” and, together with the Creation Resolution, the Indenture and the Bond Ordinance, the “Authorizing Documents”). The Bonds shall be further secured by certain applicable funds and accounts created under the Indenture.

The Bonds shall be as described in Schedule I, the Indenture, and the Limited Offering Memorandum. The proceeds of the Bonds shall be used for (i) financing the costs of the Phase

#1 Improvements (as defined in the Indenture) that will benefit the District, (ii) funding a reserve fund for the payment of principal of and interest on the Bonds, and (iii) paying the costs of issuing the Bonds

3. Limited Public Offering. The Underwriter agrees to make a bona fide limited public offering of all of the Bonds in accordance with Section 11 hereof. On or before the third (3rd) business day prior to Closing, the Underwriter shall execute and deliver to Bond Counsel the Issue Price Certificate, in substantially the form attached hereto as Appendix B.

4. Limited Offering Memorandum.

(a) Delivery of Limited Offering Memorandum. The City previously has delivered, or caused to be delivered, to the Underwriter the Preliminary Limited Offering Memorandum for the Bonds dated August 7, 2018 (the “Preliminary Limited Offering Memorandum”), in a “designated electronic format,” as defined in the Municipal Securities Rulemaking Board (“MSRB”) Rule G-32 (“Rule G-32”). The City will prepare, or cause to be prepared, a final Limited Offering Memorandum relating to the Bonds (the “Limited Offering Memorandum”) which will be (i) dated the date of this Agreement, (ii) complete within the meaning of the United States Securities and Exchange Commission’s Rule 15c2-12, as amended (“Rule 15c2-12”), (iii) in a “designated electronic format,” and (iv) substantially in the form of the most recent version of the Preliminary Limited Offering Memorandum provided to the Underwriter before the execution hereof. The Limited Offering Memorandum, including the cover page thereto, all exhibits, schedules, appendices, maps, charts, pictures, diagrams, reports, and statements included or incorporated therein or attached thereto, and all amendments and supplements thereto that may be authorized for use with respect to the Bonds are collectively referred to herein as the “Limited Offering Memorandum.” Until the Limited Offering Memorandum has been prepared and is available for distribution, the City shall provide to the Underwriter sufficient quantities (which may be in electronic format) of the Preliminary Limited Offering Memorandum as the Underwriter deems necessary to satisfy the obligation of the Underwriter under Rule 15c2-12 with respect to distribution to each potential customer, upon request, of a copy of the Preliminary Limited Offering Memorandum.

(b) Preliminary Limited Offering Memorandum Deemed Final. The Preliminary Limited Offering Memorandum has been prepared for use by the Underwriter in connection with the offering, sale, and distribution of the Bonds. The City hereby represents and warrants that the Preliminary Limited Offering Memorandum has been deemed final by the City as of its date, except for the omission of such information which is dependent upon the final pricing of the Bonds for completion, all as permitted to be excluded by Section (b)(1) of Rule 15c2-12.

(c) Use of Limited Offering Memorandum in Offering and Sale. The City hereby authorizes the Limited Offering Memorandum and the information therein contained to be used by the Underwriter in connection with the offering and the sale of the Bonds. The City consents to the use by the Underwriter prior to the date hereof of the Preliminary Limited Offering Memorandum in connection with the offering of the Bonds.

The City shall provide, or cause to be provided, to the Underwriter as soon as practicable after the date of the City's acceptance of this Agreement (but, in any event, not later than the earlier of the Closing Date or seven (7) business days after the City's acceptance of this Agreement) copies of the Limited Offering Memorandum which is complete as of the date of its delivery to the Underwriter. The City shall provide the Limited Offering Memorandum, or cause the Limited Offering Memorandum to be provided, (i) in a "designated electronic format" consistent with the requirements of Rule G-32 and (ii) in a printed format in such quantity as the Underwriter shall request in order for the Underwriter to comply with Section (b)(4) of Rule 15c2-12 and the rules of the MSRB.

(d) Updating of Limited Offering Memorandum. If, after the date of this Agreement, up to and including the date the Underwriter is no longer required to provide a Limited Offering Memorandum to potential customers who request the same pursuant to Rule 15c2-12 (the earlier of (i) ninety (90) days from the "end of the underwriting period" (as defined in Rule 15c2-12) and (ii) the time when the Limited Offering Memorandum is available to any person from the MSRB, but in no case less than the 25th day after the "end of the underwriting period" for the Bonds), the City becomes aware of any fact or event which might or would cause the Limited Offering Memorandum, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, or if it is necessary to amend or supplement the Limited Offering Memorandum to comply with law, the City will notify the Underwriter (and for the purposes of this clause provide the Underwriter with such information as it may from time to time request), and if, in the reasonable judgment of the Underwriter, such fact or event requires preparation and publication of a supplement or amendment to the Limited Offering Memorandum, the City will forthwith prepare and furnish, at no expense to the Underwriter (in a form and manner approved by the Underwriter), either an amendment or a supplement to the Limited Offering Memorandum so that the statements therein as so amended and supplemented will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading or so that the Limited Offering Memorandum will comply with law; provided, however, that for all purposes of this Agreement and any certificate delivered by the City in accordance herewith, (i) the City makes no representations with respect to the descriptions in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum of The Depository Trust Company, New York, New York ("DTC"), or its book-entry-only system, and (ii) the City makes no representation with respect to the information in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum under the captions and subcaptions "PLAN OF FINANCE — Development Plan, Status of Development and Plan of Finance," "BOOK-ENTRY ONLY SYSTEM," "THE PHASE #1 IMPROVEMENTS," "THE DEVELOPMENT," "THE DEVELOPER," "BONDHOLDERS' RISKS" (only as it pertains to the Developer, the Phase #1 Improvements and the Development), "THE ASSESSMENT CONSULTANT AND ADMINISTRATOR," and "LEGAL MATTERS — Litigation — The Developer," and "INFORMATION RELATING TO THE TRUSTEE." If such notification shall be subsequent to the Closing, the City, at no expense to the

Underwriter, shall furnish such legal opinions, certificates, instruments, and other documents as the Underwriter may reasonably deem necessary to evidence the truth and accuracy of such supplement or amendment to the Limited Offering Memorandum. The City shall provide any such amendment or supplement, or cause any such amendment or supplement to be provided, (i) in a “designated electronic format” consistent with the requirements of Rule G-32 and (ii) in a printed format in such quantity as the Underwriter shall request in order for the Underwriter to comply with Section (b)(4) of Rule 15c2-12 and the rules of the MSRB.

(e) Filing with MSRB. The Underwriter hereby agrees to timely file the Limited Offering Memorandum with the MSRB through its Electronic Municipal Market Access (“EMMA”) system within one business day after receipt but no later than the Closing Date. Unless otherwise notified in writing by the Underwriter, the City can assume that the “end of the underwriting period” for purposes of Rule 15c2-12 is the Closing Date.

(f) Limited Offering. The Underwriter hereby represents, warrants and covenants that the Bonds were initially sold pursuant to a limited offering. The Bonds were sold to not more than thirty-five persons that qualify as “Accredited Investors” (as defined in Rule 501 of Regulation D under the Securities Act (as defined herein)) or “Qualified Institutional Buyers” (within the meaning of Rule 144A under the Securities Act).

5. City Representations, Warranties and Covenants. The City represents, warrants and covenants that:

(a) Due Organization, Existence and Authority. The City is a political subdivision of the State of Texas (the “State”), and has, and at the Closing Date will have, full legal right, power and authority:

(i) to enter into:

(1) this Agreement;

(2) the Indenture;

(3) the “Creeks of Legacy Development Agreement”, effective June 11, 2014, executed and delivered by the City and the Developer (the “Development Agreement”);

(4) the “Creeks of Legacy Public Improvement District Phase #1 Improvements Construction, Funding and Acquisition Agreement”, effective June 18, 2014, and executed and delivered by the City and the Developer (the “CFA Agreement”);

(5) the Continuing Disclosure Agreement of Issuer with respect to the Bonds, dated as of September 1, 2018 (the “City Continuing

Disclosure Agreement”), executed and delivered by the City and U.S. Bank National Association, as Dissemination Agent; and

(ii) to issue, sell, and deliver the Bonds to the Underwriter as provided herein; and

(iii) to carry out and consummate the transactions on its part described in (1) the Authorizing Documents, (2) this Agreement, (3) the Development Agreement, (4) the CFA Agreement, (5) the City Continuing Disclosure Agreement, (6) the Limited Offering Memorandum, and (7) any other documents and certificates described in any of the foregoing (the documents described by subclauses (1) through (7) being referred to collectively herein as the “City Documents”).

(b) Due Authorization and Approval of City. By all necessary official action of the City, the City has duly authorized and approved the adoption or execution and delivery by the City of, and the performance by the City of the obligations on its part contained in, the City Documents and, as of the date hereof, such authorizations and approvals are in full force and effect and have not been amended, modified or rescinded, except as may have been approved by the Underwriter. When validly executed and delivered by the other parties thereto, the City Documents will constitute the legally valid and binding obligations of the City enforceable upon the City in accordance with their respective terms, except insofar as enforcement may be limited by principles of governmental immunity, bankruptcy, insolvency, reorganization, moratorium, or similar laws or equitable principles relating to or affecting creditors’ rights generally. The City has complied, and will at the Closing (as defined herein) be in compliance, in all material respects, with the obligations on its part to be performed on or prior to the Closing Date under the City Documents.

(c) Due Authorization for Issuance of the Bonds. The City has duly authorized the issuance and sale of the Bonds pursuant to the Bond Ordinance, the Indenture, and the Act. The City has, and at the Closing Date will have, full legal right, power and authority (i) to enter into, execute, deliver, and perform its obligations under this Agreement and the other City Documents, (ii) to issue, sell and, deliver the Bonds to the Underwriter pursuant to the Indenture, the Bond Ordinance, the Act, and as provided herein, and (iii) to carry out, give effect to and consummate the transactions on the part of the City described by the City Documents and the Bond Ordinance.

(d) No Breach or Default. As of the time of acceptance hereof, and to the best of its knowledge, the City is not, and as of the Closing Date the City will not be, in breach of or in default in any material respect under any applicable constitutional provision, law or administrative rule or regulation of the State or the United States, or any applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument related to the Bonds and to which the City is a party or is otherwise subject, and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute a default or event of default under any such instrument which breach, default or event

could have a material adverse effect on the City's ability to perform its obligations under the Bonds or the City Documents; and, as of such times, the authorization, execution and delivery of the Bonds and the City Documents and compliance by the City with obligations on its part to be performed in each of such agreements or instruments does not and will not conflict with or constitute a breach of or default under any applicable constitutional provision, law or administrative rule or regulation of the State or the United States, or any applicable judgment, decree, license, permit, trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the City (or any of its officers in their respective capacities as such) is subject, or by which it or any of its properties are bound, nor will any such authorization, execution, delivery or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of its assets or properties or under the terms of any such law, regulation or instrument, except as may be permitted by the City Documents.

(e) No Litigation. At the time of acceptance hereof there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body (collectively and individually, an "Action") pending against the City with respect to which the City has been served with process, nor to the knowledge of the City is any Action threatened against the City, in which any such Action (i) in any way questions the existence of the City or the rights of the members of the City Council to hold their respective positions, (ii) in any way questions the formation or existence of the District, (iii) affects, contests or seeks to prohibit, restrain or enjoin the issuance or delivery of any of the Bonds, or the payment or collection of any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, or in any way contests or affects the validity of the City Documents or the consummation of the transactions on the part of the City described therein, or contests the exclusion of the interest on the Bonds from federal income taxation, or (iv) which may result in any material adverse change in the financial condition of the City; and, as of the time of acceptance hereof, to the City's knowledge, there is no basis for any action, suit, proceeding, inquiry, or investigation of the nature described in clauses (i) through (iv) of this sentence.

(f) Bonds Issued Pursuant to Indenture. The City represents that the Bonds, when issued, executed, and delivered in accordance with the Indenture and sold to the Underwriter as provided herein, will be validly issued and outstanding obligations of the City subject to the terms of the Indenture, entitled to the benefits of the Indenture and the security of the pledge of the proceeds of the levy of the Assessments received by the City, all to the extent provided for in the Indenture. The Indenture creates a valid pledge of the monies in certain funds and accounts established pursuant to the Indenture to the extent provided for in the Indenture, including the investments thereof, subject in all cases to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth therein.

(g) Assessments. The Assessments constituting the security for the Bonds have been levied by the City in accordance with the Act on those parcels of land identified in the Assessment Roll (as defined in the Service and Assessment Plan).

According to the Act, such Assessments constitute a valid and legally binding first and prior lien against the properties assessed, superior to all other liens and claims, except liens or claims for state, county, school district, or municipality ad valorem taxes.

(h) Consents and Approvals. All authorizations, approvals, licenses, permits, consents, elections, and orders of or filings with any governmental authority, legislative body, board, agency, or commission having jurisdiction in the matters which are required by the Closing Date for the due authorization of, which would constitute a condition precedent to or the absence of which would adversely affect the due performance by the City of, its obligations in connection with the City Documents have been duly obtained or made and are in full force and effect, except the approval of the Bonds by the Attorney General of the State, registration of the Bonds by the Comptroller of Public Accounts of the State, and the approvals, consents and orders as may be required under Blue Sky or securities laws of any jurisdiction.

(i) Public Debt. Prior to the Closing, the City will not offer or issue any bonds, notes or other obligations for borrowed money or incur any material liabilities, direct or contingent, payable from or secured by a pledge of the Assessments which secure the Bonds without the prior approval of the Underwriter.

(j) Preliminary Limited Offering Memorandum. The information contained in the Preliminary Limited Offering Memorandum is true and correct in all material respects, and such information does not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the City makes no representations with respect to (i) the descriptions in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum of DTC, or its book-entry-only system, and (ii) the City makes no representation with respect to the information in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum under the captions and subcaptions “PLAN OF FINANCE — Development Plan, Status of Development and Plan of Finance,” “BOOK-ENTRY ONLY SYSTEM,” “THE PHASE #1 IMPROVEMENTS,” “THE DEVELOPMENT,” “THE DEVELOPER,” “BONDHOLDERS' RISKS” (only as it pertains to the Developer, the Phase #1 Improvements and the Development), “THE ASSESSMENT CONSULTANT AND ADMINISTRATOR,” “LEGAL MATTERS — Litigation — The Developer,” and and “INFORMATION RELATING TO THE TRUSTEE.”

(k) Limited Offering Memorandum. At the time of the City’s acceptance hereof and (unless the Limited Offering Memorandum is amended or supplemented pursuant to paragraph (d) of Section 4 of this Agreement) at all times subsequent thereto during the period up to and including the 25th day subsequent to the “end of the underwriting period,” the information contained in the Limited Offering Memorandum does not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; provided, however, that the City makes no representations with respect to (i) the descriptions in the

Preliminary Limited Offering Memorandum or the Limited Offering Memorandum of DTC, or its book-entry-only system, and (ii) the City makes no representation with respect to the information in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum under the captions and subcaptions “PLAN OF FINANCE — Development Plan, Status of Development and Plan of Finance,” “BOOK-ENTRY ONLY SYSTEM,” “THE PHASE #1 IMPROVEMENTS,” “THE DEVELOPMENT,” “THE DEVELOPER,” “BONDHOLDERS' RISKS” (only as it pertains to the Developer, the Phase #1 Improvements and the Development), “THE ASSESSMENT CONSULTANT AND ADMINISTRATOR,” “LEGAL MATTERS — Litigation — The Developer,” and “INFORMATION RELATING TO THE TRUSTEE;” and further provided, however, that if the City notifies the Underwriter of any fact or event as required by Section 4(d) hereof, and the Underwriter determines that such fact or event does not require preparation and publication of a supplement or amendment to the Limited Offering Memorandum, then the Limited Offering Memorandum in its then-current form shall be conclusively deemed to be complete and correct in all material respects.

(l) Supplements or Amendments to Limited Offering Memorandum. If the Limited Offering Memorandum is supplemented or amended pursuant to paragraph (d) of Section 4 of this Agreement, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such paragraph) at all times subsequent thereto during the period up to and including the 25th day subsequent to the “end of the underwriting period,” the Limited Offering Memorandum as so supplemented or amended will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; provided, however, that if the City notifies the Underwriter of any fact or event as required by Section 4(d) hereof, and the Underwriter determines that such fact or event does not require preparation and publication of a supplement or amendment to the Limited Offering Memorandum, then the Limited Offering Memorandum in its then-current form shall be conclusively deemed to be complete and correct in all material respects.

(m) Compliance with Rule 15c2-12. During the past five years, the City has complied in all material respects with its previous continuing disclosure undertakings made by it in accordance with Rule 15c2-12, except as described in the Limited Offering Memorandum.

(n) Use of Bond Proceeds. The City will apply, or cause to be applied, the proceeds from the sale of the Bonds as provided in and subject to all of the terms and provisions of the Indenture and will not take or omit to take any action which action or omission will adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Bonds.

(o) Blue Sky and Securities Laws and Regulations. The City will furnish such information and execute such instruments and take such action in cooperation with the Underwriter as the Underwriter may reasonably request, at no expense to the City, (i) to

(y) qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions in the United States as the Underwriter may designate and (z) determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions and (ii) to continue such qualifications in effect so long as required for the initial distribution of the Bonds by the Underwriter (provided, however, that the City will not be required to qualify as a foreign corporation or to file any general or special consents to service of process under the laws of any jurisdiction) and will advise the Underwriter immediately of receipt by the City of any notification with respect to the suspension of the qualification of the Bonds for sale in any jurisdiction or the initiation or threat of any proceeding for that purpose.

(p) Certificates of the City. Any certificate signed by any official of the City authorized to do so in connection with the transactions described in this Agreement shall be deemed a representation and warranty by the City to the Underwriter as to the statements made therein and can be relied upon by the Underwriter as to the statements made therein.

(q) Intentional Actions Regarding Representations and Warranties. The City covenants that between the date hereof and the Closing it will not intentionally take actions which will cause the representations and warranties made in this Section to be untrue as of the Closing.

(r) Financial Advisor. The City has engaged FirstSouthwest, a Division of Hilltop Securities Inc., as its financial advisor in connection with its offering and issuance of the Bonds.

By delivering the Limited Offering Memorandum to the Underwriter, the City shall be deemed to have reaffirmed, with respect to the Limited Offering Memorandum, the representations, warranties and covenants set forth above.

6. Developer Letter of Representations. At the signing of this Agreement, the City and Underwriter shall receive from the Developer, an executed Developer Letter of Representations (the “Developer Letter of Representations”) in the form of Appendix A hereto, and at the Closing, a certificate signed by the Developer as set for in Section 9(e) hereof.

7. The Closing. At 10:00 a.m., Central time, on the Closing Date, or at such other time or on such earlier or later business day as shall have been mutually agreed upon by the City and the Underwriter, (i) the City will deliver or cause to be delivered to DTC through its “FAST” System, the Bonds in the form of one fully registered Bond for each maturity, registered in the name of Cede & Co., as nominee for DTC, duly executed by the City and authenticated by the Trustee as provided in the Indenture, and (ii) the City will deliver the closing documents hereinafter mentioned to Norton Rose Fulbright US LLP (“Bond Counsel”), or a place to be mutually agreed upon by the City and the Underwriter. Settlement will be through the facilities of DTC. The Underwriter will accept delivery and pay the purchase price of the Bonds as set forth in Section 1 hereof by wire transfer in federal funds payable to the order of the City or its designee. These payments and deliveries, together with the delivery of the aforementioned

documents, are herein called the “Closing.” The Bonds will be made available to the Underwriter for inspection not less than twenty-four (24) hours prior to the Closing.

8. Underwriter’s Closing Conditions. The Underwriter has entered into this Agreement in reliance upon the representations and covenants herein and the performance by the City of its obligations under this Agreement, both as of the date hereof and as of the date of the Closing. Accordingly, the Underwriter’s obligations under this Agreement to purchase, accept delivery of, and pay for the Bonds shall be conditioned upon the performance by the City of its obligations to be performed hereunder at or prior to Closing and shall also be subject to the following additional conditions:

(a) Bring-Down Representations of the City. The representations and covenants of the City contained in this Agreement shall be true and correct in all material respects as of the date hereof and at the time of the Closing, as if made on the Closing Date.

(b) Executed Agreements and Performance Thereunder. At the time of the Closing (i) the City Documents shall be in full force and effect, and shall not have been amended, modified, or supplemented except with the written consent of the Underwriter; (ii) the Authorizing Documents shall be in full force and effect; (iii) there shall be in full force and effect such other resolutions or actions of the City as, in the opinion of Bond Counsel and Counsel to the Underwriter, shall be necessary on or prior to the Closing Date in connection with the transactions on the part of the City described in this Agreement and the City Documents; (iv) there shall be in full force and effect such other resolutions or actions of the Developer as, in the opinion of Miklos Cinclair, PLLC (“Developer’s Counsel”), shall be necessary on or prior to the Closing Date in connection with the transactions on the part of the Developer described in the Developer Letter of Representations (the Development Agreement, the CFA Agreement and the Developer Letter of Representations together, the “Developer Documents”); and (v) the City shall perform or have performed its obligations required or specified in the City Documents to be performed at or prior to Closing.

(c) No Default. At the time of the Closing, no default shall have occurred or be existing and no circumstances or occurrences that, with the passage of time or giving of notice, shall constitute an event of default under this Agreement, the Indenture, the City Documents, the Developer Documents or other documents relating to the financing and construction of the Phase #1 Improvements and the Development, and the Developer shall not be in default in the payment of principal or interest on any of its indebtedness which default shall materially adversely impact the ability of such Developer to pay the Assessments when due.

(f) Termination Events. The Underwriter shall have the right to cancel its obligation to purchase the Bonds and to terminate this Agreement without liability therefor by written notification to the City if, between the date of this Agreement and the Closing, in the Underwriter's sole and reasonable judgment, any of the following shall have occurred:

(i) the market price or marketability of the Bonds, or the ability of the Underwriter to enforce contracts for the sale of the Bonds, shall be materially adversely affected by the occurrence of any of the following:

(1) legislation shall have been introduced in or enacted by the Congress of the United States or adopted by either House thereof, or legislation pending in the Congress of the United States shall have been amended, or legislation shall have been recommended to the Congress of the United States or otherwise endorsed for passage (by press release, other form of notice, or otherwise) by the President of the United States, the Treasury Department of the United States, or the Internal Revenue Service or legislation shall have been proposed for consideration by either the U.S. Senate Committee on Finance or the U.S. House of Representatives Committee on Ways and Means or legislation shall have been favorably reported for passage to either House of the Congress of the United States by a Committee of such House to which such legislation has been referred for consideration, or a decision by a court of the United States or the Tax Court of the United States shall be rendered or a ruling, regulation, or official statement (final, temporary, or proposed) by or on behalf of the Treasury Department of the United States, the Internal Revenue Service, or other federal agency shall be made, which would result in federal taxation of revenues or other income of the general character expected to be derived by the City or upon interest on securities of the general character of the Bonds or which would have the effect of changing, directly or indirectly, the federal income tax consequences of receipt of interest on securities of the general character of the Bonds in the hands of the holders thereof, and which in either case, makes it, in the reasonable judgment of the Underwriter, impracticable or inadvisable to proceed with the offer, sale, or delivery of the Bonds on the terms and in the manner described in the Limited Offering Memorandum; or

(2) legislation shall be enacted by the Congress of the United States, or a decision by a court of the United States shall be rendered, or a stop order, ruling, regulation or official statement by, or on behalf of, the Securities and Exchange Commission or any other governmental agency having jurisdiction of the subject matter shall be issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Bonds, or the issuance, offering or sale of the Bonds,

including all underlying obligations, as described herein or by the Limited Offering Memorandum, is in violation or would be in violation of, or that obligations of the general character of the Bonds, or the Bonds, are not exempt from registration under, any provision of the federal securities laws, including the Securities Act of 1933, as amended and as then in effect (the "Securities Act"), or that the Indenture needs to be qualified under the Trust Indenture Act of 1939, as amended and as then in effect (the "Trust Indenture Act"); or

(3) a general suspension of trading in securities on the New York Stock Exchange, the establishment of minimum prices on such exchange, the establishment of material restrictions (not in force as of the date hereof) upon trading securities generally by any governmental authority or any national securities exchange, a general banking moratorium declared by federal, State of New York, or State officials authorized to do so; or

(4) there shall have occurred any outbreak of hostilities (including, without limitation, an act of terrorism) or other national or international calamity or crisis, including, but not limited to, an escalation of hostilities that existed prior to the date hereof, and the effect of any such event on the financial markets of the United States shall be such as would make it impracticable, in the reasonable judgment of the Underwriter, for it to sell the Bonds on the terms and in the manner contemplated by the Limited Offering Memorandum; or

(5) there shall have occurred since the date of this Agreement any materially adverse change in the affairs or financial condition of the City, except as disclosed in or contemplated by the Limited Offering Memorandum; or

(6) any state blue sky or securities commission or other governmental agency or body in any state in which more than 10% of the Bonds have been offered and sold shall have withheld registration, exemption or clearance of the offering of the Bonds as described herein, or issued a stop order or similar ruling relating thereto; or

(7) any amendment to the federal or state Constitution or action by any federal or state court, legislative body, regulatory body, or other authority materially adversely affecting the tax status of the City, its property, income, securities (or interest thereon), or the validity or enforceability of the Assessments to pay principal of and interest on the Bonds; or

(ii) the New York Stock Exchange or other national securities exchange or any governmental authority shall impose, as to the Bonds or as to obligations of the general character of the Bonds, any material restrictions not now in force, or

increase materially those now in force, with respect to the extension of credit by, or the charge to the net capital requirements of, the Underwriter; or

(iii) any event occurring, or information becoming known which, in the reasonable judgment of the Underwriter, makes untrue in any material respect any statement or information contained in the Limited Offering Memorandum, or has the effect that the Limited Offering Memorandum contains any untrue statement of material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, which change shall occur subsequent to the date of this Agreement and shall not be due to the malfeasance, misfeasance or nonfeasance of the Underwriter; or

(iv) any fact or event shall exist or have existed that, in the Underwriter's reasonable judgment, requires or has required an amendment of or supplement to Limited Offering Memorandum; or

(v) a general banking moratorium shall have been declared by federal or State authorities having jurisdiction and be in force; or

(vi) a material disruption in securities settlement, payment or clearance services shall have occurred; or

(vii) a decision by a court of the United States shall be rendered, or a stop order, release, regulation or no-action letter by or on behalf of the United States Securities and Exchange Commission (the "SEC") or any other governmental agency having jurisdiction of the subject matter shall have been issued or made, to the effect that the issuance, offering or sale of the Bonds, including the underlying obligations as contemplated by this Agreement or by the Limited Offering Memorandum, or any document relating to the issuance, offering or sale of the Bonds, is or would be in violation of any provision of the federal securities laws on the date of Closing, including the Securities Act, the Securities Exchange Act of 1934 (the "Securities Exchange Act") and the Trust Indenture Act; or

(viii) the purchase of and payment for the Bonds by the Underwriter, or the resale of the Bonds by the Underwriter, on the terms and conditions herein provided shall be prohibited by any applicable law, governmental authority, board, agency or commission, which prohibition shall occur subsequent to the date hereof and shall not be due to the malfeasance, misfeasance, or nonfeasance of the Underwriter.

With respect to the conditions described in subparagraphs (ii), (vii) and (viii) above, the Underwriter is not aware of any current, pending or proposed law or government inquiry or investigation as of the date of execution of this Agreement which would permit the Underwriter to invoke its termination rights hereunder.

(ii) based upon (A) such counsel's review of Rule 15c2-12 and interpretive guidance published by the SEC relating thereto; (B) its review of the continuing disclosure undertaking of the City contained in the City Continuing Disclosure Agreement; and (C) the inclusion in the Limited Offering Memorandum of a description of the specifics of such undertaking, and assuming that the Bond Ordinance, the Indenture, and the City Continuing Disclosure Agreement have been duly adopted by the City and are in full force and effect, such undertaking provides a suitable basis for the Underwriter, to make a reasonable determination that the City has met the qualifications of paragraph (b)(5)(i) of Rule 15c2-12; and

(iii) although such counsel has not verified and is not passing upon, and does not assume any responsibility for, the accuracy, completeness or fairness of the information contained in the Limited Offering Memorandum, it has participated in the preparation of the Limited Offering Memorandum and without independent verification, no facts came to its attention that caused it to believe that the Limited Offering Memorandum (except for the Appendices as well as any

other financial, engineering and statistical data contained therein or included therein by reference or any litigation disclosed therein, as to which it expresses no view) as of its date contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

A certificate of the City in form and substance satisfactory to Bond Counsel and counsel to the Underwriter setting forth the facts, estimates and circumstances in existence on the date of the Closing, which establish that it is not expected that the proceeds of the Bonds will be used in a manner that would cause the Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the “Code”), and any applicable regulations (whether final, temporary or proposed), issued pursuant to the Code.

(m) Attorney General Opinion and Comptroller Registration. The approving opinion of the Attorney General of the State regarding the Bonds and the Comptroller of the State’s Certificate of Registration for the Initial Bond.

District was owned by the Developer or other development entities and that such landowners are not entities that may claim a homestead right under Texas law.

(r) Rule 15c2-12 Certification. A resolution or certificate of the City whereby the City has deemed the Preliminary Limited Offering Memorandum final as of its date, except for permitted omissions, as contemplated by Rule 15c2-12 in connection with the offering of the Bonds.

(u) Additional Documents. Such additional legal opinions, certificates, instruments, and other documents as the Underwriter or their counsel may reasonably deem necessary.

10. City's Closing Conditions. The obligation of the City hereunder to deliver the Bonds shall be subject to receipt on or before the date of the Closing of the purchase price set forth in Section 1 hereof, and the opinion of Bond Counsel described in Section 9(a) hereof.

11. Establishment of Issue Price.

(a) The Underwriter agrees to assist the City in establishing the issue price of the Bonds and shall execute and deliver to the City on or before Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Appendix B, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the City and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds. All actions to be taken by the City under this Section to establish the issue price of the Bonds may be taken on behalf of the City by the City's Financial Advisor identified herein and any notice or report to be provided to the City may be provided to the City's Financial Advisor.

(b) The Underwriter confirms that it has offered all the Bonds of each maturity to the public on or before the date of this Agreement at the respective offering price (the "initial offering price"), or at the corresponding yield or yields, set forth in Schedule I attached hereto, except as otherwise set forth therein. At or promptly after the execution of this Agreement, the Underwriter shall report to the City as of the sale date the first price at which the Underwriter has sold to the public at least 10% of each maturity of Bonds (the "10% test"), and shall identify to the City as of the sale date those maturities of the Bonds for which the 10% test has not been satisfied. If different interest coupons apply within a maturity, each separate CUSIP number within that maturity will be treated as a separate maturity for this purpose.

(c) The City and the Underwriter agree that the restrictions set forth in the next sentence shall apply to those maturities of the Bonds for which the 10% test has not been met as of the sale date, which will allow the City to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the City when the Underwriter has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if such sale occurs prior to the close of the fifth (5th) business day after the sale date.

(d) The Underwriter confirms that any selling group agreement and each third-party distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement, as applicable, to (A) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter and as set forth in the related pricing wires, (B) to promptly notify the Underwriter of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public, and (C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public. The City acknowledges that, in making the representation set forth in this subsection, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires and (ii) in the event that the Underwriter is a party to a third-party distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The City further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group or of any broker-dealer that is a party to a third-party distribution

agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds.

(e) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this Section. Further, for purposes of this Section:

(i) “public” means any person other than an underwriter or a related party,

(ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),

(iii) a purchaser of any of the Bonds is a “related party to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) “sale date” means the date of execution of this Agreement by all parties.

12. Consequences of Termination. If the City shall be unable to satisfy the conditions contained in this Agreement or if the obligations of the Underwriter shall be terminated for any reason permitted by this Agreement, this Agreement shall terminate and the Underwriter and the City shall have no further obligation hereunder, except as further set forth in Sections 13, 15 and 16 hereof.

13. Costs and Expenses.

(a) The Underwriter shall be under no obligation to pay, and the City shall cause to be paid from proceeds of the Bonds the following expenses incident to the issuance of the Bonds and performance of the City’s obligations hereunder: (i) the costs of the preparation and printing of the Bonds; (ii) the cost of preparation, printing, and mailing of the Preliminary Limited Offering Memorandum, the final Limited Offering Memorandum and any supplements and amendments thereto; (iii) the fees and

disbursements of the City's financial advisor and legal counsel, the Trustee's counsel, Bond Counsel, Developer's Counsel, and the Trustee relating to the issuance of the Bonds, (iv) the Attorney General's review fees, (v) the fees and disbursements of accountants, advisers and any other experts or consultants retained by the City or the Developer, including but not limited to the fees and expenses of the Appraiser and the Assessment Consultant, and (vi) the expenses incurred by or on behalf of City employees and representatives that are incidental to the issuance of the Bonds and the performance by the City of its obligations under this Agreement.

(b) The Underwriter shall pay the following expenses: (i) all advertising expenses in connection with the offering of the Bonds; (ii) fees of Underwriter's Counsel; and (iii) all other expenses, including CUSIP fees (including out-of-pocket expenses and related regulatory expenses), incurred by it in connection with its offering and distribution of the Bonds, except as noted in Subsection 13(a) above.

(c) The City acknowledges that the Underwriter will pay from the Underwriter's expense allocation of the underwriting discount the applicable per bond assessment charged by the Municipal Advisory Council of Texas, a nonprofit corporation whose purpose is to collect, maintain and distribute information relating to issuing entities of municipal securities.

The agreements contained in this Section and in Sections 16 and 18 shall survive any termination of this Agreement.

FMSbonds, Inc.
 100 Crescent Court, Suite 700
 Dallas, Texas 76227

Ladies and Gentlemen:

This letter is being delivered to the City of Celina, Texas (the “City”) and FMSbonds, Inc. (the “Underwriter”), in consideration for your entering into the Bond Purchase Agreement dated the date hereof (the “Bond Purchase Agreement”) for the sale and purchase of the \$3,750,000 “City of Celina, Texas, Special Assessment Revenue Bonds, Series 2018 (Creeks of Legacy Public Improvement District Phase #1B Project)” (the “Bonds”). Pursuant to the Bond Purchase Agreement, the Underwriter has agreed to purchase from the City, and the City has agreed to sell to the Underwriter, the Bonds. In order to induce the City to enter into the Bond Purchase Agreement and as consideration for the execution, delivery, and sale of the Bonds by the City and the purchase of them by the Underwriter, the undersigned, CTMGT Frontier 80, LLC, a Texas limited liability company (the “Developer”), makes the representations, warranties, and covenants contained in this Developer Letter of Representations. Unless the context clearly indicates otherwise, each capitalized term used in this Developer Letter of Representations will have the meaning set forth in the Bond Purchase Agreement.

1. Purchase and Sale of Bonds. Inasmuch as the purchase and sale of the Bonds represents a negotiated transaction, the Developer understands, and hereby confirms, that the Underwriter is not acting as a fiduciary of the Developer, but rather is acting solely in its capacity as Underwriter of the Bonds for its own account.

2. Updating of the Limited Offering Memorandum. If, after the date of this Developer Letter of Representations, up to and including the date the Underwriter is no longer required to provide a Limited Offering Memorandum to potential customers who request the same pursuant to Rule 15c2-12 (the earlier of (i) ninety (90) days from the “end of the underwriting period” (as defined in Rule 15c2-12) and (ii) the time when the Limited Offering Memorandum is available to any person from the MSRB, but in no case less than twenty-five (25) days after the “end of the underwriting period” for the Bonds), the Developer becomes aware of any fact or event which might or would cause the Limited Offering Memorandum, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, or if it is necessary to amend or supplement the Limited Offering Memorandum to comply with law, the Developer will notify the Underwriter (and for the purposes of this clause provide the Underwriter with such information as it may from time to time request); however, that for the purposes of this Developer Letter of Representations and any certificate delivered by the Developer in accordance with the Bond Purchase Agreement, the Developer makes no representations with respect to (i) the descriptions in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum of The Depository Trust Company, New York, New York, or its book-entry-only system and (ii) the information in the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum under the captions “THE CITY,” “THE DISTRICT,” “BONDHOLDERS’ RISKS” (except as it pertains to the Developer, the Phase #1 Improvements and the Development, as defined in the Limited Offering Memorandum), “TAX MATTERS,” “LEGAL MATTERS — Litigation — The City,” “CONTINUING DISCLOSURE — The City” and “ — The City’s Compliance with Prior Undertakings” and “INFORMATION RELATING TO THE TRUSTEE.”

3. Developer Documents. The Developer has executed and delivered each of the below listed documents (individually, a “Developer Document” and collectively, the “Developer Documents”) in the capacity provided for in each such Developer Document, and each such Developer Document constitutes a valid and binding obligation of Developer, enforceable against Developer in accordance with its terms:

- (a) this Developer Letter of Representation;
- (b) that certain Creeks of Legacy Development Agreement, effective June 11, 2014, executed and delivered by the City and the Developer; and
- (c) that certain Creeks of Legacy Public Improvement District Phase #1 Improvements Construction, Funding and Acquisition Agreement, effective June 18, 2014, and executed and delivered by the City and the Developer.

The Developer has complied in all material respects with all of the Developer’s agreements and covenants and satisfied all conditions required to be complied with or satisfied by the Developer under the Developer Documents on or prior to the date hereof.

4. Developer Representations, Warranties and Covenants. The Developer represents, warrants, and covenants to the City and the Underwriter that:

(a) Due Organization and Existence. The Developer is duly formed and validly existing as a limited liability company under the laws of the State of Texas.

(b) Organizational Documents. The copies of the organizational documents of the Developer provided by the Developer (the “Developer Organizational Documents”) to the City and the Underwriter are fully executed, true, correct, and complete copies of such documents and such documents have not been amended or supplemented and are in full force and effect as of the date hereof.

(c) No Breach. The execution and delivery of the Developer Documents by Developer does not violate any judgment, order, writ, injunction or decree binding on Developer or any indenture, agreement, or other instrument to which Developer is a party.

(d) No Litigation. Other than as described in the Preliminary Limited Offering Memorandum, there are no proceedings pending or threatened in writing before any court or administrative agency against Developer that is either not covered by insurance or which singularly or collectively would have a material, adverse effect on the ability of Developer to perform its obligations under the Developer Documents in all material respects or that would reasonably be expected to prevent or prohibit the development of the Development in accordance with the description thereof in the Preliminary Limited Offering Memorandum.

(e) Information. The information prepared and submitted by the Developer to the City or the Underwriter in connection with the preparation of the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum was, and is, as of this date, true and correct in all material respects.

(a) The Developer will indemnify and hold harmless the City and the Underwriter and each of their officers, directors, employees and agents against any losses, claims, damages or liabilities to which any of them may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained or incorporated by reference in the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum under the captions “PLAN OF FINANCE — Development Plan, Status of Development and Plan of Finance,” “THE PHASE #1 IMPROVEMENTS,” “THE DEVELOPMENT,” “THE DEVELOPER,” “BONDHOLDERS’ RISKS” (only as it pertains to the Developer, the Phase #1 Improvements, and the Development), and “LEGAL MATTERS — Litigation ,” or any amendment or supplement to the Limited Offering Memorandum amending or supplementing the information contained under the aforementioned captions (as qualified above), or arise out of or are based upon the omission or alleged untrue statement or omission to state therein a material fact necessary to make the statements under the aforementioned captions (as qualified above) not misleading under the circumstances under which they were made and will reimburse any indemnified party for any reasonable legal or other expenses reasonably incurred by them in connection with investigating or defending any such action or claim as such expenses are incurred.

(b) Promptly after receipt by an indemnified party under subsection (a) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve the indemnifying party from any liability which it may have to the indemnified party otherwise than under such subsection, unless such indemnifying party was prejudiced by such delay or lack of notice. In case any such action shall be brought against an indemnified party, it shall promptly notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. The indemnifying party shall not be liable for any settlement of any such action effected without its consent, but if settled with the consent of the indemnifying party or if there is a final judgment for the plaintiff in any such action, the indemnifying party will indemnify and hold harmless any indemnified party from and against any loss or liability

by reason of such settlement or judgment. The indemnity herein shall survive delivery of the Bonds and shall survive any investigation made by or on behalf of the City, the Developer or the Underwriter.

6. Survival of Representations, Warranties and Covenants. All representations, warranties, and agreements in this Developer Letter of Representations will survive regardless of (a) any investigation or any statement in respect thereof made by or on behalf of the Underwriter, (b) delivery of any payment by the Underwriter for the Bonds hereunder, and (c) any termination of the Bond Purchase Agreement.

7. Binding on Successors and Assigns. This Developer Letter of Representations will be binding upon the Developer and its successors and assigns and inure solely to the benefit of the Underwriter and the City, and no other person or firm or entity will acquire or have any right under or by virtue of this Developer Letter of Representations.

CITY OF CELINA, TEXAS,
SPECIAL ASSESSMENT REVENUE BONDS, SERIES 2018
(CREEKS OF LEGACY PUBLIC IMPROVEMENT DISTRICT PHASE #1B PROJECT)

Ladies and Gentlemen:

We are the Attorney for the City of Celina, Texas (the “City”) for limited purposes, and are rendering this opinion in connection with the issuance and sale of \$3,750,000 “City of Celina, Texas, Special Assessment Revenue Bonds, Series 2018 (Creeks of Legacy Public Improvement District Phase #1B Project)” (the “Bonds”), by the City, a political subdivision of the State of Texas.

The Bonds are authorized pursuant to Ordinance No. [_____] and enacted by the City Council of the City (the “City Council”) on August 14, 2018 (the “Bond Ordinance”) and shall be issued pursuant to the provisions of Subchapter A of the Public Improvement District Assessment Act, Chapter 372, Texas Local Government Code, as amended (the “Act”) and the Amended and Restated Indenture of Trust dated as of September 1, 2018 (the “Indenture”) by and between the City and U.S. Bank National Association, as trustee (the “Trustee”). Capitalized terms not defined herein shall have the same meanings as in the Indenture, unless otherwise stated herein.

In connection with rendering this opinion, we have reviewed the:

(a) The Resolution No. _____ (the “Creation Resolution”), enacted by the City Council on April 28, 2014.

(b) The Ordinance No. _____, adopted by the City Council on June 18, 2014 (the “Assessment Ordinance”).

- (c) The Bond Ordinance.
- (d) The Indenture.
- (e) That certain Creeks of Legacy Development Agreement, effective as of June 11, 2014 (the “Development Agreement”).
- (f) That certain Continuing Disclosure Agreement of Issuer, dated as of September 1, 2018, executed and delivered by the City. and U.S. Bank National Association (the “Dissemination Agent”).

The Creation Resolution, the Assessment Ordinance and Bond Ordinance shall herein after be referred to as the “Authorizing Documents” and the remaining documents shall herein after be collectively referred to as the “City Documents.”

In all such examinations, we have assumed that all signatures on documents and instruments executed by the City are genuine and that all documents submitted to me as copies conform to the originals. In addition, for purposes of this opinion, we have assumed the due authorization, execution and delivery of the City Documents by all parties other than the City.

Based upon and subject to the foregoing and the additional qualifications and assumptions set forth herein, we are of the opinion that:

1. The City is a Texas political subdivision and has all necessary power and authority to enter into and perform its obligations under the Authorizing Documents and the City Documents. The City has taken or obtained all actions, approvals, consents and authorizations required of it by applicable laws in connection with the execution of the Authorizing Documents and the City Documents and the performance of its obligations thereunder.

2. To the best of our knowledge, there is no action, suit, proceeding, inquiry or investigation at law or in equity, before or by any court, public board or body, pending, or threatened against the City: (a) affecting the existence of the City or the titles of its officers to their respective offices, (b) in any way questioning the formation or existence of the District, (c) affecting, contesting or seeking to prohibit, restrain or enjoin the delivery of any of the Bonds, or the payment, collection or application of any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, including the Assessments in Phase #1 of the District pursuant to the provisions of the Assessment Ordinance and the Service and Assessment Plan referenced therein, (d) contesting or affecting the validity or enforceability or the City’s performance of the City Documents, (e) contesting the exclusion of the interest on the Bonds from federal income taxation, or (f) which may result in any material adverse change relating to the financial condition of the City.

3. The Authorizing Documents were duly enacted by the City and remain in full force and effect on the date hereof.

4. The City Documents have been duly authorized, executed and delivered by the City and remain legal, valid and binding obligations of the City enforceable against the City in accordance with their terms. However, the enforceability of the obligations of the City under

such City Documents may be limited or otherwise affected by (a) bankruptcy, insolvency, reorganization, moratorium and other laws affecting the rights of creditors generally, (b) principles of equity, whether considered at law or in equity, and (c) the application of Texas law relating to action by future councils and relating to governmental immunity applicable to governmental entities.

5. The performance by the City of the obligations under the Authorizing Documents and the City Documents will not violate any provision of any Federal or Texas constitutional or statutory provision.

6. No further consent, approval, authorization, or order of any court or governmental agency or body or official is required to be obtained by the City as a condition precedent to the performance by the City of its obligations under the Authorizing Documents and the City Documents.

7. The City has duly authorized, executed and delivered the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum.

8. The adoption of the Authorizing Documents and the execution and delivery of the City Documents and the compliance with the provisions of the Authorizing Documents and the City Documents under the circumstances contemplated thereby, to the best of our knowledge: (a) do not and will not in any material respect conflict with or constitute on the part of the City a breach of or default under any agreement to which the City is a party or by which it is bound, and (b) do not and will not in any material respect conflict with or constitute on the part of the City a violation, breach of or default under any existing law, regulation, court order or consent decree to which the City is subject.

This opinion may not be relied upon by any other person except those specifically addressed in this letter.

(e) Such other documents, records, agreements and certificates of the Developer as we have deemed necessary or appropriate to render the opinions expressed below.

In basing the opinions and other matters set forth herein on “our knowledge,” the words “our knowledge” signify that, in the course of our representation of the Developer the principal attorneys in this firm involved in the current actual transaction do not have actual knowledge or actual notice that any such opinions or other matters are not accurate or that any of the documents, certificates, reports and information on which we have relied are not accurate and complete. Except as otherwise stated herein, we have undertaken no independent investigation or certification of such matters. The words “our knowledge” and similar language used herein are intended to be limited to the knowledge of the attorneys within our firm who have worked on the matters contemplated by our representation as special counsel.

In rendering the opinions set forth herein, we have assumed, without independent investigation (other than the Developer), that: (i) the due authorization, execution, and delivery of each of the documents referred to in this opinion letter by all parties thereto and that each such document constitutes a valid, binding, and enforceable obligation of each party thereto, (ii) all of the parties to the documents referred to in this opinion letter are duly organized, validly existing, in good standing and have the requisite power, authority (corporate, limited liability company, partnership or other) and legal right to execute, deliver, and perform its obligations under such documents (except to the extent set forth in our opinions set forth herein regarding valid existence and power and authority of the Developer to execute, deliver, and perform its obligations under the Material Documents), (iii) each certificate from governmental officials reviewed by us is accurate, complete, and authentic, and all official public records are

We have only been engaged by our clients in connection with the Material Documents (and the transactions contemplated in the Material Documents) and do not represent these clients generally.

Opinions and Assurances

Based solely upon the foregoing, and subject to the assumptions and limitations set forth herein, we are of the opinion that:

1. The execution and delivery by the Developer of the Material Documents and the performance by the Developer of its obligations under the Material Documents will not (i) violate any applicable law; or (ii) conflict with or result in the breach of any court decree or order of any governmental body identified in the Developer Certificate or otherwise actually known to the lawyers who have provided substantive attention to the representation reflected in this opinion binding upon or affecting the Developer, the conflict with which or breach of which would

have a material, adverse effect on the ability of the Developer to perform its obligations under the Material Documents to which it is a party.

2. To our knowledge, no governmental approval which has not been obtained or taken is required to be obtained or taken by the Developer on or before the date hereof as a condition to the performance by the Developer of its obligations under the Material Documents to which it is a party, except for governmental approvals that may be required to comply with certain covenants contained in the Material Documents (including, without limitation, covenants to comply with applicable laws).

3. The Developer has duly executed and delivered each of the Material Documents to which it is a party, and each of the Material Documents constitute the legal, valid, and binding obligations of the Developer, enforceable against the Developer in accordance with their respective terms, subject to the following qualifications: (i) the effect of applicable bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting the rights of creditors generally, and (ii) the effect of the exercise of judicial discretion in accordance with general principles of equity (whether applied by a court of law or of equity), and (iii) the effect that enforceability of the indemnification provisions therein may be limited, in whole or in part. The execution, delivery, and performance by the Developer of its obligations under the Material Documents do not violate any existing laws of the State of Texas applicable to the Developer.

4. To our knowledge after reasonable inquiry, there are no actions, suits or proceedings pending or threatened against the Developer identified in the Developer Certificate or otherwise actually known to the lawyers who have provided substantive attention to the representation reflected in this opinion in any court of law or equity, or before or by any governmental instrumentality with respect to the validity or enforceability against it of such Material Documents or the transactions described therein.

5. The execution and delivery of the Material Documents do not, and the transactions described therein may be consummated and the terms and conditions thereof may be observed and performed in a manner that does not, conflict with or constitute a breach of or default under any loan agreement, Indenture, bond note, resolution, agreement or other instrument to which the Developer is a party or is otherwise subject and which have been identified in the Developer Certificate which violation, breach or default would materially adversely affect the Developer or its performance of its obligations under the transactions described in the Material Documents; nor will any such execution, delivery, adoption, fulfillment, or compliance result in the creation or imposition of any lien, charge, or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the Developer, except as expressly described in the Material Documents (a) under applicable law or (b) under any such loan agreement, indenture, bond note, resolution, agreement, or other instrument.

6. The information set forth in the Limited Offering Memorandum under the captions “*PLAN OF FINANCE — Development Plan, Status of Development and Plan of Finance*,” “*THE PHASE #1 IMPROVEMENTS*,” “*THE DEVELOPMENT*,” “*THE DEVELOPER*,” “*BONDHOLDERS’ RISKS*” (only as it pertains to the Developer, the Phase #1 Improvements, and the Development, as defined in the Limited Offering Memorandum),” and “*LEGAL MATTERS — Litigation — The Developer*,” adequately and

fairly describe the information summarized under such captions and are correct as to matters of law.

7. Subject to the below qualifications and based upon our participation in the preparation of the Limited Offering Memorandum and our participation at conferences with representatives of the Underwriter and its Counsel, of the City and its counsel, and with representatives of the Developer at which the Limited Offering Memorandum and related matters were discussed, and although we have not independently verified the information in the Limited Offering Memorandum and are not passing upon and do not assume any responsibility for the accuracy, completeness or fairness of the statements contained in the Limited Offering Memorandum and any amendment or supplement thereto, no facts have come to our attention that lead us to believe that the information set forth under the captions referenced in the preceding paragraph as of the date of the Limited Offering Memorandum and the date hereof, contained or contains any untrue statement of a material fact, or omitted or omits to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

Qualifications

In addition to any assumptions, qualifications and other matters set forth elsewhere herein, the opinions set forth above are subject to the following assumptions and qualifications:

(a) We have not examined any court dockets, agency files or other public records regarding the entry of any judgments, writs, decrees or orders or the pendency of any actions, proceedings, investigations or litigation.

(b) We have relied upon the Developer Certificates, as well as the representations of the Developer contained in the Material Documents, with respect to certain facts material to our opinion. Except as otherwise specifically indicated herein, we have made no independent investigation regarding any of the foregoing documents or the representations contained therein.

(c) Our opinion delivered pursuant to Section 3 above is subject to the effect of any applicable bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium or other laws affecting creditors' rights generally and to the effect of general principles of equity, including (without limitation) remedies of specific performance and injunctive relief and concepts of materiality, reasonableness, good faith and fair dealing (regardless of whether considered in a proceeding in equity or at law).

(d) Except for the Material Documents, we have not reviewed, and express no opinion as to, any other contracts or agreements to which the Developer is a party or by which the Developer is or may be bound.

(e) The opinions expressed herein are based upon and limited to the applicable laws of the State of Texas and the laws of the United States of America, excluding the principles of conflicts of laws thereof, as in effect as of the date hereof, and our knowledge of the facts relevant to such opinions on such date. In this regard, we note that we are members of the Bar of the State of Texas, we do not express any opinion herein as to matters governed by the laws of any other jurisdiction, except the United States of America, we do not purport to be experts in

any other laws and we can accept no responsibility for the applicability or effect of any such laws. In addition, we assume no obligation to supplement the opinions expressed herein if any applicable laws change after the date hereof, or if we become aware of any facts or circumstances that affect the opinions expressed herein.

(f) This letter is strictly limited to the matters expressly set forth herein and no statements or opinions should be inferred beyond such matters.

(g) Notwithstanding anything contained herein to the contrary, we express no opinion whatsoever concerning the status of title to any real or personal property.

(h) The opinions expressed herein regarding the enforceability of the Material Documents are subject to the qualification that certain of the remedial, waiver or other provisions thereof may not be enforceable; but such unenforceability will not, in our judgment, render the Material Documents invalid as a whole or substantially interfere with the practical realization of the principal legal benefits provided in the Material Documents, except to the extent of any economic consequences of any procedural delays which may result therefrom.

(i) The opinion expressed herein as to the enforceability of the Material Documents is specifically subject to the qualification that enforceability of the Material Documents is limited by the following: (i) the rights of the United States under the Federal Tax Lien Act of 1966, as amended; (ii) principles of equity, public policy and unconscionability which may limit the availability of certain remedies; (iii) bankruptcy, insolvency, reorganization, fraudulent conveyance, liquidation, probate, conservatorship and other laws applicable to creditors' rights or the collection of debtors' obligations generally; and (iv) requirements of due process under the United States Constitution, the Constitution of the State of Texas and other laws or court decisions limiting the rights of creditors to repossess, foreclose or otherwise realize upon the property of a debtor without appropriate notice or hearing or both.

(j) We express no opinion as to whether a court would grant specific performance or any other equitable remedy with respect to the enforcement of the Material Documents.

(k) We express no opinion as to the validity, binding effect, or enforceability of: (i) provisions which purport to waive rights or notices, including rights to trial by jury, counterclaims or defenses, jurisdiction or venue; (ii) provisions relating to consent judgments, waivers of defenses or the benefits of statutes of limitations, marshaling of assets, the transferability of any assets which by their nature are nontransferable, sales in inverse order of alienation, or severance; (iii) provisions purporting to waive the benefits of present or of future laws relating to exemptions, appraisal, valuation, stay of execution, redemption, extension of time for payment, setoff and similar debtor protection laws; or (iv) provisions requiring a party to pay fees and expenses regardless of the circumstances giving rise to such fees or expenses or the reasonableness thereof.

(l) The opinions expressed herein are subject to the effect of generally applicable rules of law that provide that forum selection clauses in contracts are not necessarily binding on the court(s) in the forum selected.

(m) We express no opinion as to the enforceability of any provisions in the Material Documents purporting to entitle a party to indemnification in respect of any matters arising in whole or in part by reason of any negligent, illegal or wrongful act or omission of such party.

This opinion is furnished to those parties addressed in this letter solely in connection with the transactions, for the purposes and on the terms described above and may not be relied upon for any other purpose or by any other person in any manner or for any purpose.

Very truly yours,

6. The Developer has complied in all material respects with all of the Developer’s agreements and covenants and satisfied all conditions required to be complied with or satisfied by the Developer under the Developer Documents on or prior to the date hereof.

7. The execution and delivery of the Developer Documents by Developer does not violate any judgment, order, writ, injunction or decree binding on Developer or any indenture, agreement, or other instrument to which Developer is a party. To the Developer's knowledge, after due inquiry, there are no proceedings pending or threatened in writing before any court or administrative agency against Developer that is either not covered by insurance or which singularly or collectively would have a material, adverse effect on the ability of Developer to perform its obligations under the Developer Documents in all material respects or that would reasonably be expected to prevent or prohibit the development of the Development in accordance with the description thereof in the Limited Offering Memorandum.

8. Developer has reviewed and approved the information contained in the Limited Offering Memorandum under the captions "PLAN OF FINANCE – Development Plan, Status of Development and Plan of Finance," "THE PHASE #1 IMPROVEMENTS," "THE DEVELOPMENT," "THE DEVELOPER," "BONDHOLDERS' RISKS" (only as it pertains to the Developer, the Phase #1 Improvements, and the Development), and "LEGAL MATTERS — Litigation — The Developer," and certifies that the same does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they are made, not misleading respecting such Developer and the portion of the Development owned by such Developer, provided, however, that the foregoing certification is not a certification as to the accuracy, completeness or fairness of any of the other statements contained in the Limited Offering Memorandum.

9. Developer is in compliance in all material respects with all provisions of applicable law in all material respects relating to Developer in connection with the Development. Except as otherwise described in the Limited Offering Memorandum: (a) there is no default of any zoning condition, land use permit or development agreement binding upon Developer or any portion of the Development that would materially and adversely affect Developer's ability to complete or cause to be completed the development of such portion of the Development as described in the Limited Offering Memorandum; and (b) we have no reason to believe that any additional permits, consents and licenses required to complete the Development as and in the manner described in the Limited Offering Memorandum will not be reasonably obtainable in due course.

10. Developer is not insolvent and has not made an assignment for the benefit of creditors, filed or consented to a petition in bankruptcy, petitioned or applied (or consented to any third party petition or application) to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction.

11. The levy of the Assessments (as defined in the Limited Offering Memorandum) on property in Phase #1 of the District owned by Developer will not conflict with or constitute a breach of or default under any agreement, indenture or other instrument to which Developer is a party or to which Developer or any of its property or assets is subject.

12. Developer is not in default under any mortgage, trust indenture, lease or other instrument to which it or any of its assets is subject, which default would have a material and adverse effect on the Bonds or the development of the Development.

13. (b) The Dissemination Agent shall, within three (3) Business Days of obtaining actual knowledge of the occurrence of any Listed Event with respect to the Bonds, notify the Disclosure Representative of such Listed Event. The Dissemination Agent shall not be required to file a notice of

As used above, “actual knowledge” means the actual fact or statement of knowing, without a duty to make any investigation with respect thereto. In no event shall the Dissemination Agent be liable in damages or in tort to the Participating Underwriter, the Issuer or any Owner or beneficial owner of any interests in the Bonds as a result of its failure to give the foregoing notice or to give such notice in a timely fashion.

(d) If the Dissemination Agent has been instructed by the Issuer to report the occurrence of a Listed Event, the Dissemination Agent shall immediately file a notice of such occurrence with the MSRB.

SECTION 6. Termination of Reporting Obligations. The obligations of the Issuer and the Dissemination Agent under this Disclosure Agreement shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds, when the Issuer is no longer an obligated person with respect to the Bonds, or upon delivery by the Disclosure Representative to the Dissemination Agent of an opinion of nationally recognized bond counsel to the effect that continuing disclosure is no longer required. So long as any of the Bonds remain Outstanding, the Dissemination Agent may assume that the Issuer is an obligated person with respect to the Bonds until it receives written notice from the Disclosure Representative stating that the Issuer is no longer an obligated person with respect to the Bonds, and the Dissemination Agent may conclusively rely upon such written notice with no duty to make investigation or inquiry into any statements contained or matters referred to in such written notice. If such termination occurs prior to the final maturity of the Bonds, the Issuer shall give notice of such termination in the same manner as for a Listed Event with respect to such series of Bonds under Section 5(d).

The Issuer may, from time to time, appoint or engage a Dissemination Agent or successor Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement, and may discharge such Dissemination Agent, with or without appointing a successor Dissemination Agent. (b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the delivery of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Owners of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Owners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Owners or beneficial owners of the Bonds.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Issuer shall describe such amendment in the next related Annual Issuer Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Issuer. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 5(d), and (ii) the Annual Issuer Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. No amendment which adversely affects the Dissemination Agent may be made without its prior written consent (which consent will not be unreasonably withheld or delayed).

SECTION 9. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Issuer Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Issuer chooses to include any information in any Annual Issuer Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the Issuer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Issuer Report or notice of occurrence of a Listed Event.

SECTION 10. Default. In the event of a failure of the Issuer to comply with any provision of this Disclosure Agreement, the Dissemination Agent may (and, at the request of any Participating Underwriter or the Owners of at least 25% aggregate principal amount of Outstanding Bonds, shall, upon being indemnified to its satisfaction as provided in the Indenture), or any Owner or beneficial owner of the Bonds may, take such actions as may be necessary and appropriate to cause the Issuer, as the case may be, to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Indenture with respect to the Bonds, and the sole remedy under this Disclosure Agreement in the event of any failure of the Issuer to comply with this Disclosure Agreement shall be an action to mandamus or specific performance. A

default under this Disclosure Agreement by the Issuer shall not be deemed a default under the Disclosure Agreement of Developer by the Developer, and a default under the Disclosure Agreement of the Developer by the Developer shall not be deemed a default under this Disclosure Agreement by the Issuer.

SECTION 11. Duties, Immunities and Liabilities of Dissemination Agent. The Dissemination Agent shall not have any duty with respect to the content of any disclosures made pursuant to the terms hereof. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement, and no implied covenants shall be read into this Disclosure Agreement with respect to the Dissemination Agent. To the extent permitted by law, the Issuer agrees to hold harmless the Dissemination Agent, its officers, directors, employees and agents, but only with funds to be provided by the Developer or from Assessments collected from the property owners in Phase #1 of the District, against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct; provided, however, that nothing herein shall be construed to require the Issuer to indemnify the Dissemination Agent for losses, expenses or liabilities arising from information provided to the Dissemination Agent by the Developer or the failure of the Developer to provide information to the Dissemination Agent as and when required under the Disclosure Agreement of Developer. The obligations of the Issuer under this Section shall survive resignation or removal of the Dissemination Agent and payment in full of the Bonds. Nothing in this Disclosure Agreement shall be construed to mean or to imply that the Dissemination Agent is an "obligated person" under the Rule. The Dissemination Agent is not acting in a fiduciary capacity in connection with the performance of its respective obligations hereunder. The fact that the Dissemination Agent may have a banking relationship with the Issuer or any person with whom the Issuer contracts in connection with the transaction described in the Indenture, apart from the relationship created by the Indenture or this Disclosure Agreement, shall not be construed to mean that the Dissemination Agent has actual knowledge of any event described in Section 5 above, except as may be provided by written notice to the Dissemination Agent pursuant to this Disclosure Agreement.

The Dissemination Agent may, from time to time, consult with legal counsel of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or their respective duties hereunder, and the Dissemination Agent shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel. UNDER NO CIRCUMSTANCES SHALL THE DISSEMINATION AGENT OR THE ISSUER BE LIABLE TO THE OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE ISSUER OR THE DISSEMINATION AGENT, RESPECTIVELY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS DISCLOSURE AGREEMENT, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE. THE DISSEMINATION AGENT IS UNDER NO OBLIGATION NOR IS IT REQUIRED TO BRING SUCH AN ACTION.

SECTION 12. Assessment Timeline. The basic expected timeline for the collection of Assessments and the anticipated procedures for pursuing the collection of delinquent Assessments is

SECTION 13. No Personal Liability. No covenant, stipulation, obligation or agreement of the Issuer or Dissemination Agent contained in this Disclosure Agreement shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future council members, officer, agent or employee of the Issuer or Dissemination Agent in other than that person's official capacity.

SECTION 14. Severability. In case any section or provision of this Disclosure Agreement, or any covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder or any application thereof, is for any reasons held to be illegal or invalid, such illegality or invalidity shall not affect the remainder thereof or any other section or provision thereof or any other covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder (except to the extent that such remainder or section or provision or other covenant, stipulation, obligation, agreement, act or action, or part thereof is wholly dependent for its operation on the provision determined to be invalid), which shall be construed and enforced as if such illegal or invalid portion were not contained therein, nor shall such illegality or invalidity of any application thereof affect any legal and valid application thereof, and each such section, provision, covenant, stipulation, obligation, agreement, act or action, or part thereof shall be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent permitted by law.

SECTION 15. Sovereign Immunity. The Dissemination Agent agree that nothing in this Disclosure Agreement shall constitute or be construed as a waiver of the Issuer's sovereign or governmental immunities regarding liability or suit.

SECTION 17. Dissemination Agent Compensation. The Issuer shall pay or reimburse the Dissemination Agent, but only with funds to be provided by the Developer or from Assessments collected from the property owners in Phase #1 of the District, for its fees and expenses for the Dissemination Agent's services rendered in accordance with this Disclosure Agreement.

SECTION 18. Governing Law. This Disclosure Agreement shall be governed by the laws of the State of Texas.

SECTION 19. Counterparts. This Disclosure Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section I PLAN DESCRIPTION AND DEFINED TERMS

A. Introduction

On April 29, 2014 (the "Creation Date") the City Council of the City of Celina, Texas (the "City") passed and approved Resolution No. 2014-17R approving and authorizing the creation of the Creeks of Legacy Improvement District (the "PID") to finance the costs of certain public improvements for the benefit of property in the PID (the "Authorized Improvements"), all of which is located within the City of Celina.

The property in the PID is proposed to be developed in approximately three phases, and the PID will finance public improvements for each phase as each phase is developed. Assessments will be imposed on the all property in the PID for the public improvements that benefit the entire PID and on the property in each phase for the public improvements to be provided for that phase.

Chapter 372 of the Texas Local Government Code, the "Public Improvement District Assessment Act" (as amended, the "PID Act"), governs the creation and operation of public improvement districts within the State of Texas. The Creeks of Legacy Public Improvement District Service and Assessment Plan (the "Service and Assessment Plan") has been prepared in accordance with the PID Act and specifically Sections 372.013, 372.014, 372.015 and 372.016, which address the requirements of a service and assessment plan and the assessment roll. According to Section 372.013 of the PID Act, a service plan "must cover a period of at least five years and must also define the annual indebtedness and the projected costs for improvements. The plan shall be reviewed and updated annually for the purpose of determining the annual budget for improvements." The service plan is described in Section IV of this Service and Assessment Plan.

Section 372.014 of the PID Act requires that "an assessment plan must be included in the annual service plan." The assessment plan is described in Section V of this Service and Assessment Plan.

Section 372.015 of the PID Act requires that "the governing body of the municipality or county shall apportion the cost of an improvement to be assessed against property in an improvement district." The method of assessing the Authorized Improvement Costs and apportionment of such costs to the property in the PID is included in Section V of this Service and Assessment Plan.

Section 372.016 of the PID Act requires that "after the total cost of an improvement is determined, the governing body of the municipality or county shall prepare a proposed assessment roll. The roll must state the assessment against each parcel of land in the district, as determined by the method of assessment chosen by the municipality or county under this subchapter." The Assessment Rolls for the PID are included as Appendix F, G and H of this Service and Assessment Plan. The Assessments as shown on the Assessment Roll are based on the method of assessment and apportionment of costs described in Section V of this Service and Assessment Plan.

At completion, the PID is expected to consist of approximately 1,021 single family residential units, landscaping, and infrastructure necessary to provide roadways, drainage, and utilities to the PID. Table II-A
Proposed Development

Proposed Development Type	Quantity	Measurement
Single Family Residential – 70 Feet	183	units
Single Family Residential – 60 Feet	495	units
Single Family Residential – 50 Feet	343	units
Total	1,021	units

B. Property Included in Phase #1, Phase #2 and Phases #2 – 3 Major Improvement Area

Phase #1 consists of approximately 120 acres and is projected to consist of 427 single family residential units, to be developed as Phase #1, as further described in Section III. An additional 12 inch water line extension extends along Frontier Parkway to the west side of the Creeks of Legacy boundary and along Legacy Dr for approximately 16,594 linear feet.

Sanitary Sewer Improvements:

An existing thirty six (36") inch Doe Branch sanitary sewer line is located north of the development. An eighteen (18") inch gravity sanitary sewer line connects into Doe Branch and then reduces to a fifteen (15") inch gravity flow sewer line that runs along Frontier Parkway until it reaches the DNT. The line is designed to carry the flow of the development along with the future commercial tracts that will be located between the development and the DNT. The sanitary sewer line has also factored approximately 500 acres of commercial tracts located east of the DNT. This line benefits the entire development along with the surrounding future areas.

Storm Drainage Improvements

The site drains in two directions. Approximately half of the property drains north towards the Doe Branch Creek, while the remaining half drains to the existing creek located on the south side

of the development. Enclosed storm drainage in the northern portion (East of Legacy Drive) drains into Doe Branch Creek, while the southern portion drains into the stream south of the property. The west portion of the PID (Stonegate/Wu) drains into the Doe Branch Creek using enclosed storm drains and open channels. Drainage improvements of each builder shall consist of underground reinforced concrete storm sewer pipes, inlets, and rock riprap protection at outfalls.

Original Estimated Major Improvement Costs

Authorized Improvements	Total Estimated Major Improvement Costs
Road improvements including right-of-way	\$6,665,000
Water distribution system improvements	\$1,305,000
Sanitary sewer collection system improvements	\$1,415,000
Storm sewer collection system improvements	\$2,665,000
Soft costs including PID creation, City, professional and miscellaneous soft costs	\$1,250,000
Total – Estimated Major Improvement Costs	\$13,300,000

The costs shown in Table III-A-1 are current estimates and may be revised in Annual Service Plan Updates.

According to the Developer, additional Major Improvements (the “Additional Major Improvements”) are being constructed within the PID. The Additional Major Improvements descriptions are presented below as provided by the project engineer. The costs of the Additional Major Improvements are shown in Table III-A-2. The costs shown in Table III-A-2 are estimates and may be revised in Annual Service Plan Updates, including such other improvements as deemed necessary to further improve the properties within the PID.

Road Improvements:

The northern two lanes of Frontier Parkway (25’ wide paving section) will be extended from Doe Creek Branch (Collector Road) to Legacy Drive, a distance of approximately 2,200 linear feet. This section will include a bridge over a drainage area. The Creeks of Legacy development will extend the eastern two lanes of Legacy Drive (25’ wide paving section) from Frontier Parkway north to Clear Creek Parkway (Collector Road), with a full intersection at Clear Creek Parkway. Legacy Drive’s western two lanes will be constructed from the intersection with Clear Creek Parkway north for approximately 700 linear feet. Clear Creek Parkway (45’ wide paving section) will be extended from its intersection with Legacy Drive eastward approximately 700 linear feet, connecting with the existing roadway.

Water Distribution System Improvements:

Approximately 5,500 linear feet of twelve inch water line will be constructed adjacent to Frontier Parkway from Doe Creek Branch to Legacy Drive, and then north along Legacy Drive to a point north of Clear Creek Parkway.

Sanitary Sewer Improvements:

An eight inch sanitary sewer line will be extended from the intersection of Legacy Drive and Clear Creek Parkway west for approximately 160’.

Storm Drainage Improvements

Drainage improvements along the right-of-ways and paving sections shall consist of underground reinforced concrete storm sewer pipes, storm inlets, storm outlets, gabion structures, deepening of an existing detention pond, and rock riprap protection at outfalls.

C. Description of Estimated Costs of Phase #1 Improvements

The Phase #1 Improvements descriptions are presented below as provided by the project engineer. The costs of the Phase #1 Improvements are shown in Table III-B. The costs shown in Table III-B are estimates and may be revised in Annual Service Plan Updates, including such other improvements as deemed necessary to further improve the properties within the PID.

Road Improvements:

All on-site areas will be served by 31-foot wide, concrete streets within 50’ right-of-ways. On-site roads will include 4’ sidewalks within 9.5’ parkways.

Water Distribution System Improvements:

A network of eight inch water lines will be installed within the road right-of-way to serve the development. The on-site water lines will be connected to water mains along Collector A and Collector B.

Sanitary Sewer Improvements:

A network of eight (8) inch sanitary sewer line will be installed within the road right-of-way to serve the development. The on-site sanitary lines will connect to sanitary sewer main lines along Collector A, Collector B, Frontier Parkway and Legacy Drive. The sanitary sewer main lines connect to an existing regional sewer line along Doe Branch located northwest of the Phase #1

The costs shown in Tables III-A-1, III-A-2, III-B and III-C are estimates and may be revised in Annual Service Plan Updates. The detailed costs of the Authorized Improvements are shown in Appendix B to this Service and Assessment Plan. Savings from one line item may be applied to a cost increase in another line item. These savings may be applied only to increases in costs of the Authorized Improvements (i.e., the improvements for the benefit of property within the PID).

E. Future Phase Authorized Improvements

As Phases are developed, it is anticipated that additional Phased PID Bonds will be issued to finance Authorized Improvements for each Future Phase. As Phased PID Bonds are issued for each Future Phase, this Service and Assessment Plan will be updated to identify the specific Authorized Improvements financed by such Phased PID Bonds that benefit each Phase (e.g., a Table III-D will be added to show the estimated costs Authorized Improvements for Phase #3, etc.).

Section IV SERVICE PLAN

A. Sources and Uses of Funds

The PID Act requires the service plan to cover a period of at least five years. The service plan is required to define the annual projected costs and indebtedness for the Authorized Improvements undertaken within the PID during the five year period. It is anticipated that it will take approximately 12 months to construct the Major Improvements to be financed with the Phases #2 - 3 Major Improvement Bonds and approximately 12 months for the Phase #1 Improvements to be constructed. At some point after all or a portion of the Major Improvements and Phase #1 Improvements are constructed, Phase #2 will begin development. After Phase #2 is developed, it is anticipated that phase #3 will begin development, and so on, with each Future Phase to be subsequently developed corresponding to the Service and Assessment Plan to be updated with that development.

The estimated Actual Costs for Major Improvements and Phase #1 Improvements plus costs related to the issuance of the Bonds, in one or more series, for the Major Improvements and Phase #1 Improvements and payment of expenses incurred in the establishment, administration and operation of the PID is \$24,413,055 as shown in Table IV-A. The service plan shall be reviewed and updated at least annually for the purpose of determining the annual budget for Administrative Expenses, updating the estimated Authorized Improvement costs, and updating the Assessment Roll(s). Any update to this Service and Assessment Plan is herein referred to as an “Annual Service Plan Update.”

Table IV-A-1 summarizes the original sources and uses of funds required to construct the Major Improvements to be financed with the Phases #2 - 3 Major Improvement Bonds and Phase #1 Improvements, establish the PID, and issue the Phase #1 PID Bonds and Phases #2 – 3 Major Improvement Bonds. The sources and uses of funds shown in Table IV-A shall be updated each year in the Annual Service Plan Update to reflect any budget revisions and Actual Costs.

Table IV-B summarizes the sources and uses of funds required to construct the Phase #2 Improvements to be financed with the Phase #2 Bonds. The sources and uses of funds shown in Table IV-B shall be updated each year in the Annual Service Plan Update to reflect any budget revisions and Actual Costs.

As Future Phases are developed in connection with the issuance of Phased PID Bonds, this Service and Assessment Plan will be amended (e.g. Table IV-B-2 will be amended to add phase #3, etc.).

Bonds to finance the Major Improvements and Phase #1 Improvements were issued starting in 2014. Table IV-A-1 and Table IV-A-2 show the original and updates sources and uses of the Bonds, respectively.

Notes: The information provided is based on the final bond cash flows. Phase #1 Improvements include the Authorized Improvements listed under this heading plus the estimated \$5.736 million pro rata share of the Major Improvements allocated to Phase #1. The Phase #1 Reimbursement Agreement will finance the remaining Phase #1 Improvements after a portion of such improvements are financed through the Bonds issued in 2014.

The Phase #1 Bonds shown in Table IV-A were anticipated to be issued in two series. The first series of Phase #1 Bonds ("Phase #1A Bonds") were issued in 2014 and to pay and/or reimburse the Developer for a portion of the costs of Phase #1 Improvements. The remaining costs of Phase #1 Improvements were initially financed through a Reimbursement Agreement dated as of June 18, 2014 (the "Phase #1 Reimbursement Agreement"), which is being replaced by the second Phase #1B Bonds. The Phase #1B Bonds are being issued after some or all of the Phase #1 Improvements are constructed and will be used to replace the Phase #1 Reimbursement Agreement and/or reimburse the Developer for the remaining portion of the costs of Phase #1 Improvements.

Table IV-A-2 summarizes the updated sources and uses of funds required to construct the Major

Improvements to be financed with the Phases #2 - 3 Major Improvement Bonds and Phase #1 Improvements, establish the PID, issue the Phase #1 PID Bonds and Phases #2 – 3 Major Improvement Bonds and construct the Additional Major Improvements. The updated sources and uses of funds shown in Table IV-A-2 shall be updated each year in the Annual Service Plan Update to reflect any budget revisions and Actual Costs.

Notes: The information provided is based on the final bond cash flows. Phase #1 Improvements include the Authorized Improvements listed under this heading plus the estimated \$5.736 million pro rata share of the Major Improvements allocated to Phase #1. The Phase 1B Bonds will replace the Phase #1 Reimbursement Agreement and/or reimburse the Developer for the remaining portion of the costs of Phase #1 Improvements after a portion of such improvements are financed through the Bonds issued in 2014. The Additional Major Improvements shown herein represent the amounts allocated to Phase #1 and Phases #2 – 3. The portion of the Additional Major Improvements allocable to Phase #2 is shown separately in Table IV-B below.

The costs of Phases #2 Improvements were initially financed through a Reimbursement Agreement (the “Phase #2 Reimbursement Agreement”) dated as of March 13, 2018. The Phase #2 Bonds are being issued after some or all of the Phase #2 Improvements and the proportional allocable Additional Major Improvements are constructed and will be used to replace the Phase #2 Reimbursement Agreement and/or reimburse the Developer for the remaining portion of the costs of Phase #2 Improvements.

Notes: The information provided is based on the preliminary bond cash flows. Phase #2 Improvements include the Authorized Improvements listed under this heading plus the estimated \$1,676,343 million pro rata share of the Additional Major Improvements allocated to Phase #2. The Phase #2 Bonds will replace the Phase #2 Reimbursement Agreement and/or reimburse the Developer for the remaining portion of the costs of Phase #2 Improvements.

The Phases #2 - 3 Major Improvement Bonds shown in Table IV-A-2 were issued in 2014. The Phases #2 - 3 Major Improvement Bonds issued in 2014 were used to pay and/or reimburse the Developer for a portion of the costs of Phases #2 - 3 Major Improvements. The remaining costs of Phases #2 - 3 Major Improvements will be financed through future Bonds, which may be issued separately or combined with improvement costs for Future Phases.

As Future Phases are developed, it is anticipated that additional Phased PID Bonds will be issued

for each new future phase improvements. Phase #2 Bonds will be issued to finance the Authorized Improvements required for Phase #2 (and/or to replace any Reimbursement Agreement for Phase #2) and phase #3 bonds will be issued to finance the Authorized Improvements required for phase #3 (and/or to replace any Reimbursement Agreement for phase #3) as each future phase is developed. Each Future Phased PID Bond may also be issued in one or more series of Bonds. The projected chronology of the Bonds is presented below.

Series 2014 - Phase #1A Bonds to finance (i) the pro-rata costs of the Major Improvements allocable to Phase #1 and, (ii) a portion of the Authorized Improvements that benefit only Phase #1. It is likely that this and the subsequent 'A' financings for each phase will only be able to fund a part of the internal public infrastructure (to maintain a prudent VtL) and the balance will be funded by a subsequent 'B' financing for each phase once the development within each phase is substantially complete as is contemplated with the issuance of the Phase #1B Bonds.

Phases #2-3 Major Improvement Bonds to finance the pro-rata costs of the Major Improvements allocable to Phases #2-3 Major Improvement Area that benefit only Phases #2-3 Major Improvement Area. It is possible the balance will be funded by a subsequent 'B' financing for the Phases #2-3 Major Improvements once the development within Phases #2-3 Major Improvement Area is commenced.

Series 2018 Phase #1B Bonds to refinance the Phase #1 Reimbursement Agreement and/or to reimburse the Developer for the remaining costs of the Phase #1 Improvements, if any.

Series 2018 Phase #2 Bonds to finance a part of the internal subdivision Authorized Improvements within Phase #2.

Series 2021-22 Phase #3 Bonds to finance a part of the internal subdivision Authorized Improvements within phase #3. It is possible that this financings for each phase will only be able to fund a part of the internal public infrastructure (to maintain a prudent VtL) and the balance of the applicable Authorized Improvements for the Phase may be funded by a subsequent 'B' financing once the development within Phase #3 is commenced.

The annual projected costs and annual projected indebtedness is shown by Table IV-C. The annual projected costs and indebtedness is subject to revision and each shall be updated in the Annual Service Plan Update to reflect any changes in the costs or indebtedness expected for each year.

Table IV-C
Annual Projected Costs and Annual Projected Indebtedness

Year	Annual Projected Cost	Annual Projected Indebtedness	Sources other than PID Bonds
2014	\$16,383,055	\$15,325,000	\$1,058,055
2015	\$0	\$0	\$0

2019	\$0	\$0	\$0
Total	\$37,479,961	\$25,950,000	\$11,529,961

1 – The total costs shown include the estimated costs of the Additional Major Improvements and Phase #2 Improvements. 2 – The amount represents the total cost of \$13,066,906 less the amount financed through the Phase #2 Bonds.

The annual projected costs shown in Table IV-C are the annual expenditures relating to the Major Improvements shown in Table III-A, the Phase #1 Improvements shown in Table III-B, the Phase #2 Improvements shown in Table III-C and the costs associated with setting up the PID and costs of issuance including reserves shown in Table IV-A-2 and Table IV-B. The difference between the total projected cost and the total projected indebtedness, if any, is the amount contributed by the Developer. As Future Phases are developed, in association with issuing Phased PID Bonds, this Table IV-C will be updated to identify the Authorized Improvements to be financed by each new series of the Phased PID Bonds and the projected indebtedness resulting from each additional series of the Phased PID Bonds.

Section V ASSESSMENT PLAN

A. Introduction

The PID Act requires the City Council to apportion the costs of the Authorized Improvements on the basis of special benefits conferred upon the property because of the Authorized Improvements. The PID Act provides that the costs of the Authorized Improvements may be assessed: (i) equally per front foot or square foot; (ii) according to the value of the property as determined by the governing body, with or without regard to improvements on the property; or (iii) in any other manner that results in imposing equal shares of the cost on property similarly benefited. The PID Act further provides that the governing body may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the municipality and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

The proposed bond issuance program entails a series of bond financings that are intended to finance the public infrastructure required for the development. This financing will necessarily be undertaken in phases to coincide with the private investment and development of the Authorized Improvements. Following the initial Phase #1A Bonds and the Phases #2 – 3 Major Improvement Bonds issued in 2014 and the Phase #1B Bonds to be issued, subsequent financings are to be issued over the upcoming decade as the two subsequent phases (Phases #2 and #3) of the development are gradually constructed.

The purpose of this gradual issuance of bonds in phases is to mirror the actual private development of the Authorized Improvements. The Bonds to be issued are most prudently and efficiently utilized when directly coinciding with construction of public infrastructure needed for private development that is to occur once the infrastructure is completed; it is most effective to issue the Bonds when the infrastructure is needed, not before. Furthermore, there is no economic advantage, and several disadvantages, to issuing debt and encumbering property within the PID prior to the need for the Authorized Improvements.

Additionally, phased issuance of debt will maintain a prudent value to lien ("VtL") ratio within the financing program. In order to maintain a prudent VtL, the initial issuance of bonds for a specific set of Authorized Improvements may not fund the entire desired level of public infrastructure because the property value is not high enough to support the entire debt load at the VtL chosen for the development. In that case, the Developer will need to fund the additional infrastructure costs with cash at closing. This cash investment by the Developer for certain Authorized Improvements can be reimbursed by a subsequent parity lien bond financing, secured by the same special assessments, once the assessed property is partially or fully developed and the value has increased sufficiently to permit the issuance of the additional bonds in a prudent fashion. For example, the Phase #1A Bonds to be issued to finance a portion of the Phase #1 Improvements, including the pro-rata costs of the Major Improvements allocable to Phase #1 Assessed Property, followed by a second parity lien issuance of bonds (the Phase #1B Bonds) demonstrates this analysis.

For purposes of this Service and Assessment Plan, the City Council has determined that the costs of the Major Improvements and Phase #1 Improvements shall be allocated as described below:

1. The Major Improvement and Phase #1 Improvement costs shall be allocated on the basis of the relative value of Parcels once such property is developed, and that such

- method of allocation will result in the imposition of equal shares of the costs of the Authorized Improvements to Parcels similarly benefited.
2. The City Council has concluded that larger more expensive homes are likely to be built on the larger lots, and that larger more expensive homes are likely to make greater use of and receive greater benefit from the Authorized Improvements. In determining the relative values of Parcels, the City Council has taken in to consideration (i) the type of development (i.e., residential, commercial, etc.), (ii) single-family lot sizes and the size of homes likely to be built on lots of different sizes, (iii) current and projected home process provided by the Developer, (iv) the Authorized Improvements to be provided and the estimated costs, and (v) the ability of different property types to utilize and benefit from the improvements.
 3. The Assessed Property is classified into different Lot Types as described in Appendix D based on the type and size of proposed development on each Parcel.
 4. Equivalent Units are calculated for each Lot Type based on the relative value of each Lot Type.
 5. The Major Improvement costs are proportionally allocated to the Phases #2 – 3 Major Improvement Assessed Property and the Phase #1 Assessed Property based on the ratio of total Equivalent Units estimated for the Phases #2 - 3 Major Improvement Assessed Property and the Phase #1 Assessed Property.
 6. The Phases #2 - 3 Major Improvement Assessed Property's proportional share of the costs for the Major Improvements is allocated to each Parcel within the Phases #2 – 3 Major Improvement Assessed Property based on the total Equivalent Units estimated for each Parcel.
 7. The Phase #1 Improvement costs (including Phase #1 Assessed Property's proportional share of the costs of the Major Improvements) are allocated to each Parcel within the Phase #1 Assessed Property based on the total Equivalent Units estimated for each Parcel.
 8. The Phase #2 Improvement costs are allocated to each Parcel within the Phase #2 Assessed Property based on the total Equivalent Units estimated for each Parcel.

Table V-A provides the estimated allocation of costs of the Authorized Improvements constituting Major Improvements and Phase #1 Improvements.

At this time it is impossible to determine with absolute certainty the amount of special benefit each Parcel within Future Phases will receive from internal subdivision Authorized Improvements that will benefit each individual phase and that are to be financed with Phased PID Bonds. Therefore, at this time Parcels will only be assessed for the special benefits conferred upon the Parcel because of the Major Improvements and Phase #1 Improvements.

In connection with the issuance of Phased PID Bonds and/or execution of related reimbursement agreements, this Service and Assessment Plan will be updated to reflect the special benefit each Parcel of Assessed Property within a Future Phase receives from the specific Authorized Improvements funded with those Phased PID Bonds issued with respect to that Future Phase. Prior to assessing Parcels located within Future Phases in connection with issuance of Phased PID Bonds, each owner of the Parcels to be assessed must acknowledge that the Authorized Improvements to be financed confer a special benefit on their Parcel and must consent to the imposition of the Assessments to pay for the Actual Costs of such Authorized Improvements.

This section of this Service and Assessment Plan currently (i) describes the special benefit received by each Parcel within the PID as a result of the Major Improvements, Phase #1 Improvements and Phase #2 Improvements, (ii) provides the basis and justification for the determination that this special benefit exceeds the amount of the Assessments to be levied on the

Phase #1 Assessed Property, the Phase #2 Assessed Property and Phases #2 – 3 Major Improvement Assessed Property for such improvements, and (iii) establishes the methodologies by which the City Council allocates and reallocates the special benefit of the Major Improvements, Phase #1 Improvements and Phase #2 Improvements to Parcels in a manner that results in equal shares of the Actual Costs of such improvements being apportioned to Parcels similarly benefited. The determination by the City Council of the assessment methodologies set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Developer and all future owners and developers of the Assessed Property.

As Future Phases are developed, in connection with the issuance of Phased PID Bonds this Service and Assessment Plan will be updated based on the City's determination of the assessment methodology for each Future Phase.

B. Special Benefit

Assessed Property must receive a direct and special benefit from the Authorized Improvements, and this benefit must be equal to or greater than the amount of the Assessments. The Authorized Improvements are provided specifically for the benefit of the Assessed Property. The Authorized Improvements (more particularly described in line-item format in Appendix B to this Service and Assessment Plan) and the costs of issuance and payment of costs incurred in the establishment of the PID shown in Table IV-A are authorized by the Act. These improvements are provided specifically for the benefit of the Assessed Property.

Each owner of the Assessed Property has acknowledged that the Authorized Improvements confer a special benefit on the Assessed Property and has consented to the imposition of the Assessments to pay for the Actual Costs associated therewith. Each of the owners is acting in its interest in consenting to this apportionment and levying of the Assessments because the special benefit conferred upon the Assessed Property by the Authorized Improvements exceeds the amount of the Assessments.

The public improvements provide a special benefit to the Assessed Property as a result of the close proximity of these improvements to the Assessed Property and the specific purpose of these improvements of providing infrastructure for the Assessed Property. In other words, the Assessed Property could not be used in the manner proposed without the construction of the Authorized Improvements. The Authorized Improvements are being provided specifically to meet the needs of the Assessed Property as required for the proposed use of the property.

The Assessments are being levied to provide the Authorized Improvements that are required for the highest and best use of the Assessed Property (i.e., the use of the property that is most valuable, including any costs associated with that use). Highest and best use can be defined as “the reasonably probable and legal use of property, which is physically possible, appropriately supported, financially feasible, and that results in the highest value.” (*Dictionary of Real Estate Appraisal, Third Edition.*) The Authorized Improvements are expected to be required for the proposed use of the Assessed Property to be physically possible, appropriately supported, financially feasible, and maximally productive.

The Developer has evaluated the potential use of the property and has determined that the highest and best use of the property is the use intended and the legal use for the property as described in Section II of this Service and Assessment Plan. The use of the Assessed Property as described herein will require the construction of the Authorized Improvements.

The special assessments will repay financing that is on advantageous terms, as the Bonds issued to finance the public improvements will pay interest that is exempt from federal income tax. As a result, all other terms being equal (e.g., maturity, fixed vs. variable rate, credit quality), the tax-exempt bonds will have a lower interest rate than debt that is not tax-exempt. The Bonds also have a longer term than other available financings and may either be repaid or assumed by a buyer at the buyer's option. As a result of these advantageous terms, the financing provided by the PID is the most beneficial means of financing the Authorized Improvements.

Each owner of the Assessed Property will ratify, confirm, accept, agree to and approve; (i) the determinations and finding by the City Council as to the special benefits described in this Service and Assessment Plan and the Assessment Ordinance; (ii) the Service and Assessment Plan and the Assessment Ordinance, and (iii) the levying of Assessments on the Assessed Property. Use of the Assessed Property as described in this Service and Assessment Plan and as authorized by the PID Act requires that Authorized Improvements be acquired, constructed, installed, and/or improved. Funding the Actual Costs of the Authorized Improvements through the PID has been determined by the City Council to be the most beneficial means of doing so. As a result, the Assessments result in a special benefit to the Assessed Property, and this special benefit exceeds the amount of the Assessment. This conclusion is based on and supported by the evidence, information, and testimony provided to the City Council.

In summary, the Assessments result in a special benefit to the Assessed Property for the following reasons:

1. The Authorized Improvements are being provided specifically for the use of the Assessed Property, are necessary for the proposed best use of the property and provide a special benefit to the Assessed Property as a result;
2. The Developer has consented to the imposition of the Assessments for the purpose of providing the Authorized Improvements and the Developer is acting in its interest by consenting to this imposition;
3. The Authorized Improvements are required for the highest and best use of the property;
4. The highest and best use of the Assessed Property is the use of the Assessed Property that is most valuable (including any costs associated with the use of the Assessed Property);
5. Financing of the costs of the Authorized Improvement through the PID is determined to be the most beneficial means of providing for the Authorized Improvements; and,
6. As a result, the special benefits to the Assessed Property from the Authorized Improvements will be equal to or greater than the Assessments.

C. Allocation of Costs to Assessed Property

The Major Improvements will provide a special benefit to all property in the PID. Accordingly, the estimated Major Improvement costs must be allocated throughout all Assessed Property in the District. Table V-A summarizes the allocation of estimated costs for each Major Improvement. The costs shown in Table V-A are estimates and may be revised in Annual Service Plan Updates, but the related Assessment may not be increased.

Phase #1 is projected to contain 427 residential units. As shown in Appendix D, the total

Equivalent Units for Phase #1 is calculated as 374.80. The Phases #2 – 3 Major Improvement Area is projected to contain 594 residential units resulting in a total of 494.19 Equivalent Units as shown in Appendix D. The Total projected Equivalent Units in the PID is, therefore, calculated to be 868.99 (i.e., $374.80 + 494.19 = 868.99$). As a result, 43.13 percent of the estimated costs of Major Improvements (i.e. $374.80 \div 868.99 = 43.13\%$) are allocated to the Phase #1 Assessed Property and 56.87 percent of the estimated costs Major Improvements (i.e., $494.19 \div 868.99 = 56.87\%$) are allocated to the Phases #2 - 3 Major Improvement Assessed Property. The Additional Major Improvements are allocated to the Phase #1 Assessed Property using the same 43.13% calculated herein. The Phases #2 – 3 Major Improvement Bonds will fund the proportionate share of the estimated costs of the Major Improvement allocated to the Phases #2 – 3 Major Improvement Area; and, Phase #1 Bonds will fund Phase #1's proportionate share of the estimated costs of the Major Improvements.

Phase #2 is projected to contain 403 residential units. As shown in Appendix D, the total Equivalent Units for Phase #2 is calculated as 339.10. The Total projected Equivalent Units in the PID is shown above to be 868.99. As a result, 39.02 percent of Additional Major Improvements (i.e. $339.10 \div 868.99 = 39.02\%$) are allocated to the Phase #2 Assessed Property.

(2) Any Additional Major Improvements shall be allocated to Phase #1 using the same percentage calculated above (i.e.\$1,857,647 (43.13%) of the \$4,307,034 total cost of Additional Major Improvements shown in Table III-A-2 are allocable to Phase #1).	
(3) Any Additional Major Improvements shall be allocated to Phase #2 using the percentage calculated above (i.e.\$1,680,704 (39.02%) of the \$4,307,034 total cost of Additional Major Improvements shown in Table III-A-2 are allocable to Phase #2).	

D. Assessment Methodology

The Actual Costs may be assessed by the City Council against the Assessed Property so long as the special benefit conferred upon the Assessed Property by the Authorized Improvements equals or exceeds the Assessments. The Actual Costs may be assessed using any methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited.

1. Assessment Methodology for the Major Improvements for Phases #2 – 3 Major Improvement Area

For purpose of this Service and Assessment Plan, the City Council determined that the portion of Actual Costs of the Major Improvement costs to be allocated to Phases #2 - 3 Major Improvement Area shall be allocated to the Phases #2 - 3 Major Improvement Assessed Property by spreading the entire Assessment across the Parcels based on the estimated Equivalent Units as calculated and shown in Appendix D using the types, number and average home value of Lots anticipated to be developed on each Parcel. Having taken into consideration the matters described under Sections V (A) and (B) above, the City Council has determined that allocating the Assessments among Parcels based on average home value is best accomplished by creating classifications of benefited Parcels based on the Lot Types. These classifications (from Lot Type 1 (70 Ft Lots) representing the highest residential value to Lot Type 3 (50 Ft Lot) representing the lowest value. Assessments are allocated to each land use class on the basis of the average value for each Lot Type. This is accomplished by giving each Lot Type an Equivalent Unit factor. Equivalent Units are the ratio of the average value of lots within each Lot Type, setting the Equivalent Unit factor for Lot Type 1 (70 Ft Lots) to 1.0.

Upon subsequent divisions of any Parcel, the Assessment applicable to it will then be apportioned pro rata based on the Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Lot Type based on the ratio of the Equivalent Unit applicable to each Lot Type at the time residential Lots are platted to the total Equivalent Units of all Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council. As part of the determination as to the ability of different Lot Types to utilize and benefit from the Authorized Improvements, the City Council has taken into consideration that larger, more expensive homes, on average, will create more vehicle trips and greater demands for water and wastewater consumption, and larger, more expensive homes are likely to be built on larger, more valuable lots placing greater demand on the Authorized Improvements.

The Assessment and Annual Installments for each Parcel or Lot located within the Phases #2 - 3 Major Improvement Area is shown on the Phases #2 – 3 Major Improvement Assessment Roll, attached as Appendix F, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

2. Assessment Methodology for Phase #1

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phase #1 Improvements, including and the portion of the Major Improvements to be financed with the Phase #1 Bonds, shall be allocated to the Phase #1 Assessed Property by spreading the entire Assessment across the Parcels based on the estimated Equivalent Units as calculated and shown in Appendix D using the types and number of lots anticipated to be developed on each Parcel within Phase #1. As part of the determination as to the ability of

different Lot Types to utilize and benefit from the Authorized Improvements, the City Council has taken into consideration that larger, more expensive homes, on average, will create more vehicle trips and greater demands for water and wastewater consumption, and larger, more expensive homes are likely to be built on larger, more valuable lots placing greater demand on the Authorized Improvements.

Based on the estimates of the costs of the Phase #1 Improvements and the portion of the Major Improvements that benefit Phase #1 provided by Peloton Land Solutions, as set forth in Table III-B, the City Council has determined that the benefit of the Phase #1 Improvements to Phase #1 Assessed Property is at least equal to the Assessments levied on the Phase #1 Assessed Property.

Upon subsequent divisions of any Parcel, the Assessment applicable to it will then be apportioned pro rata based on the Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Lot Type based on the ratio of the Equivalent Unit applicable to each Lot Type at the time residential Lots are platted to the total Equivalent Units of all Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council. The result of this approach is that each final residential Lot within a recorded subdivision plat with similar values will have the same Assessment, with larger, more valuable Lots having a proportionately larger share of the Assessments than smaller, less valuable Lots. As part of the determination as to the ability of different Lot Types to utilize and benefit from the Authorized Improvements, the City Council has taken into consideration that larger, more expensive homes, on average, will create more vehicle trips and greater demands for water and wastewater consumption, and larger, more expensive homes are likely to be built on larger, more valuable lots placing greater demand on the Authorized Improvements.

The Assessment and Annual Installments for each Parcel or Lot located within Phase #1 is shown on the Phase #1 Assessment Roll, attached as Appendix G, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

Appendix E shows the detailed calculation of the Assessment per Equivalent Unit and the Assessment for each Lot type.

3. *Assessment Methodology for Phase #2*

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phase #2 Improvements shall be allocated to the Phase #2 Assessed Property by spreading the entire Assessment across the Parcels based on the estimated Equivalent Units as calculated and shown in Appendix D using the types and number of lots anticipated to be developed on each Parcel within Phase #2. As part of the determination as to the ability of different Lot Types to utilize and benefit from the Authorized Improvements, the City Council has taken into consideration that larger, more expensive homes, on average, will create more vehicle trips and greater demands for water and wastewater consumption, and larger, more expensive homes are likely to be built on larger, more valuable lots placing greater demand on the Authorized Improvements.

Based on the estimates of the costs of the Phase #2 Improvements and the portion of the Phase #2 Improvements that benefit Phase #2 provided by the project engineer, as set forth in Table III-C, the City Council has determined that the benefit of the Phase #2 Improvements to Phase #2 Assessed Property is at least equal to the Assessments levied on the Phase #2 Assessed Property.

Upon subsequent divisions of any Parcel, the Assessment applicable to it will then be apportioned pro rata based on the Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Lot Type based on the ratio of the Equivalent Unit applicable to each Lot Type at the time residential Lots are platted to the total Equivalent Units of all Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council. The result of this approach is that each final residential Lot within a recorded subdivision plat with similar values will have the same Assessment, with larger, more valuable Lots having a proportionately larger share of the Assessments than smaller, less valuable Lots. As part of the determination as to the ability of different Lot Types to utilize and benefit from the Authorized Improvements, the City Council has taken into consideration that larger, more expensive homes, on average, will create more vehicle trips and greater demands for water and wastewater consumption, and larger, more expensive homes are likely to be built on larger, more valuable lots placing greater demand on the Authorized Improvements.

The Assessment and Annual Installments for each Parcel or Lot located within Phase #1 is shown on the Phase #1 Assessment Roll, attached as Appendix G, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Assessment and Annual Installments for each Parcel or Lot located within Phase #2 is shown on the Phase #2 Assessment Roll, attached as Appendix H, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

Appendix E shows the detailed calculation of the Assessment per Equivalent Unit and the Assessment for each Lot type.

4. *Assessment Methodology for Future Phases*

When any given Future Phase is developed, and Phased PID Bonds for that Future Phase are to be issued, this Service and Assessment Plan will be amended to determine the assessment methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited within that Phase.

E. Assessments

The Assessments for the Phase #1 Bonds and the Phases #2 – 3 Major Improvement Bonds were levied on each Parcel according to the Phases #2 – 3 Major Improvement Assessment Roll and the Phase #1 Assessment Roll, attached hereto as Appendix F and Appendix G, respectively. The Annual Installments for the Phases #2 – 3 Major Improvement Bonds and the Phase #1 Bonds are being collected at the time and in the amounts shown on the Phases #2 – 3 Major Improvement Assessment Roll and the Phase #1 Assessment Roll, respectively, subject to any revisions made during an Annual Service Plan Update.

The Assessments for the Phase #2 Reimbursement Agreement (which is being replaced with Phase #2 Bonds) were levied on each Parcel according to the Phase #2 Assessment Roll, attached hereto as Appendix H. The Annual Installments for the Phase #2 Bonds will be collected at the time and in the amounts shown on the Phase #2 Assessment Roll, respectively, subject to any revisions made during an Annual Service Plan Update.

F. Administrative Expenses

The cost of administering the PID and collecting the Annual Installments shall be paid for on a pro rata basis by each Parcel based on the amount of Assessment levied against the Parcel. The Administrative Expenses shall be collected as part of and in the same manner as Annual Installments in the amounts shown on the Assessment Roll, which may be revised based on actual costs incurred in Annual Service Plan Updates.

G. Prepayment Reserve

Pursuant to the PID Act, the interest rate for Assessments may exceed the actual interest rate per annum paid on the related Bonds by no more than one half of one percent (0.50%). The interest rate used to determine the Assessments is one half of one percent (0.50%) per annum higher than the actual rate paid on the Bonds, with up to 0.20% allocated to fund the associated interest charged between the date of prepayment of an Assessment and the date on which Bonds are prepaid and up to 0.30% allocated to fund a delinquency reserve account as described below. The prepayment reserve shall be funded until it reaches 1.50% of the outstanding Bonds as stipulated in the Bond documents. Once the prepayment reserve is funded in full, any additional interest collected shall be allocated to fund delinquent payments as described in H below.

H. Delinquency Reserve

The City has allocated up to 0.30% of the interest rate component of the Annual Installments to offset any possible delinquent payments. The additional reserve shall be funded up to 4% of the outstanding Bonds, but in no event will the annual collection, together with the Prepayment reserve, be more than 0.50% of the outstanding Bonds. The City may allocate up to 0.50% of the interest rate component of the Annual Installments to pay for Administrative Expenses, improvement costs, any other use that benefits the Assessed Property or reduce the Assessments, as determined by the City Council.

I. TIRZ Credit

Pursuant to the TIRZ Ordinance, the City has agreed to use TIRZ Revenues (the 47.63% of the property tax increment collected and deposited into the TIRZ No. 2 tax increment fund) generated from each Parcel to offset a portion of such Parcel's PID assessments (the "TIRZ Credit"). The Annual Installment for each Parcel shall be calculated by taking into consideration any TIRZ Credit applicable to the Parcel. The TIRZ Credit applicable to each Parcel shall be calculated as described under Section VI (B) of this Service and Assessment Plan.

Section VI TERMS OF THE ASSESSMENTS

A. Amount of Assessments and Annual Installments for Parcels Located within Phases #2 – 3 Major Improvement Area

The Assessment and Annual Installments for each Assessed Property located within Phases #2 – 3 Major Improvement Area are shown on the Phases #2 – 3 Major Improvement Assessment Roll, attached as Appendix F, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phases #2 – 3 Major Improvement Bonds, to fund the prepayment reserve and delinquency reserve described in Section V, to cover Administrative Expenses of Phases #2 – 3 Major Improvement Area.

B. Amount of Assessments and Annual Installments for Parcels Located Within Phase #1

The Assessment and Annual Installments for each Assessed Property located within Phase #1 is shown on the Phase #1 Assessment Roll, attached as Appendix G, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #1 Bonds, to fund the prepayment reserve and delinquency reserve described in Section V, and to cover Administrative Expenses of Phase #1. The Annual Installment for each Parcel shall be calculated by taking into consideration any TIRZ Credit applicable to the Parcel. The TIRZ Credit for each Parcel shall be calculated using the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

- A = the TIRZ Credit amount for a Parcel
- B = the total TIRZ Revenues collected for the preceding year
- C = the total Equivalent Unit of the Parcel
- D = the total Equivalent Units of all Parcels

The TIRZ Revenues collected in any given year shall be used to calculate the TIRZ Credit in the following year (i.e., TIRZ Revenues collected in 2015 shall be used to calculate the TIRZ Credit applicable to Annual Installments to be collected in 2016). TIRZ Credits shall be calculated for those Parcels that are subject to Assessments by the PID. The total TIRZ Revenues collected from all Parcels in each Phase shall be used to calculate the TIRZ Credit applicable to each Parcel within the Phase based on the above formula. The total TIRZ increment amount generated by all Phase #1 Assessed Property will be divided by the total Equivalent Units in Phase #1 to determine the TIRZ credit applicable to each Phase #1 Assessed Property. The total TIRZ increment amount generated by all Phases #2 - 3 Major Improvement Assessed Property will be divided by the total Equivalent Units in Phases #2 - 3 Major Improvement Assessed Property to determine the TIRZ credit applicable to each Phases #2 - 3 Major Improvement Assessed

Property. The Equivalent Units to be used for the calculation of the TIRZ Credit shall be determined by the Administrator based on the information available to the Administrator at the time of such calculations.

This method of allocating the TIRZ Revenues to all Parcels in a Phase would result in equal amount of TIRZ Credits applied to similar Parcels, However, it may result in lower amounts applied as TIRZ Credit for Parcels that generate higher than average TIRZ Revenues. The TIRZ Revenues can be applied proportionally to calculate the TIRZ Credits for each Parcel generating the TIRZ Revenues if the TIRZ Credit is calculated separately for each Parcel and such TIRZ Credit is directly applied on a Parcel-by-Parcel basis.

Accordingly, the TIRZ Credit calculation methodology described in the Service and Assessment Plan has been updated herein as follows as approved by the City Council as part of the Annual Service Plan Update for 2016-17.

The TIRZ Revenues attributable to each Parcel of Assessed Property collected in any given year shall be used to calculate the Parcel's TIRZ Credit for such Parcel (and/or new Parcels subdivided from such Parcel) in the following year (i.e., TIRZ Revenues collected in 2017 shall be used to calculate the TIRZ Credit applicable to Annual Installments to be collected in 2018). The TIRZ Credit shall be calculated for those Parcels that are subject to Assessments in the PID and have generated TIRZ Revenues.

C. Amount of Assessments and Annual Installments for Parcels Located Within Phase #2

The Assessment and Annual Installments for each Assessed Property located within Phase #2 is shown on the Phase #2 Assessment Roll, attached as Appendix H, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Phase #2 Bonds and to cover Administrative Expenses of Phase #2. The Annual Installment for each Parcel shall be calculated by taking into consideration any TIRZ Credit applicable to the Parcel. The TIRZ Credit for each Parcel shall be calculated in the same manner as shown for Phase #1 above.

D. Amount of Assessments and Annual Installments for Parcels Located Within Future Phases

As Future Phases are developed, this Service and Assessment Plan will be amended to determine the Assessment and Annual Installments for each Assessed Property located within Future Phases (e.g., an Appendix will be added as the Assessment Roll for phase #3, etc.). The Assessments shall not exceed the benefit received by the Assessed Property.

E. Reallocation of Assessments

1. Subdivision

Upon the subdivision of any Parcel, the Assessment for the Parcel prior to the subdivision shall be reallocated among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

- A = the Assessment for each new subdivided Parcel
- B = the Assessment for the Parcel prior to subdivision
- C = the estimated Equivalent Units to be built on each new subdivided Parcel
- D = the sum of the estimated Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

The sum of the Assessments for all newly subdivided Parcels shall equal the Assessment for the Parcel prior to subdivision. The calculation shall be made separately for each newly subdivided Parcel. The reallocation of an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the subdivision of the Parcels. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

2. Consolidation

Upon the consolidation of two or more Parcels, the Assessment for the consolidated Parcel shall be the sum of the Assessments for the Parcels prior to consolidation. The reallocation of an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the consolidation of the Parcels. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

F. Mandatory Prepayment of Assessments

1. If a Parcel subject to Assessments is transferred to a party that is exempt from the payment of the Assessment under applicable law, or if an owner causes a Parcel subject to Assessments to become Non-Benefited Property, the owner of such Parcel shall pay to the City the full amount of the principal portion of the Assessment on such Parcel, plus all Prepayment Costs, prior to any such transfer or act.

2. The payments required above shall be treated the same as any Assessment that is due and owing under the Act, the Assessment Ordinance, and this Service and Assessment Plan, including the same lien priority, penalties, procedures, and foreclosure specified by the Act.

G. Reduction of Assessments

1. If after all Authorized Improvements to be funded with a series of Bonds have been

completed and Actual Costs for such Authorized Improvements are less than the Actual Costs used to calculate the Assessments securing such series of Bonds, resulting in excess Bond proceeds being available to redeem Bonds of such series, then the Assessment securing such series of Bonds for each Parcel of Assessed Property shall be reduced by the City Council pro rata such that the sum of the resulting reduced Assessments for all Assessed Properties equals the actual reduced Actual Costs and such excess Bond proceeds shall applied to redeem Bonds of such series. The Assessments shall not be reduced to an amount less than the related outstanding series of Bonds. If all of the Authorized Improvements are not completed, the City may reduce the Assessments in another method if it determines such method would better reflect the benefit received by the Parcels from the Authorized Improvements completed.

2. If all the Authorized Improvements are not undertaken, resulting in excess Bond proceeds being available to redeem Bonds, then the Assessments and Annual Installments for each Parcel shall be appropriately reduced by the City Council to reflect only the amounts required to repay the Bonds, including interest on the Bonds and Collection Costs, and such excess Bond proceeds shall be applied to redeem Bonds. The City Council may reduce the Assessments and the Annual Installments for each Parcel (i) in an amount that represents the Authorized Improvements provided for each Parcel or (ii) by an equal percentage calculated based on Equivalent Units, if determined by the City Council to be the most fair and practical means of reducing the Assessments for each Parcel, such that the sum of the resulting reduced Assessments equals the amount required to repay the Bonds, including interest on the Bonds and Collection Costs. The Principal Portion of the Assessment for each Parcel shall be reduced pro rata to the reduction in the Assessments for each Parcel such that the sum of the resulting reduced Principal Portion of the Bonds is equal to the outstanding principal amount of the Bonds.

H. Payment of Assessments

1. Payment in Full

(a) The Assessment for any Parcel may be paid in full at any time. Such payment shall include all Prepayment Costs. If prepayment in full will result in redemption of Bonds, the payment amount shall be reduced by the amount, if any, of interest through the date of redemption of Bonds and reserve funds applied to the redemption under the Trust Indenture, net of any other costs applicable to the redemption of Bonds.

(b) If an Annual Installment has been billed prior to payment in full of an Assessment, the Annual Installment shall be due and payable and shall be credited against the payment-in-full amount.

(c) Upon payment in full of the Assessment and all Prepayment Costs, the City shall deposit the payment in accordance with the Trust Indenture; whereupon, the Assessment shall be reduced to zero, and the owner's obligation to pay the Assessment and Annual Installments thereof shall automatically terminate.

(d) At the option of the owner, the Assessment on any Parcel plus Prepayment Costs may be paid in part in an amount sufficient to allow for a convenient redemption of Bonds as determined by the Administrator. Upon the payment of such amounts for a Parcel, the Assessment for the Parcel shall be reduced, the Assessment Roll shall be updated to reflect such partial payment, and the obligation to pay the Annual Installment for such Parcel shall be reduced to the extent the

partial payment is made.

2. Payment in Annual Installments

The PID Act provides that an Assessment for a Parcel may be paid in full at any time. If not paid in full, the PID Act authorizes the Assessment to be paid in installments and additionally allows the City to collect interest, administrative expenses and other authorized charges in installments. An Assessment for a Parcel that is not paid in full will be collected in Annual Installments each year in the amounts shown on the Assessment Roll, as updated as provided for herein, which include interest, Administrative Expenses, and payments required for the Prepayment Reserve and Delinquency Reserve. Payment of the Annual Installments shall commence with tax bills mailed after the initial issuance of Bonds.

Each Assessment on the Phase #1 Assessed Property and Phases #2-3 Major Improvement Assessed Property shall be paid with interest of no more than the lesser of (i) the actual interest rate paid on the Bonds and (ii) 9.79 percent per annum. The Phases #2 - 3 Major Improvement Assessment Roll sets forth for each year the Annual Installment for each Parcel based on Bond interest rates of 6.75%, 7.25% and 7.625% for the Phases #2 - 3 Bonds due in 2024, 2032 and 2040, respectively, and additional interest at the rate of 0.5% for Administrative Expenses, Prepayment Reserve and Delinquency Reserve.

The Phase #1 Assessment Roll sets forth for each year the Annual Installment for each Parcel based on Bond interest rates of 6.375%, 6.625% and 7.00% for the Phases #1A Bonds due in 2028, 2032 and 2040, respectively, Phase #1B Bonds estimated interest rate of 5.85% and additional interest at the rate of 0.5% for Administrative Expenses, Prepayment Reserve and Delinquency Reserve.

The Phase #2 Assessment Roll sets forth for each year the Annual Installment for each Parcel based on estimated Bond interest rate of 5.85% for the Phases #2 Bonds due in 2048 and additional interest at the rate of 0.5% for Administrative Expenses, Prepayment Reserve and Delinquency Reserve.

The principal and interest component of the Annual Installments may not exceed the amounts shown on the Assessment Rolls. The Assessment Rolls, updated with the actual interest rates on the Phase #1A Bonds, Phases #2 – 3 Major Improvement Bonds, the estimated rate on Phase #1B Bonds and the estimated interest rate on the Phase #2 Bonds, are shown as Appendix F, Appendix G and Appendix H. The Annual Installments shall be reduced to equal the actual costs of repaying the Bonds and actual Administrative Expenses (as provided for in the definition of such term), taking into consideration any other available funds for these costs, such as interest income on account balances.

The City reserves and shall have the right and option to refund the Bonds in accordance with Section 372.027 of the PID Act. In the event of such refunding, the Administrator shall recalculate the Annual Installments, and if necessary, may adjust, or decrease, the amount of the Annual Installments so that total Annual Installments of Assessments will be produced in annual amounts that are required to pay the refunding bonds when due and payable as required by and established in the ordinance and/or the indenture authorizing and securing the refunding bonds, and such refunding bonds shall constitute Bonds for purposes of this Service and Assessment Plan.

F. Collection of Annual Installments

No less frequently than annually, the Administrator shall prepare, and the City Council shall approve, an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include an updated Assessment Roll and a calculation of the Annual Installment for each Parcel. Administrative Expenses shall be allocated among Parcels in proportion to the amount of the Annual Installments for the Parcels. Each Annual Installment shall be reduced by any credits applied under the applicable Trust Indenture, such as capitalized interest, interest earnings on any account balances, and any other funds available to the Trustee for such purpose, including any existing deposits for a prepayment reserve. Annual Installments shall be collected by the City in the same manner and at the same time as ad valorem taxes and shall be subject to the same penalties, procedures, and foreclosure sale in case of delinquencies as are provided for ad valorem taxes of the City. The City Council may provide for other means of collecting the Annual Installments to the extent permitted under the PID Act. The Assessments shall have lien priority as specified in the Act.

Any sale of property for nonpayment of the Annual Installments shall be subject to the lien established for the remaining unpaid Annual Installments against such property and such property may again be sold at a judicial foreclosure sale if the purchaser thereof fails to make timely payment of the non-delinquent Annual Installments against such property as they become due and payable.

Section VII THE ASSESSMENT ROLL

A. Major Improvement Area Assessment Roll

Each Parcel within Phases #2 - 3 Major Improvement Area has been evaluated by the City Council (based on the concept plan, developable area, proposed Homeowner Association Property and Public Property, the Major Improvements, best and highest use of land, and other development factors deemed relevant by the City Council) to determine the Assessed Property within each Parcel.

Phases #2 – 3 Major Improvement Assessed Property will be assessed for the special benefits conferred upon the property as a result of the Major Improvements. Table IV-A summarizes the \$7,091,043 in special benefit received by Phases #2 - 3 Major Improvement Area from a portion of the Major Improvements, the pro rata costs of the PID formation, and issuance costs for the proposed Phases #2 – 3 Major Improvement Bonds. The total amount of Phases #2 – 3 Major Improvement Bonds was \$6,575,000, which was less than the benefit received by Phases #2 – 3 Major Improvement Assessed Property, and as such the total Assessment for all Assessed Property within Phases #2 - 3 Major Improvement Area was \$6,575,000 plus annual Administrative Expenses. The Assessment for each Parcel of Assessed Property within the Phases #2 - 3 Major Improvement Area was calculated based on the allocation methodologies described in Section V.D of this Service and Assessment Plan. The Phases #2 – 3 Major Improvement Assessment Roll is attached hereto as Appendix F.

B. Phase #1 Assessment Roll

Phase #1 Assessed Property will be assessed for the special benefits conferred upon the property as a result of the Phase #1 Improvements that benefit Phase #1, which include a proportionate share of the Major Improvements allocable to Phase #1. Table IV-A summarizes the \$17,322,012 in special benefit received by Phase #1 Assessed Property from the Phase #1 Improvements that benefit Phase #1, including the proportionate share of the Major Improvements allocable to Phase #1, the pro rata costs of the PID formation, and Bond issuance costs. The total amount of Phase #1A Bonds and the Phase #1 Reimbursement Agreement was \$12,500,000, which was less than the benefit received by Phase #1 Assessed Property, and as such the total Assessment for all Assessed Property within Phase #1 was \$12,500,000 plus annual Administrative Expenses and other authorized charges. The Assessment for each Parcel of Assessed Property within Phase #1 was calculated based on the allocation methodologies described in Section V.D of this Service and Assessment Plan. The Phase #1 Assessment Roll is attached hereto as Appendix G.

C. Phase #2 Assessment Roll

Phase #2 Assessed Property will be assessed for the special benefits conferred upon the property as a result of the Phase #2 Improvements that benefit Phase #2. Table IV-B summarizes the \$10,436,214 in special benefit received by Phase #2 Assessed Property from the Phase #2 Improvements, the proportional share of the Additional Major Improvements that benefit Phase #2, and miscellaneous PID related costs. The amount of Phase #2 Bonds is \$6,875,000, which is less than the benefit received by Phase #2 Assessed Property, and as such the total Assessment for all Assessed Property within Phase #2 is \$6,875,000 plus annual Administrative Expenses and

other authorized charges. The Assessment for each Parcel of Assessed Property within Phase #2 is calculated based on the allocation methodologies described in Section V.D of this Service and Assessment Plan. The Phase #2 Assessment Roll is attached hereto as Appendix H.

D. Future Phase Assessment Roll

As Future Phases are developed, this Service and Assessment Plan will be updated to determine the Assessment for each Parcel located within Future Phases (e.g., an Appendix will be added as the Assessment Roll for phase #3, etc.).

E. Annual Assessment Roll Updates

The Administrator shall prepare, and shall submit to the City Council for approval, annual updates to the Phases #2 – 3 Major Improvement Assessment Roll, Phase #1 Assessment Roll and Phase #2 Assessment Roll in conjunction with the Annual Service Plan Update to reflect the following matters, together with any other changes helpful to the Administrator or the City and permitted by the PID Act: (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.H of this Service and Assessment Plan.

Once Bonds are issued, the Assessment Rolls shall be updated, which update may be done in the next Annual Service Plan Update, to reflect any changes resulting from the issuance of the Bonds. This update shall reflect the actual interest on the Bonds on which the Annual Installments shall be paid, any reduction in the Assessments, and any revisions in the Actual Costs to be funded by the Bonds and Developer funds.

Section VIII MISCELLANEOUS PROVISIONS

A. Administrative Review

The City may elect to designate a third party to serve as Administrator. The City shall notify Developer in writing at least thirty (30) days in advance before appointing a third party Administrator.

To the extent consistent with the Act, an owner of an Assessed Parcel claiming that a calculation error has been made in the Assessment Roll(s), including the calculation of the Annual Installment, shall send a written notice describing the error to the City not later than thirty (30) days after the date any amount which is alleged to be incorrect is due prior to seeking any other remedy. The Administrator shall promptly review the notice, and if necessary, meet with the Assessed Parcel owner, consider written and oral evidence regarding the alleged error and decide whether, in fact, such a calculation error occurred.

If the Administrator determines that a calculation error has been made and the Assessment Roll should be modified or changed in favor of the Assessed Parcel owner, such change or modification shall be presented to the City Council for approval to the extent permitted by the Act. A cash refund may not be made for any amount previously paid by the Assessed Parcel owner (except for the final year during which the Annual Installment shall be collected or if it is determined there are sufficient funds to meet the expenses of the PID for the current year), but an adjustment may be made in the amount of the Annual Installment to be paid in the following year. The decision of the Administrator regarding a calculation error relating to the Assessment Roll may be appealed to the City Council. Any amendments made to the Assessment Roll(s) pursuant to calculation errors shall be made pursuant to the PID Act.

The decision of the Administrator, or if such decision is appealed to the City Council, the decision of the City Council shall be conclusive as long as there is a reasonable basis for such determination. This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to any other appeal or legal action by such owner.

B. Termination of Assessments

Each Assessment shall be extinguished on the date the Assessment is paid in full, including unpaid Annual Installments and Delinquent Collection Costs, if any. After the extinguishment of an Assessment and the collection of any delinquent Annual Installments and Delinquent Collection Costs, the City shall provide the owner of the affected Parcel a recordable "Notice of the PID Assessment Termination".

C. Amendments

Amendments to the Service and Assessment Plan can be made as permitted or required by the PID Act and under Texas law.

The City Council reserves the right to the extent permitted by the PID Act to amend this Service and Assessment Plan without notice under the PID Act and without notice to property owners of Parcels:

(i) to correct mistakes and clerical errors; (ii) to clarify ambiguities; and (iii) to provide procedures for the collection and enforcement of Assessments, Prepayment Costs, Collection Costs, and other charges imposed by the Service and Assessment Plan.

D. Administration and Interpretation of Provisions

The City Council shall administer the PID, this Service and Assessment Plan, and all Annual Service Plan Updates consistent with the PID Act, and shall make all interpretations and determinations related to the application of this Service and Assessment Plan unless stated otherwise herein or in the Trust Indenture, such determination shall be conclusive.

E. Severability

If any provision, section, subsection, sentence, clause or phrase of this Service and Assessment Plan or the application of same to an Assessed Parcel or any person or set of circumstances is for any reason held to be unconstitutional, void or invalid, the validity of the remaining portions of this Service and Assessment Plan or the application to other persons or sets of circumstances shall not be affected thereby, it being the intent of the City Council in adopting this Service and Assessment Plan that no part hereof or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness or invalidity of any other part hereof, and all provisions of this Service and Assessment Plan are declared to be severable for that purpose.

If any provision of this Service and Assessment Plan is determined by a court to be unenforceable, the unenforceable provision shall be deleted from this Service and Assessment Plan and the unenforceable provision shall, to the extent possible, be rewritten to be enforceable and to give effect to the intent of the City.

As explained under Section IV-D, For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the portion of the Major Improvements to be financed with the Phases #2 – 3 Major Improvement Bonds shall be allocated to the Phases #2 - 3 Major Improvement Assessed Property by spreading the entire Assessment across the Parcels based on the estimated Equivalent Units.

For purposes of this Service and Assessment Plan, the City Council has determined that the Assessments shall be allocated to the Phases #2 - 3 Major Improvement Assessed Property on the basis of the average home value of each Lot Type, and that such method of allocation will result in the imposition of equal shares of the Assessments on Parcels similarly benefited. In determining the average home value of each Lot Type, the City Council has taken into consideration (i) the type of lots (i.e., 70 Ft, 60 Ft, etc.); (ii) current and projected home prices; (iii) the costs of the Authorized Improvements, and (iv) the ability of different property types to utilize and benefit from the Authorized Improvements.

Having taken into consideration the matters described above, the City Council has determined that allocating the Assessments among Parcels based on average home value is best accomplished by creating classifications of benefited Parcels based on the “Lot Types” defined above. These classifications (from Lot Type 1 (70 Ft Lots) representing the highest value to Lot Type 3 (50 Ft Lot) representing the lowest value for residential lots are set forth in Table D-4 below. Assessments are allocated to each Lot Type on the basis of the average home value for each class of lots. This is accomplished by giving each Lot Type an Equivalent Unit factor. Equivalent Units are the ratio of the average value of lots within each assessment class, setting the Equivalent Unit factor for Lot Type 1 (70 Ft Lots) to 1.0.

Table D-4
Equivalent Unit Factors

Lot Type	Estimated Average Unit Value	Equivalent Unit Factor
Lot Type 1 (70' Lot)	\$405,000	1.00 per dwelling unit
Lot Type 2 (60' Lot)	\$355,000	0.88 per dwelling unit
Lot Type 5 (50' Lot)	\$295,000	0.73 per dwelling unit

The total estimated Equivalent Units for Phase #1 are shown in Table D-5 below as calculated based on the Equivalent Unit factors shown above, estimated Lot Types and number of units estimated to be built within Phase 1.

Appendix E Allocation of Assessments

A) Allocation of Assessments to Lot Types in Phases #2 – 3 Major Improvement Area

As shown in Section IV of this Service and Assessment Plan, the total amount of the Phases #2 – 3 Major Improvement Bonds, which represents the total Assessment to be allocated to all Parcels in the Phases #2 – 3 Major Improvement Assessed Property, is \$6,575,000. As shown in Appendix D, there are a total of 494.19 estimated Equivalent Units in Phases #2 - 3, resulting in an Assessment per Equivalent Unit of \$13,304.60.

The Assessment per dwelling unit or acre is calculated as the product of (i) \$13,304.60 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, the Assessment for a Lot Type 1 (70 Ft Lot) dwelling unit is \$13,304.60 (i.e. $\$13,304.60 \times 1.00$). The Assessment for a Lot Type 2 (60 Ft Lot) dwelling unit is \$11,708.05 (i.e. $\$13,304.60 \times 0.88$). Table E-1 sets forth the Assessment per dwelling unit for each of the three Lot Types in Phases #2 – 3 Major Improvement Area.

**Table E-1
Assessment per Unit - Phases #2 – 3 Major Improvement Area**

Type	Planned No. of Units	Assessment per Equivalent Unit	Equivalent Unit Factor	Assessment per Unit	Total Assessments
<u>Residential</u>					
Lot Type 1	31	\$13,304.60	1.00	\$13,304.60 per dwelling unit	\$412,443
Lot Type 2	348	\$13,304.60	0.88	\$11,708.05 per dwelling unit	\$4,074,401
Lot Type 3	215	\$13,304.60	0.73	\$9,712.36 per dwelling unit	\$2,088,157
Total	594				\$6,575,000

B) Allocation of Assessments to Lot Types in Phase #1

As shown in Section IV of this Service and Assessment Plan, the total amount of the Phase #1 Bonds, which represents the total Assessment to be allocated on all Parcels within Phase #1, is \$12,500,000. As shown in Appendix D, there are a total of 374.80 estimated Equivalent Units in Phase #1, resulting in an Assessment per Equivalent Unit of \$33,351.12.

The Assessment per dwelling unit or acre is calculated as the product of (i) \$33,351.12 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, the Assessment for a Lot Type 1 (70 Ft Lot) dwelling unit is \$33,351.12 (i.e. $\$33,351.12 \times 1.00$). The Assessment for a Lot Type 2 (60 Ft Lot) dwelling unit is \$29,348.99 (i.e. $\$33,351.12 \times 0.88$). Table E-2 sets forth the Assessment per dwelling unit for each of the two Lot Types in Phase #1.

Draft

C) Allocation of Assessments to Lot Types in Phase #2

As shown in Section IV of this Service and Assessment Plan, the total amount of the Phase #2 Reimbursement Agreement, which represents the total Assessment to be allocated on all Parcels within Phase #2, is \$6,875,000. As shown in Appendix D, there are a total of 339.10 estimated Equivalent Units in Phase #2, resulting in an Assessment per Equivalent Unit of \$20,274.26.

The Assessment per dwelling unit or acre is calculated as the product of (i) \$20,274.26 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, the Assessment for a Lot Type 1 (70 Ft Lot) dwelling unit is \$20,274.26 (i.e. $\$20,274.26 \times 1.00$). The Assessment for a Lot Type 2 (60 Ft Lot) dwelling unit is \$17,841.34 (i.e. $\$20,274.26 \times 0.88$). Table E-2 sets forth the Assessment per dwelling unit for each of the two Lot Types in Phase #2.

Table E-2
Assessment per Unit - Phase #2

**Re: Capital Fees for Westgate
Section Four comprising 2.521 Acres**

Dear Mr. D'Amico:

This letter will serve to memorialize an agreement between Legend Contracting, Inc. and the City of Celina, Texas (the "City") regarding capital fee assessments on 12 lots in the above-referenced subdivision. Your development is subject to roadway, water, and wastewater fees assessed and collected by the City. Those fees are set forth in the City's subdivision ordinance and fee schedule. For the purpose of encouraging economic and community development, the City has agreed to a capital fee schedule per lot as follows:

Roadway:	\$2,500.00 per lot
Water:	\$2,000.00 per lot
Wastewater:	\$2,000.00 per lot
Technology:	\$500.00 per lot

By signing below, you confirm and agree that the charges are lawful and roughly proportional to the demand being placed upon city infrastructure by your development. This agreement only addresses capital fees and does not relieve you of any other development related charges, including but not limited to building permit fees, except for below.

Total Building Permit fees and Capital fee assessments due at time of permit for the above referenced 12-lot development will be capped at \$14,500 for each lot.

If you are agreeable to these terms and this writing comports with your understanding, please acknowledge below. Thank you for your attention to this matter.

Sincerely,

Jason Laumer

SECTION 3. FUNDING AUTHORIZED IMPROVEMENTS

3.1 Fund Deposits. Until PID Bonds are issued, the City shall bill, collect, and immediately deposit into the PID Reimbursement Fund all Assessment Revenue consisting of: (1) revenue collected from the payment of Assessments (including pre-payments and amounts received from the foreclosure of liens but excluding costs and expenses related to collection); and (2) revenue collected from the payment of Annual Installments (excluding Administrative Expenses and Delinquent Collection Costs). Once PID Bonds are issued, the City shall bill, collect, and immediately deposit that portion of Assessment Revenue constituting "pledged

revenues" as defined in the applicable Bond Indenture in the manner set forth in such Bond Indenture. The City shall also deposit Bond Proceeds and any other funds authorized or required by the Bond Indenture in the manner set forth in the applicable Bond Indenture. Annual Installments shall be billed and collected by the City (or by any person, entity, or governmental agency permitted by law) in the same manner and at the same time as City ad valorem taxes are billed and collected. Funds in the PID Project Fund shall only be used in accordance with the applicable Bond Indenture; provided that funds disbursed from the PID Project Fund pursuant to Section 3.5 below shall be made first from Bond Proceeds held in the applicable accounts within the PID Project Fund until such accounts are fully depleted and then from the Developer Improvement Account of the PID Project Fund. Funds in the PID Reimbursement Fund shall only be used to pay Actual Costs of the Authorized Improvements or all or any portion of the Reimbursement Agreement Balance in accordance with this Agreement. Notwithstanding any other provision in this Agreement, the Actual Costs of the Authorized Improvements within each Phase shall be paid from the Assessment Revenue collected solely from Assessments levied on the property within such Phase benefitting from such Authorized Improvements. Once PID Bonds are issued, the Bond Indenture shall control in the event of any conflicts with this Agreement.

3.2 Payment of Actual Costs. If PID Bonds are not issued to pay Actual Costs of Authorized Improvements, the Developer may elect to make Developer Advances to pay Actual Costs. If PID Bonds are issued, the Bond Proceeds shall be used in the manner provided in the applicable Bond Indenture. The Developer shall have no obligation to make Developer Advances unless the Bond Proceeds, together with any other funds on deposit in the PID Project Fund or PID Reimbursement Fund, are insufficient to pay the Actual Costs, in which case the Developer shall make Developer Advances to pay the deficit in the amount necessary to complete construction of the Authorized Improvements. If in connection with the issuance of a series of PID Bonds, the Developer is required to deposit funds for the payment of any Actual Costs not anticipated to be paid by funds on deposit in the PID Project Fund, then such Developer deposit may be reduced by the amount of payments of Actual Costs of the Authorized Improvements (or portions thereof) to be financed by such PID Bonds that the Developer has previously paid if (i) the Developer submits to the City all information related to such costs that would be required by a Closing Disbursement Request at least 5 days prior to the pricing of the PID Bonds, and (ii) the

City approves such Actual Costs in writing. The Developer shall also make Developer Advances to pay for cost overruns (after applying cost savings). The lack of Bond Proceeds or other funds in the PID Project Fund shall not diminish the obligation of the Developer to pay Actual Costs of the Authorized Improvements.

3.3 Payment of Reimbursement Agreement Balance. The City agrees to pay to the Developer, and the Developer shall be entitled to receive payments from the City, until the Maturity Date, for amounts shown on each Certificate for Payment (which amounts include only Actual Costs paid by or at the direction of the Developer) plus: (1) simple interest on the unpaid principal balance at the rate of five percent (5%) above the highest average index rate for tax-exempt bonds reported in a daily or weekly bond index reported in the month before the date the obligation was incurred for years one through five beginning on the date each Certificate of Payment is delivered to the City Representative; and (2) simple interest on the unpaid principal balance at the rate of two percent (2%) above the highest average index rate for tax-exempt bonds reported in a daily or weekly bond index reported in the month before the date the obligation was incurred for years six through thirty-five thereafter (the unpaid principal balance, together with accrued but unpaid interest, owed the Developer for all Certificates of Payment is referred to as the "Reimbursement Agreement Balance"). Notwithstanding the foregoing, upon the issuance of PID Bonds, the interest rate on any unpaid Reimbursement Agreement Balance shall be the same as the interest rate on such PID Bonds and such interest will be paid as provided in the applicable Bond Indenture. Such interest rates are set forth in the SAP and Assessment Ordinance and are approved by the City Council and are authorized by and comply with the Act, including specifically subsections (e)(1) and (e)(2) of Section 272.023 of the Act. The obligation of the City to pay the Reimbursement Agreement Balance is payable solely from the PID Reimbursement Fund or from PID Bond Proceeds. No other City funds, revenue, taxes, income, or property shall be used even if the Reimbursement Agreement Balance is not paid in full by the Maturity Date. Payments from the PID Reimbursement Fund shall be applied in accordance with this Agreement. Each payment from the PID Reimbursement Fund shall be accompanied by an accounting that certifies the Reimbursement Agreement Balance as of the date of the payment and that itemizes all deposits to and disbursements from the fund since the last payment. If there is a dispute over the amount of any payment, the City shall nevertheless pay the undisputed amount, and the Parties shall use all reasonable efforts to resolve the disputed

amount before the next payment is made; however, if the Parties are unable to resolve the disputed amount, then the City's determination of the disputed amount (as approved by the City Council) shall control.

3.4 PID Bonds. The City, in its sole, legislative discretion, may issue PID Bonds, in one or more series, when and if the City Council determines it is financially feasible for the purposes of: (1) paying the Reimbursement Agreement Balance; or (2) paying directly Actual Costs of Authorized Improvements. PID Bonds issued for such purpose will be secured by and paid solely as authorized by the applicable Bond Indenture. Upon the issuance of PID Bonds for such purpose, the Developer's right to receive payments from the Assessments securing such PID Bonds each year in accordance with Section 3.3 shall be subordinate to the deposits required under the applicable Bond Indenture related to any outstanding PID Bonds and the Developer shall be entitled to receive funds pursuant to the flow of funds provisions of such Bond Indenture. The failure of the City to issue PID Bonds shall not constitute a "Failure" by the City or otherwise result in a "Default" by the City. Upon the issuance of the PID Bonds, the Developer has a duty to construct those Authorized Improvements described in the Bond Indenture. The Developer shall not be relieved of its duty to construct or cause to be constructed such improvements even if there are insufficient funds in the PID Project Fund to pay the Actual Costs. This Agreement shall apply to all of the PID Bonds issued by the City whether in one or more series, and no additional reimbursement agreement shall be required for future series of PID Bonds.

3.5 Disbursements and Transfers at and after Bond Closing. The City and the Developer agree that from the proceeds of the PID Bonds, and upon the presentation of evidence satisfactory to the City Representative, the City will cause the trustee under the Bond Indenture to pay at closing of the PID Bonds approved amounts from the appropriate account to the City or the Developer, as applicable, which costs may include payment for costs of issuance and payment of costs incurred in the establishment, administration, and operation of the PID and any other eligible items expended by the Developer and the City as of the time of the delivery of the PID Bonds as described in the SAP. In order to receive disbursement, the Developer shall execute a Closing Disbursement Request to be delivered to the City no less than five (5) days prior to the scheduled closing date for the PID Bonds for payment in accordance with the provisions of the applicable Bond Indenture. In order to receive additional disbursements from

the applicable fund under a Bond Indenture, the Developer shall execute a Certificate for Payment, no more frequently than monthly, to be delivered to the City for payment in accordance with the provisions of the applicable Bond Indenture and this Agreement. Upon receipt of a Certificate for Payment (along with all accompanying documentation required by the City) from the Developer, the City shall conduct a review in order to confirm that such request is complete, to confirm that the work for which payment is requested was performed in accordance with all applicable governmental laws, rules and regulations and applicable plans therefore and with the terms of this Agreement and any other agreement between the parties related to property in the PID, and to verify and approve the Actual Costs of such work specified in such Certificate for Payment. The City shall also conduct such review as is required in its discretion to confirm the matters certified in the Certificate for Payment. The Developer agrees to cooperate with the City in conducting each such review and to provide the City with such additional information and documentation as is reasonably necessary for the City to conclude each such review. Within ten (10) days following receipt of any Certificate for Payment, the City shall either: (1) approve the Certificate for Payment and forward it to the trustee for payment, or (2) provide the Developer with written notification of disapproval of all or part of a Certificate for Payment, specifying the basis for any such disapproval. Any disputes shall be resolved as required by Section 3.3 herein. The City shall deliver the approved or partially approved Certificate for Payment to the trustee for payment, and the trustee shall make the disbursements as quickly as practicable thereafter.

3.6 Obligations Limited. The obligations of the City under this Agreement shall not, under any circumstances, give rise to or create a charge against the general credit or taxing power of the City or a debt or other obligation of the City payable from any source other than the PID Reimbursement Fund, the PID Pledged Revenue Fund, or the PID Project Fund. Unless approved by the City, no other City funds, revenues, taxes, or income of any kind shall be used to pay: (1) the Actual Costs of the Authorized Improvements; (2) the Reimbursement Agreement Balance even if the Reimbursement Agreement Balance is not paid in full on or before the Maturity Date; or (3) debt service on any PID Bonds. None of the City or any of its elected or appointed officials or any of its officers, employees, consultants or representatives shall incur any liability hereunder to the Developer or any other party in their individual capacities by reason of this Agreement or their acts or omissions under this Agreement.

3.7 Obligation to Pay. Subject to the provisions of Section 3.6 above and as determined solely by the City, if the Developer is in then current compliance with its obligations under the Developer Continuing Disclosure Agreement (if PID Bonds are issued and remain outstanding), or under the Development Agreement (if PID Bonds are not issued or are no longer outstanding), then following the inspection and approval of any portion of Authorized Improvements for which Developer seeks reimbursement of the Actual Costs by submission of a Certificate for Payment or City approval of a Closing Disbursement Request, the obligations of the City under this Agreement to pay disbursements (whether to the Developer or to any person designated by the Developer) identified in any Closing Disbursement Request or in any Certificate for Payment and to pay debt service on PID Bonds are unconditional AND NOT subject to any defenses or rights of offset except as may be provided in any Bond Indenture.

3.8 City Delegation of Authority. All Authorized Improvements shall be constructed by or at the direction of the Developer in accordance with the plans and in accordance with this Agreement and any other agreement between the parties related to property in the PID. The Developer shall perform, or cause to be performed, all of its obligations and shall conduct, or cause to be conducted, all operations with respect to the construction of Authorized Improvements in a good, workmanlike and commercially reasonable manner, with the standard of diligence and care normally employed by duly qualified persons utilizing their commercially reasonable efforts in the performance of comparable work in accordance with City ordinances, City regulations, and generally accepted practices appropriate to the activities undertaken. The Developer has sole responsibility of ensuring that all Authorized Improvements are constructed in a good, workmanlike and commercially reasonable manner, with the standard of diligence and care normally employed by duly qualified persons utilizing their commercially reasonable efforts in the performance of comparable work in accordance with City ordinances, City regulations, and generally accepted practices appropriate to the activities undertaken. The Developer shall employ at all times adequate staff or consultants with the requisite experience necessary to administer and coordinate all work related to the design, engineering, acquisition, construction and installation of all Authorized Improvements to be acquired and accepted by the City from the Developer. If any Authorized Improvements are or will be on land owned by the City, the City hereby grants to the Developer a license to enter upon such land for purposes related to construction (and maintenance pending acquisition and acceptance) of the Authorized

Improvements. Inspection and acceptance of Authorized Improvements will be in accordance with applicable City ordinances and regulations.

3.9 Security for Authorized Improvements. Prior to completion and conveyance to the City of any Authorized Improvements, the Developer shall cause to be provided to the City a maintenance bond in the amount required by the City's subdivision regulations for applicable Authorized Improvements, which maintenance bond shall be for a term of two years from the date of final acceptance of the applicable Authorized Improvements. Any surety company through which a bond is written shall be a surety company duly authorized to do business in the State of Texas, provided that legal counsel for the City has the right to reject any surety company regardless of such company's authorization to do business in Texas. Nothing in this Agreement shall be deemed to prohibit the Developer or the City from contesting in good faith the validity or amount of any mechanics or materialman's lien and/or judgment nor limit the remedies available to the Developer or the City with respect thereto so long as such delay in performance shall not subject the Authorized Improvements to foreclosure, forfeiture, or sale. In the event that any such lien and/or judgment with respect to the Authorized Improvements is contested, the Developer shall be required to post or cause the delivery of a surety bond or letter of credit, whichever is preferred by the City, in an amount reasonably determined by the City, not to exceed 120 percent of the disputed amount.

3.10 Ownership and Transfer of Authorized Improvements. The Developer shall furnish to the City a preliminary title report for land related to the Authorized Improvements to be acquired and accepted by the City from the Developer and not previously dedicated or otherwise conveyed to the City. The report shall be made available for City review and approval at least fifteen (15) business days prior to the scheduled transfer of title. The City shall approve the preliminary title report unless it reveals a matter which, in the reasonable judgment of the City, would materially affect the City's use and enjoyment of the Authorized Improvements. If the City objects to any preliminary title report, the City shall not be obligated to accept title to the applicable Authorized Improvements until the Developer has cured the objections to the reasonable satisfaction of the City.

SECTION 4. ADDITIONAL PROVISIONS

4.1 Term. The term of this Agreement shall begin on the Effective Date and shall continue until the earlier to occur of the Maturity Date or the date on which the Reimbursement Agreement Balance is paid in full.

4.2 No Competitive Bidding. Construction of the Authorized Improvements shall not require competitive bidding pursuant to Section 252.022(a) (9) of the Texas Local Government Code, as amended. All plans and specifications, but not construction contracts, shall be reviewed and approved, in writing, by the City prior to Developer selecting the contractor.

4.3 Independent Contractor. In performing this Agreement, the Developer is an independent contractor and not the agent or employee of the City.

4.4 Audit. The City Representative shall have the right, during normal business hours and upon three business days' prior written notice to the Developer, to review all books and records of the Developer pertaining to costs and expenses incurred by the Developer with respect to any of the Authorized Improvements. For a period of two years after completion of the Authorized Improvements, the Developer shall maintain proper books of record and account for the construction of the Authorized Improvements and all costs related thereto. Such accounting books shall be maintained in accordance with customary real estate accounting principles.

4.5 Representations and Warranties.

4.5.1 The Developer represents and warrants to the City that: (1) the Developer has the authority to enter into and perform its obligations under this Agreement; (2) the Developer has the financial resources, or the ability to obtain sufficient financial resources, to meet its obligations under this Agreement; (3) the person executing this Agreement on behalf of the Developer has been duly authorized to do so; (4) this Agreement is binding upon the Developer in accordance with its terms; and (5) the execution of this Agreement and the performance by the Developer of its obligations under this Agreement do not constitute a breach or event of default by the Developer under any other agreement, instrument, or order to which the Developer is a party or by which the Developer is bound.

4.5.2 The City represents and warrants to the Developer that: (1) the City has the authority to enter into and perform its obligations under this Agreement; (2) the person executing this Agreement on behalf of the City has been duly authorized to do so; (3) this Agreement is binding upon the City in accordance with its terms; and (4) the execution of this Agreement and

the performance by the City of its obligations under this Agreement do not constitute a breach or event of default by the City under any other agreement, instrument, or order to which the City is a party or by which the City is bound.

4.6 Default/Remedies.

4.6.1 If either Party fails to perform an obligation imposed on such Party by this Agreement (a “Failure”) and such Failure is not cured after notice and the expiration of the cure periods provided in this section, then such Failure shall constitute a “Default.” If a Failure is monetary, the non-performing Party shall have 10 days within which to cure. If the Failure is non-monetary, the non-performing Party shall have 30 days within which to cure.

4.6.2 If the Developer is in Default, the City shall have available all remedies at law or in equity; provided no default by the Developer shall entitle the City to terminate this Agreement or to withhold payments to the Developer from the PID Reimbursement Fund or the PID Pledged Revenue Fund or the PID Project Fund in accordance with this Agreement and the Bond Indenture.

4.6.3 If the City is in Default, the Developer shall have available all remedies at law or in equity; provided, however, no Default by the City shall entitle the Developer to terminate this Agreement.

4.6.4 The City shall give notice of any alleged Failure by the Developer to each Transferee identified in any notice from the Developer, and such Transferees shall have the right, but not the obligation, to cure the alleged Failure within the same cure periods that are provided to the Developer. The election by a Transferee to cure a Failure by the Developer shall constitute a cure by the Developer but shall not obligate the Transferee to be bound by this Agreement unless the Transferee agrees in writing to be bound.

4.7 Remedies Outside the Agreement. Nothing in this Agreement constitutes a waiver by the City of any remedy the City may have outside this Agreement against the Developer, any Transferee, or any other person or entity involved in the design, construction, or installation of the Authorized Improvements. The obligations of the Developer hereunder shall be those of a party hereto and not as an owner of property in the PID. Nothing herein shall be construed as affecting the City’s or the Developer’s rights or duties to perform their respective obligations under other agreements, use regulations, or subdivision requirements relating to the development property in the PID.

4.8 Transfers. The Developer has the right to convey, transfer, assign, mortgage, pledge, or otherwise encumber, in whole or in part without the consent of (but with notice to) the City, the Developer's right, title, or interest to payments under this Agreement (but not performance obligations) including, but not limited to, any right, title, or interest of the Developer in and to payments of the Reimbursement Agreement Balance, whether such payments are from the PID Reimbursement Fund or from Bond Proceeds (any of the foregoing, a "Transfer," and the person or entity to whom the transfer is made, a "Transferee"); provided, however, that if such Transfer would result in (1) the issuance of municipal securities, and/or (2) the City being viewed as an "obligated person" within the meaning of Rule 15c2-12 of the United States Securities and Exchange Commission, and/or (3) the City being subjected to additional reporting or recordkeeping duties, then such Transfer shall not be made unless (1) the Developer certifies in writing to the City and to the Phases #2-7 Major Improvement Bond Trustee that the municipal securities to be issued meet the requirements for the issuance of Phased PID Bonds under Section 13.2(c) of the Phases #2-7 Major Improvement Bond Indenture, and (2) the City gives prior written consent. Notwithstanding the foregoing, no Transfer shall be effective until notice of the Transfer is given to the City. The City may rely on notice of a Transfer received from the Developer without obligation to investigate or confirm the validity of the Transfer. The Developer waives all rights or claims against the City for any funds paid to a third party as a result of a Transfer for which the City received notice.

4.9 Applicable Law; Venue. This Agreement is being executed and delivered and is intended to be performed in the State of Texas. Except to the extent that the laws of the United States may apply, the substantive laws of the State of Texas shall govern the interpretation and enforcement of this Agreement. In the event of a dispute involving this Agreement, venue shall lie in any court of competent jurisdiction in Collin County, Texas.

4.10 Notice. Any notice referenced in this Agreement must be in writing and shall be deemed given at the addresses shown below: (1) when delivered by a nationally recognized delivery service such as FedEx or UPS with evidence of delivery signed by any person at the delivery address regardless of whether such person is the named addressee; or (2) 72 hours after deposited with the United States Postal Service, Certified Mail, Return Receipt Requested.

4.11 Conflicts; Amendment. In the event of any conflict between this Agreement and any other instrument, document, or agreement by which either Party is bound, the provisions and

intent of the applicable Bond Indenture controls. This Agreement may only be amended by written agreement of the Parties.

4.12 Severability. If any provision of this Agreement is held invalid by any court, such holding shall not affect the validity of the remaining provisions.

4.13 Non-Waiver. The failure by a Party to insist upon the strict performance of any provision of this Agreement by the other Party, or the failure by a Party to exercise its rights upon a Default by the other Party, shall not constitute a waiver of such Party's right to insist and demand strict compliance by such other Party with the provisions of this Agreement.

4.14 Third Party Beneficiaries. Nothing in this Agreement is intended to or shall be construed to confer upon any person or entity other than the City, the Developer, and Transferees any rights under or by reason of this Agreement, except that the Phases #2-7 Major Improvement Bond Trustee is a beneficiary solely under Section 4.8 of this Agreement. All provisions of this Agreement shall be for the sole and exclusive benefit of the City, the Developer, and Transferees.

4.15 No Boycott of Israel. As required by Chapter 2270, Texas Government Code, as amended, the Developer verifies that the Developer does not boycott Israel and will not boycott Israel through the term of this Agreement. For purposes of this verification, "boycott Israel" means refusal to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

4.15 Iran, Sudan, and Foreign Terrorist Organizations. Pursuant to Subchapter F, Chapter 2252, Texas Government Code, as amended, to the extent applicable to this Agreement, the Developer represents that it is not a company (as defined in Section 2270.0001(2), Texas Government Code, as amended) engaged in business with Iran, Sudan, or a foreign terrorist organization (as defined in Section 2252.151(2) Texas Government Code, as amended) and that it is not on a list prepared and maintained by the Comptroller of Public Accounts of the State of Texas under Sections 2270.0201 or 2252.153, Texas Government Code, as amended.

4.15 Counterparts. This Agreement may be executed in multiple counterparts, which, when taken together, shall be deemed one original. This Agreement may be delivered by the exchange of signed signature pages by facsimile transmission or by electronic mail with a "pdf"

THE BONDS

Section 2.1. Security for the Bonds.

The Bonds, as to both principal and interest, are and shall be equally and ratably secured by and payable from a first lien on and pledge of the Trust Estate.

The lien on and pledge of the Pledged Revenues shall be valid and binding and fully perfected from and after the Closing Date, without physical delivery or transfer of control of the Pledged Revenues, the filing of this Indenture or any other act; all as provided in Texas Government Code, Chapter 1208, as amended, which applies to the issuance of the Bonds and the pledge of the Pledged Revenues granted by the City under this Indenture, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while the Bonds are Outstanding such that the pledge of the Pledged Revenues granted by the City under this Indenture is to be subject to the filing requirements of Texas Business and Commerce Code, Chapter 9, as amended, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Texas Business and Commerce Code, Chapter 9, as amended, and enable a filing to perfect the security interest in said pledge to occur.

Section 2.2. Limited Obligations.

The Bonds are special and limited obligations of the City, payable solely from and secured solely by the Trust Estate, including the Pledged Revenues and the Pledged Funds; and the Bonds shall never be payable out of funds raised or to be raised by taxation or from any other revenues, properties or income of the City.

Section 2.4. Contract with Owners and Trustee.

(a) The purposes of this Indenture are to establish a lien and the security for, and to prescribe the minimum standards for the authorization, issuance, execution and delivery of, the

Bonds and to prescribe the rights of the Owners, and the rights and duties of the City and the Trustee.

(b) In consideration of the purchase and acceptance of any or all of the Bonds by those who shall purchase and hold the same from time to time, the provisions of this Indenture shall be a part of the contract of the City with the Owners, and shall be deemed to be and shall constitute a contract among the City, the Owners, and the Trustee.

Section 3.3. Conditions Precedent to Delivery of Bonds.

The Bonds shall be executed by the City and delivered to the Trustee, whereupon the Trustee shall authenticate the Bonds and, upon payment of the purchase price of the Bonds, shall deliver the Bonds upon the order of the City, but only upon delivery to the Trustee of:

Section 3.4. Medium, Method and Place of Payment.

(a) Principal of and interest on the Bonds shall be paid in lawful money of the United States of America, as provided in this Section.

(b) Interest on the Bonds shall be payable to the Owners thereof as shown in the Register at the close of business on the relevant Record Date; provided, however, that in the event of nonpayment of interest on a scheduled Interest Payment Date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Trustee, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the "Special Payment Date," which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) Business Days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each Owner of a Bond appearing on the books of the Trustee at the close of business on the last Business Day preceding the date of mailing such notice.

(c) Interest on the Bonds shall be paid by check, dated as of the Interest Payment Date, and sent, first class United States mail, postage prepaid, by the Paying Agent/Registrar to each Owner at the address of each as such appears in the Register or by such other customary banking arrangement acceptable to the Paying Agent/Registrar and the Owner; provided, however, the Owner shall bear all risk and expense of such other banking arrangement.

(d) The principal of each Bond shall be paid to the Owner of such Bond on the due date thereof, whether at the maturity date or the date of prior redemption thereof, upon presentation and surrender of such Bond at the Designated Payment/Transfer Office of the Paying Agent/Registrar.

(e) If the date for the payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, legal holiday, or day on which banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are required or authorized by law or executive order to close, the date for such payment shall be the next succeeding day that is not a Saturday, Sunday, legal holiday, or day on which banking institutions are required or authorized to close, and payment on such date shall for all purposes be deemed to have been made on the due date thereof as specified in Section 3.2 of this Indenture.

(f) Unclaimed payments of amounts due hereunder shall be segregated in a special account and held in trust, uninvested by the Paying Agent/Registrar, for the account of the Owner of the Bonds to which such unclaimed payments pertain. Subject to any escheat, abandoned property, or similar law of the State of Texas, any such payments remaining unclaimed by the Owners entitled thereto for two (2) years after the applicable payment or redemption date shall be applied to the next payment or payments on such Bonds thereafter coming due and, to the extent any such money remains after the retirement of all Outstanding Bonds, shall be paid to the City to be used for any lawful purpose. Thereafter, none of the City, the Paying Agent/Registrar, or any other Person shall be liable or responsible to any holders of such Bonds for any further payment of such unclaimed moneys or on account of any such Bonds, subject to any applicable escheat law or similar law of the State of Texas, including the provisions of Title 6 of the Texas Property Code, as amended.

Section 3.5. Execution and Registration of Bonds.

(a) The Bonds shall be executed on behalf of the City by the Mayor or Mayor Pro Tem and City Secretary, by their manual or facsimile signatures, and the official seal of the City shall be impressed or placed in facsimile thereon. Such facsimile signatures on the Bonds shall have the same effect as if each of the Bonds had been signed manually and in person by each of said officers, and such facsimile seal on the Bonds shall have the same effect as if the official seal of the City had been manually impressed upon each of the Bonds.

(b) In the event that any officer of the City whose manual or facsimile signature appears on the Bonds ceases to be such officer before the authentication of such Bonds or before the delivery thereof, such manual or facsimile signature nevertheless shall be valid and sufficient for all purposes as if such officer had remained in such office.

(c) Except as provided below, no Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit of this Indenture unless and until there appears thereon the Certificate of Trustee substantially in the form provided herein, duly authenticated by manual execution by an officer or duly authorized signatory of the Trustee. It shall not be required that the same officer or authorized signatory of the Trustee sign the Certificate of Trustee on all of the Bonds. In lieu of the executed Certificate of Trustee described above, the Initial Bond delivered at the Closing Date shall have attached thereto the Comptroller's Registration Certificate substantially in the form provided herein, manually executed by the Comptroller of Public Accounts of the State of Texas, or by her duly authorized agent, which certificate shall be evidence that the Initial Bond has been duly approved by the Attorney General of the State of Texas, is a valid and binding obligation of the City, and has been registered by the Comptroller of Public Accounts of the State of Texas, including the provisions of Title 6 of the Texas Property Code, as amended.

(d) On the Closing Date, one Initial Bond representing the entire principal amount of all Bonds, payable in stated installments to the Purchaser, or its designee, executed with the manual or facsimile signatures of the Mayor or Mayor Pro Tem and the City Secretary, approved by the Attorney General, and registered and manually signed by the Comptroller of Public Accounts, will be delivered to the Purchaser or its designee. Upon payment for the Initial Bond, the Trustee shall cancel the Initial Bond and deliver to DTC on behalf of the Purchaser one registered definitive Bond for each year of maturity of the Bonds, in the aggregate principal amount of all Bonds for such maturity, registered in the name of Cede & Co., as nominee of DTC.

Section 3.6. Ownership.

(a) The City, the Trustee the Paying Agent/Registrar and any other Person may treat the Person in whose name any Bond is registered as the absolute owner of such Bond for the purpose of making and receiving payment as provided herein (except interest shall be paid to the Person in whose name such Bond is registered on the relevant Record Date) and for all other purposes, whether or not such Bond is overdue, and neither the City nor the Trustee, nor the Paying Agent/Registrar, shall be bound by any notice or knowledge to the contrary.

(b) All payments made to the Owner of any Bond shall be valid and effectual and shall discharge the liability of the City, the Trustee and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

Section 3.7. Registration, Transfer and Exchange.

(a) So long as any Bond remains Outstanding, the City shall cause the Paying Agent/Registrar to keep at the Designated Payment/Transfer Office a Register in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds in accordance with this Indenture. The Paying Agent/Registrar represents and warrants that it will file and maintain a copy of the Register with the City, and shall cause the Register to be current with all registration and transfer information as from time to time may be applicable.

(b) A Bond shall be transferable only upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar. No transfer of any Bond shall be effective until entered in the Register.

(c) The Bonds shall be exchangeable upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar for a Bond or Bonds of the same maturity and interest rate and in any Authorized Denomination and in an aggregate principal amount equal to the unpaid principal amount of the Bond presented for exchange. The Trustee is hereby authorized to authenticate and deliver Bonds exchanged for other Bonds in accordance with this Section.

(d) The Trustee is hereby authorized to authenticate and deliver Bonds transferred or exchanged in accordance with this Section. A new Bond or Bonds will be delivered by the Paying Agent/Registrar, in lieu of the Bond being transferred or exchanged, at the Designated Payment/Transfer Office, or sent by United States mail, first class, postage prepaid, to the Owner or his designee. Each transferred Bond delivered by the Paying Agent/Registrar in accordance with this Section shall constitute an original contractual obligation of the City and

shall be entitled to the benefits and security of this Indenture to the same extent as the Bond or Bonds in lieu of which such transferred Bond is delivered.

(e) Each exchange Bond delivered in accordance with this Section shall constitute an original contractual obligation of the City and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond or Bonds in lieu of which such exchange Bond is delivered.

(f) No service charge shall be made to the Owner for the initial registration, subsequent transfer, or exchange for a different Authorized Denomination of any of the Bonds. The Paying Agent/Registrar, however, may require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer, or exchange of a Bond.

(g) Neither the City nor the Paying Agent/Registrar shall be required to issue, transfer, or exchange any Bond or portion thereof called for redemption prior to maturity within forty-five (45) days prior to the date fixed for redemption; provided, however, such limitation shall not be applicable to an exchange by the Owner of the uncalled principal balance of a Bond.

Section 3.8. Cancellation.

All Bonds paid or redeemed before scheduled maturity in accordance with this Indenture, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance with this Indenture, shall be cancelled, and proper records shall be made regarding such payment, redemption, exchange, or replacement. The Paying Agent/Registrar shall dispose of cancelled Bonds in accordance with the records retention requirements of the Trustee.

Section 3.9. Temporary Bonds.

(a) Following the delivery and registration of the Initial Bond and pending the preparation of definitive Bonds, the proper officers of the City may execute and, upon the City's request, the Trustee shall authenticate and deliver, one or more temporary Bonds that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any denomination, substantially of the tenor of the definitive Bonds in lieu of which they are delivered, without coupons, and with such appropriate insertions, omissions, substitutions and other variations as the officers of the City executing such temporary Bonds may determine, as evidenced by their signing of such temporary Bonds.

(b) Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the benefit and security of this Indenture.

(c) The City, without unreasonable delay, shall prepare, execute and deliver to the Trustee the Bonds in definitive form; thereupon, upon the presentation and surrender of the Bond or Bonds in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall cancel the Bonds in temporary form and the Trustee shall authenticate and deliver in exchange therefor a Bond or Bonds of the same maturity and series, in definitive form, in the Authorized Denomination, and in the same aggregate principal amount, as the Bond or Bonds in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

Section 3.10. Replacement Bonds.

(a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Bond, the Trustee shall authenticate and deliver in exchange therefor a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding. The City or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Trustee, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond of like tenor and principal amount bearing a number not contemporaneously outstanding, provided that the Owner first complies with the following requirements:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar and the Trustee to save them and the City harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Trustee and the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the City and the Trustee.

(c) After the delivery of such replacement Bond, if a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the City and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the Person to whom it was delivered or any Person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost, or expense incurred by the City, the Paying Agent/Registrar or the Trustee in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond, may pay such Bond if it has become due and payable or may pay such Bond when it becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the City and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Section 3.11. Book-Entry Only System.

The Bonds shall initially be issued in book-entry-only form and shall be deposited with DTC, which is hereby appointed to act as the securities depository therefor, in accordance with

the letter of representations from the City to DTC. On the Closing Date the definitive Bonds shall be issued in the form of a single typewritten certificate for each maturity thereof registered in the name of Cede & Co., as nominee for DTC.

With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any Person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the City and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other Person, other than an Owner, as shown on the Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other Person, other than an Owner, as shown in the Register of any amount with respect to principal of, premium, if any, or interest on the Bonds. Notwithstanding any other provision of this Indenture to the contrary, the City and the Paying Agent/Registrar shall be entitled to treat and consider the Person in whose name each Bond is registered in the Register as the absolute owner of such Bond for the purpose of payment of principal of, premium, if any, and interest on Bonds, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Owners as shown in the Register, as provided in this Indenture, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No Person other than an Owner, as shown in the Register, shall receive a Bond certificate evidencing the obligation of the City to make payments of amounts due pursuant to this Indenture. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Indenture with respect to interest checks or drafts being mailed to the registered owner at the close of business on the relevant Record Date, the word "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

Section 3.12. Successor Securities Depository: Transfer Outside Book-Entry-Only System.

In the event that the City determines that DTC is incapable of discharging its responsibilities described herein and in the letter of representations from the City to DTC, the City shall (i) appoint a successor securities depository, qualified to act as such under Section 17A of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository; or (ii) notify DTC and DTC Participants of the availability through DTC of certificated Bonds and cause the Paying Agent/Registrar to transfer one or more separate registered Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Indenture.

Section 3.13. Payments to Cede & Co.

Notwithstanding any other provision of this Indenture to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bonds, and all notices with respect to such Bonds shall be made and given, respectively, in the manner provided in the blanket letter of representations from the City to DTC.

(b) At least forty-five (45) days prior to each sinking fund redemption date, the Trustee shall select a principal amount of Bonds of such maturity equal to the Sinking Fund Installment amount of such Bonds to be redeemed, shall call such Bonds for redemption on such scheduled mandatory redemption date, and shall give notice of such redemption, as provided in Section 4.6.

(c) The principal amount of Bonds of a stated maturity required to be redeemed on any redemption date pursuant to subparagraph (a) of this Section 4.2 shall be reduced, at the option of the City, by the principal amount of any Bonds of such maturity which, at least 45 days prior to the sinking fund redemption date shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation.

(d) The principal amount of Bonds required to be redeemed on any redemption date pursuant to subparagraph (a) of this Section 4.2 shall be reduced on a pro rata basis among Sinking Fund Installments by the principal amount of any Bonds which, at least forty-five (45) days prior to the sinking fund redemption date, shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption provisions hereof and not previously credited to a sinking mandatory fund redemption.

Section 4.3. Optional Redemption.

(a) The City reserves the right and option to redeem the Bonds maturing on or after September 1, 20__ before their scheduled maturity dates, in whole or in part, on any date on or after September 1, 20__, at par plus accrued interest to the date of redemption.

Section 4.4. Extraordinary Optional Redemption.

Notwithstanding any provision in this Indenture to the contrary, the City reserves the right and option to redeem Bonds before their respective scheduled maturity dates, in whole or in part, on the first day of any month, at 100% of the principal amount of such Bonds, or portions thereof, to be redeemed plus accrued interest to the date of redemption from amounts on deposit in the Redemption Fund as a result of Prepayments (including related transfers to the Redemption Fund as provided in Section 6.7(c)), transfers to the Redemption Fund made pursuant to Section 6.3(d), 6.3(e), 6.3(f), 6.7(a), 6.7(c), 6.7(g), or 6.7(i) hereof, or as a result of unexpended amounts transferred from the Project Fund as provided in Section 6.5(e).

Section 4.5. Partial Redemption.

(a) If less than all of the Bonds are to be redeemed pursuant to either Sections 4.2, 4.3 or 4.4, Bonds shall be redeemed in minimum principal amounts equal to the Authorized Denomination in effect at such time by any method selected by the Trustee that results in a random selection. Each Bond shall be treated as representing the number of Bonds that is obtained by dividing the principal amount of such Bond by the smallest Authorized Denomination for such Bond.

(b) A portion of a single Bond of a denomination greater than an Authorized Denomination may be redeemed, but only in increments equal to the Authorized Denomination in effect at that time. The Trustee shall treat each such increment as though it were a single bond for purposes of redemption.

(c) Notwithstanding any provision in this Indenture to the contrary, including Section 4.5(b) above, if any Bonds are to be redeemed pursuant to Section 4.4 and such redemption results in the redemption of a portion of a single Bond in an amount less than the Authorized Denomination in effect at that time, a Bond in the principal amount equal to the unredeemed portion, but not less than \$5,000, may be issued.

(d) Upon surrender of any Bond for redemption in part, the Trustee in accordance with Section 3.7 of this Indenture, shall authenticate and deliver and exchange the Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered, such exchange being without charge.

Section 4.6. Notice of Redemption to Owners.

(a) The Trustee shall give notice of any redemption of Bonds by sending notice by first class United States mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond or portion thereof to be redeemed, at the address shown in the Register.

(b) The notice shall state the redemption date, the redemption price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, and subject to Section 4.6 hereof, an identification of the Bonds or portions thereof to be redeemed, any conditions to such redemption and that on the redemption date, if all conditions, if any, to such redemption have been satisfied, such Bond shall become due and payable.

(c) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

(d) The City has the right to rescind any optional redemption or extraordinary optional redemption described in Section 4.3 or 4.4 by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under the Indenture. The Trustee shall mail notice of rescission of redemption in the same manner notice of redemption was originally provided.

(e) With respect to any optional redemption of the Bonds, unless the Trustee has received funds sufficient to pay the redemption price of the Bonds to be redeemed before giving of a notice of redemption, the notice may state the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

Section 4.7. Payment Upon Redemption.

(a) The Trustee shall make provision for the payment of the Bonds to be redeemed on such date by setting aside and holding in trust an amount from the Redemption Fund or otherwise received by the Trustee from the City and shall use such funds solely for the purpose of paying the redemption price on the Bonds being redeemed.

(b) Upon presentation and surrender of any Bond called for redemption at the designated corporate trust office of the Trustee on or after the date fixed for redemption, the Trustee shall pay the redemption price on such Bond to the date of redemption from the moneys set aside for such purpose.

Section 4.8. Effect of Redemption.

Notice of redemption having been given as provided in Section 4.6 of this Indenture, the Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption provided that funds for the payment of the redemption price of such Bonds or the principal of and interest on such Bonds, as applicable, to the date fixed for redemption are on deposit with the Trustee; thereafter, such Bonds or portions thereof shall cease to bear interest from and after the date fixed for redemption, whether or not such Bonds are presented and surrendered for payment on such date.

ARTICLE V

It is expressly provided, however, that the presence or absence of CUSIP numbers on the Bonds shall be of no significance or effect as regards the legality thereof; and, none of the City, the Trustee, or the attorneys approving said Bonds as to legality are to be held responsible for CUSIP numbers incorrectly printed on the Bonds. The Trustee may include in any redemption notice a statement to the effect that the CUSIP numbers on the Bonds have been assigned by an independent service and are included in such notice solely for the convenience of the Owners of the Bonds and that neither the City nor the Trustee shall be liable for any inaccuracies of such numbers.

Section 5.3. Legal Opinion.

The approving legal opinion of Bond Counsel may be printed on or attached to each Bond over the certification of the City Secretary of the City, which may be executed in facsimile.

(b) From time to time as needed to pay the obligations relating to the Bonds, but no later than five (5) Business Days before each Interest Payment Date, the Trustee shall withdraw from the Pledged Revenue Fund and transfer to the Principal and Interest Account of the Bond Fund, an amount, taking into account any amounts then on deposit in such Principal and Interest Account and any expected transfers from the Capitalized Interest Account to the Principal and Interest Account, such that the amount on deposit in the Principal and Interest Account equals the principal (including any Sinking Fund Installments) and interest due on the Bonds on the next Interest Payment Date.

(c) If, after the foregoing transfers and any transfer from the Reserve Fund as provided in Section 6.7 herein, there are insufficient funds to make the payments provided in paragraph (b) above, the Trustee shall apply the available funds in the Principal and Interest Account first to the payment of interest, then to the payment of principal (including any Sinking Fund Installments) on the Bonds.

Section 6.4. Bond Fund.

(a) On each Interest Payment Date, the Trustee shall withdraw from the Principal and Interest Account and transfer to the Paying Agent/Registrar the principal (including any Sinking Fund Installments) and interest then due and payable on the Bonds, less any amount to be used to pay interest on the Bonds on such Interest Payment Date from the Capitalized Interest Account as provided below.

(b) If amounts in the Principal and Interest Account are insufficient for the purposes set forth in paragraph (a) above, the Trustee shall withdraw from the Reserve Fund amounts to cover the amount of such insufficiency in the order described in Section 6.7(g) hereof. Amounts so withdrawn from the Reserve Fund shall be deposited in the Principal and Interest Account and transferred to the Paying Agent/Registrar.

(c) Moneys in the Capitalized Interest Account shall be used for the payment of interest on the Bonds on the following dates and in the following amounts:

Section 6.5. Project Fund.

(a) Money on deposit in the Project Fund shall be used for the purposes specified in Section 3.1 hereof.

(b) Any funds received at Closing pursuant to the PID Reimbursement Agreement shall be applied as provided therein. Such provisions and procedures are herein incorporated by reference and deemed set forth herein in full.

(c) Disbursements from the Costs of Issuance Account of the Project Fund shall be made by the Trustee to pay costs of issuance of the Bonds pursuant to one or more City Certificates. Disbursements from all other Accounts of the Project Fund to pay Actual Costs shall be made by the Trustee upon receipt by the Trustee of a properly executed and completed Certificate for Payment. The disbursement of funds from the Project Fund pursuant to a Certificate for Payment shall be pursuant to and accordance with the disbursement procedures described in the PID Reimbursement Agreement; and, such disbursements shall be made first from the Phase #1 Improvement Account or the Phase #1 Major Improvement Account of the Project Fund until all funds in such accounts are depleted and then next from the Developer Improvement Account of the Project Fund. Such provisions and procedures related to such disbursement contained in the PID Reimbursement Agreement, and no other provisions of the PID Reimbursement Agreement, are herein incorporated by reference and deemed set forth herein in full.

(d) The Phases #2-7 Major Improvement Bond Indenture has established thereunder the Phases #2-7 Major Improvement Account purposes of paying the Actual Costs of the Major Improvements allocable to Phases #2-7 pursuant to and as described in the Service and Assessment Plan. Upon receipt of, and pursuant to instructions contained within,

Indenture of Trust
28270127.8/1000194157

a Certificate for Payment, the Trustee shall disburse amounts from the Phase #1 Major Improvement Account of the Project Fund to pay costs of the Phase #1 Improvements consisting of Phase #1's pro-rata share of the Major Improvements in an amount equal to the portion allocable to the Phase #1 Assessed Parcels within Phase #1 as provided in the Service and Assessment Plan, with the remainder of the Actual Costs of the Major Improvements to be paid from the Phases #2-7 Major Improvement Account. Each Certificate for Payment shall set forth the amount of the costs of an individual Major Improvement to be paid from the Phase #1 Major Improvement Account of the Project Fund and the amount to be paid from the Phases #2-7 Major Improvement Account.

(e) If the City Representative determines in his or her sole discretion that amounts then on deposit in the Phase #1 Improvement Account of the Project Fund or the Phase #1 Major Improvement Account of the Project Fund are not expected to be expended for purposes of the Project Fund due to the abandonment, or constructive abandonment, of the Phase #1 Improvements, as the case may be, such that, in the opinion of the City Representative, it is unlikely that the amounts in the Phase #1 Improvement Account of the Project Fund or the Phase #1 Major Improvement Account of the Project Fund will ever be expended for the purposes of the Project Fund, the City Representative shall file a City Certificate with the Trustee which identifies the amounts then on deposit in the Phase #1 Improvement Account of the Project Fund or the Phase #1 Major Improvement Account of the Project Fund that are not expected to be used for purposes of the Project Fund. If such City Certificate is so filed, the amounts on deposit in the Phase #1 Improvement Account of the Project Fund or the Phase #1 Major Improvement Account of the Project Fund shall be transferred to the Redemption Fund to redeem Bonds on the earliest practicable date after notice of redemption has been provided in accordance with the Indenture.

(f) In making any determination pursuant to this Section, the City Representative may conclusively rely upon a certificate of an Independent Financial Consultant.

(g) Upon the filing of a City Certificate stating that all Phase #1 Improvements have been completed and that all Actual Costs of the Phase #1 Improvements have been paid, or that any such Actual Costs are not required to be paid from the Phase #1 Improvement Account of the Project Fund or the Phase #1 Major Improvement Account of the Project Fund pursuant to a Certificate for Payment, the Trustee (i) shall transfer the amount, if any, remaining within the Phase #1 Improvement Account and Phase #1 Major Improvement Project Fund to the Bond Fund, (ii) shall transfer any remaining amount in the Developer Improvement Account of the Project Fund to the Developer, and (iii) shall close the Project Fund.

(h) Upon a determination by the City Representative that all costs of issuance of the Bonds have been paid, any amounts remaining in the Costs of Issuance Account shall be transferred to another Account in the Project Fund and used to pay Actual Costs or to the Principal and Interest Account of the Bond Fund and used to pay interest on the Bonds, as directed by the City in a City Certificate filed with the Trustee, and the Costs of Issuance Account shall be closed.

Section 6.6. Redemption Fund.

(a) The Trustee shall cause to be deposited to the Redemption Fund from the Pledged Revenue Fund an amount sufficient to redeem Bonds as provided in Sections 4.3 and 4.4 on the dates specified for redemption as provided in Sections 4.3 and 4.4. Amounts on deposit in the Redemption Fund shall be used and withdrawn by the Trustee to redeem Bonds as provided in Article IV.

Section 6.7. Reserve Fund.

(a) The City agrees with the Owners of the Bonds to accumulate from the deposits outlined in Section 6.3(a) hereof, and when accumulated maintain in the Reserve Account, an amount equal to not less than the Reserve Account Requirement. All amounts deposited in the Reserve Account shall be used and withdrawn by the Trustee for the purpose of making transfers to the Principal and Interest Account of the Bond Fund as provided in this Indenture. The Trustee will transfer from the Pledged Revenue Fund to the Additional Interest Reserve Account on March 1 of each year, commencing March 1, 2019, an amount equal to the Additional Interest until the Additional Interest Reserve Requirement has been accumulated in the Additional Interest Reserve Account; provided, however, that at any time the amount on deposit in the Additional Interest Reserve Account is less than Additional Interest Reserve Requirement, the Trustee shall resume depositing the Additional Interest into the Additional Interest Reserve Account until the Additional Interest Reserve Requirement has accumulated in the Additional Interest Reserve Account. Whenever, on any Interest Payment Date, or on any other date at the written request of the City Representative, the amounts on deposit in the Additional Interest Reserve Account exceed the Additional Interest Reserve Requirement, the Trustee shall provide written notice to the City of the amount of the excess (the "Excess Additional Interest Reserve Amount"). The Excess Additional Interest Reserve Amount shall be transferred, at the direction of the City pursuant to a City Order, to the Administrative Fund or as otherwise directed in a City Order. In the event that the Trustee does not receive a City Order directing the transfer of the Excess Additional Interest Reserve Amount to the Administrative Fund within 45 days of providing notice to the City of such Excess Additional Interest Reserve Amount, the Trustee shall transfer the Excess Additional Interest Reserve Amount to the Redemption Fund to redeem Bonds pursuant to Section 4.4 hereof. Whenever a transfer is made from the Reserve Account to the Bond Fund due to a deficiency in the Bond Fund, the Trustee shall provide written notice thereof to the City, specifying the amount withdrawn and the source of said funds.

(b) Whenever a transfer is made from the Reserve Account to the Bond Fund due to a deficiency in the Bond Fund, the Trustee shall provide a written notice thereof to the City, specifying the amount withdrawn and the source of said funds.

(c) Whenever Bonds are to be redeemed with the proceeds of Prepayments pursuant to Section 4.4, a proportionate amount in the Reserve Account of the Reserve Fund shall be transferred on the Business Day prior to the redemption date by the Trustee to the Redemption Fund to be applied to the redemption of the Bonds. The amount so transferred from the Reserve Account of the Reserve Fund shall be equal to a percentage of the amount of the Bonds redeemed with such percentage equal to the lesser of: (i) the amount required to be in the Reserve Account of the Reserve Fund, as a percentage of the Outstanding Bonds prior to the redemption, and (ii) the amount actually in the Reserve Account of the Reserve Fund, as a percentage of the Outstanding Bonds prior to the redemption. If after such transfer, and after applying investment earnings on the Prepayment toward payment of accrued interest, there are insufficient funds to pay the principal amount plus accrued and unpaid interest on such Bonds to the date fixed for redemption of the Bonds to be redeemed as a result of such Prepayment, the Trustee shall transfer an amount equal to the shortfall from the Additional Interest Reserve Account to the Redemption Fund to be applied to the redemption of the Bonds.

(d) Whenever, on any Interest Payment Date, or on any other date at the written request of a City Representative, the amount in the Reserve Account exceeds the Reserve Account Requirement, the Trustee shall provide written notice to the City Representative of the

amount of the excess. Such excess shall be transferred to the Principal and Interest Account to be used for the payment of interest on the Bonds on the next Interest Payment Date in accordance with Section 6.4 hereof, unless within thirty days of such notice to the City Representative, the Trustee receives a City Order instructing the Trustee to apply such excess: (i) to pay amounts due under Section 6.8 hereof, (ii) to the Administrative Fund in an amount not more than the Administrative Expenses for the Bonds, or (iii) to the Project Fund if such application and the expenditure of funds is expected to occur within three years of the date hereof.

(e) Reserved.

(f) Whenever, on any Interest Payment Date, the amount on deposit in the Bond Fund is insufficient to pay the debt service on the Bonds due on such date, the Trustee shall transfer first from the Additional Interest Reserve Account of the Reserve Fund and second from the Reserve Account of the Reserve Fund to the Bond Fund the amounts necessary to cure such deficiency.

(g) At the final maturity of the Bonds, the amount on deposit in the Reserve Account and the Additional Interest Reserve Account shall be transferred to the Redemption Fund and applied to the payment of the principal of the Bonds.

(h) If, after a Reserve Fund withdrawal, the amount on deposit in the Reserve Account of the Reserve Fund is less than the Reserve Fund Requirement, the Trustee shall transfer from the Pledged Revenue Fund to the Reserve Account of the Reserve Fund the amount of such deficiency, in accordance with Section 6.3.

(i) If the amount held in the Reserve Fund together with the amount held in the Bond Fund and Redemption Fund is sufficient to pay the principal amount and of all Outstanding Bonds on the next Interest Payment Date, together with the unpaid interest accrued on such Bonds as of such Interest Payment Date, the moneys shall be transferred to the Redemption Fund and thereafter used to redeem all Bonds as of such Interest Payment Date.

Section 6.8. Rebate Fund: Rebate Amount.

(a) There is hereby established a special fund of the City to be designated "City of Celina, Texas, Rebate Fund" (the "Rebate Fund") to be held by the Trustee in accordance with the terms and provisions of this Indenture. Amounts on deposit in the Rebate Fund shall be used solely for the purpose of paying amounts due the United States Government in accordance with the Code.

(b) In order to assure that Rebate Amount is paid to the United States rather than to a third party, investments of funds on deposit in the Rebate Fund shall be made in accordance with the Code and the Tax Certificate.

(c) The Trustee conclusively shall be deemed to have complied with the provisions of this Section and Section 7.5(h) and shall not be liable or responsible if it follows the instructions of the City and shall not be required to take any action under this Section and Section 7.5(h) in the absence of written instructions from the City.

(d) If, on the date of each annual calculation, the amount on deposit in the Rebate Fund exceeds the Rebate Amount, the City may direct the Trustee, pursuant to a City Order, to transfer the amount in excess of the Rebate Amount to the Bond Fund.

Section 6.9. Administrative Fund.

(a) The City shall deposit or cause to be deposited to the District Administration Account of the Administrative Fund the amounts collected each year to pay Administrative Expenses and Delinquent Collection Costs.

(b) Moneys in the District Administration Account of the Administrative Fund shall be held by the Trustee separate and apart from the other Funds created and administered hereunder and used as directed by a City Order solely for the purposes set forth in the Service and Assessment Plan.

Section 6.10. Investment of Funds.

(a) Money in any Fund established pursuant to this Indenture shall be invested by the Trustee as directed by the City pursuant to a City Order filed with the Trustee at least two (2) days in advance of the making of such investment in time deposits or certificates of deposit secured in the manner required by law for public funds, or be invested in direct obligations of, including obligations the principal and interest on which are unconditionally guaranteed by, the United States of America, in obligations of any agencies or instrumentalities thereof, or in such other investments as are permitted under the Public Funds Investment Act, Texas Government Code, Chapter 2256, as amended, or any successor law, as in effect from time to time; provided that all such deposits and investments shall be made in such manner (which may include repurchase agreements for such investment with any primary dealer of such agreements) that the money required to be expended from any Fund will be available at the proper time or times. Such investments shall be valued each year in terms of current market value as of September 30. For purposes of maximizing investment returns, to the extent permitted by law, money in such Funds may be invested in common investments of the kind described above, or in a common pool of such investment which shall be kept and held at an official depository bank, which shall not be deemed to be or constitute a commingling of such money or funds provided that safekeeping receipts or certificates of participation clearly evidencing the investment or investment pool in which such money is invested and the share thereof purchased with such money or owned by such Fund are held by or on behalf of each such Fund. If necessary, such investments shall be promptly sold to prevent any default.

(b) Obligations purchased as an investment of moneys in any Fund shall be deemed to be part of such Fund or Account, subject, however, to the requirements of this Indenture for transfer of interest earnings and profits resulting from investment of amounts in Funds and Accounts. Whenever in this Indenture any moneys are required to be transferred by the City to the Trustee, such transfer may be accomplished by transferring a like amount of Investment Securities.

(c) The Trustee and its affiliates may act as sponsor, advisor, depository, principal or agent in the acquisition or disposition of any investment. The Trustee shall not incur any liability for losses arising from any investments made pursuant to this Section. The Trustee shall not be required to determine the suitability or legality of any investments.

(d) Investments in any and all Funds and Accounts may be commingled in a separate fund or funds for purposes of making, holding and disposing of investments,

notwithstanding provisions herein for transfer to or holding in or to the credit of particular Funds or Accounts of amounts received or held by the Trustee hereunder, provided that the Trustee shall at all times account for such investments strictly in accordance with the Funds and Accounts to which they are credited and otherwise as provided in this Indenture.

(e) The Trustee will furnish the City monthly cash transaction statements which include detail for all investment transactions made by the Trustee hereunder; and, unless the Trustee receives a written request, the Trustee is not required to provide brokerage confirmations so long as the Trustee is providing such monthly cash transaction statements.

Section 6.11. Security of Funds.

All Funds heretofore created or reaffirmed, to the extent not invested as herein permitted, shall be secured in the manner and to the fullest extent required by law for the security of public funds, and such Funds shall be used only for the purposes and in the manner permitted or required by this Indenture.

ARTICLE VII

COVENANTS

Section 7.1. Confirmation of Assessments.

The City hereby confirms, covenants, and agrees that, in the Assessment Ordinance, it has levied the Assessments against the respective Phase #1 Assessed Parcels from which the Pledged Revenues will be collected and received.

Section 7.2. Collection and Enforcement of Assessments.

(a) For so long as any Bonds are Outstanding and amounts are due the Developer to reimburse it for its funds it has contributed to pay costs of the Phase #1 Improvements, the City covenants, agrees and warrants that it will take and pursue all actions permissible under Applicable Laws to cause the Assessments to be collected and the liens thereof enforced continuously, in the manner and to the maximum extent permitted by Applicable Laws, and, to the extent permitted by Applicable Laws, to cause no reduction, abatement or exemption in the Assessments.

(b) The City will determine or cause to be determined, no later than February 15 of each year, whether or not any Annual Installment is delinquent and, if such delinquencies exist, the City will order and cause to be commenced as soon as practicable any and all appropriate and legally permissible actions to obtain such Annual Installment, and any delinquent charges and interest thereon, including diligently prosecuting an action in district court to foreclose the currently delinquent Annual Installment. Notwithstanding the foregoing, the City shall not be required under any circumstances to purchase or make payment for the purchase of the delinquent Assessment or the corresponding Phase #1 Assessed Parcel.

Section 7.3. Against Encumbrances.

(a) Other than bonds issued to refund all or a portion of the Bonds, the City shall not create and, to the extent Pledged Revenues are received, shall not suffer to remain, any lien, encumbrance or charge upon the Pledged Revenues, other than that specified in Section 9.6

of this Indenture, or upon any other property pledged under this Indenture, except the pledge created for the security of the Bonds, and other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds.

(b) So long as Bonds are Outstanding hereunder, the City shall not issue any bonds, notes or other evidences of indebtedness other than the Bonds and bonds issued to refund all or a portion of the Bonds secured by any pledge of or other lien or charge on the Pledged Revenues or other property pledged under this Indenture, other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds.

Section 7.4. Records, Accounts, Accounting Reports.

The City hereby covenants and agrees that so long as any of the Bonds or Outstanding Bonds or any interest thereon remain outstanding and unpaid, and the obligation to the Developer to reimburse it for funds it has contributed to pay costs of the Authorized Improvements remain outstanding and unpaid, it will keep and maintain a proper and complete system of records and accounts pertaining to the Assessments. The Trustee and holder or holders of any Bonds or any duly authorized agent or agents of such holders shall have the right at all reasonable times to inspect all such records, accounts, and data relating thereto, upon written request to the City by the Trustee or duly authorized representative, as applicable. The City shall provide the Trustee or duly authorized representative, as applicable, an opportunity to inspect such books and records relating to the Bonds during the City's regular business hours and on a mutually agreeable date not later than thirty days after the City receives such request.

Section 7.5. Covenants to Maintain Tax-Exempt Status.

(a) Definitions. When used in this Section, the following terms shall have the following meanings:

"Closing Date" means the date on which the Bonds are first authenticated and delivered to the initial purchasers against payment therefor.

"Code" means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

"Computation Date" has the meaning set forth in section 1.148-1(b) of the Regulations.

"Gross Proceeds" means any proceeds as defined in section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in section 1.148-1(c) of the Regulations, of the Bonds.

"Investment" has the meaning set forth in section 1.148-1(b) of the Regulations.

"Nonpurpose Investment" means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds.

“Regulations” means any proposed, temporary or final Income Tax Regulations issued pursuant to sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

“Yield” of (1) any Investment has the meaning set forth in section 1.148-5 of the Regulations; and (2) the Bonds has the meaning set forth in section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the City shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Bonds:

(i) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds, and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(ii) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan.

(i) Except to the extent permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be “loaned” to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates

a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(ii) The City covenants and agrees that the levied Assessments will meet the requirements of the "tax assessment loan exception" within the meaning of section 1.141-5(d) of the Regulations on the date the Bonds are delivered and will ensure that the Assessments continue to meet such requirements for so long as the Bonds are outstanding hereunder.

(e) Not to Invest at Higher Yield. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested) if, as a result of such investment, the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Bonds.

(f) Not Federally Guaranteed. Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The City shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in section 148(f) of the Code and the Regulations and rulings thereunder:

(i) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Bond is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Bonds with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(ii) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.

(iii) As additional consideration for the purchase of the Bonds by the Purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from

the gross income of the owners thereof for federal income tax purposes, the City shall, pursuant to a City Order, direct the Trustee to transfer to the Rebate Fund from the funds or subaccounts designated in such City Order and direct the Trustee to pay to the United States from the Rebate Fund the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(iv) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (ii) and (iii), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

(j) Elections. The City hereby directs and authorizes the Mayor, Mayor Pro Tem, City Manager, Assistant City Manager, Director of Finance, or City Secretary, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Bonds, in the Tax Certificate or similar or other appropriate certificate, form or document.

ARTICLE VIII

LIABILITY OF CITY

The City shall not incur any responsibility in respect of the Bonds or this Indenture other than in connection with the duties or obligations explicitly herein or in the Bonds assigned to or imposed upon it. The City shall not be liable in connection with the performance of its duties hereunder, except for its own willful default or act of bad faith. The City shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, conditions covenants or agreements of the Trustee herein or of any of the documents executed by the Trustee in connection with the Bonds, or as to the existence of a default or event of default thereunder.

In the absence of bad faith, the City may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions

furnished to the City and conforming to the requirements of this Indenture. The City shall not be liable for any error of judgment made in good faith unless it shall be proved that it was negligent in ascertaining the pertinent facts.

No provision of this Indenture, the Bonds, the Assessment Ordinance, or any agreement, document, instrument, or certificate executed, delivered or approved in connection with the issuance, sale, delivery, or administration of the Bonds (the "Bond Documents"), shall require the City to expend or risk its own general funds or otherwise incur any financial liability (other than with respect to the Pledged Revenues and the Administrative Expenses) in the performance of any of its obligations hereunder, or in the exercise of any of its rights or powers, if in the judgment of the City there are reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it.

Neither the Owners nor any other Person shall have any claim against the City or any of its officers, officials, agents, or employees for damages suffered as a result of the City's failure to perform in any respect any covenant, undertaking, or obligation under any Bond Documents or as a result of the incorrectness of any representation in, or omission from, any of the Bond Documents, except to the extent that any such claim relates to an obligation, undertaking, representation, or covenant of the City, in accordance with the Bond Documents and the PID Act. Any such claim shall be payable only from Pledged Revenues or the amounts collected to pay Administrative Expenses on deposit in the Administrative Fund. Nothing contained in any of the Bond Documents shall be construed to preclude any action or proceeding in any court or before any governmental body, agency, or instrumentality against the City or any of its officers, officials, agents, or employees to enforce the provisions of any of the Bond Documents or to enforce all rights of the Owners of the Bonds by mandamus or other proceeding at law or in equity.

The City may rely on and shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The City may consult with counsel with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its duties under this Indenture the City shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of willful misconduct on the part of the City, be deemed to be conclusively proved and established by a certificate of the Trustee, an Independent Financial Consultant, an independent inspector or City Manager or other person designated by the City Council to so act on behalf of the City, and such certificate shall be full warrant to the City for any action taken or suffered under the provisions of this Indenture upon the faith thereof, but in its discretion the City may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

In order to perform its duties and obligations hereunder, the City may employ such persons or entities as it deems necessary or advisable. The City shall not be liable for any of the acts or omissions of such persons or entities employed by it in good faith hereunder, and shall be entitled to rely, and shall be fully protected in doing so, upon the opinions, calculations, determinations, and directions of such persons or entities.

ARTICLE IX

THE TRUSTEE

Section 9.1. Trustee as Registrar and Paying Agent.

The Trustee is hereby designated and agrees to act as Registrar and Paying Agent for and in respect to the Bonds.

Section 9.2. Trustee Entitled to Indemnity.

The Trustee shall be under no obligation to institute any suit, or to undertake any proceeding under this Indenture, or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays, and counsel fees and other reasonable disbursements, and against all liability except as a consequence of its own negligence or willful misconduct. Nevertheless, the Trustee may begin suit, or appear in and defend suit, or do anything else in its judgment proper to be done by it as the Trustee, without indemnity, and in such case the Trustee may make transfers from the Pledged Revenue Fund or the District Administration Account of the Administrative Fund to pay all costs and expenses, outlays, and counsel fees and other reasonable disbursements properly incurred in connection therewith and shall be entitled to a preference therefor over any Bonds Outstanding hereunder.

Section 9.3. Responsibilities of the Trustee.

The recitals contained in this Indenture and in the Bonds shall be taken as the statements of the City and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or the Bonds or with respect to the security afforded by this Indenture, and the Trustee shall incur no liability with respect thereto. Except as otherwise expressly provided in this Indenture, the Trustee shall have no responsibility or duty with respect to: (i) the issuance of Bonds for value; (ii) the application of the proceeds thereof, except to the extent that such proceeds are received by it in its capacity as Trustee; (iii) the application of any moneys paid to the City or others in accordance with this Indenture, except as to the application of any moneys paid to it in its capacity as Trustee; or (iv) any calculation of arbitrage or rebate under the Code.

The duties and obligations of the Trustee shall be determined by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture.

The Trustee shall not be liable for any action taken or omitted by it in the performance of its duties under this Indenture, except for its own gross negligence or willful misconduct. In no event shall the Trustee be liable for incidental, indirect, special or consequential damages in connection with or arising from this Indenture for the existence, furnishing or use of the Authorized Improvements.

Section 9.4. Property Held in Trust.

All moneys and securities held by the Trustee at any time pursuant to the terms of this Indenture shall be held by the Trustee in trust for the purposes and under the terms and conditions of this Indenture.

Section 9.5. Trustee Protected in Relying on Certain Documents.

The Trustee may rely upon any order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond, or other document provided to the Trustee in accordance with the terms of this Indenture that it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or Person or to have been prepared and furnished pursuant to any of the provisions of this Indenture, or upon the written opinion of any counsel, architect, engineer, insurance consultant, management consultant, or accountant believed by the Trustee to be qualified in relation to the subject matter, and the Trustee shall be under no duty to make any investigation or inquiry into any statements contained or matters referred to in any such instrument. The Trustee may consult with counsel, who may or may not be Bond Counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered, or omitted to be taken by it in good faith and in accordance therewith.

Whenever the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Indenture, such matter may be deemed to be conclusively proved and established by a City Certificate, unless other evidence in respect thereof be hereby specifically prescribed. Such City Certificate shall be full warrant for any action taken or suffered in good faith under the provisions hereof, but in its discretion the Trustee may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable. Except as otherwise expressly provided herein, any request, order, notice, or other direction required or permitted to be furnished pursuant to any provision hereof by the City to the Trustee shall be sufficiently executed if executed in the name of the City by the City Representative.

The Trustee shall not be under any obligation to see to the recording or filing of this Indenture, or otherwise to the giving to any Person of notice of the provisions hereof except as expressly required in Section 9.13 herein.

Section 9.6. Compensation.

Unless otherwise provided by contract with the Trustee, the Trustee shall transfer from the Administrative Fund, from time to time, reasonable compensation for all services rendered by it hereunder, including its services as Registrar and Paying Agent, together with all its reasonable expenses, charges, and other disbursements and those of its counsel, agents and employees, incurred in and about the administration and execution of the trusts hereby created and the exercise of its powers and the performance of its duties hereunder, subject to any limit on the amount of such compensation or recovery of expenses or other charges as shall be prescribed by specific agreement, and the Trustee shall have a lien therefor on any and all funds at any time held by it hereunder prior to any Bonds Outstanding. None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if in the judgment of the Trustee there are reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it. If the City shall fail to make

any payment required by this Section, the Trustee may make such payment from any moneys in its possession under the provisions of this Indenture and shall be entitled to a preference therefor over any Bonds Outstanding hereunder.

Section 9.7. Permitted Acts.

The Trustee and its directors, officers, employees, or agents may become the owner of or may in good faith buy, sell, own, hold and deal in Bonds and may join in any action that any Owner of Bonds may be entitled to take as fully and with the same rights as if it were not the Trustee. The Trustee may act as depository, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, the City or any committee formed to protect the rights of holders of Bonds or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Indenture, whether or not such committee shall represent the holders of a majority in aggregate outstanding principal amount of the Bonds.

Section 9.8. Resignation of Trustee.

The Trustee may at any time resign and be discharged of its duties and obligations hereunder by giving not fewer than 30 days' notice, specifying the date when such resignation shall take effect, to the City and each Owner of any Outstanding Bond. Such resignation shall take effect upon the appointment of a successor as provided in Section 9.10 and the acceptance of such appointment by such successor.

Section 9.9. Removal of Trustee.

The Trustee may be removed at any time by (i) the Owners of at least a majority of the aggregate outstanding principal of the Bonds by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or by their attorneys-in-fact, duly authorized and delivered to the City, or (ii) so long as the City is not in default under this Indenture, the City. Copies of each such instrument shall be delivered by the City to the Trustee and any successor thereof. The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the City or the Owners of not less than 10% of the aggregate outstanding principal of the Bonds.

Section 9.10. Successor Trustee.

If the Trustee shall resign, be removed, be dissolved, or become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator, or conservator of the Trustee or of its property shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, the position of the Trustee hereunder shall thereupon become vacant.

If the position of Trustee shall become vacant for any of the foregoing reasons or for any other reason, a successor Trustee may be appointed within one year after any such vacancy shall have occurred by the Owners of at least twenty-five percent (25%) of the aggregate outstanding principal of the Bonds by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or their attorneys-in-fact, duly authorized and delivered to such successor Trustee, with notification thereof being given to the predecessor Trustee and the City.

Until such successor Trustee shall have been appointed by the Owners of the Bonds, the City shall forthwith appoint a Trustee to act hereunder. Copies of any instrument of the City providing for any such appointment shall be delivered by the City to the Trustee so appointed. The City shall mail notice of any such appointment to each Owner of any Outstanding Bonds within 30 days after such appointment. Any appointment of a successor Trustee made by the City immediately and without further act shall be superseded and revoked by an appointment subsequently made by the Owners of Bonds.

If in a proper case no appointment of a successor Trustee shall be made within 45 days after the giving by any Trustee of any notice of resignation in accordance with Section 9.8 herein or after the occurrence of any other event requiring or authorizing such appointment, the Trustee or any Owner of Bonds may apply to any court of competent jurisdiction for the appointment of such a successor, and the court may thereupon, after such notice, if any, as the court may deem proper, appoint such successor and the City shall be responsible for the costs of such appointment process.

Any successor Trustee appointed under the provisions of this Section shall be a commercial bank or trust company or national banking association (i) having a capital and surplus and undivided profits aggregating at least \$50,000,000, if there be such a commercial bank or trust company or national banking association willing and able to accept the appointment on reasonable and customary terms, and (ii) authorized by law to perform all the duties of the Trustee required by this Indenture.

Each successor Trustee shall mail, in accordance with the provisions of the Bonds, notice of its appointment to the Trustee, any rating agency which, at the time of such appointment, is providing a rating on the Bonds and each of the Owners of the Bonds.

Section 9.11. Transfer of Rights and Property to Successor Trustee.

Any successor Trustee appointed under the provisions of Section 9.10 shall execute, acknowledge, and deliver to its predecessor and the City an instrument in writing accepting such appointment, and thereupon such successor, without any further act, deed, or conveyance, shall become fully vested with all moneys, estates, properties, rights, immunities, powers, duties, obligations, and trusts of its predecessor hereunder, with like effect as if originally appointed as Trustee. However, the Trustee then ceasing to act shall nevertheless, on request of the City or of such successor, execute, acknowledge, and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor all the rights, immunities, powers, and trusts of such Trustee and all the right, title, and interest of such Trustee in and to the Trust Estate, and shall pay over, assign, and deliver to such successor any moneys or other properties subject to the trusts and conditions herein set forth. Should any deed, conveyance, or instrument in writing from the City be required by such successor for more fully and certainly vesting in and confirming to it any such moneys, estates, properties, rights, powers, duties, or obligations, any and all such deeds, conveyances, and instruments in writing, on request and so far as may be authorized by law, shall be executed, acknowledged, and delivered by the City.

Section 9.12. Merger, Conversion or Consolidation of Trustee.

Any corporation or association into which the Trustee may be merged or with which it may be consolidated or any corporation or association resulting from any merger, conversion or

consolidation to which it shall be a party or any corporation or association to which the Trustee may sell or transfer all or substantially all of its corporate trust business shall be the successor to such Trustee hereunder, without any further act, deed or conveyance, provided that such corporation or association shall be a commercial bank or trust company or national banking association qualified to be a successor to such Trustee under the provisions of Section 9.10, or a trust company that is a wholly-owned subsidiary of any of the foregoing.

Section 9.13. Trustee to File Continuation Statements.

If necessary, the Trustee shall file or cause to be filed, such continuation statements as are delivered to the Trustee by the City, or on behalf of the City, and which may be required by the Texas Uniform Commercial Code, as from time to time in effect (the "UCC"), in order to continue perfection of the security interest of the Trustee in such items of tangible or intangible personal property and any fixtures as may have been granted to the Trustee pursuant to this Indenture in the time, place and manner required by the UCC.

Section 9.14. Accounts, Periodic Reports and Certificates.

The Trustee shall keep or cause to be kept proper books of record and account (separate from all other records and accounts) in which complete and correct entries shall be made of its transactions relating to the Funds and Accounts established by this Indenture and which shall at all times be subject to inspection by the City, and the Owner or Owners of not less than 10% in principal amount of any Bonds then Outstanding or their representatives duly authorized in writing.

Section 9.15. Construction of Indenture.

The Trustee may construe any of the provisions of this Indenture insofar as the same may appear to be ambiguous or inconsistent with any other provision hereof, and any construction of any such provisions hereof by the Trustee in good faith shall be binding upon the Owners of the Bonds.

ARTICLE X

MODIFICATION OR AMENDMENT OF THIS INDENTURE

Section 10.1. Amendments Permitted.

This Indenture and the rights and obligations of the City and of the Owners of the Bonds may be modified or amended at any time by a Supplemental Indenture, except as provided below, pursuant to the affirmative vote at a meeting of Owners of the Bonds, or with the written consent without a meeting, of the Owners of at least fifty-one percent (51%) of the aggregate principal amount of the Bonds then Outstanding. No such modification or amendment shall (i) extend the maturity of any Bond or reduce the interest rate thereon, or otherwise alter or impair the obligation of the City to pay the principal of, and the interest and any premium on, any Bond, without the express consent of the Owner of such Bond, or (ii) permit the creation by the City of any pledge or lien upon the Pledged Revenues superior to or on a parity with the pledge and lien created for the benefit of the Bonds (except as otherwise permitted by Applicable Laws or this Indenture), or reduce the percentage of Bonds required for the amendment hereof. Any such amendment may not modify any of the rights or obligations of the Trustee without its written consent.

This Indenture and the rights and obligations of the City and of the Owners may also be modified or amended at any time by a Supplemental Indenture, without the consent of any Owners, only to the extent permitted by law and only for any one or more of the following purposes:

(i) to add to the covenants and agreements of the City in this Indenture contained, other covenants and agreements thereafter to be observed, or to limit or surrender any right or power herein reserved to or conferred upon the City;

(ii) to make modifications not adversely affecting any Outstanding Bonds in any material respect;

(iii) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in this Indenture, or in regard to questions arising under this Indenture, as the City and the Trustee may deem necessary or desirable and not inconsistent with this Indenture, and that shall not adversely affect the rights of the Owners of the Bonds; and

(iv) to make such additions, deletions or modifications as may be necessary or desirable to assure exemption from federal income taxation of interest on the Bonds.

Section 10.2. Owners' Meetings.

The City may at any time call a meeting of the Owners of the Bonds. In such event the City is authorized to fix the time and place of said meeting and to provide for the giving of notice thereof, and to fix and adopt rules and regulations for the conduct of said meeting.

Section 10.3. Procedure for Amendment with Written Consent of Owners.

The City and the Trustee may at any time adopt a Supplemental Indenture amending the provisions of the Bonds or of this Indenture, to the extent that such amendment is permitted by Section 10.1 herein, to take effect when and as provided in this Section. A copy of such Supplemental Indenture, together with a request to Owners for their consent thereto, shall be mailed by first class mail, by the Trustee to each Owner of Bonds from whom consent is required under this Indenture, but failure to mail copies of such Supplemental Indenture and request shall not affect the validity of the Supplemental Indenture when assented to as in this Section provided.

Such Supplemental Indenture shall not become effective unless there shall be filed with the Trustee the written consents of the Owners as required by this Indenture and a notice shall have been mailed as hereinafter in this Section provided. Each such consent shall be effective only if accompanied by proof of ownership of the Bonds for which such consent is given, which proof shall be such as is permitted by Section 11.6 herein. Any such consent shall be binding upon the Owner of the Bonds giving such consent and on any subsequent Owner (whether or not such subsequent Owner has notice thereof), unless such consent is revoked in writing by the Owner giving such consent or a subsequent Owner by filing such revocation with the Trustee prior to the date when the notice hereinafter in this Section provided for has been mailed.

After the Owners of the required percentage of Bonds shall have filed their consents to the Supplemental Indenture, the City shall mail a notice to the Owners in the manner

hereinbefore provided in this Section for the mailing of the Supplemental Indenture, stating in substance that the Supplemental Indenture has been consented to by the Owners of the required percentage of Bonds and will be effective as provided in this Section (but failure to mail copies of said notice shall not affect the validity of the Supplemental Indenture or consents thereto). Proof of the mailing of such notice shall be filed with the Trustee. A record, consisting of the papers required by this Section 10.3 to be filed with the Trustee, shall be proof of the matters therein stated until the contrary is proved. The Supplemental Indenture shall become effective upon the filing with the Trustee of the proof of mailing of such notice, and the Supplemental Indenture shall be deemed conclusively binding (except as otherwise hereinabove specifically provided in this Article) upon the City and the Owners of all Bonds at the expiration of ninety (90) days after such filing, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in a legal action or equitable proceeding for such purpose commenced within such ninety-day period.

Section 10.4. Effect of Supplemental Indenture.

From and after the time any Supplemental Indenture becomes effective pursuant to this Article X, this Indenture shall be deemed to be modified and amended in accordance therewith, the respective rights, duties, and obligations under this Indenture of the City, the Trustee and all Owners of Bonds Outstanding shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 10.5. Endorsement or Replacement of Bonds Issued After Amendments.

The City may determine that Bonds issued and delivered after the effective date of any action taken as provided in this Article X shall bear a notation, by endorsement or otherwise, in form approved by the City, as to such action. In that case, upon demand of the Owner of any Bond Outstanding at such effective date and presentation of his Bond for that purpose at the designated office of the Trustee or at such other office as the City may select and designate for that purpose, a suitable notation shall be made on such Bond. The City may determine that new Bonds, so modified as in the opinion of the City is necessary to conform to such Owners' action, shall be prepared, executed, and delivered. In that case, upon demand of the Owner of any Bonds then Outstanding, such new Bonds shall be exchanged at the designated office of the Trustee without cost to any Owner, for Bonds then Outstanding, upon surrender of such Bonds.

Section 10.6. Amendatory Endorsement of Bonds.

The provisions of this Article X shall not prevent any Owner from accepting any amendment as to the particular Bonds held by such Owner, provided that due notation thereof is made on such Bonds.

Section 10.7. Waiver of Default.

With the written consent of at least fifty-one percent (51%) in aggregate principal amount of the Bonds then Outstanding, the Owners may waive compliance by the City with certain past defaults under the Indenture and their consequences. Any such consent shall be conclusive and binding upon the Owners and upon all future Owners.

Section 10.8. Execution of Supplemental Indenture.

In executing, or accepting the additional trusts created by, any Supplemental Indenture permitted by this Article or the modification thereby of the trusts created by this Indenture, the Trustee shall receive, and shall be fully protected in relying upon, an opinion of counsel addressed and delivered to the Trustee and the City stating that the execution of such Supplemental Indenture is permitted by and in compliance with this Indenture. The Trustee may, but shall not be obligated to, enter into any such Supplemental Indenture which affects the Trustee's own rights, duties and immunities under this Indenture or otherwise.

ARTICLE XI

DEFAULT AND REMEDIES

Section 11.1. Events of Default.

Each of the following occurrences or events shall be and is hereby declared to be an "Event of Default," to wit:

- (i) The failure of the City to deposit the Pledged Revenues to the Pledged Revenue Fund;
- (ii) The failure of the City to enforce the collection of the Assessments including the prosecution of foreclosure proceedings;
- (iii) The failure to make payment of the principal of or interest on any of the Bonds when the same becomes due and payable and such failure is not remedied within thirty (30) days; and
- (iv) Default in the performance or observance of any covenant, agreement or obligation of the City under this Indenture and the continuation thereof for a period of ninety (90) days after written notice to the City by the Trustee, or by the Owners of at least 25% of the aggregate outstanding principal of the Bonds with a copy to the Trustee, specifying such default by the Owners of at least 25% of the Bonds at the time Outstanding requesting that the failure be remedied.

Section 11.2. Immediate Remedies for Default.

(a) Subject to Article VIII, upon the happening and continuance of any of the Events of Default described in Section 11.1, the Owners of at least 25% of the Bonds then Outstanding, may proceed against the City for the purpose of protecting and enforcing the rights of the Owners under this Indenture, by action seeking mandamus or by other suit, action, or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief to the extent permitted by Applicable Laws, including, but not limited to, the specific performance of any covenant or agreement contained herein, or injunction; provided, however, that no action for money damages against the City may be sought or shall be permitted.

(b) THE PRINCIPAL OF THE BONDS SHALL NOT BE SUBJECT TO ACCELERATION UNDER ANY CIRCUMSTANCES.

(c) If the assets of the Trust Estate are sufficient to pay all amounts due with respect to all Outstanding Bonds, in the selection of Trust Estate assets to be used in the payment of Bonds due under this Article, the City shall determine, in its absolute discretion,

and shall instruct the Trustee by City Order, which Trust Estate assets shall be applied to such payment and shall not be liable to any Owner or other Person by reason of such selection and application. In the event that the City shall fail to deliver to the Trustee such City Order, the Trustee shall select and liquidate or sell Trust Estate assets as provided in the following paragraph, and shall not be liable to any Owner, or other Person, or the City by reason of such selection, liquidation or sale.

(d) Whenever moneys are to be applied pursuant to this Article XI, irrespective of and whether other remedies authorized under this Indenture shall have been pursued in whole or in part, the Trustee may cause any or all of the assets of the Trust Estate, including Investment Securities, to be sold. The Trustee may so sell the assets of the Trust Estate and all right, title, interest, claim and demand thereto and the right of redemption thereof, in one or more parts, at any such place or places, and at such time or times and upon such notice and terms as the Trustee may deem appropriate and as may be required by law and apply the proceeds thereof in accordance with the provisions of this Section. Upon such sale, the Trustee may make and deliver to the purchaser or purchasers a good and sufficient assignment or conveyance for the same, which sale shall be a perpetual bar both at law and in equity against the City, and all other Persons claiming such properties. No purchaser at any sale shall be bound to see to the application of the purchase money proceeds thereof or to inquire as to the authorization, necessity, expediency, or regularity of any such sale. Nevertheless, if so requested by the Trustee, the City shall ratify and confirm any sale or sales by executing and delivering to the Trustee or to such purchaser or purchasers all such instruments as may be necessary or, in the judgment of the Trustee, proper for the purpose which may be designated in such request.

Section 11.3. Restriction on Owner's Action.

unless this Bond shall have been sooner called for redemption and the payment of the principal hereof shall have been paid or provision for such payment shall have been made, and to pay interest on the unpaid principal amount hereof from the later of the Date of Delivery, as specified above, or the most recent Interest Payment Date to which interest has been paid or provided for until such principal amount shall have been paid or provided for, at the per annum rate of interest specified above, computed on the basis of a 360-day year of twelve 30-day months, such interest to be paid semiannually on March 1 and September 1 of each year, commencing March 1, 2019, until maturity or prior redemption.

Capitalized terms appearing herein that are defined terms in the Indenture defined below, have the meanings assigned to them in the Indenture. Reference is made to the Indenture for such definitions and for all other purposes.

The principal of this Bond shall be payable without exchange or collection charges in lawful money of the United States of America upon presentation and surrender of this Bond at the corporate trust office in St. Paul, Minnesota (the "Designated Payment/Transfer Office"), of U.S. Bank National Association, as trustee and paying agent/registrar (the "Trustee", which term

Interest on this Bond is payable by check dated as of the Interest Payment Date, mailed by the Trustee to the registered owner at the address shown on the registration books kept by the Trustee or by such other customary banking arrangements acceptable to the Trustee, requested by, and at the risk and expense of, the Person to whom interest is to be paid. For the purpose of the payment of interest on this Bond, the registered owner shall be the Person in whose name this Bond is registered at the close of business on the "Record Date," which shall be the fifteenth day of the month next preceding such Interest Payment Date; provided, however, that in the event of nonpayment of interest on a scheduled Interest Payment Date, and for 30 days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Trustee, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the "Special Payment Date," which shall be 15 days after the Special Record Date) shall be sent at least five Business Days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each Owner of a Bond appearing on the books of the Trustee at the close of business on the last Business Day preceding the date of mailing such notice.

If a date for the payment of the principal of or interest on the Bonds is a Saturday, Sunday, legal holiday, or a day on which banking institutions in the city in which the Designated Payment/Transfer Office is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding Business Day, and payment on such date shall have the same force and effect as if made on the original date payment was due.

This Bond is one of a duly authorized issue of assessment revenue bonds of the City having the designation specified in its title (herein referred to as the "Bonds"), dated August 1, 2018 and issued in the aggregate principal amount of \$XXXXXX and issued, with the limitations described herein, pursuant to an Indenture of Trust, dated as of August 1, 2018 (the "Indenture"), by and between the City and the Trustee, to which Indenture reference is hereby made for a description of the amounts thereby pledged and assigned, the nature and extent of the lien and security, the respective rights thereunder to the holders of the Bonds, the Trustee, and the City, and the terms upon which the Bonds are, and are to be, authenticated and delivered and by this reference to the terms of which each holder of this Bond hereby consents. All Bonds issued under the Indenture are equally and ratably secured by the amounts thereby pledged and assigned. The Bonds are being issued for the purpose of (i) paying a portion of the Actual Costs of the Phase #1 Improvements, (ii) paying a portion of the interest on the Bonds during and after the period of acquisition and construction of the Phase #1 Improvements, (iii) funding a reserve fund for payment of principal and interest on the Bonds, (iv) paying a portion of the costs incidental to the organization of the District, and (v) paying the costs of issuance of the Bonds.

The Bonds are limited obligations of the City payable solely from the Trust Estate as defined in the Indenture. Reference is hereby made to the Indenture, copies of which are on file with and available upon request from the Trustee, for the provisions, among others, with respect to the nature and extent of the duties and obligations of the City, the Trustee and the Owners. The Owner of this Bond, by the acceptance hereof, is deemed to have agreed and consented to the terms, conditions and provisions of the Indenture.

Notwithstanding any provision hereof, the Indenture may be released and the obligation of the City to make money available to pay this Bond may be defeased by the deposit of money

and/or certain direct or indirect Defeasance Securities sufficient for such purpose as described in the Indenture.

The Bonds are issuable as fully registered bonds only in Authorized Denominations, subject to the provisions of the Indenture authorizing redemption in denominations of \$25,000 and any multiple of \$5,000 in excess thereof.

The Bonds are subject to sinking fund redemption prior to their respective maturities and will be redeemed by the City in part at a price equal to the principal amount thereof plus accrued and unpaid interest thereon to the date of redemption from moneys available for such purpose in the Redemption Fund pursuant to Article VI of the Indenture, on the dates and in the Sinking Fund Installment amounts as set forth in the following schedule:

At least forty-five (45) days prior to each sinking fund redemption date, the Trustee shall select for redemption by lot, or by any other customary method that results in a random selection, a principal amount of Bonds of such maturity equal to the Sinking Fund Installments of such Bonds to be redeemed, shall call such Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption, as provided in Section 4.6 of the Indenture.

The principal amount of Bonds required to be redeemed on any sinking fund redemption date shall be reduced, at the option of the City, by the principal amount of any Bonds of such maturity which, at least 45 days prior to the sinking fund redemption date (i) shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued and unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation, or (ii) shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption and not previously credited to a sinking fund redemption.

The City reserves the right and option to redeem the Bonds maturing on or after September 1, 20__ before their scheduled maturity dates, in whole or in part, on any date on or after September 1, 20__, at par plus accrued interest to the date of redemption.

Bonds are subject to extraordinary optional redemption prior to maturity in whole or in part, on the first day of any month, at a redemption price equal to the principal amount of the Bonds called for redemption, plus accrued and unpaid interest to the date of redemption from amounts on deposit in the Redemption Fund as a result of Prepayments, other transfers to the Redemption Fund pursuant to the Indenture, or as a result of unexpended amounts transferred from the Project Fund as provided in the Indenture.

The Trustee shall give notice of any redemption of Bonds by sending notice by first class United States mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond (or part thereof) to be redeemed, at the address shown on the Register. The notice shall state the redemption date, the redemption price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed. Any notice so given shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

With respect to any optional redemption of the Bonds, unless the Trustee has received funds sufficient to pay the redemption price of the Bonds to be redeemed before giving of a notice of redemption, the notice may state the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of

redemption is given and such prerequisites to the redemption and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the City and the rights of the holders of the Bonds under the Indenture at any time Outstanding affected by such modification. The Indenture also contains provisions permitting the holders of specified percentages in aggregate principal amount of the Bonds at the time Outstanding, on behalf of the holders of all the Bonds, to waive compliance by the City with certain past defaults under the Bond Ordinance or the Indenture and their consequences. Any such consent or waiver by the holder of this Bond or any predecessor Bond evidencing the same debt shall be conclusive and binding upon such holder and upon all future holders thereof and of any Bond issued upon the transfer thereof or in exchange therefor or in lieu thereof, whether or not notation of such consent or waiver is made upon this Bond.

As provided in the Indenture, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office, with such endorsement or other evidence of transfer as is acceptable to the Trustee, and upon delivery to the Trustee of such certifications and/or opinion of counsel as may be required under the Indenture for the transfer of this Bond. Upon satisfaction of such requirements, one or more new fully registered Bonds of the same Stated Maturity, of Authorized Denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the City nor the Trustee shall be required to issue, transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 45 calendar days of the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond.

The City, the Trustee, and any other Person may treat the Person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the Person in whose name this Bond is registered on the Record Date or Special Record Date, as applicable) and for all other purposes, whether or not this Bond be overdue, and neither the City nor the Trustee shall be affected by notice to the contrary.

NEITHER THE FULL FAITH AND CREDIT NOR THE GENERAL TAXING POWER OF THE CITY OF CELINA, TEXAS, COLLIN COUNTY, TEXAS, THE STATE OF TEXAS, OR ANY POLITICAL SUBDIVISION THEREOF, IS PLEDGED TO THE PAYMENT OF THE BONDS.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law; and that the total indebtedness of the City, including the Bonds, does not exceed any Constitutional or statutory limitation.

BOND PURCHASE AGREEMENT

_____, 2018

City of Celina, Texas
142 N. Ohio Street
Celina, Texas 76201

Ladies and Gentlemen:

The undersigned, FMSbonds, Inc. (the “Underwriter”), offers to enter into this Bond Purchase Agreement (this “Agreement”) with the City of Celina, Texas (the “City”), which will be binding upon the City and the Underwriter upon the acceptance of this Agreement by the City. This offer is made subject to its acceptance by the City by execution of this Agreement and its delivery to the Underwriter on or before 10:00 p.m., Central Time, on the date hereof and, if not so accepted, will be subject to withdrawal by the Underwriter upon written notice delivered to the City at any time prior to the acceptance hereof by the City. All capitalized terms not otherwise defined herein shall have the meanings given to such terms in the Indenture (defined herein) between the City and U.S. Bank National Association, as trustee (the “Trustee”), authorizing the issuance of the Bonds (defined herein), and in the Limited Offering Memorandum (defined herein).

1. Purchase and Sale of Bonds. Upon the terms and conditions and upon the basis of representations, warranties, and agreements hereinafter set forth, the Underwriter hereby agrees to purchase from the City, and the City hereby agrees to sell to the Underwriter, all (but not less than all) of the §[PRINCIPAL] aggregate principal amount of the “City of Celina, Texas, Special Assessment Revenue Bonds, Series 2018 (Cambridge Crossing Public Improvement District Phase #1 Project)” (the “Bonds”), at a purchase price of \$ _____ (representing the aggregate principal amount of the Bonds, [plus a premium of \$ _____, and] less an Underwriter’s discount of \$ _____).

Inasmuch as this purchase and sale represents a negotiated transaction, the City understands, and hereby confirms, that the Underwriter is not acting as a municipal advisor or fiduciary of the City (including, without limitation, a “municipal advisor” (as such term is defined in Section 975(e) of the Dodd Frank Wall Street Reform and Consumer Protection Act)), but rather is acting solely in its capacity as Underwriter for its own account. The City

acknowledges and agrees that (i) the purchase and sale of the Bonds pursuant to this Agreement is an arm's length commercial transaction between the City and the Underwriter and the Underwriter has financial and other interests that differ from any other party to this Agreement, (ii) in connection with the discussions, undertakings, and procedures leading up to the consummation of this transaction, the Underwriter is and has been acting solely as a principal and is not acting as the agent, municipal advisor, financial advisor, or fiduciary of the City, (iii) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of the City with respect to the offering described herein or the discussions, undertakings, and procedures leading thereto (regardless of whether the Underwriter has provided other services or is currently providing other services to the City on other matters) and the Underwriter has no obligation to the City with respect to the offering described herein except the obligations expressly set forth in this Agreement, (iv) the City has consulted its own legal, financial and other advisors to the extent it has deemed appropriate, (v) the Underwriter has financial and other interests that differ from those of the City, and (vi) the Underwriter has provided to the City prior disclosures under Rule G-17 of the Municipal Securities Rulemaking Board ("MSRB"), which have been received by the City. The City further acknowledges and agrees that following the issuance and delivery of the Bonds, the Underwriter has indicated that it may have periodic discussions with the City regarding the expenditure of Bond proceeds and the construction of the Phase #1 Improvements financed with the Bonds and, in connection with such discussions, the Underwriter shall be acting solely as a principal and will not be acting as the agent or fiduciary of, and will not be assuming an advisory or fiduciary responsibility in favor of, the City.

The Bonds shall be dated [August 1], 2018 and shall have the maturities and redemption features, if any, and bear interest at the rates per annum shown on Schedule I hereto. Payment for and delivery of the Bonds, and the other actions described herein, shall take place on _____, 2018 (or such other date as may be agreed to by the City and the Underwriter) (the "Closing Date").

2. Authorization Instruments and Law. The Bonds were authorized by Ordinance No. _____ enacted by the City Council of the City (the "City Council") on [August 14], 2018 (the "Bond Ordinance") and shall be issued pursuant to the provisions of Subchapter A of Chapter 372, Texas Local Government Code, as amended (the "Act"), and the Indenture of Trust, dated as of [August 1], 2018, between the City and the Trustee, authorizing the issuance of the Bonds (the "Indenture"). The Bonds shall be substantially in the form described in, and shall be secured under the provisions of, the Indenture.

The Bonds and interest thereon shall be secured by the proceeds of special assessments (the "Assessments") levied on the assessable parcels within Phase #1 (consisting of approximately 108.523 acres within the District) of Cambridge Crossing Public Improvement District (the "District"). The District was established by Resolution No. 2017-10R (the "Creation Resolution"), enacted by the City Council on February 28, 2017, in accordance with the Act. A Service and Assessment Plan (the "Service and Assessment Plan") which sets forth the costs of the Phase #1 Improvements and the method of payment of the Assessments was adopted by the City Council on [August 14], 2018, pursuant to Ordinance No. _____ (the "Assessment Ordinance" and, together with the Creation Resolution, the Indenture and the Bond Ordinance, the "Authorizing Documents"). The Bonds shall be further secured by certain applicable funds and accounts created under the Indenture.

The Bonds shall be as described in Schedule I, the Indenture, and the Limited Offering Memorandum. The proceeds of the Bonds shall be used for (i) paying a portion of the costs of the “Phase #1 Improvements,” which consist of (a) Phase #1’s proportionate share of the costs of certain improvements that will benefit the entire District and (b) the costs of the local infrastructure benefitting only Phase #1 of the District, (ii) paying a portion of the interest on the Bonds during and after the period of acquisition and construction of the Phase #1 Improvements, (iii) funding a reserve fund for the payment of principal of and interest on the Bonds, (iv) paying a portion of the costs incidental to the organization of the District, and (v) paying the costs of issuance of the Bonds.

3. Public Offering. The Underwriter agrees to make a bona fide limited public offering of all of the Bonds. On or before the third (3rd) business day prior to the Closing Date, the Underwriter shall execute and deliver to Bond Counsel the Issue Price Certificate, in substantially the form attached hereto as Appendix B.

4. Establishment of Issue Price.

a. The Underwriter agrees to assist the City in establishing the issue price of the Bonds and shall execute and deliver to the City on or before the third (3rd) business day prior to Closing (as defined herein) an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Appendix B, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the City and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds. All actions to be taken by the City under this Section to establish the issue price of the Bonds may be taken on behalf of the City by the City’s Financial Advisor identified herein and any notice or report to be provided to the City may be provided to the City’s Financial Advisor.

b. The Underwriter confirms that it has offered all the Bonds of each maturity to the public on or before the date of this Agreement at the respective offering price (the “initial offering price”), or at the corresponding yield or yields, set forth in Schedule I attached hereto, except as otherwise set forth therein. The City will treat the first price at which 10% of each maturity of the Bonds is sold to the public as of the sale date as the issue price of that maturity (the “10% test”). At or promptly after the execution of this Agreement, the Underwriter shall report to the City on Schedule A to the issue price certificate the first price at which the Underwriter has sold to the public each maturity of Bonds, and shall identify to the City on Schedule A to the issue price certificate those maturities of the Bonds for which the 10% test has not been satisfied. If different interest coupons apply within a maturity, each separate CUSIP number within that maturity will be treated as a separate maturity for this purpose.

c. The City and the Underwriter agree that the restrictions set forth in the next sentence shall apply to those maturities of the Bonds for which the 10% test has not been met as of the date of this Agreement, which will allow the City to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of

that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the City when the Underwriter has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if such sale occurs prior to the close of the fifth (5th) business day after the sale date.

d. The Underwriter confirms that any selling group agreement and each third-party distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement, as applicable, to (A) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter and as set forth in the related pricing wires, (B) to promptly notify the Underwriter of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public, and (C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public. The City acknowledges that, in making the representation set forth in this subsection, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, if applicable, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, if applicable, as set forth in the third-party distribution agreement and the related pricing wires. The City further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Bonds.

e. The Underwriter acknowledges that sales of any Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this Section. Further, for purposes of this Section:

(i) “public” means any person other than an underwriter or a related party,

(ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),

(iii) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) “sale date” means the date of execution of this Agreement by all parties.

5. Limited Offering Memorandum.

a. Delivery of Limited Offering Memorandum. The City previously has delivered, or caused to be delivered, to the Underwriter the Preliminary Limited Offering Memorandum for the Bonds dated _____, 2018 (the “Preliminary Limited Offering Memorandum”), in a “designated electronic format,” as defined in the Municipal Securities Rulemaking Board (“MSRB”) Rule G-32 (“Rule G-32”). The City will prepare, or cause to be prepared, a final Limited Offering Memorandum relating to the Bonds (the “Limited Offering Memorandum”) which will be (i) dated the date of this Agreement, (ii) complete within the meaning of the United States Securities and Exchange Commission’s Rule 15c2-12, as amended (“Rule 15c2-12”), (iii) in a “designated electronic format,” and (iv) substantially in the form of the most recent version of the Preliminary Limited Offering Memorandum provided to the Underwriter before the execution hereof. The Limited Offering Memorandum, including the cover page thereto, all exhibits, schedules, appendices, maps, charts, pictures, diagrams, reports, and statements included or incorporated therein or attached thereto, and all amendments and supplements thereto that may be authorized for use with respect to the Bonds are collectively referred to herein as the “Limited Offering Memorandum.” Until the Limited Offering Memorandum has been prepared and is available for distribution, the City shall provide to the Underwriter sufficient quantities (which may be in electronic format) of the Preliminary Limited Offering Memorandum as the Underwriter reasonably

deems necessary to satisfy the obligation of the Underwriter under Rule 15c2-12 with respect to distribution to each potential customer, upon request, of a copy of the Preliminary Limited Offering Memorandum.

b. Preliminary Limited Offering Memorandum Deemed Final. The Preliminary Limited Offering Memorandum has been prepared for use by the Underwriter in connection with the public offering, sale, and distribution of the Bonds. The City hereby represents and warrants that the Preliminary Limited Offering Memorandum has been deemed final by the City as of its date, except for the omission of such information which is dependent upon the final pricing of the Bonds for completion, all as permitted to be excluded by Section (b)(1) of Rule 15c2-12.

c. Use of Limited Offering Memorandum in Offering and Sale. The City hereby authorizes the Limited Offering Memorandum and the information therein contained to be used by the Underwriter in connection with the public offering and the sale of the Bonds. The City consents to the use by the Underwriter prior to the date hereof of the Preliminary Limited Offering Memorandum in connection with the public offering of the Bonds. The City shall provide, or cause to be provided, to the Underwriter as soon as practicable after the date of the City's acceptance of this Agreement (but, in any event, not later than the earlier of the Closing Date or seven (7) business days after the City's acceptance of this Agreement) copies of the Limited Offering Memorandum which is complete as of the date of its delivery to the Underwriter. The City shall provide the Limited Offering Memorandum, or cause the Limited Offering Memorandum to be provided, (i) in a "designated electronic format" consistent with the requirements of Rule G-32 and (ii) in a printed format in such quantity as the Underwriter shall reasonably request in order for the Underwriter to comply with Section (b)(4) of Rule 15c2-12 and the rules of the MSRB.

d. Updating of Limited Offering Memorandum. If, after the date of this Agreement, up to and including the date the Underwriter is no longer required to provide an Limited Offering Memorandum to potential customers who request the same pursuant to Rule 15c2-12 (the earlier of (i) ninety (90) days from the "end of the underwriting period" (as defined in Rule 15c2-12) and (ii) the time when the Limited Offering Memorandum is available to any person from the MSRB, but in no case less than the 25th day after the "end of the underwriting period" for the Bonds), the City becomes aware of any fact or event which might or would cause the Limited Offering Memorandum, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, or if it is necessary to amend or supplement the Limited Offering Memorandum to comply with law, the City will notify the Underwriter (and for the purposes of this clause provide the Underwriter with such information as it may from time to time reasonably request), and if, in the reasonable judgment of the Underwriter, such fact or event requires preparation and publication of a supplement or amendment to the Limited Offering Memorandum, the City will forthwith prepare and furnish, at no expense to the Underwriter (in a form and manner approved by the Underwriter), either an amendment or a supplement to the Limited Offering Memorandum so that the

statements therein as so amended and supplemented will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading or so that the Limited Offering Memorandum will comply with law; provided, however, that for all purposes of this Agreement and any certificate delivered by the City in accordance herewith, (i) the City makes no representations with respect to the descriptions in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum of The Depository Trust Company, New York, New York (“DTC”), or its book-entry-only system, and (ii) the City makes no representation with respect to the information in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum under the captions and subcaptions “PLAN OF FINANCE — Development Plan” and “– Status of Lot Purchase and Sales Agreements,” “THE PHASE #1 IMPROVEMENTS,” “THE DEVELOPMENT,” “THE DEVELOPER,” “BONDHOLDERS’ RISKS” (only as it pertains to the Developer, the Phase #1 Improvements and the Development, as defined in the Limited Offering Memorandum), “THE PID ADMINISTRATOR,” “LEGAL MATTERS — Litigation – The Developer,” “CONTINUING DISCLOSURE — The Developer” and “– The Developer’s Compliance with Prior Undertakings,” and “INFORMATION RELATING TO THE TRUSTEE.” If such notification shall be subsequent to the Closing, the City, at no expense to the Underwriter, shall furnish such legal opinions, certificates, instruments, and other documents as the Underwriter may reasonably deem necessary to evidence the truth and accuracy of such supplement or amendment to the Limited Offering Memorandum. The City shall provide any such amendment or supplement, or cause any such amendment or supplement to be provided, (i) in a “designated electronic format” consistent with the requirements of Rule G-32 and (ii) in a printed format in such quantity as the Underwriter shall reasonably request in order for the Underwriter to comply with Section (b)(4) of Rule 15c2-12 and the rules of the MSRB.

e. Filing with MSRB. The Underwriter hereby agrees to timely file the Limited Offering Memorandum with the MSRB through its Electronic Municipal Market Access (“EMMA”) system within one business day after receipt but no later than the Closing Date. Unless otherwise notified in writing by the Underwriter, the City can assume that the “end of the underwriting period” for purposes of Rule 15c2-12 is the Closing Date.

f. Limited Offering. The Underwriter hereby represents, warrants and covenants that the Bonds were initially sold pursuant to a limited offering. The Bonds were sold to not more than thirty-five persons that qualify as “Accredited Investors” (as defined in Rule 501 of Regulation D under the Securities Act (as defined herein)) or “Qualified Institutional Buyers” (within the meaning of Rule 144A under the Securities Act).

6. City Representations, Warranties and Covenants. The City represents, warrants and covenants that:

a. Due Organization, Existence and Authority. The City is a political subdivision of the State of Texas (the “State”), and has, and at the Closing Date will have, full legal right, power and authority:

- (i) to enter into:
 - (1) this Agreement;
 - (2) the Indenture;
 - (3) the PID Reimbursement Agreement (Cambridge Crossing) effective [August 14], 2018 executed and delivered by the City and Tollway/Outer Loop L.P., a Texas limited partnership (the “Developer”) (the “PID Reimbursement Agreement”);
 - (4) the Development Agreement (Cambridge Crossing), effective as of February 28, 2017, [as amended on May 8, 2018] executed and delivered by the City and the Developer (the “Development Agreement”); and
 - (5) the Agreement Regarding Conveyance of Right of Redemption and Waiver of Agricultural Valuation effective as of _____, 2018 executed and delivered by the City, [the Trustee] and the Developer (the “Phase #1 Redemption/Waiver Agreement”);
 - (6) [the Landowner Agreement effective as of _____, 2018 executed and delivered by the City and the Developer (the “Landowner Agreement”);] and
 - (7) the Continuing Disclosure Agreement of Issuer with respect to the Bonds, dated as of _____, 2018 (the “Continuing Disclosure Agreement of Issuer”), executed and delivered by the City and HTS Continuing Disclosure Services, a division of Hilltop Securities Inc., as Dissemination Agent.
- (ii) to issue, sell, and deliver the Bonds to the Underwriter as provided herein; and
- (iii) to carry out and consummate the transactions on its part described in (1) the Authorizing Documents, (2) this Agreement, (3) the PID Reimbursement Agreement, (4) the Development Agreement, (5) the Phase #1 Redemption/Waiver Agreement, (6) [the Landowner Agreement], (7) the Continuing Disclosure Agreement of Issuer, (8) the Limited Offering Memorandum, and (9) any other documents and certificates described in any of the foregoing (the documents described by subclauses (1) through (9) being referred to collectively herein as the “City Documents”).

b. Due Authorization and Approval of City. By all necessary official action of the City, the City has duly authorized and approved the adoption or execution and delivery by the City of, and the performance by the City of the obligations on its part contained in, the City Documents and, as of the date hereof, such authorizations and approvals are in full force and effect and have not been amended, modified or rescinded, except as may have been approved by the Underwriter. When validly executed and delivered by the other parties thereto, the City Documents will constitute the legally valid and binding obligations of the City enforceable upon the City in accordance with their respective terms, except insofar as enforcement may be limited by principles of sovereign immunity, bankruptcy, insolvency, reorganization, moratorium, or similar laws or equitable principles relating to or affecting creditors' rights generally. The City has complied, and will at the Closing be in compliance, in all material respects, with the obligations on its part to be performed on or prior to the Closing Date under the City Documents.

c. Due Authorization for Issuance of the Bonds. The City has duly authorized the issuance and sale of the Bonds pursuant to the Bond Ordinance, the Indenture, and the Act. The City has, and at the Closing Date will have, full legal right, power and authority (i) to enter into, execute, deliver, and perform its obligations under this Agreement and the other City Documents, (ii) to issue, sell, and deliver the Bonds to the Underwriter pursuant to the Indenture, the Bond Ordinance, the Act, and as provided herein, and (iii) to carry out, give effect to and consummate the transactions on the part of the City described by the City Documents and the Bond Ordinance.

d. No Breach or Default. As of the time of acceptance hereof, and to its knowledge, the City is not, and as of the Closing Date the City will not be, in breach of or in default in any material respect under any applicable constitutional provision, law or administrative rule or regulation of the State or the United States, or any applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument related to the Bonds and to which the City is a party or is otherwise subject, and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute a default or event of default under any such instrument which breach, default or event could have a material adverse effect on the City's ability to perform its obligations under the Bonds or the City Documents; and, as of such times, the authorization, execution and delivery of the Bonds and the City Documents and compliance by the City with obligations on its part to be performed in each of such agreements or instruments does not and will not conflict with or constitute a breach of or default under any applicable constitutional provision, law or administrative rule or regulation of the State or the United States, or any applicable judgment, decree, license, permit, trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the City (or any of its officers in their respective capacities as such) is subject, or by which it or any of its properties are bound, nor will any such authorization, execution, delivery or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of its assets or properties or under the terms of any such law, regulation or instrument, except as may be permitted by the City Documents.

e. No Litigation. At the time of acceptance hereof there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body (collectively and individually, an “Action”) pending against the City with respect to which the City has been served with process, nor to the knowledge of the City is any Action threatened against the City, in which any such Action (i) in any way questions the existence of the City or the rights of the members of the City Council to hold their respective positions, (ii) in any way questions the formation or existence of the District, (iii) affects, contests or seeks to prohibit, restrain or enjoin the issuance or delivery of any of the Bonds, or the payment or collection of any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, or in any way contests or affects the validity of the City Documents or the consummation of the transactions on the part of the City described therein, or contests the exclusion of the interest on the Bonds from federal income taxation, or (iv) which may result in any material adverse change in the financial condition of the City; and, as of the time of acceptance hereof, to the City’s knowledge, there is no basis for any action, suit, proceeding, inquiry, or investigation of the nature described in clauses (i) through (iv) of this sentence.

f. Bonds Issued Pursuant to Indenture. The City represents that the Bonds, when issued, executed, and delivered in accordance with the Indenture and sold to the Underwriter as provided herein, will be validly issued and outstanding obligations of the City subject to the terms of the Indenture, entitled to the benefits of the Indenture and the security of the pledge of the proceeds of the levy of the Assessments received by the City, all to the extent provided for in the Indenture. The Indenture creates a valid pledge of the monies in certain funds and accounts established pursuant to the Indenture to the extent provided for in the Indenture, including the investments thereof, subject in all cases to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth therein.

g. Assessments. The Assessments constituting the security for the Bonds have been levied by the City in accordance with the Act on those parcels of land identified in the Phase #1 Assessment Roll (as defined in the Service and Assessment Plan). According to the Act, such Assessments constitute a valid and legally binding first and prior lien against the properties assessed, superior to all other liens and claims, except liens or claims for state, county, school district, or municipality ad valorem taxes.

h. Consents and Approvals. All authorizations, approvals, licenses, permits, consents, elections, and orders of or filings with any governmental authority, legislative body, board, agency, or commission having jurisdiction in the matters which are required by the Closing Date for the due authorization of, which would constitute a condition precedent to or the absence of which would adversely affect the due performance by the City of, its obligations in connection with the City Documents have been duly obtained or made and are in full force and effect, except the approval of the Bonds by the Attorney General of the State, registration of the Bonds by the Comptroller of Public Accounts of the State, and the approvals, consents and orders as may be required under Blue Sky or securities laws of any jurisdiction.

i. [Public Debt. Prior to the Closing, the City will not offer or issue any bonds, notes or other obligations for borrowed money or incur any material liabilities, direct or contingent, payable from or secured by a pledge of the Assessments which secure the Bonds without the prior approval of the Underwriter.]

j. Preliminary Limited Offering Memorandum. Ladies and Gentlemen:

We are the Attorney for the City of Celina, Texas (the “City”) for limited purposes, and are rendering this opinion in connection with the issuance and sale of \$[PRINCIPAL] “City of Celina, Texas, Special Assessment Revenue Bonds, Series 2018 (Cambridge Crossing Public Improvement District Phase #1 Project)” (the “Bonds”), by the City, a political subdivision of the State of Texas.

The Bonds are authorized pursuant to Ordinance No. _____ and enacted by the City Council of the City (the “City Council”) on _____, 2018 (the “Bond Ordinance”) and shall be issued pursuant to the provisions of Subchapter A of the Public Improvement District Assessment Act, Chapter 372, Texas Local Government Code, as amended (the “Act”) and the Indenture of Trust dated as of [August 1], 2018 (the “Indenture”) by and between the City and U.S. Bank National Association, as trustee (the “Trustee”). Capitalized terms not defined herein shall have the same meanings as in the Indenture, unless otherwise stated herein.

In connection with rendering this opinion, we have reviewed the:

(a) The Resolution No. 2018-10R (the “Creation Resolution”) enacted by the City Council on February 28, 2018;

- (e) The PID Reimbursement Agreement (Cambridge Crossing) effective _____, 2018, executed and delivered by the City and Tollway/Outer Loop L.P., a Texas limited partnership (the “Developer”) (the “PID Reimbursement Agreement”);
- (f) The Development Agreement, effective as of February 28, 2018, executed and delivered by the City and the Developer (“Development Agreement”);

- (h) [The Landowner Agreement effective as of _____, 2018 executed and delivered by the City and the Developer (the “Landowner Agreement”);] and
- (i) The Continuing Disclosure Agreement of the Issuer, dated as of _____, 2018, executed and delivered by the City and HTS Continuing Disclosure Services, a division of Hilltop Securities Inc. (the “Dissemination Agent”) (the “Continuing Disclosure Agreement of City”).

The Creation Resolution, the Assessment Ordinance and Bond Ordinance shall herein after be referred to as the “Authorizing Documents” and the remaining documents shall herein after be collectively referred to as the “City Documents.”

In all such examinations, we have assumed that all signatures on documents and instruments executed by the City are genuine and that all documents submitted to me as copies conform to the originals. In addition, for purposes of this opinion, we have assumed the due authorization, execution and delivery of the City Documents by all parties other than the City.

Based upon and subject to the foregoing and the additional qualifications and assumptions set forth herein, we are of the opinion that:

1. The City is a Texas political subdivision and has all necessary power and authority to enter into and perform its obligations under the Authorizing Documents and the City Documents. The City has taken or obtained all actions, approvals, consents and authorizations required of it by applicable laws in connection with the execution of the Authorizing Documents and the City Documents and the performance of its obligations thereunder.

2. To the best of our knowledge, there is no action, suit, proceeding, inquiry or investigation at law or in equity, before or by any court, public board or body, pending, or threatened against the City: (a) affecting the existence of the City or the titles of its officers to their respective offices, (b) in any way questioning the formation or existence of the District, (c) affecting, contesting or seeking to prohibit, restrain or enjoin the delivery of any of the Bonds, or the payment, collection or application of any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, including the Assessments in the District pursuant to the

provisions of the Assessment Ordinance and the Service and Assessment Plan referenced therein, (d) contesting or affecting the validity or enforceability or the City's performance of the City Documents, (e) contesting the exclusion of the interest on the Bonds from federal income taxation, or (f) which may result in any material adverse change relating to the financial condition of the City.

3. The Authorizing Documents were duly enacted by the City and remain in full force and effect on the date hereof.

4. The City Documents have been duly authorized, executed and delivered by the City and remain legal, valid and binding obligations of the City enforceable against the City in accordance with their terms. However, the enforceability of the obligations of the City under such City Documents may be limited or otherwise affected by (a) bankruptcy, insolvency, reorganization, moratorium and other laws affecting the rights of creditors generally, (b) principles of equity, whether considered at law or in equity, and (c) the application of Texas law relating to action by future councils and relating to governmental immunity applicable to governmental entities.

5. The performance by the City of the obligations under the Authorizing Documents and the City Documents will not violate any provision of any Federal or Texas constitutional or statutory provision.

6. No further consent, approval, authorization, or order of any court or governmental agency or body or official is required to be obtained by the City as a condition precedent to the performance by the City of its obligations under the Authorizing Documents and the City Documents.

7. The City has duly authorized, executed and delivered the Preliminary Limited Offering Memorandum.

8. Based upon our limited participation in the preparation of the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum (collectively, the "Limited Offering Memorandum"), the statements and information contained in the Limited Offering Memorandum with respect to the City under the captions and subcaptions "ASSESSMENT PROCEDURES — Assessment Methodology" and "— Assessment Amounts," "THE CITY," "THE DISTRICT," "LEGAL MATTERS — Litigation — The City," "CONTINUING DISCLOSURE — The City" and " — The City Compliance with Prior Undertakings" and "APPENDIX A" is a fair and accurate summary of the law relating to collection and enforcement of Assessments and the documents and facts summarized therein.

9. The adoption of the Authorizing Documents and the execution and delivery of the City Documents and the compliance with the provisions of the Authorizing Documents and the City Documents under the circumstances contemplated thereby, to the best of our knowledge: (a) do not and will not in any material respect conflict with or constitute on the part of the City a breach of or default under any agreement to which the City is a party or by which it is bound, and (b) do not and will not in any material respect conflict with or constitute on the part of the

City a violation, breach of or default under any existing law, regulation, court order or consent decree to which the City is subject.

This opinion may not be relied upon by any other person except those specifically addressed in this letter.

Very truly yours,

JULIE FORT

If at any time there is not any other designated Dissemination Agent, the Issuer shall be the Dissemination Agent. The initial Dissemination Agent appointed hereunder shall be HTS Continuing Disclosure Services, a division of Hilltop Securities Inc.

SECTION 8. Amendment; Waiver. Notwithstanding any other provisions of this Disclosure Agreement, the Issuer and the Dissemination Agent may amend this Disclosure Agreement (and the Dissemination Agent shall not unreasonably withhold its consent to any amendment so requested by the Issuer), and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Sections 3(a), 4, or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of

the delivery of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Owners of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Owners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Owners or beneficial owners of the Bonds.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Issuer shall describe such amendment in the next related Annual Issuer Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Issuer. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 5(a), and (ii) the Annual Issuer Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. No amendment which adversely affects the Dissemination Agent may be made without its prior written consent (which consent will not be unreasonably withheld or delayed).

SECTION 9. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Issuer Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Issuer chooses to include any information in any Annual Issuer Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the Issuer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Bond Disclosure Report or notice of occurrence of a Listed Event.

SECTION 10. Default. In the event of a failure of the Issuer to comply with any provision of this Disclosure Agreement, the Dissemination Agent may (and, at the request of any Participating Underwriter or the Owners of at least 25% aggregate principal amount of Outstanding Bonds, shall, upon being indemnified to its satisfaction as provided in the Indenture), or any Owner or beneficial owner of the Bonds may, take such actions as may be necessary and appropriate to cause the Issuer, as the case may be, to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Indenture with respect to the Bonds, and the sole remedy under this Disclosure Agreement in the event of any failure of the Issuer to comply with this Disclosure Agreement shall be an action for mandamus or specific performance. A default under this Disclosure Agreement by the Issuer shall not be deemed a default under the Disclosure Agreement of Developer by the Developer, and a default under the Disclosure Agreement of Developer by the Developer shall not be deemed a default under this Disclosure Agreement by the Issuer.

SECTION 11. Duties, Immunities and Liabilities of Dissemination Agent. The Dissemination Agent shall not have any duty with respect to the content of any disclosures made pursuant to the terms hereof. The Dissemination Agent shall have only such duties as are specifically set forth in

this Disclosure Agreement, and no implied covenants shall be read into this Disclosure Agreement with respect to the Dissemination Agent. To the extent permitted by law, the Issuer agrees to hold harmless the Dissemination Agent, its officers, directors, employees and agents, but only with funds to be provided by the Developer or from Assessments collected from the property owners in the District, against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct. The obligations of the Issuer under this Section shall survive resignation or removal of the Dissemination Agent and payment in full of the Bonds. Nothing in this Disclosure Agreement shall be construed to mean or to imply that the Dissemination Agent is an "obligated person" under the Rule. The Dissemination Agent is not acting in a fiduciary capacity in connection with the performance of its respective obligations hereunder. The fact that the Dissemination Agent may have a banking or other business relationship with the Issuer or any person with whom the Issuer contracts in connection with the transaction described in the Indenture, apart from the relationship created by the Indenture or this Disclosure Agreement, shall not be construed to mean that the Dissemination Agent has actual knowledge of any event described in Section 5 above, except as may be provided by written notice to the Dissemination Agent pursuant to this Disclosure Agreement.

The Dissemination Agent may, from time to time, consult with legal counsel of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or their respective duties hereunder, and the Dissemination Agent shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel.

UNDER NO CIRCUMSTANCES SHALL THE DISSEMINATION AGENT OR THE ISSUER BE LIABLE TO THE OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE ISSUER OR THE DISSEMINATION AGENT, RESPECTIVELY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS DISCLOSURE AGREEMENT, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE. SECTION 14. Severability. In case any section or provision of this Disclosure Agreement, or any covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder or any application thereof, is for any reasons held to be illegal or invalid, such

illegality or invalidity shall not affect the remainder thereof or any other section or provision thereof or any other covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder (except to the extent that such remainder or section or provision or other covenant, stipulation, obligation, agreement, act or action, or part thereof is wholly dependent for its operation on the provision determined to be invalid), which shall be construed and enforced as if such illegal or invalid portion were not contained therein, nor shall such illegality or invalidity of any application thereof affect any legal and valid application thereof, and each such section, provision, covenant, stipulation, obligation, agreement, act or action, or part thereof shall be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent permitted by law.

Section I PLAN DESCRIPTION AND DEFINED TERMS

A. Introduction

On February 28, 2017 (the “Creation Date”) the City Council of the City of Celina, Texas (the “City”) passed and approved Resolution No. 2017-10R approving and authorizing the creation of the Cambridge Crossing Public Improvement District (the “PID”) to finance the costs of certain public improvements for the benefit of property in the PID (the “Authorized Improvements”), all of which is located within the City of Celina.

The property in the PID is proposed to be developed in approximately seven phases, and the PID will finance public improvements for each phase as each phase is developed. Assessments will be imposed on the all property in the PID for the public improvements that benefit the entire PID and on the property in each phase for the public improvements to be provided for that phase.

Chapter 372 of the Texas Local Government Code, the “Public Improvement District Assessment Act” (as amended, the “PID Act”), governs the creation and operation of public improvement districts within the State of Texas. The Cambridge Crossing Public Improvement District Service and Assessment Plan (the “Service and Assessment Plan”) has been prepared in accordance with the PID Act and specifically Sections 372.013, 372.014, 372.015 and 372.016, which address the requirements of a service and assessment plan and the assessment roll. According to Section 372.013 of the PID Act, a service plan “must cover a period of at least five years and must also define the annual indebtedness and the projected costs for improvements. The plan shall be reviewed and updated annually for the purpose of determining the annual budget for improvements.” The service plan is described in Section IV of this Service and Assessment Plan.

Section 372.014 of the PID Act requires that “an assessment plan must be included in the annual service plan.” The assessment plan is described in Section V of this Service and Assessment Plan.

Section 372.015 of the PID Act requires that “the governing body of the municipality or county shall apportion the cost of an improvement to be assessed against property in an improvement district.” The method of assessing the costs of the Authorized Improvements and apportionment of such costs to the property in the PID is included in Section V of this Service and Assessment Plan.

Section 372.016 of the PID Act requires that “after the total cost of an improvement is determined, the governing body of the municipality or county shall prepare a proposed assessment roll. The roll must state the assessment against each parcel of land in the district, as determined by the method of assessment chosen by the municipality or county under this subchapter.” The Assessment Rolls for the PID are included as Appendix E and F of this Service and Assessment Plan. The Assessments as shown on each Assessment Roll are based on the method of assessment and apportionment of costs described in Section V of this Service and Assessment Plan.

The PID is presently located within the City and contains approximately 484.074 acres of land, generally located directly north of County Road 7, directly east of County Road 6, south of FM 428, and west of Dallas Parkway. A map of the property within the PID is shown on Appendix A to this Service and Assessment Plan.

At completion, the PID is expected to consist of approximately 1,528 single family residential units, landscaping, and infrastructure necessary to provide roadways, drainage, and utilities to the PID. The estimated number of lots (1,528) is based upon the proposed development plan.

B. Property Included in Phase #1 and Phases #2 - 7

Phase #1 consists of approximately 108.523 acres and is projected to consist of 330 single family residential units, to be developed as Phase #1, as further described in Section III. Phases #2 - 7 consist of approximately 334.675 acres and are projected to consist of approximately 1,198 residential units. A map of the property within Phase #1 and Phases #2 - 7 and depicting the boundaries of each proposed Phase is shown in Appendix A.

C. Description of Estimated Costs of Phase #1 Improvements

The Phase #1 Improvements include a proportional share of the Major Improvements described above and the Phase #1 Projects that benefit only Phase #1. The description of the Phase #1 Projects are presented below as provided by the project engineer. The costs of the Phase #1 Projects are shown in Table III-B. The costs shown in Table III-B are estimates and may be revised in Annual Service Plan Updates, including such other improvements as deemed necessary to further improve the properties within the PID.

Section IV SERVICE PLAN

A. Sources and Uses of Funds

The PID Act requires the service plan to cover a period of at least five years. The service plan is required to define the annual projected costs and indebtedness for the Authorized Improvements undertaken within the PID during the five-year period. It is anticipated that it will take approximately 18 months to construct the Major Improvements and approximately 18 months for the Phase #1 Improvements to be constructed. At some point after all or a portion of the Major Improvements and Phase #1 Improvements are constructed, phase #2 will begin development. After phase #2 is developed, it is anticipated that Phase #3 will begin development, with each Future Phase to be subsequently developed corresponding to the Service and Assessment Plan to be updated with that development.

The estimated costs for Major Improvements allocable to Phases #2 – 7 and Phase #1 Improvements plus costs related to the issuance of the Bonds, in one or more series, for the Major Improvements allocable to Phases #2 – 7 and Phase #1 Improvements and payment of expenses incurred in the establishment, administration and operation of the PID is \$24,299,920 as shown in Table IV-A. The sources and uses of funds shown in Table IV-A shall be updated each year in the Annual Service Plan Update to reflect any budget revisions and Actual Costs. The service plan shall be reviewed and updated at least annually for the purpose of determining the annual budget for Administrative Expenses, updating the estimated Authorized Improvement costs, and updating the Assessment Roll(s). Any update to this Service and Assessment Plan is herein referred to as an “Annual Service Plan Update.”

As Future Phases are developed in connection with the issuance of Phased PID Bonds, this Service and Assessment Plan will be amended (e.g. Table IV-A will be amended to add phase #2, etc.).

Bonds are being issued starting in 2018 to finance the Major Improvements allocable to Phases #2 – 7 and Phase #1 Improvements. Table IV-A shows the sources and uses of the Bonds. The Phase #1 Bonds are being issued to finance a portion of the Phase #1 Improvements, including costs to issue the Phase #1 Bonds, as shown in Table IV-A. Proceeds of the Phase #1 Bonds will be used to construct or acquire a portion of the Phase #1 Improvements.

Notes: Phase #1 Improvements include the Phase #1 Projects described in Section III.C plus the estimated \$3,148,382 pro rata share of the Major Improvements allocated to Phase #1.

The Phases #2 - 7 Major Improvement Bonds shown in Table IV-A are anticipated to be issued in 2018. The Phases #2 - 7 Major Improvement Bonds to be issued in 2018 will be used to pay and/or reimburse the Developer for a portion of the costs of Phases #2 - 7 Major Improvements.

The Phase #1 Improvement Bonds shown in Table IV-A are anticipated to be issued in 2018. The Phase #1 Improvement Bonds to be issued in 2018 will be used to pay and/or reimburse the Developer for a portion of the costs of the Phase #1 Improvements and the pro rata share of the Major Improvements.

As Future Phases are developed, additional Bonds will be issued for each new future phase improvements. Phased PID Bonds for Phase #2 will be issued to finance the Authorized Improvements required for Phase #2, Phased PID Bonds for Phase #3 will be issued to finance the Authorized Improvements required for Phase #3 and so on as each future phase is developed. Each Phased PID Bond may also be issued in one or more series of Bonds.

The annual projected costs and annual projected indebtedness is shown by Table IV-B. The annual projected costs and indebtedness is subject to revision and each shall be updated in the Annual Service Plan Update to reflect any changes in the costs or indebtedness expected for each year.

The annual projected costs shown in Table IV-B are the annual expenditures relating to the Major Improvements shown in Table III-A, the Phase #1 Improvements shown in Table III-B, and the costs associated with setting up the PID and bond issuance costs including reserves shown in Table IV-A. The difference between the total projected cost and the total projected indebtedness, if any, is the amount contributed by the Developer. As Future Phases are developed, in association with issuing Phased PID Bonds for each Future Phase, this Table IV-B will be updated to identify the Authorized Improvements to be financed by each new series of the Phased PID Bonds and the projected indebtedness resulting from each additional series of the Phased PID Bonds.

Section V ASSESSMENT PLAN

A. Introduction

The PID Act requires the City Council to apportion the costs of the Authorized Improvements on the basis of special benefits conferred upon the property because of the Authorized Improvements. The PID Act provides that the costs of the Authorized Improvements may be assessed: (i) equally per front foot or square foot; (ii) according to the value of the property as determined by the governing body, with or without regard to improvements on the property; or (iii) in any other manner that results in imposing equal shares of the cost on property similarly benefited. The PID Act further provides that the governing body may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the municipality and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

The proposed bond issuance program entails a series of bond financings that are intended to finance the public infrastructure required for the development. This financing will necessarily be undertaken in phases to coincide with the private investment and development of the Authorized Improvements. Following the initial Phase #1 Bonds and the Phases #2 - 7 Major Improvement Bonds to be issued in 2018, subsequent financings are to be issued over the upcoming decade as the subsequent phases (e.g. Phases #2 and #3) of the development are gradually constructed.

The purpose of this gradual issuance of bonds in phases is to mirror the actual private development of the Authorized Improvements. The Bonds to be issued are most prudently and efficiently utilized when directly coinciding with construction of public infrastructure needed for private development that is to occur once the infrastructure is completed; it is most effective to issue the Bonds when the infrastructure is needed, not before. Furthermore, there is no economic advantage, and several disadvantages, to issuing debt and encumbering property within the PID prior to the need for the Authorized Improvements.

Additionally, phased issuance of debt will maintain a prudent value to lien ("VtL") within the financing program. In order to maintain a prudent VtL, the initial issuance of bonds for a specific set of Authorized Improvements may not fund the entire desired level of public infrastructure because the property value is not high enough to support the entire debt load at the VtL chosen for the development. In that case, the Developer will need to fund the additional infrastructure costs with cash at closing. This cash investment by the Developer for certain Authorized Improvements can be reimbursed by a subsequent parity lien bond financing, secured by the same special assessments, once the assessed property is partially or fully developed and the value has increased sufficiently to permit the issuance of the additional bonds in a prudent fashion.

For purposes of this Service and Assessment Plan, the City Council has determined that the costs of the Major Improvements and Phase #1 Improvements shall be allocated as described below:

1. The Major Improvement and Phase #1 Improvement costs shall be allocated on the basis of the relative value of Parcels once such property is developed, and that such method of allocation will result in the imposition of equal shares of the costs of the Authorized Improvements to Parcels similarly benefited.
2. The City Council has concluded that larger more expensive homes are likely to be built on the larger lots, and that larger more expensive homes are likely to make greater use of and

receive greater benefit from the Authorized Improvements. In determining the relative values of Parcels, the City Council has taken into consideration (i) the type of development (i.e., residential, commercial, etc.), (ii) single-family lot sizes and the size of homes likely to be built on lots of different sizes, (iii) current and projected home process provided by the Developer, (iv) the Authorized Improvements to be provided and the estimated costs, and (v) the ability of different property types to utilize and benefit from the Authorized Improvements.

3. The Assessed Property is classified into different Lot Types as described in Appendix D based on the type and size of proposed development on each Parcel.
4. Equivalent Units are calculated for each Lot Type based on the relative value of each Lot Type.
5. The Major Improvement costs are proportionally allocated to the Phases #2 - 7 Major Improvement Assessed Property and the Phase #1 Assessed Property based on the ratio of total projected Equivalent Units for the Phases #2 - 7 Major Improvement Assessed Property and the Phase #1 Assessed Property.
6. The Phases #2 - 7 Major Improvement Assessed Property's proportional share of the costs for the Major Improvements is allocated to each Parcel within the Phases #2 - 7 Major Improvement Assessed Property based on the total projected Equivalent Units for each Parcel.
7. The Phase #1 Improvement costs (including Phase #1 Assessed Property's proportional share of the costs of the Major Improvements) are allocated to each Parcel within the Phase #1 Assessed Property based on the total Equivalent Units for each Parcel.

Table V-A provides the estimated allocation of costs of the Authorized Improvements constituting Major Improvements and Phase #1 Improvements.

At this time, it is impossible to determine with absolute certainty the amount of special benefit each Parcel within Future Phases will receive from the direct Authorized Improvements that will benefit each individual phase and that are to be financed with Phased PID Bonds. Therefore, Parcels will only be assessed for the special benefits conferred upon the Parcel at this time because of the Major Improvements and Phase #1 Improvements.

In connection with the issuance of Phased PID Bonds and/or execution of related reimbursement agreements, this Service and Assessment Plan will be updated to reflect the special benefit each Parcel of Assessed Property within a Future Phase receives from the specific Authorized Improvements funded with those Phased PID Bonds issued with respect to that Future Phase. Prior to assessing Parcels located within Future Phases in connection with issuance of Phased PID Bonds, each owner of the Parcels to be assessed must acknowledge that the Authorized Improvements to be financed confer a special benefit on their Parcel and must consent to the imposition of the Assessments to pay for the Actual Costs of such Authorized Improvements.

This section of this Service and Assessment Plan currently (i) describes the special benefit received by each Parcel within the PID as a result of the Major Improvements and Phase #1 Improvements, (ii) provides the basis and justification for the determination that this special benefit exceeds the amount of the Assessments to be levied on the Phase #1 Assessed Property and Phases #2 - 7 Major Improvement Assessed Property for such improvements, and (iii) establishes the methodologies by which the City Council allocates and reallocates the special benefit of the Major Improvements and Phase #1 Improvements to Parcels in a manner that results in equal shares of the Actual Costs

of such improvements being apportioned to Parcels similarly benefited. The determination by the City Council of the assessment methodologies set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Developer and all future owners and developers of the Assessed Property.

As Future Phases are developed, in connection with the issuance of Phased PID Bonds this Service and Assessment Plan will be updated based on the City's determination of the assessment methodology for each Future Phase.

B. Special Benefit

Assessed Property must receive a direct and special benefit from the Authorized Improvements, and this benefit must be equal to or greater than the amount of the Assessments. The Authorized Improvements are provided specifically for the benefit of the Assessed Property. The Authorized Improvements (more particularly described in line-item format in Appendix B to this Service and Assessment Plan) and the costs of issuance and payment of costs incurred in the establishment of the PID shown in Table IV-A are authorized by the PID Act. These improvements are provided specifically for the benefit of the Assessed Property.

Each owner of the Assessed Property has acknowledged that the Authorized Improvements confer a special benefit on the Assessed Property and has consented to the imposition of the Assessments to pay for the Actual Costs associated therewith. Each of the owners is acting in its interest in consenting to this apportionment and levying of the Assessments because the special benefit conferred upon the Assessed Property by the Authorized Improvements exceeds the amount of the Assessments.

The Authorized Improvements provide a special benefit to the Assessed Property as a result of the close proximity of these improvements to the Assessed Property and the specific purpose of these improvements of providing infrastructure for the Assessed Property. In other words, the Assessed Property could not be used in the manner proposed without the construction of the Authorized Improvements. The Authorized Improvements are being provided specifically to meet the needs of the Assessed Property as required for the proposed use of the property.

The Assessments are being levied to provide the Authorized Improvements that are required for the highest and best use of the Assessed Property (i.e., the use of the property that is most valuable, including any costs associated with that use). Highest and best use can be defined as "the reasonably probable and legal use of property, which is physically possible, appropriately supported, financially feasible, and that results in the highest value." (*Dictionary of Real Estate Appraisal, Third Edition.*) The Authorized Improvements are expected to be required for the proposed use of the Assessed Property to be physically possible, appropriately supported, financially feasible, and maximally productive.

The Developer has evaluated the potential use of the property and has determined that the highest and best use of the property is the use intended and the legal use for the property as described in Section II of this Service and Assessment Plan. The use of the Assessed Property as described herein will require the construction of the Authorized Improvements.

The special assessments will repay financing that is on advantageous terms, as the Bonds issued to finance the Authorized Improvements will pay interest that is exempt from federal income tax. As a result, all other terms being equal (e.g., maturity, fixed vs. variable rate, credit quality), the tax-

exempt bonds will have a lower interest rate than debt that is not tax-exempt. The Bonds also have a longer term than other available financings and may either be repaid or assumed by a buyer at the buyer's option. As a result of these advantageous terms, the financing provided by the PID is the most beneficial means of financing the Authorized Improvements.

Each owner of the Assessed Property will ratify, confirm, accept, agree to and approve: (i) the determinations and finding by the City Council as to the special benefits described in this Service and Assessment Plan and the Assessment Ordinance; (ii) the Service and Assessment Plan and the Assessment Ordinance, and (iii) the levying of Assessments on the Assessed Property. Use of the Assessed Property as described in this Service and Assessment Plan and as authorized by the PID Act requires that Authorized Improvements be acquired, constructed, installed, and/or improved. Funding the Actual Costs of the Authorized Improvements through the PID has been determined by the City Council to be the most beneficial means of doing so. As a result, the Assessments result in a special benefit to the Assessed Property, and this special benefit exceeds the amount of the Assessment. This conclusion is based on and supported by the evidence, information, and testimony provided to the City Council.

In summary, the Assessments result in a special benefit to the Assessed Property for the following reasons:

1. The Authorized Improvements are being provided specifically for the use of the Assessed Property, are necessary for the proposed best use of the property and provide a special benefit to the Assessed Property as a result;
2. The Developer has consented to the imposition of the Assessments for the purpose of providing the Authorized Improvements and the Developer is acting in its interest by consenting to this imposition;
3. The Authorized Improvements are required for the highest and best use of the property;
4. The highest and best use of the Assessed Property is the use of the Assessed Property that is most valuable (including any costs associated with the use of the Assessed Property);
5. Financing of the costs of the Authorized Improvement through the PID is determined to be the most beneficial means of providing for the Authorized Improvements; and,
6. As a result, the special benefits to the Assessed Property from the Authorized Improvements will be equal to or greater than the Assessments.

C. Allocation of Costs to Assessed Property

The Major Improvements will provide a special benefit to all property in the PID. Accordingly, the estimated Major Improvement costs must be allocated throughout all Assessed Property in the District. Table V-A summarizes the allocation of estimated costs for each Major Improvement. The costs shown in Table V-A are estimates and may be revised in Annual Service Plan Updates, but the related Assessment may not be increased.

As shown in Appendix D, Phase #1 is projected to contain 330 residential units representing 254.02 total Equivalent Units. Phases #2 - 7 are projected to contain 1,198 residential units representing total Equivalent Units of 903.47, resulting in total Equivalent Units of 1,157.49 within the PID. As a result, 21.95 percent of the estimated costs of Major Improvements (i.e. $254.02 \div 1,157.49 =$

21.95%) are allocated to the Phase #1 Assessed Property and 78.05 percent of the estimated costs Major Improvements (i.e., $903.47 \div 1,157.49 = 78.05\%$) are allocated to the Phases #2 - 7 Major Improvement Assessed Property. The Phases #2 - 7 Major Improvement Bonds will fund the proportionate share of the estimated costs of the Major Improvements allocated to Phases #2 - 7 and Phase #1 Bonds will fund Phase #1's proportionate share of the estimated costs of the Major Improvements and the remaining Phase #1 Improvements. One hundred percent (100%) of the Phase #1 Improvements are allocated to the Phase #1 Assessed Property.

D. Assessment Methodology

The costs of the Authorized Improvements may be assessed by the City Council against the Assessed Property so long as the special benefit conferred upon the Assessed Property by the Authorized Improvements equals or exceeds the Assessments. The costs of the Authorized Improvements may be assessed using any methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited.

1. Assessment Methodology for the Major Improvements for Phases #2 - 7

For purpose of this Service and Assessment Plan, the City Council determined that the portion of the Major Improvement costs to be allocated to Phases #2 - 7 shall be allocated to the Phases #2 - 7 Major Improvement Assessed Property by spreading the entire Assessment across the Parcels based on the estimated Equivalent Units anticipated to be developed on each Parcel as calculated

and shown in Appendix D using the types and number of lots anticipated to be developed on each Parcel within Phases #2 - 7. As part of the determination as to the ability of different Lot Types to utilize and benefit from the Authorized Improvements, the City Council has taken into consideration that larger, more expensive homes, on average, will create more vehicle trips and greater demands for water and wastewater consumption, and larger, more expensive homes are likely to be built on larger, more valuable lots placing greater demand on the Authorized Improvements.

Based on the estimates of the costs of the Major Improvements, as set forth in Table III-A, the City Council has determined that the benefit to Phases #2 - 7 Major Improvement Assessed Property of the Phases #2 - 7 proportional share of the Major Improvements is at least equal to the Assessments levied on the Phases #2 - 7 Major Improvement Assessed Property.

Upon subsequent divisions of any Parcel, the Assessment applicable to it will then be apportioned pro rata based on the estimated Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Parcel based on the ratio of the estimated Equivalent Units at the time residential Lots are platted to the total estimated Equivalent Units of all Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council.

The Assessment and Annual Installments for each Parcel or Lot located within Phases #2 - 7 is shown on the Phases #2 - 7 Major Improvement Assessment Roll, attached as Appendix E, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

2. *Assessment Methodology for Phase #1*

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phase #1 Improvements, including the portion of the Major Improvements to be financed with the Phase #1 Bonds, shall be allocated to the Phase #1 Assessed Property by spreading the entire Assessment across the Parcels based on the estimated Equivalent Units anticipated to be developed on each Parcel as calculated and shown in Appendix D using the types and number of lots anticipated to be developed on each Parcel within Phase #1. As part of the determination as to the ability of different Lot Types to utilize and benefit from the Authorized Improvements, the City Council has taken into consideration that larger, more expensive homes, on average, will create more vehicle trips and greater demands for water and wastewater consumption, and larger, more expensive homes are likely to be built on larger, more valuable lots placing greater demand on the Authorized Improvements.

Based on the estimates of the costs of the Phase #1 Improvements, as set forth in Table III-B, the City Council has determined that the benefit to Phase #1 Assessed Property of the Phase #1 Improvements (including Phase #1's proportional share of the Major Improvements) is at least equal to the Assessments levied on the Phase #1 Assessed Property.

Upon subsequent divisions of any Parcel, the Assessment applicable to it will then be apportioned pro rata based on the estimated Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Parcel based on the ratio of the estimated Equivalent Units at the time residential Lots are platted to the total estimated Equivalent Units of all Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council.

The Assessment and Annual Installments for each Parcel or Lot located within Phase #1 is shown on the Phase #1 Assessment Roll, attached as Appendix F, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

3. *Assessment Methodology for Future Phases*

When any given Future Phase is developed, and Phased PID Bonds for that Future Phase are to be issued, this Service and Assessment Plan will be amended to determine the assessment methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited within that Phase.

E. **Assessments**

The Assessments for the Phases #2 - 7 Major Improvement Bonds and the Phase #1 Bonds will be levied on each Parcel according to the Phases #2 - 7 Major Improvement Assessment Roll and the Phase #1 Assessment Roll, attached hereto as Appendix E and Appendix F, respectively.

As shown in Section IV of this Service and Assessment Plan, the total amount of the Phase #1 Bonds, which represents the total Assessment to be allocated on all Parcels within Phase #1, is \$9,555,000. As shown in Appendix D, there are a total of 330 residential units representing a total of 254.02 estimated Equivalent Units for the residential development in Phase #1, resulting in a Maximum Assessment per Equivalent Unit of \$37,615.15 for Phase #1.

The Assessment per dwelling unit is calculated as the product of (i) \$37,615.15 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, the Assessment for a Lot Type 1 (74 Ft Lot) dwelling unit is \$37,615.15 (i.e. $\$37,615.15 \times 1.00$). The Assessment for a Lot Type 2 (60 Ft Lot) dwelling unit is \$30,468.27 (i.e. $\$37,615.15 \times 0.81$). Table V-1 sets forth the Assessment per dwelling unit for each of the three Lot Types in Phase #1.

Table V-1
Maximum Assessment per Unit - Phase #1

Type	Planned No. of Units	Assessment per Equivalent Unit	Equivalent Unit Factor ¹	Assessment per Unit	Total Assessments
Lot Type 1 (74' Lot)	43	\$37,615.15	1.00	\$37,615.15 per dwelling unit	\$1,617,451

Lot Type 3 (50' Lot)	165	\$80,000	\$400,000	\$2,010	\$2.51	\$0.50
Total	330					

As shown in Section IV of this Service and Assessment Plan, the total amount of the Phases #2 - 7 Major Improvement Bonds, which represents the total Assessment to be allocated on all Parcels within Phases #2 - 7, is \$13,795,000. As shown in Appendix D, there are a total of 1,198 residential units representing a total of 903.47 estimated Equivalent Units for the residential development in Phases #2 - 7, resulting in an Assessment per Equivalent Unit of \$15,268.91 for Phases #2 - 7.

The Assessment per dwelling unit is calculated as the product of (i) \$15,268.91 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, the Assessment for a Lot Type 1 (74 Ft Lot) dwelling unit is \$15,268.91 (i.e. \$15,268.91 $\times$ 1.00). The Assessment for a Lot Type 2 (60 Ft Lot) dwelling unit is \$12,367.82 (i.e. \$15,268.91 $\times$ 0.81). Table V-4 sets forth the Assessment per dwelling unit for each of the three Lot Types in Phases #2 - 7.

The Annual Installments for the Phases #2 - 7 Major Improvement Bonds and the Phase #1 Bonds will be collected at the time and in the amounts shown on the Phases #2 - 7 Major Improvement Assessment Roll and the Phase #1 Assessment Roll, respectively, subject to any revisions made during an Annual Service Plan Update.

F. Administrative Expenses

The cost of administering the PID and collecting the Annual Installments shall be paid for on a pro rata basis by each Parcel based on the amount of Assessment levied against the Parcel. The Administrative Expenses shall be collected as part of and in the same manner as Annual Installments in the amounts shown on each Assessment Roll, which may be revised based on actual costs incurred in Annual Service Plan Updates.

G. Additional Interest

Pursuant to the PID Act, the interest rate for Assessments may exceed the actual interest rate per annum paid on the related Bonds by no more than one half of one percent (0.50%) (the “Additional Interest”). The interest rate used to determine the Assessments is one half of one percent (0.50%) per annum higher than the actual rate paid on the Bonds, with the Additional Interest component of the Annual Installments allocated to fund a reserve to be used for paying prepayment and delinquency related costs (the “Prepayment and Delinquency Reserve”). The Prepayment and Delinquency Reserve shall be funded until it reaches 5.50% of the outstanding Bonds as stipulated in the Bond documents. Once the Prepayment and Delinquency Reserve is funded in full, the City may allocate the Additional Interest component of the Annual Installments as provided in the Trust Indenture.

The Phases #2 - 7 Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Phases #2 - 7 Major Improvement Bonds, (ii) the Additional Interest to fund the Prepayment and Delinquency Reserve described in Section V, and (iii) to pay Administrative Expenses related to the PID. The Annual Installment for each Parcel shall be calculated by taking into consideration any available capitalized interest and other available funds.

B. Amount of Assessments and Annual Installments for Parcels Located Within Phase #1

The Assessment and Annual Installments for each Assessed Property located within Phase #1 is shown on the Phase #1 Assessment Roll, attached as Appendix F, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Phase #1 Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Phase #1 Bonds, (ii) the Additional Interest to fund the Prepayment and Delinquency Reserve described in Section V, and (iii) to pay Administrative Expenses related to the PID. The Annual Installment for each Parcel shall be calculated by taking into consideration any available capitalized interest and other available funds.

C. Amount of Assessments and Annual Installments for Parcels Located Within Future Phases

As Future Phases are developed, this Service and Assessment Plan will be amended to determine the Assessment and Annual Installments for each Assessed Property located within Future Phases (e.g., an Appendix will be added as the Assessment Roll for phase #2, etc.). The Assessments shall not exceed the benefit received by the Assessed Property.

D. Reallocation of Assessments

1. Subdivision

Upon the subdivision of any Parcel, the Assessment for the Parcel prior to the subdivision shall be reallocated among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

- A = the Assessment for each new subdivided Parcel
- B = the Assessment for the Parcel prior to subdivision
- C = the estimated total Equivalent Units to be built on each new subdivided Parcel
- D = the sum of the estimated total Equivalent units to be built on all of the new subdivided Parcels

The calculation of the estimated Equivalent Units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of Equivalent Units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

The sum of the Assessments for all newly subdivided Parcels shall equal the Assessment for the Parcel prior to subdivision. The calculation shall be made separately for each newly subdivided Parcel. The reallocation of an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the subdivision of the Parcels. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

2. Consolidation

Upon the consolidation of two or more Parcels, the Assessment for the consolidated Parcel shall be the sum of the Assessments for the Parcels prior to consolidation. The reallocation of an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the consolidation of the Parcels. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

E. Mandatory Prepayment of Assessments

1. If a Parcel subject to Assessments is transferred to a party that is exempt from the payment of the Assessment under applicable law, or if an owner causes a Parcel subject to Assessments to become Non-Benefited Property, the owner of such Parcel shall pay to the City the full amount of the principal portion of the Assessment on such Parcel, plus all Prepayment Costs, prior to any such transfer or act.
2. If at any time the Assessment per Unit on a Parcel exceeds the applicable Maximum Assessment per Unit calculated in this Service and Assessment Plan as a result of any changes in land use, subdivision, consolidation or reallocation of the Assessment authorized by this Service and Assessment Plan and initiated by the owner of the Parcel, then such owner shall pay to the City prior to the recordation of the document subdividing the Parcel the amount calculated by the Administrator by which the Assessment per Unit for the Parcel exceeds the applicable Maximum Assessment per Unit calculated in this Service and Assessment Plan.
3. The payments required above shall be treated the same as any Assessment that is due and owing under the PID Act, the Assessment Ordinance, and this Service and Assessment Plan, including the same lien priority, penalties, procedures, and foreclosure specified by the PID Act.

F. Reduction of Assessments

1. If after all Authorized Improvements to be funded with a series of Bonds have been completed and Actual Costs for such Authorized Improvements are less than the estimated costs of the Authorized Improvements used to calculate the Assessments securing such series of Bonds, resulting in excess Bond proceeds being available to redeem Bonds of such series, then the Assessment securing such series of Bonds for each Parcel of Assessed Property shall be reduced by the City Council pro rata such that the sum of the resulting reduced Assessments for all Assessed Properties equals the actual reduced Actual Costs and such excess Bond proceeds shall applied to redeem Bonds of such series. The Assessments shall not be reduced to an amount less than the related outstanding series of Bonds. If all of the Authorized Improvements are not completed, the City may reduce the Assessments in another method if it determines such method would better reflect the benefit received by the Parcels from the Authorized Improvements completed.

2. If all the Authorized Improvements are not undertaken, resulting in excess Bond proceeds being available to redeem Bonds, then the Assessments and Annual Installments for each Parcel shall be appropriately reduced by the City Council to reflect only the amounts required to repay the Bonds, including interest on the Bonds and Collection Costs, and such excess Bond proceeds shall be applied to redeem Bonds. The City Council may reduce the Assessments and the Annual Installments for each Parcel (i) in an amount that represents the Authorized Improvements provided for each Parcel or (ii) by an equal percentage calculated based on number of units, if determined by the City Council to be the most fair and practical means of reducing the Assessments for each Parcel, such that the sum of the resulting reduced Assessments equals the amount required to repay the Bonds, including interest on the Bonds and Collection Costs. The Principal Portion of the Assessment for each Parcel shall be reduced pro rata to the reduction in the Assessments for each Parcel such that the sum of the resulting reduced Principal Portion of the Bonds is equal to the outstanding principal amount of the Bonds.

G. Payment of Assessments

1. Payment in Full

(a) The Assessment for any Parcel may be paid in full at any time. Such payment shall include interest through the date of the prepayment and applicable Prepayment Costs.

(b) If an Annual Installment has been billed prior to payment in full of an Assessment, the Annual Installment shall be due and payable and shall be credited against the payment-in-full amount.

(c) Upon payment in full of the Assessment and all Prepayment Costs, the City shall deposit the payment in accordance with the Trust Indenture; whereupon, the Assessment shall be reduced to zero, and the owner's obligation to pay the Assessment and Annual Installments thereof shall automatically terminate.

(d) At the option of the owner, the Assessment on any Parcel plus interest through the date of prepayment and applicable Prepayment Costs may be paid in part. Upon the payment of such amounts for a Parcel, the Assessment for the Parcel shall be reduced, the Assessment Roll shall be updated to reflect such partial payment, and the obligation to pay the Annual Installment for such

Parcel shall be reduced to the extent the partial payment is made.

2. Payment in Annual Installments

The PID Act provides that an Assessment for a Parcel may be paid in full at any time. If not paid in full, the PID Act authorizes the Assessment to be paid in installments and additionally allows the City to collect interest, administrative expenses and other authorized charges in installments. An Assessment for a Parcel that is not paid in full will be collected in Annual Installments each year in the amounts shown on the Assessment Rolls, as updated as provided for herein, which include interest, Administrative Expenses, and payments required for the additional Interest to fund the Prepayment Reserve and Delinquency Reserve. Payment of the Annual Installments shall commence with tax bills mailed after the initial issuance of Bonds.

Each Assessment shall be paid with interest of no more than the lesser of (i) the actual interest rate paid on the Bonds. The Phases #2 - 7 Major Improvement Assessment Roll sets forth for each year the Annual Installment for each Parcel based on an estimated interest rate of 5.75% and additional interest at the rate of 0.5% for Administrative Expenses or the Additional Interest to fund the Prepayment and Delinquency Reserve. The Phase #1 Assessment Roll sets forth for each year the Annual Installment for each Parcel based on an estimated interest rate of 5.50%, and the Additional Interest at the rate of 0.5% to fund Prepayment and Delinquency Reserve. Furthermore, the Annual Installments may not exceed the amounts shown on the Assessment Rolls. The Assessment Rolls will be updated with the actual interest rates on the Bonds, as shown as Appendix E and Appendix F.

The Annual Installments shall be reduced to equal the actual costs of repaying the Bonds and actual Administrative Expenses (as provided for in the definition of such term), taking into consideration any other available funds for these costs, such as interest income on account balances.

The City reserves and shall have the right and option to refund the Bonds in accordance with Section 372.027 of the PID Act. In the event of such refunding, the Administrator shall recalculate the Annual Installments, and if necessary, may adjust, or decrease, the amount of the Annual Installments so that total Annual Installments of Assessments will be produced in annual amounts that are required to pay the refunding bonds when due and payable as required by and established in the ordinance and/or the indenture authorizing and securing the refunding bonds, and such refunding bonds shall constitute Bonds for purposes of this Service and Assessment Plan.

H. Collection of Annual Installments

No less frequently than annually, the Administrator shall prepare, and the City Council shall approve, an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include an updated Assessment Roll and a calculation of the Annual Installment for each Parcel. Administrative Expenses shall be allocated among Parcels in proportion to the amount of the Annual Installments for the Parcels. Each Annual Installment shall be reduced by any credits applied under the applicable Trust Indenture, such as capitalized interest, interest earnings on any account balances, and any other funds available to the Trustee for such purpose, including any existing deposits for a prepayment reserve. Annual Installments shall be collected by the City in the same manner and at the same time as ad valorem taxes and shall be subject to the same penalties, procedures, and foreclosure sale in case of delinquencies as are provided for ad valorem taxes of the City. The City Council may provide for

other means of collecting the Annual Installments to the extent permitted under the PID Act. The Assessments shall have lien priority as specified in the PID Act.

Any sale of property for nonpayment of the Annual Installments shall be subject to the lien established for the remaining unpaid Annual Installments against such property and such property may again be sold at a judicial foreclosure sale if the purchaser thereof fails to make timely payment of the non-delinquent Annual Installments against such property as they become due and payable.

Section VII THE ASSESSMENT ROLL

A. Phases #2 – 7 Major Improvement Assessment Roll

Each Parcel within Phases #2 - 7 has been evaluated by the City Council (based on the concept plan, developable area, proposed Homeowner Association Property and Public Property, the Major Improvements, best and highest use of land, and other development factors deemed relevant by the City Council) to determine the Assessed Property within each Parcel.

Phases #2 - 7 Major Improvement Assessed Property will be assessed for the special benefits conferred upon the property as a result of the Major Improvements. Table IV-A summarizes the \$14,248,138 in special benefit received by Phases #2 - 7 from a portion of the Major Improvements, the pro rata costs of the PID formation, and bond issuance costs for the proposed Phases #2 - 7 Major Improvement Bonds. The amount of Phases #2 - 7 Major Improvement Bonds is \$13,795,000, which is less than the benefit received by Phases #2 - 7 Major Improvement Assessed Property, and as such the total Assessment for all Assessed Property within Phases #2 - 7 is \$13,795,000 plus annual Administrative Expenses and other authorized charges. The Assessment for each Parcel of Assessed Property within the Phases #2 - 7 is calculated based on the allocation methodologies described in Section V.D of this Service and Assessment Plan. The Phases #2 - 7 Major Improvement Assessment Roll is attached hereto as Appendix E.

B. Phase #1 Assessment Roll

Phase #1 Assessed Property will be assessed for the special benefits conferred upon the property as a result of the Phase #1 Improvements that benefit Phase #1, which include a proportionate share of the Major Improvements allocable to Phase #1. Table IV-A summarizes the \$10,051,782 in special benefit received by Phase #1 Assessed Property from the Phase #1 Improvements that benefit Phase #1, including the proportionate share of the Major Improvements allocable to Phase #1, the pro rata costs of the PID formation, and bond issuance costs for the proposed Phase #1 Bonds. The total amount of Phase #1 Bonds is \$9,555,000, which is less than the benefit received by Phase #1 Assessed Property, and as such the total Assessment for all Assessed Property within Phase #1 is \$9,555,000 plus annual Administrative Expenses and other authorized charges. The Assessment for each Parcel of Assessed Property within Phase #1 is calculated based on the allocation methodologies described in Section V.D of this Service and Assessment Plan. The Phase #1 Assessment Roll is attached hereto as Appendix E.

C. Future Phase Assessment Roll

As Future Phases are developed, this Service and Assessment Plan will be updated to determine the Assessment for each Parcel located within Future Phases (e.g., an Appendix will be added as the Assessment Roll for Phase #2, etc.).

D. Annual Assessment Roll Updates

The Administrator shall prepare, and shall submit to the City Council for approval, annual updates to the Phases #2 - 7 Major Improvement Assessment Roll and Phase #1 Assessment Roll in conjunction with the Annual Service Plan Update to reflect the following matters, together with

any other changes helpful to the Administrator or the City and permitted by the PID Act: (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.G of this Service and Assessment Plan.

Once Bonds are issued, the Assessment Rolls shall be updated, which update may be done in the next Annual Service Plan Update, to reflect any changes resulting from the issuance of the Bonds. This update shall reflect the actual interest on the Bonds on which the Annual Installments shall be paid, any reduction in the Assessments, and any revisions in the Actual Costs to be funded by the Bonds and Developer funds.

Section VIII MISCELLANEOUS PROVISIONS

A. Administrative Review

The City may elect to designate a third party to serve as Administrator. The City shall notify Developer in writing at least thirty (30) days in advance before appointing a third party Administrator.

To the extent consistent with the PID Act, an owner of an Assessed Parcel claiming that a calculation error has been made in the Assessment Roll(s), including the calculation of the Annual Installment, shall send a written notice describing the error to the City not later than thirty (30) days after the date any amount which is alleged to be incorrect is due prior to seeking any other remedy. The Administrator shall promptly review the notice, and if necessary, meet with the Assessed Parcel owner, consider written and oral evidence regarding the alleged error and decide whether, in fact, such a calculation error occurred.

If the Administrator determines that a calculation error has been made and the Assessment Roll should be modified or changed in favor of the Assessed Parcel owner, such change or modification shall be presented to the City Council for approval to the extent permitted by the PID Act. A cash refund may not be made for any amount previously paid by the Assessed Parcel owner (except for the final year during which the Annual Installment shall be collected or if it is determined there are sufficient funds to meet the expenses of the PID for the current year), but an adjustment may be made in the amount of the Annual Installment to be paid in the following year. The decision of the Administrator regarding a calculation error relating to the Assessment Roll may be appealed to the City Council. Any amendments made to the Assessment Roll(s) pursuant to calculation errors shall be made pursuant to the PID Act.

The decision of the Administrator, or if such decision is appealed to the City Council, the decision of the City Council shall be conclusive as long as there is a reasonable basis for such determination. This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to any other appeal or legal action by such owner.

B. Termination of Assessments

Each Assessment shall be extinguished on the date the Assessment is paid in full, including unpaid Annual Installments and Delinquent Collection Costs, if any. After the extinguishment of an Assessment and the collection of any delinquent Annual Installments and Delinquent Collection Costs, the City shall provide the owner of the affected Parcel a recordable "Notice of the PID Assessment Termination".

C. Amendments

Amendments to the Service and Assessment Plan can be made as permitted or required by the PID Act and under Texas law.

The City Council reserves the right to the extent permitted by the PID Act to amend this Service and Assessment Plan without notice under the PID Act and without notice to property owners of Parcels:

(i) to correct mistakes and clerical errors; (ii) to clarify ambiguities; and (iii) to provide procedures for the collection and enforcement of Assessments, Prepayment Costs, Collection Costs, and other charges imposed by the Service and Assessment Plan.

D. Administration and Interpretation of Provisions

The City Council shall administer the PID, this Service and Assessment Plan, and all Annual Service Plan Updates consistent with the PID Act, and shall make all interpretations and determinations related to the application of this Service and Assessment Plan unless stated otherwise herein or in the Trust Indenture, such determination shall be conclusive.

E. Severability

If any provision, section, subsection, sentence, clause or phrase of this Service and Assessment Plan or the application of same to an Assessed Parcel or any person or set of circumstances is for any reason held to be unconstitutional, void or invalid, the validity of the remaining portions of this Service and Assessment Plan or the application to other persons or sets of circumstances shall not be affected thereby, it being the intent of the City Council in adopting this Service and Assessment Plan that no part hereof or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness or invalidity of any other part hereof, and all provisions of this Service and Assessment Plan are declared to be severable for that purpose.

If any provision of this Service and Assessment Plan is determined by a court to be unenforceable, the unenforceable provision shall be deleted from this Service and Assessment Plan and the unenforceable provision shall, to the extent possible, be rewritten to be enforceable and to give effect to the intent of the City.

LOT TYPES AND EQUIVALENT UNITS

Appendix D Lot Types and Equivalent Units

For purposes of calculating and allocating the Assessments, the Assessed Property has been classified in one of three Lot Types.

“Lot Type 1” means lots identified as such on the Assessment Roll, being lots typically with approximately 10,360 square feet size and a lot width of 74 feet, which may be referred to as such in the Zoning Ordinance.

“Lot Type 2” means lots identified as such on the Assessment Roll, being lots typically with approximately 7,800 square feet size and a lot width of 60 feet, which may be referred to as such in the Zoning Ordinance.

“Lot Type 3” means lots identified as such on the Assessment Roll, being lots typically with approximately 6,000 square feet size and a lot width of 50 feet, which may be referred to as such in the Zoning Ordinance.

The following table shows the proposed residential Lot Types within the PID.

**Table D-1
Proposed Development within the PID**

Lot Type	Description	Proposed Development
<u>Residential</u>		
Lot Type 1	74 Ft Lots	152 units
Lot Type 2	60 Ft Lots	537 units
Lot Type 3	50 Ft Lots	839 units
Total		1,528 units

Table D-2 below shows the proposed residential Lot Types within Phase #1.

**Table D-2
Proposed Development – Phase #1**

Lot Type 2	60 Ft Lots	122 units
Lot Type 3	50 Ft Lots	165 units
Total		330 units

Table D-3 below shows the proposed residential Lot Types within Phases #2 - 7.

Table D-3
Proposed Development – Phases #2 - 7

Lot Type	Description	Proposed Development
<u>Residential</u>		
Lot Type 1	74 Ft Lots	109 units
Lot Type 2	60 Ft Lots	415 units
Lot Type 3	50 Ft Lots	674 units
Total		1,198 units

As explained under Section V-C, for purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phase #1 Improvements to be financed with the Phases #1 Bonds shall be allocated to the Phases #1 Assessed Property by spreading the entire Assessment across the Parcels based on the estimated Equivalent Units and the Actual Costs of the Phases #2 - 7 share of the Major Improvements to be financed with the Phases #2 – 7 Major Improvement Bonds shall be allocated to the Phases #2 Assessed Property by spreading the entire Assessment across the Parcels based on the estimated Equivalent Units.

For purposes of this Service and Assessment Plan, the City Council has determined that the Assessments shall be allocated to the Phases #1 Assessed Property on the basis of the average home value of each Lot Type, and that such method of allocation will result in the imposition of equal shares of the Assessments on Parcels similarly benefited. In determining the average home value of each Lot Type, the City Council has taken into consideration (i) the type of lots (i.e., 74 Ft, 60 Ft, 50 Ft etc.); (ii) current and projected home prices; (iii) the costs of the Authorized Improvements, and (iv) the ability of different property types to utilize and benefit from the Authorized Improvements.

Having taken into consideration the matters described above, the City Council has determined that allocating the Assessments among Parcels based on average home value is best accomplished by creating classifications of benefited Parcels based on the “Lot Types” defined above. These classifications (from Lot Type 1 (74 Ft Lots) representing the highest value to Lot Type 3 (50 Ft Lot) representing the lowest value for residential lots are set forth in Table D-4 below. Assessments are allocated to each Lot Type on the basis of the average home value for each class of lots. This is accomplished by giving each Lot Type an Equivalent Unit factor. Equivalent Units are the ratio of the average value of lots within each assessment class, setting the Equivalent Unit factor for Lot Type 1 (74 Ft Lots) to 1.0.

Draft

Table D-4
Equivalent Unit Factors

Lot Type	Estimated Average Unit Value	Equivalent Unit Factor¹
Lot Type 1 (74 Ft Lot)	\$592,000	1.00 per dwelling unit
Lot Type 2 (60 Ft Lot)	\$480,000	0.81 per dwelling unit
Lot Type 3 (50 Ft Lot)	\$400,000	0.68 per dwelling unit

¹ – The Equivalent Unit Factors are rounded to two decimal places.

The total estimated Equivalent Units for Phase #1 are shown in Table D-5 below as calculated based on the Equivalent Unit factors shown above, estimated Lot Types and number of units estimated to be built within Phase #1.

Table D-5

The total estimated Equivalent Units for Phases #2 - 7 are shown in Table D-6 below as calculated based on the Equivalent Unit factors shown above, estimated Lot Types and number of units estimated to be built within Phases #2 - 7.

Section I PLAN DESCRIPTION AND DEFINED TERMS

A. Introduction

On February 28, 2017 (the “Creation Date”) the City Council of the City of Celina, Texas (the “City”) passed and approved Resolution No. 2017-10R approving and authorizing the creation of the Cambridge Crossing Public Improvement District (the “PID”) to finance the costs of certain public improvements for the benefit of property in the PID (the “Authorized Improvements”), all of which is located within the City of Celina.

The property in the PID is proposed to be developed in approximately seven phases, and the PID will finance public improvements for each phase as each phase is developed. Assessments will be imposed on the all property in the PID for the public improvements that benefit the entire PID and on the property in each phase for the public improvements to be provided for that phase.

Chapter 372 of the Texas Local Government Code, the “Public Improvement District Assessment Act” (as amended, the “PID Act”), governs the creation and operation of public improvement districts within the State of Texas. The Cambridge Crossing Public Improvement District Service and Assessment Plan (the “Service and Assessment Plan”) has been prepared in accordance with the PID Act and specifically Sections 372.013, 372.014, 372.015 and 372.016, which address the requirements of a service and assessment plan and the assessment roll. According to Section 372.013 of the PID Act, a service plan “must cover a period of at least five years and must also define the annual indebtedness and the projected costs for improvements. The plan shall be reviewed and updated annually for the purpose of determining the annual budget for improvements.” The service plan is described in Section IV of this Service and Assessment Plan.

Section 372.014 of the PID Act requires that “an assessment plan must be included in the annual service plan.” The assessment plan is described in Section V of this Service and Assessment Plan.

Section 372.015 of the PID Act requires that “the governing body of the municipality or county shall apportion the cost of an improvement to be assessed against property in an improvement district.” The method of assessing the costs of the Authorized Improvements and apportionment of such costs to the property in the PID is included in Section V of this Service and Assessment Plan.

Section 372.016 of the PID Act requires that “after the total cost of an improvement is determined, the governing body of the municipality or county shall prepare a proposed assessment roll. The roll must state the assessment against each parcel of land in the district, as determined by the method of assessment chosen by the municipality or county under this subchapter.” The Assessment Rolls for the PID are included as Appendix E and F of this Service and Assessment Plan. The Assessments as shown on each Assessment Roll are based on the method of assessment and apportionment of costs described in Section V of this Service and Assessment Plan.

Section II PROPERTY INCLUDED IN THE PID

A. Property Included in the PID

The PID is presently located within the City and contains approximately 484.074 acres of land, generally located directly north of County Road 7, directly east of County Road 6, south of FM 428, and west of Dallas Parkway. A map of the property within the PID is shown on Appendix A to this Service and Assessment Plan.

At completion, the PID is expected to consist of approximately 1,528 single family residential units, landscaping, and infrastructure necessary to provide roadways, drainage, and utilities to the PID. The estimated number of lots (1,528) is based upon the proposed development plan.

B. Property Included in Phase #1 and Phases #2 - 7

Phase #1 consists of approximately 108.523 acres and is projected to consist of 330 single family residential units, to be developed as Phase #1, as further described in Section III. Phases #2 - 7 consist of approximately 334.675 acres and are projected to consist of approximately 1,198 residential units. A map of the property within Phase #1 and Phases #2 - 7 and depicting the boundaries of each proposed Phase is shown in Appendix A.

C. Property Included in Future Phases

As Future Phases are developed, Phased PID Bonds may be issued for each new phase. In connection with the issuance of each new Phased PID Bonds, this Service and Assessment Plan will be updated to add additional details of each new Phase(s) as shown for Phase #1 in Section II.B. A map of the projected property within each Future Phase is shown in Appendix A. The Future Phases are shown for illustrative purposes only and are subject to adjustment. The current Parcels in the PID are shown on the Assessment Rolls included as Appendix E and Appendix F.

The estimated number of units at the build-out of the PID is based on the land use approvals for the property, the anticipated subdivision of property in the PID, and the Developer's estimate of the highest and best use of the property within the PID.

Section III DESCRIPTION OF THE AUTHORIZED IMPROVEMENTS

A. Authorized Improvement Overview

Section 372.003 of the PID Act defines the improvements that may be undertaken by a municipality or county through the establishment of a public improvement district, as follows:

372.003. Authorized Improvements

- (a) If the governing body of a municipality or county finds that it promotes the interests of the municipality or county, the governing body may undertake an improvement project that confers a special benefit on a definable part of the municipality or county or the municipality's extraterritorial jurisdiction. A project may be undertaken in the municipality or county or the municipality's extraterritorial jurisdiction.
- (b) A public improvement may include:
 - (i) landscaping;
 - (ii) erection of fountains, distinctive lighting, and signs;
 - (iii) acquiring, constructing, improving, widening, narrowing, closing, or rerouting of sidewalks or of streets, any other roadways, or their rights-of way;
 - (iv) construction or improvement of pedestrian malls;
 - (v) acquisition and installation of pieces of art;
 - (vi) acquisition, construction, or improvement of libraries;
 - (vii) acquisition, construction, or improvement of off-street parking facilities;
 - (viii) acquisition, construction, improvement, or rerouting of mass transportation facilities;
 - (ix) acquisition, construction, or improvement of water, wastewater, or drainage facilities or improvements;
 - (x) the establishment or improvement of parks;
 - (xi) projects similar to those listed in Subdivisions (i)-(x);
 - (xii) acquisition, by purchase or otherwise, of real property in connection with an authorized improvement;
 - (xiii) special supplemental services for improvement and promotion of the district, including services relating to advertising, promotion, health and sanitation, water and wastewater, public safety, security, business recruitment, development, recreation, and cultural enhancement; and

- (xiv) payment of expenses incurred in the establishment, administration and operation of the district.

After analyzing the public improvement projects authorized by the PID Act, the City has determined that the Authorized Improvements as described in Appendix B and shown on the diagram included as Appendix C should be undertaken by the City for the benefit of the property within the PID.

B. Description of Estimated Costs of Major Improvements

The Major Improvements benefit the entire PID. The costs of the Major Improvements are allocated proportionally throughout the entire PID, excluding Non-Benefited Property, in a manner that anticipates planned development of the PID based on the anticipated number of Equivalent Units.

The Major Improvements descriptions are presented below as provided by the project engineer. The costs of the Major Improvements are shown in Table III-A. The costs shown in Table III-A are estimates and may be revised in Annual Service Plan Updates, including such other improvements as deemed necessary to further improve the properties within the PID. To the extent that an Authorized Improvement is oversized or otherwise provides special benefit to property outside of the PID, the costs of such oversizing are not included in this SAP.

Road Improvements:

The major roadway improvements include construction of perimeter road and thoroughfare improvements, including related paving, drainage, curbs, gutters, sidewalks, retaining walls, signage, and traffic control devices. All roadway projects will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Water Distribution System Improvements:

The major water distribution system improvements consist of construction and installation of water lines, mains, pipes, valves and appurtenances necessary for the water distribution system, as well as related testing, trench safety and erosion protection, necessary to service the Assessed Property. The water distribution system improvements will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Sanitary Sewer Collection System Improvements:

The major sanitary sewer collection system improvements consist of construction and installation of pipes, service lines, manholes, encasements and appurtenances necessary to provide sanitary sewer service to the Assessed Property. The sanitary sewer improvements will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Storm Drainage Collection System Improvements

The major storm drainage collection system improvements consist of reinforced concrete pipes, reinforced concrete boxes, and multi-reinforced box culverts. The storm drainage collection system

improvements will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

All roadway projects will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Water Distribution System Improvements:

The Phase #1 water distribution system improvements consist of construction and installation of water lines, mains, pipes, valves and appurtenances necessary for the water distribution system, as well as related testing, trench safety and erosion protection, necessary to service the Assessed Property. The water distribution system improvements will be designed and constructed in accordance with City standards and specifications and will be owned and operated by the City.

Sanitary Sewer Collection System Improvements:

The Phase #1 sanitary sewer collection system improvements consist of construction and installation of pipes, service lines, manholes, encasements and appurtenances necessary to provide sanitary sewer service to the Assessed Property. The costs shown in Tables III-A and III-B are estimates and may be revised in Annual Service Plan Updates. The detailed costs of the Authorized Improvements are shown in Appendix B to this Service and Assessment Plan. Savings from one line item may be applied to a cost increase in another line item. These savings may be applied only to increases in costs of the Authorized Improvements (i.e., the improvements for the benefit of property within the PID).

D. Future Phase Authorized Improvements

As Phases are developed, additional Bonds for Future Phases will be issued to finance additional Authorized Improvements for each Future Phase. As Phased PID Bonds are issued for each Future Phase, this Service and Assessment Plan will be updated to identify the specific Authorized Improvements financed by such Phased PID Bonds that benefit each Phase (e.g., a Table III-C will be added to show the estimated costs for phase #2 Authorized Improvements, etc.).

Section IV SERVICE PLAN

A. Sources and Uses of Funds

The PID Act requires the service plan to cover a period of at least five years. The service plan is required to define the annual projected costs and indebtedness for the Authorized Improvements undertaken within the PID during the five-year period. It is anticipated that it will take approximately 18 months to construct the Major Improvements and approximately 18 months for the Phase #1 Improvements to be constructed. At some point after all or a portion of the Major Improvements and Phase #1 Improvements are constructed, phase #2 will begin development. After phase #2 is developed, it is anticipated that Phase #3 will begin development, with each Future Phase to be subsequently developed corresponding to the Service and Assessment Plan to be updated with that development.

The estimated costs for Major Improvements allocable to Phases #2 – 7 and Phase #1 Improvements plus costs related to the issuance of the Bonds, in one or more series, for the Major Improvements allocable to Phases #2 – 7 and Phase #1 Improvements and payment of expenses incurred in the establishment, administration and operation of the PID is \$24,299,920 as shown in Table IV-A. The sources and uses of funds shown in Table IV-A shall be updated each year in the Annual Service Plan Update to reflect any budget revisions and Actual Costs. The service plan shall be reviewed and updated at least annually for the purpose of determining the annual budget for Administrative Expenses, updating the estimated Authorized Improvement costs, and updating the Assessment Roll(s). Any update to this Service and Assessment Plan is herein referred to as an “Annual Service Plan Update.”

As Future Phases are developed in connection with the issuance of Phased PID Bonds, this Service and Assessment Plan will be amended (e.g. Table IV-A will be amended to add phase #2, etc.).

Bonds are being issued starting in 2018 to finance the Major Improvements allocable to Phases #2 – 7 and Phase #1 Improvements. Table IV-A shows the sources and uses of the Bonds. The Phase #1 Bonds are being issued to finance a portion of the Phase #1 Improvements, including costs to issue the Phase #1 Bonds, as shown in Table IV-A. Proceeds of the Phase #1 Bonds will be used to construct or acquire a portion of the Phase #1 Improvements.

Notes: Phase #1 Improvements include the Phase #1 Projects described in Section III.C plus the estimated \$3,148,382 pro rata share of the Major Improvements allocated to Phase #1.

The Phases #2 - 7 Major Improvement Bonds shown in Table IV-A are anticipated to be issued in 2018. The Phases #2 - 7 Major Improvement Bonds to be issued in 2018 will be used to pay and/or reimburse the Developer for a portion of the costs of Phases #2 - 7 Major Improvements.

The Phase #1 Improvement Bonds shown in Table IV-A are anticipated to be issued in 2018. The Phase #1 Improvement Bonds to be issued in 2018 will be used to pay and/or reimburse the Developer for a portion of the costs of the Phase #1 Improvements and the pro rata share of the Major Improvements.

As Future Phases are developed, additional Bonds will be issued for each new future phase improvements. Phased PID Bonds for Phase #2 will be issued to finance the Authorized Improvements required for Phase #2, Phased PID Bonds for Phase #3 will be issued to finance the Authorized Improvements required for Phase #3 and so on as each future phase is developed. Each Phased PID Bond may also be issued in one or more series of Bonds.

The annual projected costs and annual projected indebtedness is shown by Table IV-B. The annual projected costs and indebtedness is subject to revision and each shall be updated in the Annual Service Plan Update to reflect any changes in the costs or indebtedness expected for each year.

The annual projected costs shown in Table IV-B are the annual expenditures relating to the Major Improvements shown in Table III-A, the Phase #1 Improvements shown in Table III-B, and the costs associated with setting up the PID and bond issuance costs including reserves shown in Table IV-A. The difference between the total projected cost and the total projected indebtedness, if any, is the amount contributed by the Developer. As Future Phases are developed, in association with issuing Phased PID Bonds for each Future Phase, this Table IV-B will be updated to identify the Authorized Improvements to be financed by each new series of the Phased PID Bonds and the projected indebtedness resulting from each additional series of the Phased PID Bonds.

Section V ASSESSMENT PLAN

A. Introduction

The PID Act requires the City Council to apportion the costs of the Authorized Improvements on the basis of special benefits conferred upon the property because of the Authorized Improvements. The PID Act provides that the costs of the Authorized Improvements may be assessed: (i) equally per front foot or square foot; (ii) according to the value of the property as determined by the governing body, with or without regard to improvements on the property; or (iii) in any other manner that results in imposing equal shares of the cost on property similarly benefited. The PID Act further provides that the governing body may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the municipality and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

The proposed bond issuance program entails a series of bond financings that are intended to finance the public infrastructure required for the development. This financing will necessarily be undertaken in phases to coincide with the private investment and development of the Authorized Improvements. Following the initial Phase #1 Bonds and the Phases #2 - 7 Major Improvement Bonds to be issued in 2018, subsequent financings are to be issued over the upcoming decade as the subsequent phases (e.g. Phases #2 and #3) of the development are gradually constructed.

The purpose of this gradual issuance of bonds in phases is to mirror the actual private development of the Authorized Improvements. The Bonds to be issued are most prudently and efficiently utilized when directly coinciding with construction of public infrastructure needed for private development that is to occur once the infrastructure is completed; it is most effective to issue the Bonds when the infrastructure is needed, not before. Furthermore, there is no economic advantage, and several disadvantages, to issuing debt and encumbering property within the PID prior to the need for the Authorized Improvements.

Additionally, phased issuance of debt will maintain a prudent value to lien ("VtL") within the financing program. In order to maintain a prudent VtL, the initial issuance of bonds for a specific set of Authorized Improvements may not fund the entire desired level of public infrastructure because the property value is not high enough to support the entire debt load at the VtL chosen for the development. In that case, the Developer will need to fund the additional infrastructure costs with cash at closing. This cash investment by the Developer for certain Authorized Improvements can be reimbursed by a subsequent parity lien bond financing, secured by the same special assessments, once the assessed property is partially or fully developed and the value has increased sufficiently to permit the issuance of the additional bonds in a prudent fashion.

For purposes of this Service and Assessment Plan, the City Council has determined that the costs of the Major Improvements and Phase #1 Improvements shall be allocated as described below:

1. The Major Improvement and Phase #1 Improvement costs shall be allocated on the basis of the relative value of Parcels once such property is developed, and that such method of allocation will result in the imposition of equal shares of the costs of the Authorized Improvements to Parcels similarly benefited.
2. The City Council has concluded that larger more expensive homes are likely to be built on the larger lots, and that larger more expensive homes are likely to make greater use of and

receive greater benefit from the Authorized Improvements. In determining the relative values of Parcels, the City Council has taken into consideration (i) the type of development (i.e., residential, commercial, etc.), (ii) single-family lot sizes and the size of homes likely to be built on lots of different sizes, (iii) current and projected home process provided by the Developer, (iv) the Authorized Improvements to be provided and the estimated costs, and (v) the ability of different property types to utilize and benefit from the Authorized Improvements.

3. The Assessed Property is classified into different Lot Types as described in Appendix D based on the type and size of proposed development on each Parcel.
4. Equivalent Units are calculated for each Lot Type based on the relative value of each Lot Type.
5. The Major Improvement costs are proportionally allocated to the Phases #2 - 7 Major Improvement Assessed Property and the Phase #1 Assessed Property based on the ratio of total projected Equivalent Units for the Phases #2 - 7 Major Improvement Assessed Property and the Phase #1 Assessed Property.
6. The Phases #2 - 7 Major Improvement Assessed Property's proportional share of the costs for the Major Improvements is allocated to each Parcel within the Phases #2 - 7 Major Improvement Assessed Property based on the total projected Equivalent Units for each Parcel.
7. The Phase #1 Improvement costs (including Phase #1 Assessed Property's proportional share of the costs of the Major Improvements) are allocated to each Parcel within the Phase #1 Assessed Property based on the total Equivalent Units for each Parcel.

Table V-A provides the estimated allocation of costs of the Authorized Improvements constituting Major Improvements and Phase #1 Improvements.

At this time, it is impossible to determine with absolute certainty the amount of special benefit each Parcel within Future Phases will receive from the direct Authorized Improvements that will benefit each individual phase and that are to be financed with Phased PID Bonds. Therefore, Parcels will only be assessed for the special benefits conferred upon the Parcel at this time because of the Major Improvements and Phase #1 Improvements.

In connection with the issuance of Phased PID Bonds and/or execution of related reimbursement agreements, this Service and Assessment Plan will be updated to reflect the special benefit each Parcel of Assessed Property within a Future Phase receives from the specific Authorized Improvements funded with those Phased PID Bonds issued with respect to that Future Phase. Prior to assessing Parcels located within Future Phases in connection with issuance of Phased PID Bonds, each owner of the Parcels to be assessed must acknowledge that the Authorized Improvements to be financed confer a special benefit on their Parcel and must consent to the imposition of the Assessments to pay for the Actual Costs of such Authorized Improvements.

This section of this Service and Assessment Plan currently (i) describes the special benefit received by each Parcel within the PID as a result of the Major Improvements and Phase #1 Improvements, (ii) provides the basis and justification for the determination that this special benefit exceeds the amount of the Assessments to be levied on the Phase #1 Assessed Property and Phases #2 - 7 Major Improvement Assessed Property for such improvements, and (iii) establishes the methodologies by which the City Council allocates and reallocates the special benefit of the Major Improvements and Phase #1 Improvements to Parcels in a manner that results in equal shares of the Actual Costs

of such improvements being apportioned to Parcels similarly benefited. The determination by the City Council of the assessment methodologies set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Developer and all future owners and developers of the Assessed Property.

As Future Phases are developed, in connection with the issuance of Phased PID Bonds this Service and Assessment Plan will be updated based on the City's determination of the assessment methodology for each Future Phase.

B. Special Benefit

Assessed Property must receive a direct and special benefit from the Authorized Improvements, and this benefit must be equal to or greater than the amount of the Assessments. The Authorized Improvements are provided specifically for the benefit of the Assessed Property. The Authorized Improvements (more particularly described in line-item format in Appendix B to this Service and Assessment Plan) and the costs of issuance and payment of costs incurred in the establishment of the PID shown in Table IV-A are authorized by the PID Act. These improvements are provided specifically for the benefit of the Assessed Property.

Each owner of the Assessed Property has acknowledged that the Authorized Improvements confer a special benefit on the Assessed Property and has consented to the imposition of the Assessments to pay for the Actual Costs associated therewith. Each of the owners is acting in its interest in consenting to this apportionment and levying of the Assessments because the special benefit conferred upon the Assessed Property by the Authorized Improvements exceeds the amount of the Assessments.

The Authorized Improvements provide a special benefit to the Assessed Property as a result of the close proximity of these improvements to the Assessed Property and the specific purpose of these improvements of providing infrastructure for the Assessed Property. In other words, the Assessed Property could not be used in the manner proposed without the construction of the Authorized Improvements. The Authorized Improvements are being provided specifically to meet the needs of the Assessed Property as required for the proposed use of the property.

The Assessments are being levied to provide the Authorized Improvements that are required for the highest and best use of the Assessed Property (i.e., the use of the property that is most valuable, including any costs associated with that use). Highest and best use can be defined as "the reasonably probable and legal use of property, which is physically possible, appropriately supported, financially feasible, and that results in the highest value." (*Dictionary of Real Estate Appraisal, Third Edition.*) The Authorized Improvements are expected to be required for the proposed use of the Assessed Property to be physically possible, appropriately supported, financially feasible, and maximally productive.

The Developer has evaluated the potential use of the property and has determined that the highest and best use of the property is the use intended and the legal use for the property as described in Section II of this Service and Assessment Plan. The use of the Assessed Property as described herein will require the construction of the Authorized Improvements.

The special assessments will repay financing that is on advantageous terms, as the Bonds issued to finance the Authorized Improvements will pay interest that is exempt from federal income tax. As a result, all other terms being equal (e.g., maturity, fixed vs. variable rate, credit quality), the tax-

exempt bonds will have a lower interest rate than debt that is not tax-exempt. The Bonds also have a longer term than other available financings and may either be repaid or assumed by a buyer at the buyer's option. As a result of these advantageous terms, the financing provided by the PID is the most beneficial means of financing the Authorized Improvements.

Each owner of the Assessed Property will ratify, confirm, accept, agree to and approve: (i) the determinations and finding by the City Council as to the special benefits described in this Service and Assessment Plan and the Assessment Ordinance; (ii) the Service and Assessment Plan and the Assessment Ordinance, and (iii) the levying of Assessments on the Assessed Property. Use of the Assessed Property as described in this Service and Assessment Plan and as authorized by the PID Act requires that Authorized Improvements be acquired, constructed, installed, and/or improved. Funding the Actual Costs of the Authorized Improvements through the PID has been determined by the City Council to be the most beneficial means of doing so. As a result, the Assessments result in a special benefit to the Assessed Property, and this special benefit exceeds the amount of the Assessment. This conclusion is based on and supported by the evidence, information, and testimony provided to the City Council.

In summary, the Assessments result in a special benefit to the Assessed Property for the following reasons:

1. The Authorized Improvements are being provided specifically for the use of the Assessed Property, are necessary for the proposed best use of the property and provide a special benefit to the Assessed Property as a result;
2. The Developer has consented to the imposition of the Assessments for the purpose of providing the Authorized Improvements and the Developer is acting in its interest by consenting to this imposition;
3. The Authorized Improvements are required for the highest and best use of the property;
4. The highest and best use of the Assessed Property is the use of the Assessed Property that is most valuable (including any costs associated with the use of the Assessed Property);
5. Financing of the costs of the Authorized Improvement through the PID is determined to be the most beneficial means of providing for the Authorized Improvements; and,
6. As a result, the special benefits to the Assessed Property from the Authorized Improvements will be equal to or greater than the Assessments.

C. Allocation of Costs to Assessed Property

The Major Improvements will provide a special benefit to all property in the PID. Accordingly, the estimated Major Improvement costs must be allocated throughout all Assessed Property in the District. Table V-A summarizes the allocation of estimated costs for each Major Improvement. The costs shown in Table V-A are estimates and may be revised in Annual Service Plan Updates, but the related Assessment may not be increased.

As shown in Appendix D, Phase #1 is projected to contain 330 residential units representing 254.02 total Equivalent Units. Phases #2 - 7 are projected to contain 1,198 residential units representing total Equivalent Units of 903.47, resulting in total Equivalent Units of 1,157.49 within the PID. As a result, 21.95 percent of the estimated costs of Major Improvements (i.e. $254.02 \div 1,157.49 =$

21.95%) are allocated to the Phase #1 Assessed Property and 78.05 percent of the estimated costs Major Improvements (i.e., $903.47 \div 1,157.49 = 78.05\%$) are allocated to the Phases #2 - 7 Major Improvement Assessed Property. The Phases #2 - 7 Major Improvement Bonds will fund the proportionate share of the estimated costs of the Major Improvements allocated to Phases #2 - 7 and Phase #1 Bonds will fund Phase #1's proportionate share of the estimated costs of the Major Improvements and the remaining Phase #1 Improvements. One hundred percent (100%) of the Phase #1 Improvements are allocated to the Phase #1 Assessed Property.

D. Assessment Methodology

The costs of the Authorized Improvements may be assessed by the City Council against the Assessed Property so long as the special benefit conferred upon the Assessed Property by the Authorized Improvements equals or exceeds the Assessments. The costs of the Authorized Improvements may be assessed using any methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited.

1. Assessment Methodology for the Major Improvements for Phases #2 - 7

For purpose of this Service and Assessment Plan, the City Council determined that the portion of the Major Improvement costs to be allocated to Phases #2 - 7 shall be allocated to the Phases #2 - 7 Major Improvement Assessed Property by spreading the entire Assessment across the Parcels based on the estimated Equivalent Units anticipated to be developed on each Parcel as calculated

and shown in Appendix D using the types and number of lots anticipated to be developed on each Parcel within Phases #2 - 7. As part of the determination as to the ability of different Lot Types to utilize and benefit from the Authorized Improvements, the City Council has taken into consideration that larger, more expensive homes, on average, will create more vehicle trips and greater demands for water and wastewater consumption, and larger, more expensive homes are likely to be built on larger, more valuable lots placing greater demand on the Authorized Improvements.

Based on the estimates of the costs of the Major Improvements, as set forth in Table III-A, the City Council has determined that the benefit to Phases #2 - 7 Major Improvement Assessed Property of the Phases #2 - 7 proportional share of the Major Improvements is at least equal to the Assessments levied on the Phases #2 - 7 Major Improvement Assessed Property.

Upon subsequent divisions of any Parcel, the Assessment applicable to it will then be apportioned pro rata based on the estimated Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Parcel based on the ratio of the estimated Equivalent Units at the time residential Lots are platted to the total estimated Equivalent Units of all Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council.

The Assessment and Annual Installments for each Parcel or Lot located within Phases #2 - 7 is shown on the Phases #2 - 7 Major Improvement Assessment Roll, attached as Appendix E, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

2. *Assessment Methodology for Phase #1*

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phase #1 Improvements, including the portion of the Major Improvements to be financed with the Phase #1 Bonds, shall be allocated to the Phase #1 Assessed Property by spreading the entire Assessment across the Parcels based on the estimated Equivalent Units anticipated to be developed on each Parcel as calculated and shown in Appendix D using the types and number of lots anticipated to be developed on each Parcel within Phase #1. As part of the determination as to the ability of different Lot Types to utilize and benefit from the Authorized Improvements, the City Council has taken into consideration that larger, more expensive homes, on average, will create more vehicle trips and greater demands for water and wastewater consumption, and larger, more expensive homes are likely to be built on larger, more valuable lots placing greater demand on the Authorized Improvements.

Based on the estimates of the costs of the Phase #1 Improvements, as set forth in Table III-B, the City Council has determined that the benefit to Phase #1 Assessed Property of the Phase #1 Improvements (including Phase #1's proportional share of the Major Improvements) is at least equal to the Assessments levied on the Phase #1 Assessed Property.

Upon subsequent divisions of any Parcel, the Assessment applicable to it will then be apportioned pro rata based on the estimated Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Parcel based on the ratio of the estimated Equivalent Units at the time residential Lots are platted to the total estimated Equivalent Units of all Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council.

The Assessment and Annual Installments for each Parcel or Lot located within Phase #1 is shown on the Phase #1 Assessment Roll, attached as Appendix F, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

3. *Assessment Methodology for Future Phases*

When any given Future Phase is developed, and Phased PID Bonds for that Future Phase are to be issued, this Service and Assessment Plan will be amended to determine the assessment methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited within that Phase.

E. **Assessments**

The Assessments for the Phases #2 - 7 Major Improvement Bonds and the Phase #1 Bonds will be levied on each Parcel according to the Phases #2 - 7 Major Improvement Assessment Roll and the Phase #1 Assessment Roll, attached hereto as Appendix E and Appendix F, respectively.

As shown in Section IV of this Service and Assessment Plan, the total amount of the Phase #1 Bonds, which represents the total Assessment to be allocated on all Parcels within Phase #1, is \$9,555,000. As shown in Appendix D, there are a total of 330 residential units representing a total of 254.02 estimated Equivalent Units for the residential development in Phase #1, resulting in a Maximum Assessment per Equivalent Unit of \$37,615.15 for Phase #1.

The Assessment per dwelling unit is calculated as the product of (i) \$37,615.15 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, the Assessment for a Lot Type 1 (74 Ft Lot) dwelling unit is \$37,615.15 (i.e. $\$37,615.15 \times 1.00$). The Assessment for a Lot Type 2 (60 Ft Lot) dwelling unit is \$30,468.27 (i.e. $\$37,615.15 \times 0.81$). Table V-1 sets forth the Assessment per dwelling unit for each of the three Lot Types in Phase #1.

Table V-1
Maximum Assessment per Unit - Phase #1

Type	Planned No. of Units	Assessment per Equivalent Unit	Equivalent Unit Factor ¹	Assessment per Unit	Total Assessments
Lot Type 1 (74' Lot)	43	\$37,615.15	1.00	\$37,615.15 per dwelling unit	\$1,617,451
Lot Type 2 (60' Lot)	122	\$37,615.15	0.81	\$30,648.27 per dwelling unit	\$3,717,129
Lot Type 3 (50' Lot)	165	\$37,615.15	0.68	\$25,578.30 per dwelling unit	\$4,220,420
Total	330				\$9,555,000

Lot Type 3 (50' Lot)	165	\$80,000	\$400,000	\$2,010	\$2.51	\$0.50
Total	330					

As shown in Section IV of this Service and Assessment Plan, the total amount of the Phases #2 - 7 Major Improvement Bonds, which represents the total Assessment to be allocated on all Parcels within Phases #2 - 7, is \$13,795,000. As shown in Appendix D, there are a total of 1,198 residential units representing a total of 903.47 estimated Equivalent Units for the residential development in Phases #2 - 7, resulting in an Assessment per Equivalent Unit of \$15,268.91 for Phases #2 - 7.

The Assessment per dwelling unit is calculated as the product of (i) \$15,268.91 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, the Assessment for a Lot Type 1 (74 Ft Lot) dwelling unit is \$15,268.91 (i.e. \$15,268.91 $\times$ 1.00). The Assessment for a Lot Type 2 (60 Ft Lot) dwelling unit is \$12,367.82 (i.e. \$15,268.91 $\times$ 0.81). Table V-4 sets forth the Assessment per dwelling unit for each of the three Lot Types in Phases #2 - 7.

The Annual Installments for the Phases #2 - 7 Major Improvement Bonds and the Phase #1 Bonds will be collected at the time and in the amounts shown on the Phases #2 - 7 Major Improvement Assessment Roll and the Phase #1 Assessment Roll, respectively, subject to any revisions made during an Annual Service Plan Update.

F. Administrative Expenses

The cost of administering the PID and collecting the Annual Installments shall be paid for on a pro rata basis by each Parcel based on the amount of Assessment levied against the Parcel. The Administrative Expenses shall be collected as part of and in the same manner as Annual Installments in the amounts shown on each Assessment Roll, which may be revised based on actual costs incurred in Annual Service Plan Updates.

G. Additional Interest

Pursuant to the PID Act, the interest rate for Assessments may exceed the actual interest rate per annum paid on the related Bonds by no more than one half of one percent (0.50%) (the “Additional Interest”). The interest rate used to determine the Assessments is one half of one percent (0.50%) per annum higher than the actual rate paid on the Bonds, with the Additional Interest component of the Annual Installments allocated to fund a reserve to be used for paying prepayment and delinquency related costs (the “Prepayment and Delinquency Reserve”). The Prepayment and Delinquency Reserve shall be funded until it reaches 5.50% of the outstanding Bonds as stipulated in the Bond documents. Once the Prepayment and Delinquency Reserve is funded in full, the City may allocate the Additional Interest component of the Annual Installments as provided in the Trust Indenture.

Section VI TERMS OF THE ASSESSMENTS

A. Amount of Assessments and Annual Installments for Parcels Located within Phases #2 - 7

The Assessment and Annual Installments for each Assessed Property located within Phases #2 - 7 are shown on the Phases #2 - 7 Major Improvement Assessment Roll, attached as Appendix E, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Phases #2 - 7 Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Phases #2 - 7 Major Improvement Bonds, (ii) the Additional Interest to fund the Prepayment and Delinquency Reserve described in Section V, and (iii) to pay Administrative Expenses related to the PID. The Annual Installment for each Parcel shall be calculated by taking into consideration any available capitalized interest and other available funds.

B. Amount of Assessments and Annual Installments for Parcels Located Within Phase #1

The Assessment and Annual Installments for each Assessed Property located within Phase #1 is shown on the Phase #1 Assessment Roll, attached as Appendix F, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Phase #1 Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Phase #1 Bonds, (ii) the Additional Interest to fund the Prepayment and Delinquency Reserve described in Section V, and (iii) to pay Administrative Expenses related to the PID. The Annual Installment for each Parcel shall be calculated by taking into consideration any available capitalized interest and other available funds.

C. Amount of Assessments and Annual Installments for Parcels Located Within Future Phases

As Future Phases are developed, this Service and Assessment Plan will be amended to determine the Assessment and Annual Installments for each Assessed Property located within Future Phases (e.g., an Appendix will be added as the Assessment Roll for phase #2, etc.). The Assessments shall not exceed the benefit received by the Assessed Property.

D. Reallocation of Assessments

1. Subdivision

Upon the subdivision of any Parcel, the Assessment for the Parcel prior to the subdivision shall be reallocated among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

- A = the Assessment for each new subdivided Parcel
- B = the Assessment for the Parcel prior to subdivision
- C = the estimated total Equivalent Units to be built on each new subdivided Parcel
- D = the sum of the estimated total Equivalent units to be built on all of the new subdivided Parcels

The calculation of the estimated Equivalent Units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of Equivalent Units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

The sum of the Assessments for all newly subdivided Parcels shall equal the Assessment for the Parcel prior to subdivision. The calculation shall be made separately for each newly subdivided Parcel. The reallocation of an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the subdivision of the Parcels. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

2. Consolidation

Upon the consolidation of two or more Parcels, the Assessment for the consolidated Parcel shall be the sum of the Assessments for the Parcels prior to consolidation. The reallocation of an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the consolidation of the Parcels. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

E. Mandatory Prepayment of Assessments

1. If a Parcel subject to Assessments is transferred to a party that is exempt from the payment of the Assessment under applicable law, or if an owner causes a Parcel subject to Assessments to become Non-Benefited Property, the owner of such Parcel shall pay to the City the full amount of the principal portion of the Assessment on such Parcel, plus all Prepayment Costs, prior to any such transfer or act.
2. If at any time the Assessment per Unit on a Parcel exceeds the applicable Maximum Assessment per Unit calculated in this Service and Assessment Plan as a result of any changes in land use, subdivision, consolidation or reallocation of the Assessment authorized by this Service and Assessment Plan and initiated by the owner of the Parcel, then such owner shall pay to the City prior to the recordation of the document subdividing the Parcel the amount calculated by the Administrator by which the Assessment per Unit for the Parcel exceeds the applicable Maximum Assessment per Unit calculated in this Service and Assessment Plan.
3. The payments required above shall be treated the same as any Assessment that is due and owing under the PID Act, the Assessment Ordinance, and this Service and Assessment Plan, including the same lien priority, penalties, procedures, and foreclosure specified by the PID Act.

F. Reduction of Assessments

1. If after all Authorized Improvements to be funded with a series of Bonds have been completed and Actual Costs for such Authorized Improvements are less than the estimated costs of the Authorized Improvements used to calculate the Assessments securing such series of Bonds, resulting in excess Bond proceeds being available to redeem Bonds of such series, then the Assessment securing such series of Bonds for each Parcel of Assessed Property shall be reduced by the City Council pro rata such that the sum of the resulting reduced Assessments for all Assessed Properties equals the actual reduced Actual Costs and such excess Bond proceeds shall applied to redeem Bonds of such series. The Assessments shall not be reduced to an amount less than the related outstanding series of Bonds. If all of the Authorized Improvements are not completed, the City may reduce the Assessments in another method if it determines such method would better reflect the benefit received by the Parcels from the Authorized Improvements completed.

2. If all the Authorized Improvements are not undertaken, resulting in excess Bond proceeds being available to redeem Bonds, then the Assessments and Annual Installments for each Parcel shall be appropriately reduced by the City Council to reflect only the amounts required to repay the Bonds, including interest on the Bonds and Collection Costs, and such excess Bond proceeds shall be applied to redeem Bonds. The City Council may reduce the Assessments and the Annual Installments for each Parcel (i) in an amount that represents the Authorized Improvements provided for each Parcel or (ii) by an equal percentage calculated based on number of units, if determined by the City Council to be the most fair and practical means of reducing the Assessments for each Parcel, such that the sum of the resulting reduced Assessments equals the amount required to repay the Bonds, including interest on the Bonds and Collection Costs. The Principal Portion of the Assessment for each Parcel shall be reduced pro rata to the reduction in the Assessments for each Parcel such that the sum of the resulting reduced Principal Portion of the Bonds is equal to the outstanding principal amount of the Bonds.

G. Payment of Assessments

1. Payment in Full

(a) The Assessment for any Parcel may be paid in full at any time. Such payment shall include interest through the date of the prepayment and applicable Prepayment Costs.

(b) If an Annual Installment has been billed prior to payment in full of an Assessment, the Annual Installment shall be due and payable and shall be credited against the payment-in-full amount.

(c) Upon payment in full of the Assessment and all Prepayment Costs, the City shall deposit the payment in accordance with the Trust Indenture; whereupon, the Assessment shall be reduced to zero, and the owner's obligation to pay the Assessment and Annual Installments thereof shall automatically terminate.

(d) At the option of the owner, the Assessment on any Parcel plus interest through the date of prepayment and applicable Prepayment Costs may be paid in part. Upon the payment of such amounts for a Parcel, the Assessment for the Parcel shall be reduced, the Assessment Roll shall be updated to reflect such partial payment, and the obligation to pay the Annual Installment for such

Parcel shall be reduced to the extent the partial payment is made.

2. Payment in Annual Installments

The PID Act provides that an Assessment for a Parcel may be paid in full at any time. If not paid in full, the PID Act authorizes the Assessment to be paid in installments and additionally allows the City to collect interest, administrative expenses and other authorized charges in installments. An Assessment for a Parcel that is not paid in full will be collected in Annual Installments each year in the amounts shown on the Assessment Rolls, as updated as provided for herein, which include interest, Administrative Expenses, and payments required for the additional Interest to fund the Prepayment Reserve and Delinquency Reserve. Payment of the Annual Installments shall commence with tax bills mailed after the initial issuance of Bonds.

Each Assessment shall be paid with interest of no more than the lesser of (i) the actual interest rate paid on the Bonds. The Phases #2 - 7 Major Improvement Assessment Roll sets forth for each year the Annual Installment for each Parcel based on an estimated interest rate of 5.75% and additional interest at the rate of 0.5% for Administrative Expenses or the Additional Interest to fund the Prepayment and Delinquency Reserve. The Phase #1 Assessment Roll sets forth for each year the Annual Installment for each Parcel based on an estimated interest rate of 5.50%, and the Additional Interest at the rate of 0.5% to fund Prepayment and Delinquency Reserve. Furthermore, the Annual Installments may not exceed the amounts shown on the Assessment Rolls. The Assessment Rolls will be updated with the actual interest rates on the Bonds, as shown as Appendix E and Appendix F.

The Annual Installments shall be reduced to equal the actual costs of repaying the Bonds and actual Administrative Expenses (as provided for in the definition of such term), taking into consideration any other available funds for these costs, such as interest income on account balances.

The City reserves and shall have the right and option to refund the Bonds in accordance with Section 372.027 of the PID Act. In the event of such refunding, the Administrator shall recalculate the Annual Installments, and if necessary, may adjust, or decrease, the amount of the Annual Installments so that total Annual Installments of Assessments will be produced in annual amounts that are required to pay the refunding bonds when due and payable as required by and established in the ordinance and/or the indenture authorizing and securing the refunding bonds, and such refunding bonds shall constitute Bonds for purposes of this Service and Assessment Plan.

H. Collection of Annual Installments

No less frequently than annually, the Administrator shall prepare, and the City Council shall approve, an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include an updated Assessment Roll and a calculation of the Annual Installment for each Parcel. Administrative Expenses shall be allocated among Parcels in proportion to the amount of the Annual Installments for the Parcels. Each Annual Installment shall be reduced by any credits applied under the applicable Trust Indenture, such as capitalized interest, interest earnings on any account balances, and any other funds available to the Trustee for such purpose, including any existing deposits for a prepayment reserve. Annual Installments shall be collected by the City in the same manner and at the same time as ad valorem taxes and shall be subject to the same penalties, procedures, and foreclosure sale in case of delinquencies as are provided for ad valorem taxes of the City. The City Council may provide for

other means of collecting the Annual Installments to the extent permitted under the PID Act. The Assessments shall have lien priority as specified in the PID Act.

Any sale of property for nonpayment of the Annual Installments shall be subject to the lien established for the remaining unpaid Annual Installments against such property and such property may again be sold at a judicial foreclosure sale if the purchaser thereof fails to make timely payment of the non-delinquent Annual Installments against such property as they become due and payable.

Section VII THE ASSESSMENT ROLL

A. Phases #2 – 7 Major Improvement Assessment Roll

Each Parcel within Phases #2 - 7 has been evaluated by the City Council (based on the concept plan, developable area, proposed Homeowner Association Property and Public Property, the Major Improvements, best and highest use of land, and other development factors deemed relevant by the City Council) to determine the Assessed Property within each Parcel.

Phases #2 - 7 Major Improvement Assessed Property will be assessed for the special benefits conferred upon the property as a result of the Major Improvements. Table IV-A summarizes the \$14,248,138 in special benefit received by Phases #2 - 7 from a portion of the Major Improvements, the pro rata costs of the PID formation, and bond issuance costs for the proposed Phases #2 - 7 Major Improvement Bonds. The amount of Phases #2 - 7 Major Improvement Bonds is \$13,795,000, which is less than the benefit received by Phases #2 - 7 Major Improvement Assessed Property, and as such the total Assessment for all Assessed Property within Phases #2 - 7 is \$13,795,000 plus annual Administrative Expenses and other authorized charges. The Assessment for each Parcel of Assessed Property within the Phases #2 - 7 is calculated based on the allocation methodologies described in Section V.D of this Service and Assessment Plan. The Phases #2 - 7 Major Improvement Assessment Roll is attached hereto as Appendix E.

B. Phase #1 Assessment Roll

Phase #1 Assessed Property will be assessed for the special benefits conferred upon the property as a result of the Phase #1 Improvements that benefit Phase #1, which include a proportionate share of the Major Improvements allocable to Phase #1. Table IV-A summarizes the \$10,051,782 in special benefit received by Phase #1 Assessed Property from the Phase #1 Improvements that benefit Phase #1, including the proportionate share of the Major Improvements allocable to Phase #1, the pro rata costs of the PID formation, and bond issuance costs for the proposed Phase #1 Bonds. The total amount of Phase #1 Bonds is \$9,555,000, which is less than the benefit received by Phase #1 Assessed Property, and as such the total Assessment for all Assessed Property within Phase #1 is \$9,555,000 plus annual Administrative Expenses and other authorized charges. The Assessment for each Parcel of Assessed Property within Phase #1 is calculated based on the allocation methodologies described in Section V.D of this Service and Assessment Plan. The Phase #1 Assessment Roll is attached hereto as Appendix E.

C. Future Phase Assessment Roll

As Future Phases are developed, this Service and Assessment Plan will be updated to determine the Assessment for each Parcel located within Future Phases (e.g., an Appendix will be added as the Assessment Roll for Phase #2, etc.).

D. Annual Assessment Roll Updates

The Administrator shall prepare, and shall submit to the City Council for approval, annual updates to the Phases #2 - 7 Major Improvement Assessment Roll and Phase #1 Assessment Roll in conjunction with the Annual Service Plan Update to reflect the following matters, together with

any other changes helpful to the Administrator or the City and permitted by the PID Act: (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.G of this Service and Assessment Plan.

Once Bonds are issued, the Assessment Rolls shall be updated, which update may be done in the next Annual Service Plan Update, to reflect any changes resulting from the issuance of the Bonds. This update shall reflect the actual interest on the Bonds on which the Annual Installments shall be paid, any reduction in the Assessments, and any revisions in the Actual Costs to be funded by the Bonds and Developer funds.

Section VIII MISCELLANEOUS PROVISIONS

A. Administrative Review

The City may elect to designate a third party to serve as Administrator. The City shall notify Developer in writing at least thirty (30) days in advance before appointing a third party Administrator.

To the extent consistent with the PID Act, an owner of an Assessed Parcel claiming that a calculation error has been made in the Assessment Roll(s), including the calculation of the Annual Installment, shall send a written notice describing the error to the City not later than thirty (30) days after the date any amount which is alleged to be incorrect is due prior to seeking any other remedy. The Administrator shall promptly review the notice, and if necessary, meet with the Assessed Parcel owner, consider written and oral evidence regarding the alleged error and decide whether, in fact, such a calculation error occurred.

If the Administrator determines that a calculation error has been made and the Assessment Roll should be modified or changed in favor of the Assessed Parcel owner, such change or modification shall be presented to the City Council for approval to the extent permitted by the PID Act. A cash refund may not be made for any amount previously paid by the Assessed Parcel owner (except for the final year during which the Annual Installment shall be collected or if it is determined there are sufficient funds to meet the expenses of the PID for the current year), but an adjustment may be made in the amount of the Annual Installment to be paid in the following year. The decision of the Administrator regarding a calculation error relating to the Assessment Roll may be appealed to the City Council. Any amendments made to the Assessment Roll(s) pursuant to calculation errors shall be made pursuant to the PID Act.

The decision of the Administrator, or if such decision is appealed to the City Council, the decision of the City Council shall be conclusive as long as there is a reasonable basis for such determination. This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to any other appeal or legal action by such owner.

B. Termination of Assessments

Each Assessment shall be extinguished on the date the Assessment is paid in full, including unpaid Annual Installments and Delinquent Collection Costs, if any. LOT TYPES AND EQUIVALENT UNITS

Appendix D Lot Types and Equivalent Units

For purposes of calculating and allocating the Assessments, the Assessed Property has been classified in one of three Lot Types.

“Lot Type 1” means lots identified as such on the Assessment Roll, being lots typically with approximately 10,360 square feet size and a lot width of 74 feet, which may be referred to as such in the Zoning Ordinance.

“Lot Type 2” means lots identified as such on the Assessment Roll, being lots typically with approximately 7,800 square feet size and a lot width of 60 feet, which may be referred to as such in the Zoning Ordinance.

“Lot Type 3” means lots identified as such on the Assessment Roll, being lots typically with approximately 6,000 square feet size and a lot width of 50 feet, which may be referred to as such in the Zoning Ordinance.

The following table shows the proposed residential Lot Types within the PID.

**Table D-1
Proposed Development within the PID**

Lot Type	Description	Proposed Development
<u>Residential</u>		
Lot Type 1	74 Ft Lots	152 units
Lot Type 2	60 Ft Lots	537 units
Lot Type 3	50 Ft Lots	839 units
Total		1,528 units

Table D-2 below shows the proposed residential Lot Types within Phase #1.

**Table D-2
Proposed Development – Phase #1**

Lot Type	Description	Proposed Development
<u>Residential</u>		
Lot Type 1	74 Ft Lots	43 units
Lot Type 2	60 Ft Lots	122 units
Lot Type 3	50 Ft Lots	165 units
Total		330 units

Draft

Table D-3 below shows the proposed residential Lot Types within Phases #2 - 7.

Table D-3
Proposed Development – Phases #2 - 7

Lot Type	Description	Proposed Development
<u>Residential</u>		
Lot Type 1	74 Ft Lots	109 units
Lot Type 2	60 Ft Lots	415 units
Lot Type 3	50 Ft Lots	674 units
Total		1,198 units

As explained under Section V-C, for purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phase #1 Improvements to be financed with the Phases #1 Bonds shall be allocated to the Phases #1 Assessed Property by spreading the entire Assessment across the Parcels based on the estimated Equivalent Units and the Actual Costs of the Phases #2 - 7 share of the Major Improvements to be financed with the Phases #2 – 7 Major Improvement Bonds shall be allocated to the Phases #2 Assessed Property by spreading the entire Assessment across the Parcels based on the estimated Equivalent Units.

For purposes of this Service and Assessment Plan, the City Council has determined that the Assessments shall be allocated to the Phases #1 Assessed Property on the basis of the average home value of each Lot Type, and that such method of allocation will result in the imposition of equal shares of the Assessments on Parcels similarly benefited. In determining the average home value of each Lot Type, the City Council has taken into consideration (i) the type of lots (i.e., 74 Ft, 60 Ft, 50 Ft etc.); (ii) current and projected home prices; (iii) the costs of the Authorized Improvements, and (iv) the ability of different property types to utilize and benefit from the Authorized Improvements.

Having taken into consideration the matters described above, the City Council has determined that allocating the Assessments among Parcels based on average home value is best accomplished by creating classifications of benefited Parcels based on the “Lot Types” defined above. These classifications (from Lot Type 1 (74 Ft Lots) representing the highest value to Lot Type 3 (50 Ft Lot) representing the lowest value for residential lots are set forth in Table D-4 below. Assessments are allocated to each Lot Type on the basis of the average home value for each class of lots. This is accomplished by giving each Lot Type an Equivalent Unit factor. Equivalent Units are the ratio of the average value of lots within each assessment class, setting the Equivalent Unit factor for Lot Type 1 (74 Ft Lots) to 1.0.

Draft

Table D-4
Equivalent Unit Factors

Lot Type	Estimated Average Unit Value	Equivalent Unit Factor¹
Lot Type 1 (74 Ft Lot)	\$592,000	1.00 per dwelling unit
Lot Type 2 (60 Ft Lot)	\$480,000	0.81 per dwelling unit
Lot Type 3 (50 Ft Lot)	\$400,000	0.68 per dwelling unit

¹ – The Equivalent Unit Factors are rounded to two decimal places.

The total estimated Equivalent Units for Phase #1 are shown in Table D-5 below as calculated based on the Equivalent Unit factors shown above, estimated Lot Types and number of units estimated to be built within Phase #1.

Table D-5
Estimated Equivalent Units - Phase #1

Lot Type	Planned No. of units	Equivalent Unit Factor	Total Equivalent Units
Lot Type 1 (74 Ft Lot)	43	1.00	43.00

Lot Type 3 (50 Ft Lot)	165	0.68	112.20
Total Equivalent Units	330		254.02

The total estimated Equivalent Units for Phases #2 - 7 are shown in Table D-6 below as calculated based on the Equivalent Unit factors shown above, estimated Lot Types and number of units estimated to be built within Phases #2 - 7.

Table D-6

Upon payment for the Initial Bond, the Trustee shall cancel the Initial Bond and deliver to DTC on behalf of the Purchaser one registered definitive Bond for each year of maturity of the Bonds, in the aggregate principal amount of all Bonds for such maturity, registered in the name of Cede & Co., as nominee of DTC.

Section 3.6. Ownership.

(a) The City, the Trustee the Paying Agent/Registrar and any other Person may treat the Person in whose name any Bond is registered as the absolute owner of such Bond for the purpose of making and receiving payment as provided herein (except interest shall be paid to the Person in whose name such Bond is registered on the relevant Record Date) and for all other purposes, whether or not such Bond is overdue, and neither the City nor the Trustee, nor the Paying Agent/Registrar, shall be bound by any notice or knowledge to the contrary.

(b) All payments made to the Owner of any Bond shall be valid and effectual and shall discharge the liability of the City, the Trustee and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

Section 3.7. Registration, Transfer and Exchange.

(a) So long as any Bond remains Outstanding, the City shall cause the Paying Agent/Registrar to keep at the Designated Payment/Transfer Office a Register in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall

provide for the registration and transfer of Bonds in accordance with this Indenture. The Paying Agent/Registrar represents and warrants that it will file and maintain a copy of the Register with the City, and shall cause the Register to be current with all registration and transfer information as from time to time may be applicable.

(b) A Bond shall be transferable only upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar. No transfer of any Bond shall be effective until entered in the Register.

(c) The Bonds shall be exchangeable upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar for a Bond or Bonds of the same maturity and interest rate and in any Authorized Denomination and in an aggregate principal amount equal to the unpaid principal amount of the Bond presented for exchange. The Trustee is hereby authorized to authenticate and deliver Bonds exchanged for other Bonds in accordance with this Section.

(d) The Trustee is hereby authorized to authenticate and deliver Bonds transferred or exchanged in accordance with this Section. A new Bond or Bonds will be delivered by the Paying Agent/Registrar, in lieu of the Bond being transferred or exchanged, at the Designated Payment/Transfer Office, or sent by United States mail, first class, postage prepaid, to the Owner or his designee. Each transferred Bond delivered by the Paying Agent/Registrar in accordance with this Section shall constitute an original contractual obligation of the City and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond or Bonds in lieu of which such transferred Bond is delivered.

(e) Each exchange Bond delivered in accordance with this Section shall constitute an original contractual obligation of the City and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond or Bonds in lieu of which such exchange Bond is delivered.

(f) No service charge shall be made to the Owner for the initial registration, subsequent transfer, or exchange for a different Authorized Denomination of any of the Bonds. The Paying Agent/Registrar, however, may require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer, or exchange of a Bond.

(g) Neither the City nor the Paying Agent/Registrar shall be required to issue, transfer, or exchange any Bond or portion thereof called for redemption prior to maturity within forty-five (45) days prior to the date fixed for redemption; provided, however, such limitation shall not be applicable to an exchange by the Owner of the uncalled principal balance of a Bond.

Section 3.8. Cancellation.

All Bonds paid or redeemed before scheduled maturity in accordance with this Indenture, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance with this Indenture, shall be cancelled, and proper records shall be made regarding such payment, redemption, exchange, or replacement. The Paying Agent/Registrar shall dispose of cancelled Bonds in accordance with the records retention requirements of the Trustee.

Section 3.9. Temporary Bonds.

(a) Following the delivery and registration of the Initial Bond and pending the preparation of definitive Bonds, the proper officers of the City may execute and, upon the City's request, the Trustee shall authenticate and deliver, one or more temporary Bonds that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any denomination, substantially of the tenor of the definitive Bonds in lieu of which they are delivered, without coupons, and with such appropriate insertions, omissions, substitutions and other variations as the officers of the City executing such temporary Bonds may determine, as evidenced by their signing of such temporary Bonds.

(b) Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the benefit and security of this Indenture.

(c) The City, without unreasonable delay, shall prepare, execute and deliver to the Trustee the Bonds in definitive form; thereupon, upon the presentation and surrender of the Bond or Bonds in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall cancel the Bonds in temporary form and the Trustee shall authenticate and deliver in exchange therefor a Bond or Bonds of the same maturity and series, in definitive form, in the Authorized Denomination, and in the same aggregate principal amount, as the Bond or Bonds in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

Section 3.10. Replacement Bonds.

(a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Bond, the Trustee shall authenticate and deliver in exchange therefor a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding. The City or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Trustee, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond of like tenor and principal amount bearing a number not contemporaneously outstanding, provided that the Owner first complies with the following requirements:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar and the Trustee to save them and the City harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Trustee and the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the City and the Trustee.

(c) After the delivery of such replacement Bond, if a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the City and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the Person to whom it was delivered or any Person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost, or expense incurred by the City, the Paying Agent/Registrar or the Trustee in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond, may pay such Bond if it has become due and payable or may pay such Bond when it becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the City and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Section 3.11. Book-Entry Only System.

The Bonds shall initially be issued in book-entry-only form and shall be deposited with DTC, which is hereby appointed to act as the securities depository therefor, in accordance with the letter of representations from the City to DTC. On the Closing Date the definitive Bonds shall be issued in the form of a single typewritten certificate for each maturity thereof registered in the name of Cede & Co., as nominee for DTC.

With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any Person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the City and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other Person, other than an Owner, as shown on the Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other Person, other than an Owner, as shown in the Register of any amount with respect to principal of, premium, if any, or interest on the Bonds. Notwithstanding any other provision of this Indenture to the contrary, the City and the Paying Agent/Registrar shall be entitled to treat and consider the Person in whose name each Bond is registered in the Register as the absolute owner of such Bond for the purpose of payment of principal of, premium, if any, and interest on Bonds, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Owners as shown in the Register, as provided in this Indenture, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No Person other than an Owner, as shown in the Register, shall receive a Bond certificate evidencing the obligation of the City to make payments of amounts due pursuant to this Indenture. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Indenture with respect to

Indenture of Trust

interest checks or drafts being mailed to the registered owner at the close of business on the relevant Record Date, the word "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

Section 3.12. Successor Securities Depository: Transfer Outside Book-Entry-Only System.

In the event that the City determines that DTC is incapable of discharging its responsibilities described herein and in the letter of representations from the City to DTC, the City shall (i) appoint a successor securities depository, qualified to act as such under Section 17A of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository; or (ii) notify DTC and DTC Participants of the availability through DTC of certificated Bonds and cause the Paying Agent/Registrar to transfer one or more separate registered Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Indenture.

Section 3.13. Payments to Cede & Co.

Notwithstanding any other provision of this Indenture to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bonds, and all notices with respect to such Bonds shall be made and given, respectively, in the manner provided in the blanket letter of representations from the City to DTC.

Section 4.1. Limitation on Redemption.

The Bonds shall be subject to redemption before their scheduled maturity only as provided in this Article IV.

Section 4.2. Mandatory Sinking Fund Redemption.

(a) The Bonds are subject to mandatory sinking fund redemption prior to their maturity and will be redeemed by the City in part at the redemption price from moneys available for such purpose in the Principal and Interest Account of the Bond Fund pursuant to Article VI, on the dates and in the respective Sinking Fund Installments as set forth in the following schedule plus accrued interest to the date of redemption:

(b) At least forty-five (45) days prior to each sinking fund redemption date, the Trustee shall select a principal amount of Bonds of such maturity equal to the Sinking Fund Installment amount of such Bonds to be redeemed, shall call such Bonds for redemption on such scheduled mandatory redemption date, and shall give notice of such redemption, as provided in Section 4.6.

(c) The principal amount of Bonds of a stated maturity required to be redeemed on any redemption date pursuant to subparagraph (a) of this Section 4.2 shall be reduced, at the option of the City, by the principal amount of any Bonds of such maturity which, at least 45 days prior to the sinking fund redemption date shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation.

(d) The principal amount of Bonds required to be redeemed on any redemption date pursuant to subparagraph (a) of this Section 4.2 shall be reduced on a pro rata basis among Sinking Fund Installments by the principal amount of any Bonds which, at least forty-five (45) days prior to the sinking fund redemption date, shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption provisions hereof and not previously credited to a sinking mandatory fund redemption.

Section 4.3. Optional Redemption.

(a) The City reserves the right and option to redeem the Bonds maturing on or after September 1, 20__ before their scheduled maturity dates, in whole or in part, on any date on or after September 1, 20__, at par plus accrued interest to the date of redemption.

Section 4.4. Extraordinary Optional Redemption.

Notwithstanding any provision in this Indenture to the contrary, the City reserves the right and option to redeem Bonds before their respective scheduled maturity dates, in whole or in part, on the first day of any month, at 100% of the principal amount of such Bonds, or portions thereof, to be redeemed plus accrued interest to the date of redemption from amounts on deposit in the Redemption Fund as a result of Prepayments (including related transfers to the Redemption Fund as provided in Section 6.7(c)), transfers to the Redemption Fund made pursuant to Section 6.3(d), 6.3(e), 6.3(f), 6.7(a), 6.7(c), 6.7(g) or 6.7(i) hereof, or as a result of unexpended amounts transferred from the Project Fund as provided in Section 6.5(e).

Section 4.5. Partial Redemption.

(a) If less than all of the Bonds are to be redeemed pursuant to either Sections 4.2, 4.3 or 4.4, Bonds shall be redeemed in minimum principal amounts equal to the Authorized Denomination in effect at such time by any method selected by the Trustee that results in a random selection. Each Bond shall be treated as representing the number of Bonds that is obtained by dividing the principal amount of such Bond by the smallest Authorized Denomination for such Bond.

(b) A portion of a single Bond of a denomination greater than an Authorized Denomination may be redeemed, but only in increments equal to the Authorized Denomination in effect at such time. The Trustee shall treat each \$5,000 portion of such Bond as though it were a single bond for purposes of selection for redemption. No redemption shall result in a

Bond in a denomination of less than the Authorized Denomination in effect at that time; provided, however, if the amount of Outstanding Bonds is less than an Authorized Denomination after giving effect to such partial redemption, a Bond in the principal amount equal to the unredeemed portion, but not less than \$5,000 may be issued.

(c) Notwithstanding any provision in this Indenture to the contrary, including Section 4.5(b) above, if any Bonds are to be redeemed pursuant to Section 4.4 and such redemption results in the redemption of a portion of a single Bond in an amount less than the Authorized Denomination in effect at that time, a Bond in the principal amount equal to the unredeemed portion, but not less than \$5,000, may be issued.

(d) Upon surrender of any Bond for redemption in part, the Trustee in accordance with Section 3.7 of this Indenture, shall authenticate and deliver and exchange the Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered, such exchange being without charge.

Section 4.6. Notice of Redemption to Owners.

(a) The Trustee shall give notice of any redemption of Bonds by sending notice by first class United States mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond or portion thereof to be redeemed, at the address shown in the Register.

(b) The notice shall state the redemption date, the redemption price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, and subject to Section 4.5 hereof, an identification of the Bonds or portions thereof to be redeemed, any conditions to such redemption and that on the redemption date, if all conditions, if any, to such redemption have been satisfied, such Bond shall become due and payable.

(c) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

(d) The City has the right to rescind any optional redemption or extraordinary optional redemption described in Section 4.3 or 4.4 by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under the Indenture. The Trustee shall mail notice of rescission of redemption in the same manner notice of redemption was originally provided.

(e) With respect to any optional redemption of the Bonds, unless the Trustee has received funds sufficient to pay the redemption price of the Bonds to be redeemed before giving of a notice of redemption, the notice may state the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

Section 4.7. Payment Upon Redemption.

(a) The Trustee shall make provision for the payment of the Bonds to be redeemed on such date by setting aside and holding in trust an amount from the Redemption Fund or otherwise received by the Trustee from the City and shall use such funds solely for the purpose of paying the redemption price on the Bonds being redeemed.

(b) Upon presentation and surrender of any Bond called for redemption at the designated corporate trust office of the Trustee on or after the date fixed for redemption, the Trustee shall pay the Redemption Price on such Bond to the date of redemption from the moneys set aside for such purpose.

Section 4.8. Effect of Redemption.

Notice of redemption having been given as provided in Section 4.6 of this Indenture, the Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption provided that funds for the payment of the redemption price on such Bonds to the date fixed for redemption are on deposit with the Trustee; thereafter, such Bonds or portions thereof shall cease to bear interest from and after the date fixed for redemption, whether or not such Bonds are presented and surrendered for payment on such date.

ARTICLE V

Section 5.1. Form Generally.

(a) The Bonds, including the Registration Certificate of the Comptroller of Public Accounts of the State of Texas, the Certificate of the Trustee, and the Assignment to appear on each of the Bonds, (i) shall be substantially in the form set forth in Exhibit A to this Indenture with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Indenture, and (ii) may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including any reproduction of an opinion of counsel) thereon as, consistently herewith, may be determined by the City or by the officers executing such Bonds, as evidenced by their execution thereof.

(b) Any portion of the text of any Bonds may be set forth on the reverse side thereof, with an appropriate reference thereto on the face of the Bonds.

Section 5.2. CUSIP Registration.

The City may secure identification numbers through the CUSIP Service Bureau Division of Standard & Poor's Corporation, New York, New York, and may authorize the printing of such numbers on the face of the Bonds. It is expressly provided, however, that the presence or absence of CUSIP numbers on the Bonds shall be of no significance or effect as regards the legality thereof; and, none of the City, the Trustee, or the attorneys approving said Bonds as to legality are to be held responsible for CUSIP numbers incorrectly printed on the Bonds. The Trustee may include in any redemption notice a statement to the effect that the CUSIP numbers on the Bonds have been assigned by an independent service and are included in such notice solely for the convenience of the Owners of the Bonds and that neither the City nor the Trustee shall be liable for any inaccuracies of such numbers.

Section 5.3. Legal Opinion.

The approving legal opinion of Bond Counsel may be printed on or attached to each Bond over the certification of the City Secretary of the City, which may be executed in facsimile.

(c) If, after the foregoing transfers and any transfer from the Reserve Fund as provided in Section 6.7 herein, there are insufficient funds to make the payments provided in paragraph (b) above, the Trustee shall apply the available funds in the Principal and Interest Account first to the payment of interest, then to the payment of principal (including any Sinking Fund Installments) on the Bonds.

Section 6.4. Bond Fund.

(a) On each Interest Payment Date, the Trustee shall withdraw from the Principal and Interest Account and transfer to the Paying Agent/Registrar the principal (including any Sinking Fund Installments) and interest then due and payable on the Bonds, less any amount to be used to pay interest on the Bonds on such Interest Payment Date from the Capitalized Interest Account as provided below.

(b) If amounts in the Principal and Interest Account are insufficient for the purposes set forth in paragraph (a) above, the Trustee shall withdraw from the Reserve Fund amounts to cover the amount of such insufficiency in the order described in Section 6.7(g) hereof. Such provisions and procedures related to such disbursement contained in the PID Reimbursement Agreement, and no other provisions of the PID Reimbursement Agreement, are herein incorporated by reference and deemed set forth herein in full.

(d) The Phase #1 Bond Indenture has established thereunder the Phase #1 Major Improvement Account for purposes of paying the Actual Costs of the Phase #1 Improvements

which include paying a portion of the costs of the Major Improvements allocable to Phase #1 pursuant to and as described in the Service and Assessment Plan. Upon receipt of, and pursuant to instructions contained within a Certificate for Payment, the Trustee shall disburse amounts from the Phases #2-7 Major Improvement Account of the Project Fund to pay costs of Major Improvements in an amount equal to the portion allocable to the Phases #2-7 Major Improvement Assessed Parcels as provided in the Service and Assessment Plan with the remainder of the Actual Costs of the Major Improvements to be paid from the Phase #1 Major Improvement Account. Each Certificate for Payment shall set forth the amount of the costs of a Major Improvement to be paid from the Phase #1 Major Improvement Account and the amount to be paid from the Phases #2-7 Major Improvement Account of the Project Fund.

(e) If the City Representative determines in his or her sole discretion that amounts then on deposit in the Phases #2-7 Major Improvement Account of the Project Fund are not expected to be expended for purposes of the Project Fund due to the abandonment, or constructive abandonment, of the Phases #2-7 Major Improvements such that, in the opinion of the City Representative, it is unlikely that the amounts in the Phases #2-7 Major Improvement Account of the Project Fund will ever be expended for the purposes of the Project Fund, the City Representative shall file a City Certificate with the Trustee which identifies the amounts then on deposit in the Major Improvement Account of the Project Fund that are not expected to be used for purposes of the Project Fund. If such City Certificate is so filed, the amounts on deposit in Phases #2-7 Major Improvement Account of the Project Fund shall be transferred to the Redemption Fund to redeem Bonds on the earliest practicable date after notice of redemption has been provided in accordance with the Indenture.

(f) In making any determination pursuant to this Section, the City Representative may conclusively rely upon a certificate of an Independent Financial Consultant.

(g) Upon the filing of a City Certificate stating that all Phases #2-7 Major Improvements have been completed and that all Actual Costs of the Phases #2-7 Major Improvements allocable to the Phases #2-7 Major Improvement Assessed Parcels have been paid, or that any such Actual Costs are not required to be paid from the Phases #2-7 Major Improvement Account of the Project Fund pursuant to a Certificate for Payment, the Trustee (i) shall transfer the amount, if any, remaining within the Project Fund to the Bond Fund, (ii) shall transfer any remaining amount in the Developer Improvement Account of the Project Fund to the Developer, and (iii) shall close the Project Fund.

(h) Upon a determination by the City Representative that all costs of issuance of the Bonds have been paid, any amounts remaining in the Costs of Issuance Account shall be transferred to another Account in the Project Fund and used to pay Actual Costs or to the Principal and Interest Account of the Bond Fund and used to pay interest on the Bonds, as directed by the City in a City Certificate filed with the Trustee, and the Costs of Issuance Account shall be closed.

Section 6.6. Redemption Fund.

(a) The Trustee shall cause to be deposited to the Redemption Fund from the Bond Pledged Revenue Account of the Pledged Revenue Fund an amount sufficient to redeem Bonds as provided in Sections 4.3 and 4.4 on the dates specified for redemption as provided in Sections 4.3 and 4.4. Amounts on deposit in the Redemption Fund shall be used and withdrawn by the Trustee to redeem Bonds as provided in Article IV.

Section 6.7. Reserve Fund.

(a) The City agrees with the Owners of the Bonds to accumulate from the deposits outlined in Section 6.3(a) hereof, and when accumulated maintain in the Reserve Account, an amount equal to not less than the Reserve Account Requirement. All amounts deposited in the Reserve Account shall be used and withdrawn by the Trustee for the purpose of making transfers to the Principal and Interest Account of the Bond Fund as provided in this Indenture. The Trustee will transfer from the Pledged Revenue Fund to the Additional Interest Reserve Account on March 1 of each year, commencing March 1, 2019, an amount equal to the Additional Interest until the Additional Interest Reserve Requirement has been accumulated in the Additional Interest Reserve Account; provided, however, that at any time the amount on deposit in the Additional Interest Reserve Account is less than Additional Interest Reserve Requirement, the Trustee shall resume depositing the Additional Interest into the Additional Interest Reserve Account until the Additional Interest Reserve Requirement has accumulated in the Additional Interest Reserve Account. Whenever, on any Interest Payment Date, or on any other date at the written request of the City Representative, the amounts on deposit in the Additional Interest Reserve Account exceed the Additional Interest Reserve Requirement, the Trustee shall provide written notice to the City of the amount of the excess (the "Excess Additional Interest Reserve Amount"). The Excess Additional Interest Reserve Amount shall be transferred, at the direction of the City pursuant to a City Order, to the Administrative Fund or as otherwise directed in a City Order. In the event that the Trustee does not receive a City Order directing the transfer of the Excess Additional Interest Reserve Amount to the Administrative Fund within 45 days of providing notice to the City of such Excess Additional Interest Reserve Amount, the Trustee shall transfer the Excess Additional Interest Reserve Amount to the Redemption Fund to redeem Bonds pursuant to Section 4.4 hereof. Whenever a transfer is made from the Reserve Account to the Bond Fund due to a deficiency in the Bond Fund, the Trustee shall provide written notice thereof to the City, specifying the amount withdrawn and the source of said funds.

(b) Whenever a transfer is made from the Reserve Account to the Bond Fund due to a deficiency in the Bond Fund, the Trustee shall provide a written notice thereof to the City, specifying the amount withdrawn and the source of said funds.

(c) Whenever Bonds are to be redeemed with the proceeds of Prepayments pursuant to Section 4.4, a proportionate amount in the Reserve Account of the Reserve Fund shall be transferred on the Business Day prior to the redemption date by the Trustee to the Redemption Fund to be applied to the redemption of the Bonds. The amount so transferred from the Reserve Account of the Reserve Fund shall be equal to a percentage of the amount of the Bonds redeemed with such percentage equal to the lesser of: (i) the amount required to be in the Reserve Account of the Reserve Fund, as a percentage of the Outstanding Bonds prior to the redemption, and (ii) the amount actually in the Reserve Account of the Reserve Fund, as a percentage of the Outstanding Bonds prior to the redemption. If after such transfer, and after applying investment earnings on the Prepayment toward payment of accrued interest, there are insufficient funds to pay the principal amount plus accrued and unpaid interest on such Bonds to the date fixed for redemption of the Bonds to be redeemed as a result of such Prepayment, the Trustee shall transfer an amount equal to the shortfall from the Additional Interest Reserve Account to the Redemption Fund to be applied to the redemption of the Bonds.

(d) Whenever, on any Interest Payment Date, or on any other date at the written request of a City Representative, the amount in the Reserve Account exceeds the Reserve Account Requirement, the Trustee shall provide written notice to the City Representative of the

amount of the excess. Such excess shall be transferred to the Principal and Interest Account to be used for the payment of interest on the Bonds on the next Interest Payment Date in accordance with Section 6.4 hereof, unless within thirty days of such notice to the City Representative, the Trustee receives a City Order instructing the Trustee to apply such excess: (i) to pay amounts due under Section 6.8 hereof, (ii) to the Administrative Fund in an amount not more than the Administrative Expenses for the Bonds, or (iii) to the Project Fund if such application and the expenditure of funds is expected to occur within three years of the date hereof.

(e) Reserved.

(f) Whenever, on any Interest Payment Date, the amount on deposit in the Bond Fund is insufficient to pay the debt service on the Bonds due on such date, the Trustee shall transfer first from the Additional Interest Reserve Account of the Reserve Fund and second from the Reserve Account of the Reserve Fund to the Bond Fund the amounts necessary to cure such deficiency.

(g) At the final maturity of the Bonds, the amount on deposit in the Reserve Account and the Additional Interest Reserve Account shall be transferred to the Redemption Fund and applied to the payment of the principal of the Bonds.

(h) If, after a Reserve Fund withdrawal, the amount on deposit in the Reserve Account of the Reserve Fund is less than the Reserve Fund Requirement, the Trustee shall transfer from the Pledged Revenue Fund to the Reserve Account of the Reserve Fund the amount of such deficiency, in accordance with Section 6.3.

(i) If the amount held in the Reserve Fund together with the amount held in the Bond Fund and Redemption Fund is sufficient to pay the principal amount and of all Outstanding Bonds on the next Interest Payment Date, together with the unpaid interest accrued on such Bonds as of such Interest Payment Date, the moneys shall be transferred to the Redemption Fund and thereafter used to redeem all Bonds as of such Interest Payment Date.

Section 6.8. Rebate Fund: Rebate Amount.

(a) There is hereby established a special fund of the City to be designated "City of Celina, Texas, Rebate Fund" (the "Rebate Fund") to be held by the Trustee in accordance with the terms and provisions of this Indenture. Amounts on deposit in the Rebate Fund shall be used solely for the purpose of paying amounts due the United States Government in accordance with the Code.

(b) In order to assure that Rebate Amount is paid to the United States rather than to a third party, investments of funds on deposit in the Rebate Fund shall be made in accordance with the Code and the Tax Certificate.

(c) The Trustee conclusively shall be deemed to have complied with the provisions of this Section and Section 7.5(h) and shall not be liable or responsible if it follows the instructions of the City and shall not be required to take any action under this Section and Section 7.5(h) in the absence of written instructions from the City.

(d) If, on the date of each annual calculation, the amount on deposit in the Rebate Fund exceeds the Rebate Amount, the City may direct the Trustee, pursuant to a City Order, to transfer the amount in excess of the Rebate Amount to the Bond Fund.

Section 6.9. Administrative Fund.

(a) The City shall deposit or cause to be deposited to the District Administration Account of the Administrative Fund the amounts collected each year to pay Administrative Expenses and Delinquent Collection Costs.

(b) Moneys in the District Administration Account of the Administrative Fund shall be held by the Trustee separate and apart from the other Funds created and administered hereunder and used as directed by a City Order solely for the purposes set forth in the Service and Assessment Plan.

(c) Moneys in the Developer Property Tax Account of the Administrative Fund shall be held by the Trustee separate and apart from the other Funds created and administered hereunder and shall be released to the Developer as directed by City Order; provided, however, that the Trustee shall transfer to the Developer any amounts remaining in the Developer Property Tax Account of the Administration Fund after the last Outstanding Bond is discharged regardless of whether a City Order directing such action is received.

Section 6.10. Investment of Funds.

(a) Money in any Fund established pursuant to this Indenture shall be invested by the Trustee as directed by the City pursuant to a City Order filed with the Trustee at least two (2) days in advance of the making of such investment in time deposits or certificates of deposit secured in the manner required by law for public funds, or be invested in direct obligations of, including obligations the principal and interest on which are unconditionally guaranteed by, the United States of America, in obligations of any agencies or instrumentalities thereof, or in such other investments as are permitted under the Public Funds Investment Act, Texas Government Code, Chapter 2256, as amended, or any successor law, as in effect from time to time; provided that all such deposits and investments shall be made in such manner (which may include repurchase agreements for such investment with any primary dealer of such agreements) that the money required to be expended from any Fund will be available at the proper time or times. Such investments shall be valued each year in terms of current market value as of September 30. For purposes of maximizing investment returns, to the extent permitted by law, money in such Funds may be invested in common investments of the kind described above, or in a common pool of such investment which shall be kept and held at an official depository bank, which shall not be deemed to be or constitute a commingling of such money or funds provided that safekeeping receipts or certificates of participation clearly evidencing the investment or investment pool in which such money is invested and the share thereof purchased with such money or owned by such Fund are held by or on behalf of each such Fund. If necessary, such investments shall be promptly sold to prevent any default.

(b) Obligations purchased as an investment of moneys in any Fund shall be deemed to be part of such Fund or Account, subject, however, to the requirements of this Indenture for transfer of interest earnings and profits resulting from investment of amounts in Funds and Accounts. Whenever in this Indenture any moneys are required to be transferred by the City to the Trustee, such transfer may be accomplished by transferring a like amount of Investment Securities.

(c) The Trustee and its affiliates may act as sponsor, advisor, depository, principal or agent in the acquisition or disposition of any investment. The Trustee shall not incur any liability for losses arising from any investments made pursuant to this Section. The Trustee shall not be required to determine the suitability or legality of any investments.

(d) Investments in any and all Funds and Accounts may be commingled in a separate fund or funds for purposes of making, holding and disposing of investments, notwithstanding provisions herein for transfer to or holding in or to the credit of particular Funds or Accounts of amounts received or held by the Trustee hereunder, provided that the Trustee shall at all times account for such investments strictly in accordance with the Funds and Accounts to which they are credited and otherwise as provided in this Indenture.

(e) The Trustee will furnish the City monthly cash transaction statements which include detail for all investment transactions made by the Trustee hereunder; and, unless the Trustee receives a written request, the Trustee is not required to provide brokerage confirmations so long as the Trustee is providing such monthly cash transaction statements.

Section 6.11. Security of Funds.

All Funds heretofore created or reaffirmed, to the extent not invested as herein permitted, shall be secured in the manner and to the fullest extent required by law for the security of public funds, and such Funds shall be used only for the purposes and in the manner permitted or required by this Indenture.

ARTICLE VII

COVENANTS

Section 7.1. Confirmation of Assessments.

The City hereby confirms, covenants, and agrees that, in the Assessment Ordinance, it has levied the Assessments against the respective Phases #2-7 Major Improvement Assessed Parcels from which the Pledged Revenues will be collected and received.

Section 7.2. Collection and Enforcement of Assessments.

(a) For so long as any Bonds are Outstanding and amounts are due the Developer to reimburse it for its funds it has contributed to pay costs of the Phases #2-7 Major Improvements, the City covenants, agrees and warrants that it will take and pursue all actions permissible under Applicable Laws to cause the Assessments to be collected and the liens thereof enforced continuously, in the manner and to the maximum extent permitted by Applicable Laws, and, to the extent permitted by Applicable Laws, to cause no reduction, abatement or exemption in the Assessments.

(b) The City will determine or cause to be determined, no later than February 15 of each year, whether or not any Annual Installment is delinquent and, if such delinquencies exist, the City will order and cause to be commenced as soon as practicable any and all appropriate and legally permissible actions to obtain such Annual Installment, and any delinquent charges and interest thereon, including diligently prosecuting an action in district court to foreclose the currently delinquent Annual Installment. Notwithstanding the foregoing, the City shall not be required under any circumstances to purchase or make payment for the purchase of the

delinquent Assessment or the corresponding Phases #2-7 Major Improvement Assessed Parcel.

Section 7.3. Against Encumbrances.

(a) Other than bonds issued to refund all or a portion of the Bonds, the City shall not create and, to the extent Pledged Revenues are received, shall not suffer to remain, any lien, encumbrance or charge upon the Pledged Revenues, other than that specified in Section 9.6 of this Indenture, or upon any other property pledged under this Indenture, except the pledge created for the security of the Bonds, and other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds.

(b) So long as Bonds are Outstanding hereunder, the City shall not issue any bonds, notes or other evidences of indebtedness other than the Bonds and bonds issued to refund all or a portion of the Bonds secured by any pledge of or other lien or charge on the Pledged Revenues or other property pledged under this Indenture, other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds.

Section 7.4. Records, Accounts, Accounting Reports.

The City hereby covenants and agrees that so long as any of the Bonds or Outstanding Bonds or any interest thereon remain outstanding and unpaid, and the obligation to the Developer to reimburse it for funds it has contributed to pay costs of the Authorized Improvements remain outstanding and unpaid, it will keep and maintain a proper and complete system of records and accounts pertaining to the Assessments. The Trustee and holder or holders of any Bonds or any duly authorized agent or agents of such holders shall have the right at all reasonable times to inspect all such records, accounts, and data relating thereto, upon written request to the City by the Trustee or duly authorized representative, as applicable. The City shall provide the Trustee or duly authorized representative, as applicable, an opportunity to inspect such books and records relating to the Bonds during the City's regular business hours and on a mutually agreeable date not later than thirty days after the City receives such request.

Section 7.5. Covenants to Maintain Tax-Exempt Status.

(a) Definitions. When used in this Section, the following terms shall have the following meanings:

"Closing Date" means the date on which the Bonds are first authenticated and delivered to the initial purchasers against payment therefor.

"Code" means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

"Computation Date" has the meaning set forth in section 1.148-1(b) of the Regulations.

"Gross Proceeds" means any proceeds as defined in section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in section 1.148-1(c) of the Regulations, of the Bonds.

“Investment” has the meaning set forth in section 1.148-1(b) of the Regulations.

“Nonpurpose Investment” means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds.

“Regulations” means any proposed, temporary or final Income Tax Regulations issued pursuant to sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

“Yield” of (1) any Investment has the meaning set forth in section 1.148-5 of the Regulations; and (2) the Bonds has the meaning set forth in section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the City shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Bonds:

(i) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds, and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(ii) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan.

(i) Except to the extent permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be "loaned" to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(ii) The City covenants and agrees that the levied Assessments will meet the requirements of the "tax assessment loan exception" within the meaning of section 1.141-5(d) of the Regulations on the date the Bonds are delivered and will ensure that the Assessments continue to meet such requirements for so long as the Bonds are outstanding hereunder.

(e) Not to Invest at Higher Yield. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested) if, as a result of such investment, the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Bonds.

(f) Not Federally Guaranteed. Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The City shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in section 148(f) of the Code and the Regulations and rulings thereunder:

(i) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Bond is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Bonds with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(ii) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.

(iii) As additional consideration for the purchase of the Bonds by the Purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall, pursuant to a City Order, direct the Trustee to transfer to the Rebate Fund from the funds or subaccounts designated in such City Order and direct the Trustee to pay to the United States from the Rebate Fund the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(iv) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (ii) and (iii), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

(j) Elections. The City hereby directs and authorizes the Mayor, Mayor Pro Tem, City Manager, Assistant City Manager, Director of Finance, or City Secretary, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Bonds, in the Tax Certificate or similar or other appropriate certificate, form or document.

ARTICLE VIII

LIABILITY OF CITY

The City shall not incur any responsibility in respect of the Bonds or this Indenture other than in connection with the duties or obligations explicitly herein or in the Bonds assigned to or

imposed upon it. The City shall not be liable in connection with the performance of its duties hereunder, except for its own willful default or act of bad faith. The City shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, conditions covenants or agreements of the Trustee herein or of any of the documents executed by the Trustee in connection with the Bonds, or as to the existence of a default or event of default thereunder.

In the absence of bad faith, the City may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the City and conforming to the requirements of this Indenture. The City shall not be liable for any error of judgment made in good faith unless it shall be proved that it was negligent in ascertaining the pertinent facts.

No provision of this Indenture, the Bonds, the Assessment Ordinance, or any agreement, document, instrument, or certificate executed, delivered or approved in connection with the issuance, sale, delivery, or administration of the Bonds (the "Bond Documents"), shall require the City to expend or risk its own general funds or otherwise incur any financial liability (other than with respect to the Pledged Revenues and the Administrative Expenses) in the performance of any of its obligations hereunder, or in the exercise of any of its rights or powers, if in the judgment of the City there are reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it.

Neither the Owners nor any other Person shall have any claim against the City or any of its officers, officials, agents, or employees for damages suffered as a result of the City's failure to perform in any respect any covenant, undertaking, or obligation under any Bond Documents or as a result of the incorrectness of any representation in, or omission from, any of the Bond Documents, except to the extent that any such claim relates to an obligation, undertaking, representation, or covenant of the City, in accordance with the Bond Documents and the PID Act. Any such claim shall be payable only from Pledged Revenues or the amounts collected to pay Administrative Expenses on deposit in the Administrative Fund. Nothing contained in any of the Bond Documents shall be construed to preclude any action or proceeding in any court or before any governmental body, agency, or instrumentality against the City or any of its officers, officials, agents, or employees to enforce the provisions of any of the Bond Documents or to enforce all rights of the Owners of the Bonds by mandamus or other proceeding at law or in equity.

The City may rely on and shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The City may consult with counsel with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its duties under this Indenture the City shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of willful misconduct on the part of the City, be deemed to be conclusively proved and established by a certificate of the Trustee, an Independent Financial Consultant, an independent inspector or City Manager or other person designated by the City Council to so act on behalf of the City, and such certificate shall be full warrant to the City for any action taken or suffered under the provisions of this Indenture upon the faith thereof, but in

Indenture of Trust

its discretion the City may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

In order to perform its duties and obligations hereunder, the City may employ such persons or entities as it deems necessary or advisable. The City shall not be liable for any of the acts or omissions of such persons or entities employed by it in good faith hereunder, and shall be entitled to rely, and shall be fully protected in doing so, upon the opinions, calculations, determinations, and directions of such persons or entities.

ARTICLE IX

THE TRUSTEE

Section 9.1. Trustee as Registrar and Paying Agent.

The Trustee is hereby designated and agrees to act as Registrar and Paying Agent for and in respect to the Bonds.

Section 9.2. Trustee Entitled to Indemnity.

The Trustee shall be under no obligation to institute any suit, or to undertake any proceeding under this Indenture, or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays, and counsel fees and other reasonable disbursements, and against all liability except as a consequence of its own negligence or willful misconduct. Nevertheless, the Trustee may begin suit, or appear in and defend suit, or do anything else in its judgment proper to be done by it as the Trustee, without indemnity, and in such case the Trustee may make transfers from the Pledged Revenue Fund or the District Administration Account of the Administrative Fund to pay all costs and expenses, outlays, and counsel fees and other reasonable disbursements properly incurred in connection therewith and shall be entitled to a preference therefor over any Bonds Outstanding hereunder.

Section 9.3. Responsibilities of the Trustee.

The recitals contained in this Indenture and in the Bonds shall be taken as the statements of the City and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or the Bonds or with respect to the security afforded by this Indenture, and the Trustee shall incur no liability with respect thereto. Except as otherwise expressly provided in this Indenture, the Trustee shall have no responsibility or duty with respect to: (i) the issuance of Bonds for value; (ii) the application of the proceeds thereof, except to the extent that such proceeds are received by it in its capacity as Trustee; (iii) the application of any moneys paid to the City or others in accordance with this Indenture, except as to the application of any moneys paid to it in its capacity as Trustee; or (iv) any calculation of arbitrage or rebate under the Code.

The duties and obligations of the Trustee shall be determined by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture.

The Trustee shall not be liable for any action taken or omitted by it in the performance of its duties under this Indenture, except for its own gross negligence or willful misconduct. In no event shall the Trustee be liable for incidental, indirect, special or consequential damages in connection with or arising from this Indenture for the existence, furnishing or use of the Authorized Improvements.

Section 9.4. Property Held in Trust.

All moneys and securities held by the Trustee at any time pursuant to the terms of this Indenture shall be held by the Trustee in trust for the purposes and under the terms and conditions of this Indenture.

Section 9.5. Trustee Protected in Relying on Certain Documents.

The Trustee may rely upon any order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond, or other document provided to the Trustee in accordance with the terms of this Indenture that it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or Person or to have been prepared and furnished pursuant to any of the provisions of this Indenture, or upon the written opinion of any counsel, architect, engineer, insurance consultant, management consultant, or accountant believed by the Trustee to be qualified in relation to the subject matter, and the Trustee shall be under no duty to make any investigation or inquiry into any statements contained or matters referred to in any such instrument. The Trustee may consult with counsel, who may or may not be Bond Counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered, or omitted to be taken by it in good faith and in accordance therewith.

Whenever the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Indenture, such matter may be deemed to be conclusively proved and established by a City Certificate, unless other evidence in respect thereof be hereby specifically prescribed. Such City Certificate shall be full warrant for any action taken or suffered in good faith under the provisions hereof, but in its discretion the Trustee may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable. Except as otherwise expressly provided herein, any request, order, notice, or other direction required or permitted to be furnished pursuant to any provision hereof by the City to the Trustee shall be sufficiently executed if executed in the name of the City by the City Representative.

The Trustee shall not be under any obligation to see to the recording or filing of this Indenture, or otherwise to the giving to any Person of notice of the provisions hereof except as expressly required in Section 9.13 herein.

Section 9.6. Compensation.

Unless otherwise provided by contract with the Trustee, the Trustee shall transfer from the Administrative Fund, from time to time, reasonable compensation for all services rendered by it hereunder, including its services as Registrar and Paying Agent, together with all its reasonable expenses, charges, and other disbursements and those of its counsel, agents and employees, incurred in and about the administration and execution of the trusts hereby created and the exercise of its powers and the performance of its duties hereunder, subject to any limit on the amount of such compensation or recovery of expenses or other charges as shall be

prescribed by specific agreement, and the Trustee shall have a lien therefor on any and all funds at any time held by it hereunder prior to any Bonds Outstanding. None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if in the judgment of the Trustee there are reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it. If the City shall fail to make any payment required by this Section, the Trustee may make such payment from any moneys in its possession under the provisions of this Indenture and shall be entitled to a preference therefor over any Bonds Outstanding hereunder.

Section 9.7. Permitted Acts.

The Trustee and its directors, officers, employees, or agents may become the owner of or may in good faith buy, sell, own, hold and deal in Bonds and may join in any action that any Owner of Bonds may be entitled to take as fully and with the same rights as if it were not the Trustee. The Trustee may act as depository, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, the City or any committee formed to protect the rights of holders of Bonds or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Indenture, whether or not such committee shall represent the holders of a majority in aggregate outstanding principal amount of the Bonds.

Section 9.8. Resignation of Trustee.

The Trustee may at any time resign and be discharged of its duties and obligations hereunder by giving not fewer than 30 days' notice, specifying the date when such resignation shall take effect, to the City and each Owner of any Outstanding Bond. Such resignation shall take effect upon the appointment of a successor as provided in Section 9.10 and the acceptance of such appointment by such successor.

Section 9.9. Removal of Trustee.

The Trustee may be removed at any time by (i) the Owners of at least a majority of the aggregate outstanding principal of the Bonds by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or by their attorneys-in-fact, duly authorized and delivered to the City, or (ii) so long as the City is not in default under this Indenture, the City. Copies of each such instrument shall be delivered by the City to the Trustee and any successor thereof. No such modification or amendment shall (i)

extend the maturity of any Bond or reduce the interest rate thereon, or otherwise alter or impair the obligation of the City to pay the principal of, and the interest and any premium on, any Bond, without the express consent of the Owner of such Bond, or (ii) permit the creation by the City of any pledge or lien upon the Pledged Revenues superior to or on a parity with the pledge and lien created for the benefit of the Bonds (except as otherwise permitted by Applicable Laws or this Indenture), or reduce the percentage of Bonds required for the amendment hereof. Any such amendment may not modify any of the rights or obligations of the Trustee without its written consent.

This Indenture and the rights and obligations of the City and of the Owners may also be modified or amended at any time by a Supplemental Indenture, without the consent of any Owners, only to the extent permitted by law and only for any one or more of the following purposes:

The City and the Trustee may at any time adopt a Supplemental Indenture amending the provisions of the Bonds or of this Indenture, to the extent that such amendment is permitted by Section 10.1 herein, to take effect when and as provided in this Section. A copy of such Supplemental Indenture, together with a request to Owners for their consent thereto, shall be mailed by first class mail, by the Trustee to each Owner of Bonds from whom consent is required under this Indenture, but failure to mail copies of such Supplemental Indenture and request shall not affect the validity of the Supplemental Indenture when assented to as in this Section provided.

Such Supplemental Indenture shall not become effective unless there shall be filed with the Trustee the written consents of the Owners as required by this Indenture and a notice shall have been mailed as hereinafter in this Section provided. Each such consent shall be effective only if accompanied by proof of ownership of the Bonds for which such consent is given, which

proof shall be such as is permitted by Section 11.6 herein. Any such consent shall be binding upon the Owner of the Bonds giving such consent and on any subsequent Owner (whether or not such subsequent Owner has notice thereof), unless such consent is revoked in writing by the Owner giving such consent or a subsequent Owner by filing such revocation with the Trustee prior to the date when the notice hereinafter in this Section provided for has been mailed.

After the Owners of the required percentage of Bonds shall have filed their consents to the Supplemental Indenture, the City shall mail a notice to the Owners in the manner hereinbefore provided in this Section for the mailing of the Supplemental Indenture, stating in substance that the Supplemental Indenture has been consented to by the Owners of the required percentage of Bonds and will be effective as provided in this Section (but failure to mail copies of said notice shall not affect the validity of the Supplemental Indenture or consents thereto). Proof of the mailing of such notice shall be filed with the Trustee. A record, consisting of the papers required by this Section 10.3 to be filed with the Trustee, shall be proof of the matters therein stated until the contrary is proved. The Supplemental Indenture shall become effective upon the filing with the Trustee of the proof of mailing of such notice, and the Supplemental Indenture shall be deemed conclusively binding (except as otherwise hereinabove specifically provided in this Article) upon the City and the Owners of all Bonds at the expiration of ninety (90) days after such filing, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in a legal action or equitable proceeding for such purpose commenced within such ninety-day period.

Section 10.4. Effect of Supplemental Indenture.

From and after the time any Supplemental Indenture becomes effective pursuant to this Article X, this Indenture shall be deemed to be modified and amended in accordance therewith, the respective rights, duties, and obligations under this Indenture of the City, the Trustee and all Owners of Bonds Outstanding shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

The City may determine that Bonds issued and delivered after the effective date of any action taken as provided in this Article X shall bear a notation, by endorsement or otherwise, in form approved by the City, as to such action. In that case, upon demand of the Owner of any Bond Outstanding at such effective date and presentation of his Bond for that purpose at the designated office of the Trustee or at such other office as the City may select and designate for that purpose, a suitable notation shall be made on such Bond. The City may determine that new Bonds, so modified as in the opinion of the City is necessary to conform to such Owners' action, shall be prepared, executed, and delivered. In that case, upon demand of the Owner of any Bonds then Outstanding, such new Bonds shall be exchanged at the designated office of the Trustee without cost to any Owner, for Bonds then Outstanding, upon surrender of such Bonds.

Section 10.6. Amendatory Endorsement of Bonds.

The provisions of this Article X shall not prevent any Owner from accepting any amendment as to the particular Bonds held by such Owner, provided that due notation thereof is made on such Bonds.

Section 10.7. Waiver of Default.

With the written consent of at least fifty-one percent (51%) in aggregate principal amount of the Bonds then Outstanding, the Owners may waive compliance by the City with certain past defaults under the Indenture and their consequences. Any such consent shall be conclusive and binding upon the Owners and upon all future Owners.

The Trustee may, but shall not be obligated to, enter into any such Supplemental Indenture which affects the Trustee's own rights, duties and immunities under this Indenture or otherwise.

Nevertheless, if so requested by the Trustee, the City shall ratify and confirm any sale or sales by executing and delivering to the Trustee or to such purchaser or purchasers all such instruments as may be necessary or, in the judgment of the Trustee, proper for the purpose which may be designated in such request.

Section 11.3. Restriction on Owner's Action.

(a) No Owner shall have any right to institute any action, suit or proceeding at law or in equity for the enforcement of this Indenture or for the execution of any trust thereof or any other remedy hereunder, unless (i) a default has occurred and is continuing of which the Trustee has been notified in writing, (ii) such default has become an Event of Default and the Owners of at least 25% of the aggregate principal amount of the Bonds then Outstanding have made written request to the Trustee and offered it reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its

own name, (iii) the Owners have furnished to the Trustee indemnity as provided in Section 9.2 herein, (iv) the Trustee has for ninety (90) days after such notice failed or refused to exercise the powers hereinbefore granted, or to institute such action, suit, or proceeding in its own name, (v) no direction inconsistent with such written request has been given to the Trustee during such 90-day period by the registered owners of a majority of the aggregate principal amount of the Bonds then Outstanding, and (vi) notice of such action, suit, or proceeding is given to the Trustee; however, no one or more Owners of the Bonds shall have any right in any manner whatsoever to affect, disturb, or prejudice this Indenture by its, his or their action or to enforce any right hereunder except in the manner provided herein, and that all proceedings at law or in equity shall be instituted and maintained in the manner provided herein and for the equal benefit of the registered owners of all Bonds then Outstanding. The notification, request and furnishing of indemnity set forth above shall, at the option of the Trustee, be conditions precedent to the execution of the powers and trusts of this Indenture and to any action or cause of action for the enforcement of this Indenture or for any other remedy hereunder.

(b) Subject to Article VIII, nothing in this Indenture shall affect or impair the right of any Owner to enforce, by action at law, payment of any Bond at and after the maturity thereof, or on the date fixed for redemption or the obligation of the City to pay each Bond issued hereunder to the respective Owners thereof at the time and place, from the source and in the manner expressed herein and in the Bonds.

(c) In case the Trustee or any Owners shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or any Owners, then and in every such case the City, the Trustee and the Owners shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

(b) In the event funds are not adequate to cure any of the Events of Default described in Section 11.1, the available funds shall be allocated to the Bonds that are Outstanding in proportion to the quantity of Bonds that are currently due and in default under the terms of this Indenture.

(c) The restoration of the City to its prior position after any and all defaults have been cured, as provided in Section 11.3, shall not extend to or affect any subsequent default under this Indenture or impair any right consequent thereon.

Section 11.5. Effect of Waiver.

(a) No delay or omission of the Trustee, or any Owner, to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Indenture to the Trustee or the Owners, respectively, may be exercised from time to time and as often as may be deemed expedient.

Where such execution is by an officer of a corporation or association or a member of a partnership, on behalf of such corporation, association or partnership, such signature guarantee, certificate, or affidavit shall also constitute sufficient proof of his authority.

(ii) The ownership of Bonds and the amount, numbers and other identification and date of holding the same shall be proved by the Register.

(b) Except as otherwise provided in this Indenture with respect to revocation of a consent, any request or consent by an Owner of Bonds shall bind all future Owners of the same Bonds in respect of anything done or suffered to be done by the City or the Trustee in accordance therewith.

Section 11.7. No Acceleration.

In the event of the occurrence of an Event of Default under Section 11.1 hereof, the right of acceleration of any Stated Maturity is not granted as a remedy hereunder and the right of acceleration under this Indenture is expressly denied.

The City of Celina, Texas (the "City"), for value received, hereby promises to pay, solely from the Trust Estate, to

or registered assigns, on the Maturity Date, as specified above, the sum of

_____ DOLLARS

unless this Bond shall have been sooner called for redemption and the payment of the principal hereof shall have been paid or provision for such payment shall have been made, and to pay interest on the unpaid principal amount hereof from the later of the Date of Delivery, as specified above, or the most recent Interest Payment Date to which interest has been paid or provided for until such principal amount shall have been paid or provided for, at the per annum rate of interest specified above, computed on the basis of a 360-day year of twelve 30-day months, such interest to be paid semiannually on March 1 and September 1 of each year, commencing _____, until maturity or prior redemption.

Capitalized terms appearing herein that are defined terms in the Indenture defined below, have the meanings assigned to them in the Indenture. Reference is made to the Indenture for such definitions and for all other purposes.

The principal of this Bond shall be payable without exchange or collection charges in lawful money of the United States of America upon presentation and surrender of this Bond at the corporate trust office in St. Paul, Minnesota (the "Designated Payment/Transfer Office"), of U.S. Bank National Association, as trustee and paying agent/registrar (the "Trustee", which term includes any successor trustee under the Indenture), or, with respect to a successor trustee and

paying agent/registrar, at the Designated Payment/Transfer Office of such successor. Interest on this Bond is payable by check dated as of the Interest Payment Date, mailed by the Trustee to the registered owner at the address shown on the registration books kept by the Trustee or by such other customary banking arrangements acceptable to the Trustee, requested by, and at the risk and expense of, the Person to whom interest is to be paid. For the purpose of the payment of interest on this Bond, the registered owner shall be the Person in whose name this Bond is registered at the close of business on the "Record Date," which shall be the fifteenth day of the month next preceding such Interest Payment Date; provided, however, that in the event of nonpayment of interest on a scheduled Interest Payment Date, and for 30 days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Trustee, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the "Special Payment Date," which shall be 15 days after the Special Record Date) shall be sent at least five Business Days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each Owner of a Bond appearing on the books of the Trustee at the close of business on the last Business Day preceding the date of mailing such notice.

If a date for the payment of the principal of or interest on the Bonds is a Saturday, Sunday, legal holiday, or a day on which banking institutions in the city in which the Designated Payment/Transfer Office is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding Business Day, and payment on such date shall have the same force and effect as if made on the original date payment was due.

This Bond is one of a duly authorized issue of assessment revenue bonds of the City having the designation specified in its title (herein referred to as the "Bonds"), dated August 1, 2018 and issued in the aggregate principal amount of \$XXXXXXX and issued, with the limitations described herein, pursuant to an Indenture of Trust, dated as of August 1, 2018 (the "Indenture"), by and between the City and the Trustee, to which Indenture reference is hereby made for a description of the amounts thereby pledged and assigned, the nature and extent of the lien and security, the respective rights thereunder to the holders of the Bonds, the Trustee, and the City, and the terms upon which the Bonds are, and are to be, authenticated and delivered and by this reference to the terms of which each holder of this Bond hereby consents. All Bonds issued under the Indenture are equally and ratably secured by the amounts thereby pledged and assigned. The Bonds are being issued for the purpose of (i) paying a portion of the Actual Costs of the Phases #2-7 Major Improvements, (ii) paying a portion of the interest on the Bonds during and after the period of acquisition and construction of the Phases #2-7 Major Improvements, (ii) funding a reserve fund for payment of principal and interest on the Bonds, (iv) paying a portion of the costs incidental to the organization of the District, and (v) paying the costs of issuance of the Bonds.

The Bonds are limited obligations of the City payable solely from the Trust Estate as defined in the Indenture. Reference is hereby made to the Indenture, copies of which are on file with and available upon request from the Trustee, for the provisions, among others, with respect to the nature and extent of the duties and obligations of the City, the Trustee and the Owners. The Owner of this Bond, by the acceptance hereof, is deemed to have agreed and consented to the terms, conditions and provisions of the Indenture.

Notwithstanding any provision hereof, the Indenture may be released and the obligation of the City to make money available to pay this Bond may be defeased by the deposit of money and/or certain direct or indirect Defeasance Securities sufficient for such purpose as described in the Indenture.

The Bonds are issuable as fully registered bonds only in Authorized Denominations, subject to the provisions of the Indenture authorizing redemption in denominations of \$100,000 and any multiple of \$5,000 in excess thereof.

The Bonds are subject to sinking fund redemption prior to their respective maturities and will be redeemed by the City in part at a price equal to the principal amount thereof plus accrued and unpaid interest thereon to the date of redemption from moneys available for such purpose in the Redemption Fund pursuant to Article VI of the Indenture, on the dates and in the Sinking Fund Installment amounts as set forth in the following schedule:

At least forty-five (45) days prior to each sinking fund redemption date, the Trustee shall select for redemption by lot, or by any other customary method that results in a random selection, a principal amount of Bonds of such maturity equal to the Sinking Fund Installments of such Bonds to be redeemed, shall call such Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption, as provided in Section 4.6 of the Indenture.

The principal amount of Bonds required to be redeemed on any sinking fund redemption date shall be reduced, at the option of the City, by the principal amount of any Bonds of such maturity which, at least 45 days prior to the sinking fund redemption date (i) shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued and unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation, or (ii) shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption and not previously credited to a sinking fund redemption.

The City reserves the right and option to redeem the Bonds maturing on or after September 1, 20__, before their scheduled maturity dates, in whole or in part, on any date on or after September 1, 20__, at par plus accrued interest to the date of redemption.

Bonds are subject to extraordinary optional redemption prior to maturity in whole or in part, on the first day of any month, at a redemption price equal to the principal amount of the Bonds called for redemption, plus accrued and unpaid interest to the date fixed for redemption from amounts on deposit in the Redemption Fund as a result of Prepayments, other transfers to the Redemption Fund pursuant to the Indenture, or as a result of unexpended amounts transferred from the Project Fund as provided in the Indenture.

The Trustee shall give notice of any redemption of Bonds by sending notice by first class United States mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond (or part thereof) to be redeemed, at the address shown on the Register. The notice shall state the redemption date, the redemption price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed. Any notice so given shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

With respect to any optional redemption of the Bonds, unless the Trustee has received funds sufficient to pay the redemption price of the Bonds to be redeemed before giving of a notice of redemption, the notice may state the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction

of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the City and the rights of the holders of the Bonds under the Indenture at any time Outstanding affected by such modification. The Indenture also contains provisions permitting the holders of specified percentages in aggregate principal amount of the Bonds at the time Outstanding, on behalf of the holders of all the Bonds, to waive compliance by the City with certain past defaults under the Bond Ordinance or the Indenture and their consequences. Any such consent or waiver by the holder of this Bond or any predecessor Bond evidencing the same debt shall be conclusive and binding upon such holder and upon all future holders thereof and of any Bond issued upon the transfer thereof or in exchange therefor or in lieu thereof, whether or not notation of such consent or waiver is made upon this Bond.

As provided in the Indenture, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office, with such endorsement or other evidence of transfer as is acceptable to the Trustee, and upon delivery to the Trustee of such certifications and/or opinion of counsel as may be required under the Indenture for the transfer of this Bond. Upon satisfaction of such requirements, one or more new fully registered Bonds of the same Stated Maturity, of Authorized Denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the City nor the Trustee shall be required to issue, transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 45 calendar days of the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond.

The City, the Trustee, and any other Person may treat the Person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the Person in whose name this Bond is registered on the Record Date or Special Record Date, as applicable) and for all other purposes, whether or not this Bond be overdue, and neither the City nor the Trustee shall be affected by notice to the contrary.

NEITHER THE FULL FAITH AND CREDIT NOR THE GENERAL TAXING POWER OF THE CITY OF CELINA, TEXAS, COLLIN COUNTY, TEXAS, THE STATE OF TEXAS, OR ANY POLITICAL SUBDIVISION THEREOF, IS PLEDGED TO THE PAYMENT OF THE BONDS.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law; and that the total indebtedness of the City, including the Bonds, does not exceed any Constitutional or statutory limitation.

IN WITNESS WHEREOF, the City Council of the City has caused this Bond to be executed under the official seal of the City.

BOND PURCHASE AGREEMENT

_____, 2018

City of Celina, Texas
 142 N. Ohio Street
 Celina, Texas 76201

Ladies and Gentlemen:

The undersigned, FMSbonds, Inc. (the “Underwriter”), offers to enter into this Bond Purchase Agreement (this “Agreement”) with the City of Celina, Texas (the “City”), which will be binding upon the City and the Underwriter upon the acceptance of this Agreement by the City. This offer is made subject to its acceptance by the City by execution of this Agreement and its delivery to the Underwriter on or before 10:00 p.m., Central Time, on the date hereof and, if not so accepted, will be subject to withdrawal by the Underwriter upon written notice delivered to the City at any time prior to the acceptance hereof by the City. All capitalized terms not otherwise defined herein shall have the meanings given to such terms in the Indenture (defined herein) between the City and U.S. Bank National Association, as trustee (the “Trustee”), authorizing the issuance of the Bonds (defined herein), and in the Limited Offering Memorandum (defined herein).

1. Purchase and Sale of Bonds. Upon the terms and conditions and upon the basis of representations, warranties, and agreements hereinafter set forth, the Underwriter hereby agrees to purchase from the City, and the City hereby agrees to sell to the Underwriter, all (but not less than all) of the [\$[PRINCIPAL] aggregate principal amount of the “City of Celina, Texas, Special Assessment Revenue Bonds, Series 2018 (Cambridge Crossing Public Improvement District Phases #2-7 Major Improvement Project)” (the “Bonds”), at a purchase price of \$_____ (representing the aggregate principal amount of the Bonds, [plus a premium of \$_____, and] less an Underwriter’s discount of \$_____).

Inasmuch as this purchase and sale represents a negotiated transaction, the City understands, and hereby confirms, that the Underwriter is not acting as a municipal advisor or fiduciary of the City (including, without limitation, a “municipal advisor” (as such term is defined in Section 975(e) of the Dodd Frank Wall Street Reform and Consumer Protection Act)), but rather is acting solely in its capacity as Underwriter for its own account. The City

acknowledges and agrees that (i) the purchase and sale of the Bonds pursuant to this Agreement is an arm's length commercial transaction between the City and the Underwriter and the Underwriter has financial and other interests that differ from any other party to this Agreement, (ii) in connection with the discussions, undertakings, and procedures leading up to the consummation of this transaction, the Underwriter is and has been acting solely as a principal and is not acting as the agent, municipal advisor, financial advisor, or fiduciary of the City, (iii) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of the City with respect to the offering described herein or the discussions, undertakings, and procedures leading thereto (regardless of whether the Underwriter has provided other services or is currently providing other services to the City on other matters) and the Underwriter has no obligation to the City with respect to the offering described herein except the obligations expressly set forth in this Agreement, (iv) the City has consulted its own legal, financial and other advisors to the extent it has deemed appropriate, (v) the Underwriter has financial and other interests that differ from those of the City, and (vi) the Underwriter has provided to the City prior disclosures under Rule G-17 of the Municipal Securities Rulemaking Board ("MSRB"), which have been received by the City. The City further acknowledges and agrees that following the issuance and delivery of the Bonds, the Underwriter has indicated that it may have periodic discussions with the City regarding the expenditure of Bond proceeds and the construction of the Phases #2-7 Major Improvements financed with the Bonds and, in connection with such discussions, the Underwriter shall be acting solely as a principal and will not be acting as the agent or fiduciary of, and will not be assuming an advisory or fiduciary responsibility in favor of, the City.

The Bonds shall be dated [August 1], 2018 and shall have the maturities and redemption features, if any, and bear interest at the rates per annum shown on Schedule I hereto. Payment for and delivery of the Bonds, and the other actions described herein, shall take place on _____, 2018 (or such other date as may be agreed to by the City and the Underwriter) (the "Closing Date").

2. Authorization Instruments and Law. The Bonds were authorized by Ordinance No. _____ enacted by the City Council of the City (the "City Council") on [August 14], 2018 (the "Bond Ordinance") and shall be issued pursuant to the provisions of Subchapter A of Chapter 372, Texas Local Government Code, as amended (the "Act"), and the Indenture of Trust, dated as of [August 1], 2018, between the City and the Trustee, authorizing the issuance of the Bonds (the "Indenture"). The Bonds shall be substantially in the form described in, and shall be secured under the provisions of, the Indenture.

The Bonds and interest thereon shall be secured by the proceeds of special assessments (the "Assessments") levied on the assessable parcels within Phases #2-7 (consisting of approximately 334.675 acres within the District) of Cambridge Crossing Public Improvement District (the "District"). The District was established by Resolution No. 2017-10R (the "Creation Resolution"), enacted by the City Council on February 28, 2017, in accordance with the Act. A Service and Assessment Plan (the "Service and Assessment Plan") which sets forth the costs of the Phases #2-7 Major Improvements and the method of payment of the Assessments was adopted by the City Council on [August 14], 2018, pursuant to Ordinance No. _____ (the "Assessment Ordinance" and, together with the Creation Resolution, the Indenture and the Bond Ordinance, the "Authorizing Documents"). The Bonds shall be further secured by certain applicable funds and accounts created under the Indenture.

The Bonds shall be as described in Schedule I, the Indenture, and the Limited Offering Memorandum. The proceeds of the Bonds shall be used for (i) paying a portion of the costs of the “Phases #2-7 Major Improvements,” which consist of Phases #2-7’s proportionate share of the costs of certain improvements that will benefit the entire District, (ii) paying a portion of the interest on the Bonds during and after the period of acquisition and construction of the Phases #2-7 Major Improvements, (iii) funding a reserve fund for the payment of principal of and interest on the Bonds, (iv) paying a portion of the costs incidental to the organization of the District, and (v) paying the costs of issuance of the Bonds.

3. Public Offering. The Underwriter agrees to make a bona fide limited public offering of all of the Bonds. On or before the third (3rd) business day prior to the Closing Date, the Underwriter shall execute and deliver to Bond Counsel the Issue Price Certificate, in substantially the form attached hereto as Appendix B.

4. Establishment of Issue Price.

a. The Underwriter agrees to assist the City in establishing the issue price of the Bonds and shall execute and deliver to the City on or before the third (3rd) business day prior to Closing (as defined herein) an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Appendix B, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the City and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds. All actions to be taken by the City under this Section to establish the issue price of the Bonds may be taken on behalf of the City by the City’s Financial Advisor identified herein and any notice or report to be provided to the City may be provided to the City’s Financial Advisor.

b. The Underwriter confirms that it has offered all the Bonds of each maturity to the public on or before the date of this Agreement at the respective offering price (the “initial offering price”), or at the corresponding yield or yields, set forth in Schedule I attached hereto, except as otherwise set forth therein. The City will treat the first price at which 10% of each maturity of the Bonds is sold to the public as of the sale date as the issue price of that maturity (the “10% test”). At or promptly after the execution of this Agreement, the Underwriter shall report to the City on Schedule A to the issue price certificate the first price at which the Underwriter has sold to the public each maturity of Bonds, and shall identify to the City on Schedule A to the issue price certificate those maturities of the Bonds for which the 10% test has not been satisfied. If different interest coupons apply within a maturity, each separate CUSIP number within that maturity will be treated as a separate maturity for this purpose.

c. The City and the Underwriter agree that the restrictions set forth in the next sentence shall apply to those maturities of the Bonds for which the 10% test has not been met as of the date of this Agreement, which will allow the City to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold- the-offering-price

rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the City when the Underwriter has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if such sale occurs prior to the close of the fifth (5th) business day after the sale date.

d. The Underwriter confirms that any selling group agreement and each third-party distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement, as applicable, to (A) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter and as set forth in the related pricing wires, (B) to promptly notify the Underwriter of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public, and (C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public. The City acknowledges that, in making the representation set forth in this subsection, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, if applicable, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, if applicable, as set forth in the third-party distribution agreement and the related pricing wires. The City further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Bonds.

e. The Underwriter acknowledges that sales of any Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this Section. Further, for purposes of this Section:

(i) “public” means any person other than an underwriter or a related party,

(ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),

(iii) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) “sale date” means the date of execution of this Agreement by all parties.

5. Limited Offering Memorandum.

a. Delivery of Limited Offering Memorandum. The City previously has delivered, or caused to be delivered, to the Underwriter the Preliminary Limited Offering Memorandum for the Bonds dated _____, 2018 (the “Preliminary Limited Offering Memorandum”), in a “designated electronic format,” as defined in the Municipal Securities Rulemaking Board (“MSRB”) Rule G-32 (“Rule G-32”). The City will prepare, or cause to be prepared, a final Limited Offering Memorandum relating to the Bonds (the “Limited Offering Memorandum”) which will be (i) dated the date of this Agreement, (ii) complete within the meaning of the United States Securities and Exchange Commission’s Rule 15c2-12, as amended (“Rule 15c2-12”), (iii) in a “designated electronic format,” and (iv) substantially in the form of the most recent version of the Preliminary Limited Offering Memorandum provided to the Underwriter before the execution hereof. The Limited Offering Memorandum, including the cover page thereto, all exhibits, schedules, appendices, maps, charts, pictures, diagrams, reports, and statements included or incorporated therein or attached thereto, and all amendments and supplements thereto that may be authorized for use with respect to the Bonds are collectively referred to herein as the “Limited Offering Memorandum.” Until the Limited Offering Memorandum has been prepared and is available for distribution, the City shall provide to the Underwriter sufficient quantities (which may be in electronic format) of the Preliminary Limited Offering Memorandum as the Underwriter reasonably

deems necessary to satisfy the obligation of the Underwriter under Rule 15c2-12 with respect to distribution to each potential customer, upon request, of a copy of the Preliminary Limited Offering Memorandum.

b. Preliminary Limited Offering Memorandum Deemed Final. The Preliminary Limited Offering Memorandum has been prepared for use by the Underwriter in connection with the public offering, sale, and distribution of the Bonds. The City hereby represents and warrants that the Preliminary Limited Offering Memorandum has been deemed final by the City as of its date, except for the omission of such information which is dependent upon the final pricing of the Bonds for completion, all as permitted to be excluded by Section (b)(1) of Rule 15c2-12.

c. Use of Limited Offering Memorandum in Offering and Sale. The City hereby authorizes the Limited Offering Memorandum and the information therein contained to be used by the Underwriter in connection with the public offering and the sale of the Bonds. The City consents to the use by the Underwriter prior to the date hereof of the Preliminary Limited Offering Memorandum in connection with the public offering of the Bonds. The City shall provide, or cause to be provided, to the Underwriter as soon as practicable after the date of the City's acceptance of this Agreement (but, in any event, not later than the earlier of the Closing Date or seven (7) business days after the City's acceptance of this Agreement) copies of the Limited Offering Memorandum which is complete as of the date of its delivery to the Underwriter. The City shall provide the Limited Offering Memorandum, or cause the Limited Offering Memorandum to be provided, (i) in a "designated electronic format" consistent with the requirements of Rule G-32 and (ii) in a printed format in such quantity as the Underwriter shall reasonably request in order for the Underwriter to comply with Section (b)(4) of Rule 15c2-12 and the rules of the MSRB.

d. Updating of Limited Offering Memorandum. If, after the date of this Agreement, up to and including the date the Underwriter is no longer required to provide an Limited Offering Memorandum to potential customers who request the same pursuant to Rule 15c2-12 (the earlier of (i) ninety (90) days from the "end of the underwriting period" (as defined in Rule 15c2-12) and (ii) the time when the Limited Offering Memorandum is available to any person from the MSRB, but in no case less than the 25th day after the "end of the underwriting period" for the Bonds), the City becomes aware of any fact or event which might or would cause the Limited Offering Memorandum, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, or if it is necessary to amend or supplement the Limited Offering Memorandum to comply with law, the City will notify the Underwriter (and for the purposes of this clause provide the Underwriter with such information as it may from time to time reasonably request), and if, in the reasonable judgment of the Underwriter, such fact or event requires preparation and publication of a supplement or amendment to the Limited Offering Memorandum, the City will forthwith prepare and furnish, at no expense to the Underwriter (in a form and manner approved by the Underwriter), either an amendment or a supplement to the Limited Offering Memorandum so that the

statements therein as so amended and supplemented will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading or so that the Limited Offering Memorandum will comply with law; provided, however, that for all purposes of this Agreement and any certificate delivered by the City in accordance herewith, (i) the City makes no representations with respect to the descriptions in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum of The Depository Trust Company, New York, New York (“DTC”), or its book-entry-only system, and (ii) the City makes no representation with respect to the information in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum under the captions and subcaptions “PLAN OF FINANCE — Development Plan” and “ – Status of Lot Purchase and Sales Agreements in Phase #1,” “THE PHASES #2-7 MAJOR IMPROVEMENTS,” “THE DEVELOPMENT,” “THE DEVELOPER,” “BONDHOLDERS’ RISKS” (only as it pertains to the Developer, the Phases #2-7 Major Improvements and the Development, as defined in the Limited Offering Memorandum), “THE PID ADMINISTRATOR,” “LEGAL MATTERS — Litigation – The Developer,” “CONTINUING DISCLOSURE — The Developer” and “ — The Developer’s Compliance with Prior Undertakings,” and “INFORMATION RELATING TO THE TRUSTEE.” If such notification shall be subsequent to the Closing, the City, at no expense to the Underwriter, shall furnish such legal opinions, certificates, instruments, and other documents as the Underwriter may reasonably deem necessary to evidence the truth and accuracy of such supplement or amendment to the Limited Offering Memorandum. The City shall provide any such amendment or supplement, or cause any such amendment or supplement to be provided, (i) in a “designated electronic format” consistent with the requirements of Rule G-32 and (ii) in a printed format in such quantity as the Underwriter shall reasonably request in order for the Underwriter to comply with Section (b)(4) of Rule 15c2-12 and the rules of the MSRB.

e. Filing with MSRB. The Underwriter hereby agrees to timely file the Limited Offering Memorandum with the MSRB through its Electronic Municipal Market Access (“EMMA”) system within one business day after receipt but no later than the Closing Date. Unless otherwise notified in writing by the Underwriter, the City can assume that the “end of the underwriting period” for purposes of Rule 15c2-12 is the Closing Date.

f. Limited Offering. The Underwriter hereby represents, warrants and covenants that the Bonds were initially sold pursuant to a limited offering. The Bonds were sold to not more than thirty-five persons that qualify as “Accredited Investors” (as defined in Rule 501 of Regulation D under the Securities Act (as defined herein)) or “Qualified Institutional Buyers” (within the meaning of Rule 144A under the Securities Act).

6. City Representations, Warranties and Covenants. The City represents, warrants and covenants that:

a. Due Organization, Existence and Authority. The City is a political subdivision of the State of Texas (the “State”), and has, and at the Closing Date will have, full legal right, power and authority:

- (i) to enter into:
 - (1) this Agreement;
 - (2) the Indenture;

b. Due Authorization and Approval of City. By all necessary official action of the City, the City has duly authorized and approved the adoption or execution and delivery by the City of, and the performance by the City of the obligations on its part contained in, the City Documents and, as of the date hereof, such authorizations and approvals are in full force and effect and have not been amended, modified or rescinded, except as may have been approved by the Underwriter. When validly executed and delivered by the other parties thereto, the City Documents will constitute the legally valid and binding obligations of the City enforceable upon the City in accordance with their respective terms, except insofar as enforcement may be limited by principles of sovereign immunity, bankruptcy, insolvency, reorganization, moratorium, or similar laws or equitable principles relating to or affecting creditors' rights generally. The City has complied, and will at the Closing be in compliance, in all material respects, with the obligations on its part to be performed on or prior to the Closing Date under the City Documents.

c. Due Authorization for Issuance of the Bonds. The City has duly authorized the issuance and sale of the Bonds pursuant to the Bond Ordinance, the Indenture, and the Act. The City has, and at the Closing Date will have, full legal right, power and authority (i) to enter into, execute, deliver, and perform its obligations under this Agreement and the other City Documents, (ii) to issue, sell, and deliver the Bonds to the Underwriter pursuant to the Indenture, the Bond Ordinance, the Act, and as provided herein, and (iii) to carry out, give effect to and consummate the transactions on the part of the City described by the City Documents and the Bond Ordinance.

d. No Breach or Default. As of the time of acceptance hereof, and to its knowledge, the City is not, and as of the Closing Date the City will not be, in breach of or in default in any material respect under any applicable constitutional provision, law or administrative rule or regulation of the State or the United States, or any applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument related to the Bonds and to which the City is a party or is otherwise subject, and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute a default or event of default under any such instrument which breach, default or event could have a material adverse effect on the City's ability to perform its obligations under the Bonds or the City Documents; and, as of such times, the authorization, execution and delivery of the Bonds and the City Documents and compliance by the City with obligations on its part to be performed in each of such agreements or instruments does not and will not conflict with or constitute a breach of or default under any applicable constitutional provision, law or administrative rule or regulation of the State or the United States, or any applicable judgment, decree, license, permit, trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the City (or any of its officers in their respective capacities as such) is subject, or by which it or any of its properties are bound, nor will any such authorization, execution, delivery or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of its assets or properties or under the terms of any such law, regulation or instrument, except as may be permitted by the City Documents.

e. No Litigation. At the time of acceptance hereof there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body (collectively and individually, an “Action”) pending against the City with respect to which the City has been served with process, nor to the knowledge of the City is any Action threatened against the City, in which any such Action (i) in any way questions the existence of the City or the rights of the members of the City Council to hold their respective positions, (ii) in any way questions the formation or existence of the District, (iii) affects, contests or seeks to prohibit, restrain or enjoin the issuance or delivery of any of the Bonds, or the payment or collection of any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, or in any way contests or affects the validity of the City Documents or the consummation of the transactions on the part of the City described therein, or contests the exclusion of the interest on the Bonds from federal income taxation, or (iv) which may result in any material adverse change in the financial condition of the City; and, as of the time of acceptance hereof, to the City’s knowledge, there is no basis for any action, suit, proceeding, inquiry, or investigation of the nature described in clauses (i) through (iv) of this sentence.

f. Bonds Issued Pursuant to Indenture. The City represents that the Bonds, when issued, executed, and delivered in accordance with the Indenture and sold to the Underwriter as provided herein, will be validly issued and outstanding obligations of the City subject to the terms of the Indenture, entitled to the benefits of the Indenture and the security of the pledge of the proceeds of the levy of the Assessments received by the City, all to the extent provided for in the Indenture. The Indenture creates a valid pledge of the monies in certain funds and accounts established pursuant to the Indenture to the extent provided for in the Indenture, including the investments thereof, subject in all cases to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth therein.

g. Assessments. The Assessments constituting the security for the Bonds have been levied by the City in accordance with the Act on those parcels of land identified in the Phases #2-7 Major Improvement Assessment Roll (as defined in the Service and Assessment Plan). According to the Act, such Assessments constitute a valid and legally binding first and prior lien against the properties assessed, superior to all other liens and claims, except liens or claims for state, county, school district, or municipality ad valorem taxes.

h. Consents and Approvals. All authorizations, approvals, licenses, permits, consents, elections, and orders of or filings with any governmental authority, legislative body, board, agency, or commission having jurisdiction in the matters which are required by the Closing Date for the due authorization of, which would constitute a condition precedent to or the absence of which would adversely affect the due performance by the City of, its obligations in connection with the City Documents have been duly obtained or made and are in full force and effect, except the approval of the Bonds by the Attorney General of the State, registration of the Bonds by the Comptroller of Public Accounts of the State, and the approvals, consents and orders as may be required under Blue Sky or securities laws of any jurisdiction.

i. [Public Debt]. Prior to the Closing, the City will not offer or issue any bonds, notes or other obligations for borrowed money or incur any material liabilities, direct or contingent, payable from or secured by a pledge of the Assessments which secure the Bonds without the prior approval of the Underwriter.]

j. Preliminary Limited Offering Memorandum. The information contained in the Preliminary Limited Offering Memorandum is true and correct in all material respects, and such information does not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the City makes no representations with respect to (i) the descriptions in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum of The Depository Trust Company, New York, New York (“DTC”), or its book-entry-only system, and (ii) the City makes no representation with respect to the information in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum under the captions and subcaptions “PLAN OF FINANCE — Development Plan” and “ – Status of Lot Purchase and Sales Agreements in Phase #1,” “THE PHASES #2-7 MAJOR IMPROVEMENTS,” “THE DEVELOPMENT,” “THE DEVELOPER,” “BONDHOLDERS’ RISKS” (only as it pertains to the Developer, the Phases #2-7 Major Improvements and the Development, as defined in the Limited Offering Memorandum), “THE PID ADMINISTRATOR,” “LEGAL MATTERS — Litigation – The Developer,” “CONTINUING DISCLOSURE — The Developer” and “ — The Developer’s Compliance with Prior Undertakings,” and “INFORMATION RELATING TO THE TRUSTEE.”

l. Supplements or Amendments to Limited Offering Memorandum. If the Limited Offering Memorandum is supplemented or amended pursuant to paragraph (d) of Section 5 of this Agreement, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such paragraph) at all times subsequent thereto during the period up to and including the 25th day subsequent to the “end of the underwriting period,” the Limited Offering Memorandum as so supplemented or amended will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that if the City notifies the Underwriter of any fact or event as required by Section 5(d) hereof, and the Underwriter determines that such fact or event does not require preparation and publication of a supplement or amendment to the Limited Offering Memorandum, then the Limited Offering Memorandum in its then-current form shall be conclusively deemed to be complete and correct in all material respects.

m. Compliance with Rule 15c2-12. During the past five years, the City has complied in all material respects with its previous continuing disclosure undertaking made by it in accordance with Rule 15c2-12, except as described in the Limited Offering Memorandum.

n. Use of Bond Proceeds. The City will apply, or cause to be applied, the proceeds from the sale of the Bonds as provided in and subject to all of the terms and provisions of the Indenture and will not take or omit to take any action which action or omission will adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Bonds.

o. Blue Sky and Securities Laws and Regulations. The City will furnish such information and execute such instruments and take such action in cooperation with the Underwriter as the Underwriter may reasonably request, at no expense to the City, (i) to (y) qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions in the United States as the Underwriter may designate and (z) determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions and (ii) to continue such qualifications in effect so long as required for the initial distribution of the Bonds by the Underwriter (provided, however, that the City will not be required to qualify as a foreign corporation or to file any general or special consents to service of process under the laws of any jurisdiction) and will advise the Underwriter immediately of receipt by the City of any notification with respect to the suspension of the qualification of the Bonds for sale in any jurisdiction or the initiation or threat of any proceeding for that purpose.

p. Certificates of the City. Any certificate signed by any official of the City authorized to do so in connection with the transactions described in this Agreement shall be deemed a representation and warranty by the City to the Underwriter as to the statements made therein and can be relied upon by the Underwriter as to the statements made therein.

q. Intentional Actions Regarding Representations and Warranties. The City covenants that between the date hereof and the Closing it will not intentionally take actions which will cause the representations and warranties made in this Section to be untrue as of the Closing.

r. Financial Advisor. The City has engaged Hilltop Securities Inc. as its Financial Advisor in connection with its offering and issuance of the Bonds.

9. Underwriter’s Closing Conditions. The Underwriter has entered into this Agreement in reliance upon the representations and covenants herein and in the Developer Letter of Representations and the performance by the City of its obligations under this Agreement, both as of the date hereof and as of the Closing Date. d. No Litigation. Other than as described in the Preliminary Limited Offering Memorandum, there are no proceedings pending or threatened in writing before any court or administrative agency against Developer that is either not covered by insurance or which singularly or collectively would have a material, adverse effect on such the ability of Developer to perform its obligations under the Developer Documents in all material respects or that would reasonably be expected to prevent or prohibit the development of the Development in accordance with the description thereof in the Preliminary Limited Offering Memorandum.

a. The Developer will indemnify and hold harmless the City and the Underwriter and each of their officers, directors, employees and agents against any losses, claims, damages or liabilities to which any of them may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained or incorporated by reference in the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum under the captions “PLAN OF FINANCE — Development Plan” and “ – Status of Lot Purchase and Sales Agreements in Phase #1,” “THE PHASES #2-7 MAJOR IMPROVEMENTS,” “THE DEVELOPMENT,” “THE DEVELOPER,” “BONDHOLDERS’ RISKS” (only as it pertains to the Developer, the Phases #2-7 Major Improvements, and the Development), “LEGAL MATTERS — Litigation – The Developer,” “CONTINUING DISCLOSURE — The Developer” and “ — The Developer’s Compliance with Prior Undertakings,” or any amendment or supplement to the Limited Offering Memorandum amending or supplementing the information contained under the aforementioned captions (as qualified above), or arise out of or are based upon the omission or alleged untrue statement or omission to state therein a material fact necessary to make the statements under the aforementioned captions (as qualified above) not misleading under the circumstances under which they were made and will reimburse any indemnified party for any reasonable legal or other expenses reasonably incurred by them in connection with investigating or defending any such action or claim as such expenses are incurred.

Promptly after receipt by an indemnified party under subsection (a) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve the indemnifying party from any liability which it may have to the indemnified party otherwise than under such subsection, unless such indemnifying party was prejudiced by such delay or lack of notice. In case any such action shall be brought against an indemnified party, it shall promptly notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. The indemnifying party shall not be liable for any settlement of any such action effected without its consent, but if settled with the consent of the indemnifying party or if there is a final judgment for the plaintiff in any such action, the indemnifying party will indemnify and hold harmless any indemnified party from and against any loss or liability by reason of such settlement or judgment. CITY OF CELINA, TEXAS,
SPECIAL ASSESSMENT REVENUE BONDS, SERIES 2018
(CAMBRIDGE CROSSING PUBLIC IMPROVEMENT DISTRICT
PHASES #2-7 MAJOR IMPROVEMENT PROJECT)

Ladies and Gentlemen:

We are the Attorney for the City of Celina, Texas (the “City”) for limited purposes, and are rendering this opinion in connection with the issuance and sale of \$[PRINCIPAL] “City of Celina, Texas, Special Assessment Revenue Bonds, Series 2018 (Cambridge Crossing Public Improvement District Phases #2-7 Major Improvement Project)” (the “Bonds”), by the City, a political subdivision of the State of Texas.

The Bonds are authorized pursuant to Ordinance No. _____ and enacted by the City Council of the City (the “City Council”) on _____, 2018 (the “Bond Ordinance”) and shall be issued pursuant to the provisions of Subchapter A of the Public Improvement District Assessment Act, Chapter 372, Texas Local Government Code, as amended (the “Act”) and the Indenture of Trust dated as of [August 1], 2018 (the “Indenture”) by and between the City and U.S. Bank National Association, as trustee (the “Trustee”). Capitalized terms not defined herein shall have the same meanings as in the Indenture, unless otherwise stated herein.

In connection with rendering this opinion, we have reviewed the:

(a) The Resolution No. 2018-10R (the “Creation Resolution”) enacted by the City Council on February 28, 2018;

(b) The Ordinance No. _____ accepted and approved by City Council on _____, 2018, and the Service and Assessment Plan attached as an exhibit thereto (the “Assessment Ordinance”), as such Service and Assessment Plan was updated by the Bond Ordinance;

(c) The Bond Ordinance;

- (d) The Indenture;
- (e) The PID Reimbursement Agreement (Cambridge Crossing) effective _____, 2018, executed and delivered by the City and Tollway/Outer Loop L.P., a Texas limited partnership (the “Developer”) (the “PID Reimbursement Agreement”);
- (f) The Development Agreement, effective as of February 28, 2018, executed and delivered by the City and the Developer (“Development Agreement”);
- (g) The Agreement Regarding Conveyance of Right of Redemption and Waiver of Agricultural Valuation effective as of _____, 2018 executed and delivered by the City, [the Trustee] and the Developer (the “Phases #2-7 Major Improvement Redemption/Waiver Agreement”);
- (h) [The Landowner Agreement effective as of _____, 2018 executed and delivered by the City and the Developer (the “Landowner Agreement”);] and
- (i) The Continuing Disclosure Agreement of the Issuer, dated as of _____, 2018, executed and delivered by the City and HTS Continuing Disclosure Services, a division of Hilltop Securities Inc. (the “Dissemination Agent”) (the “Continuing Disclosure Agreement of City”).

The Creation Resolution, the Assessment Ordinance and Bond Ordinance shall herein after be referred to as the “Authorizing Documents” and the remaining documents shall herein after be collectively referred to as the “City Documents.”

In all such examinations, we have assumed that all signatures on documents and instruments executed by the City are genuine and that all documents submitted to me as copies conform to the originals. In addition, for purposes of this opinion, we have assumed the due authorization, execution and delivery of the City Documents by all parties other than the City.

Based upon and subject to the foregoing and the additional qualifications and assumptions set forth herein, we are of the opinion that:

1. The City is a Texas political subdivision and has all necessary power and authority to enter into and perform its obligations under the Authorizing Documents and the City Documents. The City has taken or obtained all actions, approvals, consents and authorizations required of it by applicable laws in connection with the execution of the Authorizing Documents and the City Documents and the performance of its obligations thereunder.

2. To the best of our knowledge, there is no action, suit, proceeding, inquiry or investigation at law or in equity, before or by any court, public board or body, pending, or threatened against the City: (a) affecting the existence of the City or the titles of its officers to their respective offices, (b) in any way questioning the formation or existence of the District, (c) affecting, contesting or seeking to prohibit, restrain or enjoin the delivery of any of the Bonds, or the payment, collection or application of any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, including the Assessments in the District pursuant to the provisions of the Assessment Ordinance and the Service and Assessment Plan referenced therein,

(d) contesting or affecting the validity or enforceability or the City's performance of the City Documents, (e) contesting the exclusion of the interest on the Bonds from federal income taxation, or (f) which may result in any material adverse change relating to the financial condition of the City.

3. The Authorizing Documents were duly enacted by the City and remain in full force and effect on the date hereof.

4. The City Documents have been duly authorized, executed and delivered by the City and remain legal, valid and binding obligations of the City enforceable against the City in accordance with their terms. However, the enforceability of the obligations of the City under such City Documents may be limited or otherwise affected by (a) bankruptcy, insolvency, reorganization, moratorium and other laws affecting the rights of creditors generally, (b) principles of equity, whether considered at law or in equity, and (c) the application of Texas law relating to action by future councils and relating to governmental immunity applicable to governmental entities.

5. The performance by the City of the obligations under the Authorizing Documents and the City Documents will not violate any provision of any Federal or Texas constitutional or statutory provision.

6. No further consent, approval, authorization, or order of any court or governmental agency or body or official is required to be obtained by the City as a condition precedent to the performance by the City of its obligations under the Authorizing Documents and the City Documents.

7. The City has duly authorized, executed and delivered the Preliminary Limited Offering Memorandum.

8. Based upon our limited participation in the preparation of the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum (collectively, the "Limited Offering Memorandum"), the statements and information contained in the Limited Offering Memorandum with respect to the City under the captions and subcaptions "ASSESSMENT PROCEDURES —Assessment Methodology" and "—Assessment Amounts," "THE CITY," "THE DISTRICT," "LEGAL MATTERS — Litigation — The City," "CONTINUING DISCLOSURE — The City" and " — The City Compliance with Prior Undertakings" and "APPENDIX A" is a fair and accurate summary of the law relating to collection and enforcement of Assessments and the documents and facts summarized therein.

9. The adoption of the Authorizing Documents and the execution and delivery of the City Documents and the compliance with the provisions of the Authorizing Documents and the City Documents under the circumstances contemplated thereby, to the best of our knowledge: (a) do not and will not in any material respect conflict with or constitute on the part of the City a breach of or default under any agreement to which the City is a party or by which it is bound, and (b) do not and will not in any material respect conflict with or constitute on the part of the City a violation, breach of or default under any existing law, regulation, court order or consent decree to which the City is subject.

This opinion may not be relied upon by any other person except those specifically addressed in this letter.

Very truly yours,

JULIE FORT

14. Appointment of a successor or additional trustee under the Indenture or the change of name of a trustee, if material.

For these purposes, any event described in the immediately preceding paragraph (12) is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the Issuer in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Issuer, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Issuer.

Whenever the Issuer obtains knowledge of the occurrence of a Listed Event, the Issuer shall promptly notify the Dissemination Agent in writing and the Issuer shall direct the Dissemination Agent to immediately file a notice of such occurrence with the MSRB. The Dissemination Agent shall file such notice no later than the Business Day immediately following the day on which it receives written notice of such occurrence from the Issuer provided such notice is delivered to the Dissemination Agent by 2:00 P.M. central standard time on any such day. Any such notice is required to be filed within ten (10) Business Days of the occurrence of such Listed Event.

Any notice under the preceding paragraphs shall be accompanied with the text of the disclosure that the Issuer desires to make, the written authorization of the Issuer for the Dissemination Agent to disseminate such information as provided herein, and the date the Issuer desires for the Dissemination Agent to disseminate the information (which date shall not be more than ten (10) Business Days after the occurrence of the Listed Event or failure to file).

In all cases, the Issuer shall have the sole responsibility for the content, design and other elements comprising substantive contents of all disclosures. In addition, the Issuer shall have the sole responsibility to ensure that any notice required to be filed under this Section 5 is filed within ten (10) Business Days of the occurrence of the Listed Event.

(a) The Dissemination Agent shall, within three (3) Business Day of obtaining actual knowledge of the occurrence of any Listed Event with respect to the Bonds, notify the Disclosure Representative of such Listed Event. The Dissemination Agent shall not be required to file a notice of the occurrence of such Listed Event with the MSRB unless and until it receives written instructions from the Disclosure Representative to do so. It is agreed and understood that the duty to make or cause to be made the disclosures herein is that of the Issuer and not that of the Trustee or the Dissemination Agent. It is agreed and understood that the Dissemination Agent has agreed to give the foregoing notice to the Issuer as an accommodation to assist it in monitoring the occurrence of such event, but is under no obligation to investigate whether any such event has occurred. As used above, “actual knowledge” means the actual fact or statement of knowing, without a duty to make any investigation with respect

thereto. In no event shall the Dissemination Agent be liable in damages or in tort to the Issuer, the Participating Underwriter, the Trustee, or any Owner or beneficial owner of any interests in the Bonds as a result of its failure to give the foregoing notice or to give such notice in a timely fashion.

(b) If in response to a notice from the Dissemination Agent under subsection (b), the Issuer determines that the Listed Event under number 2, 7, 8, 10, 13, or 14 of subparagraph (a) above is not material under applicable federal securities laws, the Issuer shall promptly notify the Dissemination Agent and the Trustee (if the Dissemination Agent is not the Trustee) in writing and instruct the Dissemination Agent not to report the occurrence pursuant to subsection (d).

(c) If the Dissemination Agent has been instructed by the Issuer to report the occurrence of a Listed Event, the Dissemination Agent shall immediately file a notice of such occurrence with the MSRB.

SECTION 6. Termination of Reporting Obligations. The obligations of the Issuer and the Dissemination Agent under this Disclosure Agreement shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds, when the Issuer is no longer an obligated person with respect to the Bonds, or upon delivery by the Disclosure Representative to the Dissemination Agent of an opinion of nationally recognized bond counsel to the effect that continuing disclosure is no longer required. So long as any of the Bonds remain Outstanding, the Dissemination Agent may assume that the Issuer is an obligated person with respect to the Bonds until it receives written notice from the Disclosure Representative stating that the Issuer is no longer an obligated person with respect to the Bonds, and the Dissemination Agent may conclusively rely upon such written notice with no duty to make investigation or inquiry into any statements contained or matters referred to in such written notice. If such termination occurs prior to the final maturity of the Bonds, the Issuer shall give notice of such termination in the same manner as for a Listed Event with respect to such series of Bonds under Section 5(a).

SECTION 7. Dissemination Agent. The Issuer may, from time to time, appoint or engage a Dissemination Agent or successor Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement, and may discharge such Dissemination Agent, with or without appointing a successor Dissemination Agent. If at any time there is not any other designated Dissemination Agent, the Issuer shall be the Dissemination Agent. The initial Dissemination Agent appointed hereunder shall be HTS Continuing Disclosure Services, a division of Hilltop Securities Inc.

SECTION 8. Amendment; Waiver. Notwithstanding any other provisions of this Disclosure Agreement, the Issuer and the Dissemination Agent may amend this Disclosure Agreement (and the Dissemination Agent shall not unreasonably withhold its consent to any amendment so requested by the Issuer), and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Sections 3(a), 4, or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the delivery of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Owners of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Owners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Owners or beneficial owners of the Bonds.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Issuer shall describe such amendment in the next related Annual Issuer Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Issuer. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 5(a), and (ii) the Annual Issuer Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. No amendment which adversely affects the Dissemination Agent may be made without its prior written consent (which consent will not be unreasonably withheld or delayed).

SECTION 9. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Issuer Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Issuer chooses to include any information in any Annual Issuer Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the Issuer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Bond Disclosure Report or notice of occurrence of a Listed Event.

SECTION 10. Default. In the event of a failure of the Issuer to comply with any provision of this Disclosure Agreement, the Dissemination Agent may (and, at the request of any Participating Underwriter or the Owners of at least 25% aggregate principal amount of Outstanding Bonds, shall, upon being indemnified to its satisfaction as provided in the Indenture), or any Owner or beneficial owner of the Bonds may, take such actions as may be necessary and appropriate to cause the Issuer, as the case may be, to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Indenture with respect to the Bonds, and the sole remedy under this Disclosure Agreement in the event of any failure of the Issuer to comply with this Disclosure Agreement shall be an action for mandamus or specific performance. A default under this Disclosure Agreement by the Issuer shall not be deemed a default under the Disclosure Agreement of Developer by the Developer, and a default under the Disclosure Agreement of Developer by the Developer shall not be deemed a default under this Disclosure Agreement by the Issuer.

SECTION 11. Duties, Immunities and Liabilities of Dissemination Agent. The Dissemination Agent shall not have any duty with respect to the content of any disclosures made pursuant to the terms hereof. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement, and no implied covenants shall be read into this Disclosure Agreement with respect to the Dissemination Agent. To the extent permitted by law, the Issuer agrees to hold harmless the Dissemination Agent, its officers, directors, employees and agents, but only with funds to be provided by the Developer or from Assessments collected from the property owners in the District, against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct. The obligations of the Issuer under this Section shall survive resignation or removal of the Dissemination Agent and payment in full of the Bonds. Nothing in this Disclosure Agreement shall be construed to mean or to imply that the Dissemination Agent is an "obligated person" under the Rule. The Dissemination Agent is not acting in a fiduciary capacity in connection with the performance of its respective obligations hereunder. The fact that the Dissemination Agent may have a banking or other business relationship with the Issuer or any person with whom the Issuer contracts in connection with the transaction described in the Indenture, apart from the relationship created by the Indenture or this Disclosure Agreement, shall not be construed to mean that the Dissemination Agent has actual knowledge of any event described in Section 5 above, except as may be provided by written notice to the Dissemination Agent pursuant to this Disclosure Agreement.

The Dissemination Agent may, from time to time, consult with legal counsel of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or their respective duties hereunder, and the Dissemination Agent shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel.

UNDER NO CIRCUMSTANCES SHALL THE DISSEMINATION AGENT OR THE ISSUER BE LIABLE TO THE OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE ISSUER OR THE DISSEMINATION AGENT, RESPECTIVELY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS DISCLOSURE AGREEMENT, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE. THE DISSEMINATION AGENT IS UNDER NO OBLIGATION NOR IS IT REQUIRED TO BRING SUCH AN ACTION.

SECTION 12. Assessment Timeline. The basic expected timeline for the collection of Assessments and the anticipated procedures for pursuing the collection of delinquent Assessments is set forth in Exhibit C which is intended to illustrate the general procedures expected to be followed in enforcing the payment of delinquent Assessments.

SECTION 13. No Personal Liability. No covenant, stipulation, obligation or agreement of the Issuer or Dissemination Agent contained in this Disclosure Agreement shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future council members, officer, agent or employee of the Issuer or Dissemination Agent in other than that person's official capacity.

SECTION 14. Severability. In case any section or provision of this Disclosure Agreement, or any covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder or any application thereof, is for any reasons held to be illegal or invalid, such illegality or invalidity shall not affect the remainder thereof or any other section or provision thereof or any other covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder (except to the extent that such remainder or section or provision or other covenant, stipulation, obligation, agreement, act or action, or part thereof is wholly dependent for its operation on the provision determined to be invalid), which shall be construed and enforced as if such illegal or invalid portion were not contained therein, nor shall such illegality or invalidity of any application thereof affect any legal and valid application thereof, and each such section, provision, covenant, stipulation, obligation, agreement, act or action, or part thereof shall be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent permitted by law.

SECTION 15. Sovereign Immunity. The Dissemination Agent agrees that nothing in this Disclosure Agreement shall constitute or be construed as a waiver of the Issuer's sovereign or governmental immunities regarding liability or suit.

SECTION 16. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the Issuer, the Dissemination Agent, the Participating Underwriter and the Owners and the beneficial owners from time to time of the Bonds, and shall create no rights in any other person or entity. SECTION 17. Dissemination Agent Compensation. The fees and expenses incurred by the Dissemination Agent for its services rendered in accordance with this Disclosure Agreement constitute Administrative Expenses and will be included in the Annual Installments as provided in the annual updates to the Service and Assessment Plan. If there is to be a shortfall, the Trustee and Dissemination Agent should be immediately notified. Issuer and/or Administrator should also be aware if, based on collections, there will be a shortfall for September payment. Issuer and/or Administrator should determine if previously collected surplus funds, if any, plus actual collections will be fully adequate for debt service in March and September. At this point, if total delinquencies are under 5% and if there is adequate funding for March and September payments, no further action is anticipated for collection of Assessments except that the Issuer or Administrator, working with the City Attorney or an appropriate designee, will begin process to cure deficiency. March 20	47/48	Issuer and/or Administrator to notify Dissemination Agent for disclosure to MSRB of all delinquencies. If any property owner with ownership of property responsible for more than \$10,000 of the Assessments is delinquent or if a total of delinquencies is over 5%, or if it is expected that Reserve Fund moneys will need to be utilized for either the March or September bond payments, the Disclosure Representative shall work with City Attorney's office, or the appropriate designee, to satisfy payment of all delinquent Assessments.
July 1	150/151	Preliminary Foreclosure activity commences, and Issuer to notify Dissemination Agent of the commencement of preliminary foreclosure activity. If Dissemination Agent has not received Foreclosure Schedule and Plan of Collections,

July 15	165/166	If the Issuer has not provided the Dissemination Agent with Foreclosure Schedule and Plan of Collections, and if instructed by the bondholders under Section 11.2 of the Indenture, Dissemination Agent requests that the Issuer commence foreclosure or provide plan for collection.
August 1	181/182	The designated lawyers or law firm will be preparing the formal foreclosure documents and will provide periodic updates to the Dissemination Agent for dissemination to those bondholders who have requested to be notified of collections progress. The goal for the foreclosure actions is a filing by no later than August 1 (day 181/182).
August 15	206/207	Foreclosure action to be filed with the court.
August 30	221/222	Issuer notifies Trustee and Dissemination Agent of Foreclosure filing status. Dissemination Agent notifies bondholders.
September 15	237/238	If bondholders and Dissemination Agent have not been notified of a foreclosure action, Dissemination Agent will notify the Issuer that it is appropriate to file action.

A committee of not less than 25% of the Owners may request a meeting with the City Manager or Assistant City Manager to discuss the Issuer's actions in pursuing the repayment of any delinquencies. This would also occur after day 30 if it is apparent that a Reserve Fund draw is required. Further, if delinquencies exceed 5%, Owners may also request a meeting with the Issuer at any time to discuss the Issuer's plan and progress on collection and foreclosure activity. If the Issuer is not diligently proceeding with the foreclosure process, the Owners may seek an action for mandamus or specific performance to direct the Issuer to pursue the collections of delinquent Assessments.

Section I PLAN DESCRIPTION AND DEFINED TERMS

A. Introduction

On February 28, 2017 (the “Creation Date”) the City Council of the City of Celina, Texas (the “City”) passed and approved Resolution No. 2017-10R approving and authorizing the creation of the Cambridge Crossing Public Improvement District (the “PID”) to finance the costs of certain public improvements for the benefit of property in the PID (the “Authorized Improvements”), all of which is located within the City of Celina.

The property in the PID is proposed to be developed in approximately seven phases, and the PID will finance public improvements for each phase as each phase is developed. Assessments will be imposed on the all property in the PID for the public improvements that benefit the entire PID and on the property in each phase for the public improvements to be provided for that phase.

Chapter 372 of the Texas Local Government Code, the “Public Improvement District Assessment Act” (as amended, the “PID Act”), governs the creation and operation of public improvement districts within the State of Texas. The Cambridge Crossing Public Improvement District Service and Assessment Plan (the “Service and Assessment Plan”) has been prepared in accordance with the PID Act and specifically Sections 372.013, 372.014, 372.015 and 372.016, which address the requirements of a service and assessment plan and the assessment roll. According to Section 372.013 of the PID Act, a service plan “must cover a period of at least five years and must also define the annual indebtedness and the projected costs for improvements. The plan shall be reviewed and updated annually for the purpose of determining the annual budget for improvements.” The service plan is described in Section IV of this Service and Assessment Plan.

Section 372.014 of the PID Act requires that “an assessment plan must be included in the annual service plan.” The assessment plan is described in Section V of this Service and Assessment Plan.

Section 372.015 of the PID Act requires that “the governing body of the municipality or county shall apportion the cost of an improvement to be assessed against property in an improvement district.” The method of assessing the costs of the Authorized Improvements and apportionment of such costs to the property in the PID is included in Section V of this Service and Assessment Plan.

Section 372.016 of the PID Act requires that “after the total cost of an improvement is determined, the governing body of the municipality or county shall prepare a proposed assessment roll. The roll must state the assessment against each parcel of land in the district, as determined by the method of assessment chosen by the municipality or county under this subchapter.” The Assessment Rolls for the PID are included as Appendix E and F of this Service and Assessment Plan. The Assessments as shown on each Assessment Roll are based on the method of assessment and apportionment of costs described in Section V of this Service and Assessment Plan.

The costs shown in Tables III-A and III-B are estimates and may be revised in Annual Service Plan Updates. The detailed costs of the Authorized Improvements are shown in Appendix B to this Service and Assessment Plan. Savings from one line item may be applied to a cost increase in another line item. These savings may be applied only to increases in costs of the Authorized Improvements (i.e., the improvements for the benefit of property within the PID).

D. Future Phase Authorized Improvements

As Phases are developed, additional Bonds for Future Phases will be issued to finance additional Authorized Improvements for each Future Phase. As Phased PID Bonds are issued for each Future Phase, this Service and Assessment Plan will be updated to identify the specific Authorized Improvements financed by such Phased PID Bonds that benefit each Phase (e.g., a Table III-C will be added to show the estimated costs for phase #2 Authorized Improvements, etc.).

Section IV SERVICE PLAN

A. Sources and Uses of Funds

The PID Act requires the service plan to cover a period of at least five years. The service plan is required to define the annual projected costs and indebtedness for the Authorized Improvements undertaken within the PID during the five-year period. It is anticipated that it will take approximately 18 months to construct the Major Improvements and approximately 18 months for the Phase #1 Improvements to be constructed. At some point after all or a portion of the Major Improvements and Phase #1 Improvements are constructed, phase #2 will begin development. After phase #2 is developed, it is anticipated that Phase #3 will begin development, with each Future Phase to be subsequently developed corresponding to the Service and Assessment Plan to be updated with that development.

The estimated costs for Major Improvements allocable to Phases #2 – 7 and Phase #1 Improvements plus costs related to the issuance of the Bonds, in one or more series, for the Major Improvements allocable to Phases #2 – 7 and Phase #1 Improvements and payment of expenses incurred in the establishment, administration and operation of the PID is \$24,299,920 as shown in Table IV-A. The sources and uses of funds shown in Table IV-A shall be updated each year in the Annual Service Plan Update to reflect any budget revisions and Actual Costs. The service plan shall be reviewed and updated at least annually for the purpose of determining the annual budget for Administrative Expenses, updating the estimated Authorized Improvement costs, and updating the Assessment Roll(s). Any update to this Service and Assessment Plan is herein referred to as an “Annual Service Plan Update.”

As Future Phases are developed in connection with the issuance of Phased PID Bonds, this Service and Assessment Plan will be amended (e.g. Table IV-A will be amended to add phase #2, etc.).

Bonds are being issued starting in 2018 to finance the Major Improvements allocable to Phases #2 – 7 and Phase #1 Improvements. Table IV-A shows the sources and uses of the Bonds. The Phase #1 Bonds are being issued to finance a portion of the Phase #1 Improvements, including costs to issue the Phase #1 Bonds, as shown in Table IV-A. Proceeds of the Phase #1 Bonds will be used to construct or acquire a portion of the Phase #1 Improvements.

Notes: Phase #1 Improvements include the Phase #1 Projects described in Section III.C plus the estimated \$3,148,382 pro rata share of the Major Improvements allocated to Phase #1.

The Phases #2 - 7 Major Improvement Bonds shown in Table IV-A are anticipated to be issued in 2018. The Phases #2 - 7 Major Improvement Bonds to be issued in 2018 will be used to pay and/or reimburse the Developer for a portion of the costs of Phases #2 - 7 Major Improvements.

The Phase #1 Improvement Bonds shown in Table IV-A are anticipated to be issued in 2018. The Phase #1 Improvement Bonds to be issued in 2018 will be used to pay and/or reimburse the Developer for a portion of the costs of the Phase #1 Improvements and the pro rata share of the Major Improvements.

As Future Phases are developed, additional Bonds will be issued for each new future phase improvements. Phased PID Bonds for Phase #2 will be issued to finance the Authorized Improvements required for Phase #2, Phased PID Bonds for Phase #3 will be issued to finance the Authorized Improvements required for Phase #3 and so on as each future phase is developed. Each Phased PID Bond may also be issued in one or more series of Bonds.

The annual projected costs and annual projected indebtedness is shown by Table IV-B. The annual projected costs and indebtedness is subject to revision and each shall be updated in the Annual Service Plan Update to reflect any changes in the costs or indebtedness expected for each year.

The annual projected costs shown in Table IV-B are the annual expenditures relating to the Major Improvements shown in Table III-A, the Phase #1 Improvements shown in Table III-B, and the costs associated with setting up the PID and bond issuance costs including reserves shown in Table IV-A. The difference between the total projected cost and the total projected indebtedness, if any, is the amount contributed by the Developer. As Future Phases are developed, in association with issuing Phased PID Bonds for each Future Phase, this Table IV-B will be updated to identify the Authorized Improvements to be financed by each new series of the Phased PID Bonds and the projected indebtedness resulting from each additional series of the Phased PID Bonds.

Section V ASSESSMENT PLAN

A. Introduction

The PID Act requires the City Council to apportion the costs of the Authorized Improvements on the basis of special benefits conferred upon the property because of the Authorized Improvements. The PID Act provides that the costs of the Authorized Improvements may be assessed: (i) equally per front foot or square foot; (ii) according to the value of the property as determined by the governing body, with or without regard to improvements on the property; or (iii) in any other manner that results in imposing equal shares of the cost on property similarly benefited. The PID Act further provides that the governing body may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the municipality and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

The proposed bond issuance program entails a series of bond financings that are intended to finance the public infrastructure required for the development. This financing will necessarily be undertaken in phases to coincide with the private investment and development of the Authorized Improvements. Following the initial Phase #1 Bonds and the Phases #2 - 7 Major Improvement Bonds to be issued in 2018, subsequent financings are to be issued over the upcoming decade as the subsequent phases (e.g. Phases #2 and #3) of the development are gradually constructed.

The purpose of this gradual issuance of bonds in phases is to mirror the actual private development of the Authorized Improvements. The Bonds to be issued are most prudently and efficiently utilized when directly coinciding with construction of public infrastructure needed for private development that is to occur once the infrastructure is completed; it is most effective to issue the Bonds when the infrastructure is needed, not before. Furthermore, there is no economic advantage, and several disadvantages, to issuing debt and encumbering property within the PID prior to the need for the Authorized Improvements.

Additionally, phased issuance of debt will maintain a prudent value to lien ("VtL") within the financing program. In order to maintain a prudent VtL, the initial issuance of bonds for a specific set of Authorized Improvements may not fund the entire desired level of public infrastructure because the property value is not high enough to support the entire debt load at the VtL chosen for the development. In that case, the Developer will need to fund the additional infrastructure costs with cash at closing. This cash investment by the Developer for certain Authorized Improvements can be reimbursed by a subsequent parity lien bond financing, secured by the same special assessments, once the assessed property is partially or fully developed and the value has increased sufficiently to permit the issuance of the additional bonds in a prudent fashion.

For purposes of this Service and Assessment Plan, the City Council has determined that the costs of the Major Improvements and Phase #1 Improvements shall be allocated as described below:

1. The Major Improvement and Phase #1 Improvement costs shall be allocated on the basis of the relative value of Parcels once such property is developed, and that such method of allocation will result in the imposition of equal shares of the costs of the Authorized Improvements to Parcels similarly benefited.
2. The City Council has concluded that larger more expensive homes are likely to be built on the larger lots, and that larger more expensive homes are likely to make greater use of and

receive greater benefit from the Authorized Improvements. In determining the relative values of Parcels, the City Council has taken into consideration (i) the type of development (i.e., residential, commercial, etc.), (ii) single-family lot sizes and the size of homes likely to be built on lots of different sizes, (iii) current and projected home process provided by the Developer, (iv) the Authorized Improvements to be provided and the estimated costs, and (v) the ability of different property types to utilize and benefit from the Authorized Improvements.

3. The Assessed Property is classified into different Lot Types as described in Appendix D based on the type and size of proposed development on each Parcel.
4. Equivalent Units are calculated for each Lot Type based on the relative value of each Lot Type.
5. The Major Improvement costs are proportionally allocated to the Phases #2 - 7 Major Improvement Assessed Property and the Phase #1 Assessed Property based on the ratio of total projected Equivalent Units for the Phases #2 - 7 Major Improvement Assessed Property and the Phase #1 Assessed Property.
6. The Phases #2 - 7 Major Improvement Assessed Property's proportional share of the costs for the Major Improvements is allocated to each Parcel within the Phases #2 - 7 Major Improvement Assessed Property based on the total projected Equivalent Units for each Parcel.
7. The Phase #1 Improvement costs (including Phase #1 Assessed Property's proportional share of the costs of the Major Improvements) are allocated to each Parcel within the Phase #1 Assessed Property based on the total Equivalent Units for each Parcel.

Table V-A provides the estimated allocation of costs of the Authorized Improvements constituting Major Improvements and Phase #1 Improvements.

At this time, it is impossible to determine with absolute certainty the amount of special benefit each Parcel within Future Phases will receive from the direct Authorized Improvements that will benefit each individual phase and that are to be financed with Phased PID Bonds. Therefore, Parcels will only be assessed for the special benefits conferred upon the Parcel at this time because of the Major Improvements and Phase #1 Improvements.

In connection with the issuance of Phased PID Bonds and/or execution of related reimbursement agreements, this Service and Assessment Plan will be updated to reflect the special benefit each Parcel of Assessed Property within a Future Phase receives from the specific Authorized Improvements funded with those Phased PID Bonds issued with respect to that Future Phase. Prior to assessing Parcels located within Future Phases in connection with issuance of Phased PID Bonds, each owner of the Parcels to be assessed must acknowledge that the Authorized Improvements to be financed confer a special benefit on their Parcel and must consent to the imposition of the Assessments to pay for the Actual Costs of such Authorized Improvements.

This section of this Service and Assessment Plan currently (i) describes the special benefit received by each Parcel within the PID as a result of the Major Improvements and Phase #1 Improvements, (ii) provides the basis and justification for the determination that this special benefit exceeds the amount of the Assessments to be levied on the Phase #1 Assessed Property and Phases #2 - 7 Major Improvement Assessed Property for such improvements, and (iii) establishes the methodologies by which the City Council allocates and reallocates the special benefit of the Major Improvements and Phase #1 Improvements to Parcels in a manner that results in equal shares of the Actual Costs

of such improvements being apportioned to Parcels similarly benefited. The determination by the City Council of the assessment methodologies set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Developer and all future owners and developers of the Assessed Property.

As Future Phases are developed, in connection with the issuance of Phased PID Bonds this Service and Assessment Plan will be updated based on the City's determination of the assessment methodology for each Future Phase.

B. Special Benefit

Assessed Property must receive a direct and special benefit from the Authorized Improvements, and this benefit must be equal to or greater than the amount of the Assessments. The Authorized Improvements are provided specifically for the benefit of the Assessed Property. The Authorized Improvements (more particularly described in line-item format in Appendix B to this Service and Assessment Plan) and the costs of issuance and payment of costs incurred in the establishment of the PID shown in Table IV-A are authorized by the PID Act. These improvements are provided specifically for the benefit of the Assessed Property.

Each owner of the Assessed Property has acknowledged that the Authorized Improvements confer a special benefit on the Assessed Property and has consented to the imposition of the Assessments to pay for the Actual Costs associated therewith. Each of the owners is acting in its interest in consenting to this apportionment and levying of the Assessments because the special benefit conferred upon the Assessed Property by the Authorized Improvements exceeds the amount of the Assessments.

The Authorized Improvements provide a special benefit to the Assessed Property as a result of the close proximity of these improvements to the Assessed Property and the specific purpose of these improvements of providing infrastructure for the Assessed Property. In other words, the Assessed Property could not be used in the manner proposed without the construction of the Authorized Improvements. The Authorized Improvements are being provided specifically to meet the needs of the Assessed Property as required for the proposed use of the property.

The Assessments are being levied to provide the Authorized Improvements that are required for the highest and best use of the Assessed Property (i.e., the use of the property that is most valuable, including any costs associated with that use). Highest and best use can be defined as "the reasonably probable and legal use of property, which is physically possible, appropriately supported, financially feasible, and that results in the highest value." (*Dictionary of Real Estate Appraisal, Third Edition.*) The Authorized Improvements are expected to be required for the proposed use of the Assessed Property to be physically possible, appropriately supported, financially feasible, and maximally productive.

The Developer has evaluated the potential use of the property and has determined that the highest and best use of the property is the use intended and the legal use for the property as described in Section II of this Service and Assessment Plan. The use of the Assessed Property as described herein will require the construction of the Authorized Improvements.

The special assessments will repay financing that is on advantageous terms, as the Bonds issued to finance the Authorized Improvements will pay interest that is exempt from federal income tax. As a result, all other terms being equal (e.g., maturity, fixed vs. variable rate, credit quality), the tax-

exempt bonds will have a lower interest rate than debt that is not tax-exempt. The Bonds also have a longer term than other available financings and may either be repaid or assumed by a buyer at the buyer's option. As a result of these advantageous terms, the financing provided by the PID is the most beneficial means of financing the Authorized Improvements.

Each owner of the Assessed Property will ratify, confirm, accept, agree to and approve: (i) the determinations and finding by the City Council as to the special benefits described in this Service and Assessment Plan and the Assessment Ordinance; (ii) the Service and Assessment Plan and the Assessment Ordinance, and (iii) the levying of Assessments on the Assessed Property. Use of the Assessed Property as described in this Service and Assessment Plan and as authorized by the PID Act requires that Authorized Improvements be acquired, constructed, installed, and/or improved. Funding the Actual Costs of the Authorized Improvements through the PID has been determined by the City Council to be the most beneficial means of doing so. As a result, the Assessments result in a special benefit to the Assessed Property, and this special benefit exceeds the amount of the Assessment. This conclusion is based on and supported by the evidence, information, and testimony provided to the City Council.

In summary, the Assessments result in a special benefit to the Assessed Property for the following reasons:

1. The Authorized Improvements are being provided specifically for the use of the Assessed Property, are necessary for the proposed best use of the property and provide a special benefit to the Assessed Property as a result;
2. The Developer has consented to the imposition of the Assessments for the purpose of providing the Authorized Improvements and the Developer is acting in its interest by consenting to this imposition;
3. The Authorized Improvements are required for the highest and best use of the property;
4. The highest and best use of the Assessed Property is the use of the Assessed Property that is most valuable (including any costs associated with the use of the Assessed Property);
5. Financing of the costs of the Authorized Improvement through the PID is determined to be the most beneficial means of providing for the Authorized Improvements; and,
6. As a result, the special benefits to the Assessed Property from the Authorized Improvements will be equal to or greater than the Assessments.

C. Allocation of Costs to Assessed Property

The Major Improvements will provide a special benefit to all property in the PID. Accordingly, the estimated Major Improvement costs must be allocated throughout all Assessed Property in the District. Table V-A summarizes the allocation of estimated costs for each Major Improvement. The costs shown in Table V-A are estimates and may be revised in Annual Service Plan Updates, but the related Assessment may not be increased.

As shown in Appendix D, Phase #1 is projected to contain 330 residential units representing 254.02 total Equivalent Units. Phases #2 - 7 are projected to contain 1,198 residential units representing total Equivalent Units of 903.47, resulting in total Equivalent Units of 1,157.49 within the PID. As a result, 21.95 percent of the estimated costs of Major Improvements (i.e. $254.02 \div 1,157.49 =$

21.95%) are allocated to the Phase #1 Assessed Property and 78.05 percent of the estimated costs Major Improvements (i.e., $903.47 \div 1,157.49 = 78.05\%$) are allocated to the Phases #2 - 7 Major Improvement Assessed Property. The Phases #2 - 7 Major Improvement Bonds will fund the proportionate share of the estimated costs of the Major Improvements allocated to Phases #2 - 7 and Phase #1 Bonds will fund Phase #1's proportionate share of the estimated costs of the Major Improvements and the remaining Phase #1 Improvements. One hundred percent (100%) of the Phase #1 Improvements are allocated to the Phase #1 Assessed Property.

D. Assessment Methodology

The costs of the Authorized Improvements may be assessed by the City Council against the Assessed Property so long as the special benefit conferred upon the Assessed Property by the Authorized Improvements equals or exceeds the Assessments. The costs of the Authorized Improvements may be assessed using any methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited.

1. Assessment Methodology for the Major Improvements for Phases #2 - 7

For purpose of this Service and Assessment Plan, the City Council determined that the portion of the Major Improvement costs to be allocated to Phases #2 - 7 shall be allocated to the Phases #2 - 7 Major Improvement Assessed Property by spreading the entire Assessment across the Parcels based on the estimated Equivalent Units anticipated to be developed on each Parcel as calculated

and shown in Appendix D using the types and number of lots anticipated to be developed on each Parcel within Phases #2 - 7. As part of the determination as to the ability of different Lot Types to utilize and benefit from the Authorized Improvements, the City Council has taken into consideration that larger, more expensive homes, on average, will create more vehicle trips and greater demands for water and wastewater consumption, and larger, more expensive homes are likely to be built on larger, more valuable lots placing greater demand on the Authorized Improvements.

Based on the estimates of the costs of the Major Improvements, as set forth in Table III-A, the City Council has determined that the benefit to Phases #2 - 7 Major Improvement Assessed Property of the Phases #2 - 7 proportional share of the Major Improvements is at least equal to the Assessments levied on the Phases #2 - 7 Major Improvement Assessed Property.

Upon subsequent divisions of any Parcel, the Assessment applicable to it will then be apportioned pro rata based on the estimated Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Parcel based on the ratio of the estimated Equivalent Units at the time residential Lots are platted to the total estimated Equivalent Units of all Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council.

The Assessment and Annual Installments for each Parcel or Lot located within Phases #2 - 7 is shown on the Phases #2 - 7 Major Improvement Assessment Roll, attached as Appendix E, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

2. *Assessment Methodology for Phase #1*

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phase #1 Improvements, including the portion of the Major Improvements to be financed with the Phase #1 Bonds, shall be allocated to the Phase #1 Assessed Property by spreading the entire Assessment across the Parcels based on the estimated Equivalent Units anticipated to be developed on each Parcel as calculated and shown in Appendix D using the types and number of lots anticipated to be developed on each Parcel within Phase #1. As part of the determination as to the ability of different Lot Types to utilize and benefit from the Authorized Improvements, the City Council has taken into consideration that larger, more expensive homes, on average, will create more vehicle trips and greater demands for water and wastewater consumption, and larger, more expensive homes are likely to be built on larger, more valuable lots placing greater demand on the Authorized Improvements.

Based on the estimates of the costs of the Phase #1 Improvements, as set forth in Table III-B, the City Council has determined that the benefit to Phase #1 Assessed Property of the Phase #1 Improvements (including Phase #1's proportional share of the Major Improvements) is at least equal to the Assessments levied on the Phase #1 Assessed Property.

Upon subsequent divisions of any Parcel, the Assessment applicable to it will then be apportioned pro rata based on the estimated Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Parcel based on the ratio of the estimated Equivalent Units at the time residential Lots are platted to the total estimated Equivalent Units of all Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council.

The Assessment and Annual Installments for each Parcel or Lot located within Phase #1 is shown on the Phase #1 Assessment Roll, attached as Appendix F, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

3. *Assessment Methodology for Future Phases*

When any given Future Phase is developed, and Phased PID Bonds for that Future Phase are to be issued, this Service and Assessment Plan will be amended to determine the assessment methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited within that Phase.

E. Assessments

The Assessments for the Phases #2 - 7 Major Improvement Bonds and the Phase #1 Bonds will be levied on each Parcel according to the Phases #2 - 7 Major Improvement Assessment Roll and the Phase #1 Assessment Roll, attached hereto as Appendix E and Appendix F, respectively.

As shown in Section IV of this Service and Assessment Plan, the total amount of the Phase #1 Bonds, which represents the total Assessment to be allocated on all Parcels within Phase #1, is \$9,555,000. As shown in Appendix D, there are a total of 330 residential units representing a total of 254.02 estimated Equivalent Units for the residential development in Phase #1, resulting in a Maximum Assessment per Equivalent Unit of \$37,615.15 for Phase #1.

The Assessment per dwelling unit is calculated as the product of (i) \$37,615.15 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, the Assessment for a Lot Type 1 (74 Ft Lot) dwelling unit is \$37,615.15 (i.e. $\$37,615.15 \times 1.00$). The Assessment for a Lot Type 2 (60 Ft Lot) dwelling unit is \$30,468.27 (i.e. $\$37,615.15 \times 0.81$). Table V-1 sets forth the Assessment per dwelling unit for each of the three Lot Types in Phase #1.

Table V-1
Maximum Assessment per Unit - Phase #1

Type	Planned No. of Units	Assessment per Equivalent Unit	Equivalent Unit Factor ¹	Assessment per Unit	Total Assessments
Lot Type 1 (74' Lot)	43	\$37,615.15	1.00	\$37,615.15 per dwelling unit	\$1,617,451
Lot Type 2 (60' Lot)	122	\$37,615.15	0.81	\$30,648.27 per dwelling unit	\$3,717,129
Lot Type 3 (50' Lot)	165	\$37,615.15	0.68	\$25,578.30 per dwelling unit	\$4,220,420
Total	330				\$9,555,000

The projected leverage calculated based on the estimated land values, finished lot values and home values for each Lot Type is shown in Table V-2 below.

Table V-2

Lot Type 3 (50' Lot)	165	\$80,000	\$400,000	\$25,578	3.13	15.64
Total	330					

The projected tax rate equivalent per unit calculated based on the estimated land values, finished lot values and home values for each Lot Type is shown in Table V-3 below.

Table V-3
Estimated Tax Rate Equivalent per unit – Phase #1

Lot Type	Planned No. of Units	Estimated Finished Lot Value per unit	Projected Home Value per unit	Projected Average Annual Installment per unit	Tax Rate Equivalent (per \$100 Lot Value)	Tax Rate Equivalent (per \$100 Home Value)
Lot Type 1 (74' Lot)	43	\$118,400	\$592,000	\$2,956	\$2.50	\$0.50
Lot Type 2 (60' Lot)	122	\$96,000	\$480,000	\$2,394	\$2.49	\$0.50
Lot Type 3 (50' Lot)	165	\$80,000	\$400,000	\$2,010	\$2.51	\$0.50
Total	330					

As shown in Section IV of this Service and Assessment Plan, the total amount of the Phases #2 - 7 Major Improvement Bonds, which represents the total Assessment to be allocated on all Parcels within Phases #2 - 7, is \$13,795,000. As shown in Appendix D, there are a total of 1,198 residential units representing a total of 903.47 estimated Equivalent Units for the residential development in Phases #2 - 7, resulting in an Assessment per Equivalent Unit of \$15,268.91 for Phases #2 - 7.

The Assessment per dwelling unit is calculated as the product of (i) \$15,268.91 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, the Assessment for a Lot Type 1 (74 Ft Lot) dwelling unit is \$15,268.91 (i.e. \$15,268.91 $\times$ 1.00). The Assessment for a Lot Type 2 (60 Ft Lot) dwelling unit is \$12,367.82 (i.e. \$15,268.91 $\times$ 0.81). Table V-4 sets forth the Assessment per dwelling unit for each of the three Lot Types in Phases #2 - 7.

Table V-4
Assessment per Unit - Phases #2 - 7

Type	Planned No. of Units	Assessment per Equivalent Unit	Equivalent Unit Factor ¹	Assessment per Unit	Total Assessments

The Annual Installments for the Phases #2 - 7 Major Improvement Bonds and the Phase #1 Bonds will be collected at the time and in the amounts shown on the Phases #2 - 7 Major Improvement Assessment Roll and the Phase #1 Assessment Roll, respectively, subject to any revisions made during an Annual Service Plan Update.

F. Administrative Expenses

The cost of administering the PID and collecting the Annual Installments shall be paid for on a pro rata basis by each Parcel based on the amount of Assessment levied against the Parcel. The Administrative Expenses shall be collected as part of and in the same manner as Annual Installments in the amounts shown on each Assessment Roll, which may be revised based on actual costs incurred in Annual Service Plan Updates.

G. Additional Interest

Pursuant to the PID Act, the interest rate for Assessments may exceed the actual interest rate per annum paid on the related Bonds by no more than one half of one percent (0.50%) (the “Additional Interest”). The interest rate used to determine the Assessments is one half of one percent (0.50%) per annum higher than the actual rate paid on the Bonds, with the Additional Interest component of the Annual Installments allocated to fund a reserve to be used for paying prepayment and delinquency related costs (the “Prepayment and Delinquency Reserve”). The Prepayment and Delinquency Reserve shall be funded until it reaches 5.50% of the outstanding Bonds as stipulated in the Bond documents. Once the Prepayment and Delinquency Reserve is funded in full, the City may allocate the Additional Interest component of the Annual Installments as provided in the Trust Indenture.

Section VI TERMS OF THE ASSESSMENTS

A. Amount of Assessments and Annual Installments for Parcels Located within Phases #2 - 7

The Assessment and Annual Installments for each Assessed Property located within Phases #2 - 7 are shown on the Phases #2 - 7 Major Improvement Assessment Roll, attached as Appendix E, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Phases #2 - 7 Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Phases #2 - 7 Major Improvement Bonds, (ii) the Additional Interest to fund the Prepayment and Delinquency Reserve described in Section V, and (iii) to pay Administrative Expenses related to the PID. The Annual Installment for each Parcel shall be calculated by taking into consideration any available capitalized interest and other available funds.

B. Amount of Assessments and Annual Installments for Parcels Located Within Phase #1

The Assessment and Annual Installments for each Assessed Property located within Phase #1 is shown on the Phase #1 Assessment Roll, attached as Appendix F, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Phase #1 Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Phase #1 Bonds, (ii) the Additional Interest to fund the Prepayment and Delinquency Reserve described in Section V, and (iii) to pay Administrative Expenses related to the PID. The Annual Installment for each Parcel shall be calculated by taking into consideration any available capitalized interest and other available funds.

C. Amount of Assessments and Annual Installments for Parcels Located Within Future Phases

As Future Phases are developed, this Service and Assessment Plan will be amended to determine the Assessment and Annual Installments for each Assessed Property located within Future Phases (e.g., an Appendix will be added as the Assessment Roll for phase #2, etc.). The Assessments shall not exceed the benefit received by the Assessed Property.

D. Reallocation of Assessments

1. Subdivision

Upon the subdivision of any Parcel, the Assessment for the Parcel prior to the subdivision shall be reallocated among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

- A = the Assessment for each new subdivided Parcel
- B = the Assessment for the Parcel prior to subdivision
- C = the estimated total Equivalent Units to be built on each new subdivided Parcel
- D = the sum of the estimated total Equivalent units to be built on all of the new subdivided Parcels

The calculation of the estimated Equivalent Units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of Equivalent Units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

The sum of the Assessments for all newly subdivided Parcels shall equal the Assessment for the Parcel prior to subdivision. The calculation shall be made separately for each newly subdivided Parcel. The reallocation of an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the subdivision of the Parcels. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

2. Consolidation

Upon the consolidation of two or more Parcels, the Assessment for the consolidated Parcel shall be the sum of the Assessments for the Parcels prior to consolidation. The reallocation of an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the consolidation of the Parcels. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

E. Mandatory Prepayment of Assessments

1. If a Parcel subject to Assessments is transferred to a party that is exempt from the payment of the Assessment under applicable law, or if an owner causes a Parcel subject to Assessments to become Non-Benefited Property, the owner of such Parcel shall pay to the City the full amount of the principal portion of the Assessment on such Parcel, plus all Prepayment Costs, prior to any such transfer or act.
2. If at any time the Assessment per Unit on a Parcel exceeds the applicable Maximum Assessment per Unit calculated in this Service and Assessment Plan as a result of any changes in land use, subdivision, consolidation or reallocation of the Assessment authorized by this Service and Assessment Plan and initiated by the owner of the Parcel, then such owner shall pay to the City prior to the recordation of the document subdividing the Parcel the amount calculated by the Administrator by which the Assessment per Unit for the Parcel exceeds the applicable Maximum Assessment per Unit calculated in this Service and Assessment Plan.
3. The payments required above shall be treated the same as any Assessment that is due and owing under the PID Act, the Assessment Ordinance, and this Service and Assessment Plan, including the same lien priority, penalties, procedures, and foreclosure specified by the PID Act.

F. Reduction of Assessments

1. If after all Authorized Improvements to be funded with a series of Bonds have been completed and Actual Costs for such Authorized Improvements are less than the estimated costs of the Authorized Improvements used to calculate the Assessments securing such series of Bonds, resulting in excess Bond proceeds being available to redeem Bonds of such series, then the Assessment securing such series of Bonds for each Parcel of Assessed Property shall be reduced by the City Council pro rata such that the sum of the resulting reduced Assessments for all Assessed Properties equals the actual reduced Actual Costs and such excess Bond proceeds shall applied to redeem Bonds of such series. The Assessments shall not be reduced to an amount less than the related outstanding series of Bonds. If all of the Authorized Improvements are not completed, the City may reduce the Assessments in another method if it determines such method would better reflect the benefit received by the Parcels from the Authorized Improvements completed.

2. If all the Authorized Improvements are not undertaken, resulting in excess Bond proceeds being available to redeem Bonds, then the Assessments and Annual Installments for each Parcel shall be appropriately reduced by the City Council to reflect only the amounts required to repay the Bonds, including interest on the Bonds and Collection Costs, and such excess Bond proceeds shall be applied to redeem Bonds. The City Council may reduce the Assessments and the Annual Installments for each Parcel (i) in an amount that represents the Authorized Improvements provided for each Parcel or (ii) by an equal percentage calculated based on number of units, if determined by the City Council to be the most fair and practical means of reducing the Assessments for each Parcel, such that the sum of the resulting reduced Assessments equals the amount required to repay the Bonds, including interest on the Bonds and Collection Costs. The Principal Portion of the Assessment for each Parcel shall be reduced pro rata to the reduction in the Assessments for each Parcel such that the sum of the resulting reduced Principal Portion of the Bonds is equal to the outstanding principal amount of the Bonds.

G. Payment of Assessments

1. Payment in Full

(a) The Assessment for any Parcel may be paid in full at any time. Such payment shall include interest through the date of the prepayment and applicable Prepayment Costs.

(b) If an Annual Installment has been billed prior to payment in full of an Assessment, the Annual Installment shall be due and payable and shall be credited against the payment-in-full amount.

(c) Upon payment in full of the Assessment and all Prepayment Costs, the City shall deposit the payment in accordance with the Trust Indenture; whereupon, the Assessment shall be reduced to zero, and the owner's obligation to pay the Assessment and Annual Installments thereof shall automatically terminate.

(d) At the option of the owner, the Assessment on any Parcel plus interest through the date of prepayment and applicable Prepayment Costs may be paid in part. Upon the payment of such amounts for a Parcel, the Assessment for the Parcel shall be reduced, the Assessment Roll shall be updated to reflect such partial payment, and the obligation to pay the Annual Installment for such

Parcel shall be reduced to the extent the partial payment is made.

2. Payment in Annual Installments

The PID Act provides that an Assessment for a Parcel may be paid in full at any time. If not paid in full, the PID Act authorizes the Assessment to be paid in installments and additionally allows the City to collect interest, administrative expenses and other authorized charges in installments. An Assessment for a Parcel that is not paid in full will be collected in Annual Installments each year in the amounts shown on the Assessment Rolls, as updated as provided for herein, which include interest, Administrative Expenses, and payments required for the additional Interest to fund the Prepayment Reserve and Delinquency Reserve. Payment of the Annual Installments shall commence with tax bills mailed after the initial issuance of Bonds.

Each Assessment shall be paid with interest of no more than the lesser of (i) the actual interest rate paid on the Bonds. The Phases #2 - 7 Major Improvement Assessment Roll sets forth for each year the Annual Installment for each Parcel based on an estimated interest rate of 5.75% and additional interest at the rate of 0.5% for Administrative Expenses or the Additional Interest to fund the Prepayment and Delinquency Reserve. The Phase #1 Assessment Roll sets forth for each year the Annual Installment for each Parcel based on an estimated interest rate of 5.50%, and the Additional Interest at the rate of 0.5% to fund Prepayment and Delinquency Reserve. Furthermore, the Annual Installments may not exceed the amounts shown on the Assessment Rolls. The Assessment Rolls will be updated with the actual interest rates on the Bonds, as shown as Appendix E and Appendix F.

The Annual Installments shall be reduced to equal the actual costs of repaying the Bonds and actual Administrative Expenses (as provided for in the definition of such term), taking into consideration any other available funds for these costs, such as interest income on account balances.

The City reserves and shall have the right and option to refund the Bonds in accordance with Section 372.027 of the PID Act. In the event of such refunding, the Administrator shall recalculate the Annual Installments, and if necessary, may adjust, or decrease, the amount of the Annual Installments so that total Annual Installments of Assessments will be produced in annual amounts that are required to pay the refunding bonds when due and payable as required by and established in the ordinance and/or the indenture authorizing and securing the refunding bonds, and such refunding bonds shall constitute Bonds for purposes of this Service and Assessment Plan.

H. Collection of Annual Installments

No less frequently than annually, the Administrator shall prepare, and the City Council shall approve, an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include an updated Assessment Roll and a calculation of the Annual Installment for each Parcel. Administrative Expenses shall be allocated among Parcels in proportion to the amount of the Annual Installments for the Parcels. Each Annual Installment shall be reduced by any credits applied under the applicable Trust Indenture, such as capitalized interest, interest earnings on any account balances, and any other funds available to the Trustee for such purpose, including any existing deposits for a prepayment reserve. Annual Installments shall be collected by the City in the same manner and at the same time as ad valorem taxes and shall be subject to the same penalties, procedures, and foreclosure sale in case of delinquencies as are provided for ad valorem taxes of the City. The City Council may provide for

other means of collecting the Annual Installments to the extent permitted under the PID Act. The Assessments shall have lien priority as specified in the PID Act.

Any sale of property for nonpayment of the Annual Installments shall be subject to the lien established for the remaining unpaid Annual Installments against such property and such property may again be sold at a judicial foreclosure sale if the purchaser thereof fails to make timely payment of the non-delinquent Annual Installments against such property as they become due and payable.

Section VII THE ASSESSMENT ROLL

A. Phases #2 – 7 Major Improvement Assessment Roll

Each Parcel within Phases #2 - 7 has been evaluated by the City Council (based on the concept plan, developable area, proposed Homeowner Association Property and Public Property, the Major Improvements, best and highest use of land, and other development factors deemed relevant by the City Council) to determine the Assessed Property within each Parcel.

Phases #2 - 7 Major Improvement Assessed Property will be assessed for the special benefits conferred upon the property as a result of the Major Improvements. Table IV-A summarizes the \$14,248,138 in special benefit received by Phases #2 - 7 from a portion of the Major Improvements, the pro rata costs of the PID formation, and bond issuance costs for the proposed Phases #2 - 7 Major Improvement Bonds. The amount of Phases #2 - 7 Major Improvement Bonds is \$13,795,000, which is less than the benefit received by Phases #2 - 7 Major Improvement Assessed Property, and as such the total Assessment for all Assessed Property within Phases #2 - 7 is \$13,795,000 plus annual Administrative Expenses and other authorized charges. The Assessment for each Parcel of Assessed Property within the Phases #2 - 7 is calculated based on the allocation methodologies described in Section V.D of this Service and Assessment Plan. The Phases #2 - 7 Major Improvement Assessment Roll is attached hereto as Appendix E.

B. Phase #1 Assessment Roll

Phase #1 Assessed Property will be assessed for the special benefits conferred upon the property as a result of the Phase #1 Improvements that benefit Phase #1, which include a proportionate share of the Major Improvements allocable to Phase #1. Table IV-A summarizes the \$10,051,782 in special benefit received by Phase #1 Assessed Property from the Phase #1 Improvements that benefit Phase #1, including the proportionate share of the Major Improvements allocable to Phase #1, the pro rata costs of the PID formation, and bond issuance costs for the proposed Phase #1 Bonds. The total amount of Phase #1 Bonds is \$9,555,000, which is less than the benefit received by Phase #1 Assessed Property, and as such the total Assessment for all Assessed Property within Phase #1 is \$9,555,000 plus annual Administrative Expenses and other authorized charges. The Assessment for each Parcel of Assessed Property within Phase #1 is calculated based on the allocation methodologies described in Section V.D of this Service and Assessment Plan. The Phase #1 Assessment Roll is attached hereto as Appendix E.

C. Future Phase Assessment Roll

As Future Phases are developed, this Service and Assessment Plan will be updated to determine the Assessment for each Parcel located within Future Phases (e.g., an Appendix will be added as the Assessment Roll for Phase #2, etc.).

D. Annual Assessment Roll Updates

The Administrator shall prepare, and shall submit to the City Council for approval, annual updates to the Phases #2 - 7 Major Improvement Assessment Roll and Phase #1 Assessment Roll in conjunction with the Annual Service Plan Update to reflect the following matters, together with

any other changes helpful to the Administrator or the City and permitted by the PID Act: (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.G of this Service and Assessment Plan.

Once Bonds are issued, the Assessment Rolls shall be updated, which update may be done in the next Annual Service Plan Update, to reflect any changes resulting from the issuance of the Bonds. This update shall reflect the actual interest on the Bonds on which the Annual Installments shall be paid, any reduction in the Assessments, and any revisions in the Actual Costs to be funded by the Bonds and Developer funds.

Section VIII MISCELLANEOUS PROVISIONS

A. Administrative Review

The City may elect to designate a third party to serve as Administrator. The City shall notify Developer in writing at least thirty (30) days in advance before appointing a third party Administrator.

To the extent consistent with the PID Act, an owner of an Assessed Parcel claiming that a calculation error has been made in the Assessment Roll(s), including the calculation of the Annual Installment, shall send a written notice describing the error to the City not later than thirty (30) days after the date any amount which is alleged to be incorrect is due prior to seeking any other remedy. The Administrator shall promptly review the notice, and if necessary, meet with the Assessed Parcel owner, consider written and oral evidence regarding the alleged error and decide whether, in fact, such a calculation error occurred.

If the Administrator determines that a calculation error has been made and the Assessment Roll should be modified or changed in favor of the Assessed Parcel owner, such change or modification shall be presented to the City Council for approval to the extent permitted by the PID Act. A cash refund may not be made for any amount previously paid by the Assessed Parcel owner (except for the final year during which the Annual Installment shall be collected or if it is determined there are sufficient funds to meet the expenses of the PID for the current year), but an adjustment may be made in the amount of the Annual Installment to be paid in the following year. The decision of the Administrator regarding a calculation error relating to the Assessment Roll may be appealed to the City Council. Any amendments made to the Assessment Roll(s) pursuant to calculation errors shall be made pursuant to the PID Act.

The decision of the Administrator, or if such decision is appealed to the City Council, the decision of the City Council shall be conclusive as long as there is a reasonable basis for such determination. This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to any other appeal or legal action by such owner.

B. Termination of Assessments

Each Assessment shall be extinguished on the date the Assessment is paid in full, including unpaid Annual Installments and Delinquent Collection Costs, if any. After the extinguishment of an Assessment and the collection of any delinquent Annual Installments and Delinquent Collection Costs, the City shall provide the owner of the affected Parcel a recordable "Notice of the PID Assessment Termination".

C. Amendments

Amendments to the Service and Assessment Plan can be made as permitted or required by the PID Act and under Texas law.

The City Council reserves the right to the extent permitted by the PID Act to amend this Service and Assessment Plan without notice under the PID Act and without notice to property owners of Parcels:

(i) to correct mistakes and clerical errors; (ii) to clarify ambiguities; and (iii) to provide procedures for the collection and enforcement of Assessments, Prepayment Costs, Collection Costs, and other charges imposed by the Service and Assessment Plan.

D. Administration and Interpretation of Provisions

The City Council shall administer the PID, this Service and Assessment Plan, and all Annual Service Plan Updates consistent with the PID Act, and shall make all interpretations and determinations related to the application of this Service and Assessment Plan unless stated otherwise herein or in the Trust Indenture, such determination shall be conclusive.

E. Severability

If any provision, section, subsection, sentence, clause or phrase of this Service and Assessment Plan or the application of same to an Assessed Parcel or any person or set of circumstances is for any reason held to be unconstitutional, void or invalid, the validity of the remaining portions of this Service and Assessment Plan or the application to other persons or sets of circumstances shall not be affected thereby, it being the intent of the City Council in adopting this Service and Assessment Plan that no part hereof or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness or invalidity of any other part hereof, and all provisions of this Service and Assessment Plan are declared to be severable for that purpose.

If any provision of this Service and Assessment Plan is determined by a court to be unenforceable, the unenforceable provision shall be deleted from this Service and Assessment Plan and the unenforceable provision shall, to the extent possible, be rewritten to be enforceable and to give effect to the intent of the City.

LOT TYPES AND EQUIVALENT UNITS

Draft

Appendix D Lot Types and Equivalent Units

For purposes of calculating and allocating the Assessments, the Assessed Property has been classified in one of three Lot Types.

“Lot Type 1” means lots identified as such on the Assessment Roll, being lots typically with approximately 10,360 square feet size and a lot width of 74 feet, which may be referred to as such in the Zoning Ordinance.

“Lot Type 2” means lots identified as such on the Assessment Roll, being lots typically with approximately 7,800 square feet size and a lot width of 60 feet, which may be referred to as such in the Zoning Ordinance.

“Lot Type 3” means lots identified as such on the Assessment Roll, being lots typically with approximately 6,000 square feet size and a lot width of 50 feet, which may be referred to as such in the Zoning Ordinance.

The following table shows the proposed residential Lot Types within the PID.

**Table D-1
Proposed Development within the PID**

Lot Type	Description	Proposed Development
<u>Residential</u>		
Lot Type 1	74 Ft Lots	152 units
Lot Type 2	60 Ft Lots	537 units
Lot Type 3	50 Ft Lots	839 units
Total		1,528 units

Table D-2 below shows the proposed residential Lot Types within Phase #1.

**Table D-2
Proposed Development – Phase #1**

Lot Type	Description	Proposed Development

Lot Type 1	74 Ft Lots	43 units
Lot Type 2	60 Ft Lots	122 units
Lot Type 3	50 Ft Lots	165 units
Total		330 units

Draft

Table D-3 below shows the proposed residential Lot Types within Phases #2 - 7.

Table D-3
Proposed Development – Phases #2 - 7

Lot Type	Description	Proposed Development
<u>Residential</u>		
Lot Type 1	74 Ft Lots	109 units
Lot Type 2	60 Ft Lots	415 units
Lot Type 3	50 Ft Lots	674 units
Total		1,198 units

As explained under Section V-C, for purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phase #1 Improvements to be financed with the Phases #1 Bonds shall be allocated to the Phases #1 Assessed Property by spreading the entire Assessment across the Parcels based on the estimated Equivalent Units and the Actual Costs of the Phases #2 - 7 share of the Major Improvements to be financed with the Phases #2 – 7 Major Improvement Bonds shall be allocated to the Phases #2 Assessed Property by spreading the entire Assessment across the Parcels based on the estimated Equivalent Units.

For purposes of this Service and Assessment Plan, the City Council has determined that the Assessments shall be allocated to the Phases #1 Assessed Property on the basis of the average home value of each Lot Type, and that such method of allocation will result in the imposition of equal shares of the Assessments on Parcels similarly benefited. In determining the average home value of each Lot Type, the City Council has taken into consideration (i) the type of lots (i.e., 74 Ft, 60 Ft, 50 Ft etc.); (ii) current and projected home prices; (iii) the costs of the Authorized Improvements, and (iv) the ability of different property types to utilize and benefit from the Authorized Improvements.

Having taken into consideration the matters described above, the City Council has determined that allocating the Assessments among Parcels based on average home value is best accomplished by creating classifications of benefited Parcels based on the “Lot Types” defined above. These classifications (from Lot Type 1 (74 Ft Lots) representing the highest value to Lot Type 3 (50 Ft Lot) representing the lowest value for residential lots are set forth in Table D-4 below. Assessments are allocated to each Lot Type on the basis of the average home value for each class of lots. This is accomplished by giving each Lot Type an Equivalent Unit factor. Equivalent Units are the ratio of the average value of lots within each assessment class, setting the Equivalent Unit factor for Lot Type 1 (74 Ft Lots) to 1.0.

Draft

Table D-4
Equivalent Unit Factors

Lot Type	Estimated Average Unit Value	Equivalent Unit Factor¹
Lot Type 1 (74 Ft Lot)	\$592,000	1.00 per dwelling unit
Lot Type 2 (60 Ft Lot)	\$480,000	0.81 per dwelling unit
Lot Type 3 (50 Ft Lot)	\$400,000	0.68 per dwelling unit

¹ – The Equivalent Unit Factors are rounded to two decimal places.

The total estimated Equivalent Units for Phase #1 are shown in Table D-5 below as calculated based on the Equivalent Unit factors shown above, estimated Lot Types and number of units estimated to be built within Phase #1.

Table D-5
Estimated Equivalent Units - Phase #1

Lot Type	Planned No. of units	Equivalent Unit Factor	Total Equivalent Units
Lot Type 1 (74 Ft Lot)	43	1.00	43.00

Lot Type 3 (50 Ft Lot)	165	0.68	112.20
Total Equivalent Units	330		254.02

The total estimated Equivalent Units for Phases #2 - 7 are shown in Table D-6 below as calculated based on the Equivalent Unit factors shown above, estimated Lot Types and number of units estimated to be built within Phases #2 - 7.

SECTION 3: Terms of Payment - Paying Agent/Registrar. The principal of, premium, if any, and the interest on the Bonds, due and payable by reason of maturity or otherwise, shall be payable only to the registered owners or holders of the Bonds (hereinafter called the "Holders") appearing on the registration and transfer books maintained by the Paying Agent/Registrar and the payment thereof shall be in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts, and shall be without exchange or collection charges to the Holders.

The selection and appointment of U.S. Bank National Association, Dallas, Texas to serve as Paying Agent/Registrar for the Bonds is hereby approved and confirmed. Books and records relating to the registration, payment, transfer and exchange of the Bonds (the "Security Register") shall at all times be kept and maintained on behalf of the City by the Paying Agent/Registrar, as provided herein and in accordance with the terms and provisions of a "Paying Agent/Registrar Agreement," substantially in the form attached hereto as **Exhibit A**, and such reasonable rules and regulations as the Paying Agent/Registrar and the City may prescribe. The Mayor or Mayor Pro Tem and City Secretary are authorized to execute and deliver such Paying Agent/Registrar Agreement in connection with the delivery of the Bonds. The City covenants to maintain and provide a Paying Agent/Registrar at all times until the Bonds are paid and discharged, and any successor Paying Agent/Registrar shall be a commercial bank, trust company, financial institution or other entity qualified and authorized to serve in such capacity and perform the duties and services of Paying Agent/Registrar. Upon any change in the Paying Agent/Registrar for the Bonds, the City agrees to promptly cause a written notice thereof to be sent to each Holder by first class United States mail, postage prepaid, which notice shall also give the address of the new Paying Agent/Registrar.

Principal of and premium, if any, on the Bonds, shall be payable at the Stated Maturities thereof only upon presentation and surrender of the Bonds to the Paying Agent/Registrar at its designated offices, initially in St. Paul, Minnesota, or, with respect to a successor Paying Agent/Registrar, at the designated offices of such successor (the "Designated Payment/Transfer Office"). Interest on the Bonds shall be paid to the Holders whose names appear in the Security Register at the close of business on the Record Date (the fifteenth day of the month next preceding each interest payment date) and shall be paid by the Paying Agent/Registrar (i) by check sent by first class United States mail, postage prepaid, to the address of the Holder recorded in the Security Register or (ii) by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the Holder. If the date for the payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, a legal holiday, or a day when banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day when banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

In the event of a nonpayment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by first class United States mail, postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

SECTION 4: Redemption.

(a) Optional Redemption. The City reserves the right and option to redeem the Bonds maturing on September 1, 2029, in whole or in part, before their scheduled maturity date, on September 1, 2028, or on any date thereafter at a price equal to the principal amount of the Bonds so called for redemption plus accrued interest from the most recent interest payment date on which interest has been paid or duly provided for to the date fixed for redemption.

At least forty-five (45) days prior to an optional redemption date for the Bonds (unless a shorter notification period shall be satisfactory to the Paying Agent/Registrar), the City shall notify the Paying Agent/Registrar of the decision to redeem Bonds, the principal amount of each Stated Maturity to be optionally redeemed, and the date of redemption therefor. The decision of the City to exercise the right to optionally redeem Bonds shall be entered in the minutes of the governing body of the City.

(b) Selection of Bonds for Redemption. If less than all Outstanding Bonds of the same Stated Maturity are to be redeemed on a redemption date, the Paying Agent/Registrar shall treat such Bonds as representing the number of Bonds Outstanding, which is obtained by dividing the principal amount of such Bonds by \$5,000, and shall select the Bonds to be redeemed within such Stated Maturity by lot.

(c) Notice of Redemption. Not less than thirty (30) days prior to a redemption date for the Bonds, a notice of redemption shall be sent by United States Mail, first class postage prepaid, in the name of the City and at the City's expense, to each Holder of a Bond to be redeemed in whole or in part at the address of the Holder appearing on the Security Register at the close of business on the business day next preceding the date of mailing such notice, and any notice of redemption so mailed shall be conclusively presumed to have been duly given irrespective of whether received by the Holder.

All notices of redemption shall (i) specify the date of redemption for the Bonds, (ii) identify the Bonds to be redeemed and, in the case of a portion of the principal amount to be redeemed, the principal amount thereof to be redeemed, (iii) state the redemption price, (iv) state that the Bonds, or the portion of the principal amount thereof to be redeemed, shall become due and payable on the redemption date specified, and the interest thereon, or on the portion of the principal amount thereof to be redeemed, shall cease to accrue from and after the redemption date, and (v) specify that payment of the redemption price for the Bonds, or the principal amount thereof to be redeemed, shall be made at the Designated Payment/Transfer Office of the Paying Agent/Registrar only upon presentation and surrender thereof by the Holder. If a Bond is subject by its terms to prior redemption and has been called for redemption and notice of redemption thereof has been duly given as hereinabove provided, such Bond (or the principal amount thereof to be redeemed) shall become due and payable and interest thereon shall cease to accrue from and after the redemption date therefor; provided moneys sufficient for the payment of such Bond (or of the principal amount thereof to be redeemed) at the then applicable redemption price are held for the purpose of such payment by the Paying Agent/Registrar.

(d) Conditional Notice of Redemption. With respect to any optional redemption of the Bonds, unless moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice may state that said redemption is conditional upon the receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon the satisfaction of any prerequisites set forth in such notice of redemption; and, if sufficient moneys are not received, such notice shall be of no force and effect, the City shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

SECTION 5: Registration - Transfer - Exchange of Bonds - Predecessor Bonds. A Security Register relating to the registration, payment, and transfer or exchange of the Bonds shall at all times be kept and maintained by the City at the Designated Payment/Transfer Office of the Paying Agent/Registrar, as provided herein and in accordance with the provisions of an agreement with the Paying Agent/Registrar and such rules and regulations as the Paying

Agent/Registrar and the City may prescribe. The Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of each Holder of the Bonds issued under and pursuant to the provisions of this Ordinance, or if appropriate, the nominee thereof. Any Bond may, in accordance with its terms and the terms hereof, be transferred or exchanged for Bonds of other authorized denominations upon the Security Register by the Holder, in person or by his duly authorized agent, upon surrender of such Bond to the Paying Agent/Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by his duly authorized agent, in form satisfactory to the Paying Agent/Registrar.

Upon surrender of any Bond (other than the Initial Bond(s) referenced in Section 8 hereof) for transfer at the Designated Payment/Transfer Office of the Paying Agent/Registrar, the Paying Agent/Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Bonds of authorized denominations and having the same Stated Maturity and of a like aggregate principal amount as the Bond or Bonds surrendered for transfer.

At the option of the Holder, Bonds (other than the Initial Bond(s) referenced in Section 8 hereof) may be exchanged for other Bonds of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and of like aggregate principal amount as the Bonds surrendered for exchange, upon surrender of the Bonds to be exchanged at the Designated Payment/Transfer Office of the Paying Agent/Registrar. Whenever any Bonds are surrendered for exchange, the Paying Agent/Registrar shall register and deliver new Bonds to the Holder requesting the exchange.

All Bonds issued in any transfer or exchange of Bonds shall be delivered to the Holders at the Designated Payment/Transfer Office of the Paying Agent/Registrar or sent by United States Mail, first class, postage prepaid to the Holders, and, upon the registration and delivery thereof, the same shall be the valid obligations of the City, evidencing the same obligation to pay, and entitled to the same benefits under this Ordinance, as the Bonds surrendered in such transfer or exchange.

All transfers or exchanges of Bonds pursuant to this Section shall be made without expense or service charge to the Holder, except as otherwise herein provided, and except that the Paying Agent/Registrar shall require payment by the Holder requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange.

Bonds cancelled by reason of an exchange or transfer pursuant to the provisions hereof are hereby defined to be "Predecessor Bonds," evidencing all or a portion, as the case may be, of the same obligation to pay evidenced by the new Bond or Bonds registered and delivered in the exchange or transfer therefor. Additionally, the term "Predecessor Bonds" shall include any mutilated, lost, destroyed, or stolen Bond for which a replacement Bond has been issued, registered, and delivered in lieu thereof pursuant to the provisions of Section 11 hereof and such new replacement Bond shall be deemed to evidence the same obligation as the mutilated, lost, destroyed, or stolen Bond.

Neither the City nor the Paying Agent/Registrar shall be required to issue or transfer to an assignee of a Holder any Bond called for redemption, in whole or in part, within 45 days of the date fixed for the redemption of such Bond; provided, however, such limitation on transferability shall not be applicable to an exchange by the Holder of the unredeemed balance of a Bond called for redemption in part.

SECTION 6: Book-Entry-Only Transfers and Transactions. Notwithstanding the provisions contained in Sections 3, 4 and 5 hereof relating to the payment, and transfer/exchange of the Bonds, the City hereby approves and authorizes the use of "Book-Entry-Only" securities clearance, settlement and transfer system provided by The Depository Trust Company, a limited purpose trust company organized under the laws of the State of New York ("DTC"), in accordance with the operational arrangements referenced in the Blanket Issuer Letter of Representations, by and between the City and DTC (the "Depository Agreement").

Pursuant to the Depository Agreement and the rules of DTC, the Bonds shall be deposited with DTC who shall hold said Bonds for its participants (the "DTC Participants"). While the Bonds are held by DTC under the Depository Agreement, the Holder of the Bonds on the Security Register for all purposes, including payment and notices, shall be Cede & Co., as nominee of DTC, notwithstanding the ownership of each actual purchaser or owner of each Bond (the "Beneficial Owners") being recorded in the records of DTC and DTC Participants.

In the event DTC determines to discontinue serving as securities depository for the Bonds or otherwise ceases to provide book-entry clearance and settlement of securities transactions in general or the City determines that DTC is incapable of properly discharging its duties as securities depository for the Bonds, the City covenants and agrees with the Holders of the Bonds to cause Bonds to be printed in definitive form and provide for the Bond certificates to be issued and delivered to DTC Participants and Beneficial Owners, as the case may be. Thereafter, the Bonds in definitive form shall be assigned, transferred and exchanged on the Security Register maintained by the Paying Agent/Registrar and payment of such Bonds shall be made in accordance with the provisions of Sections 3, 4 and 5 hereof.

SECTION 7: Execution - Registration. The Bonds shall be executed on behalf of the City by the Mayor or Mayor Pro Tem under its seal reproduced or impressed thereon and countersigned by the City Secretary. The signature of said officers on the Bonds may be manual or facsimile. Bonds bearing the manual or facsimile signatures of individuals who are or were the proper officers of the City on the Bond Date shall be deemed to be duly executed on behalf of the City, notwithstanding that one or more of the individuals shall cease to hold such offices at the time of delivery of the Bonds to the initial purchaser(s) and with respect to Bonds delivered in subsequent exchanges and transfers, all as authorized and provided in Texas Government Code, Chapter 1201, as amended.

No Bond shall be entitled to any right or benefit under this Ordinance, or be valid or obligatory for any purpose, unless there appears on such Bond either a certificate of registration substantially in the form provided in Section 9(c), manually executed by the Comptroller of Public Accounts of the State of Texas, or his duly authorized agent, or a certificate of registration substantially in the form provided in Section 9(d), manually executed by an authorized officer, employee or representative of the Paying Agent/Registrar, and either such certificate duly signed upon any Bond shall be conclusive evidence, and the only evidence, that such Bond has been duly certified, registered, and delivered.

SECTION 8: Initial Bond(s). The Bonds herein authorized shall be initially issued either (i) as a single fully registered bond in the aggregate principal amount stated in Section 1 hereof with principal installments to become due and payable as provided in Section 2 hereof and numbered T-1, or (ii) as multiple fully registered bonds, being one bond for each year of maturity in the applicable principal amount and denomination and to be numbered consecutively from T-1 and upward (hereinafter called the "Initial Bond(s)") and, in either case, the Initial Bond(s) shall be registered in the name of the initial purchaser(s) or the designee thereof. The Initial Bond(s) shall be the Bond(s) submitted to the Office of the Attorney General of the State of Texas for

approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the initial purchaser(s). Any time after the delivery of the Initial Bond(s), the Paying Agent/Registrar, pursuant to written instructions from the initial purchaser(s), or the designee thereof, shall cancel the Initial Bond(s) delivered hereunder and exchange therefor definitive Bonds of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates for transfer and delivery to the Holders named at the addresses identified therefor; all pursuant to and in accordance with such written instructions from the initial purchaser(s), or the designee thereof, and such other information and documentation as the Paying Agent/Registrar may reasonably require.

SECTION 9: Forms.

(a) Forms Generally. The Bonds, the Registration Certificate of the Comptroller of Public Accounts of the State of Texas, the Registration Certificate of Paying Agent/Registrar, and the form of Assignment to be printed on each of the Bonds, shall be substantially in the forms set forth in this Section with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Ordinance and may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including insurance legends in the event the Bonds, or any maturities thereof, are purchased with insurance and any reproduction of an opinion of counsel) thereon as may, consistently herewith, be established by the City or determined by the officers executing such Bonds as evidenced by their execution. Any portion of the text of any Bonds may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Bond.

The City of Celina (hereinafter referred to as the "City"), a body corporate and municipal corporation in the Counties of Collin and Denton, State of Texas, for value received, acknowledges itself indebted to and hereby promises to pay to the registered owner named above, or the registered assigns thereof (the "Registered Owner"), on the Stated Maturity date specified above the Principal Amount hereinabove stated (or so much thereof as shall not have

been paid upon prior redemption) and to pay interest on the unpaid principal amount hereof from the interest payment date next preceding the "Registration Date" of this Bond appearing below (unless this Bond bears a "Registration Date" as of an interest payment date, in which case it shall bear interest from such date, or unless the "Registration Date" of this Bond is prior to the initial interest payment date in which case it shall bear interest from the date of initial delivery of the Bonds) at the per annum rate of interest specified above computed on the basis of a 360-day year of twelve 30-day months; such interest being payable on March 1 and September 1 in each year, commencing March 1, 2019, until maturity or prior redemption. Principal of this Bond shall be payable at its Stated Maturity to the Registered Owner hereof upon presentation and surrender at the designated offices of the Paying Agent/Registrar executing the registration certificate appearing hereon, or its successor. Interest is payable to the registered owner of this Bond (or one or more Predecessor Bonds, as defined in the Ordinance hereinafter referenced) whose name appears on the "Security Register" maintained by the Paying Agent/Registrar at the close of business on the "Record Date", which is the fifteenth day of the month next preceding each interest payment date, and interest shall be paid by the Paying Agent/Registrar by check sent by first class United States mail, postage prepaid, to the address of the registered owner recorded in the Security Register or by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the registered owner. If the date for the payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, a legal holiday, or a day when banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day when banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due. All payments of principal of, premium, if any, and interest on this Bond shall be without exchange or collection charges to the owner hereof and in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

This Bond is one of the series specified in its title issued in the aggregate principal amount of \$_____ (herein referred to as the "Bonds") for the purpose of providing funds for the discharge and final payment of the Refunded Obligations (identified and defined in the Ordinance hereinafter referenced), and to pay costs of issuance, under and in strict conformity with the Constitution and laws of the State of Texas and pursuant to an Ordinance adopted by the City Council of the City (herein referred to as the "Ordinance").

The Bonds maturing on September 1, 2029, may be redeemed prior to their Stated Maturity, at the option of the City, in whole or in part in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity by lot by the Paying Agent/Registrar), on September 1, 2028, or on any date thereafter, at the redemption price of par, together with accrued interest to the date of redemption.

At least thirty days prior to the date fixed for any redemption of Bonds, the City shall cause a written notice of such redemption to be sent by United States Mail, first class postage prepaid, to the registered owners of each Bond to be redeemed at the address shown on the Security Register and subject to the terms and provisions relating thereto contained in the Ordinance. If a Bond (or any portion of its principal sum) shall have been duly called for redemption and notice of such redemption duly given, then upon such redemption date such Bond (or the portion of its principal sum to be redeemed) shall become due and payable, and interest thereon shall cease to accrue from and after the redemption date therefor; provided moneys for the payment of the redemption price and the interest on the principal amount to be redeemed to the date of redemption are held for the purpose of such payment by the Paying Agent/Registrar.

In the event a portion of the principal amount of a Bond is to be redeemed and the registered owner is someone other than Cede & Co., payment of the redemption price of such principal amount shall be made to the registered owner only upon presentation and surrender of such Bond to the Designated Payment/Transfer Office of the Paying Agent/Registrar, and a new Bond or Bonds of like maturity and interest rate in any authorized denominations provided by the Ordinance for the then unredeemed balance of the principal sum thereof will be issued to the registered owner, without charge. If a Bond is selected for redemption, in whole or in part, the City and the Paying Agent/Registrar shall not be required to transfer such Bond to an assignee of the registered owner within 45 days of the redemption date therefor; provided, however, such limitation on transferability shall not be applicable to an exchange by the registered owner of the unredeemed balance of a Bond redeemed in part.

With respect to any optional redemption of the Bonds, unless moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice may state that said redemption is conditional upon the receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon the satisfaction of any prerequisites set forth in such notice of redemption; and, if sufficient moneys are not received, such notice shall be of no force and effect, the City shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

The Bonds are payable from the proceeds of an ad valorem tax levied, within the limitations prescribed by law, upon all taxable property in the City. Reference is hereby made to the Ordinance, a copy of which is on file in the Designated Payment/Transfer Office of the Paying Agent/Registrar, and to all of the provisions of which the owner or holder of this Bond by the acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the tax levied for the payment of the Bonds; the terms and conditions relating to the transfer or exchange of this Bond; the conditions upon which the Ordinance may be amended or supplemented with or without the consent of the Holders; the rights, duties, and obligations of the City and the Paying Agent/Registrar; the terms and provisions upon which this Bond may be discharged at its maturity, and deemed to be no longer Outstanding thereunder; and for other terms and provisions contained therein. Capitalized terms used herein have the meanings assigned in the Ordinance.

This Bond, subject to certain limitations contained in the Ordinance, may be transferred on the Security Register only upon its presentation and surrender at the Designated Payment/Transfer Office of the Paying Agent/Registrar, with the Assignment hereon duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar duly executed by, the registered owner hereof, or his duly authorized agent. When a transfer on the Security Register occurs, one or more new fully registered Bonds of the same Stated Maturity, of authorized denominations, bearing the same rate of interest, and of the same aggregate principal amount will be issued by the Paying Agent/Registrar to the designated transferee or transferees.

The City and the Paying Agent/Registrar, and any agent of either, shall treat the registered owner whose name appears on the Security Register (i) on the Record Date as the owner entitled to payment of interest hereon, (ii) on the date of surrender of this Bond as the owner entitled to payment of principal hereof at its Stated Maturity, and (iii) on any other date as the owner for all other purposes, and neither the City nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary. In the event of nonpayment of interest on a scheduled payment date and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for

the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by first class United States mail, postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

It is hereby certified, recited, represented and declared that the City is a body corporate and political subdivision duly organized and legally existing under and by virtue of the Constitution and laws of the State of Texas; that the issuance of the Bonds is duly authorized by law; that all acts, conditions and things required to exist and be done precedent to and in the issuance of the Bonds to render the same lawful and valid obligations of the City have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas, and the Ordinance; that the Bonds do not exceed any Constitutional or statutory limitation; and that due provision has been made for the payment of the principal of and interest on the Bonds by the levy of a tax as aforesated. In case any provision in this Bond shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby. The terms and provisions of this Bond and the Ordinance shall be construed in accordance with and shall be governed by the laws of the State of Texas.

IN WITNESS WHEREOF, the City Council of the City has caused this Bond to be duly executed under the official seal of the City as of the Bond Date.

All payments of principal of, premium, if any, and interest on this Bond shall be without exchange or collection charges to the owner hereof

and in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

SECTION 10: Levy of Taxes. To provide for the payment of the “Debt Service Requirements” of the Bonds, being (i) the interest on the Bonds and (ii) a sinking fund for their payment at maturity or redemption or a sinking fund of 2% (whichever amount is the greater), there is hereby levied, and there shall be annually assessed and collected in due time, form, and manner, a tax on all taxable property in the City, within the limitations prescribed by law, and such tax hereby levied on each one hundred dollars’ valuation of taxable property in the City for the Debt Service Requirements of the Bonds shall be at a rate from year to year as will be ample and sufficient to provide funds each year to pay the principal of and interest on said Bonds while Outstanding; full allowance being made for delinquencies and costs of collection; separate books and records relating to the receipt and disbursement of taxes levied, assessed and collected for and on account of the Bonds shall be kept and maintained by the City at all times while the Bonds are Outstanding, and the taxes collected for the payment of the Debt Service Requirements on the Bonds shall be deposited to the credit of a “Special 2018 Bond Account” (the “Interest and Sinking Fund”) maintained on the records of the City and deposited in a special fund maintained at an official depository of the City’s funds; and such tax hereby levied, and to be assessed and collected annually, is hereby pledged to the payment of the Bonds.

The Mayor, Mayor Pro Tem, City Manager, City Secretary and Director of Finance of the City, individually or jointly, are hereby authorized and directed to cause to be transferred to the Paying Agent/Registrar for the Bonds, from funds on deposit in the Interest and Sinking Fund, amounts sufficient to fully pay and discharge promptly each installment of interest and principal of the Bonds as the same accrues or matures; such transfers of funds to be made in such manner as will cause collected funds to be deposited with the Paying Agent/Registrar on or before each principal and interest payment date for the Bonds.

The City has sufficient current funds available and such funds are hereby appropriated to make the payments to become due on the Bonds on March 1, 2019 and September 1, 2019, and the Mayor, Mayor Pro Tem, City Manager, Director of Finance and City Secretary of the City, individually or jointly, are hereby authorized and directed to transfer and deposit in the Interest and Sinking Fund such amount of current funds which will be sufficient to pay the amounts to become due on the Bonds on March 1, 2019 and September 1, 2019.

SECTION 11: Mutilated - Destroyed - Lost and Stolen Bonds. In case any Bond shall be mutilated, or destroyed, lost or stolen, the Paying Agent/Registrar may execute and deliver a replacement Bond of like form and tenor, and in the same denomination and bearing a number not contemporaneously outstanding, in exchange and substitution for such mutilated Bond, or in lieu of and in substitution for such destroyed, lost or stolen Bond, only upon the approval of the City and after (i) the filing by the Holder thereof with the Paying Agent/Registrar of evidence satisfactory to the Paying Agent/Registrar of the destruction, loss or theft of such Bond, and of the authenticity of the ownership thereof and (ii) the furnishing to the Paying Agent/Registrar of indemnification in an amount satisfactory to hold the City and the Paying Agent/Registrar harmless. All expenses and charges associated with such indemnity and with the preparation, execution and delivery of a replacement Bond shall be borne by the Holder of the Bond mutilated, or destroyed, lost or stolen.

Every replacement Bond issued pursuant to this Section shall be a valid and binding obligation, and shall be entitled to all the benefits of this Ordinance equally and ratably with all other Outstanding Bonds; notwithstanding the enforceability of payment by anyone of the destroyed, lost, or stolen Bonds.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost or stolen Bonds.

SECTION 12: Satisfaction of Obligation of City. If the City shall pay or cause to be paid, or there shall otherwise be paid to the Holders, the principal of, premium, if any, and interest on the Bonds, at the times and in the manner stipulated in this Ordinance, then the pledge of taxes levied under this Ordinance and all covenants, agreements, and other obligations of the City to the Holders shall thereupon cease, terminate, and be discharged and satisfied.

Bonds or any principal amount(s) thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section when (i) money sufficient to pay in full such Bonds or the principal amount(s) thereof at maturity, together with all interest due thereon, shall have been irrevocably deposited with and held in trust by the Paying Agent/Registrar, or an authorized escrow agent, or (ii) Government Securities shall have been irrevocably deposited in trust with the Paying Agent/Registrar, or an authorized escrow agent, which Government Securities have been certified by an independent accounting firm to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any moneys deposited therewith, if any, to pay when due the principal of and interest on such Bonds. The City covenants that no deposit of moneys or Government Securities will be made under this Section and no use made of any such deposit which would cause the Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended, or regulations adopted pursuant thereto.

Any moneys so deposited with the Paying Agent/Registrar, or an authorized escrow agent, and all income from Government Securities held in trust by the Paying Agent/Registrar, or an authorized escrow agent, pursuant to this Section which is not required for the payment of the Bonds, or any principal amount(s) thereof, or interest thereon with respect to which such moneys have been so deposited shall be remitted to the City or deposited as directed by the City. Furthermore, any money held by the Paying Agent/Registrar for the payment of the principal of and interest on the Bonds and remaining unclaimed for a period of three (3) years after the Stated Maturity shall upon the request of the City be remitted to the City against a written receipt therefor. Notwithstanding the above and foregoing, any remittance of funds from the Paying Agent/Registrar to the City shall be subject to any applicable unclaimed property laws of the State of Texas.

The term "Government Securities", as used herein, shall mean (i) direct noncallable obligations of the United States of America, including obligations the principal of and interest on which are unconditionally guaranteed by the United States of America, (ii) noncallable obligations of an agency or instrumentality of the United States, including obligations unconditionally guaranteed or insured by the agency or instrumentality and, on the date of their acquisition or purchase by the City, are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent, (iii) noncallable obligations of a state or an agency or a county, municipality, or other political subdivision of a state that have been refunded and that, on the date of their acquisition or purchase by the City, are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent and (iv) any other then authorized securities or obligations that may be used to defease obligations such as the Bonds under the then applicable laws of the State of Texas.

SECTION 13: Ordinance a Contract - Amendments - Outstanding Bonds. This Ordinance shall constitute a contract with the Holders from time to time, be binding on the City, and shall not

be amended or repealed by the City so long as any Bond remains Outstanding except as permitted in this Section and in Section 28 hereof. The City may, without the consent of or notice to any Holders, from time to time and at any time, amend this Ordinance in any manner not detrimental to the interests of the Holders, including the curing of any ambiguity, inconsistency, or formal defect or omission herein. In addition, the City may, with the consent of Holders holding a majority in aggregate principal amount of the Bonds then Outstanding, amend, add to, or rescind any of the provisions of this Ordinance; provided that, without the consent of all Holders of Outstanding Bonds, no such amendment, addition, or rescission shall (1) extend the time or times of payment of the principal of, premium, if any, and interest on the Bonds, reduce the principal amount thereof, or the rate of interest thereon, or in any other way modify the terms of payment of the principal of, premium, if any, or interest on the Bonds, (2) give any preference to any Bond over any other Bond, or (3) reduce the aggregate principal amount of Bonds required to be held by Holders for consent to any such amendment, addition, or rescission.

The term "Outstanding" when used in this Ordinance with respect to Bonds means, as of the date of determination, all Bonds theretofore issued and delivered under this Ordinance, except:

- (1) those Bonds cancelled by the Paying Agent/Registrar or delivered to the Paying Agent/Registrar for cancellation;
- (2) those Bonds deemed to be duly paid by the City in accordance with the provisions of Section 12 hereof; and
- (3) those mutilated, destroyed, lost, or stolen Bonds which have been replaced with Bonds registered and delivered in lieu thereof as provided in Section 11 hereof.

SECTION 14: Covenants to Maintain Tax-Exempt Status.

(a) Definitions. When used in this Section, the following terms have the following meanings:

"*Closing Date*" means the date on which the Bonds are first authenticated and delivered to the initial purchasers against payment therefor.

"*Code*" means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

"*Computation Date*" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"*Gross Proceeds*" means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Bonds.

"*Investment*" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"*Nonpurpose Investment*" means any investment property, as defined in Section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds.

"*Rebate Amount*" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"*Regulations*" means any proposed, temporary, or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

"*Yield*" of (1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations and (2) the Bonds has the meaning set forth in Section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in Section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the City shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Bonds:

(1) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds (including property financed with Gross Proceeds of the Refunded Obligations), and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(2) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds (including property financed with Gross Proceeds of the Refunded Obligations), other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan. Except to the extent permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For

purposes of the foregoing covenant, such Gross Proceeds are considered to be “loaned” to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(e) Not to Invest at Higher Yield. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested), if as a result of such investment the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Bonds.

(f) Not Federally Guaranteed. Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The City shall timely file the information required by Section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in Section 148(f) of the Code and the Regulations and rulings thereunder:

(1) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Bond is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Bonds with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(2) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in Section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.

(3) As additional consideration for the purchase of the Bonds by the Purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall pay to the United States out of its general fund, other appropriate fund, or, if permitted by applicable Texas statute, regulation or opinion of the Attorney General of the State of Texas, the Interest and Sinking Fund, the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section

1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(4) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

(j) Elections. The City hereby directs and authorizes the Mayor, Mayor Pro Tem, City Manager and Director of Finance, either or any combination of them, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Bonds, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document.

(k) Bonds Not Hedge Bonds. (1) At the time the original obligations being refunded by the Bonds were issued, the City reasonably expected to spend at least 85% of the spendable proceeds of such obligations within three years after such obligations were issued and (2) not more than 50% of the proceeds of the original obligations being refunded by the Bonds were invested in Nonpurpose Investments having a substantially guaranteed Yield for a period of 4 years or more.

(l) Current Refunding of the Refunded Obligations. The Bonds are a current refunding of the Refunded Obligations in that the Refunded Obligations are to be paid and redeemed in full within 90 days of the delivery date of the Bonds.

SECTION 15: Sale of Bonds – Official Statement Approval. Pursuant to a public sale for the Bonds, the bid submitted by _____ (herein collectively referred to as the “Purchaser”) is declared to be the best bid received producing the lowest true interest cost rate to the City, and the sale of the Bonds to said Purchasers at the price of par plus a cash premium of \$_____ is hereby determined to be in the best interests of the City and is approved and confirmed. Delivery of the Bonds to the Purchasers shall occur as soon as possible upon payment being made therefor in accordance with the terms of sale. The Initial Bond shall be registered in the name as provided in the winning bid.

Furthermore, the use of the Preliminary Official Statement by the Purchasers in connection with the public offering and sale of the Bonds is hereby ratified, confirmed and approved in all respects. The final Official Statement, which reflects the terms of sale (together with such changes approved by the Mayor, Mayor Pro Tem, City Manager, Director of Finance or City Secretary, any one or more of said officials), shall be and is hereby in all respects approved and the Purchasers are hereby authorized to use and distribute said final Official Statement, dated August 14, 2018, in the reoffering, sale and delivery of the Bonds to the public. The Mayor or Mayor Pro Tem and City Secretary are further authorized and directed to cause to be delivered for and on behalf of the City copies of said Official Statement in final form as may be required by the Purchasers, and such final Official Statement shall be deemed to be approved by the Council and constitute the Official Statement authorized for distribution and use by the Purchasers.

SECTION 16: Control and Custody of Bonds. The Mayor of the City shall be and is hereby authorized to take and have charge of all necessary orders and records pending investigation by the Attorney General of the State of Texas, including the printing and supply of definitive Bonds, and shall take and have charge and control of the Initial Bond(s) pending the approval thereof by the Attorney General, the registration thereof by the Comptroller of Public Accounts and the delivery thereof to the Purchasers.

SECTION 17: Proceeds of Sale. Immediately following the delivery of the Bonds, the proceeds of sale (less those proceeds of sale designated to pay costs of issuance and additional proceeds being deposited to the Interest and Sinking Fund) shall be deposited with the respective paying agents for the Refunded Obligations. The proceeds of sale of the Bonds not so deposited with the respective paying agents for the Refunded Obligations for the refunding of the Refunded Obligations shall be disbursed for payment of costs of issuance or deposited in the Interest and Sinking Fund for the Bonds.

SECTION 18: Redemption of Refunded Obligations.

The Series 2004 Refunded Certificates shall be redeemed and the same are hereby called for redemption on _____, 2018, at the price of par and accrued interest to the date of redemption. The City Secretary is hereby authorized and directed to file a copy of this Ordinance, together with a suggested form of notice of redemption to be sent to holders of the Refunded Obligations, with U.S. Bank National Association, successor to Wachovia Bank, National Association and the current paying agent for the Series 2004 Refunded Certificates, in accordance with the redemption provisions applicable to such obligations; such suggested form of notice of redemption being attached hereto as **Exhibit B** and incorporated herein by reference as a part of this Ordinance for all purposes.

The City Secretary is hereby authorized and directed to file a copy of this Ordinance, together with a suggested form of notice of redemption to be sent to holders of the Refunded

The Series 2012 Refunded Certificates shall be redeemed and the same are hereby called for redemption on September 25, 2018, at the price of par and accrued interest to the date of redemption. The City Secretary is hereby authorized and directed to file a copy of this Ordinance, together with a suggested form of notice of redemption to be sent to holders of the Refunded Obligations, with The Bank of New York Mellon Trust Company, N.A., the current paying agent for the Series 2012 Refunded Certificates, in accordance with the redemption provisions applicable to such obligations; such suggested form of notice of redemption being attached hereto as **Exhibit D** and incorporated herein by reference as a part of this Ordinance for all purposes.

The redemption of the Refunded Obligations described above being associated with the refunding of such Refunded Obligations, the approval, authorization and arrangements herein given and provided for the redemption of such Refunded Obligations on the redemption date designated therefor and in the manner provided shall be irrevocable upon the issuance and delivery of the Bonds; and the City Secretary is hereby authorized and directed to make all arrangements necessary to notify the holders of such Refunded Obligations of the City's decision to redeem such Refunded Obligations on the date and in the manner herein provided and in accordance with the ordinances authorizing the issuance of such Refunded Obligations and this Ordinance.

SECTION 19: Notices to Holders - Waiver. Wherever this Ordinance provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and sent by first class United States mail, postage prepaid, to the address of each Holder appearing in the Security Register at the close of business on the business day next preceding the mailing of such notice.

In any case where notice to Holders is given by mail, neither the failure to mail such notice to any particular Holders, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Bonds. Where this Ordinance provides for notice in any manner, such notice may be waived in writing by the Holder entitled to receive such notice, either before or after the event with respect to which such notice is given, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 20: Cancellation. All Bonds surrendered for payment, transfer, exchange, or replacement, if surrendered to the Paying Agent/Registrar, shall be promptly cancelled by it and, if surrendered to the City, shall be delivered to the Paying Agent/Registrar and, if not already cancelled, shall be promptly cancelled by the Paying Agent/Registrar. The City may at any time deliver to the Paying Agent/Registrar for cancellation any Bonds previously certified or registered and delivered which the City may have acquired in any manner whatsoever, and all Bonds so delivered shall be promptly cancelled by the Paying Agent/Registrar. All cancelled Bonds held by the Paying Agent/Registrar shall be returned to the City.

SECTION 21: Legal Opinion. The obligation of the Purchasers to accept delivery of the Bonds is subject to being furnished a final legal opinion of Norton Rose Fulbright US LLP, Bond Counsel to the City, approving such Bonds as to their validity, said opinion to be dated and

delivered as of the date of delivery and payment for such Bonds. A true and correct reproduction of said opinion is hereby authorized to be printed on the definitive Bonds or an executed counterpart thereof shall accompany the global Bonds deposited with DTC.

SECTION 22: CUSIP Numbers. CUSIP numbers may be printed or typed on the definitive Bonds. It is expressly provided, however, that the presence or absence of CUSIP numbers on the definitive Bonds shall be of no significance or effect as regards the legality thereof and neither the City nor attorneys approving the Bonds as to legality are to be held responsible for CUSIP numbers incorrectly printed or typed on the definitive Bonds.

SECTION 23: Benefits of Ordinance. Nothing in this Ordinance, expressed or implied, is intended or shall be construed to confer upon any person other than the City, the Paying Agent/Registrar and the Holders, any right, remedy, or claim, legal or equitable, under or by reason of this Ordinance or any provision hereof, this Ordinance and all its provisions being intended to be and being for the sole and exclusive benefit of the City, the Paying Agent/Registrar and the Holders.

SECTION 24: Inconsistent Provisions. All ordinances, orders or resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Ordinance are hereby repealed to the extent of such conflict, and the provisions of this Ordinance shall be and remain controlling as to the matters contained herein.

SECTION 25: Governing Law. This Ordinance shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

SECTION 26: Effect of Headings. The Section headings herein are for convenience of reference only and shall not affect the construction hereof.

SECTION 27: Construction of Terms. If appropriate in the context of this Ordinance, words of the singular number shall be considered to include the plural, words of the plural number shall be considered to include the singular, and words of the masculine, feminine or neuter gender shall be considered to include the other genders.

SECTION 28: Continuing Disclosure Undertaking.

(a) Definitions. As used in this Section, the following terms have the meanings ascribed to such terms below:

“MSRB” means the Municipal Securities Rulemaking Board.

“Rule” means SEC Rule 15c2-12, as amended from time to time.

“SEC” means the United States Securities and Exchange Commission.

(b) Annual Reports. The City shall provide annually to the MSRB (1) within six months after the end of each fiscal year, beginning in or after 2018, financial information and operating data with respect to the City of the general type included in Tables 1 through 6, 8 through 14, 19 and 20 in the Official Statement, and (2) within twelve months after the end of each fiscal year ending in or after 2018, audited financial statements of the City. Any financial statements so provided shall be prepared in accordance with the accounting principles described in Appendix B to the Official Statement, or such other accounting principles as the City may be required to employ from time to time pursuant to state law or regulation, and audited, if the City commissions

an audit of such statements and the audit is completed within the period during which they must be provided. If audited financial statements are not available within 12 months after the end of any fiscal year, the City will provide unaudited financial statements by the required time, and audited financial statements when and if such audited financial statements become available.

If the City changes its fiscal year, it will notify the MSRB of the change (and of the date of the new fiscal year end) prior to the next date by which the City otherwise would be required to provide financial information and operating data pursuant to this Section.

The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document available to the public on the MSRB's Internet Web site or filed with the SEC.

(c) Notice of Certain Events. The City shall provide notice of any of the following events with respect to the Bonds to the MSRB in a timely manner and not more than 10 business days after occurrence of the event:

1. Principal and interest payment delinquencies;
2. Non-payment related defaults, if material;
3. Unscheduled draws on debt service reserves reflecting financial difficulties;
4. Unscheduled draws on credit enhancements reflecting financial difficulties;
5. Substitution of credit or liquidity providers, or their failure to perform;
6. Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB), or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;
7. Modifications to rights of holders of the Bonds, if material;
8. Bond calls, if material, and tender offers;
9. Defeasances;
10. Release, substitution, or sale of property securing repayment of the Bonds, if material;
11. Rating changes;
12. Bankruptcy, insolvency, receivership, or similar event of the City, which shall occur as described below;
13. The consummation of a merger, consolidation, or acquisition involving the City or the sale of all or substantially all of its assets, other than in the ordinary course of business, the entry into of a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and
14. Appointment of a successor or additional trustee or the change of name of a trustee, if material.

For these purposes, any event described in the immediately preceding subsection (c)12 is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the City in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the City, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City.

The City shall notify the MSRB, in a timely manner, of any failure by the City to provide financial information or operating data in accordance with subsection (b) of this Section by the time required by such Section.

(d) Filings with the MSRB. All financial information, operating data, financial statements, notices and other documents provided to the MSRB in accordance with this Section shall be provided in an electronic format prescribed by the MSRB and shall be accompanied by identifying information as prescribed by the MSRB.

(e) Limitations, Disclaimers, and Amendments. The City shall be obligated to observe and perform the covenants specified in this Section while, but only while, the City remains an “obligated person” with respect to the Bonds within the meaning of the Rule, except that the City in any event will give the notice required by subsection (c) hereof of any Bond calls and defeasance that cause the City to be no longer such an “obligated person.”

The provisions of this Section are for the sole benefit of the Holders and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the City's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The City does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the City in observing or performing its obligations under this Section shall constitute a breach of or default under this Ordinance for purposes of any other provision of this Ordinance.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

Notwithstanding anything to the contrary in this Ordinance, the provisions of this Section may be amended by the City from time to time to adapt to changed circumstances resulting from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Ordinance that authorizes such an amendment) of the Outstanding Bonds consent to such amendment or (b) a person that is unaffiliated with the City (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests

of the Holders and beneficial owners of the Bonds. The provisions of this Section may also be amended from time to time or repealed by the City if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction determines that such provisions are invalid, but only if and to the extent that reservation of the City's right to do so would not prevent an underwriter of the initial public offering of the Bonds from lawfully purchasing or selling Bonds in such offering. If the City so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided pursuant to subsection (b) of this Section an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

SECTION 29: Severability. If any provision of this Ordinance or the application thereof to any circumstance shall be held to be invalid, the remainder of this Ordinance and the application thereof to other circumstances shall nevertheless be valid, and this Council hereby declares that this Ordinance would have been enacted without such invalid provision.

SECTION 30: Further Procedures. Any one or more of the Mayor, Mayor Pro Tem, City Manager, Director of Finance and City Secretary are hereby expressly authorized, empowered and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge and deliver in the name and on behalf of the City all agreements, instruments, certificates or other documents, whether mentioned herein or not, as may be necessary or desirable in order to carry out the terms and provisions of this Ordinance and the issuance, sale and delivery of the Bonds. In addition, prior to the delivery of the Bonds, the Mayor, Mayor Pro Tem, City Manager, Director of Finance or Bond Counsel to the City are each hereby authorized and directed to approve any changes or corrections to this Ordinance or to any of the documents authorized and approved by this Ordinance: (i) in order to cure any ambiguity, formal defect, or omission in this Ordinance or such other document, or (ii) as requested by the Attorney General of the State of Texas or his representative to obtain the approval of the Bonds by the Attorney General. In the event that any officer of the City whose signature shall appear on any document shall cease to be such officer before the delivery of such document, such signature nevertheless shall be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

SECTION 31: Incorporation of Findings and Determinations. The findings and determinations of this Council contained in the preamble hereof are hereby incorporated by reference and made a part of this Ordinance for all purposes as if the same were restated in full in this Section.

SECTION 32: Public Meeting. It is officially found, determined, and declared that the meeting at which this Ordinance is adopted was open to the public and public notice of the time, place, and subject matter of the public business to be considered at such meeting, including this Ordinance, was given, all as required by Texas Government Code, Chapter 551, as amended.

SECTION 33: Effective Date. In accordance with the provisions of Texas Government Code, Section 1201.028, as amended, this Ordinance shall be in force and effect from and after its passage on the date shown below and it is so ordained.

The Certificates shall bear interest on the unpaid principal amounts from the date of delivery to the initial purchaser at the rates per annum shown above in this Section (calculated on the basis of a 360-day year of twelve 30-day months), and such interest shall be payable on March 1 and September 1 of each year, commencing March 1, 2019 until maturity or prior redemption.

SECTION 3: Terms of Payment Paying Agent/Registrar. The principal of, premium, if any, and the interest on the Certificates, due and payable by reason of maturity, redemption, or otherwise, shall be payable only to the registered owners or holders of the Certificates (hereinafter called the "Holders") appearing on the registration and transfer books maintained by the Paying Agent/Registrar, and the payment thereof shall be in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts, and shall be without exchange or collection charges to the Holders.

The selection and appointment of U.S. Bank National Association, Dallas, Texas, to serve as Paying Agent/Registrar for the Certificates is hereby approved and confirmed. Books and records relating to the registration, payment, transfer and exchange of the Certificates (the "Security Register") shall at all times be kept and maintained on behalf of the City by the Paying Agent/Registrar, as provided herein and in accordance with the terms and provisions of a "Paying Agent/Registrar Agreement", substantially in the form attached hereto as **Exhibit A**, and such reasonable rules and regulations as the Paying Agent/Registrar and the City may prescribe. The Mayor or Mayor Pro Tem and City Secretary are hereby authorized to execute and deliver such Paying Agent/Registrar Agreement in connection with the delivery of the Certificates. The City covenants to maintain and provide a Paying Agent/Registrar at all times until the Certificates are paid and discharged, and any successor Paying Agent/Registrar shall be a commercial bank, trust company, financial institution or other entity qualified and authorized to serve in such capacity and perform the duties and services of Paying Agent/Registrar. Upon any change in the Paying Agent/Registrar for the Certificates, the City agrees to promptly cause a written notice thereof to be sent to each Holder by United States Mail, first class postage prepaid, which notice shall also give the address of the new Paying Agent/Registrar.

Principal of and premium, if any, on the Certificates, shall be payable at the Stated Maturities or the redemption thereof only upon presentation and surrender of the Certificates to the Paying Agent/Registrar at its designated offices, initially in St. Paul, Minnesota, or, with respect to a successor Paying Agent/Registrar, at the designated offices of such successor (the "Designated Payment/Transfer Office"). Interest on the Certificates shall be paid to the Holders whose names appear in the Security Register at the close of business on the Record Date (the fifteenth day of the month next preceding each interest payment date) and shall be paid by the Paying Agent/Registrar (i) by check sent United States Mail, first class postage prepaid, to the address of the Holder recorded in the Security Register or (ii) by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the Holder. If the date for the payment of the principal of or interest on the Certificates shall be a Saturday, Sunday, a legal holiday, or a day when banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day when banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

In the event of a nonpayment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

SECTION 4: Redemption.

(a) Optional Redemption. The Certificates maturing on and after September 1, 2029 shall be subject to redemption prior to maturity, at the option of the City, in whole or in part in principal amounts of \$5,000 or any integral multiple thereof (and if in part by lot by the Paying Agent/Registrar), on September 1, 2028, or on any date thereafter, at the redemption price of par plus accrued interest to the date of redemption.

At least forty five (45) days prior to an optional redemption date for the Certificates (unless a shorter notification period shall be satisfactory to the Paying Agent/Registrar), the City shall notify the Paying Agent/Registrar of the decision to redeem Certificates, the principal amount of each Stated Maturity to be redeemed, and the date of redemption therefor.

(b) Selection of Certificates for Redemption. If less than all Outstanding Certificates of the same Stated Maturity are to be redeemed on a redemption date, the Paying Agent/Registrar shall treat such Certificates as representing the number of Certificates Outstanding which is obtained by dividing the principal amount of such Certificates by \$5,000 and shall select the Certificates to be redeemed within such Stated Maturity by lot.

(c) Notice of Redemption. Not less than thirty (30) days prior to a redemption date for the Certificates, a notice of redemption shall be sent by United States mail, first class postage prepaid, in the name of the City and at the City's expense, to each Holder of a Certificate to be redeemed in whole or in part at the address of the Holder appearing on the Security Register at the close of business on the business day next preceding the date of mailing such notice, and any notice of redemption so mailed shall be conclusively presumed to have been duly given irrespective of whether received by the Holder.

All notices of redemption shall (i) specify the date of redemption for the Certificates, (ii) identify the Certificates to be redeemed and, in the case of a portion of the principal amount to be redeemed, the principal amount thereof to be redeemed, (iii) state the redemption price, (iv) state that the Certificates, or the portion of the principal amount thereof to be redeemed, shall become due and payable on the redemption date specified and the interest thereon, or on the portion of the principal amount thereof to be redeemed, shall cease to accrue from and after the redemption date, provided moneys sufficient for the payment of such Certificate (or the principal amount thereof to be redeemed) at the then applicable redemption price are held for the purpose of such payment by the Paying Agent/Registrar and (v) specify that payment of the redemption price for the Certificates, or the principal amount thereof to be redeemed, shall be made at the Designated Payment/Transfer Office of the Paying Agent/Registrar only upon presentation and surrender of the Certificates. If a Certificate is subject by its terms to prior redemption and has been called for redemption and notice of redemption has been duly given as hereinabove provided, such Certificate (or the principal amount thereof to be redeemed) shall become due and payable and interest thereon shall cease to accrue from and after the redemption date therefor.

(d) Conditional Notice of Redemption. With respect to any optional redemption of the Certificates, unless moneys sufficient to pay the principal of and premium, if any, and interest on the Certificates to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice may state that said redemption is conditional upon the receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon the satisfaction of any prerequisites set forth in such notice of redemption; and, if sufficient moneys are not received, such notice shall be of no force and effect, the City shall not redeem such Certificates and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Certificates have not been redeemed.

SECTION 5: Registration - Transfer - Exchange of Certificates - Predecessor Certificates. The Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of each and every owner of the Certificates issued under and pursuant to the provisions of this Ordinance, or if appropriate, the nominee thereof. Any Certificate may be transferred or exchanged for Certificates of other authorized denominations by the Holder, in person or by his duly authorized agent, upon surrender of such Certificate to the

Paying Agent/Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by his duly authorized agent, in form satisfactory to the Paying Agent/Registrar.

Upon surrender of any Certificate (other than the single Initial Certificate(s) authorized in Section 8 hereof) for transfer at the Designated Payment/Transfer Office of the Paying Agent/Registrar, the Paying Agent/Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Certificates of authorized denominations and having the same Stated Maturity and of a like aggregate principal amount as the Certificate or Certificates surrendered for transfer.

At the option of the Holder, Certificates (other than the single Initial Certificate(s) authorized in Section 8 hereof) may be exchanged for other Certificates of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and of like aggregate principal amount as the Certificates surrendered for exchange, upon surrender of the Certificates to be exchanged at the Designated Payment/Transfer Office of the Paying Agent/Registrar. Whenever any Certificates are surrendered for exchange, the Paying Agent/Registrar shall register and deliver new Certificates to the Holder requesting the exchange.

All Certificates issued in any transfer or exchange of Certificates shall be delivered to the Holders at the Designated Payment/Transfer Office of the Paying Agent/Registrar or sent by United States mail, first class postage prepaid, to the Holders, and, upon the registration and delivery thereof, the same shall be the valid obligations of the City, evidencing the same obligation to pay, and entitled to the same benefits under this Ordinance, as the Certificates surrendered in such transfer or exchange.

All transfers or exchanges of Certificates pursuant to this Section shall be made without expense or service charge to the Holder, except as otherwise herein provided, and except that the Paying Agent/Registrar shall require payment by the Holder requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange.

Certificates cancelled by reason of an exchange or transfer pursuant to the provisions hereof are hereby defined to be "Predecessor Certificates", evidencing all or a portion, as the case may be, of the same obligation to pay evidenced by the new Certificate or Certificates registered and delivered in the exchange or transfer therefor. Additionally, the term "Predecessor Certificates" shall include any mutilated, lost, destroyed or stolen Certificate for which a replacement Certificate has been issued, registered and delivered in lieu thereof pursuant to the provisions of Section 20 hereof and such new replacement Certificate shall be deemed to evidence the same obligation as the mutilated, lost, destroyed or stolen Certificate.

Neither the City nor the Paying Agent/Registrar shall be required to issue or transfer to an assignee of a Holder any Certificate called for redemption, in whole or in part, within 45 days of the date fixed for the redemption of such Certificate; provided, however, such limitation on transferability shall not be applicable to an exchange by the Holder of the unredeemed balance of a Certificate called for redemption in part.

SECTION 6: Book-Entry-Only Transfers and Transactions. Notwithstanding the provisions contained in Sections 3, 4 and 5 hereof relating to the payment, and transfer/exchange of the Certificates, the City hereby approves and authorizes the use of "Book-Entry-Only" securities clearance, settlement and transfer system provided by The Depository Trust Company, a limited purpose trust company organized under the laws of the State of New York ("DTC"), in

accordance with the operational arrangements referenced in the Blanket Issuer Letter of Representations by and between the City and DTC (the "Depository Agreement").

Pursuant to the Depository Agreement and the rules of DTC, the Certificates shall be deposited with DTC who shall hold said Certificates for its participants (the "DTC Participants"). While the Certificates are held by DTC under the Depository Agreement, the Holder of the Certificates on the Security Register for all purposes, including payment and notices, shall be Cede & Co., as nominee of DTC, notwithstanding the ownership of each actual purchaser or owner of each Certificate (the "Beneficial Owners") being recorded in the records of DTC and DTC Participants.

In the event DTC determines to discontinue serving as securities depository for the Certificates or otherwise ceases to provide book-entry clearance and settlement of securities transactions in general or the City decides to discontinue use of the system of book-entry transfers through DTC, the City covenants and agrees with the Holders of the Certificates to cause Certificates to be printed in definitive form and issued and delivered to DTC Participants and Beneficial Owners, as the case may be. Thereafter, the Certificates in definitive form shall be assigned, transferred and exchanged on the Security Register maintained by the Paying Agent/Registrar and payment of such Certificates shall be made in accordance with the provisions of Sections 3, 4 and 5 hereof.

SECTION 7: Execution - Registration. The Certificates shall be executed on behalf of the City by the Mayor or Mayor Pro Tem under its seal reproduced or impressed thereon and countersigned by the City Secretary. The signature of said officers on the Certificates may be manual or facsimile. Certificates bearing the manual or facsimile signatures of individuals who are or were the proper officers of the City on the Certificate Date shall be deemed to be duly executed on behalf of the City, notwithstanding that one or more of the individuals executing the same shall cease to be such officer at the time of delivery of the Certificates to the initial purchaser(s) and with respect to Certificates delivered in subsequent exchanges and transfers, all as authorized and provided in Texas Government Code Chapter 1201, as amended.

No Certificate shall be entitled to any right or benefit under this Ordinance, or be valid or obligatory for any purpose, unless there appears on such Certificate either a certificate of registration substantially in the form provided in Section 9(c), manually executed by the Comptroller of Public Accounts of the State of Texas, or his duly authorized agent, or a certificate of registration substantially in the form provided in Section 9(d), manually executed by an authorized officer, employee or representative of the Paying Agent/Registrar, and either such certificate duly signed upon any Certificate shall be conclusive evidence, and the only evidence, that such Certificate has been duly certified, registered and delivered.

SECTION 8: Initial Certificate(s). The Certificates herein authorized shall be initially issued either (i) as a single fully registered certificate in the total principal amount stated in Section 1 hereof with principal installments to become due and payable as provided in Section 2 hereof and numbered T-1, or (ii) as multiple fully registered certificates with one certificate for each year of maturity in the applicable principal amount and denomination and to be numbered consecutively from T-1 and upward (hereinafter called the "Initial Certificate(s)") and, in either case, the Initial Certificate(s) shall be registered in the name of the initial purchaser(s) or the designee thereof. The Initial Certificate(s) shall be the Certificate(s) submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the initial purchaser(s). Any time after the delivery of the Initial Certificate(s), the Paying Agent/Registrar, pursuant to written instructions from the initial purchaser(s), or the designee thereof, shall cancel the Initial

Certificate(s) delivered hereunder and exchange therefor definitive Certificates of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates for transfer and delivery to the Holders named at the addresses identified therefor; all pursuant to and in accordance with such written instructions from the initial purchaser(s), or the designee thereof, and such other information and documentation as the Paying Agent/Registrar may reasonably require.

SECTION 9: Forms.

(a) Forms Generally. The Certificates, the Registration Certificate of the Comptroller of Public Accounts of the State of Texas, the Registration Certificate of Paying Agent/Registrar, and the form of Assignment to be printed on each of the Certificates, shall be substantially in the forms set forth in this Section with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Ordinance and may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including insurance legends in the event the Certificates, or any maturities thereof, are purchased with insurance and any reproduction of an opinion of counsel) thereon as may, consistently herewith, be established by the City or determined by the officers executing such Certificates as evidenced by their execution. Any portion of the text of any Certificates may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Certificate.

The definitive Certificates and the Initial Certificate(s) shall be printed, lithographed, engraved, typewritten, photocopied or otherwise reproduced in any other similar manner, all as determined by the officers executing such Certificates as evidenced by their execution.

If the date for the payment of the principal of or interest on the Certificates shall be a Saturday, Sunday, a legal holiday, or a day when banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day when banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due. All payments of principal of, premium, if any, and interest on this Certificate shall be without exchange or collection charges to the owner hereof and in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

This Certificate is one of the series specified in its title issued in the aggregate principal amount of \$_____ (herein referred to as the "Certificates") for the purpose of paying contractual obligations to be incurred for (i) improving and extending the City's combined Waterworks and Sewer System, including the acquisition of land and rights-of-way therefor, (ii) acquiring land for a future City Hall site, (iii) constructing, equipping and improving City Hall and additional municipal buildings, and the acquisition of land therefor (iv) constructing and improving parking facilities for municipal facilities, including the acquisition of sites therefor, (v) constructing street improvements, including drainage, landscaping, curbs, gutters, sidewalks, entryways, pedestrian pathways, signage and traffic signalization and the acquisition of land and rights-of-way therefor, (vi) constructing, equipping and improving fire fighting facilities and (vii) professional services rendered in connection with such projects and the financing thereof, under and in strict conformity with the Constitution and laws of the State of Texas, particularly Texas Local Government Code, Subchapter C of Chapter 271, as amended, and pursuant to an Ordinance adopted by the City Council of the City (herein referred to as the "Ordinance").

The Certificates maturing on and after September 1, 2029 may be redeemed prior to their Stated Maturities, at the option of the City, in whole or in part in principal amounts of \$5,000 or any integral multiple thereof (and if in part by lot by the Paying Agent/Registrar), on September 1,

2028 or on any date thereafter, at the redemption price of par, together with accrued interest to the date of redemption.

At least thirty (30) days prior to a redemption date, the City shall cause a written notice of such redemption to be sent by United States Mail, first class postage prepaid, to the registered owners of each Certificate to be redeemed at the address shown on the Security Register and subject to the terms and provisions relating thereto contained in the Ordinance. If a Certificate (or any portion of its principal sum) shall have been duly called for redemption and notice of such redemption duly given, then upon the redemption date such Certificate (or the portion of its principal sum to be redeemed) shall become due and payable, and, if moneys for the payment of the redemption price and the interest accrued on the principal amount to be redeemed to the date of redemption are held for the purpose of such payment by the Paying Agent/Registrar, interest shall cease to accrue and be payable from and after the redemption date on the principal amount redeemed.

In the event a portion of the principal amount of a Certificate is to be redeemed and the registered owner is someone other than Cede & Co., payment of the redemption price of such principal amount shall be made to the registered owner only upon presentation and surrender of such Certificate to the Designated Payment/Transfer Office of the Paying Agent/Registrar, and a new Certificate or Certificates of like maturity and interest rate in any authorized denominations provided by the Ordinance for the then unredeemed balance of the principal sum thereof will be issued to the registered owner, without charge. If a Certificate is selected for redemption, in whole or in part, the City and the Paying Agent/Registrar shall not be required to transfer such Certificate to an assignee of the registered owner within forty-five (45) days of the redemption date therefor; provided, however, such limitation on transferability shall not be applicable to an exchange by the registered owner of the unredeemed balance of a Certificate redeemed in part.

With respect to any optional redemption of the Certificates, unless moneys sufficient to pay the principal of and premium, if any, and interest on the Certificates to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice may state that said redemption is conditional upon the receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon the satisfaction of any prerequisites set forth in such notice of redemption; and, if sufficient moneys are not received, such notice shall be of no force and effect, the City shall not redeem such Certificates and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Certificates have not been redeemed.

The Certificates are payable from the proceeds of an ad valorem tax levied, within the limitations prescribed by law, upon all taxable property in the City and from a limited pledge of the Net Revenues of the City's combined Waterworks and Sewer System (the "System"), such pledge being limited to an amount of \$1,000 and being junior and subordinate to the lien on and pledge of such Net Revenues securing the payment of the Prior Lien Obligations (identified and defined in the Ordinance) now outstanding and hereafter issued by the City. In the Ordinance, the City reserves and retains the right to issue Prior Lien Obligations without limitation as to principal amount but subject to any applicable terms, conditions or restrictions under law or otherwise, as well as the right to issue additional obligations payable from the same sources as the Certificates and, together with the Certificates, equally and ratably secured by a parity lien on and pledge of the Net Revenues of the System.

Reference is hereby made to the Ordinance, a copy of which is on file in the Designated Payment/Transfer Office of the Paying Agent/Registrar, and to all the provisions of which the owner or holder of this Certificate by the acceptance hereof hereby assents, for definitions of

terms; the description of and the nature and extent of the tax levied for the payment of the Certificates; the Net Revenues pledged to the payment of the principal of and interest on the Certificates; the nature and extent and manner of enforcement of the pledge; the terms and conditions relating to the transfer or exchange of this Certificate; the conditions upon which the Ordinance may be amended or supplemented with or without the consent of the Holders; the rights, duties, and obligations of the City and the Paying Agent/Registrar; the terms and provisions upon which the tax levy and the pledges, charges and covenants made therein may be discharged at or prior to the maturity of this Certificate, and this Certificate deemed to be no longer Outstanding thereunder; and for the other terms and provisions contained therein. Capitalized terms used herein and not otherwise defined have the meanings assigned in the Ordinance.

This Certificate, subject to certain limitations contained in the Ordinance, may be transferred on the Security Register only upon its presentation and surrender at the Designated Payment/Transfer Office of the Paying Agent/Registrar, with the Assignment hereon duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar duly executed by, the registered owner hereof, or his duly authorized agent. When a transfer on the Security Register occurs, one or more new fully registered Certificates of the same Stated Maturity, of authorized denominations, bearing the same rate of interest, and of the same aggregate principal amount will be issued by the Paying Agent/Registrar to the designated transferee or transferees.

The City and the Paying Agent/Registrar, and any agent of either, shall treat the registered owner whose name appears on the Security Register (i) on the Record Date as the owner entitled to payment of interest hereon, (ii) on the date of surrender of this Certificate as the owner entitled to payment of principal hereof at its Stated Maturity or upon its prior redemption, in whole or in part, and (iii) on any other date as the owner for all other purposes, and neither the City nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary. In the event of nonpayment of interest on a scheduled payment date and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

It is hereby certified, recited, represented and declared that the City is a body corporate and political subdivision duly organized and legally existing under and by virtue of the Constitution and laws of the State of Texas; that the issuance of the Certificates is duly authorized by law; that all acts, conditions and things required to exist and be done precedent to and in the issuance of the Certificates to render the same lawful and valid obligations of the City have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas, and the Ordinance; that the Certificates do not exceed any Constitutional or statutory limitation; and that due provision has been made for the payment of the principal of and interest on the Certificates as aforesaid. In case any provision in this Certificate shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby. The terms and provisions of this Certificate and the Ordinance shall be construed in accordance with and shall be governed by the laws of the State of Texas.

IN WITNESS WHEREOF, the City Council of the City has caused this Certificate to be duly executed under the official seal of the City as of the Certificate Date.

SECTION 10: Definitions. For purposes of this Ordinance and for clarity with respect to the issuance of the Certificates herein authorized, and the levy of taxes and appropriation of Net Revenues therefor, the following words or terms, whenever the same appears herein without qualifying language, are defined to mean as follows:

(a) The term “Additional Obligations” shall mean tax and revenue obligations hereafter issued which by their terms are payable from ad valorem taxes and additionally payable from and secured by a parity lien on and pledge of the Net Revenues of the System of equal rank and dignity with the lien and pledge securing the payment of the Certificates.

(b) The term "Certificates" shall mean the \$_____ "CITY OF CELINA, TEXAS, TAX AND WATERWORKS AND SEWER SYSTEM (LIMITED PLEDGE) REVENUE CERTIFICATES OF OBLIGATION, SERIES 2018" authorized by this Ordinance.

(c) The term "Certificate Fund" shall mean the special fund created and established under the provisions of Section 11 of this Ordinance.

(d) The term "Collection Date" shall mean, when reference is being made to the levy and collection of annual ad valorem taxes, the date the annual ad valorem taxes levied each year by the City become delinquent.

(e) The term "Fiscal Year" shall mean the annual financial accounting period used with respect to the operations of the System now ending on September 30th of each year; provided, however, the City Council may change, by ordinance duly passed, such annual financial accounting period to end on another date if such change is found and determined to be necessary for budgetary or other fiscal purposes.

(f) The term "Government Securities" shall mean (i) direct noncallable obligations of the United States of America, including obligations the principal of and interest on which are unconditionally guaranteed by the United States of America, (ii) noncallable obligations of an agency or instrumentality of the United States, including obligations unconditionally guaranteed or insured by the agency or instrumentality and, on the date of their acquisition or purchase by the City, are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent, (iii) noncallable obligations of a state or an agency or a county, municipality, or other political subdivision of a state that have been refunded and that, on the date of their acquisition or purchase by the City, are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent and (iv) any other then authorized securities or obligations that may be used to defease obligations such as the Certificates under the then applicable laws of the State of Texas.

(g) The term "Gross Revenues" shall mean, with respect to the System and for any defined period, all income and revenues derived from the operation and ownership of the System, excluding, however, meter deposits, gifts, grants in aid of construction and similar kinds of receipts and moneys restricted as to use or expenditure.

(h) The term "Net Revenues" shall mean, with respect to the System and for any defined period, the Gross Revenues of the System after deducting the System's Operating and Maintenance Expenses.

(i) The term "Operating and Maintenance Expenses" shall mean, for any defined period, all current expenses and costs of operating and maintaining the System, including all salaries, labor, materials and repairs and extensions necessary to render efficient service; provided, however, that only such repairs and extensions, as in the judgment of the City Council, reasonably and fairly exercised, are necessary to keep the System in operation and render adequate service to the City and the inhabitants thereof, or such as might be necessary to meet some physical accident or condition which would otherwise impair the security of any Certificates or obligations payable from and secured by a lien on the Net Revenues of the System, shall be deducted in determining "Net Revenues". Depreciation and payments into and out of the funds maintained for the payment of the Prior Lien Obligations and similar funds maintained for the payment of obligations payable from and secured by a lien on and pledge of the Net Revenues shall never be considered as Operating and Maintenance Expenses.

(j) The term “Outstanding” when used in this Ordinance with respect to Certificates means, as of the date of determination, all Certificates theretofore issued and delivered under this Ordinance, except:

(1) those Certificates cancelled by the Paying Agent/Registrar or delivered to the Paying Agent/Registrar for cancellation;

(2) those Certificates for which payment has been duly provided by the City in accordance with the provisions of Section 21 hereof; and

(3) those Certificates that have been mutilated, destroyed, lost, or stolen and replacement Certificates have been registered and delivered in lieu thereof as provided in Section 20 hereof.

(k) The term “Prior Lien Obligations” shall mean (A) all revenue bonds or other obligations hereafter issued, payable solely from and secured only by a lien on and pledge of the Net Revenues of the System, and (B) obligations now outstanding and hereafter issued which by the terms of this Ordinance and the ordinances authorizing their issuance have a prior right and claim on the Net Revenues of the System to the claim and right securing the payment of the Certificates, including, but not limited to, the outstanding

(1) “City of Celina, Texas, Tax and Waterworks and Sewer System Surplus Revenue Certificates of Obligation, Series 2004”, dated October 1, 2004; and

(2) “City of Celina, Texas, Tax and Waterworks and Sewer System Revenue Certificates of Obligation, Series 2007”, dated September 1, 2007.

(l) The term “System” shall mean all plants, properties and facilities owned, operated and maintained by the City for the supply, storage and distribution of treated water and the collection, treatment and disposal of water-carried wastes, together with all future improvements, extensions, enlargements and additions thereto and replacements thereof.

SECTION 11: Certificate Fund. For the purpose of paying the interest on and to provide a sinking fund for the payment, redemption and retirement of the Certificates, there shall be and is hereby created a special account or fund on the books and records of the City known as the “SPECIAL SERIES 2018 TAX AND REVENUE CERTIFICATE OF OBLIGATION FUND” (the “Certificate Fund”), and all moneys deposited to the credit of such fund shall be kept and maintained in a special banking account at the City’s depository bank. The Mayor, Mayor Pro Tem, City Manager, Director of Finance and City Secretary, individually or collectively, of the City are hereby authorized and directed to make withdrawals from said fund sufficient to pay the principal of and interest on the Certificates as the same become due and payable, and, shall cause to be transferred to the Paying Agent/Registrar from moneys on deposit in the Certificate Fund an amount sufficient to pay the amount of principal and/or interest falling due on the Certificates, such transfer of funds to the Paying Agent/Registrar to be made in such manner as will cause immediately available funds to be deposited with the Paying Agent/Registrar on or before the last business day next preceding each interest and principal payment date for the Certificates.

Pending the transfer of funds to the Paying Agent/Registrar, money in the Certificate Fund may, at the option of the City, be invested in obligations identified in, and in accordance with the provisions of the “Public Funds Investment Act” (Texas Government Code, Chapter 2256, as

amended) relating to the investment of “bond proceeds”; provided that all such investments shall be made in such a manner that the money required to be expended from said fund will be available at the proper time or times. All interest and income derived from deposits and investments in said Certificate Fund shall be credited to, and any losses debited to, the said Certificate Fund. All such investments shall be sold promptly when necessary to prevent any default in connection with the Certificates.

SECTION 12: Tax Levy. To provide for the payment of the “Debt Service Requirements” on the Certificates being (i) the interest on said Certificates and (ii) a sinking fund for their payment at maturity or redemption or a sinking fund of 2% (whichever amount shall be the greater), there shall be and there is hereby levied a sufficient tax on each one hundred dollars’ valuation of taxable property in said City, within the limitations prescribed by law, adequate to pay such Debt Service Requirements while the Certificates remain Outstanding, full allowance being made for delinquencies and costs of collection; and said tax shall be assessed and collected each year and applied to the payment of the Debt Service Requirements, and the same shall not be diverted to any other purpose. The taxes so levied and collected shall be paid into the Certificate Fund. The City Council hereby declares its purpose and intent to provide and levy a tax legally and fully sufficient to pay the said Debt Service Requirements, it having been determined that the existing and available taxing authority of the City for such purpose is adequate to permit a legally sufficient tax in consideration of all other outstanding indebtedness.

The amount of taxes to be provided annually for the payment of the principal of and interest on the Certificates shall be determined and accomplished in the following manner:

(a) Prior to the date the City Council establishes the annual tax rate and passes an ordinance levying ad valorem taxes each year, the City Council shall determine:

(1) The amount on deposit in the Certificate Fund after (a) deducting therefrom the total amount of Debt Service Requirements to become due on Certificates prior to the Collection Date for the ad valorem taxes to be levied and (b) adding thereto the amount of the Net Revenues of the System, together with any other lawfully available revenues of the City, appropriated and allocated to pay such Debt Service Requirements prior to the Collection Date for the ad valorem taxes to be levied.

(2) The amount of Net Revenues of the System, together with any other lawfully available revenues of the City, appropriated and to be set aside for the payment of the Debt Service Requirements on the Certificates between the Collection Date for the taxes then to be levied and the Collection Date for the taxes to be levied during the next succeeding calendar year.

(3) The amount of Debt Service Requirements to become due and payable on the Certificates (or a sinking fund of 2% if greater than the amount due and payable on the Certificates) between the Collection Date for the taxes then to be levied and the Collection Date for the taxes to be levied during the next succeeding calendar year.

(b) The amount of taxes to be levied annually each year to pay the Debt Service Requirements on the Certificates shall be the amount established in paragraph (3) above less the sum total of the amounts established in paragraphs (1) and (2), after taking into consideration delinquencies and costs of collecting such annual taxes.

Any surplus proceeds from the sale of the Certificates not expended for authorized purposes shall be deposited in the Certificate Fund, and such amounts so deposited shall reduce the sums otherwise required to be deposited in said Fund from ad valorem taxes.

The City has sufficient current funds available and such funds are hereby appropriated to make the payments to become due on the Certificates on March 1, 2019 and September 1, 2019, and the Mayor, Mayor Pro Tem, City Manager, Director of Finance and City Secretary of the City, individually or jointly, are hereby authorized and directed to transfer and deposit in the Certificate Fund such amount of current funds which will be sufficient to pay the amounts to become due on the Certificates on March 1, 2019 and September 1, 2019.

SECTION 13: Limited Pledge of Revenues. The City hereby covenants and agrees that, subject to the prior lien on and pledge of the Net Revenues of the System to the payment and security of Prior Lien Obligations, the Net Revenues of the System in an amount equal to \$1,000 are hereby irrevocably pledged to the payment of the principal of and interest on the Certificates, and the limited pledge of \$1,000 of the Net Revenues of the System herein made for the payment of the Certificates shall constitute a lien on the Net Revenues of the System (until such time as the City shall pay all of such \$1,000, after which time the pledge shall cease) in accordance with the terms and provisions hereof. Furthermore, such lien on and pledge of the Net Revenues securing the payment of the Certificates shall be valid and binding and fully perfected from and after the date of adoption of this Ordinance without physical delivery or transfer or transfer of control of the Net Revenues, the filing of this Ordinance or any other act; all as provided in Texas Government Code, Chapter 1208, as amended ("Chapter 1208").

Chapter 1208 applies to the issuance of the Certificates and the pledge of the Net Revenues of the System granted by the City under this Section 13, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while the Certificates are Outstanding such that the pledge of the Net Revenues of the System granted by the City under this Section 13 is to be subject to the filing requirements of the Texas Business and Commerce Code, Chapter 9, as amended, then in order to preserve to the registered owners of the Certificates the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of the Texas Business and Commerce Code, Chapter 9, as amended, and enable a filing to perfect the security interest in said pledge to occur.

SECTION 14: System Fund. The City covenants and agrees that all Gross Revenues (excluding earnings from the investment of money held in any special funds or accounts created for the payment and security of the Prior Lien Obligations) shall be deposited as collected into a fund maintained at an official depository of the City and known on the books of the City as the "System Fund" (hereinafter called the "System Fund"). All moneys deposited to the credit of the System Fund shall be allocated, dedicated and disbursed to the extent required for the following purposes and in the order of priority shown, to wit:

First: To the payment of all necessary and reasonable Operating and Maintenance Expenses of the System as defined herein or required by statute to be a first charge on and claim against the revenues thereof.

Second: To the payment of all amounts required to be deposited in the special Funds created and established for the payment, security and benefit of Prior Lien Obligations in accordance with the terms and provisions of the ordinances authorizing the issuance of Prior Lien Obligations.

Third: To the payment, equally and ratably, of the amounts pledged to the payment of the Certificates and Additional Obligations, if any.

Any Net Revenues remaining in the System Fund after satisfying the foregoing payments, or making adequate and sufficient provision for the payment thereof, may be appropriated and used for any other City purpose now or hereafter permitted by law.

SECTION 15: Deposits to Certificate Fund. Subject to the provisions of Section 13 hereof, the City hereby covenants and agrees to cause to be deposited in the Certificate Fund from the pledged Net Revenues of the System in the System Fund, the amount of Net Revenues of the System pledged to the payment of the Certificates.

The City covenants and agrees that the amount of pledged Net Revenues of the System (\$1,000), together with other lawfully available revenues appropriated by the City for payment of the debt service requirements on the Certificates and ad valorem taxes levied, collected, and deposited in the Certificate Fund for and on behalf of the Certificates, will be an amount equal to one hundred percent (100%) of the amount required to fully pay the interest and principal due and payable on the Certificates. In addition, any surplus proceeds from the sale of the Certificates not expended for authorized purposes shall be deposited in the Certificate Fund, and such amounts so deposited shall reduce the sums otherwise required to be deposited in said Fund from ad valorem taxes and the Net Revenues of the System.

SECTION 16: Security of Funds. All moneys on deposit in the Funds for which this Ordinance makes provision (except any portion thereof as may be at any time properly invested) shall be secured in the manner and to the fullest extent required by the laws of Texas for the security of public funds, and moneys on deposit in such Funds shall be used only for the purposes permitted by this Ordinance.

SECTION 17: Special Covenants. The City hereby further covenants as follows:

(a) It has the lawful power to pledge the Net Revenues of the System to the payment of the Certificates in the manner herein contemplated and has lawfully exercised such power under the Constitution and laws of the State of Texas, including said power existing under Texas Government Code, Chapter 1502, as amended, and Texas Local Government Code, Subchapter C of Chapter 271, as amended.

(b) Other than for the payment of the Prior Lien Obligations and the Certificates, the Net Revenues of the System have not in any manner been pledged to the payment of any debt or obligation of the City or of the System.

SECTION 18: Issuance of Prior Lien Obligations and Additional Parity Obligations. The City hereby expressly reserves the right to hereafter issue Prior Lien Obligations, without limitation as to principal amount but subject to any terms, conditions or restrictions applicable thereto under law or otherwise, payable, in whole or in part, from the Net Revenues (without impairment of the obligation of contract with the Holders of the Certificates) upon such terms and conditions as the City Council may determine. Additionally, the City reserves the right to issue obligations payable, in whole or in part, from the Net Revenues of the System and, to the extent provided, secured by a lien on and pledge of the Net Revenues of equal rank and dignity with the lien and pledge securing the payment of the Certificates.

SECTION 19: Application of Prior Lien Obligations Covenants and Agreements. It is the intention of this governing body and accordingly hereby recognized and stipulated that the

provisions, agreements and covenants contained herein bearing upon the management and operations of the System, and the administering and application of revenues derived from the operation thereof, shall to the extent possible be harmonized with like provisions, agreements and covenants contained in the ordinances authorizing the issuance of the Prior Lien Obligations, and to the extent of any irreconcilable conflict between the provisions contained herein and in the ordinances authorizing the issuance of the Prior Lien Obligations, the provisions, agreements and covenants contained therein shall prevail to the extent of such conflict and be applicable to this Ordinance but in all respects subject to the priority of rights and benefits, if any, conferred thereby to the holders of the Prior Lien Obligations.

SECTION 20: Mutilated - Destroyed - Lost and Stolen Certificates. In case any Certificate shall be mutilated, or destroyed, lost or stolen, the Paying Agent/Registrar may execute and deliver a replacement Certificate of like form and tenor, and in the same denomination and bearing a number not contemporaneously outstanding, in exchange and substitution for such mutilated Certificate, or in lieu of and in substitution for such destroyed, lost or stolen Certificate, only upon the approval of the City and after (i) the filing by the Holder thereof with the Paying Agent/Registrar of evidence satisfactory to the Paying Agent/Registrar of the destruction, loss or theft of such Certificate, and of the authenticity of the ownership thereof and (ii) the furnishing to the Paying Agent/Registrar of indemnification in an amount satisfactory to hold the City and the Paying Agent/Registrar harmless. All expenses and charges associated with such indemnity and with the preparation, execution and delivery of a replacement Certificate shall be borne by the Holder of the Certificate mutilated, or destroyed, lost or stolen.

Every replacement Certificate issued pursuant to this Section shall be a valid and binding obligation, and shall be entitled to all the benefits of this Ordinance equally and ratably with all other Outstanding Certificates; notwithstanding the enforceability of payment by anyone of the destroyed, lost, or stolen Certificates.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost or stolen Certificates.

SECTION 21: Satisfaction of Obligation of City. If the City shall pay or cause to be paid, or there shall otherwise be paid to the Holders, the principal of, premium, if any, and interest on the Certificates, at the times and in the manner stipulated in this Ordinance, then the pledge of taxes levied under this Ordinance and the Net Revenues of the System (to the extent such pledge of Net Revenues shall not have been discharged or terminated by prior payment of principal of or interest on the Certificates) and all covenants, agreements, and other obligations of the City to the Holders shall thereupon cease, terminate, and be discharged and satisfied.

Certificates or any principal amount(s) thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section when (i) money sufficient to pay in full such Certificates or the principal amount(s) thereof at maturity or the redemption date therefor, together with all interest due thereon, shall have been irrevocably deposited with and held in trust by the Paying Agent/Registrar, or an authorized escrow agent, or (ii) Government Securities shall have been irrevocably deposited in trust with the Paying Agent/Registrar, or an authorized escrow agent, which Government Securities have been certified by an independent accounting firm to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any moneys deposited therewith, if any, to pay when due the principal of and interest on such Certificates, or the principal amount(s) thereof, on and prior to the Stated Maturity thereof or (if notice of redemption has been duly given or waived or if irrevocable arrangements therefor acceptable to

the Paying Agent/Registrar have been made) the redemption date thereof. The City covenants that no deposit of moneys or Government Securities will be made under this Section and no use made of any such deposit which would cause the Certificates to be treated as “arbitrage bonds” within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended, or regulations adopted pursuant thereto.

Any moneys so deposited with the Paying Agent/Registrar, or an authorized escrow agent, and all income from Government Securities held in trust by the Paying Agent/Registrar, or an authorized escrow agent, pursuant to this Section which is not required for the payment of the Certificates, or any principal amount(s) thereof, or interest thereon with respect to which such moneys have been so deposited shall be remitted to the City or deposited as directed by the City. Furthermore, any money held by the Paying Agent/Registrar for the payment of the principal of and interest on the Certificates and remaining unclaimed for a period of three (3) years after the Stated Maturity, or applicable redemption date, of the Certificates such moneys were deposited and are held in trust to pay shall upon the request of the City be remitted to the City against a written receipt therefor. Notwithstanding the above and foregoing, any remittance of funds from the Paying Agent/Registrar to the City shall be subject to any applicable unclaimed property laws of the State of Texas.

SECTION 22: Ordinance a Contract - Amendments. This Ordinance shall constitute a contract with the Holders from time to time, be binding on the City, and shall not be amended or repealed by the City while any Certificates remain Outstanding except as permitted in this Section and in Section 36 hereof. The City may, without the consent of or notice to any Holders, from time to time and at any time, amend this Ordinance in any manner not detrimental to the interests of the Holders, including the curing of any ambiguity, inconsistency, or formal defect or omission herein. In addition, the City may, with the consent of Holders holding a majority in aggregate principal amount of the Certificates then Outstanding, amend, add to, or rescind any of the provisions of this Ordinance; provided that, without the consent of all Holders of Outstanding Certificates, no such amendment, addition, or rescission shall (1) extend the time or times of payment of the principal of, premium, if any, and interest on the Certificates, reduce the principal amount thereof, the redemption price or the rate of interest thereon, or in any other way modify the terms of payment of the principal of, premium, if any, or interest on the Certificates, (2) give any preference to any Certificate over any other Certificate, or (3) reduce the aggregate principal amount of Certificates required to be held by Holders for consent to any such amendment, addition, or rescission.

SECTION 23: Covenants to Maintain Tax-Exempt Status.

(a) Definitions. When used in this Section, the following terms have the following meanings:

“*Closing Date*” means the date on which the Certificates are first authenticated and delivered to the initial purchasers against payment therefor.

“*Code*” means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

“*Computation Date*” has the meaning set forth in Section 1.148 1(b) of the Regulations.

“*Gross Proceeds*” means any proceeds as defined in Section 1.148 1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148 1(c) of the Regulations, of the Certificates.

“Investment” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Nonpurpose Investment” means any investment property, as defined in Section 148(b) of the Code, in which Gross Proceeds of the Certificates are invested and which is not acquired to carry out the governmental purposes of the Certificates.

“Rebate Amount” has the meaning set forth in Section 1.148 1(b) of the Regulations.

“Regulations” means any proposed, temporary, or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Certificates. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

“Yield” of (1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations and (2) the Certificates has the meaning set forth in Section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Certificate to become includable in the gross income, as defined in Section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Certificate, the City shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Certificates:

(1) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Certificates, and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(2) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Certificates or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan. Except to the extent permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Certificates to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be "loaned" to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take or pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(e) Not to Invest at Higher Yield. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Certificates directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested), if as a result of such investment the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Certificates.

(f) Not Federally Guaranteed. Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Certificates to be federally guaranteed within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The City shall timely file the information required by Section 149(e) of the Code with the Secretary of the Treasury on Form 8038 G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in Section 148(f) of the Code and the Regulations and rulings thereunder:

(1) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Certificate is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Certificates with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(2) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in Section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Certificates until six years after the final Computation Date.

(3) As additional consideration for the purchase of the Certificates by the Underwriters and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall pay to the United States from the construction fund, the general fund, or other appropriate fund or, if permitted by applicable Texas

statute, regulation or opinion of the Attorney General of the State of Texas, the Certificate Fund, the amount that when added to the future value of previous rebate payments made for the Certificates equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(4) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148 3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Certificates, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Certificates not been relevant to either party.

(j) Elections. The City hereby directs and authorizes the Mayor, Mayor Pro Tem, City Manager, Director of Finance and City Secretary, individually or collectively, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Certificates, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document.

SECTION 24: Sale of Certificates – Official Statement Approval. Pursuant to a public sale for the Certificates, the bid submitted by _____ (herein referred to as the "Underwriters") is declared to be the best bid received producing the lowest true interest cost rate to the City, and the sale of the Certificates to said Purchaser at the price of par plus a cash premium of \$ _____ is hereby determined to be in the best interests of the City and is approved and confirmed. Delivery of the Certificates to the Underwriters shall occur as soon as possible upon payment being made therefor in accordance with the terms of sale. The Initial Certificate shall be registered as provided in the winning bid.

The use of the Preliminary Official Statement by the Underwriters in connection with the public offering and sale of the Certificates is hereby ratified, confirmed and approved in all respects. The final Official Statement which reflects the terms of sale (together with such changes approved by the Mayor, Mayor Pro Tem, City Manager, Director of Finance and City Secretary, any one or more of said officials), shall be and is hereby in all respects approved and the Underwriters are hereby authorized to use and distribute said final Official Statement, dated August 14, 2018, in the reoffering, sale and delivery of the Certificates to the public. The Mayor or Mayor Pro Tem and City Secretary are further authorized to deliver for and on behalf of the City copies of said Official Statement in final form as may be required by the Underwriters, and

such final Official Statement in the form and content authorized to be delivered by said officials shall be deemed to be approved by the City Council and constitute the Official Statement authorized for distribution and use by the Underwriters.

SECTION 25: Proceeds of Sale. The proceeds of sale of the Certificates, excluding amounts to pay costs of issuance, shall be deposited in a construction fund maintained at a depository bank of the City. Pending expenditure for authorized projects and purposes, such proceeds of sale may be invested in authorized investments in accordance with the provisions of Texas Government Code, Chapter 2256, as amended, including guaranteed investment contracts permitted by Texas Government Code, Section 2256.015 et seq., as amended, and the City's investment policies and guidelines, and any investment earnings realized may be expended for such authorized projects and purposes or deposited in the Certificate Fund as shall be determined by the City Council. Any surplus proceeds of sale of the Certificates, including investment earnings, remaining after completion of all authorized projects or purposes shall be deposited to the credit of the Certificate Fund.

SECTION 26: Control and Custody of Certificates. The Mayor of the City shall be and is hereby authorized to take and have charge of all necessary orders and records pending the sale of the Certificates, the investigation by the Attorney General of the State of Texas, including the printing and supply of definitive Certificates, and shall take and have charge and control of the Initial Certificate(s) pending the approval thereof by the Attorney General, the registration thereof by the Comptroller of Public Accounts and the delivery thereof to the Underwriters.

SECTION 27: Notices to Holders Waiver. Wherever this Ordinance provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and sent by United States Mail, first class postage prepaid, to the address of each Holder appearing in the Security Register at the close of business on the business day next preceding the mailing of such notice.

In any case where notice to Holders is given by mail, neither the failure to mail such notice to any particular Holders, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Certificates. Where this Ordinance provides for notice in any manner, such notice may be waived in writing by the Holder entitled to receive such notice, either before or after the event with respect to which such notice is given, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 28: Cancellation. All Certificates surrendered for payment, redemption, transfer, exchange, or replacement, if surrendered to the Paying Agent/Registrar, shall be promptly cancelled by it and, if surrendered to the City, shall be delivered to the Paying Agent/Registrar and, if not already cancelled, shall be promptly cancelled by the Paying Agent/Registrar. The City may at any time deliver to the Paying Agent/Registrar for cancellation any Certificates previously certified or registered and delivered which the City may have acquired in any manner whatsoever, and all Certificates so delivered shall be promptly cancelled by the Paying Agent/Registrar. All cancelled Certificates held by the Paying Agent/Registrar shall be returned to the City.

SECTION 29: Bond Counsel's Opinion. The Underwriters' obligation to accept delivery of the Certificates is subject to being furnished a final opinion of Norton Rose Fulbright US LLP, Dallas, Texas, Bond Counsel to the City, approving the Certificates as to their validity, said opinion to be dated and delivered as of the date of delivery and payment for the Certificates. An executed

counterpart of said opinion shall accompany the global certificates deposited with DTC or a reproduction thereof shall be printed on the definitive Certificates in the event the book-entry-only system shall be discontinued.

SECTION 30: CUSIP Numbers. CUSIP numbers may be printed or typed on the definitive Certificates. It is expressly provided, however, that the presence or absence of CUSIP numbers on the definitive Certificates shall be of no significance or effect as regards the legality thereof and neither the City nor attorneys approving the Certificates as to legality are to be held responsible for CUSIP numbers incorrectly printed or typed on the definitive Certificates.

SECTION 31: Benefits of Ordinance. Nothing in this Ordinance, expressed or implied, is intended or shall be construed to confer upon any person other than the City, the Paying Agent/Registrar and the Holders, any right, remedy, or claim, legal or equitable, under or by reason of this Ordinance or any provision hereof, and this Ordinance and all its provisions is intended to be and shall be for the sole and exclusive benefit of the City, the Paying Agent/Registrar and the Holders.

SECTION 32: Inconsistent Provisions. All ordinances, orders or resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Ordinance are hereby repealed to the extent of such conflict, and the provisions of this Ordinance shall be and remain controlling as to the matters contained herein.

SECTION 33: Governing Law. This Ordinance shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

SECTION 34: Effect of Headings. The Section headings herein are for convenience of reference only and shall not affect the construction hereof.

SECTION 35: Construction of Terms. If appropriate in the context of this Ordinance, words of the singular number shall be considered to include the plural, words of the plural number shall be considered to include the singular, and words of the masculine, feminine or neuter gender shall be considered to include the other genders.

The provisions of this Section are for the sole benefit of the Holders and beneficial owners of the Certificates; and, nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section. Except as expressly provided within this Section, the City does not undertake to provide any other information, whether or not it may be relevant or material to a complete presentation of the City’s financial results, condition, or prospects; nor does the City undertake to update any information provided in accordance with this Section or otherwise. Furthermore, the City does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Certificates at any future date.

Notwithstanding anything herein to the contrary, the provisions of this Section may be amended by the City from time to time to adapt to changed circumstances resulting from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Certificates in the primary offering of the Certificates

in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Ordinance that authorizes such an amendment) of the Outstanding Certificates consent to such amendment or (b) a person that is unaffiliated with the City (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Holders and beneficial owners of the Certificates. The provisions of this Section may also be amended from time to time or repealed by the City if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction determines that such provisions are invalid, but only if and to the extent that reservation of the City's right to do so would not prevent underwriters of the initial public offering of the Certificates from lawfully purchasing or selling Certificates in such offering. If the City so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided pursuant to subsection (b) of this Section an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

In addition, prior to the initial delivery of the Certificates, the Mayor, Mayor Pro Tem, City Manager, Director of Finance and City Secretary or Bond Counsel to the City are each hereby authorized and directed to approve any changes or corrections to this Ordinance or to any of the documents authorized and approved by this Ordinance: (i) in order to cure any ambiguity, formal defect or omission in the Ordinance or such other document; or (ii) as requested by the Attorney General of the State of Texas or his representative to obtain the approval of the Certificates by the Attorney General and if such officer or counsel determines that such changes are consistent with the intent and purpose of the Ordinance, which determination shall be final. In the event that any officer of the City whose signature shall appear on any document shall cease to be such officer before the delivery of such document, such signature nevertheless shall be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

SECTION 39: Incorporation of Findings and Determinations. The findings and determinations of the City Council contained in the preamble hereof are hereby incorporated by reference and made a part of this Ordinance for all purposes as if the same were restated in full in this Section.

WORK ORDER NO. 11
City of Celina
Celina, Texas
Project No. 18088190

This WORK ORDER is made by and between the **City of Celina of Celina, Texas**, hereinafter referred to as "Owner," and **GARVER, LLC**, hereinafter referred to as "GARVER", in accordance with the provisions of the MASTER AGREEMENT FOR PROFESSIONAL SERVICES executed on November 10, 2015.

Under this Work Order, the Owner intends to make the following improvements for the **Celina Pump Stations Improvements Phase II**.

The ongoing water modeling project (Work Order #2) and subsequent population and flow projections have documented an immediate need for expansion of the pumping capacity at both the Celina Road Pump Station (CRPS) and the Downtown Pump Station (DTPS). These expansions are needed to provide the projected capacity due to planned development. The project will include the design of new pumps, piping and associated appurtenances, along with SCADA improvements.

SECTION 1 - SCOPE OF SERVICES

Task 1.0 Preliminary Design

The preliminary design will provide a 30% set of drawings, along with an opinion of probable construction cost, for the design of: upgrading the pump capacity through the addition of two new pumps at the CRPS and one pump at the DTPS, relocation of the existing SCADA system, recoating of the Celina Road Ground Storage Tank (GST), new wrought iron fencing at the DTPS, and demolition of the existing abandoned DTPS building with four existing pumps.

1.1 Project Kickoff

The project kickoff meeting will be held at the Owner's location with up to two GARVER staff. GARVER will discuss the project schedule and detail the project scope.

1.2 Pump and Piping Design

One new pump will be implemented at the DTPS. The pump will match the pumps that were installed in Phase I, which have a design point of 3,200 gpm at 240 feet of head. Two new pumps will be installed at the CRPS, and will match the pumps installed in Phase I which have a design point of 3,700 gpm at 275 feet of head. Variable frequency drives will be included for the new pumps, and associated electrical improvements will also be implemented.

1.3 Backup Power and SCADA Design

The design will incorporate the new pumps at both locations into the backup power system and SCADA system. SCADA integration will include process and instrumentation diagrams (P&IDs), which document existing and desired level of monitoring and control, as well as an updated SCADA infrastructure map for the facilities.

The design will include an additive alternative for an additional generator sized identically to the new generator at the CRPS. Each generator is capable of powering two of the 3,700 gpm pumps.

The design will also incorporate relocation of the existing SCADA workstation. The workstation will be relocated from the decommissioned DTPS building to the new laboratory area of the newly renovated DTPS building.

1.4 Demolition

The exiting DTPS building currently houses four existing pumps, one SCADA workstation and a small chlorine room. The design will incorporate demolition of the building, pumps, discharge piping, and relocation of the existing generator to the Owner's public works office.

1.5 Site Fencing Improvements

The design will incorporate new wrought iron fencing, similar to the Light Farms elevated storage tower location. This fencing will be incorporated at the DTPS location only and will be compliant with TCEQ requirements. No improvements will be made to the CRPS site fencing.

1.6 CRPS Recoating

The design will incorporate recoating of the CRPS to match existing tank colors and logo. The tank is not able to be placed out of service for an extended period of time. Therefore, only the exterior of the tank will be recoated.

1.8 Preliminary Design Workshop

Upon submission of the preliminary design drawings, GARVER will host a workshop at the Owner's location with up to two GARVER staff. Major items of discussion will include process design criteria, P&ID development, site layout, demolition, and construction sequencing.

1.9 Deliverables

The preliminary design phase will represent approximately 30 percent of final construction contract plans. The preliminary design phase submittal will include a submittal of preliminary plans, preliminary list of specifications, and an opinion of probable construction cost. This submittal will not include complete technical specifications or "front end" contract documents.

The following will be submitted to the Owner, or others as indicated, by the Engineer:

1. Three (3) half size (11"x17") copies and a digital copy in PDF format of the conceptual (30%) plans, a list of anticipated specifications, and opinion of probable construction cost to Owner.

Task 2.0 Final Design

During the final design phase of the project, GARVER will conduct final designs to prepare construction plans and specifications for one (1) construction contract, including final construction details and quantities, special provisions, and opinion of probable construction cost. The final design phase is anticipated to have three major submittals: 60%, 90%, and 100%.

2.1 Contract Documents

Based upon the results of the approved preliminary design by the Owner, GARVER will develop the detailed plans and specifications as a part of the Final Design for a single construction contract. GARVER will utilize the Owner's Engineers Joint Council Documents Committee (EJCDC) standard documents as a base for developing the project's front end documents. The front end documents shall include proposal forms, notice to bidders, bid forms, bond forms, and other information as required by the Owner to competitively bid the work. Jointly agreed-to requirements of the Owner's standard front end documents will be incorporated in the Supplementary Conditions as necessary. EJCDC's standard General Conditions shall be utilized with edits being provided by the Supplementary Conditions. Multiple design scenarios or bid packages and/or pre-purchased equipment packages are not included as part of the level of effort provided with this Agreement.

2.2 Deliverable Progress Meetings

GARVER will conduct a 60% and 90% progress meeting in Celina with up to two (2) GARVER staff at each meeting. The purpose of the meetings is to deliver the contract document submittal at the respective meeting, discuss any significant changes to the design and OPCC, and receive Owner comments.

Upon completion of the 90% progress meeting, GARVER will proceed with regulatory review and coordination (described in the following subtask). Owner comments are anticipated within two weeks of each progress meeting.

Following receipt of Owner's 90% review comments and TCEQ approval, GARVER will prepare 100% deliverable for the Owner to bid the project.

2.3 Regulatory Review and Coordination

This task will consist of the following:

- GARVER will coordinate submittal of the 90% complete documents to TCEQ for regulatory compliance review and comments.
- GARVER will coordinate and develop responses to regulatory review comments as directed by Owner.

2.4 Deliverables

This task will consist of the following deliverables:

- 60% half-size (11"x17") plans, specifications, and OPCC: Three (3) hard copies to the Owner and one (1) hard copy to TCEQ.
- 90% half-size (11"x17") plans, specifications, and OPCC: Three (3) hard copies to the Owner and one (1) hard copy to TCEQ.
- Two deliverable progress meetings
- 100% half-size (11"x17") plans, specifications, and OPCC: Three (3) hard copies to the Owner and one hard copy (11"x17") to TCEQ (if requested by TCEQ).

Task 3.0 Bidding Services

This task will accomplish the following:

3.1 Bidding Assistance

The bidding period for bidders is anticipated to extend for a 30-day duration. During the bidding period phase of the project, GARVER will:

1. Prepare and submit Advertisement for Bids to newspaper(s) for publication as directed by the Owner. Owner will pay advertising costs outside of this contract.
2. Post advertisement for bids, construction contract documents, and any associated information to GARVER's online plan room for download by prospective bidders (at an appropriate cost for handling).
3. Support the contract documents by preparing addenda as appropriate and posting on GARVER's online plan room.

4. Participate in a pre-bid meeting.
5. Prepare a pre-bid meeting memorandum. Following Owner authorization, post the pre-bid meeting memorandum with attendance record on GARVER's online plan room.
6. Participate and chair a construction site tour by interested pre-bid meeting attendees and other interested parties.
7. Attend the bid opening.
8. Prepare bid tabulation.
9. Evaluate bids and recommend award.
10. Prepare construction contracts.
11. Prepare conformed documents (one full size set delivered to Owner).

If the bid phase extends beyond the anticipated 30 days, an additional Amendment will be necessary to extend these services.

Task 4.0 Construction Administration Services

During the construction phase of work, GARVER will accomplish the following:

1. Issue a Notice to Proceed letter to the Contractor.
2. Attend one preconstruction meeting.
3. Attend one utilities coordination meeting.
4. Attend six progress/coordination meetings with the Owner/Contractor.
5. Evaluate and respond up to twenty construction material submittals and shop drawings.
Additional submittal and shop drawing reviews will be considered Extra Work. Corrections or comments made by GARVER on the shop drawings during this review will not relieve Contractor from compliance with requirements of the drawings and specifications. The check will only be for review of general conformance with the design concept of the project and general compliance with the information given in the contract documents. The Contractor will be responsible for confirming and correlating all quantities and dimensions, selecting fabrication processes and techniques of construction, coordinating his work with that of all other trades, and performing his work in a safe and satisfactory manner. GARVER's review shall not constitute approval of safety precautions or constitute approval of construction means, methods, techniques, sequences, procedures, or assembly of various components. When certification of performance characteristics of materials, systems or equipment is required by the Contract Documents, either directly or implied for a complete and workable system, GARVER shall be entitled to rely upon such submittal or implied certification to establish that the materials, systems or equipment will meet the performance criteria required by the Contract Documents.
6. Issue up to ten instructions to the Contractor on behalf of the Owner and issue necessary clarifications (respond to RFIs) regarding the construction contract documents. If Garver is requested to respond to additional RFIs, it will be considered Extra Work.
7. Review up to seven (7) of the Contractor's progress payment requests based on the actual quantities of contract items completed and accepted, and will make a recommendation to the Owner regarding payment. GARVER's recommendation for payment shall not be a representation that GARVER has made exhaustive or continuous inspections to (1) check the quality or exact quantities of the Work; (2) to review billings from Subcontractors and material suppliers to substantiate the Contractor's right to payment; or (3) to ascertain how the Contractor has used money previously paid to the Contractor.
8. Participate in final project inspection, prepare punch list, review final project closing documents, and submit final pay request.
9. Prepare and furnish record drawings based on contractor redlines.

The proposed fee for Construction Phase Services is based on a 180-calendar-day construction contract performance time. If the construction time extends beyond the time established in this agreement, and the Owner wants GARVER to continue the applicable Construction Phase Services, the Owner will pay GARVER an additional fee agreed to by the Owner and GARVER.

SCADA programming and applications engineering services are not included in this Task. If desired by the Owner, the work associated with those services will be considered Special Services.

Task 5.0 Special Services

Additional professional services may be needed during the project timeline. These special services are anticipated to include, but not limited to applications engineering and SCADA programming during construction. Special services will only be conducted as directed and authorized by the Owner in writing prior to conducting special services work.

SECTION 2 - PAYMENT

For the work described under SECTION 1 - SCOPE OF SERVICES, Tasks 1-5, the Owner will pay GARVER on a lump sum basis. The Owner represents that funding sources are in place with the available funds necessary to pay GARVER.

Dear City Council Members,

The Greater Celina Chamber of Commerce is planning the upcoming 2018 Oktoberfest for Saturday, October 13th, 2018. The event will be held on the Historic Downtown Celina Square.

We are asking the city for a 1-day variance to serve alcoholic beverages at our event, which will be held on property that is owned by the City of Celina. The event time is from 11am to 10pm. The Chamber will have a temporary TABC alcohol permit for the day. We have hired TABC certified bartenders and we are purchasing our alcohol from Ben E. Keith Distributing.

At this time, we are asking that you approve our request for this variance. If you have any questions, please contact me at 469-207-6136.

Thank you,

Melissa Cromwell
President
